1
00:00:37,420 --> 00:00:21,830

[Music]

2
00:00:44,370 --> 00:00:41,920

explore the bazaars or e-ticket ride

3
00:00:47,650 --> 00:00:44,380

into the world of the paranoid

4
00:00:51,960 --> 00:00:47,660

strap yourself in as we traverse the

5
00:00:55,080 --> 00:00:51,970

universe exploring the unexplained UFO s

6
00:00:57,460 --> 00:00:55,090

ghosts Lost Worlds

7
00:01:01,330 --> 00:00:57,470

cryptozoology as well as other

8
00:01:06,460 --> 00:01:01,340

dimensions it's time to take back the

9
00:01:09,550 --> 00:01:06,470

night now your electrifying hosts of

10
00:01:13,469 --> 00:01:09,560

exploring the bizarre Timothy Begley and

11
00:01:20,650 --> 00:01:19,060

Tim Tim wake up wake up wake up I don't

12
00:01:23,200 --> 00:01:20,660

want to be stuck out here on the

13
00:01:25,060 --> 00:01:23,210

extraterrestrial highway all night you

14

00:01:27,370 --> 00:01:25,070

have to get back to the Vegas for the

15

00:01:30,880 --> 00:01:27,380

show and go to the bathroom

16

00:01:31,630 --> 00:01:30,890

what's gotten into you back Tim up

17

00:01:39,210 --> 00:01:31,640

halfway

18

00:01:46,600 --> 00:01:44,080

you're what our favorite paranormal

19

00:01:49,720 --> 00:01:46,610

researcher Joshua P Warren says he had a

20

00:01:51,910 --> 00:01:49,730

time warp experience out there area 51

21

00:01:54,310 --> 00:01:51,920

and I want to try and duplicate the

22

00:01:55,810 --> 00:01:54,320

results of his experience I knew all

23

00:01:58,240 --> 00:01:55,820

along that there was something really

24

00:02:01,090 --> 00:01:58,250

weird something really weird some weird

25

00:02:04,390 --> 00:02:01,100

experiments at area 51 and and this

26

00:02:06,880 --> 00:02:04,400

proves it well if you're going to go off

27

00:02:09,850 --> 00:02:06,890

to another dimension you better not stay

28

00:02:12,460 --> 00:02:09,860

long as we have a show to do can you

29

00:02:14,199 --> 00:02:12,470

have back in the car I think I see some

30

00:02:18,009 --> 00:02:14,209

of those camo dudes head in our

31

00:02:19,720 --> 00:02:18,019

direction check a scout or shooters or

32

00:02:21,550 --> 00:02:19,730

whatever so let's go let's go let's go

33

00:02:24,789 --> 00:02:21,560

damn damn and I was just getting into

34

00:02:27,789 --> 00:02:24,799

this but ok I I was about to enter the

35

00:02:29,979 --> 00:02:27,799

twilight zone but oh I'll do it next the

36

00:02:32,020 --> 00:02:29,989

weekend when all those big events go on

37

00:02:36,880 --> 00:02:32,030

out there near the

38

00:02:39,520 --> 00:02:36,890

area 51 it's gonna be quite a weekend I

39

00:02:43,440 --> 00:02:39,530

think between Vegas and blue alien in

40

00:02:47,320 --> 00:02:43,450

everybody will be swaying to the beat of

41

00:02:52,240 --> 00:02:47,330

god knows what but them that's the story

42

00:02:56,350 --> 00:02:52,250

we're going to find out tonight well

43

00:02:58,510 --> 00:02:56,360

there's been I think some confusion the

44

00:03:00,100 --> 00:02:58,520

media has been reporting that that

45

00:03:02,710 --> 00:03:00,110

everything's been canceled and

46

00:03:05,830 --> 00:03:02,720

everyone's been told to go home but you

47

00:03:08,110 --> 00:03:05,840

know you being the inquisitive yeah

48

00:03:11,260 --> 00:03:08,120

type of project you are I found out that

49

00:03:14,020 --> 00:03:11,270

that's just a load of bull hockey yeah

50

00:03:15,610 --> 00:03:14,030

you know it's called research it just

51
00:03:17,590 --> 00:03:15,620
goes to show you how much research

52
00:03:22,150 --> 00:03:17,600
actually goes on in this field number

53
00:03:26,650 --> 00:03:22,160
I'm afraid yeah I made a couple of calls

54
00:03:28,300 --> 00:03:26,660
out to the little alien in you know we

55
00:03:31,360 --> 00:03:28,310
had one of the first events out there I

56
00:03:35,020 --> 00:03:31,370
think it was in 1993 we had a bill

57
00:03:38,039 --> 00:03:35,030
Cooper we had a sky watch and we were on

58
00:03:42,780 --> 00:03:38,049
the TV and got quite a bit of media

59
00:03:45,820 --> 00:03:42,790
coverage got stopped by the Sheriff's

60
00:03:47,560 --> 00:03:45,830
Department that all you know that all

61
00:03:49,810 --> 00:03:47,570
happens that you never can tell what's

62
00:03:52,060 --> 00:03:49,820
going to happen out there but I I

63
00:03:53,949 --> 00:03:52,070

checked it's a little alien in and and

64

00:03:56,890 --> 00:03:53,959

sure enough they said everything does

65

00:03:59,710 --> 00:03:56,900

ago they've got plenty of room for

66

00:04:03,509 --> 00:03:59,720

campers and they will have a fully

67

00:04:07,150 --> 00:04:03,519

stocked bar and lots of souvenirs and

68

00:04:09,940 --> 00:04:07,160

the the bands are set to it to play in

69

00:04:13,240 --> 00:04:09,950

fact I made the contact with the the

70

00:04:15,250 --> 00:04:13,250

main man there they're out in Los

71

00:04:18,550 --> 00:04:15,260

Angeles and they said they're there

72

00:04:20,170 --> 00:04:18,560

eager eager to play for the crowd that

73

00:04:22,719 --> 00:04:20,180

shows up and then of course there's

74

00:04:27,340 --> 00:04:22,729

going to be a Conclave going on I think

75

00:04:30,070 --> 00:04:27,350

it's several bars in and around Las

76

00:04:32,100 --> 00:04:30,080

Vegas itself so there's going to be

77

00:04:37,150 --> 00:04:32,110

plenty to do it's going to be a big

78

00:04:39,670 --> 00:04:37,160

weekend for the aliens I guess I suppose

79

00:04:42,159 --> 00:04:39,680

yeah if they're hiding out they won't be

80

00:04:44,320 --> 00:04:42,169

hiding out too much longer I suspect so

81

00:04:47,370 --> 00:04:44,330

Tim how you been how you been what's

82

00:04:52,210 --> 00:04:51,340

damn are you out there my goodness is

83

00:04:58,600 --> 00:04:52,220

anybody out there

84

00:05:02,200 --> 00:04:58,610

oh yeah I'm here oh I thought working

85

00:05:05,439 --> 00:05:02,210

out had perhaps taking you away through

86

00:05:08,230 --> 00:05:05,449

some underground bunker but why did you

87

00:05:09,850 --> 00:05:08,240

do we have a great guest on a personal

88

00:05:12,879 --> 00:05:09,860

friend of mine somebody I've known for

89

00:05:18,969 --> 00:05:12,889

quite a few years that I'm eager to talk

90

00:05:21,400 --> 00:05:18,979

to him about his experience out area 51

91

00:05:25,000 --> 00:05:21,410

are pretty darn that close to it right

92

00:05:27,640 --> 00:05:25,010

well tonight are one of our guests but

93

00:05:30,730 --> 00:05:27,650

our first guest of the evening is Joshua

94

00:05:32,469 --> 00:05:30,740

P Warren and it's just it's fortuitous

95

00:05:35,650 --> 00:05:32,479

that we were able to get him for

96

00:05:37,689 --> 00:05:35,660

tonight's show considering all the

97

00:05:41,800 --> 00:05:37,699

activity that's that's going to be going

98

00:05:44,140 --> 00:05:41,810

on in Nevada very soon but Joshua is an

99

00:05:46,540 --> 00:05:44,150

investigator who pioneers the amazing

100

00:05:49,300 --> 00:05:46,550

relationship between the mind energy

101
00:05:51,760 --> 00:05:49,310
matter and strange phenomena he owns the

102
00:05:54,339 --> 00:05:51,770
haunted Asheville ghost tours in the

103
00:05:57,339 --> 00:05:54,349
Asheville mystery Museum and laboratory

104
00:06:00,520 --> 00:05:57,349
in North Carolina plus the new creepy

105
00:06:03,969 --> 00:06:00,530
Vegas ghosts and UFOs show in Las Vegas

106
00:06:06,550 --> 00:06:03,979
Nevada now josh is the author of over 20

107
00:06:07,060 --> 00:06:06,560
best-selling books including used the

108
00:06:09,670 --> 00:06:07,070
force

109
00:06:12,670 --> 00:06:09,680
a Jedi's guide to the law of attraction

110
00:06:15,310 --> 00:06:12,680
and the wishing machine workbook he's

111
00:06:17,589 --> 00:06:15,320
appeared on numerous TV programs on the

112
00:06:20,890 --> 00:06:17,599
History Channel Discovery National

113
00:06:23,969 --> 00:06:20,900

Geographic Animal Planet sci-fi TLC and

114

00:06:27,100 --> 00:06:23,979

starred on the Travel Channel series

115

00:06:28,270 --> 00:06:27,110

paranormal paparazzi now Warren travels

116

00:06:31,240 --> 00:06:28,280

the world investigating mysterious

117

00:06:35,379 --> 00:06:31,250

phenomena and has made the cover of a

118

00:06:37,990 --> 00:06:35,389

science journal in 2004 for lab

119

00:06:41,490 --> 00:06:38,000

experiments regarding energy fields in

120

00:06:42,700 --> 00:06:41,500

nature related to UFOs and the

121

00:06:44,770 --> 00:06:42,710

enigmatika

122

00:06:48,580 --> 00:06:44,780

Brown Mountain lights something you know

123

00:06:50,890 --> 00:06:48,590

about Tim and the summer of 2018 Joshua

124

00:06:54,940 --> 00:06:50,900

made international news for discovering

125

00:06:58,200 --> 00:06:54,950

a time anomaly north of Australia so to

126
00:06:59,939 --> 00:06:58,210
see his mind-blowing photos and videos

127
00:07:03,239 --> 00:06:59,949
glimpsing into

128
00:07:06,270 --> 00:07:03,249
other realms visit his website at Joshua

129
00:07:08,040 --> 00:07:06,280
P Warren dot-com so Joshua great to have

130
00:07:11,219 --> 00:07:08,050
you with us tonight on exploring the

131
00:07:12,809 --> 00:07:11,229
bazaar well thank you Tim and Tim it is

132
00:07:15,959 --> 00:07:12,819
always a pleasure to speak with you and

133
00:07:19,260 --> 00:07:15,969
what is it what an exciting and weird

134
00:07:20,879 --> 00:07:19,270
time we are exploring and living to see

135
00:07:23,219 --> 00:07:20,889
right now so it's good for this

136
00:07:26,100 --> 00:07:23,229
conversation to transpire this evening

137
00:07:30,179 --> 00:07:26,110
well you know at Joshua I've known you

138
00:07:32,159 --> 00:07:30,189

now for a couple of decades we met for

139

00:07:35,429 --> 00:07:32,169

the first time in a swamp outside of

140

00:07:39,570 --> 00:07:35,439

Syracuse a kind of a stomach semi swap

141

00:07:44,040 --> 00:07:39,580

it was at a b-movie festival where you

142

00:07:46,850 --> 00:07:44,050

were showing one of your movies which I

143

00:07:50,189 --> 00:07:46,860

found rather entertaining I must say and

144

00:07:52,709 --> 00:07:50,199

we didn't know we met in a bar a couple

145

00:07:55,050 --> 00:07:52,719

of times but we didn't really know who

146

00:07:57,809 --> 00:07:55,060

each other was I guess that's the best

147

00:07:59,700 --> 00:07:57,819

way for putting it it was until later

148

00:08:03,510 --> 00:07:59,710

that I discovered - you had written they

149

00:08:06,300 --> 00:08:03,520

a book on haunted houses I believe when

150

00:08:08,700 --> 00:08:06,310

I said well this is a rather young chap

151
00:08:11,429 --> 00:08:08,710
to be having I think it was what Simon's

152
00:08:13,079 --> 00:08:11,439
Shuster as a publisher and of course I

153
00:08:15,059 --> 00:08:13,089
found out later on that you were

154
00:08:17,909 --> 00:08:15,069
probably the primary investigator for

155
00:08:20,129 --> 00:08:17,919
the Brown Mountain lights which is a

156
00:08:22,860 --> 00:08:20,139
show in itself and I you know really

157
00:08:26,129 --> 00:08:22,870
wanting to get into that ghost lights

158
00:08:28,740 --> 00:08:26,139
spook lights earth lights whatever

159
00:08:30,839 --> 00:08:28,750
plasma a really weird if stuff that

160
00:08:33,569 --> 00:08:30,849
comes up out of the ground and chases

161
00:08:36,779 --> 00:08:33,579
people around that seems to be under

162
00:08:38,579 --> 00:08:36,789
intelligent control now josh has been

163
00:08:41,819 --> 00:08:38,589

all over the place he's of course like I

164

00:08:44,790 --> 00:08:41,829

say in Asheville North Carolina he has

165

00:08:46,410 --> 00:08:44,800

his Museum there and he did a talk show

166

00:08:47,960 --> 00:08:46,420

that I think I was on probably more than

167

00:08:51,540 --> 00:08:47,970

any other program over the years

168

00:08:53,610 --> 00:08:51,550

speaking of strange and then he was went

169

00:08:56,490 --> 00:08:53,620

out to of Puerto Rico for how many years

170

00:08:59,160 --> 00:08:56,500

were you in Puerto Rico there well you

171

00:09:02,540 --> 00:08:59,170

know I visited for about 15 but I spent

172

00:09:04,889 --> 00:09:02,550

over five years there living

173

00:09:07,170 --> 00:09:04,899

investigating the Bermuda Triangle in

174

00:09:09,180 --> 00:09:07,180

general and you know obviously when

175

00:09:11,130 --> 00:09:09,190

Hurricane Maria hit that sort of put an

176

00:09:13,079 --> 00:09:11,140

end to my ability to work there

177

00:09:15,119 --> 00:09:13,089

effectively

178

00:09:17,459 --> 00:09:15,129

now how did you make it at all what I

179

00:09:19,079 --> 00:09:17,469

mean area 51 I don't think really had

180

00:09:23,939 --> 00:09:19,089

that much to do with you moving to Vegas

181

00:09:28,379 --> 00:09:23,949

is that right well I sensed that there

182

00:09:31,079 --> 00:09:28,389

was some moment about to occur where you

183

00:09:33,769 --> 00:09:31,089

know the Pentagon or whatever people

184

00:09:36,239 --> 00:09:33,779

were involved with the government

