

# SAMANTHA SCARLETTE \* MARIA D'ANDREA

1  
00:00:37,069 --> 00:00:21,830

[Music]

2  
00:00:44,030 --> 00:00:41,549

explode the bazaars or e-ticket ride

3  
00:00:47,310 --> 00:00:44,040

into the world of the paranoid

4  
00:00:51,619 --> 00:00:47,320

strap yourself e'en as we traverse the

5  
00:00:56,069 --> 00:00:51,629

universe exploring the unexplained UFO s

6  
00:01:00,209 --> 00:00:56,079

ghosts Lost Worlds cryptozoology waters

7  
00:01:04,710 --> 00:01:00,219

as well as other dimensions it's time to

8  
00:01:06,960 --> 00:01:04,720

take back the night last night now your

9  
00:01:17,120 --> 00:01:06,970

electrifying hosts of exploring the

10  
00:01:26,730 --> 00:01:23,040

chimney I thought you lost some weight I

11  
00:01:28,889 --> 00:01:26,740

think even pieces of a crashed UFO I

12  
00:01:31,740 --> 00:01:28,899

don't want to be seen anymore

13  
00:01:35,219 --> 00:01:31,750

well how are we going to get presents -

14

00:01:38,070 --> 00:01:35,229

Tina our producer Peter our YouTube tech

15

00:01:40,320 --> 00:01:38,080

an animator our guest and all of the

16

00:01:43,200 --> 00:01:40,330

listeners who deserve a present for

17

00:01:46,319 --> 00:01:43,210

their dedication to the show this will

18

00:01:49,469 --> 00:01:46,329

be coming along soon and it can probably

19

00:01:52,800 --> 00:01:49,479

give me a swift boot to get out of the

20

00:01:55,950 --> 00:01:52,810

chimney well compasses hooves are pretty

21

00:01:58,350 --> 00:01:55,960

sharp better be careful save a glass of

22

00:02:00,959 --> 00:01:58,360

eggnog for me I'm getting out of here

23

00:02:06,170 --> 00:02:00,969

and going back to the safety of the K

24

00:02:06,180 --> 00:02:14,480

[Music]

