

# EXPLORING THE BIZARRE #171 BILL COOPER & FRIENDS

1  
00:00:37,349 --> 00:00:21,830

[Music]

2  
00:00:44,299 --> 00:00:41,849

explore the bazaars or e-ticket ride

3  
00:00:47,579 --> 00:00:44,309

into the world of the paranormal

4  
00:00:51,889 --> 00:00:47,589

strap yourself in as we traverse the

5  
00:00:55,009 --> 00:00:51,899

universe exploring the unexplained UFO s

6  
00:00:57,389 --> 00:00:55,019

ghosts Lost Worlds

7  
00:01:01,259 --> 00:00:57,399

cryptozoology as well as other

8  
00:01:06,389 --> 00:01:01,269

dimensions it's time to take back the

9  
00:01:09,480 --> 00:01:06,399

night now your electrifying hosts of

10  
00:01:17,160 --> 00:01:09,490

exploring the bizarre Timothy Begley and

11  
00:01:19,830 --> 00:01:17,170

team sports hey Tim Tim Backlund what

12  
00:01:25,949 --> 00:01:19,840

are all these documents on your desk

13  
00:01:29,850 --> 00:01:25,959

gosh that's that's quite a pile it's

14

00:01:32,850 --> 00:01:29,860

secret stuff classified documents on all

15

00:01:38,100 --> 00:01:32,860

sorts of conspiracy a large part of it

16

00:01:41,479 --> 00:01:38,110

is all about the UFO mystery okay where

17

00:01:44,009 --> 00:01:41,489

did you get this from

18

00:01:48,229 --> 00:01:44,019

having this kind of material can get you

19

00:01:51,960 --> 00:01:48,239

in a lot of trouble I got it from my

20

00:01:54,029 --> 00:01:51,970

contacts at week leaks it's part of

21

00:01:56,520 --> 00:01:54,039

William Cooper's it's part of William

22

00:01:59,369 --> 00:01:56,530

Cooper's vast collection of papers found

23

00:02:02,490 --> 00:01:59,379

in this hilltop retreat after he was

24

00:02:05,520 --> 00:02:02,500

gunned down by the police okay okay okay

25

00:02:06,979 --> 00:02:05,530

I guess I guess we should save this for

26

00:02:11,880 --> 00:02:06,989

tonight's show

27

00:02:14,910 --> 00:02:11,890

well I I think we we we should so let me

28

00:02:19,860 --> 00:02:14,920

tidy up these documents just a little so

29

00:02:22,830 --> 00:02:19,870

I can refer to them so how are you out

30

00:02:24,720 --> 00:02:22,840

there Tim in Jasper Indiana you get

31

00:02:27,990 --> 00:02:24,730

ready for the big snow yeah we're not

32

00:02:30,330 --> 00:02:28,000

gonna get any snow here no now what do

33

00:02:31,369 --> 00:02:30,340

you live in the Baja live in the Bahamas

34

00:02:33,750 --> 00:02:31,379

or something

35

00:02:37,520 --> 00:02:33,760

now we're just we're just going to get a

36

00:02:40,800 --> 00:02:37,530

lot of rain and and then possibly some

37

00:02:42,479 --> 00:02:40,810

some ice I would prefer the snow over

38

00:02:45,449 --> 00:02:42,489

the ice but we'll just have to say oh

39

00:02:47,580 --> 00:02:45,459

boy that's the problem

40

00:02:51,160 --> 00:02:47,590

making it around New York when you get

41

00:02:53,830 --> 00:02:51,170

this ice it's just like really slip

42

00:02:55,570 --> 00:02:53,840

and you know we're on a block where

43

00:02:59,260 --> 00:02:55,580

there's all this construction going on

44

00:03:02,380 --> 00:02:59,270

and so nobody you know nobody really

45

00:03:04,120 --> 00:03:02,390

shovels it's the ice collects and you

46

00:03:07,210 --> 00:03:04,130

got to kind of hold on to something is

47

00:03:09,850 --> 00:03:07,220

you you scoot down the block but it is

48

00:03:13,990 --> 00:03:09,860

it is you know winter time and in winter

49

00:03:17,020 --> 00:03:14,000

time you have to brave the elements just

50

00:03:17,920 --> 00:03:17,030

like we brave everything in everyday

51  
00:03:21,910 --> 00:03:17,930  
life

52  
00:03:24,900 --> 00:03:21,920  
so I guess well I was going to say maybe

53  
00:03:28,479 --> 00:03:24,910  
you should get your Elon Musk brand

54  
00:03:36,540 --> 00:03:28,489  
flamethrower out and melt the smell and

55  
00:03:38,650 --> 00:03:36,550  
ice absolutely right in the closet I

56  
00:03:41,350 --> 00:03:38,660  
guess we'll make it through you know at

57  
00:03:43,330 --> 00:03:41,360  
least in New York yeah they'll deliver

58  
00:03:44,560 --> 00:03:43,340  
anything you want right to your door

59  
00:03:47,440 --> 00:03:44,570  
I mean you don't have to worry about

60  
00:03:50,860 --> 00:03:47,450  
going hungry or anything I'm I'm right

61  
00:03:54,160 --> 00:03:50,870  
above a Persian restaurant in fact I ate

62  
00:03:57,130 --> 00:03:54,170  
down there yesterday and there's so much

63  
00:04:00,640 --> 00:03:57,140

food I got enough to ask me at least one

64

00:04:02,530 --> 00:04:00,650

day now but anyway we're not here to

65

00:04:06,670 --> 00:04:02,540

talk about the food or Persian

66

00:04:10,080 --> 00:04:06,680

restaurants or or or ice we're here to

67

00:04:12,069 --> 00:04:10,090

talk about matters involving

68

00:04:17,860 --> 00:04:12,079

conspiracies I guess that would be our

69

00:04:21,490 --> 00:04:17,870

main topic tonight sure yeah that that

70

00:04:25,600 --> 00:04:21,500

works for me well we've got two

71

00:04:30,040 --> 00:04:25,610

fantastic guests tonight Tim first of

72

00:04:31,810 --> 00:04:30,050

all we have mark Jacobson now mark is a

73

00:04:34,600 --> 00:04:31,820

well-traveled writer whose work has

74

00:04:36,310 --> 00:04:34,610

appeared in just all kinds of different

75

00:04:39,279 --> 00:04:36,320

magazines including the Village Voice

76  
00:04:42,760 --> 00:04:39,289  
New York magazine Rolling Stone National

77  
00:04:45,400 --> 00:04:42,770  
Geographic Esquire and others he's also

78  
00:04:48,430 --> 00:04:45,410  
the author of three novels and several

79  
00:04:50,440 --> 00:04:48,440  
non-fiction books and and did you know

80  
00:04:53,110 --> 00:04:50,450  
this the the movies American Gangster

81  
00:04:59,320 --> 00:04:53,120  
and the TV show taxi are based off of

82  
00:05:01,719 --> 00:04:59,330  
his work now his new book and his new

83  
00:05:03,770 --> 00:05:01,729  
book which is what we're going to be

84  
00:05:07,940 --> 00:05:03,780  
talking about tonight

85  
00:05:11,240 --> 00:05:07,950  
in in part is a pale horse rider William

86  
00:05:14,690 --> 00:05:11,250  
Cooper the rise of conspiracy and the

87  
00:05:18,260 --> 00:05:14,700  
fall of trust in America so I'm looking

88  
00:05:23,030 --> 00:05:18,270

forward to talking to Marc about this

89

00:05:26,570 --> 00:05:23,040

book now also with us tonight is Stephan

90

00:05:28,970 --> 00:05:26,580

Erdman now Steve having spent a lifetime

91

00:05:31,880 --> 00:05:28,980

living and struggling in the ways and

92

00:05:34,790 --> 00:05:31,890

styles of a born and bred Midwestern er

93

00:05:39,430 --> 00:05:34,800

now wants to share the experiences of

94

00:05:42,470 --> 00:05:39,440

fellow st. Louis st. Lou Lewis ins

95

00:05:45,710 --> 00:05:42,480

people from st. Louis split that way and

96

00:05:48,230 --> 00:05:45,720

those of the Mississippi Basin now he's

97

00:05:51,650 --> 00:05:48,240

written on the paranormal and government

98

00:05:54,280 --> 00:05:51,660

conspiracies for magazines such as probe

99

00:05:58,400 --> 00:05:54,290

the unknown I remember that one last

100

00:06:02,780 --> 00:05:58,410

Gnostic anews beyond reality UFO enigma

101  
00:06:06,320 --> 00:06:02,790  
UFO digest fate magazine UNIX magazine

102  
00:06:09,969 --> 00:06:06,330  
and others and Tim you were saying that

103  
00:06:13,070 --> 00:06:09,979  
you've known Steve for a long time

104  
00:06:17,570 --> 00:06:13,080  
you're missing one publication there the

105  
00:06:19,820 --> 00:06:17,580  
interplanetary news service report right

106  
00:06:23,060 --> 00:06:19,830  
yeah yeah I was grinding out on a

107  
00:06:27,770 --> 00:06:23,070  
mimeograph machine but when I was a teen

108  
00:06:29,870 --> 00:06:27,780  
and and Steve was a contributor and then

109  
00:06:32,030 --> 00:06:29,880  
I I lost touch with him for quite a

110  
00:06:35,510 --> 00:06:32,040  
while and then he he popped up on

111  
00:06:39,620 --> 00:06:35,520  
Facebook and so here we are all tonight

112  
00:06:44,659 --> 00:06:39,630  
this is a grand this is a grand show in

113  
00:06:48,740 --> 00:06:44,669

fact yeah mark is a terrific writer and

114

00:06:50,210 --> 00:06:48,750

you know I met him oh I guess mark what

115

00:06:58,340 --> 00:06:50,220

is about a year and a half ago would you

116

00:07:00,920 --> 00:06:58,350

say longer than that well anyway yeah

117

00:07:04,130 --> 00:07:00,930

you had just started I guess putting a

118

00:07:06,530 --> 00:07:04,140

pen to a paper on this book about

119

00:07:09,020 --> 00:07:06,540

William Cooper and I I guess you realize

120

00:07:10,159 --> 00:07:09,030

that I had through our mutual friend

121

00:07:14,450 --> 00:07:10,169

ratso

122

00:07:16,520 --> 00:07:14,460

you had I guess realized that I had had

123

00:07:17,610 --> 00:07:16,530

several meetings with the bill Cooper

124

00:07:20,159 --> 00:07:17,620

who a

125

00:07:23,010 --> 00:07:20,169

course was a very controversial figure I

126  
00:07:26,730 --> 00:07:23,020  
mean there's no doubt about that at all

127  
00:07:38,580 --> 00:07:26,740  
and I'm sure your your book indicates

128  
00:07:42,360 --> 00:07:38,590  
that is is well yes anyway let's go back

129  
00:07:44,969 --> 00:07:42,370  
to the to the roots of this how with

130  
00:07:47,760 --> 00:07:44,979  
your background here you work for New

131  
00:07:50,700 --> 00:07:47,770  
York magazine and you have some pretty

132  
00:07:53,159 --> 00:07:50,710  
good credentials why did you decide or

133  
00:07:56,610 --> 00:07:53,169  
what fascinated you about Bill Cooper

134  
00:08:02,790 --> 00:07:56,620  
who had many decides to his personality

135  
00:08:08,460 --> 00:08:02,800  
I mean talk about multiple personality

136  
00:08:10,020 --> 00:08:08,470  
called people work through Cooper's well

137  
00:08:11,790 --> 00:08:10,030  
I mean I don't know I mean I never met

138  
00:08:16,409 --> 00:08:11,800

the man of course he's dead by the time

139

00:08:18,719 --> 00:08:16,419

now but actually go Cooper was sort of

140

00:08:21,120 --> 00:08:18,729

like I don't know what my career it

141

00:08:23,730 --> 00:08:21,130

seems like these things I don't really

142

00:08:28,589 --> 00:08:23,740

go after this story and like come back

143

00:08:30,779 --> 00:08:28,599

to me you know what happening then you

144

00:08:32,010 --> 00:08:30,789

kind of feel like oh this this is

145

00:08:35,010 --> 00:08:32,020

something that needs to be dealt with

146

00:08:36,949 --> 00:08:35,020

them my first mid I first heard about

147

00:08:43,440 --> 00:08:36,959

Cooper the first thing I knew about him

148

00:08:47,699 --> 00:08:43,450

was when with 1991 and I was my friend

149

00:08:50,850 --> 00:08:47,709

Hal Conrad who the famous kind of New

150

00:08:52,410 --> 00:08:50,860

York City bon vivant kind of guy used to

151

00:08:55,949 --> 00:08:52,420

be the press agent of the Brooklyn

152

00:08:58,890 --> 00:08:55,959

Dodgers and you know he was muhammad'

