1  
00:00:37,500 --> 00:00:21,830

[Music]

2  
00:00:44,450 --> 00:00:42,540

explore the bazaar or e-ticket ride into

3  
00:00:47,760 --> 00:00:44,460

the world of the paranormal

4  
00:00:52,069 --> 00:00:47,770

strap yourself in as we traverse the

5  
00:00:55,160 --> 00:00:52,079

universe exploring the unexplained UFO s

6  
00:00:57,540 --> 00:00:55,170

ghosts Lost Worlds

7  
00:01:01,410 --> 00:00:57,550

cryptozoology waters as well as other

8  
00:01:05,790 --> 00:01:01,420

dimensions it's time to take back the

9  
00:01:09,060 --> 00:01:05,800

night last night now your electrifying

10  
00:01:14,060 --> 00:01:09,070

hosts of exploring the bizarre Timothy

11  
00:01:19,530 --> 00:01:16,650

damn it Tim put that down before you

12  
00:01:24,480 --> 00:01:19,540

hurt someone what I never took you to be

13  
00:01:29,580 --> 00:01:24,490

some kind of hunter game I'm out here

14

00:01:35,070 --> 00:01:29,590

protecting my property from what I don't

15

00:01:39,000 --> 00:01:35,080

see any motorcycle gangs Nazis murderers

16

00:01:40,710 --> 00:01:39,010

or squirrels besides I thought you'd

17

00:01:44,430 --> 00:01:40,720

stop making that moonshine in a while

18

00:01:46,410 --> 00:01:44,440

back yep it's not revenuers I'm worried

19

00:01:49,020 --> 00:01:46,420

about it's those little green aliens

20

00:01:50,969 --> 00:01:49,030

that landed in the glade earlier tonight

21

00:01:53,490 --> 00:01:50,979

and they've gotten up on top of the roof

22

00:01:56,540 --> 00:01:53,500

and making a real racket trying to get

23

00:01:59,640 --> 00:01:56,550

into the house yeah I think that was a

24

00:02:02,280 --> 00:01:59,650

meteorite that struck the earth a few

25

00:02:05,010 --> 00:02:02,290

miles from here and I also heard on TV

26

00:02:07,859 --> 00:02:05,020

that some monkeys had escaped from the

27

00:02:11,150 --> 00:02:07,869

circus so those are probably your aliens

28

00:02:13,620 --> 00:02:11,160

on the roof yeah I know what I saw

29

00:02:16,350 --> 00:02:13,630

besides there's a lady on our show here

30

00:02:17,730 --> 00:02:16,360

tonight who has all the facts and she's

31

00:02:20,160 --> 00:02:17,740

sure in the heck can tell the difference

32

00:02:23,220 --> 00:02:20,170

between some escaped circus animals a

33

00:02:25,800 --> 00:02:23,230

little green men just like the ones with

34

00:02:29,340 --> 00:02:25,810

the pointed ears that are coming after

35

00:02:31,259 --> 00:02:29,350

us now oh boy there's always trouble

36

00:02:34,979 --> 00:02:31,269

whatever you are around let's get back

37

00:02:37,170 --> 00:02:34,989

to the KC Oh our radio studios where I

38

00:02:42,690 --> 00:02:37,180

know that Tina will keep us in safe

39

00:02:46,590 --> 00:02:42,700

hands I'm sure she will good evening

40

00:02:49,800 --> 00:02:46,600

good evening Tim are you safely tucked

41

00:02:53,840 --> 00:02:49,810

away there in Jasper Indiana yes I am oh

42

00:02:57,449 --> 00:02:53,850

he's always safe and sound here in

43

00:03:02,280 --> 00:02:57,459

DuBois County well you know if we could

44

00:03:06,990 --> 00:03:02,290

survive the area51 stampede I think we

45

00:03:09,960 --> 00:03:07,000

can survive an attack by a little aliens

46

00:03:12,840 --> 00:03:09,970

on the roof but maybe not why do what do

47

00:03:17,550 --> 00:03:12,850

you think Tim well I hope so you know

48

00:03:20,130 --> 00:03:17,560

this this case has always fascinated me

49

00:03:22,890 --> 00:03:20,140

I mean hi I remember reading about it

50

00:03:26,680 --> 00:03:22,900

when I was a kid I don't remember the

51  
00:03:29,110 --> 00:03:26,690  
original source but

52  
00:03:32,770 --> 00:03:29,120  
it had always fascinated me and and

53  
00:03:36,630 --> 00:03:32,780  
considering really it it happened not

54  
00:03:39,490 --> 00:03:36,640  
too far away from where I grew up I

55  
00:03:40,870 --> 00:03:39,500  
always had me you know looking around

56  
00:03:45,700 --> 00:03:40,880  
the corner in the dark sometimes

57  
00:03:46,660 --> 00:03:45,710  
wondering if the the goblins would be

58  
00:03:49,990 --> 00:03:46,670  
coming to get me

59  
00:03:52,380 --> 00:03:50,000  
well you know I have first read the case

60  
00:03:56,440 --> 00:03:52,390  
I guess it would have been in the early

61  
00:03:59,800 --> 00:03:56,450  
mid sixties it was a published along

62  
00:04:05,490 --> 00:03:59,810  
with some rather frightful illustrations

63  
00:04:10,870 --> 00:04:05,500

in gray Barker so Sirian bulletin is a

64  
00:04:12,580 --> 00:04:10,880  
magazine and then of course my dad was a

65  
00:04:16,210 --> 00:04:12,590  
Kentucky aiight

66  
00:04:19,810 --> 00:04:16,220  
he was from Shelbyville which is the

67  
00:04:22,870 --> 00:04:19,820  
town that Colonel Sanders made famous

68  
00:04:25,300 --> 00:04:22,880  
returns oh there you go if you could

69  
00:04:28,530 --> 00:04:25,310  
survive Colonel Sanders chicken you

70  
00:04:32,770 --> 00:04:28,540  
could survive the LE as I say anyway

71  
00:04:35,800 --> 00:04:32,780  
yesterday all right well I'm extremely

72  
00:04:39,090 --> 00:04:35,810  
happy that we were able to get Geraldine

73  
00:04:41,680 --> 00:04:39,100  
stuntin stiff on with us tonight now

74  
00:04:44,770 --> 00:04:41,690  
Geraldine knows what it's like to grow

75  
00:04:47,890 --> 00:04:44,780  
up with something strange hanging over

76

00:04:51,010 --> 00:04:47,900

you being the daughter of Elmer lucky

77

00:04:53,710 --> 00:04:51,020

stud Sutton and finding out at a very

78

00:04:56,260 --> 00:04:53,720

young age that your family had an alien

79

00:04:58,300 --> 00:04:56,270

encounter could be quite alarming nine

80

00:05:01,659 --> 00:04:58,310

family members and to family friends

81

00:05:05,560 --> 00:05:01,669

witnessed something amazing on August

82

00:05:09,040 --> 00:05:05,570

24th 1955 in the small community of

83

00:05:10,720 --> 00:05:09,050

Kelly Kentucky that changed their light

84

00:05:13,570 --> 00:05:10,730

lives forever

85

00:05:14,500 --> 00:05:13,580

was an extraterrestrial something

86

00:05:16,630 --> 00:05:14,510

paranormal

87

00:05:18,550 --> 00:05:16,640

growing up with a story and knowing what

88

00:05:22,000 --> 00:05:18,560

happened that night according to family

89

00:05:24,640 --> 00:05:22,010

she knew that someone had to keep the a

90

00:05:27,400 --> 00:05:24,650

story alive even though there's a great

91

00:05:30,700 --> 00:05:27,410

fear even for her that the story must

92

00:05:34,030 --> 00:05:30,710

continue and the community if Kelly must

93

00:05:36,670 --> 00:05:34,040

keep their little goblins alive now

94

00:05:40,540 --> 00:05:36,680

Geraldine is the author of the books the

95

00:05:42,160 --> 00:05:40,550

kelly green men and alien legacy so

96

00:05:47,710 --> 00:05:42,170

geraldine thanks for being with us

97

00:05:49,540 --> 00:05:47,720

tonight on exploring the bazaar this is

98

00:05:54,360 --> 00:05:49,550

one of the the cases that i find most

99

00:05:57,220 --> 00:05:54,370

fascinating is as well now is kelly a

100

00:06:01,540 --> 00:05:57,230

suburb of Hopkinsville or they all want

101  
00:06:03,730 --> 00:06:01,550  
in the same yeah well yeah it's a little

102  
00:06:06,910 --> 00:06:03,740  
you know just like any little stretch of

103  
00:06:10,990 --> 00:06:06,920  
the road that's part of a community it's

104  
00:06:13,870 --> 00:06:11,000  
part of Christian County and Hopkins

105  
00:06:16,630 --> 00:06:13,880  
feel is the main the main town so it's

106  
00:06:19,630 --> 00:06:16,640  
it's one of those type things well you

107  
00:06:24,250 --> 00:06:19,640  
know you have a very famous individual

108  
00:06:27,520 --> 00:06:24,260  
who came from Hopkins Oh Edgar Cayce the

109  
00:06:31,830 --> 00:06:27,530  
very well-known very well-known psychic

110  
00:06:34,960 --> 00:06:31,840  
is his pharmacy still there is it a

111  
00:06:35,680 --> 00:06:34,970  
landmark in town no I don't think so

112  
00:06:39,130 --> 00:06:35,690  
anymore

113  
00:06:41,710 --> 00:06:39,140

I know he's buried there in Hopkins feel

114

00:06:46,510 --> 00:06:41,720

they have a like a little ghost tour

115

00:06:47,950 --> 00:06:46,520

every like Halloween and they do certain

116

00:06:49,360 --> 00:06:47,960

little things you know try to tell the

117

00:06:51,520 --> 00:06:49,370

stories and stuff there and they have a

118

00:06:56,050 --> 00:06:51,530

big exhibit at the Museum in

119

00:06:58,090 --> 00:06:56,060

Hopkinsville for him well then he shares

120

00:07:01,690 --> 00:06:58,100

a little bit of the fame of with your

121

00:07:03,460 --> 00:07:01,700

