

EXPLORING THE BIZARRE A NEW MESSAGE FROM ASHTAR!

MARC BRINKERHOFF * TIM BECKLEY * TIM SWARTZ

1
00:00:37,490 --> 00:00:21,830

[Music]

2
00:00:44,450 --> 00:00:41,759

explore the bazaars are your e-ticket

3
00:00:47,729 --> 00:00:44,460

ride into the world of the paranoid

4
00:00:52,009 --> 00:00:47,739

strap yourself in as we traverse the

5
00:00:55,130 --> 00:00:52,019

universe exploring the unexplained UFO s

6
00:00:57,539 --> 00:00:55,140

ghosts Lost Worlds

7
00:01:01,380 --> 00:00:57,549

cryptozoology waters as well as other

8
00:01:05,789 --> 00:01:01,390

dimensions it's time to take back the

9
00:01:09,029 --> 00:01:05,799

night last night now your electrifying

10
00:01:13,820 --> 00:01:09,039

hosts of exploring the bizarre Timothy

11
00:01:20,100 --> 00:01:18,690

hi Tim oh so what's what's with the

12
00:01:23,160 --> 00:01:20,110

saloon I didn't know you were in the

13
00:01:26,520 --> 00:01:23,170

military aren't you kind of old to be

14

00:01:28,889 --> 00:01:26,530

heading off to boot camp Oh Tim I'm

15

00:01:31,260 --> 00:01:28,899

simply showing my allegiance to the free

16

00:01:36,749 --> 00:01:31,270

Federation of Planets and Commander

17

00:01:39,090 --> 00:01:36,759

Ashtar in particular Ashtar isn't he the

18

00:01:41,340 --> 00:01:39,100

spray brother who took over a TV

19

00:01:43,380 --> 00:01:41,350

broadcast in England a few years back

20

00:01:46,260 --> 00:01:43,390

telling the world government and

21

00:01:48,090 --> 00:01:46,270

military to behave themselves as we

22

00:01:51,480 --> 00:01:48,100

could be on the verge of Armageddon

23

00:01:53,429 --> 00:01:51,490

supposedly he he looked as human as one

24

00:01:55,279 --> 00:01:53,439

of us and that's why a lot of people

25

00:01:58,919 --> 00:01:55,289

thought the broadcast was a hoax

26
00:02:01,109 --> 00:01:58,929
yep Ashtar is the head honcho who is the

27
00:02:03,510 --> 00:02:01,119
leader of peaceful planets all over the

28
00:02:05,730 --> 00:02:03,520
universe it said that his crew actually

29
00:02:08,910 --> 00:02:05,740
is circling the earth and a huge

30
00:02:11,069 --> 00:02:08,920
mothership and will save the chosen if

31
00:02:13,199 --> 00:02:11,079
there is ever a pole shift or a nuclear

32
00:02:15,420 --> 00:02:13,209
war our guest tonight says he has

33
00:02:18,060 --> 00:02:15,430
actually met a star and is going to

34
00:02:22,650 --> 00:02:18,070
bring us a special message from our

35
00:02:24,539 --> 00:02:22,660
fearless leader well we can use as much

36
00:02:27,090 --> 00:02:24,549
help as possible in these troubling

37
00:02:29,789 --> 00:02:27,100
times let me know if a star is going to

38
00:02:32,880 --> 00:02:29,799

land somewhere tonight otherwise I think

39

00:02:36,000 --> 00:02:32,890

we should head back to the K cor studios

40

00:02:38,490 --> 00:02:36,010

and start grilling mark bring her off on

41

00:02:43,530 --> 00:02:38,500

what he knows about the commander and

42

00:02:46,729 --> 00:02:43,540

his crew of aliens we're in the air Star

43

00:02:53,300 --> 00:02:46,739

Command now we're not behind the plow

44

00:03:03,020 --> 00:02:58,220

oh boy I think we make a better host

45

00:03:05,360 --> 00:03:03,030

than we do singers there Tim you know I

46

00:03:07,970 --> 00:03:05,370

was I was just waiting for the agent to

47

00:03:10,550 --> 00:03:07,980

come sign me up well although I've heard

48

00:03:13,070 --> 00:03:10,560

some of the space people sing and what

49

00:03:15,770 --> 00:03:13,080

we out do a few of them but there there

50

00:03:20,810 --> 00:03:15,780

are some that sing like pardon the

51
00:03:25,460 --> 00:03:20,820
expression like angels makes me think of

52
00:03:28,090 --> 00:03:25,470
Howard Menzer and his was a piano piano

53
00:03:30,920 --> 00:03:28,100
plane from Saturn or something like that

54
00:03:35,210 --> 00:03:30,930
well maybe they are angels I think to

55
00:03:37,970 --> 00:03:35,220
some people they perhaps are and from

56
00:03:40,520 --> 00:03:37,980
what we've heard and we've been told

57
00:03:45,410 --> 00:03:40,530
some of the representatives of the

58
00:03:46,640 --> 00:03:45,420
ashtar command are quite attractive and

59
00:03:49,460 --> 00:03:46,650
appearance

60
00:03:52,880 --> 00:03:49,470
so anyway tonight our guest is going to

61
00:03:55,400 --> 00:03:52,890
tell us all he knows about Ashtar and

62
00:03:59,509 --> 00:03:55,410
the Federation of Planets

63
00:04:04,009 --> 00:03:59,519

in fact them our guest tonight is

64

00:04:06,530 --> 00:04:04,019

probably one of the best UFO repeaters

65

00:04:08,449 --> 00:04:06,540

in the world and by then I don't mean it

66

00:04:11,000 --> 00:04:08,459

has nothing to do with passing gas but

67

00:04:13,400 --> 00:04:11,010

um if you tell us that you tell our

68

00:04:15,410 --> 00:04:13,410

listeners and I'm sure a lot of them are

69

00:04:18,259 --> 00:04:15,420

familiar with our guest tonight but

70

00:04:20,780 --> 00:04:18,269

there are a few newbies out there in the

71

00:04:23,780 --> 00:04:20,790

audience those that have just the landed

72

00:04:27,530 --> 00:04:23,790

here from some far distant galaxies who

73

00:04:29,750 --> 00:04:27,540

may not have heard about our guest so

74

00:04:32,510 --> 00:04:29,760

take it away Tim Schwartz out there in

75

00:04:35,120 --> 00:04:32,520

the lovely palatial town of Jasper

76
00:04:38,090 --> 00:04:35,130
Indiana well and I should add to him

77
00:04:42,560 --> 00:04:38,100
that that our show tonight coincides

78
00:04:45,920 --> 00:04:42,570
with a new book that we just recently

79
00:04:50,210 --> 00:04:45,930
came out with dealing with the ashtar

80
00:04:54,159 --> 00:04:50,220
command and and his messages oh yes yes

81
00:04:57,140 --> 00:04:54,169
it's a stars the space brothers speak

82
00:05:00,409 --> 00:04:57,150
transmissions from the solar council in

83
00:05:03,050 --> 00:05:00,419
fact we did a rather lengthy interview

84
00:05:04,159 --> 00:05:03,060
with their guests in there tonight and

85
00:05:06,950 --> 00:05:04,169
laid it out on

86
00:05:09,980 --> 00:05:06,960
line this is for people who don't just

87
00:05:12,469 --> 00:05:09,990
want to hear about hostile UFOs but we

88
00:05:16,519 --> 00:05:12,479

want to tell them that there are some

89

00:05:19,760 --> 00:05:16,529

friendly space brothers who are visiting

90

00:05:21,950 --> 00:05:19,770

our planet or at least it's it said all

91

00:05:24,469 --> 00:05:21,960

right well our guest tonight is you as

92

00:05:26,629 --> 00:05:24,479

that Tim is Mark Brinkerhoff now mark

93

00:05:30,290 --> 00:05:26,639

has been on the show before it's been a

94

00:05:33,529 --> 00:05:30,300

while but we're always happy to have

95

00:05:35,929 --> 00:05:33,539

mark join us Thursday evenings on

96

00:05:38,629 --> 00:05:35,939

exploring the bizarre now Mark

97

00:05:41,119 --> 00:05:38,639

Brinkerhoff has had a lifetime of UFO

98

00:05:43,879 --> 00:05:41,129

related experiences including

99

00:05:46,339 --> 00:05:43,889

face-to-face meetings with human looking

100

00:05:50,179 --> 00:05:46,349

aliens and the ability to go out and

101
00:05:53,929 --> 00:05:50,189
take photos of UFOs on a regular basis

102
00:05:55,969 --> 00:05:53,939
mark says that he is a star seed in the

103
00:05:58,879 --> 00:05:55,979
form of a conscious Channel in walk in

104
00:06:01,640 --> 00:05:58,889
he is a self-aware aspect from very

105
00:06:04,029 --> 00:06:01,650
high-frequency dimensional universals of

106
00:06:07,610 --> 00:06:04,039
the and I'm never going to try to

107
00:06:12,139 --> 00:06:07,620
pronounce this mark maybe you can say it

108
00:06:13,939 --> 00:06:12,149
the Alsea glenn group I'll have you

109
00:06:18,230 --> 00:06:13,949
correct me wouldn't wouldn't have you on

110
00:06:20,480 --> 00:06:18,240
and there beyond the idea of behind the

111
00:06:23,570 --> 00:06:20,490
idea of spiritual masters now mark lives

112
00:06:26,600 --> 00:06:23,580
in New York and says that the UFO beans

113
00:06:29,899 --> 00:06:26,610

are programming us to become self-aware

114

00:06:31,879 --> 00:06:29,909

of our ultimate role in the universe he

115

00:06:34,639 --> 00:06:31,889

sees the aliens as being been Elva

116

00:06:37,369 --> 00:06:34,649

human-like space brothers who are here

117

00:06:40,159 --> 00:06:37,379

not to harm us but to lead us along the

118

00:06:42,739 --> 00:06:40,169

path to spiritual enlightenment and to

119

00:06:44,510 --> 00:06:42,749

usher in the new age so Mark bring her

120

00:06:50,089 --> 00:06:44,520

off welcome back to exploring the

121

00:06:52,129 --> 00:06:50,099

bizarre wait well you know mark are you

122

00:06:55,189 --> 00:06:52,139

are you uptown or are you as speaking

123

00:06:59,029 --> 00:06:55,199

from the controller module there above

124

00:07:02,629 --> 00:06:59,039

above the earth speaking beyond the

125

00:07:05,510 --> 00:07:02,639

earth right now in sector 5 well that's

126

00:07:12,110 --> 00:07:05,520

that's a long that's a long way that's a

127

00:07:13,639 --> 00:07:12,120

long way away yeah well we don't you're

128

00:07:15,889 --> 00:07:13,649

living in the park you say well that's

129

00:07:17,760 --> 00:07:15,899

that's pretty good actually

130

00:07:19,710 --> 00:07:17,770

the weather has the weather has

131

00:07:22,830 --> 00:07:19,720

hold off a little look at today so it's

132

00:07:25,430 --> 00:07:22,840

a nice night to be out actually but then

133

00:07:28,580 --> 00:07:25,440

we're going to learn all about the

134

00:07:33,719 --> 00:07:28,590

cosmos which is pretty cool by itself

135

00:07:36,330 --> 00:07:33,729

like I mentioned in the teaser mark is

136

00:07:39,240 --> 00:07:36,340

what I call a UFO repeater in other

137

00:07:42,659 --> 00:07:39,250

words he's just not a one-shot man he

138

00:07:46,170 --> 00:07:42,669

has the ability the apparent ability to

139

00:07:48,059 --> 00:07:46,180

go out at times with his camera aim it

140

00:07:50,930 --> 00:07:48,069

up at the sky click click click

141

00:07:53,820 --> 00:07:50,940

if cameras make a clicking sound today

142

00:07:58,649 --> 00:07:53,830

click click click and when the photos

143

00:08:01,680 --> 00:07:58,659

appear digitally or on film

144

00:08:04,800 --> 00:08:01,690

there are some very strange things on

145

00:08:07,999 --> 00:08:04,810

the on the prints which we cannot

146

00:08:11,580 --> 00:08:08,009

explain what we would call UFOs but

147

00:08:15,209 --> 00:08:11,590

marks ability of and his contact

148

00:08:16,619 --> 00:08:15,219

experiences go way way back to I

149

00:08:19,290 --> 00:08:16,629

understand

150

00:08:21,899 --> 00:08:19,300

mark when you were growing up and rather

151

00:08:25,080 --> 00:08:21,909

young how how old were you when the soul

152

00:08:30,050 --> 00:08:25,090

when it came to you that you had some

153

00:08:35,040 --> 00:08:33,480

yeah probably four and a half mostly but

154

00:08:36,420 --> 00:08:35,050

I was always going out of body which I

155

00:08:40,139 --> 00:08:36,430

didn't know that's what it was called as

156

00:08:43,920 --> 00:08:40,149

a child so I was always going to ships

157

00:08:46,110 --> 00:08:43,930

what I called home big ship but to me it

158

00:08:47,460 --> 00:08:46,120

was it was my home so I called it that

159

00:08:49,050 --> 00:08:47,470

they didn't have a name for a spaceship

160

00:08:50,310 --> 00:08:49,060

or anything I'd done four and a half or

161

00:08:53,460 --> 00:08:50,320

four years old and even three and a half

162

00:08:57,120 --> 00:08:53,470

so I that happened around four and a

163

00:08:59,610 --> 00:08:57,130

half I had contact with a small being

164

00:09:01,170 --> 00:08:59,620

that appeared in my room and these are

165

00:09:03,690 --> 00:09:01,180

beings I've seen before they're not

166

00:09:06,810 --> 00:09:03,700

greys but I used that one as my first

167

00:09:11,519 --> 00:09:06,820

because she waved to me and smiled and

168

00:09:12,810 --> 00:09:11,529

so I knew her from other times we'll say

169

00:09:15,180 --> 00:09:12,820

at other places we've been

170

00:09:17,100 --> 00:09:15,190

but the crew might as I called my

171

00:09:19,230 --> 00:09:17,110

friends and family crew they're the

172

00:09:21,360 --> 00:09:19,240

people I would always see at home on the

173

00:09:25,110 --> 00:09:21,370

ship when I would go out at night and as

174

00:09:26,819 --> 00:09:25,120

I was a child even asked my father when

175

00:09:29,340 --> 00:09:26,829

you go out I mean you go to sleep I said

176

00:09:31,290 --> 00:09:29,350

do you dream of the age you're in like

177

00:09:33,720 --> 00:09:31,300

if you're my age because I was a little

178

00:09:36,690 --> 00:09:33,730

did you dream like you were my age and

179

00:09:37,050 --> 00:09:36,700

your dreams to like four and he said to

180

00:09:39,449 --> 00:09:37,060

me

181

00:09:41,519 --> 00:09:39,459

yeah I yeah I did I was usually my age

182

00:09:45,509 --> 00:09:41,529

when I was dreaming but I said to him

183

00:09:48,690 --> 00:09:45,519

then how can that I'm not that within my

184

00:09:50,910 --> 00:09:48,700

dreams I'm always like gigantic because

185

00:09:52,769 --> 00:09:50,920

I know the people we were dealing with

186

00:09:55,590 --> 00:09:52,779

from Earth who were scientists or

187

00:09:57,569 --> 00:09:55,600

doctors and I was always like two feet

188

00:09:59,460 --> 00:09:57,579

higher than them with my other friends

189

00:10:01,710 --> 00:09:59,470

and crew so this is when they let me

190

00:10:04,340 --> 00:10:01,720

consciously be aware on the ship

191

00:10:06,810 --> 00:10:04,350

knowing as myself marklars a child

192

00:10:09,690 --> 00:10:06,820

knowing I was somewhere else and I was

193

00:10:13,920 --> 00:10:09,700

have that lucid connection and so that

194

00:10:18,810 --> 00:10:13,930

became what we call like a lucid we

195

00:10:21,660 --> 00:10:18,820

could lucid out a body dream and did

196

00:10:24,509 --> 00:10:21,670

your parents did your parents think you

197

00:10:28,790 --> 00:10:24,519

were just fantasizing this that this was

198

00:10:31,620 --> 00:10:28,800

your imagination going wild my father

199

00:10:34,590 --> 00:10:31,630

probably like when he told me later as I

200

00:10:36,510 --> 00:10:34,600

got older he said at first he was

201
00:10:39,329 --> 00:10:36,520
confused and then he thought oh maybe

202
00:10:40,769 --> 00:10:39,339
it's just a strange dream you know but

203
00:10:43,019 --> 00:10:40,779
when I told him at four-and-a-half about

204
00:10:45,660 --> 00:10:43,029
the solar system and about the planets

205
00:10:49,110 --> 00:10:45,670
in the solar system and the moon that is

206
00:10:51,240 --> 00:10:49,120
Hollow and as a base he began to say to

207
00:10:52,650 --> 00:10:51,250
me right then how do you know this I've

208
00:10:54,240 --> 00:10:52,660
never told you this and he loved

209
00:10:58,019 --> 00:10:54,250
astronomy but he never taught it to me

210
00:11:00,360 --> 00:10:58,029
but uh as time went on I would predict

211
00:11:01,889 --> 00:11:00,370
things and they would come true

212
00:11:03,090 --> 00:11:01,899
throughout the years and he would always

213
00:11:04,590 --> 00:11:03,100

point it out you know when you were five

214

00:11:05,790 --> 00:11:04,600

