strap yourself e'en as we traverse the

5
00:01:02,580 --> 00:00:58,140

universe exploring the unexplained UFO s

6
00:01:06,719 --> 00:01:02,590

ghosts Lost Worlds cryptozoology waters

7
00:01:11,219 --> 00:01:06,729

as well as other dimensions it's time to

8
00:01:13,469 --> 00:01:11,229

take back the night now your

9
00:01:20,300 --> 00:01:13,479

electrifying hosts of exploring the

10
00:01:25,469 --> 00:01:23,670

what a breathtaking sight it's almost

11
00:01:27,330 --> 00:01:25,479

like we're walking through the Garden of

12
00:01:29,670 --> 00:01:27,340

Eden yep

13
00:01:32,460 --> 00:01:29,680

El Yunque is one of the most beautiful

14

00:01:35,520 --> 00:01:32,470

rainforest in the world and you know Tim

15

00:01:40,260 --> 00:01:35,530

it's steeped in all sorts of UFO legends

16

00:01:43,260 --> 00:01:40,270

and lore well if there's lots of

17

00:01:45,900 --> 00:01:43,270

low-level sightings near the observation

18

00:01:50,160 --> 00:01:45,910

tower up there aliens hiding out in

19

00:01:52,649 --> 00:01:50,170

caves even a supposed UFO crash a little

20

00:01:57,530 --> 00:01:52,659

while back well I can't wait to hear

21

00:02:00,319 --> 00:01:57,540

about that and don't forget those pesky

22

00:02:03,840 --> 00:02:00,329

chupacabras that are all over the jungle

23

00:02:06,390 --> 00:02:03,850

and our guest tonight alive from Puerto

24

00:02:09,590 --> 00:02:06,400

Rico is like the number-one researcher

25

00:02:14,690 --> 00:02:09,600

on the island who has been investigating

26

00:02:17,870 --> 00:02:14,700

this phenomena since in the early 1970s

27

00:02:21,840 --> 00:02:17,880

unfortunately yeah unfortunately

28

00:02:25,020 --> 00:02:21,850

hurricane Maria decimated to the lush

29

00:02:29,310 --> 00:02:25,030

jungle habitat and it's and all its

30

00:02:32,970 --> 00:02:29,320

inhabitants aliens and earthlings plus

31

00:02:35,370 --> 00:02:32,980

there is the UFO secrecy involved lots

32

00:02:38,509 --> 00:02:35,380

of that well let's finish up here and

33

00:02:41,220 --> 00:02:38,519

head back to the studio in Las Vegas

34

00:02:43,460 --> 00:02:41,230

well I hate to leave the jungle even

35

00:02:46,590 --> 00:02:43,470

though it is a little bit hot I have to

36

00:02:49,190 --> 00:02:46,600

admit and this one alien has me by the

37

00:02:53,400 --> 00:02:49,200

leg and is trying to take my pants off

38

00:02:55,379 --> 00:02:53,410

mouth off naughty alien yeah yeah yeah

39

00:02:57,020 --> 00:02:55,389

do it some other time when we have more

40

00:03:00,110 --> 00:02:57,030

time to spare Hey

41

00:03:02,850 --> 00:03:00,120

[Laughter]

