12  
00:01:27,940 --> 00:01:22,880

15

00:01:35,440 --> 00:01:32,480

00:01:37,570 --> 00:01:35,450

larger than usual have you been getting

17

00:01:42,730 --> 00:01:37,580

into the fortified breakfast cereal

18

00:01:46,210 --> 00:01:42,740

again I don't know who you think I am I

19

00:01:48,100 --> 00:01:46,220

20

00:01:52,330 --> 00:01:48,110

we've come to take your stupid earth

21

00:01:54,910 --> 00:01:52,340

people off the planet mm okay well

22

00:01:58,800 --> 00:01:54,920

simmer down big boy it's all a

23

00:02:01,180 --> 00:01:58,810

hallucination caused by the fact that

24

00:02:05,950 --> 00:02:01,190

we've climbed up to this high altitude

25

00:02:08,590 --> 00:02:05,960

where the air is thinner though that

26

00:02:11,410 --> 00:02:08,600

that that UFO overhead looks a bit

27

00:02:15,610 --> 00:02:11,420

menacing I suppose you're going to tell

28

00:02:20,080 --> 00:02:15,620

me you landed here in that thing fee fie

29

00:02:24,310 --> 00:02:20,090

foe fum you better run run back to the K

30

00:02:38,560 --> 00:02:24,320

cor studios hurry okay you don't have to

31

00:02:40,750 --> 00:02:38,570

ask me twice climb down here here I am

32

00:02:46,479 --> 00:02:40,760

stalking you again they're in Jasper

33

00:02:48,580 --> 00:02:46,489

Indiana Tim I'm sorry no that's bad hey

34

00:02:53,910 --> 00:02:48,590

what are you for what I get for when I

35

00:02:58,270 --> 00:02:56,560

we're doing I I thought since the World

36

00:03:00,850 --> 00:02:58,280

Series is coming up we were gonna do a

37

00:03:03,520 --> 00:03:00,860

show on on the baseball team the Giants

38

00:03:06,850 --> 00:03:03,530

but I guess that's not what we're going

39

00:03:09,759 --> 00:03:06,860

to do no no not not not today maybe

40

00:03:12,250 --> 00:03:09,769

sometime I mean you know I you know you

41

00:03:14,170 --> 00:03:12,260

know more about baseball than I do but

42

00:03:16,600 --> 00:03:14,180

we can probably pull that off sometime

43

00:03:20,650 --> 00:03:16,610

maybe so maybe so we've got a show on

44

00:03:23,320 --> 00:03:20,660

wrestling and um yeah yeah we couldn't

45

00:03:25,780 --> 00:03:23,330

we could do that but tell us didn't know

46

00:03:27,180 --> 00:03:25,790

more nonsense and since we're down here

47

00:03:30,420 --> 00:03:27,190

at the ground

48

00:03:33,060 --> 00:03:30,430

and and all that tell us about the

49

00:03:36,330 --> 00:03:33,070

actual topic for this evening and who we

50

00:03:37,580 --> 00:03:36,340

are going to be chatting with oh my

51  
00:03:41,360 --> 00:03:37,590  
pleasure

52  
00:03:44,430 --> 00:03:41,370  
well and as our audience can tell by our

53  
00:03:47,550 --> 00:03:44,440  
opening tonight we are going to be

54  
00:03:49,500 --> 00:03:47,560  
talking about giants one of our favorite

55  
00:03:52,410 --> 00:03:49,510  
subjects here on exploring the bazaar

56  
00:03:55,740 --> 00:03:52,420  
and our guest tonight I'm really happy

57  
00:03:58,700 --> 00:03:55,750  
that Adam can be with this is Adam

75

00:04:49,080 --> 00:04:46,540

history of giants in north america and

76

00:04:51,150 --> 00:04:49,090

and high school Latin in Allentown High

79

School in New Jersey so Adam thanks for

80

00:05:05,210 --> 00:04:59,710

being with us tonight on exploring the

81

00:05:07,710 --> 00:05:05,220

bizarre my pleasure glad to be here yeah

82

00:05:11,159 --> 00:05:07,720

kind of looking forward to delving into

83

00:05:13,350 --> 00:05:11,169

this myself you know you Tim and I are

84

00:05:15,720 --> 00:05:13,360

our main thing of course is a UFOs

85

00:05:19,140 --> 00:05:15,730

although here on exploring the bizarre

86

00:05:21,300 --> 00:05:19,150

we get into all kinds of mischief when

87

00:05:24,659 --> 00:05:21,310

it comes to the paranormal and you know

88

00:05:27,390 --> 00:05:24,669

Giants are not totally unknown as far as

89

00:05:30,630 --> 00:05:27,400

UFOs go we've had giants coming out of

90

00:05:34,020 --> 00:05:30,640

UFOs we've had one either Cyclops I know

91

00:05:36,210 --> 00:05:34,030

in Brazil where there's some youngsters

92

00:05:38,490 --> 00:05:36,220

they were in their early teens went out

93

00:05:41,070 --> 00:05:38,500

to get some water from the the well and

94

00:05:43,260 --> 00:05:41,080

saw this giant coming down

95

00:05:46,040 --> 00:05:43,270

alight and I was just writing the other

96

00:05:49,439 --> 00:05:46,050

day about an incident in Warminster

97

00:05:53,249 --> 00:05:49,449

England where several members of the

98

00:05:54,809 --> 00:05:53,259

community had the opportunity to I don't

99

00:05:56,700 --> 00:05:54,819

know whether the word would be tangle

100

00:05:59,610 --> 00:05:56,710

with because they did well yeah I guess

101  
00:06:04,230 --> 00:05:59,620  
tangle with these seven or eight foot

102  
00:06:07,040 --> 00:06:04,240  
tall beings that were translucent they

103  
00:06:09,749 --> 00:06:07,050  
could hear them they could hear their

104  
00:06:12,089 --> 00:06:09,759  
footprints being if they had feet that

105  
00:06:14,510 --> 00:06:12,099  
is on the on the gravel and they could

106  
00:06:18,839 --> 00:06:14,520  
hear them rustling around through the

107  
00:06:21,089 --> 00:06:18,849  
underbrush but they were translucent or

108  
00:06:23,610 --> 00:06:21,099  
transparent I guess you know very very

109  
00:06:26,430 --> 00:06:23,620  
very strange but a Giants are not

110  
00:06:30,379 --> 00:06:26,440  
totally unknown to us but I take it we

111  
00:06:33,240 --> 00:06:30,389  
are talking about Giants Adam in the

112  
00:06:36,959 --> 00:06:33,250  
biblical sense of the Old Testament

113  
00:06:39,149 --> 00:06:36,969

David and Goliath yes yes so my so

114

00:06:43,800 --> 00:06:39,159

that's probably the most famous giant

115

00:06:45,600 --> 00:06:43,810

Goliath in the Old Testament and not

116

00:06:48,540 --> 00:06:45,610

just found in the Bible but in almost

117

00:06:52,769 --> 00:06:48,550

every culture throughout the world Irish

118

00:06:55,610 --> 00:06:52,779

culture German culture Native American

119

00:06:58,529 --> 00:06:55,620

culture African culture these guys

120

00:07:00,269 --> 00:06:58,539

basically show up everywhere and it's

121

00:07:04,110 --> 00:07:00,279

funny that you made the UFO connection

122

00:07:05,969 --> 00:07:04,120

because people like Zakaria stitch in

123

00:07:08,580 --> 00:07:05,979

and Erich von Daniken who do you stuff

124

00:07:11,010 --> 00:07:08,590

with ancient astronaut theory both of

125

00:07:13,170 --> 00:07:11,020

them have kind of presented the Giants

126  
00:07:14,990 --> 00:07:13,180  
with UFOs I thought my own personal

127  
00:07:18,959 --> 00:07:15,000  
opinion I think I just you know

128  
00:07:20,909 --> 00:07:18,969  
oversized human beings but I do accept a

129  
00:07:23,459 --> 00:07:20,919  
lot of aspects of you know their their

130  
00:07:25,080 --> 00:07:23,469  
ancient astronaut theory but they sit

131  
00:07:28,110 --> 00:07:25,090  
stitching for example or the whole book

132  
00:07:30,119 --> 00:07:28,120  
there were giants on the earth talking

133  
00:07:32,189 --> 00:07:30,129  
about basically connecting the Anunnaki

134  
00:07:34,499 --> 00:07:32,199  
and ancient UFOs and saying that they

135  
00:07:36,119 --> 00:07:34,509  
visited humanity from time to time and

136  
00:07:38,580 --> 00:07:36,129  
some people are taking that further and

137  
00:07:41,339 --> 00:07:38,590  
say you know these types of beings are

138  
00:07:44,430 --> 00:07:41,349

still visiting humans hey what you

139

00:07:45,869 --> 00:07:44,440

mentioned we seem to indicate and I

140

00:07:48,839 --> 00:07:45,879

don't think I've ever asked anybody in

141

00:07:52,079 --> 00:07:48,849

this question before but are all giants

142

00:07:54,960 --> 00:07:52,089

men no no certainly not

143

00:07:57,780 --> 00:07:54,970

so an Irish tradition actually

144

00:07:59,879 --> 00:07:57,790

and there's a there's a scholar Savion

145

00:08:03,090 --> 00:07:59,889

Hayes who's written about this one of

146

00:08:05,730 --> 00:08:03,100

the Giants is a woman eight or nine foot

147

00:08:08,040 --> 00:08:05,740

tall and she's like a pretty nice giant

148

00:08:12,570 --> 00:08:08,050

but she's a warrior that's an Irish

149

00:08:16,080 --> 00:08:12,580

folklore so also in what we have

150

00:08:18,150 --> 00:08:16,090

uncovered in North America with some of

151

00:08:21,390 --> 00:08:18,160

the excavations that were done in the

152

00:08:23,610 --> 00:08:21,400

19th early 20th century oftentimes you

153

00:08:26,430 --> 00:08:23,620

find giants together male and female

154

00:08:27,719 --> 00:08:26,440

buried together so definitely not just

155

00:08:31,080 --> 00:08:27,729

one genders he could have been a whole

156

00:08:33,320 --> 00:08:31,090

