12
00:01:24,570 --> 00:01:20,220

boy Tim you seem to be having a blast

13
00:01:27,870 --> 00:01:24,580

dressed up in your short shorts and tank

14

00:01:29,430 --> 00:01:27,880

tops and sipping on a piña colada under

15

00:01:32,030 --> 00:01:29,440

a beach umbrella

16

00:01:34,080 --> 00:01:32,040

you must really like it here in Rio but

17

00:01:37,410 --> 00:01:34,090

don't you think we should do some

18

00:01:39,570 --> 00:01:37,420

serious UFO investigation you know that

19

00:01:43,830 --> 00:01:39,580

there are more sightings here than

20

00:01:45,600 --> 00:01:43,840

anywhere else in the world yeah but look

21

00:01:48,930 --> 00:01:45,610

at all those sexy ladies and their

22

00:01:51,149 --> 00:01:48,940

things what a trip what a vacation how

23

00:01:55,410 --> 00:01:51,159

can you think about UFOs at a time like

24

00:01:57,660 --> 00:01:55,420

this Rio yeah but we have a show to do

25

00:02:00,510 --> 00:01:57,670

we have a guest on who wants to talk to

26

00:02:04,770 --> 00:02:00,520

us about all the sightings in this

27

00:02:07,230 --> 00:02:04,780

incredible land Hey

28

00:02:09,840 --> 00:02:07,240

so that Kim Basinger walking by she

29

00:02:11,550 --> 00:02:09,850

still looks pretty hot if you ask me oh

30

00:02:13,080 --> 00:02:11,560

look at all these gals all these

31

00:02:15,479 --> 00:02:13,090

celebrities Wow

32

00:02:18,240 --> 00:02:15,489

yeah yeah yeah whatever you say but pay

33

00:02:21,060 --> 00:02:18,250

attention to those saucers in the sky or

34

00:02:23,699 --> 00:02:21,070

there come down and grab you and your

35

00:02:28,020 --> 00:02:23,709

drink remember what they did to Antoniou

36

00:02:31,320 --> 00:02:28,030

Boas ah Tim you're a real killjoy but if

37

00:02:35,070 --> 00:02:31,330

you insist let's get back to the K cor

38

00:02:41,120 --> 00:02:35,080

video studio then but let me finish my

39

00:02:50,300 --> 00:02:44,940

hmm all right here we are back in the

40

00:02:54,850 --> 00:02:50,310

cold dank Las Vegas studios

41

00:02:58,730 --> 00:02:54,860

well I'm in the colder New York City so

42

00:03:02,240 --> 00:02:58,740

and I know you're in Jasper Indiana but

43

00:03:05,750 --> 00:03:02,250

today we have a guest on who actually is

44

00:03:07,010 --> 00:03:05,760

in Brazil and we love Brazilian UFO

45

00:03:11,210 --> 00:03:07,020

sightings I mean there's got some

46

00:03:13,850 --> 00:03:11,220

classic cases down there you know we've

47

00:03:16,790 --> 00:03:13,860

done a couple of we're friends with AJ

48

00:03:20,000 --> 00:03:16,800

who does the UFO magazine and done we've

49

00:03:22,460 --> 00:03:20,010

covered a lot of the the cases you know

50

00:03:24,640 --> 00:03:22,470

I used to exchange when there were

51
00:03:28,009 --> 00:03:24,650
printed magazines are used to exchange

52
00:03:30,890 --> 00:03:28,019
publications or little scenes with other

53
00:03:33,770 --> 00:03:30,900
UFO groups all over the world and there

54
00:03:37,940 --> 00:03:33,780
was the SB DV and I probably got the

55
00:03:40,309 --> 00:03:37,950
initials wrong but it was Walter Bueller

56
00:03:43,100 --> 00:03:40,319
who ran the group and he had some really

57
00:03:44,809 --> 00:03:43,110
incredible UFO incidents there's a lot

58
00:03:47,840 --> 00:03:44,819
of Close Encounters and landings and

59
00:03:50,830 --> 00:03:47,850
things like that and we utilized a lot

60
00:03:53,479 --> 00:03:50,840
of his material so we feel very close to

61
00:03:57,740 --> 00:03:53,489
Brazil as far as the UFO sightings go

62
00:04:00,170 --> 00:03:57,750
but continue on and let me get out of my

63
00:04:02,210 --> 00:04:00,180

shorts here and get the my jeans on and

64

00:04:03,800 --> 00:04:02,220

in the meantime you just tell everybody

65

00:04:07,280 --> 00:04:03,810

who were going to be talking to tonight

66

00:04:09,190 --> 00:04:07,290

67

00:04:13,509 --> 00:04:09,200

68

00:04:14,690 --> 00:04:13,519

Philip model of flying discs pressed and

90

00:05:18,920 --> 00:05:16,170

some of his popular articles are human

91

00:05:22,910 --> 00:05:18,930

and alien sexual experiences UFOs

92

00:05:25,910 --> 00:05:22,920

monitor our wars and the secrets of area

93

00:05:27,320 --> 00:05:25,920

51 revealed so Thiago thank you very

94

00:05:36,320 --> 00:05:27,330

much for being with us tonight on

95

00:05:39,050 --> 00:05:36,330

exploring the bizarre yeah you know I

96

00:05:41,480 --> 00:05:39,060

was just going to say I see this is Tim

97

00:05:43,720 --> 00:05:41,490

Beckley here i I see that we cover some

98

00:05:46,670 --> 00:05:43,730

of the same subjects in our

99

00:05:50,690 --> 00:05:46,680

investigations you have a book human and

100

00:05:52,610 --> 00:05:50,700

alien sex sexual experiences and we just

101
00:05:55,490 --> 00:05:52,620
did a book I guess about seven or eight

102
00:05:59,150 --> 00:05:55,500
months ago called screwed by the aliens

103
00:06:02,780 --> 00:05:59,160
aha and also too we we've covered that

104
00:06:04,820 --> 00:06:02,790
of course area 51 I guess you weren't

105
00:06:07,310 --> 00:06:04,830
out there to storm the gates but then

106
00:06:09,560 --> 00:06:07,320
neither neither were i and neither was

107
00:06:11,710 --> 00:06:09,570
the two of us but tell us how did you

108
00:06:14,210 --> 00:06:11,720
get into this did you did you have a UFO

109
00:06:18,290 --> 00:06:14,220
sighting or is it something land in your

110
00:06:20,030 --> 00:06:18,300
backyard er what is a gentleman of

111
00:06:22,630 --> 00:06:20,040
leisure there in Brazil doing

112
00:06:27,380 --> 00:06:22,640
investigating some pretty incredible

113
00:06:31,090 --> 00:06:27,390

stories thank you - you might meet you

114

00:06:34,490 --> 00:06:31,100

to the show and the second of all the

115

00:06:35,300 --> 00:06:34,500

next week of Brazil is caipirinha is not

116

00:06:38,510 --> 00:06:35,310

pina colada

117

00:06:42,020 --> 00:06:38,520

Finnick rod is in Peru on Mexico we have

118

00:06:44,540 --> 00:06:42,030

you know in fact you're right because I

119

00:06:47,990 --> 00:06:44,550

just I just got here almost late I was

120

00:06:59,620 --> 00:06:48,000

having a pina colada in a Peruvian

121

00:07:03,860 --> 00:06:59,630

restaurant I I had my first and only

122

00:07:06,440 --> 00:07:03,870

sighting in 82 when I was 8 years old I

123

00:07:08,960 --> 00:07:06,450

was born in originario Santa Cruz is the

124

00:07:11,390 --> 00:07:08,970

name of the is the name of the city in

125

00:07:14,870 --> 00:07:11,400

Rio de Janeiro I was born in Rio de

126

00:07:16,510 --> 00:07:14,880

Janeiro and I was living there when I

127

00:07:20,260 --> 00:07:16,520

saw

128

00:07:23,800 --> 00:07:20,270

red light came in coming descending from

129

00:07:27,510 --> 00:07:23,810

the sky and hovering a mountain we call

130

00:07:31,950 --> 00:07:27,520

pedal agafia and then this this light

131

00:07:35,710 --> 00:07:31,960

get bigger and reddish and brighter and

132

00:07:39,909 --> 00:07:35,720

make erratic movement and flow wave to

133

00:07:44,080 --> 00:07:39,919

the space it was my first sighting and

134

