

EXPLORING THE BIZARRE

**DON
SIEDENBURG**

**TIM
BECKLEY**

**TIM
SWARTZ**

1
00:00:37,280 --> 00:00:21,830

[Music]

2
00:00:44,240 --> 00:00:41,580

explore the bazaars are your e-ticket

3
00:00:47,550 --> 00:00:44,250

ride into the world of the paranoid

4
00:00:51,830 --> 00:00:47,560

strap yourself in as we traverse the

5
00:00:54,950 --> 00:00:51,840

universe exploring the unexplained UFO s

6
00:00:57,360 --> 00:00:54,960

ghosts Lost Worlds

7
00:01:01,200 --> 00:00:57,370

cryptozoology waters as well as other

8
00:01:04,980 --> 00:01:01,210

dimensions it's time to take back the

9
00:01:07,200 --> 00:01:04,990

night last night now you are

10
00:01:12,890 --> 00:01:07,210

electrifying hosts of exploring the

11
00:01:16,290 --> 00:01:12,900

bizarre Timothy Begley and Tim Schwartz

12
00:01:18,540 --> 00:01:16,300

hey hey Tim don't you think we're

13
00:01:21,930 --> 00:01:18,550

getting just a little too close to those

14

00:01:25,859 --> 00:01:21,940

warning signs they definitely read no

15

00:01:27,990 --> 00:01:25,869

trespassing oh come on now you think the

16

00:01:30,090 --> 00:01:28,000

guards here at area 51 are going to

17

00:01:32,400 --> 00:01:30,100

shoot us billions it would be bad

18

00:01:34,560 --> 00:01:32,410

publicity and no one would want to come

19

00:01:36,920 --> 00:01:34,570

out to Rachel Nevada and business a

20

00:01:39,660 --> 00:01:36,930

little alien

21

00:01:41,219 --> 00:01:39,670

we need to storm the basin and all the

22

00:01:43,350 --> 00:01:41,229

others who have come out here for this

23

00:01:45,029 --> 00:01:43,360

purpose we'll make good news we're

24

00:01:50,240 --> 00:01:45,039

likely to get a lot of publicity and it

25

00:01:56,700 --> 00:01:54,359

yes but if they catch us they could take

26

00:01:59,040 --> 00:01:56,710

us to some underground bunker on the

27

00:02:02,070 --> 00:01:59,050

base with some hideous monsters and

28

00:02:05,100 --> 00:02:02,080

maybe even giant lizard men would do

29

00:02:07,469 --> 00:02:05,110

experiments on us at the least like they

30

00:02:10,050 --> 00:02:07,479

could shoot us in the ass oh my goodness

31

00:02:11,160 --> 00:02:10,060

you're always so negative our guest

32

00:02:14,160 --> 00:02:11,170

tonight was part of a military

33

00:02:16,050 --> 00:02:14,170

experiment he says and I don't think he

34

00:02:18,840 --> 00:02:16,060

was kidnapped by monsters but you can

35

00:02:20,850 --> 00:02:18,850

never be sure if you're going to storm

36

00:02:23,130 --> 00:02:20,860

area 51 or some other military

37

00:02:25,800 --> 00:02:23,140

installation you're likely to get what

38

00:02:28,590 --> 00:02:25,810

you deserve ET monsters and all well

39

00:02:31,140 --> 00:02:28,600

okay okay but just on the safe side I

40

00:02:34,170 --> 00:02:31,150

say that we get back to this studios and

41

00:02:37,770 --> 00:02:34,180

get the scoop from our guest what it is

42

00:02:39,990 --> 00:02:37,780

to be part of a real military experiment

43

00:02:42,840 --> 00:02:40,000

well Tim how you doing out there tonight

44

00:02:47,400 --> 00:02:42,850

in Jasper Indiana no I'm doing fantastic

45

00:02:51,760 --> 00:02:47,410

it's back-to-school time and

46

00:02:55,420 --> 00:02:51,770

lorelei is gone into seventh grade and

47

00:02:57,850 --> 00:02:55,430

now I'm free to work during the day like

48

00:03:02,530 --> 00:02:57,860

she had it God intended

49

00:03:07,000 --> 00:03:02,540

well she's she's she's a one year behind

50

00:03:09,420 --> 00:03:07,010

me only I guess maybe I'll run into her

51
00:03:13,210 --> 00:03:09,430
in the the in the hallway or the

52
00:03:17,680 --> 00:03:13,220
cafeteria you know I'm really excited

53
00:03:20,140 --> 00:03:17,690
tonight about our show and because well

54
00:03:22,900 --> 00:03:20,150
we've got a very interesting guest who's

55
00:03:26,080 --> 00:03:22,910
going to come on and and real reveal

56
00:03:28,930 --> 00:03:26,090
some information that I it is almost a

57
00:03:30,760 --> 00:03:28,940
an exclusive I know I realized he's been

58
00:03:32,800 --> 00:03:30,770
on one or two have podcasts that

59
00:03:34,449 --> 00:03:32,810
previously but this is almost an

60
00:03:40,900 --> 00:03:34,459
exclusive he's going to tell us a story

61
00:03:43,000 --> 00:03:40,910
that involves is his own military the

62
00:03:45,190 --> 00:03:43,010
work that he did in the military and the

63
00:03:48,190 --> 00:03:45,200

experiments that they did on on him and

64

00:03:50,620 --> 00:03:48,200

this is certainly ties in in fact I I

65

00:03:54,100 --> 00:03:50,630

think we're going to include him in our

66

00:03:59,380 --> 00:03:54,110

a book that were just about finishing up

67

00:04:01,600 --> 00:03:59,390

on area 51 warning keep out so why don't

68

00:04:03,400 --> 00:04:01,610

you tell us a little bit our listeners

69

00:04:05,110 --> 00:04:03,410

hear a little bit about who we're going

70

00:04:07,990 --> 00:04:05,120

to be speaking to this evening so we can

71

00:04:10,270 --> 00:04:08,000

get right on with the show but

72

00:04:13,120 --> 00:04:10,280

definitely well I'm really excited that

73

00:04:15,790 --> 00:04:13,130

we have Don Seidenberg with us tonight

74

00:04:18,070 --> 00:04:15,800

now Don was 18 years old when he

75

00:04:21,070 --> 00:04:18,080

enlisted with the United States Army in

76
00:04:23,710 --> 00:04:21,080
1954 and he spent the first three weeks

77
00:04:26,440 --> 00:04:23,720
of his enlistment at Edwards Air Force

78
00:04:30,040 --> 00:04:26,450
Base in California where he participated

79
00:04:32,860 --> 00:04:30,050
in the testing of as he calls it a food

80
00:04:37,120 --> 00:04:32,870
source that it supposedly came from a

81
00:04:39,510 --> 00:04:37,130
UFO that crashed and or landed or

82
00:04:41,590 --> 00:04:39,520
whatever in Roswell New Mexico in 1947

83
00:04:43,690 --> 00:04:41,600
now I don't want to reveal too much

84
00:04:47,590 --> 00:04:43,700
because we want to get in to the details

85
00:04:49,750 --> 00:04:47,600
of this on the show but John a trip our

86
00:04:52,690 --> 00:04:49,760
Don attributes his good health and

87
00:04:54,820 --> 00:04:52,700
continued physical prowess on he's he's

88
00:04:57,820 --> 00:04:54,830

83 and if you look him up on YouTube

89

00:04:59,550 --> 00:04:57,830

he's got some basketball videos that

90

00:05:03,720 --> 00:04:59,560

will absolutely amaze you

91

00:05:05,670 --> 00:05:03,730

but he says that his physical was he was

92

00:05:07,379 --> 00:05:05,680

he in the Harlem Globetrotters no wasn't

93

00:05:09,030 --> 00:05:07,389

the harrowing go jobs but he could very

94

00:05:12,060 --> 00:05:09,040

well be he's that good

95

00:05:15,000 --> 00:05:12,070

but now I gods Don says that his

96

00:05:18,960 --> 00:05:15,010

continued physical promise he attributes

97

00:05:21,710 --> 00:05:18,970

to what happened to him in 1954 and he

98

00:05:25,800 --> 00:05:21,720

was told that the military was trying to

99

00:05:27,710 --> 00:05:25,810

reproduce this serum as he calls it but

100

00:05:30,390 --> 00:05:27,720

he has no idea if they were ever

101
00:05:32,190 --> 00:05:30,400
successful so Don thank you very much

102
00:05:37,320 --> 00:05:32,200
for being with us tonight on exploring

103
00:05:38,840 --> 00:05:37,330
the bizarre well you know this is this

104
00:05:41,760 --> 00:05:38,850
is something that really really

105
00:05:44,100 --> 00:05:41,770
intrigues me you know I guess they like

106
00:05:47,870 --> 00:05:44,110
everybody else I've followed the the

107
00:05:52,159 --> 00:05:47,880
Roswell love story and all the other

108
00:05:55,590 --> 00:05:52,169
cases where UFOs have supposedly

109
00:05:58,409 --> 00:05:55,600
crash-landed we've had on several guests

110
00:06:01,680 --> 00:05:58,419
over the years who have their own

111
00:06:04,440 --> 00:06:01,690
stories to tell and uh in fact we had on

112
00:06:08,670 --> 00:06:04,450
a fella not too long ago who has an

113
00:06:11,100 --> 00:06:08,680

alien artifact that he found beside what

114

00:06:13,920 --> 00:06:11,110