25

00:02:24,560 --> 00:02:21,140

well that's it crepitus garden gave me a

26

00:02:28,190 --> 00:02:24,570

good shove I just wish to get off my

27

00:02:38,300 --> 00:02:28,200

chest now Blair no that's not Krampus

28

00:02:41,300 --> 00:02:38,310

that's the old hag how'd you know well

29

00:02:50,260 --> 00:02:41,310

boy oh boy what we won't do to entertain

30

00:02:57,110 --> 00:02:50,270

our audience right and I'm allergic to

31

00:02:59,230 --> 00:02:57,120

chimney dust yeah most people are yeah

32

00:03:03,710 --> 00:02:59,240

you'd never be a chimney sweep would you

33

00:03:05,150 --> 00:03:03,720

yeah I know no and how well I was gonna

34

00:03:10,730 --> 00:03:05,160

say something about my nuts in the

35

00:03:13,130 --> 00:03:10,740

stocking but I'll let it go at that boy

36

00:03:16,220 --> 00:03:13,140

I guess it's you know people are crazy

37

00:03:19,610 --> 00:03:16,230

out here they're shopping there I just

38

00:03:21,350 --> 00:03:19,620

went down to the local deli and two

39

00:03:24,220 --> 00:03:21,360

people shoved me out of the way I don't

40

00:03:26,900 --> 00:03:24,230

know where where they felt the sales was

41

00:03:30,320 --> 00:03:26,910

and then they disappeared then they

42

00:03:32,780 --> 00:03:30,330

disappeared down fifth you know Avenue

43

00:03:34,160 --> 00:03:32,790

they were carrying so many bundles I I

44

00:03:36,830 --> 00:03:34,170

don't know where people get all this

45

00:03:38,960 --> 00:03:36,840

energy to do it shopping you know I'm

46

00:03:41,900 --> 00:03:38,970

glad I have PayPal I send everybody a

47

00:03:46,220 --> 00:03:41,910

few dollars and let them get out there

48

00:03:49,190 --> 00:03:46,230

and you know hassle with the situation

49

00:03:51,560 --> 00:03:49,200

but hey enough of that we're here with

50

00:03:54,200 --> 00:03:51,570

some holiday it's here for everyone

51  
00:03:57,860 --> 00:03:54,210  
and that we're going to have a really

52  
00:04:05,360 --> 00:03:57,870  
great show with two fabulous ladies and

53  
00:04:10,610 --> 00:04:05,370  
I do mean Oh Santa would go down any

54  
00:04:14,410 --> 00:04:10,620  
chimney okay Tim so how are you doing

55  
00:04:17,599 --> 00:04:14,420  
anyway I'm doing well just got the

56  
00:04:21,400 --> 00:04:17,609  
Christmas spirit even though here in

57  
00:04:25,670 --> 00:04:21,410  
southern Indiana it's not exactly

58  
00:04:27,950 --> 00:04:25,680  
Christmasy it's it's more like early

59  
00:04:28,580 --> 00:04:27,960  
spring you know the temperatures have

60  
00:04:31,720 --> 00:04:28,590  
been

61  
00:04:34,910 --> 00:04:31,730  
well above freezing you know it's rainy

62  
00:04:38,870 --> 00:04:34,920  
definitely not gonna have a white

63  
00:04:40,820 --> 00:04:38,880

Christmas at least for now yeah it's

64

00:04:41,240 --> 00:04:40,830

gonna be the same it's gonna be at 62

65

00:04:43,990 --> 00:04:41,250

degrees

66

00:04:47,830 --> 00:04:44,000

well well somehow well we'll manage it

67

00:04:51,350 --> 00:04:47,840

anyway let us get on with the evenings

68

00:04:57,800 --> 00:04:51,360

festivities because we've got a long way

69

00:05:00,620 --> 00:04:57,810

to to go and why don't you tell us him

70

00:05:01,010 --> 00:05:00,630

who we're going to have on this evening

71

00:05:03,230 --> 00:05:01,020

yeah

72

00:05:06,890 --> 00:05:03,240

oh yes it'll be my pleasure well now we

73

00:05:09,350 --> 00:05:06,900

have both of our our guests are our

74

00:05:14,090 --> 00:05:09,360

return visitors and and you know we were

75

00:05:16,220 --> 00:05:14,100

always happy to have Maria and Samantha

76

00:05:18,860 --> 00:05:16,230

with us so we'll start out with that

77

00:05:20,450 --> 00:05:18,870

Maria now Maria D'Andrea is an

78

00:05:24,110 --> 00:05:20,460

internationally known professional

79

00:05:25,730 --> 00:05:24,120

psychic from Budapest Hungary now since

80

00:05:27,860 --> 00:05:25,740

early childhood she has demonstrated

81

00:05:31,610 --> 00:05:27,870

high spiritual awareness and psychic

82

00:05:34,040 --> 00:05:31,620

ability over her lifetime as a spiritual

83

00:05:36,440 --> 00:05:34,050

leader she has provided slight incident

84

00:05:38,800 --> 00:05:36,450

alignment to many people assisting them

85

00:05:40,100 --> 00:05:38,810

on their personal path of spiritual

86

00:05:42,920 --> 00:05:40,110

self-discovery

87

00:05:46,160 --> 00:05:42,930

Maria is known for a unique form of

88

00:05:48,380 --> 00:05:46,170

divination called rune casting of this

89

00:05:51,260 --> 00:05:48,390

mesta method was used by Vikings and

90

00:05:54,320 --> 00:05:51,270

Europeans to unlock information about

91

00:06:00,440 --> 00:05:54,330

the past present and future by tapping

92

00:06:03,560 --> 00:06:00,450

into the universal mind now I'm here I'm

93

00:06:06,020 --> 00:06:03,570

hearing voices - Maria is the author of

94

00:06:07,660 --> 00:06:06,030

such best-selling books as having sent

95

00:06:11,530 --> 00:06:07,670

money spells

96

00:06:15,140 --> 00:06:11,540

Andrea's positively positive spell book

97

00:06:17,210 --> 00:06:15,150

have locations evoke the power of

98

00:06:22,520 --> 00:06:17,220

interdimensional beings and summon

99

00:06:25,070 --> 00:06:22,530

spirits and psychic magical elixirs of

100

00:06:28,000 --> 00:06:25,080

life among others and all of these of

101  
00:06:30,880 --> 00:06:28,010  
course are published by Tim Beck Lee's

102  
00:06:33,000 --> 00:06:30,890  
inner light global communications

103  
00:06:35,820 --> 00:06:33,010  
publishing

104  
00:06:38,580 --> 00:06:35,830  
now also he we get we get many many

105  
00:06:41,520 --> 00:06:38,590  
requests from all over the world for

106  
00:06:44,040 --> 00:06:41,530  
Maria's books and fact that she's

107  
00:06:47,430 --> 00:06:44,050  
working on a new one I'm just gonna

108  
00:06:48,930 --> 00:06:47,440  
start it after the New Year and she'll

109  
00:06:50,550 --> 00:06:48,940  
have to tell you about that but go ahead

110  
00:06:53,430 --> 00:06:50,560  
I didn't mean to interrupt you so I did

111  
00:06:58,770 --> 00:06:53,440  
mean oh yeah you all right now with

112  
00:07:01,310 --> 00:06:58,780  
tonight is a Samantha scarlet samantha

113  
00:07:05,450 --> 00:07:01,320

is a alternative rock singer-songwriter

114

00:07:08,100 --> 00:07:05,460

and she is the host of the podcast

115

00:07:11,430 --> 00:07:08,110

blackout and is also the owner of

116

00:07:14,430 --> 00:07:11,440

MKULTRA nightie clothing and she's also

117

00:07:19,350 --> 00:07:14,440

an alternative model now Samantha

118

00:07:22,650 --> 00:07:19,360

currently she refers to her genre of

119

00:07:25,470 --> 00:07:22,660

music as soft grunge and her primary

120

00:07:27,240 --> 00:07:25,480

musical influences 90s alternative rock

121

00:07:29,630 --> 00:07:27,250

and grudge you can see of Samantha's

122

00:07:34,620 --> 00:07:29,640

music is available on iTunes Spotify

123

00:07:38,490 --> 00:07:34,630

tidal play and more Panther has always

124

00:07:39,530 --> 00:07:38,500

had an absence with normal conspiracies

125

00:07:43,680 --> 00:07:39,540

and so forth

126

00:07:48,750 --> 00:07:43,690

2005 she started YouTube podcasts with a

127

00:07:51,810 --> 00:07:48,760

friend dedicated people later went on to

128

00:07:53,250 --> 00:07:51,820

host I would say I think Krampus is

129

00:07:59,250 --> 00:07:53,260

still trying to get down to judging

130

00:08:01,110 --> 00:07:59,260

sounds like it Samantha later went on to

131

00:08:04,800 --> 00:08:01,120

host I want to believe with Samantha

132

00:08:10,380 --> 00:08:04,810

Scarlett for energy rock radio in 2016

133

00:08:14,670 --> 00:08:10,390

now Samantha currently owns the clothing

134

00:08:16,650 --> 00:08:14,680

band MKULTRA nightie which I had

135

00:08:19,020 --> 00:08:16,660

mentioned previously and it focuses on

136

00:08:20,460 --> 00:08:19,030

t-shirts and accessories that play into

137

00:08:23,040 --> 00:08:20,470

themes of the paranormal and

138

00:08:25,860 --> 00:08:23,050

conspiracies with shirts featuring tarot

139

00:08:29,970 --> 00:08:25,870

cards and the all-seeing eyes and other

140

00:08:35,060 --> 00:08:29,980

symbols now Kurt tip helped him she

141

00:08:39,630 --> 00:08:37,350

Samantha currently lives in New York and

142

00:08:41,520 --> 00:08:39,640

Harambee hobbies and trips include

143

00:08:44,370 --> 00:08:41,530

listening to vinyls of nineties rock

144

00:08:47,200 --> 00:08:44,380

albums meals of the plaza bodies

145

00:08:50,440 --> 00:08:47,210

suspension visiting art museums

146

00:08:54,150 --> 00:08:50,450

yoga meditation and thickness so I want

147

00:08:57,960 --> 00:08:54,160

to welcome both our guests tonight yeah

148

00:09:02,110 --> 00:08:57,970

here we are it's like one one big family

149

00:09:03,699 --> 00:09:02,120

I think yeah hey Maria how you doing

150

00:09:09,160 --> 00:09:03,709

it's been a long time since I've seen

151

00:09:11,889 --> 00:09:09,170

you having me on the show again we

152

00:09:16,060 --> 00:09:11,899

always have so much fun you guys are so

153

00:09:18,420 --> 00:09:16,070

great pleasure well you'll be keep

154

00:09:20,019 --> 00:09:18,430

saying that you'll be on more often yeah

155

00:09:22,930 --> 00:09:20,029

hey

156

00:09:26,590 --> 00:09:22,940

so Maria Maria I saw you the other day

157

00:09:28,900 --> 00:09:26,600

in fact it's it's kind of a known fact

158

00:09:31,480 --> 00:09:28,910

we went to it

159

00:09:33,370 --> 00:09:31,490

in Atlantic City and you know we came

160

00:09:35,769 --> 00:09:33,380

back with a pot of gold we really used

161

00:09:40,150 --> 00:09:35,779

your psychic powers and we cleaned out

162

00:09:42,340 --> 00:09:40,160

every every slot machine you know on the

163

00:09:44,680 --> 00:09:42,350

boardwalk I think right I mean I

164

00:09:54,040 --> 00:09:44,690

couldn't I couldn't carry this satchel

165

00:09:56,410 --> 00:09:54,050

of cash there was so much of it that

166

00:10:00,100 --> 00:09:56,420

happens all the time when we when we go

167

00:10:03,220 --> 00:10:00,110

you know but no seriously I know you've

168

00:10:06,820 --> 00:10:03,230

been working on quite a few projects but

169

00:10:11,110 --> 00:10:06,830

we'll get to that later on yeah yeah you

170

00:10:14,550 --> 00:10:11,120

you told me I think on during a trip to

171

00:10:17,470 --> 00:10:14,560

the bar there in Atlantic City that

172

00:10:20,800 --> 00:10:17,480

Santa in crumpets are not exactly the

173

00:10:24,250 --> 00:10:20,810

same as they are here that in Hungary

174

00:10:27,579 --> 00:10:24,260

things are a little bit different now

175

00:10:31,030 --> 00:10:29,199

I thought it was funny when they had

176

00:10:34,150 --> 00:10:31,040

that movie which of course is fiction

177

00:10:36,160 --> 00:10:34,160

good it's a movie you know but they do

178

00:10:39,579 --> 00:10:36,170

have complex and hungry but it's totally

179

00:10:42,150 --> 00:10:39,589

different so the outlook is this they

180

00:10:44,980 --> 00:10:42,160

have two different holidays they have

181

00:10:47,170 --> 00:10:44,990

Santa which is really Makua

182

00:10:50,350 --> 00:10:47,180

in Hungarian but they have Sansa come

183

00:10:52,780 --> 00:10:50,360

December 6 and then on Christmas it's

184

00:10:55,300 --> 00:10:52,790

not connected to Santa it's connected to

185

00:10:56,890 --> 00:10:55,310

the birth of Christ so they have the

186

00:10:59,680 --> 00:10:56,900

Angels bring the tree so they're

187

00:11:01,090 --> 00:10:59,690

literally two separate holidays so what

188

00:11:03,520 --> 00:11:01,100

they're doing on December

189

00:11:06,100 --> 00:11:03,530

it's the night before the children put

190

00:11:07,720 --> 00:11:06,110

out like little shoes and you know they

191

00:11:08,950 --> 00:11:07,730

make sure they're you know polish them

192

00:11:11,800 --> 00:11:08,960

and everything and they put little shoes

193

00:11:14,770 --> 00:11:11,810

out and you know they put them on the

194

00:11:18,040 --> 00:11:14,780

windowsill and if they were good then

195

00:11:20,050 --> 00:11:18,050

nickel wash or Santa is going to put you

196

00:11:22,800 --> 00:11:20,060

know food we can be and nothing

197

00:11:25,390 --> 00:11:22,810

sometimes little toys in there however

198

00:11:30,400 --> 00:11:25,400

and some and some Paulo and San Paulo

199

00:11:33,310 --> 00:11:30,410

cinta there you go we make those all the

200

00:11:35,080 --> 00:11:33,320

time you and I yeah that's a crate for

201  
00:11:39,160 --> 00:11:35,090  
people who don't know what that is this

202  
00:11:42,370 --> 00:11:39,170  
a like a crepe and with the nuts inside

203  
00:11:48,760 --> 00:11:42,380  
or powdered sugar or I liked with the

204  
00:11:51,310 --> 00:11:48,770  
liqui sew and Maria Maria sometimes I'm

205  
00:11:53,440 --> 00:11:51,320  
a Maria sometimes make some for me so

206  
00:11:58,750 --> 00:11:53,450  
that I push her books a little bit more

207  
00:12:01,660 --> 00:11:58,760  
but okay so the Santa de Santa in

208  
00:12:07,780 --> 00:12:01,670  
Hungary it looked like he does here does

209  
00:12:10,720 --> 00:12:07,790  
he carry a sack yes but we have a thin

210  
00:12:16,480 --> 00:12:10,730  
Santa I don't know why apparently my

211  
00:12:18,850 --> 00:12:16,490  
sensor was on a diet but basically like

212  
00:12:22,330 --> 00:12:18,860  
I was saying what he does is he travels

213  
00:12:29,950 --> 00:12:22,340

with two little evil goblins and those

214

00:12:31,690 --> 00:12:29,960

know why they all travel together so

215

00:12:33,670 --> 00:12:31,700

when what what what is it what are they

216

00:12:37,330 --> 00:12:33,680

what are they trust what do they travel

217

00:12:39,270 --> 00:12:37,340

on well basically they don't have a

218

00:12:42,880 --> 00:12:39,280

sleigh

219

00:12:45,820 --> 00:12:42,890

apparently they ended up walking so they

220

00:12:50,620 --> 00:12:45,830

just show up they don't have a slate

221

00:12:54,610 --> 00:12:50,630

their magic so do a little astral

222

00:12:56,920 --> 00:12:54,620

projection right so we travel with two

223

00:12:59,860 --> 00:12:56,930

little mean goblins that are called

224

00:13:01,990 --> 00:12:59,870

compass so if you were really really

225

00:13:04,720 --> 00:13:02,000

then what would happen is instead of

226

00:13:06,850 --> 00:13:04,730

getting candy and whose nuts and all

227

00:13:08,650 --> 00:13:06,860

sorts of little toys and things what you

228

00:13:10,810 --> 00:13:08,660

would get is like coal or little

229

00:13:13,630 --> 00:13:10,820

switches because you know after all you

230

00:13:14,710 --> 00:13:13,640

are bad so they look at it and nobody's

231

00:13:16,330 --> 00:13:14,720

perfect

232

00:13:18,240 --> 00:13:16,340

so you always had both and then

233

00:13:20,680 --> 00:13:18,250

depending on how good or bad you were

234

00:13:23,800 --> 00:13:20,690

one was more than the other we never

235

00:13:26,470 --> 00:13:23,810

know which way it was going to go but

236

00:13:29,170 --> 00:13:26,480

they didn't have that threat that they

237

00:13:30,880 --> 00:13:29,180

have on TV and the movies of Campos it

238

00:13:33,370 --> 00:13:30,890

was more on the level of you were

239

00:13:35,110 --> 00:13:33,380

supposed to be really good now every now

240

00:13:37,360 --> 00:13:35,120

and then they would say that you know

241

00:13:42,070 --> 00:13:37,370

Campos might take you away if you were a

242

00:13:43,630 --> 00:13:42,080

bad little person but later level it

243

00:13:46,690 --> 00:13:43,640

wasn't a real threat they're not trying

244

00:13:48,910 --> 00:13:46,700

to scare kids what they were trying to

245

00:13:50,710 --> 00:13:48,920

do is make them look at it as the better

246

00:13:56,280 --> 00:13:50,720

they are the more toys and things they

247

00:14:06,190 --> 00:13:59,230

and there's no and it's not and there's

248

00:14:12,730 --> 00:14:06,200

no reindeer no reindeer so what no no no

249

00:14:15,460 --> 00:14:12,740

ready no no red nose no red nose no no

250

00:14:18,520 --> 00:14:15,470

no what they do is on Christmas they

251  
00:14:20,560 --> 00:14:18,530  
have the grandparents and cousins and

252  
00:14:21,760 --> 00:14:20,570  
whoever watch watch the little kids and

253  
00:14:25,000 --> 00:14:21,770  
then Christmas

254  
00:14:26,590 --> 00:14:25,010  
I need the parents put the tree up so

255  
00:14:28,480 --> 00:14:26,600  
that the kids don't see it may put

256  
00:14:30,100 --> 00:14:28,490  
presents under it and then they've been

257  
00:14:32,260 --> 00:14:30,110  
a little bill that basically says that

258  
00:14:35,020 --> 00:14:32,270  
the angels were here and they dropped

259  
00:14:36,430 --> 00:14:35,030  
off the tree and now the kids can come

260  
00:14:38,170 --> 00:14:36,440  
and look at the tree and get their

261  
00:14:40,780 --> 00:14:38,180  
presence because the angels brought them

262  
00:14:42,940 --> 00:14:40,790  
so it's a little bit different than here

263  
00:14:44,800 --> 00:14:42,950

now personally I've never understood how

264

00:14:47,110 --> 00:14:44,810

they put Santa and Christmas together in

265

00:14:51,510 --> 00:14:47,120

this country so if anybody knows I would

266

00:15:02,260 --> 00:14:57,490

whether it's see it seems a Christmas

267

00:15:04,480 --> 00:15:02,270

you know like it varies the different in

268

00:15:07,750 --> 00:15:04,490

different parts of the of the world I

269

00:15:09,310 --> 00:15:07,760

mean he well no I was just actually

270

00:15:11,260 --> 00:15:09,320

watching I think it was on the History

271

00:15:14,320 --> 00:15:11,270

Channel on the other day that the whole

272

00:15:18,010 --> 00:15:14,330

concept of Santa and in the red suit and

273

00:15:20,950 --> 00:15:18,020

the jolly old man came around and Tim do

274

00:15:24,520 --> 00:15:20,960

you know this in there like around 1850

275

00:15:27,100 --> 00:15:24,530

or so there was an artist I am NOT a

276

00:15:28,890 --> 00:15:27,110

cartoonist but a graphic artist and he

277

00:15:33,820 --> 00:15:28,900

did I think a series of post

278

00:15:36,310 --> 00:15:33,830

yeah yeah yeah and it caught on so

279

00:15:38,860 --> 00:15:36,320

that's really the image the image

280

00:15:42,670 --> 00:15:38,870

Ascenta yeah it was it was really I

281

00:15:45,130 --> 00:15:42,680

guess like coca-cola back back in the

282

00:15:48,130 --> 00:15:45,140

day that that really gave us the

283

00:15:49,780 --> 00:15:48,140

modern-day personification of Santa you

284

00:15:59,170 --> 00:15:49,790

know the fat guy in the red suit and the

285

00:16:03,700 --> 00:15:59,180

beard and all that as long as long as

286

00:16:06,940 --> 00:16:03,710

children in and enjoy it I know I I

287

00:16:11,560 --> 00:16:06,950

always enjoyed the holidays growing up

288

00:16:14,560 --> 00:16:11,570

and we had a you know Christmas at Rhea

289

00:16:17,250 --> 00:16:14,570

I haven't quite been in the the spirit

290

00:16:20,740 --> 00:16:17,260

this year with all the things that are

291

00:16:22,660 --> 00:16:20,750

going on but yeah you know I I i watch

292

00:16:25,660 --> 00:16:22,670

it was a christmas parade on TV the

293

00:16:29,860 --> 00:16:25,670

other the other night you know and that

294

00:16:32,560 --> 00:16:29,870

was that was enjoyable and i wonder how

295

00:16:35,260 --> 00:16:32,570

people like it in warm countries for

296

00:16:36,760 --> 00:16:35,270

example you know like it's kind of hard

297

00:16:40,510 --> 00:16:36,770

you know we think of Christmas as

298

00:16:42,310 --> 00:16:40,520

snowing and all of that and of course it

299

00:16:46,960 --> 00:16:42,320

won't be this year at least in this part

300

00:16:50,320 --> 00:16:46,970

of the year the country you know I was

301  
00:16:51,340 --> 00:16:50,330  
and and we can get maria's take on this

302  
00:16:56,010 --> 00:16:51,350  
I was just reading an interesting

303  
00:17:02,500 --> 00:16:56,020  
article about people's reports of

304  
00:17:05,200 --> 00:17:02,510  
actually seen Santa Claus is mostly you

305  
00:17:08,410 --> 00:17:05,210  
know like kids but I mean you know a lot

306  
00:17:10,840 --> 00:17:08,420  
of were now adults and swear that you

307  
00:17:13,840 --> 00:17:10,850  
know they woke up one night and say like

308  
00:17:17,020 --> 00:17:13,850  
Santa Claus was you know like looking in

309  
00:17:20,290 --> 00:17:17,030  
the door at him one guy I said that when

310  
00:17:23,470 --> 00:17:20,300  
he was a kid that he heard a noise

311  
00:17:25,120 --> 00:17:23,480  
downstairs and you know Santa Claus was

312  
00:17:27,700 --> 00:17:25,130  
down in the living room and he had kind

313  
00:17:29,740 --> 00:17:27,710

of like a a golden glow about him but

314

00:17:32,280 --> 00:17:29,750

then when Santa Claus turned around and

315

00:17:35,080 --> 00:17:32,290

looked at him he said he felt like that

316

00:17:39,520 --> 00:17:35,090

Santa Claus was like looking into his

317

00:17:41,410 --> 00:17:39,530

soul and that he didn't like it but but

318

00:17:44,590 --> 00:17:41,420

but a pear

319

00:17:46,930 --> 00:17:44,600

he's gonna replace Slenderman yeah but

320

00:17:53,830 --> 00:17:46,940

well apparently there there are a number

321

00:17:56,430 --> 00:17:53,840

of actual reports of people seeing Santa

322

00:17:58,870 --> 00:17:56,440

Claus you know which you know is

323

00:18:01,600 --> 00:17:58,880

interesting you know you know

324

00:18:05,650 --> 00:18:01,610

considering that and I mean they're

325

00:18:07,630 --> 00:18:05,660

seeing him as as they expect to see him

326

00:18:09,220 --> 00:18:07,640

I mean all the reports you know that you

327

00:18:11,050 --> 00:18:09,230

know they tend to come from I guess

328

00:18:13,000 --> 00:18:11,060

United States but they you know they

329

00:18:21,000 --> 00:18:13,010

report like the you know the the

330

00:18:27,610 --> 00:18:23,620

find on the shamanic level that we

331

00:18:30,040 --> 00:18:27,620

believe that we create thought forms so

332

00:18:33,280 --> 00:18:30,050

sometimes through time we create

333

00:18:36,370 --> 00:18:33,290

entities deities spirits because we have

334

00:18:39,040 --> 00:18:36,380

so much focus on it especially if it's a

335

00:18:41,350 --> 00:18:39,050

culture a whole culture we have so much

336

00:18:45,370 --> 00:18:41,360

focus on it that eventually we create it

337

00:18:48,850 --> 00:18:45,380

so as an example if you look at say the

338

00:18:52,720 --> 00:18:48,860

cave man time okay and they have this

339

00:18:54,520 --> 00:18:52,730

gigantic Boulder and there's a tidal

340

00:18:56,860 --> 00:18:54,530

wave coming okay now all these people

341

00:18:59,830 --> 00:18:56,870