race of giants who once populated the

157

00:08:38,010 --> 00:08:33,330

continent but mysteriously disappeared

158

00:08:40,110 --> 00:08:38,020

well you say race are they a separate

159

00:08:43,649 --> 00:08:40,120

racer are they just people that are tall

160

00:08:46,800 --> 00:08:43,659

I mean I met a fellow down and I believe

161

00:08:48,630 --> 00:08:46,810

he used to live in Red Bank and in one

162

00:08:51,590 --> 00:08:48,640

time he was in the you know Guinness

163

00:08:53,579 --> 00:08:51,600

Book of Records as being the tallest

164

00:08:56,100 --> 00:08:53,589

person and I I can't remember exactly

165

00:08:58,769 --> 00:08:56,110

how tall he was but certainly over 12

166

00:09:02,220 --> 00:08:58,779

feet I think that would make him a human

167

00:09:03,930 --> 00:09:02,230

odddity but he wasn't they a member of a

168

00:09:05,850 --> 00:09:03,940

different race I mean are we talking

169

00:09:08,880 --> 00:09:05,860

about a different race or just very

170

00:09:11,040 --> 00:09:08,890

large individuals well there's some

171

00:09:14,040 --> 00:09:11,050

debate about that because other certain

172

00:09:16,829 --> 00:09:14,050

uh speakers certain researchers like

173

00:09:20,040 --> 00:09:16,839

Andrew Collins hope I don't misquote in

174

00:09:22,050 --> 00:09:20,050

here Andrew give me if I do but he would

175

00:09:24,780 --> 00:09:22,060

say you know this was a distinct race of

176

00:09:27,810 --> 00:09:24,790

distinct species with amongst human

177

00:09:29,579 --> 00:09:27,820

beings but distinct from from what human

178

00:09:33,390 --> 00:09:29,589

beings are now your your common homo

179

00:09:36,060 --> 00:09:33,400

sapien but others would say and i think

180

00:09:38,220 --> 00:09:36,070

this is the opinion that i fall under

181

00:09:40,440 --> 00:09:38,230

that if the Giants were a different race

182

00:09:43,050 --> 00:09:40,450

there were certainly at some point

183

00:09:45,000 --> 00:09:43,060

intermixing between these these this

184

00:09:48,269 --> 00:09:45,010

race of giants it's lost race of giants

185

00:09:50,280 --> 00:09:48,279

and human beings and that accounts

186

00:09:51,660 --> 00:09:50,290

especially if you look at the oral

187

00:09:54,300 --> 00:09:51,670

traditions of certain cultures for

188

00:09:57,150 --> 00:09:54,310

example Native American culture this

189

00:09:58,980 --> 00:09:57,160

accounts for you know them having Giants

190

00:10:04,140 --> 00:09:58,990

they talk about in their ancestry and

191

00:10:06,930 --> 00:10:04,150

for modern implications the why you have

192

00:10:08,400 --> 00:10:06,940

people who are so tall within certain

193

00:10:10,730 --> 00:10:08,410

cultures I think that comes from

194

00:10:13,020 --> 00:10:10,740

it's a cleaning of normal human beings

195

00:10:17,580 --> 00:10:13,030

with these Giants when they were

196

00:10:19,890 --> 00:10:17,590

separate race or a higher a more evolved

197

00:10:21,930 --> 00:10:19,900

or more powerful group of opinion beings

198

00:10:25,040 --> 00:10:21,940

it comes through this kind of genetic

199

00:10:29,430 --> 00:10:25,050

intermixing that me said well now your

200

00:10:35,580 --> 00:10:29,440

background is in theology is it not oh

201  
00:10:40,410 --> 00:10:35,590  
yes yes so yeah tell us about the

202  
00:10:43,080 --> 00:10:40,420  
genesis where the race of I guess Giants

203  
00:10:45,480 --> 00:10:43,090  
came down and they found earth women so

204  
00:10:49,200 --> 00:10:45,490  
fair and attractive that they decided to

205  
00:10:50,750 --> 00:10:49,210  
take them as their mates yeah that's a

206  
00:10:53,340 --> 00:10:50,760  
really that's a great example

207  
00:10:54,960 --> 00:10:53,350  
like I said well usually people with the

208  
00:10:57,270 --> 00:10:54,970  
Old Testament immediately go to Goliath

209  
00:10:59,550 --> 00:10:57,280  
but these charts inventions out the

210  
00:11:02,190 --> 00:10:59,560  
biblical witness so in Genesis 6 which

211  
00:11:04,380 --> 00:11:02,200  
is the beginning of the Noah story you

212  
00:11:06,990 --> 00:11:04,390  
have what are called the Nephilim who

213  
00:11:08,730 --> 00:11:07,000

come down and intermarry with the

214

00:11:12,210 --> 00:11:08,740

daughters of men so they seem to be a

215

00:11:15,990 --> 00:11:12,220

distinct group from human beings there

216

00:11:20,100 --> 00:11:16,000

so the term for human being is or the

217

00:11:24,030 --> 00:11:20,110

daughters of men Bonet además I mean

218

00:11:27,780 --> 00:11:24,040

excuse me Barnea Dom so excuse but no

219

00:11:30,030 --> 00:11:27,790

Dom my Ebru remember my Hebrew here but

220

00:11:32,790 --> 00:11:30,040

no a Dom so the daughters of men and

221

00:11:34,440 --> 00:11:32,800

they integrate with these Bonet Elohim

222

00:11:37,890 --> 00:11:34,450

the sons of God so they seem to be two

223

00:11:39,630 --> 00:11:37,900

distinct races they're an stitchin was

224

00:11:41,790 --> 00:11:39,640

really and spawned on akin to some

225

00:11:43,350 --> 00:11:41,800

extent still really grasped all of this

226

00:11:46,830 --> 00:11:43,360

saying it's a methyl League because the

227

00:11:48,840 --> 00:11:46,840

terribly n--'s fallen from the hebrew

228

00:11:51,030 --> 00:11:48,850

'no fall that these are referred to you

229

00:11:52,260 --> 00:11:51,040

are extraterrestrial beings who have

230

00:11:55,350 --> 00:11:52,270

fallen from the heavens

231

00:11:58,350 --> 00:11:55,360

not necessarily the position I take when

232

00:12:01,530 --> 00:11:58,360

I look at the word in a fall that seems

233

00:12:03,540 --> 00:12:01,540

to me to refer to a fallen civilization

234

00:12:06,110 --> 00:12:03,550

so some type of great great great

235

00:12:09,480 --> 00:12:06,120

civilization in the past that had fallen

236

00:12:11,700 --> 00:12:09,490

and that was before the flood into

237

00:12:14,370 --> 00:12:11,710

mixing of human beings and there's even

238

00:12:17,970 --> 00:12:14,380

a tradition that Noah was one of kind of

239

00:12:20,010 --> 00:12:17,980

the offspring of these giant human

240

00:12:22,140 --> 00:12:20,020

intermixing and that's how you have

241

00:12:24,570 --> 00:12:22,150

giant people of giant statue

242

00:12:26,930 --> 00:12:24,580

to the earth after the flood according

243

00:12:32,090 --> 00:12:26,940

to according to the biblical narrative

244

00:12:34,890 --> 00:12:32,100

okay so the there are giants among us I

245

00:12:35,760 --> 00:12:34,900

don't think that there are that's a

246

00:12:37,490 --> 00:12:35,770

really good question I don't know if

247

00:12:39,600 --> 00:12:37,500

they're Giants among us anymore

248

00:12:43,080 --> 00:12:39,610

especially in North America they seem to

249

00:12:45,690 --> 00:12:43,090

have at least as an empire as a group

250

00:12:48,420 --> 00:12:45,700

have died off but I think that their

251  
00:12:50,460 --> 00:12:48,430  
cultural legacy and he mentioned eggs to

252  
00:12:53,460 --> 00:12:50,470  
some extent when you mentioned this in

253  
00:12:55,800 --> 00:12:53,470  
another podcast I did when you look at

254  
00:12:57,120 --> 00:12:55,810  
some of the Native American people some

255  
00:12:58,920 --> 00:12:57,130  
of them are the tallest people in the

256  
00:13:00,810 --> 00:12:58,930  
world so I think their cultural

257  
00:13:03,090 --> 00:13:00,820  
influence even their genetic influence

258  
00:13:05,280 --> 00:13:03,100  
lives on in certain groups of people not

259  
00:13:06,990 --> 00:13:05,290  
just in North America but also around

260  
00:13:09,600 --> 00:13:07,000  
the world where you have in certain

261  
00:13:12,240 --> 00:13:09,610  
cultures people of tall stature but the

262  
00:13:15,990 --> 00:13:12,250  
Giants themselves they're long gone I

263  
00:13:19,140 --> 00:13:16,000

think it's just my view they're living

264

00:13:21,570 --> 00:13:19,150

under they be living underground I don't

265

00:13:24,360 --> 00:13:21,580

I don't know I don't think so you know I

266

00:13:27,330 --> 00:13:24,370

think they honestly think that they wipe

267

00:13:29,910 --> 00:13:27,340

themselves out if you look at so for

268

00:13:33,000 --> 00:13:29,920

examples certain cultures in North

269

00:13:35,370 --> 00:13:33,010

America ancient cultures such as the

270

00:13:37,050 --> 00:13:35,380

Hopewell the Idina who most people would

271

00:13:40,740 --> 00:13:37,060

say these were gigantic persons people

272

00:13:44,700 --> 00:13:40,750

of tall stature eventually they wiped by

273

00:13:46,650 --> 00:13:44,710

the by the 6th century CE II they had

274

00:13:48,300 --> 00:13:46,660

kind of wiped each other out through

275

00:13:50,490 --> 00:13:48,310

through war and bloodshed and this is a

276

00:13:52,920 --> 00:13:50,500

common theme that we get from biblical

