00:01:58,010 --> 00:01:54,420

14

00:02:07,580 --> 00:02:05,910

my co-host Tim Swartz and who are you

15

00:02:12,500 --> 00:02:07,590

supposed to hold afternoons shoveling

16

00:02:14,630 --> 00:02:12,510

snow Yeah right notes no we're cleaning

17

00:02:18,170 --> 00:02:14,640

up from the straight-line winds we had

18

00:02:21,970 --> 00:02:18,180

yesterday some weather here yeah and

19

00:02:26,330 --> 00:02:21,980

also also with us tonight we're having

20

00:02:29,870 --> 00:02:26,340

actually for hosts guest stars people

21

00:02:32,870 --> 00:02:29,880

that we all love and know Tina Marie who

22

00:02:36,080 --> 00:02:32,880

of course is our engineer and producer

23

00:02:39,140 --> 00:02:36,090

and is the host of her own program

24

00:02:42,890 --> 00:02:39,150

restricted airspace and she's out there

25

00:02:43,790 --> 00:02:42,900

in Las Vegas I know you guys you guys

26

00:02:45,620 --> 00:02:43,800

got warmer

27

00:02:48,190 --> 00:02:45,630

than we do what the heck is that I'm new

28

00:02:50,420 --> 00:02:48,200

to the desert to get away from the cold

29

00:02:52,970 --> 00:02:50,430

it's just not right

30

00:02:55,370 --> 00:02:52,980

spin that spin that roulette wheel and

31

00:03:08,120 --> 00:02:55,380

let's see what comes up uh here's what

32

00:03:11,330 --> 00:03:08,130

coming up it's Diane Tesla Tesla but but

33

00:03:17,300 --> 00:03:11,340

I'm also in outer space well the way the

34

00:03:20,810 --> 00:03:17,310

reception is great for being an ass well

35

00:03:23,090 --> 00:03:20,820

when the technology works it works when

36

00:03:26,300 --> 00:03:23,100

it doesn't I get kinda when it doesn't I

37

00:03:28,670 --> 00:03:26,310

get cut off the air mm-hmm well we are

38

00:03:31,370 --> 00:03:28,680

going to have ourselves a grand

39

00:03:33,680 --> 00:03:31,380

Christmas Eve you know I didn't want to

40

00:03:35,330 --> 00:03:33,690

sit here by myself this evening my

41

00:03:37,670 --> 00:03:35,340

friends are all over the country all

42

00:03:39,260 --> 00:03:37,680

over the world and of course a lot of

43

00:03:42,560 --> 00:03:39,270

them are married they have their own

44

00:03:45,910 --> 00:03:42,570

families and they're opening their

45

00:03:49,729 --> 00:03:45,920

presents and all so I wanted to share

46

00:03:51,229 --> 00:03:49,739

Christmas Eve with my best friends so

47

00:03:53,630 --> 00:03:51,239

we're gonna do something different

48

00:03:56,240 --> 00:03:53,640

tonight do you know why don't you tell

49

00:03:59,720 --> 00:03:56,250

us what we're going to do well let me

50

00:04:01,640 --> 00:03:59,730

tell you Tim Tim you know gave me this

51
00:04:03,290 --> 00:04:01,650
schedule of everybody he wants to pull

52
00:04:05,990 --> 00:04:03,300
on to the show here it's quota like the

53
00:04:08,660 --> 00:04:06,000
best of best of and he sent me the list

54
00:04:10,760 --> 00:04:08,670
over earlier in the week and I went okay

55
00:04:18,289 --> 00:04:10,770
you know what I guess I'm not having

56
00:04:20,270 --> 00:04:18,299
wine during the show but anyways we have

57
00:04:22,310 --> 00:04:20,280
a star-studded lineup I mean you have

58
00:04:24,140 --> 00:04:22,320
like the who's who of the paranormal

59
00:04:28,070 --> 00:04:24,150
coming on tonight and then right after

60
00:04:30,770 --> 00:04:28,080
after this show we have our special twas

61
00:04:32,570 --> 00:04:30,780
the night before Christmas that all of

62
00:04:34,670 --> 00:04:32,580
our hosts participated including and

63
00:04:36,440 --> 00:04:34,680

staff here at case you are and that's

64

00:04:38,420 --> 00:04:36,450

gonna air every three hours and we go

65

00:04:40,880 --> 00:04:38,430

commercial free right after your show

66

00:04:43,310 --> 00:04:40,890

commercial free come Christmas music

67

00:04:44,840 --> 00:04:43,320

turn us on leave us on all day it's just

68

00:04:46,490 --> 00:04:44,850

kind of a great you your show is a great

69

00:04:48,020 --> 00:04:46,500

lead-in into kind of what we're doing

70

00:04:49,580 --> 00:04:48,030

this whole family atmosphere and you

71

00:04:53,540 --> 00:04:49,590

definitely got a family atmosphere going

72

00:04:55,340 --> 00:04:53,550

right we're family oh the men demented

73

00:04:57,020 --> 00:04:55,350

family anyway you're the crazy uncle

74

00:05:01,969 --> 00:04:57,030

that sits at the end of the table we get

75

00:05:05,390 --> 00:05:01,979

what I'm the crumpets of your dreams or

76

00:05:10,219 --> 00:05:05,400

whatever yeah yeah but yeah we've got

77

00:05:12,110 --> 00:05:10,229

we've even got Bruce coming on from

78

00:05:15,650 --> 00:05:12,120

China who's going to tell us about

79

00:05:18,140 --> 00:05:15,660

dragons I guess dragons are reindeer or

80

00:05:20,450 --> 00:05:18,150

something Bruce is actually seen Bruce

81

00:05:23,480 --> 00:05:20,460

is actually seen dragons and not even in

82

00:05:26,090 --> 00:05:23,490

China he's married to a Chinese lady he

83

00:05:28,490 --> 00:05:26,100

moved over there but he saw dragons here

84

00:05:30,140 --> 00:05:28,500

and like along I think Park Avenue I

85

00:05:31,909 --> 00:05:30,150

mean real dragons we're not talking

86

00:05:33,770 --> 00:05:31,919

about the Chinese New Year's or

87

00:05:36,140 --> 00:05:33,780

something like that so we're gonna find

88

00:05:40,640 --> 00:05:36,150

out all about that in a little little

89

00:05:44,779 --> 00:05:40,650

while now Diane you're you're the one

90

00:05:49,330 --> 00:05:44,789

here who is you know the the abductee or

91

00:05:53,930 --> 00:05:49,340

the contactee or the experiencer yeah

92

00:05:57,800 --> 00:05:53,940

what do you celebrate Christmas Day any

93

00:06:02,000 --> 00:05:57,810

different than we might that's a good

94

00:06:05,080 --> 00:06:02,010

question um I I believe there is an

95

00:06:07,779 --> 00:06:05,090

umbrella of spirituality over every

96

00:06:11,900 --> 00:06:07,789

religion that is actually the same

97

00:06:16,400 --> 00:06:11,910

umbrella which is from the Sufis to the

98

00:06:20,600 --> 00:06:16,410

Buddhists to the New Agers a wonder of

99

00:06:24,380 --> 00:06:20,610

the universe on God which doesn't just

100

00:06:28,250 --> 00:06:24,390

sit on a cloud but is a part of all of

101
00:06:28,969 --> 00:06:28,260
our heads in our minds and out there in

102
00:06:32,630 --> 00:06:28,979
the stars

103
00:06:42,230 --> 00:06:32,640
so I celebrated in a mother earth father

104
00:06:48,350 --> 00:06:42,240
sky kind of way okay and what would that

105
00:06:51,140 --> 00:06:48,360
be now we do know that you do have any

106
00:06:54,230 --> 00:06:51,150
number of animals on your property you

107
00:06:56,810 --> 00:06:54,240
have actually an animal sanctuary I mean

108
00:06:59,690 --> 00:06:56,820
that's what I would call like and you're

109
00:07:02,600 --> 00:06:59,700
also out there protecting protecting the

110
00:07:04,700 --> 00:07:02,610
the wildlife which is something I'm sure

111
00:07:06,080 --> 00:07:04,710
some of your shot gun toting and

112
00:07:08,060 --> 00:07:06,090
neighbors are not too happy about

113
00:07:09,470 --> 00:07:08,070

especially during a hunting hunting

114

00:07:13,180 --> 00:07:09,480

season but

115

00:07:17,920 --> 00:07:13,190

does that does that fit in with the your

116

00:07:20,270 --> 00:07:17,930

yes yes

117

00:07:23,150 --> 00:07:20,280

protecting the deer and the wildlife

118

00:07:26,210 --> 00:07:23,160

during shotgun season when deer or mowed

119

00:07:28,490 --> 00:07:26,220

down as if they had no intelligence and

120

00:07:30,590 --> 00:07:28,500

no feelings that's part of my

121

00:07:33,680 --> 00:07:30,600

celebration of Christmas I protect them

122

00:07:35,750 --> 00:07:33,690

I've got a refuge here and I do all

123

00:07:39,010 --> 00:07:35,760

sorts of tricky little things like going

124

00:07:42,770 --> 00:07:39,020

out with corn and sunflower seeds and

125

00:07:44,930 --> 00:07:42,780

put water in their heated bucket I have

126

00:07:49,370 --> 00:07:44,940

to run an electric wire to the barn to

127

00:07:53,210 --> 00:07:49,380

do that and part of my celebration is

128

00:07:57,500 --> 00:07:53,220

keeping life going consciousness

129

00:08:00,410 --> 00:07:57,510

deer are actually very mystical and so

130

00:08:03,710 --> 00:08:00,420

gentle and intelligent and it's to me

131

00:08:06,950 --> 00:08:03,720

it's barbaric the hunting that goes on

132

00:08:11,900 --> 00:08:06,960

and part of my celebration is the fact

133

00:08:15,590 --> 00:08:11,910

that two of my three point deers which

134

00:08:18,440 --> 00:08:15,600

means that the Bucks develop a point

135

00:08:22,250 --> 00:08:18,450

every season that they're alive every

136

00:08:24,500 --> 00:08:22,260

year so I have two three point Bucks on

137

00:08:28,370 --> 00:08:24,510

my land beautiful big antlers on them

138

00:08:30,050 --> 00:08:28,380

and part of my celebration is that both

139

00:08:37,730 --> 00:08:30,060

of my Bucks made it through hunting

140

00:08:38,260 --> 00:08:37,740

seasons and I'm the third buck who made

141

00:08:43,120 --> 00:08:38,270

it through honey

142

00:08:49,730 --> 00:08:43,130

[Laughter]

