

**EXPLORING
THE
BIZARRE**

1
00:00:37,380 --> 00:00:21,830

[Music]

2
00:00:45,340 --> 00:00:41,860

explode the bazaars or e-ticket ride

3
00:00:48,210 --> 00:00:45,350

into the world of the paranoid strap

4
00:00:52,930 --> 00:00:48,220

yourself in as we traverse the universe

5
00:00:55,049 --> 00:00:52,940

exploring the unexplained UFO s ghosts

6
00:00:57,430 --> 00:00:55,059

Lost Worlds

7
00:01:01,270 --> 00:00:57,440

cryptozoology as well as other

8
00:01:06,430 --> 00:01:01,280

dimensions it's time to take back the

9
00:01:09,550 --> 00:01:06,440

night now your electrifying hosts of

10
00:01:16,870 --> 00:01:09,560

exploring the bizarre Timothy Begley and

11
00:01:20,859 --> 00:01:16,880

Tim's you know I was thinking that for

12
00:01:47,529 --> 00:01:20,869

tonight what are you do it with your

13
00:01:50,699 --> 00:01:47,539

head stuck in that microwave ok ok I

14

00:01:54,419 --> 00:01:50,709

think we have an emergency here let me

15

00:01:56,889 --> 00:01:54,429

maybe I should call the fire department

16

00:01:59,559 --> 00:01:56,899

we'll wait let me let me try to get it

17

00:01:59,980 --> 00:01:59,569

off of you but but don't try not to

18

00:02:02,139 --> 00:01:59,990

think

19

00:02:11,559 --> 00:02:02,149

clear your mind you don't want them you

20

00:02:14,199 --> 00:02:11,569

don't want them to read your mind well

21

00:02:27,400 --> 00:02:14,209

maybe maybe Tina can help us back at the

22

00:02:30,790 --> 00:02:27,410

KC or our studio oh Jesus and they had

23

00:02:33,479 --> 00:02:30,800

they had to heat up real high that's too

24

00:02:37,660 --> 00:02:33,489

late they've already read your mind oh

25

00:02:39,640 --> 00:02:37,670

Jesus I hope they're satisfied well you

26
00:02:41,800 --> 00:02:39,650
know that you get what you deserve you

27
00:02:44,500 --> 00:02:41,810
get what you pay for that's what I I

28
00:02:46,539 --> 00:02:44,510
swear you know and I I tried to put that

29
00:02:48,399 --> 00:02:46,549
microwave up high enough so that they

30
00:02:50,780 --> 00:02:48,409
they couldn't get to me but yeah you

31
00:02:54,110 --> 00:02:50,790
know those those bastards in

32
00:02:56,839 --> 00:02:54,120
Washington I I mean they they'll do it

33
00:03:03,440 --> 00:02:56,849
they'll do anything just to ruin your

34
00:03:06,559 --> 00:03:03,450
life well it's true but I guess the you

35
00:03:10,339 --> 00:03:06,569
know they don't have to use microwaves

36
00:03:12,890 --> 00:03:10,349
or our other hidden devices to read our

37
00:03:15,500 --> 00:03:12,900
minds all they have to do is tune in

38
00:03:18,530 --> 00:03:15,510

every Thursday night to listen to

39

00:03:25,210 --> 00:03:18,540

exploring the bizarre good god I'm gonna

40

00:03:27,679 --> 00:03:25,220

get you a violin or maybe Tina Tina the

41

00:03:30,349 --> 00:03:27,689

producer with the mostest maybe she

42

00:03:33,080 --> 00:03:30,359

ought to get you the violin but all

43

00:03:35,659 --> 00:03:33,090

right okay we've had it we've had a busy

44

00:03:38,270 --> 00:03:35,669

week I I know I'm almost finished with

45

00:03:42,830 --> 00:03:38,280

working with mr. Kern here bill Kern

46

00:03:45,440 --> 00:03:42,840

with the UFOs deja vu what a book if you

47

00:03:47,479 --> 00:03:45,450

think we're taking bids on who's going

48

00:03:49,339 --> 00:03:47,489

to have the thickest book the thicker

49

00:03:52,009 --> 00:03:49,349

book the one that you're working on

50

00:03:53,539 --> 00:03:52,019

incredible encounters or the one that

51
00:03:56,210 --> 00:03:53,549
we're finishing up on and they're both

52
00:03:58,819 --> 00:03:56,220
of them are gonna be close if not over

53
00:04:01,879 --> 00:03:58,829
400 pages bill tells me his computers

54
00:04:04,039 --> 00:04:01,889
crashed about five times already and you

55
00:04:08,409 --> 00:04:04,049
lost the heart and you lost the hard

56
00:04:11,890 --> 00:04:08,419
drive yeah that's right that's right the

57
00:04:15,800 --> 00:04:11,900
book I'm working on incredible

58
00:04:17,990 --> 00:04:15,810
encounters yeah that that that took out

59
00:04:20,270 --> 00:04:18,000
the hard drive on my old computer while

60
00:04:22,189 --> 00:04:20,280
I baby I can't man I can't really blame

61
00:04:26,360 --> 00:04:22,199
the book they you know my old computer

62
00:04:28,790 --> 00:04:26,370
was on its last legs anyway but but I

63
00:04:30,439 --> 00:04:28,800

did I tell you to you know incredible

64

00:04:34,129 --> 00:04:30,449

encounters the book that I'm working on

65

00:04:36,860 --> 00:04:34,139

you know it is so full of fantastic

66

00:04:39,320 --> 00:04:36,870

information and it's it and it's a

67

00:04:41,480 --> 00:04:39,330

graphic heavy as well there's a lot of

68

00:04:44,360 --> 00:04:41,490

really interesting photos the graphic

69

00:04:49,939 --> 00:04:44,370

like selected like there's naked couples

70

00:04:52,390 --> 00:04:49,949

no I guess that's are screwed yeah

71

00:04:55,339 --> 00:04:52,400

that's yeah that's that's correct yes

72

00:04:59,629 --> 00:04:55,349

anyway enough for this that

73

00:05:04,010 --> 00:04:59,639

chitter-chatter it's time to go deep

74

00:05:04,670 --> 00:05:04,020

stake deep underground because we've got

75

00:05:08,320 --> 00:05:04,680

the mass

76

00:05:12,050 --> 00:05:08,330

of conspiracies on all the way from

77

00:05:15,830 --> 00:05:12,060

Braxton Braxton England I use that word

78

00:05:18,770 --> 00:05:15,840

yeah who do we have tonight come on Tim

79

00:05:22,520 --> 00:05:18,780

let's get going here and tell the world

80

00:05:24,379 --> 00:05:22,530

tell the world who knew and what this is

81

00:05:26,240 --> 00:05:24,389

all about all right well we're

82

00:05:30,560 --> 00:05:26,250

journeying across the pond to talk to

83

00:05:34,249 --> 00:05:30,570

our old friend Ben Emelin Jones now Ben

84

00:05:36,650 --> 00:05:34,259

is a reporter right so now Ben is a

85

00:05:38,710 --> 00:05:36,660

researcher blogger and filmmaker on

86

00:05:43,339 --> 00:05:38,720

controversial subjects on his blog

87

00:05:45,469 --> 00:05:43,349

website HPA NWO which stands for

88

00:05:46,249 --> 00:05:45,479

hospital Porter's against the New World

89

00:05:49,040 --> 00:05:46,259

Order

90

00:05:51,710 --> 00:05:49,050

now Ben's website is dedicated to the

91

00:05:53,629 --> 00:05:51,720

latest news views and reviews of the

92

00:05:56,930 --> 00:05:53,639

world of government cover MOT cover-ups

93

00:06:00,070 --> 00:05:56,940

ghosts UFOs paranormal investigation

94

00:06:03,560 --> 00:06:00,080

hidden knowledge forbidden history and

95

00:06:06,409 --> 00:06:03,570

archeology chemtrails and even Hospital

96

00:06:09,379 --> 00:06:06,419

Porter's he also post videos containing

97

00:06:13,070 --> 00:06:09,389

his political comments and often uses

98

00:06:15,890 --> 00:06:13,080

satirical characters to get his point

99

00:06:16,610 --> 00:06:15,900

across so Ben thank you very much for

100

00:06:20,050 --> 00:06:16,620

being with us

101
00:06:25,550 --> 00:06:20,060
once again on exploring the bizarre oh

102
00:06:27,260 --> 00:06:25,560
great good we'd shake hands with you or

103
00:06:30,620 --> 00:06:27,270
give you a high-five but I guess we're a

104
00:06:34,339 --> 00:06:30,630
little bit too far away to to do that at

105
00:06:39,710 --> 00:06:34,349
the at the moment all right hey big hug

106
00:06:43,399 --> 00:06:39,720
yeah hey hey give you squeeze there - is

107
00:06:46,100 --> 00:06:43,409
it Friday night already right it's it's

108
00:06:48,860 --> 00:06:46,110
actually up in the morning every rendang

109
00:06:50,570 --> 00:06:48,870
for Friday morning yes that's right now

110
00:06:53,210 --> 00:06:50,580
where were you speaking to us from where

111
00:06:55,850 --> 00:06:53,220
what were you located exactly I'm from

112
00:07:00,620 --> 00:06:55,860
the dreaming spires of Oxford but not in

113
00:07:03,230 --> 00:07:00,630

the university yeah but you've been

114

00:07:05,360 --> 00:07:03,240

cracking the books I understand well

115

00:07:09,290 --> 00:07:05,370

yeah I've been watching since I talked

116

00:07:12,110 --> 00:07:09,300

to you last I've written the concluding

117

00:07:16,490 --> 00:07:12,120

part of the Roswell trilogy that's my

118

00:07:18,500 --> 00:07:16,500

three days Roswell and how many how many

119

00:07:20,720 --> 00:07:18,510

pages is that all together

120

00:07:23,120 --> 00:07:20,730

I'll deets all together it's so it's

121

00:07:25,790 --> 00:07:23,130

about hundred and something pages well

122

00:07:28,280 --> 00:07:25,800

the first one I've got here is oh three

123

00:07:29,300 --> 00:07:28,290

hundred and eighty-five pages the first

124

00:07:32,480 --> 00:07:29,310

one the other two are about the same

125

00:07:34,940 --> 00:07:32,490

length and it's rolled right in Roswell

126
00:07:36,200 --> 00:07:34,950
revealed and Roswell redeemed and and

127
00:07:38,090 --> 00:07:36,210
then the first one's called a novel of

128
00:07:40,340 --> 00:07:38,100
disclosure Roswell revealed a world

129
00:07:43,250 --> 00:07:40,350
after disclosure and Roswell redeemed

130