he said doesn't hear just happening and

215

00:11:10,860 --> 00:11:05,800

now you're eight you know something like

216

00:11:12,870 --> 00:11:10,870

that um or nine and so he began to

217

00:11:15,090 --> 00:11:12,880

listen to me when I was that age when he

218

00:11:18,120 --> 00:11:15,100

said I described the solar system to him

219

00:11:21,540 --> 00:11:18,130

and told him when he asked me how many

220

00:11:23,910 --> 00:11:21,550

planets are there I said well how many

221

00:11:27,210 --> 00:11:23,920

do you say and then he said nine he

222

00:11:29,340 --> 00:11:27,220

counted and he told me and I said that

223

00:11:32,100 --> 00:11:29,350

was 12 and I'm including the one that

224

00:11:34,590 --> 00:11:32,110

blew up and he said the one that blew up

225

00:11:37,470 --> 00:11:34,600

I said yeah the one the one is between

226

00:11:39,449 --> 00:11:37,480

that giant planet and he said the

227

00:11:42,480 --> 00:11:39,459

asteroid belt and you see I'm number I'm

228

00:11:45,170 --> 00:11:42,490

four and a half I said yeah that's the

229

00:11:48,960 --> 00:11:45,180

one it was a giant planet blew up

230

00:11:52,140 --> 00:11:48,970

so in just deep space in the outer part

231

00:11:54,000 --> 00:11:52,150

of our solar system art to other bigger

232

00:11:55,860 --> 00:11:54,010

colder planets that are out there but

233

00:11:57,720 --> 00:11:55,870

they're useless basis there's nobody

234

00:12:00,870 --> 00:11:57,730

really living on the outside of the

235

00:12:02,790 --> 00:12:00,880

planet and though they did discover one

236

00:12:05,990 --> 00:12:02,800

I think back in the 1960s that they knew

237

00:12:08,400 --> 00:12:06,000

his past Pluto and the space people

238

00:12:10,020 --> 00:12:08,410

still consider pollute Oh a planet so

239

00:12:12,510 --> 00:12:10,030

okay whatever it says but they

240

00:12:14,630 --> 00:12:12,520

considered a small planet where and it's

241

00:12:17,910 --> 00:12:14,640

also a satellite in a sense to community

242

00:12:20,670 --> 00:12:17,920

so he listened to me throughout those

243

00:12:22,260 --> 00:12:20,680

times and when I was about 11 or 10

244

00:12:26,280 --> 00:12:22,270

different age groups

245

00:12:28,290 --> 00:12:26,290

I actually five I saw the first biggest

246

00:12:29,880 --> 00:12:28,300

fear that was up on the school field

247

00:12:34,350 --> 00:12:29,890

three o'clock in the afternoon

248

00:12:36,930 --> 00:12:34,360

giant hey this was what what town was

249

00:12:39,840 --> 00:12:36,940

this in this is my whole pack New York

250

00:12:42,150 --> 00:12:39,850

upstate our from New York or so and he

251
00:12:44,910 --> 00:12:42,160
used to be the old high school back then

252
00:12:46,500 --> 00:12:44,920
and I lived down the road from it so I

253
00:12:49,380 --> 00:12:46,510
could just run up the hill go to the

254
00:12:50,850 --> 00:12:49,390
back field in 30 seconds and I count the

255
00:12:52,980 --> 00:12:50,860
destination could run and run back

256
00:12:54,780 --> 00:12:52,990
because I was a fast runner so I could

257
00:12:56,010 --> 00:12:54,790
sneak out run up there have an

258
00:12:59,250 --> 00:12:56,020
experience come back down and nobody

259
00:13:01,050 --> 00:12:59,260
would know I was missing and then my

260
00:13:03,180 --> 00:13:01,060
father had witnessed spaceships with me

261
00:13:05,850 --> 00:13:03,190
my mother too

262
00:13:07,950 --> 00:13:05,860
she was a skeptic but she believed at

263
00:13:09,390 --> 00:13:07,960

the end before she died she was telling

264

00:13:12,000 --> 00:13:09,400

me things you know I've always done

265

00:13:13,890 --> 00:13:12,010

realize something's different my father

266

00:13:18,780 --> 00:13:13,900

actually did the same thing when he

267

00:13:20,310 --> 00:13:18,790

before he died in 85 so they've had a he

268

00:13:22,530 --> 00:13:20,320

always watched me and he was and he

269

00:13:24,510 --> 00:13:22,540

watched my telepathy or things I deal

270

00:13:25,950 --> 00:13:24,520

with animals even my grandmother who's

271

00:13:28,800 --> 00:13:25,960

on the other side too a long time ago

272

00:13:31,410 --> 00:13:28,810

said you have this ability with animals

273

00:13:34,650 --> 00:13:31,420

and yet she would say st. Francis was

274

00:13:35,970 --> 00:13:34,660

with you but I had fish swim around me

275

00:13:38,010 --> 00:13:35,980

in the lake I could pick him up in the

276

00:13:42,470 --> 00:13:38,020

water as a kid I'll say six or seven

277

00:13:44,880 --> 00:13:42,480

five I could tell them telepathically as

278

00:13:46,740 --> 00:13:44,890

to stay away from the dock and kids were

279

00:13:48,570 --> 00:13:46,750

fishing and the people would not catch a

280

00:13:50,400 --> 00:13:48,580

fish and the fish were to sit under the

281

00:13:52,230 --> 00:13:50,410

dock or out in the deeper water waiting

282

00:13:54,480 --> 00:13:52,240

and they can throw bread and no fish

283

00:13:57,120 --> 00:13:54,490

will come in and when I went over to the

284

00:13:58,290 --> 00:13:57,130

finish and called one to come over I

285

00:14:00,240 --> 00:13:58,300

could pick it up out of the water

286

00:14:01,860 --> 00:14:00,250

this is rare and this never happens but

287

00:14:04,650 --> 00:14:01,870

the kids witnessed it and they said oh

288

00:14:06,030 --> 00:14:04,660

my gosh so they left the dock as soon as

289

00:14:11,010 --> 00:14:06,040

they left all the fish came over to get

290

00:14:14,820 --> 00:14:11,020

the bread so yeah okay well okay mark

291

00:14:18,090 --> 00:14:14,830

well now the question come comes up here

292

00:14:19,980 --> 00:14:18,100

is is and I asked this I guess of all

293

00:14:22,620 --> 00:14:19,990

the I guess they have had some pretty

294

00:14:24,990 --> 00:14:22,630

incredible experiences why you why you I

295

00:14:27,360 --> 00:14:25,000

mean what was special about you that

296

00:14:30,060 --> 00:14:27,370

fish would sir for you and that you

297

00:14:33,240 --> 00:14:30,070

would be able to have these telepathic

298

00:14:36,000 --> 00:14:33,250

out-of-body experiences or even run up

299

00:14:38,310 --> 00:14:36,010

to the hill and and and see the the

300

00:14:42,060 --> 00:14:38,320

spaceships I mean what what makes you so

301
00:14:44,520 --> 00:14:42,070
unique yeah I I used to say that to

302
00:14:48,270 --> 00:14:44,530
myself but I know I'm not from here and

303
00:14:49,860 --> 00:14:48,280
I took over a body and it's called being

304
00:14:52,410 --> 00:14:49,870
walking I guess now you know that's what

305
00:14:55,020 --> 00:14:52,420
I learned you have to be but I I called

306
00:14:57,090 --> 00:14:55,030
it walking I didn't call it walking and

307
00:14:58,710 --> 00:14:57,100
I called it like taking over because we

308
00:15:01,110 --> 00:14:58,720
didn't have a word for it if the soul

309
00:15:02,670 --> 00:15:01,120
left the body we another one could take

310
00:15:05,940 --> 00:15:02,680
it over if it got there fast enough to

311
00:15:09,680 --> 00:15:05,950
be there and so that was what happened

312
00:15:12,990 --> 00:15:09,690
to me at my mother was having a

313
00:15:13,410 --> 00:15:13,000

miscarriage and maybe was gonna be born

314

00:15:15,870 --> 00:15:13,420

dead

315

00:15:18,030 --> 00:15:15,880

the soul left it I was upgrading with an

316

00:15:20,430 --> 00:15:18,040

angel we all have angels our greatest

317

00:15:21,780 --> 00:15:20,440

guardians and they're friends of ours

318

00:15:23,220 --> 00:15:21,790

actually they're angels but they're

319

00:15:26,100 --> 00:15:23,230

friends because there are different

320

00:15:28,290 --> 00:15:26,110

substance than we are we're sold there

321

00:15:30,150 --> 00:15:28,300

they're a substance difference different

322

00:15:32,880 --> 00:15:30,160

energy so they would be beyond the

323

00:15:35,670 --> 00:15:32,890

spirit so the angel says do you want to

324

00:15:36,840 --> 00:15:35,680

try this one and this soul came out and

325

00:15:38,010 --> 00:15:36,850

said baby's gonna be born dead I'm

326

00:15:40,710 --> 00:15:38,020

leaving which is already was stillborn

327

00:15:44,700 --> 00:15:40,720

because the machinery they had set up

328

00:15:46,980 --> 00:15:44,710

when waffle I went down check to check

329

00:15:49,620 --> 00:15:46,990

that I could get in I connected to the

330

00:15:52,170 --> 00:15:49,630

body with telepathy and you connect with

331

00:15:54,810 --> 00:15:52,180

your soul to the head and chest local

332

00:15:58,500 --> 00:15:54,820

area and once you connect the link is

333

00:16:01,260 --> 00:15:58,510

made when the Creator not us the Creator

334

00:16:02,520 --> 00:16:01,270

sends a frequency through and that's all

335

00:16:04,500 --> 00:16:02,530

known what was going on because we had

336

00:16:06,600 --> 00:16:04,510

arranged this me and the crew without

337

00:16:10,560 --> 00:16:06,610

saying crew and reigns through the solar

338

00:16:13,830 --> 00:16:10,570

system before I got here in the 1920s

339

00:16:17,640 --> 00:16:13,840

and we were testing to see how this is

340

00:16:20,970 --> 00:16:17,650

done and I can't go into that experience

341

00:16:23,130 --> 00:16:20,980

but it was just a watching effect I was

342

00:16:27,150 --> 00:16:23,140

watching and observing and seeing how it

343

00:16:31,620 --> 00:16:27,160

works and when I described you know then

344

00:16:33,780 --> 00:16:31,630

what we would call a star seed our are

345

00:16:37,320 --> 00:16:33,790

you can you identify where you came from

346

00:16:41,400 --> 00:16:37,330

or are the people that you the races

347

00:16:43,530 --> 00:16:41,410

that you represent yeah I come from a

348

00:16:45,780 --> 00:16:43,540

totally different galaxy and that's

349

00:16:48,030 --> 00:16:45,790

called a fig Leah and Tim had it right

350

00:16:48,450 --> 00:16:48,040

to any browser but that was a long time

351
00:16:50,280 --> 00:16:48,460
ago

352
00:16:53,190 --> 00:16:50,290
and so we were working in this galaxy in

353
00:16:54,300 --> 00:16:53,200
the solar system for a million years at

354
00:16:55,440 --> 00:16:54,310
least because I was here when the

355
00:16:57,420 --> 00:16:55,450
dinosaurs were here and I knew about

356
00:16:59,520 --> 00:16:57,430
dinosaurs at five years loves to tell my

357
00:17:01,890 --> 00:16:59,530
parents about them and I said to them as

358
00:17:04,380 --> 00:17:01,900
I got a little older to understand that

359
00:17:08,090 --> 00:17:04,390
some of them had warm blood like mammals

360
00:17:10,320 --> 00:17:08,100
and they that was not known back in 1963

361
00:17:12,690 --> 00:17:10,330
but when Jurassic Park came out I was

362
00:17:14,730 --> 00:17:12,700
excited to hear what they said there um

363
00:17:19,200 --> 00:17:14,740

so I was visiting the earth at that time

364

00:17:21,120 --> 00:17:19,210

and during times of Atlanteans and Roley

365

00:17:22,410 --> 00:17:21,130

Atlantis it was another headland and

366

00:17:24,150 --> 00:17:22,420

other things were happening with other

367

00:17:27,360 --> 00:17:24,160

people so I've met people throughout my

368

00:17:29,220 --> 00:17:27,370

years here and I'm 66 now but I've met

369

00:17:31,470 --> 00:17:29,230

people who recognized me from Atlantis

370

00:17:33,780 --> 00:17:31,480

who I've never met but they said oh you

371

00:17:36,810 --> 00:17:33,790

were that person that big knee and had

372

00:17:39,180 --> 00:17:36,820

Paul people at APD or whatever your name

373

00:17:40,560 --> 00:17:39,190

began with an S R and had elves and in

374

00:17:44,450 --> 00:17:40,570

that and I was like what

375

00:17:46,860 --> 00:17:44,460

this happened in 1978 so people just

376

00:17:49,370 --> 00:17:46,870

remember things when they when we met

377

00:17:52,320 --> 00:17:49,380

and also we took people off the planet

378

00:17:54,150 --> 00:17:52,330

during the time of Atlantis and was

379

00:17:57,030 --> 00:17:54,160

having crashes and things were happening

380

00:17:59,040 --> 00:17:57,040

and sinking so we did rescue people and

381

00:18:00,480 --> 00:17:59,050

part of our mission from the crew and

382

00:18:03,870 --> 00:18:00,490

the intergalactic Commission and the

383

00:18:06,180 --> 00:18:03,880

intergalactic mission people and astron

384

00:18:07,830 --> 00:18:06,190

can abandon everything and are here to

385

00:18:10,110 --> 00:18:07,840

help people understand what's going to

386

00:18:12,000 --> 00:18:10,120

happen on our planet now we're going

387

00:18:17,100 --> 00:18:12,010

into some heavy duty times here on

388

00:18:20,430 --> 00:18:17,110

planet earth and when I did have I guess

389

00:18:22,290 --> 00:18:20,440

I'm jumping around sorry ten but no well

390

00:18:24,360 --> 00:18:22,300

that's all right we could say since

391

00:18:27,000 --> 00:18:24,370

you're come on welcome

392

00:18:29,039 --> 00:18:27,010

you're welcome to know what and Wedmore

393

00:18:31,799 --> 00:18:29,049

it was me through that's all I can say

394

00:18:34,830 --> 00:18:31,809

for my friend but also we work with

395

00:18:38,000 --> 00:18:34,840

Ashtar and his crews and the different

396

00:18:40,740 --> 00:18:38,010

alliance groups that are all nevolin so

397

00:18:42,930 --> 00:18:40,750

when we talk to the people in our solar

398

00:18:45,810 --> 00:18:42,940

system now on Saturn and Venus there is

399

00:18:47,850 --> 00:18:45,820

the different actual undifferenced there

400

00:18:50,039 --> 00:18:47,860

are councils that you talk with before

401
00:18:52,169 --> 00:18:50,049
you come in if you don't have karma on a

402
00:18:54,630 --> 00:18:52,179
planet and you weren't born in it before

403
00:18:56,460 --> 00:18:54,640
you just can't walk and come in so you

404
00:18:58,049 --> 00:18:56,470
have to have something to set up and the

405
00:18:59,909 --> 00:18:58,059
only way they tell you to do this and

406
00:19:02,070 --> 00:18:59,919
how they can do it is if somebody sees

407
00:19:04,019 --> 00:19:02,080
their body where somebody accidentally

408
00:19:05,370 --> 00:19:04,029
you know has an accident but they don't

409
00:19:07,830 --> 00:19:05,380
totally maim their body or something

410
00:19:09,299 --> 00:19:07,840
dying then they could take it off so we

411
00:19:11,190 --> 00:19:09,309
were like what you know this is how it

412
00:19:13,289 --> 00:19:11,200
worked so when they said who among you

413
00:19:15,870 --> 00:19:13,299

had the most meeting and times on the

414

00:19:18,600 --> 00:19:15,880

planet and out of our gang and crew a

415

00:19:20,669 --> 00:19:18,610

bunch of us I was the one who worked on

416

00:19:22,950 --> 00:19:20,679

the planet the most that's all and I

417

00:19:25,260 --> 00:19:22,960

kept coming back to the plan because my

418

00:19:28,620 --> 00:19:25,270

wife still is who's foolish now was my

419

00:19:31,350 --> 00:19:28,630

soulmate and I would come to see her and

420

00:19:33,870 --> 00:19:31,360

come to see what she's doing whether

421

00:19:37,200 --> 00:19:33,880

male or female and upon cousin Atlantis

422

00:19:41,639 --> 00:19:37,210

she was a male a teenager that I met so

423

00:19:43,019 --> 00:19:41,649

I came back now to help her come home to

424

00:19:45,810 --> 00:19:43,029

the ships and where we lived our home

425