143

00:08:52,130 --> 00:08:49,740

Tim you're out in Indiana yes yeah and

144

00:08:57,560 --> 00:08:52,140

and the weather has been a humid did you

145

00:09:01,400 --> 00:08:57,570

guys get any tornados I know now north

146

00:09:03,740 --> 00:09:01,410

of us in the Indianapolis area which is

147

00:09:07,730 --> 00:09:03,750

in central Indiana they actually had a

148

00:09:11,990 --> 00:09:07,740

an f1 tornado which is the smallest on

149

00:09:14,060 --> 00:09:12,000

the on the scale but you know this time

150

00:09:16,550 --> 00:09:14,070

of year or December in you know in in

151

00:09:17,900 --> 00:09:16,560

Indiana it doesn't take much you know

152

00:09:19,730 --> 00:09:17,910

you just you know you get a little warm

153

00:09:21,440 --> 00:09:19,740

air coming up from down south and then

154

00:09:21,890 --> 00:09:21,450

you know almost immediately you get say

155

00:09:24,440 --> 00:09:21,900

like

156

00:09:26,930 --> 00:09:24,450

front coming down from a Canada and it

157

00:09:30,050 --> 00:09:26,940

can stir up the weather really quick but

158

00:09:33,440 --> 00:09:30,060

I mean this has been an unusual year

159

00:09:36,290 --> 00:09:33,450

when it comes to the warmth I know I

160

00:09:38,330 --> 00:09:36,300

can't remember it's been a while since

161

00:09:40,430 --> 00:09:38,340

since we've had a Christmas where it's

162

00:09:45,170 --> 00:09:40,440

been so warm where you could actually go

163

00:09:46,670 --> 00:09:45,180

outside without jacket yeah yeah today

164

00:09:49,250 --> 00:09:46,680

it was now the only thing I was

165

00:09:52,100 --> 00:09:49,260

disappointed about it it got up to 73 or

166

00:09:54,950 --> 00:09:52,110

74 here in Manhattan but it's been it's

167

00:10:04,460 --> 00:09:54,960

been raining on and off it's a kind of a

168

00:10:05,990 --> 00:10:04,470

dismal you know like but you know people

169

00:10:08,390 --> 00:10:06,000

were walking around in shorts they're

170

00:10:11,450 --> 00:10:08,400

out in the park picnicking and there are

171

00:10:13,130 --> 00:10:11,460

ice cream trucks on the street that's

172

00:10:17,120 --> 00:10:13,140

that's what I know them that's what I

173

00:10:19,340 --> 00:10:17,130

noticed first haha well guarantee you

174

00:10:23,780 --> 00:10:19,350

know that if it's if it's this warm now

175

00:10:28,750 --> 00:10:23,790

then in February we'll be but deep in

176
00:10:36,220 --> 00:10:34,580
whose but are we measuring that well you

177
00:10:39,110 --> 00:10:36,230
better hope it's mine

178
00:10:41,750 --> 00:10:39,120
you know anybody anybody taller and it

179
00:10:43,930 --> 00:10:41,760
would be like the winter apocalypse so

180
00:10:47,390 --> 00:10:43,940
Tim how are you spending your Christmas

181
00:10:50,980 --> 00:10:47,400
well you know of course we have a

182
00:10:55,250 --> 00:10:50,990
nine-year-old daughter lorelei and she

183
00:10:57,560 --> 00:10:55,260
is in bed asleep now waiting for her

184
00:11:01,990 --> 00:10:57,570
waiting for Santa Claus to come and and

185
00:11:07,580 --> 00:11:02,000
what has Santa Claus border oh my gosh

186
00:11:10,040 --> 00:11:07,590
just okay we got her a a basketball hoop

187
00:11:15,590 --> 00:11:10,050
she loves playing basketball oh my

188
00:11:19,750 --> 00:11:15,600

goodness we got her a an iPod touch and

189

00:11:23,990 --> 00:11:19,760

yeah I'm moving into your house

190

00:11:27,200 --> 00:11:24,000

well you know sits since iPhones are now

191

00:11:29,030 --> 00:11:27,210

so ubiquitous you know the iPods are

192

00:11:31,520 --> 00:11:29,040

kind of you know they're they've

193

00:11:32,870 --> 00:11:31,530

somewhat fallen out of favor so but you

194

00:11:33,600 --> 00:11:32,880

know for nine year old girl she's been

195

00:11:36,199 --> 00:11:33,610

really wanting

196

00:11:39,960 --> 00:11:36,209

you know I mean it didn't really cost us

197

00:11:43,759 --> 00:11:39,970

actually I am I am I am going out

198

00:11:48,600 --> 00:11:43,769

tomorrow evening I am celebrating my

199

00:11:51,210 --> 00:11:48,610

Christmas with my friends and my besties

200

00:11:54,650 --> 00:11:51,220

we call them here in the hood April and

201
00:12:00,990 --> 00:11:54,660
of course Carol who is our devoted

202
00:12:09,300 --> 00:12:01,000
artist and a co mingler was the helper

203
00:12:13,230 --> 00:12:09,310
assistant messenger of life she doesn't

204
00:12:15,990 --> 00:12:13,240
come in on Friday so anyway we're going

205
00:12:19,740 --> 00:12:16,000
we're going out for Indian food which is

206
00:12:22,319 --> 00:12:19,750
Morrison yes my is my favorite maybe

207
00:12:25,410 --> 00:12:22,329
I'll have some Bombay chicken or some

208
00:12:27,870 --> 00:12:25,420
fish so those are my my besties April

209
00:12:30,600 --> 00:12:27,880
and Carol and then I've been calling and

210
00:12:33,470 --> 00:12:30,610
talking on the phone to people that I

211
00:12:37,769 --> 00:12:33,480
don't don't necessarily see but who are

212
00:12:40,800 --> 00:12:37,779
my my charming friends and devotees like

213
00:12:43,189 --> 00:12:40,810

Helen who lives out in California and of

214

00:12:46,530 --> 00:12:43,199

course Peter who is responsible for

215

00:12:49,079 --> 00:12:46,540

taking our delightful broadcast and

216

00:12:51,840 --> 00:12:49,089

putting them up on YouTube and adding a

217

00:12:54,689 --> 00:12:51,850

little bit of spice and and color in the

218

00:12:56,519 --> 00:12:54,699

dramatics Department he adds the the

219

00:12:58,710 --> 00:12:56,529

visuals and sometimes I look at these

220

00:13:01,110 --> 00:12:58,720

and I say wow look at that it's almost

221

00:13:04,530 --> 00:13:01,120

like looking at a movie I mean he really

222

00:13:07,259 --> 00:13:04,540

does an incredible job on it so I'm kind

223

00:13:11,009 --> 00:13:07,269

of happy this you know Christmas I

224

00:13:13,910 --> 00:13:11,019

actually even took a string of Christmas

225

00:13:18,990 --> 00:13:13,920

lights and ran them over my tiki bar

226

00:13:23,970 --> 00:13:19,000

mm-hmm I have I have a very large tiki

227

00:13:26,240 --> 00:13:23,980

bar with some authentic Tiki statue like

228

00:13:29,880 --> 00:13:26,250

statues that's not the word tiki figures

229

00:13:32,370 --> 00:13:29,890

that I that I bought back from Hawaii

230

00:13:34,199 --> 00:13:32,380

with me on the airplane and now today

231

00:13:37,500 --> 00:13:34,209

they'd probably say was contraband or

232

00:13:39,000 --> 00:13:37,510

something and how about you Tino what do

233

00:13:42,360 --> 00:13:39,010

you you do I know you're going to be at

234

00:13:45,120 --> 00:13:42,370

the helm of the station here for hours

235

00:13:46,860 --> 00:13:45,130

and hours do you ever get any rest you

236

00:13:48,630 --> 00:13:46,870

know this is because

237

00:13:51,390 --> 00:13:48,640

doing the Christmas special and it's all

238

00:13:52,980 --> 00:13:51,400

going to be commercial-free nope no news

239

00:13:54,360 --> 00:13:52,990

no nothing it's all going to be

240

00:13:56,430 --> 00:13:54,370

automated I'm finishing putting all the

241

00:13:59,400 --> 00:13:56,440

playlists together but because of that I

242

00:14:01,110 --> 00:13:59,410

work part-time at Katie WN 7:20 a.m. out

243

00:14:03,390 --> 00:14:01,120

here in Las Vegas - well naturally

244

00:14:04,860 --> 00:14:03,400

Christmas nobody wants to work so I'm

245

00:14:07,070 --> 00:14:04,870

the one that gets to go in at 4 o'clock

246

00:14:09,480 --> 00:14:07,080

tomorrow morning and work till noon so

247

00:14:11,430 --> 00:14:09,490

I'm pretty much gonna finish this show

248

00:14:12,510 --> 00:14:11,440

cut it up get it up finish the stuff in

249

00:14:14,430 --> 00:14:12,520

the studio and then head right down

250

00:14:17,460 --> 00:14:14,440

there so I'll be going without sleeping

251
00:14:21,090 --> 00:14:17,470
so you're going to be doing like umpteen

252
00:14:22,680 --> 00:14:21,100
hours well we don't do it well the thing

253
00:14:24,060 --> 00:14:22,690
is is over quedan they're not doing any

254
00:14:25,890 --> 00:14:24,070
Christmas it's all going to be like

255
00:14:27,720 --> 00:14:25,900
political it's a political talk show

256
00:14:28,980 --> 00:14:27,730
stuff like that so I've all got to just

257
00:14:31,110 --> 00:14:28,990
be there playing the best stuff making

258
00:14:32,579 --> 00:14:31,120
sure everything gets put into place and

259
00:14:35,910 --> 00:14:32,589
at least somebody's there watching the 4

260
00:14:39,180 --> 00:14:35,920
FM and 1 AM station I hope they give you

261
00:14:40,560 --> 00:14:39,190
a holiday you know I know you want to

262
00:14:43,500 --> 00:14:40,570
get started on that stuff that's a

263
00:14:44,460 --> 00:14:43,510

that's a sore topic legally they have to

264

00:14:45,810 --> 00:14:44,470

and believe it not I've been there for

265

00:14:47,340 --> 00:14:45,820

I've been at that station for three

266

00:14:48,630 --> 00:14:47,350

years I just found out for the first

267

00:14:49,710 --> 00:14:48,640

time this year that they actually do

268

00:14:51,269 --> 00:14:49,720

that but you have to put it in this

269

00:14:56,460 --> 00:14:51,279

little spot in the box when you put your

270

00:14:58,680 --> 00:14:56,470

time card in or you don't get like you

271

00:15:03,030 --> 00:14:58,690

guys owe me a few thousand dollars here

272

00:15:06,240 --> 00:15:03,040

I think I think I hear somebody coming

273

00:15:10,350 --> 00:15:06,250

down Santa Claus Lane would that be Rick

274

00:15:13,199 --> 00:15:10,360

hilberg it sure is Tim how are you well

275

00:15:14,640 --> 00:15:13,209

you know Rick I've been sitting here I'm

276

00:15:17,280 --> 00:15:14,650

just going to say all day but actually I

277

00:15:20,940 --> 00:15:17,290

was out earlier in the day yeah are you

278

00:15:23,550 --> 00:15:20,950

guys in the 70s in Cleveland no we're

279

00:15:26,579 --> 00:15:23,560

really right now we're in the 50s but we

280

00:15:28,890 --> 00:15:26,589

were up in the 60s earlier today and

281

00:15:33,120 --> 00:15:28,900

yesterday we set a record temperature

282

00:15:35,600 --> 00:15:33,130

yeah we're warm same here it must be the

283

00:15:37,890 --> 00:15:35,610

mother it must be the mother ship

284

00:15:39,690 --> 00:15:37,900

something is doing and I don't know what

285

00:15:41,600 --> 00:15:39,700

the heck it is but something is

286

00:15:44,970 --> 00:15:41,610

definitely doing by probably the El Nino

287

00:15:47,370 --> 00:15:44,980

mothership huh what you know Rick it is

288

00:15:49,860 --> 00:15:47,380

nice for you to take the time out from

289

00:15:52,019 --> 00:15:49,870

your family and friends to join us on

290

00:15:55,290 --> 00:15:52,029

Christmas Eve because we wanted to

291

00:15:57,990 --> 00:15:55,300

invite as many of our special guests as

292

00:15:59,490 --> 00:15:58,000

possible to share this evening with us

293

00:16:00,439 --> 00:15:59,500

and there were other people that I

294

00:16:02,809 --> 00:16:00,449

should have invited

295

00:16:05,119 --> 00:16:02,819

I didn't as Tina sets there in Las Vegas

296

00:16:06,859 --> 00:16:05,129

pulling her hair thinking about having

297

00:16:09,439 --> 00:16:06,869

more people on because we've got a whole

298

00:16:12,009 --> 00:16:09,449

list but I understand you have something

299

00:16:15,829 --> 00:16:12,019

special to share with our listeners on

300

00:16:17,749 --> 00:16:15,839

Christmas Eve yes this is something

301

00:16:21,139 --> 00:16:17,759

that's kind of inspired by her old

302

00:16:24,979 --> 00:16:21,149

friend the late great Dre Barker I am

303

00:16:27,229 --> 00:16:24,989

actually yeah yes I mean we all knew

304

00:16:29,829 --> 00:16:27,239

cray he's one of my mentors and I know

305

00:16:32,809 --> 00:16:29,839

he's one of your it was one of your men

306

00:16:34,039 --> 00:16:32,819

friend Brent yeah you know well people

307

00:16:35,749 --> 00:16:34,049

always used to say old gray is

308

00:16:37,939 --> 00:16:35,759

unfriendly he doesn't go to like

309

00:16:39,439 --> 00:16:37,949

conferences he always came to mind I'd

310

00:16:43,069 --> 00:16:39,449

send him a bus ticket or something he'd

311

00:16:45,499 --> 00:16:43,079

be he he'd be here and you know his six

312

00:16:47,299 --> 00:16:45,509

feet I was reading tars yeah yeah he did

313

00:16:48,859 --> 00:16:47,309

yeah for somebody who was supposed to be

314

00:16:52,129 --> 00:16:48,869

a Rekluse he wasn't that much of a

315

00:16:55,340 --> 00:16:52,139

recluse actually I think Jim I think Jim

316

00:16:56,929 --> 00:16:55,350

Mosley started that rumor for some

317

00:16:59,419 --> 00:16:56,939

reason it could be there was a great

318

00:17:03,499 --> 00:16:59,429

Barker Mosley few that was going all in

319

00:17:05,870 --> 00:17:03,509

the massing fifties and sixties yes but

320

00:17:07,939 --> 00:17:05,880

that today that's a long time ago

321

00:17:10,129 --> 00:17:07,949

oh man most people don't even remember

322

00:17:13,819 --> 00:17:10,139

that but tell it tell us the Christmas

323

00:17:18,350 --> 00:17:13,829

story okay this is it this is something

324

00:17:20,029 --> 00:17:18,360

called a strange Christmas tale if it's

325

00:17:22,490 --> 00:17:20,039

late on Christmas Eve

326

00:17:25,879 --> 00:17:22,500

you've taken the dogs out for the last

327

00:17:28,159 --> 00:17:25,889

walk and romp on the snow and now Albert

328

00:17:30,620 --> 00:17:28,169

and gray are fast asleep by their doggy

329

00:17:32,659 --> 00:17:30,630

dishes in the kitchen hey they're

330

00:17:34,970 --> 00:17:32,669

probably thinking about the big party

331

00:17:36,769 --> 00:17:34,980

tomorrow and all the good straps and

332

00:17:40,070 --> 00:17:36,779

treats they're going to get from the

333

00:17:42,409 --> 00:17:40,080

Christmas dinner it's a very quiet in

334

00:17:44,810 --> 00:17:42,419

the house that you turn on the radio and

335

00:17:46,909 --> 00:17:44,820

tune in some Christmas music while you

336

00:17:49,580 --> 00:17:46,919

put the last remaining presents under

337

00:17:51,560 --> 00:17:49,590

the tree for the next morning when

338

00:17:55,220 --> 00:17:51,570

friends and family will show up for a

339

00:17:57,080 --> 00:17:55,230

big holiday gathering you decide to

340

00:17:59,320 --> 00:17:57,090

light a fire in the fireplace so then

341

00:18:02,140 --> 00:17:59,330

quite we slip into the kitchen

342

00:18:04,240 --> 00:18:02,150

to wake the dogs and grab a hot and

343

00:18:07,960 --> 00:18:04,250

steaming mug of coffee to sit by the

344

00:18:10,570 --> 00:18:07,970

fire as you listen to the softly playing

345

00:18:12,790 --> 00:18:10,580

Christmas music and admire how well you

346

00:18:14,890 --> 00:18:12,800

have decorated your Christmas tree and

347

00:18:17,290 --> 00:18:14,900

how beautiful the room looks by the soft

348

00:18:19,780 --> 00:18:17,300

light of the fire you notice through the

349

00:18:22,540 --> 00:18:19,790

front window that has started to snow

350

00:18:25,510 --> 00:18:22,550

once again oh it looks so peaceful

351

00:18:28,450 --> 00:18:25,520

outside now that at this late hour

352

00:18:30,520 --> 00:18:28,460

everyone is inside the only activity to

353

00:18:33,070 --> 00:18:30,530

be seen are the twinkling Christmas

354

00:18:36,880 --> 00:18:33,080

lights of the neighbors and their gently

355

00:18:39,160 --> 00:18:36,890

falling snowflakes you see some car

356

00:18:41,800 --> 00:18:39,170

lights coming down the street and see

357

00:18:44,590 --> 00:18:41,810

someone is entering your driveway Wow

358

00:18:47,830 --> 00:18:44,600

who could be stopping by at this late

359

00:18:50,440 --> 00:18:47,840

hour on Christmas Eve you see by the

360

00:18:53,920 --> 00:18:50,450

light of your porch that the car looks

361

00:18:58,810 --> 00:18:53,930

very old hey maybe a Cadillac for nearly

362

00:19:00,690 --> 00:18:58,820

1950s or so oh man that car looks just

363

00:19:03,430 --> 00:19:00,700

like it rolled off the showroom floor

364

00:19:04,210 --> 00:19:03,440

and it's a doggone clean that it's black

365

00:19:07,680 --> 00:19:04,220

finish

366

00:19:11,350 --> 00:19:07,690

literally gleams in the reflected light

367

00:19:14,080 --> 00:19:11,360

wait three gents are getting out of the

368

00:19:16,710 --> 00:19:14,090

car they're not wearing very formal

369

00:19:19,510 --> 00:19:16,720

looking suits that old fashioned hats

370

00:19:23,530 --> 00:19:19,520

they appear to be heading for your front

371

00:19:27,070 --> 00:19:23,540

porch and the door in a second or two

372

00:19:30,660 --> 00:19:27,080

your doorbell rings should you answer it

373

00:19:36,360 --> 00:19:33,480

storyteller is is your calling I could

374

00:19:42,660 --> 00:19:36,370

see my kid does get you booked into

375

00:19:44,460 --> 00:19:42,670

older he was he's looking for that

376

00:19:48,330 --> 00:19:44,470

Christmas treat now you've got to give

377

00:19:51,900 --> 00:19:48,340

them some kind of treat I'm sure Diane

378

00:19:54,360 --> 00:19:51,910

I'm sure Diane's dogs get treated very

379

00:19:59,220 --> 00:19:54,370

well I'm sure they do and that the

380

00:20:00,660 --> 00:19:59,230

recent past that you got - damn - yep so

381

00:20:03,450 --> 00:20:00,670

so Rick how are you spending your

382

00:20:05,490 --> 00:20:03,460

Christmas where we're going to be seeing

383

00:20:07,200 --> 00:20:05,500

our great-grandchildren tomorrow morning

384

00:20:10,440 --> 00:20:07,210

very early before they leave for a

385

00:20:12,750 --> 00:20:10,450

little trip and we're just we'll be back

386

00:20:17,130 --> 00:20:12,760

here and just having a very quiet day

387

00:20:18,900 --> 00:20:17,140

with some a nice dinner and just sit

388

00:20:22,409 --> 00:20:18,910

around and relax that's what we're going

389

