

A woman with long, wavy brown hair and dark sunglasses is shown from the chest up. She is wearing a black top. The background is a desert landscape with yellow sand, blue mountains, and a blue sky with white clouds. The image has a stylized, slightly distorted appearance.

EXPLORING THE BIZARRE

**ERICA
LUKES**

1
00:00:37,479 --> 00:00:21,830

[Music]

2
00:00:44,430 --> 00:00:41,979

explode the bazaars or e-ticket ride

3
00:00:47,710 --> 00:00:44,440

into the world of the paranormal

4
00:00:52,020 --> 00:00:47,720

strap yourself in as we traverse the

5
00:00:55,140 --> 00:00:52,030

universe exploring the unexplained UFO s

6
00:00:57,520 --> 00:00:55,150

ghosts lost world

7
00:01:01,360 --> 00:00:57,530

cryptozoology waters as well as other

8
00:01:06,520 --> 00:01:01,370

dimensions it's time to take back the

9
00:01:09,639 --> 00:01:06,530

night now your electrifying hosts of

10
00:01:15,550 --> 00:01:09,649

exploring the bizarre Timothy Begley and

11
00:01:18,310 --> 00:01:15,560

team sports so this is the mysterious

12
00:01:20,919 --> 00:01:18,320

skinwalker ranch I guess we should lay

13
00:01:23,169 --> 00:01:20,929

pretty low or we don't want security to

14

00:01:26,200 --> 00:01:23,179

know we're here they don't like people

15

00:01:30,310 --> 00:01:26,210

crossing to the front gate that haven't

16

00:01:32,350 --> 00:01:30,320

been invited yeah I certainly much

17

00:01:36,760 --> 00:01:32,360

rather be here than trying to storm the

18

00:01:38,469 --> 00:01:36,770

gates at area 51 and wait they have to

19

00:01:41,069 --> 00:01:38,479

look out for those shapeshifters they've

20

00:01:45,010 --> 00:01:41,079

been known to attack livestock in humans

21

00:01:47,020 --> 00:01:45,020

well and to make matters worse they can

22

00:01:49,120 --> 00:01:47,030

materialize right behind you and you

23

00:01:50,700 --> 00:01:49,130

might not even know it until it's too

24

00:01:58,929 --> 00:01:50,710

damn late

25

00:02:00,969 --> 00:01:58,939

Tim Tim oh yes what is it I'm trying to

26

00:02:03,910 --> 00:02:00,979

set up my camera but I can't just see

27

00:02:08,050 --> 00:02:03,920

that don't be scared but there's one of

28

00:02:11,020 --> 00:02:08,060

those skin walkers right beside you and

29

00:02:12,300 --> 00:02:11,030

it's got big claws of a mean snout let's

30

00:02:15,610 --> 00:02:12,310

get out of here

31

00:02:18,039 --> 00:02:15,620

yeah I'm hope we run into Bob Bigelow or

32

00:02:20,590 --> 00:02:18,049

some security people so they can show us

33

00:02:22,720 --> 00:02:20,600

to the front gate come on let's just get

34

00:02:24,789 --> 00:02:22,730

back the KCR studios where we can talk

35

00:02:26,710 --> 00:02:24,799

to our guests and find out what's really

36

00:02:29,380 --> 00:02:26,720

going on come on next thing you know the

37

00:02:30,759 --> 00:02:29,390

men in black will be after us well I

38

00:02:33,759 --> 00:02:30,769

don't see the men in black I guess

39

00:02:38,170 --> 00:02:33,769

you're not here yet yes sir so that's a

40

00:02:39,819 --> 00:02:38,180

setup for our next episode ah so Tim how

41

00:02:42,340 --> 00:02:39,829

you out there and Jess where I'm on the

42

00:02:45,789 --> 00:02:42,350

Hudson River are pretty not close to it

43

00:02:48,310 --> 00:02:45,799

that sounds nice try to get a break you

44

00:02:50,860 --> 00:02:48,320

know we haven't had a major heat wave I

45

00:02:53,530 --> 00:02:50,870

hear in the next couple of

46

00:02:57,160 --> 00:02:53,540

days of course yesterday in rain and

47

00:03:00,339 --> 00:02:57,170

today it's been overcast somebody

48

00:03:02,589 --> 00:03:00,349

equated this to being in San Francisco

49

00:03:04,410 --> 00:03:02,599

and not being able to see the Golden

50

00:03:08,920 --> 00:03:04,420

Gate Bridge

51
00:03:13,660 --> 00:03:08,930
hope we are as always miss spending next

52
00:03:16,270 --> 00:03:13,670
we are going to spend the next day here

53
00:03:22,330 --> 00:03:16,280
maybe I woke up I was gonna say soak up

54
00:03:25,210 --> 00:03:22,340
some sunshine but yeah it's too much too

55
00:03:27,370 --> 00:03:25,220
much sunshine to me so you never but

56
00:03:29,979 --> 00:03:27,380
we've got a speaking of sunshine we got

57
00:03:35,680 --> 00:03:29,989
a hot show tonight with a really

58
00:03:39,640 --> 00:03:35,690
exciting guest yes we're and and I'm

59
00:03:43,869 --> 00:03:39,650
just very happy that that we have Erika

60
00:03:45,610 --> 00:03:43,879
Luke's with us tonight now for anyone

61
00:03:49,240 --> 00:03:45,620
who's been living under a rock

62
00:03:50,470 --> 00:03:49,250
Erika Luke is an artist and host of the

63
00:03:53,050 --> 00:03:50,480

radio show

64

00:03:55,990 --> 00:03:53,060

UFO classified that's heard right here

65

00:03:58,479 --> 00:03:56,000

on KCUR now Erika has an undying passion

66

00:04:00,819 --> 00:03:58,489

for the mysteries of the universe

67

00:04:03,099 --> 00:04:00,829

particularly UFO reports and other

68

00:04:03,849 --> 00:04:03,109

strange aerial phenomena now since

69

00:04:06,309 --> 00:04:03,859

childhood

70

00:04:08,580 --> 00:04:06,319

she's been fascinated with the imagery

71

00:04:11,379 --> 00:04:08,590

of how vehicles and beans from space

72

00:04:14,620 --> 00:04:11,389

might appear and she's pursued this

73

00:04:16,330 --> 00:04:14,630

interest quietly but with determination

74

00:04:18,310 --> 00:04:16,340

and due to her already established

75

00:04:19,810 --> 00:04:18,320

abilities with singing and some

76

00:04:23,339 --> 00:04:19,820

voiceover productions

77

00:04:26,379 --> 00:04:23,349

she's been approached to perform media

78

00:04:28,560 --> 00:04:26,389

broadcast work so now this coupled with

79

00:04:31,390 --> 00:04:28,570

a long-term interest in strange

80

00:04:34,810 --> 00:04:31,400

phenomena of nature is led her to take

81

00:04:37,510 --> 00:04:34,820

her first steps in the radio in 2014 by

82

00:04:39,670 --> 00:04:37,520

developing her own program programming

83

00:04:44,110 --> 00:04:39,680

and interview techniques of known

84

00:04:46,540 --> 00:04:44,120

figures in this topic so now I should

85

00:04:49,120 --> 00:04:46,550

say that Erika is a team member for

86

00:04:51,790 --> 00:04:49,130

project Orange a program to study

87

00:04:54,940 --> 00:04:51,800

so-called balls of light phenomena that

88

00:04:57,490 --> 00:04:54,950

has ramifications in real world science

89

00:05:01,570 --> 00:04:57,500

in the form of ball lightning and other

90

00:05:03,800 --> 00:05:01,580

particular luminous phenomena now I

91

00:05:06,860 --> 00:05:03,810

should say as well

92

00:05:10,940 --> 00:05:06,870

if you haven't seen her check out Erica

93

00:05:15,520 --> 00:05:10,950

in UFOs the lost evidence which right

94

00:05:19,430 --> 00:05:15,530

now is on playing on the Travel Channel

95

00:05:21,740 --> 00:05:19,440

and of course UFOs classified right here

96

00:05:23,810 --> 00:05:21,750

on Casey are so Erica thank you very

97

00:05:26,450 --> 00:05:23,820

much for being with us tonight on

98

00:05:28,909 --> 00:05:26,460

exploring the bizarre well I can't wait

99

00:05:30,260 --> 00:05:28,919

I'm excited and I have to say you two

100

00:05:32,570 --> 00:05:30,270

are trouble and so I know we're gonna

101
00:05:34,460 --> 00:05:32,580
have a good time tonight

102
00:05:39,040 --> 00:05:34,470
you're absolutely you're absolutely

103
00:05:44,830 --> 00:05:41,360
you know you're right we have been

104
00:05:48,050 --> 00:05:44,840
watching you on TV have they been

105
00:05:50,270 --> 00:05:48,060
treating you royally you know what it's

106
00:05:53,420 --> 00:05:50,280
it was it's a great show it's always

107
00:05:55,250 --> 00:05:53,430
nice to be involved with things and I do

108
00:05:56,930 --> 00:05:55,260
on the Science Channel NASA's

109
00:05:59,659 --> 00:05:56,940
unexplained files I'm in the new season

110
00:06:02,120 --> 00:05:59,669
and have a few other things and it gives

111
00:06:04,900 --> 00:06:02,130
me a platform to reach a broader

112
00:06:07,550 --> 00:06:04,910
audience which I love because I get

113
00:06:09,500 --> 00:06:07,560

calls and messages from people all over

114

00:06:13,010 --> 00:06:09,510

the world who are sharing experiences

115

00:06:16,250 --> 00:06:13,020

with me and and also I get researchers

116

00:06:18,170 --> 00:06:16,260

who are sending me their archives

117

00:06:20,029 --> 00:06:18,180

donating archives to me so I can

118

00:06:24,490 --> 00:06:20,039

preserve history so I mean it really

119

00:06:28,150 --> 00:06:24,500

gives is yeah it's so much fun I love it

120

00:06:32,420 --> 00:06:28,160

well how did you get involved with the

121

00:06:35,600 --> 00:06:32,430

shape-shifting and skinwalker ranch so

122

00:06:37,070 --> 00:06:35,610

Utah is my my hood I mean this is I've

123

00:06:40,310 --> 00:06:37,080

lived here my whole life

124

00:06:43,700 --> 00:06:40,320

and I have had really profound

125

00:06:47,960 --> 00:06:43,710

experiences here David since I was a

126

00:06:51,440 --> 00:06:47,970

child I've had experiences but in 2013 I

127

00:06:55,670 --> 00:06:51,450

had a series of sightings and so I began

128

00:06:57,980 --> 00:06:55,680

to pursue research and I found you know

129

00:07:01,820 --> 00:06:57,990

MUFON became the state director for

130

00:07:04,520 --> 00:07:01,830

MUFON so I'm two hours away exactly what

131

00:07:06,230 --> 00:07:04,530

so we'll see exactly though I saw over

132

00:07:07,969 --> 00:07:06,240

the ochre mountain range and I had a

133

00:07:09,490 --> 00:07:07,979

beautiful view of the Salt Lake Valley I

134

00:07:13,360 --> 00:07:09,500

saw

135

00:07:15,790 --> 00:07:13,370

the amber orange spheres and they would

136

00:07:18,490 --> 00:07:15,800

hover over the mountain line for upwards

137

00:07:21,339 --> 00:07:18,500

or the the ridge line for over 45

138

00:07:23,619 --> 00:07:21,349

minutes and then one would drop appear

139

00:07:25,899 --> 00:07:23,629

to drop out of the other move around in

140

00:07:29,230 --> 00:07:25,909

a circle and they would move off and so

141

00:07:31,749 --> 00:07:29,240

I being 80 miles away from Dugway

142

00:07:33,429 --> 00:07:31,759

proving ground and being a community

143

00:07:35,709 --> 00:07:33,439

activist and a concerned citizen then

144

00:07:40,059 --> 00:07:35,719

like what the you know what is this I

145

00:07:41,619 --> 00:07:40,069

want to know and so I began learning you

146

00:07:42,999 --> 00:07:41,629

know where the flight corridors for the

147

00:07:45,219 --> 00:07:43,009

International Islamic International

148

00:07:47,619 --> 00:07:45,229

Airport were where our restricted

149

00:07:49,809 --> 00:07:47,629

airspace is and we have some of the most

150

00:07:52,959 --> 00:07:49,819

restricted airspace in the world with

151
00:07:54,879 --> 00:07:52,969
the NSA being right here and Dugway

152
00:07:56,800 --> 00:07:54,889
proving ground and the Utah test and

153
00:07:59,860 --> 00:07:56,810
training range and all of these things

154
00:08:03,040 --> 00:07:59,870
and so I I learned about all of that and

155
00:08:04,930 --> 00:08:03,050
I began to like hopefully most credible

156
00:08:08,260 --> 00:08:04,940
people in this subject you know you

157
00:08:10,929 --> 00:08:08,270
learn to rule out mundane objects which

158
00:08:15,360 --> 00:08:10,939
I did and at the end of the day what I

159
00:08:19,180 --> 00:08:15,370
witnessed was remarkable and so I joined

160
00:08:22,659 --> 00:08:19,190
MUFON and then really began to as State

161
00:08:25,119 --> 00:08:22,669
Director dig into specific areas in huge

162
00:08:28,510 --> 00:08:25,129
ha skinwalker ranch the you went to

163
00:08:31,240 --> 00:08:28,520

Basin which is at I mean it is one of

164

00:08:33,850 --> 00:08:31,250

the most remarkable places on the planet

165

00:08:38,350 --> 00:08:33,860

but there are other places just like it

166

00:08:41,620 --> 00:08:38,360

in Yakima you know in Missouri Piedmont

167

00:08:43,509 --> 00:08:41,630

Missouri Hart Harley Rock tur Harley

168

00:08:45,790 --> 00:08:43,519

Harley Rutledge if I could speak English

169

00:08:48,130 --> 00:08:45,800

you know yes he you know wrote a great

170

00:08:51,850 --> 00:08:48,140

book on that and did a study back in the

171

00:08:55,269 --> 00:08:51,860

70s and so I went out and I began to

172

00:08:58,210 --> 00:08:55,279

interview different families in Mason

173

00:09:00,370 --> 00:08:58,220

who had had remarkable experiences who

174

00:09:04,689 --> 00:09:00,380

were in close proximity to the ranch and

175

00:09:07,689 --> 00:09:04,699

I've been cataloging different reports I

176

00:09:10,689 --> 00:09:07,699

have met with you know I spoke with dr.

