00:00:32,030 --> 00:00:21,830

[Music]

00:00:37,819 --> 00:00:35,670

3
00:00:40,799 --> 00:00:37,829

expand your perception of reality

4
00:00:45,479 --> 00:00:40,809

welcome to black out with Samantha

5
00:00:48,869 --> 00:00:45,489

Scarlett Friday September 13th Friday

00:00:51,479 --> 00:00:48,879

the 13th 2019 and this is black out with

7
00:00:53,490 --> 00:00:51,489

Samantha Scarlett that's me only on IB

8
00:00:55,289 --> 00:00:53,500

radio I'm broadcasting you guys alive

9
00:00:57,390 --> 00:00:55,299

for an undisclosed location way above

10
00:00:58,590 --> 00:00:57,400

the clouds in midtown Manhattan today on

11
00:01:00,630 --> 00:00:58,600

the show we're gonna be talking to Tim

12
00:01:03,210 --> 00:01:00,640

Beckley he's one of the hosts of the

13
00:01:05,130 --> 00:01:03,220

show exploring the bizarre on kake or

14

00:01:07,800 --> 00:01:05,140

radio and I've been a guest on their

15

00:01:09,810 --> 00:01:07,810

show I think twice now so I thought I'd

16

00:01:11,550 --> 00:01:09,820

return the favor and have Tim Buckley on

17

00:01:13,499 --> 00:01:11,560

for this week and we're going to talk

18

00:01:14,969 --> 00:01:13,509

about all aspects of the paranormal so

19

00:01:16,230 --> 00:01:14,979

we're gonna go to a break and then when

20

00:01:19,999 --> 00:01:16,240

we get back we're gonna talk to you it's

21

00:01:26,819 --> 00:01:23,100

exploring the bazaar I hate mmm how are

22

00:01:29,399 --> 00:01:26,829

you good good hanging in there looking

23

00:01:31,080 --> 00:01:29,409

forward to our conversation awesome

24

00:01:32,550 --> 00:01:31,090

so I guess cut off because I've been a

25

00:01:33,899 --> 00:01:32,560

guest on you and you're open you've

26

00:01:35,669 --> 00:01:33,909

never been against been a guest on so it

27

00:01:39,929 --> 00:01:35,679

was time to extend them the fair I think

28

00:01:41,309 --> 00:01:39,939

I've been on on and so now um how do you

29

00:01:43,980 --> 00:01:41,319

get involved incident to the paranoid

30

00:01:46,559 --> 00:01:43,990

what sparked the synthesis oh my

31

00:01:49,669 --> 00:01:46,569

goodness well you know Eko it goes way

32

00:01:59,339 --> 00:01:49,679

back I lived in a house that had

33

00:02:03,240 --> 00:01:59,349

poltergeist phenomena well I guess I was

34

00:02:05,399 --> 00:02:03,250

rather young at the time and we had all

35

00:02:08,969 --> 00:02:05,409

the phenomena you know doors opening and

36

00:02:12,860 --> 00:02:08,979

closing and lights going on and off and

37

00:02:15,690 --> 00:02:12,870

I remember on one occasion there was a

38

00:02:19,080 --> 00:02:15,700

dish at China where on the kitchen table

39

00:02:22,920 --> 00:02:19,090

and it slid across the table and I can't

40

00:02:24,840 --> 00:02:22,930

say that it floated to the floor but it

41

00:02:27,449 --> 00:02:24,850

it fell what would be that the

42

00:02:30,150 --> 00:02:27,459

equivalent of three feet or so without

43

00:02:34,620 --> 00:02:30,160

breaking and there's no reason really

44

00:02:36,569 --> 00:02:34,630

why it shouldn't have now what we could

45

00:02:38,670 --> 00:02:36,579

talk I guess we could discuss what

46

00:02:43,970 --> 00:02:38,680

exactly is a poltergeist but most people

47

00:02:49,080 --> 00:02:43,980

think of it as a I guess a noisy

48

00:02:52,920 --> 00:02:49,090

mischievous or nasty ghost well that may

49

00:02:59,270 --> 00:02:52,930

or may not be the the the case but we

50

00:03:02,699 --> 00:02:59,280

did find out later on that a lady had

51
00:03:05,870 --> 00:03:02,709
given birth to a child and and but uh

52
00:03:09,300 --> 00:03:05,880
this would have been around maybe around

53
00:03:13,729 --> 00:03:09,310
1908 or 1910 or something and both of

54
00:03:16,770 --> 00:03:13,739
them had died from I believe it was the

55
00:03:19,470 --> 00:03:16,780
exterior at the time anyway it was

56
00:03:20,970 --> 00:03:19,480
killing a lot of people and they both

57
00:03:25,680 --> 00:03:20,980
died around the same time and they were

58
00:03:30,140 --> 00:03:25,690
buried in the same coffin and later on

59
00:03:33,480 --> 00:03:30,150
my I am godmother came to the visit and

60
00:03:38,940 --> 00:03:33,490
she had a an experience where

61
00:03:41,340 --> 00:03:38,950
she heard a baby crying between the the

62
00:03:44,970 --> 00:03:41,350
the door to our apartment and the door

63
00:03:47,340 --> 00:03:44,980

that to the apartment upstairs and she

64
00:03:51,240 --> 00:03:47,350
opened the door and supposedly there was

65
00:03:54,090 --> 00:03:51,250
a woman holding a baby in her arms and

66
00:03:56,640 --> 00:03:54,100
being a strict Catholic that she was she

67
00:04:02,000 --> 00:03:56,650
slammed the door and refused to go back

68
00:04:04,920 --> 00:04:02,010
and investigate then I had a few

69
00:04:08,490 --> 00:04:04,930
out-of-body experiences where I found

70
00:04:10,200 --> 00:04:08,500
myself floating above the floating above

71
00:04:13,530 --> 00:04:10,210
the bed and the room was filled with

72
00:04:16,170 --> 00:04:13,540
this color it was almost like a

73
00:04:20,490 --> 00:04:16,180
psychedelic experience with a variety of

74
00:04:23,010 --> 00:04:20,500
colors and sounds and things like yeah

75
00:04:25,770 --> 00:04:23,020
yeah and and that happened that a few

76
00:04:27,990 --> 00:04:25,780
times and I began to read up on the you

77
00:04:30,810 --> 00:04:28,000
know up on the the subject but I guess

78
00:04:34,230 --> 00:04:30,820
the big transformation would have come

79
00:04:38,870 --> 00:04:34,240
when I was about 10 years old it was a

80
00:04:49,050 --> 00:04:44,940
1957 and this is before there was air

81
00:04:52,440 --> 00:04:49,060
conditioning so it was normal for people

82
00:04:54,660 --> 00:04:52,450
to set out on the front stoop until it

83
00:04:57,960 --> 00:04:54,670
cooled off a little and then you could

84
00:05:03,180 --> 00:04:57,970
go back inside anyway I was there with

85
00:05:07,230 --> 00:05:03,190
my mom and a couple of neighbors and

86
00:05:09,060 --> 00:05:07,240
someone came up and said that you look

87
00:05:12,180 --> 00:05:09,070
up into the sky there's something

88
00:05:15,530 --> 00:05:12,190

strange there and indeed sent me there

89

00:05:18,060 --> 00:05:15,540

there was there were two objects

90

00:05:20,670 --> 00:05:18,070

brightly lit now I can't tell you that I

91

00:05:23,010 --> 00:05:20,680

saw any landing here none of the little

92

00:05:25,640 --> 00:05:23,020

men they wave to me through portholes or

93

00:05:28,590 --> 00:05:25,650

anything like that but there were two

94

00:05:32,850 --> 00:05:28,600

circular shaped lights just above the

95

00:05:36,900 --> 00:05:32,860

cloud covering and these objects I would

96

00:05:39,060 --> 00:05:36,910

say that they were oh maybe 30 40 feet

97

00:05:40,440 --> 00:05:39,070

in in diameter today they were a pretty

98

00:05:44,850 --> 00:05:40,450

good size

99

00:05:46,210 --> 00:05:44,860

swung around and around in the sky there

100

00:05:48,790 --> 00:05:46,220

was a

101
00:05:51,670 --> 00:05:48,800
ended the factory building Lefkowitz

102
00:05:56,980 --> 00:05:51,680
leather across the street and one of

103
00:05:58,780 --> 00:05:56,990
them would position themselves above the

104
00:06:01,720 --> 00:05:58,790
building there and the other one would

105
00:06:05,590 --> 00:06:01,730
be closer to our house this is not

106
00:06:10,080 --> 00:06:05,600
directly our said no this was in New

107
00:06:14,980 --> 00:06:10,090
Brunswick New Jersey okay it's all very

108
00:06:19,240 --> 00:06:14,990
well it wasn't that congested at the

109
00:06:22,420 --> 00:06:19,250
time but not not like anything is today

110
00:06:25,630 --> 00:06:22,430
of course you know but anyway we watch

111
00:06:28,870 --> 00:06:25,640
these things for about oh I guess 15

112
00:06:32,020 --> 00:06:28,880
minutes or so and then the one across

113
00:06:35,230 --> 00:06:32,030

the street they kept maneuvering in the

114

00:06:37,360 --> 00:06:35,240

sky the one across the street would come

115

00:06:39,580 --> 00:06:37,370

and hover over the the street in front

116

00:06:42,580 --> 00:06:39,590

of us and the one in front of us would

117

00:06:44,710 --> 00:06:42,590

go back over the end circular pattern so

118

00:06:47,320 --> 00:06:44,720

this lasted for about maybe 15 minutes

119

00:06:49,210 --> 00:06:47,330

and then finally I can't say we got

120

00:06:54,580 --> 00:06:49,220

bored but it wasn't doing anything and

121

00:06:55,900 --> 00:06:54,590

and so we went inside the next day or

122

00:06:58,690 --> 00:06:55,910

the day after that there was a little

123

00:07:01,480 --> 00:06:58,700

item in the newspaper that other people

124

00:07:03,400 --> 00:07:01,490

had witnesses but they were saying that

125

00:07:04,450 --> 00:07:03,410

it was nothing more unusual than a

126

00:07:13,150 --> 00:07:04,460

weather balloon

127

00:07:14,800 --> 00:07:13,160

the planet Venus yeah it's got how many

128

00:07:20,020 --> 00:07:14,810

weather balloons have you ever seen in

129

00:07:22,840 --> 00:07:20,030

your life zero I mean like unless you

130

00:07:24,250 --> 00:07:22,850

live near an airport or some weather

131

00:07:27,700 --> 00:07:24,260

bureau you're not going to see a weather

132

00:07:30,280 --> 00:07:27,710

a balloon and it's for the planet Venus

133

00:07:32,620 --> 00:07:30,290

it was it planted Venus there's not two

134

00:07:35,590 --> 00:07:32,630

of them and they don't circle in the in

135

00:07:38,140 --> 00:07:35,600

the sky so even at the tender age of 10

136

00:07:42,159 --> 00:07:38,150

I realized that something rather unusual

137

00:07:46,390 --> 00:07:42,169

was going on so I started reading

138

00:07:48,430 --> 00:07:46,400