00:20:24,870 --> 00:20:22,419

to do and you have a Christmas tree oh

390

00:20:27,690 --> 00:20:24,880

yes we do we have several we have

391

00:20:30,210 --> 00:20:27,700

several - actually what is one in

392

00:20:31,799 --> 00:20:30,220

Jeremy's room our grandsons room we have

393

00:20:33,510 --> 00:20:31,809

our living room right here in the family

394

00:20:37,110 --> 00:20:33,520

room I am there's another one so we

395

00:20:40,289 --> 00:20:37,120

actually have three trees well like

396

00:20:42,240 --> 00:20:40,299

three of the kings what was the song oh

397

00:20:43,890 --> 00:20:42,250

never mind I sang that and I think when

398

00:20:50,640 --> 00:20:43,900

I was in fifth grade or seventh three

399

00:20:53,610 --> 00:20:50,650

kings we came we three kings yeah yeah

400

00:20:56,159 --> 00:20:53,620

that was you know the king wenceslas and

401
00:20:58,530 --> 00:20:56,169
the de Magi who are course we're

402
00:21:01,200 --> 00:20:58,540
astrologers people say oh the you know

403
00:21:03,299 --> 00:21:01,210
like all that the occult and services

404
00:21:06,450 --> 00:21:03,309
done in the Bible it's a it's a you know

405
00:21:08,520 --> 00:21:06,460
bad omen and so the devil whatever magic

406
00:21:10,530 --> 00:21:08,530
either came to see Jesus we're

407
00:21:12,990 --> 00:21:10,540
astrologer so that that's why they had

408
00:21:17,000 --> 00:21:13,000
in incense and frankenz myrrh and all

409
00:21:20,549 --> 00:21:17,010
that stuff yeah and and and that's it

410
00:21:23,700 --> 00:21:20,559
and and Rick I I thank you so much and

411
00:21:26,370 --> 00:21:23,710
we'll be talking to you in the new year

412
00:21:29,010 --> 00:21:26,380
all right sir will you have a very good

413
00:21:32,419 --> 00:21:29,020

Christmas and all of your gas listeners

414

00:21:35,070 --> 00:21:32,429

yes and and to you and to your family

415

00:21:40,940 --> 00:21:35,080

Caroline your family you just are a

416

00:21:45,080 --> 00:21:40,950

little tough yes you too bye bye

417

00:21:47,900 --> 00:21:45,090

and so that is our first guest for the

418

00:21:52,610 --> 00:21:47,910

evening and we will have many others

419

00:21:56,330 --> 00:21:52,620

coming up after our break and we'll be

420

00:22:01,850 --> 00:21:56,340

talking and next to Paul you know our

421

00:22:05,270 --> 00:22:01,860

contact up all right well there you go

422

00:22:07,040 --> 00:22:05,280

and that would be coming up in just a

423

00:22:10,700 --> 00:22:07,050

few minutes you know I never thought

424

00:22:13,220 --> 00:22:10,710

that I would hear a christmas-related

425

00:22:16,310 --> 00:22:13,230

men and black story well so that's the

426

00:22:20,390 --> 00:22:16,320

villain to me well Rick did a great job

427

00:22:22,460 --> 00:22:20,400

yes he did he did and I hear that break

428

00:22:25,400 --> 00:22:22,470

music is that the break break dance

429

00:22:27,800 --> 00:22:25,410

music yeah dance Santa Claus Santa Claus

430

00:22:29,780 --> 00:22:27,810

is hip hop into town yeah and and I

431

00:22:31,340 --> 00:22:29,790

still got to get all this suit off of me

432

00:22:33,680 --> 00:22:31,350

from coming down at it out of the

433

00:22:37,970 --> 00:22:33,690

chimney upside down and out if people

434

00:22:40,580 --> 00:22:37,980

yeah yeah upside down Santa well that's

435

00:22:43,340 --> 00:22:40,590

maybe my best side I don't know anyway

436

00:22:56,270 --> 00:22:43,350

well we'll be back and in just a few

437

00:23:03,140 --> 00:22:59,690

all right he's wishing everyone a Merry

438

00:23:05,930 --> 00:23:03,150

Christmas and Tim Beckley's gone back up

439

00:23:08,440 --> 00:23:05,940

the chimney and I'm coming back down

440

00:23:11,210 --> 00:23:08,450

with the big gifts

441

00:23:12,920 --> 00:23:11,220

well I welcome everyone all of our

442

00:23:16,160 --> 00:23:12,930

listeners you got Tim Beck Lee of course

443

00:23:20,300 --> 00:23:16,170

Dianne Tessman are our wonderful

444

00:23:23,060 --> 00:23:20,310

producer Tina Marie and now we've got

445

00:23:24,770 --> 00:23:23,070

Paulino on the line with us Paul thank

446

00:23:26,600 --> 00:23:24,780

you for very much for being with us

447

00:23:29,120 --> 00:23:26,610

this Christmas Eve oh you're very

448

00:23:30,350 --> 00:23:29,130

welcome at America's mr. wall and it's a

449

00:23:33,620 --> 00:23:30,360

well a good night in a few minutes

450

00:23:36,800 --> 00:23:33,630

anyway that's right and and and everyone

451

00:23:39,260 --> 00:23:36,810

you know nestled up close to the fire

452

00:23:46,960 --> 00:23:39,270

get your eggnog out if you don't like

453

00:23:46,970 --> 00:23:52,930

that's our third sip we're ready tonight

454

00:24:01,820 --> 00:23:58,240

well pulse it since you have a

455

00:24:05,510 --> 00:24:01,830

theological background do you uh do you

456

00:24:08,330 --> 00:24:05,520

want to add any input to the the whole

457

00:24:10,240 --> 00:24:08,340

Christmas season and the I know we were

458

00:24:13,700 --> 00:24:10,250

talking a little bit earlier about the

459

00:24:16,130 --> 00:24:13,710

Star of Bethlehem and the the angels and

460

00:24:18,950 --> 00:24:16,140

all that so I mean you know and care to

461

00:24:21,650 --> 00:24:18,960

add anything well I think why didn't I

462

00:24:23,390 --> 00:24:21,660

think of that - yeah I think I think I

463

00:24:24,860 --> 00:24:23,400

spent a lot of years in the seminar

464

00:24:26,450 --> 00:24:24,870

studying for the priesthood I never made

465

00:24:29,750 --> 00:24:26,460

it but maybe the church and I both had a

466

00:24:31,550 --> 00:24:29,760

lucky escape but you know the birth of

467

00:24:33,860 --> 00:24:31,560

Jesus is obviously this is the center of

468

00:24:36,410 --> 00:24:33,870

the Christmas idea and that's mentioned

469

00:24:38,870 --> 00:24:36,420

in only two of the four Gospels Matthew

470

00:24:41,330 --> 00:24:38,880

and Luke and the popular story as we

471

00:24:43,190 --> 00:24:41,340

have it comes down mostly from Luke and

472

00:24:44,840 --> 00:24:43,200

you've got angels and shepherds

473

00:24:47,870 --> 00:24:44,850

beautiful singing that comes from the

474

00:24:49,940 --> 00:24:47,880

sky and you know Close Encounters of the

475

00:24:52,370 --> 00:24:49,950

Third Kind or what and what sounds like

476
00:24:55,490 --> 00:24:52,380
a great a great deal like a UFO leading

477
00:24:56,960 --> 00:24:55,500
three astronomers to a little manger now

478
00:24:58,610 --> 00:24:56,970
there's nothing about a stable and the

479
00:24:59,930 --> 00:24:58,620
greek word used for manger could also

480
00:25:01,970 --> 00:24:59,940
mean crib so there could have been

481
00:25:03,740 --> 00:25:01,980
anywhere but if you're looking for a

482
00:25:05,450 --> 00:25:03,750
possible paranormal connections the

483
00:25:08,150 --> 00:25:05,460
angels in the star good places to begin

484
00:25:09,630 --> 00:25:08,160
so what about the star Bethlehem I

485
00:25:11,490 --> 00:25:09,640
suppose if

486
00:25:13,320 --> 00:25:11,500
it could simply be what's commonly

487
00:25:14,850 --> 00:25:13,330
called a miracle and there's a story

488
00:25:17,460 --> 00:25:14,860

behind that that's not what most people

489

00:25:19,860 --> 00:25:17,470

think it is theologically I have no

490

00:25:20,760 --> 00:25:19,870

problem with that we see miracles all

491

00:25:22,950 --> 00:25:20,770

the time

492

00:25:24,780 --> 00:25:22,960

scholarly types however suggest that the

493

00:25:27,360 --> 00:25:24,790

star Bethlehem was a nova or supernova

494

00:25:29,610 --> 00:25:27,370

you know an exploding star somewhere in

495

00:25:31,130 --> 00:25:29,620

the galaxy was like happened to reach

496

00:25:33,960 --> 00:25:31,140

earth at the time of Christ's birth

497

00:25:36,030 --> 00:25:33,970

problem is that that Nova's are no they

498

00:25:38,720 --> 00:25:36,040

look like big stars and they don't move

499

00:25:41,100 --> 00:25:38,730

to our site relative to other stars

500

00:25:43,850 --> 00:25:41,110

another issue is that we have very

501
00:25:47,190 --> 00:25:43,860
little idea of when Jesus was born

502
00:25:48,780 --> 00:25:47,200
December 25th probably forget about it

503
00:25:51,540 --> 00:25:48,790
that was a deliberate move on the part

504
00:25:53,640 --> 00:25:51,550
of the early church to co-opt the Feast

505
00:25:55,770 --> 00:25:53,650
of the invincible son the unconquerable

506
00:25:57,570 --> 00:25:55,780
son Roman feast and that was done

507
00:26:00,090 --> 00:25:57,580
deliberately so that the people the

508
00:26:02,250 --> 00:26:00,100
pagans would find it easier to relate to

509
00:26:06,360 --> 00:26:02,260
the and it comes across in English as a

510
00:26:10,680 --> 00:26:06,370
rather good pun rather than the Sun s UN

511
00:26:13,260 --> 00:26:10,690
to relate to the Sun s o n being Jesus

512
00:26:14,580 --> 00:26:13,270
rather clever attendant worked in a lot

513
00:26:16,470 --> 00:26:14,590

of cases because a lot of people had no

514

00:26:18,480 --> 00:26:16,480

choice about becoming Christian so this

515

00:26:23,220 --> 00:26:18,490

is all the background of this of this

516

00:26:25,410 --> 00:26:23,230

business and the the issue too is that

517

00:26:28,560 --> 00:26:25,420

the Bible insisted this star did move

518

00:26:30,810 --> 00:26:28,570

and that it led these wise men from the

519

00:26:33,240 --> 00:26:30,820

east to this to the Christ child was

520

00:26:34,940 --> 00:26:33,250

probably two years old or more by the

521

00:26:37,890 --> 00:26:34,950

time they got there if the story is true

522

00:26:40,110 --> 00:26:37,900

the UFO theory has been proposed and

523

00:26:41,730 --> 00:26:40,120

before we laugh at it we should consider

524

00:26:43,470 --> 00:26:41,740

the fact that most early Christians

525

00:26:45,870 --> 00:26:43,480

believe that Jesus was a divine being

526
00:26:48,330 --> 00:26:45,880
who literally came from when went back

527
00:26:49,830 --> 00:26:48,340
to the sky while the ancients didn't

528
00:26:51,780 --> 00:26:49,840
share our modern kaneo this

529
00:26:54,090 --> 00:26:51,790
nuts-and-bolts idea of aliens and flying

530
00:26:55,170 --> 00:26:54,100
saucers that some of us have they

531
00:26:57,270 --> 00:26:55,180
thought that we're putting two and two

532
00:26:58,980 --> 00:26:57,280
together once the official Christian

533
00:27:00,660 --> 00:26:58,990
doctrine about Jesus was finally settled

534
00:27:03,390 --> 00:27:00,670
and that wasn't done until the 4th

535
00:27:05,190 --> 00:27:03,400
century we still have a man with no

536
00:27:06,900 --> 00:27:05,200
human father who performed all sorts of

537
00:27:08,970 --> 00:27:06,910
miracles and who had literally ascended

538
00:27:11,730 --> 00:27:08,980

back into heaven carried on some sort of

539

00:27:12,390 --> 00:27:11,740

cloud quote-unquote from Acts of the

540

00:27:16,500 --> 00:27:12,400

Apostles

541

00:27:19,680 --> 00:27:16,510

so I mean you tell me and I think that

542

00:27:21,510 --> 00:27:19,690

that's well we just got we just got we

543

00:27:23,270 --> 00:27:21,520

just got thrown off the Christian radio

544

00:27:26,549 --> 00:27:23,280

network but

545

00:27:28,680 --> 00:27:26,559

this is a no way a put-down yeah yeah

546

00:27:31,110 --> 00:27:28,690

east of all by me you know yes but I

547

00:27:33,090 --> 00:27:31,120

mean the fact is that that a lot of

548

00:27:34,740 --> 00:27:33,100

people don't understand their own face

549

00:27:37,590 --> 00:27:34,750

whether they be Christians Jews Muslims

550

00:27:38,909 --> 00:27:37,600

Hindus or what they have their own ideas

551
00:27:41,280 --> 00:27:38,919
about these things and the official

552
00:27:44,610 --> 00:27:41,290
teachings don't always match and there

553
00:27:46,260 --> 00:27:44,620
is no official teaching about this you

554
00:27:47,730 --> 00:27:46,270
know one way or the other really it's

555
00:27:50,940 --> 00:27:47,740
just that you have the story in the

556
00:27:53,310 --> 00:27:50,950
Gospel as translated a terrible

557
00:27:54,930 --> 00:27:53,320
translations in English and if you read

558
00:27:56,909 --> 00:27:54,940
it in Greek it's quite interesting it

559
00:27:58,409 --> 00:27:56,919
says a lot of other thing with the whole

560
00:28:00,750 --> 00:27:58,419
not just this start with a lot of other

561
00:28:02,909 --> 00:28:00,760
things so it's uh it's really anybody's

562
00:28:05,700 --> 00:28:02,919
guess and really is all a matter of

563
00:28:07,940 --> 00:28:05,710

faith I suppose ya know what about what

564

00:28:10,020 --> 00:28:07,950

about the Magi were they astrologers

565

00:28:12,480 --> 00:28:10,030

well yeah supposedly they were

566

00:28:13,620 --> 00:28:12,490

everything comes it's translated English

567

00:28:15,480 --> 00:28:13,630

there's three kings because because

568

00:28:17,490 --> 00:28:15,490

Magus means master and that that's been

569

00:28:19,289 --> 00:28:17,500

interpreted as Kings by some of the

570

00:28:21,960 --> 00:28:19,299

English translations which is a mistake

571

00:28:23,730 --> 00:28:21,970

but yeah they were essentially those who

572

00:28:25,200 --> 00:28:23,740

had special knowledge and that would

573

00:28:27,480 --> 00:28:25,210

generally be considered astrologers

574

00:28:30,799 --> 00:28:27,490

which at the time was the same thing as

575

00:28:34,980 --> 00:28:30,809

astronomers I saw a really hilarious

576
00:28:36,960 --> 00:28:34,990
cartoon that I often wondered about then

577
00:28:40,260 --> 00:28:36,970
what frankincense was you had you had

578
00:28:41,520 --> 00:28:40,270
the one one may Magus is standing that

579
00:28:43,440 --> 00:28:41,530
one of the wise men is standing there

580
00:28:45,180 --> 00:28:43,450
and he said okay we've got the gold and

581
00:28:46,650 --> 00:28:45,190
we have the myrrh but what the heck is

582
00:28:47,970 --> 00:28:46,660
that and the third ones standing there

583
00:28:51,870 --> 00:28:47,980
holding the hand of Frankenstein's

584
00:28:53,460 --> 00:28:51,880
monster breaking frankincense or all the

585
00:28:55,380 --> 00:28:53,470
kids with Lao sounds like Frankenstein

586
00:28:56,820 --> 00:28:55,390
so that but I'm sure that that is an

587
00:29:00,330 --> 00:28:56,830
apocryphal story didn't quite happen

588
00:29:01,380 --> 00:29:00,340

exactly as told that way but and of

589

00:29:04,620 --> 00:29:01,390

course that's the reason why we give

590

00:29:06,450 --> 00:29:04,630

gifts at Christmas was there are two

591

00:29:07,530 --> 00:29:06,460

reasons for that one is the gift of the

592

00:29:10,500 --> 00:29:07,540

gifts of the major either

593

00:29:14,370 --> 00:29:10,510

gold frankincense or Frankenstein and

594

00:29:15,659 --> 00:29:14,380

myrrh and also st. Nicholas this

595

00:29:16,409 --> 00:29:15,669

incredible guy if you look at my

596

00:29:18,390 --> 00:29:16,419

Facebook page

597

00:29:20,190 --> 00:29:18,400

you know how much love how many great

598

00:29:22,590 --> 00:29:20,200

things and amazing things do you have to

599

00:29:24,060 --> 00:29:22,600

do for people to be remembered across

600

00:29:26,130 --> 00:29:24,070

seventeen hundred years of history with

601
00:29:28,409 --> 00:29:26,140
the love which Saint Nicholas is is

602
00:29:29,549 --> 00:29:28,419
remembered and people say oh you know

603
00:29:30,659 --> 00:29:29,559
Santa Claus you're gonna tell your

604
00:29:32,039 --> 00:29:30,669
children and then they're gonna think

605
00:29:34,080 --> 00:29:32,049
you're Liars when they get older and

606
00:29:36,370 --> 00:29:34,090
they're devastated when they find out

607
00:29:38,650 --> 00:29:36,380
well my children including bed whom you

608
00:29:41,470 --> 00:29:38,660
no my co-host on behind the paranormal

609
00:29:43,240 --> 00:29:41,480
was he was brought up with stories of

610
00:29:46,120 --> 00:29:43,250
Saint Nicholas a Nicholas is real and

611
00:29:49,390 --> 00:29:46,130
I'll tell you folks that there were some

612
00:29:52,120 --> 00:29:49,400
years when there were things under that

613
00:29:56,440 --> 00:29:52,130

Christmas tree that my wife and I did

614

00:29:59,230 --> 00:29:56,450

not put there you know and Saint

615

00:30:00,970 --> 00:29:59,240

Nicholas is very real to us a real guy

616

00:30:03,669 --> 00:30:00,980

if you look at our we use this sort of

617

00:30:05,799 --> 00:30:03,679

multiverse approach that all all time in

618

00:30:08,730 --> 00:30:05,809

all past and future of simultaneous you

619

00:30:11,740 --> 00:30:08,740

still out there so hey why not

620

00:30:13,060 --> 00:30:11,750

you know Paul we want we want to thank

621

00:30:16,390 --> 00:30:13,070

you for joining us here and in

622

00:30:18,940 --> 00:30:16,400

celebrating under the the lights of the

623

00:30:25,299 --> 00:30:18,950

Christmas tree and telling us the story

624

00:30:29,890 --> 00:30:25,309

of no mistletoe right not unless Tina

625

00:30:32,620 --> 00:30:29,900

and I in you you and your family and

626

00:30:35,380 --> 00:30:32,630

then especially I have a great holiday

627

00:30:36,970 --> 00:30:35,390

and and a new year and we'll be talking

628

00:30:40,600 --> 00:30:36,980

to you soon and don't forget to listen

629

00:30:42,730 --> 00:30:40,610

to behind the paranormal and we'll be

630

00:30:43,240 --> 00:30:42,740

right back with Millie guest thank you

631

00:30:48,399 --> 00:30:43,250

Paul

632

00:30:54,390 --> 00:30:48,409

okay good night all Christmas god bless

633

00:30:57,220 --> 00:30:54,400

us everyone we three kings of merriment

634

00:30:59,169 --> 00:30:57,230

you know that it's funny that he should

635

00:31:01,750 --> 00:30:59,179

talk about you know mysterious presents

636

00:31:04,120 --> 00:31:01,760

kind of turn it up under his tree

637

00:31:06,039 --> 00:31:04,130

because you know I've run across quite a

638

00:31:08,110 --> 00:31:06,049

