

EXPLORING THE BIZARRE

KEITH LINDER GHOSTS

1
00:00:31,450 --> 00:00:21,840

[Music]

now you are electrifying hosts of

3
00:00:41,780 --> 00:00:37,470
exploring the bizarre Timothy Begley and

4
00:00:52,590 --> 00:00:48,900
Tim Tim what why did you have me come

5
00:00:54,300 --> 00:00:52,600
down to this dark basement and and why

6
00:00:56,220 --> 00:00:54,310
are you looking so pale

7
00:00:59,490 --> 00:00:56,230
what's that froth coming out of your

8
00:01:03,990 --> 00:00:59,500
mouth all that Kyle that goo you're

9
00:01:07,080 --> 00:01:04,000
dribbling I don't like that come closer

10
00:01:10,920 --> 00:01:07,090
this goo is just for you Tim Schwartz

11
00:01:13,230 --> 00:01:10,930
it's just for you oh damn I see you're

12
00:01:15,540 --> 00:01:13,240
talking like our knife wielding ghost

13
00:01:17,940 --> 00:01:15,550

book looks like you're taking that a

14

00:01:21,810 --> 00:01:17,950

little too too much to heart you look

15

00:01:24,420 --> 00:01:21,820

like a full-fledged green gob of a demon

16

00:01:27,210 --> 00:01:24,430

right out of ghostbusters I'm wait I

17

00:01:32,580 --> 00:01:27,220

need to find some holy water a Bible and

18

00:01:37,969 --> 00:01:32,590

a cross to keep you at bay slime slime

19

00:01:41,490 --> 00:01:37,979

slime it's all for you Tim Schwartz okay

20

00:01:43,140 --> 00:01:41,500

okay whatever you say just just just get

21

00:01:46,020 --> 00:01:43,150

away from me we better get back to the

22

00:01:48,240 --> 00:01:46,030

case to our studios to see if our guest

23

00:01:55,530 --> 00:01:48,250

tonight can now help us turn you back

24

00:01:59,390 --> 00:01:55,540

into a human no just get away from slime

25

00:02:05,610 --> 00:01:59,400

slime this pool is for YouTube shorts

26

00:02:11,790 --> 00:02:05,620

slime I'm slime City yeah are you

27

00:02:15,000 --> 00:02:11,800

feeling any better now no I tell you

28

00:02:16,860 --> 00:02:15,010

that it does got down got to me down

29

00:02:17,610 --> 00:02:16,870

there in the the basement I I really

30

00:02:20,550 --> 00:02:17,620

felt

31

00:02:24,090 --> 00:02:20,560

it's very yucky why was I saying

32

00:02:28,020 --> 00:02:24,100

something weird no no no not at all just

33

00:02:30,750 --> 00:02:28,030

just forget about it yeah well you know

34

00:02:33,690 --> 00:02:30,760

sometimes I I just get a little lay

35

00:02:35,970 --> 00:02:33,700

antsy and it couldn't start acting a

36

00:02:39,750 --> 00:02:35,980

little as strange that's why I like to

37

00:02:43,170 --> 00:02:39,760

keep out of the basement so tonight I

38

00:02:47,729 --> 00:02:43,180

understand that our our subject is going

39

00:02:51,030 --> 00:02:47,739

to be a ghost just holy guys man ghosts

40

00:02:55,080 --> 00:02:51,040

poltergeists minions whatever you want

41

00:02:57,390 --> 00:02:55,090

to call them well you know we we did

42

00:03:03,490 --> 00:03:00,040

we did a book not too long ago what was

43

00:03:06,730 --> 00:03:03,500

it that knife-wielding ghost and and

44

00:03:08,860 --> 00:03:06,740

demons and things like that Maria had

45

00:03:11,710 --> 00:03:08,870

some the andrea has some experiences and

46

00:03:14,110 --> 00:03:11,720

we had a quite a few contributors on

47

00:03:15,550 --> 00:03:14,120

that because not all poder got well of

48

00:03:18,730 --> 00:03:15,560

course we don't poltergeist can be

49

00:03:22,600 --> 00:03:18,740

pretty noisy and destructive but not as

50

00:03:24,130 --> 00:03:22,610

nasty as these Esso beasts like in

51
00:03:27,490 --> 00:03:24,140
ghostbusters

52
00:03:29,550 --> 00:03:27,500
were you know but you know my family I

53
00:03:32,740 --> 00:03:29,560
guess I have kind of a history of

54
00:03:34,900 --> 00:03:32,750
poltergeist I was raised in a house or

55
00:03:37,780 --> 00:03:34,910
was growing up in a house that had doors

56
00:03:41,590 --> 00:03:37,790
opening and closing and a lights going

57
00:03:44,770 --> 00:03:41,600
on and often I remember one time a a

58
00:03:46,890 --> 00:03:44,780
pretty heavy plate slid across the table

59
00:03:50,020 --> 00:03:46,900
and fell onto the floor but didn't break

60
00:03:51,700 --> 00:03:50,030
now this a little bit of a long story

61
00:03:54,580 --> 00:03:51,710
and I don't want to take away from our

62
00:03:57,250 --> 00:03:54,590
guests but my my grandfather and my

63
00:04:01,410 --> 00:03:57,260

father side of the family had a really

64

00:04:04,420 --> 00:04:01,420

bizarre experience that involved a

65

00:04:06,940 --> 00:04:04,430

headless horseman that he never had

66

00:04:09,940 --> 00:04:06,950

talked about now this took place in

67

00:04:11,650 --> 00:04:09,950

Shelbyville Kentucky a home of the

68

00:04:15,250 --> 00:04:11,660

famous that chicken king at Colonel

69

00:04:19,770 --> 00:04:15,260

Sanders and yeah it was back many many

70

00:04:22,000 --> 00:04:19,780

years of ago and apparently my

71

00:04:23,920 --> 00:04:22,010

grandfather was finishing up on the

72

00:04:26,890 --> 00:04:23,930

chores for the evening and he saw this

73

00:04:29,770 --> 00:04:26,900

strange glow coming from behind a barn

74

00:04:35,260 --> 00:04:29,780

and he followed it the glow and there

75

00:04:40,060 --> 00:04:35,270

was a a soldier on a horse except that

76

00:04:45,190 --> 00:04:40,070

it was - a head now yeah horses the

77

00:04:47,740 --> 00:04:45,200

soldier a soldier well you know we've

78

00:04:49,720 --> 00:04:47,750

never had a case of a headless Oh a

79

00:04:54,730 --> 00:04:49,730

horse I mean that would be very unusual

80

00:04:57,880 --> 00:04:54,740

yeah but he'd ever like to talk about it

81

00:05:00,370 --> 00:04:57,890

because he was a very devout Baptist and

82

00:05:03,460 --> 00:05:00,380

and they believe that all things of that

83

00:05:07,090 --> 00:05:03,470

nature are probably ascent from hell and

84

00:05:09,100 --> 00:05:07,100

maybe he could be a correct but Kentucky

85

00:05:14,740 --> 00:05:09,110

was supposed to be a a neutral State

86

00:05:17,500 --> 00:05:14,750

during the Civil War but the the

87

00:05:20,650 --> 00:05:17,510

Confederate Army tried to invade and

88

00:05:23,710 --> 00:05:20,660

take over a Kentucky and they had a call

89

00:05:27,040 --> 00:05:23,720

for the Union for help so there were

90

00:05:29,680 --> 00:05:27,050

some skirmishes there and some cannon

91

00:05:31,180 --> 00:05:29,690

and fodder and and so forth so we think

92

00:05:33,700 --> 00:05:31,190

that perhaps the Confederates the

93

00:05:37,000 --> 00:05:33,710

soldier was injured

94

00:05:39,640 --> 00:05:37,010

I mean drastically during some battle

95

00:05:44,860 --> 00:05:39,650

but have no a way of proving it but it

96

00:05:47,470 --> 00:05:44,870

is a a Beckley urban and legend and

97

00:05:49,300 --> 00:05:47,480

that's an that's a good one too yeah

98

00:05:52,270 --> 00:05:49,310

yeah I've only told that story I think

99

00:05:54,550 --> 00:05:52,280

once or twice and I think we have a

100

00:05:58,180 --> 00:05:54,560

humdinger of a story coming up this

101
00:06:02,620 --> 00:05:58,190
evening oh yeah well tonight I'm happy

102
00:06:04,960 --> 00:06:02,630
that Keith Linder was gracious enough to

103
00:06:08,740 --> 00:06:04,970
make a return visit to exploring the

104
00:06:13,060 --> 00:06:08,750
bazaar keith was with us last year

105
00:06:15,700 --> 00:06:13,070
talking about his first book the Bothell

106
00:06:17,740 --> 00:06:15,710
Hill House now Keith is a IT

107
00:06:20,800 --> 00:06:17,750
professional from Texas living outside

108
00:06:23,770 --> 00:06:20,810
Seattle Washington now he's experienced

109
00:06:27,400 --> 00:06:23,780
mysterious ghostly activity on an almost

110
00:06:30,910 --> 00:06:27,410
daily basis after he and his girlfriend

111
00:06:32,770 --> 00:06:30,920
Tina moved into their new house now

112
00:06:35,230 --> 00:06:32,780
these paranormal events nearly pushed

113
00:06:37,930 --> 00:06:35,240

Keith over the edge and was directly

114

00:06:40,450 --> 00:06:37,940

responsible for the breakup with his

115

00:06:42,490 --> 00:06:40,460

girlfriend who I said was also living in

116

00:06:44,770 --> 00:06:42,500

the house with him now two independent