177

00:09:12,460 --> 00:09:10,699

Frank Salisbury I spent a week up in the

178

00:09:16,210 --> 00:09:12,470

University of Utah archives going

179

00:09:19,030 --> 00:09:16,220

through dr. Frank Salisbury's work which

180

00:09:22,389 --> 00:09:19,040

most people have not seen it was amazing

181

00:09:22,809 --> 00:09:22,399

and then I also have spoken with an

182

00:09:26,199 --> 00:09:22,819

interview

183

00:09:27,999 --> 00:09:26,209

Jr Hicks and so I've been doing I've

184

00:09:31,229 --> 00:09:28,009

been doing a lot of work on that area

185

00:09:34,509 --> 00:09:31,239

because it is absolutely remarkable and

186

00:09:36,369 --> 00:09:34,519

not only are there really profound

187

00:09:39,159 --> 00:09:36,379

things taking place but then you've also

188

00:09:41,650 --> 00:09:39,169

got this aspect of people that have gone

189

00:09:45,879 --> 00:09:41,660

in to try to make money on the location

190

00:09:48,989 --> 00:09:45,889

who have manipulated public perception

191

00:09:52,840 --> 00:09:48,999

and created some very negative and

192

00:09:54,759 --> 00:09:52,850

destructive things that go on in the

193

00:09:58,419 --> 00:09:54,769

community that are putting people at the

194

00:10:00,129 --> 00:09:58,429

ranch and in the area at risk and so

195

00:10:03,400 --> 00:10:00,139

it's it's just it's the whole thing's a

196

00:10:06,840 --> 00:10:03,410

freaking trip well now how far back do

197

00:10:09,219 --> 00:10:06,850

these incidents go and what is the

198

00:10:11,679 --> 00:10:09,229

similarities or similarity and all of

199

00:10:14,139 --> 00:10:11,689

them are are they pretty you describe

200

00:10:16,960 --> 00:10:14,149

this light phenomena that you saw but

201
00:10:19,179 --> 00:10:16,970
are any of them actual craft do you

202
00:10:21,099 --> 00:10:19,189
think are the similarities or

203
00:10:22,929 --> 00:10:21,109
dissimilarities you know there are

204
00:10:26,729 --> 00:10:22,939
structured craft that have been

205
00:10:30,489 --> 00:10:26,739
photographed and and witnessed there are

206
00:10:32,009 --> 00:10:30,499
you know there are areas in in the

207
00:10:34,299 --> 00:10:32,019
Uintah Basin where they're seeing

208
00:10:37,210 --> 00:10:34,309
shape-shifting creatures I interviewed

209
00:10:39,849 --> 00:10:37,220
Chris marks who worked for Bigelow

210
00:10:42,579 --> 00:10:39,859
Aerospace the past two weeks on my radio

211
00:10:45,909 --> 00:10:42,589
show and he was at the ranch for six

212
00:10:50,439 --> 00:10:45,919
week or six years excuse me and he he

213
00:10:53,409 --> 00:10:50,449

witnessed shapeshifters skinwalkers he

214

00:10:55,899 --> 00:10:53,419

witnessed different creatures Wolf's

215

00:10:58,059 --> 00:10:55,909

that were shot at you know almost

216

00:11:00,909 --> 00:10:58,069

point-blank range and they wouldn't drop

217

00:11:02,529 --> 00:11:00,919

and so these are the types of reports

218

00:11:06,159 --> 00:11:02,539

and cattle mutilations I mean these

219

00:11:08,199 --> 00:11:06,169

things have been taking place for a long

220

00:11:10,989 --> 00:11:08,209

long time I mean we're talking decades

221

00:11:13,359 --> 00:11:10,999

if not longer and when you reach out and

222

00:11:15,579 --> 00:11:13,369

do work and you talk to the people in

223

00:11:18,489 --> 00:11:15,589

the community you get reports of the

224

00:11:21,639 --> 00:11:18,499

same types of phenomenon taking place

225

00:11:23,859 --> 00:11:21,649

you know for a long time but more than

226

00:11:25,809 --> 00:11:23,869

that it's not just at skinwalker ranch

227

00:11:28,599 --> 00:11:25,819

Tim as you know because you've been in

228

00:11:30,519 --> 00:11:28,609

this for a long time and have more

229

00:11:32,289 --> 00:11:30,529

knowledge than a lot of people that I

230

00:11:34,330 --> 00:11:32,299

know and I respect your work I just want

231

00:11:36,040 --> 00:11:34,340

to throw that in there

232

00:11:40,210 --> 00:11:36,050

and you I have a special place in my

233

00:11:42,430 --> 00:11:40,220

archives with with your work but it's

234

00:11:44,590 --> 00:11:42,440

you know as you know when you go to

235

00:11:46,990 --> 00:11:44,600

these places different places in the

236

00:11:49,240 --> 00:11:47,000

world there they're all seeing the same

237

00:11:53,230 --> 00:11:49,250

types of things and recording the same

238

00:11:55,870 --> 00:11:53,240

types of things and so we have to do our

239

00:12:01,060 --> 00:11:55,880

part to make sure that we're getting out

240

00:12:03,940 --> 00:12:01,070

there and cataloging these reports the

241

00:12:05,920 --> 00:12:03,950

have you ever had the opportunity or has

242

00:12:08,680 --> 00:12:05,930

anybody had the opportunity to speak

243

00:12:10,360 --> 00:12:08,690

through the I was going to say original

244

00:12:12,940 --> 00:12:10,370

owners of the ranch the Sherman's but

245

00:12:16,330 --> 00:12:12,950

I'm sure they were not the first peoples

246

00:12:19,390 --> 00:12:16,340

own that the property did you have you

247

00:12:22,270 --> 00:12:19,400

ever spoken to them yeah I have not had

248

00:12:24,370 --> 00:12:22,280

the pleasure of speaking to them I have

249

00:12:26,650 --> 00:12:24,380

I I would love that I know that they're

250

00:12:28,210 --> 00:12:26,660

very guarded now and they really want

251

00:12:29,350 --> 00:12:28,220

nothing to do with it because it was I

252

00:12:33,220 --> 00:12:29,360

think that was a very traumatic

253

00:12:34,990 --> 00:12:33,230

experience to have all of a sudden you

254

00:12:37,090 --> 00:12:35,000

know they're scared out of their minds

255

00:12:38,980 --> 00:12:37,100

when they're witnessing these things and

256

00:12:42,490 --> 00:12:38,990

then you've got all of a sudden the

257

00:12:45,329 --> 00:12:42,500

media descending on them Zac zanuck who

258

00:12:47,230 --> 00:12:45,339

is an incredible reporter wrote

259

00:12:49,660 --> 00:12:47,240

groundbreaking articles in the Deseret

260

00:12:52,329 --> 00:12:49,670

news about the ranch and about the

261

00:12:54,970 --> 00:12:52,339

Sherman's and I think that that was they

262

00:12:58,690 --> 00:12:54,980

they endured a lot of ridicule in the

263

00:13:00,460 --> 00:12:58,700

community and after they left I think

264

00:13:04,360 --> 00:13:00,470

they decided that they probably didn't

265

00:13:08,140 --> 00:13:04,370

want to have a lot to do with it so have

266

00:13:12,690 --> 00:13:08,150

you ever been on the Reg yourself I have

267

00:13:15,250 --> 00:13:12,700

I have did anything materialize for you

268

00:13:20,680 --> 00:13:15,260

you know what it was it was a great

269

00:13:22,690 --> 00:13:20,690

experience I hopefully I will talk about

270

00:13:25,780 --> 00:13:22,700

that I've actually signed with the

271

00:13:28,840 --> 00:13:25,790

current owners and NDA and we're am

272

00:13:30,760 --> 00:13:28,850

working with them with a lot of things

273

00:13:32,470 --> 00:13:30,770

and I respect the work that they're

274

00:13:33,700 --> 00:13:32,480

doing they're doing incredible work and

275

00:13:35,530 --> 00:13:33,710

I really believe they're going to take

276

00:13:39,370 --> 00:13:35,540

what Bigelow did and they're gonna move

277

00:13:42,070 --> 00:13:39,380

that forward a hundred times but I will

278

00:13:44,320 --> 00:13:42,080

talk about the experience that I had

279

00:13:45,130 --> 00:13:44,330

when I went up there to interview junior

280

00:13:47,980 --> 00:13:45,140

Hicks

281

00:13:52,030 --> 00:13:47,990

and I was right on the border of the

282

00:13:54,430 --> 00:13:52,040

ranch it was it was dusk there was a

283

00:13:55,269 --> 00:13:54,440

lightning storm rolling in and I was

284

00:13:56,980 --> 00:13:55,279

there with a friend

285

00:13:59,650 --> 00:13:56,990

we had a great vantage point of the

286

00:14:03,639 --> 00:13:59,660

ranch and so we set up our equipment and

287

00:14:06,210 --> 00:14:03,649

I noticed at the by the old homestead I

288

00:14:09,699 --> 00:14:06,220

noticed a light that appeared to be

289

00:14:11,350 --> 00:14:09,709

shining up on the Mesa and I watched it

290

00:14:14,199 --> 00:14:11,360

and I thought okay you know there's a

291

00:14:17,410 --> 00:14:14,209

road here there's I've got to rule out a

292

00:14:19,900 --> 00:14:17,420

B C and D what is this and then I

293

00:14:23,259 --> 00:14:19,910

watched we watched as this light

294

00:14:27,370 --> 00:14:23,269

