

# EXPLORING THE BIZARRE

# OWL MAN

1  
00:00:33,430 --> 00:00:21,830

[Music]

2  
00:00:41,319 --> 00:00:38,110

Tim what are you doing up there in that

3  
00:00:48,479 --> 00:00:41,329

tree get down from there before you hurt

4  
00:00:57,639 --> 00:00:51,009

okay have you gone crazy you sound like

5  
00:00:59,709 --> 00:00:57,649

a friggin owl oh I'm not really a now

6  
00:01:02,200 --> 00:00:59,719

but I'm trying to get Allemands

7  
00:01:05,620 --> 00:01:02,210

attention we need to trap him or at

8  
00:01:08,190 --> 00:01:05,630

least get some good photos so that we in

9  
00:01:11,050 --> 00:01:08,200

the audience know he really exists

10  
00:01:13,240 --> 00:01:11,060

but Tim you're going to fall down and

11  
00:01:18,100 --> 00:01:13,250

hurt your brain you know that's your

12  
00:01:20,440 --> 00:01:18,110

second favorite organ so I don't think

13  
00:01:22,779 --> 00:01:20,450

that you have to go to this extreme our

14

00:01:25,120 --> 00:01:22,789

guest tonight now Ryan says that he's

15

00:01:32,160 --> 00:01:25,130

encountered owl man first Hansel there's

16

00:01:39,669 --> 00:01:37,270

well now that I've taken the place of

17

00:01:41,050 --> 00:01:39,679

moth man oh you know moth man that a lot

18

00:01:42,669 --> 00:01:41,060

of people are some people at least a

19

00:01:47,639 --> 00:01:42,679

skeptic say that he was really a giant

20

00:01:50,949 --> 00:01:47,649

out but you know Tim I'll show up

21

00:01:54,160 --> 00:01:50,959

repeatedly in the context of UFO

22

00:01:57,639 --> 00:01:54,170

encounters mmm-hmm yeah it's a cover

23

00:02:01,180 --> 00:01:57,649

memory something like that if I'm

24

00:02:05,199 --> 00:02:01,190

remembering the the term correctly of

25

00:02:08,529 --> 00:02:05,209

course you know in my yeah in the TV

26  
00:02:10,509 --> 00:02:08,539  
show a Futurama you know it's a thousand

27  
00:02:13,509 --> 00:02:10,519  
years in the future and owls are now

28  
00:02:17,470 --> 00:02:13,519  
have taken the place of mice and rats

29  
00:02:19,570 --> 00:02:17,480  
they're the new pests so I guess yeah

30  
00:02:23,170 --> 00:02:19,580  
like the subways and houses are full of

31  
00:02:25,150 --> 00:02:23,180  
or full of owls well we did we did write

32  
00:02:27,100 --> 00:02:25,160  
a little bit about this in a book

33  
00:02:31,119 --> 00:02:27,110  
published and we published about a year

34  
00:02:32,949 --> 00:02:31,129  
ago the weird winged wonders you know

35  
00:02:36,280 --> 00:02:32,959  
there are flying a creatures associated

36  
00:02:40,320 --> 00:02:36,290  
with UFOs and a cryptozoology all over

37  
00:02:43,270 --> 00:02:40,330  
the place and owls be one of them but

38  
00:02:45,430 --> 00:02:43,280

let's get into the subject in depth

39

00:02:47,290 --> 00:02:45,440

why don't you tell us what we're going

40

00:02:49,270 --> 00:02:47,300

to be discussing tonight and we're going

41

00:02:53,260 --> 00:02:49,280

be chatting with ya sure my pleasure

42

00:02:57,220 --> 00:02:53,270

well okay tonight our guest is Ryan

43

00:02:59,470 --> 00:02:57,230

Fusco now Ryan is a first-time guest on

44

00:03:02,560 --> 00:02:59,480

exploring the bizarre so we're really

45

00:03:06,610 --> 00:03:02,570

happy that he that he was brave enough

46

00:03:08,740 --> 00:03:06,620

to join us now Ryan has had a lifelong

47

00:03:12,070 --> 00:03:08,750

interest in UFOs in the paranormal

48

00:03:14,800 --> 00:03:12,080

thanks to a UFO encounter he had when he

49

00:03:18,630 --> 00:03:14,810

was with his father and brother

50

00:03:21,850 --> 00:03:18,640

now Ryan was born in lead New York and

51  
00:03:23,610 --> 00:03:21,860  
at one point family moved to Pittsburgh

52  
00:03:25,390 --> 00:03:23,620  
Pennsylvania where he still lives today

53  
00:03:27,220 --> 00:03:25,400  
shortly after moving to Pittsburgh

54  
00:03:29,350 --> 00:03:27,230  
riding along with his father and brother

55  
00:03:31,630 --> 00:03:29,360  
saw something in the sky that they

56  
00:03:34,330 --> 00:03:31,640  
couldn't identify it was a green light

57  
00:03:36,700 --> 00:03:34,340  
and they got so it got so close to the

58  
00:03:39,010 --> 00:03:36,710  
car it actually was dropping some

59  
00:03:42,070 --> 00:03:39,020  
material on it now I could be an owl or

60  
00:03:43,660 --> 00:03:42,080  
a pigeon maybe but Ryan said that you

61  
00:03:46,660 --> 00:03:43,670  
could hear it hitting the roof of the

62  
00:03:48,880 --> 00:03:46,670  
car so suddenly the UFO shot up into the

63  
00:03:51,520 --> 00:03:48,890

sky and disappeared and ever since then

64

00:03:53,560 --> 00:03:51,530

he's had a fascination with the UFO

65

00:03:56,140 --> 00:03:53,570

topic so Ryan's been fortunate enough to

66

00:03:58,810 --> 00:03:56,150

be in the right place at the right time

67

00:04:00,880 --> 00:03:58,820

for sir pretty amazing UFO sighting

68

00:04:04,090 --> 00:04:00,890

which ultimately involved got him

69

00:04:06,490 --> 00:04:04,100

involved in the UFO field 2016 he

70

00:04:08,800 --> 00:04:06,500

finally started to investigate UFO

71

00:04:11,770 --> 00:04:08,810

sightings locally now in recent months

72

00:04:16,479 --> 00:04:11,780

he's joined phantoms and monsters comm

73

00:04:18,699 --> 00:04:16,489

our good friend Lon Lon site to be the

74

00:04:21,310 --> 00:04:18,709

western pennsylvania investigator for

75

00:04:26,350 --> 00:04:21,320

the blog now since november he has done

76

00:04:30,490 --> 00:04:26,360

UFO updates every Thursday 9:00 at 9:20

77

00:04:32,980 --> 00:04:30,500

p.m. Eastern Time on night dreams

78

00:04:35,830 --> 00:04:32,990

talk radio favorite show of mine are

79

00:04:37,600 --> 00:04:35,840

been on there a couple of times now he

80

00:04:39,630 --> 00:04:37,610

also just got done filming a documentary

81

00:04:43,000 --> 00:04:39,640

television show called red earth

82

00:04:44,260 --> 00:04:43,010

uncovered that airs in Canada it's in

83

00:04:46,720 --> 00:04:44,270

the third season

84

00:04:49,120 --> 00:04:46,730

yes he also has a high knowledge of UFO

85

00:04:51,430 --> 00:04:49,130

and abduction cases now Ryan is writing

86

00:04:54,280 --> 00:04:51,440

the book on screen memories which we'll

87

00:04:56,290 --> 00:04:54,290

discuss how screen memories work and how

88

00:05:00,159 --> 00:04:56,300

many different types of them there are

89

00:05:06,040 --> 00:05:00,169

the aftermath of a UFO event

90

00:05:08,920 --> 00:05:06,050

now he was also on Ilan's arcane radio

91

00:05:11,679 --> 00:05:08,930

to discuss his couple of crypto sighting

92

00:05:14,320 --> 00:05:11,689

investigations which you can read up on

93

00:05:15,850 --> 00:05:14,330

at phantom in monsters comm and this

94

00:05:19,179 --> 00:05:15,860

deals as we were talking about earlier

95

00:05:20,110 --> 00:05:19,189

with an owl man sighting so Ryan thanks

96

00:05:23,499 --> 00:05:20,120

for being with us tonight

97

00:05:25,360 --> 00:05:23,509

on exploring the bizarre hey thanks for

98

00:05:28,149 --> 00:05:25,370

having me and thanks for that beautiful

99

00:05:30,279 --> 00:05:28,159

introduction well aren't we just

100

00:05:33,459 --> 00:05:30,289

marvelous when it comes to that you know

101

00:05:35,709 --> 00:05:33,469

I must say Tim and I have been

102

00:05:38,350 --> 00:05:35,719

collecting ready to collect material for

103

00:05:41,619 --> 00:05:38,360

a book called strange alien artifacts

104

00:05:43,809 --> 00:05:41,629

and we've got Ted Phillips of course is

105

00:05:45,760 --> 00:05:43,819

a longtime friend of ours and we wish

106

00:05:51,070 --> 00:05:45,770

him well by the way I understand he has

107

00:05:55,089 --> 00:05:51,080

not been feeling up to par recently but

108

00:06:00,189 --> 00:05:55,099

he collected samples of soils in over

109

00:06:03,670 --> 00:06:00,199

400 physical trace cases of UFO landings

110

00:06:07,480 --> 00:06:03,680

and near flybys but I think yours may be

111

00:06:10,240 --> 00:06:07,490

the first the incident of a UFO pooping