42

00:03:06,150 --> 00:03:02,860

we really have a special guest tonight

43

00:03:08,430 --> 00:03:06,160

and this is somebody that that Tim

44

00:03:11,339 --> 00:03:08,440

46

00:03:17,640 --> 00:03:14,769

while and our guest tonight is Jorge

Otherworld so Jorge Martin thank you

71

00:04:29,879 --> 00:04:25,960

very much for being with us tonight on

72

00:04:31,529 --> 00:04:29,889

exploring the bizarre mr. Schwarz

73

00:04:32,070 --> 00:04:31,539

pleased to meet you thank you for the

74

00:04:34,230 --> 00:04:32,080

invitation

75

00:04:41,240 --> 00:04:34,240

oh it's my pleasure it's my exposure now

76

00:04:46,020 --> 00:04:41,250

um I remember reading your articles in

77

00:04:47,400 --> 00:04:46,030

Tim Beckley's UFO universe and that's I

78

00:04:52,710 --> 00:04:47,410

think that was one of the first places

79

00:04:57,960 --> 00:04:52,720

that I I found out about what a hotbed

80

00:05:00,659 --> 00:04:57,970

of UFO activity Puerto Rico is now of

81

00:05:02,580 --> 00:05:00,669

course now by the time that I found out

82

00:05:04,980 --> 00:05:02,590

about this this probably would have been

83

00:05:10,470 --> 00:05:04,990

the middle 1980s

84

00:05:13,020 --> 00:05:10,480

but apparently UFO sightings and other

85

00:05:16,590 --> 00:05:13,030

usual phenomena had been taking place on

86

00:05:20,540 --> 00:05:16,600

the island for for quite some time just

87

00:05:24,180 --> 00:05:20,550

the the activity pertaining to UFOs

88

00:05:28,200 --> 00:05:24,190

aliens etc for it was very hiked and has

89

00:05:30,990 --> 00:05:28,210
been sold for many decades okay you are

90

00:05:34,290 --> 00:05:31,000
correct the the articles I wrote for

91

00:05:36,060 --> 00:05:34,300
youth of universe is a magazine we're

92

00:05:39,390 --> 00:05:36,070
back in the 80s and the beginning of the

93

00:05:41,130 --> 00:05:39,400
knives but many more things have been

94

00:05:42,980 --> 00:05:41,140
happening here in the islands as you

95

00:05:49,380 --> 00:05:42,990
will see by this thing we were talking

96

00:05:53,610 --> 00:05:49,390
to now they're very important so now

97

00:05:56,970 --> 00:05:53,620
what first got you involved in research

98

00:05:58,830 --> 00:05:56,980
in investigating UFOs okay I was always

99

00:06:01,380 --> 00:05:58,840
interested in this matter okay I mean

100

00:06:05,880 --> 00:06:01,390
since I was a small kid I remember in

101
00:06:10,350 --> 00:06:05,890
back in 1969 I used to read a lot about

102
00:06:14,490 --> 00:06:10,360
this phenomenon and it's curious involve

103
00:06:18,270 --> 00:06:14,500
and the books of United States

104
00:06:23,330 --> 00:06:18,280
researchers a French and other countries

105
00:06:26,700 --> 00:06:23,340
now but in 1969 I was following the

106
00:06:29,460 --> 00:06:26,710
Apollo 11 mission to the moon and I

107
00:06:31,680 --> 00:06:29,470
remember that at one moment one of the

108
00:06:34,710 --> 00:06:31,690
astronauts as a know if it was possibly

109
00:06:37,080 --> 00:06:34,720
more Armstrong but the thing is that I

110
00:06:40,200 --> 00:06:37,090
heard they were talking with NASA by Ray

111
00:06:43,020 --> 00:06:40,210
Knight and one of them said NASA we're

112
00:06:46,080 --> 00:06:43,030
being followed by a string object a

113
00:06:48,450 --> 00:06:46,090

shiny oval shaped object and then the

114

00:06:52,130 --> 00:06:48,460

communication was it cut up okay

115

00:06:55,920 --> 00:06:52,140

apparently the the transmission was a a

116

00:06:57,930 --> 00:06:55,930

change to another frequency something

117

00:07:00,600 --> 00:06:57,940

that they tend to do very often in that

118

00:07:03,360 --> 00:07:00,610

type of situations and at that moment I

119

00:07:05,760 --> 00:07:03,370

became aware hey something real is going

120

00:07:07,950 --> 00:07:05,770

on okay these stories about the flying

121

00:07:09,780 --> 00:07:07,960

saucers and the UFO phenomenon

122

00:07:13,460 --> 00:07:09,790

everything there's something to this

123

00:07:16,280 --> 00:07:13,470

okay and ever since that happened I

124

00:07:21,540 --> 00:07:16,290

became more interested in in this

125

00:07:24,470 --> 00:07:21,550

phenomenon and began doing some personal

126

00:07:27,080 --> 00:07:24,480

research you know until 1973

127

00:07:30,200 --> 00:07:27,090

when I became involved with a group here

128

00:07:32,720 --> 00:07:30,210

in Puerto Rico the centro de estudios of

129

00:07:35,420 --> 00:07:32,730

me the Puerto Rico the Perico UFO center

130

00:07:37,430 --> 00:07:35,430

that was associated with the UFO Center

131

00:07:41,920 --> 00:07:37,440

dr. Hynek Indiana studying Evanston

132

00:07:45,110 --> 00:07:41,930

Illinois and began doing more serious

133

00:07:46,820 --> 00:07:45,120

research the event that were happening

134

00:07:50,120 --> 00:07:46,830

in Puerto Rico pertaining to the UFO

135

00:07:52,240 --> 00:07:50,130

phenomenon and since then I've been

136

00:07:56,300 --> 00:07:52,250

involved with this matter all my life

137

00:07:58,820 --> 00:07:56,310

mmm well and you certainly were really

138

00:08:06,280 --> 00:07:58,830

in the best position especially in the

139

00:08:10,280 --> 00:08:06,290

the early 1970s when that UFO flap

140

00:08:11,780 --> 00:08:10,290

started and and I I can't remember the

141

00:08:14,660 --> 00:08:11,790

name of the town especially that it was

142

00:08:17,330 --> 00:08:14,670

you know centered around but I wanted to

143

00:08:20,360 --> 00:08:17,340

get to this was something that we had

144

00:08:22,910 --> 00:08:20,370

talked about before the program and I've

145

00:08:27,440 --> 00:08:22,920

heard a lot about this but I have never

146

00:08:29,570 --> 00:08:27,450

really gotten really a good description

147

00:08:33,740 --> 00:08:29,580

of these events that you were telling me

148

00:08:37,550 --> 00:08:33,750

about and this was the US Navy alien UFO

149

00:08:39,230 --> 00:08:37,560

project that that occurred around now

150

00:08:43,850 --> 00:08:39,240

and how do you pronounce the name of the

151

00:08:46,010 --> 00:08:43,860

Ireland the Vieques island it's located

152

00:08:47,900 --> 00:08:46,020

about 15 miles away from the east coast

153

00:08:51,140 --> 00:08:47,910

of Puerto Rico and we go to the

154

00:08:56,990 --> 00:08:51,150

territory of Puerto Rico a the US Navy

155

00:08:58,790 --> 00:08:57,000

used to have a two bases there to the

156

00:09:00,680 --> 00:08:58,800

eastern section of the island and the

157

00:09:02,810 --> 00:09:00,690

western section of the island they

158

00:09:06,950 --> 00:09:02,820

belong to the US Navy okay and they had

159

00:09:11,210 --> 00:09:06,960

bases on the western side and in the

160

00:09:15,500 --> 00:09:11,220

eastern side they had this a restricted

161

00:09:19,730 --> 00:09:15,510

area where they did military exercises

162

00:09:24,170 --> 00:09:19,740

bombing practices and seems like that so

163

00:09:27,590 --> 00:09:24,180

what what happened that really first

164

00:09:29,750 --> 00:09:27,600

started getting people's attention that

165

00:09:33,620 --> 00:09:29,760

something really unusual was taking

166

00:09:38,030 --> 00:09:33,630

place there okay the thing is that back

167

00:09:40,670 --> 00:09:38,040

in 1999 something

168

00:09:44,120 --> 00:09:40,680

happened there okay this grass will be

169

00:09:46,340 --> 00:09:44,130

bent okay before that they have been

170

00:09:49,999 --> 00:09:46,350

some protest in the island by the

171

00:09:52,879 --> 00:09:50,009

residents of Vieques because they wanted

172

00:09:55,730 --> 00:09:52,889

the US Navy to leave the island because

173

00:09:57,499 --> 00:09:55,740

they there was only a small part in the

174

00:10:00,199 --> 00:09:57,509

center of the island that was allowed

175

00:10:02,030 --> 00:10:00,209

for people to live inside of it you know

176

00:10:04,309 --> 00:10:02,040

the press the island was on their

177

00:10:09,499 --> 00:10:04,319

military exercise and things like that

178

00:10:11,780 --> 00:10:09,509

and it was controlled by the US Navy

179

00:10:14,379 --> 00:10:11,790

stationed route the road that was

180

00:10:21,110 --> 00:10:14,389

located in saber in the eastern tip of

181

00:10:21,980 --> 00:10:21,120

the main nanopore Rico they were very

182

00:10:26,509 --> 00:10:21,990

connected okay

183

00:10:34,189 --> 00:10:26,519

and in 1999 there was an accident one of

184

00:10:37,670 --> 00:10:34,199

the gifts from a USA how do you say

185

00:10:40,639 --> 00:10:37,680

career okay right yeah career one of the

186

00:10:44,300 --> 00:10:40,649

