

EXPLORING THE BIZARRE

PRESTON
DENNETT

INSIDE
UFOS

1
00:00:37,160 --> 00:00:21,830

[Music]

2
00:00:45,119 --> 00:00:41,639

explore the bazaars your e-ticket ride

3
00:00:47,990 --> 00:00:45,129

into the world of the paranoid strap

4
00:00:52,709 --> 00:00:48,000

yourself in as we traverse the universe

5
00:00:54,829 --> 00:00:52,719

exploring the unexplained UFO s ghosts

6
00:00:57,210 --> 00:00:54,839

Lost Worlds

7
00:01:01,049 --> 00:00:57,220

cryptozoology waters as well as other

8
00:01:06,210 --> 00:01:01,059

dimensions it's time to take back the

9
00:01:09,300 --> 00:01:06,220

night now your electrifying hosts of

10
00:01:19,469 --> 00:01:09,310

exploring the bizarre Timothy Begley and

11
00:01:21,410 --> 00:01:19,479

team sports Jim can you push me on the

12
00:01:25,410 --> 00:01:21,420

swing make it go higher

13
00:01:27,680 --> 00:01:25,420

well sure Tim here hold up wait a minute

14

00:01:30,240 --> 00:01:27,690

what are you doing on a swing

15

00:01:34,469 --> 00:01:30,250

are you regressing back to a Senat

16

00:01:38,219 --> 00:01:34,479

childhood we I'm hoping the UFO will

17

00:01:39,990 --> 00:01:38,229

return I want to meet the spacemen the

18

00:01:42,330 --> 00:01:40,000

children saw the spaceship and I'm

19

00:01:44,550 --> 00:01:42,340

waiting for them to come back since its

20

00:01:47,820 --> 00:01:44,560

nearing the anniversary of the incident

21

00:01:50,150 --> 00:01:47,830

we push me higher okay okay Tim

22

00:01:52,350 --> 00:01:50,160

according to to our guest tonight

23

00:01:55,139 --> 00:01:52,360

children have been targeted by the

24

00:01:58,020 --> 00:01:55,149

aliens having landed next to a

25

00:02:02,609 --> 00:01:58,030

elementary junior high and even high

26

00:02:05,490 --> 00:02:02,619

schools colleges too I think oftentimes

27

00:02:07,559 --> 00:02:05,500

humanoids have been seen I guess it's

28

00:02:14,490 --> 00:02:07,569

because the children are so innocent

29

00:02:19,190 --> 00:02:17,550

sure I'm innocent sure otherwise how

30

00:02:24,630 --> 00:02:19,200

could you account for those aliens

31

00:02:26,970 --> 00:02:24,640

approaching us no I don't know but maybe

32

00:02:28,440 --> 00:02:26,980

Preston Dennis can offer us some clues

33

00:02:30,869 --> 00:02:28,450

we can

34

00:02:34,589 --> 00:02:30,879

hey let's go beating back of the KC or

35

00:02:37,309 --> 00:02:34,599

our Studios where we'll be safe from any

36

00:02:41,209 --> 00:02:37,319

alien intruders

37

00:02:46,880 --> 00:02:41,219

well I want to go higher and higher and

38

00:02:50,420 --> 00:02:46,890

higher I Tim I think you're high enough

39

00:02:53,030 --> 00:02:50,430

to yeah I it seemed it seems that way

40

00:02:54,830 --> 00:02:53,040

I've been practicing for my medical

41

00:02:57,500 --> 00:02:54,840

marijuana I guess I don't know

42

00:03:01,399 --> 00:02:57,510

hey if so how you out there in Jasper

43

00:03:03,050 --> 00:03:01,409

Indiana oh we're doing great as are as

44

00:03:07,099 --> 00:03:03,060

always just just a little slice of

45

00:03:13,179 --> 00:03:07,109

paradise out here oh boy oh boy well I

46

00:03:18,229 --> 00:03:13,189

just got back from Atlantic City where I

47

00:03:21,050 --> 00:03:18,239

I lost my now actually we don't do even

48

00:03:23,809 --> 00:03:21,060

the example we just go out to enjoy the

49

00:03:28,369 --> 00:03:23,819

fresh air which I don't have very much

50

00:03:30,530 --> 00:03:28,379

of here in picturesque Manhattan no and

51
00:03:34,789 --> 00:03:30,540
it's a nice little nice little ride out

52
00:03:37,460 --> 00:03:34,799
and some great food in the in the

53
00:03:40,699 --> 00:03:37,470
resorts and then it's back on the

54
00:03:42,710 --> 00:03:40,709
Greyhound to do art just in time to do

55
00:03:45,530 --> 00:03:42,720
our show and I think we've got a great

56
00:03:48,080 --> 00:03:45,540
deaf program tonight because we have one

57
00:03:50,869 --> 00:03:48,090
of our old friends on who's really not

58
00:03:55,369 --> 00:03:50,879
knowledgeable on the subject of UFOs

59
00:03:57,890 --> 00:03:55,379
we've known Preston for many years he

60
00:04:00,680 --> 00:03:57,900
was a regular contributor to UFO a

61
00:04:03,740 --> 00:04:00,690
universe and wrote some very great

62
00:04:07,339 --> 00:04:03,750
articles and has continued to contribute

63
00:04:10,069 --> 00:04:07,349

to a number of books that we've

64

00:04:13,280 --> 00:04:10,079

published in recent times and fact

65

00:04:16,909 --> 00:04:13,290

you're finishing up now on Tim our

66

00:04:19,129 --> 00:04:16,919

Schwartz is incredible alien encounters

67

00:04:23,240 --> 00:04:19,139

book and there's a very lengthy section

68

00:04:27,080 --> 00:04:23,250

in there by Preston on healing

69

00:04:29,420 --> 00:04:27,090

attributes of interdimensional beings

70

00:04:31,610 --> 00:04:29,430

also terrestrials whatever you want to

71

00:04:34,070 --> 00:04:31,620

call them and we'll get in that into

72

00:04:36,170 --> 00:04:34,080

that later on in the show but Preston

73

00:04:38,570 --> 00:04:36,180

has a new book out which I'm very

74

00:04:40,909 --> 00:04:38,580

anxious to find out about so once you

75

00:04:42,439 --> 00:04:40,919

give us a little bit of introduction Tim

76

00:04:46,219 --> 00:04:42,449

and take it away

77

00:04:50,029 --> 00:04:46,229

sure well ok Preston's latest book is

78

00:04:53,450 --> 00:04:50,039

called a schoolyard UFO encounters and

79

00:04:56,749 --> 00:04:53,460

we'll be asking him quite a few

80

00:04:58,609 --> 00:04:56,759

questions about that book because it

81

00:05:00,950 --> 00:04:58,619

really is a fascinating topic now

82

00:05:05,179 --> 00:05:00,960

Preston began investigating UFOs Timmy

83

00:05:07,219 --> 00:05:05,189

and the paranormal starting around 1986

84

00:05:09,679 --> 00:05:07,229

when he discovered that his family

85

00:05:12,260 --> 00:05:09,689

friends and co-workers were having

86

00:05:13,790 --> 00:05:12,270

dramatic unexplained encounters since

87

00:05:16,579 --> 00:05:13,800

then he has interviewed hundreds of

88

00:05:18,709 --> 00:05:16,589

witnesses and investigated a wide

89

00:05:20,629 --> 00:05:18,719

variety of paranormal phenomena

90

00:05:23,510 --> 00:05:20,639

now Preston's a field investigator for

91

00:05:26,480 --> 00:05:23,520

MUFON ghost hunter paranormal researcher

92

00:05:27,110 --> 00:05:26,490

and the author of 24 probably more than

93

00:05:30,589 --> 00:05:27,120

that now

94

00:05:32,119 --> 00:05:30,599

books and hundreds of articles on UFOs

95

00:05:33,769 --> 00:05:32,129

and the paranormal

96

00:05:35,929 --> 00:05:33,779

if articles that have appeared in

97

00:05:39,649 --> 00:05:35,939

numerous magazines including fate

98

00:05:43,459 --> 00:05:39,659

Atlantic fantasy ricing MUFON UFO

99

00:05:45,769 --> 00:05:43,469

journal your very own UFO universe as

100

00:05:48,499 --> 00:05:45,779

well now he's appeared on numerous radio

101
00:05:50,929 --> 00:05:48,509
and television programs and his research

102
00:05:53,899 --> 00:05:50,939
has been presented in the LA Times the

103
00:05:58,489 --> 00:05:53,909
LA Daily News that Dallas Morning News

104
00:06:00,079 --> 00:05:58,499
and other newspapers so Preston thanks

105
00:06:02,389 --> 00:06:00,089
for being back with us again on

106
00:06:04,879 --> 00:06:02,399
exploring the bizarre hey always a

107
00:06:07,999 --> 00:06:04,889
pleasure thanks for having me on oh man

108
00:06:10,159 --> 00:06:08,009
Kenny we couldn't go six months without

109
00:06:12,739 --> 00:06:10,169
talking get to it cuz it seems you've

110
00:06:14,480 --> 00:06:12,749
got a new book out all the time - how

111
00:06:16,730 --> 00:06:14,490
did you come up with it now this is a

112
00:06:20,059 --> 00:06:16,740
little bit unusual now I know about two

113
00:06:22,579 --> 00:06:20,069

or three cases involving schoolyards

114

00:06:25,009 --> 00:06:22,589

there's the one I guess is that in South

115

00:06:26,749 --> 00:06:25,019

Africa that John Mack wasn't

116

00:06:29,839 --> 00:06:26,759

investigated and there's another one in

117

00:06:33,049 --> 00:06:29,849

Australia and there's there's one I

118

00:06:35,149 --> 00:06:33,059

would consider a close call involving a

119

00:06:36,469 --> 00:06:35,159

children in Russia where I landed in the

120

00:06:38,389 --> 00:06:36,479

park I don't know how close to the

121

00:06:40,969 --> 00:06:38,399

school that was but that got a lot of

122

00:06:43,909 --> 00:06:40,979

publicity in that particular case and in

123

00:06:45,949 --> 00:06:43,919

fact the New York Times interviewed me

124

00:06:49,070 --> 00:06:45,959

for an article that they did on that but

125

00:06:50,629 --> 00:06:49,080

you've been researching the subject for

126

00:06:52,489 --> 00:06:50,639

a long time now and you're pretty

127

00:06:57,320 --> 00:06:52,499

open-minded about all of this how did

128

00:06:58,879 --> 00:06:57,330

you come across all these cases yeah I