whatever I could on the on the subject I

139

00:07:50,050 --> 00:07:48,440

took out a couple of books and bought a

140

00:07:53,620 --> 00:07:50,060

couple of paperbacks in those days they

141

00:07:56,529 --> 00:07:53,630

were 35 cents you know and one of them

142

00:07:58,839 --> 00:07:56,539

was major Donald iki holds a book he

143

00:07:59,740 --> 00:07:58,849

wrote called flying saucers are from

144

00:08:03,700 --> 00:07:59,750

outer space

145

00:08:06,010 --> 00:08:03,710

and I was hooked I mean I just found it

146

00:08:09,550 --> 00:08:06,020

to be a fascinating subject and I i

147

00:08:11,920 --> 00:08:09,560

gobbled up everything I could find and I

148

00:08:15,880 --> 00:08:11,930

started actually putting on a newsletter

149

00:08:17,890 --> 00:08:15,890

when I was 14 or 15 years old I went out

150

00:08:20,920 --> 00:08:17,900

and bought a little mimeograph machine

151
00:08:24,700 --> 00:08:20,930
you know and and it started out with 10

152
00:08:27,130 --> 00:08:24,710
pages and by time I called it quits it

153
00:08:31,330 --> 00:08:27,140
was up to 40 pages and had a circulation

154
00:08:33,700 --> 00:08:31,340
of about 1,500 and those things you had

155
00:08:36,190 --> 00:08:33,710
a you know kool-aid and staple them and

156
00:08:39,790 --> 00:08:36,200
do the homework yourself because there

157
00:08:42,820 --> 00:08:39,800
was no you know a Kinkos or quick-quick

158
00:08:45,790 --> 00:08:42,830
copy so it was it was quite it was quite

159
00:08:47,590 --> 00:08:45,800
a task while other teenagers were we're

160
00:08:50,070 --> 00:08:47,600
out fooling around and having fun and

161
00:08:52,300 --> 00:08:50,080
well nobody smoked pot those days I

162
00:08:54,520 --> 00:08:52,310
don't even know if anybody grabbed a

163
00:08:57,910 --> 00:08:54,530

beer come the cup of think of it that's

164

00:09:01,750 --> 00:08:57,920

how that's how ancient all this was I

165

00:09:04,120 --> 00:09:01,760

guess I became hooked on on UFOs and I

166

00:09:06,430 --> 00:09:04,130

followed the subject and and I've made

167

00:09:08,620 --> 00:09:06,440

one of the few people I could actually

168

00:09:10,840 --> 00:09:08,630

say made a career out of this although

169

00:09:14,440 --> 00:09:10,850

I've done a lot of different things from

170

00:09:17,530 --> 00:09:14,450

being a rock and roll promoter to making

171

00:09:19,480 --> 00:09:17,540

it horror films and I I can't think of

172

00:09:21,610 --> 00:09:19,490

partly anything that I haven't done

173

00:09:23,350 --> 00:09:21,620

outside of robbing a bank and since you

174

00:09:24,579 --> 00:09:23,360

and I are gonna do that and since you

175

00:09:30,910 --> 00:09:24,589

and I are gonna do that this afternoon

176
00:09:32,829 --> 00:09:30,920
then there'll be nothing new back to the

177
00:09:34,630 --> 00:09:32,839
whole thing with the poultry were there

178
00:09:37,510 --> 00:09:34,640
any any young females living in the

179
00:09:40,240 --> 00:09:37,520
household because I heard every searched

180
00:09:44,050 --> 00:09:40,250
but a lot of people chose phenomenon

181
00:09:45,490 --> 00:09:44,060
isn't innocent with change girls well

182
00:09:46,750 --> 00:09:45,500
you know come to think of it I did have

183
00:09:48,400 --> 00:09:46,760
a sister

184
00:09:50,680 --> 00:09:48,410
let me see she would have been eight

185
00:09:54,120 --> 00:09:50,690
years older than I was

186
00:09:58,270 --> 00:09:54,130
let's see so that seven eight nine ten

187
00:10:00,540 --> 00:09:58,280
yeah I guess she yeah okay you know I

188
00:10:03,850 --> 00:10:00,550

know I do yeah I can't even think of her

189

00:10:07,570 --> 00:10:03,860

as being there but I get yeah she was

190

00:10:10,240 --> 00:10:07,580

eight years old and I was but I you know

191

00:10:12,940 --> 00:10:10,250

I don't know if you could this is well

192

00:10:18,940 --> 00:10:12,950

that's the beige

193

00:10:21,250 --> 00:10:18,950

yeah yeah you know I marry a woman

194

00:10:22,480 --> 00:10:21,260

holding in the doorway I haven't thought

195

00:10:25,960 --> 00:10:22,490

seen a poltergeist

196

00:10:27,760 --> 00:10:25,970

that's full-time I'm getting I'm getting

197

00:10:40,630 --> 00:10:27,770

I'm getting some terrible feedback here

198

00:10:42,760 --> 00:10:40,640

oh you you are Oh feedback yes yeah

199

00:10:45,670 --> 00:10:42,770

anyway there you know like I say there

200

00:10:48,670 --> 00:10:45,680

was um my sister was living in the house

201
00:10:52,270 --> 00:10:48,680
but we did have we were able to track it

202
00:10:56,050 --> 00:10:52,280
back to this woman who apparently had

203
00:10:58,390 --> 00:10:56,060
given birth they have been sorry if her

204
00:10:59,800 --> 00:10:58,400
actual apparition and I would call her

205
00:11:02,740 --> 00:10:59,810
the poltergeist I would I would chop

206
00:11:06,580 --> 00:11:02,750
that up yeah because polar is not a

207
00:11:08,830 --> 00:11:06,590
specific entity yeah well but but again

208
00:11:11,890 --> 00:11:08,840
there were there were like I say lights

209
00:11:14,800 --> 00:11:11,900
and lights going on and off and the

210
00:11:17,320 --> 00:11:14,810
doors opening in and and closing but

211
00:11:20,590 --> 00:11:17,330
anyway the the main option of all of

212
00:11:24,420 --> 00:11:20,600
this is as I was kind of drawn to the

213
00:11:27,400 --> 00:11:24,430

paranormal in a of a very early age and

214

00:11:30,880 --> 00:11:27,410

it's never left me it's it's something

215

00:11:34,750 --> 00:11:30,890

that's you know fascinated me all these

216

00:11:37,450 --> 00:11:34,760

years and even at this rather young age

217

00:11:40,470 --> 00:11:37,460

of 15 you know I began writing letters

218

00:11:44,140 --> 00:11:40,480

to the to the newspapers in the area

219

00:11:46,810 --> 00:11:44,150

asking people to send me their their

220

00:11:49,300 --> 00:11:46,820

sightings and things like that and some

221

00:11:52,030 --> 00:11:49,310

of the local media like the rate there

222

00:11:55,270 --> 00:11:52,040

was no local TV but the certainly no

223

00:11:58,600 --> 00:11:55,280

internet but a radio stations started

224

00:12:00,370 --> 00:11:58,610

calling me and invite you know I would

225

00:12:02,760 --> 00:12:00,380

go to the stations in those things I

226

00:12:07,480 --> 00:12:02,770

mean was done in the studio not over the

227

00:12:09,700 --> 00:12:07,490

there is a phone yeah yeah and and they

228

00:12:12,790 --> 00:12:09,710

were surprised that I was you know was

229

00:12:14,650 --> 00:12:12,800

so young I guess they figured they were

230

00:12:18,310 --> 00:12:14,660

and some adult was coming and then here

231

00:12:20,470 --> 00:12:18,320

I was a you know the teenager

232

00:12:23,680 --> 00:12:20,480

yeah and then I then I started that I

233

00:12:25,519 --> 00:12:23,690

started coming into the city from New

234

00:12:27,829 --> 00:12:25,529

York I

235

00:12:31,429 --> 00:12:27,839

merge my little publication the

236

00:12:33,829 --> 00:12:31,439

interplanetary news service report with

237

00:12:38,739 --> 00:12:33,839

a larger magazine called saucer news and

238

00:12:44,569 --> 00:12:42,559

managing editor and it was a bigger

239

00:12:46,639 --> 00:12:44,579

magazine it was sold on a noose and then

240

00:12:51,829 --> 00:12:46,649

and then I became a stringer for The

241

00:12:53,509 --> 00:12:51,839

Enquirer and the globe and yeah and and

242

00:12:55,670 --> 00:12:53,519

I you know I met a lot of celebrities in

243

00:12:58,160 --> 00:12:55,680

fact I've done a couple of books on

244

00:13:01,129 --> 00:12:58,170

celebrities and their UFO sightings and

245

00:13:06,199 --> 00:13:01,139

paranormal experiences and things along

246

00:13:08,059 --> 00:13:06,209

that line yep how many men you give us

247

00:13:13,879 --> 00:13:08,069

didn't you covered all over the entire

248

00:13:15,679 --> 00:13:13,889

room they were true oh you know this is

249

00:13:19,090 --> 00:13:15,689

something that most people don't realize

250

00:13:24,019 --> 00:13:19,100

at least in the case of the The Inquirer

251
00:13:27,889 --> 00:13:24,029
they required very strict verification I

252
00:13:32,059 --> 00:13:27,899
would I would have to it's not the same

253
00:13:34,840 --> 00:13:32,069
publisher as today is and then at those

254
00:13:38,090 --> 00:13:34,850
days it was a it was a pretty serious

255
00:13:40,400 --> 00:13:38,100
publication and sure they got sued every

256
00:13:42,079 --> 00:13:40,410
once in a while because something would

257
00:13:45,319 --> 00:13:42,089
you know slip through the gate and the

258
00:13:49,639 --> 00:13:45,329
cracks as they say occasionally but they

259
00:13:52,400 --> 00:13:49,649
would require a pretty much verification

260
00:13:54,139 --> 00:13:52,410
I'd have to provide them with a tapes of

261
00:13:56,540 --> 00:13:54,149
the conversations that I had with these

262
00:13:59,240 --> 00:13:56,550
celebrities and all and they had they

263
00:14:08,470 --> 00:13:59,250

had fact-checkers I be can you believe

264

00:14:21,769 --> 00:14:15,499

yeah and in fact there was a singer by

265

00:14:25,220 --> 00:14:21,779

the name of memory senior senior moment

266

00:14:28,790 --> 00:14:25,230

anyway there was a singer who told me

267

00:14:33,559 --> 00:14:28,800

his story about having a UFO experience

268

00:14:35,540 --> 00:14:33,569

in Central Park while he was walking his

269

00:14:39,470 --> 00:14:35,550

dog in fact there were a lot of people

270

00:14:41,509 --> 00:14:39,480

that had a UFO sightings in Central Park

271

00:14:46,340 --> 00:14:41,519

Mohammed Ali I actually jogged with him

272

00:14:48,920 --> 00:14:46,350

one morning is he related his experience

273

00:14:51,009 --> 00:14:48,930