117

00:06:47,560 --> 00:06:44,780

paranormal teams substantiated Keith's

118

00:06:49,390 --> 00:06:47,570

claims but finally the time came when he

119

00:06:51,330 --> 00:06:49,400

decided to that was enough enough was

120

00:06:55,720 --> 00:06:51,340

enough and moved out of the house and

121

00:06:59,530 --> 00:06:55,730

into an apartment now the question that

122

00:07:04,210 --> 00:06:59,540

was left open what Keith was with us the

123

00:07:07,480 --> 00:07:04,220

last time was will the spirits follow

124

00:07:10,960 --> 00:07:07,490

him so now Keith's latest book about his

125

00:07:12,850 --> 00:07:10,970

experiences is attachments poltergeist

126

00:07:15,820 --> 00:07:12,860

of Washington State

127

00:07:17,860 --> 00:07:15,830

so maybe Keith can can answer that

128

00:07:20,290 --> 00:07:17,870

question that was left open the last

129

00:07:22,600 --> 00:07:20,300

time he was on the show so Keith welcome

130

00:07:25,900 --> 00:07:22,610

back to exploring the bizarre

131

00:07:28,150 --> 00:07:25,910

hello gentlemen thanks for having me on

132

00:07:32,040 --> 00:07:28,160

this Thursday night feels good to be

133

00:07:35,860 --> 00:07:32,050

here well indeed hey I have a question

134

00:07:39,490 --> 00:07:35,870

now I'm sure that most people listening

135

00:07:40,630 --> 00:07:39,500

in to our program have some inkling as

136

00:07:44,500 --> 00:07:40,640

to what a poltergeist

137

00:07:49,620 --> 00:07:44,510

is but have you got a definition that's

138

00:07:53,740 --> 00:07:49,630

to your liking actually I kind of like

139

00:07:55,960 --> 00:07:53,750

the old maybe current definition even

140

00:07:58,360 --> 00:07:55,970

though I will admit and I think I said

141

00:08:01,840 --> 00:07:58,370

it in my book that it might be outdated

142

00:08:06,820 --> 00:08:01,850

but it keeps it simple and what it says

143

00:08:08,770 --> 00:08:06,830

is a poltergeist is basically a noisy

144

00:08:10,810 --> 00:08:08,780

ghost even though we know now that

145

00:08:13,450 --> 00:08:10,820

Portuguese really don't fit into the

146

00:08:16,210 --> 00:08:13,460

category of ghost but we're splitting

147

00:08:19,090 --> 00:08:16,220

hairs there but basically a noisy ghost

148

00:08:21,300 --> 00:08:19,100

in the word poltergeists

149

00:08:23,710 --> 00:08:21,310

when you separate those or German words

150

00:08:27,010 --> 00:08:23,720

one means ghost and the other one means

151
00:08:29,140 --> 00:08:27,020
a noisemaker so therefore there you have

152
00:08:31,510 --> 00:08:29,150
it I mean it keeps it simple in the

153
00:08:35,219 --> 00:08:31,520
sense of you can almost define

154
00:08:38,800 --> 00:08:35,229
Portuguese with one sentence however

155
00:08:42,040 --> 00:08:38,810
like I say at the description far

156
00:08:44,650 --> 00:08:42,050
exceeds what we know what we define it

157
00:08:49,600 --> 00:08:44,660
as because like I said porcha guys do

158
00:08:52,540 --> 00:08:49,610
more than just make noise well I

159
00:08:57,160 --> 00:08:52,550
understand now I I have here probably

160
00:08:59,470 --> 00:08:57,170
one of the best scientific or a pair of

161
00:09:00,850 --> 00:08:59,480
psychological reports that I have ever

162
00:09:03,340 --> 00:09:00,860
seen

163
00:09:06,160 --> 00:09:03,350

involving a case and it had quite a

164

00:09:08,740 --> 00:09:06,170

number of researchers involved in

165

00:09:12,490 --> 00:09:08,750

drafting this copy it's called the

166

00:09:15,880 --> 00:09:12,500

demons in Seattle case the Washington

167

00:09:18,280 --> 00:09:15,890

State poltergeist and this in itself I

168

00:09:21,370 --> 00:09:18,290

mean it's not a book but the staple

169

00:09:23,560 --> 00:09:21,380

barely fits through all the the pages

170

00:09:26,710 --> 00:09:23,570

and it's very well illustrated with all

171

00:09:31,050 --> 00:09:26,720

the other things that went on in the

172

00:09:34,510 --> 00:09:31,060

house where you live now was this house

173

00:09:36,280 --> 00:09:34,520

in the Seattle proper or in the suburbs

174

00:09:39,910 --> 00:09:36,290

or how would you classify the

175

00:09:44,230 --> 00:09:39,920

neighborhood Seattle suburbs Bothell

176

00:09:53,110 --> 00:09:44,240

Washington is about 30 minutes north

177

00:09:55,329 --> 00:09:53,120

east of Seattle and how did you it did

178

00:09:57,069 --> 00:09:55,339

something occur like pretty much right

179

00:10:01,410 --> 00:09:57,079

away when you moved in and how long ago

180

00:10:05,230 --> 00:10:01,420

was that me Tina moved in May 1st of

181

00:10:07,449 --> 00:10:05,240

2012 and the interesting thing where

182

00:10:10,780 --> 00:10:07,459

this sort of parts ways with the current

183

00:10:13,600 --> 00:10:10,790

understanding of Portuguese is we begin

184

00:10:15,990 --> 00:10:13,610

experiencing phenomena right away

185

00:10:18,790 --> 00:10:16,000

most people who have Portuguese

186

00:10:21,490 --> 00:10:18,800

encounters have been in a location a

187

00:10:25,689 --> 00:10:21,500

while there's been a change either in

188

00:10:30,639 --> 00:10:25,699

the the home be it financial spiritual

189

00:10:33,220 --> 00:10:30,649

mental physical in the home including

190

00:10:35,550 --> 00:10:33,230

home renovations that generally the rule

191

00:10:38,769 --> 00:10:35,560

of thumb is or the theory is that I

192

00:10:41,889 --> 00:10:38,779

conjure up at Portuguese activity

193

00:10:44,350 --> 00:10:41,899

manteno or the contrary to the rule and

194

00:10:46,930 --> 00:10:44,360

then when we moved in this house was

195

00:10:50,050 --> 00:10:46,940

virtually brand-new was built in 2008

196

00:10:54,670 --> 00:10:50,060

and we start having phenomena on day 1

197

00:10:57,309 --> 00:10:54,680

and okay so now the among the phenomena

198

00:11:00,309 --> 00:10:57,319

that's reportedly occurred there where

199

00:11:04,170 --> 00:11:00,319

apparitions Airport's object

200

00:11:07,780 --> 00:11:04,180

manipulation incendiary conditions

201
00:11:09,910 --> 00:11:07,790
audible phenomena of phenomena physical

202
00:11:13,110 --> 00:11:09,920
interaction apparitions electrical

203
00:11:16,079 --> 00:11:13,120
disturbances physical manifestations and

204
00:11:19,929 --> 00:11:16,089
interactions that's a mouthful

205
00:11:22,389 --> 00:11:19,939
okay so okay so the first night you had

206
00:11:24,309 --> 00:11:22,399
a little bit of hanky-panky going on in

207
00:11:27,329 --> 00:11:24,319
the in a household what wouldn't if

208
00:11:33,009 --> 00:11:27,339
things really start to go bang bang bang

209
00:11:36,550 --> 00:11:33,019
the gloves came off big time spring

210
00:11:39,759 --> 00:11:36,560
early spring of 2014 and by big time I

211
00:11:43,689 --> 00:11:39,769
mean large furniture I mean looking at

212
00:11:46,000 --> 00:11:43,699
our kitchen armoire or a credenza with

213
00:11:48,100 --> 00:11:46,010

flying across the room not levitating I

214

00:11:50,939 --> 00:11:48,110

mean flying across the room we're

215

00:11:53,350 --> 00:11:50,949

talking about 10 or 12 feet

216

00:11:56,319 --> 00:11:53,360

and I mean did you think to yourself

217

00:11:58,329 --> 00:11:56,329

holy cow that there's got to be a spirit

218

00:12:01,780 --> 00:11:58,339

here or did you think yet maybe there

219

00:12:06,699 --> 00:12:01,790

were some earth tremors going on no we

220

00:12:08,920 --> 00:12:06,709

knew we 2014 when the credenza woke us

221

00:12:11,980 --> 00:12:08,930

up because it flowed through the hallway

222

00:12:15,670 --> 00:12:11,990

we knew the spirits were back Oh

223

00:12:18,579 --> 00:12:15,680

summer 2012 the year we moved in we had

224

00:12:22,420 --> 00:12:18,589

come to the conclusion the house was

225

00:12:25,540 --> 00:12:22,430

haunted when the plant levitated by the

226

00:12:30,040 --> 00:12:25,550

TV but we had had you know local

227

00:12:31,449 --> 00:12:30,050

churches assisting us trying to quiet

228

00:12:33,759 --> 00:12:31,459

the house and wasn't the term

229

00:12:36,519 --> 00:12:33,769

poltergeist we were totally oblivious to

230

00:12:39,069 --> 00:12:36,529

we thought it was some kid ghosts a kid

231

00:12:41,439 --> 00:12:39,079