277

00:13:55,440 --> 00:13:52,930

times of the Giants being kind of

278

00:13:57,960 --> 00:13:55,450

bloodthirsty warlike and they basically

279

00:13:59,670 --> 00:13:57,970

wipe themselves out your own violence

280

00:14:02,490 --> 00:13:59,680

but a lot of they're like I said a lot

281

00:14:03,330 --> 00:14:02,500

of the culture and cultural legacy and

282

00:14:07,110 --> 00:14:03,340

the genetics

283

00:14:10,020 --> 00:14:07,120

still exist well ok now when we say

284

00:14:14,220 --> 00:14:10,030

Giants what is your definition of a

285

00:14:17,340 --> 00:14:14,230

giant what do you have to be in order to

286

00:14:20,190 --> 00:14:17,350

be considered one of them that's a great

287

00:14:22,200 --> 00:14:20,200

question so I always like to point this

288

00:14:25,140 --> 00:14:22,210

out because I'm only I'm only 5'4 too

289

00:14:27,360 --> 00:14:25,150

which is kind of ironic for me looking

290

00:14:31,770 --> 00:14:27,370

at for someone like me looking at Giants

291

00:14:34,560 --> 00:14:31,780

but for most of human history I'm

292

00:14:35,759 --> 00:14:34,570

considered short now you know when I was

293

00:14:37,079 --> 00:14:35,769

in the dating scene of emergency

294

00:14:40,439 --> 00:14:37,089

years never when I was on a dating sync

295

00:14:42,419 --> 00:14:40,449

you will be like oh you're short guy and

296

00:14:44,850 --> 00:14:42,429

that's kind of looked down on now but

297

00:14:47,549 --> 00:14:44,860

yeah 200 years ago I would have been of

298

00:14:49,229 --> 00:14:47,559

average height so a lot of people like

299

00:14:52,679 --> 00:14:49,239

the founding fathers Thomas Jefferson

300

00:14:54,989 --> 00:14:52,689

and he visit their homes their beds were

301  
00:14:59,429 --> 00:14:54,999  
you know smaller than I were smaller

302  
00:15:01,499 --> 00:14:59,439  
than I am so that was average height so

303  
00:15:05,999 --> 00:15:01,509  
human beings you know the 6-foot tall

304  
00:15:07,499 --> 00:15:06,009  
human the 6 foot tall person is really

305  
00:15:09,119 --> 00:15:07,509  
kind of something that's kind of new

306  
00:15:11,789 --> 00:15:09,129  
that's emerged in the 20 in 19th and

307  
00:15:14,579 --> 00:15:11,799  
20th centuries with advances to health

308  
00:15:26,689 --> 00:15:14,589  
and longevity and stuff like that but

309  
00:15:30,179 --> 00:15:26,699  
nonetheless even in biblical times I

310  
00:15:32,419 --> 00:15:30,189  
teach school so sometimes at the end of

311  
00:15:36,720 --> 00:15:32,429  
the day I can end up losing my voice but

312  
00:15:40,079 --> 00:15:36,730  
even in biblical times collide someone

313  
00:15:42,749 --> 00:15:40,089

like alive is said to be like three or

314

00:15:45,269 --> 00:15:42,759

four cubits which would be around 19 so

315

00:15:47,280 --> 00:15:45,279

even in ancient times these are people

316

00:15:49,530 --> 00:15:47,290

who would have been tall even by our

317

00:15:52,259 --> 00:15:49,540

standards and certainly would have

318

00:15:55,230 --> 00:15:52,269

looked like you know monsters or worse

319

00:15:57,840 --> 00:15:55,240

or super gigantic beings in the ancient

320

00:16:01,350 --> 00:15:57,850

world but even by our standards the

321

00:16:03,929 --> 00:16:01,360

smallest of them probably about 7 feet

322

00:16:05,609 --> 00:16:03,939

which is still very tall and then we

323

00:16:08,429 --> 00:16:05,619

have traditions that you know have

324

00:16:13,949 --> 00:16:08,439

giants going as tall as 18 feet in some

325

00:16:16,699 --> 00:16:13,959

in some cultures that's that's a tall

326

00:16:19,079 --> 00:16:16,709

dude yes yes any any any other

327

00:16:22,259 --> 00:16:19,089

characteristics that they would have

328

00:16:25,530 --> 00:16:22,269

that would make them stand out in public

329

00:16:28,199 --> 00:16:25,540

Oh a Japan so he have it seems that

330

00:16:29,879 --> 00:16:28,209

there are different species of giants

331

00:16:36,150 --> 00:16:29,889

within themselves you mentioned earlier

332

00:16:37,499 --> 00:16:36,160

about their race but some giants they

333

00:16:40,799 --> 00:16:37,509

didn't really look that different from

334

00:16:44,100 --> 00:16:40,809

us as modern normal humans they're just

335

00:16:48,150 --> 00:16:44,110

much taller other giants seem to have

336

00:16:49,560 --> 00:16:48,160

had significant differences so a lot of

337

00:16:52,740 --> 00:16:49,570

in a lot of

338

00:16:54,570 --> 00:16:52,750

Native American cultures there's trying

339

00:16:57,150 --> 00:16:54,580

to shine skeletal remains that were

340

00:16:59,730 --> 00:16:57,160

found in the 19th and early 20th century

341

00:17:04,350 --> 00:16:59,740

or the skull was a long period so it was

342

00:17:06,990 --> 00:17:04,360

a larger cranium and so people have

343

00:17:10,140 --> 00:17:07,000

speculated that you know this larger

344

00:17:12,350 --> 00:17:10,150

cranium was used might have possessed

345

00:17:16,319 --> 00:17:12,360

like it's kind of like a psychic ability

346

00:17:18,960 --> 00:17:16,329

that that these are giants had and that

347

00:17:20,819 --> 00:17:18,970

was how they were able this kind of gets

348

00:17:22,470 --> 00:17:20,829

to you you know without type of

349

00:17:23,579 --> 00:17:22,480

mythology business tell hedge and stuff

350

00:17:26,010 --> 00:17:23,589

like that with the Druids how they were

351

00:17:30,120 --> 00:17:26,020

able to levitate things and really build

352

00:17:32,550 --> 00:17:30,130

these abilities amazing buildings and

353

00:17:37,500 --> 00:17:32,560

TVs architectural feats who's that kind

354

00:17:39,240 --> 00:17:37,510

of a psychic psychic energy so there

355

00:17:43,260 --> 00:17:39,250

were four some of the Giants really

356

00:17:46,730 --> 00:17:43,270

distinct differences now why has there

357

00:17:49,260 --> 00:17:46,740

been such an attempt by the

358

00:17:52,380 --> 00:17:49,270

archaeological and scientific community

359

00:17:55,800 --> 00:17:52,390

to hush up the fact that there might

360

00:17:58,200 --> 00:17:55,810

have been giants on the earth at the at

361

00:17:59,640 --> 00:17:58,210

one time I mean it seems the few

362

00:18:02,420 --> 00:17:59,650

articles that I've read on the other

363

00:18:06,420 --> 00:18:02,430

subject I mean it just seems that

364

00:18:08,820 --> 00:18:06,430

there's been an attempt to poopoo the

365

00:18:13,050 --> 00:18:08,830

the idea that there might have been a

366

00:18:16,320 --> 00:18:13,060

taller of beings here yeah I think I

367

00:18:19,460 --> 00:18:16,330

think academia has largely wanted to

368

00:18:22,470 --> 00:18:19,470

relegate Giants to the status of myth

369

00:18:24,330 --> 00:18:22,480

and just folklore of the people so from

370

00:18:26,370 --> 00:18:24,340

like an anthropological sociological

371

00:18:29,490 --> 00:18:26,380

standpoint these are nothing more than

372

00:18:31,110 --> 00:18:29,500

tall tales now the North American

373

00:18:33,720 --> 00:18:31,120

skeletal remains that have been found

374

00:18:37,230 --> 00:18:33,730

kind of disproved that and make it very

375

00:18:40,710 --> 00:18:37,240

very clear that some group of giants

376

00:18:43,650 --> 00:18:40,720

existed in the ancient in the ancient

377

00:18:46,200 --> 00:18:43,660

past in pre-columbian America I think

378

00:18:48,120 --> 00:18:46,210

more specifically when you get to North

379

00:18:50,970 --> 00:18:48,130

America I think there's several agendas

380

00:18:53,310 --> 00:18:50,980

going on there people want to kind of

381

00:18:56,460 --> 00:18:53,320

you know relegate Giants again to the

382

00:18:59,580 --> 00:18:56,470

status of mythology because it's

383

00:19:01,400 --> 00:18:59,590

threatening on several levels I talked

384

00:19:03,419 --> 00:19:01,410

about this in the earlier podcast that

385

00:19:06,169 --> 00:19:03,429

that I was on but

386

00:19:08,129 --> 00:19:06,179

basically the history of American

387

00:19:10,680 --> 00:19:08,139

anthropology the history of American

388

00:19:12,899 --> 00:19:10,690

archeology was one that really didn't

389

00:19:15,599 --> 00:19:12,909

want to see any type of culture in

390

00:19:20,129 --> 00:19:15,609

America until the arrival of Columbus

391

00:19:22,049 --> 00:19:20,139

and the Europeans after him so any any

392

00:19:24,450 --> 00:19:22,059

evidence for that which the North

393

00:19:27,659 --> 00:19:24,460

American Giants and their skeletal

394

00:19:31,469 --> 00:19:27,669

remains would provide was kind of was

395

00:19:32,789 --> 00:19:31,479

kind of hushed up because if you know if

396

00:19:33,989 --> 00:19:32,799

you acknowledge that you have to

397

00:19:36,119 --> 00:19:33,999

acknowledge that the people here the

398

00:19:37,859 --> 00:19:36,129

