00:00:44,160 --> 00:00:41,680

explode the bazaars or e-ticket ride

3
00:00:47,440 --> 00:00:44,170

into the world of the paranoid

4
00:00:51,750 --> 00:00:47,450

strap yourself in as we traverse the

5
00:00:54,869 --> 00:00:51,760

universe exploring the unexplained UFO s

6
00:00:57,250 --> 00:00:54,879

ghosts Lost Worlds

7
00:01:01,090 --> 00:00:57,260

cryptozoology as well as other

8
00:01:05,499 --> 00:01:01,100

dimensions it's time to take back the

9
00:01:08,740 --> 00:01:05,509

night last night now your electrifying

10
00:01:13,680 --> 00:01:08,750

hosts of exploring the bizarre Timothy

11
00:01:20,580 --> 00:01:17,760

- Tim what what are we doing this far

12
00:01:25,500 --> 00:01:20,590

underground it's like we're in some kind

13
00:01:29,490 --> 00:01:25,510

of Frankenstein Factory oh look there's

14

00:01:33,170 --> 00:01:29,500

even there seems to be an alien corpse

15

00:01:36,630 --> 00:01:33,180

on that examination table over there oh

16

00:01:38,760 --> 00:01:36,640

well glad you noticed it Tim no our

17

00:01:42,060 --> 00:01:38,770

guest tonight believes that eons ago

18

00:01:44,640 --> 00:01:42,070

ancient aliens kinetically engineered

19

00:01:46,680 --> 00:01:44,650

the human race so we're kind of a lab

20

00:01:49,260 --> 00:01:46,690

rat back so I guess you could say we're

21

00:01:51,840 --> 00:01:49,270

trying to get even by back-engineering

22

00:01:54,900 --> 00:01:51,850

some of their scientists creating a race

23

00:01:58,890 --> 00:01:54,910

of altered terrestrial loans isn't that

24

00:02:01,710 --> 00:01:58,900

clever of may happen oh this is this is

25

00:02:04,010 --> 00:02:01,720

just too bizarre it's a real freak show

26

00:02:06,510 --> 00:02:04,020

you have going on here

27

00:02:08,340 --> 00:02:06,520

electricity lighting up everything and

28

00:02:12,060 --> 00:02:08,350

what happens if one of those alien

29

00:02:17,790 --> 00:02:12,070

creatures comes alive and he's not so

30

00:02:20,699 --> 00:02:17,800

friendly that's why I have you here mmm

31

00:02:22,949 --> 00:02:20,709

need all the protection we can get no no

32

00:02:25,650 --> 00:02:22,959

let me get back to let me get back to my

33

00:02:30,479 --> 00:02:25,660

lab work Tim hand me a bucket of those

34

00:02:32,190 --> 00:02:30,489

nuts and bolts over there yeah look he

35

00:02:33,199 --> 00:02:32,200

is kind of twitching a little is it

36

00:02:38,850 --> 00:02:33,209

Merlin

37

00:02:41,250 --> 00:02:38,860

yeah oh well we'll get this figured out

38

00:02:43,740 --> 00:02:41,260

sooner or later three more lightning

39

00:02:46,680 --> 00:02:43,750

bolts through the cranium and in he'll

40

00:02:48,300 --> 00:02:46,690

be all set you might want to take over

41

00:02:49,880 --> 00:02:48,310

the show they'll come to think of it huh

42

00:02:52,800 --> 00:02:49,890

we don't want that do we

43

00:02:54,590 --> 00:02:52,810

no no yeah the listeners definitely

44

00:02:57,870 --> 00:02:54,600

don't want that

45

00:03:01,199 --> 00:02:57,880

I'm glad to hear that well here we are

46

00:03:05,009 --> 00:03:01,209

another another another jolly night

47

00:03:08,220 --> 00:03:05,019

which is I look forward to this evening

48

00:03:10,530 --> 00:03:08,230

with great anticipation and tonight

49

00:03:14,130 --> 00:03:10,540

we're going to have a wild and crazy

50

00:03:16,860 --> 00:03:14,140

show because we've got a while then a

51
00:03:21,030 --> 00:03:16,870
great guest on is always we brings in

52
00:03:24,450 --> 00:03:21,040
the past best best in paranormal talk

53
00:03:27,430 --> 00:03:24,460
and paranormal entertainment so what's

54
00:03:30,850 --> 00:03:27,440
going out there in Jasper in the

55
00:03:33,250 --> 00:03:30,860
well just a another beautiful day in

56
00:03:37,000 --> 00:03:33,260
the neighborhood Tim well there you go

57
00:03:41,170 --> 00:03:37,010
you got a mr. Rogers out there mm-hmm no

58
00:03:47,260 --> 00:03:41,180
no I'm mr. Rogers got my sweater sweater

59
00:03:51,340 --> 00:03:47,270
on and my house slippers and I'm ready

60
00:03:54,250 --> 00:03:51,350
to go but I I know you've been busy busy

61
00:03:58,660 --> 00:03:54,260
busy what have you been working on oh

62
00:04:05,530 --> 00:03:58,670
well we're working on our our new book

63
00:04:07,900 --> 00:04:05,540

which is about area 51 and hopefully now

64

00:04:11,380 --> 00:04:07,910

not hopefully we will well we'll get it

65

00:04:14,680 --> 00:04:11,390

out really soon should be are ready to

66

00:04:17,890 --> 00:04:14,690

go in another week or so I'd say oh well

67

00:04:23,590 --> 00:04:17,900

I hope so because we want to get out to

68

00:04:26,080 --> 00:04:23,600

Rachel and join the Stampede but enough

69

00:04:30,100 --> 00:04:26,090

of our enough of our idle chatter

70

00:04:37,200 --> 00:04:30,110

because we want to roll right along here

71

00:04:39,700 --> 00:04:37,210

and so Tim to number two tell us a guess

72

00:04:42,760 --> 00:04:39,710

this evening and what we will be

73

00:04:46,030 --> 00:04:42,770

chitchat shattering about oh well very

74

00:04:49,390 --> 00:04:46,040

happy to say that tonight our guest is

75

00:04:51,550 --> 00:04:49,400

lawn Strickler Lanza been on the show

76

00:04:53,950 --> 00:04:51,560

who are a number of times and we're

77

00:04:56,770 --> 00:04:53,960

always how always happy to have him with

78

00:05:00,550 --> 00:04:56,780

us to talk about just all these a

79

00:05:02,470 --> 00:05:00,560

different 40 in subjects that are so

80

00:05:05,830 --> 00:05:02,480

near and dear to our heart

81

00:05:08,110 --> 00:05:05,840

so now lawn is a cryptid researcher an

82

00:05:11,500 --> 00:05:08,120

intuitive who writes and emitters on a

83

00:05:13,630 --> 00:05:11,510

variety of 14 subjects and Alana's a

84

00:05:15,370 --> 00:05:13,640

resident of Hanover Pennsylvania and at

85

00:05:18,610 --> 00:05:15,380

an early age he realized that he had the

86

00:05:20,530 --> 00:05:18,620

ability to sense spiritual entity energy

87

00:05:22,900 --> 00:05:20,540

and found that's useful in the field

88

00:05:25,659 --> 00:05:22,910

while conducting investigations most of

89

00:05:27,880 --> 00:05:25,669

his early work concentrated on spiritual

90

00:05:30,790 --> 00:05:27,890

activity at historical locations in

91

00:05:33,130 --> 00:05:30,800

Maryland and Pennsylvania in particular

92

00:05:35,980 --> 00:05:33,140

locations where traumatic events have

93

00:05:38,230 --> 00:05:35,990

occurred now in 1981 I've experienced a

94

00:05:41,230 --> 00:05:38,240

Bigfoot account encounter near

95

00:05:46,529 --> 00:05:41,240

Scottsville Maryland while fish

96

00:05:49,240 --> 00:05:46,539

at the South branch of the Patapsco

97

00:05:51,730 --> 00:05:49,250

River you have to correct me on that

98

00:05:54,309 --> 00:05:51,740

we're on a lot of I said that wrong as a

99

00:05:56,890 --> 00:05:54,319

result of this incident he included

100

00:06:00,760 --> 00:05:56,900

cryptid studies as an important part of

101

00:06:04,300 --> 00:06:00,770

his research now on is the host of the

102

00:06:06,999 --> 00:06:04,310

web cast arcane radio heard live Friday

103

00:06:11,260 --> 00:06:07,009

nights at 9:00 p.m. Eastern on

104

00:06:13,240 --> 00:06:11,270

paranormal king.com and his latest book

105

00:06:16,770 --> 00:06:13,250

which we'll be talking with him about

106

00:06:20,589 --> 00:06:16,780

tonight is alien disclosure experiencers

107

00:06:23,830 --> 00:06:20,599

expose reality so on thank you very much

108

00:06:24,610 --> 00:06:23,840

for being with us again on exploring

109

00:06:27,399 --> 00:06:24,620

observe

110

00:06:29,939 --> 00:06:27,409

yeah thanks reality and Tim you can see

111

00:06:34,029 --> 00:06:29,949

I'm a wild and crazy guy it's alright

112

00:06:37,749 --> 00:06:34,039

okay we'll go very good I've heard I've

113