129

00:07:00,949 --> 00:06:58,889

kind of stumbled across that I knew

130

00:07:02,420 --> 00:07:00,959

about those cases you mentioned there's

131

00:07:04,210 --> 00:07:02,430

a couple of other really famous cases

132

00:07:07,400 --> 00:07:04,220

one in West all

133

00:07:10,490 --> 00:07:07,410

Australia Westall high school and no yes

134

00:07:13,850 --> 00:07:10,500

um bunch of kids saw that another case

135

00:07:16,610 --> 00:07:13,860

in opa-locka Florida Dade County at

136

00:07:18,710 --> 00:07:16,620

Crestview elementary school and of

137

00:07:22,250 --> 00:07:18,720

course the Hillsdale Michigan incident

138

00:07:24,350 --> 00:07:22,260

at Hillsdale College that's right yeah

139

00:07:26,510 --> 00:07:24,360

yeah that's that skipped my mind of

140

00:07:29,480 --> 00:07:26,520

course it's not a elementary at school

141

00:07:31,670 --> 00:07:29,490

but it was that a girls college or I

142

00:07:34,550 --> 00:07:31,680

remember the seeing the pictures of the

143

00:07:38,930 --> 00:07:34,560

girls were looking out the the window at

144

00:07:40,730 --> 00:07:38,940

the yeah right okay it came for the

145

00:07:43,400 --> 00:07:40,740

girls dorm actually there was like yeah

146

00:07:45,920 --> 00:07:43,410

yeah eighty-seven students or so saw

147

00:07:48,110 --> 00:07:45,930

police saw it school administrators it

148

00:07:51,230 --> 00:07:48,120

was really the incident that sparked all

149

00:07:53,930 --> 00:07:51,240

this certainly the interest in it at the

150

00:07:56,360 --> 00:07:53,940

time Jim and Cora Lorenzen warned that

151
00:08:00,710 --> 00:07:56,370
they were receiving a lot of cases over

152
00:08:04,820 --> 00:08:00,720
schools and at the same time raving

153
00:08:08,600 --> 00:08:04,830
followers I got one for you how much is

154
00:08:10,460 --> 00:08:08,610
it Sharon Stahl you know that the case

155
00:08:11,060 --> 00:08:10,470
with a girl that grew five-and-a-half

156
00:08:16,460 --> 00:08:11,070
inches

157
00:08:18,800 --> 00:08:16,470
yeah that's right yeah Albuquerque New

158
00:08:23,510 --> 00:08:18,810
Mexico she was standing in the

159
00:08:26,719 --> 00:08:23,520
schoolyard and this UFO came over and I

160
00:08:27,980 --> 00:08:26,729
believe burned her face rather a badly I

161
00:08:30,050 --> 00:08:27,990
don't know whether she went to the

162
00:08:33,529 --> 00:08:30,060
hospital or not but I came across that

163
00:08:36,890 --> 00:08:33,539

today I was thumbing through our UFO

164

00:08:39,350 --> 00:08:36,900

hostility book and I remembered that

165

00:08:42,050 --> 00:08:39,360

case that's always been one of my that's

166

00:08:44,780 --> 00:08:42,060

always been one of my favorites I I wish

167

00:08:49,460 --> 00:08:44,790

that somebody had followed up on that

168

00:08:52,550 --> 00:08:49,470

story to see you know she grew like

169

00:08:54,680 --> 00:08:52,560

supposedly five million if injures and

170

00:08:57,019 --> 00:08:54,690

what a couple of months time or

171

00:08:59,290 --> 00:08:57,029

something like that whether she could

172

00:09:02,360 --> 00:08:59,300

still blame that on the UFO that she saw

173

00:09:03,800 --> 00:09:02,370

yeah I'd like a follow-up too cuz I know

174

00:09:07,070 --> 00:09:03,810

all about the case that was Lowell

175

00:09:09,620 --> 00:09:07,080

elementary school April 29th 1964 just a

176

00:09:12,050 --> 00:09:09,630

few days after the Lonnie Zamora landing

177

00:09:14,510 --> 00:09:12,060

which wasn't far away a very similar

178

00:09:17,030 --> 00:09:14,520

described craft as well it's a great

179

00:09:17,840 --> 00:09:17,040

case and typical of these kinds of cases

180

00:09:20,900 --> 00:09:17,850

which

181

00:09:22,790 --> 00:09:20,910

no your typical what UFO sighting is

182

00:09:25,790 --> 00:09:22,800

sort of a flyby of an anomalous light

183

00:09:27,500 --> 00:09:25,800

perhaps at night these cases are

184

00:09:29,510 --> 00:09:27,510

completely different they're in

185

00:09:31,220 --> 00:09:29,520

fundamental ways first of all they're

186

00:09:33,080 --> 00:09:31,230

targeting schools directly it's not a

187

00:09:34,850 --> 00:09:33,090

coincidence they come from you know the

188

00:09:36,770 --> 00:09:34,860

horizon or wherever and come right over

189

00:09:39,050 --> 00:09:36,780

the school they occur during the day

190

00:09:41,300 --> 00:09:39,060

they last much longer than the average

191

00:09:43,580 --> 00:09:41,310

sighting you know hours sometimes over a

192

00:09:45,740 --> 00:09:43,590

period of days they're very low level

193

00:09:48,980 --> 00:09:45,750

you know of the hundreds some cases I

194

00:09:50,780 --> 00:09:48,990

found there about 30% of these objects

195

00:09:54,080 --> 00:09:50,790

actually landing next to the schools and

196

00:09:56,330 --> 00:09:54,090

there's humanoids coming out 30% now

197

00:10:01,700 --> 00:09:56,340

what it what is the earliest case that

198

00:10:04,190 --> 00:10:01,710

you found at dealing with the schools

199

00:10:06,950 --> 00:10:04,200

and children write the absolute earliest

200

00:10:15,200 --> 00:10:06,960

was a case in 1853 at Burak college in

201
00:10:16,970 --> 00:10:15,210
tennessee story on that yeah yeah it's a

202
00:10:19,610 --> 00:10:16,980
complete outlier I couldn't find any

203
00:10:22,100 --> 00:10:19,620
other cases for another 100 years but

204
00:10:23,750 --> 00:10:22,110
this is a typical case that this

205
00:10:25,820 --> 00:10:23,760
occurred very early in the morning a

206
00:10:28,280 --> 00:10:25,830
bunch of students saw two very bright

207
00:10:30,170 --> 00:10:28,290
lights over the college they couldn't

208
00:10:31,730 --> 00:10:30,180
identify him one was pulsing brightly

209
00:10:34,340 --> 00:10:31,740
and the other would dim become dimmer

210
00:10:37,100 --> 00:10:34,350
and then they would sort of change

211
00:10:41,240 --> 00:10:37,110
places it was clear display of very

212
00:10:44,810 --> 00:10:41,250
unusual objects that uh clearly wanted

213
00:10:47,090 --> 00:10:44,820

to be seen and how many would have any

214

00:10:48,740 --> 00:10:47,100

witnesses there were dozens of witnesses

215

00:10:52,040 --> 00:10:48,750

and some teachers they wrote to a

216

00:10:53,510 --> 00:10:52,050

science magazine no the only explanation

217

00:10:56,630 --> 00:10:53,520

they had way back then was you know

218

00:10:58,460 --> 00:10:56,640

astronomical yes they really didn't

219

00:11:03,920 --> 00:10:58,470

think about heat ease and no the public

220

00:11:06,980 --> 00:11:03,930

consciousness so much when did the next

221

00:11:08,870 --> 00:11:06,990

stick acacia occur you know the earliest

222

00:11:10,780 --> 00:11:08,880

case I could find after that was in

223

00:11:18,830 --> 00:11:10,790

Prestonsburg Kentucky

224

00:11:20,270 --> 00:11:18,840

this was sluttin C 1953 1953 five

225

00:11:22,520 --> 00:11:20,280

students were out on the playground or

226

00:11:25,490 --> 00:11:22,530

there's the teacher miss Holbrook and

227

00:11:27,350 --> 00:11:25,500

this two UFOs come swooping down over

228

00:11:29,330 --> 00:11:27,360

the playground scare the Wits out of the

229

00:11:30,940 --> 00:11:29,340

kids these are particular objects were

230

00:11:33,100 --> 00:11:30,950

very loud

231

00:11:34,300 --> 00:11:33,110

and the kids scattered screaming you

232

00:11:36,400 --> 00:11:34,310

know some were throwing up if you

233

00:11:41,260 --> 00:11:36,410

fainted it was a big kill

234

00:11:43,120 --> 00:11:41,270

and they these objects just took off and

235

00:11:45,550 --> 00:11:43,130

everyone was trying to get themselves

236

00:11:47,860 --> 00:11:45,560

together you know I about an hour later

237

00:11:48,670 --> 00:11:47,870

these objects returned there was four of

238

00:11:51,400 --> 00:11:48,680

them this time

239

00:11:54,850 --> 00:11:51,410

and they came much closer they were

240

00:11:57,550 --> 00:11:54,860

clearly unexplained and again this sort

241

00:11:59,500 --> 00:11:57,560

of started this regular I'm gonna say

242

00:12:02,500 --> 00:11:59,510

every year I'm the average there's

243

00:12:04,510 --> 00:12:02,510

actually like two per year the really

244

00:12:07,930 --> 00:12:04,520

close up sighting like this or landing

245

00:12:10,000 --> 00:12:07,940

over a school and and get this half hour

246

00:12:16,600 --> 00:12:10,010

Elementary School's half of the cases

247

00:12:19,750 --> 00:12:16,610

hmm well now which was the the you said

248

00:12:23,110 --> 00:12:19,760

earlier maybe we said earlier that a lot

249

00:12:25,630 --> 00:12:23,120

of these cases did involve humanoids

250

00:12:30,250 --> 00:12:25,640

what is the first case that you know of

251
00:12:34,780 --> 00:12:30,260
involving a humanoid very early case in

252
00:12:38,050 --> 00:12:34,790
1909 July 24th in Kelso New Zealand this

253
00:12:41,110 --> 00:12:38,060
is sort of the end of the airship yes

254
00:12:42,850 --> 00:12:41,120
