

EXPLORING THE BIZARRE

1
00:00:37,229 --> 00:00:21,830

[Music]

2
00:00:44,180 --> 00:00:41,700

explode the bazaars or e-ticket ride

3
00:00:47,460 --> 00:00:44,190

into the world of the paranoid

4
00:00:50,479 --> 00:00:47,470

strap yourself in as we traverse the

5
00:00:56,369 --> 00:00:50,489

universe exploring the unexplained UFO

6
00:01:00,360 --> 00:00:56,379

of ghosts Lost Worlds cryptozoology as

7
00:01:04,859 --> 00:01:00,370

well as other dimensions it's time to

8
00:01:07,109 --> 00:01:04,869

take back the night now your

9
00:01:14,480 --> 00:01:07,119

electrifying hosts of exploring the

10
00:01:20,100 --> 00:01:19,080

okay where is it where is it where where

11
00:01:24,779 --> 00:01:20,110

is my precious

12
00:01:27,749 --> 00:01:24,789

Tim Tim Bentley oh I finally found you

13
00:01:33,899 --> 00:01:27,759

what what are you doing down in this

14

00:01:37,800 --> 00:01:33,909

dark and nasty cave lost lost lost lost

15

00:01:42,359 --> 00:01:37,810

lost my preciousness walk prick precious

16

00:01:45,420 --> 00:01:42,369

what precious must a precious they stole

17

00:01:49,590 --> 00:01:45,430

it from us it's ours we want it we need

18

00:01:50,310 --> 00:01:49,600

it ok ok ok calm down here oh I'll help

19

00:01:55,500 --> 00:01:50,320

you look for it

20

00:01:59,790 --> 00:01:55,510

oh wait wait here's something

21

00:02:06,060 --> 00:01:59,800

French practice oh but this is just a

22

00:02:09,240 --> 00:02:06,070

corned beef on rye sandwich no no no no

23

00:02:12,510 --> 00:02:09,250

no no no we have a show to do and you

24

00:02:18,310 --> 00:02:12,520

can have hmm you can have it

25

00:02:21,470 --> 00:02:18,320

once we Casey hmm

26
00:02:30,030 --> 00:02:25,140
stop eating the precious me not meeting

27
00:02:33,600 --> 00:02:30,040
it now no I'm like my purse I'm here in

28
00:02:36,600 --> 00:02:33,610
the case yes mmm okay that's good

29
00:02:43,710 --> 00:02:36,610
precious to him boy okay I'd rather have

30
00:02:46,650 --> 00:02:43,720
the ring need some horseradish

31
00:02:51,720 --> 00:02:46,660
I swear so how are you doing out there

32
00:02:54,150 --> 00:02:51,730
in cool and funky Jasper Indiana cool

33
00:02:56,790 --> 00:02:54,160
and funky well has it been cool and

34
00:02:59,220 --> 00:02:56,800
funky yet tomorrow it's supposed to

35
00:03:01,140 --> 00:02:59,230
start getting cool and funky but you

36
00:03:04,740 --> 00:03:01,150
know what do you expect for this time of

37
00:03:07,820 --> 00:03:04,750
year it's almost Halloween it's October

38
00:03:11,430 --> 00:03:07,830

who's Mike Mike my Christmas you know

39

00:03:14,520 --> 00:03:11,440

well you know just to put in a little

40

00:03:18,330 --> 00:03:14,530

plug here for something I seldom to

41

00:03:21,180 --> 00:03:18,340

attend affairs but this Sunday which is

42

00:03:25,290 --> 00:03:21,190

October the 13th I actually will be

43

00:03:29,250 --> 00:03:25,300

attending a fair sort of it's the Jersey

44

00:03:31,970 --> 00:03:29,260

City oddities market and it's October

45

00:03:35,940 --> 00:03:31,980

13th which is Sunday and it runs from

46

00:03:39,300 --> 00:03:35,950

noon to 6:00 of a clock and I believe

47

00:03:42,420 --> 00:03:39,310

that the location of it is the part a

48

00:03:44,729 --> 00:03:42,430

Harborside which would be down near the

49

00:03:48,350 --> 00:03:44,739

harbour and it's going to feature over

50

00:03:51,360 --> 00:03:48,360

70 artists and collectors of old and odd

51
00:03:57,060 --> 00:03:51,370
balloon twisting and special live magic

52
00:04:01,140 --> 00:03:57,070
shows and the editors of weird New

53
00:04:05,280 --> 00:04:01,150
Jersey Nina there and I have been asking

54
00:04:08,880 --> 00:04:05,290
them to come onto the show or any moon

55
00:04:09,680 --> 00:04:08,890
and I figure I will corner them while

56
00:04:12,140 --> 00:04:09,690
I'm on

57
00:04:13,700 --> 00:04:12,150
there and I'm sure they will be hustling

58
00:04:16,550 --> 00:04:13,710
their magazine which is a really good

59
00:04:19,759 --> 00:04:16,560
read I mean it's a you know of course

60
00:04:21,830 --> 00:04:19,769
it's about strange things that go on New

61
00:04:23,990 --> 00:04:21,840
Jersey but there are a lot of strange

62
00:04:26,810 --> 00:04:24,000
things that go on there having been born

63
00:04:29,780 --> 00:04:26,820

and raised there of course I know about

64

00:04:35,030 --> 00:04:29,790

them many of them and I will be there

65

00:04:39,050 --> 00:04:35,040

handing out cards to promote our show

66

00:04:41,570 --> 00:04:39,060

here exploring the bizarre because we

67

00:04:43,490 --> 00:04:41,580

still need to have people more people

68

00:04:46,520 --> 00:04:43,500

know about the program into tuned in and

69

00:04:49,430 --> 00:04:46,530

perhaps even to come on as guests so if

70

00:04:53,510 --> 00:04:49,440

you're in the area and I'm hoping maybe

71

00:04:55,190 --> 00:04:53,520

Hercules will show up in Maria the and

72

00:04:57,290 --> 00:04:55,200

Rio will be there and a couple of their

73

00:05:00,020 --> 00:04:57,300

surprise guests they're helping me hand

74

00:05:02,770 --> 00:05:00,030

out some catalogs and also perhaps we

75

00:05:07,580 --> 00:05:02,780

will see some of our listeners there and

76
00:05:10,370 --> 00:05:07,590
Carla who was the previous co-host will

77
00:05:14,030 --> 00:05:10,380
also be showing the some of the gals

78
00:05:16,610 --> 00:05:14,040
that work at her salon a balance so come

79
00:05:18,350 --> 00:05:16,620
on over and say hello it doesn't cost a

80
00:05:20,990 --> 00:05:18,360
dime although I'm sure you might find

81
00:05:23,240 --> 00:05:21,000
something magical mystical and curious

82
00:05:26,830 --> 00:05:23,250
to to purchase and take home with you

83
00:05:29,510 --> 00:05:26,840
but Tim let us get on with the evenings

84
00:05:32,870 --> 00:05:29,520
festivities because actually for me it

85
00:05:34,909 --> 00:05:32,880
is sort of a a bit of the festivity I've

86
00:05:38,180 --> 00:05:34,919
known the guests that we're going to be

87
00:05:43,310 --> 00:05:38,190
speaking with tonight for many a full

88
00:05:45,950 --> 00:05:43,320

moon in fact I met her when I was

89

00:05:47,810 --> 00:05:45,960

starting to organize and run the New

90

00:05:50,930 --> 00:05:47,820

York school of occult Arts and Sciences

91

00:05:53,450 --> 00:05:50,940

which would have been in the early 1970s

92

00:05:57,170 --> 00:05:53,460

so why don't you take it away they're in

93

00:06:00,050 --> 00:05:57,180

Jasper and tell us about our guests well

94

00:06:05,210 --> 00:06:00,060

it may will be my pleasure Tim well as

95

00:06:08,060 --> 00:06:05,220

you said Carol Linda Gonzalez is a good

96

00:06:12,200 --> 00:06:08,070

good friend of you of yours for quite a

97

00:06:14,840 --> 00:06:12,210

long time now Carol says that she's born

98

00:06:17,420 --> 00:06:14,850

and raised in Manhattan and a frequent

99

00:06:19,550 --> 00:06:17,430

traveler on the astral now since her

100

00:06:22,279 --> 00:06:19,560

early years carol had paranormal

101
00:06:22,940 --> 00:06:22,289
experiences you know is she says a

102
00:06:25,100 --> 00:06:22,950
parent

103
00:06:27,890 --> 00:06:25,110
tell you grow up forget about that but

104
00:06:28,700 --> 00:06:27,900
the experiences didn't stop and she

105
00:06:30,740 --> 00:06:28,710
didn't forget

106
00:06:32,420 --> 00:06:30,750
now she grew older she did the usual

107
00:06:35,300 --> 00:06:32,430
things with her life she's been the

108
00:06:37,310 --> 00:06:35,310
first 20 years learning through school

109
00:06:40,570 --> 00:06:37,320
then she spent years working with the

110
00:06:43,010 --> 00:06:40,580
goal of saving enough money to retire

111
00:06:45,170 --> 00:06:43,020
made a pleasant life for herself in the

112
00:06:48,170 --> 00:06:45,180
usual way now in the spiritual realm

113
00:06:51,200 --> 00:06:48,180

Carol never took her parents advises

114

00:06:52,850 --> 00:06:51,210

like a lot of us they were both the

115

00:06:54,830 --> 00:06:52,860

spiritual people and encouraged her to

116

00:06:57,470 --> 00:06:54,840

go to church and read the Bible that was

117

00:07:00,260 --> 00:06:57,480

it the plus side of that advice left her

118

00:07:03,800 --> 00:07:00,270

free to come to her own interpretations

119

00:07:06,080 --> 00:07:03,810

based on her personal experiences so now

120

00:07:07,700 --> 00:07:06,090

she says the church offered no final

121

00:07:10,030 --> 00:07:07,710

answers to the questions but it did

122

00:07:15,440 --> 00:07:10,040

serve as a springboard to other

123

00:07:18,110 --> 00:07:15,450

experiences now she found much of what

124

00:07:20,150 --> 00:07:18,120

she was looking for at is that Weiser's

125

00:07:24,560 --> 00:07:20,160

Weezer's bookstore probably both of you

126
00:07:27,800 --> 00:07:24,570
know the risers and you know what yet in

127
00:07:29,690 --> 00:07:27,810
the basement no doubt ah okay well and

128
00:07:31,640 --> 00:07:29,700
that was back in the 1970s and there

129
00:07:33,800 --> 00:07:31,650
were spiritual books from all over the

130
00:07:35,990 --> 00:07:33,810
world even more important was their

131
