explode the bazaars or e-ticket ride

3
00:00:47,400 --> 00:00:44,130

strap yourself in as we traverse the

5
00:00:56,160 --> 00:00:51,720

universe exploring the unexplained UFO s

6
00:01:00,300 --> 00:00:56,170

ghosts Lost Worlds cryptozoology waters

7
00:01:04,829 --> 00:01:00,310

as well as other dimensions it's time to

8
00:01:07,050 --> 00:01:04,839

take back the night now your

9
00:01:13,850 --> 00:01:07,060

electrifying hosts of exploring the

10
00:01:20,580 --> 00:01:17,370

spirits come forth we are looking to

11
00:01:27,480 --> 00:01:20,590

contact the other side to see beyond the

12
00:01:32,280 --> 00:01:27,490

veil excuse me Tim I see that sure in

13
00:01:34,310 --> 00:01:32,290

the middle of holding a seance is that

14

00:01:37,859 --> 00:01:34,320

okay if I join you

15

00:01:40,140 --> 00:01:37,869

sure but you have to be respectful or

16

00:01:42,090 --> 00:01:40,150

they won't come across us from the

17

00:01:46,580 --> 00:01:42,100

Summerland okay

18

00:01:51,000 --> 00:01:46,590

so who you trying to contact a loved one

19

00:01:53,970 --> 00:01:51,010

family member or even your beloved cat

20

00:01:56,370 --> 00:01:53,980

or not this time I recently visited the

21

00:01:59,010 --> 00:01:56,380

grave of charles fort in the old

22

00:02:01,500 --> 00:01:59,020

cemetery outside of Albany and since our

23

00:02:04,770 --> 00:02:01,510

show is on 14 phenomena tonight

24

00:02:12,930 --> 00:02:04,780

I thought perhaps we could call Charles

25

00:02:15,509 --> 00:02:12,940

to join us well I I can see a figure

26

00:02:18,390 --> 00:02:15,519

starting to form right behind you so

27

00:02:21,810 --> 00:02:18,400

really yeah you must be he must be a

28

00:02:25,289 --> 00:02:21,820

pretty good medium after all but hey

29

00:02:28,080 --> 00:02:25,299

well we're getting late the the the

30

00:02:30,150 --> 00:02:28,090

show's starting now so maybe you should

31

00:02:32,820 --> 00:02:30,160

just invite your friend to come along

32

00:02:35,940 --> 00:02:32,830

with us back to the case of our studio

33

00:02:38,900 --> 00:02:35,950

and and and he could join us well we

34

00:02:44,120 --> 00:02:38,910

talked to a real representative

35

00:02:47,729 --> 00:02:44,130

representative of 40 and phenomena ah

36

00:02:49,449 --> 00:02:47,739

Charles come with us come with us come

37

00:02:53,470 --> 00:02:49,459

with us

38

00:02:58,690 --> 00:02:53,480

good evening Tim did Charles come with

39

00:02:59,679 --> 00:02:58,700

us well I think he's I think he's here

40

00:03:01,899 --> 00:02:59,689

somewhere

41

00:03:05,229 --> 00:03:01,909

you know I visited I I'm an older

42

00:03:08,949 --> 00:03:05,239

fourteen myself really old one these

43

00:03:12,160 --> 00:03:08,959

days but you know I was on the board of

44

00:03:14,440 --> 00:03:12,170

directors of John keels New York 40 in

45

00:03:16,360 --> 00:03:14,450

society comma true fact

46

00:03:19,509 --> 00:03:16,370

yeah yeah in fact they had meetings in

47

00:03:22,240 --> 00:03:19,519

the building next door which has been a

48

00:03:24,580 --> 00:03:22,250

vacant lot for about eight year eight or

49

00:03:28,210 --> 00:03:24,590

nine years now and they just started

50

00:03:30,490 --> 00:03:28,220

putting up a another skyscraper which

51
00:03:32,080 --> 00:03:30,500
I'm not looking forward to because the

52
00:03:34,649 --> 00:03:32,090
building that they're putting up will be

53
00:03:37,390 --> 00:03:34,659
right outside my window and it will be a

54
00:03:40,569 --> 00:03:37,400
consistent pounding and hammering and

55
00:03:43,750 --> 00:03:40,579
all of that but on several occasions

56
00:03:45,699 --> 00:03:43,760
I've gotten with my friend the MIB and

57
00:03:49,390 --> 00:03:45,709
lady a Claudia Cunningham who's been on

58
00:03:51,610 --> 00:03:49,400
the show several times and we visited

59
00:03:54,699 --> 00:03:51,620
there Charles and forts a grave up there

60
00:03:57,039 --> 00:03:54,709
outside of Albany and some pretty

61
00:04:01,869 --> 00:03:57,049
strange things have happened there now I

62
00:04:04,960 --> 00:04:01,879
don't know whether you can put that all

63
00:04:08,890 --> 00:04:04,970

on the charles fort being buried there

64

00:04:12,099 --> 00:04:08,900

but there been MIB scene and dogs and

65

00:04:15,069 --> 00:04:12,109

even a floating a couple who float over

66

00:04:21,759 --> 00:04:15,079

the gravestones at night dressed in

67

00:04:23,680 --> 00:04:21,769

pajamas and carrying lit candles that's

68

00:04:26,560 --> 00:04:23,690

up on our YouTube channel right I think

69

00:04:30,000 --> 00:04:26,570

if you just type in Charles a fort there

70

00:04:33,240 --> 00:04:30,010

and the the search bar you'll be able to

71

00:04:36,700 --> 00:04:33,250

see me with the claudia roaming around

72

00:04:38,649 --> 00:04:36,710

charles forts I was gonna say mausoleum

73

00:04:40,480 --> 00:04:38,659

but I not sure it's a mausoleum the

74

00:04:45,430 --> 00:04:40,490

whole family is buried there I think

75

00:04:47,649 --> 00:04:45,440

there's nine members of the fort family

76

00:04:50,860 --> 00:04:47,659

buried in the rural cemetery just

77

00:04:53,649 --> 00:04:50,870

outside of Albany but Tim let us not to

78

00:04:58,180 --> 00:04:53,659

dilly-dally in the cemetery we'll get

79

00:05:00,129 --> 00:04:58,190

there soon enough I'm sure let us know

80

00:05:03,159 --> 00:05:00,139

who our guest is to see me why don't you

81

00:05:05,709 --> 00:05:03,169

introduce our special guest for tonight

82

00:05:08,469 --> 00:05:05,719

right well tonight I'm really happy that

83

00:05:11,649 --> 00:05:08,479

we have with us uh Tobias Weiland

84

00:05:14,320 --> 00:05:11,659

now Tobias is a passionate 14 who

85

00:05:17,260 --> 00:05:14,330

started his investigative career as a

86

00:05:19,089 --> 00:05:17,270

move on field investigator and following

87

00:05:21,459 --> 00:05:19,099

that he investigated independently a

88

00:05:25,689 --> 00:05:21,469

prior to becoming the head writer and

89

00:05:27,670 --> 00:05:25,699

editor for the singular 40 in society

90

00:05:30,309 --> 00:05:27,680

now Tobias as a frequent guest on

91

00:05:32,649 --> 00:05:30,319

various podcast and radio shows now

92

00:05:35,290 --> 00:05:32,659

including exploring the bizarre and was

93

00:05:38,019 --> 00:05:35,300

featured in the small town monsters

94

00:05:39,999 --> 00:05:38,029

documentary terror in the skies which

95

00:05:43,959 --> 00:05:40,009

you know we had Seth on just a couple of

96

00:05:47,980 --> 00:05:43,969

weeks ago about that particular show for

97

00:05:50,110 --> 00:05:47,990

here now to bias he was on small terror

98

00:05:53,140 --> 00:05:50,120

in the sky source work investigating

99

00:05:55,839 --> 00:05:53,150

Mothman sightings around Lake Michigan

100

00:05:58,659 --> 00:05:55,849

now Tobias ins wife Emily had been

101
00:06:01,450 --> 00:05:58,669
involved with the Lake Michigan Mothman

102
00:06:05,350 --> 00:06:01,460
investigation since its advent in the

103
00:06:07,540 --> 00:06:05,360
spring of 2017 and they're currently the

104
00:06:10,869 --> 00:06:07,550
only investigators to have conducted

105
00:06:13,749 --> 00:06:10,879
on-site investigations combined with

106
00:06:16,089 --> 00:06:13,759
witness interviews across multiple

107
00:06:18,279 --> 00:06:16,099
states so Tobias thanks for being with

108
00:06:20,769 --> 00:06:18,289
us tonight on exploring the bizarre we

109
00:06:24,040 --> 00:06:20,779
have got a lot to talk about yeah thanks

110
00:06:26,379 --> 00:06:24,050
thanks for having me Jim you're more

111
00:06:28,839 --> 00:06:26,389
than welcome hey I have a question and

112
00:06:30,459 --> 00:06:28,849
of course it's a pretty obvious one how

113
00:06:33,189 --> 00:06:30,469

did you get the ball rolling on the

114

00:06:37,629 --> 00:06:33,199

charles fort now when we when I was a

115

00:06:39,760 --> 00:06:37,639

youngster growing up we had the weekly

116

00:06:41,439 --> 00:06:39,770

reader book club and one of the books

117