he thinks was a crashed spaceship of

115

00:06:16,070 --> 00:06:13,930

some some sort but let's start at the

116

00:06:18,420 --> 00:06:16,080

the beginning this this happened

117

00:06:20,779 --> 00:06:18,430

wouldn't it did you join the military

118

00:06:23,490 --> 00:06:20,789

and what were the circumstances of that

119

00:06:27,690 --> 00:06:23,500

well I just graduated from high school

120

00:06:32,279 --> 00:06:27,700

and June 1st of 1954 I enlisted in the

121

00:06:36,360 --> 00:06:32,289

army and that's where it all started I

122

00:06:39,659 --> 00:06:36,370

didn't expect to be involved in a serum

123

00:06:41,730 --> 00:06:39,669

study but when I was at the recruiters

124

00:06:43,200 --> 00:06:41,740

office they looked at me I'm five foot

125

00:06:44,670 --> 00:06:43,210

three and I'm a hundred and twenty

126

00:06:49,500 --> 00:06:44,680

pounds so they thought I was just a

127

00:06:51,409 --> 00:06:49,510

giant space alien and they they asked me

128

00:06:54,779 --> 00:06:51,419

if I would be interested in this study

129

00:06:59,219 --> 00:06:54,789

and I talked it over with my dad and a

130

00:07:01,440 --> 00:06:59,229

fella from a CIC office came by and he

131

00:07:04,980 --> 00:07:01,450

had all the go bucks he had all his

132

00:07:07,110 --> 00:07:04,990

openness and I decided I didn't have

133

00:07:10,710 --> 00:07:07,120

anything else to do so I agreed to

134

00:07:13,500 --> 00:07:10,720

participate now why do you think that

135

00:07:15,440 --> 00:07:13,510

they picked you for this

136

00:07:19,200 --> 00:07:15,450

experiment I'm sure there were many

137

00:07:21,540 --> 00:07:19,210

eligible young men that were joining the

138

00:07:23,070 --> 00:07:21,550

service and one would think that they

139

00:07:26,580 --> 00:07:23,080

would almost do this without even

140

00:07:28,590 --> 00:07:26,590

telling you what they were you know a

141

00:07:30,660 --> 00:07:28,600

planning well what do you think that

142

00:07:34,230 --> 00:07:30,670

they picked you or did they ever say why

143

00:07:36,920 --> 00:07:34,240

you were chosen here's the thing my dad

144

00:07:40,500 --> 00:07:36,930

was a civilian employee of the

145

00:07:46,920 --> 00:07:40,510

coordinate apples where I was going to

146

00:07:49,140 --> 00:07:46,930

sign up and of course I this depo was in

147

00:07:53,280 --> 00:07:49,150

Savannah Alan oi about nine miles north

148

00:07:57,150 --> 00:07:53,290

of the town and I was in high school

149

00:07:59,460 --> 00:07:57,160

with a commanding officers daughter and

150

00:08:02,070 --> 00:07:59,470

my dad knew the commanding officer and

151

00:08:05,850 --> 00:08:02,080

it was sort of a sort of a family family

152

00:08:09,120 --> 00:08:05,860

thing but the reason they wanted they

153

00:08:11,430 --> 00:08:09,130

wanted a person small small and physical

154

00:08:13,350 --> 00:08:11,440

and that was that was me but I'm sure

155

00:08:15,540 --> 00:08:13,360

they had a lot of other people but I

156

00:08:17,850 --> 00:08:15,550

guess I was just at the right place or

157

00:08:22,110 --> 00:08:17,860

the wrong place at the right time so

158

00:08:25,590 --> 00:08:22,120

that's that's how I got started and now

159

00:08:31,680 --> 00:08:25,600

the okay so you joined the service and

160

00:08:37,350 --> 00:08:31,690

you were shipped out to where well the

161

00:08:40,530 --> 00:08:37,360

first the first second day it was the

162

00:08:44,390 --> 00:08:40,540

second of June nationally the the

163

00:08:48,030 --> 00:08:44,400

coordinator buck and I we we got onto a

164

00:08:50,940 --> 00:08:48,040

c-47 army airplane and we flew to

165

00:08:54,660 --> 00:08:50,950

Edwards Air Force Base and that's where

166

00:08:58,860 --> 00:08:54,670

the study took place now what was that

167

00:09:01,560 --> 00:08:58,870

known it was that in that year was that

168

00:09:04,320 --> 00:09:01,570

known as Murdock Air Force Base in those

169

00:09:08,040 --> 00:09:04,330

days where had they already changed it

170

00:09:10,440 --> 00:09:08,050

to Edwards well I don't know as far as I

171

00:09:14,280 --> 00:09:10,450

was told that's where we were going yeah

172

00:09:17,760 --> 00:09:14,290

okay and he's so okay you arrived at

173

00:09:22,260 --> 00:09:17,770

Edwards and what was the procedure after

174

00:09:25,470 --> 00:09:22,270

that well the next day it took us well

175

00:09:26,940 --> 00:09:25,480

Edwards from Savannah is 1,500 miles so

176

00:09:30,120 --> 00:09:26,950

the Seaport

177

00:09:33,420 --> 00:09:30,130

Kovach about 180 miles an hour so we

178

00:09:38,640 --> 00:09:33,430

stopped three times we got there in the

179

00:09:41,070 --> 00:09:38,650

morning of the 3rd and the we we just

180

00:09:45,930 --> 00:09:41,080

when we landed we pulled into a hangar

181

00:09:50,220 --> 00:09:45,940

and we got off the plane and the room

182

00:09:53,270 --> 00:09:50,230

where the study was taking place was in

183

00:09:58,200 --> 00:09:53,280

the hangar or adjacent to the hangar and

184

00:10:02,720 --> 00:09:58,210

that's we went I went there and I spent

185

00:10:07,770 --> 00:10:02,730

the three weeks in in that same location

186

00:10:11,730 --> 00:10:07,780

and Buck the coordinator he was like I

187

00:10:13,530 --> 00:10:11,740

say he flew with me to Edwards and we

188

00:10:19,650 --> 00:10:13,540

were together for three weeks in that

189

00:10:21,600 --> 00:10:19,660

room oh okay and and how what you you

190

00:10:24,480 --> 00:10:21,610

were given the Sara serum was that

191

00:10:27,780 --> 00:10:24,490

something that you drank orally or was

192

00:10:32,450 --> 00:10:27,790

it put into a hypodermic needle or how

193

00:10:36,900 --> 00:10:32,460

how did how did you ingest it no it was

194

00:10:39,920 --> 00:10:36,910

it started out on the third and at eight

195

00:10:43,490 --> 00:10:39,930

o'clock in the morning but gave me ate a

196

00:10:49,500 --> 00:10:43,500

spoonful of the serum it was a two ounce

197

00:10:54,780 --> 00:10:49,510

portion and he gave me one spoonful of

198

00:10:56,670 --> 00:10:54,790

the two ounce serum for the 21 21 days

199

00:10:58,950 --> 00:10:56,680

and that was the only nourishment that I

200

00:11:02,370 --> 00:10:58,960

had okay so you've got it you've got a

201
00:11:04,680 --> 00:11:02,380
you got a spoonful every morning every

202
00:11:07,560 --> 00:11:04,690
morning at eight o'clock yes okay okay

203
00:11:09,450 --> 00:11:07,570
can you describe to us what the serum

204
00:11:12,570 --> 00:11:09,460
look like what color it was what

205
00:11:15,450 --> 00:11:12,580
consistency it was and above all else

206
00:11:17,280 --> 00:11:15,460
what did it what did it taste like okay

207
00:11:21,060 --> 00:11:17,290
well first of all it didn't have a taste

208
00:11:23,910 --> 00:11:21,070
and it didn't have an odor and if you if

209
00:11:26,490 --> 00:11:23,920
you go to the store and buy a bottle of

210
00:11:31,140 --> 00:11:26,500
hand sanitizer if you're familiar with

211
00:11:32,550 --> 00:11:31,150
that it was exactly like the texture and

212
00:11:36,240 --> 00:11:32,560
thickness and everything was exactly

213
00:11:39,180 --> 00:11:36,250

like a bottle of hand sanitizer and what

214

00:11:40,500 --> 00:11:39,190

what uh okay so it's suppress your

215

00:11:43,560 --> 00:11:40,510

hunger that it

216

00:11:48,300 --> 00:11:43,570

have any other effect upon you well not

217

00:11:53,310 --> 00:11:48,310

not at the time but I was sold it was

218

00:11:57,990 --> 00:11:53,320

both of him a focus ingredient and

219

00:12:00,810 --> 00:11:58,000

longevity agreement because the space

220

00:12:05,340 --> 00:12:00,820

aliens were any ships for a long time

221

00:12:07,740 --> 00:12:05,350

and probably they didn't win for I don't

222

00:12:11,190 --> 00:12:07,750

know how many hundreds or thousands of

223

00:12:13,080 --> 00:12:11,200

miles yeah yeah yeah oh and they

224

00:12:17,240 --> 00:12:13,090

couldn't take a lot of food with them in

225

00:12:20,810 --> 00:12:17,250

