ghosts Lost Worlds

8
00:01:05,710 --> 00:01:01,309

00:01:08,950 --> 00:01:05,720

night last night now your electrifying

10
00:01:15,609 --> 00:01:08,960

11
00:01:19,630 --> 00:01:15,619

Begley and team sports secret Russians

12
00:01:21,639 --> 00:01:19,640

UFO messages top secret wait here comes

13
00:01:25,330 --> 00:01:21,649

some more hmm

14

00:01:28,149 --> 00:01:25,340

I got it all written down Tim look well

15

00:01:31,510 --> 00:01:28,159

what does it say how about I know you

16

00:01:33,820 --> 00:01:31,520

think I can read Moriscos okay we'll

17

00:01:37,960 --> 00:01:33,830

wait a minute here I learned some Morse

18

00:01:40,059 --> 00:01:37,970

code when I was a boy scout trying to

19

00:01:47,499 --> 00:01:40,069

get my ham radio badge let me tried

20

00:01:50,529 --> 00:01:47,509

torrents light well it's okay this part

21

00:01:55,630 --> 00:01:50,539

says the week is long it sure is

22

00:02:00,639 --> 00:01:55,640

what else does it say the silver cat

23

00:02:03,790 --> 00:02:00,649

feeds when blue meets yellow in the West

24

00:02:06,639 --> 00:02:03,800

keep reading I I think it's working no

25

00:02:10,389 --> 00:02:06,649

it is it this is this is nonsense this

26
00:02:14,020 --> 00:02:10,399
is why that big red UFO is hovering our

27
00:02:16,960 --> 00:02:14,030
way I III think it's it's going to make

28
00:02:18,970 --> 00:02:16,970
it going to attack us or something

29
00:02:20,530 --> 00:02:18,980
okay okay okay well let's let's get back

30
00:02:23,170 --> 00:02:20,540
to the case you're our Studios maybe

31
00:02:26,080 --> 00:02:23,180
Nick Redfern can answer our questions

32
00:02:27,910 --> 00:02:26,090
for us in a safer way I think we spend

33
00:02:31,300 --> 00:02:27,920
all we spend all of our time on the show

34
00:02:34,540 --> 00:02:31,310
running away from stuff you know III

35
00:02:36,759 --> 00:02:34,550
swear we get better at this all all the

36
00:02:39,970 --> 00:02:36,769
time you know I I'm waiting for somebody

37
00:02:41,860 --> 00:02:39,980
and it Netflix or Hulu did to get in

38
00:02:44,589 --> 00:02:41,870

touch with us and want to do a Saturday

39

00:02:46,809 --> 00:02:44,599

a cartoon series although I guess

40

00:02:49,809 --> 00:02:46,819

cartoons are not on Saturday anymore and

41

00:02:50,890 --> 00:02:49,819

they're not gonna my name kids we were

42

00:02:54,190 --> 00:02:50,900

originally going to do this

43

00:02:55,960 --> 00:02:54,200

with a boris and Natasha accent but we

44

00:03:00,280 --> 00:02:55,970

didn't know who was gonna be Natasha if

45

00:03:01,509 --> 00:03:00,290

didn't want to do it and you know when I

46

00:03:06,309 --> 00:03:01,519

was a chance jet

47

00:03:08,530 --> 00:03:06,319

I wasn't transgender at this point yeah

48

00:03:10,929 --> 00:03:08,540

my tech my mind the Tash is very good

49

00:03:20,619 --> 00:03:10,939

and you know y'all never come up it's

50

00:03:24,940 --> 00:03:20,629

all free how about by Boris yeah by this

51
00:03:28,270 --> 00:03:24,950
time our guest is probably fled although

52
00:03:32,920 --> 00:03:28,280
we'll rope it will rope him back in I

53
00:03:37,059 --> 00:03:32,930
believe Tim so you you you and I have

54
00:03:40,899 --> 00:03:37,069
been busy busy finishing up that book

55
00:03:43,179 --> 00:03:40,909
area51 warning keep out and it's gonna

56
00:03:48,039 --> 00:03:43,189
be a busy week for us we've got a lot of

57
00:03:51,160 --> 00:03:48,049
shows and all lined up and we're anxious

58
00:03:53,319 --> 00:03:51,170
to see what goes on out there now I

59
00:03:58,030 --> 00:03:53,329
won't be going there myself it's a long

60
00:04:00,520 --> 00:03:58,040
way from Manhattan and it's a long dusty

61
00:04:02,849 --> 00:04:00,530
drive you know last time I was out there

62
00:04:04,780 --> 00:04:02,859
if it wasn't because of the two very

63
00:04:08,080 --> 00:04:04,790

attractive young ladies in my

64

00:04:08,680 --> 00:04:08,090

convertible I'd be a marshmallow right

65

00:04:12,909 --> 00:04:08,690

now

66

00:04:15,039 --> 00:04:12,919

got to get gas make sure you're filled

67

00:04:18,430 --> 00:04:15,049

up because there's no gas for 90 miles

68

00:04:20,020 --> 00:04:18,440

and I could have swore that I gassed up

69

00:04:23,320 --> 00:04:20,030

but I guess I didn't because somewhere

70

00:04:26,409 --> 00:04:23,330

along the line we sputtered and and the

71

00:04:28,779 --> 00:04:26,419

the car came to a halt and I guess I can

72

00:04:32,500 --> 00:04:28,789

blame it on the the girls and the loud

73

00:04:35,320 --> 00:04:32,510

music and and the fresh hot air but

74

00:04:37,450 --> 00:04:35,330

luckily the traffic slowed all three

75

00:04:39,360 --> 00:04:37,460

cars and a half an hour in a gentleman

76

00:04:42,640 --> 00:04:39,370

with a motorboat that he was hauling

77

00:04:47,020 --> 00:04:42,650

stopped and actually siphoned gas Forest

78

00:04:49,629 --> 00:04:47,030

much to the chagrin of his wife but I

79

00:04:52,540 --> 00:04:49,639

thank Helen and the page for getting me

80

00:04:56,379 --> 00:04:52,550

out of a jam because I'd be out there

81

00:04:59,969 --> 00:04:56,389

with the roadkill but anyway on let us

82

00:05:03,040 --> 00:04:59,979

go let us go on with the evening show

83

00:05:04,660 --> 00:05:03,050

Tim tell us who we're having on this

84

00:05:07,360 --> 00:05:04,670

evening because it's an old

85

00:05:10,600 --> 00:05:07,370

de vars that's right well and as we said

86

00:05:13,240 --> 00:05:10,610

at you know introduction NIC Redferns

bazaar always happy to have NIC with us

90

00:05:23,560 --> 00:05:23,000

a fascinating show when when NYX is with

91

00:05:25,450 --> 00:05:23,570

us now

92

00:05:28,660 --> 00:05:25,460

mysteries including Bigfoot Loch Ness

00:05:37,780 --> 00:05:34,210

monster UFO sightings government

96

00:05:40,390 --> 00:05:37,790

conspiracies you name it among his many

97

00:05:42,520 --> 00:05:40,400

exploits nick has investigated their

98

00:05:44,580 --> 00:05:42,530

reports of Lake Monsters and Scotland's

99

00:05:47,530 --> 00:05:44,590

vampires and Puerto Rico

100

00:05:50,170 --> 00:05:47,540

werewolves in England aliens in Mexico

101
00:05:52,240 --> 00:05:50,180
and sea serpents in the United States

102
00:05:54,310 --> 00:05:52,250
Nick travels and lectures extensively

103
00:05:57,700 --> 00:05:54,320
around the world originally from England

104
00:06:00,940 --> 00:05:57,710
he currently lives in Dallas Texas his

105
00:06:02,620 --> 00:06:00,950
most recent books include the books we

106
00:06:05,200 --> 00:06:02,630
will be talking about tonight flying

107
00:06:07,630 --> 00:06:05,210
saucers from the Kremlin he's also

108
00:06:12,340 --> 00:06:07,640
written top-secret alien abduction files

109
00:06:15,000 --> 00:06:12,350
and area 51 the revealing truth of UFOs

110
00:06:17,050 --> 00:06:15,010
secret aircraft covers up and

111
00:06:19,980 --> 00:06:17,060
conspiracies right up our alley this

112
00:06:22,630 --> 00:06:19,990
time around well we know we got to ask

113
00:06:25,540 --> 00:06:22,640

nip the first question out of the gate

114

00:06:30,390 --> 00:06:25,550

here are you going to a storm the

115

00:06:41,710 --> 00:06:39,130

I actually won't be you know my view on

116

00:06:44,080 --> 00:06:41,720

it I guess might be quite different to

117

00:06:46,450 --> 00:06:44,090

that of a lot of people in ufology or

118

00:06:48,940 --> 00:06:46,460

not you know it's difficult to say but

119

00:06:52,960 --> 00:06:48,950

the way I look at it is like this if you

120

00:06:56,440 --> 00:06:52,970

want to investigate and research 51

121

00:06:59,260 --> 00:06:56,450

that's one thing and if you want to sort

122

00:07:01,720 --> 00:06:59,270

of you know hang out in the little towns

123

00:07:04,960 --> 00:07:01,730

in the area and you know not back some

124

00:07:08,080 --> 00:07:04,970

beers and a few joints you know and I'm

125

00:07:10,720 --> 00:07:08,090

just out of stuff with the little alien

126

00:07:14,290 --> 00:07:10,730

in and I talked to pack you know she

127

00:07:17,230 --> 00:07:14,300

she's had materialized inside the the

128

00:07:18,610 --> 00:07:17,240

bar there and all I mean she's a you

129

00:07:22,090 --> 00:07:18,620

know serious about the

130

00:07:23,860 --> 00:07:22,100

this yeah well I mean to me that's all

131

00:07:26,230 --> 00:07:23,870

fine you know everybody has like at all

132

00:07:27,909 --> 00:07:26,240

time sort of you know sort of laning

133

00:07:29,439 --> 00:07:27,919

against the order of the car and

134

00:07:31,420 --> 00:07:29,449

everybody you know thirty forty fifty

135

00:07:32,050 --> 00:07:31,430

people all chats in about area 51 that's

136

00:07:37,090 --> 00:07:32,060

fine

137

00:07:40,840 --> 00:07:37,100

but for me at least I don't think anyone

138

00:07:43,570 --> 00:07:40,850

should be contemplating or thinking

139

00:07:46,930 --> 00:07:43,580

about the seriously thinking about the

