explore the bazaars

3
00:00:44,370 --> 00:00:43,160

or e-ticket ride into the world of the

4
00:00:47,680 --> 00:00:44,380

paranoid

5
00:00:51,960 --> 00:00:47,690

strap yourself here as we traverse the

6
00:00:55,080 --> 00:00:51,970

universe exploring the unexplained UFO s

7
00:00:57,460 --> 00:00:55,090

ghosts Lost Worlds

8
00:01:01,330 --> 00:00:57,470

cryptozoology as well as other

9
00:01:06,460 --> 00:01:01,340

dimensions it's time to take back the

10
00:01:09,580 --> 00:01:06,470

night now your electrifying hosts of

11
00:01:16,570 --> 00:01:09,590

exploring the bizarre Timothy Begley and

12
00:01:18,580 --> 00:01:16,580

team sports it's so dark out there

13
00:01:22,330 --> 00:01:18,590

Connecticut you can hear the crickets

14

00:01:24,639 --> 00:01:22,340

and boy there's some gravel over here I

15

00:01:27,160 --> 00:01:24,649

get out Jesus second it's really pitch

16

00:01:29,560 --> 00:01:27,170

black you'll see you think we'll see

17

00:01:31,630 --> 00:01:29,570

anything strange tonight you know we're

18

00:01:35,940 --> 00:01:31,640

not only successful we go where we got a

19

00:01:40,749 --> 00:01:35,950

sky watching hmm well you never know

20

00:01:44,280 --> 00:01:40,759

though what do you think that that giant

21

00:01:48,370 --> 00:01:44,290

triangle is that's coming our way

22

00:01:52,810 --> 00:01:48,380

seems to be getting awful close to me

23

00:01:55,300 --> 00:01:52,820

that wasn't it's stopping overhead if we

24

00:02:00,780 --> 00:01:55,310

hadn't been looking up we we might have

25

00:02:07,620 --> 00:02:03,969

could it be one of those back engine

26

00:02:11,680 --> 00:02:07,630

aircraft they're testing out in area 51

27

00:02:14,160 --> 00:02:11,690

better go inside the K cor radio studio

28

00:02:17,890 --> 00:02:14,170

Tina told us to keep off the

29

00:02:20,410 --> 00:02:17,900

extraterrestrial highway all right well

30

00:02:22,680 --> 00:02:20,420

I hope it doesn't catch us it's getting

31

00:02:26,470 --> 00:02:22,690

mighty close we better speed up let's go

32

00:02:29,500 --> 00:02:26,480

all right okay I'm having a little heart

33

00:02:33,460 --> 00:02:29,510

out of breath oh boy okay here comes

34

00:02:37,300 --> 00:02:33,470

that triangle but it was it might not

35

00:02:40,479 --> 00:02:37,310

get us I hope that was a close call

36

00:02:41,979 --> 00:02:40,489

mm-hmm you know every week we seem to

37

00:02:46,780 --> 00:02:41,989

have a close call I don't know how we

38

00:02:50,600 --> 00:02:46,790

manage all these situations it's either

39

00:02:53,570 --> 00:02:50,610

us or the listeners having a close call

40

00:02:55,550 --> 00:02:53,580

well I'm sure they can't wait for

41

00:02:58,280 --> 00:02:55,560

another exciting episode and we got one

42

00:03:03,800 --> 00:02:58,290

tonight don't wait to yes yes we do is

43

00:03:07,220 --> 00:03:03,810

yeah I'm really it's I love it when we

44

00:03:10,580 --> 00:03:07,230

can get some of our best guests back on

45

00:03:14,680 --> 00:03:10,590

again and tonight is no exception we

46

00:03:20,570 --> 00:03:14,690

have with us once again our good friend

47

00:03:22,730 --> 00:03:20,580

Ben Edwin Jones and and and that's been

48

00:03:26,230 --> 00:03:22,740

the porter then the porter that's right

49

00:03:29,390 --> 00:03:26,240

yeah yeah with the New World Order

50

00:03:33,500 --> 00:03:29,400

yeah well and and also with us tonight

51
00:03:36,610 --> 00:03:33,510
is Michael shret who's also making a

52
00:03:40,730 --> 00:03:36,620
return visit to exploring the bazaar so

53
00:03:43,900 --> 00:03:40,740
for those out there who don't remember

54
00:03:46,400 --> 00:03:43,910
now we'll start with Ben now Ben is a

55
00:03:48,860 --> 00:03:46,410
research blogger and filmmaker on

56
00:03:53,810 --> 00:03:48,870
controversial subjects on his blog

57
00:03:56,600 --> 00:03:53,820
website HPA NWO which stands for

58
00:03:59,330 --> 00:03:56,610
hospital porters against the new world

59
00:04:01,270 --> 00:03:59,340
order that sounds like the title for a

60
00:04:04,900 --> 00:04:01,280
really great movie I'd go and watch

61
00:04:09,170 --> 00:04:04,910
[Laughter]