traveled across the underside of the

295

00:14:30,519 --> 00:14:27,380

Mesa and then it appeared to both of us

296

00:14:33,699 --> 00:14:30,529

that this light moved out across the

297

00:14:36,790 --> 00:14:33,709

grass where the bait pins are and it

298

00:14:40,449 --> 00:14:36,800

appeared to expand and it looked like an

299

00:14:42,819 --> 00:14:40,459

illuminated mist and we were sitting

300

00:14:46,750 --> 00:14:42,829

there trying to put things through the

301
00:14:49,960 --> 00:14:46,760
paces this mist moved towards us and

302
00:14:53,410 --> 00:14:49,970
then around us and the temperature

303
00:14:57,220 --> 00:14:53,420
dropped about 10 degrees and the sound

304
00:15:00,430 --> 00:14:57,230
became very muffled and then it would

305
00:15:02,199 --> 00:15:00,440
retreat and then we were also during

306
00:15:05,199 --> 00:15:02,209
this whole time period

307
00:15:08,800 --> 00:15:05,209
I noticed above above where you know

308
00:15:10,540 --> 00:15:08,810
skin-walker bridge is where according to

309
00:15:13,210 --> 00:15:10,550
some of the best researchers in the

310
00:15:15,880 --> 00:15:13,220
world these craft appear to move in and

311
00:15:20,380 --> 00:15:15,890
disappear and come out of but I noticed

312
00:15:24,009 --> 00:15:20,390
an amber orange ball of light and I

313
00:15:25,860 --> 00:15:24,019

photographed that and at the same time

314

00:15:28,150 --> 00:15:25,870

there was this amazing lightning storm

315

00:15:31,720 --> 00:15:28,160

blowing through and so it was just

316

00:15:34,120 --> 00:15:31,730

absolutely it was one of the most

317

00:15:38,380 --> 00:15:34,130

stunning and surreal experiences I've

318

00:15:41,259 --> 00:15:38,390

ever had and we had some experiences on

319

00:15:44,530 --> 00:15:41,269

before we went there within an hour span

320

00:15:49,870 --> 00:15:44,540

and after we left and they were again

321

00:15:51,009 --> 00:15:49,880

just really yeah I mean I I still

322

00:15:55,389 --> 00:15:51,019

sometimes when I think about that

323

00:15:57,699 --> 00:15:55,399

experience it was so so mind-blowing to

324

00:15:58,590 --> 00:15:57,709

me to witness what we did I sometimes

325

00:16:01,490 --> 00:15:58,600

have heart

326

00:16:04,200 --> 00:16:01,500

time putting it in words but I'm very

327

00:16:07,470 --> 00:16:04,210

grateful that I could take photos of it

328

00:16:09,720 --> 00:16:07,480

I have video of the exchange our

329

00:16:14,640 --> 00:16:09,730

dialogue and all of these things and it

330

00:16:18,690 --> 00:16:14,650

was whatever you said so I was with

331

00:16:21,690 --> 00:16:18,700

another a friend of mine yes and so we

332

00:16:23,780 --> 00:16:21,700

were out out there together and had had

333

00:16:26,400 --> 00:16:23,790

talked to another person I've got a

334

00:16:28,320 --> 00:16:26,410

person who lives out there that I've

335

00:16:31,050 --> 00:16:28,330

interviewed his mother and grandmother

336

00:16:33,900 --> 00:16:31,060

for six years they've had experiences

337

00:16:36,300 --> 00:16:33,910

and he gave me a specific location to go

338

00:16:40,500 --> 00:16:36,310

to so I would have the best view of the

339

00:16:42,330 --> 00:16:40,510

property so I was there and literally

340

00:16:47,580 --> 00:16:42,340

within 10 minutes of us getting out of

341

00:16:49,680 --> 00:16:47,590

the car this proceeded to happen and

342

00:16:53,250 --> 00:16:49,690

what exactly what exactly precisely

343

00:16:57,000 --> 00:16:53,260

happened it was the about the light that

344

00:17:00,510 --> 00:16:57,010

was illuminating the Mesa they miss that

345

00:17:03,090 --> 00:17:00,520

formed yeah I mean so any any any site

346

00:17:07,939 --> 00:17:03,100

any sightings of shapeshifters or

347

00:17:10,110 --> 00:17:07,949

creatures or spaceman praise the Lord no

348

00:17:14,010 --> 00:17:10,120

you know I think though I think what we

349

00:17:15,600 --> 00:17:14,020

witnessed was enough and I will say and

350

00:17:18,689 --> 00:17:15,610

I have not I don't I haven't really

351

00:17:23,390 --> 00:17:18,699

talked publicly too much about my

352

00:17:27,300 --> 00:17:23,400

experience but I I will say that I I

353

00:17:31,230 --> 00:17:27,310

felt and as did my the person I was with

354

00:17:33,960 --> 00:17:31,240

that whatever this was was almost like a

355

00:17:36,420 --> 00:17:33,970

security system for the ranch or for

356

00:17:40,230 --> 00:17:36,430

this area and so it was coming out and

357

00:17:42,240 --> 00:17:40,240

and sensing us and that sounds nuts but

358

00:17:44,100 --> 00:17:42,250

that those are my intuitive that was

359

00:17:47,130 --> 00:17:44,110

what I was feeling and then it retreated

360

00:17:50,720 --> 00:17:47,140

and this happened several times so we

361

00:17:53,610 --> 00:17:50,730

did at one point hear something somebody

362

00:17:57,560 --> 00:17:53,620

walking behind us and you could hear

363

00:18:01,170 --> 00:17:57,570

that in the gravel where we were but I

364

00:18:03,300 --> 00:18:01,180

didn't shake well what are they what are

365

00:18:07,430 --> 00:18:03,310

they trying to secure exactly I mean

366

00:18:10,980 --> 00:18:07,440

what makes this property so valuable to

367

00:18:12,300 --> 00:18:10,990

any entity whether it's a normal human

368

00:18:16,560 --> 00:18:12,310

being or

369

00:18:17,910 --> 00:18:16,570

some visitor there are sacred places all

370

00:18:21,360 --> 00:18:17,920

over the world I mean there are places

371

00:18:23,520 --> 00:18:21,370

where and I believe indigenous peoples

372

00:18:26,640 --> 00:18:23,530

have have understood this they've

373

00:18:31,230 --> 00:18:26,650

utilized specific locations that seem to

374

00:18:35,640 --> 00:18:31,240

have more energy there they manipulate

375

00:18:37,710 --> 00:18:35,650

this they protect it and I think this is

376

00:18:41,280 --> 00:18:37,720

one of those places I mean it's there

377

00:18:44,340 --> 00:18:41,290

have been significant injuries on the

378

00:18:48,270 --> 00:18:44,350

ranch and I believe that those injuries

379

00:18:50,010 --> 00:18:48,280

happen when something is is disturbed in

380

00:18:52,440 --> 00:18:50,020

the area and it's much like a haunting

381

00:18:54,750 --> 00:18:52,450

you know if you're looking at people who

382

00:18:56,460 --> 00:18:54,760

have significant hauntings in their home

383

00:19:00,390 --> 00:18:56,470

and they're doing renovations or

384

00:19:05,070 --> 00:19:00,400

construction things activity appears to

385

00:19:07,650 --> 00:19:05,080

increase and so that's I I don't think

386

00:19:09,810 --> 00:19:07,660

this place is necessarily unique in that

387

00:19:11,450 --> 00:19:09,820

regard I like I said I believe that this

388

00:19:16,380 --> 00:19:11,460

is happening all over the world in

389

00:19:21,780 --> 00:19:16,390

specific locations but Norway like

390

00:19:24,630 --> 00:19:21,790

Missouri like Yakima and so what what do

391

00:19:27,540 --> 00:19:24,640

we do as researchers to find out what

392

00:19:30,030 --> 00:19:27,550

the commonalities are and how do we get

393

00:19:33,690 --> 00:19:30,040

funding to do good field research and

394

00:19:35,160 --> 00:19:33,700

then make the connections and in instead

395

00:19:37,320 --> 00:19:35,170

of sitting behind our computer and

396

00:19:38,900 --> 00:19:37,330

investigating a single case that we

397

00:19:42,360 --> 00:19:38,910

think is going to be the end-all be-all

398

00:19:45,950 --> 00:19:42,370

you know and improve the work that we

399

00:19:48,600 --> 00:19:45,960

have other life forms moving around us

400

00:19:51,920 --> 00:19:48,610

you know that's where I really feel we

401
00:19:55,650 --> 00:19:51,930
need to kind of move research forward

402
00:19:58,230 --> 00:19:55,660
well now okay so what after having been

403
00:20:00,240 --> 00:19:58,240
involved with this for quite a number of

404
00:20:02,010 --> 00:20:00,250
years what are your conclusions have you

405
00:20:03,410 --> 00:20:02,020
have any conclusions if you share with

406
00:20:06,390 --> 00:20:03,420
us

407
00:20:11,520 --> 00:20:06,400
you know what I don't I wish I did

408
00:20:13,020 --> 00:20:11,530
because it seems like it it changes the

409
00:20:15,600 --> 00:20:13,030
more I learn sometimes the more

410
00:20:20,669 --> 00:20:15,610
questions I have but I will say that I

411
00:20:23,490 --> 00:20:20,679
believe that there are or I feel that