00:19:48,240 --> 00:19:45,820

and him and everybody all of us who are

426

00:19:50,029 --> 00:19:48,250

open and aware of the space people and

427

00:19:52,769 --> 00:19:50,039

then being sort of light and benevolent

428

00:19:55,529 --> 00:19:52,779

your home is not on this planet Earth

429

00:19:59,549 --> 00:19:55,539

it's on the other dimensional spaces in

430

00:20:04,049 --> 00:19:59,559

space and well I'm all packed and ready

431

00:20:06,480 --> 00:20:04,059

to do it you got I'm ready there I'm

432

00:20:11,240 --> 00:20:06,490

ready to go not too soon not too soon

433

00:20:13,769 --> 00:20:11,250

yeah into the beam you'll be fine yeah

434

00:20:16,799 --> 00:20:13,779

yeah you know what what always impressed

435

00:20:19,080 --> 00:20:16,809

me about you and the most mark was the

436

00:20:21,269 --> 00:20:19,090

the photographs that you you took I mean

437

00:20:24,750 --> 00:20:21,279

you have some really exceptional stuff

438

00:20:28,260 --> 00:20:24,760

there there there's one that shows I

439

00:20:30,000 --> 00:20:28,270

think what appears to be a porthole or

440

00:20:33,200 --> 00:20:30,010

some sort and then you can see the

441

00:20:35,930 --> 00:20:33,210

silhouette or the the shadow of

442

00:20:38,580 --> 00:20:35,940

something an alley and I would assume

443

00:20:42,389 --> 00:20:38,590

inside the

444

00:20:44,639 --> 00:20:42,399

and then there's a another one which i

445

00:20:47,759 --> 00:20:44,649

think is of a disc or a large mothership

446

00:20:50,519 --> 00:20:47,769

and something is a shooting out of out

447

00:20:52,019 --> 00:20:50,529

of the the craft across the sky why

448

00:20:53,310 --> 00:20:52,029

don't you tell us a little bit about the

449

00:20:56,220 --> 00:20:53,320

circumstances that you took these

450

00:20:59,190 --> 00:20:56,230

photographs and am i in the the right

451
00:21:00,629 --> 00:20:59,200
ballpark there and describing them yes

452
00:21:04,109 --> 00:21:00,639
you are those are the first two that I

453
00:21:06,599 --> 00:21:04,119
received on the same role the three and

454
00:21:08,099 --> 00:21:06,609
six were their numbers and three the

455
00:21:10,080 --> 00:21:08,109
people in space I've always worked with

456
00:21:12,419 --> 00:21:10,090
number three's so I have things on

457
00:21:14,549 --> 00:21:12,429
threes nines and things like that but

458
00:21:17,759 --> 00:21:14,559
yeah that was the first ones I had asked

459
00:21:20,549 --> 00:21:17,769
that night no I had seen things and had

460
00:21:22,349 --> 00:21:20,559
UFOs hovering over me but in hand what

461
00:21:29,430 --> 00:21:22,359
year what are your would would this have

462
00:21:32,460 --> 00:21:29,440
been 77 78 yeah I met Phyllis in 78 with

463
00:21:35,849 --> 00:21:32,470

and I met you in 76 you and well

464

00:21:37,950 --> 00:21:35,859

actually in a sense I I think we were

465

00:21:39,840 --> 00:21:37,960

responsible for you meeting you Phyllis

466

00:21:42,479 --> 00:21:39,850

because at the time if I remember

467

00:21:46,320 --> 00:21:42,489

correctly she was working at one of the

468

00:21:49,289 --> 00:21:46,330

local TV stations here WPIX and she was

469

00:21:54,109 --> 00:21:49,299

interested not a TV I think I think

470

00:21:56,700 --> 00:21:54,119

whatever was but yeah anyway yeah yeah

471

00:21:59,909 --> 00:21:56,710

anyway she was interested in the subject

472

00:22:01,739 --> 00:21:59,919

and I wasn't the contactee or anything

473

00:22:04,049 --> 00:22:01,749

and when Harold mentioned that you had

474

00:22:06,330 --> 00:22:04,059

had these experiences he was very

475

00:22:08,509 --> 00:22:06,340

interested in finding out more but let's

476

00:22:12,359 --> 00:22:08,519

get let's get back to those two

477

00:22:13,049 --> 00:22:12,369

photographs for a minute who is inside

478

00:22:16,259 --> 00:22:13,059

the ship

479

00:22:18,389 --> 00:22:16,269

what does that silhouette represent that

480

00:22:21,629 --> 00:22:18,399

would represent the benevolent people

481

00:22:25,710 --> 00:22:21,639

that were talking about MySpace friends

482

00:22:29,489 --> 00:22:25,720

my space crew doesn't have a night does

483

00:22:33,239 --> 00:22:29,499

he have a name if that being that we

484

00:22:35,489 --> 00:22:33,249

show ya picture yeah yeah if my it was

485

00:22:38,729 --> 00:22:35,499

probably one of our friends and crew at

486

00:22:40,200 --> 00:22:38,739

Lera knows or somebody I huh crew member

487

00:22:43,470 --> 00:22:40,210

that ain't hang with and they came close

488

00:22:46,049 --> 00:22:43,480

in those days and then over over us and

489

00:22:49,680 --> 00:22:46,059

until us and we had a giant boomerang

490

00:22:52,050 --> 00:22:49,690

come over us in 1978 with velvet soft

491

00:22:54,060 --> 00:22:52,060

velvet covering like

492

00:22:56,340 --> 00:22:54,070

was made not to reflect you could see

493

00:22:57,780 --> 00:22:56,350

the lights when I came over blocked out

494

00:22:59,940 --> 00:22:57,790

all the stars in the sky and the moon

495

00:23:01,590 --> 00:22:59,950

was not out that night and I've heard

496

00:23:04,710 --> 00:23:01,600

very low Skanda so you could feel the

497

00:23:07,860 --> 00:23:04,720

scanner go over you like but no sound

498

00:23:09,090 --> 00:23:07,870

and then as soon as they did that it was

499

00:23:15,740 --> 00:23:09,100

bigger than the football field we were

500

00:23:21,180 --> 00:23:18,330

this is up near a pine butch and

501
00:23:25,770 --> 00:23:21,190
Brewster no this is may impact at the

502
00:23:27,660 --> 00:23:25,780
school field impact okay live and and

503
00:23:32,760 --> 00:23:27,670
went over us it's just teleporter was

504
00:23:35,070 --> 00:23:32,770
gone and and before my father died he

505
00:23:36,480 --> 00:23:35,080
was in the hospital and a boomerang UFO

506
00:23:38,100 --> 00:23:36,490
heard over the hospital came over the

507
00:23:40,530 --> 00:23:38,110
property where he could see out the

508
00:23:42,510 --> 00:23:40,540
window and he called me he says they're

509
00:23:45,750 --> 00:23:42,520
coming to get me and take me along next

510
00:23:47,310 --> 00:23:45,760
day he died and no he was not from here

511
00:23:50,510 --> 00:23:47,320
either and they told him you're you're

512
00:23:52,920 --> 00:23:50,520
my friend from space it's how I got here

513
00:23:54,960 --> 00:23:52,930

all right mark I need to interrupt you

514

00:23:56,550 --> 00:23:54,970

here because we are going to our bottom

515

00:23:58,080 --> 00:23:56,560

of the hour break so when we come back

516

00:24:00,300 --> 00:23:58,090

we'll continue our conversation with

517

00:24:03,380 --> 00:24:00,310

Mark Berger Hoff on exploring the

518

00:24:12,100 --> 00:24:03,390

bizarre so stay tuned for more

519

00:24:18,830 --> 00:24:16,250

now that to exploring the bazaar with

520

00:24:21,830 --> 00:24:18,840

two of the most electrifying researchers

521

00:24:28,700 --> 00:24:21,840

in the Paranoid your hosts Timothy

522

00:24:31,370 --> 00:24:28,710

Rebecca Lee panting Swartz and welcome

523

00:24:33,380 --> 00:24:31,380

back to explore in the bazaar I'm Tim

524

00:24:36,530 --> 00:24:33,390

Swartz along with Timothy green Beckley

525

00:24:40,760 --> 00:24:36,540

and tonight we're talking with Mark

526

00:24:43,820 --> 00:24:40,770

Brinkerhoff so mark I don't know if I

527

00:24:45,200 --> 00:24:43,830

Tim do you want to continue your your

528

00:24:49,370 --> 00:24:45,210

line of questioning before we had to go

529

00:24:53,120 --> 00:24:49,380

on our break or should we go on I guess

530

00:24:57,340 --> 00:24:53,130

we're gonna go on walk all right there's

531

00:25:03,770 --> 00:24:57,350

something that I that I'm curious about

532

00:25:07,250 --> 00:25:03,780

and I suppose this involves some what

533

00:25:09,410 --> 00:25:07,260

the nature of intelligent life in this

534

00:25:12,650 --> 00:25:09,420

universe I mean issue as you well know I

535

00:25:16,370 --> 00:25:12,660

mean scientists here on earth for a long

536

00:25:21,770 --> 00:25:16,380

time have been looking for radio signals

537

00:25:23,300 --> 00:25:21,780

or are some kinds of sign that that

538

00:25:25,550 --> 00:25:23,310

they're you know there's other

539

00:25:27,770 --> 00:25:25,560

intelligent life out there and so far

540

00:25:29,750 --> 00:25:27,780

they at least as far as we know they

541

00:25:32,840 --> 00:25:29,760

haven't come across anything fa they

542

00:25:36,080 --> 00:25:32,850

haven't received any you know like pop

543

00:25:39,620 --> 00:25:36,090

hits from Alpha Centauri on their radio

544

00:25:42,080 --> 00:25:39,630

telescopes and you know just just

545

00:25:43,850 --> 00:25:42,090

recently I was reading an article

546

00:25:45,800 --> 00:25:43,860

they're talking about you know well

547

00:25:49,700 --> 00:25:45,810

maybe we are alone in the universe maybe

548

00:25:52,940 --> 00:25:49,710

somehow you know we're everybody else is

549

00:26:00,530 --> 00:25:52,950

either killed themselves off or were the

550

00:26:02,570 --> 00:26:00,540

first or whatever so with with with what

551
00:26:05,330 --> 00:26:02,580
you know I mean what's the explanation

552
00:26:07,850 --> 00:26:05,340
for this I mean obviously in your

553
00:26:13,010 --> 00:26:07,860
opinion the the universe is is teeming

554
00:26:16,610 --> 00:26:13,020
with life so why is it that that we're

555
00:26:18,830 --> 00:26:16,620
not that aware of it mostly because most

556
00:26:21,290 --> 00:26:18,840
life is not on the heavy dense physical

557
00:26:23,810 --> 00:26:21,300
planes like we're on right now on earth

558
00:26:26,090 --> 00:26:23,820
of the first level we teach a whole

559
00:26:28,430 --> 00:26:26,100
thing Phyllis and I on the levels around

560
00:26:31,220 --> 00:26:28,440
the earth in other parts of cosmic space

561
00:26:34,310 --> 00:26:31,230
areas and most people in ancient times

562
00:26:37,220 --> 00:26:34,320
know they said seven chakras seven

563
00:26:40,250 --> 00:26:37,230

levels around the planet or however they

564

00:26:41,960 --> 00:26:40,260

thought that frequency and yeah the body

565

00:26:44,450 --> 00:26:41,970

doesn't have chakra points on all the

566

00:26:46,780 --> 00:26:44,460

ganglia areas and nerves and joints so

567

00:26:49,940 --> 00:26:46,790

it's just not to seven there's more but

568

00:26:52,430 --> 00:26:49,950

beyond our earth our more dimensional

569

00:26:54,890 --> 00:26:52,440

spaces called the cosmic levels or

570

00:26:56,270 --> 00:26:54,900

universal levels after that so beyond

571

00:27:00,740 --> 00:26:56,280

the seven planes that people know about

572

00:27:06,320 --> 00:27:00,750

our 12 total let's say 12 and then it

573

00:27:09,320 --> 00:27:06,330

keeps going on to 22 and 33 and so it's

574

00:27:10,940 --> 00:27:09,330

keeps on going on and on on different

575

00:27:13,040 --> 00:27:10,950

frequencies but there's only certain

576

00:27:15,500 --> 00:27:13,050

level frequencies where the physical

577

00:27:17,420 --> 00:27:15,510

bodies or body that are feel physical

578

00:27:20,030 --> 00:27:17,430

when you're on the dimensions can be

579

00:27:22,220 --> 00:27:20,040

created and they are within all the

580

00:27:24,350 --> 00:27:22,230

dimensional spaces to the twelfth

581

00:27:26,660 --> 00:27:24,360

frequency or the 12 plus dimensional

582

00:27:28,850 --> 00:27:26,670

levels after that you get into beingness

583

00:27:30,770 --> 00:27:28,860

in your form if you remember the movie

584

00:27:32,950 --> 00:27:30,780

knowing they have people kind of glowing

585

00:27:36,200 --> 00:27:32,960

like like people almost right parent

586

00:27:37,750 --> 00:27:36,210

that movie was projecting a lot of

587

00:27:40,070 --> 00:27:37,760

information that was actually

588

00:27:44,180 --> 00:27:40,080

forerunners with information coming to

589

00:27:46,700 --> 00:27:44,190

the planet so the so the first level

590

00:27:50,120 --> 00:27:46,710

we're on right now we call the first

591

00:27:52,010 --> 00:27:50,130

level physical density reality there's

592

00:27:54,380 --> 00:27:52,020

only way you could put it the second

593

00:27:56,450 --> 00:27:54,390

frequency level is a level when you

594

00:27:59,090 --> 00:27:56,460

leave your body and passing or

595

00:28:00,680 --> 00:27:59,100

out-of-body and they aren't you're on to

596

00:28:03,290 --> 00:28:00,690

the next frequency or density over there

597

00:28:05,720 --> 00:28:03,300

but within each level even the first

598

00:28:07,820 --> 00:28:05,730

level which we're on right now are many

599

00:28:09,230 --> 00:28:07,830

levels within that so you have below the

600

00:28:10,940 --> 00:28:09,240

first level we got first level you got

601
00:28:12,470 --> 00:28:10,950
some later little slower which would be

602
00:28:14,750 --> 00:28:12,480
kept going into the hell levels people

603
00:28:16,630 --> 00:28:14,760
call hell realms are negative and in the

604
00:28:19,130 --> 00:28:16,640
T realms then it goes a little higher

605
00:28:20,270 --> 00:28:19,140
from our earth physical walking on the

606
00:28:22,190 --> 00:28:20,280
plan right now go a little a little

607
00:28:23,960 --> 00:28:22,200
higher more and then you have a

608
00:28:25,970 --> 00:28:23,970
slightest Irit groups that are there

609
00:28:28,370 --> 00:28:25,980
there's a space people that are theory

610
00:28:31,580 --> 00:28:28,380
ins there we can't see them they're

611
00:28:33,890 --> 00:28:31,590
fast-moving energy so to this house

612
00:28:34,670 --> 00:28:33,900
where they're invisible to them they can

613
00:28:37,790 --> 00:28:34,680

see us

614

00:28:39,440 --> 00:28:37,800

they choose to see through us they can

615

00:28:41,870 --> 00:28:39,450

see us and they will just stand there

616

00:28:43,700 --> 00:28:41,880

watching us like some of the beings have

617

00:28:45,320 --> 00:28:43,710

done so the thing is they're not they

618

00:28:47,720 --> 00:28:45,330

don't intend people not be afraid of

619

00:28:49,430 --> 00:28:47,730

this they do not interfere into people's

620

00:28:50,510 --> 00:28:49,440

privacy okay so don't think that you're

621

00:28:51,920 --> 00:28:50,520

taking a bath and they're in there

622

00:28:53,690 --> 00:28:51,930

watching you know they don't do that

623

00:28:55,730 --> 00:28:53,700

the energy that your soul puts out as

624

00:28:57,350 --> 00:28:55,740

well when it wants privacy unless a

625

00:28:59,830 --> 00:28:57,360

person - the total exhibitionist and the

626
00:29:02,360 --> 00:28:59,840
shield goes down everybody's open but

627
00:29:04,700 --> 00:29:02,370
with those densities and the other

628
00:29:06,530 --> 00:29:04,710
frequencies there's other levels of the

629
00:29:08,620 --> 00:29:06,540
etherion levels let's move into the

630
00:29:11,420 --> 00:29:08,630
second level and the third level of the

631
00:29:13,610 --> 00:29:11,430
frequency dimensions we know so when

632
00:29:15,290 --> 00:29:13,620
people pass on they go into the second

633
00:29:17,450 --> 00:29:15,300
which is like a welcoming section area

634
00:29:19,100 --> 00:29:17,460
where people meet friends and family and

635
00:29:22,370 --> 00:29:19,110
their pets all animals are over there

636
00:29:23,780 --> 00:29:22,380
your pets are there and they meet you