62
00:04:11,090 --> 00:04:09,180
favor of the New World Order when our

63
00:04:13,640 --> 00:04:11,100

beds website is dedicated to the latest

64

00:04:15,670 --> 00:04:13,650

news views and reviews of the world of

65

00:04:18,229 --> 00:04:15,680

government cover-up ghosts UFOs

66

00:04:20,659 --> 00:04:18,239

paranormal investigation Hill hidden

67

00:04:24,740 --> 00:04:20,669

knowledge forbidden history and

68

00:04:27,520 --> 00:04:24,750

archeology chemtrails and even hospital

69

00:04:32,360 --> 00:04:27,530

Porter's even though Ben I guess has

70

00:04:34,280 --> 00:04:32,370

ventured away from that job now but he

71

00:04:36,159 --> 00:04:34,290

also posts videos containing his

72

00:04:38,570 --> 00:04:36,169

political comments and often uses

73

00:04:40,820 --> 00:04:38,580

satirical characters to get his point

74

00:04:45,050 --> 00:04:40,830

across now Ben had worked as a hospital

75

00:04:47,900 --> 00:04:45,060

porter for 22 years and

76

00:04:50,540 --> 00:04:47,910

had a exemplary record until being

77

00:04:52,850 --> 00:04:50,550

suspended because of the material he

78

00:04:55,820 --> 00:04:52,860

posted on his blogs website I would for

79

00:04:57,890 --> 00:04:55,830

this story before with that behind him

80

00:05:01,700 --> 00:04:57,900

he continues to support hospital porters

81

00:05:05,540 --> 00:05:01,710

and other NHS employees in addition to

82

00:05:07,850 --> 00:05:05,550

his tireless research in areas that far

83

00:05:09,560 --> 00:05:07,860

too many clearly fear to tread Benton

84

00:05:13,400 --> 00:05:09,570

gives lectures about these touchy

85

00:05:16,280 --> 00:05:13,410

subjects at events all around the United

86

00:05:19,310 --> 00:05:16,290

Kingdom also with us tonight as I said

87

00:05:21,740 --> 00:05:19,320

before is Michael strat now Michael is a

88

00:05:23,930 --> 00:05:21,750

military aerospace historian and has

89

00:05:27,110 --> 00:05:23,940

lectured across the country on the

90

00:05:29,990 --> 00:05:27,120

unique subject of mystery aircraft which

91

00:05:32,930 --> 00:05:30,000

is one of my favorite subjects and my

92

00:05:36,400 --> 00:05:32,940

first book published through global

93

00:05:48,800 --> 00:05:36,410

communications dealt with secret black

94

00:05:55,909 --> 00:05:48,810

budget crafts a while ago so after a

95

00:05:58,940 --> 00:05:55,919

cure but Michael's interest includes

96

00:06:00,110 --> 00:05:58,950

classified propulsion systems that are

97

00:06:02,900 --> 00:06:00,120

buried deep within the

98

00:06:05,570 --> 00:06:02,910

military-industrial complex and he has

99

00:06:08,360 --> 00:06:05,580

developed a number of contacts which

100

00:06:11,240 --> 00:06:08,370

have had first-hand experience dealing

101
00:06:13,969 --> 00:06:11,250
with classified black programs including

102
00:06:17,120 --> 00:06:13,979
former United States Air Force pilots

103
00:06:19,070 --> 00:06:17,130
retired Navy personnel and aerospace

104
00:06:22,370 --> 00:06:19,080
engineers that have maintained a top

105
00:06:24,020 --> 00:06:22,380
secret as CI security clearance and in

106
00:06:24,950 --> 00:06:24,030
an effort to expose government fraud

107
00:06:27,500 --> 00:06:24,960
waste and abuse

108
00:06:29,930 --> 00:06:27,510
Michael devotes much of his free time

109
00:06:31,520 --> 00:06:29,940
researching aerospace technical

110
00:06:34,159 --> 00:06:31,530
documents conducting interviews and

111
00:06:36,950 --> 00:06:34,169
traveling to multiple University

112
00:06:40,490 --> 00:06:36,960
Archives and as a concerned citizen it's

113
00:06:42,200 --> 00:06:40,500

his belief that it is our constitutional

114

00:06:44,840 --> 00:06:42,210

obligation to question authority and

115

00:06:47,420 --> 00:06:44,850

demand an accounting of special access

116

00:06:50,300 --> 00:06:47,430

programs that bypass congressional

117

00:06:51,050 --> 00:06:50,310

oversight and public scrutiny and I'm

118

00:06:53,360 --> 00:06:51,060

all for that

119

00:06:55,100 --> 00:06:53,370

so Michael Ben thank you very much for

120

00:06:58,950 --> 00:06:55,110

being with us on exploring the bizarre I

121

00:07:04,499 --> 00:07:01,590

we're all here hanging out in different

122

00:07:07,230 --> 00:07:04,509

parts of the world actually or maybe

123

00:07:10,740 --> 00:07:07,240

maybe maybe places that art part in the

124

00:07:14,249 --> 00:07:10,750

world hey Michael you know what I wanted

125

00:07:16,070 --> 00:07:14,259

a kick off here recently I get well it's

126

00:07:19,080 --> 00:07:16,080

not that really now it's over a year ago

127

00:07:19,860 --> 00:07:19,090

the New York Times and a lot of the

128

00:07:23,640 --> 00:07:19,870

other media

129

00:07:28,350 --> 00:07:23,650

I had this report in there about the the

130

00:07:30,930 --> 00:07:28,360

military running a black op project to

131

00:07:33,300 --> 00:07:30,940

study UFOs kind of behind the scenes

132

00:07:35,370 --> 00:07:33,310

even though they claim that the you know

133

00:07:37,560 --> 00:07:35,380

Project Blue Book was closed and that

134

00:07:40,080 --> 00:07:37,570

was the end of when we find out now as

135

00:07:42,960 --> 00:07:40,090

if we couldn't have guessed it that they

136

00:07:48,510 --> 00:07:42,970

really have continued their studies now

137

00:07:53,150 --> 00:07:48,520

a part of this level of these

138

00:07:56,159 --> 00:07:53,160

revelations were the release of several

139

00:07:59,070 --> 00:07:56,169

videos maybe gun camera footage I'm not

140

00:08:03,390 --> 00:07:59,080

exactly sure what circumstances that

141

00:08:05,939 --> 00:08:03,400

they were taken under would you consider

142

00:08:10,020 --> 00:08:05,949

the this what do you think about the

143

00:08:12,360 --> 00:08:10,030

report in in general this black ops a

144

00:08:15,570 --> 00:08:12,370

project that continues they were to go

145

00:08:19,890 --> 00:08:15,580

in continue to go on and how does it

146

00:08:24,990 --> 00:08:19,900

kind of tie in with your research good

147

00:08:28,050 --> 00:08:25,000

question thanks again for the best way I

148

00:08:30,450 --> 00:08:28,060

can answer that is to always refer back

149

00:08:32,399 --> 00:08:30,460

to Lockheed skunkworks because it

150

00:08:34,829 --> 00:08:32,409

certainly appears that all roads lead

151
00:08:37,740 --> 00:08:34,839
back to the Burbank skunk works a good

152
00:08:39,930 --> 00:08:37,750
friend of mine Jim Goodall personally

153
00:08:42,899 --> 00:08:39,940
knew Ben rich Ben rich was a head of

154
00:08:46,470 --> 00:08:42,909
skunk works between 1975 to 1991 been

155
00:08:50,670 --> 00:08:46,480
passed away in 95 just prior to Ben's

156
00:08:53,460 --> 00:08:50,680
passing Jim got a telephone call in to

157
00:08:56,400 --> 00:08:53,470
been rich and been rich basically pulled

158
00:08:58,140 --> 00:08:56,410
Jim Goodall over the phone quote Jim we

159
00:08:59,760 --> 00:08:58,150
have things and in the better desert

160
00:09:02,160 --> 00:08:59,770
that are 50 years beyond what you can

161
00:09:04,110 --> 00:09:02,170
comprehend if you've seen it on Star

162
00:09:05,340 --> 00:09:04,120
Wars or Star Trek we've been there done

163
00:09:10,280 --> 00:09:05,350

that or decided it wasn't worth the

164

00:09:12,540 --> 00:09:10,290

effort so when we hear these craft being

165

00:09:16,290 --> 00:09:12,550

attempted to be intercepted by

166

00:09:18,630 --> 00:09:16,300

f-18 pilots we cannot underestimate

167

00:09:20,460 --> 00:09:18,640

Ben's statement because that's well

168

00:09:22,350 --> 00:09:20,470

within that 50 years that Ben was

169

00:09:26,820 --> 00:09:22,360

talking about so all bets are off

170

00:09:29,640 --> 00:09:26,830

regarding these configurations no but

171

00:09:31,800 --> 00:09:29,650

would not the the military of pilots I

172

00:09:33,630 --> 00:09:31,810

guess they are and that's a military

173

00:09:35,310 --> 00:09:33,640

pilot so much because obviously they're

174

00:09:39,060 --> 00:09:35,320

not going to know what's going on but

175

00:09:41,700 --> 00:09:39,070

the fellow who was behind this project

176

00:09:44,240 --> 00:09:41,710

would he not be familiar with some of

177

00:09:46,860 --> 00:09:44,250

these things that are taking place

178

00:09:50,460 --> 00:09:46,870

probably out of the area 51 or some

179

00:09:53,010 --> 00:09:50,470

other sealed-off locations it's

180

00:09:55,080 --> 00:09:53,020

debatable even if some of the house and

181

00:09:57,780 --> 00:09:55,090

Armed Services Committee members have a

182

00:10:00,150 --> 00:09:57,790

need to know some of the deep black

183

00:10:03,870 --> 00:10:00,160

classified programs going on to the

184

00:10:06,570 --> 00:10:03,880

skunk works were so darn black that they

185

00:10:08,100 --> 00:10:06,580

they were born black they dyed black and

186

00:10:10,190 --> 00:10:08,110

they will remain black you'll never hear

187

00:10:13,440 --> 00:10:10,200

anything about a quick quick example oh

188

00:10:17,870 --> 00:10:13,450

and this isn't Ben Ritchie's book skunk

189

00:10:20,820 --> 00:10:17,880

works there was an incident where a

190

00:10:23,160 --> 00:10:20,830

general by the name of Robert bond who

191

00:10:25,790 --> 00:10:23,170

was basically a part of the f-117a

192

00:10:30,360 --> 00:10:25,800

program he was getting very concerned

193

00:10:34,380 --> 00:10:30,370

that sort were being taken off his f-117

194

00:10:37,860 --> 00:10:34,390

program and to a classified ad program

195

00:10:40,800 --> 00:10:37,870

well he saw this particular lock at the

196

00:10:43,050 --> 00:10:40,810

skunk works in Burbank and he knew that

197

00:10:44,670 --> 00:10:43,060

it was associated with a navy project

198

00:10:48,000 --> 00:10:44,680

because he was at the Pentagon and he

199

00:10:50,910 --> 00:10:48,010

was familiar with those programs and so

200

00:10:54,120 --> 00:10:50,920

what he did is he demanded been rich to

201
00:10:55,950 --> 00:10:54,130
open up this door at the skunk works and

202
00:10:58,020 --> 00:10:55,960
Ben said nope you can't do it because

203
00:11:00,510 --> 00:10:58,030
you're not cleared for it and this

204
00:11:02,370 --> 00:11:00,520
general came back to Ben and said then

205
00:11:04,050 --> 00:11:02,380
if you don't open up that door right now

206
00:11:06,570 --> 00:11:04,060
I'm gonna take an axe and I'm gonna

207
00:11:09,120 --> 00:11:06,580
break into there he finally got into

208
00:11:13,650 --> 00:11:09,130
there and there was a number of naval

209
00:11:19,260 --> 00:11:13,660
personnel working on the sea shadow so

210
00:11:21,090 --> 00:11:19,270
here's a good Excel for general who was

211
00:11:22,950 --> 00:11:21,100
not briefed about another skunk works

212
00:11:25,680 --> 00:11:22,960
program going in at the skunk works at

213
00:11:30,080 --> 00:11:25,690

the same time the f-117a is so they

214

00:11:34,110 --> 00:11:30,090

do compartmentalize these programs now

215

00:11:37,710 --> 00:11:34,120

here's a timely question the elderly of

216

00:11:42,780 --> 00:11:37,720

mr. Bush a corset passed away and he

217

00:11:46,830 --> 00:11:42,790

among his duties he was head of the CIA

218

00:11:51,600 --> 00:11:46,840

for a period of time there is a rumor

219

00:11:54,810 --> 00:11:51,610

floating around that he would know about

220

00:11:57,300 --> 00:11:54,820

either such a projects or maybe the only

221

00:11:59,970 --> 00:11:57,310

one or a few of those to know about such

222

00:12:01,620 --> 00:11:59,980

projects and if there was anything to

223

00:12:04,380 --> 00:12:01,630

Roswell or some of these some of you

224

00:12:07,710 --> 00:12:04,390

have hope crashes he might be among the

225

00:12:10,860 --> 00:12:07,720

handful that were privy to such

226

00:12:12,450 --> 00:12:10,870

information would you agree on that or

227

00:12:14,460 --> 00:12:12,460

what is your thank you I absolutely

228

00:12:17,460 --> 00:12:14,470

agree on that he's one of the three

229

00:12:21,360 --> 00:12:17,470

people I think do know so it's George

230

00:12:23,760 --> 00:12:21,370

Herbert Walker senior Bush I believe

231

00:12:25,950 --> 00:12:23,770

knew a good portion of it Dick Cheney

232

00:12:28,290 --> 00:12:25,960

and then bill periods as well so three

233

00:12:32,540 --> 00:12:28,300

individuals who probably have a need to

234

00:12:37,170 --> 00:12:32,550

know and know a lot more than we do well

235

00:12:40,110 --> 00:12:37,180

quite a big secret I mean okay I can see

236

00:12:41,550 --> 00:12:40,120

we don't want to tip off I was gonna say

237

00:12:43,500 --> 00:12:41,560

the Russians but they seem to be our

238

00:12:46,020 --> 00:12:43,510

buddies these days we don't want to rip

239

00:12:48,300 --> 00:12:46,030

off some of the the NATO or some of the

240

00:12:51,120 --> 00:12:48,310

power or Britain maybe we don't wanna

241

00:12:52,820 --> 00:12:51,130

tip off up and those that we don't want

242

00:12:55,580 --> 00:12:52,830

to tip off which may change on a regular

243

00:13:00,210 --> 00:12:55,590

basis about some of these secret

244

00:13:02,190 --> 00:13:00,220

projects but isn't it if we did tip

245

00:13:04,350 --> 00:13:02,200

people off to this or other countries

246

00:13:08,610 --> 00:13:04,360

off to this wouldn't this be kind of a a

247

00:13:10,670 --> 00:13:08,620

deterrent more than I mean if they knew

248

00:13:14,910 --> 00:13:10,680

that we had things that were 50 years

249

00:13:17,430 --> 00:13:14,920

ahead of what is commonly acknowledged

250

00:13:24,630 --> 00:13:17,440

you'd think that they would be you know

251

00:13:25,710 --> 00:13:24,640

like not so easy to relax I point and I

252

00:13:29,550 --> 00:13:25,720

do agree with that

253

00:13:30,990 --> 00:13:29,560

one quick thing to keep in mind is one

254

00:13:34,079 --> 00:13:31,000

reason why they keep these programs

255

00:13:36,750 --> 00:13:34,089

black is because he who controls the

256

00:13:38,190 --> 00:13:36,760

high ground controls the world so if you

257

00:13:39,510 --> 00:13:38,200

can control the high ground in a

258

00:13:42,120 --> 00:13:39,520

battlefield you

259

00:13:43,949 --> 00:13:42,130

absolutely control the world and some of

260

00:13:46,470 --> 00:13:43,959

the programs that you know hopefully

261

00:13:48,360 --> 00:13:46,480

we'll talk about this evening fall under

262

00:13:50,699 --> 00:13:48,370

a couple of different categories they

263

00:13:53,040 --> 00:13:50,709

have some terminology they actually use

264

00:13:55,680 --> 00:13:53,050

these are actual spook terms that use

265

00:13:58,170 --> 00:13:55,690

within the industry these programs are

266

00:14:00,570 --> 00:13:58,180

called silver bullets they're also known

267

00:14:03,750 --> 00:14:00,580

as trump card technology and they're

268

00:14:08,040 --> 00:14:03,760

also know a sin the whole technology as

269

00:14:11,010 --> 00:14:08,050

well so if we have a specific strategic

270

00:14:13,199 --> 00:14:11,020

target we want to take out we'll send in

271

00:14:16,050 --> 00:14:13,209

one of our quote unquote silver bullets

272

00:14:19,320 --> 00:14:16,060

like the f-117 a to neutralize the

273

00:14:23,750 --> 00:14:19,330

target and be done with it well have we

274

00:14:27,090 --> 00:14:23,760

done that we we certainly have done that

275

00:14:30,420 --> 00:14:27,100

but to keep in mind to though is this

276

00:14:33,990 --> 00:14:30,430

really all begins you know to to go back

277

00:14:36,060 --> 00:14:34,000

in time in here the news week June

278

00:14:37,680 --> 00:14:36,070

eighth nineteen eighty one they

279

00:14:40,380 --> 00:14:37,690

highlighted in their article between

280

00:14:43,230 --> 00:14:40,390

1981 and 1986 during this five-year

281

00:14:46,829 --> 00:14:43,240

Reagan build-up period we spent 1.5

282

00:14:50,160 --> 00:14:46,839

trillion dollars on military defense and

283

00:14:52,319 --> 00:14:50,170

then later on Aviation weeks biology

284

00:14:53,850 --> 00:14:52,329

stated that eight years of Reagan

285

00:14:56,340 --> 00:14:53,860

administration were very good to the

286

00:14:58,800 --> 00:14:56,350

black world that was December 24th 1990

287

00:15:00,930 --> 00:14:58,810

so you can see this Reagan build-up had

288

00:15:03,030 --> 00:15:00,940

this exponential growth within black

289

00:15:06,889 --> 00:15:03,040

programs and certainly we hope to talk

290

00:15:11,490 --> 00:15:06,899

about some of those tonight okay so

291

00:15:14,190 --> 00:15:11,500

we've ascertained that it could be or it

292

00:15:16,410 --> 00:15:14,200

may be that some of these things that we

293

00:15:19,920 --> 00:15:16,420

see in the sky that our pilots even

294

00:15:21,870 --> 00:15:19,930

chase could be ours but does that leave

295

00:15:25,949 --> 00:15:21,880

out the fact that some of them could not

296

00:15:28,410 --> 00:15:25,959

be ours no I believe that there is a

297

00:15:30,150 --> 00:15:28,420

core of reality to this phenomenon not

298

00:15:37,160 --> 00:15:30,160

everything out there is a black budget

299

00:15:41,430 --> 00:15:37,170

program did did we did we copy it from

300

00:15:44,040 --> 00:15:41,440

is it back-engineered mmm-hmm yeah

301

00:15:46,110 --> 00:15:44,050

that's that's the that's the 64 million

302

00:15:48,510 --> 00:15:46,120

dollar question I don't have enough to

303

00:15:50,910 --> 00:15:48,520

bridge that gap I don't know who does

304

00:15:52,620 --> 00:15:50,920

I've heard the rumors there are good

305

00:15:55,680 --> 00:15:52,630

stories but there

306

00:15:58,520 --> 00:15:55,690

no physical evidence or really good

307

00:16:01,890 --> 00:15:58,530

paper trail to break that down to make

308

00:16:05,030 --> 00:16:01,900

to bridge a gap I'm not saying it's not

309

00:16:08,970 --> 00:16:05,040

possible but I personally don't know

310

00:16:12,150 --> 00:16:08,980

well okay we open the show here with a

311

00:16:17,340 --> 00:16:12,160

little vaudeville sketch that we do

312

00:16:20,070 --> 00:16:17,350

every week kind of lampooning the the

313

00:16:20,520 --> 00:16:20,080

the triangle sightings but one of the

314

00:16:23,100 --> 00:16:20,530

best

315

00:16:25,020 --> 00:16:23,110

reports of women trying triangle well

316

00:16:27,120 --> 00:16:25,030

two of them what would be the Phoenix

317

00:16:29,190 --> 00:16:27,130

lights of course and the other one would

318

00:16:32,040 --> 00:16:29,200

be the the Westchester rare sightings

319

00:16:34,940 --> 00:16:32,050

back in the 80s what's your what's your

320

00:16:37,860 --> 00:16:34,950

take on the the Phoenix lights I mean

321

00:16:40,350 --> 00:16:37,870

this thing traveled you know what 300

322

00:16:43,800 --> 00:16:40,360

miles down the highway and hovered and

323

00:16:45,360 --> 00:16:43,810

made no sound and that may or may not

324

00:16:47,790 --> 00:16:45,370

have been photographed I don't know if

325

00:16:50,280 --> 00:16:47,800

the the events later on in the night

326

00:16:52,470 --> 00:16:50,290

were flares or not flares or I don't

327

00:16:55,950 --> 00:16:52,480

know what what's your digest of the

328

00:16:59,910 --> 00:16:55,960

Phoenix lights okay quick question do

329

00:17:07,189 --> 00:16:59,920

you recall March 13th 1997 what day that

330

00:17:12,290 --> 00:17:07,199

was okay well I know I know it's a

331

00:17:16,880 --> 00:17:12,300

Thursday it was a Thursday March 24th

332

00:17:20,579 --> 00:17:16,890

1983 was a Thursday I've got multiple

333

00:17:24,360 --> 00:17:20,589

reports of the quote-unquote Aurora

334

00:17:25,860 --> 00:17:24,370

booming the Los Angeles are you always

335

00:17:27,540 --> 00:17:25,870

on a Thursday and always the last

336

00:17:30,330 --> 00:17:27,550

Thursday of the month and this goes on

337

00:17:33,060 --> 00:17:30,340

and on and on all the way through the

338

00:17:37,800 --> 00:17:33,070

Reagan administration up until late

339

00:17:39,930 --> 00:17:37,810

1990s maybe early 2000s so it appears

340

00:17:43,380 --> 00:17:39,940

that there's a pattern recognition here

341

00:17:46,670 --> 00:17:43,390

and we're talking about test flights of

342

00:17:50,610 --> 00:17:46,680

classified aircraft on Thursday nights

343

00:17:52,200 --> 00:17:50,620

at least on a Thursday and we can really

344

00:17:53,970 --> 00:17:52,210