00:06:41,290 --> 00:06:37,759

heard rumours from the cryptids in your

114

00:06:43,749 --> 00:06:41,300

neighborhood that they say that you're

115

00:06:46,320 --> 00:06:43,759

pretty pretty out there but that's good

116

00:06:49,029 --> 00:06:46,330

because that keeps them on their toes

117

00:06:51,730 --> 00:06:49,039

and they've got some pretty big toes all

118

00:06:57,040 --> 00:06:51,740

three of them yeah you know one we think

119

00:07:00,279 --> 00:06:57,050

of you as the Bigfoot in Mothman man but

120

00:07:04,930 --> 00:07:00,289

you're a lot more than that and I think

121

00:07:06,730 --> 00:07:04,940

this new book shows that I haven't had I

122

00:07:10,089 --> 00:07:06,740

must have been some pleasure reading it

123

00:07:12,100 --> 00:07:10,099

yet but why don't you tell us a little

124

00:07:15,070 --> 00:07:12,110

bit about what this is about because I

125

00:07:19,899 --> 00:07:15,080

guess it's not your typical let's get

126

00:07:21,550 --> 00:07:19,909

out and find you know Bigfoot well you

127

00:07:23,860 --> 00:07:21,560

guys known me long enough to know that

128

00:07:27,790 --> 00:07:23,870

if it's interesting I'm gonna try to get

129

00:07:30,070 --> 00:07:27,800

in on it and see what's going on and you

130

00:07:32,909 --> 00:07:30,080

know I guess but you can say my forte

131

00:07:38,110 --> 00:07:32,919

has been crypto cryptids and and other

132

00:07:42,999 --> 00:07:38,120

unexplained beans and such but the the

133

00:07:47,309 --> 00:07:43,009

abduction in alien encounter genre akane

134

00:07:52,000 --> 00:07:47,319

hit me right smack in the face back in

135

00:07:54,210 --> 00:07:52,010

2010-2011 when i started to talk to

136

00:07:57,270 --> 00:07:54,220

David Eckhart he was annex

137

00:08:00,990 --> 00:07:57,280

parents are an abductee from around

138

00:08:04,230 --> 00:08:01,000

Pensacola Florida so I've been you know

139

00:08:05,940 --> 00:08:04,240

I've been you know investigating the

140

00:08:10,290 --> 00:08:05,950

things that he's been going through now

141

00:08:13,200 --> 00:08:10,300

for almost a decade and of course you

142

00:08:16,860 --> 00:08:13,210

know being on the blog and you know

143

00:08:19,550 --> 00:08:16,870

doing that almost every day I do run

144

00:08:23,880 --> 00:08:19,560

into a lot of other experiences and

145

00:08:27,570 --> 00:08:23,890

abductees as well so I figured it was

146

00:08:29,850 --> 00:08:27,580

about time to go ahead and put about two

147

00:08:34,320 --> 00:08:29,860

decades worth of research into the book

148

00:08:37,890 --> 00:08:34,330

and that's why I decided to write it and

149

00:08:40,350 --> 00:08:37,900

and what would you say is the the the

150

00:08:44,600 --> 00:08:40,360

thrust of the the book what do you

151
00:08:48,210 --> 00:08:44,610
reveal to us well you know I I believe

152
00:08:51,390 --> 00:08:48,220
that it's it's time for people who have

153
00:08:55,380 --> 00:08:51,400
actually had experiences to be heard and

154
00:08:58,829 --> 00:08:55,390
to be believed because you know there's

155
00:09:03,060 --> 00:08:58,839
there's a stigma with people who have

156
00:09:07,760 --> 00:09:03,070
said they were abducted and unless you

157
00:09:11,190 --> 00:09:07,770
really sit down and listen to them and

158
00:09:15,840 --> 00:09:11,200
of course I've also had experiences

159
00:09:18,300 --> 00:09:15,850
myself it's uh I believe that is

160
00:09:21,900 --> 00:09:18,310
actually the time to start buying into

161
00:09:24,960 --> 00:09:21,910
what they're telling us and you know now

162
00:09:26,970 --> 00:09:24,970
you know and but within reason but I and

163
00:09:29,130 --> 00:09:26,980

I think they got a lot to offer to us

164

00:09:34,020 --> 00:09:29,140

and I think the truth is actually coming

165

00:09:36,480 --> 00:09:34,030

from those who have experienced it now I

166

00:09:40,770 --> 00:09:36,490

realize we only have an hour here but

167

00:09:42,450 --> 00:09:40,780

what what was your earliest experience I

168

00:09:44,460 --> 00:09:42,460

mean what do you gather from all of this

169

00:09:48,300 --> 00:09:44,470

who's taking you and where do you go

170

00:09:54,329 --> 00:09:48,310

where did you go to well it actually

171

00:09:57,170 --> 00:09:54,339

started around 2015 I was you know after

172

00:09:59,760 --> 00:09:57,180

decades of research investigation and

173

00:10:02,190 --> 00:09:59,770

then I had personal experience I

174

00:10:04,710 --> 00:10:02,200

believed that an early interaction

175

00:10:06,570 --> 00:10:04,720

between Earth's inhabitants and

176
00:10:07,470 --> 00:10:06,580
otherworldly beings actually occurred

177
00:10:11,699 --> 00:10:07,480
and I'm

178
00:10:13,680 --> 00:10:11,709
it happened around 13 to the 12th and

179
00:10:15,420 --> 00:10:13,690
millennium BCE you know I don't think

180
00:10:17,100 --> 00:10:15,430
it's the only interchange but I think

181
00:10:22,199 --> 00:10:17,110
it's probably one of the most

182
00:10:25,139 --> 00:10:22,209
influential I you know as a result of me

183
00:10:27,120 --> 00:10:25,149
being able to remote view and and you

184
00:10:31,199 --> 00:10:27,130
know I actually do sessions with others

185
00:10:32,579 --> 00:10:31,209
and then thinking I'm sure that I had

186
00:10:35,550 --> 00:10:32,589
three personal non-terrestrial

187
00:10:40,460 --> 00:10:35,560
encounters only one was throat with a

188
00:10:43,860 --> 00:10:40,470

lost-time event but in one occasion I

189

00:10:47,189 --> 00:10:43,870

was taken to a location I don't know if

190

00:10:52,400 --> 00:10:47,199

it was on a craft or it was somewhere

191

00:10:55,560 --> 00:10:52,410

else entirely but there were three tall

192

00:10:59,460 --> 00:10:55,570

greys these were these were also the

193

00:11:03,360 --> 00:10:59,470

same trio of non-trust Jews who actually

194

00:11:05,220 --> 00:11:03,370

and I actually encountered at home well

195

00:11:08,420 --> 00:11:05,230

anyway I was shown in historical

196

00:11:12,030 --> 00:11:08,430

scenario it was displayed to me by them

197

00:11:15,449 --> 00:11:12,040

in this scenario I witnessed a colossal

198

00:11:18,860 --> 00:11:15,459

disc-shaped craft descend and land in

199

00:11:22,559 --> 00:11:18,870

the area of present-day Nile River Delta

200

00:11:23,939 --> 00:11:22,569

now at that time this location was

201
00:11:27,000 --> 00:11:23,949
completely encircled by the

202
00:11:29,730 --> 00:11:27,010
Mediterranean Sea and that this craft

203
00:11:33,180 --> 00:11:29,740
was later transformed into a massive

204
00:11:36,480 --> 00:11:33,190
Island this was the genesis of a great

205
00:11:39,480 --> 00:11:36,490
empire that encompassed the surrounding

206
00:11:41,730 --> 00:11:39,490
indigenous people and lamb the rulers of

207
00:11:44,519 --> 00:11:41,740
this Empire were the occupants of the

208
00:11:46,710 --> 00:11:44,529
craft that landed there their knowledge

209
00:11:48,569 --> 00:11:46,720
was disseminated throughout the region

210
00:11:53,370 --> 00:11:48,579
the bloodline marriage with the native

211
00:11:56,309 --> 00:11:53,380
people now the aliens communicated to me

212
00:11:58,250 --> 00:11:56,319
that this Empire was the nexus of

213
00:12:01,259 --> 00:11:58,260

several dominant and lesser

214

00:12:05,100 --> 00:12:01,269

civilizations and the first thing I

215

00:12:07,639 --> 00:12:05,110

asked them was was this Atlantis but

216

00:12:11,189 --> 00:12:07,649

there was no response in my question I

217

00:12:14,009 --> 00:12:11,199

witnessed representations of various

218

00:12:16,170 --> 00:12:14,019

cultures that had to look developed over

219

00:12:19,250 --> 00:12:16,180

the millennia no it was this other

220

00:12:21,090 --> 00:12:19,260

script on a screen that you saw this or

221

00:12:25,650 --> 00:12:21,100

implanted in your mind

222