153

00:09:00,420 --> 00:08:58,900

out he's pressing again actually he

154

00:09:03,390 --> 00:09:00,430

actually was the promoter of the

155

00:09:07,710 --> 00:09:03,400

Muhammad Ali Sonny Liston fighting

156

00:09:10,920 --> 00:09:07,720

Lewiston Maine which was the one where

157

00:09:14,850 --> 00:09:10,930

anybody brave he was dying right and I

158

00:09:17,730 --> 00:09:14,860

met his son who's there and and he said

159

00:09:20,340 --> 00:09:17,740

how was complete pot smoker and like who

160

00:09:23,699 --> 00:09:20,350

asked was he never said or did you bring

161

00:09:26,190 --> 00:09:23,709

a joint and the West was I had my

162

00:09:28,949 --> 00:09:26,200

run-ins today really his son said I had

163

00:09:30,090 --> 00:09:28,959

to come by the sons house which is not

164

00:09:33,990 --> 00:09:30,100

the partner

165

00:09:35,790 --> 00:09:34,000

from the hospital because we say he has

166

00:09:38,819 --> 00:09:35,800

something really important to filming

167

00:09:41,579 --> 00:09:38,829

and I thought it had to do with his

168

00:09:43,949 --> 00:09:41,589

father but it actually had to do with

169

00:09:47,850 --> 00:09:43,959

William Cooper's videotape

170

00:09:50,939 --> 00:09:47,860

I mean his 6,000 copy of the Zapruder

171

00:09:52,710 --> 00:09:50,949

film was supposedly until the driver

172

00:09:53,519 --> 00:09:52,720

turning around and shooting the

173

00:09:56,220 --> 00:09:53,529

president

174

00:09:58,860 --> 00:09:56,230

and if you smoke enough once you'll

175

00:10:02,730 --> 00:09:58,870

really see this thing happening right so

176

00:10:05,579 --> 00:10:02,740

um so that was like and I said weird

177

00:10:08,730 --> 00:10:05,589

stuff from that the son of my friend

178

00:10:11,699 --> 00:10:08,740

said well it's from William Cooper so I

179

00:10:13,050 --> 00:10:11,709

I just gonna throw that away I didn't

180

00:10:14,670 --> 00:10:13,060

really know much about Belle cooking

181

00:10:17,280 --> 00:10:14,680

time although I was interested in the

182

00:10:23,759 --> 00:10:17,290

assassination things we read you know

183

00:10:26,220 --> 00:10:23,769

people I know welcome it and so I don't

184

00:10:30,240 --> 00:10:26,230

know see you later about there's like

185

00:10:32,309 --> 00:10:30,250

one of the decades later I was only a

186

00:10:34,980 --> 00:10:32,319

couple years with actually I was walking

187

00:10:38,970 --> 00:10:34,990

down the street in Brooklyn there where

188

00:10:42,179 --> 00:10:38,980

I lived and I saw the wu-tang clan guy

189

00:10:42,689 --> 00:10:42,189

ol Dirty Bastard weaving behold the pale

190

00:10:45,150 --> 00:10:42,699

horse

191

00:10:47,699 --> 00:10:45,160

he was just sitting there on a stoop

192

00:10:49,800 --> 00:10:47,709

remember all the pillars imaginary to or

193

00:10:52,050 --> 00:10:49,810

something like that I said well you know

194

00:10:54,480 --> 00:10:52,060

I knew he was because I was a music

195

00:10:56,699 --> 00:10:54,490

critic and I went over and said well hey

196

00:11:00,389 --> 00:10:56,709

man how you doing and you just kind of

197

00:11:02,129 --> 00:11:00,399

looked up to me and said I'm and I said

198

00:11:03,600 --> 00:11:02,139

what book is that he said lose above all

199

00:11:06,300 --> 00:11:03,610

the perilous this is the book you have

200

00:11:08,939 --> 00:11:06,310

to read so then lieutenant that was also

201  
00:11:11,730 --> 00:11:08,949  
by William Cooper so at that point I

202  
00:11:13,620 --> 00:11:11,740  
began to come on my radar and you know

203  
00:11:18,170 --> 00:11:13,630  
it kind of monitored this all alone and

204  
00:11:20,400 --> 00:11:18,180  
then at the time when Donald Trump

205  
00:11:22,860 --> 00:11:20,410  
seemed like he was gonna become the

206  
00:11:24,870 --> 00:11:22,870  
president I thought that way you know it

207  
00:11:26,910 --> 00:11:24,880  
just sort of seemed like all made sense

208  
00:11:29,069 --> 00:11:26,920  
you know I should I should keep coming

209  
00:11:32,370 --> 00:11:29,079  
about Wayne Cooper so that was how he

210  
00:11:35,280 --> 00:11:32,380  
made a man to do this book I hope that

211  
00:11:38,370 --> 00:11:35,290  
wasn't too long-winded no no no not at

212  
00:11:39,990 --> 00:11:38,380  
all but now okay well tell it tell the

213  
00:11:43,939 --> 00:11:40,000

listeners a little bit about Bill Cooper

214

00:11:46,599 --> 00:11:43,949

I you know I knew that bill we had a

215

00:11:51,189 --> 00:11:46,609

somewhat tainted the business

216

00:11:58,280 --> 00:11:54,319

okay well let me tell you he would come

217

00:12:00,739 --> 00:11:58,290

to either San Diego or Phoenix where we

218

00:12:02,599 --> 00:12:00,749

would we were having our conferences and

219

00:12:05,659 --> 00:12:02,609

normally the speaker gives a

220

00:12:07,819 --> 00:12:05,669

presentation and the idea is to hook the

221

00:12:11,619 --> 00:12:07,829

audience into coming to your paid

222

00:12:15,289 --> 00:12:11,629

workshop well he was his he was just

223

00:12:20,479 --> 00:12:15,299

rising in popularity in fact at that

224

00:12:23,150 --> 00:12:20,489

time he was still into him oh yeah the

225

00:12:24,619 --> 00:12:23,160

book yeah the book was out and it but he

226

00:12:27,259 --> 00:12:24,629

was more and she he was still telling

227

00:12:31,159 --> 00:12:27,269

his UFO stories that's how he started

228

00:12:33,650 --> 00:12:31,169

you know with the UFO thing but then but

229

00:12:35,720 --> 00:12:33,660

then I I believe that he got off of that

230

00:12:37,909 --> 00:12:35,730

kick because he realized that there were

231

00:12:40,699 --> 00:12:37,919

there's more money and a political

232

00:12:43,039 --> 00:12:40,709

approach to conspiracies rather than

233

00:12:45,079 --> 00:12:43,049

just selling you know of men from Mars

234

00:12:49,069 --> 00:12:45,089

or something like that so he would he

235

00:12:51,799 --> 00:12:49,079

came and he gave he gave a talk and he

236

00:12:56,119 --> 00:12:51,809

had over a hundred people signed up for

237

00:13:01,639 --> 00:12:56,129

his workshop very successful there were

238

00:13:03,470 --> 00:13:01,649

several works absolutely I you know

239

00:13:06,289 --> 00:13:03,480

tripled the number of people that

240

00:13:10,129 --> 00:13:06,299

anybody else and I would say and it was

241

00:13:11,900 --> 00:13:10,139

a hot day in in Phoenix and we had a

242

00:13:14,569 --> 00:13:11,910

room that I think the capacity was

243

00:13:16,249 --> 00:13:14,579

supposed to be you know like 90 people

244

00:13:17,900 --> 00:13:16,259

or something and there were over a

245

00:13:19,460 --> 00:13:17,910

hundred people in that room and the

246

00:13:22,159 --> 00:13:19,470

walls were hot I mean people that were

247

00:13:23,869 --> 00:13:22,169

like leaning up against the walls were

248

00:13:25,939 --> 00:13:23,879

you know we're we're get and you could

249

00:13:27,559 --> 00:13:25,949

feel the heat coming from outside and he

250

00:13:32,029 --> 00:13:27,569

went out for about five hours

251

00:13:34,129 --> 00:13:32,039

I mean the man was he once he got

252

00:13:36,229 --> 00:13:34,139

rolling he would he would never stop

253

00:13:38,269 --> 00:13:36,239

well that was fine with Mia I made

254

00:13:40,579 --> 00:13:38,279

frankly a couple thousand dollars on it

255

00:13:42,769 --> 00:13:40,589

and and and so did he and I paid him in

256

00:13:45,529 --> 00:13:42,779

a check itself with and so on well I

257

00:13:48,829 --> 00:13:45,539

think we did it a second time but by the

258

00:13:52,220 --> 00:13:48,839

third time I rolled around he refused to

259

00:13:54,559 --> 00:13:52,230

do the the workshop he wouldn't show up

260

00:13:56,960 --> 00:13:54,569

at the the conference even though he was

261

00:13:57,670 --> 00:13:56,970

slated and and booked because he said I

262

00:14:01,710 --> 00:13:57,680

was an A

263

00:14:04,930 --> 00:14:01,720

the IRS well

264

00:14:08,800 --> 00:14:04,940

what proof do we have for that well no

265

00:14:12,190 --> 00:14:08,810

you know what person like that well

266

00:14:15,130 --> 00:14:12,200

because he made so much money I had to

267

00:14:23,800 --> 00:14:15,140

send him a what is it a 1099 or nine w-2

268

00:14:26,560 --> 00:14:23,810

or or whatever form has been responsible

269

00:14:29,880 --> 00:14:26,570

for his income I mean you know I I got

270

00:14:34,329 --> 00:14:29,890

it I draw the line somewhere so he

271

00:14:36,790 --> 00:14:34,339

refuses to show up and after that but he

272

00:14:41,400 --> 00:14:36,800

probably clearly didn't show up because

273

00:14:47,199 --> 00:14:44,579

well you know he well no you know he

274

00:14:53,139 --> 00:14:47,209

hated the IRS and he never paid his

275

00:14:56,260 --> 00:14:53,149

taxes and you know he lived on the top

276

00:14:58,000 --> 00:14:56,270

of the hill and never came down and if

277

00:15:01,930 --> 00:14:58,010

you wanted him send the money you had to

278

00:15:03,850 --> 00:15:01,940

do it in a in the form of a postal money

279

00:15:08,970 --> 00:15:03,860

order anyway I don't want to take away

280

00:15:12,130 --> 00:15:08,980

if this is your story but so I'm very

281

00:15:13,990 --> 00:15:12,140

you know you're some I have a I have a

282

00:15:24,370 --> 00:15:14,000

lot of respect for people with you know

283

00:15:26,920 --> 00:15:24,380

and because he'll give us give the

284

00:15:29,260 --> 00:15:26,930

listeners a little bit of a background

285

00:15:32,110 --> 00:15:29,270

about his military career and what he

286

00:15:33,850 --> 00:15:32,120

actually claimed well I mean the

287

00:15:35,740 --> 00:15:33,860

military stuff is pretty much on the

288

00:15:37,090 --> 00:15:35,750

nose as far as I can tell I mean you

289

00:15:41,170 --> 00:15:37,100

know I just went at this like a regular

290

00:15:42,940 --> 00:15:41,180

reporter that's what I am I'm a regular

291

00:15:44,769 --> 00:15:42,950

journalist I got interested in Bill

292

00:15:47,590 --> 00:15:44,779

copper but I thought he was a timely

293

00:15:50,769 --> 00:15:47,600

figure because what was going on now and

294

00:15:53,670 --> 00:15:50,779

also the historical stuff about him is

295

00:15:57,310 --> 00:15:53,680

fascinating because he existed before

296

00:15:59,530 --> 00:15:57,320

the internet so you know that the idea

297

00:16:02,829 --> 00:15:59,540

of a guy who was doing this conspiracy

298

00:16:04,540 --> 00:16:02,839

stuff in this kind of country in this

299

00:16:07,390 --> 00:16:04,550

world of like but you were talking about

300

00:16:10,330 --> 00:16:07,400

children also again was once you know

301  
00:16:13,000 --> 00:16:10,340  
before 2001 before

302  
00:16:15,850 --> 00:16:13,010  
the World Trade Center your guys doing a

303  
00:16:18,070 --> 00:16:15,860  
whole different bag you know and and he

304  
00:16:21,340 --> 00:16:18,080  
was and he said a lot of these things

305  
00:16:22,810 --> 00:16:21,350  
forward but you know but but the bay the

306  
00:16:24,730 --> 00:16:22,820  
main thing about his military service

307  
00:16:26,350 --> 00:16:24,740  
was what that is really the turning

308  
00:16:29,730 --> 00:16:26,360  
point of bill Cooper's life you know

309  
00:16:32,710 --> 00:16:29,740  
because he's from this military family

310  
00:16:35,079 --> 00:16:32,720  
he's good everybody in his family is

311  
00:16:37,540 --> 00:16:35,089  
like in the Air Force or ordinary and

312  
00:16:41,260 --> 00:16:37,550  
they're like all officers of some type

313  
00:16:42,790 --> 00:16:41,270

now he's obviously not I mean he's a

314

00:16:45,400 --> 00:16:42,800

brilliant guy in a lot of ways but he's

315

00:16:47,470 --> 00:16:45,410

not officer material let's just say that

316

00:16:48,040 --> 00:16:47,480

this is a bad drunk and what kind of

317

00:16:53,890 --> 00:16:48,050

stuff like that

318

00:17:00,190 --> 00:16:53,900

oh and and and and a nasty drunk at that

319

00:17:03,130 --> 00:17:00,200

I mean I he at one time stories yes at

320

00:17:05,050 --> 00:17:03,140

one point we were having a little party

321

00:17:07,660 --> 00:17:05,060

in the room and he got into a fight with

322

00:17:22,740 --> 00:17:07,670

this somebody and started taking off his

323

00:17:35,980 --> 00:17:27,970

was Eric Beck George who had problems of

324

00:17:43,060 --> 00:17:35,990

it that guy was why he went for yes he

325

00:17:45,400 --> 00:17:43,070

did it like everybody else different

326

00:17:47,350 --> 00:17:45,410

story apparently but um you know what I

327

00:17:50,560 --> 00:17:47,360

hear is that they just got in the big

328

00:17:58,210 --> 00:17:50,570

fistfight and convicted not Cooper down

329

00:18:01,930 --> 00:17:58,220

on the ground damn [h\_\_h] I was out on

330

00:18:10,000 --> 00:18:01,940

an alcohol run so I can't I can't say

331

00:18:11,980 --> 00:18:10,010

for sure but that's what he had this

332

00:18:14,190 --> 00:18:11,990

military career and while in the

333

00:18:17,760 --> 00:18:14,200

military he claimed that he saw

334

00:18:20,490 --> 00:18:17,770

documents about UFOs and aliens correct

335

00:18:23,220 --> 00:18:20,500

yes then well the thing is

336

00:18:25,860 --> 00:18:23,230

before you gotta go I'm not gonna take

337

00:18:28,170 --> 00:18:25,870

forever let's do it quick I mean what

338

00:18:29,910 --> 00:18:28,180

happens with Cooper he's desperate to

339

00:18:30,830 --> 00:18:29,920

get into the military goes in the

340

00:18:33,750 --> 00:18:30,840

military

341

00:18:35,730 --> 00:18:33,760

yes seasickness so he can't go in the

342

00:18:38,130 --> 00:18:35,740

Navy where he wants to go he said he

343

00:18:39,570 --> 00:18:38,140

works in the Air Force then he gets out

344

00:18:41,490 --> 00:18:39,580

of the Air Force and goes in the Navy

345

00:18:43,440 --> 00:18:41,500

and was desperate to get to the

346

00:18:45,810 --> 00:18:43,450

frontlines and Vietnam to prove

347

00:18:48,390 --> 00:18:45,820

something you know and they sell him

348

00:18:50,340 --> 00:18:48,400

there and it was it didn't go well I

349

00:18:53,190 --> 00:18:50,350

mean it was like you know he comes back

350

00:18:54,990 --> 00:18:53,200

and he's like you know completely PPS

351

00:18:56,610 --> 00:18:55,000

beat out and I mean you know it didn't

352

00:19:01,500 --> 00:18:56,620

help him didn't do many good that's for

353

00:19:02,940 --> 00:19:01,510

sure and then you know then you know

354

00:19:05,310 --> 00:19:02,950

they kept this kind of shell-shocked

355

00:19:07,500 --> 00:19:05,320

sailor and they and they move him - no -

356

00:19:09,300 --> 00:19:07,510

naval intelligence you know which I

357

00:19:12,270 --> 00:19:09,310

don't understand the military doing that

358

00:19:13,800 --> 00:19:12,280

but that's what happened so he he was

359

00:19:16,530 --> 00:19:13,810

there and while he was in military

360

00:19:18,840 --> 00:19:16,540

intelligence this is one of the great

361

00:19:21,240 --> 00:19:18,850

questions about that Cooper like did he

362

00:19:24,000 --> 00:19:21,250

really see anything or did he make the

363

00:19:26,370 --> 00:19:24,010

whole thing up so like you know and I

364

00:19:27,930 --> 00:19:26,380

don't have an opinion about that one

365

00:19:31,110 --> 00:19:27,940

player the other because I'm just the

366

00:19:34,200 --> 00:19:31,120

writer you know I'm not trying to I'm

367

00:19:37,080 --> 00:19:34,210

just a journalist so like any event what

368

00:19:40,410 --> 00:19:37,090

he said was he found a lot this huge

369

00:19:43,950 --> 00:19:40,420

catch of paper which was a you'd the

370

00:19:48,750 --> 00:19:43,960

whole UFO cover-up saying from now we're

371

00:19:51,090 --> 00:19:48,760

talking about 1975 it was already 25

372

00:19:53,670 --> 00:19:51,100

years worth of coverup and you know more

373

00:19:56,760 --> 00:19:53,680

than that in the UFO thing it's indeed

374

00:19:59,310 --> 00:19:56,770

the stuff that Cooper is seeing is so is

375

00:20:02,100 --> 00:19:59,320

you know so organized as he claimed it

376

00:20:04,710 --> 00:20:02,110

was you know and he you know in the end

377

00:20:09,090 --> 00:20:04,720

all that stuff about these various new

378

00:20:10,860 --> 00:20:09,100

folk organizations and that crazy story

379

00:20:12,480 --> 00:20:10,870

which I don't think he was a real

380

00:20:15,120 --> 00:20:12,490

synthesizer he didn't make a lot of this

381

00:20:16,530 --> 00:20:15,130

stuff up or find anything out by himself

382

00:20:19,470 --> 00:20:16,540

he would just take all this stuff

383

00:20:21,960 --> 00:20:19,480

together and well yes grapevines was

384

00:20:25,560 --> 00:20:21,970

that was that the meeting between the

385

00:20:28,980 --> 00:20:25,570

aliens and Eisenhower at Edwards Air

386

00:20:31,020 --> 00:20:28,990

Force in 1954 which is such a great

387

00:20:32,940 --> 00:20:31,030

story I mean it's just one of the great

388

00:20:34,140 --> 00:20:32,950

stories in the history of conspiracy as

389

00:20:37,320 --> 00:20:34,150

far as I can see

390

00:20:39,600 --> 00:20:37,330

and then plus you know with the extra

391

00:20:42,840 --> 00:20:39,610

added attraction of that story which I

392

00:20:46,500 --> 00:20:42,850

really tickles me I gotta say is that if

393

00:20:51,450 --> 00:20:46,510

you follow that story Eisenhower had to

394

00:20:54,030 --> 00:20:51,460

get away from you know being president

395

00:20:55,590 --> 00:20:54,040

or whatever he was you know 1964 yeah so

396

00:20:57,150 --> 00:20:55,600

we had to have an excuse to disappear

397

00:21:00,570 --> 00:20:57,160

for a while so he said he had to go to

398

00:21:10,950 --> 00:21:00,580

the dentist but his dentist was Timothy

399

00:21:12,960 --> 00:21:10,960

Leary's father whitey I was so if you

400

00:21:16,350 --> 00:21:12,970

want to believe the story about the

401  
00:21:18,510 --> 00:21:16,360  
meeting of the aliens in 1954 you know

402  
00:21:21,990 --> 00:21:18,520  
the cover story about that has to do it

403  
00:21:26,070 --> 00:21:22,000  
to you very you know that the famous the

404  
00:21:29,070 --> 00:21:26,080  
payment elysee doctor well that part is

405  
00:21:31,620 --> 00:21:29,080  
new but the story had been around for

406  
00:21:33,750 --> 00:21:31,630  
many many years

407  
00:21:35,520 --> 00:21:33,760  
it got started there was a group in

408  
00:21:37,860 --> 00:21:35,530  
California which actually still exists

409  
00:21:40,620 --> 00:21:37,870  
called BSR a borderline Sciences

410  
00:21:43,770 --> 00:21:40,630  
Research Association and the head of the

411  
00:21:46,470 --> 00:21:43,780  
group who I believe was Mead Lane at the

412  
00:21:48,780 --> 00:21:46,480  
time got a letter from Gerald light

413  
00:21:50,310 --> 00:21:48,790

which was a pseudonym and he claimed

414

00:21:53,610 --> 00:21:50,320

that he had gone to Edwards Air Force

415

00:21:56,900 --> 00:21:53,620

Base which was Murdoch in those days and

416

00:21:59,250 --> 00:21:56,910

that Eisenhower had seen this craft and

417

00:22:02,480 --> 00:21:59,260