family now the last step I mentioned I

122

00:07:07,840 --> 00:07:03,470

saw of Hopkinsville of course in the

123

00:07:11,050 --> 00:07:07,850

crest was the the Eclipse and I believe

124

00:07:14,290 --> 00:07:11,060

that wasn't Hopkinsville the year the

125

00:07:17,020 --> 00:07:14,300

the apex if that's the word therefore

126

00:07:19,750 --> 00:07:17,030

the the Eclipse I mean it wasn't that

127

00:07:22,060 --> 00:07:19,760

the best view in North America or at

128

00:07:25,900 --> 00:07:22,070

least in the United States yes yes it

129

00:07:27,460 --> 00:07:25,910

was the longest and the best and Kelly

130

00:07:34,570 --> 00:07:27,470

was right there in it

131

00:07:37,560 --> 00:07:34,580

so yeah 2017 was fantastic I remember

132

00:07:41,890 --> 00:07:37,570

seeing a few aliens wandering across the

133

00:07:44,400 --> 00:07:41,900

TV set but for the few listeners who

134

00:07:47,080 --> 00:07:44,410

don't know the story of this very

135

00:07:52,510 --> 00:07:47,090

bizarre case why don't you take us back

136

00:07:54,340 --> 00:07:52,520

to what year was it again 1955 okay I

137

00:07:57,490 --> 00:07:54,350

would have been just a teeny weenie

138

00:08:00,310 --> 00:07:57,500

guy at that point but probably I had

139

00:08:03,370 --> 00:08:00,320

already read my saucer book why don't

140

00:08:09,610 --> 00:08:03,380

you give us the the details the gist of

141

00:08:12,460 --> 00:08:09,620

the story it was August we first 1955 at

142

00:08:15,580 --> 00:08:12,470

the time of course my grandmother was a

143

00:08:19,240 --> 00:08:15,590

widow she lived on this little small

144

00:08:21,850 --> 00:08:19,250

farm in Kelly with her three small

145

00:08:25,180 --> 00:08:21,860

children who were twelve ten seven at

146

00:08:28,650 --> 00:08:25,190

the time well with my uncle JC who was

147

00:08:31,780 --> 00:08:28,660

in his early 20s and his wife Eileen

148

00:08:34,330 --> 00:08:31,790

along with them was eiling's brother

149

00:08:37,560 --> 00:08:34,340

Opie Baker Opie would stay there during

150

00:08:43,240 --> 00:08:37,570

the week to catch a ride to work and

151  
00:08:45,580 --> 00:08:43,250  
along that weekend also was my dad which

152  
00:08:49,240 --> 00:08:45,590  
was Elmer Sutton and his wife at the

153  
00:08:51,280 --> 00:08:49,250  
time Veera and their friends Billy Ray

154  
00:08:55,060 --> 00:08:51,290  
and June Taylor and they'd had come in

155  
00:08:56,470 --> 00:08:55,070  
for the weekend they had worked with the

156  
00:08:58,360 --> 00:08:56,480  
carnival my dad had worked with the

157  
00:09:00,460 --> 00:08:58,370  
carnival ever since he was like 14 years

158  
00:09:02,620 --> 00:09:00,470  
old so he had been living forever and

159  
00:09:04,560 --> 00:09:02,630  
they were stationed in Evansville so

160  
00:09:07,030 --> 00:09:04,570  
they decided to come in for the weekend

161  
00:09:10,030 --> 00:09:07,040  
have some good home cooking and just you

162  
00:09:11,980 --> 00:09:10,040  
know relax for a bit and that Sunday

163  
00:09:13,720 --> 00:09:11,990

evening which would have been the 21st

164

00:09:16,300 --> 00:09:13,730

that would that was their last evening

165

00:09:18,010 --> 00:09:16,310

stay there and so they were trying to

166

00:09:19,210 --> 00:09:18,020

just you know enjoy their last little

167

00:09:22,720 --> 00:09:19,220

time together because they had to go

168

00:09:25,900 --> 00:09:22,730

back to the carnival in the morning well

169

00:09:28,570 --> 00:09:25,910

it was hot dry August really hot and dry

170

00:09:31,000 --> 00:09:28,580

and they didn't have indoor plumbing

171

00:09:34,600 --> 00:09:31,010

they had electricity but no indoor

172

00:09:37,480 --> 00:09:34,610

plumbing so they had the well so Billy

173

00:09:43,270 --> 00:09:37,490

Ray decide to go out to the well around

174

00:09:45,580 --> 00:09:43,280

7:30 a dish and as he was out there

175

00:09:48,430 --> 00:09:45,590

getting some water he heard something

176

00:09:52,030 --> 00:09:48,440

looked up toward the sky and lo in the

177

00:09:54,580 --> 00:09:52,040

hole here there was a silver oval object

178

00:09:57,040 --> 00:09:54,590

he described it as having the colors of

179

00:09:58,720 --> 00:09:57,050

the rainbow flowing behind it he didn't

180

00:10:01,720 --> 00:09:58,730

know what it was ran in the house told

181

00:10:05,200 --> 00:10:01,730

everybody and they thought okay Billy

182

00:10:07,790 --> 00:10:05,210

Ray beam Billy Ray early 20s young his

183

00:10:09,889 --> 00:10:07,800

wife was only like 18 or 19 he

184

00:10:12,470 --> 00:10:09,899

out there thought up some cockamamie

185

00:10:14,780 --> 00:10:12,480

story just scare the girls you got to

186

00:10:18,710 --> 00:10:14,790

realize these guys were in her 20s

187

00:10:21,860 --> 00:10:18,720

why was rumored twenties and so they

188

00:10:23,420 --> 00:10:21,870

didn't believe in well he kept on so my

189

00:10:25,790 --> 00:10:23,430

dad told him take me out there

190

00:10:27,590 --> 00:10:25,800

show me Sully walked back out to the

191

00:10:30,440 --> 00:10:27,600

whale he pointed toward the sky told him

192

00:10:32,840 --> 00:10:30,450

again while he had singing my dad tried

193

00:10:35,540 --> 00:10:32,850

to reason with him well a shooting star

194

00:10:37,280 --> 00:10:35,550

it had to be that and Billy right now I

195

00:10:38,590 --> 00:10:37,290

know what that looks like it wasn't a

196

00:10:42,220 --> 00:10:38,600

shooting star

197

00:10:44,930 --> 00:10:42,230

how about New York

198

00:10:47,120 --> 00:10:44,940

there had been meteor showers all month

199

00:10:49,130 --> 00:10:47,130

and Billy Ray said no I know what those

200

00:10:51,829 --> 00:10:49,140

look like also it wasn't either of those

201  
00:10:53,509 --> 00:10:51,839  
and but dad said well you know there's

202  
00:10:55,280 --> 00:10:53,519  
nothing going on here now let's just go

203  
00:10:58,759 --> 00:10:55,290  
back in the house enjoy what little time

204  
00:11:02,090 --> 00:10:58,769  
we have left so as they're heading back

205  
00:11:04,819 --> 00:11:02,100  
in lo and behold coming from the back in

206  
00:11:08,210 --> 00:11:04,829  
the woods was this little three three

207  
00:11:13,250 --> 00:11:08,220  
and a half foot tall be floating atop

208  
00:11:16,160 --> 00:11:13,260  
the ground huge eyes glowing eyes huge

209  
00:11:19,100 --> 00:11:16,170  
ears big head arms almost touching the

210  
00:11:21,139 --> 00:11:19,110  
ground okay what is this they have no

211  
00:11:23,600 --> 00:11:21,149  
clue they height elegant at the front

212  
00:11:25,180 --> 00:11:23,610  
door slamming behind them everybody's

213  
00:11:27,530 --> 00:11:25,190

looking at him like they're crazy

214

00:11:29,540 --> 00:11:27,540

my dad's tell them there is something

215

00:11:31,370 --> 00:11:29,550

out here and of course they're thinking

216

00:11:33,710 --> 00:11:31,380

all right he's really right and got him

217

00:11:35,540 --> 00:11:33,720

out there and got him in on this little

218

00:11:39,199 --> 00:11:35,550

joke he's trying to pull on everybody

219

00:11:41,540 --> 00:11:39,209

and he kept on and my grandmother told

220

00:11:43,430 --> 00:11:41,550

him said you know Elmer you need to just

221

00:11:44,600 --> 00:11:43,440

stop said I've got to get these kids in

222

00:11:49,910 --> 00:11:44,610

bed and you're not helping

223

00:11:52,040 --> 00:11:49,920

it's a nanny so he keeps telling them

224

00:11:53,630 --> 00:11:52,050

there's something out there and I know

225

00:11:56,510 --> 00:11:53,640

something that's really getting serious

226

00:11:58,400 --> 00:11:56,520

when somebody takes what um takes a

227

00:12:00,710 --> 00:11:58,410

shotgun one takes a rifle one goes to

228

00:12:02,300 --> 00:12:00,720

the front one goes to the back so my

229

00:12:04,100 --> 00:12:02,310

grandmother decides well I'm gonna go

230

00:12:08,480 --> 00:12:04,110

see what Billy Ray has to say about this

231

00:12:10,400 --> 00:12:08,490

and she goes out there Billy Ray is he's

232

00:12:12,740 --> 00:12:10,410

at the back door squats down there

233

00:12:15,410 --> 00:12:12,750

beside a mess and Billy Ray What did he

234

00:12:16,730 --> 00:12:15,420

say and he said Miss Glenny I don't know

235

00:12:19,670 --> 00:12:16,740

what it was that I hope it's something

236

00:12:21,199 --> 00:12:19,680

that you never had to say so if they set

237

00:12:22,850 --> 00:12:21,209

out there in silence for a little while

238

00:12:24,290 --> 00:12:22,860

longer and lo and behold around the

239

00:12:26,660 --> 00:12:24,300

corner of the house right where they