see is it is this gigantic rocks in a

342

00:19:03,400 --> 00:18:59,840

tidal wave so when the tidal waves hit

343

00:19:05,710 --> 00:19:03,410

and it hits the rock and it doesn't hit

344

00:19:07,570 --> 00:19:05,720

them they're going to look at it as the

345

00:19:09,160 --> 00:19:07,580

rock protected them they're going to

346

00:19:12,250 --> 00:19:09,170

start praying to it they're going to

347

00:19:14,350 --> 00:19:12,260

make up a deity name and through time

348

00:19:16,180 --> 00:19:14,360

the more focus they put into that they

349

00:19:19,450 --> 00:19:16,190

will actually create a deity or a

350

00:19:22,000 --> 00:19:19,460

thought-form attached to that as a

351  
00:19:25,180 --> 00:19:22,010  
protector and when it's funny when you

352  
00:19:26,980 --> 00:19:25,190  
look at generations down the line they

353  
00:19:29,620 --> 00:19:26,990  
didn't understand where they thought

354  
00:19:32,560 --> 00:19:29,630  
form or the deity came from and if they

355  
00:19:34,150 --> 00:19:32,570  
trace it back it was just because you

356  
00:19:37,360 --> 00:19:34,160  
know they didn't understand that the

357  
00:19:40,000 --> 00:19:37,370  
tidal waves just just getting rerouted

358  
00:19:42,610 --> 00:19:40,010  
by rocks so now they came up with the

359  
00:19:44,740 --> 00:19:42,620  
deity and if you don't know the story

360  
00:19:46,270 --> 00:19:44,750  
and you go where the rocket you might

361  
00:19:48,790 --> 00:19:46,280  
actually see the deity because they

362  
00:19:51,340 --> 00:19:48,800  
created a thought-form because there was

363  
00:19:52,660 --> 00:19:51,350

so much focus on it so you can do that

364

00:19:54,940 --> 00:19:52,670

with Sansa because you have so many

365

00:20:01,090 --> 00:19:54,950

people focused on it

366

00:20:04,659 --> 00:20:01,100

don't because that opto pruritus is that

367

00:20:06,759 --> 00:20:04,669

what the the buttons you see were

368

00:20:09,999 --> 00:20:06,769

referred to it and yeah they you can

369

00:20:13,509 --> 00:20:10,009

create you can create even their people

370

00:20:16,509 --> 00:20:13,519

that have seen doubles of themselves and

371

00:20:21,180 --> 00:20:16,519

family members and and and all of that

372

00:20:24,570 --> 00:20:21,190

and of course there's a belief too that

373

00:20:28,450 --> 00:20:24,580

the UFO phenomena could some of these

374

00:20:33,369 --> 00:20:28,460

crafts that we see have been created

375

00:20:36,669 --> 00:20:33,379

through a mental imagery and the tip

376

00:20:40,119 --> 00:20:36,679

wasn't there even up in Canada didn't

377

00:20:42,279 --> 00:20:40,129

they have a seances right or a group to

378

00:20:44,440 --> 00:20:42,289

say uh and and they created a they

379

00:20:46,690 --> 00:20:44,450

created a ghost and they even gave it a

380

00:20:49,119 --> 00:20:46,700

name and it feel unable to communicate

381

00:20:52,450 --> 00:20:49,129

with them yes yeah the Phillip phenomena

382

00:20:54,279 --> 00:20:52,460

right right yeah you know the only

383

00:20:56,580 --> 00:20:54,289

difference is that you know on a

384

00:20:59,830 --> 00:20:56,590

shamanic level we do it consciously

385

00:21:02,669 --> 00:20:59,840

whereas most people you know aren't

386

00:21:05,710 --> 00:21:02,679

aware that they're actually forming that

387

00:21:07,930 --> 00:21:05,720

the real way now what did you explain

388

00:21:11,169 --> 00:21:07,940

what just why didn't you explain to our

389

00:21:13,930 --> 00:21:11,179

listeners exactly what the shaman is

390

00:21:18,249 --> 00:21:13,940

because now you're a you're a psychic ed

391

00:21:22,960 --> 00:21:18,259

you read tarot cards and you've had all

392

00:21:25,269 --> 00:21:22,970

kinds of paranormal experiences but some

393

00:21:28,239 --> 00:21:25,279

people I think when they think of the

394

00:21:33,099 --> 00:21:28,249

term shaman they think of you know a

395

00:21:34,989 --> 00:21:33,109

Native American medicine man of some

396

00:21:36,789 --> 00:21:34,999

sort but obviously you were born on

397

00:21:39,239 --> 00:21:36,799

where you weren't born here so as

398

00:21:43,479 --> 00:21:39,249

shamanism is all over the world is it oh

399

00:21:46,239 --> 00:21:43,489

yeah every culture has a shaman if you

400

00:21:48,070 --> 00:21:46,249

look back especially a tribal time every

401  
00:21:50,440 --> 00:21:48,080  
culture has it whether they call it a

402  
00:21:52,479 --> 00:21:50,450  
shaman or they give it a different name

403  
00:21:55,509 --> 00:21:52,489  
it's the same thing the only difference

404  
00:21:57,759 --> 00:21:55,519  
is in Europe because I'm a European

405  
00:22:01,359 --> 00:21:57,769  
shaman it's different than in this

406  
00:22:03,759 --> 00:22:01,369  
country so I find in this country if

407  
00:22:06,430 --> 00:22:03,769  
they if somebody is an example is a

408  
00:22:08,920 --> 00:22:06,440  
wonderful healer okay and they're great

409  
00:22:12,850 --> 00:22:08,930  
at it people assume that that person

410  
00:22:14,410 --> 00:22:12,860  
the Charmin no that's alright Maria I'm

411  
00:22:18,820 --> 00:22:14,420  
gonna have to interrupt you here because

412  
00:22:21,160 --> 00:22:18,830  
the shaman of commercials as is calling

413  
00:22:32,560 --> 00:22:21,170

us so and we come back we'll be bored

414

00:22:36,010 --> 00:22:32,570

exploring the bazaars tickets now back

415

00:22:38,050 --> 00:22:36,020

to exploring the bazaars with two of the

416

00:22:41,440 --> 00:22:38,060

most electrifying researchers in the

417

00:22:47,260 --> 00:22:41,450

Paranoid your hosts Timothy Becca Lee

418

00:22:49,470 --> 00:22:47,270

Anton's lists welcome back to explore in

419

00:22:53,350 --> 00:22:49,480

the bazaar and Tim why don't we bring

420

00:23:01,120 --> 00:22:53,360

Samantha Scarlett back to the

421

00:23:02,560 --> 00:23:01,130

conversation Scarlett I just spell it

422

00:23:07,300 --> 00:23:02,570

weird so that it shows up in Google

423

00:23:09,990 --> 00:23:07,310

easier but Scarlett yeah I'm having I'm

424

00:23:13,030 --> 00:23:10,000

having a very crazy day I'm usually very

425

00:23:16,840 --> 00:23:13,040

quiet and my life is really stress-free

426  
00:23:18,340 --> 00:23:16,850  
and today was insane and I had blocked

427  
00:23:20,650 --> 00:23:18,350  
out this time for you guys and right now

428  
00:23:22,480 --> 00:23:20,660  
I mean I have I grab I have a like an

429  
00:23:24,220 --> 00:23:22,490  
office kind of area in my apartment I

430  
00:23:26,140 --> 00:23:24,230  
grab my computer like right when we got

431  
00:23:28,030 --> 00:23:26,150  
an air and I brought it in my bedroom I

432  
00:23:29,260 --> 00:23:28,040  
felt like two friends here on the

433  
00:23:30,670 --> 00:23:29,270  
headphone splitter like they're

434  
00:23:33,160 --> 00:23:30,680  
listening but right now there's like

435  
00:23:37,260 --> 00:23:33,170  
about I'd say like what like 20 people

436  
00:23:39,790 --> 00:23:37,270  
in my 650 square foot Midtown penthouse

437  
00:23:42,160 --> 00:23:39,800  
there's an unexpected party that a

438  
00:23:45,100 --> 00:23:42,170

friend of mine decided to throw who came

439

00:23:46,840 --> 00:23:45,110

over this afternoon around around noon I

440

00:23:49,690 --> 00:23:46,850

get this text message from a friend

441

00:23:52,090 --> 00:23:49,700

saying that he and my other friend I'm

442

00:23:54,280 --> 00:23:52,100

really close with took acid and they

443

00:23:55,990 --> 00:23:54,290

needed a safe place to come off of their

444

00:23:57,730 --> 00:23:56,000

acid trip so I was like okay you can

445

00:24:00,730 --> 00:23:57,740

come over to my apartment well they

446

00:24:03,580 --> 00:24:00,740

showed up with like seven people and the

447

00:24:05,710 --> 00:24:03,590

one friend I can't name names he was

448

00:24:07,900 --> 00:24:05,720

having a very bad trip so this other

449

00:24:09,700 --> 00:24:07,910

girl that he's friends with and I we

450

00:24:11,650 --> 00:24:09,710

were like literally cuddling him in bed

451  
00:24:13,900 --> 00:24:11,660  
the entire afternoon and like checking

452  
00:24:15,970 --> 00:24:13,910  
his temperature I'm making sure you like

453  
00:24:17,890 --> 00:24:15,980  
checking it over to her signs and he was

454  
00:24:19,450 --> 00:24:17,900  
like oh play cuz I have a view of the

455  
00:24:21,970 --> 00:24:19,460  
world or the Empire State Building he's

456  
00:24:25,330 --> 00:24:21,980  
like oh there's there's army tank

457  
00:24:27,010 --> 00:24:25,340  
military auxiliary in the sky in right

458  
00:24:31,930 --> 00:24:27,020  
now and there's some right here well

459  
00:24:34,270 --> 00:24:31,940  
that's because that's because King Kong

460  
00:24:36,370 --> 00:24:34,280  
is up there oh we should told him King

461  
00:24:37,900 --> 00:24:36,380  
Kong and we were trying we were trying

462  
00:24:39,820 --> 00:24:37,910  
to calm him down so we're telling him

463  
00:24:43,480 --> 00:24:39,830

story is that he was surfing or

464

00:24:44,980 --> 00:24:43,490

something but this is so very crazy day

465

00:24:48,490 --> 00:24:44,990

because I spent the majority of the

466

00:24:50,530 --> 00:24:48,500

afternoon getting a friend to come down

467

00:24:53,020 --> 00:24:50,540

off of acid which I've personally never

468

00:24:54,640 --> 00:24:53,030

taken any type of psychedelic so it's

469

00:24:57,010 --> 00:24:54,650

kind of amusing and interesting to see

470

00:24:59,049 --> 00:24:57,020

somebody on them and listen to it but

471

00:25:01,299 --> 00:24:59,059

yeah so I've had then after he got off

472

00:25:02,830 --> 00:25:01,309

his trip he was like oh let's have a

473

00:25:04,570 --> 00:25:02,840

party here and he invited all these

474

00:25:07,169 --> 00:25:04,580

people over so right now it's kind of

475

00:25:11,200 --> 00:25:07,179

crazy and I think I miss water don't you

476

00:25:20,740 --> 00:25:11,210

or say they don't as long as he don't

477

00:25:23,200 --> 00:25:20,750

spiked the punch bowl you know I did

478

00:25:27,490 --> 00:25:23,210

answered once I think and that was at a

479

00:25:30,549 --> 00:25:27,500

Jimi Hendrix Jimi Hendrix concert and

480

00:25:33,039 --> 00:25:30,559

you know I said I said I don't like this

481

00:25:34,900 --> 00:25:33,049

too much because I don't have I like to

482

00:25:37,600 --> 00:25:34,910

be more in control of myself than have

483

00:25:39,669 --> 00:25:37,610

something being in control of me but it

484

00:25:42,130 --> 00:25:39,679

was a great it was a great experience I

485

00:25:44,530 --> 00:25:42,140

mean if you're going to see a live act

486

00:25:46,360 --> 00:25:44,540

it was Doctor John the night tripper and

487

00:25:48,370 --> 00:25:46,370

he did the whole thing with the Voodoo

488

00:25:50,680 --> 00:25:48,380

and the Grigri and the glitter and

489

00:25:53,260 --> 00:25:50,690

sprinkled it over the audience and that

490

00:25:55,330 --> 00:25:53,270

was wild and then Jimi Hendrix came on

491

00:26:04,480 --> 00:25:55,340

and that notes floated out of the

492

00:26:05,590 --> 00:26:04,490

speakers I mean yeah so yeah I don't

493

00:26:09,100 --> 00:26:05,600

have to do this anymore

494

00:26:11,230 --> 00:26:09,110

I I had the ultimate acid experience and

495

00:26:13,150 --> 00:26:11,240

I've never wanted to repeat it

496

00:26:17,980 --> 00:26:13,160

especially since Jimi Hendrix is not

497

00:26:20,260 --> 00:26:17,990

here to perform for us so so how are you

498

00:26:23,049 --> 00:26:20,270

how are you spending your holiday I mean

499

00:26:25,090 --> 00:26:23,059

are you traveling this year I am an

500

00:26:28,060 --> 00:26:25,100

absolute control freak so I can't I

501  
00:26:30,580 --> 00:26:28,070  
can't I've never done illicit drugs I

502  
00:26:33,010 --> 00:26:30,590  
mean I've smoked weed and even that like

503  
00:26:38,409 --> 00:26:33,020  
I have weed and rose' I can't I'm like

504  
00:26:40,120 --> 00:26:38,419  
that too much smoked weed and drink some

505  
00:26:42,010 --> 00:26:40,130  
rooms a a couple weeks ago and I was

506  
00:26:44,230 --> 00:26:42,020  
like I was like thinking that the world

507  
00:26:47,680 --> 00:26:44,240  
was I think so I can't even imagine if I

508  
00:26:55,000 --> 00:26:47,690  
were to take horrible usage from the

509  
00:26:57,610 --> 00:26:55,010  
world was ending yeah yeah yeah the

510  
00:27:01,570 --> 00:26:57,620  
world the world was a you know like that

511  
00:27:02,710 --> 00:27:01,580  
big I'm sure but I thought you do it

512  
00:27:03,669 --> 00:27:02,720  
quite a bit of traveling are you

513  
00:27:08,440 --> 00:27:03,679

travelling anywhere

514

00:27:10,960 --> 00:27:08,450

I haven't actually travelled at all this

515

00:27:13,060 --> 00:27:10,970

year other than I would last Christmas I

516

00:27:16,330 --> 00:27:13,070

spent a month in Arizona but ever since

517

00:27:18,010 --> 00:27:16,340

I came back from Arizona and January I

518

00:27:19,600 --> 00:27:18,020

actually haven't been anywhere since I'm

519

00:27:23,200 --> 00:27:19,610

staying in New York for Christmas I got

520

00:27:25,299 --> 00:27:23,210

this this penthouse in August and it's

521

00:27:27,970 --> 00:27:25,309

kind of like too expensive to go away

522

00:27:29,830 --> 00:27:27,980

from like might as well be here for the

523

00:27:31,659 --> 00:27:29,840

holiday and it's beautiful here I've got

524

00:27:34,600 --> 00:27:31,669

my Christmas I've got a fake tree in my

525

00:27:36,850 --> 00:27:34,610

living room that's white black and baby

526

00:27:39,130 --> 00:27:36,860

blue ornaments to match all of my ultra

527

00:27:41,080 --> 00:27:39,140

modern decor but it blows my mind

528

00:27:44,080 --> 00:27:41,090

because my my next-door neighbor he has

529

00:27:46,060 --> 00:27:44,090

a real like 12-foot Christmas tree at

530

00:27:50,409 --> 00:27:46,070

his place and the thought of bringing a

531

00:27:53,620 --> 00:27:50,419

actual tree up 44 floors is just insane

532

00:27:55,330 --> 00:27:53,630

to me well they could bring it they

533

00:27:58,840 --> 00:27:55,340

could bring it up on a lift that like

534

00:28:00,340 --> 00:27:58,850

they used to do but I don't know I just

535

00:28:01,870 --> 00:28:00,350

seems like too much of a pain in New

536

00:28:03,730 --> 00:28:01,880

York to get a Christmas tree and people

537

00:28:05,620 --> 00:28:03,740

have to walk the trees to the building I

538

00:28:07,659 --> 00:28:05,630

actually was in the subway last week and

539

00:28:09,370 --> 00:28:07,669

I saw somebody with a Christmas tree in

540

00:28:10,960 --> 00:28:09,380

the subway and it was a big tree it was

541

00:28:11,320 --> 00:28:10,970

at least a six footer and I'm just like

542

00:28:14,740 --> 00:28:11,330

okay

543

00:28:17,169 --> 00:28:14,750

he brought well you know some of the

544

00:28:19,389 --> 00:28:17,179

people who grow a you know grow

545

00:28:21,430 --> 00:28:19,399

Christmas trees or or sell them on the

546

00:28:23,500 --> 00:28:21,440

on the the screen they're complaining

547

00:28:28,539 --> 00:28:23,510

because you can now order live Christmas

548

00:28:31,240 --> 00:28:28,549

trees from Amazon and and so they they

549

00:28:32,889 --> 00:28:31,250

bring it you know the the delivery guy

550

00:28:35,230 --> 00:28:32,899

you know has to bring it into your

551

00:28:38,110 --> 00:28:35,240

apartment and then you you roll it out

552

00:28:40,289 --> 00:28:38,120

of the box and and the you know who was

553

00:28:44,910 --> 00:28:40,299

set it up so did you always have a

554

00:28:47,940 --> 00:28:44,920

pretty big Christmas when you were

555

00:28:50,130 --> 00:28:47,950

um it depends like when I was really

556

00:28:52,620 --> 00:28:50,140

little and I lived in New Jersey and my

557

00:28:54,660 --> 00:28:52,630

mom had a big family like they're like I

558

00:28:57,810 --> 00:28:54,670

like that like quintessential East Coast

559

00:28:59,490 --> 00:28:57,820

wasp type of family and so my aunts and

560

00:29:00,900 --> 00:28:59,500

uncles and cousins and everybody would

561

00:29:03,570 --> 00:29:00,910

get together at my grandmother's house

562

00:29:05,040 --> 00:29:03,580

we have a big Christmas but when we

563

00:29:08,160 --> 00:29:05,050

moved to Arizona now is usually just my

564

00:29:10,110 --> 00:29:08,170

mom and I and so I honestly am NOT a big

565

00:29:11,940 --> 00:29:10,120

fan of the holidays I kind of hate them

566

00:29:13,400 --> 00:29:11,950

because I actually like Christmas better

567

00:29:16,230 --> 00:29:13,410

than Thanksgiving because on Christmas

568

00:29:18,060 --> 00:29:16,240

if you're in an area where there's a lot

569

00:29:21,180 --> 00:29:18,070

of Jewish people you can at least go at

570

00:29:23,370 --> 00:29:21,190

to get kosher food on Christmas but I

571

00:29:26,430 --> 00:29:23,380

don't like any day where everything's

572

00:29:28,620 --> 00:29:26,440

closed and you can't be around her you

573

00:29:30,330 --> 00:29:28,630

know I'm the same way I I don't like

574

00:29:34,410 --> 00:29:30,340

days that are read on the calendar I

575

00:29:36,630 --> 00:29:34,420

like my own I like New Year's better

576

00:29:39,000 --> 00:29:36,640

because for me New Year's it's a social

577

00:29:41,430 --> 00:29:39,010

holiday it's not religious and I think

578

00:29:43,080 --> 00:29:41,440

of New Year's as new hope there's a new

579

00:29:45,090 --> 00:29:43,090

chance for a new beginning in the new

580

00:29:46,590 --> 00:29:45,100

year so I'm I'm a bigger fan of New

581

00:29:48,330 --> 00:29:46,600

Year's and Christmas I mean of course I

582

00:29:50,490 --> 00:29:48,340

like I can't diss Christmas because I

583

00:29:52,470 --> 00:29:50,500

loved Christmas as a child I love

584

00:29:56,010 --> 00:29:52,480

getting presents but outside of the you

585

00:29:59,340 --> 00:29:56,020

know consumer capitalist materialistic

586

00:30:01,110 --> 00:29:59,350

Christmas I'm not a huge fan of it so

587

00:30:04,020 --> 00:30:01,120

that what did you ever have did you ever

588

00:30:05,880 --> 00:30:04,030

have a Marie was talking about angels

589

00:30:08,040 --> 00:30:05,890

bringing the Christmas tree no have you

590

00:30:09,960 --> 00:30:08,050

ever had any paranormal experiences that

591

00:30:14,370 --> 00:30:09,970

are linked to the holiday wait the

592

00:30:15,930 --> 00:30:14,380

holiday well I think not not that I know

593

00:30:18,540 --> 00:30:15,940

of I mean when I was a kid I remember

594

00:30:20,460 --> 00:30:18,550

sitting in my grandmother's house in the

595

00:30:21,900 --> 00:30:20,470

sunroom with my cousin's looking for

596

00:30:23,310 --> 00:30:21,910

like the Christmas star or whatever

597

00:30:25,290 --> 00:30:23,320

which we thought we saw you know with

598

00:30:27,000 --> 00:30:25,300

the Star of Bethlehem or whatever but

599

00:30:28,560 --> 00:30:27,010

other than that I mean I don't I can't

600

00:30:31,740 --> 00:30:28,570

really and that wasn't paranormal that's

601  
00:30:34,170 --> 00:30:31,750  
just like being three years old I can't

602  
00:30:39,330 --> 00:30:34,180  
really think of any paranormal Oh

603  
00:30:41,460 --> 00:30:39,340  
actually you know what I lied so back in

604  
00:30:43,650 --> 00:30:41,470  
I think I mentioned story about how it

605  
00:30:46,440 --> 00:30:43,660  
was like haunted by something that I

606  
00:30:47,760 --> 00:30:46,450  
know my ex-boyfriend Ryan brought upon

607  
00:30:49,890 --> 00:30:47,770  
me I don't know if it Ryan

608  
00:30:51,930 --> 00:30:49,900  
had like demonic stuff attached to him

609  
00:30:55,740 --> 00:30:51,940  
or if it was that it was his dead

610  
00:30:57,970 --> 00:30:55,750  
ex-girlfriend but that year 2000 as long

611  
00:31:00,700 --> 00:30:57,980  
as long as we wouldn't kill her

612  
00:31:02,560 --> 00:31:00,710  
Hillar she died the sky kam she was

613  
00:31:05,789 --> 00:31:02,570

riding a like a dune buggy on the beach

614

00:31:08,799 --> 00:31:05,799

and it flipped it's really sad up but

615

00:31:11,380 --> 00:31:08,809

back in 2013 the year but I broke up

616

00:31:12,760 --> 00:31:11,390

with Ryan at Christmas in Arizona and my

617

00:31:16,120 --> 00:31:12,770

mom and I when we lived there we would

618

00:31:18,940 --> 00:31:16,130

always go to a hotel for Christmas at

619

00:31:20,970 --> 00:31:18,950

least as since I was like over 20 we'd

620

00:31:23,409 --> 00:31:20,980

always go to a hotel for Christmas and

621

00:31:25,210 --> 00:31:23,419

we would take or we would take our

622

00:31:26,799 --> 00:31:25,220

English Bulldog with us and we used to

623

00:31:28,450 --> 00:31:26,809

have a golden retriever we had the

624

00:31:29,710 --> 00:31:28,460

golden retriever we'd leave the doors

625

00:31:31,900 --> 00:31:29,720

closed with the golden retriever had

626

00:31:33,820 --> 00:31:31,910

died that year and when we got back from

627

00:31:36,370 --> 00:31:33,830

the hotel at Christmas we got into our

628

00:31:38,200 --> 00:31:36,380

house and my bedroom door I had left

629

00:31:39,580 --> 00:31:38,210

open because I have like I said like

630

00:31:40,900 --> 00:31:39,590

because the golden retriever is no

631

00:31:42,669 --> 00:31:40,910

longer with us I made sure to leave the

632

00:31:45,340 --> 00:31:42,679

door open when we got back the door to

633

00:31:47,620 --> 00:31:45,350

my bedroom was like it was shut all the

634

00:31:49,510 --> 00:31:47,630

way the lock was engaged and there was

635

00:31:51,370 --> 00:31:49,520

stuff overturned in the house and like

636

00:31:53,140 --> 00:31:51,380

nobody had broken into the house it was

637

00:31:56,080 --> 00:31:53,150

just stuff in the house was displaced

638

00:31:58,659 --> 00:31:56,090

and in the weeks following Christmas we

639

00:32:00,909 --> 00:31:58,669

had like doors slamming and other really

640

00:32:03,130 --> 00:32:00,919

weird stuff so yeah I actually did have

641

00:32:05,409 --> 00:32:03,140

a weird paranormal thing associated with

642

00:32:08,409 --> 00:32:05,419

Christmas and I think it was because I

643

00:32:10,659 --> 00:32:08,419

on Christmas my mom and I reached out to

644

00:32:12,520 --> 00:32:10,669

my ex-boyfriend and wish - Merry

645

00:32:14,620 --> 00:32:12,530

Christmas and he got back to us and all

646

00:32:16,210 --> 00:32:14,630

the paranormal activity that I had it

647

00:32:18,580 --> 00:32:16,220

was after like he and I broke up was

648

00:32:19,990 --> 00:32:18,590

always associated with a time when I

649

00:32:21,100 --> 00:32:20,000

would get in touch with him like if you

650

00:32:23,110 --> 00:32:21,110

weren't and I were in contact

651  
00:32:26,380 --> 00:32:23,120  
weird [h\_\_\h] would start happening around