00:07:46,689 --> 00:07:44,090

so far the only one but my dad as I said

135

00:07:48,879 --> 00:07:46,699

my dad was a retainer Air Force pilot

136

00:07:54,460 --> 00:07:48,889

and he loved it

137

00:07:58,689 --> 00:07:54,470

UFO phenomena so I start when I I start

138

00:08:00,580 --> 00:07:58,699

to read when I learned to read my my

139

00:08:03,520 --> 00:08:00,590

preference was comic books like

140

00:08:09,330 --> 00:08:03,530

spider-man and there were four magazines

141

00:08:15,700 --> 00:08:09,340

so things a child that I I like UFOs

142

00:08:19,809 --> 00:08:15,710

now okay so but it's quite a I would say

143

00:08:22,870 --> 00:08:19,819

a hop skip and a jump from having a UFO

144

00:08:25,689 --> 00:08:22,880

sighting and ended up and end up writing

145

00:08:28,560 --> 00:08:25,699

ten books on the on the other subject

146

00:08:31,360 --> 00:08:28,570

how did you get involved as far as the

147

00:08:34,870 --> 00:08:31,370

organization's and all go I mean did you

148

00:08:40,510 --> 00:08:34,880

meet AJ or did you buy a copy of the UFO

149

00:08:43,899 --> 00:08:40,520

magazine on the newsstand well I read I

150

00:08:46,540 --> 00:08:43,909

read beautiful magazine from AJ things I

151
00:08:49,210 --> 00:08:46,550
was scared they were say UFO magazine

152
00:08:52,630 --> 00:08:49,220
has more than 30 years publication of

153
00:08:56,050 --> 00:08:52,640
Hunter years so see there was a boy I

154
00:08:57,760 --> 00:08:56,060
read it and I start when I moved to

155
00:09:00,579 --> 00:08:57,770
Brasilia in fact when I moved to

156
00:09:04,060 --> 00:09:00,589
Brasilia I became a UFO magazine

157
00:09:06,130 --> 00:09:04,070
translator I got some some articles from

158
00:09:09,250 --> 00:09:06,140
fellows from all of the world and then

159
00:09:12,760 --> 00:09:09,260
translated to the magazine and I meet a

160
00:09:14,829 --> 00:09:12,770
GE and and then I became an

161
00:09:18,910 --> 00:09:14,839
international correspondent and then I

162
00:09:22,269 --> 00:09:18,920
become so far the co-editor of the four

163
00:09:26,140 --> 00:09:22,279

magazine Brazil and the MUFON I start

164

00:09:29,750 --> 00:09:26,150

being associated a member from before

165

00:09:35,269 --> 00:09:29,760

and I met Jan Jan

166

00:09:38,510 --> 00:09:35,279

and I made the course of the feud

167

00:09:41,750 --> 00:09:38,520

certification I done it and I was

168

00:09:46,130 --> 00:09:41,760

approving and I become assistant of AJ

169

00:09:50,360 --> 00:09:46,140

in Brazil now what were the some of the

170

00:09:52,640 --> 00:09:50,370

early cases that attracted your

171

00:09:55,930 --> 00:09:52,650

attention I mean we talked about the

172

00:09:59,540 --> 00:09:55,940

antonio a Boas case I guess everybody

173

00:10:02,660 --> 00:09:59,550

knows the story about him having an

174

00:10:06,460 --> 00:10:02,670

experience and going inside of a UFO and

175

00:10:08,480 --> 00:10:06,470

having a sex with a supposed

176

00:10:11,450 --> 00:10:08,490

extraterrestrial lady

177

00:10:15,260 --> 00:10:11,460

are there other similar stories to that

178

00:10:18,860 --> 00:10:15,270

and in the Brazil yes yes we do have

179

00:10:22,250 --> 00:10:18,870

some cases we have two cases in Brazil

180

00:10:27,230 --> 00:10:22,260

that the witness claiming to have had

181

00:10:30,500 --> 00:10:27,240

sex with aliens just very similar to

182

00:10:35,090 --> 00:10:30,510

Antonio Villas Boas case the difference

183

00:10:36,980 --> 00:10:35,100

was they not got blood from down but

184

00:10:40,490 --> 00:10:36,990

they had sex aliens

185

00:10:43,100 --> 00:10:40,500

a female alien and they pointed to the

186

00:10:47,930 --> 00:10:43,110

best ballet ballet and said well

187

00:10:50,300 --> 00:10:47,940

probably going to have a hybrid kid you

188

00:10:56,510 --> 00:10:50,310

know that believes in storing some

189

00:11:00,170 --> 00:10:56,520

planet now do you find yourself that

190

00:11:02,990 --> 00:11:00,180

these stories are credible I mean do you

191

00:11:05,900 --> 00:11:03,000

give a a high degree of credibility to

192

00:11:10,520 --> 00:11:05,910

them or are there other types of cases

193

00:11:14,480 --> 00:11:10,530

that you are more involved in than you

194

00:11:15,770 --> 00:11:14,490

think you may be more real or because I

195

00:11:18,470 --> 00:11:15,780

know a lot of people think that these

196

00:11:22,100 --> 00:11:18,480

are you know some fantasy prone people

197

00:11:23,960 --> 00:11:22,110

who are having these experiences and I

198

00:11:26,590 --> 00:11:23,970

do know that some of them have markings

199

00:11:29,300 --> 00:11:26,600

or scoops on their on their skin but

200

00:11:32,210 --> 00:11:29,310

it's a you know a long way from having a

201
00:11:33,949 --> 00:11:32,220
just a normal UFO encounter or having

202
00:11:36,949 --> 00:11:33,959
something land on the highway in front

203
00:11:40,100 --> 00:11:36,959
of you then having a sexual intercourse

204
00:11:42,800 --> 00:11:40,110
with somebody from some other place or

205
00:11:47,390 --> 00:11:42,810
planet yeah

206
00:11:51,410 --> 00:11:47,400
to write this book took three four years

207
00:11:54,380 --> 00:11:51,420
studying several cases all the cases

208
00:11:58,190 --> 00:11:54,390
that in the book in the book are to make

209
00:12:00,290 --> 00:11:58,200
credible because I try to get

210
00:12:03,980 --> 00:12:00,300
information from other books from

211
00:12:07,579 --> 00:12:03,990
another apologists from the witnesses in

212
00:12:12,880 --> 00:12:07,589
this particular cases of sexual sex with

213
00:12:15,640 --> 00:12:12,890

aliens I got some information from the

214

00:12:18,260 --> 00:12:15,650

pathologists that research the case I

215

00:12:22,190 --> 00:12:18,270

didn't get in touch of the witnesses

216

00:12:24,200 --> 00:12:22,200

because they are dead so far but I got

217

00:12:27,620 --> 00:12:24,210

information from the people who

218

00:12:31,160 --> 00:12:27,630

researched the case and the report was

219

00:12:32,570 --> 00:12:31,170

very very credible very good oh they

220

00:12:38,060 --> 00:12:32,580

must be blind

221

00:12:41,840 --> 00:12:38,070

okay then there is this possibility but

222

00:12:47,090 --> 00:12:41,850

in my opinion they person from an

223

00:12:52,160 --> 00:12:47,100

extraordinary event that was not make it

224

00:12:54,410 --> 00:12:52,170

up they really really happen to them and

225

00:12:56,750 --> 00:12:54,420

did they have markings on their body I

226

00:12:59,120 --> 00:12:56,760

mean was there some physical evidence

227

00:13:02,720 --> 00:12:59,130

that their encounters really did take

228

00:13:05,690 --> 00:13:02,730

place whether or not not this does have

229

00:13:09,860 --> 00:13:05,700

in this particular case they just have

230

00:13:14,150 --> 00:13:09,870

had sexual intercourse that's all like a

231

00:13:17,420 --> 00:13:14,160

man and a woman like that they never

232

00:13:21,020 --> 00:13:17,430

they didn't show in any marks we have

233

00:13:24,910 --> 00:13:21,030

other cases that we had marks in it skin