few stories I mean yeah they may be

639

00:31:11,860 --> 00:31:08,120

anecdotal stories but of people who

640

00:31:13,870 --> 00:31:11,870

claim that they have actually seen Santa

641

00:31:16,450 --> 00:31:13,880

Claus you know like in their house or

642

00:31:20,220 --> 00:31:16,460

you know outside with a sleigh and

643

00:31:23,320 --> 00:31:20,230

reindeer and stuff so I mean there's

644

00:31:25,330 --> 00:31:23,330

whether or not you believe in Santa

645

00:31:28,510 --> 00:31:25,340

Claus or Saint Nicholas or not there

646

00:31:31,620 --> 00:31:28,520

there have been a lot of situations

647

00:31:35,560 --> 00:31:31,630

where people have actually had

648

00:31:38,279 --> 00:31:35,570

visitations from somebody at least that

649

00:31:41,470 --> 00:31:38,289

looks like their traditional Santa Claus

650

00:31:44,200 --> 00:31:41,480

my cats are are stationed at every

651
00:31:47,009 --> 00:31:44,210
window looking for him in his sleigh in

652
00:31:52,360 --> 00:31:50,590
well the last time that let's say the

653
00:31:56,409 --> 00:31:52,370
last time that my daughter check the

654
00:32:02,769 --> 00:31:56,419
NORAD radar for Santa Claus he was in

655
00:32:10,210 --> 00:32:02,779
Brazil so I know how my cats could take

656
00:32:11,889 --> 00:32:10,220
a nap so now Diane is are you expecting

657
00:32:14,230 --> 00:32:11,899
Santa Claus to bring your cats anything

658
00:32:15,070 --> 00:32:14,240
for Christmas I know ours they always

659
00:32:17,950 --> 00:32:15,080
get catnip

660
00:32:25,330 --> 00:32:17,960
yeah catnip is all they really care

661
00:32:29,409 --> 00:32:25,340
about catnip and food boy so fine that's

662
00:32:35,680 --> 00:32:29,419
pretty much like me yes yeah in Indian

663
00:32:37,659 --> 00:32:35,690

food and toys I guess you know what my

664

00:32:39,940 --> 00:32:37,669

toy I got about go out and buy myself a

665

00:32:41,500 --> 00:32:39,950

new laptop which I don't consider too

666

00:32:44,379 --> 00:32:41,510

much of a toy they I'd consider a

667

00:32:46,539 --> 00:32:44,389

nuisance to some degree yeah after you

668

00:32:48,039 --> 00:32:46,549

after you have three Kindles in your

669

00:32:55,000 --> 00:32:48,049

house you don't want to sit there and

670

00:32:57,190 --> 00:32:55,010

try to master a laptop again but maybe

671

00:33:02,259 --> 00:32:57,200

maybe st. Nicholas will put one under

672

00:33:05,759 --> 00:33:02,269

your tree - okay and I understand I

673

00:33:07,259 --> 00:33:05,769

understand we have Sharla on the line

674

00:33:11,560 --> 00:33:07,269

yeah

675

00:33:15,220 --> 00:33:11,570

well Merry Christmas Oh Merry Christmas

676

00:33:18,269 --> 00:33:15,230

- yeah yeah you know I I believe we

677

00:33:21,820 --> 00:33:18,279

proud temperature-wise we probably beat

678

00:33:24,129 --> 00:33:21,830

Tucson this afternoon I'll try in a

679

00:33:27,430 --> 00:33:24,139

minute let's see I'm getting my

680

00:33:32,560 --> 00:33:27,440

dashboard up yeah I can have all this

681

00:33:34,930 --> 00:33:32,570

weather right at my fingertips Oh

682

00:33:36,850 --> 00:33:34,940

actually no different for people for

683

00:33:41,250 --> 00:33:36,860

people who don't our listeners who might

684

00:33:44,379 --> 00:33:41,260

not be familiar with Sharla as Sharla is

685

00:33:47,860 --> 00:33:44,389

the the queen of the paranormal I call

686

00:33:50,980 --> 00:33:47,870

her in in the the Tucson area we have

687

00:33:53,529 --> 00:33:50,990

investigated the UFOs in Sedona had all

688

00:33:57,669 --> 00:33:53,539

sorts of synchronicities and have dug

689

00:33:59,740 --> 00:33:57,679

for treasure in Jerome sort of Wow yes

690

00:34:01,419 --> 00:33:59,750

yeah I'm the queen of the paranormal

691

00:34:05,919 --> 00:34:01,429

it has to be because I'm from New

692

00:34:08,710 --> 00:34:05,929

Orleans what do you know well that is

693

00:34:14,020 --> 00:34:08,720

the publisher a long time in Tucson with

694

00:34:16,240 --> 00:34:14,030

New Orleans is my home but uh 73 degrees

695

00:34:19,869 --> 00:34:16,250

in New Orleans how do you like that well

696

00:34:25,750 --> 00:34:19,879

and how about it's your son and to fajn

697

00:34:32,080 --> 00:34:25,760

it's 50 degrees New York 2060 for what

698

00:34:34,990 --> 00:34:32,090

it was yeah you noticed that yes indeed

699

00:34:37,990 --> 00:34:35,000

yes so how are you know you have Diane

700

00:34:40,450 --> 00:34:38,000

of course has all her cats and dogs and

701
00:34:43,330 --> 00:34:40,460
and deer in the woods near the house and

702
00:34:45,909 --> 00:34:43,340
Tim has a couple of cats and I'm pet

703
00:34:53,500 --> 00:34:45,919
list although actually I do have Diane

704
00:34:56,830 --> 00:34:53,510
she's my patron saint now I do actually

705
00:34:57,520 --> 00:34:56,840
have a cat that I share with my friend

706
00:35:01,480 --> 00:34:57,530
April

707
00:35:05,440 --> 00:35:01,490
we call him meatball because he is a

708
00:35:09,700 --> 00:35:05,450
quite quite a hefty little kitty and he

709
00:35:13,030 --> 00:35:09,710
also likes his that a catnip toys and

710
00:35:15,609 --> 00:35:13,040
and the cans of food that we we bring

711
00:35:17,530 --> 00:35:15,619
him all the time we have them delivered

712
00:35:19,900 --> 00:35:17,540
by Amazon and they're stacked up a

713
00:35:21,730 --> 00:35:19,910

pretty high on top of the the fridge and

714

00:35:25,030 --> 00:35:21,740

so we want to say Merry Christmas

715

00:35:30,670 --> 00:35:25,040

through our buddy Earl keep on truckin

716

00:35:34,240 --> 00:35:30,680

and eating there you go go go go go

717

00:35:38,770 --> 00:35:34,250

meatball you baby yeah I'm here are you

718

00:35:39,940 --> 00:35:38,780

there yeah Earl Earl is the name of the

719

00:35:47,200 --> 00:35:39,950

cat yes uh-huh

720

00:35:57,760 --> 00:35:47,210

he's the cat he is my he's kind of my

721

00:36:00,910 --> 00:35:57,770

adopted son yes but slide you know we're

722

00:36:03,820 --> 00:36:00,920

all animal people here you know I won't

723

00:36:09,250 --> 00:36:03,830

even tell you how many dogs I have well

724

00:36:12,240 --> 00:36:09,260

I get happy when when I hear about Diane

725

00:36:21,359 --> 00:36:12,250

because I feel like I'm not the only one

726

00:36:22,589 --> 00:36:21,369

you know I happy you know they're always

727

00:36:26,960 --> 00:36:22,599

smiling

728

00:36:32,849 --> 00:36:26,970

well sure Lyle did you ever notice that

729

00:36:37,650 --> 00:36:32,859

unconditional love always coming from

730

00:36:40,770 --> 00:36:37,660

their eyes and they smile to their their

731

00:36:43,500 --> 00:36:40,780

little mugs get sad too you know so yeah

732

00:36:44,910 --> 00:36:43,510

yeah you're right yeah sure Charlotte

733

00:36:47,490 --> 00:36:44,920

we've got to move on to our next guest

734

00:36:49,410 --> 00:36:47,500

here but I want to thank you for coming

735

00:36:53,040 --> 00:36:49,420

on and spending a little bit of

736

00:37:06,109 --> 00:36:53,050

Christmas Eve with us and the save a

737

00:37:13,320 --> 00:37:10,200

okay now we're waiting for market

738

00:37:15,890 --> 00:37:13,330

Brinkerhoff to to come down from outer

739

00:37:20,310 --> 00:37:15,900

space he was going to tell us about

740

00:37:23,370 --> 00:37:20,320

Christmas on other planets I know he is

741

00:37:27,089 --> 00:37:23,380

up with his significant significant

742

00:37:28,950 --> 00:37:27,099

other in Connecticut and no doubt their

743

00:37:33,329 --> 00:37:28,960

UFO spotting but they should be getting

744

00:37:36,390 --> 00:37:33,339

in and putting on that skype and if he

745

00:37:38,640 --> 00:37:36,400

isn't then we will have to tell a

746

00:37:40,710 --> 00:37:38,650

Christmas story Tim right that's right

747

00:37:44,370 --> 00:37:40,720

that's right I have all kinds of

748

00:37:46,050 --> 00:37:44,380

Christmas stories you want me to play

749

00:37:48,599 --> 00:37:46,060

that Christmas song scene you have never

750

00:37:50,609 --> 00:37:48,609

heard the term easily yes I can't I

751
00:37:52,859 --> 00:37:50,619
can't believe Tim as much as you've been

752
00:37:54,780 --> 00:37:52,869
in around radio wait a minute Jimmy

753
00:38:00,030 --> 00:37:54,790
market mark is calling me I don't know

754
00:38:03,060 --> 00:38:00,040
why that is I don't dare answer this

755
00:38:04,740 --> 00:38:03,070
girl get disconnected from you guys well

756
00:38:07,230 --> 00:38:04,750
I know I you know I said marker requests

757
00:38:09,960 --> 00:38:07,240
on skype and told him to to connect with

758
00:38:11,520 --> 00:38:09,970
me you know but sometimes what happens

759
00:38:13,230 --> 00:38:11,530
is they don't realize they they see me

760
00:38:18,060 --> 00:38:13,240
and even though I tell them who I am and

761
00:38:20,300 --> 00:38:18,070
stuff like that I've told them we'll

762
00:38:22,380 --> 00:38:20,310
have time after the break well have a

763
00:38:25,109 --> 00:38:22,390

little each of these things only two

764

00:38:26,730 --> 00:38:25,119

minutes this is by Bob Evers I don't but

765

00:38:28,140 --> 00:38:26,740

can't believe you've never heard of the

766

00:38:31,109 --> 00:38:28,150

song by Bob rivers

767

00:38:37,829 --> 00:38:31,119

I have not okay sure we're gonna play

768

00:38:41,370 --> 00:38:37,839

this is Barbara's the chip I'll never

769

00:38:42,690 --> 00:38:41,380

think of Christmas the same and I get

770

00:38:43,410 --> 00:38:42,700

this little girl to sing it which is

771

00:38:47,460 --> 00:38:43,420

priceless

772

00:38:50,609 --> 00:38:47,470

you know me of a chimney I had in

773

00:38:52,470 --> 00:38:50,619

Ireland it had something in it and then

774

00:38:55,050 --> 00:38:52,480

to all the smoke came back into the

775

00:39:04,589 --> 00:38:55,060

house and I don't know what was stuck up

776

00:39:06,329 --> 00:39:04,599

there but yeah yes we only in my whole

777

00:39:07,859 --> 00:39:06,339

house back in New England had something

778

00:39:10,260 --> 00:39:07,869

like that happened once it was a raccoon

779

00:39:11,880 --> 00:39:10,270

that got in a lot of houses now you have

780

00:39:12,780 --> 00:39:11,890

these little metal things you put on the

781

00:39:14,040 --> 00:39:12,790

chimneys but we had a really nice

782

00:39:15,839 --> 00:39:14,050

chimney and you had a Guanyin the

783

00:39:16,980 --> 00:39:15,849

chimney sweeps that would come over well

784

00:39:19,140 --> 00:39:16,990

apparently one of the Christmas a

785

00:39:20,490 --> 00:39:19,150

raccoon or squirrel or something got up

786

00:39:24,930 --> 00:39:20,500

on the house and fell in the chimney and

787

00:39:26,550 --> 00:39:24,940

we put the fireplace on now if we down

788

00:39:35,550 --> 00:39:26,560

south we cook up have a little Barbie

789

00:39:37,770 --> 00:39:35,560

but that song reminds me of something

790

00:39:40,349 --> 00:39:37,780

from dr. Demento I mean I don't know if

791

00:39:45,660 --> 00:39:40,359

many people remember dr. Demento anymore

792

00:39:46,829 --> 00:39:45,670

oh yeah and he would always have you

793

00:39:49,050 --> 00:39:46,839

know songs just like that at

794

00:39:51,750 --> 00:39:49,060

Christmastime so you know that it was

795

00:39:58,440 --> 00:39:51,760

like allan sherman's the 12 gifts of

796

00:40:01,290 --> 00:39:58,450

christmas we're bringing mark on now we

797

00:40:03,690 --> 00:40:01,300

got mark on with you know we came out of

798

00:40:09,230 --> 00:40:03,700

the air with the santa claus so marks on

799

00:40:27,180 --> 00:40:13,410

okay and now it's all messed up I need

800

00:40:28,680 --> 00:40:27,190

to turn your audio down all right I'm

801
00:40:33,930 --> 00:40:28,690
we're gonna take mark off until he gets

802
00:40:36,340 --> 00:40:33,940
its audios I'm like having an acid trip

803
00:40:41,320 --> 00:40:36,350
but I've never taken acid

804
00:40:42,400 --> 00:40:41,330
it's nothing like live radio well that's

805
00:40:43,660 --> 00:40:42,410
what happens when you try to when you

806
00:40:45,010 --> 00:40:43,670
bring people on like in the middle of

807
00:40:48,160 --> 00:40:45,020
segments you just like are you know

808
00:40:52,560 --> 00:40:48,170
bring them on let's see what happens

809
00:40:54,970 --> 00:40:52,570
[Laughter]

810
00:40:56,110 --> 00:40:54,980
we'll get him on here you know no

811
00:40:56,920 --> 00:40:56,120
problem whatever and so I just want to

812
00:40:58,330 --> 00:40:56,930
make sure I don't bring it back I'll

813
00:40:59,620 --> 00:40:58,340

make sure you get his audio levels all

814

00:41:04,210 --> 00:40:59,630

set and stuff like that open these

815

00:41:06,240 --> 00:41:04,220

columns let's uh alright again yeah

816

00:41:08,400 --> 00:41:06,250

let's let's try it again let's see yeah

817

00:41:10,240 --> 00:41:08,410

hold on one second

818

00:41:11,890 --> 00:41:10,250

Mark's like you know why'd you cut me

819

00:41:14,680 --> 00:41:11,900

off I know well we want to make sure the

820

00:41:16,690 --> 00:41:14,690

audio is all set so mark you there yeah

821

00:41:18,250 --> 00:41:16,700

how's it now Oh see there we go we got

822

00:41:19,870 --> 00:41:18,260

mark back on from the North Pole you

823

00:41:22,060 --> 00:41:19,880

know what it is it's that trip from the

824

00:41:23,530 --> 00:41:22,070

North Pole you know you're the Santa you

825

00:41:26,340 --> 00:41:23,540

would think with all this technology he

826

00:41:32,890 --> 00:41:26,350

would get that stuff all situated so

827

00:41:34,090 --> 00:41:32,900

it's the Scout ship over here I know I

828

00:41:41,200 --> 00:41:34,100

don't they've taken Tim though they

829

00:41:45,060 --> 00:41:41,210

might have taken Tim back he's been

830

00:41:49,900 --> 00:41:47,890

well that's okay well mark this is Tim

831

00:41:57,280 --> 00:41:49,910

Schwartz I'm really great to have you

832

00:41:59,470 --> 00:41:57,290

with us tonight are you doing I heard I

833

00:42:01,720 --> 00:41:59,480

think I heard maybe Tim Beckley chuckles

834

00:42:07,480 --> 00:42:01,730

well I I'm still trying to get out of

835

00:42:09,130 --> 00:42:07,490

the darn Santa suit you know it's not

836

00:42:14,440 --> 00:42:09,140

the Santa suit it's the girdle that you

837

00:42:18,910 --> 00:42:14,450

had to put on all right yeah probably so

838

00:42:20,980 --> 00:42:18,920

problem hey Mark how are ya okay yeah

839

00:42:28,030 --> 00:42:20,990

how are you guys Phyllis Phyllis is here

840

00:42:38,290 --> 00:42:28,040

too okay why don't we all sing a song

841

00:42:41,410 --> 00:42:38,300

sing this song is something rather hey

842

00:42:43,900 --> 00:42:41,420

mark so what what's Christmas like on

843

00:42:45,880 --> 00:42:43,910

other planets

844

00:42:49,120 --> 00:42:45,890

well it's not the same as on Earth of

845

00:42:50,200 --> 00:42:49,130

course because well let's put it this

846

00:42:52,980 --> 00:42:50,210

way at the tea

847

00:42:56,050 --> 00:42:52,990

as I came of course Yeshua at the time

848

00:42:58,839 --> 00:42:56,060

has been to other places other planet

849

00:43:02,320 --> 00:42:58,849

systems and didn't go through the same

850

00:43:04,089 --> 00:43:02,330

ordeal he went through here so in a way

851

00:43:06,160 --> 00:43:04,099

it's like the Christ did being comes to

852

00:43:09,220 --> 00:43:06,170

visit your planet with information and

853

00:43:11,530 --> 00:43:09,230

they accept it and they understand and

854

00:43:14,260 --> 00:43:11,540

so it's a celebration of the Christ hood

855

00:43:16,960 --> 00:43:14,270

of planets and things and as they get

856

00:43:19,720 --> 00:43:16,970

physical 3d dense physical planets and

857

00:43:21,700 --> 00:43:19,730

on the next dimensions over but not of

858

00:43:24,250 --> 00:43:21,710

all planets have that kind of a

859

00:43:25,540 --> 00:43:24,260

celebration it's just a certain one

860

00:43:27,910 --> 00:43:25,550

instead of going through certain things

861

00:43:31,170 --> 00:43:27,920

and believe me if we've asked questions

862

00:43:34,120 --> 00:43:31,180

on the other side and ask questions and

863

00:43:35,770 --> 00:43:34,130

let's say Sunanda yeshua yahushua he's

864

00:43:37,570 --> 00:43:35,780

told me he's going through different

865

00:43:41,230 --> 00:43:37,580

experiences on different places in

866

00:43:46,270 --> 00:43:41,240

different galaxies as well and let's put

867

00:43:50,589 --> 00:43:46,280

it this way on on earth it wasn't

868

00:43:52,870 --> 00:43:50,599

accepted the same way so well you did

869

00:43:55,300 --> 00:43:52,880

right we'd rise up and come back yeah we

870

00:43:57,099 --> 00:43:55,310

got mark we got connected mark we got

871

00:43:58,390 --> 00:43:57,109

connected a little late here but we're

872

00:44:00,460 --> 00:43:58,400

gonna have a commercial break then we'll

873

00:44:03,510 --> 00:44:00,470

be back we have a Shawn Castile that's

874

00:44:06,400 --> 00:44:03,520

going to tell us a a Dickens story for

875

00:44:07,690 --> 00:44:06,410

Christmas but why don't you hold on to

876

00:44:09,070 --> 00:44:07,700

the line and we'll get a few more

877

00:44:12,339 --> 00:44:09,080

minutes at the butcher

878

00:44:13,839 --> 00:44:12,349

they're in with you perhaps after that

879

00:44:16,530 --> 00:44:13,849

they're showing them we'll knock out one

880

00:44:20,280 --> 00:44:16,540

of our Christmas carols yes for you oh

881

00:44:24,579 --> 00:44:20,290

well you know man if it's here

882

00:44:27,339 --> 00:44:24,589

well the disease does he sing Christmas

883

00:44:31,660 --> 00:44:27,349

carols I don't know I don't know we put

884

00:44:33,609 --> 00:44:31,670

we hung a holiday ham on the tree how

885

00:44:37,089 --> 00:44:33,619

would Bigfoot the hell would Bigfoot

886

00:44:43,280 --> 00:44:37,099

bring that ham over a year more all

887

00:44:43,290 --> 00:44:49,110

[Music]

