

EXPLORING THE BIZARRE

SEV TOK

TIM BECKLEY

TIM SWARTZ

1
00:00:37,229 --> 00:00:21,830

[Music]

2
00:00:44,189 --> 00:00:41,710

explode the bazaars or e-ticket ride

3
00:00:47,470 --> 00:00:44,199

into the world of the paranoid

4
00:00:51,780 --> 00:00:47,480

strap yourself e'en as we traverse the

5
00:00:54,900 --> 00:00:51,790

universe exploring the unexplained UFO s

6
00:00:57,280 --> 00:00:54,910

ghosts Lost Worlds

7
00:01:01,119 --> 00:00:57,290

cryptozoology waters as well as other

8
00:01:05,499 --> 00:01:01,129

dimensions it's time to take back the

9
00:01:08,770 --> 00:01:05,509

night last night now your electrifying

10
00:01:14,010 --> 00:01:08,780

hosts of exploring the bizarre Timothy

11
00:01:21,370 --> 00:01:16,690

okay Tim I know I'm gonna regret asking

12
00:01:25,359 --> 00:01:21,380

this but why are we up on this

13
00:01:27,669 --> 00:01:25,369

mountaintop as if we're looking for

14

00:01:31,090 --> 00:01:27,679

something it's cold and I don't like it

15

00:01:33,789 --> 00:01:31,100

here what we are looking for something

16

00:01:35,830 --> 00:01:33,799

so just be a little patient at least I'm

17

00:01:38,679 --> 00:01:35,840

looking for something anyway know what

18

00:01:42,309 --> 00:01:38,689

the aliens to come down and snatch me so

19

00:01:45,130 --> 00:01:42,319

I can get a heavy dose of wisdom okay

20

00:01:48,370 --> 00:01:45,140

but but don't you run the risk of having

21

00:01:51,639 --> 00:01:48,380

them pick you up and examine you

22

00:01:54,429 --> 00:01:51,649

like they've done to our guest tonight

23

00:01:59,589 --> 00:01:54,439

and in the process leave scratch like

24

00:02:01,120 --> 00:01:59,599

and scoop marks all over your body there

25

00:02:03,580 --> 00:02:01,130

must be a good reason when you think

26
00:02:07,419 --> 00:02:03,590
about it while they examine humans nah

27
00:02:09,279 --> 00:02:07,429
mostly returned back unscathed but there

28
00:02:12,490 --> 00:02:09,289
is always a chance of encountering I

29
00:02:15,520 --> 00:02:12,500
suppose opposing forces you know it is a

30
00:02:19,390 --> 00:02:15,530
big multi-dimensional universe out there

31
00:02:21,640 --> 00:02:19,400
oh well I guess we can find all this

32
00:02:24,819 --> 00:02:21,650
from our guest this evening and let's

33
00:02:27,640 --> 00:02:24,829
hope the boys hovering overhead right

34
00:02:30,910 --> 00:02:27,650
now we're not interested in the bizarre

35
00:02:33,069 --> 00:02:30,920
tampering of our bodies and if if you

36
00:02:38,250 --> 00:02:33,079
ask me we should return to the safe

37
00:02:43,420 --> 00:02:41,530
and and I thought you were a serious

38
00:02:47,080 --> 00:02:43,430

researcher and wanted to know the truth

39

00:02:49,180 --> 00:02:47,090

about you you were UFOs but all right

40

00:02:52,720 --> 00:02:49,190

let's play it safe and I'll come back

41

00:02:55,300 --> 00:02:52,730

with you besides we've got a guest

42

00:02:57,940 --> 00:02:55,310

tonight who has a lot of personal

43

00:03:00,960 --> 00:02:57,950

experiences in this area and she can

44

00:03:04,930 --> 00:03:00,970

tell us I'm sure what's really going on

45

00:03:08,440 --> 00:03:04,940

yeah well I'm I'm a proper a researcher

46

00:03:12,000 --> 00:03:08,450

investigator Tim but not just with with

47

00:03:15,819 --> 00:03:12,010

my own body okay oh okay

48

00:03:18,220 --> 00:03:15,829

yeah no I'm not offering myself up as a

49

00:03:21,250 --> 00:03:18,230

guinea pig well you can get off that

50

00:03:23,619 --> 00:03:21,260

examine aiding examination table anytime

51
00:03:25,690 --> 00:03:23,629
that you want I'm sure although I don't

52
00:03:27,100 --> 00:03:25,700
know in in our book screwed by the

53
00:03:29,460 --> 00:03:27,110
aliens

54
00:03:31,450 --> 00:03:29,470
expertise we had some pretty wild

55
00:03:33,970 --> 00:03:31,460
stories in there

56
00:03:36,610 --> 00:03:33,980
I've always or at least I've come to

57
00:03:39,460 --> 00:03:36,620
conclude and in recent times that we've

58
00:03:43,090 --> 00:03:39,470
got the good guys and the bad guys up

59
00:03:46,270 --> 00:03:43,100
there and I have to admit I never really

60
00:03:48,790 --> 00:03:46,280
you know I know but Hopkins or David

61
00:03:52,720 --> 00:03:48,800
David did Jacob saw I don't claim to

62
00:03:54,370 --> 00:03:52,730
have missing their time the only missing

63
00:03:58,030 --> 00:03:54,380

time I can remember is when I was a

64

00:04:00,850 --> 00:03:58,040

child on the playing in the schoolyard

65

00:04:02,410 --> 00:04:00,860

no I said graveyard playing in the

66

00:04:04,600 --> 00:04:02,420

schoolyard and we were playing like

67

00:04:06,610 --> 00:04:04,610

kickball or something and I went to kick

68

00:04:08,410 --> 00:04:06,620

the ball and I missed the ball and I

69

00:04:10,479 --> 00:04:08,420

guess I ended up on my head and the next

70

00:04:13,510 --> 00:04:10,489

thing I know the school nurse and my

71

00:04:14,800 --> 00:04:13,520

sister were looking down at me and and

72

00:04:17,440 --> 00:04:14,810

so I guess you could say I might have

73

00:04:19,539 --> 00:04:17,450

had a little bit of missing time now the

74

00:04:22,600 --> 00:04:19,549

only other thing that that comes to mind

75

00:04:26,020 --> 00:04:22,610

and I've never mentioned this before is

76

00:04:30,340 --> 00:04:26,030

I can remember when I was growing up

77

00:04:33,790 --> 00:04:30,350

that my mother had to go to the doctor

78

00:04:37,750 --> 00:04:33,800

and I went with her because I was too

79

00:04:40,780 --> 00:04:37,760

young to say it at home and we went to

80

00:04:43,960 --> 00:04:40,790

the doctor because she had something in

81

00:04:48,400 --> 00:04:43,970

her in her leg up towards I guess her

82

00:04:50,650 --> 00:04:48,410

her knee and it was sticking out and and

83

00:04:55,900 --> 00:04:50,660

it looked like you as far as I can

84

00:04:58,990 --> 00:04:55,910

record a call like a long black March of

85

00:05:00,550 --> 00:04:59,000

some kind and the doctor managed to pull

86

00:05:03,820 --> 00:05:00,560

it out through the the skin and I know

87

00:05:08,350 --> 00:05:03,830

and left quite a bruise there for a

88

00:05:11,290 --> 00:05:08,360

while and it was like a pin of some sort

89

00:05:14,500 --> 00:05:11,300

now the doctor told her oh you must have

90

00:05:17,380 --> 00:05:14,510

been sewing and a needle got in and

91

00:05:20,320 --> 00:05:17,390

traveled up your leg I guess that's

92

00:05:23,440 --> 00:05:20,330

theoretically possible I don't know I

93

00:05:26,020 --> 00:05:23,450

have no experiences along that line but

94

00:05:27,909 --> 00:05:26,030

you know I'm thinking about what the

95

00:05:31,300 --> 00:05:27,919

abductees claim about this

96

00:05:33,820 --> 00:05:31,310

what is it inter-generational abductions

97

00:05:37,839 --> 00:05:33,830

where they tagged a member of your

98

00:05:39,279 --> 00:05:37,849

family and then keep on watching you

99

00:05:40,869 --> 00:05:39,289

know the next of Makenna and the

100

00:05:43,570 --> 00:05:40,879

generations for

101
00:05:48,129 --> 00:05:43,580
gosh knows how long so it's possible

102
00:05:53,709 --> 00:05:48,139
that they tagged my mom and I continued

103
00:05:55,689 --> 00:05:53,719
on as their guinea pig on some of some

104
00:05:57,549 --> 00:05:55,699
sort I mean that's a wild and

105
00:06:00,100 --> 00:05:57,559
far-fetched and I can't say that I

106
00:06:02,679 --> 00:06:00,110
believe it but it's it's worth the

107
00:06:06,449 --> 00:06:02,689
mentioning and we can ask our guest

108
00:06:11,859 --> 00:06:09,269
abductees and why don't you tell us them

109
00:06:13,929 --> 00:06:11,869
about I know things are going well for

110
00:06:16,359 --> 00:06:13,939
you in Jasper Indiana and you've been

111
00:06:17,649 --> 00:06:16,369
diligently working on our next two books

112
00:06:20,889 --> 00:06:17,659
and we'll have out for the holiday

113
00:06:23,259 --> 00:06:20,899

incredible encounters Tim Beck Lee's big

114

00:06:24,759 --> 00:06:23,269

book of incredible encounters and it's

115

00:06:27,249 --> 00:06:24,769

gonna be a wonderful thing and I'm sure

116

00:06:30,999 --> 00:06:27,259

it's growing in size right yeah yeah

117

00:06:32,769 --> 00:06:31,009

that's right but let me yeah let me

118

00:06:36,399 --> 00:06:32,779

introduce our guest which I'm so happy

119

00:06:40,329 --> 00:06:36,409

that she decided to join us tonight on

120

00:06:42,879 --> 00:06:40,339

on our show are just as a self talk now

121

00:06:44,709 --> 00:06:42,889

self was born in Istanbul Turkey and

122

00:06:47,109 --> 00:06:44,719

came to the United States as a little

123

00:06:49,779 --> 00:06:47,119

girl now she grew up in the wash and the

124

00:06:52,299 --> 00:06:49,789

Virginia Washington DC suburbs and her

125

00:06:54,339 --> 00:06:52,309

parents introduced her to spirituality

126