637
00:29:26,330 --> 00:29:23,790
first actually but I'd notice because

638
00:29:28,940 --> 00:29:26,340

I've had a death experiences seven years

639

00:29:30,560 --> 00:29:28,950

old but I've been out of body gone over

640

00:29:32,630 --> 00:29:30,570

to the other side of called soul travel

641

00:29:34,280 --> 00:29:32,640

and since I've come from those densities

642

00:29:36,200 --> 00:29:34,290

I can easily go back and forth through

643

00:29:39,520 --> 00:29:36,210

them so because I came in without a

644

00:29:42,020 --> 00:29:39,530

avail as they : when I was born

645

00:29:44,210 --> 00:29:42,030

once I connected to the body I was going

646

00:29:47,000 --> 00:29:44,220

into it eight months pregnant to him for

647

00:29:49,040 --> 00:29:47,010

my mother I was then they're connected

648

00:29:50,870 --> 00:29:49,050

and then I would go out of body and just

649

00:29:52,310 --> 00:29:50,880

visit back and forth and that happens to

650

00:29:54,290 --> 00:29:52,320

some babies with parents

651
00:29:56,690 --> 00:29:54,300
the babies are connected but they move

652
00:29:58,550 --> 00:29:56,700
in and out and they go on dimensional

653
00:30:00,530 --> 00:29:58,560
space as well as come back in because

654
00:30:02,600 --> 00:30:00,540
they're not always a baby even though

655
00:30:06,230 --> 00:30:02,610
they're a baby in the form there are

656
00:30:08,780 --> 00:30:06,240
soul which can be in a childlike result

657
00:30:10,790 --> 00:30:08,790
form - depending but when they the soul

658
00:30:12,980 --> 00:30:10,800
comes in to take on a body they get

659
00:30:14,960 --> 00:30:12,990
veiled by an end and veiling angels that

660
00:30:17,720 --> 00:30:14,970
do that they're there they're a veil a

661
00:30:19,760 --> 00:30:17,730
little of the memory from past times and

662
00:30:22,970 --> 00:30:19,770
yes people do have incarnated pastimes

663
00:30:25,070 --> 00:30:22,980

in different places including space but

664

00:30:27,500 --> 00:30:25,080

they do that to help the soul come in to

665

00:30:29,450 --> 00:30:27,510

learn new new ideas and new things that

666

00:30:33,050 --> 00:30:29,460

they want to learn but they're given

667

00:30:36,080 --> 00:30:33,060

still some of their past is there for

668

00:30:37,250 --> 00:30:36,090

them to tap into through memory or from

669

00:30:39,830 --> 00:30:37,260

something that reminds them of something

670

00:30:41,570 --> 00:30:39,840

that whatever they're doing as a job or

671

00:30:44,060 --> 00:30:41,580

work or school and they can have a

672

00:30:47,520 --> 00:30:44,070

flashback or an intense

673

00:30:48,900 --> 00:30:47,530

lucid vision or memory of a past life

674

00:30:50,400 --> 00:30:48,910

that or something that they're doing

675

00:30:53,880 --> 00:30:50,410

like they brought in music and there's

676
00:30:57,540 --> 00:30:53,890
only an a music genius or piano playing

677
00:30:59,010 --> 00:30:57,550
at three years old they don't these are

678
00:31:00,840 --> 00:30:59,020
things that they brought back with them

679
00:31:02,640 --> 00:31:00,850
as gifts as artists and all I'm a

680
00:31:04,800 --> 00:31:02,650
self-taught artist I brought art with me

681
00:31:07,590 --> 00:31:04,810
I could draw a line I could hold a

682
00:31:09,600 --> 00:31:07,600
crayon but I didn't know what I was

683
00:31:11,460 --> 00:31:09,610
drawing at times but my grandmother said

684
00:31:13,020 --> 00:31:11,470
I was drawing animals and I was calling

685
00:31:16,830 --> 00:31:13,030
him but they were even though we lived

686
00:31:18,870 --> 00:31:16,840
in Yonkers apartment building so this

687
00:31:22,110 --> 00:31:18,880
way that this works on these dimensional

688
00:31:24,750 --> 00:31:22,120

spaces most life on the other dimensions

689

00:31:26,430 --> 00:31:24,760

are in plant and space as well as all

690

00:31:29,040 --> 00:31:26,440

different galaxies in the universe if

691

00:31:32,460 --> 00:31:29,050

there are many universes dimensional

692

00:31:34,740 --> 00:31:32,470

space is where most life is mm-hm and if

693

00:31:37,950 --> 00:31:34,750

we did a I asked about it they said

694

00:31:40,890 --> 00:31:37,960

let's say seven seventy percent is

695

00:31:44,040 --> 00:31:40,900

dimensional life thirty percent is

696

00:31:46,500 --> 00:31:44,050

physical and that included the physical

697

00:31:48,900 --> 00:31:46,510

assyrians physical like Assyrians who

698

00:31:51,600 --> 00:31:48,910

are invisible to us again can have

699

00:31:54,720 --> 00:31:51,610

children if they choose when they die

700

00:31:57,240 --> 00:31:54,730

they just be materialized but some don't

701
00:32:00,000 --> 00:31:57,250
have children but they can if they want

702
00:32:01,770 --> 00:32:00,010
so in the future or positive earth we

703
00:32:04,170 --> 00:32:01,780
call it on the other side you know the

704
00:32:06,150 --> 00:32:04,180
earth our planet has different aspects

705
00:32:08,520 --> 00:32:06,160
of it as well even going in the same

706
00:32:10,320 --> 00:32:08,530
dimension all spaces with it so you can

707
00:32:13,140 --> 00:32:10,330
leave your body and go to what we call I

708
00:32:16,170 --> 00:32:13,150
could only call it future earth because

709
00:32:19,590 --> 00:32:16,180
what it was is earth beautiful earth our

710
00:32:23,610 --> 00:32:19,600
planet made and is the way in etherion

711
00:32:26,820 --> 00:32:23,620
life positive never evil no bombs no

712
00:32:29,010 --> 00:32:26,830
that you got space travel too so when

713
00:32:30,450 --> 00:32:29,020

people have said aliens have told them

714

00:32:32,310 --> 00:32:30,460

well we come from your future

715

00:32:34,980 --> 00:32:32,320

I always think what they meant was be

716

00:32:36,420 --> 00:32:34,990

came from your future earth which they

717

00:32:39,120 --> 00:32:36,430

can do they can come in and out of that

718

00:32:40,890 --> 00:32:39,130

dimension so yeah a future aspect could

719

00:32:43,530 --> 00:32:40,900

come back and visit an aspect is like

720

00:32:45,120 --> 00:32:43,540

another aspect of ourselves that's maybe

721

00:32:47,250 --> 00:32:45,130

had a life or another life and another

722

00:32:50,060 --> 00:32:47,260

part of the galaxy or another solar

723

00:32:53,150 --> 00:32:50,070

system and one of the analogies were

724

00:32:56,520 --> 00:32:53,160

metaphors they gave me as a kid was a

725

00:32:58,680 --> 00:32:56,530

salt shaker the salt shaker is you

726

00:33:00,550 --> 00:32:58,690

you're over salt the total self of you

727

00:33:02,440 --> 00:33:00,560

that which came from creator

728

00:33:06,040 --> 00:33:02,450

with its own personality everybody has

729

00:33:08,560 --> 00:33:06,050

their own ID and identity and yet all

730

00:33:11,620 --> 00:33:08,570

the salt inside that shaker are aspects

731

00:33:13,750 --> 00:33:11,630

that one salt grain is you right now on

732

00:33:16,450 --> 00:33:13,760

earth they told me that when I was in

733

00:33:18,760 --> 00:33:16,460

space and I totally got it I said oh

734

00:33:21,310 --> 00:33:18,770

yeah that makes total sense and yahushua

735

00:33:23,500 --> 00:33:21,320

known as jesus he's multi aspect cause

736

00:33:25,120 --> 00:33:23,510

he's a creator he is the creators the

737

00:33:27,250 --> 00:33:25,130

son and creator he is who he is

738

00:33:29,440 --> 00:33:27,260

so he is multiple aspect he could be

739

00:33:33,220 --> 00:33:29,450

anywhere at any moment any place at once

740

00:33:36,070 --> 00:33:33,230

but the soul says oversold we can learn

741

00:33:38,170 --> 00:33:36,080

these things and um they they send an

742

00:33:40,870 --> 00:33:38,180

aspect down to have a life on the planet

743

00:33:42,490 --> 00:33:40,880

earth but another aspect of being in the

744

00:33:44,230 --> 00:33:42,500

furyk level in another galaxy and

745

00:33:46,480 --> 00:33:44,240

another planet and it could be a male or

746

00:33:48,400 --> 00:33:46,490

a female or another kind of sex of those

747

00:33:49,660 --> 00:33:48,410

other planet systems have they're not

748

00:33:52,360 --> 00:33:49,670

just male and female but sometimes

749

00:33:55,480 --> 00:33:52,370

different different ones some very

750

00:33:58,270 --> 00:33:55,490

androgynous beings too so if they don't

751
00:34:02,080 --> 00:33:58,280
form to higher frequency that energies

752
00:34:04,180 --> 00:34:02,090
those beings don't have our children or

753
00:34:07,600 --> 00:34:04,190
anything like that but they do have love

754
00:34:10,090 --> 00:34:07,610
and love is in the way that they share

755
00:34:11,139 --> 00:34:10,100
it and a way for blending or morphing

756
00:34:13,149 --> 00:34:11,149
with each other whatever would be

757
00:34:14,620 --> 00:34:13,159
there's different ways they do things on

758
00:34:15,730 --> 00:34:14,630
those dimensions that some people are

759
00:34:18,310 --> 00:34:15,740
questioning that because they've asked

760
00:34:19,840 --> 00:34:18,320
me those questions before and yet on the

761
00:34:22,600 --> 00:34:19,850
levels we're talking about like this

762
00:34:23,740 --> 00:34:22,610
density and the next frequencies up to

763
00:34:25,389 --> 00:34:23,750

the sixth and the seventh and

764

00:34:27,240 --> 00:34:25,399

dimensional spaces where there's cosmic

765

00:34:30,040 --> 00:34:27,250

understanding and light and love and

766

00:34:33,490 --> 00:34:30,050

blissful energy there's only a certain

767

00:34:36,940 --> 00:34:33,500

level where we'll say the fourth where

768

00:34:38,560 --> 00:34:36,950

the soul gets to that frequency on after

769

00:34:41,290 --> 00:34:38,570

passing from a planet density the

770

00:34:42,730 --> 00:34:41,300

physical density gets that side and has

771

00:34:44,830 --> 00:34:42,740

to make a decision if it plans to want

772

00:34:47,350 --> 00:34:44,840

to come back any more further and other

773

00:34:49,540 --> 00:34:47,360

testings where other challenges it wants

774

00:34:51,419 --> 00:34:49,550

to take on down under there planets as

775

00:34:54,639 --> 00:34:51,429

well physical planets but you're not as

776

00:34:56,830 --> 00:34:54,649

negative maybe as Earth but some are you

777

00:34:58,660 --> 00:34:56,840

know challenging and if they decide

778

00:35:00,310 --> 00:34:58,670

there's like the Tesla's they wanted

779

00:35:02,080 --> 00:35:00,320

they then passed on to the fifth

780

00:35:04,330 --> 00:35:02,090

enforcement's higher fourth and fifth

781

00:35:07,800 --> 00:35:04,340

dimensional spaces and from there they

782

00:35:12,520 --> 00:35:07,810

work in space or other areas and now

783

00:35:14,320 --> 00:35:12,530

that March March do they do they all

784

00:35:18,550 --> 00:35:14,330

pretty much location

785

00:35:21,820 --> 00:35:18,560

in the book the space brothers speak we

786

00:35:24,250 --> 00:35:21,830

have a portrait that you did of the high

787

00:35:26,650 --> 00:35:24,260

commander Ashtar himself and I always

788

00:35:30,340 --> 00:35:26,660

say he looks like he's stepped off the

789

00:35:33,760 --> 00:35:30,350

set of a soap opera or are they all a

790

00:35:38,830 --> 00:35:33,770

human interference or are there of a

791

00:35:41,260 --> 00:35:38,840

variety of skin tones and sizes and

792

00:35:43,570 --> 00:35:41,270

shapes and so forth a habit how many are

793

00:35:47,620 --> 00:35:43,580

there would you say oh my gosh

794

00:35:51,220 --> 00:35:47,630

uncountable I I'm sure from my traveling

795

00:35:54,840 --> 00:35:51,230

out there I have seen all shades of

796

00:35:57,850 --> 00:35:54,850

color from blue green and lavender and

797

00:36:00,850 --> 00:35:57,860

humanoid-looking beings human-like as

798

00:36:03,940 --> 00:36:00,860

well like a star is a human like looking

799

00:36:07,530 --> 00:36:03,950

humanoid but he's not a human he is that

800

00:36:11,560 --> 00:36:07,540

he's an endemic race and valiant Thor

801
00:36:15,310 --> 00:36:11,570
was another human looking et higher

802
00:36:17,130 --> 00:36:15,320
being that was not a human but could act

803
00:36:18,790 --> 00:36:17,140
like a human look like you're coming and

804
00:36:21,520 --> 00:36:18,800
supposedly didn't have a bellybutton

805
00:36:23,620 --> 00:36:21,530
because he wasn't born so there's a lot

806
00:36:25,330 --> 00:36:23,630
of things like that but there's others

807
00:36:29,470 --> 00:36:25,340
that look like different types of animal

808
00:36:31,270 --> 00:36:29,480
species that we know here I've met and I

809
00:36:32,970 --> 00:36:31,280
love my friends I've met because I go

810
00:36:37,720 --> 00:36:32,980
into their planet at different times

811
00:36:40,510 --> 00:36:37,730
commander the Alerus and he is saying

812
00:36:42,550 --> 00:36:40,520
the name slowly gala Luke is his name

813
00:36:44,860 --> 00:36:42,560

and I've met him a few times I know him

814

00:36:47,590 --> 00:36:44,870

in space he's a being that resembles a

815

00:36:49,990 --> 00:36:47,600

cat I have a drawing of him that people

816

00:36:52,480 --> 00:36:50,000

fall in love with them all time but yes

817

00:36:55,840 --> 00:36:52,490

they have a tail - and remember avatar

818

00:36:58,180 --> 00:36:55,850

the movie when I first we're gonna put

819

00:37:00,460 --> 00:36:58,190

some of that what's well put some of

820

00:37:04,270 --> 00:37:00,470

these up on the YouTube channel so that

821

00:37:05,890 --> 00:37:04,280

the people that can it can see the the

822

00:37:08,980 --> 00:37:05,900

various paintings and all that you've

823

00:37:12,730 --> 00:37:08,990

done which are absolutely a fabulous

824

00:37:17,890 --> 00:37:12,740

they're they're wonderful but go ahead

825

00:37:21,160 --> 00:37:17,900

I don't have him he's that up on the

826

00:37:23,620 --> 00:37:21,170

website but the one that you've seen is

827

00:37:27,170 --> 00:37:23,630

a reptilian look he's a humanoid

828

00:37:29,010 --> 00:37:27,180

reptilian the one with the large eyes

829

00:37:31,770 --> 00:37:29,020

scene going up the center of his

830

00:37:35,340 --> 00:37:31,780

forehead to his back his head a ridge

831

00:37:37,020 --> 00:37:35,350

and he's very gentle kind being works on

832

00:37:39,300 --> 00:37:37,030

the six level dimensional spaces and

833

00:37:40,770 --> 00:37:39,310

frequencies these are they're all nice

834

00:37:44,040 --> 00:37:40,780

beings all the ones I've met are very

835

00:37:46,850 --> 00:37:44,050

good kind part of the the eclectic

836

00:37:50,730 --> 00:37:46,860

commands of David or alliance groups and

837

00:37:52,650 --> 00:37:50,740

loving beings kind all genuine teachers

838

00:37:54,420 --> 00:37:52,660

as well and I've through the

839

00:37:55,350 --> 00:37:54,430

illustration for one that Bryce meant I

840

00:37:57,510 --> 00:37:55,360

don't know if you ever saw that

841

00:38:00,930 --> 00:37:57,520

illustration but I met the same type of

842

00:38:03,180 --> 00:38:00,940

being on another ship with another

843

00:38:05,340 --> 00:38:03,190

person who passed on but she wanted to

844

00:38:08,700 --> 00:38:05,350

go she remembered going I took her to

845

00:38:12,870 --> 00:38:08,710

the ship and when you get on those ships

846

00:38:15,630 --> 00:38:12,880

out of body you have to program the

847

00:38:18,570 --> 00:38:15,640