pin this down because we've got the

345

00:17:55,980 --> 00:17:53,980

testing from people you mentioned the

346

00:17:59,220 --> 00:17:55,990

Hudson Valley boomerang that was 82 to

347

00:18:01,650 --> 00:17:59,230

89 we're looking at 25,000 eyewitnesses

348

00:18:03,900 --> 00:18:01,660

reported this massive boomerang shaped

349

00:18:05,650 --> 00:18:03,910

craft I do feel quite a few yeah yeah

350

00:18:08,220 --> 00:18:05,660

yeah hovered almost

351

00:18:10,360 --> 00:18:08,230

silently over the Taconic State Parkway

352

00:18:13,120 --> 00:18:10,370

people who were directly below it

353

00:18:14,470 --> 00:18:13,130

reported seeing tubes pipes and

354

00:18:16,270 --> 00:18:14,480

cylinders on the bottom of the craft

355

00:18:17,500 --> 00:18:16,280

they also reported multi-coloured

356

00:18:19,360 --> 00:18:17,510

flashing lights that went off in

357

00:18:21,600 --> 00:18:19,370

sequence the reason why I'm bringing

358

00:18:23,860 --> 00:18:21,610

this up is because this is the same type

359

00:18:26,040 --> 00:18:23,870

mechanical understructure that we've

360

00:18:29,220 --> 00:18:26,050

seen on the Belgium triangle that's

361

00:18:32,710 --> 00:18:29,230

1989-1990 getting back to Phoenix lights

362

00:18:35,890 --> 00:18:32,720

people who said they saw this crap said

363

00:18:38,260 --> 00:18:35,900

it was transparent or translucent you

364

00:18:41,410 --> 00:18:38,270

could see through it and this goes back

365

00:18:43,060 --> 00:18:41,420

to the Air Force 2025 report talking

366

00:18:45,130 --> 00:18:43,070

about an airborne a holographic

367

00:18:51,850 --> 00:18:45,140

projection technology so that's what we

368

00:18:54,550 --> 00:18:51,860

could be looking at with the well you

369

00:18:56,920 --> 00:18:54,560

know but the okay now you take the the

370

00:18:59,530 --> 00:18:56,930

Westchester sightings actually I just

371

00:19:01,990 --> 00:18:59,540

ran into someone a couple of months ago

372

00:19:04,210 --> 00:19:02,000

who had seen I had seen the object use

373

00:19:05,890 --> 00:19:04,220

working in a hotel there on the Hudson

374

00:19:09,880 --> 00:19:05,900

River where I'm staying and we chatted

375

00:19:11,380 --> 00:19:09,890

for briefly but now if you go back in

376

00:19:13,420 --> 00:19:11,390

the history of the Westchester Valley

377

00:19:17,320 --> 00:19:13,430

you'll find that there were sightings

378

00:19:20,230 --> 00:19:17,330

and things going on in that area long

379

00:19:24,220 --> 00:19:20,240

before you know the the Wright brothers

380

00:19:28,420 --> 00:19:24,230

and yeah and and the the same of course

381

00:19:32,190 --> 00:19:28,430

in various parts of the the west of the

382

00:19:35,530 --> 00:19:32,200

Southwest if you go back to 1897 or

383

00:19:38,800 --> 00:19:35,540

before that even you get reports of

384

00:19:42,880 --> 00:19:38,810

strange objects in the sky some of which

385

00:19:45,990 --> 00:19:42,890

even had humanoid to pilots that landed

386

00:19:49,420 --> 00:19:46,000

and chatted up ranchers and farmers and

387

00:19:51,940 --> 00:19:49,430

the average guy in the the streets so I

388

00:19:56,050 --> 00:19:51,950

mean I don't think it's a unless the

389

00:19:57,970 --> 00:19:56,060

black projects include time travel which

390

00:20:01,420 --> 00:19:57,980

somebody might suggest that it possibly

391

00:20:03,580 --> 00:20:01,430

does you got to admit that these are

392

00:20:10,320 --> 00:20:03,590

strange things that are seen in the sky

393

00:20:13,870 --> 00:20:10,330

go back long before you know the CIA or

394

00:20:16,540 --> 00:20:13,880

area 51 yep yep I agree

395

00:20:19,270 --> 00:20:16,550

Linda Zimmerman did a really good job oh

396

00:20:22,480 --> 00:20:19,280

yeah he's with pre

397

00:20:24,730 --> 00:20:22,490

historical cases of ufology early 1900s

398

00:20:26,350 --> 00:20:24,740

long before the Reagan administration

399

00:20:28,210 --> 00:20:26,360

long before Kelly Johnson got the

400

00:20:31,950 --> 00:20:28,220

skunkworks oh I agree with you they

401
00:20:34,810 --> 00:20:31,960
don't appear to be all man-made craft

402
00:20:37,600 --> 00:20:34,820
any chance that there might be some

403
00:20:42,400 --> 00:20:37,610
revelation it's at some point in the

404
00:20:45,400 --> 00:20:42,410
future on a black program within the

405
00:20:46,960 --> 00:20:45,410
aerospace industry yeah yeah what would

406
00:20:49,870 --> 00:20:46,970
be the next thing they're breaking that

407
00:20:51,640 --> 00:20:49,880
we might you know I mean it is something

408
00:20:54,220 --> 00:20:51,650
what you gotta but you would think that

409
00:20:57,180 --> 00:20:54,230
well we got to let the cat out of the

410
00:21:01,000 --> 00:20:57,190
the bag I mean you can't hold this

411
00:21:04,420 --> 00:21:01,010
information for what forever yeah I mean

412
00:21:07,810 --> 00:21:04,430
what's the nervousness yeah we're way

413
00:21:10,420 --> 00:21:07,820

overdue for a revelation the last the

414

00:21:12,700 --> 00:21:10,430

last classified program that was

415

00:21:15,490 --> 00:21:12,710

Declassified put within the public

416

00:21:17,500 --> 00:21:15,500

domain was October 2002 during the Bush

417

00:21:19,300 --> 00:21:17,510

administration with the Boeing phantom

418

00:21:21,940 --> 00:21:19,310

arts bird of prey that was the last

419

00:21:24,250 --> 00:21:21,950

black aircraft program they acknowledged

420

00:21:27,820 --> 00:21:24,260

you know that was a man program there

421

00:21:29,260 --> 00:21:27,830

there is at least 12 other programs out

422

00:21:31,210 --> 00:21:29,270

there that were procured during the

423

00:21:33,700 --> 00:21:31,220

Reagan administration that have never

424

00:21:36,750 --> 00:21:33,710

been Declassified so there's still some

425

00:21:40,180 --> 00:21:36,760

birds out there that we don't know about

426

00:21:43,540 --> 00:21:40,190

and what do they do that the birds that

427

00:21:46,950 --> 00:21:43,550

we know about what do they do that the

428

00:21:53,200 --> 00:21:46,960

the birds that we know about don't you

429

00:21:56,620 --> 00:21:53,210

what yeah what makes them so more

430

00:21:56,830 --> 00:21:56,630

powerful you know why can't what do they

431

00:21:59,470 --> 00:21:56,840

do

432

00:22:04,240 --> 00:21:59,480

I mean what's the what's their their

433

00:22:06,580 --> 00:22:04,250

operational well anytime they let

434

00:22:10,180 --> 00:22:06,590

something go it's already one to two

435

00:22:12,250 --> 00:22:10,190

generations obsolete at that time so

436

00:22:15,280 --> 00:22:12,260

when they D when they decommission the

437

00:22:17,110 --> 00:22:15,290

f-117 in 2008 they already had something

438

00:22:18,910 --> 00:22:17,120

else flying at that time we'll give you

439

00:22:22,680 --> 00:22:18,920

a quick example there is something out

440

00:22:26,620 --> 00:22:22,690

there called the a16 it's a Mach 4

441

00:22:29,320 --> 00:22:26,630

strike reconnaissance aircraft and it

442

00:22:30,960 --> 00:22:29,330

has a very interesting feature that has

443

00:22:33,130 --> 00:22:30,970

drooping wingtips

444

00:22:34,660 --> 00:22:33,140

that has still not been

445

00:22:36,789 --> 00:22:34,670

I've got some good information on that

446

00:22:39,610 --> 00:22:36,799

particular bird one couple of quick

447

00:22:43,330 --> 00:22:39,620

announcements while we're all here I'm

448

00:22:45,370 --> 00:22:43,340

offering and I hope all of you receive

449

00:22:49,240 --> 00:22:45,380

the PDF files that I sent you I'm

450

00:22:52,270 --> 00:22:49,250

offering a \$5,000 cash prize for anyone

451
00:22:55,060 --> 00:22:52,280
who can complete my been rich f-117a

452
00:22:58,060 --> 00:22:55,070
stealth but private word puzzle and then

453
00:23:00,250 --> 00:22:58,070
another \$5,000 cash prize for anyone who

454
00:23:02,919 --> 00:23:00,260
can complete my b-2 stealth bomber

455
00:23:08,260 --> 00:23:02,929
crossword puzzle by 11:59 p.m. this

456
00:23:09,970 --> 00:23:08,270
Sunday night well okay well I'll be I'll

457
00:23:13,510 --> 00:23:09,980
be sharpening my pencil my number-two

458
00:23:16,360 --> 00:23:13,520
pencil right right after the right after

459
00:23:18,190 --> 00:23:16,370
the show you know I I heard and I don't

460
00:23:21,190 --> 00:23:18,200
remember how many years ago six seven

461
00:23:24,400 --> 00:23:21,200
years ago it was on the news maybe once

462
00:23:26,350 --> 00:23:24,410
or twice about some aircraft that had

463
00:23:29,200 --> 00:23:26,360

traveled from the east coast to the west

464

00:23:31,180 --> 00:23:29,210

coast in like and in a twenty minutes or

465

00:23:32,950 --> 00:23:31,190

something like that but then you never

466

00:23:35,080 --> 00:23:32,960

heard you never heard anything more

467

00:23:39,810 --> 00:23:35,090

about it I mean that would be incredibly

468

00:23:45,070 --> 00:23:39,820

fast yeah well think of it this way in

469

00:23:46,960 --> 00:23:45,080

1990 we retired the sr-71 okay that's a

470

00:23:50,620 --> 00:23:46,970

matter of a historical effect then later

471

00:23:53,110 --> 00:23:50,630

on in 1994 it came out of retirement we

472

00:23:55,330 --> 00:23:53,120

should ask the question why did they

473

00:23:56,919 --> 00:23:55,340

bring the Blackbird out of retirement I

474

00:23:59,620 --> 00:23:56,929

don't want to read too much here but let

475

00:24:01,270 --> 00:23:59,630

me hit you with a statement but there's

476

00:24:04,090 --> 00:24:01,280

a fourth time because we've got a break

477

00:24:06,100 --> 00:24:04,100

up of that pit yep well we'll be right

478

00:24:14,790 --> 00:24:06,110

back you can do this conversation on

479

00:24:21,520 --> 00:24:18,940

now back to exploring the bazaars with

480

00:24:24,820 --> 00:24:21,530

two of the most electrifying researchers

481

00:24:30,970 --> 00:24:24,830

in the Paranoid your hosts Timothy Becca

482

00:24:33,940 --> 00:24:30,980

Lee and Kings lists alright welcome back

483

00:24:37,150 --> 00:24:33,950

to exploring the bizarre right now we're

484

00:24:39,490 --> 00:24:37,160

talking with Michael strat and in just a

485

00:24:41,860 --> 00:24:39,500

few minutes we'll bring Ben Emelyn Jones

486

00:24:44,400 --> 00:24:41,870

Ben the quarter into the conversation

487

00:24:48,370 --> 00:24:44,410

but I wanted to allow Michael to

488

00:24:50,560 --> 00:24:48,380

continue his thought because we had to

489

00:24:53,880 --> 00:24:50,570

interrupt him and go to our break so

490

00:24:56,890 --> 00:24:53,890

Michael Tim Beck Lee had asked you about

491

00:24:58,930 --> 00:24:56,900

an aircraft that he had heard it you

492

00:25:01,210 --> 00:24:58,940

know made it from coast to coast and 20

493

00:25:03,250 --> 00:25:01,220

minutes and you were referencing the I

494

00:25:05,890 --> 00:25:03,260

think it was the Blackbird yeah this is

495

00:25:08,860 --> 00:25:05,900

a statement by Richard Helms ex-cia

496

00:25:10,810 --> 00:25:08,870

director he says the national security

497

00:25:13,030 --> 00:25:10,820

demands that we keep supplying new

498

00:25:15,460 --> 00:25:13,040

generations of surveillance aircraft to

499

00:25:17,200 --> 00:25:15,470

our policymakers there is no way to

500

00:25:20,200 --> 00:25:17,210

replace the vital data provided by

501
00:25:22,600 --> 00:25:20,210
piloted airplanes satellites lack the

502
00:25:24,850 --> 00:25:22,610
flexibility and the immediacy that only

503
00:25:27,880 --> 00:25:24,860
a spy plane like the YouTube can provide

504
00:25:30,340 --> 00:25:27,890
no president or intelligence agency with

505
00:25:33,940 --> 00:25:30,350
only worn eye open in such an uncertain

506
00:25:35,770 --> 00:25:33,950
and dangerous to believe what he's

507
00:25:37,930 --> 00:25:35,780
saying here so to me personally I think

508
00:25:40,030 --> 00:25:37,940
this is the rosetta stone for a

509
00:25:42,640 --> 00:25:40,040
quote-unquote aurora type reconnaissance

510
00:25:46,090 --> 00:25:42,650
aircraft mm-hmm well yeah I mean

511
00:25:48,730 --> 00:25:46,100
considering that the the the aircraft

512
00:25:52,270 --> 00:25:48,740
earth-2 referring to was originally put

513
00:25:53,490 --> 00:25:52,280

into operation it was early 1960s is

514

00:25:58,630 --> 00:25:53,500

that is that correct

515

00:26:04,510 --> 00:25:58,640

1962 was the a12 1964 was the sr-71 so I

516

00:26:07,480 --> 00:26:04,520

mean considering how far back that was I

517

00:26:09,700 --> 00:26:07,490

mean the advances in technology that we

518

00:26:13,330 --> 00:26:09,710

have now are probably a you know

519

00:26:15,430 --> 00:26:13,340

unbelievable absolutely let me hit you

520

00:26:17,919 --> 00:26:15,440

with another quick thing here this is to

521

00:26:21,990 --> 00:26:17,929

been rich Lockheed skunkworks director

522

00:26:24,900 --> 00:26:22,000

from John Andrews date October 23rd 1989

523

00:26:28,290 --> 00:26:24,910

called back-end of something on taxiway

524

00:26:30,780 --> 00:26:28,300

at Groom Lake low-frequency very high

525

00:26:33,930 --> 00:26:30,790

amplitude vibration even a tile shook

526

00:26:36,090 --> 00:26:33,940

the sides of the bus uses 20,000 feet of

527

00:26:40,080 --> 00:26:36,100

runway to roll out Mach 10 liquid

528

00:26:44,280 --> 00:26:40,090

methane fuel so we we've got more than

529

00:26:46,500 --> 00:26:44,290

one report of it back of the aircraft

530

00:26:49,650 --> 00:26:46,510

this is also confirmed by aviation week

531

00:26:52,920 --> 00:26:49,660

as well mm-hmm all right well okay now

532

00:26:57,170 --> 00:26:52,930

before we big been in I want to ask you

533

00:27:00,570 --> 00:26:57,180

because you were talking earlier about

534

00:27:02,160 --> 00:27:00,580

some of these sightings taking place on

535

00:27:07,110 --> 00:27:02,170

a Thursday

536

00:27:10,130 --> 00:27:07,120

now why is Thursday significance okay

537

00:27:14,190 --> 00:27:10,140

Thursday is significant because Monday

538

00:27:17,550 --> 00:27:14,200

Tuesday Wednesday is pre-flight there

539

00:27:19,200 --> 00:27:17,560

stays the test flight Friday's debrief

540

00:27:21,030 --> 00:27:19,210

Saturday Sunday there's nobody there

541

00:27:26,070 --> 00:27:21,040

that's why Thursday has almost always

542

00:27:29,070 --> 00:27:26,080

been reserved for test flights so then a

543

00:27:30,570 --> 00:27:29,080

lot of these sightings of especially you

544

00:27:34,740 --> 00:27:30,580

know like boomerang and and black

545

00:27:36,900 --> 00:27:34,750

triangles occur on a Thursday because

546

00:27:37,980 --> 00:27:36,910

this is what they this is when they take

547

00:27:42,830 --> 00:27:37,990

them out and run them through their

548

00:27:51,180 --> 00:27:47,160

alright so then why do they run them

549

00:27:55,940 --> 00:27:51,190

through their paces over populated areas

550

00:28:00,480 --> 00:27:55,950

with these big bright flashing lights

551

00:28:03,060 --> 00:28:00,490

strokes different colors you know you

552

00:28:04,650 --> 00:28:03,070

have these triangular shaped craft with

553

00:28:07,080 --> 00:28:04,660

it you know like a big spotlight in the

554

00:28:09,210 --> 00:28:07,090

middle there are bright lights on on

555

00:28:10,950 --> 00:28:09,220

either end I mean they're it's it's

556

00:28:16,310 --> 00:28:10,960

almost like they're screaming Here I am

557

00:28:21,900 --> 00:28:19,500

one just just looking at it from my

558

00:28:24,200 --> 00:28:21,910

perspective one reason might be is

559

00:28:26,190 --> 00:28:24,210

they're trying to use the quote-unquote

560

00:28:27,990 --> 00:28:26,200

extraterrestrial phenomenon to cover

561

00:28:30,690 --> 00:28:28,000

their own deep black programs and then

562

00:28:33,600 --> 00:28:30,700

when there is a sighting of one of these

563

00:28:35,340 --> 00:28:33,610

what they use is the supermarket

564

00:28:38,960 --> 00:28:35,350

tabloids as

565

00:28:42,779 --> 00:28:38,970

a way to cover their own blunt aircraft

566

00:28:47,039 --> 00:28:42,789

Testaments there are no more supermarket

567

00:28:48,990 --> 00:28:47,049

tabloids at least not reported on UFOs

568

00:28:51,720 --> 00:28:49,000

well you know and that makes sense

569

00:28:53,460 --> 00:28:51,730

because you know you know as well as I

570

00:28:56,370 --> 00:28:53,470

do that there are a lot of people that

571

00:28:59,220 --> 00:28:56,380

if you start talking about UFOs you know

572

00:29:02,669 --> 00:28:59,230

their eyes glaze over and that you know

573

00:29:04,640 --> 00:29:02,679

that's that's it for them so you know

574

00:29:08,250 --> 00:29:04,650

you could you could be flying around

575

00:29:10,649 --> 00:29:08,260

practically any kind of top-secret craft

576

00:29:12,870 --> 00:29:10,659

and as long as you know that that you

577

00:29:15,440 --> 00:29:12,880

know UFO extra-terrestrial name has

578

00:29:17,480 --> 00:29:15,450

somehow gotten latched on to it you know

579

00:29:20,730 --> 00:29:17,490

people aren't going to believe it

580

00:29:22,980 --> 00:29:20,740

mm-hmm the way was described to me is

581

00:29:25,110 --> 00:29:22,990

that we're dealing with a 400 piece

582

00:29:28,620 --> 00:29:25,120

puzzle but we only have 200 of the

583

00:29:31,950 --> 00:29:28,630

pieces and the CIA has uses this

584

00:29:34,350 --> 00:29:31,960

strategy of denial for fears why stop

585

00:29:35,730 --> 00:29:34,360

now so they're gonna continue to muddy

586

00:29:40,860 --> 00:29:35,740

the waters when something is actually

587

00:29:45,060 --> 00:29:40,870

seen all right well okay now Ben you've

588

00:29:47,690 --> 00:29:45,070

been listening to this conversation and

589

00:29:52,909 --> 00:29:47,700

you know I mean I know for a fact that

590

00:29:57,840 --> 00:29:52,919

the UK has been they experienced a

591

00:30:00,990 --> 00:29:57,850

number of black triangle flaps in the

592

00:30:04,710 --> 00:30:01,000

past I mean so you know listening to

593

00:30:08,490 --> 00:30:04,720

what Michael is saying I mean do you do

594

00:30:12,210 --> 00:30:08,500

you think that a majority of these of

595

00:30:17,120 --> 00:30:12,220

these sightings are some kind of of you

596

00:30:20,159 --> 00:30:17,130

know top-secret black magic aircraft or

597

00:30:21,299 --> 00:30:20,169

whatever why sir

598

00:30:23,760 --> 00:30:21,309

it's I don't know I don't know about

599

00:30:26,100 --> 00:30:23,770

proportions you know but I do I think

600

00:30:28,440 --> 00:30:26,110

that's a certainly a possibility for

601
00:30:30,240 --> 00:30:28,450
some some of these particular sightings

602
00:30:31,500 --> 00:30:30,250
for example the Sheffield incident I

603
00:30:33,270 --> 00:30:31,510
don't if Michael was heard of that one

604
00:30:36,539 --> 00:30:33,280
but that's a very large very large

605
00:30:38,789 --> 00:30:36,549
object actually some people describe it

606
00:30:40,770 --> 00:30:38,799
as the size of a ship at sea an

607
00:30:42,659 --> 00:30:40,780
ocean-going ship actually flew over the

608
00:30:44,970 --> 00:30:42,669
city of Sheffield and the surrounding

609
00:30:47,870 --> 00:30:44,980
area and it was a black equilateral

610
00:30:49,610 --> 00:30:47,880
triangle in profile which is sung

611
00:30:50,900 --> 00:30:49,620
which is interesting considering that

612
00:30:53,120 --> 00:30:50,910
these things we've seen as Belgium

613
00:30:55,100 --> 00:30:53,130

Michael mentioned Belgium and several

614

00:30:57,890 --> 00:30:55,110

other places I think there are there

615

00:30:59,990 --> 00:30:57,900

appear to be some that the don't appear

616

00:31:01,250 --> 00:31:00,000

to exhibit behavior you'd expect from an

617

00:31:02,960 --> 00:31:01,260

aircraft from our boundary they're

618

00:31:04,669 --> 00:31:02,970

Crawford's as hovering over houses and

619

00:31:06,890 --> 00:31:04,679

sometimes they're seen in association

620

00:31:08,570 --> 00:31:06,900

with being strange beings and things

621

00:31:10,820 --> 00:31:08,580

like that but it's quite it's quite

622

00:31:12,140 --> 00:31:10,830

likely that we were looking at two

623

00:31:14,960 --> 00:31:12,150

separate phenomenon we may have

624

00:31:17,240 --> 00:31:14,970

generically categorized together this

625

00:31:18,169 --> 00:31:17,250

it's pretty obvious that some we're

626

00:31:20,960 --> 00:31:18,179