652  
00:32:28,150 --> 00:32:26,390  
the house or wherever I was so so yeah I

653  
00:32:29,799 --> 00:32:28,160  
did have a paranormal come like I had

654  
00:32:34,240 --> 00:32:29,809  
now that I just have a Christmas

655  
00:32:38,110 --> 00:32:34,250  
paranormal experience the paranormal or

656  
00:32:45,390 --> 00:32:38,120  
the you you had started at an early age

657  
00:32:49,150 --> 00:32:47,890  
but and I've been interested in the

658  
00:32:51,490 --> 00:32:49,160  
paranormal almost as long as I can

659  
00:32:54,610 --> 00:32:51,500  
remember like since I was like 8 or 9 I

660  
00:32:58,630 --> 00:32:54,620  
used to watch these TV shows they dealt

661  
00:33:02,190 --> 00:32:58,640  
with that subject matter and what would

662  
00:33:05,200 --> 00:33:02,200  
you say was the most Oh a powerful

663  
00:33:07,120 --> 00:33:05,210

experience you might have had me

664

00:33:09,039 --> 00:33:07,130

personally with the paranormal I mean

665

00:33:09,710 --> 00:33:09,049

yeah I don't know because I've had like

666

00:33:12,170 --> 00:33:09,720

different things

667

00:33:14,270 --> 00:33:12,180

the ears that I think you know could be

668

00:33:16,520 --> 00:33:14,280

ghosts but you know I even this stuff

669

00:33:18,920 --> 00:33:16,530

like I just mentioned I'm sure there's a

670

00:33:21,770 --> 00:33:18,930

logical examples of what it could be I

671

00:33:24,920 --> 00:33:21,780

you know I'm so I'll always be a skeptic

672

00:33:26,780 --> 00:33:24,930

until I see like Marilyn Monroe in my

673

00:33:29,630 --> 00:33:26,790

living room in solid form I'm gonna

674

00:33:31,160 --> 00:33:29,640

always be a skeptic but I mean there's

675

00:33:33,020 --> 00:33:31,170

just little things over the years and it

676

00:33:35,780 --> 00:33:33,030

makes you wonder and it makes me

677

00:33:40,370 --> 00:33:35,790

yeah I've seen UFOs but I think they

678

00:33:45,140 --> 00:33:40,380

were government craft so what made you

679

00:33:46,880 --> 00:33:45,150

believe that why do you think everyone

680

00:33:48,980 --> 00:33:46,890

pretty much does an Arizona kind of like

681

00:33:52,070 --> 00:33:48,990

Nevada New Mexico those are hotbeds for

682

00:33:54,230 --> 00:33:52,080

UFO sightings and when I lived in

683

00:33:56,900 --> 00:33:54,240

Arizona there were at least three or

684

00:33:59,090 --> 00:33:56,910

four occasions where I saw UFOs actually

685

00:34:01,580 --> 00:33:59,100

which I think you definitely three that

686

00:34:03,400 --> 00:34:01,590

stand out like I think at the time no

687

00:34:06,590 --> 00:34:03,410

actually there's four that stand out but

688

00:34:07,910 --> 00:34:06,600

out of the four there's only one that I

689

00:34:09,620 --> 00:34:07,920

think could have been something from

690

00:34:12,500 --> 00:34:09,630

another planet the other ones were a

691

00:34:14,780 --> 00:34:12,510

hundred and ten percent US military

692

00:34:17,240 --> 00:34:14,790

craft because when you see a triangle

693

00:34:19,700 --> 00:34:17,250

formation and each light blinks out one

694

00:34:21,920 --> 00:34:19,710

by one in the last light blinks out over

695

00:34:24,980 --> 00:34:21,930

Luke Air Force Base you know damn well

696

00:34:26,450 --> 00:34:24,990

that is not you know that's not easy

697

00:34:30,140 --> 00:34:26,460

coming to see me

698

00:34:34,460 --> 00:34:30,150

that's the US government that's them

699

00:34:35,450 --> 00:34:34,470

testing out military crafts so unless I

700

00:34:37,370 --> 00:34:35,460

mean unless there's like an

701  
00:34:40,490 --> 00:34:37,380  
intergalactic port at Luke Air Force

702  
00:34:43,040 --> 00:34:40,500  
Base I don't personally think that those

703  
00:34:44,720 --> 00:34:43,050  
for anything from another world I think

704  
00:34:46,970 --> 00:34:44,730  
it's our government I just like when

705  
00:34:48,530 --> 00:34:46,980  
people go to area 51 and see craft I

706  
00:34:50,330 --> 00:34:48,540  
don't believe it those are aliens I

707  
00:34:53,600 --> 00:34:50,340  
think that's just the government testing

708  
00:34:55,550 --> 00:34:53,610  
stuff don't say I don't know because you

709  
00:35:00,760 --> 00:34:55,560  
know the whole story of the UFO or the

710  
00:35:03,980 --> 00:35:00,770  
alien war so good well I'm sorry

711  
00:35:05,450 --> 00:35:03,990  
coherent because I I deal with

712  
00:35:07,700 --> 00:35:05,460  
everything day I did have a couple shots

713  
00:35:13,640 --> 00:35:07,710

jack knows which once again this is not

714

00:35:16,100 --> 00:35:13,650

in my news today you know just just

715

00:35:17,660 --> 00:35:16,110

before we left the office at Timnath

716

00:35:19,790 --> 00:35:17,670

Schwartz there was making up a whole

717

00:35:25,850 --> 00:35:19,800

batch of eggnog weren't you

718

00:35:27,380 --> 00:35:25,860

oh no in my neighborhood if you are

719

00:35:28,970 --> 00:35:27,390

bored and want to come to a penthouse

720

00:35:31,640 --> 00:35:28,980

party and hang out with a bunch of

721

00:35:33,050 --> 00:35:31,650

millennial generation few people have

722

00:35:45,140 --> 00:35:33,060

your words you are what you have you'll

723

00:35:51,280 --> 00:35:45,150

you'll slip me acid I think they're

724

00:36:02,270 --> 00:35:57,590

better rock who said no sounds like I'm

725

00:36:07,550 --> 00:36:02,280

just making a joke you have friends over

726

00:36:09,200 --> 00:36:07,560

this I spent three hours I spent three

727

00:36:16,670 --> 00:36:09,210

hours last night watching a tribute to

728

00:36:18,530 --> 00:36:16,680

gray almond I mean there's someone at

729

00:36:20,030 --> 00:36:18,540

this party there's someone at this party

730

00:36:21,350 --> 00:36:20,040

that's wearing a Nirvana shirt and I

731

00:36:23,510 --> 00:36:21,360

asked them what's your favorite Nirvana

732

00:36:24,620 --> 00:36:23,520

song and they couldn't tell me one they

733

00:36:28,520 --> 00:36:24,630

couldn't even tell me smells like teen

734

00:36:32,420 --> 00:36:28,530

spirit yeah that's what that's a little

735

00:36:34,850 --> 00:36:32,430

bit after my my your I'm I'm still you

736

00:36:39,380 --> 00:36:34,860

know like into a Led Zeppelin and

737

00:36:43,330 --> 00:36:39,390

traffic and humble pie and you know

738

00:36:45,890 --> 00:36:43,340

those classic bad so I David Bowie yeah

739

00:36:48,200 --> 00:36:45,900

David Bowie well you know I met David

740

00:36:51,860 --> 00:36:48,210

there Bowie of course and we're working

741

00:36:54,440 --> 00:36:51,870

on a book now about my late friend Wally

742

00:36:57,080 --> 00:36:54,450

El marked of white which of New York who

743

00:36:59,960 --> 00:36:57,090

befriended a lot of these musicians and

744

00:37:05,000 --> 00:36:59,970

I've actually found you know I went back

745

00:37:08,000 --> 00:37:05,010

and she's been deceased now since the

746

00:37:10,160 --> 00:37:08,010

late 1970s and I went back and I tried

747

00:37:12,410 --> 00:37:10,170

to find there people who who know who

748

00:37:15,980 --> 00:37:12,420

knew her and I even ran across that

749

00:37:16,880 --> 00:37:15,990

people that I haven't talked to in over

750

00:37:18,730 --> 00:37:16,890

40 years

751

00:37:22,970 --> 00:37:18,740

I found them believe it or not on

752

00:37:25,400 --> 00:37:22,980

Facebook it was amazing and so we're now

753

00:37:29,390 --> 00:37:25,410

we've got a lot of great material that

754

00:37:31,190 --> 00:37:29,400

we didn't have before it's kind of a

755

00:37:33,620 --> 00:37:31,200

combination of an occult book and a book

756

00:37:36,650 --> 00:37:33,630

on celebrities because you don't

757

00:37:40,730 --> 00:37:36,660

Bowie had this experience where his

758

00:37:43,099 --> 00:37:40,740

swimming pool was possessed that device

759

00:37:43,880 --> 00:37:43,109

how is this swimming pool possessed it's

760

00:37:46,849 --> 00:37:43,890

a mini diet

761

00:37:48,559 --> 00:37:46,859

there was a he was living in LA at the

762

00:37:51,529 --> 00:37:48,569

time and he was doing a lot of drugs I

763

00:37:54,950 --> 00:37:51,539

mean he admits that he was you know

764

00:37:57,799 --> 00:37:54,960

taking a vast amount of cocaine on a

765

00:38:00,170 --> 00:37:57,809

regular basis but apparently there was

766

00:38:02,509 --> 00:38:00,180

there was a movement in the swimming

767

00:38:03,980 --> 00:38:02,519

pool like a D a demon was forming and

768

00:38:08,109 --> 00:38:03,990

they could see the face on the bottom of

769

00:38:12,650 --> 00:38:08,119

the pool I said yeah yeah and my friend

770

00:38:16,519 --> 00:38:12,660

Wally he requested that she isshe do a

771

00:38:19,099 --> 00:38:16,529

spell for him to get rid of the of the

772

00:38:24,620 --> 00:38:19,109

the demon and also too he thought that

773

00:38:34,880 --> 00:38:24,630

three witches were trying to collect his

774

00:38:36,440 --> 00:38:34,890

sperm and create a demon baby boy yes

775

00:38:39,470 --> 00:38:36,450

but you know there were a lot of

776

00:38:42,380 --> 00:38:39,480

celebrities and I you know that the are

777

00:38:46,309 --> 00:38:42,390

that I've met over the years that have

778

00:38:48,499 --> 00:38:46,319

been into this you know subject from one

779

00:38:50,210 --> 00:38:48,509

that degree to another and and what we

780

00:38:52,700 --> 00:38:50,220

had of course you know we know him is

781

00:38:56,329 --> 00:38:52,710

Ziggy Stardust that's when I first you

782

00:39:00,019 --> 00:38:56,339

know met him and he was interested in

783

00:39:02,839 --> 00:39:00,029

UFOs in fact is a land there in England

784

00:39:04,930 --> 00:39:02,849

he actually had the three or four UFO

785

00:39:07,490 --> 00:39:04,940

sightings and he thought that they were

786

00:39:10,009 --> 00:39:07,500

interdimensional craft then he got into

787

00:39:14,240 --> 00:39:10,019

D on fortune and Aleister Crowley in and

788

00:39:16,339 --> 00:39:14,250

did the whole you know occult the trip

789

00:39:18,559 --> 00:39:16,349

and the wall he had gone out my friend

790

00:39:21,380 --> 00:39:18,569

Wally L market the White Witch there she

791

00:39:24,650 --> 00:39:21,390

of New York she she went to England and

792

00:39:28,099 --> 00:39:24,660

recorded an album with Robert Fripp from

793

00:39:30,829 --> 00:39:28,109

my King Crimson which they they lost

794

00:39:34,789 --> 00:39:30,839

apparently the tapes disappeared one

795

00:39:38,059 --> 00:39:34,799

side was one side was instrumental with

796

00:39:42,650 --> 00:39:38,069

Fripp and Brian Eno and the other side

797

00:39:44,299 --> 00:39:42,660

was someone interviewing a Wally and and

798

00:39:46,670 --> 00:39:44,309

she believes that you know we were

799

00:39:47,210 --> 00:39:46,680

living in a time in history that there

800

00:39:51,560 --> 00:39:47,220

were

801  
00:39:54,109 --> 00:39:51,570  
lot of souls being reincarnated to help

802  
00:39:57,260 --> 00:39:54,119  
lift the vibration of the the planet

803  
00:39:59,810 --> 00:39:57,270  
sort of the Starchild that concepts like

804  
00:40:02,599 --> 00:39:59,820  
the twin flame revolution type of said

805  
00:40:05,420 --> 00:40:02,609  
she she is she believes this David Bowie

806  
00:40:07,670 --> 00:40:05,430  
apart Boleyn and and some of these other

807  
00:40:11,150 --> 00:40:07,680  
Jimi Hendrix of course some of these

808  
00:40:13,570 --> 00:40:11,160  
other musicians were a part a you know

809  
00:40:17,990 --> 00:40:13,580  
part to the Starchild that they were

810  
00:40:20,240 --> 00:40:18,000  
coming here to lift or our vibes I don't

811  
00:40:23,270 --> 00:40:20,250  
know as I say the book I don't know

812  
00:40:26,930 --> 00:40:23,280  
exactly how successful they they were

813  
00:40:29,599 --> 00:40:26,940

because I guess they've all they won't

814

00:40:33,560 --> 00:40:29,609

passed away now you know they certainly

815

00:40:35,810 --> 00:40:33,570

they certainly did have a well if you

816

00:40:38,599 --> 00:40:35,820

follow all of the twin flame stuff on

817

00:40:40,160 --> 00:40:38,609

YouTube which I sometimes go down that

818

00:40:42,980 --> 00:40:40,170

rabbit hole I think that's just really

819

00:40:47,660 --> 00:40:42,990

really toxic and which is a lot of

820

00:40:49,700 --> 00:40:47,670

really unhealthy viewpoints and continue

821

00:40:52,730 --> 00:40:49,710

to people like thinking things and

822

00:40:53,960 --> 00:40:52,740

aren't there a lot of these people say

823

00:40:56,060 --> 00:40:53,970

that like right now there's all these

824

00:40:58,280 --> 00:40:56,070

twin flames reincarnating for the

825

00:41:02,690 --> 00:40:58,290

Ascension it's like another dimension or

826

00:41:04,820 --> 00:41:02,700

some shez so have you been up you were

827

00:41:07,790 --> 00:41:04,830

living in Arizona did you ever go up to

828

00:41:09,770 --> 00:41:07,800

Sedona of course of course I haven't

829

00:41:12,050 --> 00:41:09,780

been in Sedona in a long time but

830

00:41:14,359 --> 00:41:12,060

Sedonas now has a trip because you

831

00:41:16,130 --> 00:41:14,369

literally go you know okay like in New

832

00:41:19,880 --> 00:41:16,140

York there's a Starbucks on every corner

833

00:41:21,770 --> 00:41:19,890

in Arizona there is a in not in Arizona

834

00:41:23,510 --> 00:41:21,780

in Sedona there's like a crystal shop

835

00:41:24,650 --> 00:41:23,520

and a psychic reader on everybody it's

836

00:41:27,260 --> 00:41:24,660

actually here in New York there's a

837

00:41:29,120 --> 00:41:27,270

psychic reader on every corner I detect

838

00:41:33,890 --> 00:41:29,130

that will tell you I'll give you give me

839

00:41:35,750 --> 00:41:33,900

\$400 you lift the curse on our actual

840

00:41:37,640 --> 00:41:35,760

like not that they're necessarily real

841

00:41:38,630 --> 00:41:37,650

but their actual like I'm reading your

842

00:41:42,200 --> 00:41:38,640

tarot cards

843

00:41:45,380 --> 00:41:42,210

the vortex like kind of say well you

844

00:41:49,579 --> 00:41:45,390

know I have I've had two two psychic

845

00:41:51,290 --> 00:41:49,589

experiences in Sedona well maybe more

846

00:41:53,359 --> 00:41:51,300

than that but two of them and they both

847

00:41:57,260 --> 00:41:53,369

took place in the parking lot of the

848

00:42:00,710 --> 00:41:57,270

coffee pot which I can't remember the

849

00:42:02,420 --> 00:42:00,720

police but if there is like the the big

850

00:42:03,859 --> 00:42:02,430

shop or something where he went and

851

00:42:05,060 --> 00:42:03,869

there was like all this naked summer

852

00:42:07,490 --> 00:42:05,070

going there with my friend when I was

853

00:42:09,710 --> 00:42:07,500

like 16 I have to say the ones like you

854

00:42:13,790 --> 00:42:09,720

mention her name was Kabira she's dead

855

00:42:16,130 --> 00:42:13,800

now she was correct because she um my

856

00:42:18,740 --> 00:42:16,140

friends asked if she would ever meet

857

00:42:22,160 --> 00:42:18,750

Skrillex who back then wasn't Skrillex

858

00:42:23,780 --> 00:42:22,170

like pop EDM person he was a rock

859

00:42:25,339 --> 00:42:23,790

musician back then she was a huge fan of

860

00:42:27,050 --> 00:42:25,349

him she has will I ever meet him and in

861

00:42:30,109 --> 00:42:27,060

the psychic said you're gonna meet him

862

00:42:31,880 --> 00:42:30,119

the first week of October so fast

863

00:42:34,160 --> 00:42:31,890

forward like a month later his band

864

00:42:37,220 --> 00:42:34,170

announced tour dates they played Arizona

865

00:42:38,510 --> 00:42:37,230

the first week of October and we she got

866

00:42:40,430 --> 00:42:38,520

to meet him and get her picture with him

867

00:42:41,630 --> 00:42:40,440

so that psychic that was something that

868

00:42:44,150 --> 00:42:41,640

actually came true and there's

869

00:42:46,339 --> 00:42:44,160

absolutely no way this psychic could

870

00:42:49,670 --> 00:42:46,349

have known yeah the tour dates were from

871

00:42:51,080 --> 00:42:49,680

first to last like months and bands so I

872

00:42:52,970 --> 00:42:51,090

mean that was cool but then there was

873

00:42:54,020 --> 00:42:52,980

another psychic we went to who we didn't

874

00:42:55,760 --> 00:42:54,030

even get a reading from because she

875

00:42:58,520 --> 00:42:55,770

scared the hell out of us she had just

876

00:43:00,620 --> 00:42:58,530

this horrible negative bad energy vibe

877

00:43:02,960 --> 00:43:00,630

that we were so scared cuz we were up

878

00:43:05,599 --> 00:43:02,970

there with my mom I'm 16 we actually

879

00:43:06,770 --> 00:43:05,609

asked my mom to please leave Sedona and

880

00:43:08,030 --> 00:43:06,780

we left the next day because we were

881

00:43:09,800 --> 00:43:08,040

supposed to stay for a couple days we

882

00:43:15,400 --> 00:43:09,810

were just so scared of this one psychic

883

00:43:17,930 --> 00:43:15,410

she just creeps us out well you know

884

00:43:20,210 --> 00:43:17,940

there's a fellow up there that we've

885

00:43:23,450 --> 00:43:20,220

written about spend some time with him

886

00:43:26,540 --> 00:43:23,460

and he's got a whole photo album that

887

00:43:29,180 --> 00:43:26,550

he's taken of these weird objects in the

888

00:43:30,589 --> 00:43:29,190

sky most of which seem to be you know

889

00:43:32,839 --> 00:43:30,599

interdimensional as opposed to

890

00:43:34,700 --> 00:43:32,849

spacecraft but when you say you know

891

00:43:36,200 --> 00:43:34,710

interdimensional I don't know what what

892

00:43:38,780 --> 00:43:36,210

that means exactly you know parallel

893

00:43:40,150 --> 00:43:38,790

universes it could be from other planets

894

00:43:42,290 --> 00:43:40,160

that they're crossing through the

895

00:43:45,680 --> 00:43:42,300

vortexes in Sedona because there's

896

00:43:49,760 --> 00:43:45,690

supposed to be you know six or seven of

897

00:43:51,170 --> 00:43:49,770

them there and they've had I mean he

898

00:43:53,210 --> 00:43:51,180

would they would take photographs so

899

00:43:55,550 --> 00:43:53,220

that you have all these orbs would

900

00:43:58,070 --> 00:43:55,560

appear and they had a couple of well

901  
00:44:00,260 --> 00:43:58,080  
there was one area there the Bradshaw

902  
00:44:02,150 --> 00:44:00,270  
ranch where these things were being seen

903  
00:44:04,490 --> 00:44:02,160  
our regular basis and they'd go out at

904  
00:44:06,800 --> 00:44:04,500  
night and all these weird glowing

905  
00:44:08,750 --> 00:44:06,810  
objects you know would appear and then

906  
00:44:10,730 --> 00:44:08,760  
they'd take the camera and take your

907  
00:44:13,849 --> 00:44:10,740  
photographs and things would show up on

908  
00:44:14,550 --> 00:44:13,859  
the on the photographs that they didn't

909  
00:44:16,800 --> 00:44:14,560  
even see

910  
00:44:21,120 --> 00:44:16,810  
they they had distinct shapes I mean it

911  
00:44:23,700 --> 00:44:21,130  
wasn't just like you know some flaw and

912  
00:44:25,140 --> 00:44:23,710  
they on the film or digital or whatever

913  
00:44:28,740 --> 00:44:25,150

however we would do it

914

00:44:30,480 --> 00:44:28,750

now I mean but Tim you and you and I

915

00:44:32,940 --> 00:44:30,490

have I mean we we've written about that

916

00:44:36,440 --> 00:44:32,950

and discuss that over the year over the

917

00:44:39,690 --> 00:44:36,450

years all the activities in Sedona

918

00:44:42,780 --> 00:44:39,700

yes it was a hotbed for UFOs

919

00:44:44,670 --> 00:44:42,790

yeah more so than lunatics but I think

920

00:44:46,770 --> 00:44:44,680

because all its all of the Southwest for

921

00:44:48,600 --> 00:44:46,780

some reason hmm and maybe it's just at

922

00:44:51,180 --> 00:44:48,610

the military like my thought the

923

00:44:53,400 --> 00:44:51,190

military likes to use it to conduct the

924

00:44:55,110 --> 00:44:53,410

test because the template the weather

925

00:44:56,400 --> 00:44:55,120

temperament is pretty good there that's

926

00:44:58,170 --> 00:44:56,410

not a whole lot you know you'll have to

927

00:44:59,040 --> 00:44:58,180

do with hurricanes or any anything

928

00:45:00,150 --> 00:44:59,050

drastic

929

00:45:01,860 --> 00:45:00,160

other than that California has

930

00:45:04,410 --> 00:45:01,870

earthquakes but Arizona and Nevada and

931

00:45:07,680 --> 00:45:04,420

New Mexico have great weather conditions

932

00:45:09,060 --> 00:45:07,690

most of the year but then maybe maybe

933

00:45:10,800 --> 00:45:09,070

it's that the aliens like going there

934

00:45:13,710 --> 00:45:10,810

because it reminds them of Mars who the

935

00:45:17,040 --> 00:45:13,720

hell knows well you know from the air

936

00:45:20,670 --> 00:45:17,050

but from the airplane I bent over parts

937

00:45:24,000 --> 00:45:20,680

of like Arizona and the couple of states

938

00:45:26,160 --> 00:45:24,010

and Nevada and it looks like Mars if you

939

00:45:34,320 --> 00:45:26,170

wanted to do a fake more landing well

940

00:45:36,780 --> 00:45:34,330

that Stanley Kubrick films the moon

941

00:45:38,670 --> 00:45:36,790

landing either on the south somewhere or

942

00:45:41,130 --> 00:45:38,680

they filmed in the Nevada desert which I

943

00:45:43,050 --> 00:45:41,140

would not doubt I I'm I'm one of those

944

00:45:45,060 --> 00:45:43,060

people and it's like we were all

945

00:45:46,860 --> 00:45:45,070

watching after my friend got off his

946

00:45:49,950 --> 00:45:46,870

acid trip we were all watching Eyes Wide

947

00:45:52,260 --> 00:45:49,960

Shut tonight but huh oh yeah I'm a big

948

00:45:55,680 --> 00:45:52,270

big believer in the fact that Stanley

949

00:45:58,530 --> 00:45:55,690

Kubrick probably did it directed the

950

00:46:01,290 --> 00:45:58,540

moon landing well that's that's an

951  
00:46:04,860 --> 00:46:01,300  
interesting theory I mean I've seen the

952  
00:46:07,410 --> 00:46:04,870  
same evidence I don't know I I'm trying

953  
00:46:09,450 --> 00:46:07,420  
to say she actually went to the moon but

954  
00:46:10,740 --> 00:46:09,460  
it is great it is strange that we

955  
00:46:14,310 --> 00:46:10,750  
haven't gone back yet

956  
00:46:16,980 --> 00:46:14,320  
it was coming we're coming up on a

957  
00:46:20,880 --> 00:46:16,990  
commercial break and when we come back

958  
00:46:24,480 --> 00:46:20,890  
Maria is actually going to tell us a UFO

959  
00:46:28,560 --> 00:46:24,490  
experience of someone she knew who was a

960  
00:46:32,370 --> 00:46:28,570  
an American Indian shaman a chief

961  
00:46:37,620 --> 00:46:32,380  
why's AI so she started telling me the

962  
00:46:41,960 --> 00:46:37,630  
the story while we were in the Atlantic

963  
00:46:46,360 --> 00:46:41,970

City but every more details enjoy it and

964

00:46:54,470 --> 00:46:46,370

we'll be back in in just a few minutes

965

00:47:00,300 --> 00:46:57,020

explode bazaars

966

00:47:01,430 --> 00:47:00,310

or e-ticket ride into the world of the

967

00:47:04,740 --> 00:47:01,440

paranormal

968

00:47:09,020 --> 00:47:04,750

strap yourself in as we traverse the

969

00:47:12,140 --> 00:47:09,030

universe exploring the unexplained UFO s

970

00:47:14,520 --> 00:47:12,150

ghosts Lost Worlds

971

00:47:18,390 --> 00:47:14,530

cryptozoology as well as other

972

00:47:23,520 --> 00:47:18,400

dimensions it's time to take back the

973

00:47:26,610 --> 00:47:23,530

night now your electrifying hosts of

974

00:47:31,410 --> 00:47:26,620

exploring the bizarre Timothy Begley and

975

00:47:33,030 --> 00:47:31,420

team sports welcome back to the second

976  
00:47:35,460 --> 00:47:33,040  
hour of exploring the Buzard we're just

977  
00:47:39,800 --> 00:47:35,470  
having a great time tonight our guests

978  
00:47:44,400 --> 00:47:39,810  
are Samantha Scarlett and Maria de

979  
00:47:49,710 --> 00:47:44,410  
Andrea and Maria why don't you finish we

980  
00:47:51,570 --> 00:47:49,720  
had asked you before about shamanism and

981  
00:47:54,210 --> 00:47:51,580  
we had to cut you off for the commercial

982  
00:47:56,700 --> 00:47:54,220  
when you were giving that explanation so

983  
00:48:00,150 --> 00:47:56,710  
why don't you continue that exploration

984  
00:48:02,550 --> 00:48:00,160  
so people at home will be saying [h\_\_h] I