240

00:12:29,720 --> 00:12:26,670

were sitting is this little bean

241

00:12:32,329 --> 00:12:29,730

my grandmother screams pause the floor

242

00:12:34,850 --> 00:12:32,339

everybody comes running you know what's

243

00:12:37,519 --> 00:12:34,860

going on and she tells them there is

244

00:12:39,470 --> 00:12:37,529

something out here I just saw it about

245

00:12:40,819 --> 00:12:39,480

that time they hear a shot ringing out

246

00:12:42,100 --> 00:12:40,829

in the front of the house they go

247

00:12:45,819 --> 00:12:42,110

running to the front

248

00:12:49,549 --> 00:12:45,829

uncle JC shot one through the window

249

00:12:51,230 --> 00:12:49,559

billy-ray runs out the front door and as

250

00:12:54,650 --> 00:12:51,240

he's standing there under the stoop

251  
00:12:58,280 --> 00:12:54,660  
there's this clawed hand reaching down

252  
00:13:01,639 --> 00:12:58,290  
to grab his hair my Aunt Eileen grabs in

253  
00:13:04,369 --> 00:13:01,649  
and Yanks and back in the house my dad

254  
00:13:09,499 --> 00:13:04,379  
runs back out points toward the roof and

255  
00:13:13,309 --> 00:13:09,509  
shoots it clearly hits it it rolls away

256  
00:13:15,079 --> 00:13:13,319  
and floats just gets up ladies about

257  
00:13:16,730 --> 00:13:15,089  
that time some ice creams there's one

258  
00:13:19,460 --> 00:13:16,740  
out nope tree because they had these

259  
00:13:21,980 --> 00:13:19,470  
huge oak trees in the front yard he

260  
00:13:26,389 --> 00:13:21,990  
turns around shoots it it bloats to the

261  
00:13:28,369 --> 00:13:26,399  
ground rolls goes away well they're

262  
00:13:30,289 --> 00:13:28,379  
shooting them off the back fence they do

263  
00:13:32,900 --> 00:13:30,299

the very same thing and they these

264

00:13:34,939 --> 00:13:32,910

things are not dying and these they're

265

00:13:36,499 --> 00:13:34,949

getting them I mean these are country

266

00:13:38,600 --> 00:13:36,509

boys they could shoot a rifle by the

267

00:13:40,609 --> 00:13:38,610

time they could walk they were hitting

268

00:13:43,249 --> 00:13:40,619

them they can hear they were hitting

269

00:13:46,809 --> 00:13:43,259

them but the darn things just wouldn't

270

00:13:49,429 --> 00:13:46,819

die they got up and kept coming back

271

00:13:50,689 --> 00:13:49,439

they didn't know what to do they didn't

272

00:13:53,269 --> 00:13:50,699

know what they were these are just

273

00:13:57,980 --> 00:13:53,279

countries up country folks they had no

274

00:14:00,829 --> 00:13:57,990

clue nobody would've known even today so

275

00:14:02,269 --> 00:14:00,839

my dad tries to settle everybody down of

276

00:14:04,970 --> 00:14:02,279

course kids are crying the women are

277

00:14:08,749 --> 00:14:04,980

crying June is about to just absolutely

278

00:14:09,949 --> 00:14:08,759

lose it and he's tell them listen we're

279

00:14:11,929 --> 00:14:09,959

gonna calm down

280

00:14:13,460 --> 00:14:11,939

we're gonna get in the trucks and we're

281

00:14:13,789 --> 00:14:13,470

gonna head to Hopkins feel and get some

282

00:14:16,249 --> 00:14:13,799

help

283

00:14:19,039 --> 00:14:16,259

Hopkins feel about seven miles down the

284

00:14:21,079 --> 00:14:19,049

road so they're setting their silence

285

00:14:23,090 --> 00:14:21,089

trying to you know get their selves

286

00:14:26,539 --> 00:14:23,100

together about that time they hear one

287

00:14:29,509 --> 00:14:26,549

go across the ten roof you can hear the

288

00:14:32,169 --> 00:14:29,519

little nails scratching across it

289

00:14:34,790 --> 00:14:32,179

well this really sends everybody crazy

290

00:14:37,040 --> 00:14:34,800

she was screaming and crying

291

00:14:41,780 --> 00:14:37,050

and beer like what are we going to do

292

00:14:43,489 --> 00:14:41,790

lucky he tells them settle down we're

293

00:14:45,439 --> 00:14:43,499

gonna get out of here and so it gets

294

00:14:47,650 --> 00:14:45,449

them settled down again it's quiet they

295

00:14:50,989 --> 00:14:47,660

don't hear anything so he says let's go

296

00:14:53,869 --> 00:14:50,999

they hit the trucks take off zooming to

297

00:14:55,009 --> 00:14:53,879

Hopkins field get there and it's the

298

00:14:58,429 --> 00:14:55,019

middle of the night

299

00:15:02,329 --> 00:14:58,439

one little officer on duty here you have

300

00:15:04,699 --> 00:15:02,339

11 people from the age of 7 to 50

301  
00:15:06,650 --> 00:15:04,709  
running in there and he doesn't know

302  
00:15:09,049 --> 00:15:06,660  
what to do they're all trying to tell

303  
00:15:11,689 --> 00:15:09,059  
him something just happen the only thing

304  
00:15:14,569 --> 00:15:11,699  
he could understand is you had a little

305  
00:15:15,259 --> 00:15:14,579  
man attacking your farm and my dad is

306  
00:15:16,999 --> 00:15:15,269  
trying to tell him you're not

307  
00:15:21,439 --> 00:15:17,009  
understanding what we're trying to tell

308  
00:15:23,359 --> 00:15:21,449  
you here and so finally he's just listen

309  
00:15:28,309 --> 00:15:23,369  
just just hold on a second so he calls

310  
00:15:30,199 --> 00:15:28,319  
sheet rustle green and green will tell

311  
00:15:33,079 --> 00:15:30,209  
us and says listen keep on there I'm on

312  
00:15:34,970 --> 00:15:33,089  
my way call Fort Campbell which Fort

313  
00:15:37,519 --> 00:15:34,980

Campbell Army base was just down the

314

00:15:40,429 --> 00:15:37,529

road from Hopkins though they say call

315

00:15:42,109 --> 00:15:40,439

Fort Campbell called the paper call

316

00:15:43,669 --> 00:15:42,119

Madisonville 11 sit wherever you can

317

00:15:45,919 --> 00:15:43,679

call and get some help out here we're

318

00:15:47,960 --> 00:15:45,929

gonna we're gonna go to this farm so

319

00:15:51,919 --> 00:15:47,970

here you got this little caravan of

320

00:15:53,539 --> 00:15:51,929

vehicles ran out to the little little

321

00:15:55,879 --> 00:15:53,549

little Kelly in the middle of the night

322

00:15:58,069 --> 00:15:55,889

of course it's pitch black back then in

323

00:16:01,189 --> 00:15:58,079

55 you didn't have streetlights anywhere

324

00:16:04,100 --> 00:16:01,199

anything going on and so here they are

325

00:16:04,730 --> 00:16:04,110

they pull up to the house something's

326

00:16:08,239 --> 00:16:04,740

happened

327

00:16:11,989 --> 00:16:08,249

it feels eerie there's just a eerie

328

00:16:13,970 --> 00:16:11,999

feeling in the air clear evidence

329

00:16:16,960 --> 00:16:13,980

something happened because there was

330

00:16:19,489 --> 00:16:16,970

holes in the screens woodwork shot up

331

00:16:22,639 --> 00:16:19,499

shotgun and rifle shells inside the

332

00:16:24,409 --> 00:16:22,649

house outside the house everywhere they

333

00:16:26,179 --> 00:16:24,419

searched the family wouldn't even get

334

00:16:29,119 --> 00:16:26,189

out of the vehicles until they searched

335

00:16:32,210 --> 00:16:29,129

every stitch they could search buildings

336

00:16:35,239 --> 00:16:32,220

and the house and everything well they

337

00:16:37,429 --> 00:16:35,249

can find anything chief green will tell

338

00:16:39,979 --> 00:16:37,439

my grandmother said you know miss

339

00:16:41,840 --> 00:16:39,989

Langford I'm sorry but there's we can't

340

00:16:43,909 --> 00:16:41,850

find if there's nothing here there's no

341

00:16:45,739 --> 00:16:43,919

bodies he said he shot up there's no

342

00:16:48,790 --> 00:16:45,749

bodies there's no blood there's no body

343

00:16:52,520 --> 00:16:48,800

parts nothing here sure

344

00:16:58,910 --> 00:16:52,530

and so they left some I think it was

345

00:17:00,590 --> 00:16:58,920

left there agreed and my grandmother got

346

00:17:03,770 --> 00:17:00,600

the kids settled down everybody got

347

00:17:06,860 --> 00:17:03,780

settled in for the rest of the night and

348

00:17:10,640 --> 00:17:06,870

she got in bed my dad got the shotgun

349

00:17:12,380 --> 00:17:10,650

set in the rocking chair beside her she

350

00:17:14,240 --> 00:17:12,390

opened her eyes and lo and behold there

351

00:17:15,740 --> 00:17:14,250

was one of the window again and she

352

00:17:18,290 --> 00:17:15,750

thought well you know I'm just tired

353

00:17:19,510 --> 00:17:18,300

because they were exhausted mentally and

354

00:17:22,130 --> 00:17:19,520

physically

355

00:17:24,050 --> 00:17:22,140

Schumpeter I was a second time Fang was

356

00:17:25,700 --> 00:17:24,060

still staying there the third time she

357

00:17:28,580 --> 00:17:25,710

did it she screamed at my dad they're

358

00:17:31,490 --> 00:17:28,590

back so they did the gun battle again

359

00:17:32,900 --> 00:17:31,500