412
00:20:25,980 --> 00:20:23,500
this isn't necessarily extraterrestrial

413
00:20:26,549 --> 00:20:25,990

I think there are aspects of all sorts

414

00:20:28,340 --> 00:20:26,559

of

415

00:20:31,680 --> 00:20:28,350

things that are interacting with us and

416

00:20:35,789 --> 00:20:31,690

some people are more tuned in and can

417

00:20:37,739 --> 00:20:35,799

have experiences and and what it is I

418

00:20:39,629 --> 00:20:37,749

have no clue what the origins are I

419

00:20:44,129 --> 00:20:39,639

don't know I don't think anybody does

420

00:20:47,460 --> 00:20:44,139

and I think it is to me pretty suspect

421

00:20:50,070 --> 00:20:47,470

that people are reaching you know for

422

00:20:54,090 --> 00:20:50,080

the extra-terrestrial thing when in

423

00:20:57,269 --> 00:20:54,100

actuality we don't know now do you think

424

00:21:00,149 --> 00:20:57,279

it's all tied in or are we talking about

425

00:21:02,519 --> 00:21:00,159

a place that just has so much energy

426

00:21:05,970 --> 00:21:02,529

there let's for lack of a better term

427

00:21:07,769 --> 00:21:05,980

that a lot of different phenomena are

428

00:21:12,060 --> 00:21:07,779

taking place yes I think that's exactly

429

00:21:14,789 --> 00:21:12,070

it and in my interview with Chris marks

430

00:21:16,980 --> 00:21:14,799

who I was mentioning was an investigator

431

00:21:19,859 --> 00:21:16,990

for Bigelow man he was there probably

432

00:21:22,560 --> 00:21:19,869

longer than any other investigator six

433

00:21:24,450 --> 00:21:22,570

years I mean he felt and mentioned in

434

00:21:27,180 --> 00:21:24,460

the interview that there you know by the

435

00:21:29,070 --> 00:21:27,190

old homestead there appeared to be a

436

00:21:32,789 --> 00:21:29,080

certain type of phenomenon and then you

437

00:21:34,919 --> 00:21:32,799

got over by the the the river and it was

438

00:21:36,810 --> 00:21:34,929

completely different and then you got up

439

00:21:37,499 --> 00:21:36,820

on the ridge again there was something

440

00:21:40,049 --> 00:21:37,509

different

441

00:21:43,289 --> 00:21:40,059

and so it appeared that there were

442

00:21:46,139 --> 00:21:43,299

different energies in in the in this

443

00:21:48,570 --> 00:21:46,149

environment and they were commingling or

444

00:21:50,549 --> 00:21:48,580

or not but it was there were different

445

00:21:52,590 --> 00:21:50,559

types of things so you could say here

446

00:21:56,700 --> 00:21:52,600

you know an old the old homestead we've

447

00:21:58,499 --> 00:21:56,710

got ghosts or you know spirits of you

448

00:22:00,869 --> 00:21:58,509

know departed loved ones that used to

449

00:22:02,720 --> 00:22:00,879

inhabit the homestead and then then you

450

00:22:05,489 --> 00:22:02,730

have shapeshifters and then perhaps

451
00:22:07,499 --> 00:22:05,499
something like that going on and then

452
00:22:11,970 --> 00:22:07,509
perhaps in another location it could be

453
00:22:13,769 --> 00:22:11,980
extraterrestrial but it was it was it is

454
00:22:17,940 --> 00:22:13,779
a place where you've got all sorts of

455
00:22:20,279 --> 00:22:17,950
things happening now how about under the

456
00:22:22,080 --> 00:22:20,289
auspices of the new owners you know if

457
00:22:26,759 --> 00:22:22,090
there's anything recent that's taken

458
00:22:29,100 --> 00:22:26,769
place there yes there is absolutely

459
00:22:31,769 --> 00:22:29,110
activity I know that it is some people

460
00:22:33,779 --> 00:22:31,779
have claimed that the activity has died

461
00:22:36,840 --> 00:22:33,789
down and it is absolutely untrue that

462
00:22:38,330 --> 00:22:36,850
there's a lot of activity currently

463
00:22:43,000 --> 00:22:38,340

taking place

464

00:22:45,830 --> 00:22:43,010

I speak with the owner frequently and

465

00:22:48,710 --> 00:22:45,840

they have just history channel just

466

00:22:50,149 --> 00:22:48,720

greenlit a new show about some of the

467

00:22:54,019 --> 00:22:50,159

things that are going on there which is

468

00:22:56,930 --> 00:22:54,029

in my opinion great because they will be

469

00:22:59,180 --> 00:22:56,940

able to to get funding to really

470

00:23:03,950 --> 00:22:59,190

continue some of the work that they're

471

00:23:06,440 --> 00:23:03,960

doing and right now they have more up

472

00:23:09,620 --> 00:23:06,450

there and more going on with regard to

473

00:23:12,980 --> 00:23:09,630

research than most places that I know

474

00:23:15,590 --> 00:23:12,990

maybe Norway could be an exception with

475

00:23:18,289 --> 00:23:15,600

project hash stolen but they're really

476

00:23:21,260 --> 00:23:18,299

doing good work and the nice thing about

477

00:23:23,450 --> 00:23:21,270

the new owner is that he has not

478

00:23:25,760 --> 00:23:23,460

beholden to the government of the United

479

00:23:28,310 --> 00:23:25,770

States which i think is huge so he

480

00:23:31,159 --> 00:23:28,320

doesn't have to you know dance around or

481

00:23:33,139 --> 00:23:31,169

do do this a map he can really do

482

00:23:35,810 --> 00:23:33,149

research and then eventually share his

483

00:23:38,240 --> 00:23:35,820

findings with the public without any you

484

00:23:42,909 --> 00:23:38,250

know without be being beholden to the

485

00:23:45,010 --> 00:23:42,919

government and now you mentioned the

486

00:23:50,060 --> 00:23:45,020

incidents that are taking place in

487

00:23:51,680 --> 00:23:50,070

what's in Norway yes okay Tim we're

488

00:23:54,560 --> 00:23:51,690

gonna have to wait on that question cuz

489

00:24:03,480 --> 00:23:54,570

we're coming up to our body our break

490

00:24:10,210 --> 00:24:07,630

now back to exploring the bazaar with

491

00:24:13,510 --> 00:24:10,220

two of the most electrifying researchers

492

00:24:18,760 --> 00:24:13,520

in the Paranoid your hosts Timothy Becca

493

00:24:20,700 --> 00:24:18,770

Lee and Taylor Swift's welcome back to

494

00:24:23,680 --> 00:24:20,710

explore in the bazaar I'm Tim sports

495

00:24:26,680 --> 00:24:23,690

tonight we're talking with Erika Loops

496

00:24:30,280 --> 00:24:26,690

who is the host of her own show UFOs

497

00:24:34,440 --> 00:24:30,290

classified right here on K Co are so

498

00:24:39,550 --> 00:24:34,450

Eric I wanted to ask you Tim was

499

00:24:42,220 --> 00:24:39,560

bringing up Norway before we had to take

500

00:24:44,980 --> 00:24:42,230

our break now this one location and I'm

501
00:24:56,290 --> 00:24:44,990
not even going to try to say the name

502
00:24:59,320 --> 00:24:56,300
you know what I'm referring to you were

503
00:25:03,880 --> 00:24:59,330
comparing it a little bit earlier with a

504
00:25:05,830 --> 00:25:03,890
skinwalker ranch but has the location in

505
00:25:09,010 --> 00:25:05,840
Norway now I know that there's you know

506
00:25:12,370 --> 00:25:09,020
been a lot of anomalous light phenomena

507
00:25:16,750 --> 00:25:12,380
there but has there has anybody ever

508
00:25:19,330 --> 00:25:16,760
reported any other paranormal activity

509
00:25:21,370 --> 00:25:19,340
that's really as balls-out crazy as you

510
00:25:24,040 --> 00:25:21,380
say in the skinwalker ranch you know

511
00:25:26,500 --> 00:25:24,050
it's interesting because I had the

512
00:25:30,040 --> 00:25:26,510
opportunity I was invited over by

513
00:25:30,700 --> 00:25:30,050

Professor Erlin strand who is with

514

00:25:33,220 --> 00:25:30,710

aughts fault

515

00:25:36,940 --> 00:25:33,230

College University and he is in my

516

00:25:39,400 --> 00:25:36,950

opinion probably the most important in

517

00:25:41,470 --> 00:25:39,410

groundbreaking researcher that we will

518

00:25:43,570 --> 00:25:41,480

ever know in this topic and one of the

519

00:25:46,540 --> 00:25:43,580

most humble human beings I've ever met

520

00:25:50,380 --> 00:25:46,550

and I was invited over there to visit

521

00:25:53,140 --> 00:25:50,390

science camp so twice a year they they

522

00:25:55,120 --> 00:25:53,150

bring college or children not children I

523

00:25:55,630 --> 00:25:55,130

sound like Grandma Moses that is really

524

00:25:58,840 --> 00:25:55,640

embarrassing

525

00:26:01,690 --> 00:25:58,850

but kids not even get out baby Joseph

526
00:26:05,200 --> 00:26:01,700
anyway so students from the College of

527
00:26:08,650 --> 00:26:05,210
Engineering and so they they go there

528
00:26:11,500 --> 00:26:08,660
twice a year and they climbed different

529
00:26:12,220 --> 00:26:11,510
places in the valley and this is harsh