00:06:57,100 --> 00:06:54,349

at an early age now seven started

127

00:06:59,109 --> 00:06:57,110

meditating in the fifth grade and that

128

00:07:02,049 --> 00:06:59,119

opened up a whole new world for her now

129

00:07:06,399 --> 00:07:02,059

she's had supernatural events and et

130

00:07:08,980 --> 00:07:06,409

contacts for most of her life and she

131

00:07:11,379 --> 00:07:08,990

became a sole purpose coach conducting

132

00:07:14,169 --> 00:07:11,389

sole purpose readings her ability to

133

00:07:16,569 --> 00:07:14,179

read her clients energy field and hear

134

00:07:19,600 --> 00:07:16,579

feel and see interdimensional

135

00:07:22,029 --> 00:07:19,610

information formed the foundation for

136

00:07:24,369 --> 00:07:22,039

her next field of study which was et

137

00:07:27,819 --> 00:07:24,379

contact now her first book was you have

138

00:07:30,579 --> 00:07:27,829

the right to talk to aliens and and it's

139

00:07:33,040 --> 00:07:30,589

about her her coming out with the whole

140

00:07:34,779 --> 00:07:33,050

et contact thing and as a book she

141

00:07:37,540 --> 00:07:34,789

describes her many alien contacts and

142

00:07:39,730 --> 00:07:37,550

how she transformed her fears of ETS to

143

00:07:43,209 --> 00:07:39,740

understanding their peaceful intentions

144

00:07:45,579 --> 00:07:43,219

says the debut book serves to provide

145

00:07:48,189 --> 00:07:45,589

momentum for the universal reveal that

146

00:07:49,439 --> 00:07:48,199

we are not alone in the galaxies humans

147

00:07:51,939 --> 00:07:49,449

are part of an intergalactic

148

00:07:54,309 --> 00:07:51,949

neighborhood and we have the right to

149

00:07:56,200 --> 00:07:54,319

talk to our neighbors the ETS

150

00:07:58,989 --> 00:07:56,210

now sev recently moved to the inner

151
00:08:01,540 --> 00:07:58,999
banks of north carolina with Patrick and

152
00:08:04,179 --> 00:08:01,550
her two mystical black cats Zulu and

153
00:08:07,779 --> 00:08:04,189
comet now her latest book is the

154
00:08:09,579 --> 00:08:07,789
universe speaks talks to empower you so

155
00:08:12,100 --> 00:08:09,589
self talk thank you very much for being

156
00:08:15,219 --> 00:08:12,110
with us tonight on exploring the bizarre

157
00:08:17,489 --> 00:08:15,229
good evening Tim and Tim and all your

158
00:08:21,129 --> 00:08:17,499
listeners it's a pleasure to be with you

159
00:08:23,739 --> 00:08:21,139
well you know this is a little bit

160
00:08:25,510 --> 00:08:23,749
different than what we well we haven't

161
00:08:27,429 --> 00:08:25,520
had that many abductees that we've had a

162
00:08:30,129 --> 00:08:27,439
few but I guess we really haven't

163
00:08:32,559 --> 00:08:30,139

extended ourselves too much in that area

164

00:08:34,629 --> 00:08:32,569

but we've been friends on Facebook for a

165

00:08:36,370 --> 00:08:34,639

while and I noticed you had a lot of

166

00:08:38,559 --> 00:08:36,380

information that you're throwing out

167

00:08:41,050 --> 00:08:38,569

there on your website and also I said

168

00:08:45,220 --> 00:08:41,060

well let's let's take a chance and and

169

00:08:47,860 --> 00:08:45,230

talk to seven and see what this is what

170

00:08:51,490 --> 00:08:47,870

this is all about now when did you first

171

00:08:53,920 --> 00:08:51,500

encounter I say extraterrestrials but

172

00:08:56,920 --> 00:08:53,930

maybe you have a different feeling as to

173

00:08:58,600 --> 00:08:56,930

what these beings are that's taking you

174

00:09:00,819 --> 00:08:58,610

I mean how old were you when you first

175

00:09:02,610 --> 00:09:00,829

had an encounter and what exactly

176

00:09:06,100 --> 00:09:02,620

transpired

177

00:09:08,920 --> 00:09:06,110

my earliest conscious of memory started

178

00:09:13,769 --> 00:09:08,930

when I was 10 and that lasted for a

179

00:09:17,379 --> 00:09:13,779

couple of years until I was 12 and that

180

00:09:19,990 --> 00:09:17,389

involved multiple multiple visits so

181

00:09:22,509 --> 00:09:20,000

many that I lost count of a being that

182

00:09:25,689 --> 00:09:22,519

would come and visit me in this very

183

00:09:28,150 --> 00:09:25,699

large spacecraft and I would be standing

184

00:09:29,559 --> 00:09:28,160

on the ground looking up at it it would

185

00:09:33,550 --> 00:09:29,569

come from a different direction each

186

00:09:36,040 --> 00:09:33,560

time and this being would come out of it

187

00:09:40,059 --> 00:09:36,050

and it resembled a human it was very

188

00:09:43,389 --> 00:09:40,069

close to human it was a young male in

189

00:09:45,850 --> 00:09:43,399

his 20s or 30s and what was different

190

00:09:50,559 --> 00:09:45,860

about him was his ears they were a

191

00:09:52,600 --> 00:09:50,569

little more elongated and he was coming

192

00:09:55,179 --> 00:09:52,610

to check up on me just to make sure that

193

00:09:59,110 --> 00:09:55,189

I was okay and every time I saw him I

194

00:10:02,829 --> 00:09:59,120

was so happy it was like seeing a

195

00:10:05,470 --> 00:10:02,839

long-lost brother know were you in were

196

00:10:08,210 --> 00:10:05,480

you in Turkey witness took place no I

197

00:10:10,880 --> 00:10:08,220

was in the u.s. I was

198

00:10:14,110 --> 00:10:10,890

living close to Washington DC I was in

199

00:10:17,480 --> 00:10:14,120

the Annapolis Maryland area yeah okay

200

00:10:19,160 --> 00:10:17,490

and I didn't say anything to anybody I

201
00:10:22,490 --> 00:10:19,170
could have said something to my parents

202
00:10:25,400 --> 00:10:22,500
because they were very open and there

203
00:10:26,710 --> 00:10:25,410
were way before their time but I still

204
00:10:30,980 --> 00:10:26,720
did it and I just kept it to myself

205
00:10:34,610 --> 00:10:30,990
until the there was a last a last

206
00:10:36,800 --> 00:10:34,620
meeting and the at the last one and I

207
00:10:38,810 --> 00:10:36,810
was with a group of kids and with all

208
00:10:41,630 --> 00:10:38,820
the other times it was just the two of

209
00:10:43,340 --> 00:10:41,640
us but this time there were I was with a

210
00:10:46,850 --> 00:10:43,350
group of kids that were around my age

211
00:10:50,570 --> 00:10:46,860
and we were just standing there watching

212
00:10:52,730 --> 00:10:50,580
this spaceship go off knowing that we

213
00:10:56,570 --> 00:10:52,740

weren't gonna see it again and we were

214

00:11:00,680 --> 00:10:56,580

sad and I just had a feeling of well

215

00:11:02,450 --> 00:11:00,690

okay I gotta get to work and then I come

216

00:11:05,300 --> 00:11:02,460

back I'm in my bedroom and then I have

217

00:11:07,280 --> 00:11:05,310

to get ready and go to fifth grade and I

218

00:11:09,680 --> 00:11:07,290

didn't know what my work was I didn't

219

00:11:12,650 --> 00:11:09,690

think about it I just tried to ignore it

220

00:11:14,120 --> 00:11:12,660

but it got to the point a couple of

221

00:11:18,940 --> 00:11:14,130

years ago where I just couldn't ignore

222

00:11:22,190 --> 00:11:18,950

it anymore well obviously you had repeat

223

00:11:25,090 --> 00:11:22,200

visits but now did this individual have

224

00:11:29,360 --> 00:11:25,100

a name and did he say where he was

225

00:11:31,580 --> 00:11:29,370

coming from and why did he select you I

226

00:11:38,150 --> 00:11:31,590

mean after all you're only five five

227

00:11:44,600 --> 00:11:38,160

years old yeah I guess when you start

228

00:11:47,300 --> 00:11:44,610

it's great yeah I do not remember a name

229

00:11:54,730 --> 00:11:47,310

and I do not remember where he was from

230

00:11:59,540 --> 00:11:54,740

I don't remember that information no and

231

00:12:02,030 --> 00:11:59,550

what really made me finally come out and

232

00:12:06,110 --> 00:12:02,040

admit that what's been happening since

233

00:12:09,200 --> 00:12:06,120

fifth grade is real was an incident that

234

00:12:12,110 --> 00:12:09,210

I had just two years ago in September it

235

00:12:13,970 --> 00:12:12,120

was it was just a second night that we

236

00:12:16,430 --> 00:12:13,980

moved here to the inner Banks of North

237

00:12:20,060 --> 00:12:16,440

Carolina we came from Washington DC

238

00:12:21,129 --> 00:12:20,070

Capitol Hill and lots of weird things

239

00:12:24,340 --> 00:12:21,139

had been happening

240

00:12:27,489 --> 00:12:24,350

but I was just kept ignoring them there

241

00:12:29,889 --> 00:12:27,499

would be chunks of skin missing I have

242

00:12:32,619 --> 00:12:29,899

in my book you have the right to talk to

243

00:12:35,319 --> 00:12:32,629

aliens have a picture of this rectangle

244

00:12:38,979 --> 00:12:35,329

that you could see four slices taken out

245

00:12:40,239 --> 00:12:38,989

of my back it was very clear and one

246

00:12:42,460 --> 00:12:40,249

thing after another after another

247

00:12:44,109 --> 00:12:42,470

strange lights I've been giving

248

00:12:46,720 --> 00:12:44,119