234

00:13:31,160 --> 00:13:24,920

but not related with sex of the aliens

235

00:13:35,110 --> 00:13:31,170

okay okay so how about as far as we know

236

00:13:37,460 --> 00:13:35,120

of course the the case that took place

237

00:13:39,740 --> 00:13:37,470

there on the on the beach and the

238

00:13:41,900 --> 00:13:39,750

Caloris many many years ago where

239

00:13:45,380 --> 00:13:41,910

people's bloods blood was actually being

240

00:13:48,760 --> 00:13:45,390

sucked out of them apparently I had many

241

00:13:51,260 --> 00:13:48,770

witnesses to that in fact we've done the

242

00:13:54,400 --> 00:13:51,270

quite a bit of investigation and

243

00:13:56,480 --> 00:13:54,410

research utilizing some of AJ's material

244

00:13:58,670 --> 00:13:56,490

actually would

245

00:14:04,730 --> 00:13:58,680

you say that's one of the most prominent

246

00:14:06,680 --> 00:14:04,740

and verifiable episodes in UFO UFO

247

00:14:09,230 --> 00:14:06,690

history there in Brazil because of the

248

00:14:12,980 --> 00:14:09,240

number of witnesses not only in Brazil

249

00:14:16,190 --> 00:14:12,990

Tia in a world in a world we you you are

250

00:14:17,780 --> 00:14:16,200

talking about the plate operation there

251
00:14:21,010 --> 00:14:17,790
are some psst

252
00:14:24,769 --> 00:14:21,020
absolutely yeah it happened in seven in

253
00:14:29,630 --> 00:14:24,779
1977 in coladas and many of other cities

254
00:14:32,389 --> 00:14:29,640
in north of Brazil well hundreds of

255
00:14:35,690 --> 00:14:32,399
people are afraid because they have this

256
00:14:39,829 --> 00:14:35,700
attack it by light lights that should

257
00:14:43,250 --> 00:14:39,839
some beings of rays of light that hit

258
00:14:46,850 --> 00:14:43,260
them in arms or near the breasts in a

259
00:14:51,980 --> 00:14:46,860
woman and took the energy they said

260
00:14:56,090 --> 00:14:51,990
energy they got tired they got dizzy and

261
00:14:58,250 --> 00:14:56,100
when these people went to the doctor was

262
00:15:03,970 --> 00:14:58,260
discovered that they was suffering from

263
00:15:06,949 --> 00:15:03,980

anemia they they lost blood so this

264

00:15:10,900 --> 00:15:06,959

airship is aliens this I don't know what

265

00:15:14,389 --> 00:15:10,910

what was that was second blood and

266

00:15:18,319 --> 00:15:14,399

energy from the people from the series

267

00:15:21,860 --> 00:15:18,329

and this case was so so important in

268

00:15:24,350 --> 00:15:21,870

urgent that mayor's from some of the

269

00:15:27,319 --> 00:15:24,360

cities asked to the Brazilian Air Force

270

00:15:29,900 --> 00:15:27,329

to investigate it because people are

271

00:15:33,139 --> 00:15:29,910

afraid it and leaving the town they are

272

00:15:38,019 --> 00:15:33,149

moving the towns because of that and the

273

00:15:44,260 --> 00:15:38,029

Brazilian Air Force sent a crew it was a

274

00:15:48,290 --> 00:15:44,270

high height secret investigation they

275

00:15:51,230 --> 00:15:48,300

spent several months in coladas and

276

00:15:53,090 --> 00:15:51,240

other other cities in north of brazil

277

00:15:57,470 --> 00:15:53,100

they got pictures

278

00:15:59,630 --> 00:15:57,480

they got films and even we don't jacob

279

00:16:03,130 --> 00:15:59,640

town captain and we don't she is the

280

00:16:07,970 --> 00:16:03,140

leader of the the crew they got a

281

00:16:10,400 --> 00:16:07,980

contact with contact with an alien five

282

00:16:13,670 --> 00:16:10,410

meters he stood five

283

00:16:18,710 --> 00:16:13,680

instance of an alien alien being like

284

00:16:23,710 --> 00:16:18,720

like a gray he was in 1977 the great was

285

00:16:28,660 --> 00:16:23,720

not so famous as they they are today so

286

00:16:33,560 --> 00:16:28,670

this case had more than 24 hours of film

287

00:16:36,320 --> 00:16:33,570

more than 500 photos and more than 200

288

00:16:38,590 --> 00:16:36,330

reports now how I've seen that we seen

289

00:16:42,530 --> 00:16:38,600

we've seen quite a few of the the stills

290

00:16:46,580 --> 00:16:42,540

have you seen any of the films that were

291

00:16:49,340 --> 00:16:46,590

taken yes I saw when when when the

292

00:16:53,600 --> 00:16:49,350

Brazilian Commission of apologies what

293

00:16:56,510 --> 00:16:53,610

impact was invited by the Brazilian

294

00:17:03,350 --> 00:16:56,520

government and perceived in the air

295

00:17:08,360 --> 00:17:03,360

force to have a meeting in 2030 13 I'm

296

00:17:12,260 --> 00:17:08,370

sorry they show us a number of photos

297

00:17:14,840 --> 00:17:12,270

and films and they promised it that

298

00:17:19,970 --> 00:17:14,850

gonna polish they're gonna uncover it

299

00:17:23,420 --> 00:17:19,980

and and we will be able to show the to

300

00:17:29,300 --> 00:17:23,430

everybody but this never happened this

301

00:17:31,310 --> 00:17:29,310

never happened they were you it were you

302

00:17:33,650 --> 00:17:31,320

in impressed by the the films now

303

00:17:35,870 --> 00:17:33,660

because the the photographs that are

304

00:17:38,960 --> 00:17:35,880

published and well we did a book called

305

00:17:42,110 --> 00:17:38,970

alien bloodlust the photographs look

306

00:17:43,880 --> 00:17:42,120

impressive but of course they're all you

307

00:17:46,220 --> 00:17:43,890

know lights at night the streaking

308

00:17:48,200 --> 00:17:46,230

across the black background so one could

309

00:17:50,870 --> 00:17:48,210

say well there's a possibility that they

310

00:17:54,290 --> 00:17:50,880

they were done in the the darkroom or

311

00:17:59,350 --> 00:17:54,300

something were the were the films that

312

00:18:05,960 --> 00:18:02,690

but these photos are of this show from

313

00:18:10,070 --> 00:18:05,970

Brazilian government they want bye-bye

314

00:18:13,010 --> 00:18:10,080

someone else was made by a photographer

315

00:18:15,410 --> 00:18:13,020

from Britain Air Force and the film but

316

00:18:17,900 --> 00:18:15,420

they feel most much much clearer much

317

00:18:20,240 --> 00:18:17,910

much much clearer you can you can see

318

00:18:24,110 --> 00:18:20,250

the shape of the UFO you can see the

319

00:18:28,549 --> 00:18:24,120

lights around circling they do a so

320

00:18:31,460 --> 00:18:28,559

and they just show us around ten minutes

321

00:18:36,110 --> 00:18:31,470

of films and we know they have more than

322

00:18:39,830 --> 00:18:36,120

20 hours of films no one knows where the

323

00:18:44,210 --> 00:18:39,840

films are no one knows they destroy it

324

00:18:46,909 --> 00:18:44,220

or they miss it or they just kept it

325

00:18:48,980 --> 00:18:46,919

under under the sheet so we don't know

326

00:18:51,460 --> 00:18:48,990

don't know what what happened with the

327

00:18:55,430 --> 00:18:51,470

films but the films were very clear that

328

00:18:58,130 --> 00:18:55,440

what show what shows was not an airplane

329

00:19:01,240 --> 00:18:58,140

or a helicopter is something beyond this

330

00:19:02,419 --> 00:19:01,250

world now can you describe the the

331

00:19:04,580 --> 00:19:02,429

objects

332