112

00:06:12,249 --> 00:06:10,250

on the car or whatever I mean what are

113

00:06:13,570 --> 00:06:12,259

we to insinuate from this incident why

114

00:06:15,519 --> 00:06:13,580

don't you take us back to when it

115

00:06:16,959 --> 00:06:15,529

happened and give us some of the the

116

00:06:19,600 --> 00:06:16,969

firsthand their details

117

00:06:23,230 --> 00:06:19,610

what exactly did strike the vehicle that

118

00:06:25,450 --> 00:06:23,240

you were and okay so I remember we were

119

00:06:28,869 --> 00:06:25,460

coming up a highway here and it was

120

00:06:30,369 --> 00:06:28,879

exactly what Tim described but yeah it

121

00:06:32,860 --> 00:06:30,379

came over top the car I remember

122

00:06:33,939 --> 00:06:32,870

actually turning around and I was

123

00:06:35,589 --> 00:06:33,949

actually thinking to myself

124

00:06:37,869 --> 00:06:35,599

my dad's gonna yell at me if he sees me

125

00:06:41,709 --> 00:06:37,879

you know turning around the rearview

126

00:06:43,179 --> 00:06:41,719

mirror and it just came right over top

127

00:06:44,529 --> 00:06:43,189

of us and it was so bright it you could

128

00:06:46,110 --> 00:06:44,539

actually was lighting up the dashboard

129

00:06:49,659 --> 00:06:46,120

and

130

00:06:52,179 --> 00:06:49,669

it wasn't it was it a craft or some kind

131

00:06:54,850 --> 00:06:52,189

of crypto but that's what I mean it was

132

00:06:57,839 --> 00:06:54,860

definitely not a not a cryptid for sure

133

00:07:00,490 --> 00:06:57,849

okay but if it was a green orb and

134

00:07:02,499 --> 00:07:00,500

that's a thing is it wasn't didn't look

135

00:07:05,139 --> 00:07:02,509

on fire or anything like that but it was

136

00:07:07,450 --> 00:07:05,149

dropping material on the car so much so

137

00:07:09,550 --> 00:07:07,460

that my dad pulled over to actually see

138

00:07:12,639 --> 00:07:09,560

if there was any damage on top of the on

139

00:07:13,810 --> 00:07:12,649

top of the vehicle and you know luckily

140

00:07:16,210 --> 00:07:13,820

enough there wasn't any

141

00:07:17,920 --> 00:07:16,220

but yeah we all saw the same thing it

142

00:07:20,350 --> 00:07:17,930

was you know pretty odd that's always

143

00:07:22,920 --> 00:07:20,360

stuck with me though what what did you

144

00:07:25,390 --> 00:07:22,930

did you collect it did you feel the

145

00:07:28,030 --> 00:07:25,400

material or did you collect any of it or

146

00:07:30,250 --> 00:07:28,040

did you put it in a jar that the men and

147

00:07:33,370 --> 00:07:30,260

black cummin confiscated the next day

148

00:07:36,790 --> 00:07:33,380

what happened to your physical evidence

149

00:07:39,190 --> 00:07:36,800

no the car was impounded no no no my dad

150

00:07:41,430 --> 00:07:39,200

no my dad did there was some on the hood

151  
00:07:44,500 --> 00:07:41,440  
still my dad picked it up and it did

152  
00:07:46,240 --> 00:07:44,510  
crumble and then that was it it was gone

153  
00:07:47,710 --> 00:07:46,250  
but there was only a couple pieces left

154  
00:07:50,260 --> 00:07:47,720  
as we were actually driving at the time

155  
00:07:51,730 --> 00:07:50,270  
but other vehicles definitely saw it

156  
00:07:52,780 --> 00:07:51,740  
because there was vehicles slowing down

157  
00:07:55,990 --> 00:07:52,790  
coming the other way

158  
00:07:57,490 --> 00:07:56,000  
and I remember soon as it went over us I

159  
00:07:58,930 --> 00:07:57,500  
thought it was just gonna I thought it

160  
00:08:01,330 --> 00:07:58,940  
was going to land and land on the road

161  
00:08:03,970 --> 00:08:01,340  
in front of us but it actually just shot

162  
00:08:06,880 --> 00:08:03,980  
up into the sky and disappear and that

163  
00:08:12,340 --> 00:08:06,890

was and what what what what year was

164

00:08:15,400 --> 00:08:12,350

this this was 1992 uh-huh and and where

165

00:08:19,780 --> 00:08:15,410

there are other reports that in the

166

00:08:22,390 --> 00:08:19,790

press or anything to that I tried to dig

167

00:08:25,450 --> 00:08:22,400

up some of them I did catch a one that

168

00:08:27,040 --> 00:08:25,460

was in actually 1993 but it was the

169

00:08:31,420 --> 00:08:27,050

opposite time of year this was around

170

00:08:34,600 --> 00:08:31,430

Christmas time and I found from 1993 was

171

00:08:37,630 --> 00:08:34,610

in June and but they described the same

172

00:08:39,730 --> 00:08:37,640

thing but this one actually just did

173

00:08:42,810 --> 00:08:39,740

land I guess it must have been a meteor

174

00:08:45,520 --> 00:08:42,820

but they describe the same thing though

175

00:08:47,920 --> 00:08:45,530

well there have been of course we've

176

00:08:50,400 --> 00:08:47,930

been collecting these well in fact I

177

00:08:53,290 --> 00:08:50,410

believe Tim is working on a chapter of

178

00:08:56,530 --> 00:08:53,300

material that has fallen from the sky a

179

00:09:00,190 --> 00:08:56,540

lot of it seems to be consistent when

180

00:09:02,110 --> 00:09:00,200

you say of high-grade magnesia oh it

181

00:09:04,750 --> 00:09:02,120

really just all depends I he do

182

00:09:07,960 --> 00:09:04,760

sometimes it's magnesium and sometimes

183

00:09:10,510 --> 00:09:07,970

it's it's little little pancakes made

184

00:09:16,050 --> 00:09:10,520

out of muck week and there's a soybean

185

00:09:19,230 --> 00:09:16,060

oil indeed it's okay what was this year

186

00:09:21,910 --> 00:09:19,240

how old were you when you had this

187

00:09:22,600 --> 00:09:21,920

incident take place I was eight years

188

00:09:27,579 --> 00:09:22,610

old

189

00:09:30,850 --> 00:09:27,589

prompt you to

190

00:09:33,460 --> 00:09:30,860

to get interest in the subject I mean

191

00:09:35,889 --> 00:09:33,470

did you go out and I can't imagine eight

192

00:09:37,509 --> 00:09:35,899

years old but certainly I I was about

193

00:09:40,540 --> 00:09:37,519

ten when I started picking up a

194

00:09:44,710 --> 00:09:40,550

literature on the subject of my days it

195

00:09:49,869 --> 00:09:44,720

would have been major Donald a Kehoe and

196

00:09:53,379 --> 00:09:49,879

a couple of really amateurish pulp

197

00:09:55,840 --> 00:09:53,389

magazines I think one was called true

198

00:10:00,040 --> 00:09:55,850

space secrets which had a very garish

199

00:10:02,259 --> 00:10:00,050

yellow and red cover on it and sold for

200

00:10:05,079 --> 00:10:02,269

maybe thirty five cents because that was

201  
00:10:07,449 --> 00:10:05,089  
in 1957 the home price structure from

202  
00:10:11,230 --> 00:10:07,459  
magazines and books and all was quite

203  
00:10:13,030 --> 00:10:11,240  
different than it is today I mean so we

204  
00:10:16,239 --> 00:10:13,040  
just said geez I gotta go and find out

205  
00:10:17,410 --> 00:10:16,249  
what this is there was um well I

206  
00:10:19,809 --> 00:10:17,420  
couldn't get my hands on too much

207  
00:10:22,840 --> 00:10:19,819  
material to be honest when I was that

208  
00:10:26,199 --> 00:10:22,850  
young my I come from my parents are very

209  
00:10:28,749 --> 00:10:26,209  
Catholic raised and whenever I saw this

210  
00:10:30,720 --> 00:10:28,759  
that I honestly didn't know what I had

211  
00:10:33,129 --> 00:10:30,730  
seen you know so I asked my dad about

212  
00:10:35,590 --> 00:10:33,139  
you know he told me I have no idea what

213  
00:10:37,749 --> 00:10:35,600

it was and he for the sake I guess I

214

00:10:39,280 --> 00:10:37,759

under the conversation he told me you

215

00:10:41,049 --> 00:10:39,290

know I think it just landed and that was

216

00:10:42,549 --> 00:10:41,059

it the end of it but you know years

217

00:10:45,069 --> 00:10:42,559

later you know you talk about it again

218

00:10:46,360 --> 00:10:45,079

you get to get the real answer and you

219

00:10:49,960 --> 00:10:46,370

find out that you were right about it

220

00:10:51,579 --> 00:10:49,970

you know but a couple years later I mean

221

00:10:52,840 --> 00:10:51,589

just watching TV and stuff like that

222

00:10:55,780 --> 00:10:52,850