00:12:27,810 --> 00:12:25,660

it was a projection on a surface a

223

00:12:30,090 --> 00:12:27,820

vertical surface I don't know if it was

224

00:12:36,449 --> 00:12:30,100

a screen or what it was but it was very

225

00:12:40,740 --> 00:12:36,459

clear and as as this image was shown to

226

00:12:43,139 --> 00:12:40,750

me they were explaining to me to let but

227

00:12:48,120 --> 00:12:43,149

telepathy I mean I actually heard voices

228

00:12:54,300 --> 00:12:48,130

coming I believe from them in English

229

00:12:56,730 --> 00:12:54,310

telling me what was going on and now or

230

00:13:00,269 --> 00:12:56,740

did they tell you their point of origin

231

00:13:03,139 --> 00:13:00,279

and why would they be okay so they came

232

00:13:06,559 --> 00:13:03,149

here eons ago right

233

00:13:08,970 --> 00:13:06,569

have they stayed around oh yeah oh

234

00:13:09,660 --> 00:13:08,980

they've been here they've been here ever

235

00:13:14,100 --> 00:13:09,670

since

236

00:13:15,300 --> 00:13:14,110

they first came here and like I said are

237

00:13:18,569 --> 00:13:15,310

they hiding from us

238

00:13:20,550 --> 00:13:18,579

oh they're living among us yeah it's

239

00:13:23,819 --> 00:13:20,560

pretty it's pretty obvious to me after

240

00:13:25,590 --> 00:13:23,829

this and other other work that I had

241

00:13:28,199 --> 00:13:25,600

done that they are definitely living

242

00:13:33,540 --> 00:13:28,209

among us and are integrated within our

243

00:13:34,860 --> 00:13:33,550

society can we tell is there so uh now

244

00:13:36,509 --> 00:13:34,870

you say they look like kind of like

245

00:13:38,280 --> 00:13:36,519

these Gray's well obviously they're not

246

00:13:41,009 --> 00:13:38,290

what if they were walking around looking

247

00:13:42,750 --> 00:13:41,019

like that we we would be able to pay a

248

00:13:45,960 --> 00:13:42,760

pickup you know pick them out but

249

00:13:47,819 --> 00:13:45,970

obviously they camouflage their their

250

00:13:50,069 --> 00:13:47,829

appearance yeah they're able to

251

00:13:52,439 --> 00:13:50,079

shape-shift or either that they're

252

00:13:57,840 --> 00:13:52,449

engineered into a being it looks very

253

00:14:02,430 --> 00:13:57,850

very human and why why this particular

254

00:14:05,460 --> 00:14:02,440

interest I mean the universe is vast why

255

00:14:07,920 --> 00:14:05,470

would they say ah let's land the the

256

00:14:12,240 --> 00:14:07,930

over there on that little pebble and in

257

00:14:15,179 --> 00:14:12,250

in space I think a lot of it has to do

258

00:14:19,470 --> 00:14:15,189

with there and being intrigued by the

259

00:14:26,579 --> 00:14:19,480

human species I don't know they want our

260

00:14:30,449 --> 00:14:26,589

women yes we pointed that out in our

261

00:14:32,939 --> 00:14:30,459

book screwed by the aliens yes and you

262

00:14:34,740 --> 00:14:32,949

know the one thing I I do believe after

263

00:14:38,879 --> 00:14:34,750

all this I've looked in

264

00:14:41,819 --> 00:14:38,889

- is that for some reason I believe

265

00:14:44,269 --> 00:14:41,829

they're somewhat jealous of us you know

266

00:14:47,280 --> 00:14:44,279

if you go back to the Book of Enoch and

267

00:14:52,350 --> 00:14:47,290

you talk about the Fallen Angels and

268

00:14:55,230 --> 00:14:52,360

such that they they incorporate in with

269

00:14:57,569 --> 00:14:55,240

the human females and and such the

270

00:15:01,740 --> 00:14:57,579

Nephilim and that will store it but I do

271

00:15:05,550 --> 00:15:01,750

believe that they are jealous of the

272

00:15:11,220 --> 00:15:05,560

humans for one specific reason we have

273

00:15:16,889 --> 00:15:11,230

the ability to be an esoteric being in

274

00:15:20,189 --> 00:15:16,899

other words we actually go on to another

275

00:15:23,160 --> 00:15:20,199

level after we pass I don't think

276

00:15:30,449 --> 00:15:23,170

they're able to do that is that right

277

00:15:32,040 --> 00:15:30,459

yep I don't think now or do they have in

278

00:15:36,410 --> 00:15:32,050

a lot of these in cases where people

279

00:15:42,030 --> 00:15:36,420

have been abducted they talk about how

280

00:15:47,819 --> 00:15:42,040

non-emotional these creatures are that

281

00:15:50,879 --> 00:15:47,829

they're almost like a hive of insects do

282

00:15:54,269 --> 00:15:50,889

they have a social structure or outside

283

00:15:58,259 --> 00:15:54,279

of coming in and camouflaging themselves

284

00:16:01,259 --> 00:15:58,269

here and where would they be I mean can

285

00:16:04,860 --> 00:16:01,269

we I know we hear we hear talk about you

286

00:16:09,090 --> 00:16:04,870

know certain bloodlines and even the the

287

00:16:11,720 --> 00:16:09,100

Queen being a shape-shifter a serpent

288

00:16:16,319 --> 00:16:11,730

you know but I don't know if I've

289

00:16:18,360 --> 00:16:16,329

necessarily believed in those stories or

290

00:16:25,290 --> 00:16:18,370

not but you can never you can never

291

00:16:28,889 --> 00:16:25,300

really tell what's the possible and well

292

00:16:32,939 --> 00:16:28,899

you know when I started talking to david

293

00:16:35,249 --> 00:16:32,949

eckardt about his his abductions and his

294

00:16:39,150 --> 00:16:35,259

encounters the he had mentioned that

295

00:16:41,730 --> 00:16:39,160

when they started abducting him through

296

00:16:45,410 --> 00:16:41,740

a portal now what they would do is they

297

00:16:48,540 --> 00:16:45,420

were open up a portal in his bedroom and

298

00:16:51,420 --> 00:16:48,550

they would take he and his family

299

00:16:54,000 --> 00:16:51,430

through that but for whatever reason he

300

00:16:55,530 --> 00:16:54,010

still doesn't understand why and it's

301
00:16:58,470 --> 00:16:55,540
been almost a decade now although

302
00:17:03,329 --> 00:16:58,480
actually it was long before I ever met

303
00:17:06,780 --> 00:17:03,339
him it's almost 15 years they they were

304
00:17:09,840 --> 00:17:06,790
taking him to a location and and this

305
00:17:13,309 --> 00:17:09,850
these were reptilian type beings and it

306
00:17:18,419 --> 00:17:13,319
was always one reptilian who was

307
00:17:20,910 --> 00:17:18,429
involved with him and as David used to

308
00:17:22,770 --> 00:17:20,920
say he was just a grouch he didn't

309
00:17:25,530 --> 00:17:22,780
really seem like he wanted to be there

310
00:17:28,700 --> 00:17:25,540
and do that but he tolerated because

311
00:17:33,530 --> 00:17:28,710
that was what he was supposed to do and

312
00:17:36,780 --> 00:17:33,540
they would take him to a location

313
00:17:39,930 --> 00:17:36,790

initially that he believed was an

314

00:17:45,000 --> 00:17:39,940

underground huge underground cavern on

315

00:17:47,820 --> 00:17:45,010

on earth and that this cavern was a type

316

00:17:50,730 --> 00:17:47,830

of mining operation possibly a

317

00:17:55,770 --> 00:17:50,740

construction operation because there

318

00:17:59,970 --> 00:17:55,780

were also habitate there was also

319

00:18:04,320 --> 00:17:59,980

habitation by families and pods of other

320

00:18:07,530 --> 00:18:04,330

reptilians so they basically ran to show

321

00:18:11,310 --> 00:18:07,540

they were the overseers they they had

322

00:18:15,780 --> 00:18:11,320

other alien species there working for

323

00:18:17,310 --> 00:18:15,790

them but the most the most horrifying

324

00:18:19,440 --> 00:18:17,320

thing was that there were a lot of

325

00:18:22,799 --> 00:18:19,450

humans there as well and they were

326

00:18:27,480 --> 00:18:22,809

basically working as slave labor oh boy

327

00:18:32,280 --> 00:18:27,490

yeah so you wouldn't say then that these

328

00:18:36,060 --> 00:18:32,290

are these guys are necessarily overly

329

00:18:40,620 --> 00:18:36,070

friendly no no not not in his instance I

330

00:18:42,720 --> 00:18:40,630

mean you know he was showing a lot of