00:07:45,950 --> 00:07:43,260
humanity after disclosure and I thought

131
00:07:49,490 --> 00:07:45,960
was Roswell Roswell will never be

132
00:07:52,730 --> 00:07:49,500
redeemed I mean is it okay this this is

133
00:07:55,970 --> 00:07:52,740
a novel but do you base this all on

134
00:07:58,880 --> 00:07:55,980
legitimate or illegitimate research oh

135
00:08:02,090 --> 00:07:58,890
yes very much so it's a it's a fictional

136
00:08:04,010 --> 00:08:02,100
allegory it's intended to tell her tell

137
00:08:07,580 --> 00:08:04,020
the truth through a story the story is

138
00:08:09,890 --> 00:08:07,590

about this idea about UFOs as you know I

139

00:08:11,960 --> 00:08:09,900

believe that the government has decisive

140

00:08:14,120 --> 00:08:11,970

physical evidence though of

141

00:08:16,940 --> 00:08:14,130

extraterrestrial contact with our

142

00:08:18,190 --> 00:08:16,950

species on this planet and of course

143

00:08:20,720 --> 00:08:18,200

they're keeping that quiet from us

144

00:08:22,160 --> 00:08:20,730

keeping it secret so I thought to myself

145

00:08:23,990 --> 00:08:22,170

well what if we have the truth instead

146

00:08:25,760 --> 00:08:24,000

of the secrecy and that little question

147

00:08:28,010 --> 00:08:25,770

that we're trying a thought which

148

00:08:29,840 --> 00:08:28,020

eventually ended up in a story and the

149

00:08:32,780 --> 00:08:29,850

story is what I wrote about in these

150

00:08:34,159 --> 00:08:32,790

three novels so I'm pleased with that

151

00:08:38,180 --> 00:08:34,169

actually let's start writing something

152

00:08:43,690 --> 00:08:38,190

new now which I have done Wow so would

153

00:08:49,280 --> 00:08:43,700

you say that it's oh you're you're a ETH

154

00:08:51,740 --> 00:08:49,290

individual yes definitely obviously you

155

00:08:54,740 --> 00:08:51,750

and I part company on that because I I

156

00:08:57,560 --> 00:08:54,750

think that the the crash in Roswell was

157

00:08:59,270 --> 00:08:57,570

there some sort of a German made device

158

00:09:01,880 --> 00:08:59,280

and that the government covered this up

159

00:09:04,190 --> 00:09:01,890

because they didn't want the public to

160

00:09:07,610 --> 00:09:04,200

realize it they were in collusion would

161

00:09:10,220 --> 00:09:07,620

Nazi war criminals well you know my

162

00:09:13,130 --> 00:09:10,230

theory yeah but you know that I suppose

163

00:09:14,930 --> 00:09:13,140

that's a possibility because they they

164

00:09:16,880 --> 00:09:14,940

were in collaboration with the Nazis I

165

00:09:19,400 --> 00:09:16,890

mean they brought a load some over in

166

00:09:21,110 --> 00:09:19,410

terms of Operation Paperclip large

167

00:09:22,580 --> 00:09:21,120

numbers of Nazi scientists were brought

168

00:09:24,620 --> 00:09:22,590

over from Germany someone who works

169

00:09:26,240 --> 00:09:24,630

under fake names some of them were works

170

00:09:29,510 --> 00:09:26,250

openly like vana von Braun who designed

171

00:09:31,110 --> 00:09:29,520

the rockets for NASA and others some use

172

00:09:33,960 --> 00:09:31,120

of faintness so I had their war cry

173

00:09:36,900 --> 00:09:33,970

records deleted and Snowbasin given new

174

00:09:39,510 --> 00:09:36,910

life so I suppose it's an interesting

175

00:09:40,950 --> 00:09:39,520

idea and it may turn out to be true you

176

00:09:42,600 --> 00:09:40,960

never know everything else way to say

177

00:09:44,519 --> 00:09:42,610

well I don't I don't know as if we'll

178

00:09:49,079 --> 00:09:44,529

ever know the truth about Roswell

179

00:09:53,550 --> 00:09:49,089

because it's so many years ago now it's

180

00:09:57,450 --> 00:09:53,560

been very deep in the in the literally

181

00:10:01,050 --> 00:09:57,460

in the sands of New Mexico and anybody

182

00:10:03,210 --> 00:10:01,060

who might have been there at this point

183

00:10:07,500 --> 00:10:03,220

is probably in the sands of New Mexico

184

00:10:10,680 --> 00:10:07,510

as as well and unfortunately for them so

185

00:10:12,930 --> 00:10:10,690

Illi don't know where's the Mogul

186

00:10:14,519 --> 00:10:12,940

balloon well what's left of the mogul

187

00:10:16,290 --> 00:10:14,529

balloon hey that would be a good thing

188

00:10:19,200 --> 00:10:16,300

to sell on eBay can you imagine what

189

00:10:21,810 --> 00:10:19,210

that would think if we had a mogul

190

00:10:23,340 --> 00:10:21,820

balloon right well you know when I when

191

00:10:25,829 --> 00:10:23,350

they year did their so-called final

192

00:10:28,560 --> 00:10:25,839

declassification in 1997 there were

193

00:10:30,180 --> 00:10:28,570

fragments of this alleged balloon in

194

00:10:31,860 --> 00:10:30,190

present within the within the files

195

00:10:33,390 --> 00:10:31,870

within the documents it's where she

196

00:10:34,980 --> 00:10:33,400

released ashes and boxes full of

197

00:10:37,530 --> 00:10:34,990

fragments of this illegible didn't know

198

00:10:39,510 --> 00:10:37,540

that I'm here that they can't just if

199

00:10:43,410 --> 00:10:39,520

they had like them preserved it

200

00:10:45,120 --> 00:10:43,420

something but yeah I mean there's good

201
00:10:46,620 --> 00:10:45,130
Simon Schama know he made a film called

202
00:10:48,000 --> 00:10:46,630
cosmic whistle blows where he actually

203
00:10:49,350 --> 00:10:48,010
this is a couple years back we actually

204
00:10:53,220 --> 00:10:49,360
did manage to get hold of a couple more

205
00:10:56,400 --> 00:10:53,230
witnesses they're very old who are you

206
00:10:58,980 --> 00:10:56,410
who are you quoting called Simon Charmin

207
00:11:01,590 --> 00:10:58,990
who is a filmmaker here in Britain a

208
00:11:03,180 --> 00:11:01,600
huge get hold of a couple of witnesses I

209
00:11:06,269 --> 00:11:03,190
mean this of course it was we are

210
00:11:07,230 --> 00:11:06,279
talking now 72 years these guys are

211
00:11:09,870 --> 00:11:07,240
pretty old

212
00:11:12,000 --> 00:11:09,880
I mean and gaudi's to these guys and

213
00:11:13,650 --> 00:11:12,010

gals are pretty old but they told a very

214

00:11:15,750 --> 00:11:13,660

interesting story and he was enough for

215

00:11:19,290 --> 00:11:15,760

a new documentary so I quite enjoyed

216

00:11:22,350 --> 00:11:19,300

that film but you're right a long time

217

00:11:23,970 --> 00:11:22,360

ago now so once I mean Dean T's research

218

00:11:31,199 --> 00:11:23,980

didn't even begin properly until 30

219

00:11:34,530 --> 00:11:31,209

years after the event so I'm more into

220

00:11:38,190 --> 00:11:34,540

the Kingdom Arizona a UFO crash myself

221

00:11:41,760 --> 00:11:38,200

we've had on the fellow there Tim right

222

00:11:43,790 --> 00:11:41,770

that's done the on the scene

223

00:11:47,240 --> 00:11:43,800

investigation of Kingman and

224

00:11:50,780 --> 00:11:47,250

you know yeah that that to me seems to

225

00:11:54,560 --> 00:11:50,790

have a lot more weight to it as do some

226

00:11:57,620 --> 00:11:54,570

of the other UFO crash sites no proof

227

00:12:00,500 --> 00:11:57,630

that there are extraterrestrial but you

228

00:12:04,250 --> 00:12:00,510

know it's it's an entry I've written on

229

00:12:08,930 --> 00:12:04,260

the subject of course we have our UFO a

230

00:12:10,490 --> 00:12:08,940

crash book and and also I I don't know

231

00:12:13,310 --> 00:12:10,500

you know I mean it's up in the air but I

232

00:12:17,180 --> 00:12:13,320

to me you'd have to offer be an awful

233

00:12:19,610 --> 00:12:17,190

lot of proof that the craft at Roswell

234

00:12:21,920 --> 00:12:19,620

was actually a excerpt or you know

235

00:12:23,660 --> 00:12:21,930

terrestrial and we could go into the not

236

00:12:27,440 --> 00:12:23,670

you know we've talked about the the

237

00:12:30,560 --> 00:12:27,450

German and Nazi connection you know even

238

00:12:32,920 --> 00:12:30,570

at the so-called the landing in the

239

00:12:35,720 --> 00:12:32,930

desert where George Adamski had his

240

00:12:36,829 --> 00:12:35,730

supposedly first contact with north on

241

00:12:39,440 --> 00:12:36,839

you know the spaceman from another

242

00:12:43,460 --> 00:12:39,450

planet when they made the plaster of

243

00:12:45,380 --> 00:12:43,470

Paris a cast of the aliens boot print

244

00:12:48,139 --> 00:12:45,390

that was in the soil you know they put

245

00:12:49,850 --> 00:12:48,149

the plaster first cast out and lo and

246

00:12:53,569 --> 00:12:49,860

behold what was in the middle of a boot

247

00:12:56,420 --> 00:12:53,579

put a swastika I mean what would a

248

00:12:59,240 --> 00:12:56,430

Venusian be doing with a swastika in his

249

00:13:00,620 --> 00:12:59,250

boot you know certainly not very good

250

00:13:05,780 --> 00:13:00,630

intelligence opportunities that's the

251

00:13:09,490 --> 00:13:05,790

cases give away but not only that but in

252

00:13:12,620 --> 00:13:09,500

some of the early contact cases the

253

00:13:15,290 --> 00:13:12,630

occupants of the creb talked in german

254

00:13:18,139 --> 00:13:15,300

well you know this a british guy called

255

00:13:20,000 --> 00:13:18,149

