

EXPLORING THE BIZARRE

1
00:00:37,349 --> 00:00:21,830

[Music]

2
00:00:44,299 --> 00:00:41,849

explore the bazaars or e-ticket ride

3
00:00:47,579 --> 00:00:44,309

into the world of the paranormal

4
00:00:51,889 --> 00:00:47,589

strap yourself in as we traverse the

5
00:00:55,009 --> 00:00:51,899

universe exploring the unexplained UFO s

6
00:00:57,389 --> 00:00:55,019

ghosts Lost Worlds

7
00:01:01,259 --> 00:00:57,399

cryptozoology as well as other

8
00:01:06,389 --> 00:01:01,269

dimensions it's time to take back the

9
00:01:09,480 --> 00:01:06,399

night now your electrifying hosts of

10
00:01:18,210 --> 00:01:09,490

exploring the bizarre Timothy Begley and

11
00:01:24,389 --> 00:01:21,559

hey me kangaroos down I have originals

12
00:01:29,960 --> 00:01:24,399

kangaroos you know we're in the outback

13
00:01:32,969 --> 00:01:29,970

now I'm sorry I can hardly hear you Tim

14

00:01:36,630 --> 00:01:32,979

what are you doing in that kangaroo's

15

00:01:38,910 --> 00:01:36,640

pouch anyway ah it's a form of

16

00:01:41,460 --> 00:01:38,920

transportation around these parts we

17

00:01:44,249 --> 00:01:41,470

decide my friend here yes besides my

18

00:01:45,779 --> 00:01:44,259

friend here knows the way to Pine Gap we

19

00:01:48,419 --> 00:01:45,789

want to get out there as quickly as

20

00:01:52,490 --> 00:01:48,429

possible and find out if the aliens are

21

00:01:55,380 --> 00:01:52,500

really there it's this remote outpost

22

00:01:58,380 --> 00:01:55,390

well I I guess it's kind of like our

23

00:02:02,369 --> 00:01:58,390

area 51 here in the United States I

24

00:02:05,669 --> 00:02:02,379

guess reverse technology maybe even an

25

00:02:08,339 --> 00:02:05,679

alien or two yep but we've got to be

26
00:02:10,619 --> 00:02:08,349
careful you see those warning signs and

27
00:02:13,140 --> 00:02:10,629
say meme out we don't want to end up in

28
00:02:15,839 --> 00:02:13,150
some awesome jail but we better get

29
00:02:19,920 --> 00:02:15,849
going it's kind of sticky and smelling

30
00:02:21,630 --> 00:02:19,930
inside this pouch okay I say that we

31
00:02:24,030 --> 00:02:21,640
abort this project get back to the

32
00:02:27,330 --> 00:02:24,040
studio and let our special guests from

33
00:02:30,149 --> 00:02:27,340
Australia fill in the gaps tonight gaps

34
00:02:32,520 --> 00:02:30,159
is in Pine Gap let's get going then

35
00:02:35,759 --> 00:02:32,530
let's get going then it's quite a hop

36
00:02:41,430 --> 00:02:35,769
skip and a jump back to the K Co studios

37
00:02:44,130 --> 00:02:41,440
in Vegas all right giddyup boy all right

38
00:02:45,660 --> 00:02:44,140

boy just a guru gotta go man

39

00:02:48,030 --> 00:02:45,670

I think it couldn't have one of them as

40

00:02:51,210 --> 00:02:48,040

a pet Tim they just kick too damn much

41

00:02:57,060 --> 00:02:53,580

yes but I've heard though that they're

42

00:02:58,770 --> 00:02:57,070

pretty tasty oh boy I don't know hey

43

00:03:00,270 --> 00:02:58,780

they're gonna be selling in but Popeyes

44

00:03:02,040 --> 00:03:00,280

next week if you can't get a chicken

45

00:03:07,980 --> 00:03:02,050

sandwich you can get a kangaroo one I

46

00:03:11,730 --> 00:03:07,990

don't know not for me I'm too humane for

47

00:03:13,590 --> 00:03:11,740

that but hey I guess people can assume

48

00:03:17,460 --> 00:03:13,600

by this point that we're going to be

49

00:03:19,100 --> 00:03:17,470

talking to somebody in Australia and boy

50

00:03:23,480 --> 00:03:19,110

am I looking forward to this

51
00:03:27,000 --> 00:03:23,490
conversation because I like to talk to

52
00:03:29,580 --> 00:03:27,010
strangers and far-off lands I always I

53
00:03:31,140 --> 00:03:29,590
always had ten cows when I was growing

54
00:03:33,810 --> 00:03:31,150
up of course most of them were in the

55
00:03:36,750 --> 00:03:33,820
UFO field we exchanged magazines and all

56
00:03:39,680 --> 00:03:36,760
and you know well you and I both I think

57
00:03:42,540 --> 00:03:39,690
we were free contributors to the last

58
00:03:44,880 --> 00:03:42,550
printed magazine in English which was

59
00:03:49,530 --> 00:03:44,890
called the the ufologist which came out

60
00:03:53,699 --> 00:03:49,540
of Australia and we have the the head of

61
00:03:55,850 --> 00:03:53,709
a UFO group from Australia tonight a

62
00:03:58,880 --> 00:03:55,860
group that's probably been in existence

63
00:04:04,199 --> 00:03:58,890

longer than any other organization that

64

00:04:06,630 --> 00:04:04,209

we know of so take it away in Jasper and

65

00:04:09,229 --> 00:04:06,640

tell us what we're going to be speaking

66

00:04:13,350 --> 00:04:09,239

about tonight we're sure well tonight

67

00:04:15,240 --> 00:04:13,360

I'm really happy that we have with this

68

00:04:18,840 --> 00:04:15,250

it's a Cheryl gotcha

69

00:04:22,590 --> 00:04:18,850

and now Cheryl was born in Brisbane

70

00:04:25,560 --> 00:04:22,600

Australia but at an early age lived on a

71

00:04:28,380 --> 00:04:25,570

cattle station in country Queensland

72

00:04:30,870 --> 00:04:28,390

where as a child she often looked at the

73

00:04:33,659 --> 00:04:30,880

stars like all of us I think and

74

00:04:35,219 --> 00:04:33,669

wondered if there was other life in the

75

00:04:37,230 --> 00:04:35,229

universe now in her teenage years she

76
00:04:41,010 --> 00:04:37,240
developed an interest in the paranormal

77
00:04:43,490 --> 00:04:41,020
and in 1988 she became an active UFO

78
00:04:47,400 --> 00:04:43,500
investigator for the Brisbane based

79
00:04:49,850 --> 00:04:47,410
organization UFO research Queensland and

80
00:04:54,420 --> 00:04:49,860
has since held two terms as president

81
00:04:59,520 --> 00:04:54,430
for a total of 24 years now soon after

82
00:05:01,830 --> 00:04:59,530
joining UFO rq-- Cheryl had her own

83
00:05:04,740 --> 00:05:01,840
close encounter with Thea commonly

84
00:05:06,870 --> 00:05:04,750
described grey aliens appearing to her

85
00:05:09,210 --> 00:05:06,880
in her home and this followed by the

86
00:05:11,430 --> 00:05:09,220
development of a serious tenure illness

87
00:05:14,010 --> 00:05:11,440
during which time she experienced a

88
00:05:16,410 --> 00:05:14,020

near-death experience out-of-body

89

00:05:18,930 --> 00:05:16,420

experiences and other mystical

90

00:05:21,990 --> 00:05:18,940

paranormal and psychic phenomena her

91

00:05:24,330 --> 00:05:22,000

quest for what was happening to her let

92

00:05:26,460 --> 00:05:24,340

her on the path to shamanism and the

93

00:05:29,340 --> 00:05:26,470

understanding that these events were an

94

00:05:33,090 --> 00:05:29,350

invitation but more importantly an

95

00:05:35,220 --> 00:05:33,100

initiation into other realms populated

96

00:05:37,290 --> 00:05:35,230

by a variety of means her personal

97

00:05:40,140 --> 00:05:37,300

experiences catapulted her into the

98

00:05:44,220 --> 00:05:40,150

world of shamanism and she now uses and

99

00:05:46,230 --> 00:05:44,230

teaches shamanic practices now in 1992

100

00:05:48,540 --> 00:05:46,240

Sheryl awful also established the first

101
00:05:51,720 --> 00:05:48,550
close encounter support group in

102
00:05:54,180 --> 00:05:51,730
Brisbane after Budd Hopkins spoke for

103
00:05:56,730 --> 00:05:54,190
the first time at a conference there

104
00:06:00,240 --> 00:05:56,740
so now Sheryl is a regular writer for

105
00:06:03,240 --> 00:06:00,250
the Australian bimonthly publication UFO

106
00:06:05,700 --> 00:06:03,250
encounter and the UFO truth magazine

107
00:06:07,680 --> 00:06:05,710
published in the UK and she also

108
00:06:10,080 --> 00:06:07,690
co-hosts her own weekly show called

109
00:06:13,440 --> 00:06:10,090
strange encounters and co-host strange

110
00:06:17,250 --> 00:06:13,450
and calendars down under zoom cast with

111
00:06:19,560 --> 00:06:17,260
author and contactee Suzy Hansen so

112
00:06:21,450 --> 00:06:19,570
Cheryl thank you very much for being

113
00:06:24,300 --> 00:06:21,460

with us tonight on exploring the bizarre

114

00:06:27,090 --> 00:06:24,310

oh hi guys and it's great to be here

115

00:06:29,280 --> 00:06:27,100

thanks for having me oh man you kidding

116

00:06:32,010 --> 00:06:29,290

this is this is great stuff here

117

00:06:35,670 --> 00:06:32,020

you know I guess your investigation has

118

00:06:38,070 --> 00:06:35,680

gone way beyond lights in the sky but

119

00:06:40,140 --> 00:06:38,080

before we get into your background and

120

00:06:43,950 --> 00:06:40,150

some of your experiences do you know

121

00:06:48,270 --> 00:06:43,960

anything about Pine Gap um I don't know

122

00:06:52,830 --> 00:06:48,280

a lot except that there has been reports

123

00:06:56,610 --> 00:06:52,840

of strange craft disappearing into the

124

00:06:58,650 --> 00:06:56,620

land there and there was yeah there was

125

00:07:01,070 --> 00:06:58,660

actually one such report in Timothy

126

00:07:04,290 --> 00:07:01,080

Goods book alien liaison I think and

127

00:07:06,480 --> 00:07:04,300

where a witness actually saw a craft

128

00:07:10,650 --> 00:07:06,490

flying into a mountain obviously it