185

00:09:39,509 --> 00:09:36,249

experimentation we're on the verge of

186

00:09:41,129 --> 00:09:39,519

finally disclosing some things and you

187

00:09:45,359 --> 00:09:41,139

know one of the great things about my

188

00:09:48,659 --> 00:09:45,369

position is that I am independent I

189

00:09:51,569 --> 00:09:48,669

don't work for any corporation I'm not

190

00:09:54,689 --> 00:09:51,579

beholden to anyone nobody can fire me

191

00:09:58,079 --> 00:09:54,699

and so therefore because of that

192

00:10:01,499 --> 00:09:58,089

independence a lot of people trust me

193

00:10:06,029 --> 00:10:01,509

and they talked to me and I've proven

194

00:10:09,479 --> 00:10:06,039

for the past 25 26 27 years here that I

195

00:10:12,059 --> 00:10:09,489

don't betray my sources and I also don't

196

00:10:14,639 --> 00:10:12,069

go out there trying to badger the

197

00:10:17,039 --> 00:10:14,649

government or these folks that were

198

00:10:19,199 --> 00:10:17,049

involved with national security so I'm

199

00:10:22,499 --> 00:10:19,209

I'm in a good sort of balance position

200

00:10:24,659 --> 00:10:22,509

to sort of get some insight on what's

201
00:10:27,809 --> 00:10:24,669
happening and I knew some big things

202
00:10:30,599 --> 00:10:27,819
we're about to occur here in this area

203
00:10:33,149 --> 00:10:30,609
in this state and for those who are

204
00:10:38,339 --> 00:10:33,159
listening who don't know this Nevada is

205
00:10:42,329 --> 00:10:38,349
owned 86% by the government more than

206
00:10:43,919 --> 00:10:42,339
any other state and so it's funny

207
00:10:45,629 --> 00:10:43,929
because in Puerto Rico it was kind of

208
00:10:47,669 --> 00:10:45,639
like I was on an island surrounded by

209
00:10:50,969 --> 00:10:47,679
water and now here I'm on an island

210
00:10:54,089 --> 00:10:50,979
surrounded by desert and sand it's it's

211
00:10:58,499 --> 00:10:54,099
it's a it's a really it's a fun place

212
00:11:02,999 --> 00:10:58,509
but it also is a place that is very easy

213
00:11:06,209 --> 00:11:03,009

to guard and barricade and there are

214

00:11:08,999 --> 00:11:06,219

just vast vast vast swaths of the desert

215

00:11:10,469 --> 00:11:09,009

land where you won't find anything I

216

00:11:12,119 --> 00:11:10,479

mean you don't have a cell phone signal

217

00:11:14,969 --> 00:11:12,129

you're not going to find a gas station

218

00:11:26,800 --> 00:11:14,979

for two hours here on your own out there

219

00:11:33,630 --> 00:11:26,810

right and so being here did have very so

220

00:11:38,170 --> 00:11:33,640

when in 1993 we had a conference the

221

00:11:41,620 --> 00:11:38,180

alien in one of the locations this

222

00:11:44,050 --> 00:11:41,630

coming a week where some justice will be

223

00:11:47,220 --> 00:11:44,060

taking place in their area fifty year

224

00:11:49,810 --> 00:11:47,230

one where I ran out of yeah you know

225

00:11:51,520 --> 00:11:49,820

people wanted me make sure you know you

226

00:11:53,110 --> 00:11:51,530

got full pipe before yeah

227

00:11:54,970 --> 00:11:53,120

you leave Vegas because there isn't a

228

00:11:56,770 --> 00:11:54,980

station for what that's sixty or ninety

229

00:11:58,630 --> 00:11:56,780

miles and for some reason I forgot

230

00:12:00,910 --> 00:11:58,640

because I had a convertible I had to

231

00:12:02,980 --> 00:12:00,920

pretty little girl for sputtering and

232

00:12:05,170 --> 00:12:02,990

spitting and came to a halt on the side

233

00:12:07,480 --> 00:12:05,180

of the the road if it wasn't for a

234

00:12:11,110 --> 00:12:07,490

kindly gentleman and his family who

235

00:12:12,880 --> 00:12:11,120

stopped and siphon some gas for us I

236

00:12:15,820 --> 00:12:12,890

would be a marshmallow today in the

237

00:12:17,680 --> 00:12:15,830

desert so you got to take precautions if

238

00:12:20,200 --> 00:12:17,690

you're going out there you got to make

239

00:12:23,260 --> 00:12:20,210

sure that you got a full tank of gas you

240

00:12:25,270 --> 00:12:23,270

got to make sure that you've got plenty

241

00:12:27,580 --> 00:12:25,280

of water into a drink and that your

242

00:12:29,500 --> 00:12:27,590

tires are not going to flood on you

243

00:12:31,900 --> 00:12:29,510

because I don't know if triple-a will

244

00:12:33,190 --> 00:12:31,910

come out and pick you up yeah well you

245

00:12:36,430 --> 00:12:33,200

have to get in touch with triple-a

246

00:12:38,380 --> 00:12:36,440

somehow and you know this is I think one

247

00:12:41,170 --> 00:12:38,390

of the most significant things that we

248

00:12:44,950 --> 00:12:41,180

can get into tonight given where we are

249

00:12:47,320 --> 00:12:44,960

historically here so I am in this

250

00:12:50,740 --> 00:12:47,330

position where I have information coming

251
00:12:54,100 --> 00:12:50,750
at me from all over the place and I am

252
00:12:57,220 --> 00:12:54,110
NOT going to personally go to area 51

253
00:12:58,060 --> 00:12:57,230
because for one thing I mean I've been

254
00:13:00,610 --> 00:12:58,070
there before

255
00:13:02,350 --> 00:13:00,620
but in this particular case I mean I

256
00:13:04,240 --> 00:13:02,360
have friends who were going to go there

257
00:13:06,880 --> 00:13:04,250
and tell me what happened and correspond

258
00:13:11,380 --> 00:13:06,890
with me but here's what I have been

259
00:13:13,570 --> 00:13:11,390
doing I've been keeping tabs on how this

260
00:13:15,430 --> 00:13:13,580
is being handled by the government and

261
00:13:18,880 --> 00:13:15,440
by the local and the mainstream media

262
00:13:21,880 --> 00:13:18,890
and I have to tell you both and this is

263
00:13:23,770 --> 00:13:21,890

an all honesty now I have a lot of

264

00:13:26,380 --> 00:13:23,780

friends in the media around here and

265

00:13:28,450 --> 00:13:26,390

they've been very kind to me and I have

266

00:13:30,700 --> 00:13:28,460

been on the television numerous times

267

00:13:34,090 --> 00:13:30,710

just over the past year and a half here

268

00:13:37,060 --> 00:13:34,100

and without naming any names or being

269

00:13:40,030 --> 00:13:37,070

too specific I want you to know that I

270

00:13:43,090 --> 00:13:40,040

believe there has been a

271

00:13:47,110 --> 00:13:43,100

concerted endeavor in order to tell the

272

00:13:49,540 --> 00:13:47,120

media stop talking about this that it

273

00:13:54,870 --> 00:13:49,550

bites simply talking about it it's going

274

00:13:57,670 --> 00:13:54,880

to encourage it and the the reasonable

275

00:14:00,699 --> 00:13:57,680

explanation is well look people don't

276

00:14:03,160 --> 00:14:00,709

realize how remote this is it could be a

277

00:14:04,749 --> 00:14:03,170

humanitarian disaster if we have all of

278

00:14:06,970 --> 00:14:04,759

these people who get out there and they

279

00:14:09,939 --> 00:14:06,980

don't properly prepare and that's a very

280

00:14:13,900 --> 00:14:09,949

valid point but it's also a convenient

281

00:14:15,840 --> 00:14:13,910

point because when you when you decided

282

00:14:19,210 --> 00:14:15,850

to release this book called area 51

283

00:14:22,809 --> 00:14:19,220

warning keep out you and I had talked

284

00:14:25,509 --> 00:14:22,819

him about what kind of media response we

285

00:14:28,689 --> 00:14:25,519

were going to get as we got closer and

286

00:14:32,920 --> 00:14:28,699

closer to September 20th and it sure

287

00:14:35,319 --> 00:14:32,930

does seem does it not like something has

288

00:14:37,629 --> 00:14:35,329

happened here to squash this

289

00:14:42,550 --> 00:14:37,639

conversation that was so hot about a

290

00:14:45,610 --> 00:14:42,560

month ago yes because I think to some

291

00:14:48,220 --> 00:14:45,620

degree it has a lot to do with the the

292

00:14:51,790 --> 00:14:48,230

confusion as to what exactly is going to

293

00:14:53,680 --> 00:14:51,800

go on it seems like some people in fact

294

00:14:56,500 --> 00:14:53,690

some of those that are responsible for

295

00:14:58,150 --> 00:14:56,510

having even gotten the ball rolling on

296

00:15:00,699 --> 00:14:58,160

this have been sending out mixed

297

00:15:02,980 --> 00:15:00,709

messages and have told people that the

298

00:15:05,290 --> 00:15:02,990

event is going to be canceled and that

299

00:15:08,319 --> 00:15:05,300

they are the only event in town which

300

00:15:10,629 --> 00:15:08,329

will be held in and Las Vegas proper and

301

00:15:13,090 --> 00:15:10,639

that's just not the case

302

00:15:15,370 --> 00:15:13,100

now you know it kind of reminds me of

303

00:15:17,470 --> 00:15:15,380

Woodstock in a sense you know because

304

00:15:19,660 --> 00:15:17,480

the people that live in Reichle are

305

00:15:22,300 --> 00:15:19,670

worried that the people are going to

306

00:15:25,150 --> 00:15:22,310

come out there and ruin their lawns

307

00:15:27,519 --> 00:15:25,160

they have no lawns Josh I mean let's

308

00:15:30,519 --> 00:15:27,529

let's face it it's all rocking rubble

309

00:15:32,829 --> 00:15:30,529

and stubble and a few Australia but

310

00:15:35,559 --> 00:15:32,839

creatures that wander across the the

311

00:15:37,629 --> 00:15:35,569

highway are there there is a course

312

00:15:40,210 --> 00:15:37,639

besides the little alien in I believe

313

00:15:41,980 --> 00:15:40,220

there's a there is the extraterrestrial

314

00:15:46,179 --> 00:15:41,990

Highway you've got a couple of signs up

315

00:15:48,160 --> 00:15:46,189

there in fact in the in the book area51

316

00:15:50,710 --> 00:15:48,170

morning keep out we got a phone a nice

317

00:15:53,850 --> 00:15:50,720

phone review standing under the the the

318

00:15:55,590 --> 00:15:53,860

highway a sign so I

319

00:15:58,019 --> 00:15:55,600

I'm not too worried I mean people I

320

00:16:00,660 --> 00:15:58,029

think realized by now what the

321

00:16:03,740 --> 00:16:00,670

circumstances are and there'll be enough

322

00:16:06,120 --> 00:16:03,750

people on the highway this time at least

323

00:16:08,160 --> 00:16:06,130

that if something happens I'm sure

324

00:16:10,079 --> 00:16:08,170

somebody'll have a literally a gas or

325

00:16:12,180 --> 00:16:10,089

some water or something so I I think

326

00:16:14,699 --> 00:16:12,190

that that's being used as you say is a

327

00:16:17,160 --> 00:16:14,709

convenience to get people not to come

328

00:16:20,400 --> 00:16:17,170

out there because frankly it seems like

329

00:16:23,639 --> 00:16:20,410

the the sheriff there the Lincoln County

330

00:16:26,340 --> 00:16:23,649

police I just don't like people you know

331

00:16:29,490 --> 00:16:26,350

that coming out there and barging in I

332

00:16:33,090 --> 00:16:29,500

don't think I'm if you ask me now Josh

333

00:16:34,769 --> 00:16:33,100

is anything going on at area 51 I would

334

00:16:37,079 --> 00:16:34,779

say probably not for the last couple of

335

00:16:39,269 --> 00:16:37,089

years the the aliens of all packed their

336

00:16:42,720 --> 00:16:39,279

bags and gone off somewhere else and

337

00:16:45,269 --> 00:16:42,730

probably the military is carrying on

338

00:16:47,430 --> 00:16:45,279

whatever they're doing further either

339

00:16:49,759 --> 00:16:47,440

further out in the desert or somewhere

340

00:16:54,180 --> 00:16:49,769

else altogether you know there are these

341

00:16:55,590 --> 00:16:54,190

so-called secret bases all over the all

342

00:16:59,699 --> 00:16:55,600

over the world I mean they're not just

343

00:17:01,290 --> 00:16:59,709

an area 51 there's one in England that

344

00:17:04,380 --> 00:17:01,300

we've written about in the book there's

345

00:17:07,289 --> 00:17:04,390

a course Pine Gap in Australia even

346

00:17:10,760 --> 00:17:07,299

though the Russians have their own place

347

00:17:13,559 --> 00:17:10,770

where they are testing back-engineered

348

00:17:15,270 --> 00:17:13,569

technology or keeping an alien era or

349

00:17:17,159 --> 00:17:15,280

two sitting around there you know I

350

00:17:19,020 --> 00:17:17,169

don't know I mean what what's your take

351
00:17:21,329 --> 00:17:19,030
on this do you think anything is going

352
00:17:23,789 --> 00:17:21,339
on out there I certainly do and I'll

353
00:17:26,520 --> 00:17:23,799
tell you why I thought free for years

354
00:17:28,919 --> 00:17:26,530
well everybody knows so why would they

355
00:17:31,890 --> 00:17:28,929
still have anything happening there when

356
00:17:33,750 --> 00:17:31,900
you have Utah and Tonopah and these

357
00:17:36,000 --> 00:17:33,760
certain areas where you hear other

358
00:17:37,380 --> 00:17:36,010
stories but other bases here there are

359
00:17:41,850 --> 00:17:37,390
two things I want to share with you

360
00:17:44,220 --> 00:17:41,860
about this number one is area 51 as we

361
00:17:47,190 --> 00:17:44,230
call it was constructed primarily in the

362
00:17:50,370 --> 00:17:47,200
50s and 60s when there was still quality

363
00:17:53,730 --> 00:17:50,380

work being done and you can't just take