spirit based on the kid coughing we

232

00:12:43,569 --> 00:12:41,449

heard on day one but once again that

233

00:12:45,999 --> 00:12:43,579

fits the mo of poltergeist meaning

234

00:12:49,119 --> 00:12:46,009

things start off gradually and then

235

00:12:51,460 --> 00:12:49,129

there's a crescendo there's a peak of

236

00:12:53,319 --> 00:12:51,470

activity that's unbelievable to the

237

00:12:56,079 --> 00:12:53,329

naked eye and that's what I just

238

00:12:58,480 --> 00:12:56,089

described to you of the credenza flying

239

00:13:01,540 --> 00:12:58,490

across one side of the room to the other

240

00:13:05,079 --> 00:13:01,550

and I had that happen multiple times so

241

00:13:08,410 --> 00:13:05,089

you we saw that we knew they were back

242

00:13:10,809 --> 00:13:08,420

and just like other cases say when they

243

00:13:13,809 --> 00:13:10,819

come back a second time it's always

244

00:13:15,939 --> 00:13:13,819

worse than a previous encounter well now

245

00:13:22,470 --> 00:13:15,949

okay you say that the house was

246

00:13:29,679 --> 00:13:22,480

relatively new that it was built in 2008

247

00:13:32,019 --> 00:13:29,689

yes okay well okay yeah yeah what kind

248

00:13:32,470 --> 00:13:32,029

of poltergeist could be I mean why why

249

00:13:36,309 --> 00:13:32,480

worry

250

00:13:38,470 --> 00:13:36,319

why was the place spook well that's if

251
00:13:39,939 --> 00:13:38,480
you saw the report that was in the

252
00:13:42,629 --> 00:13:39,949
documentary that was one of the

253
00:13:45,879 --> 00:13:42,639
perplexing questions for

254
00:13:48,519 --> 00:13:45,889
parapsychologist Steve Mehra and is our

255
00:13:51,369 --> 00:13:48,529
Phillips because they had been in other

256
00:13:54,369 --> 00:13:51,379
homes of Portugese cases were running

257
00:13:57,689 --> 00:13:54,379
rampant and here you have a relatively

258
00:13:59,740 --> 00:13:57,699
brand-new house and you don't have any

259
00:14:02,590 --> 00:13:59,750
incinerated conditions you don't have

260
00:14:03,369 --> 00:14:02,600
any vexation of the house occupants

261
00:14:07,779 --> 00:14:03,379
maybe of theirs

262
00:14:09,429 --> 00:14:07,789
Oh appears of stress strife and whatnot

263
00:14:13,449 --> 00:14:09,439

that maybe you know theoretically that

264

00:14:17,769 --> 00:14:13,459

could be conjuring up PK RRSP k or

265

00:14:20,229 --> 00:14:17,779

telekinesis so they had to sort of pivot

266

00:14:23,139 --> 00:14:20,239

and leave that paradigm alone for a

267

00:14:26,289 --> 00:14:23,149

while because now if you see the

268

00:14:27,489 --> 00:14:26,299

conclusion of Steve's report and if you

269

00:14:29,919 --> 00:14:27,499

asked him he said yeah this is a

270

00:14:32,679 --> 00:14:29,929

portrait guys environmental clearly

271

00:14:35,649 --> 00:14:32,689

state that but he said a little it looks

272

00:14:39,629 --> 00:14:35,659

to be linked to the land what he

273

00:14:43,809 --> 00:14:39,639

classifies as Li H which is land or

274

00:14:45,189 --> 00:14:43,819

localized intelligent haunting because

275

00:14:49,269 --> 00:14:45,199

what you basically have is you have a

276

00:14:51,399 --> 00:14:49,279

phenomena happening in a home and both

277

00:14:53,859 --> 00:14:51,409

teams found evidence inside and outside

278

00:14:56,049 --> 00:14:53,869

the home they spent a lot of time

279

00:14:59,199 --> 00:14:56,059

researching the county records city

280

00:15:02,079 --> 00:14:59,209

records going into the forest to the

281

00:15:06,789 --> 00:15:02,089

creek behind the home and got valuable

282

00:15:07,960 --> 00:15:06,799

EVPs and got spirits to admit of EVP

283

00:15:10,059 --> 00:15:07,970

why's that

284

00:15:13,840 --> 00:15:10,069

yeah we're here we've been here a while

285

00:15:16,419 --> 00:15:13,850

and I'm paraphrasing but we're sort of

286

00:15:18,639 --> 00:15:16,429

you know doing what we do because of the

287

00:15:23,319 --> 00:15:18,649

land and it's it's the land stupid was

288

00:15:25,809 --> 00:15:23,329

what the my okay what what okay what's

289

00:15:29,259 --> 00:15:25,819

what's unique about the the land are we

290

00:15:34,239 --> 00:15:29,269

talking about Native American sacred

291

00:15:36,729 --> 00:15:34,249

ground or burial ground er yes Bothell

292

00:15:38,769 --> 00:15:36,739

Washington anything I say today

293

00:15:42,009 --> 00:15:38,779

individuals listening tonight in Google

294

00:15:44,829 --> 00:15:42,019

and research online Bothell Washington a

295

00:15:47,859 --> 00:15:44,839

case in the Houmas County if you go back

296

00:15:49,719 --> 00:15:47,869

to the early mid 1800s this was a

297

00:15:52,179 --> 00:15:49,729

heavily populated Native American area

298

00:15:54,989 --> 00:15:52,189

like certain parts of the US

299

00:15:59,079 --> 00:15:54,999

what makes Martha Washington interesting

300

00:16:02,319 --> 00:15:59,089

to this area to this conversation is the

301
00:16:05,079 --> 00:16:02,329
level of small pot outbreaks that took

302
00:16:07,619 --> 00:16:05,089
place in the mid-1800s as well as the

303
00:16:10,539 --> 00:16:07,629
Puget Sound of Pacific Northwest

304
00:16:14,499 --> 00:16:10,549
Washington and where a lot of Native

305
00:16:16,809 --> 00:16:14,509
Americans unfortunately were put in mass

306
00:16:19,210 --> 00:16:16,819
graves were totally

307
00:16:21,159 --> 00:16:19,220
left alone to deal with their smallpox

308
00:16:23,859 --> 00:16:21,169
and I put a lot of that in my second

309
00:16:27,369 --> 00:16:23,869
book I spent a lot of time maybe four

310
00:16:30,969 --> 00:16:27,379
chapters in book two talking about that

311
00:16:33,519 --> 00:16:30,979
what is what what is the the book called

312
00:16:36,639 --> 00:16:33,529
some people can google it yeah the

313
00:16:39,090 --> 00:16:36,649

second book is called attachments -

314

00:16:41,229 --> 00:16:39,100

poetry guys of washington state

315

00:16:43,829 --> 00:16:41,239

part two the first we're being

316

00:16:46,659 --> 00:16:43,839

attachments dealing with the question of

317

00:16:48,669 --> 00:16:46,669

was i followed and what's going on on my

318

00:16:52,179 --> 00:16:48,679

new location so it felt fitting to name

319

00:16:54,489 --> 00:16:52,189

it that the word attachments so i poach

320

00:16:57,369 --> 00:16:54,499

aggressive washington state part two is

321

00:16:59,829 --> 00:16:57,379

its subtitle well yeah washington state

322

00:17:02,919 --> 00:16:59,839

seems to have a history of some pretty

323

00:17:06,730 --> 00:17:02,929

weird - and Anakin's there you've got of

324

00:17:10,389 --> 00:17:06,740

course kenneth Arnold's UFO sightings by

325

00:17:12,549 --> 00:17:10,399

Mount Rainier in 1947 that started all

326

00:17:15,189 --> 00:17:12,559

the flying saucer business and a few

327

00:17:18,329 --> 00:17:15,199

days before actually was the Mauri

328

00:17:21,850 --> 00:17:18,339

Island incident where this object a

329

00:17:24,249 --> 00:17:21,860

supposedly exploded and some shag came

330

00:17:26,860 --> 00:17:24,259

down and slide came down and killed the

331

00:17:30,100 --> 00:17:26,870

the dog on the boat and yeah the men and

332

00:17:31,659 --> 00:17:30,110

black showed up and all that and then in

333

00:17:34,990 --> 00:17:31,669

our own book that we just came out

334

00:17:36,460 --> 00:17:35,000

recently with the UFOs deja vu we talked

335

00:17:38,350 --> 00:17:36,470

about all these places around the

336

00:17:43,139 --> 00:17:38,360

country some of which are on the Native

337

00:17:45,700 --> 00:17:43,149

American land we mentioned the Yakima

338

00:17:48,100 --> 00:17:45,710

Washington where where they actually

339

00:17:50,289 --> 00:17:48,110

even built a UFO tower sky watch tower

340

00:17:53,470 --> 00:17:50,299

where people were watching these things

341

00:17:57,070 --> 00:17:53,480

on a regular basis these glowing orbs

342

00:17:59,110 --> 00:17:57,080

coming you know in and out so that

343

00:18:02,200 --> 00:17:59,120

they're they're coming out of some other

344

00:18:05,310 --> 00:18:02,210

dimension or or whatever now are you

345

00:18:07,899 --> 00:18:05,320

satisfied that these poltergeists or