129

00:07:12,900 --> 00:07:10,660

didn't crash and yeah I just disappeared

130

00:07:16,260 --> 00:07:12,910

swallowed it up but that's not the first

131

00:07:18,190 --> 00:07:16,270

time it's not the only time - yeah well

132

00:07:21,160 --> 00:07:18,200

I think we've mentioned that our

133

00:07:23,890 --> 00:07:21,170

in our book the just came out that we've

134

00:07:26,740 --> 00:07:23,900

been promoting the area 51 warning that

135

00:07:28,330 --> 00:07:26,750

keep out because we have I was going to

136

00:07:30,580 --> 00:07:28,340

say well I was going to call it a big

137

00:07:34,450 --> 00:07:30,590

event but we don't know what size event

138

00:07:39,520 --> 00:07:34,460

it will be this the weekend because the

139

00:07:42,550 --> 00:07:39,530

people who organizers of the storm

140

00:07:45,190 --> 00:07:42,560

area 51 some of them have pulled out as

141

00:07:47,380 --> 00:07:45,200

far as Vegas and I don't know but we'll

142

00:07:49,720 --> 00:07:47,390

we'll see if it gets any attention on

143

00:07:52,180 --> 00:07:49,730

the media you know there was quite a

144

00:07:54,700 --> 00:07:52,190

build-up there to it but now in the last

145

00:07:56,680 --> 00:07:54,710

couple of days we've been seeing over

146

00:07:58,420 --> 00:07:56,690

and over and over again the tic tacs

147

00:08:01,810 --> 00:07:58,430

you know the objects that are flying

148

00:08:04,960 --> 00:08:01,820

there at the over the the the ocean that

149

00:08:08,770 --> 00:08:04,970

was on CNN this morning but it's put on

150

00:08:11,370 --> 00:08:08,780

every other program to so that's not it

151
00:08:14,500 --> 00:08:11,380
doesn't really seem to be anything new

152
00:08:18,400 --> 00:08:14,510
about it so do you think they're aliens

153
00:08:23,380 --> 00:08:18,410
out there at the Pine Gap well I don't

154
00:08:25,360 --> 00:08:23,390
know about that they could be but I just

155
00:08:27,790 --> 00:08:25,370
I'm just not sure about that but just

156
00:08:29,410 --> 00:08:27,800
going from witnesses accounts there's

157
00:08:31,420 --> 00:08:29,420
obviously something strange going on

158
00:08:34,210 --> 00:08:31,430
there that's for sure which have to do

159
00:08:36,490 --> 00:08:34,220
with some sort of craft that are doing

160
00:08:40,150 --> 00:08:36,500
things that are you know don't fit into

161
00:08:43,180 --> 00:08:40,160
our known physics reverse technology

162
00:08:45,520 --> 00:08:43,190
perhaps could be could be anything's

163
00:08:50,160 --> 00:08:45,530

possible that's for sure well indeed

164

00:08:53,340 --> 00:08:50,170

well give us a little breakdown on the

165

00:08:55,480 --> 00:08:53,350

organization is it the oldest new

166

00:08:59,140 --> 00:08:55,490

organization in the world what what year

167

00:09:02,920 --> 00:08:59,150

was it founded its 1956 but I believe

168

00:09:06,280 --> 00:09:02,930

that the Cleveland Ohio yeah if I great

169

00:09:08,110 --> 00:09:06,290

I think my dreams my few minutes you're

170

00:09:11,590 --> 00:09:08,120

very well ad forward because I was just

171

00:09:15,490 --> 00:09:11,600

talking to Peter Robinson today who was

172

00:09:17,440 --> 00:09:15,500

mersa but Hopkins you know associate for

173

00:09:19,060 --> 00:09:17,450

many many years and I mentioned that you

174

00:09:21,700 --> 00:09:19,070

were going to be on the show and then

175

00:09:23,860 --> 00:09:21,710

you represented this group and that's

176

00:09:26,260 --> 00:09:23,870

what he said to that cups might have

177

00:09:28,180 --> 00:09:26,270

been around a little bit longer well

178

00:09:30,379 --> 00:09:28,190

they're after the cups you're the

179

00:09:33,329 --> 00:09:30,389

saucers that's all I know

180

00:09:38,749 --> 00:09:33,339

what I do know is there's not many of

181

00:09:42,629 --> 00:09:38,759

the older groups still left still far

182

00:09:46,679 --> 00:09:42,639

there any members still around from the

183

00:09:49,110 --> 00:09:46,689

the glory days if there is a gentleman

184

00:09:51,210 --> 00:09:49,120

who's what part of our team he was the

185

00:09:55,590 --> 00:09:51,220

past president his name's Colin Phillips

186

00:09:58,769 --> 00:09:55,600

and he was involved with the the George

187

00:10:03,569 --> 00:09:58,779

Adamski world tour we wait back it back

188

00:10:07,439 --> 00:10:03,579

in the day and here yeah yeah where he's

189

00:10:09,749 --> 00:10:07,449

80 now and but I think he's probably the

190

00:10:13,019 --> 00:10:09,759

last one who was still alive who was

191

00:10:16,290 --> 00:10:13,029

involved then yeah interesting times our

192

00:10:19,829 --> 00:10:16,300

organizations because of that we we've

193

00:10:22,499 --> 00:10:19,839

sort of inherited the legacy of the

194

00:10:23,129 --> 00:10:22,509

contactees you know that's how I got

195

00:10:26,160 --> 00:10:23,139

involved

196

00:10:29,009 --> 00:10:26,170

it's very interesting that you may be

197

00:10:31,799 --> 00:10:29,019

the last you're kind of the giant rock

198

00:10:35,639 --> 00:10:31,809

of Australia or the outback yep I think

199

00:10:38,759 --> 00:10:35,649

so I think that's true yeah we will well

200

00:10:40,139 --> 00:10:38,769

more will march on Pine Gap together but

201
00:10:43,259 --> 00:10:40,149
because I don't think there's anybody

202
00:10:46,799 --> 00:10:43,269
left Bob short who was one of the

203
00:10:50,730 --> 00:10:46,809
original contactees and channels from

204
00:10:53,579 --> 00:10:50,740
the George Van Tassel giant rock era he

205
00:10:56,309 --> 00:10:53,589
died about who I don't know recently

206
00:10:58,590 --> 00:10:56,319
within the last few a few months and I

207
00:11:01,290 --> 00:10:58,600
don't know anybody else that's left

208
00:11:04,379 --> 00:11:01,300
there maybe a cousin advant a soul and a

209
00:11:06,660 --> 00:11:04,389
and a nephew but it's certainly whittled

210
00:11:11,309 --> 00:11:06,670
that down what are the one of the

211
00:11:14,220 --> 00:11:11,319
objectives of the the group well the

212
00:11:17,100 --> 00:11:14,230
main one is to discover the meaning of

213
00:11:19,110 --> 00:11:17,110

the UFO phenomenon you can have a lot of

214

00:11:22,019 --> 00:11:19,120

facts you can collect a lot of data but

215

00:11:25,739 --> 00:11:22,029

then you've got to try and understand

216

00:11:29,790 --> 00:11:25,749

what the heck does it mean oh that's not

217

00:11:32,100 --> 00:11:29,800

easy you know because UFOs are a lot of

218

00:11:33,960 --> 00:11:32,110

different things so if somebody sees an

219

00:11:35,999 --> 00:11:33,970

object over here it may be totally

220

00:11:38,850 --> 00:11:36,009

different than the experience that

221

00:11:41,639 --> 00:11:38,860

somebody else is you know under going

222

00:11:43,180 --> 00:11:41,649

somewhere else so you got it it's kind

223

00:11:45,040 --> 00:11:43,190

of like a [h__h] of

224

00:11:46,389 --> 00:11:45,050

a cocktail you know you don't know

225

00:11:50,110 --> 00:11:46,399

exactly what you're going to get until

226

00:11:52,210 --> 00:11:50,120

you mix it up not a good it's pretty

227

00:11:58,530 --> 00:11:52,220

poor analogy but I guess I just want a

228

00:12:03,970 --> 00:11:58,540

drink I think parents inherent in that

229

00:12:05,829 --> 00:12:03,980

objective is you know you can collect a

230

00:12:08,199 --> 00:12:05,839

lot of stories from a lot of witnesses

231

00:12:10,600 --> 00:12:08,209

who've had Close Encounters which is my

232

00:12:13,079 --> 00:12:10,610

main interest and but you've still got

233

00:12:16,660 --> 00:12:13,089

to try and understand what that means

234

00:12:18,639 --> 00:12:16,670

outside of the individual's perceptual

235

00:12:19,929 --> 00:12:18,649

framework or their filtering system

236

00:12:23,290 --> 00:12:19,939

because by the time a witness comes

237

00:12:25,889 --> 00:12:23,300

forward to us they've they've talked

238

00:12:28,290 --> 00:12:25,899

about it with other people sometimes

239

00:12:30,280 --> 00:12:28,300

they've had negative experiences

240

00:12:33,189 --> 00:12:30,290

negative feedback from family and

241

00:12:35,710 --> 00:12:33,199

friends it's not as common for them to

242

00:12:37,540 --> 00:12:35,720

have positive feedback and so there's

243

00:12:39,340 --> 00:12:37,550

they're trying to make sense of it

244

00:12:42,340 --> 00:12:39,350

themselves about that sometimes by the

245

00:12:45,160 --> 00:12:42,350

time they get to us it their perception

246

00:12:49,319 --> 00:12:45,170

and interpretation is really colored by

247

00:12:54,550 --> 00:12:49,329

by those external you know events

248

00:12:58,059 --> 00:12:54,560

now the your own experiences they they

249

00:12:58,769 --> 00:12:58,069

started after you became involved in a

250

00:13:02,199 --> 00:12:58,779

group

251
00:13:03,699 --> 00:13:02,209
yes strangely enough and I don't know

252
00:13:05,920 --> 00:13:03,709
what that means there's another thing

253
00:13:08,499 --> 00:13:05,930
make sense of that maybe it's a strange

254