living in a world where there is

627

00:31:23,539 --> 00:31:20,970

essentially bifurcated between the

628

00:31:26,120 --> 00:31:23,549

ordinary folk and the interior of the

629

00:31:27,770 --> 00:31:26,130

state industrial corporate complex where

630

00:31:29,210 --> 00:31:27,780

they essentially live in what Richard

631

00:31:30,560 --> 00:31:29,220

Richard Dolan calls a breakaway

632

00:31:34,370 --> 00:31:30,570

civilization I mean this kind of

633

00:31:36,649 --> 00:31:34,380

technology is extraordinary and you know

634

00:31:38,510 --> 00:31:36,659

we're so far ahead of what's publicly

635

00:31:40,070 --> 00:31:38,520

available that it takes your breath away

636

00:31:41,899 --> 00:31:40,080

I mean I've had to think about this an

637

00:31:43,730 --> 00:31:41,909

awful lot and I've studied some of

638

00:31:46,330 --> 00:31:43,740

Michael's work because I've just

639

00:31:49,279 --> 00:31:46,340

finished writing a trilogy of novels a

640

00:31:53,120 --> 00:31:49,289

fictional scenario of what would happen

641

00:31:56,149 --> 00:31:53,130

if some of this esoteric technology

642

00:31:57,710 --> 00:31:56,159

became publicly available so it's been a

643

00:32:00,169 --> 00:31:57,720

big part of my thought process for many

644

00:32:02,270 --> 00:32:00,179

years now and I'm fascinated by it

645

00:32:04,940 --> 00:32:02,280

interestingly there's a there's a new

646

00:32:06,140 --> 00:32:04,950

hangar at area 51 I was looking up I was

647

00:32:08,330 --> 00:32:06,150

looking up about it's just couple years

648

00:32:11,000 --> 00:32:08,340

ago and it was reported by some of the

649

00:32:12,799 --> 00:32:11,010

area 51 watches that this was a very big

650

00:32:14,419 --> 00:32:12,809

tall hangar which was my toes right at

651
00:32:16,640 --> 00:32:14,429
the other end of the runway away from

652
00:32:18,710 --> 00:32:16,650
the main hangars and buildings as if

653
00:32:20,210 --> 00:32:18,720
they even wanted to keep it secret or it

654
00:32:22,250 --> 00:32:20,220
would maybe have some kind of volatile

655
00:32:23,779 --> 00:32:22,260
fuel that they wanted to keep separate

656
00:32:28,940 --> 00:32:23,789
for safety reasons from the rest of the

657
00:32:31,039 --> 00:32:28,950
facility and this is maybe the aircraft

658
00:32:33,590 --> 00:32:31,049
that some Michael was talking about they

659
00:32:34,850 --> 00:32:33,600
these are the what did you call him

660
00:32:38,360 --> 00:32:34,860
Michael not the a-10 that was the old

661
00:32:40,279 --> 00:32:38,370
spy plane the one with the trees this

662
00:32:43,250 --> 00:32:40,289
could be associated with the Black Star

663
00:32:44,600 --> 00:32:43,260

program mmm it could be them it's a very

664

00:32:45,049 --> 00:32:44,610

large hangar one of the largest ever

665

00:32:47,779 --> 00:32:45,059

built

666

00:32:50,299 --> 00:32:47,789

and it's very tall as if this thing

667

00:32:52,789 --> 00:32:50,309

might have a very tall tail plane rather

668

00:32:54,190 --> 00:32:52,799

than the the flat profile of the-- or

669

00:32:56,780 --> 00:32:54,200

the flat sir

670

00:33:00,200 --> 00:32:56,790

look the flat lookers say the b-1

671

00:33:02,220 --> 00:33:00,210

stealth bomber so I'm interested to know

672

00:33:05,009 --> 00:33:02,230

where we find out more information

673

00:33:09,450 --> 00:33:05,019

well I do know that the United States

674

00:33:14,399 --> 00:33:09,460

and and Great Britain have been involved

675

00:33:16,950 --> 00:33:14,409

in top-secret aircraft research and

676
00:33:21,269 --> 00:33:16,960
development for a number of years I know

677
00:33:23,549 --> 00:33:21,279
that there was a document that was that

678
00:33:25,019 --> 00:33:23,559
was handed over and Michael you'll have

679
00:33:28,649 --> 00:33:25,029
to remind me what the name of this was

680
00:33:31,980 --> 00:33:28,659
that was based on information that was

681
00:33:33,799 --> 00:33:31,990
taken from Nazi Germany after the end of

682
00:33:36,720 --> 00:33:33,809
the war collect together I think it was

683
00:33:39,600 --> 00:33:36,730
handed over in the 1960s Mike that's

684
00:33:41,430 --> 00:33:39,610
yeah well done that's well done it was

685
00:33:43,289 --> 00:33:41,440
called the Dawson report that's it

686
00:33:47,220 --> 00:33:43,299
that's it okay all right personal report

687
00:33:48,659 --> 00:33:47,230
are you familiar with that wood bed no

688
00:33:50,519 --> 00:33:48,669

I'm not I'm familiar with Operation

689

00:33:52,529 --> 00:33:50,529

Paperclip which is much earlier I mean

690

00:33:55,889 --> 00:33:52,539

this is the end of World War two but not

691

00:33:58,499 --> 00:33:55,899

the Dawson report no okay so what

692

00:34:01,440 --> 00:33:58,509

Michael want to tell us what the Dawson

693

00:34:04,980 --> 00:34:01,450

report is yeah the reference for this is

694

00:34:08,280 --> 00:34:04,990

Jane's Defence weekly September 4th 1996

695

00:34:10,349 --> 00:34:08,290

a relationship under wraps US and UK

696

00:34:12,659 --> 00:34:10,359

stealth and what they talk about here is

697

00:34:14,879 --> 00:34:12,669

that there is an ongoing strong

698

00:34:17,129 --> 00:34:14,889

relationship between the aerospace

699

00:34:19,680 --> 00:34:17,139

industry of the US and UK it's been

700

00:34:21,510 --> 00:34:19,690

going on for years it's very strong they

701
00:34:24,359 --> 00:34:21,520
reference something called the Dawson

702
00:34:28,730 --> 00:34:24,369
report which was basically something

703
00:34:33,240 --> 00:34:28,740
that was put together by the UK after

704
00:34:36,359 --> 00:34:33,250
all of the intelligence agencies started

705
00:34:38,240 --> 00:34:36,369
basically vacuuming up Nazi stealth

706
00:34:41,579 --> 00:34:38,250
technology that was put into three-ring

707
00:34:43,079 --> 00:34:41,589
binders and given to the Washington DC

708
00:34:45,119 --> 00:34:43,089
sometime after the Kennedy

709
00:34:53,760 --> 00:34:45,129
administration that's what the article

710
00:34:58,230 --> 00:34:53,770
states anyway hmm interesting so I think

711
00:35:03,690 --> 00:34:58,240
it was in the early 1990s been that

712
00:35:06,059 --> 00:35:03,700
there had been a number of black

713
00:35:08,040 --> 00:35:06,069

triangle UFO sightings you know over

714

00:35:10,440 --> 00:35:08,050

Great Britain and it got to the point

715

00:35:12,870 --> 00:35:10,450

where I think the government and and you

716

00:35:15,880 --> 00:35:12,880

have to correct me on they're so good

717

00:35:20,059 --> 00:35:15,890

they had to put on what is it

718

00:35:22,450 --> 00:35:20,069

do you notice em notice our under the

719

00:35:24,980 --> 00:35:22,460

press to stop him from reporting on its

720

00:35:26,660 --> 00:35:24,990

um I don't know specifically a teen

721

00:35:28,519 --> 00:35:26,670

notice was sent out but I do know that

722

00:35:30,470 --> 00:35:28,529

some there have been many many sightings

723

00:35:32,930 --> 00:35:30,480

of various strange objects in the sky

724

00:35:35,150 --> 00:35:32,940

which have not been reported in full by

725

00:35:37,700 --> 00:35:35,160

the media yet and they do circulate

726

00:35:40,210 --> 00:35:37,710

within the UFO field there were among

727

00:35:42,349 --> 00:35:40,220

independent researchers and also that

728

00:35:45,760 --> 00:35:42,359

many of the witnesses are very credible

729

00:35:47,960 --> 00:35:45,770

people some of them I have experienced

730

00:35:49,849 --> 00:35:47,970

events we should change their lives and

731

00:35:51,170 --> 00:35:49,859

they firm they some of them have

732

00:35:53,450 --> 00:35:51,180

suffered enormously in terms of their

733

00:35:55,010 --> 00:35:53,460

career but they still speak out about it

734

00:35:56,930 --> 00:35:55,020

there's been several pilots who have

735

00:35:59,870 --> 00:35:56,940

mentioned this and several military

736

00:36:01,670 --> 00:35:59,880

personnel it's one chap I know who used

737

00:36:04,339 --> 00:36:01,680

to been the our Royal Air Force he and

738

00:36:07,549 --> 00:36:04,349

he essentially he saw the Sheffield

739

00:36:10,370 --> 00:36:07,559

object when he was on duty in in the

740

00:36:11,839 --> 00:36:10,380

Royal Air Force and it's essentially

741

00:36:14,120 --> 00:36:11,849

changed his life it's like something

742

00:36:16,670 --> 00:36:14,130

amazing happened and it's so he's

743

00:36:18,680 --> 00:36:16,680

developed an interest in this subject so

744

00:36:20,750 --> 00:36:18,690

it's kind of like an open secret really

745

00:36:22,400 --> 00:36:20,760

within in our country certainly and

746

00:36:28,789 --> 00:36:22,410

Britain has a more than its fair share

747

00:36:29,960 --> 00:36:28,799

of UFO sightings the how about the bet

748

00:36:32,660 --> 00:36:29,970

waters there

749

00:36:34,400 --> 00:36:32,670

well of course so the the bed was they

750

00:36:35,569 --> 00:36:34,410

would be Woodbridge Bentwaters base the

751
00:36:37,400 --> 00:36:35,579
site of the Rendlesham forest incident

752
00:36:40,970 --> 00:36:37,410
that's gotta be one of the most famous

753
00:36:43,910 --> 00:36:40,980
UFO events in the entire world this was

754
00:36:46,490 --> 00:36:43,920
in 1918 at Christmastime there's a

755
00:36:50,420 --> 00:36:46,500
number of US Air Force personnel in the

756
00:36:51,769 --> 00:36:50,430
at that time it was an American base saw

757
00:36:55,010 --> 00:36:51,779
some very strange things in the woods

758
00:36:57,410 --> 00:36:55,020
services and on a number of successive

759
00:36:59,210 --> 00:36:57,420
evenings in a nighttime very strange

760
00:37:00,829 --> 00:36:59,220
case indeed and there lots been written

761
00:37:02,930 --> 00:37:00,839
about this a lots been said about it and

762
00:37:04,640 --> 00:37:02,940
a lot of controversy associated with it

763
00:37:07,700 --> 00:37:04,650

but obviously something very odd

764

00:37:12,109 --> 00:37:07,710

happened in those few days in that

765

00:37:15,079 --> 00:37:12,119

particular wood near those two bases why

766

00:37:19,010 --> 00:37:15,089

and I don't know if you do this but I

767

00:37:21,890 --> 00:37:19,020

think it was the the day before the the

768

00:37:26,329 --> 00:37:21,900

first bet water sighting you have the

769

00:37:28,039 --> 00:37:26,339

cash Landrum incident that that's a very

770

00:37:30,319 --> 00:37:28,049

odd coincidence isn't it I mean there

771

00:37:32,390 --> 00:37:30,329

it is sighs the world I know that the

772

00:37:34,640 --> 00:37:32,400

ladies involved in that particular event

773

00:37:36,410 --> 00:37:34,650

I mean they suffered health problems as

774

00:37:38,150 --> 00:37:36,420

a result of their encounter and

775

00:37:41,089 --> 00:37:38,160

strangely enough some of the witnesses

776

00:37:43,579 --> 00:37:41,099

to the Rendlesham forest incident also

777

00:37:45,799 --> 00:37:43,589

suffered health problems too as if

778

00:37:48,109 --> 00:37:45,809

there's some effect some property of

779

00:37:50,359 --> 00:37:48,119

these objects affects human health may

780

00:37:51,739 --> 00:37:50,369

be through ionizing radiation maybe some

781

00:37:53,900 --> 00:37:51,749

other mechanism we're not familiar with

782

00:37:58,459 --> 00:37:53,910

but they they are ill these guys a lot

783

00:38:01,309 --> 00:37:58,469

of them well I to throw in a plug for

784

00:38:06,349 --> 00:38:01,319

our own work here we have a book called

785

00:38:08,929 --> 00:38:06,359

UFO hostilities the evil the aliens evil

786

00:38:12,969 --> 00:38:08,939

agenda and we have many reports in there

787

00:38:18,309 --> 00:38:12,979

where witnesses have have been burned or

788

00:38:21,819 --> 00:38:18,319

undergone some detrimental procedure or

789

00:38:25,249 --> 00:38:21,829

incident after their sighting or

790

00:38:28,699 --> 00:38:25,259

encounter there possibly might have been

791

00:38:32,599 --> 00:38:28,709

even some human mutilations I don't know

792

00:38:35,269 --> 00:38:32,609

how well a document they necessarily are

793

00:38:42,529 --> 00:38:35,279

but there are some of my cases that seem

794

00:38:45,339 --> 00:38:42,539

to point in that direction I mean it it

795

00:38:49,029 --> 00:38:45,349

certainly seems that that our own

796

00:38:52,370 --> 00:38:49,039

governments would not be testing such

797

00:38:56,719 --> 00:38:52,380

volatile objects in an area where they

798

00:38:59,380 --> 00:38:56,729

might hurt our own citizens now of

799

00:39:03,079 --> 00:38:59,390

course cache land them which is a very

800

00:39:05,419 --> 00:39:03,089

interesting case and this incident we

801
00:39:08,900 --> 00:39:05,429
had to a mother and daughter and then a

802
00:39:13,189 --> 00:39:08,910
grandson saw this object I'm pretty low

803
00:39:15,769 --> 00:39:13,199
over there automobile and rural area in

804
00:39:21,049 --> 00:39:15,779
Texas there but what makes the the

805
00:39:24,140 --> 00:39:21,059
sighting probably even more bizarre is

806
00:39:27,019 --> 00:39:24,150
the fact that they reported that the

807
00:39:32,349 --> 00:39:27,029
this object which was a diamond shaped

808
00:39:37,189 --> 00:39:32,359
in this particular case was escorted by

809
00:39:39,319 --> 00:39:37,199
about 20 black helicopters now how does

810
00:39:41,720 --> 00:39:39,329
that tie in I mean there's that prove

811
00:39:47,810 --> 00:39:41,730
that this diamond-shaped

812
00:39:51,530 --> 00:39:47,820
object that apparently injured some of

813
00:39:54,950 --> 00:39:51,540

our own citizens was something that was

814

00:39:58,340 --> 00:39:54,960

manufactured there right here it doesn't

815

00:39:59,930 --> 00:39:58,350

I'm not sure it could do it well it

816

00:40:01,040 --> 00:39:59,940

could mean the black helicopters could

817

00:40:02,599 --> 00:40:01,050

have been actually in some way

818

00:40:04,220 --> 00:40:02,609

intercepting or monitoring something

819

00:40:06,560 --> 00:40:04,230

that came from somewhere else either

820

00:40:09,830 --> 00:40:06,570

possibilities is real and I would like

821

00:40:11,450 --> 00:40:09,840

to actually speculate on the moral

822

00:40:17,690 --> 00:40:11,460

scruples of the government quite frankly

823

00:40:19,609 --> 00:40:17,700

because Ok Go Ahead Porter yeah but I'll

824

00:40:21,830 --> 00:40:19,619

tell you but I'll tell you that some

825

00:40:23,030 --> 00:40:21,840

it's whatever these craft are I mean

826

00:40:25,070 --> 00:40:23,040

when people become sick in their

827

00:40:26,599 --> 00:40:25,080

vicinity it could be a result of some

828

00:40:28,370 --> 00:40:26,609

kind of weapon it could be a deliberate

829

00:40:30,950 --> 00:40:28,380

intent on the part of whoever or

830

00:40:33,590 --> 00:40:30,960

whatever is behind that the technology

831

00:40:34,910 --> 00:40:33,600

of the object being observed or it could

832

00:40:39,140 --> 00:40:34,920

be an inadvertent effect of the

833

00:40:42,770 --> 00:40:39,150

properties of being there so it could be

834

00:40:45,890 --> 00:40:42,780

or even or even more outlandish we do

835

00:40:47,810 --> 00:40:45,900

have some cases in fact that we've had a

836

00:40:52,220 --> 00:40:47,820

fellow on our program a couple of times

837

00:40:55,940 --> 00:40:52,230

dr. Bruce Cornett but other witnesses

838

00:40:58,450 --> 00:40:55,950

have reported to the morphing of objects

839

00:41:01,970 --> 00:40:58,460

where UFOs can change shape and

840

00:41:06,890 --> 00:41:01,980

sometimes perhaps in the shape of

841

00:41:09,109 --> 00:41:06,900

helicopters or or airplanes or I mean

842

00:41:11,660 --> 00:41:09,119

there's some speculation I don't know

843

00:41:14,630 --> 00:41:11,670

what evidence so you see in this that

844

00:41:16,640 --> 00:41:14,640

the the planes that hit the World Trade

845

00:41:18,500 --> 00:41:16,650

Center may not have been planes at all

846

00:41:20,300 --> 00:41:18,510

well you know I I don't know it's

847

00:41:21,560 --> 00:41:20,310

another mystery you know yeah I finally

848

00:41:23,420 --> 00:41:21,570

have I just been talking to someone

849

00:41:25,010 --> 00:41:23,430

who's got in touch with me and they said

850

00:41:27,430 --> 00:41:25,020

that they've had many encounters with

851

00:41:29,750 --> 00:41:27,440

what you might call UFOs and

852

00:41:32,060 --> 00:41:29,760

extraterrestrial beings in their life

853

00:41:34,310 --> 00:41:32,070

and they've also were chased by

854

00:41:35,720 --> 00:41:34,320

helicopters at several times a very low

855

00:41:37,460 --> 00:41:35,730

level helicopters low enough so they

856

00:41:39,109 --> 00:41:37,470

could see the pilots face so that's

857

00:41:41,560 --> 00:41:39,119

extremely low I mean very much lower

858

00:41:45,109 --> 00:41:41,570

than most aircraft fly in our airspace

859

00:41:46,880 --> 00:41:45,119

then some people who study the UFO

860

00:41:48,320 --> 00:41:46,890

phenomena and say that this what they're

861

00:41:49,910 --> 00:41:48,330

actually seeing is not really a

862

00:41:53,270 --> 00:41:49,920

helicopter and it's some kind of screen

863

00:41:55,250 --> 00:41:53,280

memory that the the forces behind these

864

00:41:56,030 --> 00:41:55,260

particular objects have the ability to

865

00:41:59,000 --> 00:41:56,040

change

866

00:42:01,370 --> 00:41:59,010

we perceive things so that's an

867

00:42:03,230 --> 00:42:01,380

interesting element there so yeah it's

868

00:42:06,050 --> 00:42:03,240

an it's interesting this person has got

869

00:42:08,120 --> 00:42:06,060

just got in touch with me now well you

870

00:42:09,890 --> 00:42:08,130

know that's that's interesting to me

871

00:42:12,590 --> 00:42:09,900

because I mean as you well know here in

872

00:42:15,530 --> 00:42:12,600

the United States and it hasn't been as

873

00:42:18,560 --> 00:42:15,540

much recently but I mean you know 10 10

874

00:42:21,080 --> 00:42:18,570

years ago there was the just a whole big

875

00:42:28,280 --> 00:42:21,090

thing about the the the the black

876

00:42:30,650 --> 00:42:28,290

helicopters you know harassing people

877

00:42:34,130 --> 00:42:30,660

but you know there's been a number of

878

00:42:39,320 --> 00:42:34,140

cases that really weren't that widely

879

00:42:44,290 --> 00:42:39,330

known publicly of you know UFO witnesses

880

00:42:48,110 --> 00:42:44,300

who found themselves you know spotting

881

00:42:51,220 --> 00:42:48,120

unusual helicopters over their houses on

882

00:42:54,080 --> 00:42:51,230

a daily basis that had never been there

883

00:42:55,820 --> 00:42:54,090

before I mean you know before they're

884

00:42:58,580 --> 00:42:55,830

there say like the UFO encounter or

885

00:43:00,200 --> 00:42:58,590

whatever and where you said that they

886

00:43:02,450 --> 00:43:00,210

were low enough that they could see the

887

00:43:05,000 --> 00:43:02,460

pilots faces I mean I know that I've

888

00:43:07,100 --> 00:43:05,010

talked to a couple of people who said

889

00:43:10,040 --> 00:43:07,110

the exact same thing that these

890

00:43:12,050 --> 00:43:10,050

helicopters would hover over their house

891

00:43:14,510 --> 00:43:12,060

or their backyard and that they were so

892

00:43:16,550 --> 00:43:14,520

low not only could they see the hell you

893

00:43:18,890 --> 00:43:16,560

know the the pilot races but if they had

894

00:43:20,780 --> 00:43:18,900

say like a rock or a softball that they

895

00:43:25,370 --> 00:43:20,790

could have lobbed it up and and you know

896

00:43:27,140 --> 00:43:25,380

hit the pilot it was that close far

897

00:43:29,360 --> 00:43:27,150

stranger than that base I know I've

898

00:43:31,490 --> 00:43:29,370

heard many reports like this and it's

899

00:43:35,150 --> 00:43:31,500

disturbing that these are these kind of

900

00:43:37,540 --> 00:43:35,160

discussions these kinds of sightings are

901
00:43:40,070 --> 00:43:37,550
associated with the very sinister

902
00:43:41,870 --> 00:43:40,080
mutilation phenomenon that Timothy

903
00:43:45,530 --> 00:43:41,880
mentioned it's it's a very very a

904
00:43:47,540 --> 00:43:45,540
worrying thing and of all the animals

905
00:43:50,360 --> 00:43:47,550
that are affected by this you have farm

906
00:43:55,910 --> 00:43:50,370
animals wild animals pets marine mammals

907
00:43:58,130 --> 00:43:55,920
and Homo sapiens is not exempt and so

908
00:44:01,040 --> 00:43:58,140