888

00:44:56,070 --> 00:44:53,560

explode the bazaars are your e-ticket

889

00:44:59,350 --> 00:44:56,080

ride into the world of the paranoid

890

00:45:02,370 --> 00:44:59,360

strap yourself in as we traverse the

891

00:45:07,750 --> 00:45:02,380

universe exploring the unexplained UFO

892

00:45:11,500 --> 00:45:07,760

of ghosts Lost Worlds cryptozoology

893

00:45:15,240 --> 00:45:11,510

waters as well as other dimensions it's

894

00:45:18,130 --> 00:45:15,250

time to take back the night last night

895

00:45:21,310 --> 00:45:18,140

now you are electrifying hosts of

896

00:45:28,420 --> 00:45:21,320

exploring the bizarre Timothy Begley and

897

00:45:31,290 --> 00:45:28,430

team sports you know we've got so many

898

00:45:34,030 --> 00:45:31,300

people in the exploring the bizarre

899

00:45:38,770 --> 00:45:34,040

Christmas living room that the tree

900

00:45:40,780 --> 00:45:38,780

almost fell over oh so you want to get

901
00:45:44,260 --> 00:45:40,790
down you want to get down from the tree

902
00:45:45,700 --> 00:45:44,270

903
00:45:48,370 --> 00:45:45,710
got we've got a special we've got a

904
00:45:51,160 --> 00:45:48,380
special a friend of ours who's crawling

905
00:45:55,050 --> 00:45:51,170
into which I say a Merry Christmas and

906
00:45:57,610 --> 00:45:55,060
vice versa it's Alan Ben's from Tucson

907
00:46:06,940 --> 00:45:57,620
Alan how are you spending your Christmas

908
00:46:11,260 --> 00:46:06,950
Eve spending my Christmas Eve we copy of

909
00:46:12,850 --> 00:46:11,270
William Brandis the gods of Eden well

910
00:46:14,860 --> 00:46:12,860
you know he's promised to come on the

911
00:46:18,820 --> 00:46:14,870
show he doesn't do very many programs

912
00:46:21,280 --> 00:46:18,830
but by gosh by golly we are going to get

913
00:46:23,470 --> 00:46:21,290

him on the program because we're not

914

00:46:25,750 --> 00:46:23,480

like other shows here at exploring the

915

00:46:28,090 --> 00:46:25,760

bizarre we get the best the most

916

00:46:30,280 --> 00:46:28,100

important researchers and people that

917

00:46:32,290 --> 00:46:30,290

you know who have something to say that

918

00:46:36,430 --> 00:46:32,300

haven't been on over and over and over

919

00:46:39,730 --> 00:46:36,440

and over again anyway are the cactus in

920

00:46:41,500 --> 00:46:39,740

bloom out there Alan well they have

921

00:46:49,600 --> 00:46:41,510

enclosed it over that's one thing for

922

00:46:53,140 --> 00:46:49,610

sure yeah it's been probably fifties and

923

00:46:55,600 --> 00:46:53,150

sixties something like that which is a

924

00:46:59,230 --> 00:46:55,610

little bit cool for this time of year

925

00:47:01,330 --> 00:46:59,240

but anyway yeah and we've got where the

926

00:47:03,750 --> 00:47:01,340

New York is the hot spots we got up to

927

00:47:06,970 --> 00:47:03,760

73 today

928

00:47:09,010 --> 00:47:06,980

so there you go very good yeah you know

929

00:47:13,240 --> 00:47:09,020

put on put on the air Schwartzman the

930

00:47:14,830 --> 00:47:13,250

Sun Tan Lotion what do you think I got

931

00:47:18,190 --> 00:47:14,840

on right now I got the air conditioner

932

00:47:20,950 --> 00:47:18,200

on the window open and I'm wishing a

933

00:47:23,350 --> 00:47:20,960

society a merry sight to see Ellen well

934

00:47:25,030 --> 00:47:23,360

okay if you saw me in my Santa Claus

935

00:47:26,890 --> 00:47:25,040

outfit and you had a choice between the

936

00:47:28,900 --> 00:47:26,900

two of them anyway Alan I want to thank

937

00:47:31,359 --> 00:47:28,910

you for calling up and saying hello and

938

00:47:33,870 --> 00:47:31,369

now we've got another we got another

939

00:47:36,310 --> 00:47:33,880

guest here all the way over there from

940

00:47:38,620 --> 00:47:36,320

California yeah take care Alan thank you

941

00:47:42,510 --> 00:47:38,630

merry Christmas to you and yours Sean

942

00:47:45,040 --> 00:47:42,520

Castile my one of my favorite

943

00:47:48,790 --> 00:47:45,050

individuals in the paranormal world and

944

00:47:50,740 --> 00:47:48,800

co-author of many of our books including

945

00:47:53,590 --> 00:47:50,750

wasn't did we just work down with Paul

946

00:47:56,410 --> 00:47:53,600

you know called spooky treasure troves

947

00:47:57,690 --> 00:47:56,420

and it's a hack of a book that's a heck

948

00:47:59,200 --> 00:47:57,700

of a book it tells you how to find

949

00:48:01,870 --> 00:47:59,210

buried treasure

950

00:48:04,150 --> 00:48:01,880

just listen to the ghost and to the UFOs

951
00:48:05,620 --> 00:48:04,160
where some of them may put a curse on

952
00:48:07,510 --> 00:48:05,630
you where you're trying to find it but

953
00:48:11,349 --> 00:48:07,520
millions and millions of dollars we got

954
00:48:12,820 --> 00:48:11,359
to do a show on that Sean that coming up

955
00:48:14,859 --> 00:48:12,830
in the next couple weeks but Sean how

956
00:48:16,570 --> 00:48:14,869
are you spending your Christmas I'm

957
00:48:20,020 --> 00:48:16,580
gonna be gathering here in Ventura with

958
00:48:22,480 --> 00:48:20,030
my family reading normal seasonal cool

959
00:48:25,390 --> 00:48:22,490
weather high in the 60s

960
00:48:27,670 --> 00:48:25,400
so it's cold enough to put a coat on and

961
00:48:29,380 --> 00:48:27,680
zip it up and so well you could you can

962
00:48:31,990 --> 00:48:29,390
borrow mine because I won't be needing

963
00:48:35,950 --> 00:48:32,000

one for the next couple of days but but

964

00:48:38,349 --> 00:48:35,960

I hear I hear Sean that you have a story

965

00:48:39,880 --> 00:48:38,359

to relate to us well you know I'm

966

00:48:41,140 --> 00:48:39,890

probably not the first one to think of

967

00:48:43,810 --> 00:48:41,150

this he's probably occurred to other

968

00:48:44,140 --> 00:48:43,820

people too but it struck me over the

969

00:48:47,170 --> 00:48:44,150

years

970

00:48:50,200 --> 00:48:47,180

about Charles Dickens story a Christmas

971

00:48:53,440 --> 00:48:50,210

carol the story of the miser Scrooge and

972

00:48:55,570 --> 00:48:53,450

how he becomes a human being again this

973

00:48:58,359 --> 00:48:55,580

is the structure of the story is similar

974

00:49:00,460 --> 00:48:58,369

to an abduction experience he goes to

975

00:49:01,900 --> 00:49:00,470

bed at night the spirits come in the

976
00:49:03,190 --> 00:49:01,910
middle of the night and wake them up and

977
00:49:06,040 --> 00:49:03,200
they show them these are life-changing

978
00:49:08,200 --> 00:49:06,050
visions and so forth and then they put

979
00:49:10,000 --> 00:49:08,210
them back in bed just like a typical

980
00:49:13,109 --> 00:49:10,010
abduction you know you have the

981
00:49:16,329 --> 00:49:13,119
awakening and then the capture and the

982
00:49:18,279 --> 00:49:16,339
movement into the ship and then whatever

983
00:49:20,440 --> 00:49:18,289
shown by the aliens during the

984
00:49:22,150 --> 00:49:20,450
experience and then you simply return to

985
00:49:25,569 --> 00:49:22,160
dead you tucked in like a baby again

986
00:49:28,239 --> 00:49:25,579
when it's all over but the idea of alien

987
00:49:31,359 --> 00:49:28,249
contact as transformative in a positive

988
00:49:33,069 --> 00:49:31,369

spiritual way is sort of odd it's

989

00:49:34,569 --> 00:49:33,079

parallel divided by the storing in A

990

00:49:37,690 --> 00:49:34,579

Christmas Carol

991

00:49:40,839 --> 00:49:37,700

they're screwed reconnects with his own

992

00:49:43,509 --> 00:49:40,849

humaneness and and begins to love the

993

00:49:45,160 --> 00:49:43,519

seller man again after he's you know if

994

00:49:50,019 --> 00:49:45,170

that's actually scared into it babies

995

00:49:52,779 --> 00:49:50,029

experience hoo-hoo-hoo taken away and

996

00:49:54,640 --> 00:49:52,789

show him the error of his ways and with

997

00:49:57,160 --> 00:49:54,650

it and they deal with a kind of

998

00:50:00,940 --> 00:49:57,170

authority then they're within their

999

00:50:03,459 --> 00:50:00,950

rights to exercise their that their

1000

00:50:05,789 --> 00:50:03,469

transforming transformation process on

1001

00:50:07,870 --> 00:50:05,799

Scrooge you know hmm

1002

00:50:09,640 --> 00:50:07,880

so I thought that was kind of

1003

00:50:10,809 --> 00:50:09,650

interesting there's a lot of parallels

1004

00:50:12,459 --> 00:50:10,819

like that I think Whitley Street would

1005

00:50:14,589 --> 00:50:12,469

do something similar with that before he

1006

00:50:17,109 --> 00:50:14,599

was aware of his abduction experiences

1007

00:50:19,299 --> 00:50:17,119

he was writing our horror novels that

1008

00:50:20,950 --> 00:50:19,309

that that's the elements of the

1009

00:50:24,190 --> 00:50:20,960

abduction experience would receive

1010

00:50:29,650 --> 00:50:24,200

manifested in vampires or wolves or

1011

00:50:31,599 --> 00:50:29,660

something no yeah that would lead us to

1012

00:50:35,680 --> 00:50:31,609

believe that we're we we had Grant

1013

00:50:37,749 --> 00:50:35,690

Cameron on last week a Sean and one of

1014

00:50:40,329 --> 00:50:37,759

the things that we talked about was how

1015

00:50:44,410 --> 00:50:40,339

he felt and I guess I go along with this

1016

00:50:49,209 --> 00:50:44,420

that some of the rock musicians of today

1017

00:50:51,400 --> 00:50:49,219

were being influenced by well also

1018

00:50:53,799 --> 00:50:51,410

terrestrials aliens whatever you want to

1019

00:50:57,400 --> 00:50:53,809

call them are you familiar with the the

1020

00:51:00,489 --> 00:50:57,410

poem oh my goodness I'm gonna mess up

1021

00:51:02,140 --> 00:51:00,499

here it's about the the dome I can't

1022

00:51:04,329 --> 00:51:02,150

remember who wrote it but it sounded

1023

00:51:09,400 --> 00:51:04,339

like it - it took place on another

1024

00:51:15,789 --> 00:51:09,410

planet yeah I can't think of the

1025

00:51:18,930 --> 00:51:15,799

author's name but I do that's right

1026

00:51:21,819 --> 00:51:18,940

how stately pleasure-dome did decree yes

1027

00:51:23,579 --> 00:51:21,829

right I know that like I really know

1028

00:51:26,829 --> 00:51:23,589

you're saying about the aliens being a

1029

00:51:29,289 --> 00:51:26,839

cultural influence on some sort of

1030

00:51:30,330 --> 00:51:29,299

unconscious level I think we wrote about

1031

00:51:34,360 --> 00:51:30,340

grant

1032

00:51:36,430 --> 00:51:34,370

we did the book on the Shirley MacLaine

1033

00:51:38,200 --> 00:51:36,440

book sterling things idiot

1034

00:51:41,280 --> 00:51:38,210

I think that was a book where we

1035

00:51:43,660 --> 00:51:41,290

included some material from Grant and

1036

00:51:45,400 --> 00:51:43,670

alien influence on people like Neil

1037

00:51:47,230 --> 00:51:45,410

Young mm-hmm

1038

00:51:49,000 --> 00:51:47,240

and of course I've done I've done I

1039

00:51:52,090 --> 00:51:49,010

wouldn't extensively about what I feel

1040

00:51:54,340 --> 00:51:52,100

is an alien influence I'm Bob Dylan hmm

1041

00:51:57,490 --> 00:51:54,350

I do think they make their presence felt

1042

00:51:59,230 --> 00:51:57,500

they're showing artists like Dylan and

1043

00:52:00,820 --> 00:51:59,240

Neil Young and Charles Dickens they're

1044

00:52:05,680 --> 00:52:00,830

showing them important ideas on an

1045

00:52:07,660 --> 00:52:05,690

unconscious level and and you know most

1046

00:52:10,210 --> 00:52:07,670

wave writers have amused they asked the

1047

00:52:13,240 --> 00:52:10,220

answer sort of unconscious connection to

1048

00:52:15,610 --> 00:52:13,250

some kind of creative force and it's

1049

00:52:19,300 --> 00:52:15,620

channeled through them and it comes out

1050

00:52:21,610 --> 00:52:19,310

as celebrated art I think that's a

1051
00:52:25,540 --> 00:52:21,620
conscious thing that the aliens do and

1052
00:52:27,610 --> 00:52:25,550
almost no artist is no great artist is

1053
00:52:30,430 --> 00:52:27,620
just free from some kind of influence

1054
00:52:33,070 --> 00:52:30,440
like that some kind of Muse that that

1055
00:52:36,220 --> 00:52:33,080
drives that that I don't know union with

1056
00:52:37,720 --> 00:52:36,230
the universe or whatever and and mine

1057
00:52:40,690 --> 00:52:37,730
yeah my point about Charles Dickens is

1058
00:52:42,730 --> 00:52:40,700
that's another example of it the clear

1059
00:52:44,080 --> 00:52:42,740
parallels between excluding experience

1060
00:52:45,580 --> 00:52:44,090
and the standard patterns of an

1061
00:52:47,440 --> 00:52:45,590
abduction experience I think they're you

1062
00:52:50,770 --> 00:52:47,450
know very clear what well whenever

1063
00:52:54,220 --> 00:52:50,780

whenever I say Oh humbug I'll never

1064

00:52:56,050 --> 00:52:54,230

think of it in the in the same way you

1065

00:52:57,790 --> 00:52:56,060

know they're really there's a really

1066

00:53:01,030 --> 00:52:57,800

happy scene in the Christmas Carol where

1067

00:53:03,340 --> 00:53:01,040

the ghost of mr. bass takes Scrooge back

1068

00:53:06,100 --> 00:53:03,350

to a party being thrown by one of us

1069

00:53:08,800 --> 00:53:06,110

Regis former employers yes every week

1070

00:53:12,300 --> 00:53:08,810

and federal was not exactly a witch

1071

00:53:14,650 --> 00:53:12,310

but tttt treated his employees well and

1072

00:53:17,920 --> 00:53:14,660

someone comments he's made us so happy

1073

00:53:19,870 --> 00:53:17,930

with just a little bit of money I think

1074

00:53:24,390 --> 00:53:19,880

of you Jim what of what a kindly

1075

00:53:27,960 --> 00:53:24,400

benevolent boss you are oh my goodness

1076

00:53:30,940 --> 00:53:27,970

there will be something extra for you

1077

00:53:36,630 --> 00:53:30,950

I'm assuming he's getting a portion his

1078

00:53:41,470 --> 00:53:40,360

but you see my point you know we were in

1079

00:53:44,020 --> 00:53:41,480

some ways they're sort of a low-budget

1080

00:53:47,140 --> 00:53:44,030

operation but we care about each other

1081

00:53:49,270 --> 00:53:47,150

and and and you answer so you've

1082

00:53:50,710 --> 00:53:49,280

established a leadership pattern of you

1083

00:53:54,730 --> 00:53:50,720

care about us and we care about each

1084

00:53:58,780 --> 00:53:54,740

other so either God you are you are

1085

00:54:00,100 --> 00:53:58,790

indeed an inspiration for the holiday

1086

00:54:03,430 --> 00:54:00,110

season

1087

00:54:07,780 --> 00:54:03,440

Sean and we thank you for being on and

1088

00:54:10,030 --> 00:54:07,790

we're going to get over to China in a

1089

00:54:12,820 --> 00:54:10,040

minute or so I believe we're gonna we're

1090

00:54:15,340 --> 00:54:12,830

gonna try to make a call over to to

1091

00:54:17,710 --> 00:54:15,350

mainland China where our friend a Bruce

1092

00:54:19,840 --> 00:54:17,720

is waiting for us now Bruce not only

1093

00:54:22,450 --> 00:54:19,850

believes in dragons but he's at seeing

1094

00:54:24,520 --> 00:54:22,460

them and not not in China here in the

1095

00:54:26,290 --> 00:54:24,530

the US where he used to live and and

1096

00:54:29,620 --> 00:54:26,300

Bruce and Mark who is still with us you

1097

00:54:32,140 --> 00:54:29,630

still there mark you bet okay here are

1098

00:54:34,450 --> 00:54:32,150

our old friends we're all buddies so

1099

00:54:37,690 --> 00:54:34,460

we're gonna try to hook up on that

1100

00:54:39,870 --> 00:54:37,700

international line in just a second Sean

1101

00:54:42,220 --> 00:54:39,880

once again thank you so much and have a

1102

00:54:45,340 --> 00:54:42,230

merry Christmas to you and your dad and

1103

00:54:47,530 --> 00:54:45,350

your mom and to your daughter and your

1104

00:54:50,260 --> 00:54:47,540

your brother and everybody else you know

1105

00:54:54,070 --> 00:54:50,270

and God bless you again and have a good

1106

00:54:56,610 --> 00:54:54,080

New Year Sean yeah no quickly fine okay

1107

00:55:06,000 --> 00:55:02,650

many many new products okay as we as we

1108

00:55:09,910 --> 00:55:06,010

move on into the night across the

1109

00:55:14,170 --> 00:55:09,920

International Dateline Tim right right

1110

00:55:16,510 --> 00:55:14,180

we're just moving along what a world we

1111

00:55:22,000 --> 00:55:16,520

live in that we can make these kind of

1112

00:55:29,950 --> 00:55:22,010

connections you know gentlemen mark mark

1113

00:55:31,270 --> 00:55:29,960

ruse hey we're in China now that's right

1114

00:55:33,160 --> 00:55:31,280

live from China and I don't know if you

1115

00:55:36,280 --> 00:55:33,170

could see my sky picture but it's a

1116

00:55:40,300 --> 00:55:36,290

beast of burden taking in the the stalks

1117

00:55:42,190 --> 00:55:40,310

of the harvest for whatever reasons they

1118

00:55:45,610 --> 00:55:42,200

use it for but it's quite a bit easier

1119

00:55:48,310 --> 00:55:45,620

to see it this is absolutely remarkable

1120

00:55:49,750 --> 00:55:48,320

that we can set here all over the

1121

00:55:54,070 --> 00:55:49,760

country I'm in New York

1122

00:55:57,490 --> 00:55:54,080

and and you know Diane is in Iowa and