Michael Shrimpton and he's a researcher

256

00:13:21,769 --> 00:13:20,010

over here just conspiracies like that

257

00:13:23,420 --> 00:13:21,779

and he would be very interested in that

258

00:13:29,060 --> 00:13:23,430

because as far as ease concerns you know

259

00:13:32,680 --> 00:13:29,070

you name it the Germans did it so I

260

00:13:36,380 --> 00:13:32,690

think we've got five or six books on the

261

00:13:38,750 --> 00:13:36,390

that's a covered one Tim one person one

262

00:13:41,689 --> 00:13:38,760

and Nazi UFO time travelers right that's

263

00:13:46,100 --> 00:13:41,699

right yeah I think that's probably the

264

00:13:47,630 --> 00:13:46,110

latest one I mean that was yeah yeah and

265

00:13:51,019 --> 00:13:47,640

what's the wonder yeah exploits of

266

00:13:54,060 --> 00:13:51,029

Admiral Byrd well yeah there's the

267

00:13:56,189 --> 00:13:54,070

exploits of Admiral Byrd

268

00:13:59,280 --> 00:13:56,199

that's it that's a good that's a good

269

00:14:01,139 --> 00:13:59,290

one with a lot of the knots yeah Tim

270

00:14:04,199 --> 00:14:01,149

Cridland over there does some more of

271

00:14:05,900 --> 00:14:04,209

the torture King he did a really good

272

00:14:08,540 --> 00:14:05,910

job of making a connection between

273

00:14:13,230 --> 00:14:08,550

Admiral Byrd's family and the

274

00:14:15,509 --> 00:14:13,240

assassination of JFK very little very

275

00:14:19,259 --> 00:14:15,519

little note very little known fact that

276

00:14:22,650 --> 00:14:19,269

the publicist Bird said nephew was it

277

00:14:24,600 --> 00:14:22,660

his nephew Tim actually owned the the

278

00:14:27,300 --> 00:14:24,610

Book Depository building that the the

279

00:14:31,590 --> 00:14:27,310

rifle shot supposedly came from yeah

280

00:14:33,620 --> 00:14:31,600

yeah like you know some some some

281

00:14:37,590 --> 00:14:33,630

relative I don't know it was like a

282

00:14:39,689 --> 00:14:37,600

nephew from you know maybe not a blood

283

00:14:43,230 --> 00:14:39,699

relative but but but yeah I mean there

284

00:14:46,170 --> 00:14:43,240

was that connection there little known

285

00:14:49,680 --> 00:14:46,180

fact I mean we dig deep right yeah I

286

00:14:54,900 --> 00:14:49,690

mean we did we dig really deep hey so

287

00:14:57,210 --> 00:14:54,910

the big conspiracy which includes a your

288

00:15:00,840 --> 00:14:57,220

royalty over there Ben is this a Jeffrey

289

00:15:04,980 --> 00:15:00,850

Epstein yeah this yeah did he commit

290

00:15:07,230 --> 00:15:04,990

suicide or was lynched I've not met one

291

00:15:08,970 --> 00:15:07,240

single person well I know there's a

292

00:15:11,540 --> 00:15:08,980

couple but I've not met them who really

293

00:15:13,769 --> 00:15:11,550

believed that was suicide it's

294

00:15:16,850 --> 00:15:13,779

incredibly unlikely it is likely to be

295

00:15:19,710 --> 00:15:16,860

suicide at Diana had an accidental crash

296

00:15:21,629 --> 00:15:19,720

it's so obvious I mean this is some I

297

00:15:24,389 --> 00:15:21,639

think it's a sign of the times actually

298

00:15:26,910 --> 00:15:24,399

guys because some something has changed

299

00:15:29,189 --> 00:15:26,920

something significantly changed in this

300

00:15:31,199 --> 00:15:29,199

world and when it comes to things like

301

00:15:33,420 --> 00:15:31,209

this because it's like they can't keep

302

00:15:35,939 --> 00:15:33,430

it secret as easily as they used to and

303

00:15:37,319 --> 00:15:35,949

that's very and it's not easy it just

304

00:15:38,699 --> 00:15:37,329

come from month of multiple different

305

00:15:40,530 --> 00:15:38,709

areas there's all kinds of different

306

00:15:44,160 --> 00:15:40,540

subjects involved in this but generally

307

00:15:47,490 --> 00:15:44,170

speaking across the board I feel that

308

00:15:50,579 --> 00:15:47,500

there's more transparency and the the

309

00:15:52,829 --> 00:15:50,589

powers that shouldn't be are worried

310

00:15:55,740 --> 00:15:52,839

about this and I feel a lot of hope as a

311

00:15:59,639 --> 00:15:55,750

result well you know we hear all these

312

00:16:01,019 --> 00:15:59,649

rumors in fact there Tracy Twyman I

313

00:16:03,559 --> 00:16:01,029

don't know if you knew her in that but

314

00:16:07,710 --> 00:16:03,569

she supposedly committed suicide

315

00:16:11,009 --> 00:16:07,720

recently I did a book that we publish

316

00:16:14,429 --> 00:16:11,019

sex slaves of the CIA and in that book

317

00:16:18,749 --> 00:16:14,439

she as she interviewed different

318

00:16:20,400 --> 00:16:18,759

individuals a women who claimed that

319

00:16:24,090 --> 00:16:20,410

they were actually sex slaves of

320

00:16:26,699 --> 00:16:24,100

different politicians including the Vice

321

00:16:29,850 --> 00:16:26,709

President Cheney over here now I

322

00:16:33,150 --> 00:16:29,860

personally find this very hard to to

323

00:16:37,189 --> 00:16:33,160

believe to be honest with you but I I do

324

00:16:42,119 --> 00:16:37,199

know that they have especially in the UK

325

00:16:44,309 --> 00:16:42,129

busted pedophilia rings I mean do you

326

00:16:47,639 --> 00:16:44,319

think this do you think this goes up as

327

00:16:49,860 --> 00:16:47,649

high as the the crown I think so I mean

328

00:16:51,929 --> 00:16:49,870

from what we've seen for example that

329

00:16:54,420 --> 00:16:51,939

there's no way that these rings could

330

00:16:57,480 --> 00:16:54,430

have existed without massive massive

331

00:16:59,100 --> 00:16:57,490

institutional collusion for example we

332

00:17:00,480 --> 00:16:59,110

have Jimmy Savile I think we mentioned

333

00:17:01,829 --> 00:17:00,490

him the last time I was on the show

334

00:17:04,470 --> 00:17:01,839

actually if I remember rightly

335

00:17:05,970 --> 00:17:04,480

he's a major so he was a major celebrity

336

00:17:08,039 --> 00:17:05,980

here in Britain we never managed to

337

00:17:13,309 --> 00:17:08,049

export him so you Americans were spared

338

00:17:17,299 --> 00:17:13,319

him luckily but we've got our own cursus

339

00:17:20,789 --> 00:17:17,309

Piers Morgan and you're welcome to him

340

00:17:23,939 --> 00:17:20,799

Jimmy Jimmy Savile as a major celebrity

341

00:17:26,909 --> 00:17:23,949

work well he worked primarily in music

342

00:17:29,970 --> 00:17:26,919

programs of children's TV which is a bad

343

00:17:32,580 --> 00:17:29,980

combination and he worked the BBC for 46

344

00:17:36,000 --> 00:17:32,590

years after he died it was revealed that

345

00:17:38,399 --> 00:17:36,010

he had been a serial abuser of children

346

00:17:39,960 --> 00:17:38,409

and he did lots of charity work as well

347

00:17:41,610 --> 00:17:39,970

and he was a porter at a hospital once

348

00:17:43,830 --> 00:17:41,620

and he was abusing children ouches are

349

00:17:45,330 --> 00:17:43,840

awful things an awful thing from my

350

00:17:48,539 --> 00:17:45,340

perspective is he makes him a trace

351

00:17:50,250 --> 00:17:48,549

terrible traitor yeah but soon it's

352

00:17:53,580 --> 00:17:50,260

funny when it all came out it was

353

00:17:55,740 --> 00:17:53,590

revealed that he essentially had been

354

00:17:57,899 --> 00:17:55,750

doing this with impunity in the BBC and

355

00:18:00,180 --> 00:17:57,909

the life and the BBC was it was a

356

00:18:03,930 --> 00:18:00,190

horrible blunder it was like oh my god

357

00:18:06,750 --> 00:18:03,940

we had no idea so for 46 years he'd been

358

00:18:08,580 --> 00:18:06,760

doing this and they had no idea I find

359

00:18:11,120 --> 00:18:08,590

out almost as unbelievable as Jeffrey

360

00:18:13,799 --> 00:18:11,130

Epstein committing suicide I really do

361

00:18:15,899 --> 00:18:13,809

and there's a guy called Cyril Smith

362

00:18:17,940 --> 00:18:15,909

Smith was a very large man a she was

363

00:18:20,669 --> 00:18:17,950

famous for being the the heaviest MP in

364

00:18:21,710 --> 00:18:20,679

Parliament it turns out that he was

365

00:18:25,289 --> 00:18:21,720

involved

366

00:18:28,440 --> 00:18:25,299

very very significantly in child abuse

367

00:18:31,110 --> 00:18:28,450

he himself was a abuser of young boys he

368

00:18:33,360 --> 00:18:31,120

was involved in organized criminal

369

00:18:34,769 --> 00:18:33,370

activities that provided these young

370

00:18:37,919 --> 00:18:34,779

boys and shipped these young boys around

371

00:18:39,509 --> 00:18:37,929

so when a guy could get a woman a man a

372

00:18:42,570 --> 00:18:39,519

woman comes out and says you know when I

373

00:18:43,950 --> 00:18:42,580

was a kid I was one a part of this chain

374

00:18:45,690 --> 00:18:43,960

of pedophilia of course they might be

375

00:18:49,619 --> 00:18:45,700

making it up it's always possibility

376

00:18:51,210 --> 00:18:49,629

it's a yes yes there are some you have

377

00:18:54,600 --> 00:18:51,220

these you know people that are

378

00:18:56,249 --> 00:18:54,610

hypnotized by and and and lead and and

379

00:18:58,350 --> 00:18:56,259

you don't know as if false memories I

380

00:19:00,149 --> 00:18:58,360

think there was this case in in