985  
00:48:04,590 --> 00:48:02,560  
know I hate that I hate that what I'm

986  
00:48:07,530 --> 00:48:04,600  
listening to to a show and somebody

987  
00:48:09,270 --> 00:48:07,540  
asked a question and it's really

988  
00:48:10,950 --> 00:48:09,280

interested in the explanation then they

989

00:48:12,090 --> 00:48:10,960

go to a break and then when they come

990

00:48:15,840 --> 00:48:12,100

back they're on a completely different

991

00:48:17,910 --> 00:48:15,850

subject so I want you to I want you to

992

00:48:25,560 --> 00:48:17,920

have the opportunity to finish your

993

00:48:28,170 --> 00:48:25,570

train of thought because people are

994

00:48:30,930 --> 00:48:28,180

experts truly experts in some area

995

00:48:33,540 --> 00:48:30,940

whether it's paranormal or healing or

996

00:48:34,950 --> 00:48:33,550

some other areas psychic and because

997

00:48:37,800 --> 00:48:34,960

they're very good at one thing people

998

00:48:41,250 --> 00:48:37,810

assume that their shaman and they're not

999

00:48:42,750 --> 00:48:41,260

this is it so shamanism in Europe well

1000

00:48:45,270 --> 00:48:42,760

and humbly it's very

1001  
00:48:48,000 --> 00:48:45,280  
because you have to think it originated

1002  
00:48:50,490 --> 00:48:48,010  
in tribal times which means a shaman it

1003  
00:48:53,220 --> 00:48:50,500  
has to be able to do everything that you

1004  
00:48:55,650 --> 00:48:53,230  
can do everything they're not a common

1005  
00:48:56,340 --> 00:48:55,660  
right so that means you have to be a

1006  
00:48:58,830 --> 00:48:56,350  
healer

1007  
00:49:01,230 --> 00:48:58,840  
I do healing you have to be able to do

1008  
00:49:03,780 --> 00:49:01,240  
prophecy for the tribe you know one of

1009  
00:49:05,490 --> 00:49:03,790  
those things where it says you hang a

1010  
00:49:06,500 --> 00:49:05,500  
left of the tree because if you go right

1011  
00:49:10,620 --> 00:49:06,510  
it's quicksand

1012  
00:49:12,510 --> 00:49:10,630  
right so I do reading you have to be a

1013  
00:49:15,390 --> 00:49:12,520

spiritual leader in the tribe I'm an

1014

00:49:17,640 --> 00:49:15,400

interfaith minister you have to be able

1015

00:49:19,320 --> 00:49:17,650

to do weapon people then think of

1016

00:49:21,810 --> 00:49:19,330

shamans like that but if you're if

1017

00:49:23,910 --> 00:49:21,820

you're in Europe if you're a shaman and

1018

00:49:26,670 --> 00:49:23,920

you don't know weapons you're dead so

1019

00:49:30,480 --> 00:49:26,680

it's a little bit different right

1020

00:49:33,480 --> 00:49:30,490

I do archery I do martial arts and then

1021

00:49:35,150 --> 00:49:33,490

of course I do things with the I'm

1022

00:49:37,670 --> 00:49:35,160

always working with the paranormal

1023

00:49:40,170 --> 00:49:37,680

because we're supposed to be able to

1024

00:49:41,880 --> 00:49:40,180

understand herbs and gemstones and

1025

00:49:44,220 --> 00:49:41,890

little different things to attract

1026

00:49:46,230 --> 00:49:44,230

positive things into your life and to

1027

00:49:49,380 --> 00:49:46,240

get rid of negative things in a positive

1028

00:49:51,360 --> 00:49:49,390

way because I'm always saying I only do

1029

00:49:54,390 --> 00:49:51,370

positive because I truly believe in

1030

00:49:57,150 --> 00:49:54,400

karma so I don't do anything in the

1031

00:49:59,160 --> 00:49:57,160

negative way and Tim knows we used to

1032

00:50:01,530 --> 00:49:59,170

talk about it that all those books that

1033

00:50:03,540 --> 00:50:01,540

I have out or if I have some chapter

1034

00:50:05,550 --> 00:50:03,550

somebody else's look I don't like

1035

00:50:07,680 --> 00:50:05,560

negatives because I only teach the

1036

00:50:09,450 --> 00:50:07,690

positive doesn't mean we don't know

1037

00:50:11,870 --> 00:50:09,460

negatives because how else you gonna

1038

00:50:15,960 --> 00:50:11,880

count to had it but I don't teach that

1039

00:50:17,400 --> 00:50:15,970

you know so it's very different you need

1040

00:50:19,590 --> 00:50:17,410

you really need to be able to do

1041

00:50:22,350 --> 00:50:19,600

everything so I always laugh in fact

1042

00:50:25,830 --> 00:50:22,360

both my sons are in professions but

1043

00:50:27,570 --> 00:50:25,840

they've both do healing and manifesting

1044

00:50:31,440 --> 00:50:27,580

and you know they do all this because

1045

00:50:35,550 --> 00:50:31,450

they grew up with me and it's really

1046

00:50:37,170 --> 00:50:35,560

funny because if I go somewhere and I

1047

00:50:39,030 --> 00:50:37,180

say to them well you know do you want to

1048

00:50:42,420 --> 00:50:39,040

know where I'm going because I'm by

1049

00:50:44,460 --> 00:50:42,430

myself and you know just in case and

1050

00:50:47,340 --> 00:50:44,470

they always just laughed with me because

1051  
00:50:49,530 --> 00:50:47,350  
they dig basically tell me that they're

1052  
00:50:53,210 --> 00:50:49,540  
not really worried about me they're

1053  
00:50:56,190 --> 00:50:53,220  
worried about anybody else around me

1054  
00:50:58,230 --> 00:50:56,200  
there's a problem I need to remember

1055  
00:51:07,890 --> 00:50:58,240  
they love me but they don't have bail

1056  
00:51:10,560 --> 00:51:07,900  
money for me right okay and I and I

1057  
00:51:13,020 --> 00:51:10,570  
guess Maria that any time we're not any

1058  
00:51:15,599 --> 00:51:13,030  
time but a lot of times when you are on

1059  
00:51:19,140 --> 00:51:15,609  
other shows other you know like radio

1060  
00:51:22,890 --> 00:51:19,150  
shows especially with hosts that haven't

1061  
00:51:24,270 --> 00:51:22,900  
done their the research on you everyone

1062  
00:51:38,190 --> 00:51:24,280  
seems to think that you're an expert on

1063  
00:51:44,430 --> 00:51:41,190

honestly I know it but what happens is

1064

00:51:46,770 --> 00:51:44,440

it is too slow for me so it's not that

1065

00:51:49,410 --> 00:51:46,780

it's not a good feel for people and just

1066

00:51:52,260 --> 00:51:49,420

too slow for me because apparently the

1067

00:51:54,390 --> 00:51:52,270

universe gets me young patients so if I

1068

00:51:56,910 --> 00:51:54,400

can do the rooms and I can get a

1069

00:52:02,359 --> 00:51:56,920

detailed meeting in two seconds I don't

1070

00:52:07,920 --> 00:52:05,040

how you know I you know people go so but

1071

00:52:10,410 --> 00:52:07,930

yeah you know I we see that you uh you

1072

00:52:20,940 --> 00:52:10,420

know you do the runes and tarot cards so

1073

00:52:25,770 --> 00:52:20,950

what about my astrological sign now and

1074

00:52:32,180 --> 00:52:25,780

no we're flying yeah well I think we

1075

00:52:37,050 --> 00:52:34,980

well bye produced my producers telling

1076  
00:52:40,140 --> 00:52:37,060  
me that we did lose Maria okay so I

1077  
00:52:44,849 --> 00:52:40,150  
guess that will we'll continue talking

1078  
00:52:49,559 --> 00:52:44,859  
with Sammy here until until Maria comes

1079  
00:52:53,309 --> 00:52:49,569  
back see there she is there she's back

1080  
00:52:55,290 --> 00:52:53,319  
again well I see there see there you go

1081  
00:53:00,349 --> 00:52:55,300  
I was May I was making fun of your your

1082  
00:53:06,390 --> 00:53:04,800  
funny I was on a TV show and I had just

1083  
00:53:08,640 --> 00:53:06,400  
a lot of form ahead of time what would

1084  
00:53:09,690 --> 00:53:08,650  
you like to talk about what is it that

1085  
00:53:11,820 --> 00:53:09,700  
you do not

1086  
00:53:13,590 --> 00:53:11,830  
wants to talk about the only thing I

1087  
00:53:16,850 --> 00:53:13,600  
thought was astrology and that's the

1088  
00:53:20,130 --> 00:53:16,860

first thing that guy asked me about

1089

00:53:21,840 --> 00:53:20,140

unlike was that a practical joke and it

1090

00:53:24,240 --> 00:53:21,850

doesn't mean that I don't know it it

1091

00:53:29,310 --> 00:53:24,250

means that I don't want to do it because

1092

00:53:31,290 --> 00:53:29,320

it's too slow for me well that's because

1093

00:53:35,310 --> 00:53:31,300

he was expecting me to get on the air

1094

00:53:40,410 --> 00:53:35,320

and go duh I was like it's like he's

1095

00:53:42,090 --> 00:53:40,420

trying to catch up on something why

1096

00:53:45,180 --> 00:53:42,100

would you ask me would you not want to

1097

00:53:49,830 --> 00:53:45,190

talk about and then let's the only thing

1098

00:53:52,320 --> 00:53:49,840

you bring up is very different but I

1099

00:53:54,480 --> 00:53:52,330

find that if you look at the tribal

1100

00:53:56,730 --> 00:53:54,490

aspect like we were talking about my

1101

00:53:59,640 --> 00:53:56,740

friendship why though

1102

00:54:01,770 --> 00:53:59,650

you know it's very different and you

1103

00:54:05,220 --> 00:54:01,780

know Tim was you know asking me about it

1104

00:54:07,740 --> 00:54:05,230

when we will wait and unfortunately

1105

00:54:10,230 --> 00:54:07,750

chief yl has now passed away years ago

1106

00:54:12,810 --> 00:54:10,240

and he was the chief of the Tuscarora

1107

00:54:14,580 --> 00:54:12,820

tribe in the Carolinas and we were

1108

00:54:16,470 --> 00:54:14,590

really good friends for a long time and

1109

00:54:19,800 --> 00:54:16,480

he called me up one day and he was

1110

00:54:21,780 --> 00:54:19,810

really upset so took up a couple minutes

1111

00:54:23,880 --> 00:54:21,790

to calm down and this is what happened

1112

00:54:26,670 --> 00:54:23,890

he was actually in the Enquirer by the

1113

00:54:31,170 --> 00:54:26,680

way for being over 700 pounds it wasn't

1114

00:54:34,260 --> 00:54:31,180

for being the chief but wonderful

1115

00:54:36,870 --> 00:54:34,270

wonderful wonderful gentleman and he was

1116

00:54:39,090 --> 00:54:36,880

telling me that he was riding in a van

1117

00:54:39,720 --> 00:54:39,100

because of his weight that's why said it

1118

00:54:41,640 --> 00:54:39,730

like that

1119

00:54:44,580 --> 00:54:41,650

and he was writing with some of the

1120

00:54:45,270 --> 00:54:44,590

younger guys from the tribe and as they

1121

00:54:49,200 --> 00:54:45,280

were driving

1122

00:54:51,990 --> 00:54:49,210

he said the USO landed and he told them

1123

00:54:53,940 --> 00:54:52,000

that they need to pull over because he

1124

00:54:58,080 --> 00:54:53,950

needed to go and greet them with their

1125

00:55:00,930 --> 00:54:58,090

normal with with their normal greeting

1126  
00:55:05,340 --> 00:55:00,940  
for the UFO they actually had a greeting

1127  
00:55:06,930 --> 00:55:05,350  
for hundreds of years so exactly what

1128  
00:55:08,790 --> 00:55:06,940  
they're supposed to say when they first

1129  
00:55:11,670 --> 00:55:08,800  
greet the UFOs because it's that

1130  
00:55:14,070 --> 00:55:11,680  
frequent and he said he was very upset

1131  
00:55:20,220 --> 00:55:14,080  
because the guys young guys looked at

1132  
00:55:23,460 --> 00:55:20,230  
him looked at the UFO and took off very

1133  
00:55:25,620 --> 00:55:23,470  
very upset because you didn't understand

1134  
00:55:28,140 --> 00:55:25,630  
what happened to the younger guy because

1135  
00:55:30,720 --> 00:55:28,150  
apparently they know about the ritual it

1136  
00:55:34,520 --> 00:55:30,730  
was called the welcoming ritual and they

1137  
00:55:36,930 --> 00:55:34,530  
know about it why one thing expecting it

1138  
00:55:38,310 --> 00:55:36,940

so he was very angry because he was

1139

00:55:40,560 --> 00:55:38,320

saying he's the chief and nobody

1140

00:55:42,330 --> 00:55:40,570

listened to him to let him off and now

1141

00:55:45,330 --> 00:55:42,340

when they landed they didn't have

1142

00:55:46,109 --> 00:55:45,340

anybody do the welcoming ceremony that's

1143

00:55:47,849 --> 00:55:46,119

too bad

1144

00:55:52,770 --> 00:55:47,859

you know you know we've we've had our

1145

00:55:57,540 --> 00:55:52,780

show before a lady who has done

1146

00:55:59,310 --> 00:55:57,550

extensive interviews of the tribes not

1147

00:56:02,550 --> 00:55:59,320

only here in the United States but in

1148

00:56:07,530 --> 00:56:02,560

Central and South America as well with

1149

00:56:11,550 --> 00:56:07,540

their experiences dealing with UFOs and

1150

00:56:14,750 --> 00:56:11,560

actually you know contacts with the with

1151

00:56:17,849 --> 00:56:14,760

the occupants and a lot of the younger

1152

00:56:21,390 --> 00:56:17,859

generations is kind of like the the guys

1153

00:56:23,849 --> 00:56:21,400

you were just talking about they tend to

1154

00:56:26,700 --> 00:56:23,859

be I suppose that modern influence they

1155

00:56:29,070 --> 00:56:26,710

tend to be freaked out when they have

1156

00:56:32,820 --> 00:56:29,080

these experiences but then the older

1157

00:56:35,220 --> 00:56:32,830

members are a lot more you know they

1158

00:56:37,200 --> 00:56:35,230

still have I guess you know the the

1159

00:56:38,130 --> 00:56:37,210

stories handed down to them you know by

1160

00:56:40,349 --> 00:56:38,140

their grandfathers and

1161

00:56:41,550 --> 00:56:40,359

great-grandfather's on how to deal with

1162

00:56:50,190 --> 00:56:41,560

these kind of situations

1163

00:56:52,980 --> 00:56:50,200

I had a friend Chris you know Chris

1164

00:56:57,750 --> 00:56:52,990

Frantz and a couple of times we went out

1165

00:57:01,710 --> 00:56:57,760

to the Navajo reservation in Arizona

1166

00:57:03,839 --> 00:57:01,720

second Mesa and they were having well we

1167

00:57:06,570 --> 00:57:03,849

talked to some of the the shamans or at

1168

00:57:10,770 --> 00:57:06,580

least one a shaman that lived there and

1169

00:57:13,470 --> 00:57:10,780

they were having a UFO contacts on a

1170

00:57:16,430 --> 00:57:13,480

regular basis there but and they didn't

1171

00:57:19,260 --> 00:57:16,440

like the it the fact after a while that

1172

00:57:22,349 --> 00:57:19,270

you know it was something like the tribe

1173

00:57:25,349 --> 00:57:22,359

had to had the contacts were you know

1174

00:57:27,990 --> 00:57:25,359

many centuries but then all of a sudden

1175

00:57:30,150 --> 00:57:28,000

the outsiders were started coming in and

1176

00:57:33,390 --> 00:57:30,160

trying to bring down the space people

1177

00:57:36,570 --> 00:57:33,400

and it seemed that they were not having

1178

00:57:37,290 --> 00:57:36,580

the same sort of contacts that they had

1179

00:57:40,170 --> 00:57:37,300

previously

1180

00:57:42,900 --> 00:57:40,180

that some of them were were becoming

1181

00:57:47,250 --> 00:57:42,910

rather negative that maybe they had

1182

00:57:50,130 --> 00:57:47,260

attracted a different group of alter

1183

00:57:53,180 --> 00:57:50,140

terrestrials or something and so the

1184

00:57:57,420 --> 00:57:53,190

whole thing broke up and there was some

1185

00:57:59,850 --> 00:57:57,430

discontent among the the tribal you know

1186

00:58:05,870 --> 00:57:59,860

members but Maria did he describe what

1187

00:58:11,190 --> 00:58:09,330

because that was very personal you know

1188

00:58:13,410 --> 00:58:11,200

it's like something that would attract

1189

00:58:16,320 --> 00:58:13,420

the only reason he was telling me things

1190

00:58:18,690 --> 00:58:16,330

is because you know it's shaman - shaman

1191

00:58:20,310 --> 00:58:18,700

so you know don't tell me and there were

1192

00:58:25,890 --> 00:58:20,320

some things that I know that honestly we

1193

00:58:27,750 --> 00:58:25,900

can't pass on to the public uh-huh you

1194

00:58:29,370 --> 00:58:27,760

know and I've been in the paranormal in

1195

00:58:33,060 --> 00:58:29,380

the shamanic field pretty much all my

1196

00:58:36,090 --> 00:58:33,070

life so that's like with the books that

1197

00:58:36,450 --> 00:58:36,100

we do you know with tending with both of

1198

00:58:43,200 --> 00:58:36,460

you

1199

00:58:46,620 --> 00:58:43,210

teaching books so part of have that yes

1200

00:58:48,780 --> 00:58:46,630

you can series so that you can do things

1201  
00:58:51,300 --> 00:58:48,790  
for themselves and pretty much most of

1202  
00:58:53,520 --> 00:58:51,310  
the books are on the level that it gives

1203  
00:58:55,230 --> 00:58:53,530  
you information but they always tell you

1204  
00:58:57,780 --> 00:58:55,240  
things that you can do for yourself

1205  
00:59:00,120 --> 00:58:57,790  
because I truly believe the more you can

1206  
00:59:02,160 --> 00:59:00,130  
do for yourself the letter the world yes

1207  
00:59:04,890 --> 00:59:02,170  
and the more people you can help around

1208  
00:59:09,360 --> 00:59:04,900  
you I think the difference is on a

1209  
00:59:12,570 --> 00:59:09,370  
shamanic level is that most people can I

1210  
00:59:15,330 --> 00:59:12,580  
put this we see what everybody else does

1211  
00:59:17,070 --> 00:59:15,340  
you know the only difference is we see

1212  
00:59:20,190 --> 00:59:17,080  
it in a different way or different

1213  
00:59:22,140 --> 00:59:20,200

perspective so as an example if we don't

1214

00:59:24,330 --> 00:59:22,150

like something we will change it because

1215

00:59:27,210 --> 00:59:24,340

we work with energies and we work with

1216

00:59:29,820 --> 00:59:27,220

the Lords of nature and we always look

1217

00:59:33,720 --> 00:59:29,830

at it as there's an occult law that

1218

00:59:36,690 --> 00:59:33,730

chairs like attracts like so we use that

1219

00:59:41,150 --> 00:59:36,700

consciously to make things happen or to

1220

00:59:45,540 --> 00:59:41,160

avoid things are there any are there any

1221

00:59:48,860 --> 00:59:45,550

are there any are there any spells that

1222

00:59:51,000 --> 00:59:48,870

the listeners can do to make this a

1223

00:59:54,810 --> 00:59:51,010

merrier holiday if for the

1224

00:59:57,600 --> 00:59:54,820

happier Christmas oh sure let's see how

1225

01:00:01,200 --> 00:59:57,610

about how about something in finance we

1226

01:00:04,680 --> 01:00:01,210

can all use money right no not me

1227

01:00:09,840 --> 01:00:04,690

certainly not yeah yeah court you're

1228

01:00:12,750 --> 01:00:09,850

kidding never-ending stream of energy

1229

01:00:15,060 --> 01:00:12,760

consciousness you know so a lot of

1230

01:00:17,280 --> 01:00:15,070

people understand it mentally but you

1231

01:00:20,370 --> 01:00:17,290

really have to know it feel it trust it

1232

01:00:22,200 --> 01:00:20,380

you know and especially when a negative

1233

01:00:23,940 --> 01:00:22,210

situation comes up that's when you

1234

01:00:27,300 --> 01:00:23,950

really have to know that it's going to

1235

01:00:29,040 --> 01:00:27,310

work ok because I find that a lot of

1236

01:00:31,680 --> 01:00:29,050

times when you look at abundance we

1237

01:00:34,110 --> 01:00:31,690

really just call it in it's a little bit

1238

01:00:36,660 --> 01:00:34,120

like sowing a fishing that is an example

1239

01:00:39,510 --> 01:00:36,670

made out of electrons catching abundance

1240

01:00:41,730 --> 01:00:39,520

energy and pulling it in with for you so

1241

01:00:43,980 --> 01:00:41,740

we just do it consciously so that was

1242

01:00:46,200 --> 01:00:43,990

like the simple version so this works

1243

01:00:48,450 --> 01:00:46,210

and I know you guys know about this

1244

01:00:50,310 --> 01:00:48,460

because I've mentioned it before but I

1245

01:00:52,710 --> 01:00:50,320

think one of the easiest things for

1246

01:00:53,970 --> 01:00:52,720

people to do that always works is that

1247

01:00:57,180 --> 01:00:53,980

one what I was telling you guys about

1248

01:01:03,840 --> 01:00:57,190

what the lemon spell is that a good one

1249

01:01:05,460 --> 01:01:03,850

two guys yeah going yes your it is good

1250

01:01:07,080 --> 01:01:05,470

ok

1251

01:01:09,240 --> 01:01:07,090

otherwise I would just use something

1252

01:01:11,940 --> 01:01:09,250

else so this one always works what you

1253

01:01:14,550 --> 01:01:11,950

do it's really easy it's a vibrational

1254

01:01:16,830 --> 01:01:14,560

level so you go to the supermarket we

1255

01:01:18,720 --> 01:01:16,840

make it very easy and non expensive you

1256

01:01:21,030 --> 01:01:18,730

go to the supermarket you get a whole

1257

01:01:22,890 --> 01:01:21,040

lemon you make sure that it doesn't have

1258

01:01:25,800 --> 01:01:22,900

any bruises or any cuts in it which

1259

01:01:28,500 --> 01:01:25,810

isn't as easy as it sounds you take it

1260

01:01:30,000 --> 01:01:28,510

home you don't put it down on any flat

1261

01:01:32,070 --> 01:01:30,010

surface you can leave it in the

1262

01:01:34,470 --> 01:01:32,080

supermarket bag and what you do is you

1263

01:01:36,270 --> 01:01:34,480

take it home and you either tie string

1264

01:01:38,970 --> 01:01:36,280

around it with a loop because we don't

1265

01:01:41,670 --> 01:01:38,980

put any holes in it or you can get a

1266