140

00:07:50,469 --> 00:07:46,940

idea of trying to invade a US military

141

00:07:53,409 --> 00:07:50,479

base because that's basically what this

142

00:07:56,710 --> 00:07:53,419

you know much of this came down to you

143

00:08:00,100 --> 00:07:56,720

know was the idea of trying to basically

144

00:08:02,830 --> 00:08:00,110

storm area 51 that was the term you know

145

00:08:05,710 --> 00:08:02,840

that was used yeah and if you think

146

00:08:08,529 --> 00:08:05,720

about it just because area 51 is sort of

147

00:08:10,900 --> 00:08:08,539

seen as this mysterious cool place where

148

00:08:13,510 --> 00:08:10,910

there might be dead aliens and live

149

00:08:16,330 --> 00:08:13,520

aliens and crashed UFOs just because of

150

00:08:19,120 --> 00:08:16,340

that it doesn't mean it gives you the

151

00:08:22,240 --> 00:08:19,130

right to actually to try and literally

152

00:08:24,879 --> 00:08:22,250

break into a US military base I mean

153

00:08:26,920 --> 00:08:24,889

it's really no different to five hundred

154

00:08:29,230 --> 00:08:26,930

people trying to make it break into the

155

00:08:31,870 --> 00:08:29,240

better pentagon and you imagine what

156

00:08:35,440 --> 00:08:31,880

they fear there would be that happened

157

00:08:38,199 --> 00:08:35,450

so to me nobody should be doing this at

158

00:08:41,680 --> 00:08:38,209

all you're trying to break okay but let

159

00:08:44,050 --> 00:08:41,690

me say this when you say break in there

160

00:08:46,510 --> 00:08:44,060

it's not like there's barbed wire or it

161

00:08:49,240 --> 00:08:46,520

says extensive fencing around the base

162

00:08:51,610 --> 00:08:49,250

you walk over a line there there's a

163

00:08:54,100 --> 00:08:51,620

sign that says don't walk over this line

164

00:08:56,740 --> 00:08:54,110

or something will happen to you but I

165

00:08:58,329 --> 00:08:56,750

mean to me that's not high security if

166

00:09:02,290 --> 00:08:58,339

they really want to keep you out the

167

00:09:05,140 --> 00:09:02,300

fence around it well no it's not like

168

00:09:07,750 --> 00:09:05,150

climbing a fence you know around your

169

00:09:09,910 --> 00:09:07,760

local or you know Air Force or military

170

00:09:12,850 --> 00:09:09,920

base you're right basically what it

171

00:09:16,449 --> 00:09:12,860

comes down to is you know there are

172

00:09:19,600 --> 00:09:16,459

certain huge portions of Nevada desert

173

00:09:23,280 --> 00:09:19,610

which are essentially under the control

174

00:09:26,560 --> 00:09:23,290

of the military and what it basically

175

00:09:29,440 --> 00:09:26,570

sort of comes down to is that if you try

176

00:09:30,600 --> 00:09:29,450

and get within about 15 miles of the

177

00:09:32,790 --> 00:09:30,610

base

178

00:09:35,070 --> 00:09:32,800

even though there's no sort of literal

179

00:09:37,740 --> 00:09:35,080

fence all around there when you get to

180

00:09:40,440 --> 00:09:37,750

with about 15 miles of where the the

181

00:09:43,200 --> 00:09:40,450

perimeter is you will be stopped by

182

00:09:46,590 --> 00:09:43,210

security guards latin-1

183

00:09:49,890 --> 00:09:46,600

wagons re yeah yeah like arrested and

184

00:09:52,050 --> 00:09:49,900

fine you know putting the local

185

00:09:55,320 --> 00:09:52,060

sheriff's jail for like three days to

186

00:09:57,420 --> 00:09:55,330

give you know to teach you a lesson

187

00:09:59,880 --> 00:09:57,430

you think that's ever happened

188

00:10:03,660 --> 00:09:59,890

oh yeah there's been a number of

189

00:10:06,000 --> 00:10:03,670

occasions when people have have tried

190

00:10:07,920 --> 00:10:06,010

that I mean there was a the most recent

191

00:10:10,440 --> 00:10:07,930

one I think I can think of was about two

192

00:10:12,450 --> 00:10:10,450

or three years ago when an Irish from

193

00:10:15,180 --> 00:10:12,460

from Ireland and Irish TV company

194

00:10:17,850 --> 00:10:15,190

decided to go out there and they didn't

195

00:10:20,340 --> 00:10:17,860

listen or you know follow the warnings

196

00:10:24,330 --> 00:10:20,350

and they ended up paying something like

197

00:10:27,510 --> 00:10:24,340

like a \$500 fine age and like something

198

00:10:30,930 --> 00:10:27,520

like a night or two nights in the local

199

00:10:32,580 --> 00:10:30,940

jail and just you know given the the

200

00:10:34,830 --> 00:10:32,590

fear of God putting them that kind of

201
00:10:37,380 --> 00:10:34,840
thing so that still goes on now if

202
00:10:39,990 --> 00:10:37,390
you've got hypothetically three or four

203
00:10:42,780 --> 00:10:40,000
hundred people doing that charging

204
00:10:49,290 --> 00:10:42,790
across the desert it's not gonna work

205
00:10:52,710 --> 00:10:49,300
out well I just that is so first of all

206
00:10:54,690 --> 00:10:52,720
even if you gotta cross the line your

207
00:10:56,760 --> 00:10:54,700
duck the aliens are not hanging out on

208
00:10:59,400 --> 00:10:56,770
the guard shack you know they're they're

209
00:11:02,430 --> 00:10:59,410
off for 20 miles in an underground

210
00:11:04,830 --> 00:11:02,440
bunker seven years stories below the

211
00:11:07,590 --> 00:11:04,840
earth but hey you wrote a book on this I

212
00:11:10,080 --> 00:11:07,600
got a book that just came out area 51

213
00:11:11,460 --> 00:11:10,090

warning keep out what what's the title

214

00:11:14,400 --> 00:11:11,470

of your book I know I haven't here on

215

00:11:16,740 --> 00:11:14,410

the Shelf well it's called it's called

216

00:11:21,990 --> 00:11:16,750

area 51 it's one of those no-brainer

217

00:11:25,170 --> 00:11:22,000

titles and yeah but the subtitle sort of

218

00:11:29,010 --> 00:11:25,180

deals with UFOs secret aircraft and

219

00:11:31,950 --> 00:11:29,020

conspiracies and actually you know I

220

00:11:33,720 --> 00:11:31,960

mean the book came out it was kind of

221

00:11:35,610 --> 00:11:33,730

timely but it really was a coincidence

222

00:11:39,030 --> 00:11:35,620

because the book was actually finished

223

00:11:40,500 --> 00:11:39,040

about four months ago something like

224

00:11:43,030 --> 00:11:40,510

that and the publisher got it out

225

00:11:45,370 --> 00:11:43,040

quickly and then about a week or two

226

00:11:47,860 --> 00:11:45,380

after the book at its official

227

00:11:51,129 --> 00:11:47,870

publication day that's when the story I

228

00:11:54,519 --> 00:11:51,139

came out after that about you know this

229

00:11:56,259 --> 00:11:54,529

whole storming issues well what is it

230

00:11:58,420 --> 00:11:56,269

what is your take on it is there

231

00:11:59,980 --> 00:11:58,430

back-engineering going on out there or

232

00:12:01,689 --> 00:11:59,990

was there because probably did so

233

00:12:03,910 --> 00:12:01,699

they've all taken it somewhere else

234

00:12:05,710 --> 00:12:03,920

after all those shenanigans going on is

235

00:12:08,170 --> 00:12:05,720

there back technology going on out there

236

00:12:11,290 --> 00:12:08,180

are there aliens they're somewhere

237

00:12:15,670 --> 00:12:11,300

underground or is it just a home of the

238

00:12:18,999 --> 00:12:15,680

you - well I think it's one or two

239

00:12:22,629 --> 00:12:19,009

things either there are living and dead

240

00:12:24,840 --> 00:12:22,639

aliens and crashed UFOs out there or for

241

00:12:27,309 --> 00:12:24,850

some sort of like weird disinformation

242

00:12:30,280 --> 00:12:27,319

psychological warfare angle there is

243

00:12:32,970 --> 00:12:30,290

somebody or an organization that wants

244

00:12:35,530 --> 00:12:32,980

us to think that that's what's going on

245

00:12:37,840 --> 00:12:35,540

and it could even be a combination of

246

00:12:41,110 --> 00:12:37,850

the two but I think if you look at the

247

00:12:43,090 --> 00:12:41,120

history of 51 you find that over the

248

00:12:46,720 --> 00:12:43,100

years and decades there's been a lot of

249

00:12:48,879 --> 00:12:46,730

weird mind games out there too where

250

00:12:50,710 --> 00:12:48,889

people don't really know what's the

251

00:12:54,509 --> 00:12:50,720

truth and what is and I think part of

252

00:12:57,579 --> 00:12:54,519

that's been done deliberately to try and

253

00:12:59,860 --> 00:12:57,589

sort of prevent people from learning the

254

00:13:01,780 --> 00:12:59,870

bigger picture and but the big the big

255

00:13:05,620 --> 00:13:01,790

question is what's the bigger picture

256

00:13:07,720 --> 00:13:05,630

you know is it aliens easy classified

257

00:13:10,059 --> 00:13:07,730

military aircraft that are sort of 2030

258

00:13:14,559 --> 00:13:10,069

years ahead of what we're told about you

259

00:13:17,199 --> 00:13:14,569

know and how about a barber Lazar would

260

00:13:20,680 --> 00:13:17,209

you take on him well you know a lot of

261

00:13:22,689 --> 00:13:20,690

people totally rights off Lazar but I

262

00:13:26,079 --> 00:13:22,699

actually don't and I'll tell you why the

263