1123

00:56:01,660 --> 00:55:57,500

you're in in China we need somebody from

1124

00:56:03,370 --> 00:56:01,670

Timbuktu the original name that was

1125

00:56:05,110 --> 00:56:03,380

going to be the original name of the

1126
00:56:13,540 --> 00:56:05,120
show something about Tim and Tim and Tim

1127
00:56:18,100 --> 00:56:13,550
buck doer it was too cumbersome sure but

1128
00:56:20,170 --> 00:56:18,110
so so Bruce yeah yeah how is is

1129
00:56:21,730 --> 00:56:20,180
Christmas celebrated at all are you

1130
00:56:23,650 --> 00:56:21,740
allowed to celebrate Christmas over

1131
00:56:25,660 --> 00:56:23,660
there well yeah yeah now Christmas is

1132
00:56:27,730 --> 00:56:25,670
basically if I send you a link you'll

1133
00:56:31,150 --> 00:56:27,740
see that Christmas in China is like

1134
00:56:33,340 --> 00:56:31,160
we're China Santa Claus okay we produce

1135
00:56:39,010 --> 00:56:33,350
all the toys so what do you expect

1136
00:56:41,710 --> 00:56:39,020
we're Santa Claus so everybody yes so I

1137
00:56:44,440 --> 00:56:41,720
want to send you the current you know a

1138
00:56:46,720 --> 00:56:44,450

page link that says the obvious that

1139

00:56:49,810 --> 00:56:46,730

when you are looking at Santa Claus is

1140

00:56:52,000 --> 00:56:49,820

driving buses and doing everything yeah

1141

00:56:55,720 --> 00:56:52,010

what can I say is that it's just the way

1142

00:56:59,700 --> 00:56:55,730

it is you know it's celebrated now in a

1143

00:57:02,560 --> 00:56:59,710

non spiritual sense obviously yes yeah

1144

00:57:06,400 --> 00:57:02,570

you could say that about it being

1145

00:57:09,490 --> 00:57:06,410

celebrated that way here to know some of

1146

00:57:12,580 --> 00:57:09,500

the malls are still open and like 11

1147

00:57:14,500 --> 00:57:12,590

o'clock and you can order on Amazon and

1148

00:57:16,450 --> 00:57:14,510

a they guarantee like in a big city like

1149

00:57:17,230 --> 00:57:16,460

New York they'll deliver your package in

1150

00:57:19,840 --> 00:57:17,240

two hours

1151
00:57:22,480 --> 00:57:19,850
sure sure sure sure so yeah you know

1152
00:57:25,690 --> 00:57:22,490
we're still here but now okay yeah I

1153
00:57:28,270 --> 00:57:25,700
think I'm okay what we think of Santa of

1154
00:57:30,790 --> 00:57:28,280
course and his reindeer but in China he

1155
00:57:33,340 --> 00:57:30,800
would be riding with the dragons I

1156
00:57:35,710 --> 00:57:33,350
presume oh no it's always enough for the

1157
00:57:37,030 --> 00:57:35,720
kids you know here I'll send you this

1158
00:57:39,730 --> 00:57:37,040
link when you open it up it's definitely

1159
00:57:41,950 --> 00:57:39,740
commercial because yes only at this time

1160
00:57:43,750 --> 00:57:41,960
of the year the factories run Full Tilt

1161
00:57:45,940 --> 00:57:43,760
to make toys all over the world and the

1162
00:57:48,910 --> 00:57:45,950
pollution rises to levels of you can oh

1163
00:57:51,370 --> 00:57:48,920

I know the public yeah the public has to

1164

00:57:53,140 --> 00:57:51,380

suffer for the for the economy you know

1165

00:57:54,820 --> 00:57:53,150

so that's a thing that has to and I put

1166

00:57:57,370 --> 00:57:54,830

this link up when you go to it you'll

1167

00:58:00,910 --> 00:57:57,380

see all the Santa's of China doing stuff

1168

00:58:01,420 --> 00:58:00,920

all right yeah and yeah you know that's

1169

00:58:02,599 --> 00:58:01,430

funny

1170

00:58:05,239 --> 00:58:02,609

yeah so

1171

00:58:07,460 --> 00:58:05,249

basically yeah no dragons yeah no

1172

00:58:09,529 --> 00:58:07,470

dragons I think that's too esoteric

1173

00:58:12,039 --> 00:58:09,539

for the you know well well what we did

1174

00:58:15,950 --> 00:58:12,049

have we did have a I was in Chinatown

1175

00:58:18,109 --> 00:58:15,960

over the weekend with my niece Dori and

1176

00:58:22,940 --> 00:58:18,119

who I also want to give a shout out to

1177

00:58:26,720 --> 00:58:22,950

and and they had a parade which which

1178

00:58:31,819 --> 00:58:26,730

was Santa they had a parade with Santa

1179

00:58:34,460 --> 00:58:31,829

and Dragons oh so they have they have

1180

00:58:36,380 --> 00:58:34,470

combined they have combined the two of

1181

00:58:38,359 --> 00:58:36,390

them here but you you you actually had

1182

00:58:40,940 --> 00:58:38,369

some experiences with a dragon I know we

1183

00:58:43,190 --> 00:58:40,950

don't have that long the time to talk

1184

00:58:43,819 --> 00:58:43,200

about it but you are a believer in

1185

00:58:47,690 --> 00:58:43,829

dragons

1186

00:58:50,089 --> 00:58:47,700

oh yeah well yeah well mark would be

1187

00:58:52,849 --> 00:58:50,099

sooo he's probably well you know the

1188

00:58:56,839 --> 00:58:52,859

version of a dragon here is the way the

1189

00:58:59,089 --> 00:58:56,849

that aspect of Chi is sort of how do you

1190

00:59:01,519 --> 00:58:59,099

say presented to a Chinese person

1191

00:59:03,079 --> 00:59:01,529

personally you know I haven't my dragon

1192

00:59:06,670 --> 00:59:03,089

connection is a little different than my

1193

00:59:09,529 --> 00:59:06,680

wife she's quite the dragon expert but

1194

00:59:11,299 --> 00:59:09,539

you know where do you begin I mean

1195

00:59:13,160 --> 00:59:11,309

things of the dragon are of a yang

1196

00:59:16,819 --> 00:59:13,170

nature you know things of the Phoenix

1197

00:59:19,609 --> 00:59:16,829

the rising phoenix RV in nature so maybe

1198

00:59:21,890 --> 00:59:19,619

in the context of what we see

1199

00:59:24,200 --> 00:59:21,900

esoterically you know at night and all

1200

00:59:26,630 --> 00:59:24,210

that things that go bump in the night it

1201
00:59:28,279 --> 00:59:26,640
could be part of this yin yang nature of

1202
00:59:29,809 --> 00:59:28,289
you know what goes on here in china

1203
00:59:31,339 --> 00:59:29,819
right different than it would be in west

1204
00:59:32,420 --> 00:59:31,349
palm beach if you know what i'm saying

1205
00:59:34,489 --> 00:59:32,430
right

1206
00:59:36,349 --> 00:59:34,499
well there's yeah I'd like to spend I'd

1207
00:59:39,259 --> 00:59:36,359
like to spend Christmas in both places

1208
00:59:41,660 --> 00:59:39,269
yeah well as you think so you become so

1209
00:59:45,170 --> 00:59:41,670
these kind of features of the minds

1210
00:59:47,870 --> 00:59:45,180
dynamics I think influence some of the

1211
00:59:49,729 --> 00:59:47,880
qualitative nature of what you know I'm

1212
00:59:52,489 --> 00:59:49,739
trying to interpret you know it's not

1213
00:59:53,920 --> 00:59:52,499

always my experience it's what my wife's

1214

00:59:57,049 --> 00:59:53,930

who are we losing here

1215

00:59:59,210 --> 00:59:57,059

are you there Tim I'm here I'm here yeah

1216

01:00:04,009 --> 00:59:59,220

yeah okay so we just may have lost

1217

01:00:06,349 --> 01:00:04,019

somebody so meanwhile to answer question

1218

01:00:08,239 --> 01:00:06,359

you know it's a qualitative thing you

1219

01:00:11,269 --> 01:00:08,249

know basically when things are seen you

1220

01:00:13,370 --> 01:00:11,279

have to know exactly is it yang you know

1221

01:00:15,499 --> 01:00:13,380

if it's a yang nature it may be a spirit

1222

01:00:16,310 --> 01:00:15,509

being you know if it's a yin nature it

1223

01:00:17,990 --> 01:00:16,320

may be from the

1224

01:00:20,360 --> 01:00:18,000

elemental Kingdom if you know what I'm

1225

01:00:24,260 --> 01:00:20,370

saying much more refined subtle in

1226

01:00:26,180 --> 01:00:24,270

feminine in nature and still worthy you

1227

01:00:29,750 --> 01:00:26,190

know worthy of attention even though it

1228

01:00:34,400 --> 01:00:29,760

might be difficult to explain you know

1229

01:00:36,860 --> 01:00:34,410

you know Bruce and I met under somewhat

1230

01:00:38,900 --> 01:00:36,870

unusual circumstances I don't remember

1231

01:00:41,960 --> 01:00:38,910

how many many years ago but he was

1232

01:00:44,420 --> 01:00:41,970

working in a travel agency and I had

1233

01:00:47,150 --> 01:00:44,430

order I had ordered a ticket and somehow

1234

01:00:51,410 --> 01:00:47,160

the return flight got all screwed up

1235

01:00:54,620 --> 01:00:51,420

Ill come back later than I had I had to

1236

01:00:57,170 --> 01:00:54,630

get on another one anyway when when we

1237

01:00:58,460 --> 01:00:57,180

were when we were talking in his office

1238

01:01:01,430 --> 01:00:58,470

that I was trying to get a partial

1239

01:01:03,080 --> 01:01:01,440

refund he asked me what I did and I said

1240

01:01:04,820 --> 01:01:03,090

oh I published you know books and things

1241

01:01:07,520 --> 01:01:04,830

on UFOs and bla bla bla and he kind of

1242

01:01:10,280 --> 01:01:07,530

looked at me askance and and then the

1243

01:01:12,200 --> 01:01:10,290

next thing I know he's he's hanging with

1244

01:01:14,240 --> 01:01:12,210

the market Brinkerhoff I don't know

1245

01:01:18,530 --> 01:01:14,250

there's how that had happened exactly

1246

01:01:22,430 --> 01:01:18,540

but we've been one big happy family ever

1247

01:01:23,660 --> 01:01:22,440

since now mark you were here and where's

1248

01:01:28,460 --> 01:01:23,670

the last time you actually talked to

1249

01:01:35,210 --> 01:01:28,470

Bruce um actually probably ruse about

1250

01:01:38,140 --> 01:01:35,220

three weeks ago right yeah yeah okay

1251

01:01:40,400 --> 01:01:38,150

now it's a little bit a little bit about

1252

01:01:43,520 --> 01:01:40,410

like holidays and the way people

1253

01:01:45,260 --> 01:01:43,530

celebrate things where his friends are

1254

01:01:48,770 --> 01:01:45,270

from which is a little bit further away

1255

01:01:50,240 --> 01:01:48,780

than then China but mark I understand

1256

01:01:52,130 --> 01:01:50,250

you've been having a series of sightings

1257

01:01:54,440 --> 01:01:52,140

and stuff - enough in the New York area

1258

01:01:56,120 --> 01:01:54,450

where you live there you always seem to

1259

01:01:58,340 --> 01:01:56,130

be in the middle of the hubbub of all

1260

01:02:01,370 --> 01:01:58,350

this activity yeah

1261

01:02:06,050 --> 01:02:01,380

Bruce and I met through Brice bond yes

1262

01:02:09,980 --> 01:02:06,060

well who well yes all right so yeah yeah

1263

01:02:13,880 --> 01:02:09,990

yeah yeah well I had a actual physical

1264

01:02:16,640 --> 01:02:13,890

encounter with an ET on August 10th in

1265

01:02:17,810 --> 01:02:16,650

the Central Park and being came and

1266

01:02:20,840 --> 01:02:17,820

talked to me he's about almost seven

1267

01:02:23,000 --> 01:02:20,850

feet tall then he does nobody else note

1268

01:02:25,310 --> 01:02:23,010

nobody else noticed them that's the

1269

01:02:27,140 --> 01:02:25,320

thing I can't tell I saw people in the

1270

01:02:29,030 --> 01:02:27,150

distance watching but it didn't look

1271

01:02:29,870 --> 01:02:29,040

like anybody responded when he walked by

1272

01:02:33,739 --> 01:02:29,880

them in a very

1273

01:02:37,640 --> 01:02:33,749

odd walk behavior it was like he was

1274

01:02:40,819 --> 01:02:37,650

like Klaatu from the ancient movie 1951

1275

01:02:42,289 --> 01:02:40,829

he was wearing a silvery business suit

1276

01:02:45,319 --> 01:02:42,299

but it was not a business suit of Earth

1277

01:02:47,120 --> 01:02:45,329

it didn't have lapels the way we do here

1278

01:02:52,249 --> 01:02:47,130

it was very strange and very strange

1279

01:02:54,469 --> 01:02:52,259

fabric and clean skin pure skin not a

1280

01:02:56,749 --> 01:02:54,479

poor not a mark on his face not a

1281

01:02:59,779 --> 01:02:56,759

wrinkle large eyes and they were

1282

01:03:02,269 --> 01:02:59,789

beautiful blue color and golden brown

1283

01:03:05,449 --> 01:03:02,279

hair and he talked with me and he

1284

01:03:06,739 --> 01:03:05,459

laughed and I wrote up what he said was

1285

01:03:08,900 --> 01:03:06,749

very strange stuff that he was saying

1286

01:03:10,759 --> 01:03:08,910

cause he was asking to interview me but

1287

01:03:13,039 --> 01:03:10,769

he held on a device that didn't look

1288

01:03:15,049 --> 01:03:13,049

like a microphone and I watched it and

1289

01:03:17,150 --> 01:03:15,059

he he put it around me instead of

1290

01:03:19,609 --> 01:03:17,160

putting it towards my face to interview

1291

01:03:22,999 --> 01:03:19,619

me he just moved it around my body in my

1292

01:03:25,519 --> 01:03:23,009

head and tummy you know like that and it

1293

01:03:28,009 --> 01:03:25,529

was odd but I saw it was a silver

1294

01:03:29,870 --> 01:03:28,019

cylinder about not even three inches

1295

01:03:34,039 --> 01:03:29,880

about three inches long and maybe in

1296

01:03:35,870 --> 01:03:34,049

half inch wide but uh this is somebody

1297

01:03:38,539 --> 01:03:35,880

you had this was somebody you had not

1298

01:03:40,599 --> 01:03:38,549

met before no no no one's ever walked up

1299

01:03:43,130 --> 01:03:40,609

to me in the park this being just

1300

01:03:46,579 --> 01:03:43,140

appeared from nowhere and walked up to

1301

01:03:50,180 --> 01:03:46,589

me and just sat down right next to me on

1302

01:03:51,890 --> 01:03:50,190

the bench like the bag I had next to me

1303

01:03:54,709 --> 01:03:51,900

had my binoculars in it and stuff and

1304

01:03:58,609 --> 01:03:54,719

just sat exactly next to the bag

1305

01:04:02,329 --> 01:03:58,619

touching the bag with his leg and did he

1306

01:04:04,160 --> 01:04:02,339

tell you where he was from no no but he

1307

01:04:05,870 --> 01:04:04,170

kept looking to the sky with his eyes

1308

01:04:08,630 --> 01:04:05,880

and smiling like he was trying to tell

1309

01:04:10,640 --> 01:04:08,640

me to look up there in his eyes and so

1310

01:04:12,529 --> 01:04:10,650

when I looked up there I said to myself

1311

01:04:13,910 --> 01:04:12,539

well it's not a spaceship up in the sky

1312

01:04:18,979 --> 01:04:13,920

right now but it doesn't mean it's not

1313

01:04:21,739 --> 01:04:18,989

there invisibly and in it just goes on

1314

01:04:23,989 --> 01:04:21,749

but it's he he kind of interviews me but

1315

01:04:26,449 --> 01:04:23,999

he says to me at one point that's what I

1316

01:04:27,859 --> 01:04:26,459

get for trying to be in a journalist and

1317

01:04:29,599 --> 01:04:27,869

I saw I thought you did pretty well

1318

01:04:31,519 --> 01:04:29,609

being a journalist just now and he says

1319

01:04:34,729 --> 01:04:31,529

well I have a totally different other

1320

01:04:36,469 --> 01:04:34,739

job and you just submit Smurfs with me

1321

01:04:38,390 --> 01:04:36,479

so he's trying to tell me he's not from

1322

01:04:41,120 --> 01:04:38,400

Earth but then I watched him walk away

1323

01:04:43,490 --> 01:04:41,130

and as he went away from me the energy

1324

01:04:45,440 --> 01:04:43,500

was changed I could see the energy

1325

01:04:47,030 --> 01:04:45,450

and I stood straight up and tried to

1326
01:04:49,670 --> 01:04:47,040
follow him in the distance but he walked

1327
01:04:51,110 --> 01:04:49,680
so odd and slow like he was having

1328
01:04:53,420 --> 01:04:51,120
difficulty walking through our dimension

1329
01:04:54,890 --> 01:04:53,430
walks around a curve towards 85th Street

1330
01:04:57,410 --> 01:04:54,900
in the West Side and just Dean

1331
01:04:59,960 --> 01:04:57,420
materialized and that's when I went

1332
01:05:01,610 --> 01:04:59,970
within 15 minutes later to my spot where

1333
01:05:05,180 --> 01:05:01,620
I asked I watch because I was near it

1334
01:05:06,410 --> 01:05:05,190
now and a spaceship appeared it was cold

1335
01:05:08,900 --> 01:05:06,420
to look up and it came out of a cloud

1336
01:05:11,030 --> 01:05:08,910
hovered I looked at with binoculars

1337
01:05:12,950 --> 01:05:11,040
first I took a shot with the camera then

1338
01:05:15,860 --> 01:05:12,960

I looked in with binoculars and then I

1339

01:05:17,750 --> 01:05:15,870

felt something odd silence surrounded me

1340

01:05:20,150 --> 01:05:17,760

and then that's when they teleported me

1341

01:05:23,030 --> 01:05:20,160

on the ship and was 24 minutes of

1342

01:05:24,650 --> 01:05:23,040

missing time on the camera because the

1343

01:05:30,140 --> 01:05:24,660

next picture I took of the UFO was still

1344

01:05:33,010 --> 01:05:30,150

with a cloud you always have such

1345

01:05:39,410 --> 01:05:33,020

fascinating stuff happening to you yeah

1346

01:05:43,040 --> 01:05:39,420

yeah I wish I knew what I wish I could

1347

01:05:45,500 --> 01:05:43,050

be in your shoes for one day but oh yeah

1348

01:05:47,060 --> 01:05:45,510

anybody anybody who wants to read more

1349

01:05:49,700 --> 01:05:47,070

about mark of course he has a website

1350

01:05:51,110 --> 01:05:49,710

but he's also we did a whole chapter on

1351

01:05:54,050 --> 01:05:51,120

him with a lot of the photographs that

1352

01:06:01,930 --> 01:05:54,060

he's taken in our UFO repeaters book the

1353

01:06:09,230 --> 01:06:04,580

those that when you revise the book we

1354

01:06:11,330 --> 01:06:09,240

got more for you oh my it's hundred