wave which was really you know what to

255
00:12:46,060 --> 00:12:42,860
turn in the century but it trailed off

256
00:12:48,700 --> 00:12:46,070
for a number of years and a bunch of

257
00:12:50,620 --> 00:12:48,710
students saw this sort of airship with a

258
00:12:53,590 --> 00:12:50,630
figure in it come right low over the

259
00:12:55,300 --> 00:12:53,600
school it moved very quickly and again

260
00:12:59,350 --> 00:12:55,310
had this sort of behavior wanting to be

261
00:13:01,000 --> 00:12:59,360
seen and showing off and once it

262
00:13:02,680 --> 00:13:01,010
actually you know there's drawings of

263
00:13:05,860 --> 00:13:02,690

this thing the kids all were taken

264

00:13:08,770 --> 00:13:05,870

separately and drew pretty much exactly

265

00:13:12,820 --> 00:13:08,780

the same thing you know - and this is in

266

00:13:15,790 --> 00:13:12,830

1909 yeah and and what what did they

267

00:13:19,720 --> 00:13:15,800

what did the humanoids look like just a

268

00:13:21,730 --> 00:13:19,730

man a figure human looking figure that

269

00:13:23,320 --> 00:13:21,740

couldn't really see much because it was

270

00:13:27,640 --> 00:13:23,330

just far enough away where you couldn't

271

00:13:29,410 --> 00:13:27,650

see the features but yeah that's pretty

272

00:13:31,060 --> 00:13:29,420

early humanoid case there's not a whole

273

00:13:37,600 --> 00:13:31,070

lot of early humanoid cases really at

274

00:13:40,450 --> 00:13:37,610

all and now okay so what would you say

275

00:13:42,880 --> 00:13:40,460

is the the one that had the the most of

276

00:13:46,000 --> 00:13:42,890

the students involved would that be them

277

00:13:49,900 --> 00:13:46,010

well a Wellington case

278

00:13:51,670 --> 00:13:49,910

there was a case in New Zealand at in a

279

00:13:54,880 --> 00:13:51,680

you know by coincidence this is all over

280

00:13:56,860 --> 00:13:54,890

the world by the way England yes you

281

00:14:01,300 --> 00:13:56,870

know pretty much everywhere but there's

282

00:14:06,700 --> 00:14:01,310

a case in New Zealand let's see I was

283

00:14:10,000 --> 00:14:06,710

maraenui New Zealand and there was four

284

00:14:12,430 --> 00:14:10,010

hundred students who saw this thing its

285

00:14:17,040 --> 00:14:12,440

Richmond school it was a bright

286

00:14:19,150 --> 00:14:17,050

beautiful warm sunny day May 17th 1972

287

00:14:21,580 --> 00:14:19,160

teachers were on the playground and

288

00:14:23,050 --> 00:14:21,590

suddenly it became completely silent

289

00:14:24,670 --> 00:14:23,060

when they looked at the kids and all the

290

00:14:27,910 --> 00:14:24,680

kids are looking up this thing

291

00:14:30,760 --> 00:14:27,920

approaching the playground and it was

292

00:14:33,850 --> 00:14:30,770

described as a huge black disc covering

293

00:14:37,270 --> 00:14:33,860

about 1/3 of the sky absolutely gigantic

294

00:14:39,850 --> 00:14:37,280

and maybe two three thousand feet up

295

00:14:42,460 --> 00:14:39,860

most I was just you know up on the high

296

00:14:45,220 --> 00:14:42,470

end for these objects stayed there for a

297

00:14:49,030 --> 00:14:45,230

good five ten minutes to load it a

298

00:14:52,510 --> 00:14:49,040

little bit to the side turn on its edge

299

00:14:54,010 --> 00:14:52,520

and shot straight up now mind you

300

00:14:56,440 --> 00:14:54,020

there's an airport right next to her

301
00:15:01,320 --> 00:14:56,450
pretty you know very close three four

302
00:15:05,440 --> 00:15:01,330
miles didn't see a thing so they said

303
00:15:09,280 --> 00:15:05,450
what what is the attitude I remember the

304
00:15:10,870 --> 00:15:09,290
one case that doctor Mac his was in

305
00:15:14,250 --> 00:15:10,880
South Africa right that he went to

306
00:15:18,030 --> 00:15:14,260
investigate right Rose and Bob way right

307
00:15:22,510 --> 00:15:18,040
okay and I remember the children did

308
00:15:24,840 --> 00:15:22,520
drawings of the of the craft and the and

309
00:15:29,970 --> 00:15:24,850
what you know what what they observed

310
00:15:32,140 --> 00:15:29,980
what is the attitude towards most of the

311
00:15:35,220 --> 00:15:32,150
educators maybe I would use that in

312
00:15:40,810 --> 00:15:35,230
quote the the teachers and the

313
00:15:44,110 --> 00:15:40,820

principals as far as the children

314

00:15:46,360 --> 00:15:44,120

well okay before we go there what

315

00:15:49,630 --> 00:15:46,370

percentage of cases would be elementary

316

00:15:51,850 --> 00:15:49,640

what percentage would be a junior middle

317

00:15:53,770 --> 00:15:51,860

school I believe they call it and what

318

00:15:57,250 --> 00:15:53,780

percentage would be high school I mean

319

00:15:58,130 --> 00:15:57,260

is there more in one division than the

320

00:16:01,519 --> 00:15:58,140

other

321

00:16:03,170 --> 00:16:01,529

yeah 50% our elementary schools which i

322

00:16:05,630 --> 00:16:03,180

think is significant because you know

323

00:16:08,360 --> 00:16:05,640

young children are they're clearly

324

00:16:09,920 --> 00:16:08,370

targeting our youngest children but

325

00:16:13,670 --> 00:16:09,930

otherwise pretty evenly divided between

326

00:16:17,930 --> 00:16:13,680

high school and junior high with a few

327

00:16:19,730 --> 00:16:17,940

outliers with colleges you know but

328

00:16:25,280 --> 00:16:19,740

comparatively I would say about 10

329

00:16:28,790 --> 00:16:25,290

percent is colleges so very well divided

330

00:16:33,500 --> 00:16:28,800

between all age groups and and what what

331

00:16:35,720 --> 00:16:33,510

has the added attitude been as far as

332

00:16:38,030 --> 00:16:35,730

the students a lot particularly the

333

00:16:41,660 --> 00:16:38,040

younger ones have never heard of UFOs

334

00:16:43,970 --> 00:16:41,670

have never you know so it's completely

335

00:16:46,699 --> 00:16:43,980

new experience for them which they sort

336

00:16:48,440 --> 00:16:46,709

of absorb an unadulterated way they've

337

00:16:51,500 --> 00:16:48,450

got no preconceptions about what these

338

00:16:53,360 --> 00:16:51,510

things are the students by and large are

339

00:16:54,500 --> 00:16:53,370

very impressed and it's something they

340

00:16:56,269 --> 00:16:54,510

remember for the rest of their lives

341

00:16:58,490 --> 00:16:56,279

some of them have gone on to become UFO

342

00:17:00,620 --> 00:16:58,500

investigators or you know physicists and

343

00:17:03,980 --> 00:17:00,630

quantum physicists and really into the

344

00:17:06,230 --> 00:17:03,990

subject this sort of thing right that's

345

00:17:09,079 --> 00:17:06,240

that's interesting I mean that that

346

00:17:11,059 --> 00:17:09,089

would make a book in it in itself too I

347

00:17:15,890 --> 00:17:11,069

guess that's what dr. Mac was trying to

348

00:17:19,970 --> 00:17:15,900

do to some extent is interview some of

349

00:17:25,130 --> 00:17:19,980

the students later on in life which

350

00:17:28,189 --> 00:17:25,140

would be probably a very interesting you

351
00:17:30,409 --> 00:17:28,199
know concept and and and a way of seeing

352
00:17:33,230 --> 00:17:30,419
how their attitudes on their life and

353
00:17:36,200 --> 00:17:33,240
also their parents how it may have

354
00:17:37,880 --> 00:17:36,210
affected their their families oh yeah

355
00:17:39,830 --> 00:17:37,890
this this is there's been some real

356
00:17:42,289 --> 00:17:39,840
trials for the families for sure because

357
00:17:44,450 --> 00:17:42,299
sometimes the parents don't believe or

358
00:17:46,310 --> 00:17:44,460
kind of this really interesting case in

359
00:17:49,250 --> 00:17:46,320
that regard comes from Leonard

360
00:17:50,930 --> 00:17:49,260
Stringfield who got a call from a

361
00:17:52,100 --> 00:17:50,940
frantic father who says my son is

362
00:17:53,720 --> 00:17:52,110
missing

363
00:17:56,030 --> 00:17:53,730

he called you yesterday to report a UFO

364

00:17:57,890 --> 00:17:56,040

is that right and Leonard Stringfield

365

00:18:00,530 --> 00:17:57,900

says yes you know but I wasn't home I

366

00:18:02,180 --> 00:18:00,540

got the message well the kid was missing

367

00:18:05,210 --> 00:18:02,190

turned out he had come home from school

368

00:18:06,500 --> 00:18:05,220

the day before and said a UFO followed

369

00:18:08,690 --> 00:18:06,510

him home and his parents didn't believe

370

00:18:10,790 --> 00:18:08,700

him the next morning he left a note

371

00:18:11,810 --> 00:18:10,800

saying I'm leaving this UFO is coming to

372

00:18:14,690 --> 00:18:11,820

abduct me

373

00:18:16,430 --> 00:18:14,700

he had withdrawn \$500 from the bank he's

374

00:18:17,899 --> 00:18:16,440

a high school student and was missing

375

00:18:19,659 --> 00:18:17,909

they called the police they did

376

00:18:22,340 --> 00:18:19,669

eventually find him at Atlanta Airport

377

00:18:23,719 --> 00:18:22,350

brought him home Leonard Stringfield got

378

00:18:27,919 --> 00:18:23,729

the whole story out of him it turned out

379