00:13:28,030 --> 00:13:26,089

reason I don't I'm sure you know both

264

00:13:30,550 --> 00:13:28,040

million team of over the years come

265

00:13:33,040 --> 00:13:30,560

across a number of people in the UFO

266

00:13:36,730 --> 00:13:33,050

field who are just outright hoaxes now

267

00:13:38,019 --> 00:13:36,740

those typical hoaxes they tend to you

268

00:13:41,170 --> 00:13:38,029

know they come up with this fantastic

269

00:13:44,710 --> 00:13:41,180

story they go all across the lecture

270

00:13:48,040 --> 00:13:44,720

circuit conferences on TV get big book

271

00:13:50,920 --> 00:13:48,050

deals etc etc well Lazar had this

272

00:13:52,569 --> 00:13:50,930

fantastic story to tell if you look at

273

00:13:54,340 --> 00:13:52,579

the history of him he never really

274

00:13:56,500 --> 00:13:54,350

capitalized on it I mean he never wrote

275

00:13:58,930 --> 00:13:56,510

his own book he never had anybody

276

00:14:01,510 --> 00:13:58,940

else ghostwriter book for him he didn't

277

00:14:04,870 --> 00:14:01,520

sell the rights to like a you know some

278

00:14:06,850 --> 00:14:04,880

huge Hollywood company to make his you

279

00:14:09,700 --> 00:14:06,860

know his movie with someone like Tom

280

00:14:12,460 --> 00:14:09,710

Cruise playing them you know bob lazar

281

00:14:15,010 --> 00:14:12,470

that kind of thing and you'd hardly ever

282

00:14:17,620 --> 00:14:15,020

saw him on the lecture circuit or at

283

00:14:19,600 --> 00:14:17,630

conferences you know he really was in

284

00:14:21,970 --> 00:14:19,610

the background and and if you look at

285

00:14:24,430 --> 00:14:21,980

his story also he didn't really gain

286

00:14:26,620 --> 00:14:24,440

anything from it so in other words he

287

00:14:30,250 --> 00:14:26,630

didn't come across like your average

288

00:14:32,410 --> 00:14:30,260

hoax whose goal is to sell all their

289

00:14:36,310 --> 00:14:32,420

copies of their books and then keep the

290

00:14:39,160 --> 00:14:36,320

story circulating and adding to the

291

00:14:40,900 --> 00:14:39,170

story new lies when they you know when

292

00:14:43,990 --> 00:14:40,910

the story comes to an end

293

00:14:46,720 --> 00:14:44,000

Lazar Lazar whether you believe him or

294

00:14:49,420 --> 00:14:46,730

not he did not come across like the

295

00:14:53,020 --> 00:14:49,430

average UFO hoax and I mean that that is

296

00:14:56,440 --> 00:14:53,030

a fact you know one I I have my own take

297

00:14:58,990 --> 00:14:56,450

on this I believe that he is fronting

298

00:15:01,270 --> 00:14:59,000

for someone else in other words there's

299

00:15:03,760 --> 00:15:01,280

someone there someone else who told him

300

00:15:05,890 --> 00:15:03,770

this story and said Bob why don't you go

301
00:15:07,690 --> 00:15:05,900
out and take credit for it you know

302
00:15:11,590 --> 00:15:07,700
somebody is playing behind the scenes

303
00:15:13,780 --> 00:15:11,600
and using Bob as the as the as the

304
00:15:15,640 --> 00:15:13,790
puppet and I think that might be what's

305
00:15:19,360 --> 00:15:15,650
happening in some of these cases is that

306
00:15:21,160 --> 00:15:19,370
they find that as someone to front for

307
00:15:24,690 --> 00:15:21,170
them because they don't want to you know

308
00:15:27,010 --> 00:15:24,700
I mean he has been a public figure and

309
00:15:29,100 --> 00:15:27,020
he does he does seem to like the

310
00:15:31,450 --> 00:15:29,110
attention he's the type of guy well I

311
00:15:32,680 --> 00:15:31,460
don't do a lot of shows and I don't do

312
00:15:35,200 --> 00:15:32,690
this and that and the other thing but he

313
00:15:38,200 --> 00:15:35,210

does I mean kinda I mean it's not like

314

00:15:40,780 --> 00:15:38,210

he's been on the coast to coast and he

315

00:15:43,510 --> 00:15:40,790

was on the old art belljo and there's a

316

00:15:46,920 --> 00:15:43,520

movie out about him now and so forth but

317

00:15:51,340 --> 00:15:46,930

anyway let's move on to your new book on

318

00:15:54,580 --> 00:15:51,350

Russia the title of which is that flying

319

00:15:57,520 --> 00:15:54,590

saucers from the Kremlin always been

320

00:15:59,860 --> 00:15:57,530

very very interested in Soviet former

321

00:16:02,620 --> 00:15:59,870

Soviet siding Russian side is in fact

322

00:16:07,690 --> 00:16:02,630

when I was a teenager there was a

323

00:16:10,120 --> 00:16:07,700

magazine called Sputnik which was a put

324

00:16:12,040 --> 00:16:10,130

together by Russian editors and this

325

00:16:14,710 --> 00:16:12,050

here in the United States it was a

326

00:16:17,259 --> 00:16:14,720

little Digest magazine and we had like a

327

00:16:19,960 --> 00:16:17,269

USA magazine that they allowed us to

328

00:16:23,230 --> 00:16:19,970

sell and distribute in Russian and in

329

00:16:25,360 --> 00:16:23,240

the Soviet Union and they did have a

330

00:16:29,170 --> 00:16:25,370

couple of articles like on ancient

331

00:16:31,720 --> 00:16:29,180

astronauts the the big author of their

332

00:16:33,670 --> 00:16:31,730

ancient astronauts theory which I think

333

00:16:36,730 --> 00:16:33,680

was even before van dannegan was

334

00:16:40,540 --> 00:16:36,740

professor ignorant and he had there

335

00:16:41,170 --> 00:16:40,550

written on the dog of Japan and so forth

336

00:16:43,809 --> 00:16:41,180

and so on

337

00:16:45,879 --> 00:16:43,819

so I wrote a letter to the editor in

338

00:16:49,269 --> 00:16:45,889

Sputnik magazine and they published it

339

00:16:52,569 --> 00:16:49,279

with my address and at 15 years old I

340

00:16:54,309 --> 00:16:52,579

began to receive mail written in poor

341

00:16:57,040 --> 00:16:54,319

English and languages that I didn't

342

00:16:59,980 --> 00:16:57,050

understand in some cases from behind the

343

00:17:02,350 --> 00:16:59,990

Soviet bloc and and some of them were

344

00:17:05,079 --> 00:17:02,360

pretty some pretty good good cases so

345

00:17:08,350 --> 00:17:05,089

even though officially the russian

346

00:17:11,770 --> 00:17:08,360

government played this down there was

347

00:17:16,270 --> 00:17:11,780

some information that was available on

348

00:17:17,620 --> 00:17:16,280

the the the subject now you know and

349

00:17:19,659 --> 00:17:17,630

you've probably written about this and

350

00:17:24,669 --> 00:17:19,669

they in your book there is the

351
00:17:28,710 --> 00:17:24,679
equivalent of an area 51 in russia what

352
00:17:31,120 --> 00:17:28,720
put me up put me are you familiar with

353
00:17:33,100 --> 00:17:31,130
there are a few places in russia

354
00:17:37,360 --> 00:17:33,110
particularly in the Ural Mountains which

355
00:17:40,299 --> 00:17:37,370
we know from satellites flights over the

356
00:17:42,909 --> 00:17:40,309
area that only Ural Mountains that over

357
00:17:45,880 --> 00:17:42,919
the years the Russians have actually

358
00:17:49,299 --> 00:17:45,890
sort of quarried out and dug out massive

359
00:17:52,510 --> 00:17:49,309
underground areas and constructed huge

360
00:17:54,399 --> 00:17:52,520
you know underground bunkers and

361
00:17:56,740 --> 00:17:54,409
installations you know for whatever

362
00:17:59,770 --> 00:17:56,750
reason you know whether it's to survive

363
00:18:02,680 --> 00:17:59,780

a nuclear war or you know an area 51

364

00:18:06,870 --> 00:18:02,690

type situation we don't know but there's

365

00:18:09,100 --> 00:18:06,880

no doubt that these massive quarried out

366

00:18:11,140 --> 00:18:09,110

facilities in the Ural Mountains that

367

00:18:13,990 --> 00:18:11,150

absolutely exist you know there's no

368

00:18:16,740 --> 00:18:14,000

doubt about that at all well there was

369

00:18:20,649 --> 00:18:16,750

there was an incident that supposedly

370

00:18:22,500 --> 00:18:20,659

took place in the area surrounding it we

371

00:18:27,150 --> 00:18:22,510

are where

372

00:18:30,990 --> 00:18:27,160

a there was a dogfight between a Soviet

373

00:18:34,440 --> 00:18:31,000

pilot and a UFO and I think the UFO was

374

00:18:38,220 --> 00:18:34,450

was shot down or crashed and they did

375

00:18:40,800 --> 00:18:38,230

some reverse technology on that there

376

00:18:42,450 --> 00:18:40,810

were apparently a lot of incidences or

377

00:18:47,190 --> 00:18:42,460

at least this is what we were led to

378

00:18:54,180 --> 00:18:47,200

believe of Soviet the pilots exchanging

379

00:18:56,730 --> 00:18:54,190

combat with these unverified objects you

380

00:18:59,250 --> 00:18:56,740

know UFO cases in Russia that parallel

381

00:19:01,290 --> 00:18:59,260

you know what we see in the United

382

00:19:04,020 --> 00:19:01,300

States I mean or anywhere in the world

383

00:19:07,740 --> 00:19:04,030

and many demonstrates it is a like a

384

00:19:10,200 --> 00:19:07,750

global phenomenon and you know it would

385

00:19:13,440 --> 00:19:10,210

be it would be a surprise if you know a

386

00:19:17,610 --> 00:19:13,450

nation the size of Russia wasn't you