530
00:26:14,799 --> 00:26:12,230
conditions where

531
00:26:17,919 --> 00:26:14,809
talking in the middle of winter and they

532
00:26:19,360 --> 00:26:17,929
they climb up to these these met the

533
00:26:21,100 --> 00:26:19,370
tops of mountains where they've got the

534
00:26:23,620 --> 00:26:21,110
best observation points said their

535
00:26:26,169 --> 00:26:23,630
equipment lots of equipment they've got

536
00:26:28,570 --> 00:26:26,179
the funding from different universities

537
00:26:32,380 --> 00:26:28,580
in Europe and they are gathering data

538
00:26:34,600 --> 00:26:32,390

and 35 years ago when they first went

539

00:26:36,640 --> 00:26:34,610

ere Ling and his colleagues first

540

00:26:41,830 --> 00:26:36,650

decided that they wanted to do this they

541

00:26:44,440 --> 00:26:41,840

had to look at a specific set of data

542

00:26:47,220 --> 00:26:44,450

they couldn't just go in there and and

543

00:26:50,590 --> 00:26:47,230

even though they were getting reports of

544

00:26:54,130 --> 00:26:50,600

the ABC and D they had to decide what

545

00:26:57,640 --> 00:26:54,140

they could do to really get this studied

546

00:26:59,500 --> 00:26:57,650

and funded in a very scientific manner

547

00:27:02,710 --> 00:26:59,510

and so they chose to look at the

548

00:27:05,500 --> 00:27:02,720

anomalous light phenomena but when I was

549

00:27:07,360 --> 00:27:05,510

over there I interviewed John Arvid who

550

00:27:09,340 --> 00:27:07,370

has lived in the valley his whole life

551
00:27:11,380 --> 00:27:09,350
there's a really great documentary

552
00:27:14,830 --> 00:27:11,390
called the portal which I would

553
00:27:17,860 --> 00:27:14,840
recommend everyone watches and they

554
00:27:20,470 --> 00:27:17,870
interviewed his sister but John was

555
00:27:22,659 --> 00:27:20,480
talking about these balls of light that

556
00:27:24,400 --> 00:27:22,669
were appearing outside their homes he

557
00:27:29,169 --> 00:27:24,410
talked about the fact that they or they

558
00:27:32,970 --> 00:27:29,179
were seeing scoops of soil it was lifted

559
00:27:36,760 --> 00:27:32,980
out and in a cookie cutter shape and set

560
00:27:39,490 --> 00:27:36,770
many you know every day at a far

561
00:27:41,169 --> 00:27:39,500
distance away with the branches intact

562
00:27:44,380 --> 00:27:41,179
they were seeing these types of things

563
00:27:47,230 --> 00:27:44,390

they were seeing structured craft he

564

00:27:51,730 --> 00:27:47,240

mentioned that there was a person that

565

00:27:53,799 --> 00:27:51,740

saw a small entity and and so they're

566

00:27:55,659 --> 00:27:53,809

they're seeing this again the same types

567

00:27:57,880 --> 00:27:55,669

of things that they're seeing at

568

00:27:59,950 --> 00:27:57,890

skinwalker and so it was really a

569

00:28:03,360 --> 00:27:59,960

remarkable experience to sit across from

570

00:28:06,580 --> 00:28:03,370

him in this teeny little Valley and

571

00:28:09,430 --> 00:28:06,590

listen to his experiences is an 80 year

572

00:28:12,640 --> 00:28:09,440

old and listen to how that affected him

573

00:28:14,680 --> 00:28:12,650

and how the community just like

574

00:28:18,669 --> 00:28:14,690

skinwalker just like the Uintah base and

575

00:28:22,960 --> 00:28:18,679

how the community was in a way

576

00:28:24,640 --> 00:28:22,970

manipulated by the media and also really

577

00:28:25,430 --> 00:28:24,650

did not feel that they had a place to

578

00:28:27,649 --> 00:28:25,440

turn and

579

00:28:30,830 --> 00:28:27,659

that's why it was remarkable to see

580

00:28:32,629 --> 00:28:30,840

Airlink strand get in there and

581

00:28:35,899 --> 00:28:32,639

understand that he could use science the

582

00:28:40,730 --> 00:28:35,909

scientific method and give these people

583

00:28:42,379 --> 00:28:40,740

a sense of security and identify four

584

00:28:45,590 --> 00:28:42,389

different types of light phenomena that

585

00:28:48,169 --> 00:28:45,600

behaves intelligently or as if it's

586

00:28:50,119 --> 00:28:48,179

intelligently controlled so is this is

587

00:28:51,950 --> 00:28:50,129

this is big and nobody in America knows

588

00:28:55,460 --> 00:28:51,960

about it because we're too busy you know

589

00:28:57,799 --> 00:28:55,470

talking about Bob Lazar and in area 51

590

00:29:03,139 --> 00:28:57,809

and all of this you know that at the end

591

00:29:06,169 --> 00:29:03,149

of the day is is just fluff and it isn't

592

00:29:09,590 --> 00:29:06,179

it's not contributing anything to the

593

00:29:15,259 --> 00:29:09,600

actual study of what's taking place well

594

00:29:18,549 --> 00:29:15,269

what a shame though that due to the fact

595

00:29:21,019 --> 00:29:18,559

that you know naturally he has to try to

596

00:29:24,409 --> 00:29:21,029

secure proper funding for his research

597

00:29:28,519 --> 00:29:24,419

that he has to leave certain aspects of

598

00:29:29,960 --> 00:29:28,529

what's going on there out because of

599

00:29:33,799 --> 00:29:29,970

that because it'll be perceived as maybe

600

00:29:40,759 --> 00:29:33,809

too crazy you know too far out yet as as

601
00:29:42,590 --> 00:29:40,769
we all know this phenomena has as an

602
00:29:46,009 --> 00:29:42,600
integral part of it these these really

603
00:29:47,810 --> 00:29:46,019
high strangeness cases that that revolve

604
00:29:51,190 --> 00:29:47,820
around what we would you know for

605
00:29:53,749 --> 00:29:51,200
referred to as the more mundane aspects

606
00:29:55,970 --> 00:29:53,759
right absolutely and I mean I I know

607
00:29:58,100 --> 00:29:55,980
that I mean that they know that but I

608
00:30:00,680 --> 00:29:58,110
think that you know again when you're

609
00:30:03,590 --> 00:30:00,690
trying to really study something you

610
00:30:06,320 --> 00:30:03,600
have to pick a pretty narrow area of

611
00:30:09,590 --> 00:30:06,330
focus because this isn't a repeatable

612
00:30:13,009 --> 00:30:09,600
thing and so it's it's you know you've

613
00:30:14,960 --> 00:30:13,019

got to hone in on one area and stays

614

00:30:16,759 --> 00:30:14,970

like I said they've done the most

615

00:30:18,379 --> 00:30:16,769

remarkable research that nobody in the

616

00:30:22,100 --> 00:30:18,389

United States has heard about and this

617

00:30:24,590 --> 00:30:22,110

is this is where it's at and as somebody

618

00:30:26,210 --> 00:30:24,600

who was invited over there and got to

619

00:30:30,039 --> 00:30:26,220

talk to people in the community and I

620

00:30:33,980 --> 00:30:30,049

still do they are experiencing more and

621

00:30:36,800 --> 00:30:33,990

so you know what I because I'm not a

622

00:30:39,770 --> 00:30:36,810

scientist I have Liberty

623

00:30:41,810 --> 00:30:39,780

to talk about more more of these things

624

00:30:46,010 --> 00:30:41,820

and hopefully I can work with

625

00:30:48,080 --> 00:30:46,020

researchers like Tim and you where we

626

00:30:50,180 --> 00:30:48,090

can look at all of this and kind of put

627

00:30:53,120 --> 00:30:50,190

things together in a cohesive manner and

628

00:30:55,100 --> 00:30:53,130

move forward but right right now like I

629

00:30:57,850 --> 00:30:55,110

said that's just simply not happening

630

00:31:03,650 --> 00:30:57,860

especially here in the United States

631

00:31:06,020 --> 00:31:03,660

well speaking of a more open perspective

632

00:31:09,910 --> 00:31:06,030

on the UFO phenomena here in the United

633

00:31:12,380 --> 00:31:09,920

States what is your impression on the

634

00:31:14,720 --> 00:31:12,390

and I don't want to I don't want to say

635

00:31:16,640 --> 00:31:14,730

new revelations because for all of us

636

00:31:21,230 --> 00:31:16,650

none of this you know this is new this

637

00:31:26,030 --> 00:31:21,240

is all old news but this you know the

638

00:31:28,970 --> 00:31:26,040

whole thing with the the Navy UFO films

639

00:31:30,770 --> 00:31:28,980

and and and all of that excitement you

640

00:31:34,480 --> 00:31:30,780

know it's actually it actually has

641

00:31:38,330 --> 00:31:34,490

people the news media reacting and and

642

00:31:41,720 --> 00:31:38,340

really some reporters starting to

643

00:31:44,360 --> 00:31:41,730

somewhat take the subject a little bit

644

00:31:47,180 --> 00:31:44,370

more seriously even though I've still

645

00:31:51,920 --> 00:31:47,190

read some some very poorly written

646

00:31:53,510 --> 00:31:51,930

articles and all talking about how even

647

