

EXPLORING THE BIZARRE

A woman with long, dark hair is shown in profile, looking towards the right. She is holding a glowing, spherical object in her hands. The background is a vast, colorful cosmic scene featuring a galaxy with purple and blue hues, a bright yellow and orange nebula, and a view of the Earth's horizon from space. The overall lighting is dramatic, with the woman's face and hair illuminated by the light from the orb and the background.

now you are electrifying hosts of

3
00:00:42,930 --> 00:00:37,540
exploring the bizarre Timothy Beckley

4
00:00:47,670 --> 00:00:42,940
and Tim Schwartz the Schekman nerves and

5
00:00:50,850 --> 00:00:47,680
you rattle my brains great balls of fire

6
00:00:53,850 --> 00:00:50,860
well Tim here we are in Kansas City

7
00:00:56,850 --> 00:00:53,860
only the Kansas City - like what's that

8
00:00:59,460 --> 00:00:56,860
new basketball team or something oh no

9
00:01:01,429 --> 00:00:59,470
of course not they're beautiful flashing

10
00:01:04,829 --> 00:01:01,439
lights that appear and disappear

11
00:01:06,630 --> 00:01:04,839
mysteriously at night oh that's right

12
00:01:09,480 --> 00:01:06,640
that's right well our guest tonight

13
00:01:12,200 --> 00:01:09,490

claims that she has seen them herself

14

00:01:14,910 --> 00:01:12,210

she's not the only one look at that oh

15

00:01:17,640 --> 00:01:14,920

my gosh is so bright talk about it

16

00:01:23,749 --> 00:01:17,650

Kansas City Star hey it seems to be

17

00:01:32,510 --> 00:01:27,419

what is gonna do Sapa swallow us up your

18

00:01:38,429 --> 00:01:36,629

on anything oh no way I don't know let's

19

00:01:42,539 --> 00:01:38,439

just get back to the KC our studios in

20

00:01:45,749 --> 00:01:42,549

Las Vegas so our expert guests can tell

21

00:01:52,399 --> 00:01:45,759

us well what's what come on let's go I'm

22

00:01:59,099 --> 00:01:55,949

here we are we've landed not time you

23

00:02:01,769 --> 00:01:59,109

got here I'm a little I'm a little bit

24

00:02:04,230 --> 00:02:01,779

slow on the uptake those those those

25

00:02:07,499 --> 00:02:04,240

lights were like scurrying right behind

26
00:02:10,830 --> 00:02:07,509
me almost caught me almost caught me but

27
00:02:15,059 --> 00:02:10,840
you know I've always managed to outpace

28
00:02:18,210 --> 00:02:15,069
the lights and I'm kind of an old old uh

29
00:02:21,270 --> 00:02:18,220
a math when it comes to mysterious

30
00:02:23,520 --> 00:02:21,280
lights you know back in the 1960s I

31
00:02:27,390 --> 00:02:23,530
spent some time in a brown Mountain

32
00:02:29,970 --> 00:02:27,400
North Carolina which is some great

33
00:02:32,160 --> 00:02:29,980
lights down there that are seen coming

34
00:02:32,670 --> 00:02:32,170
up and up and down out of the crevices

35
00:02:36,319 --> 00:02:32,680
of the

36
00:02:41,399 --> 00:02:36,329
Mountain and then when I passed over the

37
00:02:43,860 --> 00:02:41,409
Oklahoma Arkansas border back a few

38
00:02:48,149 --> 00:02:43,870

years after that there was the great

39

00:02:51,720 --> 00:02:48,159

spook light which I remember my old the

40

00:02:53,580 --> 00:02:51,730

friend the late Robert Lofton captain

41

00:02:56,940 --> 00:02:53,590

Robert Walton put out a little booklet

42

00:02:59,670 --> 00:02:56,950

on the spooklight which I I still have

43

00:03:04,140 --> 00:02:59,680

in my collection here and and then in

44

00:03:07,470 --> 00:03:04,150

our recent book UFOs deja vu we did a

45

00:03:09,539 --> 00:03:07,480

whole chapter on spook lights all over

46

00:03:13,530 --> 00:03:09,549

the world we got the Marfa lights we've

47

00:03:17,159 --> 00:03:13,540

got the mid mid lights in Australia and

48

00:03:18,959 --> 00:03:17,169

then we had on a guest who had been an

49

00:03:23,580 --> 00:03:18,969

observer of the hustled in lights and

50

00:03:26,009 --> 00:03:23,590

far off very cold Norway so hey when it

51
00:03:28,020 --> 00:03:26,019
comes to lights they're the party lights

52
00:03:31,860 --> 00:03:28,030
the red and blue and green and a lot of

53
00:03:35,000 --> 00:03:31,870
other colors too I think yeah ok enough

54
00:03:37,830 --> 00:03:35,010
enough of this let us get on with our

55
00:03:40,439 --> 00:03:37,840
programme for the evening uh who are we

56
00:03:43,469 --> 00:03:40,449
going to be speaking with this evening

57
00:03:47,219 --> 00:03:43,479
Tim well Tim I'm very happy to introduce

58
00:03:51,360 --> 00:03:47,229
his first time that Margie has been on

59
00:03:54,929 --> 00:03:51,370
exploring the bazaar so our guest is

60
00:03:57,809 --> 00:03:54,939

61
00:04:00,179 --> 00:03:57,819
quest paranormal investigation group an

62
00:04:02,759 --> 00:04:00,189
assistant state director for missouri

63
00:04:05,159 --> 00:04:02,769

loofa she's conducted over 1,100

64

00:04:07,129 --> 00:04:05,169

paranormal and UFO investigations and

65

00:04:09,960 --> 00:04:07,139

she uses standard scientific

66

00:04:12,809 --> 00:04:09,970

investigative methods and equipment for

67

00:04:15,300 --> 00:04:12,819

research and relies on remote viewing to

68

00:04:19,110 --> 00:04:15,310

clarify what may have occurred as well

69

00:04:21,749 --> 00:04:19,120

she is a UFO et experienced herself and

70

00:04:24,950 --> 00:04:21,759

has er had her own clothes counters with

71

00:04:26,129 --> 00:04:24,960

UFOs and you know what she says

72

00:04:28,409 --> 00:04:26,139

extraterrestrials

73

00:04:30,480 --> 00:04:28,419

now Margie uses her natural remote

74

00:04:32,610 --> 00:04:30,490

viewing abilities to assist law

75

00:04:34,830 --> 00:04:32,620

enforcement private investigators and

76

00:04:38,399 --> 00:04:34,840

private individuals Margie has been

77

00:04:41,250 --> 00:04:38,409

instrumental in solving over 50 missing

78

00:04:43,490 --> 00:04:41,260

person homicide and theft cases using

79

00:04:46,480 --> 00:04:43,500

her unique remote reading abilities

80

00:04:48,730 --> 00:04:46,490

which she has honed over the years with

81

00:04:50,439 --> 00:04:48,740

amazing results she's also worked as a

82

00:04:52,779 --> 00:04:50,449

private investigator for the Kansas

83

00:04:55,360 --> 00:04:52,789

Bureau of Investigation where she

84

00:04:55,900 --> 00:04:55,370

learned some of the normal tricks of the

85

00:04:58,270 --> 00:04:55,910

trade

86

00:05:01,300 --> 00:04:58,280

now she's appeared on numerous radio

87

00:05:04,150 --> 00:05:01,310

programs and was the subject of an

88

00:05:06,850 --> 00:05:04,160

episode of the hangar one television

89

00:05:09,279 --> 00:05:06,860

show which covered her investigations in

90

00:05:11,980 --> 00:05:09,289

the Blue Spring lights and an animal

91

00:05:14,969 --> 00:05:11,990

mutilation case in Missouri she was also

92

00:05:16,300 --> 00:05:14,979

in a pilot episode of the TV show

93

00:05:18,790 --> 00:05:16,310

strange

94

00:05:20,740 --> 00:05:18,800

now Margie is also the author of the

95

00:05:23,290 --> 00:05:20,750

books gateway to the dead at ghost

96

00:05:27,850 --> 00:05:23,300

hunters field guide haunted independence

97

00:05:29,559 --> 00:05:27,860

and the Kansas City UFO flap so Margie

98

00:05:31,990 --> 00:05:29,569

great to have you with us on exploring

99

00:05:34,450 --> 00:05:32,000

the Bazaar thank you it's good to be

100

00:05:38,589 --> 00:05:34,460

here what we got it we've got a lot of

101
00:05:41,320 --> 00:05:38,599
ground to to cover here now how long

102
00:05:44,260 --> 00:05:41,330
Margie how long have you been doing this

103
00:05:46,480 --> 00:05:44,270
I mean let's start out with the with the

104
00:05:48,820 --> 00:05:46,490
UFOs because that's that's my main

105
00:05:51,390 --> 00:05:48,830
interest being that I am mister a UFO

106
00:05:54,520 --> 00:05:51,400
how far does your interest in the

107
00:05:59,260 --> 00:05:54,530
unexplained as far as the aerial

108
00:06:01,420 --> 00:05:59,270
phenomena go well I would say my

109
00:06:04,920 --> 00:06:01,430
interest in paranormal started at a very

110
00:06:06,939 --> 00:06:04,930
young age by age 11 I was studying

111
00:06:10,540 --> 00:06:06,949
everything to do with paranormal and

112
00:06:13,469 --> 00:06:10,550
UFOs but my interest is really really

113
00:06:17,920 --> 00:06:13,479

piqued when I had my own sighting in

114