about seeing these two objects that look

274

00:14:53,870 --> 00:14:51,019

like giant lightbulbs hovering behind an

275

00:14:56,449 --> 00:14:53,880

apartment building there but this other

276

00:14:59,480 --> 00:14:56,459

singer told me about how he was out

277

00:15:01,460 --> 00:14:59,490

walking his dog in this UFO came over I

278

00:15:05,210 --> 00:15:01,470

guess pretty much the treatment level

279

00:15:06,680 --> 00:15:05,220

and you know I had it published it was

280

00:15:10,370 --> 00:15:06,690

published in The Enquirer in years later

281

00:15:12,889 --> 00:15:10,380

I I met his son who was a documentary

282

00:15:16,490 --> 00:15:12,899

filmmaker and had done some things with

283

00:15:19,610 --> 00:15:16,500

Budd Hopkins on UFOs and I said you know

284

00:15:21,439 --> 00:15:19,620

I I met your dad and I wrote this

285

00:15:23,769 --> 00:15:21,449

article about him and he said yeah my

286

00:15:26,480 --> 00:15:23,779

father said that was the most accurate

287

00:15:28,910 --> 00:15:26,490

story you know quote wise said I was

288

00:15:32,540 --> 00:15:28,920

that was ever printed about him and that

289

00:15:36,740 --> 00:15:32,550

was in that was in the The Enquirer oh

290

00:15:39,560 --> 00:15:36,750

it was Mel Torme I mean I got to yeah

291

00:15:41,810 --> 00:15:39,570

yeah but he was known as The Velvet fog

292

00:15:45,259 --> 00:15:41,820

I guess that was this kind of the deep

293

00:15:50,480 --> 00:15:45,269

sound of his voice and his son was Tracy

294

00:15:51,439 --> 00:15:50,490

Torme who made the movie on Travis

295

00:15:54,860 --> 00:15:51,449

Walton Oh

296

00:15:58,460 --> 00:15:54,870

fire fire night you fired the sky yeah

297

00:16:01,790 --> 00:15:58,470

see so my memory is my memory is is is

298

00:16:05,600 --> 00:16:01,800

clear but so I had I had quite a career

299

00:16:07,879 --> 00:16:05,610

I I enjoyed doing that and then I worked

300

00:16:10,100 --> 00:16:07,889

for a lot of the rock and roll magazine

301
00:16:11,620 --> 00:16:10,110
so I hung out backstage and partied with

302
00:16:14,540 --> 00:16:11,630
some of the best damn bands in the world

303
00:16:15,920 --> 00:16:14,550
in fact I just got the sad news that one

304
00:16:19,189 --> 00:16:15,930
of my favorite artists Eddie Money

305
00:16:22,250 --> 00:16:19,199
passed away you know to take two tickets

306
00:16:24,800 --> 00:16:22,260
to paradise and I want to go back and I

307
00:16:27,079 --> 00:16:24,810
he just started you know a TV show with

308
00:16:29,780 --> 00:16:27,089
his family they have their own rock band

309
00:16:32,210 --> 00:16:29,790
his two sons of his daughter and and all

310
00:16:34,389 --> 00:16:32,220
her started to you know continue to ban

311
00:16:37,040 --> 00:16:34,399
going and he's quite quite a character

312
00:16:40,490 --> 00:16:37,050
he wasn't that old I don't you know I I

313
00:16:46,210 --> 00:16:40,500

haven't really got me yeah yeah well

314

00:16:52,810 --> 00:16:50,439

yeah well that was anyway so that's a

315

00:16:55,780 --> 00:16:52,820

kind of my career in a

316

00:16:58,840 --> 00:16:55,790

in a nutshell and I I still continue to

317

00:17:02,020 --> 00:16:58,850

do this I I have my exploring the bazaar

318

00:17:05,290 --> 00:17:02,030

show that I co-hosts every Thursday

319

00:17:06,970 --> 00:17:05,300

night with Tim mush warts he's my

320

00:17:09,819 --> 00:17:06,980

partner in crime

321

00:17:12,130 --> 00:17:09,829

and I think we're up to over 400 shows

322

00:17:13,870 --> 00:17:12,140

but you've been doing your puck you've

323

00:17:25,420 --> 00:17:13,880

been doing your podcast for a while too

324

00:17:27,910 --> 00:17:25,430

right yeah sorry I taste showing my

325

00:17:33,550 --> 00:17:27,920

apartment and even you or my dogs really

326

00:17:36,610 --> 00:17:33,560

bad but I think up to about 85 86 or 6s

327

00:17:39,670 --> 00:17:36,620

of the show and then previous was on ID

328

00:17:41,800 --> 00:17:39,680

okay Jason Krrish Krrish did right

329

00:17:43,390 --> 00:17:41,810

around 30 episode 4 that I previously

330

00:17:45,610 --> 00:17:43,400

didn't have another show where I did

331

00:17:53,760 --> 00:17:45,620

head up and so I mean I mean over a

332

00:17:58,450 --> 00:17:56,470

I'm in the process this is accreting I

333

00:18:01,270 --> 00:17:58,460

actually have not been been personally

334

00:18:08,830 --> 00:18:01,280

skyscape much lately I am creating a

335

00:18:12,550 --> 00:18:08,840

sniffs keyword company yes yes

336

00:18:20,070 --> 00:18:12,560

last week's like allows formation thank

337

00:18:22,720 --> 00:18:20,080

you I follow I follow you on facebook

338

00:18:31,180 --> 00:18:22,730

because I always look forward to your

339

00:18:34,000 --> 00:18:31,190

next fashion statement crazy amount of

340

00:18:35,680 --> 00:18:34,010

time to take to do that I'm just gonna

341

00:18:39,430 --> 00:18:35,690

walk on it yeah everyone thinks I'm some

342

00:18:43,110 --> 00:18:39,440

always super action you've not been left

343

00:18:46,540 --> 00:18:43,120

more this summer in skateboarded but uh

344

00:18:48,550 --> 00:18:46,550

no interesting to meet me when talking

345

00:18:50,140 --> 00:18:48,560

about it's people like Jackie Muhammad

346

00:18:53,710 --> 00:18:50,150

Ali it in central central opinion yeah

347

00:18:56,380 --> 00:18:53,720

and Mel Torme you know New York City you

348

00:18:59,080 --> 00:18:56,390

do you think this was not least of UFO

349

00:19:01,300 --> 00:18:59,090

sites I did but there are a lot of UFO

350

00:19:03,010 --> 00:19:01,310

sightings Harriet you're in your New

351

00:19:03,930 --> 00:19:03,020

York's which I'm really upset still have

352

00:19:05,970 --> 00:19:03,940

yet to see you

353

00:19:08,010 --> 00:19:05,980

I feel I would be able to see them from

354

00:19:12,180 --> 00:19:08,020

where I live I could set up a GoPro or

355

00:19:15,450 --> 00:19:12,190

something yeah well you know actually

356

00:19:20,430 --> 00:19:15,460

there was one sighting and I don't

357

00:19:22,529 --> 00:19:20,440

remember the the year but the Gulf and

358

00:19:24,750 --> 00:19:22,539

Western building right off the Central

359

00:19:27,900 --> 00:19:24,760

Park it's not there anymore in fact I

360

00:19:31,289 --> 00:19:27,910

think it's one of trumps buildings there

361

00:19:35,159 --> 00:19:31,299

was a restaurant up on top maybe 50

362

00:19:39,390 --> 00:19:35,169

floors up and there was one particular

363

00:19:41,820 --> 00:19:39,400

evening where apparently 60 people had a

364

00:19:44,610 --> 00:19:41,830

sighting of something that came over

365

00:19:46,620 --> 00:19:44,620

well it looked directly over Central

366

00:19:48,990 --> 00:19:46,630

Park you're beautiful you you know

367

00:19:51,240 --> 00:19:49,000

beautiful you any of those hotels up in

368

00:19:54,690 --> 00:19:51,250

that area

369

00:19:58,289 --> 00:19:54,700

in fact I once went to a a party that

370

00:20:00,779 --> 00:19:58,299

George Harrison held for Ravi Shankar

371

00:20:05,460 --> 00:20:00,789

and it's the first time it was in the I

372

00:20:08,370 --> 00:20:05,470

think the car - Carlton which was run

373

00:20:10,980 --> 00:20:08,380

off of there's a Carlton tonight

374

00:20:13,440 --> 00:20:10,990

I think the Carlton I you know it's been

375

00:20:16,680 --> 00:20:13,450

it's many many years ago but it was the

376

00:20:19,289 --> 00:20:16,690

first time that I had Indian food and

377

00:20:22,590 --> 00:20:19,299

where China which I at yeah which I

378

00:20:24,600 --> 00:20:22,600

absolutely love you know but I can't

379

00:20:26,909 --> 00:20:24,610

remember much about the party because

380

00:20:30,270 --> 00:20:26,919

it's so long ago but I remember in the

381

00:20:35,580 --> 00:20:30,280

restrooms there were these tapestries of

382

00:20:39,930 --> 00:20:35,590

the Kama Sutra oh my god which did shows

383

00:20:43,950 --> 00:20:39,940

you that my mind is not on UFOs all the

384

00:20:49,770 --> 00:20:43,960

time but you know John Lennon had a very

385

00:20:51,539 --> 00:20:49,780

famous sighting Jakara yeah he was well

386

00:20:56,460 --> 00:20:51,549

I got this right from the horse's mouth

387

00:20:59,730 --> 00:20:56,470

he was dating am a pang at the at the

388

00:21:01,950 --> 00:20:59,740

time and they were standing I I believe

389

00:21:06,210 --> 00:21:01,960

she said naked on the balcony and she

390

00:21:08,909 --> 00:21:06,220

had come in to get a delivery of a pizza

391

00:21:12,360 --> 00:21:08,919

or something like that and he he yelled

392

00:21:14,760 --> 00:21:12,370

at her to come back out and there was

393

00:21:16,590 --> 00:21:14,770

this UFO that he said that he saw and it

394

00:21:17,620 --> 00:21:16,600

was coming directly you know towards

395

00:21:20,710 --> 00:21:17,630

them

396

00:21:23,410 --> 00:21:20,720

and he reported he actually called the

397

00:21:26,290 --> 00:21:23,420

newspaper he called the Daily News

398

00:21:31,300 --> 00:21:26,300

report what he had seen and he called

399

00:21:35,290 --> 00:21:31,310

the tower or somebody at the Newark

400

00:21:38,440 --> 00:21:35,300

Airport but you know most of these

401
00:21:42,580 --> 00:21:38,450
things I kind of think just kind of slip

402
00:21:44,920 --> 00:21:42,590
through the the cracks because people if

403
00:21:47,020 --> 00:21:44,930
they have these sightings they don't

404
00:21:49,240 --> 00:21:47,030
they don't report them because they

405
00:21:52,620 --> 00:21:49,250
don't think that anybody will believe

406
00:21:55,930 --> 00:21:52,630
them or or even if they report them

407
00:22:01,150 --> 00:21:55,940
there's no there's no media very little

408
