

**EXPLORING
THE
BIZARRE**

1
00:00:37,439 --> 00:00:21,840

[Music]

2
00:00:44,389 --> 00:00:41,910

explore the bazaars or e-ticket ride

3
00:00:47,670 --> 00:00:44,399

into the world of the paranoid

4
00:00:51,979 --> 00:00:47,680

strap yourself in as we traverse the

5
00:00:56,430 --> 00:00:51,989

universe exploring the unexplained UFO s

6
00:01:00,569 --> 00:00:56,440

ghosts Lost Worlds cryptozoology waters

7
00:01:05,130 --> 00:01:00,579

as well as other dimensions it's time to

8
00:01:07,320 --> 00:01:05,140

take back the night now you are

9
00:01:14,300 --> 00:01:07,330

electrifying hosts of exploring the

10
00:01:18,740 --> 00:01:16,499

welcome it's another Thursday night you

11
00:01:21,649 --> 00:01:18,750

know what that means it's time for

12
00:01:24,649 --> 00:01:21,659

exploring the bizarre on the KC or

13
00:01:28,080 --> 00:01:24,659

digital radio network on Tim Schwarz

14

00:01:29,490 --> 00:01:28,090

unfortunately Tim Beckley will not be

15

00:01:33,059 --> 00:01:29,500

with us tonight

16

00:01:36,779 --> 00:01:33,069

he's still a little upset if you

17

00:01:40,440 --> 00:01:36,789

listened last week he had lost his his

18

00:01:43,020 --> 00:01:40,450

precious and you know some some bad

19

00:01:45,959 --> 00:01:43,030

things happened and he's he's still

20

00:01:47,160 --> 00:01:45,969

trying to get over that so if you don't

21

00:01:51,300 --> 00:01:47,170

know what I'm talking about check out

22

00:01:54,749 --> 00:01:51,310

our YouTube channel mister UFOs secret

23

00:01:58,800 --> 00:01:54,759

files and you know see last week's

24

00:02:02,550 --> 00:01:58,810

episode and all the ones that have come

25

00:02:06,660 --> 00:02:02,560

before that so since T Beckley isn't

26

00:02:11,849 --> 00:02:06,670

here I'll just go right in to our guest

27

00:02:15,780 --> 00:02:11,859

tonight is dr. Shelly care and we're

28

00:02:19,110 --> 00:02:15,790

really proud that we have her with us

29

00:02:20,960 --> 00:02:19,120

tonight now dr. care is considered one

30

00:02:25,170 --> 00:02:20,970

of the world's leading authorities on

31

00:02:28,080 --> 00:02:25,180

energy healing and mind-body medicine a

32

00:02:30,990 --> 00:02:28,090

world-renowned past life regression is

33

00:02:33,569 --> 00:02:31,000

dr. Shelly's method of combining energy

34

00:02:35,729 --> 00:02:33,579

work with hypnosis has been endorsed by

35

00:02:38,280 --> 00:02:35,739

numerous leaders in the field of field

36

00:02:40,860 --> 00:02:38,290

of consciousness including dr. Brian

37

00:02:44,039 --> 00:02:40,870

Weiss who called her work an important

38

00:02:48,119 --> 00:02:44,049

contribution to the field of regression

39

00:02:50,699 --> 00:02:48,129

therapy now over the past 20 years she

40

00:02:55,440 --> 00:02:50,709

has trained thousands of practice

41

00:02:59,309 --> 00:02:55,450

on cutting edge alien inspired healing

42

00:03:01,770 --> 00:02:59,319

techniques and she believes our memories

43

00:03:04,589 --> 00:03:01,780

are stored holographically in the

44

00:03:06,860 --> 00:03:04,599

etheric fields around our bodies now by

45

00:03:11,940 --> 00:03:06,870

combining hypnosis with energy healing

46

00:03:15,690 --> 00:03:11,950

lasting change is a thief now dr. Kerr

47

00:03:20,280 --> 00:03:15,700

is the author of such books as Edgar

48

00:03:24,300 --> 00:03:20,290

Cayce's Egyptian energy healing binary

49

00:03:28,229 --> 00:03:24,310

healing platonic healing life stream

50

00:03:32,879 --> 00:03:28,239

journey into past and future lives and

51
00:03:36,420 --> 00:03:32,889
tonight hopefully she will talk about

52
00:03:40,170 --> 00:03:36,430
how her most one of her most recent

53
00:03:42,839 --> 00:03:40,180
books binary healing came to her after a

54
00:03:44,610 --> 00:03:42,849
close encounter of the fifth kind of

55
00:03:46,349 --> 00:03:44,620
that I didn't even know there was a

56
00:03:48,809 --> 00:03:46,359
close encounter of the fifth kind event

57
00:03:51,179 --> 00:03:48,819
I just knew I think about the close

58
00:03:56,069 --> 00:03:51,189
encounter up to number three so I'll

59
00:03:58,740 --> 00:03:56,079
have to ask dr. Guerra care all about

60
00:04:00,869 --> 00:03:58,750
that so uh dr. Ashley Cara thank you

61
00:04:03,719 --> 00:04:00,879
very much for being with us tonight on

62
00:04:14,000 --> 00:04:03,729
exploring the bizarre Tim thank you so

63
00:04:16,710 --> 00:04:14,010

much for having me on the show oh oh

64

00:04:20,029 --> 00:04:16,720

well see you're you're in the perfect

65

00:04:24,990 --> 00:04:20,039

state of mind for our show

66

00:04:28,409 --> 00:04:25,000

let's just let's just get right into the

67

00:04:31,469 --> 00:04:28,419

the very beginning with you now how did

68

00:04:33,480 --> 00:04:31,479

you how did you first get involved in

69

00:04:35,399 --> 00:04:33,490

all this so I mean you know what was

70

00:04:38,969 --> 00:04:35,409

this something that was an interest to

71

00:04:42,180 --> 00:04:38,979

you you know as a child you know you

72

00:04:46,860 --> 00:04:42,190

have parents grandparents that were were

73

00:04:50,790 --> 00:04:46,870

also so inclined towards the the

74

00:04:53,159 --> 00:04:50,800

mystical may etheric yeah I think a lot

75

00:04:55,409 --> 00:04:53,169

of happened Tim from growing up in New

76
00:04:57,689 --> 00:04:55,419
Mexico so you know we're always around

77
00:05:01,000 --> 00:04:57,699
the aliens when we are born in

78
00:05:03,560 --> 00:05:01,010
Albuquerque and

79
00:05:05,540 --> 00:05:03,570
when I was well when I was a kid we

80
00:05:09,020 --> 00:05:05,550
moved to Colorado Springs my mother

81
00:05:11,210 --> 00:05:09,030
happened to attend a luncheon with the

82
00:05:13,340 --> 00:05:11,220
woman who was the subject for the book

83
00:05:17,000 --> 00:05:13,350
the search for Bridey Murphy that really

84
00:05:19,520 --> 00:05:17,010
famous past life regression case back in

85
00:05:21,200 --> 00:05:19,530
the day and so she bought the lady's

86
00:05:23,000 --> 00:05:21,210
book and came home and when I was a

87
00:05:25,130 --> 00:05:23,010
little kid at the family dinner table I

88
00:05:26,690 --> 00:05:25,140

don't know what you were talking to your

89

00:05:28,910 --> 00:05:26,700

parents about but we were actually

90

00:05:31,490 --> 00:05:28,920

talking about the fact that past lives

91

00:05:35,000 --> 00:05:31,500

are real and this just made sense to me

92

00:05:37,130 --> 00:05:35,010

from a very very early time and so yeah

93

00:05:39,050 --> 00:05:37,140

I've been around the weird and the

94

00:05:43,460 --> 00:05:39,060

bizarre my whole life with very

95

00:05:49,280 --> 00:05:43,470

open-minded family so and then on into

96

00:05:52,940 --> 00:05:49,290

adulthood I went to Egypt back in 2000

97

00:05:55,010 --> 00:05:52,950

hmm and shortly after I well when I got

98

00:05:57,980 --> 00:05:55,020

there I I started experiencing a

99

00:06:00,080 --> 00:05:57,990

spontaneous past life recollection of

100

00:06:01,850 --> 00:06:00,090

when I had lived during the time that

101
00:06:05,660 --> 00:06:01,860
the pyramids were built I didn't really

102
00:06:07,400 --> 00:06:05,670
have a frame of reference about what was

103
00:06:09,020 --> 00:06:07,410
actually happening to me since then I've

104
00:06:11,390 --> 00:06:09,030
studied this with people how you can

105
00:06:13,220 --> 00:06:11,400
travel to different places and you will

106
00:06:16,070 --> 00:06:13,230
remember your past lives without

107
00:06:18,440 --> 00:06:16,080
hypnosis but at that time that this

108
00:06:20,990 --> 00:06:18,450
really happened I had no idea what was

109
00:06:23,300 --> 00:06:21,000
really going on and I visited a lot of

110
00:06:25,040 --> 00:06:23,310
different places Greece and Turkey in

111
00:06:27,080 --> 00:06:25,050
some different places and I had a lot of

112
00:06:29,360 --> 00:06:27,090
very strange paranormal experiences

113
00:06:31,030 --> 00:06:29,370

there and then when I got home shortly

114

00:06:34,460 --> 00:06:31,040

after that I had a near-death experience

115

00:06:35,990 --> 00:06:34,470

mm-hmm not through an accident or

116

00:06:37,220 --> 00:06:36,000

anything but I just started hearing an

117

00:06:38,510 --> 00:06:37,230

inner voice saying there's something

118

00:06:40,310 --> 00:06:38,520

wrong with your heart you're not gonna

119

00:06:43,220 --> 00:06:40,320

live much longer and one night I just

120

00:06:45,650 --> 00:06:43,230

left and I went into the light and I met

121

00:06:48,470 --> 00:06:45,660

with some beings and when I came back

122

00:06:51,160 --> 00:06:48,480

from that experience I had healing

123

00:06:55,190 --> 00:06:51,170

energy in my hands and I had this

124

00:06:57,470 --> 00:06:55,200

knowing of how to move energy around in

125

00:07:00,620 --> 00:06:57,480

and do things that were completely out

126

00:07:04,670 --> 00:07:00,630

of my awareness prior to that incident

127

00:07:06,200 --> 00:07:04,680