there were other witnesses there with

418

00:22:06,350 --> 00:22:02,490

him including I believe one was a

419

00:22:11,340 --> 00:22:06,360

Catholic a cardinal and somebody from

420

00:22:13,020 --> 00:22:11,350

one of the newspaper chains Gannett or

421

00:22:14,970 --> 00:22:13,030

something like that I don't remember

422

00:22:17,390 --> 00:22:14,980

exactly who the witnesses were but that

423

00:22:21,870 --> 00:22:17,400

story had been making the rounds for

424

00:22:24,930 --> 00:22:21,880

ages now I sold a lot of copies of pale

425

00:22:26,820 --> 00:22:24,940

horse but frankly between you and I as a

426

00:22:29,310 --> 00:22:26,830

publisher and a writer I didn't take

427

00:22:30,690 --> 00:22:29,320

much of the book I mean like you say

428

00:22:33,030 --> 00:22:30,700

it's a little bit of this and it's a

429

00:22:35,880 --> 00:22:33,040

little bit of that and it's whatever you

430

00:22:39,750 --> 00:22:35,890

could throw in to make up enough foot

431

00:22:42,570 --> 00:22:39,760

you know pages to sell it for 2995 or

432

00:22:46,470 --> 00:22:42,580

what-have-you but it was very unusual in

433

00:22:47,940 --> 00:22:46,480

that the the book was being sold on the

434

00:22:51,240 --> 00:22:47,950

the street

435

00:22:55,680 --> 00:22:51,250

but I believe the the group that is a

436

00:22:58,100 --> 00:22:55,690

part of Louis Farrakhan's organization

437

00:23:03,330 --> 00:22:58,110

been through this offensive vicious lon

438

00:23:07,530 --> 00:23:03,340

no it's no Ino realm I behold the pale

439

00:23:09,960 --> 00:23:07,540

horse the book is it's true that the

440

00:23:12,900 --> 00:23:09,970

whole of Paris is why we read among the

441

00:23:15,780 --> 00:23:12,910

Nation of Islam is true it is yes as a

442

00:23:18,750 --> 00:23:15,790

definite rule and yes that indeed many

443

00:23:20,400 --> 00:23:18,760

men and you know you know people are

444

00:23:24,780 --> 00:23:20,410

familiar with this material probably

445

00:23:26,550 --> 00:23:24,790

know who Ralph all right let me

446

00:23:27,690 --> 00:23:26,560

gentlemen let me let me in a little bit

447

00:23:29,430 --> 00:23:27,700

let me interrupt you here because we

448

00:23:30,630 --> 00:23:29,440

have to go to our bottom of the hour

449

00:23:33,000 --> 00:23:30,640

break when we come back we'll continue

450

00:23:39,120 --> 00:23:33,010

our conversation on exploring the

451  
00:23:41,670 --> 00:23:39,130  
bizarre 62 now back to exploring the

452  
00:23:44,040 --> 00:23:41,680  
bizarre with two of the most

453  
00:23:47,820 --> 00:23:44,050  
electrifying researchers in the paranoid

454  
00:23:52,920 --> 00:23:47,830  
your hosts Timothy beckoning panting

455  
00:23:56,160 --> 00:23:52,930  
Swift's and welcome back to exploring

456  
00:23:58,890 --> 00:23:56,170  
the bizarre I'm Tim sports and Tim we're

457  
00:24:01,110 --> 00:23:58,900  
gonna bring Steve Erdman into the

458  
00:24:04,170 --> 00:24:01,120  
conversation now so Steve how you doing

459  
00:24:07,080 --> 00:24:04,180  
tonight alright alright thank you for

460  
00:24:11,100 --> 00:24:07,090  
being with us now I had no idea when I

461  
00:24:14,760 --> 00:24:11,110  
set you up to to be a guest on tonight's

462  
00:24:18,090 --> 00:24:14,770  
show that you and Tim Beckley have known

463  
00:24:22,170 --> 00:24:18,100

each other as as long as you have why

464

00:24:25,980 --> 00:24:22,180

don't you tell us about your your early

465

00:24:28,380 --> 00:24:25,990

days being involved in all this well I

466

00:24:31,460 --> 00:24:28,390

guess that goes back to the age of 15

467

00:24:34,770 --> 00:24:31,470

hmm when I had a UFO sighting and it was

468

00:24:37,020 --> 00:24:34,780

what I would call an unmistakable UFO I

469

00:24:41,190 --> 00:24:37,030

know I've gotten into base with various

470

00:24:43,620 --> 00:24:41,200

friends about what it was and once you

471

00:24:47,300 --> 00:24:43,630

have encountered you had a UFO

472

00:24:49,890 --> 00:24:47,310

experience mine was only a sighting I

473

00:24:53,450 --> 00:24:49,900

don't know I don't have no blackouts or

474

00:24:56,880 --> 00:24:53,460

anything but it was unmistakable and

475

00:24:58,860 --> 00:24:56,890

that was at body age of 15 in fact I

476

00:25:01,710 --> 00:24:58,870

don't know if you remember Steve Reeves

477

00:25:04,230 --> 00:25:01,720

a muscle man they use Amelia

478

00:25:08,909 --> 00:25:04,240

we had gone down to the Fox Theater

479

00:25:10,830 --> 00:25:08,919

uptown and I and two other three other

480

00:25:13,980 --> 00:25:10,840

teenagers one was the next earners in

481

00:25:16,110 --> 00:25:13,990

the neighbors and as it was we decided

482

00:25:18,360 --> 00:25:16,120

to walk and wait for the bus you know at

483

00:25:20,850 --> 00:25:18,370

the same time and of course the bus came

484

00:25:22,169 --> 00:25:20,860

by and we we let it pass us up and I

485

00:25:24,419 --> 00:25:22,179

kept walking and walking

486

00:25:26,759 --> 00:25:24,429

we did that with two or three buses and

487

00:25:32,460 --> 00:25:26,769

we found that we had walked all the way

488

00:25:35,490 --> 00:25:32,470

from Uptown st. Louis to where I lived

489

00:25:36,779 --> 00:25:35,500

and my buddies trailed off various

490

00:25:39,779 --> 00:25:36,789

straights and the next-door neighbor

491

00:25:44,399 --> 00:25:39,789

went in and I we were living in a

492

00:25:47,129 --> 00:25:44,409

Siamese duplex I had a hallway and it

493

00:25:49,169 --> 00:25:47,139

was well after midnight and I walked

494

00:25:51,450 --> 00:25:49,179

down the gangway and I saw the moon

495

00:25:53,850 --> 00:25:51,460

there was a we had two oak tree just on

496

00:25:55,740 --> 00:25:53,860

the other side the gate and this there

497

00:25:58,830 --> 00:25:55,750

was just what I thought was a bright

498

00:26:00,690 --> 00:25:58,840

moon and I unlatch the gate and I

499

00:26:03,539 --> 00:26:00,700

started to walk to the back porch and I

500

00:26:05,549 --> 00:26:03,549

was going to the back door and I said

501  
00:26:10,440 --> 00:26:05,559  
I'll take a look at the moon it's awful

502  
00:26:12,690 --> 00:26:10,450  
bright well it wasn't the moon and I

503  
00:26:16,769 --> 00:26:12,700  
just stood there petrified for a minute

504  
00:26:19,680 --> 00:26:16,779  
and you're you don't your mind doesn't

505  
00:26:22,470 --> 00:26:19,690  
register you know you're not thinking

506  
00:26:25,710 --> 00:26:22,480  
about UFOs or flying saucers anything

507  
00:26:28,499 --> 00:26:25,720  
and it's like what is this huge look

508  
00:26:31,919 --> 00:26:28,509  
like a snow white brilliant blue white

509  
00:26:33,299 --> 00:26:31,929  
dove swept back appearances well you

510  
00:26:36,840 --> 00:26:33,309  
know what's going on here

511  
00:26:39,180 --> 00:26:36,850  
and the odd to begin to a shimmer and

512  
00:26:42,269 --> 00:26:39,190  
Shake and and all of a sudden begin it

513  
00:26:44,610 --> 00:26:42,279

got into a globular shape and start

514

00:26:47,100 --> 00:26:44,620

spinning and it just took off went

515

00:26:50,460 --> 00:26:47,110

straight up in a matter of a second or

516

00:26:51,960 --> 00:26:50,470

two and it was gone mm-hmm and I sat

517

00:26:54,860 --> 00:26:51,970

there in a backboard saying well what

518

00:26:59,970 --> 00:26:54,870

just happened what what did I just see

519

00:27:01,529 --> 00:26:59,980

and of course that it's when you when

520

00:27:04,350 --> 00:27:01,539

you see experienced something like this

521

00:27:08,490 --> 00:27:04,360

it's it's not it kind of owns the night

522

00:27:11,700 --> 00:27:08,500

it's like this is very unreal what I'm

523

00:27:13,690 --> 00:27:11,710

saying isn't normal and it kind of just

524

00:27:16,150 --> 00:27:13,700

possessed me

525

00:27:19,480 --> 00:27:16,160

well that was unmistakable what I would

526

00:27:21,280 --> 00:27:19,490

call UFO and you get feeling you get

527

00:27:24,670 --> 00:27:21,290

very strange feelings when you see

528

00:27:26,680 --> 00:27:24,680

something like this you feel like you're

529

00:27:31,660 --> 00:27:26,690

looking at another reality for a split

530

00:27:33,670 --> 00:27:31,670

second and of course over the years this

531

00:27:36,400 --> 00:27:33,680

started my interest off and I started

532

00:27:38,440 --> 00:27:36,410

reading various publications one was Tim

533

00:27:41,230 --> 00:27:38,450

and I start writing on the topic back

534

00:27:43,480 --> 00:27:41,240

then and I think but I don't know

535

00:27:45,460 --> 00:27:43,490

exactly how old we were back there to

536

00:27:48,160 --> 00:27:45,470

him I guess about eventually when we

537

00:27:49,060 --> 00:27:48,170

start I start writing for you and other

538

00:27:52,510 --> 00:27:49,070

publications

539

00:27:56,950 --> 00:27:52,520

I guess about 17 years of age I can't

540

00:27:59,470 --> 00:27:56,960

exactly pinpoint it anymore but then I

541

00:28:02,050 --> 00:27:59,480

put my own publication out called the

542

00:28:05,260 --> 00:28:02,060

center disinterred and it was about

543

00:28:08,550 --> 00:28:05,270

conspiracies and things and UFOs and

544

00:28:12,730 --> 00:28:08,560

various well I guess we would call

545

00:28:14,290 --> 00:28:12,740

revolutionary ideas then and I was back

546

00:28:17,980 --> 00:28:14,300

in the Vietnam War

547

00:28:23,500 --> 00:28:17,990

well let me let me let me ask you for

548

00:28:27,850 --> 00:28:23,510

our listeners who maybe aren't enough to

549

00:28:31,810 --> 00:28:27,860

remember a pre-internet how did you come

550

00:28:36,550 --> 00:28:31,820

across your information to to put in

551

00:28:39,280 --> 00:28:36,560

your newsletters I guess a library and

552

00:28:43,840 --> 00:28:39,290

in publications you know like Tim's and

553

00:28:47,500 --> 00:28:43,850

different publications and what we

554

00:28:50,170 --> 00:28:47,510

swapped newsletters and remember see we

555

00:28:55,390 --> 00:28:50,180

used to send out like letters and made

556

00:28:58,450 --> 00:28:55,400

seven carbons of them yeah you'd have a

557

00:29:00,850 --> 00:28:58,460

hard time reading it but and then once a

558

00:29:04,320 --> 00:29:00,860

while the conference call but basically

559

00:29:06,760 --> 00:29:04,330

carbon paper was the Internet of the day

560

00:29:08,530 --> 00:29:06,770

well now you know what I was younger I

561

00:29:11,530 --> 00:29:08,540

used to subscribe to a couple of

562

00:29:14,640 --> 00:29:11,540

newspaper clipping services now did you

563

00:29:17,890 --> 00:29:14,650

use anything like that yeah there was a

564

00:29:21,250 --> 00:29:17,900

Lou Fairy shadek a clipping service you

565

00:29:25,020 --> 00:29:21,260

could purchase and he of course Lou Lou

566

00:29:29,810 --> 00:29:27,470

collector of em for me

567

00:29:32,810 --> 00:29:29,820

you remember I think he had a file on

568

00:29:35,620 --> 00:29:32,820

the airship mystery around the turn of

569

00:29:39,260 --> 00:29:35,630

the century remember the airships in

570

00:29:42,740 --> 00:29:39,270

1896 or so you know a large file on that

571

00:29:44,930 --> 00:29:42,750

and I had a friend mr. Davis wrote he

572

00:29:47,540 --> 00:29:44,940

was into astronomy but then it began to

573

00:29:49,430 --> 00:29:47,550

get interested in UFOs and collecting

574

00:29:52,100 --> 00:29:49,440

information and he had a he had

575

00:29:55,910 --> 00:29:52,110

purchased that from Lou Farish the file

576

00:29:58,700 --> 00:29:55,920

on the airships and of course we had

577

00:30:00,830 --> 00:29:58,710

correspond with Jerome Clark remembered

578

00:30:03,320 --> 00:30:00,840

Roy yeah he's been he's been on the show

579

00:30:05,150 --> 00:30:03,330

a couple times yeah oh yeah yeah yeah

580

00:30:08,450 --> 00:30:05,160

well they were we kind of had our own

581

00:30:11,480 --> 00:30:08,460

little community back then you know and

582

00:30:13,730 --> 00:30:11,490

we kept in touch with each other and one

583

00:30:15,410 --> 00:30:13,740

thing led to the other and then through

584

00:30:17,090 --> 00:30:15,420

Dave and a few other people we found

585

00:30:19,820 --> 00:30:17,100

that there was a lot of people

586

00:30:22,490 --> 00:30:19,830

interested in UFOs in st. Louis and some

587

00:30:25,880 --> 00:30:22,500

of them were engineers and one we got

588

00:30:30,410 --> 00:30:25,890

together with his once engineer John

589

00:30:33,260 --> 00:30:30,420

Schuessler you know John yeah and he

590

00:30:35,210 --> 00:30:33,270

became the president it was up in my

591

00:30:37,900 --> 00:30:35,220

apartment in the front room

592

00:30:41,180 --> 00:30:37,910

we all discussed and and we wrote up a

593

00:30:43,430 --> 00:30:41,190

news flyer we put out and we all decided

594

00:30:46,400 --> 00:30:43,440

well we come on organization here and

595

00:30:50,870 --> 00:30:46,410

John was a president the UFO study group

596

00:30:52,880 --> 00:30:50,880

of greater st. Louis and then one of our

597

00:30:55,370 --> 00:30:52,890

members although he wasn't a founding

598

00:31:00,320 --> 00:30:55,380

member was Walt Andrus you know Walt

599

00:31:02,030 --> 00:31:00,330

Walt Andrews the founder of MUFON you

600

00:31:05,060 --> 00:31:02,040

know of course John moved over to there

601  
00:31:06,860 --> 00:31:05,070  
our group eventually kind of I got away

602  
00:31:09,890 --> 00:31:06,870  
from it when I was hit with a divorce

603  
00:31:13,040 --> 00:31:09,900  
and you know a divorce in America is an

604  
00:31:15,560 --> 00:31:13,050  
ugly thing with lawyers and those nasty

605  
00:31:20,330 --> 00:31:15,570  
creatures and in alimony and all stuff

606  
00:31:22,820 --> 00:31:20,340  
like that and I started get back into

607  
00:31:25,520 --> 00:31:22,830  
the UFO picture again about set in the

608  
00:31:28,070 --> 00:31:25,530  
70s and I wrote a few articles like

609  
00:31:29,780 --> 00:31:28,080  
probe beyond only I think I wrote two

610  
00:31:32,720 --> 00:31:29,790  
articles for him one was on two yooba

611  
00:31:35,570 --> 00:31:32,730  
dooba magnesium fragments oh that's a

612  
00:31:38,630 --> 00:31:35,580  
great case yeah yeah and I think they've

613  
00:31:42,890 --> 00:31:38,640

actually a Sturrock

614

00:31:45,710 --> 00:31:42,900

I forget his first name Sturrock kept on

615

00:31:48,080 --> 00:31:45,720

that case and I think they're coming up

616

00:31:50,180 --> 00:31:48,090

with some new revelations there they

617

00:31:53,150 --> 00:31:50,190

looked into some of these fragments and

618

00:31:55,280 --> 00:31:53,160

the Pentagon they're storing and they

619

00:31:56,960 --> 00:31:55,290

found I think that yooba dooba fragment

620

00:32:00,820 --> 00:31:56,970

what remained of it they found some more

621

00:32:08,470 --> 00:32:06,860

David Marlar of the UM of he's got a his

622

00:32:12,950 --> 00:32:08,480

archives have been purchased by a

623

00:32:14,600 --> 00:32:12,960

university and we had a meeting with him

624

00:32:17,750 --> 00:32:14,610

just recently and he said they've

625

00:32:19,130 --> 00:32:17,760

they're historic and his companions are

626  
00:32:22,159 --> 00:32:19,140  
going to come out with some new findings

627  
00:32:24,909 --> 00:32:22,169  
on he's what they call a pair of medals

628  
00:32:27,560 --> 00:32:24,919  
they had in storage in the Pentagon and

629  
00:32:29,299 --> 00:32:27,570  
he said that sometime the mill the years

630  
00:32:32,360 --> 00:32:29,309  
are going to come out some astounding

631  
00:32:35,600 --> 00:32:32,370  
information but you know that gets into

632  
00:32:38,780 --> 00:32:35,610  
the nature of UFOs what exactly UFOs are

633  
00:32:40,940 --> 00:32:38,790  
and I I don't think there's one source

634  
00:32:44,980 --> 00:32:40,950  
for the UFOs I think there's a number of

635  
00:32:49,610 --> 00:32:44,990  
things going on it's a multi causal

636  
00:32:50,690 --> 00:32:49,620  
phenomena that ranges from one end of

637  
00:32:52,909 --> 00:32:50,700  
the scale to the other

638  
00:32:56,390 --> 00:32:52,919

I think there's black projects I think

639

00:32:57,770 --> 00:32:56,400

we got UFOs of our own the the legend

640

00:33:01,720 --> 00:32:57,780

goes yet we've gotten some of this

641

00:33:05,360 --> 00:33:01,730

knowledge from extraterrestrials but

642

00:33:08,270 --> 00:33:05,370

where you draw the line at between the

643

00:33:11,950 --> 00:33:08,280

different causes there's obviously a

644

00:33:15,560 --> 00:33:11,960

piercing psychological aspect to it all

645

00:33:20,030 --> 00:33:15,570

and because it's all it's all contained

646

00:33:23,750 --> 00:33:20,040

in hidden organizations black operations

647

00:33:26,210 --> 00:33:23,760

secret or groups you don't get a good

648

00:33:29,720 --> 00:33:26,220

picture of it it's to piecemeal you know

649

00:33:33,669 --> 00:33:29,730

you don't get an idea where one end

650

00:33:41,180 --> 00:33:38,450

we I think back in 73 sometime around

651  
00:33:44,510 --> 00:33:41,190  
then the study group got involved with

652  
00:33:48,799 --> 00:33:44,520  
cattle mutilation up in Ellsbury

653  
00:33:52,500 --> 00:33:48,809  
Missouri you remember him oh yeah Chris

654  
00:33:55,470 --> 00:33:52,510  
O'Brien on the wedding a week or two

655  
00:34:01,920 --> 00:33:55,480  
a text next week him and morale high

656  
00:34:05,160 --> 00:34:01,930  
power that's gonna be a great show back

657  
00:34:07,830 --> 00:34:05,170  
then the ketamine relation wasn't was

658  
00:34:10,920 --> 00:34:07,840  
inner internet eyes you know and we had

659  
00:34:13,880 --> 00:34:10,930  
gone up there to investigate the the

660  
00:34:16,500 --> 00:34:13,890  
situation and took a team up there and

661  
00:34:21,270 --> 00:34:16,510  
went and looked at the cows and all this

662  
00:34:22,830 --> 00:34:21,280  
and but consequently after that I got

663  
00:34:24,810 --> 00:34:22,840

really interested in it and I got in

664

00:34:28,200 --> 00:34:24,820

some clipping services nicer Billy a

665

00:34:31,890 --> 00:34:28,210

file on cattle me you men mentioned men

666

00:34:35,460 --> 00:34:31,900

you remember Tom Adams oh yeah yeah sure

667

00:34:38,190 --> 00:34:35,470

yeah delay he put yeah he had he put out

668

00:34:41,940 --> 00:34:38,200

a newsletter or was it stigmata or

669

00:34:43,950 --> 00:34:41,950

something yeah well he sent me a lot of

670

00:34:46,410 --> 00:34:43,960

photographs and clippings and I start

671

00:34:49,130 --> 00:34:46,420

were setting out we invented a

672

00:34:52,470 --> 00:34:49,140

subcommittee of a study group the

673

00:34:53,940 --> 00:34:52,480

National animal mutilation group and we

674

00:34:56,370 --> 00:34:53,950

sent out questionnaires at different

675

00:34:59,700 --> 00:34:56,380

farmers and sheriffs and I start

676

00:35:02,790 --> 00:34:59,710

building up a nice little file and I

677

00:35:05,190 --> 00:35:02,800

recently wrote an article for UFO digest

678

00:35:08,910 --> 00:35:05,200

on on the some of those files which

679

00:35:11,130 --> 00:35:08,920

remained here in my garage but we went