00:13:10,900 --> 00:13:08,509
synchronicity I don't know yeah that

255
00:13:13,269 --> 00:13:10,910
well synchronicities play a darn big a

256
00:13:15,970 --> 00:13:13,279
part in in all of this I know I've

257
00:13:17,470 --> 00:13:15,980
written a book recently about my

258
00:13:19,660 --> 00:13:17,480
synchronicities and then we're not just

259
00:13:21,160 --> 00:13:19,670
talking about that you know like you're

260
00:13:23,019 --> 00:13:21,170
thinking of somebody and they call on

261
00:13:26,499 --> 00:13:23,029
the phone and they say I mean enough

262
00:13:29,470 --> 00:13:26,509
material to fill a 450 page book some

263
00:13:31,870 --> 00:13:29,480

really remarkable stuff but okay so

264

00:13:33,850 --> 00:13:31,880

you're you're involved in this group

265

00:13:36,030 --> 00:13:33,860

you're the head of it and all of a

266

00:13:38,499 --> 00:13:36,040

sudden you're you're dragged screaming

267

00:13:43,629 --> 00:13:38,509

into a living nightmare well that's

268

00:13:45,910 --> 00:13:43,639

romantic go ahead I didn't have that

269

00:13:49,150 --> 00:13:45,920

experience but I know some people who'd

270

00:13:52,240 --> 00:13:49,160

come forward and they did but my

271

00:13:56,350 --> 00:13:52,250

experience like I joined the group in 88

272

00:13:58,629 --> 00:13:56,360

and 1990 I had a close encounter

273

00:14:01,569 --> 00:13:58,639

and what happened was that I'd gone to

274

00:14:02,859 --> 00:14:01,579

bed and I woke up in the early hours of

275

00:14:06,609 --> 00:14:02,869

the morning but it was still you know

276

00:14:09,639 --> 00:14:06,619

very dark but I saw standing beside the

277

00:14:12,249 --> 00:14:09,649

bed next to me these three small beings

278

00:14:14,619 --> 00:14:12,259

a typical sort of grey creatures that

279

00:14:18,189 --> 00:14:14,629

people described and they were being

280

00:14:21,280 --> 00:14:18,199

harm silhouetted by the streetlight

281

00:14:24,400 --> 00:14:21,290

outside so there was only about oh I

282

00:14:26,499 --> 00:14:24,410

guess a metre between the bed and the

283

00:14:28,389 --> 00:14:26,509

window and then there fitting in there

284

00:14:30,850 --> 00:14:28,399

and what's one of the strange things

285

00:14:33,069 --> 00:14:30,860

that comes up is these three appearing

286

00:14:35,169 --> 00:14:33,079

all the time I don't know what that

287

00:14:37,210 --> 00:14:35,179

means either but it's very common in

288

00:14:39,189 --> 00:14:37,220

reports with people who have these

289

00:14:43,329 --> 00:14:39,199

experiences that they will see three of

290

00:14:49,150 --> 00:14:43,339

these beings and then I was terrified I

291

00:14:51,369 --> 00:14:49,160

was petrified I described it as like

292

00:14:53,019 --> 00:14:51,379

waking up and seeing a Bengal tiger just

293

00:14:54,789 --> 00:14:53,029

sitting there looking at you very close

294

00:14:57,789 --> 00:14:54,799

and like what the hell do you do and

295

00:14:59,949 --> 00:14:57,799

that was that was the sense of of sheer

296

00:15:03,869 --> 00:14:59,959

terror that I felt and the next thing I

297

00:15:06,369 --> 00:15:03,879

know what happened was I automatically

298

00:15:07,809 --> 00:15:06,379

started saying the Lord's Prayer which

299

00:15:09,970 --> 00:15:07,819

is really strange because I'm not a

300

00:15:12,609 --> 00:15:09,980

religious person but I did go to Sunday

301

00:15:14,350 --> 00:15:12,619

school as a kid the first thing was I

302

00:15:16,539 --> 00:15:14,360

was surprised I even still knew it and

303

00:15:20,739 --> 00:15:16,549

secondly I just pulled the sheet up over

304

00:15:25,059 --> 00:15:20,749

my head and the next thing I know it's

305

00:15:26,769 --> 00:15:25,069

morning so the question then is well how

306

00:15:29,169 --> 00:15:26,779

does that person who's terrified go to

307

00:15:32,590 --> 00:15:29,179

sleep anyway I woke up the next morning

308

00:15:34,329 --> 00:15:32,600

didn't have every memory of it and went

309

00:15:36,519 --> 00:15:34,339

through my normal morning routine and

310

00:15:39,249 --> 00:15:36,529

just after lunchtime I remember

311

00:15:42,699 --> 00:15:39,259

something happened I don't know what but

312

00:15:45,159 --> 00:15:42,709

the memory of it was triggered and and

313

00:15:47,079 --> 00:15:45,169

it just came flooding back to me then it

314

00:15:49,239 --> 00:15:47,089

wasn't an experience where I remember

315

00:15:51,609 --> 00:15:49,249

being taken on board a craft or anything

316

00:15:55,389 --> 00:15:51,619

like that I don't remember having any

317

00:15:57,280 --> 00:15:55,399

you know the jiminee body marks or

318

00:15:59,379 --> 00:15:57,290

anything like that but it was just a

319

00:16:02,530 --> 00:15:59,389

very strange experience and I don't know

320

00:16:05,529 --> 00:16:02,540

how to explain that can you describe the

321

00:16:07,900 --> 00:16:05,539

beings a little bit more detail well it

322

00:16:09,670 --> 00:16:07,910

was difficult because there was still a

323

00:16:12,070 --> 00:16:09,680

whetted so their faces were in

324

00:16:15,460 --> 00:16:12,080

shadow yet I strangely have this memory

325

00:16:17,560 --> 00:16:15,470

of their large rep black wraparound eyes

326

00:16:19,360 --> 00:16:17,570

and I don't know how that is but the

327

00:16:22,530 --> 00:16:19,370

heads were the typical inverted

328

00:16:25,600 --> 00:16:22,540

pear-shaped heads are quite emaciated

329

00:16:27,960 --> 00:16:25,610

they were short they wouldn't have been

330

00:16:33,040 --> 00:16:27,970

more than three and a half feet tall and

331

00:16:37,030 --> 00:16:33,050

the interesting thing is you know I'm

332

00:16:38,920 --> 00:16:37,040

five foot seven so and I'm not a you

333

00:16:39,910 --> 00:16:38,930

know I'm not a a petite person I'm not

334

00:16:44,050 --> 00:16:39,920

overweight or anything but I'm not

335

00:16:46,269 --> 00:16:44,060

petite and I'm quite strong and in times

336

00:16:47,980 --> 00:16:46,279

gone past when my husband was travelling

337

00:16:49,540 --> 00:16:47,990

I'd hear a sound in the house I'd get up

338

00:16:52,030 --> 00:16:49,550

and get the kitchen knife out and walk

339

00:16:54,160 --> 00:16:52,040

through the house looking for something

340

00:16:55,930 --> 00:16:54,170

but in this particular experience I

341

00:16:58,000 --> 00:16:55,940

didn't do that where I could have easily

342

00:17:00,970 --> 00:16:58,010

gotten up and just knocked these guys

343

00:17:04,449 --> 00:17:00,980

over but I didn't because they were so

344

00:17:06,100 --> 00:17:04,459

'alien to me and people up and say yeah

345

00:17:07,510 --> 00:17:06,110

let's let's get the earlier let's get

346

00:17:09,220 --> 00:17:07,520

the craft down here we want to talk to

347

00:17:12,880 --> 00:17:09,230

him yeah yeah but actually when you have

348

00:17:16,030 --> 00:17:12,890

that experience the response because

349

00:17:18,280 --> 00:17:16,040

they are so alien is you know you can't

350

00:17:20,260 --> 00:17:18,290

predict it and I think maybe perhaps

351
00:17:22,600 --> 00:17:20,270
that's part of the cover-up is because

352
00:17:24,520 --> 00:17:22,610
we don't know or people the authorities

353
00:17:28,680 --> 00:17:24,530
don't know how people would actually

354
00:17:31,049 --> 00:17:28,690
respond if that information came out

355
00:17:35,590 --> 00:17:31,059
fully you know what I mean

356
00:17:38,590 --> 00:17:35,600
now did they did they have a message did

357
00:17:41,740 --> 00:17:38,600
you communicate nothing at all nothing

358
00:17:44,860 --> 00:17:41,750
not at all nothing not even a head not

359
00:17:52,200 --> 00:17:44,870
even a handshake not even invitation for

360
00:17:55,240 --> 00:17:52,210
a cup of tea mm-hmm and have you had

361
00:17:58,510 --> 00:17:55,250
reoccurring encounters with the same

362
00:18:01,840 --> 00:17:58,520
things or different beings not not in

363
00:18:05,260 --> 00:18:01,850

that way but I've I've seen UFOs and I

364

00:18:06,250 --> 00:18:05,270

mean UFOs not misinterpreted lights in

365

00:18:10,630 --> 00:18:06,260

the skies

366

00:18:13,390 --> 00:18:10,640

I've had about six good sightings one in

367

00:18:16,780 --> 00:18:13,400

particular was in 1992 when we went on a

368

00:18:18,580 --> 00:18:16,790

Sky Watch and it was about 3:00 in the

369

00:18:20,890 --> 00:18:18,590

morning and there were these three

370

00:18:21,769 --> 00:18:20,900

orange football shaped objects that came

371

00:18:24,229 --> 00:18:21,779

down they probably

372

00:18:26,869 --> 00:18:24,239

would have been about one to one and a

373

00:18:30,320 --> 00:18:26,879

half meters long and they came down over

374

00:18:32,989 --> 00:18:30,330

the dam where we were camping and as I

375

00:18:34,459 --> 00:18:32,999

ran down to the water there were so low

376

00:18:37,639 --> 00:18:34,469

that you could see the reflection of

377

00:18:41,869 --> 00:18:37,649

them on the water they didn't make any

378

00:18:44,089 --> 00:18:41,879

sound one just went out one slowly left