331

00:18:48,049 --> 00:18:42,730

different things and and in fact he was

332

00:18:53,010 --> 00:18:48,059

witnessed actual experimentation and

333

00:18:56,310 --> 00:18:53,020

disposal of humans these roles yeah

334

00:18:59,700 --> 00:18:56,320

these are human beings focal well they

335

00:19:02,340 --> 00:18:59,710

would take certain humans for

336

00:19:05,970 --> 00:19:02,350

experimentation and hehe

337

00:19:09,360 --> 00:19:05,980

described it as there being a reptilian

338

00:19:14,250 --> 00:19:09,370

I guess a doctor or a reptilian he would

339

00:19:17,220 --> 00:19:14,260

actually put these human on a table on

340

00:19:19,620 --> 00:19:17,230

its side and literally cut open the back

341

00:19:24,690 --> 00:19:19,630

and they would reach in and pull out

342

00:19:26,610 --> 00:19:24,700

certain parts of the body and when you

343

00:19:30,210 --> 00:19:26,620

know and they would they wouldn't die

344

00:19:34,169 --> 00:19:30,220

they were not dead and in fact he also

345

00:19:37,380 --> 00:19:34,179

was able to see this disposal of these

346

00:19:43,380 --> 00:19:37,390

beat of these humans as they literally

347

00:19:46,860 --> 00:19:43,390

walked up to this huge cylinder that was

348

00:19:50,340 --> 00:19:46,870

several stories high they wouldn't jump

349

00:19:53,399 --> 00:19:50,350

into it and float down into an area

350

00:19:56,130 --> 00:19:53,409

where these I don't know what they were

351

00:19:59,580 --> 00:19:56,140

like long tubes or whatever but they

352

00:20:02,549 --> 00:19:59,590

would actually go into these humans and

353

00:20:04,500 --> 00:20:02,559

take out all the moisture and then they

354

00:20:10,620 --> 00:20:04,510

would float down into an incinerator

355

00:20:13,680 --> 00:20:10,630

like geez yeah I that kind of sounds

356

00:20:16,980 --> 00:20:13,690

like a level of seven at the Dulce base

357

00:20:19,289 --> 00:20:16,990

now I know in the book that Scott

358

00:20:22,110 --> 00:20:19,299

Morales did their force the alien

359

00:20:24,870 --> 00:20:22,120

bloodlust we even talked about a human

360

00:20:28,830 --> 00:20:24,880

as sacrifice and there's one story that

361

00:20:31,740 --> 00:20:28,840

John keel had related to me where I talk

362

00:20:34,680 --> 00:20:31,750

show the personality a lady from my Long

363

00:20:36,149 --> 00:20:34,690

Island her name is JP apparel I don't

364

00:20:39,510 --> 00:20:36,159

know if she's still in the business or

365

00:20:41,789 --> 00:20:39,520

if she's even with us but she went with

366

00:20:44,070 --> 00:20:41,799

these with these beings well they they

367

00:20:46,320 --> 00:20:44,080

were kind of ordinary and looking but

368

00:20:49,049 --> 00:20:46,330

they they took her to this underground

369

00:20:52,710 --> 00:20:49,059

facility but it looked like a almost

370

00:20:54,840 --> 00:20:52,720

like a Oh what are these storage units

371

00:20:56,970 --> 00:20:54,850

you know in the in the in the in the

372

00:21:02,390 --> 00:20:56,980

suburbs and and there were people laid

373

00:21:05,490 --> 00:21:02,400

out there on medical slabs or tables and

374

00:21:07,980 --> 00:21:05,500

they were drawing blood from the the

375

00:21:12,899 --> 00:21:07,990

bodies of these humans I guess a whole

376

00:21:16,049 --> 00:21:12,909

row of very very spooky you know here we

377

00:21:16,289 --> 00:21:16,059

we just did a book on the solar council

378

00:21:22,440 --> 00:21:16,299

the

379

00:21:24,269 --> 00:21:22,450

Brinkerhoff was on last week and talks

380

00:21:27,379 --> 00:21:24,279

about these friendly beings coming here

381

00:21:31,649 --> 00:21:27,389

from other worlds in space in this

382

00:21:34,259 --> 00:21:31,659

Federation of Planets but boy it does

383

00:21:38,669 --> 00:21:34,269

seem most certainly that a lot of these

384

00:21:41,609 --> 00:21:38,679

guys are up to no good

385

00:21:43,289 --> 00:21:41,619

and people always ask me well you know

386

00:21:46,019 --> 00:21:43,299

how do we know the good guys from the

387

00:21:48,719 --> 00:21:46,029

bad guys and I said well I don't I I

388

00:21:51,149 --> 00:21:48,729

guess by their deeds show you know them

389

00:21:53,180 --> 00:21:51,159

if they start you know wanting to suck

390

00:21:56,849 --> 00:21:53,190

your blood or inviting you for dinner

391

00:22:00,599 --> 00:21:56,859

I'm probably you you should avoid them

392

00:22:03,419 --> 00:22:00,609

you know but now you're yeah well the

393

00:22:06,930 --> 00:22:03,429

david has also stated then that all

394

00:22:11,009 --> 00:22:06,940

these humans were disposed of some were

395

00:22:12,989 --> 00:22:11,019

processed for food as well he also saw

396

00:22:14,999 --> 00:22:12,999

that you know I've been I've been

397

00:22:17,639 --> 00:22:15,009

dealing with David now for a long time

398

00:22:22,019 --> 00:22:17,649

and there's so much that I haven't

399

00:22:24,930 --> 00:22:22,029

talked about because you know I tried to

400

00:22:29,029 --> 00:22:24,940

I tried to present it in this book I

401
00:22:32,339 --> 00:22:29,039
wouldn't say sanitized but more you know

402
00:22:33,479 --> 00:22:32,349
more steady to a point where you know

403
00:22:36,869 --> 00:22:33,489
you could understand what I was actually

404
00:22:39,749 --> 00:22:36,879
saying have you had have you had him on

405
00:22:41,549 --> 00:22:39,759
your show yes I have Oh we'll have to

406
00:22:43,560 --> 00:22:41,559
try to get him on as a guest I I'm not

407
00:22:46,529 --> 00:22:43,570
that I mean I've heard the name but I'm

408
00:22:50,549 --> 00:22:46,539
not familiar with the the experiences

409
00:22:53,729 --> 00:22:50,559
and I would certainly call them you know

410
00:22:55,469 --> 00:22:53,739
extreme now some of these are beings

411
00:22:57,709 --> 00:22:55,479
that you have investigated you know I'm

412
00:23:00,389 --> 00:22:57,719
thinking of the winged wonders creature

413
00:23:04,609 --> 00:23:00,399

contributed some material to that book

414

00:23:08,789 --> 00:23:04,619

are they in any way related to these

415

00:23:11,940 --> 00:23:08,799

author terrestrials they may be I

416

00:23:14,219 --> 00:23:11,950

believe there are a lot of levels of non

417

00:23:16,769 --> 00:23:14,229

terrestrial beings if you're referring

418

00:23:20,489 --> 00:23:16,779

to the winged humanoids in particular

419

00:23:22,409 --> 00:23:20,499

those we'd experienced in Chicago I do

420

00:23:25,469 --> 00:23:22,419

believe those are intimate dimensional

421

00:23:29,760 --> 00:23:25,479

beings I believe there's a possibility

422

00:23:33,360 --> 00:23:29,770

that they may be related somehow to

423

00:23:34,020 --> 00:23:33,370

aliens but I really don't have any proof

424

00:23:36,030 --> 00:23:34,030

of that

425

00:23:39,170 --> 00:23:36,040

you know I that's why and that's why I

426

00:23:42,600 --> 00:23:39,180

didn't mention any of that in this book

427

00:23:44,400 --> 00:23:42,610

so all right Tim before you continue

428

00:23:46,920 --> 00:23:44,410

this question we need to go to our

429

00:23:48,930 --> 00:23:46,930

bottom of the hour break so when we come

430

00:23:50,460 --> 00:23:48,940

back we'll continue our conversation

431

00:23:51,300 --> 00:23:50,470

with myself Tim Beckley and Juan

432

00:24:04,800 --> 00:23:51,310

Strickler

433

00:24:08,280 --> 00:24:04,810

on exploring the bizarre system now back

434

00:24:10,320 --> 00:24:08,290

to exploring the bizarre with two of the

435

00:24:13,710 --> 00:24:10,330

most electrifying researchers in the

436

00:24:19,860 --> 00:24:13,720

Paranoid your hosts Timothy Becca Lee

437

00:24:21,540 --> 00:24:19,870

and Kings lists welcome back to

438

00:24:25,140 --> 00:24:21,550

exploring the bizarre I'm Tim Schwarz

439

00:24:29,180 --> 00:24:25,150

tonight we're talking with Ron Strickler