like I said I couldn't get my hand on

223

00:10:58,780 --> 00:10:55,790

too much material then was the unsolved

224

00:11:01,299 --> 00:10:58,790

mysteries had a couple UFO episodes on

225

00:11:04,600 --> 00:11:01,309

there but when I was 13 we're at a

226

00:11:06,910 --> 00:11:04,610

cookout and we were out back and my dad

227

00:11:09,040 --> 00:11:06,920

oddly enough said hey look up there do

228

00:11:11,949 --> 00:11:09,050

you see that I looked up and sure enough

229

00:11:13,600 --> 00:11:11,959

there was a silver disc just sitting in

230

00:11:16,509 --> 00:11:13,610

this guy you can see the Sun glaring off

231

00:11:19,809 --> 00:11:16,519

it and he my dad were the only two that

232

00:11:22,150 --> 00:11:19,819

could see this some reason but so since

233

00:11:24,369 --> 00:11:22,160

I was 13 after we saw that then it

234

00:11:27,460 --> 00:11:24,379

definitely took off and I was trying to

235

00:11:29,499 --> 00:11:27,470

find as much as I could about UFOs I

236

00:11:31,119 --> 00:11:29,509

would ask people you know like even

237

00:11:32,829 --> 00:11:31,129

right now I I think this is the third

238

00:11:38,439 --> 00:11:32,839

time the lady down at the police station

239

00:11:41,140 --> 00:11:38,449

told me to go home so now okay so what

240

00:11:43,480 --> 00:11:41,150

what influenced you I mean what did you

241

00:11:46,390 --> 00:11:43,490

pick up and finally read where you say

242

00:11:49,000 --> 00:11:46,400

you saw the a TV a show on the on the

243

00:11:51,940 --> 00:11:49,010

subject but was there anything in that

244

00:11:54,000 --> 00:11:51,950

time both nightcap and April would have

245

00:11:57,130 --> 00:11:54,010

a folder that was the two big

246

00:12:00,610 --> 00:11:57,140

organizations a mu fun had I guess that

247

00:12:03,340 --> 00:12:00,620

was still pumping out members have been

248

00:12:06,850 --> 00:12:03,350

pretty active did you know about their

249

00:12:09,400 --> 00:12:06,860

existence I did I did I did hear about

250

00:12:11,740 --> 00:12:09,410

mu Fonz when I was younger but the the

251

00:12:14,530 --> 00:12:11,750

main things were I'd actually found a

252

00:12:18,010 --> 00:12:14,540

bunch of UFO magazines at a goodwill

253

00:12:20,500 --> 00:12:18,020

there was just stacks up and I think I

254

00:12:22,450 --> 00:12:20,510

bought seventeen for a dollar probably

255

00:12:27,490 --> 00:12:22,460

have probably probably had a lot of my

256

00:12:31,300 --> 00:12:27,500

articles in there I would guess well for

257

00:12:34,170 --> 00:12:31,310

eleven years I a UFO universe which had

258

00:12:37,210 --> 00:12:34,180

a quite a few spin-off magazines

259

00:12:39,280 --> 00:12:37,220

unsolved UFO sightings and UFO FILES and

260

00:12:41,980 --> 00:12:39,290

and then of course there was the the

261

00:12:46,780 --> 00:12:41,990

granddaddy of all UFO magazines back in

262

00:12:49,090 --> 00:12:46,790

the 70s was a Saiga's UFO report and and

263

00:12:52,420 --> 00:12:49,100

that covered it the pretty you know

264

00:12:55,540 --> 00:12:52,430

thoroughly the all those magazines I

265

00:12:58,750 --> 00:12:55,550

think a UFO a universe I published for

266

00:13:01,530 --> 00:12:58,760

eleven years and before that I had the

267

00:13:05,380 --> 00:13:01,540

world's only flying saucer newspaper the

268

00:13:06,490 --> 00:13:05,390

UFO review you know so there was a lot

269

00:13:08,320 --> 00:13:06,500

of literature I mean there were

270

00:13:11,410 --> 00:13:08,330

magazines on the newsstand Phaeton all

271

00:13:15,360 --> 00:13:11,420

but of course everything has expired now

272

00:13:18,760 --> 00:13:15,370

you've got to get your UFO fix online

273

00:13:24,900 --> 00:13:18,770

pretty much okay so you had these two

274

00:13:28,329 --> 00:13:24,910

UFO sightings but that's a far cry from

275

00:13:32,230 --> 00:13:28,339

having encountered a Crypt annoyed a

276

00:13:35,340 --> 00:13:32,240

creature like Alma al man how did this

277

00:13:39,790 --> 00:13:35,350

all have progressed from UFOs to

278

00:13:43,060 --> 00:13:39,800

creatures of the night okay so to me

279

00:13:45,280 --> 00:13:43,070

UFOs encrypted on my panda here so we'll

280

00:13:46,930 --> 00:13:45,290

skip ahead a couple years later I had

281

00:13:49,420 --> 00:13:46,940

joined the Marine

282

00:13:52,240 --> 00:13:49,430

I wouldn't fought in Iraq and while I

283

00:13:54,970 --> 00:13:52,250

was in Iraq I was on on the turret a lot

284

00:13:57,879 --> 00:13:54,980

and whenever we were providing security

285

00:13:59,379 --> 00:13:57,889

boys at nighttime the sand over there

286

00:14:02,019 --> 00:13:59,389

looks like snow because of the moon

287

00:14:03,759 --> 00:14:02,029

flaring off of it so when you're sitting

288

00:14:05,379 --> 00:14:03,769

at the rear end of a convoy you know and

289

00:14:06,639 --> 00:14:05,389

you have nothing really to look at you

290

00:14:08,470 --> 00:14:06,649

know cuz there's not supposed to be

291

00:14:10,960 --> 00:14:08,480

vehicles out at nighttime and that's

292

00:14:12,670 --> 00:14:10,970

what you're looking so but you would

293

00:14:14,560 --> 00:14:12,680

have envied jeez night-vision goggles

294

00:14:17,470 --> 00:14:14,570

and you look up into the sky and you

295

00:14:19,870 --> 00:14:17,480

could just see every star imaginable

296

00:14:22,689 --> 00:14:19,880

it's insane I don't know if you guys

297

00:14:25,360 --> 00:14:22,699

have ever been any place with zero light

298

00:14:27,370 --> 00:14:25,370

pollution but it's it's amazing in in

299

00:14:29,860 --> 00:14:27,380

the old in the old days out in the

300

00:14:34,060 --> 00:14:29,870

California out past that palm springs if

301  
00:14:37,870 --> 00:14:34,070  
you drove out 20 miles out of town you'd

302  
00:14:40,210 --> 00:14:37,880  
be and like a Joshua Tree and there'd be

303  
00:14:42,220 --> 00:14:40,220  
hardly you look up in the sky and we're

304  
00:14:45,310 --> 00:14:42,230  
talking about a gazillion stars I mean

305  
00:14:46,810 --> 00:14:45,320  
Here I am in the middle of New York and

306  
00:14:48,750 --> 00:14:46,820  
you're lucky if you can see the moon

307  
00:14:52,449 --> 00:14:48,760  
from the high-rises nevermind

308  
00:14:54,400 --> 00:14:52,459  
any any stars you know I'm because the

309  
00:14:57,759 --> 00:14:54,410  
buildings just cover you but boy what a

310  
00:15:00,400 --> 00:14:57,769  
sight that was I mean I I was awed by

311  
00:15:04,680 --> 00:15:00,410  
this I must say I've never seen anything

312  
00:15:07,960 --> 00:15:04,690  
you know like the sky at night out there

313  
00:15:10,449 --> 00:15:07,970

yeah exactly and to me I was blown away

314

00:15:12,009 --> 00:15:10,459

by I couldn't I never thought there was

315

00:15:13,090 --> 00:15:12,019

that many stars in this guy and then

316

00:15:18,430 --> 00:15:13,100

when you slap a pair of night-vision

317

00:15:21,100 --> 00:15:18,440

goggles on and then all the sudden you'd

318

00:15:23,410 --> 00:15:21,110

be looking up and listen he's just

319

00:15:24,939 --> 00:15:23,420

seeing things move and I wouldn't say

320

00:15:26,500 --> 00:15:24,949

anything anybody because you know the

321

00:15:28,000 --> 00:15:26,510

Humvees are loud

322

00:15:30,210 --> 00:15:28,010

you know they got other stuff on their

323

00:15:34,090 --> 00:15:30,220

mind but I was always logging it

324

00:15:36,280 --> 00:15:34,100

definitely saw that but so I got back I

325

00:15:38,680 --> 00:15:36,290

started reading up on some more cryptids

326

00:15:41,889 --> 00:15:38,690

stuffings it by then I'd gotten some

327

00:15:46,480 --> 00:15:41,899

some literature about it um so I got

328

00:15:49,420 --> 00:15:46,490

this year I hooked up with lon and he

329

00:15:51,660 --> 00:15:49,430

threw me a case that was there's about

330

00:15:55,360 --> 00:15:51,670

45 minutes away from my house here and

331

00:15:58,180 --> 00:15:55,370

basically the guy saw he was coming up

332

00:16:00,189 --> 00:15:58,190