379

00:18:45,499 --> 00:18:44,099

and another one faded off into the

380

00:18:48,889 --> 00:18:45,509

distance and the other one came down on

381

00:18:51,289 --> 00:18:48,899

the other side of the inlet and came

382

00:18:52,969 --> 00:18:51,299

down to ground and some of the guys who

383

00:18:54,589 --> 00:18:52,979

were there with the Skype watching they

384

00:18:56,089 --> 00:18:54,599

rent drove around there to see if they

385

00:18:58,729 --> 00:18:56,099

could find anything on the ground any

386

00:19:01,249 --> 00:18:58,739

effects so you know burnt trees nothing

387

00:19:04,669 --> 00:19:01,259

went back the next day found nothing so

388

00:19:07,579 --> 00:19:04,679

I don't know what that was either how

389

00:19:11,889 --> 00:19:07,589

many how many active members do you have

390

00:19:16,430 --> 00:19:11,899

in the group at the moment we probably a

391

00:19:20,269 --> 00:19:16,440

membership we have I think it was 70

392

00:19:24,529 --> 00:19:20,279

something last last time we looked we've

393

00:19:27,379 --> 00:19:24,539

got five team members who do the work

394

00:19:29,509 --> 00:19:27,389

and organize everything and but you know

395

00:19:31,579 --> 00:19:29,519

in times gone past particularly the 90s

396

00:19:34,159 --> 00:19:31,589

when everything just went sky rocketed

397

00:19:37,099 --> 00:19:34,169

off the map I mean we had we had like

398

00:19:39,379 --> 00:19:37,109

over about 350 throughout an 80 members

399

00:19:43,039 --> 00:19:39,389

then it was just amazing time that

400

00:19:46,879 --> 00:19:43,049

decade how about Bakula the early days

401
00:19:49,419 --> 00:19:46,889
of Adamski know what size meetings did

402
00:19:52,489 --> 00:19:49,429
you have how many people showed up for

403
00:19:54,349 --> 00:19:52,499
well I wasn't involved in but I can't

404
00:19:57,049 --> 00:19:54,359
tell you when George Adamski came to

405
00:20:00,619 --> 00:19:57,059
Brisbane they organized a meeting for

406
00:20:04,279 --> 00:20:00,629
him in the town hall and said it's a

407
00:20:07,269 --> 00:20:04,289
very big city hall and they had 2,000

408
00:20:09,560 --> 00:20:07,279
people in there and they had strung up

409
00:20:10,789 --> 00:20:09,570
speakers outside so the people outside

410
00:20:13,249 --> 00:20:10,799
who couldn't get in could hear what he

411
00:20:15,229 --> 00:20:13,259
was saying but he had a he had a really

412
00:20:17,029 --> 00:20:15,239
you know difficult response from the

413
00:20:19,729 --> 00:20:17,039

audience there were University students

414

00:20:21,529 --> 00:20:19,739

running around and they had paper plates

415

00:20:24,919 --> 00:20:21,539

holed up in front of them now painted

416

00:20:27,739 --> 00:20:24,929

green and I think that from memory there

417

00:20:29,479 --> 00:20:27,749

was there was people onstage people were

418

00:20:31,820 --> 00:20:29,489

throwing things at him and he walked off

419

00:20:35,450 --> 00:20:31,830

the stage once and and I know that

420

00:20:38,690 --> 00:20:35,460

because my father my late father-in-law

421

00:20:41,269 --> 00:20:38,700

had been a member long time ago and he'd

422

00:20:45,110 --> 00:20:41,279

gone to that event it sounds like a

423

00:20:47,000 --> 00:20:45,120

political convention yes well it was

424

00:20:48,769 --> 00:20:47,010

well organized to debunk him that's for

425

00:20:51,919 --> 00:20:48,779

sure whoever whoever organized it

426

00:20:54,139 --> 00:20:51,929

whoever was there who knows well there's

427

00:20:58,070 --> 00:20:54,149

a lot to be said Pro and somewhat to be

428

00:21:01,880 --> 00:20:58,080

said trying about mr. Adamski I mean I I

429

00:21:03,980 --> 00:21:01,890

think with a lot of these contactees you

430

00:21:05,779 --> 00:21:03,990

know they they get a attention and they

431

00:21:08,019 --> 00:21:05,789

want a little bit more so they get a

432

00:21:10,730 --> 00:21:08,029

little bit to their story just to keep

433

00:21:13,070 --> 00:21:10,740

you know people are coming back to hear

434

00:21:16,580 --> 00:21:13,080

what they have to to say I mean because

435

00:21:20,180 --> 00:21:16,590

we know for farewell now he was involved

436

00:21:22,960 --> 00:21:20,190

mister damn ski was involved with I

437

00:21:26,630 --> 00:21:22,970

guess metaphysical or occult philosophy

438

00:21:28,610 --> 00:21:26,640

going back to 1935 most people don't

439

00:21:31,549 --> 00:21:28,620

realize this but he actually had set up

440

00:21:33,320 --> 00:21:31,559

some sort of commune in California with

441

00:21:34,820 --> 00:21:33,330

a pyramid and was trying to get people

442

00:21:37,909 --> 00:21:34,830

to join this group that he started the

443

00:21:41,210 --> 00:21:37,919

mystical order at Tibet and then he

444

00:21:44,180 --> 00:21:41,220

wrote a book called pioneers from space

445

00:21:47,269 --> 00:21:44,190

which we have remanded thinker the end

446

00:21:52,070 --> 00:21:47,279

of states and then later on he wrote

447

00:21:55,190 --> 00:21:52,080

about his encounter with the face of

448

00:21:57,980 --> 00:21:55,200

being north on in the desert but even be

449

00:22:00,289 --> 00:21:57,990

that right now do you guys have contact

450

00:22:04,970 --> 00:22:00,299

these over there like Adamski I mean do

451
00:22:07,970 --> 00:22:04,980
you have your own breed of there are

452
00:22:11,570 --> 00:22:07,980
people we don't really not not today

453
00:22:12,710 --> 00:22:11,580
although there are people actually

454
00:22:15,080 --> 00:22:12,720
that's not quite true there's a

455
00:22:16,519 --> 00:22:15,090
gentleman in in Sydney called Damien

456
00:22:18,110 --> 00:22:16,529
John not I don't know if you've heard

457
00:22:20,810 --> 00:22:18,120
about him over in the states but he

458
00:22:22,549 --> 00:22:20,820
seems to be like a UFO magnet everywhere

459
00:22:26,120 --> 00:22:22,559
he goes you would first turn up any

460
00:22:29,539 --> 00:22:26,130
films a lot of of UFOs or that we call

461
00:22:31,700 --> 00:22:29,549
them UFO repeaters when we have a UFO

462
00:22:34,070 --> 00:22:31,710
repeaters the camera doesn't lie

463
00:22:36,560 --> 00:22:34,080

these people seem they have the uncanny

464

00:22:38,269 --> 00:22:36,570

ability of going out daytime or

465

00:22:40,700 --> 00:22:38,279

nighttime pointing the camera at the sky

466

00:22:44,330 --> 00:22:40,710

clicking away and getting some very

467

00:22:46,029 --> 00:22:44,340

unusual objects and sometimes even the

468

00:22:48,860 --> 00:22:46,039

outlines or figures have been the

469

00:22:52,520 --> 00:22:48,870

individuals that's wrong

470

00:22:55,970 --> 00:22:52,530

yeah um why is that who knows but you

471

00:23:00,220 --> 00:22:55,980

know statistics don't sort of match

472

00:23:04,220 --> 00:23:00,230

what's going on you can have you know

473

00:23:08,120 --> 00:23:04,230

statistics show that an individual will

474

00:23:09,590 --> 00:23:08,130

have multiple experiences whether

475

00:23:11,390 --> 00:23:09,600

they're close encounters or UFO

476

00:23:14,780 --> 00:23:11,400

sightings in their life

477

00:23:16,580 --> 00:23:14,790

whereas statistically that doesn't seem

478

00:23:19,460 --> 00:23:16,590

to make sense because you think if one

479

00:23:21,890 --> 00:23:19,470

in 30 people had you know had those

480

00:23:23,780 --> 00:23:21,900

experiences then 2 and 60 and and so on

481

00:23:26,390 --> 00:23:23,790

but it doesn't come out like that it

482

00:23:29,510 --> 00:23:26,400

comes out that one individual repeatedly

483

00:23:31,549 --> 00:23:29,520

has these experiences and try and make

484

00:23:33,610 --> 00:23:31,559

some sort of sense of that particularly

485

00:23:37,160 --> 00:23:33,620

when you add it to all the paranormal

486

00:23:39,650 --> 00:23:37,170

elements of their experiences and all

487

00:23:41,960 --> 00:23:39,660

the effects that happen to them you know

488

00:23:44,419 --> 00:23:41,970

the electronic effects and how it

489

00:23:46,610 --> 00:23:44,429

changes their lives and then when you

490

00:23:48,799 --> 00:23:46,620

answer that the whole place encounter

491

00:23:50,990 --> 00:23:48,809

package which is what I call it which is

492

00:23:53,810 --> 00:23:51,000

where they're not only report close

493

00:23:56,120 --> 00:23:53,820

encounters they also report new death

494

00:23:58,490 --> 00:23:56,130

experiences out-of-body experiences

495

00:23:59,770 --> 00:23:58,500

poltergeist activity all those sort of

496

00:24:03,620 --> 00:23:59,780

things

497

00:24:05,960 --> 00:24:03,630

absolutely it just seems to grow in grow

498

00:24:08,930 --> 00:24:05,970

we we've had people here to have started

499

00:24:10,970 --> 00:24:08,940

out that chasing Bigfoot you know that

500

00:24:12,919 --> 00:24:10,980

going to an area where there been

501
00:24:14,360 --> 00:24:12,929
Bigfoot sightings all of a sudden UFO

502
00:24:15,980 --> 00:24:14,370
start up here and then the men in black

503
00:24:18,410 --> 00:24:15,990
are there and before you know it the 8a

504