01:01:44,730 --> 01:01:41,680

coat hanger a metal coat hanger and the

1267

01:01:47,130 --> 01:01:44,740

part where it has the shoulder part you

1268

01:01:50,010 --> 01:01:47,140

just bend them in towards each other so

1269

01:01:53,250 --> 01:01:50,020

you form like a little basket and then

1270

01:01:55,650 --> 01:01:53,260

you still have the hook so you take out

1271

01:01:59,520 --> 01:01:55,660

the lemon from the supermarket bag you

1272

01:02:01,830 --> 01:01:59,530

put it into you know that little basket

1273

01:02:03,930 --> 01:02:01,840

or you tie the string around it and you

1274

01:02:06,480 --> 01:02:03,940

hang it up okay

1275

01:02:09,900 --> 01:02:06,490

within seven to ten days after you hang

1276

01:02:13,890 --> 01:02:09,910

it up you'll either have money coming in

1277

01:02:16,140 --> 01:02:13,900

or the opportunity to make money it

1278

01:02:18,329 --> 01:02:16,150

takes seven kits at within seven to ten

1279

01:02:20,549 --> 01:02:18,339

days now you have to leave it up until

1280

01:02:22,770 --> 01:02:20,559

it gets all dried out which takes longer

1281

01:02:25,559 --> 01:02:22,780

once it gets all dried out you take that

1282

01:02:27,599 --> 01:02:25,569

and you throw it away outside your home

1283

01:02:29,819 --> 01:02:27,609

if you throw it away in your home you

1284

01:02:32,099 --> 01:02:29,829

just cancelled everything so you always

1285

01:02:34,380 --> 01:02:32,109

throw it away outside your if you're an

1286

01:02:36,720 --> 01:02:34,390

apartment you can throw it away in your

1287

01:02:40,140 --> 01:02:36,730

building but still outside your

1288

01:02:42,720 --> 01:02:40,150

apartment and the thing is that we never

1289

01:02:44,849 --> 01:02:42,730

know how it's going to come in so I had

1290

01:02:47,970 --> 01:02:44,859

a gentleman one of my clients was doing

1291

01:02:50,309 --> 01:02:47,980

this and he got a promotion he was

1292

01:02:53,430 --> 01:02:50,319

making major money it everything just

1293

01:02:56,130 --> 01:02:53,440

moved up for him and then I had another

1294

01:02:57,270 --> 01:02:56,140

client and he found like a dollar on the

1295

01:03:02,880 --> 01:02:57,280

street he called me up and he's like

1296

01:03:04,770 --> 01:03:02,890

this is it we never know how and once

1297

01:03:07,289 --> 01:03:04,780

you go through that you can just go out

1298

01:03:10,019 --> 01:03:07,299

and get another the lemon I always laugh

1299

01:03:12,329 --> 01:03:10,029

because obviously in the spiritual field

1300

01:03:15,180 --> 01:03:12,339

that I'm in I don't have a paycheck in a

1301

01:03:17,579 --> 01:03:15,190

nine-to-five job and I tell people I've

1302

01:03:20,279 --> 01:03:17,589

never never not made a bill or gotten

1303

01:03:24,480 --> 01:03:20,289

ahead because I used all these little

1304

01:03:26,430 --> 01:03:24,490

tools and it really works so people that

1305

01:03:28,440 --> 01:03:26,440

are not open to spiritual things or

1306

01:03:31,230 --> 01:03:28,450

understanding working with energy I

1307

01:03:34,170 --> 01:03:31,240

can't explain to them how I survived and

1308

01:03:35,940 --> 01:03:34,180

I'm always moving ahead you know some

1309

01:03:38,480 --> 01:03:35,950

things you just have to know now the

1310

01:03:40,890 --> 01:03:38,490

reason I like the lemon smell is this

1311

01:03:43,289 --> 01:03:40,900

once you have an experience with

1312

01:03:45,180 --> 01:03:43,299

something working then if you try

1313

01:03:47,579 --> 01:03:45,190

something different or something else

1314

01:03:48,779 --> 01:03:47,589

you're going to expect it to work more

1315

01:03:52,680 --> 01:03:48,789

because you've already had the

1316

01:03:55,260 --> 01:03:52,690

experience so that makes sense right the

1317

01:03:57,420 --> 01:03:55,270

more you do it the more you trust it and

1318

01:03:59,190 --> 01:03:57,430

it becomes a circle and you attracted

1319

01:04:01,109 --> 01:03:59,200

more because literally it's just an

1320

01:04:03,510 --> 01:04:01,119

energy student and everything in the

1321

01:04:05,490 --> 01:04:03,520

universe is made up of energy including

1322

01:04:07,200 --> 01:04:05,500

us spirits like you know when I'm

1323

01:04:09,779 --> 01:04:07,210

talking to people that you know an

1324

01:04:12,720 --> 01:04:09,789

example passed away or spirits that have

1325

01:04:14,309 --> 01:04:12,730

never incarnated you know or familiars

1326  
01:04:16,490 --> 01:04:14,319  
or anything else that we're working with

1327  
01:04:17,910 --> 01:04:16,500  
okay everything is just different

1328  
01:04:21,569 --> 01:04:17,920  
vibrational level

1329  
01:04:25,079 --> 01:04:21,579  
of energy like the planet vibrates to a

1330  
01:04:28,470 --> 01:04:25,089  
hundred thousand cycles per second okay

1331  
01:04:30,539 --> 01:04:28,480  
now with people when we're doing healing

1332  
01:04:32,370 --> 01:04:30,549  
our energy matches that of the planet

1333  
01:04:35,280 --> 01:04:32,380  
because we work with scientists and you

1334  
01:04:39,420 --> 01:04:35,290  
can actually test it normally it's about

1335  
01:04:43,640 --> 01:04:39,430  
8090 instead of anything vibrational and

1336  
01:04:46,140 --> 01:04:43,650  
energy I believe that I am a big

1337  
01:04:48,539 --> 01:04:46,150  
practitioner of the law of attraction so

1338  
01:04:52,319 --> 01:04:48,549

I try to do my manifestations I'll

1339

01:04:54,390 --> 01:04:52,329

listen to videos after the discipline

1340

01:04:56,130 --> 01:04:54,400

halls and the by Gnarl's to try to make

1341

01:04:58,319 --> 01:04:56,140

things happen sometimes it works

1342

01:05:01,230 --> 01:04:58,329

sometimes I definitely feel that the law

1343

01:05:03,180 --> 01:05:01,240

of attraction works so I'm I totally

1344

01:05:07,440 --> 01:05:03,190

believe that everything is on a is on a

1345

01:05:10,980 --> 01:05:07,450

vibrating frequency hi Maria do you burn

1346

01:05:14,460 --> 01:05:10,990

area do you burn like a specific color

1347

01:05:16,559 --> 01:05:14,470

the candles when you do rituals well it

1348

01:05:19,920 --> 01:05:16,569

depends on what I'm doing I like the

1349

01:05:21,539 --> 01:05:19,930

lemon you know a lot of what I do

1350

01:05:23,190 --> 01:05:21,549

because I've been doing this all my life

1351

01:05:26,490 --> 01:05:23,200

it's more direct I don't really always

1352

01:05:29,069 --> 01:05:26,500

use - okay but the tools also

1353

01:05:31,049 --> 01:05:29,079

first of all give you focus because if

1354

01:05:32,250 --> 01:05:31,059

you don't have willpower and you don't

1355

01:05:35,339 --> 01:05:32,260

expect it to happen

1356

01:05:37,289 --> 01:05:35,349

you know we create what we think so if

1357

01:05:39,960 --> 01:05:37,299

you're not trying and you're thinking

1358

01:05:42,660 --> 01:05:39,970

well it probably won't work I will

1359

01:05:46,140 --> 01:05:42,670

guarantee it won't work good Jodi can't

1360

01:05:47,400 --> 01:05:46,150

sold it out I say the only the other

1361

01:05:50,339 --> 01:05:47,410

thing I was going to say was that

1362

01:05:53,210 --> 01:05:50,349

anytime did I do anything teaching it or

1363

01:05:55,589 --> 01:05:53,220

anything that I do that deals with

1364

01:05:58,589 --> 01:05:55,599

elementals or the spiritual plane or the

1365

01:06:01,109 --> 01:05:58,599

paranormal I always tell people you need

1366

01:06:03,299 --> 01:06:01,119

to use some form of psychic self-defense

1367

01:06:06,870 --> 01:06:03,309

it doesn't matter if people learn from

1368

01:06:09,059 --> 01:06:06,880

me the my books or the guy down the road

1369

01:06:10,829 --> 01:06:09,069

as long as you use some form of

1370

01:06:13,069 --> 01:06:10,839

protection because you're opening a

1371

01:06:17,970 --> 01:06:13,079

portal a doorway between

1372

01:06:19,950 --> 01:06:17,980

the vibrational energies or the realms

1373

01:06:22,260 --> 01:06:19,960

between man and spirits so if you're

1374

01:06:24,870 --> 01:06:22,270

opening a doorway even if you're calling

1375

01:06:27,930 --> 01:06:24,880

in say a positive deity or a positive

1376

01:06:30,539 --> 01:06:27,940

spirit there's a doorway something can

1377

01:06:31,830 --> 01:06:30,549

hitchhike in with it that you may not be

1378

01:06:33,360 --> 01:06:31,840

expecting

1379

01:06:35,280 --> 01:06:33,370

so I'm always telling people you always

1380

01:06:37,260 --> 01:06:35,290

learn psychic self-defense before you

1381

01:06:39,960 --> 01:06:37,270

play with this because it really can be

1382

01:06:42,030 --> 01:06:39,970

dangerous it's funny that you're asking

1383

01:06:43,310 --> 01:06:42,040

about candles because I went to there's

1384

01:06:45,690 --> 01:06:43,320

a store here in New York called

1385

01:06:51,210 --> 01:06:45,700

enchantments that's the witchcraft store

1386

01:06:52,410 --> 01:06:51,220

oh yeah I got this I got there really

1387

01:06:53,760 --> 01:06:52,420

awesome it's kinda like go into a

1388

01:06:56,250 --> 01:06:53,770

therapy session you tell them what's

1389

01:06:57,930 --> 01:06:56,260

going on and they went with the custom

1390

01:07:00,300 --> 01:06:57,940

candles and then they suggest once I got

1391

01:07:02,850 --> 01:07:00,310

this white candle that had it was for

1392

01:07:05,640 --> 01:07:02,860

like uncrossing it to like settle stuff

1393

01:07:07,770 --> 01:07:05,650

with a friend and I I burned it

1394

01:07:10,050 --> 01:07:07,780

continuously for like I think it burns

1395

01:07:10,860 --> 01:07:10,060

for like six days and I have to say I

1396

01:07:13,470 --> 01:07:10,870

think it works

1397

01:07:15,510 --> 01:07:13,480

I felt is just I got the candle and I

1398

01:07:23,430 --> 01:07:15,520

met with them at the store I felt so

1399

01:07:26,220 --> 01:07:23,440

much better about everything so today

1400

01:07:31,680 --> 01:07:26,230

you're dealing with gemstones is an

1401

01:07:34,800 --> 01:07:31,690

example okay but say you're creating

1402

01:07:36,630 --> 01:07:34,810

like love or you're trying to deal with

1403

01:07:39,570 --> 01:07:36,640

something like travel you're going to

1404

01:07:41,670 --> 01:07:39,580

use a crystal or you're going to use

1405

01:07:45,060 --> 01:07:41,680

codes or something silver if you're

1406

01:07:48,720 --> 01:07:45,070

working on business or divination then

1407

01:07:50,040 --> 01:07:48,730

you're working on agate so you know

1408

01:07:51,780 --> 01:07:50,050

different stones have different

1409

01:07:55,290 --> 01:07:51,790

vibrations partly because of the color

1410

01:07:59,490 --> 01:07:55,300

partly because of the makeup of the

1411

01:08:03,120 --> 01:07:59,500

stone itself you know like like amethyst

1412

01:08:05,130 --> 01:08:03,130

is very good for love now this is funny

1413

01:08:08,430 --> 01:08:05,140

amethyst is really really good for

1414

01:08:12,000 --> 01:08:08,440

parties because it changes the vibration

1415

01:08:13,920 --> 01:08:12,010

so you know you're having a lot of fun

1416

01:08:15,960 --> 01:08:13,930

but you're safe so if you went out in

1417

01:08:19,050 --> 01:08:15,970

the car and you drove you're still going

1418

01:08:22,740 --> 01:08:19,060

to be safe so it's just funny different

1419

01:08:24,630 --> 01:08:22,750

vibrations work in different ways you

1420

01:08:28,700 --> 01:08:24,640

know and the same thing with earth we

1421

01:08:31,050 --> 01:08:28,710

use herbs all the time so it colors

1422

01:08:33,630 --> 01:08:31,060

candle you know we pretty much use

1423

01:08:37,590 --> 01:08:33,640

everything that's connected to nature we

1424

01:08:40,289 --> 01:08:37,600

connect with animals differently you

1425

01:08:42,599 --> 01:08:40,299

know and on the same level if you're

1426

01:08:45,749 --> 01:08:42,609

doing anything shamanic you're really

1427

01:08:48,180 --> 01:08:45,759

working with spirit animals gemstones

1428

01:08:51,079 --> 01:08:48,190

and sometimes spirits that have never

1429

01:08:54,990 --> 01:08:51,089

been in this realm like Archangel

1430

01:08:57,180 --> 01:08:55,000

different vibrational deities so every

1431

01:08:59,249 --> 01:08:57,190

shaman we don't really look at the

1432

01:09:01,829 --> 01:08:59,259

religious aspect and look at and say

1433

01:09:02,970 --> 01:09:01,839

okay we're only dealing with calling and

1434

01:09:06,090 --> 01:09:02,980

deities with this one particular

1435

01:09:08,660 --> 01:09:06,100

religion we look at whatever works at

1436

01:09:11,070 --> 01:09:08,670

that time for that specific situation

1437

01:09:12,809 --> 01:09:11,080

you know I said I'm an interface

1438

01:09:15,749 --> 01:09:12,819

minister but if I'm working on something

1439

01:09:17,610 --> 01:09:15,759

pagan I'm calling in a pagan deity you

1440

01:09:20,039 --> 01:09:17,620

know so it really depends on what you're

1441

01:09:22,950 --> 01:09:20,049

working on and I really feel that

1442

01:09:24,660 --> 01:09:22,960

there's power in what you put out in

1443

01:09:27,749 --> 01:09:24,670

fact we have one on the supernatural

1444

01:09:29,940 --> 01:09:27,759

words of power because whatever you say

1445

01:09:32,490 --> 01:09:29,950

and you repeat whether it's mentally for

1446

01:09:35,010 --> 01:09:32,500

yourself or somebody else often enough

1447

01:09:37,140 --> 01:09:35,020

eventually you're going to create like

1448

01:09:39,030 --> 01:09:37,150

you know how people say oh I always have

1449

01:09:40,380 --> 01:09:39,040

a headache and then when they have a

1450

01:09:43,620 --> 01:09:40,390

headache they're the only ones that are

1451

01:09:46,920 --> 01:09:43,630

surprised that they have one because we

1452

01:09:48,749 --> 01:09:46,930

already knew that was coming in younger

1453

01:09:53,190 --> 01:09:48,759

differences with focus on positive

1454

01:09:54,810 --> 01:09:53,200

things coming in all right well let me

1455

01:09:58,320 --> 01:09:54,820

yeah let me interrupt you here because

1456

01:10:00,840 --> 01:09:58,330

we are going to our bottom of the hour

1457

01:10:03,110 --> 01:10:00,850

break so when we come back to him we

1458

01:10:10,890 --> 01:10:03,120

will continue our conversation with

1459

01:10:14,130 --> 01:10:10,900

Samantha and Maria and and hopefully

1460

01:10:17,910 --> 01:10:14,140

we'll will learn some more amazing

1461

01:10:21,270 --> 01:10:17,920

things about crystals and mind control

1462

01:10:31,120 --> 01:10:21,280

and things like that so stay tuned for

1463

01:10:37,850 --> 01:10:35,270

now back to exploring the bazaars with

1464

01:10:41,150 --> 01:10:37,860

two of the most electrifying researchers

1465

01:10:47,600 --> 01:10:41,160

in the Paranoid your hosts Timothy Becca

1466

01:10:49,850 --> 01:10:47,610

Lee and Kings what's so Tim here we are

1467

01:10:53,000 --> 01:10:49,860

at the bottom of the hour less than a

1468

01:10:54,890 --> 01:10:53,010

half hour left in the show always when

1469

01:11:01,040 --> 01:10:54,900

we're having a good time time just seems

1470

01:11:02,660 --> 01:11:01,050

to fly you could say I'd say we're

1471

01:11:10,240 --> 01:11:02,670

having a you could say we're having a

1472

01:11:16,760 --> 01:11:12,590

well you know that's it's interesting

1473

01:11:27,190 --> 01:11:16,770

point there Samantha because you know

1474

01:11:34,760 --> 01:11:30,910

you know the the CIA actually

1475

01:11:37,790 --> 01:11:34,770

commissioned the Sandoz laboratories you

1476

01:11:41,480 --> 01:11:37,800

know the laboratory that invented LSD

1477

01:11:45,080 --> 01:11:41,490

they commissioned Sandoz to produce like

1478

01:11:50,000 --> 01:11:45,090

you know a million hits of acid for

1479

01:11:52,580 --> 01:11:50,010

their MKULTRA experiments and most most

1480

01:11:56,450 --> 01:11:52,590

of the acid that came in to the United

1481

01:12:09,710 --> 01:11:56,460

States in the 1950s was distributed by

1482

01:12:13,040 --> 01:12:09,720

the CIA even release didn't they even

1483

01:12:15,680 --> 01:12:13,050

release acid there are some kind of a

1484

01:12:20,720 --> 01:12:15,690

psychedelic into the subway system Oh

1485

01:12:27,320 --> 01:12:20,730

God supposedly in New York they're you

1486

01:12:28,670 --> 01:12:27,330

know they've got a you know I mean

1487

01:12:33,980 --> 01:12:28,680

that's you're talking about something

1488

01:12:37,550 --> 01:12:33,990

that happened on the subway today with

1489

01:12:39,740 --> 01:12:37,560

all these crazies out there yes yes

1490

01:12:42,640 --> 01:12:39,750

speaking of the friend of mine that they

1491

01:12:45,010 --> 01:12:42,650

took acid today key words on the subway

1492

01:12:50,860 --> 01:12:45,020

like a day ago riding between the cars

1493

01:12:54,240 --> 01:12:50,870

Oh at least he wasn't riding on top of

1494

01:12:56,800 --> 01:12:54,250

them because that used to be a subway

1495

01:12:59,410 --> 01:12:56,810

subway surfing yeah I haven't done that

1496

01:13:13,800 --> 01:12:59,420

since I was about I haven't done that

1497

01:13:16,360 --> 01:13:13,810

since I was 14 wouldn't work so what now

1498

01:13:19,330 --> 01:13:16,370

Samantha you you have a clothing line

1499

01:13:21,640 --> 01:13:19,340

and that yeah you model your eye I mean

1500

01:13:25,540 --> 01:13:21,650

you have some very wonderful photographs

1501

01:13:31,450 --> 01:13:25,550

of you on Facebook yes yes they do do

1502

01:13:35,050 --> 01:13:31,460

you model your own line I mean actually

1503

01:13:37,030 --> 01:13:35,060

I did like one piece of the line that

1504

01:13:38,860 --> 01:13:37,040

isn't even actually for sale anymore

1505

01:13:40,959 --> 01:13:38,870

it's the only thing I'm really modeled

1506

01:13:43,360 --> 01:13:40,969

for my clothing line I actually used I

1507

01:13:44,500 --> 01:13:43,370

used actually well I used other people

1508

01:13:47,919 --> 01:13:44,510

to model it because I think it's kind of

1509

01:13:49,270 --> 01:13:47,929

better not to I don't know it just

1510

01:13:51,580 --> 01:13:49,280

seemed like a better extension of

1511

01:13:53,500 --> 01:13:51,590

branding to use different models so

1512

01:13:54,790 --> 01:13:53,510

actually if you look most of the photos

1513

01:13:57,459 --> 01:13:54,800

for my clothing line were shot like

1514

01:13:59,470 --> 01:13:57,469

three years ago and when one of the

1515

01:14:01,840 --> 01:13:59,480

models was Bam Margera's wave niki

1516

01:14:05,320 --> 01:14:01,850

Margera she's gorgeous and this other

1517

01:14:06,850 --> 01:14:05,330

girl named Katie and then my friends man

1518

01:14:09,459 --> 01:14:06,860

who's also named Samantha they were on

1519

01:14:12,990 --> 01:14:09,469

the three models they used for MKULTRA

1520

01:14:17,220 --> 01:14:13,000

and I think they did an awesome job but

1521

01:14:20,169 --> 01:14:17,230

yeah most of my stuff is more like just

1522

01:14:22,810 --> 01:14:20,179

you know fun shoots and stuff for my

1523

01:14:24,880 --> 01:14:22,820

music when I do modeling so mm-hmm

1524

01:14:27,610 --> 01:14:24,890

we're aware you are you performing

1525

01:14:29,830 --> 01:14:27,620

anytime as soon in the city no I've

1526

01:14:32,439 --> 01:14:29,840

actually the process of writing and

1527

01:14:34,360 --> 01:14:32,449

recording your stuff I recorded a song

1528

01:14:38,380 --> 01:14:34,370

about a month ago that sensitively

1529

01:14:39,880 --> 01:14:38,390

titled form to love you and then I was

1530

01:14:41,620 --> 01:14:39,890

actually like playing tonight for some

1531

01:14:43,000 --> 01:14:41,630

friends in my lobby we have a baby grand

1532

01:14:46,959 --> 01:14:43,010

piano in the lobby and so I've been

1533

01:14:48,939 --> 01:14:46,969

composing on the baby grands and I this

1534

01:14:54,110 --> 01:14:48,949

new song which I think I'm gonna name it

1535

01:14:58,760 --> 01:14:54,120

live fast die late or something in that

1536

01:15:01,400 --> 01:14:58,770

that vein I plan to record really soon

1537

01:15:02,810 --> 01:15:01,410

I'm just kind of fleshing it out but can

1538

01:15:04,610 --> 01:15:02,820

I make my game plan right now I wasn't

1539

01:15:07,970 --> 01:15:04,620

working on an EP and then I'm gonna film

1540

01:15:10,190 --> 01:15:07,980

a music video and do some more stuff so

1541

01:15:12,770 --> 01:15:10,200

I'm focusing on music I'm doing

1542

01:15:14,350 --> 01:15:12,780

obviously my paranormal radio show

1543

01:15:17,750 --> 01:15:14,360

blackout

1544

01:15:21,110 --> 01:15:17,760

you should write when is your radio show

1545

01:15:23,750 --> 01:15:21,120

on I'm so it's on tomorrow it's on

1546

01:15:27,050 --> 01:15:23,760

Friday nights at 11 p.m. Eastern 8 p.m.