381

00:19:02,220 --> 00:19:00,159

California many years ago with the whole

382

00:19:05,519 --> 00:19:02,230

family that were accused of having

383

00:19:07,529 --> 00:19:05,529

tunnels under the chair of the daycare

384

00:19:09,509 --> 00:19:07,539

center and all it was it was just

385

00:19:12,830 --> 00:19:09,519

nonsense you know and and we had a

386

00:19:15,359 --> 00:19:12,840

leading of the TV a journalist who led

387

00:19:17,399 --> 00:19:15,369

the charge against these people and it

388

00:19:19,619 --> 00:19:17,409

was actually no evidence whatsoever I

389

00:19:21,480 --> 00:19:19,629

mean including a grandmother who I think

390

00:19:22,230 --> 00:19:21,490

she was what's about 70 years old or

391

00:19:26,190 --> 00:19:22,240

something

392

00:19:29,580 --> 00:19:26,200

it was it was the McMartin family Mark

393

00:19:33,600 --> 00:19:29,590

Martin preschool yeah oh yeah well I

394

00:19:36,810 --> 00:19:33,610

mean that that went to actually went to

395

00:19:39,570 --> 00:19:36,820

trial and oh yeah yeah I mean it

396

00:19:41,879 --> 00:19:39,580

disrupted these people's lives for four

397

00:19:45,720 --> 00:19:41,889

years and there have been absolutely no

398

00:19:48,299 --> 00:19:45,730

evidence ever uncovered and you know

399

00:19:50,580 --> 00:19:48,309

that that you know it showed that there

400

00:19:52,350 --> 00:19:50,590

was any veracity to these claims and you

401
00:19:55,889 --> 00:19:52,360
know it turned out that the main person

402
00:19:59,609 --> 00:19:55,899
who had first leveled the charges was a

403
00:20:02,399 --> 00:19:59,619
mother who unfortunately suffered from

404
00:20:05,369 --> 00:20:02,409
severe mental illness and had been in

405
00:20:09,539 --> 00:20:05,379
and out of various hospitals for years

406
00:20:10,859 --> 00:20:09,549
and she was the one who first made the

407
00:20:12,659 --> 00:20:10,869
reports to the police

408
00:20:15,869 --> 00:20:12,669
you know claiming like you said that

409
00:20:19,889 --> 00:20:15,879
there was tunnels under the under this

410
00:20:22,259 --> 00:20:19,899
preschool that the children claimed that

411
00:20:24,629 --> 00:20:22,269
they were taken away and taken out of

412
00:20:28,109 --> 00:20:24,639
the country and then brought back again

413
00:20:30,470 --> 00:20:28,119

in just a matter of a few hours it was

414

00:20:35,100 --> 00:20:30,480

just you know ridiculous that people

415

00:20:36,510 --> 00:20:35,110

believed it it's so you have to stop

416

00:20:38,549 --> 00:20:36,520

proceed with caution when you're dealing

417

00:20:39,900 --> 00:20:38,559

with these sort of things because you

418

00:20:41,580 --> 00:20:39,910

don't want to make a mistake you can't

419

00:20:43,289 --> 00:20:41,590

afford to make a mistake with with

420

00:20:46,500 --> 00:20:43,299

accusations this terrible I'm it's the

421

00:20:48,150 --> 00:20:46,510

worst crime imaginable and that anyone

422

00:20:50,760 --> 00:20:48,160

will recuse dove and if you get it wrong

423

00:20:52,380 --> 00:20:50,770

you ruin people's lives nor so you you

424

00:20:54,510 --> 00:20:52,390

muddied the waters when they're for the

425

00:20:56,160 --> 00:20:54,520

real victims and the real perpetrators

426

00:20:58,530 --> 00:20:56,170

son so yeah you've got to be very

427

00:21:01,400 --> 00:20:58,540

careful I'm really sorry that these

428

00:21:05,280 --> 00:21:01,410

people were falsely accused it's rific

429

00:21:06,930 --> 00:21:05,290

you know go ahead I said I keep very

430

00:21:10,980 --> 00:21:06,940

quiet this is why I keep quiet about

431

00:21:12,930 --> 00:21:10,990

certain famous cases involving these

432

00:21:14,730 --> 00:21:12,940

kinds of suspicions there has been a

433

00:21:16,890 --> 00:21:14,740

couple involving there's been a couple

434

00:21:18,570 --> 00:21:16,900

of levels that say John Podesta and the

435

00:21:20,190 --> 00:21:18,580

Clintons which I don't yell about

436

00:21:21,840 --> 00:21:20,200

because I won't even mention the name of

437

00:21:24,270 --> 00:21:21,850

it on the air because you can get

438

00:21:25,590 --> 00:21:24,280

trouble you know again but I don't I'm

439

00:21:27,030 --> 00:21:25,600

not actually commented on that because

440

00:21:28,950 --> 00:21:27,040

quite frankly I don't know if it's true

441

00:21:30,750 --> 00:21:28,960

or false and until one pretty certain is

442

00:21:34,260 --> 00:21:30,760

true or likely to be true I'm not going

443

00:21:36,360 --> 00:21:34,270

to say anything you know we were

444

00:21:40,730 --> 00:21:36,370

discussing you know something before the

445

00:21:43,799 --> 00:21:40,740

start of the show I have a very bad

446

00:21:46,409 --> 00:21:43,809

chronic back pain where it's gotten to

447

00:21:49,169 --> 00:21:46,419

the point where I can't even walk a

448

00:21:51,659 --> 00:21:49,179

block really I just suffer you know I

449

00:21:54,659 --> 00:21:51,669

mean it's it's terrible it's like I have

450

00:21:57,030 --> 00:21:54,669

a hundred pound weight around my waist

451
00:21:59,730 --> 00:21:57,040
now I've tried everything in fact they

452
00:22:02,159 --> 00:21:59,740
did a surgical procedure at the hospital

453
00:22:04,919 --> 00:22:02,169
and it made it worse I sleep in a

454
00:22:06,720 --> 00:22:04,929
recliner can you imagine that it's not a

455
00:22:08,159 --> 00:22:06,730
very good recliner if anybody has a good

456
00:22:11,669 --> 00:22:08,169
one out there they'd like to sudden over

457
00:22:14,610 --> 00:22:11,679
I'm I'm open to it but I thought this

458
00:22:16,620 --> 00:22:14,620
week I ran into someone across the

459
00:22:19,620 --> 00:22:16,630
street there happens to be a wellness

460
00:22:23,310 --> 00:22:19,630
clinic and medical marijuana is now

461
00:22:25,860 --> 00:22:23,320
legal in the state of New York I don't

462
00:22:28,950 --> 00:22:25,870
know too much about it as far as pain

463
00:22:30,630 --> 00:22:28,960

control goes the young lady who was just

464

00:22:32,820 --> 00:22:30,640

entering the business establishment

465

00:22:35,900 --> 00:22:32,830

there said that I should get in touch

466

00:22:38,520 --> 00:22:35,910

with them now I know you do need a

467

00:22:41,700 --> 00:22:38,530

marijuana card which you have to pay the

468

00:22:44,340 --> 00:22:41,710

state for I contacted one of my doctors

469

00:22:47,460 --> 00:22:44,350

my physician at the hospital my primary

470

00:22:50,370 --> 00:22:47,470

physician and ask them about medical

471

00:22:52,799 --> 00:22:50,380

marijuana and he didn't say don't use it

472

00:22:54,419 --> 00:22:52,809

for recreational purposes he just said

473

00:22:58,890 --> 00:22:54,429

there was no evidence as far as he was

474

00:23:01,980 --> 00:22:58,900

concerned that it actually caused the

475

00:23:06,150 --> 00:23:01,990

elimination of chronic pain what's a

476

00:23:07,620 --> 00:23:06,160

u-bend the porter Hospital and I'm not a

477

00:23:10,290 --> 00:23:07,630

doctor in a pain in the immortal and

478

00:23:12,000 --> 00:23:10,300

simple Bob Marley legalized here my

479

00:23:13,919 --> 00:23:12,010

mother had multiple sclerosis used it

480

00:23:16,080 --> 00:23:13,929

all the time it has amazing effects for

481

00:23:17,580 --> 00:23:16,090

her so yeah definitely if you can help

482

00:23:20,850 --> 00:23:17,590

you I'd be really glad because back pain

483

00:23:23,250 --> 00:23:20,860

is a horrible thing oh you know I can't

484

00:23:26,040 --> 00:23:23,260

it good thing I don't have to one good

485

00:23:28,230 --> 00:23:26,050

thing about books on demand you don't

486

00:23:30,030 --> 00:23:28,240

have to carry a carry the cartons

487

00:23:32,640 --> 00:23:30,040

anymore one of the reasons I got the

488

00:23:35,340 --> 00:23:32,650

chronic back pain was the boxes the

489

00:23:38,790 --> 00:23:35,350

books used to weigh about 60 pounds you

490

00:23:41,430 --> 00:23:38,800

know oh that's when they were vided by

491

00:23:43,200 --> 00:23:41,440

the tons I mean we would just move it

492

00:23:45,180 --> 00:23:43,210

were you know I mean well I had two

493

00:23:48,180 --> 00:23:45,190

people working for me just carton books

494

00:23:50,400 --> 00:23:48,190

around on hand trucks and stuff like

495

00:23:52,169 --> 00:23:50,410

that you know yeah boy books are print

496

00:23:53,760 --> 00:23:52,179

on tomorrow and it's really really good

497

00:23:55,200 --> 00:23:53,770

that way and I'm yeah you got to be

498

00:23:57,049 --> 00:23:55,210

careful carrying things it's something I

499

00:23:59,010 --> 00:23:57,059

learned when I was a porter you know

500

00:24:00,840 --> 00:23:59,020

alright gentlemen I need to interrupt

501
00:24:02,610 --> 00:24:00,850
you here because we have to go to our

502
00:24:05,250 --> 00:24:02,620
bottom of the hour break when we come

503
00:24:07,590 --> 00:24:05,260
back we will continue our conversation

504
00:24:18,060 --> 00:24:07,600
with Ben the border on exploring the

505
00:24:24,790 --> 00:24:22,210
now back to exploring the bazaar with

506
00:24:27,790 --> 00:24:24,800