00:24:21,830 --> 00:24:18,420
government agents of agents have shown

505
00:24:23,870 --> 00:24:21,840
up in panel trucks and and so forth it's

506
00:24:33,200 --> 00:24:23,880
all very peculiar and strange and

507
00:24:39,930 --> 00:24:37,350
now back to exploring the bazaar with

508
00:24:42,930 --> 00:24:39,940
two of the most electrifying researchers

509
00:24:48,180 --> 00:24:42,940
in the Paranoid your hosts Timothy

510
00:24:49,950 --> 00:24:48,190
Rebecca Lee Ann Taylor Swift's welcome

511
00:24:52,350 --> 00:24:49,960
back to exploring the bazaar I'm Tim

512
00:24:56,570 --> 00:24:52,360
Schwarz tonight we are talking with

513
00:24:59,220 --> 00:24:56,580

Cheryl cultural who has been working

514

00:25:04,289 --> 00:24:59,230

she's been a dedicated researcher of the

515

00:25:08,750 --> 00:25:04,299

UFO mystery for 31 years with the UFO

516

00:25:12,120 --> 00:25:08,760

research Queensland so Cheryl I know a

517

00:25:17,340 --> 00:25:12,130

Tim was interested in in finding out

518

00:25:22,770 --> 00:25:17,350

what about has there been any research

519

00:25:29,610 --> 00:25:22,780

done on historical UFO sightings say

520

00:25:34,520 --> 00:25:29,620

maybe with the Aboriginal people in

521

00:25:38,340 --> 00:25:34,530

Australia I mean I know that since 1947

522

00:25:41,190 --> 00:25:38,350

we've had a lot of modern-day press

523

00:25:45,600 --> 00:25:41,200

covers but what about the what about the

524

00:25:48,030 --> 00:25:45,610

far past mmm well the far past is really

525

00:25:51,480 --> 00:25:48,040

hard to get your hands on because only

526
00:25:54,090 --> 00:25:51,490
in two recent times Aboriginal people

527
00:25:56,419 --> 00:25:54,100
haven't been as free to share their

528
00:25:59,789 --> 00:25:56,429
knowledge as perhaps some other

529
00:26:01,770 --> 00:25:59,799
indigenous people they've been very

530
00:26:03,419 --> 00:26:01,780
quiet about what's going on but there

531
00:26:06,150 --> 00:26:03,429
has been have been a couple of

532
00:26:09,870 --> 00:26:06,160
researchers here who have collected

533
00:26:11,970 --> 00:26:09,880
reports from Aboriginal people but again

534
00:26:13,710 --> 00:26:11,980
it's been really difficult it's real

535
00:26:16,860 --> 00:26:13,720
unless you're introduced to them it's

536
00:26:21,750 --> 00:26:16,870
really difficult to find people who will

537
00:26:23,520 --> 00:26:21,760
talk but in recent years in very recent

538
00:26:25,980 --> 00:26:23,530

years they've been a little bit more

539

00:26:30,090 --> 00:26:25,990

forthcoming in sharing information

540

00:26:34,049 --> 00:26:30,100

because they want to get the information

541

00:26:38,580 --> 00:26:34,059

out there now I have a friend who is an

542

00:26:41,850 --> 00:26:38,590

Aboriginal elder and she actually takes

543

00:26:45,399 --> 00:26:41,860

people down to South Australia in groups

544

00:26:50,139 --> 00:26:45,409

to a very sacred place

545

00:26:53,619 --> 00:26:50,149

and just to show them the the aboriginal

546

00:26:58,450 --> 00:26:53,629

sacred site and other things but she's

547

00:27:01,119 --> 00:26:58,460

taken photos of petroglyphs on the cliff

548

00:27:02,710 --> 00:27:01,129

faces down there and she said even the

549

00:27:05,019 --> 00:27:02,720

aboriginal people don't know where these

550

00:27:06,940 --> 00:27:05,029

came from they're so old they're

551
00:27:09,999 --> 00:27:06,950
actually starting to fall off the cliff

552
00:27:11,889 --> 00:27:10,009
faces so there are some things that you

553
00:27:15,700 --> 00:27:11,899
know they don't know and they've been

554
00:27:17,200 --> 00:27:15,710
around for a long time we know that but

555
00:27:19,419 --> 00:27:17,210
you know there's in the Kimberley

556
00:27:21,639 --> 00:27:19,429
Rangers in Western Australia there is

557
00:27:25,930 --> 00:27:21,649
and this is probably where you've seen a

558
00:27:27,789 --> 00:27:25,940
lot of the images on the internet of sky

559
00:27:30,970 --> 00:27:27,799
beings or the ones you know or the

560
00:27:33,129 --> 00:27:30,980
spirits where they're depicted as

561
00:27:37,810 --> 00:27:33,139
humanoid looking but they have this sort

562
00:27:39,279 --> 00:27:37,820
of you know markings around their head

563
00:27:40,239 --> 00:27:39,289

like they're wearing headgear or

564

00:27:43,570 --> 00:27:40,249

something like that

565

00:27:46,029 --> 00:27:43,580

and the question is you know how do you

566

00:27:47,980 --> 00:27:46,039

draw something that you don't know

567

00:27:50,889 --> 00:27:47,990

exists and I was having to think about

568

00:27:52,899 --> 00:27:50,899

this yesterday how can you how can you I

569

00:27:55,119 --> 00:27:52,909

mean you can be creative but it's really

570

00:27:57,279 --> 00:27:55,129

difficult to sit down and draw something

571

00:27:59,289 --> 00:27:57,289

that you actually haven't seen or

572

00:28:01,690 --> 00:27:59,299

haven't seen something similar to it

573

00:28:06,279 --> 00:28:01,700

you've just got to be original in that

574

00:28:08,739 --> 00:28:06,289

respect and I don't think that's as easy

575

00:28:12,430 --> 00:28:08,749

is what some people think so they they

576

00:28:14,470 --> 00:28:12,440

depicted these ones earnest spirits who

577

00:28:18,820 --> 00:28:14,480

you know would come who were here and

578

00:28:20,859 --> 00:28:18,830

walking among people and interacting

579

00:28:22,960 --> 00:28:20,869

with them but there's also a gentleman

580

00:28:24,759 --> 00:28:22,970

called Rex Kilroy down in the Blue

581

00:28:26,289 --> 00:28:24,769

Mountains in New South Wales so he's

582

00:28:29,039 --> 00:28:26,299

collected some stories from the

583

00:28:33,549 --> 00:28:29,049

aboriginal beings about sky beings and

584

00:28:36,009 --> 00:28:33,559

there was one that came to earth in an

585

00:28:41,080 --> 00:28:36,019

egg that broke open and what what does

586

00:28:44,700 --> 00:28:41,090

that sound like and emerge from there so

587

00:28:47,830 --> 00:28:44,710

you know it's there's certainly a

588

00:28:51,279 --> 00:28:47,840

knowledge there it's just trying to get

589

00:28:53,769 --> 00:28:51,289

it trying to hear more about it it's the

590

00:28:55,779 --> 00:28:53,779

same situation here in the United States

591

00:28:56,630 --> 00:28:55,789

with Native Americans

592

00:28:59,630 --> 00:28:56,640

who

593

00:29:03,250 --> 00:28:59,640

have been reluctant to talk about their

594

00:29:06,320 --> 00:29:03,260

their beliefs and experiences that

595

00:29:10,090 --> 00:29:06,330

continue till this day

596

00:29:14,870 --> 00:29:10,100

now you brought up a good point though

597

00:29:17,390 --> 00:29:14,880

when it comes to UFOs and UFO

598

00:29:21,470 --> 00:29:17,400

experiences and and I know that there

599

00:29:24,770 --> 00:29:21,480

are you know nuts and bolt believers out

600

00:29:27,740 --> 00:29:24,780

there who hate this aspect of it refused

601
00:29:32,330 --> 00:29:27,750
to even consider it but it does seem

602
00:29:36,800 --> 00:29:32,340
that there is another aspect to the UFO

603
00:29:41,240 --> 00:29:36,810
phenomena that is for what of a better

604
00:29:42,950 --> 00:29:41,250
word akin to paranormal phenomena you

605
00:29:46,730 --> 00:29:42,960
had said in the previous segment yeah

606
00:29:50,810 --> 00:29:46,740
you know how it's it's very reminiscent

607
00:29:53,360 --> 00:29:50,820
of of near-death experiences and and as

608
00:29:56,300 --> 00:29:53,370
well you know people who have had UFO

609
00:29:58,730 --> 00:29:56,310
encounters a lot of times then find

610
00:30:01,400 --> 00:29:58,740
their houses haunted with with

611
00:30:04,280 --> 00:30:01,410
poltergeist and and and other weird

612
00:30:06,380 --> 00:30:04,290
things so I mean what is what is your

613
00:30:11,480 --> 00:30:06,390

opinion I mean do you think that there

614

00:30:14,150 --> 00:30:11,490

is more to UFOs than just you know metal

615

00:30:16,810 --> 00:30:14,160

spaceships coming from a another solar

616

00:30:19,700 --> 00:30:16,820

system with scientists visiting us

617

00:30:22,840 --> 00:30:19,710

absolutely and the reason I say that is

618

00:30:27,500 --> 00:30:22,850

because in 1995 I was actually running a

619

00:30:30,290 --> 00:30:27,510

New Age Center and I had a night about

620

00:30:31,970 --> 00:30:30,300

near-death experiences and a woman came

621

00:30:34,730 --> 00:30:31,980

forward and she told me this - she

622

00:30:36,170 --> 00:30:34,740

wasn't there for each he experiences she

623

00:30:39,110 --> 00:30:36,180

came forward and told me about a strange

624

00:30:41,810 --> 00:30:39,120

new death experience she had where was

625

00:30:44,180 --> 00:30:41,820

new death / out-of-body experience but

626
00:30:46,730 --> 00:30:44,190
her young child had died and she'd been

627
00:30:49,700 --> 00:30:46,740
to the funeral that day come home

628
00:30:53,000 --> 00:30:49,710
obviously extremely distraught about the

629
00:30:55,160 --> 00:30:53,010
loss of a child and she laid down on the

630
00:30:57,110 --> 00:30:55,170