00:22:06,250 --> 00:22:01,160
media coverage I've heard the job online

409
00:22:07,960 --> 00:22:06,260
before and that's not even even like if

410
00:22:09,850 --> 00:22:07,970
you're not not for me or never been here

411
00:22:12,970 --> 00:22:09,860
you'd think oh well he would was up

412
00:22:14,680 --> 00:22:12,980
really high and UFO but the Dakotas is

413
00:22:16,090 --> 00:22:14,690

not your standard this is not a very

414

00:22:18,430 --> 00:22:16,100

tall building I think I believed like

415

00:22:20,080 --> 00:22:18,440

six or seven strim stories which can

416

00:22:22,620 --> 00:22:20,090

prepare Terry I mean like I live I live

417

00:22:25,060 --> 00:22:22,630

on 44th floor I could be less

418

00:22:27,040 --> 00:22:25,070

fantastical if there was some kind of

419

00:22:30,220 --> 00:22:27,050

craft see if I saw an aircraft hovering

420

00:22:32,290 --> 00:22:30,230

at an outside of mundo then someone 1/7

421

00:22:35,380 --> 00:22:32,300

off the more high Central Park or the

422

00:22:37,480 --> 00:22:35,390

tree frags on vitamins is higher if I

423

00:22:41,640 --> 00:22:37,490

were piloting a UFO I'd come right

424

00:22:46,360 --> 00:22:41,650

outside your window and yell at you but

425

00:22:49,930 --> 00:22:46,370

there was a case that steward Whitman

426

00:22:57,310 --> 00:22:49,940

who is I still believe alive maybe in

427

00:23:00,310 --> 00:22:57,320

his 90s he was a an actor the only movie

428

00:23:02,920 --> 00:23:00,320

that I can think that he was in is the

429

00:23:03,970 --> 00:23:02,930

sound and the fury which I couldn't even

430

00:23:06,190 --> 00:23:03,980

tell you what it was about

431

00:23:09,040 --> 00:23:06,200

maybe it was a war maybe it was a war

432

00:23:11,020 --> 00:23:09,050

story I'm sure some of the lists well

433

00:23:15,160 --> 00:23:11,030

you've probably got young listeners so

434

00:23:16,120 --> 00:23:15,170

I'm not sure either but anyway he had

435

00:23:18,910 --> 00:23:16,130

come to New York

436

00:23:20,970 --> 00:23:18,920

I guess the promote of film and he was

437

00:23:24,040 --> 00:23:20,980

staying in one of the hotels along a

438

00:23:30,460 --> 00:23:24,050

Central Park and this is the night of

439

00:23:31,720 --> 00:23:30,470

the big blackout in 1965 he woke up he

440

00:23:33,879 --> 00:23:31,730

woke up

441

00:23:35,620 --> 00:23:33,889

in the the middle of the night and I

442

00:23:38,379 --> 00:23:35,630

guess he went to look at the you know

443

00:23:40,779 --> 00:23:38,389

the clock that's uh next to the the bed

444

00:23:45,220 --> 00:23:40,789

that's lit up and there was there was

445

00:23:47,169 --> 00:23:45,230

nothing lit up mm-hmm and and so he he

446

00:23:50,049 --> 00:23:47,179

anyway he pulled the curtains aside in

447

00:23:55,180 --> 00:23:50,059

his room and he saw that it was pitch

448

00:23:57,549 --> 00:23:55,190

black outside so then he then apparently

449

00:24:00,029 --> 00:23:57,559

an object approached or was hovering in

450

00:24:04,419 --> 00:24:00,039

there and they spoke to him

451
00:24:08,950 --> 00:24:04,429
telepathically and this is this is a

452
00:24:12,310 --> 00:24:08,960
very strange incident I mean I consider

453
00:24:15,850 --> 00:24:12,320
this you know highly reliable now a lot

454
00:24:17,799 --> 00:24:15,860
of actors will maybe not a lot but some

455
00:24:19,990 --> 00:24:17,809
actors will try to pull the wool over

456
00:24:21,700 --> 00:24:20,000
your eye like you're William Shatner who

457
00:24:24,490 --> 00:24:21,710
I interviewed years ago and he told me

458
00:24:26,470 --> 00:24:24,500
the story about having a UFO experience

459
00:24:29,049 --> 00:24:26,480
and the men in black are following em

460
00:24:31,509 --> 00:24:29,059
what while he was on his motorcycle and

461
00:24:34,539 --> 00:24:31,519
then he said years later oh-ho-ho he

462
00:24:36,580 --> 00:24:34,549
fooled that guy from the Enquirer well I

463
00:24:38,590 --> 00:24:36,590

didn't make him take a lie-detector test

464

00:24:41,470 --> 00:24:38,600

it was a celebrity yet piece not a

465

00:24:43,360 --> 00:24:41,480

scientific report but in the case of

466

00:24:46,240 --> 00:24:43,370

Stuart Whitman there just wasn't any

467

00:24:48,460 --> 00:24:46,250

reason for him well first of all to make

468

00:24:52,360 --> 00:24:48,470

up the story and he wasn't a Bill

469

00:24:54,580 --> 00:24:52,370

Shatner and and second of all I don't

470

00:24:56,620 --> 00:24:54,590

think that most people realize that

471

00:24:59,529 --> 00:24:56,630

there was a connection between blackouts

472

00:25:02,799 --> 00:24:59,539

and UFOs anyway this the voice inside

473

00:25:06,159 --> 00:25:02,809

the object told him that they were

474

00:25:08,440 --> 00:25:06,169

responsible for the blackout and they

475

00:25:14,200 --> 00:25:08,450

were very worried worried about our use

476
00:25:17,110 --> 00:25:14,210
of atomic and nuclear energy because not

477
00:25:21,340 --> 00:25:17,120
only could we destroy ourselves but we

478
00:25:28,289 --> 00:25:21,350
might inadvertently harm their

479
00:25:34,779 --> 00:25:32,169
like you know people who like the 2003

480
00:25:36,639 --> 00:25:34,789
it was 2,000 3,000 so they're really big

481
00:25:39,100 --> 00:25:36,649
in black a whole East Coast Coast that

482
00:25:41,420 --> 00:25:39,110
that was caused by yeah

483
00:25:43,340 --> 00:25:41,430
well there have been there there have

484
00:25:47,470 --> 00:25:43,350
been a lot of blackouts especially in

485
00:25:51,800 --> 00:25:47,480
South America that have apparently

486
00:25:56,150 --> 00:25:51,810
tie-ins with the UFO sightings you know

487
00:25:58,430 --> 00:25:56,160
we have everything here from local life

488
00:26:01,190 --> 00:25:58,440

power fair people people have been

489

00:26:03,950 --> 00:26:01,200

driving along the highway and and their

490

00:26:06,890 --> 00:26:03,960

cars would stall after UFO came down

491

00:26:10,100 --> 00:26:06,900

very lower or land at near them it's

492

00:26:15,770 --> 00:26:10,110

known as the electromagnetic effect but

493

00:26:17,780 --> 00:26:15,780

apparently the these visitors the others

494

00:26:19,850 --> 00:26:17,790

whatever you want to call them I'll don't

495

00:26:23,210 --> 00:26:19,860

call them aliens because that has a bad

496

00:26:25,370 --> 00:26:23,220

kind of today and some people get to

497

00:26:28,220 --> 00:26:25,380

confuse what kind of aliens were we're

498

00:26:31,010 --> 00:26:28,230

speaking it to but can you imagine we

499

00:26:33,500 --> 00:26:31,020

want to put up a border to keep out you

500

00:26:35,030 --> 00:26:33,510

know people from other countries why in

501

00:26:36,890 --> 00:26:35,040

god's name when people say well why

502

00:26:38,840 --> 00:26:36,900

don't they land on the White House House

503

00:26:41,450 --> 00:26:38,850

lawn that would probably be the last

504

00:26:45,370 --> 00:26:41,460

place you would want to to to land I

505

00:26:48,980 --> 00:26:45,380

mean where is really a neutral territory

506

00:26:53,090 --> 00:26:48,990

and of course some of these guys may not

507

00:26:57,590 --> 00:26:53,100

be so good after all in fact you know

508

00:27:06,880 --> 00:26:57,600

this coming week we have what was

509

00:27:12,710 --> 00:27:10,550

yes well okay well now there's been some

510

00:27:16,760 --> 00:27:12,720

confusion about this we just came out

511

00:27:22,430 --> 00:27:16,770

with a book called area 51 warning it

512

00:27:24,590 --> 00:27:22,440

keep out I was up at area 51 or maybe 20

513

00:27:28,730 --> 00:27:24,600

years ago in fact we had a little mini

514

00:27:31,670 --> 00:27:28,740

convention there at the little alien in

515

00:27:33,620 --> 00:27:31,680

we had about 150 people showed up to

516

00:27:36,350 --> 00:27:33,630

here bill Cooper who was a very

517

00:27:40,250 --> 00:27:36,360

controversial figure spoke about the

518

00:27:42,590 --> 00:27:40,260

Kennedy assassination and secret trade

519

00:27:46,850 --> 00:27:42,600

agreement with extraterrestrials and and

520

00:27:48,770 --> 00:27:46,860

so forth and we had our sky watch we

521

00:27:52,910 --> 00:27:48,780

didn't really see anything too unusual

522

00:27:57,110 --> 00:27:52,920

and we were even harassed by the

523

00:27:59,480 --> 00:27:57,120

in county police we were on the TV you

524

00:28:01,160 --> 00:27:59,490

know like I'm the new news and they

525

00:28:03,290 --> 00:28:01,170

interviewed the the sheriff and he said

526

00:28:04,970 --> 00:28:03,300

well we don't mind and people coming out

527

00:28:07,220 --> 00:28:04,980

here we liked it towards but yet they

528

00:28:08,690 --> 00:28:07,230

harass you they follow you when you come

529

00:28:12,110 --> 00:28:08,700

out of the parking lot and a little

530

00:28:14,450 --> 00:28:12,120

alien in my god I I swerved on the

531

00:28:16,310 --> 00:28:14,460

highway now mind you this is at one

532

00:28:18,620 --> 00:28:16,320

o'clock in the morning I swear down the

533

00:28:21,830 --> 00:28:18,630

highway to avoid hitting a rabbit that

534

00:28:24,220 --> 00:28:21,840

was crossing the the road I've got too

535

00:28:26,990 --> 00:28:24,230

much into roadkill these days you know

536

00:28:29,480 --> 00:28:27,000

and so I went a little bit over the like

537

00:28:33,440 --> 00:28:29,490

now mind you there isn't a damn person

538

00:28:35,180 --> 00:28:33,450

within 50 miles of here but me yeah yeah

539

00:28:37,940 --> 00:28:35,190

yeah the cop car was right up my

540

00:28:40,280 --> 00:28:37,950

backside and he you know he pulled me

541

00:28:44,240 --> 00:28:40,290

over I do little honey's in the car with

542

00:28:46,280 --> 00:28:44,250

me and you know he made me walk the line