00:31:54,950 --> 00:31:53,520

though these are trained pilots with

648

00:31:57,620 --> 00:31:54,960

excellent instruments they were probably

649

00:31:59,960 --> 00:31:57,630

you know still mistaken these UFOs for

650

00:32:04,070 --> 00:31:59,970

you know weather balloons are flying

651
00:32:06,500 --> 00:32:04,080
fish or what have you you know so I mean

652
00:32:09,140 --> 00:32:06,510
you know what's what is your perception

653
00:32:11,960 --> 00:32:09,150
on this this new attention that's being

654
00:32:16,870 --> 00:32:11,970
given to the UFO phenomena and that's a

655
00:32:21,290 --> 00:32:16,880
great question I so I think it's I feel

656
00:32:23,210 --> 00:32:21,300
like it is a great thing and I love the

657
00:32:25,310 --> 00:32:23,220
fact that I can have a conversation with

658
00:32:28,250 --> 00:32:25,320
somebody that knows nothing about the

659
00:32:30,020 --> 00:32:28,260
topic and they can say to me oh I you

660
00:32:32,420 --> 00:32:30,030
know I was reading the New York Times or

661
00:32:34,910 --> 00:32:32,430
oh I was watching Fox News and and we

662
00:32:38,240 --> 00:32:34,920
saw this and people that normally don't

663
00:32:41,060 --> 00:32:38,250

go there are thinking about it and that

664

00:32:42,800 --> 00:32:41,070

is huge and so when you know the New

665

00:32:48,290 --> 00:32:42,810

York Times first broke their story in

666

00:32:49,940 --> 00:32:48,300

just December 17th to 2017 I was

667

00:32:52,160 --> 00:32:49,950

immediately you know I

668

00:32:54,500 --> 00:32:52,170

every media outlet that I could find and

669

00:32:57,170 --> 00:32:54,510

said okay great here's my chance as a

670

00:32:59,300 --> 00:32:57,180

researcher to connect with people in the

671

00:33:03,260 --> 00:32:59,310

media and then get good information out

672

00:33:07,010 --> 00:33:03,270

and so I really valued that the fact

673

00:33:10,070 --> 00:33:07,020

that that was lending credibility but I

674

00:33:14,090 --> 00:33:10,080

will say that they are reinventing the

675

00:33:15,920 --> 00:33:14,100

wheel and you know I am friends with and

676

00:33:17,750 --> 00:33:15,930

I've done field research with Ted row

677

00:33:21,470 --> 00:33:17,760

who's the executive director of NAR cap

678

00:33:24,410 --> 00:33:21,480

who has they've done incredible Studies

679

00:33:27,230 --> 00:33:24,420

with dr. Richard Haines who worked for

680

00:33:30,560 --> 00:33:27,240

NASA for twenty years they have been

681

00:33:32,240 --> 00:33:30,570

getting military pilot sightings and

682

00:33:35,210 --> 00:33:32,250

commercial pilot sightings and they have

683

00:33:37,820 --> 00:33:35,220

they've been seeing and written about

684

00:33:40,160 --> 00:33:37,830

and done incredible research on the same

685

00:33:41,900 --> 00:33:40,170

types of things I mean both all of us

686

00:33:43,970 --> 00:33:41,910

know that when you look back

687

00:33:48,680 --> 00:33:43,980

historically this this isn't anything

688

00:33:51,320 --> 00:33:48,690

new so to act like what happened on the

689

00:33:54,890 --> 00:33:51,330

Nimitz is is the seventh sign of the

690

00:33:58,610 --> 00:33:54,900

Apocalypse I mean it is important but it

691

00:34:03,020 --> 00:33:58,620

isn't the first time well and I think

692

00:34:04,730 --> 00:34:03,030

the other aspect of all this is some of

693

00:34:07,400 --> 00:34:04,740

these pieces that are being written and

694

00:34:11,570 --> 00:34:07,410

and some of the responses from the

695

00:34:13,450 --> 00:34:11,580

readers is still going back to that this

696

00:34:16,310 --> 00:34:13,460

can all be explained by

697

00:34:18,680 --> 00:34:16,320

extraterrestrials these the aliens from

698

00:34:20,570 --> 00:34:18,690

from from other planets which for a lot

699

00:34:23,680 --> 00:34:20,580

of people then that just you know it

700

00:34:28,570 --> 00:34:23,690

just clamps down the The Skeptical

701
00:34:32,360 --> 00:34:28,580
shroud around them but you know so far

702
00:34:33,470 --> 00:34:32,370
nobody has has proven one way or the

703
00:34:34,669 --> 00:34:33,480
other that these are extraterrestrial

704
00:34:40,220 --> 00:34:34,679
spacecraft

705
00:34:42,490 --> 00:34:40,230
yet that is still out there as the

706
00:34:46,130 --> 00:34:42,500
top-most suggestion or what these things

707
00:34:48,110 --> 00:34:46,140
could be right and in that again that's

708
00:34:51,290 --> 00:34:48,120
another brilliant point I think it is

709
00:34:54,260 --> 00:34:51,300
interesting for me as I look back I have

710
00:34:56,960 --> 00:34:54,270
an incredible archive thanks to Barry

711
00:34:59,360 --> 00:34:56,970
Greenwood and Fran Ridge and Jen Aldrich

712
00:35:01,220 --> 00:34:59,370
all people that you know I mean people I

713
00:35:02,960 --> 00:35:01,230

respect a great deal have been in this

714

00:35:05,089 --> 00:35:02,970

for a long time you are familiar

715

00:35:06,740 --> 00:35:05,099

them but I have one of the best archives

716

00:35:08,720 --> 00:35:06,750

now in the western United States and

717

00:35:11,120 --> 00:35:08,730

when I look back historically it is

718

00:35:14,660 --> 00:35:11,130

interesting to see you know when that

719

00:35:17,420 --> 00:35:14,670

that ETH it was inserted into the

720

00:35:20,510 --> 00:35:17,430

narrative and how the powers that be in

721

00:35:23,960 --> 00:35:20,520

America have been promoting all of this

722

00:35:27,460 --> 00:35:23,970

and I think that now we're seeing with

723

00:35:30,290 --> 00:35:27,470

to the Stars and Lewis Elizondo and

724

00:35:32,359 --> 00:35:30,300

these people I mean every time you

725

00:35:35,390 --> 00:35:32,369

listen to something it's the threat the

726

00:35:38,720 --> 00:35:35,400

threat the threat and that really

727

00:35:41,359 --> 00:35:38,730

bothers me because there have been many

728

00:35:43,880 --> 00:35:41,369

people including people like myself who

729

00:35:47,660 --> 00:35:43,890

have had experiences and I don't view it

730

00:35:49,910 --> 00:35:47,670

as a threat and so I think that right

731

00:35:53,150 --> 00:35:49,920

now what we're seeing is a manipulation

732

00:35:58,010 --> 00:35:53,160

of of all of this and I think it is an

733

00:36:01,130 --> 00:35:58,020

attempt to perhaps control people it is

734

00:36:04,250 --> 00:36:01,140

also perhaps an attempt to to garner

735

00:36:06,550 --> 00:36:04,260

funding so we need to be very cautious

736

00:36:09,260 --> 00:36:06,560

about all of this as much as there is

737

00:36:12,470 --> 00:36:09,270

there are great opportunities with this

738

00:36:14,930 --> 00:36:12,480

and I'm very appreciative of all of this

739

00:36:17,570 --> 00:36:14,940

I think that we need to maybe look at

740

00:36:20,210 --> 00:36:17,580

different factions involved in ufology

741

00:36:22,220 --> 00:36:20,220

or involved in research that have been

742

00:36:24,790 --> 00:36:22,230

involved for a long long time and look

743

00:36:27,079 --> 00:36:24,800

at their motivations very very closely

744

00:36:29,060 --> 00:36:27,089

well I think that's it's it's actually

745

00:36:30,579 --> 00:36:29,070

part of human nature I mean you know

746

00:36:34,280 --> 00:36:30,589

definitely as part of human nature to

747

00:36:38,270 --> 00:36:34,290

react to something new and unusual I

748

00:36:42,980 --> 00:36:38,280

mean when I say new I mean relatively

749

00:36:46,250 --> 00:36:42,990

speaking with with fear and suspicion so

750

00:36:50,839 --> 00:36:46,260

I could see how some powers that be

751
00:36:54,230 --> 00:36:50,849
could could be you know using that to to

752
00:36:56,390 --> 00:36:54,240
you know manipulate public opinion and

753
00:36:58,190 --> 00:36:56,400
and then of course you know you have

754
00:37:00,040 --> 00:36:58,200
these stories that I mean oh my gosh

755
00:37:03,530 --> 00:37:00,050
they've they've been around since the

756
00:37:06,140 --> 00:37:03,540
1950s of say like you know the the

757
00:37:10,760 --> 00:37:06,150
silencer is the silent group the the the

758
00:37:13,270 --> 00:37:10,770
men in black or air force has supposedly

759
00:37:15,560 --> 00:37:13,280
Air Force personnel harassing witnesses

760
00:37:16,400 --> 00:37:15,570
when the Air Force then claimed that

761
00:37:19,820 --> 00:37:16,410
they

762
00:37:21,490 --> 00:37:19,830
never send anybody over to to talk to

763
00:37:25,040 --> 00:37:21,500

these people

764

00:37:26,870 --> 00:37:25,050

and and that's you know I what I would