and so now most recently I've just

128

00:07:08,810 --> 00:07:06,210

released a new book from the Edgar Cayce

129

00:07:11,060 --> 00:07:08,820

foundation about Edgar Cayce he's past

130

00:07:13,830 --> 00:07:11,070

lives in ancient Egypt when he was the

131

00:07:16,620 --> 00:07:13,840

high priests rata there's a reading

132

00:07:18,629 --> 00:07:16,630

in the life readings that when I looked

133

00:07:21,689 --> 00:07:18,639

at it I saw that this was a healing

134

00:07:25,620 --> 00:07:21,699

method and so this method is very very

135

00:07:28,620 --> 00:07:25,630

powerful and when I started working with

136

00:07:30,780 --> 00:07:28,630

this it kind of reminded me of some of

137

00:07:33,180 --> 00:07:30,790

the things that had happened to me 20

138

00:07:34,439 --> 00:07:33,190

years ago and somehow I feel like

139

00:07:35,460 --> 00:07:34,449

they're related even though these are

140

00:07:37,110 --> 00:07:35,470

things that I really hadn't thought

141

00:07:39,180 --> 00:07:37,120

about in a long time because you know

142

00:07:42,840 --> 00:07:39,190

I've done a lot of things in the last 20

143

00:07:45,870 --> 00:07:42,850

years but I started realizing kind of

144

00:07:48,950 --> 00:07:45,880

remembering some different things

145

00:07:51,930 --> 00:07:48,960

including some alien contact that I had

146

00:07:55,830 --> 00:07:51,940

when I was basically visited by a blue

147

00:07:58,920 --> 00:07:55,840

being back in the early 2000s and I was

148

00:08:00,840 --> 00:07:58,930

shown healing methodology at that time

149

00:08:04,080 --> 00:08:00,850

as well and I feel like these two things

150

00:08:07,529 --> 00:08:04,090

are interrelated as many things are in

151

00:08:12,360 --> 00:08:07,539

this life so well now going back briefly

152

00:08:16,920 --> 00:08:12,370

to which said when you were in Egypt and

153

00:08:18,990 --> 00:08:16,930

you kind of had like this just some past

154

00:08:23,070 --> 00:08:19,000

life memories start to emerge heal

155

00:08:26,129 --> 00:08:23,080

spontaneously now even though you were

156

00:08:29,610 --> 00:08:26,139

familiar with the idea of past lives

157

00:08:34,920 --> 00:08:29,620

that that had to have been a traumatic

158

00:08:37,170 --> 00:08:34,930

maybe a strong word but it had to have

159

00:08:39,570 --> 00:08:37,180

been somewhat shocking just to suddenly

160

00:08:41,240 --> 00:08:39,580

start getting these impressions as to

161

00:08:44,010 --> 00:08:41,250

just you out of the blue

162

00:08:47,040 --> 00:08:44,020

it was totally shocking I mean it's one

163

00:08:49,260 --> 00:08:47,050

thing to intellectualize that you lived

164

00:08:51,720 --> 00:08:49,270

before but at that point I had never had

165

00:08:55,980 --> 00:08:51,730

an actual past life regression and so I

166

00:08:58,110 --> 00:08:55,990

was in Cairo and I started having these

167

00:09:01,079 --> 00:08:58,120

horrible nightmares where I could just I

168

00:09:03,390 --> 00:09:01,089

saw these workers and I I heard their

169

00:09:06,030 --> 00:09:03,400

cries and and there was just a lot of

170

00:09:08,070 --> 00:09:06,040

struggling and suffering and I felt that

171

00:09:09,420 --> 00:09:08,080

I had been there during the time when

172

00:09:11,790 --> 00:09:09,430

the pyramids were being built now I do

173

00:09:13,380 --> 00:09:11,800

believe that extraterrestrials were

174

00:09:15,000 --> 00:09:13,390

involved with that as well but I do

175

00:09:18,290 --> 00:09:15,010

believe there were a lot of people there

176
00:09:22,140 --> 00:09:18,300
and I saw myself as someone who was

177
00:09:24,120 --> 00:09:22,150
struggling and working and and I woke

178
00:09:25,560 --> 00:09:24,130
with a just kind of in a complete panic

179
00:09:27,070 --> 00:09:25,570
attack which I had really never had

180
00:09:29,020 --> 00:09:27,080
before either and

181
00:09:30,490 --> 00:09:29,030
I was planning on staying in Egypt for

182
00:09:32,170 --> 00:09:30,500
quite a while and I really at the time I

183
00:09:33,850 --> 00:09:32,180
just didn't know how I was gonna do it

184
00:09:37,690 --> 00:09:33,860
so of course I muscled through it

185
00:09:39,430 --> 00:09:37,700
and went down to Luxor and down to Aswan

186
00:09:42,730 --> 00:09:39,440
and by the time I got back to Cairo and

187
00:09:46,120 --> 00:09:42,740
I was reintroduced to that energy then I

188
00:09:48,550 --> 00:09:46,130

had kind of had a shift since then so it

189

00:09:50,320 --> 00:09:48,560

was tolerable and when I got to Luxor it

190

00:09:52,450 --> 00:09:50,330

was the exact opposite I fell in love

191

00:09:55,360 --> 00:09:52,460

with the place I was ready to you know

192

00:09:58,270 --> 00:09:55,370

pack my bags and go live on the Nile and

193

00:09:59,680 --> 00:09:58,280

never leave and so it was just one

194

00:10:03,400 --> 00:09:59,690

extreme to the other it was very

195

00:10:08,500 --> 00:10:03,410

surprising to say the least so you're

196

00:10:11,470 --> 00:10:08,510

talking about Edgar Cayce and and his

197

00:10:14,020 --> 00:10:11,480

foundation now what what an absolutely

198

00:10:17,620 --> 00:10:14,030

incredible person he was I mean it'll

199

00:10:20,470 --> 00:10:17,630

look I mean he's I took it off hand you

200

00:10:23,530 --> 00:10:20,480

know when he when he he passed away yet

201
00:10:27,900 --> 00:10:23,540
here we are still talking about him you

202
00:10:33,390 --> 00:10:27,910
know here he still has a very

203
00:10:37,480 --> 00:10:33,400
far-reaching Foundation working to to

204
00:10:41,800 --> 00:10:37,490
get his information out there you know

205
00:10:43,980 --> 00:10:41,810
what what are you to a lot of other

206
00:10:49,690 --> 00:10:43,990
people who who have you know come out

207
00:10:54,400 --> 00:10:49,700
for it after mr. casey passed away that

208
00:10:56,290 --> 00:10:54,410
have you know tried to reach people like

209
00:10:59,560 --> 00:10:56,300
like he did what do you think it was

210
00:11:03,460 --> 00:10:59,570
that was so special about edgar cayce

211
00:11:05,650 --> 00:11:03,470
that that he managed to touch so many

212
00:11:08,140 --> 00:11:05,660
people and continue to do so today I

213
00:11:10,510 --> 00:11:08,150

think there's a lot of reasons for that

214

00:11:12,700 --> 00:11:10,520

Tim like one of the things that's really

215

00:11:15,910 --> 00:11:12,710

striking is that he was just a rickety

216

00:11:17,800 --> 00:11:15,920

was trying to be a regular person which

217

00:11:19,450 --> 00:11:17,810

a probably a lot of us are and then it

218

00:11:21,520 --> 00:11:19,460

just didn't work out that way he was a

219

00:11:23,710 --> 00:11:21,530

you know it's a Sunday school teacher he

220

00:11:25,990 --> 00:11:23,720

was just a Christian man just trying to

221

00:11:28,570 --> 00:11:26,000

have a life but when he was younger you

222

00:11:30,520 --> 00:11:28,580

know and he got ill he they couldn't

223

00:11:32,860 --> 00:11:30,530

help him so he had a hypnotherapy

224

00:11:35,800 --> 00:11:32,870

session and when he went so deeply into

225

00:11:37,380 --> 00:11:35,810

trance and began bringing through this

226

00:11:42,470 --> 00:11:37,390

information

227

00:11:45,630 --> 00:11:42,480

that was seemingly you know bizarre yes

228

00:11:47,250 --> 00:11:45,640

but so profound in the terms of like the

229

00:11:50,220 --> 00:11:47,260

medical readings that he gave the

230

00:11:52,380 --> 00:11:50,230

remedies that he told people to to try

231

00:11:54,990 --> 00:11:52,390

that would have seemed completely insane

232

00:11:58,079 --> 00:11:55,000

and yet they all worked and then in

233

00:11:59,460 --> 00:11:58,089

terms of the past life information the

234

00:12:01,590 --> 00:11:59,470

information that he brought through

235

00:12:03,000 --> 00:12:01,600

about Egypt and Atlantis and the things

236

00:12:05,460 --> 00:12:03,010

and some of the predictions that we've

237

00:12:08,819 --> 00:12:05,470

still you know been able to validate

238

00:12:12,300 --> 00:12:08,829

today I think a lot of the medical

239

00:12:15,480 --> 00:12:12,310

things as well they have been proven to

240

00:12:18,509 --> 00:12:15,490

work and so for these reasons it is

241

00:12:20,069 --> 00:12:18,519

important to carry on that legacy and to

242

00:12:21,930 --> 00:12:20,079

make sure that people are still using it

243

00:12:24,750 --> 00:12:21,940

because what's been demonstrated again

244

00:12:28,170 --> 00:12:24,760

and again is that although Cayce gave

245

00:12:30,180 --> 00:12:28,180

over 14,000 personal readings during his

246

00:12:32,670 --> 00:12:30,190

lifetime there were specifically for

247

00:12:34,860 --> 00:12:32,680

individuals the things that he said to

248

00:12:36,980 --> 00:12:34,870

those individuals have been proven to

249

00:12:39,750 --> 00:12:36,990

work for many people and so they're very

250

00:12:44,519 --> 00:12:39,760

important and I one of the things that I