00:06:44,709 --> 00:06:41,449

that you could buy for I think in those

118

00:06:46,119 --> 00:06:44,719

days probably 50 Cent's was the book of

119

00:06:48,399 --> 00:06:46,129

the Damned there maybe it was low I

120

00:06:51,610 --> 00:06:48,409

don't know perhaps both of them how did

121

00:06:55,329 --> 00:06:51,620

you get initiated into the occult of 14

122

00:06:57,490 --> 00:06:55,339

phenomena sure so you know when when I

123

00:07:01,570 --> 00:06:57,500

was growing up I would read guys like

124

00:07:03,909 --> 00:07:01,580

you know Loren Coleman and and John keel

125

00:07:07,659 --> 00:07:03,919

and you know they would they would throw

126

00:07:08,559 --> 00:07:07,669

that that word for T in around and you

127

00:07:10,629 --> 00:07:08,569

know they would they would talk about

128

00:07:12,670 --> 00:07:10,639

Charles fort and and he seemed to be

129

00:07:16,869 --> 00:07:12,680

almost this this mythical figure and

130

00:07:20,709 --> 00:07:16,879

that inspired me to to seek out some of

131

00:07:25,570 --> 00:07:20,719

of his writings and you know now I own

132

00:07:27,100 --> 00:07:25,580

the complete collection but you know I

133

00:07:30,159 --> 00:07:27,110

was I was just sort of instantly

134

00:07:32,769 --> 00:07:30,169

fascinated by those and and and not just

135

00:07:35,199 --> 00:07:32,779

the accounts themselves although I mean

136

00:07:39,399 --> 00:07:35,209

they were they were groundbreaking for

137

00:07:43,029 --> 00:07:39,409

their era but but his approach you know

138

00:07:44,739 --> 00:07:43,039

it was one that we've seen imitated

139

00:07:47,919 --> 00:07:44,749

since you know it's it's it's really

140

00:07:51,100 --> 00:07:47,929

almost become sort of the the the

141

00:07:54,820 --> 00:07:51,110

standard paradigm I think under which

142

00:07:58,540 --> 00:07:54,830

you know most investigators it at least

143

00:08:01,359 --> 00:07:58,550

you know really really good ones so you

144

00:08:04,899 --> 00:08:01,369

know sort of operate these days that

145

00:08:06,879 --> 00:08:04,909

that holistic view of these phenomena

146

00:08:09,879 --> 00:08:06,889

you know I mean like he said very

147

00:08:12,009 --> 00:08:09,889

famously one begins

148

00:08:14,799 --> 00:08:12,019

I'm sorry accused me of one measures a

149

00:08:17,769 --> 00:08:14,809

circle beginning anywhere and and I took

150

00:08:20,739 --> 00:08:17,779

that to heart and I still do okay so

151
00:08:23,199 --> 00:08:20,749
what now you have a very active website

152
00:08:25,689 --> 00:08:23,209
it just went there before the the show

153
00:08:29,679 --> 00:08:25,699
started and and I see you've got all the

154
00:08:33,490 --> 00:08:29,689
latest news up there including this one

155
00:08:35,860 --> 00:08:33,500
incident where there's some fellow left

156
00:08:37,120 --> 00:08:35,870
a bomb on on the sidewalk because he

157
00:08:39,790 --> 00:08:37,130
thought that there was going to be an

158
00:08:42,639 --> 00:08:39,800
alien invasion yeah but what's what's

159
00:08:45,059 --> 00:08:42,649
the scoop behind that one sure well I

160
00:08:48,220 --> 00:08:45,069
mean honestly that now this is a

161
00:08:51,480 --> 00:08:48,230
fascinating story for a number of

162
00:08:54,280 --> 00:08:51,490
reasons for anybody who hasn't yet

163
00:08:56,470 --> 00:08:54,290

become familiar with with this guy's

164

00:09:01,800 --> 00:08:56,480

story so out in Pennsylvania there was a

165

00:09:06,639 --> 00:09:01,810

guy named David oxen writer and he

166

00:09:09,160 --> 00:09:06,649

called his his well not as landlord it

167

00:09:12,550 --> 00:09:09,170

was a hotel manager at a hotel he was

168

00:09:14,590 --> 00:09:12,560

staying at it it it seems like the kind

169

00:09:18,579 --> 00:09:14,600

of hotel that that maybe has you know

170

00:09:21,519 --> 00:09:18,589

extended stays and anyways we he calls

171

00:09:24,460 --> 00:09:21,529

this hotel manager and you know he just

172

00:09:26,350 --> 00:09:24,470

lets the guy know okay you know in case

173

00:09:29,079 --> 00:09:26,360

you were wondering I I have this bomb

174

00:09:30,130 --> 00:09:29,089

that I built and it's it's important

175

00:09:34,840 --> 00:09:30,140

that I speak

176

00:09:37,450 --> 00:09:34,850

the authorities and and you know the in

177

00:09:40,210 --> 00:09:37,460

it it's it's almost funny how this sort

178

00:09:42,520 --> 00:09:40,220

of went down afterwards so this this

179

00:09:46,200 --> 00:09:42,530

hotel manager just sort of demands that

180

00:09:50,140 --> 00:09:46,210

he take it outside and in an oxen writer

181

00:09:51,790 --> 00:09:50,150

he capitulates and he gathers his bomb

182

00:09:54,970 --> 00:09:51,800

up and he takes it out next to the

183

00:09:57,340 --> 00:09:54,980

dumpster and the police arrive and they

184

00:10:01,740 --> 00:09:57,350

talked to this guy and he tells him

185

00:10:07,690 --> 00:10:01,750

about how some time ago I think it was

186

00:10:09,910 --> 00:10:07,700

2014 he had an encounter with what he

187

00:10:11,770 --> 00:10:09,920

called you know extraterrestrials and

188

00:10:14,740 --> 00:10:11,780

said that they had delivered a message

189

00:10:17,620 --> 00:10:14,750

that if humanity didn't get our

190

00:10:21,250 --> 00:10:17,630

collective act together they were going

191

00:10:25,540 --> 00:10:21,260

to blow up earth with a nuclear laser

192

00:10:27,910 --> 00:10:25,550

beam and it's nice to know we have some

193

00:10:29,620 --> 00:10:27,920

friends out there yeah right you know

194

00:10:33,850 --> 00:10:29,630

they were there they're not judgmental

195

00:10:36,760 --> 00:10:33,860

or anything and so yeah it's it's easy

196

00:10:39,670 --> 00:10:36,770

to laugh at this honestly it really is

197

00:10:45,580 --> 00:10:39,680

it's it's sort of on the the far side of

198

00:10:47,590 --> 00:10:45,590

the spectrum towards you know humor you

199

00:10:49,470 --> 00:10:47,600

know it is very friend friend

200

00:10:53,800 --> 00:10:49,480

but what that fort was known to

201
00:10:58,060 --> 00:10:53,810
sometimes a Yank a leg or two I mean

202
00:11:01,270 --> 00:10:58,070
sure yeah in fact that's why I knew John

203
00:11:03,130 --> 00:11:01,280
he loved you know it fairly well for

204
00:11:04,960 --> 00:11:03,140
four years in fact he lived kind of in

205
00:11:07,450 --> 00:11:04,970
the neighborhood here and you never

206
00:11:10,330 --> 00:11:07,460
quite knew you know sometimes if he

207
00:11:13,300 --> 00:11:10,340
wasn't just kind of you know like you're

208
00:11:16,600 --> 00:11:13,310
telling a a tall tale just like Charles

209
00:11:19,000 --> 00:11:16,610
a you know a fort the woods so I think

210
00:11:21,880 --> 00:11:19,010
some people think him extremely serious

211
00:11:23,650 --> 00:11:21,890
sometimes and perhaps he wasn't meaning

212
00:11:25,510 --> 00:11:23,660
to be and that comes through perhaps

213
00:11:27,580 --> 00:11:25,520

more in some of the literature that he

214

00:11:29,680 --> 00:11:27,590

wrote I mean our favorite movie that we

215

00:11:33,730 --> 00:11:29,690

went to see several times was killer

216

00:11:36,700 --> 00:11:33,740

clowns from outer space you can see the

217

00:11:38,740 --> 00:11:36,710

direction that were we're going in here

218

00:11:41,620 --> 00:11:38,750

but it's a good one I actually own that

219

00:11:43,540 --> 00:11:41,630

on DVD oh it's a great it's a great it's

220

00:11:46,630 --> 00:11:43,550

a great film now you know I'm a

221

00:11:49,860 --> 00:11:46,640

big Yankee a fan Peter who Peter and I

222

00:11:53,350 --> 00:11:49,870

follow the game very closely he's the

223

00:11:56,860 --> 00:11:53,360

gentleman who does our YouTube

224

00:11:59,350 --> 00:11:56,870

mr. UFO secret files that puts up all

225

00:12:01,750 --> 00:11:59,360

the the shows and adds a little cartoon

226

00:12:04,540 --> 00:12:01,760

there in the the beginning of Tim and I

227

00:12:06,310 --> 00:12:04,550

we're followers of the the Yankees you

228