bed she didn't feel great she lay down

631
00:30:59,020 --> 00:30:57,120
on the bed and she could feel her heart

632
00:31:01,730 --> 00:30:59,030
rate dropping and dropping and dropping

633
00:31:03,650 --> 00:31:01,740
the next thing she knows she's not in

634
00:31:08,060 --> 00:31:03,660
her body lying on the bed she's walking

635
00:31:09,880 --> 00:31:08,070
along a path with her young child with

636
00:31:12,760 --> 00:31:09,890
the hand of a young child holding

637
00:31:14,890 --> 00:31:12,770
holding hand of a young child sorry and

638
00:31:16,930 --> 00:31:14,900

they're going among this sort of winding

639

00:31:19,330 --> 00:31:16,940

path and they get to the typical point

640

00:31:20,980 --> 00:31:19,340

where people often talk about in

641

00:31:23,290 --> 00:31:20,990

near-death experiences you know the

642

00:31:25,120 --> 00:31:23,300

point of no return we either make up

643

00:31:27,250 --> 00:31:25,130

your mind to go across or you turn

644

00:31:29,230 --> 00:31:27,260

around and go back you can't come well

645

00:31:32,310 --> 00:31:29,240

that's what happened with her so she was

646

00:31:35,530 --> 00:31:32,320

met by a spirit being and this being

647

00:31:37,660 --> 00:31:35,540

said you can't come any further but I

648

00:31:40,360 --> 00:31:37,670

will take the soul of your child from

649

00:31:42,040 --> 00:31:40,370

here on I shall look after her with much

650

00:31:43,960 --> 00:31:42,050

doing and throwing and distraught and

651
00:31:46,270 --> 00:31:43,970
saying goodbyes and all that she passed

652
00:31:49,690 --> 00:31:46,280
the daughter over to the spirit being

653
00:31:53,380 --> 00:31:49,700
she returns on the path and as she was

654
00:31:56,100 --> 00:31:53,390
returning she sees a spaceship she's not

655
00:32:00,490 --> 00:31:56,110
a UFO a person she's out of her body she

656
00:32:01,990 --> 00:32:00,500
sees this ship she goes up somehow she

657
00:32:03,460 --> 00:32:02,000
gets into it I can't remember now

658
00:32:06,010 --> 00:32:03,470
whether it was up some sort of platform

659
00:32:09,580 --> 00:32:06,020
or stairs or something but she goes into

660
00:32:13,150 --> 00:32:09,590
it she's laid down on a on something

661
00:32:18,280 --> 00:32:13,160
like a a bed or a bench they seem to do

662
00:32:21,970 --> 00:32:18,290
some sort of you know examination of her

663
00:32:24,340 --> 00:32:21,980

in her out-of-body State next thing she

664

00:32:27,010 --> 00:32:24,350

knows she's up and she's back on the

665

00:32:31,360 --> 00:32:27,020

path she walks back and then she wakes

666

00:32:35,470 --> 00:32:31,370

up on a bed now that in 1995 really

667

00:32:37,960 --> 00:32:35,480

opened the the package up for me because

668

00:32:39,550 --> 00:32:37,970

I've had other experiences people come

669

00:32:41,110 --> 00:32:39,560

forward and talk about that there was

670

00:32:44,890 --> 00:32:41,120

another woman a couple of years ago

671

00:32:48,310 --> 00:32:44,900

actually who she's in her sixties now

672

00:32:50,170 --> 00:32:48,320

but at age 12 she had a near-death

673

00:32:52,360 --> 00:32:50,180

experience and she told me this because

674

00:32:55,230 --> 00:32:52,370

I run a monthly afterlife group as well

675

00:32:58,030 --> 00:32:55,240

so that's where she told me and she said

676

00:33:01,690 --> 00:32:58,040

she had gone into hospital I think it

677

00:33:03,070 --> 00:33:01,700

was to have you know her not adenoids

678

00:33:04,870 --> 00:33:03,080

might have been had no something like

679

00:33:09,340 --> 00:33:04,880

that remit something fixed in a throat

680

00:33:12,850 --> 00:33:09,350

anyway our ears whatever anyway and they

681

00:33:15,940 --> 00:33:12,860

put the mask on her but they didn't turn

682

00:33:17,650 --> 00:33:15,950

the oxygen on so she's struggling in the

683

00:33:19,390 --> 00:33:17,660

next thing she's out of a body she's

684

00:33:22,720 --> 00:33:19,400

looking at them trying to resuscitate

685

00:33:23,500 --> 00:33:22,730

her and all that then she sees herself

686

00:33:30,250 --> 00:33:23,510

in

687

00:33:33,190 --> 00:33:30,260

light at the end of this like a tunnel

688

00:33:35,830 --> 00:33:33,200

or a tube or something like that and now

689

00:33:39,490 --> 00:33:35,840

she's going towards the light she also

690

00:33:43,150 --> 00:33:39,500

sees a return stream of light and in

691

00:33:45,820 --> 00:33:43,160

this return stream she sees a small boy

692

00:33:48,130 --> 00:33:45,830

or she thinks it's a small boy and he

693

00:33:50,560 --> 00:33:48,140

looks to formed he's got a big head he's

694

00:33:52,240 --> 00:33:50,570

got a very small body and she thinks to

695

00:33:54,820 --> 00:33:52,250

herself as a 12 year old oh that poor

696

00:33:58,780 --> 00:33:54,830

little boy he's so deformed you know

697

00:34:03,570 --> 00:33:58,790

blah blah anyway she's returned to a

698

00:34:08,800 --> 00:34:03,580

body and and she's fine today but about

699

00:34:10,810 --> 00:34:08,810

15 years ago she came to UFO meeting I

700

00:34:13,270 --> 00:34:10,820

didn't know this but she told me

701
00:34:15,220 --> 00:34:13,280
recently that she came to UFO meeting

702
00:34:17,169 --> 00:34:15,230
and as she walked in the door someone

703
00:34:17,980 --> 00:34:17,179
was talking about alien abductions and

704
00:34:19,810 --> 00:34:17,990
up on the screen

705
00:34:22,840 --> 00:34:19,820
they had a grey one of these small grey

706
00:34:25,800 --> 00:34:22,850
beings as she said that is exactly what

707
00:34:28,360 --> 00:34:25,810
I saw during my near-death experience

708
00:34:33,010 --> 00:34:28,370
now there's something really big going

709
00:34:35,350 --> 00:34:33,020
on there it's not just about nuts and

710
00:34:37,750 --> 00:34:35,360
bolts and crafts from planets and living

711
00:34:39,850 --> 00:34:37,760
in deep space and touching down on earth

712
00:34:41,530 --> 00:34:39,860
to feel their you know fill tree fill

713
00:34:45,010 --> 00:34:41,540

their resources and all that there's

714

00:34:48,340 --> 00:34:45,020

something much much bigger going on and

715

00:34:50,909 --> 00:34:48,350

that's also communicated in Suzy

716

00:34:54,070 --> 00:34:50,919

Hansen's book the dual soul connection

717

00:34:57,490 --> 00:34:54,080

because Suzy is a New Zealand experience

718

00:35:01,330 --> 00:34:57,500

a researcher and author and she had

719

00:35:03,430 --> 00:35:01,340

experiences that started at a 20 when

720

00:35:07,140 --> 00:35:03,440

her car the car that she was in was

721

00:35:09,670 --> 00:35:07,150

lifted up off the ground and she was

722

00:35:11,410 --> 00:35:09,680

subsequently later on she had

723

00:35:15,160 --> 00:35:11,420

experiences where she was taken on board

724

00:35:18,130 --> 00:35:15,170

a craft and the these little grey alien

725

00:35:23,710 --> 00:35:18,140

beings inserted the sole of her unborn

726
00:35:25,960 --> 00:35:23,720
son into her body these are really how

727
00:35:28,780 --> 00:35:25,970
to impress this upon people but this is

728
00:35:30,730 --> 00:35:28,790
just such a big story waiting to be

729
00:35:34,480 --> 00:35:30,740
unpacked by researchers who would dare

730
00:35:37,300 --> 00:35:34,490
to go there well and that's that's just

731
00:35:40,000 --> 00:35:37,310
it I mean the the UFO subject

732
00:35:42,790 --> 00:35:40,010
for four years as you well know and I

733
00:35:45,670 --> 00:35:42,800
mean you you would have you have to you

734
00:35:48,010 --> 00:35:45,680
have had to approach it and disseminate

735
00:35:52,780 --> 00:35:48,020
the information really just just very

736
00:35:56,730 --> 00:35:52,790
very carefully you know for for want of

737
00:36:02,350 --> 00:35:56,740
the giggle factor and ridicule but now

738
00:36:06,550 --> 00:36:02,360

with this overwhelming evidence of some

739

00:36:09,190 --> 00:36:06,560

other aspect of it that is paranormal

740

00:36:14,620 --> 00:36:09,200

mystical what-have-you

741

00:36:16,870 --> 00:36:14,630

it's like okay how am I going to how am

742

00:36:19,990 --> 00:36:16,880

I going to put this out and have people

743

00:36:22,780 --> 00:36:20,000

take me seriously exactly and I think

744

00:36:24,520 --> 00:36:22,790

what's happened with many orc UFO

745

00:36:27,520 --> 00:36:24,530

organizations and independent

746

00:36:30,940 --> 00:36:27,530

researchers is that in the past they

747

00:36:33,190 --> 00:36:30,950

have wanted scientific attention they

748

00:36:35,860 --> 00:36:33,200

had wanted to get professionals involved

749

00:36:37,390 --> 00:36:35,870

in the subject that's great but they

750

00:36:39,520 --> 00:36:37,400

weren't taking any notice for a long

751
00:36:41,770 --> 00:36:39,530
long long long time and they've missed

752
00:36:44,140 --> 00:36:41,780
the bus as far as I'm concerned so it's

753
00:36:48,100 --> 00:36:44,150
now up to researchers to get that

754
00:36:50,080 --> 00:36:48,110
information out there we know that my do

755
00:36:52,270 --> 00:36:50,090
some scientists are very quietly looking

756
00:36:53,770 --> 00:36:52,280