00:19:07,130 --> 00:19:04,590

weren't they it shaped kind of like a I

333

00:19:11,000 --> 00:19:07,140

think a a frigerator or something of

334

00:19:13,730 --> 00:19:11,010

flying sideways a lot of Sheamus I think

335

00:19:17,149 --> 00:19:13,740

the classic flying-saucer the classic

336

00:19:23,080 --> 00:19:17,159

flying-saucer show the refrigerator to

337

00:19:26,210 --> 00:19:23,090

the poorest fears of balls rectangles

338

00:19:28,250 --> 00:19:26,220

amazing amazingly many many shapes of

339

00:19:32,289 --> 00:19:28,260

the earth earth from different colors

340

00:19:36,320 --> 00:19:32,299

different shapes and different movements

341

00:19:39,760 --> 00:19:36,330

now didn't the main investigator for the

342

00:19:43,789 --> 00:19:39,770

military didn't he later commit suicide

343

00:19:45,620 --> 00:19:43,799

no it's a fake news like he said today's

344

00:19:50,000 --> 00:19:45,630

nothing fake Lucia

345

00:19:53,330 --> 00:19:50,010

yes my father-in-law was a British Air

346

00:19:56,990 --> 00:19:53,340

Force pilot and knew a wheel engine from

347

00:20:00,590 --> 00:19:57,000

their force and he told me he passed

348

00:20:03,680 --> 00:20:00,600

away a year ago but my mind my father a

349

00:20:06,649 --> 00:20:03,690

father passed away a year ago but when I

350

00:20:10,659 --> 00:20:06,659

asked him asked him if he knew we don't

351

00:20:14,080 --> 00:20:10,669

G he told me yes I I did I did but and

352

00:20:19,549 --> 00:20:14,090

what happened to him home well he always

353

00:20:23,180 --> 00:20:19,559

had some some kind of depression and had

354

00:20:26,149 --> 00:20:23,190

problems with his family so I'm not I

355

00:20:29,630 --> 00:20:26,159

not believe that he committed suicide oh

356

00:20:32,840 --> 00:20:29,640

oh he was he he was he committed suicide

357

00:20:36,049 --> 00:20:32,850

I don't believe that was murdered yes oh

358

00:20:37,730 --> 00:20:36,059

yeah yeah yeah yeah yeah yeah many

359

00:20:40,910 --> 00:20:37,740

people said it was

360

00:20:45,340 --> 00:20:40,920

see conspiracy theorists would say that

361

00:20:48,260 --> 00:20:45,350

he he was a murdered and okay now

362

00:20:50,630 --> 00:20:48,270

there's also another case I remember

363

00:20:53,720 --> 00:20:50,640

reading about if it's the night of the

364

00:20:56,360 --> 00:20:53,730

the saucers where the the military

365

00:20:59,720 --> 00:20:56,370

actually chased these things for several

366

00:21:03,919 --> 00:20:59,730

hours yes it's amazing you do it's

367

00:21:06,430 --> 00:21:03,929

happening in 80 in 1986 we call the

368

00:21:10,130 --> 00:21:06,440

noise of the Zelda zoo fish

369

00:21:14,590 --> 00:21:10,140

official-official nights of UFOs where

370

00:21:18,830 --> 00:21:14,600

more than twenty two UFOs plotted in

371

00:21:23,919 --> 00:21:18,840

rudder screams in several states of

372

00:21:30,380 --> 00:21:23,929

Brazil and this they the viewer folks

373

00:21:33,680 --> 00:21:30,390

were so by some of the palettes and from

374

00:21:36,590 --> 00:21:33,690

the land from the the person in the in

375

00:21:40,520 --> 00:21:36,600

cultural tower in the land and people in

376

00:21:42,500 --> 00:21:40,530

an inner city they saw this UFOs when

377

00:21:46,370 --> 00:21:42,510

the first the first sighting occurred in

378

00:21:49,940 --> 00:21:46,380

over Campinas in san paulo and two of

379

00:21:53,299 --> 00:21:49,950

fight two fighters were scrambled to

380

00:21:57,890 --> 00:21:53,309

pursuit UFOs

381

00:22:02,060 --> 00:21:57,900

one of the palettes all saw the UFO and

382

00:22:06,530 --> 00:22:02,070

in one moment he had six UFOs in his

383

00:22:09,950 --> 00:22:06,540

left and five levels in his right and it

384

00:22:13,940 --> 00:22:09,960

was so fast so fast in we are talking

385

00:22:17,090 --> 00:22:13,950

about mirage fighters and the f5

386

00:22:22,040 --> 00:22:17,100

fighters they can reach this bit of

387

00:22:24,620 --> 00:22:22,050

sound but the UFOs was so much so much

388

00:22:29,330 --> 00:22:24,630

faster than them they was impossible to

389

00:22:31,790 --> 00:22:29,340

pursuit yeah because I I know there's a

390

00:22:33,830 --> 00:22:31,800

I think there were some photographs too

391

00:22:37,400 --> 00:22:33,840

right there were some the military took

392

00:22:39,620 --> 00:22:37,410

pictures of that event as well right

393

00:22:44,360 --> 00:22:39,630

no we don't we don't have official

394

00:22:48,470 --> 00:22:44,370

photos of the of this this event but we

395

00:22:51,360 --> 00:22:48,480

know that some of the fighters had

396

00:22:54,840 --> 00:22:51,370

cameras cameras on it

397

00:22:56,610 --> 00:22:54,850

so we have films about the spittoon but

398

00:22:58,500 --> 00:22:56,620

we still were looking for as a

399

00:23:00,000 --> 00:22:58,510

commissioner forbidden apologies we're

400

00:23:02,700 --> 00:23:00,010

still looking for and pressing the

401
00:23:05,400 --> 00:23:02,710
government to release these videos

402
00:23:08,040 --> 00:23:05,410
because we know they that exist and the

403
00:23:11,130 --> 00:23:08,050
pilots involved in this pursuit in this

404
00:23:14,430 --> 00:23:11,140
case they told us that they had some

405
00:23:19,020 --> 00:23:14,440
photos and videos of it so now what is

406
00:23:22,050 --> 00:23:19,030
the official word from the Brazilian

407
00:23:24,870 --> 00:23:22,060
government or the military on UFOs I

408
00:23:27,480 --> 00:23:24,880
mean do they take a particular stance on

409
00:23:31,530 --> 00:23:27,490
the subject is there a policy as far as

410
00:23:35,970 --> 00:23:31,540
UFOs go the only derelict policy that

411
00:23:41,480 --> 00:23:35,980
the Brazilian government has is to make

412
00:23:44,700 --> 00:23:41,490
a report if you see something in unusual

413
00:23:48,390 --> 00:23:44,710

but the Brazilian didn't investigate it

414

00:23:51,420 --> 00:23:48,400

because we're passing through a very

415

00:23:55,620 --> 00:23:51,430

very a lot of problems economics

416

00:23:57,840 --> 00:23:55,630

political so I don't think and to go the

417

00:24:00,720 --> 00:23:57,850

government building government don't

418

00:24:03,840 --> 00:24:00,730

don't want to spend time and and and it

419

00:24:07,650 --> 00:24:03,850

for sure to research results of

420

00:24:08,580 --> 00:24:07,660

fertility all right Tim and yeah

421

00:24:10,710 --> 00:24:08,590

although I'm gonna have to interrupt

422

00:24:12,330 --> 00:24:10,720

here because we are coming up to our

423

00:24:14,940 --> 00:24:12,340

bottom of the hour break when we come

424

00:24:25,660 --> 00:24:14,950

back we will continue our conversation

425

00:24:32,390 --> 00:24:29,810

now back to exploring the bazaar with

426
00:24:35,390 --> 00:24:32,400
two of the most electrifying researchers

427
00:24:40,610 --> 00:24:35,400
in the Paranoid your hosts Timothy

428
00:24:42,530 --> 00:24:40,620
Rebecca Lee Anton's lists welcome back

429
00:24:46,430 --> 00:24:42,540
to exploring the bazaar I'm Tim Schwartz

430
00:24:48,080 --> 00:24:46,440
at night we are talking with Thiago T