information about the hybridization

249

00:12:50,729 --> 00:12:46,730

program I've been showing a baby in a

250

00:12:53,650 --> 00:12:50,739

tube I just kept trying to ignore it I

251
00:12:55,989 --> 00:12:53,660
didn't want to deal with it and then the

252
00:12:57,879 --> 00:12:55,999
second night that we were here I came

253
00:13:01,809 --> 00:12:57,889
face-to-face with the greys and they

254
00:13:04,569 --> 00:13:01,819
burned an X in my back and then nine

255
00:13:13,030 --> 00:13:04,579
days later they burned another X in my

256
00:13:15,579 --> 00:13:13,040
back and it was on my tush to be my left

257
00:13:17,199 --> 00:13:15,589
touch my left cheek and then nine days

258
00:13:18,189 --> 00:13:17,209
later there was another one just like it

259
00:13:20,559 --> 00:13:18,199
on my right cheek

260
00:13:25,900 --> 00:13:20,569
and this was accompanied by very

261
00:13:29,319 --> 00:13:25,910
conscious memory of being in a bed that

262
00:13:31,329 --> 00:13:29,329
resembled a hospital bed and I was in a

263
00:13:33,129 --> 00:13:31,339

room that barely had any furniture in it

264

00:13:36,789 --> 00:13:33,139

and it felt very sterile it felt like a

265

00:13:39,970 --> 00:13:36,799

hospital room and I couldn't move my

266

00:13:43,259 --> 00:13:39,980

arms and I couldn't move my legs I felt

267

00:13:45,999 --> 00:13:43,269

paralyzed I was lying on my right side

268

00:13:48,489 --> 00:13:46,009

and I felt like there was something

269

00:13:51,639 --> 00:13:48,499

behind me and I couldn't move my head so

270

00:13:54,429 --> 00:13:51,649

I moved my head and right behind me just

271

00:13:58,319 --> 00:13:54,439

inches from me was a grey doing

272

00:14:03,189 --> 00:13:58,329

something to my back and we locked eyes

273

00:14:06,579 --> 00:14:03,199

for several seconds and I didn't get any

274

00:14:09,999 --> 00:14:06,589

information from it in my other contacts

275

00:14:12,519 --> 00:14:10,009

there was telepathic communication but

276

00:14:14,350 --> 00:14:12,529

this time there was nothing and it

277

00:14:17,349 --> 00:14:14,360

wasn't nice than it was it mean it was

278

00:14:19,869 --> 00:14:17,359

just completely neutral and that freaked

279

00:14:21,309 --> 00:14:19,879

me out just that it being so neutral was

280

00:14:24,129 --> 00:14:21,319

just felt strange

281

00:14:26,319 --> 00:14:24,139

I was very why would they why would they

282

00:14:29,529 --> 00:14:26,329

do something like that I mean it's not a

283

00:14:31,600 --> 00:14:29,539

medical test to to put a scoop marks on

284

00:14:34,359 --> 00:14:31,610

your body necessarily it is certainly

285

00:14:38,949 --> 00:14:34,369

not on your on your backside then I can

286

00:14:44,769 --> 00:14:43,179

there's a couple reasons first to get my

287

00:14:48,789 --> 00:14:44,779

attention because I've been ignoring

288

00:14:52,359 --> 00:14:48,799

them for decades and this is what got my

289

00:14:55,809 --> 00:14:52,369

attention and I do believe that I have a

290

00:15:00,129 --> 00:14:55,819

mission to talk about my experiences and

291

00:15:03,189 --> 00:15:00,139

to just let people know that there are

292

00:15:06,069 --> 00:15:03,199

millions of us that are having contact

293

00:15:06,519 --> 00:15:06,079

with ETS and many people don't even know

294

00:15:10,469 --> 00:15:06,529

it

295

00:15:14,199 --> 00:15:10,479

multi-dimensional interdimensional way

296

00:15:16,329 --> 00:15:14,209

et contact doesn't happen only in 3d

297

00:15:19,900 --> 00:15:16,339

when you're in your car when you're out

298

00:15:22,960 --> 00:15:19,910

camping it also happens in states where

299

00:15:26,949 --> 00:15:22,970

you travel through portals and you

300

00:15:31,449 --> 00:15:26,959

travel through type warps and frequency

301
00:15:34,869 --> 00:15:31,459
is changed and you have these these

302
00:15:38,319 --> 00:15:34,879
experiences that the brain can't explain

303
00:15:42,210 --> 00:15:38,329
and so the brain may choose to call it a

304
00:15:47,519 --> 00:15:42,220
dream or a fantasy or a hallucinate

305
00:15:52,179 --> 00:15:47,529
hallucination but it's not now have you

306
00:15:54,999 --> 00:15:52,189
ever undergone hypnosis to to bring out

307
00:15:59,409 --> 00:15:55,009
any more details of your experience I

308
00:16:01,329 --> 00:15:59,419
did once after what happened in Roswell

309
00:16:03,489 --> 00:16:01,339
because what happened in Roswell New

310
00:16:04,989 --> 00:16:03,499
Mexico freaked me out so much and I

311
00:16:07,449 --> 00:16:04,999
could only remember what hardened war

312
00:16:07,719 --> 00:16:07,459
tell us well tell us about it yeah go

313
00:16:13,269 --> 00:16:07,729

ahead

314

00:16:17,799 --> 00:16:13,279

don't don't keep us guessing this was in

315

00:16:19,179 --> 00:16:17,809

November of 2016 and Roswell is a place

316

00:16:21,609 --> 00:16:19,189

that I've been wanting to go ever since

317

00:16:24,069 --> 00:16:21,619

I was a little girl there was a

318

00:16:27,249 --> 00:16:24,079

spaceship that crashed there in the 40s

319

00:16:31,149 --> 00:16:27,259

oh yeah yeah it's a big deal yeah and

320

00:16:34,599 --> 00:16:31,159

just up out of the blue my boyfriend who

321

00:16:36,279 --> 00:16:34,609

was working in Hawaii for a year called

322

00:16:38,859 --> 00:16:36,289

me and said I have to go to the White

323

00:16:41,409 --> 00:16:38,869

Sands Missile Range in New Mexico for

324

00:16:43,509 --> 00:16:41,419

work why don't you meet me in Texas

325

00:16:45,489 --> 00:16:43,519

we'll drive over there I'll show it to

326

00:16:46,960 --> 00:16:45,499

you and then I'll take you to Roswell we

327

00:16:49,980 --> 00:16:46,970

could spend the night there oh that's

328

00:16:55,600 --> 00:16:52,449

yeah until you tell us what happened

329

00:16:57,489 --> 00:16:55,610

then yeah okay have you been to the

330

00:16:59,499 --> 00:16:57,499

White Sands Missile Range or have you

331

00:17:02,579 --> 00:16:59,509

been to White Sands New Mexico either

332

00:17:05,679 --> 00:17:02,589

one of you I've only been in New Mexico

333

00:17:07,120 --> 00:17:05,689

once now I haven't been though I went to

334

00:17:08,439 --> 00:17:07,130

Albuquerque and I didn't have the

335

00:17:11,949 --> 00:17:08,449

greatest time in the world

336

00:17:14,110 --> 00:17:11,959

no yeah yeah that's another that's a

337

00:17:18,250 --> 00:17:14,120

story for another night on another

338

00:17:20,049 --> 00:17:18,260

program but tell us something I mean I

339

00:17:22,539 --> 00:17:20,059

know what used to go on there at White

340

00:17:25,059 --> 00:17:22,549

Sands I know it was a missile a testing

341

00:17:28,240 --> 00:17:25,069

range and there there was a fellow a

342

00:17:30,370 --> 00:17:28,250

years ago that in experiences name was

343

00:17:33,159 --> 00:17:30,380

Daniel Frye I don't know if you're

344

00:17:35,230 --> 00:17:33,169

familiar with the story but I believe he

345

00:17:38,470 --> 00:17:35,240

was sleeping out in his car one night he

346

00:17:42,700 --> 00:17:38,480

worked out there's a an engineer and I

347

00:17:46,500 --> 00:17:42,710

had a UFO experience of some sort and

348

00:17:49,270 --> 00:17:46,510

had continual the input from these

349

00:17:51,130 --> 00:17:49,280

extraterrestrials they were a very human

350

00:17:54,220 --> 00:17:51,140

in appearance I don't think in those

351
00:17:57,340 --> 00:17:54,230
days the greys had really popped up yet

352
00:17:59,740 --> 00:17:57,350
that was later on but you tell us about

353
00:18:00,430 --> 00:17:59,750
white sands and and Roswell and what

354
00:18:05,200 --> 00:18:00,440
happened there

355
00:18:07,299 --> 00:18:05,210
okay there's a lot of nefarious things

356
00:18:09,460 --> 00:18:07,309
that goes on at white sands we don't

357
00:18:12,250 --> 00:18:09,470
know everything that's going on there

358
00:18:14,560 --> 00:18:12,260
and as soon as my boyfriend took me

359
00:18:16,450 --> 00:18:14,570
there I just wanted to run I wanted to

360
00:18:19,000 --> 00:18:16,460
run in the opposite direction it was

361
00:18:22,659 --> 00:18:19,010
really creepy and it's at the bottom of

362
00:18:23,620 --> 00:18:22,669
a big black mountain and I was very

363
00:18:26,770 --> 00:18:23,630

uncomfortable

364

00:18:29,320 --> 00:18:26,780

I stayed to make my boyfriend happy and

365

00:18:31,330 --> 00:18:29,330

they were they had this missile park

366

00:18:34,090 --> 00:18:31,340

outside where they had all these

367

00:18:35,620 --> 00:18:34,100

different missiles yeah and then there

368

00:18:37,270 --> 00:18:35,630

was this one though which is very

369

00:18:40,210 --> 00:18:37,280

strange it doesn't look like a missile

370

00:18:42,340 --> 00:18:40,220

it looks exactly like a spaceship and it

371

00:18:45,760 --> 00:18:42,350

caught my attention and the plaque next

372

00:18:48,370 --> 00:18:45,770