00:07:38,210 --> 00:07:36,000
bulletin boards and posted there were

132
00:07:40,790 --> 00:07:38,220
lectures and meetings with people who

133
00:07:43,850 --> 00:07:40,800
had plenty of interests and experiences

134
00:07:45,950 --> 00:07:43,860
in the topics that Carol wanted to learn

135
00:07:48,140 --> 00:07:45,960
about now through the years Carol had

136
00:07:50,900 --> 00:07:48,150
was an active member of the Association

137
00:07:52,970 --> 00:07:50,910
for research and enlightenment in New

138
00:07:55,880 --> 00:07:52,980

York City where she learned about Edgar

139

00:07:58,820 --> 00:07:55,890

Cayce she became a member of the Ohio

140

00:08:03,680 --> 00:07:58,830

Lodge and learned a bit about what

141

00:08:07,430 --> 00:08:03,690

Aleister Crowley did and she became am I

142

00:08:11,960 --> 00:08:07,440

gonna say this right Carol garter in

143

00:08:16,160 --> 00:08:11,970

Ian's wicked garden Aryan Thank You

144

00:08:18,950 --> 00:08:16,170

Marion Wiccan and worked with the late

145

00:08:21,860 --> 00:08:18,960

Margot Adler as well as others in that

146

00:08:24,290 --> 00:08:21,870

movement now she networked with many in

147

00:08:27,110 --> 00:08:24,300

the New York City Pagan community in the

148

00:08:30,260 --> 00:08:27,120

1990s that led her to writing an article

149

00:08:33,589 --> 00:08:30,270

for The Village Voice in 1999 about the

150

00:08:36,240 --> 00:08:33,599

Pagan community in New York still works

151

00:08:39,810 --> 00:08:36,250

with members of the fellowship of Isis

152

00:08:41,880 --> 00:08:39,820

and carol has met wonderful and not so

153

00:08:47,430 --> 00:08:41,890

wonderful people through her adventures

154

00:08:49,050 --> 00:08:47,440

in spirituality and she also is the let

155

00:08:51,900 --> 00:08:49,060

me find this on here she also manages

156

00:08:54,720 --> 00:08:51,910

the New York City area junior art Okun

157

00:08:55,830 --> 00:08:54,730

and fantasy fans so Carol welcome to

158

00:08:59,880 --> 00:08:55,840

exploring the bazaar

159

00:09:02,520 --> 00:08:59,890

hello god you got everything perfect gee

160

00:09:06,990 --> 00:09:02,530

what an introduction how much did you

161

00:09:11,760 --> 00:09:07,000

pay him for that we'll never tell well

162

00:09:15,930 --> 00:09:11,770

well you know I I know a Carol since I

163

00:09:19,800 --> 00:09:15,940

guess a the 1970s I was running an

164

00:09:22,470 --> 00:09:19,810

organization down on 14th Street at

165

00:09:24,930 --> 00:09:22,480

Greenwich Village area it was the New

166

00:09:28,320 --> 00:09:24,940

York school of occult arts and sciences

167

00:09:31,650 --> 00:09:28,330

and we were in add to the local of media

168

00:09:35,790 --> 00:09:31,660

for work we had workshops and seminars

169

00:09:39,960 --> 00:09:35,800

and seances on Saturday night at the

170

00:09:44,370 --> 00:09:39,970

midnight and one of the individuals that

171

00:09:46,260 --> 00:09:44,380

we had lecturing down for us was a very

172

00:09:47,280 --> 00:09:46,270

attractive young lady by the name of

173

00:09:50,070 --> 00:09:47,290

Wally L Mart

174

00:09:54,200 --> 00:09:50,080

who was known as the White Witch of New

175

00:09:58,620 --> 00:09:54,210

York now recently Carol our guest

176

00:10:02,130 --> 00:09:58,630

contributor day of a little memory I

177

00:10:05,250 --> 00:10:02,140

would say a chapter or a segment in the

178

00:10:08,730 --> 00:10:05,260

book the book is a David Bowie UFOs

179

00:10:10,800 --> 00:10:08,740

witchcraft cocaine and paranoia which is

180

00:10:12,930 --> 00:10:10,810

the occult saga of Wally el marked in

181

00:10:15,360 --> 00:10:12,940

rock and roll which of New York and that

182

00:10:18,030 --> 00:10:15,370

book of course is available on Amazon

183

00:10:20,250 --> 00:10:18,040

you could just probably type in Wally

184

00:10:22,260 --> 00:10:20,260

and David Bowie and the book of Komodo

185

00:10:24,810 --> 00:10:22,270

flying you know how to get all of her

186

00:10:27,120 --> 00:10:24,820

stuff but Doug how did you first find

187

00:10:29,910 --> 00:10:27,130

out about the occult Center was that the

188

00:10:31,980 --> 00:10:29,920

first place that you had gone to learn

189

00:10:34,440 --> 00:10:31,990

about the the occult was it through an

190

00:10:38,610 --> 00:10:34,450

ad in The Village Voice or some of media

191

00:10:41,370 --> 00:10:38,620

no there was a woman I knew named Betty

192

00:10:45,300 --> 00:10:41,380

Rubel and Betty knew you and talked

193

00:10:47,550 --> 00:10:45,310

about you your interest in UFOs I was in

194

00:10:50,000 --> 00:10:47,560

a search for God group which is a Edgar

195

00:10:53,450 --> 00:10:50,010

Cayce group and he would talk about

196

00:10:56,780 --> 00:10:53,460

- now I think I came across something at

197

00:10:59,900 --> 00:10:56,790

wisest because that was the place - to

198

00:11:02,450 --> 00:10:59,910

network and to find where to go and I

199

00:11:05,900 --> 00:11:02,460

was very interested now at the time what

200

00:11:08,510 --> 00:11:05,910

the first time I went I really was

201
00:11:11,330 --> 00:11:08,520
interested in the spiritual aspect so

202
00:11:13,010 --> 00:11:11,340
while he was really a presence and I

203
00:11:15,710 --> 00:11:13,020
never forgot her I didn't know all that

204
00:11:19,490 --> 00:11:15,720
much about her except that I thought she

205
00:11:21,830 --> 00:11:19,500
was marvelous and amazing and I never

206
00:11:26,090 --> 00:11:21,840
forgot him every time I would speak to

207
00:11:31,940 --> 00:11:26,100
you I'd ask after her but I also later

208
00:11:36,260 --> 00:11:31,950
on had a UFO sighting so that well what

209
00:11:40,130 --> 00:11:36,270
was that all about Windows in 1972 in

210
00:11:43,550 --> 00:11:40,140
Brooklyn and there was at the time a

211
00:11:45,890 --> 00:11:43,560
flap a lot of people who saw it later on

212
00:11:50,240 --> 00:11:45,900
I did meet people who saw the same thing

213
00:11:53,150 --> 00:11:50,250

in the same area and there was a an

214

00:11:55,910 --> 00:11:53,160

article in The Village Voice about this

215

00:11:59,420 --> 00:11:55,920

flap that was going on and it asked for

216

00:12:02,420 --> 00:11:59,430

people to report it so I reported it but

217

00:12:05,030 --> 00:12:02,430

I never forgot it it was very strange it

218

00:12:07,340 --> 00:12:05,040

was I walked out in the middle of the

219

00:12:09,770 --> 00:12:07,350

street at night just because it was warm

220

00:12:12,020 --> 00:12:09,780

just to get some air and the the

221

00:12:15,140 --> 00:12:12,030

atmosphere changed although the lights

222

00:12:17,600 --> 00:12:15,150

went out and this thing fell out of the

223

00:12:20,810 --> 00:12:17,610

sky I could even see a pattern on it and

224

00:12:23,120 --> 00:12:20,820

it moved it did a 90 degree turn and

225

00:12:26,600 --> 00:12:23,130

moved away and it was so fast I thought

226

00:12:29,000 --> 00:12:26,610

I imagined it but years later I did meet

227

00:12:31,850 --> 00:12:29,010

people who saw the same thing in the

228

00:12:34,640 --> 00:12:31,860

same area that was my interest in in

229

00:12:37,640 --> 00:12:34,650

flying saucers and UFOs and I remember I

230

00:12:41,300 --> 00:12:37,650

would walk along 47th Street I think it

231

00:12:45,740 --> 00:12:41,310

was and you there was a I thought it was

232

00:12:48,650 --> 00:12:45,750

called flying saucer news but no it was

233

00:12:52,580 --> 00:12:48,660

a flying saucer news bookstore and

234

00:12:54,740 --> 00:12:52,590

prosperity clinic it was a little

235

00:12:57,800 --> 00:12:54,750

bookstore there that had moved from

236

00:13:01,160 --> 00:12:57,810

Spanish Harlem like 96th Street and and

237

00:13:03,080 --> 00:13:01,170

moved over to the the west side I guess

238

00:13:03,920 --> 00:13:03,090

it's kind of on the fringes of hell's

239

00:13:06,940 --> 00:13:03,930

the

240

00:13:10,070 --> 00:13:06,950

kitchen and show business right right

241

00:13:12,110 --> 00:13:10,080

yeah and and a little mat a little fella

242

00:13:14,420 --> 00:13:12,120

to read the gym rig burg kept very

243

00:13:18,650 --> 00:13:14,430

strange out hours because I think for a

244

00:13:20,570 --> 00:13:18,660

while he did have a another job well I

245

00:13:22,100 --> 00:13:20,580

wouldn't say there was a you know a

246

00:13:26,120 --> 00:13:22,110

part-time effort because he did put out

247

00:13:28,490 --> 00:13:26,130

a little a newsletter as well but he had

248

00:13:31,310 --> 00:13:28,500

a small collection of books and sold

249

00:13:33,890 --> 00:13:31,320

incense and talismans and hmm I guess

250

00:13:36,700 --> 00:13:33,900

other people knew about the his his

251

00:13:39,890 --> 00:13:36,710

place of course he's been deceased for a

252

00:13:43,130 --> 00:13:39,900

quite a number of years but he was a he

253

00:13:46,700 --> 00:13:43,140

was an early character in the UFO as a

254

00:13:49,280 --> 00:13:46,710

senior in New York by by all means you

255

00:13:53,480 --> 00:13:49,290

know I would pass by there every week

256

00:13:57,560 --> 00:13:53,490

and I would see it and I I know that you