there are there's a guy called Toni Dodd

909
00:44:03,470 --> 00:44:01,050
who's ufologist in Britain and some

910
00:44:04,250 --> 00:44:03,480
Britain sees we expect particularly

911
00:44:06,650 --> 00:44:04,260
affected by this

912
00:44:08,600 --> 00:44:06,660
he has she passed away sadly but he had

913
00:44:09,590 --> 00:44:08,610

a friend of who he interviewed and was

914

00:44:11,840 --> 00:44:09,600

featured in his book

915

00:44:13,040 --> 00:44:11,850

who claimed to have been involved in

916

00:44:14,420 --> 00:44:13,050

this because the government used to

917

00:44:16,430 --> 00:44:14,430

actually take an interest in this and

918

00:44:18,620 --> 00:44:16,440

he's to send in Special Forces units to

919

00:44:20,120 --> 00:44:18,630

to cover it up and clear away the

920

00:44:22,100 --> 00:44:20,130

evidence and this man was involved in

921

00:44:23,690 --> 00:44:22,110

one of these cleanup teams very and he's

922

00:44:26,660 --> 00:44:23,700

he's recently came forward again with

923

00:44:27,920 --> 00:44:26,670

another researcher Richard E Hall so now

924

00:44:29,540 --> 00:44:27,930

this is this is very very worrying

925

00:44:32,090 --> 00:44:29,550

indeed and we don't know why we don't

926
00:44:33,170 --> 00:44:32,100
know why who or what is doing this some

927
00:44:35,660 --> 00:44:33,180
people say it's a secret government

928
00:44:36,980 --> 00:44:35,670
experiment I don't know because if you

929
00:44:39,500 --> 00:44:36,990
want to get hold of farm animals for

930
00:44:41,600 --> 00:44:39,510
experiments it's it's easier and quicker

931
00:44:44,150 --> 00:44:41,610
and cheaper simply to buy them from the

932
00:44:45,740 --> 00:44:44,160
market like everyone else does so I

933
00:44:47,060 --> 00:44:45,750
don't know there's no real reason

934
00:44:48,890 --> 00:44:47,070
because people say the aliens are

935
00:44:50,450 --> 00:44:48,900
harvesting DNA well why can't I just

936
00:44:52,430 --> 00:44:50,460
take a hair off her head like the police

937
00:44:54,500 --> 00:44:52,440
do you know and she don't need to take

938
00:44:57,430 --> 00:44:54,510

cup huge areas out of a person's body to

939

00:45:02,570 --> 00:44:57,440

take their DNA it's a very strange case

940

00:45:07,250 --> 00:45:02,580

we well know we we had a retired police

941

00:45:09,380 --> 00:45:07,260

officer who they found a body on top of

942

00:45:13,880 --> 00:45:09,390

the coal pile that was up about 13 feet

943

00:45:17,590 --> 00:45:13,890

you know the railroad yard and there was

944

00:45:19,850 --> 00:45:17,600

no way that it could have gotten there

945

00:45:23,630 --> 00:45:19,860

presumably I mean today was a rainy

946

00:45:26,510 --> 00:45:23,640

night and anyway the body might have

947

00:45:30,560 --> 00:45:26,520

been he suggests dropped from somewhere

948

00:45:34,610 --> 00:45:30,570

up above and I believe Tim wasn't the

949

00:45:37,910 --> 00:45:34,620

the individual who was found I wasn't

950

00:45:42,670 --> 00:45:37,920

part of his skull or his top part of his

951

00:45:46,700 --> 00:45:42,680

head question he had some kind of

952

00:45:50,300 --> 00:45:46,710

unusual wounds that really was not

953

00:45:53,660 --> 00:45:50,310

specified I guess for whatever reason I

954

00:45:56,000 --> 00:45:53,670

I guess it was it was classified but

955

00:45:59,300 --> 00:45:56,010

they were willing that were unusual

956

00:46:01,580 --> 00:45:59,310

enough at his last name was a damn ski

957

00:46:06,650 --> 00:46:01,590

Adamski sick of minatom ski yeah not

958

00:46:08,710 --> 00:46:06,660

George Adamski no no relations although

959

00:46:12,950 --> 00:46:08,720

I I have done a little bit research and

960

00:46:15,020 --> 00:46:12,960

the name Adamski is a lot more common in

961

00:46:18,860 --> 00:46:15,030

England that it would be here in the US

962

00:46:20,750 --> 00:46:18,870

so sorry about on the show was it yeah

963

00:46:22,850 --> 00:46:20,760

oh my god for yes yes that's correct

964

00:46:23,059 --> 00:46:22,860

that was a strange case because the the

965

00:46:25,370 --> 00:46:23,069

guy

966

00:46:27,289 --> 00:46:25,380

literally been dropped now I mean could

967

00:46:28,489 --> 00:46:27,299

have been a helicopter that deposited up

968

00:46:29,630 --> 00:46:28,499

there there's no other vehicle I can

969

00:46:31,279 --> 00:46:29,640

think of who could actually the could

970

00:46:33,349 --> 00:46:31,289

actually deposit a man on top of a coal

971

00:46:35,449 --> 00:46:33,359

pile without living black footprints

972

00:46:37,549 --> 00:46:35,459

everywhere but a helicopters very noisy

973

00:46:40,069 --> 00:46:37,559

and this was in Todmorden a very very

974

00:46:45,650 --> 00:46:40,079

busy bustling tightly packed town where

975

00:46:49,789 --> 00:46:45,660

it would have woken people up he had a

976
00:46:52,579 --> 00:46:49,799
UFO abduction of his own sometime after

977
00:46:56,509 --> 00:46:52,589
he investigated this incident when he

978
00:46:58,309 --> 00:46:56,519
was a soul in the police where he

979
00:47:00,739 --> 00:46:58,319
famously yes he went on television and

980
00:47:02,269 --> 00:47:00,749
talks about it and so yeah yeah yeah we

981
00:47:04,819 --> 00:47:02,279
have a check we only get really get the

982
00:47:11,239 --> 00:47:04,829
best we only get the best guess I know

983
00:47:13,249 --> 00:47:11,249
why true that's why I'm here but it was

984
00:47:17,620 --> 00:47:13,259
like you were saying I mean some of

985
00:47:20,089 --> 00:47:17,630
these circumstances are so bizarre that

986
00:47:21,229 --> 00:47:20,099
they really don't seem to have any

987
00:47:23,420 --> 00:47:21,239
meaning you know it's like you were

988
00:47:24,680 --> 00:47:23,430

saying that you know mr. danske you know

989

00:47:27,469 --> 00:47:24,690

I mean he could have been dropped onto

990

00:47:30,799 --> 00:47:27,479

the coal pile from a helicopter but why

991

00:47:31,999 --> 00:47:30,809

you know I mean you know you're talking

992

00:47:35,239 --> 00:47:32,009

about say like you know cattle

993

00:47:38,120 --> 00:47:35,249

mutilation or animal mutilation that you

994

00:47:41,329 --> 00:47:38,130

know if there were some kind of you know

995

00:47:43,219 --> 00:47:41,339

like government research to look for say

996

00:47:44,779 --> 00:47:43,229

like radiation in the environment or

997

00:47:47,839 --> 00:47:44,789

some kind of contamination in the

998

00:47:50,150 --> 00:47:47,849

environment why go and steal somebody

999

00:47:53,630 --> 00:47:50,160

else's cattle when you can have your own

1000

00:47:55,039 --> 00:47:53,640

out in a field someplace and you know do

1001
00:47:57,949 --> 00:47:55,049
the experiments on them with nobody

1002
00:48:00,529 --> 00:47:57,959
noticing it's like but dealing with a

1003
00:48:02,509 --> 00:48:00,539
mindset really which is which is how

1004
00:48:05,239 --> 00:48:02,519
answerable that's for both wise you know

1005
00:48:07,009 --> 00:48:05,249
that's right all right well we are at

1006
00:48:08,569 --> 00:48:07,019
our top of the hour break so when we

1007
00:48:10,549 --> 00:48:08,579
come back we'll continue our

1008
00:48:20,940 --> 00:48:10,559
conversation with our most excellent

1009
00:48:27,900 --> 00:48:25,450
explore the bazaars or e-ticket ride

1010
00:48:31,210 --> 00:48:27,910
into the world of the paranormal

1011
00:48:35,490 --> 00:48:31,220
strap yourself in as we traverse the

1012
00:48:38,609 --> 00:48:35,500
universe exploring the unexplained UFO s

1013
00:48:40,990 --> 00:48:38,619

ghosts Lost Worlds

1014

00:48:44,859 --> 00:48:41,000

cryptozoology as well as other

1015

00:48:49,990 --> 00:48:44,869

dimensions it's time to take back the

1016

00:48:53,079 --> 00:48:50,000

night now your electrifying hosts of

1017

00:48:58,150 --> 00:48:53,089

exploring the bizarre Timothy Begley and

1018

00:48:59,890 --> 00:48:58,160

team sports alright welcome back to the

1019

00:49:02,260 --> 00:48:59,900

second hour of exploring the bizarre I'm

1020

00:49:06,040 --> 00:49:02,270

Tim Schwarz tonight we're talking with

1021

00:49:10,420 --> 00:49:06,050

Ben emmalin Jones and Michael Charette

1022

00:49:14,280 --> 00:49:10,430

and Michael I want to ask you a couple

1023

00:49:17,470 --> 00:49:14,290

of years ago there were a couple of

1024

00:49:22,150 --> 00:49:17,480

photographs taken by civilians of some

1025

00:49:25,570 --> 00:49:22,160

unusual triangle-shaped aircraft flying

1026
00:49:27,270 --> 00:49:25,580
over I think one of them may been shot

1027
00:49:31,359 --> 00:49:27,280
over Colorado and the other one over

1028
00:49:33,190 --> 00:49:31,369
Arizona and the the press made a big

1029
00:49:35,950 --> 00:49:33,200
deal of it for about you know a few days

1030
00:49:39,190 --> 00:49:35,960
and and that was the last you ever

1031
00:49:41,530 --> 00:49:39,200
anybody ever heard about that are you

1032
00:49:44,859 --> 00:49:41,540
familiar with the situations they'll

1033
00:49:48,040 --> 00:49:44,869
talk about yes I am that was something

1034
00:49:51,040 --> 00:49:48,050
that Stephen Douglas was involved in

1035
00:49:54,460 --> 00:49:51,050
he's an aircraft Reese yes what they

1036
00:49:56,859 --> 00:49:54,470
looked like were perhaps two to three

1037
00:49:58,839 --> 00:49:56,869
b-2s flying in formation but it had a

1038
00:50:01,210 --> 00:49:58,849

different trailing edge and they were

1039

00:50:03,960 --> 00:50:01,220

almost translucent indicating the

1040

00:50:06,220 --> 00:50:03,970

possible use of electrochromic panels

1041

00:50:08,020 --> 00:50:06,230

now okay explain to us what

1042

00:50:11,230 --> 00:50:08,030

electrochromic panels are because I know

1043

00:50:13,359 --> 00:50:11,240

you had referred to those earlier yeah

1044

00:50:15,280 --> 00:50:13,369

this is a technology where they take an

1045

00:50:17,200 --> 00:50:15,290

image of what's above an aircraft the

1046

00:50:19,420 --> 00:50:17,210

electronically transfer it to the bottom

1047

00:50:21,520 --> 00:50:19,430

surface allowing it to essentially blend

1048

00:50:24,160 --> 00:50:21,530

in with its background causing it to

1049

00:50:26,200 --> 00:50:24,170

become almost invisible so that could be

1050

00:50:27,970 --> 00:50:26,210

what we're looking at now there's

1051
00:50:29,620 --> 00:50:27,980
another technology called flickering

1052
00:50:32,200 --> 00:50:29,630
skins and so

1053
00:50:34,900 --> 00:50:32,210
at this point we've reached the point

1054
00:50:38,260 --> 00:50:34,910
where they can do a Desert Storm strike

1055
00:50:40,539 --> 00:50:38,270
but not in nighttime but they can do the

1056
00:50:43,569 --> 00:50:40,549
same mission in daytime now they've got

1057
00:50:46,500 --> 00:50:43,579
daytime stealth technology well I know

1058
00:50:49,839 --> 00:50:46,510
that there have been a number of

1059
00:50:53,319 --> 00:50:49,849
eyewitness reports of people seeing you

1060
00:50:58,180 --> 00:50:53,329
know like the giant black triangles

1061
00:51:02,710 --> 00:50:58,190
flying over their house and they would

1062
00:51:04,990 --> 00:51:02,720
say that they could see the outline but

1063
00:51:08,470 --> 00:51:05,000

it looked like that they were projecting

1064

00:51:11,559 --> 00:51:08,480

like the the the star field on the

1065

00:51:13,390 --> 00:51:11,569

underside at them but I think it's still

1066

00:51:16,900 --> 00:51:13,400

they could still tell the difference

1067

00:51:19,690 --> 00:51:16,910

especially when the triangle was so

1068

00:51:24,279 --> 00:51:19,700

close to the ground that they had an

1069

00:51:26,920 --> 00:51:24,289

almost oppressive feeling that is

1070

00:51:28,690 --> 00:51:26,930

exactly how Officer Craig Stevens

1071

00:51:30,490 --> 00:51:28,700

describes the January 5th southern

1072

00:51:33,099 --> 00:51:30,500

Illinois flying angle that's it

1073

00:51:35,500 --> 00:51:33,109

basically his words exactly that it was

1074

00:51:39,010 --> 00:51:35,510

trying to mimic the star field above it

1075

00:51:42,849 --> 00:51:39,020

on the underside so this is January 5th

1076
00:51:45,490 --> 00:51:42,859
2000 there were also interesting kind of

1077
00:51:54,130 --> 00:51:45,500
a mechanical structure was seen on the

1078
00:51:55,990 --> 00:51:54,140
bot bird to act like ghosts or was it was

1079
00:51:58,329 --> 00:51:56,000
and then this particular craft when it

1080
00:52:00,220 --> 00:51:58,339
departed it departed like a spark off a

1081
00:52:04,900 --> 00:52:00,230
grinding wheel and left no sonic boom

1082
00:52:08,160 --> 00:52:04,910
signature hmm all right so this this

1083
00:52:11,650 --> 00:52:08,170
really interests me because we have

1084
00:52:13,569 --> 00:52:11,660
stealth technology you know the the b-2

1085
00:52:18,069 --> 00:52:13,579
bombers and I mean this was something

1086
00:52:21,339 --> 00:52:18,079
that was being worked on gosh was it as

1087
00:52:23,859 --> 00:52:21,349
far back as the early 1970s with the was

1088
00:52:26,289 --> 00:52:23,869

enough to have blue aircraft is that my

1089

00:52:29,160 --> 00:52:26,299

favorite my correct with all right all

1090

00:52:32,440 --> 00:52:29,170

right so okay so now we also then

1091

00:52:37,089 --> 00:52:32,450

seemingly at the same time we have these

1092

00:52:40,240 --> 00:52:37,099

really massive triangle-shaped aircrafts

1093

00:52:42,200 --> 00:52:40,250

that seem to be working on a completely

1094

00:52:47,089 --> 00:52:42,210

different type of

1095

00:52:48,620 --> 00:52:47,099

nology so I mean are we seen aircraft

1096

00:52:50,450 --> 00:52:48,630

being developed say you know by the same

1097

00:52:51,950 --> 00:52:50,460

company by Lockheed but they're just you

1098

00:52:53,480 --> 00:52:51,960

know they're using you know one of them

1099

00:52:57,829 --> 00:52:53,490

is using conventional jets and the other

1100

00:53:01,250 --> 00:52:57,839

ones using you know God knows what I

1101

00:53:04,790 --> 00:53:01,260

think it some mix it's multiple

1102

00:53:06,470 --> 00:53:04,800

different kind characters the UK they

1103

00:53:07,820 --> 00:53:06,480

have their own triangles as well but

1104

00:53:10,220 --> 00:53:07,830

when you look at the eyewitness

1105

00:53:12,740 --> 00:53:10,230

testimony they keep describing this

1106

00:53:14,660 --> 00:53:12,750

thing these tubes pipes and cylinders on

1107

00:53:17,089 --> 00:53:14,670

the bottom of the craft and then this a

1108

00:53:19,010 --> 00:53:17,099

low-frequency electrical humming noise

1109

00:53:21,470 --> 00:53:19,020

like a transformer or a sewing machine

1110

00:53:23,480 --> 00:53:21,480

is reported in multiple different cases

1111

00:53:25,579 --> 00:53:23,490

so we've got Belgium Triangle

1112

00:53:27,920 --> 00:53:25,589

we've got southern Illinois Triangle

1113

00:53:30,530 --> 00:53:27,930

we've got Hudson Valley bloomerang 82 to

1114

00:53:33,050 --> 00:53:30,540

89 what I think they're doing is they're

1115

00:53:35,930 --> 00:53:33,060

using these tubes pipes and cylinders as

1116

00:53:37,849 --> 00:53:35,940

a liquid nitrogen cooling device to turn

1117

00:53:39,829 --> 00:53:37,859

the entire bottom surface of the craft

1118

00:53:44,060 --> 00:53:39,839

into a superconductor that's what I

1119

00:53:45,430 --> 00:53:44,070

think they're using and you know they

1120

00:53:48,079 --> 00:53:45,440

have you know Hudson Valley

1121

00:53:50,060 --> 00:53:48,089

you know UFOs I mean that was that was

1122

00:53:53,480 --> 00:53:50,070

quite a while back so this is the

1123

00:53:56,720 --> 00:53:53,490

technology though that has been around

1124

00:54:01,430 --> 00:53:56,730

for for quite a while it's been around

1125

00:54:03,230 --> 00:54:01,440

for 35 40 years we're approaching we're

1126
00:54:05,180 --> 00:54:03,240
looking at almost four decades they've

1127
00:54:07,310 --> 00:54:05,190
been doing this now so it's a proven

1128
00:54:09,620 --> 00:54:07,320
technology it's it's definitely

1129
00:54:12,950 --> 00:54:09,630
something that they've perfected at this

1130
00:54:18,890 --> 00:54:12,960
point and not the subject you were

1131
00:54:23,570 --> 00:54:18,900
talking about cash interested in number

1132
00:54:26,060 --> 00:54:23,580
twenty nineteen eighteen eighty and

1133
00:54:28,550 --> 00:54:26,070
order one the Air Force tried to buy

1134
00:54:30,109 --> 00:54:28,560
Betty to the vehicle if you're aware of

1135
00:54:33,349 --> 00:54:30,119
that but they actually tried to buy her

1136
00:54:36,250 --> 00:54:33,359
car and number two is immediately after

1137
00:54:40,460 --> 00:54:36,260
the incident the Army Corps of Engineers

1138
00:54:44,540 --> 00:54:40,470

using becos and bulldozers they they dug

1139

00:54:47,089 --> 00:54:44,550

up the black scorch part on the on the

1140

00:54:52,190 --> 00:54:47,099

road and then two weeks later they did

1141

00:54:54,050 --> 00:54:52,200

it again they did it twice hmm well and

1142

00:54:55,500 --> 00:54:54,060

I mean you know the cash Landrum case I

1143

00:54:58,130 --> 00:54:55,510

mean it's uh

1144

00:55:00,900 --> 00:54:58,140

it's famous because whatever this

1145

00:55:03,570 --> 00:55:00,910

whatever this craft was I mean it was a

1146

00:55:06,030 --> 00:55:03,580

bidding you know a lot of heat you know

1147

00:55:10,020 --> 00:55:06,040

maybe you know radiation as well who

1148

00:55:12,930 --> 00:55:10,030

knows I do know that the the heat was so

1149

00:55:15,810 --> 00:55:12,940

intense that one of the ladies she was

1150

00:55:19,230 --> 00:55:15,820

grasping the dashboard and in fear and

1151
00:55:22,530 --> 00:55:19,240
then afterwards notice that she left an

1152
00:55:26,040 --> 00:55:22,540
imprint in the dashboard of her hand it

1153
00:55:28,830 --> 00:55:26,050
has gotten that hot yep that was Vickie

1154
00:55:31,620 --> 00:55:28,840
Landrum and then and when betty was

1155
00:55:34,470 --> 00:55:31,630
walking back to the the driver's side

1156
00:55:36,510 --> 00:55:34,480
door do you put her hand on the door

1157
00:55:40,550 --> 00:55:36,520
handle and she burned her hand and they

1158
00:55:42,930 --> 00:55:40,560
had to put the air-conditioning on in

1159
00:55:44,930 --> 00:55:42,940
December when they got back in then when

1160
00:55:52,530 --> 00:55:44,940
she got back in the car

1161
00:55:57,300 --> 00:55:52,540
so what would you say then are some of

1162
00:56:00,180 --> 00:55:57,310
your favorite cases I mean I I know that

1163
00:56:03,420 --> 00:56:00,190

you've talked about the reference

1164

00:56:04,770 --> 00:56:03,430

library and triangle once you tell us

1165

00:56:07,890 --> 00:56:04,780

about that one I found that one a

1166

00:56:10,080 --> 00:56:07,900

fascinating that story credit has to go

1167

00:56:13,560 --> 00:56:10,090

to Linda Zimmerman for that particular

1168

00:56:16,500 --> 00:56:13,570

case in this incident

1169

00:56:17,970 --> 00:56:16,510

the primary eyewitness as we mentioned

1170

00:56:19,980 --> 00:56:17,980

who was a reference librarian was

1171

00:56:25,020 --> 00:56:19,990

waiting for her husband to pick her up

1172

00:56:28,320 --> 00:56:25,030

and she noticed a massive black 75°

1173

00:56:31,470 --> 00:56:28,330

swept-wing isosceles triangle hovering

1174

00:56:36,240 --> 00:56:31,480

near hold her tation she described it as

1175

00:56:38,330 --> 00:56:36,250

being a football stadium length so we're

1176

00:56:42,990 --> 00:56:38,340

looking at eight hundred feet across

1177

00:56:44,970 --> 00:56:43,000

black it had a interesting retina on the

1178

00:56:47,099 --> 00:56:44,980

bottom of it that basically opened up

1179

00:56:50,130 --> 00:56:47,109

and from the back of the craft came this

1180

00:56:53,700 --> 00:56:50,140

red orb that turned around and went up

1181

00:56:54,480 --> 00:56:53,710

inside this iris but before this iris

1182

00:56:57,000 --> 00:56:54,490

closed

1183

00:56:58,980 --> 00:56:57,010

she got a look on the inside and

1184

00:57:01,590 --> 00:56:58,990

basically she said it looked like

1185

00:57:04,140 --> 00:57:01,600

stacked apartment counts or these

1186

00:57:06,990 --> 00:57:04,150

terrorists apartment complexes so this

1187

00:57:10,249 --> 00:57:07,000

is what the primary witness got a look

1188

00:57:15,599 --> 00:57:10,259

inside the vehicle

1189

00:57:20,039 --> 00:57:15,609

okay so an aircraft that size where

1190

00:57:21,749 --> 00:57:20,049