planes was yet was doing some bombing

187

00:10:47,170 --> 00:10:44,310

practices you know inside the area of

188

00:10:55,160 --> 00:10:47,180

where they did this type of things and

189

00:11:01,309 --> 00:10:55,170

by mistake he a let go a bomb at the

190

00:11:04,460 --> 00:11:01,319

wrong place and a you can say a civilian

191

00:11:06,319 --> 00:11:04,470

guard that work for the US Navy died at

192

00:11:08,210 --> 00:11:06,329

that moment you know all hell broke

193

00:11:10,460 --> 00:11:08,220

loose and people began the people who

194

00:11:12,530 --> 00:11:10,470

Pik began if they ask in the US Navy to

195

00:11:14,840 --> 00:11:12,540

leave the island to stop the practices

196

00:11:16,009 --> 00:11:14,850

there that I didn't want that type of

197

00:11:19,400 --> 00:11:16,019

activity there anymore

198

00:11:22,460 --> 00:11:19,410

etc etc and we noticed something very

199

00:11:25,879 --> 00:11:22,470

strange pertaining to the way the the

200

00:11:28,009 --> 00:11:25,889

the USSR it is the US Navy authorities

201

00:11:31,129 --> 00:11:28,019

and the Pearl River local authorities

202

00:11:32,689 --> 00:11:31,139

talked about what had happened there you

203

00:11:33,230 --> 00:11:32,699

know they were very ambiguous about the

204

00:11:35,480 --> 00:11:33,240

whole thing

205

00:11:38,480 --> 00:11:35,490

and of course we can understand that

206

00:11:39,679 --> 00:11:38,490

pertaining to because of the situation

207

00:11:41,090 --> 00:11:39,689

bolita car situation between Puerto

208

00:11:43,189 --> 00:11:41,100

Rican the United States cetera cetera

209

00:11:46,129 --> 00:11:43,199

sometimes very difficult to talk about

210

00:11:49,280 --> 00:11:46,139

certain things but we had not this

211

00:11:50,870 --> 00:11:49,290

before a team that whenever the UFO

212

00:11:55,310 --> 00:11:50,880

matter wasn't

213

00:11:56,840 --> 00:11:55,320

somehow we the situations involve is in

214

00:11:58,820 --> 00:11:56,850

some different case associated

215

00:12:02,480 --> 00:11:58,830

disappearances of planes or boats or

216

00:12:04,460 --> 00:12:02,490

whatever they behaved in the same manner

217

00:12:06,950 --> 00:12:04,470

okay they were very ambiguous about

218

00:12:09,710 --> 00:12:06,960

everything they said and we began

219

00:12:12,350 --> 00:12:09,720

wondering okay what's going on here is

220

00:12:17,180 --> 00:12:12,360

maybe is there a possibility that

221

00:12:18,890 --> 00:12:17,190

there's an alien a UFO angrily related

222

00:12:22,370 --> 00:12:18,900

to all this that that had happened

223

00:12:23,810 --> 00:12:22,380

during these late days my wife Tony a

224

00:12:25,820 --> 00:12:23,820

hoarder let's go down there to be a

225

00:12:27,590 --> 00:12:25,830

guest and check it out because there's

226

00:12:29,840 --> 00:12:27,600

something strange they won't talk

227

00:12:32,110 --> 00:12:29,850

clearly about it and we went there I'm

228

00:12:34,880 --> 00:12:32,120

doing what we found was a plethora of

229

00:12:37,850 --> 00:12:34,890

cases it was incredible and every mind

230

00:12:40,490 --> 00:12:37,860

it seemed like that okay for many many

231

00:12:46,340 --> 00:12:40,500

years the people of Vieques had been

232

00:12:51,290 --> 00:12:46,350

witnessing UFOs large sized UFOs small

233

00:12:54,340 --> 00:12:51,300

ones cylinder shaped craft a sphere

234

00:12:57,710 --> 00:12:54,350

shaped craft they had been seeing aliens

235

00:13:01,310 --> 00:12:57,720

more of my most of them were these the

236

00:13:03,710 --> 00:13:01,320

small gray type aliens that seemed to be

237

00:13:05,270 --> 00:13:03,720

unfav ins because at all time they see

238

00:13:07,720 --> 00:13:05,280

them coming out from the water in the

239

00:13:10,040 --> 00:13:07,730

coastline or going into lagoons

240

00:13:11,860 --> 00:13:10,050

remaining underwater in the lagoons and

241

00:13:14,630 --> 00:13:11,870

then going back to the to the sea and

242

00:13:16,700 --> 00:13:14,640

they had seen crafts land in different

243

00:13:19,640 --> 00:13:16,710

parts of the island from which the these

244

00:13:21,710 --> 00:13:19,650

creatures came out okay the creature

245

00:13:24,350 --> 00:13:21,720

seemed to be very friendly people they

246

00:13:28,430 --> 00:13:24,360

didn't hurt them they were very how

247

00:13:30,350 --> 00:13:28,440

could I say they seized seem to be

248

00:13:31,940 --> 00:13:30,360

friendly to some degree they approached

249

00:13:34,580 --> 00:13:31,950

people they were very curious about

250

00:13:37,040 --> 00:13:34,590

people but they wouldn't let them get

251
00:13:38,830 --> 00:13:37,050
really close to them and whenever that

252
00:13:41,540 --> 00:13:38,840
happened they'd run away into the sea

253
00:13:44,660 --> 00:13:41,550
foreign to the craft and departed or

254
00:13:46,580 --> 00:13:44,670
into the lagoons and later on a craft

255
00:13:49,940 --> 00:13:46,590
would come and they would depart in the

256
00:13:53,180 --> 00:13:49,950
lagoon in the in the scraps but we also

257
00:13:56,530 --> 00:13:53,190
found many things team they had to do

258
00:14:00,680 --> 00:13:56,540
with what seemed to be in our opinion

259
00:14:04,580 --> 00:14:00,690
with a secret US Navy project they had

260
00:14:09,570 --> 00:14:04,590
to do with the contact with alien

261
00:14:12,900 --> 00:14:09,580
species and also alien crabs there were

262
00:14:18,420 --> 00:14:12,910
many incidents in which people who were

263
00:14:20,520 --> 00:14:18,430

with US Navy a civilian for ricans

264

00:14:23,040 --> 00:14:20,530

Kansas civilians were with US Navy

265

00:14:25,730 --> 00:14:23,050

policemen and many other people so in

266

00:14:28,380 --> 00:14:25,740

this place especially in the area of the

267

00:14:32,430 --> 00:14:28,390

work the bumping practices were being

268

00:14:36,030 --> 00:14:32,440

made by the the US Navy they saw a large

269

00:14:42,230 --> 00:14:36,040

huge flying saucer type craft coming

270

00:14:46,170 --> 00:14:42,240

down from the sky and went down and a

271

00:14:50,280 --> 00:14:46,180

landing next to to some lagoons there

272

00:14:53,910 --> 00:14:50,290

and whenever that happened the periculum

273

00:14:57,690 --> 00:14:53,920

officials the security guards and the

274

00:15:00,150 --> 00:14:57,700

low level a members of the US Navy who

275

00:15:02,070 --> 00:15:00,160

were there during the practices they

276

00:15:04,110 --> 00:15:02,080

were ordered by high-level officers that

277

00:15:07,110 --> 00:15:04,120

were there too to leave the area

278

00:15:08,970 --> 00:15:07,120

immediately and not to say anything

279

00:15:12,030 --> 00:15:08,980

about what it has in there when when

280

00:15:15,210 --> 00:15:12,040

this craft came down there in the the

281

00:15:17,310 --> 00:15:15,220

bombing area and this is a high-level

282

00:15:19,740 --> 00:15:17,320

officer from the US Navy remained there

283

00:15:22,350 --> 00:15:19,750

a they didn't know what happened

284

00:15:25,200 --> 00:15:22,360

afterwards if they went down there to

285

00:15:26,700 --> 00:15:25,210

what the craft landed if they talked to

286

00:15:29,070 --> 00:15:26,710

to the occupants of the crafts of

287

00:15:36,180 --> 00:15:29,080

whatever by the way so that on several

288

00:15:38,790 --> 00:15:36,190

occasions and also during the protests

289

00:15:45,710 --> 00:15:38,800

there there were many incidents inside

290

00:15:53,250 --> 00:15:45,720

the US Navy pray perimeter of this a

291

00:15:57,810 --> 00:15:53,260

bombing area a many peaceful resistance

292

00:16:01,770 --> 00:15:57,820

you know got inside that part of the

293

00:16:03,870 --> 00:16:01,780

base to prevent US Navy from doing

294

00:16:07,770 --> 00:16:03,880

exercises there they were acting as a

295

00:16:10,740 --> 00:16:07,780

human shields and they did have in many

296

00:16:13,320 --> 00:16:10,750

occasions but when they were in inside

297

00:16:15,960 --> 00:16:13,330

the area they saw incredible thing to

298

00:16:17,340 --> 00:16:15,970

you they saw huge sitting there shake

299

00:16:19,590 --> 00:16:17,350

craft okay

300

00:16:22,200 --> 00:16:19,600

hanging motionless in the sky next to

301
00:16:23,160 --> 00:16:22,210
the observation point to number one that

302
00:16:24,840 --> 00:16:23,170
was the building

303
00:16:27,090 --> 00:16:24,850
from where the the u.s. Navy personnel

304
00:16:30,210 --> 00:16:27,100
and the other personnel there from

305
00:16:31,700 --> 00:16:30,220
radium corporation that was working

306
00:16:35,580 --> 00:16:31,710
together with u.s. Navy in the area