two of the most electrifying researchers

507
00:24:33,190 --> 00:24:27,800
in the Paranoid your hosts Timothy

508
00:24:34,840 --> 00:24:33,200
Rebecca Lee panting sports and welcome

509
00:24:37,990 --> 00:24:34,850
back to exploring the bazaar I'm Tim

510
00:24:41,230 --> 00:24:38,000
Schwarz tonight our guest is Ben the

511
00:24:45,750 --> 00:24:41,240
porter and always happy that Ben is

512
00:24:48,940 --> 00:24:45,760
willing to get up in the early early

513
00:24:53,290 --> 00:24:48,950

hours of the morning for him to to be at

514

00:24:57,130 --> 00:24:53,300

our show Ben you had mentioned in the

515

00:25:02,110 --> 00:24:57,140

previous segment and I can't remember

516

00:25:04,990 --> 00:25:02,120

the gentleman's name is Jimmy what was

517

00:25:09,520 --> 00:25:05,000

his last name Jimmy Savile Jimmy Savile

518

00:25:12,580 --> 00:25:09,530

right all right the BBC claim that they

519

00:25:15,520 --> 00:25:12,590

have no idea of all the impropriety is

520

00:25:18,460 --> 00:25:15,530

that he had been doing when especially

521

00:25:21,160 --> 00:25:18,470

when he was the host of the the the

522

00:25:24,450 --> 00:25:21,170

music show that he had for years but

523

00:25:29,530 --> 00:25:24,460

there's a couple years ago there was a

524

00:25:32,590 --> 00:25:29,540

lady who came out and claimed or wasn't

525

00:25:34,570 --> 00:25:32,600

claimed it was proven that while she was

526
00:25:36,310 --> 00:25:34,580
on the show was you I guess like one of

527
00:25:37,840 --> 00:25:36,320
the dancers or something like that and

528
00:25:41,040 --> 00:25:37,850
at the end of the show

529
00:25:44,050 --> 00:25:41,050
she was sitting next to Jimmy is he was

530
00:25:47,380 --> 00:25:44,060
saying the goodbyes to the television

531
00:25:50,290 --> 00:25:47,390
audience and apparently while he was

532
00:25:54,130 --> 00:25:50,300
doing that he reached down and grabbed

533
00:25:56,350 --> 00:25:54,140
her at a a place that our current

534
00:26:02,710 --> 00:25:56,360
president is famous for claiming that

535
00:26:05,350 --> 00:26:02,720
that he liked to grab women now when she

536
00:26:09,880 --> 00:26:05,360
made this statement somebody actually

537
00:26:15,250 --> 00:26:09,890
found a kinescope I guess is what it was

538
00:26:18,100 --> 00:26:15,260

of of this scene and it was Anna Mae Stu

539

00:26:20,320 --> 00:26:18,110

will be on YouTube and it's very clear

540

00:26:22,300 --> 00:26:20,330

that as Jimmy is talking to the camera

541

00:26:24,100 --> 00:26:22,310

all of a sudden this this young girl I

542

00:26:25,360 --> 00:26:24,110

mean she was just a young teenager all

543

00:26:27,430 --> 00:26:25,370

of a sudden she like

544

00:26:30,160 --> 00:26:27,440

screams basically and jumps around

545

00:26:33,190 --> 00:26:30,170

trying to get out of his way but he

546

00:26:34,330 --> 00:26:33,200

manages to hold on to her now with that

547

00:26:37,360 --> 00:26:34,340

kind of evidence

548

00:26:39,310 --> 00:26:37,370

the BBC BBC still claims that they had

549

00:26:41,620 --> 00:26:39,320

no idea that this guy was doing this

550

00:26:43,120 --> 00:26:41,630

kind of stuff it's really quest honestly

551

00:26:45,730 --> 00:26:43,130

I mean it's a story you just told this

552

00:26:48,010 --> 00:26:45,740

horrible story but by a young girl to

553

00:26:51,700 --> 00:26:48,020

have been attacked attacked by a man

554

00:26:54,340 --> 00:26:51,710

like that young ages yeah live on air

555

00:26:56,350 --> 00:26:54,350

it's the the brazenness of his all is

556

00:26:59,200 --> 00:26:56,360

incredible I mean he wrote he wrote a

557

00:27:00,370 --> 00:26:59,210

book once it's I think it was in the

558

00:27:02,430 --> 00:27:00,380

early seventies he wrote like an

559

00:27:04,390 --> 00:27:02,440

autobiography as I said he's been

560

00:27:06,820 --> 00:27:04,400

involved in the show business a long

561

00:27:10,030 --> 00:27:06,830

time and he drops hints about his

562

00:27:11,320 --> 00:27:10,040

girlfriends and everyone is like thinks

563

00:27:14,380 --> 00:27:11,330

he's just it's just generally having a

564

00:27:15,490 --> 00:27:14,390

laugh but with hindsight you can see

565

00:27:17,590 --> 00:27:15,500

there was something very sinister about

566

00:27:20,799 --> 00:27:17,600

him what he was saying as a young

567

00:27:23,350 --> 00:27:20,809

actress called Julie Fernandez who was

568

00:27:25,000 --> 00:27:23,360

she's sort of in her forties now she sir

569

00:27:28,360 --> 00:27:25,010

confined to a wheelchair see it has

570

00:27:31,120 --> 00:27:28,370

something wrong with her legs and she

571

00:27:33,880 --> 00:27:31,130

said he did the same thing to her when

572

00:27:36,070 --> 00:27:33,890

she was about 13 or 14 when she was on

573

00:27:37,990 --> 00:27:36,080

his show at the top of the pops program

574

00:27:39,910 --> 00:27:38,000

if you've never seen it it has like

575

00:27:42,070 --> 00:27:39,920

musicians performing on stage and all

576
00:27:45,310 --> 00:27:42,080
around those girls and boys dancing you

577
00:27:49,320 --> 00:27:45,320
know it's like a big disco and he would

578
00:27:51,730 --> 00:27:49,330
show everyone here we had one here well

579
00:27:55,030 --> 00:27:51,740
shangri-la or something oh hello

580
00:27:57,910 --> 00:27:55,040
hullabaloo hullabaloo okay yes yeah it's

581
00:27:59,650 --> 00:27:57,920
it see it's a it seems like there's a

582
00:28:00,700 --> 00:27:59,660
lot of people who knew it it's it's

583
00:28:02,680 --> 00:28:00,710
funny funny see you hear this phrase

584
00:28:04,990 --> 00:28:02,690
open secret you heard that phrase before

585
00:28:07,480 --> 00:28:05,000
sure yeah it seems that there was some

586
00:28:09,490 --> 00:28:07,490
kind of tacit collaboration involved of

587
00:28:11,770 --> 00:28:09,500
people including some celebrities such

588
00:28:14,710 --> 00:28:11,780

as Esther Rantzen now Esther Rantzen

589

00:28:16,750 --> 00:28:14,720

now she's a big celebrity at BBC and

590

00:28:19,210 --> 00:28:16,760

she's also she's the founder of the

591

00:28:20,470 --> 00:28:19,220

Childline Child Protection Service and

592

00:28:23,440 --> 00:28:20,480

she has a reputation for being a

593

00:28:25,060 --> 00:28:23,450

protector of children and her it's

594

00:28:26,380 --> 00:28:25,070

incredible I listened to her talking

595

00:28:30,250 --> 00:28:26,390

about this it was like I was watching

596

00:28:32,350 --> 00:28:30,260

groupthink in action she was saying yes

597

00:28:34,210 --> 00:28:32,360

we'd all heard about it we all sort of

598

00:28:35,740 --> 00:28:34,220

knew something was going on but we

599

00:28:37,150 --> 00:28:35,750

couldn't really say anything we didn't

600

00:28:37,870 --> 00:28:37,160

do anything and I thought to myself this

601
00:28:39,970 --> 00:28:37,880
I couldn't

602
00:28:41,620 --> 00:28:39,980
leave this is Esther Rantzen talking and

603
00:28:44,770 --> 00:28:41,630
there was Janice reporter she's another

604
00:28:46,870 --> 00:28:44,780
one Johnny Rotten of the Sex Pistols and

605
00:28:49,060 --> 00:28:46,880
he he's an outtake from the Old Grey

606
00:28:51,670 --> 00:28:49,070
Whistle test and in the 70s where he's

607
00:28:53,200 --> 00:28:51,680
talking about it and well he was

608
00:28:54,790 --> 00:28:53,210
confronted actually when sad when all

609
00:28:57,820 --> 00:28:54,800
came out of Savile and the guy was

610
00:29:01,000 --> 00:28:57,830
crying with with shame and guilt because

611
00:29:03,940 --> 00:29:01,010
of what of this holy business but it's

612
00:29:05,260 --> 00:29:03,950
like it's it's almost like people flip

613
00:29:07,090 --> 00:29:05,270

into a different state of mind when

614

00:29:08,620 --> 00:29:07,100

they're part of a large institution and

615

00:29:10,500 --> 00:29:08,630

there and there's some kind of there's a

616

00:29:13,000 --> 00:29:10,510

hierarchy of

617

00:29:15,700 --> 00:29:13,010

instructions may be heard of the Milgram

618

00:29:16,750 --> 00:29:15,710

experiments mmm yes yeah okay I know

619

00:29:19,330 --> 00:29:16,760

what you're talking about yeah which

620

00:29:20,920 --> 00:29:19,340

tested people's obedience to Authority

621

00:29:21,610 --> 00:29:20,930

they had a guy dressed in a dress up as

622

00:29:24,430 --> 00:29:21,620

a doctor

623

00:29:26,710 --> 00:29:24,440

ordering people to press buttons and

624

00:29:28,690 --> 00:29:26,720

give someone electric shocks and there

625

00:29:30,100 --> 00:29:28,700

was someone behind the screen and he was

626

00:29:31,240 --> 00:29:30,110

he was not actually having electric

627

00:29:32,500 --> 00:29:31,250

shocks he was just an actor who's

628

00:29:35,020 --> 00:29:32,510

screaming at the top of his lungs

629

00:29:36,520 --> 00:29:35,030

begging for mercy as this guy's pressing

630

00:29:37,030 --> 00:29:36,530

buttons and the doctor said press the

631

00:29:39,580 --> 00:29:37,040

next button

632

00:29:41,980 --> 00:29:39,590

give him a higher shock this time and

633

00:29:43,660 --> 00:29:41,990

surprise frightening Lee more than 90

634

00:29:45,820 --> 00:29:43,670