Native Americans had some type of

399

00:19:41,700 --> 00:19:37,869

culture by some type of grandiose

400

00:19:44,519 --> 00:19:41,710

culture before before Columbus came I

401  
00:19:48,509 --> 00:19:44,529  
also think that at least in the early

402  
00:19:53,310 --> 00:19:48,519  
stages of America when people were still

403  
00:19:56,180 --> 00:19:53,320  
very religious the idea that there were

404  
00:19:58,200 --> 00:19:56,190  
giants possibly from another realm

405  
00:20:00,180 --> 00:19:58,210  
excuse me from another region of the

406  
00:20:05,430 --> 00:20:00,190  
world kind of supporting a guy

407  
00:20:08,249 --> 00:20:05,440  
creationist model of ancient America was

408  
00:20:11,639 --> 00:20:08,259  
frowned upon because that would have

409  
00:20:12,749 --> 00:20:11,649  
kind of coincide with certain religious

410  
00:20:14,759 --> 00:20:12,759  
beliefs that weren't popular at the time

411  
00:20:17,669 --> 00:20:14,769  
such as Mormonism since Mormonism

412  
00:20:19,680 --> 00:20:17,679  
believes that there was a group of

413  
00:20:21,180 --> 00:20:19,690

people who came from the Near East to

414

00:20:24,299 --> 00:20:21,190

America and the Giants are kind of

415

00:20:29,700 --> 00:20:24,309

example of a diffusion model similar to

416

00:20:31,499 --> 00:20:29,710

that and oh okay so now do they they

417

00:20:34,019 --> 00:20:31,509

still believe that today I mean do they

418

00:20:38,129 --> 00:20:34,029

accept the concept that there might be

419

00:20:41,129 --> 00:20:38,139

giants still here well is there a

420

00:20:45,049 --> 00:20:41,139

particular date that the the Giants

421

00:20:48,889 --> 00:20:45,059

might have been wiped out I think so

422

00:20:50,669 --> 00:20:48,899

when people are so American

423

00:20:52,499 --> 00:20:50,679

archeologists not necessarily those

424

00:20:55,289 --> 00:20:52,509

within the mainstream but kind of do

425

00:20:57,450 --> 00:20:55,299

their own thing again they would point

426

00:21:01,560 --> 00:20:57,460

to such cultures like the Hopewell me

427

00:21:04,529 --> 00:21:01,570

Edina and we know from archaeological

428

00:21:05,849 --> 00:21:04,539

evidence and basically carbon dating and

429

00:21:07,619 --> 00:21:05,859

the oral traditions of the Native

430

00:21:13,409 --> 00:21:07,629

Americans that their culture died out

431

00:21:16,410 --> 00:21:13,419

around 500 CE so there really aren't and

432

00:21:18,450 --> 00:21:16,420

so we really don't get

433

00:21:21,060 --> 00:21:18,460

the remains that we get really don't

434

00:21:23,100 --> 00:21:21,070

date don't appear to date until you know

435

00:21:24,900 --> 00:21:23,110

they don't appear to date after that

436

00:21:28,440 --> 00:21:24,910

time period so everything seems to be

437

00:21:30,390 --> 00:21:28,450

cut off around 500 to seee and again my

438

00:21:32,400 --> 00:21:30,400

speculation I think other scholars would

439

00:21:34,950 --> 00:21:32,410

agree that the Giants basically there

440

00:21:38,490 --> 00:21:34,960

was some type of massive battle and as

441

00:21:40,050 --> 00:21:38,500

Giants just killed themselves off where

442

00:21:42,900 --> 00:21:40,060

would this battle have been I mean it

443

00:21:46,740 --> 00:21:42,910

seems a kind of peculiar that there

444

00:21:48,630 --> 00:21:46,750

would be a battle all over the the earth

445

00:21:50,820 --> 00:21:48,640

at the same time yeah I don't know we

446

00:21:53,820 --> 00:21:50,830

phrased yeah yeah I'll probably phrase

447

00:21:57,030 --> 00:21:53,830

this oh okay this your your left you're

448

00:21:59,430 --> 00:21:57,040

allowed twice on the show yeah so I

449

00:22:02,750 --> 00:21:59,440

think I mean this is something that

450

00:22:05,220 --> 00:22:02,760

scholars speculate I mean on the ground

451

00:22:07,530 --> 00:22:05,230

the culture just seems to have just

452

00:22:11,880 --> 00:22:07,540

disappear and just all just stopped by

453

00:22:14,580 --> 00:22:11,890

500 by 500 CEO 500 AD it just appears to

454

00:22:17,540 --> 00:22:14,590

have stopped and we we can we speculate

455

00:22:23,340 --> 00:22:17,550

researchers speculate as to why that is

456

00:22:25,170 --> 00:22:23,350

now we have there's evidence for Giants

457

00:22:28,440 --> 00:22:25,180

and there's evidence for interconnected

458

00:22:32,370 --> 00:22:28,450

empire of giants throughout North

459

00:22:34,860 --> 00:22:32,380

America so scholars have speculated that

460

00:22:37,260 --> 00:22:34,870

there wasn't perhaps just one battle but

461

00:22:39,750 --> 00:22:37,270

maybe multiple battles in different

462

00:22:41,700 --> 00:22:39,760

regions and the giant the giant Empire

463

00:22:44,040 --> 00:22:41,710

is just kind of you know collapsed maybe

464

00:22:46,950 --> 00:22:44,050

not they don't control them they fought

465

00:22:50,580 --> 00:22:46,960

among themselves possibly among

466

00:22:52,620 --> 00:22:50,590

themselves or the indigenous people

467

00:22:58,080 --> 00:22:52,630

probably might have risen up against

468

00:23:00,420 --> 00:22:58,090

them and and conquered them so there's a

469

00:23:03,630 --> 00:23:00,430

tradition amongst the Native Americans

470

00:23:05,420 --> 00:23:03,640

in Nevada and stuff that there was a

471

00:23:07,800 --> 00:23:05,430

group of giant Steeler cannibals

472

00:23:09,690 --> 00:23:07,810

red-haired Giants who were cannibals and

473

00:23:11,940 --> 00:23:09,700

the Native Americans got sick of this

474

00:23:14,400 --> 00:23:11,950

and said that the tribes over there got

475

00:23:15,720 --> 00:23:14,410

sick of this and said we can't deal with

476

00:23:18,810 --> 00:23:15,730

we can't deal with you guys anyway so

477

00:23:20,520 --> 00:23:18,820

they rose up and according to the whole

478

00:23:21,630 --> 00:23:20,530

traditions overthrew the Giants and

479

00:23:23,250 --> 00:23:21,640

that's why the Giants aren't here

480

00:23:24,540 --> 00:23:23,260

anymore so it might have been you know a

481

00:23:26,670 --> 00:23:24,550

revolution that brought down their

482

00:23:29,130 --> 00:23:26,680

empire or it could have been in fighting

483

00:23:31,560 --> 00:23:29,140

but we know that

484

00:23:36,750 --> 00:23:31,570

ever happened it was abrupt it happened

485

00:23:39,060 --> 00:23:36,760

fast and between 500 Cee and 600 Cee no

486

00:23:43,680 --> 00:23:39,070

more Giants well that we should give

487

00:23:45,750 --> 00:23:43,690

that a resulting fee fie foe fum I would

488

00:23:48,330 --> 00:23:45,760

say I have sacked after the commercial

489

00:23:49,830 --> 00:23:48,340

we've got to ask you a commercial break

490

00:23:52,890 --> 00:23:49,840

we gotta ask you where where the heck

491

00:23:55,530 --> 00:23:52,900

did that Jack the Beanstalk come from I

492

00:23:59,310 --> 00:23:55,540

should don't wanna know that I would be

493

00:24:01,560 --> 00:23:59,320

very curious to know that yes here we're

494

00:24:14,910 --> 00:24:01,570

on our first plane and we'll be right

495

00:24:17,730 --> 00:24:14,920

back giant Fedor now back to exploring

496

00:24:20,100 --> 00:24:17,740

the bazaar with two of the most

497

00:24:23,910 --> 00:24:20,110

electrifying researchers in the Paranoid

498

00:24:28,830 --> 00:24:23,920

your hosts timothy beckoning and king's

499

00:24:31,410 --> 00:24:28,840

lists welcome back to exploring the

500

00:24:36,390 --> 00:24:31,420

bazaar I'm Tim Schwartz tonight we're

501  
00:24:40,530 --> 00:24:36,400  
talking with Adam Stokes and Giants so

502  
00:24:45,560 --> 00:24:40,540  
Adam I live here in southern Indiana and

503  
00:24:49,410 --> 00:24:45,570  
in Indiana has a very rich tradition of

504  
00:24:52,950 --> 00:24:49,420  
Native American mounds and other types

505  
00:24:58,100 --> 00:24:52,960  
of structures and especially in the 19th

506  
00:25:00,860 --> 00:24:58,110  
century there were a lot of you know

507  
00:25:03,050 --> 00:25:00,870  
sometimes you know a credit

508  
00:25:07,280 --> 00:25:03,060  
archaeologist going through these

509  
00:25:11,180 --> 00:25:07,290  
structures and sometimes amateurs but

510  
00:25:14,630 --> 00:25:11,190  
lots of old newspaper reports lots of

511  
00:25:19,460 --> 00:25:14,640  
accredited archaeological journals

512  
00:25:23,250 --> 00:25:19,470  
talking about these giant bones being

513  
00:25:26,900 --> 00:25:23,260

uncovered and some of these articles

514

00:25:29,760 --> 00:25:26,910

even stating that the bones were then

515

00:25:33,360 --> 00:25:29,770

you know after they were very carefully

516

00:25:36,350 --> 00:25:33,370

categorized sent to the Smithsonian in

517

00:25:40,470 --> 00:25:36,360

Washington yet now the Smithsonian

518

00:25:42,960 --> 00:25:40,480

adamantly denies that they have anything

519

00:25:46,650 --> 00:25:42,970