into the subject of course and not may

757
00:36:56,740 --> 00:36:53,780
not go in public with it

758
00:36:58,660 --> 00:36:56,750
but you know to help the subject they

759
00:37:02,610 --> 00:36:58,670
have been more of a hindrance than

760
00:37:05,170 --> 00:37:02,620
anything else so you know it's it's huge

761
00:37:07,600 --> 00:37:05,180
there's certainly something metaphysical

762
00:37:12,520 --> 00:37:07,610
or paranormal supernatural call it what

763
00:37:14,590 --> 00:37:12,530

you like involved in it as well and then

764

00:37:18,820 --> 00:37:14,600

and that's what what makes the phenomena

765

00:37:22,570 --> 00:37:18,830

so interesting is that it it has what

766

00:37:25,330 --> 00:37:22,580

appears to be physical attributes and at

767

00:37:30,690 --> 00:37:25,340

the same time it has you know the this

768

00:37:37,360 --> 00:37:30,700

other side you know almost a ghostly

769

00:37:42,100 --> 00:37:37,370

part you know I mean yeah and so where

770

00:37:46,500 --> 00:37:42,110

do you think then researchers should

771

00:37:49,960 --> 00:37:46,510

should go in the future on how to

772

00:37:51,099 --> 00:37:49,970

investigate this phenomena how to deal

773

00:37:52,509 --> 00:37:51,109

with the people who

774

00:37:56,589 --> 00:37:52,519

who are brave enough to come forward

775

00:38:02,920 --> 00:37:56,599

with their experiences without scaring

776

00:38:05,229 --> 00:38:02,930

them off and to start gleaning this this

777

00:38:10,329 --> 00:38:05,239

new information that's being presented

778

00:38:14,259 --> 00:38:10,339

to us you know the information that that

779

00:38:18,579 --> 00:38:14,269

really nobody has has dared touch for a

780

00:38:23,440 --> 00:38:18,589

long time yeah well first of all it's

781

00:38:26,559 --> 00:38:23,450

not new it's just that we have to be

782

00:38:28,239 --> 00:38:26,569

braver I guess you could say in rope

783

00:38:29,890 --> 00:38:28,249

putting the information out there

784

00:38:31,599 --> 00:38:29,900

because I think that's what happened in

785

00:38:34,359 --> 00:38:31,609

the past and people were concerned about

786

00:38:37,420 --> 00:38:34,369

the public reaction and like you said

787

00:38:38,259 --> 00:38:37,430

the giggles factor and taking it

788

00:38:40,150 --> 00:38:38,269

seriously

789

00:38:41,920 --> 00:38:40,160

but you know it's a different we're

790

00:38:44,259 --> 00:38:41,930

living in a different time now where

791

00:38:46,150 --> 00:38:44,269

we're talking about you know there are

792

00:38:48,160 --> 00:38:46,160

some physicists who are talking about

793

00:38:51,099 --> 00:38:48,170

some interesting things like Michio Kaku

794

00:38:54,579 --> 00:38:51,109

you know for example talking about other

795

00:38:56,200 --> 00:38:54,589

dimensions and you know string theory

796

00:38:57,609 --> 00:38:56,210

and maybe some of these their

797

00:38:59,200 --> 00:38:57,619

understanding of physics modern day

798

00:39:01,210 --> 00:38:59,210

understanding of physics can actually

799

00:39:04,239 --> 00:39:01,220

explain some of the metaphysical things

800

00:39:05,769 --> 00:39:04,249

that we're seeing you know so it's a

801
00:39:08,079 --> 00:39:05,779
different time that we're living in now

802
00:39:09,880 --> 00:39:08,089
so I think the time is actually right

803
00:39:12,400 --> 00:39:09,890
for more people to come forward for

804
00:39:14,529 --> 00:39:12,410
researchers to to present the

805
00:39:16,479 --> 00:39:14,539
information cuz that's all it is the

806
00:39:19,089 --> 00:39:16,489
information has always been there it's

807
00:39:21,489 --> 00:39:19,099
just a matter of presenting it not being

808
00:39:25,779 --> 00:39:21,499
so worried about you know precious

809
00:39:29,529 --> 00:39:25,789
reputations and getting it out there hey

810
00:39:30,970 --> 00:39:29,539
you know what I want to ask you have UFO

811
00:39:33,609 --> 00:39:30,980
witnesses you know we've had a lot of

812
00:39:36,370 --> 00:39:33,619
cases over here where UFO witnesses have

813
00:39:39,190 --> 00:39:36,380

been arrest by the so called the men in

814

00:39:44,170 --> 00:39:39,200

black have you had any cases like that

815

00:39:51,279 --> 00:39:44,180

over there yes I was involved in

816

00:39:55,660 --> 00:39:51,289

actually well yeah look at two stories

817

00:39:58,720 --> 00:39:55,670

but the first one is from gosh must have

818

00:40:02,739 --> 00:39:58,730

been about 20 years ago a gentleman who

819

00:40:04,680 --> 00:40:02,749

was claimed he was retired Green Beret

820

00:40:08,100 --> 00:40:04,690

soldier

821

00:40:13,630 --> 00:40:08,110

he was living a few suburbs from me on

822

00:40:18,550 --> 00:40:13,640

property and he called to report seeing

823

00:40:20,350 --> 00:40:18,560

a UFO and I said oh it's interesting and

824

00:40:21,760 --> 00:40:20,360

he never told me his name never told me

825

00:40:24,490 --> 00:40:21,770

where he lived only found that out later

826

00:40:29,560 --> 00:40:24,500

and I took took down the notes and

827

00:40:31,900 --> 00:40:29,570

recorded it anyway he says and the UFO

828

00:40:34,680 --> 00:40:31,910

was it was like a light that he had been

829

00:40:36,880 --> 00:40:34,690

looking at that had come into this

830

00:40:39,550 --> 00:40:36,890

property or acreage that he was living

831

00:40:43,260 --> 00:40:39,560

on and gone down into the gully behind

832

00:40:45,850 --> 00:40:43,270

the house and disappeared and only

833

00:40:48,580 --> 00:40:45,860

moments after he got off the phone to me

834

00:40:51,610 --> 00:40:48,590

there was a knock at the door and he

835

00:40:53,770 --> 00:40:51,620

said these two goons I have no idea who

836

00:40:56,230 --> 00:40:53,780

they were but they pushed their way into

837

00:40:58,780 --> 00:40:56,240

the door and he said they were just

838

00:41:03,370 --> 00:40:58,790

ridiculous they were wearing hats dark

839

00:41:05,860 --> 00:41:03,380

glasses they had pale skin and they you

840

00:41:08,770 --> 00:41:05,870

know harassed him and he just pushed him

841

00:41:10,090 --> 00:41:08,780

out and he rang me late not that the

842

00:41:12,580 --> 00:41:10,100

next day I think it was of the day after

843

00:41:14,230 --> 00:41:12,590

and he said well thanks very much for

844

00:41:15,730 --> 00:41:14,240

that nice of what do you mean yes and he

845

00:41:17,590 --> 00:41:15,740

told me what happened I said well I

846

00:41:19,090 --> 00:41:17,600

don't know you didn't you didn't give me

847

00:41:22,510 --> 00:41:19,100

your name you didn't tell me where you'd

848

00:41:26,290 --> 00:41:22,520

lived so and you didn't give me your

849

00:41:28,780 --> 00:41:26,300

phone number so perhaps someone was

850

00:41:32,230 --> 00:41:28,790

tracking the object that you had seen

851

00:41:35,290 --> 00:41:32,240

and these people and were aware that you

852

00:41:37,030 --> 00:41:35,300

had called our organization and came to

853

00:41:39,880 --> 00:41:37,040

intimidate you so you didn't discuss it

854

00:41:41,380 --> 00:41:39,890

because perhaps it was a very important

855

00:41:42,580 --> 00:41:41,390

thing that useful you know it could have

856

00:41:45,300 --> 00:41:42,590

been some sort of secret military

857

00:41:49,690 --> 00:41:45,310

testing or because we have an airbase

858

00:41:52,450 --> 00:41:49,700

not too far from from where we are could

859

00:41:54,760 --> 00:41:52,460

have been something like that so yeah

860

00:41:57,100 --> 00:41:54,770

that was a very interesting story but

861

00:42:00,670 --> 00:41:57,110

there are all wet dressed in black but

862

00:42:02,620 --> 00:42:00,680

another one that was very interesting it

863

00:42:05,050 --> 00:42:02,630

occurred in the 70s but a gentleman

864

00:42:08,350 --> 00:42:05,060

reported it to me in the late 90s I

865

00:42:10,990 --> 00:42:08,360

think it was or early 2000s and he was

866

00:42:18,190 --> 00:42:11,000

living in an outback town in Queensland

867

00:42:20,319 --> 00:42:18,200

I think it was Connor Muller and he

868

00:42:22,720 --> 00:42:20,329

don't quote me on that but he said when

869

00:42:25,540 --> 00:42:22,730

he was a teenager he was living in his

870

00:42:28,150 --> 00:42:25,550

in there and it's a small town and not a

871

00:42:30,280 --> 00:42:28,160

lot around around the town and he was

872

00:42:30,790 --> 00:42:30,290

outside his grandmother's place where he

873

00:42:33,310 --> 00:42:30,800

was living

874

00:42:35,910 --> 00:42:33,320

and near his with his mates some of them

875

00:42:39,040 --> 00:42:35,920

had cars some of them on motorbikes and

876

00:42:41,829 --> 00:42:39,050

they saw this green object traveled

877

00:42:45,730 --> 00:42:41,839

horizontally across the sky and slowly

878

00:42:48,400 --> 00:42:45,740

and then it dropped to the ground and as

879

00:42:50,440 --> 00:42:48,410

it dropped to the ground it lit up the

880

00:42:52,420 --> 00:42:50,450

place like daylight and that's a very

881

00:42:55,060 --> 00:42:52,430