387

00:19:19,860 --> 00:19:17,620

know getting UFO encounters really well

388

00:19:22,790 --> 00:19:19,870

where did you get the the bulk of your

389

00:19:26,280 --> 00:19:22,800

of information I mean did you exchange

390

00:19:31,590 --> 00:19:26,290

correspondence with the some Russians or

391

00:19:34,280 --> 00:19:31,600

or go through former KGB F files well a

392

00:19:38,100 --> 00:19:34,290

little bit like that but the book itself

393

00:19:41,100 --> 00:19:38,110

is not so much a study of UFO encounters

394

00:19:45,510 --> 00:19:41,110

in Russia but it's how the Russians used

395

00:19:47,810 --> 00:19:45,520

the UFO subject as a means to sort of

396

00:19:53,010 --> 00:19:47,820

Korea to use disinformation

397

00:19:55,710 --> 00:19:53,020

counterintelligence meddling and and

398

00:20:00,330 --> 00:19:55,720

spying as a means to use the UFO subject

399

00:20:03,690 --> 00:20:00,340

as a tool of of essentially to you know

400

00:20:06,290 --> 00:20:03,700

to sort of fact the u.s. mindset and you

401
00:20:09,590 --> 00:20:06,300
know you know the idea of creating and

402
00:20:14,280 --> 00:20:09,600
circulating hysteria within the US and

403
00:20:16,560 --> 00:20:14,290
that's not the primary goal or story and

404
00:20:20,340 --> 00:20:16,570
scenario of the book and it actually

405
00:20:22,860 --> 00:20:20,350
starts with George Adamski now back in

406
00:20:26,460 --> 00:20:22,870
the nineteen eighties the FBI released

407
00:20:29,670 --> 00:20:26,470
their file their surveillance file on

408
00:20:32,190 --> 00:20:29,680
Adamski which is about 75 pages I

409
00:20:33,540 --> 00:20:32,200
actually managed to get their most

410
00:20:35,280 --> 00:20:33,550
recent

411
00:20:37,440 --> 00:20:35,290
when I say version I mean because

412
00:20:39,270 --> 00:20:37,450
they've released other papers now but

413
00:20:42,510 --> 00:20:39,280

the the surveillance file that's now

414

00:20:46,200 --> 00:20:42,520

being released by the FBI is just over

415

00:20:48,600 --> 00:20:46,210

400 pages on a damn ski alone and he

416

00:20:51,960 --> 00:20:48,610

talks it there he talks in that

417

00:20:55,020 --> 00:20:51,970

particular file as to how the FBI was

418

00:20:56,460 --> 00:20:55,030

deeply concerned that the tadam scheme

419

00:20:58,770 --> 00:20:56,470

might have been working with the

420

00:21:01,680 --> 00:20:58,780

Russians and the reason why they thought

421

00:21:04,530 --> 00:21:01,690

that was because in a number of us his

422

00:21:06,870 --> 00:21:04,540

early lectures Adamski said that being

423

00:21:11,030 --> 00:21:06,880

the so-called space brothers had a

424

00:21:13,680 --> 00:21:11,040

somewhat communist type government yeah

425

00:21:15,810 --> 00:21:13,690

yeah that kinda sounds to be odd and

426

00:21:19,230 --> 00:21:15,820

weird but that's how it was described

427

00:21:21,090 --> 00:21:19,240

back then now if you think with his

428

00:21:23,910 --> 00:21:21,100

first book flying saucers of Lander

429

00:21:25,950 --> 00:21:23,920

which came out in 53 in no time that

430

00:21:27,330 --> 00:21:25,960

book sold 153

431

00:21:31,560 --> 00:21:27,340

let's give me hundred twenty-five

432

00:21:34,850 --> 00:21:31,570

thousand copies and as the FBI's files

433

00:21:38,900 --> 00:21:34,860

show they were deeply concerned that

434

00:21:41,940 --> 00:21:38,910

Adamski was using the UFO subject as a

435

00:21:45,300 --> 00:21:41,950

cover to spread communism you know

436

00:21:47,520 --> 00:21:45,310

saying the network ama deeds yeah now

437

00:21:50,640 --> 00:21:47,530

whether you buy into that or not that

438

00:21:54,180 --> 00:21:50,650

actually was the theory that the FBI was

439

00:21:55,890 --> 00:21:54,190

following and and for that reason they

440

00:21:58,680 --> 00:21:55,900

put him under surveillance for years

441

00:22:00,210 --> 00:21:58,690

because they felt that if some you know

442

00:22:03,240 --> 00:22:00,220

if somebody was just doing a lecture on

443

00:22:06,000 --> 00:22:03,250

a Monday or Sunday afternoon in a local

444

00:22:07,620 --> 00:22:06,010

library and half a dozen people turned

445

00:22:10,800 --> 00:22:07,630

up the FBI probably wouldn't have

446

00:22:12,930 --> 00:22:10,810

bothered or taken any notice at all but

447

00:22:16,080 --> 00:22:12,940

the fact that he was selling book sales

448

00:22:18,660 --> 00:22:16,090

in the figures of 125,000 and people

449

00:22:20,280 --> 00:22:18,670

were coming along to see him speak in

450

00:22:23,370 --> 00:22:20,290

their thousands and he was saying

451

00:22:25,830 --> 00:22:23,380

essentially communism is good that's

452

00:22:28,440 --> 00:22:25,840

what the FBI was worried about Dave they

453

00:22:31,110 --> 00:22:28,450

genuinely thought well right or not they

454

00:22:34,170 --> 00:22:31,120

genuinely thought that he'd been sort of

455

00:22:35,820 --> 00:22:34,180

turned you know he was he been turning

456

00:22:37,890 --> 00:22:35,830

he was being used by the Russians as a

457

00:22:39,990 --> 00:22:37,900

means to find an alternative way to

458

00:22:42,870 --> 00:22:40,000

spread communism in America

459

00:22:47,250 --> 00:22:42,880

well boy that what what a way to do it

460

00:22:49,070 --> 00:22:47,260

but I I guess I guess if you don't if

461

00:22:51,420 --> 00:22:49,080

don't go along with the space brothers

462

00:22:57,360 --> 00:22:51,430

philosophy they put you on one of the

463

00:22:59,460 --> 00:22:57,370

frozen the moons of Saturn their idea of

464

00:23:01,160 --> 00:22:59,470

Siberia what are the frozen moons of

465

00:23:07,260 --> 00:23:01,170

Saturn and I guess you don't have you

466

00:23:10,050 --> 00:23:07,270

there you go well we got a break coming

467

00:23:13,140 --> 00:23:10,060

up here but we will be right back to

468

00:23:15,330 --> 00:23:13,150

continue with the great conversation

469

00:23:26,400 --> 00:23:15,340

with the great Nick Redfern and Tim

470

00:23:29,610 --> 00:23:26,410

Schwartz will be on now back to

471

00:23:31,650 --> 00:23:29,620

exploring the bazaars with two of the

472

00:23:35,040 --> 00:23:31,660

most electrifying researchers in the

473

00:23:39,960 --> 00:23:35,050

Paranoid your hosts Timothy Becca Lee

474

00:23:41,850 --> 00:23:39,970

panting Swift's welcome back to

475

00:23:44,490 --> 00:23:41,860

exploring the bazaar I'm Tim Schwarz

476
00:23:47,820 --> 00:23:44,500
tonight we're talking with Nick Redfern

477
00:23:51,270 --> 00:23:47,830
and his current book is called flying

478
00:23:55,290 --> 00:23:51,280
saucers from the Kremlin Nick at the

479
00:23:58,680 --> 00:23:55,300
very beginning of your book you present

480
00:24:04,110 --> 00:23:58,690
an interesting a story from from

481
00:24:09,450 --> 00:24:04,120
somebody else's book about the Roswell

482
00:24:11,630 --> 00:24:09,460
crash and one of the possible out of

483
00:24:14,400 --> 00:24:11,640
thousands I think at this point

484
00:24:19,200 --> 00:24:14,410
explanations of what what may actually

485
00:24:21,780 --> 00:24:19,210
have occurred there and and this this

486
00:24:24,180 --> 00:24:21,790
story is you know to me it's it's really

487
00:24:28,650 --> 00:24:24,190
fascinating first of all because it's

488
00:24:34,730 --> 00:24:28,660

very similar to an idea that that you

489

00:24:38,910 --> 00:24:34,740

had presented even before the book that

490

00:24:40,650 --> 00:24:38,920

we're talking about came out but once

491

00:24:44,790 --> 00:24:40,660

again I mean he were bringing into this

492

00:24:48,570 --> 00:24:44,800

idea that possibly Russia has had

493

00:24:52,650 --> 00:24:48,580

something to do with the UFO mystery at

494

00:24:55,920 --> 00:24:52,660

least here in the United States the

495

00:24:57,690 --> 00:24:55,930

story you're talking about I came from a

496

00:25:00,450 --> 00:24:57,700

woman named Annie Jacobson who about

497

00:25:01,049 --> 00:25:00,460

nine years ago I think it was nine years

498

00:25:05,940 --> 00:25:01,059

ago

499

00:25:08,909 --> 00:25:05,950

clarenbach on area 51 and she was given

500

00:25:12,989 --> 00:25:08,919

a very strange and bizarre almost

501
00:25:17,119 --> 00:25:12,999
bizarre story of what one of her inside

502
00:25:20,310 --> 00:25:17,129
the store sources claimed was the truth

503
00:25:22,590 --> 00:25:20,320
behind Roswell and the man in question

504
00:25:24,720 --> 00:25:22,600
this elderly man was named Alfred O

505
00:25:27,539 --> 00:25:24,730
Donnell who's now dead he died about

506
00:25:29,539 --> 00:25:27,549
three or four years ago and he spent a

507
00:25:33,869 --> 00:25:29,549
lot of his time working in and around

508
00:25:36,330 --> 00:25:33,879
the whole area 51 facility and he said

509
00:25:40,190 --> 00:25:36,340
that what came down on Roswell was not a

510
00:25:42,980 --> 00:25:40,200
UFO and aliens he said it was like a

511
00:25:46,499 --> 00:25:42,990
remote-controlled aircraft which had