1355

01:06:13,610 --> 01:06:11,340

pages you know most of the books that

1356

01:06:16,100 --> 01:06:13,620

Tim and I are the tips towards that I do

1357

01:06:18,650 --> 01:06:16,110

and Sean gets deal a works on they're so

1358

01:06:22,880 --> 01:06:18,660

big we have this spooky treasure trove

1359

01:06:24,470 --> 01:06:22,890

it's over 400 pages you know well yeah

1360

01:06:26,570 --> 01:06:24,480

what we know we give them we give them a

1361

01:06:30,620 --> 01:06:26,580

bang for the dollar man I miss Ryan you

1362

01:06:33,580 --> 01:06:30,630

know yeah yeah you know we we go it's

1363

01:06:36,970 --> 01:06:33,590

just something wrong with me you know

1364

01:06:40,160 --> 01:06:36,980

geez we didn't include that story from

1365

01:06:42,710 --> 01:06:40,170

1958 we gotta include that you know and

1366

01:06:45,920 --> 01:06:42,720

then I go back and just did you continue

1367

01:06:48,410 --> 01:06:45,930

on you know with this but it sounds like

1368

01:06:53,000 --> 01:06:48,420

you've had an exciting December

1369

01:06:56,300 --> 01:06:53,010

it's a December to remember and we look

1370

01:06:57,300 --> 01:06:56,310

forward to having you on in a maybe a

1371

01:06:59,280 --> 01:06:57,310

month and a half

1372

01:07:01,170 --> 01:06:59,290

so to talk about all your recent

1373

01:07:04,730 --> 01:07:01,180

activities because you haven't been on

1374

01:07:08,640 --> 01:07:04,740

actually k cor which is the best

1375

01:07:11,940 --> 01:07:08,650

paranormal radio music station in the

1376

01:07:12,660 --> 01:07:11,950

world broadcasting out of your checks in

1377

01:07:15,900 --> 01:07:12,670

the mail

1378

01:07:18,180 --> 01:07:15,910

yeah it's a it's about it's about time

1379

01:07:19,770 --> 01:07:18,190

believe in the starship crews here your

1380

01:07:20,940 --> 01:07:19,780

show don't worry about it yeah that's

1381

01:07:23,280 --> 01:07:20,950

what we got to do you know everybody

1382

01:07:25,110 --> 01:07:23,290

puts together like boat cruises yeah you

1383

01:07:28,080 --> 01:07:25,120

know cruises on yachts we got to do like

1384

01:07:29,700 --> 01:07:28,090

a mother ship throws that wouldn't that

1385

01:07:31,290 --> 01:07:29,710

would how much could we charge and then

1386

01:07:33,240 --> 01:07:31,300

leave town real quick I don't know

1387

01:07:35,490 --> 01:07:33,250

actually actually you know somebody

1388

01:07:38,340 --> 01:07:35,500

somebody tried that years ago there was

1389

01:07:41,490 --> 01:07:38,350

a guy by the name of Mark Cobb who lived

1390

01:07:43,170 --> 01:07:41,500

in in in st. Louis he was working with a

1391

01:07:45,410 --> 01:07:43,180

fella by the name of George Marlow I

1392

01:07:47,730 --> 01:07:45,420

think it was and they went around

1393

01:07:50,550 --> 01:07:47,740

inviting these celebrities like Jackie

1394

01:07:51,960 --> 01:07:50,560

Gleason and Jack Paar to come with them

1395

01:07:54,390 --> 01:07:51,970

and they were going to take off you know

1396

01:07:56,070 --> 01:07:54,400

to go to the moon or or somewhere but I

1397

01:07:58,770 --> 01:07:56,080

guess Jackie Gleason had already been to

1398

01:08:01,080 --> 01:07:58,780

the moon and seen aliens anyway so that

1399

01:08:03,690 --> 01:08:01,090

of course the trip the trip never took

1400

01:08:07,590 --> 01:08:03,700

place so what are you gonna what he

1401

01:08:11,100 --> 01:08:07,600

gonna say and that's that's what it is

1402

01:08:14,610 --> 01:08:11,110

and we we were going to have Christmas

1403

01:08:17,370 --> 01:08:14,620

carols but we had one so far and we're

1404

01:08:18,809 --> 01:08:17,380

going to have a break coming up and then

1405

01:08:20,730 --> 01:08:18,819

we'll go here then I hear the music

1406

01:08:23,670 --> 01:08:20,740

already Tim we're going to come back

1407

01:08:26,760 --> 01:08:23,680

with Allen Greenfield Adam go rightly

1408

01:08:29,190 --> 01:08:26,770

and that should be a talk fest to

1409

01:08:32,099 --> 01:08:29,200

remember again I want to thank you Mark

1410

01:08:33,900 --> 01:08:32,109

and Bruce you you know you both you to

1411

01:08:36,840 --> 01:08:33,910

both be well and thank you for coming on

1412

01:08:38,940 --> 01:08:36,850

and you're sharing a little eggnog with

1413

01:08:43,670 --> 01:08:38,950

the boys over here and later

1414

01:08:53,250 --> 01:08:43,680

excellent excellent okay Thank You Jamie

1415

01:08:59,980 --> 01:08:57,400

now back to exploring the bazaars with

1416

01:09:03,280 --> 01:08:59,990

two of the most electrifying researchers

1417

01:09:14,850 --> 01:09:03,290

in the Paranoid your hosts Timothy Becca

1418

01:09:20,440 --> 01:09:14,860

Lee and Kings hello this is richard byrd

1419

01:09:23,320 --> 01:09:20,450

approaching can you hear me say the

1420

01:09:25,690 --> 01:09:23,330

North Pole I can see it I can see the

1421

01:09:29,350 --> 01:09:25,700

North Pole there's that Russian flag at

1422

01:09:32,620 --> 01:09:29,360

the bottom okay and I'm five by five at

1423

01:09:37,180 --> 01:09:32,630

the North Pole still flying north I'm

1424

01:09:39,010 --> 01:09:37,190

still flying North America then there is

1425

01:09:41,590 --> 01:09:39,020

a wall beyond the poles

1426

01:09:47,380 --> 01:09:41,600

I tell you beyond the poles and I'm

1427

01:09:49,000 --> 01:09:47,390

noticing well Admiral Byrd you've

1428

01:09:50,680 --> 01:09:49,010

actually traveled through time because

1429

01:09:53,950 --> 01:09:50,690

you know you made that journey back in

1430

01:10:02,590 --> 01:09:53,960

1947 I don't know what you're talking

1431

01:10:12,490 --> 01:10:02,600

about Jim this is now in Greenfield you

1432

01:10:14,260 --> 01:10:12,500

know this is actually because Trump tore

1433

01:10:16,660 --> 01:10:14,270

it down but that's not a political

1434

01:10:25,230 --> 01:10:16,670

statement that affects well we've got

1435

01:10:31,900 --> 01:10:28,740

Greenfield and from sunny California

1436

01:10:35,550 --> 01:10:31,910

near the integrant Ron we've got we've

1437

01:10:38,050 --> 01:10:35,560

got Adam go rightly one of our buddies

1438

01:10:44,140 --> 01:10:38,060

whatever-whatever one of our friends and

1439

01:10:47,230 --> 01:10:44,150

we love Adam I you month I I thought we

1440

01:10:49,480 --> 01:10:47,240

would just complete this Christmas chaos

1441

01:10:53,500 --> 01:10:49,490

with the two of the most chaotic people

1442

01:10:55,900 --> 01:10:53,510

that I know in all of the paranormal and

1443

01:11:02,640 --> 01:10:55,910

human oddities or something like that I

1444

01:11:05,910 --> 01:11:02,650

don't know what I'm saying words I mean

1445

01:11:09,450 --> 01:11:05,920

Beckley I have this fantastic doctor

1446

01:11:16,410 --> 01:11:09,460

memory card where were you on this day

1447

01:11:21,060 --> 01:11:16,420

this very day in 1968 December 24th

1448

01:11:24,990 --> 01:11:21,070

Christmas Eve at midnight where were you

1449

01:11:29,370 --> 01:11:25,000

well we were in some little a cabin or

1450

01:11:30,840 --> 01:11:29,380

trailer near but it was a Holiday Inn

1451

01:11:33,360 --> 01:11:30,850

okay all right but I remember also

1452

01:11:38,010 --> 01:11:33,370

staying maybe before Brown Mountain

1453

01:11:40,380 --> 01:11:38,020

North Carolina that's the bottom line we

1454

01:11:45,000 --> 01:11:40,390

were out looking for the Brown Mountain

1455

01:11:47,850 --> 01:11:45,010

lights and and when we got back to the

1456

01:11:50,970 --> 01:11:47,860

hotel to your room your mother's already

1457

01:11:52,320 --> 01:11:50,980

where explained it was yes this I you

1458

01:11:54,180 --> 01:11:52,330

said to her I don't know what she said

1459

01:11:55,950 --> 01:11:54,190

she said but it's the Walker states you

1460

01:12:00,750 --> 01:11:55,960

were explaining how we slid down the

1461

01:12:03,209 --> 01:12:00,760

mountains oh no but it's the cold month

1462

01:12:06,780 --> 01:12:03,219

remember exactly what you saw you know I

1463

01:12:12,590 --> 01:12:06,790

turned on the TV and I thought God the

1464

01:12:16,950 --> 01:12:15,030

because they were reading the Bible but

1465

01:12:20,340 --> 01:12:16,960

it turned out it was you know like

1466

01:12:23,939 --> 01:12:20,350

reading the Bible from the moon which is

1467

01:12:26,870 --> 01:12:23,949

well nots did that I do remember I do

1468

01:12:29,790 --> 01:12:26,880

remember the the roads being very very

1469

01:12:31,800 --> 01:12:29,800

slippery I I don't I don't know how it's

1470

01:12:35,430 --> 01:12:31,810

down there tonight but of course we've

1471

01:12:38,550 --> 01:12:35,440

got we've got balmy short-sleeve weather

1472

01:12:41,640 --> 01:12:38,560

here and I'm pouring sweat it's in the

1473

01:12:44,220 --> 01:12:41,650

70s it's been in the 70s all funny but

1474

01:12:46,260 --> 01:12:44,230

don't remember folks remember Adam bear

1475

01:12:48,600 --> 01:12:46,270

me out on this there is you know global

1476

01:12:51,840 --> 01:12:48,610

warming we have that from the seven

1477

01:12:54,899 --> 01:12:51,850

scientists the seven scientists who work

1478

01:12:56,939 --> 01:12:54,909

for the oil companies well I'm looking

1479

01:13:05,459 --> 01:12:56,949

out my window and guess what I'm staring

1480

01:13:07,200 --> 01:13:05,469

at the kids not snow snow I'm in central

1481

01:13:12,149 --> 01:13:07,210

California you know

1482

01:13:14,669 --> 01:13:12,159

elevation wise 3,000 3,500 feet near

1483

01:13:15,990 --> 01:13:14,679

Yosemite National Park and we got about

1484

01:13:18,240 --> 01:13:16,000

three inches of snow too

1485

01:13:21,660 --> 01:13:18,250

so they're you girls I think the weather

1486

01:13:25,920 --> 01:13:21,670

outside is frightening but pride how is

1487

01:13:28,800 --> 01:13:25,930

it oh it's fine yeah it's delight we got

1488

01:13:32,540 --> 01:13:28,810

a fire going in the wood stove so it's

1489

01:13:35,400 --> 01:13:32,550

all good so much for global warming hey

1490

01:13:37,620 --> 01:13:35,410

Adam what was the most exciting

1491

01:13:42,900 --> 01:13:37,630

Christmas Eve or Christmas Day you ever

1492

01:13:45,510 --> 01:13:42,910

spent can you remember no okay well we

1493

01:13:47,760 --> 01:13:45,520

we were going to ask you what would

1494

01:13:50,640 --> 01:13:47,770

Robert Anton Wilson how would he have

1495

01:13:53,910 --> 01:13:50,650

spent Christmas probably typically a

1496

01:13:58,740 --> 01:13:53,920

pretty normal Christmas I had imagined

1497

01:14:03,900 --> 01:13:58,750

he wasn't too oh you know dedicated to

1498

01:14:06,300 --> 01:14:03,910

any particular religious view but and

1499

01:14:09,060 --> 01:14:06,310

you know it got me thinking today coming

1500

01:14:11,640 --> 01:14:09,070

on here what exactly to talk about and

1501

01:14:14,760 --> 01:14:11,650

that yeah just I got thinking about the

1502

01:14:16,710 --> 01:14:14,770

I'm I need a muscaria mushroom I'm sure

1503

01:14:20,010 --> 01:14:16,720

you're familiar with its how it's

1504

01:14:21,840 --> 01:14:20,020

related to the roots of shamanism in

1505

01:14:24,930 --> 01:14:21,850

Europe and Christmas you've probably

1506

01:14:27,120 --> 01:14:24,940

heard those stories haven't you no no go

1507

01:14:29,220 --> 01:14:27,130

ahead and tell us a quick mushroom in

1508

01:14:32,670 --> 01:14:29,230

the cross huh well yeah that's that's

1509

01:14:36,030 --> 01:14:32,680

quite possibly the book that who wrote

1510

01:14:38,010 --> 01:14:36,040

that dr. John Allegro he was talking

1511

01:14:41,970 --> 01:14:38,020

about the yes yes he got drummed out of

1512

01:14:44,400 --> 01:14:41,980

the Dead Sea Scrolls committee for

1513

01:14:47,160 --> 01:14:44,410

having the temerity to say it was a

1514

01:14:49,260 --> 01:14:47,170

visionary experience which to me makes

1515

01:14:52,470 --> 01:14:49,270

more sense a lot more sense than

1516

01:14:54,300 --> 01:14:52,480

anything more literal but don't quote me

1517

01:14:57,390 --> 01:14:54,310

on that because somebody might ear it

1518

01:14:59,760 --> 01:14:57,400

now it was it actually Amanita muscaria

1519

01:15:02,270 --> 01:14:59,770

or psilocybin we don't know for sure but

1520

01:15:04,980 --> 01:15:02,280

so I was thinking about this today and

1521

01:15:07,920 --> 01:15:04,990

Adam Parfrey at Farrell House published

1522

01:15:11,490 --> 01:15:07,930

a little piece on the roots of all of

1523

01:15:15,090 --> 01:15:11,500

this and so the tradition of it the

1524

01:15:17,670 --> 01:15:15,100

shamans in Europe way back in the day a

1525

01:15:20,490 --> 01:15:17,680

lot of people have pointed that Amanita

1526

01:15:22,950 --> 01:15:20,500

muscaria s-- was really part of what

1527

01:15:25,800 --> 01:15:22,960

started the tradition with in winter

1528

01:15:27,840 --> 01:15:25,810

solstice and with Christmas and the

1529

01:15:30,360 --> 01:15:27,850

shamans back then pulling out a couple

1530

01:15:32,640 --> 01:15:30,370

things for this this article

1531

01:15:35,430 --> 01:15:32,650

the northern shamans dressed in white

1532

01:15:37,680 --> 01:15:35,440

hooded robes to picking the color of the

1533

01:15:39,660 --> 01:15:37,690

sacred mushroom if you ever seen one of

1534

01:15:43,950 --> 01:15:39,670

the aging pulled up on the web it has a

1535

01:15:48,930 --> 01:15:43,960

very bright red cat with its speckled

1536

01:15:50,910 --> 01:15:48,940

with white dots and so during the winter

1537

01:15:54,930 --> 01:15:50,920

solstice the shamans would give out

1538

01:15:57,300 --> 01:15:54,940

these mushrooms as gifts and so you know

1539

01:15:59,850 --> 01:15:57,310

through the culture that you know the

1540

01:16:04,170 --> 01:15:59,860

conception of Santa Claus now really

1541

01:16:05,730 --> 01:16:04,180

came from a coca-cola campaign the fat

1542

01:16:08,520 --> 01:16:05,740

Rolly Joey

1543

01:16:10,890 --> 01:16:08,530

rolly-polly guy but before that you know a

1544

01:16:14,480 --> 01:16:10,900

lot of these the depictions of Santa

1545

01:16:17,070 --> 01:16:14,490

we're kind of strange-looking creatures

1546

01:16:19,740 --> 01:16:17,080

you guys still with me they're elves

1547

01:16:24,210 --> 01:16:19,750

elves we're being silent because of your

1548

01:16:28,260 --> 01:16:24,220

wisdom and so pick it a few things out

1549

01:16:31,170 --> 01:16:28,270

of this zone and these are passages from

1550

01:16:33,390 --> 01:16:31,180

a book called mushrooms and humanity

1551

01:16:36,360 --> 01:16:33,400

written by a guy named James Arthur who

1552

01:16:38,640 --> 01:16:36,370

I actually knew he lived not far from me

1553

01:16:40,500 --> 01:16:38,650

and anyway I kind of had a trechie

1554

01:16:42,780 --> 01:16:40,510

yeah we won't get into that but quoting

1555

01:16:44,970 --> 01:16:42,790

from him and I believe it was from

1556

01:16:47,490 --> 01:16:44,980

mushrooms in humanity he said people

1557

01:16:50,010 --> 01:16:47,500

bring pine trees into their houses this

1558

01:16:52,500 --> 01:16:50,020

is back in the day at the winter

1559

01:16:54,330 --> 01:16:52,510

solstice placing brightly colored red

1560

01:16:55,890 --> 01:16:54,340

and white packages under their boughs as

1561

01:16:59,490 --> 01:16:55,900

gifts to show their love for each other

1562

01:17:01,440 --> 01:16:59,500

because underneath the pine boo bow is

1563

01:17:04,040 --> 01:17:01,450

the exact location where one would find

1564

01:17:09,090 --> 01:17:04,050

the most sacred substance the Amanita

1565

01:17:12,390 --> 01:17:09,100

muscaria in the wild and and also talks

1566

01:17:14,760 --> 01:17:12,400

about here the reindeer native dark tick

1567

01:17:16,320 --> 01:17:14,770

and subarctic regions of northern Europe

1568

01:17:18,510 --> 01:17:16,330

and Siberia are connected to the

1569

01:17:20,520 --> 01:17:18,520

shamanic tradition in that reindeer are

1570

01:17:23,190 --> 01:17:20,530

particularly fond of eating Amanita

1571

01:17:25,290 --> 01:17:23,200

muscaria after ingesting the fungi they

1572

01:17:27,600 --> 01:17:25,300

prance about whilst under the influence

1573

01:17:30,270 --> 01:17:27,610

of the psychedelic this can symbolize

1574

01:17:32,940 --> 01:17:30,280

reindeer flying as they accompany the

1575

01:17:35,250 --> 01:17:32,950

shaman on their mystical trance flight

1576

01:17:38,880 --> 01:17:35,260

so a lot of people have pointed to this

1577

01:17:42,510 --> 01:17:38,890

as really the roots of Christmas came

1578

01:17:43,830 --> 01:17:42,520

out of this shamanic tradition way back

1579

01:17:45,810 --> 01:17:43,840

when pretty

1580

01:17:49,440 --> 01:17:45,820

he's one I always wondered why Rudolph

1581

01:17:53,730 --> 01:17:49,450

was a little his eyes were dilated only

1582

01:17:58,350 --> 01:17:53,740

goes back to gene austry I think but but

1583

01:18:01,110 --> 01:17:58,360

the the the notion of well there's st.