1547

01:15:28,790 --> 01:15:27,060

Pacific on I do be radio but I have some

1548

01:15:30,980 --> 01:15:28,800

other things in the works right now that

1549

01:15:34,700 --> 01:15:30,990

I can't talk about that I was actually

1550

01:15:38,090 --> 01:15:34,710

on a phone call yesterday about so I

1551

01:15:39,290 --> 01:15:38,100

might be to put it like they might be

1552

01:15:42,260 --> 01:15:39,300

moving on to some bigger and better

1553

01:15:44,000 --> 01:15:42,270

things with that so hope I'm hoping this

1554

01:15:45,560 --> 01:15:44,010

pans out because it'd be very exciting

1555

01:15:50,570 --> 01:15:45,570

and if if it does a lot of you guys

1556

01:15:56,810 --> 01:15:50,580

aren't as a guest you you need you need

1557

01:16:02,900 --> 01:15:56,820

you need your own reality show show the

1558

01:16:07,310 --> 01:16:02,910

last two weeks in my life with the

1559

01:16:18,980 --> 01:16:07,320

Kardashians and you have you're much

1560

01:16:21,320 --> 01:16:18,990

prettier to friends and crazy lay here

1561

01:16:25,130 --> 01:16:21,330

in New York and I can't wait to get

1562

01:16:27,290 --> 01:16:25,140

quiet that that's that's that's what

1563

01:16:33,190 --> 01:16:27,300

it's all about living in the in New York

1564

01:16:36,950 --> 01:16:33,200

you were raised in new New Jersey I was

1565

01:16:38,330 --> 01:16:36,960

six okay I hate in New Jersey cuz people

1566

01:16:39,890 --> 01:16:38,340

have misconceptions about New Jersey

1567

01:16:42,110 --> 01:16:39,900

where I'm from in Jersey is Saddle River

1568

01:16:44,240 --> 01:16:42,120

which is like the Beverly Hills of New

1569

01:16:45,680 --> 01:16:44,250

Jersey there's been three reality shows

1570

01:16:50,000 --> 01:16:45,690

shot in Saddle River because it's like

1571

01:16:51,470 --> 01:16:50,010

Kimora Simmons Rev run's ja Rule Rosie

1572

01:16:54,020 --> 01:16:51,480

O'Donnell live down the street from me

1573

01:16:56,210 --> 01:16:54,030

but yes I grew up there till I was six

1574

01:16:58,880 --> 01:16:56,220

then I lived in Arizona in Scottsdale

1575

01:17:00,680 --> 01:16:58,890

Paradise Valley for a long time and I

1576

01:17:03,860 --> 01:17:00,690

come back to New Jersey in the summer

1577

01:17:07,450 --> 01:17:03,870

and then I moved back in late 2013 2014

1578

01:17:12,010 --> 01:17:07,460

to Saddle River and then I just moved in

1579

01:17:14,470 --> 01:17:12,020

to the city in August but I actually had

1580

01:17:17,500 --> 01:17:14,480

lived in the city for briefly back in

1581

01:17:18,610 --> 01:17:17,510

2011 because my dad used to live he

1582

01:17:20,440 --> 01:17:18,620

actually lives in the same building I

1583

01:17:22,479 --> 01:17:20,450

live in now and he was always out of the

1584

01:17:24,790 --> 01:17:22,489

country so I would just assume his

1585

01:17:26,979 --> 01:17:24,800

apartment when he wasn't here but now I

1586

01:17:29,590 --> 01:17:26,989

have my own place and I love my my

1587

01:17:31,000 --> 01:17:29,600

apartment and he plays the has a view of

1588

01:17:32,680 --> 01:17:31,010

the I wake up every morning to the

1589

01:17:34,720 --> 01:17:32,690

Empire State Building and I go to sleep

1590

01:17:37,690 --> 01:17:34,730

seeing the Empire State Building so it's

1591

01:17:39,670 --> 01:17:37,700

kind of amazing well I can't see

1592

01:17:42,160 --> 01:17:39,680

anything now well I never did have a

1593

01:17:43,300 --> 01:17:42,170

view if I go up to the roof I can see

1594

01:17:48,130 --> 01:17:43,310

the Empire State Building because I'm

1595

01:17:51,340 --> 01:17:48,140

looking just a couple blocks away now

1596

01:17:54,940 --> 01:17:51,350

I'm being encroached by skyscrapers I

1597

01:17:59,020 --> 01:17:54,950

mean on one end of the block it's going

1598

01:18:04,120 --> 01:17:59,030

to be 65 stories and on the other end 50

1599

01:18:10,000 --> 01:18:04,130

55 stories I have a vacant I have a

1600

01:18:13,840 --> 01:18:10,010

vacant lot next to me and I'm afraid I

1601  
01:18:16,270 --> 01:18:13,850  
mean Hudson Yards and when my dad lived

1602  
01:18:18,400 --> 01:18:16,280  
in this building his view from his

1603  
01:18:20,320 --> 01:18:18,410  
apartment was you know it was an

1604  
01:18:23,229 --> 01:18:20,330  
encroachment the whole building there

1605  
01:18:26,140 --> 01:18:23,239  
was nothing around here it was tall and

1606  
01:18:28,000 --> 01:18:26,150  
now there's buildings there my my

1607  
01:18:30,370 --> 01:18:28,010  
building is huge my buildings like a 44

1608  
01:18:32,470 --> 01:18:30,380  
floor building there's all these these

1609  
01:18:35,500 --> 01:18:32,480  
huge skyscrapers thankfully beside that

1610  
01:18:37,540 --> 01:18:35,510  
I'm on facing east there's nothing

1611  
01:18:39,400 --> 01:18:37,550  
there's and there's and I've kind of

1612  
01:18:41,080 --> 01:18:39,410  
like I kind of like suss it out I look

1613  
01:18:42,520 --> 01:18:41,090

at what's around thank God I don't think

1614

01:18:44,560 --> 01:18:42,530

there's anything have to tear down some

1615

01:18:46,000 --> 01:18:44,570

buildings to put something up so I don't

1616

01:18:48,670 --> 01:18:46,010

think there's any lots where they can

1617

01:18:51,610 --> 01:18:48,680

build anything that's big enough so that

1618

01:18:53,650 --> 01:18:51,620

struck my vehicle but you know that is

1619

01:18:55,930 --> 01:18:53,660

illegitimate I always I always wonder

1620

01:18:58,630 --> 01:18:55,940

here you know somebody's paying a mucho

1621

01:19:00,880 --> 01:18:58,640

money to have a an apartment in the sky

1622

01:19:02,650 --> 01:19:00,890

scraper thinking that they have a great

1623

01:19:04,479 --> 01:19:02,660

view of Manhattan and then all of a

1624

01:19:09,070 --> 01:19:04,489

sudden somebody's building a building in

1625

01:19:11,950 --> 01:19:09,080

front of them and the eyes of you in my

1626

01:19:13,450 --> 01:19:11,960

on my side of the building it's on

1627

01:19:15,729 --> 01:19:13,460

encouraged but like other people on the

1628

01:19:17,200 --> 01:19:15,739

other side of the building if you're in

1629

01:19:18,729 --> 01:19:17,210

the penthouse on the other side of the

1630

01:19:19,520 --> 01:19:18,739

building they don't have they don't

1631

01:19:20,840 --> 01:19:19,530

really have much of

1632

01:19:22,460 --> 01:19:20,850

you anymore because of some of the new

1633

01:19:24,740 --> 01:19:22,470

Hudson Yards development things like

1634

01:19:27,110 --> 01:19:24,750

when this building open where I live you

1635

01:19:29,350 --> 01:19:27,120

could see all the way down to like the

1636

01:19:32,060 --> 01:19:29,360

Statue of Liberty lower Manhattan on

1637

01:19:34,640 --> 01:19:32,070

obstructed and then now because of these

1638

01:19:36,140 --> 01:19:34,650

huge huge huge towers in in it's not

1639

01:19:41,360 --> 01:19:36,150

like that anymore which is it's too bad

1640

01:19:43,400 --> 01:19:41,370

it's a shame I've been in some

1641

01:19:45,770 --> 01:19:43,410

apartments like you know high-rises are

1642

01:19:47,930 --> 01:19:45,780

skyscrapers but for Central Park

1643

01:19:49,790 --> 01:19:47,940

what a gorgeous what a gorgeous view you

1644

01:19:54,230 --> 01:19:49,800

know overlooking Central Park now that

1645

01:19:56,390 --> 01:19:54,240

that's the that's the view I came so

1646

01:19:58,850 --> 01:19:56,400

close to actually the apartment that I

1647

01:20:01,010 --> 01:19:58,860

originally put in a well there's two

1648

01:20:03,560 --> 01:20:01,020

apartments put in offers on before this

1649

01:20:06,110 --> 01:20:03,570

one and one of them was literally right

1650

01:20:07,910 --> 01:20:06,120

on Central Park West directly across the

1651

01:20:09,590 --> 01:20:07,920

street from the Dakota but that

1652

01:20:11,000 --> 01:20:09,600

apartment was really small and I'm

1653

01:20:16,460 --> 01:20:11,010

thinking together because of a street

1654

01:20:28,670 --> 01:20:16,470

level and I know you you belong to be up

1655

01:20:32,660 --> 01:20:28,680

in the clouds but you know I had I had

1656

01:20:33,830 --> 01:20:32,670

the opportunity to hook up with a friend

1657

01:20:37,880 --> 01:20:33,840

of mine

1658

01:20:42,620 --> 01:20:37,890

Natalie Nasra story who I haven't seen

1659

01:20:47,530 --> 01:20:42,630

in over 40 years she was in a band

1660

01:20:50,570 --> 01:20:47,540

called teenage lust and they played a

1661

01:20:53,240 --> 01:20:50,580

you know this is many many years ago

1662

01:20:57,380 --> 01:20:53,250

they played the Academy of Music and she

1663

01:21:00,050 --> 01:20:57,390

took me to a party that George Harrison

1664

01:21:04,340 --> 01:21:00,060

gave you know from the Beatles for Ravi

1665

01:21:07,400 --> 01:21:04,350

Shankar yeah player and it was the first

1666

01:21:10,150 --> 01:21:07,410

time the first time I had Indian food

1667

01:21:18,980 --> 01:21:10,160

and it was at the I think it was the

1668

01:21:23,570 --> 01:21:18,990

Carlyle Hotel yeah Central Park and it

1669

01:21:25,490 --> 01:21:23,580

was fabulous food and fabulous fun and I

1670

01:21:29,810 --> 01:21:25,500

hadn't said when I started doing this

1671

01:21:32,870 --> 01:21:29,820

book on my friend Wally who was the boy

1672

01:21:34,729 --> 01:21:32,880

which to the rock and rollers I

1673

01:21:38,330 --> 01:21:34,739

started tracking down people that I

1674

01:21:41,090 --> 01:21:38,340

hadn't seen in a while on Facebook so we

1675

01:21:44,030 --> 01:21:41,100

went out and you know hung till the I

1676

01:21:46,580 --> 01:21:44,040

tell he bars closed and you know it was

1677

01:21:48,229 --> 01:21:46,590

good to hook up with and and she's had

1678

01:21:49,970 --> 01:21:48,239

you know like paranormal it's very of

1679

01:21:52,790 --> 01:21:49,980

course there everybody back in those

1680

01:21:54,379 --> 01:21:52,800

days did I I remember I think she was

1681

01:21:56,360 --> 01:21:54,389

telling me it for awhile I always

1682

01:21:58,010 --> 01:21:56,370

wondered why she's always very bubbly

1683

01:21:59,930 --> 01:21:58,020

and outgoing but she always seemed

1684

01:22:01,399 --> 01:21:59,940

hesitant to talk to me and then one

1685

01:22:03,770 --> 01:22:01,409

night I think she told me she said well

1686

01:22:07,120 --> 01:22:03,780

I was a friend of Wally and well a while

1687

01:22:10,100 --> 01:22:07,130

he believed and when he caught like

1688

01:22:11,780 --> 01:22:10,110

reading minds and stuff like that so she

1689

01:22:13,669 --> 01:22:11,790

thought I was reaiiy I could read her

1690

01:22:14,870 --> 01:22:13,679

mind or something well I don't know if

1691

01:22:20,360 --> 01:22:14,880

you could read somebody's mind or not

1692

01:22:22,280 --> 01:22:20,370

how close they have to be suddenly you

1693

01:22:30,290 --> 01:22:22,290

can't read it anymore I don't know Maria

1694

01:22:36,470 --> 01:22:32,800

and it's usually with people that are

1695

01:22:38,870 --> 01:22:36,480

adept at doing the same thing so which

1696

01:22:40,340 --> 01:22:38,880

is well back from saucer life but it

1697

01:22:42,260 --> 01:22:40,350

doesn't matter whether you are it

1698

01:22:44,780 --> 01:22:42,270

doesn't matter if you on the other side

1699

01:22:46,340 --> 01:22:44,790

of the planet it has absolutely your

1700

01:22:53,270 --> 01:22:46,350

location has nothing to do with the

1701

01:22:57,919 --> 01:22:53,280

ability you know okay like writing away

1702

01:23:00,470 --> 01:22:57,929

I I knew people know I there was a

1703

01:23:04,520 --> 01:23:00,480

fellow let me think of when his name was

1704

01:23:06,169 --> 01:23:04,530

Sonny Fox who used to have a TV program

1705

01:23:10,910 --> 01:23:06,179

in New York I think it was one dirham

1706

01:23:13,580 --> 01:23:10,920

like on Saturday or Sunday night now he

1707

01:23:14,930 --> 01:23:13,590

used and I maybe I'm getting the story

1708

01:23:17,680 --> 01:23:14,940

wrong because it's been a long time

1709

01:23:21,620 --> 01:23:17,690

since he told me this but when he was

1710

01:23:23,689 --> 01:23:21,630

maybe held captive during the war III I

1711

01:23:27,290 --> 01:23:23,699

don't remember the detail but he would

1712

01:23:29,419 --> 01:23:27,300

send thoughts to his mother and he would

1713

01:23:32,629 --> 01:23:29,429

they would both like stare up at the

1714

01:23:35,000 --> 01:23:32,639

moon and he was throw his thoughts to

1715

01:23:37,700 --> 01:23:35,010

the moon and it would bounce back to his

1716

01:23:41,360 --> 01:23:37,710

mom and of course the moon is a very

1717

01:23:44,180 --> 01:23:41,370

strong you know what force and I've

1718

01:23:46,760 --> 01:23:44,190

heard yeah other people say that they do

1719

01:23:49,970 --> 01:23:46,770

the same thing but I

1720

01:23:52,220 --> 01:23:49,980

that was in the Navy

1721

01:23:55,370 --> 01:23:52,230

my oldest son Rick and I do that with my

1722

01:23:58,880 --> 01:23:55,380

other son Rob but when my oldest was in

1723

01:24:01,910 --> 01:23:58,890

the Navy he was on a ship and I was

1724

01:24:04,250 --> 01:24:01,920

focused on having him call me right

1725

01:24:06,290 --> 01:24:04,260

and he usually he calls me within a day

1726

01:24:09,350 --> 01:24:06,300

and I'm doing it for two or three days

1727

01:24:12,080 --> 01:24:09,360

he didn't call me and so when he didn't

1728

01:24:14,600 --> 01:24:12,090

call me I'm sending it stronger so I get

1729

01:24:16,550 --> 01:24:14,610

a call from him days later and now he's

1730

01:24:21,050 --> 01:24:16,560

really annoyed with me he's like listen

1731

01:24:23,150 --> 01:24:21,060

I was on the ship there is no phone he

1732

01:24:25,430 --> 01:24:23,160

said I couldn't call you until we landed

1733

01:24:27,740 --> 01:24:25,440

and you know until we got support he

1734

01:24:30,140 --> 01:24:27,750

said something that I hear you the first

1735

01:24:37,730 --> 01:24:30,150

time if I came in to you we're out at

1736

01:24:39,920 --> 01:24:37,740

sea by the time yes he called me you

1737

01:24:45,200 --> 01:24:39,930

know I just figured he wasn't getting

1738

01:24:47,570 --> 01:24:45,210

around to answering I was I would think

1739

01:24:49,700 --> 01:24:47,580

that if I would think that if you you

1740

01:24:51,710 --> 01:24:49,710

know had the ability to read somebody

1741

01:24:53,480 --> 01:24:51,720

else's mind you would have to first have

1742

01:24:56,390 --> 01:24:53,490

some kind of I don't know you know

1743

01:24:58,670 --> 01:24:56,400

physical contact with them first you

1744

01:25:06,020 --> 01:24:58,680

know you have a quantum connection or

1745

01:25:07,970 --> 01:25:06,030

something but you need some form usually

1746

01:25:11,900 --> 01:25:07,980

it works a lot better with people that

1747

01:25:16,190 --> 01:25:11,910