would you keep it during the day you

1191

00:57:24,059 --> 00:57:21,759

know because you're talking about the

1192

00:57:26,880 --> 00:57:24,069

the southern illinois flight triangle

1193

00:57:31,289 --> 00:57:26,890

and i know that there is an Air Force

1194

00:57:34,829 --> 00:57:31,299

Base thoroughly close to where the

1195

00:57:36,749 --> 00:57:34,839

police men saw that but some of you

1196

00:57:38,819 --> 00:57:36,759

think that you would think that people

1197

00:57:41,819 --> 00:57:38,829

would see it there taking off and

1198

00:57:43,729 --> 00:57:41,829

landing even in the the case of the

1199

00:57:46,529 --> 00:57:43,739

Westchester you know they said it was a

1200

00:57:48,870 --> 00:57:46,539

ultralights but nobody ever saw him land

1201
00:57:50,630 --> 00:57:48,880
anywhere I mean you know the these

1202
00:57:54,150 --> 00:57:50,640
things just fly around and then they

1203
00:57:57,049 --> 00:57:54,160
they vanish now at area 51 they're

1204
00:57:59,339 --> 00:57:57,059
supposed to be you know an underground

1205
00:58:01,769 --> 00:57:59,349
hangar or underground base there and

1206
00:58:04,229 --> 00:58:01,779
we've heard of course up in the Dulce

1207
00:58:06,660 --> 00:58:04,239
New Mexico area area these things fly

1208
00:58:11,160 --> 00:58:06,670
right into the side of the the mountains

1209
00:58:14,130 --> 00:58:11,170
supposedly so just to get back on this

1210
00:58:17,309 --> 00:58:14,140
this case took place 1985 November

1211
00:58:19,650 --> 00:58:17,319
Yorktown Heights New York so this is you

1212
00:58:22,289 --> 00:58:19,660
know basically right around the Taconic

1213
00:58:24,120 --> 00:58:22,299

State Parkway area where a lot of these

1214

00:58:26,430 --> 00:58:24,130

sightings occurred now getting back to

1215

00:58:26,880 --> 00:58:26,440

where it was stored that's a very good

1216

00:58:29,069 --> 00:58:26,890

question

1217

00:58:32,099 --> 00:58:29,079

I just like to point out that if this is

1218

00:58:33,569 --> 00:58:32,109

a USO it wouldn't need a hangar it could

1219

00:58:35,249 --> 00:58:33,579

be stored underwater no one would ever

1220

00:58:37,019 --> 00:58:35,259

know the difference I know that's a long

1221

00:58:42,569 --> 00:58:37,029

shot but we can't rule it out it could

1222

00:58:44,239 --> 00:58:42,579

be a USO well and you know that that

1223

00:58:47,220 --> 00:58:44,249

kind of makes sense I was listening to

1224

00:58:49,380 --> 00:58:47,230

somebody talking about that subject the

1225

00:58:51,299 --> 00:58:49,390

other day you're talking about say like

1226

00:58:55,170 --> 00:58:51,309

this is the secret space program whether

1227

00:58:57,809 --> 00:58:55,180

or not you know we've got spaceships

1228

00:58:59,809 --> 00:58:57,819

that go beyond say like the the space

1229

00:59:02,940 --> 00:58:59,819

shuttle or the you know conventional

1230

00:59:04,940 --> 00:59:02,950

liquid fuel or solid fuel Rockets and

1231

00:59:08,700 --> 00:59:04,950

they were just saying that that

1232

00:59:14,579 --> 00:59:08,710

basically some of these crafts could be

1233

00:59:17,220 --> 00:59:14,589

almost like a submarine except and it

1234

00:59:19,799 --> 00:59:17,230

would be taken into outer outer space so

1235

00:59:22,109 --> 00:59:19,809

I mean to say that some of these

1236

00:59:22,620 --> 00:59:22,119

triangle-shaped aircrafts which do the

1237

00:59:26,220 --> 00:59:22,630

big ones

1238

00:59:31,170 --> 00:59:26,230

be stored under water I mean that makes

1239

00:59:33,420 --> 00:59:31,180

sense yep yep I've got another case here

1240

00:59:36,390 --> 00:59:33,430

this came from David Marlar didn't do

1241

00:59:39,170 --> 00:59:36,400

his book but this is August 25th 1990

1242

00:59:41,789 --> 00:59:39,180

near Barnsley England Woodhead past

1243

00:59:42,950 --> 00:59:41,799

gentlemen was coming out of a Fleetwood

1244

00:59:49,140 --> 00:59:42,960

Mac

1245

00:59:53,370 --> 00:59:49,150

unser his wasn't in the passenger side

1246

00:59:55,019 --> 00:59:53,380

and off the little triangle 200 feet

1247

00:59:56,700 --> 00:59:55,029

south there was a light at each corner

1248

00:59:58,710 --> 00:59:56,710

and then an indented section in the

1249

01:00:00,900 --> 00:59:58,720

centre with another white light and then

1250

01:00:04,200 --> 01:00:00,910

he said that along the inner wall of

1251
01:00:05,910 --> 01:00:04,210
this indented section was the diamond

1252
01:00:08,430 --> 01:00:05,920
girder construction like a truss bridge

1253
01:00:09,359 --> 01:00:08,440
that's something that we've over and

1254
01:00:12,180 --> 01:00:09,369
over and over again

1255
01:00:15,420 --> 01:00:12,190
I've got his written report here I won't

1256
01:00:17,430 --> 01:00:15,430
read the whole thing to let me just hit

1257
01:00:18,870 --> 01:00:17,440
you with what he said here quote the

1258
01:00:21,210 --> 01:00:18,880
side of the craft appeared to have

1259
01:00:23,160 --> 01:00:21,220
several illuminated windows and at one

1260
01:00:24,710 --> 01:00:23,170
of the windows I saw two to three

1261
01:00:27,269 --> 01:00:24,720
figures that appeared to be human

1262
01:00:29,009 --> 01:00:27,279
certainly nothing about the figures made

1263
01:00:31,529 --> 01:00:29,019

me think they were anything other than

1264

01:00:38,999 --> 01:00:31,539

human reinforcing my belief that the

1265

01:00:44,940 --> 01:00:39,009

craft was a military project what we

1266

01:00:46,680 --> 01:00:44,950

were talking earlier about the more

1267

01:00:48,779 --> 01:00:46,690

conventional I supposed to do now the

1268

01:00:52,410 --> 01:00:48,789

conventional you know like a stealth

1269

01:00:55,380 --> 01:00:52,420

aircraft and then these you know the the

1270

01:00:58,980 --> 01:00:55,390

black triangles and the the boomerang

1271

01:01:00,900 --> 01:00:58,990

shaped crafts using you know like a

1272

01:01:03,930 --> 01:01:00,910

completely what we call a

1273

01:01:10,049 --> 01:01:03,940

non-conventional propulsion system have

1274

01:01:15,210 --> 01:01:10,059

you run across any paper trail to see

1275

01:01:21,680 --> 01:01:15,220

where this research and development may

1276

01:01:25,499 --> 01:01:21,690

have originated from I know that the

1277

01:01:28,710 --> 01:01:25,509

cash motors name Nick Cooke had had had

1278

01:01:31,440 --> 01:01:28,720

traced some of this as far back as as

1279

01:01:33,120 --> 01:01:31,450

Nazi Germany and if there was a lot of

1280

01:01:36,030 --> 01:01:33,130

research going on in the United States

1281

01:01:39,390 --> 01:01:36,040

in the 1950s when suddenly it all

1282

01:01:42,720 --> 01:01:39,400

seemed to disappear so I you know have

1283

01:01:46,170 --> 01:01:42,730

you know have have you been able to make

1284

01:01:51,060 --> 01:01:46,180

any headway or back I did some digging

1285

01:01:53,040 --> 01:01:51,070

on gravity research as early as 1955 and

1286

01:01:55,890 --> 01:01:53,050

came up with a whole series of newspaper

1287

01:02:00,150 --> 01:01:55,900

clippings that definitely indicate that

1288

01:02:02,670 --> 01:02:00,160

somewhere around October 1954 19 time

1289

01:02:04,110 --> 01:02:02,680

frame it looks like they made a birth

1290

01:02:06,450 --> 01:02:04,120

through that's what the newspaper

1291

01:02:08,940 --> 01:02:06,460

clippings report multiple different

1292

01:02:13,950 --> 01:02:08,950

aerospace contractors and universities

1293

01:02:18,860 --> 01:02:13,960

were working hard to call the aircraft

1294

01:02:22,160 --> 01:02:18,870

company was one of them Lear well but if

1295

01:02:25,290 --> 01:02:22,170

some kind of break that we're having

1296

01:02:28,800 --> 01:02:25,300

we're breaking up there were having a

1297

01:02:31,020 --> 01:02:28,810

hard time hearing delay a statement can

1298

01:02:33,840 --> 01:02:31,030

you just repeat the last part that's

1299

01:02:36,440 --> 01:02:33,850

yeah sure the newspaper clippings

1300

01:02:39,420 --> 01:02:36,450

indicate that they were working hard to

1301
01:02:42,210 --> 01:02:39,430
break the gravity barrier somewhere

1302
01:02:46,560 --> 01:02:42,220
around 1955 bill aircraft was definitely

1303
01:02:51,540 --> 01:02:46,570
involved according to new and you said

1304
01:02:55,230 --> 01:02:51,550
Lear as well Lear Lear is well that

1305
01:02:57,540 --> 01:02:55,240
mention in there as well mmm well and

1306
01:03:00,570 --> 01:02:57,550
and again and I'm sure the people have

1307
01:03:02,730 --> 01:03:00,580
asked you this to the point where he

1308
01:03:06,600 --> 01:03:02,740
probably sick of it but you know if we

1309
01:03:08,280 --> 01:03:06,610
have that kind of technology why are we

1310
01:03:11,420 --> 01:03:08,290
still why do we still have you know

1311
01:03:14,970 --> 01:03:11,430
conventional jet aircraft flying around

1312
01:03:17,370 --> 01:03:14,980
yeah because it's profitable for

1313
01:03:19,980 --> 01:03:17,380

Lockheed Martin to do it can you

1314

01:03:21,900 --> 01:03:19,990

cranking out these conventional birds if

1315

01:03:23,130 --> 01:03:21,910

it's still profitable for them to do it

1316

01:03:28,410 --> 01:03:23,140

that's what they've done that's what

1317

01:03:31,170 --> 01:03:28,420

they don't in fact the the fix is on the

1318

01:03:33,740 --> 01:03:31,180

aircraft are more profitable than the

1319

01:03:35,820 --> 01:03:33,750

aircraft itself we're looking at about

1320

01:03:36,810 --> 01:03:35,830

one hundred and seventy billion dollars

1321

01:03:38,520 --> 01:03:36,820

over budget

1322

01:03:42,570 --> 01:03:38,530

eight years behind schedule they're just

1323

01:03:45,530 --> 01:03:42,580

cashing in on that program mm a bet I

1324

01:03:49,180 --> 01:03:45,540

want I want to ask you now the British

1325

01:03:52,450 --> 01:03:49,190

government over the course of the

1326

01:03:55,440 --> 01:03:52,460

dozen years or so release what they

1327

01:03:58,720 --> 01:03:55,450

claim or all the files that they have on

1328

01:04:01,599 --> 01:03:58,730

UFOs do you think that they have other

1329

01:04:04,599 --> 01:04:01,609

files that they are keeping hidden from

1330

01:04:07,480 --> 01:04:04,609

the public and some of these files may

1331

01:04:10,000 --> 01:04:07,490

contain the reports of this nature

1332

01:04:12,010 --> 01:04:10,010

devices that we're talking about it was

1333

01:04:13,660 --> 01:04:12,020

absolutely no doubt I mean it's true

1334

01:04:16,059 --> 01:04:13,670

there has been a large release of a

1335

01:04:18,190 --> 01:04:16,069

files from the Ministry of Defense these

1336

01:04:21,240 --> 01:04:18,200

is these are sightings report from the

1337

01:04:23,859 --> 01:04:21,250

UFO desk that's a secretary at AAS to

1338

01:04:26,410 --> 01:04:23,869

famously run by Nick Pope for many years

1339

01:04:28,990 --> 01:04:26,420

yeah I know I know many people who've

1340

01:04:30,400 --> 01:04:29,000

written into the government various

1341

01:04:32,200 --> 01:04:30,410

government departments asking for more

1342

01:04:35,170 --> 01:04:32,210

information on this subject the Ministry

1343

01:04:37,720 --> 01:04:35,180

of Defense and others and been sent back

1344

01:04:40,000 --> 01:04:37,730

a reply which says section 26 not in the

1345

01:04:41,650 --> 01:04:40,010

public interest this is essentially is a

1346

01:04:42,520 --> 01:04:41,660

brush-off this means that says she

1347

01:04:44,170 --> 01:04:42,530

doesn't matter if you're using the

1348

01:04:46,630 --> 01:04:44,180

Freedom of Information Act doesn't

1349

01:04:47,859 --> 01:04:46,640

matter in the interests of well they say

1350

01:04:49,300 --> 01:04:47,869

the public interest I think they mean

1351

01:04:51,460 --> 01:04:49,310

their their own interest quite frankly

1352

01:04:53,829 --> 01:04:51,470

it's an Orwellian say it's an Orwellian

1353

01:04:55,420 --> 01:04:53,839

statement but there's no doubt they are

1354

01:04:56,859 --> 01:04:55,430

holding back information and they and

1355

01:04:59,650 --> 01:04:56,869

they're not obliged to it from their

1356

01:05:01,180 --> 01:04:59,660

point of view on a legal standpoint to

1357

01:05:03,490 --> 01:05:01,190

provide us with it so yeah there's an

1358

01:05:04,900 --> 01:05:03,500

awful lot of sightings and really some

1359

01:05:06,520 --> 01:05:04,910

people I know who've seen some strange

1360

01:05:10,510 --> 01:05:06,530

things I've seen some odd things in the

1361

01:05:12,579 --> 01:05:10,520

sky like I say it's an open secret not

1362

01:05:14,200 --> 01:05:12,589

all of it is is available to the public

1363

01:05:16,000 --> 01:05:14,210

if when the government investigate like

1364

01:05:17,980 --> 01:05:16,010

Michael was talking about the the

1365

01:05:20,170 --> 01:05:17,990

attention at the cash Landrum case

1366

01:05:21,640 --> 01:05:20,180

generated from there from the

1367

01:05:23,319 --> 01:05:21,650

authorities after it happened just

1368

01:05:26,260 --> 01:05:23,329

digging up the road wanting to buy the

1369

01:05:28,329 --> 01:05:26,270

car etc etc and it's pretty clear that

1370

01:05:29,559 --> 01:05:28,339

they are very very very interested in

1371

01:05:31,480 --> 01:05:29,569

this and they're spending a lot of money

1372

01:05:35,950 --> 01:05:31,490

on something which they laugh at and say

1373

01:05:38,050 --> 01:05:35,960

doesn't exist so when I think obviously

1374

01:05:40,510 --> 01:05:38,060

there's gonna be a major political shift

1375

01:05:42,339 --> 01:05:40,520

before any further information actually

1376

01:05:45,430 --> 01:05:42,349

comes to to pass from the through the

1377

01:05:47,250 --> 01:05:45,440

public lips well you know Michael I

1378

01:05:51,430 --> 01:05:47,260

mentioned that some of these aircraft

1379

01:05:57,250 --> 01:05:51,440

could be hiding under a sea in fact that

1380

01:05:58,870 --> 01:05:57,260

we're working on a book on UFO bases

1381

01:06:03,010 --> 01:05:58,880

some of them underground some of them

1382

01:06:07,990 --> 01:06:03,020

under sea but of course we have places

1383

01:06:11,320 --> 01:06:08,000

area 51 and perhaps even Edwards Air

1384

01:06:17,560 --> 01:06:11,330

Force Base where some of these things

1385

01:06:19,960 --> 01:06:17,570

could be stored underground now this

1386

01:06:27,340 --> 01:06:19,970

also and I think Australia Pine Gap is

1387

01:06:29,320 --> 01:06:27,350

it how about the UK do we have a basis

1388

01:06:31,690 --> 01:06:29,330

where these things could be hidden there

1389

01:06:34,180 --> 01:06:31,700

there are several facilities in the

1390

01:06:36,460 --> 01:06:34,190

United Kingdom which our equivalents of

1391

01:06:38,320 --> 01:06:36,470

say area 51 as a place called Boscombe

1392

01:06:40,740 --> 01:06:38,330

down which is where a lot of

1393

01:06:42,760 --> 01:06:40,750

experimental aircraft are developed

1394

01:06:44,470 --> 01:06:42,770

unfortunately we have a much denser

1395

01:06:48,610 --> 01:06:44,480

population here in Britain we have like

1396

01:06:51,040 --> 01:06:48,620

we only have had bats quorum quarter

1397

01:06:52,360 --> 01:06:51,050

million square miles we've got 75

1398

01:06:54,580 --> 01:06:52,370

million people here so it's difficult

1399

01:06:55,840 --> 01:06:54,590

act more difficult to hide things than

1400

01:06:57,790 --> 01:06:55,850

it is in the United States where you

1401

01:06:59,560 --> 01:06:57,800

have a much you must have a much sparser

1402

01:07:02,310 --> 01:06:59,570

population and lots of areas which are

1403

01:07:07,270 --> 01:07:02,320

completely uninhabited basically oh yeah

1404

01:07:10,570 --> 01:07:07,280

so the I think it's it could it could be

1405

01:07:12,310 --> 01:07:10,580

that some some aircraft have been kept

1406

01:07:15,880 --> 01:07:12,320

at Boston downand and may be tested at

1407

01:07:18,790 --> 01:07:15,890

night our are kept there yeah as far as

1408

01:07:21,370 --> 01:07:18,800

the unidentified a sudden submarine

1409

01:07:22,900 --> 01:07:21,380

objects or submergible object goes yeah

1410

01:07:24,250 --> 01:07:22,910

I mean these are things that come in and

1411

01:07:25,540 --> 01:07:24,260

out of the sea they appear to be the

1412

01:07:26,830 --> 01:07:25,550

same thing actually because they

1413

01:07:29,770 --> 01:07:26,840

sometimes have seen flying and then

1414

01:07:30,880 --> 01:07:29,780

enter the sea these have been reported

1415

01:07:32,830 --> 01:07:30,890

for a long time even Christopher

1416

01:07:35,350 --> 01:07:32,840

Columbus or one of these objects when he

1417

01:07:38,920 --> 01:07:35,360

was on his famous voyage to discover the

1418

01:07:40,480 --> 01:07:38,930

ahead for the new world and he describes

1419

01:07:41,440 --> 01:07:40,490

of what would definitely very very

1420

01:07:43,330 --> 01:07:41,450

similar to what was seen much more

1421

01:07:46,060 --> 01:07:43,340

recently say at the shag harbour event

1422

01:07:47,440 --> 01:07:46,070

in Canada where a very strange object

1423

01:07:49,380 --> 01:07:47,450

was seen in the Canadian the Royal

1424

01:07:51,610 --> 01:07:49,390

Canadian Navy investigated that and

1425

01:07:54,340 --> 01:07:51,620

brightly-lit comes in and out of the sea

1426

01:07:57,400 --> 01:07:54,350

and Bill Cooper the famous some guy who

1427

01:07:58,750 --> 01:07:57,410

wrote a spiritual book he saw one from

1428

01:08:00,460 --> 01:07:58,760

the deck of his submarine when he was in

1429

01:08:02,470 --> 01:08:00,470

the u.s. Navy they said it didn't make a

1430

01:08:04,150 --> 01:08:02,480

splash it's almost like this is kind of

1431

01:08:06,550 --> 01:08:04,160

superfluid effect of its hull it just

1432

01:08:08,890 --> 01:08:06,560

went in and out of the sea and he was

1433

01:08:10,750 --> 01:08:08,900

told the ad was debriefed very violently

1434

01:08:12,940 --> 01:08:10,760

and aggressively by these guys in dark

1435

01:08:13,240 --> 01:08:12,950

suits saying don't tell anyone what you

1436

01:08:16,599 --> 01:08:13,250

saw

1437

01:08:16,930 --> 01:08:16,609

so were you there's some it's hard to

1438

01:08:22,329 --> 01:08:16,940

know

1439

01:08:25,599 --> 01:08:22,339

yeah I do remember being in contact with

1440

01:08:27,610 --> 01:08:25,609

someone there in the UK a couple of

1441

01:08:30,999 --> 01:08:27,620

years ago who claimed that they knew

1442

01:08:35,229 --> 01:08:31,009

about an underground base fairly is

1443

01:08:38,229 --> 01:08:35,239

similar to Dulce does that ring a bell

1444

01:08:40,329 --> 01:08:38,239

yeah there are several regulations yeah

1445

01:08:41,530 --> 01:08:40,339

there are several places that people

1446

01:08:43,390 --> 01:08:41,540

have claimed that there are underground

1447

01:08:45,269 --> 01:08:43,400

bases including one not far from me

1448

01:08:46,959 --> 01:08:45,279

actually in bar [h__h] which is some

1449

01:08:48,309 --> 01:08:46,969

supposedly underneath the village of

1450

01:08:50,620 --> 01:08:48,319

peas more I've actually been to

1451

01:08:52,499 --> 01:08:50,630

investigate that myself and I couldn't

1452

01:08:54,700 --> 01:08:52,509

find a lot of evidence however I did I

1453

01:08:56,410 --> 01:08:54,710

did see that one of the entrances of

1454

01:08:59,140 --> 01:08:56,420

this base is supposedly a place called

1455

01:09:00,640 --> 01:08:59,150

the it's it's a basically laboratory at

1456

01:09:03,010 --> 01:09:00,650

the Harwell Institute which is in

1457

01:09:04,630 --> 01:09:03,020

Oxfordshire and I saw a large mound of

1458

01:09:06,820 --> 01:09:04,640

Earth there which is not marked on any

1459

01:09:08,829 --> 01:09:06,830

maps it's over 150 feet high

1460

01:09:11,559 --> 01:09:08,839

looks like spoil from underground

1461

01:09:13,090 --> 01:09:11,569

diggings if you ask me that I can't

1462

01:09:18,550 --> 01:09:13,100

prove that I can't prove that's what it

1463

01:09:20,680 --> 01:09:18,560

is but have people seen objects coming

1464

01:09:22,410 --> 01:09:20,690

in and out of that area underground

1465

01:09:25,209 --> 01:09:22,420

oh there's so well there's a lot of

1466

01:09:28,630 --> 01:09:25,219

certain areas where you have UFO flaps

1467

01:09:30,999 --> 01:09:28,640

you know certain places such as um well

1468

01:09:32,410 --> 01:09:31,009

the North Sea coast of Suffolk and