543

00:28:48,230 --> 00:28:46,290

and say the alphabet backwards and

544

00:28:51,350 --> 00:28:48,240

repeat the star-spangled banner' on the

545

00:28:55,280 --> 00:28:51,360

hood of the car and all that nonsense

546

00:28:58,810 --> 00:28:55,290

and you know I was quite perturbed about

547

00:29:02,390 --> 00:28:58,820

that then and I'd like to stop a senior

548

00:29:05,390 --> 00:29:02,400

citizens anyway I guess they're they're

549

00:29:08,720 --> 00:29:05,400

easily a frightened some of them of

550

00:29:12,410 --> 00:29:08,730

course you never know ere ever that part

551
00:29:16,520 --> 00:29:12,420
of the country usually has the open open

552
00:29:17,780 --> 00:29:16,530
gun you know law so I if people people

553
00:29:22,130 --> 00:29:17,790
are people are packing

554
00:29:24,290 --> 00:29:22,140
I would I would guess you know but there

555
00:29:25,730 --> 00:29:24,300
been sightings out there you know and

556
00:29:32,690 --> 00:29:25,740
and there are some people who claim that

557
00:29:34,570 --> 00:29:32,700
the bodies of the ETS that might have

558
00:29:37,040 --> 00:29:34,580
crashed and died in Roswell they were

559
00:29:38,900 --> 00:29:37,050
stored there I don't know if they'd

560
00:29:41,450 --> 00:29:38,910
still be stored near if they were taken

561
00:29:45,740 --> 00:29:41,460
there because that's but back in the 19

562
00:29:49,490 --> 00:29:45,750
late 1940s but people were seeing things

563
00:29:51,710 --> 00:29:49,500

from off the highway you know strange

564

00:29:54,070 --> 00:29:51,720

craft in the sky disc shaped and ball

565

00:29:56,330 --> 00:29:54,080

shaped and and things that sputtered and

566

00:29:58,670 --> 00:29:56,340

stopped in and and seem to be

567

00:30:01,030 --> 00:29:58,680

teleporting itself because it would be

568

00:30:05,260 --> 00:30:01,040

in one portion of the sky one moment and

569

00:30:07,060 --> 00:30:05,270

instantaneously somewhere else

570

00:30:09,010 --> 00:30:07,070

and then there was a gentleman by the

571

00:30:10,840 --> 00:30:09,020

name of Bob Lazar who claimed forward

572

00:30:13,690 --> 00:30:10,850

that came forward who claimed that he

573

00:30:15,220 --> 00:30:13,700

had actually worked there and that one

574

00:30:19,720 --> 00:30:15,230

of the things he had worked on were

575

00:30:22,590 --> 00:30:19,730

these of alien craft from other worlds

576

00:30:25,180 --> 00:30:22,600

now supposedly also too they have

577

00:30:31,360 --> 00:30:25,190

reconstructed some of these devices

578

00:30:34,860 --> 00:30:31,370

using back technology and so now the the

579

00:30:38,770 --> 00:30:34,870

US and probably other countries have

580

00:30:40,330 --> 00:30:38,780

UFOs of their own so that causes a bit

581

00:30:42,250 --> 00:30:40,340

of confusion when you look up into the

582

00:30:44,200 --> 00:30:42,260

sky and you see something glowing and

583

00:30:47,170 --> 00:30:44,210

and coming toward you you don't know

584

00:30:53,770 --> 00:30:47,180

whether it's from out there or from in

585

00:30:56,860 --> 00:30:53,780

here yeah now I'm curious what do you

586

00:30:58,450 --> 00:30:56,870

think about the whole thing then shortly

587

00:31:01,690 --> 00:30:58,460

after I spoke to you last

588

00:31:04,870 --> 00:31:01,700

back in December right before New Year

589

00:31:07,930 --> 00:31:04,880

there was that thing in Queens and swear

590

00:31:10,090 --> 00:31:07,940

the sky lit up blue and they ain't

591

00:31:12,280 --> 00:31:10,100

saying a cone at an attic ocean but I

592

00:31:15,100 --> 00:31:12,290

feel like people believe other otherwise

593

00:31:17,910 --> 00:31:15,110

your take on that and then yeah you know

594

00:31:21,280 --> 00:31:17,920

Jesus I don't know as if I haven't take

595

00:31:23,890 --> 00:31:21,290

on that I I didn't talk to any of the

596

00:31:27,010 --> 00:31:23,900

you know the the witnesses or anything

597

00:31:29,650 --> 00:31:27,020

like that it could have been a natural

598

00:31:33,730 --> 00:31:29,660

phenomenon of some type now they even

599

00:31:36,910 --> 00:31:33,740

have photographs in the video that have

600

00:31:39,280 --> 00:31:36,920

been taken from saddle you know

601
00:31:44,230 --> 00:31:39,290
satellites and and planes flying at high

602
00:31:47,460 --> 00:31:44,240
altitude that show these emissions blue

603
00:31:51,010 --> 00:31:47,470
lights and and I think some of them are

604
00:31:54,820 --> 00:31:51,020
maybe a yellow coming up off of the

605
00:31:58,780 --> 00:31:54,830
surface of the the planet I believe they

606
00:32:02,830 --> 00:31:58,790
have termed them sprites and and this is

607
00:32:08,260 --> 00:32:02,840
an unexplained phenomena sometimes the

608
00:32:10,450 --> 00:32:08,270
sky does light up supernaturally I don't

609
00:32:13,750 --> 00:32:10,460
know what you would would call it but

610
00:32:16,300 --> 00:32:13,760
they try to say oh it's the aurora

611
00:32:19,390 --> 00:32:16,310
borealis well the I don't think their

612
00:32:23,470 --> 00:32:19,400
aura borealis has been seen

613
00:32:25,150 --> 00:32:23,480

in recent years in Queens I mean I can't

614

00:32:28,900 --> 00:32:25,160

even see the stars in New York City at

615

00:32:32,530 --> 00:32:28,910

ease no well well you've got to go up

616

00:32:37,590 --> 00:32:32,540

you've got to go up to Pine Bush which

617

00:32:40,870 --> 00:32:39,460

it's with Queens

618

00:32:45,040 --> 00:32:40,880

I believe you're fast in the city limits

619

00:32:47,260 --> 00:32:45,050

doesn't you can't cncn yeah I I wouldn't

620

00:32:49,240 --> 00:32:47,270

I wouldn't I wouldn't think so but like

621

00:32:51,100 --> 00:32:49,250

you say there there have been a heck of

622

00:32:54,100 --> 00:32:51,110

a lot of UFO yeah

623

00:32:58,240 --> 00:32:54,110

sightings over the the city a year but

624

00:33:02,020 --> 00:32:58,250

that's the case in most figure in most

625

00:33:05,080 --> 00:33:02,030

big communities I a one time the some

626

00:33:07,060 --> 00:33:05,090

editor dared me to prove there you know

627

00:33:11,230 --> 00:33:07,070

because they always say on the media oh

628

00:33:14,710 --> 00:33:11,240

it's some you know redneck or or some

629

00:33:17,260 --> 00:33:14,720

farmer in the the middle of Iowa who

630

00:33:20,980 --> 00:33:17,270

sees these things but that's not true at

631

00:33:23,050 --> 00:33:20,990

all in fact yeah I got you off my

632

00:33:26,710 --> 00:33:23,060

wonderful son shark sightings is if it

633

00:33:29,680 --> 00:33:26,720

be due to the product property Oh Times

634

00:33:33,220 --> 00:33:29,690

Square because I believe can see Times

635

00:33:35,440 --> 00:33:33,230

Square from our space little light so so

636

00:33:37,720 --> 00:33:35,450

the way that time squares kind of shaped

637

00:33:42,120 --> 00:33:37,730

oh my mouse would be like landing strip

638

00:33:44,670 --> 00:33:42,130

to send burger or how about Los Vegas oh

639

00:33:47,170 --> 00:33:44,680

my god

640

00:33:49,540 --> 00:33:47,180

but you know there are a lot of places

641

00:33:54,550 --> 00:33:49,550

that I've flown over you see nothing

642

00:33:57,220 --> 00:33:54,560

maybe you know five houses lit up down

643

00:34:00,580 --> 00:33:57,230

there you know but yeah there's all

644

00:34:04,860 --> 00:34:00,590

kinds of weird phenomena that that goes

645

00:34:07,570 --> 00:34:04,870

on around the planet that cannot be

646

00:34:10,750 --> 00:34:07,580

explained there was one place that I

647

00:34:13,930 --> 00:34:10,760

visited many a years ago called

648

00:34:15,700 --> 00:34:13,940

Brown Mountain which is down in what

649

00:34:19,000 --> 00:34:15,710

felt like yeah

650

00:34:24,850 --> 00:34:19,010

Brown Mountain lights these things come

651
00:34:28,389 --> 00:34:24,860
up from the the valley and drift across

652
00:34:30,940 --> 00:34:28,399
the the sky now what most people don't

653
00:34:32,620 --> 00:34:30,950
realize is that there is a very strong

654
00:34:35,830 --> 00:34:32,630
deposit of Chris

655
00:34:41,410 --> 00:34:35,840
in the mountains and a lot of times

656
00:34:43,960 --> 00:34:41,420
where there is metal deposits like gold

657
00:34:48,220 --> 00:34:43,970
and silver and crystals these things

658
00:34:50,730 --> 00:34:48,230
seem to to show up in abundance I don't

659
00:34:55,150 --> 00:34:50,740
know whether they use the the energy

660
00:34:58,000 --> 00:34:55,160
from the the crystals to transport

661
00:35:01,660 --> 00:34:58,010
themselves or whether it's it's a how

662
00:35:05,650 --> 00:35:01,670
it's related but there are these ghost

663
00:35:08,440 --> 00:35:05,660

lights that have been seen quite

664

00:35:12,670 --> 00:35:08,450

frequently Brown Mountain lights there's

665

00:35:15,970 --> 00:35:12,680

some Marfa lights in Texas and probably

666

00:35:19,390 --> 00:35:15,980

there's another one in Oklahoma they

667

00:35:21,070 --> 00:35:19,400

called the spook city light and other

668

00:35:22,510 --> 00:35:21,080

other places too that you don't hear

669

00:35:26,140 --> 00:35:22,520

about it but you know I did some

670

00:35:28,630 --> 00:35:26,150

research on YouTube recently and and

671

00:35:30,580 --> 00:35:28,640

found that other people had there were

672

00:35:33,430 --> 00:35:30,590

other locations where these things have

673

00:35:35,680 --> 00:35:33,440

been showing up for for centuries and

674

00:35:37,720 --> 00:35:35,690

they usually try to you know explain it

675

00:35:40,630 --> 00:35:37,730

by saying oh it's it's the reflections

676
00:35:44,560 --> 00:35:40,640
of car lights or a train coming down the

677
00:35:46,810 --> 00:35:44,570
track except in a lot of instances the

678
00:35:49,120 --> 00:35:46,820