like that in their collection or the

520

00:25:48,480 --> 00:25:46,660

- or even that they never had anything

521

00:25:52,130 --> 00:25:48,490

like that that that all of these

522

00:25:54,960 --> 00:25:52,140

newspaper reports all of these old

523

00:25:55,880 --> 00:25:54,970

accredited journals were nothing but

524

00:25:59,280 --> 00:25:55,890

hoaxes

525

00:26:02,340 --> 00:25:59,290

yeah the Smithsonian they have a really

526

00:26:04,590 --> 00:26:02,350

kind of funky relationship with this

527

00:26:09,420 --> 00:26:04,600

whole issue of giants in in ancient

528

00:26:12,480 --> 00:26:09,430

America so as you said quite correctly

529

00:26:14,130 --> 00:26:12,490

when these things when these skeletal

530

00:26:16,140 --> 00:26:14,140

remains start being found in the mid

531

00:26:18,870 --> 00:26:16,150

nineteenth century up until the early

532

00:26:20,070 --> 00:26:18,880

20th century people are asking their you

533

00:26:22,200 --> 00:26:20,080

know congressmen what do you do with

534

00:26:23,640 --> 00:26:22,210

them and the congressman asked the

535

00:26:26,340 --> 00:26:23,650

government the government says oh send

536

00:26:30,560 --> 00:26:26,350

him to Smithsonian like he said a lot of

537

00:26:33,150 --> 00:26:30,570

these skeletal remains are never found

538

00:26:36,750 --> 00:26:33,160

again it's interesting because on

539

00:26:39,980 --> 00:26:36,760

several occasions in recent history by

540

00:26:43,950 --> 00:26:39,990

recent I mean past 30 or so years

541

00:26:45,900 --> 00:26:43,960

Smithsonian has actually done excavation

542

00:26:48,150 --> 00:26:45,910

where they found Giants in the late 70s

543

00:26:50,280 --> 00:26:48,160

and 80s and then there was an even

544

00:26:54,120 --> 00:26:50,290

article I think in National Geographic

545

00:26:56,270 --> 00:26:54,130

around 1985 mourn Giants but then it

546

00:26:59,010 --> 00:26:56,280

kind of you know died down after that

547

00:27:02,930 --> 00:26:59,020

and I think a lot of that has to do with

548

00:27:06,690 --> 00:27:02,940

again Giants not fitting into the

549

00:27:09,840 --> 00:27:06,700

accepted narrative of how how America

550

00:27:13,200 --> 00:27:09,850

was especially pre-columbian times I

551  
00:27:17,670 --> 00:27:13,210  
think the Smithsonian deliberately I

552  
00:27:19,020 --> 00:27:17,680  
think wanted to see basically American

553  
00:27:21,300 --> 00:27:19,030  
history is beginning you know with

554  
00:27:24,360 --> 00:27:21,310  
Columbus and after and afterwards and

555  
00:27:26,670 --> 00:27:24,370  
before then just want to establish a

556  
00:27:28,500 --> 00:27:26,680  
view that America and the people its

557  
00:27:31,380 --> 00:27:28,510  
inhabitants were very primitive they had

558  
00:27:33,360 --> 00:27:31,390  
no culture that civilization and again

559  
00:27:34,650 --> 00:27:33,370  
the Giants you know these skeletal

560  
00:27:35,580 --> 00:27:34,660  
remains being found at these massive

561  
00:27:37,800 --> 00:27:35,590  
earthworks

562  
00:27:39,120 --> 00:27:37,810  
with all of you know the the

563  
00:27:41,250 --> 00:27:39,130

architectural feasts that these

564

00:27:44,970 --> 00:27:41,260

earthworks are and the culture that they

565

00:27:46,650 --> 00:27:44,980

exhibit was kind of a threat to that

566

00:27:49,470 --> 00:27:46,660

view and again after remember the

567

00:27:50,640 --> 00:27:49,480

historical context here 19th century

568

00:27:52,320 --> 00:27:50,650

where you know the United States

569

00:27:53,499 --> 00:27:52,330

government is basically fighting with

570

00:28:00,820 --> 00:27:53,509

the Indian

571

00:28:02,589 --> 00:28:00,830

land so the Smithsonian is doing its

572

00:28:04,450 --> 00:28:02,599

part to kind of you know property of

573

00:28:05,830 --> 00:28:04,460

view that you know these Native

574

00:28:07,960 --> 00:28:05,840

Americans didn't have you know never

575

00:28:10,419 --> 00:28:07,970

have really any culture their

576

00:28:12,099 --> 00:28:10,429

predecessors never had any culture so

577

00:28:14,109 --> 00:28:12,109

this justifies you know dehumanizing

578

00:28:17,049 --> 00:28:14,119

Native American means that you know

579

00:28:19,509 --> 00:28:17,059

makes it easier for them to get to get

580

00:28:20,919 --> 00:28:19,519

the land so there was that kind of 19th

581

00:28:23,859 --> 00:28:20,929

century context going on here

582

00:28:26,739 --> 00:28:23,869

unfortunately I will say this it's

583

00:28:29,289 --> 00:28:26,749

gotten kind of better but you still kind

584

00:28:35,619 --> 00:28:29,299

of have that view of you know pre-k pre

585

00:28:37,450 --> 00:28:35,629

columbian pre 1492 civilization as just

586

00:28:39,639 --> 00:28:37,460

primitive and having you know extremely

587

00:28:42,729 --> 00:28:39,649

primitive and having no type of culture

588

00:28:44,080 --> 00:28:42,739

at all but I think that you know a lot

589

00:28:45,690 --> 00:28:44,090

of researchers especially in the kind of

590

00:28:48,159 --> 00:28:45,700

research has been pushing back on that

591

00:28:49,330 --> 00:28:48,169

I'm back on that lately and you know

592

00:28:53,710 --> 00:28:49,340

we'll see where it goes you know in the

593

00:28:59,830 --> 00:28:53,720

next 20 years or so and now the some of

594

00:29:02,919 --> 00:28:59,840

the Native Americans who traveled across

595

00:29:04,899 --> 00:29:02,929

the country and and there's one tribe in

596

00:29:07,239 --> 00:29:04,909

particular I unfortunately I can't

597

00:29:11,560 --> 00:29:07,249

remember they're there their name and

598

00:29:14,799 --> 00:29:11,570

they they their their lore goes back as

599

00:29:18,399 --> 00:29:14,809

far as them even remembering coming

600

00:29:22,029 --> 00:29:18,409

across the the Bering Straits into North

601  
00:29:24,369 --> 00:29:22,039  
America but at one point they said that

602  
00:29:27,509 --> 00:29:24,379  
when they reached the what's now known

603  
00:29:31,259 --> 00:29:27,519  
as the Mississippi they found that

604  
00:29:35,259 --> 00:29:31,269  
Illinois and Indiana and Kentucky were

605  
00:29:38,489 --> 00:29:35,269  
filled with with giants and that that

606  
00:29:42,580 --> 00:29:38,499  
they had their own civilization they had

607  
00:29:44,619 --> 00:29:42,590  
big you know very well built structures

608  
00:29:48,129 --> 00:29:44,629  
and these and these giants weren't

609  
00:29:49,930 --> 00:29:48,139  
weren't too happy that these tribes were

610  
00:29:52,749 --> 00:29:49,940  
we're trying to make their way through

611  
00:29:55,330 --> 00:29:52,759  
and eventually I guess that they had a

612  
00:29:59,739 --> 00:29:55,340  
pretty big battle of what's now around

613  
00:30:01,329 --> 00:29:59,749

the Falls of the Ohio yeah and again you

614

00:30:04,629 --> 00:30:01,339

know back in the 19th century there were

615

00:30:06,010 --> 00:30:04,639

a lot of bones discovered especially

616

00:30:09,690 --> 00:30:06,020

when the Ohio River

617

00:30:12,220 --> 00:30:09,700

would would flood so now are there other

618

00:30:13,900 --> 00:30:12,230

are there other tribes across the

619

00:30:17,290 --> 00:30:13,910

country you know especially I suppose

620

00:30:20,260 --> 00:30:17,300

you know out west that that have the

621

00:30:22,990 --> 00:30:20,270

same kind of legends well I think you'll

622

00:30:25,240 --> 00:30:23,000

find across the border I mentioned the

623

00:30:27,730 --> 00:30:25,250

Native American tribes in the Nevada

624

00:30:28,300 --> 00:30:27,740

region and that goes into California as

625

00:30:31,240 --> 00:30:28,310

well

626

00:30:34,660 --> 00:30:31,250

they all have these money them have

627

00:30:36,070 --> 00:30:34,670

these traditions of interaction with

628

00:30:37,840 --> 00:30:36,080

giants and when you look in the oil

629

00:30:40,240 --> 00:30:37,850

history they talk about the earthen

630

00:30:42,220 --> 00:30:40,250

mounds they'll be like no you know we

631

00:30:44,320 --> 00:30:42,230

our people our tribes didn't necessarily

632

00:30:47,950 --> 00:30:44,330

build these mounds these come from the

633

00:30:49,960 --> 00:30:47,960

people who came before us and something

634

00:30:52,330 --> 00:30:49,970

that she just said just now was really

635

00:30:54,160 --> 00:30:52,340

profound the Native American traditions

636

00:30:56,950 --> 00:30:54,170

say you know our interaction with these

637

00:30:59,320 --> 00:30:56,960

giants was not positive the Giants like

638

00:31:01,390 --> 00:30:59,330

you said weren't very happy about this

639

00:31:04,450 --> 00:31:01,400

the Giants just seemed across the board

640

00:31:08,800 --> 00:31:04,460

not just the Native American history but

641

00:31:11,530 --> 00:31:08,810

across the board Irish history German

