

EXPLORING THE BIZARRE

REGAN LEE

1
00:00:37,520 --> 00:00:21,830

[Music]

2
00:00:45,950 --> 00:00:42,560

explode the bazaar or e-ticket ride into

3
00:00:49,340 --> 00:00:45,960

the world of the paranoid strap yourself

4
00:00:55,150 --> 00:00:49,350

in as we traverse the universe exploring

5
00:00:57,560 --> 00:00:55,160

the unexplained UFO s ghosts Lost Worlds

6
00:01:01,400 --> 00:00:57,570

cryptozoology as well as other

7
00:01:06,530 --> 00:01:01,410

dimensions it's time to take back the

8
00:01:09,650 --> 00:01:06,540

night now your electrifying hosts of

9
00:01:17,620 --> 00:01:09,660

exploring the bizarre Timothy Begley and

10
00:01:20,480 --> 00:01:17,630

team sports beautiful night we're all

11
00:01:24,770 --> 00:01:20,490

kind of night but nothing could possibly

12
00:01:27,889 --> 00:01:24,780

go wrong I don't know I wonder if that

13
00:01:30,800 --> 00:01:27,899

orange orb that's been following us

14

00:01:33,050 --> 00:01:30,810

would agree with you holy crap are we

15

00:01:36,740 --> 00:01:33,060

about to be abducted again I'm getting

16

00:01:39,830 --> 00:01:36,750

tired of all these probes this I don't

17

00:01:43,460 --> 00:01:39,840

know it's so small just teeny-tiny I

18

00:01:46,700 --> 00:01:43,470

think I think maybe it's a drone

19

00:01:48,859 --> 00:01:46,710

maybe it's remotely operated or run by

20

00:01:52,730 --> 00:01:48,869

artificial intelligence and I'm glad to

21

00:01:53,300 --> 00:01:52,740

hear it's a small probe for once I'm not

22

00:01:56,359 --> 00:01:53,310

sure

23

00:01:59,120 --> 00:01:56,369

I sense a consciousness about it we

24

00:02:02,179 --> 00:01:59,130

better get back to the studio get out of

25

00:02:04,609 --> 00:02:02,189

here I mean geez you know you've got to

26

00:02:06,350 --> 00:02:04,619

watch out for these these orbs you don't

27

00:02:08,690 --> 00:02:06,360

know whether they're they're friendly or

28

00:02:11,090 --> 00:02:08,700

hostile or what it is that they have in

29

00:02:13,250 --> 00:02:11,100

mind well I hope we don't experience

30

00:02:15,620 --> 00:02:13,260

missing time because we have our show to

31

00:02:18,080 --> 00:02:15,630

do right now I bet our guest tonight

32

00:02:21,530 --> 00:02:18,090

would have some good advice for us about

33

00:02:26,229 --> 00:02:21,540

the weird light following those Reagan

34

00:02:30,470 --> 00:02:26,239

Lee she's a an expert on on orange

35

00:02:32,990 --> 00:02:30,480

probes and orbs so let's get back to the

36

00:02:39,199 --> 00:02:33,000

studio before this damn thing and nails

37

00:02:42,410 --> 00:02:39,209

us hurry up we're always running I'll

38

00:02:46,010 --> 00:02:42,420

make a sauce stick we made him

39

00:02:49,729 --> 00:02:46,020

oh why I tell you that but that was a

40

00:02:51,740 --> 00:02:49,739

close that was a close call but we're

41

00:02:55,430 --> 00:02:51,750

back now on

42

00:02:59,190 --> 00:02:55,440

safe solid ground but I'm sure that

43

00:03:01,479 --> 00:02:59,200

we're soon to be going back into orbit

44

00:03:10,759 --> 00:03:01,489

[Music]