346

00:18:11,649 --> 00:18:07,909

deceased spirits or could they be some

347

00:18:15,310 --> 00:18:11,659

other sort of phenomena well for this

348

00:18:18,940 --> 00:18:15,320

house in this house particularly it's

349

00:18:20,940 --> 00:18:18,950

really several things going on and and I

350

00:18:25,210 --> 00:18:20,950

sent up based on the evidence uncovered

351

00:18:30,400 --> 00:18:25,220

this house had a percentage of residual

352

00:18:33,970 --> 00:18:30,410

activity stone Tate theory activity

353

00:18:37,780 --> 00:18:33,980

there was a lot of of course malevolent

354

00:18:40,870 --> 00:18:37,790

activity some demonic definitely

355

00:18:44,590 --> 00:18:40,880

poltergeist activity I mentioned on book

356

00:18:46,690 --> 00:18:44,600

about multiple apparition sightings you

357

00:18:50,680 --> 00:18:46,700

said at the beginning of your show about

358

00:18:54,490 --> 00:18:50,690

minions and I throw very detail about

359

00:18:59,890 --> 00:18:54,500

the minions in the book who I listed as

360

00:19:02,530 --> 00:18:59,900

having 85 percent responsibility for the

361

00:19:06,730 --> 00:19:02,540

activity that we had but if you just

362

00:19:08,500 --> 00:19:06,740

take the sum of it all they all will fit

363

00:19:09,700 --> 00:19:08,510

under the banner of pocha guys once

364

00:19:13,300 --> 00:19:09,710

again going through the simplest

365

00:19:16,840 --> 00:19:13,310

definition out there but it was just a

366

00:19:18,790 --> 00:19:16,850

whole lot of stuff based on the EVPs and

367

00:19:21,160 --> 00:19:18,800

the evidence that I found but the

368

00:19:23,170 --> 00:19:21,170

researchers themselves and Steve man has

369

00:19:25,270 --> 00:19:23,180

his own assessment and when asked he

370

00:19:26,650 --> 00:19:25,280

will tell you it was nothing like he's

371

00:19:29,830 --> 00:19:26,660

ever encountered in previous

372

00:19:32,170 --> 00:19:29,840

investigations Don Philips the same way

373

00:19:35,200 --> 00:19:32,180

in the sense that you just have a bowl

374

00:19:37,810 --> 00:19:35,210

of different phenomena that really goes

375

00:19:40,900 --> 00:19:37,820

against the parent paradigm of what we

376

00:19:45,250 --> 00:19:40,910

think poltergeists are now some have

377

00:19:48,220 --> 00:19:45,260

some of these events been videotaped yes

378

00:19:51,010 --> 00:19:48,230

a lot even dawn through their

379

00:19:53,890 --> 00:19:51,020

investigative methods with Nick Carr who

380

00:19:56,610 --> 00:19:53,900

was then the president of the SSP are

381

00:19:59,890 --> 00:19:56,620

out of Scotland were able to catch

382

00:20:01,660 --> 00:19:59,900

capture some of the shadowy figures and

383

00:20:03,880 --> 00:20:01,670

I think that was in your report maybe a

384

00:20:07,180 --> 00:20:03,890

page or page a couple of pages where you

385

00:20:10,990 --> 00:20:07,190

see shadows and the frames about 21 odd

386

00:20:13,090 --> 00:20:11,000

frames of Shadows which I saw with my

387

00:20:15,910 --> 00:20:13,100

own naked eye so I was able to vouch for

388

00:20:18,160 --> 00:20:15,920

it immediately where their infrared

389

00:20:20,830 --> 00:20:18,170

devices picked up these shadows in my

390

00:20:23,500 --> 00:20:20,840

hallway going left to right right to

391

00:20:25,600 --> 00:20:23,510

left on the camera and individuals could

392

00:20:27,760 --> 00:20:25,610

see that in the report you can see it on

393

00:20:29,560 --> 00:20:27,770

my YouTube channel and they can see it

394

00:20:31,660 --> 00:20:29,570

in both books and that's like I said

395

00:20:34,150 --> 00:20:31,670

that's why I just I refer to as the

396

00:20:36,850 --> 00:20:34,160

minions because they're about a foot in

397

00:20:39,850 --> 00:20:36,860

height they're very opaque

398

00:20:42,620 --> 00:20:39,860

they're very charcoal black I call them

399

00:20:46,970 --> 00:20:42,630

about a black as a trillion Midnight's

400

00:20:50,030 --> 00:20:46,980

and there's a lot of I can tell you

401
00:20:53,060 --> 00:20:50,040
right now there's a lot of them there

402
00:20:57,260 --> 00:20:53,070
was a lot of them are they are they all

403
00:21:06,140 --> 00:20:57,270
acting in consortium is that the right

404
00:21:07,670 --> 00:21:06,150
word I mean yes yes we're very I mean

405
00:21:10,190 --> 00:21:07,680
they're organized some of my team

406
00:21:13,760 --> 00:21:10,200
members at work but they are they're

407
00:21:16,610 --> 00:21:13,770
very unison they're very each one knows

408
00:21:19,520 --> 00:21:16,620
its individual role they don't stray or

409
00:21:20,930 --> 00:21:19,530
deviate from the what I call the plan

410
00:21:24,580 --> 00:21:20,940
which is to raise hell for the house

411
00:21:28,940 --> 00:21:24,590
occupants and like I said they were

412
00:21:32,450 --> 00:21:28,950
responsible for 85% of the activity mmmm

413
00:21:35,240 --> 00:21:32,460

the burning Bibles the wall writings the

414

00:21:38,440 --> 00:21:35,250

burning cross on the wall the objects

415

00:21:44,000 --> 00:21:38,450

being thrown the poking and prodding

416

00:21:46,490 --> 00:21:44,010

yeah well you know are a close associate

417

00:21:48,920 --> 00:21:46,500

to hear a wall you know now you know

418

00:21:50,450 --> 00:21:48,930

he's been involved in the he was in the

419

00:21:55,310 --> 00:21:50,460

end and beginning their days are

420

00:21:57,560 --> 00:21:55,320

associated with that the Warrens but I

421

00:22:00,470 --> 00:21:57,570

don't know you know he said that the

422

00:22:03,320 --> 00:22:00,480

more you bought out the holy water and

423

00:22:06,140 --> 00:22:03,330

the the crosses and the Bibles the more

424

00:22:09,290 --> 00:22:06,150

irritated and I'm not just the the

425

00:22:11,900 --> 00:22:09,300

spirit God and sometimes you can use a

426

00:22:15,470 --> 00:22:11,910

little bit of humor and stuff to to

427

00:22:18,380 --> 00:22:15,480

persuade them to be a less of a violent

428

00:22:21,410 --> 00:22:18,390

or valiant in their attempts to to scare

429

00:22:24,500 --> 00:22:21,420

people the the the the holy water and

430

00:22:26,210 --> 00:22:24,510

all just seem to to egg them on yeah

431

00:22:27,830 --> 00:22:26,220

it's like throwing gasoline on the fire

432

00:22:29,600 --> 00:22:27,840

where were malevolent spirits are

433

00:22:33,920 --> 00:22:29,610

concerned because yeah we try holy water

434

00:22:35,990 --> 00:22:33,930

you try Bibles you try crosses and they

435

00:22:39,590 --> 00:22:36,000

just turn around and throw it back at

436

00:22:41,870 --> 00:22:39,600

you did you see this I mean do you see

437

00:22:44,150 --> 00:22:41,880

this as a religious thing is a being

438

00:22:48,110 --> 00:22:44,160

above a safe or where is that just a

439

00:22:49,790 --> 00:22:48,120

kind of a cover-up a camouflage I really

440

00:22:51,440 --> 00:22:49,800

think based on what I know about the

441

00:22:53,390 --> 00:22:51,450

land underneath the house and how the

442

00:22:54,650 --> 00:22:53,400

Native Americans were tree to keep them

443

00:22:56,810 --> 00:22:54,660

out when the Native American

444

00:22:59,780 --> 00:22:56,820

most of the more early treated because

445

00:23:01,850 --> 00:22:59,790

they were not had Christianity so you

446

00:23:04,820 --> 00:23:01,860

have to think about is either convert or

447

00:23:08,390 --> 00:23:04,830

die and here I come you know a century

448

00:23:11,330 --> 00:23:08,400

later with my Bible or my cross and yeah

449

00:23:16,130 --> 00:23:11,340

they're not having their well here comes

450

00:23:26,420 --> 00:23:16,140

our guy with his cross so we'll be back

451
00:23:29,660 --> 00:23:26,430
in just a few minutes now back to

452
00:23:31,700 --> 00:23:29,670
exploring the bazaars with two of the

453
00:23:35,090 --> 00:23:31,710
most electrifying researchers in the

454
00:23:40,190 --> 00:23:35,100
Paranoid your hosts Timothy Becca Lee

455
00:23:41,600 --> 00:23:40,200
and Kings was welcome back to exploring

456
00:23:44,570 --> 00:23:41,610
the bizarre I'm Tim Schwartz

457
00:23:45,020 --> 00:23:44,580
tonight our guest is Keith Linder now

458
00:23:47,780 --> 00:23:45,030