person I automatically program myself as

848

00:38:19,860 --> 00:38:18,580

I go I'm mark and I'm alert and lucid I

849

00:38:22,020 --> 00:38:19,870

know I'm walking and I'm on the ship

850

00:38:24,450 --> 00:38:22,030

right now walking solid let's say and I

851
00:38:25,920 --> 00:38:24,460
go remember recall recall you got to say

852
00:38:28,290 --> 00:38:25,930
it to yourself we don't recall it all

853
00:38:30,660 --> 00:38:28,300
dimensionally the same way so I've had

854
00:38:35,070 --> 00:38:30,670
my friend at the time it's on the other

855
00:38:37,980 --> 00:38:35,080
side now I programmed her with my eyes

856
00:38:39,600 --> 00:38:37,990
you have to look at people and she was

857
00:38:40,860 --> 00:38:39,610
all excited and I said no look at me

858
00:38:42,240 --> 00:38:40,870
right now just say I'm gonna remember

859
00:38:44,820 --> 00:38:42,250
and recall everything I see smell taste

860
00:38:45,960 --> 00:38:44,830
feel and touch and she goes okay I'm

861
00:38:47,970 --> 00:38:45,970
gonna remember everything I see snow

862
00:38:50,220 --> 00:38:47,980
updates feel touch I said save three

863
00:38:51,360 --> 00:38:50,230

times with me and look at me in the eyes

864

00:38:52,770 --> 00:38:51,370

cuz she want to look at the alien

865

00:38:55,230 --> 00:38:52,780

there's no communion the I said remember

866

00:38:57,900 --> 00:38:55,240

we call they call and so when I did that

867

00:38:59,700 --> 00:38:57,910

the next morning when she called she was

868

00:39:01,500 --> 00:38:59,710

excited she said marker remember every

869

00:39:03,360 --> 00:39:01,510

single thing walking over the little

870

00:39:04,890 --> 00:39:03,370

bridge like a footbridge with a stream

871

00:39:06,660 --> 00:39:04,900

going under these things are on the

872

00:39:09,480 --> 00:39:06,670

ships these things are on the spaceships

873

00:39:11,070 --> 00:39:09,490

there are areas and that look like

874

00:39:13,680 --> 00:39:11,080

nature like we know but there's nature

875

00:39:15,720 --> 00:39:13,690

that you've never seen on earth but it's

876

00:39:17,010 --> 00:39:15,730

so beautiful they have mountains they

877

00:39:19,620 --> 00:39:17,020

have an ocean they have all that stuff

878

00:39:21,810 --> 00:39:19,630

there on white sands and any fish that

879

00:39:24,630 --> 00:39:21,820

are in there oceans that are you know

880

00:39:27,150 --> 00:39:24,640

kind of real but their spirit fish they

881

00:39:28,590 --> 00:39:27,160

could touch them they don't hurt you you

882

00:39:29,900 --> 00:39:28,600

go touch a shark there and they don't

883

00:39:33,090 --> 00:39:29,910

hurt you

884

00:39:34,470 --> 00:39:33,100

I've seen so many things and different

885

00:39:36,570 --> 00:39:34,480

types of aliens different colors

886

00:39:41,490 --> 00:39:36,580

different heights from three and a half

887

00:39:43,410 --> 00:39:41,500

to four feet to 10 12 13 15 feet 20 feet

888

00:39:45,030 --> 00:39:43,420

and on different levels you're in space

889

00:39:47,610 --> 00:39:45,040

depending on where you are higher

890

00:39:50,700 --> 00:39:47,620

frequencies you will gain height you

891

00:39:53,430 --> 00:39:50,710

will get taller so sometimes I'm 12 feet

892

00:39:54,810 --> 00:39:53,440

on these other levels and when we come

893

00:39:58,650 --> 00:39:54,820

through to the eighth or seventh and

894

00:40:01,050 --> 00:39:58,660

sixth to the earth levels I can be seven

895

00:40:04,440 --> 00:40:01,060

they have HD tall and when I come to my

896

00:40:06,120 --> 00:40:04,450

own apartment here in New York if this

897

00:40:08,400 --> 00:40:06,130

even Phyllis and I were both out-of-body

898

00:40:10,110 --> 00:40:08,410

we came back I was eight feet and she

899

00:40:13,500 --> 00:40:10,120

was seven and a half feet tall and we're

900

00:40:15,330 --> 00:40:13,510

in our entryway so we have this is what

901
00:40:17,130 --> 00:40:15,340
happens I cannot get smaller than that

902
00:40:19,080 --> 00:40:17,140
one amount of body so people have met me

903
00:40:21,350 --> 00:40:19,090
I know Bonnie are not looking at mark

904
00:40:24,660 --> 00:40:21,360
the person you see they're looking at my

905
00:40:26,750 --> 00:40:24,670
aspect higher self over sparked Fairless

906
00:40:29,520 --> 00:40:26,760
and that the pictures are on my website

907
00:40:32,070 --> 00:40:29,530
about the Internet intergalactic mission

908
00:40:34,950 --> 00:40:32,080
calm so the thing is is um these are

909
00:40:36,300 --> 00:40:34,960
real and we actually teach teaching from

910
00:40:38,990 --> 00:40:36,310
the ship that I brought back with me I

911
00:40:42,350 --> 00:40:39,000
was allowed to in 2008 finally tell it

912
00:40:46,140 --> 00:40:42,360
teaching that awakens the soul to their

913
00:40:47,760 --> 00:40:46,150

so-called sea down and from that they

914

00:40:49,920 --> 00:40:47,770

can meet their higher self or their

915

00:40:52,080 --> 00:40:49,930

oversoul so I've had people come to our

916

00:40:54,000 --> 00:40:52,090

talks and they've said they've been

917

00:40:56,010 --> 00:40:54,010

they've experienced it they've had

918

00:40:58,140 --> 00:40:56,020

experience with their higher self so

919

00:41:01,320 --> 00:40:58,150

this opens that up and that part of the

920

00:41:02,790 --> 00:41:01,330

crown chakra and then you can test it

921

00:41:05,160 --> 00:41:02,800

and just keep going along with it and

922

00:41:08,280 --> 00:41:05,170

working with it and before you know you

923

00:41:10,230 --> 00:41:08,290

can do that go lucidly out and remember

924

00:41:11,040 --> 00:41:10,240

things loosely and coming home back to

925

00:41:12,330 --> 00:41:11,050

your place

926

00:41:14,850 --> 00:41:12,340

then we go to the ships around the

927

00:41:17,480 --> 00:41:14,860

planet earth a star in the crew and gang

928

00:41:19,950 --> 00:41:17,490

the gang of the light groups and the

929

00:41:21,450 --> 00:41:19,960

Christ group is which I'm introducing

930

00:41:22,740 --> 00:41:21,460

back to the people here in the planet

931

00:41:24,750 --> 00:41:22,750

Earth we come from a group called the

932

00:41:29,100 --> 00:41:24,760

Christ group and the intergalactic

933

00:41:31,020 --> 00:41:29,110

mission and the Alliance groups work

934

00:41:33,750 --> 00:41:31,030

with Ashtar and his entry collect

935

00:41:35,040 --> 00:41:33,760

intergalactic command unit now he used

936

00:41:39,120 --> 00:41:35,050

to be called the Galactic command but

937

00:41:40,410 --> 00:41:39,130

he's beyond that and ash Ashtar is on

938

00:41:42,660 --> 00:41:40,420

the higher realms too and he's out of

939

00:41:44,640 --> 00:41:42,670

he's on the higher frequencies where we

940

00:41:46,920 --> 00:41:44,650

are on the 12th and that's where I talk

941

00:41:48,930 --> 00:41:46,930

with him most when we come to his ships

942

00:41:50,880 --> 00:41:48,940

around the planet Earth he has three

943

00:41:53,790 --> 00:41:50,890

right now that let's say the Alliance

944

00:41:54,109 --> 00:41:53,800

groups all running with Ashtar and who's

945

00:41:57,829 --> 00:41:54,119

in

946

00:41:59,539 --> 00:41:57,839

charge with him and one of the leaders

947

00:42:01,700 --> 00:41:59,549

are tendon managers I know is out Kron

948

00:42:04,069 --> 00:42:01,710

he's around New York City so I'm looking

949

00:42:06,799 --> 00:42:04,079

for ships I also call a stir on my other

950

00:42:09,079 --> 00:42:06,809

friend he's on my ships pastor on his

951
00:42:11,210 --> 00:42:09,089
art as our intergalactic command to

952
00:42:13,609 --> 00:42:11,220
we're part of that so I call from my

953
00:42:19,160 --> 00:42:13,619
friends or I'll call her Ashtar and I'll

954
00:42:20,690 --> 00:42:19,170
call for alcohol because he's running I

955
00:42:24,829 --> 00:42:20,700
understand we're going to have a an

956
00:42:28,009 --> 00:42:24,839
actual message from Ashtar that you have

957
00:42:30,380 --> 00:42:28,019
received after the next break now one of

958
00:42:33,140 --> 00:42:30,390
the things from work below we always ask

959
00:42:36,529 --> 00:42:33,150
me about is you know originally or I

960
00:42:39,410 --> 00:42:36,539
guess the primary channel for the ashtar

961
00:42:44,289 --> 00:42:39,420
command was the lake Thelma Terrell

962
00:42:48,259 --> 00:42:44,299
otherwise known as the Wella and she

963
00:42:50,839 --> 00:42:48,269

prophesized about a you know a liftoff

964

00:42:54,069 --> 00:42:50,849

from the planet of the chosen their ones

965

00:42:56,630 --> 00:42:54,079

in fact Carolyn Rodriguez who's our

966

00:42:59,809 --> 00:42:56,640

in-house artist you know as that we've

967

00:43:03,190 --> 00:42:59,819

known of course both of us for a long

968

00:43:07,009 --> 00:43:03,200

long time has done an illustration yeah

969

00:43:08,989 --> 00:43:07,019

illustration of the people were meeting

970

00:43:11,900 --> 00:43:08,999

the the craft I think out in the desert

971

00:43:15,019 --> 00:43:11,910

somewhere and actually going into the

972

00:43:18,079 --> 00:43:15,029

the ship this is something that torella

973

00:43:21,799 --> 00:43:18,089

wrote about a lot in case of a pole

974

00:43:23,960 --> 00:43:21,809

shift or a nuclear war I guess in case

975

00:43:26,660 --> 00:43:23,970

of the dreaded the climate change which

976
00:43:29,509 --> 00:43:26,670
seems to be approached approaching more

977
00:43:31,880 --> 00:43:29,519
rapidly than we do then we thought even

978
00:43:36,289 --> 00:43:31,890
possible do you see that as being part

979
00:43:38,390 --> 00:43:36,299
of their plan yeah actually it is the

980
00:43:40,579 --> 00:43:38,400
earth is going through changes and as a

981
00:43:43,370 --> 00:43:40,589
child when I was out in space I told my

982
00:43:47,029 --> 00:43:43,380
father what I saw and I beyond our

983
00:43:49,700 --> 00:43:47,039
galaxy is energy fields that are heavy

984
00:43:51,680 --> 00:43:49,710
magnetic energy field and I know that

985
00:43:54,259 --> 00:43:51,690
now but as a child I didn't I just

986
00:43:56,779 --> 00:43:54,269
called them blue energy so in space

987
00:44:00,380 --> 00:43:56,789
they'd have called these the blue energy

988
00:44:01,999 --> 00:44:00,390

fields that are big and huge our galaxy

989

00:44:03,920 --> 00:44:02,009

and galaxies moves through these energy

990

00:44:05,870 --> 00:44:03,930

fields and things happen to the galaxies

991

00:44:08,089 --> 00:44:05,880

and the plant systems in them and

992

00:44:10,729 --> 00:44:08,099

galaxies and and the solar systems

993

00:44:12,319 --> 00:44:10,739

and stars so our galaxy is heading

994

00:44:14,269 --> 00:44:12,329

towards one of these and touching how it

995

00:44:16,130 --> 00:44:14,279

have been edges of it and that's what

996

00:44:18,019 --> 00:44:16,140

we've seen because we're located on that

997

00:44:21,349 --> 00:44:18,029

how two ridges of our galaxy here now

998

00:44:24,319 --> 00:44:21,359

one of the outer arms the thing is we're

999

00:44:28,189 --> 00:44:24,329

seeing that's part of that is the

1000

00:44:29,839 --> 00:44:28,199

frequency build-up or let's say excited

1001
00:44:31,759 --> 00:44:29,849
frequency around some of the planets

1002
00:44:34,640 --> 00:44:31,769
where they've noticed things changing

1003
00:44:36,019 --> 00:44:34,650
and transforming around they're heating

1004
00:44:37,039 --> 00:44:36,029
up or whatever they're doing different

1005
00:44:39,199 --> 00:44:37,049
things that they're doing different

1006
00:44:42,319 --> 00:44:39,209
plants including our Sun and other plant

1007
00:44:44,479 --> 00:44:42,329
systems so I was talking my old old

1008
00:44:46,999 --> 00:44:44,489
stalks in the 70s and 80s and 90s and

1009
00:44:49,549 --> 00:44:47,009
all about this energy field that we've

1010
00:44:51,049 --> 00:44:49,559
been going into and it's very slowly but

1011
00:44:52,819 --> 00:44:51,059
we're going through it getting towards

1012
00:44:55,910 --> 00:44:52,829
it but we're not in the middle of it yet

1013
00:45:01,059 --> 00:44:55,920

but when that happens I'm going to touch

1014

00:45:03,559 --> 00:45:01,069

on the the interim interrupted

1015

00:45:09,979 --> 00:45:03,569

television experience that happened in

1016

00:45:13,969 --> 00:45:09,989

England 1978 27 I'm sorry remember when

1017

00:45:18,049 --> 00:45:13,979

that happened right that I went to

1018

00:45:22,729 --> 00:45:18,059

England in 78 to check that out I was

1019

00:45:24,620 --> 00:45:22,739

told I beat before that um I was heading

1020

00:45:26,209 --> 00:45:24,630

for a UFO conference or a little meeting

1021

00:45:27,439 --> 00:45:26,219

with some people including a person that

1022

00:45:31,339 --> 00:45:27,449

passed on that I was telling you about

1023

00:45:33,049 --> 00:45:31,349

before and she had this meeting at her

1024

00:45:35,359 --> 00:45:33,059

house on it like Friday night or

1025

00:45:38,089 --> 00:45:35,369

Thursday and I was heading over it's

1026

00:45:40,279 --> 00:45:38,099

late and I'm in the middle of cow areas

1027

00:45:42,589 --> 00:45:40,289

cow pasture areas with no lights and I'm

1028

00:45:45,229 --> 00:45:42,599

driving in the dark road going towards

1029

00:45:48,199 --> 00:45:45,239

Yorktown and my car headlights flash on

1030

00:45:50,089 --> 00:45:48,209

three times off and on and that time the

1031

00:45:51,499 --> 00:45:50,099

car I had you gotta pull a light to pull

1032

00:45:53,870 --> 00:45:51,509

it shut it and pull and close and pull

1033

00:45:55,160 --> 00:45:53,880

and push it off so it did that so I

1034

00:45:56,719 --> 00:45:55,170

pulled over and stopped and got out and

1035

00:45:58,939 --> 00:45:56,729

I looked up to this guy and I said yes

1036

00:46:01,009 --> 00:45:58,949

cuz that's their number three and I

1037

00:46:03,049 --> 00:46:01,019

heard telepathically a voice say it's

1038

00:46:04,640 --> 00:46:03,059

okay get back in the car just gonna

1039

00:46:06,559 --> 00:46:04,650

mention something to you you know so I

1040

00:46:08,349 --> 00:46:06,569

got back in the car and then the voice

1041

00:46:10,670 --> 00:46:08,359

was in my car

1042

00:46:12,049 --> 00:46:10,680

loud and clear and I looked in the

1043

00:46:12,799 --> 00:46:12,059

mirror because it sound like someone's

1044

00:46:14,120 --> 00:46:12,809

in the backseat

1045

00:46:15,769 --> 00:46:14,130

which I've never scored to her but that

1046

00:46:17,089 --> 00:46:15,779

was impossible so they look at the

1047

00:46:18,349 --> 00:46:17,099

mirror automatically when the voices in

1048

00:46:21,530 --> 00:46:18,359

your head they're right behind you

1049

00:46:24,530 --> 00:46:21,540

it was a literal loose

1050

00:46:27,290 --> 00:46:24,540

Lucent clear voice talking and it was

1051

00:46:29,210 --> 00:46:27,300

asked her on and he's the he's in charge

1052

00:46:31,790 --> 00:46:29,220

of the group that I'm from he's like

1053

00:46:35,590 --> 00:46:31,800

he's like our big brother he'd been the

1054

00:46:39,020 --> 00:46:35,600

biggest big guy so astron says to me

1055

00:46:41,180 --> 00:46:39,030

we're going to try something in the next

1056

00:46:43,670 --> 00:46:41,190

week or so I want you to go where you

1057

00:46:45,320 --> 00:46:43,680

going tonight take your pencil and I had

1058

00:46:47,180 --> 00:46:45,330