45

00:03:13,850 --> 00:03:10,769

where's the rimshot would you need all

46

00:03:17,420 --> 00:03:13,860

right well it's great to be a packet que

47

00:03:18,740 --> 00:03:17,430

cor Tim well you were out of town you

48

00:03:20,839 --> 00:03:18,750

were a long way away

49

00:03:22,339 --> 00:03:20,849

somebody said where was Tim Schwartz

50

00:03:24,220 --> 00:03:22,349

last week I said minding his own

51
00:03:26,630 --> 00:03:24,230
business for a change

52
00:03:29,509 --> 00:03:26,640
where were you you were you were you

53
00:03:31,250 --> 00:03:29,519
were gone you were gone far away I mean

54
00:03:33,559 --> 00:03:31,260
you would completely want you you

55
00:03:37,099 --> 00:03:33,569
weren't in town completely out of the

56
00:03:39,830 --> 00:03:37,109
country Tim here you went too cute

57
00:03:42,680 --> 00:03:39,840
I hear you went to Cuba no no no no

58
00:03:46,880 --> 00:03:42,690
don't know Don Cuba we went to Grand

59
00:03:51,800 --> 00:03:46,890
Cayman which is south of Cuba like

60
00:03:55,940 --> 00:03:51,810
against well see ya west of Jamaica

61
00:03:58,190 --> 00:03:55,950
south of Cuba and you had fun that take

62
00:04:01,039 --> 00:03:58,200
it oh it was so nice it's just the

63
00:04:03,229 --> 00:04:01,049

weather was just so beautiful the entire

64

00:04:05,990 --> 00:04:03,239

time we were there and as soon as as

65

00:04:08,930 --> 00:04:06,000

soon as we got back home it's been

66

00:04:11,000 --> 00:04:08,940

raining every day since so I'm ready I'm

67

00:04:12,680 --> 00:04:11,010

ready to go back well do it we'll start

68

00:04:14,569 --> 00:04:12,690

doing our show from Grand Cayman Tim

69

00:04:17,300 --> 00:04:14,579

well boy oh boy

70

00:04:20,379 --> 00:04:17,310

and where do I have to sit I got to sit

71

00:04:23,120 --> 00:04:20,389

here in Manhattan with all this

72

00:04:26,390 --> 00:04:23,130

skyscrapers going up and bustling in the

73

00:04:28,460 --> 00:04:26,400

streets and noise and and and I got a

74

00:04:30,920 --> 00:04:28,470

headache from the dust but what the hell

75

00:04:33,500 --> 00:04:30,930

we got an exciting guest on tonight

76

00:04:37,520 --> 00:04:33,510

anyway we're gonna we're going to to

77

00:04:39,439 --> 00:04:37,530

probe these orange orbs and find out

78

00:04:41,180 --> 00:04:39,449

what the heck is is going on here

79

00:04:44,150 --> 00:04:41,190

because you know I've seen them floating

80

00:04:45,650 --> 00:04:44,160

across my my room and and I know that

81

00:04:48,200 --> 00:04:45,660

they're they're popping up all over the

82

00:04:52,490 --> 00:04:48,210

place our friend there in Sedona

83

00:04:55,700 --> 00:04:52,500

Tom dango has a whole album photo album

84

00:04:59,480 --> 00:04:55,710

full of photographs of orbs that have

85

00:05:01,520 --> 00:04:59,490

appeared over the Bradshaw ranch I mean

86

00:05:04,490 --> 00:05:01,530

it's just it and people are taking

87

00:05:04,869 --> 00:05:04,500

videos of these things and and and there

88

00:05:07,510 --> 00:05:04,879

appear

89

00:05:11,049 --> 00:05:07,520

inside houses and outside houses and a

90

00:05:17,409 --> 00:05:11,059

treetop level and and below so let's get

91

00:05:20,079 --> 00:05:17,419

on with the show Tim tonight we have

92

00:05:22,929 --> 00:05:20,089

Reagan lead now Reagan has been writing

93

00:05:25,449 --> 00:05:22,939

and reporting on UFOs and paranormal

94

00:05:28,480 --> 00:05:25,459

topics for a number of years and she's

95

00:05:31,329 --> 00:05:28,490

written and self-published a book on the

96

00:05:33,219 --> 00:05:31,339

Oregon Bigfoot legend and it's consulted

97

00:05:36,100 --> 00:05:33,229

with the media and other researchers on

98

00:05:38,169 --> 00:05:36,110

ghost hauntings UFOs all the things that

99

00:05:40,029 --> 00:05:38,179

we love to talk about on exploring the

100

00:05:42,699 --> 00:05:40,039

bizarre now her educational background

101
00:05:45,339 --> 00:05:42,709
includes degrees and experiences and

102
00:05:48,009 --> 00:05:45,349
language arts ethnic and foreclosed

103
00:05:50,169 --> 00:05:48,019
studies and early education as a

104
00:05:53,259 --> 00:05:50,179
graduate student she worked in the

105
00:05:56,409 --> 00:05:53,269
folklore archives and KOAT taught a

106
00:05:59,350 --> 00:05:56,419
woman a women in folklore course a

107
00:06:02,439 --> 00:05:59,360
Reagan's passion lies in art and the

108
00:06:04,659 --> 00:06:02,449
paranormal including UFOs her philosophy

109
00:06:07,509 --> 00:06:04,669
at this stage in her journey with

110
00:06:10,359 --> 00:06:07,519
regards to UFOs combines both theories

111
00:06:13,559 --> 00:06:10,369
of Zacarias ditchin and you know other

112
00:06:17,709 --> 00:06:13,569
ancient astronaut schools as well as the

113
00:06:21,579 --> 00:06:17,719

existence of another reality like the

114

00:06:24,819 --> 00:06:21,589

goblin universe where beans are often

115

00:06:27,670 --> 00:06:24,829

mistaken for UFOs and maybe even ghosts

116

00:06:33,089 --> 00:06:27,680

now Reagan has also contributed to such

117

00:06:36,909 --> 00:06:33,099

books as let's see up Rainbow Hill alien

118

00:06:40,359 --> 00:06:36,919

strongholds on earth we know that yeah

119

00:06:43,719 --> 00:06:40,369

and another one called a Bigfoot from

120

00:06:46,629 --> 00:06:43,729

outer space love that name and UFO Mary

121

00:06:49,419 --> 00:06:46,639

so let's let's bring in Reagan Lee on

122

00:06:51,309 --> 00:06:49,429

exploring the bizarre after a good

123

00:06:53,980 --> 00:06:51,319

evening good evening Reagan how are you

124

00:06:56,529 --> 00:06:53,990

out there in Oregon you're in Oregon

125

00:07:00,839 --> 00:06:56,539

right yes I'm in Oregon Western over

126
00:07:04,239 --> 00:07:00,849
again and how are you Tim and Tim well

127
00:07:08,739 --> 00:07:04,249
we're hanging we're hanging you know or

128
00:07:10,959 --> 00:07:08,749
orbs fascinate me everybody seems to be

129
00:07:12,969 --> 00:07:10,969
of seeing them and a lot of people seem

130
00:07:15,279 --> 00:07:12,979
to be photographing them or claim that

131
00:07:17,360 --> 00:07:15,289
they're photographing them but a lot of

132
00:07:19,939 --> 00:07:17,370
them I'm not so sure whether there

133
00:07:24,650 --> 00:07:19,949
orbs or whether they're they're dust on

134
00:07:26,450 --> 00:07:24,660
the lens or even raindrops now what was

135
00:07:28,070 --> 00:07:26,460
your first experience with Lenore but I

136
00:07:31,010 --> 00:07:28,080
understand that it had something to do

137
00:07:33,770 --> 00:07:31,020
with with an abduction and missing time

138
00:07:36,110 --> 00:07:33,780

it wasn't just the sighting of of some

139

00:07:41,560 --> 00:07:36,120

little device that floated by it was

140

00:07:44,230 --> 00:07:41,570

much more evidential and much more

141

00:07:47,270 --> 00:07:44,240

strange and unusual than that correct

142

00:07:50,450 --> 00:07:47,280

correct and that's what I find both

143

00:07:55,190 --> 00:07:50,460

fascinating and frustrating because at

144

00:08:00,680 --> 00:07:55,200

the time I saw the orb which was 35

145

00:08:02,390 --> 00:08:00,690

years ago maybe it was very large you

146

00:08:05,210 --> 00:08:02,400

know that was I want to make the

147

00:08:09,290 --> 00:08:05,220

distinction between like spirit kind of

148

00:08:12,190 --> 00:08:09,300

orbs which are smaller and they're a

149

00:08:16,909 --> 00:08:12,200

little more what's worth a month

150

00:08:19,400 --> 00:08:16,919

ephemeral maybe and this was like a some

151
00:08:22,219 --> 00:08:19,410
kind of craft or machine or something it

152
00:08:25,550 --> 00:08:22,229
was it was not just some little light in

153
00:08:30,980 --> 00:08:25,560
the sky it was a thing and it was very

154
00:08:34,550 --> 00:08:30,990
large and I saw at the time I had never

155
00:08:36,800 --> 00:08:34,560
heard of a UFO looking like that and I

156
00:08:39,170 --> 00:08:36,810
went and I tried to do all the research

157
00:08:42,050 --> 00:08:39,180
I could at the time what was available

158
00:08:44,540 --> 00:08:42,060
and of course this was before the

159
00:08:49,010 --> 00:08:44,550
internet and everything and I couldn't

160
00:08:53,000 --> 00:08:49,020
find anything about what I saw and then

161
00:08:54,650 --> 00:08:53,010
years later reports of primarily orange

162
00:08:58,730 --> 00:08:54,660
but now they're all different colors

163
00:09:01,630 --> 00:08:58,740

orbs was showing up but even now when I

164

00:09:04,640 --> 00:09:01,640

look at videos that people taken aboard