00:06:20,980 --> 00:06:17,930

1986 and I was in Seattle Washington and

115

00:06:23,409 --> 00:06:20,990

I saw definitely something that wasn't

116

00:06:26,620 --> 00:06:23,419

from Earth along with my brother and my

117

00:06:29,260 --> 00:06:26,630

two daughters so that really convinced

118

00:06:30,450 --> 00:06:29,270

me to have something go and what did you

119

00:06:35,260 --> 00:06:30,460

see exactly

120

00:06:37,360 --> 00:06:35,270

we went out to see the the Perseid

121

00:06:40,200 --> 00:06:37,370

meteor showers and went out in the

122

00:06:44,140 --> 00:06:40,210

country and we were laying back on my

123

00:06:46,600 --> 00:06:44,150

1968 Mustang looking at the sky and all

124

00:06:48,670 --> 00:06:46,610

of a sudden this big white light came

125

00:06:52,120 --> 00:06:48,680

across the sky and I assumed it was a

126
00:06:55,510 --> 00:06:52,130
satellite but then it stopped and then

127
00:06:58,930 --> 00:06:55,520
five more objects the same size same

128
00:07:00,340 --> 00:06:58,940
brightness followed along behind it and

129
00:07:02,290 --> 00:07:00,350
then by the time the

130
00:07:05,740 --> 00:07:02,300
someone got to all the rest that look

131
00:07:08,440 --> 00:07:05,750
like they joined together the instant it

132
00:07:11,320 --> 00:07:08,450
hit the rest of them did they took off

133
00:07:13,150 --> 00:07:11,330
at a 90-degree angle at warp speed and

134
00:07:15,970 --> 00:07:13,160
then we're just going in half a second

135
00:07:18,160 --> 00:07:15,980
and so we just looked at each other and

136
00:07:18,660 --> 00:07:18,170
said time to go got in the car and went

137
00:07:20,920 --> 00:07:18,670
home

138
00:07:24,760 --> 00:07:20,930

what was the door rate what was the

139

00:07:28,240 --> 00:07:24,770

duration of the sighting well I would

140

00:07:30,820 --> 00:07:28,250

say it was at least five minutes maybe

141

00:07:32,980 --> 00:07:30,830

longer than this because amount of time

142

00:07:36,700 --> 00:07:32,990

it took each of those objects to to

143

00:07:40,840 --> 00:07:36,710

gather together and at what what

144

00:07:42,280 --> 00:07:40,850

altitude are we talking oh hi hi I mean

145

00:07:45,520 --> 00:07:42,290

like I said I thought they were

146

00:07:46,840 --> 00:07:45,530

satellites but they were a little bigger

147

00:07:49,240 --> 00:07:46,850

and a little brighter than normal

148

00:07:51,640 --> 00:07:49,250

satellites and when they all joined

149

00:07:53,320 --> 00:07:51,650

together like that and then took off at

150

00:07:57,340 --> 00:07:53,330

a 90 degree angle I mean it was just

151
00:07:59,500 --> 00:07:57,350
incredible at that that type of maneuver

152
00:08:03,730 --> 00:07:59,510
would you know human couldn't survive

153
00:08:06,580 --> 00:08:03,740
that now we're there other were you

154
00:08:09,520 --> 00:08:06,590
living in Washington at the time or on

155
00:08:12,970 --> 00:08:09,530
vacation are you living there I lived

156
00:08:14,920 --> 00:08:12,980
there for about 13 months yes and then

157
00:08:18,370 --> 00:08:14,930
moved back to kids city I'm from Kansas

158
00:08:21,010 --> 00:08:18,380
City now whether other reports at the

159
00:08:24,760 --> 00:08:21,020
time or were you the you and your group

160
00:08:28,240 --> 00:08:24,770
seesaw witnesses well as far as I know

161
00:08:31,210 --> 00:08:28,250
we were the sole witnesses I did go to a

162
00:08:34,719 --> 00:08:31,220
UFO group periodically you know monthly

163
00:08:36,670 --> 00:08:34,729

in Seattle and nobody else had mentioned

164

00:08:38,170 --> 00:08:36,680

that they that they saw that that guy I

165

00:08:44,350 --> 00:08:38,180

think I started going to that group

166

00:08:47,680 --> 00:08:44,360

right after that sighting and so there

167

00:08:49,600 --> 00:08:47,690

had been well I know of course we talked

168

00:08:51,490 --> 00:08:49,610

about the mysterious lights we're going

169

00:08:55,510 --> 00:08:51,500

to talk about mysterious lights you have

170

00:08:58,090 --> 00:08:55,520

the Yakama lights in Washington state

171

00:09:02,290 --> 00:08:58,100

which is very near or just right off of

172

00:09:05,020 --> 00:09:02,300

the Indian Reservation there in fact I

173

00:09:08,530 --> 00:09:05,030

know they had at one point they actually

174

00:09:11,290 --> 00:09:08,540

had constructed a watch tower where

175

00:09:14,290 --> 00:09:11,300

people were coming in and seeing the

176

00:09:16,260 --> 00:09:14,300

lights on a regular basis and also take

177

00:09:20,010 --> 00:09:16,270

photographs of them and then we had a

178

00:09:24,250 --> 00:09:20,020

photograph from the in the in the book

179

00:09:26,380 --> 00:09:24,260

where okay so you were originally from

180

00:09:27,730 --> 00:09:26,390

Missouri you were in Washington for a

181

00:09:29,800 --> 00:09:27,740

while then he moved back to the story

182

00:09:32,710 --> 00:09:29,810

where were you involved with the

183

00:09:36,730 --> 00:09:32,720

Piedmont sightings at all or was that

184

00:09:39,490 --> 00:09:36,740

before your I knew the Piedmont

185

00:09:41,920 --> 00:09:39,500

sightings in the 70s in the early 70s

186

00:09:45,760 --> 00:09:41,930

when they occurred because I first saw

187

00:09:47,910 --> 00:09:45,770

it on TV with Walter Cronkite oh yeah so

188

00:09:51,730 --> 00:09:47,920

since then I've done quite a bit of

189

00:09:54,690 --> 00:09:51,740

investigations and I actually spoke at

190

00:09:59,530 --> 00:09:54,700

their conference that they had in

191

00:10:02,080 --> 00:09:59,540

celebration of those events in 2013 and

192

00:10:04,450 --> 00:10:02,090

they had a huge conference with a lot of

193

00:10:09,580 --> 00:10:04,460

people attending and I was their keynote

194

00:10:12,370 --> 00:10:09,590

speaker at the end of the evening and on

195

00:10:15,790 --> 00:10:12,380

TV recently under the Travel Channel or

196

00:10:18,280 --> 00:10:15,800

one of these programs they actually

197

00:10:20,710 --> 00:10:18,290

visited that Piedmont and apparently

198

00:10:22,570 --> 00:10:20,720

they've had a new wave of sighting there

199

00:10:25,750 --> 00:10:22,580

and of course I had been in touch

200

00:10:27,910 --> 00:10:25,760

originally with the hardly Rutledge who

201
00:10:30,700 --> 00:10:27,920
had written a very well-documented book

202
00:10:34,750 --> 00:10:30,710
on the on this flap that glyphs and I

203
00:10:37,180 --> 00:10:34,760
think for a couple of years and were a

204
00:10:40,600 --> 00:10:37,190
lot of them were around bodies of water

205
00:10:44,620 --> 00:10:40,610
or a particular River yes especially

206
00:10:46,980 --> 00:10:44,630
Clearwater Lake and there were UFOs seen

207
00:10:49,390 --> 00:10:46,990
going in and out of the lake and UFOs

208
00:10:51,120 --> 00:10:49,400
underneath the lake moving along they

209
00:10:54,250 --> 00:10:51,130
could see the lights under the water and

210
00:10:58,480 --> 00:10:54,260
I recently found out that there is a

211
00:11:00,160 --> 00:10:58,490
huge cave underneath that lake with a

212
00:11:02,380 --> 00:11:00,170
huge cavern that goes back they don't

213
00:11:04,660 --> 00:11:02,390

know how deep it goes back the divers

214

00:11:06,910 --> 00:11:04,670

don't know but that would be an and

215

00:11:07,510 --> 00:11:06,920

obviously they were coming in in out of

216

00:11:12,490 --> 00:11:07,520

that water

217

00:11:14,740 --> 00:11:12,500

I I've read Rutledge's work and they did

218

00:11:17,680 --> 00:11:14,750

investigate it for I think two or three

219

00:11:20,320 --> 00:11:17,690

or four years over that time period but

220

00:11:23,320 --> 00:11:20,330

when I went to Piedmont I interviewed a

221

00:11:25,990 --> 00:11:23,330

number of people and every one of them

222

00:11:28,180 --> 00:11:26,000

said that this has been ongoing since

223

00:11:30,400 --> 00:11:28,190

that time it hasn't let up

224

00:11:33,970 --> 00:11:30,410

it's just a talk about it because they

225

00:11:35,050 --> 00:11:33,980

don't want the the backlash so they just

226

00:11:38,770 --> 00:11:35,060

don't speak about it

227

00:11:42,070 --> 00:11:38,780

well even yeah even even for a while the

228

00:11:44,200 --> 00:11:42,080

media may give a you know a flap like

229