257

00:14:00,560 --> 00:13:57,570

did a UFO conference at the hotel

258

00:14:03,230 --> 00:14:00,570

Commodore well that way yeah Jim Mosely

259

00:14:05,330 --> 00:14:03,240

actually organized the that one now a

260

00:14:08,480 --> 00:14:05,340

Jim was like the head honcho in

261

00:14:13,880 --> 00:14:08,490

Manhattan anymore is UFO scene went and

262

00:14:16,910 --> 00:14:13,890

I had first met Jim I guess around 1965

263

00:14:21,530 --> 00:14:16,920

or so I I was just uh a budding a

264

00:14:24,110 --> 00:14:21,540

teenager yeah yeah a boy I would

265

00:14:26,840 --> 00:14:24,120

certainly not have grown up now and that

266

00:14:28,850 --> 00:14:26,850

avoiding were unfortunately but I would

267

00:14:31,790 --> 00:14:28,860

take the bus over from my home in New

268

00:14:33,800 --> 00:14:31,800

Jersey and go to one of the hotels where

269

00:14:36,380 --> 00:14:33,810

he had his meeting a long time square in

270

00:14:38,600 --> 00:14:36,390

those days you can rent a a little of

271

00:14:41,840 --> 00:14:38,610

room with maybe 50 or 60 folding chairs

272

00:14:44,480 --> 00:14:41,850

at it for for you know \$25 for the night

273

00:14:46,310 --> 00:14:44,490

you can imagine what they charge now but

274

00:14:48,890 --> 00:14:46,320

he would have some of the top notch as

275

00:14:50,690 --> 00:14:48,900

speakers on the subject some of his

276

00:14:53,180 --> 00:14:50,700

speakers would appear on the Long John

277

00:14:55,160 --> 00:14:53,190

Neville talk show on the Marty like the

278

00:14:56,750 --> 00:14:55,170

night before and and he would sometimes

279

00:15:00,470 --> 00:14:56,760

get a crowd maybe a couple hundred

280

00:15:04,100 --> 00:15:00,480

people gray Barker Ivan T Sanderson and

281

00:15:06,320 --> 00:15:04,110

I somehow I worked my way up through the

282

00:15:08,840 --> 00:15:06,330

front door and became a a Jim's

283

00:15:12,650 --> 00:15:08,850

assistant I helped him you know Cynthia

284

00:15:15,860 --> 00:15:12,660

the chairs and a type out the the Flyers

285

00:15:17,250 --> 00:15:15,870

and he had an interesting organization

286

00:15:21,360 --> 00:15:17,260

and

287

00:15:24,090 --> 00:15:21,370

then in 1967 he had the largest indoor

288

00:15:28,710 --> 00:15:24,100

UFO conference or convention at the

289

00:15:32,820 --> 00:15:28,720

hotel Commodore which is now Trump one

290

00:15:35,930 --> 00:15:32,830

of the building I think and I had a vibe

291

00:15:39,720 --> 00:15:35,940

Ennis the lady from another planet and

292

00:15:42,870 --> 00:15:39,730

the Roy Thinnes who was the the star of

293

00:15:45,360 --> 00:15:42,880

the TV show the invaders and Howard

294

00:15:48,780 --> 00:15:45,370

mentor spoke and that's the first time

295

00:15:50,550 --> 00:15:48,790

that I even met Brad Steiger and and

296

00:15:53,670 --> 00:15:50,560

then after he kind of gave up and moved

297

00:15:56,490 --> 00:15:53,680

to or to Florida I took over having

298

00:15:59,270 --> 00:15:56,500

having a meetings we would rent places

299

00:16:01,980 --> 00:15:59,280

around time must square like the Wilkey

300

00:16:04,560 --> 00:16:01,990

Memorial Building and you know we had a

301
00:16:07,050 --> 00:16:04,570
little of venues and then we opened the

302
00:16:10,410 --> 00:16:07,060
occult Center down on 14th Street it was

303
00:16:13,710 --> 00:16:10,420
a lot of 2,200 put swea loft with about

304
00:16:16,560 --> 00:16:13,720
50 chairs in front that some room in the

305
00:16:18,690 --> 00:16:16,570
back we'd have a set a nice a Anse with

306
00:16:21,450 --> 00:16:18,700
the kiddie you steal and while he was

307
00:16:23,010 --> 00:16:21,460
one of the lecturers and you remember

308
00:16:26,370 --> 00:16:23,020
some of the other people that spoke that

309
00:16:31,530 --> 00:16:26,380
you I remember going to Wally's

310
00:16:35,460 --> 00:16:31,540
apartment yes that's where I went to

311
00:16:38,940 --> 00:16:35,470
some of the events I remember but she

312
00:16:43,920 --> 00:16:38,950
had a magic circle at the door yes I

313
00:16:45,510 --> 00:16:43,930

hear magic yes yes she was I just

314

00:16:49,620 --> 00:16:45,520

thought she was amazing I mean what was

315

00:16:53,310 --> 00:16:49,630

I 18 and that was this beautiful warring

316

00:16:55,290 --> 00:16:53,320

mystical person so I was interested in

317

00:16:58,340 --> 00:16:55,300

that I didn't really get interested in

318

00:17:00,570 --> 00:16:58,350

the more intellectual aspects of

319

00:17:03,870 --> 00:17:00,580

ceremonial magic and some of the other

320

00:17:06,720 --> 00:17:03,880

things that I later on came to read

321

00:17:11,070 --> 00:17:06,730

about and learn a bit about but in those

322

00:17:13,830 --> 00:17:11,080

days magical she was at the candle magic

323

00:17:17,070 --> 00:17:13,840

and as you did to attend some of the

324

00:17:19,530 --> 00:17:17,080

seances that the a Clifford Tobias gave

325

00:17:23,520 --> 00:17:19,540

over at the I remember district right

326

00:17:25,230 --> 00:17:23,530

yeah the in Soniya was the the

327

00:17:29,040 --> 00:17:25,240

headquarters for the spiritualist

328

00:17:31,560 --> 00:17:29,050

movement days I think every year Sunday

329

00:17:35,129 --> 00:17:31,570

afternoon they had a spiritual

330

00:17:37,649 --> 00:17:35,139

yeah services yeah yeah and I wish I

331

00:17:40,230 --> 00:17:37,659

wanted oh yeah in fact Carol Rodriguez

332

00:17:42,779 --> 00:17:40,240

the gal who works from the for me to

333

00:17:45,269 --> 00:17:42,789

this day my assistant here she went to a

334

00:17:48,269 --> 00:17:45,279

seance that Clifford abayas

335

00:17:49,999 --> 00:17:48,279

gave she speaks of him very highly in

336

00:17:52,799 --> 00:17:50,009

fact she mentions the incident in the

337

00:17:55,019 --> 00:17:52,809

the book about Wally where she actually

338

00:17:58,799 --> 00:17:55,029

heard her dog come through she

339

00:18:01,080 --> 00:17:58,809

recognizes for our kids and so forth so

340

00:18:03,950 --> 00:18:01,090

okay so you you took classes of the

341

00:18:07,529 --> 00:18:03,960

occult Center and attended while he's a

342

00:18:09,600 --> 00:18:07,539

lecture how what did you where did you

343

00:18:13,110 --> 00:18:09,610

proceed after that and what do after

344

00:18:16,649 --> 00:18:13,120

that it was Wiser's Weiser's and all the

345

00:18:19,860 --> 00:18:16,659

fabulous stuff on the bulletin board you

346

00:18:23,700 --> 00:18:19,870

would go into the Isles advisors and you

347

00:18:26,129 --> 00:18:23,710

could hear people talking about remember

348

00:18:29,970 --> 00:18:26,139

I heard them talking about this man who

349

00:18:32,580 --> 00:18:29,980

was visiting in from wherever it was he

350

00:18:35,399 --> 00:18:32,590

was in Long Island and then was Israel

351
00:18:37,889 --> 00:18:35,409
Regardie and he had known Crowley should

352
00:18:40,740 --> 00:18:37,899
hear all these interesting conversations

353
00:18:43,560 --> 00:18:40,750
in the Isles I remember the first book I

354
00:18:45,090 --> 00:18:43,570
saw they had an alpha witchcraft and I

355
00:18:47,759 --> 00:18:45,100
was interested in that at the time

356
00:18:50,480 --> 00:18:47,769
Gerald Gardner stuff the first book I

357
00:18:54,119 --> 00:18:50,490
saw was this little pamphlet and it said

358
00:18:55,860 --> 00:18:54,129
cursive inverses with by a man called

359
00:18:59,430 --> 00:18:55,870
Leo Martel oh I don't know if you've

360
00:19:02,850 --> 00:18:59,440
ever heard of him oh I knew Leo he was

361
00:19:06,539 --> 00:19:02,860
yeah a good friend of witch hazel which

362
00:19:09,119 --> 00:19:06,549
I know sounds like a put-on oh yeah yeah

363
00:19:11,039 --> 00:19:09,129

she was a real person in fact she once

364

00:19:15,269 --> 00:19:11,049

showed me her driver's license she had

365

00:19:17,759 --> 00:19:15,279

her name eliminated yeah now while he

366

00:19:20,070 --> 00:19:17,769

was the White Witch of New York she

367

00:19:23,029 --> 00:19:20,080

would had a very positive attitude

368

00:19:26,190 --> 00:19:23,039

toward yes would never put a curse on

369

00:19:28,560 --> 00:19:26,200

anybody witch hazel on the other other

370

00:19:33,539 --> 00:19:28,570

hand had a little bit more of a dark

371

00:19:35,610 --> 00:19:33,549

side to her she would cast if she didn't

372

00:19:38,730 --> 00:19:35,620

like it she you know kick you in the

373

00:19:42,210 --> 00:19:38,740

shins are doing spelling yeah I I do i I

374

00:19:45,420 --> 00:19:42,220

do believe but we never mind like that

375

00:19:47,490 --> 00:19:45,430

yeah yeah well we yeah oh he was yes he

376

00:19:49,350 --> 00:19:47,500

certainly was he was the the first gay

377

00:19:54,930 --> 00:19:49,360

which that I know of and he was very

378

00:19:56,670 --> 00:19:54,940

outspoken yeah yeah by all the means in

379

00:19:58,020 --> 00:19:56,680

fact he wrote a paperback book which I

380

00:20:02,520 --> 00:19:58,030

don't remember the title of it it's

381

00:20:04,800 --> 00:20:02,530

probably difficult to to define but okay

382

00:20:06,720 --> 00:20:04,810