364

00:17:55,740 --> 00:17:53,740

that facility and lift it up overnight

365

00:17:58,049 --> 00:17:55,750

and put it somewhere else

366

00:18:00,810 --> 00:17:58,059

this area is too perfect it's too

367

00:18:02,909 --> 00:18:00,820

protected it's too secure and I don't

368

00:18:05,880 --> 00:18:02,919

think that there's any need for them to

369

00:18:07,200 --> 00:18:05,890

do it but secondly people are still

370

00:18:09,480 --> 00:18:07,210

seeing and

371

00:18:12,029 --> 00:18:09,490

documenting things here that are

372

00:18:14,820 --> 00:18:12,039

incredible and I want to tell you before

373

00:18:18,149 --> 00:18:14,830

we go to the break this is for you and

374

00:18:20,130 --> 00:18:18,159

Tim and Tim and all the listeners I want

375

00:18:22,950 --> 00:18:20,140

you to see a brand-new piece of video

376

00:18:27,000 --> 00:18:22,960

footage that last one minute that I'm

377

00:18:29,130 --> 00:18:27,010

calling the Vegas tick-tack-toe UFO

378

00:18:31,200 --> 00:18:29,140

actually I guess it's the tic-tac UFO

379

00:18:35,700 --> 00:18:31,210

don't need the tow in there the Vegas

380

00:18:38,730 --> 00:18:35,710

tic-tac UFO and basically this was shot

381

00:18:41,850 --> 00:18:38,740

by my friend Steve Barone who is an

382

00:18:43,950 --> 00:18:41,860

investigator here I know him well and I

383

00:18:46,440 --> 00:18:43,960

could tell you more about him after the

384

00:18:48,389 --> 00:18:46,450

break but basically I want you to see

385

00:18:51,480 --> 00:18:48,399

this because I want us to discuss it

386

00:18:53,760 --> 00:18:51,490

this was shot weeks ago okay so this is

387

00:18:55,950 --> 00:18:53,770

not some kind of old thing I believe

388

00:18:58,380 --> 00:18:55,960

this is an example of an alien

389

00:19:00,299 --> 00:18:58,390

technology that's still zipping around

390

00:19:02,669 --> 00:19:00,309

here because there's no way the

391

00:19:05,250 --> 00:19:02,679

government would be taking a projectile

392

00:19:07,950 --> 00:19:05,260

like this and and firing it around a

393

00:19:10,980 --> 00:19:07,960

highly populated place like Las Vegas if

394

00:19:13,230 --> 00:19:10,990

you go to Joshua P Warren comm there's

395

00:19:16,080 --> 00:19:13,240

no period after the P go to Joshua p1

396

00:19:18,750 --> 00:19:16,090

comm yes I'm a business man you have to

397

00:19:20,250 --> 00:19:18,760

click the link to my curiosity shop it's

398

00:19:22,980 --> 00:19:20,260

it's right there at the menu at the top

399

00:19:25,110 --> 00:19:22,990

but when you scroll down to the bottom I

400

00:19:28,139 --> 00:19:25,120

just posted this yesterday or the day

401
00:19:31,139 --> 00:19:28,149
before you will see this one-minute

402
00:19:33,840 --> 00:19:31,149
edited video and the funny thing is

403
00:19:38,279 --> 00:19:33,850
there's a ball of light that Steve

404
00:19:40,500 --> 00:19:38,289
Barone was filming from his deck and he

405
00:19:43,139 --> 00:19:40,510
goes out almost every night he's retired

406
00:19:46,039 --> 00:19:43,149
and he's just films and that's all and

407
00:19:49,560 --> 00:19:46,049
as he's filming you see this tic tac

408
00:19:52,169 --> 00:19:49,570
maybe it's a cigar shaped object that

409
00:19:55,289 --> 00:19:52,179
fires from right to left across the

410
00:20:00,500 --> 00:19:55,299
stream and or across the screen and

411
00:20:06,029 --> 00:20:00,510
streaming behind it is some kind of very

412
00:20:09,539 --> 00:20:06,039
visible propelling energy and this is

413
00:20:12,149 --> 00:20:09,549

not a bug this is not dust this is not

414

00:20:14,970 --> 00:20:12,159

some you know moisture I mean I I study

415

00:20:18,690 --> 00:20:14,980

this stuff all the time and this is a

416

00:20:21,000 --> 00:20:18,700

structured luminescent cylinder that is

417

00:20:24,120 --> 00:20:21,010

going by at a great rate

418

00:20:26,190 --> 00:20:24,130

speed with this again propelling energy

419

00:20:28,530 --> 00:20:26,200

almost like a plasma which you can

420

00:20:30,960 --> 00:20:28,540

clearly see behind it so I want you to

421

00:20:33,240 --> 00:20:30,970

look at that and we can talk more about

422

00:20:36,030 --> 00:20:33,250

the context of that but the reason I

423

00:20:38,280 --> 00:20:36,040

bring this up is these things are still

424

00:20:41,280 --> 00:20:38,290

flying around here people are still

425

00:20:42,720 --> 00:20:41,290

seeing them people are still documenting

426

00:20:44,400 --> 00:20:42,730

them as long as they're looking up

427

00:20:47,190 --> 00:20:44,410

instead of looking at their cell phones

428

00:20:51,360 --> 00:20:47,200

which is how 70% of the people are these

429

00:20:53,280 --> 00:20:51,370

days and I guarantee you that area 51 is

430

00:20:55,470 --> 00:20:53,290

still an active base it is not

431

00:20:57,060 --> 00:20:55,480

Disneyland which is why that people

432

00:20:58,800 --> 00:20:57,070

shouldn't think they should just jump in

433

00:21:02,760 --> 00:20:58,810

the car let's go have a big party there

434

00:21:06,270 --> 00:21:02,770

this is a place that is possibly more

435

00:21:09,600 --> 00:21:06,280

active than ever because that it now has

436

00:21:12,570 --> 00:21:09,610

become come more well it has become more

437

00:21:15,810 --> 00:21:12,580

difficult than ever to reproduce things

438

00:21:18,920 --> 00:21:15,820

secretly that we were able to produce in

439

00:21:22,650 --> 00:21:18,930

the 50s to 60s in the 70s

440

00:21:24,780 --> 00:21:22,660

so now you you you're convinced that

441

00:21:27,300 --> 00:21:24,790

this is extraterrestrial instead of

442

00:21:29,580 --> 00:21:27,310

reverse engineered that's right

443

00:21:31,800 --> 00:21:29,590

and the reason I say that is I don't

444

00:21:35,490 --> 00:21:31,810

think something traveling at this rate

445

00:21:38,370 --> 00:21:35,500

of speed would be shot around this area

446

00:21:41,550 --> 00:21:38,380

which is so populated with tourism you

447

00:21:43,500 --> 00:21:41,560

know you got helicopters planes drones I

448

00:21:45,090 --> 00:21:43,510

mean this would be a disaster if

449

00:21:47,820 --> 00:21:45,100

something traveling at this rate of the

450

00:21:49,320 --> 00:21:47,830

speed hit any of those things they're

451
00:21:52,350 --> 00:21:49,330
not going to do that why would you do

452
00:21:54,270 --> 00:21:52,360
that this is an extraterrestrial er

453
00:21:57,330 --> 00:21:54,280
inter-dimensionally controlled object

454
00:22:00,660 --> 00:21:57,340
because it's able to for one thing be

455
00:22:03,180 --> 00:22:00,670
rather compact travel this way in this

456
00:22:07,170 --> 00:22:03,190
area and navigate in such an

457
00:22:09,330 --> 00:22:07,180
extraordinary manner so I just that

458
00:22:11,040 --> 00:22:09,340
alone makes me think we're not looking

459
00:22:12,420 --> 00:22:11,050
at something that's been back engineered

460
00:22:16,410 --> 00:22:12,430
we're looking at the genuine article

461
00:22:19,340 --> 00:22:16,420
here now we're well okay so people go to

462
00:22:22,320 --> 00:22:19,350
your website Joshua pew warned calm and

463
00:22:24,540 --> 00:22:22,330

in fact I'm right there now what what

464

00:22:26,760 --> 00:22:24,550

would they click on at the menu at the

465

00:22:28,980 --> 00:22:26,770

top it says Curiosity Shop that's where

466

00:22:30,570 --> 00:22:28,990

I have all my strength wares and little

467

00:22:31,920 --> 00:22:30,580

odd things that you're not going to find

468

00:22:34,320 --> 00:22:31,930

anywhere else on the internet that I

469

00:22:34,740 --> 00:22:34,330

sell and if you scroll down to the

470

00:22:38,310 --> 00:22:34,750

bottom

471

00:22:42,090 --> 00:22:38,320

that page you'll see I just posted this

472

00:22:43,950 --> 00:22:42,100

one-minute video and it's you know when

473

00:22:46,200 --> 00:22:43,960

you watch this thing first off you're

474

00:22:49,010 --> 00:22:46,210

going to see it repeated a few times and

475

00:22:52,590 --> 00:22:49,020

then you're gonna see it slowed down and

476
00:22:55,110 --> 00:22:52,600
you know over the years i-i've I back in

477
00:22:58,080 --> 00:22:55,120
the day I knew that rods were a bunch of

478
00:23:04,410 --> 00:22:58,090
bull and all that like I mean I this is

479
00:23:08,010 --> 00:23:04,420
this is a tic-tac UFO zipping across Las

480
00:23:10,920 --> 00:23:08,020
Vegas it's the real deal you can see the

481
00:23:12,960 --> 00:23:10,930
stream of what may even be plasma behind

482
00:23:15,560 --> 00:23:12,970
it which is propelling it forward and

483
00:23:19,380 --> 00:23:15,570
it's funny because when my friend Steve

484
00:23:22,320 --> 00:23:19,390
was out there videotaping he was just

485
00:23:23,850 --> 00:23:22,330
focused on that ball of light which I

486
00:23:28,140 --> 00:23:23,860
don't even know what that is either

487
00:23:31,230 --> 00:23:28,150
frankly but then this thing goes

488
00:23:33,030 --> 00:23:31,240

shooting by and I just finished filming

489

00:23:34,710 --> 00:23:33,040

something with the Discovery Channel

490

00:23:37,380 --> 00:23:34,720

show that comes out later this year

491

00:23:39,930 --> 00:23:37,390

called Rob Riggle global investigator

492

00:23:41,520 --> 00:23:39,940

Rob Riggle is a comedic actor who's the

493

00:23:43,500 --> 00:23:41,530

host of this new show where he's out

494

00:23:46,260 --> 00:23:43,510

exploring mysteries but the thing about

495

00:23:49,560 --> 00:23:46,270

Rob Riggle is in reality he's a retired

496

00:23:52,170 --> 00:23:49,570

lieutenant colonel in the Marines he saw

497

00:23:54,690 --> 00:23:52,180

active duty he's decorated I sat down

498

00:23:56,690 --> 00:23:54,700

with him and watched this and he

499

00:23:58,740 --> 00:23:56,700

couldn't explain it either

500

00:24:00,240 --> 00:23:58,750

alright gentlemen let me interrupt you

501
00:24:01,500 --> 00:24:00,250
here because we have about 30 seconds

502
00:24:03,000 --> 00:24:01,510
before we have to go to our break when

503
00:24:05,520 --> 00:24:03,010
we come back we'll continue our

504
00:24:17,960 --> 00:24:05,530
conversation with Joshua P Warren on

505
00:24:24,690 --> 00:24:22,110
now back to exploring the bazaar with

506
00:24:27,990 --> 00:24:24,700
two of the most electrifying researchers

507
00:24:34,320 --> 00:24:28,000
in the Paranoid your hosts Timothy Becca

508
00:24:36,180 --> 00:24:34,330
Lee and Taylor Swift's welcome back to

509
00:24:38,790 --> 00:24:36,190
exploring the bazaar I'm Tim Schwarz

510
00:24:40,710 --> 00:24:38,800
tonight we're talking with Joshua P

511
00:24:42,750 --> 00:24:40,720
Warren a little bit later in the show

512
00:24:45,210 --> 00:24:42,760
we're going to bring in Paul Dale

513
00:24:49,320 --> 00:24:45,220

Roberts to join us and continue our

514

00:24:52,920 --> 00:24:49,330

conversation about area 51 so Joshua now

515

00:24:57,450 --> 00:24:52,930

continuing our conversation before our

516

00:25:00,270 --> 00:24:57,460

break about this amazing UFO video that

517

00:25:02,640 --> 00:25:00,280

that you've got on your website why

518

00:25:06,630 --> 00:25:02,650

don't you give our listeners a little

519

00:25:08,730 --> 00:25:06,640

bit of an idea of where this video was

520

00:25:11,540 --> 00:25:08,740

shot what what direction the camera was

521

00:25:15,570 --> 00:25:11,550

pointing and that sort of thing ok so

522

00:25:17,640 --> 00:25:15,580

this gentleman Steve Barone he lives on

523

00:25:20,490 --> 00:25:17,650

the edge of what's called the Red Rock

524

00:25:24,000 --> 00:25:20,500

Canyon so basically what that means is

525

00:25:26,460 --> 00:25:24,010

Las Vegas is in a valley and the valley

526

00:25:28,440 --> 00:25:26,470

of course the strip as we know it runs

527

00:25:30,680 --> 00:25:28,450

from north to south and it's surrounded

528

00:25:34,620 --> 00:25:30,690

by these very tall mountains up to

529

00:25:36,840 --> 00:25:34,630

12,000 feet high and on the western side

530

00:25:39,930 --> 00:25:36,850

you have the Red Rock Canyon that is

531

00:25:42,000 --> 00:25:39,940

where Steve Barone has his deck where he

532

00:25:45,840 --> 00:25:42,010

goes out at night and he films things

533

00:25:49,170 --> 00:25:45,850

with his cameras now when I first met

534

00:25:51,990 --> 00:25:49,180

him it was because I was introduced to

535

00:25:54,060 --> 00:25:52,000

him by a producer and I went over to his

536

00:25:55,830 --> 00:25:54,070

house with Murray the magician that

537

00:25:57,960 --> 00:25:55,840

you've probably seen on TV Murray the

538

00:26:01,080 --> 00:25:57,970

magician has a show at the Tropicana

539

00:26:05,220 --> 00:26:01,090

here on the Vegas Strip and we tried to

540

00:26:06,900 --> 00:26:05,230

fool Steve Barone so Murray went out and

541

00:26:10,890 --> 00:26:06,910

we should we documented this with a film

542

00:26:12,750 --> 00:26:10,900

crew Murray flew up a drone and he's a

543

00:26:15,030 --> 00:26:12,760

magician you know and he made the drone