Keith

459
00:23:50,600 --> 00:23:47,790
is the author of the two books the

460
00:23:53,600 --> 00:23:50,610
Bothell Hill House and attachments

461
00:23:57,200 --> 00:23:53,610
poltergeist of Washington state both of

462
00:24:03,320 --> 00:23:57,210
these books deal with his experiences

463
00:24:06,800 --> 00:24:03,330

living in a like a super uber haunted

464

00:24:11,000 --> 00:24:06,810

house it's it's it's like the

465

00:24:14,510 --> 00:24:11,010

penultimate of halted haunted houses so

466

00:24:19,130 --> 00:24:14,520

now Keith we alluded to this at the

467

00:24:23,540 --> 00:24:19,140

beginning of the program you have you

468

00:24:27,200 --> 00:24:23,550

did move from this house so was that it

469

00:24:30,740 --> 00:24:27,210

after you moved everything was was nice

470

00:24:34,460 --> 00:24:30,750

and quiet and and and your life is now

471

00:24:37,100 --> 00:24:34,470

hunky-dory or did did these things

472

00:24:40,370 --> 00:24:37,110

decide that they liked you too much and

473

00:24:42,980 --> 00:24:40,380

decided to go with you well they decided

474

00:24:46,280 --> 00:24:42,990

they liked me too much and they sort of

475

00:24:48,530 --> 00:24:46,290

beat me there matter of fact because and

476
00:24:51,680 --> 00:24:48,540
keep them with the theme of you know for

477
00:24:53,300 --> 00:24:51,690
years prior of activities starting the

478
00:24:56,240 --> 00:24:53,310
day we moved in or the day we got the

479
00:24:58,250 --> 00:24:56,250
keys to the home the water puddle

480
00:25:00,980 --> 00:24:58,260
phenomena which fits under portrait guys

481
00:25:03,890 --> 00:25:00,990
reported cases of mysterious water

482
00:25:07,550 --> 00:25:03,900
leaking from the ceiling and the surface

483
00:25:08,310 --> 00:25:07,560
is dry and there's no known source that

484
00:25:12,600 --> 00:25:08,320
happened on day

485
00:25:14,789 --> 00:25:12,610
- of moving in and I put the report that

486
00:25:17,190 --> 00:25:14,799
the maintenance guys and the the

487
00:25:20,100 --> 00:25:17,200
landlord and the tenant and the manager

488
00:25:22,740 --> 00:25:20,110

because they responded to them my 9-1-1

489

00:25:25,980 --> 00:25:22,750

call of a water leakage was early

490

00:25:29,519 --> 00:25:25,990

morning but yeah and i was on day two of

491

00:25:31,080 --> 00:25:29,529

this weird water apparent and phenomena

492

00:25:34,350 --> 00:25:31,090

dripping down the walls dripping down

493

00:25:38,370 --> 00:25:34,360

the ceiling and i'm i took that as a

494

00:25:41,669 --> 00:25:38,380

message of hey we're here you can't

495

00:25:42,899 --> 00:25:41,679

shake us you got a smaller place so

496

00:25:47,999 --> 00:25:42,909

we're all gonna be kind of crowded

497

00:25:53,190 --> 00:25:48,009

together but we're here and yeah well i

498

00:25:55,590 --> 00:25:53,200

saw is the is the activity as as

499

00:26:01,470 --> 00:25:55,600

powerful as what's going on in the

500

00:26:03,840 --> 00:26:01,480

original house the activity was a

501
00:26:08,100 --> 00:26:03,850
powerful even while it stephen dawn were

502
00:26:10,259 --> 00:26:08,110
there and even when i was leaving i will

503
00:26:12,749 --> 00:26:10,269
put it at a level one compared to a

504
00:26:15,509 --> 00:26:12,759
level five the activity upon me leaving

505
00:26:18,330 --> 00:26:15,519
the home i'm at the bottle home was

506
00:26:20,610 --> 00:26:18,340
about a level one the activity when i

507
00:26:23,700 --> 00:26:20,620
moved to my new location was

508
00:26:26,700 --> 00:26:23,710
significantly lower than that and that's

509
00:26:28,950 --> 00:26:26,710
understandable in the sense of it's just

510
00:26:31,430 --> 00:26:28,960
me there one thing I notice about

511
00:26:33,899 --> 00:26:31,440
Portuguese on the Netherlands spirits

512
00:26:38,039 --> 00:26:33,909
they really like it when it's two or

513
00:26:40,019 --> 00:26:38,049

more one person yeah okay but they a lot

514

00:26:43,649 --> 00:26:40,029

of the phenomena they did to me in teen

515

00:26:46,820 --> 00:26:43,659

ups we helped them indirectly man Tina

516

00:26:50,159 --> 00:26:46,830

just just our presence our energy our

517

00:26:52,950 --> 00:26:50,169

synergy it's easy to pivot off one and

518

00:26:54,299 --> 00:26:52,960

the other and I'd notice when it was

519

00:26:55,740 --> 00:26:54,309

just even when I was living at home at

520

00:26:57,629 --> 00:26:55,750

year and a half by myself because Tina

521

00:27:00,360 --> 00:26:57,639

moved out a year and that before I did

522

00:27:02,129 --> 00:27:00,370

I noticed the activity died down

523

00:27:06,840 --> 00:27:02,139

significantly but there was no knives

524

00:27:11,039 --> 00:27:06,850

being thrown anymore no fires no Bibles

525

00:27:14,220 --> 00:27:11,049

being taken or burnt however there were

526

00:27:17,820 --> 00:27:14,230

still what I talk about even to this day

527

00:27:19,860 --> 00:27:17,830

there's probably the worst feeling of

528

00:27:22,049 --> 00:27:19,870

all and I still go through this is the

529

00:27:25,410 --> 00:27:22,059

poking and the pry

530

00:27:28,710 --> 00:27:25,420

while sleeping the heart beats the

531

00:27:32,130 --> 00:27:28,720

phantom heart beats underneath both bed

532

00:27:33,840 --> 00:27:32,140

and pillow even now and I and I've since

533

00:27:37,290 --> 00:27:33,850

moved from that location to a newer

534

00:27:41,040 --> 00:27:37,300

location and that happens in hotels I

535

00:27:44,040 --> 00:27:41,050

travel about in on business the poking

536

00:27:46,350 --> 00:27:44,050

and prodding the sheet tugging the

537

00:27:49,169 --> 00:27:46,360

electrical issues have never stopped so

538

00:27:51,110 --> 00:27:49,179

that phenomena even electrical issues in

539

00:27:53,549 --> 00:27:51,120

my car

540

00:27:57,150 --> 00:27:53,559

occasionally at work we had a phenomena

541

00:27:59,790 --> 00:27:57,160

and work last week that was weird and my

542

00:28:02,669 --> 00:27:59,800

IT guys and people I work with who know

543

00:28:05,430 --> 00:28:02,679

this story who know my ordeal even they

544

00:28:06,540 --> 00:28:05,440

admit that's just weird you know you're

545

00:28:09,180 --> 00:28:06,550

in the conference room giving a

546

00:28:12,600 --> 00:28:09,190

PowerPoint and things just go haywire go

547

00:28:14,930 --> 00:28:12,610

weird elevator malfunction they gotta

548

00:28:17,580 --> 00:28:14,940

call the technician down talking about a

549

00:28:20,370 --> 00:28:17,590

high-rise building and a five million

550

00:28:22,020 --> 00:28:20,380

dollar elevator cart and the technician

551
00:28:24,330 --> 00:28:22,030
scratching his head about the electrical

552
00:28:29,100 --> 00:28:24,340
issues in the elevator

553
00:28:31,860 --> 00:28:29,110
so those things yeah is it worse or less

554
00:28:34,490 --> 00:28:31,870
worse I don't like to compare it to the

555
00:28:37,890 --> 00:28:34,500
bottle houses it was a different dynamic

556
00:28:40,650 --> 00:28:37,900
this dynamic is just me by myself

557
00:28:43,919 --> 00:28:40,660
or an occasional group of friends like a

558
00:28:46,799 --> 00:28:43,929
house party or happy hour or patio

559
00:28:50,940 --> 00:28:46,809
barbecue but if you ask me which is

560
00:28:54,120 --> 00:28:50,950
worse I would have to say probably based

561
00:28:56,549 --> 00:28:54,130
on the level of spontaneity and the

562
00:28:57,990 --> 00:28:56,559
surprise surprise the Buffalo house is

563
00:29:00,810 --> 00:28:58,000

always going to edge out when I go

564

00:29:03,270 --> 00:29:00,820

through now because fires large objects

565

00:29:05,820 --> 00:29:03,280

being thrown chef knives your house

566

00:29:07,320 --> 00:29:05,830

exploding light fixtures that went off

567

00:29:08,669 --> 00:29:07,330

for about three and a half years and we

568

00:29:11,610 --> 00:29:08,679

lived in a house for four years that

569

00:29:15,000 --> 00:29:11,620

went on for at least 75% of the time

570

00:29:19,200 --> 00:29:15,010

while in the home this is no comparison

571

00:29:20,940 --> 00:29:19,210

to that but at the same time it gets on

572

00:29:24,060 --> 00:29:20,950

your nerves it's more of an irritant you

573