680

00:35:13,650 --> 00:35:11,140

up there on Sky with Sky Watch trips and

681

00:35:18,060 --> 00:35:13,660

him I don't know if you'd know a Barbara

682

00:35:21,150 --> 00:35:18,070

Becker she's part of MUFON mmm goodbye

683

00:35:24,090 --> 00:35:21,160

I'm not - I'm not too big on the the

684

00:35:26,850 --> 00:35:24,100

MUFON crowd I've I've never been a

685

00:35:29,340 --> 00:35:26,860

member and a couple of times I've had

686

00:35:34,580 --> 00:35:29,350

some kind of harsh dealings with the

687

00:35:42,060 --> 00:35:36,270

well-characterized them in any

688

00:35:44,310 --> 00:35:42,070

particular way to me really I know for a

689

00:35:46,770 --> 00:35:44,320

long time they were very what we would

690

00:35:51,000 --> 00:35:46,780

call nuts and bolts you know spaceships

691

00:35:52,260 --> 00:35:51,010

and nothing paranormal but now now I see

692

00:35:56,220 --> 00:35:52,270

wouldn't you say it's different because

693

00:35:59,220 --> 00:35:56,230

each of the of the subcommittee's or

694

00:36:01,320 --> 00:35:59,230

local organizations seem to have the

695

00:36:03,089 --> 00:36:01,330

right to to believe in pretty much what

696

00:36:04,890 --> 00:36:03,099

they want

697

00:36:06,599 --> 00:36:04,900

well I just think people are getting

698

00:36:10,650 --> 00:36:06,609

more progressive and they're thinking

699

00:36:14,249 --> 00:36:10,660

and as parapsychology is getting be more

700

00:36:16,620 --> 00:36:14,259

of a science in fact there was a book

701

00:36:21,079 --> 00:36:16,630

I'm reviewing it now for different

702

00:36:24,630 --> 00:36:21,089

publications by Robbie Graham and it's

703

00:36:28,529 --> 00:36:24,640

it's called reframing UFOs the debate

704

00:36:31,229 --> 00:36:28,539

and it's a bunch of fourteen essays by

705

00:36:38,190 --> 00:36:31,239

different you apologists that kind of

706

00:36:39,719 --> 00:36:38,200

point out the the faults or the some of

707

00:36:44,460 --> 00:36:39,729

the miss thinking that people have

708

00:36:47,099 --> 00:36:44,470

gotten over UFOs and the ETH theory has

709

00:36:49,259 --> 00:36:47,109

always been kind of a standard well you

710

00:36:51,989 --> 00:36:49,269

know and since they can't prove we're

711

00:36:53,969 --> 00:36:51,999

being visited by extraterrestrials it's

712

00:36:55,410 --> 00:36:53,979

you know they don't get the concrete

713

00:36:59,190 --> 00:36:55,420

proof they want they just kind of

714

00:37:01,739 --> 00:36:59,200

dismiss it but these these SAS kind of

715

00:37:04,229 --> 00:37:01,749

believe we're not we're not thinking

716

00:37:05,999 --> 00:37:04,239

we're not asking the right questions and

717

00:37:08,729 --> 00:37:06,009

if you don't ask the right questions you

718

00:37:10,529 --> 00:37:08,739

won't get any good answers the

719

00:37:14,039 --> 00:37:10,539

extra-terrestrial theory is interesting

720

00:37:16,739 --> 00:37:14,049

it may if here's the thing we don't we

721

00:37:22,709 --> 00:37:16,749

you know we're kind of using very

722

00:37:24,870 --> 00:37:22,719

parochial thinking first of all you ask

723

00:37:27,479 --> 00:37:24,880

you know what kind of it what kind of a

724

00:37:29,729 --> 00:37:27,489

extra Crusher would travel light-years

725

00:37:32,219 --> 00:37:29,739

that come here and even have that

726  
00:37:35,519 --> 00:37:32,229  
capability and then come here just to do

727  
00:37:38,489 --> 00:37:35,529  
silly things antics yeah yeah yeah very

728  
00:37:41,009 --> 00:37:38,499  
silly and not even talk to you you know

729  
00:37:43,380 --> 00:37:41,019  
what was the point and honey was

730  
00:37:45,059 --> 00:37:43,390  
starting to get away from that you know

731  
00:37:47,039 --> 00:37:45,069  
he started out thinking well he was a

732  
00:37:50,009 --> 00:37:47,049  
skeptic and then after a while they said

733  
00:37:51,779 --> 00:37:50,019  
well you know we want to see if there's

734  
00:37:53,459 --> 00:37:51,789  
something to the spaceship theory you

735  
00:37:56,729 --> 00:37:53,469  
know we want you to look into it and

736  
00:37:59,900 --> 00:37:56,739  
help us and after a while and I wrote an

737  
00:38:02,759 --> 00:37:59,910  
article on this too after a while he

738  
00:38:04,950 --> 00:38:02,769

started getting away from the nuts and

739

00:38:07,380 --> 00:38:04,960

bolts theory saying Hume the way the way

740

00:38:08,999 --> 00:38:07,390

these things act you know when you

741

00:38:12,599 --> 00:38:09,009

investigate him you talk to people

742

00:38:15,239 --> 00:38:12,609

there's other things going on besides of

743

00:38:16,500 --> 00:38:15,249

metal spaceships if they are metal

744

00:38:19,050 --> 00:38:16,510

spaceships the

745

00:38:21,300 --> 00:38:19,060

sure they had you're using a magic

746

00:38:22,980 --> 00:38:21,310

technology because they can do things

747

00:38:25,770 --> 00:38:22,990

they're only like an apparition or

748

00:38:28,740 --> 00:38:25,780

ghosts can do and they sometimes they

749

00:38:31,140 --> 00:38:28,750

act like ghosts or apparitions so it

750

00:38:33,480 --> 00:38:31,150

kind of that would make anybody begin to

751

00:38:37,140 --> 00:38:33,490

question you know what are we dealing

752

00:38:40,560 --> 00:38:37,150

with you know now you know spaceships

753

00:38:43,710 --> 00:38:40,570

that's a nice idea but it's just an idea

754

00:38:46,800 --> 00:38:43,720

and it doesn't fit all the facts well

755

00:38:49,650 --> 00:38:46,810

you know my feeling on this is and of

756

00:38:53,510 --> 00:38:49,660

course I I think that I have some

757

00:38:57,180 --> 00:38:53,520

evidence for this is that you know the

758

00:39:01,410 --> 00:38:57,190

US government bought all these Nazi

759

00:39:04,590 --> 00:39:01,420

scientists and engineers over over after

760

00:39:08,340 --> 00:39:04,600

the wars part of Project Paperclip and

761

00:39:11,400 --> 00:39:08,350

as we know as we know the the Germans

762

00:39:13,140 --> 00:39:11,410

were working on their own technology and

763

00:39:17,130 --> 00:39:13,150

I think it was headed in a different

764

00:39:19,760 --> 00:39:17,140

direction than our rocketry program so

765

00:39:23,400 --> 00:39:19,770

they bought these scientists over here

766

00:39:24,750 --> 00:39:23,410

versus our gravitons well whatever they

767

00:39:28,400 --> 00:39:24,760

were doing whatever they were doing they

768

00:39:34,410 --> 00:39:31,050

technology which was separate from ours

769

00:39:37,680 --> 00:39:34,420

and for some reason this technology has

770

00:39:39,960 --> 00:39:37,690

been has remained a in most secret part

771

00:39:41,940 --> 00:39:39,970

of the secret space program as some

772

00:39:44,430 --> 00:39:41,950

people say and I think some of these

773

00:39:45,390 --> 00:39:44,440

early incidents like Roswell if they

774

00:39:46,890 --> 00:39:45,400

really happen

775

00:39:48,510 --> 00:39:46,900

the government would rather have you

776

00:39:50,580 --> 00:39:48,520

believe that there are extraterrestrials

777

00:39:53,870 --> 00:39:50,590

than have to admit that they were in

778

00:40:01,850 --> 00:39:53,880

collusion with the Nazis I mean that's

779

00:40:06,660 --> 00:40:04,230

yeah absolutely

780

00:40:08,700 --> 00:40:06,670

now the question is what has happened

781

00:40:11,460 --> 00:40:08,710

since then okay you got Roswell and you

782

00:40:14,220 --> 00:40:11,470

have a few of these other UFO crashes

783

00:40:16,920 --> 00:40:14,230

how do you explain the the so-called

784

00:40:19,410 --> 00:40:16,930

aliens that were on onboard well I'm not

785

00:40:21,690 --> 00:40:19,420

sure there were aliens but if an object

786

00:40:24,240 --> 00:40:21,700

crashes it's easy to get a couple of

787

00:40:25,590 --> 00:40:24,250

dummies make up a couple of dummies and

788

00:40:27,210 --> 00:40:25,600

throw them in the wreckage and people

789

00:40:28,770 --> 00:40:27,220

will think that they're I mean they do

790

00:40:30,390 --> 00:40:28,780

it in Hollywood all the time I mean

791

00:40:32,130 --> 00:40:30,400

these things look pretty realistic

792

00:40:34,740 --> 00:40:32,140

so you throw a couple of dummies in the

793

00:40:36,930 --> 00:40:34,750

wreckage and and people see this the

794

00:40:39,690 --> 00:40:36,940

next day and they think well you know

795

00:40:41,340 --> 00:40:39,700

these are little green men from Mars or

796

00:40:43,410 --> 00:40:41,350

something and they they're not even

797

00:40:45,720 --> 00:40:43,420

alive you know I mean if there was

798

00:40:47,210 --> 00:40:45,730

anybody on board the craft the craft

799

00:40:49,830 --> 00:40:47,220

where they were German scientists

800

00:40:52,170 --> 00:40:49,840

scientists are not they they you know

801  
00:40:54,600 --> 00:40:52,180  
whisk them away plus a lot of the early

802  
00:40:57,270 --> 00:40:54,610  
contact ESO Steve as you probably know

803  
00:41:00,180 --> 00:40:57,280  
they they claimed that they went on

804  
00:41:01,770 --> 00:41:00,190  
board these craft the the Yale so-called

805  
00:41:04,140 --> 00:41:01,780  
aliens the Venetians or whatever they

806  
00:41:07,410 --> 00:41:04,150  
were look very Aryan in appearance and

807  
00:41:09,390 --> 00:41:07,420  
some of them spoke in German you know

808  
00:41:13,860 --> 00:41:09,400  
you're getting into a very very

809  
00:41:15,600 --> 00:41:13,870  
complicated area here because it's a lot

810  
00:41:19,320 --> 00:41:15,610  
more it's a lot faster than a lot of

811  
00:41:23,280 --> 00:41:19,330  
people and you there may be some sort of

812  
00:41:26,370 --> 00:41:23,290  
secret organization and I don't know how

813  
00:41:30,180 --> 00:41:26,380

far back these groups go but the airship

814

00:41:33,510 --> 00:41:30,190

mystery they that apparently was some

815

00:41:35,430 --> 00:41:33,520

kind of invention you know and there's

816

00:41:38,430 --> 00:41:35,440

there's been articles written where the

817

00:41:40,530 --> 00:41:38,440

inventors confess one guy says yeah we

818

00:41:43,290 --> 00:41:40,540

were part of that we were I think was

819

00:41:45,690 --> 00:41:43,300

aluminum manufacturer some big said yeah

820

00:41:47,790 --> 00:41:45,700

we you know it's a part of it we keep

821

00:41:50,750 --> 00:41:47,800

that under wraps I am a member of their

822

00:41:55,010 --> 00:41:50,760

group and then there was a group in

823

00:41:59,510 --> 00:41:55,020

California that claimed to they have a

824

00:42:04,520 --> 00:41:59,520

believe paintings a catalogue and they

825

00:42:07,070 --> 00:42:04,530

they suspect that was part of this group

826

00:42:10,020 --> 00:42:07,080

Dennis Crenshaw has been on the program

827

00:42:11,670 --> 00:42:10,030

he wrote a book based on that

828

00:42:13,260 --> 00:42:11,680

organization that you're talking about I

829

00:42:15,690 --> 00:42:13,270

can't remember what the name of this is

830

00:42:18,000 --> 00:42:15,700

what all my Sonoma something yeah yeah

831

00:42:20,070 --> 00:42:18,010

and they had they had these aircraft and

832

00:42:22,650 --> 00:42:20,080

this goes back but you know everything

833

00:42:25,200 --> 00:42:22,660

was invented before supposedly it was

834

00:42:27,870 --> 00:42:25,210

invented I mean somebody gets the credit

835

00:42:30,150 --> 00:42:27,880

but somebody does the the research and

836

00:42:33,450 --> 00:42:30,160

puts it together and then usually it you

837

00:42:36,630 --> 00:42:33,460

know it's swiped by someone richer more

838

00:42:39,600 --> 00:42:36,640

powerful and with the right contacts and

839

00:42:41,610 --> 00:42:39,610

has the know-how to you know register it

840

00:42:43,020 --> 00:42:41,620

wherever it should be registered and

841

00:42:45,720 --> 00:42:43,030

marry them but there's been

842

00:42:49,380 --> 00:42:45,730

patents of some of this stuff if you can

843

00:42:52,710 --> 00:42:49,390

find it in Congress these inventors

844

00:42:57,420 --> 00:42:52,720

actually had patents but here's the

845

00:43:00,120 --> 00:42:57,430

thing Tim it is it possible that these

846

00:43:06,350 --> 00:43:00,130

groups and organizations live beneath

847

00:43:11,910 --> 00:43:06,360

the surface the term breakaway society

848

00:43:14,490 --> 00:43:11,920

somewhere along the line we know the

849

00:43:19,200 --> 00:43:14,500

Nazis found a or at least the legend

850

00:43:21,930 --> 00:43:19,210

goes a crashed UFO and a black forest it

851  
00:43:23,910 --> 00:43:21,940  
was really spur and then they there was

852  
00:43:27,990 --> 00:43:23,920  
another inspiration that the Nazis were

853  
00:43:32,790 --> 00:43:28,000  
operating under the the group the verbal

854  
00:43:35,790 --> 00:43:32,800  
were they playing they had contacted the

855  
00:43:40,550 --> 00:43:35,800  
entities behind the UFO so we're getting

856  
00:43:44,670 --> 00:43:40,560  
into a very heavy territory here that

857  
00:43:48,030 --> 00:43:44,680  
there was a super science operating

858  
00:43:53,010 --> 00:43:48,040  
behind the scenes it involved the UFOs

859  
00:43:57,090 --> 00:43:53,020  
it involved contact with the the extra

860  
00:43:58,320 --> 00:43:57,100  
extra curricular denizens and whatever

861  
00:44:00,750 --> 00:43:58,330  
you want to call them whatever you want

862  
00:44:04,830 --> 00:44:00,760  
to name them all the terrestrials I call

863  
00:44:08,850 --> 00:44:04,840

them myself yeah okay this super science

864

00:44:14,370 --> 00:44:08,860

is set them on the road to singularity

865

00:44:18,050 --> 00:44:14,380

they're well advanced far people do you

866

00:44:21,510 --> 00:44:18,060

mean by singularity AI intelligence

867

00:44:23,400 --> 00:44:21,520

where was it but that's the point at

868

00:44:25,590 --> 00:44:23,410

which they are intelligence and Mary so

869

00:44:27,690 --> 00:44:25,600

in compton together everything comes

870

00:44:29,010 --> 00:44:27,700

together yeah but I'm just you know I've

871

00:44:31,080 --> 00:44:29,020

heard the word a million times but

872

00:44:34,250 --> 00:44:31,090

everybody has their own definition you

873

00:44:36,330 --> 00:44:34,260

know yeah and are the science like

874

00:44:39,090 --> 00:44:36,340

National Aeronautics and Space

875

00:44:43,590 --> 00:44:39,100

Administration what they call a phony

876

00:44:45,600 --> 00:44:43,600

space program and von Braun was a party

877

00:44:49,500 --> 00:44:45,610

of that but they say von Braun knew a

878

00:44:51,510 --> 00:44:49,510

lot more than he let on been you know

879

00:44:54,540 --> 00:44:51,520

been rich kind of Lutz to this secret

880

00:44:56,400 --> 00:44:54,550

society he says we have the technology

881

00:44:58,829 --> 00:44:56,410

to go to the stars

882

00:45:02,339 --> 00:44:58,839

we already have that how long have they

883

00:45:04,950 --> 00:45:02,349

had this and why all this phony stuff

884

00:45:07,859 --> 00:45:04,960

about oh we've been to the moon you know

885

00:45:11,279 --> 00:45:07,869

we got a that that's appears to be

886

00:45:14,370 --> 00:45:11,289

archaic a technology when there's a

887

00:45:16,859 --> 00:45:14,380

secret to technology it was passed on

888

00:45:21,029 --> 00:45:16,869

down through the centuries through the

889

00:45:23,910 --> 00:45:21,039

not the the Reich and they say there's

890

00:45:26,029 --> 00:45:23,920

now a Fourth Reich in operation I mean

891

00:45:32,759 --> 00:45:26,039

they had all these Nazis all over the

892

00:45:35,849 --> 00:45:32,769

good the Third Reich never died it just

893

00:45:38,249 --> 00:45:35,859

turned into a Fourth Reich Jim Marrs too

894

00:45:39,210 --> 00:45:38,259

talked about that might one of my

895

00:45:42,660 --> 00:45:39,220

favorite authors

896

00:45:44,730 --> 00:45:42,670

Joseph P Thoreau wrote on it oh yeah the

897

00:45:47,849 --> 00:45:44,740

enemy that he said he called it enemy

898

00:45:50,220 --> 00:45:47,859

that's everywhere and nowhere we know

899

00:45:53,039 --> 00:45:50,230

about the Nazis they got into this it

900

00:45:54,839 --> 00:45:53,049

got the CIA off kicked and running we

901  
00:45:56,910 --> 00:45:54,849  
know how the Nazis got into things like

902  
00:45:59,759 --> 00:45:56,920  
the Warren Commission and the Kennedy

903  
00:46:01,799 --> 00:45:59,769  
assassination well now one of the things

904  
00:46:04,200 --> 00:46:01,809  
about Virginia of the famous files of J

905  
00:46:06,450 --> 00:46:04,210  
Edgar Hoover the ones the files that he

906  
00:46:09,089 --> 00:46:06,460  
had that kept him in office all those

907  
00:46:11,490 --> 00:46:09,099  
years because every single one almost

908  
00:46:13,109 --> 00:46:11,500  
every single major American corporation

909  
00:46:14,940 --> 00:46:13,119  
was doing business with the Nazis

910  
00:46:16,529 --> 00:46:14,950  
because they didn't know who was gonna

911  
00:46:19,319 --> 00:46:16,539  
win the war so they were playing both

912  
00:46:22,289 --> 00:46:19,329  
sides against the middle so and Hoover

913  
00:46:24,480 --> 00:46:22,299

had all that stuff so then I'm sure the

914

00:46:27,569 --> 00:46:24,490

Aeronautics me and you know companies

915

00:46:30,029 --> 00:46:27,579

were also involved and he just kept him

916

00:46:31,650 --> 00:46:30,039

in his files that's why you know he was

917

00:46:33,660 --> 00:46:31,660

people who people would attempt to make

918

00:46:35,339 --> 00:46:33,670

a Power Move and he was a well aren't

919

00:46:37,019 --> 00:46:35,349

you the guys that were doing that stuff

920

00:46:39,210 --> 00:46:37,029

with Rajee Falls and or something like

921

00:46:40,710 --> 00:46:39,220

that we still like you Noah yeah and

922

00:46:42,809 --> 00:46:40,720

then they'd shut up and that would be

923

00:46:45,660 --> 00:46:42,819

that was part of Jay Cooper's power

924

00:46:47,220 --> 00:46:45,670

actually well here's another switch is

925

00:46:49,319 --> 00:46:47,230

what you're saying what you're saying is

926

00:46:51,410 --> 00:46:49,329

you know there's some gold D to it I

927

00:46:54,630 --> 00:46:51,420

think yeah here's another sticking point

928

00:46:57,630 --> 00:46:54,640

when we talk about Nazism we're talking

929

00:46:59,789 --> 00:46:57,640

really about fascism and and the German

930

00:47:04,109 --> 00:46:59,799

people or and Hitler weren't owners of

931

00:47:07,140 --> 00:47:04,119

fascism who put another who put Hitler

932

00:47:08,089 --> 00:47:07,150

of the power ya know who put Hitler into

933

00:47:09,300 --> 00:47:08,099

power

934

00:47:18,000 --> 00:47:09,310

America

935

00:47:20,010 --> 00:47:18,010

JPMorgan they are gentle gentlemen I'm

936

00:47:21,420 --> 00:47:20,020

gonna have to stop you here because we

937

00:47:23,250 --> 00:47:21,430

are coming up to our top of the hour

938

00:47:25,500 --> 00:47:23,260

break when we come back we'll continue

939

00:47:28,020 --> 00:47:25,510

our conversation with Steve and Mark

940

00:47:30,570 --> 00:47:28,030

about UFOs and all kinds of weird

941

00:47:36,160 --> 00:47:30,580

conspiracies on exploring the bazaars

942

00:47:36,170 --> 00:47:39,979

[Music]