the sightings of these spook lights or

679
00:35:51,640 --> 00:35:49,130
ghost lights go back before there were

680
00:35:56,260 --> 00:35:51,650
cars on the road especially in the case

681
00:35:59,490 --> 00:35:56,270
of Brown Mountain where the local

682
00:36:04,270 --> 00:35:59,500
indigenous people the Native Americans

683
00:36:09,430 --> 00:36:04,280
talk about seeing these these globes of

684
00:36:14,020 --> 00:36:09,440
fire or light back many many years ago

685
00:36:17,980 --> 00:36:14,030
you know but but they do seem they do

686
00:36:20,500 --> 00:36:17,990
seem to be under intelligent control and

687
00:36:23,830 --> 00:36:20,510
I say that because when I visited

688
00:36:27,400 --> 00:36:23,840

Brown Mountain I spoke to a they

689

00:36:30,340 --> 00:36:27,410

actually for a while I had a watch tower

690

00:36:32,050 --> 00:36:30,350

where people could climb and and and and

691

00:36:34,540 --> 00:36:32,060

look out for these things there there

692

00:36:37,090 --> 00:36:34,550

there's still a marker on the on the

693

00:36:39,340 --> 00:36:37,100

highway put up by the forestry

694

00:36:41,590 --> 00:36:39,350

department you know good location to

695

00:36:46,210 --> 00:36:41,600

watch for the Brown Mountain lights and

696

00:36:48,760 --> 00:36:46,220

so forth but several of the witnesses

697

00:36:51,220 --> 00:36:48,770

it told me how they had seen these

698

00:36:54,339 --> 00:36:51,230

objects and as they would approach them

699

00:36:57,309 --> 00:36:54,349

they would disappear but if they turned

700

00:37:00,250 --> 00:36:57,319

around they would be in back of them

701
00:37:05,349 --> 00:37:00,260
almost as if they were playing a you

702
00:37:09,400 --> 00:37:05,359
know a cat-and-mouse game so it's it's

703
00:37:12,010 --> 00:37:09,410
very is very strange these these UFOs or

704
00:37:15,819 --> 00:37:12,020
however you define them come in all

705
00:37:22,779 --> 00:37:15,829
shapes and sizes and seem to have all

706
00:37:25,900 --> 00:37:22,789
different programs or agendas in mind

707
00:37:29,770 --> 00:37:25,910
and and people are going oh well I never

708
00:37:31,480 --> 00:37:29,780
finished up on the area 51 okay well

709
00:37:35,020 --> 00:37:31,490
there was talking about having this

710
00:37:37,809 --> 00:37:35,030
alien stock but the the guy gave the guy

711
00:37:40,930 --> 00:37:37,819
that was doing that who originally came

712
00:37:43,150 --> 00:37:40,940
up with the idea of Facebook gave up on

713
00:37:46,329 --> 00:37:43,160

the idea because of the logistics and

714

00:37:50,020 --> 00:37:46,339

said he was going to hold his activities

715

00:37:51,970 --> 00:37:50,030

in a bar back in Los Angeles and gave

716

00:37:54,730 --> 00:37:51,980

the impression that everything else had

717

00:37:58,180 --> 00:37:54,740

yes yeah yeah yeah you know have been

718

00:38:00,279 --> 00:37:58,190

cancelled however I spoke several times

719

00:38:03,190 --> 00:38:00,289

within the next couple of last couple of

720

00:38:05,799 --> 00:38:03,200

days to the proprietors out of the

721

00:38:07,890 --> 00:38:05,809

little alien n which is in a couple of

722

00:38:12,430 --> 00:38:07,900

within a couple of miles of the gates of

723

00:38:13,960 --> 00:38:12,440

area 51 right now where people have had

724

00:38:16,750 --> 00:38:13,970

these sightings on and off over the

725

00:38:20,440 --> 00:38:16,760

years and they said they've got 30 acres

726

00:38:23,440 --> 00:38:20,450

put aside for camping they've got a

727

00:38:26,260 --> 00:38:23,450

stage and they're going to have live

728

00:38:28,359 --> 00:38:26,270

music and I guess people maybe even

729

00:38:30,279 --> 00:38:28,369

talking or something and certainly the

730

00:38:31,990 --> 00:38:30,289

bar and the restaurant will be open so

731

00:38:35,680 --> 00:38:32,000

to give the impression that the whole

732

00:38:38,920 --> 00:38:35,690

thing had been cancelled it's just not

733

00:38:44,609 --> 00:38:38,930

it's just not true now I shouldn't warn

734

00:38:46,930 --> 00:38:44,619

that it is a long trek from Las Vegas

735

00:38:53,440 --> 00:38:46,940

the glittering lights of the Las Vegas

736

00:38:56,920 --> 00:38:53,450

Strip to the little alien in I once made

737

00:38:59,440 --> 00:38:56,930

the journey it's about 90 miles and

738

00:39:00,010 --> 00:38:59,450

people had warned me make sure you have

739

00:39:02,620 --> 00:39:00,020

God

740

00:39:06,250 --> 00:39:02,630

full tank of gas because there isn't

741

00:39:10,390 --> 00:39:06,260

another place to fill up for 60 miles

742

00:39:13,960 --> 00:39:10,400

well well I I had rented I had rented a

743

00:39:15,940 --> 00:39:13,970

Mustang convertible I had two very

744

00:39:18,130 --> 00:39:15,950

attractive young ladies in the car who

745

00:39:20,050 --> 00:39:18,140

insisted on playing the music large loud

746

00:39:23,770 --> 00:39:20,060

and dancing around in the backseat while

747

00:39:27,700 --> 00:39:23,780

I drove and and somehow I guess I forgot

748

00:39:29,740 --> 00:39:27,710

to fill up the gas tank and somewhere

749

00:39:32,520 --> 00:39:29,750

out on the extraterrestrial highway

750

00:39:36,310 --> 00:39:32,530

which was not called that then the car

751
00:39:39,940 --> 00:39:36,320
sputtered and spit and stalled and came

752
00:39:46,380 --> 00:39:39,950
to a stop well the temperature with the

753
00:39:48,730 --> 00:39:46,390
hood down is at least a hundred degrees

754
00:39:51,310 --> 00:39:48,740
the middle of the desert there is no

755
00:39:53,410 --> 00:39:51,320
shade and there's nobody even passing on

756
00:39:56,020 --> 00:39:53,420
the highway now I could have easily

757
00:39:58,180 --> 00:39:56,030
turned into a marshmallow if it hadn't

758
00:40:02,970 --> 00:39:58,190
been for these two very attractive young

759
00:40:06,840 --> 00:40:02,980
ladies who managed to stop a gentleman

760
00:40:09,910 --> 00:40:06,850
naturally in a car

761
00:40:12,760 --> 00:40:09,920
naturally who was pulling a motor boat

762
00:40:15,520 --> 00:40:12,770
motor boat and he managed to siphon out

763
00:40:18,430 --> 00:40:15,530

some gas from the boat to put into our

764

00:40:21,300 --> 00:40:18,440

car to get us going again much to the

765

00:40:24,040 --> 00:40:21,310

chagrin of his wife who I guess was

766

00:40:25,450 --> 00:40:24,050

anxious to get to Lake Powell or

767

00:40:27,760 --> 00:40:25,460

wherever they were going I don't know

768

00:40:29,380 --> 00:40:27,770

where your motorboat out in the middle

769

00:40:33,220 --> 00:40:29,390

of the desert but I guess they were on

770

00:40:35,500 --> 00:40:33,230

their way to Colorado or somewhere and

771

00:40:38,010 --> 00:40:35,510

and so we got started again and we

772

00:40:40,300 --> 00:40:38,020

proceeded to the little layer alien in

773

00:40:42,160 --> 00:40:40,310

they have some nice rooms there but

774

00:40:44,020 --> 00:40:42,170

unfortunately they only have about 11 of

775

00:40:46,930 --> 00:40:44,030

them so they're not gonna put you up for

776

00:40:51,400 --> 00:40:46,940

the night if you're going out there for

777

00:40:52,930 --> 00:40:51,410

the alien stock but it's you know start

778

00:40:55,300 --> 00:40:52,940

out if you're going out there and I'm

779

00:40:57,070 --> 00:40:55,310

sure people have made a plane

780

00:41:00,430 --> 00:40:57,080

reservations at all they're do be

781

00:41:02,620 --> 00:41:00,440

informed that it's going on and just

782

00:41:06,760 --> 00:41:02,630

take it easy and don't storm the the

783

00:41:09,580 --> 00:41:06,770

gate because the the security there will

784

00:41:10,960 --> 00:41:09,590

make it miserable for you and then

785

00:41:13,210 --> 00:41:10,970

they'll turn you over to the local

786

00:41:13,989 --> 00:41:13,220

sheriff and you'll hat now this is a

787

00:41:16,839 --> 00:41:13,999

scam

788

00:41:18,999 --> 00:41:16,849

scarlet if there ever was one they

789

00:41:21,339 --> 00:41:19,009

charge you \$600 before you get out of

790

00:41:24,699 --> 00:41:21,349

town that's defined for crossing over

791

00:41:26,799 --> 00:41:24,709

the barrier I mean that that sounds like

792

00:41:28,779 --> 00:41:26,809

something you see on TV in Mayberry or

793

00:41:30,429 --> 00:41:28,789

something you know where you know where

794

00:41:32,649 --> 00:41:30,439

you don't even go before the judge and

795

00:41:34,749 --> 00:41:32,659

just pay the fine and then you leave you

796

00:41:36,219 --> 00:41:34,759

know like a speed trap speed trap side

797

00:41:38,499 --> 00:41:36,229

they used to have in the old days and

798

00:41:42,579 --> 00:41:38,509

then they probably they probably still

799

00:41:46,359 --> 00:41:42,589

do now over the years years because I've

800

00:41:48,219 --> 00:41:46,369

been at this of all paranal things that

801
00:41:51,099 --> 00:41:48,229
you you've encountered or heard about

802
00:41:52,209 --> 00:41:51,109
what was the one that shocked you

803
00:41:56,229 --> 00:41:52,219
through the most to come to the

804
00:41:57,669 --> 00:41:56,239
realization Eve it's true true oh geez

805
00:42:01,449 --> 00:41:57,679
well you know I hadn't even thought

806
00:42:04,689 --> 00:42:01,459
about that shocked me the most well you

807
00:42:08,109 --> 00:42:04,699
know Sammy I'm not easily shocked that

808
00:42:11,769 --> 00:42:08,119
that's probably one of the the problems

809
00:42:14,799 --> 00:42:11,779
and I I've seen and heard

810
00:42:17,019 --> 00:42:14,809
I guess just about everything you know I

811
00:42:20,139 --> 00:42:17,029
I did a book we've got about three

812
00:42:22,029 --> 00:42:20,149
hundred nine titles if any of your

813
00:42:24,939 --> 00:42:22,039

listeners are interested in pursuing

814