to it said it was used for releasing a

373

00:18:50,889 --> 00:18:48,380

weather balloon and I look at that

374

00:18:53,110 --> 00:18:50,899

thinking oh this is part of the lie

375

00:18:54,580 --> 00:18:53,120

everything looks like a missile except

376

00:18:58,539 --> 00:18:54,590

for this one thing that looks like a

377

00:19:00,700 --> 00:18:58,549

spaceship and after a while we finally

378

00:19:02,230 --> 00:19:00,710

left thank goodness I said I never want

379

00:19:04,419 --> 00:19:02,240

to go back there again

380

00:19:07,480 --> 00:19:04,429

and we went to Roswell we drove to

381

00:19:10,600 --> 00:19:07,490

Roswell and first how far is that how

382

00:19:13,570 --> 00:19:10,610

long a bit dry remember I really don't

383

00:19:18,340 --> 00:19:13,580

remember it wasn't that far you could do

384

00:19:21,910 --> 00:19:18,350

it like an afternoon oh yeah and you see

385

00:19:23,590 --> 00:19:21,920

it you're in Roswell now what what year

386

00:19:27,790 --> 00:19:23,600

was this during the time of the festival

387

00:19:29,919 --> 00:19:27,800

or was just some other yeah yeah it was

388

00:19:32,549 --> 00:19:29,929

there wasn't the festival at this time

389

00:19:36,730 --> 00:19:32,559

this was November 2016

390

00:19:40,150 --> 00:19:36,740

okay and so we went to the museum

391

00:19:42,250 --> 00:19:40,160

there's a roswell museum that was fun

392

00:19:44,650 --> 00:19:42,260

and then we went to the hotel room and

393

00:19:47,890 --> 00:19:44,660

we were both really tired and the hotel

394

00:19:49,720 --> 00:19:47,900

room was in roswell and he's in the

395

00:19:52,480 --> 00:19:49,730

bathroom and I'm flicking through the

396

00:19:55,450 --> 00:19:52,490

channels on television and I'm thinking

397

00:19:58,660 --> 00:19:55,460

to myself I wish the show people of

398

00:20:02,620 --> 00:19:58,670

Earth was on have you seen that show

399

00:20:10,510 --> 00:20:02,630

have you heard about it and that I'm not

400

00:20:12,450 --> 00:20:10,520

a big watcher of TV is it a sitcom er it

401
00:20:15,190 --> 00:20:12,460
was a great it was a great I think I

402
00:20:17,770 --> 00:20:15,200
think I might have seen one episode of

403
00:20:20,140 --> 00:20:17,780
it yeah yeah it was produced by Kwan and

404
00:20:23,590 --> 00:20:20,150
O'Brien it's off the air I think it only

405
00:20:26,820 --> 00:20:23,600
had two seasons it was a very funny and

406
00:20:30,190 --> 00:20:26,830
witty take on a group of experiences

407
00:20:32,760 --> 00:20:30,200
mm-hmm I don't like the word abduction I

408
00:20:36,940 --> 00:20:32,770
heard you talking about that or whatever

409
00:20:38,860 --> 00:20:36,950
I did I'm guilty as charged oh okay so

410
00:20:40,990 --> 00:20:38,870
you were way you were hoping the show

411
00:20:42,669 --> 00:20:41,000
came on yeah yes I'm flicking through

412
00:20:44,290 --> 00:20:42,679
the channels and I'm telling myself this

413
00:20:46,900 --> 00:20:44,300

show is not going to come on because the

414

00:20:49,000 --> 00:20:46,910

last one was just on and it's not on and

415

00:20:52,419 --> 00:20:49,010

he comes out of the bathroom and I

416

00:20:54,970 --> 00:20:52,429

stopped the TV on a commercial he says

417

00:20:57,930 --> 00:20:54,980

something to me I turn back and poof

418

00:21:01,330 --> 00:20:57,940

right there on the TV as people of Earth

419

00:21:03,010 --> 00:21:01,340

and I'm like okay that's weird so we

420

00:21:07,090 --> 00:21:03,020

watched it and went to sleep

421

00:21:10,060 --> 00:21:07,100

and the next thing I know my eyes pop

422

00:21:13,120 --> 00:21:10,070

open and the room is pitch black I can't

423

00:21:15,460 --> 00:21:13,130

see anything nothing and I hear

424

00:21:18,909 --> 00:21:15,470

footsteps on the carpet

425

00:21:23,380 --> 00:21:18,919

and I hear my boyfriend getting into the

426

00:21:25,750 --> 00:21:23,390

bed and my first thought is why was

427

00:21:27,520 --> 00:21:25,760

Patrick sitting on the couch and did it

428

00:21:31,240 --> 00:21:27,530

have anything to do with the aliens and

429

00:21:33,460 --> 00:21:31,250

I fell asleep so when I woke up in the

430

00:21:35,440 --> 00:21:33,470

morning he was in the shower and I'm

431

00:21:36,970 --> 00:21:35,450

thinking to myself why on earth would I

432

00:21:38,350 --> 00:21:36,980

think he's sitting on the couch because

433

00:21:40,600 --> 00:21:38,360

he never gets up in the middle of the

434

00:21:43,180 --> 00:21:40,610

night and sits on the couch plus it was

435

00:21:46,180 --> 00:21:43,190

pitch dark I couldn't see anybody and

436

00:21:48,580 --> 00:21:46,190

why did I think it was the aliens then

437

00:21:51,250 --> 00:21:48,590

all of a sudden I got this instant

438

00:21:54,640 --> 00:21:51,260

download it was a visual and an instant

439

00:21:57,250 --> 00:21:54,650

knowledge and I saw myself talking to a

440

00:21:59,010 --> 00:21:57,260

group of greys and they gave me all this

441

00:22:01,270 --> 00:21:59,020

information about the hybridization

442

00:22:04,450 --> 00:22:01,280

program I did not know this information

443

00:22:06,789 --> 00:22:04,460

when I went to sleep I woke up yet and

444

00:22:08,680 --> 00:22:06,799

they were talking about why they're

445

00:22:10,380 --> 00:22:08,690

having this hybridization program with

446

00:22:13,360 --> 00:22:10,390

humans what they're looking for

447

00:22:14,830 --> 00:22:13,370

okay well now we've got a commercial lab

448

00:22:16,450 --> 00:22:14,840

break coming up in a few minutes so

449

00:22:18,850 --> 00:22:16,460

we'll hold to find out what the

450

00:22:21,539 --> 00:22:18,860

hybridization plan there is but you know

451

00:22:23,890 --> 00:22:21,549

I do find it interesting that a TV show

452

00:22:25,870 --> 00:22:23,900

like you saved was only on for a couple

453

00:22:28,930 --> 00:22:25,880

of seasons and I don't even think it's

454

00:22:31,360 --> 00:22:28,940

in repeat I haven't remembered seeing at

455

00:22:34,419 --> 00:22:31,370

this since that you know it was

456

00:22:36,510 --> 00:22:34,429

originally on okay and and we we find

457

00:22:38,830 --> 00:22:36,520

that at least in my life

458

00:22:41,740 --> 00:22:38,840

synchronicities play a whopping effect

459

00:22:43,630 --> 00:22:41,750

when it comes to UFOs I mean I've had so

460

00:22:45,399 --> 00:22:43,640

many interests synchronicities and I'm

461

00:22:46,950 --> 00:22:45,409

not just talking about you know thinking

462

00:22:49,750 --> 00:22:46,960

of somebody and they call on the phone

463

00:22:51,460 --> 00:22:49,760

you know like a day or two later I mean

464

00:22:54,510 --> 00:22:51,470

I'm talk we've discussed it on the

465

00:22:57,149 --> 00:22:54,520

program and I've done a book on my

466

00:23:00,250 --> 00:22:57,159

synchronicities and some of them are

467

00:23:02,500 --> 00:23:00,260

whoppers I don't know philip k dick who

468

00:23:05,080 --> 00:23:02,510

of course was a very well-known science

469

00:23:08,980 --> 00:23:05,090

fiction writer he thought that we were

470

00:23:12,039 --> 00:23:08,990

living in a in a matrix and that there

471

00:23:15,159 --> 00:23:12,049

is somebody guiding in controlling us

472

00:23:16,659 --> 00:23:15,169

and I I kind of I kind of go along with

473

00:23:20,140 --> 00:23:16,669

this I mean I think that there are

474

00:23:22,380 --> 00:23:20,150

parallel universes and dimensions all

475

00:23:24,639 --> 00:23:22,390

over the place and we could be in and

476

00:23:28,180 --> 00:23:24,649

simultaneously in different places at

477

00:23:29,320 --> 00:23:28,190

the at the a of the same same same time

478

00:23:32,619 --> 00:23:29,330

so

479

00:23:34,950 --> 00:23:32,629

how many how many encounters with the

480

00:23:44,340 --> 00:23:34,960

greys would you say that you've had oh

481

00:23:49,389 --> 00:23:44,350

that I can remember one two three four

482

00:23:51,369 --> 00:23:49,399

five it's been a few yeah and how about

483

00:23:56,769 --> 00:23:51,379

the year the original fellow Thea the

484

00:24:00,430 --> 00:23:56,779

young the young young young Elliott I

485

00:24:00,789 --> 00:24:00,440

mean is he as he returned to visit with

486

00:24:02,919 --> 00:24:00,799

you

487

00:24:05,049 --> 00:24:02,929

well sev have to answer when we come

488

00:24:06,789 --> 00:24:05,059

back from our break so let's go ahead

489

00:24:09,669 --> 00:24:06,799

and go to it Tim and we'll be back in

490

00:24:12,500 --> 00:24:09,679

just a few minutes for more exploring

491

00:24:21,270 --> 00:24:12,510

the bazaars stay tuned

492

00:24:28,000 --> 00:24:25,420

now back to exploring the bazaars with

493

00:24:31,500 --> 00:24:28,010

two of the most electrifying researchers

494

00:24:37,000 --> 00:24:31,510

in the Paranoid your hosts Timothy Becky

495

00:24:39,820 --> 00:24:37,010