00:29:27,900 --> 00:29:24,070

know I call it up it's like a gnat or

574

00:29:32,460 --> 00:29:27,910

mosquito that you can't get rid of or

575

00:29:34,290 --> 00:29:32,470

fly yeah which which is probably what

576

00:29:35,170 --> 00:29:34,300

they're trying to do you know irritate

577

00:29:40,750 --> 00:29:35,180

you you know

578

00:29:42,400 --> 00:29:40,760

strong emotion you know and they they

579

00:29:43,960 --> 00:29:42,410

feed off of that that's I mean that's

580

00:29:46,120 --> 00:29:43,970

that's one of the things that you know

581

00:29:49,480 --> 00:29:46,130

Paul you know says is that these things

582

00:29:51,670 --> 00:29:49,490

you know feed off of the emotions that

583

00:29:55,450 --> 00:29:51,680

they that they elicit from you oh

584

00:29:57,520 --> 00:29:55,460

definitely and I can tell and I'm a calm

585

00:30:01,300 --> 00:29:57,530

cool collected God tried to be and I

586

00:30:03,940 --> 00:30:01,310

could tell it might be a bit irritated

587

00:30:07,270 --> 00:30:03,950

them because like I said there's no Tina

588

00:30:10,540 --> 00:30:07,280

or other girlfriend to pivot off of to

589

00:30:13,060 --> 00:30:10,550

make it easier to raise the frustration

590

00:30:14,680 --> 00:30:13,070

level versus just one person it's hard

591

00:30:16,930 --> 00:30:14,690

to be mad at yourself when you little ow

592

00:30:19,570 --> 00:30:16,940

it's hard to be curse yourself out it's

593

00:30:21,010 --> 00:30:19,580

hard to you know scream at the wall or

594

00:30:24,100 --> 00:30:21,020

ceiling when you're living by yourself

595

00:30:26,170 --> 00:30:24,110

so I know they're trying to you know

596

00:30:28,510 --> 00:30:26,180

they would love to go to that next level

597

00:30:31,230 --> 00:30:28,520

and I just saw Star Wars last so they

598

00:30:33,760 --> 00:30:31,240

would love for me to go dark side

599

00:30:36,270 --> 00:30:33,770

go dark psyche go yeah give it to the

600

00:30:39,370 --> 00:30:36,280

give it give it to us give it to us but

601
00:30:42,100 --> 00:30:39,380
one person living alone makes that hard

602
00:30:47,440 --> 00:30:42,110
to do at least I think so alright and

603
00:30:50,140 --> 00:30:47,450
and and and this phenomena has also kind

604
00:30:52,660 --> 00:30:50,150
of followed other people that that

605
00:30:53,980 --> 00:30:52,670
you've associated with you know friends

606
00:30:56,110 --> 00:30:53,990
maybe like a veil you know though

607
00:30:58,030 --> 00:30:56,120
they'll find that they're their own

608
00:30:58,720 --> 00:30:58,040
house will have you know some things

609
00:31:02,850 --> 00:30:58,730
happen

610
00:31:06,250 --> 00:31:02,860
yeah it's run its run a few potential

611
00:31:09,970 --> 00:31:06,260
Tina replacements off and I listed those

612
00:31:12,790 --> 00:31:09,980
examples in my book in the sense of

613
00:31:14,710 --> 00:31:12,800

people who I meet you know trying to get

614

00:31:18,700 --> 00:31:14,720

my life together and back the way I had

615

00:31:20,680 --> 00:31:18,710

a prior had their own stories to tell of

616

00:31:24,850 --> 00:31:20,690

when they got get back to their

617

00:31:26,440 --> 00:31:24,860

respective houses or if they show a what

618

00:31:30,190 --> 00:31:26,450

I call a significant interest in my

619

00:31:33,370 --> 00:31:30,200

story or my case it takes them within 48

620

00:31:37,360 --> 00:31:33,380

hours or 72 hours to have phenomena

621

00:31:39,790 --> 00:31:37,370

happening at their place some have seen

622

00:31:44,320 --> 00:31:39,800

what going back to the minions with

623

00:31:46,870 --> 00:31:44,330

their own eyes at my place and yeah they

624

00:31:47,299 --> 00:31:46,880

get seeing is really believing because I

625

00:31:49,639 --> 00:31:47,309

could tell

626

00:31:51,789 --> 00:31:49,649

you two of the individuals I'm talking

627

00:31:55,340 --> 00:31:51,799

about girls I've dated previously

628

00:31:57,200 --> 00:31:55,350

actually said that you know hey not

629

00:31:58,850 --> 00:31:57,210

gonna scare me blah but I don't believe

630

00:32:01,610 --> 00:31:58,860

in that stuff or hey I believe in that

631

00:32:05,080 --> 00:32:01,620

stuff but not gonna scare it my faith is

632

00:32:09,710 --> 00:32:05,090

what it is not gonna do it until until

633

00:32:11,989 --> 00:32:09,720

they see the minion what I call the

634

00:32:15,139 --> 00:32:11,999

minions face to face

635

00:32:17,749 --> 00:32:15,149

or when they experience phenomena face

636

00:32:21,019 --> 00:32:17,759

to face in their own house environment

637

00:32:23,359 --> 00:32:21,029

and I try to keep a positive look at it

638

00:32:25,340 --> 00:32:23,369

and say I understand when I get the you

639

00:32:27,769 --> 00:32:25,350

know the Dear John letter say hey you

640

00:32:30,830 --> 00:32:27,779

know I got you know this is not dealing

641

00:32:33,499 --> 00:32:30,840

with this but and that's fine but yeah

642

00:32:36,379 --> 00:32:33,509

they have experienced phenomena and that

643

00:32:38,119 --> 00:32:36,389

follows once again under the that's why

644

00:32:40,789 --> 00:32:38,129

I named the second book attachments

645

00:32:43,940 --> 00:32:40,799

because I wanted the reader to truly

646

00:32:46,669 --> 00:32:43,950

understand on many different levels

647

00:32:49,070 --> 00:32:46,679

what that means and what it means to

648

00:32:51,350 --> 00:32:49,080

have an attachment at least for me it's

649

00:32:53,889 --> 00:32:51,360

not so much oh it just happens in his

650

00:32:56,359 --> 00:32:53,899

house no no if you read my second book

651
00:33:00,379 --> 00:32:56,369
you gotta walk away understanding it

652
00:33:04,879 --> 00:33:00,389
happens at home work work travel

653
00:33:09,680 --> 00:33:04,889
vacation dating and about running

654
00:33:12,440 --> 00:33:09,690
errands all that and yeah I think the

655
00:33:17,480 --> 00:33:12,450
word attachments would be the proper way

656
00:33:20,539 --> 00:33:17,490
to define that so now do you think that

657
00:33:23,480 --> 00:33:20,549
this is going to be something and I and

658
00:33:24,649 --> 00:33:23,490
I hate to say this that you're going to

659
00:33:25,730 --> 00:33:24,659
have to deal with with the rest of it

660
00:33:29,029 --> 00:33:25,740
for the rest of your life

661
00:33:31,609 --> 00:33:29,039
that somehow you have become a marked

662
00:33:33,499 --> 00:33:31,619
man so to speak and that these things

663
00:33:35,239 --> 00:33:33,509

are like you know hey we let you know we

664

00:33:37,480 --> 00:33:35,249

love this guy and we're gonna be with

665

00:33:40,879 --> 00:33:37,490

him you know till the very end

666

00:33:45,529 --> 00:33:40,889

yeah well I forgot that quote aware to

667

00:33:49,100 --> 00:33:45,539

the very it but yeah I tried to look at

668

00:33:50,600 --> 00:33:49,110

if there is a man silver lining to that

669

00:33:54,289 --> 00:33:50,610

because you're right

670

00:33:56,269 --> 00:33:54,299

I have had that thought and honestly I

671

00:33:59,310 --> 00:33:56,279

think I am going to have them to the

672

00:34:03,030 --> 00:33:59,320

very I see no indication

673

00:34:06,090 --> 00:34:03,040

as to why they would taper off or leave

674

00:34:08,640 --> 00:34:06,100

and I tried everything but in the

675

00:34:11,700 --> 00:34:08,650

meantime what I can do while they're

676

00:34:14,250 --> 00:34:11,710

here is document the phenomenon when it

677

00:34:15,990 --> 00:34:14,260

happens reach out to individuals who

678

00:34:19,230 --> 00:34:16,000

study this stuff and give them what I

679

00:34:20,790 --> 00:34:19,240

document and try to get people advice as

680

00:34:23,640 --> 00:34:20,800

to what not to do

681

00:34:28,710 --> 00:34:23,650

and for me personally just live my life

682

00:34:32,190 --> 00:34:28,720

as I was living it always so yeah I sort

683

00:34:34,560 --> 00:34:32,200

of think that and on the flip side the

684

00:34:36,420 --> 00:34:34,570

silver lining or the response or the

685

00:34:38,880 --> 00:34:36,430

positive feedback I've got from

686

00:34:41,130 --> 00:34:38,890

individuals after reading book one and

687

00:34:43,530 --> 00:34:41,140