544

00:26:17,820 --> 00:26:15,040

do all these weird things and Steve

545

00:26:20,400 --> 00:26:17,830

identified it as a drone and then Murray

546

00:26:22,020 --> 00:26:20,410

sent up Chinese lanterns and that those

547

00:26:23,160 --> 00:26:22,030

ride into fight and we did two or three

548

00:26:25,080 --> 00:26:23,170

things and what

549

00:26:26,550 --> 00:26:25,090

I was there what I can tell you about my

550

00:26:29,130 --> 00:26:26,560

personal presence

551

00:26:32,640 --> 00:26:29,140

Steve Barone was able to differentiate

552

00:26:36,060 --> 00:26:32,650

between drones helicopters Chinese

553

00:26:39,030 --> 00:26:36,070

lanterns airplanes etc so the guy goes

554

00:26:41,550 --> 00:26:39,040

out every night and he has debunked some

555

00:26:44,160 --> 00:26:41,560

of his own videos and I'm as a matter of

556

00:26:46,680 --> 00:26:44,170

fact there was one video that I used to

557

00:26:49,050 --> 00:26:46,690

show and the creepy Vegas ghosts and

558

00:26:51,210 --> 00:26:49,060

UFOs show that he came out to me later

559

00:26:55,230 --> 00:26:51,220

and said I've figured out that actually

560

00:26:57,090 --> 00:26:55,240

was not what I thought it was so he just

561

00:26:59,790 --> 00:26:57,100

he's the tell you he goes out and he

562

00:27:03,740 --> 00:26:59,800

films this stuff and so what we are

563

00:27:07,350 --> 00:27:03,750

seeing here and I saw the raw footage

564

00:27:08,790 --> 00:27:07,360

before and after again

565

00:27:11,280 --> 00:27:08,800

I've sat there with a number of people

566

00:27:15,660 --> 00:27:11,290

and analyzed this and what you're seeing

567

00:27:18,840 --> 00:27:15,670

is looking from west to east across the

568

00:27:21,360 --> 00:27:18,850

Las Vegas Strip from his position on the

569

00:27:24,060 --> 00:27:21,370

Red Rock Canyon there again is this ball

570

00:27:27,720 --> 00:27:24,070

of light and we have this call it a

571

00:27:31,700 --> 00:27:27,730

cigar shape call it a tic-tac whatever

572

00:27:36,870 --> 00:27:31,710

that goes zipping from right to left and

573

00:27:40,050 --> 00:27:36,880

it just it has a nice structure to it I

574

00:27:42,480 --> 00:27:40,060

mean it's yeah he slows it down a little

575

00:27:45,180 --> 00:27:42,490

bit and some of his videos are sped up

576
00:27:46,860 --> 00:27:45,190
so you can see what he's talking about

577
00:27:49,580 --> 00:27:46,870
in terms of the direction these things

578
00:27:53,760 --> 00:27:49,590
can be going in this case it slowed down

579
00:27:55,980 --> 00:27:53,770
in order to see this tic-tac object

580
00:27:58,560 --> 00:27:55,990
speeding and what I think is most

581
00:28:02,130 --> 00:27:58,570
amazing as that little plume that comes

582
00:28:04,290 --> 00:28:02,140
off the back of it so now how do we

583
00:28:06,720 --> 00:28:04,300
explain something like this I mean what

584
00:28:08,850 --> 00:28:06,730
is that you guys you've seen all you've

585
00:28:12,360 --> 00:28:08,860
been documenting this stuff for decades

586
00:28:14,940 --> 00:28:12,370
how would you explain that well now let

587
00:28:18,960 --> 00:28:14,950
me ask you this Josh does as he take it

588
00:28:21,780 --> 00:28:18,970

to anything in the daytime uh I don't

589

00:28:23,910 --> 00:28:21,790

know how much he has or has not gone out

590

00:28:26,130 --> 00:28:23,920

during the day I know he likes to use

591

00:28:27,480 --> 00:28:26,140

light-sensitive cameras and you know

592

00:28:29,250 --> 00:28:27,490

here's one of the things you have to

593

00:28:33,540 --> 00:28:29,260

understand if I take out a flashlight

594

00:28:36,810 --> 00:28:33,550

and I shine it in your direction in

595

00:28:37,279 --> 00:28:36,820

broad daylight I'm gonna be lucky if you

596

00:28:40,139 --> 00:28:37,289

know

597

00:28:42,389 --> 00:28:40,149

but if I shine that flashlight at you in

598

00:28:46,139 --> 00:28:42,399

its dark it stands out what we're

599

00:28:49,440 --> 00:28:46,149

talking about here is the distinction

600

00:28:52,289 --> 00:28:49,450

right we're talking about the definition

601
00:28:55,229 --> 00:28:52,299
and so I can see why yes there are

602
00:28:57,450 --> 00:28:55,239
people who see UFOs during the day and

603
00:28:59,489 --> 00:28:57,460
document them during the day but I think

604
00:29:05,310 --> 00:28:59,499
it's much more likely that they stand

605
00:29:09,539 --> 00:29:05,320
out at night well know what is it do you

606
00:29:12,329 --> 00:29:09,549
think about that area that seems to

607
00:29:13,919 --> 00:29:12,339
attract UFOs now of course you know some

608
00:29:16,499 --> 00:29:13,929
people say oh well you know it's because

609
00:29:17,909 --> 00:29:16,509
they're based at area 51 but do you

610
00:29:19,079 --> 00:29:17,919
think that's the case or do you think

611
00:29:23,099 --> 00:29:19,089
there's something else going on

612
00:29:26,820 --> 00:29:23,109
well this state Nevada is known as the

613
00:29:30,359 --> 00:29:26,830

Silver State but it also has a lot of

614

00:29:32,129 --> 00:29:30,369

gold there I mean this whole place you

615

00:29:35,489 --> 00:29:32,139

know it on the surface it looks like

616

00:29:39,749 --> 00:29:35,499

yeah it's just barren wasteland right

617

00:29:41,940 --> 00:29:39,759

but no you go down below and we have

618

00:29:43,639 --> 00:29:41,950

some of the richest minerals in the

619

00:29:48,180 --> 00:29:43,649

world and minerals that are highly

620

00:29:51,749 --> 00:29:48,190

conductive and minerals that create

621

00:29:54,299 --> 00:29:51,759

these bizarre electromagnetic anomalies

622

00:29:56,820 --> 00:29:54,309

and you know right next door we have

623

00:29:58,889 --> 00:29:56,830

Arizona they call it the copper state we

624

00:30:03,389 --> 00:29:58,899

have a ton of stuff happening in Arizona

625

00:30:05,459 --> 00:30:03,399

so I believe that there is some element

626

00:30:07,769 --> 00:30:05,469

well maybe I shouldn't use that word

627

00:30:10,529 --> 00:30:07,779

because it's a little too convenient but

628

00:30:13,560 --> 00:30:10,539

there there's some characteristic of

629

00:30:16,489 --> 00:30:13,570

this part of planet Earth that makes it

630

00:30:19,049 --> 00:30:16,499

especially conducive to these strange

631

00:30:22,229 --> 00:30:19,059

electromagnetic fields that we associate

632

00:30:26,249 --> 00:30:22,239

with all paranormal phenomena but

633

00:30:28,859 --> 00:30:26,259

especially maybe guidance systems that

634

00:30:31,589 --> 00:30:28,869

could be used from or by these beings

635

00:30:32,669 --> 00:30:31,599

that there are certain highways certain

636

00:30:36,779 --> 00:30:32,679

latitudes

637

00:30:39,269 --> 00:30:36,789

certain avenues that sort of stand out

638

00:30:41,609 --> 00:30:39,279

when this planet is being traversed by

639

00:30:46,379 --> 00:30:41,619

these other intelligences and so places

640

00:30:49,930 --> 00:30:46,389

like Nevada may have naturally attracted

641

00:30:53,440 --> 00:30:49,940

these beings because of its composition

642

00:30:55,630 --> 00:30:53,450

and of course it's like the line from

643

00:30:57,610 --> 00:30:55,640

the Mothman Prophecies you notice them

644

00:31:01,450 --> 00:30:57,620

and they notice that you notice them and

645

00:31:04,540 --> 00:31:01,460

so suddenly we have this evolution where

646

00:31:07,750 --> 00:31:04,550

more and more strange stuff has happened

647

00:31:08,680 --> 00:31:07,760

here over the years and then the US

648

00:31:11,500 --> 00:31:08,690

military

649

00:31:13,570 --> 00:31:11,510

they took notice of that and saw well

650

00:31:15,760 --> 00:31:13,580

this is a perfect place to create a

651
00:31:17,470 --> 00:31:15,770
secret base and it was just the right

652
00:31:20,320 --> 00:31:17,480
combination of factors that came

653
00:31:21,910 --> 00:31:20,330
together here for Nevada compared to

654
00:31:28,330 --> 00:31:21,920
what's happened in the rest of our

655
00:31:32,140 --> 00:31:28,340
country now you you were on the cover of

656
00:31:35,700 --> 00:31:32,150
our book the area 51 warning keep out we

657
00:31:38,430 --> 00:31:35,710
have a special blurb actually where we

658
00:31:43,780 --> 00:31:38,440
state that you had a time warp

659
00:31:45,460 --> 00:31:43,790
experience out near area 51 and some

660
00:31:47,800 --> 00:31:45,470
people have gotten in touch with me and

661
00:31:49,780 --> 00:31:47,810
said well geez have to also tell that

662
00:31:50,860 --> 00:31:49,790
story on the air because it is a

663
00:31:54,430 --> 00:31:50,870

personal experience

664

00:31:57,670 --> 00:31:54,440

what exactly happened to you in relation

665

00:32:00,700 --> 00:31:57,680

to time warps well you know I came here

666

00:32:04,860 --> 00:32:00,710

to Nevada for many reasons for one thing

667

00:32:07,690 --> 00:32:04,870

I do get a lot of work in television and

668

00:32:10,990 --> 00:32:07,700

I have two shows that will be coming out

669

00:32:15,190 --> 00:32:11,000

soon for example and I don't want to

670

00:32:17,140 --> 00:32:15,200

live in Los Angeles and so Las Vegas

671

00:32:19,780 --> 00:32:17,150

seemed like a really cool place because

672

00:32:20,980 --> 00:32:19,790

my wife and I don't have any kids and we

673

00:32:23,230 --> 00:32:20,990

can go out and enjoy all the

674

00:32:27,670 --> 00:32:23,240

entertainment here you don't have to

675

00:32:29,380 --> 00:32:27,680

worry about flooding and hurricanes Lee

676

00:32:31,300 --> 00:32:29,390

and I you got a rumor I just finished

677

00:32:33,460 --> 00:32:31,310

dealing with a hurricane and in Puerto

678

00:32:35,200 --> 00:32:33,470

Rico and so there were a lot of things

679

00:32:38,200 --> 00:32:35,210

that maybe attracted to come here but

680

00:32:40,810 --> 00:32:38,210

when I came here I was just looking for

681

00:32:44,230 --> 00:32:40,820

a good excuse to make that drive to area

682

00:32:46,780 --> 00:32:44,240

51 and so it was fortuitous when I got

683

00:32:49,720 --> 00:32:46,790

contacted by Silicon Valley engineer

684

00:32:52,150 --> 00:32:49,730

named Ronald Heath and Ronald Heath had

685

00:32:55,420 --> 00:32:52,160

been following my work for years and he

686

00:32:58,720 --> 00:32:55,430

said I have created a device for the guy

687

00:33:01,420 --> 00:32:58,730

who has every other device every other

688

00:33:01,990 --> 00:33:01,430

meter in the world I said you have my

689

00:33:03,940 --> 00:33:02,000

attention

690

00:33:07,240 --> 00:33:03,950

so

691

00:33:09,310 --> 00:33:07,250

basically Ronald Heath was a fan of the

692

00:33:11,020 --> 00:33:09,320

x-files and there was an episode of the

693

00:33:13,650 --> 00:33:11,030

x-files where molder takes two

694

00:33:16,990 --> 00:33:13,660

stopwatches and he synchronizes them and

695

00:33:19,930 --> 00:33:17,000

then he leaves one at his car and he

696

00:33:21,820 --> 00:33:19,940

takes the other to a UFO hotspot and

697

00:33:24,400 --> 00:33:21,830

then when he compares them later they're

698

00:33:27,240 --> 00:33:24,410

out of sync so the implication is there

699

00:33:30,430 --> 00:33:27,250

was some kind of gravity ie spaced

700

00:33:32,560 --> 00:33:30,440

space-time distorting technology that

701
00:33:35,650 --> 00:33:32,570
may have been used at the at the UFO

702
00:33:37,750 --> 00:33:35,660
hotspot so Ronald Heath decided to make

703
00:33:40,180 --> 00:33:37,760
the first user-friendly device that

704
00:33:42,070 --> 00:33:40,190
would duplicate this so his device

705
00:33:47,610 --> 00:33:42,080
called the differential time rate meter

706
00:33:50,440 --> 00:33:47,620
or DT meter has a sensor and a display

707
00:33:52,750 --> 00:33:50,450
so basically the display looks like a

708
00:33:55,360 --> 00:33:52,760
calculator screen zero point zero zero

709
00:33:59,130 --> 00:33:55,370
zero zero zero for eight decimal points

710
00:34:02,710 --> 00:33:59,140
and then then you have a sensor and

711
00:34:05,620 --> 00:34:02,720
they're connected by a 100-foot cable

712
00:34:07,900 --> 00:34:05,630
and each of these things the display

713
00:34:10,720 --> 00:34:07,910

unit and the sensor have an identical

714

00:34:13,840 --> 00:34:10,730

quartz crystal in them and that crystal

715

00:34:15,880 --> 00:34:13,850

is oscillating at about a million times

716

00:34:18,760 --> 00:34:15,890

per second okay that's basically what

717

00:34:21,640 --> 00:34:18,770

this thing is going and so he said these

718

00:34:24,130 --> 00:34:21,650

things should always stay in sync but

719

00:34:27,550 --> 00:34:24,140

we'll give them a margin of error as

720

00:34:29,260 --> 00:34:27,560

well a very healthy margin of error just

721

00:34:32,140 --> 00:34:29,270

in case but there might be some

722

00:34:34,630 --> 00:34:32,150

electrical problem or some it's a Blanc

723

00:34:37,300 --> 00:34:34,640

story short within this margin of error

724

00:34:39,520 --> 00:34:37,310

these things should always stay in sync