those little spaceships so I guess they

226

00:12:24,570 --> 00:12:20,820

found this this Planet X found the

227

00:12:27,450 --> 00:12:24,580

secret to this serum there would that's

228

00:12:32,090 --> 00:12:27,460

all they needed now

229

00:12:36,630 --> 00:12:32,100

did they ever give you any history of

230

00:12:38,550 --> 00:12:36,640

let's say what was the serum taken off

231

00:12:42,300 --> 00:12:38,560

the craft and in Roswell did they

232

00:12:45,390 --> 00:12:42,310

describe the aliens to you or give you a

233

00:12:48,800 --> 00:12:45,400

little bit more a detail on where this

234

00:12:51,950 --> 00:12:48,810

particular liquid might have originated

235

00:12:56,760 --> 00:12:51,960

where they came where they came across

236

00:12:59,760 --> 00:12:56,770

was the in the 1930s when when Germany

237

00:13:01,860 --> 00:12:59,770

was commissioning an interplanetary

238

00:13:04,730 --> 00:13:01,870

research program where they wanted to

239

00:13:07,070 --> 00:13:04,740

make contact with other planets yes

240

00:13:12,000 --> 00:13:07,080

hello we're looking for a super weapon

241

00:13:16,940 --> 00:13:12,010

to win World War two and they were they

242

00:13:20,190 --> 00:13:16,950

were successful this there were two

243

00:13:22,800 --> 00:13:20,200

German scientists that worked on this

244

00:13:25,800 --> 00:13:22,810

program for quite a while and they were

245

00:13:31,230 --> 00:13:25,810

able to make contact with it with this

246

00:13:35,250 --> 00:13:31,240

what they call Planet X and they tried

247

00:13:38,880 --> 00:13:35,260

to get a weapon but the planet actually

248

00:13:41,700 --> 00:13:38,890

refused refused any military any

249

00:13:43,860 --> 00:13:41,710

military equipment weapons and bombs and

250

00:13:46,680 --> 00:13:43,870

right but they told them that they had

251
00:13:49,590 --> 00:13:46,690
this this food source so they just they

252
00:13:51,480 --> 00:13:49,600
were working on it and and it was you

253
00:13:54,420 --> 00:13:51,490
know it's going to be a revolutionize

254
00:13:59,250 --> 00:13:54,430
system because it's going to be a

255
00:14:03,860 --> 00:13:59,260
and day thing about two ounces and I

256
00:14:06,990 --> 00:14:03,870
don't know well what the ingredients was

257
00:14:10,110 --> 00:14:07,000
that they had in it but it wasn't

258
00:14:12,990 --> 00:14:10,120
couldn't have been that much effort to

259
00:14:20,880 --> 00:14:13,000
make it and so it would revolutionize

260
00:14:27,510 --> 00:14:20,890
how you eat so they planet-x agreed to

261
00:14:30,720 --> 00:14:27,520
give buck the trial and the formula to

262
00:14:33,710 --> 00:14:30,730
make more of it so now you think that

263
00:14:36,900 --> 00:14:33,720

you think that buck who was your

264

00:14:39,570 --> 00:14:36,910

recruitment officer or your handler

265

00:14:42,329 --> 00:14:39,580

he actually had punt he actually had

266

00:14:45,389 --> 00:14:42,339

contact with these beings well he had

267

00:14:47,550 --> 00:14:45,399

contact with he had contact with the to

268

00:14:54,570 --> 00:14:47,560

two scientists that were working for

269

00:14:57,000 --> 00:14:54,580

Isis oh okay now yeah now did they ever

270

00:15:01,740 --> 00:14:57,010

describe but what these beings looked

271

00:15:05,269 --> 00:15:01,750

like and and was Roswell involved in

272

00:15:08,100 --> 00:15:05,279

this the supposed to crash there well

273

00:15:11,400 --> 00:15:08,110

there would there wasn't any there

274

00:15:16,140 --> 00:15:11,410

wasn't any physical contact it was all I

275

00:15:17,670 --> 00:15:16,150

guess it was like okay so the gay in

276

00:15:21,210 --> 00:15:17,680

other words they gave them they gave

277

00:15:23,070 --> 00:15:21,220

them the the the formula e lurch as

278

00:15:24,960 --> 00:15:23,080

supposedly the the Germans were

279

00:15:27,990 --> 00:15:24,970

channeling or getting this information

280

00:15:34,949 --> 00:15:28,000

through a number of mediums that were

281

00:15:37,579 --> 00:15:34,959

working it wasn't it wasn't a situation

282

00:15:43,050 --> 00:15:37,589

where they would have met any of the

283

00:15:46,920 --> 00:15:43,060

population from Planet yeah because I

284

00:15:49,769 --> 00:15:46,930

mean according to what we know the the

285

00:15:52,230 --> 00:15:49,779

US government and military board over a

286

00:15:55,500 --> 00:15:52,240

lot of these German scientists and

287

00:15:59,310 --> 00:15:55,510

engineers including Wernher von Braun is

288

00:16:02,900 --> 00:15:59,320

part of this project a paperclip and

289

00:16:06,260 --> 00:16:02,910

they were assimilated into the into the

290

00:16:08,430 --> 00:16:06,270

scientific and engineering community

291

00:16:11,060 --> 00:16:08,440

here so so

292

00:16:14,250 --> 00:16:11,070

how long did you end up taking the serum

293

00:16:17,790 --> 00:16:14,260

well it was the 21 days that I was at

294

00:16:20,040 --> 00:16:17,800

Edwards and you had you had absolutely

295

00:16:26,750 --> 00:16:20,050

no hunger at all did you did you lose

296

00:16:29,670 --> 00:16:26,760

any weight no I stayed the same i my my

297

00:16:31,050 --> 00:16:29,680

activities were worth quite a bit that

298

00:16:33,180 --> 00:16:31,060

was they were working me out pretty good

299

00:16:35,190 --> 00:16:33,190

because they wanted to they wanted to

300

00:16:39,810 --> 00:16:35,200

see exactly what what the serum was

301

00:16:42,180 --> 00:16:39,820

going to do in the long run and I had no

302

00:16:44,310 --> 00:16:42,190

problem with what I was doing you know

303

00:16:49,800 --> 00:16:44,320

we worked out four hours a day

304

00:16:53,580 --> 00:16:49,810

physically and so you know it was it was

305

00:16:55,320 --> 00:16:53,590

doing real good yeah Gandhi do you think

306

00:16:57,390 --> 00:16:55,330

that they were there other people are

307

00:17:00,030 --> 00:16:57,400

involved in this experiment do you think

308

00:17:02,310 --> 00:17:00,040

they gave this serum to two other

309

00:17:05,130 --> 00:17:02,320

individuals to test what their reaction

310

00:17:09,179 --> 00:17:05,140

would be compared to yours because I

311

00:17:12,120 --> 00:17:09,189

mean usually if you know with medical

312

00:17:15,870 --> 00:17:12,130

people or are trying out something they

313

00:17:19,829 --> 00:17:15,880

first try it out on you know rats or

314

00:17:22,439 --> 00:17:19,839

mice or or monkeys or something like

315

00:17:23,939 --> 00:17:22,449

that and then they would eventually get

316

00:17:27,000 --> 00:17:23,949

to the stage where they would try it out

317

00:17:29,640 --> 00:17:27,010

on humans and they would do it you know

318

00:17:33,630 --> 00:17:29,650

under controlled circumstances with more

319

00:17:37,490 --> 00:17:33,640

than one individual well I I think I

320

00:17:41,370 --> 00:17:37,500

think they not only did that on Planet X

321

00:17:44,160 --> 00:17:41,380

but they didn't I was you know I was the

322

00:17:47,900 --> 00:17:44,170

only one that I know that was taking it

323

00:17:51,480 --> 00:17:47,910

once once they sent it down here but

324

00:17:53,580 --> 00:17:51,490

planted exit was he planted X's the

325

00:17:59,280 --> 00:17:53,590

people had owned the spaceship that

326

00:18:03,630 --> 00:17:59,290

didn't crash but to land it in this the

327

00:18:06,330 --> 00:18:03,640

ship didn't crash and landed yeah now

328

00:18:10,020 --> 00:18:06,340

what was that what was this the the the

329

00:18:14,330 --> 00:18:10,030

the famous a case that happened in July

330

00:18:18,060 --> 00:18:14,340

of 1947 or or is this another incident

331

00:18:21,590 --> 00:18:18,070

no this is this was the so the original

332

00:18:24,770 --> 00:18:21,600

this was the original Roswell

333

00:18:25,750 --> 00:18:24,780

space landing that they they reported

334

00:18:28,010 --> 00:18:25,760

crashed

335

00:18:31,430 --> 00:18:28,020

yeah because that's what it's gonna say

336

00:18:33,530 --> 00:18:31,440

we we've always been taught that the are

337