943

00:47:46,940 --> 00:47:44,489

explode the bazaars or e-ticket ride

944

00:47:50,219 --> 00:47:46,950

into the world of the paranoid

945

00:47:54,529 --> 00:47:50,229

strap yourself in as we traverse the

946

00:47:57,650 --> 00:47:54,539

universe exploring the unexplained UFO s

947

00:48:00,029 --> 00:47:57,660

ghosts lost world

948

00:48:03,870 --> 00:48:00,039

cryptozoology waters as well as other

949

00:48:09,029 --> 00:48:03,880

dimensions it's time to take back the

950

00:48:12,120 --> 00:48:09,039

night now your electrifying hosts of

951  
00:48:19,499 --> 00:48:12,130  
exploring the bizarre Timothy Begley and

952  
00:48:21,690 --> 00:48:19,509  
team sports welcome back to the second

953  
00:48:25,349 --> 00:48:21,700  
hour of exploring the bizarre tonight

954  
00:48:30,660 --> 00:48:25,359  
we're talking with Steve Erdman and mark

955  
00:48:35,640 --> 00:48:30,670  
Jacobson and mark I had told you during

956  
00:48:39,329 --> 00:48:35,650  
the break that I first ran across bill

957  
00:48:44,180 --> 00:48:39,339  
Cooper back in the very very early days

958  
00:48:47,729 --> 00:48:44,190  
of the the internet on copy serves a

959  
00:48:53,729 --> 00:48:47,739  
perronnette where I think it was Bill

960  
00:48:57,089 --> 00:48:53,739  
and Oh John Lear they yeah they they

961  
00:48:59,579 --> 00:48:57,099  
they dominated you know the the bulletin

962  
00:49:00,870 --> 00:48:59,589  
boards you know with there they seem to

963  
00:49:03,509 --> 00:49:00,880

be you know like you're trying to outdo

964

00:49:07,609 --> 00:49:03,519

each other with more and more kind of

965

00:49:12,749 --> 00:49:07,619

outlandish in my opinion a UFO stories

966

00:49:17,839 --> 00:49:12,759

but you know at some point bill I guess

967

00:49:21,660 --> 00:49:17,849

he he kind of made a left-hand turn and

968

00:49:25,189 --> 00:49:21,670

decided that all this UFO stuff was was

969

00:49:28,880 --> 00:49:25,199

nonsense and started to become more of a

970

00:49:32,099 --> 00:49:28,890

really kind of a hard-line conspiracist

971

00:49:34,380 --> 00:49:32,109

well I think that that's accurate be

972

00:49:39,359 --> 00:49:34,390

sure I know there were certain reasons

973

00:49:41,489 --> 00:49:39,369

why Cooper left the UFO field I mean you

974

00:49:43,380 --> 00:49:41,499

know Lehrer was the inventor of all that

975

00:49:47,130 --> 00:49:43,390

kind of hypothesis I mean there's that

976  
00:49:49,680 --> 00:49:47,140  
fantastic stuff that later became mj-12

977  
00:49:51,720 --> 00:49:49,690  
and all that other stuff that became

978  
00:49:54,660 --> 00:49:51,730  
really dominated but you

979  
00:49:57,750 --> 00:49:54,670  
oh saying during the late 1980s for sure

980  
00:50:01,980 --> 00:49:57,760  
and which is going to kind of like right

981  
00:50:06,330 --> 00:50:01,990  
into the that you know when when area51

982  
00:50:09,450 --> 00:50:06,340  
came online so to speak as a topic of

983  
00:50:11,400 --> 00:50:09,460  
UFO conversation by the way I was

984  
00:50:13,770 --> 00:50:11,410  
wondering that and people out there in

985  
00:50:16,740 --> 00:50:13,780  
the audience and and you guys there have

986  
00:50:20,460 --> 00:50:16,750  
you seen this um Bob with new what new

987  
00:50:22,560 --> 00:50:20,470  
Bob Lazar movie its actors that made

988  
00:50:24,690 --> 00:50:22,570

this Bob movie Bob Bob Lazar Oh Bob

989

00:50:27,930 --> 00:50:24,700

Lazar and Ryan everybody knows Bob

990

00:50:30,750 --> 00:50:27,940

Saurez and I think it's I saw some it

991

00:50:32,490 --> 00:50:30,760

was I don't know the veracity quotient

992

00:50:34,349 --> 00:50:32,500

I'm not going to write them I don't know

993

00:50:36,690 --> 00:50:34,359

it look great it really looked like a

994

00:50:39,599 --> 00:50:36,700

pro job you know and something worth

995

00:50:41,760 --> 00:50:39,609

seeing but I mean to get back to Cooper

996

00:50:45,750 --> 00:50:41,770

I'm you know he just created so many

997

00:50:47,490 --> 00:50:45,760

enemies I mean we're liriko liriko I but

998

00:50:50,910 --> 00:50:47,500

I spent a whole couple days with zhongli

999

00:50:52,859 --> 00:50:50,920

or have a fantastic time is is a house

1000

00:50:54,990 --> 00:50:52,869

is just the greatest thing you ever saw

1001  
00:50:57,300 --> 00:50:55,000  
he's got every one because he was a

1002  
00:51:00,150 --> 00:50:57,310  
really famous flier his father was the

1003  
00:51:02,099 --> 00:51:00,160  
inventor of the Learjet and he at one

1004  
00:51:05,609 --> 00:51:02,109  
time held the world's record for flying

1005  
00:51:07,770 --> 00:51:05,619  
around the world you know not solo but

1006  
00:51:09,540 --> 00:51:07,780  
well you know he and he flew around the

1007  
00:51:11,820 --> 00:51:09,550  
world in a Learjet in for a long time

1008  
00:51:14,340 --> 00:51:11,830  
held the record for circumnavigating the

1009  
00:51:16,590 --> 00:51:14,350  
globe so he's a kind of an interesting

1010  
00:51:18,240 --> 00:51:16,600  
guy in a lot of ways but he meant did a

1011  
00:51:20,730 --> 00:51:18,250  
lot of this stuff and then Cooper came

1012  
00:51:23,430 --> 00:51:20,740  
out of the woodwork completely really

1013  
00:51:24,660 --> 00:51:23,440

out of nowhere and said I can back up

1014

00:51:28,130 --> 00:51:24,670

everything you're saying

1015

00:51:30,900 --> 00:51:28,140

hmm you know originally it was 50% and

1016

00:51:32,730 --> 00:51:30,910

then that's weird told me says why would

1017

00:51:35,700 --> 00:51:32,740

the only first contacted me so he could

1018

00:51:38,580 --> 00:51:35,710

back up earlier told me that none of the

1019

00:51:40,020 --> 00:51:38,590

stuff that he actually was saying was

1020

00:51:42,060 --> 00:51:40,030

anything he actually believed that's

1021

00:51:45,390 --> 00:51:42,070

what he called it a hypothesis it might

1022

00:51:47,670 --> 00:51:45,400

be true and and and then Cooper came

1023

00:51:49,320 --> 00:51:47,680

around and was the one that said this

1024

00:51:51,840 --> 00:51:49,330

not only white might be true but it is

1025

00:51:54,420 --> 00:51:51,850

true because I saw all this stuff when I

1026

00:51:57,300 --> 00:51:54,430

was in naval intelligence and you know

1027

00:52:00,300 --> 00:51:57,310

that was like a big kind of movement and

1028

00:52:02,700 --> 00:52:00,310

then Cooper became you know I guess you

1029

00:52:04,320 --> 00:52:02,710

guys were there but even when Canada

1030

00:52:05,070 --> 00:52:04,330

sort of came out of nowhere and became

1031

00:52:07,740 --> 00:52:05,080

one of the

1032

00:52:10,560 --> 00:52:07,750

best known people in the UFO field in

1033

00:52:14,520 --> 00:52:10,570

fact when I went to the MUFON convention

1034

00:52:17,010 --> 00:52:14,530

I think the 2014 Cooper became such a

1035

00:52:20,850 --> 00:52:17,020

halyard figure in the in the UFO field

1036

00:52:23,610 --> 00:52:20,860

then like this is already like more than

1037

00:52:26,600 --> 00:52:23,620

20 years later after he was in there

1038

00:52:30,720 --> 00:52:26,610

when his name came up the audience booed

1039

00:52:32,820 --> 00:52:30,730

dead for 15 years right and people

1040

00:52:34,760 --> 00:52:32,830

remember remember how much they hated

1041

00:52:39,390 --> 00:52:34,770

him I don't know if it was all

1042

00:52:41,160 --> 00:52:39,400

necessarily you know deserved but you

1043

00:52:45,360 --> 00:52:41,170

know he said a lot of he read a lot of

1044

00:52:48,110 --> 00:52:45,370

books and he Immanuel Velikovsky stuff

1045

00:52:50,610 --> 00:52:48,120

you know that that's that figured

1046

00:52:53,370 --> 00:52:50,620

heavily the Cooper's thing but and to

1047

00:52:56,570 --> 00:52:53,380

can't answer your question you know he

1048

00:52:59,340 --> 00:52:56,580

and I think Tim Beck was correct I mean

1049

00:53:00,870 --> 00:52:59,350

he kind of priced himself out of the UFO

1050

00:53:04,980 --> 00:53:00,880

market because he was asking these

1051  
00:53:07,620 --> 00:53:04,990  
outrageous honorariums and pieces of my

1052  
00:53:10,200 --> 00:53:07,630  
piece of the tour and that right - you

1053  
00:53:14,430 --> 00:53:10,210  
know and you know I don't know too many

1054  
00:53:17,190 --> 00:53:14,440  
other groups that actually would book

1055  
00:53:20,760 --> 00:53:17,200  
him he would go out and rent a hall

1056  
00:53:25,650 --> 00:53:20,770  
either by himself or one of his

1057  
00:53:27,510 --> 00:53:25,660  
followers would would do it you know he

1058  
00:53:30,000 --> 00:53:27,520  
I guess I don't know if I said this

1059  
00:53:32,220 --> 00:53:30,010  
earlier in the show he kind of lost

1060  
00:53:35,670 --> 00:53:32,230  
interest in the UFO saying when he

1061  
00:53:38,340 --> 00:53:35,680  
realized that there wasn't too much he

1062  
00:53:39,660 --> 00:53:38,350  
could hustle out of you know UFO or

1063  
00:53:43,290 --> 00:53:39,670

groups because they didn't have a lot of

1064

00:53:47,780 --> 00:53:43,300

followers and UFO people as a rule don't

1065

00:53:52,470 --> 00:53:47,790

spend a lot of money to be a damn honest

1066

00:53:55,860 --> 00:53:52,480

true yeah here as opposed to a

1067

00:53:58,740 --> 00:53:55,870

conspiracy above sand right-wingers and

1068

00:54:01,760 --> 00:53:58,750

militia type the people who if they get

1069

00:54:05,700 --> 00:54:01,770

behind you will continue to send you

1070

00:54:09,590 --> 00:54:05,710

donations and I did talk to one of his

1071

00:54:17,460 --> 00:54:09,600

did you talk to anybody in his family

1072

00:54:18,780 --> 00:54:17,470

yeah I thought those daughters went okay

1073

00:54:22,140 --> 00:54:18,790

if they were

1074

00:54:24,359 --> 00:54:22,150

he had a couple of daughters he had two

1075

00:54:28,530 --> 00:54:24,369

daughters and a son I'd [h\_\_h] all of them

1076

00:54:34,440 --> 00:54:28,540

and and I talked to I talked to several

1077

00:54:37,260 --> 00:54:34,450

of his ex-wives you know and then and

1078

00:54:41,430 --> 00:54:37,270

then I'm saying he had two daughters and

1079

00:54:44,690 --> 00:54:41,440

a son before he married the woman that

1080

00:54:47,609 --> 00:54:44,700

people who are familiar with radio show

1081

00:54:50,609 --> 00:54:47,619

no yeah and he had two more daughters

1082

00:54:52,500 --> 00:54:50,619

yep they're rich you know and I gotta

1083

00:54:54,480 --> 00:54:52,510

say I mean I work on this book of that

1084

00:54:55,920 --> 00:54:54,490

little Cooper I mean what's my friends

1085

00:54:57,210 --> 00:54:55,930

thought I was out of my mind was why

1086

00:54:59,970 --> 00:54:57,220

would you waste your time writing about

1087

00:55:02,700 --> 00:54:59,980

some guy who was like so kind of like

1088

00:55:04,620 --> 00:55:02,710

you know their basketball and more or

1089

00:55:07,140 --> 00:55:04,630

less was know for not telling the truth

1090

00:55:08,910 --> 00:55:07,150

you know and making stuff up I thought

1091

00:55:11,700 --> 00:55:08,920

the stuff that he came up with was kind

1092

00:55:14,099 --> 00:55:11,710

of brilliant I mean in the context of

1093

00:55:15,750 --> 00:55:14,109

like just what Steve was talking about I

1094

00:55:18,000 --> 00:55:15,760

love this idea that like there's a lot

1095

00:55:20,790 --> 00:55:18,010

of stuff out there that you just don't

1096

00:55:23,460 --> 00:55:20,800

know the answer to and maybe at one time

1097

00:55:25,340 --> 00:55:23,470

like the things like the Bible or you

1098

00:55:28,890 --> 00:55:25,350

know whatever religion you go on to

1099

00:55:31,380 --> 00:55:28,900

explained a lot of that kind of stuff to

1100

00:55:33,359 --> 00:55:31,390

your satisfaction but and then when you

1101

00:55:34,980 --> 00:55:33,369

get into the modern world and they have

1102

00:55:35,580 --> 00:55:34,990

to dilute the atom bomb and stuff like

1103

00:55:43,410 --> 00:55:35,590

that

1104

00:55:46,890 --> 00:55:43,420

too much modern stuff around me you have

1105

00:55:49,320 --> 00:55:46,900

to come up with some new ways to think

1106

00:55:51,270 --> 00:55:49,330

like there's nobody wants to admit they

1107

00:55:52,470 --> 00:55:51,280

don't know what's going on you know that

1108

00:55:54,330 --> 00:55:52,480

people want to think that they know

1109

00:55:55,680 --> 00:55:54,340

what's going on you know because it

1110

00:55:58,440 --> 00:55:55,690

gives them a kind of certain kind of

1111

00:56:00,570 --> 00:55:58,450

certainty and stuff like that but um the

1112

00:56:04,109 --> 00:56:00,580

Cooper's going to tap into that and and

1113

00:56:09,109 --> 00:56:04,119

even though he was totally like a PT

1114

00:56:14,250 --> 00:56:12,120

they make some accurate he did make some

1115

00:56:18,780 --> 00:56:14,260

manner predictions I was just gonna ask

1116

00:56:21,690 --> 00:56:18,790

that yes did he know you made several

1117

00:56:23,820 --> 00:56:21,700

accurate predictions but and I'm not you

1118

00:56:25,590 --> 00:56:23,830

know I like Bill Cooper I wasn't written

1119

00:56:28,230 --> 00:56:25,600

about him do you think that he was like

1120

00:56:30,810 --> 00:56:28,240

at least like pretty uh I think he's a

1121

00:56:32,250 --> 00:56:30,820

great American like you know George

1122

00:56:32,700 --> 00:56:32,260

Washington or something like that was

1123

00:56:39,480 --> 00:56:32,710

the

1124

00:56:42,720 --> 00:56:39,490

in a lot of ways um and yeah he you know

1125

00:56:44,250 --> 00:56:42,730

a lot of the stuff that he said came

1126

00:56:46,170 --> 00:56:44,260

true for a lot of people a lot of

1127

00:56:49,230 --> 00:56:46,180

stories for everybody but he did his

1128

00:56:51,690 --> 00:56:49,240

most famous thing of course is the purge

1129

00:56:54,180 --> 00:56:51,700

in so called predicting me a 9/11 thing

1130

00:56:57,000 --> 00:56:54,190

and I'll have a rest of it that's the

1131

00:56:58,680 --> 00:56:57,010

big thing because he said that something

1132

00:57:01,530 --> 00:56:58,690

horrible is gonna happen in this country

1133

00:57:04,950 --> 00:57:01,540

and it was going to be blamed on Osama

1134

00:57:07,589 --> 00:57:04,960

bin Laden this was back in June of 2001

1135

00:57:11,250 --> 00:57:07,599

and lo and behold two months later

1136

00:57:14,070 --> 00:57:11,260

that's what happened more or less so you

1137

00:57:17,310 --> 00:57:14,080

know he's he definitely had a prophetic

1138

00:57:19,230 --> 00:57:17,320

side to him but predicting things and

1139

00:57:23,070 --> 00:57:19,240

being a prophet or two different things

1140

00:57:27,599 --> 00:57:23,080

you know well he had a spiritual side to

1141

00:57:32,280 --> 00:57:27,609

I I just saw YouTube video he made about

1142

00:57:35,190 --> 00:57:32,290

Christianity how most of popular

1143

00:57:37,260 --> 00:57:35,200

Christianity was fake and nothing to do

1144

00:57:47,579 --> 00:57:37,270

but he had us but apparently had a

1145

00:57:48,990 --> 00:57:47,589

spiritual side you know what must hidden

1146

00:57:53,130 --> 00:57:49,000

knows what he wasn't believed in but

1147

00:57:56,510 --> 00:57:53,140

believe me he must have hit somebody's

1148

00:57:59,250 --> 00:57:56,520

nail on the head because they shot him

1149

00:58:00,690 --> 00:57:59,260

well that's a long story and you're

1150

00:58:05,040 --> 00:58:00,700

gonna have to read the book to find out

1151  
00:58:07,349 --> 00:58:05,050  
about it but you know he got shot and he

1152  
00:58:12,780 --> 00:58:07,359  
got shot by a police organization but

1153  
00:58:14,730 --> 00:58:12,790  
it's very complicated about how well

1154  
00:58:16,980 --> 00:58:14,740  
supposedly he had pulled the gun on a

1155  
00:58:18,980 --> 00:58:16,990  
neighbor or something right and the

1156  
00:58:23,099 --> 00:58:18,990  
neighbor went to the police and

1157  
00:58:25,470 --> 00:58:23,109  
complained about it yeah well I mean the

1158  
00:58:27,570 --> 00:58:25,480  
short-form story is that Cooper was

1159  
00:58:31,170 --> 00:58:27,580  
living on top of this Hill I've been

1160  
00:58:34,050 --> 00:58:31,180  
there many many times during the time

1161  
00:58:36,780 --> 00:58:34,060  
when I was reporting on the book and at

1162  
00:58:38,940 --> 00:58:36,790  
that time now it's fairly well populated

1163  
00:58:41,880 --> 00:58:38,950

but at that time when Cooper was living

1164

00:58:43,470 --> 00:58:41,890

there in the late 1990s this is after he

1165

00:58:46,140 --> 00:58:43,480

decided that he was going to stay up

1166

00:58:48,329 --> 00:58:46,150

there and he wasn't you know it wasn't

1167

00:58:50,759 --> 00:58:48,339

that's why his wife left because she

1168

00:58:53,670 --> 00:58:50,769

wasn't going to stay in the house for

1169

00:58:54,960 --> 00:58:53,680

the rest of the resistance he wanted to

1170

00:58:58,980 --> 00:58:54,970

stay up there and wait for them to come

1171

00:59:01,650 --> 00:58:58,990

and get him and you know he had he had

1172

00:59:04,049 --> 00:59:01,660

this pretty not very big time warrant

1173

00:59:07,680 --> 00:59:04,059

all the up for his arrest for his tax

1174

00:59:09,269 --> 00:59:07,690

and income tax evasion thing but you

1175

00:59:10,829 --> 00:59:09,279

know who I mean I don't know whatever

1176

00:59:13,170 --> 00:59:10,839

he's right or wrong about paying his

1177

00:59:17,910 --> 00:59:13,180

income tax it's not well I'm thinking

1178

00:59:19,620 --> 00:59:17,920

about it but uh you know so so he always

1179

00:59:24,450 --> 00:59:19,630

acted you wanna know he was up there and

1180

00:59:27,450 --> 00:59:24,460

he was under the impression that he

1181

00:59:29,910 --> 00:59:27,460

owned the whole Hill you know which was

1182

00:59:31,259 --> 00:59:29,920

not actually the case and there were a

1183

00:59:33,150 --> 00:59:31,269

lot of people used to go up there and it

1184

00:59:35,069 --> 00:59:33,160

was like Lovers Lane that's where the

1185

00:59:36,930 --> 00:59:35,079

people from the town McGlashan a smooch

1186