431
00:24:59,750 --> 00:24:48,090
Kenny I say that right here I go to

432
00:25:05,480 --> 00:24:59,760
Kenny good old Midwest boy here so you

433
00:25:07,640 --> 00:25:05,490
know I live in England they can't they

434
00:25:15,200 --> 00:25:07,650
cannot say cicchetti so away I became

435
00:25:19,310 --> 00:25:15,210
Jack oh alright well and you are the

436
00:25:22,520 --> 00:25:19,320
author of the new book UFO contacts in

437
00:25:27,260 --> 00:25:22,530
Brazil published by flying discs press

438
00:25:31,310 --> 00:25:27,270

and where can where can people find that

439

00:25:37,360 --> 00:25:31,320

here in the United States the book can

440

00:25:40,790 --> 00:25:37,370

be by amazon.com ok you can have it by

441

00:25:43,430 --> 00:25:40,800

hardcover or Kindle

442

00:25:46,520 --> 00:25:43,440

all right great now I wanted to ask you

443

00:25:48,050 --> 00:25:46,530

you you know you you approach this

444

00:25:50,120 --> 00:25:48,060

subject a little bit just before we had

445

00:25:53,090 --> 00:25:50,130

to go to our break you know it's here in

446

00:25:55,610 --> 00:25:53,100

the United States a lot of UFO

447

00:25:57,230 --> 00:25:55,620

investigators think that you know the

448

00:26:01,100 --> 00:25:57,240

United States government the military

449

00:26:04,340 --> 00:26:01,110

know everything that there is about UFOs

450

00:26:05,870 --> 00:26:04,350

their origin what they are things like

451
00:26:10,160 --> 00:26:05,880
that they're just keeping it secret from

452
00:26:12,590 --> 00:26:10,170
the rest of us poor slobs however there

453
00:26:15,020 --> 00:26:12,600
are others myself included that that

454
00:26:17,180 --> 00:26:15,030
think that the the government in the

455
00:26:18,860 --> 00:26:17,190
military no absolutely nothing but

456
00:26:22,040 --> 00:26:18,870
they're just not going to admit it

457
00:26:24,560 --> 00:26:22,050
because they know that you know that

458
00:26:26,810 --> 00:26:24,570
would create you know panic or bad

459
00:26:29,000 --> 00:26:26,820
feelings from the public thinking that

460
00:26:32,210 --> 00:26:29,010
we've got strange things flying around

461
00:26:33,310 --> 00:26:32,220
in our skies that you know they can't do

462
00:26:36,160 --> 00:26:33,320
anything about

463
00:26:39,040 --> 00:26:36,170

what about what about in Brazil what do

464

00:26:42,910 --> 00:26:39,050

you think the the impression there is

465

00:26:45,520 --> 00:26:42,920

when it comes to the military and the

466

00:26:48,400 --> 00:26:45,530

government do you think that they have

467

00:26:50,530 --> 00:26:48,410

more information than they're letting on

468

00:26:53,740 --> 00:26:50,540

or do you think they're pretty much in

469

00:26:56,650 --> 00:26:53,750

the dark like the rest of us I'm sure

470

00:26:59,350 --> 00:26:56,660

they're dating dark and I know that

471

00:27:05,020 --> 00:26:59,360

birthdays in government research you

472

00:27:08,200 --> 00:27:05,030

have those cases some of them but I they

473

00:27:11,470 --> 00:27:08,210

stopped to do it in the beginning of the

474

00:27:14,770 --> 00:27:11,480

eighties they stop it they just change

475

00:27:17,650 --> 00:27:14,780

his efforts to another areas of the

476
00:27:20,110 --> 00:27:17,660
brazilian development like education and

477
00:27:23,230 --> 00:27:20,120
latex and stuff like that

478
00:27:26,800 --> 00:27:23,240
we had the virginia incident version a

479
00:27:31,980 --> 00:27:26,810
crash here in brazil in 1996 mm-hmm

480
00:27:43,750 --> 00:27:39,000
brazilian made a great effort to cover

481
00:27:48,130 --> 00:27:43,760
all the all the case and United States

482
00:27:51,580 --> 00:27:48,140
helped with Brazil to do it because we

483
00:27:54,220 --> 00:27:51,590
have informations that did not send

484
00:27:58,120 --> 00:27:54,230
information to the Brazilian Air Force

485
00:28:00,940 --> 00:27:58,130
that the UFO had just entered atmosphere

486
00:28:03,070 --> 00:28:00,950
and crash in city of Beijing in Brazil

487
00:28:07,480 --> 00:28:03,080
they didn't already already know knew

488
00:28:12,040 --> 00:28:07,490

that the same the same second day UFO

489

00:28:16,570 --> 00:28:12,050

crashes the NORAD knew that and the

490

00:28:19,180 --> 00:28:16,580

Brazilian start to create a great cover

491

00:28:22,960 --> 00:28:19,190

like a Rolesville but just like a

492

00:28:25,810 --> 00:28:22,970

Roseville we had witnesses military

493

00:28:32,490 --> 00:28:25,820

witnesses civilian witnesses and they

494

00:28:36,430 --> 00:28:32,500

could not shut them out so the president

495

00:28:39,880 --> 00:28:36,440

from 96 they stopped to research it we

496

00:28:44,020 --> 00:28:39,890

know that all the UFO wreckage from

497

00:28:48,000 --> 00:28:44,030

Virginia and the alien beings that we

498

00:28:51,549 --> 00:28:48,010

took with recover we've covered

499

00:28:54,370 --> 00:28:51,559

for aliens from the UFO crash in

500

00:28:57,610 --> 00:28:54,380

Virginia mm-hmm and they were full and

501
00:29:00,549 --> 00:28:57,620
the alien beings was sent to United

502
00:29:03,490 --> 00:29:00,559
States we know that and it's not

503
00:29:07,120 --> 00:29:03,500
christened some years later we send our

504
00:29:09,370 --> 00:29:07,130
first astronauts to the space Deborah's

505
00:29:14,070 --> 00:29:09,380
in the first and the only one astronaut

506
00:29:20,830 --> 00:29:14,080
was sent to space in you know co-working

507
00:29:23,200 --> 00:29:20,840
with US government so we gave you a UFO

508
00:29:26,400 --> 00:29:23,210
and alien beings and you gave us our

509
00:29:28,840 --> 00:29:26,410
right a chicken to ride to this space

510
00:29:32,500 --> 00:29:28,850
you know that's that's a very

511
00:29:35,500 --> 00:29:32,510
interesting case and I don't think that

512
00:29:38,710 --> 00:29:35,510
a lot of people realize and and correct

513
00:29:41,230 --> 00:29:38,720

me if I'm wrong on this but I guess a

514

00:29:45,460 --> 00:29:41,240

number of the people I'm thinking

515

00:29:48,460 --> 00:29:45,470

especially the doctors who had contact

516

00:29:52,570 --> 00:29:48,470

with that that creature that was the

517

00:29:56,110 --> 00:29:52,580

first one that was found ended up dying

518

00:29:58,710 --> 00:29:56,120

mysteriously am I right on that it was

519

00:30:02,049 --> 00:29:58,720

not that doctor was when a soldier as

520

00:30:04,840 --> 00:30:02,059

yeah one of the soldiers that touch the

521

00:30:07,090 --> 00:30:04,850

dead creature the alien they touch

522

00:30:10,810 --> 00:30:07,100

without gloves or some kind of

523

00:30:15,040 --> 00:30:10,820

protection I touched the aliens that

524

00:30:23,799 --> 00:30:15,050

David was like a brown and and smother

525

00:30:27,730 --> 00:30:23,809

smug skin he and he touch it and week

526

00:30:30,580 --> 00:30:27,740

later I went to the hospital with a

527

00:30:35,890 --> 00:30:30,590

disease that no one knows what was that

528

00:30:40,870 --> 00:30:35,900

and the family was very concerned about

529

00:30:41,830 --> 00:30:40,880

his health but he he died two weeks

530

00:30:45,190 --> 00:30:41,840