165

00:09:07,490 --> 00:09:04,650

they're much smaller they're much

166

00:09:11,360 --> 00:09:07,500

further out and up in the sky than what

167

00:09:15,290 --> 00:09:11,370

I saw so I don't know if there's of the

168

00:09:16,579 --> 00:09:15,300

same thing or not or something different

169

00:09:21,640 --> 00:09:16,589

if they're related

170

00:09:25,760 --> 00:09:21,650

I don't know what the connection is but

171

00:09:27,530 --> 00:09:25,770

so I find it fascinating that now there

172

00:09:28,880 --> 00:09:27,540

have been books written about orange or

173

00:09:30,980 --> 00:09:28,890

it's and people are seeing them

174

00:09:34,070 --> 00:09:30,990

everywhere videotaping them but

175

00:09:37,519 --> 00:09:34,080

at the time and I saw mine i canna find

176
00:09:41,000 --> 00:09:37,529
anything and can you give us a it wasn't

177
00:09:43,670 --> 00:09:41,010
a solid object or a flat object it it

178
00:09:47,750 --> 00:09:43,680
seemed to have a dimension to it it

179
00:09:52,579 --> 00:09:47,760
seemed it was what it seemed like a like

180
00:09:54,740 --> 00:09:52,589
a big basketball size or beach ball more

181
00:09:58,460 --> 00:09:54,750
like a beach ball you know it's pretty

182
00:10:02,150 --> 00:09:58,470
big and very very close and in fact at

183
00:10:08,980 --> 00:10:02,160
one point it was right across the street

184
00:10:13,100 --> 00:10:08,990
the road rather from us and it seemed it

185
00:10:16,690 --> 00:10:13,110
seemed it was hard to tell it it seemed

186
00:10:18,889 --> 00:10:16,700
like a sphere that was lit from within

187
00:10:21,260 --> 00:10:18,899
you know you could see to them did it

188
00:10:23,510 --> 00:10:21,270

make it it didn't make any sound or give

189

00:10:27,170 --> 00:10:23,520

off anything odd that I can hear but I

190

00:10:30,340 --> 00:10:27,180

was on the motorcycle at the time so if

191

00:10:33,800 --> 00:10:30,350

it did make a sound I I did not hear it

192

00:10:36,530 --> 00:10:33,810

and it did it stay in one position or

193

00:10:40,300 --> 00:10:36,540

did it move around it yeah it moved

194

00:10:43,490 --> 00:10:40,310

around I had caught sight of it kind of

195

00:10:46,340 --> 00:10:43,500

the corner of my eye and it was

196

00:10:50,510 --> 00:10:46,350

stationary in the sky when I first

197

00:10:54,319 --> 00:10:50,520

thought and hello hello how low down was

198

00:11:00,160 --> 00:10:54,329

this now it wasn't oh it's hard to say

199

00:11:02,930 --> 00:11:00,170

it was at first it was up above a hill

200

00:11:05,569 --> 00:11:02,940

about a mile up the road there was a

201
00:11:08,590 --> 00:11:05,579
little hill and so that's where it

202
00:11:12,410 --> 00:11:08,600
seemed to be and it's pretty large and

203
00:11:14,930 --> 00:11:12,420
as soon as I may know that in my mind

204
00:11:19,340 --> 00:11:14,940
you know I saw it and I thought what the

205
00:11:22,550 --> 00:11:19,350
heck is that it like zoomed out like

206
00:11:26,269 --> 00:11:22,560
towards me like it came right at me

207
00:11:30,019 --> 00:11:26,279
and then followed us as we traveled

208
00:11:34,069 --> 00:11:30,029
along the road and then as we turned the

209
00:11:37,180 --> 00:11:34,079
corner to our house it stopped at the

210
00:11:40,100 --> 00:11:37,190
house across like caddy corner from ours

211
00:11:43,610 --> 00:11:40,110
stop for just a second in the drop down

212
00:11:46,519 --> 00:11:43,620
into the backyard of this house

213
00:11:52,160 --> 00:11:46,529

who it's pretty spooky I mean where

214

00:11:57,019 --> 00:11:52,170

were you frightened by this you know no

215

00:12:00,500 --> 00:11:57,029

I was intrigued highly intrigued but the

216

00:12:04,640 --> 00:12:00,510

fear did come in later now had you begun

217

00:12:09,100 --> 00:12:04,650

your descent and into ufology at that

218

00:12:12,019 --> 00:12:09,110

point not too much although I was

219

00:12:15,620 --> 00:12:12,029

interested as it's always been

220

00:12:20,390 --> 00:12:15,630

interested ever since I was a kid in

221

00:12:23,660 --> 00:12:20,400

this kind of stuff and I didn't know a

222

00:12:30,019 --> 00:12:23,670

lot but anytime the subject would come

223

00:12:36,380 --> 00:12:30,029

up I was wanting to know and when I was

224

00:12:38,900 --> 00:12:36,390

15 I read then got Donegan's you know

225

00:12:41,210 --> 00:12:38,910

charity of the God neighborhood I mean I

226

00:12:43,160 --> 00:12:41,220

read that thing in like two minutes

227

00:12:48,050 --> 00:12:43,170

you know it's like oh my god I don't

228

00:12:50,449 --> 00:12:48,060

believe this so but I didn't actively

229

00:12:53,720 --> 00:12:50,459

seek it out although I was always open

230

00:12:57,980 --> 00:12:53,730

to it and I had lots of experiences as a

231

00:13:03,019 --> 00:12:57,990

kid and but you know my mother saw UFO

232

00:13:05,150 --> 00:13:03,029

when I was about uh no 10 and she called

233

00:13:08,420 --> 00:13:05,160

us all out to see it but nobody would

234

00:13:10,940 --> 00:13:08,430

even come out and I cannot she's on the

235

00:13:13,570 --> 00:13:10,950

best she's on the west and I came out

236

00:13:16,880 --> 00:13:13,580

though and it was gone and she was so

237

00:13:19,850 --> 00:13:16,890

disappointed that it she said I was

238

00:13:24,019 --> 00:13:19,860

there I swear to you it was there and I

239

00:13:26,449 --> 00:13:24,029

said to her she told me this is why I

240

00:13:28,340 --> 00:13:26,459

said I don't remember saying this she

241

00:13:30,769 --> 00:13:28,350

said do you remember what what you said

242

00:13:33,140 --> 00:13:30,779

to me and I said no she said don't worry

243

00:13:34,900 --> 00:13:33,150

mom they'll come back they always come

244

00:13:39,980 --> 00:13:34,910

back

245

00:13:44,030 --> 00:13:39,990

and you were right yeah so the orange

246

00:13:45,170 --> 00:13:44,040

orb I wasn't afraid I was I was very

247

00:13:48,650 --> 00:13:45,180

hyper

248

00:13:50,810 --> 00:13:48,660

I was extremely my adrenaline was going

249

00:13:53,440 --> 00:13:50,820

I was super hyper and I remember running

250

00:13:56,180 --> 00:13:53,450

to the phone like who do I call I gotta

251

00:13:57,360 --> 00:13:56,190

call the police so the airport or

252

00:14:00,300 --> 00:13:57,370

something oh yeah

253

00:14:02,160 --> 00:14:00,310

you know what and I say whom I got

254

00:14:05,160 --> 00:14:02,170

caught this late at night it wasn't

255

00:14:08,880 --> 00:14:05,170

super late but you know and then I went

256

00:14:10,890 --> 00:14:08,890

to the front door to go outside because

257

00:14:13,290 --> 00:14:10,900

I saw it dropped down in the person's

258

00:14:15,960 --> 00:14:13,300

backyard and I thought well maybe I'll

259

00:14:18,390 --> 00:14:15,970

go out look for it and I actually put my

260

00:14:22,530 --> 00:14:18,400

hand on the door and then I thought no

261

00:14:25,740 --> 00:14:22,540

I'm not going out there and I did it I

262

00:14:28,920 --> 00:14:25,750

did not leave the house you know how did

263

00:14:31,310 --> 00:14:28,930

you have yeah yeah no no I was just

264

00:14:34,200 --> 00:14:31,320

going to say did you have missing time

265

00:14:38,160 --> 00:14:34,210

involved with this yes we found out

266

00:14:42,540 --> 00:14:38,170

later we were coming back from a town

267

00:14:45,120 --> 00:14:42,550

not very far away for Cottage Grove you

268

00:14:47,580 --> 00:14:45,130

know it would at most to take us on a

269

00:14:51,360 --> 00:14:47,590

motorcycle especially the way my husband

270

00:14:53,760 --> 00:14:51,370

drove you could take us yeah not more

271

00:14:57,510 --> 00:14:53,770

than half an hour probably half an hour

272

00:15:00,030 --> 00:14:57,520

to get back and it was like three hours

273

00:15:02,700 --> 00:15:00,040

we don't know what happened we don't

274

00:15:04,710 --> 00:15:02,710

know what happened Larry that's fine and

275

00:15:07,680 --> 00:15:04,720

you had you had no bruises on your body

276

00:15:12,930 --> 00:15:07,690

or no Kelly in the scratch marks or

277

00:15:17,070 --> 00:15:12,940

anything but that's when the dream

278

00:15:23,810 --> 00:15:17,080

started these horrible paralyzing awful

279

00:15:28,070 --> 00:15:23,820

dreams of being outside on my porch and

280

00:15:32,520 --> 00:15:28,080

be paralyzed in a beam of light and just

281

00:15:34,940 --> 00:15:32,530

furious is scared all at once because my

282

00:15:39,540 --> 00:15:34,950

husband I knew my husband was there too