00:12:08,560 --> 00:12:06,320

know we root every day and don't miss a

229

00:12:11,319 --> 00:12:08,570

game in fact they're gonna be in in

230

00:12:12,550 --> 00:12:11,329

England playing Boston now don't ask me

231

00:12:14,380 --> 00:12:12,560

whether in England playing Boston

232

00:12:16,860 --> 00:12:14,390

because that's not where Massachusetts

233

00:12:20,680 --> 00:12:16,870

is located but that's Willoughby this

234

00:12:23,740 --> 00:12:20,690

weekend but you have a story on your

235

00:12:26,980 --> 00:12:23,750

your website which is what's a singular

236

00:12:31,240 --> 00:12:26,990

40 and calm is that correct yeah that's

237

00:12:33,970 --> 00:12:31,250

the URL yeah yeah okay you have a story

238

00:12:36,579 --> 00:12:33,980

about number 33 from the Yankees from

239

00:12:39,819 --> 00:12:36,589

years ago Jose Canseco who apparently

240

00:12:41,920 --> 00:12:39,829

has done somewhat weeding he's not in

241

00:12:44,230 --> 00:12:41,930

the category perhaps of our beloved the

242

00:12:48,240 --> 00:12:44,240

president but he's been putting up some

243

00:12:52,440 --> 00:12:48,250

pretty strange messages as well he has

244

00:12:56,850 --> 00:12:52,450

and you know it's it's hard to know what

245

00:13:00,069 --> 00:12:56,860

to make of those frankly you know it's

246

00:13:04,680 --> 00:13:00,079

by all appearances it's it's sort of the

247

00:13:08,380 --> 00:13:04,690

you know last gasp of a fading celebrity

248

00:13:12,490 --> 00:13:08,390

but you know it it's really difficult to

249

00:13:15,190 --> 00:13:12,500

tell how much you know with with with

250

00:13:17,860 --> 00:13:15,200

how much gravitas he really approaches

251

00:13:19,690 --> 00:13:17,870

these things you know I think it's

252

00:13:22,180 --> 00:13:19,700

telling so he for anybody who doesn't

253

00:13:25,960 --> 00:13:22,190

know he's been tweeting about time

254

00:13:30,220 --> 00:13:25,970

travel and vampires and at this point

255

00:13:34,110 --> 00:13:30,230

he's actually through his his girlfriend

256

00:13:36,819 --> 00:13:34,120

/ manager or something actually selling

257

00:13:39,850 --> 00:13:36,829

expeditions to to go find Bigfoot he

258

00:13:42,519 --> 00:13:39,860

says he can you can show you 11 yeah if

259

00:13:45,819 --> 00:13:42,529

you pay I had several thousand dollars

260

00:13:48,490 --> 00:13:45,829

and fly out to Vegas he'll he'll go and

261

00:13:50,470 --> 00:13:48,500

and take yeah and it's it's actually

262

00:13:52,660 --> 00:13:50,480

interesting and I wanted to mention this

263

00:13:54,340 --> 00:13:52,670

before about oxen right or to you know

264

00:13:54,850 --> 00:13:54,350

and and you're absolutely right about

265

00:13:57,100 --> 00:13:54,860

you know

266

00:14:00,670 --> 00:13:57,110

you're John keels and you're Charles

267

00:14:04,510 --> 00:14:00,680

Charles ports sort of uh you know having

268

00:14:06,180 --> 00:14:04,520

a sort of tongue-in-cheek approach to

269

00:14:09,310 --> 00:14:06,190

some of this stuff you know like fort

270

00:14:11,730 --> 00:14:09,320

again pretty famously as long as long as

271

00:14:15,160 --> 00:14:11,740

it's not in Bigfoot's cheek its oh yeah

272

00:14:17,800 --> 00:14:15,170

right right but you know you know fort

273

00:14:20,980 --> 00:14:17,810

sort of famously had that idea of the

274

00:14:24,870 --> 00:14:20,990

the cosmic trickster you know like this

275

00:14:28,450 --> 00:14:24,880

this intelligence that he just sort of

276

00:14:31,060 --> 00:14:28,460

used as a way to try to make sense of

277

00:14:33,940 --> 00:14:31,070

the nonsensical which you know frankly

278

00:14:36,820 --> 00:14:33,950

is is how a lot of this stuff seems and

279

00:14:39,490 --> 00:14:36,830

so you know when we're when we're

280

00:14:42,690 --> 00:14:39,500

looking at guys like oxen rider and and

281

00:14:44,950 --> 00:14:42,700

and and you know Jose Canseco I think

282

00:14:47,920 --> 00:14:44,960

something that we probably don't talk

283

00:14:51,430 --> 00:14:47,930

enough about in this in this field in

284

00:14:54,940 --> 00:14:51,440

this industry is is mental health you

285

00:14:57,460 --> 00:14:54,950

know and and how that applies to these

286

00:15:01,330 --> 00:14:57,470

stories you know I I don't know that I

287

00:15:03,490 --> 00:15:01,340

was a Canseco isn't having uh you know

288

00:15:05,320 --> 00:15:03,500

cocaine-fueled freaked out breakdown at

289

00:15:08,620 --> 00:15:05,330

this point frankly I mean given his

290

00:15:12,070 --> 00:15:08,630

history but I think that we're all very

291

00:15:14,560 --> 00:15:12,080

quick to start to you know sort of just

292

00:15:17,200 --> 00:15:14,570

poke fun at them or you know like that

293

00:15:19,540 --> 00:15:17,210

that oxen writer guide who knows what

294

00:15:21,100 --> 00:15:19,550

what his deal is when you know there are

295

00:15:23,740 --> 00:15:21,110

probably some pretty important

296

00:15:26,560 --> 00:15:23,750

conversations that that we could be

297

00:15:30,190 --> 00:15:26,570

having about you know how we sort of

298

00:15:32,650 --> 00:15:30,200

want to approach you know potential

299

00:15:36,250 --> 00:15:32,660

witnesses contact is just anybody of

300

00:15:40,690 --> 00:15:36,260

interest you know in the paranormal or

301

00:15:43,570 --> 00:15:40,700

or or 40n subcultures when when they

302

00:15:46,600 --> 00:15:43,580

when they start saying stuff like this

303

00:15:49,780 --> 00:15:46,610

frankly and and and how much seriousness

304

00:15:51,820 --> 00:15:49,790

you know we really want to apply to it

305

00:15:55,810 --> 00:15:51,830

you know I for instance I'll just throw

306

00:15:59,110 --> 00:15:55,820

out a a hypothetical here I'm not saying

307

00:16:02,920 --> 00:15:59,120

this is the case but you know what I I

308

00:16:05,020 --> 00:16:02,930

don't know that oxen writer wasn't in

309

00:16:08,380 --> 00:16:05,030

contact with with some sort of

310

00:16:11,200 --> 00:16:08,390

otherworldly intelligence and frankly it

311

00:16:16,330 --> 00:16:11,210

kind of irrelevant you know I've spoken

312

00:16:18,580 --> 00:16:16,340

to a lot of witnesses and you know a lot

313

00:16:21,930 --> 00:16:18,590

of them had been through some pretty

314

00:16:26,770 --> 00:16:21,940

traumatic experiences and the fact is

315

00:16:29,080 --> 00:16:26,780

whether or not what they said happened

316

00:16:31,330 --> 00:16:29,090

to them was the objective truth that

317

00:16:33,270 --> 00:16:31,340

there really happened to him

318

00:16:37,210 --> 00:16:33,280

you know they they could use some help

319

00:16:41,710 --> 00:16:37,220

either way you know there was a study

320

00:16:43,750 --> 00:16:41,720

done not too long ago that showed you

321

00:16:47,770 --> 00:16:43,760

know again regardless of the the

322

00:16:51,490 --> 00:16:47,780

veracity of any alien abductees claims

323

00:16:54,490 --> 00:16:51,500

that that shows that people who report

324

00:17:00,880 --> 00:16:54,500

alien abduction experiences can often

325

00:17:03,580 --> 00:17:00,890

suffer like PTSD like symptoms and and

326

00:17:06,970 --> 00:17:03,590

yeah I mean it it wouldn't hurt him to

327

00:17:10,240 --> 00:17:06,980

go talk to a professional either way you

328

00:17:12,640 --> 00:17:10,250

know I guess that's well he could come

329

00:17:15,250 --> 00:17:12,650

on our show either one of the those

330

00:17:19,420 --> 00:17:15,260

individuals come on our show and and we

331

00:17:22,000 --> 00:17:19,430

would let them tell their their side of

332

00:17:25,390 --> 00:17:22,010

the story and let our listeners decide

333

00:17:27,490 --> 00:17:25,400

for themselves now getting perhaps a

334

00:17:28,449 --> 00:17:27,500

little bit more serious and less away

335

00:17:30,850 --> 00:17:28,459

from the fringe

336

00:17:33,790 --> 00:17:30,860

I did want to give a shout out in and

337

00:17:37,090 --> 00:17:33,800

again well to my dear friend Ted

338

00:17:41,050 --> 00:17:37,100