307
00:16:39,960 --> 00:16:35,590
where they supervised the military

308
00:16:43,020 --> 00:16:39,970
practices the bombings etc cetera a-and

309
00:16:46,140 --> 00:16:43,030
and that was very strange because the

310
00:16:49,200 --> 00:16:46,150
ice crush remained there for some time

311
00:16:51,150 --> 00:16:49,210
for half an hour and then departed there

312
00:16:54,990 --> 00:16:51,160
but they were able to see this and and

313
00:16:58,620 --> 00:16:55,000

so they saw beings they saw a craft

314

00:17:00,420 --> 00:16:58,630

going into the water into the sea all

315

00:17:03,150 --> 00:17:00,430

around the place coming up from the sea

316

00:17:06,090 --> 00:17:03,160

the fishermen there the team if you go

317

00:17:07,770 --> 00:17:06,100

to be a guest so you can talk freely to

318

00:17:11,160 --> 00:17:07,780

the fishermen all around the island and

319

00:17:13,320 --> 00:17:11,170

they will tell you incredible stories

320

00:17:15,780 --> 00:17:13,330

about everything they had seen large

321

00:17:17,730 --> 00:17:15,790

flying saucer type craft that come out

322

00:17:20,970 --> 00:17:17,740

from the water remain on top of their

323

00:17:24,180 --> 00:17:20,980

boats and then leave a large flying

324

00:17:26,550 --> 00:17:24,190

saucer type craft a absorbing water from

325

00:17:28,590 --> 00:17:26,560

the sea in large columns of water

326

00:17:32,940 --> 00:17:28,600

the ghosts are painted into the UFOs

327

00:17:35,460 --> 00:17:32,950

described and many other things so the

328

00:17:37,290 --> 00:17:35,470

amount information that we got here was

329

00:17:41,760 --> 00:17:37,300

incredible we never expected that to be

330

00:17:47,040 --> 00:17:41,770

that way but it showed us that the US

331

00:17:51,660 --> 00:17:47,050

Navy had some type of secret a maybe

332

00:17:53,490 --> 00:17:51,670

contact program with alien species or

333

00:17:56,310 --> 00:17:53,500

maybe they were testing or doing

334

00:18:00,720 --> 00:17:56,320

something with the alien technology at

335

00:18:03,660 --> 00:18:00,730

the place and we eventually wrote a book

336

00:18:07,040 --> 00:18:03,670

where we reported all of this all this

337

00:18:09,540 --> 00:18:07,050

information is in our group I guess a

338

00:18:11,550 --> 00:18:09,550

polygon intercepted but that is the one

339

00:18:15,420 --> 00:18:11,560

that you mentioning English language

340

00:18:20,160 --> 00:18:15,430

ties will be a guest Caribbean UFO

341

00:18:23,010 --> 00:18:20,170

cover-up of the circum so you can happen

342

00:18:27,480 --> 00:18:23,020

in the air the type of situation that is

343

00:18:30,690 --> 00:18:27,490

down there in Vegas so now is is are

344

00:18:31,110 --> 00:18:30,700

these kinds of sightings and encounters

345

00:18:33,330 --> 00:18:31,120

top

346

00:18:39,060 --> 00:18:33,340

taking place today yes they are taking

347

00:18:41,549 --> 00:18:39,070

place okay they are not a very discussed

348

00:18:44,370 --> 00:18:41,559

because the media here ever sees that

349

00:18:46,950 --> 00:18:44,380

excuse me but ever since I published

350

00:18:51,150 --> 00:18:46,960

that book apparently that was an Arab

351
00:18:54,200 --> 00:18:51,160
zone since its hit nerve and the media

352
00:18:56,400 --> 00:18:54,210
here has been very controlled in

353
00:18:57,930 --> 00:18:56,410
discussing these type of things okay I'm

354
00:19:00,330 --> 00:18:57,940
was coming down there pretending to the

355
00:19:03,419 --> 00:19:00,340
UFO phenomenon as well as other places

356
00:19:06,510 --> 00:19:03,429
of Puerto Rico such as the south western

357
00:19:08,490 --> 00:19:06,520
tip of the island with this activity

358
00:19:12,360 --> 00:19:08,500
such as this one you know very strong

359
00:19:15,299 --> 00:19:12,370
but in that case the the the crabs and

360
00:19:20,370 --> 00:19:15,309
the being etc seem to come from under

361
00:19:23,250 --> 00:19:20,380
the sea okay in Vegas it happens also

362
00:19:23,700 --> 00:19:23,260
but there seems to be something on the

363
00:19:26,250 --> 00:19:23,710

ground

364

00:19:31,140 --> 00:19:26,260

that seems to be connected somehow to

365

00:19:33,720 --> 00:19:31,150

the situation that is also going on in

366

00:19:36,600 --> 00:19:33,730

the area of the yoga rainforest which is

367

00:19:40,320 --> 00:19:36,610

in the eastern side of Puerto Rico next

368

00:19:43,169 --> 00:19:40,330

to route zero naval station and and

369

00:19:46,470 --> 00:19:43,179

where there's a very very heavy alien

370

00:19:48,660 --> 00:19:46,480

activity there a craft encounters with

371

00:19:50,880 --> 00:19:48,670

alien I have hundreds I can tell you

372

00:19:52,919 --> 00:19:50,890

hundreds of testimony very serious

373

00:19:55,080 --> 00:19:52,929

people who have encountered all of this

374

00:19:57,960 --> 00:19:55,090

during the rainforest and it seems to be

375

00:19:59,730 --> 00:19:57,970

related somehow with the situation in

376

00:20:03,660 --> 00:19:59,740

Vieques and also there's a military

377

00:20:06,380 --> 00:20:03,670

presence in the rainforest it seems to

378

00:20:11,840 --> 00:20:06,390

be people mostly from the US Navy for

379

00:20:15,630 --> 00:20:11,850

many years I had there I heard that the

380

00:20:18,720 --> 00:20:15,640

Air Force was not really the one main

381

00:20:21,180 --> 00:20:18,730

involved with investigation of the UFO

382

00:20:23,430 --> 00:20:21,190

phenomenon that it was the US Navy and

383

00:20:25,350 --> 00:20:23,440

other things I found here seem to imply

384

00:20:27,450 --> 00:20:25,360

us that that the US Navy is the one that

385

00:20:29,870 --> 00:20:27,460

really has most of the information and

386

00:20:34,440 --> 00:20:29,880

research on this matter

387

00:20:40,700 --> 00:20:34,450

now the the US Navy presence on the

388

00:20:44,880 --> 00:20:40,710

island do you think that they came there

389

00:20:49,400 --> 00:20:44,890

because of the alleged

390

00:20:54,420 --> 00:20:49,410

you know underwater alien presence or

391

00:20:56,670 --> 00:20:54,430

that appeared after the US Navy set up

392

00:21:01,500 --> 00:20:56,680

shop so to speak what many people here

393

00:21:05,880 --> 00:21:01,510

used to say that the situation had to do

394

00:21:08,370 --> 00:21:05,890

with the Navy being here but I have

395

00:21:10,410 --> 00:21:08,380

information that we can't discuss in

396

00:21:10,920 --> 00:21:10,420

maybe in the Indian si part of the

397

00:21:14,300 --> 00:21:10,930

program

398

00:21:18,720 --> 00:21:14,310

yeah everything I've gathered Tim

399

00:21:20,400 --> 00:21:18,730

implies that these beings these

400

00:21:23,280 --> 00:21:20,410

creatures have been here in Puerto Rico

401
00:21:26,940 --> 00:21:23,290
for a long long long time okay

402
00:21:30,750 --> 00:21:26,950
underground and undersea many years ago

403
00:21:33,360 --> 00:21:30,760
in the thirties I would say because of

404
00:21:35,730 --> 00:21:33,370
some research I have made and receive

405
00:21:37,530 --> 00:21:35,740
information from people all around the

406
00:21:40,440 --> 00:21:37,540
island apparently in the nineteen

407
00:21:42,540 --> 00:21:40,450
thirties they became a were the military

408
00:21:45,960 --> 00:21:42,550
agencies became aware of what was really

409
00:21:48,650 --> 00:21:45,970
going on here and they began doing their

410
00:21:53,850 --> 00:21:48,660
own research and controlling this areas

411
00:21:56,760 --> 00:21:53,860
many things happened I have this but he

412
00:22:00,420 --> 00:21:56,770
right already he was very old already in

413
00:22:05,220 --> 00:22:00,430

1934 he had this man his last name was

414

00:22:06,930 --> 00:22:05,230

reborn and as a young very young man he

415

00:22:12,380 --> 00:22:06,940

used to work with people from the US

416

00:22:18,390 --> 00:22:16,650

explorations is wrongly cetera in in the

417

00:22:21,780 --> 00:22:18,400

areas of Puerto Rico checking for

418

00:22:23,580 --> 00:22:21,790

minerals and everything else and for

419

00:22:27,030 --> 00:22:23,590

example in the case of the rainforests

420

00:22:28,620 --> 00:22:27,040

they wonder in the some months in the

421

00:22:30,600 --> 00:22:28,630

certain they had to remain there because

422

00:22:33,930 --> 00:22:30,610

they by those days there were no roads

423

00:22:37,140 --> 00:22:33,940

you know it had to stay in in situ and

424

00:22:39,900 --> 00:22:37,150

duty there their examinations at the

425

00:22:42,360 --> 00:22:39,910

regulation etc etcetera and this young

426
00:22:45,540 --> 00:22:42,370
man help him out with their equipment

427