00:18:36,800 --> 00:18:33,540

the object you know crashing to the site

338

00:18:39,080 --> 00:18:36,810

of the the desert there and of course

339

00:18:42,530 --> 00:18:39,090

that these beings one of them may have

340

00:18:45,170 --> 00:18:42,540

survived but the the rest of them you

341

00:18:48,860 --> 00:18:45,180

know where were killed in the in the

342

00:18:50,870 --> 00:18:48,870

crash perhaps an autopsy was performed

343

00:18:53,540 --> 00:18:50,880

on them but you're you're saying in

344

00:18:55,130 --> 00:18:53,550

effect that that was a cover story that

345

00:18:58,810 --> 00:18:55,140

that's not the way they really happened

346

00:19:07,960 --> 00:18:58,820

you know what it was the the Germans

347

00:19:11,450 --> 00:19:07,970

maybe made the offer to the Planet X and

348

00:19:13,910 --> 00:19:11,460

they sent the ship to Roswell they if

349

00:19:16,670 --> 00:19:13,920

they gave plan an extra coordinates for

350

00:19:19,370 --> 00:19:16,680

the ship they put the serum on it on the

351

00:19:23,240 --> 00:19:19,380

ship they sent it they sent it to they

352

00:19:27,800 --> 00:19:23,250

sent to Raja it landed there and Brock

353

00:19:31,640 --> 00:19:27,810

my my handler he he was in charge of the

354

00:19:34,190 --> 00:19:31,650

patrol that met the ship and they were

355

00:19:37,190 --> 00:19:34,200

going to they were going to get the

356

00:19:41,510 --> 00:19:37,200

serum off the ship the ship would take

357

00:19:43,910 --> 00:19:41,520

off again go back to Planet Planet X and

358

00:19:48,050 --> 00:19:43,920

that would be it and then they would

359

00:19:51,440 --> 00:19:48,060

bring me assumed Edwards test it but

360

00:19:55,070 --> 00:19:51,450

when the ship landed and the there were

361

00:19:58,670 --> 00:19:55,080

four aliens got out and they started

362

00:20:01,220 --> 00:19:58,680

unloading the serum and they're they're

363

00:20:02,660 --> 00:20:01,230

breathing mechanisms their equipment

364

00:20:05,390 --> 00:20:02,670

that they had to breathe

365

00:20:08,180 --> 00:20:05,400

must have malfunctions and they

366

00:20:12,890 --> 00:20:08,190

suffocated and they died there were four

367

00:20:15,470 --> 00:20:12,900

of them so so but he called up a fella

368

00:20:18,410 --> 00:20:15,480

by the name well a commanding general of

369

00:20:22,310 --> 00:20:18,420

Roswell his name was Blanchard Jerry

370

00:20:25,160 --> 00:20:22,320

here in general Blanchard yeah he was

371

00:20:27,140 --> 00:20:25,170

commanding officer at the time and he

372

00:20:29,480 --> 00:20:27,150

came out to the location they landed

373

00:20:32,450 --> 00:20:29,490

about five miles outside of Roswell

374

00:20:35,560 --> 00:20:32,460

he came out and he oversaw the what was

375

00:20:37,810 --> 00:20:35,570

going on and he saw that he saw

376

00:20:40,450 --> 00:20:37,820

the ship and then of course he's

377

00:20:43,300 --> 00:20:40,460

elevated my god we got we've got

378

00:20:47,760 --> 00:20:43,310

ourselves a spaceship with with all

379

00:20:51,010 --> 00:20:47,770

kinds of alien technology on it which in

380

00:20:53,410 --> 00:20:51,020

current parcels book outlines exactly

381

00:20:59,410 --> 00:20:53,420

one all they got off of that thing

382

00:21:02,110 --> 00:20:59,420

well anyway buck he contacted the

383

00:21:07,740 --> 00:21:02,120

Germans and told them what happened

384

00:21:10,120 --> 00:21:07,750

about about the aliens dying so the

385

00:21:14,650 --> 00:21:10,130

scientists of German scientists they

386

00:21:18,430 --> 00:21:14,660

contacted they contacted the Planet X

387

00:21:21,520 --> 00:21:18,440

told him what happened and Planet X said

388

00:21:23,230 --> 00:21:21,530

destroy the ship because they didn't

389

00:21:26,020 --> 00:21:23,240

want to cannibalize they didn't they

390

00:21:32,890 --> 00:21:26,030

didn't want it reversed engineered and

391

00:21:35,320 --> 00:21:32,900

so the general Blanchard he had already

392

00:21:35,980 --> 00:21:35,330

got it all wrapped up and got it sent

393

00:21:44,170 --> 00:21:35,990

off to

394

00:21:46,930 --> 00:21:44,180

course Planet X was really mad I mean

395

00:21:50,470 --> 00:21:46,940

they didn't they didn't plan it that way

396

00:21:55,990 --> 00:21:50,480

and they made some some warnings to the

397

00:21:59,260 --> 00:21:56,000

Germans about blowing earth you know all

398

00:22:01,090 --> 00:21:59,270

of the solar system and because Planet X

399

00:22:04,410 --> 00:22:01,100

supposedly I guess was about ten times

400

00:22:08,680 --> 00:22:04,420

bigger than Earth so that that's then

401
00:22:11,740 --> 00:22:08,690
once that it was it was like six years

402
00:22:13,870 --> 00:22:11,750
well at the forty seven and then they

403
00:22:16,960 --> 00:22:13,880
tested it at fifty four was the seven

404
00:22:19,600 --> 00:22:16,970
years it had been frozen that the serum

405
00:22:21,550 --> 00:22:19,610
had been frozen and they didn't they

406
00:22:26,710 --> 00:22:21,560
didn't have a cast because he couldn't

407
00:22:32,290 --> 00:22:26,720
find anybody that would would volunteer

408
00:22:34,660 --> 00:22:32,300
to take this serum by mouth well I could

409
00:22:37,570 --> 00:22:34,670
I could I could understand that I mean

410
00:22:39,310 --> 00:22:37,580
if I was told that hey you know take

411
00:22:42,300 --> 00:22:39,320
take some of this it comes from another

412
00:22:45,010 --> 00:22:42,310
planet and I'd kind of be a you know

413
00:22:49,120 --> 00:22:45,020

leery of that but there on the other

414

00:22:51,909 --> 00:22:49,130

hand you think that it helped with your

415

00:22:57,010 --> 00:22:51,919

over the years oh definitely definitely

416

00:23:03,310 --> 00:22:57,020

I I can IH so much differently than a

417

00:23:06,100 --> 00:23:03,320

normal normal 83 year old I I don't know

418

00:23:09,400 --> 00:23:06,110

my members is Curtis can be I remember

419

00:23:13,630 --> 00:23:09,410

this whole situation from all the old 65

420

00:23:17,260 --> 00:23:13,640

years of it and you see I I actually had

421

00:23:21,190 --> 00:23:17,270

the the non-disclosure agreement that I

422

00:23:23,140 --> 00:23:21,200

had signed and normally on disclosure

423

00:23:26,740 --> 00:23:23,150

agreements don't have any expiration

424

00:23:29,310 --> 00:23:26,750

dates on there you sign it and you you

425

00:23:33,630 --> 00:23:29,320

don't tell anybody anything for forever

426

00:23:36,039 --> 00:23:33,640

but anyway buck he was on he took my

427

00:23:39,360 --> 00:23:36,049

disclosure agreement and he put an

428

00:23:42,180 --> 00:23:39,370

expiration date on of January 10th of

429

00:23:45,450 --> 00:23:42,190

2016 and that's when I was 18 years old

430

00:23:49,840 --> 00:23:45,460

and he said he wanted the story told

431

00:23:52,230 --> 00:23:49,850

after I turned 80 because oh okay we're

432

00:23:54,880 --> 00:23:52,240

coming into a commercial break now so

433

00:23:57,370 --> 00:23:54,890

we'll we'll be back in just a few

434

00:24:00,539 --> 00:23:57,380

minutes with a really interesting

435

00:24:02,590 --> 00:24:00,549

fascinating story being told through

436

00:24:12,870 --> 00:24:02,600

probably the first time to a large

437

00:24:19,570 --> 00:24:16,990

now back to exploring the bazaar with

438

00:24:22,900 --> 00:24:19,580

two of the most electrifying researchers

439

00:24:29,350 --> 00:24:22,910

in the Paranoid your hosts Timothy Becca

440

00:24:34,480 --> 00:24:29,360

Lee hunting Swartz hey Tim before we

441

00:24:38,350 --> 00:24:34,490

begin I just want to inform our

442

00:24:41,350 --> 00:24:38,360

listeners of our latest book that has

443

00:24:46,950 --> 00:24:41,360

just actually come out today it is ash

444

00:24:50,920 --> 00:24:46,960

stars space brothers speak and this is a

445

00:24:53,350 --> 00:24:50,930

book about the Federation of Planets the

446

00:24:55,240 --> 00:24:53,360

friendly space people who are supposed

447

00:25:01,240 --> 00:24:55,250

to be coming here to assist and help

448