251
00:12:46,079 --> 00:12:44,529
think strikes people is the sincerity of

252
00:12:48,600 --> 00:12:46,089
the work I mean he didn't believe in

253
00:12:50,519 --> 00:12:48,610
past lives that was the last thing he

254
00:12:54,180 --> 00:12:50,529
would have ever even thought of but

255
00:12:56,160 --> 00:12:54,190
because there was a truth there then he

256
00:12:58,170 --> 00:12:56,170
had to come to terms with the idea that

257
00:13:01,290 --> 00:12:58,180
we can believe in past lives and we

258
00:13:04,259 --> 00:13:01,300
can't acknowledge that some things are

259
00:13:07,199 --> 00:13:04,269
unexplained and bizarre and yet we can

260
00:13:08,759 --> 00:13:07,209
still in his case maintain our Christian

261
00:13:10,530 --> 00:13:08,769
beliefs and we can do all of these

262
00:13:14,040 --> 00:13:10,540
things simultaneously which was really

263
00:13:17,780 --> 00:13:14,050

amazing and one of the things that

264

00:13:21,720 --> 00:13:17,790

always impressed me about Edgar Cayce

265

00:13:26,639 --> 00:13:21,730

was the the cures that he would offer up

266

00:13:30,240 --> 00:13:26,649

to two individuals that were very what

267

00:13:33,480 --> 00:13:30,250

would the term be like a focus just a

268

00:13:36,750 --> 00:13:33,490

lot of these were were like the cures I

269

00:13:40,800 --> 00:13:36,760

know my great-grandmother would used to

270

00:13:43,680 --> 00:13:40,810

offer up she was a powwow woman and very

271

00:13:47,040 --> 00:13:43,690

reminiscent of some of the things that

272

00:13:49,139 --> 00:13:47,050

that Cayce wrote about and and you look

273

00:13:50,340 --> 00:13:49,149

at some of these and and you'd be like

274

00:13:50,910 --> 00:13:50,350

oh there's no way

275

00:13:54,090 --> 00:13:50,920

that's

276

00:13:57,680 --> 00:13:54,100

something like that would work yet here

277

00:14:02,970 --> 00:13:57,690

we have you know people all these years

278

00:14:04,590 --> 00:14:02,980

say that yes they do work and it's just

279

00:14:07,860 --> 00:14:04,600

you know something like that is just you

280

00:14:10,220 --> 00:14:07,870

know amazing it just shows you really I

281

00:14:13,530 --> 00:14:10,230

mean you know we know a lot about

282

00:14:16,829 --> 00:14:13,540

medicine and the body and and and

283

00:14:20,699 --> 00:14:16,839

healing but there's so much more that we

284

00:14:22,740 --> 00:14:20,709

don't understand yeah that's for sure

285

00:14:24,389 --> 00:14:22,750

and I think so many people you know a

286

00:14:25,949 --> 00:14:24,399

lot of people are very ill with

287

00:14:29,910 --> 00:14:25,959

different things and sometimes the

288

00:14:31,410 --> 00:14:29,920

medical it's necessary it's needed and

289

00:14:33,180 --> 00:14:31,420

yet for some people when it's not

290

00:14:34,800 --> 00:14:33,190

working then they have to start turning

291

00:14:38,819 --> 00:14:34,810

to other things and some of those Cayce

292

00:14:40,980 --> 00:14:38,829

remedies are still quite helpful mmm I

293

00:14:47,600 --> 00:14:40,990

think the folks enos of it as part of

294

00:14:56,040 --> 00:14:52,019

natural aspect to to a lot of it that it

295

00:14:59,160 --> 00:14:56,050

goes beyond just curing the simpson

296

00:15:01,439 --> 00:14:59,170

symptoms which it seems like that a lot

297

00:15:04,980 --> 00:15:01,449

of modern medicine their approaches to

298

00:15:07,350 --> 00:15:04,990

cured symptoms and not really do as much

299

00:15:08,759 --> 00:15:07,360

for what's what's causing the symptoms

300

00:15:13,380 --> 00:15:08,769

because you know there's a lot of times

301
00:15:16,910 --> 00:15:13,390
the simps symptoms are the body's it's

302
00:15:21,420 --> 00:15:16,920
your body's attempt to heal itself so

303
00:15:27,030 --> 00:15:21,430
you know and and so much of your your

304
00:15:31,819 --> 00:15:27,040
work deals with with healing and now

305
00:15:38,689 --> 00:15:31,829
what would you say is your definition of

306
00:15:42,660 --> 00:15:38,699
of healing as compared to modern Western

307
00:15:46,949 --> 00:15:42,670
medicines definition of healing I think

308
00:15:48,509 --> 00:15:46,959
that that's kind of I guess my my

309
00:15:53,579 --> 00:15:48,519
thoughts on healing have really shifted

310
00:15:56,430 --> 00:15:53,589
a lot really lately in some regard I've

311
00:15:58,290 --> 00:15:56,440
spent a lot of time writing a lot about

312
00:16:00,360 --> 00:15:58,300
the healing properties of gemstones and

313
00:16:02,790 --> 00:16:00,370

I did a couple of books for the

314

00:16:04,860 --> 00:16:02,800

aggregates foundation about the

315

00:16:06,750 --> 00:16:04,870

gemstones at Agra Casey recommend

316

00:16:09,150 --> 00:16:06,760

in the life readings because some of the

317

00:16:11,220 --> 00:16:09,160

remedies would involve you know you need

318

00:16:12,540 --> 00:16:11,230

to put a piece of lapis and you need to

319

00:16:14,040 --> 00:16:12,550

wear it in a necklace and it needs to

320

00:16:16,290 --> 00:16:14,050

press the skin because it's gonna create

321

00:16:18,840 --> 00:16:16,300

a vibrational shift in your body that's

322

00:16:23,670 --> 00:16:18,850

gonna be beneficial for you and so with

323

00:16:27,360 --> 00:16:23,680

stones there's specific vibrations in

324

00:16:30,120 --> 00:16:27,370

gemstones that relate to like colors of

325

00:16:32,400 --> 00:16:30,130

the spectrum and specific things that

326

00:16:33,900 --> 00:16:32,410

that you can really tune into kind of

327

00:16:36,710 --> 00:16:33,910

like we can tune into the radio station

328

00:16:39,870 --> 00:16:36,720

tonight by going to that frequency

329

00:16:45,570 --> 00:16:39,880

whereas general energy healing like the

330

00:16:49,860 --> 00:16:45,580

newer Egyptian Edgar Cayce method is not

331

00:16:51,660 --> 00:16:49,870

necessarily tuning in to one frequency

332

00:16:54,900 --> 00:16:51,670

but it's tuning in to people on a more

333

00:16:58,380 --> 00:16:54,910

individual basis and I've come to think

334

00:17:00,980 --> 00:16:58,390

that well you mentioned it briefly but

335

00:17:03,210 --> 00:17:00,990

you know the the medical profession is

336

00:17:05,850 --> 00:17:03,220

necessary if you're having an emergency

337

00:17:08,790 --> 00:17:05,860

and a crisis then you need to get to the

338

00:17:12,120 --> 00:17:08,800

doctor and you need to stop the imminent

339

00:17:18,270 --> 00:17:12,130

threat to your survival but underneath

340

00:17:19,949 --> 00:17:18,280

that it's become very proven and I think

341

00:17:23,220 --> 00:17:19,959

more widely believed now than ever

342

00:17:26,120 --> 00:17:23,230

before that when there is dis-ease

343

00:17:30,060 --> 00:17:26,130

within the body that there is something

344

00:17:32,370 --> 00:17:30,070

besides maybe in the 3-dimensional world

345

00:17:35,220 --> 00:17:32,380

there are other things that could be

346

00:17:38,130 --> 00:17:35,230

causing that and so once the crisis is

347

00:17:41,520 --> 00:17:38,140

averted then to me healing involves

348

00:17:43,200 --> 00:17:41,530

going back into the deeper aspects of

349

00:17:46,650 --> 00:17:43,210

like what are the emotional things that

350

00:17:50,850 --> 00:17:46,660

are causing this situation happen or if

351

00:17:52,710 --> 00:17:50,860

it's not just emotions and challenges

352

00:17:54,990 --> 00:17:52,720

from the current lifetime you know a lot

353

00:17:58,230 --> 00:17:55,000

of times obviously these things could

354

00:18:00,419 --> 00:17:58,240

have roots and past lives and so our

355

00:18:03,480 --> 00:18:00,429

past that progression can be very valid

356

00:18:05,910 --> 00:18:03,490

for that as well so to me healing is is

357

00:18:09,780 --> 00:18:05,920

a kind of a more multi-dimensional thing

358

00:18:11,520 --> 00:18:09,790

and I I've been kind of really a little

359

00:18:13,919 --> 00:18:11,530

bit wound up lately because I've been

360

00:18:15,780 --> 00:18:13,929

hearing from a lot of people who have

361

00:18:17,320 --> 00:18:15,790

really severe medical conditions but yet

362

00:18:18,879 --> 00:18:17,330

they seem to have skin

363

00:18:20,889 --> 00:18:18,889

the part where they still needed to go

364

00:18:23,109 --> 00:18:20,899

to the medical doctor I really believe

365

00:18:24,789 --> 00:18:23,119

there's a place for that and I think

366

00:18:27,249 --> 00:18:24,799

that unfortunately a lot of the

367

00:18:28,659 --> 00:18:27,259

spiritual community they go well you

368

00:18:30,519 --> 00:18:28,669

know I'm spiritual I shouldn't need a

369

00:18:32,080 --> 00:18:30,529

doctor or I should just be you know I

370

00:18:33,940 --> 00:18:32,090

should be better than this well we're

371

00:18:37,169 --> 00:18:33,950

still here having a physical experience

372

00:18:39,220 --> 00:18:37,179

and so I think that the physical healing

373

00:18:41,889 --> 00:18:39,230

going to the doctor and doing those

374

00:18:43,600 --> 00:18:41,899