this is in 2000 I think it was in 2016

333

00:16:03,189 --> 00:16:00,199

he was coming out of his house he was

334

00:16:05,380 --> 00:16:03,199

grabbing his buddy a drink and he was

335

00:16:07,480 --> 00:16:05,390

walking back to his shed which by the

336

00:16:08,500 --> 00:16:07,490

way this guy turned a garage into a

337

00:16:13,240 --> 00:16:08,510

soundstage

338

00:16:15,850 --> 00:16:13,250

and it is amazed it's it's mind-blowing

339

00:16:19,420 --> 00:16:15,860

but anyway so he's coming back and all

340

00:16:22,300 --> 00:16:19,430

of a sudden he hears us hears a noise so

341

00:16:25,540 --> 00:16:22,310

he turns around he looks up at first

342

00:16:26,889 --> 00:16:25,550

glance he's thinking that is the biggest

343

00:16:29,139 --> 00:16:26,899

bird I've ever seen

344

00:16:31,870 --> 00:16:29,149

all of a sudden he thinks it's a

345

00:16:36,790 --> 00:16:31,880

hang-glider he's like no that's way too

346

00:16:39,430 --> 00:16:36,800

big to be a bird finally it turns his

347

00:16:41,319 --> 00:16:39,440

head and looks right at him and at this

348

00:16:44,590 --> 00:16:41,329

point he's he couldn't believe what he

349

00:16:46,660 --> 00:16:44,600

was seeing and at this time they were

350

00:16:50,050 --> 00:16:46,670

playing his buddy was playing a piano

351  
00:16:53,290 --> 00:16:50,060  
it was either a piano or a guitar and he

352  
00:16:56,079 --> 00:16:53,300  
believes that that's what triggered this

353  
00:16:58,900 --> 00:16:56,089  
thing to fly over to see you know what

354  
00:17:01,750 --> 00:16:58,910  
was going on now that was his one

355  
00:17:04,870 --> 00:17:01,760  
sighting there's two other ones now but

356  
00:17:07,600 --> 00:17:04,880  
after that he chose to sketch the the

357  
00:17:11,110 --> 00:17:07,610  
actual owl the element now this thing he

358  
00:17:11,650 --> 00:17:11,120  
said it was um five nine it had golden

359  
00:17:15,189 --> 00:17:11,660  
tummy

360  
00:17:18,699 --> 00:17:15,199  
it had three free toad claws and he said

361  
00:17:20,770 --> 00:17:18,709  
the wingspan was 18 to 20 feet long now

362  
00:17:23,559 --> 00:17:20,780  
that adds up if he's saying it you know

363  
00:17:26,020 --> 00:17:23,569

almost six feet tall I mean that's they

364

00:17:30,130 --> 00:17:26,030

got to have some pretty strong arms I'm

365

00:17:32,049 --> 00:17:30,140

guessing but yeah so he drew a sketch of

366

00:17:34,900 --> 00:17:32,059

it you guys can actually see it on fans

367

00:17:37,480 --> 00:17:34,910

of monsters cough yeah I believe I was

368

00:17:39,430 --> 00:17:37,490

looking at it this afternoon mm-hmm you

369

00:17:43,810 --> 00:17:39,440

know yeah it's a yeah he drew two

370

00:17:46,539 --> 00:17:43,820

sketches up and so after he saw that he

371

00:17:48,130 --> 00:17:46,549

I guess he remembered his second

372

00:17:51,130 --> 00:17:48,140

sighting and was like you know what

373

00:17:52,900 --> 00:17:51,140

that's definitely what I saw so the

374

00:17:54,760 --> 00:17:52,910

sighting I'm talking about is he's

375

00:17:57,180 --> 00:17:54,770

actually leaving his house and driving

376

00:18:00,130 --> 00:17:57,190

down a road and me and my wife Melissa

377

00:18:04,930 --> 00:18:00,140

we attacked we went up to this place and

378

00:18:07,510 --> 00:18:04,940

oddly enough I worked I work for FedEx

379

00:18:10,950 --> 00:18:07,520

Express and oddly enough I had a

380

00:18:13,960 --> 00:18:10,960

delivery for this guy's house

381

00:18:15,789 --> 00:18:13,970

that's another another well hey we got a

382

00:18:18,570 --> 00:18:15,799

whole list of synchronicities I think

383

00:18:21,100 --> 00:18:18,580

there's something weird about UFOs and

384

00:18:22,220 --> 00:18:21,110

encrypted and synchronicities I mean I

385

00:18:24,860 --> 00:18:22,230

did a four

386

00:18:26,810 --> 00:18:24,870

your page book about my own paranormal

387

00:18:28,850 --> 00:18:26,820

synchronicities I mean they did they

388

00:18:30,650 --> 00:18:28,860

just they just don't men I mean there's

389

00:18:33,680 --> 00:18:30,660

just something out there in the cosmos

390

00:18:36,409 --> 00:18:33,690

that pushes the soul together and makes

391

00:18:37,250 --> 00:18:36,419

people think it's a coincidence when it

392

00:18:39,770 --> 00:18:37,260

isn't

393

00:18:43,250 --> 00:18:39,780

now you mentioned about the playing the

394

00:18:45,260 --> 00:18:43,260

guitar or was it the piano you know we

395

00:18:48,289 --> 00:18:45,270

had a couple of months ago on our show

396

00:18:52,850 --> 00:18:48,299

our good friend Paul you know and he and

397

00:18:55,640 --> 00:18:52,860

his crew were out in the town of it Tim

398

00:18:58,610 --> 00:18:55,650

as a Dubois Pennsylvania yeah

399

00:19:01,030 --> 00:18:58,620

Dubois yeah Dubois yeah and they've been

400

00:19:06,520 --> 00:19:01,040

having quite a flap of UFO sightings and

401  
00:19:09,680 --> 00:19:06,530  
a Bigfoot in this case but they've had

402  
00:19:13,909 --> 00:19:09,690  
experiences where a playing music seems

403  
00:19:15,530 --> 00:19:13,919  
to attract all sorts of weird phenomena

404  
00:19:20,210 --> 00:19:15,540  
and he talked about that on the air and

405  
00:19:25,039 --> 00:19:20,220  
it's in our book Tim Schwartz's big book

406  
00:19:27,549 --> 00:19:25,049  
of incredible and alien encounters and

407  
00:19:30,860 --> 00:19:27,559  
quite a story I mean it's just

408  
00:19:34,210 --> 00:19:30,870  
Pennsylvania has always been a hot spot

409  
00:19:38,000 --> 00:19:34,220  
it seems for weird all sorts of weird

410  
00:19:39,919 --> 00:19:38,010  
anomalies yeah definitely I can't get

411  
00:19:41,180 --> 00:19:39,929  
enough of it to be honest with you I

412  
00:19:42,770 --> 00:19:41,190  
know exactly what you're talking about

413  
00:19:47,900 --> 00:19:42,780

and it's right on the edge of the

414

00:19:49,159 --> 00:19:47,910

chestnut rich and yes mmhmm yeah me and

415

00:19:51,230 --> 00:19:49,169

my wife were actually gonna drive up

416

00:19:52,909 --> 00:19:51,240

there I guess we were trying to go up

417

00:19:55,100 --> 00:19:52,919

there soon because you know I heard that

418

00:19:56,930 --> 00:19:55,110

palling them had been you know getting a

419

00:19:58,510 --> 00:19:56,940

lot of info up there and I wanted to

420

00:20:03,560 --> 00:19:58,520

check it out for myself

421

00:20:06,500 --> 00:20:03,570

some video even some videos in fact his

422

00:20:09,230 --> 00:20:06,510

friend of associate - Alex who's been on

423

00:20:10,580 --> 00:20:09,240

the program has a website and as opposed

424

00:20:16,210 --> 00:20:10,590

to some of the pictures and all that

425

00:20:19,539 --> 00:20:16,220

they've that they've taken so yeah UFOs

426

00:20:22,130 --> 00:20:19,549

seem to attract themselves to

427

00:20:27,740 --> 00:20:22,140

Pennsylvania as far back as I can

428

00:20:31,010 --> 00:20:27,750

actually call I remember when I was a 16

429

00:20:33,470 --> 00:20:31,020

17 years old there was a fellow he's now

430

00:20:35,930 --> 00:20:33,480

deceased but he became a an associate of

431

00:20:40,190 --> 00:20:35,940

mine George Fawcett and he

432

00:20:42,529 --> 00:20:40,200

the I think it was the the tri-state

433

00:20:45,470 --> 00:20:42,539

Pennsylvania New Jersey UFO group and

434

00:20:48,560 --> 00:20:45,480

then of course there was the famous Ivan

435

00:20:52,039 --> 00:20:48,570

T Sanderson who lived in in in Blair's

436

00:20:54,470 --> 00:20:52,049

town who had of course a whole

437

00:20:57,889 --> 00:20:54,480

collection of plaster of Paris of the

438

00:21:01,669 --> 00:20:57,899

you know Bigfoot imprints and in and so

439

00:21:05,360 --> 00:21:01,679

forth he was a quiet I am a personality

440

00:21:09,529 --> 00:21:05,370

in the UFO field at that time in fact he

441

00:21:13,940 --> 00:21:09,539

had gone I think in 1952 in 1953 when

442

00:21:16,940 --> 00:21:13,950

this creature had landed outside the

443

00:21:19,940 --> 00:21:16,950