later

531

00:30:49,390 --> 00:30:45,200

after heated to the the the creator and

532

00:30:50,950 --> 00:30:49,400

the doctor said those like some kind of

533

00:30:55,510 --> 00:30:50,960

viral something like that nothing

534

00:31:01,500 --> 00:30:55,520

important but he was burning in the

535

00:31:10,630 --> 00:31:06,940

I'll same English Ubu lead it was buried

536

00:31:13,690 --> 00:31:10,640

in the in the cuff of lead and I and

537

00:31:18,400 --> 00:31:13,700

when we do it is not to contaminate the

538

00:31:23,710 --> 00:31:18,410

area mmm he just had a virus why to be

539

00:31:28,990 --> 00:31:23,720

buried in in a in a lead of a cough of

540

00:31:32,380 --> 00:31:29,000

lead right right normal well there's

541

00:31:37,120 --> 00:31:32,390

there's been other cases similar to that

542

00:31:39,870 --> 00:31:37,130

where UFOs and and you know the things

543

00:31:42,730 --> 00:31:39,880

seen coming out of them have not been

544

00:31:47,350 --> 00:31:42,740

especially friendly if not downright

545

00:31:52,200 --> 00:31:47,360

deadly to the human witnesses yes we

546

00:31:58,110 --> 00:31:52,210

have a very important case call it

547

00:32:01,120 --> 00:31:58,120

casual precious figure that in 1948

548

00:32:04,350 --> 00:32:01,130

living in a small town in some parallel

549

00:32:07,030 --> 00:32:04,360

state and he was walking in a

550

00:32:09,970 --> 00:32:07,040

illustrated that mark that back that

551
00:32:13,590 --> 00:32:09,980
time this it was there's no electricity

552
00:32:20,910 --> 00:32:13,600
all of the city so very dark and he saw

553
00:32:25,030 --> 00:32:20,920
a light in the sky and for some reason

554
00:32:28,560 --> 00:32:25,040
that we still don't know they were for

555
00:32:34,180 --> 00:32:28,570
just shot him in the arm a beam of light

556
00:32:42,060 --> 00:32:34,190
and he started to get dizzy and got

557
00:32:46,210 --> 00:32:42,070
fever and he's flush he start to melt

558
00:32:49,090 --> 00:32:46,220
literally melt it's like it if he had

559
00:32:50,830 --> 00:32:49,100
some kind of a radiation context of

560
00:32:55,540 --> 00:32:50,840
stuff in the radiation that the

561
00:32:59,380 --> 00:32:55,550
radioactivity and his flashes start to

562
00:33:02,950 --> 00:32:59,390
melt from his bones and he died few days

563
00:33:07,960 --> 00:33:02,960

later and this one of her became the dog

564

00:33:13,750 --> 00:33:07,970

happened here in Brazil now considering

565

00:33:19,060 --> 00:33:13,760

the size of the country of Brazil

566

00:33:21,850 --> 00:33:19,070

how difficult is it to to to get reports

567

00:33:25,480 --> 00:33:21,860

to a more centralized location you know

568

00:33:28,570 --> 00:33:25,490

like to yourself or other researchers I

569

00:33:30,910 --> 00:33:28,580

mean are you constantly right running

570

00:33:33,010 --> 00:33:30,920

into reports that you know happen to say

571

00:33:35,260 --> 00:33:33,020

like a couple of years ago that you're

572

00:33:38,410 --> 00:33:35,270

just now finding out about it because it

573

00:33:43,420 --> 00:33:38,420

happened in you know some far-off corner

574

00:33:46,300 --> 00:33:43,430

of the country well nice it's beard in

575

00:33:50,160 --> 00:33:46,310

Brazil but Raziell is like a continent as

576

00:33:54,400 --> 00:33:50,170

well just Brazil's like a continent and

577

00:33:57,400 --> 00:33:54,410

it's very very very difficult to us to

578

00:34:01,660 --> 00:33:57,410

know or get know all the cases that

579

00:34:06,430 --> 00:34:01,670

happen here in our country and we have a

580

00:34:09,760 --> 00:34:06,440

lot of cases mainly in in inside counter

581

00:34:14,080 --> 00:34:09,770

zone in the north of Brazil that people

582

00:34:17,649 --> 00:34:14,090

are so used to see UFOs alien beings

583

00:34:19,930 --> 00:34:17,659

that become a routine to them know what

584

00:34:22,210 --> 00:34:19,940

yes they don't want you to report it

585

00:34:25,720 --> 00:34:22,220

because they see it every day and every

586

00:34:28,450 --> 00:34:25,730

day they saw they see a strange lights

587

00:34:32,730 --> 00:34:28,460

in the sky they see some some being in

588

00:34:37,230 --> 00:34:32,740

the woods some been in the street and

589

00:34:40,240 --> 00:34:37,240

the Brasilia is not so development

590

00:34:42,700 --> 00:34:40,250

internet talking about Internet the

591

00:34:44,620 --> 00:34:42,710

originals not so development like the

592

00:34:48,610 --> 00:34:44,630

United States that everybody has access

593

00:34:51,399 --> 00:34:48,620

to Internet anything outside of Brazil

594

00:34:52,990 --> 00:34:51,409

inside country of Brazil many people

595

00:34:57,550 --> 00:34:53,000

don't have cell phones don't have

596

00:35:00,490 --> 00:34:57,560

internet so they don't report they say

597

00:35:02,500 --> 00:35:00,500

it they deceive UFOs in the sky often

598

00:35:07,030 --> 00:35:02,510

they see aliens being they have a lot of

599

00:35:09,970 --> 00:35:07,040

cases and sometimes we we know this case

600

00:35:12,790 --> 00:35:09,980

is three years four years five years

601
00:35:16,570 --> 00:35:12,800
later when the event happening so it's

602
00:35:22,450 --> 00:35:16,580
very difficult to research sure oh why

603
00:35:25,030 --> 00:35:22,460
do you think that Brazil is such a hot

604
00:35:26,560 --> 00:35:25,040
spot for UFO and and and other unusual

605
00:35:30,190 --> 00:35:26,570
activity I mean it's

606
00:35:34,750 --> 00:35:30,200
in this way for four decades and it

607
00:35:36,400 --> 00:35:34,760
doesn't seem to to be slowing down any I

608
00:35:40,600 --> 00:35:36,410
mean is there do you think there's

609
00:35:43,660 --> 00:35:40,610
something special about Brazil that like

610
00:35:45,850 --> 00:35:43,670
a magnet that that's attracting these

611
00:35:48,190 --> 00:35:45,860
things or I mean I know it's it would

612
00:35:51,610 --> 00:35:48,200
just be speculation on your part but hey

613
00:35:59,440 --> 00:35:51,620

you know any theories well maybe they

614

00:36:05,740 --> 00:35:59,450

like our caipirinha I don't know we have

615

00:36:09,160 --> 00:36:05,750

a love award drink water here in Brazil

616

00:36:12,910 --> 00:36:09,170

would have minerals all of the country

617

00:36:16,870 --> 00:36:12,920

we have a forest the rain for the bigger

618

00:36:20,830 --> 00:36:16,880

rain forces here in Brazil and some

619

00:36:23,170 --> 00:36:20,840

people says that it's because the

620

00:36:28,540 --> 00:36:23,180

minerals that we haven't in in our you

621

00:36:31,630 --> 00:36:28,550

know in our land I I think that this

622

00:36:36,700 --> 00:36:31,640

could be the true but I think it's most

623

00:36:39,730 --> 00:36:36,710

because its side of Brazil we and it's

624

00:36:42,820 --> 00:36:39,740

natural research research of Brazil I

625

00:36:46,480 --> 00:36:42,830

think it's because of that and because

626

00:36:48,820 --> 00:36:46,490

the size of Brazil we are so buried we

627

00:36:53,710 --> 00:36:48,830

have a hot spot we are hot spot and have

628

00:36:58,860 --> 00:36:53,720