things as well and then yes go into the

375

00:18:45,850 --> 00:18:43,610

deeper things such as the remedies such

376

00:18:47,379 --> 00:18:45,860

as gemstones or do I need to go see a

377

00:18:50,499 --> 00:18:47,389

therapist do I need a past life

378

00:18:52,210 --> 00:18:50,509

regression all of these things are part

379

00:18:54,700 --> 00:18:52,220

of the puzzle that's going to help the

380

00:18:56,919 --> 00:18:54,710

person turn the corner and I think that

381

00:19:00,789 --> 00:18:56,929

every single one of them has a validity

382

00:19:02,919 --> 00:19:00,799

and a place and so call this healing

383

00:19:05,049 --> 00:19:02,929

needs to be seen in a more holistic way

384

00:19:08,619 --> 00:19:05,059

than I think maybe people have seen it

385

00:19:13,690 --> 00:19:08,629

the past okay you you brought up a

386

00:19:18,749 --> 00:19:13,700

really good point there about how our

387

00:19:22,930 --> 00:19:18,759

doctors are a very important necessity

388

00:19:29,320 --> 00:19:22,940

with all of this I have I have a friend

389

00:19:32,830 --> 00:19:29,330

who got involved with a healer and I'll

390

00:19:36,159 --> 00:19:32,840

put quotation marks around that from

391

00:19:38,229 --> 00:19:36,169

YouTube or something like that and this

392

00:19:44,200 --> 00:19:38,239

person's you know remedy for everything

393

00:19:47,499 --> 00:19:44,210

is like celery juice yeah this this is a

394

00:19:49,060 --> 00:19:47,509

cure offer for everything and just you

395

00:19:50,950 --> 00:19:49,070

know forget about what your doctor has

396

00:19:52,720 --> 00:19:50,960

to say nothing but poisons you know

397

00:19:59,320 --> 00:19:52,730

celery juice and you know other things

398

00:20:03,930 --> 00:19:59,330

like that and and there's just no no

399

00:20:07,239 --> 00:20:03,940

convincing you know my friend that that

400

00:20:12,999 --> 00:20:07,249

like you said it's it can be a multiple

401
00:20:15,820 --> 00:20:13,009
approach to this and it's just I don't

402
00:20:18,129 --> 00:20:15,830
know I just I find it irresponsible

403
00:20:21,129 --> 00:20:18,139
sometimes for some of these people to

404
00:20:23,080 --> 00:20:21,139
get out there and and to talk about this

405
00:20:25,599 --> 00:20:23,090
kind of stuff like you know they have

406
00:20:29,129 --> 00:20:25,609
you know all the answers and nobody else

407
00:20:33,669 --> 00:20:29,139
is right they're the only one who is

408
00:20:37,539 --> 00:20:33,679
awake and everybody else's is asleep and

409
00:20:41,139 --> 00:20:37,549
it really does a disservice to everybody

410
00:20:47,289 --> 00:20:41,149
involved I cannot agree more with what

411
00:20:52,779 --> 00:20:47,299
you're saying I yes I mean it's it's

412
00:20:56,590 --> 00:20:52,789
epidemic I mean people need to go to the

413
00:21:00,909 --> 00:20:56,600

doctor they need you know so I'm real I

414

00:21:03,700 --> 00:21:00,919

have to be I think when I first was a

415

00:21:06,060 --> 00:21:03,710

young youngin which I guess I'm not

416

00:21:11,289 --> 00:21:09,129

when I you know I had had Stage four

417

00:21:13,060 --> 00:21:11,299

endometriosis many many years ago and I

418

00:21:16,419 --> 00:21:13,070

think people knew that I had a long

419

00:21:17,950 --> 00:21:16,429

illness but I was - I don't know

420

00:21:19,480 --> 00:21:17,960

I don't know why I never wanted to tell

421

00:21:21,490 --> 00:21:19,490

people what I had and so I think they

422

00:21:23,440 --> 00:21:21,500

thought I I had cancer or something

423

00:21:25,149 --> 00:21:23,450

which of course I didn't but what it was

424

00:21:27,789 --> 00:21:25,159

was endometriosis and I think in my

425

00:21:30,220 --> 00:21:27,799

younger mind I used to think that

426

00:21:31,960 --> 00:21:30,230

doctors had somehow messed me up but in

427

00:21:33,340 --> 00:21:31,970

hindsight at this stage of my life I can

428

00:21:34,749 --> 00:21:33,350

tell you with great certainty that if I

429

00:21:35,980 --> 00:21:34,759

hadn't gone and had some surgery I

430

00:21:37,659 --> 00:21:35,990

wouldn't even be here to have this

431

00:21:40,570 --> 00:21:37,669

conversation I would be dead right now

432

00:21:43,539 --> 00:21:40,580

so you know you can go in and look at

433

00:21:45,100 --> 00:21:43,549

the spiritual aspects of why an illness

434

00:21:47,590 --> 00:21:45,110

took place I mean I do think that

435

00:21:49,840 --> 00:21:47,600

certain illnesses are here like for

436

00:21:51,159 --> 00:21:49,850

karma or lessons and things like that

437

00:21:52,749 --> 00:21:51,169

like I wouldn't probably be in this

438

00:21:54,999 --> 00:21:52,759

business if that hadn't happened to me

439

00:21:57,279 --> 00:21:55,009

but I where I might have thought doctors

440

00:21:59,499 --> 00:21:57,289

were to blame I can now say no doctors

441

00:22:01,389 --> 00:21:59,509

saved my life and so when I hear

442

00:22:02,830 --> 00:22:01,399

somebody going down that road of I don't

443

00:22:04,659 --> 00:22:02,840

want to deal with the medical profession

444

00:22:06,460 --> 00:22:04,669

I really I don't want to say I don't

445

00:22:08,889 --> 00:22:06,470

want to talk to them but I I want to try

446

00:22:10,419 --> 00:22:08,899

to talk some sense into them and if I

447

00:22:13,210 --> 00:22:10,429

can't then I had to say hey come on

448

00:22:17,980 --> 00:22:13,220

because I can help to a certain degree

449

00:22:22,840 --> 00:22:17,990

but only once that initial situation is

450

00:22:24,460 --> 00:22:22,850

you know under control like you said I

451

00:22:29,440 --> 00:22:24,470

mean I think that I think there are a

452

00:22:30,970 --> 00:22:29,450

lot of people they they just they just

453

00:22:33,340 --> 00:22:30,980

want to throw up throw up their hands

454

00:22:36,899 --> 00:22:33,350

and say you know I just I can't do it I

455

00:22:42,100 --> 00:22:36,909

can't do anything you know you do it and

456

00:22:44,500 --> 00:22:42,110

it's it's just it's just a pretty you

457

00:22:46,330 --> 00:22:44,510

know it's it's an approach where I can

458

00:22:48,279 --> 00:22:46,340

see why some of these charlatans then

459

00:22:51,700 --> 00:22:48,289

could take advantage of that because

460

00:22:53,139 --> 00:22:51,710

they you know they can offer that you

461

00:22:58,600 --> 00:22:53,149

know you don't need to do anything just

462

00:23:00,850 --> 00:22:58,610

listen to me I know it all that drives

463

00:23:03,399 --> 00:23:00,860

me nuts I mean all my books have

464

00:23:05,889 --> 00:23:03,409

self-help things in them because I'm

465

00:23:07,750 --> 00:23:05,899

really hoping that people can go and you

466

00:23:12,629 --> 00:23:07,760

know they have to find these things on

467

00:23:17,200 --> 00:23:12,639

their own and they need all these things

468

00:23:21,119 --> 00:23:17,210

medical vitamins whatever but there's no

469

00:23:25,360 --> 00:23:21,129

one person who has the magical wand well

470

00:23:27,430 --> 00:23:25,370

yeah and and people need to be involved

471

00:23:31,320 --> 00:23:27,440

with their own health you know they

472

00:23:35,560 --> 00:23:31,330

can't just depend whether it be you know

473

00:23:37,720 --> 00:23:35,570

a regular medical Wester doctor or or

474

00:23:39,759 --> 00:23:37,730

whatever I mean they it's it's it's

475

00:23:42,789 --> 00:23:39,769

their body it's their health you know

476
00:23:46,720 --> 00:23:42,799
ultimately they're the only ones who can

477
00:23:49,450 --> 00:23:46,730
do the do the proper healing absolutely

478
00:23:51,909 --> 00:23:49,460
mm-hmm absolutely

479
00:23:54,759 --> 00:23:51,919
all right what we are coming up to our

480
00:23:56,980 --> 00:23:54,769
bottom of the hour break so when we come

481
00:24:00,490 --> 00:23:56,990
back we'll continue our conversation

482
00:24:09,830 --> 00:24:00,500
with dr. Shelly care unexplored the

483
00:24:16,560 --> 00:24:13,980
now back to exploring the bazaar with

484
00:24:19,860 --> 00:24:16,570
two of the most electrifying researchers

485
00:24:25,680 --> 00:24:19,870
in the Paranoid your hosts Timothy Becca

486
00:24:27,810 --> 00:24:25,690
Lee panting alright welcome back to

487
00:24:31,169 --> 00:24:27,820
exploring the bazaar I'm Tim Schwarz

488
00:24:33,330 --> 00:24:31,179

tonight our guest is dr. Shelley Kerr

489

00:24:36,240 --> 00:24:33,340

and we're talking about energetic

490

00:24:39,779 --> 00:24:36,250

healing Edgar Cayce and I need to bring

491

00:24:43,710 --> 00:24:39,789

this up Shelley ET Close Encounters so

492

00:24:44,340 --> 00:24:43,720

why don't you tell us a little bit about

493

00:24:48,990 --> 00:24:44,350

this

494

00:24:53,669 --> 00:24:49,000

you had mentioned in in one of your

495

00:24:56,850 --> 00:24:53,679

books was a binary healing about a close

496

00:24:59,070 --> 00:24:56,860

encounter of the fifth kind I have to

497

00:25:02,490 --> 00:24:59,080

admit I don't think I have heard about

498