765

00:37:28,550 --> 00:37:26,880

like to asked him even though I know

766

00:37:31,760 --> 00:37:28,560

that you're interviewing me but I mean

767

00:37:35,720 --> 00:37:31,770

with Tim with regard to your work with

768

00:37:38,840 --> 00:37:35,730

the UFO silencers I mean what this is an

769

00:37:42,320 --> 00:37:38,850

interesting topic and I really feel that

770

00:37:45,290 --> 00:37:42,330

there are factions now that are trying

771

00:37:47,990 --> 00:37:45,300

to basically do the same thing to people

772

00:37:49,880 --> 00:37:48,000

who are are promoting good research or

773

00:37:53,300 --> 00:37:49,890

people who have had profound sightings

774

00:37:56,000 --> 00:37:53,310

so Tim what and what is your brief take

775

00:37:58,600 --> 00:37:56,010

on on the silence there's now there how

776

00:38:02,690 --> 00:37:58,610

they're interacting now with all of this

777

00:38:05,210 --> 00:38:02,700

well you know I've been collecting you

778

00:38:09,080 --> 00:38:05,220

know reports the incidences of this type

779

00:38:11,210 --> 00:38:09,090

for four years and they continue to come

780

00:38:13,490 --> 00:38:11,220

in but a lot of people because of the

781

00:38:16,010 --> 00:38:13,500

nature that kind of keep it to try to

782

00:38:18,880 --> 00:38:16,020

keep it to themselves and and so there's

783

00:38:21,770 --> 00:38:18,890

a lot of reports of this type you just

784

00:38:27,920 --> 00:38:21,780

don't don't get to our desk that should

785

00:38:30,860 --> 00:38:27,930

be and they don't well in Tim Tim was I

786

00:38:32,660 --> 00:38:30,870

think he'll one of the first if not the

787

00:38:35,060 --> 00:38:32,670

only there's been a couple but they're

788

00:38:38,350 --> 00:38:35,070

suspicious who actually took a picture

789

00:38:41,090 --> 00:38:38,360

of an alleged men and black man in black

790

00:38:43,640 --> 00:38:41,100

right so of course that's but if that's

791

00:38:46,610 --> 00:38:43,650

fit on the the media and there's an

792

00:38:48,440 --> 00:38:46,620

episode of the UFO Hunters where we

793

00:38:51,170 --> 00:38:48,450

discuss that and show the photograph in

794

00:38:54,290 --> 00:38:51,180

fact up Amazon Prime has the whole UFO

795

00:38:57,010 --> 00:38:54,300

Hunters series on now so members and

796

00:39:01,220 --> 00:38:57,020

prime can watch every every show a

797

00:39:03,740 --> 00:39:01,230

couple dozen and and so I mean did you

798

00:39:05,150 --> 00:39:03,750

feel because I go back and forth on this

799

00:39:07,400 --> 00:39:05,160

do you feel that the men in black or

800

00:39:10,640 --> 00:39:07,410

something or the UFO silencers I mean

801
00:39:14,270 --> 00:39:10,650
are these is this paranormal or is this

802
00:39:16,640 --> 00:39:14,280
a combination of yeah I won't say

803
00:39:19,460 --> 00:39:16,650
combination I would say a combination of

804
00:39:21,610 --> 00:39:19,470
both or sometimes a witness's get

805
00:39:24,020 --> 00:39:21,620
hysterical over something and when you

806
00:39:26,060 --> 00:39:24,030
check into it a little bit further and

807
00:39:28,160 --> 00:39:26,070
will turn out to be some private UFO

808
00:39:30,140 --> 00:39:28,170
groups and some representatives over and

809
00:39:31,849 --> 00:39:30,150
they want copies of the photographs

810
00:39:34,400 --> 00:39:31,859
or transcripts to telephone

811
00:39:36,049 --> 00:39:34,410
conversations or whatever it is they

812
00:39:37,880 --> 00:39:36,059
think they're being harassed and maybe

813
00:39:40,000 --> 00:39:37,890

in a sense that they are and then of

814

00:39:43,339 --> 00:39:40,010

course there are the reports of these

815

00:39:47,359 --> 00:39:43,349

MIBs that seemed to be that seem to have

816

00:39:54,079 --> 00:39:47,369

a non earthly qualities about them now

817

00:39:58,279 --> 00:39:54,089

my thinking on this is that these men in

818

00:40:01,190 --> 00:39:58,289

black are really under the mind control

819

00:40:04,339 --> 00:40:01,200

of some separate entity that they are

820

00:40:06,589 --> 00:40:04,349

actually human but they have no idea or

821

00:40:08,630 --> 00:40:06,599

no recollection of what they're they're

822

00:40:10,490 --> 00:40:08,640

doing in most of their cases and then

823

00:40:12,920 --> 00:40:10,500

when they gather the information for

824

00:40:13,519 --> 00:40:12,930

their handlers then they forget all

825

00:40:15,470 --> 00:40:13,529

about it

826

00:40:17,620 --> 00:40:15,480

perhaps somewhat similar to what's in

827

00:40:20,900 --> 00:40:17,630

the MIB movie that might be the only

828

00:40:26,180 --> 00:40:20,910

thing that is similar to what happens in

829

00:40:28,579 --> 00:40:26,190

real real life and so and I'm sorry I

830

00:40:30,380 --> 00:40:28,589

died I love this because you've got so

831

00:40:34,099 --> 00:40:30,390

you're such a wealth of information but

832

00:40:36,170 --> 00:40:34,109

with with regard to handlers what I mean

833

00:40:40,130 --> 00:40:36,180

do you feel that there's something that

834

00:40:45,349 --> 00:40:40,140

is going on obviously here but in an

835

00:40:48,170 --> 00:40:45,359

international contingent with people

836

00:40:51,380 --> 00:40:48,180

well I I don't you know I I can't I

837

00:40:53,559 --> 00:40:51,390

can't come up with a final solution to

838

00:40:55,880 --> 00:40:53,569

any of this we've talked about

839

00:40:58,519 --> 00:40:55,890

synchronicities and living in the matrix

840

00:41:01,910 --> 00:40:58,529

and it might be that whoever controls

841

00:41:04,549 --> 00:41:01,920

this matrix controls our destiny can

842

00:41:07,970 --> 00:41:04,559

there one certain things to be kept

843

00:41:10,760 --> 00:41:07,980

secret to keep their identity you know a

844

00:41:12,349 --> 00:41:10,770

way from being identified yes but tell

845

00:41:15,470 --> 00:41:12,359

us about what you've been investigating

846

00:41:17,450 --> 00:41:15,480

as far as recent MIB activity in and

847

00:41:18,710 --> 00:41:17,460

around the Utah basin you know and I

848

00:41:20,420 --> 00:41:18,720

think you know I'm sorry thank you for

849

00:41:23,150 --> 00:41:20,430

humoring me because I just I've got so

850

00:41:26,049 --> 00:41:23,160

much I want to ask you so there have

851

00:41:29,900 --> 00:41:26,059

been reports in the UN to basin of

852

00:41:35,089 --> 00:41:29,910

interestingly enough white outies with

853

00:41:39,589 --> 00:41:35,099

men in black there is a taller fellow

854

00:41:40,200 --> 00:41:39,599

and then a fellow of shorter stature and

855

00:41:45,000 --> 00:41:40,210

they

856

00:41:46,849 --> 00:41:45,010

interrogating them and so some of the

857

00:41:49,980 --> 00:41:46,859

people are feeling that they're

858

00:41:53,309 --> 00:41:49,990

something paranormal or supernatural and

859

00:41:55,859 --> 00:41:53,319

and then you know who knows at the end

860

00:41:58,220 --> 00:41:55,869

of the day but it's hard because we're

861

00:42:02,280 --> 00:41:58,230

not I'm trying to get all of these

862

00:42:05,130 --> 00:42:02,290

sightings in in one place so I can

863

00:42:07,500 --> 00:42:05,140

investigate Brian Skinner who a

864

00:42:10,440 --> 00:42:07,510

skinwalker ranch org has talked about

865

00:42:11,450 --> 00:42:10,450

some of these sightings as well as Brian

866

00:42:14,339 --> 00:42:11,460

burns

867

00:42:16,559 --> 00:42:14,349

so it's one of those things we just need

868

00:42:19,290 --> 00:42:16,569

to as people that are investigating this

869

00:42:21,210 --> 00:42:19,300

get together and put put put all of this

870

00:42:24,329 --> 00:42:21,220

out and kind of rule out whether this is

871

00:42:28,650 --> 00:42:24,339

something mundane or something that is

872

00:42:30,059 --> 00:42:28,660

it paranormal well how are exactly they

873

00:42:32,460 --> 00:42:30,069

going about that frightening or

874

00:42:35,549 --> 00:42:32,470

harassing the witnesses what do they

875

00:42:38,160 --> 00:42:35,559

seem to demand their want they seemed to

876

00:42:40,290 --> 00:42:38,170

demand information they want to know

877

00:42:43,579 --> 00:42:40,300

about specific sightings in the areas

878

00:42:47,339 --> 00:42:43,589

it's the typical sorts of things and so

879

00:42:49,079 --> 00:42:47,349

again it's it's one of those things that

880

00:42:50,880 --> 00:42:49,089

I would like to learn more about and

881

00:42:54,299 --> 00:42:50,890

I've been trying to reach out to both of