Phillips I understand he's had heart

339

00:17:43,930 --> 00:17:41,060

problems recently and he's not feeling

340

00:17:46,210 --> 00:17:43,940

very very well and I do hope that he

341

00:17:49,030 --> 00:17:46,220

recovers he's a delightful a person I've

342

00:17:50,950 --> 00:17:49,040

known him for a long long time and we've

343

00:17:54,460 --> 00:17:50,960

had him on the show several times and

344

00:17:55,990 --> 00:17:54,470

he's had a fascinating a career of

345

00:17:59,590 --> 00:17:56,000

course one of the big things is he's

346

00:18:02,380 --> 00:17:59,600

investigated are the the orbs or the

347

00:18:04,330 --> 00:18:02,390

mysterious lights at Marley woods

348

00:18:08,200 --> 00:18:04,340

now if somebody was telling me that you

349

00:18:12,640 --> 00:18:08,210

know something about that about lights

350

00:18:15,780 --> 00:18:12,650

and we really yeah Marley woods did not

351

00:18:21,580 --> 00:18:15,790

ring it about well where is it well it's

352

00:18:23,890 --> 00:18:21,590

ghost lights ghost lights therein is it

353

00:18:27,850 --> 00:18:23,900

in Missouri Missouri yes that's correct

354

00:18:29,830 --> 00:18:27,860

yeah yeah I can't say that I'm familiar

355

00:18:32,409 --> 00:18:29,840

with those specifically you know

356

00:18:36,789 --> 00:18:32,419

certainly I've run into that phenomenon

357

00:18:39,460 --> 00:18:36,799

in other places where where are you

358

00:18:42,120 --> 00:18:39,470

located where's your home base uh my

359

00:18:43,330 --> 00:18:42,130

wife and I live in Madison Wisconsin ah

360

00:18:45,010 --> 00:18:43,340

indeed

361

00:18:47,049 --> 00:18:45,020

well are you near where they had the

362

00:18:49,390 --> 00:18:47,059

they were building I guess about a

363

00:18:53,769 --> 00:18:49,400

decade ago the UFO landing is the strip

364

00:18:59,470 --> 00:18:53,779

oh boy now I know there's one up by

365

00:18:59,649 --> 00:18:59,480

Green Bay maybe Elmwood does that ring a

366

00:19:03,519 --> 00:18:59,659

bell

367

00:19:05,680 --> 00:19:03,529

I it doesn't that doesn't mean that

368

00:19:07,090 --> 00:19:05,690

there isn't you know a tiny town in

369

00:19:10,029 --> 00:19:07,100

Wisconsin somewhere that I've just never

370

00:19:12,490 --> 00:19:10,039

heard of but but ya know I'll know

371

00:19:15,490 --> 00:19:12,500

there's one up by Green Bay that's

372

00:19:17,590 --> 00:19:15,500

that's where my wife went to college and

373

00:19:20,430 --> 00:19:17,600

it's it's a pretty popular tourist

374

00:19:24,130 --> 00:19:20,440

attraction honestly as you can imagine

375

00:19:27,310 --> 00:19:24,140

well have you had your share of cryptids

376

00:19:29,639 --> 00:19:27,320

there in Wisconsin oh sure

377

00:19:31,810 --> 00:19:29,649

you know honestly that's um that's

378

00:19:35,590 --> 00:19:31,820

probably what I've spent the most time

379

00:19:37,630 --> 00:19:35,600

on over the the past couple of years you

380

00:19:40,389 --> 00:19:37,640

know you you mentioned terror in the

381

00:19:43,419 --> 00:19:40,399

skies earlier yeah and yeah I mean that

382

00:19:47,680 --> 00:19:43,429

that Lake Michigan Mothman investigation

383

00:19:50,139 --> 00:19:47,690

has it's it's taken up a well it's it's

384

00:19:52,360 --> 00:19:50,149

taken off countless hours and at this

385

00:19:54,279 --> 00:19:52,370

point and it's you know it's it's a

386

00:19:57,850 --> 00:19:54,289

fascinating case we really didn't even

387

00:20:02,649 --> 00:19:57,860

get to touch on anything but you know

388

00:20:06,190 --> 00:20:02,659

maybe the absolute briefest highlights

389

00:20:08,919 --> 00:20:06,200

you know over the last 20 or 25 minutes

390

00:20:12,100 --> 00:20:08,929

of terror and the skies there however

391

00:20:16,419 --> 00:20:12,110

much time was devoted to two Mothman

392

00:20:20,080 --> 00:20:16,429

stuff but you know I've got right around

393

00:20:24,789 --> 00:20:20,090

a hundred sighting reports that I've

394

00:20:29,440 --> 00:20:24,799

collected since since 2017 and you know

395

00:20:33,010 --> 00:20:29,450

there's been some concurrence you know

396

00:20:34,630 --> 00:20:33,020

tenuously associated high strangeness

397

00:20:36,310 --> 00:20:34,640

events and things

398

00:20:40,750 --> 00:20:36,320

that nature surrounding this - one of

399

00:20:44,080 --> 00:20:40,760

which was you know orbs of glowing light

400

00:20:49,870 --> 00:20:44,090

reported in I think it was near Prairie

401
00:20:51,610 --> 00:20:49,880
Creek Reservoir in Indiana so a lot of

402
00:20:53,860 --> 00:20:51,620
people think and I in and I wouldn't

403
00:20:57,490 --> 00:20:53,870
blame anybody who saw the the

404
00:21:01,630 --> 00:20:57,500
documentary for for thinking this that

405
00:21:04,900 --> 00:21:01,640
you know most of the of the Lake

406
00:21:06,280 --> 00:21:04,910
Michigan Mothman phenomenon and most of

407
00:21:08,920 --> 00:21:06,290
the sightings and everything were

408
00:21:11,380 --> 00:21:08,930
relocated in Chicago and and and that

409
00:21:14,380 --> 00:21:11,390
sort of the the place you know you would

410
00:21:15,940 --> 00:21:14,390
want to really examine if you were

411
00:21:19,060 --> 00:21:15,950
interested in this but you know honestly

412
00:21:19,390 --> 00:21:19,070
that's not what my investigation has

413
00:21:21,100 --> 00:21:19,400

shown

414

00:21:24,300 --> 00:21:21,110

I mean it's it's really spread out

415

00:21:27,040 --> 00:21:24,310

pretty evenly between every state

416

00:21:30,190 --> 00:21:27,050

bordering Lake Michigan you know we've

417

00:21:33,370 --> 00:21:30,200

we've received reports from you know

418

00:21:35,140 --> 00:21:33,380

it's all over in Illinois of course you

419

00:21:37,330 --> 00:21:35,150

know we've got reports from Wisconsin

420

00:21:39,970 --> 00:21:37,340

Michigan you know you're working what

421

00:21:42,040 --> 00:21:39,980

you're working with Strickland on this

422

00:21:46,690 --> 00:21:42,050

ya long Strickler

423

00:21:48,850 --> 00:21:46,700

you know we've we we've got a team of 40

424

00:21:50,890 --> 00:21:48,860

and researchers who are kind of working

425

00:21:52,660 --> 00:21:50,900

together a lot and I handle most of the

426
00:21:54,970 --> 00:21:52,670
cases and you know then of course we

427
00:21:57,520 --> 00:21:54,980
have friends and colleagues that that

428
00:22:01,570 --> 00:21:57,530
will console with and and and it's sort

429
00:22:04,510 --> 00:22:01,580
of a loose affiliation but yeah I mean

430
00:22:07,810 --> 00:22:04,520
he's definitely been you know the the

431
00:22:11,500 --> 00:22:07,820
most active person other than myself now

432
00:22:14,520 --> 00:22:11,510
back in 2017 there was a guy named

433
00:22:17,680 --> 00:22:14,530
Manuel Navarrete and hidden here and

434
00:22:21,280 --> 00:22:17,690
still does as far as I know the the UFO

435
00:22:23,260 --> 00:22:21,290
Clearing House website and you know he

436
00:22:26,500 --> 00:22:23,270
actually received a pretty good number

437
00:22:28,360 --> 00:22:26,510
of cases himself but you know what and

438
00:22:31,360 --> 00:22:28,370

this is something else maybe not

439

00:22:33,600 --> 00:22:31,370

everybody realizes a lot of the guys out

440

00:22:37,210 --> 00:22:33,610

doing this a lot of the investigators

441

00:22:40,510 --> 00:22:37,220

you know they've got full-time day jobs

442

00:22:43,450 --> 00:22:40,520

and Families hasn't and and so you know

443

00:22:45,870 --> 00:22:43,460

he kind of got away from it you know he

444

00:22:47,790 --> 00:22:45,880

just he didn't have time to really

445

00:22:50,570 --> 00:22:47,800

investigate things

446

00:22:52,950 --> 00:22:50,580

up to you know his his own standards or

447

00:22:57,330 --> 00:22:52,960

anybody's really and so he just kind of

448

00:22:59,640 --> 00:22:57,340

had to leave it behind in in 2017 but

449

00:23:03,860 --> 00:22:59,650

but he was pretty actively involved as

450

00:23:06,480 --> 00:23:03,870

as well and at least for that first year

451
00:23:08,190 --> 00:23:06,490