283

00:15:43,260 --> 00:15:39,550

but they whoever they are or were had

284

00:15:47,330 --> 00:15:43,270

taken him and we're keeping us separated

285

00:15:54,080 --> 00:15:47,340

and all I I was just aware of a large

286

00:15:57,750 --> 00:15:54,090

round craft I don't know seeing above me

287

00:16:01,290 --> 00:15:57,760

but that's all I know that's all I can

288

00:16:05,310 --> 00:16:01,300

remember I never saw an entity of any

289

00:16:08,100 --> 00:16:05,320

kind or have any memories other than

290

00:16:09,970 --> 00:16:08,110

that but the dreams went office was so

291

00:16:13,310 --> 00:16:09,980

horrible and attend

292

00:16:16,240 --> 00:16:13,320

that I ended up seeing a therapist who

293

00:16:21,170 --> 00:16:16,250

of course thought I was just silly but

294

00:16:23,170 --> 00:16:21,180

well silly better than crazy yeah maybe

295

00:16:26,090 --> 00:16:23,180

she's being polite I don't know I

296

00:16:30,170 --> 00:16:26,100

remember feeling very humiliated after

297

00:16:34,940 --> 00:16:30,180

seeing her well obviously you think that

298

00:16:37,480 --> 00:16:34,950

these objects these orbs are intelligent

299

00:16:42,019 --> 00:16:37,490

even though you didn't see any sort of

300

00:16:45,260 --> 00:16:42,029

altered terrestrial with it apparently

301
00:16:47,630 --> 00:16:45,270
these things I I mean we talked we just

302
00:16:50,060 --> 00:16:47,640
mentioned that briefly about the bread

303
00:16:52,100 --> 00:16:50,070
Shawn ranch they're in Sedona

304
00:16:55,100 --> 00:16:52,110
where they started out with mysterious

305
00:16:57,380 --> 00:16:55,110
lights on living de Bradshaw's and

306
00:16:59,269 --> 00:16:57,390
properly a property and then they

307
00:17:01,730 --> 00:16:59,279
started being seen and photographed all

308
00:17:04,010 --> 00:17:01,740
over town like I say Tom dango showed me

309
00:17:07,460 --> 00:17:04,020
a whole scrapbook of these some of her

310
00:17:09,500 --> 00:17:07,470
and you know single orbs a lot of them

311
00:17:12,350 --> 00:17:09,510
are orange but some of them aren't and

312
00:17:17,150 --> 00:17:12,360
it got to the point where it developed

313
00:17:19,069 --> 00:17:17,160

work strange beings I hate to call them

314

00:17:23,689 --> 00:17:19,079

creatures that's not very politically

315

00:17:26,059 --> 00:17:23,699

correct but beings unknown to us here on

316

00:17:28,100 --> 00:17:26,069

earth were being seen one of them even

317

00:17:30,830 --> 00:17:28,110

that walked across the main street of

318

00:17:34,580 --> 00:17:30,840

town I understand and then he's got this

319

00:17:36,560 --> 00:17:34,590

a blue man that showed up on one of the

320

00:17:41,000 --> 00:17:36,570

the photographs and all sorts of weird

321

00:17:42,980 --> 00:17:41,010

things going on there in the in the a

322

00:17:45,230 --> 00:17:42,990

Canyon my friend Charlotte and I have

323

00:17:47,330 --> 00:17:45,240

gone out there on several occasions to

324

00:17:49,640 --> 00:17:47,340

visit with Tom and has some weird and

325

00:17:53,090 --> 00:17:49,650

experiences ourselves and then of course

326

00:17:55,430 --> 00:17:53,100

Ted Phillips talks about these objects

327

00:17:57,320 --> 00:17:55,440

what town is that the attempt do you

328

00:18:02,950 --> 00:17:57,330

remember where the objects appear that

329

00:18:09,590 --> 00:18:05,180

yeah I know what George you're talking

330

00:18:11,330 --> 00:18:09,600

about but Marley Marley little Morley

331

00:18:14,630 --> 00:18:11,340

woods well that's a niche in Missouri

332

00:18:17,600 --> 00:18:14,640

I'm not sure yeah I'm not sure what town

333

00:18:20,990 --> 00:18:17,610

is close to yeah but they started out as

334

00:18:23,810 --> 00:18:21,000

small orbs on the outside and then they

335

00:18:26,930 --> 00:18:23,820

grew in size and then suddenly that

336

00:18:28,580 --> 00:18:26,940

were appearing inside people's homes but

337

00:18:30,290 --> 00:18:28,590

you've never seen one

338

00:18:32,270 --> 00:18:30,300

have you had additional sightings of an

339

00:18:35,300 --> 00:18:32,280

orb beside that original one and have

340

00:18:44,060 --> 00:18:35,310

they ever come into your house you know

341

00:18:46,130 --> 00:18:44,070

I had a weird experience once I don't

342

00:18:48,400 --> 00:18:46,140

even know what to think of it and I

343

00:18:53,270 --> 00:18:48,410

never put it together before with orbs

344

00:18:55,970 --> 00:18:53,280

but I woke up turned just we were in bed

345

00:18:59,180 --> 00:18:55,980

it was morning I woke up and my husband

346

00:19:04,070 --> 00:18:59,190

was sitting up in bed with his back to

347

00:19:06,710 --> 00:19:04,080

me and I saw a white orb floating around

348

00:19:09,650 --> 00:19:06,720

all up and down this back and he was

349

00:19:11,780 --> 00:19:09,660

just sitting there he wasn't saying

350

00:19:13,550 --> 00:19:11,790

anything he was and I'm thinking white

351
00:19:15,760 --> 00:19:13,560
you know and they even called him he

352
00:19:20,570 --> 00:19:15,770
didn't really respond and then this orb

353
00:19:22,370 --> 00:19:20,580
went all over the room but a very it

354
00:19:24,800 --> 00:19:22,380
wasn't like someone was shining your

355
00:19:29,510 --> 00:19:24,810
light or anything this was its own thing

356
00:19:31,580 --> 00:19:29,520
and I thought this is really weird and I

357
00:19:35,000 --> 00:19:31,590
even you know I finally touched and I

358
00:19:38,690 --> 00:19:35,010
said Jim Jim what anywhere huh and then

359
00:19:41,780 --> 00:19:38,700
I went back to sleep and then I woke up

360
00:19:43,550 --> 00:19:41,790
again and I turn and I see him sitting

361
00:19:46,310 --> 00:19:43,560
on the side of the bed and their orbits

362
00:19:50,720 --> 00:19:46,320
just like a repeat like Groundhog Day it

363
00:19:52,520 --> 00:19:50,730

was very weird it freaked me out and he

364

00:19:58,010 --> 00:19:52,530

has no memory of this he doesn't know

365

00:20:01,670 --> 00:19:58,020

what I'm talking about so I don't know

366

00:20:03,890 --> 00:20:01,680

what that was about that was after the

367

00:20:06,710 --> 00:20:03,900

orange or exciting in fact we living in

368

00:20:09,200 --> 00:20:06,720

a different place so I don't know if

369

00:20:14,170 --> 00:20:09,210

there's any connection with that or what

370

00:20:18,830 --> 00:20:14,180

but you know the the late Paul bennewitz

371

00:20:21,440 --> 00:20:18,840

reported very similar situations where

372

00:20:25,290 --> 00:20:21,450

at the really the height of all the

373

00:20:27,240 --> 00:20:25,300

activity that was going on around him

374

00:20:29,820 --> 00:20:27,250

and and other people outside of his

375

00:20:32,220 --> 00:20:29,830

family saw this as well they would see

376

00:20:34,950 --> 00:20:32,230

these I think they were described as

377

00:20:38,040 --> 00:20:34,960

like white orbs floating around his

378

00:20:41,040 --> 00:20:38,050

house and he thought that they were some

379

00:20:46,080 --> 00:20:41,050

kind of like you know government spy

380

00:20:49,680 --> 00:20:46,090

devices or something but I guess his his

381

00:20:51,240 --> 00:20:49,690

wife accidentally brushed up against one

382

00:20:58,490 --> 00:20:51,250

one time and it gave her an electric

383

00:21:02,520 --> 00:20:58,500

shock yeah yeah I you know a lot of

384

00:21:05,670 --> 00:21:02,530

activity I mean a lot of activity was

385

00:21:10,380 --> 00:21:05,680

happening after I saw the orange orb

386

00:21:16,470 --> 00:21:10,390

like that white orb experience a weird

387

00:21:18,690 --> 00:21:16,480

inst experience I had why meditating and

388

00:21:24,000 --> 00:21:18,700

I've talked about this before where I

389

00:21:28,470 --> 00:21:24,010

saw I guess you could call grace they

390

00:21:30,720 --> 00:21:28,480

were trying to come in to my room but

391

00:21:33,210 --> 00:21:30,730

because I was meditating and I was using

392

00:21:36,840 --> 00:21:33,220

crystals and things that was keeping

393

00:21:40,050 --> 00:21:36,850

them out and they were pissed off they

394

00:21:42,480 --> 00:21:40,060

did not like that but they couldn't get

395

00:21:47,370 --> 00:21:42,490

past this little like light barrier I

396

00:21:51,000 --> 00:21:47,380

had I know I was having a lot of I know

397

00:21:53,190 --> 00:21:51,010

psychic or precognitive episodes where I

398

00:21:57,810 --> 00:21:53,200

would just see something happen and a

399

00:21:59,100 --> 00:21:57,820