1469

01:09:34,450 --> 01:09:32,420

Norfolk and that area which is where

1470

01:09:37,030 --> 01:09:34,460

bent Rendlesham forest is there's

1471

01:09:39,420 --> 01:09:37,040

certain hot spots where you get a lot

1472

01:09:43,450 --> 01:09:39,430

Scotland in particular is extremely

1473

01:09:44,800 --> 01:09:43,460

active in UFO terms I think for its size

1474

01:09:46,420 --> 01:09:44,810

and population more so than anywhere

1475

01:09:48,760 --> 01:09:46,430

else in the world as an area called

1476

01:09:50,590 --> 01:09:48,770

bonny bridge whereas a massive flap

1477

01:09:51,910 --> 01:09:50,600

there in the 1990s and people are seeing

1478

01:09:56,770 --> 01:09:51,920

some strange things in the sky almost

1479

01:09:58,750 --> 01:09:56,780

every day so I I don't know though I

1480

01:10:00,939 --> 01:09:58,760

mean I don't know whether these as I

1481

01:10:04,540 --> 01:10:00,949

said it's hard to say but if you bring

1482

01:10:05,350 --> 01:10:04,550

in the element of high-technology how

1483

01:10:06,700 --> 01:10:05,360

many of these things are

1484

01:10:09,070 --> 01:10:06,710

extraterrestrial how many of them are

1485

01:10:10,780 --> 01:10:09,080

asking are made made by the breakaway

1486

01:10:13,000 --> 01:10:10,790

civilization is Richard Dolan calls it

1487

01:10:15,250 --> 01:10:13,010

and as Michael said you're this it's

1488

01:10:17,050 --> 01:10:15,260

it's almost like there's a when you see

1489

01:10:18,459 --> 01:10:17,060

these things you don't know it's it's

1490

01:10:19,959 --> 01:10:18,469

hard to and there's there's a hard core

1491

01:10:21,459 --> 01:10:19,969

maybe they're extraterrestrial and I

1492

01:10:23,020 --> 01:10:21,469

accept that I think I'm no doubt that

1493

01:10:25,360 --> 01:10:23,030

some of them are extraterrestrial when

1494

01:10:27,010 --> 01:10:25,370

you see strange beings and abductions

1495

01:10:29,770 --> 01:10:27,020

and things like that associated with

1496

01:10:30,850 --> 01:10:29,780

them but it's no doubt that there is a

1497

01:10:33,820 --> 01:10:30,860

secret

1498

01:10:35,590 --> 01:10:33,830

state within the overt state which has

1499

01:10:37,180 --> 01:10:35,600

not it's not just politically different

1500

01:10:41,200 --> 01:10:37,190

it's technologically different they live

1501
01:10:45,609 --> 01:10:41,210
in a different world well now would you

1502
01:10:49,090 --> 01:10:45,619
say that the the same secret group in

1503
01:10:53,800 --> 01:10:49,100
the US here would be the same as secret

1504
01:10:57,910 --> 01:10:53,810
group that's in operation in Britain

1505
01:10:59,290 --> 01:10:57,920
what is it a totally different they said

1506
01:11:01,120 --> 01:10:59,300
we hear the word like deep state

1507
01:11:04,419 --> 01:11:01,130
nowadays quite a lot in the media but

1508
01:11:06,280 --> 01:11:04,429
it's not a new idea and it seems when

1509
01:11:08,950 --> 01:11:06,290
you when you regard policy certain

1510
01:11:10,660 --> 01:11:08,960
policies that seem to be almost deducing

1511
01:11:12,669 --> 01:11:10,670
to be international appear in different

1512
01:11:14,669 --> 01:11:12,679
states that's overt states at the same

1513
01:11:17,530 --> 01:11:14,679

time it is like there's some kind of

1514

01:11:18,850 --> 01:11:17,540

there's some kind of super government

1515

01:11:20,590 --> 01:11:18,860

and particularly when it comes to the

1516

01:11:24,220 --> 01:11:20,600

crash retrievals of issues to do with

1517

01:11:25,419 --> 01:11:24,230

the the salvaging of strange objects

1518

01:11:27,399 --> 01:11:25,429

that come down to the earth and Roswell

1519

01:11:29,470 --> 01:11:27,409

is the most famous obviously well in

1520

01:11:31,540 --> 01:11:29,480

many media you just wrote you just wrote

1521

01:11:33,399 --> 01:11:31,550

a book about the Roswell the novel three

1522

01:11:37,510 --> 01:11:33,409

books I just finished the third book

1523

01:11:39,370 --> 01:11:37,520

which is it's about love love writing

1524

01:11:41,109 --> 01:11:39,380

yeah but it's a it's a it's a

1525

01:11:43,359 --> 01:11:41,119

speculative fictional piece about what

1526

01:11:46,950 --> 01:11:43,369

would happen if they see if we had

1527

01:11:49,209 --> 01:11:46,960

essentially truth instead of lies well

1528

01:11:50,859 --> 01:11:49,219

you don't have to interrupt you guys

1529

01:11:52,390 --> 01:11:50,869

here because it's time to go to our

1530

01:11:54,580 --> 01:11:52,400

bottom of the hour break we'll continue

1531

01:11:57,220 --> 01:11:54,590

this conversation with Ben and Michael

1532

01:12:06,680 --> 01:11:57,230

and Tim and Tim on exploring the bazaars

1533

01:12:13,410 --> 01:12:10,859

now back to exploring the bazaars with

1534

01:12:16,410 --> 01:12:13,420

two of the most electrifying researchers

1535

01:12:20,939 --> 01:12:16,420

in the Paranoid your hosts Timothy

1536

01:12:23,459 --> 01:12:20,949

Rebecca Lee panting Swit welcome back to

1537

01:12:24,810 --> 01:12:23,469

the final segment of exploring the

1538

01:12:27,959 --> 01:12:24,820

bazaar in Tim this has been a

1539

01:12:31,410 --> 01:12:27,969

fascinating show I'm sorry that the were

1540

01:12:34,790 --> 01:12:31,420

rapidly running out of time here so I

1541

01:12:39,020 --> 01:12:34,800

guess we need to ask Ben about I guess

1542

01:12:42,540 --> 01:12:39,030

you have been doing some research into

1543

01:12:44,879 --> 01:12:42,550

cryptid creatures there in the UK

1544

01:12:47,069 --> 01:12:44,889

well I can't claim credit for the actual

1545

01:12:50,279 --> 01:12:47,079

research myself yeah but I have been I

1546

01:12:51,479 --> 01:12:50,289

have been interviewing and I've been

1547

01:12:53,040 --> 01:12:51,489

interviewing several people and I've

1548

01:12:54,779 --> 01:12:53,050

been talking to many people I'm very

1549

01:12:56,910 --> 01:12:54,789

interested in this subject but there's

1550

01:12:59,669 --> 01:12:56,920

several individuals such as Deborah hats

1551

01:13:02,189 --> 01:12:59,679

well and Chris Turner who have been

1552

01:13:04,319 --> 01:13:02,199

researching and indeed Chris is making a

1553

01:13:08,000 --> 01:13:04,329

film a documentary film all about this

1554

01:13:09,719 --> 01:13:08,010

called elusive which is about various

1555

01:13:12,419 --> 01:13:09,729

cryptozoology of the United Kingdom

1556

01:13:14,219 --> 01:13:12,429

which is quite substantial considering

1557

01:13:16,259 --> 01:13:14,229

that we don't have the big open spaces

1558

01:13:18,479 --> 01:13:16,269

quite on the scale of the United States

1559

01:13:21,239 --> 01:13:18,489

that we were talking about in the in the

1560

01:13:22,859 --> 01:13:21,249

last segment Chris has been on search of

1561

01:13:25,109 --> 01:13:22,869

what can only be described as

1562

01:13:26,759 --> 01:13:25,119

bigfoot-like creatures and of course the

1563

01:13:30,029 --> 01:13:26,769

Loch Ness monster the most famous

1564

01:13:31,229 --> 01:13:30,039

cryptid in the world he's very very

1565

01:13:33,299 --> 01:13:31,239

interesting this sort of thing and I am

1566

01:13:35,040 --> 01:13:33,309

too I mean I think there's a there is a

1567

01:13:37,049 --> 01:13:35,050

you know a little densely populated

1568

01:13:39,120 --> 01:13:37,059

island there are still things hiding out

1569

01:13:41,370 --> 01:13:39,130

away from public sight so I'm very

1570

01:13:44,189 --> 01:13:41,380

interested in that well I know the UK is

1571

01:13:47,370 --> 01:13:44,199

also famous for its it's big cats it's

1572

01:13:49,919 --> 01:13:47,380

mystery big cats that had been sighted

1573

01:13:51,239 --> 01:13:49,929

really gosh all over the place yes I

1574

01:13:52,410 --> 01:13:51,249

mean they were actually I mean there's

1575

01:13:54,779 --> 01:13:52,420

actually no doubt that these creatures

1576

01:13:57,810 --> 01:13:54,789

exist I would they have been positively

1577

01:13:59,129 --> 01:13:57,820

identified in terms of footprints fur

1578

01:14:00,870 --> 01:13:59,139

has been found that has been tested for

1579

01:14:02,580 --> 01:14:00,880

DNA and several sometimes there are

1580

01:14:04,680 --> 01:14:02,590

attacks on farm animals sheep in

1581

01:14:06,540 --> 01:14:04,690

particular seem to be targeted by these

1582

01:14:08,520 --> 01:14:06,550

creatures we should expect if a large

1583

01:14:10,770 --> 01:14:08,530

predator a feline predator was living in

1584

01:14:12,959 --> 01:14:10,780

Brittany to expect that and the the way

1585

01:14:13,830 --> 01:14:12,969

that the sheep attacks and the injuries

1586

01:14:15,570 --> 01:14:13,840

they suffer

1587

01:14:18,330 --> 01:14:15,580

the bodies indicates that there is a

1588

01:14:20,640 --> 01:14:18,340

large feline creature them several

1589

01:14:21,180 --> 01:14:20,650

actually living in in Britain and where

1590

01:14:23,609 --> 01:14:21,190

they come from

1591

01:14:25,500 --> 01:14:23,619

it's possible they us they are leopards

1592

01:14:27,899 --> 01:14:25,510

Pumas and other type creatures that have

1593

01:14:29,160 --> 01:14:27,909

escaped from zoos or from maybe they

1594

01:14:30,540 --> 01:14:29,170

were some brought them over and thought

1595

01:14:31,770 --> 01:14:30,550

they were pets but of course you can't

1596

01:14:33,720 --> 01:14:31,780

you can't make pets out of these

1597

01:14:35,669 --> 01:14:33,730

creatures and let's just let them free

1598

01:14:37,500 --> 01:14:35,679

and they seem to be thriving even in our

1599

01:14:39,240 --> 01:14:37,510

cold climates and when these creatures

1600

01:14:41,820 --> 01:14:39,250

often live in hotter weather so they

1601

01:14:45,300 --> 01:14:41,830

seem to have adapted well I know at some

1602

01:14:46,740 --> 01:14:45,310

some time in the past and was like that

1603

01:14:49,560 --> 01:14:46,750

it was 1950s

1604

01:14:51,450 --> 01:14:49,570

or something like that where they passed

1605

01:14:54,990 --> 01:14:51,460

a law saying that you know people could

1606

01:14:57,089 --> 01:14:55,000

no longer keep exotic pets like that and

1607

01:14:59,220 --> 01:14:57,099

there was rumors that a lot of these

1608

01:15:01,560 --> 01:14:59,230

people just took these cats and just you

1609

01:15:03,089 --> 01:15:01,570

know released a mountain wild yeah I

1610

01:15:05,490 --> 01:15:03,099

mean there was some I think they were

1611

01:15:07,080 --> 01:15:05,500

hurt they risked a heavy final and even

1612

01:15:09,689 --> 01:15:07,090

imprisonment if they were caught so they

1613

01:15:11,850 --> 01:15:09,699

thought let's just let the animals go

1614

01:15:13,740 --> 01:15:11,860

and I can just pretend I never had them

1615

01:15:14,580 --> 01:15:13,750

so that could have been it could have

1616

01:15:16,320 --> 01:15:14,590

been that particular piece of

1617

01:15:18,330 --> 01:15:16,330

legislation that led to this phenomenon

1618

01:15:21,240 --> 01:15:18,340

so far there's not been an attack on a

1619

01:15:24,180 --> 01:15:21,250

human that I'm aware of that's not been

1620

01:15:27,600 --> 01:15:24,190

reported well I have read a couple of

1621

01:15:30,359 --> 01:15:27,610

cases of people being scratched you know

1622

01:15:32,580 --> 01:15:30,369

I have joggers and people like that you

1623

01:15:35,550 --> 01:15:32,590

know yeah say like you know a cat would

1624

01:15:37,879 --> 01:15:35,560

jump on and scratch them up a bit but

1625

01:15:40,470 --> 01:15:37,889

you know unlike the United States

1626

01:15:44,520 --> 01:15:40,480

especially out in California where

1627

01:15:46,530 --> 01:15:44,530

there's been a number of deaths from the

1628

01:15:48,030 --> 01:15:46,540

the mountain lions there but but yeah

1629

01:15:51,870 --> 01:15:48,040

you're right as far as you know you know

1630

01:15:52,649 --> 01:15:51,880

there hasn't been any human that way no

1631

01:15:54,629 --> 01:15:52,659

of deaths

1632

01:15:59,209 --> 01:15:54,639

well you know I'm also fascinated by the

1633

01:16:03,030 --> 01:15:59,219

the reports of a bigfoot-like creatures

1634

01:16:07,850 --> 01:16:03,040

there in the UK because you know of all

1635

01:16:14,100 --> 01:16:12,750

those types of sightings there's like

1636

01:16:16,379 --> 01:16:14,110

you said earlier I mean you've got a

1637

01:16:19,229 --> 01:16:16,389

small island big population or people

1638

01:16:21,660 --> 01:16:19,239

yet there are numerous reports of

1639

01:16:24,080 --> 01:16:21,670

bigfoot-type creatures yeah absolutely

1640

01:16:26,070 --> 01:16:24,090

and this is incredible and I've I

1641

01:16:27,639 --> 01:16:26,080

started getting into this when I met a

1642

01:16:29,709 --> 01:16:27,649

lady called Charmaine Fraser

1643

01:16:31,750 --> 01:16:29,719

had seen one when she was in anger

1644

01:16:33,969 --> 01:16:31,760

Scotland and she pins when she was a

1645

01:16:35,649 --> 01:16:33,979

young girl Scotland is actually there's

1646

01:16:37,839 --> 01:16:35,659

more open space in Scotland than her as

1647

01:16:41,439 --> 01:16:37,849

in England but these things have been

1648

01:16:42,609 --> 01:16:41,449

seen in England as well now it's it's

1649

01:16:44,350 --> 01:16:42,619

incredible when you think about it I

1650

01:16:48,159 --> 01:16:44,360

know there's a lot of cryptozoologists

1651

01:16:49,600 --> 01:16:48,169

who deny this and indeed there's a lot

1652

01:16:51,219 --> 01:16:49,610

of controversy within the research

1653

01:16:53,469 --> 01:16:51,229

community over this because there's

1654

01:16:54,850 --> 01:16:53,479

several people who say down there these

1655

01:16:56,049 --> 01:16:54,860

are not cryptids these are actually

1656

01:16:58,270 --> 01:16:56,059

these are actually some form of

1657

01:17:01,500 --> 01:16:58,280

paranormal phenomenon and like a ghost

1658

01:17:04,540 --> 01:17:01,510

it's something more associated with that

1659

01:17:06,819 --> 01:17:04,550

but having looked at this I think there

1660

01:17:08,529 --> 01:17:06,829

is based on research done by Deborah

1661

01:17:10,839 --> 01:17:08,539

hats while in particular um I think

1662

01:17:12,609 --> 01:17:10,849

there there is likely to be some kind of

1663

01:17:14,500 --> 01:17:12,619

large creature that's obviously

1664

01:17:17,589 --> 01:17:14,510

something that is elusive and is keeping

1665

01:17:19,659 --> 01:17:17,599

out of people's way within Britain I

1666

01:17:21,040 --> 01:17:19,669

mean it's incredible when you think

1667

01:17:23,259 --> 01:17:21,050

about it but there's so many sightings

1668

01:17:26,169 --> 01:17:23,269

and so many other signs that these

1669

01:17:28,479 --> 01:17:26,179

things exist that some it seems that

1670

01:17:30,699 --> 01:17:28,489

they are living basically wooded areas

1671

01:17:32,350 --> 01:17:30,709

and they're keeping away from towns they

1672

01:17:34,659 --> 01:17:32,360

are clearly an intelligent creature

1673

01:17:36,279 --> 01:17:34,669

there are primates so they're some type

1674

01:17:38,409 --> 01:17:36,289

of eight and because we know that

1675

01:17:40,359 --> 01:17:38,419

primates are highly intelligent we

1676

01:17:45,040 --> 01:17:40,369

ourselves as humans are a form of our

1677

01:17:46,719 --> 01:17:45,050

part of that family of primates now they

1678

01:17:48,250 --> 01:17:46,729

walk along railway lines apparently

1679

01:17:50,049 --> 01:17:48,260

because what's happened there Britain is

1680

01:17:51,549 --> 01:17:50,059

that we've got the green belt laws which

1681

01:17:53,199 --> 01:17:51,559

means there's a lot more woodland in

1682

01:17:56,169 --> 01:17:53,209

this country now than there was say 50

1683

01:17:57,729 --> 01:17:56,179

years ago mm-hmm and this it seems that

1684

01:17:59,290 --> 01:17:57,739

the population of these creatures is

1685

01:18:04,600 --> 01:17:59,300

responding in kind and is there now a

1686

01:18:06,009 --> 01:18:04,610

lot more sightings of these so I love to

1687

01:18:07,600 --> 01:18:06,019

see one I know whenever I walk through

1688

01:18:08,949 --> 01:18:07,610

the woods in my eye a wolf in a

1689

01:18:10,239 --> 01:18:08,959

different I think very differently by

1690

01:18:10,899 --> 01:18:10,249

the British countryside now than I used

1691

01:18:12,100 --> 01:18:10,909

to

1692

01:18:13,929 --> 01:18:12,110

I always thought a Bigfoot is something

1693

01:18:15,369 --> 01:18:13,939

associated with North America and I know

1694

01:18:18,279 --> 01:18:15,379

that people have seen them in the woods

1695

01:18:19,839 --> 01:18:18,289

in jump your way you know but some in

1696

01:18:21,339 --> 01:18:19,849

Britain that's incredible I do look

1697

01:18:24,310 --> 01:18:21,349

around myself when I'm walking along a

1698

01:18:29,639 --> 01:18:24,320

pathway heck Davey they've even been

1699

01:18:33,899 --> 01:18:29,649

seen that driving UFOs we we have yeah

1700

01:18:36,939 --> 01:18:33,909

you laugh but we had a report that was

1701

01:18:40,209 --> 01:18:36,949

given to me in earnest many years ago

1702

01:18:41,500 --> 01:18:40,219

and this is on the internet a fellow was

1703

01:18:44,740 --> 01:18:41,510

there driving along

1704

01:18:47,080 --> 01:18:44,750

in the evening it was a kind of overcast

1705

01:18:50,110 --> 01:18:47,090

labove foggy on the road and he saw this

1706

01:18:54,000 --> 01:18:50,120

a globe shaped object that was

1707

01:18:58,060 --> 01:18:54,010

transparent and inside at the control

1708

01:19:01,750 --> 01:18:58,070

panel was some big hairy beast it was

1709

01:19:04,390 --> 01:19:01,760

like Bosworth was his name mr. Boz wick

1710

01:19:05,920 --> 01:19:04,400

there was an incident in 1965 a place

1711

01:19:10,030 --> 01:19:05,930

called Presque Isle on the shores of the

1712

01:19:12,640 --> 01:19:10,040

Great Lakes in Pennsylvania where two

1713

01:19:14,140 --> 01:19:12,650

things happened a UFO landed this is

1714

01:19:16,000 --> 01:19:14,150

unlike the the beach at the lake and

1715

01:19:17,890 --> 01:19:16,010

some people in a car was sort of sitting

1716

01:19:19,750 --> 01:19:17,900

there late at night and at the very same

1717

01:19:21,580 --> 01:19:19,760

time a bigfoot-like creature came out of

1718

01:19:22,990 --> 01:19:21,590

the woods and attacked the car and it

1719

01:19:25,990 --> 01:19:23,000

scratched the car and the scratches are

1720

01:19:28,420 --> 01:19:26,000

actually on the car so that's evidence

1721

01:19:30,190 --> 01:19:28,430

now these two things might be

1722

01:19:32,110 --> 01:19:30,200

coincidental but I mean it seems odd

1723

01:19:34,060 --> 01:19:32,120

that but the UFO landing and the

1724

01:19:36,130 --> 01:19:34,070

appearance of the Bigfoot would happen

1725

01:19:36,910 --> 01:19:36,140

together so it could be the some Bigfoot

1726

01:19:39,250 --> 01:19:36,920

sightings

1727

01:19:41,020 --> 01:19:39,260

obviously lies with the flying triangles

1728

01:19:42,550 --> 01:19:41,030

we may be the we may be talking about

1729

01:19:44,680 --> 01:19:42,560

several different phenomena we've

1730

01:19:46,450 --> 01:19:44,690

characterized gathering correctly but

1731

01:19:48,940 --> 01:19:46,460

some of the Bigfoot sightings might

1732

01:19:50,020 --> 01:19:48,950

actually not be of this world I know

1733

01:19:52,660 --> 01:19:50,030

that the Indians talked about the

1734

01:19:54,910 --> 01:19:52,670

Sasquatch which they is described as

1735

01:19:59,920 --> 01:19:54,920

like a subtle being almost like

1736

01:20:00,220 --> 01:19:59,930

something we've had we've had on let's

1737

01:20:04,210 --> 01:20:00,230

see

1738

01:20:06,910 --> 01:20:04,220

Paulino is is one of our regular guests

1739

01:20:09,490 --> 01:20:06,920

and he's been camping out in the woods

1740

01:20:15,040 --> 01:20:09,500

there in in Pennsylvania and and they've

1741

01:20:18,130 --> 01:20:15,050

had low-level UFO sightings at the same

1742

01:20:22,150 --> 01:20:18,140

time that Big Foot has been leaving your

1743

01:20:24,670 --> 01:20:22,160

footprints in the in the earth not too

1744

01:20:28,210 --> 01:20:24,680

far away now I remember a case and I've

1745

01:20:31,180 --> 01:20:28,220

mentioned this before on the era Athens

1746

01:20:32,950 --> 01:20:31,190

Ohio which is right across the bridge

1747

01:20:36,250 --> 01:20:32,960