our bed with me as a Tim knows I was

1059

00:46:50,270 --> 00:46:47,190

carrying our pad take your pencil write

1060

00:46:52,130 --> 00:46:50,280

down the name spelled this way a STR ho

1061

00:46:53,660 --> 00:46:52,140

and so I wrote down he said no go would

1062

00:46:56,690 --> 00:46:53,670

you're going tonight and tell your

1063

00:46:58,790 --> 00:46:56,700

friends that I spoke to you and they

1064

00:47:00,260 --> 00:46:58,800

were planning to do something it's gonna

1065

00:47:01,730 --> 00:47:00,270

be a surprise because we're not sure how

1066

00:47:03,440 --> 00:47:01,740

it's gonna work we're gonna we are

1067

00:47:06,020 --> 00:47:03,450

planning to do something that the

1068

00:47:07,640 --> 00:47:06,030

Alliance moved in then I said okay thank

1069

00:47:09,440 --> 00:47:07,650

you and he says okay see you tonight out

1070

00:47:11,570 --> 00:47:09,450

the field see you later on the ship and

1071

00:47:13,490 --> 00:47:11,580

that's how they they do that with me and

1072

00:47:14,750 --> 00:47:13,500

then he goes a night was a little late

1073

00:47:19,480 --> 00:47:14,760

getting to the place but everybody took

1074

00:47:25,820 --> 00:47:19,490

the name down when I got there and next

1075

00:47:27,980 --> 00:47:25,830

week it was November 25th 1977 all right

1076
00:47:31,370 --> 00:47:27,990
mark let me interrupt you here and we'll

1077
00:47:34,220 --> 00:47:31,380
continue your story after our top of the

1078
00:47:36,170 --> 00:47:34,230
hour a break so for everyone listening

1079
00:47:37,940 --> 00:47:36,180
this is exploring bizarre you're

1080
00:47:38,720 --> 00:47:37,950
listening to mark Brinkerhoff we'll be

1081
00:47:42,710 --> 00:47:38,730
right back

1082
00:47:49,560 --> 00:47:46,320
now your electrifying hosts of exploring

1083
00:47:54,090 --> 00:47:49,570
the bizarre Timothy Beckley and Tim

1084
00:47:55,650 --> 00:47:54,100
Schwartz alright welcome back to

1085
00:47:57,360 --> 00:47:55,660
exploring the bizarre I'm Tim Swartz

1086
00:47:59,760 --> 00:47:57,370
we're having so much fun with Mark

1087
00:48:03,600 --> 00:47:59,770
tonight that we've decided to extend the

1088
00:48:07,170 --> 00:48:03,610

show for another half-hour because we we

1089

00:48:11,070 --> 00:48:07,180

want to hear the rest of the story that

1090

00:48:15,000 --> 00:48:11,080

mark was was telling us about his trip

1091

00:48:17,460 --> 00:48:15,010

to England back in 1977 so mark why

1092

00:48:20,730 --> 00:48:17,470

don't you go ahead and pretty sad okay

1093

00:48:23,010 --> 00:48:20,740

okay what's England in 78 to check this

1094

00:48:26,880 --> 00:48:23,020

out because it's happened November 26 77

1095

00:48:30,870 --> 00:48:26,890

no after I met Phyllis at Tim's at Tim's

1096

00:48:34,080 --> 00:48:30,880

UFO Center we went to England we met on

1097

00:48:36,240 --> 00:48:34,090

March 3rd 1978 because they came to New

1098

00:48:40,140 --> 00:48:36,250

York to talk to Steven Spielberg people

1099

00:48:43,770 --> 00:48:40,150

but that was it then we went to in March

1100

00:48:45,420 --> 00:48:43,780

we went to England so from there I had

1101

00:48:47,130 --> 00:48:45,430

people I was going to connect with

1102

00:48:50,160 --> 00:48:47,140

because Bryce gave me some names my

1103

00:48:52,350 --> 00:48:50,170

friend Bryce bond well here's what

1104

00:48:55,740 --> 00:48:52,360

happened was on Saturday November 26

1105

00:48:57,030 --> 00:48:55,750

1977 in southern England TV

1106

00:48:58,560 --> 00:48:57,040

transmissions were interrupted with a

1107

00:49:03,150 --> 00:48:58,570

message from the intergalactic mission

1108

00:49:06,270 --> 00:49:03,160

and people heard the name astor on so

1109

00:49:08,430 --> 00:49:06,280

when i my friends called me on a monday

1110

00:49:10,410 --> 00:49:08,440

and they said did you see that newspaper

1111

00:49:11,880 --> 00:49:10,420

and they said no so like that I

1112

00:49:13,100 --> 00:49:11,890

collected some newspapers that my father

1113

00:49:15,720 --> 00:49:13,110

might have brought home that day and

1114

00:49:18,540 --> 00:49:15,730

there I found a couple of clips of boys

1115

00:49:20,360 --> 00:49:18,550

from outer space question mark I got the

1116

00:49:22,800 --> 00:49:20,370

clips online on our website

1117

00:49:24,420 --> 00:49:22,810

intergalactic mission comm on under

1118

00:49:27,030 --> 00:49:24,430

extraterrestrials you can find a stir on

1119

00:49:29,070 --> 00:49:27,040

and then click on his photo a drawing I

1120

00:49:30,810 --> 00:49:29,080

made of him and you'll see the news

1121

00:49:32,250 --> 00:49:30,820

clippings underneath a few of them not

1122

00:49:33,990 --> 00:49:32,260

all of them but just a few they all say

1123

00:49:35,520 --> 00:49:34,000

basically similar thing this is the

1124

00:49:37,080 --> 00:49:35,530

voice of astronaut I'm an authorized

1125

00:49:38,940 --> 00:49:37,090

representative the intergalactic mission

1126
00:49:40,530 --> 00:49:38,950
and I have a message to the planet Earth

1127
00:49:41,820 --> 00:49:40,540
we're beginning to enter the period of

1128
00:49:43,500 --> 00:49:41,830
Aquarius now they were using never

1129
00:49:46,290 --> 00:49:43,510
because people were uncertain that time

1130
00:49:48,030 --> 00:49:46,300
of what point was a good choice I mean

1131
00:49:50,270 --> 00:49:48,040
you know astrology

1132
00:49:52,080 --> 00:49:50,280
and what's going on plants and

1133
00:49:53,230 --> 00:49:52,090
constellations and there are many

1134
00:49:55,330 --> 00:49:53,240
corrections which have to be made

1135
00:49:56,560 --> 00:49:55,340
by people of Earth this is a basic

1136
00:49:58,840 --> 00:49:56,570
message that most of the space people

1137
00:50:00,670 --> 00:49:58,850
have brought from the 50s on all your

1138
00:50:01,990 --> 00:50:00,680

weapons of evil must be destroyed you

1139

00:50:03,760 --> 00:50:02,000

only have a short time to learn to live

1140

00:50:07,030 --> 00:50:03,770

together in peace you must live together

1141

00:50:10,420 --> 00:50:07,040

in peace or leave the galaxy my friends

1142

00:50:11,590 --> 00:50:10,430

read that they were concerned about that

1143

00:50:14,500 --> 00:50:11,600

they said what does that mean

1144

00:50:16,810 --> 00:50:14,510

leave the galaxy and I told them I said

1145

00:50:19,090 --> 00:50:16,820

that doesn't mean leave the calyx and

1146

00:50:20,410 --> 00:50:19,100

you're kicked out it just means there's

1147

00:50:22,870 --> 00:50:20,420

only a short time to get it together

1148

00:50:27,070 --> 00:50:22,880

with your frequency your energy bodies

1149

00:50:34,380 --> 00:50:27,080

you have to think higher thought I think

1150

00:50:38,380 --> 00:50:34,390

creator I think and you have to think

1151
00:50:39,910 --> 00:50:38,390
how you want to be in what frequencies

1152
00:50:42,190 --> 00:50:39,920
you want to be before you leave planet

1153
00:50:45,670 --> 00:50:42,200
Earth whether you know death or by

1154
00:50:47,710 --> 00:50:45,680
taking on a ship and so they said

1155
00:50:49,630 --> 00:50:47,720
leaving the galaxy and I understood it

1156
00:50:51,220 --> 00:50:49,640
back then so I told my friends leaving

1157
00:50:52,870 --> 00:50:51,230
the galaxy just means if you're not if

1158
00:50:55,270 --> 00:50:52,880
you're an entry level is not high enough

1159
00:50:59,560 --> 00:50:55,280
to get onto the ships as well because

1160
00:51:04,330 --> 00:50:59,570
you have to be a benevolent let's say

1161
00:51:06,790 --> 00:51:04,340
not be eat into ego a lot of addictions

1162
00:51:09,000 --> 00:51:06,800
that people have like drugs booze

1163
00:51:10,690 --> 00:51:09,010

whatever they got all these addictions

1164

00:51:13,540 --> 00:51:10,700

photography all these types of

1165

00:51:16,270 --> 00:51:13,550

addictions have to be let go of because

1166

00:51:17,650 --> 00:51:16,280

they bring lower thought to the physical

1167

00:51:19,810 --> 00:51:17,660

body which creates that energy around

1168

00:51:22,450 --> 00:51:19,820

the aura so if you cleanse up the body

1169

00:51:24,310 --> 00:51:22,460

detox whatever you can do you know if

1170

00:51:26,320 --> 00:51:24,320

you have a coffee or that coffee is not

1171

00:51:28,270 --> 00:51:26,330

the addiction it's more like alcohol

1172

00:51:30,190 --> 00:51:28,280

addiction drug addictions a heavy duty

1173

00:51:32,230 --> 00:51:30,200

stuff not heart medicine not that kind

1174

00:51:35,050 --> 00:51:32,240

of that kind of pill it's the other kind

1175

00:51:38,410 --> 00:51:35,060

of stuff that can you know change the

1176

00:51:40,390 --> 00:51:38,420

brain or do things to it like with other

1177

00:51:43,900 --> 00:51:40,400

kinds of drugs that they have today in

1178

00:51:45,220 --> 00:51:43,910

those days and that meant that if your

1179

00:51:48,040 --> 00:51:45,230

energy field is not coming up to a

1180

00:51:51,400 --> 00:51:48,050

certain frequency of light and therefore

1181

00:51:54,430 --> 00:51:51,410

person is still into the money greed

1182

00:51:56,140 --> 00:51:54,440

whatever the average human out there

1183

00:51:57,730 --> 00:51:56,150

might have who might not be any might be

1184

00:51:59,890 --> 00:51:57,740

atheist there might not but the thing is

1185

00:52:01,870 --> 00:51:59,900

they have this low brown energy field

1186

00:52:04,900 --> 00:52:01,880

around them comes in grays and browns

1187

00:52:06,910 --> 00:52:04,910

and just muddy colors and that's because

1188

00:52:09,130 --> 00:52:06,920

their ego or their

1189

00:52:11,289 --> 00:52:09,140

dwelling on things they shouldn't be

1190

00:52:14,020 --> 00:52:11,299

dwelling on murder or whatever those

1191

00:52:15,250 --> 00:52:14,030

people not going to be taken up and

1192

00:52:17,289 --> 00:52:15,260

that's what they meant by leave the

1193

00:52:19,120 --> 00:52:17,299

galaxy because what happens is as the

1194

00:52:20,589 --> 00:52:19,130

planet Earth moves into the frequencies

1195

00:52:22,630 --> 00:52:20,599

and the next frequency in our solar

1196

00:52:24,809 --> 00:52:22,640

system is going through it in that

1197

00:52:27,549 --> 00:52:24,819

energy field that we've seen in space

1198

00:52:30,039 --> 00:52:27,559

the souls that are on the earth will

1199

00:52:32,349 --> 00:52:30,049

leave the earth and yet in the higher

1200

00:52:34,120 --> 00:52:32,359

forms if it's passed on or you got on

1201
00:52:36,099 --> 00:52:34,130
those ships it doesn't matter if you're

1202
00:52:37,960 --> 00:52:36,109
on a higher frequency of love light

1203
00:52:40,569 --> 00:52:37,970
benevolence love for brother all

1204
00:52:44,049 --> 00:52:40,579
brothers and sisters and hold no

1205
00:52:45,309 --> 00:52:44,059
resentment anger or and forgive

1206
00:52:46,630 --> 00:52:45,319
everybody of the things that they've

1207
00:52:48,760 --> 00:52:46,640
done to us you know things that they've

1208
00:52:51,579 --> 00:52:48,770
done that are horrible or not we forgive

1209
00:52:54,400 --> 00:52:51,589
them and let them go you move to higher

1210
00:52:56,650 --> 00:52:54,410
frequency and that this is what the

1211
00:52:57,160 --> 00:52:56,660
people tell talk about on the starships

1212
00:53:00,930 --> 00:52:57,170
as well

1213
00:53:04,359 --> 00:53:00,940

the people of Earth have to change their

1214

00:53:06,160 --> 00:53:04,369

focus and their thought yes people say

1215

00:53:07,359 --> 00:53:06,170

Oh pray for the planet yeah you can pray

1216

00:53:09,280 --> 00:53:07,369

for the plan of the planet gets the

1217

00:53:11,049 --> 00:53:09,290

energy but you can't transform another

1218

00:53:13,000 --> 00:53:11,059

earth person who's living in another

1219

00:53:15,910 --> 00:53:13,010

country if they don't have a belief

1220

00:53:18,640 --> 00:53:15,920

system it's there it's their free will

1221

00:53:20,319 --> 00:53:18,650

it's them they change themselves so we

1222

00:53:22,539 --> 00:53:20,329

can suggest things we can pray for them

1223

00:53:25,900 --> 00:53:22,549

you know we could pray for people to

1224

00:53:28,030 --> 00:53:25,910

love Creator a ways their awareness and

1225

00:53:30,250 --> 00:53:28,040

having a miracle or experience that

1226

00:53:31,839 --> 00:53:30,260

Trant transitions them to think I had an

1227

00:53:33,940 --> 00:53:31,849

amazing miraculous thing I don't even

1228

00:53:36,579 --> 00:53:33,950

understand let me go stretch this out so

1229

00:53:38,319 --> 00:53:36,589

that curiosity gets the souls to change

1230

00:53:40,660 --> 00:53:38,329

change also their frequencies as they go

1231

00:53:44,170 --> 00:53:40,670

to explore let's say cryptozoology or

1232

00:53:46,180 --> 00:53:44,180

you know space so by leaving the galaxy

1233

00:53:47,770 --> 00:53:46,190

again that means those souls who did not

1234

00:53:49,120 --> 00:53:47,780

have the energy high enough to go

1235

00:53:51,339 --> 00:53:49,130

through to those other frequencies and

1236

00:53:54,849 --> 00:53:51,349

maybe be reincarnate again on the planet

1237

00:53:58,030 --> 00:53:54,859

when it gets fixed up again they will be

1238

00:54:00,099 --> 00:53:58,040

taken to another galaxy as souls with an

1239

00:54:01,569 --> 00:54:00,109

Angels to the galaxies they're following

1240

00:54:03,520 --> 00:54:01,579

behind our galaxy now there's other

1241

00:54:05,829 --> 00:54:03,530

galaxies behind us all going in the

1242

00:54:07,510 --> 00:54:05,839

lineups there's lots of galaxies they'll

1243

00:54:09,190 --> 00:54:07,520

be taken to another galaxy to a planet

1244

00:54:11,289 --> 00:54:09,200

system similar to the planet Earth

1245

00:54:14,260 --> 00:54:11,299

system where they can get a frequency

1246

00:54:15,490 --> 00:54:14,270

again that comes through similar planet

1247

00:54:19,210 --> 00:54:15,500

art gallery was going through already

1248

00:54:20,230 --> 00:54:19,220

those energy levels from 1989 hundreds

1249

00:54:23,230 --> 00:54:20,240

or whatever there would be

1250

00:54:24,730 --> 00:54:23,240

and yet not the same negative experience

1251

00:54:26,680 --> 00:54:24,740

would be on that planet it would be a

1252

00:54:28,870 --> 00:54:26,690

little more benevolent so it cleanse

1253

00:54:30,520 --> 00:54:28,880

their energy of that he talked to some

1254

00:54:31,810 --> 00:54:30,530

of the negative things that were

1255

00:54:33,880 --> 00:54:31,820

happening on the planet for them as a

1256

00:54:35,020 --> 00:54:33,890

soul and so they would get another

1257

00:54:36,970 --> 00:54:35,030

chance to come through that way and

1258

00:54:40,329 --> 00:54:36,980

cleanse up their energy get back into

1259

00:54:42,310 --> 00:54:40,339

more space as well or the there was not

1260

00:54:43,599 --> 00:54:42,320

becoming a primitive planet they would

1261

00:54:45,660 --> 00:54:43,609

get into a plant somewhere till when

1262

00:54:49,420 --> 00:54:45,670

they left but the people would not be

1263

00:54:51,430 --> 00:54:49,430

warlike or and there's a lot of plants

1264

00:54:53,410 --> 00:54:51,440

out there that are not warlike you know

1265

00:54:57,520 --> 00:54:53,420

there are some knitters like Earth a

1266

00:55:00,460 --> 00:54:57,530

little so they're challenging so that's

1267

00:55:03,339 --> 00:55:00,470