00:25:07,620 --> 00:25:02,500

that before do you care to explain to

499

00:25:11,850 --> 00:25:07,630

our audience yes so let's see well many

500

00:25:14,250 --> 00:25:11,860

years ago I I'm gonna get to the close

501
00:25:18,149 --> 00:25:14,260
encounter how I purposely did it but I

502
00:25:21,090 --> 00:25:18,159
was going to New Mexico to work as a

503
00:25:25,350 --> 00:25:21,100
healer and I was driving across the

504
00:25:27,570 --> 00:25:25,360
state and I parked in a rest area for a

505
00:25:30,830 --> 00:25:27,580
few minutes and closed my eyes when I

506
00:25:32,669 --> 00:25:30,840
saw a bright blue being

507
00:25:34,830 --> 00:25:32,679
inter-dimensionally in the space behind

508
00:25:36,690 --> 00:25:34,840
my eyes I opened my eyes of course there

509
00:25:39,090 --> 00:25:36,700
was nothing really there and when I

510
00:25:41,580 --> 00:25:39,100
showed up to the spa to work as a guest

511
00:25:43,680 --> 00:25:41,590
healer the woman behind the desk said my

512
00:25:46,049 --> 00:25:43,690
gosh and I said what she does there's a

513
00:25:50,639 --> 00:25:46,059

blue woman standing behind you so the

514

00:25:52,529 --> 00:25:50,649

blue woman basically showed me some

515

00:25:53,909 --> 00:25:52,539

things let's just say the the lady told

516

00:25:55,409 --> 00:25:53,919

me that she was going to be showing me

517

00:26:02,279 --> 00:25:55,419

some things and certainly she certainly

518

00:26:05,009 --> 00:26:02,289

did so more recently I went to an event

519

00:26:10,919 --> 00:26:05,019

here in Texas that's based on the work

520

00:26:13,529 --> 00:26:10,929

of dr. Steven Greer and what you do is

521

00:26:16,250 --> 00:26:13,539

you basically go purposely into a

522

00:26:19,660 --> 00:26:16,260

meditative state to attempt to contact

523

00:26:24,790 --> 00:26:19,670

extraterrestrial beings

524

00:26:28,780 --> 00:26:24,800

and that's basically what we did and so

525

00:26:33,250 --> 00:26:28,790

shortly after that I had a okay so

526

00:26:35,560 --> 00:26:33,260

basically I was actually uncontacted by

527

00:26:37,600 --> 00:26:35,570

a guru being many years ago and so more

528

00:26:39,040 --> 00:26:37,610

recently I was getting the vibe after

529

00:26:41,560 --> 00:26:39,050

the Edgar Cayce book came out but I

530

00:26:44,020 --> 00:26:41,570

should consciously try to reach out to

531

00:26:45,250 --> 00:26:44,030

these beings because I kind of let's

532

00:26:47,770 --> 00:26:45,260

just say it's kind of like a friend you

533

00:26:52,030 --> 00:26:47,780

lost touch with and you didn't know

534

00:26:54,610 --> 00:26:52,040

where they were so we got together we

535

00:26:57,850 --> 00:26:54,620

spent an entire day learning a proper

536

00:26:59,470 --> 00:26:57,860

form of meditation in which to call in

537

00:27:02,320 --> 00:26:59,480

the aliens and then we went out to a

538

00:27:04,960 --> 00:27:02,330

remote location and kind of camped out

539

00:27:07,870 --> 00:27:04,970

in a circle under the stars and used our

540

00:27:10,240 --> 00:27:07,880

meditative techniques to call in the

541

00:27:12,910 --> 00:27:10,250

space creatures now we didn't see

542

00:27:15,400 --> 00:27:12,920

anything out there but we were in Texas

543

00:27:17,980 --> 00:27:15,410

and it was real hot out and I was trying

544

00:27:19,360 --> 00:27:17,990

to use natural remedies this is another

545

00:27:21,640 --> 00:27:19,370

example of where I should have just

546

00:27:24,160 --> 00:27:21,650

followed the doctor's advice and used

547

00:27:25,990 --> 00:27:24,170

some DEET but I didn't so I got attacked

548

00:27:29,260 --> 00:27:26,000

by mosquitoes and I spent a couple days

549

00:27:32,560 --> 00:27:29,270

in bed after I got home and during this

550

00:27:35,350 --> 00:27:32,570

kind of delusional stupor that I was in

551
00:27:37,570 --> 00:27:35,360
for a couple days I woke up on the

552
00:27:40,390 --> 00:27:37,580
second day and I had this kind of

553
00:27:43,660 --> 00:27:40,400
download about this thing called binary

554
00:27:46,390 --> 00:27:43,670
healing and and I was shown very clearly

555
00:27:49,060 --> 00:27:46,400
how we could actually use the binary

556
00:27:52,030 --> 00:27:49,070
codes the zeros and ones to put them

557
00:27:55,210 --> 00:27:52,040
inside the body and create a healing and

558
00:27:57,100 --> 00:27:55,220
so I was teaching an advanced I do this

559
00:28:00,010 --> 00:27:57,110
one class called energy healing mastery

560
00:28:01,720 --> 00:28:00,020
and so it's where we look at a lot of

561
00:28:02,980 --> 00:28:01,730
the different techniques that I've

562
00:28:05,650 --> 00:28:02,990
developed and we put them kind of

563
00:28:07,480 --> 00:28:05,660

side-by-side and so I had a group of

564

00:28:10,300 --> 00:28:07,490

advanced healers in there and so we

565

00:28:11,920 --> 00:28:10,310

started working with it and shortly

566

00:28:14,230 --> 00:28:11,930

after that I said I need to publish this

567

00:28:18,130 --> 00:28:14,240

this is really amazing it's super fast

568

00:28:20,950 --> 00:28:18,140

it's very profound and then as a result

569

00:28:23,560 --> 00:28:20,960

of that I pulled another thing out of

570

00:28:26,140 --> 00:28:23,570

the drawer that I had kind of channeled

571

00:28:28,750 --> 00:28:26,150

20 years ago where we basically take the

572

00:28:31,900 --> 00:28:28,760

primary numbers one through nine and we

573

00:28:33,410 --> 00:28:31,910

use those as healing symbols as well and

574

00:28:36,050 --> 00:28:33,420

those bring like

575

00:28:38,870 --> 00:28:36,060

real sense of balance to the body very

576
00:28:42,140 --> 00:28:38,880
very peaceful the binary is supercharged

577
00:28:43,970 --> 00:28:42,150
it's very advanced and then there's the

578
00:28:45,620 --> 00:28:43,980
third book in the series of thus far is

579
00:28:49,070 --> 00:28:45,630
called Pythagorean healing

580
00:28:50,900 --> 00:28:49,080
I mean platonic healing excuse me where

581
00:28:53,900 --> 00:28:50,910
we look at some of the work of Plato and

582
00:28:56,390 --> 00:28:53,910
the Platonic solids and use those in

583
00:28:59,990 --> 00:28:56,400
healing and so there's many many little

584
00:29:01,730 --> 00:29:00,000
things that I was shown and so each one

585
00:29:03,740 --> 00:29:01,740
of these books in this series that could

586
00:29:06,920 --> 00:29:03,750
I was shown go up to may be as many as

587
00:29:09,500 --> 00:29:06,930
twenty books will give the reader an

588
00:29:11,960 --> 00:29:09,510

actual technique that they can learn

589

00:29:14,930 --> 00:29:11,970

without necessarily needing to come take

590

00:29:16,430 --> 00:29:14,940

a class unless they choose to because a

591

00:29:20,410 --> 00:29:16,440

lot of the things I'm trying to put out

592

00:29:24,040 --> 00:29:20,420

right now is I'm trying to put out more

593

00:29:28,340 --> 00:29:24,050

things where the methods are actually

594

00:29:31,190 --> 00:29:28,350

disclosed in the book so that the reader

595

00:29:34,490 --> 00:29:31,200

has the tools just like we were saying

596

00:29:37,970 --> 00:29:34,500

before they can use these tools to help

597

00:29:40,130 --> 00:29:37,980

on their healing journey there was

598

00:29:42,080 --> 00:29:40,140

another one many years ago that I

599

00:29:44,000 --> 00:29:42,090

developed called holographic mapping it

600

00:29:46,600 --> 00:29:44,010

was a it was another very simple I put

601
00:29:52,160 --> 00:29:46,610
it out on Amazon for \$2.99 as an e-book

602
00:29:56,150 --> 00:29:52,170
people loved it totally simple to use

603
00:29:58,220 --> 00:29:56,160
you just contact this slight grid I mean

604
00:30:00,200 --> 00:29:58,230
I was shown this like very clearly you

605
00:30:02,450 --> 00:30:00,210
just go up to this light grid you asked

606
00:30:04,820 --> 00:30:02,460
to be cleared of unwanted influences and

607
00:30:07,580 --> 00:30:04,830
you just go BAM and it's done very very

608
00:30:10,130 --> 00:30:07,590
simple and in the simplicity of it I

609
00:30:11,570 --> 00:30:10,140
think it's maybe you know very advanced

610
00:30:14,060 --> 00:30:11,580
because I think that the human being

611
00:30:15,650 --> 00:30:14,070
likes to make everything ten thousand

612
00:30:17,930 --> 00:30:15,660
times more complicated than it needs to

613
00:30:20,690 --> 00:30:17,940

be and so when the Cayce book came out

614

00:30:23,180 --> 00:30:20,700

it's about the Edgar Cayce life reading

615

00:30:26,030 --> 00:30:23,190

in which Edgar Cayce the source that he

616

00:30:29,560 --> 00:30:26,040

channeled laid out these nine healing

617

00:30:32,120 --> 00:30:29,570

symbols I was shown how to draw them and

618

00:30:33,980 --> 00:30:32,130

these symbols need to be delivered

619

00:30:36,140 --> 00:30:33,990

through the crown of the head and they

620

00:30:38,240 --> 00:30:36,150

make interior changes to the cellular

621

00:30:41,330 --> 00:30:38,250

structure of the person and so the

622