440

00:24:33,150 --> 00:24:29,190

and his new book alien disclosure

441

00:24:35,790 --> 00:24:33,160

experiences exposed reality so long I

442

00:24:41,820 --> 00:24:35,800

wanted to ask you and you know I've

443

00:24:45,480 --> 00:24:41,830

watched this subject before with all of

444

00:24:48,690 --> 00:24:45,490

the various experiences that people have

445

00:24:50,540 --> 00:24:48,700

had over the years coming into contact

446

00:24:54,300 --> 00:24:50,550

with these

447

00:24:56,430 --> 00:24:54,310

yeah I'll say non-human entities but you

448

00:24:59,430 --> 00:24:56,440

know we're not quite sure what they are

449

00:25:03,660 --> 00:24:59,440

but with the exception of really just a

450

00:25:09,060 --> 00:25:03,670

few cases the majority of these beans

451
00:25:11,160 --> 00:25:09,070
these entities they have a humanoid form

452
00:25:14,540 --> 00:25:11,170
I need to have you know two arms two

453
00:25:19,850 --> 00:25:14,550
legs have a head well you know two eyes

454
00:25:23,160 --> 00:25:19,860
they they look so much like us and if

455
00:25:26,250 --> 00:25:23,170
these are actual extraterrestrials

456
00:25:27,750 --> 00:25:26,260
beings that evolved on a planet in

457
00:25:32,220 --> 00:25:27,760
another solar system

458
00:25:34,950 --> 00:25:32,230
someplace why do they look so much like

459
00:25:37,020 --> 00:25:34,960
us form you know what we know at least

460
00:25:41,040 --> 00:25:37,030
our limited experience with life on

461
00:25:42,900 --> 00:25:41,050
earth you wouldn't think that

462
00:25:47,580 --> 00:25:42,910
something would evolve that would look

463
00:25:51,660 --> 00:25:47,590

so much like us Minh in fact a lot of

464

00:25:52,830 --> 00:25:51,670

times so so much like us that day as you

465

00:25:56,630 --> 00:25:52,840

said earlier they could actually

466

00:26:01,620 --> 00:25:56,640

intermingle with us and for that reason

467

00:26:04,350 --> 00:26:01,630

you know I believe that the aliens are

468

00:26:07,590 --> 00:26:04,360

nonterrestrials that we see that are

469

00:26:10,560 --> 00:26:07,600

presented to us are actually evolved

470

00:26:13,890 --> 00:26:10,570

humans from the future or possibly of

471

00:26:19,919 --> 00:26:13,900

the past I think they are able somehow

472

00:26:23,820 --> 00:26:19,929

to come back and it's been so much time

473

00:26:25,770 --> 00:26:23,830

since their existence and our existence

474

00:26:28,460 --> 00:26:25,780

I think they evolved somehow and I'm

475

00:26:34,830 --> 00:26:28,470

just not saying grace I'm talking about

476
00:26:36,330 --> 00:26:34,840
several types of humanoid species right

477
00:26:38,940 --> 00:26:36,340
right and you know I mean if our

478
00:26:41,430 --> 00:26:38,950
listeners don't don't realize this you

479
00:26:45,600 --> 00:26:41,440
know there there's a whole pantheon of

480
00:26:47,190 --> 00:26:45,610
humanoids seen coming out of of UFOs I

481
00:26:50,510 --> 00:26:47,200
mean you know you you have the greys

482
00:26:53,370 --> 00:26:50,520
which really are just kind of a recent

483
00:26:54,960 --> 00:26:53,380
entry in the whole gila faux field you

484
00:26:59,750 --> 00:26:54,970
know before we have the space brothers

485
00:27:03,150 --> 00:26:59,760
which you know we're tall Nordic looking

486
00:27:07,650 --> 00:27:03,160
types of beans but you also have giants

487
00:27:09,450 --> 00:27:07,660
and and admit it little people you know

488
00:27:11,520 --> 00:27:09,460

what have you I mean you know you could

489

00:27:15,180 --> 00:27:11,530

write a whole book on just all of the

490

00:27:18,169 --> 00:27:15,190

different types of creatures seen that

491

00:27:21,660 --> 00:27:18,179

are involved with the UFO phenomenon

492

00:27:25,590 --> 00:27:21,670

yeah I mean there are there are various

493

00:27:28,020 --> 00:27:25,600

forms are usually humanoid but there

494

00:27:31,049 --> 00:27:28,030

there have been some cases where they

495

00:27:35,730 --> 00:27:31,059

are a little bit different than humanoid

496

00:27:39,930 --> 00:27:35,740

Ill if you read the book you'll remember

497

00:27:43,140 --> 00:27:39,940

the the sighting of this La Biche

498

00:27:46,260 --> 00:27:43,150

looking being possibly was two of them

499

00:27:49,919 --> 00:27:46,270

in an area near Phoenix and Surprise

500

00:27:54,880 --> 00:27:49,929

Arizona where this woman had actually

501
00:27:58,030 --> 00:27:54,890
seen these two entities out her window

502
00:28:00,970 --> 00:27:58,040
during into the into the window they

503
00:28:03,820 --> 00:28:00,980
asked they just look like blobs but they

504
00:28:08,710 --> 00:28:03,830
had a human form she didn't notice any

505
00:28:12,610 --> 00:28:08,720
legs but that's probably the most

506
00:28:16,390 --> 00:28:12,620
different or non humanoid type being

507
00:28:20,080 --> 00:28:16,400
that I've ever been told about or have

508
00:28:23,530 --> 00:28:20,090
talked to an experience or about and of

509
00:28:26,940 --> 00:28:23,540
course it it has been presented by a

510
00:28:31,300 --> 00:28:26,950
number of different researchers that

511
00:28:35,110 --> 00:28:31,310
when we do see these beans we may not be

512
00:28:38,080 --> 00:28:35,120
necessarily seeing them in their actual

513
00:28:40,870 --> 00:28:38,090

form that's yeah that you know they they

514

00:28:43,240 --> 00:28:40,880

either are able to project an image into

515

00:28:46,150 --> 00:28:43,250

our minds or actually you know

516

00:28:52,030 --> 00:28:46,160

physically shape-shift well you know I

517

00:28:54,400 --> 00:28:52,040

actually believe that the the alien

518

00:29:00,370 --> 00:28:54,410

beings that were presented to the early

519

00:29:03,760 --> 00:29:00,380

Egyptians were actually presented to

520

00:29:07,510 --> 00:29:03,770

them in the humanoid form but with the

521

00:29:10,300 --> 00:29:07,520

heads of animals mm-hmm as such what

522

00:29:12,720 --> 00:29:10,310

their religion calls you know they're

523

00:29:15,970 --> 00:29:12,730

their deities their deities or these

524

00:29:18,280 --> 00:29:15,980

human-animal mix I I believe a lot of

525

00:29:21,610 --> 00:29:18,290

that or Chalmers if you want to call

526

00:29:24,610 --> 00:29:21,620

them that I believe they were presented

527

00:29:30,550 --> 00:29:24,620

to them like that because it would be

528

00:29:34,450 --> 00:29:30,560

more we're much more easier to you know

529

00:29:36,580 --> 00:29:34,460

to get them to kind of come along with

530

00:29:41,260 --> 00:29:36,590

the program I guess that's what it what

531

00:29:43,840 --> 00:29:41,270

you would say well and and of course as

532

00:29:47,500 --> 00:29:43,850

as you said at the beginning of your

533

00:29:50,500 --> 00:29:47,510

book I mean we've had contacts with

534

00:29:54,430 --> 00:29:50,510

these beans whatever they are for a very

535

00:29:57,820 --> 00:29:54,440

long long time and in fact they may have

536

00:30:00,490 --> 00:29:57,830

been responsible for us being here on

537

00:30:04,030 --> 00:30:00,500

this planet so I mean you know it could

538

00:30:07,510 --> 00:30:04,040

be the reason that they look so much

539

00:30:08,499 --> 00:30:07,520

like us is because they are us yeah and

540

00:30:10,539 --> 00:30:08,509

you know

541

00:30:11,499 --> 00:30:10,549

we've heard for years about the missing

542

00:30:13,209 --> 00:30:11,509

link Wow

543

00:30:16,919 --> 00:30:13,219

you know the missing link might be

544

00:30:20,079 --> 00:30:16,929

something other than what an evolved

545

00:30:24,180 --> 00:30:20,089

human it may be an actual intervention

546

00:30:29,430 --> 00:30:24,190

of an alien what are the things that

547

00:30:34,959 --> 00:30:29,440

from your book that a lot of these cases

548

00:30:40,109 --> 00:30:34,969

involves just some really high

549

00:30:42,819 --> 00:30:40,119

strangeness events that that are almost