725

00:34:42,430 --> 00:34:39,530

because you're not supposed to have a

726

00:34:46,150 --> 00:34:42,440

difference between the two in the span

727

00:34:47,740 --> 00:34:46,160

of 100 feet here on planet Earth unless

728

00:34:49,750 --> 00:34:47,750

something major is happening like a

729

00:34:53,680 --> 00:34:49,760

black hole is approaching or something

730

00:34:55,390 --> 00:34:53,690

like that so that said he asked me if I

731

00:34:57,010 --> 00:34:55,400

wanted to be the first person to go take

732

00:35:01,060 --> 00:34:57,020

one of these into the field and I said

733

00:35:03,280 --> 00:35:01,070

well heck yeah because area 51 is a

734

00:35:06,070 --> 00:35:03,290

place where people claim there is

735

00:35:08,020 --> 00:35:06,080

technology being experimented with or

736

00:35:11,350 --> 00:35:08,030

back-engineered or whatever that

737

00:35:13,270 --> 00:35:11,360

distorts gravity and space-time i sat

738

00:35:17,710 --> 00:35:13,280

right there in front of Bob Lazar in

739

00:35:19,780 --> 00:35:17,720

person in 2015 and I had him

740

00:35:22,420 --> 00:35:19,790

talk about how that he was working on

741

00:35:24,730 --> 00:35:22,430

stuff that was distorting space-time now

742

00:35:28,599 --> 00:35:24,740

look I know there are plenty of reasons

743

00:35:30,550 --> 00:35:28,609

not to buy bob lazar story but I've

744

00:35:33,640 --> 00:35:30,560

talked to a lot of people just like you

745

00:35:36,190 --> 00:35:33,650

guys have and I think there may be some

746

00:35:40,470 --> 00:35:36,200

truth to it so therefore I thought well

747

00:35:44,320 --> 00:35:40,480

okay if this place area 51 is

748

00:35:47,830 --> 00:35:44,330

experimenting on on a grand scale let me

749

00:35:49,660 --> 00:35:47,840

take this dt meter there and every 20

750

00:35:51,760 --> 00:35:49,670

miles on the way there and back I'll

751
00:35:54,670 --> 00:35:51,770
stop in the desert and get a control get

752
00:35:58,570 --> 00:35:54,680
a baseline the idea was that maybe it'll

753
00:36:00,970 --> 00:35:58,580
be normal up until I get to area 51 and

754
00:36:03,730 --> 00:36:00,980
then all of a sudden I get some kind of

755
00:36:05,920 --> 00:36:03,740
weird reading well I so I did that I

756
00:36:08,589 --> 00:36:05,930
went out there I stayed overnight I came

757
00:36:12,040 --> 00:36:08,599
back I took my readings every 20 miles

758
00:36:13,450 --> 00:36:12,050
and the funny thing is around area 51

759
00:36:17,099 --> 00:36:13,460
everything was normal

760
00:36:19,750 --> 00:36:17,109
however there was this one site

761
00:36:22,180 --> 00:36:19,760
approximately 20 miles north of Las

762
00:36:26,920 --> 00:36:22,190
Vegas this nondescript area on the side

763
00:36:29,650 --> 00:36:26,930

of the road where I got according to the

764

00:36:31,540 --> 00:36:29,660

DT meter the one and only anomaly I've

765

00:36:33,420 --> 00:36:31,550

ever gotten with the DT meter and I've

766

00:36:35,410 --> 00:36:33,430

used this thing under extreme

767

00:36:37,630 --> 00:36:35,420

circumstances and lightning and

768

00:36:39,579 --> 00:36:37,640

thunderstorms and when it's a hundred to

769

00:36:41,950 --> 00:36:39,589

fifteen degrees and when it's snowing

770

00:36:44,410 --> 00:36:41,960

I've used it all kinds of situations I

771

00:36:47,200 --> 00:36:44,420

got a reading that indicated that time

772

00:36:51,400 --> 00:36:47,210

had slowed down by 25 microseconds per

773

00:36:53,050 --> 00:36:51,410

second so what that means is if you take

774

00:36:55,720 --> 00:36:53,060

a second and you slice it up into a

775

00:36:58,630 --> 00:36:55,730

hundred thousand little pieces 25 of

776

00:37:01,150 --> 00:36:58,640

those slowed down now that doesn't sound

777

00:37:04,510 --> 00:37:01,160

like a big deal but it's not supposed to

778

00:37:07,599 --> 00:37:04,520

happen but the biggest thing was I found

779

00:37:10,210 --> 00:37:07,609

out after the fact that this is an area

780

00:37:14,170 --> 00:37:10,220

where not only a lot of people have

781

00:37:16,690 --> 00:37:14,180

gotten strange footage but also had

782

00:37:19,180 --> 00:37:16,700

full-blown Close Encounters there's a

783

00:37:21,910 --> 00:37:19,190

man named Shawn Kevin Jason who had a

784

00:37:24,849 --> 00:37:21,920

full-blown close encounter there I went

785

00:37:27,970 --> 00:37:24,859

with him in person back out to the site

786

00:37:31,089 --> 00:37:27,980

on camera and he said yes this is where

787

00:37:32,030 --> 00:37:31,099

this happened in 1996 and he told me all

788

00:37:36,140 --> 00:37:32,040

of

789

00:37:38,030 --> 00:37:36,150

and he's not the only one so I thought

790

00:37:40,580 --> 00:37:38,040

to myself well what are the chances that

791

00:37:42,830 --> 00:37:40,590

this spot on the way to area 51

792

00:37:46,850 --> 00:37:42,840

for whatever reason is where I got this

793

00:37:49,490 --> 00:37:46,860

anomaly on the dt meter and in Ronald

794

00:37:50,870 --> 00:37:49,500

Heath is ecstatic he says that's amazing

795

00:37:53,180 --> 00:37:50,880

because he's been trying to get the

796

00:37:54,860 --> 00:37:53,190

anomaly for months that way at that

797

00:37:57,890 --> 00:37:54,870

point for months and he'd been logging

798

00:38:01,580 --> 00:37:57,900

his data 24/7 never gotten anything I

799

00:38:05,480 --> 00:38:01,590

got that turns out to be a UFO hot spot

800

00:38:08,360 --> 00:38:05,490

so we we dig into this question what

801
00:38:10,700 --> 00:38:08,370
what's going on here is this because an

802
00:38:12,920 --> 00:38:10,710
alien and a spacecraft was flying

803
00:38:14,870 --> 00:38:12,930
overhead at the time is this because the

804
00:38:18,290 --> 00:38:14,880
government was doing an experiment at

805
00:38:21,170 --> 00:38:18,300
the time is this because that there's

806
00:38:23,420 --> 00:38:21,180
something natural here that relates to

807
00:38:25,810 --> 00:38:23,430
what I just said about the composition

808
00:38:28,520 --> 00:38:25,820
of the land that creates these anomalies

809
00:38:31,430 --> 00:38:28,530
this is a very complex subject that we

810
00:38:35,060 --> 00:38:31,440
can could dig into for hours but I do

811
00:38:37,960 --> 00:38:35,070
find it intriguing that in fact that

812
00:38:40,550 --> 00:38:37,970
month when I was doing my research

813
00:38:43,220 --> 00:38:40,560

apparently the US government was

814

00:38:45,920 --> 00:38:43,230

experimenting with some kind of a new

815

00:38:49,250 --> 00:38:45,930

quote-unquote nuclear weapon

816

00:38:51,820 --> 00:38:49,260

that was being tested in the vicinity

817

00:38:54,980 --> 00:38:51,830

now that's not supposed to change

818

00:38:57,820 --> 00:38:54,990

space-time but it's another example of

819

00:39:01,640 --> 00:38:57,830

how what I got may have been this

820

00:39:04,010 --> 00:39:01,650

serendipitous moment when they were

821

00:39:06,650 --> 00:39:04,020

doing some kind of experimentation with

822

00:39:09,110 --> 00:39:06,660

this alien technology as I was out there

823

00:39:10,340 --> 00:39:09,120

taking measurements but the last thing I

824

00:39:11,660 --> 00:39:10,350

want to say and I know I'm being a

825

00:39:13,760 --> 00:39:11,670

little long-winded here but the last

826

00:39:15,500 --> 00:39:13,770

thing I want to say is I'm not the only

827

00:39:18,110 --> 00:39:15,510

person who has captured this kind of

828

00:39:20,230 --> 00:39:18,120

thing I was apparently the first person

829

00:39:22,850 --> 00:39:20,240

to capture this as a civilian but

830

00:39:24,920 --> 00:39:22,860

shortly thereafter that David Politis

831

00:39:29,150 --> 00:39:24,930

was on the History Channel

832

00:39:32,720 --> 00:39:29,160

with a show called vanished and he had a

833

00:39:35,510 --> 00:39:32,730

group of bonafide rocket scientists with

834

00:39:38,060 --> 00:39:35,520

their PhDs out there at Mesa Verde and

835

00:39:40,730 --> 00:39:38,070

Colorado at a site where people would

836

00:39:43,820 --> 00:39:40,740

disappear and they used a completely

837

00:39:45,530 --> 00:39:43,830

separate system with lasers and prisms

838

00:39:49,580 --> 00:39:45,540

and they said they

839

00:39:51,860 --> 00:39:49,590

also found a time anomaly so I predict

840

00:39:55,160 --> 00:39:51,870

that these things whether natural or

841

00:39:57,290 --> 00:39:55,170

artificial are strewn all around our

842

00:39:59,900 --> 00:39:57,300

planet and eventually we're going to be

843

00:40:02,120 --> 00:39:59,910

able to connect the dots overlay them

844

00:40:04,460 --> 00:40:02,130

with places where people experience the

845

00:40:07,010 --> 00:40:04,470

paranormal and we will find a connection

846

00:40:13,400 --> 00:40:07,020

that will give us insight and to why and

847

00:40:15,470 --> 00:40:13,410

how all of these things occur Tim it

848

00:40:17,990 --> 00:40:15,480

makes makes me wonder if maybe that

849

00:40:21,910 --> 00:40:18,000

wasn't the same location or close by to

850

00:40:24,980 --> 00:40:21,920

where Paul Sands and his close encounter

851

00:40:26,810 --> 00:40:24,990

well you know there have been quite a

852

00:40:28,880 --> 00:40:26,820

number of people and we document that

853

00:40:33,230 --> 00:40:28,890

documented as much as possible talk

854

00:40:37,040 --> 00:40:33,240

about it in the in our book people that

855

00:40:39,380 --> 00:40:37,050

went out to area 51 and had some sort of

856

00:40:42,890 --> 00:40:39,390

experience there there was a fellow of

857

00:40:46,280 --> 00:40:42,900

visiting from England who claims that he

858

00:40:48,620 --> 00:40:46,290

had missing time and he woke up with his

859

00:40:50,210 --> 00:40:48,630

wife her came to with his wife and they

860

00:40:51,800 --> 00:40:50,220

were and they ended up in a trailer park

861

00:40:55,010 --> 00:40:51,810

they don't know how they got there or

862

00:41:00,950 --> 00:40:55,020

what they were doing there and also he

863

00:41:03,010 --> 00:41:00,960

claims that they were abducted why well

864

00:41:06,350 --> 00:41:03,020

he thought at first that they were

865

00:41:08,300 --> 00:41:06,360

aliens or extraterrestrials but he

866

00:41:12,860 --> 00:41:08,310

figured out later on that they were

867

00:41:16,850 --> 00:41:12,870

really the US military in the skies know

868

00:41:20,510 --> 00:41:16,860

as part of what they call an MKULTRA the

869

00:41:23,060 --> 00:41:20,520

program and a lot of these alien bases

870

00:41:25,850 --> 00:41:23,070

that we talk about are these military

871

00:41:28,400 --> 00:41:25,860

bases that we speak up they are supposed

872

00:41:30,500 --> 00:41:28,410

to you know continue underground they

873

00:41:33,350 --> 00:41:30,510

have all sorts of underground tunnels

874

00:41:36,310 --> 00:41:33,360

and chambers and bunkers some of which

875

00:41:39,170 --> 00:41:36,320

are supposedly occupied by these

876

00:41:41,930 --> 00:41:39,180

extraterrestrial beings according to

877

00:41:44,960 --> 00:41:41,940

John Lear and and and some of the other

878

00:41:47,480 --> 00:41:44,970

folks who have been involved in making

879

00:41:48,740 --> 00:41:47,490

statements about area 51 or have been

880

00:41:51,350 --> 00:41:48,750

out there and had sightings and

881

00:41:53,990 --> 00:41:51,360

experiences the government some years

882

00:41:56,900 --> 00:41:54,000

ago actually made a treaty here came up

883

00:41:58,970 --> 00:41:56,910

with a treaty with some of these beings

884

00:42:03,740 --> 00:41:58,980

a group of

885

00:42:04,970 --> 00:42:03,750

Gray's perhaps and there been all kinds

886

00:42:07,819 --> 00:42:04,980

of things they've been reported out

887

00:42:12,730 --> 00:42:07,829

there that would seem to perhaps justify

888

00:42:17,420 --> 00:42:12,740

some some of us thinking well what Josh

889

00:42:22,370 --> 00:42:17,430

I would just say sometime I hope that

890

00:42:26,329 --> 00:42:22,380

you you take this device to some haunted

891

00:42:28,400 --> 00:42:26,339

locations you know places that are you

892

00:42:30,650 --> 00:42:28,410

know like really haunted you know high

893

00:42:33,740 --> 00:42:30,660

poltergeist activity or whatever to see

894

00:42:34,819 --> 00:42:33,750

if you get any kind of results and in a

895

00:42:37,730 --> 00:42:34,829

location like that

896

00:42:39,859 --> 00:42:37,740

well you're right Tim because that is

897

00:42:42,560 --> 00:42:39,869

exactly what needs to happen I need to

898

00:42:45,730 --> 00:42:42,570

take this and anything that spins off

899

00:42:48,950 --> 00:42:45,740

from this to places where people have

900

00:42:52,220 --> 00:42:48,960

psychic experiences they see cryptids

901
00:42:55,849 --> 00:42:52,230
they see ghosts they see UFOs they have

902
00:42:58,250 --> 00:42:55,859
time slips and of course I can't do it

903
00:42:59,780 --> 00:42:58,260
all myself so it's nice that to know

904
00:43:01,370 --> 00:42:59,790
there are people who are learning about