00:25:03,130 --> 00:25:01,250

with our spiritual development and I

449

00:25:05,260 --> 00:25:03,140

think it's it's it's a book that I think

450

00:25:08,050 --> 00:25:05,270

a lot of people will be fascinated with

451
00:25:11,260 --> 00:25:08,060
I know as some people have been overly

452
00:25:13,780 --> 00:25:11,270
critical of us lately for publishing

453
00:25:17,160 --> 00:25:13,790
quite a number of books on the hospital

454
00:25:19,870 --> 00:25:17,170
hostel aspect of UFOs but there are

455
00:25:24,250 --> 00:25:19,880
apparently some good guys out there as

456
00:25:28,930 --> 00:25:24,260
well as negative forces just like there

457
00:25:31,480 --> 00:25:28,940
are here on planet earth that's right

458
00:25:34,020 --> 00:25:31,490
and we give a fair shake to both sides

459
00:25:35,770 --> 00:25:34,030
the the possible hostile

460
00:25:38,410 --> 00:25:35,780
extraterrestrials and then on the

461
00:25:41,380 --> 00:25:38,420
reverse side those are like space

462
00:25:44,310 --> 00:25:41,390
brothers who are here supposedly to help

463
00:25:48,430 --> 00:25:44,320

us find our way through these dark times

464

00:25:50,230 --> 00:25:48,440

well I I know in the next couple of

465

00:25:52,660 --> 00:25:50,240

weeks are in about a month we're going

466

00:25:55,780 --> 00:25:52,670

to have on our good friend at Mark

467

00:25:59,050 --> 00:25:55,790

Brinkerhoff who will bring a personal

468

00:26:01,930 --> 00:25:59,060

message from as dark now mark is not a

469

00:26:05,530 --> 00:26:01,940

channeler he actually says that he has

470

00:26:09,160 --> 00:26:05,540

been on board their craft and has met

471

00:26:10,960 --> 00:26:09,170

with Ashtar who is an etherion which

472

00:26:13,350 --> 00:26:10,970

means that he operates most of the time

473

00:26:16,480 --> 00:26:13,360

on an interdimensional or higher

474

00:26:18,670 --> 00:26:16,490

vibrational level but he has promised to

475

00:26:21,730 --> 00:26:18,680

actually give a direct message from a

476

00:26:24,910 --> 00:26:21,740

star for our listeners so that's

477

00:26:25,990 --> 00:26:24,920

something that I think everybody will

478

00:26:29,620 --> 00:26:26,000

want to

479

00:26:33,270 --> 00:26:29,630

to that evening and will will have him

480

00:26:36,240 --> 00:26:33,280

on and about I think a month I believe

481

00:26:40,060 --> 00:26:36,250

yep okay well let's let's get back to

482

00:26:42,430 --> 00:26:40,070

talking with Donna Seidenberg here Don

483

00:26:43,870 --> 00:26:42,440

we already have a question from one of

484

00:26:47,530 --> 00:26:43,880

our listeners so I'll just go ahead and

485

00:26:50,830 --> 00:26:47,540

get right to it we've got Tom who wants

486

00:26:53,380 --> 00:26:50,840

to know he wants to know the name of the

487

00:26:55,330 --> 00:26:53,390

liquid that you were taking I don't

488

00:26:57,810 --> 00:26:55,340

think that it had a kind of brand name

489

00:27:01,600 --> 00:26:57,820

and that if you you know had any idea

490

00:27:03,610 --> 00:27:01,610

what the what the ingredients were I

491

00:27:06,460 --> 00:27:03,620

suppose that that would be the million

492

00:27:08,640 --> 00:27:06,470

dollar question for everybody that would

493

00:27:14,640 --> 00:27:08,650

be and the the only thing they refer to

494

00:27:25,390 --> 00:27:14,650

referred to it as the serum hmm and it

495

00:27:28,450 --> 00:27:25,400

explained the ant sanitizer was he you

496

00:27:30,370 --> 00:27:28,460

said well what keep my sanitizer bottles

497

00:27:33,930 --> 00:27:30,380

that's that's the was the thickness of

498

00:27:37,480 --> 00:27:33,940

it but as far as the ingredients on the

499

00:27:39,040 --> 00:27:37,490

that it was this came from it just came

500

00:27:43,660 --> 00:27:39,050

from the German so I assumed it came

501
00:27:46,450 --> 00:27:43,670
from from planet planet eggs but that

502
00:27:51,160 --> 00:27:46,460
they it was used for focused and

503
00:27:53,590 --> 00:27:51,170
longevity now they now I was not too

504
00:27:55,590 --> 00:27:53,600
bright in high school exactly I was I

505
00:28:01,390 --> 00:27:55,600
was really dumb in eyes but I graduated

506
00:28:04,570 --> 00:28:01,400
46 out of 50 and after I went through

507
00:28:07,750 --> 00:28:04,580
the Edwards Air Force Base study the

508
00:28:10,810 --> 00:28:07,760
three weeks I became a different person

509
00:28:14,530 --> 00:28:10,820
hmm mark person for so one reason or

510
00:28:20,950 --> 00:28:14,540
another and I I put it to the to the

511
00:28:23,560 --> 00:28:20,960
serum and I put my my 84 years 83 years

512
00:28:27,820 --> 00:28:23,570
to the serum and if anyone wants to

513
00:28:30,040 --> 00:28:27,830

examine me or test me or go to the

514

00:28:33,190 --> 00:28:30,050

swimming pool in the morning and swim a

515

00:28:33,940 --> 00:28:33,200

mile and a half they're more than

516

00:28:38,919 --> 00:28:33,950

welcome

517

00:28:39,880 --> 00:28:38,929

oh I'm not I'm not blowing smoke up

518

00:28:42,640 --> 00:28:39,890

anybody

519

00:28:44,800 --> 00:28:42,650

Cael I can only tell them what I did I

520

00:28:48,940 --> 00:28:44,810

could only show them what I can do now

521

00:28:51,130 --> 00:28:48,950

they can believe it or not I there

522

00:28:57,670 --> 00:28:51,140

wasn't any extraterrestrials that I met

523

00:29:02,880 --> 00:28:57,680

I I was told all this why my by my

524

00:29:08,070 --> 00:29:02,890

leader buck and he changed my my

525

00:29:11,320 --> 00:29:08,080

disclosure agreement so that after in

526

00:29:14,620 --> 00:29:11,330

2016 I wouldn't get thrown in jail for

527

00:29:17,020 --> 00:29:14,630

telling the story and I don't I I know

528

00:29:19,420 --> 00:29:17,030

that there was a fire I don't know if

529

00:29:22,810 --> 00:29:19,430

you're familiar with the military

530

00:29:25,780 --> 00:29:22,820

records fire in 1973 John and st. Louis

531

00:29:29,440 --> 00:29:25,790

tell me with that yeah exactly yeah

532

00:29:32,950 --> 00:29:29,450

have you heard that well anyway my my

533

00:29:36,550 --> 00:29:32,960

records were in that fire and I have no

534

00:29:40,810 --> 00:29:36,560

I have no medical records I have I am my

535

00:29:46,440 --> 00:29:40,820

dd-214 that I had when I was discharged

536

00:29:50,970 --> 00:29:46,450

and they the military gave me of the

537

00:29:54,070 --> 00:29:50,980

discharge discharge statement and that

538

00:29:56,320 --> 00:29:54,080

so I don't know if there were other

539

00:29:59,290 --> 00:29:56,330

things going on that they didn't want to

540

00:30:01,450 --> 00:29:59,300

come out and that's why there was a fire

541

00:30:04,630 --> 00:30:01,460

down there because they never did they

542

00:30:07,240 --> 00:30:04,640

never did find the reason for it and it

543

00:30:10,420 --> 00:30:07,250

took out a whole whole floor of military

544

00:30:12,460 --> 00:30:10,430

records but anyway I'm not going to tell

545

00:30:16,480 --> 00:30:12,470

somebody well they did they did it just

546

00:30:20,800 --> 00:30:16,490

to cover my my military records but what

547

00:30:24,460 --> 00:30:20,810

I'm saying is I I'm physically able to

548

00:30:26,760 --> 00:30:24,470

do a lot of things that 80 year old

549

00:30:31,710 --> 00:30:26,770

people 83 year old people wouldn't even

550

00:30:39,310 --> 00:30:31,720

fathom my mind is as clear as a bell and

551
00:30:44,260 --> 00:30:39,320
I I studied a lot of things a lot of

552
00:30:48,040 --> 00:30:44,270
books I got involved in in Christopher

553
00:30:51,280 --> 00:30:48,050
Columbus's reasons for coming to the

554
00:30:53,470 --> 00:30:51,290
Americas to take away all the rights of

555
00:30:56,409 --> 00:30:53,480
indigenous people in front of

556
00:30:58,330 --> 00:30:56,419
back to the church in Europe which is an

557
00:31:01,539 --> 00:30:58,340
interesting story of anybody ever wants

558
00:31:04,419 --> 00:31:01,549
to get involved in it but that's that's

559
00:31:08,049 --> 00:31:04,429
what I can say on this subject so now do

560
00:31:11,950 --> 00:31:08,059