00:18:29,659 --> 00:18:27,929

a year earlier he was at high school on

380

00:18:31,609 --> 00:18:29,669

the playground this object comes

381

00:18:33,139 --> 00:18:31,619

swooping down telepathically

382

00:18:37,039 --> 00:18:33,149

communicates with them saying you know

383

00:18:37,580 --> 00:18:37,049

we were going we're coming for you type

384

00:18:40,609 --> 00:18:37,590

of thing

385

00:18:43,219 --> 00:18:40,619

and scared the Wits out of him he went

386

00:18:45,830 --> 00:18:43,229

home that night had a visitation by gray

387

00:18:46,070 --> 00:18:45,840

type ETS who says you need to come with

388

00:18:48,680 --> 00:18:46,080

us

389

00:18:51,700 --> 00:18:48,690

you know don't be afraid we won't hurt

390

00:18:54,409 --> 00:18:51,710

you the whole spiel that they give and

391

00:18:56,899 --> 00:18:54,419

poor kid carried the secret for about a

392

00:19:01,070 --> 00:18:56,909

year and finally asked his parents for

393

00:19:04,430 --> 00:19:01,080

help and got rejected took off huh

394

00:19:07,249 --> 00:19:04,440

no I I do remember over the years like

395

00:19:09,529 --> 00:19:07,259

when I was doing the UFO review the

396

00:19:12,320 --> 00:19:09,539

official and only flying saucer

397

00:19:15,619 --> 00:19:12,330

newspaper at the time and still is I

398

00:19:20,719 --> 00:19:15,629

think historically there were a couple

399

00:19:22,359 --> 00:19:20,729

of cases of involving rather teenagers

400

00:19:25,580 --> 00:19:22,369

very young teenager

401
00:19:28,039 --> 00:19:25,590
there was a fourteen-year-old boy and I

402
00:19:31,940 --> 00:19:28,049
don't remember the specific details were

403
00:19:33,969 --> 00:19:31,950
in the name but he took a series of what

404
00:19:36,080 --> 00:19:33,979
seemed to be a rather impressive

405
00:19:38,479 --> 00:19:36,090
photographs I think there were four or

406
00:19:42,440 --> 00:19:38,489
five pictures in the in the series and

407
00:19:44,779 --> 00:19:42,450
then there was another youngster and I

408
00:19:48,109 --> 00:19:44,789
don't think he was much older maybe 15

409
00:19:51,019 --> 00:19:48,119
or 16 who did some very interesting

410
00:19:54,379 --> 00:19:51,029
drawings of aliens he might have been

411
00:19:56,450 --> 00:19:54,389
the youngest contact D I don't know

412
00:19:58,549 --> 00:19:56,460
about their education or whether any

413
00:20:02,659 --> 00:19:58,559

this happened at school or not but it it

414

00:20:08,769 --> 00:20:02,669

seems the kind of tie in with as you say

415

00:20:12,560 --> 00:20:08,779

at targeting the you know a young

416

00:20:14,830 --> 00:20:12,570

teenagers for teenagers did any do you

417

00:20:17,839 --> 00:20:14,840

know what any cases that where kids got

418

00:20:22,609 --> 00:20:17,849

the spell that the word just fell from

419

00:20:24,889 --> 00:20:22,619

school well I mean certainly there was

420

00:20:25,700 --> 00:20:24,899

controversies with teachers who deny the

421

00:20:28,700 --> 00:20:25,710

incident

422

00:20:32,029 --> 00:20:28,710

about half the cases maybe a little bit

423

00:20:34,159 --> 00:20:32,039

less teachers do see these objects yeah

424

00:20:36,080 --> 00:20:34,169

and they don't often react well I'm

425

00:20:37,700 --> 00:20:36,090

about half the cases they don't react

426

00:20:39,889 --> 00:20:37,710

well and completely deny it and don't

427

00:20:42,919 --> 00:20:39,899

want to look at it and or call the kids

428

00:20:44,570 --> 00:20:42,929

back inside but in some cases I mean

429

00:20:47,180 --> 00:20:44,580

like the Australia case there was

430

00:20:49,279 --> 00:20:47,190

teachers who saw this same with the

431

00:20:51,710 --> 00:20:49,289

opa-locka Crestview elementary school

432

00:20:54,049 --> 00:20:51,720

case teachers have gone on record saying

433

00:20:58,850 --> 00:20:54,059

that this was an unexplained object or

434

00:21:03,980 --> 00:20:58,860

UFO flying saucer and often I mean there

435

00:21:06,610 --> 00:21:03,990

was a case in Marysville Ohio at an

436

00:21:09,950 --> 00:21:06,620

elementary school where this object

437

00:21:12,700 --> 00:21:09,960

dropped down all this angel hair all

438

00:21:15,970 --> 00:21:12,710

over the playground it was a clear

439

00:21:18,500 --> 00:21:15,980

display it was right on the school and

440

00:21:21,340 --> 00:21:18,510

the teachers were able to gather the

441

00:21:25,909 --> 00:21:21,350

stuff the principal had it they sent two

442

00:21:29,210 --> 00:21:25,919

samples off to the local air force base

443

00:21:31,250 --> 00:21:29,220

never heard back by the way on the court

444

00:21:33,529 --> 00:21:31,260

but this case was one of several which

445

00:21:37,310 --> 00:21:33,539

does do generate interest from no

446

00:21:40,630 --> 00:21:37,320

government officials and did have you

447

00:21:44,180 --> 00:21:40,640

know any you know any cases where the

448

00:21:45,799 --> 00:21:44,190

children might have been contacted more

449

00:21:50,090 --> 00:21:45,809

than once you know maybe on a

450

00:21:54,019 --> 00:21:50,100

face-to-face uh basis that's pretty rare

451
00:21:56,029 --> 00:21:54,029
in terms of like following a visitation

452
00:21:57,830 --> 00:21:56,039
at a school than to have a humanoid

453
00:21:59,480 --> 00:21:57,840
visit you later there's you know the one

454
00:22:01,820 --> 00:21:59,490
I mentioned I know this did happen in

455
00:22:04,940 --> 00:22:01,830
the rural Zimbabwe case a number of your

456
00:22:07,010 --> 00:22:04,950
students there ended up having lifetime

457
00:22:10,850 --> 00:22:07,020
of contact and this does turn up for

458
00:22:13,760 --> 00:22:10,860
sure in other cases as well particularly

459
00:22:16,909 --> 00:22:13,770
with high school in Italy is in Bali

460
00:22:19,669 --> 00:22:16,919
case what kind of messages were they

461
00:22:21,320 --> 00:22:19,679
receiving oh it's such a great pace it's

462
00:22:23,269 --> 00:22:21,330
really the ultimate case there's like

463
00:22:25,460 --> 00:22:23,279

200 kids on the playground some 60

464

00:22:27,200 --> 00:22:25,470

children see this object land and a

465

00:22:30,980 --> 00:22:27,210

smaller group see the humanoids come up

466

00:22:33,519 --> 00:22:30,990

and just a handful got any communication

467

00:22:35,899 --> 00:22:33,529

and it was the same message basically

468

00:22:37,519 --> 00:22:35,909

with variations for each student that

469

00:22:39,049 --> 00:22:37,529

did get a message and it was

470

00:22:43,100 --> 00:22:39,059

environmental mine

471

00:22:45,139 --> 00:22:43,110

and this is 1994 and one was told that

472

00:22:47,720 --> 00:22:45,149

you know you you must tell people to

473

00:22:49,730 --> 00:22:47,730

stop cutting down the forests another

474

00:22:51,799 --> 00:22:49,740

was warned about our warlike ways and

475

00:22:53,869 --> 00:22:51,809

aggressions another was warned about

476

00:22:56,989 --> 00:22:53,879

pollution

477

00:22:59,389 --> 00:22:56,999

another lady she's this is all through

478

00:23:02,299 --> 00:22:59,399

sort of imagery and stuff she said that

479

00:23:03,980 --> 00:23:02,309

the ETS told her that we were becoming

480

00:23:06,889 --> 00:23:03,990

to technological there's a good way to

481

00:23:09,980 --> 00:23:06,899

use technology and a bad way and we

482

00:23:12,169 --> 00:23:09,990

could do much better so these were

483

00:23:15,320 --> 00:23:12,179

pretty clear-cut messages set on

484

00:23:18,019 --> 00:23:15,330

environmentalism in a time when you know

485

00:23:21,519 --> 00:23:18,029

rural Zimbabwe certainly it wasn't a

486

00:23:24,109 --> 00:23:21,529

talking point you know what what did the

487

00:23:28,460 --> 00:23:24,119

what were the humanoids described as

488

00:23:31,460 --> 00:23:28,470

looking like in that case short

489

00:23:34,369 --> 00:23:31,470

humanoids with dark uniforms perhaps a

490

00:23:36,799 --> 00:23:34,379

stripe across it one was described as

491

00:23:40,879 --> 00:23:36,809

you know very big dark eyes like we

492

00:23:42,830 --> 00:23:40,889

usually hear pale skin one was described

493

00:23:46,220 --> 00:23:42,840

as having hair interesting ly enough

494

00:23:48,950 --> 00:23:46,230

long black hair so you get some

495

00:23:51,950 --> 00:23:48,960

variations there we are we talking about

496

00:23:57,350 --> 00:23:51,960

we're talking about space color types

497

00:23:59,869 --> 00:23:57,360

anna-lysa well not in a friendly human

498

00:24:02,359 --> 00:23:59,879

looking way I'm frightened but it's

499

00:24:04,669 --> 00:24:02,369

pretty bad well we've got all right I

500

00:24:16,450 --> 00:24:04,679

take a break here yeah and we'll be back

501
00:24:23,180 --> 00:24:20,630
now back to exploring the bazaars with

502
00:24:26,510 --> 00:24:23,190
two of the most electrifying researchers

503
00:24:32,180 --> 00:24:26,520
in the Paranoid your hosts Timothy Becca

504
00:24:34,010 --> 00:24:32,190
Lee hunting lists welcome back to

505