little bit later it would happen and I

400

00:22:02,730 --> 00:21:59,110

can't help but think there's a

401
00:22:05,670 --> 00:22:02,740
connection there with that those things

402
00:22:08,040 --> 00:22:05,680
have really ceased and they're not sure

403
00:22:11,250 --> 00:22:08,050
why and I've even written about this

404
00:22:14,310 --> 00:22:11,260
online I wonder it's age has something

405
00:22:16,980 --> 00:22:14,320
to do with it and if being female has

406
00:22:19,050 --> 00:22:16,990
something to do with it and being up you

407
00:22:21,840 --> 00:22:19,060
know postmenopausal has something to do

408
00:22:24,600 --> 00:22:21,850
with it I don't know but there might be

409
00:22:28,710 --> 00:22:24,610
something there about that well I know

410
00:22:30,500 --> 00:22:28,720
it seems that though you have people

411
00:22:33,900 --> 00:22:30,510
that are taking the photographs and

412
00:22:36,180 --> 00:22:33,910
having these experience a gender rise it

413
00:22:39,180 --> 00:22:36,190

seems to be split 50-50 although I don't

414

00:22:41,580 --> 00:22:39,190

know is if anybody has done a survey

415

00:22:46,530 --> 00:22:41,590

this but anyway when we come back from

416

00:22:50,430 --> 00:22:46,540

our commercial break here I want to have

417

00:22:52,440 --> 00:22:50,440

Tim ask you about Dana Howard who you

418

00:22:54,660 --> 00:22:52,450

have written about and the strange

419

00:23:00,140 --> 00:22:54,670

things that go on in the desert you've

420

00:23:05,850 --> 00:23:03,330

chapters in our books related to her and

421

00:23:09,090 --> 00:23:05,860

and some of these mysterious events in

422

00:23:13,080 --> 00:23:09,100

the in the desert and it also I think to

423

00:23:15,510 --> 00:23:13,090

some degree the apparition of that Diane

424

00:23:17,790 --> 00:23:15,520

from Venus Diana from Venus

425

00:23:20,630 --> 00:23:17,800

seems like you leave a part of the

426

00:23:24,210 --> 00:23:20,640

Marian phenomena which you are also

427

00:23:27,090 --> 00:23:24,220

investigated have investigated and and

428

00:23:31,890 --> 00:23:27,100

so I think that that's an avenue that we

429

00:23:35,750 --> 00:23:31,900

will want to explore on exploring the

430

00:23:44,580 --> 00:23:35,760

bizarre so stay tuned for more

431

00:23:51,310 --> 00:23:48,729

now back to exploring the bazaars with

432

00:23:54,609 --> 00:23:51,320

two of the most electrifying researchers

433

00:23:59,739 --> 00:23:54,619

in the Paranoid your hosts Timothy Becky

434

00:24:02,109 --> 00:23:59,749

Lee panting Swift's welcome back to

435

00:24:04,869 --> 00:24:02,119

exploring the bazaar tonight our guest

436

00:24:07,359 --> 00:24:04,879

is Regan Lee and Regan there was

437

00:24:09,700 --> 00:24:07,369

something that you said in the first

438

00:24:13,239 --> 00:24:09,710

part of this program that I found

439

00:24:15,749 --> 00:24:13,249

interesting we were talking about orbs

440

00:24:18,729 --> 00:24:15,759

you know orange orbs white orbs whatever

441

00:24:21,579 --> 00:24:18,739

and you had said that there was a time

442

00:24:25,060 --> 00:24:21,589

when you'd be meditating and you could

443

00:24:28,629 --> 00:24:25,070

actually see these Gray's trying to

444

00:24:32,259 --> 00:24:28,639

approach you but they were unable and it

445

00:24:34,930 --> 00:24:32,269

makes me wonder whether or not these

446

00:24:36,579 --> 00:24:34,940

things whatever you know whatever they

447

00:24:39,089 --> 00:24:36,589

are extraterrestrials altered

448

00:24:40,389 --> 00:24:39,099

terrestrials interdimensional beans

449

00:24:44,440 --> 00:24:40,399

whatever

450

00:24:49,029 --> 00:24:44,450

if these orbs these balls of energy may

451
00:24:52,889 --> 00:24:49,039
not be their true form and that you know

452
00:24:57,369 --> 00:24:52,899
at times they they present to us a form

453
00:25:02,739 --> 00:24:57,379
like the like the gray aliens or the the

454
00:25:05,649 --> 00:25:02,749
toll of Aryan types as a way for us is

455
00:25:08,079 --> 00:25:05,659
to have you know something to perceive

456
00:25:10,680 --> 00:25:08,089
so to speak but they're their actual

457
00:25:14,349 --> 00:25:10,690
their true form is a ball of energy

458
00:25:16,060 --> 00:25:14,359
mm-hmm it's funny you mention that

459
00:25:21,430 --> 00:25:16,070
because I've been thinking about this

460
00:25:24,759 --> 00:25:21,440
lately and some people suggest these

461
00:25:27,909 --> 00:25:24,769
orbs are plasma now skeptic would say

462
00:25:30,879 --> 00:25:27,919
well that's all it is plasma kaesong but

463
00:25:33,759 --> 00:25:30,889

some people some Reacher's researchers

464

00:25:38,159 --> 00:25:33,769

have gone with that said you know just

465

00:25:41,129 --> 00:25:38,169

because it may be a type of plasma

466

00:25:46,839 --> 00:25:41,139

doesn't negate the fact it could be

467

00:25:49,960 --> 00:25:46,849

intelligent and there's a lot more to it

468

00:25:51,730 --> 00:25:49,970

than we think so

469

00:25:53,710 --> 00:25:51,740

I'm pursuing

470

00:25:56,440 --> 00:25:53,720

that idea and I think there might be

471

00:26:00,450 --> 00:25:56,450

something to that you know this orb I

472

00:26:03,780 --> 00:26:00,460

saw very well could have been plasma

473

00:26:07,990 --> 00:26:03,790

although it seemed to move with such

474

00:26:10,510 --> 00:26:08,000

intent and focus not just like radically

475

00:26:14,590 --> 00:26:10,520

moving around you know randomly moving

476
00:26:18,340 --> 00:26:14,600
around rather so you know it could be a

477
00:26:19,540 --> 00:26:18,350
combination of these things a little bit

478
00:26:24,880 --> 00:26:19,550
of this a little bit about

479
00:26:27,940 --> 00:26:24,890
interdimensional all these things at the

480
00:26:31,299 --> 00:26:27,950
same time and I think sometimes we have

481
00:26:34,690 --> 00:26:31,309
a hard time putting our heads around

482
00:26:36,520 --> 00:26:34,700
that you know they felt like what do you

483
00:26:40,380 --> 00:26:36,530
mean it's it's much easier to just say

484
00:26:47,350 --> 00:26:40,390
it's this one thing now we can move on

485
00:26:49,480 --> 00:26:47,360
yeah I saw they were really there but on

486
00:26:50,799 --> 00:26:49,490
a different level you know someone had

487
00:26:53,230 --> 00:26:50,809
walked in the room they wouldn't have

488
00:26:54,760 --> 00:26:53,240

seen anything except me sitting there

489

00:26:59,049 --> 00:26:54,770

but you know they I don't think they

490

00:27:01,750 --> 00:26:59,059

would have seen anything but they were

491

00:27:05,590 --> 00:27:01,760

there nonetheless their energy was there

492

00:27:08,500 --> 00:27:05,600

they were presenting themselves to me on

493

00:27:10,860 --> 00:27:08,510

a you know the astral plane or whatever

494

00:27:17,980 --> 00:27:10,870

you wanna call it some other level I

495

00:27:22,840 --> 00:27:17,990

just I I remember somebody who studied

496

00:27:26,919 --> 00:27:22,850

almost a entirely in their career ghosts

497

00:27:30,940 --> 00:27:26,929

and hauntings and you know the spiritual

498

00:27:34,150 --> 00:27:30,950

beings and that sort of thing and they

499

00:27:36,790 --> 00:27:34,160

had actually had been in communication

500

00:27:41,770 --> 00:27:36,800

with a lady who was haunting her house

501
00:27:43,750 --> 00:27:41,780
an older lady and I guess that through

502
00:27:47,290 --> 00:27:43,760
this mental communication he had asked

503
00:27:49,120 --> 00:27:47,300
her at one point if she because anytime

504
00:27:51,010 --> 00:27:49,130
anybody would see her when she was

505
00:27:54,160 --> 00:27:51,020
haunting she looked like she did you

506
00:27:56,140 --> 00:27:54,170
know shortly before sometimes shortly

507
00:27:57,640 --> 00:27:56,150
before she died no times when she was

508
00:27:59,770 --> 00:27:57,650
kind of more in the prime of her life

509
00:28:02,110 --> 00:27:59,780
you know like in her late 20s early 30s

510
00:28:05,440 --> 00:28:02,120
that sort of thing and I guess this this

511
00:28:08,110 --> 00:28:05,450
spirit had told him that her actual form

512
00:28:11,139 --> 00:28:08,120
was more along the lines of a ball of

513
00:28:12,940 --> 00:28:11,149

energy or a ball of light so I just

514

00:28:15,460 --> 00:28:12,950

always found that fascinating and and

515

00:28:18,250 --> 00:28:15,470

you know especially when people such as

516

00:28:21,310 --> 00:28:18,260

yourself have these experiences you know

517

00:28:23,529 --> 00:28:21,320

with these orbs and again you know we we