00:30:43,460 --> 00:30:41,340

Pythagorean stuff is is similar in

623

00:30:45,440 --> 00:30:43,470

nature in the sense that rather than

624

00:30:46,800 --> 00:30:45,450

working exterior feels around the body

625

00:30:51,000 --> 00:30:46,810

it's going inside the body

626
00:30:52,590 --> 00:30:51,010
making very profound changes that like

627
00:30:55,500 --> 00:30:52,600
we were talking about before the first

628
00:30:58,740 --> 00:30:55,510
break you know how you receive that

629
00:31:00,360 --> 00:30:58,750
might be different than how I receive

630
00:31:02,850 --> 00:31:00,370
that or how somebody across the room is

631
00:31:07,160 --> 00:31:02,860
gonna receive it because these newer

632
00:31:10,740 --> 00:31:07,170
healing methods in my mind are

633
00:31:12,960 --> 00:31:10,750
delivering something very special and

634
00:31:15,720 --> 00:31:12,970
individualized to each individual

635
00:31:17,820 --> 00:31:15,730
depending on like what lessons they have

636
00:31:20,370 --> 00:31:17,830
to learn here what their karma is what

637
00:31:21,900 --> 00:31:20,380
their current state of mind is like do

638
00:31:24,210 --> 00:31:21,910

they have a medical condition or is this

639

00:31:27,290 --> 00:31:24,220

more emotional in nature so it seems to

640

00:31:30,060 --> 00:31:27,300

bring varying results to people but

641

00:31:33,000 --> 00:31:30,070

seems to bring a lot of you know overall

642

00:31:35,690 --> 00:31:33,010

balance like like just a feeling of calm

643

00:31:42,450 --> 00:31:35,700

peace and balance and these things I

644

00:31:43,860 --> 00:31:42,460

verily I clearly have been shown by what

645

00:31:47,310 --> 00:31:43,870

I can only attribute to the

646

00:31:49,920 --> 00:31:47,320

extra-terrestrial helpers who have been

647

00:31:53,190 --> 00:31:49,930

with me for many many years because I do

648

00:31:55,310 --> 00:31:53,200

believe that that there's a lot of

649

00:31:57,630 --> 00:31:55,320

helpful help out there if we can just

650

00:32:00,000 --> 00:31:57,640

connect with them that there are beings

651
00:32:02,420 --> 00:32:00,010
who are trying to help us right now in

652
00:32:06,960 --> 00:32:02,430
various ways so now when you say

653
00:32:08,580 --> 00:32:06,970
extraterrestrial I think that a lot of

654
00:32:11,430 --> 00:32:08,590
people when they hear that they think of

655
00:32:16,670 --> 00:32:11,440
you know a little great guys from Zetas

656
00:32:20,670 --> 00:32:16,680
Reticuli or like that but I suppose that

657
00:32:24,540 --> 00:32:20,680
that's probably a rather simplistic view

658
00:32:28,770 --> 00:32:24,550
of the universe and our reality you know

659
00:32:35,640 --> 00:32:28,780
are we dealing with beans that you know

660
00:32:38,520 --> 00:32:35,650
are you know actually hard to define you

661
00:32:41,610 --> 00:32:38,530
know from across the multiverse so so to

662
00:32:42,990 --> 00:32:41,620
speak yeah they're not just simply nuts

663
00:32:45,900 --> 00:32:43,000

and bolts you know get into a rocket

664

00:32:48,590 --> 00:32:45,910

ship and fly to Planet Earth but they're

665

00:32:54,270 --> 00:32:48,600

actually crossing you know the

666

00:32:56,730 --> 00:32:54,280

interdimensional risk to be with us yeah

667

00:32:58,500 --> 00:32:56,740

I feel like there were what I would

668

00:33:01,139 --> 00:32:58,510

consider to be interdimensional in

669

00:33:05,930 --> 00:33:01,149

nature like you suggest I

670

00:33:08,940 --> 00:33:05,940

I have one being who seems to be

671

00:33:11,880 --> 00:33:08,950

existing in a moonstone ring that I

672

00:33:14,399 --> 00:33:11,890

picked up in Luxor back in 2000 and I

673

00:33:17,970 --> 00:33:14,409

can see this being I can see his image

674

00:33:19,440 --> 00:33:17,980

in the ring other people have seen it we

675

00:33:23,539 --> 00:33:19,450

don't really know exactly what kind of

676

00:33:27,180 --> 00:33:23,549

being he is but I feel like he's somehow

677

00:33:29,039 --> 00:33:27,190

tapped into this ring and into this

678

00:33:31,289 --> 00:33:29,049

moonstone ring somehow and using it as

679

00:33:32,820 --> 00:33:31,299

an interdimensional portal so I think

680

00:33:34,440 --> 00:33:32,830

that when thoughts come to people like

681

00:33:36,659 --> 00:33:34,450

inspiration and things like that that

682

00:33:41,250 --> 00:33:36,669

that's coming in or dimensionally from

683

00:33:42,769 --> 00:33:41,260

guides and helpers and yes angels spirit

684

00:33:46,470 --> 00:33:42,779

guides whoever they are I've just

685

00:33:48,629 --> 00:33:46,480

personally come to more of a Epiphany

686

00:33:51,450 --> 00:33:48,639

lately that probably the majority of

687

00:33:54,299 --> 00:33:51,460

these helpers who help me are more of an

688

00:33:57,629 --> 00:33:54,309

interdimensional nature all right all

689

00:34:02,009 --> 00:33:57,639

right so now taking that a step further

690

00:34:04,350 --> 00:34:02,019

and this this occurred to me and I can't

691

00:34:08,879 --> 00:34:04,360

exactly something that you said in the

692

00:34:11,359 --> 00:34:08,889

first segment what about what about us

693

00:34:14,430 --> 00:34:11,369

people tend to think of themselves as

694

00:34:19,109 --> 00:34:14,440

you know basically just you know maybe a

695

00:34:26,089 --> 00:34:19,119

ghost in a meat machine but more than

696

00:34:30,750 --> 00:34:26,099

likely we are actually extensions from

697

00:34:31,980 --> 00:34:30,760

these other realities that have and

698

00:34:35,129 --> 00:34:31,990

we're just you know it's like a

699

00:34:38,909 --> 00:34:35,139

fingertip into the top of an aquarium

700

00:34:41,550 --> 00:34:38,919

you know the fish only see the very tip

701
00:34:44,280 --> 00:34:41,560
of a finger not realizing what else is

702
00:34:47,190 --> 00:34:44,290
behind that and I've just always had the

703
00:34:49,530 --> 00:34:47,200
impression that that is the way that we

704
00:34:52,050 --> 00:34:49,540
are that our material body is just that

705
00:34:55,770 --> 00:34:52,060
fingertip into this reality and there's

706
00:34:59,640 --> 00:34:55,780
so much more to us behind that so when

707
00:35:02,520 --> 00:34:59,650
it comes to energy healing your healing

708
00:35:05,460 --> 00:35:02,530
a lot more than just that little bit

709
00:35:07,440 --> 00:35:05,470
that we can see yeah I totally agree

710
00:35:09,630 --> 00:35:07,450
with everything you're saying several

711
00:35:12,150 --> 00:35:09,640
years ago I wrote a book called beyond

712
00:35:13,660 --> 00:35:12,160
reality evidence of parallel universes

713
00:35:15,820 --> 00:35:13,670

where I

714

00:35:19,089 --> 00:35:15,830

was conducting experiments of taking

715

00:35:22,510 --> 00:35:19,099

clients via hypnosis into alternative

716

00:35:25,900 --> 00:35:22,520

universes and realities and clients were

717

00:35:28,930 --> 00:35:25,910

reporting simultaneously existing

718

00:35:30,870 --> 00:35:28,940

sometimes in up to typically not more

719

00:35:33,880 --> 00:35:30,880

than five but a couple people had

720

00:35:36,400 --> 00:35:33,890

several more alternative realities that

721

00:35:40,320 --> 00:35:36,410

they supposedly were existing in all at

722

00:35:42,190 --> 00:35:40,330

once they could go back to important

723

00:35:43,930 --> 00:35:42,200

moments in the past where they made

724

00:35:46,210 --> 00:35:43,940

decision points that was a big part of

725

00:35:47,560 --> 00:35:46,220

the book and they have them go down the

726

00:35:49,359 --> 00:35:47,570

other path where they made the other

727

00:35:51,940 --> 00:35:49,369

decision and then they were able to

728

00:35:53,829 --> 00:35:51,950

really energetically justify that the

729

00:35:55,540 --> 00:35:53,839

things the decisions that they made were

730

00:35:57,540 --> 00:35:55,550

the best for them they could go out into

731

00:36:02,200 --> 00:35:57,550

their future they could go into Simon

732

00:36:04,060 --> 00:36:02,210

simultaneous lives living you know maybe

733

00:36:06,370 --> 00:36:04,070

very similar lives to the ones they were

734

00:36:08,560 --> 00:36:06,380

currently living with a few changes and

735

00:36:10,630 --> 00:36:08,570

everything in between because I totally

736

00:36:12,670 --> 00:36:10,640

agree with you that we are putting our

737

00:36:14,740 --> 00:36:12,680

the tip of our finger into a fishbowl

738

00:36:17,500 --> 00:36:14,750

and one of the things that came out of

739

00:36:19,089 --> 00:36:17,510

that research was this idea that you

740

00:36:21,970 --> 00:36:19,099

know sometimes we're getting inspiration

741

00:36:23,440 --> 00:36:21,980

like stop stop there or make that left

742

00:36:25,420 --> 00:36:23,450

turn or don't do this or that and you

743

00:36:26,950 --> 00:36:25,430

and then sure enough you missed the car

744

00:36:29,290 --> 00:36:26,960

accident or something miraculous

745

00:36:32,310 --> 00:36:29,300

happened and you were saved and so you

746