00:42:27,509 --> 00:42:24,949

this further they can know we just go to

815

00:42:30,939 --> 00:42:27,519

Amazon and type in my name Timothy

816

00:42:35,949 --> 00:42:30,949

Beckley BC que le Y or or send me an

817

00:42:39,189 --> 00:42:35,959

email at m ru fo8 at hotmail we did a

818

00:42:42,419 --> 00:42:39,199

book we try to do two or three new books

819

00:42:45,939 --> 00:42:42,429

every month even though I'm seven

820

00:42:49,719 --> 00:42:45,949

semi-retired we did a book recently

821

00:42:52,599 --> 00:42:49,729

called screwed by the aliens now it has

822

00:42:54,639 --> 00:42:52,609

a double meaning it is actual cases

823

00:43:00,159 --> 00:42:54,649

where people claim they were abducted

824

00:43:03,159 --> 00:43:00,169

and molested and and and forced into

825

00:43:05,019 --> 00:43:03,169

having their sex with these beings you

826

00:43:06,999 --> 00:43:05,029

know even going back to the Bible it

827

00:43:10,449 --> 00:43:07,009

talks about how the Giants came in took

828

00:43:12,339 --> 00:43:10,459

the daughters the daughters of men

829

00:43:14,799 --> 00:43:12,349

because they were fair and so forth in

830

00:43:16,119 --> 00:43:14,809

and and so on so this is something

831

00:43:20,739 --> 00:43:16,129

that's been going on for a long long

832

00:43:23,439 --> 00:43:20,749

time in the in occultism we would call

833

00:43:25,770 --> 00:43:23,449

this the phenomena of like tsukuba sand

834

00:43:29,450 --> 00:43:25,780

in Incubus and

835

00:43:31,500 --> 00:43:29,460

it's it's a very negative aspect

836

00:43:33,240 --> 00:43:31,510

although some people claim that they've

837

00:43:35,640 --> 00:43:33,250

had sex with aliens and they look like

838

00:43:37,800 --> 00:43:35,650

angels and they and they were pretty

839

00:43:41,460 --> 00:43:37,810

happy about it but you know I mean it to

840

00:43:43,740 --> 00:43:41,470

each their own I I suppose anyway this

841

00:43:46,050 --> 00:43:43,750

is a very negative s and and I thought

842

00:43:48,420 --> 00:43:46,060

well you know these people are gonna you

843

00:43:53,040 --> 00:43:48,430

know they're fantasizing and they're a

844

00:43:56,850 --> 00:43:53,050

little bit on unhinged or or don't have

845

00:43:59,130 --> 00:43:56,860

a man to call their other their own but

846

00:44:02,730 --> 00:43:59,140

you know the more I investigate it I

847

00:44:04,830 --> 00:44:02,740

mean these people seem to be a very not

848

00:44:11,730 --> 00:44:04,840

all of them necessarily but they all

849

00:44:13,740 --> 00:44:11,740

seem to be fairly stable and reporting

850

00:44:15,780 --> 00:44:13,750

what they had honestly believed was

851
00:44:17,970 --> 00:44:15,790
happening that to them of course

852
00:44:21,780 --> 00:44:17,980
probably the most famous case would be

853
00:44:24,870 --> 00:44:21,790
of a Whitley Schreiber who describes in

854
00:44:27,900 --> 00:44:24,880
communion how he was probed by the

855
00:44:30,900 --> 00:44:27,910
aliens I mean that's become kind of the

856
00:44:33,570 --> 00:44:30,910
standard a joke even on the on the

857
00:44:37,670 --> 00:44:33,580
simpsons so that I thought I would say

858
00:44:41,790 --> 00:44:37,680
it is to me the most perplexing a puzzle

859
00:44:44,040 --> 00:44:41,800
as far as the the occult and the

860
00:44:46,950 --> 00:44:44,050
supernatural goes and certainly a

861
00:44:48,840 --> 00:44:46,960
frightening aspect of this but then on

862
00:44:51,330 --> 00:44:48,850
the other hand you got the the good guys

863
00:44:53,490 --> 00:44:51,340

that are coming here we did a another

864

00:44:56,790 --> 00:44:53,500

book just came out about a month ago

865

00:44:59,250 --> 00:44:56,800

called the space the space brothers

866

00:45:01,650 --> 00:44:59,260

speak transmissions from the solar

867

00:45:03,870 --> 00:45:01,660

council and it's about the ashtar

868

00:45:07,800 --> 00:45:03,880

command and these are supposed to be

869

00:45:12,380 --> 00:45:07,810

these mighty space of brothers who were

870

00:45:14,940 --> 00:45:12,390

here looking to help the the spiritual

871

00:45:16,830 --> 00:45:14,950

uplifting of the planet Earth and

872

00:45:20,880 --> 00:45:16,840

keeping an eye on us to make sure that

873

00:45:24,030 --> 00:45:20,890

we don't just destroy ourselves and we

874

00:45:26,130 --> 00:45:24,040

had recently on exploring the bizarre a

875

00:45:29,070 --> 00:45:26,140

very interesting fellow who claims that

876

00:45:31,560 --> 00:45:29,080

he's met Ashtar another member so the a

877

00:45:33,420 --> 00:45:31,570

structure man Mark Brinkerhoff who lives

878

00:45:35,760 --> 00:45:33,430

by the way near Central Park in New York

879

00:45:38,100 --> 00:45:35,770

City and and this fellow you should have

880

00:45:39,359 --> 00:45:38,110

him on your show sometime is a UFO

881

00:45:45,359 --> 00:45:39,369

repeater

882

00:45:47,940 --> 00:45:45,369

the capability to go out either day or

883

00:45:51,749 --> 00:45:47,950

night and with this camera or video and

884

00:45:54,599 --> 00:45:51,759

take photos of the sky and when the you

885

00:45:58,140 --> 00:45:54,609

you look at the pictures a digital now I

886

00:46:00,569 --> 00:45:58,150

guess are the videos strange things

887

00:46:03,390 --> 00:46:00,579

appear and and sometimes they actually

888

00:46:06,120 --> 00:46:03,400

are a mark is actually able to call down

889

00:46:08,069 --> 00:46:06,130

these crap he goes through his window I

890

00:46:10,829 --> 00:46:08,079

mean I've seen the whole series of

891

00:46:14,519 --> 00:46:10,839

photographs we reprinted them in the UFO

892

00:46:18,799 --> 00:46:14,529

of repeaters the chamber doesn't lie of

893

00:46:20,849 --> 00:46:18,809

these objects and they're not airplanes

894

00:46:23,279 --> 00:46:20,859

some people say oh they're party

895

00:46:24,839 --> 00:46:23,289

balloons but at the neighborhood he

896

00:46:26,819 --> 00:46:24,849

lives in must have more parties than

897

00:46:29,700 --> 00:46:26,829

anybody else if these are party of

898

00:46:32,460 --> 00:46:29,710

balloons but he's even had photographs

899

00:46:34,049 --> 00:46:32,470

if you blow up the object you'll see a

900

00:46:35,940 --> 00:46:34,059

port home with the shadow of a being

901
00:46:39,569 --> 00:46:35,950
inside you this is something that's

902
00:46:41,339 --> 00:46:39,579
followed him around all his his life so

903
00:46:44,099 --> 00:46:41,349
now I can't tell you whether he's

904
00:46:45,900 --> 00:46:44,109
actually been you know in touch with the

905
00:46:48,960 --> 00:46:45,910
people from other planets and he really

906
00:46:51,749 --> 00:46:48,970
knows a star and all I try to keep a

907
00:46:53,999 --> 00:46:51,759
neutral attitude on all of this salmon

908
00:46:59,039 --> 00:46:54,009
you know I don't try to get overwhelmed

909
00:47:01,589 --> 00:46:59,049
by it I have a social life and the

910
00:47:04,710 --> 00:47:01,599
things that I do and I try not to be

911
00:47:07,229 --> 00:47:04,720
overly consumed there by it but I find

912
00:47:09,930 --> 00:47:07,239
it both fascinating and and to some

913
00:47:12,779 --> 00:47:09,940

degree entertaining I mean some of these

914

00:47:13,289 --> 00:47:12,789

shows now on TV like on the Travel

915

00:47:16,319 --> 00:47:13,299

Channel

916

00:47:18,329 --> 00:47:16,329

they're fantastic there's a program on

917

00:47:20,729 --> 00:47:18,339

there called the contact where these

918

00:47:23,640 --> 00:47:20,739

people travel all over the world and it

919

00:47:26,220 --> 00:47:23,650

and investigate these things firsthand

920

00:47:28,049 --> 00:47:26,230

and find out a lot of things that the

921

00:47:29,849 --> 00:47:28,059

independent researchers would not be

922

00:47:33,779 --> 00:47:29,859

able to find out because they don't have

923

00:47:37,589 --> 00:47:33,789

the backing of a big cable station and

924

00:47:41,099 --> 00:47:37,599

are not financially able to do it I mean

925

00:47:42,690 --> 00:47:41,109

to be a serious researcher like III made

926
00:47:46,140 --> 00:47:42,700
a lot of money over the years publishing

927
00:47:48,359 --> 00:47:46,150
books and articles and things but I

928
00:47:50,370 --> 00:47:48,369
pumped a lot of it back in and in

929
00:47:52,890 --> 00:47:50,380
traveling and going around and in

930
00:47:54,269 --> 00:47:52,900
studying this

931
00:47:58,079 --> 00:47:54,279
and so that's why you have me on your

932
00:48:02,690 --> 00:47:58,089
show now follows that you've encountered

933
00:48:08,039 --> 00:48:05,640
lost job that would repeat that of all

934
00:48:09,599 --> 00:48:08,049
except enough this post in the

935
00:48:11,309 --> 00:48:09,609
paranormal community what's one thing

936
00:48:14,339 --> 00:48:11,319
thing you insistently don't believe in

937
00:48:18,180 --> 00:48:14,349
leaving oh my goodness what don't I

938
00:48:24,959 --> 00:48:18,190

believe in billy meier i would agree on

939

00:48:27,779 --> 00:48:24,969

that his his photos are so ensuring yeah

940

00:48:30,599 --> 00:48:27,789

yeah yeah yeah but but not only that

941

00:48:34,019 --> 00:48:30,609

I'll go along with almost anything

942

00:48:37,499 --> 00:48:34,029

but not for people who turn this into a

943

00:48:39,029 --> 00:48:37,509

cult a cult of personality because this

944

00:48:41,400 --> 00:48:39,039

has nothing to do with the cult of

945

00:48:43,259 --> 00:48:41,410

personality when you tell me that the

946

00:48:46,529 --> 00:48:43,269

space people are talking to me and they

947

00:48:51,380 --> 00:48:46,539

don't talk to anybody else it's a bunch

948

00:48:56,789 --> 00:48:51,390

of hoey yeah that's all it is it's self

949

00:48:57,719 --> 00:48:56,799

grand iseman I'm using big words so self