00:24:37,610 --> 00:24:34,020
exploring the bazaar I'm Tim Schwarz

506
00:24:39,440 --> 00:24:37,620
tonight our guest is Preston Dennett and

507
00:24:43,930 --> 00:24:39,450
we've been talking about

508
00:24:48,470 --> 00:24:43,940
his most recent book schoolyard UFO

509
00:24:54,200 --> 00:24:48,480
encounters and Preston some of these

510
00:24:58,690 --> 00:24:54,210
cases have involved the the kids seen

511
00:25:03,520 --> 00:24:58,700
occupants are you familiar with the

512
00:25:09,590 --> 00:25:03,530
Malaysian accounts that took place in

513
00:25:13,760 --> 00:25:09,600

1969 and 70 when the the kids saw some

514

00:25:15,050 --> 00:25:13,770

some rather unique UFO occupants yeah

515

00:25:16,880 --> 00:25:15,060

actually I am

516

00:25:19,490 --> 00:25:16,890

there was some really good cases in

517

00:25:23,900 --> 00:25:19,500

those cases these were very tiny little

518

00:25:26,240 --> 00:25:23,910

humanoids you know a foot high piloting

519

00:25:28,880 --> 00:25:26,250

an equally small flying saucer there was

520

00:25:31,670 --> 00:25:28,890

one student who was apparently struck by

521

00:25:34,460 --> 00:25:31,680

a beam of light coming from you know

522

00:25:35,890 --> 00:25:34,470

sort of Raygun type instrument when he

523

00:25:38,870 --> 00:25:35,900

tried to approach one of these things

524

00:25:41,360 --> 00:25:38,880

and it was initially just his story he

525

00:25:44,270 --> 00:25:41,370

showed his wound he had gone missing and

526
00:25:46,640 --> 00:25:44,280
they found him unconscious outside but

527
00:25:49,250 --> 00:25:46,650
later there was further encounters in

528
00:25:50,870 --> 00:25:49,260
which multiple students saw these things

529
00:25:53,750 --> 00:25:50,880
and a couple of encounters where

530
00:25:55,070 --> 00:25:53,760
teachers saw them too they saw one of

531
00:25:56,840 --> 00:25:55,080
these things land on the playground and

532
00:25:59,090 --> 00:25:56,850
they went running up to it these are

533
00:26:03,140 --> 00:25:59,100
over a period of years or this occurred

534
00:26:04,280 --> 00:26:03,150
over the late 60s in early 1970s but

535
00:26:08,600 --> 00:26:04,290
definitely different from your average

536
00:26:12,680 --> 00:26:08,610
case perhaps here in the US yeah that's

537
00:26:16,540 --> 00:26:12,690
that's fascinating a part about these

538
00:26:18,890 --> 00:26:16,550

cases is that this it wasn't just one

539

00:26:22,050 --> 00:26:18,900

encounter but like you said I mean there

540

00:26:25,410 --> 00:26:22,060

were several and they always seem to

541

00:26:27,960 --> 00:26:25,420

single out schoolyards like like all

542

00:26:30,090 --> 00:26:27,970

these all these other cases except you

543

00:26:32,870 --> 00:26:30,100

know these guys were definitely I don't

544

00:26:37,380 --> 00:26:32,880

know I mean they're they're fun sized

545

00:26:39,930 --> 00:26:37,390

UFO occupy yes but I think there's an

546

00:26:42,960 --> 00:26:39,940

agenda going on here clearly this

547

00:26:45,360 --> 00:26:42,970

behavior is very specific and I think

548

00:26:47,790 --> 00:26:45,370

what they're trying to do is create a

549

00:26:50,370 --> 00:26:47,800

sort of universal belief in UFO is among

550

00:26:52,410 --> 00:26:50,380

the younger generation and it's been

551

00:26:54,990 --> 00:26:52,420

very effective because that's pretty

552

00:26:56,550 --> 00:26:55,000

much what we're seeing well okay now

553

00:26:59,250 --> 00:26:56,560

that's that's a good point you know you

554

00:27:02,730 --> 00:26:59,260

had mentioned in the first segment of

555

00:27:11,660 --> 00:27:02,740

the program some of the witnesses at the

556

00:27:16,890 --> 00:27:15,210

just a couple years ago you had one of

557

00:27:20,550 --> 00:27:16,900

the students a woman by the name of

558

00:27:25,260 --> 00:27:20,560

Emily trim who came forward with her

559

00:27:27,180 --> 00:27:25,270

experiences and I mean you know the the

560

00:27:29,210 --> 00:27:27,190

things that that she talked about I

561

00:27:32,280 --> 00:27:29,220

think it surprised a lot of people

562

00:27:34,620 --> 00:27:32,290

because the assumption had always been

563

00:27:37,290 --> 00:27:34,630

that these kids had you know see in the

564

00:27:42,690 --> 00:27:37,300

UFO may be seeing the occupants but that

565

00:27:45,230 --> 00:27:42,700

the the message is that information

566

00:27:48,450 --> 00:27:45,240

really hadn't hadn't gotten out too much

567

00:27:50,880 --> 00:27:48,460

right yeah it's really an amazing case

568

00:27:52,080 --> 00:27:50,890

there's a documentary that's been put

569

00:27:54,570 --> 00:27:52,090

together that's supposed to be coming

570

00:27:57,600 --> 00:27:54,580

out at some point worked on for many

571

00:28:01,140 --> 00:27:57,610

years which will tell the whole story

572

00:28:03,900 --> 00:28:01,150

it's not an isolated sighting by the way

573

00:28:06,090 --> 00:28:03,910

most of these school settings are part

574

00:28:08,190 --> 00:28:06,100

of a sort of a cluster of sightings but

575

00:28:09,600 --> 00:28:08,200

usually I do ultimate case surrounding

576

00:28:12,060 --> 00:28:09,610

you know their settings before and

577

00:28:15,510 --> 00:28:12,070

afterwards but nothing quite like what

578

00:28:18,930 --> 00:28:15,520

we're seeing at these schools which and

579

00:28:21,210 --> 00:28:18,940

the rural Zimbabwe case may sound unique

580

00:28:24,030 --> 00:28:21,220

but it's not I was contacted by Ray

581

00:28:27,180 --> 00:28:24,040

Hernandez who's interviewed a teacher

582

00:28:30,480 --> 00:28:27,190

from Columbia who describes pretty much

583

00:28:32,250 --> 00:28:30,490

exactly the same scenario messages are

584

00:28:35,250 --> 00:28:32,260

pretty rare I've only got a few cases of

585

00:28:35,700 --> 00:28:35,260

that but you know the roux is a Bible

586

00:28:38,250 --> 00:28:35,710

case me

587

00:28:42,360 --> 00:28:38,260

involved missing time Cynthia hi and the

588

00:28:43,560 --> 00:28:42,370

first investigator on the scene talked

589

00:28:45,000 --> 00:28:43,570

quite a bit about that

590

00:28:47,370 --> 00:28:45,010

the possibility that there was no time

591

00:28:53,399 --> 00:28:47,380

distortion and certainly that turns up

592

00:28:55,680 --> 00:28:53,409

in a lot of the cases so okay now you

593

00:29:00,779 --> 00:28:55,690

said that you know youth you think that

594

00:29:04,310 --> 00:29:00,789

this is possibly an attempt to to

595

00:29:10,830 --> 00:29:04,320

actually put this mindset in children

596

00:29:14,820 --> 00:29:10,840

about the reality of of UFOs nowadays I

597

00:29:17,310 --> 00:29:14,830

mean you know here we are 2019 I think

598

00:29:20,760 --> 00:29:17,320

that more and more people are very well

599

00:29:23,250 --> 00:29:20,770

aware of the UFO phenomena not everybody

600

00:29:27,529 --> 00:29:23,260

may be convinced on its reality but

601
00:29:31,769 --> 00:29:27,539
compared to when a lot of these

602
00:29:34,019 --> 00:29:31,779
encounters originally took place you

603
00:29:37,169 --> 00:29:34,029
know certainly hardly anybody even you

604
00:29:39,720 --> 00:29:37,179
know considered the reality of UFOs now

605
00:29:43,380 --> 00:29:39,730
look at us today I read you do you think

606
00:29:47,130 --> 00:29:43,390
that there is a correlation here taking

607
00:29:49,799 --> 00:29:47,140
place oh yeah clearly is I mean we have

608
00:29:52,320 --> 00:29:49,809
UFOs leading our box office science

609
00:29:56,130 --> 00:29:52,330
fiction aliens this sort of thing it's

610
00:29:59,100 --> 00:29:56,140
all over our video games it's the most

611
00:30:01,760 --> 00:29:59,110
common trope in science fiction it's

612
00:30:04,560 --> 00:30:01,770
permeated our society to a large degree

613
00:30:06,659 --> 00:30:04,570

and I think what ETS are doing is sort

614

00:30:09,539 --> 00:30:06,669

of landing without landing if you know

615

00:30:12,330 --> 00:30:09,549

what I mean right doing sort of their

616

00:30:14,190 --> 00:30:12,340

best to make us aware of their presence

617

00:30:16,590 --> 00:30:14,200

without completely disrupting society

618

00:30:18,389 --> 00:30:16,600

and children are unique witnesses and

619

00:30:20,430 --> 00:30:18,399

that they're gonna remember this for

620

00:30:22,380 --> 00:30:20,440

sure but they're also not gonna be

621

00:30:24,480 --> 00:30:22,390

really listened to you know people

622

00:30:27,830 --> 00:30:24,490

aren't gonna take them super seriously

623

00:30:30,180 --> 00:30:27,840

because they're kids and I think that's

624

00:30:33,000 --> 00:30:30,190

one of the reasons that they're using

625

00:30:34,560 --> 00:30:33,010

you know using children I don't that's

626

00:30:40,260 --> 00:30:34,570

that's not the right word using but you

627

00:30:44,220 --> 00:30:40,270

know know well and you know the in a lot

628

00:30:47,169 --> 00:30:44,230

of these cases I mean you had adults and

629

00:30:52,029 --> 00:30:47,179