642

00:31:14,650 --> 00:31:11,540

history Slavic history the biblical

643

00:31:16,720 --> 00:31:14,660

Giants don't just they just don't seem

644

00:31:19,120 --> 00:31:16,730

to you know be very very very nice

645

00:31:20,710 --> 00:31:19,130

people and they don't interact well you

646

00:31:22,690 --> 00:31:20,720

know with your with your average with

647

00:31:25,200 --> 00:31:22,700

your normal human being and this is

648

00:31:29,290 --> 00:31:25,210

reflected in in the Native American

649

00:31:30,850 --> 00:31:29,300

Native American traditions and so I

650

00:31:34,000 --> 00:31:30,860

think you know all those traditions

651  
00:31:36,070 --> 00:31:34,010  
people say ultimate ology its folklore

652  
00:31:38,860 --> 00:31:36,080  
but like you said the archaeological

653  
00:31:40,630 --> 00:31:38,870  
evidence seems to suggest that this that

654  
00:31:42,940 --> 00:31:40,640  
something more is going on here that you

655  
00:31:45,750 --> 00:31:42,950  
know this does preserve of race family

656  
00:31:51,160 --> 00:31:45,760  
of interactions with these with these

657  
00:31:54,220 --> 00:31:51,170  
earlier inhabitants I think you made an

658  
00:31:57,700 --> 00:31:54,230  
interesting point in the previous

659  
00:32:00,790 --> 00:31:57,710  
segment of the program talking around

660  
00:32:06,130 --> 00:32:00,800  
the time when it seems like that at

661  
00:32:09,240 --> 00:32:06,140  
least in North America where were the

662  
00:32:12,820 --> 00:32:09,250  
the giant Co seemingly you know died out

663  
00:32:14,950 --> 00:32:12,830

but and and you know we've we were able

664

00:32:16,960 --> 00:32:14,960

to uncover you know quite a quite a few

665

00:32:19,760 --> 00:32:16,970

bones you know like I said basically in

666

00:32:22,670 --> 00:32:19,770

19th and 20th century however

667

00:32:24,260 --> 00:32:22,680

you have the old legends you say like in

668

00:32:27,980 --> 00:32:24,270

the Middle East and other parts of the

669

00:32:32,870 --> 00:32:27,990

world but there haven't been a lot of

670

00:32:37,370 --> 00:32:32,880

bones uncovered at least within recent

671

00:32:39,980 --> 00:32:37,380

history now do you see that do you think

672

00:32:43,450 --> 00:32:39,990

possibly there could have been a maybe a

673

00:32:46,070 --> 00:32:43,460

forced migration on their part where

674

00:32:50,060 --> 00:32:46,080

they eventually had been forced to move

675

00:32:51,650 --> 00:32:50,070

to North and South America because you

676  
00:32:54,590 --> 00:32:51,660  
know people became more populated you

677  
00:32:56,720 --> 00:32:54,600  
know yeah more people less them so this

678  
00:32:59,000 --> 00:32:56,730  
was this in South America was kind of

679  
00:33:00,500 --> 00:32:59,010  
like their last refuge yeah excellent

680  
00:33:01,790 --> 00:33:00,510  
question I think that's exact

681  
00:33:04,610 --> 00:33:01,800  
to some extent that's exactly what

682  
00:33:08,120 --> 00:33:04,620  
happened I think you know in you know in

683  
00:33:10,460 --> 00:33:08,130  
Europe you know we have evidence that

684  
00:33:11,990 --> 00:33:10,470  
the mounds in Ireland and stuff like

685  
00:33:13,820 --> 00:33:12,000  
that we have evidence of a great giant

686  
00:33:15,620 --> 00:33:13,830  
civilization there and I think you know

687  
00:33:17,840 --> 00:33:15,630  
we have again this conflict between

688  
00:33:21,260 --> 00:33:17,850

giants and humans the giant space demons

689

00:33:23,570 --> 00:33:21,270

off humans rose up or what whatever type

690

00:33:26,630 --> 00:33:23,580

of conflict there was you know forced a

691

00:33:29,300 --> 00:33:26,640

lot of you know these these guys to you

692

00:33:32,300 --> 00:33:29,310

know come over into the new world and

693

00:33:35,240 --> 00:33:32,310

I've mentioned this in other in other

694

00:33:36,890 --> 00:33:35,250

kind in other places but I don't think

695

00:33:39,830 --> 00:33:36,900

we're looking at when we talk about the

696

00:33:41,180 --> 00:33:39,840

North American giants just one massive

697

00:33:43,640 --> 00:33:41,190

migration I think you know there's a

698

00:33:46,910 --> 00:33:43,650

several migrations that happen over the

699

00:33:50,810 --> 00:33:46,920

course of hundreds of years if not if

700

00:33:55,400 --> 00:33:50,820

not centuries it's interesting because I

701  
00:33:58,820 --> 00:33:55,410  
think that you still have traces of the

702  
00:34:00,830 --> 00:33:58,830  
Giants existing even into the Middle

703  
00:34:05,630 --> 00:34:00,840  
Ages so a lot of the medieval tales that

704  
00:34:07,010 --> 00:34:05,640  
you get in England in Germany the

705  
00:34:08,810 --> 00:34:07,020  
legends of Charlemagne and stuff they

706  
00:34:10,430 --> 00:34:08,820  
still talk about you know one or two

707  
00:34:13,220 --> 00:34:10,440  
giants still walking around still

708  
00:34:16,190 --> 00:34:13,230  
existing where the rest of the Giants

709  
00:34:18,919 --> 00:34:16,200  
well I think you know they're their

710  
00:34:20,330 --> 00:34:18,929  
relatives their descendants or I mean

711  
00:34:22,220 --> 00:34:20,340  
their ancestors order their sentence

712  
00:34:24,980 --> 00:34:22,230  
they're over in a new world and that

713  
00:34:27,080 --> 00:34:24,990

accounts for you know the few giants

714

00:34:29,149 --> 00:34:27,090

that are still over in the old world so

715

00:34:32,859 --> 00:34:29,159

I think that's a really good question so

716

00:34:36,669 --> 00:34:32,869

now this of course is the speculation

717

00:34:43,919 --> 00:34:36,679

do you think that the race of giants may

718

00:34:47,829 --> 00:34:43,929

have been say like an archaic species of

719

00:34:49,829 --> 00:34:47,839

you know of with maybe not even Homo

720

00:34:52,329 --> 00:34:49,839

sapiens but he you know even something

721

00:34:55,089 --> 00:34:52,339

say along the lines of the you know

722

00:34:56,440 --> 00:34:55,099

Denisovans or something like that yeah

723

00:35:00,039 --> 00:34:56,450

kinda like what Andrew Collins suggests

724

00:35:01,900 --> 00:35:00,049

yes absolutely yes absolutely so I don't

725

00:35:03,459 --> 00:35:01,910

put the extra-terrestrial label to them

726

00:35:04,959 --> 00:35:03,469

even though I'm a I'm a firm advocate of

727

00:35:07,150 --> 00:35:04,969

the you know ancient astronaut theory I

728

00:35:11,589 --> 00:35:07,160

absolutely that UFOs are still visiting

729

00:35:15,130 --> 00:35:11,599

us today so I have had at least two

730

00:35:18,219 --> 00:35:15,140

experiences one of which I'm certain was

731

00:35:21,549 --> 00:35:18,229

a UFO but not to not to get too far off

732

00:35:24,849 --> 00:35:21,559

topic but but yes I think we're looking

733

00:35:27,009 --> 00:35:24,859

at archaic species of human that died

734

00:35:29,559 --> 00:35:27,019

out and again I think this goes back to

735

00:35:31,989 --> 00:35:29,569

the question that you asked earlier why

736

00:35:33,880 --> 00:35:31,999

are why is nation academia so reluctant

737

00:35:35,019 --> 00:35:33,890

to address this well it really kind of

738

00:35:37,690 --> 00:35:35,029

throws a monkey wrench in your

739

00:35:40,329 --> 00:35:37,700

traditional idea of you know evolution

740

00:35:42,969 --> 00:35:40,339

of you know less uh less advanced

741

00:35:45,549 --> 00:35:42,979

species evolving to higher advanced

742

00:35:48,309 --> 00:35:45,559

species because if you have this archaic

743

00:35:50,589 --> 00:35:48,319

group that was powerful that was that

744

00:35:53,229 --> 00:35:50,599

was rich in culture that eventually died

745

00:35:54,700 --> 00:35:53,239

out and people some scholars such as

746

00:35:58,690 --> 00:35:54,710

Zimmerman say that these you no chance

747

00:36:00,370 --> 00:35:58,700

go back to you know paleo history then

748

00:36:02,920 --> 00:36:00,380

you know that kind of you have to

749

00:36:04,559 --> 00:36:02,930

reevaluate what your concept of

750

00:36:11,920 --> 00:36:04,569

evolution and human development is

751

00:36:14,410 --> 00:36:11,930

because of that so now and I'm trying

752

00:36:18,579 --> 00:36:14,420

I'm trying to think do you know offhand

753

00:36:23,049 --> 00:36:18,589

are there any does anybody have any

754

00:36:26,049 --> 00:36:23,059

actual bones still in I suppose that

755

00:36:27,969 --> 00:36:26,059

have to be private collections now yeah

756

00:36:29,890 --> 00:36:27,979

a lot of the stuff you're gonna find is

757

00:36:33,069 --> 00:36:29,900

really in private collections and

758

00:36:36,219 --> 00:36:33,079

interesting enough to not here in the

759

00:36:39,400 --> 00:36:36,229

states you usually have to go to South

760

00:36:41,709 --> 00:36:39,410

America though there are private museums

761

00:36:46,220 --> 00:36:41,719