sightings every day that we can have now

629

00:37:02,170 --> 00:36:58,870

in your book a UFO contacts in in Brazil

630

00:37:06,250 --> 00:37:02,180

are there any of the any stories in

631

00:37:09,190 --> 00:37:06,260

there that are your absolute favorite so

632

00:37:12,010 --> 00:37:09,200

I mean you know the one that you if

633

00:37:14,290 --> 00:37:12,020

anybody asks you about the subject you

634

00:37:15,930 --> 00:37:14,300

know this is the story that that you're

635

00:37:19,900 --> 00:37:15,940

got to tell them because you love it

636

00:37:32,020 --> 00:37:19,910

well is it very hard

637

00:37:33,970 --> 00:37:32,030

father choose one of the well played

638

00:37:36,430 --> 00:37:33,980

operations one of them the night of the

639

00:37:39,920 --> 00:37:36,440

UFOs another varnishing is another one

640

00:37:43,180 --> 00:37:39,930

but one is particularly happening

641

00:37:52,370 --> 00:37:43,190

Brazil in Brasilia where I live in 98

642

00:37:58,240 --> 00:37:52,380

1996 when a UFO was saw by four military

643

00:38:03,200 --> 00:37:58,250

police like policemen in Brazil medicals

644

00:38:04,940 --> 00:38:03,210

civilians and one of own of one of the

645

00:38:09,740 --> 00:38:04,950

civilians was a professional

646

00:38:13,040 --> 00:38:09,750

photographer and he took more than 36

647

00:38:16,700 --> 00:38:13,050

photos of the UFOs that this photos is

648

00:38:20,600 --> 00:38:16,710

in my book but the most important one of

649

00:38:22,760 --> 00:38:20,610

the the policemen had the camera 96 is

650

00:38:25,130 --> 00:38:22,770

not usual to have cameras in it in

651
00:38:27,290 --> 00:38:25,140
Brazil we don't have hand cameras all of

652
00:38:29,660 --> 00:38:27,300
the place today we have a cell phone

653
00:38:33,410 --> 00:38:29,670
that also world has camera and you can

654
00:38:36,970 --> 00:38:33,420
shoot photos and make films but he had

655
00:38:41,300 --> 00:38:36,980
cameras because to film his approach his

656
00:38:44,600 --> 00:38:41,310
investigations so he has one of camera

657
00:38:48,590 --> 00:38:44,610
in his in his car and he film it

658
00:38:53,450 --> 00:38:48,600
the UFO it's amazing it's amazing the

659
00:38:59,330 --> 00:38:53,460
the the UFOs like a slinger or some safe

660
00:39:04,940 --> 00:38:59,340
it's like a cross and some say that's

661
00:39:08,210 --> 00:39:04,950
like a hot talk but if in a film in July

662
00:39:11,510 --> 00:39:08,220
did this sky was so clear so clear

663
00:39:14,390 --> 00:39:11,520

there's no there's nothing this guy

664

00:39:18,280 --> 00:39:14,400

there's no cloud in the sky the sky was

665

00:39:22,550 --> 00:39:18,290

so blue and the UFO was so brilliant a

666

00:39:25,670 --> 00:39:22,560

white brilliant that wasn't possible to

667

00:39:28,480 --> 00:39:25,680

be an airplane and this sergeant he was

668

00:39:32,540 --> 00:39:28,490

a Corp it's not sergeant he was a Corp

669

00:39:35,710 --> 00:39:32,550

his name was go Gina he made four he

670

00:39:40,670 --> 00:39:35,720

made more than four minutes of the UFOs

671

00:39:43,970 --> 00:39:40,680

open this Rafael and then he shows for

672

00:39:47,150 --> 00:39:43,980

everybody included his headquarters he

673

00:39:48,950 --> 00:39:47,160

went to the police department and show

674

00:39:51,730 --> 00:39:48,960

to everybody and they asked us to

675

00:39:53,650 --> 00:39:51,740

investigated and we did and we

676

00:39:54,940 --> 00:39:53,660

discovered that was not

677

00:39:57,849 --> 00:39:54,950

playing and there was not on a

678

00:40:01,599 --> 00:39:57,859

helicopter and the sir in this photo in

679

00:40:03,990 --> 00:40:01,609

the film was so amazing that we're not

680

00:40:07,839 --> 00:40:04,000

saying that it was a Exeter s role

681

00:40:12,599 --> 00:40:07,849

'button was not man-made right makes a

682

00:40:15,099 --> 00:40:12,609

great case well now speaking of

683

00:40:18,490 --> 00:40:15,109

extraterrestrial you know here the in

684

00:40:20,319 --> 00:40:18,500

the United States as you well know there

685

00:40:23,140 --> 00:40:20,329

there's still a lot of people who think

686

00:40:26,710 --> 00:40:23,150

that UFOs represent I mean strictly nuts

687

00:40:29,170 --> 00:40:26,720

and bolts a spacecraft with you know

688

00:40:33,490 --> 00:40:29,180

scientist or whatever visiting us from

689

00:40:35,980 --> 00:40:33,500

from other planets while you know others

690

00:40:40,329 --> 00:40:35,990

and you know Tim Beckley myself included

691

00:40:42,250 --> 00:40:40,339

think that while maybe you know a small

692

00:40:45,609 --> 00:40:42,260

percentage of this you know could be

693

00:40:48,609 --> 00:40:45,619

true that there may be other factors

694

00:40:52,559 --> 00:40:48,619

going on here I mean you know maybe more

695

00:41:00,160 --> 00:40:52,569

esoteric or or paranormal type of

696

00:41:04,089 --> 00:41:00,170

phenomena going on is what about it what

697

00:41:06,069 --> 00:41:04,099

about in Brazil I mean is do we see the

698

00:41:08,170 --> 00:41:06,079

same same thing the same kind of a

699

00:41:12,549 --> 00:41:08,180

opinions of speculation going on down

700

00:41:18,970 --> 00:41:12,559

there concerning the phenomena yes I

701
00:41:22,690 --> 00:41:18,980
think this thought is is world him

702
00:41:25,769 --> 00:41:22,700
Brazil have well I I believe I I know

703
00:41:29,410 --> 00:41:25,779
there's a lot of theories about about it

704
00:41:32,829 --> 00:41:29,420
but I still believe that many of the

705
00:41:40,210 --> 00:41:32,839
cases are being from another planet or

706
00:41:42,910 --> 00:41:40,220
another dimension in my opinion they

707
00:41:46,900 --> 00:41:42,920
don't want to get in touch with us right

708
00:41:51,309 --> 00:41:46,910
the one because if they do they had

709
00:41:55,269 --> 00:41:51,319
already got it I think they just came to

710
00:42:00,089 --> 00:41:55,279
our town to our planet to investigate to

711
00:42:12,980 --> 00:42:00,099
see how we are how we are

712
00:42:20,610 --> 00:42:17,540
but it's very very interested because

713
00:42:23,850 --> 00:42:20,620

Frank's I saw something I saw like

714

00:42:25,920 --> 00:42:23,860

something like this years ago that your

715

00:42:31,440 --> 00:42:25,930

human beings

716

00:42:33,660 --> 00:42:31,450

in a future will be a sexual thing they

717

00:42:38,060 --> 00:42:33,670

don't they don't have any they will not

718

00:42:40,710 --> 00:42:38,070

have sex anymore like kind of a

719

00:42:45,450 --> 00:42:40,720

development of the main kind we're gonna

720

00:42:47,610 --> 00:42:45,460

be a sexual so maybe the day all right

721

00:42:50,760 --> 00:42:47,620

there and they have to make sex first

722

00:42:55,110 --> 00:42:50,770

you to perpetuate to keep their demented

723

00:42:57,840 --> 00:42:55,120

kind so in Brazil yes we believe they

724

00:43:01,760 --> 00:42:57,850

save just a small percent of the

725

00:43:05,120 --> 00:43:01,770

societies we can say that it's

726

00:43:12,630 --> 00:43:10,070

what about UFO magazine you're the

727

00:43:15,810 --> 00:43:12,640