you think that buck you're your handler

561
00:31:14,710 --> 00:31:11,960
was was being upfront with you when it

562
00:31:16,419 --> 00:31:14,720
came to the explanation of what was

563
00:31:18,250 --> 00:31:16,429

going on you know what what you were

564

00:31:22,620 --> 00:31:18,260

being you know given because you know I

565

00:31:25,659 --> 00:31:22,630

know a lot of times in in past military

566

00:31:27,880 --> 00:31:25,669

experience experiments with servicemen

567

00:31:29,830 --> 00:31:27,890

they're just basically told here you

568

00:31:33,120 --> 00:31:29,840

know take this or bend over take this

569

00:31:36,010 --> 00:31:33,130

shot and you don't need to know right

570

00:31:38,470 --> 00:31:36,020

yeah well I I think I think what

571

00:31:41,590 --> 00:31:38,480

happened when they started with the

572

00:31:43,659 --> 00:31:41,600

study they were saying well here where

573

00:31:45,669 --> 00:31:43,669

we have this we're here we have this

574

00:31:48,850 --> 00:31:45,679

theorem and we're going to give it to

575

00:31:51,520 --> 00:31:48,860

this guy for 21 days and this guy's

576

00:31:53,350 --> 00:31:51,530

going to go off to the army and and well

577

00:31:55,990 --> 00:31:53,360

the o-net whatever are going to see him

578

00:31:58,570 --> 00:31:56,000

again as one he has a tonsillectomy

579

00:31:59,919 --> 00:31:58,580

operation over and only ons France and

580

00:32:01,750 --> 00:31:59,929

we're going to send some of the stuff

581

00:32:04,419 --> 00:32:01,760

over to him to help him out for 12 days

582

00:32:06,940 --> 00:32:04,429

and then after that we're never going to

583

00:32:09,039 --> 00:32:06,950

see him again so we're not we're not

584

00:32:13,450 --> 00:32:09,049

going to know whether this guy lived to

585

00:32:16,110 --> 00:32:13,460

be 35 years old or 135 years old that

586

00:32:18,520 --> 00:32:16,120

they had they had would have had to wait

587

00:32:20,740 --> 00:32:18,530

so many years down the road to see if

588

00:32:23,080 --> 00:32:20,750

the stuff really worked mm-hmm and and

589

00:32:26,799 --> 00:32:23,090

that's why that's why he put on my

590

00:32:28,680 --> 00:32:26,809

online non-disclosure agreement he could

591

00:32:30,909 --> 00:32:28,690

have put you know like a look Oh

592

00:32:32,919 --> 00:32:30,919

government non-disclosure agreements

593

00:32:35,590 --> 00:32:32,929

have no expiration date on them they

594

00:32:38,049 --> 00:32:35,600

don't explain I mean they just you know

595

00:32:41,560 --> 00:32:38,059

once you sign it that's yet you can't

596

00:32:42,789 --> 00:32:41,570

you can't reveal the the secrets without

597

00:32:47,560 --> 00:32:42,799

getting in big trouble

598

00:32:49,720 --> 00:32:47,570

but mine minor are have expired and he

599

00:32:53,080 --> 00:32:49,730

wanted though he wanted the world to

600

00:32:55,780 --> 00:32:53,090

know what he was doing and he had he had

601
00:32:57,549 --> 00:32:55,790
to wait all this time and he wasn't

602
00:33:00,400 --> 00:32:57,559
going to live that long because he was

603
00:33:04,360 --> 00:33:00,410
he was getting pretty close to retiring

604
00:33:05,370 --> 00:33:04,370
and he's been in the counterintelligence

605
00:33:11,970 --> 00:33:05,380
for quite a while

606
00:33:13,890 --> 00:33:11,980
I guess but he he probably figured that

607
00:33:17,400 --> 00:33:13,900
well we'll test it out and see if this

608
00:33:19,500 --> 00:33:17,410
guy comes out on it well and that's

609
00:33:22,590 --> 00:33:19,510
that's it now there's a good point right

610
00:33:25,080 --> 00:33:22,600
there because I would have to admit I

611
00:33:28,320 --> 00:33:25,090
would be a little hesitant to take

612
00:33:31,169 --> 00:33:28,330
something that supposedly was produced

613
00:33:32,940 --> 00:33:31,179

by an extraterrestrial race because I

614

00:33:34,650 --> 00:33:32,950

mean you wouldn't have any idea whether

615

00:33:38,760 --> 00:33:34,660

or not this would be something that

616

00:33:41,340 --> 00:33:38,770

would work for you or just you know

617

00:33:44,130 --> 00:33:41,350

poison you or you know or cause your

618

00:33:46,380 --> 00:33:44,140

brain to explode well the only thing

619

00:33:49,919 --> 00:33:46,390

they explained was that they had they

620

00:33:53,279 --> 00:33:49,929

had given it to lab mice for a period of

621

00:33:56,820 --> 00:33:53,289

time and none of the lab mice had any

622

00:33:59,370 --> 00:33:56,830

reactions to it and I guess a lab mouse

623

00:34:04,320 --> 00:33:59,380

is about as close to a human in that

624

00:34:07,740 --> 00:34:04,330

realm as you can get so once they told

625

00:34:11,399 --> 00:34:07,750

us that off the bat and my dad not my

626

00:34:15,270 --> 00:34:11,409

dad was a my dad was a person were what

627

00:34:20,010 --> 00:34:15,280

the army said you did and you didn't you

628

00:34:22,800 --> 00:34:20,020

didn't really question that and he was

629

00:34:24,389 --> 00:34:22,810

he was sort of concerned but he figured

630

00:34:26,490 --> 00:34:24,399

that if they were going to offer it to

631

00:34:27,300 --> 00:34:26,500

me in white that I didn't didn't have

632

00:34:32,399 --> 00:34:27,310

much to worry about

633

00:34:37,080 --> 00:34:32,409

and so I I was young I was 18 you know

634

00:34:39,270 --> 00:34:37,090

and was dumb and I was on a new on a new

635

00:34:43,020 --> 00:34:39,280

career in the army and I was excited

636

00:34:45,180 --> 00:34:43,030

about that and I and you know if if you

637

00:34:48,780 --> 00:34:45,190

volunteered for this it's like kissing

638

00:34:51,419 --> 00:34:48,790

ass with the with the leaders you know

639

00:34:56,129 --> 00:34:51,429

and they're like you for it well right

640

00:34:59,760 --> 00:34:56,139

was I was my my dd-214 will show that I

641

00:35:02,220 --> 00:34:59,770

was promoted from private e1 when I

642

00:35:05,370 --> 00:35:02,230

joined the service and I'm a staff

643

00:35:08,070 --> 00:35:05,380

sergeant in less than two years and that

644

00:35:11,849 --> 00:35:08,080

is and anybody will tell you that that

645

00:35:13,950 --> 00:35:11,859

is sort of rare and they told me that I

646

00:35:17,070 --> 00:35:13,960

would have a preferential treatment so

647

00:35:19,020 --> 00:35:17,080

when I was in the army and they I was at

648

00:35:21,480 --> 00:35:19,030

Orleans France

649

00:35:23,730 --> 00:35:21,490

for two and a half years within they

650

00:35:27,050 --> 00:35:23,740

were 60 we were 60 miles south of Paris

651
00:35:30,720 --> 00:35:27,060
and I was working as a clerk typist in a

652
00:35:33,330 --> 00:35:30,730
near supply control center and I was

653
00:35:37,730 --> 00:35:33,340
living the life a rally for a 20 year

654
00:35:41,880 --> 00:35:37,740
old kid and that that whole thing just

655
00:35:44,030 --> 00:35:41,890
and it started in my life and it put me

656
00:35:48,240 --> 00:35:44,040
on the right track

657
00:35:51,480 --> 00:35:48,250
I was gonna ask on top of on top of the

658
00:35:57,990 --> 00:35:51,490
serum I guess that they they had some

659
00:35:59,940 --> 00:35:58,000
kind of was an exercise program or you

660
00:36:02,940 --> 00:35:59,950
know I saw this picture of this device

661
00:36:06,510 --> 00:36:02,950
that that you had built supposedly based

662
00:36:07,800 --> 00:36:06,520
on something else do you want to explain

663
00:36:14,460 --> 00:36:07,810

that a little better than I'm trying to

664

00:36:17,370 --> 00:36:14,470

do right now now a spaceship has no room

665

00:36:20,700 --> 00:36:17,380

for exercise machines and treadmills and

666

00:36:24,330 --> 00:36:20,710

all this other stuff and these fellows

667

00:36:26,670 --> 00:36:24,340

are you look at them and maybe they they

668

00:36:28,830 --> 00:36:26,680

don't look exactly like a human but for

669

00:36:30,720 --> 00:36:28,840

all practical purposes or human so they

670

00:36:35,310 --> 00:36:30,730

need exercise like everybody else did

671

00:36:39,620 --> 00:36:35,320

but this is this Paul which was came off

672