town in a rural area and flatwoods West

444

00:21:23,539 --> 00:21:19,950

Virginia he had gone there and was among

445

00:21:27,320 --> 00:21:23,549

the first to actually interview me this

446

00:21:30,110 --> 00:21:27,330

is so what so what do you make it of

447

00:21:31,879 --> 00:21:30,120

this al man I I mean whoa what are all

448

00:21:33,350 --> 00:21:31,889

these cryptids are they from other

449

00:21:38,200 --> 00:21:33,360

planets are they from some other

450

00:21:41,720 --> 00:21:38,210

dimension are people conjuring them up

451  
00:21:44,090 --> 00:21:41,730  
themselves I mean some Tobruk perhaps or

452  
00:21:46,460 --> 00:21:44,100  
or how do you account for this you know

453  
00:21:48,289 --> 00:21:46,470  
I think it I asked the same question I

454  
00:21:49,610 --> 00:21:48,299  
was just talking the other day I was

455  
00:21:53,389 --> 00:21:49,620  
thinking maybe they're told us you know

456  
00:21:55,580 --> 00:21:53,399  
but honestly if I had to be uh you know

457  
00:21:58,190 --> 00:21:55,590  
be sincere with you I'm guessing her

458  
00:22:00,019 --> 00:21:58,200  
from some other they have to be from

459  
00:22:01,009 --> 00:22:00,029  
some other place unless they're just

460  
00:22:03,190 --> 00:22:01,019  
that good at hiding

461  
00:22:07,820 --> 00:22:03,200  
now with this case I will mention that

462  
00:22:13,249 --> 00:22:07,830  
now this guy went so far as to get a job

463  
00:22:15,080 --> 00:22:13,259

with a mushroom farm no joke in over

464

00:22:16,549 --> 00:22:15,090

there it's a giant mind that's where

465

00:22:19,490 --> 00:22:16,559

they grow the mushrooms this guy went

466

00:22:21,259 --> 00:22:19,500

and got a job there just to see because

467

00:22:23,629 --> 00:22:21,269

he heard a rumor that that's where this

468

00:22:25,279 --> 00:22:23,639

thing was and sure enough they put

469

00:22:26,240 --> 00:22:25,289

security cameras in because her golf

470

00:22:28,539 --> 00:22:26,250

marks were getting stolen

471

00:22:30,710 --> 00:22:28,549

they caught three kids with rifles

472

00:22:33,409 --> 00:22:30,720

stealing their golf carts the police

473

00:22:36,289 --> 00:22:33,419

asked why they because there's a giant

474

00:22:38,659 --> 00:22:36,299

huge bat flying out of these caves and

475

00:22:41,450 --> 00:22:38,669

it comes out every night and it's got

476  
00:22:44,119 --> 00:22:41,460  
red eyes now people who know owls also

477  
00:22:46,220 --> 00:22:44,129  
have red eyes done so this night

478  
00:22:48,200 --> 00:22:46,230  
wouldn't got a job there because he

479  
00:22:49,700 --> 00:22:48,210  
thought he was gonna find this thing so

480  
00:22:52,310 --> 00:22:49,710  
I mean that's how far

481  
00:22:55,370 --> 00:22:52,320  
went there and not only that but this

482  
00:22:57,440 --> 00:22:55,380  
guy was such a smart man he had solar

483  
00:23:00,440 --> 00:22:57,450  
panels all up and down his hole his

484  
00:23:02,600 --> 00:23:00,450  
whole farm he had a fish tank that he

485  
00:23:05,450 --> 00:23:02,610  
had built himself to eat his own fish

486  
00:23:08,210 --> 00:23:05,460  
and he had a greenhouse to grow his own

487  
00:23:11,659 --> 00:23:08,220  
fruit it was crazy I mean this guy but

488  
00:23:15,320 --> 00:23:11,669

no good enough but no but no pictures or

489

00:23:16,700 --> 00:23:15,330

no videos now that's a bummer all right

490

00:23:18,680 --> 00:23:16,710

let me interrupt you here because we

491

00:23:20,149 --> 00:23:18,690

have to go to our bottom of the air

492

00:23:23,720 --> 00:23:20,159

break when we come back we'll continue

493

00:23:36,260 --> 00:23:23,730

more about UFOs the owl man and more

494

00:23:39,470 --> 00:23:36,270

exploring the bizarre now back to

495

00:23:41,510 --> 00:23:39,480

exploring the bizarre with two of the

496

00:23:44,899 --> 00:23:41,520

most electrifying researchers in the

497

00:23:50,330 --> 00:23:44,909

Paranoid your hosts Timothy Becca Lee

498

00:23:52,430 --> 00:23:50,340

and Kings will welcome back to exploring

499

00:23:56,389 --> 00:23:52,440

the bizarre I'm Tim Schwartz tonight our

500

00:24:01,039 --> 00:23:56,399

guest is Ryan frost CO and Ryan I want

501  
00:24:04,269 --> 00:24:01,049  
to give you a chance to to plug the

502  
00:24:07,610 --> 00:24:04,279  
other show that you're on besides the

503  
00:24:11,180 --> 00:24:07,620  
phantom on monster.com and the arcane

504  
00:24:14,240 --> 00:24:11,190  
radio and that's that's Gary show yeah

505  
00:24:16,220 --> 00:24:14,250  
it's a night Dreams talk radio yeah I go

506  
00:24:17,960 --> 00:24:16,230  
in there every Thursday it's a rook gave

507  
00:24:21,440 --> 00:24:17,970  
you the wrong time it's a 9:10 Eastern

508  
00:24:24,669 --> 00:24:21,450  
and then six 10s six

509  
00:24:27,769 --> 00:24:24,679  
yeah I never give a UFO update and then

510  
00:24:30,289 --> 00:24:27,779  
also grab I get emails you know every

511  
00:24:32,389 --> 00:24:30,299  
day and you know direct messages

512  
00:24:34,909 --> 00:24:32,399  
constantly and which is fine with me you

513  
00:24:37,279 --> 00:24:34,919

know it's uh I can't get enough of them

514

00:24:40,279 --> 00:24:37,289

so I'm happy to get them in you know

515

00:24:42,529 --> 00:24:40,289

sometimes on their tell us a little

516

00:24:46,190 --> 00:24:42,539

about your TV show you have a show in

517

00:24:49,190 --> 00:24:46,200

Canada but it's not broadcast here yeah

518

00:24:54,649 --> 00:24:49,200

they they contacted me through

519

00:24:56,680 --> 00:24:54,659

Lon's site and they wanted someone that

520

00:25:00,860 --> 00:24:56,690

knew you know some stuff about UFOs and

521

00:25:02,720 --> 00:25:00,870

also had sightings in their area and I

522

00:25:03,620 --> 00:25:02,730

said hey you know funds out here in

523

00:25:06,320 --> 00:25:03,630

Pennsylvania

524

00:25:09,140 --> 00:25:06,330

that's why contact the first place so

525

00:25:11,180 --> 00:25:09,150

they came out here and I actually live

526

00:25:14,150 --> 00:25:11,190

in a small little borough called plum

527

00:25:16,160 --> 00:25:14,160

borough and they came out to me instead

528

00:25:19,960 --> 00:25:16,170

of me going out to Greensburg where you

529

00:25:27,250 --> 00:25:19,970

know Stan Gordon and you know Paul was

530

00:25:28,640 --> 00:25:27,260

who is they the the the red earth

531

00:25:30,920 --> 00:25:28,650

television show

532

00:25:33,650 --> 00:25:30,930

it's a documentary show that covers a

533

00:25:36,230 --> 00:25:33,660

bunch of different topics and this one

534

00:25:39,580 --> 00:25:36,240

that they filmed was a I guess they

535

00:25:43,490 --> 00:25:39,590

wanted to do one that was on skinwalkers

536

00:25:44,780 --> 00:25:43,500

UFOs and stuff like that so it was a it

537

00:25:47,000 --> 00:25:44,790

was pretty good but other than that this

538

00:25:53,150 --> 00:25:47,010

show does cover you know the up Stewart

539

00:25:56,990 --> 00:25:53,160

stuff like that the 14 topics and can

540

00:26:00,800 --> 00:25:57,000

one watch it on YouTube or is it blocked

541

00:26:02,480 --> 00:26:00,810

out no no I believe um there she's gonna

542

00:26:04,730 --> 00:26:02,490

send me links I asked the same question

543

00:26:07,970 --> 00:26:04,740

because obviously I heard of the show

544

00:26:09,890 --> 00:26:07,980

you know until she contacted so but she

545

00:26:11,900 --> 00:26:09,900

sent me a link and you can watch it on

546

00:26:13,880 --> 00:26:11,910

YouTube you can also go in Twitter I

547

00:26:15,140 --> 00:26:13,890

guess and find their production company

548

00:26:18,470 --> 00:26:15,150

and then they'll actually send you a

549

00:26:21,590 --> 00:26:18,480

link so well I look for it in the name

550

00:26:25,490 --> 00:26:21,600

of the program is it's a red everything

551

00:26:29,350 --> 00:26:25,500

covered writer is uncovered red red

552

00:26:32,950 --> 00:26:29,360

earth oh okay what am i hearing

553

00:26:37,010 --> 00:26:32,960

[Laughter]