00:59:41,279 --> 00:59:36,940

you know Cooper would come out there and

1187

00:59:43,829 --> 00:59:41,289

chase them away so um and then one day

1188

00:59:45,480 --> 00:59:43,839

this guy who was turned out to be the

1189

00:59:47,670 --> 00:59:45,490

only person that bill Cooper shouldn't

1190

00:59:50,819 --> 00:59:47,680

have screwed around with in this town

1191

00:59:54,029 --> 00:59:50,829

was just one guy named Scott Hamlin who

1192

00:59:55,650 --> 00:59:54,039

was the town doctor but didn't really

1193

00:59:56,970 --> 00:59:55,660

know about Bill Cooper living up there

1194

01:00:00,029 --> 00:59:56,980

because he'd been away doing his

1195

01:00:02,069 --> 01:00:00,039

residency so he came back and he took

1196

01:00:06,180 --> 01:00:02,079

his family up to the hill to watch the

1197

01:00:08,729 --> 01:00:06,190

lightning storms up there and Cooper got

1198

01:00:15,089 --> 01:00:08,739

in a car and I don't know if he's

1199

01:00:16,829 --> 01:00:15,099

drinking or what you know but he was you

1200

01:00:18,960 --> 01:00:16,839

know I don't know I wasn't there but no

1201

01:00:21,239 --> 01:00:18,970

yeah so like he followed this guy

1202

01:00:24,900 --> 01:00:21,249

tailgating him back to his house and

1203

01:00:27,120 --> 01:00:24,910

then got out and and and told me no

1204

01:00:30,630 --> 01:00:27,130

don't you ever come on my land again

1205

01:00:33,120 --> 01:00:30,640

this guy's he turned out to be if you

1206

01:00:34,890 --> 01:00:33,130

know anything about the Mormons the

1207

01:00:37,769 --> 01:00:34,900

Hamlin's are really big deal in the

1208

01:00:39,839 --> 01:00:37,779

Mormon woman Church in fact this guy

1209

01:00:42,029 --> 01:00:39,849

Scott Hamlin is currently the head of

1210

01:00:44,370 --> 01:00:42,039

the Mormon stake and in that whole part

1211

01:00:46,319 --> 01:00:44,380

of our zona and he's a very powerful guy

1212

01:00:48,599 --> 01:00:46,329

and he wasn't the kind of guy that

1213

01:00:50,430 --> 01:00:48,609

really wanted to be I mean egor

1214

01:00:53,309 --> 01:00:50,440

Arizona's are pretty much of a Mormon

1215

01:00:55,289 --> 01:00:53,319

town you know you just don't push away

1216

01:00:58,200 --> 01:00:55,299

that push around the big shots around on

1217

01:00:59,610 --> 01:00:58,210

the way Cooper was doing so Cooper that

1218

01:01:02,130 --> 01:00:59,620

value puts a 40

1219

01:01:06,030 --> 01:01:02,140

guys faceless it don't ever come up on

1220

01:01:07,740 --> 01:01:06,040

my land again and the guy said well yeah

1221

01:01:13,020 --> 01:01:07,750

coop we got back in his truck and left

1222

01:01:14,640 --> 01:01:13,030

and so nobody ever wanted this guy you

1223

01:01:16,200 --> 01:01:14,650

know your father complain with the local

1224

01:01:18,420 --> 01:01:16,210

with the local police because who really

1225

01:01:21,660 --> 01:01:18,430

wants to see a guy waving a gun around

1226

01:01:24,420 --> 01:01:21,670

would your wife and children there so

1227

01:01:26,190 --> 01:01:24,430

eventually and I'm telling you got to

1228

01:01:29,070 --> 01:01:26,200

read this whole thing because it's just

1229

01:01:30,810 --> 01:01:29,080

an analyst but you know it it happened

1230

01:01:33,690 --> 01:01:30,820

with the thing that Cooper did which is

1231

01:01:35,520 --> 01:01:33,700

really his greatest prediction the

1232

01:01:38,220 --> 01:01:35,530

greatest thing he ever did predicting

1233

01:01:41,280 --> 01:01:38,230

lies is that he kept telling his or the

1234

01:01:42,600 --> 01:01:41,290

radio audience the people of the people

1235

01:01:44,670 --> 01:01:42,610

who listened to the hour of the time

1236

01:01:47,400 --> 01:01:44,680

that they were going to come out there

1237

01:01:49,170 --> 01:01:47,410

to his house where he lived on top of

1238

01:01:51,450 --> 01:01:49,180

this hill with nobody else around at

1239

01:01:54,870 --> 01:01:51,460

midnight and they were going to shoot

1240

01:01:56,160 --> 01:01:54,880

him dead on this one doorstep and that's

1241

01:02:00,420 --> 01:01:56,170

exactly what happened

1242

01:02:03,000 --> 01:02:00,430

I mean his time of death a he they shot

1243

01:02:06,540 --> 01:02:03,010

him dead his head landed on the front

1244

01:02:11,850 --> 01:02:06,550

doorstep and maybe they'd 1207 that

1245

01:02:13,650 --> 01:02:11,860

happens ya know so if you want to make a

1246

01:02:15,450 --> 01:02:13,660

prediction about predicting your own

1247

01:02:18,830 --> 01:02:15,460

death is like kind of like well that's

1248

01:02:26,070 --> 01:02:23,190

there's no promise worthy you know do

1249

01:02:30,690 --> 01:02:26,080

you have any idea how many followers he

1250

01:02:32,430 --> 01:02:30,700

actually had well he but always brag Lee

1251

01:02:35,070 --> 01:02:32,440

had 10 million listeners to the

1252

01:02:36,060 --> 01:02:35,080

shortwave radio show which is just

1253

01:02:38,610 --> 01:02:36,070

impossible

1254

01:02:40,650 --> 01:02:38,620

oh yeah but he probably probably has

1255

01:02:42,540 --> 01:02:40,660

more listening I'm sure he has more

1256

01:02:46,140 --> 01:02:42,550

followers now than he ever did when he

1257

01:02:49,140 --> 01:02:46,150

was alive I mean he's incredibly popular

1258

01:02:51,360 --> 01:02:49,150

and the wonderful what keeps him popular

1259

01:02:53,100 --> 01:02:51,370

I don't know if you're listening

1260

01:02:56,010 --> 01:02:53,110

audience really knows much about this

1261

01:02:58,230 --> 01:02:56,020

business that book would behold the pale

1262

01:03:00,830 --> 01:02:58,240

horse book became the most popular book

1263

01:03:04,500 --> 01:03:00,840

in the New York state prison system

1264

01:03:08,370 --> 01:03:04,510

every prisoner was reading him I guess

1265

01:03:12,849 --> 01:03:08,380

now that it's put out by a small it's

1266

01:03:15,069 --> 01:03:12,859

put out by a small publisher in Sedona

1267

01:03:23,739 --> 01:03:15,079

absolutely actually she moved to false

1268

01:03:31,269 --> 01:03:23,749

lips yeah you know I mean I'm sure I'm

1269

01:03:34,120 --> 01:03:31,279

sure she's had a few other even come

1270

01:03:37,089 --> 01:03:34,130

anywhere close to that

1271

01:03:39,549 --> 01:03:37,099

no matter I mean I used to I used to

1272

01:03:41,229 --> 01:03:39,559

order that book wholesale by the carton

1273

01:03:43,539 --> 01:03:41,239

and that's a pretty heavy carton because

1274

01:03:44,769 --> 01:03:43,549

that book is what six hundred pages or

1275

01:03:46,809 --> 01:03:44,779

something like that you know the book is

1276

01:03:50,259 --> 01:03:46,819

still number one it's look was published

1277

01:03:54,309 --> 01:03:50,269

in 1991 is still number one best seller

1278

01:03:56,650 --> 01:03:54,319

on Amazon of a Colt information I mean

1279

01:03:59,670 --> 01:03:56,660

it's a lot of books been written about

1280

01:04:02,739 --> 01:03:59,680

the assault on a boss thirty years and

1281

01:04:04,329 --> 01:04:02,749

number one and one of those in about two

1282

01:04:08,949 --> 01:04:04,339

or three of those categories you know

1283

01:04:11,380 --> 01:04:08,959

and in fact remember this guy Q and on

1284

01:04:13,569 --> 01:04:11,390

who was big for because ten minutes oh

1285

01:04:15,670 --> 01:04:13,579

yeah yeah yes yes

1286

01:04:17,890 --> 01:04:15,680

doing the killing on went on this show

1287

01:04:19,900 --> 01:04:17,900

right or whatever he was doing so yeah

1288

01:04:22,180 --> 01:04:19,910

what are those weird info drops he was

1289

01:04:25,209 --> 01:04:22,190

doing I don't know but he said that his

1290

01:04:28,059 --> 01:04:25,219

idol was Bill Cooper and all his

1291

01:04:31,809 --> 01:04:28,069

followers bill Cooper that book shot up

1292

01:04:34,959 --> 01:04:31,819

to number 17 on Amazon I mean a battle

1293

01:04:37,120 --> 01:04:34,969

of all the books double yeah the head of

1294

01:04:43,150 --> 01:04:37,130

that was a helluva late at night moon

1295

01:04:46,359 --> 01:04:43,160

and like you know yeah it's amazing how

1296

01:04:53,739 --> 01:04:46,369

that book sold over 300,000 copies yeah

1297

01:04:58,049 --> 01:04:53,749

yeah yeah actually yeah what has been

1298

01:05:03,069 --> 01:04:58,059

the reaction to your book yeah Buneary

1299

01:05:05,349 --> 01:05:03,079

original well I mean I got a I got a lot

1300

01:05:08,650 --> 01:05:05,359

of nice reviews I'm featuring their New

1301

01:05:10,630 --> 01:05:08,660

York Times you know there were excerpts

1302

01:05:13,209 --> 01:05:10,640

in Rolling Stone totally that book is

1303

01:05:15,579 --> 01:05:13,219

selling fare but I just have the people

1304

01:05:18,219 --> 01:05:15,589

who are the people I want to read this

1305

01:05:19,059 --> 01:05:18,229

book that I realized which I never would

1306

01:05:20,650 --> 01:05:19,069

have guessed

1307

01:05:22,239 --> 01:05:20,660

there's a lot of these things about

1308

01:05:24,370 --> 01:05:22,249

conspiracy you never really can guess

1309

01:05:27,939 --> 01:05:24,380

whose interest in it I mean the people

1310

01:05:32,179 --> 01:05:27,949

that are interested in are hip hop

1311

01:05:33,410 --> 01:05:32,189

pep up followers and people at this ever

1312

01:05:36,319 --> 01:05:33,420

as it was saying when the book got

1313

01:05:39,859 --> 01:05:36,329

popular in the prison all those rapper

1314

01:05:42,469 --> 01:05:39,869

guys read it you know and everybody from

1315

01:05:45,259 --> 01:05:42,479

Tupac Shakur you know all the ways that

1316

01:05:47,479 --> 01:05:45,269

guy was in the wu-tang clan huge bill

1317

01:05:49,519 --> 01:05:47,489

Cooper fans I mean right about sang

1318

01:05:51,769 --> 01:05:49,529

about him all the time then that's how

1319

01:05:52,429 --> 01:05:51,779

we got more and more popular long after

1320

01:05:56,059 --> 01:05:52,439

his death

1321

01:05:58,459 --> 01:05:56,069

well why wash but why why do popular

1322

01:06:02,089 --> 01:05:58,469

because what it is what it is is like

1323

01:06:03,769 --> 01:06:02,099

Cooper a chick articulated I mean I

1324

01:06:06,170 --> 01:06:03,779

don't want to go to deep dish on you man

1325

01:06:08,359 --> 01:06:06,180

but I mean me but Cooper but Cooper

1326

01:06:11,269 --> 01:06:08,369

articulated because he was so paranoid

1327

01:06:13,699 --> 01:06:11,279

for the lack of a better term called

1328

01:06:17,239 --> 01:06:13,709

people paranoid because it seems to take

1329

01:06:20,599 --> 01:06:17,249

in a lot of territory but um you know he

1330

01:06:23,299 --> 01:06:20,609

was so suspicious of his surroundings

1331

01:06:26,559 --> 01:06:23,309

and and everything like that that if I

1332

01:06:28,789 --> 01:06:26,569

would beg to say that I parent

1333

01:06:31,160 --> 01:06:28,799

african-american who's incarcerated in a

1334

01:06:33,829 --> 01:06:31,170

New York state prison you probably be a

1335

01:06:36,079 --> 01:06:33,839

pretty paranoid guy to begin with and so

1336

01:06:38,989 --> 01:06:36,089

people were thinking that well if a

1337

01:06:41,569 --> 01:06:38,999

white guy wrote this book and plus a

1338

01:06:44,239 --> 01:06:41,579

white guy from the Navy wrote it well it

1339

01:06:46,370 --> 01:06:44,249

must be true right and then it began

1340

01:06:49,099 --> 01:06:46,380

reading it and a lot of that stuff in

1341

01:06:52,309 --> 01:06:49,109

there it really makes it that that whole

1342

01:06:56,239 --> 01:06:52,319

essay called the Cylon weapons acquire

1343

01:06:59,989 --> 01:06:56,249

Wars is is really just read it really is

1344

01:07:03,259 --> 01:06:59,999

sort of prophetic well it's like they

1345

01:07:05,329 --> 01:07:03,269

saying he was pretty much of a prophet I

1346

01:07:07,729 --> 01:07:05,339

think what you're describing there is

1347

01:07:12,069 --> 01:07:07,739

could be compared to the Johnny Cash

1348

01:07:15,049 --> 01:07:12,079

syndrome when people ended up well

1349

01:07:19,789 --> 01:07:15,059

Cash's music was very popular prisoners

1350

01:07:23,959 --> 01:07:19,799

to that I think the he was speaking to

1351

01:07:26,479 --> 01:07:23,969

an inner an inner yearning that these

1352

01:07:29,419 --> 01:07:26,489

prisoners had against the establishment

1353

01:07:33,880 --> 01:07:29,429

you know and you definitely right about

1354

01:07:36,130 --> 01:07:33,890

the definitely right yeah yeah

1355

01:07:37,570 --> 01:07:36,140

you're right I mean you know this kind

1356

01:07:40,630 --> 01:07:37,580

of feeling that like you know they'll

1357

01:07:42,970 --> 01:07:40,640

have to get you and they got you kinda

1358

01:07:45,730 --> 01:07:42,980

you know in Johnny Cash is another one

1359

01:07:52,000 --> 01:07:45,740

then he's the man in black you know well

1360

01:07:54,460 --> 01:07:52,010

for original matter black but you know

1361

01:07:56,350 --> 01:07:54,470

so they when you ask them by the book I

1362

01:07:57,910 --> 01:07:56,360

mean it's unfair but I think when the

1363

01:08:00,100 --> 01:07:57,920

paperback comes out I expect you do a

1364

01:08:01,660 --> 01:08:00,110

lot better because the people who want

1365

01:08:07,720 --> 01:08:01,670

to read this book don't want to spend 27

1366

01:08:11,590 --> 01:08:07,730

billion over \$12 they might like it a

1367

01:08:15,910 --> 01:08:11,600

lot better you know but is it out there

1368

01:08:17,230 --> 01:08:15,920

is it out there on Kindle and Kindle you

1369

01:08:20,380 --> 01:08:17,240

know all that regular stuff was

1370

01:08:22,560 --> 01:08:20,390

published by Random House by Random

1371

01:08:26,550 --> 01:08:22,570

House so you know all the usual stuff

1372

01:08:28,930 --> 01:08:26,560

but you know I don't know it's just I

1373

01:08:30,970 --> 01:08:28,940

find it to be a fascinating guy because

1374

01:08:33,790 --> 01:08:30,980

he's so I mean the thing about the

1375

01:08:36,160 --> 01:08:33,800

Vietnam War was him if he goes for the

1376

01:08:38,740 --> 01:08:36,170

front lines of the Vietnam War he grows

1377

01:08:41,020 --> 01:08:38,750

up like John Wayne's his favorite guy

1378

01:08:43,630 --> 01:08:41,030

you know and he believes everything

1379

01:08:45,010 --> 01:08:43,640

about the military and the goodness of

1380

01:08:46,780 --> 01:08:45,020

America and then when he gets to the

1381

01:08:49,840 --> 01:08:46,790

front lines in the Vietnam War he begins

1382

01:08:52,300 --> 01:08:49,850

to see like oh man this is really not

1383

01:08:54,340 --> 01:08:52,310

okay you know then I've been I'm really

1384

01:08:56,470 --> 01:08:54,350

running this thing particularly well and

1385

01:08:58,960 --> 01:08:56,480

there's you know and almost my friends

1386

01:09:01,990 --> 01:08:58,970

getting killed for what

1387

01:09:05,350 --> 01:09:02,000

yes sir like and then he came back and

1388

01:09:08,710 --> 01:09:05,360

he began to put that into every you know

1389

01:09:11,290 --> 01:09:08,720

UFO stuff nobody would have to get you

1390

01:09:13,510 --> 01:09:11,300

maybe was going to be the aliens then it

1391

01:09:15,160 --> 01:09:13,520

was gonna be these liberal politicians

1392

01:09:17,530 --> 01:09:15,170

or whatever it was there was always

1393

01:09:20,290 --> 01:09:17,540

somebody was out to get you working on

1394

01:09:21,610 --> 01:09:20,300

more or less you know I I guess I can't

1395

01:09:23,830 --> 01:09:21,620

see the problem with that kind of

1396

01:09:26,380 --> 01:09:23,840

thinking I mean in this society you

1397

01:09:30,640 --> 01:09:26,390

crazy be wearing the red yeah all you

1398

01:09:34,360 --> 01:09:30,650

have to do is look at the news just look

1399

01:09:36,040 --> 01:09:34,370

around you you know it's a it's permeate

1400

01:09:39,330 --> 01:09:36,050

just about everything that's going on

1401  
01:09:44,779 --> 01:09:43,429  
you get a feeling that like when things

1402  
01:09:46,819 --> 01:09:44,789  
the first thing people can think about

1403  
01:09:49,729 --> 01:09:46,829  
is like you know see the differences

1404  
01:09:51,620 --> 01:09:49,739  
between I mean as opposed to like the

1405  
01:09:54,409 --> 01:09:51,630  
same missus and that's kind of a sick

1406  
01:09:58,100 --> 01:09:54,419  
society you know it's heading in the

1407  
01:09:59,959 --> 01:09:58,110  
wrong direction yeah so um I don't know

1408  
01:10:02,089 --> 01:09:59,969  
what's happening but Cooper was really

1409  
01:10:04,100 --> 01:10:02,099  
he was very prophetic about that he was

1410  
01:10:08,569 --> 01:10:04,110  
really kind of like a forerunner of that

1411  
01:10:12,199 --> 01:10:08,579  
kind of didn't he also didn't he also

1412  
01:10:14,659 --> 01:10:12,209  
speak about the CAA in a drug drug oh

1413  
01:10:17,719 --> 01:10:14,669

yeah yeah that was a big thing for him I

1414

01:10:22,009 --> 01:10:17,729

mean you know he he had all that stuff

1415

01:10:25,520 --> 01:10:22,019

the idea of it before that the stuff in

1416

01:10:27,679 --> 01:10:25,530

the Gary Webb stuff ever came out you

1417

01:10:29,629 --> 01:10:27,689

know invented Gary Gary Webb did the

1418

01:10:31,879 --> 01:10:29,639

actual work to prove it

1419

01:10:34,419 --> 01:10:31,889

you know so he was a real journalist I

1420

01:10:37,040 --> 01:10:34,429

mean Cooper has like the concept of that

1421

01:10:39,770 --> 01:10:37,050

early on and he talked about it actually

1422

01:10:41,569 --> 01:10:39,780

at the MUFON convention which is like

1423

01:10:45,709 --> 01:10:41,579

when you go back to UFOs is like a

1424

01:10:49,189 --> 01:10:45,719

classic the 1989 MUFON convention was

1425

01:10:52,989 --> 01:10:49,199

the most glorious kind convention of the

1426

01:10:55,250 --> 01:10:52,999

history of MUFON because that were they

1427

01:10:57,909 --> 01:10:55,260

isn't that where they had actual two

1428

01:11:00,259 --> 01:10:57,919

shows going on they had the the

1429

01:11:02,779 --> 01:11:00,269

sanctioned MUFON conference and that

1430

01:11:04,819 --> 01:11:02,789

leerin these guys that rented a is sweet