so you did you actually become a witch I

383

00:20:10,640 --> 00:20:06,730

mean would you consider yourself well

384

00:20:13,680 --> 00:20:10,650

well this I was for many years I became

385

00:20:15,720 --> 00:20:13,690

see there are different strains of a

386

00:20:18,240 --> 00:20:15,730

culture in New York City at that time

387

00:20:20,940 --> 00:20:18,250

you had like the OTO people that were in

388

00:20:22,860 --> 00:20:20,950

the clubs yeah there was a place they

389

00:20:31,020 --> 00:20:22,870

called no I think they would hang out

390

00:20:34,980 --> 00:20:31,030

yeah yeah Peter Levin doe Levin de was

391

00:20:38,550 --> 00:20:34,990

part of that gurney and Jim Watson who

392

00:20:41,730 --> 00:20:38,560

wrote a great book that talks about the

393

00:20:44,670 --> 00:20:41,740

the early formation of the Tod Lodge in

394

00:20:47,550 --> 00:20:44,680

New York City that was one string but

395

00:20:50,340 --> 00:20:47,560

then you had like through garden Aryan

396

00:20:53,430 --> 00:20:50,350

Wicca coming out of Long Island with

397

00:20:56,250 --> 00:20:53,440

Raymond Buckland people oh yeah yeah you

398

00:20:57,540 --> 00:20:56,260

had another string that came through

399

00:21:01,830 --> 00:20:57,550

margo atler

400

00:21:03,450 --> 00:21:01,840

and within that little mess or mish-mosh

401
00:21:06,210 --> 00:21:03,460
i don't know how to explain it

402
00:21:09,300 --> 00:21:06,220
there was Herman's later at the warlock

403
00:21:12,840 --> 00:21:09,310
shop later the magical child what it

404
00:21:15,540 --> 00:21:12,850
what a character yeah by all means it he

405
00:21:19,790 --> 00:21:15,550
used to carry all our books there and he

406
00:21:29,070 --> 00:21:24,660
bookshelves yeah yeah we sold everything

407
00:21:33,170 --> 00:21:29,080
I mean capes to perform you know satanic

408
00:21:36,660 --> 00:21:33,180
rituals and crystal balls tarot cards

409
00:21:38,490 --> 00:21:36,670
oils and enough herbs that when you came

410
00:21:40,440 --> 00:21:38,500
into the shop you'd know exactly what

411
00:21:43,590 --> 00:21:40,450
you were smelling yes yes and in the

412
00:21:46,980 --> 00:21:43,600
back he had the OTO would meet he had

413
00:21:49,800 --> 00:21:46,990

people who supposedly the Necronomicon

414

00:21:52,650 --> 00:21:49,810

was written back there in one of their

415

00:21:55,620 --> 00:21:52,660

rituals so you had that strange but I

416

00:21:59,160 --> 00:21:55,630

was more interested in this wholesome

417

00:22:02,130 --> 00:21:59,170

gerald gardner from the brit the british

418

00:22:06,570 --> 00:22:02,140

the British strain of Wicca and that

419

00:22:09,150 --> 00:22:06,580

came through margo atler now Margo Abbot

420

00:22:11,010 --> 00:22:09,160

was the big witch in the 70s and 80s and

421

00:22:13,440 --> 00:22:11,020

after that came a woman called Judy

422

00:22:15,990 --> 00:22:13,450

Harrow who wrote some good books and

423

00:22:19,530 --> 00:22:16,000

after that we had something called New

424

00:22:22,740 --> 00:22:19,540

Moon New York and in the 1990s which was

425

00:22:24,060 --> 00:22:22,750

a network group of different pagan

426

00:22:27,750 --> 00:22:24,070

groups in the area

427

00:22:30,030 --> 00:22:27,760

so that I was involved with all that I

428

00:22:32,820 --> 00:22:30,040

was looking the first time I actually

429

00:22:34,530 --> 00:22:32,830

had an opportunity to go to a circle was

430

00:22:36,330 --> 00:22:34,540

through something called our pagan times

431

00:22:38,310 --> 00:22:36,340

which was a little newsletter was a

432

00:22:41,790 --> 00:22:38,320

great newsletter and I got involved with

433

00:22:43,770 --> 00:22:41,800

that and then I moved on I'm still

434

00:22:45,720 --> 00:22:43,780

involved through the fellowship of Isis

435

00:22:48,960 --> 00:22:45,730

which is a very different kind of group

436

00:22:52,140 --> 00:22:48,970

more eclectic and founded by Olivia

437

00:22:54,750 --> 00:22:52,150

Robertson Lady Olivia Robertson in

438

00:22:56,850 --> 00:22:54,760

Ireland and a castle very lovely person

439

00:22:58,710 --> 00:22:56,860

lovely people I can't say anything

440

00:23:03,570 --> 00:22:58,720

negative about anyone I've met through

441

00:23:06,570 --> 00:23:03,580

that and we we get together we go and

442

00:23:08,490 --> 00:23:06,580

talk about general spiritual matters so

443

00:23:11,520 --> 00:23:08,500

I kind of evolved into different things

444

00:23:14,250 --> 00:23:11,530

the öto was important I think because

445

00:23:16,740 --> 00:23:14,260

that Lister Crowley is a name that you

446

00:23:18,810 --> 00:23:16,750

hear you hear all kinds of things about

447

00:23:21,480 --> 00:23:18,820

him but what do you really know that he

448

00:23:24,150 --> 00:23:21,490

teaches you know so you want to go and

449

00:23:27,780 --> 00:23:24,160

you want to read about his teachings his

450

00:23:31,440 --> 00:23:27,790

ideas he wasn't all satanic he was a

451
00:23:33,420 --> 00:23:31,450
magician but it wasn't what people think

452
00:23:36,240 --> 00:23:33,430
of horns and the Devils a church of

453
00:23:38,850 --> 00:23:36,250
Saint yeah it was a very intellectual

454
00:23:42,480 --> 00:23:38,860
path actually with some very beautiful

455
00:23:45,600 --> 00:23:42,490
writing that he did but he also like he

456
00:23:49,230 --> 00:23:45,610
also liked the attention that yeah yeah

457
00:23:52,470 --> 00:23:49,240
yeah by a by all means he was the the in

458
00:23:58,350 --> 00:23:52,480
a sense the PT Barnum of the Hilton is

459
00:24:02,630 --> 00:23:58,360
it is nearby oh yeah yep I'll believe it

460
00:24:06,690 --> 00:24:02,640
do I hear the the use of the commercial

461
00:24:09,390 --> 00:24:06,700
break coming upon us so we'll be out of

462
00:24:11,580 --> 00:24:09,400
here for just a minute or two and then

463
00:24:12,690 --> 00:24:11,590

we'll be back with our very fascinating

464

00:24:15,750 --> 00:24:12,700

guest I've this

465

00:24:17,370 --> 00:24:15,760

like homecoming at night for me I I

466

00:24:19,320 --> 00:24:17,380

haven't talked really to anyone about

467

00:24:23,580 --> 00:24:19,330

the occult center in all the early days

468

00:24:32,370 --> 00:24:23,590

of the company like enough a long time

469

00:24:39,100 --> 00:24:36,520

now back to exploring the bazaars with

470

00:24:42,100 --> 00:24:39,110

two of the most electrifying researchers

471

00:24:48,100 --> 00:24:42,110

in the Paranoid your hosts Timothy

472

00:24:50,020 --> 00:24:48,110

beckoning Anton lists we welcome back to

473

00:24:52,960 --> 00:24:50,030

explore in the bazaar I'm Tim Schwarz

474

00:24:56,410 --> 00:24:52,970

tonight we were talking with Carol Linda

475

00:24:58,300 --> 00:24:56,420

Gonzalez and Carol you had mentioned at

476

00:25:00,430 --> 00:24:58,310

the during the first segment that you

477

00:25:03,540 --> 00:25:00,440

wrote an article for The Village Voice

478

00:25:06,610 --> 00:25:03,550

and 1999 what was that article about

479

00:25:09,220 --> 00:25:06,620

well it was about the different groups

480

00:25:13,240 --> 00:25:09,230

that were active in New York City at the

481

00:25:16,450 --> 00:25:13,250

time we're pagans gather we had candle

482

00:25:17,260 --> 00:25:16,460

therapy other worldly waxes Morgana's

483

00:25:19,330 --> 00:25:17,270

chamber

484

00:25:21,760 --> 00:25:19,340

Robert Pratt had a group of course

485

00:25:24,670 --> 00:25:21,770

enchantments which is still there under

486

00:25:27,190 --> 00:25:24,680

different management the right even the

487

00:25:28,780 --> 00:25:27,200

radical fairies were mentioned New Moon

488

00:25:30,490 --> 00:25:28,790

New York there are different groups that

489

00:25:33,430 --> 00:25:30,500

were meeting around New York City that's

490

00:25:36,370 --> 00:25:33,440

what it was about and at the time there

491

00:25:39,010 --> 00:25:36,380

was nothing like that I was told by the

492

00:25:44,380 --> 00:25:39,020

Village Voice editor they did in a

493

00:25:47,140 --> 00:25:44,390

feature on alternative religions so this

494

00:25:49,630 --> 00:25:47,150

was the pagans it was a section for sunt

495

00:25:54,040 --> 00:25:49,640

area there was a section for something

496

00:25:59,350 --> 00:25:54,050

else too so that's what it was about so

497

00:26:01,780 --> 00:25:59,360

now how how his times changed since then

498

00:26:05,110 --> 00:26:01,790

when you know you you had all of these

499

00:26:07,480 --> 00:26:05,120

these groups really active and you were

500

00:26:11,050 --> 00:26:07,490

talking about the the bookstore bulletin

501
00:26:16,060 --> 00:26:11,060
board and so you know here we are now in

502
00:26:18,100 --> 00:26:16,070
the the 21st century I mean is this are

503
00:26:20,650 --> 00:26:18,110
these groups still active are they still

504
00:26:23,080 --> 00:26:20,660
meeting or his times really change that

505
00:26:26,380 --> 00:26:23,090
much for everyone well some of them are

506
00:26:28,240 --> 00:26:26,390
but the majority or not it's very

507
00:26:30,850 --> 00:26:28,250
different now some of the groups that

508
00:26:32,980 --> 00:26:30,860
they have a [h__\h]