and how many how many sightings have

452
00:23:12,500 --> 00:23:08,200
there been all together would you say

453
00:23:15,510 --> 00:23:12,510
yeah it's right around 100 you know we

454
00:23:18,500 --> 00:23:15,520
have any of the witnesses actually been

455
00:23:21,470 --> 00:23:18,510
named or have they come forward publicly

456
00:23:24,390 --> 00:23:21,480
you know there there have been a couple

457
00:23:28,050 --> 00:23:24,400
it's not as popular to do that as it

458
00:23:30,990 --> 00:23:28,060
used to be you know I my personal theory

459
00:23:35,400 --> 00:23:31,000
behind that is you know I think since

460
00:23:36,750 --> 00:23:35,410
the the 40s really know people Tobias

461
00:23:38,730 --> 00:23:36,760
with me let me hold you right there

462
00:23:40,620 --> 00:23:38,740
because we're coming up to our bottom of

463
00:23:42,660 --> 00:23:40,630

the hour break when we come back we'll

464

00:23:46,800 --> 00:23:42,670

continue our conversation with Tobias

465

00:23:50,010 --> 00:23:46,810

Weiland and the Michigan Mothman on

466

00:24:01,030 --> 00:23:50,020

exploring the bizarre so stay tuned for

467

00:24:07,760 --> 00:24:05,180

now back to exploring the bazaars with

468

00:24:11,060 --> 00:24:07,770

two of the most electrifying researchers

469

00:24:18,289 --> 00:24:11,070

in the Paranoid your hosts Timothy Becca

470

00:24:20,210 --> 00:24:18,299

Lee and Kings hosts welcome back to

471

00:24:23,110 --> 00:24:20,220

exploring the bazaar I'm Tim Schwarz

472

00:24:27,200 --> 00:24:23,120

tonight our guest is Timaeus Weyland and

473

00:24:32,230 --> 00:24:27,210

so Tobias when did you first get

474

00:24:35,419 --> 00:24:32,240

involved with the the region Mothman oh

475

00:24:38,480 --> 00:24:35,429

so my involvement with this case

476

00:24:41,600 --> 00:24:38,490

actually came in the spring of 2017

477

00:24:45,980 --> 00:24:41,610

you know I saw three interesting reports

478

00:24:48,590 --> 00:24:45,990

come out of the MUFON database and and

479

00:24:52,370 --> 00:24:48,600

and they were all in mid-april of that

480

00:24:54,880 --> 00:24:52,380

spring and and they all described you

481

00:24:59,120 --> 00:24:54,890

know seemingly three separate people's

482

00:25:03,110 --> 00:24:59,130

encounters with this this large humanoid

483

00:25:05,510 --> 00:25:03,120

you know bat or bird-like creature you

484

00:25:08,210 --> 00:25:05,520

know so and and and it was it was

485

00:25:10,850 --> 00:25:08,220

interesting of course it was you know I

486

00:25:12,860 --> 00:25:10,860

mean you know usually you you're poking

487

00:25:15,260 --> 00:25:12,870

around on MUFON you see a lot of lights

488

00:25:18,850 --> 00:25:15,270

and the sky stuff but you know monster

489

00:25:21,740 --> 00:25:18,860

sightings not so much and so you know it

490

00:25:24,830 --> 00:25:21,750

piqued my interest to say the least and

491

00:25:26,390 --> 00:25:24,840

I wrote an article up for it and and I

492

00:25:28,190 --> 00:25:26,400

honestly didn't expect to hear anything

493

00:25:29,960 --> 00:25:28,200

else about it you know I just assumed

494

00:25:32,780 --> 00:25:29,970

that these would be weird you know

495

00:25:35,480 --> 00:25:32,790

one-off sightings and that was gonna be

496

00:25:38,419 --> 00:25:35,490

the end of it they'd end up in the rug

497

00:25:41,289 --> 00:25:38,429

file and I you know I just move on but I

498

00:25:43,789 --> 00:25:41,299

mean that's not what happened obviously

499

00:25:45,830 --> 00:25:43,799

you know idea it wasn't too long before

500

00:25:47,990 --> 00:25:45,840

they just started just started rolling

501
00:25:50,299 --> 00:25:48,000
in and I noticed that they were coming

502
00:25:53,480 --> 00:25:50,309
into you know UFO clearing house like I

503
00:25:56,100 --> 00:25:53,490
mentioned before and and and lanlan site

504
00:26:01,019 --> 00:25:56,110
phantoms and monsters and so

505
00:26:03,120 --> 00:26:01,029
you know I what's curious naturally and

506
00:26:05,399 --> 00:26:03,130
and so I contacted both of those guys

507
00:26:08,130 --> 00:26:05,409
and and I interviewed them both for the

508
00:26:10,409 --> 00:26:08,140
site and you know I had at that point

509
00:26:12,539 --> 00:26:10,419
they're in bed of a good number of

510
00:26:14,639 --> 00:26:12,549
sightings that that had already come in

511
00:26:19,200 --> 00:26:14,649
I published in her interviews with them

512
00:26:23,909 --> 00:26:19,210
in June and July of that year excuse me

513
00:26:27,450 --> 00:26:23,919

and so you know it wasn't too long after

514

00:26:31,080 --> 00:26:27,460

that that a mutual friend actually

515

00:26:32,850 --> 00:26:31,090

introduced me Allison Jorn Lande and she

516

00:26:36,000 --> 00:26:32,860

was an investigator out of Milwaukee and

517

00:26:38,460 --> 00:26:36,010

so she she had been in contact with them

518

00:26:41,009 --> 00:26:38,470

and and she said hey I know this guy

519

00:26:42,360 --> 00:26:41,019

he's a pretty good investigator and he's

520

00:26:43,919 --> 00:26:42,370

got this website and you've already

521

00:26:46,560 --> 00:26:43,929

talked to him because he interviewed you

522

00:26:51,240 --> 00:26:46,570

you know why don't why don't we all work

523

00:26:54,120 --> 00:26:51,250

together and and you know so I I had a

524

00:26:56,190 --> 00:26:54,130

platform obviously the the singular 40

525

00:26:59,639 --> 00:26:56,200

in society and it wasn't too long before

526

00:27:01,529 --> 00:26:59,649

I was getting reports of my own and and

527

00:27:05,850 --> 00:27:01,539

it just snowballed from there

528

00:27:08,159 --> 00:27:05,860

and and one of the most interesting

529

00:27:10,470 --> 00:27:08,169

things that I think has has come out of

530

00:27:13,470 --> 00:27:10,480

this was it really wasn't that long

531

00:27:15,480 --> 00:27:13,480

before we were getting historical

532

00:27:18,210 --> 00:27:15,490

sightings you know we would we would we

533

00:27:21,840 --> 00:27:18,220

would get sightings that people had been

534

00:27:25,289 --> 00:27:21,850

sitting on for years sometimes decades

535

00:27:27,539 --> 00:27:25,299

and the the narrative with those

536

00:27:30,240 --> 00:27:27,549

witnesses was pretty consistent it was

537

00:27:32,490 --> 00:27:30,250

usually you know I had never heard of

538

00:27:34,259 --> 00:27:32,500

anything like this before I thought

539

00:27:37,500 --> 00:27:34,269

nobody but me had ever seen anything

540

00:27:39,060 --> 00:27:37,510

like this and my own family laughed at

541

00:27:42,590 --> 00:27:39,070

me when I tried to talk about it with

542

00:27:45,330 --> 00:27:42,600

them so I just never talked about it and

543

00:27:47,940 --> 00:27:45,340

and you know I mean you know for for

544

00:27:51,389 --> 00:27:47,950

guys like us who are familiar with the

545

00:27:53,159 --> 00:27:51,399

the Point Pleasant sightings and in West

546

00:27:56,039 --> 00:27:53,169

Virginia Mothman and stuff you know we

547

00:27:56,850 --> 00:27:56,049

we might be sitting here thinking well

548

00:27:58,710 --> 00:27:56,860

that's ridiculous

549

00:28:01,649 --> 00:27:58,720

everybody's heard Mothman you know come

550

00:28:04,230 --> 00:28:01,659

on right but that's not the case you

551
00:28:06,210 --> 00:28:04,240
know most people are not familiar with

552
00:28:08,570 --> 00:28:06,220
Keele most people are not familiar with

553
00:28:11,900 --> 00:28:08,580
with Mothman and

554
00:28:14,420 --> 00:28:11,910
if it wasn't for you know Google and and

555
00:28:17,720 --> 00:28:14,430
things going viral on the internet a lot

556
00:28:22,040 --> 00:28:17,730
of these people probably still wouldn't

557
00:28:25,670 --> 00:28:22,050
be honestly and so you know that that

558
00:28:28,130 --> 00:28:25,680
always got to me that that that seemed

559
00:28:30,940 --> 00:28:28,140
to indicate to me that that whatever we

560
00:28:34,850 --> 00:28:30,950
were looking into was something that

561
00:28:39,500 --> 00:28:34,860
didn't just sort of spontaneously spring

562