00:36:43,080 --> 00:36:39,630

of the spacecraft all it was was was a

673

00:36:48,240 --> 00:36:43,090

four-foot that wooden dowel an inch

674

00:36:51,150 --> 00:36:48,250

round and if you go to the dollar store

675

00:36:57,000 --> 00:36:51,160

there is a Dollar Tree they they sell a

676
00:36:58,650 --> 00:36:57,010
a swimming pool noodle rubber and you

677
00:37:03,540 --> 00:36:58,660
put just you take that noodle and you

678
00:37:05,940 --> 00:37:03,550
put it over top the 4-foot doll and that

679
00:37:07,710 --> 00:37:05,950
cushions pushing the whole thing so that

680
00:37:10,290 --> 00:37:07,720
you could put it under your arms and

681
00:37:12,360 --> 00:37:10,300
under your neck and all this and all

682
00:37:14,130 --> 00:37:12,370
you're doing is isometric exercises

683
00:37:17,490 --> 00:37:14,140
you're not you're not doing anything

684
00:37:22,950 --> 00:37:17,500
physical but you're you're circulating

685
00:37:25,470 --> 00:37:22,960
your the blood in your system and I kind

686
00:37:28,680 --> 00:37:25,480
of think that the the R&D didn't put

687
00:37:32,220 --> 00:37:28,690
this on the market because I swear to

688
00:37:33,000 --> 00:37:32,230

god this I'm telling you like I'll tell

689

00:37:34,560 --> 00:37:33,010

you this is what I

690

00:37:36,350 --> 00:37:34,570

believe is true which I know it's true

691

00:37:41,490 --> 00:37:36,360

because I've use it for all these years

692

00:37:43,230 --> 00:37:41,500

this this salt lower back pain when you

693

00:37:45,570 --> 00:37:43,240

get up out of bed in the morning and

694

00:37:48,540 --> 00:37:45,580

your whole back as if you can't move it

695

00:37:54,840 --> 00:37:48,550

hardly well this this this will these

696

00:37:55,890 --> 00:37:54,850

exercises which I made a video of will

697

00:37:59,070 --> 00:37:55,900

loosen you up

698

00:38:00,930 --> 00:37:59,080

and it'll you won't have to go to a

699

00:38:06,060 --> 00:38:00,940

doctor for operations and things like

700

00:38:07,680 --> 00:38:06,070

that but it really it really works and I

701
00:38:09,780 --> 00:38:07,690
mean that's why that's why I came up

702
00:38:11,460 --> 00:38:09,790
with that spaceship because they used it

703
00:38:13,920 --> 00:38:11,470
and that's the only thing they would

704
00:38:20,240 --> 00:38:13,930
have for as an extra piece of exercise

705
00:38:24,600 --> 00:38:20,250
equipment mm-hmm now it's I just I I

706
00:38:30,090 --> 00:38:24,610
really would think that you would not be

707
00:38:34,200 --> 00:38:30,100
the only one that they have experimented

708
00:38:35,760 --> 00:38:34,210
on yeah I mean they may not have told

709
00:38:39,390 --> 00:38:35,770
you but I would think that since that

710
00:38:42,090 --> 00:38:39,400
time if unless they had just like you

711
00:38:44,040 --> 00:38:42,100
know just a small beaker full of this

712
00:38:50,300 --> 00:38:44,050
serum that there has to have been other

713
00:38:53,370 --> 00:38:50,310

people that has participated with this

714

00:38:56,820 --> 00:38:53,380

with this type of experiment I mean have

715

00:38:58,920 --> 00:38:56,830

has since you've come forward has

716

00:39:00,660 --> 00:38:58,930

anybody come out to you and said hey

717

00:39:06,540 --> 00:39:00,670

yeah you know I would do the same thing

718

00:39:09,180 --> 00:39:06,550

I know nobody has said anything to me

719

00:39:13,740 --> 00:39:09,190

and it you know it's possible you know

720

00:39:16,890 --> 00:39:13,750

the only thing is with the situation of

721

00:39:20,160 --> 00:39:16,900

the Planet X of spacecraft what happened

722

00:39:22,290 --> 00:39:20,170

to that I'm sure I'm sure that we can't

723

00:39:24,000 --> 00:39:22,300

contact them and how is they a would you

724

00:39:29,100 --> 00:39:24,010

go some more of this stuff they probably

725

00:39:31,230 --> 00:39:29,110

go to you go to heck you it's something

726

00:39:33,330 --> 00:39:31,240

it's too simple you know and when things

727

00:39:36,780 --> 00:39:33,340

are too simple people avoided you know

728

00:39:37,670 --> 00:39:36,790

there's it's really it's really funny

729

00:39:45,030 --> 00:39:37,680

how that works

730

00:39:46,800 --> 00:39:45,040

hey Tim you know I'm thinking we've had

731

00:39:50,970 --> 00:39:46,810

a fellow on the show here

732

00:39:54,420 --> 00:39:50,980

with kitchen yeah yeah yeah yeah and

733

00:39:56,070 --> 00:39:54,430

he's written an entire book about the

734

00:39:58,970 --> 00:39:56,080

people have had contact of course with

735

00:40:02,040 --> 00:39:58,980

the aliens and they've been given

736

00:40:05,760 --> 00:40:02,050

certain kinds of food to eat in certain

737

00:40:11,340 --> 00:40:05,770

kinds of a drink and and so forth so in

738

00:40:13,620 --> 00:40:11,350

that and that says it's not it's not

739

00:40:15,210 --> 00:40:13,630

without precedent except that of course

740

00:40:17,420 --> 00:40:15,220

there as far as I can remember in his

741

00:40:20,280 --> 00:40:17,430

book I don't think that there's been any

742

00:40:24,200 --> 00:40:20,290

military intervention or it was passed

743

00:40:27,030 --> 00:40:24,210

off by a you know when someone in the

744

00:40:27,660 --> 00:40:27,040

government status or CIA or or

745

00:40:30,960 --> 00:40:27,670

what-have-you

746

00:40:33,750 --> 00:40:30,970

right right with the universe the size

747

00:40:35,610 --> 00:40:33,760

of it the size of the universe

748

00:40:38,160 --> 00:40:35,620

you're not going to question what's out

749

00:40:40,440 --> 00:40:38,170

there and anything could be out there so

750

00:40:41,970 --> 00:40:40,450

I could never say that there's not not

751
00:40:43,620 --> 00:40:41,980
anything like this out there because I'm

752
00:40:49,580 --> 00:40:43,630
sure there is there's probably things

753
00:40:52,800 --> 00:40:49,590
out there that we'd be amazed yet but I

754
00:40:55,080 --> 00:40:52,810
I haven't heard of anybody else doing it

755
00:40:57,780 --> 00:40:55,090
I in and I still think that then once

756
00:41:00,030 --> 00:40:57,790
they got into the study they figured out

757
00:41:02,400 --> 00:41:00,040
well we're not going to be able to find

758
00:41:05,550 --> 00:41:02,410
the results of sweaty in three weeks

759
00:41:07,470 --> 00:41:05,560
because the the exercising I was doing

760
00:41:10,560 --> 00:41:07,480
that you know that was that would have

761
00:41:13,140 --> 00:41:10,570
been easy to find out but the serum that

762
00:41:15,030 --> 00:41:13,150
was altogether different and and they

763
00:41:17,010 --> 00:41:15,040

were looking they were looking at to

764

00:41:19,410 --> 00:41:17,020

section and we're looking at for focus

765

00:41:22,560 --> 00:41:19,420

what it did to your mind so I know what

766

00:41:24,270 --> 00:41:22,570

it did in my mind it gave me a brain for

767

00:41:28,940 --> 00:41:24,280

that I've been using for the last eighty

768

00:41:31,800 --> 00:41:28,950

three years and it's and it's given me a

769

00:41:35,100 --> 00:41:31,810

body that I can still use for 83 years

770

00:41:38,460 --> 00:41:35,110

from the longevity part of it so I know

771

00:41:40,410 --> 00:41:38,470

what did I know what it did for me but I

772

00:41:44,610 --> 00:41:40,420

can't say that it would do that for

773

00:41:46,920 --> 00:41:44,620

everybody or or whatever or but but and

774

00:41:49,170 --> 00:41:46,930

I can't I don't know whether or not they

775

00:41:50,910 --> 00:41:49,180

could have could reproduced it and then

776

00:41:53,580 --> 00:41:50,920

that way they weren't able to reproduce

777

00:41:56,550 --> 00:41:53,590

it they had they they had a formula they

778

00:41:59,580 --> 00:41:56,560

were planet planned X was going to give

779

00:42:00,330 --> 00:41:59,590

a little formula to make it but I don't

780

00:42:02,330 --> 00:42:00,340

know

781

00:42:05,340 --> 00:42:02,340

they were able to figure that out or not

782

00:42:06,630 --> 00:42:05,350

now we have a question from one of our

783

00:42:09,750 --> 00:42:06,640

listeners David Cook

784

00:42:13,590 --> 00:42:09,760