509
00:26:36,670 --> 00:26:32,990
oh these groups are there to make money

510
00:26:39,730 --> 00:26:36,680
and one of the differences at the time

511
00:26:39,910 --> 00:26:39,740
when I was do when I was involved was we

512
00:26:44,670 --> 00:26:39,920
were

513
00:26:47,350 --> 00:26:44,680

share experiences try to answer

514

00:26:49,990 --> 00:26:47,360

questions or mysteries that we came

515

00:26:52,570 --> 00:26:50,000

across as I had mentioned I was a good

516

00:26:55,360 --> 00:26:52,580

churchgoer and I had had all these

517

00:26:59,320 --> 00:26:55,370

experiences but when I asked they didn't

518

00:27:02,470 --> 00:26:59,330

really have answers that made sense to

519

00:27:04,600 --> 00:27:02,480

me so I went off on my own

520

00:27:06,430 --> 00:27:04,610

to learn on my own and that was really

521

00:27:08,890 --> 00:27:06,440

what the what these groups were about

522

00:27:10,960 --> 00:27:08,900

the thing about Wicca at the time was it

523

00:27:14,070 --> 00:27:10,970

the ritual is very beautiful it's a very

524

00:27:17,410 --> 00:27:14,080

lovely ritual it's lovely to share

525

00:27:19,090 --> 00:27:17,420

people got bored with it because it's

526

00:27:21,670 --> 00:27:19,100

the same thing after a while but the

527

00:27:24,250 --> 00:27:21,680

when you do it like that repetitively it

528

00:27:27,880 --> 00:27:24,260

has a power of its own that creates an

529

00:27:28,630 --> 00:27:27,890

energy of fellowship and and and it was

530

00:27:31,300 --> 00:27:28,640

just lovely

531

00:27:34,210 --> 00:27:31,310

but then you had other groups that are a

532

00:27:37,750 --> 00:27:34,220

little more dark as Tim mentioned in the

533

00:27:40,120 --> 00:27:37,760

first segment so you dealt with them

534

00:27:42,160 --> 00:27:40,130

there were different paths that's what

535

00:27:44,260 --> 00:27:42,170

the groups were about the ones I

536

00:27:47,770 --> 00:27:44,270

mentioned were all pretty much positive

537

00:27:50,470 --> 00:27:47,780

group you talked about your own personal

538

00:27:53,320 --> 00:27:50,480

experiences when when you were younger

539

00:27:55,570 --> 00:27:53,330

do you would you care to share some of

540

00:27:57,550 --> 00:27:55,580

those with us sure I'll give you one the

541

00:28:01,330 --> 00:27:57,560

very first one I remember I was a little

542

00:28:03,730 --> 00:28:01,340

girl mmm I was asleep and I woke up in

543

00:28:07,510 --> 00:28:03,740

the middle of the night and I see a man

544

00:28:10,090 --> 00:28:07,520

standing at the door and I get up and I

545

00:28:12,310 --> 00:28:10,100

said daddy I remember him very clearly

546

00:28:15,100 --> 00:28:12,320

had a smile and he had the shocks white

547

00:28:17,470 --> 00:28:15,110

hair that was loose and I ran to the

548

00:28:19,990 --> 00:28:17,480

door so Daddy and I when I got there

549

00:28:22,540 --> 00:28:20,000

there was nobody there but I had seen

550

00:28:25,270 --> 00:28:22,550

him like three-dimensional as clear as

551

00:28:27,730 --> 00:28:25,280

day and I've had experiences like that

552

00:28:28,630 --> 00:28:27,740

throughout my life growing up dreams

553

00:28:31,870 --> 00:28:28,640

that come true

554

00:28:34,470 --> 00:28:31,880

see when answers in Bible class they

555

00:28:36,880 --> 00:28:34,480

talked about Joseph's dreams and his

556

00:28:42,370 --> 00:28:36,890

interpretations I wanted answers like

557

00:28:45,520 --> 00:28:42,380

that fade in heaven oh yeah it's it

558

00:28:48,100 --> 00:28:45,530

seems like that with the the church

559

00:28:50,140 --> 00:28:48,110

especially you know like well yeah

560

00:28:52,720 --> 00:28:50,150

Joseph Joseph can have these dreams but

561

00:28:53,830 --> 00:28:52,730

you know if you have them then you know

562

00:29:02,200 --> 00:28:53,840

it's probably the devil

563

00:29:05,230 --> 00:29:02,210

yeah yeah so I think that a lot of

564

00:29:09,190 --> 00:29:05,240

people who maybe listen to this their

565

00:29:12,970 --> 00:29:09,200

you know their concept of say like you

566

00:29:16,480 --> 00:29:12,980

know Wiccan or witchcraft you know that

567

00:29:20,050 --> 00:29:16,490

sort of thing could either go with like

568

00:29:21,820 --> 00:29:20,060

maybe the the books they ran as a

569

00:29:25,330 --> 00:29:21,830

teenager you know how to be a teenage

570

00:29:27,250 --> 00:29:25,340

witch - you know bubble bubble toil and

571

00:29:32,770 --> 00:29:27,260

trouble and writing around on on a

572

00:29:34,600 --> 00:29:32,780

broomstick so you know what if you had

573

00:29:36,280 --> 00:29:34,610

you know and you do you you know you

574

00:29:38,020 --> 00:29:36,290

have this opportunity what's tool you

575

00:29:42,340 --> 00:29:38,030

know what's the difference I mean what

576

00:29:45,310 --> 00:29:42,350

you know what's the reality well in

577

00:29:47,740 --> 00:29:45,320

terms of what I think there are groups

578

00:29:49,900 --> 00:29:47,750

like our double double toil and trouble

579

00:29:53,440 --> 00:29:49,910

there are groups like that and if you

580

00:29:55,900 --> 00:29:53,450

are open to if you're psychic you have

581

00:29:58,360 --> 00:29:55,910

any kind of spiritual sensitivity you're

582

00:30:01,270 --> 00:29:58,370

going to you could be attracted to

583

00:30:04,870 --> 00:30:01,280

something very negative with negative

584

00:30:08,830 --> 00:30:04,880

people I met a few along the along the

585

00:30:11,680 --> 00:30:08,840

way people who use you and you can tell

586

00:30:14,320 --> 00:30:11,690

I I won't go into details but you can

587

00:30:16,270 --> 00:30:14,330

tell when you're in a group of people

588

00:30:18,820 --> 00:30:16,280

that are somewhat negative and you want

589

00:30:22,570 --> 00:30:18,830

to pull away from them they they drain

590

00:30:24,850 --> 00:30:22,580

you and they there things happen to you

591

00:30:26,740 --> 00:30:24,860

that are very negative bad and you want

592

00:30:28,860 --> 00:30:26,750

to get away from them and then you have

593

00:30:31,900 --> 00:30:28,870

wonderful people on the Westside when

594

00:30:34,020 --> 00:30:31,910

Tim was talking about Clifford bias

595

00:30:37,060 --> 00:30:34,030

there were all these wonderful groups

596

00:30:40,990 --> 00:30:37,070

along in on Manhattan's West Side there

597

00:30:43,330 --> 00:30:41,000

was the Cathedral of st. John the Divine

598

00:30:45,850 --> 00:30:43,340

there was there were people that would

599

00:30:48,790 --> 00:30:45,860

meet on a weekly basis

600

00:30:51,730 --> 00:30:48,800

there was a woman Col Marlene that I

601
00:30:56,290 --> 00:30:51,740
knew on the west side and she was said

602
00:30:59,680 --> 00:30:56,300
to have met what was John Lennon's wife

603
00:31:03,370 --> 00:30:59,690
oko yono yeah they lived they lived on

604
00:31:07,690 --> 00:31:03,380
the same street she had some abilities

605
00:31:11,370 --> 00:31:07,700
and ethel myers who had told her work

606
00:31:15,160 --> 00:31:11,380
was on 73rd Street they were all on 73rd

607
00:31:16,960 --> 00:31:15,170
she was just on TV last week - yeah Oh

608
00:31:20,910 --> 00:31:16,970
Graham on the Travel Channel

609
00:31:24,400 --> 00:31:20,920
yeah with would Davis writer of first

610
00:31:27,870 --> 00:31:24,410
darkness radio right friend of ours and

611
00:31:31,030 --> 00:31:27,880
they had some of honza's old home movies

612
00:31:32,680 --> 00:31:31,040
yeah he was she he worked with those

613
00:31:36,040 --> 00:31:32,690

short robins as well who used the

614

00:31:39,310 --> 00:31:36,050

lecture for us all the time I met her

615

00:31:42,220 --> 00:31:39,320

but I had readings from Ethel Myers they

616

00:31:44,830 --> 00:31:42,230

were all on 73rd Street between Broadway

617

00:31:47,050 --> 00:31:44,840

you know where the Ansonia is all along

618

00:31:51,270 --> 00:31:47,060

that Street yeah they let it all go

619

00:31:54,370 --> 00:31:51,280

upstairs upstairs - there was a - ladies

620

00:31:57,790 --> 00:31:54,380

earth dog I think her name was and they

621

00:32:01,840 --> 00:31:57,800

used to they used to have lectures they

622

00:32:06,130 --> 00:32:01,850

had what was the fellow from California

623

00:32:11,680 --> 00:32:06,140

that wrote the book on Oh the Masons