1431

01:11:06,589 --> 01:11:04,829

damn I'm gonna I'm gonna have I'm gonna

1432

01:11:08,390 --> 01:11:06,599

have to stop you here because we are at

1433

01:11:10,489 --> 01:11:08,400

our bottom of the hour break so hold on

1434

01:11:13,129 --> 01:11:10,499

to your question you can ask it when we

1435

01:11:20,560 --> 01:11:13,139

come back on exploring the bizarre so

1436

01:11:27,290 --> 01:11:24,709

now back to exploring the bazaar with

1437

01:11:30,590 --> 01:11:27,300

two of the most electrifying researchers

1438

01:11:36,310 --> 01:11:30,600

in the Paranoid your hosts Timothy Becca

1439

01:11:40,040 --> 01:11:38,479

all right welcome back to exploring the

1440

01:11:43,280 --> 01:11:40,050

bazaar and Tim you were just getting

1441

01:11:45,920 --> 01:11:43,290

ready to ask a question about the 89

1442

01:11:47,780 --> 01:11:45,930

MUFON convention well you know I don't

1443

01:11:52,570 --> 01:11:47,790

remember I've been too busy eating gummy

1444

01:12:00,650 --> 01:11:57,680

I swear no let's see there was the

1445

01:12:04,790 --> 01:12:00,660

sanction convention at one hotel and

1446

01:12:08,870 --> 01:12:04,800

then the renegades which were the John

1447

01:12:11,750 --> 01:12:08,880

Lear bill Cooper and I think one other

1448

01:12:13,640 --> 01:12:11,760

person whose name I can't go oh much

1449

01:12:16,490 --> 01:12:13,650

built they have bill collection

1450

01:12:18,770 --> 01:12:16,500

bill English yes yes yeah all English

1451

01:12:21,500 --> 01:12:18,780

and also Don Ecker Don Ecker was part of

1452

01:12:28,510 --> 01:12:21,510

that original group and then critical

1453

01:12:31,100 --> 01:12:28,520

and Cooper eventually Hey yeah well

1454

01:12:34,820 --> 01:12:31,110

Edgar has that problem sometimes he can

1455

01:12:39,459 --> 01:12:34,830

just like somebody like I get along with

1456

01:12:46,040 --> 01:12:43,280

Cooper would Lear Lear was the state

1457

01:12:48,620 --> 01:12:46,050

coordinator because he lives in Las

1458

01:12:50,959 --> 01:12:48,630

Vegas and then he said he was gonna have

1459

01:12:52,970 --> 01:12:50,969

his people on like Cooper and those guys

1460

01:12:55,550 --> 01:12:52,980

you know with this kind of stuff that

1461

01:12:57,680 --> 01:12:55,560

was already people like the people with

1462

01:12:59,990 --> 01:12:57,690

stand-in Freedmen's of the world we're

1463

01:13:01,610 --> 01:13:00,000

all really kind of like yeah they didn't

1464

01:13:05,300 --> 01:13:01,620

like this kind of thing because you know

1465

01:13:07,930 --> 01:13:05,310

I mean it was just obviously a whole

1466

01:13:11,540 --> 01:13:07,940

different topic in a lot of ways and

1467

01:13:14,090 --> 01:13:11,550

because the political stuff yeah Cooper

1468

01:13:16,820 --> 01:13:14,100

was uh was advancing that and and Matt

1469

01:13:19,940 --> 01:13:16,830

which mean he actually made a meaningful

1470

01:13:23,600 --> 01:13:19,950

you know for better or worse thing which

1471

01:13:25,520 --> 01:13:23,610

stays in ufology with by connecting it

1472

01:13:27,290 --> 01:13:25,530

and so intensely was political stuff and

1473

01:13:28,430 --> 01:13:27,300

cover-ups and stuff like that that was

1474

01:13:30,770 --> 01:13:28,440

you know a lot of that has to do

1475

01:13:33,200 --> 01:13:30,780

with him just because he was so forceful

1476

01:13:37,700 --> 01:13:33,210

about it but I'm what happened basically

1477

01:13:39,470 --> 01:13:37,710

was here here was we were a ducat with

1478

01:13:42,800 --> 01:13:39,480

longer the guy you just mentioned was

1479

01:13:44,270 --> 01:13:42,810

dangerous right who didn't want you

1480

01:13:46,100 --> 01:13:44,280

didn't want any of that political stuff

1481

01:13:48,340 --> 01:13:46,110

here he what I really didn't want

1482

01:13:51,170 --> 01:13:48,350

anything any insight when he felt was

1483

01:13:53,750 --> 01:13:51,180

anti-americanism you know and and so

1484

01:13:55,880 --> 01:13:53,760

Lear says well screw you will go down

1485

01:13:57,560 --> 01:13:55,890

the muzzle down it was the hotels but

1486

01:13:59,930 --> 01:13:57,570

muta Convention was being healthy

1487

01:14:01,580 --> 01:13:59,940

Aladdin so he says look at that I rent

1488

01:14:04,550 --> 01:14:01,590

another hall you know and we'll get more

1489

01:14:05,600 --> 01:14:04,560

customers in you Ellen Andrews like must

1490

01:14:07,520 --> 01:14:05,610

have realized that this was probably

1491

01:14:10,150 --> 01:14:07,530

true because he backed down and they all

1492

01:14:12,770 --> 01:14:10,160

did eventually presented the Aladdin

1493

01:14:15,430 --> 01:14:12,780

yeah there was a certain faction in

1494

01:14:18,620 --> 01:14:15,440

ufology that wanted to stay away from

1495

01:14:22,060 --> 01:14:18,630

humanoid reports or anything esoteric

1496

01:14:24,110 --> 01:14:22,070

overly esoteric they had the strict

1497

01:14:28,070 --> 01:14:24,120

viewpoint that they were in metal

1498

01:14:31,880 --> 01:14:28,080

spaceships coming here and anything

1499

01:14:34,970 --> 01:14:31,890

Ill think the borderland Research

1500

01:14:38,959 --> 01:14:34,980

Society had a fairly open-minded

1501

01:14:43,729 --> 01:14:38,969

approach to use and was it laying

1502

01:14:49,430 --> 01:14:43,739

modeling you meet me delay me laying and

1503

01:14:51,340 --> 01:14:49,440

then Riley then Riley crab took over but

1504

01:14:55,490 --> 01:14:51,350

you know it was major Keyhoe

1505

01:15:00,320 --> 01:14:55,500

who pushed the extra-terrestrial theory

1506

01:15:03,790 --> 01:15:00,330

if it wasn't for for nightcap I mean we

1507

01:15:10,280 --> 01:15:03,800

might not be that deeply entrenched in

1508

01:15:14,840 --> 01:15:10,290

ete th and it's kind of curious that the

1509

01:15:19,640 --> 01:15:14,850

the hierarchy of nightcap were CIA and

1510

01:15:21,830 --> 01:15:19,650

military yeah yeah when it didn't

1511

01:15:24,020 --> 01:15:21,840

project sign also come out with report

1512

01:15:27,380 --> 01:15:24,030

that said they were extraterrestrial I

1513

01:15:29,870 --> 01:15:27,390

don't know order yeah in the beginning

1514

01:15:31,610 --> 01:15:29,880

there was a kind of a split in the in

1515

01:15:34,220 --> 01:15:31,620

the airforce among those who thought it

1516

01:15:38,410 --> 01:15:34,230

was a you know hopes or hallucination

1517

01:15:42,439 --> 01:15:38,420

now do you know who the actual first

1518

01:15:44,810 --> 01:15:42,449

director of nightcap was before Kido

1519

01:15:49,009 --> 01:15:44,820

listen this will no yeah Ellen Kenner

1520

01:15:52,819 --> 01:15:49,019

yeah no it was t Townsend Brown oh

1521

01:15:56,209 --> 01:15:52,829

that's right yeah yeah yeah and it was

1522

01:15:59,419 --> 01:15:56,219

contact he was near oh he was the one

1523

01:16:03,100 --> 01:15:59,429

that did he was working on a propulsion

1524

01:16:06,199 --> 01:16:03,110

system remember yeah he had

1525

01:16:08,679 --> 01:16:06,209

electromagnetic forces or something

1526

01:16:11,500 --> 01:16:08,689

along that line like two

1527

01:16:14,719 --> 01:16:11,510

electrogravitics is he called yeah yeah

1528

01:16:18,080 --> 01:16:14,729

and I've seen videos of these things

1529

01:16:20,449 --> 01:16:18,090

that are flying around is you know a

1530

01:16:22,549 --> 01:16:20,459

warehouse they're not greatly impressive

1531

01:16:26,029 --> 01:16:22,559

but they were they were flying of their

1532

01:16:30,080 --> 01:16:26,039

own you know volition but he was the

1533

01:16:34,370 --> 01:16:30,090

original director until for some reason

1534

01:16:37,100 --> 01:16:34,380

he was ousted there was a major key oh

1535

01:16:40,669 --> 01:16:37,110

and then he had a secretary there I

1536

01:16:42,529 --> 01:16:40,679

believe her name was rose because I was

1537

01:16:46,000 --> 01:16:42,539

in touch with her long after the

1538

01:16:48,350 --> 01:16:46,010

organization that you know folded

1539

01:16:50,350 --> 01:16:48,360

although there still is a skeleton

1540

01:16:53,719 --> 01:16:50,360

organization that calls themselves

1541

01:16:55,609 --> 01:16:53,729

nightcap but you can find him on the

1542

01:16:59,299 --> 01:16:55,619

internet but they'll never answer an

1543

01:17:02,209 --> 01:16:59,309

email oh well that's something right

1544

01:17:09,439 --> 01:17:04,819

Tim don't you think that there's this

1545

01:17:13,239 --> 01:17:09,449

the composition the the the the oddities

1546

01:17:16,029 --> 01:17:13,249

of the of some of these organizations

1547

01:17:19,939 --> 01:17:16,039

doesn't that kind of make you question

1548

01:17:23,270 --> 01:17:19,949

what really was going on well you know

1549

01:17:26,029 --> 01:17:23,280

outside a nightcap I I don't think any

1550

01:17:30,739 --> 01:17:26,039

of these organizations really had any

1551

01:17:32,419 --> 01:17:30,749

great clout I mean you had a bro

1552

01:17:34,759 --> 01:17:32,429

which of course was down there in Tucson

1553

01:17:37,239 --> 01:17:34,769

and they had about fifteen or sixteen

1554

01:17:40,100 --> 01:17:37,249

hundred members in fact Steve our

1555

01:17:45,259 --> 01:17:40,110

interplanetary News Service had as many

1556

01:17:46,939 --> 01:17:45,269

members as as appro had we weren't as

1557

01:17:50,029 --> 01:17:46,949

well organized and we didn't have people

1558

01:17:53,899 --> 01:17:50,039

to to translate you know the the foreign

1559

01:17:56,239 --> 01:17:53,909

reports or anything but you know I mean

1560

01:17:58,399 --> 01:17:56,249

that night cap was the leader

1561

01:18:00,859 --> 01:17:58,409

at one point they had a membership of

1562

01:18:03,919 --> 01:18:00,869

about I think about seven or eight

1563

01:18:06,919 --> 01:18:03,929

thousand paid people and then there was

1564

01:18:11,299 --> 01:18:06,929

a dr. Hynek subgroup was never very

1565

01:18:13,969 --> 01:18:11,309

large except when Close Encounters of

1566

01:18:16,250 --> 01:18:13,979

the Third Kind came out and most of

1567

01:18:18,020 --> 01:18:16,260

their member were very young

1568

01:18:20,569 --> 01:18:18,030

you know how they got the bulk of their

1569

01:18:25,549 --> 01:18:20,579

members from the movie they made a deal

1570

01:18:28,969 --> 01:18:25,559

with some ice cream company for frozen

1571

01:18:31,549 --> 01:18:28,979

pops like fudgesicles or orange bars or

1572

01:18:34,069 --> 01:18:31,559

whatever you call it and it had like you

1573

01:18:37,759 --> 01:18:34,079

know a wraparound with the Center for

1574

01:18:40,129 --> 01:18:37,769

UFO studies information on it and that's

1575

01:18:42,830 --> 01:18:40,139

where they got a lot of their members

1576

01:18:44,810 --> 01:18:42,840

from you know I they put out a get Jerry

1577

01:18:46,879 --> 01:18:44,820

Clark of course edited the the

1578

01:18:49,969 --> 01:18:46,889

newsletter he did a good job

1579

01:18:51,350 --> 01:18:49,979

benda now this show on TV I don't know

1580

01:18:55,339 --> 01:18:51,360

if you saw it on the History Channel

1581

01:18:58,459 --> 01:18:55,349

it is abominable I mean it's it's kind

1582

01:19:02,060 --> 01:18:58,469

of nice for an advertiser Lee you know

1583

01:19:04,790 --> 01:19:02,070

it look like who's gonna be bad well you

1584

01:19:06,290 --> 01:19:04,800

know it's it's okay I understand it's

1585

01:19:08,930 --> 01:19:06,300

supposed to be a drama and it's not

1586

01:19:12,200 --> 01:19:08,940

supposed to be a document document er ll

1587

01:19:13,640 --> 01:19:12,210

but they went they went far afield i l

1588

01:19:15,649 --> 01:19:13,650

mean they could have taken the stuff

1589

01:19:18,770 --> 01:19:15,659

that really happened and made a drama

1590

01:19:21,109 --> 01:19:18,780

out of it like you know in search of or

1591

01:19:23,509 --> 01:19:21,119

unsolved mysteries that was so one of

1592

01:19:26,180 --> 01:19:23,519

the the better ones they got dr. Hynek

1593

01:19:28,729 --> 01:19:26,190

in the first episode trying to prove

1594

01:19:31,640 --> 01:19:28,739

that uh that a sighting was not a

1595

01:19:34,009 --> 01:19:31,650

balloon that it was an actual UFO and he

1596

01:19:36,950 --> 01:19:34,019

goes up with this Air Force guy in a

1597

01:19:39,140 --> 01:19:36,960

plane and chases a balloon or you're for

1598

01:19:41,299 --> 01:19:39,150

something and the plane almost crashes

1599

01:19:44,390 --> 01:19:41,309

he never went up in a plane to chase a

1600

01:19:51,950 --> 01:19:44,400

UFO there's a fella from the Thomas

1601

01:19:54,649 --> 01:19:51,960

Mantell last night they're out in search

1602

01:19:57,620 --> 01:19:54,659

of the flatwoods monster and and and

1603

01:19:59,600 --> 01:19:57,630

there's a a crowd certainly in the home

1604

01:20:01,370 --> 01:19:59,610

I guess of the witnesses I I don't know

1605

01:20:03,589 --> 01:20:01,380

what I'm wearing the house down or hang

1606

01:20:05,870 --> 01:20:03,599

the witnesses or god knows what and the

1607

01:20:08,839 --> 01:20:05,880

military guy shows up with a shotgun and

1608

01:20:09,770 --> 01:20:08,849

inside and and it hits somebody with the

1609

01:20:15,440 --> 01:20:09,780

one of the right

1610

01:20:18,350 --> 01:20:15,450

I mean you couldn't you could have taken

1611

01:20:21,770 --> 01:20:18,360

the story and and made a good drama out

1612

01:20:24,650 --> 01:20:21,780

of it they screwed it up that's it and

1613

01:20:27,020 --> 01:20:24,660

so I was so for looking forward to that

1614

01:20:29,300 --> 01:20:27,030

and I'm not I'm not the type of person

1615

01:20:31,790 --> 01:20:29,310

I'm not a purist I mean I make movies

1616

01:20:35,690 --> 01:20:31,800

you know myself or I have in the past

1617

01:20:37,340 --> 01:20:35,700

mr. freefall look me up but you know if

1618

01:20:41,060 --> 01:20:37,350

you got something like this you don't

1619

01:20:43,960 --> 01:20:41,070

need to fudge in this tree line it's

1620

01:20:46,130 --> 01:20:43,970

it's crazy and all by itself

1621

01:20:53,380 --> 01:20:46,140

yeah it's gonna have its share of

1622

01:20:58,580 --> 01:20:55,850

you think Marcus and it has anybody

1623

01:21:00,800 --> 01:20:58,590

tried to do a movie or anything about

1624

01:21:03,140 --> 01:21:00,810

super that you know then I've gotten

1625

01:21:05,480 --> 01:21:03,150

done and then a few enquiries somebody

1626  
01:21:07,310 --> 01:21:05,490  
wanted to do a scripted podcast and then

1627  
01:21:09,740 --> 01:21:07,320  
they've been a couple people that have

1628  
01:21:13,520 --> 01:21:09,750  
been interested in doing a movie but you

1629  
01:21:15,560 --> 01:21:13,530  
know I judge these things for the

1630  
01:21:17,390 --> 01:21:15,570  
greatest band you know you know I said

1631  
01:21:19,520 --> 01:21:17,400  
well you know I'm happy to sell you the

1632  
01:21:26,120 --> 01:21:19,530  
you know give you an option you know

1633  
01:21:28,820 --> 01:21:26,130  
just send a check you know and I think

1634  
01:21:32,540 --> 01:21:28,830  
the last time I got offered adoption it

1635  
01:21:34,790 --> 01:21:32,550  
was for \$300 and and it was a it was a

1636  
01:21:37,160 --> 01:21:34,800  
fairly I forget whom but it was a you

1637  
01:21:40,730 --> 01:21:37,170  
know the fairly major player and I just

1638  
01:21:42,350 --> 01:21:40,740

said now you know I just I mean you know

1639

01:21:44,990 --> 01:21:42,360

some worth it at a certain point because

1640

01:21:49,040 --> 01:21:45,000

like the time thing up for six months I

1641

01:21:50,750 --> 01:21:49,050

think it's so great because they're from

1642

01:21:53,330 --> 01:21:50,760

the movies that you're gonna jump at any

1643

01:21:55,490 --> 01:21:53,340

stupid thing they that they offer you

1644

01:21:57,980 --> 01:21:55,500

well you know it's not the case

1645

01:22:02,000 --> 01:21:57,990

oh yeah you know I'm actually thinking

1646

01:22:04,190 --> 01:22:02,010

that um well I'm gonna do a whole bunch

1647

01:22:06,110 --> 01:22:04,200

of new stuff to try to publicize the

1648

01:22:08,780 --> 01:22:06,120

book when the paperback comes out I have

1649

01:22:11,300 --> 01:22:08,790

a few ideas which actually we did this

1650

01:22:13,580 --> 01:22:11,310

thing which was great because I couldn't

1651

01:22:23,509 --> 01:22:13,590

make sense in a book I could I couldn't

1652

01:22:27,469 --> 01:22:23,519

make it up three flights yeah yeah

1653

01:22:29,719 --> 01:22:27,479

we're talking about in the book because

1654

01:22:33,079 --> 01:22:29,729

yeah for William Cooper the the real guy

1655

01:22:35,569 --> 01:22:33,089

was so big in the rap world that there

1656

01:22:38,629 --> 01:22:35,579

was a rapper that took the name William

1657

01:22:40,339 --> 01:22:38,639

Cooper and he raps into this day he raps

1658

01:22:42,139 --> 01:22:40,349

under the name William Cooper and he's

1659

01:22:45,199 --> 01:22:42,149

made several records oh it's so pretty

1660

01:22:47,750 --> 01:22:45,209

well and he's a very good rapper and so

1661

01:22:49,819 --> 01:22:47,760

I I came across and when I was working

1662

01:22:51,829 --> 01:22:49,829

on the book and we've got to be friendly

1663

01:22:54,709 --> 01:22:51,839

and then lady he when the book came out

1664

01:22:57,709 --> 01:22:54,719

he made a video called pant walls rider

1665

01:22:59,929 --> 01:22:57,719

which is the name of the book which you

1666

01:23:02,629 --> 01:22:59,939

can follow me at pale horse rider book

1667

01:23:06,500 --> 01:23:02,639

on Instagram I feel you all should just

1668

01:23:08,750 --> 01:23:06,510

run right now to do that and and you

1669

01:23:11,389 --> 01:23:08,760

know so he made a video we put this

1670

01:23:17,869 --> 01:23:11,399

video together and we showed it and then

1671

01:23:20,869 --> 01:23:17,879

they performed alive it was great you

1672

01:23:23,509 --> 01:23:20,879

know as many times as I have been in

1673

01:23:25,299 --> 01:23:23,519

that bar KGB's I never knew there was a

1674

01:23:36,769 --> 01:23:25,309