til the Sun rose the next morning and

360

00:17:34,730 --> 00:17:32,910

the only thing they could figure that

361

00:17:38,480 --> 00:17:34,740

saved them was that Sun coming up

362

00:17:42,410 --> 00:17:38,490

because they did they did notice that if

363

00:17:44,420 --> 00:17:42,420

they turn a light on her son you know

364

00:17:46,610 --> 00:17:44,430

shone the light toward him in any way

365

00:17:48,530 --> 00:17:46,620

they would back off like it would hurt

366

00:17:51,110 --> 00:17:48,540

their eyes and that's the only thing

367

00:17:53,600 --> 00:17:51,120

they could figure somebody know how much

368

00:17:56,420 --> 00:17:53,610

do you know I found how many how many

369

00:17:58,850 --> 00:17:56,430

shots were fired oh they had a lot of

370

00:18:01,100 --> 00:17:58,860

shells I mean they were getting they

371

00:18:08,000 --> 00:18:01,110

were about empty by the time morning got

372

00:18:11,870 --> 00:18:08,010

there I have no clue how many if the

373

00:18:14,420 --> 00:18:11,880

property still there yes oh yes the

374

00:18:17,630 --> 00:18:14,430

property still there it's it's cut up

375

00:18:20,000 --> 00:18:17,640

into three different families on the

376

00:18:25,100 --> 00:18:20,010

property now but I do have good news

377

00:18:30,140 --> 00:18:25,110

about that my younger sister and her I

378

00:18:34,280 --> 00:18:30,150

want to fall in fiance has actually

379

00:18:39,410 --> 00:18:34,290

purchased the land that the craft landed

380

00:18:40,760 --> 00:18:39,420

on and they're hoping to they're right

381

00:18:44,450 --> 00:18:40,770

and for all paperwork and everything to

382

00:18:46,040 --> 00:18:44,460

go through now but they're hoping to fix

383

00:18:49,400 --> 00:18:46,050

it up they're going to build a replica

384

00:18:53,150 --> 00:18:49,410

of the actual house right that's great

385

00:18:55,670 --> 00:18:53,160

and we actual Lincoln where the craft

386

00:18:59,450 --> 00:18:55,680

landed and the spot is still there the

387

00:19:01,400 --> 00:18:59,460

ground is still brown and so it's gonna

388

00:19:03,710 --> 00:19:01,410

be a good thing for Kelly

389

00:19:05,840 --> 00:19:03,720

in the festival everything we do every

390

00:19:08,210 --> 00:19:05,850

year because you know they will allow

391

00:19:10,490 --> 00:19:08,220

people to go on if they will allow to

392

00:19:12,830 --> 00:19:10,500

have little tours on it and that's the

393

00:19:14,630 --> 00:19:12,840

whole purpose that's why they bought the

394

00:19:17,780 --> 00:19:14,640

land when as soon as it came up for sale

395

00:19:19,820 --> 00:19:17,790

oh no you know there was a there was a

396

00:19:21,880 --> 00:19:19,830

rumor and I think was fairly well

397

00:19:24,350 --> 00:19:21,890

established that the family had

398

00:19:29,270 --> 00:19:24,360

disappeared and nobody was able to find

399

00:19:31,630 --> 00:19:29,280

them no that's a rumor I mean my

400

00:19:34,520 --> 00:19:31,640

grandmother is scared her so bad and

401  
00:19:36,440 --> 00:19:34,530  
everything was so messed up it my dad

402  
00:19:38,840 --> 00:19:36,450  
set him down the next morning and told

403  
00:19:42,260 --> 00:19:38,850  
and said no good could come of this

404  
00:19:43,880 --> 00:19:42,270  
don't say another word about it I heard

405  
00:19:46,910 --> 00:19:43,890  
the people laughing last night and

406  
00:19:48,980 --> 00:19:46,920  
making fun of us so he he told them let

407  
00:19:50,390 --> 00:19:48,990  
it be but of course people weren't gonna

408  
00:19:51,920 --> 00:19:50,400  
let it be because you had people coming

409  
00:19:54,100 --> 00:19:51,930  
out of the woodwork they wanted to see

410  
00:19:56,810 --> 00:19:54,110  
the aliens they were camping in the yard

411  
00:19:59,030 --> 00:19:56,820  
people were coming for interviews want

412  
00:20:01,820 --> 00:19:59,040  
to find out more about what happened and

413  
00:20:03,710 --> 00:20:01,830

it just kept on kept on of course my dad

414

00:20:05,690 --> 00:20:03,720

NIM had to leave and go back to work so

415

00:20:08,120 --> 00:20:05,700

all my grandmother had there with her

416

00:20:11,900 --> 00:20:08,130

was the three kids and Uncle Jesse and

417

00:20:16,790 --> 00:20:11,910

Aunt Eileen so she was scared I mean

418

00:20:22,300 --> 00:20:16,800

they witnessed and had something happy

419

00:20:25,670 --> 00:20:22,310

to happen to them that a lot of us don't

420

00:20:28,910 --> 00:20:25,680

and she was scared so she sold the farm

421

00:20:32,330 --> 00:20:28,920

within two weeks thank you the Hopkins

422

00:20:34,400 --> 00:20:32,340

village to an apartment complex the

423

00:20:40,580 --> 00:20:34,410

family that bought the land at the time

424

00:20:42,320 --> 00:20:40,590

were relatives and they told that think

425

00:20:43,970 --> 00:20:42,330

well the kids told that they were scared

426  
00:20:45,470 --> 00:20:43,980  
to death to be there they didn't want to

427  
00:20:48,590 --> 00:20:45,480  
live in that house after what had

428  
00:20:54,380 --> 00:20:48,600  
happened and but they had to had no

429  
00:20:55,820 --> 00:20:54,390  
choice but yeah I mean it was I call

430  
00:20:57,860 --> 00:20:55,830  
this the great American Horror Story

431  
00:21:01,940 --> 00:20:57,870  
because they went through something

432  
00:21:06,230 --> 00:21:01,950  
terrifying that night now how old were

433  
00:21:10,940 --> 00:21:06,240  
you when you first heard of this I was

434  
00:21:13,270 --> 00:21:10,950  
right around 8 years old mm-hmm yeah and

435  
00:21:15,080 --> 00:21:13,280  
what what what did what was your first

436  
00:21:19,460 --> 00:21:15,090  
like

437  
00:21:21,950 --> 00:21:19,470  
gut feeling on the story first I was

438  
00:21:23,779 --> 00:21:21,960

really interested because Here I am like

439

00:21:26,330 --> 00:21:23,789

sitting around 8 years old I love to

440

00:21:28,730 --> 00:21:26,340

read I love the horror movies and the

441

00:21:30,950 --> 00:21:28,740

stories you know if I got to watch them

442

00:21:34,430 --> 00:21:30,960

and see them and so this is something

443

00:21:37,340 --> 00:21:34,440

like wow you know when I first because

444

00:21:39,110 --> 00:21:37,350

the way we found out about it my parents

445

00:21:42,440 --> 00:21:39,120

did not talk about this they kept this

446

00:21:43,999 --> 00:21:42,450

hid from us kids of course all the older

447

00:21:45,739 --> 00:21:44,009

kids could see my parents for marriage

448

00:21:47,539 --> 00:21:45,749

different spouses to the time my mom has

449

00:21:49,759 --> 00:21:47,549

seven kids by her first husband and so

450

00:21:53,779 --> 00:21:49,769

all the older kids knew about this but

451  
00:21:58,430 --> 00:21:53,789  
nobody spoke of it when we came around

452  
00:22:00,470 --> 00:21:58,440  
of course they kept it quiet and how he

453  
00:22:04,279 --> 00:22:00,480  
found out about it one Sunday I'll never

454  
00:22:07,159 --> 00:22:04,289  
forget one Sunday afternoon sent me from

455  
00:22:08,930 --> 00:22:07,169  
the TV watching shows me and my some

456  
00:22:11,440 --> 00:22:08,940  
other siblings and the long-dead were in

457  
00:22:14,470 --> 00:22:11,450  
the back of the house at the baby and

458  
00:22:16,909 --> 00:22:14,480  
knock on the door I answered the door

459  
00:22:19,340 --> 00:22:16,919  
there's this man and woman standing

460  
00:22:20,989 --> 00:22:19,350  
there all prim and proper asked to see

461  
00:22:22,669 --> 00:22:20,999  
my dad so I ran to the back of house

462  
00:22:24,859 --> 00:22:22,679  
told him there's somebody here to see

463  
00:22:26,600 --> 00:22:24,869

you they came to the door and they

464

00:22:29,869 --> 00:22:26,610

introduced and had their pleasantries

465

00:22:33,320 --> 00:22:29,879

and the man said mr. Sutton we won't

466

00:22:38,119 --> 00:22:33,330

talk to you about the green man I'm like

467

00:22:40,279 --> 00:22:38,129

hmm so I guess they thought well we need

468

00:22:42,769 --> 00:22:40,289

to hear about it so they set us down the

469

00:22:46,340 --> 00:22:42,779

floor and like that

470

00:22:50,419 --> 00:22:46,350

start telling us fantastic story after

471

00:22:52,489 --> 00:22:50,429

he got done I was scared to death every

472

00:22:55,279 --> 00:22:52,499

night from then oh I'd run around that

473

00:22:57,799 --> 00:22:55,289

house and seeing this dark yet

474

00:23:00,320 --> 00:22:57,809

shade door curtain whatever covered a

475

00:23:01,999 --> 00:23:00,330

window in door because I sprayed in

476  
00:23:04,369 --> 00:23:02,009  
little suckers we're gonna come back and

477  