panting snoring the bazaar I'm Tim

496

00:24:43,660 --> 00:24:39,830

Schwartz tonight our guest is self-talk

497

00:24:46,480 --> 00:24:43,670

and Sam before we had to interrupt you

498

00:24:50,380 --> 00:24:46,490

and go to our break you were talking

499

00:24:54,780 --> 00:24:50,390

about an experience that you had where

500

00:24:57,880 --> 00:24:54,790

you were given information about the

501
00:25:01,270 --> 00:24:57,890
hybridization program that is supposed

502
00:25:04,780 --> 00:25:01,280
to be going on between the human race

503
00:25:06,040 --> 00:25:04,790
and and who knows who the others are and

504
00:25:08,800 --> 00:25:06,050
the thing that I've always wondered

505
00:25:12,820 --> 00:25:08,810
about this is that you know supposedly

506
00:25:16,540 --> 00:25:12,830
if we are dealing with extraterrestrials

507
00:25:20,230 --> 00:25:16,550
you wouldn't think that genetically we

508
00:25:22,330 --> 00:25:20,240
would be close enough to even attempt a

509
00:25:24,160 --> 00:25:22,340
hybridization program so why don't you

510
00:25:27,010 --> 00:25:24,170
tell our audience a little bit more

511
00:25:30,820 --> 00:25:27,020
about the information that you were

512
00:25:34,740 --> 00:25:30,830
given during this experience okay wait

513
00:25:39,400 --> 00:25:34,750

there are lots of beings that we are

514

00:25:41,950 --> 00:25:39,410

genetically similar to and that we share

515

00:25:44,380 --> 00:25:41,960

a lot of DNA with there's a variety of

516

00:25:48,520 --> 00:25:44,390

different beings throughout a variety of

517

00:25:50,080 --> 00:25:48,530

different dimensions it's endless so

518

00:25:52,330 --> 00:25:50,090

going back to what happened in Roswell

519

00:25:57,790 --> 00:25:52,340

when I was sitting on the bed and I got

520

00:26:02,440 --> 00:25:57,800

this visual and mental download and the

521

00:26:04,900 --> 00:26:02,450

greys were telling me that there is a

522

00:26:06,970 --> 00:26:04,910

hybridization program between humans and

523

00:26:09,340 --> 00:26:06,980

the greys and there are millions of

524

00:26:12,400 --> 00:26:09,350

people involved millions of humans and

525

00:26:14,800 --> 00:26:12,410

there's actually billions of these

526

00:26:18,730 --> 00:26:14,810

embryos are a little genetically

527

00:26:22,570 --> 00:26:18,740

modified babies and what the greys are

528

00:26:26,650 --> 00:26:22,580

looking for within the human is our

529

00:26:30,550 --> 00:26:26,660

ability to empathize and sympathize for

530

00:26:33,490 --> 00:26:30,560

the greys have lost that and because of

531

00:26:34,720 --> 00:26:33,500

that their species is dying out it's

532

00:26:36,820 --> 00:26:34,730

hard to keep a sweet

533

00:26:39,700 --> 00:26:36,830

she's going when you're not empathetic

534

00:26:42,310 --> 00:26:39,710

or sympathetic or loving and that is

535

00:26:45,659 --> 00:26:42,320

what they're looking for so these babies

536

00:26:48,669 --> 00:26:45,669

are infused with a lot of love and

537

00:26:52,450 --> 00:26:48,679

they're also interested in humans that

538

00:26:55,330 --> 00:26:52,460

have above normal extrasensory

539

00:26:57,760 --> 00:26:55,340

perception abilities not always what

540

00:27:01,450 --> 00:26:57,770

they're also interested in that and so

541

00:27:04,570 --> 00:27:01,460

these babies that they've created that

542

00:27:08,049 --> 00:27:04,580

are infused with love I was told that

543

00:27:10,600 --> 00:27:08,059

earth and most of us know this by now

544

00:27:12,850 --> 00:27:10,610

we've heard this before that earth can

545

00:27:14,620 --> 00:27:12,860

go in a variety of different directions

546

00:27:17,650 --> 00:27:14,630

with the endless amount of possibilities

547

00:27:20,830 --> 00:27:17,660

one possibility being that we killed a

548

00:27:25,299 --> 00:27:20,840

life off of this planet and if that were

549

00:27:30,250 --> 00:27:25,309

to happen then these hybrids would be

550

00:27:35,110 --> 00:27:30,260

used to repopulate the earth loop that's

551
00:27:39,610 --> 00:27:35,120
that's not a pleasant thought negative

552
00:27:44,380 --> 00:27:39,620
or scary beings mm-hmm parents used with

553
00:27:46,620 --> 00:27:44,390
love and I was also told that there was

554
00:27:51,549 --> 00:27:46,630
a concern within the Galactic system

555
00:27:53,650 --> 00:27:51,559
that these embryos might come into the

556
00:27:57,280 --> 00:27:53,660
hands of maybe some beings that might

557
00:27:59,980 --> 00:27:57,290
have negative intentions but I was told

558
00:28:02,380 --> 00:27:59,990
because of the way these these embryos

559
00:28:04,390 --> 00:28:02,390
have been created they wouldn't make

560
00:28:09,159 --> 00:28:04,400
good killing machines it really wouldn't

561
00:28:12,100 --> 00:28:09,169
make effective means of causing harm or

562
00:28:14,070 --> 00:28:12,110
evil well where are the where are the

563
00:28:17,260 --> 00:28:14,080

embryos no I mean are they they must be

564

00:28:21,690 --> 00:28:17,270

some of them must be a grown up where

565

00:28:28,360 --> 00:28:21,700

were they hiding well some are growing

566

00:28:31,030 --> 00:28:28,370

and most are not so you probably heard

567

00:28:32,740 --> 00:28:31,040

about people who claim that they've been

568

00:28:37,120 --> 00:28:32,750

on a spaceship and they've met these

569

00:28:40,090 --> 00:28:37,130

children I was shown a baby in a tube

570

00:28:42,039 --> 00:28:40,100

several years ago I was in this dark

571

00:28:44,080 --> 00:28:42,049

room and there was this tube in front of

572

00:28:46,990 --> 00:28:44,090

me and I have a drawing of this in my

573

00:28:48,520 --> 00:28:47,000

book I also have a youtube channel alien

574

00:28:51,070 --> 00:28:48,530

spirit TV or

575

00:28:53,050 --> 00:28:51,080

I have videos explaining my encounters

576

00:28:57,130 --> 00:28:53,060

with drawings and I also have videos

577

00:29:01,030 --> 00:28:57,140

about various other things too and how

578

00:29:02,980 --> 00:29:01,040

what was I saying before I started

579

00:29:09,130 --> 00:29:02,990

talking about aliens to achieve you what

580

00:29:11,500 --> 00:29:09,140

was I saying yeah let's see yeah you you

581

00:29:15,240 --> 00:29:11,510

were talking about that Mister Beckley

582

00:29:17,860 --> 00:29:15,250

wanted to know where these hybrids

583

00:29:19,300 --> 00:29:17,870

apparently are I mean if if this has

584

00:29:21,940 --> 00:29:19,310

been a program that's been going on for

585

00:29:23,830 --> 00:29:21,950

quite a while unless they've been kept

586

00:29:26,170 --> 00:29:23,840

in stasis somewhere you probably have

587

00:29:28,420 --> 00:29:26,180

you know like a wide range of age groups

588

00:29:30,400 --> 00:29:28,430

here yes that is true everything that

589

00:29:32,440 --> 00:29:30,410

you said is true and that they're kept

590

00:29:38,230 --> 00:29:32,450

on spaceships and they also kept in

591

00:29:40,300 --> 00:29:38,240

other places and I have heard stories

592

00:29:42,040 --> 00:29:40,310

where people have encountered these

593

00:29:44,260 --> 00:29:42,050

children and they're very loving and

594

00:29:47,290 --> 00:29:44,270

they felt very connected to them when I

595

00:29:49,230 --> 00:29:47,300

was shown this baby in this tube I did

596

00:29:52,240 --> 00:29:49,240

not feel connected to this baby at all

597

00:29:54,430 --> 00:29:52,250

what was unusual about this baby is that

598

00:29:57,010 --> 00:29:54,440

it was in this tube that was about as

599

00:30:00,280 --> 00:29:57,020

tall as I am and about as wide as I am

600

00:30:02,800 --> 00:30:00,290

in some form of liquid and its eyes were

601
00:30:05,230 --> 00:30:02,810
wide open and they were the bluest eyes

602
00:30:07,660 --> 00:30:05,240
I have ever seen in my life

603
00:30:10,810 --> 00:30:07,670
and as I'm staring at this baby

604
00:30:12,490 --> 00:30:10,820
wondering what am I looking at I could

605
00:30:14,830 --> 00:30:12,500
feel there was something behind me so I

606
00:30:16,840 --> 00:30:14,840
turn around and once again there were

607
00:30:19,330 --> 00:30:16,850
three Gray's behind me there was a tall

608
00:30:22,300 --> 00:30:19,340
one a medium one and a short one and

609
00:30:22,990 --> 00:30:22,310
they telepathically said to me take your

610
00:30:25,600 --> 00:30:23,000
time

611
00:30:27,310 --> 00:30:25,610
we're giving you space just take all the

612
00:30:29,710 --> 00:30:27,320
time you need and that didn't make sense

613
00:30:31,030 --> 00:30:29,720

to me at the time and I turn around and

614

00:30:35,440 --> 00:30:31,040

I looked at this baby I'm like I don't

615

00:30:38,620 --> 00:30:35,450

understand now in Roswell they reminded

616

00:30:40,570 --> 00:30:38,630

me of that and they continued to tell me

617

00:30:42,760 --> 00:30:40,580

about the hybridization program and that

618

00:30:48,690 --> 00:30:42,770