00:11:47,080 --> 00:11:44,210

this some attention but then eventually

230

00:11:50,290 --> 00:11:47,090

they seem to lose interest in it so

231

00:11:54,790 --> 00:11:50,300

there the reports may continue to go on

232

00:11:56,350 --> 00:11:54,800

but the public at large is is not aware

233

00:12:01,150 --> 00:11:56,360

of it well tell us a little bit about

234

00:12:05,230 --> 00:12:01,160

Bob well Bob is a strange one and he

235

00:12:07,510 --> 00:12:05,240

appeared over actually over Kansas City

236

00:12:09,910 --> 00:12:07,520

and independence but it was seen by a

237

00:12:12,640 --> 00:12:09,920

group of people in Blue Springs in 2012

238

00:12:15,640 --> 00:12:12,650

and a young man by the name of Robert

239

00:12:18,760 --> 00:12:15,650

Kover who has gone public with this was

240

00:12:21,760 --> 00:12:18,770

the first one to really notice what was

241

00:12:23,740 --> 00:12:21,770

going on and in fact his neighbors

242

00:12:26,260 --> 00:12:23,750

thought that he was peeping in their

243

00:12:27,940 --> 00:12:26,270

windows he was a peeping tom when he

244

00:12:29,590 --> 00:12:27,950

said no no come out here and take a look

245

00:12:32,410 --> 00:12:29,600

he's trying to look with his binoculars

246

00:12:36,040 --> 00:12:32,420

to get a better look at these objects

247

00:12:38,140 --> 00:12:36,050

and what they are it's really audit it's

248

00:12:40,690 --> 00:12:38,150

nothing like the Joplin souk lights or

249

00:12:43,950 --> 00:12:40,700

anything like that these are very very

250

00:12:47,110 --> 00:12:43,960

brilliant bright objects that flash

251
00:12:50,680 --> 00:12:47,120
sequentially and I've timed them at 1/3

252
00:12:53,740 --> 00:12:50,690
second intervals in a clockwise motion

253
00:12:57,310 --> 00:12:53,750
and it's always three colors like red

254
00:13:00,760 --> 00:12:57,320
blue green or red orange green something

255
00:13:02,950 --> 00:13:00,770
like that three colors and and there

256
00:13:05,650 --> 00:13:02,960
could be more than one appear in the sky

257
00:13:08,080 --> 00:13:05,660
at the same time in different positions

258
00:13:11,680 --> 00:13:08,090
up to five at a time have been seen and

259
00:13:16,270 --> 00:13:11,690
I've seen that money at once but usually

260
00:13:19,900 --> 00:13:16,280
it's only one so then Robert Cobra filed

261
00:13:23,770 --> 00:13:19,910
a report with MUFON he also called kctv5

262
00:13:25,840 --> 00:13:23,780
news and Dave Jordan was the journalist

263
00:13:28,000 --> 00:13:25,850

who was investigating Dave gave me a

264

00:13:30,190 --> 00:13:28,010

call he says I'm going out there tonight

265

00:13:32,920 --> 00:13:30,200

and I couldn't get out there because I

266

00:13:34,930 --> 00:13:32,930

had another case and so he went out with

267

00:13:37,120 --> 00:13:34,940

his crew the first night the second

268

00:13:39,340 --> 00:13:37,130

night I went out with everyone the whole

269

00:13:41,680 --> 00:13:39,350

neighborhood was out and Dave Jordan was

270

00:13:46,420 --> 00:13:41,690

out in his camera person was there

271

00:13:48,310 --> 00:13:46,430

and we washed these objects but he told

272

00:13:51,220 --> 00:13:48,320

us that the night before he was very

273

00:13:53,170 --> 00:13:51,230

very nervous he never believed in UFOs

274

00:13:54,820 --> 00:13:53,180

before he said the night before they

275

00:13:57,730 --> 00:13:54,830

watch this one object for about an hour

276

00:14:01,930 --> 00:13:57,740

and a half when all of a sudden it

277

00:14:04,840 --> 00:14:01,940

dropped to the ground and then straight

278

00:14:07,750 --> 00:14:04,850

up again flew across the sky across the

279

00:14:11,230 --> 00:14:07,760

horizon and then back in a second his

280

00:14:13,480 --> 00:14:11,240

camera woman grabbed her gear and jumped

281

00:14:16,000 --> 00:14:13,490

into the van and locked the doors and

282

00:14:18,130 --> 00:14:16,010

would not go back so she wasn't there

283

00:14:20,530 --> 00:14:18,140

the next night when I was there so what

284

00:14:21,700 --> 00:14:20,540

he explained this to me I I first

285

00:14:24,250 --> 00:14:21,710

thought I was just going to go out and

286

00:14:26,770 --> 00:14:24,260

see planets because of their

287

00:14:28,560 --> 00:14:26,780

descriptions because planets can look

288

00:14:30,750 --> 00:14:28,570

like there are flickering with

289

00:14:34,690 --> 00:14:30,760

atmospheric disturbance ofcourse and

290

00:14:36,910 --> 00:14:34,700

they're also very bright so that's what

291

00:14:41,350 --> 00:14:36,920

I was expecting to see that after about

292

00:14:44,980 --> 00:14:41,360

an hour these objects brightened as it

293

00:14:47,470 --> 00:14:44,990

got darker and darker and one of them

294

00:14:49,960 --> 00:14:47,480

was flashing so I have high-powered

295

00:14:53,160 --> 00:14:49,970

binoculars I was using so I'm watching

296

00:14:57,250 --> 00:14:53,170

one of them flash and go

297

00:14:59,290 --> 00:14:57,260

counterclockwise and it was located in

298

00:15:01,710 --> 00:14:59,300

an area that I believe was over Lake

299

00:15:06,580 --> 00:15:01,720

City army animal plant in Independence

300

00:15:13,090 --> 00:15:06,590

which is going to be significant the

301
00:15:15,280 --> 00:15:13,100
other one was in the west and southwest

302
00:15:18,010 --> 00:15:15,290
and I thought it was Venus but when I

303
00:15:22,030 --> 00:15:18,020
pulled up my sky map Venus was below the

304
00:15:23,950 --> 00:15:22,040
horizon so I'm watching it with my

305
00:15:26,440 --> 00:15:23,960
binoculars everybody was suddenly

306
00:15:30,360 --> 00:15:26,450
focused on that one and the cameras were

307
00:15:33,840 --> 00:15:30,370
on it I put my binoculars up and I saw

308
00:15:38,230 --> 00:15:33,850
not only the lights flashing but also a

309
00:15:42,640 --> 00:15:38,240
metal grid over this object so it was an

310
00:15:44,980 --> 00:15:42,650
object not a white right well you know

311
00:15:47,680 --> 00:15:44,990
and in a lot of these cases they're

312
00:15:49,510 --> 00:15:47,690
described like in the press as being

313
00:15:52,210 --> 00:15:49,520

lights but then when you get down there

314

00:15:54,820 --> 00:15:52,220

do whether it's brown mountain or or

315

00:15:55,720 --> 00:15:54,830

wherever and you start studying at first

316

00:15:58,360 --> 00:15:55,730

hand like

317

00:16:01,300 --> 00:15:58,370

the lights in the Norway which has been

318

00:16:03,310 --> 00:16:01,310

seen since like 1980 they're really not

319

00:16:05,230 --> 00:16:03,320

lights they're they're crafts in a lot

320

00:16:08,110 --> 00:16:05,240

of cases where these things you could

321

00:16:10,750 --> 00:16:08,120

actually see the metallic hull of the of

322

00:16:13,270 --> 00:16:10,760

the craft and in some cases they appear

323

00:16:15,460 --> 00:16:13,280

to change shape right in front they have

324

00:16:17,020 --> 00:16:15,470

this morphing effect where they actually

325

00:16:22,210 --> 00:16:17,030

appeared to change shape in front of the

326

00:16:24,370 --> 00:16:22,220

witnesses yeah yeah I I believe that

327

00:16:26,200 --> 00:16:24,380

because other people would look through

328

00:16:27,030 --> 00:16:26,210

my binoculars and see something

329

00:16:32,950 --> 00:16:27,040

different

330

00:16:35,350 --> 00:16:32,960

uh-huh but any attempt to communicate

331

00:16:35,890 --> 00:16:35,360

with them I mean signal to the objects

332

00:16:39,280 --> 00:16:35,900

or anything

333

00:16:41,740 --> 00:16:39,290

yes well yeah this is even even more

334

00:16:45,160 --> 00:16:41,750

interesting one of our witnesses built a

335

00:16:47,950 --> 00:16:45,170

binary light board to communicate with

336

00:16:50,140 --> 00:16:47,960

it and he was sending binary signals and

337

00:16:51,970 --> 00:16:50,150

nothing happened but then when he got

338

00:16:55,150 --> 00:16:51,980

his million candlepower flashlights out

339

00:16:58,360 --> 00:16:55,160

while we're filming he flashed it at it

340

00:17:01,450 --> 00:16:58,370

it flashed back this sided three or four

341

00:17:04,170 --> 00:17:01,460

times in a row and was obviously flaring

342

00:17:06,340 --> 00:17:04,180

up in reaction to this light so that

343