00:22:48,530 --> 00:22:45,550
and stay with them all the time they had

428
00:22:52,380 --> 00:22:48,540
to stay there and he told me that

429
00:22:55,290 --> 00:22:52,390
medications they saw these things they

430
00:22:55,830 --> 00:22:55,300
saw small beings okay great typings they

431
00:22:57,500 --> 00:22:55,840
saw

432
00:23:01,180 --> 00:22:57,510
luminous

433
00:23:06,460 --> 00:23:01,190
beings they saw balls of light that

434
00:23:11,120 --> 00:23:06,470
change themselves transform into into

435
00:23:12,340 --> 00:23:11,130
human-like beings and small great type

436
00:23:15,080 --> 00:23:12,350
beings okay

437
00:23:19,760 --> 00:23:15,090
face oh crap they saw flying saucer they

438
00:23:23,060 --> 00:23:19,770

saw flying meteors that came out from

439

00:23:24,950 --> 00:23:23,070

the mountains got into the into the sky

440

00:23:27,500 --> 00:23:24,960

and flew over the area and then went

441

00:23:29,060 --> 00:23:27,510

again into certain mountains another

442

00:23:31,850 --> 00:23:29,070

type of things you know we're phenomena

443

00:23:36,260 --> 00:23:31,860

and also there's something there or team

444

00:23:38,030 --> 00:23:36,270

that it well they are not really treated

445

00:23:40,880 --> 00:23:38,040

like a Bigfoot you have in the United

446

00:23:44,799 --> 00:23:40,890

State was he seemed to be similar to

447

00:23:48,159 --> 00:23:44,809

certain degree and by those day this man

448

00:23:50,690 --> 00:23:48,169

has seen them too and this American

449

00:23:51,289 --> 00:23:50,700

people who were there but they wouldn't

450

00:23:56,870 --> 00:23:51,299

talk about it

451

00:23:58,490 --> 00:23:56,880

okay so scene 1934 at least a they

452

00:24:00,169 --> 00:23:58,500

became aware of everything that was

453

00:24:03,230 --> 00:24:00,179

going on there and I have witness that

454

00:24:05,419 --> 00:24:03,240

people who live who are all people now

455

00:24:09,260 --> 00:24:05,429

who live in in the area surrounding the

456

00:24:11,840 --> 00:24:09,270

rainforest in very high places that used

457

00:24:15,130 --> 00:24:11,850

to see the same crafts going into the

458

00:24:17,960 --> 00:24:15,140

same area some hallows between some a

459

00:24:19,940 --> 00:24:17,970

special mountains there for junk a mound

460

00:24:22,850 --> 00:24:19,950

written the classic a mountain Arturo

461

00:24:24,650 --> 00:24:22,860

and the same site they described and

462

00:24:29,150 --> 00:24:24,660

mention the same places for this craft

463

00:24:29,960 --> 00:24:29,160

come from and some many occasions the

464

00:24:33,289 --> 00:24:29,970

people who live there

465

00:24:35,180 --> 00:24:33,299

you know the the campesinos you see the

466

00:24:37,310 --> 00:24:35,190

flying saucers with the beings looking

467

00:24:39,260 --> 00:24:37,320

at them very curious to the windows of

468

00:24:40,610 --> 00:24:39,270

the craft and right Jorge I'm gonna have

469

00:24:42,380 --> 00:24:40,620

to interrupt you here because we have to

470

00:24:44,659 --> 00:24:42,390

go to our bottom of the L break when we

471

00:24:53,720 --> 00:24:44,669

can come back we'll get to do with more

472

00:25:00,450 --> 00:24:57,870

now back to exploring the bazaar with

473

00:25:03,450 --> 00:25:00,460

two of the most electrifying researchers

474

00:25:10,350 --> 00:25:03,460

in the Paranoid your hosts Timothy

475

00:25:12,000 --> 00:25:10,360

Rebecca Lee and team sports alright

476

00:25:16,289 --> 00:25:12,010

welcome back to exploring the bizarre

477

00:25:18,780 --> 00:25:16,299

and Tim Beckley has managed to get away

478

00:25:21,030 --> 00:25:18,790

from the little greys that had kidnapped

479

00:25:25,020 --> 00:25:21,040

him earlier and now he's back with us

480

00:25:31,380 --> 00:25:25,030

tonight you know the the tuba cover was

481

00:25:37,320 --> 00:25:31,390

scratching all over me and a bad case of

482

00:25:41,159 --> 00:25:37,330

jungle fever I sorry yeah well yeah what

483

00:25:44,909 --> 00:25:41,169

we're improving minute by minute and

484

00:25:47,640 --> 00:25:44,919

anyway I know I've lost the big chunk of

485

00:25:51,690 --> 00:25:47,650

the show so I'll let you continue where

486

00:25:56,250 --> 00:25:51,700

we were when before I got out well I

487

00:26:00,440 --> 00:25:56,260

think Jorge was wanting to address the

488

00:26:05,669 --> 00:26:00,450

subject of portals that there's been a

489

00:26:08,880 --> 00:26:05,679

number of reports of people seen portals

490

00:26:12,240 --> 00:26:08,890

all over the island I know that that has

491

00:26:15,630 --> 00:26:12,250

been a popular subject in in in other

492

00:26:18,360 --> 00:26:15,640

locations was at the skinwalker ranch

493

00:26:20,580 --> 00:26:18,370

there's been reports of portals things

494

00:26:23,520 --> 00:26:20,590

like that so so go ahead there Jorge

495

00:26:27,289 --> 00:26:23,530

what about this well now that you

496

00:26:29,520 --> 00:26:27,299

mentioned it a skinwalker ranch in Judah

497

00:26:33,870 --> 00:26:29,530

we have several places here in Puerto

498

00:26:36,810 --> 00:26:33,880

Rico England okay in which this sort of

499

00:26:40,169 --> 00:26:36,820

thing happens you know openings that

500

00:26:43,980 --> 00:26:40,179

appear suddenly in the ground or in the

501
00:26:46,650 --> 00:26:43,990
air and scenes come out from this

502
00:26:49,710 --> 00:26:46,660
openings or going into this opening and

503
00:26:50,870 --> 00:26:49,720
then they close again but mostly in the

504
00:26:54,299 --> 00:26:50,880
sky

505
00:26:56,430 --> 00:26:54,309
we already have several pictures taken

506
00:26:59,220 --> 00:26:56,440
by people who were able to see this and

507
00:27:03,330 --> 00:26:59,230
take photographs with their cellular

508
00:27:06,280 --> 00:27:03,340
phones we it has been happening for for

509
00:27:09,730 --> 00:27:06,290
for many years but

510
00:27:13,650 --> 00:27:09,740
now since the 90s up to this moment he

511
00:27:18,310 --> 00:27:13,660
has taken a lot of momentum you know

512
00:27:20,640 --> 00:27:18,320
this home superior in the sky and you

513
00:27:24,160 --> 00:27:20,650

can see flying saucer type craft

514

00:27:27,150 --> 00:27:24,170

cylinder shaped craft or sphere shape

515

00:27:29,770 --> 00:27:27,160

craft coming out from them very fast or

516

00:27:31,990 --> 00:27:29,780

going into them very fast and then they

517

00:27:35,050 --> 00:27:32,000

close again it is very fast it takes

518

00:27:37,660 --> 00:27:35,060

only several seconds whenever this

519

00:27:39,700 --> 00:27:37,670

happens but people have been able to

520

00:27:41,410 --> 00:27:39,710

take pictures I have analyzed some of

521

00:27:44,080 --> 00:27:41,420

this picture and you can clearly see

522

00:27:45,430 --> 00:27:44,090

that we're talking about portals that

523

00:27:50,650 --> 00:27:45,440

seem to be like wormholes

524

00:27:52,060 --> 00:27:50,660

okay you can see the send us one or two

525

00:27:55,330 --> 00:27:52,070

of those so we can put that up on our

526

00:27:59,530 --> 00:27:55,340

YouTube channel

527

00:28:02,680 --> 00:27:59,540

yeah well now okay do the do the craft

528

00:28:06,040 --> 00:28:02,690

that are coming through do they seem to

529

00:28:09,340 --> 00:28:06,050

be all of one the size and shape or are

530

00:28:14,050 --> 00:28:09,350

they various type of ships various types

531

00:28:18,130 --> 00:28:14,060

a spear shaped craft a or board shape

532

00:28:21,130 --> 00:28:18,140

however a cylinder shape craft flying

533

00:28:24,400 --> 00:28:21,140

saucer type craft they come up from

534

00:28:26,200 --> 00:28:24,410

these openings and fly away in many

535

00:28:30,250 --> 00:28:26,210

directions or go down into the sea and

536

00:28:31,750 --> 00:28:30,260

disappear on undersea okay a this has

537

00:28:33,750 --> 00:28:31,760

happened in different parts of the

538

00:28:37,570 --> 00:28:33,760

island in the southwest in the northwest

539

00:28:39,610 --> 00:28:37,580

right over the island a tear in the area

540

00:28:44,410 --> 00:28:39,620

next to Vieques in the eastern part of

541

00:28:45,880 --> 00:28:44,420

the island but it also happening in in

542

00:28:50,680 --> 00:28:45,890

ground as I told you in the town Oh

543

00:28:53,380 --> 00:28:50,690

Sehun test next two to twaddle important

544

00:28:57,580 --> 00:28:53,390

rip in the center of the island to enter

545

00:29:00,610 --> 00:28:57,590

a and Sidra here in Puerto Rico this

546

00:29:03,790 --> 00:29:00,620

openness appear in certain mountains

547

00:29:06,100 --> 00:29:03,800

okay the mountains illuminate this holes