that work I had witnessed was part of

619

00:30:51,910 --> 00:30:48,700

the hybridization program all right so

620

00:30:54,340 --> 00:30:51,920

does that make planet Earth then are we

621

00:30:58,180 --> 00:30:54,350

nothing more than basically a breeding

622

00:31:00,220 --> 00:30:58,190

colony or did we start out on her own

623

00:31:01,870 --> 00:31:00,230

and somebody just happened to run across

624

00:31:03,940 --> 00:31:01,880

this and say hey

625

00:31:06,600 --> 00:31:03,950

look at this this is you know this this

626

00:31:10,570 --> 00:31:06,610

is a a species we can make use of

627

00:31:17,350 --> 00:31:10,580

yes that's such a good question

628

00:31:25,090 --> 00:31:17,360

we really don't know for sure how if we

629

00:31:27,970 --> 00:31:25,100

started off what consider considering

630

00:31:31,300 --> 00:31:27,980

like you said you know before that we

631

00:31:34,390 --> 00:31:31,310

may be your genetically similar to other

632

00:31:36,970 --> 00:31:34,400

species throughout the multiverse that

633

00:31:39,820 --> 00:31:36,980

raises the possibility that possibly our

634

00:31:42,460 --> 00:31:39,830

origins I mean we didn't develop here

635

00:31:44,700 --> 00:31:42,470

naturally substrate it's very possible I

636

00:31:47,230 --> 00:31:44,710

do believe that there's been a lot of

637

00:31:49,210 --> 00:31:47,240

intervention but amongst all the

638

00:31:53,410 --> 00:31:49,220

different types of beings I do believe

639

00:31:55,390 --> 00:31:53,420

that humans carry ET DNA as some of us

640

00:32:03,460 --> 00:31:55,400

have activated it more than others but

641

00:32:05,980 --> 00:32:03,470

we all carry it now I was what I was

642

00:32:09,580 --> 00:32:05,990

doing research on you before the show I

643

00:32:15,400 --> 00:32:09,590

saw a reference that you had an

644

00:32:19,210 --> 00:32:15,410

encounter with the minim black you're

645

00:32:21,240 --> 00:32:19,220

going there huh okay this is something

646

00:32:26,020 --> 00:32:21,250

that typically I you know have

647

00:32:30,430 --> 00:32:26,030

researched I've written two books on the

648

00:32:31,930 --> 00:32:30,440

men in black eye and yeah and you and

649

00:32:34,090 --> 00:32:31,940

you're the only guy who's possibly ever

650

00:32:39,670 --> 00:32:34,100

taken a photograph of one that's true

651

00:32:42,160 --> 00:32:39,680

yes yeah did you take a picture of a 3d

652

00:32:45,640 --> 00:32:42,170

man in black or an astro man in black oh

653

00:32:49,090 --> 00:32:45,650

no no this is a real man in black it it

654

00:32:54,160 --> 00:32:49,100

may be the only one as far as we know it

655

00:32:56,080 --> 00:32:54,170

happened in 1966 it's been on I've been

656

00:32:58,810 --> 00:32:56,090

on UFO Hunters you know the History

657

00:33:01,180 --> 00:32:58,820

Channel talking about it and written it

658

00:33:03,940 --> 00:33:01,190

up and in the the book the UFO are

659

00:33:05,650 --> 00:33:03,950

silencers it didn't follow the fellow

660

00:33:10,270 --> 00:33:05,660

who was investigating some UFO

661

00:33:12,550 --> 00:33:10,280

encounters over in Jersey City and these

662

00:33:15,669 --> 00:33:12,560

are how well at least somebody broke

663

00:33:19,029 --> 00:33:15,679

into his apartment rifled through his

664

00:33:21,370 --> 00:33:19,039

files and was tapping his telephone and

665

00:33:23,110 --> 00:33:21,380

apparently what is monitoring the

666

00:33:25,930 --> 00:33:23,120

activity of people coming in and out of

667

00:33:27,909 --> 00:33:25,940

his building and without letting him or

668

00:33:29,649 --> 00:33:27,919

his wife know that we were coming over

669

00:33:31,690 --> 00:33:29,659

Jim Mosley and I got in the car early

670

00:33:33,130 --> 00:33:31,700

one morning it drove over there sure

671

00:33:35,409 --> 00:33:33,140

enough there was this individual

672

00:33:37,149 --> 00:33:35,419

standing in the doorway and took a

673

00:33:39,880 --> 00:33:37,159

photograph of him and went around the

674

00:33:41,980 --> 00:33:39,890

corner and he was gone as well as the

675

00:33:45,070 --> 00:33:41,990

the black car that he had apparently

676

00:33:46,950 --> 00:33:45,080

arrived in but the strange thing was is

677

00:33:50,110 --> 00:33:46,960

that even though they had had some

678

00:33:51,909 --> 00:33:50,120

harassing experience at the hand of I

679

00:33:55,510 --> 00:33:51,919

would say this is the visual or some

680

00:33:57,519 --> 00:33:55,520

other individuals he disappeared totally

681

00:33:59,169 --> 00:33:57,529

after our taking the photograph of him

682

00:34:00,880 --> 00:33:59,179

and was never seen again

683

00:34:02,639 --> 00:34:00,890

I would say that instead of being

684

00:34:06,130 --> 00:34:02,649

frightened by a man in black I actually

685

00:34:08,260 --> 00:34:06,140

drove one of them off I think it's a

686

00:34:10,149 --> 00:34:08,270

matter of to me the men in black are

687

00:34:11,770 --> 00:34:10,159

kind of like zombies I think that

688

00:34:15,669 --> 00:34:11,780

they're humans that are being controlled

689

00:34:18,190 --> 00:34:15,679

by some of these negative entities but

690

00:34:24,609 --> 00:34:18,200

you tell your story this is your your

691

00:34:27,730 --> 00:34:24,619

your your interview this evening okay so

692

00:34:30,609 --> 00:34:27,740

I believe there's various types of men

693

00:34:33,339 --> 00:34:30,619

in black there's the 3d version that I

694

00:34:34,869 --> 00:34:33,349

call them that you see them sitting

695

00:34:38,320 --> 00:34:34,879

outside of your house or the kind that

696

00:34:39,849 --> 00:34:38,330

you described so the first of all I like

697

00:34:41,770 --> 00:34:39,859

to ask you a question this man in black

698

00:34:45,550 --> 00:34:41,780

showed up at your friend's apartment

699

00:34:47,409 --> 00:34:45,560

because there are experiencers well they

700

00:34:51,070 --> 00:34:47,419

were researchers as opposed well

701
00:34:53,829 --> 00:34:51,080
actually they the the lady of Mary of

702
00:34:57,550 --> 00:34:53,839
Robinson was more of an experimenter

703
00:35:00,339 --> 00:34:57,560
she did partake in in psychic work with

704
00:35:03,210 --> 00:35:00,349
the the Ouija board and tarot cards and

705
00:35:05,950 --> 00:35:03,220
things along that line and she did have

706
00:35:09,670 --> 00:35:05,960
visitations but not so much from aliens

707
00:35:12,820 --> 00:35:09,680
but with elementals but I think that you

708
00:35:16,240 --> 00:35:12,830
you could put her in the in the area as

709
00:35:18,790 --> 00:35:16,250
a UFO experience or where her husband

710
00:35:22,540 --> 00:35:18,800
whose files were gone through when the

711
00:35:26,230 --> 00:35:22,550
phone was tapped was independent of

712
00:35:28,030 --> 00:35:26,240
researcher but it was all it was all on

713
00:35:29,220 --> 00:35:28,040

the on the earth plane it wasn't a

714

00:35:31,900 --> 00:35:29,230

stroller

715

00:35:34,240 --> 00:35:31,910

as far as the the guy we photograph

716

00:35:36,370 --> 00:35:34,250

certainly wasn't an astral there being

717

00:35:38,170 --> 00:35:36,380

unless he demon well he could have D

718

00:35:40,600 --> 00:35:38,180

materialized we went around the corner

719

00:35:42,280 --> 00:35:40,610

because it only took about maybe six or

720

00:35:44,800 --> 00:35:42,290

seven minutes to come back in the car

721

00:35:47,050 --> 00:35:44,810

and and he was he was gone and some

722

00:35:49,360 --> 00:35:47,060

other car was parked in it's a place and

723

00:35:49,900 --> 00:35:49,370

he never showed up again so I don't know

724

00:35:52,000 --> 00:35:49,910

thank you

725

00:35:54,130 --> 00:35:52,010

take your pick you know it is possible

726

00:35:58,240 --> 00:35:54,140

it's anything you want it to be but tell

727

00:36:03,820 --> 00:35:58,250

us about your experience I can talk

728

00:36:05,830 --> 00:36:03,830

about to two different kinds so the

729

00:36:08,140 --> 00:36:05,840

traditional men in black which is this

730

00:36:12,040 --> 00:36:08,150

being that's dressed in black and has

731

00:36:16,210 --> 00:36:12,050

black hat which I have seen as early in

732

00:36:18,670 --> 00:36:16,220

my room by the side of my bed looking at

733

00:36:20,590 --> 00:36:18,680

me and a lot of people have witnessed

734

00:36:22,690 --> 00:36:20,600

that I actually have a friend who got a

735

00:36:25,930 --> 00:36:22,700

picture of a black shadow like that

736

00:36:29,440 --> 00:36:25,940

and on my website one of my missions is

737

00:36:32,110 --> 00:36:29,450

to help experiencers and on my website I

738

00:36:37,450 --> 00:36:32,120

have a site called excuse me I have a

739

00:36:39,270 --> 00:36:37,460

page called true et stories well where I

740

00:36:41,740 --> 00:36:39,280

share some of the stories that

741