00:17:08,530 --> 00:17:06,350

indicated to me that this is a closed

344

00:17:11,350 --> 00:17:08,540

object and some type of intelligence was

345

00:17:14,440 --> 00:17:11,360

operating it yeah we know that we

346

00:17:17,530 --> 00:17:14,450

noticed that in England I was there in

347

00:17:20,410 --> 00:17:17,540

the early 1980s in the town of

348

00:17:24,520 --> 00:17:20,420

warminster where they had had a ongoing

349

00:17:30,190 --> 00:17:24,530

UFO flap for Jesus I guess over a decade

350

00:17:33,940 --> 00:17:30,200

and we were out there one night and this

351
00:17:37,030 --> 00:17:33,950
object was overhead Minoo you couldn't

352
00:17:38,590 --> 00:17:37,040
make any real detail at it but Arthur

353
00:17:40,240 --> 00:17:38,600
shuttle would who was the editor of the

354
00:17:43,090 --> 00:17:40,250
local newspaper went to his car and

355
00:17:45,400 --> 00:17:43,100
point out one of these big torch lights

356
00:17:47,560 --> 00:17:45,410
and started flashing it at the object

357
00:17:49,990 --> 00:17:47,570
and gave it to me and I flashed it as

358
00:17:52,240 --> 00:17:50,000
well and every time we tried to signal

359
00:17:55,450 --> 00:17:52,250
to the object that seemed to swing back

360
00:17:57,730 --> 00:17:55,460
and forth as acknowledging our attempt

361
00:17:59,530 --> 00:17:57,740
to communicate now I didn't know Morse

362
00:18:01,720 --> 00:17:59,540
code or anything like that and it wasn't

363
00:18:04,270 --> 00:18:01,730

responding in that regard but it did

364

00:18:06,400 --> 00:18:04,280

seem to be under intelligent control it

365

00:18:09,550 --> 00:18:06,410

did seem to be acknowledging our

366

00:18:14,290 --> 00:18:09,560

presence so now how often does Bob

367

00:18:17,040 --> 00:18:14,300

appear almost any night that it's a

368

00:18:18,910 --> 00:18:17,050

clear night in fact it's out tonight I

369

00:18:24,550 --> 00:18:18,920

saw it this evening

370

00:18:30,700 --> 00:18:24,560

well hello Bob yeah well we call it Bob

371

00:18:33,280 --> 00:18:30,710

that's short for beyond belief and we

372

00:18:36,310 --> 00:18:33,290

and also because of that show what about

373

00:18:40,450 --> 00:18:36,320

Bob he was such a pain yes this thing's

374

00:18:43,510 --> 00:18:40,460

been such a pain to me that that's why I

375

00:18:45,430 --> 00:18:43,520

came up with that name well now I know

376

00:18:48,400 --> 00:18:45,440

you do

377

00:18:52,990 --> 00:18:48,410

remote viewing I mean that's part of

378

00:18:57,580 --> 00:18:53,000

your interest have you ever tried to

379

00:19:00,670 --> 00:18:57,590

remote view the object I have a little

380

00:19:06,880 --> 00:19:00,680

bit but I backed off from it because

381

00:19:11,260 --> 00:19:06,890

once I found out that Lake City Army and

382

00:19:14,650 --> 00:19:11,270

in keeping it quiet they shut down the

383

00:19:19,360 --> 00:19:14,660

investigation with the radio station the

384

00:19:21,640 --> 00:19:19,370

TV station and they grill it and what it

385

00:19:24,460 --> 00:19:21,650

what and what way did they did they shut

386

00:19:27,850 --> 00:19:24,470

it down did they go to the owner of the

387

00:19:30,370 --> 00:19:27,860

station as they donate well yes sir and

388

00:19:32,380 --> 00:19:30,380

told him to shut it down Dave Jordan was

389

00:19:34,600 --> 00:19:32,390

had done two segments on it and these

390

00:19:36,670 --> 00:19:34,610

were in-depth segments he was going to

391

00:19:38,680 --> 00:19:36,680

do a third one in fact he had filmed the

392

00:19:40,660 --> 00:19:38,690

third one and he went in and they said

393

00:19:43,210 --> 00:19:40,670

we have to shut this down but he didn't

394

00:19:46,720 --> 00:19:43,220

tell him who did it but I said I found

395

00:19:48,700 --> 00:19:46,730

out from someone else who did so it's my

396

00:19:50,110 --> 00:19:48,710

opinion that this is not something

397

00:19:54,340 --> 00:19:50,120

extraterrestrial

398

00:19:59,320 --> 00:19:54,350

it's more likely something of ours now

399

00:20:03,880 --> 00:19:59,330

any any strange radio interference or

400

00:20:06,280 --> 00:20:03,890

e/m effects not from this not from this

401
00:20:08,740 --> 00:20:06,290
now one bizarre thing that is associated

402
00:20:12,730 --> 00:20:08,750
with it is laser being like lights that

403
00:20:15,310 --> 00:20:12,740
shoot across the sky mmm either some

404
00:20:17,410 --> 00:20:15,320
type of a weapon or or something else

405
00:20:20,180 --> 00:20:17,420
but this has been associated with that

406
00:20:23,539 --> 00:20:20,190
object and seen by many people do they

407
00:20:27,560 --> 00:20:23,549
seems to be aimed at the the objects no

408
00:20:30,710 --> 00:20:27,570
they seem to be aimed in a horizontal

409
00:20:34,430 --> 00:20:30,720
way going across the sky not they're not

410
00:20:38,629 --> 00:20:34,440
coming down to the earth as far as we

411
00:20:40,100 --> 00:20:38,639
know and how many witness I mean how

412
00:20:45,879 --> 00:20:40,110
many people have seen this all together

413
00:20:54,440 --> 00:20:50,690

yeah okay and you say it was in the in

414

00:20:59,419 --> 00:20:54,450

the press just a couple of times well it

415

00:21:03,169 --> 00:20:59,429

was on it was on TV into the big segment

416

00:21:09,619 --> 00:21:03,179

and then it was covered in lots of news

417

00:21:11,629 --> 00:21:09,629

reports online as well but I think it

418

00:21:13,789 --> 00:21:11,639

seems that you know first of all we do

419

00:21:16,430 --> 00:21:13,799

have the media that will only pay a

420

00:21:19,129 --> 00:21:16,440

certain amount of attention to it yes

421

00:21:23,990 --> 00:21:19,139

and you know and then they're told to

422

00:21:25,940 --> 00:21:24,000

pull the plug so it really should I mean

423

00:21:30,019 --> 00:21:25,950

this is this is as big as the Phoenix

424

00:21:32,119 --> 00:21:30,029

lights is how bad I thought things do

425

00:21:34,970 --> 00:21:32,129

bizarre things they will also hide in

426
00:21:37,879 --> 00:21:34,980
front of planets and and sit in front of

427
00:21:40,310 --> 00:21:37,889
a planet so you don't notice it but I've

428
00:21:41,749 --> 00:21:40,320
been on Sky Watch is where we'll watch

429
00:21:44,869 --> 00:21:41,759
something for an hour and a half two

430
00:21:48,289 --> 00:21:44,879
hours and then all of a sudden it blows

431
00:21:53,980 --> 00:21:48,299
up to a huge huge size and then moves

432
00:21:58,399 --> 00:21:53,990
down below you know to the earth or

433
00:22:00,950 --> 00:21:58,409
shoots down and then back up or just

434
00:22:03,049 --> 00:22:00,960
something bizarre and a lot of people

435
00:22:04,430 --> 00:22:03,059
have seen this independently and I've

436
00:22:06,529 --> 00:22:04,440
been on investigations where there's a

437
00:22:09,169 --> 00:22:06,539
lot of you know many people together and

438
00:22:14,930 --> 00:22:09,179

we see this happening and how about any

439

00:22:17,149 --> 00:22:14,940

any reports of landings or contact no no

440

00:22:21,019 --> 00:22:17,159

no contact other than other than the

441

00:22:23,899 --> 00:22:21,029

lights and I have not remote viewed and

442

00:22:27,080 --> 00:22:23,909

gone on to the craft or whatever these

443

00:22:29,840 --> 00:22:27,090

things are because if it is military I'm

444

00:22:33,740 --> 00:22:29,850

I'm afraid they have the technology to

445

00:22:33,980 --> 00:22:33,750

know that I'm there looking so that's

446

00:22:35,510 --> 00:22:33,990

why

447

00:22:37,100 --> 00:22:35,520

I'm staying away from it now if it was

448

00:22:41,600 --> 00:22:37,110

extraterrestrial life I wouldn't

449

00:22:43,040 --> 00:22:41,610

hesitate going to look are there is

450

00:22:46,130 --> 00:22:43,050

there any sign though of

451
00:22:50,240 --> 00:22:46,140
extraterrestrial the craft associated

452
00:22:53,150 --> 00:22:50,250
with this at all not that I know of

453
00:22:55,340 --> 00:22:53,160
we do have a lot of sightings here in

454
00:22:59,390 --> 00:22:55,350
Kansas City though it's just a major UFO

455
00:23:02,930 --> 00:22:59,400
hotspot this is just bizarre how many

456
00:23:07,180 --> 00:23:02,940
reports we get in fact I can't even

457
00:23:11,590 --> 00:23:07,190
believe I saw one tonight at 7:45 p.m.