now after reading book two is like yeah

688

00:34:45,770 --> 00:34:43,540

yeah yeah yeah yeah I mean the

689

00:34:49,740 --> 00:34:45,780

Australian our parapsychological

690

00:34:51,300 --> 00:34:49,750

Institute recently just said a Keith

691

00:34:53,580 --> 00:34:51,310

Linda's story Keith loved this book

692

00:34:56,340 --> 00:34:53,590

keeping his evidence and all the

693

00:34:59,610 --> 00:34:56,350

evidence compiled about this case has

694

00:35:01,950 --> 00:34:59,620

really turned poltergeist phenomena or

695

00:35:05,160 --> 00:35:01,960

what we think it is on top of his head

696

00:35:09,270 --> 00:35:05,170

so I if it's going to be studied and

697

00:35:11,160 --> 00:35:09,280

redefined and analyzed yeah I couldn't I

698

00:35:16,950 --> 00:35:11,170

could feel that as lemonade versus

699

00:35:21,240 --> 00:35:16,960

lemons yeah well and Steve Steve Mehra

700

00:35:23,730 --> 00:35:21,250

and and his team I mean not only they

701
00:35:26,940 --> 00:35:23,740
came to your house two times which is

702
00:35:30,810 --> 00:35:26,950
which was fantastic I mean and they

703
00:35:33,300 --> 00:35:30,820
really did such an excellent job

704
00:35:35,880 --> 00:35:33,310
you know compiling the evidence I mean

705
00:35:39,900 --> 00:35:35,890
they they spent I mean how long each

706
00:35:42,630 --> 00:35:39,910
time at least a week they were there you

707
00:35:44,880 --> 00:35:42,640
know which you see so many of these you

708
00:35:46,650 --> 00:35:44,890
know so-called you know you have a UFO I

709
00:35:48,030 --> 00:35:46,660
mean ghost hunters and now I mean

710
00:35:50,070 --> 00:35:48,040
they're there for a night and then they

711
00:35:52,170 --> 00:35:50,080
go you know then they go away but you

712
00:35:54,570 --> 00:35:52,180
know Steve and his group I mean they

713
00:35:57,650 --> 00:35:54,580

they went all out in this and that in

714

00:36:04,440 --> 00:36:01,320

Steve dawn lived in house two and a half

715

00:36:08,910 --> 00:36:04,450

weeks that came January in April of 2016

716

00:36:12,620 --> 00:36:08,920

before they even came we were doing a

717

00:36:15,200 --> 00:36:12,630

series of conference calls interviews

718

00:36:18,020 --> 00:36:15,210

and evaluations for about three or four

719

00:36:19,490 --> 00:36:18,030

months so they were prepping before the

720

00:36:24,500 --> 00:36:19,500

trip and like you said they came from

721

00:36:26,240 --> 00:36:24,510

the UK they came twice and they lived in

722

00:36:28,850 --> 00:36:26,250

the home each time they came and they

723

00:36:30,770 --> 00:36:28,860

bought Nick Kyle the second time and I

724

00:36:31,940 --> 00:36:30,780

gave you in the world I should say

725

00:36:36,500 --> 00:36:31,950

because the report is free and available

726

00:36:38,900 --> 00:36:36,510

the 60 Plus page report of everything

727

00:36:41,570 --> 00:36:38,910

they did and they shared it to anybody

728

00:36:43,070 --> 00:36:41,580

who asked and it's easily accessible

729

00:36:47,090 --> 00:36:43,080

well you're right it's a difference

730

00:36:49,520 --> 00:36:47,100

between investigating and ghost hunting

731

00:36:51,610 --> 00:36:49,530

mm-hmm and a lot of things you see on TV

732

00:36:54,620 --> 00:36:51,620

today a lot of things you see on

733

00:36:56,420 --> 00:36:54,630

entertainment or whatever that's just

734

00:36:57,970 --> 00:36:56,430

ghost hunting you know you go into a

735

00:37:01,430 --> 00:36:57,980

house with a flashlight

736

00:37:03,740 --> 00:37:01,440

k2 meter aha I'm the word goes then you

737

00:37:05,540 --> 00:37:03,750

know I got up you you find that one

738

00:37:08,390 --> 00:37:05,550

shred of evidence might not be evidence

739

00:37:10,970 --> 00:37:08,400

but your status your thirst has been

740

00:37:13,220 --> 00:37:10,980

quenched you know you take your picture

741

00:37:14,660 --> 00:37:13,230

of your or but your dust particle and

742

00:37:18,320 --> 00:37:14,670

you're good you're good

743

00:37:23,240 --> 00:37:18,330

you know however the house occupants are

744

00:37:25,820 --> 00:37:23,250

still dealing with the problem and Steve

745

00:37:28,340 --> 00:37:25,830

and Dawn were mature enough and had

746

00:37:30,350 --> 00:37:28,350

enough knowledge to know poltergeists

747

00:37:31,880 --> 00:37:30,360

don't respond on cue you don't snap your

748

00:37:33,830 --> 00:37:31,890

fingers and say come out come out

749

00:37:36,110 --> 00:37:33,840

wherever you are they had to go after

750

00:37:39,740 --> 00:37:36,120

the evidence the spirits were not gonna

751

00:37:42,830 --> 00:37:39,750

give anybody anything for free you have

752

00:37:45,320 --> 00:37:42,840

to go and get the evidence and know what

753

00:37:52,100 --> 00:37:45,330

is evidence and what is not Steve

754

00:37:55,610 --> 00:37:52,110

classify 424 430 EVPs of Class A Class B

755

00:37:58,910 --> 00:37:55,620

and a majority which are in my life you

756

00:38:02,420 --> 00:37:58,920

ask me or good EVPs they throw away

757

00:38:03,500 --> 00:38:02,430

because anything below a Class B you

758

00:38:04,900 --> 00:38:03,510

know you're gonna take into the

759

00:38:07,790 --> 00:38:04,910

community it's gonna be debatable or

760

00:38:10,850 --> 00:38:07,800

that we don't even just deal with those

761

00:38:13,390 --> 00:38:10,860

we want to deal with the ones that Class

762

00:38:17,330 --> 00:38:13,400

A Class B that have a high probability

763

00:38:20,230 --> 00:38:17,340

of no matter who you give it to people

764

00:38:23,420 --> 00:38:20,240

are going to understand those are

765

00:38:24,630 --> 00:38:23,430

unknown or unexplained voices on voice

766

00:38:26,910 --> 00:38:24,640

recorders

767

00:38:33,000 --> 00:38:26,920

and I would say they probably threw away

768

00:38:34,980 --> 00:38:33,010

more EVPs the ones you see or probably

769

00:38:38,730 --> 00:38:34,990

more quality than what you see on TV

770

00:38:41,100 --> 00:38:38,740

they throw away and we're left with four

771

00:38:45,060 --> 00:38:41,110

hundred and thirty something EVPs which

772

00:38:47,310 --> 00:38:45,070

is still a lot which is still a lot and

773

00:38:50,010 --> 00:38:47,320

like I said it's easy accessible and

774

00:38:53,520 --> 00:38:50,020

people can access those EVPs and both

775

00:38:57,690 --> 00:38:53,530

books of mine well you know I'm looking

776

00:39:00,450 --> 00:38:57,700

here at all the things that are on

777

00:39:03,660 --> 00:39:00,460

YouTube in reference to you and this

778

00:39:06,150 --> 00:39:03,670

case can you pick one or two of videos

779

00:39:08,640 --> 00:39:06,160

perhaps that people who are interested

780

00:39:14,070 --> 00:39:08,650

in to delving the into this further I

781

00:39:16,380 --> 00:39:14,080

would find the most Museum what's the

782

00:39:19,530 --> 00:39:16,390

word now I think most conclusive yeah

783

00:39:21,000 --> 00:39:19,540

there you go yeah inclusive yes because

784

00:39:23,610 --> 00:39:21,010

I want people to do this and this is

785

00:39:25,610 --> 00:39:23,620

like I said this is free anybody listen

786

00:39:30,510 --> 00:39:25,620

to me now can go to youtube and type in

787

00:39:32,160 --> 00:39:30,520

demons in Seattle uncovered and I know

788

00:39:34,350 --> 00:39:32,170

some listeners out there probably say

789

00:39:36,510 --> 00:39:34,360

this guy's not you know I saw more ghost

790

00:39:37,140 --> 00:39:36,520

adventures and zak bagans ripped him to

791

00:39:38,430 --> 00:39:37,150

shreds

792

00:39:41,340 --> 00:39:38,440

well the name of that Ghost Adventures

793

00:39:44,670 --> 00:39:41,350

episode was called demons in Seattle so

794

00:39:46,620 --> 00:39:44,680

I want individuals to watch demons in

795

00:39:48,600 --> 00:39:46,630

Seattle if they forgot about it cuz it

796

00:39:52,080 --> 00:39:48,610

came out a couple years ago rewatched

797

00:39:55,530 --> 00:39:52,090

that and then watch demons in Seattle

798

00:39:57,780 --> 00:39:55,540

uncovered and you can see the the

799

00:40:02,070 --> 00:39:57,790

investigative methods comparison is

800

00:40:04,710 --> 00:40:02,080

different as night and day actually you

801