percent of people's willing to get

635

00:29:47,440 --> 00:29:45,830

delivered even fatal shocks to the

636

00:29:50,830 --> 00:29:47,450

person they thought they was it was a

637

00:29:53,830 --> 00:29:50,840

person if the doctor ordered them soon

638

00:29:57,070 --> 00:29:53,840

some cell it sounds like a was Rob

639

00:29:58,780 --> 00:29:57,080

Zombie movie it's how you explain things

640

00:30:00,400 --> 00:29:58,790

like the gulags and things like that

641

00:30:01,540 --> 00:30:00,410

you know they they would just obey

642

00:30:03,130 --> 00:30:01,550

orders and they would do the most

643

00:30:04,210 --> 00:30:03,140

horrific normal people do the most

644

00:30:05,980 --> 00:30:04,220

horrific things if someone in authority

645

00:30:08,950 --> 00:30:05,990

was telling them to and that's what you

646

00:30:10,990 --> 00:30:08,960

see at the BBC you see that some you see

647

00:30:12,730 --> 00:30:11,000

their attitude and you know governments

648

00:30:14,710 --> 00:30:12,740

have employ psychologists who know about

649

00:30:17,500 --> 00:30:14,720

this sort of thing and they so if they

650

00:30:19,780 --> 00:30:17,510

are running these these various rackets

651
00:30:22,870 --> 00:30:19,790
these rather highly organized a chains

652
00:30:23,890 --> 00:30:22,880
of the most horrific crimes there's

653
00:30:25,000 --> 00:30:23,900
large types of people who will know

654
00:30:26,710 --> 00:30:25,010
about it and not do anything about it

655
00:30:29,970 --> 00:30:26,720
they're protected in a sense the secret

656
00:30:32,020 --> 00:30:29,980
keeps itself it's it's as frightening

657
00:30:34,630 --> 00:30:32,030
element of human nature which the

658
00:30:35,860 --> 00:30:34,640
government exploited it really really

659
00:30:38,140 --> 00:30:35,870
gives me this [h__\h] you see the same

660
00:30:40,060 --> 00:30:38,150
thing with Epstein over here I mean but

661
00:30:41,320 --> 00:30:40,070
the fact that this these secrets are now

662
00:30:42,700 --> 00:30:41,330
emerging

663
00:30:44,380 --> 00:30:42,710

I think he's encouraging I think it's

664

00:30:45,850 --> 00:30:44,390

very hopeful because this these are

665

00:30:48,520 --> 00:30:45,860

refer to secrets that been around for a

666

00:30:51,760 --> 00:30:48,530

long time Jimmy Savile was started the

667

00:30:54,910 --> 00:30:51,770

BBC a long time ago sort of early 60s

668

00:30:56,710 --> 00:30:54,920

so the fact that nothing was said then

669

00:30:59,260 --> 00:30:56,720

but now we know about it

670

00:31:01,360 --> 00:30:59,270

it's a pity never went to jail and she's

671

00:31:03,640 --> 00:31:01,370

rescued by the grave but since it's it's

672

00:31:06,790 --> 00:31:03,650

hopeful lies it really is very it gives

673

00:31:08,770 --> 00:31:06,800

me hope when I was just reading today

674

00:31:13,030 --> 00:31:08,780

and I don't know if you've heard this

675

00:31:16,270 --> 00:31:13,040

yet and yeah you know I mean you know

676

00:31:17,950 --> 00:31:16,280

what's what somebody dies then all of

677

00:31:20,860 --> 00:31:17,960

these stories emerge but this wouldn't

678

00:31:24,160 --> 00:31:20,870

you know concerns a Jeffrey Epstein as I

679

00:31:28,200 --> 00:31:24,170

and somebody was saying that that that

680

00:31:31,299 --> 00:31:28,210

that he and I guess the one lady who was

681

00:31:33,760 --> 00:31:31,309

you know basically though the woman who

682

00:31:37,810 --> 00:31:33,770

went around finding young girls for him

683

00:31:43,510 --> 00:31:37,820

that they were agents of Mossad Mossad

684

00:31:46,840 --> 00:31:43,520

Harry pronounces and that it was their

685

00:31:51,120 --> 00:31:46,850

job basically to use these young girls

686

00:31:54,880 --> 00:31:51,130

on politicians you know celebrities to

687

00:31:58,330 --> 00:31:54,890

to get films and and other damning

688

00:32:00,790 --> 00:31:58,340

evidence to use you know basically is

689

00:32:02,560 --> 00:32:00,800

blackmail and extortion yes

690

00:32:04,810 --> 00:32:02,570

have you had you have you heard this one

691

00:32:07,360 --> 00:32:04,820

yet I just read it earlier today I

692

00:32:09,250 --> 00:32:07,370

hadn't heard of this is specifically

693

00:32:11,140 --> 00:32:09,260

relate to Epstein but of course it's a

694

00:32:13,390 --> 00:32:11,150

well-known fact that intelligence

695

00:32:16,030 --> 00:32:13,400

agencies when they're recruiting agents

696

00:32:17,890 --> 00:32:16,040

in foreign countries they will use these

697

00:32:19,720 --> 00:32:17,900

methods the honey trap and then the

698

00:32:21,040 --> 00:32:19,730

blackmail and things like that it

699

00:32:23,470 --> 00:32:21,050

happened all through the Cold War it

700

00:32:25,060 --> 00:32:23,480

happened before then I mean it's a tried

701
00:32:26,500 --> 00:32:25,070
and tested technique they'll get to

702
00:32:28,630 --> 00:32:26,510
damning evidence against something and

703
00:32:30,430 --> 00:32:28,640
then they will say right you you do now

704
00:32:33,010 --> 00:32:30,440
will do such some favors or this is

705
00:32:37,600 --> 00:32:33,020
going to go public and indeed then this

706
00:32:39,580 --> 00:32:37,610
is like but I do if someone is it is

707
00:32:41,320 --> 00:32:39,590
vulnerable in that way because very very

708
00:32:43,570 --> 00:32:41,330
few people spend their whole lives as

709
00:32:45,370 --> 00:32:43,580
flawless angels you know I'm not saying

710
00:32:48,850 --> 00:32:45,380
everyone does things as horrific as

711
00:32:51,280 --> 00:32:48,860
Epstein and Savile but guys you some

712
00:32:52,690 --> 00:32:51,290
guys might you know have a liaison with

713
00:32:55,299 --> 00:32:52,700

someone else and when they're married

714

00:32:56,860 --> 00:32:55,309

and things like that and that that in

715

00:32:59,470 --> 00:32:56,870

itself even if it's not criminal could

716

00:33:01,450 --> 00:32:59,480

be enough to to have some sort of

717

00:33:03,640 --> 00:33:01,460

leverage on somebody you know well well

718

00:33:05,629 --> 00:33:03,650

you know one of the movies that I made

719

00:33:07,699 --> 00:33:05,639

years ago driller

720

00:33:10,879 --> 00:33:07,709

Rosalie Adele takeoff of Michael Jackson

721

00:33:13,369 --> 00:33:10,889

Stiller Thriller it would not they

722

00:33:17,979 --> 00:33:13,379

wouldn't allow it to be shown in Canada

723

00:33:25,539 --> 00:33:22,039

it you know it had an actor dressed up

724

00:33:27,979 --> 00:33:25,549

as a as a werewolf in it and so that was

725

00:33:40,789 --> 00:33:27,989

banned banned from you know all

726

00:33:42,529 --> 00:33:40,799

provinces and in Canada so they're not

727

00:33:45,889 --> 00:33:42,539

human and especially this one wasn't in

728

00:33:47,749 --> 00:33:45,899

the movie and no oh there might be they

729

00:33:50,629 --> 00:33:47,759

may be they may be real I mean we got

730

00:33:55,940 --> 00:33:50,639

the shapeshifters running around in fact

731

00:33:58,519 --> 00:33:55,950

in this book UFOs deja vu a good portion

732

00:34:02,629 --> 00:33:58,529

of the book is about shapeshifters and

733

00:34:06,469 --> 00:34:02,639

and skinwalkers and so have you ever

734

00:34:08,509 --> 00:34:06,479

done any research on that that yeah well

735

00:34:10,159 --> 00:34:08,519

when I Prince Andrew said I am he was

736

00:34:11,960 --> 00:34:10,169

one of his excuses when he when he met

737

00:34:14,269 --> 00:34:11,970

Virginia Robert Jeffery she said he was

738

00:34:16,669 --> 00:34:14,279

sweating once we were dancing he says oh

739

00:34:20,499 --> 00:34:16,679

I never sweat he said and I thought to

740

00:34:23,839 --> 00:34:20,509

myself well mammals don't but Sir

741

00:34:25,490 --> 00:34:23,849

reptile is he dropping some in here

742

00:34:30,669 --> 00:34:25,500

about what shape he was in at the time

743

00:34:32,599 --> 00:34:30,679

wait no I accused the queen of being a

744

00:34:35,779 --> 00:34:32,609

reptilian and a shapeshifter

745

00:34:37,399 --> 00:34:35,789

and you know it's really weird she likes

746

00:34:40,099 --> 00:34:37,409

to wear green and yellow

747

00:34:41,960 --> 00:34:40,109

it seems to me every time I've seen a

748

00:34:44,539 --> 00:34:41,970

serpent they got a lot of green in

749

00:34:47,569 --> 00:34:44,549

yellow honor oh yeah this idea was

750

00:34:49,339 --> 00:34:47,579

popularized by David Icke but yes not

751
00:34:50,990 --> 00:34:49,349
the only one I mean peace people saved

752
00:34:52,940 --> 00:34:51,000
him but he's not the only one and it's

753
00:34:55,369 --> 00:34:52,950
it's really badly so it's something like

754
00:34:57,170 --> 00:34:55,379
how as bizarre as it might sound and you

755
00:35:01,339 --> 00:34:57,180
do explore the bizarre on this show that

756
00:35:04,160 --> 00:35:01,349
is where your name this is about as

757
00:35:06,880 --> 00:35:04,170
strange as we've gotten I think this is

758
00:35:09,740 --> 00:35:06,890
this is most extreme an element you get

759
00:35:11,749 --> 00:35:09,750
people people report this experience

760
00:35:13,910 --> 00:35:11,759
they reports seeing people turn into