00:23:05,869 --> 00:23:04,379  
they were gonna be looking in at us you

478  
00:23:09,350 --> 00:23:05,879  
know what I know what were they were

479  
00:23:12,169 --> 00:23:09,360  
they really dream no they were like a

480  
00:23:15,200 --> 00:23:12,179  
gunmetal gray actually silver gunmetal

481  
00:23:18,499 --> 00:23:15,210  
gray is what they called it the green

482  
00:23:21,080 --> 00:23:18,509  
thing came from a reporter he started

483  
00:23:24,259 --> 00:23:21,090  
that whole Green Man thing because of

484  
00:23:27,139 --> 00:23:24,269  
Kelly the color kelly green and anything

485  
00:23:29,540 --> 00:23:27,149  
kelly green does sound better than kelly

486  
00:23:36,300 --> 00:23:31,880  
okay well that well that answers that

487  
00:23:41,100 --> 00:23:36,310  
question about where the idea of the

488  
00:23:43,680 --> 00:23:41,110

little green Goblin's i mean i think

489

00:23:45,870 --> 00:23:43,690

that there's a even today some people

490

00:23:48,690 --> 00:23:45,880

think that they really were goblins and

491

00:23:51,090 --> 00:23:48,700

some people think that they were aliens

492

00:23:53,220 --> 00:23:51,100

i've you know how could it how can you

493

00:23:56,790 --> 00:23:53,230

really how can you really tell but i

494

00:23:58,470 --> 00:23:56,800

wonder now when you i tip we we need we

495

00:24:00,570 --> 00:23:58,480

got thirty seconds we have to go to our

496

00:24:02,940 --> 00:24:00,580

bottom of the hour break soon we come

497

00:24:06,510 --> 00:24:02,950

back we will continue our conversation

498

00:24:07,310 --> 00:24:06,520

about the kelly green grave in we'll be

499

00:24:18,380 --> 00:24:07,320

right back

500

00:24:25,110 --> 00:24:22,529

now back to exploring the bazaar with

501  
00:24:28,110 --> 00:24:25,120  
two of the most electrifying researchers

502  
00:24:32,360 --> 00:24:28,120  
in the Paranoid your hosts Timothy

503  
00:24:37,950 --> 00:24:34,860  
welcome back to exploring the bazaar I'm

504  
00:24:41,640 --> 00:24:37,960  
Tim Schwarz tonight we are talking with

505  
00:24:45,270 --> 00:24:41,650  
Geraldine stiff and we're talking about

506  
00:24:48,960 --> 00:24:45,280  
the kelly green men Geraldine is the

507  
00:24:52,799 --> 00:24:48,970  
daughter of Elmer lucky Sutton who was a

508  
00:24:58,680 --> 00:24:52,809  
witness to this frightening encounter

509  
00:25:03,029 --> 00:24:58,690  
back in 1955 so Geraldine are there any

510  
00:25:04,850 --> 00:25:03,039  
of the original witnesses to this case

511  
00:25:08,460 --> 00:25:04,860  
that are still alive

512  
00:25:13,110 --> 00:25:08,470  
yes I had two uncles and aunt that were

513  
00:25:16,620 --> 00:25:13,120

the small kids are still alive and how

514

00:25:26,820 --> 00:25:16,630

do they do they talk about this case

515

00:25:27,270 --> 00:25:26,830

with you older he just he just doesn't

516

00:25:31,080 --> 00:25:27,280

anymore

517

00:25:32,490 --> 00:25:31,090

the other two I think they just want to

518

00:25:35,940 --> 00:25:32,500

forget it

519

00:25:38,250 --> 00:25:35,950

it just scares them so my aunt Mary she

520

00:25:41,460 --> 00:25:38,260

was only seven when it happened and when

521

00:25:42,960 --> 00:25:41,470

she comes to the Kelly festival I have

522

00:25:45,029 --> 00:25:42,970

to get up on stage and tell the story

523

00:25:49,010 --> 00:25:45,039

every year that is my thing and that's

524

00:25:52,020 --> 00:25:49,020

what I have to do and she'll tell me

525

00:25:54,330 --> 00:25:52,030

when I tell it she says it's just like

526

00:25:56,549 --> 00:25:54,340

it's come back and she says scares her

527

00:25:59,370 --> 00:25:56,559

to death and I've noticed past two

528

00:26:04,409 --> 00:25:59,380

festivals she just stayed away when it's

529

00:26:06,990 --> 00:26:04,419

my time to tell the story so she does

530

00:26:11,220 --> 00:26:07,000

she says it just brings it all back and

531

00:26:16,340 --> 00:26:11,230

it just terrifies her now after this

532

00:26:21,060 --> 00:26:16,350

event occurred and there were a lot of

533

00:26:23,480 --> 00:26:21,070

skeptics who who weren't there don't

534

00:26:26,190 --> 00:26:23,490

know the area don't know the community

535

00:26:28,020 --> 00:26:26,200

you know come forward and said oh well

536

00:26:37,020 --> 00:26:28,030

you know these people

537

00:26:41,310 --> 00:26:37,030

you know just a bunch of yeah I know

538

00:26:46,680 --> 00:26:41,320

that's you know they're drinking too

539

00:26:49,980 --> 00:26:46,690

much and just just shooting away and so

540

00:26:52,470 --> 00:26:49,990

I mean you know what what do you have to

541

00:26:54,480 --> 00:26:52,480

say about that and then as you know Tim

542

00:26:57,180 --> 00:26:54,490

joked about the beginning of the show I

543

00:27:00,780 --> 00:26:57,190

mean people talking about you know like

544

00:27:02,760 --> 00:27:00,790

escape circus monkeys you know it seems

545

00:27:03,300 --> 00:27:02,770

to me that a lot of times the the

546

00:27:05,310 --> 00:27:03,310

so-called

547

00:27:07,740 --> 00:27:05,320

answers to what had happened or a lot

548

00:27:09,270 --> 00:27:07,750

more absurd than you know then the

549

00:27:11,850 --> 00:27:09,280

possibility that you may have actually

550

00:27:15,390 --> 00:27:11,860

have had you know some kind of creatures

551  
00:27:18,240 --> 00:27:15,400  
from a UFO land and you know rampage

552  
00:27:20,070 --> 00:27:18,250  
over the area people just don't think I

553  
00:27:23,220 --> 00:27:20,080  
mean they really really don't you got

554  
00:27:24,870 --> 00:27:23,230  
it's like I said these boys cuz shoot a

555  
00:27:27,540 --> 00:27:24,880  
shotgun and a rifle by the time they can

556  
00:27:30,060 --> 00:27:27,550  
walk just about they were hitting these

557  
00:27:33,090 --> 00:27:30,070  
things you fire a 20 gauge shotgun

558  
00:27:35,160 --> 00:27:33,100  
you're gonna blow it away people please

559  
00:27:35,790 --> 00:27:35,170  
if it was a cat a monkey or anything

560  
00:27:39,480 --> 00:27:35,800  
like that

561  
00:27:42,900 --> 00:27:39,490  
owl it wouldn't hardly be there would be

562  
00:27:45,590 --> 00:27:42,910  
pieces splattered all over the place so

563  
00:27:46,710 --> 00:27:45,600

people see people just don't think and

564

00:27:48,780 --> 00:27:46,720

yeah

565

00:27:51,690 --> 00:27:48,790

I don't know and as far as the alcohol

566

00:27:54,720 --> 00:27:51,700

part goes well the area was come there

567

00:27:56,490 --> 00:27:54,730

was police officers there the police

568

00:27:59,430 --> 00:27:56,500

report states that there was no alcohol

569

00:28:01,740 --> 00:27:59,440

found on the premises no moonshine still

570

00:28:04,200 --> 00:28:01,750

nothing like that going on my

571

00:28:05,760 --> 00:28:04,210

grandmother was a very very religious

572

00:28:08,660 --> 00:28:05,770

person and she would not even allow

573

00:28:11,490 --> 00:28:08,670

cussing in front of her kids much less

574

00:28:13,380 --> 00:28:11,500

alcohol in the house and the people

575

00:28:18,090 --> 00:28:13,390

around there that knew the woman

576

00:28:20,580 --> 00:28:18,100

in fact chief green wolf all of them

577

00:28:22,260 --> 00:28:20,590

that knew her knew that whatever

578

00:28:24,720 --> 00:28:22,270

happened that night was something

579

00:28:26,220 --> 00:28:24,730

devastating to them there was something

580

00:28:28,340 --> 00:28:26,230

and that's not try to let people

581

00:28:30,750 --> 00:28:28,350

understand try to make them understand

582

00:28:34,040 --> 00:28:30,760

whether it be paranormal

583

00:28:37,800 --> 00:28:34,050

whether it be extraterrestrial something

584

00:28:39,930 --> 00:28:37,810

happened to that family that night and I

585

00:28:42,570 --> 00:28:39,940

wish people could just

586

00:28:44,990 --> 00:28:42,580

understand that sign of it something

587

00:28:49,230 --> 00:28:45,000

happened to them

588

00:28:52,529 --> 00:28:49,240

so now was were there any other UFO

589

00:28:56,700 --> 00:28:52,539

sightings taking place like say you know

590

00:29:00,350 --> 00:28:56,710

over Kentucky Indiana that night was

591

00:29:03,749 --> 00:29:00,360

anybody seen anything in the skies well

592

00:29:06,360 --> 00:29:03,759

I've had a guy come forward that said

593

00:29:08,480 --> 00:29:06,370

they actually lewodan Kelly he was just

594

00:29:11,190 --> 00:29:08,490

a teenager a young teenager at the time

595

00:29:12,720 --> 00:29:11,200

and him and a friend of his was out in

596

00:29:14,610 --> 00:29:12,730

the yard or the field or something

597

00:29:16,680 --> 00:29:14,620