550

00:30:46,259 --> 00:30:42,829

well I mean they really are I mean

551
00:30:48,939 --> 00:30:46,269
they're they seem to have a paranormal a

552
00:30:51,489 --> 00:30:48,949
feature about them I mean you you have

553
00:30:52,599 --> 00:30:51,499
these people and that's what that's one

554
00:30:55,599 --> 00:30:52,609
of the things that I love about your

555
00:30:58,299 --> 00:30:55,609
book is that I mean these are the actual

556
00:30:59,979 --> 00:30:58,309
experiences from people who I mean you

557
00:31:03,009 --> 00:30:59,989
know you did not go go out and you know

558
00:31:04,629 --> 00:31:03,019
solicit and offer to pay for these

559
00:31:07,539 --> 00:31:04,639
stories these people you know came to

560
00:31:14,409 --> 00:31:07,549
you and and and brought them to you as

561
00:31:18,099 --> 00:31:14,419
they actually remember it but so many of

562
00:31:21,099 --> 00:31:18,109
these events I mean while people are

563
00:31:25,989 --> 00:31:21,109

going through them you can almost

564

00:31:28,569 --> 00:31:25,999

interchange extraterrestrials aliens who

565

00:31:31,359 --> 00:31:28,579

you know what have you for ghosts and

566

00:31:34,149 --> 00:31:31,369

spirits yeah you know that does happen

567

00:31:38,799 --> 00:31:34,159

in fact when I first met David at court

568

00:31:40,689 --> 00:31:38,809

I wasn't sure if he was dealing with

569

00:31:43,599 --> 00:31:40,699

aliens or not because of some of the

570

00:31:47,409 --> 00:31:43,609

stuff he was telling me it sounded like

571

00:31:49,719 --> 00:31:47,419

spirit activity mm-hmm but of course he

572

00:31:52,979 --> 00:31:49,729

did have the the photographic evidence

573

00:31:56,589 --> 00:31:52,989

and some of the and you know some other

574

00:32:00,819 --> 00:31:56,599

instances he had a video with the sounds

575

00:32:03,399 --> 00:32:00,829

that were so eerie like and you know but

576

00:32:08,609 --> 00:32:03,409

I had to basically for the first four or

577

00:32:13,239 --> 00:32:08,619

five months of talking with him I had to

578

00:32:16,180 --> 00:32:13,249

kind of clear it being you know cleared

579

00:32:20,259 --> 00:32:16,190

out of being a you know actual spirit

580

00:32:21,880 --> 00:32:20,269

activity at first so when I was finally

581

00:32:24,610 --> 00:32:21,890

convinced that it was

582

00:32:27,490 --> 00:32:24,620

and then we went forward but no I died

583

00:32:34,030 --> 00:32:27,500

actually did I actually did believe it

584

00:32:38,440 --> 00:32:34,040

may have been dr. Leo sprinkle he he

585

00:32:42,220 --> 00:32:38,450

speculated and in fact he had witnesses

586

00:32:46,860 --> 00:32:42,230

who that he had put under hypnosis who

587

00:32:50,230 --> 00:32:46,870

had basically told him that that these

588

00:32:54,580 --> 00:32:50,240

he called neck stressed riyals actually

589

00:32:57,490 --> 00:32:54,590

their science involved using what we

590

00:32:59,680 --> 00:32:57,500

would call the the paranormal or you

591

00:33:02,830 --> 00:32:59,690

know or supernatural forces of course

592

00:33:05,880 --> 00:33:02,840

you know that their technology is so far

593

00:33:08,980 --> 00:33:05,890

advanced that what we what we would call

594

00:33:13,480 --> 00:33:08,990

paranormal now is nothing more than then

595

00:33:15,880 --> 00:33:13,490

you know science for them but the way

596

00:33:18,790 --> 00:33:15,890

that they are able to travel from

597

00:33:22,450 --> 00:33:18,800

location to location involves basically

598

00:33:25,060 --> 00:33:22,460

shifting out of the material world and

599

00:33:29,410 --> 00:33:25,070

into the astral planes and back again

600

00:33:31,270 --> 00:33:29,420

okay yeah that mean that that is a

601
00:33:35,350 --> 00:33:31,280
distinct possibility and I do believe

602
00:33:40,440 --> 00:33:35,360
that most of the travel most of the

603
00:33:43,390 --> 00:33:40,450
means of getting here are not through

604
00:33:46,960 --> 00:33:43,400
interstellar travel and craft

605
00:33:50,860 --> 00:33:46,970
I believe it's it's a wormhole or some

606
00:33:53,710 --> 00:33:50,870
type of gateway between either parallel

607
00:33:57,700 --> 00:33:53,720
worlds of parallel universes or even

608
00:34:00,760 --> 00:33:57,710
possibly other planets you just say that

609
00:34:04,030 --> 00:34:00,770
these alien beings that present

610
00:34:10,740 --> 00:34:04,040
themselves to us are not actual

611
00:34:14,889 --> 00:34:13,300
exactly exactly and I mean that that was

612
00:34:16,810 --> 00:34:14,899
something that you know I referred to

613
00:34:18,370 --> 00:34:16,820

you know at the beginning of this this

614

00:34:20,409 --> 00:34:18,380
segment and whether or not our

615

00:34:25,570 --> 00:34:20,419
perception of the universe in this

616

00:34:28,270 --> 00:34:25,580
reality is is I don't want to say wrong

617

00:34:32,470 --> 00:34:28,280
but you know I mean we just you know we

618

00:34:35,109 --> 00:34:32,480
were just not really aware of how the

619

00:34:38,589 --> 00:34:35,119
universe actually exists and and

620

00:34:40,499 --> 00:34:38,599
our place in it and and whether or not

621

00:34:43,559 --> 00:34:40,509
these beans that we would call

622

00:34:47,889 --> 00:34:43,569
extraterrestrials aren't like you said

623

00:34:49,809 --> 00:34:47,899
you know dimension time-space you know I

624

00:34:51,819 --> 00:34:49,819
mean that those are terms that to them

625

00:34:55,989 --> 00:34:51,829
are probably meaningless and they're

626

00:34:59,799 --> 00:34:55,999

able to travel into areas of this

627

00:35:04,089 --> 00:34:59,809

universe that I mean it's our minds just

628

00:35:07,859 --> 00:35:04,099

aren't made to to conceive it right

629

00:35:10,599 --> 00:35:07,869

right yeah I agree with that I mean

630

00:35:13,359 --> 00:35:10,609

there's so much we need we need to learn

631

00:35:16,989 --> 00:35:13,369

I mean we can we can sit here and

632

00:35:20,289 --> 00:35:16,999

discuss what we think these things are

633

00:35:22,450 --> 00:35:20,299

we can write books about it based on

634

00:35:26,710 --> 00:35:22,460

what other people have said has happened

635

00:35:30,099 --> 00:35:26,720

but until there's more proof and more

636

00:35:31,930 --> 00:35:30,109

evidence you know we're kind of you know

637

00:35:35,440 --> 00:35:31,940

we're kind of left to our own devices on

638

00:35:38,049 --> 00:35:35,450

this well it's uh it's like our

639

00:35:40,210 --> 00:35:38,059

ancestors climbing a tree and throwing

640

00:35:42,009 --> 00:35:40,220

rocks at them absolutely you know who

641

00:35:46,749 --> 00:35:42,019

are kind of in that position right now

642

00:35:49,690 --> 00:35:46,759

you know we're we're lighting candles to

643

00:35:55,920 --> 00:35:49,700

keep the darkness away and all the

644

00:36:00,670 --> 00:35:55,930

things that occupy those dark corners so

645

00:36:05,200 --> 00:36:00,680

from from the cases that that you have

646

00:36:09,249 --> 00:36:05,210

in this book is there one or a couple in

647

00:36:12,309 --> 00:36:09,259

there that really stand out to you as as

648

00:36:14,470 --> 00:36:12,319

us being oh wow this this is this is

649

00:36:18,640 --> 00:36:14,480

really significant this is I'm glad I

650

00:36:20,799 --> 00:36:18,650

had this you know in this book well the

651
00:36:25,569 --> 00:36:20,809
one case that probably deeply affected

652
00:36:29,680 --> 00:36:25,579
me more than any was a was an encounter

653
00:36:33,789 --> 00:36:29,690
ant and later abduction of a woman in

654
00:36:37,809 --> 00:36:33,799
Washington State and this was presented

655
00:36:38,799 --> 00:36:37,819
to me before I even met David at court

656
00:36:41,859 --> 00:36:38,809
mm-hmm

657
00:36:46,239 --> 00:36:41,869
this woman's name was Mandy this she

658
00:36:48,130 --> 00:36:46,249
gave me a call in July 2009 she stated