1584

01:18:04,080 --> 01:18:01,120

Nicholas who it's nominally based on and

1585

01:18:08,880 --> 01:18:04,090

then there is this fierce elf who would

1586

01:18:11,550 --> 01:18:08,890

fly in but America has a way of gentling

1587

01:18:13,650 --> 01:18:11,560

down for public consumption anything

1588

01:18:15,480 --> 01:18:13,660

that's really scary you know they have

1589

01:18:18,570 --> 01:18:15,490

they have the Day of the Dead in Mexico

1590

01:18:21,930 --> 01:18:18,580

but here it's Halloween let's put on a

1591

01:18:23,400 --> 01:18:21,940

bunny mask and then get some candy from

1592

01:18:26,880 --> 01:18:23,410

the neighbors hope there's no razor

1593

01:18:28,920 --> 01:18:26,890

blades and then many ideas people I

1594

01:18:32,700 --> 01:18:28,930

don't need the Karma I've got enough

1595

01:18:35,220 --> 01:18:32,710

already okay but nevertheless yeah it

1596

01:18:37,650 --> 01:18:35,230

looks like that I wish you folks could

1597

01:18:41,220 --> 01:18:37,660

see the picture their living picture of

1598

01:18:44,280 --> 01:18:41,230

Tim Schwartz right now looking like a

1599

01:18:47,370 --> 01:18:44,290

dead Santa Claus who's been mummified by

1600

01:18:49,380 --> 01:18:47,380

the ancient Egyptians it is truly truly

1601
01:18:52,530 --> 01:18:49,390
the most frightening thing I've seen

1602
01:18:55,190 --> 01:18:52,540
tonight are you looking at Tim passed

1603
01:19:00,660 --> 01:18:55,200
out through your skype or something

1604
01:19:03,870 --> 01:19:00,670
you're just my skype picture yes I'm

1605
01:19:06,420 --> 01:19:03,880
looking at the sky god I haven't turned

1606
01:19:11,100 --> 01:19:06,430
on my camera if you want I can reveal

1607
01:19:12,960 --> 01:19:11,110
myself now there's a also way well

1608
01:19:16,830 --> 01:19:12,970
there's kind of all kinds of UFO

1609
01:19:18,180 --> 01:19:16,840
connections with drugs but one that came

1610
01:19:20,100 --> 01:19:18,190
in mind with that am I need him he's

1611
01:19:22,200 --> 01:19:20,110
scaring it might have been this might

1612
01:19:25,530 --> 01:19:22,210
have been made up and howland probably

1613
01:19:29,460 --> 01:19:25,540

knows quite a bit about the book by

1614

01:19:33,690 --> 01:19:29,470

andrea pew Horwich the sacred where my

1615

01:19:36,300 --> 01:19:33,700

goodness yes yeah and he talked in that

1616

01:19:38,580 --> 01:19:36,310

well that that that book about how he

1617

01:19:42,540 --> 01:19:38,590

got those groups of psychics around them

1618

01:19:45,510 --> 01:19:42,550

and by using the sacred mushroom they

1619

01:19:48,900 --> 01:19:45,520

channeled their previous lives in

1620

01:19:51,060 --> 01:19:48,910

whatever ancient egypt and all this and

1621

01:19:53,430 --> 01:19:51,070

a lot of that group i guess kind of

1622

01:19:57,270 --> 01:19:53,440

evolved into what became known as the

1623

01:20:00,420 --> 01:19:57,280

nine or the the psychic nine

1624

01:20:03,690 --> 01:20:00,430

yeah the psychics who can't do contacted

1625

01:20:05,310 --> 01:20:03,700

the Council of nine and one but if

1626

01:20:18,300 --> 01:20:05,320

that's the voice of tightness that

1627

01:20:20,520 --> 01:20:18,310

you're just there thank you what else oh

1628

01:20:22,530 --> 01:20:20,530

and this guy who wrote about a lot of

1629

01:20:26,310 --> 01:20:22,540

this stuff James Arthur I quoted him

1630

01:20:28,820 --> 01:20:26,320

from mushrooms and humanity knew him

1631

01:20:33,480 --> 01:20:28,830

briefly several years back he knew

1632

01:20:37,350 --> 01:20:33,490

Gabriel green God and Green should be

1633

01:20:43,230 --> 01:20:37,360

running for president now it wouldn't

1634

01:20:47,550 --> 01:20:43,240

dilute the field that's for sure yet he

1635

01:20:50,040 --> 01:20:47,560

was a bunny way ahead yeah a way ahead

1636

01:20:52,290 --> 01:20:50,050

of himself in the thinking I mean he was

1637

01:20:54,030 --> 01:20:52,300

just stuff and of course he was he he

1638

01:20:56,880 --> 01:20:54,040

was the one he was the one to they

1639

01:20:59,640 --> 01:20:56,890

wanted to have relations with China in a

1640

01:21:02,820 --> 01:20:59,650

time when you know the the China was on

1641

01:21:04,590 --> 01:21:02,830

our you know banned from American list

1642

01:21:10,170 --> 01:21:04,600

and of course now we just had Bruce on

1643

01:21:13,560 --> 01:21:10,180

from mainland China yeah here I have a

1644

01:21:17,040 --> 01:21:13,570

button are you doing but it says

1645

01:21:19,560 --> 01:21:17,050

something like Abe in 1860 Gabe in 1960

1646

01:21:23,910 --> 01:21:19,570

but I was gonna mention James Arthur

1647

01:21:26,840 --> 01:21:23,920

told me that he did psychedelics on a

1648

01:21:29,580 --> 01:21:26,850

number of occasions with a Gabe green

1649

01:21:32,790 --> 01:21:29,590

that would explain a great deal about

1650

01:21:35,910 --> 01:21:32,800

his spiritual enlightenment and his

1651
01:21:41,930 --> 01:21:35,920
voyage to the moon Mars Venus and other

1652
01:21:48,060 --> 01:21:45,150
problem but that's okay because Gabe

1653
01:21:50,390 --> 01:21:48,070
isn't with us anymore and American law

1654
01:22:04,200 --> 01:21:50,400
allows me to say that's pretty weird

1655
01:22:09,660 --> 01:22:04,210
even five by my standards did we lose

1656
01:22:11,120 --> 01:22:09,670
out somebody keeps coming in I keep

1657
01:22:14,120 --> 01:22:11,130
channeling somebody

1658
01:22:16,490 --> 01:22:14,130
Oh Chanel no no no that's on screen

1659
01:22:19,490 --> 01:22:16,500
Queens but that's not important Tim over

1660
01:22:20,899 --> 01:22:19,500
to you yes yes yes come in come in North

1661
01:22:23,060 --> 01:22:20,909
Pole come in North Pole

1662
01:22:39,290 --> 01:22:23,070
we'll be on North although it's still

1663
01:22:48,020 --> 01:22:39,300

pointing north I don't understand we

1664

01:22:50,479 --> 01:22:48,030

carry a little passion and energy do the

1665

01:22:53,500 --> 01:22:50,489

show that's for sure yes let us know

1666

01:22:58,729 --> 01:22:53,510

when you run into the the giant

1667

01:23:00,560 --> 01:22:58,739

mastodons and the Nazis and whoever else

1668

01:23:03,919 --> 01:23:00,570

might be in happening that the Paradise

1669

01:23:14,600 --> 01:23:03,929

inside the earth there they are

1670

01:23:19,610 --> 01:23:14,610

Nazis on mastodons woolly mammoths but

1671

01:23:24,379 --> 01:23:19,620

not on mastodons this is the night for

1672

01:23:27,439 --> 01:23:24,389

the revelation of what goes on according

1673

01:23:31,100 --> 01:23:27,449

to F amundo giannotti may he rest in

1674

01:23:34,760 --> 01:23:31,110

peace and according to Ray Palmer who

1675

01:23:38,450 --> 01:23:34,770

said are you kidding this is Ray Palmer

1676

01:23:40,370 --> 01:23:38,460

who listened to shape so take it for

1677

01:23:42,530 --> 01:23:40,380

what it's worth my friend I'm looking at

1678

01:23:49,070 --> 01:23:42,540

the camera that's insane that shows what

1679

01:23:51,470 --> 01:23:49,080

a media [h__h] I am I know yeah yeah

1680

01:23:53,899 --> 01:23:51,480

especially this is Las Vegas

1681

01:23:56,479 --> 01:23:53,909

remember we're broke yeah that's that's

1682

01:23:59,540 --> 01:23:56,489

illegal that's a legal word I don't know

1683

01:24:02,390 --> 01:23:59,550

how to tell you this but you actually

1684

01:24:05,090 --> 01:24:02,400

get out to the whole world except China

1685

01:24:07,100 --> 01:24:05,100

you can broadcast from China but you

1686

01:24:12,310 --> 01:24:07,110

can't broadcast into China because they

1687

01:24:18,740 --> 01:24:16,430

beyond 4th fall there is freedom believe

1688

01:24:23,950 --> 01:24:18,750

it or not we drunk we do have people

1689

01:24:27,670 --> 01:24:24,240

[Music]

1690

01:24:30,350 --> 01:24:27,680

[Laughter]

1691

01:24:32,120 --> 01:24:30,360

freedom Bruce Lee Bruce Lee Bruce

1692

01:24:35,540 --> 01:24:32,130

listens to the show every week he told

1693

01:24:39,110 --> 01:24:35,550

me in there from China and yeah yeah

1694

01:24:42,500 --> 01:24:39,120

it's not you are fine and Connells

1695

01:24:42,800 --> 01:24:42,510

that's freedom Americans now yeah there

1696

01:24:44,930 --> 01:24:42,810

you go

1697

01:24:46,729 --> 01:24:44,940

yeah UFOs are not you know the one thing

1698

01:24:49,190 --> 01:24:46,739

that you can't talk about in China you

1699

01:24:50,000 --> 01:24:49,200

can talk about UFOs freely but not time

1700

01:24:53,240 --> 01:24:50,010

travel

1701

01:24:57,140 --> 01:24:53,250

now isn't that very weird keeping the

1702

01:24:59,660 --> 01:24:57,150

wraps on it yes because they don't want

1703

01:25:01,340 --> 01:24:59,670

anybody to know that in in in you know a

1704

01:25:03,290 --> 01:25:01,350

hundred years they won't be a world I

1705

01:25:05,030 --> 01:25:03,300

didn't say that tower again or something

1706

01:25:06,680 --> 01:25:05,040

like that who knows I don't know ah

1707

01:25:09,140 --> 01:25:06,690

there'll be a world in a hundred years

1708

01:25:15,670 --> 01:25:09,150

but maybe not on this planet not

1709

01:25:21,470 --> 01:25:19,160

well all powers all powers come and go I

1710

01:25:23,420 --> 01:25:21,480

mean nothing look at you know the year

1711

01:25:26,570 --> 01:25:23,430

the past history of the of the planet

1712

01:25:27,800 --> 01:25:26,580

all cultures come and go and we think

1713

01:25:32,990 --> 01:25:27,810

that to where the might you know the

1714

01:25:37,910 --> 01:25:33,000

mighty you know they started to have

1715

01:25:52,280 --> 01:25:37,920

clowns running for Emperor and people

1716

01:25:54,920 --> 01:25:52,290

took the Trump triumphant Empire the

1717

01:26:00,110 --> 01:25:54,930

flame Christianity Sun blade the actor

1718

01:26:03,560 --> 01:26:00,120

who ran for Emperor and was Emperor for

1719

01:26:05,750 --> 01:26:03,570

42 days long enough for a legion to put

1720

01:26:09,229 --> 01:26:05,760

together enough swords to depose him and

1721

01:26:11,030 --> 01:26:09,239

cut off his head that was that that's

1722

01:26:14,720 --> 01:26:11,040

the true story of the decline and fall

1723

01:26:18,580 --> 01:26:14,730

of the Roman Empire not not relating it

1724

01:26:22,700 --> 01:26:18,590

in any way to America the exceptional

1725

01:26:24,299 --> 01:26:22,710

country of the 21st and any other

1726

01:26:32,350 --> 01:26:24,309

century

1727

01:26:38,529 --> 01:26:36,040

I have I have some in the past Tim not

1728

01:26:45,160 --> 01:26:38,539

recently have yes yeah why your why your

1729

01:26:48,609 --> 01:26:45,170

hi I knew would not never not never got

1730

01:26:50,649 --> 01:26:48,619

that confident that oh my goodness I

1731

01:26:54,580 --> 01:26:50,659

want to I want to see you come down the

1732

01:26:56,290 --> 01:26:54,590

slopes well I I do believe that some of

1733

01:26:59,890 --> 01:26:56,300

these the ski resorts are having a

1734

01:27:02,640 --> 01:26:59,900

terrible time this uh you know season so

1735

01:27:05,830 --> 01:27:02,650

far because they have they have no snow

1736

01:27:09,009 --> 01:27:05,840

and people are thinking about you know

1737

01:27:14,040 --> 01:27:09,019

swimming pools and ice cream trucks and

1738

01:27:21,580 --> 01:27:18,640

even swimming pools have fallen out of

1739

01:27:25,089 --> 01:27:21,590

favor in California where you know water

1740

01:27:26,949 --> 01:27:25,099

conservation has uh yeah recently become

1741

01:27:29,020 --> 01:27:26,959

so critical I don't we got this storm

1742

01:27:31,500 --> 01:27:29,030

coming in now and supposedly this

1743

01:27:35,370 --> 01:27:31,510

pineapple Express so we'll see there's a

1744

01:27:39,009 --> 01:27:35,380

ski resort just I don't know our up

1745

01:27:41,350 --> 01:27:39,019

north of me so you know they see how

1746

01:27:42,969 --> 01:27:41,360

they go they they get a decent amount of

1747

01:27:45,759 --> 01:27:42,979

snow then they bring in their snow

1748

01:27:48,759 --> 01:27:45,769

making machines and make some more snow

1749

01:27:51,609 --> 01:27:48,769

to put on top of it do they snow

1750

01:28:01,509 --> 01:27:51,619

do they snow snow do they ski on Mount

1751

01:28:04,330 --> 01:28:01,519

Shasta no Ballard and the I am speaking

1752

01:28:06,339 --> 01:28:04,340

of Nazis on mastodons yeah yeah and so

1753

01:28:09,250 --> 01:28:06,349

you have to watch it on Mount Shasta

1754

01:28:11,129 --> 01:28:09,260

okay yeah they have all kinds of warning

1755

01:28:14,100 --> 01:28:11,139

signs that they you know there's a

1756

01:28:17,370 --> 01:28:14,110

vortex entrances here you know and

1757

01:28:19,270 --> 01:28:17,380

multi-dimensional things so you need to

1758

01:28:22,419 --> 01:28:19,280

whatever don't be eating

1759

01:28:24,910 --> 01:28:22,429

Amanita muscaria in the area well you

1760

01:28:27,910 --> 01:28:24,920

know you know my my friend who since

1761

01:28:31,779 --> 01:28:27,920

passed on blue ocean who of course was a

1762

01:28:35,709 --> 01:28:31,789

fairly famous musician he was born on

1763

01:28:37,540 --> 01:28:35,719

Mount Shasta and he yes yes believe it

1764

01:28:41,230 --> 01:28:37,550

or not he was born on my chest

1765

01:28:44,380 --> 01:28:41,240

he was a Native America when he called

1766

01:28:45,490 --> 01:28:44,390

the town of weed to try to get a burst

1767

01:28:49,210 --> 01:28:45,500

never had a birdie

1768

01:28:55,420 --> 01:28:49,220

he never you have the nearest town I

1769

01:28:57,850 --> 01:28:55,430

think this yeah yeah yeah and when he

1770

01:29:00,400 --> 01:28:57,860

called to try to get a birth certificate

1771

01:29:02,920 --> 01:29:00,410

they thought he was making it up because

1772

01:29:05,200 --> 01:29:02,930

they said there was no you know like

1773

01:29:08,170 --> 01:29:05,210

Indians living at Mount Shasta well

1774

01:29:11,110 --> 01:29:08,180

certainly he knew where he lived and you

1775

01:29:13,480 --> 01:29:11,120

know that was always a contention but he

1776

01:29:17,530 --> 01:29:13,490

managed to get his royalties from Don

1777

01:29:19,840 --> 01:29:17,540

Kirshner and Pink Floyd and whoever else

1778

01:29:24,520 --> 01:29:19,850

that he he drummed for but we certainly

1779

01:29:27,430 --> 01:29:24,530

miss a blue on Christmas Eve as we do

1780

01:29:30,040 --> 01:29:27,440

all of our friends who it cannot be here

1781

01:29:33,070 --> 01:29:30,050

who have passed on like our friend Wally

1782

01:29:35,500 --> 01:29:33,080

for example I you know people that we've

1783

01:29:38,560 --> 01:29:35,510

worked with over the years and enriched

1784

01:29:40,720 --> 01:29:38,570

our life but we've had a great that

1785

01:29:44,080 --> 01:29:40,730

we've actually had a great program this

1786

01:29:45,430 --> 01:29:44,090

evening Tina don't you agree yeah I was

1787

01:29:47,050 --> 01:29:45,440

I really interesting a lot of great

1788

01:29:49,030 --> 01:29:47,060

people calling in and a lot of great

1789