working on a wagon or a bike or

598

00:29:20,279 --> 00:29:16,690

something and actually seeing something

599

00:29:23,279 --> 00:29:20,289

in the sky during the day that day mmm

600

00:29:25,590 --> 00:29:23,289

that night when I got dark and all the

601  
00:29:30,330 --> 00:29:25,600  
shouting started and the gunfire he

602  
00:29:34,169 --> 00:29:30,340  
started facing something then there were

603  
00:29:36,960 --> 00:29:34,179  
reports of police officers and army

604  
00:29:40,470 --> 00:29:36,970  
people were seeing lights in the sky

605  
00:29:43,409 --> 00:29:40,480  
that night like if you know the vicinity

606  
00:29:45,539 --> 00:29:43,419  
you have if you start with Kelly you

607  
00:29:47,190 --> 00:29:45,549  
have Kelly then you have Hopkins field

608  
00:29:49,129 --> 00:29:47,200  
and you have Fort Campbell which is the

609  
00:29:53,129 --> 00:29:49,139  
army that you seen you have Clarksville

610  
00:29:55,379 --> 00:29:53,139  
well there was lights of some kind being

611  
00:29:57,180 --> 00:29:55,389  
seen all the way from Clarksville going

612  
00:29:59,369 --> 00:29:57,190  
from Clarksville to Fort Campbell to

613  
00:30:01,619 --> 00:29:59,379

Hawkins steel all the way down to Kelly

614

00:30:04,560 --> 00:30:01,629

that night but people didn't say

615

00:30:08,730 --> 00:30:04,570

anything till after the fact much later

616

00:30:11,460 --> 00:30:08,740

because they see the ridicule that was

617

00:30:13,350 --> 00:30:11,470

being you know served out to my family

618

00:30:15,240 --> 00:30:13,360

and nobody was going to come forward and

619

00:30:17,430 --> 00:30:15,250

say hmm

620

00:30:21,740 --> 00:30:17,440

but yeah there was stuff saying during

621

00:30:25,950 --> 00:30:21,750

the day there was stuff seen that night

622

00:30:30,810 --> 00:30:25,960

you know and a lot of people today it's

623

00:30:33,060 --> 00:30:30,820

even worse they throw it all to the army

624

00:30:34,889 --> 00:30:33,070

base they're doing maneuvers they're

625

00:30:37,289 --> 00:30:34,899

doing some kind of new test they're

626  
00:30:39,990 --> 00:30:37,299  
doing something you know and it's even

627  
00:30:41,850 --> 00:30:40,000  
worse today I think today people see

628  
00:30:45,360 --> 00:30:41,860  
lights in the sky especially if you live

629  
00:30:46,799 --> 00:30:45,370  
close to an army base mmm there's

630  
00:30:48,690 --> 00:30:46,809  
thinking well that's them doing

631  
00:30:51,389 --> 00:30:48,700  
maneuvers they're trying to have a new

632  
00:30:53,310 --> 00:30:51,399  
craft they're doing you know something

633  
00:30:54,780 --> 00:30:53,320  
and some people just shoot

634  
00:31:00,240 --> 00:30:54,790  
the rug and just don't think no more

635  
00:31:03,390 --> 00:31:00,250  
about it now but back into 5538 we

636  
00:31:07,320 --> 00:31:03,400  
didn't have that much going on really so

637  
00:31:11,130 --> 00:31:07,330  
you know and a lot of people don't know

638  
00:31:15,920 --> 00:31:11,140

that fort campbell army base was hiding

639

00:31:17,390 --> 00:31:15,930

these part of the nuclear arsenal there

640

00:31:21,840 --> 00:31:17,400

hmm

641

00:31:24,930 --> 00:31:21,850

so a lot of people are wondering they

642

00:31:27,120 --> 00:31:24,940

have found this out you know did the

643

00:31:31,190 --> 00:31:27,130

little things laying in the wrong place

644

00:31:33,780 --> 00:31:31,200

you know what happened we don't know but

645

00:31:36,450 --> 00:31:33,790

that's something to think about because

646

00:31:38,190 --> 00:31:36,460

people didn't know that was going on

647

00:31:41,160 --> 00:31:38,200

back then 55

648

00:31:44,220 --> 00:31:41,170

hmm well and and I mean and you well

649

00:31:48,650 --> 00:31:44,230

know that there there always seems to be

650

00:31:52,440 --> 00:31:48,660

a lot of UFO activity over areas

651  
00:31:54,840 --> 00:31:52,450  
military bases that are holding nuclear

652  
00:31:58,440 --> 00:31:54,850  
weapons or missile silos that you know

653  
00:32:00,450 --> 00:31:58,450  
that sort of thing yes exactly so now we

654  
00:32:04,830 --> 00:32:00,460  
have a question from one of our

655  
00:32:08,390 --> 00:32:04,840  
listeners Ryan wants to know did anybody

656  
00:32:12,660 --> 00:32:08,400  
involved with this situation have any

657  
00:32:14,700 --> 00:32:12,670  
men and black encounters afterwards and

658  
00:32:16,680 --> 00:32:14,710  
I'm sure you know what you know the

659  
00:32:18,630 --> 00:32:16,690  
Minutemen and black art you know it may

660  
00:32:19,980 --> 00:32:18,640  
not necessarily be the men in black but

661  
00:32:23,220 --> 00:32:19,990  
you know possibly you know some

662  
00:32:25,760 --> 00:32:23,230  
suspicious individuals that of course

663  
00:32:33,330 --> 00:32:25,770

there probably were a lot of suspicious

664

00:32:34,590 --> 00:32:33,340

after there they may have had I mean

665

00:32:36,210 --> 00:32:34,600

there was all kinds of people there

666

00:32:38,910 --> 00:32:36,220

wanting to talk to the end want to

667

00:32:41,840 --> 00:32:38,920

interview on so there could have been

668

00:32:45,090 --> 00:32:41,850

and they just didn't know what they were

669

00:32:47,700 --> 00:32:45,100

you know after my dad and Billy Wright

670

00:32:49,620 --> 00:32:47,710

left there was just my grandmother there

671

00:32:51,870 --> 00:32:49,630

with my uncle JC and they were just so

672

00:32:55,530 --> 00:32:51,880

tore up about the whole thing they

673

00:32:56,970 --> 00:32:55,540

didn't want to talk about it if you got

674

00:32:59,760 --> 00:32:56,980

him to talk about you were very lucky

675

00:33:01,590 --> 00:32:59,770

and so you know they could have had

676  
00:33:04,470 --> 00:33:01,600  
somebody like that talk to them we don't

677  
00:33:08,720 --> 00:33:04,480  
know I do know that the military came

678  
00:33:15,000 --> 00:33:08,730  
the next morning and combed the ground

679  
00:33:16,650 --> 00:33:15,010  
and somebody senile pick up something

680  
00:33:20,070 --> 00:33:16,660  
and stick it in the back of a truck they

681  
00:33:21,570 --> 00:33:20,080  
hit it and stuck it in the back of truck

682  
00:33:27,030 --> 00:33:21,580  
or nobody could see it in the truck to

683  
00:33:28,500 --> 00:33:27,040  
call so what was that we don't know you

684  
00:33:30,960 --> 00:33:28,510  
know I have found out a lot of different

685  
00:33:32,850 --> 00:33:30,970  
things since I wrote that first book

686  
00:33:39,360 --> 00:33:32,860  
because people came forward with stuff

687  
00:33:41,670 --> 00:33:39,370  
but we don't know so know what what

688  
00:33:43,320 --> 00:33:41,680

prompted you to to write write that

689

00:33:46,200 --> 00:33:43,330

first book because I mean you know I'm

690

00:33:47,670 --> 00:33:46,210

sure that as you said most of the people

691

00:33:51,180 --> 00:33:47,680

who were involved in this case would

692

00:33:53,460 --> 00:33:51,190

just sooner or let it be yes well what

693

00:33:54,780 --> 00:33:53,470

did it was course the whole alien think

694

00:33:56,940 --> 00:33:54,790

scared me to death I wouldn't even go

695

00:33:59,820 --> 00:33:56,950

watch an alien movie after I heard this

696

00:34:06,780 --> 00:33:59,830

it just ruined the whole alien thing you

697

00:34:08,520 --> 00:34:06,790

know it's close to home you know of

698

00:34:11,310 --> 00:34:08,530

course this is late 60s when I heard

699

00:34:12,750 --> 00:34:11,320

this so you know the good movies were

700

00:34:14,370 --> 00:34:12,760

just starting to come out

701  
00:34:17,310 --> 00:34:14,380  
you know the good black-and-white horror

702  
00:34:19,169 --> 00:34:17,320  
movies a good you know Alien movies and

703  
00:34:22,470 --> 00:34:19,179  
so it just ruined the whole thing there

704  
00:34:25,560 --> 00:34:22,480  
but anyway what was the question I don't

705  
00:34:31,850 --> 00:34:25,570  
forget what prompted you to throughout

706  
00:34:37,590 --> 00:34:34,820  
it was the 50-year anniversary

707  
00:34:39,960 --> 00:34:37,600  
Hopkinsville had a big four-day

708  
00:34:42,210 --> 00:34:39,970  
convention that weekend for the 50th

709  
00:34:47,210 --> 00:34:42,220  
anniversary and they invited me to come

710  
00:34:55,980 --> 00:34:53,220  
and learned a lot found out that people

711  
00:34:59,460 --> 00:34:55,990  
don't know this story I mean they were

712  
00:35:03,270 --> 00:34:59,470  
saying that there were 12 a lens that

713  
00:35:05,250 --> 00:35:03,280

Billy Ray got abducted you know a lot of

714

00:35:07,970 --> 00:35:05,260

things that you read they got my dad's

715

00:35:10,920 --> 00:35:07,980