659
00:36:48,910 --> 00:36:48,140
to me that her life had become a living

660
00:36:50,440 --> 00:36:48,920
hell that

661
00:36:53,080 --> 00:36:50,450
you no longer to leave our house and

662
00:36:54,970 --> 00:36:53,090
evening and I mean she told me she's

663
00:36:58,720 --> 00:36:54,980

literally afraid of the dark and under

664

00:37:02,050 --> 00:36:58,730

siege in a room boom at night she lived

665

00:37:03,970 --> 00:37:02,060

in a farmhouse in a small town in East

666

00:37:07,090 --> 00:37:03,980

Central Washington less than a mile from

667

00:37:10,690 --> 00:37:07,100

the Idaho border about two weeks prior

668

00:37:12,370 --> 00:37:10,700

to contacting me her and her mother had

669

00:37:14,320 --> 00:37:12,380

noticed bright red and white lights

670

00:37:17,560 --> 00:37:14,330

hovering above the coeur d'alene

671

00:37:19,720 --> 00:37:17,570

mountains in idaho they could see it at

672

00:37:22,530 --> 00:37:19,730

a distance and as they watched the light

673

00:37:25,660 --> 00:37:22,540

mandy began feeling dizzy and fearful

674

00:37:27,970 --> 00:37:25,670

that night she had a horrific nightmare

675

00:37:31,480 --> 00:37:27,980

that involved costed flashing lights and

676
00:37:33,970 --> 00:37:31,490
loud mechanical noises the next morning

677
00:37:35,710 --> 00:37:33,980
she woke feeling nauseous and

678
00:37:38,980 --> 00:37:35,720
lightheaded she's a teacher said she had

679
00:37:40,540 --> 00:37:38,990
to call in sick now by the next day man

680
00:37:42,130 --> 00:37:40,550
too began to feel better but the lights

681
00:37:45,280 --> 00:37:42,140
are the mountains continued on for

682
00:37:47,980 --> 00:37:45,290
several nights she no longer had any

683
00:37:50,710 --> 00:37:47,990
dreams but she still had this sense of

684
00:37:52,240 --> 00:37:50,720
fear lingering with her her mother

685
00:37:55,390 --> 00:37:52,250
thought that she was just simply

686
00:37:56,640 --> 00:37:55,400
overreacting then a few nights later her

687
00:37:59,320 --> 00:37:56,650
and her mother were in the kitchen

688
00:38:01,840 --> 00:37:59,330

cleaning up after a late dinner that

689

00:38:03,550 --> 00:38:01,850

began hearing popping sounds coming from

690

00:38:06,370 --> 00:38:03,560

the backyard and as they looked out the

691

00:38:07,810 --> 00:38:06,380

window they both noticed hundreds of red

692

00:38:10,240 --> 00:38:07,820

and white lights flying in all

693

00:38:11,560 --> 00:38:10,250

directions each time a pair of these

694

00:38:14,110 --> 00:38:11,570

lights would collide there'd be a

695

00:38:15,520 --> 00:38:14,120

distinct popping sound samman you ran

696

00:38:16,570 --> 00:38:15,530

into the living room looked out the

697

00:38:18,550 --> 00:38:16,580

window and there were red and white

698

00:38:22,060 --> 00:38:18,560

lights everywhere by the road and in the

699

00:38:23,620 --> 00:38:22,070

field across the road her mother picked

700

00:38:26,170 --> 00:38:23,630

up the telephone in order to call the

701
00:38:27,850 --> 00:38:26,180
police but there was no dial tone by

702
00:38:28,450 --> 00:38:27,860
that time the lights in the house began

703
00:38:30,760 --> 00:38:28,460
to flicker

704
00:38:32,710 --> 00:38:30,770
there were also strange sounds coming

705
00:38:35,320 --> 00:38:32,720
from the roof similar to scratching

706
00:38:37,450 --> 00:38:35,330
sounds this continued for about five

707
00:38:39,820 --> 00:38:37,460
minutes and suddenly stopped

708
00:38:42,040 --> 00:38:39,830
they were both confused and scared the

709
00:38:44,140 --> 00:38:42,050
film was now working so her mother

710
00:38:46,990 --> 00:38:44,150
decides no sense to even try to call the

711
00:38:48,730 --> 00:38:47,000
police Mandy walked outside to see if

712
00:38:51,310 --> 00:38:48,740
there's any indication of what occurred

713
00:38:53,530 --> 00:38:51,320

but everything seemed fine other than a

714

00:38:55,960 --> 00:38:53,540

slight other odor in the air that she

715

00:38:59,110 --> 00:38:55,970

described as smelling like burn motor

716

00:39:02,320 --> 00:38:59,120

oil now by the next night at

717

00:39:02,830 --> 00:39:02,330

approximately 10:30 p.m. Mandy was

718

00:39:04,510 --> 00:39:02,840

getting rid

719

00:39:07,690 --> 00:39:04,520

for bed while standing in front of her

720

00:39:10,330 --> 00:39:07,700

bathroom mirror she knows - loud thuds

721

00:39:12,250 --> 00:39:10,340

on the roof she went into her mother's

722

00:39:14,440 --> 00:39:12,260

room to see if she had heard the sound

723

00:39:16,390 --> 00:39:14,450

but she was fast asleep and while

724

00:39:18,670 --> 00:39:16,400

walking in the upstairs hallway towards

725

00:39:20,710 --> 00:39:18,680

her room she heard that were more thuds

726

00:39:22,330 --> 00:39:20,720

and roof as well scampering sounds in

727

00:39:24,070 --> 00:39:22,340

the Attic

728

00:39:26,050 --> 00:39:24,080

she looked at her bedroom one and once

729

00:39:27,370 --> 00:39:26,060

again witnessed hundreds of small red

730

00:39:30,760 --> 00:39:27,380

and white lights flying about in

731

00:39:33,100 --> 00:39:30,770

different directions the the noises had

732

00:39:35,260 --> 00:39:33,110

then weakened her mother she they both

733

00:39:38,260 --> 00:39:35,270

yelled for each other as all the

734

00:39:40,270 --> 00:39:38,270

electricity just suddenly cut off they

735

00:39:42,100 --> 00:39:40,280

ran into Mandy's room and said nervously

736

00:39:45,700 --> 00:39:42,110

knit bed the thuds in the roof and the

737

00:39:48,190 --> 00:39:45,710

scampering attic continued this went on

738

00:39:50,550 --> 00:39:48,200

for about an hour then suddenly the

739

00:39:53,500 --> 00:39:50,560

lights came back on the noises stopped

740

00:39:55,690 --> 00:39:53,510

she many later told me this commotion

741

00:39:57,730 --> 00:39:55,700

went on for at least an hour neither

742

00:39:59,590 --> 00:39:57,740

then got much sleep at night so a few

743

00:40:02,350 --> 00:39:59,600

days later Mandy called me by telephone

744

00:40:05,680 --> 00:40:02,360

I was referred to her by paranormal

745

00:40:07,300 --> 00:40:05,690

investigator in Spokane as soon as I

746

00:40:09,850 --> 00:40:07,310

began talking to Mandy and her mother I

747

00:40:12,910 --> 00:40:09,860

sense that this wasn't a ruling of the

748

00:40:15,790 --> 00:40:12,920

mill I'll explain to counter they had

749

00:40:18,190 --> 00:40:15,800

once again experienced similar acted

750

00:40:19,810 --> 00:40:18,200

with the previous night Mandy commented

751

00:40:21,880 --> 00:40:19,820

that she felt like they were both in

752

00:40:24,670 --> 00:40:21,890

danger and asked if I heard of similar

753

00:40:30,310 --> 00:40:24,680

experiences I was kind of dumbfounded

754

00:40:32,170 --> 00:40:30,320

but I was sure that this may eventually

755

00:40:34,360 --> 00:40:32,180

lead to physical in you know

756

00:40:36,850 --> 00:40:34,370

intervention but I didn't mention

757

00:40:40,150 --> 00:40:36,860

anything which I know I think maybe I

758

00:40:43,570 --> 00:40:40,160

should but I believe that we talked

759

00:40:45,160 --> 00:40:43,580

about three hours a night and there was

760

00:40:46,630 --> 00:40:45,170

nothing exceptional about her mother

761

00:40:51,730 --> 00:40:46,640

they had lived there since Mandy was

762

00:40:54,430 --> 00:40:51,740

born and they did she just wanted to do

763

00:40:56,350 --> 00:40:54,440

why is this happening does my you know I

764

00:40:57,790 --> 00:40:56,360

thought they were probably being singled

765

00:41:01,810 --> 00:40:57,800

out but then again I didn't want to

766

00:41:04,750 --> 00:41:01,820

scare them and but little did I know

767

00:41:07,300 --> 00:41:04,760

that would be my last contact with Mandy

768

00:41:08,830 --> 00:41:07,310

hmm after I got off the telephone with

769