512
00:25:49,340 --> 00:25:46,509
surgically altered children on board to

513
00:25:51,690 --> 00:25:49,350

make them look like aliens and the plan

514

00:25:54,539 --> 00:25:51,700

supposedly was to try and create

515

00:25:57,869 --> 00:25:54,549

hysteria in the US by creating something

516

00:26:00,119 --> 00:25:57,879

similar to Orson Welles his War of the

517

00:26:02,279 --> 00:26:00,129

Worlds situation which made people think

518

00:26:05,220 --> 00:26:02,289

you know there really was an alien

519

00:26:08,310 --> 00:26:05,230

invasion and according to the story told

520

00:26:10,409 --> 00:26:08,320

to Anna Jacobson Russia staged the

521

00:26:13,440 --> 00:26:10,419

Roswell event to try and make America

522

00:26:16,019 --> 00:26:13,450

think aliens are invading but personally

523

00:26:19,440 --> 00:26:16,029

I don't buy into this story because you

524

00:26:22,230 --> 00:26:19,450

know the idea that in the 1940s you

525

00:26:25,320 --> 00:26:22,240

could surgically alter children to make

526

00:26:26,730 --> 00:26:25,330

them look like aliens when we really

527

00:26:29,340 --> 00:26:26,740

didn't have a concept of what aliens

528

00:26:32,549 --> 00:26:29,350

look like back then you know that's one

529

00:26:35,070 --> 00:26:32,559

thing and then the other angle is you

530

00:26:38,850 --> 00:26:35,080

know how could these altered Peru

531

00:26:41,970 --> 00:26:38,860

children you know fly you know his

532

00:26:43,590 --> 00:26:41,980

futuristic aircraft from from Russia to

533

00:26:45,869 --> 00:26:43,600

the United States well according to the

534

00:26:48,629 --> 00:26:45,879

story that old Donald said maybe the

535

00:26:51,169 --> 00:26:48,639

plane or this bizarre aircraft was

536

00:26:54,720 --> 00:26:51,179

remotely flown by another which sounds

537

00:27:00,389 --> 00:26:54,730

again sort of far too advanced to me for

538

00:27:02,940 --> 00:27:00,399

the 1940s so I think Alfred O'Donnell he

539

00:27:06,080 --> 00:27:02,950

either firmly believed the story was

540

00:27:09,950 --> 00:27:06,090

telling to annie jacobson or he was

541

00:27:13,080 --> 00:27:09,960

deliberately giving annie jacobson

542

00:27:14,620 --> 00:27:13,090

disinformation to hide whatever the the

543

00:27:18,130 --> 00:27:14,630

big story really was

544

00:27:22,480 --> 00:27:18,140

Staley's at Roseville well it sounds to

545

00:27:26,050 --> 00:27:22,490

me that Jacobson didn't really do her

546

00:27:28,930 --> 00:27:26,060

homework when it came to some of the

547

00:27:30,690 --> 00:27:28,940

players involved I mean like supposedly

548

00:27:33,340 --> 00:27:30,700

the aircraft had been built by the

549

00:27:35,830 --> 00:27:33,350

Horton brothers who had you know

550

00:27:38,170 --> 00:27:35,840

originally developed aircraft for Nazi

551

00:27:39,940 --> 00:27:38,180

Germany while at that time Norton

552

00:27:42,280 --> 00:27:39,950

brothers weren't he worked in Russia

553

00:27:50,230 --> 00:27:42,290

they were in an Argentine probably and

554

00:27:52,740 --> 00:27:50,240

and let's see Joseph Mengele one of the

555

00:27:55,630 --> 00:27:52,750

things that sort of you know makes me

556

00:27:58,330 --> 00:27:55,640

sort of suspect that Annie Jason

557

00:28:00,280 --> 00:27:58,340

Jacobson was given a fake story yeah and

558

00:28:02,410 --> 00:28:00,290

I should stress you know she wasn't in

559

00:28:04,240 --> 00:28:02,420

any way involved in fakery or anything

560

00:28:07,330 --> 00:28:04,250

like that she just tell the stories it

561

00:28:09,670 --> 00:28:07,340

was told to her money but you know what

562

00:28:12,930 --> 00:28:09,680

I would say is that one of the things

563

00:28:17,020 --> 00:28:12,940

she mentions in the book is that the

564

00:28:19,270 --> 00:28:17,030

inside of the craft had sort of German

565

00:28:22,000 --> 00:28:19,280

writing and and excuse me Russian

566

00:28:24,100 --> 00:28:22,010

writing and symbols in there and of

567

00:28:27,400 --> 00:28:24,110

course that begs a question well if you

568

00:28:30,220 --> 00:28:27,410

want to confuse people and have them

569

00:28:32,380 --> 00:28:30,230

believe that it was alien why on earth

570

00:28:35,440 --> 00:28:32,390

would you put Russian writing inside the

571

00:28:37,570 --> 00:28:35,450

craft you know it wouldn't take long for

572

00:28:39,070 --> 00:28:37,580

someone who knew Russian to say well

573

00:28:41,170 --> 00:28:39,080

hang on a minute this is Russian this

574

00:28:43,870 --> 00:28:41,180

isn't you know some bizarre strange

575

00:28:46,570 --> 00:28:43,880

alien languages it's the Russian

576

00:28:48,910 --> 00:28:46,580

language and so you know to me it's

577

00:28:50,830 --> 00:28:48,920

bizarre that they would even you know

578

00:28:52,770 --> 00:28:50,840

sort of have Russian writing inside the

579

00:28:56,260 --> 00:28:52,780

craft it would give it away almost

580

00:28:58,660 --> 00:28:56,270

immediately and and as I said yeah it

581

00:29:00,370 --> 00:28:58,670

was well thought out because like you

582

00:29:02,980 --> 00:29:00,380

said I mean he involved the Horton

583

00:29:08,250 --> 00:29:02,990

Brothers and some of their strange

584

00:29:10,660 --> 00:29:08,260

aircraft designs and it also included

585

00:29:13,180 --> 00:29:10,670

Joseph Mengele who was the you know one

586

00:29:16,660 --> 00:29:13,190

of craziest dangerous evil people of the

587

00:29:19,960 --> 00:29:16,670

Second World War who actually did have

588

00:29:20,500 --> 00:29:19,970

like a very disturbing fascination with

589

00:29:23,170 --> 00:29:20,510

dwarf

590

00:29:26,500 --> 00:29:23,180

that's actually true and he performed

591

00:29:28,240 --> 00:29:26,510

all sorts of bizarre experiments

592

00:29:32,350 --> 00:29:28,250

terrible experiments

593

00:29:34,990 --> 00:29:32,360

on dwarfs and so you know a lot of the

594

00:29:38,110 --> 00:29:35,000

components had been put into that story

595

00:29:40,870 --> 00:29:38,120

but Alfred O'Donnell gave to annie

596

00:29:44,919 --> 00:29:40,880

jacobson but for me there are so many

597

00:29:47,289 --> 00:29:44,929

odd aspects you know that I just don't

598

00:29:50,140 --> 00:29:47,299

think in the forties you know we could

599

00:29:54,700 --> 00:29:50,150

achieve all that well and that that

600

00:29:57,100 --> 00:29:54,710

plays in though with the the the whole

601

00:30:01,539 --> 00:29:57,110

United States government being very

602

00:30:06,130 --> 00:30:01,549

fearful especially starting in the 1950s

603

00:30:10,590 --> 00:30:06,140

that somehow the the whole UFO phenomena

604

00:30:13,990 --> 00:30:10,600

/ movement was was somehow being either

605

00:30:18,490 --> 00:30:14,000

orchestrated by the Soviet Union or the

606

00:30:20,320 --> 00:30:18,500

Soviet Union was using that for whatever

607

00:30:22,600 --> 00:30:20,330

reasons you know propaganda

608

00:30:25,630 --> 00:30:22,610

disinformation trying to you know find

609

00:30:28,500 --> 00:30:25,640

out more you know about military secrets

610

00:30:31,690 --> 00:30:28,510

in the United States or what-have-you

611

00:30:33,399 --> 00:30:31,700

yeah good point

612

00:30:37,120 --> 00:30:33,409

when I was doing the research for the

613

00:30:39,340 --> 00:30:37,130

book I actually got hold of some old

614

00:30:42,460 --> 00:30:39,350

correspondence from one of the sort of

615

00:30:45,130 --> 00:30:42,470

second wave of the 1950's contactees a

616

00:30:47,680 --> 00:30:45,140

guy named Orfeo angelo qi who announced

617

00:30:51,549 --> 00:30:47,690

him there'll be no will know very well

618

00:30:53,470 --> 00:30:51,559

who Angelou she was and you know he was

619

00:30:56,980 --> 00:30:53,480

like I said he was poor like the second

620

00:30:59,860 --> 00:30:56,990

wave of UFO s caribou contactees after

621

00:31:03,640 --> 00:30:59,870

like a damn scheme and hassle and

622

00:31:06,460 --> 00:31:03,650

William certain people like that and in

623

00:31:07,779 --> 00:31:06,470

his private correspondence Angelou she

624

00:31:10,690 --> 00:31:07,789

said there are on a number of occasions

625

00:31:12,970 --> 00:31:10,700

when he was lecturing he would have

626

00:31:15,880 --> 00:31:12,980

these sort of sinister groups of people

627

00:31:18,159 --> 00:31:15,890

would come up to him these guys talking

628

00:31:23,789 --> 00:31:18,169

in what he described as like a European

629

00:31:27,870 --> 00:31:23,799

accent and they tried to convince him to

630

00:31:31,810 --> 00:31:27,880

insert the scenario of the aliens being

631

00:31:33,850 --> 00:31:31,820

communists into his lectures now this

632

00:31:36,100 --> 00:31:33,860

went on sort of four or five times where

633

00:31:40,000 --> 00:31:36,110

they almost like the sinister type of

634

00:31:40,990 --> 00:31:40,010

group followed Angelou Chi around the

635

00:31:43,930 --> 00:31:41,000

u.s.