00:28:41,540 --> 00:28:39,510
into being in in April of 2017 I mean

563
00:28:44,270 --> 00:28:41,550

this was something that that people in

564

00:28:47,060 --> 00:28:44,280

the Great Lakes region seemingly had

565

00:28:49,460 --> 00:28:47,070

been dealing with for for decades and

566

00:28:51,500 --> 00:28:49,470

decades I mean the oldest sighting that

567

00:28:53,960 --> 00:28:51,510

we have was actually you mentioned this

568

00:28:55,730 --> 00:28:53,970

earlier has anybody come forward and put

569

00:28:58,490 --> 00:28:55,740

their name on one of these well this guy

570

00:28:59,930 --> 00:28:58,500

did the the oldest sighting we had

571

00:29:02,500 --> 00:28:59,940

actually was a from a guy named Floyd

572

00:29:07,730 --> 00:29:02,510

Hancock and this was out of Indiana and

573

00:29:09,770 --> 00:29:07,740

and his sighting was in 1969 which you

574

00:29:12,650 --> 00:29:09,780

know it was it was less than than two

575

00:29:14,900 --> 00:29:12,660

years after the collapse of the the

576

00:29:18,020 --> 00:29:14,910

Silver Bridge which you know as a lot of

577

00:29:22,100 --> 00:29:18,030

people listening probably know is widely

578

00:29:26,480 --> 00:29:22,110

considered to have signaled the end to

579

00:29:32,360 --> 00:29:26,490

the the the Mothman phenomenon but you

580

00:29:34,820 --> 00:29:32,370

know then I mr. Hancock and and and you

581

00:29:37,910 --> 00:29:34,830

know we've got a winged humanoid

582

00:29:42,980 --> 00:29:37,920

sighting 400 miles and in less than two

583

00:29:45,950 --> 00:29:42,990

years later in in Indiana so who knows

584

00:29:48,500 --> 00:29:45,960

so now these sightings and you know

585

00:29:50,240 --> 00:29:48,510

including the the more recent sightings

586

00:29:52,850 --> 00:29:50,250

starting in 2017

587

00:29:56,630 --> 00:29:52,860

are the physical descriptions of of

588

00:29:58,820 --> 00:29:56,640

these winged cryptids pretty close to

589

00:30:01,910 --> 00:29:58,830

the same you know as there is are likes

590

00:30:05,660 --> 00:30:01,920

wide variation or are people seen pretty

591

00:30:08,120 --> 00:30:05,670

much the same type of creature sure you

592

00:30:09,680 --> 00:30:08,130

know it it it really is you know I

593

00:30:12,050 --> 00:30:09,690

actually went back and I've done this a

594

00:30:14,000 --> 00:30:12,060

couple times since this started you know

595

00:30:17,060 --> 00:30:14,010

I would go back and I would reread the

596

00:30:19,550 --> 00:30:17,070

Mothman Prophecies you know just kind of

597

00:30:20,810 --> 00:30:19,560

look for it for similarities because you

598

00:30:24,049 --> 00:30:20,820

know you have to imagine I am

599

00:30:27,139 --> 00:30:24,059

I'm I'm you know sort of struggling to

600

00:30:29,899 --> 00:30:27,149

get traction here and make sense of this

601
00:30:32,990 --> 00:30:29,909
and so you know one of the things I

602
00:30:35,480 --> 00:30:33,000
noticed was even in those West Virginia

603
00:30:39,919 --> 00:30:35,490
sightings you know kill one would talk

604
00:30:42,560 --> 00:30:39,929
about you know people describing these

605
00:30:46,690 --> 00:30:42,570
winged humanoids is bad like or or bird

606
00:30:49,970 --> 00:30:46,700
like you know you talk about the the the

607
00:30:53,480 --> 00:30:49,980
glowing eyes and and and that's pretty

608
00:30:56,950 --> 00:30:53,490
generally how people that we've talked

609
00:30:59,570 --> 00:30:56,960
to in in 2017 and on have been

610
00:31:02,480 --> 00:30:59,580
describing what what they've seen you

611
00:31:05,240 --> 00:31:02,490
know there there is some variation and

612
00:31:08,269 --> 00:31:05,250
and some of it can be you know pretty

613
00:31:10,940 --> 00:31:08,279

startling you know as as as far as that

614

00:31:14,720 --> 00:31:10,950

goes you know yeah for instance you know

615

00:31:17,919 --> 00:31:14,730

like sometimes people will describe the

616

00:31:21,560 --> 00:31:17,929

the being as you know maybe having a

617

00:31:26,710 --> 00:31:21,570

leathery or or scaly texture to its skin

618

00:31:29,990 --> 00:31:26,720

I had a guy in Woodstock who swore that

619

00:31:32,149 --> 00:31:30,000

the the thing had fur and I mean Emily

620

00:31:34,190 --> 00:31:32,159

and I went down like I met this guy we

621

00:31:36,470 --> 00:31:34,200

met his wife we were at their house like

622

00:31:41,450 --> 00:31:36,480

these were serious people they didn't

623

00:31:44,090 --> 00:31:41,460

and it took convincing actually to to

624

00:31:47,419 --> 00:31:44,100

get us down there I mean we we wanted to

625

00:31:49,820 --> 00:31:47,429

go I I had to convince them that that we

626

00:31:52,100 --> 00:31:49,830

weren't can out them that that I was

627

00:31:55,009 --> 00:31:52,110

gonna tell people who he was

628

00:31:58,430 --> 00:31:55,019

you know I I can't think of anything

629

00:32:00,289 --> 00:31:58,440

that they had to gain from this and

630

00:32:03,499 --> 00:32:00,299

frankly that's been the story of of

631

00:32:07,399 --> 00:32:03,509

every witness that I've spoken to but

632

00:32:10,369 --> 00:32:07,409

yeah there has been some variation in

633

00:32:14,840 --> 00:32:10,379

the witness descriptions you know a a

634

00:32:18,560 --> 00:32:14,850

lot of that I think personally can sort

635

00:32:21,289 --> 00:32:18,570

of be chalked up to you know exactly the

636

00:32:24,169 --> 00:32:21,299

level of variation you would expect when

637

00:32:25,820 --> 00:32:24,179

when asking somebody to describe

638

00:32:29,509 --> 00:32:25,830

something that they don't even

639

00:32:31,909 --> 00:32:29,519

necessarily have the words for you know

640

00:32:35,350 --> 00:32:31,919

a lot of people like to use pop-culture

641

00:32:38,020 --> 00:32:35,360

references I think they find that very

642

00:32:41,980 --> 00:32:38,030

you know when you're trying to relate to

643

00:32:43,540 --> 00:32:41,990

somebody an impossible experience you

644

00:32:47,470 --> 00:32:43,550

kind of use whatever tools you have

645

00:32:50,590 --> 00:32:47,480

available so you know we've we've had

646

00:32:54,330 --> 00:32:50,600

more than a few people sort of compare

647

00:32:57,310 --> 00:32:54,340

what they had seen to the monster from

648

00:33:01,720 --> 00:32:57,320

Jeepers Creepers if anybody is familiar

649

00:33:04,240 --> 00:33:01,730

with that one yeah but but but yeah

650

00:33:08,070 --> 00:33:04,250

generally speaking you know we're we're

651

00:33:11,590 --> 00:33:08,080

looking at pretty consistent picture of

652

00:33:15,400 --> 00:33:11,600

something that people described as being

653

00:33:19,530 --> 00:33:15,410

you know roughly humanoid shape between

654

00:33:22,840 --> 00:33:19,540

anywhere between six to eight feet tall

655

00:33:26,500 --> 00:33:22,850

generally and then you know maybe a 10

656

00:33:31,090 --> 00:33:26,510

to 15 foot wingspan more often than not

657

00:33:33,430 --> 00:33:31,100

people will describe you know the thighs

658

00:33:36,930 --> 00:33:33,440

as the only prominent feature on its

659

00:33:40,600 --> 00:33:36,940

face and you know that was actually uh

660

00:33:44,070 --> 00:33:40,610

another consistency that I found between

661

00:33:47,020 --> 00:33:44,080

these and the older West Virginia

662

00:33:51,550 --> 00:33:47,030

accounts - you know and I he'll even

663

00:33:53,710 --> 00:33:51,560

mentioned it in his book how unusual it

664

00:33:55,420 --> 00:33:53,720

was you know nobody if people would get

665

00:33:58,450 --> 00:33:55,430

a good enough look at this thing at

666

00:34:00,460 --> 00:33:58,460

least seemingly I don't know but you

667

00:34:03,430 --> 00:34:00,470

know the the details of its features

668

00:34:05,110 --> 00:34:03,440

were pretty scant you know nobody really

669

00:34:08,650 --> 00:34:05,120

described its face they would just all

670

00:34:11,260 --> 00:34:08,660

describe these these huge mesmerizing

671

00:34:15,040 --> 00:34:11,270

eyes and and we've seen we've seen a

672

00:34:18,460 --> 00:34:15,050