458
00:23:15,140 --> 00:23:11,600
when I went out and this huge huge craft

459
00:23:17,450 --> 00:23:15,150
was flying about three miles away and

460
00:23:20,030 --> 00:23:17,460
very low about 2,000 feet it was much

461
00:23:21,200 --> 00:23:20,040
bigger than an airliner Margie let me

462
00:23:23,690 --> 00:23:21,210
have you hold it there and we'll

463
00:23:25,549 --> 00:23:23,700

continue this when we come back from our

464

00:23:35,470 --> 00:23:25,559

bottom of the hour break so stay tuned

465

00:23:42,200 --> 00:23:39,620

now back to exploring the bazaar with

466

00:23:45,200 --> 00:23:42,210

two of the most electrifying researchers

467

00:23:50,600 --> 00:23:45,210

in the Paranoid your hosts Timothy

468

00:23:52,519 --> 00:23:50,610

evacuate panting this is Explorer in the

469

00:23:56,409 --> 00:23:52,529

bazaar I'm Tim Schwartz tonight our

470

00:24:00,350 --> 00:23:56,419

guest is Margie Kay and Margie

471

00:24:02,149 --> 00:24:00,360

unfortunately we had to interrupt you to

472

00:24:05,120 --> 00:24:02,159

go to our bottom of the hour break and

473

00:24:07,580 --> 00:24:05,130

you were telling us about a UFO sighting

474

00:24:11,419 --> 00:24:07,590

that you had earlier this evening want

475

00:24:15,409 --> 00:24:11,429

to go ahead and continue your story yes

476
00:24:18,409 --> 00:24:15,419
right on time for our show tonight I saw

477
00:24:22,100 --> 00:24:18,419
this really really large object larger

478
00:24:24,320 --> 00:24:22,110
than a 747 and had multiple bright

479
00:24:29,090 --> 00:24:24,330
lights on it there were mostly white

480
00:24:31,639 --> 00:24:29,100
lights with a red light and I was in my

481
00:24:34,159 --> 00:24:31,649
car so I couldn't grab my phone and take

482
00:24:37,430 --> 00:24:34,169
video I was headed to stop somewhere to

483
00:24:41,779 --> 00:24:37,440
take video watch it for at least 10 to

484
00:24:44,180 --> 00:24:41,789
15 seconds and and it was moving from

485
00:24:47,060 --> 00:24:44,190
north to south and then it just

486
00:24:49,370 --> 00:24:47,070
disappeared or all the lights were

487
00:24:52,810 --> 00:24:49,380
turned off and if it just wasn't there

488
00:24:57,169 --> 00:24:52,820

anymore I called my friend Jane Walker

489

00:24:58,760 --> 00:24:57,179

who lives not far from here and was

490

00:25:01,279 --> 00:24:58,770

telling her about it she said she just

491

00:25:04,639 --> 00:25:01,289

saw it as well she was head was outside

492

00:25:06,470 --> 00:25:04,649

she saw it and then it disappeared so we

493

00:25:10,039 --> 00:25:06,480

saw the same thing exact same time from

494

00:25:12,350 --> 00:25:10,049

two different locations and we've got

495

00:25:14,990 --> 00:25:12,360

some sky watchers out right now with our

496

00:25:18,230 --> 00:25:15,000

KC MUFON group and they're watching for

497

00:25:22,880 --> 00:25:18,240

it so we'll see if it comes back so now

498

00:25:26,779 --> 00:25:22,890

is the the Kansas City area a kind of a

499

00:25:28,519 --> 00:25:26,789

continuing UFO flap area I mean the

500

00:25:31,310 --> 00:25:28,529

stories you've been telling some of the

501
00:25:35,690 --> 00:25:31,320
research that I've conducted prior to

502
00:25:37,850 --> 00:25:35,700
the show seems to be a lot of activity

503
00:25:41,480 --> 00:25:37,860
over there there's there's a lot of

504
00:25:43,549 --> 00:25:41,490
activity and there has been a series of

505
00:25:47,840 --> 00:25:43,559
flaps over the years and I write about

506
00:25:51,080 --> 00:25:47,850
that in my book but since 2011

507
00:25:54,169 --> 00:25:51,090
things have really been hot we have you

508
00:25:57,470 --> 00:25:54,179
know few less some years and then a lot

509
00:25:59,270 --> 00:25:57,480
more in other years it looks like 2020

510
00:26:01,640 --> 00:25:59,280
is going to turn out to be a very busy

511
00:26:04,279 --> 00:26:01,650
year because of the number of reports

512
00:26:06,650 --> 00:26:04,289
that we're getting in and it's important

513
00:26:09,890 --> 00:26:06,660

to remember too that not everybody calls

514

00:26:12,140 --> 00:26:09,900

in a report or goes online to report at

515

00:26:16,549 --> 00:26:12,150

the national UFO Reporting Center or

516

00:26:18,049 --> 00:26:16,559

MUFON comm I wish they would because it

517

00:26:19,520 --> 00:26:18,059

give us a better picture but for

518

00:26:23,149 --> 00:26:19,530

instance some of our meetings that we

519

00:26:25,279 --> 00:26:23,159

have in Kansas City will get up you know

520

00:26:27,799 --> 00:26:25,289

several people come up and say oh I saw

521

00:26:30,649 --> 00:26:27,809

this in the last month and I said did

522

00:26:32,090 --> 00:26:30,659

you file a report no they didn't and I

523

00:26:33,680 --> 00:26:32,100

asked them to but you know some people

524

00:26:35,659 --> 00:26:33,690

just don't want to aren't some people

525

00:26:38,299 --> 00:26:35,669

are kind of afraid to they don't want

526

00:26:41,149 --> 00:26:38,309

anybody to see to see their name or

527

00:26:42,740 --> 00:26:41,159

anything so really it's a small

528

00:26:46,610 --> 00:26:42,750

percentage that report but we're getting

529

00:26:48,710 --> 00:26:46,620

a lot yeah I think it's something along

530

00:26:51,590 --> 00:26:48,720

the lines for every one report there's

531

00:26:56,750 --> 00:26:51,600

probably at least a hundred other

532

00:26:58,370 --> 00:26:56,760

sightings maybe even more than that and

533

00:27:01,490 --> 00:26:58,380

and I think that a lot of people they

534

00:27:02,779 --> 00:27:01,500

just they have no idea how to how to

535

00:27:06,529 --> 00:27:02,789

make a report they don't know who to

536

00:27:10,279 --> 00:27:06,539

call a lot of people they they have no

537

00:27:12,020 --> 00:27:10,289

real knowledge about the phenomena maybe

538

00:27:14,000 --> 00:27:12,030

they've seen something on television but

539

00:27:18,529 --> 00:27:14,010

when they do have an unusual sighting

540

00:27:20,270 --> 00:27:18,539

it's just really outside of their safe

541

00:27:22,760 --> 00:27:20,280

zone so to speak and they're just like

542

00:27:26,390 --> 00:27:22,770

they're left gobsmacked by their

543

00:27:28,399 --> 00:27:26,400

sightings true and some people won't

544

00:27:30,289 --> 00:27:28,409

even talk about it for years after there

545

00:27:32,299 --> 00:27:30,299

so I've talked to people who have been

546

00:27:33,620 --> 00:27:32,309

silent for 50 years and they come up to

547

00:27:36,950 --> 00:27:33,630

me and so I'd just have to tell someone

548

00:27:39,770 --> 00:27:36,960

this mmm well all's it takes is you know

549

00:27:42,350 --> 00:27:39,780

one one person one family member that

550

00:27:45,289 --> 00:27:42,360

teases somebody about their sighting and

551
00:27:47,690 --> 00:27:45,299
they'll never talk about it again yeah I

552
00:27:49,789 --> 00:27:47,700
read yeah I run into that all the time

553
00:27:53,919 --> 00:27:49,799
alright so now at the beginning of the

554
00:27:57,860 --> 00:27:53,929
program I was reading your biography and

555
00:28:01,370 --> 00:27:57,870
it states that that you yourself I mean

556
00:28:03,560 --> 00:28:01,380
you've you've had UFO sightings but you

557
00:28:06,830 --> 00:28:03,570
you you say that you've had close

558
00:28:11,690 --> 00:28:06,840
encounters with extraterrestrials or at

559
00:28:15,950 --> 00:28:11,700
least you know unknown beans I sure have

560
00:28:17,750 --> 00:28:15,960
and I would say I'm not sure what they

561
00:28:20,000 --> 00:28:17,760
are maybe they're interdimensional beans

562
00:28:22,280 --> 00:28:20,010
but they were definitely not human

563
00:28:26,600 --> 00:28:22,290

beings mm-hmm there were humanoid type

564

00:28:30,080 --> 00:28:26,610

and one of the most bizarre and and

565

00:28:33,500 --> 00:28:30,090

really my first serious encounter

566

00:28:36,050 --> 00:28:33,510

happened a few years ago I was lying in

567

00:28:40,580 --> 00:28:36,060

bed and I my feet had been hurting me

568

00:28:43,400 --> 00:28:40,590

for at least two to four weeks and I've

569

00:28:45,080 --> 00:28:43,410