are friends family people that are into

1748

01:25:19,220 --> 01:25:16,200

the paranormal so they can work with

1749

01:25:21,320 --> 01:25:19,230

that energy stream you know it's kind of

1750

01:25:23,660 --> 01:25:21,330

like you know if you're switching

1751

01:25:25,640 --> 01:25:23,670

stations on the radio of you're

1752

01:25:27,790 --> 01:25:25,650

switching channels on TV just hitting

1753

01:25:29,990 --> 01:25:27,800

the right frequency for you in tune so

1754

01:25:33,020 --> 01:25:30,000

usually it's somebody else that can do

1755

01:25:35,180 --> 01:25:33,030

that and a lot of times in the beginning

1756

01:25:39,170 --> 01:25:35,190

you actually set up times to practice

1757

01:25:40,820 --> 01:25:39,180

with each other not all the time I'm

1758

01:25:43,460 --> 01:25:40,830

training I guess you have squares is an

1759

01:25:46,160 --> 01:25:43,470

example that of intimate and then having

1760

01:25:50,390 --> 01:25:46,170

ability you know there are ways and

1761

01:25:54,950 --> 01:25:50,400

practices that you can do it to you know

1762

01:25:56,720 --> 01:25:54,960

hiking the ability so pretty much most

1763

01:25:58,610 --> 01:25:56,730

of the things that we do you can you

1764

01:26:04,530 --> 01:25:58,620

know you really can look that's

1765

01:26:11,859 --> 01:26:08,140

hey Maria when I you and I were on a

1766

01:26:13,990 --> 01:26:11,869

trip there to started putting together a

1767

01:26:16,270 --> 01:26:14,000

book that you're going to be coming out

1768

01:26:22,109 --> 01:26:16,280

with it's on witchcraft the occult and

1769

01:26:25,870 --> 01:26:22,119

how to select your own familiar no yeah

1770

01:26:28,810 --> 01:26:25,880

yeah what else what exactly I mean we

1771

01:26:31,120 --> 01:26:28,820

think of which is the course and black

1772

01:26:31,570 --> 01:26:31,130

cats but there's more to it than that

1773

01:26:35,010 --> 01:26:31,580

right

1774

01:26:37,750 --> 01:26:35,020

mice eventually Adventures of Sabrina

1775

01:26:39,490 --> 01:26:37,760

well first of all we're going we're

1776

01:26:42,339 --> 01:26:39,500

going to make that part of that yes you

1777

01:26:45,459 --> 01:26:42,349

can series yeah that'll make it easier

1778

01:26:46,899 --> 01:26:45,469

for people but basically when you're

1779

01:26:50,080 --> 01:26:46,909

looking at familiars people don't

1780

01:26:51,790 --> 01:26:50,090

realize their power animals sometimes

1781

01:26:55,689 --> 01:26:51,800

they are spirit animals sometimes

1782

01:26:57,580 --> 01:26:55,699

physical their totem so it comes to them

1783

01:27:00,939 --> 01:26:57,590

they come in a lot of different corners

1784

01:27:02,830 --> 01:27:00,949

and it's not always animals so it can be

1785

01:27:05,080 --> 01:27:02,840

an animal it can be a spirit that's

1786

01:27:07,240 --> 01:27:05,090

never incarnated it could be a family

1787

01:27:10,990 --> 01:27:07,250

member okay people don't realize that it

1788

01:27:13,660 --> 01:27:11,000

should be only mainly ancestors so we

1789

01:27:15,820 --> 01:27:13,670

contact in a different way and on a

1790

01:27:19,810 --> 01:27:15,830

shamanic point of view they're looking

1791

01:27:22,030 --> 01:27:19,820

at a lot of times as the more familiars

1792

01:27:24,370 --> 01:27:22,040

that you have just stronger your power

1793

01:27:28,689 --> 01:27:24,380

gets because it helps you against

1794

01:27:30,459 --> 01:27:28,699

weaknesses like health or your mind you

1795

01:27:33,070 --> 01:27:30,469

can get to be really focused when you do

1796

01:27:35,800 --> 01:27:33,080

a lot of things and again we always do

1797

01:27:37,479 --> 01:27:35,810

protection pros but as an example each

1798

01:27:40,450 --> 01:27:37,489

animal has its own abilities and

1799

01:27:43,709 --> 01:27:40,460

knowledge that you can gain from and

1800

01:27:45,370 --> 01:27:43,719

then you use it so you can work with it

1801

01:27:48,490 --> 01:27:45,380

does that make sense

1802

01:27:50,290 --> 01:27:48,500

mm-hmm well let's say it's something

1803

01:27:57,609 --> 01:27:50,300

that I'm not it's something that I'm not

1804

01:28:00,129 --> 01:27:57,619

too familiar with myself you know just

1805

01:28:02,229 --> 01:28:00,139

cut just K it just spews forth from my

1806

01:28:06,220 --> 01:28:02,239

mouth I don't know you might sometimes

1807

01:28:10,600 --> 01:28:06,230

just like uncanny yes okay as an example

1808

01:28:11,979 --> 01:28:10,610

say you take okay and Europe we're

1809

01:28:12,850 --> 01:28:11,989

connected to different animals in

1810

01:28:13,550 --> 01:28:12,860

different ways

1811

01:28:16,280 --> 01:28:13,560

but every

1812

01:28:20,090 --> 01:28:16,290

has their own that they connect to so as

1813

01:28:24,620 --> 01:28:20,100

an example if you're looking at let's

1814

01:28:27,170 --> 01:28:24,630

see a hawk okay if your spirit animal

1815

01:28:29,270 --> 01:28:27,180

happens to be a hawk then what it's

1816

01:28:31,160 --> 01:28:29,280

doing is if you look at the real animal

1817

01:28:33,920 --> 01:28:31,170

or the real bird you're going to look at

1818

01:28:35,780 --> 01:28:33,930

what are the natural skills so people

1819

01:28:37,880 --> 01:28:35,790

always look at spirit animals when they

1820

01:28:39,500 --> 01:28:37,890

go on Google you're not supposed to look

1821

01:28:41,780 --> 01:28:39,510

at spirit animals you have to look at

1822

01:28:43,970 --> 01:28:41,790

the real ones you know because in real

1823

01:28:46,250 --> 01:28:43,980

life it's not the same they added on

1824

01:28:48,380 --> 01:28:46,260

spirit animals and they got cute with it

1825

01:28:50,210 --> 01:28:48,390

and half of it doesn't really work with

1826

01:28:53,390 --> 01:28:50,220

the real animal right so you're looking

1827

01:28:55,850 --> 01:28:53,400

up the trade of Gubbio flock so it has

1828

01:28:58,040 --> 01:28:55,860

hunting skills so in Europe we look at

1829

01:29:00,170 --> 01:28:58,050

it like this hunting skills it's

1830

01:29:03,140 --> 01:29:00,180

invisible to the prey until it's ready

1831

01:29:06,590 --> 01:29:03,150

to attack so it will do that all of a

1832

01:29:08,870 --> 01:29:06,600

sudden so we as people we would use that

1833

01:29:11,050 --> 01:29:08,880

if we have that ability what we gained

1834

01:29:13,190 --> 01:29:11,060

from it is that we can stay on soon

1835

01:29:15,080 --> 01:29:13,200

until if you're hunting and you're

1836

01:29:17,480 --> 01:29:15,090

shooting an arrow you're using a break

1837

01:29:19,250 --> 01:29:17,490

okay so it's like a lightning bolt

1838

01:29:22,160 --> 01:29:19,260

it'll if you're going to move really

1839

01:29:23,840 --> 01:29:22,170

fast on something in business you're

1840

01:29:26,000 --> 01:29:23,850

going to be really good at assessing

1841

01:29:29,420 --> 01:29:26,010

everything and moving instantly when you

1842

01:29:30,830 --> 01:29:29,430

make a decision so that's Hawk energy so

1843

01:29:33,020 --> 01:29:30,840

you're going to look at the traits of

1844

01:29:34,340 --> 01:29:33,030

the animal as an example and you're

1845

01:29:37,190 --> 01:29:34,350

going to say okay these are the traits

1846

01:29:39,380 --> 01:29:37,200

that I like that the animal has so I'm

1847

01:29:41,510 --> 01:29:39,390

going to use them these are the traits

1848

01:29:44,170 --> 01:29:41,520

that the animal has that I don't like so

1849

01:29:47,090 --> 01:29:44,180

we leave that alone

1850

01:29:48,610 --> 01:29:47,100

but you can consciously incorporate it

1851

01:29:50,780 --> 01:29:48,620

because it's part of your energy

1852

01:29:53,270 --> 01:29:50,790

especially if it's a totem it's

1853

01:29:56,330 --> 01:29:53,280

connected to you normally and it does

1854

01:30:00,380 --> 01:29:56,340

not have to be an animal that we

1855

01:30:02,330 --> 01:30:00,390

understand physically like a fox or it

1856

01:30:06,680 --> 01:30:02,340

could be like I have a lot of dragons

1857

01:30:10,940 --> 01:30:06,690

did I deal with because uh you know what

1858

01:30:17,720 --> 01:30:10,950

you're dealing with short form so how

1859

01:30:19,520 --> 01:30:17,730

can you five or six you have could you

1860

01:30:25,030 --> 01:30:19,530

have can you have something like a pig

1861

01:30:27,530 --> 01:30:25,040

as you're familiar yes you can anything

1862

01:30:29,900 --> 01:30:27,540

well you know why I say that because

1863

01:30:32,930 --> 01:30:29,910

people people actually have pigs as pets

1864

01:30:35,780 --> 01:30:32,940

I mean living in the city we don't we

1865

01:30:38,180 --> 01:30:35,790

don't we don't realize that but a friend

1866

01:30:41,510 --> 01:30:38,190

of mine my dear friend Helen she was

1867

01:30:45,260 --> 01:30:41,520

living out in I think it was Santa Santa

1868

01:30:48,620 --> 01:30:45,270

Cruz or Watsonville California and her

1869

01:30:50,480 --> 01:30:48,630

neighbor had a pig I mean it was seen to

1870

01:30:52,940 --> 01:30:50,490

be a play as long as you kept it in a

1871

01:30:57,890 --> 01:30:52,950

lot of mud it seemed to be very playful

1872

01:31:00,590 --> 01:30:57,900

you know I mean basically you can they

1873

01:31:03,290 --> 01:31:00,600

also consider some familiar than a

1874

01:31:05,870 --> 01:31:03,300

physical like somebody has a pet which

1875

01:31:10,850 --> 01:31:05,880

is the most common one but if yes or

1876

01:31:13,190 --> 01:31:10,860

even you can get a lot of connection

1877

01:31:15,200 --> 01:31:13,200

with the physical animal because they

1878

01:31:17,360 --> 01:31:15,210

have a lot of empath feelings so they

1879

01:31:19,610 --> 01:31:17,370

can connect to you and the other way

1880

01:31:22,240 --> 01:31:19,620

around you'll notice like some people

1881

01:31:25,310 --> 01:31:22,250

always gravitate towards the cat or

1882

01:31:27,140 --> 01:31:25,320

whatever the animal is yeah that's what

1883

01:31:29,030 --> 01:31:27,150

it's seen well I think when we think of

1884

01:31:34,430 --> 01:31:29,040

familiars that's what we usually think

1885

01:31:36,080 --> 01:31:34,440

of as a black cat or something but

1886

01:31:38,510 --> 01:31:36,090

usually if there's a particular animal

1887

01:31:40,810 --> 01:31:38,520

you attracted to more than others it's

1888

01:31:43,550 --> 01:31:40,820

because you have some of the same traits

1889

01:31:46,100 --> 01:31:43,560

so if you look at the animal like if you

1890

01:31:49,280 --> 01:31:46,110

look at a fox if you're walking in the

1891

01:31:52,610 --> 01:31:49,290

woods and you follow all right you know

1892

01:31:54,440 --> 01:31:52,620

what temp Maria I hate to cut you up but

1893

01:31:56,270 --> 01:31:54,450

Tim we're getting towards the end of the

1894

01:31:57,050 --> 01:31:56,280

show here we're just about at a at a

1895

01:31:59,960 --> 01:31:57,060

time

1896

01:32:01,880 --> 01:31:59,970

that's right so we better ask our guests

1897

01:32:07,480 --> 01:32:01,890

where our listeners can find out more

1898

01:32:13,130 --> 01:32:10,220

so uh we're not that we're working our

1899

01:32:15,110 --> 01:32:13,140

listeners I find you online and any

1900

01:32:18,320 --> 01:32:15,120

upcoming appearances they go with that

1901

01:32:20,660 --> 01:32:18,330

okay so you guys find me online if you

1902

01:32:25,940 --> 01:32:20,670

google Samantha Scarlett's girl is about

1903

01:32:26,750 --> 01:32:25,950

SC AR le tte I should come right up I'm

1904

01:32:29,360 --> 01:32:26,760

on it

1905

01:32:32,960 --> 01:32:29,370

Instagram Samantha scarlet music Twitter

1906

01:32:34,760 --> 01:32:32,970

is Sammy scarlet basically I'm all on

1907

01:32:38,390 --> 01:32:34,770

pretty much every platform and you can

1908

01:32:41,320 --> 01:32:38,400

find me just google my name yeah

1909

01:32:48,010 --> 01:32:41,330

can't can't miss you just look for the

1910

01:32:49,960 --> 01:32:48,020

babe yeah everything everything Romanian

1911

01:32:51,310 --> 01:32:49,970

show is just blacked out with less still

1912

01:32:52,690 --> 01:32:51,320

black out with us at home black out with

1913

01:32:57,330 --> 01:32:52,700

this Instagram Twitter or whatever it's

1914

01:33:00,130 --> 01:32:57,340

all black out with us hey Maria mm-hmm

1915

01:33:02,860 --> 01:33:00,140

okay if you get on my website it's easy

1916

01:33:05,140 --> 01:33:02,870

it's my first and last name so it's

1917

01:33:10,510 --> 01:33:05,150

movie at the Andrea it's one word it so

1918

01:33:13,930 --> 01:33:10,520

it's ma RI a D a and D or e a dot-com

1919

01:33:18,640 --> 01:33:13,940

that has all my information and my cell

1920

01:33:21,100 --> 01:33:18,650

number is 6 3 1 5 2 4 8 because

1921

01:33:23,380 --> 01:33:21,110

sometimes people like to call and my

1922

01:33:28,600 --> 01:33:23,390

email address is just my first initial

1923

01:33:33,430 --> 01:33:28,610

last name dos M da n grea 100 at

1924

01:33:37,750 --> 01:33:33,440

gmail.com and I'm kind of everywhere so

1925

01:33:40,750 --> 01:33:37,760

it and she give she gives some fantastic

1926

01:33:44,770 --> 01:33:40,760

readings and one forgetting are our

1927

01:33:50,050 --> 01:33:44,780

YouTube channel mr. UFO secret files and

1928

01:33:52,750 --> 01:33:50,060

this will be up shortly our animator

1929

01:33:54,850 --> 01:33:52,760

Peter is a I'm sure going to be working

1930

01:33:57,340 --> 01:33:54,860

on this right away and you'll see us

1931

01:33:59,200 --> 01:33:57,350

live and well kind of live in your

1932

01:34:08,680 --> 01:33:59,210

living room and I want to thank you both

1933

01:34:10,900 --> 01:34:08,690

of you for being on and Kaos is fun we

1934

01:34:11,640 --> 01:34:10,910

could talk about Kaos next time that's

1935

01:34:14,350 --> 01:34:11,650

okay

1936

01:34:17,230 --> 01:34:14,360

all right good night everybody have a

1937

01:34:23,100 --> 01:34:17,240

wonderful weekend and a merry Christmas

1938

01:34:29,140 --> 01:34:25,930

you've been listening to exploring the

1939

01:34:32,650 --> 01:34:29,150

bazaar with hosts Timothy Beckley

1940

01:34:34,960 --> 01:34:32,660

panting Swartz they're taking back the

1941

01:34:37,510 --> 01:34:34,970

night by jetting non-stop across the

1942

01:34:40,810 --> 01:34:37,520

cosmos in search of the truly bizarre

1943

01:34:44,320 --> 01:34:40,820

and totally unexplained with you as

1944

01:34:48,730 --> 01:34:44,330

their cold Thursday nights at 7:00 p.m.

1945

01:34:50,640 --> 01:34:48,740

Pacific 10:00 p.m. Eastern on the K cor

1946

01:34:53,100 --> 01:34:50,650

digital radio

1947

01:34:56,190 --> 01:34:53,110

for more information on exploring the

1948

01:34:58,830 --> 01:34:56,200

bazaars and hosts Timothy Beckley and

1949

01:35:02,010 --> 01:34:58,840

Tim Schwarz check out there k cor

1950

01:35:08,070 --> 01:35:02,020

digital radio network follow their