actually from Point Pleasant West

1748

01:20:39,910 --> 01:20:36,260

Virginia home of the famous or infamous

1749

01:20:43,270 --> 01:20:39,920

Mothman and I went out there at one time

1750

01:20:44,980 --> 01:20:43,280

many many years ago to investigate a

1751

01:20:49,870 --> 01:20:44,990

case where something had landed in the

1752

01:20:52,270 --> 01:20:49,880

cornfield behind a gentleman's home his

1753

01:20:55,090 --> 01:20:52,280

teenager had seen this thing with you

1754

01:20:58,870 --> 01:20:55,100

know land and it had left in

1755

01:21:01,240 --> 01:20:58,880

the the corn and so forth and I figure

1756

01:21:02,890 --> 01:21:01,250

well I got some time on my hands let me

1757

01:21:05,470 --> 01:21:02,900

go out and scour the neighborhood and

1758

01:21:07,300 --> 01:21:05,480

see if other people had seen UFOs on

1759

01:21:09,250 --> 01:21:07,310

this night in particular well there

1760

01:21:10,440 --> 01:21:09,260

there had been other UFO sightings

1761

01:21:13,750 --> 01:21:10,450

although I don't know as if they

1762

01:21:16,030 --> 01:21:13,760

necessarily tied in with this supposedly

1763

01:21:18,400 --> 01:21:16,040

landing in the cornfield but one woman

1764

01:21:21,040 --> 01:21:18,410

said oh yeah UFO I remember seeing one

1765

01:21:22,630 --> 01:21:21,050

you know and not to do for it this is

1766

01:21:26,170 --> 01:21:22,640

but you know you want to come around

1767

01:21:28,600 --> 01:21:26,180

here sometime at at night big foot two

1768

01:21:31,120 --> 01:21:28,610

stomps around behind my air conditioner

1769

01:21:33,790 --> 01:21:31,130

I said yeah big foot stomps around

1770

01:21:35,980 --> 01:21:33,800

behind your air conditioner says yeah he

1771

01:21:37,810 --> 01:21:35,990

seems I don't know goes back there - you

1772

01:21:39,580 --> 01:21:37,820

know either wash off for the

1773

01:21:42,670 --> 01:21:39,590

condensation of the water or to grab

1774

01:21:45,130 --> 01:21:42,680

himself a quick you know rusty drink or

1775

01:21:46,990 --> 01:21:45,140

something like that I don't know of

1776

01:21:51,060 --> 01:21:47,000

course it's a it's Ohio you never know

1777

01:21:53,380 --> 01:21:51,070

what's in the water system there so I

1778

01:21:55,770 --> 01:21:53,390

don't know I mean you do have a lot of

1779

01:22:00,670 --> 01:21:55,780

these reports that do seem to be

1780

01:22:01,690 --> 01:22:00,680

simultaneously in the same area that's

1781

01:22:04,480 --> 01:22:01,700

very interesting because you have like

1782

01:22:06,040 --> 01:22:04,490

the the corn the other thing in the corn

1783

01:22:10,150 --> 01:22:06,050

sounds like round like the crop circle

1784

01:22:12,220 --> 01:22:10,160

which because this would have been what

1785

01:22:14,320 --> 01:22:12,230

you know before there were crop circles

1786

01:22:17,920 --> 01:22:14,330

there were an indentions in the ground

1787

01:22:20,460 --> 01:22:17,930

in there I remember in Australia there

1788

01:22:24,000 --> 01:22:20,470

were they what they called saucer nests

1789

01:22:26,260 --> 01:22:24,010

now these things weren't you know like

1790

01:22:28,120 --> 01:22:26,270

well what do you what do you make of the

1791

01:22:31,930 --> 01:22:28,130

crop circles I mean it to me they seemed

1792

01:22:33,910 --> 01:22:31,940

a little bit homemade of course in some

1793

01:22:35,350 --> 01:22:33,920

cases Oh some of them are there's no

1794

01:22:37,540 --> 01:22:35,360

doubt that there is a they're a man-made

1795

01:22:39,340 --> 01:22:37,550

it's a it's a phenomenon this is kind of

1796

01:22:42,760 --> 01:22:39,350

landscape art I know several people who

1797

01:22:45,310 --> 01:22:42,770

do it only yes but so there is a genuine

1798

01:22:47,110 --> 01:22:45,320

phenomenon alongside it I mean the the

1799

01:22:49,360 --> 01:22:47,120

crop circles appear to be just one

1800

01:22:51,340 --> 01:22:49,370

phenomenon of one manifestation of many

1801

01:22:53,110 --> 01:22:51,350

types of things in terms of strange

1802

01:22:55,360 --> 01:22:53,120

objects appearing in the landscape which

1803

01:22:57,280 --> 01:22:55,370

are not made by human hands and I mean

1804

01:22:59,230 --> 01:22:57,290

you mentioned the the nests in Australia

1805

01:23:00,220 --> 01:22:59,240

I mean these have been the Aborigines

1806

01:23:02,260 --> 01:23:00,230

have been talking about this since

1807

01:23:04,360 --> 01:23:02,270

ancient times they said that these nests

1808

01:23:05,950 --> 01:23:04,370

appeared and that's the one genus which

1809

01:23:08,620 --> 01:23:05,960

is there with their word for the Creator

1810

01:23:11,530 --> 01:23:08,630

in their creation mythology is creature

1811

01:23:14,620 --> 01:23:11,540

like aliens almost and well well no I

1812

01:23:17,110 --> 01:23:14,630

just I just got something here from one

1813

01:23:21,540 --> 01:23:17,120

of our previous guests Donnie Brooke

1814

01:23:24,190 --> 01:23:21,550

who's the retired wrestler and he's

1815

01:23:25,890 --> 01:23:24,200

investigated the UFOs down there in the

1816

01:23:28,120 --> 01:23:25,900

Carolinas but he sent me some

1817

01:23:31,780 --> 01:23:28,130

photographs it's a pretty impressive of

1818

01:23:34,440 --> 01:23:31,790

a v-shaped aircraft over Wisconsin this

1819

01:23:37,110 --> 01:23:34,450

must be in the last couple of days or so

1820

01:23:40,570 --> 01:23:37,120

we you know we do get we do get the

1821

01:23:44,050 --> 01:23:40,580

information as it comes in I don't think

1822

01:23:46,210 --> 01:23:44,060

there's any any hairy creature seen in

1823

01:23:48,300 --> 01:23:46,220

connection but you never Hey look they

1824

01:23:51,880 --> 01:23:48,310

cut look at that there there's your darn

1825

01:23:56,080 --> 01:23:51,890

triangle-shaped object which two lights

1826

01:23:58,450 --> 01:23:56,090

on each and of the kind of boomerang and

1827

01:24:00,490 --> 01:23:58,460

then a solid object right up there in

1828

01:24:03,180 --> 01:24:00,500

front and the in the middle of the other

1829

01:24:05,800 --> 01:24:03,190

breaking news there and and you know

1830

01:24:07,990 --> 01:24:05,810

yeah you know it's very interesting Tim

1831

01:24:09,880 --> 01:24:08,000

you're talking about the the fact this

1832

01:24:12,370 --> 01:24:09,890

was near Point Pleasant and I find that

1833

01:24:14,260 --> 01:24:12,380

interesting but yet of course I've read

1834

01:24:15,610 --> 01:24:14,270

the John kills the Mothman Prophecies

1835

01:24:17,470 --> 01:24:15,620

and what's incredible about that

1836

01:24:19,090 --> 01:24:17,480

phenomena is you get almost everything

1837

01:24:21,520 --> 01:24:19,100

you can imagine if you're interested in

1838

01:24:23,470 --> 01:24:21,530

this kind of weird stuff in the same

1839

01:24:26,500 --> 01:24:23,480

place at the same time it's like it's

1840

01:24:27,970 --> 01:24:26,510

it's like a cornucopia you have UFOs you

1841

01:24:31,810 --> 01:24:27,980

get men in black you have strange

1842

01:24:33,160 --> 01:24:31,820

creatures you get time slips and spatial

1843

01:24:35,260 --> 01:24:33,170

anomalies and all kinds of things and

1844

01:24:37,690 --> 01:24:35,270

now we have I think was the collapse of

1845

01:24:41,650 --> 01:24:37,700

the bread of course the collapse of the

1846

01:24:43,510 --> 01:24:41,660

the bridge and Christmas week that might

1847

01:24:46,390 --> 01:24:43,520

that might have been there predicted by

1848

01:24:49,450 --> 01:24:46,400

Indrid cold or some other entity or yes

1849

01:24:50,950 --> 01:24:49,460

voice in the night yes that's great

1850

01:24:52,720 --> 01:24:50,960

coincidence isn't it and now we have

1851

01:24:54,010 --> 01:24:52,730

Bigfoots talk hanging around air

1852

01:24:58,030 --> 01:24:54,020

conditioners I mean it's you couldn't

1853

01:25:03,850 --> 01:24:58,040

make it up well some people might be

1854

01:25:05,740 --> 01:25:03,860

able to there are people who make up

1855

01:25:07,630 --> 01:25:05,750

tall stories but I mean it can I mean

1856

01:25:09,340 --> 01:25:07,640

the skeptics will say that explains the

1857

01:25:12,370 --> 01:25:09,350

entire phenomena it's just a big fantasy

1858

01:25:14,500 --> 01:25:12,380

well I completely disagree and I think

1859

01:25:16,770 --> 01:25:14,510

anyone who's listened to this show will

1860

01:25:20,770 --> 01:25:16,780

have to agree with us at home

1861

01:25:21,820 --> 01:25:20,780

hey Tim I want to ask Michael real quick

1862

01:25:25,210 --> 01:25:21,830

before we run out of

1863

01:25:30,370 --> 01:25:25,220

time I understand that that you have

1864

01:25:35,340 --> 01:25:30,380

produced some models based on some of

1865

01:25:39,250 --> 01:25:35,350

these triangle UFO cases that is correct

1866

01:25:41,170 --> 01:25:39,260

and what are these models I mean you

1867

01:25:43,180 --> 01:25:41,180

talk about like a plastic models or are

1868

01:25:45,100 --> 01:25:43,190

they paper what's the deal there are

1869

01:25:46,900 --> 01:25:45,110

cardstock models that I've made

1870

01:25:49,750 --> 01:25:46,910

available to the public so you can build

1871

01:25:52,300 --> 01:25:49,760

your own quick example that the case we

1872

01:25:54,820 --> 01:25:52,310

just talked about 1990 from Bardsley

1873

01:25:57,490 --> 01:25:54,830

england and made one of that also made

1874

01:26:03,820 --> 01:25:57,500

one of the northrop xst i made one of

1875

01:26:05,590 --> 01:26:03,830

the just reported researcher on the case

1876
01:26:07,390 --> 01:26:05,600
we just talked about with the reference

1877
01:26:11,290 --> 01:26:07,400
librarian made a model of that one and

1878
01:26:13,780 --> 01:26:11,300
many other different triangles that i've

1879
01:26:18,640 --> 01:26:13,790
been able to make a model of so so now

1880
01:26:20,620 --> 01:26:18,650
where can people go to find these two to

1881
01:26:22,480 --> 01:26:20,630
build their own oh you can go on my

1882
01:26:23,980 --> 01:26:22,490
facebook page and just request it from

1883
01:26:27,040 --> 01:26:23,990
there and i'll send you a copy of the

1884
01:26:30,430 --> 01:26:27,050
blueprints well fantastic

1885
01:26:34,380 --> 01:26:30,440
all right so what about you know I have

1886
01:26:37,810 --> 01:26:34,390
to have there been any recent cases that

1887
01:26:40,990 --> 01:26:37,820
that you've looked at that you know have

1888
01:26:43,300 --> 01:26:41,000

really stood out to you I can't say

1889

01:26:47,410 --> 01:26:43,310

there's been any recent cases more of

1890

01:26:49,570 --> 01:26:47,420

the historical cases between say 80 to

1891

01:26:51,850 --> 01:26:49,580

89 Reagan administration type area

1892

01:26:53,410 --> 01:26:51,860

couple in the 90s but basically just the

1893

01:26:56,410 --> 01:26:53,420

Reagan administration's where I focused

1894

01:26:58,930 --> 01:26:56,420

most of my attention right but Tybee you

1895

01:27:03,250 --> 01:26:58,940

know it there there there has to have

1896

01:27:09,400 --> 01:27:03,260

been new developments since that time oh

1897

01:27:12,340 --> 01:27:09,410

sure yeah well okay now Ben was talking

1898

01:27:14,980 --> 01:27:12,350

about you know the the the the secret

1899

01:27:17,680 --> 01:27:14,990

space program or everything like like

1900

01:27:20,650 --> 01:27:17,690

that so and you know President Trump has

1901

01:27:23,110 --> 01:27:20,660

talked about you know creating the the

1902

01:27:26,860 --> 01:27:23,120

the space for so I mean do you think

1903

01:27:28,270 --> 01:27:26,870

that this has already happened that you

1904

01:27:32,590 --> 01:27:28,280

know that we already have

1905

01:27:34,720 --> 01:27:32,600

you know our own secret space force yeah

1906

01:27:35,339 --> 01:27:34,730

I think it's already done deal just look

1907

01:27:38,549 --> 01:27:35,349

at the

1908

01:27:41,699 --> 01:27:38,559

cases from January 5th 2000 southern

1909

01:27:44,310 --> 01:27:41,709

Illinois going back to Belgium triangle

1910

01:27:46,049 --> 01:27:44,320

Hudson Valley boomerang the cash Landrum

1911

01:27:46,799 --> 01:27:46,059

incident you know we talked about that

1912

01:27:49,949 --> 01:27:46,809

as well

1913

01:27:53,159 --> 01:27:49,959

there were 23 chinook double rotor

1914

01:27:55,379 --> 01:27:53,169

helicopters following that including at

1915

01:27:57,270 --> 01:27:55,389

least one gunship and a Sikorsky sky

1916

01:27:59,879 --> 01:27:57,280

crane so there was military involvement

1917

01:28:02,819 --> 01:27:59,889

there that's not the only time these

1918

01:28:04,500 --> 01:28:02,829

helicopters have been seen assuring or

1919

01:28:06,299 --> 01:28:04,510

following these different crafts so

1920

01:28:08,339 --> 01:28:06,309

there's absolutely military involvement

1921

01:28:11,429 --> 01:28:08,349

they've made the breakthrough mm-hmm

1922

01:28:15,779 --> 01:28:11,439

well there was a case and I've our

1923

01:28:18,389 --> 01:28:15,789

producer said that there was one in Las

1924

01:28:21,959 --> 01:28:18,399

Vegas I guess where something was seen

1925

01:28:25,020 --> 01:28:21,969

to come down and was carted away by I

1926

01:28:27,540 --> 01:28:25,030

think was a Chinook helicopter familiar

1927

01:28:29,069 --> 01:28:27,550

with that one I'm not sure if I'm aware

1928

01:28:33,779 --> 01:28:29,079

with that one but there's a historical

1929

01:28:36,409 --> 01:28:33,789

legacy of these military helicopters

1930

01:28:42,299 --> 01:28:36,419

following or assuring these different

1931

01:28:50,009 --> 01:28:42,309

there's a history there that's a meeting

1932

01:28:52,199 --> 01:28:50,019

so Ben now talking about then the you

1933

01:28:57,629 --> 01:28:52,209

know the the secret space program is as

1934

01:29:00,179 --> 01:28:57,639

you had referenced before gosh what was

1935

01:29:02,399 --> 01:29:00,189

them graham bird so are you familiar

1936

01:29:06,750 --> 01:29:02,409

with him you know he was the late

1937

01:29:10,259 --> 01:29:06,760

publisher of UFO magazine now Graham I

1938

01:29:13,649 --> 01:29:10,269

mean he was a big believer that Great

1939

01:29:17,069 --> 01:29:13,659

Britain was involved in some kind of

1940

01:29:21,469 --> 01:29:17,079

secret space program and that there

1941

01:29:24,569 --> 01:29:21,479

there could possibly have been launches

1942

01:29:27,899 --> 01:29:24,579

somewhere you know in the UK I mean you

1943

01:29:29,759 --> 01:29:27,909

know he he was working on that before he

1944

01:29:32,279 --> 01:29:29,769

passed away but I don't know if he had

1945

01:29:34,560 --> 01:29:32,289

ever you know pinpointed any possible

1946

01:29:36,089 --> 01:29:34,570

you know locations I mean do you think

1947

01:29:38,069 --> 01:29:36,099

that that's possible I mean do you

1948

01:29:40,739 --> 01:29:38,079

usually you know have you seen any

1949

01:29:43,139 --> 01:29:40,749

evidence of this um I don't know there's

1950

01:29:45,449 --> 01:29:43,149

obviously sightings of craft which could

1951

01:29:46,949 --> 01:29:45,459

be counted as evidence yes I do I think

1952

01:29:49,000 --> 01:29:46,959

I take it very seriously indeed

1953

01:29:50,529 --> 01:29:49,010

now you might search claim

1954

01:29:52,560 --> 01:29:50,539

I mean many people have claimed that

1955

01:29:55,479 --> 01:29:52,570

it's not possible actually to launch

1956

01:29:57,160 --> 01:29:55,489

spacecraft from Britain because well

1957

01:29:58,810 --> 01:29:57,170

it'd be too obtrusive you'd need it

1958

01:30:00,669 --> 01:29:58,820

would make a lot of noise and of course

1959

01:30:02,620 --> 01:30:00,679

you'd have like rockets going up and

1960

01:30:04,779 --> 01:30:02,630

then of course the answer to that is

1961

01:30:07,509 --> 01:30:04,789

we're not talking about rockets here the

1962

01:30:10,149 --> 01:30:07,519

right it is like it's like the sailing

1963

01:30:12,759 --> 01:30:10,159

ship it's like the log of log canoe it

1964

01:30:14,439 --> 01:30:12,769

is ancient history in terms of the real

1965

01:30:16,359 --> 01:30:14,449

technology we're talking about here the

1966

01:30:18,549 --> 01:30:16,369

only reason we still launch rockets up

1967

01:30:20,859 --> 01:30:18,559

in space with all the the noise and the

1968

01:30:22,689 --> 01:30:20,869

the danger associated with them is

1969

01:30:25,479 --> 01:30:22,699

because of what Michael was saying

1970

01:30:27,819 --> 01:30:25,489

before that the Lockheed you know they

1971

01:30:29,259 --> 01:30:27,829

wander they basically another force and

1972

01:30:31,060 --> 01:30:29,269

basically the whole network associated

1973

01:30:32,379 --> 01:30:31,070

with that is keeping you from us if

1974

01:30:34,479 --> 01:30:32,389

they're keeping it quiet I mean they may

1975

01:30:36,850 --> 01:30:34,489

have motives beyond simply the financial

1976

01:30:38,740 --> 01:30:36,860

but whatever their motives are they're

1977

01:30:40,240 --> 01:30:38,750

not allowing us to use this technology I

1978

01:30:42,490 --> 01:30:40,250

mean when I was writing my book I had

1979

01:30:44,319 --> 01:30:42,500

about three books I've just written the

1980

01:30:45,669 --> 01:30:44,329

Roswell trilogy I have to think about

1981

01:30:47,140 --> 01:30:45,679

this I think well what would happen if

1982

01:30:48,759 --> 01:30:47,150

we did find out if we were given this

1983

01:30:52,120 --> 01:30:48,769

information how would that affect the

1984

01:30:53,680 --> 01:30:52,130

society we live in so I take what Graham

1985

01:30:55,720 --> 01:30:53,690

said very seriously and where these

1986

01:30:57,430 --> 01:30:55,730

crafts taken off from this their

1987

01:30:59,799 --> 01:30:57,440

sightings around certain areas like I

1988

01:31:01,330 --> 01:30:59,809

said for example in the north of England

1989

01:31:03,850 --> 01:31:01,340

in these in certain leanness in the

1990

01:31:05,049 --> 01:31:03,860

South Yorkshire area there's area of

1991

01:31:06,430 --> 01:31:05,059

it's West Yorkshire sorry

1992

01:31:08,709 --> 01:31:06,440

I think there's reason to believe there

1993

01:31:10,569 --> 01:31:08,719

may be some kind of covert launch

1994

01:31:11,890 --> 01:31:10,579

facility there based on the number of

1995

01:31:13,450 --> 01:31:11,900

strange craft that come in and out

1996

01:31:15,279 --> 01:31:13,460

especially the one similar to what

1997

01:31:17,799 --> 01:31:15,289

Michael was talking about Barnsley he

1998

01:31:19,629 --> 01:31:17,809

mentioned the Barnsley well Barnsley is

1999

01:31:22,029 --> 01:31:19,639

in that area it's known in South

2000

01:31:23,620 --> 01:31:22,039

Yorkshire but it is in that area and he

2001
01:31:24,970 --> 01:31:23,630
talks about a craft which does look to

2002
01:31:26,529 --> 01:31:24,980
be as if it's some kind of secret

2003
01:31:27,819 --> 01:31:26,539
government technology rather than

2004
01:31:31,029 --> 01:31:27,829
something extraterrestrial

2005
01:31:32,229 --> 01:31:31,039
so this word where it is exactly I don't

2006
01:31:33,669 --> 01:31:32,239
know it may be underneath one of the

2007
01:31:34,890 --> 01:31:33,679
reservoirs if we're talking about us

2008
01:31:37,509 --> 01:31:34,900
owes because there's these huge

2009
01:31:39,430 --> 01:31:37,519
reservoirs way up in the Pennine

2010
01:31:41,410 --> 01:31:39,440
mountains no one really goes there

2011
01:31:42,700 --> 01:31:41,420
they're out of sight being the perfect

2012
01:31:44,560 --> 01:31:42,710
place to put on these things if you do

2013
01:31:46,750 --> 01:31:44,570

if they did have an underwater ability

2014

01:31:47,919 --> 01:31:46,760

so where it is exactly I don't know it's

2015

01:31:49,540 --> 01:31:47,929

an interesting question it's worth

2016

01:31:51,100 --> 01:31:49,550

looking into but Graeme Bert saw was

2017

01:31:52,720 --> 01:31:51,110

absolutely right and I think he was I

2018

01:31:56,020 --> 01:31:52,730

think he was on the right track before

2019

01:31:58,359 --> 01:31:56,030

he sadly left this mortal coil well

2020

01:32:00,970 --> 01:31:58,369

gentlemen unfortunately we are getting

2021

01:32:02,500 --> 01:32:00,980

close to the end of the program so I

2022

01:32:06,009 --> 01:32:02,510

think that we were

2023

01:32:08,979 --> 01:32:06,019

go around and have you tell our

2024

01:32:11,529 --> 01:32:08,989