00:36:45,370 --> 00:36:41,750

experiencers who have contacted me from

742

00:36:47,260 --> 00:36:45,380

around the world have told me and I also

743

00:36:50,170 --> 00:36:47,270

have a page where people can write in

744

00:36:53,230 --> 00:36:50,180

it's very private tell me their story

745

00:36:54,850 --> 00:36:53,240

and I'll help them process it I'll help

746

00:36:56,830 --> 00:36:54,860

them answer questions to the best of my

747

00:36:58,930 --> 00:36:56,840

ability because I know what it feels

748

00:37:03,940 --> 00:36:58,940

like to feel very very alone and have no

749

00:37:08,640 --> 00:37:03,950

one to go to anyway I have received

750

00:37:14,680 --> 00:37:11,290

unfortunately they're not happy stories

751

00:37:16,870 --> 00:37:14,690

they're very scary and the energy that

752

00:37:19,620 --> 00:37:16,880

is emitted from this men and black that

753

00:37:24,670 --> 00:37:19,630

I saw in my bedroom it's really scary

754

00:37:27,250 --> 00:37:24,680

now I like to step back and ask myself

755

00:37:29,950 --> 00:37:27,260

why is this scary is this scary only

756

00:37:33,270 --> 00:37:29,960

because it is unknown to me is it scary

757

00:37:36,430 --> 00:37:33,280

because I'm feeling excuse me feeling a

758

00:37:39,450 --> 00:37:36,440

negative vibe from it what exactly is it

759

00:37:43,030 --> 00:37:39,460

because I have learned that our outlook

760

00:37:47,200 --> 00:37:43,040

the lens that we view life

761

00:37:51,310 --> 00:37:47,210

affects our perception of our et contact

762

00:37:53,710 --> 00:37:51,320

so for most of my life I was extremely

763

00:37:55,810 --> 00:37:53,720

afraid of the grace and I wanted nothing

764

00:37:57,550 --> 00:37:55,820

to do with them I wanted them to leave

765

00:38:00,400 --> 00:37:57,560

me alone I thought they were bad I

766

00:38:02,560 --> 00:38:00,410

thought they were evil and now I've

767

00:38:05,710 --> 00:38:02,570

completely changed my mind and the

768

00:38:07,900 --> 00:38:05,720

reason for that is because I look at

769

00:38:11,380 --> 00:38:07,910

life in a much different way I used to

770

00:38:14,440 --> 00:38:11,390

be a victim I've gone through two

771

00:38:16,480 --> 00:38:14,450

abusive marriages and I thought well the

772

00:38:19,690 --> 00:38:16,490

Grays are abusing me too why not

773

00:38:22,050 --> 00:38:19,700

and I just viewed them as abusing me

774

00:38:25,420 --> 00:38:22,060

because that's how I was looking at life

775

00:38:28,839 --> 00:38:25,430

when I did the deep self introspection

776

00:38:30,849 --> 00:38:28,849

that's necessary because I decided to

777

00:38:32,770 --> 00:38:30,859

follow this path of authenticity where I

778

00:38:34,839 --> 00:38:32,780

want to be the most authentic version of

779

00:38:36,970 --> 00:38:34,849

myself that I can possibly be

780

00:38:39,190 --> 00:38:36,980

this is when I encountered this block

781

00:38:45,130 --> 00:38:39,200

that I had about the 80s that I was

782

00:38:47,530 --> 00:38:45,140

hiding and this is really the reason why

783

00:38:49,870 --> 00:38:47,540

I've come out is because I'm on this

784

00:38:56,370 --> 00:38:49,880

path of authenticity zhh and ETS happen

785

00:38:59,440 --> 00:38:56,380

to be on my path I digress again and

786

00:39:02,140 --> 00:38:59,450

going back to the men in black so

787

00:39:06,309 --> 00:39:02,150

there's an astral version and there is

788

00:39:10,240 --> 00:39:06,319

also mill AB or my lab which you know

789

00:39:12,579 --> 00:39:10,250

about right I pronounced it my lab and I

790

00:39:15,130 --> 00:39:12,589

also have conscious memories of that as

791

00:39:17,589 --> 00:39:15,140

well some of these are these are

792

00:39:20,620 --> 00:39:17,599

military these are like black op

793

00:39:22,920 --> 00:39:20,630

military people who are sometimes

794

00:39:24,670 --> 00:39:22,930

disguising themselves as uh

795

00:39:27,190 --> 00:39:24,680

extraterrestrials and abducting people

796

00:39:33,099 --> 00:39:27,200

and experimenting on them for what

797

00:39:36,309 --> 00:39:33,109

purpose well I don't know if I believe

798

00:39:40,089 --> 00:39:36,319

that human beings are dressing up as ETS

799

00:39:45,670 --> 00:39:40,099

and that's kind of the jury's out on

800

00:39:48,220 --> 00:39:45,680

that one for me all experiences are

801
00:39:50,290 --> 00:39:48,230
everyone in the United States really in

802
00:39:52,630 --> 00:39:50,300
the world that is coming contact with an

803
00:39:54,609 --> 00:39:52,640
ET whether it's interdimensional or in

804
00:39:55,970 --> 00:39:54,619
3d or has come in contact with the

805
00:39:58,250 --> 00:39:55,980
spaceship

806
00:39:59,750 --> 00:39:58,260
the government knows the government

807
00:40:00,740 --> 00:39:59,760
knows who you are the government knows

808
00:40:05,990 --> 00:40:00,750
about these things

809
00:40:08,690 --> 00:40:06,000
and so for many of us we get debriefed

810
00:40:10,160 --> 00:40:08,700
so to speak they pick you up and they

811
00:40:13,970 --> 00:40:10,170
want to know what you've learned and

812
00:40:17,510 --> 00:40:13,980
what you've seen and I have this one

813
00:40:22,160 --> 00:40:17,520

very specific memory of being in this

814

00:40:24,320 --> 00:40:22,170

room downstairs and it felt like it was

815

00:40:26,720 --> 00:40:24,330

a government office and there were these

816

00:40:28,460 --> 00:40:26,730

men there that look like government

817

00:40:31,670 --> 00:40:28,470

workers there were a young man in their

818

00:40:34,430 --> 00:40:31,680

30s and everyone kind of looks the same

819

00:40:36,650 --> 00:40:34,440

the colors are bland and they were

820

00:40:39,860 --> 00:40:36,660

showing me this poster this big poster

821

00:40:42,640 --> 00:40:39,870

that had the flight path of a UFO and I

822

00:40:46,070 --> 00:40:42,650

had a whole bunch of mathematical

823

00:40:47,690 --> 00:40:46,080

equations physics equations I happen to

824

00:40:52,190 --> 00:40:47,700

have a biology degree from Loyola

825

00:40:54,650 --> 00:40:52,200

University and I found that interesting

826

00:40:58,070 --> 00:40:54,660

and as you showing me this flight path

827

00:40:59,660 --> 00:40:58,080

the the man turns to me and he says at

828

00:41:04,190 --> 00:40:59,670

which point does the Flying Saucer

829

00:41:07,340 --> 00:41:04,200

reached the K point and then I don't

830

00:41:10,220 --> 00:41:07,350

remember anything after that and when I

831

00:41:12,320 --> 00:41:10,230

came to I'm thinking to myself what the

832

00:41:14,570 --> 00:41:12,330

hell is a K point I don't know what a K

833

00:41:15,950 --> 00:41:14,580

point is and I googled it and it's a

834

00:41:18,950 --> 00:41:15,960

real thing

835

00:41:22,100 --> 00:41:18,960

some kind of properties and physics

836

00:41:25,040 --> 00:41:22,110

property and I was explaining the story

837

00:41:29,740 --> 00:41:25,050

to Grant Cameron who's a very well-known

838

00:41:32,930 --> 00:41:29,750

Canadian UFO researcher and he sent me

839

00:41:34,940 --> 00:41:32,940

this article about another experiencer

840

00:41:37,100 --> 00:41:34,950

who had met the greys and they were

841

00:41:38,900 --> 00:41:37,110

teaching her about the K point and the

842

00:41:45,440 --> 00:41:38,910

notes that she took in the diagrams that

843

00:41:48,470 --> 00:41:45,450

she that she drew and I also believe

844

00:41:51,350 --> 00:41:48,480

that the me lab experiences that we have

845

00:41:54,170 --> 00:41:51,360

there's it runs the gamut you just hear

846

00:41:57,050 --> 00:41:54,180

these horrible horrible stories horrible

847

00:42:03,560 --> 00:41:57,060

stories and then some people have not so

848

00:42:06,500 --> 00:42:03,570

horrible situations I had one bad one

849

00:42:09,290 --> 00:42:06,510

but the others weren't that bad but what

850

00:42:12,530 --> 00:42:09,300

I do remember is them just extract

851
00:42:14,780 --> 00:42:12,540
information from you and we all know

852
00:42:16,700 --> 00:42:14,790
there's been reverse engineering of UFOs

853
00:42:18,740 --> 00:42:16,710
and that kind of thing so there's our

854
00:42:20,930 --> 00:42:18,750
governments around the world or just

855
00:42:22,400 --> 00:42:20,940
trying to extract as much information as

856
00:42:26,500 --> 00:42:22,410
they can from anyone who's been in

857
00:42:31,330 --> 00:42:26,510
contact stopped what would you say to

858
00:42:33,860 --> 00:42:31,340
somebody who has had an experience

859
00:42:35,950 --> 00:42:33,870
doesn't know what's going on doesn't

860
00:42:38,540 --> 00:42:35,960
know where to turn you know they they

861
00:42:41,300 --> 00:42:38,550
really can't tell their family or their

862
00:42:45,050 --> 00:42:41,310
friends or for fear of being either made

863
00:42:49,250 --> 00:42:45,060

fun of or are thought insane what would

864

00:42:51,830 --> 00:42:49,260