been to my regular doctor and my

570

00:28:46,880 --> 00:28:45,090

podiatrist and they could not figure out

571

00:28:48,410 --> 00:28:46,890

why my feet were hurting so bad

572

00:28:51,680 --> 00:28:48,420

got to the point where I couldn't walk

573

00:28:54,170 --> 00:28:51,690

anymore and I could only crawl hmm so I

574

00:28:57,710 --> 00:28:54,180

was lying in bed meditating and I just

575

00:28:59,540 --> 00:28:57,720

sent a message out to you know anybody

576

00:29:02,360 --> 00:28:59,550

who might be listening if he'd like to

577

00:29:06,310 --> 00:29:02,370

come work on my feet tonight please do

578

00:29:09,620 --> 00:29:06,320

so I just laid there and and fell asleep

579

00:29:14,840 --> 00:29:09,630

the next thing I know I feel this really

580

00:29:16,550 --> 00:29:14,850

sharp pain in my left calf as if a long

581

00:29:20,210 --> 00:29:16,560

needle had gone in all the way to the

582

00:29:22,490 --> 00:29:20,220

bone in my cap mmm and it woke me woke

583

00:29:26,540 --> 00:29:22,500

me up startled me I opened my eyes and I

584

00:29:29,780 --> 00:29:26,550

saw two short like three and a half four

585

00:29:32,030 --> 00:29:29,790

foot tall grey beans standing at the

586

00:29:36,440 --> 00:29:32,040

foot of my bed and one of them had his

587

00:29:38,930 --> 00:29:36,450

hands in front of my feet so he was

588

00:29:40,970 --> 00:29:38,940

working on my feet the other one was

589

00:29:42,350 --> 00:29:40,980

just standing back and then I sensed

590

00:29:46,280 --> 00:29:42,360

that there was a third one to my right

591

00:29:49,280 --> 00:29:46,290

but I didn't see it well that shocked me

592

00:29:51,560 --> 00:29:49,290

and even though you know I've been

593

00:29:55,180 --> 00:29:51,570

asking to see extraterrestrials my whole

594

00:29:58,370 --> 00:29:55,190

life or other means my entire life

595

00:29:59,810 --> 00:29:58,380

nothing had really happened like this I

596

00:30:02,600 --> 00:29:59,820

did have one other encounter but not

597

00:30:06,320 --> 00:30:02,610

like this and so here you are in your

598

00:30:08,570 --> 00:30:06,330

house with other living beings that have

599

00:30:11,300 --> 00:30:08,580

appeared in the house and I'm waking up

600

00:30:13,670 --> 00:30:11,310

from asleep so I screamed and they

601
00:30:15,139 --> 00:30:13,680
instantly disappeared no I don't think

602
00:30:17,899 --> 00:30:15,149
they really disappeared I

603
00:30:20,629 --> 00:30:17,909
they disappeared from my view because I

604
00:30:24,709 --> 00:30:20,639
had moved into this fear mode and

605
00:30:29,479 --> 00:30:24,719
lowered my vibration is you know is how

606
00:30:31,369 --> 00:30:29,489
I think this works so anyway the next

607
00:30:34,310 --> 00:30:31,379
morning I noticed my feet didn't hurt as

608
00:30:37,909 --> 00:30:34,320
much and I could walk and within a

609
00:30:41,269 --> 00:30:37,919
couple of days all the pain was gone it

610
00:30:42,560 --> 00:30:41,279
was amazing so I mean there is proof

611
00:30:45,820 --> 00:30:42,570
right there that if you ask for help

612
00:30:50,659 --> 00:30:45,830
there are some who are willing to help

613
00:30:52,999 --> 00:30:50,669

mm-hmm and probably their reaction was

614

00:30:54,379 --> 00:30:53,009

well here we get your your call for help

615

00:31:00,560 --> 00:30:54,389

and what do you do you scream when we

616

00:31:02,479 --> 00:31:00,570

get there I promised I wouldn't do it

617

00:31:06,349 --> 00:31:02,489

again but sure enough it happened again

618

00:31:07,909 --> 00:31:06,359

I had a hernia and I needed to have

619

00:31:10,430 --> 00:31:07,919

surgery and I really didn't want to have

620

00:31:13,700 --> 00:31:10,440

surgery and I did the same thing you

621

00:31:16,099 --> 00:31:13,710

know ask for help and I fell asleep when

622

00:31:19,159 --> 00:31:16,109

my husband came up the steps and made a

623

00:31:22,549 --> 00:31:19,169

noise and it woke me up I and I opened

624

00:31:25,609 --> 00:31:22,559

my eyes and I saw this gold beam

625

00:31:28,459 --> 00:31:25,619

standing there with a big cranium and

626

00:31:32,269 --> 00:31:28,469

his whole body was glowing this gold

627

00:31:36,769 --> 00:31:32,279

color and he had his hands over my

628

00:31:39,349 --> 00:31:36,779

stomach when I saw him once again I mean

629

00:31:41,659 --> 00:31:39,359

I was shocked I screamed he disappeared

630

00:31:44,479 --> 00:31:41,669

and my husband was standing there and he

631

00:31:46,339 --> 00:31:44,489

he was he said what what he had no idea

632

00:31:48,019 --> 00:31:46,349

you know why I'm screaming in the dark

633

00:31:52,359 --> 00:31:48,029

and I said please tell me you saw that

634

00:31:56,419 --> 00:31:52,369

he said saw what oh no he didn't see it

635

00:31:58,549 --> 00:31:56,429

but yeah that was that was my second

636

00:32:03,259 --> 00:31:58,559

healing experience quite interesting

637

00:32:07,099 --> 00:32:03,269

then I had another experience where the

638

00:32:08,749 --> 00:32:07,109

ceiling in my bedroom opened up and I

639

00:32:12,549 --> 00:32:08,759

saw an extraterrestrial

640

00:32:16,430 --> 00:32:12,559

what tall one with a with a with white

641

00:32:19,279 --> 00:32:16,440

hood on and he reached his hand down and

642

00:32:22,369 --> 00:32:19,289

I just reached my hand up and all the

643

00:32:25,219 --> 00:32:22,379

next thing I know I'm on a craft and he

644

00:32:28,169 --> 00:32:25,229

is showing me this LCD screen what

645

00:32:30,989 --> 00:32:28,179

looked like an LCD or TV screen

646

00:32:33,330 --> 00:32:30,999

and showing me the earth from from way

647

00:32:37,129 --> 00:32:33,340

back watching the earth and he showed me

648

00:32:40,560 --> 00:32:37,139

an asteroid hit in Russia and then

649

00:32:42,480 --> 00:32:40,570

really caused havoc over three-quarters

650

00:32:43,730 --> 00:32:42,490

of the planet this is a major major

651
00:32:47,129 --> 00:32:43,740
event

652
00:32:50,879 --> 00:32:47,139
well I posted that on my blog what I saw

653
00:32:55,769 --> 00:32:50,889
a few months later that asteroid hit in

654
00:32:58,350 --> 00:32:55,779
Russia and in some of the pictures you

655
00:33:00,749 --> 00:32:58,360
see some of the pit you know they all

656
00:33:03,389 --> 00:33:00,759
have dash cams on their cars in Russia

657
00:33:06,139 --> 00:33:03,399
mm-hmm so some of those pictures are on

658
00:33:08,879 --> 00:33:06,149
YouTube the video you can see this

659
00:33:11,369 --> 00:33:08,889
streaming white object that looks like a

660
00:33:16,019 --> 00:33:11,379
missile go towards that asteroid an

661
00:33:19,950 --> 00:33:16,029
asteroid explodes in the atmosphere so

662
00:33:23,009 --> 00:33:19,960
I'm just wondering if that wasn't I mean

663
00:33:24,659 --> 00:33:23,019

why did they show me that and then a few

664

00:33:27,330 --> 00:33:24,669

months later that happened I don't know

665

00:33:29,129 --> 00:33:27,340

yeah I've seen that I've seen video I

666

00:33:31,889 --> 00:33:29,139

think I think we wrote that up

667

00:33:33,919 --> 00:33:31,899

Tim enough didn't you work on a book at

668

00:33:36,509 --> 00:33:33,929

coming of the space Guardians I think

669

00:33:40,440 --> 00:33:36,519

that was yeah that was an ER that was an

670

00:33:43,289 --> 00:33:40,450

earlier event that had some similar

671

00:33:49,080 --> 00:33:43,299

video what look like to be some kind of

672

00:33:50,639 --> 00:33:49,090

interaction with a a bolide and coming

673

00:33:53,639 --> 00:33:50,649

close to earth that exploded in the

674

00:33:55,909 --> 00:33:53,649

atmosphere before it hit but I think

675

00:34:00,210 --> 00:33:55,919

that would maybe took place over turkey

676

00:34:05,489 --> 00:34:00,220

turkey yep yeah yeah this was this was a

677

00:34:10,250 --> 00:34:05,499

different one well so Margie now when

678

00:34:13,710 --> 00:34:10,260

you use remote viewing for these

679

00:34:16,859 --> 00:34:13,720

investigations I mean what what kind of

680

00:34:20,309 --> 00:34:16,869

information are have you been receiving

681

00:34:24,299 --> 00:34:20,319