624

00:32:16,450 --> 00:32:11,690

heavy set guy who he was manning I can't

625

00:32:20,440 --> 00:32:16,460

Jesus my my mind and motivation

626

00:32:23,190 --> 00:32:20,450

no I can't remember his name but very

627

00:32:26,470 --> 00:32:23,200

well they'll elect a nun lecture on the

628

00:32:31,000 --> 00:32:26,480

Masonic Order yeah but it was like a

629

00:32:33,340 --> 00:32:31,010

thousand pages that the wisdom bound

630

00:32:38,740 --> 00:32:33,350

with the gold leaf and everything to

631

00:32:42,190 --> 00:32:38,750

Linden not merrily Palmer not man oh I

632

00:32:46,270 --> 00:32:42,200

thought he was okay I didn't know he was

633

00:32:48,640 --> 00:32:46,280

that alive that late oh my goodness yes

634

00:32:51,310 --> 00:32:48,650

I know I don't remember what it must

635

00:32:55,180 --> 00:32:51,320

have been in the early 70s because they

636

00:32:58,870 --> 00:32:55,190

had a place of us there's the two ladies

637

00:33:01,660 --> 00:32:58,880

they had a huge gong in the you know by

638

00:33:04,420 --> 00:33:01,670

the the podium and when they started the

639

00:33:08,260 --> 00:33:04,430

talk they would you know bang the gong

640

00:33:09,940 --> 00:33:08,270

which would really really loud they had

641

00:33:12,400 --> 00:33:09,950

another fellow there from I think from

642

00:33:14,770 --> 00:33:12,410

England or New Zealand who always gave

643

00:33:16,920 --> 00:33:14,780

his wife a hard time because she could

644

00:33:20,680 --> 00:33:16,930

never get the projector to to run the

645

00:33:21,610 --> 00:33:20,690

proper but it was a it was a really

646

00:33:24,400 --> 00:33:21,620

active time

647

00:33:26,380 --> 00:33:24,410

in Manhattan yeah there was a I don't

648

00:33:29,320 --> 00:33:26,390

know if you knew Vicki Hayes she had

649

00:33:32,280 --> 00:33:29,330

this little theater up above the car

650

00:33:36,000 --> 00:33:32,290

dealership there on Broadway and maybe

651
00:33:38,799 --> 00:33:36,010
54th or 55th Street headed midnight on

652
00:33:41,440 --> 00:33:38,809
Saturdays she would have people like Ted

653
00:33:45,610 --> 00:33:41,450
Owens and woody derenberger and all they

654
00:33:49,720 --> 00:33:45,620
wouldn't in lecture at her dance studio

655
00:33:52,330 --> 00:33:49,730
ah I remember at the Universalist Church

656
00:33:54,570 --> 00:33:52,340
there was Linda Eastman came one year

657
00:33:57,150 --> 00:33:54,580
and there were thousands of people

658
00:34:01,480 --> 00:33:57,160
thousands waiting to get in to hear her

659
00:34:04,510 --> 00:34:01,490
and what was the priest who who went off

660
00:34:08,050 --> 00:34:04,520
and his son died in the desert yeah he

661
00:34:10,540 --> 00:34:08,060
was there like yes it was incredible the

662
00:34:13,450 --> 00:34:10,550
people the activities I tell I got

663
00:34:16,960 --> 00:34:13,460

involved with the a re again another

664

00:34:19,840 --> 00:34:16,970

group of wonderful people it's different

665

00:34:22,360 --> 00:34:19,850

from the dark paths that I kind of

666

00:34:25,810 --> 00:34:22,370

touched on that's that's a whole

667

00:34:28,119 --> 00:34:25,820

different world and you don't really if

668

00:34:30,010 --> 00:34:28,129

you're looking for the light you're not

669

00:34:32,290 --> 00:34:30,020

going to stay there and that's all I'll

670

00:34:34,419 --> 00:34:32,300

say about that why don't what did you

671

00:34:36,820 --> 00:34:34,429

tell our listeners a little bit about

672

00:34:39,850 --> 00:34:36,830

your involvement with Edgar Cayce I I

673

00:34:41,169 --> 00:34:39,860

would guess that most people would know

674

00:34:45,430 --> 00:34:41,179

who he was but give us a little

675

00:34:48,040 --> 00:34:45,440

thumbnail oh well I was involved when I

676
00:34:51,490 --> 00:34:48,050
was around the same time that I I met

677
00:34:53,680 --> 00:34:51,500
you they they had the Association for

678
00:34:57,700 --> 00:34:53,690
research and enlightenment had a group

679
00:35:01,210 --> 00:34:57,710
on East East the West 35th Street and

680
00:35:03,010 --> 00:35:01,220
they would have these gatherings every

681
00:35:05,710 --> 00:35:03,020
morning Saturday mornings they would

682
00:35:07,330 --> 00:35:05,720
dream interpretation groups so you'd

683
00:35:08,950 --> 00:35:07,340
come and people would talk about the

684
00:35:12,370 --> 00:35:08,960
dreams they had they talked about

685
00:35:16,810 --> 00:35:12,380
Casey's readings people would come and

686
00:35:18,940 --> 00:35:16,820
lecture from Virginia Beach we had it

687
00:35:23,050 --> 00:35:18,950
was just amazing one time Ingo Swann

688
00:35:25,870 --> 00:35:23,060

came to one of the lectures just again

689

00:35:27,610 --> 00:35:25,880

it was just a wonderful time with a lot

690

00:35:29,670 --> 00:35:27,620

of people seeking spiritual

691

00:35:34,060 --> 00:35:29,680

enlightenment

692

00:35:35,470 --> 00:35:34,070

true that those very conservative people

693

00:35:37,540 --> 00:35:35,480

in the church would probably

694

00:35:40,750 --> 00:35:37,550

think it was all work of the devil but

695

00:35:43,810 --> 00:35:40,760

if you can't answer the questions people

696

00:35:45,520 --> 00:35:43,820

who are people who are really seeking

697

00:35:46,900 --> 00:35:45,530

are going to find them for themselves

698

00:35:49,240 --> 00:35:46,910

they're going to have their own faith

699

00:35:53,890 --> 00:35:49,250

and they're going to follow what I would

700

00:35:56,890 --> 00:35:53,900

call the road of resonance they're going

701
00:36:00,490 --> 00:35:56,900
to follow a road that gathers that that

702
00:36:02,950 --> 00:36:00,500
guides them from from life challenge to

703
00:36:05,380 --> 00:36:02,960
the next that's how I was able to to

704
00:36:07,210 --> 00:36:05,390
survive in the world and make a nice

705
00:36:09,640 --> 00:36:07,220
living for myself so I don't have to

706
00:36:13,450 --> 00:36:09,650
worry about money or anything I live

707
00:36:16,000 --> 00:36:13,460
well and I learned how to use my skills

708
00:36:20,170 --> 00:36:16,010
in the workplace but I did a little

709
00:36:23,550 --> 00:36:20,180
magic if some workmate annoyed me I

710
00:36:26,349 --> 00:36:23,560
would do a little magic and I would play

711
00:36:29,590 --> 00:36:26,359
psychology with them because if you're

712
00:36:31,240 --> 00:36:29,600
if your job is on the line that's your

713
00:36:34,240 --> 00:36:31,250

livelihood you have a right to defend

714

00:36:37,090 --> 00:36:34,250

yourself so I would use the things I

715

00:36:39,790 --> 00:36:37,100

learned to protect myself from some of

716

00:36:42,040 --> 00:36:39,800

the people who tried to get you fired or

717

00:36:45,490 --> 00:36:42,050

try to set you up because people do

718

00:36:49,000 --> 00:36:45,500

things like that now that's that's very

719

00:36:51,130 --> 00:36:49,010

interesting aspect I think that there'd

720

00:36:55,650 --> 00:36:51,140

be a lot of people that would want to

721

00:36:59,349 --> 00:36:55,660

learn that those kinds of abilities just

722

00:37:01,440 --> 00:36:59,359

you know not not to tell you not to

723

00:37:04,270 --> 00:37:01,450

curse everyone in your work but just

724

00:37:06,250 --> 00:37:04,280

yourself along yeah yeah well that's

725

00:37:08,670 --> 00:37:06,260

what you did when you went to a search

726

00:37:11,500 --> 00:37:08,680

regard group or if you went to a

727

00:37:14,160 --> 00:37:11,510

spiritual group or a Wicca group you

728

00:37:18,540 --> 00:37:14,170

would be working towards enlightenment

729

00:37:22,930 --> 00:37:18,550

learning how to handle problems it isn't

730

00:37:24,550 --> 00:37:22,940

doing a spell and the person drops dead

731

00:37:26,890 --> 00:37:24,560

or something like that what you're

732

00:37:29,980 --> 00:37:26,900

learning is how to work with other

733

00:37:32,920 --> 00:37:29,990

people how to understand the nature of

734

00:37:34,930 --> 00:37:32,930

reality and that's when I got into more

735

00:37:37,870 --> 00:37:34,940

intellectual things where you start

736

00:37:41,109 --> 00:37:37,880

reading about different philosophers

737

00:37:43,090 --> 00:37:41,119

there were people I met who who knew

738

00:37:48,040 --> 00:37:43,100