00:36:34,780 --> 00:36:32,320

know we question here with this limited

747

00:36:36,339 --> 00:36:34,790

perception that we have like where did

748

00:36:38,410 --> 00:36:36,349

that inspiration come from that just

749

00:36:40,960 --> 00:36:38,420

saved my life or just that did this or

750

00:36:43,810 --> 00:36:40,970

that or who was guiding me and one of

751

00:36:46,870 --> 00:36:43,820

the thoughts was that perhaps there

752

00:36:49,690 --> 00:36:46,880

could literally be a future version of

753

00:36:52,540 --> 00:36:49,700

yourself who comes back and warns you of

754

00:36:55,359 --> 00:36:52,550

things and I've actually had people in

755

00:36:58,660 --> 00:36:55,369

some past life regression actually

756

00:37:02,170 --> 00:36:58,670

travel into the past and and comfort

757

00:37:06,490 --> 00:37:02,180

past versions of themselves so I think

758

00:37:08,260 --> 00:37:06,500

it's much more interdimensional so when

759

00:37:10,000 --> 00:37:08,270

I'm saying interdimensional yeah it

760

00:37:11,740 --> 00:37:10,010

could be an interdimensional aspect of

761

00:37:14,950 --> 00:37:11,750

myself who's helping me it could be

762

00:37:16,390 --> 00:37:14,960

things from other you know solar systems

763

00:37:19,780 --> 00:37:16,400

and universes has travelled through a

764

00:37:22,930 --> 00:37:19,790

wormhole it could be any other things

765

00:37:25,390 --> 00:37:22,940

because I I know for a fact that it is

766

00:37:26,289 --> 00:37:25,400

so bizarre here that there's no way that

767

00:37:28,120 --> 00:37:26,299

we're going to understand

768

00:37:31,299 --> 00:37:28,130

what's going on here until we make our

769

00:37:34,499 --> 00:37:31,309

transition and get out of this limiting

770

00:37:37,539 --> 00:37:34,509

existence that we have in these bodies

771

00:37:42,609 --> 00:37:37,549

well and you know I've often I've often

772

00:37:44,079 --> 00:37:42,619

considered because you've heard people

773

00:37:46,479 --> 00:37:44,089

who have had you know near-death

774

00:37:50,349 --> 00:37:46,489

experiences one of the things that

775

00:37:52,509 --> 00:37:50,359

they'll say is that they they're able to

776

00:37:54,759 --> 00:37:52,519

perceive that there's there's no time

777

00:37:56,130 --> 00:37:54,769

that you know the past present the

778

00:38:00,009 --> 00:37:56,140

future all seem to exist simultaneously

779

00:38:04,959 --> 00:38:00,019

and if that's the case what we would

780

00:38:09,729 --> 00:38:04,969

consider reincarnation is just other

781

00:38:14,949 --> 00:38:09,739

aspects of our essence so whatever you'd

782

00:38:17,979 --> 00:38:14,959

want to call it that is living other

783

00:38:20,049 --> 00:38:17,989

lives on this you know on the timeline

784

00:38:23,289 --> 00:38:20,059

that's existing right now at the very

785

00:38:25,660 --> 00:38:23,299

same time as this life but you know your

786

00:38:27,459 --> 00:38:25,670

brain can't comprehend that so they kind

787

00:38:33,029 --> 00:38:27,469

of it kind of compartmentalizes

788

00:38:37,179 --> 00:38:33,039

everything which like you said then

789

00:38:43,359 --> 00:38:37,189

possibly a future aspect may have that

790

00:38:46,929 --> 00:38:43,369

ability to travel to these other lives

791

00:38:51,549 --> 00:38:46,939

and offer assistance you know because if

792

00:38:55,419 --> 00:38:51,559

it goes on far into the future and as

793

00:38:57,819 --> 00:38:55,429

well far into other simultaneous

794

00:39:00,370 --> 00:38:57,829

realities then you almost you have

795

00:39:04,509 --> 00:39:00,380

literally like an almost an infinite

796

00:39:08,469 --> 00:39:04,519

number of selves various degrees of

797

00:39:14,069 --> 00:39:08,479

intelligence and possibly spiritual

798

00:39:20,309 --> 00:39:14,079

hierarchy that can can offer assistance

799

00:39:24,729 --> 00:39:22,660

I'll say these things a lot of times to

800

00:39:28,169 --> 00:39:24,739

my wife and she was just like say stop

801
00:39:31,029 --> 00:39:28,179
it you just you're making my brain hurt

802
00:39:34,539 --> 00:39:31,039
it does make our brain hurt because we

803
00:39:36,400 --> 00:39:34,549
can't possibly understand ourselves and

804
00:39:38,319 --> 00:39:36,410
you know a machine cannot understand

805
00:39:40,150 --> 00:39:38,329
itself we cannot understand ourselves

806
00:39:42,039 --> 00:39:40,160
and even I've told people as much

807
00:39:43,960 --> 00:39:42,049
I love past lives I love past life

808
00:39:47,440 --> 00:39:43,970
regression I think it's amazing but I

809
00:39:50,410 --> 00:39:47,450
don't know for sure that that's even how

810
00:39:52,839 --> 00:39:50,420
we should be defining that as reality

811
00:39:56,620 --> 00:39:52,849
because we like you said we don't really

812
00:39:58,390 --> 00:39:56,630
know for sure is it simultaneous is it

813
00:40:01,000 --> 00:39:58,400

really our own past lives and when I

814

00:40:03,279 --> 00:40:01,010

guide people into those places what does

815

00:40:05,289 --> 00:40:03,289

happen from a therapeutic standpoint is

816

00:40:07,329 --> 00:40:05,299

that you know people do have a story

817

00:40:09,010 --> 00:40:07,339

that they can tell me about something

818

00:40:11,230 --> 00:40:09,020

that happened hundreds of years ago and

819

00:40:12,760 --> 00:40:11,240

I could say well why is that relating to

820

00:40:14,650 --> 00:40:12,770

the problems that you're having now and

821

00:40:18,520 --> 00:40:14,660

they have stories for those things they

822

00:40:20,620 --> 00:40:18,530

know why this matters and so to me the

823

00:40:23,380 --> 00:40:20,630

only reason why we explore the bazaar is

824

00:40:26,589 --> 00:40:23,390

because we need to try to find more

825

00:40:28,660 --> 00:40:26,599

peace in the now and get through this

826

00:40:33,910 --> 00:40:28,670

crazy thing that we're calling life here

827

00:40:37,390 --> 00:40:33,920

so no what would you say to somebody who

828

00:40:43,740 --> 00:40:37,400

is is is wanting to take that first step

829

00:40:46,960 --> 00:40:43,750

to to heal themselves or or whatever

830

00:40:48,760 --> 00:40:46,970

problem that they have you know

831

00:40:51,910 --> 00:40:48,770

something everybody has to take that

832

00:40:54,220 --> 00:40:51,920

first step what would you say what do

833

00:40:54,720 --> 00:40:54,230

you suggest that a person you know what

834

00:40:57,240 --> 00:40:54,730

do they do

835

00:41:01,960 --> 00:40:57,250

wow that's a really interesting question

836

00:41:04,450 --> 00:41:01,970

I think that everybody has a different

837

00:41:07,480 --> 00:41:04,460

path and so I think part of it is just

838

00:41:10,720 --> 00:41:07,490

being open to what shows up when I

839

00:41:14,769 --> 00:41:10,730

really needed some major healing I met

840

00:41:17,200 --> 00:41:14,779

some people who got me into a hypnotist

841

00:41:21,690 --> 00:41:17,210

and a neuro linguistic programming class

842

00:41:24,010 --> 00:41:21,700

and and by taking the those courses

843

00:41:26,289 --> 00:41:24,020

practitioner and master practitioner you

844

00:41:28,000 --> 00:41:26,299

know you have to get a lot of therapy

845

00:41:29,589 --> 00:41:28,010

and you have to learn how to give a lot

846

00:41:31,420 --> 00:41:29,599

of therapy and so that was kind of the

847

00:41:34,480 --> 00:41:31,430

beginning of my path and there was a lot

848

00:41:37,690 --> 00:41:34,490

of karma and healing that had to come

849

00:41:40,660 --> 00:41:37,700

for me from that and so I think that the

850

00:41:43,390 --> 00:41:40,670

universal manager you know puts people

851
00:41:45,670 --> 00:41:43,400
on all of our pads for a reason so I

852
00:41:47,430 --> 00:41:45,680
would say to anybody you just have to

853
00:41:51,220 --> 00:41:47,440
see who's showing up in your life

854
00:41:52,990 --> 00:41:51,230
there's there was a I don't know where I

855
00:41:53,960 --> 00:41:53,000
saw this but you know how like if

856
00:41:55,460 --> 00:41:53,970
there's a dark

857
00:41:57,319 --> 00:41:55,470
and there's just a little headlight out

858
00:41:59,780 --> 00:41:57,329
on a dark road and you can just see a

859
00:42:00,829 --> 00:41:59,790
few feet in front of us and somebody was

860
00:42:03,109 --> 00:42:00,839
saying you know that's kind of like a

861
00:42:06,470 --> 00:42:03,119
metaphor for life we can't really see

862
00:42:08,930 --> 00:42:06,480
too far out into our own futures so you

863
00:42:11,180 --> 00:42:08,940

just have to take that next step that

864

00:42:12,890 --> 00:42:11,190

feels appropriate to get you where

865

00:42:14,930 --> 00:42:12,900

you're going and I feel like you know

866

00:42:17,030 --> 00:42:14,940

whether it's taking a class or maybe you

867

00:42:19,670 --> 00:42:17,040

need you know I went to it I've been to

868

00:42:21,410 --> 00:42:19,680

traditional therapists before I didn't

869

00:42:23,210 --> 00:42:21,420

find that it worked but I can say that