you say to somebody - first of all -

865

00:42:55,850 --> 00:42:51,840

it'll help them feel better but then to

866

00:42:59,530 --> 00:42:55,860

learn to deal with this this really this

867

00:43:01,460 --> 00:42:59,540

this dimensional opening of their lives

868

00:43:05,240 --> 00:43:01,470

it's a big deal

869

00:43:08,690 --> 00:43:05,250

it's a big very important event and the

870

00:43:10,100 --> 00:43:08,700

first step is to try and admit to

871

00:43:13,040 --> 00:43:10,110

yourself that it's true

872

00:43:15,710 --> 00:43:13,050

and that could be very difficult so the

873

00:43:18,230 --> 00:43:15,720

second step is to reach out and find

874

00:43:20,750 --> 00:43:18,240

someone to talk to and so I offer that

875

00:43:23,090 --> 00:43:20,760

if you go to my website planet self calm

876

00:43:26,210 --> 00:43:23,100

you can find where I offer help if

877

00:43:28,550 --> 00:43:26,220

you're interested also these days it is

878

00:43:29,990 --> 00:43:28,560

so much easier to find help because

879

00:43:32,420 --> 00:43:30,000

there's all kinds of Facebook groups

880

00:43:35,570 --> 00:43:32,430

there's all kinds of groups all over the

881

00:43:37,820 --> 00:43:35,580

internet but if you're if you're looking

882

00:43:40,000 --> 00:43:37,830

for ultimate privacy just be very

883

00:43:42,670 --> 00:43:40,010

careful who you share your story with

884

00:43:47,630 --> 00:43:42,680

there are several people who help

885

00:43:49,640 --> 00:43:47,640

experiencers I'm one of them and there's

886

00:43:54,410 --> 00:43:49,650

the reason this is happening this isn't

887

00:43:56,390 --> 00:43:54,420

just an accident whether you come in

888

00:43:58,310 --> 00:43:56,400

contact with an ET or whether you come

889

00:43:59,720 --> 00:43:58,320

in contact with Bigfoot or whether you

890

00:44:02,810 --> 00:43:59,730

come in contact with anything unusual

891

00:44:05,030 --> 00:44:02,820

there's a very good reason for this we

892

00:44:08,480 --> 00:44:05,040

all exude an energy and the energy that

893

00:44:13,370 --> 00:44:08,490

we exude is created by our belief system

894

00:44:16,070 --> 00:44:13,380

and we align with people and situations

895

00:44:19,970 --> 00:44:16,080

and animals and other beings that have a

896

00:44:21,770 --> 00:44:19,980

similar frequency and so when these

897

00:44:23,850 --> 00:44:21,780

things happen when we come in contact

898

00:44:27,150 --> 00:44:23,860

with another being

899

00:44:30,180 --> 00:44:27,160

I think it's very important to accept it

900

00:44:32,609 --> 00:44:30,190

and try and understand what am I to

901
00:44:34,830 --> 00:44:32,619
learn from this and how is is to make me

902
00:44:37,380 --> 00:44:34,840
happier how is this to make me more

903
00:44:40,590 --> 00:44:37,390
content how is this to activate my

904
00:44:43,710 --> 00:44:40,600
potential because the answers for all of

905
00:44:49,010 --> 00:44:43,720
those very important questions can be

906
00:44:51,000 --> 00:44:49,020
found in these out-of-this-world

907
00:44:52,620 --> 00:44:51,010
experiences that we're having with these

908
00:44:54,630 --> 00:44:52,630
beings these beings aren't wasting their

909
00:44:57,000 --> 00:44:54,640
time if they're coming in contact with

910
00:44:59,970 --> 00:44:57,010
you and I'm talking about just something

911
00:45:04,070 --> 00:44:59,980
as simple as just seeing a UFO in the

912
00:45:07,410 --> 00:45:04,080
sky there's a reason that that that

913
00:45:09,030 --> 00:45:07,420

saucer was shown to you so to take the

914

00:45:10,590 --> 00:45:09,040

time to just try and figure out what is

915

00:45:13,109 --> 00:45:10,600

the message that I'm getting this is

916

00:45:14,520 --> 00:45:13,119

very important for me what am I to learn

917

00:45:17,390 --> 00:45:14,530

from this because I know it's gonna make

918

00:45:19,920 --> 00:45:17,400

me better and happier and more fulfilled

919

00:45:22,560 --> 00:45:19,930

all right well we only have about three

920

00:45:24,540 --> 00:45:22,570

minutes left before the show and sev so

921

00:45:27,359 --> 00:45:24,550

I want to give you a chance to once

922

00:45:30,450 --> 00:45:27,369

again let our audience know where they

923

00:45:31,920 --> 00:45:30,460

can find you online and the titles of

924

00:45:32,310 --> 00:45:31,930

your books where they can find those as

925

00:45:34,530 --> 00:45:32,320

well

926

00:45:38,340 --> 00:45:34,540

thank you Tim that went by pretty

927

00:45:41,849 --> 00:45:38,350

quickly my book is you have the right to

928

00:45:44,790 --> 00:45:41,859

talk to aliens which is on Amazon and my

929

00:45:49,770 --> 00:45:44,800

youtube channel is alien spirit TV

930

00:45:51,990 --> 00:45:49,780

my website is planets of calm I happen

931

00:45:53,880 --> 00:45:52,000

to have a planet and a star system named

932

00:45:57,990 --> 00:45:53,890

after me in the Star Wars galactic

933

00:46:01,170 --> 00:45:58,000

system and I'm also on Facebook and

934

00:46:03,480 --> 00:46:01,180

Instagram and Twitter and I really like

935

00:46:04,800 --> 00:46:03,490

hearing from experiences so if anyone

936

00:46:06,890 --> 00:46:04,810

wants to reach out to me and tell me

937

00:46:11,670 --> 00:46:06,900

their story I'd love to hear from you

938

00:46:14,849 --> 00:46:11,680

and you do readings or or you work with

939

00:46:17,849 --> 00:46:14,859

experiences as far as their encounters

940

00:46:20,300 --> 00:46:17,859

go I do work with experiences I also

941

00:46:23,910 --> 00:46:20,310

work with people who are not experiences

942

00:46:26,300 --> 00:46:23,920

I'm a sole purpose or spiritual

943

00:46:28,590 --> 00:46:26,310

counselor and I do so purpose sessions

944

00:46:31,530 --> 00:46:28,600

where I help people activate their

945

00:46:35,180 --> 00:46:31,540

potential and all that information is on

946

00:46:39,260 --> 00:46:35,190

my website I am calm

947

00:46:41,120 --> 00:46:39,270

well do you do you how how often do you

948

00:46:44,680 --> 00:46:41,130

have these experiences I mean are they

949

00:46:49,160 --> 00:46:44,690

are can you call them in at any point

950

00:46:52,220 --> 00:46:49,170

yes we all can we can all call in beings

951
00:46:54,290 --> 00:46:52,230
across the dimensions yes and I do help

952
00:46:57,680 --> 00:46:54,300
people connect I help people learn how

953
00:46:59,630 --> 00:46:57,690
to channel I help people

954
00:47:01,850 --> 00:46:59,640
expand their awareness about their

955
00:47:03,860 --> 00:47:01,860
multidimensionality because this is

956
00:47:06,080 --> 00:47:03,870
something we can all do there's nothing

957
00:47:09,500 --> 00:47:06,090
special about anyone they can talk to

958
00:47:12,680 --> 00:47:09,510
the dead or Channel we all have these

959
00:47:13,910 --> 00:47:12,690
abilities that's that's that's good to

960
00:47:17,090 --> 00:47:13,920
know I guess for people who are

961
00:47:19,970 --> 00:47:17,100
interested in that I know some people do

962
00:47:22,370 --> 00:47:19,980
see this as a negative force and I'm I'm

963
00:47:25,850 --> 00:47:22,380

glad that you see there's a positive

964

00:47:28,970 --> 00:47:25,860

event in your life well thank you for

965

00:47:32,600 --> 00:47:28,980

being on and I do want to wish everybody

966

00:47:34,550 --> 00:47:32,610

all our listeners and all our guests the

967

00:47:38,600 --> 00:47:34,560

Happy Thanksgiving and don't forget to

968

00:47:40,990 --> 00:47:38,610

check out our YouTube site mr. UFO

969

00:47:45,500 --> 00:47:41,000

secret files I think we're up to about

970

00:47:47,270 --> 00:47:45,510

400 interviews by now and thank you

971

00:47:49,940 --> 00:47:47,280

Peter for making a YouTube channel

972

00:47:52,130 --> 00:47:49,950

possible and a Tim have a good

973

00:48:02,690 --> 00:47:52,140

Thanksgiving and best of your family and

974

00:48:08,900 --> 00:48:05,000

you've been listening to exploring the

975

00:48:12,140 --> 00:48:08,910

bazaar with hosts Timothy Becky and to

976
00:48:14,450 --> 00:48:12,150
Swartz they're taking back the night by

977
00:48:17,060 --> 00:48:14,460
jetting non-stop across the cosmos

978
00:48:20,090 --> 00:48:17,070
in search of the truly bizarre and

979
00:48:21,420 --> 00:48:20,100
totally unexplained with you as their

980
00:48:23,930 --> 00:48:21,430
cold

981
00:48:28,410 --> 00:48:23,940
Thursday nights at 7:00 p.m. Pacific

982
00:48:29,630 --> 00:48:28,420
10:00 p.m. Eastern on the K cor digital

983
00:48:32,059 --> 00:48:29,640
rating

984
00:48:35,509 --> 00:48:32,069
for more information on exploring the

985
00:48:38,359 --> 00:48:35,519
bazaars and hosts Timothy Beckley anthem

986
00:48:41,479 --> 00:48:38,369
Swartz check out their kco our digital

987
00:48:47,690 --> 00:48:41,489
radio network follow their YouTube

988
00:48:58,090 --> 00:48:47,700

channel @m r UFO 1100 explore the