some great researchers in the Midwest

762

00:36:47,900 --> 00:36:46,230

who have who have

763

00:36:49,430 --> 00:36:47,910

have her made some of these remains like

764

00:36:50,780 --> 00:36:49,440

I said a lot of them went to Smithsonian

765

00:36:53,210 --> 00:36:50,790

just like just disappeared

766

00:36:55,400 --> 00:36:53,220

mm-hm but some people did keep them I

767

00:36:59,120 --> 00:36:55,410

know there was a documentary I looked at

768

00:37:02,840 --> 00:36:59,130

a couple years back la Marzulli did it

769

00:37:04,280 --> 00:37:02,850

on Watchers his show watcher six where

770

00:37:06,920 --> 00:37:04,290

he looks at kind of the UFO tradition

771

00:37:09,440 --> 00:37:06,930

and the watchers in the Bible and he

772

00:37:11,990 --> 00:37:09,450

found some private museums in Peru which

773

00:37:14,810 --> 00:37:12,000

still seem to have bones of gigantic

774

00:37:18,650 --> 00:37:14,820

skeletons so many of them are in private

775

00:37:20,410 --> 00:37:18,660

museums now I speculate the evenness for

776

00:37:22,910 --> 00:37:20,420

Sonia nearly claim that I'll have them I

777

00:37:25,160 --> 00:37:22,920

speculate that they are somewhere in the

778

00:37:28,400 --> 00:37:25,170

storage facility in a Smithsonian hmm

779

00:37:31,210 --> 00:37:28,410

well I mean it would just be fantastic

780

00:37:35,330 --> 00:37:31,220

if somebody would attempt to do

781

00:37:38,510 --> 00:37:35,340

considering how far we've come with DNA

782

00:37:43,760 --> 00:37:38,520

analysis yeah well I mean the you know

783

00:37:47,270 --> 00:37:43,770

they're able to extract DNA from a just

784

00:37:49,609 --> 00:37:47,280

a tiny finger bone found in Siberia that

785

00:37:53,450 --> 00:37:49,619

identified that there so vien yeah

786

00:37:55,280 --> 00:37:53,460

species so I mean I would love I mean it

787

00:37:57,320 --> 00:37:55,290

would it be fantastic to know I mean

788

00:37:59,480 --> 00:37:57,330

we'd know one way or the other whether

789

00:38:02,990 --> 00:37:59,490

or not the Giants are actually or some

790

00:38:04,880 --> 00:38:03,000

kind of you know archaic species of Homo

791

00:38:06,500 --> 00:38:04,890

sapiens or something yes yes yeah

792

00:38:14,090 --> 00:38:06,510

kissing cousin or whether or not they

793

00:38:16,130 --> 00:38:14,100

were just big people yeah yeah I you had

794

00:38:18,260 --> 00:38:16,140

there is photograph there's a lot of

795

00:38:20,690 --> 00:38:18,270

photographic evidence another researcher

796

00:38:22,700 --> 00:38:20,700

Richard Dewhurst whose book I reviewed a

797

00:38:24,560 --> 00:38:22,710

few years back he gives a lot of

798

00:38:26,990 --> 00:38:24,570

pictorial evidence like you said there's

799

00:38:31,280 --> 00:38:27,000

articles that have pictures in them but

800

00:38:33,680 --> 00:38:31,290

actually finding a full-blooded giant

801  
00:38:34,910 --> 00:38:33,690  
skeleton that's been preserved now with

802  
00:38:38,270 --> 00:38:34,920  
everything that's happened over the past

803  
00:38:40,550 --> 00:38:38,280  
hundred fifty years is difficult but if

804  
00:38:42,349 --> 00:38:40,560  
if that was possible then yeah I think

805  
00:38:44,540 --> 00:38:42,359  
you know with the modern technology we

806  
00:38:46,190 --> 00:38:44,550  
have it could really inform us as to you

807  
00:38:47,359 --> 00:38:46,200  
know just what their identity is and

808  
00:38:51,920 --> 00:38:47,369  
also where they came from

809  
00:38:56,690 --> 00:38:51,930  
mm-hmm so what's uh what's next I mean

810  
00:38:58,910 --> 00:38:56,700  
you know what what can be done to to

811  
00:39:01,460 --> 00:38:58,920  
further this idea

812  
00:39:03,920 --> 00:39:01,470  
at that that Giants actually existed

813  
00:39:06,559 --> 00:39:03,930

that they weren't just you know the

814

00:39:08,990 --> 00:39:06,569

creation of fairy tales that that this

815

00:39:11,690 --> 00:39:09,000

was something that was real and really

816

00:39:13,670 --> 00:39:11,700

needs to be seriously studied well I

817

00:39:17,480 --> 00:39:13,680

think you know as we just talked about

818

00:39:19,130 --> 00:39:17,490

how the skeletal remains stuff has

819

00:39:19,760 --> 00:39:19,140

happened to them they're not here

820

00:39:23,839 --> 00:39:19,770

anymore

821

00:39:26,180 --> 00:39:23,849

but I think that we can still do

822

00:39:28,819 --> 00:39:26,190

research on the Giants by looking at the

823

00:39:31,670 --> 00:39:28,829

culture that they left behind the bounds

824

00:39:32,809 --> 00:39:31,680

of the Giants bills still exist many of

825

00:39:34,130 --> 00:39:32,819

them have been bulldozed to the ground

826

00:39:36,859 --> 00:39:34,140

but I think were destroyed both

827

00:39:38,780 --> 00:39:36,869

deliberately and by accident but a lot

828

00:39:41,720 --> 00:39:38,790

of them you know still exist separate

829

00:39:44,660 --> 00:39:41,730

now still exist Robyn's mound still

830

00:39:46,789 --> 00:39:44,670

exists a lot of these mounds still exist

831

00:39:49,370 --> 00:39:46,799

in allows them have been excavated and

832

00:39:52,400 --> 00:39:49,380

we found cultural items which inform us

833

00:39:54,799 --> 00:39:52,410

about the world of the Giants about

834

00:39:56,839 --> 00:39:54,809

these ancient people who lived here on

835

00:40:00,079 --> 00:39:56,849

the North American continent hundreds

836

00:40:01,849 --> 00:40:00,089

and thousands of years ago so I think

837

00:40:03,859 --> 00:40:01,859

you know even if we don't have the bones

838

00:40:06,470 --> 00:40:03,869

we still have the culture the jobs and

839

00:40:09,170 --> 00:40:06,480

that can inform us about you know who

840

00:40:10,099 --> 00:40:09,180

they were and perhaps also that I

841

00:40:13,130 --> 00:40:10,109

believe actually believe is very

842

00:40:16,130 --> 00:40:13,140

strongly where they came from so a lot

843

00:40:19,130 --> 00:40:16,140

of the cultural artifacts that were

844

00:40:21,140 --> 00:40:19,140

found as these mounds with these giant

845

00:40:24,440 --> 00:40:21,150

skeletal remains a lot of them have

846

00:40:25,730 --> 00:40:24,450

semitic features and suggesting that

847

00:40:32,480 --> 00:40:25,740

they came from somewhere in the Middle

848

00:40:34,549 --> 00:40:32,490

East and possibly Egyptian all right now

849

00:40:36,140 --> 00:40:34,559

that's you you you read my mind because

850

00:40:37,730 --> 00:40:36,150

that that was the direction I was going

851  
00:40:40,339 --> 00:40:37,740  
to go with my next question you know

852  
00:40:43,099 --> 00:40:40,349  
considering that what was it like the

853  
00:40:46,160 --> 00:40:43,109  
artifacts found was at the bat bat cave

854  
00:40:48,079 --> 00:40:46,170  
Tennessee exactly stones yes that Creek

855  
00:40:50,660 --> 00:40:48,089  
stone right right something like that a

856  
00:40:54,410 --> 00:40:50,670  
lot of these artifacts that seem to

857  
00:40:56,930 --> 00:40:54,420  
point to a Middle East origin strangely

858  
00:40:59,900 --> 00:40:56,940  
enough are also around the same areas

859  
00:41:04,359 --> 00:40:59,910  
where a lot of these giant bones were

860  
00:41:07,099 --> 00:41:04,369  
found so so I mean do you think that

861  
00:41:09,320 --> 00:41:07,109  
after at the time that that these

862  
00:41:12,170 --> 00:41:09,330  
artifacts seemed to have been

863  
00:41:15,140 --> 00:41:12,180

dated back to which you know I can't

864

00:41:17,300 --> 00:41:15,150

remember now at least what 2,000 BCE or

865

00:41:20,810 --> 00:41:17,310

so you know something along those lines

866

00:41:23,470 --> 00:41:20,820

I mean do you are are you seen this

867

00:41:27,110 --> 00:41:23,480

could possibly be one of the major

868

00:41:29,840 --> 00:41:27,120

migrations for whatever reason coming

869

00:41:33,140 --> 00:41:29,850

over to North and South America yes

870

00:41:35,150 --> 00:41:33,150

absolutely I think that you know the the

871

00:41:37,340 --> 00:41:35,160

inscriptions that we find the Semitic

872

00:41:41,890 --> 00:41:37,350

inscriptions that we find are clear

873

00:41:44,990 --> 00:41:41,900

evidence of diffusion of a microwave

874

00:41:47,390 --> 00:41:45,000

group across a transatlantic crossing of

875

00:41:49,850 --> 00:41:47,400

one group from the old world to the new

876

00:41:51,710 --> 00:41:49,860

world and again I think you know this is

877

00:41:53,180 --> 00:41:51,720

problematic formation scholars go on

878

00:41:54,920 --> 00:41:53,190

with the you know the Clovis model the

879

00:41:57,680 --> 00:41:54,930

migration is view over the diffusion

880

00:41:59,900 --> 00:41:57,690

this review because you know that puts

881

00:42:01,640 --> 00:41:59,910

off that puts a whole wrench into that

882

00:42:03,350 --> 00:42:01,650