905
00:43:03,290 --> 00:43:01,380
this they're listening to your program

906
00:43:06,349 --> 00:43:03,300
right now they're learning that this

907
00:43:08,480 --> 00:43:06,359
exists and eventually we'll have enough

908
00:43:11,510 --> 00:43:08,490
people out there gathering data that

909
00:43:14,329 --> 00:43:11,520
will start getting it done and you know

910
00:43:16,430 --> 00:43:14,339
before we have to wrap up this hour I

911
00:43:19,220 --> 00:43:16,440
just want to also make this point and I

912
00:43:21,230 --> 00:43:19,230
think it's a very important one anybody

913
00:43:25,339 --> 00:43:21,240

who's listening tonight who is

914

00:43:27,920 --> 00:43:25,349

interested in area 51 may find this

915

00:43:30,290 --> 00:43:27,930

whole thing very confusing it's Hall of

916

00:43:32,809 --> 00:43:30,300

Mirrors you can't even trust what the

917

00:43:37,809 --> 00:43:32,819

media is telling you and and that should

918

00:43:42,470 --> 00:43:37,819

make sense but what I can say is in my

919

00:43:46,190 --> 00:43:42,480

opinion in my life and and being right

920

00:43:50,450 --> 00:43:46,200

here at this time in history if you

921

00:43:53,240 --> 00:43:50,460

really want to get the most honest sense

922

00:43:56,059 --> 00:43:53,250

the most honest taste of what is

923

00:44:00,140 --> 00:43:56,069

actually happening at area 51 you have

924

00:44:03,349 --> 00:44:00,150

to buy this book area 51 warning keep

925

00:44:05,930 --> 00:44:03,359

out and as you both know I'm not making

926

00:44:08,420 --> 00:44:05,940

any money off of this I'm just telling

927

00:44:11,180 --> 00:44:08,430

you that I was happy and honored to be a

928

00:44:12,859 --> 00:44:11,190

contributor and you know it's it's

929

00:44:16,339 --> 00:44:12,869

unbelievably accessible

930

00:44:19,579 --> 00:44:16,349

and affordable on Amazon and so you know

931

00:44:22,700 --> 00:44:19,589

if somebody really wants to know what's

932

00:44:24,739 --> 00:44:22,710

going on well you know you have the best

933

00:44:26,989 --> 00:44:24,749

experts in the world here all put

934

00:44:29,720 --> 00:44:26,999

together great they're very candid so

935

00:44:32,359 --> 00:44:29,730

get that book I and you know we had to

936

00:44:37,089 --> 00:44:32,369

up the price I was losing a dollar and a

937

00:44:42,319 --> 00:44:40,099

I'm a terrific I'm a terrific publisher

938

00:44:44,480 --> 00:44:42,329

gentleman publisher that's that's that's

939

00:44:46,789 --> 00:44:44,490

what I am but even now it's as

940

00:44:48,799 --> 00:44:46,799

reasonable as you can get

941

00:44:51,739 --> 00:44:48,809

well now what exactly you're you're

942

00:44:55,940 --> 00:44:51,749

doing it you do a show out there in in

943

00:44:59,720 --> 00:44:55,950

Vegas a UFO yeah it's called the creepy

944

00:45:01,579 --> 00:44:59,730

Vegas ghosts and UFOs show there is

945

00:45:05,390 --> 00:45:01,589

nothing like it in the world

946

00:45:08,509 --> 00:45:05,400

i bill it as sixty fun paranormal

947

00:45:11,390 --> 00:45:08,519

minutes in a bar there's this bar here

948

00:45:13,970 --> 00:45:11,400

it's called millennium fandom it's in a

949

00:45:16,670 --> 00:45:13,980

great location because it's in downtown

950

00:45:19,819 --> 00:45:16,680

Vegas it's right near zak bagans haunted

951
00:45:21,829 --> 00:45:19,829
Museum and the Pawn Stars shop you know

952
00:45:27,829 --> 00:45:21,839
everybody knows the Pawn Stars TV show

953
00:45:31,160 --> 00:45:27,839
and so it's a pop culture bar where they

954
00:45:32,839 --> 00:45:31,170
do cosplay they have movie relics and

955
00:45:35,150 --> 00:45:32,849
movie reproductions and it's just a

956
00:45:38,470 --> 00:45:35,160
really nice it's it's very it's like a

957
00:45:40,670 --> 00:45:38,480
really clean classy cool slick

958
00:45:44,569 --> 00:45:40,680
sophisticated place and they have this

959
00:45:47,539 --> 00:45:44,579
area called the gallery and we have a

960
00:45:51,049 --> 00:45:47,549
huge screen there so every Saturday at 7

961
00:45:52,819 --> 00:45:51,059
p.m. we have this 60-minute show where

962
00:45:55,970 --> 00:45:52,829
you get to see the best evidence we've

963
00:45:59,720 --> 00:45:55,980

got for ghosts UFOs cryptids psychic

964

00:46:03,109 --> 00:45:59,730

phenomena not just around Nevada but

965

00:46:05,180 --> 00:46:03,119

also other places as well and I'm there

966

00:46:08,390 --> 00:46:05,190

as often as possible but even when I

967

00:46:10,549 --> 00:46:08,400

can't be there I hired local Nick weird

968

00:46:13,039 --> 00:46:10,559

to be the host so if anybody's

969

00:46:16,249 --> 00:46:13,049

interested go to creepy Vegas calm

970

00:46:18,259 --> 00:46:16,259

creepy Vegas calm I don't know if we're

971

00:46:20,870 --> 00:46:18,269

gonna take a break from doing this for a

972

00:46:23,210 --> 00:46:20,880

while but currently you can go to creepy

973

00:46:26,330 --> 00:46:23,220

Vegas comm and sign up for the rest of

974

00:46:33,290 --> 00:46:29,240

well we we must again tell people who

975

00:46:35,900 --> 00:46:33,300

are planning to go out there to area 51

976
00:46:38,510 --> 00:46:35,910
to to heed the warnings and make sure

977
00:46:40,880 --> 00:46:38,520
that you have taken all the necessary of

978
00:46:45,590 --> 00:46:40,890
precautions got a full tank of gas and

979
00:46:49,010 --> 00:46:45,600
you got plenty of water and you got air

980
00:46:51,260 --> 00:46:49,020
in your tires and have a good time above

981
00:46:53,450 --> 00:46:51,270
all else and don't storm the damn base

982
00:46:55,340 --> 00:46:53,460
don't take a chance because the least

983
00:46:57,890 --> 00:46:55,350
that is going to happen is they're gonna

984
00:46:59,330 --> 00:46:57,900
arrest your ass and you're going to

985
00:47:02,690 --> 00:46:59,340
spend the night in jail and get fined

986
00:47:04,490 --> 00:47:02,700
the \$600 and there's a lot better things

987
00:47:06,980 --> 00:47:04,500
that you can do with that money

988
00:47:10,100 --> 00:47:06,990

like what are a bunch of books from us

989

00:47:11,990 --> 00:47:10,110

that's what I would say anyway Josh it's

990

00:47:12,320 --> 00:47:12,000

always a pleasure to and to speak with

991

00:47:19,160 --> 00:47:12,330

you

992

00:47:22,480 --> 00:47:19,170

all this time and that we've remained

993

00:47:25,220 --> 00:47:22,490

friends and look forward to your next

994

00:47:28,400 --> 00:47:25,230

exploit you got any any books coming out

995

00:47:30,710 --> 00:47:28,410

of your own uh no actually I'm working

996

00:47:32,600 --> 00:47:30,720

on some research projects right now and

997

00:47:34,910 --> 00:47:32,610

and that's sort of what I'm focusing on

998

00:47:37,190 --> 00:47:34,920

and I think I may have some interesting

999

00:47:40,550 --> 00:47:37,200

stuff to tell you about soon but Tim

1000

00:47:42,710 --> 00:47:40,560

look you're you're a wonderful guy Tim

1001
00:47:44,690 --> 00:47:42,720
you're a wonderful guy and thank you

1002
00:47:47,030 --> 00:47:44,700
both for having me on and you know

1003
00:47:50,270 --> 00:47:47,040
you're doing great work you have a great

1004
00:47:53,060 --> 00:47:50,280
insight into area 51 and we'll talk to

1005
00:48:02,280 --> 00:47:53,070
you when this is all over all right stay

1006
00:48:09,240 --> 00:48:06,760
explode the bazaars or e-ticket ride

1007
00:48:12,520 --> 00:48:09,250
into the world of the paranoid

1008
00:48:16,829 --> 00:48:12,530
strap yourself in as we traverse the

1009
00:48:19,950 --> 00:48:16,839
universe exploring the unexplained UFO s

1010
00:48:22,329 --> 00:48:19,960
ghosts Lost Worlds

1011
00:48:26,170 --> 00:48:22,339
cryptozoology as well as other

1012
00:48:31,329 --> 00:48:26,180
dimensions it's time to take back the

1013
00:48:34,420 --> 00:48:31,339

night now your electrifying hosts of

1014

00:48:42,870 --> 00:48:34,430

exploring the bizarre Timothy Begley and

1015

00:48:45,370 --> 00:48:42,880

team sports alright welcome back to more

1016

00:48:47,700 --> 00:48:45,380

exploring the bizarre I'm having so much

1017

00:48:52,210 --> 00:48:47,710

fun tonight talking about area 51 that

1018

00:48:57,220 --> 00:48:52,220

we decided to go for another segment and

1019

00:48:59,920 --> 00:48:57,230

and Tim we've got another great guest

1020

00:49:03,640 --> 00:48:59,930

with us and an old friend who's been on

1021

00:49:06,490 --> 00:49:03,650

the show before Paul Dale Roberts and a

1022

00:49:09,790 --> 00:49:06,500

contributor are you doing yes and a

1023

00:49:12,370 --> 00:49:09,800

computer on the area 51 morning Keith

1024

00:49:14,230 --> 00:49:12,380

out there for some of something things

1025

00:49:16,630 --> 00:49:14,240

that happened to him out near area 51

1026

00:49:19,390 --> 00:49:16,640

that we're gonna find out about but you

1027

00:49:21,579 --> 00:49:19,400

know a pauper of the people who have not

1028

00:49:24,370 --> 00:49:21,589

beg you on the show before it was just a

1029

00:49:27,010 --> 00:49:24,380

brief uh rundown about how you got into

1030

00:49:29,079 --> 00:49:27,020

the into the paranormal because you're

1031

00:49:31,359 --> 00:49:29,089

you're one of the the main personalities

1032

00:49:34,359 --> 00:49:31,369

today on the scene you you probably do

1033

00:49:36,760 --> 00:49:34,369

more writing and more research than any

1034

00:49:41,819 --> 00:49:36,770

person that I know that's active in the

1035

00:49:44,470 --> 00:49:41,829

in the near field oh yeah

1036

00:49:47,620 --> 00:49:44,480

well thank you Tim and Timothy and

1037

00:49:50,349 --> 00:49:47,630

everybody else but I got into the field

1038

00:49:52,240 --> 00:49:50,359

because I lived in a haunted house in a

1039

00:49:55,329 --> 00:49:52,250

frustrated Fresno all kinds of terrible

1040

00:49:57,700 --> 00:49:55,339

things were happening to me and as I got

1041

00:50:00,460 --> 00:49:57,710

older I was thinking well was that

1042

00:50:04,569 --> 00:50:00,470

childhood nightmares or did I really

1043

00:50:06,730 --> 00:50:04,579

witness the paranormal so what happened

1044

00:50:10,980 --> 00:50:06,740

was from there I just started reading a

1045

00:50:13,870 --> 00:50:10,990

lot of books thanks bye brats tiger

1046

00:50:15,000 --> 00:50:13,880

erich von daniken I started getting into

1047

00:50:18,440 --> 00:50:15,010

UFOs

1048

00:50:21,480 --> 00:50:18,450

and got into military intelligence and

1049

00:50:25,349 --> 00:50:21,490

one of the things that I did when I went

1050

00:50:30,150 --> 00:50:25,359

into military intelligence if I said if

1051

00:50:32,670 --> 00:50:30,160

anyone knows if UFOs is a real

1052

00:50:35,160 --> 00:50:32,680

phenomenon it would be military

1053

00:50:38,010 --> 00:50:35,170

intelligence so I was a 97 Bravo

1054

00:50:41,820 --> 00:50:38,020

intelligence analyst and uh you know on

1055

00:50:45,260 --> 00:50:41,830

one particular day six photographs came

1056

00:50:49,109 --> 00:50:45,270

in and those six photographs represented

1057

00:50:53,760 --> 00:50:49,119

reconnaissance aerial photos by our

1058

00:50:56,760 --> 00:50:53,770

satellites and on those six photos were

1059

00:51:00,990 --> 00:50:56,770

different type of UFOs cigar shape one

1060

00:51:03,900 --> 00:51:01,000

dish shape etc etc and they represented

1061

00:51:07,440 --> 00:51:03,910

each photo represented a full-length

1062

00:51:10,859 --> 00:51:07,450

video which I did not see and on the

1063

00:51:14,220 --> 00:51:10,869

back of each photo just said intelligent

1064

00:51:18,150 --> 00:51:14,230

movement and at that point of time I

1065

00:51:22,349 --> 00:51:18,160

said Wow okay our military intelligence

1066

00:51:24,260 --> 00:51:22,359

is still investigating UFOs even though

1067

00:51:27,240 --> 00:51:24,270

Project Blue Book's been closed down

1068

00:51:29,609 --> 00:51:27,250

military intelligence is still looking

1069

00:51:32,910 --> 00:51:29,619

into it and those photographs went to

1070

00:51:36,270 --> 00:51:32,920

the DIA Defense Intelligence Agency and

1071

00:51:38,070 --> 00:51:36,280

from there to CIA and into a black hole

1072

00:51:39,900 --> 00:51:38,080

because I never heard about them again

1073

00:51:45,390 --> 00:51:39,910

the only thing I did with the

1074

00:51:48,599 --> 00:51:45,400

photographs would give them a number and

1075

00:51:52,590 --> 00:51:48,609

little did I know from their military

1076

00:51:55,530 --> 00:51:52,600

intelligence and in my time in the

1077

00:51:57,359 --> 00:51:55,540

service before from 73 76 I was working

1078

00:52:01,099 --> 00:51:57,369

a CID Criminal Investigation Division

1079

00:52:03,390 --> 00:52:01,109

direct suppression team in Germany and

1080

00:52:05,820 --> 00:52:03,400

79 86

1081

00:52:09,920 --> 00:52:05,830

I was with military intelligence later

1082

00:52:13,830 --> 00:52:09,930

on and got an H identifier and which

1083

00:52:16,230 --> 00:52:13,840

this instructor qualified and I was

1084