when it when it comes to some of these

682

00:34:29,069 --> 00:34:24,309

sightings I mean I know when the CIA and

683

00:34:31,889 --> 00:34:29,079

the military actually conducted such

684

00:34:34,950 --> 00:34:31,899

experiments when it came to to UFO s I

685

00:34:38,670 --> 00:34:34,960

mean they they received some some very

686

00:34:41,220 --> 00:34:38,680

interesting results yes

687

00:34:44,010 --> 00:34:41,230

I think the most interesting thing I've

688

00:34:48,120 --> 00:34:44,020

seen what I do want to do an

689

00:34:50,880 --> 00:34:48,130

investigation is use remote viewing as a

690

00:34:54,090 --> 00:34:50,890

secondary confirmation that that

691

00:34:57,510 --> 00:34:54,100

something happened and I'll usually see

692

00:35:00,390 --> 00:34:57,520

a scene of an event and I'll know

693

00:35:02,850 --> 00:35:00,400

exactly what happened and sometimes I'll

694

00:35:05,640 --> 00:35:02,860

know before the witness tells me about

695

00:35:08,070 --> 00:35:05,650

it so then I know that they are being

696

00:35:09,990 --> 00:35:08,080

truthful about their experience hmm

697

00:35:16,410 --> 00:35:10,000

but of course I never tell them what I'm

698

00:35:19,200 --> 00:35:16,420

doing then I think we're the strangest

699

00:35:21,210 --> 00:35:19,210

thing that happened was one witness was

700

00:35:23,610 --> 00:35:21,220

telling me about this event so I went

701
00:35:25,830 --> 00:35:23,620
home and I thought oh I'm going to

702
00:35:29,490 --> 00:35:25,840
remote view this and see what happened

703
00:35:32,670 --> 00:35:29,500
and I'm I ended up standing on a

704
00:35:34,470 --> 00:35:32,680
spacecraft some type it was all silver

705
00:35:38,640 --> 00:35:34,480
on the inside and there was a table

706
00:35:40,890 --> 00:35:38,650
across the room and there were three ETS

707
00:35:44,850 --> 00:35:40,900
standing around this table and the one

708
00:35:47,990 --> 00:35:44,860
had had his back to me he turned around

709
00:35:52,080 --> 00:35:48,000
and looked me straight in the eyes so

710
00:35:55,320 --> 00:35:52,090
this was a past event so I had traveled

711
00:35:59,090 --> 00:35:55,330
back in time to watch an event I was in

712
00:36:02,010 --> 00:35:59,100
my third body and he knew it

713
00:36:04,290 --> 00:36:02,020

so the ETS knew and he and he was not

714

00:36:08,040 --> 00:36:04,300

threatened at all he just went turned

715

00:36:13,500 --> 00:36:08,050

around and went about his work very

716

00:36:15,390 --> 00:36:13,510

bizarre well it it's it sounds very

717

00:36:18,380 --> 00:36:15,400

reminiscent I don't know if you've had a

718

00:36:21,780 --> 00:36:18,390

chance yet to read a Whitley streamers

719

00:36:25,560 --> 00:36:21,790

newest book I think the title is a new

720

00:36:30,360 --> 00:36:25,570

world if you have it I highly recommend

721

00:36:32,520 --> 00:36:30,370

that you read that because some of his

722

00:36:38,700 --> 00:36:32,530

experiences that he talks about very

723

00:36:44,490 --> 00:36:38,710

similar to the ones that you had when

724

00:36:47,490 --> 00:36:44,500

you asked asked for help so yeah yeah

725

00:36:50,970 --> 00:36:47,500

yeah it's a fact I highly recommend that

726
00:36:51,690 --> 00:36:50,980
anybody read it and hopefully Tim we can

727
00:36:53,220 --> 00:36:51,700
have a

728
00:36:56,099 --> 00:36:53,230
trying to get Whitley on our show

729
00:37:05,069 --> 00:36:56,109
sometimes the to talk about is his new

730
00:37:09,930 --> 00:37:05,079
book yeah he's he's been on my for and

731
00:37:12,599 --> 00:37:09,940
and Margie it would you talked about the

732
00:37:14,099 --> 00:37:12,609
the beam who who realized that you were

733
00:37:17,780 --> 00:37:14,109
there when you were remote viewing the

734
00:37:21,839 --> 00:37:17,790
past that sounds an awful lot like and

735
00:37:26,430 --> 00:37:21,849
coax my memory here Tim the the famous

736
00:37:28,800 --> 00:37:26,440
remote viewer who traveled to Jupiter

737
00:37:30,390 --> 00:37:28,810
first ahead of the spacecraft oh you

738
00:37:34,650 --> 00:37:30,400

mean the the fellow that used to come to

739

00:37:38,160 --> 00:37:34,660

our meetings here in yeah yeah yeah yeah

740

00:37:41,819 --> 00:37:38,170

the jug heels the Fred Wright my name is

741

00:37:43,200 --> 00:37:41,829

his name is just completely naturally

742

00:37:45,260 --> 00:37:43,210

trying to remember what his name is I

743

00:37:49,620 --> 00:37:45,270

can't I can't think of it right now but

744

00:37:53,579 --> 00:37:49,630

you know this this gentleman had said

745

00:37:57,690 --> 00:37:53,589

the same thing when he was tasked to

746

00:38:04,050 --> 00:37:57,700

check on the Dark Side of the Moon he

747

00:38:07,680 --> 00:38:04,060

said that he he realized that the alien

748

00:38:09,540 --> 00:38:07,690

presence that was there was very well

749

00:38:12,690 --> 00:38:09,550

aware that that he was there watching

750

00:38:18,569 --> 00:38:12,700

them and her and apparently they didn't

751

00:38:23,490 --> 00:38:18,579

like it and he also said that later when

752

00:38:27,059 --> 00:38:23,500

he was at a supermarket he saw a woman

753

00:38:31,410 --> 00:38:27,069

that was rather dressed rather flashy

754

00:38:33,780 --> 00:38:31,420

and he knew right away that she was an

755

00:38:37,380 --> 00:38:33,790

alien and he had he was warned then

756

00:38:41,099 --> 00:38:37,390

later on I guess by his handlers that he

757

00:38:43,380 --> 00:38:41,109

had to try to stay on the down-low so to

758

00:38:46,829 --> 00:38:43,390

speak with these abilities because if

759

00:38:49,800 --> 00:38:46,839

these beings whatever they are since

760

00:38:51,270 --> 00:38:49,810

that that he could sense them that they

761

00:38:55,680 --> 00:38:51,280

would make life a little difficult for

762

00:38:59,250 --> 00:38:55,690

him well I've seen some non-human beings

763

00:39:01,349 --> 00:38:59,260

walking on the planet that well close to

764

00:39:05,020 --> 00:39:01,359

being human means they couldn't ask for

765

00:39:07,180 --> 00:39:05,030

him but I know when they're not and

766

00:39:09,100 --> 00:39:07,190

in fact one was at a UFO conference and

767

00:39:13,540 --> 00:39:09,110

then he disappeared shortly after he was

768

00:39:16,990 --> 00:39:13,550

gone he didn't stay so they know when I

769

00:39:19,120 --> 00:39:17,000

know you know they picked that up mm-hmm

770

00:39:23,100 --> 00:39:19,130

well you know it makes you wonder if

771

00:39:28,060 --> 00:39:23,110

we're dealing with you know like a

772

00:39:29,890 --> 00:39:28,070

period of different types of beans you

773

00:39:32,980 --> 00:39:29,900

know some that are you know actually

774

00:39:36,370 --> 00:39:32,990

physical like us others that are able to

775

00:39:38,860 --> 00:39:36,380

be both physical and non-physical and

776

00:39:40,240 --> 00:39:38,870

then others that are you know I don't

777

00:39:43,120 --> 00:39:40,250

know for one of a better word you know

778

00:39:47,230 --> 00:39:43,130

interdimensional and can you know pop in

779

00:39:49,090 --> 00:39:47,240

and out at a moment's notice I mean if

780

00:39:51,460 --> 00:39:49,100

you have you gotten any impressions one

781

00:39:53,410 --> 00:39:51,470

of those lines yourself absolutely in

782

00:39:56,320 --> 00:39:53,420

fact I think most of them are 5th

783

00:40:00,850 --> 00:39:56,330

dimensional and I think there's many

784

00:40:02,980 --> 00:40:00,860

many thousands going on at the same time

785

00:40:06,700 --> 00:40:02,990

with I don't know if you've heard of the

786

00:40:08,050 --> 00:40:06,710

fast movers I'm writing a book about

787

00:40:12,610 --> 00:40:08,060

them right now along with two other

788

00:40:14,560 --> 00:40:12,620

gentlemen and we have obtained video and

789

00:40:17,050 --> 00:40:14,570

then gone through the video frame by

790

00:40:21,100 --> 00:40:17,060

frame to see these very very fast moving

791

00:40:22,600 --> 00:40:21,110

objects at 8,000 miles per hour plus we

792

00:40:26,470 --> 00:40:22,610

can you know been able to figure that