882

00:42:58,799 --> 00:42:54,309

them and get information so I can know

883

00:43:01,859 --> 00:42:58,809

but I think it's it is interesting

884

00:43:04,710 --> 00:43:01,869

because there have been points in my

885

00:43:06,770 --> 00:43:04,720

life where I have felt that there have

886

00:43:12,150 --> 00:43:06,780

been why know that I have actually been

887

00:43:14,370 --> 00:43:12,160

monitored by its faction or different

888

00:43:16,109 --> 00:43:14,380

people and so you know you look at some

889

00:43:18,569 --> 00:43:16,119

of these experiences and then you try to

890

00:43:21,770 --> 00:43:18,579

you have to step back and say okay is

891

00:43:28,260 --> 00:43:21,780

this paranoia where is this coming from

892

00:43:29,940 --> 00:43:28,270

so as you these particular entities do

893

00:43:32,220 --> 00:43:29,950

they have a forwarding address I mean do

894

00:43:34,440 --> 00:43:32,230

you know how to contact them you know

895

00:43:39,390 --> 00:43:34,450

what I will get on that and if anybody

896

00:43:41,220 --> 00:43:39,400

can dig that up it'll be me so because I

897

00:43:44,609 --> 00:43:41,230

don't think anyone has actually had an

898

00:43:48,150 --> 00:43:44,619

interview with a real MIB I mean there's

899

00:43:51,270 --> 00:43:48,160

some fictitious things that around the

900

00:43:54,140 --> 00:43:51,280

internet but one can't hardly think that

901
00:43:58,000 --> 00:43:54,150
a serious without some sort of validate

902
00:44:00,380 --> 00:43:58,010
and of course we'll never say never so

903
00:44:02,870 --> 00:44:00,390
so the whole watch now the whole aspect

904
00:44:05,269 --> 00:44:02,880
of the the Eman black men and black

905
00:44:09,049 --> 00:44:05,279
phenomena I mean you know it it seems

906
00:44:14,289 --> 00:44:09,059
almost a point that pointless with the

907
00:44:18,140 --> 00:44:14,299
exception of trying to induce paranoia

908
00:44:19,519 --> 00:44:18,150
absolutely yeah and that's I think with

909
00:44:22,460 --> 00:44:19,529
you know one of the things that we see

910
00:44:24,230 --> 00:44:22,470
and I keep stressing in my guests for

911
00:44:28,549 --> 00:44:24,240
the last two weeks Chris Marx has talked

912
00:44:30,890 --> 00:44:28,559
about is the paranoid culture that that

913
00:44:33,920 --> 00:44:30,900

people are creating and I think some of

914

00:44:36,740 --> 00:44:33,930

the people in unfortunately the media in

915

00:44:38,750 --> 00:44:36,750

the higher realms of ufology are

916

00:44:41,660 --> 00:44:38,760

creating this paranoia and they're not

917

00:44:44,990 --> 00:44:41,670

doing anything to to stop it and I think

918

00:44:47,720 --> 00:44:45,000

the storm area 51 stuff is a prime

919

00:44:49,940 --> 00:44:47,730

example of people who are making a great

920

00:44:52,029 --> 00:44:49,950

deal of money and they're not really

921

00:44:55,099 --> 00:44:52,039

caring about the safety or security of

922

00:44:58,160 --> 00:44:55,109

people that are working for our

923

00:45:00,440 --> 00:44:58,170

government so and then that's happened

924

00:45:05,029 --> 00:45:00,450

and so where do we where do we draw the

925

00:45:08,900 --> 00:45:05,039

line where do we stop creating these

926
00:45:11,559 --> 00:45:08,910
myths and and or you know I mean what

927
00:45:14,420 --> 00:45:11,569
how do we figure out what is actually

928
00:45:22,810 --> 00:45:14,430
something paranormal or something that

929
00:45:22,820 --> 00:45:29,559
[Music]

930
00:45:34,400 --> 00:45:32,269
well and I should also add that if any

931
00:45:38,000 --> 00:45:34,410
of our listeners are thinking about

932
00:45:42,890 --> 00:45:38,010
going to area 51 to storm the place

933
00:45:45,430 --> 00:45:42,900
don't do it stay home do it Erika said

934
00:45:49,849 --> 00:45:45,440
stay home have a margarita whatever

935
00:45:52,910 --> 00:45:49,859
you'll be better off we need we need

936
00:45:55,599 --> 00:45:52,920
them as we need them as listeners and we

937
00:45:59,240 --> 00:45:55,609
don't eat it need more cadavers that

938
00:46:03,829 --> 00:45:59,250

area 51 should there be aliens actually

939

00:46:05,000 --> 00:46:03,839

in some frozen frozen state out there I

940

00:46:08,060 --> 00:46:05,010

would guess

941

00:46:10,400 --> 00:46:08,070

I mean there there are better ways to

942

00:46:12,970 --> 00:46:10,410

spend your money like actually you know

943

00:46:15,650 --> 00:46:12,980

contributing to to archiving or

944

00:46:18,350 --> 00:46:15,660

conducting good research or you know

945

00:46:20,930 --> 00:46:18,360

donating to a radio show that is trying

946

00:46:22,760 --> 00:46:20,940

to do good work and is it's it like

947

00:46:27,170 --> 00:46:22,770

honestly I think this whole area 51

948

00:46:29,090 --> 00:46:27,180

thing is it's embarrassing so you know

949

00:46:30,980 --> 00:46:29,100

well well Erica we only have a few

950

00:46:32,930 --> 00:46:30,990

minutes left so why don't you let our

951
00:46:36,170 --> 00:46:32,940
audience know where they can find out

952
00:46:36,710 --> 00:46:36,180
more about you name your show things I

953
00:46:39,770 --> 00:46:36,720
guess

954
00:46:43,100 --> 00:46:39,780
yeah I am so I as you mentioned I have a

955
00:46:45,290 --> 00:46:43,110
show on KCUR and Tim both of you guys I

956
00:46:48,080 --> 00:46:45,300
want to say that it is because of both

957
00:46:50,960 --> 00:46:48,090
of you that I have a show on ke cor and

958
00:46:53,750 --> 00:46:50,970
so thank you for that you introduced me

959
00:46:57,620 --> 00:46:53,760
to Tina and I will forever be grateful

960
00:47:00,020 --> 00:46:57,630
because Tina is is an incredible radio

961
00:47:04,790 --> 00:47:00,030
station owner and host my show is every

962
00:47:08,990 --> 00:47:04,800
Friday night at 4 p.m. Pacific time and

963
00:47:11,540 --> 00:47:09,000

I do ours on you know 30 hours of

964

00:47:13,850 --> 00:47:11,550

research a week and I bring on guests

965

00:47:16,310 --> 00:47:13,860

who are very specific to my research and

966

00:47:19,160 --> 00:47:16,320

I'm not another I'm not a host that

967

00:47:22,010 --> 00:47:19,170

brings on somebody and has them submit

968

00:47:26,150 --> 00:47:22,020

their own questions to ask so I do mine

969

00:47:29,620 --> 00:47:26,160

my own work I know shocking but I do my

970

00:47:32,840 --> 00:47:29,630

work it's classified and then I'm on

971

00:47:34,910 --> 00:47:32,850

NASA's unexplained files and also the

972

00:47:40,700 --> 00:47:34,920

Travel Channel UFO is the last evidence

973

00:47:42,620 --> 00:47:40,710

so that's where we will be tuning in it

974

00:47:45,740 --> 00:47:42,630

is a pleasure to see you on TV and to

975

00:47:48,020 --> 00:47:45,750

listen to your show as we have for quite

976
00:47:50,870 --> 00:47:48,030
a while now anyway I want to thank you

977
00:47:53,150 --> 00:47:50,880
for being on and Tim it's been another

978
00:47:56,690 --> 00:47:53,160
wonderful experience for us and I know

979
00:47:59,300 --> 00:47:56,700
we have a summer full of a great guest

980
00:48:00,620 --> 00:47:59,310
coming up on a wide variety of topics

981
00:48:01,760 --> 00:48:00,630
and don't forget to go to our YouTube

982
00:48:05,270 --> 00:48:01,770
channel

983
00:48:09,190 --> 00:48:05,280
mr. UFO secret files where Peter will

984
00:48:12,390 --> 00:48:09,200
add much in the way of animation and

985
00:48:17,280 --> 00:48:12,400
pictures to stimulate

986
00:48:24,100 --> 00:48:20,140
you've been listening to exploring the

987
00:48:25,050 --> 00:48:24,110
bazaar with hosts Timothy Beckley and T

988
00:48:27,850 --> 00:48:25,060

Swartz

989

00:48:30,760 --> 00:48:27,860

they're taking back the night by jetting

990

00:48:32,830 --> 00:48:30,770

non-stop across the cosmos in search of

991

00:48:36,630 --> 00:48:32,840

the truly bizarre and totally

992

00:48:39,140 --> 00:48:36,640

unexplained with you as they're cold

993

00:48:43,620 --> 00:48:39,150

Thursday nights at 7:00 p.m. Pacific

994

00:48:44,830 --> 00:48:43,630

10:00 p.m. Eastern on the K cor digital

995

00:48:47,290 --> 00:48:44,840

radio

996

00:48:50,740 --> 00:48:47,300

for more information on exploring the

997

00:48:53,590 --> 00:48:50,750

bazaar and hosts timothy Beckley and Tim

998

00:48:56,710 --> 00:48:53,600

Schwartz check out their kco our digital

999

00:49:02,920 --> 00:48:56,720

radio network follow their YouTube

1000

00:49:13,310 --> 00:49:02,930

channel @m r UFO 1100 explore the