636

00:31:45,850 --> 00:31:43,940

and it got quite almost like bullying

637

00:31:48,549 --> 00:31:45,860

you know we need you to do this we want

638

00:31:50,350 --> 00:31:48,559

you to you know impress on people that

639

00:31:52,450 --> 00:31:50,360

the the aliens that you met were

640

00:31:55,630 --> 00:31:52,460

communists and you would not do it and

641

00:31:58,510 --> 00:31:55,640

the FBI actually got wind of this as

642

00:32:00,039 --> 00:31:58,520

well and the FBI pointed out to him that

643

00:32:01,360 --> 00:32:00,049

you know he wasn't in any trouble and

644

00:32:03,580 --> 00:32:01,370

they were pleased he'd actually

645

00:32:06,640 --> 00:32:03,590

approached them but what's interesting

646

00:32:09,520 --> 00:32:06,650

is that I got the story through his

647

00:32:10,990 --> 00:32:09,530

private correspondence and some of the

648

00:32:14,620 --> 00:32:11,000

things that he'd been writing in his

649

00:32:17,200 --> 00:32:14,630

books but when I contacted the FBI I

650

00:32:21,190 --> 00:32:17,210

found that yes they actually did have a

651

00:32:24,610 --> 00:32:21,200

file on down Angelo Qi but they

652

00:32:26,740 --> 00:32:24,620

destroyed it in 2009 and that's in

653

00:32:28,779 --> 00:32:26,750

passing right and the FBI said yes we

654

00:32:32,020 --> 00:32:28,789

had this file on Angelo Qi but

655

00:32:33,820 --> 00:32:32,030

unfortunately it was destroyed 10 years

656

00:32:37,600 --> 00:32:33,830

ago and we don't know why it was

657

00:32:41,080 --> 00:32:37,610

destroyed I mean the Van Tassel file you

658

00:32:43,690 --> 00:32:41,090

can go to the FBI's website the vault

659

00:32:47,549 --> 00:32:43,700

and download the George Van Tassel file

660

00:32:50,980 --> 00:32:47,559

which is about 450 pages and read it

661

00:32:54,039 --> 00:32:50,990

bill Cooper you know the conspiracy

662

00:32:56,409 --> 00:32:54,049

theorist of the 1980s 90s East files

663

00:32:56,799 --> 00:32:56,419

huge and you can read that it's the

664

00:33:00,880 --> 00:32:56,809

vault

665

00:33:03,310 --> 00:33:00,890

the FBI's website so and Frank Scully

666

00:33:06,250 --> 00:33:03,320

Silas Mutants files they're all there

667

00:33:09,610 --> 00:33:06,260

online and as PDFs for you to download

668

00:33:12,789 --> 00:33:09,620

freely and yet for some reason

669

00:33:16,210 --> 00:33:12,799

Angelo G's file was relegated to the

670

00:33:18,940 --> 00:33:16,220

furnace or the shredder you know no are

671

00:33:22,060 --> 00:33:18,950

they keeping just a sec are they keeping

672

00:33:24,279 --> 00:33:22,070

tabs on any you follow just currently I

673

00:33:27,039 --> 00:33:24,289

mean I guess Stan Friedman claims that

674

00:33:29,649 --> 00:33:27,049

they had a file on him right well they

675

00:33:32,740 --> 00:33:29,659

did I mean since Stan died a couple of

676

00:33:35,080 --> 00:33:32,750

people of applied fees file but there's

677

00:33:37,990 --> 00:33:35,090

no kind of smoking gun or anything like

678

00:33:42,399 --> 00:33:38,000

that it's sort of 30 or 40 pages that

679

00:33:45,700 --> 00:33:42,409

really don't amount to anything but what

680

00:33:48,100 --> 00:33:45,710

I would say you know is that we know

681

00:33:49,720 --> 00:33:48,110

that back in the eighties because if

682

00:33:52,389 --> 00:33:49,730

they admitted it the FBI

683

00:33:54,290 --> 00:33:52,399

back in the eighties had a file of about

684

00:33:56,390 --> 00:33:54,300

78 or 80 pages on

685

00:33:59,510 --> 00:33:56,400

bill Moore who co-wrote with Charles

686

00:34:02,470 --> 00:33:59,520

Berlitz the Roswell incident so we don't

687

00:34:06,470 --> 00:34:02,480

you know Moore's file to be considerably

688

00:34:08,800 --> 00:34:06,480

longer by now but the ones that the FBI

689

00:34:13,010 --> 00:34:08,810

have posted to their website the vault

690

00:34:17,390 --> 00:34:13,020

included said Bill Cooper George Van

691

00:34:18,550 --> 00:34:17,400

Tassel also in the UFO subject Frank

692

00:34:21,410 --> 00:34:18,560

Scully

693

00:34:25,810 --> 00:34:21,420

Silas Newton and Leo Jabbar who were big

694

00:34:29,690 --> 00:34:25,820

players in the Aztec crashed UFO story

695

00:34:32,390 --> 00:34:29,700

there at their entire cattle mutilation

696

00:34:34,400 --> 00:34:32,400

files are on file at the vault as well

697

00:34:40,280 --> 00:34:34,410

but there are some interesting files

698

00:34:43,100 --> 00:34:40,290

which have been removed for example some

699

00:34:46,490 --> 00:34:43,110

of the earlier contact II files have

700

00:34:48,440 --> 00:34:46,500

been removed they were on prior at one

701
00:34:51,980 --> 00:34:48,450
point they're gone like for example

702
00:34:56,570 --> 00:34:51,990
there was one on Howard menja that was

703
00:35:01,580 --> 00:34:56,580
taken down and you know you have to

704
00:35:03,770 --> 00:35:01,590
wonder what's the reason for that so if

705
00:35:06,020 --> 00:35:03,780
the files are interesting but it is kind

706
00:35:08,750 --> 00:35:06,030
of weird at some time to time they

707
00:35:11,510 --> 00:35:08,760
suddenly decide to remove some of them

708
00:35:19,520 --> 00:35:11,520
or even destroy them like in the example

709
00:35:21,710 --> 00:35:19,530
of Angelo G so it I can see why the

710
00:35:26,180 --> 00:35:21,720
United States government in the 50s may

711
00:35:30,620 --> 00:35:26,190
have worried about some of the things

712
00:35:33,230 --> 00:35:30,630
the these contactees were saying because

713
00:35:35,300 --> 00:35:33,240

the majority of them talked about how

714

00:35:36,830 --> 00:35:35,310

the the space brothers had told them

715

00:35:40,220 --> 00:35:36,840

that you know the planets that they came

716

00:35:43,460 --> 00:35:40,230

from you know the Utopia one-world

717

00:35:46,580 --> 00:35:43,470

government there was no money everything

718

00:35:50,420 --> 00:35:46,590

was free everybody you know shared and

719

00:35:52,910 --> 00:35:50,430

shared alike which you know terrible

720

00:35:56,300 --> 00:35:52,920

concept yeah but in you know in the

721

00:35:59,030 --> 00:35:56,310

1950s you know you might as well have

722

00:36:03,680 --> 00:35:59,040

just said you know this is you know this

723

00:36:06,620 --> 00:36:03,690

is socialism ricotta or communism they

724

00:36:08,480 --> 00:36:06,630

would say that today certainly Wall

725

00:36:11,900 --> 00:36:08,490

Street in the banking

726

00:36:13,340 --> 00:36:11,910

you know Federal Reserve and all that do

727

00:36:17,330 --> 00:36:13,350

you think there'd be any difference

728

00:36:19,040 --> 00:36:17,340

today I don't think so well I think I

729

00:36:21,110 --> 00:36:19,050

think one of the main things is that

730

00:36:23,720 --> 00:36:21,120

back in the certainly late forties early

731

00:36:26,840 --> 00:36:23,730

fifties and through most of the fifties

732

00:36:30,160 --> 00:36:26,850

yeah there was a great deal of paranoia

733

00:36:32,480 --> 00:36:30,170

about Russians and you know the you know

734

00:36:34,600 --> 00:36:32,490

Russians under the beds that kind of

735