793

00:40:31,530 --> 00:40:26,480

out by checking the the location in the

794

00:40:34,630 --> 00:40:31,540

distance and the frames in the video and

795

00:40:38,620 --> 00:40:34,640

and I have the ability to see them with

796

00:40:41,830 --> 00:40:38,630

the naked eye if I if I if I'm driving

797

00:40:44,500 --> 00:40:41,840

or outside I can kind of go into just a

798

00:40:46,210 --> 00:40:44,510

little light trance state and I see them

799

00:40:48,610 --> 00:40:46,220

and there's more and more now I mean

800

00:40:51,400 --> 00:40:48,620

I've seen them my whole life but in the

801
00:40:55,060 --> 00:40:51,410
past couple of years even the past six

802
00:40:58,240 --> 00:40:55,070
months it's escalated so there's just so

803
00:41:01,180 --> 00:40:58,250
many different types and I think they

804
00:41:02,320 --> 00:41:01,190
are interdimensional and they're you

805
00:41:04,450 --> 00:41:02,330
know they're going in and out of

806
00:41:07,600 --> 00:41:04,460
dimension and they move so fast that

807
00:41:09,010 --> 00:41:07,610
normally humans don't notice them now

808
00:41:12,430 --> 00:41:09,020
you talking about objects flying in the

809
00:41:16,330 --> 00:41:12,440
sky yes yeah but also the beans

810
00:41:18,670 --> 00:41:16,340
themselves they they have the ability to

811
00:41:21,040 --> 00:41:18,680
if somebody notices them say

812
00:41:23,080 --> 00:41:21,050
in their house they'll be in one place

813
00:41:25,480 --> 00:41:23,090

one second in another place another

814

00:41:28,630 --> 00:41:25,490

second where it would be too fast for

815

00:41:30,700 --> 00:41:28,640

for a human to get to that space so I

816

00:41:33,550 --> 00:41:30,710

think that they are moving at a much

817

00:41:37,630 --> 00:41:33,560

faster level and and they're in a higher

818

00:41:40,410 --> 00:41:37,640

vibration than we are now what I also

819

00:41:43,330 --> 00:41:40,420

wanted to give you the chance before the

820

00:41:46,570 --> 00:41:43,340

the show ends I guess that that you have

821

00:41:49,750 --> 00:41:46,580

a remote viewing as a workshop coming up

822

00:41:53,530 --> 00:41:49,760

in March yes it's a full-day workshop on

823

00:41:57,100 --> 00:41:53,540

March 14th in Kansas City and I'm going

824

00:41:58,930 --> 00:41:57,110

to be during this one towards people who

825

00:42:01,000 --> 00:41:58,940

have our paranormal and UFO

826

00:42:04,600 --> 00:42:01,010

investigators although it's appropriate

827

00:42:07,360 --> 00:42:04,610

for anybody and I use my workbook along

828

00:42:09,910 --> 00:42:07,370

with it and by the end of the workshop

829

00:42:13,570 --> 00:42:09,920

the person will have all the skills they

830

00:42:17,290 --> 00:42:13,580

need and all of the training methods

831

00:42:20,110 --> 00:42:17,300

that that will get them to the point if

832

00:42:22,600 --> 00:42:20,120

they practice it that within a year or

833

00:42:24,190 --> 00:42:22,610

they should be remote viewing and some

834

00:42:25,660 --> 00:42:24,200

people are much faster some people

835

00:42:28,870 --> 00:42:25,670

actually doing it the day of the

836

00:42:30,580 --> 00:42:28,880

workshop and you know I just trained

837

00:42:33,130 --> 00:42:30,590

them to open their psychic center or

838

00:42:36,430 --> 00:42:33,140

their size Center which is the area that

839

00:42:38,050 --> 00:42:36,440

remote viewing occurs in and so they'll

840

00:42:41,350 --> 00:42:38,060

be you know they'll increase your

841

00:42:43,260 --> 00:42:41,360

psychic abilities as well with that so

842

00:42:46,480 --> 00:42:43,270

I'm looking forward to doing that and

843

00:42:49,570 --> 00:42:46,490

then we have a conference coming up in

844

00:42:51,400 --> 00:42:49,580

May May 15th and 16th

845

00:42:54,280 --> 00:42:51,410

it's the mysteries of the universe

846

00:42:57,450 --> 00:42:54,290

conference and that's in Kansas City and

847

00:43:02,320 --> 00:42:57,460

our keynote speaker is Ian Punnett oh

848

00:43:08,140 --> 00:43:02,330

yeah go ahead I'm sorry

849

00:43:10,150 --> 00:43:08,150

that website is oz - UFO calm and the

850

00:43:13,420 --> 00:43:10,160

remote viewing site is my site margie

851

00:43:16,000 --> 00:43:13,430

kay calm all right well we got about

852

00:43:19,120 --> 00:43:16,010

five minutes before the show end so I

853

00:43:23,470 --> 00:43:19,130

wanted you to talk a little bit about

854

00:43:28,780 --> 00:43:23,480

the the UFO activity that was going on

855

00:43:30,100 --> 00:43:28,790

in was a june of last year oh yes yes

856

00:43:32,500 --> 00:43:30,110

i'm gonna talk about this at the

857

00:43:35,250 --> 00:43:32,510

conference in depth but it was a

858

00:43:38,190 --> 00:43:35,260

we called the June 20th mass sightings

859

00:43:41,650 --> 00:43:38,200

thousands of people saw these three

860

00:43:45,520 --> 00:43:41,660

large white objects hovering over the

861

00:43:47,290 --> 00:43:45,530

city for over six hours so they're

862

00:43:49,930 --> 00:43:47,300

calling all the TV stations news

863

00:43:50,860 --> 00:43:49,940

stations and then move on trying to

864

00:43:53,320 --> 00:43:50,870

figure this out

865

00:43:55,810 --> 00:43:53,330

but what happened was we got some really

866

00:43:59,890 --> 00:43:55,820

good video of the objects that we were

867

00:44:01,210 --> 00:43:59,900

able to have our video analysts do he's

868

00:44:03,310 --> 00:44:01,220

here in Kansas City he's been a great

869

00:44:05,740 --> 00:44:03,320

help to us and he took it took them

870

00:44:09,700 --> 00:44:05,750

apart frame by frame well you see these

871

00:44:12,510 --> 00:44:09,710

three objects which by the way the same

872

00:44:17,610 --> 00:44:12,520

day this is going on that afternoon

873

00:44:20,260 --> 00:44:17,620

DARPA released a statement just

874

00:44:25,000 --> 00:44:20,270

coincidentally that they had released

875

00:44:29,260 --> 00:44:25,010

these high-tech weather balloons from

876

00:44:30,940 --> 00:44:29,270

the East Coast okay so they didn't say

877

00:44:33,400 --> 00:44:30,950

anything about what's going on in Kansas

878

00:44:38,350 --> 00:44:33,410

City they just said we released these a

879

00:44:42,730 --> 00:44:38,360

couple of days ago okay so anyway they

880

00:44:46,000 --> 00:44:42,740

fly or they are up way up at 75,000 feet

881

00:44:50,860 --> 00:44:46,010

or higher these objects in Kansas City

882

00:44:55,600 --> 00:44:50,870

were at 2,900 feet and they were eight

883

00:44:58,960 --> 00:44:55,610

and a half feet in diameter so the weird

884

00:45:01,450 --> 00:44:58,970

thing was in each of these videos there

885

00:45:05,380 --> 00:45:01,460

were also other objects flying around

886

00:45:07,900 --> 00:45:05,390

these objects they were clearly scrapped

887

00:45:11,140 --> 00:45:07,910

of some type but they were flying at

888

00:45:14,080 --> 00:45:11,150

approximately 8,000 miles an hour so I

889

00:45:16,570 --> 00:45:14,090

do not think that those objects were the

890

00:45:18,340 --> 00:45:16,580

weather balloons but if they were for

891

00:45:20,200 --> 00:45:18,350

some reason that they floated down and

892

00:45:21,520 --> 00:45:20,210

they were just hovering around even

893

00:45:25,390 --> 00:45:21,530

though the prevailing winds were

894

00:45:29,230 --> 00:45:25,400

actually going from west to east and not

895

00:45:30,940 --> 00:45:29,240

east to west let's say there were

896

00:45:33,840 --> 00:45:30,950

weather balloons these other objects

897

00:45:36,850 --> 00:45:33,850

definitely or not and they were not

898

00:45:41,140 --> 00:45:36,860

something of ours mm-hmm flying around

899

00:45:42,610 --> 00:45:41,150

them in that close together interesting

900

00:45:45,210 --> 00:45:42,620

and and I know that there was other

901
00:45:48,089 --> 00:45:45,220
other locations around the country that

902
00:45:51,839 --> 00:45:48,099
we're having similar sightings within

903
00:45:53,190 --> 00:45:51,849
the same time frame yes st. Louis had

904
00:45:55,650 --> 00:45:53,200
some and there were some on the East

905