518

00:28:26,440 --> 00:28:23,539

should stress as you know these are

519

00:28:28,149 --> 00:28:26,450

different than these little dots that

520

00:28:29,620 --> 00:28:28,159

people take pictures of a lot of times

521

00:28:31,810 --> 00:28:29,630

which are probably just digital

522

00:28:35,289 --> 00:28:31,820

artifacts you know these are these are

523

00:28:36,940 --> 00:28:35,299

things that can be arranged from size of

524

00:28:38,080 --> 00:28:36,950

say like a ping-pong ball to like you

525

00:28:38,710 --> 00:28:38,090

said you know like the size of a

526
00:28:43,659 --> 00:28:38,720
basketball

527
00:28:46,299 --> 00:28:43,669
sometimes even larger one time I was

528
00:28:49,320 --> 00:28:46,309
investigating a haunted house and there

529
00:28:53,169 --> 00:28:49,330
was a ton of activity in this house and

530
00:28:58,000 --> 00:28:53,179
I took a loss of the grass nothing ever

531
00:29:01,509 --> 00:28:58,010
appeared but about the head of one of

532
00:29:06,360 --> 00:29:01,519
the residents of the house there was a

533
00:29:09,060 --> 00:29:06,370
white you know a small white orb

534
00:29:12,519 --> 00:29:09,070
translucent and I found it interesting

535
00:29:15,070 --> 00:29:12,529
that that's the only time an Orbis

536
00:29:17,560 --> 00:29:15,080
appeared in one of my pictures now it

537
00:29:20,620 --> 00:29:17,570
very well could have been dust on the

538
00:29:23,529 --> 00:29:20,630

lens sure but I also think of the

539

00:29:29,110 --> 00:29:23,539

context of that photograph this

540

00:29:31,600 --> 00:29:29,120

particular person had was one of the

541

00:29:33,730 --> 00:29:31,610

residents that had a lot of interaction

542

00:29:37,269 --> 00:29:33,740

with the paranormal activity going on

543

00:29:40,629 --> 00:29:37,279

there and I just found the interesting

544

00:29:45,730 --> 00:29:40,639

New York showed up at that time and that

545

00:29:50,529 --> 00:29:45,740

place it's impossible to say if it was

546

00:29:54,220 --> 00:29:50,539

truly a spirit orb or just you know dust

547

00:29:56,519 --> 00:29:54,230

who knows mm-hmm it's a photograph I

548

00:30:03,210 --> 00:29:56,529

look at every now and then go mm-hmm

549

00:30:06,570 --> 00:30:03,220

things that make you go all right now uh

550

00:30:13,299 --> 00:30:06,580

mr. Berkley definitely wanted us to

551

00:30:15,720 --> 00:30:13,309

bring up the your interest in deserts

552

00:30:21,980 --> 00:30:15,730

and the

553

00:30:27,360 --> 00:30:21,990

the Hollow Earth and Dana Howard and so

554

00:30:33,630 --> 00:30:27,370

perhaps some of our listeners may not be

555

00:30:36,390 --> 00:30:33,640

aware of who Dana Howard was and perhaps

556

00:30:39,540 --> 00:30:36,400

you could give us a brief explanation on

557

00:30:43,770 --> 00:30:39,550

who we're talking about yeah Dana Howard

558

00:30:48,030 --> 00:30:43,780

was a woman and and she wrote a few

559

00:30:50,430 --> 00:30:48,040

books up to Rainbow Hill and I forget

560

00:30:51,660 --> 00:30:50,440

the titles for the others and she you

561

00:30:55,110 --> 00:30:51,670

know actually one of her first

562

00:30:57,600 --> 00:30:55,120

experience was over the threshold was

563

00:31:02,480 --> 00:30:57,610

one right over right thank you and you

564

00:31:06,780 --> 00:31:02,490

very kindly sent me a copy yes well yes

565

00:31:08,880 --> 00:31:06,790

when she's very young I think I think

566

00:31:10,710 --> 00:31:08,890

she was in her teens she might Bend

567

00:31:13,710 --> 00:31:10,720

younger I think she's even younger and

568

00:31:19,710 --> 00:31:13,720

this is back it must have been in the

569

00:31:22,050 --> 00:31:19,720

19th or maybe 30s where she was in the

570

00:31:25,440 --> 00:31:22,060

woods and she saw an apparition come to

571

00:31:27,450 --> 00:31:25,450

her very much like a Marian apparition

572

00:31:32,640 --> 00:31:27,460

except she doesn't described it that way

573

00:31:34,980 --> 00:31:32,650

at all and the apparition or entity

574

00:31:39,110 --> 00:31:34,990

whatever you want to call it I spoke to

575

00:31:43,940 --> 00:31:39,120

her and said she'll return and the later

576

00:31:47,100 --> 00:31:43,950

Dana had other encounters and sightings

577

00:31:52,860 --> 00:31:47,110

of this apparition that that said she

578

00:31:58,020 --> 00:31:52,870

was Diane from Venus and she was

579

00:32:00,920 --> 00:31:58,030

actually in a church once and other and

580

00:32:05,730 --> 00:32:00,930

this entity appeared and other people

581

00:32:10,970 --> 00:32:05,740

thought as well and as a light like a

582

00:32:15,150 --> 00:32:10,980

just like an apparition like a light

583

00:32:19,050 --> 00:32:15,160

Dana saw more of a like a human figure

584

00:32:22,380 --> 00:32:19,060

but others did say that they saw an

585

00:32:26,550 --> 00:32:22,390

apparition appear and though the church

586

00:32:27,090 --> 00:32:26,560

the church still insist yeah yeah the

587

00:32:30,080 --> 00:32:27,100

Internet

588

00:32:33,420 --> 00:32:30,090

it's a small small little space

589

00:32:35,850 --> 00:32:33,430

yeah yeah it's a it's a really really

590

00:32:40,970 --> 00:32:35,860

small Church it's got to be like what

591

00:32:43,980 --> 00:32:40,980

are the smallest churches yeah yeah yeah

592

00:32:47,700 --> 00:32:43,990

so she had these because she went up to

593

00:32:51,420 --> 00:32:47,710

the desert she found a lot of peace in

594

00:32:54,540 --> 00:32:51,430

the desert a lot of she she did not feel

595

00:32:58,260 --> 00:32:54,550

lonely there at all she she felt very

596

00:33:03,810 --> 00:32:58,270

much at peace and she had telepathic

597

00:33:08,280 --> 00:33:03,820

communications with this being or spirit

598

00:33:10,290 --> 00:33:08,290

whenever you are call it and she became

599

00:33:12,900 --> 00:33:10,300

like for lack of better term a UFO

600

00:33:16,980 --> 00:33:12,910

contactee there are a lot of female

601
00:33:18,960 --> 00:33:16,990
contact these in the 50s but we the

602
00:33:22,800 --> 00:33:18,970
we're beginning we know we hear about

603
00:33:27,000 --> 00:33:22,810
them more and more but and so a very

604
00:33:30,540 --> 00:33:27,010
interesting woman I thought and she just

605
00:33:34,170 --> 00:33:30,550
continued to have these experiences with

606
00:33:36,180 --> 00:33:34,180
this entity Diane from she said she's

607
00:33:41,490 --> 00:33:36,190
Diana from Venus I find it interesting

608
00:33:43,890 --> 00:33:41,500
that like a lot of the contactees being

609
00:33:46,020 --> 00:33:43,900
said she was from Venus LA them said

610
00:33:47,250 --> 00:33:46,030
they were from Venus some said they were

611
00:33:51,630 --> 00:33:47,260
from Jupiter

612
00:33:54,480 --> 00:33:51,640
you know Mars but mostly Venus which is

613
00:33:58,650 --> 00:33:54,490

the planet symbolizing love you know and

614

00:34:01,110 --> 00:33:58,660

and with the female so I wonder if that

615

00:34:03,840 --> 00:34:01,120

has something to do with that but and

616

00:34:06,750 --> 00:34:03,850

her for every story into something yeah

617

00:34:09,720 --> 00:34:06,760

mm-hmm yeah and her stories were among

618

00:34:13,590 --> 00:34:09,730

the most poetic I think they're written

619

00:34:16,080 --> 00:34:13,600

among the the contact right contact

620

00:34:18,840 --> 00:34:16,090

these you know we're in touch with her

621

00:34:21,990 --> 00:34:18,850

her niece and according to her yeah yeah

622

00:34:24,180 --> 00:34:22,000

her niece said that you know people are

623

00:34:27,750 --> 00:34:24,190

thinking for her well she's the only one

624

00:34:29,730 --> 00:34:27,760

in the the family who liked her her

625

00:34:32,100 --> 00:34:29,740

auntie that well didn't think that she

626
00:34:35,340 --> 00:34:32,110
was a little uh you know Wacom dinging

627
00:34:38,460 --> 00:34:35,350
ahoy is Long John used to I used to say

628
00:34:41,940 --> 00:34:38,470
there but but apparently she had a lot

629
00:34:43,169 --> 00:34:41,950
of contacts in Hollywood is well she was

630
00:34:46,290 --> 00:34:43,179
trying to get a you know

631
00:34:49,290 --> 00:34:46,300
her experiences made into a movie and

632
00:34:51,299 --> 00:34:49,300
all but it didn't quite work out I

633
00:34:53,430 --> 00:34:51,309
suppose we could make it into an action

634
00:34:55,169 --> 00:34:53,440
hero as a superhero these days or

635
00:34:56,909 --> 00:34:55,179
something I don't know this what

636
00:34:59,640 --> 00:34:56,919
everybody seems to want to watch I'm not