554

00:26:40,190 --> 00:26:37,020

alright alright continue continue and

555

00:26:42,230 --> 00:26:40,200

continue I've it's your turn so tell you

556

00:26:45,410 --> 00:26:42,240

yeah you're just hearing that roar in

557

00:26:51,200 --> 00:26:45,420

your ears to you but you know it's from

558

00:26:53,570 --> 00:26:51,210

the drilling outside my window what is

559

00:26:58,310 --> 00:26:53,580

it you know we've talked to other people

560

00:27:01,990 --> 00:26:58,320

you know Stan Stan Gordon and Paul you

561

00:27:04,340 --> 00:27:02,000

know and so you know you're another one

562

00:27:07,370 --> 00:27:04,350

from Pennsylvania well I mean you know

563

00:27:10,460 --> 00:27:07,380

Paul you know is that but Stan is what

564

00:27:13,240 --> 00:27:10,470

is it about Pennsylvania especially that

565

00:27:17,210 --> 00:27:13,250

general area that and that you've been

566

00:27:17,630 --> 00:27:17,220

talking about I mean it seems like that

567

00:27:21,320 --> 00:27:17,640

there

568

00:27:25,070 --> 00:27:21,330

every bizarre thing on earth taking

569

00:27:30,680 --> 00:27:25,080

place there I mean UFOs and cryptid

570

00:27:32,450 --> 00:27:30,690

creatures and the I think if people have

571

00:27:37,190 --> 00:27:32,460

seen you know leprechauns and little

572

00:27:40,340 --> 00:27:37,200

peoples and demon monkeys everything

573

00:27:42,890 --> 00:27:40,350

what what is it about that area do you

574

00:27:45,200 --> 00:27:42,900

think I don't know there you know to be

575

00:27:47,840 --> 00:27:45,210

honest there is a lot of old history

576

00:27:50,299 --> 00:27:47,850

around you know especially where I am I

577

00:27:52,880 --> 00:27:50,309

have an old an old mine literally right

578

00:27:55,580 --> 00:27:52,890

over right over the hill and you know

579

00:27:57,620 --> 00:27:55,590

people we you can see like you know some

580

00:27:59,870 --> 00:27:57,630

lights ladies coming in and out of there

581

00:28:01,430 --> 00:27:59,880

sometimes but anyways like I said that

582

00:28:04,310 --> 00:28:01,440

the old history of this place has to

583

00:28:06,770 --> 00:28:04,320

have something to do it maybe but for

584

00:28:09,440 --> 00:28:06,780

the cryptids in the UFOs I know I can't

585

00:28:11,840 --> 00:28:09,450

answer that it just must be something

586

00:28:13,460 --> 00:28:11,850

because I don't know there's I guess

587

00:28:15,710 --> 00:28:13,470

there's portal areas to be honest with

588

00:28:17,930 --> 00:28:15,720

you I mean you can't and say it isn't

589

00:28:21,520 --> 00:28:17,940

there if you haven't seen it so yeah but

590

00:28:24,650 --> 00:28:21,530

that's and towards maybe portals yeah

591

00:28:28,340 --> 00:28:24,660

John keel wrote about I guess you used

592

00:28:30,680 --> 00:28:28,350

to be able to write the write the

593

00:28:34,130 --> 00:28:30,690

federal government you get a map that

594

00:28:37,370 --> 00:28:34,140

would show I guess the magnetic lines of

595

00:28:41,120 --> 00:28:37,380

force that went across the planets and

596

00:28:43,070 --> 00:28:41,130

so you know it makes you wonder if if

597

00:28:45,560 --> 00:28:43,080

you could you know maybe find online to

598

00:28:49,330 --> 00:28:45,570

see if maybe you know in England they

599

00:28:53,000 --> 00:28:49,340

call them like you know ley line so if

600

00:28:57,380 --> 00:28:53,010

Pennsylvania in that particular area has

601  
00:29:00,350 --> 00:28:57,390  
some kind of connection or are areas

602  
00:29:03,530 --> 00:29:00,360  
where these lines of force across each

603  
00:29:07,480 --> 00:29:03,540  
other it was the one thing that I did

604  
00:29:10,330 --> 00:29:07,490  
look up and I actually called the safety

605  
00:29:12,230 --> 00:29:10,340  
the nuclear safety and radiation

606  
00:29:14,120 --> 00:29:12,240  
anyways I called that number that I

607  
00:29:16,610 --> 00:29:14,130  
asked him a couple questions because I

608  
00:29:19,280 --> 00:29:16,620  
did look up some information on

609  
00:29:20,930 --> 00:29:19,290  
radiation I wanted to see he maybe that

610  
00:29:23,560 --> 00:29:20,940  
has something it was just you know a

611  
00:29:26,540 --> 00:29:23,570  
wild guess and sure enough there was

612  
00:29:29,780 --> 00:29:26,550  
higher radiation readings up where the

613  
00:29:31,280 --> 00:29:29,790

Alamance sighting was so yeah exactly so

614

00:29:36,980 --> 00:29:31,290  
from

615

00:29:38,870 --> 00:29:36,990  
fellow lives there was higher radiation

616

00:29:42,500 --> 00:29:38,880  
levels and then toward back towards

617

00:29:44,030 --> 00:29:42,510  
where I am they tend to drop off so that

618

00:29:45,500 --> 00:29:44,040  
was the only thing I really find that

619

00:29:47,060 --> 00:29:45,510  
was you know out of the ordinary you

620

00:29:52,150 --> 00:29:47,070  
know and there's no answer for it either

621

00:29:55,720 --> 00:29:52,160  
so who knows what about the case that

622

00:29:58,130 --> 00:29:55,730  
that that you've you've tried to

623

00:29:59,750 --> 00:29:58,140  
investigate a little bit further but

624

00:30:01,690 --> 00:29:59,760  
you've been you know stymied somewhat

625

00:30:06,890 --> 00:30:01,700  
but I guess you've actually gotten some

626  
00:30:09,280 --> 00:30:06,900  
photographs about the lady who is having

627  
00:30:12,110 --> 00:30:09,290  
some kind of like really bizarre

628  
00:30:14,570 --> 00:30:12,120  
poltergeist activity yeah this has

629  
00:30:18,920 --> 00:30:14,580  
everything in it this is a fruit bowl of

630  
00:30:22,030 --> 00:30:18,930  
paranormal they say it's got that it's a

631  
00:30:27,170 --> 00:30:22,040  
it's a plethora of poltergeist

632  
00:30:30,710 --> 00:30:27,180  
so you got UFOs you have poltergeist you

633  
00:30:33,950 --> 00:30:30,720  
have small entities very small

634  
00:30:37,100 --> 00:30:33,960  
I guess humanoids as well and also you

635  
00:30:38,480 --> 00:30:37,110  
have decrypted and so yeah I've tried to

636  
00:30:41,510 --> 00:30:38,490  
get up there and we've talked back and

637  
00:30:43,940 --> 00:30:41,520  
forth several times in I sent you some

638  
00:30:46,160 --> 00:30:43,950

photos and you can see them they they're

639

00:30:46,640 --> 00:30:46,170

footprints that are burned into the

640

00:30:48,230 --> 00:30:46,650

ground

641

00:30:50,960 --> 00:30:48,240

essentially I mean I've zoomed in on

642

00:30:53,450 --> 00:30:50,970

them and so I called the radiation

643

00:30:55,730 --> 00:30:53,460

committee for these as well I wanted to

644

00:31:00,290 --> 00:30:55,740

see what does radiation do to grass and

645

00:31:02,120 --> 00:31:00,300

this guy could not tell me I asked him

646

00:31:03,710 --> 00:31:02,130

again I said are you I asked if he was

647

00:31:06,170 --> 00:31:03,720

kidding with me and I figured he would

648

00:31:09,590 --> 00:31:06,180

go to tell me something and he was being

649

00:31:11,270 --> 00:31:09,600

honest I said okay sorry so I looked

650

00:31:13,190 --> 00:31:11,280

into that I'm guessing radiation does

651  
00:31:15,170 --> 00:31:13,200  
something grass but you know that's not

652  
00:31:16,490 --> 00:31:15,180  
to say that's exactly what was burned

653  
00:31:18,500 --> 00:31:16,500  
into the ground but there was a whole

654  
00:31:21,350 --> 00:31:18,510  
footprints of them going from the house

655  
00:31:22,040 --> 00:31:21,360  
all the way past the house into the

656  
00:31:25,040 --> 00:31:22,050  
front yard

657  
00:31:26,780 --> 00:31:25,050  
under the road so but yeah that's with

658  
00:31:29,990 --> 00:31:26,790  
that but I guess the daughter of this

659  
00:31:32,360 --> 00:31:30,000  
woman a couple years back they had had

660  
00:31:36,500 --> 00:31:32,370  
some activity and she had a slumber

661  
00:31:38,090 --> 00:31:36,510  
party and they had seen this entity um I

662  
00:31:40,700 --> 00:31:38,100  
guess show up at the bottom of these

663  
00:31:43,010 --> 00:31:40,710

steps and they all ran into the bathroom

664

00:31:44,870 --> 00:31:43,020

at this time and I guess they woke the

665

00:31:48,710 --> 00:31:44,880

mother up she

666

00:31:49,610 --> 00:31:48,720

comes downstairs yells at her they tells

667

00:31:51,470 --> 00:31:49,620

her what happened

668

00:31:53,750 --> 00:31:51,480

you know she's it's hard to believe

669

00:31:54,590 --> 00:31:53,760

obviously but then they see something

670

00:31:57,290 --> 00:31:54,600

for themselves

671

00:31:59,800 --> 00:31:57,300

there's outside the windows are I think

672

00:32:02,630 --> 00:31:59,810

six to eight feet off the ground there's

673

00:32:04,610 --> 00:32:02,640

something at the window looking in at

674

00:32:06,020 --> 00:32:04,620

them and I believe also to she said in

675

00:32:08,630 --> 00:32:06,030

the front porch that they had a grill

676

00:32:12,170 --> 00:32:08,640

and the grill was physically moved off

677

00:32:15,200 --> 00:32:12,180

of the wall to wear something you know

678

00:32:17,690 --> 00:32:15,210

climbing behind it to get to the window

679

00:32:20,630 --> 00:32:17,700

to the window but then also I guess

680

00:32:23,240 --> 00:32:20,640

recent as of recent the daughter has

681

00:32:26,870 --> 00:32:23,250

seen small entities come out of her

682

00:32:28,910 --> 00:32:26,880

closet and I guess at that point she ran

683

00:32:33,170 --> 00:32:28,920

into her mother's room oh yeah

684

00:32:36,500 --> 00:32:33,180

yeah it gets pretty crazy so how old is

685

00:32:41,210 --> 00:32:36,510

the girl I believe she's 12 to 13 years

686

00:32:43,180 --> 00:32:41,220

old between a limb that's old enough to

687

00:32:46,220 --> 00:32:43,190

know what's coming out of your closet

688

00:32:49,670 --> 00:32:46,230

exactly exactly and so the mom the

689

00:32:52,990 --> 00:32:49,680

mother she has video actually of

690

00:32:55,070 --> 00:32:53,000

something howling in the woods and I

691