00:41:11,200 --> 00:41:08,840

Mandy and her mother I started to

770

00:41:14,020 --> 00:41:11,210

examine several incidents in my database

771

00:41:16,359 --> 00:41:14,030

looking for an answer

772

00:41:18,279 --> 00:41:16,369

the next day I expected

773

00:41:20,620 --> 00:41:18,289

receive a follow-up telephone call from

774

00:41:23,829 --> 00:41:20,630

Andy in fact I called and left a message

775

00:41:25,660 --> 00:41:23,839

asking her you know to let me know if

776

00:41:27,910 --> 00:41:25,670

there have been any further activity

777

00:41:31,479 --> 00:41:27,920

I waited for three days and no phone

778

00:41:33,969 --> 00:41:31,489

call or an email then on a Sunday

779

00:41:36,370 --> 00:41:33,979

afternoon the anticipated call came it

780

00:41:38,829 --> 00:41:36,380

was Mandy's mother she apologized for

781

00:41:40,839 --> 00:41:38,839

not getting back to me there was an

782

00:41:43,450 --> 00:41:40,849

obvious distress in her voice and her

783

00:41:46,959 --> 00:41:43,460

brief pause she called me said Mandy is

784

00:41:47,979 --> 00:41:46,969

missing hmm I got a sudden sick feeling

785

00:41:50,079 --> 00:41:47,989

in my stomach

786

00:41:51,719 --> 00:41:50,089

Mandy had going to bed not long after we

787

00:41:54,190 --> 00:41:51,729

had talked on the telephone

788

00:41:56,380 --> 00:41:54,200

her mother remained downstairs in the

789

00:41:58,630 --> 00:41:56,390

room watching television about 11:00

790

00:42:01,599 --> 00:41:58,640

p.m. she decided to go up into her room

791

00:42:03,430 --> 00:42:01,609

so as she passed Mandy's bedroom she

792

00:42:05,499 --> 00:42:03,440

noticed light coming from the bottom of

793

00:42:07,630 --> 00:42:05,509

her door she knocked on the door in

794

00:42:09,999 --> 00:42:07,640

order to check for her on her and there

795

00:42:12,489 --> 00:42:10,009

was no response sash you opened the door

796

00:42:14,620 --> 00:42:12,499

the room is completely dark she flicked

797

00:42:18,459 --> 00:42:14,630

on the light switch by the door and

798

00:42:20,079 --> 00:42:18,469

observed that Mandy was not in bed she

799

00:42:22,900 --> 00:42:20,089

called out to Mandy but there was no

800

00:42:25,539 --> 00:42:22,910

response panic began to sudden as she

801
00:42:27,459 --> 00:42:25,549
literally screamed Mandy's name while

802
00:42:30,370 --> 00:42:27,469
running throughout the house there was

803
00:42:32,079 --> 00:42:30,380
no tracer or she was gone the local

804
00:42:34,059 --> 00:42:32,089
authorities had no explanation all

805
00:42:37,839 --> 00:42:34,069
Mandy's personal items including her car

806
00:42:39,430 --> 00:42:37,849
remained she just simply vanished and

807
00:42:40,989 --> 00:42:39,440
since she was an adult that really was

808
00:42:43,329 --> 00:42:40,999
unless that the police could do about it

809
00:42:49,059 --> 00:42:43,339
they suspected she just took off for

810
00:42:51,489 --> 00:42:49,069
someone and you know at this point Mandy

811
00:42:53,140 --> 00:42:51,499
has never returned home and the last

812
00:42:55,989 --> 00:42:53,150
time I made an inquiry with the

813
00:43:02,200 --> 00:42:55,999

Washington State Police her case remains

814

00:43:04,450 --> 00:43:02,210

unsolved so was her car still there or

815

00:43:07,569 --> 00:43:04,460

yeah she left her car all her effects

816

00:43:10,499 --> 00:43:07,579

and everything Jesus fell off one of

817

00:43:17,859 --> 00:43:10,509

these are like missing people shows are

818

00:43:21,999 --> 00:43:17,869

missing a 909 for I had a lot of guilt

819

00:43:23,769 --> 00:43:22,009

because of that you know I I really did

820

00:43:28,150 --> 00:43:23,779

seriously think about not taking any

821

00:43:30,250 --> 00:43:28,160

more experience or cases as far as

822

00:43:33,310 --> 00:43:30,260

possible alien abductions

823

00:43:36,160 --> 00:43:33,320

and the stigmas kind of always remained

824

00:43:38,109 --> 00:43:36,170

with me but I decided that it was gonna

825

00:43:40,650 --> 00:43:38,119

help anybody if I you know just went

826
00:43:43,660 --> 00:43:40,660
ahead and just told people I was good I

827
00:43:45,840 --> 00:43:43,670
listened to what they had to say and so

828
00:43:49,000 --> 00:43:45,850
but that one that one has stuck with me

829
00:43:50,680 --> 00:43:49,010
and I and I bet that the phenomena

830
00:43:52,359 --> 00:43:50,690
ceased after she disappeared

831
00:43:56,170 --> 00:43:52,369
don't yeah I haven't heard a thing about

832
00:43:58,240 --> 00:43:56,180
it mm-hm yeah no that's well and I mean

833
00:43:59,530 --> 00:43:58,250
with the exception of the the person

834
00:44:03,970 --> 00:43:59,540
actually disappearing and never showing

835
00:44:08,080 --> 00:44:03,980
up the the the the events leading up to

836
00:44:10,210 --> 00:44:08,090
that are so similar I mean you know so

837
00:44:12,520 --> 00:44:10,220
similar to many of the other cases that

838
00:44:15,400 --> 00:44:12,530

you have in your book uh-huh yeah and

839

00:44:18,060 --> 00:44:15,410

you know at first like when she first

840

00:44:20,740 --> 00:44:18,070

started telling me about the sounds and

841

00:44:22,630 --> 00:44:20,750

stuff in the Attic and first thing I

842

00:44:25,359 --> 00:44:22,640

thought well maybe this is paranormal

843

00:44:28,180 --> 00:44:25,369

maybe this is spirit activity and like

844

00:44:30,190 --> 00:44:28,190

you saying it in some cases it does kind

845

00:44:33,820 --> 00:44:30,200

of resemble that but I just had this

846

00:44:35,410 --> 00:44:33,830

just not my stomach and there's thought

847

00:44:39,280 --> 00:44:35,420

that yeah this is something different

848

00:44:41,859 --> 00:44:39,290

this may get bad um recently

849

00:44:43,810 --> 00:44:41,869

it did turn out that way alright well

850

00:44:46,870 --> 00:44:43,820

alright lon we have about three minutes

851
00:44:49,750 --> 00:44:46,880
left in the show unfortunately and so

852
00:44:52,810 --> 00:44:49,760
why don't you let her listeners know

853
00:44:55,900 --> 00:44:52,820
where they can find you online

854
00:44:58,000 --> 00:44:55,910

it's called arcane radio and we tackled

870

00:45:47,500 --> 00:45:44,089

a lot of the sub

871

00:45:49,510 --> 00:45:47,510

I examine alright well and I just want

872

00:45:52,930 --> 00:45:49,520

everyone to know that I highly recommend

873

00:45:55,089 --> 00:45:52,940

I've you know I enjoyed it and there's

877

00:46:10,960 --> 00:46:06,079

just a lot of mystifying cases in it and

878

00:46:16,480 --> 00:46:10,970

and Tim hopefully we'll have the area 51

879

00:46:22,150 --> 00:46:16,490

book out in in no time long before the

880

00:46:25,530 --> 00:46:22,160

actual stampede I was just reading I was

881

00:46:28,510 --> 00:46:25,540

just reading here that the town of Nye

882

00:46:31,270 --> 00:46:28,520

is not looking forward to the people

883

00:46:33,160 --> 00:46:31,280

there showing up for the rock fest

884

00:46:35,890 --> 00:46:33,170

you know I could never understand this

885

00:46:38,230 --> 00:46:35,900

people want to have a good time and even

886

00:46:40,120 --> 00:46:38,240

if yeah you know so there there might be

887

00:46:47,530 --> 00:46:40,130

a little garbage on them there's no

888

00:46:50,650 --> 00:46:47,540

lawns out there the kids will move the

889

00:46:53,230 --> 00:46:50,660

rocks around the little the old folks

890

00:46:56,740 --> 00:46:53,240

will drink beer in alcohol and the

891

00:46:59,250 --> 00:46:56,750

youngsters will smoke pot and and so big

892

00:47:02,069 --> 00:46:59,260

whoopee who knows what the aliens will

893

00:47:05,829 --> 00:47:02,079

will do they'll be hanging out there I'm

894

00:47:07,960 --> 00:47:05,839

sure you know it should be a rather

895

00:47:10,000 --> 00:47:07,970

interesting affair and it certainly will

896

00:47:13,260 --> 00:47:10,010