name wrong they got him Cecil I'm like

716

00:35:13,250 --> 00:35:10,930

it's not Cecil where the heck is Cecil

717

00:35:17,580 --> 00:35:13,260

ain't nobody in the family named Cecil

718

00:35:20,190 --> 00:35:17,590

so you know that weekend made me think

719

00:35:21,120 --> 00:35:20,200

oh my gosh this is such a great story

720

00:35:22,710 --> 00:35:21,130

people

721

00:35:25,170 --> 00:35:22,720

love it I mean there was so much

722

00:35:28,380 --> 00:35:25,180

interest I thought well people need to

723

00:35:30,180 --> 00:35:28,390

know the truth so I'll sit a little bit

724

00:35:32,519 --> 00:35:30,190

down and I got you know of course I had

725

00:35:36,660 --> 00:35:32,529

a story in my head you know I'd heard my

726

00:35:42,420 --> 00:35:36,670

dad tell it more than once and did some

727

00:35:45,170 --> 00:35:42,430

research and wrote the first book and

728

00:35:47,700 --> 00:35:45,180

put the story in there how it happened

729

00:35:49,529 --> 00:35:47,710

and that's why I did it was because I

730

00:35:51,930 --> 00:35:49,539

wanted to make sure people knew what

731

00:35:58,200 --> 00:35:51,940

happened that night and it went well

732

00:36:00,120 --> 00:35:58,210

there were three or four yeah well I

733

00:36:04,289 --> 00:36:00,130

mean I I do I mean I remember reading

734

00:36:06,990 --> 00:36:04,299

that there were you know maybe eight or

735

00:36:09,089 --> 00:36:07,000

nine of these things you'll read it

736

00:36:11,160 --> 00:36:09,099

around and you know suit you you'd shoot

737

00:36:13,200 --> 00:36:11,170

one then another one would you know pop

738

00:36:17,700 --> 00:36:13,210

up you know like like a carnival game

739

00:36:20,150 --> 00:36:17,710

almost okay we got a question from Betty

740

00:36:24,410 --> 00:36:20,160

now Betty wants to know did anyone have

741

00:36:26,849 --> 00:36:24,420

a hypnotic regression done or even a

742

00:36:28,319 --> 00:36:26,859

lie-detector test and you know I can I

743

00:36:31,259 --> 00:36:28,329

can pretty much guess from what you've

744

00:36:32,910 --> 00:36:31,269

been saying about the reaction from your

745

00:36:43,170 --> 00:36:32,920

family members what the answer is going

746

00:36:45,299 --> 00:36:43,180

to be to that my dad told them no good

747

00:36:47,009 --> 00:36:45,309

can come of this and they believed here

748

00:36:49,650 --> 00:36:47,019

and so they just want it to go they

749

00:36:52,589 --> 00:36:49,660

didn't want to talk to anybody

750

00:36:55,319 --> 00:36:52,599

of course the military and anybody

751  
00:36:56,880 --> 00:36:55,329  
involved with it higher up just wanted

752  
00:36:59,069 --> 00:36:56,890  
to sweep it under the rug get rid of it

753  
00:37:01,170 --> 00:36:59,079  
you know nope no proper protocol was

754  
00:37:03,690 --> 00:37:01,180  
taken they didn't rope the place off

755  
00:37:06,450 --> 00:37:03,700  
there are people traps and all over it

756  
00:37:08,849 --> 00:37:06,460  
there was a glowing spot on the ground

757  
00:37:13,410 --> 00:37:08,859  
where they had shot one of them and

758  
00:37:15,779 --> 00:37:13,420  
veining take samples of that no dirt

759  
00:37:17,700 --> 00:37:15,789  
samples where the faint land did nothing

760  
00:37:20,970 --> 00:37:17,710  
they didn't do nothing all they did was

761  
00:37:23,130 --> 00:37:20,980  
the next morning color area found

762  
00:37:25,339 --> 00:37:23,140  
something took off with it laughs and

763  
00:37:28,920 --> 00:37:25,349

that was as far as they were concerned

764

00:37:32,730 --> 00:37:28,930

there was nothing else to what was the

765

00:37:35,040 --> 00:37:32,740

reaction of the the news media did TV

766

00:37:37,500 --> 00:37:35,050

stations and all come out there oh yeah

767

00:37:41,700 --> 00:37:37,510

I mean I've got all kinds of newspaper

768

00:37:45,420 --> 00:37:41,710

articles the magazine articles stuff

769

00:37:48,390 --> 00:37:45,430

like that from 55 oh yeah people were

770

00:37:50,700 --> 00:37:48,400

interested they wanted the story I mean

771

00:37:52,560 --> 00:37:50,710

they wanted to that's like the Kentucky

772

00:37:55,470 --> 00:37:52,570

new era reporter came out there that

773

00:37:57,300 --> 00:37:55,480

night and he wanted a picture of the

774

00:38:01,740 --> 00:37:57,310

aliens and by golly he was gonna go out

775

00:38:03,780 --> 00:38:01,750

there and get a picture of aliens of

776

00:38:06,030 --> 00:38:03,790

course they didn't show up then you know

777

00:38:12,390 --> 00:38:06,040

they weren't stupid I hid in the woods I

778

00:38:17,370 --> 00:38:12,400

guess to come back but yeah there was

779

00:38:19,290 --> 00:38:17,380

lots of interest course a lot of

780

00:38:24,150 --> 00:38:19,300

articles you read they make fun of the

781

00:38:27,680 --> 00:38:24,160

situation I hurt my dad deeply you know

782

00:38:30,390 --> 00:38:27,690

but what could you do about it

783

00:38:34,109 --> 00:38:30,400

did they ever return weather or weather

784

00:38:36,270 --> 00:38:34,119

ever any repeat sightings not that I

785

00:38:37,530 --> 00:38:36,280

know but you know what if there had it

786

00:38:39,210 --> 00:38:37,540

been they probably wouldn't have said a

787

00:38:40,920 --> 00:38:39,220

word about it and like I said my

788

00:38:42,540 --> 00:38:40,930

grandmother sold the farm in two weeks

789

00:38:44,580 --> 00:38:42,550

and got the heck out of there so she

790

00:38:46,980 --> 00:38:44,590

wasn't go said anymore if she didn't

791

00:38:48,930 --> 00:38:46,990

have to but you know I think that was a

792

00:38:52,410 --> 00:38:48,940

great fear I think that was a great fear

793

00:38:54,960 --> 00:38:52,420

my dad had because why were they there

794

00:38:58,109 --> 00:38:54,970

in first place you know were they after

795

00:38:58,530 --> 00:38:58,119

something you know and they didn't get

796

00:39:00,090 --> 00:38:58,540

it

797

00:39:03,060 --> 00:39:00,100

and were they gonna come back to try to

798

00:39:07,590 --> 00:39:03,070

get it you know that was a great favor

799

00:39:10,800 --> 00:39:07,600

so yeah well how aggressive were they I

800

00:39:13,760 --> 00:39:10,810

mean the year the family shot at them

801  
00:39:18,920 --> 00:39:13,770  
but do you think they were overreacting

802  
00:39:21,990 --> 00:39:18,930  
yes I think you see my grandmother

803  
00:39:24,450 --> 00:39:22,000  
stated that all right they were coming

804  
00:39:26,460 --> 00:39:24,460  
up to the to the house with their arms

805  
00:39:30,930 --> 00:39:26,470  
up in the air like in surrender that's

806  
00:39:33,270 --> 00:39:30,940  
how she said and she thought they didn't

807  
00:39:36,599 --> 00:39:33,280  
have anything on them and she thought

808  
00:39:38,520 --> 00:39:36,609  
you know maybe they just needed help

809  
00:39:40,440 --> 00:39:38,530  
maybe they just needed something and she

810  
00:39:43,080 --> 00:39:40,450  
even told my dad maybe just leave on the

811  
00:39:45,060 --> 00:39:43,090  
lung they'll go away

812  
00:39:46,859 --> 00:39:45,070  
you know she was kind of person she'd

813  
00:39:47,970 --> 00:39:46,869

help anybody I think a Bigfoot would

814

00:39:48,480 --> 00:39:47,980

have come up to the door and knocked

815

00:39:51,270 --> 00:39:48,490

nest

816

00:39:52,490 --> 00:39:51,280

Sugar's probably beginning that's the

817

00:39:57,420 --> 00:39:52,500

kind of person she was

818

00:39:59,880 --> 00:39:57,430

but my dad and uncle JCB in the country

819

00:40:01,320 --> 00:39:59,890

boys they were they didn't know what

820

00:40:03,900 --> 00:40:01,330

they were they didn't know what they

821

00:40:06,750 --> 00:40:03,910

wanted it was shoot first find out what

822

00:40:08,340 --> 00:40:06,760

happens you know ask questions later he

823

00:40:10,980 --> 00:40:08,350

wasn't gonna let him get in there to his

824

00:40:17,370 --> 00:40:10,990

mama and his younger siblings that's how

825

00:40:21,900 --> 00:40:17,380

it was oh no what about the the festival

826

00:40:24,660 --> 00:40:21,910

that now takes place every year when did

827

00:40:27,810 --> 00:40:24,670

that get started and I mean how do you

828

00:40:31,290 --> 00:40:27,820

how do you feel that that the town is

829

00:40:33,810 --> 00:40:31,300

has kind of embraced this and and and

830

00:40:36,720 --> 00:40:33,820

celebrates it almost well we just had

831

00:40:39,540 --> 00:40:36,730

our ninth year and when this first

832

00:40:42,390 --> 00:40:39,550

started they president of the committee

833

00:40:44,430 --> 00:40:42,400

actually came to me and asked me if it

834

00:40:47,910 --> 00:40:44,440