well who knew Cayce there were people

739

00:37:49,120 --> 00:37:48,050

who met Trishna murti it was as long as

740

00:37:51,970 --> 00:37:49,130

you're open

741

00:37:55,690 --> 00:37:51,980

two different paths and and and reading

742

00:37:58,030 --> 00:37:55,700

and and willing to to learn and not

743

00:38:01,120 --> 00:37:58,040

think you're gonna go pay somebody to do

744

00:38:03,460 --> 00:38:01,130

a spell you you're going to bring that

745

00:38:05,860 --> 00:38:03,470

within your your own soul you're gonna

746

00:38:07,960 --> 00:38:05,870

bring that within yourself and it

747

00:38:10,360 --> 00:38:07,970

empowers you and makes you a much more

748

00:38:13,210 --> 00:38:10,370

powerful person some of the dark paths

749

00:38:15,280 --> 00:38:13,220

that I have come across they want you to

750

00:38:18,220 --> 00:38:15,290

give them money and then they do a spell

751
00:38:20,380 --> 00:38:18,230
for you and it may work and then they

752
00:38:22,660 --> 00:38:20,390
keep trying to get more money out of you

753
00:38:26,710 --> 00:38:22,670
to keep the spells working that's one

754
00:38:30,550 --> 00:38:26,720
thing that I've seen you don't want to

755
00:38:33,970 --> 00:38:30,560
go that way at least I never did so hey

756
00:38:37,720 --> 00:38:33,980
you you mentioned of course earlier in

757
00:38:40,810 --> 00:38:37,730
the show here about your UFO sighting

758
00:38:42,820 --> 00:38:40,820
aren't you a friends of the Mark

759
00:38:48,340 --> 00:38:42,830
Brinkerhoff and his wife Phyllis right

760
00:38:51,580 --> 00:38:48,350
yes I have met them yes and yes we did a

761
00:38:56,800 --> 00:38:51,590
talk together I did an intro about Ingo

762
00:38:59,070 --> 00:38:56,810
Swann who he was how a little bit about

763
00:39:02,620 --> 00:38:59,080

what I knew but they actually knew him

764

00:39:05,200 --> 00:39:02,630

and so then it's segwayed into their

765

00:39:09,430 --> 00:39:05,210

experiences with Ingo Swann as an artist

766

00:39:13,990 --> 00:39:09,440

his work as an artist market yeah mark

767

00:39:17,220 --> 00:39:14,000

is an incredible painter he artist he he

768

00:39:20,140 --> 00:39:17,230

takes his a UFO or contacts mmm-hmm with

769

00:39:23,590 --> 00:39:20,150

spaceship brothers and does the you know

770

00:39:27,370 --> 00:39:23,600

paintings very very I mean just

771

00:39:29,830 --> 00:39:27,380

tremendous of one of the ashtar is in

772

00:39:32,140 --> 00:39:29,840

this book that we did the space brothers

773

00:39:35,560 --> 00:39:32,150

to speak that came out a couple of

774

00:39:38,050 --> 00:39:35,570

months ago and we we knew Ingalls now

775

00:39:39,670 --> 00:39:38,060

inglis one I had met him I could say

776

00:39:41,710 --> 00:39:39,680

technically that I had lunch with him

777

00:39:44,860 --> 00:39:41,720

but I never really spoke to him at

778

00:39:47,110 --> 00:39:44,870

length he would come to John kilos for

779

00:39:49,990 --> 00:39:47,120

tea in society meetings which were held

780

00:39:53,110 --> 00:39:50,000

in the vacant what is now a vacant lot

781

00:39:54,700 --> 00:39:53,120

right next to where I reside and as of

782

00:39:57,670 --> 00:39:54,710

today they have started putting up a

783

00:40:00,460 --> 00:39:57,680

skyscraper there so I have to constrict

784

00:40:03,700 --> 00:40:00,470

buzzing and drilling and hammering for

785

00:40:05,980 --> 00:40:03,710

the next five years of my life

786

00:40:07,360 --> 00:40:05,990

yeah I mean well you know Carol this

787

00:40:09,700 --> 00:40:07,370

whole neighborhood now is nothing but

788

00:40:11,170 --> 00:40:09,710

skyscrapers they all look the same you

789

00:40:12,550 --> 00:40:11,180

can accidentally walk into a building

790

00:40:15,250 --> 00:40:12,560

and not know where you were because it

791

00:40:18,220 --> 00:40:15,260

looks like the same one as you know a

792

00:40:20,860 --> 00:40:18,230

block away but endo would come to the

793

00:40:24,130 --> 00:40:20,870

the John keels of meetings and then we

794

00:40:25,720 --> 00:40:24,140

would go down to miss Kay's the the

795

00:40:28,290 --> 00:40:25,730

little deli on the corner set upstairs

796

00:40:32,470 --> 00:40:28,300

and eat meatball sandwiches

797

00:40:34,150 --> 00:40:32,480

but yet you know did you ever work with

798

00:40:38,530 --> 00:40:34,160

him and they were remote viewing at all

799

00:40:41,110 --> 00:40:38,540

no no I in fact I only saw him that one

800

00:40:43,660 --> 00:40:41,120

time at the a re where he came and

801
00:40:46,780 --> 00:40:43,670
everybody was was he attended one of the

802
00:40:49,780 --> 00:40:46,790
talks and everyone was all excited about

803
00:40:52,270 --> 00:40:49,790
him I don't think that people really

804
00:40:57,990 --> 00:40:52,280
understood what remote viewing was at

805
00:41:06,940 --> 00:41:02,560
you had talked about the some groups

806
00:41:12,190 --> 00:41:06,950
that that take the dark path so to speak

807
00:41:14,830 --> 00:41:12,200
now and you in reference to UFOs I'm not

808
00:41:18,310 --> 00:41:14,840
sure have have you heard the stories

809
00:41:21,070 --> 00:41:18,320
that have come out and probably over the

810
00:41:28,080 --> 00:41:21,080
last 10 years or so saying that the the

811
00:41:35,320 --> 00:41:31,360
bringing them into this reality using

812
00:41:38,380 --> 00:41:35,330
the dark path well I I can imagine what

813
00:41:40,360 --> 00:41:38,390

they would say that they would be this

814

00:41:44,440 --> 00:41:40,370

sounds like something from Lovecraft you

815

00:41:47,110 --> 00:41:44,450

know and they would be invoking dark

816

00:41:52,240 --> 00:41:47,120

entities but I don't think I've heard of

817

00:41:54,520 --> 00:41:52,250

it as UFO context more demonic things

818

00:41:58,480 --> 00:41:54,530

that were coming into the world like

819

00:42:01,180 --> 00:41:58,490

that that I just went to a UFO

820

00:42:04,120 --> 00:42:01,190

conference in Phoenix last month and

821

00:42:08,740 --> 00:42:04,130

they were mentioning the skinwalker

822

00:42:11,980 --> 00:42:08,750

ranch and how some people that that some

823

00:42:14,400 --> 00:42:11,990

of the the government agencies that were

824

00:42:16,930 --> 00:42:14,410

working there we're trying to cut it

825

00:42:20,530 --> 00:42:16,940

shut it down because they felt

826

00:42:25,510 --> 00:42:20,540

demonic in nature I I wouldn't know I'm

827

00:42:28,599 --> 00:42:25,520

more interested I'm sorry right now I'm

828

00:42:31,410 --> 00:42:28,609

more interested in hearing about people

829

00:42:34,540 --> 00:42:31,420

who have had contacts who are

830

00:42:37,870 --> 00:42:34,550

unquestionably honest rather than people

831

00:42:39,790 --> 00:42:37,880

who make up stories so I I just heard

832

00:42:44,290 --> 00:42:39,800

Calvin Parker who I thought was a

833

00:42:51,250 --> 00:42:44,300

phenomenal guest he's so honest and

834

00:42:53,859 --> 00:42:51,260

sincere someone who who had he actually

835

00:42:55,930 --> 00:42:53,869

had a mental breakdown or emotional

836

00:42:58,390 --> 00:42:55,940

breakdown because he couldn't handle

837

00:43:01,450 --> 00:42:58,400

what he had seen it was only a 17 year

838

00:43:03,790 --> 00:43:01,460

old man at the time people like that is

839

00:43:06,550 --> 00:43:03,800

who I'm interested in how do they handle

840

00:43:09,160 --> 00:43:06,560

it what what when they tell me what

841

00:43:11,349 --> 00:43:09,170

they've seen I believe them and I want

842

00:43:13,990 --> 00:43:11,359

to know what they see because there's

843

00:43:15,730 --> 00:43:14,000

all these theories now that UFOs and

844

00:43:18,520 --> 00:43:15,740

entities that come from them they're

845

00:43:21,849 --> 00:43:18,530

really from our future or they're from

846

00:43:23,859 --> 00:43:21,859

some psychological place I I don't I

847

00:43:25,599 --> 00:43:23,869

can't I can't deal with that because if

848

00:43:28,120 --> 00:43:25,609

people are actually seeing them and

849

00:43:30,370 --> 00:43:28,130

having physical interactions with them

850

00:43:33,520 --> 00:43:30,380

they're not psychological and they're

851
00:43:35,680 --> 00:43:33,530
not from some other place I want to hear

852
00:43:38,710 --> 00:43:35,690
more about that that's what my interest