00:36:37,880 --> 00:36:34,610

things you know Reds under the beds and

736

00:36:40,880 --> 00:36:37,890

you know the idea of Soviet penetration

737

00:36:44,060 --> 00:36:40,890

and over this you know McCarthyism and

738

00:36:47,690 --> 00:36:44,070

so I think it was an era that the

739

00:36:50,570 --> 00:36:47,700

Russian sort of realized they could kind

740

00:36:52,880 --> 00:36:50,580

of use these to their advantage whereas

741

00:36:54,620 --> 00:36:52,890

today well I say to death up until a

742

00:36:57,410 --> 00:36:54,630

couple of years ago you know that at all

743

00:36:59,660 --> 00:36:57,420

pretty much gone but now today you know

744

00:37:02,480 --> 00:36:59,670

with the whole Russian meddling thing

745

00:37:07,460 --> 00:37:02,490

again that whole paranoia is kind of

746

00:37:08,990 --> 00:37:07,470

coming back again and you know and and

747

00:37:12,680 --> 00:37:09,000

the Russians are sort of you know

748

00:37:15,230 --> 00:37:12,690

meddling again so but yeah back then I

749

00:37:17,450 --> 00:37:15,240

think the Russians knew that they could

750

00:37:19,610 --> 00:37:17,460

use this to their advantage and I think

751
00:37:22,460 --> 00:37:19,620
the reason why it worked is because both

752
00:37:24,560 --> 00:37:22,470
sides knew that there are you know big

753
00:37:26,150 --> 00:37:24,570
irony is both sides knew the West and

754
00:37:30,020 --> 00:37:26,160
the East that there is a real UFO

755
00:37:33,080 --> 00:37:30,030
phenomenon but they chose to exploit

756
00:37:35,960 --> 00:37:33,090
that real phenomenon as a means to as I

757
00:37:40,400 --> 00:37:35,970
said create paranoia hysteria or worry

758
00:37:41,750 --> 00:37:40,410
as to what was going on you know well

759
00:37:43,850 --> 00:37:41,760
and there was actual there are there are

760
00:37:48,170 --> 00:37:43,860
actually you know rumors in the 1950s

761
00:37:50,750 --> 00:37:48,180
that every UFO civilian UFO group had

762
00:37:52,910 --> 00:37:50,760
been infiltrated by at least one Soviet

763
00:37:55,520 --> 00:37:52,920

agent which I mean that's that's a lot

764

00:38:01,760 --> 00:37:55,530

of Soviet agents if that was if that's

765

00:38:03,350 --> 00:38:01,770

if that was a true rumor you know you

766

00:38:05,450 --> 00:38:03,360

know angle of the whole story that I

767

00:38:10,340 --> 00:38:05,460

talked about in the book be you know the

768

00:38:14,810 --> 00:38:10,350

idea that the UFO groups in the US were

769

00:38:17,000 --> 00:38:14,820

being monitored and watched by US

770

00:38:19,520 --> 00:38:17,010

officials because they were worried that

771

00:38:21,530 --> 00:38:19,530

the researchers were being sort of

772

00:38:24,320 --> 00:38:21,540

swayed by communism but

773

00:38:27,410 --> 00:38:24,330

also they were looking but also the

774

00:38:32,060 --> 00:38:27,420

Russians allegedly were sort of looking

775

00:38:34,550 --> 00:38:32,070

at the angle of infiltration of UFO

776

00:38:36,800 --> 00:38:34,560

groups and one of the particularly

777

00:38:39,320 --> 00:38:36,810

interesting things that the Russians

778

00:38:42,890 --> 00:38:39,330

were trying to do was to approach people

779

00:38:45,650 --> 00:38:42,900

in ufology who also worked in the

780

00:38:47,570 --> 00:38:45,660

aviation world and they would sort of

781

00:38:51,920 --> 00:38:47,580

try and tease them hey you know you're

782

00:38:53,630 --> 00:38:51,930

working in u.s. aviation world and you

783

00:38:55,880 --> 00:38:53,640

know if you tell us what's going on

784

00:38:58,160 --> 00:38:55,890

we'll give you a few nuggets of what's

785

00:39:00,080 --> 00:38:58,170

going on in Russia in relation to UFOs

786

00:39:04,850 --> 00:39:00,090

so it was like a dangling carrot

787

00:39:08,150 --> 00:39:04,860

scenario and you know it's a very kind

788

00:39:10,400 --> 00:39:08,160

of bizarre sort of situation you know as

789

00:39:13,810 --> 00:39:10,410

it as it all sort of played out and the

790

00:39:17,540 --> 00:39:13,820

the means and the reasons why to kind of

791

00:39:20,030 --> 00:39:17,550

you know use all this as a means to just

792

00:39:22,100 --> 00:39:20,040

screw with people's minds really more

793

00:39:23,570 --> 00:39:22,110

than anything else but one of these that

794

00:39:26,270 --> 00:39:23,580

when you mentioned this about all the

795

00:39:30,410 --> 00:39:26,280

UFO story UFO groups being monitored

796

00:39:32,930 --> 00:39:30,420

this story was actually given to Jim

797

00:39:35,390 --> 00:39:32,940

Mosely back in the nineteen fifties by a

798

00:39:37,250 --> 00:39:35,400

guy named Charles from samwick now

799

00:39:40,910 --> 00:39:37,260

Charles Stanwyck was someone who worked

800

00:39:41,990 --> 00:39:40,920

in US Army Intelligence in the 50s and I

801
00:39:44,120 --> 00:39:42,000
actually through the Freedom of

802
00:39:46,730 --> 00:39:44,130
Information Act managed to get some of

803
00:39:48,890 --> 00:39:46,740
his files and he certainly did work in

804
00:39:51,290 --> 00:39:48,900
the field of counterintelligence in

805
00:39:54,890 --> 00:39:51,300
other words fabricating and creating

806
00:39:57,170 --> 00:39:54,900
material to push the Russians down you

807
00:39:59,270 --> 00:39:57,180
know the wrong paths and confuse them so

808
00:40:01,280 --> 00:39:59,280
despite the fact that you know Jim was

809
00:40:04,220 --> 00:40:01,290
what somebody who liked to sort of play

810
00:40:08,390 --> 00:40:04,230
around with ufology in terms of the

811
00:40:11,270 --> 00:40:08,400
Charles sandwich saga he really was who

812
00:40:14,870 --> 00:40:11,280
Jim claimed him to be he really did work

813
00:40:17,060 --> 00:40:14,880

in US intelligence and he had a lot of

814

00:40:19,340 --> 00:40:17,070

information on how the Russians were

815

00:40:22,400 --> 00:40:19,350

trying to infiltrate Russia at American

816

00:40:23,890 --> 00:40:22,410

you follow gee and indeed work in the

817

00:40:27,830 --> 00:40:23,900

fields of disinformation

818

00:40:31,100 --> 00:40:27,840

counterintelligence and messing with the

819

00:40:33,410 --> 00:40:31,110

you know the Russian mindset well in

820

00:40:34,640 --> 00:40:33,420

that that brings us up in there to to

821

00:40:41,090 --> 00:40:34,650

more recent

822

00:40:45,570 --> 00:40:41,100

especially the the 1980s when you had

823

00:40:47,840 --> 00:40:45,580

the possibility that say well okay we'll

824

00:40:51,980 --> 00:40:47,850

go back to you like area 51 that

825

00:40:55,740 --> 00:40:51,990

possibly the whole rumor that area 51

826

00:40:59,400 --> 00:40:55,750

was testing extraterrestrial spacecraft

827

00:41:02,910 --> 00:40:59,410

was kind of almost a honey trap to try

828

00:41:06,090 --> 00:41:02,920

to lure in Russian agents who were

829

00:41:08,070 --> 00:41:06,100

trying to find out say about the testing

830

00:41:09,690 --> 00:41:08,080

of what would later become the you know

831

00:41:14,040 --> 00:41:09,700

stealth bomber and stealth fighters and

832

00:41:18,870 --> 00:41:14,050

things like that right I mean the CIA

833

00:41:20,180 --> 00:41:18,880