548

00:29:09,120 --> 00:29:06,110

appear you was going to them come out

549

00:29:11,800 --> 00:29:09,130

from them and then they close again okay

550

00:29:14,620 --> 00:29:11,810

but we also have the situation in the

551
00:29:18,810 --> 00:29:14,630
rainforest in a UK national tropical

552
00:29:20,289 --> 00:29:18,820
rainforest there are about three or four

553
00:29:22,210 --> 00:29:20,299
places

554
00:29:25,960 --> 00:29:22,220
in the perimeter of the forest where

555
00:29:30,700 --> 00:29:25,970
this happened but there's a main site

556
00:29:32,739 --> 00:29:30,710
with what a very big portal appears that

557
00:29:38,710 --> 00:29:32,749
is between the mountain software junk

558
00:29:41,169 --> 00:29:38,720
every mountain a mountain el toro

559
00:29:44,560 --> 00:29:41,179
mountain and el cacique mountain there's

560
00:29:48,909 --> 00:29:44,570
a very big deep Hollow there what we

561
00:29:50,859 --> 00:29:48,919
call a cuenca okay a in medication he

562
00:29:53,970 --> 00:29:50,869
has been witnessed by people who were

563
00:30:00,999 --> 00:29:53,980

with the US Forestry Service biologist

564

00:30:03,909 --> 00:30:01,009

policeman etc and they see this bright

565

00:30:06,609 --> 00:30:03,919

light coming up from the ground they

566

00:30:11,289 --> 00:30:06,619

always describe it as a very beautiful

567

00:30:15,220 --> 00:30:11,299

room innocence with a foucha orangish

568

00:30:17,350 --> 00:30:15,230

pink with color and every simply

569

00:30:19,509 --> 00:30:17,360

conspirator I'd and when they look down

570

00:30:22,259 --> 00:30:19,519

every single day down there you know the

571

00:30:25,960 --> 00:30:22,269

ground the forest it trees everything

572

00:30:28,720 --> 00:30:25,970

disappears it is as if it might realize

573

00:30:32,440 --> 00:30:28,730

this and this very big hole appears

574

00:30:35,980 --> 00:30:32,450

there okay a and down there looking

575

00:30:38,529 --> 00:30:35,990

through that hole they have seen very

576
00:30:44,350 --> 00:30:38,539
deep underground in the bowels of tears

577
00:30:47,529 --> 00:30:44,360
as they say like many structures as when

578
00:30:52,359 --> 00:30:47,539
you have in Hein Road in the mountains

579
00:30:54,239 --> 00:30:52,369
and you see far away it a town in

580
00:30:57,009 --> 00:30:54,249
between the mountains with lights

581
00:30:59,080 --> 00:30:57,019
lamppost an area very very far away

582
00:31:01,210 --> 00:30:59,090
something like that on the ground and

583
00:31:05,019 --> 00:31:01,220
they have seen crafts going down there

584
00:31:07,359 --> 00:31:05,029
or coming out from from the from the the

585
00:31:10,119 --> 00:31:07,369
whole to and they have seen beings

586
00:31:14,320 --> 00:31:10,129
running into these places we have people

587
00:31:19,989 --> 00:31:14,330
from the US Forestry Service personnel

588
00:31:21,909 --> 00:31:19,999

who have encountered a small human

589

00:31:24,430 --> 00:31:21,919

weight beings there some of them have

590

00:31:28,419 --> 00:31:24,440

been surrounded by optic I sent I think

591

00:31:30,669 --> 00:31:28,429

I sent you a an article Timothy yeah yes

592

00:31:33,570 --> 00:31:30,679

I remember publishing I remember

593

00:31:37,230 --> 00:31:33,580

publishing one quite a few years

594

00:31:38,880 --> 00:31:37,240

ago they were these little men little

595

00:31:42,870 --> 00:31:38,890

man I think they were pretty small right

596

00:31:47,370 --> 00:31:42,880

were in a cave well the thing is that

597

00:31:49,530 --> 00:31:47,380

they were following some two young women

598

00:31:52,110 --> 00:31:49,540

who were for the u.s. Forest Service

599

00:31:54,510 --> 00:31:52,120

okay and all of a sudden one of them

600

00:31:56,520 --> 00:31:54,520

went away to do some research with pH of

601
00:31:59,400 --> 00:31:56,530
tracing and other area and this one

602
00:32:02,910 --> 00:31:59,410
human alone and all of sudden she is

603
00:32:06,840 --> 00:32:02,920
surrounded by about some she says some

604
00:32:08,880 --> 00:32:06,850
fifty a beings of this type okay

605
00:32:11,910 --> 00:32:08,890
they they seem to be pretty nice and

606
00:32:15,450 --> 00:32:11,920
then they ran away and when they run

607
00:32:17,760 --> 00:32:15,460
away this hole opens she sees everything

608
00:32:20,910 --> 00:32:17,770
down there I see man as many others have

609
00:32:23,310 --> 00:32:20,920
seen - and then the banks run and go

610
00:32:26,730 --> 00:32:23,320
into this place after they disappear

611
00:32:29,730 --> 00:32:26,740
into the hole everything disappears okay

612
00:32:31,830 --> 00:32:29,740
the beam of light disappears the crease

613
00:32:35,280 --> 00:32:31,840

reappear again the ground everything and

614

00:32:40,310 --> 00:32:35,290

also in that from that same side Tim and

615

00:32:44,000 --> 00:32:40,320

Tim people in surroundings have seen

616

00:32:49,080 --> 00:32:44,010

late at night what seemed to be like a

617

00:32:51,570 --> 00:32:49,090

huge laser-like beam of light that come

618

00:32:55,230 --> 00:32:51,580

out from the ground into space and

619

00:32:58,350 --> 00:32:55,240

disappear high into the space and in the

620

00:33:01,710 --> 00:32:58,360

center of that beam of light UFOs come

621

00:33:04,230 --> 00:33:01,720

down into the this area or go out into

622

00:33:07,410 --> 00:33:04,240

space and that has happening in many

623

00:33:12,270 --> 00:33:07,420

occasions so as you can see a meter

624

00:33:15,840 --> 00:33:12,280

sparked it is a I'm sure that the US

625

00:33:17,790 --> 00:33:15,850

military who have been doing research on

626

00:33:20,400 --> 00:33:17,800

what's going on there have to be very

627

00:33:21,780 --> 00:33:20,410

aware because of this because they have

628

00:33:23,640 --> 00:33:21,790

seen it I'm sure what they have seen

629

00:33:28,800 --> 00:33:23,650

here together as well as a people from

630

00:33:29,940 --> 00:33:28,810

the US polity service so now and I

631

00:33:34,110 --> 00:33:29,950

realize of course that this would just

632

00:33:36,900 --> 00:33:34,120

be speculation on your part but when

633

00:33:39,210 --> 00:33:36,910

you're dealing with these portals and

634

00:33:41,580 --> 00:33:39,220

and openings into the ground which seem

635

00:33:44,580 --> 00:33:41,590

show these you know like vast cities do

636

00:33:46,120 --> 00:33:44,590

you think that we're dealing with say

637

00:33:49,430 --> 00:33:46,130

like

638

00:33:51,710 --> 00:33:49,440

extraterrestrial species or possibly as

639

00:33:55,940 --> 00:33:51,720

as Temecula's i could call them ultra

640

00:33:58,310 --> 00:33:55,950

terrestrials beans that actually live

641

00:33:59,990 --> 00:33:58,320

here on earth with us along with us

642

00:34:03,340 --> 00:34:00,000

would have kept themselves hidden from

643

00:34:06,650 --> 00:34:03,350

us or you know maybe interdimensional

644

00:34:09,169 --> 00:34:06,660

types of dead so has anybody you know

645

00:34:11,300 --> 00:34:09,179

like come forward with you know like

646

00:34:12,980 --> 00:34:11,310

personal encounters where you know some

647

00:34:15,950 --> 00:34:12,990

of these things you know have said yeah

648

00:34:18,940 --> 00:34:15,960

we come from you know the Zetas Reticuli

649

00:34:22,430 --> 00:34:18,950

or whatever no another type of

650

00:34:28,220 --> 00:34:22,440

information but I agree with you come on

651
00:34:32,240 --> 00:34:28,230
with him a after all the data I had

652
00:34:34,730 --> 00:34:32,250
gathered on this situation my hypothesis

653
00:34:35,030 --> 00:34:34,740
that they are interdimensional beings

654
00:34:36,890 --> 00:34:35,040
okay

655
00:34:39,380 --> 00:34:36,900
it is an interdimensional phenomena

656
00:34:41,330 --> 00:34:39,390
that's going on there a and this has

657
00:34:44,330 --> 00:34:41,340
been going on there for I would say

658
00:34:48,590 --> 00:34:44,340
hundreds of years our esteemed tiny Nora

659
00:34:52,070 --> 00:34:48,600
wackos Indians said that their gods

660
00:34:56,150 --> 00:34:52,080
lived there okay that that's where the

661
00:34:58,280 --> 00:34:56,160
good was were a they call them the white

662
00:35:00,860 --> 00:34:58,290
lands because of the many clouds white

663
00:35:04,190 --> 00:35:00,870

clouds all over the area many occasions

664

00:35:07,340 --> 00:35:04,200

a and now we see all this activity there

665

00:35:09,500 --> 00:35:07,350

and I understand now what they were

666

00:35:10,750 --> 00:35:09,510

referring to to the to today and this

667

00:35:13,760 --> 00:35:10,760

type of things

668

00:35:17,720 --> 00:35:13,770