761
00:35:15,769 --> 00:35:13,920
these lists these humanoid lizard lice

762
00:35:17,870 --> 00:35:15,779
creatures and I mean some of them it's

763
00:35:19,350 --> 00:35:17,880

not this usually people in some form of

764

00:35:21,990 --> 00:35:19,360

authority but sometimes

765

00:35:24,000 --> 00:35:22,000

just like well I met a woman once sir

766

00:35:31,290 --> 00:35:24,010

she wrote a book her her pads the pen

767

00:35:33,840 --> 00:35:31,300

name Susan read you actually met her I I

768

00:35:35,760 --> 00:35:33,850

wasn't sure she existed the began yeah I

769

00:35:37,740 --> 00:35:35,770

was when I met a nice talk to her I was

770

00:35:40,500 --> 00:35:37,750

and she goes her story she was married

771

00:35:43,050 --> 00:35:40,510

to a reptilian shapeshifter and I was

772

00:35:44,760 --> 00:35:43,060

astonished about how ordinary she was I

773

00:35:46,530 --> 00:35:44,770

mean when I mean I'd read her book and I

774

00:35:49,250 --> 00:35:46,540

met and she she was just very a very

775

00:35:52,890 --> 00:35:49,260

ordinary kind of housewife type person

776

00:35:54,690 --> 00:35:52,900

and sadly she died she drowned actually

777

00:35:55,800 --> 00:35:54,700

unless she was swimming in the sea on

778

00:35:57,510 --> 00:35:55,810

holiday it was no I don't think it's

779

00:36:00,570 --> 00:35:57,520

suspicious she's growl their depth like

780

00:36:02,480 --> 00:36:00,580

some people do but some her story is

781

00:36:05,490 --> 00:36:02,490

remarkable and

782

00:36:12,390 --> 00:36:05,500

talking to her made me know what makes

783

00:36:13,740 --> 00:36:12,400

sound richer but it's really was a it's

784

00:36:16,950 --> 00:36:13,750

a remarkable book and the remarkable

785

00:36:18,930 --> 00:36:16,960

tale and her be who she was somebody who

786

00:36:22,890 --> 00:36:18,940

keeps her up for her own name privacy

787

00:36:25,290 --> 00:36:22,900

she never sought fame or fortune and the

788

00:36:27,600 --> 00:36:25,300

normal normality of her made it sound

789

00:36:29,190 --> 00:36:27,610

even more persuasive I do please a lot

790

00:36:31,200 --> 00:36:29,200

of people have this experience and it's

791

00:36:34,980 --> 00:36:31,210

I believe it should be taken seriously

792

00:36:39,870 --> 00:36:34,990

and it's it is a possibility you know

793

00:36:43,050 --> 00:36:39,880

yeah we ran we ran a piece that that she

794

00:36:46,230 --> 00:36:43,060

wrote probably you know years before she

795

00:36:56,070 --> 00:36:46,240

she put the book together she she had

796

00:37:00,000 --> 00:36:56,080

sent it to me and we and we we included

797

00:37:06,180 --> 00:37:00,010

it in commander X's book of incredible

798

00:37:08,880 --> 00:37:06,190

conspiracies somewhere but I didn't do

799

00:37:11,070 --> 00:37:08,890

it on me exactly where I I know I tried

800

00:37:13,860 --> 00:37:11,080

to reach her or contact her and was

801
00:37:15,450 --> 00:37:13,870
never able to do so so uh all right now

802
00:37:18,270 --> 00:37:15,460
I only I happen to run into her at a

803
00:37:20,160 --> 00:37:18,280
conference she was she was traveling

804
00:37:22,020 --> 00:37:20,170
with a friend of mine and she was the

805
00:37:24,600 --> 00:37:22,030
probe conference in in Blackpool England

806
00:37:27,030 --> 00:37:24,610
and so I'm to run into her and that's

807
00:37:28,380 --> 00:37:27,040
how I met her but I never spoke to us I

808
00:37:30,540 --> 00:37:28,390
know we're never kind of contacted her

809
00:37:32,790 --> 00:37:30,550
but I'd like to say she was not really a

810
00:37:35,070 --> 00:37:32,800
person who sought any

811
00:37:37,820 --> 00:37:35,080
a publicity she wasn't making this story

812
00:37:41,310 --> 00:37:37,830
up to get us to get herself well-known

813
00:37:42,660 --> 00:37:41,320

she she made it up because issue she

814

00:37:44,280 --> 00:37:42,670

said it because I think but I believe

815

00:37:45,870 --> 00:37:44,290

it's true and I've met other people

816

00:37:48,870 --> 00:37:45,880

you've had the similar experiences it's

817

00:37:51,060 --> 00:37:48,880

it's really something that's as crazy as

818

00:37:55,850 --> 00:37:51,070

it is I think there's reason to believe

819

00:37:59,790 --> 00:37:55,860

it one the and the strange thing about

820

00:38:02,730 --> 00:37:59,800

these sort of situations is that you can

821

00:38:10,010 --> 00:38:02,740

go practically anywhere on the planet

822

00:38:13,290 --> 00:38:10,020

and find stories that are so similar yet

823

00:38:15,240 --> 00:38:13,300

the people who are telling them have no

824

00:38:18,630 --> 00:38:15,250

idea that other people are telling the

825

00:38:21,270 --> 00:38:18,640

same stories in you know another country

826

00:38:22,680 --> 00:38:21,280

on the other side of the world yeah

827

00:38:25,320 --> 00:38:22,690

that's what always fascinates me about

828

00:38:27,780 --> 00:38:25,330

it this ancient mythologies of among

829

00:38:29,280 --> 00:38:27,790

people people who made it may I say who

830

00:38:31,200 --> 00:38:29,290

came up with these stories when people

831

00:38:33,060 --> 00:38:31,210

didn't travel as much as they do now and

832

00:38:34,410 --> 00:38:33,070

these are people these are cultures that

833

00:38:36,690 --> 00:38:34,420

never had any contact with each other

834

00:38:38,850 --> 00:38:36,700

yet they come up with the same idea this

835

00:38:40,950 --> 00:38:38,860

idea of some kind of extraterrestrial

836

00:38:43,860 --> 00:38:40,960

intervention in the early in the early

837

00:38:45,930 --> 00:38:43,870

part of human history offered involving

838

00:38:48,150 --> 00:38:45,940

sometimes sexual activity interbreeding

839

00:38:50,700 --> 00:38:48,160

and things like that I mean the classic

840

00:38:52,470 --> 00:38:50,710

one is Genesis chapter 12 the the

841

00:38:54,060 --> 00:38:52,480

daughters suing the daughters of men

842

00:38:55,950 --> 00:38:54,070

were that the Nephilim came unto the

843

00:38:57,510 --> 00:38:55,960

daughters of men saw they were fair took

844

00:38:59,880 --> 00:38:57,520

her than many wives who gave them many

845

00:39:01,560 --> 00:38:59,890

heirs who became the wise men of renown

846

00:39:03,840 --> 00:39:01,570

I mean that's from the Bible but this

847

00:39:08,070 --> 00:39:03,850

there's legends from southern Africa

848

00:39:08,730 --> 00:39:08,080

from South America from Mexico all over

849

00:39:12,540 --> 00:39:08,740

the place

850

00:39:17,940 --> 00:39:12,550

I remember I remembered that David Icke

851

00:39:19,140 --> 00:39:17,950

add the rather famous African fellow

852

00:39:22,770 --> 00:39:19,150

there Fred

853

00:39:24,930 --> 00:39:22,780

that's why yes and I must say I saw the

854

00:39:28,140 --> 00:39:24,940

videotapes the interview I was very

855

00:39:29,940 --> 00:39:28,150

impressed by him in fact he's written

856

00:39:32,040 --> 00:39:29,950

you know books himself I'm sure he's

857

00:39:35,100 --> 00:39:32,050

deceased by now he's rather elderly even

858

00:39:36,990 --> 00:39:35,110

that but he's written a couple of books

859

00:39:38,610 --> 00:39:37,000

and we used to sell my eye you know you

860

00:39:40,830 --> 00:39:38,620

see them wholesale and things like that

861

00:39:44,310 --> 00:39:40,840

they weren't readily available here in

862

00:39:46,480 --> 00:39:44,320

the States but there are of course we

863

00:39:49,150 --> 00:39:46,490

talk about the native of

864

00:39:52,930 --> 00:39:49,160

American legends of these shapeshifters

865

00:39:54,700 --> 00:39:52,940

and not so much turning into reptiles

866

00:39:59,460 --> 00:39:54,710

and returning from a reptile into a

867

00:40:02,710 --> 00:39:59,470

human but coyotes and wolves and

868

00:40:07,470 --> 00:40:02,720

different kinds of I guess they're

869

00:40:12,910 --> 00:40:07,480

Ravens and-and-and Thunderbirds and

870

00:40:14,470 --> 00:40:12,920

where where was it was yeah it really is

871

00:40:16,330 --> 00:40:14,480

an extraordinary the video the interview

872

00:40:18,160 --> 00:40:16,340

of Crater which one is really it's

873

00:40:20,740 --> 00:40:18,170

crevasse six hours long and I was glued

874

00:40:22,420 --> 00:40:20,750

to it the whole yeah I read two of his

875

00:40:27,790 --> 00:40:22,430

books he's still around believe Illinois

876

00:40:34,450 --> 00:40:27,800

and he's pretty we got to get him on the

877

00:40:36,430 --> 00:40:34,460

program Tim he does do bill go on to to

878

00:40:38,590 --> 00:40:36,440

throw he will go wants us to of shows

879

00:40:40,720 --> 00:40:38,600

occasionally but you know the the books

880

00:40:42,370 --> 00:40:40,730

me down with my children which is goes

881

00:40:44,020 --> 00:40:42,380

into these old mister eaves pathology

882

00:40:46,090 --> 00:40:44,030

specially written down these folk tales

883

00:40:50,080 --> 00:40:46,100

from the from the Zulu culture of South

884

00:40:51,730 --> 00:40:50,090

Africa and it's um involves some of the

885

00:40:53,650 --> 00:40:51,740

same features even though he wrote this

886

00:40:55,750 --> 00:40:53,660