would be okay and I thought that was

835

00:40:50,340 --> 00:40:47,920

really nice and I said well yeah I'm

836

00:40:52,260 --> 00:40:50,350

like you know if something good could

837

00:40:55,800 --> 00:40:52,270

come of this story that would be

838

00:40:59,520 --> 00:40:55,810

wonderful and it has they had been able

839

00:41:02,760 --> 00:40:59,530

to buy eleven acres of land they have

840

00:41:05,099 --> 00:41:02,770

been able to put in a community building

841

00:41:06,750 --> 00:41:05,109

which hopefully once they get everything

842

00:41:10,320 --> 00:41:06,760

done with it we're going to be able to

843

00:41:12,330 --> 00:41:10,330

have like people come in for the

844

00:41:17,099 --> 00:41:12,340

festival and do speaker sessions and

845

00:41:19,740 --> 00:41:17,109

stuff a a fire department type thing has

846

00:41:23,310 --> 00:41:19,750

been put up they put up this the largest

847

00:41:25,859 --> 00:41:23,320

playground in Western Kentucky on it for

848

00:41:27,599 --> 00:41:25,869

the kids and they've been able to do a

849

00:41:30,930 --> 00:41:27,609

lot with it because of this little

850

00:41:35,099 --> 00:41:30,940

festival so it's it's been a blessing

851  
00:41:39,000 --> 00:41:35,109  
you know it was a curse in 55 you know

852  
00:41:45,090 --> 00:41:39,010  
from then until not all families passed

853  
00:41:48,750 --> 00:41:45,100  
but something good come of it so hey why

854  
00:41:52,410 --> 00:41:48,760  
not well and and this is a this is

855  
00:41:55,760 --> 00:41:52,420  
really a story that has had legs because

856  
00:41:58,170 --> 00:41:55,770  
I mean you know you there are other

857  
00:42:01,920 --> 00:41:58,180  
types of encounters that have taken

858  
00:42:04,740 --> 00:42:01,930  
place I mean even even not that

859  
00:42:08,370 --> 00:42:04,750  
long ago that has this really kind of

860  
00:42:10,049 --> 00:42:08,380  
disappeared to do obscurity but this one

861  
00:42:13,410 --> 00:42:10,059  
continues to stand out I mean there's

862  
00:42:16,319 --> 00:42:13,420  
even been a couple of movies made about

863  
00:42:18,210 --> 00:42:16,329

it I know what was a documentary but

864

00:42:19,309 --> 00:42:18,220

wasn't there another one that was made

865

00:42:21,750 --> 00:42:19,319

that was just kind of like a

866

00:42:27,359 --> 00:42:21,760

fictionalized version of the in this

867

00:42:32,430 --> 00:42:27,369

case document please go back during

868

00:42:34,620 --> 00:42:32,440

eclipse and there's lots of interest in

869

00:42:36,450 --> 00:42:34,630

it I mean people love the story I have

870

00:42:39,210 --> 00:42:36,460

people come to me all the time wanting

871

00:42:43,530 --> 00:42:39,220

to do a movie on it but you know it

872

00:42:45,630 --> 00:42:43,540

takes money it takes a lot you got a hat

873

00:42:51,710 --> 00:42:45,640

you got to have Clint Eastwood in it

874

00:43:04,620 --> 00:43:00,839

make my day little man yeah something

875

00:43:07,109 --> 00:43:04,630

will come of it one day and people do

876

00:43:10,380 --> 00:43:07,119

they absolutely love the story I get a

877

00:43:12,059 --> 00:43:10,390

lot of attention from it I get a lot of

878

00:43:15,180 --> 00:43:12,069

people want me to come talk about it

879

00:43:19,309 --> 00:43:15,190

different places and I've got stuff

880

00:43:25,859 --> 00:43:19,319

scheduled here soon and scheduling more

881

00:43:30,170 --> 00:43:25,869

because people well well well no okay

882

00:43:32,849 --> 00:43:30,180

you've done two books on it so far yeah

883

00:43:34,980 --> 00:43:32,859

which was the first one and it's the

884

00:43:37,470 --> 00:43:34,990

story in more detail and the second one

885

00:43:40,170 --> 00:43:37,480

has a story in it in a chapter but I'm

886

00:43:42,299 --> 00:43:40,180

sorting it and it's got a lot of stuff

887

00:43:43,859 --> 00:43:42,309

that I've learned since the first book

888

00:43:47,599 --> 00:43:43,869

but you're not gonna find out about

889

00:43:50,460 --> 00:43:47,609

because this is stuff that people have

890

00:43:53,370 --> 00:43:50,470

actually tell on her deathbed stuff like

891

00:43:57,270 --> 00:43:53,380

that that they they know from 55 were

892

00:43:59,370 --> 00:43:57,280

there in 55 which is really interesting

893

00:44:04,260 --> 00:43:59,380

plus I've got some other stories in

894

00:44:09,930 --> 00:44:04,270

there too but no is is this a would you

895

00:44:13,500 --> 00:44:09,940

say that this particular area is it is

896

00:44:15,160 --> 00:44:13,510

ripe with the legends and and lures of

897

00:44:22,960 --> 00:44:15,170

the

898

00:44:25,600 --> 00:44:22,970

who lived in Shelbyville saw a headless

899

00:44:27,850 --> 00:44:25,610

horseman behind the barn we think it was

900

00:44:31,720 --> 00:44:27,860

a Confederate soldier or something like

901  
00:44:33,880 --> 00:44:31,730  
that you know this part of the the state

902  
00:44:38,350 --> 00:44:33,890  
is just crazy I mean it's full of stuff

903  
00:44:42,100 --> 00:44:38,360  
I mean you hear ghost stories and all

904  
00:44:44,230 --> 00:44:42,110  
kinds of I mean there's all kinds of

905  
00:44:48,400 --> 00:44:44,240  
stuff around here's all kinds of ghost

906  
00:44:50,320 --> 00:44:48,410  
haunts and you know tours and stuff you

907  
00:44:52,180 --> 00:44:50,330  
can go on and you know we've been to a

908  
00:44:56,500 --> 00:44:52,190  
lot of them and it's really fun stuff

909  
00:44:58,810 --> 00:44:56,510  
paranormal stuff alien stuff I mean I've

910  
00:45:01,300 --> 00:44:58,820  
had people come to me and tell me

911  
00:45:04,030 --> 00:45:01,310  
stories of things think you're not

912  
00:45:05,470 --> 00:45:04,040  
explained you know there's stuff it goes

913  
00:45:07,090 --> 00:45:05,480

on out here and people are just afraid

914

00:45:09,660 --> 00:45:07,100

to say anything because they don't want

915

00:45:12,910 --> 00:45:09,670

to be labeled it's what the problem is

916

00:45:15,790 --> 00:45:12,920

but things happen and people keep it to

917

00:45:20,680 --> 00:45:15,800

themselves but some people will talk but

918

00:45:23,200 --> 00:45:20,690

yes there are other aliens story of

919

00:45:26,260 --> 00:45:23,210

sudden that you've heard oh yes well you

920

00:45:32,590 --> 00:45:26,270

know it's not really I've heard only one

921

00:45:34,750 --> 00:45:32,600

other story of an alien kind of a

922

00:45:38,080 --> 00:45:34,760

visitation worse some came up in a

923

00:45:39,520 --> 00:45:38,090

backyard and the people were out in the

924

00:45:41,410 --> 00:45:39,530

backyard and scared him so bad they just

925

00:45:43,360 --> 00:45:41,420

ran house shut all the doors and stuff

926

00:45:45,010 --> 00:45:43,370

and they left and that's all they said

927

00:45:49,600 --> 00:45:45,020

about it

928

00:45:51,160 --> 00:45:49,610

of course you've got the whole Dana and

929

00:45:54,790 --> 00:45:51,170

Greg Newkirk thing where they're trying

930

00:45:59,280 --> 00:45:54,800

to say that these little beings up in

931

00:46:02,470 --> 00:45:59,290

hell hillier kentucky are related to our

932

00:46:06,730 --> 00:46:02,480

goblins you know so we got that going on

933

00:46:07,420 --> 00:46:06,740

now so the three I just think I just

934

00:46:08,980 --> 00:46:07,430

wrote about this

935

00:46:10,660 --> 00:46:08,990

all right have I got the wrong state

936

00:46:20,260 --> 00:46:10,670

three women were abducted into a

937

00:46:23,080 --> 00:46:20,270

mothership I think so but she's talking

938

00:46:25,270 --> 00:46:23,090

about the the little guys that

939

00:46:28,510 --> 00:46:25,280

supposedly are coming out of caverns

940

00:46:31,540 --> 00:46:28,520

there in Kentucky yeah yeah but

941

00:46:33,460 --> 00:46:31,550

yeah all right well generally we all

942

00:46:35,470 --> 00:46:33,470

have a couple of minutes left in the in

943

00:46:37,600 --> 00:46:35,480

the show so I want you to give our

944

00:46:39,520 --> 00:46:37,610

945

00:46:41,980 --> 00:46:39,530

959  
00:47:25,540 --> 00:47:23,660  
I want to learn what I've either

960  
00:47:28,840 --> 00:47:25,550  
forgotten about the story or I didn't

961  
00:47:32,590 --> 00:47:28,850  
know before and I have to say one of my

962  
00:47:34,270 --> 00:47:32,600  
one of my favorite cases and it's it's

963  
00:47:37,000 --> 00:47:34,280

great to have had you on this evening to

964

00:47:42,160 --> 00:47:37,010

965

00:47:44,470 --> 00:47:42,170

historic occasion therefore is geez if I

966

00:47:47,440 --> 00:47:44,480

were a little younger I'd come and visit

967

00:47:49,720 --> 00:47:47,450