this type of phenomena it had to be you

669

00:35:22,400 --> 00:35:17,730

know something divine and so they

670

00:35:25,600 --> 00:35:22,410

intertwine their beliefs and made a

671

00:35:33,230 --> 00:35:25,610

mythology out of this type of monster a

672

00:35:37,910 --> 00:35:33,240

I have a evidence of a Indian relics

673

00:35:40,280 --> 00:35:37,920

that show this type of the heads I would

674

00:35:43,420 --> 00:35:40,290

like to say like the head of grace is

675

00:35:47,390 --> 00:35:43,430

carpeting in rocks okay

676
00:35:50,390 --> 00:35:47,400
and many other things a in my opinion

677
00:35:53,620 --> 00:35:50,400
did the US military has become aware of

678
00:35:56,900 --> 00:35:53,630
this and that's why they have become

679
00:35:59,810 --> 00:35:56,910
they have gained more and more control

680
00:36:03,260 --> 00:35:59,820
over the whole area as a matter of fact

681
00:36:06,230 --> 00:36:03,270
the whole green forest area it was

682
00:36:11,270 --> 00:36:06,240
federalized by the US government and

683
00:36:14,570 --> 00:36:11,280
even though they officially they are not

684
00:36:17,030 --> 00:36:14,580
there there's a berry I would say over

685
00:36:18,830 --> 00:36:17,040
ever growing military presence in the

686
00:36:20,780 --> 00:36:18,840
rain forest in many occasions you're

687
00:36:23,060 --> 00:36:20,790
going to the rain forest if you say

688
00:36:26,000 --> 00:36:23,070

allegedly it's a public place an open

689

00:36:28,430 --> 00:36:26,010

place and you go up there and what

690

00:36:31,750 --> 00:36:28,440

different trails to different sites and

691

00:36:34,550 --> 00:36:31,760

all of a sudden this military men in

692

00:36:36,200 --> 00:36:34,560

camouflage suit come out and a going

693

00:36:39,470 --> 00:36:36,210

point ask you who you are what you are

694

00:36:42,040 --> 00:36:39,480

looking for there as for your IDs take

695

00:36:45,710 --> 00:36:42,050

notes and then force you to leave the

696

00:36:48,200 --> 00:36:45,720

forest at once you know no Spanish is

697

00:36:50,390 --> 00:36:48,210

given whenever people ask what they are

698

00:36:52,850 --> 00:36:50,400

doing is that that was a second line

699

00:36:54,800 --> 00:36:52,860

they say no this is Federman and we

700

00:36:57,530 --> 00:36:54,810

don't have to explain anything to you

701

00:37:00,220 --> 00:36:57,540

okay we are doing something here

702

00:37:04,310 --> 00:37:00,230

important and that's it

703

00:37:06,770 --> 00:37:04,320

have you ever heard of a I just found

704

00:37:09,590 --> 00:37:06,780

this on the internet today but there was

705

00:37:12,470 --> 00:37:09,600

no details at all about it apparently

706

00:37:16,600 --> 00:37:12,480

someone had written a booklet about a

707

00:37:20,180 --> 00:37:16,610

UFO crash in the yes le okay do you know

708

00:37:22,280 --> 00:37:20,190

that's a probably think what I wrote a

709

00:37:24,890 --> 00:37:22,290

book on that too it is called a junk a

710

00:37:28,520 --> 00:37:24,900

portal otras mundo junk a portal to the

711

00:37:30,530 --> 00:37:28,530

world a and I began doing that book and

712

00:37:33,250 --> 00:37:30,540

precisely because the video press that

713

00:37:36,140 --> 00:37:33,260

happened there back in February 1984 a

714

00:37:37,490 --> 00:37:36,150

Bob Pratt as a matter of fact what doing

715

00:37:39,950 --> 00:37:37,500

research with me he came to Puerto Rico

716

00:37:41,210 --> 00:37:39,960

and we began doing research together and

717

00:37:43,700 --> 00:37:41,220

we're going to do a book but then

718

00:37:47,840 --> 00:37:43,710

afterwards it he got sick he died etc

719

00:37:52,940 --> 00:37:47,850

and we was that you were gonna write it

720

00:37:55,910 --> 00:37:52,950

with Bob Pratt Pratt oh yeah what a

721

00:37:58,160 --> 00:37:55,920

wonderful researcher all the cases he

722

00:38:00,740 --> 00:37:58,170

investigated in in Brazil and all week

723

00:38:05,420 --> 00:38:00,750

we've utilized a lot of his material

724

00:38:09,880 --> 00:38:05,430

there on the you know the case yeah well

725

00:38:11,860 --> 00:38:09,890

the thing is that I began doing some

726

00:38:13,520 --> 00:38:11,870

investigations and when

727

00:38:16,600 --> 00:38:13,530

inhalation you

728

00:38:22,310 --> 00:38:16,610

fly excuse me an Amish plane crash that

729

00:38:26,240 --> 00:38:22,320

9:30 16 1984 in the rainforest in an

730

00:38:28,850 --> 00:38:26,250

area next to a junky mountain but the

731

00:38:31,040 --> 00:38:28,860

next day there was a search they had

732

00:38:34,660 --> 00:38:31,050

ping gun you know by the FAA by the

733

00:38:37,430 --> 00:38:34,670

police by the Civil Defense agencies etc

734

00:38:40,160 --> 00:38:37,440

and at 6:00 a.m. in the morning

735

00:38:42,260 --> 00:38:40,170

everything was called up by high-level

736

00:38:45,050 --> 00:38:42,270

authorities federal authorities you know

737

00:38:48,290 --> 00:38:45,060

there was an order an order given that

738

00:38:50,630 --> 00:38:48,300

everyone had to leave the decide and

739

00:38:52,580 --> 00:38:50,640

then that nothing had happened and many

740

00:38:54,860 --> 00:38:52,590

people saw the craft you know moving

741

00:38:56,420 --> 00:38:54,870

doing erratic movements in Takai and

742

00:38:59,180 --> 00:38:56,430

then afterwards

743

00:39:01,760 --> 00:38:59,190

crashing and before crashing and simply

744

00:39:03,170 --> 00:39:01,770

they're out twist more luminous objects

745

00:39:06,440 --> 00:39:03,180

that fell in different places in the

746

00:39:09,110 --> 00:39:06,450

rainforest eventually we came to notice

747

00:39:11,540 --> 00:39:09,120

that yes it was a huge flying saucer

748

00:39:14,330 --> 00:39:11,550

that crashed there apparently because it

749

00:39:17,240 --> 00:39:14,340

was affected by some frequencies that

750

00:39:19,370 --> 00:39:17,250

were emitted by too powerful radar

751
00:39:20,270 --> 00:39:19,380
system that the US Navy had on top of a

752
00:39:21,770 --> 00:39:20,280
Pico

753
00:39:24,020 --> 00:39:21,780
the least amount and there in the

754
00:39:26,510 --> 00:39:24,030
rainforest they haven't told some

755
00:39:28,760 --> 00:39:26,520
Doppler technologies that were reported

756
00:39:33,710 --> 00:39:28,770
by those days and they belief is that

757
00:39:39,010 --> 00:39:33,720
those frequencies somehow affected the

758
00:39:43,550 --> 00:39:39,020
the craft in finality and it crushed

759
00:39:46,310 --> 00:39:43,560
then I wrote the book beginning with

760
00:39:49,040 --> 00:39:46,320
that but as I got into the place this a

761
00:39:49,520 --> 00:39:49,050
master has happened with the situation

762
00:39:51,860 --> 00:39:49,530
in Vieques

763
00:39:54,730 --> 00:39:51,870

I began gathering more and more data

764

00:39:57,140 --> 00:39:54,740

more information and more accounts and

765

00:39:59,000 --> 00:39:57,150

eventually I talked to one people who

766

00:40:02,300 --> 00:39:59,010

one person who was involved with the

767

00:40:06,200 --> 00:40:02,310

recovery of the craft and he called me

768

00:40:07,940 --> 00:40:06,210

friend for example that even though he

769

00:40:09,730 --> 00:40:07,950

was not allowed to be in the center of

770

00:40:12,140 --> 00:40:09,740

that tbp he was in the perimeters

771

00:40:15,650 --> 00:40:12,150

security perimeter surrounding the area

772

00:40:20,030 --> 00:40:15,660

together with other people he could see

773

00:40:26,180 --> 00:40:20,040

and he was told by a Belgian translator

774

00:40:27,320 --> 00:40:26,190

a woman that what he believed was it

775

00:40:31,550 --> 00:40:27,330

true because he saw them

776

00:40:35,620 --> 00:40:31,560

and it was strange to him that the

777

00:40:39,290 --> 00:40:35,630

people who were doing the work of

778

00:40:42,440 --> 00:40:39,300

checking the remnants of the craft and

779

00:40:45,170 --> 00:40:42,450

in recovering things and putting them in

780

00:40:48,260 --> 00:40:45,180

in in in black trucks and getting these

781

00:40:51,730 --> 00:40:48,270

things away etc seem to be from an

782

00:40:59,000 --> 00:40:51,740

international team they were English

783

00:41:02,420 --> 00:40:59,010

American a German and an autobody

784

00:41:06,110 --> 00:41:02,430

strangely he said what was most strange

785

00:41:08,840 --> 00:41:06,120

to me that they were Chinese popular

786

00:41:11,140 --> 00:41:08,850

China communist China people involved -

787

00:41:14,480 --> 00:41:11,150

there they were working together and

788

00:41:16,820 --> 00:41:14,490

then they find out no no sovereign tree

789

00:41:19,070 --> 00:41:16,830