pretty good amount of that it's always

673

00:34:22,890 --> 00:34:18,470

it's always interesting though that when

674

00:34:26,860 --> 00:34:22,900

when dealing with a lot of unusual

675

00:34:30,700 --> 00:34:26,870

possibly paranormal based cryptids the

676

00:34:32,770 --> 00:34:30,710

red eyes is featured quite often I

677

00:34:35,280 --> 00:34:32,780

mean and not just with winged cryptids

678

00:34:40,620 --> 00:34:35,290

you know you have like the black shocks

679

00:34:44,440 --> 00:34:40,630

the you know like the alleged werewolves

680

00:34:46,720 --> 00:34:44,450

of Bray Road there in Wisconsin you know

681

00:34:48,200 --> 00:34:46,730

there's just something about those red

682

00:34:50,000 --> 00:34:48,210

eyes that

683

00:34:52,310 --> 00:34:50,010

you know I mean it's all across the

684

00:34:55,310 --> 00:34:52,320

board oh yeah I mean you're absolutely

685

00:34:57,830 --> 00:34:55,320

right you know even some you know hairy

686

00:35:00,140 --> 00:34:57,840

hominid sightings I think Momo the

687

00:35:04,490 --> 00:35:00,150

Missouri monster was supposed to

688

00:35:06,110 --> 00:35:04,500

have red eyes and I you know I I don't

689

00:35:08,450 --> 00:35:06,120

know what to make of it it's it's just

690

00:35:10,940 --> 00:35:08,460

sort of one of those synchronicities

691

00:35:14,930 --> 00:35:10,950

that you have to take note of you know

692

00:35:17,420 --> 00:35:14,940

especially because in most of the cases

693

00:35:21,110 --> 00:35:17,430

you know it's not necessarily something

694

00:35:25,040 --> 00:35:21,120

that I would chock up to you know say

695

00:35:27,020 --> 00:35:25,050

like I shine you know be because most of

696

00:35:28,760 --> 00:35:27,030

the people with whom I've spoken like

697

00:35:31,070 --> 00:35:28,770

theirs they don't have a directed light

698

00:35:33,140 --> 00:35:31,080

source you know they're they're not

699

00:35:36,920 --> 00:35:33,150

shining a light in this in this thing's

700

00:35:39,850 --> 00:35:36,930

eyes to get it to to light up and

701
00:35:44,410 --> 00:35:39,860
reflect back at them or anything and so

702
00:35:48,950 --> 00:35:44,420
you have to wonder if in and this is

703
00:35:51,580 --> 00:35:48,960
contrary to all you know biology as we

704
00:35:55,370 --> 00:35:51,590
understand it but it's almost as though

705
00:35:58,160 --> 00:35:55,380
these eyes you know are self-illuminated

706
00:36:01,700 --> 00:35:58,170
somehow which doesn't seem great for

707
00:36:04,660 --> 00:36:01,710
actually seeing anything but I you know

708
00:36:07,300 --> 00:36:04,670
that's that's that's what people are

709
00:36:10,400 --> 00:36:07,310
reporting and it is sort of across the

710
00:36:12,650 --> 00:36:10,410
board like you said between between

711
00:36:16,280 --> 00:36:12,660
different potentially paranormal

712
00:36:21,020 --> 00:36:16,290
cryptids now I'm curious have you had a

713
00:36:22,870 --> 00:36:21,030

chance to do any follow-up interviews

714

00:36:26,600 --> 00:36:22,880

with these people

715

00:36:30,170 --> 00:36:26,610

afterwards and and the reason that I'm

716

00:36:32,090 --> 00:36:30,180

asking is that a lot of times and and

717

00:36:35,390 --> 00:36:32,100

and I found this with my own research

718

00:36:37,340 --> 00:36:35,400

and in cases like this not only with

719

00:36:39,530 --> 00:36:37,350

these unusual cryptids but a lot of

720

00:36:44,420 --> 00:36:39,540

times you know with with UFO sightings

721

00:36:47,300 --> 00:36:44,430

that people down the road will start

722

00:36:49,070 --> 00:36:47,310

experiencing other types of paranormal

723

00:36:52,850 --> 00:36:49,080

phenomena you know a poltergeist will

724

00:36:56,120 --> 00:36:52,860

move into their house some some people

725

00:36:59,780 --> 00:36:56,130

will actually have a change of

726
00:37:00,860 --> 00:36:59,790
personality and become interested in you

727
00:37:05,840 --> 00:37:00,870
know

728
00:37:08,230 --> 00:37:05,850
or extreme mathematics and and some

729
00:37:10,760 --> 00:37:08,240
people have even gone as far as to

730
00:37:12,890 --> 00:37:10,770
abandoning their families completely and

731
00:37:16,990 --> 00:37:12,900
going off on a completely different path

732
00:37:22,610 --> 00:37:17,000
in their life yeah I mean well you know

733
00:37:27,020 --> 00:37:22,620
we haven't had quite enough time I think

734
00:37:32,180 --> 00:37:27,030
as far as you know between when the

735
00:37:34,580 --> 00:37:32,190
report was was taken and and and and and

736
00:37:36,260 --> 00:37:34,590
where we are now you know I mean first

737
00:37:37,670 --> 00:37:36,270
something specific and and that's an

738
00:37:39,320 --> 00:37:37,680

excellent point that that you brought up

739

00:37:40,630 --> 00:37:39,330

by the way because it is absolutely true

740

00:37:42,680 --> 00:37:40,640

these are very very powerful

741

00:37:46,670 --> 00:37:42,690

life-changing experiences and they do

742

00:37:48,770 --> 00:37:46,680

have a tendency to you know just cause

743

00:37:51,130 --> 00:37:48,780

people's lives to spiral off into all

744

00:37:55,490 --> 00:37:51,140

kinds of interesting directions but you

745

00:37:58,310 --> 00:37:55,500

know the only reports that we had that

746

00:38:02,720 --> 00:37:58,320

were really old enough I think to

747

00:38:06,320 --> 00:38:02,730

measure if somebody had had that that

748

00:38:11,120 --> 00:38:06,330

kind of experience after you know were

749

00:38:12,680 --> 00:38:11,130

we're only taken in 2017 or or later so

750

00:38:15,710 --> 00:38:12,690

for instance somebody had experience in

751

00:38:18,620 --> 00:38:15,720

the 70s well we still didn't get that

752

00:38:21,170 --> 00:38:18,630

report until you know 2017 so we really

753

00:38:24,260 --> 00:38:21,180

want to look at the people who were

754

00:38:27,290 --> 00:38:24,270

experiencing things and you know 2000 in

755

00:38:30,440 --> 00:38:27,300

the you know the 2000 teens

756

00:38:35,240 --> 00:38:30,450

basically and and and follow up with

757

00:38:39,350 --> 00:38:35,250

them I have kept in contact with a good

758

00:38:43,730 --> 00:38:39,360

number of these witnesses and and I I

759

00:38:45,880 --> 00:38:43,740

can honestly say for some of them that

760

00:38:52,190 --> 00:38:45,890

yeah this this this definitely wasn't

761

00:38:53,660 --> 00:38:52,200

their only paranormal experience you

762

00:38:57,410 --> 00:38:53,670

know I

763

00:38:59,900 --> 00:38:57,420

hmm I actually had a guy that you know

764

00:39:03,170 --> 00:38:59,910

this is another one where I was on site

765

00:39:06,770 --> 00:39:03,180

doing this investigation and and after

766

00:39:09,380 --> 00:39:06,780

he had had his sighting and this guy was

767

00:39:12,500 --> 00:39:09,390

terrified by the way I mean he was he

768

00:39:14,390 --> 00:39:12,510

was sweating buckets I mean it was it

769

00:39:16,490 --> 00:39:14,400

wasn't particularly hot outside he was

770

00:39:20,630 --> 00:39:16,500

but he was scared you know I was a

771

00:39:23,720 --> 00:39:20,640

stranger obviously and and he was he was

772

00:39:26,539 --> 00:39:23,730

telling me about this you know this this

773

00:39:28,250 --> 00:39:26,549

powerful experience he had had and it

774

00:39:32,799 --> 00:39:28,260

had clearly you know shaken him to his

775

00:39:35,900 --> 00:39:32,809

core and and after we were all done in

776

00:39:37,190 --> 00:39:35,910

you know he he said that he had

777

00:39:39,890 --> 00:39:37,200

experienced some other things but he

778

00:39:41,870 --> 00:39:39,900

wanted to leave those Oh like you didn't

779

00:39:44,240 --> 00:39:41,880

want me to put any of that other stuff

780

00:39:48,230 --> 00:39:44,250

into his report which is why I'm being

781

00:39:53,510 --> 00:39:48,240

very sort of big about this but you know

782

00:39:56,680 --> 00:39:53,520

it was it was a series of I think that

783

00:40:03,980 --> 00:39:56,690

what I would best describe sort of as as

784

00:40:06,170 --> 00:40:03,990