what that meant I leave the galaxy so

1268

00:55:04,359 --> 00:55:03,349

the people did not know who did this who

1269

00:55:05,890 --> 00:55:04,369

could have done this because they would

1270

00:55:07,210 --> 00:55:05,900

have had to use a lot of transmission

1271

00:55:09,339 --> 00:55:07,220

and a lot of energy and a lot of money

1272

00:55:11,589 --> 00:55:09,349

and the people I was staying with was a

1273

00:55:14,349 --> 00:55:11,599

UFO investigation group and Mormon Stern

1274

00:55:16,030 --> 00:55:14,359

in England and they were they told me

1275

00:55:17,349 --> 00:55:16,040

that they were being blamed for it and

1276

00:55:18,760 --> 00:55:17,359

they're just like hippies they were just

1277

00:55:21,460 --> 00:55:18,770

really nice people

1278

00:55:24,160 --> 00:55:21,470

yeah just regular people and playing

1279

00:55:26,770 --> 00:55:24,170

guitars you know and working regular

1280

00:55:29,170 --> 00:55:26,780

jobs like somebody worked at the local

1281

00:55:30,220 --> 00:55:29,180

bakery you know so things like that so

1282

00:55:31,720 --> 00:55:30,230

they were there saying where they were

1283

00:55:33,430 --> 00:55:31,730

came to investigate us they throw a

1284

00:55:34,810 --> 00:55:33,440

giant transmitting device out in the

1285

00:55:36,970 --> 00:55:34,820

yard there was nothing out there and

1286

00:55:39,120 --> 00:55:36,980

they were living in like 1,400 houses

1287

00:55:43,390 --> 00:55:39,130

the 14th century now 15th century houses

1288

00:55:45,040 --> 00:55:43,400

so the low ceilings was amazing that was

1289

00:55:47,339 --> 00:55:45,050

the people in England so I went to

1290

00:55:50,650 --> 00:55:47,349

England inand met some people there and

1291

00:55:52,390 --> 00:55:50,660

I had their names written down in my

1292

00:55:55,240 --> 00:55:52,400

books a long time ago

1293

00:55:58,120 --> 00:55:55,250

Graham was his first name and he worked

1294

00:56:00,730 --> 00:55:58,130

with some newspaper people he might have

1295

00:56:02,050 --> 00:56:00,740

been a reporter but he said he had these

1296

00:56:04,000 --> 00:56:02,060

different information he would get

1297

00:56:06,400 --> 00:56:04,010

because he was into the paranormal and

1298

00:56:09,060 --> 00:56:06,410

that's how I got to know through another

1299

00:56:11,829 --> 00:56:09,070

friend at that.you UFO Center in England

1300

00:56:13,480 --> 00:56:11,839

and so he had the transcripts he handed

1301

00:56:16,320 --> 00:56:13,490

me to copy down so I copied the

1302

00:56:18,280 --> 00:56:16,330

transcripts and they basically matched

1303

00:56:20,410 --> 00:56:18,290

what was being said in the newspaper

1304

00:56:22,540 --> 00:56:20,420

articles so I asked him before he showed

1305

00:56:24,430 --> 00:56:22,550

me anything I said first off what was

1306

00:56:26,530 --> 00:56:24,440

the name you heard and he said a straw

1307

00:56:28,930 --> 00:56:26,540

and I said did anybody else hear the

1308

00:56:30,350 --> 00:56:28,940

same name or did anybody say eschar as

1309

00:56:33,830 --> 00:56:30,360

to run or

1310

00:56:35,120 --> 00:56:33,840

as Ashtar there were some other names

1311

00:56:37,100 --> 00:56:35,130

they had some other weird names they

1312

00:56:39,740 --> 00:56:37,110

were saying and I and the guy said nope

1313

00:56:41,390 --> 00:56:39,750

nope you could hear it was a strong and

1314

00:56:43,340 --> 00:56:41,400

so basically these newspapers were

1315

00:56:45,320 --> 00:56:43,350

pretty close this was a Hampton

1316

00:56:47,120 --> 00:56:45,330

Southampton England newspaper clipping I

1317

00:56:50,870 --> 00:56:47,130

had again this is the voice of a strong

1318

00:56:52,190 --> 00:56:50,880

and he said I feel the same thing but

1319

00:56:55,010 --> 00:56:52,200

anyway people can read those clippings

1320

00:56:59,360 --> 00:56:55,020

on my website they want they're incited

1321

00:57:01,760 --> 00:56:59,370

yellow but they're there what happened

1322

00:57:03,280 --> 00:57:01,770

after that as our friends that I was

1323

00:57:05,900 --> 00:57:03,290

friends with in New York town

1324

00:57:09,410 --> 00:57:05,910

we're very exciting we go on sky watches

1325

00:57:11,300 --> 00:57:09,420

with us and me I say us so sometimes I

1326

00:57:13,520 --> 00:57:11,310

had a friend with me and that that's

1327

00:57:17,480 --> 00:57:13,530

passed on as well so we would go out and

1328

00:57:19,220 --> 00:57:17,490

I met Phyllis in 78 and she would be if

1329

00:57:20,600 --> 00:57:19,230

she was coming up to visit we would go

1330

00:57:21,770 --> 00:57:20,610

sky watching and if anybody was liveth

1331

00:57:24,320 --> 00:57:21,780

they would close the guy watching with

1332

00:57:26,990 --> 00:57:24,330

us so she would go out of 3 a.m. in the

1333

00:57:30,020 --> 00:57:27,000

morning nothing fun happens until after

1334

00:57:33,020 --> 00:57:30,030

1:00 a.m. no people at that time I could

1335

00:57:35,420 --> 00:57:33,030

go out but today miss ELISA night it

1336

00:57:38,420 --> 00:57:35,430

happens during the day life race at

1337

00:57:40,850 --> 00:57:38,430

daytime and nighttime I still see them

1338

00:57:43,310 --> 00:57:40,860

uniform up in Connecticut they who come

1339

00:57:44,630 --> 00:57:43,320

by flash on come over and take off but

1340

00:57:46,940 --> 00:57:44,640

they don't have a camera like that that

1341

00:57:48,050 --> 00:57:46,950

takes night shots the daytime look

1342

00:57:49,610 --> 00:57:48,060

that's why we asked them to come in the

1343

00:57:52,070 --> 00:57:49,620

daytime because I could take shots with

1344

00:57:54,350 --> 00:57:52,080

the camera and they morphed their ships

1345

00:57:56,600 --> 00:57:54,360

into designs and patterns of hearts and

1346

00:57:59,180 --> 00:57:56,610

crosses they want to show the crosses a

1347

00:58:01,820 --> 00:57:59,190

lot on our film pictures to show that

1348

00:58:04,010 --> 00:58:01,830

they are working with the vanillin space

1349

00:58:05,660 --> 00:58:04,020

people of course Ralston Evelyn and the

1350

00:58:07,820 --> 00:58:05,670

Alliance groups but the under galactic

1351
00:58:10,640 --> 00:58:07,830
mission and the Christ group all work

1352
00:58:13,490 --> 00:58:10,650
together and their intergalactic and

1353
00:58:16,010 --> 00:58:13,500
inter Universal their omniversal ships

1354
00:58:18,410 --> 00:58:16,020
and they said that they can go out come

1355
00:58:20,630 --> 00:58:18,420
back to other Universal spaces which is

1356
00:58:24,460 --> 00:58:20,640
hard to explain it's easy to say but

1357
00:58:26,780 --> 00:58:24,470
other universes are out there and

1358
00:58:28,760 --> 00:58:26,790
they're not the same as ours

1359
00:58:30,560 --> 00:58:28,770
ours is a little different there's a

1360
00:58:34,250 --> 00:58:30,570
little different but you still have a

1361
00:58:37,010 --> 00:58:34,260
body form and the body form that we have

1362
00:58:39,590 --> 00:58:37,020
in space like Ashtar and my friends and

1363
00:58:42,200 --> 00:58:39,600

crew is a human looking body form

1364

00:58:44,000 --> 00:58:42,210

elongated eyes high cheekbones kind of

1365

00:58:47,670 --> 00:58:44,010

almost Native American looking

1366

00:58:49,530 --> 00:58:47,680

different and they're highly telepathic

1367

00:58:52,770 --> 00:58:49,540

they can speak with their mouth they can

1368

00:58:55,260 --> 00:58:52,780

speak languages when they come into like

1369

00:58:56,609 --> 00:58:55,270

another country they can train for that

1370

00:59:00,720 --> 00:58:56,619

and have that immediately with the

1371

00:59:03,000 --> 00:59:00,730

Venusian people as well the ones I've

1372

00:59:05,160 --> 00:59:03,010

met speak telepathically but sometimes

1373

00:59:06,870 --> 00:59:05,170

they will speak and they're very funny

1374

00:59:11,430 --> 00:59:06,880

well everybody has a sense of humor and

1375

00:59:13,950 --> 00:59:11,440

that star does - well mark speak

1376

00:59:15,780 --> 00:59:13,960

speaking of a star before an important

1377

00:59:19,530 --> 00:59:15,790

run out of time here I guess that you

1378

00:59:22,710 --> 00:59:19,540

have recently received a message from a

1379

00:59:27,059 --> 00:59:22,720

star that you'd like to pass along to

1380

00:59:30,180 --> 00:59:27,069

our audience well I just want someone to

1381

00:59:31,920 --> 00:59:30,190

remember to say before that with a stir

1382

00:59:34,950 --> 00:59:31,930

on and the crew from England and did

1383

00:59:36,870 --> 00:59:34,960

that interruption what happened was the

1384

00:59:38,760 --> 00:59:36,880

higher frequencies I think I mentioned

1385

00:59:41,180 --> 00:59:38,770

to you on the break the higher frequency

1386

00:59:45,059 --> 00:59:41,190

eighth ninth tenth of those people they

1387

00:59:48,030 --> 00:59:45,069

transmitted their broadcast through an -

1388

00:59:50,280 --> 00:59:48,040

tarz people and the groups - to our

1389

00:59:51,510 --> 00:59:50,290

alliance groups they relayed it through

1390

00:59:53,880 --> 00:59:51,520

the frequency to come to the earth

1391

00:59:54,870 --> 00:59:53,890

frequency because a star's crews worked

1392

00:59:56,849 --> 00:59:54,880

within the density of the earth

1393

00:59:59,790 --> 00:59:56,859

frequency as well and it's easier for

1394

01:00:01,950 --> 00:59:59,800

the crews from where I come from to send

1395

01:00:04,859 --> 01:00:01,960

through a relay and came through in that

1396

01:00:07,500 --> 01:00:04,869

way so the imaging on the TV supposedly

1397

01:00:09,180 --> 01:00:07,510

the guy told me was staticky no one took

1398

01:00:11,309 --> 01:00:09,190

a picture of it it was like it happened

1399

01:00:13,829 --> 01:00:11,319

very quickly but I just want people to

1400

01:00:15,990 --> 01:00:13,839

know ash tars crews did have a relay

1401

01:00:18,839 --> 01:00:16,000

setup with the other crew my crew

1402

01:00:22,380 --> 01:00:18,849

friends what Astron and so um that's how

1403

01:00:27,329 --> 01:00:22,390

that had happened yet so the first thing

1404

01:00:30,750 --> 01:00:27,339

I was typing when Tim asked me and I

1405

01:00:32,430 --> 01:00:30,760

asked Ashtar I have to relay through my

1406

01:00:34,530 --> 01:00:32,440

Oversoul and go up there and then just

1407

01:00:37,680 --> 01:00:34,540

see if they can can get a communication

1408

01:00:40,260 --> 01:00:37,690

going with him cuz I don't harass Ashtar

1409

01:00:42,420 --> 01:00:40,270

I don't go hey how you doing I just

1410

01:00:43,380 --> 01:00:42,430

sometimes will say hey hi now sending

1411

01:00:45,720 --> 01:00:43,390

love that's it

1412

01:00:48,150 --> 01:00:45,730

he has interrupted to me he's come to me

1413

01:00:49,770 --> 01:00:48,160

and actually said things to me and

1414

01:00:52,109 --> 01:00:49,780

interrupted me well I was like in an

1415

01:00:54,450 --> 01:00:52,119

elevator all sudden his voice was right

1416

01:00:55,410 --> 01:00:54,460

there his face was in my third eye right

1417

01:00:57,240 --> 01:00:55,420

there

1418

01:00:58,890 --> 01:00:57,250

anyway to start talking about something

1419

01:01:00,599 --> 01:00:58,900

I get out the elevator worked on the

1420

01:01:04,460 --> 01:01:00,609

block and he's talking to me through

1421

01:01:06,690 --> 01:01:04,470

telepathy and his voice is different and

1422

01:01:09,029 --> 01:01:06,700

his voice is another voice in other

1423

01:01:12,359 --> 01:01:09,039

words it's not a it's a masculine voice

1424

01:01:16,170 --> 01:01:12,369

it's not soft and single or anything

1425

01:01:18,079 --> 01:01:16,180

like that but he's very strong his

1426

01:01:21,990 --> 01:01:18,089

powerful energy with his voice he's just

1427

01:01:24,329 --> 01:01:22,000

and loving but very protective being

1428

01:01:26,519 --> 01:01:24,339

he's very fatherly and brotherly like

1429

01:01:29,730 --> 01:01:26,529

when you're talking with him he gives

1430

01:01:33,480 --> 01:01:29,740

you that feeling of protection love and

1431

01:01:35,460 --> 01:01:33,490

concern who cares about everybody so I'm

1432

01:01:41,269 --> 01:01:35,470

gonna say one of the things he mentioned

1433

01:01:43,799 --> 01:01:41,279

today and kind of being funny was that

1434

01:01:46,230 --> 01:01:43,809

he was talking with my own over self and

1435

01:01:49,440 --> 01:01:46,240

I was right there in within it my own

1436

01:01:50,880 --> 01:01:49,450

self and I'm hearing the conversation go

1437

01:01:53,759 --> 01:01:50,890

back and forth because I kind of what I

1438

01:01:55,950 --> 01:01:53,769

do is I I am a remote loose and viewer I

1439

01:01:58,259 --> 01:01:55,960

guess you call myself because I go into

1440

01:02:01,109 --> 01:01:58,269

those sections and I can be there and

1441

01:02:03,299 --> 01:02:01,119

seem to my own self sighs in two places

1442

01:02:04,559 --> 01:02:03,309

at once here and up there so I could see

1443

01:02:07,349 --> 01:02:04,569

what they're doing in selfless what I'm

1444

01:02:09,089 --> 01:02:07,359

seeing and we've matched things before

1445

01:02:11,039 --> 01:02:09,099

with each other she's had experiences in

1446

01:02:13,019 --> 01:02:11,049

the room and would ask me to say what

1447

01:02:14,549 --> 01:02:13,029

we've just were doing and I would say

1448

01:02:16,890 --> 01:02:14,559

where were we just now and then to see

1449

01:02:18,359 --> 01:02:16,900

it and I tell her and she says oh my god

1450

01:02:19,740 --> 01:02:18,369

that is exactly what I was looking at it

1451
01:02:21,269 --> 01:02:19,750
was in the whole new scene in another

1452
01:02:22,950 --> 01:02:21,279
planet so I just want people to know

1453
01:02:25,430 --> 01:02:22,960
this is these are abilities that can be

1454
01:02:27,690 --> 01:02:25,440
trained you can do these things and

1455
01:02:30,180 --> 01:02:27,700
connect with your over and higher self

1456
01:02:31,859 --> 01:02:30,190
and you can start to connect and see

1457
01:02:33,089 --> 01:02:31,869
through their eyes and that's part of

1458
01:02:35,400 --> 01:02:33,099
what they want they want you to know

1459
01:02:37,829 --> 01:02:35,410
you're not alone and then the conscience

1460
01:02:39,980 --> 01:02:37,839
is your over Higher Self one that says

1461
01:02:42,809 --> 01:02:39,990
don't do that don't do that's bad that's

1462
01:02:46,559 --> 01:02:42,819
usually that person there so I started

1463
01:02:48,539 --> 01:02:46,569

to kidding around with my own over part

1464

01:02:50,999 --> 01:02:48,549

and they were telepathic while I was

1465

01:02:52,349 --> 01:02:51,009

listening and he was gonna tell me I'll

1466

01:02:59,039 --> 01:02:52,359

come get you some information around

1467

01:03:00,839 --> 01:02:59,049

3:00 today well what he said was don't

1468

01:03:03,210 --> 01:03:00,849

don't take it anything wrong okay people

1469

01:03:05,069 --> 01:03:03,220

out there please don't it's like we've

1470

01:03:07,230 --> 01:03:05,079

been doing a lot of hand-holding

1471

01:03:10,950 --> 01:03:07,240

for a lot of many many many men

1472

01:03:14,160 --> 01:03:10,960

many years and at the time yeah and the

1473

01:03:17,190 --> 01:03:14,170

hand-holding impression was an adult

1474

01:03:19,380 --> 01:03:17,200