teachers who act also

630

00:30:55,119 --> 00:30:52,039

were witnesses yet they most of them

631

00:30:58,119 --> 00:30:55,129

really balked at coming forward and

632

00:31:01,299 --> 00:30:58,129

saying yeah you know we we saw it too

633

00:31:04,479 --> 00:31:01,309

you know when their superiors would ask

634

00:31:06,669 --> 00:31:04,489

them you know what did you see many of

635

00:31:09,599 --> 00:31:06,679

them said nothing I didn't say anything

636

00:31:11,889 --> 00:31:09,609

kids nuts all right not always though

637

00:31:13,779 --> 00:31:11,899

that certainly did happen one lady I

638

00:31:15,519 --> 00:31:13,789

interviewed she had an experience in

639

00:31:19,389 --> 00:31:15,529

Missouri at Point Pleasant Elementary

640

00:31:21,729 --> 00:31:19,399

School this was in 1966 which was a huge

641

00:31:23,589 --> 00:31:21,739

year that was the Hillsdale sighting was

642

00:31:25,089 --> 00:31:23,599

then two weeks after the Hillsdale

643

00:31:28,419 --> 00:31:25,099

sighting two weeks was the

644

00:31:31,299 --> 00:31:28,429

melbourne-australia Westall high school

645

00:31:33,249 --> 00:31:31,309

landing this took place that year as

646

00:31:36,009 --> 00:31:33,259

well at Point Pleasant Elementary School

647

00:31:37,989 --> 00:31:36,019

where this you know six students decided

648

00:31:40,389 --> 00:31:37,999

they weren't going to play you know

649

00:31:42,700 --> 00:31:40,399

Foursquare where that day they were

650

00:31:44,709 --> 00:31:42,710

gonna play tag over out in the field and

651
00:31:46,089 --> 00:31:44,719
came upon these little tiny footprints

652
00:31:47,349 --> 00:31:46,099
and they're looking at these footprints

653
00:31:50,399 --> 00:31:47,359
trying to figure him out because they

654
00:31:52,869 --> 00:31:50,409
were humanoid but way too small and

655
00:31:55,239 --> 00:31:52,879
someone pointed and there's this object

656
00:31:58,149 --> 00:31:55,249
landed in the trees this is how it

657
00:31:59,889 --> 00:31:58,159
always goes down these objects land in a

658
00:32:02,079 --> 00:31:59,899
grove of trees behind the skull and

659
00:32:05,560 --> 00:32:02,089
their first thought was ice cream truck

660
00:32:07,450 --> 00:32:05,570
mmm so they go running tour of course

661
00:32:08,349 --> 00:32:07,460
what else yeah ice cream truck of the

662
00:32:11,019 --> 00:32:08,359
trees make sense

663
00:32:12,729 --> 00:32:11,029

yeah they there was no roads there

664

00:32:15,399 --> 00:32:12,739

there's just a little farm there's some

665

00:32:16,839 --> 00:32:15,409

for cows and they go running up to this

666

00:32:18,909 --> 00:32:16,849

thing and of course not an ice cream

667

00:32:21,849 --> 00:32:18,919

truck it's a silver craft it's landed

668

00:32:24,099 --> 00:32:21,859

and it's got what bright white lights

669

00:32:26,139 --> 00:32:24,109

and there's a humanoid standing I'm

670

00:32:28,329 --> 00:32:26,149

fairly close to it much closer to the

671

00:32:30,430 --> 00:32:28,339

kids you know they were about 20 feet

672

00:32:33,459 --> 00:32:30,440

away from the humanoid not fifty feet

673

00:32:35,499 --> 00:32:33,469

away from the object you made is looking

674

00:32:38,139 --> 00:32:35,509

right at them they all line up in a row

675

00:32:40,869 --> 00:32:38,149

to look at this thing and the witness is

676
00:32:43,450 --> 00:32:40,879
I have you ever heard of an ET like this

677
00:32:46,779 --> 00:32:43,460
and she described this short humanoid

678
00:32:50,560 --> 00:32:46,789
buried large dark eyes but its skin was

679
00:32:55,209 --> 00:32:50,570
dark and had a very muscular body which

680
00:32:57,339 --> 00:32:55,219
reminded her of a gymnast really and she

681
00:33:00,970 --> 00:32:57,349
said it its face almost look like a

682
00:33:04,360 --> 00:33:00,980
gorilla but not quite

683
00:33:06,370 --> 00:33:04,370
I'm like well no I haven't quite it was

684
00:33:09,039 --> 00:33:06,380
a unique description this being just

685
00:33:11,680 --> 00:33:09,049
slowly backs up towards the [h__\h] and

686
00:33:16,149 --> 00:33:11,690
it's walking towards it passes the cow

687
00:33:19,960 --> 00:33:16,159
touches the cow the cow drops over her

688
00:33:22,060 --> 00:33:19,970

unconscious apparently and suddenly the

689

00:33:22,960 --> 00:33:22,070

teacher is behind them screaming out of

690

00:33:25,990 --> 00:33:22,970

her mind

691

00:33:28,269 --> 00:33:26,000

mrs. Ohlendorf she sees it too and she

692

00:33:30,789 --> 00:33:28,279

is terrified and pulls the kids butt

693

00:33:33,909 --> 00:33:30,799

back inside pulls the entire playground

694

00:33:35,649 --> 00:33:33,919

back inside the kids rushed to the

695

00:33:36,759 --> 00:33:35,659

window they're looking at this you know

696

00:33:39,490 --> 00:33:36,769

the lights they could still see the

697

00:33:41,740 --> 00:33:39,500

lights in the forest there and she

698

00:33:43,539 --> 00:33:41,750

closes the blinds calls the principal

699

00:33:44,919 --> 00:33:43,549

calls all the other teachers they closed

700

00:33:49,659 --> 00:33:44,929

the school down they send the children

701
00:33:51,610 --> 00:33:49,669
home early aha and next day never

702
00:33:53,110 --> 00:33:51,620
happened they refused to talk about it

703
00:33:54,519 --> 00:33:53,120
no one will talk about of course it's

704
00:33:55,409 --> 00:33:54,529
the buzz of the school for you know

705
00:33:58,389 --> 00:33:55,419
weeks

706
00:34:01,240 --> 00:33:58,399
but the adults know they weren't having

707
00:34:06,310 --> 00:34:01,250
it there was not a word from them mm-hmm

708
00:34:10,359 --> 00:34:06,320
well and and I suppose that if there is

709
00:34:13,389 --> 00:34:10,369
some kind of program going on so to

710
00:34:17,250 --> 00:34:13,399
speak you know with whatever is the

711
00:34:19,329 --> 00:34:17,260
source of the the UFO phenomena you know

712
00:34:21,069 --> 00:34:19,339
possibly they've you know figured out

713
00:34:23,919 --> 00:34:21,079

that they're not going to influence

714

00:34:28,629 --> 00:34:23,929

adults you know their minds are closed

715

00:34:30,520 --> 00:34:28,639

that it's going to be the children you

716

00:34:36,220 --> 00:34:30,530

know the net in the upcoming generations

717

00:34:37,540 --> 00:34:36,230

that are going to be influenced yeah I

718

00:34:39,520 --> 00:34:37,550

think that's exactly what they're doing

719

00:34:41,169 --> 00:34:39,530

here and that's why they're going for

720

00:34:44,609 --> 00:34:41,179

the elementary schools another great

721

00:34:47,490 --> 00:34:44,619

case 1955 would set elementary school

722

00:34:49,960 --> 00:34:47,500

120 students see multiple objects

723

00:34:52,540 --> 00:34:49,970

principal is there he sees it too who

724

00:34:55,210 --> 00:34:52,550

mom as does another teacher and they

725

00:34:57,129 --> 00:34:55,220

drops a huge pall of angel hair again

726

00:34:59,470 --> 00:34:57,139

this is one year after the Jerome

727

00:35:01,150 --> 00:34:59,480

Elementary School case kids are running

728

00:35:02,680 --> 00:35:01,160

around they're picking it up when kids

729

00:35:07,030 --> 00:35:02,690

stuffs it in his mouth before the

730

00:35:10,000 --> 00:35:07,040

teacher can stop him it does not taste

731

00:35:14,620 --> 00:35:10,010

good he said salt they didn't say didn't

732

00:35:18,579 --> 00:35:14,630

think it was cotton candy a purple

733

00:35:21,039 --> 00:35:18,589

does look like that that's how they but

734

00:35:22,719 --> 00:35:21,049

they did say sample of this sent it off

735

00:35:25,450 --> 00:35:22,729

to Burlington labs who couldn't identify

736

00:35:27,549 --> 00:35:25,460

it said it might be spiderwebs you

737

00:35:29,799 --> 00:35:27,559

should contact a biologist which they

738

00:35:33,849 --> 00:35:29,809

did and the biologist has noticed

739

00:35:35,710 --> 00:35:33,859

absolutely not spider webs but yeah this

740

00:35:38,739 --> 00:35:35,720

milk the military took an interested in

741

00:35:41,200 --> 00:35:38,749

this case and tried to debunk it and had

742

00:35:43,269 --> 00:35:41,210

a confrontation with the principal who

743

00:35:47,200 --> 00:35:43,279

turned out to be a war veteran with

744

00:35:50,170 --> 00:35:47,210

forty combat missions from World War two

745

00:35:53,710 --> 00:35:50,180

so I basically put the Air Force in

746

00:35:57,489 --> 00:35:53,720

their place good for him for standing up

747

00:36:01,390 --> 00:35:57,499

though for it Preston you you seem to

748

00:36:05,469 --> 00:36:01,400

take you take the approach that these

749

00:36:07,660 --> 00:36:05,479

are benevolent beings because I know in

750

00:36:09,849 --> 00:36:07,670

this book that we're going to have out

751
00:36:12,819 --> 00:36:09,859
hopefully in the next couple of weeks

752
00:36:16,469 --> 00:36:12,829
Tim Schwartz is incredible alien in

753
00:36:19,989 --> 00:36:16,479
counters you have a quite a lengthy

754
00:36:22,660 --> 00:36:19,999