no state sovereignty when it comes to

790

00:41:22,150 --> 00:41:19,080

UFOs I guess right well that the thing

791

00:41:27,290 --> 00:41:22,160

is that if you remember the case that

792

00:41:31,360 --> 00:41:27,300

this corporal I don't remember his name

793

00:41:34,490 --> 00:41:31,370

at this moment the steering were

794

00:41:36,290 --> 00:41:34,500

interviewed and he'll talk about

795

00:41:38,900 --> 00:41:36,300

something that he witnessed himself in

796

00:41:40,790 --> 00:41:38,910

Peru in a base that I literally had to

797

00:41:44,150 --> 00:41:40,800

do with this fight against the drug

798

00:41:47,150 --> 00:41:44,160

trafficking in the forest area nearby

799

00:41:50,390 --> 00:41:47,160

the the forests of the Amazon in Peru

800

00:41:53,990 --> 00:41:50,400

and they down something that he believed

801
00:41:56,630 --> 00:41:54,000
was a tan aircraft and went there to

802
00:42:00,100 --> 00:41:56,640
check with his group of people from his

803
00:42:03,050 --> 00:42:00,110
unit and he found it was a UFO ok was a

804
00:42:06,290 --> 00:42:03,060
flying saucer type craft and the thing

805
00:42:07,820 --> 00:42:06,300
is that at one there was the team of

806
00:42:10,550 --> 00:42:07,830
people dressed in black who took him

807
00:42:13,460 --> 00:42:10,560
away the Willing identified themselves

808
00:42:15,320 --> 00:42:13,470
and took them to a place in the base

809
00:42:17,450 --> 00:42:15,330
where they were at that was totally

810
00:42:20,540 --> 00:42:17,460
off-limits and they were interviewed by

811
00:42:22,850 --> 00:42:20,550
many days and you know harass etc etc

812
00:42:24,890 --> 00:42:22,860
and threatened for having saying that

813
00:42:29,570 --> 00:42:24,900

and and warned that they couldn't talk

814

00:42:31,400 --> 00:42:29,580

about it but he said also that there was

815

00:42:36,410 --> 00:42:31,410

a team involved with the recovery of

816

00:42:41,030 --> 00:42:36,420

that object that it was clear to him to

817

00:42:47,680 --> 00:42:41,040

see that they were trained Japanese

818

00:42:51,500 --> 00:42:47,690

Belgium's German and Chinese popular a

819

00:42:53,180 --> 00:42:51,510

communist China technicians involved in

820

00:42:55,310 --> 00:42:53,190

the whole situation is the same thing

821

00:42:59,900 --> 00:42:55,320

that happened hearing a junker import so

822

00:43:03,560 --> 00:42:59,910

that implies did they take away the

823

00:43:06,440 --> 00:43:03,570

craft yes they took away the one here in

824

00:43:09,260 --> 00:43:06,450

Puerto Rico in 1984 was taken away in

825

00:43:11,720 --> 00:43:09,270

part by people from the rosboroughs

826
00:43:13,010 --> 00:43:11,730
naval station taken to repair roads and

827
00:43:16,700 --> 00:43:13,020
from there it was shipped to the United

828
00:43:20,630 --> 00:43:16,710
States and this motor craft I think that

829
00:43:22,520 --> 00:43:20,640
also the same thing happened but they

830
00:43:25,250 --> 00:43:22,530
were found in different places in the

831
00:43:27,620 --> 00:43:25,260
rain forest one of them next door to

832
00:43:32,870 --> 00:43:27,630
Mount great on the other one a further

833
00:43:36,530 --> 00:43:32,880
away in an area more closer to the to

834
00:43:38,150 --> 00:43:36,540
the Pico del Este area and also there

835
00:43:41,750 --> 00:43:38,160
were some people from the poor Rico

836
00:43:48,260 --> 00:43:41,760
television from a TV channel news report

837
00:43:51,380 --> 00:43:48,270
that by accident so next in a site next

838
00:43:54,530 --> 00:43:51,390

to the Raiders in people elastic they

839

00:43:57,350 --> 00:43:54,540

saw a large sized great type like being

840

00:43:59,360 --> 00:43:57,360

ok dead in the ground surrounded by

841

00:44:01,430 --> 00:43:59,370

people with the anti contamination suit

842

00:44:06,500 --> 00:44:01,440

doing something with it and they were

843

00:44:12,020 --> 00:44:06,510

taken away they were harassed by people

844

00:44:14,660 --> 00:44:12,030

from the US Navy a their IDs were asked

845

00:44:16,700 --> 00:44:14,670

for every single child and then they

846

00:44:23,240 --> 00:44:16,710

didn't go because they knew that if they

847

00:44:25,160 --> 00:44:23,250

disappear or if they were apprehended as

848

00:44:28,070 --> 00:44:25,170

there were people from the media the

849

00:44:31,010 --> 00:44:28,080

people in the TV station was started you

850

00:44:33,440 --> 00:44:31,020

know doing questions and ask importer

851
00:44:35,780 --> 00:44:33,450
the appearance again and there won't be

852
00:44:39,620 --> 00:44:35,790
some trouble so they told it to go next

853
00:44:42,650 --> 00:44:39,630
day to the US Federal Building hearing a

854
00:44:45,110 --> 00:44:42,660
tray and they were warned there not to

855
00:44:47,540 --> 00:44:45,120
talk ever about whatever happened some

856
00:44:49,970 --> 00:44:47,550
years later they talked to me and told

857
00:44:51,860 --> 00:44:49,980
me what they have witnessed there ok but

858
00:44:54,950 --> 00:44:51,870
not that's not the only case I have

859
00:44:56,809 --> 00:44:54,960
about two more a crashes

860
00:44:58,400 --> 00:44:56,819
one of them was not a crash it was that

861
00:45:00,500 --> 00:44:58,410
for some reason the craft landed

862
00:45:04,370 --> 00:45:00,510
apparently because he was affected by

863
00:45:08,180 --> 00:45:04,380

the by the the waves of the frequencies

864

00:45:13,240 --> 00:45:08,190

of the radar - in that occasion I could

865

00:45:15,829 --> 00:45:13,250

talk to a person in a high position in

866

00:45:19,099 --> 00:45:15,839

us security hearing in the island and

867

00:45:20,420 --> 00:45:19,109

who told me that order that what other

868

00:45:23,660 --> 00:45:20,430

people had told me already

869

00:45:26,540 --> 00:45:23,670

I have I was verifying this information

870

00:45:29,180 --> 00:45:26,550

that that craft that landed there was

871

00:45:34,420 --> 00:45:29,190

captured because as the military were

872

00:45:37,970 --> 00:45:34,430

already a weather situation they were

873

00:45:41,030 --> 00:45:37,980

they were checking on everything and

874

00:45:42,500 --> 00:45:41,040

captured the crafts body being fled and

875

00:45:44,870 --> 00:45:42,510

they were looking for them all over

876

00:45:46,460 --> 00:45:44,880

daily divorced and the crab had been

877

00:45:48,740 --> 00:45:46,470

taken to a secret facility they had

878

00:45:53,569 --> 00:45:48,750

already built they are in the forest to

879

00:45:56,510 --> 00:45:53,579

study the craft hmm all right well Tim

880

00:45:59,180 --> 00:45:56,520

and Jorge unfortunately we are quickly

881

00:46:02,510 --> 00:45:59,190

approaching the end of tonight's program

882

00:46:05,809 --> 00:46:02,520

so Jorge I'd like to give you a chance

883

00:46:08,990 --> 00:46:05,819

to have you tell our audience where they

884

00:46:10,760 --> 00:46:09,000

can find out more about you where they

885

00:46:12,680 --> 00:46:10,770

were you know they can find your books

886

00:46:15,530 --> 00:46:12,690

if they're still in print do you have an

887

00:46:17,450 --> 00:46:15,540

online present that sort of thing well I

888

00:46:21,200 --> 00:46:17,460

don't have books in print at this moment

889

00:46:24,770 --> 00:46:21,210

I'm trying to get them in electronic

890

00:46:27,260 --> 00:46:24,780

printing you know to distribute and

891

00:46:29,000 --> 00:46:27,270

through the internet but those who might

892

00:46:31,730 --> 00:46:29,010

want to get in contact with me or know

893

00:46:36,650 --> 00:46:31,740

more about these things that I published

894

00:46:39,260 --> 00:46:36,660

and investigate they can go to my page

895

00:46:42,890 --> 00:46:39,270

in facebook which is under my name

of your articles in there and I I

903
00:47:08,359 --> 00:47:05,309
started reading them I guess this is

904
00:47:12,349 --> 00:47:08,369
stuff that you've posted over the last

905
00:47:14,719 --> 00:47:12,359
a decade or so I would assume yes that's

906
00:47:16,279 --> 00:47:14,729
a blog I was doing but but for some time

907
00:47:18,620 --> 00:47:16,289
I have not published anything

908
00:47:20,539 --> 00:47:18,630
meeting again but that's that's great

909
00:47:23,089 --> 00:47:20,549
that's great that's great stuff how do

00:47:37,309 --> 00:47:35,819

the you're the main man and you've been

916

00:47:41,120 --> 00:47:37,319

doing this how many years you've been

917

00:47:42,680 --> 00:47:41,130

doing this now alright since 1973 yeah

918

00:47:45,559 --> 00:47:42,690

oh boy oh boy

919

00:47:48,349 --> 00:47:45,569

well there were we're both old-timers