00:32:59,060 --> 00:32:55,080

actually went up there myself in the

692

00:33:00,710 --> 00:32:59,070

same area um I also heard it but I

693

00:33:03,590 --> 00:33:00,720

didn't recorder because I'd caught it by

694

00:33:06,200 --> 00:33:03,600

surprise and also too he said there was

695

00:33:08,240 --> 00:33:06,210

an orb and she also mentioned something

696

00:33:10,460 --> 00:33:08,250

of a portal she thinks it's him there's

697

00:33:12,440 --> 00:33:10,470

a porter up portal up on top of a hill

698

00:33:15,320 --> 00:33:12,450

and sure enough I saw an orb up there

699

00:33:17,810 --> 00:33:15,330

the same night I heard the howl and I I

700

00:33:20,870 --> 00:33:17,820

was just I couldn't believe it I was

701  
00:33:23,480 --> 00:33:20,880  
happy because you know it just makes us

702  
00:33:24,830 --> 00:33:23,490  
all the more better so yeah I'm hoping

703  
00:33:26,090 --> 00:33:24,840  
to get a little bit more information on

704  
00:33:28,520 --> 00:33:26,100  
it and if I can't I'll definitely let

705  
00:33:30,890 --> 00:33:28,530  
you guys know very bizarre stuff I you

706  
00:33:33,470 --> 00:33:30,900  
know it's just like you just the more

707  
00:33:35,570 --> 00:33:33,480  
you get involved in this I mean here

708  
00:33:37,850 --> 00:33:35,580  
I've been doing this since the mid-1960s

709  
00:33:41,270 --> 00:33:37,860  
and you know in those days it was like

710  
00:33:44,270 --> 00:33:41,280  
aliens may be little men and things like

711  
00:33:45,680 --> 00:33:44,280  
that but now you got everything involved

712  
00:33:49,760 --> 00:33:45,690  
in it I mean who would have ever thought

713  
00:33:51,530 --> 00:33:49,770

that the the dimensions for the

714

00:33:54,680 --> 00:33:51,540

phenomena would continue to grow and

715

00:34:00,280 --> 00:33:54,690

grow and grow and expand dionysus it's

716

00:34:05,720 --> 00:34:03,710

yeah it seems like the Mothman opened up

717

00:34:08,900 --> 00:34:05,730

something didn't he didn't shut the door

718

00:34:10,130 --> 00:34:08,910

you know just let all this stuff and it

719

00:34:12,260 --> 00:34:10,140

seemed I mean honestly

720

00:34:14,510 --> 00:34:12,270

so I mean especially with all this stuff

721

00:34:17,510 --> 00:34:14,520

that you know Stan Gordon and I get a

722

00:34:20,240 --> 00:34:17,520

not actually this year I mean oil in

723

00:34:22,790 --> 00:34:20,250

2019 I guess he had such a busy year

724

00:34:25,040 --> 00:34:22,800

with entities being seen out there and I

725

00:34:27,860 --> 00:34:25,050

had actually seen something similar you

726

00:34:29,810 --> 00:34:27,870

know around here back in 2017 it was the

727

00:34:32,120 --> 00:34:29,820

same thing that a policeman reported I

728

00:34:34,280 --> 00:34:32,130

think a year later same exact thing I

729

00:34:36,980 --> 00:34:34,290

couldn't believe it I was like my face

730

00:34:39,140 --> 00:34:36,990

turned white but okay you say you say

731

00:34:41,600 --> 00:34:39,150

entity once you give us a description of

732

00:34:44,420 --> 00:34:41,610

what you saw yes I saw this it was a

733

00:34:46,520 --> 00:34:44,430

ball of light it was it was five 27 in

734

00:34:50,030 --> 00:34:46,530

the morning I remember looking at my car

735

00:34:51,110 --> 00:34:50,040

radio it was this white light and it I'm

736

00:34:54,110 --> 00:34:51,120

not kidding it looked like it was trying

737

00:34:57,590 --> 00:34:54,120

to look it was trying to be a street

738

00:34:59,720 --> 00:34:57,600

light and I was like wait why is hurty

739

00:35:02,720 --> 00:34:59,730

street lights there and I stopped the

740

00:35:04,640 --> 00:35:02,730

car I'm staring right at it and it's a

741

00:35:07,520 --> 00:35:04,650

it's a light the light was contained

742

00:35:09,410 --> 00:35:07,530

within itself you know it wasn't it

743

00:35:12,050 --> 00:35:09,420

wasn't shiny you know what I'm saying I

744

00:35:13,730 --> 00:35:12,060

mean obviously a lot of orb sightings

745

00:35:16,220 --> 00:35:13,740

are like that you know the light wasn't

746

00:35:17,960 --> 00:35:16,230

shining it was containing light so and

747

00:35:20,960 --> 00:35:17,970

that's what this was doing and then as

748

00:35:25,550 --> 00:35:20,970

its I grab my phone put my hand on my

749

00:35:25,760 --> 00:35:25,560

phone mm-hmm move a little bit to the

750

00:35:28,520 --> 00:35:25,770

right

751

00:35:31,400 --> 00:35:28,530

and then took off and it I swear I saw

752

00:35:33,860 --> 00:35:31,410

movement like black you know like that

753

00:35:36,920 --> 00:35:33,870

black mass movement with it and then it

754

00:35:39,620 --> 00:35:36,930

was gone and I it as soon as I thought

755

00:35:42,920 --> 00:35:39,630

that touch my phone and then I guess a

756

00:35:44,810 --> 00:35:42,930

police I ran on this site or heard it

757

00:35:46,640 --> 00:35:44,820

from him also the I guess a police

758

00:35:48,770 --> 00:35:46,650

officer up in the Greensburg area I

759

00:35:49,970 --> 00:35:48,780

don't know if he's a police officer in

760

00:35:52,640 --> 00:35:49,980

Greensburg I don't want to get anybody

761

00:35:54,800 --> 00:35:52,650

in trouble or whatever but he reported

762

00:35:56,000 --> 00:35:54,810

an entity I guess as well on the road he

763

00:35:58,820 --> 00:35:56,010

saw the same thing a white light

764

00:36:05,080 --> 00:35:58,830

contained with himself and it was a yeah

765

00:36:12,729 --> 00:36:09,530

you would going back just briefly now to

766

00:36:15,769 --> 00:36:12,739

the the case

767

00:36:17,839 --> 00:36:15,779

where the the children have the slumber

768

00:36:19,900 --> 00:36:17,849

party and saw something in their house

769

00:36:22,999 --> 00:36:19,910

first did they give you a description of

770

00:36:23,749 --> 00:36:23,009

what this thing look like yes he

771

00:36:26,479 --> 00:36:23,759

actually drew it

772

00:36:29,599 --> 00:36:26,489

um it's it's on the site it's it was

773

00:36:30,829 --> 00:36:29,609

just a black mass mm-hmm it was just all

774

00:36:34,009 --> 00:36:30,839

black and a head

775

00:36:37,130 --> 00:36:34,019

I guess orange our yellow eyes and it

776

00:36:40,099 --> 00:36:37,140

but it had hints definitely had hands

777

00:36:42,019 --> 00:36:40,109

and it was standing it came it was he l

778

00:36:44,269 --> 00:36:42,029

was in the house it was at the bottom of

779

00:36:45,919 --> 00:36:44,279

the steps and they all saw I mean they

780

00:36:48,229 --> 00:36:45,929

all saw they ran reading to the bathroom

781

00:36:50,209 --> 00:36:48,239

and I've talked this lady several times

782

00:36:52,999 --> 00:36:50,219

she you know she doesn't seem like she's

783

00:36:55,669 --> 00:36:53,009

you know for meds or anything you know

784

00:36:58,969 --> 00:36:55,679

she seems to be a pretty put together

785

00:37:02,150 --> 00:36:58,979

person you know so now have you done any

786

00:37:06,009 --> 00:37:02,160

research on the the area itself you know

787

00:37:08,779 --> 00:37:06,019

is there is there a history of unusual

788

00:37:12,499 --> 00:37:08,789

events I mean not just even recently but

789

00:37:17,719 --> 00:37:12,509

you know back in the past I didn't

790

00:37:21,469 --> 00:37:17,729

really have to stand Gordon no but up

791

00:37:23,179 --> 00:37:21,479

there it's I mean it's not - I guess

792

00:37:24,649 --> 00:37:23,189

it's it's just like a regular thing to

793

00:37:26,479 --> 00:37:24,659

be honest with you but you know you

794

00:37:30,130 --> 00:37:26,489

don't hear to too much about it I guess

795

00:37:33,799 --> 00:37:30,140

in their areas they live in a a more

796

00:37:37,069 --> 00:37:33,809

upscale area or the town is known for an

797

00:37:39,469 --> 00:37:37,079

upscale area so they but they have their

798

00:37:41,289 --> 00:37:39,479

outskirts you know and I guess the

799

00:37:45,829 --> 00:37:41,299

outskirts getting close to towards a

800

00:37:47,269 --> 00:37:45,839

butler and I guess another area right

801  
00:37:49,789 --> 00:37:47,279  
around there is that where that's where

802  
00:37:52,669 --> 00:37:49,799  
this stuff starts to pick up and it's

803  
00:37:54,769 --> 00:37:52,679  
literally right on that border of where

804  
00:37:56,390 --> 00:37:54,779  
they are and right where that the other

805  
00:37:59,179 --> 00:37:56,400  
area starts it is that's where

806  
00:38:00,979 --> 00:37:59,189  
everything starts to ramp up and it then

807  
00:38:03,559 --> 00:38:00,989  
you have a bunch of UFO orb sightings I

808  
00:38:05,419 --> 00:38:03,569  
used to work out there every morning I

809  
00:38:06,859 --> 00:38:05,429  
would see something when I got that word

810  
00:38:08,449 --> 00:38:06,869  
I used to work for Red Bull and I would

811  
00:38:10,370 --> 00:38:08,459  
be there at five in the morning I would

812  
00:38:11,809 --> 00:38:10,380  
see something crazy and this guy was

813  
00:38:13,839 --> 00:38:11,819

matter of fact I would get there on

814

00:38:16,370 --> 00:38:13,849

purpose at five o'clock just so I could

815

00:38:18,199 --> 00:38:16,380

see what I was seeing it was crazy

816

00:38:20,509 --> 00:38:18,209

but yeah right there it starts connect

817

00:38:23,630 --> 00:38:20,519

up there and then you know and I guess

818

00:38:25,789 --> 00:38:23,640

also Stan had a story

819

00:38:26,099 --> 00:38:25,799

I think it's on might also be on a long

820

00:38:29,279 --> 00:38:26,109

side

821

00:38:31,650 --> 00:38:29,289

it's a butler gargoye I think I think

822

00:38:32,970 --> 00:38:31,660

I'm remembering it correctly but yeah

823

00:38:35,279 --> 00:38:32,980

there was a sighting of something like

824

00:38:37,620 --> 00:38:35,289

that up there so yeah they all connect

825

00:38:40,289 --> 00:38:37,630

right oh but I don't I don't get why it

826

00:38:41,729 --> 00:38:40,299

gets so heavy right there but that's

827

00:38:43,289 --> 00:38:41,739

what seems that's what seems to be