and he asked have done have you ever

785

00:42:16,380 --> 00:42:13,600

been sick said since taking the serum so

786

00:42:18,380 --> 00:42:16,390

all these years you know have you had

787

00:42:20,490 --> 00:42:18,390

any problems I know you said you had

788

00:42:23,820 --> 00:42:20,500

tonsillectomy when you were in France

789

00:42:27,030 --> 00:42:23,830

but other than that I had con Selecta

790

00:42:30,720 --> 00:42:27,040

mean in in France and I had prostate

791

00:42:34,250 --> 00:42:30,730

cancer uh ten years ago mm-hmm and the

792

00:42:40,400 --> 00:42:34,260

prostate cancer was eradicated with the

793

00:42:45,030 --> 00:42:40,410

da Vinci robot arthroscopic machine and

794

00:42:48,690 --> 00:42:45,040

they got they took out all the prostate

795

00:42:53,070 --> 00:42:48,700

gland so they took out all the prostate

796

00:42:57,540 --> 00:42:53,080

cancer and so I haven't I haven't

797

00:43:01,280 --> 00:42:57,550

anything through my lifetime it was

798

00:43:05,550 --> 00:43:01,290

pretty good I'm I played I played

799

00:43:09,180 --> 00:43:05,560

organized softball with kids in my

800

00:43:13,710 --> 00:43:09,190

sixties and I mean this was 18 17 18 19

801
00:43:16,560 --> 00:43:13,720
year old kids so I hear I've had them

802
00:43:18,930 --> 00:43:16,570
I've had a real good real good active

803
00:43:20,940 --> 00:43:18,940
life mmm which is still going on I go I

804
00:43:23,700 --> 00:43:20,950
go swimming there's an hour a day and

805
00:43:26,400 --> 00:43:23,710
and I do my shooting hoops and I'm a

806
00:43:31,740 --> 00:43:26,410
pure shooter at all like that one video

807
00:43:36,570 --> 00:43:31,750
that I said a lot and but that simple

808
00:43:40,260 --> 00:43:36,580
that simple exercises with the with the

809
00:43:43,080 --> 00:43:40,270
bar that's something to to give the

810
00:43:45,270 --> 00:43:43,090
people that there's very helpful I mean

811
00:43:47,910 --> 00:43:45,280
it not sell I'm not selling anything

812
00:43:52,050 --> 00:43:47,920
just can I just given it to him and

813
00:43:57,780 --> 00:43:52,060

that's that's why I think R&D was sort

814

00:44:00,210 --> 00:43:57,790

of leery of doing it so and now somebody

815

00:44:02,100 --> 00:44:00,220

somebody from the chat asked how long

816

00:44:04,380 --> 00:44:02,110

did you take the serum and they said

817

00:44:07,140 --> 00:44:04,390

just once but you actually you you took

818

00:44:09,690 --> 00:44:07,150

it once a day for a 21 day period

819

00:44:11,360 --> 00:44:09,700

correct and then I took it once a day

820

00:44:13,400 --> 00:44:11,370

for

821

00:44:17,000 --> 00:44:13,410

days when I had my tonsils acta me

822

00:44:19,340 --> 00:44:17,010

because I quit I when I took it in in

823

00:44:23,270 --> 00:44:19,350

France they injected it in my hip

824

00:44:26,330 --> 00:44:23,280

because I had I couldn't swallow mm-hmm

825

00:44:30,040 --> 00:44:26,340

and I couldn't swallow for 12 days and

826

00:44:33,920 --> 00:44:30,050

so they get they gave it to me my hip

827

00:44:37,820 --> 00:44:33,930

for 21 days it Edwards and then I had it

828

00:44:42,740 --> 00:44:37,830

for 12 days in Orland France and now was

829

00:44:45,770 --> 00:44:42,750

as I didn't after that I didn't hmm all

830

00:44:50,090 --> 00:44:45,780

right well we're coming up to about

831

00:44:52,550 --> 00:44:50,100

three minutes before the the show in so

832

00:44:54,590 --> 00:44:52,560

you know after after you've been on the

833

00:44:56,870 --> 00:44:54,600

show now dawn maybe maybe we will have

834

00:45:02,150 --> 00:44:56,880

some people come forward who may have

835

00:45:04,010 --> 00:45:02,160

been part of similar experiments but why

836

00:45:06,050 --> 00:45:04,020

don't you let our audience know about

837

00:45:07,610 --> 00:45:06,060

where they can find out more about you

838

00:45:11,510 --> 00:45:07,620

online I know you said you have some

839

00:45:20,500 --> 00:45:11,520

videos so I want to tell people where

840

00:45:33,460 --> 00:45:32,250

Facebook and my email is heinz h Gl n ze

841

00:45:42,200 --> 00:45:33,470

[Music]

842

00:45:45,670 --> 00:45:42,210

81 at yahoo.com and I can and if anyone

843

00:45:48,830 --> 00:45:45,680

is interested in looking at it I've got

844

00:45:53,480 --> 00:45:48,840

three videos but that they're just

845

00:45:55,640 --> 00:45:53,490

they're just nothing professional but

846

00:45:59,090 --> 00:45:55,650

the well the basketball one is

847

00:46:02,660 --> 00:45:59,100

professional but idiot it shows my

848

00:46:05,600 --> 00:46:02,670

activity thing but like I say if there's

849

00:46:09,670 --> 00:46:05,610

anyone out there that wants to Lester J

850

00:46:12,830 --> 00:46:09,680

on me for memory and physical that

851
00:46:15,620 --> 00:46:12,840
whatever they're welcome to it and they

852
00:46:21,470 --> 00:46:15,630
can they can email me you know and they

853
00:46:24,610 --> 00:46:21,480
could come and do it but my my blood

854
00:46:27,670 --> 00:46:24,620
work is the only thing

855
00:46:30,340 --> 00:46:27,680
that it's it's poor my blood work is

856
00:46:33,190 --> 00:46:30,350
perfect and that's really the only thing

857
00:46:42,390 --> 00:46:33,200
I can point you in my physical part

858
00:46:49,570 --> 00:46:44,590
all right well we got less than a minute

859
00:46:55,320 --> 00:46:49,580
to go here so Tim yeah well let's remind

860
00:46:58,660 --> 00:46:55,330
the people who go to our YouTube channel

861
00:47:02,800 --> 00:46:58,670
through UFOs secret files I think we

862
00:47:06,460 --> 00:47:02,810
have probably close to 400 interviews up

863
00:47:09,700 --> 00:47:06,470

there now and we we continue have on

864

00:47:12,910 --> 00:47:09,710

some of the most fascinating a guest in

865

00:47:16,780 --> 00:47:12,920

the world of the UFOs and the paranormal

866

00:47:19,810 --> 00:47:16,790

and I think tonight that's all I have my

867

00:47:23,350 --> 00:47:19,820

toast and take some serum and helped her

868

00:47:26,620 --> 00:47:23,360

we have a song grand life and thank you

869

00:47:30,640 --> 00:47:26,630

God my coming on program it was a it was

870

00:47:32,890 --> 00:47:30,650

a real real treat and now when you see

871

00:47:34,870 --> 00:47:32,900

your Elliot if you see any aliens out

872

00:47:39,310 --> 00:47:34,880

there say hello for us and grab us a

873

00:47:41,470 --> 00:47:39,320

bottle of serum and go to my go to my

874

00:47:44,740 --> 00:47:41,480

facebook page and my complete story is

875

00:47:46,660 --> 00:47:44,750

on on Facebook all right thank you so

876

00:47:48,910 --> 00:47:46,670

much and again well thank you for having

877

00:47:51,820 --> 00:47:48,920

me on gentlemen I really appreciate it

878

00:47:53,680 --> 00:47:51,830

you've got that be thank you yeah the

879

00:47:55,900 --> 00:47:53,690

night Tina good night Peter good night

880

00:47:58,150 --> 00:47:55,910

Alan good night Tim good night Carol

881

00:48:01,880 --> 00:47:58,160

good night to all our listeners out

882

00:48:04,310 --> 00:48:01,890

there in podcast land

883

00:48:08,300 --> 00:48:04,320

you've been listening to exploring the

884

00:48:11,540 --> 00:48:08,310

bazaar with hosts Timothy Beckley aunty

885

00:48:14,090 --> 00:48:11,550

Swartz they're taking back the night by

886

00:48:17,030 --> 00:48:14,100

jetting non-stop across the cosmos in

887

00:48:20,840 --> 00:48:17,040

search of the truly bizarre and totally

888

00:48:23,320 --> 00:48:20,850

unexplained with you as their cold

889

00:48:27,800 --> 00:48:23,330

Thursday nights at 7:00 p.m. Pacific

890

00:48:29,030 --> 00:48:27,810

10:00 p.m. Eastern on the K cor digital

891

00:48:31,610 --> 00:48:29,040

radio

892

00:48:34,550 --> 00:48:31,620

for more information on exploring the

893

00:48:37,220 --> 00:48:34,560

bazaars and hosts Timothy Beckley and

894

00:48:40,400 --> 00:48:37,230

Tim Swartz check out their kco our

895

00:48:46,460 --> 00:48:40,410

digital radio network follow their

896

00:48:57,500 --> 00:48:46,470

YouTube channel @m r UFO 1100 explore