870

00:42:26,000 --> 00:42:23,220

it was a blessing because it gets you to

871

00:42:28,700 --> 00:42:26,010

where you need to be so just kind of

872

00:42:30,410 --> 00:42:28,710

just trying what makes sense to you at

873

00:42:32,270 --> 00:42:30,420

any given moment and if some of it is

874

00:42:34,250 --> 00:42:32,280

horrible then just bless it and say you

875

00:42:36,980 --> 00:42:34,260

know what next and then just keep

876

00:42:40,550 --> 00:42:36,990

looking you know find the book talk to

877

00:42:43,670 --> 00:42:40,560

people look seek and just let it unfold

878

00:42:47,420 --> 00:42:43,680

and just be patient and kind to yourself

879

00:42:50,990 --> 00:42:47,430

that's really important well I think you

880

00:42:54,220 --> 00:42:51,000

you made a very good point there I'm a

881

00:42:57,680 --> 00:42:54,230

big believer in synchronicity and

882

00:43:00,950 --> 00:42:57,690

listening to you know what the universe

883

00:43:04,579 --> 00:43:00,960

is is trying to say to you and which

884

00:43:07,819 --> 00:43:04,589

directions that you should be taken and

885

00:43:10,579 --> 00:43:07,829

and I hear stories so many people who

886

00:43:14,900 --> 00:43:10,589

will recount to me you know these these

887

00:43:17,510 --> 00:43:14,910

these amazing synchronistic events you

888

00:43:20,050 --> 00:43:17,520

know some people will pay so close

889

00:43:22,339 --> 00:43:20,060

attention to them and and you know

890

00:43:24,380 --> 00:43:22,349

fabulous things will happen to him and

891

00:43:26,510 --> 00:43:24,390

then you have other people who would

892

00:43:29,089 --> 00:43:26,520

just be like you know oh well you know

893

00:43:31,250 --> 00:43:29,099

such assets happened it was just kind of

894

00:43:36,800 --> 00:43:31,260

weird but you know I want the opposite

895

00:43:39,140 --> 00:43:36,810

direction so to speak and I I do I mean

896

00:43:44,359 --> 00:43:39,150

I I think that it's it's so important

897

00:43:47,540 --> 00:43:44,369

for for people to wake up and and notice

898

00:43:49,190 --> 00:43:47,550

the world around them because it's

899

00:43:55,970 --> 00:43:49,200

talking to you that talks to us every

900

00:43:59,510 --> 00:43:55,980

day yes one of the things that is kind

901
00:44:00,980 --> 00:43:59,520
of upsetting well it's not even kind of

902
00:44:02,630 --> 00:44:00,990
upsetting it's super upsetting is that I

903
00:44:05,780 --> 00:44:02,640
don't think that a lot of people are as

904
00:44:07,640 --> 00:44:05,790
awake in some ways because they're so

905
00:44:08,460 --> 00:44:07,650
mesmerized by their technology these

906
00:44:10,810 --> 00:44:08,470
days

907
00:44:13,870 --> 00:44:10,820
and I think that's been a real challenge

908
00:44:15,640 --> 00:44:13,880
for a lot of people I think technology's

909
00:44:17,890 --> 00:44:15,650
done a lot of good things but I think

910
00:44:21,280 --> 00:44:17,900
that it's kind of isolating people and

911
00:44:22,990 --> 00:44:21,290
it's maybe making it harder for some

912
00:44:24,730 --> 00:44:23,000
people to hear that inner voice because

913
00:44:26,320 --> 00:44:24,740

yeah it's that little nudge that tells

914

00:44:28,060 --> 00:44:26,330

you to go one direction you know there's

915

00:44:29,680 --> 00:44:28,070

something magical around the corner like

916

00:44:32,740 --> 00:44:29,690

you said if you listen to the

917

00:44:35,980 --> 00:44:32,750

synchronicity if you pay attention life

918

00:44:40,000 --> 00:44:35,990

can really be a joy it can be a miracle

919

00:44:43,060 --> 00:44:40,010

it could be magical and wonderful well

920

00:44:45,550 --> 00:44:43,070

there's a there's a line from from a

921

00:44:47,740 --> 00:44:45,560

movie with Tom Tom Hanks called Joe

922

00:44:50,260 --> 00:44:47,750

versus the volcano where one of the

923

00:44:52,270 --> 00:44:50,270

characters says to him that you know

924

00:44:54,880 --> 00:44:52,280

that everybody in the world is asleep

925

00:44:57,910 --> 00:44:54,890

and that they just you know they go

926
00:45:01,750 --> 00:44:57,920
through their lives without being aware

927
00:45:04,510 --> 00:45:01,760
of anything but those who are awake look

928
00:45:07,840 --> 00:45:04,520
at the world in a constant state of

929
00:45:09,550 --> 00:45:07,850
amazement and that's that's why I always

930
00:45:12,280 --> 00:45:09,560
try to tell people just to you know

931
00:45:13,540 --> 00:45:12,290
think about how you feel how you felt as

932
00:45:16,240 --> 00:45:13,550
a kid when you got up on Christmas

933
00:45:19,480 --> 00:45:16,250
morning you know every day should feel

934
00:45:20,080 --> 00:45:19,490
like that to you I totally agree with

935
00:45:22,750 --> 00:45:20,090
that

936
00:45:25,150 --> 00:45:22,760
you're absolutely right I started going

937
00:45:28,750 --> 00:45:25,160
a couple years ago I was kind of in a

938
00:45:31,270 --> 00:45:28,760

slump and so I started going to Zumba

939

00:45:35,500 --> 00:45:31,280

classes at the gym you know and dancing

940

00:45:37,330 --> 00:45:35,510

and it just was so fun you know and it

941

00:45:39,100 --> 00:45:37,340

really brought a lot of joy back into my

942

00:45:42,640 --> 00:45:39,110

life so I don't know what brings people

943

00:45:48,190 --> 00:45:42,650

joy but movement getting around real

944

00:45:50,440 --> 00:45:48,200

people talking dancing playing it's it's

945

00:45:52,720 --> 00:45:50,450

kind of hard to get out of a slump when

946

00:45:56,260 --> 00:45:52,730

you're in one but if you can just wake

947

00:45:59,170 --> 00:45:56,270

up enough look around and find something

948

00:46:04,090 --> 00:45:59,180

joyful and yeah it can be really a good

949

00:46:05,230 --> 00:46:04,100

place to be find your bliss find it all

950

00:46:06,490 --> 00:46:05,240

right well they only have a couple of

951
00:46:08,770 --> 00:46:06,500
minutes left unfortunately in the

952
00:46:11,040 --> 00:46:08,780
program so I want to give you an

953
00:46:13,690 --> 00:46:11,050
opportunity to let our audience know

954
00:46:14,970 --> 00:46:13,700
where they can find you online and where

955
00:46:18,490 --> 00:46:14,980
they can find all your books

956
00:46:20,050 --> 00:46:18,500
thank you yes my website is past life

957
00:46:22,990 --> 00:46:20,060
lady dot-com

958
00:46:26,500 --> 00:46:23,000
and I've got a YouTube channel which is

959
00:46:28,750 --> 00:46:26,510
past-life lady and I've got a couple of

960
00:46:30,700 --> 00:46:28,760
Facebook fan pages one is past-life lady

961
00:46:34,060 --> 00:46:30,710
and what it is Shelley care which is

962
00:46:37,210 --> 00:46:34,070
hard to spell and then I wanna Instagram

963
00:46:39,070 --> 00:46:37,220

is Shelley care and so I'm trying to put

964

00:46:40,930 --> 00:46:39,080

a lot of new content up on my youtube

965

00:46:42,430 --> 00:46:40,940

channel now unless one of my big focuses

966

00:46:45,190 --> 00:46:42,440

this year is to try to bring some

967

00:46:46,780 --> 00:46:45,200

resources out of the book do some demos

968

00:46:50,110 --> 00:46:46,790

online to try to help people in their

969

00:46:52,450 --> 00:46:50,120

path so hoping people can find joy in

970

00:46:55,150 --> 00:46:52,460

this lifetime all right thank you for

971

00:46:57,730 --> 00:46:55,160

having me on the show it was a joy no

972

00:46:59,740 --> 00:46:57,740

it's a real pleasure talking with you

973

00:47:01,840 --> 00:46:59,750

tonight and I hope that you can come

974

00:47:02,470 --> 00:47:01,850

back and join us again sometime in the

975

00:47:05,830 --> 00:47:02,480

near future

976

00:47:09,010 --> 00:47:05,840

that'd be great all right well that dr.

977

00:47:11,410 --> 00:47:09,020

Shelley care I'm Tim Schwarz Tim Beckley

978

00:47:13,300 --> 00:47:11,420

wherever you are I hope to see you again

979

00:47:16,480 --> 00:47:13,310

next week and for everyone out there

980

00:47:17,050 --> 00:47:16,490

thanks for listening and see you again

981

00:47:23,180 --> 00:47:17,060

real soon

982

00:47:29,999 --> 00:47:26,130

you've been listening to exploring the

983

00:47:33,269 --> 00:47:30,009

bazaar with hosts Timothy Becky and to

984

00:47:35,579 --> 00:47:33,279

Swartz they're taking back the night by

985

00:47:38,190 --> 00:47:35,589

jetting non-stop across the cosmos

986

00:47:41,220 --> 00:47:38,200

in search of the truly bizarre and

987

00:47:42,540 --> 00:47:41,230

totally unexplained with you as their

988

00:47:45,050 --> 00:47:42,550

cold

989

00:47:49,530 --> 00:47:45,060

Thursday nights at 7:00 p.m. Pacific

990

00:47:50,740 --> 00:47:49,540

10:00 p.m. Eastern on the K cor digital

991

00:47:53,200 --> 00:47:50,750

radio

992

00:47:56,650 --> 00:47:53,210

for more information on exploring the

993

00:47:59,500 --> 00:47:56,660

bazaar and hosts timothy Beckley and tim

994

00:48:02,589 --> 00:47:59,510

Swartz check out their kco our digital

995

00:48:08,830 --> 00:48:02,599

radio network follow their YouTube