637
00:35:01,859 --> 00:34:59,650
exactly sure why but you know we could

638
00:35:04,170 --> 00:35:01,869

add her to the list of The Avengers or

639

00:35:09,270 --> 00:35:04,180

something well what what is it though

640

00:35:14,099 --> 00:35:09,280

about desert sand and I suppose wild

641

00:35:17,339 --> 00:35:14,109

places that that seem to attract these

642

00:35:21,210 --> 00:35:17,349

kinds of experiences or maybe they tend

643

00:35:23,569 --> 00:35:21,220

to attract the type of people who would

644

00:35:26,280 --> 00:35:23,579

be prone to having these experiences

645

00:35:30,530 --> 00:35:26,290

right I think it's both you know that

646

00:35:37,530 --> 00:35:30,540

the connection is made the bond is there

647

00:35:41,220 --> 00:35:37,540

you know deserts are open they're not

648

00:35:43,230 --> 00:35:41,230

many people want to go so you there

649

00:35:47,510 --> 00:35:43,240

places where you could find a lot of

650

00:35:50,970 --> 00:35:47,520

solitude and peace no doubt the the

651
00:35:55,770 --> 00:35:50,980
geology of the place I'm sure has a lot

652
00:35:58,319 --> 00:35:55,780
to do with attracting these things maybe

653
00:36:02,910 --> 00:35:58,329
they're attracted to geologic elements

654
00:36:06,000 --> 00:36:02,920
in the desert and also it's even though

655
00:36:08,940 --> 00:36:06,010
it's out in the open it's very easy to

656
00:36:11,609 --> 00:36:08,950
not be seen because how many people are

657
00:36:13,349 --> 00:36:11,619
out there mm-hmm so far we know all

658
00:36:16,680 --> 00:36:13,359
kinds of stuff could be going out there

659
00:36:19,109 --> 00:36:16,690
going on out there but we're not out

660
00:36:22,710 --> 00:36:19,119
there you know what you don't know

661
00:36:25,680 --> 00:36:22,720
George George Van Tassel's George Van

662
00:36:28,829 --> 00:36:25,690
Tassel's that nephew took me to the the

663
00:36:33,420 --> 00:36:28,839

spot near a giant rock where he had his

664

00:36:36,900 --> 00:36:33,430

first UFO and encounter with Sol ganda I

665

00:36:39,839 --> 00:36:36,910

believe it was and my god if that the

666

00:36:43,819 --> 00:36:39,849

rock where this ship came down is in

667

00:36:46,289 --> 00:36:43,829

Crystal it's all it's all it's all

668

00:36:49,349 --> 00:36:46,299

crystallized and of course down around

669

00:36:51,770 --> 00:36:49,359

in alien strongholds we have a whole

670

00:36:55,049 --> 00:36:51,780

chapter in which you contributed to on

671

00:36:56,970 --> 00:36:55,059

UFOs in the desert people are having

672

00:36:59,849 --> 00:36:56,980

experiences and side

673

00:37:03,510 --> 00:36:59,859

down around Joshua Tree they have for

674

00:37:05,340 --> 00:37:03,520

decades not only in the desert but also

675

00:37:08,340 --> 00:37:05,350

in the you know in the mountains of Peru

676
00:37:10,200 --> 00:37:08,350
and Mount Shasta and and all but tell us

677
00:37:12,930 --> 00:37:10,210
a little bit about you're interested in

678
00:37:14,760 --> 00:37:12,940
the the Marian phenomena and what that

679
00:37:18,180 --> 00:37:14,770
includes I mean we think about of course

680
00:37:20,730 --> 00:37:18,190
the visions at Fatima that the three

681
00:37:24,390 --> 00:37:20,740
Shepherd children had back in the

682
00:37:26,520 --> 00:37:24,400
nineteen and 1916 1917 but it's a lot

683
00:37:29,670 --> 00:37:26,530
more involved in that why don't you give

684
00:37:30,780 --> 00:37:29,680
us a little rundown on the Mary and the

685
00:37:34,710 --> 00:37:30,790
UFOs at all

686
00:37:41,700 --> 00:37:34,720
well I'm fascinated by that because in a

687
00:37:44,820 --> 00:37:41,710
lot of these apparitions of Mary she the

688
00:37:48,210 --> 00:37:44,830

like with Fatima the children never said

689

00:37:50,310 --> 00:37:48,220

she was Mary they just said she was the

690

00:37:53,520 --> 00:37:50,320

flow yeah I'm not sure exactly what they

691

00:37:59,510 --> 00:37:53,530

called that the floating lady or just a

692

00:38:04,410 --> 00:37:59,520

lady that appeared but because of the

693

00:38:06,030 --> 00:38:04,420

religious culture and you know the the

694

00:38:09,210 --> 00:38:06,040

way they grew up in everything everyone

695

00:38:10,800 --> 00:38:09,220

assumed it was Mary and one thing led to

696

00:38:12,450 --> 00:38:10,810

over there and they were they were it

697

00:38:17,040 --> 00:38:12,460

was a Catholic country that's not

698

00:38:21,590 --> 00:38:17,050

exactly right yeah yeah exactly so I

699

00:38:23,700 --> 00:38:21,600

wonder if these apparitions appear and

700

00:38:27,660 --> 00:38:23,710

they that's just how they present

701
00:38:32,580 --> 00:38:27,670
themselves because of the religious

702
00:38:35,010 --> 00:38:32,590
culture you know of the area but there's

703
00:38:42,510 --> 00:38:35,020
a lot of you know they appear as light

704
00:38:47,490 --> 00:38:42,520
they appear as a feminine force they

705
00:38:51,120 --> 00:38:47,500
have messages to convey they of peace

706
00:38:54,300 --> 00:38:51,130
and love and sometimes warnings people's

707
00:38:57,000 --> 00:38:54,310
not everyone will see the apparition as

708
00:39:00,150 --> 00:38:57,010
a figure like with Dana Howard but

709
00:39:02,910 --> 00:39:00,160
they'll see a light or a light form or

710
00:39:07,940 --> 00:39:02,920
some kind of energy or plasma type

711
00:39:10,799 --> 00:39:07,950
apparition people are emotionally moved

712
00:39:13,679 --> 00:39:10,809
so obviously there's

713
00:39:16,649 --> 00:39:13,689

some communication something's going on

714

00:39:19,049 --> 00:39:16,659

there with some kind of energy and it's

715

00:39:23,519 --> 00:39:19,059

just presenting itself in a certain way

716

00:39:25,169 --> 00:39:23,529

to us depending on the context of where

717

00:39:28,169 --> 00:39:25,179

they're at you know whether it's in the

718

00:39:33,390 --> 00:39:28,179

Catholic community or what-have-you

719

00:39:36,929 --> 00:39:33,400

oh yeah and orbs - you know we had a

720

00:39:38,459 --> 00:39:36,939

lady out here in Queens very Catholic a

721

00:39:39,870 --> 00:39:38,469

little bit over the top as far as I'm

722

00:39:41,909 --> 00:39:39,880

concerned but people would take

723

00:39:43,079 --> 00:39:41,919

photographs of her in there be orbs

724

00:39:44,549 --> 00:39:43,089

there she didn't believe in you

725

00:39:46,019 --> 00:39:44,559

she thought I think if somebody asked

726

00:39:50,399 --> 00:39:46,029

her whatever about UFOs who she thought

727

00:39:52,380 --> 00:39:50,409

that they were demonic you know but also

728

00:39:54,329 --> 00:39:52,390

she had her big thing was the smell of

729

00:39:56,849 --> 00:39:54,339

roses and I think you had several

730

00:39:59,279 --> 00:39:56,859

occasions they even saw roses float down

731

00:40:01,159 --> 00:39:59,289

from above you know and there was nobody

732

00:40:08,449 --> 00:40:01,169

was throwing him or anything like that

733

00:40:13,259 --> 00:40:08,459

and that and in other Marian apparitions

734

00:40:17,069 --> 00:40:13,269

the smell of roses and that this is what

735

00:40:20,249 --> 00:40:17,079

I find interesting too is this crossover

736

00:40:23,459 --> 00:40:20,259

between one seemingly specific

737

00:40:25,729 --> 00:40:23,469

paranormal event and then crossing over

738

00:40:30,449 --> 00:40:25,739

into others because the smell of roses

739

00:40:32,239 --> 00:40:30,459

will happen a lot with hot things for

740

00:40:35,130 --> 00:40:32,249

example and I've had that experience

741

00:40:39,209 --> 00:40:35,140

where there was nothing religious about

742

00:40:41,759 --> 00:40:39,219

it or there was no Marian apparition but

743

00:40:45,120 --> 00:40:41,769

I would be in a haunted house for

744

00:40:50,069 --> 00:40:45,130

example and suddenly a very strong scent

745

00:40:52,890 --> 00:40:50,079

of roses would come so again I think

746

00:40:55,529 --> 00:40:52,900

these things they might act

747

00:41:00,299 --> 00:40:55,539

independently on the surface but I think

748

00:41:01,799 --> 00:41:00,309

they're also connected in some way well

749

00:41:04,829 --> 00:41:01,809

yeah I was just I was just going to say

750

00:41:08,219 --> 00:41:04,839

if Dana Howard had lived a hundred years

751
00:41:10,459 --> 00:41:08,229
earlier and you know lived another part

752
00:41:15,890 --> 00:41:10,469
of the world how she may have

753
00:41:18,479 --> 00:41:15,900
interpreted her original experience yeah

754
00:41:21,689 --> 00:41:18,489
yeah well and the same thing with the