co-editor of this magazine I mean here

728

00:43:19,740 --> 00:43:15,820

in the United States right Tim there's

729

00:43:22,170 --> 00:43:19,750

there's no longer any UFO magazines

730

00:43:24,950 --> 00:43:22,180

being published well we don't we don't

731

00:43:28,170 --> 00:43:24,960

even know if there is a there is no

732

00:43:30,260 --> 00:43:28,180

english-speaking magazine being printed

733

00:43:33,510 --> 00:43:30,270

anywhere that we know of in the world

734

00:43:36,090 --> 00:43:33,520

unless you include the 14 times there

735

00:43:39,480 --> 00:43:36,100

are of course magazines that are

736

00:43:41,840 --> 00:43:39,490

available online but the printed

737

00:43:44,970 --> 00:43:41,850

magazines they're all out of business

738

00:43:48,980 --> 00:43:44,980

it's a sad thing I mean I was a course

739

00:43:52,140 --> 00:43:48,990

editor of UFO universe for 11 years and

740

00:43:54,060 --> 00:43:52,150

put out the world's only flying saucer

741

00:43:58,770 --> 00:43:54,070

newspaper back in the 80s that was the

742

00:44:03,510 --> 00:43:58,780

UFO review and it's sad to see that all

743

00:44:07,110 --> 00:44:03,520

these publications have folded with the

744

00:44:10,860 --> 00:44:07,120

advent of course the Internet technology

745

00:44:13,250 --> 00:44:10,870

the last one to go was the magazine

746

00:44:17,610 --> 00:44:13,260

published in Australia called the

747

00:44:20,490 --> 00:44:17,620

ufologists what about the UFO magazine

748

00:44:22,560 --> 00:44:20,500

in Brazil I mean how how was it doing

749

00:44:26,220 --> 00:44:22,570

do you still have a pretty good

750

00:44:28,260 --> 00:44:26,230

readership yeah yeah well there were

751

00:44:33,620 --> 00:44:28,270

four magazine in Brazil have been

752

00:44:38,400 --> 00:44:33,630

published in a row for 30 years Wow

753

00:44:41,430 --> 00:44:38,410

so if the the longest published magazine

754

00:44:44,430 --> 00:44:41,440

in the world still publishing we had

755

00:44:46,980 --> 00:44:44,440

some me years ago the viewer view of UFO

756

00:44:49,770 --> 00:44:46,990

metrics from Philip mantou now we have

757

00:44:52,500 --> 00:44:49,780

some several things like electronic

758

00:45:00,150 --> 00:44:52,510

magazine like before if you have a trip

759

00:45:02,730 --> 00:45:00,160

by Tim and Tim and but here Brazil they

760

00:45:03,570 --> 00:45:02,740

were for magazine we have a lot of

761

00:45:06,599 --> 00:45:03,580

arrears

762

00:45:10,140 --> 00:45:06,609

you still have a lot of widows we sell

763

00:45:13,980 --> 00:45:10,150

around six seven thousand copies every

764

00:45:17,099 --> 00:45:13,990

month of UFO magazine we try to bring

765

00:45:22,099 --> 00:45:17,109

the apology to do to all the society we

766

00:45:25,980 --> 00:45:22,109

have a great fight in him to internet

767

00:45:29,339 --> 00:45:25,990

about the worth of magazine but it's

768

00:45:33,510 --> 00:45:29,349

very hard because no one's paid

769

00:45:37,410 --> 00:45:33,520

publishing publicity in a magazine that

770

00:45:40,710 --> 00:45:37,420

deals with without the very heart do you

771

00:45:44,060 --> 00:45:40,720

do it sometimes have to put money from

772

00:45:49,380 --> 00:45:44,070

our pocket to publish it to make

773

00:45:52,770 --> 00:45:49,390

Congress to go to the Congress to speak

774

00:45:57,570 --> 00:45:52,780

someplace in Brazil we have to to to

775

00:46:01,700 --> 00:45:57,580

spend all our money to it so apology is

776

00:46:04,380 --> 00:46:01,710

not it's not a easy way I don't believe

777

00:46:05,910 --> 00:46:04,390

my my leave and don't my live in front

778

00:46:07,109 --> 00:46:05,920

of all they're not for just like a

779

00:46:12,359 --> 00:46:07,119

professional because it's not

780

00:46:18,540 --> 00:46:12,369

professional here in Brazil but AJ

781

00:46:21,300 --> 00:46:18,550

leaves because the UFO magazine in

782

00:46:23,040 --> 00:46:21,310

Brazil so in Brazil is very hard they're

783

00:46:24,570 --> 00:46:23,050

hard to keep doing my sweet we are doing

784

00:46:28,500 --> 00:46:24,580

a great job I think we're doing great

785

00:46:31,680 --> 00:46:28,510

job well it always has been one of the

786

00:46:33,690 --> 00:46:31,690

best step magazines when we get a

787

00:46:34,370 --> 00:46:33,700

translation of some of the material on

788

00:46:39,770 --> 00:46:34,380

the

789

00:46:42,770 --> 00:46:39,780

had some migrated UFO cases and some

790

00:46:44,150 --> 00:46:42,780

fairly decent UFO publications like I

791

00:46:46,670 --> 00:46:44,160

mentioned earlier

792

00:46:51,350 --> 00:46:46,680

Walter Bueller will put out a magazine

793

00:46:54,080 --> 00:46:51,360

both in Portuguese and in English and

794

00:46:55,550 --> 00:46:54,090

shared it courses in those days there

795

00:46:57,500 --> 00:46:55,560

were about a hundred and twenty five

796

00:46:59,810 --> 00:46:57,510

hundred and fifty magazines all over the

797

00:47:01,510 --> 00:46:59,820

world that we exchanged with some of

798

00:47:04,900 --> 00:47:01,520

them in English of course and some in

799

00:47:06,920 --> 00:47:04,910

languages nobody that we knew of could

800

00:47:11,180 --> 00:47:06,930

understand you know I mean just about

801
00:47:13,930 --> 00:47:11,190
everybody had a UFO magazine and I think

802
00:47:16,370 --> 00:47:13,940
maybe France still has a professional

803
00:47:20,900 --> 00:47:16,380
publication I picked the copy up while I

804
00:47:23,720 --> 00:47:20,910
was in Quebec and that's about it really

805
00:47:25,310 --> 00:47:23,730
as far as the printed ones go the rest

806
00:47:27,440 --> 00:47:25,320
of them are now online and of course

807
00:47:29,330 --> 00:47:27,450
there plenty of them there's a UFO

808
00:47:30,860 --> 00:47:29,340
magazine in India and just about any

809
00:47:34,910 --> 00:47:30,870
country that you can think of you can go

810
00:47:38,330 --> 00:47:34,920
online and find out what's going on yeah

811
00:47:41,810 --> 00:47:38,340
that's that's why the main reason that I

812
00:47:44,840 --> 00:47:41,820
wrote this book because I have more I

813
00:47:52,280 --> 00:47:44,850

have more than six hundred books of UFOs

814

00:47:54,140 --> 00:47:52,290

oh yeah and I honestly I never I didn't

815

00:47:55,550 --> 00:47:54,150

read all of them but I have it in

816

00:47:58,730 --> 00:47:55,560

Portuguese in English and Spanish

817

00:48:03,830 --> 00:47:58,740

someone in French I don't speak in

818

00:48:06,380 --> 00:48:03,840

French but but I I miss it that the

819

00:48:08,290 --> 00:48:06,390

Brazilian cases had to be shown to the

820

00:48:14,120 --> 00:48:08,300

world we just have the biller

821

00:48:17,240 --> 00:48:14,130

publication in back in the 50s and you

822

00:48:19,040 --> 00:48:17,250

know just that classical case you know

823

00:48:22,550 --> 00:48:19,050

you should you must know what happened

824

00:48:24,260 --> 00:48:22,560

now that's why I wrote a book all right

825

00:48:27,260 --> 00:48:24,270

well we're gonna have to wrap it up here

826

00:48:29,720 --> 00:48:27,270