book in the 60s long before David I was

887

00:40:58,990 --> 00:40:55,760

David Icke yet still playing football in

888

00:41:00,400 --> 00:40:59,000

those days you know oh yes so he didn't

889

00:41:02,050 --> 00:41:00,410

get the idea from David Icke it was

890

00:41:04,240 --> 00:41:02,060

actually he you approached David David

891

00:41:06,670 --> 00:41:04,250

and said look we got a talk because you

892

00:41:08,680 --> 00:41:06,680

know about the [h__\h] early cause of

893

00:41:11,890 --> 00:41:08,690

the Chitauri which is basically the same

894

00:41:13,690 --> 00:41:11,900

as the Anunnaki the and the other kinds

895

00:41:16,300 --> 00:41:13,700

of creatures though there's there's

896

00:41:19,030 --> 00:41:16,310

various other names for them the Elohim

897

00:41:23,190 --> 00:41:19,040

etc involving these creatures that are

898

00:41:25,780 --> 00:41:23,200

actually influence humans in the early

899

00:41:28,510 --> 00:41:25,790

do you realize that anybody tuning into

900

00:41:30,250 --> 00:41:28,520

this program who has no clue as to what

901

00:41:33,300 --> 00:41:30,260

we do or think that we're absolutely

902

00:41:39,609 --> 00:41:33,310

crazy bonkers and should be locked up oh

903

00:41:42,340 --> 00:41:39,619

sure they do I mean you know it's all

904

00:41:43,780 --> 00:41:42,350

dims towards us for oh yeah blame em

905

00:41:45,099 --> 00:41:43,790

yeah but I tell you what you have to

906

00:41:47,500 --> 00:41:45,109

take some of you have to take some of

907

00:41:49,510 --> 00:41:47,510

the credit and blame Timothy B because

908

00:41:51,340 --> 00:41:49,520

you know I get this all the time from my

909

00:41:54,820 --> 00:41:51,350

family I gave a calm you're screwed with

910

00:41:57,849 --> 00:41:54,830

the alias tell me the story about them

911

00:41:59,230 --> 00:41:57,859

yeah well my dance my desk or my desk or

912

00:42:00,130 --> 00:41:59,240

girlfriend I mean my that's quite a so

913

00:42:02,080 --> 00:42:00,140

youthful chat

914

00:42:03,280 --> 00:42:02,090

penis he said that he too but you know

915

00:42:07,540 --> 00:42:03,290

he wouldn't believe it he goes to the

916

00:42:10,330 --> 00:42:07,550

gym well sir so am i oh he's got himself

917

00:42:12,880 --> 00:42:10,340

a younger girlfriend she's 62 she's

918

00:42:14,740 --> 00:42:12,890

younger than him and I she she was I

919

00:42:16,390 --> 00:42:14,750

thought she's quite open-minded you know

920

00:42:18,100 --> 00:42:16,400

she's like a because she started talking

921

00:42:19,150 --> 00:42:18,110

to UFOs I mean I thought oh great so I

922

00:42:21,160 --> 00:42:19,160

brought her a copy of screwed by the

923

00:42:22,600 --> 00:42:21,170

aliens and I thought condors I'll be

924

00:42:24,160 --> 00:42:22,610

talking to you about it and it looked

925

00:42:26,650 --> 00:42:24,170

like a sort of book that was interesting

926

00:42:28,540 --> 00:42:26,660

and I bought it for Christmas last year

927

00:42:31,120 --> 00:42:28,550

and she and I handed it to a chauffeur

928

00:42:48,250 --> 00:42:31,130

she took one look at issues Oh No thank

929

00:42:50,800 --> 00:42:48,260

you thank you so I'm not gonna be damned

930

00:42:53,170 --> 00:42:50,810

be dead I hope I hope a lot of people

931

00:42:55,150 --> 00:42:53,180

didn't do that but well no they'd have

932

00:42:57,190 --> 00:42:55,160

to purchase the book first before they

933

00:42:59,020 --> 00:42:57,200

threw it and it's a heavy book you don't

934

00:43:02,110 --> 00:42:59,030

want to throw that book you know around

935

00:43:04,480 --> 00:43:02,120

there it's like 400 pages in there or

936

00:43:07,650 --> 00:43:04,490

we're notoriously

937

00:43:13,480 --> 00:43:07,660

you know a thick as a brick

938

00:43:15,760 --> 00:43:13,490

yeah use yours a just Hotel phrase yeah

939

00:43:17,710 --> 00:43:15,770

no yeah don't drop one on your moggy oh

940

00:43:19,960 --> 00:43:17,720

you know that's a catchphrase you know

941

00:43:22,270 --> 00:43:19,970

reading this book changed my life and

942

00:43:24,070 --> 00:43:22,280

she's like the Shrugged or something a

943

00:43:25,630 --> 00:43:24,080

really massive book and say yeah I did

944

00:43:31,390 --> 00:43:25,640

that chronic backache coming home from

945

00:43:33,610 --> 00:43:31,400

the library well it's too bad that she

946

00:43:37,060 --> 00:43:33,620

didn't even bother to crack the book

947

00:43:40,720 --> 00:43:37,070

over it's a good book you know

948

00:43:43,180 --> 00:43:40,730

well maybe the what is it sex with sex

949

00:43:52,270 --> 00:43:43,190

the sex the terrestrials are coming

950

00:43:54,070 --> 00:43:52,280

that's yeah I tell you it's not your

951
00:43:55,780 --> 00:43:54,080
father's not a dull subject I remember

952
00:43:57,580 --> 00:43:55,790
one time going in a newsstand then I

953
00:43:59,500 --> 00:43:57,590
asked the fella do you carry UFO

954
00:44:01,060 --> 00:43:59,510
magazines and he said why would we carry

955
00:44:04,150 --> 00:44:01,070
them what could you possibly write about

956
00:44:07,330 --> 00:44:04,160
UFOs what can't you write about them you

957
00:44:10,600 --> 00:44:07,340
know man you could start in a day you

958
00:44:13,240 --> 00:44:10,610
know now in three years later come up

959
00:44:13,730 --> 00:44:13,250
with a new theory you know that is group

960
00:44:15,950 --> 00:44:13,740
thinking

961
00:44:18,230 --> 00:44:15,960
and Tim it really is it's it's akise

962
00:44:19,970 --> 00:44:18,240
groupthink just like you saw the BBC

963
00:44:22,250 --> 00:44:19,980

it's it's not it's obviously not some

964

00:44:23,780 --> 00:44:22,260

malevolent but it's it's another example

965

00:44:25,760 --> 00:44:23,790

of this idea well you know it's just

966

00:44:27,260 --> 00:44:25,770

daft and it's just loony stuff we just

967

00:44:29,830 --> 00:44:27,270

don't do that sort of thing we don't

968

00:44:32,330 --> 00:44:29,840

stop that sort of stuff it's it's nuts

969

00:44:33,740 --> 00:44:32,340

and they're the people who probably

970

00:44:35,180 --> 00:44:33,750

don't know anything about it or they

971

00:44:35,540 --> 00:44:35,190

just go in there going along to get

972

00:44:40,420 --> 00:44:35,550

along

973

00:44:44,540 --> 00:44:40,430

that's I think anyway by our books by

974

00:44:46,910 --> 00:44:44,550

the sex of the aliens and and and you

975

00:44:49,580 --> 00:44:46,920

have incredible UFO encounters in UFO

976

00:44:52,370 --> 00:44:49,590

deja vu just go to amazon.com and type

977

00:44:57,350 --> 00:44:52,380

in Timothy Beckley or Tim Schwarz you'll

978

00:45:00,320 --> 00:44:57,360

get 300 books books minutes incredible

979

00:45:02,420 --> 00:45:00,330

that we've done almost 500 shows my god

980

00:45:04,820 --> 00:45:02,430

we're just inundated with this stuff but

981

00:45:06,320 --> 00:45:04,830

Ben we're running at a time tell our

982

00:45:08,090 --> 00:45:06,330

listeners how in the hell can they get

983

00:45:09,740 --> 00:45:08,100

in touch with you well if you go any

984

00:45:12,320 --> 00:45:09,750

energy for reading after you've read the

985

00:45:13,790 --> 00:45:12,330

Tim's books get a copy of Roswell rising

986

00:45:16,910 --> 00:45:13,800

a novel of disclosure and it's two

987

00:45:18,560 --> 00:45:16,920

sequels and go to HPA and wo her panwa

988

00:45:20,420 --> 00:45:18,570

hospital porters against the new world

989

00:45:24,160 --> 00:45:20,430

order and you'll find out all about me

990

00:45:29,180 --> 00:45:27,290

if they go to google and type in bender

991

00:45:30,890 --> 00:45:29,190

porter will they find you i don't know

992

00:45:33,170 --> 00:45:30,900

that it certainly they'll find me too if

993

00:45:34,970 --> 00:45:33,180

it's been emmalin jones but i've been

994

00:45:36,650 --> 00:45:34,980

the porter boy get and i'm Troy Dunn I

995

00:45:41,060 --> 00:45:36,660

should have to ego surf a bit and see if

996

00:45:47,720 --> 00:45:41,070

we can he got worse that's a good

997

00:45:50,000 --> 00:45:47,730

website ego search well and and what

998

00:45:52,220 --> 00:45:50,010

what book are you are you working on now

999

00:45:54,260 --> 00:45:52,230

Ben i'm i've actually started watching a

1000

00:45:56,210 --> 00:45:54,270

novel another novel i've given it the

1001

00:45:58,280 --> 00:45:56,220

working title of the obscure arty

1002

00:46:00,710 --> 00:45:58,290

chronicles and it's literally

1003

00:46:02,930 --> 00:46:00,720

work-in-progress off like just really

1004

00:46:04,609 --> 00:46:02,940

getting going with it but it'll take a

1005

00:46:05,870 --> 00:46:04,619

while but hopefully when I'm next on the

1006

00:46:08,000 --> 00:46:05,880

show I may be able to give you an update

1007

00:46:09,440 --> 00:46:08,010

on that whether whether I'll have it all

1008

00:46:11,780 --> 00:46:09,450

published or not I don't know but I'm

1009

00:46:14,270 --> 00:46:11,790

gonna get that done and I'll keep you

1010

00:46:17,900 --> 00:46:14,280

the UFO conference with his cab

1016

00:46:33,040 --> 00:46:29,240

1017

00:46:36,640 --> 00:46:33,050