755
00:41:23,200 --> 00:41:21,699
the Fatima children there there's a

756
00:41:29,710 --> 00:41:23,210
drawing

757
00:41:32,170 --> 00:41:29,720
how their lady looks from their first

758
00:41:34,329 --> 00:41:32,180
experience and the drawing looks nothing

759
00:41:37,480 --> 00:41:34,339
like what you would think of as the you

760
00:41:38,950 --> 00:41:37,490
know traditional Marian apparition this

761
00:41:41,730 --> 00:41:38,960
this figure looks almost more like

762
00:41:45,510 --> 00:41:41,740
somebody you'd see in a movie from the

763
00:41:48,640 --> 00:41:45,520

1960s you know there was a very famous

764

00:41:52,329 --> 00:41:48,650

rock guitarist by the name of Billy

765

00:41:53,920 --> 00:41:52,339

Squier mm-hmm yeah what are two songs

766

00:41:57,820 --> 00:41:53,930

that they still play on a radio but he

767

00:42:00,370 --> 00:41:57,830

hasn't been performing for years and

768

00:42:02,740 --> 00:42:00,380

years and one of the reasons that he

769

00:42:07,900 --> 00:42:02,750

hasn't performed he told me the story

770

00:42:10,420 --> 00:42:07,910

one time that he saw a Marian phenomena

771

00:42:12,870 --> 00:42:10,430

it was a lady in white but I believe

772

00:42:17,710 --> 00:42:12,880

that she was in sight of some

773

00:42:21,940 --> 00:42:17,720

transparent craft or something that came

774

00:42:24,700 --> 00:42:21,950

down out of the out of the sky I would

775

00:42:27,520 --> 00:42:24,710

refer you to my secret prophecies of

776

00:42:29,920 --> 00:42:27,530

Fatima but because it's been a long time

777

00:42:32,020 --> 00:42:29,930

since I did the interview and it's been

778

00:42:34,420 --> 00:42:32,030

a long time since I checked my notes on

779

00:42:38,579 --> 00:42:34,430

the subject but there were more people

780

00:42:44,770 --> 00:42:40,960

visions I guess you would call it a

781

00:42:46,180 --> 00:42:44,780

vision more than any anything else and

782

00:42:48,670 --> 00:42:46,190

of course the other one that's very

783

00:42:50,170 --> 00:42:48,680

famous that the church is just getting

784

00:42:53,260 --> 00:42:50,180

around they haven't called it a miracle

785

00:42:57,000 --> 00:42:53,270

yet would be the the one that's in but

786

00:43:01,240 --> 00:42:57,010

mad magic Gorka yeah where the yes I

787

00:43:06,450 --> 00:43:01,250

wrote something for UFO Digest About

788

00:43:10,450 --> 00:43:06,460

Mary as a trickster because the church

789

00:43:16,990 --> 00:43:10,460

will not call it a miracle yeah they

790

00:43:21,040 --> 00:43:17,000

have come out and denounced this these

791

00:43:26,890 --> 00:43:21,050

sightings saying how Barry wouldn't

792

00:43:33,940 --> 00:43:26,900

behave this way that their words and the

793

00:43:36,730 --> 00:43:33,950

actions and the appearances are not what

794

00:43:39,220 --> 00:43:36,740

we would typically expect from Mary

795

00:43:41,680 --> 00:43:39,230

operations that got me to think yes

796

00:43:47,320 --> 00:43:41,690

maybe this is a trickster figure maybe

797

00:43:49,330 --> 00:43:47,330

it's not marry at all and that kind of

798

00:43:54,640 --> 00:43:49,340

ticked some people off and they let me

799

00:43:56,980 --> 00:43:54,650

know it went well good good for you good

800

00:44:01,090 --> 00:43:56,990

for you good for you though because I

801
00:44:04,930 --> 00:44:01,100
mean that's you know that your you know

802
00:44:08,430 --> 00:44:04,940
your your possible actually reaching

803
00:44:12,910 --> 00:44:08,440
something if you take a few people off

804
00:44:15,130 --> 00:44:12,920
something about that I can't remember

805
00:44:19,320 --> 00:44:15,140
the details but kind of giving weird

806
00:44:22,390 --> 00:44:19,330
messages to people that were harmful

807
00:44:24,160 --> 00:44:22,400
allegedly you know and so I don't know

808
00:44:27,220 --> 00:44:24,170
and then knowing the politics of the

809
00:44:29,560 --> 00:44:27,230
church and the politics oh my god you

810
00:44:34,180 --> 00:44:29,570
know how much of that's all wrapped up

811
00:44:39,280 --> 00:44:34,190
together either inviting or invoking

812
00:44:42,609 --> 00:44:39,290
this kind of trickster energy in or the

813
00:44:46,780 --> 00:44:42,619

tricks this energy found it and said hey

814

00:44:50,230 --> 00:44:46,790

this is a good place you know so I just

815

00:44:54,460 --> 00:44:50,240

think it's even though these different

816

00:44:57,310 --> 00:44:54,470

paths we take a speculation may be weird

817

00:45:00,190 --> 00:44:57,320

I think it's important to go there that

818

00:45:03,060 --> 00:45:00,200

just see what happens yes well we don't

819

00:45:05,620 --> 00:45:03,070

get locked into it you know assumptions

820

00:45:07,930 --> 00:45:05,630

we didn't even get to talk about the

821

00:45:12,130 --> 00:45:07,940

Bigfoot that and I didn't wear clothes

822

00:45:13,960 --> 00:45:12,140

it we're closing in on the well back

823

00:45:16,690 --> 00:45:13,970

here in the East the eleven o'clock hour

824

00:45:20,050 --> 00:45:16,700

and yeah we want to give you the

825

00:45:23,980 --> 00:45:20,060

opportunity to tell our listeners both

826

00:45:27,700 --> 00:45:23,990

of kco our and our many of fans on our

827

00:45:29,859 --> 00:45:27,710

YouTube mr. UFO secret files have a can

828

00:45:33,640 --> 00:45:29,869

get in touch with you and what your

829

00:45:38,230 --> 00:45:33,650

current projects are well I'm working on

830

00:45:42,310 --> 00:45:38,240

something called it's just about orbs

831

00:45:44,920 --> 00:45:42,320

and the difference you know a lot of

832

00:45:47,830 --> 00:45:44,930

these swords I've had positive

833

00:45:49,920 --> 00:45:47,840

experiences with UFOs and I've had

834

00:45:55,559 --> 00:45:49,930

negative experiences

835

00:45:58,700 --> 00:45:55,569

and to not put a judgment on that so

836

00:46:02,370 --> 00:45:58,710

that's what I'm working on now and

837

00:46:06,329 --> 00:46:02,380

people if you just do I run a lot of

838

00:46:09,480 --> 00:46:06,339

blogs oh yes so you could just if you

839

00:46:12,359 --> 00:46:09,490

just do like Reagan Lee UFO a regularly

840

00:46:15,329 --> 00:46:12,369

Bigfoot that would be probably the best

841

00:46:17,819 --> 00:46:15,339

way because I have so many blogs or

842

00:46:24,540 --> 00:46:17,829

you've got the big it's a big orange

843

00:46:26,609 --> 00:46:24,550

blob of blocks or I'm on orange orb -

844

00:46:32,130 --> 00:46:26,619

two words on WordPress

845

00:46:36,660 --> 00:46:32,140

it's my blog one of the blocks and you

846

00:46:42,900 --> 00:46:36,670

can email me at orange orb at mail.com

847

00:46:47,720 --> 00:46:42,910

not Gmail mail calm so I nailed on

848

00:46:53,190 --> 00:46:51,089

you could you can find there if I if Tim

849

00:46:54,960 --> 00:46:53,200

and I were able to find if you'll be

850

00:46:58,020 --> 00:46:54,970

able to to find her and don't forget to

851

00:47:00,839 --> 00:46:58,030

pick up those books aliens stronghold

852

00:47:02,430 --> 00:47:00,849

would be the latest one and mysteries of

853

00:47:04,319 --> 00:47:02,440

Death Valley also - I believe she has

854

00:47:06,720 --> 00:47:04,329

some material in there and that's got a

855

00:47:08,400 --> 00:47:06,730

lot of channeling from George Van Tassel

856

00:47:10,950 --> 00:47:08,410

and good night one and all good night

857

00:47:12,990 --> 00:47:10,960

good night Helen good night Tina good

858

00:47:19,280 --> 00:47:13,000

night Tim now they're in Jasper Indiana

859

00:47:26,160 --> 00:47:22,260

you've been listening to exploring the

860

00:47:29,400 --> 00:47:26,170

bazaar with hosts Timothy Becky panty

861

00:47:32,309 --> 00:47:29,410

Swartz they're taking back the night by

862

00:47:34,859 --> 00:47:32,319

jetting non-stop across the cosmos in

863

00:47:38,680 --> 00:47:34,869

search of the truly bizarre and totally

864

00:47:41,190 --> 00:47:38,690

unexplained with you as their cold

865

00:47:45,670 --> 00:47:41,200

Thursday nights at 7:00 p.m. Pacific

866

00:47:46,880 --> 00:47:45,680

10:00 p.m. Eastern on the K cor digital

867

00:47:49,340 --> 00:47:46,890

radio

868

00:47:52,790 --> 00:47:49,350

for more information on exploring the

869

00:47:55,640 --> 00:47:52,800

bazaar and hosts timothy Beckley and tim

870

00:47:58,730 --> 00:47:55,650

Swartz check out their kco our digital

871

00:48:04,970 --> 00:47:58,740

radio network follow their YouTube

872

00:48:15,350 --> 00:48:04,980

channel @m our UFO 1100 explore the