00:40:07,350 --> 00:40:04,720
mean Zach actually cut somebody down he

802
00:40:09,780 --> 00:40:07,360
found the place that he couldn't find

803
00:40:15,420 --> 00:40:09,790
phenomena going on that that's unheard

804
00:40:18,660 --> 00:40:15,430
of I can't believe that yes even dogs

805
00:40:21,660 --> 00:40:18,670
documentary like I said which is hour an

806
00:40:23,450 --> 00:40:21,670
hour and a half long it covers the two

807
00:40:26,010 --> 00:40:23,460
and a half week investigation

808
00:40:27,950 --> 00:40:26,020
individuals can watch that one and then

809
00:40:31,680 --> 00:40:27,960
make up their own minds and understand

810
00:40:33,420 --> 00:40:31,690
about Portuguese phenomena itself also

811
00:40:35,700 --> 00:40:33,430
if they if they also want to go a little

812
00:40:38,440 --> 00:40:35,710
bit further than that learning just type

813
00:40:40,450 --> 00:40:38,450

in Keith I or Keith lender and

814

00:40:43,180 --> 00:40:40,460

you tube and you automatically get to my

815

00:40:48,040 --> 00:40:43,190

channel my channel where there are over

816

00:40:50,859 --> 00:40:48,050

600 videos and five mini documentaries

817

00:40:52,540 --> 00:40:50,869

explaining about the wall analysis we

818

00:40:54,130 --> 00:40:52,550

found out what that substance was made

819

00:40:57,280 --> 00:40:54,140

of there's an hour and a half video

820

00:41:00,250 --> 00:40:57,290

showing how I was able to discern what

821

00:41:06,720 --> 00:41:00,260

that black gooey stuff on my wall so we

822

00:41:09,220 --> 00:41:06,730

have we have real slime yeah today so

823

00:41:09,730 --> 00:41:09,230

our little beginning wasn't too out of

824

00:41:16,710 --> 00:41:09,740

hand

825

00:41:17,890 --> 00:41:16,720

oh I knew it all along black black

826

00:41:23,890 --> 00:41:17,900

hillbilly

827

00:41:25,780 --> 00:41:23,900

black oil Texas there was one guy in

828

00:41:28,750 --> 00:41:25,790

England remember he was investigating

829

00:41:30,609 --> 00:41:28,760

UFOs and I guess he was sly because they

830

00:41:33,250 --> 00:41:30,619

need did he choke on the slime or

831

00:41:36,010 --> 00:41:33,260

something Tim and it was the black ooze

832

00:41:39,730 --> 00:41:36,020

I think yeah yeah yeah he was in he was

833

00:41:41,829 --> 00:41:39,740

in he was in Poland and started I guess

834

00:41:46,630 --> 00:41:41,839

you know puking that stuff up and enough

835

00:41:50,940 --> 00:41:46,640

often away yeah yeah remember the

836

00:41:54,280 --> 00:41:50,950

Belgian guy's case where the the spirit

837

00:41:59,829 --> 00:41:54,290

we got we got is almost as many books as

838

00:42:01,450 --> 00:41:59,839

you got did YouTube videos yeah we got

839

00:42:04,089 --> 00:42:01,460

we got a bell which book right did we

840

00:42:10,390 --> 00:42:04,099

win then a couple of years ago that come

841

00:42:12,400 --> 00:42:10,400

up yeah in fact we had we had somebody

842

00:42:14,530 --> 00:42:12,410

on our show one time a Tim that

843

00:42:16,089 --> 00:42:14,540

purported to be related to the Bell

844

00:42:23,050 --> 00:42:16,099

Witch or something had to the owner

845

00:42:24,700 --> 00:42:23,060

thing yeah suppose supposedly well I I

846

00:42:27,460 --> 00:42:24,710

won't I won't say anything negative

847

00:42:29,680 --> 00:42:27,470

because I never do but the show nor they

848

00:42:33,910 --> 00:42:29,690

Amy or whatever was didn't last very

849

00:42:38,490 --> 00:42:33,920

long the bell which lasted login to the

850

00:42:41,710 --> 00:42:38,500

show did well you know one of the things

851

00:42:45,099 --> 00:42:41,720

Keith that I found fascinating about

852

00:42:48,480 --> 00:42:45,109

this case was one of the EVPs that

853

00:42:52,630 --> 00:42:48,490

really showed that you know these things

854

00:42:56,719 --> 00:42:52,640

were intelligent and were

855

00:42:59,029 --> 00:42:56,729

observing what was going on because they

856

00:43:00,799 --> 00:42:59,039

were they were fascinated at one point

857

00:43:04,219 --> 00:43:00,809

by some of the equipment that was being

858

00:43:05,870 --> 00:43:04,229

brought in yeah that's on the document

859

00:43:08,269 --> 00:43:05,880

read this mention of Stephen Don in the

860

00:43:09,979 --> 00:43:08,279

hallway and they're sitting up equipment

861

00:43:11,569 --> 00:43:09,989

and then and they got it already got the

862

00:43:15,859 --> 00:43:11,579

listening devices laced throughout the

863

00:43:17,749 --> 00:43:15,869

house and upon review of their video

864

00:43:19,880 --> 00:43:17,759

they capture these voices or they hear

865

00:43:21,949 --> 00:43:19,890

these voices and it's two male voices

866

00:43:24,469 --> 00:43:21,959

and these voices are having a

867

00:43:28,069 --> 00:43:24,479

conversation like their murmuring like

868

00:43:31,130 --> 00:43:28,079

it's a camera it's a camera and they're

869

00:43:34,009 --> 00:43:31,140

saying words like night cam night cam

870

00:43:35,809 --> 00:43:34,019

and then another video in my second book

871

00:43:38,059 --> 00:43:35,819

where they're in the bathroom Stephen

872

00:43:41,359 --> 00:43:38,069

Dawn you hear the same male voices

873

00:43:44,900 --> 00:43:41,369

saying you know he's laying down some

874

00:43:47,420 --> 00:43:44,910

cable and the other voice is telling the

875

00:43:50,150 --> 00:43:47,430

other spirit to take one of the devices

876

00:43:54,559 --> 00:43:50,160

take one you know go lift one of these

877

00:43:58,839 --> 00:43:54,569

and so crystal-clear intelligent

878

00:44:02,269 --> 00:43:58,849

deliberate they're very observant and

879

00:44:04,219 --> 00:44:02,279

some of their word phrases you me and

880

00:44:05,269 --> 00:44:04,229

other humans don't use like we don't say

881

00:44:08,059 --> 00:44:05,279

night cam

882

00:44:10,759 --> 00:44:08,069

we don't say image detector they were

883

00:44:13,039 --> 00:44:10,769

talking about the infrared devices in

884

00:44:15,589 --> 00:44:13,049

the room or in the environment but we

885

00:44:18,499 --> 00:44:15,599

don't call those devices night cam or

886

00:44:21,289 --> 00:44:18,509

infrared or or image detector but that's

887

00:44:23,630 --> 00:44:21,299

what the voices were saying and they're

888

00:44:25,699 --> 00:44:23,640

an Irish accent so they're in a distinct

889

00:44:28,999 --> 00:44:25,709

accent because you can hear Steve and

890

00:44:32,120 --> 00:44:29,009

Don's British accent if you hear these

891

00:44:34,309 --> 00:44:32,130

voices underneath there's there are

892

00:44:36,709 --> 00:44:34,319

total opposite of that and like I said

893

00:44:40,549 --> 00:44:36,719

very intelligent very deliberate very

894

00:44:43,099 --> 00:44:40,559

concise and this imagine me and Tina for

895

00:44:44,479 --> 00:44:43,109

three years sitting upon camera not

896

00:44:47,059 --> 00:44:44,489

knowing what we're doing or going about

897

00:44:49,609 --> 00:44:47,069

our daily lives in these spirits giving

898

00:44:52,910 --> 00:44:49,619

commentary amongst themselves about what

899

00:44:55,069 --> 00:44:52,920

we're doing and creating habit for us to

900

00:44:57,679 --> 00:44:55,079

live through so it really when I heard

901
00:44:58,359 --> 00:44:57,689
those voices by Steve those really blew

902
00:45:01,069 --> 00:44:58,369
me away

903
00:45:02,779 --> 00:45:01,079
all right well unfortunately we all have

904
00:45:04,699 --> 00:45:02,789
about three minutes left in the show

905
00:45:05,690 --> 00:45:04,709
Keith so why don't you let our audience

906
00:45:07,370 --> 00:45:05,700
know

907
00:45:10,609 --> 00:45:07,380
where they can find your books their

908
00:45:12,589 --> 00:45:10,619
titles and and to check out your your

909
00:45:16,759 --> 00:45:12,599
YouTube channel and all these fantastic

910
00:45:18,680 --> 00:45:16,769
videos that are out there I want to say

911
00:45:21,529 --> 00:45:18,690
just like I said thank you for both for

912
00:45:22,700 --> 00:45:21,539
you guys for having me on tonight it's

913
00:45:24,920 --> 00:45:22,710

good to chat with you

923

00:45:55,759 --> 00:45:51,720

number one why is the house haunted what

924

00:45:59,059 --> 00:45:55,769