828

00:38:46,380 --> 00:38:43,299

happening now especially where the owl

829

00:38:49,769 --> 00:38:46,390

man sighting was - that's that area is

830

00:38:52,170 --> 00:38:49,779

getting pretty populated with UFO

831

00:38:54,329 --> 00:38:52,180

sightings not to mention stand I believe

832

00:38:59,099 --> 00:38:54,339

has a bunch of Bigfoot sightings up

833

00:39:03,499 --> 00:38:59,109

there as well you earlier today you sent

834

00:39:05,999 --> 00:39:03,509

me some some photographs of UFOs that I

835

00:39:07,920 --> 00:39:06,009

think that that you had taken do you

836

00:39:09,329 --> 00:39:07,930

want to tell me a little bit about it

837

00:39:10,589 --> 00:39:09,339

and then we'll we'll include those

838

00:39:13,249 --> 00:39:10,599

photographs as you're talking about it

839

00:39:18,049 --> 00:39:13,259

on the the youtube version of this show

840

00:39:20,910 --> 00:39:18,059

yeah those are just our red lights now

841

00:39:23,069 --> 00:39:20,920

those are our stills and then I also

842

00:39:25,829 --> 00:39:23,079

made a gift side of them but yeah me and

843

00:39:27,079 --> 00:39:25,839

my wife were outside this was back in

844

00:39:33,479 --> 00:39:27,089

July

845

00:39:36,239 --> 00:39:33,489

I live in a town called Renton in a raid

846

00:39:37,799 --> 00:39:36,249

out of my front porch boom you can look

847

00:39:40,259 --> 00:39:37,809

great up you can see a bunch of stars

848

00:39:43,470 --> 00:39:40,269

it's like the highway of stars it's

849

00:39:46,650 --> 00:39:43,480

crazy it looks beautiful so we're

850

00:39:49,049 --> 00:39:46,660

looking up all the sudden see - - I'm

851

00:39:50,489 --> 00:39:49,059

gonna call them helicopters I they

852

00:39:53,249 --> 00:39:50,499

didn't make any noise I'll tell you that

853

00:39:55,620 --> 00:39:53,259

and there were five of them and they no

854

00:39:56,849 --> 00:39:55,630

noise but they were they had blinking

855

00:39:59,519 --> 00:39:56,859

lights on them like they were you know

856

00:40:02,279 --> 00:39:59,529

military vehicles I'm guessing all the

857

00:40:04,589 --> 00:40:02,289

sudden in orange an orb just shows up

858

00:40:05,930 --> 00:40:04,599

it's just there and I'm not kidding you

859

00:40:08,970 --> 00:40:05,940

it was just like at the flip of a switch

860

00:40:10,739 --> 00:40:08,980

there it is oh my

861

00:40:14,220 --> 00:40:10,749

so they starts coming over towards us

862

00:40:18,029 --> 00:40:14,230

and I'm just awestruck my wife goes pull

863

00:40:20,249 --> 00:40:18,039

out your phone stupid I grabbed my phone

864

00:40:22,650 --> 00:40:20,259

and I started recording it and it was a

865

00:40:24,420 --> 00:40:22,660

night vision the first one I mean I got

866

00:40:25,979 --> 00:40:24,430

the orbit you can see the whole video

867

00:40:28,620 --> 00:40:25,989

and you can see in the still the lights

868

00:40:31,140 --> 00:40:28,630

steady blinking or the the orb is not

869

00:40:33,420 --> 00:40:31,150

blinking it's steady it's not shining

870

00:40:34,890 --> 00:40:33,430

light it's containing it's not you know

871

00:40:37,589 --> 00:40:34,900

I mean there's no light coming out of it

872

00:40:40,040 --> 00:40:37,599

it's just a ball of light then behind it

873

00:40:42,140 --> 00:40:40,050

there was two of these vehicles air view

874

00:40:45,050 --> 00:40:42,150

one of them disappears completely and

875

00:40:48,050 --> 00:40:45,060

you just have one and even in the night

876

00:40:49,580 --> 00:40:48,060

vision you can't see it like it's so I

877

00:40:52,430 --> 00:40:49,590

don't even know what it was

878

00:40:54,410 --> 00:40:52,440

so it went over the house all the way

879

00:40:57,770 --> 00:40:54,420

behind us and then it went higher and

880

00:41:02,300 --> 00:40:57,780

disappear now two weeks later that's

881

00:41:06,230 --> 00:41:02,310

where the colored one comes in now same

882

00:41:09,170 --> 00:41:06,240

thing five five vehicles in the air all

883

00:41:12,140 --> 00:41:09,180

of a sudden but we saw this or come in

884

00:41:14,930 --> 00:41:12,150

we saw it slowed down and stopped mmm

885

00:41:18,080 --> 00:41:14,940

stop right there grab my phone boom it

886

00:41:20,120 --> 00:41:18,090

but this one was on our back cords and

887

00:41:23,450 --> 00:41:20,130

it was directly north of us

888

00:41:25,910 --> 00:41:23,460

the other one was directly north I guess

889

00:41:27,620 --> 00:41:25,920

Northwest but it was literally off our

890

00:41:30,050 --> 00:41:27,630

front porch and right off our back porch

891

00:41:32,990 --> 00:41:30,060

but that yeah there were two weeks apart

892

00:41:35,660 --> 00:41:33,000

from each other both moving now I did do

893

00:41:39,859 --> 00:41:35,670

some research at the time they were

894

00:41:41,030 --> 00:41:39,869

doing military I proceeded with a call I

895

00:41:42,920 --> 00:41:41,040

guess they were like you know training

896

00:41:43,910 --> 00:41:42,930

but they weren't training anywhere near

897

00:41:47,000 --> 00:41:43,920

here mmm

898

00:41:50,210 --> 00:41:47,010

nowhere no it was all downtown it was on

899

00:41:51,560 --> 00:41:50,220

the other side of town so it had nothing

900

00:41:53,000 --> 00:41:51,570

to do with what I was seeing out here

901  
00:41:55,550 --> 00:41:53,010  
and that's for sure because it was

902  
00:41:57,380 --> 00:41:55,560  
supposed to be over you know a day

903  
00:41:59,870 --> 00:41:57,390  
before we saw this and then two weeks

904  
00:42:02,840 --> 00:41:59,880  
later to see the same thing you know is

905  
00:42:04,760 --> 00:42:02,850  
he's even crazier so but you had that

906  
00:42:06,620 --> 00:42:04,770  
one that ended up going past the house

907  
00:42:09,290 --> 00:42:06,630  
and then all of a sudden that one

908  
00:42:11,150 --> 00:42:09,300  
stopped the vehicle behind it stopped

909  
00:42:13,670 --> 00:42:11,160  
they both sat there for a minute and

910  
00:42:17,599 --> 00:42:13,680  
then all of a sudden the orb disappears

911  
00:42:20,060 --> 00:42:17,609  
it just disappeared and then the red

912  
00:42:22,340 --> 00:42:20,070  
blinking light like I said it didn't

913  
00:42:25,040 --> 00:42:22,350

make any sound at all and out here you

914

00:42:27,710 --> 00:42:25,050

can hear a lot of stuff so mmm it's

915

00:42:29,599 --> 00:42:27,720

pretty quiet but yeah it's it's out

916

00:42:31,849 --> 00:42:29,609

there for a minute and all of a sudden

917

00:42:33,080 --> 00:42:31,859

that was gone too so I don't know what

918

00:42:38,090 --> 00:42:33,090

we were looking at but yeah I definitely

919

00:42:42,650 --> 00:42:38,100

got video up so would you think that if

920

00:42:45,349 --> 00:42:42,660

you if you go outside and scan the scan

921

00:42:47,150 --> 00:42:45,359

the sky on a nice clear night I mean

922

00:42:48,940 --> 00:42:47,160

what what are your chances would you say

923

00:42:51,820 --> 00:42:48,950

most of the time of being able to see

924

00:42:53,480 --> 00:42:51,830

something unusual where you live

925

00:42:55,730 --> 00:42:53,490

honestly I mean

926  
00:42:57,200 --> 00:42:55,740  
since I do and so often I obviously have

927  
00:42:58,970 --> 00:42:57,210  
a better chance of seeing it now when I

928  
00:43:02,180 --> 00:42:58,980  
say I do it every night I'm not kidding

929  
00:43:04,400 --> 00:43:02,190  
I go to see if I can see something so I

930  
00:43:06,620 --> 00:43:04,410  
have a great chance of seeing it but I

931  
00:43:08,780 --> 00:43:06,630  
tell you what one of our best sightings

932  
00:43:12,140 --> 00:43:08,790  
that me my wife had was it was a cloudy

933  
00:43:14,330 --> 00:43:12,150  
night gonna see this guy at all you're

934  
00:43:17,450 --> 00:43:14,340  
outside all of a sudden this white light

935  
00:43:19,820 --> 00:43:17,460  
shows up and it took a it was just

936  
00:43:22,520 --> 00:43:19,830  
darting all over this guy in front of us

937  
00:43:24,170 --> 00:43:22,530  
right above us he has this all started I

938  
00:43:25,670 --> 00:43:24,180

mean kind of picked up there was a it

939

00:43:27,350 --> 00:43:25,680

was like a mini flat this summer it was

940

00:43:29,890 --> 00:43:27,360

pretty crazy I have a high powered

941

00:43:32,720 --> 00:43:29,900

flashlight was shining it in the sky

942

00:43:35,390 --> 00:43:32,730

something mimicked the flash I did back

943

00:43:37,780 --> 00:43:35,400

and it made my wife run inside she got

944

00:43:40,370 --> 00:43:37,790

scared Thanks

945

00:43:42,230 --> 00:43:40,380

yeah this thing darted all over the sky

946

00:43:44,450 --> 00:43:42,240

right in front of us they disappeared I

947

00:43:45,770 --> 00:43:44,460

was like oh my god I've never seen

948

00:43:47,660 --> 00:43:45,780

something like this you know the clouds

949

00:43:49,730 --> 00:43:47,670

are out it's right underneath the clouds

950

00:43:51,520 --> 00:43:49,740

and it was low I called the weather

951  
00:43:54,859 --> 00:43:51,530  
station the clouds are rolling out like

952  
00:43:58,220 --> 00:43:54,869  
18 18,000 feet or something yeah I mean

953  
00:44:00,170 --> 00:43:58,230  
it was a very exciting so all of a

954  
00:44:01,250 --> 00:44:00,180  
sudden we'd be talking about it and boom

955  
00:44:02,900 --> 00:44:01,260  
there there it is again

956  
00:44:04,520 --> 00:44:02,910  
darting around so and I'm trying to

957  
00:44:07,250 --> 00:44:04,530  
record this and it's so hard to get it

958  
00:44:09,980 --> 00:44:07,260  
on record because of how fast it's

959  
00:44:11,900 --> 00:44:09,990  
moving but I got it I got it on two

960  
00:44:14,770 --> 00:44:11,910  
shots and you can see this thing blink

961  
00:44:18,099 --> 00:44:14,780  
in and blink out and it's taken a

962  
00:44:20,690 --> 00:44:18,109  
90-degree turn out of time it's crazy

963  
00:44:22,040 --> 00:44:20,700

all right well Ryan unfortunately we

964

00:44:23,720 --> 00:44:22,050