third floor

1675

01:23:38,719 --> 01:23:36,779

well actually a fourth one yeah well we

1676

01:23:43,509 --> 01:23:38,729

used to hang out there till God knows

1677

01:23:46,759 --> 01:23:43,519

how what hour of the day and night but

1678

01:23:48,559 --> 01:23:46,769

yeah yeah great far with I mean was what

1679

01:23:51,589 --> 01:23:48,569

the heck you're gonna find a you know

1680

01:23:55,099 --> 01:23:51,599

Stalin and Lenin on me on the wall I

1681

01:23:57,679 --> 01:23:55,109

mean is it true that it was that it was

1682

01:24:01,309 --> 01:23:57,689

a hangout for a well you know what

1683

01:24:04,219 --> 01:24:01,319

happened it was a that building used to

1684

01:24:07,000 --> 01:24:04,229

be Ukrainian party communist party home

1685

01:24:09,349 --> 01:24:07,010

so when is the guy who owns the building

1686

01:24:11,059 --> 01:24:09,359

gotta hold the building when the

1687

01:24:12,919 --> 01:24:11,069

basement he found always comes his

1688

01:24:17,239 --> 01:24:12,929

fledge and stuff like that so he thought

1689

01:24:20,089 --> 01:24:17,249

well you know these he just put him up

1690

01:24:21,649 --> 01:24:20,099

on a wall not believe it hasn't he he's

1691

01:24:29,659 --> 01:24:21,659

not interested in that kind political

1692

01:24:33,489 --> 01:24:29,669

position at all and and they saw the

1693

01:24:37,250 --> 01:24:33,499

poetry readings and it's one of the few

1694

01:24:38,660 --> 01:24:37,260

bars you know like

1695

01:24:40,609 --> 01:24:38,670

artisan bars or whatever you would call

1696

01:24:43,279 --> 01:24:40,619

that you know the caters to the there

1697

01:24:46,009 --> 01:24:43,289

used to be a bunch of New York I mean it

1698

01:24:47,569 --> 01:24:46,019

was the I think the lion's den and I

1699

01:24:51,169 --> 01:24:47,579

don't know they were there were quite a

1700

01:24:52,939 --> 01:24:51,179

few the the writers Club and and stuff

1701

01:24:55,839 --> 01:24:52,949

like that and they they just dwindled

1702

01:24:57,220 --> 01:24:55,849

over the over the years I mean they just

1703

01:24:59,959 --> 01:24:57,230

disappeared

1704

01:25:00,709 --> 01:24:59,969

the internet put the final nail in that

1705

01:25:04,160 --> 01:25:00,719

coffin

1706

01:25:07,220 --> 01:25:04,170

a lot of different things including

1707

01:25:09,919 --> 01:25:07,230

including the publishing industry to a

1708

01:25:14,270 --> 01:25:09,929

large to a large extent I mean I I'm

1709

01:25:16,879 --> 01:25:14,280

going now with the Amazon where it's

1710

01:25:18,580 --> 01:25:16,889

just atrocious to what what they've done

1711

01:25:20,899 --> 01:25:18,590

they've combined two of their car

1712

01:25:24,020 --> 01:25:20,909

companies together and the sales that

1713

01:25:26,720 --> 01:25:24,030

dissipated and and disappeared and and

1714

01:25:29,569 --> 01:25:26,730

you know I mean I make my living and I

1715

01:25:31,759 --> 01:25:29,579

hire you know people and am responsible

1716

01:25:34,790 --> 01:25:31,769

for paying them and all of a sudden

1717

01:25:37,250 --> 01:25:34,800

Amazon the site so let's go in this

1718

01:25:40,399 --> 01:25:37,260

direction with this and and lose the

1719

01:25:41,600 --> 01:25:40,409

counting of everybody's you know sales

1720

01:25:44,299 --> 01:25:41,610

figures and stuff

1721

01:25:48,439 --> 01:25:44,309

yeah the wild world of corporatism

1722

01:25:49,879 --> 01:25:48,449

that's one of my bugaboos well you know

1723

01:25:50,930 --> 01:25:49,889

you know let me talk about this talk

1724

01:25:52,339 --> 01:25:50,940

about the government the government

1725

01:25:53,689 --> 01:25:52,349

through in that degree people should

1726

01:25:55,700 --> 01:25:53,699

have been a little more time looking at

1727

01:25:59,689 --> 01:25:55,710

the corporation's we're really running

1728

01:26:01,310 --> 01:25:59,699

the show you know so those guys I mean I

1729

01:26:02,810 --> 01:26:01,320

don't know I mean Amazon you know like

1730

01:26:16,189 --> 01:26:02,820

I'd be those the richest guy in the

1731

01:26:18,740 --> 01:26:16,199

country now he's getting like he's

1732

01:26:20,899 --> 01:26:18,750

getting a divorce and he has to pay his

1733

01:26:22,700 --> 01:26:20,909

wife after the money if they're oh there

1734

01:26:28,850 --> 01:26:22,710

there's a real industry there's a

1735

01:26:33,589 --> 01:26:28,860

divorce money that flows through the

1736

01:26:36,770 --> 01:26:33,599

hands of those lawyers it's a shame and

1737

01:26:38,870 --> 01:26:36,780

it becomes sober a part of her life we

1738

01:26:41,299 --> 01:26:38,880

don't question it it's like oh yeah you

1739

01:26:43,700 --> 01:26:41,309

know well we'll do it we'll do another

1740

01:26:45,259 --> 01:26:43,710

show on that I would I would think but

1741

01:26:49,069 --> 01:26:45,269

you know what I wanted to ask you you

1742

01:26:51,200 --> 01:26:49,079

you had mentioned very briefly about how

1743

01:26:54,080 --> 01:26:51,210

you were collecting a material on

1744

01:26:57,020 --> 01:26:54,090

animal mutilations and you seem to have

1745

01:27:00,470 --> 01:26:57,030

some connections there well what have

1746

01:27:02,960 --> 01:27:00,480

you come to a conclusion as to what is

1747

01:27:06,020 --> 01:27:02,970

going on with the use of the mute I

1748

01:27:10,700 --> 01:27:06,030

wrote an article for UFO digest and it's

1749

01:27:13,390 --> 01:27:10,710

also on my wordpress 507 all I can do is

1750

01:27:15,710 --> 01:27:13,400

offer all about five alternative

1751

01:27:18,140 --> 01:27:15,720

possibilities you know it's like

1752

01:27:20,510 --> 01:27:18,150

everything else it blends together you

1753

01:27:25,100 --> 01:27:20,520

know you don't know what part goes there

1754

01:27:29,450 --> 01:27:25,110

and what part goes there you know it's

1755

01:27:32,150 --> 01:27:29,460

possible that it's I don't know I hear

1756

01:27:35,620 --> 01:27:32,160

we go into your paranoia it could be

1757

01:27:38,090 --> 01:27:35,630

part of this so breakaway civilization

1758

01:27:40,220 --> 01:27:38,100

obviously somebody's needing animal

1759

01:27:43,460 --> 01:27:40,230

parts and there's no that it's not

1760

01:27:46,040 --> 01:27:43,470

predators because they you some cases or

1761

01:27:47,450 --> 01:27:46,050

they found scalpels one time my gals

1762

01:27:50,500 --> 01:27:47,460

heads been cut off

1763

01:27:55,810 --> 01:27:50,510

you know fools not predators you know

1764

01:28:01,100 --> 01:27:58,610

segue I was talking about we had going

1765

01:28:02,860 --> 01:28:01,110

up to investigate the animal mutilations

1766

01:28:05,570 --> 01:28:02,870

in Elsberry

1767

01:28:07,160 --> 01:28:05,580

and then we did some sky watch trips

1768

01:28:09,620 --> 01:28:07,170

afterwards and we went up there one

1769

01:28:11,540 --> 01:28:09,630

night this might have been my second big

1770

01:28:17,510 --> 01:28:11,550

UFO sighting but you're out in the

1771

01:28:19,490 --> 01:28:17,520

country everything is very stark stark

1772

01:28:22,610 --> 01:28:19,500

reality you look into the sky and you

1773

01:28:24,860 --> 01:28:22,620

see every star you know there had been

1774

01:28:28,460 --> 01:28:24,870

some microwave tires up on the in the

1775

01:28:31,130 --> 01:28:28,470

hills there and one was just adjacent to

1776

01:28:34,100 --> 01:28:31,140

the farmer's field that had to me late

1777

01:28:36,800 --> 01:28:34,110

at cow and we had taken a van up there

1778

01:28:40,430 --> 01:28:36,810

Barbara and her boyfriend and a video

1779

01:28:43,820 --> 01:28:40,440

camera and some cameras and we were

1780

01:28:48,800 --> 01:28:43,830

camped up on the hill there and we were

1781

01:28:50,570 --> 01:28:48,810

looking around and where's the North

1782

01:28:53,300 --> 01:28:50,580

Star oh it's over here it's a bright

1783

01:28:55,400 --> 01:28:53,310

light that's to the north and you know

1784

01:28:57,920 --> 01:28:55,410

it stood there in the north for a long

1785

01:29:01,610 --> 01:28:57,930

time and we assumed it was in our start

1786

01:29:04,610 --> 01:29:01,620

then then we saw these I saw them first

1787

01:29:08,580 --> 01:29:04,620

I said what are these little red lights

1788

01:29:12,390 --> 01:29:08,590

coming over they revolved around the

1789

01:29:14,790 --> 01:29:12,400

microwave tower I I said I said is this

1790

01:29:18,000 --> 01:29:14,800

usual or unusual what what do you call

1791

01:29:22,770 --> 01:29:18,010

this so then they just that seemed to

1792

01:29:25,650 --> 01:29:22,780

disappear those lights and then about an

1793

01:29:29,970 --> 01:29:25,660

hour later I said hey guys the North

1794

01:29:31,920 --> 01:29:29,980

Star it's moving and here's this this

1795

01:29:36,330 --> 01:29:31,930

light you know if it's an approaching

1796

01:29:38,190 --> 01:29:36,340

headlight are like an aircraft over an

1797

01:29:40,290 --> 01:29:38,200

hour's time it would vary you know

1798

01:29:44,820 --> 01:29:40,300

they'd get bigger smaller sup do

1799

01:29:47,790 --> 01:29:44,830

something this same brightness is move

1800

01:29:51,750 --> 01:29:47,800

you start moving towards a river Foley

1801  
01:29:53,130 --> 01:29:51,760  
Missouri is a near the river and we

1802  
01:29:56,490 --> 01:29:53,140  
could watch a go through the tree line

1803  
01:29:58,320 --> 01:29:56,500  
and say here that lights moving looks

1804  
01:30:01,560 --> 01:29:58,330  
like it's gonna circle around and come

1805  
01:30:03,660 --> 01:30:01,570  
towards us and it did and here it's

1806  
01:30:07,110 --> 01:30:03,670  
coming up towards the hill where we're

1807  
01:30:12,330 --> 01:30:07,120  
station and it seemed best stop about 80

1808  
01:30:15,570 --> 01:30:12,340  
degrees above US coast or turn and then

1809  
01:30:17,520 --> 01:30:15,580  
head back first st. Louis and it just

1810  
01:30:20,550 --> 01:30:17,530  
looked like an airplane it had cabin

1811  
01:30:23,400 --> 01:30:20,560  
lights but we couldn't see any wings and

1812  
01:30:25,980 --> 01:30:23,410  
I've heard a very faint whistling sound

1813  
01:30:27,300 --> 01:30:25,990

like a jet sound very low and it has

1814

01:30:30,510 --> 01:30:27,310

headed back over charged the river

1815

01:30:33,420 --> 01:30:30,520

toward st. Louis I said what we're going

1816

01:30:35,790 --> 01:30:33,430

to call that a UFO or what and so they

1817

01:30:38,880 --> 01:30:35,800

felt out some sighting farms all three

1818

01:30:41,940 --> 01:30:38,890

of us and recently Barbara had put the

1819

01:30:44,070 --> 01:30:41,950

episode on the internet and I found it

1820

01:30:46,860 --> 01:30:44,080

by accident looking for things that

1821

01:30:49,410 --> 01:30:46,870

happened a bells Barry and I looked at

1822

01:30:51,780 --> 01:30:49,420

her note she had in the and that website

1823

01:30:54,210 --> 01:30:51,790

and it pretty much described what we saw

1824

01:30:56,040 --> 01:30:54,220

that evening she didn't see the red

1825

01:30:57,960 --> 01:30:56,050

light circle the tower she said she's

1826

01:30:59,790 --> 01:30:57,970

seen him come up over the horizon

1827

01:31:01,890 --> 01:30:59,800

and it could just be a matter of not

1828

01:31:05,520 --> 01:31:01,900

look but the description of that that

1829

01:31:06,120 --> 01:31:05,530

plane or whatever it was pretty well

1830

01:31:09,510 --> 01:31:06,130

jibed

1831

01:31:12,570 --> 01:31:09,520

and I think it's awful was awful unusual

1832

01:31:15,300 --> 01:31:12,580

for an airplane to act that way if as a

1833

01:31:16,680 --> 01:31:15,310

helicopter I don't think we couldn't

1834

01:31:18,000 --> 01:31:16,690

what we wouldn't have seen cabin lights

1835

01:31:20,490 --> 01:31:18,010

like that along

1836

01:31:23,460 --> 01:31:20,500

the side of the fuselage were you were

1837

01:31:27,210 --> 01:31:23,470

you involved at all in the Piedmont a

1838

01:31:29,160 --> 01:31:27,220

Piedmont that's a UFO yeah oh yeah yeah

1839

01:31:32,729 --> 01:31:29,170

I even wrote an article for Probie

1840

01:31:34,800 --> 01:31:32,739

unknown well that said to send us a copy

1841

01:31:36,240 --> 01:31:34,810

of that because we might reprint it I

1842

01:31:45,240 --> 01:31:36,250

mean certainly the rights have reverted

1843

01:31:50,340 --> 01:31:45,250

back to you it ended up with the Harley

1844

01:31:52,500 --> 01:31:50,350

Rutledge's remember the physicist send

1845

01:31:57,360 --> 01:31:52,510

me it copy that because I'm working on a

1846

01:31:59,850 --> 01:31:57,370

book which is on a UFO basis and that

1847

01:32:02,310 --> 01:31:59,860

certainly would be would be one of them

1848

01:32:05,640 --> 01:32:02,320

I'd like to include that in the in the

1849

01:32:10,080 --> 01:32:05,650

am in the book it goes back yeah they

1850

01:32:12,270 --> 01:32:10,090

said they are no I don't know I that was

1851  
01:32:14,930 --> 01:32:12,280  
the main that was the main that was the

1852  
01:32:18,570 --> 01:32:14,940  
main flap because nothing really after

1853  
01:32:21,570 --> 01:32:18,580  
Rutledge dr. Rutledge passed away

1854  
01:32:23,280 --> 01:32:21,580  
the sightings seemed to dissipate I

1855  
01:32:25,680 --> 01:32:23,290  
don't know I guess maybe nobody was

1856  
01:32:27,900 --> 01:32:25,690  
keeping track of them or or sometimes I

1857  
01:32:29,870 --> 01:32:27,910  
think it mainly mainly as there was

1858  
01:32:32,640 --> 01:32:29,880  
nobody going down and doing

1859  
01:32:35,610 --> 01:32:32,650  
investigations like he did he was pretty

1860  
01:32:37,440 --> 01:32:35,620  
thorough in honest you know you just

1861  
01:32:39,380 --> 01:32:37,450  
described what he saw and there was a

1862  
01:32:42,300 --> 01:32:39,390  
lot of synchronicity strange

1863  
01:32:44,700 --> 01:32:42,310

synchronicity I happened to his

1864

01:32:45,930 --> 01:32:44,710

sightings but he said hey guys I'm gonna

1865

01:32:48,120 --> 01:32:45,940

have to interrupt you here because we

1866

01:32:50,370 --> 01:32:48,130

have about less than three minutes left

1867

01:32:52,200 --> 01:32:50,380

in the show so we want to give both of

1868

01:32:54,030 --> 01:32:52,210

you a chance to let our audience know

1869

01:32:56,729 --> 01:32:54,040

where they can find out more about you

1870

01:32:59,160 --> 01:32:56,739

mark what about you the name of your

1871

01:33:02,910 --> 01:32:59,170

book where they can find it website

1872

01:33:05,850 --> 01:33:02,920

things are clear well I named my current

1873

01:33:08,880 --> 01:33:05,860

book is behold the pale that's the book

1874

01:33:11,400 --> 01:33:08,890

based on his name of it is pale horse

1875

01:33:14,820 --> 01:33:11,410

rider and you can get it at any

1876

01:33:15,870 --> 01:33:14,830

bookstore or Amazon or elles are those

1877

01:33:19,020 --> 01:33:15,880

Internet people

1878

01:33:22,140 --> 01:33:19,030

and then I've written several other

1879

01:33:23,580 --> 01:33:22,150

books including a book about narrated

1880

01:33:26,970 --> 01:33:23,590

from the point of view of Godzilla

1881

01:33:31,020 --> 01:33:26,980

called Gojira she's ridden a few years

1882

01:33:33,150 --> 01:33:31,030

ago and I have a

1883

01:33:34,860 --> 01:33:33,160

I have an Instagram account which is

1884

01:33:37,770 --> 01:33:34,870

basically dealing with the bill Cooper

1885

01:33:41,550 --> 01:33:37,780

material and other stuff which is called

1886

01:33:43,590 --> 01:33:41,560

pale horse for pale horse rider book and

1887

01:33:44,820 --> 01:33:43,600

Instagram and you can look that up and

1888

01:34:05,760 --> 01:33:44,830

there's a lot of material there you

1889

01:34:08,430 --> 01:34:05,770

might find interesting and fun in the

1890

01:34:16,880 --> 01:34:08,440

car during the rain there mark when we

1891

01:34:21,740 --> 01:34:16,890

first met what about you yeah I have a

1892

01:34:25,380 --> 01:34:21,750

wordpress site it's a wordpress comm

1893

01:34:27,090 --> 01:34:25,390

57.4 press.com and it has a number of my

1894

01:34:31,410 --> 01:34:27,100

articles on there and we cover different

1895

01:34:33,120 --> 01:34:31,420

topics you can find a lot of infected

1896

01:34:36,030 --> 01:34:33,130

probably that article in the mutilation

1897

01:34:39,750 --> 01:34:36,040

you'll probably find on there then also

1898

01:34:42,480 --> 01:34:39,760

written for UFO digest dot-com it's

1899

01:34:45,120 --> 01:34:42,490

Robert well let's start yeah that's the

1900

01:34:47,220 --> 01:34:45,130

pretty defunct I mean you don't post too

1901

01:34:50,070 --> 01:34:47,230

much anything up there anymore well

1902

01:34:52,590 --> 01:34:50,080

Robert so involved with his radio

1903

01:34:56,130 --> 01:34:52,600

program that he kind of put it to the

1904

01:34:59,130 --> 01:34:56,140

back burner but he comes out so many

1905

01:35:02,580 --> 01:34:59,140

pop-ups on there too anyway I don't know

1906

01:35:05,270 --> 01:35:02,590

our website mister UFO secret file on

1907

01:35:11,320 --> 01:35:05,280

YouTube in our new book Jeff the talking

1908

01:35:18,170 --> 01:35:14,270

you've been listening to exploring the

1909

01:35:21,410 --> 01:35:18,180

bazaar with hosts Timothy Becky panty

1910

01:35:24,320 --> 01:35:21,420

Swartz they're taking back the night by

1911

01:35:26,900 --> 01:35:24,330

jetting non-stop across the cosmos in

1912

01:35:29,750 --> 01:35:26,910

search of the truly bizarre and totally

1913

01:35:32,570 --> 01:35:29,760

unexplained with you as their coal

1914

01:35:36,980 --> 01:35:32,580

miners Thursday nights at 7:00 p.m.

1915

01:35:38,889 --> 01:35:36,990

Pacific 10:00 p.m. Eastern on the K cor

1916

01:35:41,350 --> 01:35:38,899

digital radio

1917

01:35:44,770 --> 01:35:41,360

for more information on exploring the

1918

01:35:47,649 --> 01:35:44,780

bazaar and hosts timothy Beckley and tim

1919

01:35:50,739 --> 01:35:47,659

Swartz check out their kco our digital

1920

01:35:56,979 --> 01:35:50,749

radio network follow their YouTube