but I think you're gonna have some very

883

00:42:05,480 --> 00:42:03,360

strong evidence to submit conscription

884

00:42:09,410 --> 00:42:05,490

czar very strong evidence and mainstream

885

00:42:11,180 --> 00:42:09,420

scholars have you know you point to that

886

00:42:13,520 --> 00:42:11,190

you know they'll say oh these are just

887

00:42:15,200 --> 00:42:13,530

these are just a hoax but when you look

888

00:42:16,700 --> 00:42:15,210

at the extrinsic inscriptions closely

889

00:42:19,070 --> 00:42:16,710

and my background you know isn't

890

00:42:20,240 --> 00:42:19,080

Biblical Hebrew and in ancient languages

891

00:42:23,630 --> 00:42:20,250

when you look at the inscriptions

892

00:42:26,000 --> 00:42:23,640

closely and you just take into the into

893

00:42:28,700 --> 00:42:26,010

consideration the context in which these

894

00:42:30,530 --> 00:42:28,710

inscriptions were found before we really

895

00:42:33,410 --> 00:42:30,540

had not only before the time and really

896

00:42:36,590 --> 00:42:33,420

had knowledge of really good knowledge

897

00:42:38,420 --> 00:42:36,600

of Semitic languages you know it's

898

00:42:43,640 --> 00:42:38,430

difficult to argue that they are hoaxes

899

00:42:45,800 --> 00:42:43,650

or forgeries the the book of the Mormon

900

00:42:50,740 --> 00:42:45,810

and and I know you well well versed in

901  
00:42:53,450 --> 00:42:50,750  
that even though its origins are fairly

902  
00:42:56,990 --> 00:42:53,460  
controversial yes is there is there

903  
00:43:00,400 --> 00:42:57,000  
anything mentioned about giants in in

904  
00:43:02,240 --> 00:43:00,410  
that it's an excellent question so

905  
00:43:04,580 --> 00:43:02,250  
what's one thing that's really

906  
00:43:07,130 --> 00:43:04,590  
interesting about the Book of Mormon so

907  
00:43:09,110 --> 00:43:07,140  
the Book of Mormon tells the story of a

908  
00:43:13,910 --> 00:43:09,120  
group of Jesus in the middle from the

909  
00:43:16,670 --> 00:43:13,920  
Near East who around the late 6th

910  
00:43:19,610 --> 00:43:16,680  
century we said let's get late 7th

911  
00:43:21,890 --> 00:43:19,620  
century early 6th century migrate from

912  
00:43:23,059 --> 00:43:21,900  
Jerusalem right before is destroyed by

913  
00:43:27,880 --> 00:43:23,069

King Nebuchadnezzar and

914

00:43:33,079 --> 00:43:27,890

586 BCE to the new world and they claim

915

00:43:37,489 --> 00:43:33,089

so it's basically the guys name is Nephi

916

00:43:39,769 --> 00:43:37,499

and his his race splits up into two

917

00:43:43,279 --> 00:43:39,779

groups and he fights and the Lamanites

918

00:43:45,499 --> 00:43:43,289

and the Nephites continue not just with

919

00:43:47,630 --> 00:43:45,509

Nephi but his descendants they always

920

00:43:50,959 --> 00:43:47,640

refer to themselves as quote-unquote

921

00:43:53,749 --> 00:43:50,969

being tall in stature now this is

922

00:43:55,999 --> 00:43:53,759

interesting because when you when you

923

00:43:58,910 --> 00:43:56,009

look up that quote in the Bible Tim the

924

00:44:02,539 --> 00:43:58,920

only time that you have that phrase tall

925

00:44:07,279 --> 00:44:02,549

in stature is referring to giant peoples

926

00:44:09,430 --> 00:44:07,289

hmm so so even though the Book of Mormon

927

00:44:12,199 --> 00:44:09,440

is not used to term China specifically

928

00:44:15,380 --> 00:44:12,209

it seems to imply that these people were

929

00:44:17,809 --> 00:44:15,390

of above average height and a lot of

930

00:44:20,390 --> 00:44:17,819

people I'll just put myself in that camp

931

00:44:22,099 --> 00:44:20,400

as well a lot of people especially who

932

00:44:23,930 --> 00:44:22,109

take the model that the Book of Mormon

933

00:44:26,029 --> 00:44:23,940

is set in North America rather than

934

00:44:28,670 --> 00:44:26,039

South America is a big debate amongst

935

00:44:31,670 --> 00:44:28,680

Mormons with that would say that you

936

00:44:32,989 --> 00:44:31,680

know the the be fights and Lamanites are

937

00:44:38,630 --> 00:44:32,999

synonymous was the hope well in the

938

00:44:40,969 --> 00:44:38,640

adina-in in north america well it's a

939

00:44:43,069 --> 00:44:40,979

it's a fascinating subject and and and I

940

00:44:45,709 --> 00:44:43,079

know that we could we could talk about

941

00:44:47,870 --> 00:44:45,719

this for another couple of hours but

942

00:44:51,609 --> 00:44:47,880

unfortunately we're almost out of time

943

00:44:54,829 --> 00:44:51,619

so Adam I want to give you the chance to

944

00:44:57,650 --> 00:44:54,839

have you tell our audience where they

945

00:44:58,989 --> 00:44:57,660

can find out more about you you know do

946

00:45:02,839 --> 00:44:58,999

you have a website

947

00:45:04,279 --> 00:45:02,849

books you know you know articles that

948

00:45:05,660 --> 00:45:04,289

you may have been written about this

949

00:45:07,910 --> 00:45:05,670

subject just um

950

00:45:12,259 --> 00:45:07,920

you know now is your chance yes

951

00:45:14,779 --> 00:45:12,269

absolutely so have contribute every

952

00:45:17,259 --> 00:45:14,789

couple months to the magazine ancient

953

00:45:19,370 --> 00:45:17,269

American which is a great magazine about

954

00:45:21,109 --> 00:45:19,380

pre-columbian American history I'd

955

00:45:23,150 --> 00:45:21,119

recommend if you're interested in that I

956

00:45:25,640 --> 00:45:23,160

definitely recommend you getting a

957

00:45:30,859 --> 00:45:25,650

subscription not trying to get money

958

00:45:32,239 --> 00:45:30,869

from you guys so but I don't really get

959

00:45:34,039 --> 00:45:32,249

a lot of money from it but it's it's

960

00:45:36,240 --> 00:45:34,049

something that I love contributing to

961

00:45:39,990 --> 00:45:36,250

there's a lot of great scholars because

962

00:45:42,660 --> 00:45:40,000

that magazine I also have a couple of

963

00:45:47,640 --> 00:45:42,670

articles out on ancient American culture

964

00:45:50,040 --> 00:45:47,650

in on lost origins calm so I have an

965

00:45:51,450 --> 00:45:50,050

article that published recently on the

966

00:45:55,350 --> 00:45:51,460

mound builders and their possible

967

00:45:58,050 --> 00:45:55,360

connection to Egypt I also have an

968

00:46:01,580 --> 00:45:58,060

ancient American a couple of reviews

969

00:46:03,690 --> 00:46:01,590

I've done on Giants on ceremonial mounds

970

00:46:09,210 --> 00:46:03,700

looking at the work of Richard Dewhurst

971

00:46:11,190 --> 00:46:09,220

and the late dr. mark Leno and I have a

972

00:46:13,410 --> 00:46:11,200

Old Testament technical perspectives of

973

00:46:15,770 --> 00:46:13,420

the perspectives on the Old Testament

974

00:46:18,240 --> 00:46:15,780

doesn't talk about Giants but it's just

975

00:46:20,670 --> 00:46:18,250

one of the books that I've published I'm

976

00:46:22,230 --> 00:46:20,680

more like an academic textbook I am in

977

00:46:24,900 --> 00:46:22,240

the process of working on the book on

978

00:46:27,360 --> 00:46:24,910

giants called from Egypt to Ohio and I'm

979

00:46:31,230 --> 00:46:27,370

shopping that around right now as we

980

00:46:32,700 --> 00:46:31,240

speak I have a Facebook page it's built

981

00:46:34,560 --> 00:46:32,710

kind of public and private anybody's

982

00:46:37,200 --> 00:46:34,570

welcome to you a friend of your facebook

983

00:46:39,870 --> 00:46:37,210

I put a lot of ancient American

984

00:46:41,640 --> 00:46:39,880

civilization stuff there but you'll also

985

00:46:43,610 --> 00:46:41,650

see pictures of my kids and Star Wars

986

00:46:46,110 --> 00:46:43,620

stuff from time to time

987

00:46:47,850 --> 00:46:46,120

alright well Adam thank you very much we

988

00:46:49,800 --> 00:46:47,860

had a great time talking with tonight

989

00:46:52,320 --> 00:46:49,810

always always a fascinating subject I

990

00:46:54,570 --> 00:46:52,330

think well thank you all right well I

991

00:46:57,930 --> 00:46:54,580

just want to say though to uh this will

992

00:46:59,580 --> 00:46:57,940

be up on YouTube shortly I'm sure Peter

993

00:47:05,160 --> 00:46:59,590

will be working on it overnight and

994

00:47:07,890 --> 00:47:05,170

that's mr. UFOs secret files I think

995

00:47:11,010 --> 00:47:07,900

we're well up over 400 interviews there

996

00:47:14,070 --> 00:47:11,020

now and unfortunately one of our

997

00:47:16,500 --> 00:47:14,080

favorite magazines folded Atlantis

998

00:47:18,960 --> 00:47:16,510

rising which had quite a few articles on

999

00:47:21,990 --> 00:47:18,970

giants and magazines applause that lost

1000

00:47:24,210 --> 00:47:22,000

world cube and you know magazines just

1001  
00:47:28,440 --> 00:47:24,220  
aren't what they used to be they've gone

1002  
00:47:30,780 --> 00:47:28,450  
the way of the giants it's all right

1003  
00:47:39,230 --> 00:47:30,790