section in there on the people who have

755
00:36:26,130 --> 00:36:22,670
been healed by UFOs and I think you

756
00:36:28,569 --> 00:36:26,140
mentioned earlier that your last book

757
00:36:31,239 --> 00:36:28,579
covered this and your first book and in

758
00:36:34,239 --> 00:36:31,249
fact when you started writing on the the

759
00:36:37,269 --> 00:36:34,249
subject your first book was on healings

760
00:36:43,779 --> 00:36:37,279
and UFOs so do you see an overall a

761
00:36:45,609 --> 00:36:43,789
benevolent a plan from these beings well

762
00:36:49,269 --> 00:36:45,619
I can tell you without a doubt that one

763
00:36:51,339 --> 00:36:49,279

of the agendas and Gent this is very

764

00:36:54,249 --> 00:36:51,349

generally speaking greys humanoids

765

00:36:56,200 --> 00:36:54,259

mantids is healing humanity there are

766

00:36:58,509 --> 00:36:56,210

simply too many cases coming from all

767

00:36:59,890 --> 00:36:58,519

researchers yourself included that

768

00:37:03,430 --> 00:36:59,900

you've got you've had a number of cases

769

00:37:06,039 --> 00:37:03,440

John Mary Budd Hopkins Barbara lamb

770

00:37:07,569 --> 00:37:06,049

Yvonne Smith you can't name a prominent

771

00:37:10,809 --> 00:37:07,579

researcher who hasn't run across these

772

00:37:13,209 --> 00:37:10,819

types of cases they're just what what am

773

00:37:15,099 --> 00:37:13,219

i what one of my favorite cases is the

774

00:37:17,109 --> 00:37:15,109

in and I'm sure you've written about it

775

00:37:20,620 --> 00:37:17,119

and this is an are incredible alien

776

00:37:24,279 --> 00:37:20,630

encounters book is the police officers

777

00:37:27,219 --> 00:37:24,289

down in Texas one of them had been

778

00:37:28,420 --> 00:37:27,229

bitten by I thought it was a snake but I

779

00:37:31,000 --> 00:37:28,430

think Tim said it was

780

00:37:34,120 --> 00:37:31,010

a pet alligator or something where his

781

00:37:37,240 --> 00:37:34,130

he was healed his hand was outside of

782

00:37:38,890 --> 00:37:37,250

the the window and in in the UFO came

783

00:37:45,850 --> 00:37:38,900

overhead and I guess stuffed them with a

784

00:37:49,390 --> 00:37:45,860

beam right deputy Robert Goode was what

785

00:37:52,480 --> 00:37:49,400

was it a snake or a pet alligator there

786

00:37:54,910 --> 00:37:52,490

was a baby pet alligator yeah you're

787

00:37:58,890 --> 00:37:54,920

right you won on this one son of a gun I

788

00:38:03,340 --> 00:38:01,000

yeah that's a great case one of those

789

00:38:06,340 --> 00:38:03,350

officers by the way was a supervisor of

790

00:38:14,560 --> 00:38:06,350

like 30 or 40 other officers I'm great

791

00:38:16,690 --> 00:38:14,570

witnesses and that was what in 1964 um

792

00:38:18,880 --> 00:38:16,700

gosh you know I'd have to look that up I

793

00:38:21,130 --> 00:38:18,890

think yeah that's about right um it's

794

00:38:24,190 --> 00:38:21,140

definitely one of the early cases cases

795

00:38:26,440 --> 00:38:24,200

yeah yeah and in fact we have I think we

796

00:38:30,580 --> 00:38:26,450

have a that we have a photo in the book

797

00:38:35,770 --> 00:38:30,590

Tim of the the police officer yes yes we

798

00:38:37,500 --> 00:38:35,780

do and okay what was what was your what

799

00:38:38,970 --> 00:38:37,510

was your first book on the healing

800

00:38:42,040 --> 00:38:38,980

called

801

00:38:44,010 --> 00:38:42,050

Preston and what is the last one that

802

00:38:46,600 --> 00:38:44,020

you've done they have similar titles

803

00:38:48,520 --> 00:38:46,610

yeah the first book I did was called UFO

804

00:38:51,490 --> 00:38:48,530

healings first one I ever wrote that was

805

00:38:55,330 --> 00:38:51,500

1996 and it covered a hundred cases and

806

00:38:59,350 --> 00:38:55,340

I I you know got a lot of cases after

807

00:39:01,480 --> 00:38:59,360

that this new book covers 300 cases and

808

00:39:04,120 --> 00:39:01,490

had been getting a lot of requests and

809

00:39:07,600 --> 00:39:04,130

that first book had become you know very

810

00:39:11,440 --> 00:39:07,610

hard to find yes so I put this new book

811

00:39:14,500 --> 00:39:11,450

out and I said called what I think I saw

812

00:39:16,810 --> 00:39:14,510

it for sale on eBay for like \$300 or

813

00:39:17,620 --> 00:39:16,820

something yeah that first one is getting

814

00:39:20,650 --> 00:39:17,630

really pricey

815

00:39:22,480 --> 00:39:20,660

okay I can't even up that bad there you

816

00:39:24,940 --> 00:39:22,490

go yeah well I've had problems with that

817

00:39:26,800 --> 00:39:24,950

recently on a couple of books and I said

818

00:39:29,170 --> 00:39:26,810

I can't put word and put this back into

819

00:39:30,430 --> 00:39:29,180

my own library anymore you know that's

820

00:39:33,970 --> 00:39:30,440

why you gotta hold on to these things

821

00:39:37,510 --> 00:39:33,980

and what what is the also to you've done

822

00:39:40,090 --> 00:39:37,520

quite a few books on UFOs in New York

823

00:39:42,190 --> 00:39:40,100

and your app that's almost like a whole

824

00:39:45,160 --> 00:39:42,200

series UFOs over certain

825

00:39:47,290 --> 00:39:45,170

States yeah I think that was an

826

00:39:49,359 --> 00:39:47,300

important thing to do a number of other

827

00:39:51,970 --> 00:39:49,369

people have taken that up for various

828

00:39:55,390 --> 00:39:51,980

other states but I did New York or

829

00:39:59,200 --> 00:39:55,400

California first then New York Colorado

830

00:40:02,140 --> 00:39:59,210

New Mexico Arizona Nevada and in his

831

00:40:03,640 --> 00:40:02,150

historical style to sort of document all

832

00:40:06,370 --> 00:40:03,650

this stuff because a lot of its getting

833

00:40:08,020 --> 00:40:06,380

lost to posterity I've got all these old

834

00:40:11,160 --> 00:40:08,030

news clippings and all these old

835

00:40:13,599 --> 00:40:11,170

paperbacks you just can't find anymore

836

00:40:16,900 --> 00:40:13,609

so I thought it was really important too

837

00:40:18,910 --> 00:40:16,910

that UFOs are taken more seriously and

838

00:40:20,109 --> 00:40:18,920

they were being and we're seeing that

839

00:40:23,620 --> 00:40:20,119

now you know there's not as many

840

00:40:25,690 --> 00:40:23,630

debunkers out there now and people are

841

00:40:28,030 --> 00:40:25,700

along their names to be used we're

842

00:40:29,260 --> 00:40:28,040

seeing this discussed much more freely

843

00:40:31,990 --> 00:40:29,270

it was brought up in the White House

844

00:40:34,870 --> 00:40:32,000

press room this here I think it was this

845

00:40:37,240 --> 00:40:34,880

year there was nervous titters and

846

00:40:40,750 --> 00:40:37,250

laughter about it but hey it was brought

847

00:40:44,020 --> 00:40:40,760

up yeah they still at least are bringing

848

00:40:46,120 --> 00:40:44,030

it up right I mean we've had almost no

849

00:40:49,900 --> 00:40:46,130

movement officially in terms of you know

850

00:40:54,069 --> 00:40:49,910

the disclosure front which is gonna have

851
00:40:57,910 --> 00:40:54,079
to bust wide open at some point when our

852
00:41:02,349 --> 00:40:57,920
going back to the the schoolyard

853
00:41:06,780 --> 00:41:02,359
encounters what is the most recent case

854
00:41:09,099 --> 00:41:06,790
that you've run across well in terms of

855
00:41:10,930 --> 00:41:09,109
humanoids there aren't a whole lot of

856
00:41:13,030 --> 00:41:10,940
recent cases that I could find the most

857
00:41:17,980 --> 00:41:13,040
recent really good humanoid case was in

858
00:41:20,770 --> 00:41:17,990
1998 in Sri Lanka at at a QM primary

859
00:41:22,960 --> 00:41:20,780
school or two students who would go

860
00:41:25,690 --> 00:41:22,970
there early to open up the school saw

861
00:41:28,420 --> 00:41:25,700
landed UFO right next to the school I'm

862
00:41:30,640 --> 00:41:28,430
gonna smack next to it it took off

863
00:41:33,040 --> 00:41:30,650

straight up and other students were

864

00:41:35,440 --> 00:41:33,050

coming to the school by that time and

865

00:41:37,120 --> 00:41:35,450

there was these landing traces these

866

00:41:39,569 --> 00:41:37,130

were very reputable students you know

867

00:41:43,089 --> 00:41:39,579

who are eligible for scholarships and

868

00:41:45,130 --> 00:41:43,099

certainly not the type to lie multiple

869

00:41:46,900 --> 00:41:45,140

witnesses and turns out the kids were

870

00:41:49,480 --> 00:41:46,910

very familiar with this UFO they called

871

00:41:51,130 --> 00:41:49,490

it coca or stork in their language

872

00:41:54,640 --> 00:41:51,140

because it kept flying over this cool

873

00:41:55,660 --> 00:41:54,650

pretty regularly so that's a fairly

874

00:41:58,930 --> 00:41:55,670

recent

875

00:42:04,150 --> 00:41:58,940

a humanoid case or a landing case rather

876

00:42:06,250 --> 00:42:04,160

in terms of sightings the most recent

877

00:42:08,770 --> 00:42:06,260

really good case I could find was April

878

00:42:12,809 --> 00:42:08,780

2nd 2018 at West