visionary experiences involving did what

785

00:40:10,190 --> 00:40:06,180

what most people would conceive of is is

786

00:40:16,010 --> 00:40:10,200

sort of the the traditional like alien

787

00:40:20,900 --> 00:40:16,020

gray and you know nothing about this guy

788

00:40:24,470 --> 00:40:20,910

struck me as unusual you know in his

789

00:40:28,640 --> 00:40:24,480

mannerisms you know I've spoken to you

790

00:40:30,680 --> 00:40:28,650

know alien abdomen and similar where you

791

00:40:33,079 --> 00:40:30,690

know they'll if if they seem really

792

00:40:35,030 --> 00:40:33,089

really manic or or scattered or

793

00:40:37,430 --> 00:40:35,040

something like that then you know maybe

794

00:40:40,789 --> 00:40:37,440

I start thinking that you know mental

795

00:40:42,579 --> 00:40:40,799

illness is a factor and and I go from

796

00:40:45,980 --> 00:40:42,589

there and and you know maybe you want to

797

00:40:48,079 --> 00:40:45,990

recommend that that they talk to

798

00:40:50,930 --> 00:40:48,089

somebody if they haven't although by no

799

00:40:53,420 --> 00:40:50,940

means is that the norm most witnesses

800

00:40:56,390 --> 00:40:53,430

are just normal people who saw something

801
00:40:59,599 --> 00:40:56,400
impossible but anyway this guy he didn't

802
00:41:04,339 --> 00:40:59,609
strike me as anything like that he he

803
00:41:06,109 --> 00:41:04,349
struck me as a very normal guy who was

804
00:41:09,680 --> 00:41:06,119
just terrified by

805
00:41:13,640 --> 00:41:09,690
a series of events for which he had no

806
00:41:15,559 --> 00:41:13,650
rational explanation and you know I wish

807
00:41:17,569 --> 00:41:15,569
I could go back in time and talk to some

808
00:41:21,109 --> 00:41:17,579
of the people who have had decades you

809
00:41:23,809 --> 00:41:21,119
know between their experiences and and

810
00:41:25,999 --> 00:41:23,819
present day but I can tell you with a

811
00:41:27,680 --> 00:41:26,009
lot of those encounters the ones that

812
00:41:29,960 --> 00:41:27,690
have been going you know well the the

813
00:41:34,690 --> 00:41:29,970

ones that had had happened quite some

814

00:41:38,539 --> 00:41:34,700

time ago they often did actually spark a

815

00:41:41,960 --> 00:41:38,549

series of events that you know could

816

00:41:46,400 --> 00:41:41,970

span years if not decades I mean there

817

00:41:51,950 --> 00:41:46,410

was a guy that I spoke to in Indiana

818

00:41:57,529 --> 00:41:51,960

actually who had seen this you know

819

00:41:59,239 --> 00:41:57,539

red-eyed wing to being and he would you

820

00:42:01,700 --> 00:41:59,249

know it scared the scared the crap out

821

00:42:04,220 --> 00:42:01,710

of him you know he was just out for a

822

00:42:05,749 --> 00:42:04,230

walk one night and he started to feel

823

00:42:07,759 --> 00:42:05,759

like maybe something was watching him

824

00:42:11,269 --> 00:42:07,769

and he he got real nervous and then he

825

00:42:14,779 --> 00:42:11,279

saw this thing fly over him when it fit

826
00:42:17,269 --> 00:42:14,789
the sort of general Mothman description

827
00:42:20,269 --> 00:42:17,279
with the glowing red eyes and every

828
00:42:23,809 --> 00:42:20,279
night and you know he told me ever since

829
00:42:25,370 --> 00:42:23,819
then you know every once in a while you

830
00:42:29,029 --> 00:42:25,380
know he still takes his his nighttime

831
00:42:31,400 --> 00:42:29,039
walks out in the country but you know

832
00:42:33,529 --> 00:42:31,410
he'll catch a glimpse of these red eyes

833
00:42:36,349 --> 00:42:33,539
out in a field or something somewhere

834
00:42:40,430 --> 00:42:36,359
and and it always unnerved him and he

835
00:42:43,759 --> 00:42:40,440
just he just power walks his way home so

836
00:42:46,670 --> 00:42:43,769
yeah you know it's it isn't necessarily

837
00:42:49,130 --> 00:42:46,680
a one-and-done kind of event I think it

838
00:42:52,940 --> 00:42:49,140

is something that can tend to haunt

839

00:42:56,420 --> 00:42:52,950

people for for sometime alright so now

840

00:43:00,289 --> 00:42:56,430

here we are in 2019 are there still

841

00:43:03,049 --> 00:43:00,299

reports coming in new new reports right

842

00:43:09,400 --> 00:43:03,059

yeah definitely so actually very

843

00:43:13,150 --> 00:43:09,410

interestingly there were there was a

844

00:43:15,529 --> 00:43:13,160

flap what more of a flutter really oh

845

00:43:19,730 --> 00:43:15,539

yeah you guys can steal that one of you

846

00:43:23,000 --> 00:43:19,740

of sightings in Woodstock Illinois

847

00:43:25,130 --> 00:43:23,010

earlier this this year and so you know I

848

00:43:28,190 --> 00:43:25,140

I mentioned before Emily and I you know

849

00:43:31,100 --> 00:43:28,200

going down and and speaking to a witness

850

00:43:33,440 --> 00:43:31,110

and and you know meeting his wife and

851
00:43:37,460 --> 00:43:33,450
then being able to talk to them you know

852
00:43:39,830 --> 00:43:37,470
after his encounter with a hairy winged

853
00:43:43,490 --> 00:43:39,840
being and then and this was that guy and

854
00:43:45,590 --> 00:43:43,500
so after his sighting you know other

855
00:43:50,000 --> 00:43:45,600
people came forward and this was

856
00:43:52,010 --> 00:43:50,010
February 2019 you know other other

857
00:43:53,690 --> 00:43:52,020
people came forward we had another

858
00:43:57,350 --> 00:43:53,700
witness say that she saw something very

859
00:43:59,030 --> 00:43:57,360
similar I actually even got and this was

860
00:44:01,550 --> 00:43:59,040
interesting this is the first you know

861
00:44:03,920 --> 00:44:01,560
sort of tangible evidence of anything

862
00:44:07,700 --> 00:44:03,930
that I can I could hold in my hand if I

863
00:44:09,770 --> 00:44:07,710

wanted there was a guy down in Woodstock

864

00:44:11,540 --> 00:44:09,780

there who actually called 911 he saw

865

00:44:14,630 --> 00:44:11,550

this thing whatever the heck it was and

866

00:44:16,490 --> 00:44:14,640

it scared him enough that yeah he he

867

00:44:18,350 --> 00:44:16,500

called 9-1-1 i had this incident

868

00:44:21,080 --> 00:44:18,360

detailed report because the McHenry

869

00:44:23,330 --> 00:44:21,090

County Sheriff's Office is extremely

870

00:44:26,510 --> 00:44:23,340

helpful I was shocked and how helpful

871

00:44:28,460 --> 00:44:26,520

they actually were hmm but I submitted

872

00:44:29,660 --> 00:44:28,470

because he contacted me said this has

873

00:44:32,390 --> 00:44:29,670

happened to him said he had called the

874

00:44:34,430 --> 00:44:32,400

police I submitted the FOIA request with

875

00:44:36,980 --> 00:44:34,440

the McHenry honey County Sheriff's

876

00:44:40,040 --> 00:44:36,990

Office and they sent me this incident

877

00:44:41,650 --> 00:44:40,050

detail report and it shows you know this

878

00:44:43,970 --> 00:44:41,660

guy called 9-1-1

879

00:44:46,280 --> 00:44:43,980

sheriff's deputy went out to the scene

880

00:44:49,310 --> 00:44:46,290

and and you know he talked to the the

881

00:44:51,080 --> 00:44:49,320

the witness they didn't end up filing in

882

00:44:52,790 --> 00:44:51,090

official report because the the

883

00:44:55,130 --> 00:44:52,800

sheriff's deputy said he he looked

884

00:44:58,099 --> 00:44:55,140

around and he couldn't find anything but

885

00:45:01,670 --> 00:44:58,109

the fact remains you know in February of

886

00:45:03,859 --> 00:45:01,680

2019 Woodstock Illinois somebody saw

887

00:45:07,250 --> 00:45:03,869

something that scared them enough that

888

00:45:10,760 --> 00:45:07,260

they called 911 and we have proof it

889

00:45:13,190 --> 00:45:10,770

definitely happened so yeah it's this

890

00:45:14,870 --> 00:45:13,200

stuff is still happening all right well

891

00:45:17,000 --> 00:45:14,880

unfortunately we only have about three

892

00:45:19,550 --> 00:45:17,010

minutes left in our program tonight

893

00:45:22,820 --> 00:45:19,560

events that you yeah you know what to

898

00:45:36,920 --> 00:45:34,019

talk about yeah definitely so you can

899

00:45:39,949 --> 00:45:36,930