with a toddler who keeps slipping or

1475

01:03:21,330 --> 01:03:19,390

falling or getting distracted to go play

1476

01:03:23,750 --> 01:03:21,340

with something that's dangerous and if

1477

01:03:26,910 --> 01:03:23,760

an adult has not polluted the path again

1478

01:03:29,310 --> 01:03:26,920

he's representing that as the crews and

1479

01:03:32,160 --> 01:03:29,320

the gang and him and mission so that

1480

01:03:34,680 --> 01:03:32,170

they have are taking care and really

1481

01:03:36,300 --> 01:03:34,690

helping the people trying to guide them

1482

01:03:38,430 --> 01:03:36,310

in the right ways

1483

01:03:40,890 --> 01:03:38,440

a lot of that hand-holding is what he

1484

01:03:44,310 --> 01:03:40,900

meant by that's a metaphor for that so

1485

01:03:45,900 --> 01:03:44,320

what he said what I heard and I want to

1486

01:03:48,210 --> 01:03:45,910

tell you from my perspective as I was

1487

01:03:50,490 --> 01:03:48,220

hearing him say he's concerned about

1488

01:03:52,230 --> 01:03:50,500

helping people understand what is

1489

01:03:55,200 --> 01:03:52,240

happening in our solar system at the

1490

01:03:56,880 --> 01:03:55,210

time and asking Souls and physical

1491

01:03:58,590 --> 01:03:56,890

bodies on planets to raise their

1492

01:04:01,350 --> 01:03:58,600

energetic body in the nations and their

1493

01:04:03,390 --> 01:04:01,360

auras to shine very bright and to love

1494

01:04:07,470 --> 01:04:03,400

Creator more for energy to come to this

1495

01:04:08,970 --> 01:04:07,480

and and love creator and more energy

1496

01:04:11,760 --> 01:04:08,980

would come to the souls with love and

1497

01:04:13,920 --> 01:04:11,770

guidance etcetera that was more like an

1498

01:04:16,230 --> 01:04:13,930

account of continuous there are changes

1499

01:04:19,109 --> 01:04:16,240

coming to our solar system within the

1500

01:04:21,540 --> 01:04:19,119

next few years and on to 10 to 20 plus

1501
01:04:23,220 --> 01:04:21,550
years from now depending on the people

1502
01:04:25,680 --> 01:04:23,230
on the planet how they live their lives

1503
01:04:28,470 --> 01:04:25,690
that he's mentioned this before so I'm

1504
01:04:30,870 --> 01:04:28,480
saying he mentioned to me there is more

1505
01:04:32,670 --> 01:04:30,880
evil and are more evil entities prowling

1506
01:04:34,320 --> 01:04:32,680
planet Earth and that is why all things

1507
01:04:36,840 --> 01:04:34,330
on the planet seem to be reversed and

1508
01:04:40,080 --> 01:04:36,850
mixed up we're good as bad and bad as

1509
01:04:42,420 --> 01:04:40,090
seen as good etc Ashtar has mentioned

1510
01:04:44,730 --> 01:04:42,430
that to me in the past I type that in

1511
01:04:47,640 --> 01:04:44,740
and we have spoken about these subjects

1512
01:04:49,170 --> 01:04:47,650
in our recent lectures me and fluffy

1513
01:04:52,140 --> 01:04:49,180

last night over the past few years or

1514

01:04:54,210 --> 01:04:52,150

two so it's just some of the subjects

1515

01:04:57,690 --> 01:04:54,220

we've touched on what's happening we're

1516

01:04:58,980 --> 01:04:57,700

coming to our solar system also my

1517

01:05:00,390 --> 01:04:58,990

oversoul has mentioned similar

1518

01:05:04,650 --> 01:05:00,400

information to me when I'm at a body

1519

01:05:07,200 --> 01:05:04,660

turning soul travel that Ashtar and the

1520

01:05:08,520 --> 01:05:07,210

crew one time when I asked him he said

1521

01:05:11,880 --> 01:05:08,530

to let them know the truth

1522

01:05:13,740 --> 01:05:11,890

he said revealed at all reveal what they

1523

01:05:19,140 --> 01:05:13,750

can handle but reveal it because the

1524

01:05:21,150 --> 01:05:19,150

time is getting too short and in 1978 I

1525

01:05:22,559 --> 01:05:21,160

had a vision that was given to me when

1526

01:05:24,089 --> 01:05:22,569

moving the car cuz you have to sit in

1527

01:05:27,210 --> 01:05:24,099

the car for an hour and you have to move

1528

01:05:28,769 --> 01:05:27,220

it for street cleaning I have a tonal

1529

01:05:33,450 --> 01:05:28,779

vision go across the screen of the car

1530

01:05:35,130 --> 01:05:33,460

window a 3d vision of a people walking

1531

01:05:37,170 --> 01:05:35,140

on sidewalk near let's say central part

1532

01:05:40,799 --> 01:05:37,180

was like sidewalks and it was a complete

1533

01:05:44,430 --> 01:05:40,809

fast vision so we do this we give this

1534

01:05:46,859 --> 01:05:44,440

show this vision you know lectures we do

1535

01:05:48,450 --> 01:05:46,869

in recently because we research the

1536

01:05:49,740 --> 01:05:48,460

things that put them into the screen so

1537

01:05:51,960 --> 01:05:49,750

we can have this kind of would it look

1538

01:05:53,910 --> 01:05:51,970

like for me but it was a people walking

1539

01:05:56,309 --> 01:05:53,920

like a guy first walking with a boombox

1540

01:05:58,710 --> 01:05:56,319

on his right shoulder him aiming the

1541

01:06:00,480 --> 01:05:58,720

speakers at his head and I'm like my

1542

01:06:02,999 --> 01:06:00,490

mind as I'm saying well I think had to

1543

01:06:04,170 --> 01:06:03,009

do that in the park back in 278 and I

1544

01:06:06,480 --> 01:06:04,180

said why would they aim that thing at

1545

01:06:10,160 --> 01:06:06,490

their head then it moved into a person

1546

01:06:13,349 --> 01:06:10,170

with a Walkman looking thing was in a

1547

01:06:14,819 --> 01:06:13,359

giant headphones on their head and they

1548

01:06:16,319 --> 01:06:14,829

were tapping or listening to something

1549

01:06:19,019 --> 01:06:16,329

and I opposed a tape recorder or radio

1550

01:06:20,759 --> 01:06:19,029

or just a radio then the headphones got

1551

01:06:21,390 --> 01:06:20,769

a little smaller but each time I saw a

1552

01:06:23,339 --> 01:06:21,400

new picture

1553

01:06:25,499 --> 01:06:23,349

it said and when you see this it's

1554

01:06:27,200 --> 01:06:25,509

getting close and when you see this it's

1555

01:06:30,480 --> 01:06:27,210

getting close that's what they would say

1556

01:06:32,609 --> 01:06:30,490

time is getting close it went all the

1557

01:06:34,140 --> 01:06:32,619

way from large headphones the small

1558

01:06:35,400 --> 01:06:34,150

headphones to things that were like the

1559

01:06:37,019 --> 01:06:35,410

Walkman the girl was jogging with

1560

01:06:38,789 --> 01:06:37,029

something on her belt with Walkman thing

1561

01:06:40,230 --> 01:06:38,799

around thing I still thought it was a

1562

01:06:42,390 --> 01:06:40,240

radio I thought this is something like

1563

01:06:44,670 --> 01:06:42,400

radio because we had the radios in the

1564

01:06:45,839 --> 01:06:44,680

50s a little transistors so I thought

1565

01:06:47,640 --> 01:06:45,849

that's interesting it's funny you know

1566

01:06:49,499 --> 01:06:47,650

they're both working well did she lose

1567

01:06:51,599 --> 01:06:49,509

they begin to have things on their hands

1568

01:06:53,730 --> 01:06:51,609

this didn't make any sense to me I

1569

01:06:55,529 --> 01:06:53,740

thought again tiny transistor radios

1570

01:06:57,390 --> 01:06:55,539

well now today we know it's a cell phone

1571

01:06:59,940 --> 01:06:57,400

the back then had no idea what that

1572

01:07:01,859 --> 01:06:59,950

thing was and they kept tapping at it so

1573

01:07:03,359 --> 01:07:01,869

I said why are they tapping at the radio

1574

01:07:06,839 --> 01:07:03,369

I was saying that no go when you see

1575

01:07:08,220 --> 01:07:06,849

this is getting very short next one they

1576

01:07:09,029 --> 01:07:08,230

show the little things in their hands

1577

01:07:11,309 --> 01:07:09,039

getting smaller

1578

01:07:12,630 --> 01:07:11,319

no microphones on their heads little

1579

01:07:14,910 --> 01:07:12,640

things out of their ears which we saw

1580

01:07:17,160 --> 01:07:14,920

now earphones with cords I saw that too

1581

01:07:18,480 --> 01:07:17,170

then it moved into something in their

1582

01:07:19,680 --> 01:07:18,490

ear and on their ear and I think that

1583

01:07:21,480 --> 01:07:19,690

was the Bluetooth effect because of

1584

01:07:22,829 --> 01:07:21,490

something looped on their ear again I

1585

01:07:24,240 --> 01:07:22,839

was saying why are they doing this with

1586

01:07:25,980 --> 01:07:24,250

radios what the heck because they're

1587

01:07:27,809 --> 01:07:25,990

tapping on them then I saw somebody

1588

01:07:29,880 --> 01:07:27,819

talking at it so I thought they were

1589

01:07:31,950 --> 01:07:29,890

yelling and singing with the music but

1590

01:07:33,749 --> 01:07:31,960

it was no sound with what I saw only

1591

01:07:34,610 --> 01:07:33,759

when you see this it's getting very

1592

01:07:38,790 --> 01:07:34,620

close

1593

01:07:41,010 --> 01:07:38,800

the next one went into a guy walking by

1594

01:07:42,930 --> 01:07:41,020

whether he's a business suit he slipped

1595

01:07:45,240 --> 01:07:42,940

up his arm he starts tapping something

1596

01:07:48,090 --> 01:07:45,250

on his wrist and talking at it I thought

1597

01:07:49,680 --> 01:07:48,100

Dick Tracy radio wrist radio nope that

1598

01:07:51,390 --> 01:07:49,690

was a cell phone on the other hand I

1599

01:07:52,770 --> 01:07:51,400

didn't know that till now the other way

1600

01:07:54,750 --> 01:07:52,780

you see them so all this has been

1601
01:07:58,470 --> 01:07:54,760
happening right and they complain when

1602
01:08:01,320 --> 01:07:58,480
you see this time is short when you see

1603
01:08:02,040 --> 01:08:01,330
this it's really short now the last one

1604
01:08:05,040 --> 01:08:02,050
they showed me

1605
01:08:08,310 --> 01:08:05,050
besides the wristwatch thing was the

1606
01:08:10,950 --> 01:08:08,320
tiny little earphones going inside the

1607
01:08:13,710 --> 01:08:10,960
ear with no cords and then getting

1608
01:08:15,720 --> 01:08:13,720
almost invisible where you don't see and

1609
01:08:18,180 --> 01:08:15,730
notice it like a like a your piece for

1610
01:08:22,620 --> 01:08:18,190
people hearing aid and then they said

1611
01:08:24,120 --> 01:08:22,630
yeah when you well you know III I had to

1612
01:08:27,900 --> 01:08:24,130
cut you off now but time is short

1613
01:08:30,240 --> 01:08:27,910

because we're just about reach the end

1614

01:08:33,510 --> 01:08:30,250

of our galaxy and I do want people to

1615

01:08:37,050 --> 01:08:33,520

know where they where they can contact

1616

01:08:38,490 --> 01:08:37,060

you and there is a the to at least two

1617

01:08:44,099 --> 01:08:38,500

other interviews with you in our

1618

01:08:47,610 --> 01:08:44,109

archives either on K cor radio or on mr.

1619

01:08:49,740 --> 01:08:47,620

UFO secret files on YouTube well I have

1620

01:08:54,030 --> 01:08:49,750

to do is type in your name and it will

1621

01:08:57,630 --> 01:08:54,040

appear as if by magic how do people find

1622

01:08:59,039 --> 01:08:57,640

you on the web mark thanks Jim I'm sorry

1623

01:09:01,320 --> 01:08:59,049

but that was the end of the vision

1624

01:09:03,630 --> 01:09:01,330

saying time is up meaning get your after

1625

01:09:04,829 --> 01:09:03,640

together people try asking close done is

1626

01:09:06,570 --> 01:09:04,839

having problems we're having a solar

1627

01:09:09,059 --> 01:09:06,580

flares and more it's gonna come so

1628

01:09:11,460 --> 01:09:09,069

remember knowing the movie okay other

1629

01:09:13,140 --> 01:09:11,470

things like - it's like catastrophes

1630

01:09:15,150 --> 01:09:13,150

with the earth this happens gonna happen

1631

01:09:16,860 --> 01:09:15,160

but we gotta get our act together as

1632

01:09:18,840 --> 01:09:16,870

Souls and get her act in the higher

1633

01:09:20,610 --> 01:09:18,850

frequencies don't keep coming back to

1634

01:09:22,740 --> 01:09:20,620

this heavy dense physical level to be

1635

01:09:24,090 --> 01:09:22,750

reborn onto a dense level because the

1636

01:09:26,940 --> 01:09:24,100

earth you come back to might look like

1637

01:09:28,950 --> 01:09:26,950

caveman days or those people can fix it

1638

01:09:30,780 --> 01:09:28,960

up fast with space people so this is

1639

01:09:32,760 --> 01:09:30,790

part of the mission when they said so

1640

01:09:35,220 --> 01:09:32,770

now we're at the point with earphones

1641

01:09:36,780 --> 01:09:35,230

are in the years 10 times them up so

1642

01:09:38,670 --> 01:09:36,790

that was my mission to get people to

1643

01:09:40,769 --> 01:09:38,680

understand that so they can agree to

1644

01:09:43,440 --> 01:09:40,779

that email on

1645

01:09:45,809 --> 01:09:43,450

intergalactic mission comm there's an

1646

01:09:47,160 --> 01:09:45,819

email there to contact us as mark

1647

01:09:50,340 --> 01:09:47,170

underscore Brinkerhoff

1648

01:09:52,950 --> 01:09:50,350

Oh calm and Facebook as well as mark

1649

01:09:54,630 --> 01:09:52,960

Berger - and you can see what we're up

1650

01:09:56,550 --> 01:09:54,640

to on Facebook cuz that's right post

1651

01:09:57,959 --> 01:09:56,560

mostly before what we're doing with

1652

01:10:00,150 --> 01:09:57,969

lectures coming up so we'll be putting

1653

01:10:03,300 --> 01:10:00,160

lectures together I also do readings or

1654

01:10:04,770 --> 01:10:03,310

soul readings and lucid dream I could do

1655

01:10:06,660 --> 01:10:04,780

dream interpretation anything things

1656

01:10:10,770 --> 01:10:06,670

like that so people have any questions

1657

01:10:12,000 --> 01:10:10,780

like that they can contact us on on the

1658

01:10:14,910 --> 01:10:12,010

website

1659

01:10:17,610 --> 01:10:14,920

intergalactic mission under webinars and

1660

01:10:18,900 --> 01:10:17,620

consultation and what we're gonna do

1661

01:10:19,800 --> 01:10:18,910

haven't done a webinar yet but we have

1662

01:10:22,380 --> 01:10:19,810

it to set up hopefully

1663

01:10:27,270 --> 01:10:22,390

so consultations would be like readings

1664

01:10:28,979 --> 01:10:27,280

or or things like that all right mark

1665

01:10:30,930 --> 01:10:28,989

thank you very much we're gonna happen

1666

01:10:32,970 --> 01:10:30,940

we got finished it have finished it up

1667

01:10:34,830 --> 01:10:32,980

here we're out of time so thank you

1668

01:10:37,830 --> 01:10:34,840

everyone for listening thank you Tim

1669

01:10:40,890 --> 01:10:37,840

Beckley Thank You Tina and be sure to

1670

01:10:45,810 --> 01:10:40,900

tune again next week for more exploring

1671

01:10:52,320 --> 01:10:48,450

you've been listening to exploring the

1672

01:10:53,270 --> 01:10:52,330

bazaar with hosts Timothy Becky and T

1673

01:10:56,070 --> 01:10:53,280

Swartz

1674

01:10:58,980 --> 01:10:56,080

they're taking back the night by jetting

1675

01:11:01,050 --> 01:10:58,990

non-stop across the cosmos in search of

1676

01:11:04,870 --> 01:11:01,060

the truly bizarre and totally

1677

01:11:07,380 --> 01:11:04,880

unexplained with you as their cold

1678

01:11:11,860 --> 01:11:07,390

Thursday nights at 7:00 p.m. Pacific

1679

01:11:13,070 --> 01:11:11,870

10:00 p.m. Eastern on the K cor digital

1680

01:11:15,500 --> 01:11:13,080

radio

1681

01:11:18,590 --> 01:11:15,510

for more information on exploring the

1682

01:11:21,260 --> 01:11:18,600

bazaars and hosts Timothy Beckley and

1683

01:11:24,440 --> 01:11:21,270

Tim Swartz check out their kco our

1684

01:11:30,500 --> 01:11:24,450

digital radio network follow their