was very worried that in the 1980s when

834

00:41:23,040 --> 00:41:20,190

you know more and more sophisticated

835

00:41:25,290 --> 00:41:23,050

high-tech aircraft were being tested out

836

00:41:29,030 --> 00:41:25,300

there there was a great deal of worry

837

00:41:32,010 --> 00:41:29,040

that you know the Russians would sort of

838

00:41:35,070 --> 00:41:32,020

provide under-the-table payments to

839

00:41:37,590 --> 00:41:35,080

people who worked out at area 51 and in

840

00:41:39,150 --> 00:41:37,600

return you know they would get something

841

00:41:41,910 --> 00:41:39,160

of value to them where there would be

842

00:41:44,940 --> 00:41:41,920

money or in some cases it might be

843

00:41:47,040 --> 00:41:44,950

painful in in u.s. intelligence who had

844

00:41:48,960 --> 00:41:47,050

a personal interest in UFOs and the

845

00:41:52,020 --> 00:41:48,970

Russians said well you know we'll give

846

00:41:53,460 --> 00:41:52,030

you some cool UFO material if you tell

847

00:41:55,770 --> 00:41:53,470

us what's going on with your latest

848

00:41:58,710 --> 00:41:55,780

aircraft designs and and you're right he

849

00:42:01,020 --> 00:41:58,720

is you know like a like a lure you know

850

00:42:03,990 --> 00:42:01,030

sort of the dangling carrot scenario and

851
00:42:07,590 --> 00:42:04,000
pulling someone in and you know the

852
00:42:10,650 --> 00:42:07,600
Russians would in essence give the the

853
00:42:14,000 --> 00:42:10,660
people in the US you know the area 51 or

854
00:42:16,500 --> 00:42:14,010
whatever totally bogus fake material and

855
00:42:18,600 --> 00:42:16,510
the Russians in return from their

856
00:42:22,260 --> 00:42:18,610
perspective the the hope would be that

857
00:42:25,290 --> 00:42:22,270
they would get something solid in return

858
00:42:27,720 --> 00:42:25,300
and the CIA and both the defense

859
00:42:30,870 --> 00:42:27,730
intelligence agency civil defense

860
00:42:33,000 --> 00:42:30,880
intelligence agency both of them came to

861
00:42:37,140 --> 00:42:33,010
suspect that the majestic 12 documents

862
00:42:40,380 --> 00:42:37,150
that Stan Freeman champion for so many

863
00:42:42,660 --> 00:42:40,390

years they came to suspect they did not

864

00:42:45,600 --> 00:42:42,670

prove that I suspected that the mj-12

865

00:42:47,760 --> 00:42:45,610

documents were created by the Russians

866

00:42:50,340 --> 00:42:47,770

and the plan was to

867

00:42:53,490 --> 00:42:50,350

provide these documents with people who

868

00:42:56,100 --> 00:42:53,500

worked at at area 51 and again hope they

869

00:42:57,750 --> 00:42:56,110

get something really returned where as

870

00:42:59,940 --> 00:42:57,760

what they were actually the other side

871

00:43:04,070 --> 00:42:59,950

we get the Americans would be bogus

872

00:43:07,290 --> 00:43:04,080

documents on majestic 12 so you know

873

00:43:09,660 --> 00:43:07,300

it's a fascinating scenario the idea

874

00:43:13,290 --> 00:43:09,670

that the Russians cooked up the mj-12

875

00:43:16,140 --> 00:43:13,300

documents as kind of a like a magnet to

876

00:43:18,359 --> 00:43:16,150

pull in people who they could hire from

877

00:43:22,170 --> 00:43:18,369

within US intelligence and turn them

878

00:43:26,609 --> 00:43:22,180

into sort of double agents well that

879

00:43:30,450 --> 00:43:26,619

brings us up to today and I mean is is

880

00:43:32,430 --> 00:43:30,460

this kind of activity still taking place

881

00:43:36,000 --> 00:43:32,440

I mean you had mentioned earlier you

882

00:43:38,130 --> 00:43:36,010

know you had the whole paranoia of the

883

00:43:39,359 --> 00:43:38,140

Soviet spy or somebody so existing where

884

00:43:41,040 --> 00:43:39,369

the Russians you know trying to

885

00:43:44,280 --> 00:43:41,050

infiltrate or election and things like

886

00:43:46,800 --> 00:43:44,290

that seems like that the same kind of

887

00:43:51,420 --> 00:43:46,810

tricks are still being still going on

888

00:43:56,330 --> 00:43:51,430

even today I'll give you a perfect

889

00:43:59,820 --> 00:43:56,340

example of it when the whole issue of

890

00:44:01,470 --> 00:43:59,830

Edward Snowden started just a few years

891

00:44:04,230 --> 00:44:01,480

back you know you've got this guy who

892

00:44:06,450 --> 00:44:04,240

becomes literally overnight you know

893

00:44:09,090 --> 00:44:06,460

depending how you look at him some

894

00:44:11,460 --> 00:44:09,100

people saw him as you know public enemy

895

00:44:14,970 --> 00:44:11,470

number one other people saw him as a

896

00:44:16,980 --> 00:44:14,980

hero you know revealing how you know the

897

00:44:19,560 --> 00:44:16,990

US population was potentially being

898

00:44:20,609 --> 00:44:19,570

watched and surveyed whether through

899

00:44:23,970 --> 00:44:20,619

social media

900

00:44:26,700 --> 00:44:23,980

iPhones etc now one of the things that a

901
00:44:31,109 --> 00:44:26,710
lot of people don't know is that one of

902
00:44:35,099 --> 00:44:31,119
the particular documents that and files

903
00:44:38,310 --> 00:44:35,109
that Snowden released was called how

904
00:44:40,890 --> 00:44:38,320
covert agents infiltrate the internet

905
00:44:44,960 --> 00:44:40,900
and it was a it was a document but that

906
00:44:48,990 --> 00:44:44,970
basically explained how people's

907
00:44:53,130 --> 00:44:49,000
reputations to be destroyed by using the

908
00:44:57,210 --> 00:44:53,140
Internet now one particular aspect of

909
00:44:59,559 --> 00:44:57,220
this document shows a number of images

910
00:45:04,479 --> 00:44:59,569
of flying saucers

911
00:45:07,539 --> 00:45:04,489
we still don't know why UFOs or images

912
00:45:10,630 --> 00:45:07,549
of UFOs are contained within this

913
00:45:13,359 --> 00:45:10,640

particular document the details and

914

00:45:18,640 --> 00:45:13,369

describes how to infiltrate the Internet

915

00:45:21,519 --> 00:45:18,650

and shatter people's reputations so this

916

00:45:25,120 --> 00:45:21,529

demonstrates it in some strange way the

917

00:45:28,650 --> 00:45:25,130

whole psychological warfare manipulating

918

00:45:32,499 --> 00:45:28,660

people in ufology is still going on and

919

00:45:35,680 --> 00:45:32,509

that particular documents is important

920

00:45:37,239 --> 00:45:35,690

because it you know it goes back to you

921

00:45:40,299 --> 00:45:37,249

know just a couple of years when it's

922

00:45:43,989 --> 00:45:40,309

surfaced and and we learned that UFOs

923

00:45:48,039 --> 00:45:43,999

were somehow being used as a tool you

924

00:45:51,339 --> 00:45:48,049

know to manipulate and crash down you

925

00:45:53,559 --> 00:45:51,349

know reputations and and again you had

926
00:45:57,489 --> 00:45:53,569
nothing to do with real UFOs but

927
00:46:00,279 --> 00:45:57,499
everything to do with finding ways to to

928
00:46:03,759 --> 00:46:00,289
destroy the mindset of people who are

929
00:46:06,549 --> 00:46:03,769
being targeted all right we got less

930
00:46:08,529 --> 00:46:06,559
than really about a minute left to go on

931
00:46:09,880 --> 00:46:08,539
the show so flying saucers from the