00:52:19,650 --> 00:52:16,240

teaching the Soviet threat the top-floor

1085

00:52:23,010 --> 00:52:19,660

opposing forces so it's all that

1086

00:52:25,050 --> 00:52:23,020

happening for me I came across a ghost

1087

00:52:28,059 --> 00:52:25,060

hunter and she says Paul you ought to

1088

00:52:30,789 --> 00:52:28,069

join us and write a story of

1089

00:52:34,239 --> 00:52:30,799

our investigation so I did in that first

1090

00:52:39,819 --> 00:52:34,249

article that I wrote was published in

1091

00:52:41,529 --> 00:52:39,829

some magazine in Oakland and they kept

1092

00:52:45,400 --> 00:52:41,539

me and they said well well write more

1093

00:52:50,370 --> 00:52:45,410

stories and before I knew that the owner

1094

00:52:54,160 --> 00:52:50,380

of that paranormal group HPI

1095

00:52:56,890 --> 00:52:54,170

she quit and I am now the owner of it

1096

00:53:02,249 --> 00:52:56,900

along with my wife Deanna Jackson

1097

00:53:13,259 --> 00:53:08,289

alright so in in our book area51 warning

1098

00:53:19,390 --> 00:53:13,269

keep out you have a really excellent

1099

00:53:22,979 --> 00:53:19,400

chapter concerning them your travels to

1100

00:53:26,410 --> 00:53:22,989

that area so why don't you tell us about

1101
00:53:30,189 --> 00:53:26,420
why you decided to go out there in the

1102
00:53:31,959 --> 00:53:30,199
first place the reason why I wanted to

1103
00:53:35,799 --> 00:53:31,969
go out there was to talk to the people

1104
00:53:38,620 --> 00:53:35,809
and you can learn so much just by

1105
00:53:42,549 --> 00:53:38,630
talking to residents of Rachel Nevada

1106
00:53:43,539 --> 00:53:42,559
and one of the ladies that worked at the

1107
00:53:46,809 --> 00:53:43,549
alien

1108
00:53:50,920 --> 00:53:46,819
oh no she still works her or not but she

1109
00:53:55,299 --> 00:53:50,930
told me that oh one point of time living

1110
00:53:59,019 --> 00:53:55,309
out there she saw this crap and inside

1111
00:54:02,109 --> 00:53:59,029
the craft was a human occupant a pilot

1112
00:54:05,589 --> 00:54:02,119
and it came I level to her it was

1113
00:54:10,059 --> 00:54:05,599

hovering it wasn't making any noise and

1114

00:54:12,400 --> 00:54:10,069

he waved at her and took off and I

1115

00:54:14,589 --> 00:54:12,410

thought that was an amazing story and

1116

00:54:17,709 --> 00:54:14,599

she had a person who actually backed up

1117

00:54:22,569 --> 00:54:17,719

her story said that he actually saw it

1118

00:54:26,229 --> 00:54:22,579

as it came I leveled to her so with that

1119

00:54:29,079 --> 00:54:26,239

and when we got there the people at the

1120

00:54:33,279 --> 00:54:29,089

alien they were so nice they let let us

1121

00:54:35,849 --> 00:54:33,289

camp out in the parking lot and they

1122

00:54:40,029 --> 00:54:35,859

actually took us to an abandoned village

1123

00:54:41,830 --> 00:54:40,039

near area 51 and people that used to

1124

00:54:45,340 --> 00:54:41,840

live in those homes

1125

00:54:48,190 --> 00:54:45,350

work at area 51 and why the village is

1126

00:54:50,560 --> 00:54:48,200

abend they didn't know but they were

1127

00:54:52,690 --> 00:54:50,570

saying that the place was haunted so we

1128

00:54:55,320 --> 00:54:52,700

actually did an investigation over there

1129

00:55:01,060 --> 00:54:55,330

got some EVPs electronic voice phenomena

1130

00:55:03,010 --> 00:55:01,070

and then we did a Night Watch and three

1131

00:55:06,520 --> 00:55:03,020

of the investigators said that they saw

1132

00:55:09,400 --> 00:55:06,530

what was considered a starlight UFOs

1133

00:55:13,720 --> 00:55:09,410

they were moving erratically in the sky

1134

00:55:18,280 --> 00:55:13,730

I didn't see them I was busy talking to

1135

00:55:23,650 --> 00:55:18,290

other people we got to the back gate the

1136

00:55:25,540 --> 00:55:23,660

next day and often the hillside I could

1137

00:55:29,100 --> 00:55:25,550

see a guy looking at me with binoculars

1138

00:55:34,740 --> 00:55:29,110

and I was looking at him with binoculars

1139

00:55:39,270 --> 00:55:34,750

and before I knew it he was pulling

1140

00:55:42,730 --> 00:55:39,280

taken off this rifle from his backside

1141

00:55:45,010 --> 00:55:42,740

and pointing it towards me it'll look

1142

00:55:50,350 --> 00:55:45,020

like what would I consider a sniper

1143

00:55:55,780 --> 00:55:50,360

rifle and I said okay there it is

1144

00:55:58,510 --> 00:55:55,790

I don't like how close were you to the

1145

00:56:00,700 --> 00:55:58,520

yeah I say the gate there isn't really a

1146

00:56:03,850 --> 00:56:00,710

gate there it's kind of like a land a

1147

00:56:06,730 --> 00:56:03,860

line in the sand and a sign or two that

1148

00:56:10,090 --> 00:56:06,740

says no you know trespassing of course

1149

00:56:14,800 --> 00:56:10,100

can be used how close were you to going

1150

00:56:16,870 --> 00:56:14,810

over that line um I was pretty close I

1151

00:56:20,050 --> 00:56:16,880

was snapping a lot of photos I would say

1152

00:56:24,580 --> 00:56:20,060

I was about three feet in front of the

1153

00:56:28,540 --> 00:56:24,590

line and the sniper he was about 300

1154

00:56:30,820 --> 00:56:28,550

yards away from me mm and I was checking

1155

00:56:36,700 --> 00:56:30,830

everything out with binoculars taking a

1156

00:56:40,300 --> 00:56:36,710

lot of photos and that's when he pointed

1157

00:56:43,780 --> 00:56:40,310

his rifle towards me and I said I think

1158

00:56:45,790 --> 00:56:43,790

it's time for us to go and then later on

1159

00:56:49,960 --> 00:56:45,800

as we were going down the road there was

1160

00:56:52,600 --> 00:56:49,970

a jeep over on parallel from us and you

1161

00:56:54,650 --> 00:56:52,610

could see the dust it was making as it

1162

00:56:59,240 --> 00:56:54,660

was going

1163

00:57:04,660 --> 00:56:59,250

on our site as we're headed out so it

1164

00:57:07,700 --> 00:57:04,670

was it was sort of unnerving you know

1165

00:57:11,330 --> 00:57:07,710

you know they had the private aid the

1166

00:57:12,860 --> 00:57:11,340

private agency it's not that it's kind

1167

00:57:15,440 --> 00:57:12,870

of strange that the military doesn't

1168

00:57:19,730 --> 00:57:15,450

guard the area 51 they've hired a

1169

00:57:21,800 --> 00:57:19,740

private security a Wackenhut indeed

1170

00:57:24,830 --> 00:57:21,810

Wackenhut in fact you know right here in

1171

00:57:27,230 --> 00:57:24,840

Manhattan they do have the security for

1172

00:57:29,260 --> 00:57:27,240

private businesses and stuff and every

1173

00:57:31,760 --> 00:57:29,270

once a while I'll see a little of the

1174

00:57:34,750 --> 00:57:31,770

car I guess that's what you would

1175

00:57:37,940 --> 00:57:34,760

describe it you know like a one-seater

1176
00:57:40,340 --> 00:57:37,950
rolling down the the the street that'll

1177
00:57:43,100 --> 00:57:40,350
say whack and however yes I die I once

1178
00:57:45,560 --> 00:57:43,110
asked one of the security people I said

1179
00:57:47,300 --> 00:57:45,570
you know anything about any aliens and

1180
00:57:48,860 --> 00:57:47,310
at first he kind of just looked at me

1181
00:57:51,980 --> 00:57:48,870
like what are you crazy or something

1182
00:57:53,540 --> 00:57:51,990
then I guess he he he you know he caught

1183
00:57:56,270 --> 00:57:53,550
on and kind of just smiled and got back

1184
00:57:58,310 --> 00:57:56,280
in his little go-cart and and took off

1185
00:58:00,050 --> 00:57:58,320
but you know you know there there have

1186
00:58:02,510 --> 00:58:00,060
been you talk about people there that

1187
00:58:06,100 --> 00:58:02,520
have work at the alien little alien and

1188
00:58:08,870 --> 00:58:06,110

Pat who's been the owner for at 31 years

1189

00:58:11,450 --> 00:58:08,880

she told me and I got a quote here that

1190

00:58:13,670 --> 00:58:11,460

I think right out of the book she said

1191

00:58:15,680 --> 00:58:13,680

we felt their presence around here one

1192

00:58:17,810 --> 00:58:15,690

day after we had locked up the bar a

1193

00:58:19,610 --> 00:58:17,820

beam of light shot through the closed

1194

00:58:21,080 --> 00:58:19,620

door and we could sense that something

1195

00:58:22,790 --> 00:58:21,090

had entered here

1196

00:58:25,610 --> 00:58:22,800

we told them out loud that they were

1197

00:58:27,530 --> 00:58:25,620

welcome to anything we had as long as

1198

00:58:30,740 --> 00:58:27,540

they came in peace we don't feel that

1199

00:58:34,940 --> 00:58:30,750

they meant us any harm it at all so

1200

00:58:37,660 --> 00:58:34,950

you've got again that this economy of

1201
00:58:39,920 --> 00:58:37,670
good guys versus bad guys because

1202
00:58:43,820 --> 00:58:39,930
supposedly from what we hear there's

1203
00:58:46,850 --> 00:58:43,830
some fairly negative forces working

1204
00:58:49,100 --> 00:58:46,860
around the the base but not necessarily

1205
00:58:52,040 --> 00:58:49,110
the some of the things that have

1206
00:58:53,810 --> 00:58:52,050
happened to people there it's been a

1207
00:58:57,250 --> 00:58:53,820
little bit of both positive and a little

1208
00:59:01,760 --> 00:58:57,260
bit of negative now did you have a

1209
00:59:04,870 --> 00:59:01,770
sighting while you were out there we did

1210
00:59:08,270 --> 00:59:04,880
a Night Watch and we were up all night

1211
00:59:10,400 --> 00:59:08,280
and three of the investigators I was

1212
00:59:14,420 --> 00:59:10,410
talking to somebody in the alien so I

1213
00:59:17,660 --> 00:59:14,430

did not witness it but they I heard them

1214

00:59:20,540 --> 00:59:17,670

like screaming and I'm I ran outside oh

1215

00:59:22,880 --> 00:59:20,550

yeah what was it what was it and they

1216

00:59:26,720 --> 00:59:22,890

claimed that they saw three star light

1217

00:59:31,070 --> 00:59:26,730

type UFOs that were moving erratically

1218

00:59:33,410 --> 00:59:31,080

and now when we went to the gate one of

1219

00:59:36,290 --> 00:59:33,420

the investigators and I don't know I

1220

00:59:41,000 --> 00:59:36,300

sort of had a hard time believing it but

1221

00:59:42,080 --> 00:59:41,010

she says as the Jeep was following us on

1222

00:59:45,980 --> 00:59:42,090

our side

1223

00:59:49,280 --> 00:59:45,990

she said above the hill there was a UFO

1224

00:59:51,980 --> 00:59:49,290

that came up and they went back down and

1225

00:59:55,340 --> 00:59:51,990

nobody else saw it she was the only one

1226

01:00:03,230 --> 00:59:55,350

who saw it so I was kind of questionable

1227

01:00:05,660 --> 01:00:03,240

if I didn't but your wife who is a very

1228

01:00:07,700 --> 01:00:05,670

good this psychic and it's sensitive has

1229

01:00:09,650 --> 01:00:07,710

she picked up anything like vibration

1230

01:00:12,380 --> 01:00:09,660

wise I mean does she think that there's

1231

01:00:14,870 --> 01:00:12,390

aliens out there or is the government

1232

01:00:20,330 --> 01:00:14,880

doing the reverse of technology reverse

1233

01:00:25,100 --> 01:00:20,340

engineering now my wife has never been

1234

01:00:28,460 --> 01:00:25,110

to area 51 she does yeah she does County

1235

01:00:31,460 --> 01:00:28,470

I when I went to area 51 I didn't even

1236

01:00:34,160 --> 01:00:31,470

know her then but um but she has the

1237

01:00:37,760 --> 01:00:34,170

power I would say to uncloak UFOs

1238

01:00:40,670 --> 01:00:37,770

because right here in our town of Elk

1239

01:00:42,950 --> 01:00:40,680

Grove where we're going right down the

1240

01:00:44,540 --> 01:00:42,960

road and she goes pull into the parking

1241

01:00:47,120 --> 01:00:44,550

lot pull into the parking lot I'm gonna

1242

01:00:50,330 --> 01:00:47,130

go why she goes don't ask me why just

1243

01:00:51,890 --> 01:00:50,340

pull into the parking lot I said ah okay

1244

01:00:53,300 --> 01:00:51,900

so I pull into the parking lot she goes

1245

01:00:55,850 --> 01:00:53,310

there's something in this guy right

1246

01:00:58,460 --> 01:00:55,860

there and I'm looking at the sky I don't

1247

01:01:01,040 --> 01:00:58,470

see nothing and she doesn't see anything

1248

01:01:05,170 --> 01:01:01,050

and she takes her camera she snaps a

1249

01:01:07,160 --> 01:01:05,180

photo and that's where she gets three

1250

01:01:12,080 --> 01:01:07,170

disc-shaped UFOs

1251

01:01:15,650 --> 01:01:12,090

glowing and be formation and that

1252

01:01:17,900 --> 01:01:15,660

picture was actually well I actually

1253

01:01:21,410 --> 01:01:17,910

submitted it to me font and they were

1254

01:01:26,960 --> 01:01:21,420

unable to dispute it

1255

01:01:30,200 --> 01:01:26,970

and 14 times actually did a full

1256

01:01:34,040 --> 01:01:30,210

write-up on her and actually published

1257

01:01:37,190 --> 01:01:34,050

that photo in fourteen times so that was

1258

01:01:39,440 --> 01:01:37,200

totally amazing is she she's done some

1259

01:01:43,400 --> 01:01:39,450

other incredible stuff with UFOs because

1260

01:01:44,270 --> 01:01:43,410

you know as a child she says that she

1261

01:01:46,580 --> 01:01:44,280