853
00:43:40,660 --> 00:43:38,720
in as at this point I know I saw so I

854
00:43:43,180 --> 00:43:40,670
had this sighting I know it's real I

855
00:43:45,099 --> 00:43:43,190
know people who've had it and that's

856
00:43:47,980 --> 00:43:45,109
what I'm interested in these other

857
00:43:50,589 --> 00:43:47,990
things are because I love conspiracy

858
00:43:53,559 --> 00:43:50,599
theories believe me I love them but some

859
00:43:55,329 --> 00:43:53,569
of them are go way off track and I can't

860
00:43:58,599 --> 00:43:55,339
follow all of them I'm just interested

861
00:44:02,380 --> 00:43:58,609
in a few I'll stick to the few I can

862
00:44:04,569 --> 00:44:02,390
handle let's say that Farrell now we

863
00:44:07,809 --> 00:44:04,579

started off the the show with our little

864

00:44:11,109 --> 00:44:07,819

skit about the The Hobbit which I have

865

00:44:14,349 --> 00:44:11,119

to admit I know I know little if nothing

866

00:44:20,230 --> 00:44:14,359

about how how did you become interested

867

00:44:23,950 --> 00:44:20,240

in in the in the literature and how does

868

00:44:26,620 --> 00:44:23,960

it tie in if it does with the realm of

869

00:44:30,600 --> 00:44:26,630

the paranormal here it ties in with the

870

00:44:34,750 --> 00:44:30,610

pagan world the

871

00:44:37,720 --> 00:44:34,760

Judy Harrow began Margot Adler became

872

00:44:40,120 --> 00:44:37,730

aware of Wicca of Gerald Gardner of

873

00:44:43,290 --> 00:44:40,130

magic in that way through science

874

00:44:46,750 --> 00:44:43,300

fiction conferences the word it was a

875

00:44:49,030 --> 00:44:46,760

word-of-mouth it was passed through by

876

00:44:52,030 --> 00:44:49,040

word of mouth but Wicca what this was

877

00:44:54,940 --> 00:44:52,040

people got interested in it and one of

878

00:44:58,330 --> 00:44:54,950

my friends who no longer is with us was

879

00:45:00,280 --> 00:44:58,340

you could say a Tolkien scholar so he

880

00:45:03,250 --> 00:45:00,290

was very involved in the world of

881

00:45:06,580 --> 00:45:03,260

Tolkien and he connected it with

882

00:45:09,490 --> 00:45:06,590

folklore but his magic is about folklore

883

00:45:11,470 --> 00:45:09,500

there's magic in folklore so he couldn't

884

00:45:13,540 --> 00:45:11,480

he was the Celtic scholar as well he

885

00:45:17,710 --> 00:45:13,550

taught at the Irish Arts Center he spoke

886

00:45:20,050 --> 00:45:17,720

fluent Gaelic all three versions of it

887

00:45:22,120 --> 00:45:20,060

was French and Russian and many other

888

00:45:24,760 --> 00:45:22,130

languages and he was also very

889

00:45:26,770 --> 00:45:24,770

knowledgeable about Tolkien so I became

890

00:45:30,910 --> 00:45:26,780

very interested in Tolkien it's actually

891

00:45:33,220 --> 00:45:30,920

a literary field because Tolkien was

892

00:45:36,310 --> 00:45:33,230

held the chair of Old English at Oxford

893

00:45:39,490 --> 00:45:36,320

so there's many groups that are devoted

894

00:45:42,250 --> 00:45:39,500

to his work in terms of literature but I

895

00:45:45,550 --> 00:45:42,260

got involved with it because of the the

896

00:45:50,050 --> 00:45:45,560

pagan aspect or the magical aspect it's

897

00:45:51,910 --> 00:45:50,060

a magical world all right well we were

898

00:45:59,680 --> 00:45:51,920

coming up on the three minute mark

899

00:46:01,420 --> 00:45:59,690

before the end of our shows so is we

900

00:46:03,880 --> 00:46:01,430

usually would say you know if you have a

901
00:46:07,500 --> 00:46:03,890
online presence you can let our audience

902
00:46:10,540 --> 00:46:07,510
know more about that you know have you

903
00:46:11,560 --> 00:46:10,550
considered doing any more writing or

904
00:46:14,050 --> 00:46:11,570
ether or you know putting your

905
00:46:18,670 --> 00:46:14,060
experiences together in a book or you're

906
00:46:22,480 --> 00:46:18,680
speaking to me I'm still working in the

907
00:46:26,080 --> 00:46:22,490
legal field I think I'm going to have to

908
00:46:28,480 --> 00:46:26,090
wait until I retire before I do anything

909
00:46:30,700 --> 00:46:28,490
like that I've actually started a

910
00:46:33,780 --> 00:46:30,710
website but I keep stopping it because I

911
00:46:38,770 --> 00:46:33,790
can't think of what to write about it I

912
00:46:41,380 --> 00:46:38,780
am interested in more interested in the

913
00:46:43,420 --> 00:46:41,390

face-to-face aspect of working with

914

00:46:44,110 --> 00:46:43,430

different people making magic together

915

00:46:47,200 --> 00:46:44,120

because it

916

00:46:49,870 --> 00:46:47,210

healthy it it brings health to you but

917

00:46:51,970 --> 00:46:49,880

one day I may write something about some

918

00:46:55,630 --> 00:46:51,980

of my experiences are my thoughts or

919

00:46:58,720 --> 00:46:55,640

ideas but at this point I'm not sure I

920

00:47:02,380 --> 00:46:58,730

think I'm going to finish my legal work

921

00:47:04,690 --> 00:47:02,390

and which is very boring and it's about

922

00:47:09,400 --> 00:47:04,700

aerospace and all sorts of them boring

923

00:47:13,840 --> 00:47:09,410

stuff but licenses what-have-you but I I

924

00:47:17,110 --> 00:47:13,850

have been putting together journal every

925

00:47:20,860 --> 00:47:17,120

magical worker has a journal they have a

926
00:47:23,290 --> 00:47:20,870
journal of what they experience they the

927
00:47:25,120 --> 00:47:23,300
things they do and the milestones in

928
00:47:28,120 --> 00:47:25,130
their life so I've been putting that

929
00:47:32,410 --> 00:47:28,130
together maybe one day I'll oh I'll put

930
00:47:34,810 --> 00:47:32,420
it out as a blog people can can find you

931
00:47:37,960 --> 00:47:34,820
on facebook especially people in the New

932
00:47:39,460 --> 00:47:37,970
York area who might want no way to might

933
00:47:41,890 --> 00:47:39,470
want to know where to go to get some

934
00:47:44,290 --> 00:47:41,900
enlightenment I mean you have all the

935
00:47:47,260 --> 00:47:44,300
intelligence that goes and again the

936
00:47:50,380 --> 00:47:47,270
book is David Bowie UFOs witchcraft

937
00:47:54,310 --> 00:47:50,390
cocaine and paranoia the occult saga of

938
00:47:58,600 --> 00:47:54,320

Wally L market it has a material Minerva

939

00:47:59,470 --> 00:47:58,610

Carol another guru Wally and that was a

940

00:48:01,510 --> 00:47:59,480

lot of the things we talked about

941

00:48:06,070 --> 00:48:01,520

tonight and don't forget our YouTube

942

00:48:08,290 --> 00:48:06,080

channel mr. UFOs files and Carol nice to

943

00:48:10,840 --> 00:48:08,300

speak with you and I said have no knew

944

00:48:12,850 --> 00:48:10,850

all these many years great I want to

945

00:48:15,750 --> 00:48:12,860

know you another many years and I

946

00:48:18,190 --> 00:48:15,760

welcome anybody to friend me on Facebook

947

00:48:20,110 --> 00:48:18,200

who's listening to this and it just

948

00:48:22,060 --> 00:48:20,120

wants to have somebody to talk to on

949

00:48:26,980 --> 00:48:22,070

spiritual topics and things of that

950

00:48:31,990 --> 00:48:26,990

nature and they're in Jasper Indiana we

951
00:48:33,220 --> 00:48:32,000
will speak to you if not sooner and keep

952
00:48:34,960 --> 00:48:33,230
up the work there on that the

953
00:48:42,430 --> 00:48:34,970
forthcoming yearbook incredible

954
00:48:48,849 --> 00:48:44,859
you've been listening to exploring the

955
00:48:52,120 --> 00:48:48,859
bazaar with hosts Timothy Becky and T

956
00:48:55,000 --> 00:48:52,130
Swartz they're taking back the night by

957
00:48:57,520 --> 00:48:55,010
jetting non-stop across the cosmos in

958
00:49:01,380 --> 00:48:57,530
search of the truly bizarre and totally

959
00:49:03,890 --> 00:49:01,390
unexplained with you as their codes

960
00:49:08,370 --> 00:49:03,900
Thursday nights at 7:00 p.m. Pacific

961
00:49:09,590 --> 00:49:08,380
10:00 p.m. Eastern on the K cor digital

962
00:49:12,050 --> 00:49:09,600
radio

963
00:49:15,260 --> 00:49:12,060

for more information on exploring the

964

00:49:17,780 --> 00:49:15,270

bazaars and hosts Timothy Beckley and

965

00:49:20,960 --> 00:49:17,790

Tim Swartz check out their kco our

966

00:49:27,020 --> 00:49:20,970

digital radio network follow their

967

00:49:38,050 --> 00:49:27,030

YouTube channel @m r UFO 1100 explore