common thing that we we often hear what

882

00:42:56,589 --> 00:42:55,070

reports and what happened was they all

883

00:42:57,940 --> 00:42:56,599

got into cars and their bikes and they

884

00:42:59,650 --> 00:42:57,950

went out to where they thought it had

885

00:43:01,900 --> 00:42:59,660

come down which was a near a place

886

00:43:04,089 --> 00:43:01,910

called ten-mile but by the time they got

887

00:43:06,609 --> 00:43:04,099

there the police were already there and

888

00:43:08,349 --> 00:43:06,619

they're telling the boys go away go away

889

00:43:12,250 --> 00:43:08,359

go back home whatever this is none of

890

00:43:13,810 --> 00:43:12,260

your business go home so they did but

891

00:43:16,780 --> 00:43:13,820

they did see that there were circles on

892

00:43:18,190 --> 00:43:16,790

the ground while they were there anyway

893

00:43:21,300 --> 00:43:18,200

they went back later after the police

894

00:43:26,890 --> 00:43:21,310

had gone and the place had been graded

895

00:43:29,470 --> 00:43:26,900

the next day these men in black along

896

00:43:33,490 --> 00:43:29,480

with the local policemen went to each of

897

00:43:35,440 --> 00:43:33,500

the boys homes and intimidated them told

898

00:43:39,220 --> 00:43:35,450

them they were not to talk about what

899

00:43:40,960 --> 00:43:39,230

they had seen and keep their mouths shut

900

00:43:44,920 --> 00:43:40,970

and we're watching basically something

901
00:43:46,660 --> 00:43:44,930
like that soon after that that the local

902
00:43:51,809 --> 00:43:46,670
policemen who seemed very embarrassed

903
00:43:55,660 --> 00:43:51,819
about the situation he committed suicide

904
00:43:59,380 --> 00:43:55,670
and he had he had been a very friendly

905
00:44:02,170 --> 00:43:59,390
chap he was friends with the young boy

906
00:44:08,230 --> 00:44:02,180
who the young man who reported their

907
00:44:10,120 --> 00:44:08,240
thing to me and he committed suicide his

908
00:44:13,599 --> 00:44:10,130
personality changed completely before

909
00:44:16,240 --> 00:44:13,609
that his wife and young child left the

910
00:44:18,370 --> 00:44:16,250
town the road that used to go the

911
00:44:20,980 --> 00:44:18,380
highway used to go through that little

912
00:44:23,589 --> 00:44:20,990
town well it was then diverted so the

913
00:44:26,770 --> 00:44:23,599

highway did not go around the town I did

914

00:44:28,630 --> 00:44:26,780

go around the town sorry and the

915

00:44:31,059 --> 00:44:28,640

gentleman who reported it to me he had

916

00:44:32,650 --> 00:44:31,069

problems with his eyes the next day

917

00:44:35,439 --> 00:44:32,660

four months after that he had problems

918

00:44:37,390 --> 00:44:35,449

with migraines it could and so it could

919

00:44:39,219 --> 00:44:37,400

have been are you if I it could have

920

00:44:43,299 --> 00:44:39,229

been some sort of military testing that

921

00:44:47,829 --> 00:44:43,309

had gone wrong who knows well you know

922

00:44:49,569 --> 00:44:47,839

we published a book I've done quite a

923

00:44:52,749 --> 00:44:49,579

bit of reporting on the men in black we

924

00:44:55,089 --> 00:44:52,759

did a book called the men in black UFO

925

00:44:57,880 --> 00:44:55,099

terrorists among us and one of the cases

926

00:45:01,329 --> 00:44:57,890

that we published in there was that of I

927

00:45:02,680 --> 00:45:01,339

believe his name was John Stewart you

928

00:45:06,150 --> 00:45:02,690

know are you familiar with that case

929

00:45:08,469 --> 00:45:06,160

going back to the early 1950s where this

930

00:45:11,380 --> 00:45:08,479

individual he was the head of a UFO

931

00:45:15,549 --> 00:45:11,390

group and one of the members of the the

932

00:45:16,959 --> 00:45:15,559

organization worm uh was molested and

933

00:45:19,180 --> 00:45:16,969

then they finally disbanded the group

934

00:45:21,549 --> 00:45:19,190

because they were having these men and

935

00:45:23,769 --> 00:45:21,559

black were materializing and Gerald

936

00:45:26,199 --> 00:45:23,779

Baker I think was another head of the

937

00:45:29,049 --> 00:45:26,209

group and he was actually pushed down an

938

00:45:32,559 --> 00:45:29,059

escalator in a department store this

939

00:45:34,509 --> 00:45:32,569

goes back to the early you know 1950s

940

00:45:38,259 --> 00:45:34,519

there in in Australia so there's a

941

00:45:41,259 --> 00:45:38,269

history of the the MIBs not only here in

942

00:45:44,519 --> 00:45:41,269

the states but certainly in England than

943

00:45:48,849 --> 00:45:44,529

most other places where there are UFO

944

00:45:50,920 --> 00:45:48,859

incidents if we have a we have a an

945

00:45:52,599 --> 00:45:50,930

interview with him I didn't do it I mean

946

00:45:55,209 --> 00:45:52,609

it was when it was done many many years

947

00:45:57,430 --> 00:45:55,219

ago by great Barker where he talks about

948

00:45:59,680 --> 00:45:57,440

you know about his experience and the

949

00:46:01,809 --> 00:45:59,690

things that happen we'll have to send

950

00:46:04,870 --> 00:46:01,819

you a copy I see Tim where we're at

951
00:46:08,829 --> 00:46:04,880
close and on the end of the program here

952
00:46:10,930 --> 00:46:08,839
and why did you tell the listeners where

953
00:46:13,329 --> 00:46:10,940
they can get in touch with you and find

954
00:46:14,829 --> 00:46:13,339
out about your journal and if we have

955
00:46:17,589 --> 00:46:14,839
some listeners over there in Australia

956
00:46:20,709 --> 00:46:17,599
that might be interested in even joining

957
00:46:22,269 --> 00:46:20,719
up sure well they can visit our website

958
00:46:23,979 --> 00:46:22,279
which is you with our research

959
00:46:24,549 --> 00:46:23,989
Queensland just search for that on the

960
00:46:26,979 --> 00:46:24,559
Internet

961
00:46:30,759 --> 00:46:26,989
we also have a Facebook page that same

962
00:46:32,289 --> 00:46:30,769
name UFO research Queensland and if you

963
00:46:34,839 --> 00:46:32,299

have a strange encounter which is

964

00:46:36,640 --> 00:46:34,849

perhaps not a UFO experience I'd love to

965

00:46:38,589 --> 00:46:36,650

hear from it and you can find us on

966

00:46:39,900 --> 00:46:38,599

strange encounters down under Facebook

967

00:46:42,339 --> 00:46:39,910

page as well

968

00:46:44,800 --> 00:46:42,349

wonderful wonderful well I must say I

969

00:46:49,390 --> 00:46:44,810

haven't enjoyed this Congress

970

00:46:51,070 --> 00:46:49,400

immensely and in fact I think if it's up

971

00:46:53,650 --> 00:46:51,080

you of course but we'd like to have you

972

00:46:55,180 --> 00:46:53,660

back on soon we can do maybe every

973

00:46:57,850 --> 00:46:55,190

couple of months like a half an hour

974

00:47:01,270 --> 00:46:57,860

just updating our listeners on what's

975

00:47:04,300 --> 00:47:01,280

going on you know down under as they say

976

00:47:07,270 --> 00:47:04,310

it's a nice lady and it's a fascinating

977

00:47:09,520 --> 00:47:07,280

subject and and you're fascinating and a

978

00:47:13,390 --> 00:47:09,530

great guest and want to thank you for

979

00:47:14,230 --> 00:47:13,400

being with us this evening and my

980

00:47:18,280 --> 00:47:14,240

question

981

00:47:21,880 --> 00:47:18,290

tie me kangaroo down or maybe the guy

982

00:47:25,150 --> 00:47:21,890

gorilla is down I don't know anyway a

983

00:47:26,730 --> 00:47:25,160

great great happy job and Tim were

984

00:47:29,410 --> 00:47:26,740

working on a couple of new books

985

00:47:32,590 --> 00:47:29,420

incredible encounters as the the one

986

00:47:34,510 --> 00:47:32,600

we're working on now and still gathering

987

00:47:38,260 --> 00:47:34,520

material from researchers all over the

988

00:47:40,060 --> 00:47:38,270

world try right so good night Tim good

989

00:47:40,600 --> 00:47:40,070

night Cheryl thanks everyone for

990

00:47:43,810 --> 00:47:40,610

listening

991

00:47:45,730 --> 00:47:43,820

Thank You Helen Thank You Carol and

992

00:47:47,080 --> 00:47:45,740

everybody have a great time and check

993

00:47:52,130 --> 00:47:47,090

out our YouTube channel

994

00:47:58,100 --> 00:47:54,650

you've been listening to exploring the

995

00:48:01,370 --> 00:47:58,110

bazaar with hosts Timothy Becky

996

00:48:03,680 --> 00:48:01,380

panting Swartz they're taking back the

997

00:48:06,230 --> 00:48:03,690

night by jetting non-stop across the

998

00:48:09,530 --> 00:48:06,240

cosmos in search of the truly bizarre

999

00:48:11,170 --> 00:48:09,540

and totally unexplained with you as

1000

00:48:14,680 --> 00:48:11,180

their cold

1001

00:48:19,370 --> 00:48:14,690

Thursday nights at 7:00 p.m. Pacific 10

1002

00:48:21,830 --> 00:48:19,380

p.m. Eastern and the K cor digital radio

1003

00:48:25,040 --> 00:48:21,840

for more information on exploring the

1004

00:48:27,530 --> 00:48:25,050

bazaars and hosts Timothy Beckley and

1005

00:48:30,740 --> 00:48:27,540

Tim Swartz check out their kco our

1006

00:48:35,830 --> 00:48:30,750

digital radio network follow their

1007

00:48:47,830 --> 00:48:35,840

YouTube channel @m our UFO 1,100