950

00:49:00,959 --> 00:48:57,729

self

951
00:49:07,380 --> 00:49:00,969
grand iseman and and so I don't go along

952
00:49:13,309 --> 00:49:07,390
with with that also two exorcisms yeah I

953
00:49:17,309 --> 00:49:13,319
don't believe and Satan is a Christian

954
00:49:20,430 --> 00:49:17,319
invention so yes there are negative

955
00:49:23,459 --> 00:49:20,440
spirits out there maybe some people have

956
00:49:26,069 --> 00:49:23,469
been possessed by them but you're not

957
00:49:29,640 --> 00:49:26,079
going to get rid of them with a bottle

958
00:49:33,269 --> 00:49:29,650
of holy water or holding a cross up to

959
00:49:40,979 --> 00:49:33,279
them in fact my friend Paul you know who

960
00:49:45,200 --> 00:49:40,989
is the host of a radio show podcast he

961
00:49:48,029 --> 00:49:45,210
said he has gotten more positive

962
00:49:50,430 --> 00:49:48,039
response from holding guys or non

963
00:49:55,859 --> 00:49:50,440

positive response I suppose you could

964

00:49:58,219 --> 00:49:55,869

say by telling jokes that he then you

965

00:50:01,049 --> 00:49:58,229

can do by holding up a crosser or

966

00:50:04,580 --> 00:50:01,059

spattering the the person who supposedly

967

00:50:08,150 --> 00:50:04,590

possessed with the holy water

968

00:50:10,070 --> 00:50:08,160

that's you funny hey yeah yeah I feel

969

00:50:15,410 --> 00:50:10,080

like the church army is very much a

970

00:50:17,660 --> 00:50:15,420

shout when it well not that I don't

971

00:50:19,610 --> 00:50:17,670

believe in the exorcisms that thinks

972

00:50:24,140 --> 00:50:19,620

that things attention apostle bill Billy

973

00:50:25,340 --> 00:50:24,150

Mandela 510 10 got believer in I also

974

00:50:31,460 --> 00:50:25,350

you know don't you know wonder one thing

975

00:50:34,280 --> 00:50:31,470

I had a big believer in Bigfoot as well

976

00:50:37,760 --> 00:50:34,290

I I'm sure there's one in living in your

977

00:50:41,660 --> 00:50:37,770

apartment building and just like Bigfoot

978

00:50:45,050 --> 00:50:41,670

I just the lies well a lot of probably

979

00:50:49,670 --> 00:50:45,060

believing for it yeah well you know if a

980

00:50:51,400 --> 00:50:49,680

Bigfoot it seems to be and it well yes

981

00:50:55,640 --> 00:50:51,410

well now you know why he's elusive

982

00:50:57,860 --> 00:50:55,650

because he's not a physical being I mean

983

00:50:59,570 --> 00:50:57,870

these guys were out there hunting I say

984

00:51:03,140 --> 00:50:59,580

guys because most of them are guys but

985

00:51:06,770 --> 00:51:03,150

there are some gals that also have an

986

00:51:08,170 --> 00:51:06,780

interest in in big Bigfoot we've had a

987

00:51:12,350 --> 00:51:08,180

couple of them on our show a

988

00:51:15,160 --> 00:51:12,360

cryptozoology is very popular today I I

989

00:51:18,490 --> 00:51:15,170

think there's more interest in

990

00:51:20,840 --> 00:51:18,500

cryptozoology maybe that in UFOs even

991

00:51:23,390 --> 00:51:20,850

because a Bigfoot has been seen all over

992

00:51:25,610 --> 00:51:23,400

but people are looking for

993

00:51:30,140 --> 00:51:25,620

flesh-and-blood you know creatures and

994

00:51:32,990 --> 00:51:30,150

and feces and and animals that have been

995

00:51:35,420 --> 00:51:33,000

eaten in half and and it doesn't happen

996

00:51:38,420 --> 00:51:35,430

because these things seem to be you know

997

00:51:42,470 --> 00:51:38,430

supernatural in origin they come and go

998

00:51:46,100 --> 00:51:42,480

through the portals or time warps or

999

00:51:50,120 --> 00:51:46,110

something and a lot of times people see

1000

00:51:53,650 --> 00:51:50,130

UFOs and and their Bigfoot sighting it

1001
00:51:59,060 --> 00:51:53,660
all it all seems to happen in the same

1002
00:52:01,730 --> 00:51:59,070
area we call them hotspots or window

1003
00:52:04,970 --> 00:52:01,740
areas in fact we did a book notice how

1004
00:52:06,980 --> 00:52:04,980
everything leads into a plug we did a we

1005
00:52:08,330 --> 00:52:06,990
did a well if you had your skateboard

1006
00:52:11,710 --> 00:52:08,340
company you'd be doing the same thing

1007
00:52:15,890 --> 00:52:11,720
yeah we did it we did a book called the

1008
00:52:18,350 --> 00:52:15,900
alien alien strongholds on earth where

1009
00:52:18,530 --> 00:52:18,360
places were in fact I tell people you

1010
00:52:20,960 --> 00:52:18,540
know

1011
00:52:22,760 --> 00:52:20,970
have to go out to area 51 and get shot

1012
00:52:26,020 --> 00:52:22,770
and hang out in the desert there are

1013
00:52:30,980 --> 00:52:26,030

places you can go that are a lot more

1014

00:52:35,240 --> 00:52:30,990

pleasant like Sedona Arizona for example

1015

00:52:37,280 --> 00:52:35,250

and or Pine Bush in New York and why

1016

00:52:39,740 --> 00:52:37,290

don't we skateboard up there next year

1017

00:52:42,680 --> 00:52:39,750

with and their festival and sir

1018

00:52:45,680 --> 00:52:42,690

what will hang out and near the idea of

1019

00:52:48,440 --> 00:52:45,690

the graveyard where they have a lot of

1020

00:52:53,330 --> 00:52:48,450

the the sightings in fact there's a

1021

00:52:55,090 --> 00:52:53,340

fellow who is a scientist Bruce Cornett

1022

00:52:57,320 --> 00:52:55,100

who comes on our show from time to time

1023

00:53:00,170 --> 00:52:57,330

who's had sightings there and he just

1024

00:53:02,750 --> 00:53:00,180

did a big volume scientifically they're

1025

00:53:04,400 --> 00:53:02,760

trying to ascertain the movements of

1026

00:53:07,580 --> 00:53:04,410

these objects and so forth and then

1027

00:53:10,700 --> 00:53:07,590

there's a Linda Zimmerman who's done

1028

00:53:12,710 --> 00:53:10,710

several books not only on zombies has

1029

00:53:17,030 --> 00:53:12,720

nothing to do with their interest in the

1030

00:53:21,290 --> 00:53:17,040

triangular-shaped UFOs but as she's kept

1031

00:53:23,930 --> 00:53:21,300

abreast of all these reports of a

1032

00:53:25,910 --> 00:53:23,940

boomerang has shaped the craft that have

1033

00:53:29,510 --> 00:53:25,920

been seen up and down the the Hudson

1034

00:53:31,700 --> 00:53:29,520

Valley for decades I mean actually I

1035

00:53:35,840 --> 00:53:31,710

think the first report she has was like

1036

00:53:38,810 --> 00:53:35,850

from 1896 though so there you have it

1037

00:53:44,600 --> 00:53:38,820

scarlet I mean that's my life in a in a

1038

00:53:48,320 --> 00:53:44,610

nutshell everybody know where they can

1039

00:53:53,210 --> 00:53:48,330

get your books and where they can well

1040

00:53:56,630 --> 00:53:53,220

if you come knock on my door actually of

1041

00:53:59,420 --> 00:53:56,640

course does anybody order I I used to

1042

00:54:01,910 --> 00:53:59,430

get sacks of mail no I know I get one

1043

00:54:05,780 --> 00:54:01,920

payment from Amazon you know so if you

1044

00:54:08,930 --> 00:54:05,790

go to Amazon and just type in Tim

1045

00:54:11,120 --> 00:54:08,940

Buckley or Timothy Beckley you'll find

1046

00:54:13,430 --> 00:54:11,130

more books than you could shake up don't

1047

00:54:15,350 --> 00:54:13,440

forget my youtube channel because I'm

1048

00:54:17,570 --> 00:54:15,360

also a cartoon character

1049

00:54:20,660 --> 00:54:17,580

now how many ufologists can you claim

1050

00:54:25,100 --> 00:54:20,670

they're a cartoon character the YouTube

1051
00:54:28,580 --> 00:54:25,110
channel is called the mr. UFOs secret

1052
00:54:32,000 --> 00:54:28,590
files and and that's where we archive

1053
00:54:33,890 --> 00:54:32,010
our exploring the bizarre

1054
00:54:38,510 --> 00:54:33,900
shows that we do every Thursday night on

1055
00:54:40,700 --> 00:54:38,520
K cor radio it's also on stitcher and

1056
00:54:44,230 --> 00:54:40,710
iTunes which I don't even know how to

1057
00:54:47,720 --> 00:54:44,240
find in something called Google Play and

1058
00:54:51,200 --> 00:54:47,730
SoundCloud and anybody who wants to

1059
00:54:54,520 --> 00:54:51,210
conceal the show and you'll have a good

1060
00:54:59,570 --> 00:54:54,530
time on that because we try to keep it a

1061
00:55:01,520 --> 00:54:59,580
light entertaining light but also since

1062
00:55:04,250 --> 00:55:01,530
I've been doing this for so many years I

1063
00:55:07,730 --> 00:55:04,260

know how to pull the best information

1064

00:55:09,230 --> 00:55:07,740

out of people we don't spend it gotta

1065

00:55:11,170 --> 00:55:09,240

heard somebody talking the other night

1066

00:55:14,660 --> 00:55:11,180

who supposed to be a big talk show host

1067

00:55:16,550 --> 00:55:14,670

it was three hours of him talking and I

1068

00:55:18,770 --> 00:55:16,560

think the guest was on for 20 minutes

1069

00:55:20,990 --> 00:55:18,780

there are some people host that I cringe

1070

00:55:23,360 --> 00:55:21,000

when they call because you know if you

1071

00:55:25,850 --> 00:55:23,370

had me on for a guest I should be

1072

00:55:29,000 --> 00:55:25,860

talking yeah yeah

1073

00:55:32,780 --> 00:55:29,010

just like you let me do ya anyway anyway

1074

00:55:36,320 --> 00:55:32,790

scarlet a pleasure I always enjoy having

1075

00:55:37,760 --> 00:55:36,330

you on my program even when you have

1076

00:56:00,200 --> 00:55:37,770

people in your apartment who are high on

1077

00:56:02,150 --> 00:56:00,210

LSD it wasn't just LSU it was like like

1078

00:56:03,650 --> 00:56:02,160

to quote the movie into the Greek

1079

00:56:06,230 --> 00:56:03,660

three-c-- the world had some a Jeffrey

1080

00:56:08,000 --> 00:56:06,240

and then once he came down which is

1081

00:56:09,830 --> 00:56:08,010

around the time time I had so he decided

1082

00:56:11,990 --> 00:56:09,840

to that you throw Hardy and there were

1083

00:56:15,230 --> 00:56:12,000

like girls over here here that hang up

1084