879

00:42:15,940 --> 00:42:12,819

Nessus cool and I believe Indonesia

880

00:42:17,920 --> 00:42:15,950

during the day this very bright Sun like

881

00:42:19,390 --> 00:42:17,930

object comes right down over the school

882

00:42:21,940 --> 00:42:19,400

the teacher took a picture of it on her

883

00:42:25,270 --> 00:42:21,950

cellphone but you can't see it it's just

884

00:42:27,970 --> 00:42:25,280

a you know white there's so the picture

885

00:42:29,559 --> 00:42:27,980

didn't come out but scared the Wits out

886

00:42:32,380 --> 00:42:29,569

of the students they were very impressed

887

00:42:34,630 --> 00:42:32,390

teacher was freaking out too they had no

888

00:42:37,690 --> 00:42:34,640

idea what it could possibly be totally

889

00:42:42,130 --> 00:42:37,700

silent thoroughly large and went away

890

00:42:45,039 --> 00:42:42,140

just kind of took off but what I found

891

00:42:48,329 --> 00:42:45,049

you know I've got you know 220 a number

892

00:42:51,460 --> 00:42:48,339

of cases from 2019 which are just not

893

00:42:52,720 --> 00:42:51,470

like one or two witnesses you know what

894

00:42:56,620 --> 00:42:52,730

I'm looking for is when the whole school

895

00:42:58,660 --> 00:42:56,630

sees it right right right well what you

896

00:43:02,020 --> 00:42:58,670

what you're saying though is that you

897

00:43:03,370 --> 00:43:02,030

know these these encounters are still

898

00:43:05,049 --> 00:43:03,380

occurring this isn't something that

899

00:43:07,510 --> 00:43:05,059

happened to you like back in the 60s

900

00:43:09,400 --> 00:43:07,520

noise seventies and then you know who

901
00:43:12,099 --> 00:43:09,410
petered out this is something that it's

902
00:43:14,740 --> 00:43:12,109
it's an ongoing process so to speak oh

903
00:43:17,190 --> 00:43:14,750
absolutely yeah this is exactly what

904
00:43:19,990 --> 00:43:17,200
we're seeing there was another case in

905
00:43:22,510 --> 00:43:20,000
2015 a bunch of students saw these

906
00:43:24,069 --> 00:43:22,520
objects during a fire drill and it was

907
00:43:26,789 --> 00:43:24,079
still out there later during theatre

908
00:43:30,220 --> 00:43:26,799
class some up you know hour later

909
00:43:32,650 --> 00:43:30,230
there's a lot of good cases all over the

910
00:43:37,390 --> 00:43:32,660
world and we're got kids down in Mexico

911
00:43:42,130 --> 00:43:37,400
Brazil Argentina cases in China cases

912
00:43:45,099 --> 00:43:42,140
and all across Europe England Canada so

913
00:43:47,319 --> 00:43:45,109

it's still ongoing I'm not quite as

914

00:43:50,410 --> 00:43:47,329

active it seems like it was in the 50s

915

00:43:52,470 --> 00:43:50,420

and 60s but you know sometimes these

916

00:43:55,839 --> 00:43:52,480

cases take a while to trickle down into

917

00:43:59,289 --> 00:43:55,849

you know researchers mm-hmm

918

00:44:01,770 --> 00:43:59,299

well that's okay that now to me now

919

00:44:04,740 --> 00:44:01,780

that's that's an interesting though

920

00:44:07,450 --> 00:44:04,750

aspect of it I mean do you think that

921

00:44:09,650 --> 00:44:07,460

possibly that there was a time when

922

00:44:13,309 --> 00:44:09,660

there was a concentrated

923

00:44:16,910 --> 00:44:13,319

effort and you know now we're seeing the

924

00:44:18,559 --> 00:44:16,920

results of it and it's you know it's you

925

00:44:20,930 --> 00:44:18,569

know possibly the phenomenon of starting

926
00:44:22,579 --> 00:44:20,940
to you know go go in a different

927
00:44:24,559 --> 00:44:22,589
direction for it'll you know who knows

928
00:44:27,499 --> 00:44:24,569
what yeah I was kicked into high gear

929
00:44:29,779 --> 00:44:27,509
for sure during the nineteen mid-1960s

930
00:44:32,420 --> 00:44:29,789
when Jim and Coral rents in Warren feel

931
00:44:34,190 --> 00:44:32,430
about it as did John keel Raymond Fowler

932
00:44:36,829 --> 00:44:34,200
heard about this he's like oh you know

933
00:44:39,410 --> 00:44:36,839
I've had 16 cases and eight of them were

934
00:44:41,210 --> 00:44:39,420
over schools and a typical case was

935
00:44:42,859 --> 00:44:41,220
Beverly High School or a bunch of people

936
00:44:45,319 --> 00:44:42,869
saw this object come right over the

937
00:44:47,210 --> 00:44:45,329
school came solo over this group of

938
00:44:50,150 --> 00:44:47,220

witnesses that one of them Peter pants I

939

00:44:52,579 --> 00:44:50,160

mean it was like 20 feet up the police

940

00:44:54,890 --> 00:44:52,589

were called they saw it and this object

941

00:44:57,079 --> 00:44:54,900

took off over Beverly High School and

942

00:44:57,980 --> 00:44:57,089

went straight to Gordon College about

943

00:45:01,759 --> 00:44:57,990

two miles away

944

00:45:03,200 --> 00:45:01,769

and did a dive towards the quad there

945

00:45:08,450 --> 00:45:03,210

and scared the Wits out of another group

946

00:45:11,109 --> 00:45:08,460

of students yeah they're clearly going

947

00:45:13,640 --> 00:45:11,119

competence in case after case

948

00:45:16,009 --> 00:45:13,650

all right well Preston unfortunately we

949

00:45:18,349 --> 00:45:16,019

only have about three minutes left in

950

00:45:21,559 --> 00:45:18,359

the show so why don't you let our

951
00:45:23,630 --> 00:45:21,569
audience though where they can where

952
00:45:27,460 --> 00:45:23,640
they can find your books your website

953
00:45:29,299 --> 00:45:27,470
and as well you know any upcoming

954
00:45:32,180 --> 00:45:29,309
appearances or anything like that that

955
00:45:34,069 --> 00:45:32,190
you want to talk about yeah I appreciate

956
00:45:38,120 --> 00:45:34,079
that I do have an upcoming appearance at

957
00:45:40,370 --> 00:45:38,130
the UFO con 2020 up in Northern

958
00:45:44,660 --> 00:45:40,380
California and this is like February 20

959
00:45:46,999 --> 00:45:44,670
23rd around there on that last weekend

960
00:45:49,789 --> 00:45:47,009
there I'll be speaking actually on this

961
00:45:51,559 --> 00:45:49,799
subject schoolyard UFOs on possibly the

962
00:45:55,190 --> 00:45:51,569
subject of my next book if it's out yet

963
00:45:57,950 --> 00:45:55,200

but we'll see you can learn more about

964

00:45:59,480 --> 00:45:57,960

my books and my research at my website

965

00:46:01,849 --> 00:45:59,490

if you just google my name it should

966

00:46:04,400 --> 00:46:01,859

take you there but it's Preston tenet we

967

00:46:06,160 --> 00:46:04,410

bleed calm all my books are available on

968

00:46:08,690 --> 00:46:06,170

Amazon you know Barnes and Noble and

969

00:46:15,890 --> 00:46:08,700

hopefully bookstores near you if you can

970

00:46:18,680 --> 00:46:15,900

find one appreciate it well we we are

971

00:46:23,540 --> 00:46:18,690

coming upon the holiday season here and

972

00:46:29,270 --> 00:46:25,400

thank you for listening and commenting

973

00:46:31,250 --> 00:46:29,280

on our show and buying our books and I

974

00:46:33,170 --> 00:46:31,260

want to remind you that we have two

975

00:46:35,420 --> 00:46:33,180

books coming out hopefully just before

976

00:46:37,220 --> 00:46:35,430

the holiday which you'll be able to get

977

00:46:41,210 --> 00:46:37,230

you through us directly or from

978

00:46:46,210 --> 00:46:41,220

amazon.com what is it Tim Schwartz is

979

00:46:49,460 --> 00:46:46,220

book of incredible alien encounters with

980

00:46:52,580 --> 00:46:49,470

contributors from probably I think what

981

00:46:55,610 --> 00:46:52,590

about 20 25 contributors right at least

982

00:46:58,280 --> 00:46:55,620

yes base impressed and being one of them

983

00:47:00,770 --> 00:46:58,290

by the way and indeed on the healing

984

00:47:02,720 --> 00:47:00,780

encounters and then we have a Timothy

985

00:47:08,510 --> 00:47:02,730

green Beckley's big book

986

00:47:13,700 --> 00:47:08,520

it's the UFOs deja vu skinwalker

987

00:47:16,490 --> 00:47:13,710

skinwalkers and shapeshifters and more

988

00:47:18,440 --> 00:47:16,500

encounters with the humanoids and so you

989

00:47:20,870 --> 00:47:18,450

can look for those on Amazon or drop us

990

00:47:24,020 --> 00:47:20,880

an email or you'll learn about it

991

00:47:28,460 --> 00:47:24,030

through certainly the conspiracy journal

992

00:47:32,570 --> 00:47:28,470

dot-com and again listen to the shows of

993

00:47:35,090 --> 00:47:32,580

the kco our archives we've I think done

994

00:47:37,910 --> 00:47:35,100

about 400 interviews now and of course

995

00:47:43,640 --> 00:47:37,920

our YouTube channel is very active it's

996

00:47:48,410 --> 00:47:43,650

mr. UFOs secret files and thanks again

997

00:47:50,480 --> 00:47:48,420

for your contribution to the world of

998

00:47:53,380 --> 00:47:50,490

ufology Preston you've done a great job

999

00:47:56,420 --> 00:47:53,390

and you've been really a great

1000

00:47:57,950 --> 00:47:56,430

researcher and Tim and Tino we'll talk

1001
00:48:00,320 --> 00:47:57,960
to you next week and thank you Peter

1002
00:48:06,370 --> 00:48:00,330
thank you Helen thank you Carolyn thank