was abducted

1262

01:01:49,010 --> 01:01:46,590

and that's how she gained her psychic

1263

01:01:52,640 --> 01:01:49,020

powers she can see ghosts and stuff like

1264

01:01:56,300 --> 01:01:52,650

that and she does I feel she does have

1265

01:01:59,480 --> 01:01:56,310

that ability to uncloak UFOs and I would

1266

01:02:01,820 --> 01:01:59,490

love to take her area51 about now with

1267

01:02:07,100 --> 01:02:01,830

all the publicity going on with area 51

1268

01:02:11,030 --> 01:02:07,110

I mean there's like rumors that they

1269

01:02:15,950 --> 01:02:11,040

moved the base to either Utah or

1270

01:02:18,920 --> 01:02:15,960

Colorado so if they're back engineering

1271

01:02:19,780 --> 01:02:18,930

UFOs probably would be in Colorado in

1272

01:02:23,660 --> 01:02:19,790

each other

1273

01:02:26,120 --> 01:02:23,670

probably not area 41 anymore well you

1274

01:02:28,160 --> 01:02:26,130

know it's quite you know people think

1275

01:02:31,400 --> 01:02:28,170

that they're gonna if they storm the

1276

01:02:34,040 --> 01:02:31,410

base they they get go past the the guard

1277

01:02:35,990 --> 01:02:34,050

post there that they're going to find

1278

01:02:37,850 --> 01:02:36,000

you know aliens to set now in beach

1279

01:02:39,770 --> 01:02:37,860

chairs or something and I don't think

1280

01:02:42,530 --> 01:02:39,780

that I don't think that's quite the way

1281

01:02:46,850 --> 01:02:42,540

that it that it works it's a huge how

1282

01:02:49,670 --> 01:02:46,860

how many how many square miles is well

1283

01:02:53,210 --> 01:02:49,680

it area 51 we're really talking about

1284

01:02:56,960 --> 01:02:53,220

the broom broom Blake and s5 with all

1285

01:03:01,250 --> 01:02:56,970

these other oh yeah well I mean it's

1286

01:03:02,660 --> 01:03:01,260

it's part of a whole Nellis complex so I

1287

01:03:05,690 --> 01:03:02,670

mean so yeah I mean you're you're

1288

01:03:09,470 --> 01:03:05,700

talking about just miles and miles and

1289

01:03:12,890 --> 01:03:09,480

miles first of all open desert and then

1290

01:03:14,720 --> 01:03:12,900

you know area 51 you know paradise ranch

1291

01:03:16,670 --> 01:03:14,730

groom lake you know whatever you'd want

1292

01:03:22,490 --> 01:03:16,680

to call it that's really just kind of

1293

01:03:25,130 --> 01:03:22,500

like a small area with within that so if

1294

01:03:29,000 --> 01:03:25,140

you would manage to get past that I

1295

01:03:30,260 --> 01:03:29,010

guess somebody who's like either I think

1296

01:03:34,640 --> 01:03:30,270

was yesterday

1297

01:03:35,089 --> 01:03:34,650

some tourists from Norway or Denmark or

1298

01:03:41,059 --> 01:03:35,099

some

1299

01:03:46,549 --> 01:03:41,069

says that area 51 is about 600 square

1300

01:03:49,370 --> 01:03:46,559

miles so yeah if you do manage to evade

1301

01:03:52,700 --> 01:03:49,380

Wackenhut and get over it you know

1302

01:03:55,069 --> 01:03:52,710

get over the that line you've got a lot

1303

01:03:57,680 --> 01:03:55,079

of desert that that you have to get

1304

01:03:59,509 --> 01:03:57,690

through in order to get anywhere but you

1305

01:04:02,150 --> 01:03:59,519

you'd never be able to get that far I

1306

01:04:04,910 --> 01:04:02,160

mean there's helicopters there's the you

1307

01:04:05,779 --> 01:04:04,920

know the pickup trucks the SUVs the

1308

01:04:09,680 --> 01:04:05,789

grounds

1309

01:04:13,370 --> 01:04:09,690

you know there's sensory devices there's

1310

01:04:16,400 --> 01:04:13,380

cameras there's microphones you know

1311

01:04:19,549 --> 01:04:16,410

they can see you coming for miles away

1312

01:04:21,829 --> 01:04:19,559

and guards with guns guards with guns

1313

01:04:24,529 --> 01:04:21,839

rights right well that is poled all in

1314

01:04:28,430 --> 01:04:24,539

you know that guy was would you say 300

1315

01:04:30,829 --> 01:04:28,440

feet 300 yards away oh yeah I mean a

1316

01:04:33,229 --> 01:04:30,839

good sniper I mean he could have gotten

1317

01:04:37,640 --> 01:04:33,239

you with a with with that with it you

1318

01:04:38,799 --> 01:04:37,650

know with with with one eye closed yeah

1319

01:04:42,229 --> 01:04:38,809

easily

1320

01:04:45,620 --> 01:04:42,239

and recently Bob Lazar with Bob Lazar

1321

01:04:49,579 --> 01:04:45,630

was saying that area 51 itself they

1322

01:04:52,579 --> 01:04:49,589

don't back engineering UFOs only in s7 I

1323

01:04:56,479 --> 01:04:52,589

believe it was s7 that they were back

1324

01:05:02,059 --> 01:04:56,489

engineering UFOs so in your talking you

1325

01:05:05,829 --> 01:05:02,069

know 600 miles of land you know most of

1326

01:05:10,339 --> 01:05:05,839

that land is probably secretive military

1327

01:05:14,239 --> 01:05:10,349

aircraft and but one location which were

1328

01:05:19,099 --> 01:05:14,249

Bob Lazar worked at s7 was where they

1329

01:05:21,200 --> 01:05:19,109

had extraterrestrial aircraft that that

1330

01:05:30,349 --> 01:05:21,210

actually crashed land and they were back

1331

01:05:33,109 --> 01:05:30,359

engineering the UFOs yeah that that area

1332

01:05:40,190 --> 01:05:33,119

that Bob Lazar claimed that he worked at

1333

01:05:42,140 --> 01:05:40,200

was was s4 and right yeah I think I

1334

01:05:45,609 --> 01:05:42,150

think that was supposed to be part of

1335

01:05:48,920 --> 01:05:45,619

the horrors of the the pupusas Lake

1336

01:05:51,230 --> 01:05:48,930

complex built you know

1337

01:05:55,309 --> 01:05:51,240

like hangers you know built to the side

1338

01:05:56,630 --> 01:05:55,319

of the mountain there so yeah and that's

1339

01:06:01,089 --> 01:05:56,640

you know that's one of the things that

1340

01:06:07,730 --> 01:06:01,099

makes the the whole area 51 stories so

1341

01:06:09,620 --> 01:06:07,740

intriguing is lazarre's story which you

1342

01:06:13,190 --> 01:06:09,630

know we've we've noted on this show

1343

01:06:16,599 --> 01:06:13,200

before I mean you know he's he's told it

1344

01:06:20,210 --> 01:06:16,609

all these years and really hasn't

1345

01:06:23,870 --> 01:06:20,220

embellished on it and pretty much stuck

1346

01:06:26,660 --> 01:06:23,880

to his guns that you know that he's

1347

01:06:28,609 --> 01:06:26,670

hadn't really happened to him right and

1348

01:06:31,970 --> 01:06:28,619

there was one individual that I talked

1349

01:06:34,190 --> 01:06:31,980

to at the alien and they said well this

1350

01:06:36,530 --> 01:06:34,200

gentleman here used to worked at area 51

1351

01:06:39,500 --> 01:06:36,540

so I asked him I said you know the

1352

01:06:41,720 --> 01:06:39,510

stories that Bob Lazar said okay and I

1353

01:06:43,670 --> 01:06:41,730

asked some different questions what what

1354

01:06:47,329 --> 01:06:43,680

did you see what did you work on blah

1355

01:06:49,520 --> 01:06:47,339

blah he didn't give me any answers but

1356

01:06:53,349 --> 01:06:49,530

he just looked at me and he said one

1357

01:06:57,230 --> 01:06:53,359

thing he said Bob Lazar is correct

1358

01:07:00,200 --> 01:06:57,240

that's all I'm going to say Bob Lazar is

1359

01:07:03,470 --> 01:07:00,210

correct and actually can you elaborate

1360

01:07:05,299 --> 01:07:03,480

on that yes no he goes but I'm just

1361

01:07:07,670 --> 01:07:05,309

going to let you know Bob Lazar is

1362

01:07:10,430 --> 01:07:07,680

correct and you take it for what it's

1363

01:07:13,880 --> 01:07:10,440

worth okay do you know Ill have my own

1364

01:07:15,859 --> 01:07:13,890

feeling on this I think that these

1365

01:07:19,220 --> 01:07:15,869

things that necessarily happen to Bob

1366

01:07:22,160 --> 01:07:19,230

Lazar but that he's fronting for someone

1367

01:07:24,260 --> 01:07:22,170

that someone has given him this

1368

01:07:26,650 --> 01:07:24,270

information who does not want to go

1369

01:07:29,599 --> 01:07:26,660

public with it and they have found

1370

01:07:33,319 --> 01:07:29,609

someone who's willing to take let's say

1371

01:07:37,430 --> 01:07:33,329

some of the some of the heat now we have

1372

01:07:40,400 --> 01:07:37,440

our own area 51 whistleblower by the

1373

01:07:46,010 --> 01:07:40,410

name of commander X who claims that he's

1374

01:07:48,760 --> 01:07:46,020

actually a work out there and some of

1375

01:07:50,089 --> 01:07:48,770

the experiments involving at UFOs and

1376

01:07:54,079 --> 01:07:50,099

teleportation

1377

01:07:57,559 --> 01:07:54,089

that he was actually invited that's the

1378

01:08:02,290 --> 01:07:57,569

word inside one of these crafts there

1379

01:08:05,050 --> 01:08:02,300

were of off world their origin and

1380

01:08:07,660 --> 01:08:05,060

told to actually see if he could use

1381

01:08:09,790 --> 01:08:07,670

using a mind power only there were a

1382

01:08:14,170 --> 01:08:09,800

directory in the craft and lift it off

1383

01:08:17,710 --> 01:08:14,180

and fly it and at first he was totally

1384

01:08:20,650 --> 01:08:17,720

unsuccessful he had a try on on three or

1385

01:08:23,920 --> 01:08:20,660

four different occasions before he was

1386

01:08:27,309 --> 01:08:23,930

able to get the craft to follow its

1387

01:08:31,300 --> 01:08:27,319

direction but apparently there there is

1388

01:08:35,289 --> 01:08:31,310

no the propulsion is totally unknown

1389

01:08:39,610 --> 01:08:35,299

apparently they are able to drive these

1390

01:08:43,059 --> 01:08:39,620

these things through mind power I mean

1391

01:08:47,769 --> 01:08:43,069

these beings if they exist certainly

1392

01:08:51,430 --> 01:08:47,779

seem to be many years in advance of any

1393

01:08:53,800 --> 01:08:51,440

technology that we have here anyway I

1394

01:08:56,769 --> 01:08:53,810

see that we're coming up on the end of

1395

01:09:00,640 --> 01:08:56,779

the show here and a full why did you

1396

01:09:04,300 --> 01:09:00,650

tell our listeners where they can find

1397

01:09:08,079 --> 01:09:04,310

out any information about the work that

1398

01:09:11,610 --> 01:09:08,089

you knew your website and so forth okay

1399

01:09:15,190 --> 01:09:11,620

sure all you have to do is just google

1400

01:09:18,880 --> 01:09:15,200

my name Paul Dale Roberts you'll find a

1401

01:09:22,660 --> 01:09:18,890

lot of our articles or my wife Deanna

1402

01:09:24,910 --> 01:09:22,670

Jackson Stinson and we do love our

1403

01:09:27,700 --> 01:09:24,920

Colonel stories with Costa Rica teens

1404

01:09:30,220 --> 01:09:27,710

and you can go into topics or go into

1405

01:09:32,860 --> 01:09:30,230

the paranormal section of it and you'll

1406

01:09:40,349 --> 01:09:32,870

see a lot of our stories and just Google

1407

01:10:07,750 --> 01:10:04,000

www.antakungfu.com t Beckley we really

1408

01:10:10,180 --> 01:10:07,760

worked hard getting this out in time you

1409

01:10:12,430 --> 01:10:10,190

know luckily people say well how do you

1410

01:10:15,640 --> 01:10:12,440

get a book together you know so quickly

1411

01:10:18,820 --> 01:10:15,650

well I've been doing this for

1412

01:10:21,610 --> 01:10:18,830

close to 250 years and I've got like 40

1413

01:10:24,340 --> 01:10:21,620

year file cabinets and drawers and some

1414

01:10:28,080 --> 01:10:24,350

of the greatest contributors in the the

1415

01:10:32,410 --> 01:10:28,090

world and like it today we we actually

1416

01:10:35,380 --> 01:10:32,420

organized the book on Nikola Tesla a new

1417

01:10:37,169 --> 01:10:35,390

book the reports that he was not born

1418

01:10:40,120 --> 01:10:37,179

here on this planet that he came from

1419

01:10:43,330 --> 01:10:40,130

some somewhere else and we'll have it

1420

01:10:45,490 --> 01:10:43,340

out in a couple of couple of days where

1421

01:10:47,890 --> 01:10:45,500

most the major publishers it would take

1422

01:10:52,750 --> 01:10:47,900

them a year and a half to get anything

1423

01:10:56,320 --> 01:10:52,760

off the ground but anyway I want to tell

1424

01:10:58,570 --> 01:10:56,330

our listeners it yeah tell our listeners

1425

01:11:02,100 --> 01:10:58,580

after milling about the truck for book

1426

01:11:05,220 --> 01:11:02,110

yeah indeed yeah we want to invite our

1427

01:11:08,620 --> 01:11:05,230

listeners to go to our YouTube channel

1428

01:11:13,180 --> 01:11:08,630

mister UFOs secret files I think we're

1429

01:11:16,270 --> 01:11:13,190

up to about 400 interviews and send us

1430

01:11:18,520 --> 01:11:16,280

an email at mr. UFO mr UFO 8 is

1431

01:11:20,700 --> 01:11:18,530

hotmail.com and we'll put you on our

1432

01:11:28,370 --> 01:11:20,710

newsletter a mailing list and of course

1433

01:11:35,189 --> 01:11:31,229

you've been listening to exploring the

1434

01:11:36,080 --> 01:11:35,199

bazaar with hosts Timothy Becky and T

1435

01:11:38,939 --> 01:11:36,090

Swartz

1436

01:11:42,030 --> 01:11:38,949

they're taking back the night by jetting

1437

01:11:43,919 --> 01:11:42,040

non-stop across the cosmos in search of

1438

01:11:47,740 --> 01:11:43,929

the truly bizarre and totally

1439
