

EXPLORING THE BIZARRE

**ALBERT
ROSALES**

HUMANOIDS

1
00:00:32,040 --> 00:00:21,830

[Music]

2
00:00:38,890 --> 00:00:35,680

now your electrifying hosts of exploring

3
00:00:46,960 --> 00:00:38,900

the bizarre Timothy Begley and team

4
00:00:50,439 --> 00:00:46,970

sports well we've been out in this field

5
00:00:54,430 --> 00:00:50,449

for almost two hours we haven't seen a

6
00:00:56,889 --> 00:00:54,440

damn thing all right who are you waving

7
00:00:59,860 --> 00:00:56,899

at up off in the distance there is

8
00:01:03,999 --> 00:00:59,870

that's the local UFO group coming to

9
00:01:06,070 --> 00:01:04,009

join us on our sky watch Tim I ask you

10
00:01:08,560 --> 00:01:06,080

does this group of small humanoids

11
00:01:11,260 --> 00:01:08,570

approaching us look like they belong to

12
00:01:13,690 --> 00:01:11,270

view fun these are members of the

13
00:01:17,830 --> 00:01:13,700

friendship group that were so popular a

14

00:01:22,480 --> 00:01:17,840

few years back in Italy as far as UFO

15

00:01:24,910 --> 00:01:22,490

contacts go all right well I hate to

16

00:01:27,730 --> 00:01:24,920

disagree but they look more like a bunch

17

00:01:30,149 --> 00:01:27,740

of five-year-olds to me how do you know

18

00:01:33,609 --> 00:01:30,159

that they're aliens and not just

19

00:01:36,010 --> 00:01:33,619

kindergarteners out on a field trip well

20

00:01:38,350 --> 00:01:36,020

first off they have spacesuits on and

21

00:01:41,050 --> 00:01:38,360

second of all having no notice that they

22

00:01:43,149 --> 00:01:41,060

look like they're skipping through the

23

00:01:46,929 --> 00:01:43,159

tall grass it's because they're

24

00:01:49,109 --> 00:01:46,939

levitating dummy okay okay I'm getting

25

00:01:51,969 --> 00:01:49,119

really spooked out here I suggest that

26
00:01:54,039 --> 00:01:51,979
we get out of here before they use their

27
00:01:56,980 --> 00:01:54,049
stun guns on us and we're unable to get

28
00:02:07,090 --> 00:01:56,990
back to the K cor studios

29
00:02:10,120 --> 00:02:07,100
oh okay that was a close call I didn't

30
00:02:12,460 --> 00:02:10,130
think we'd ever fend off those alien

31
00:02:15,580 --> 00:02:12,470
humanoids well I guess our guests this

32
00:02:19,000 --> 00:02:15,590
evening uh will have to give us some

33
00:02:25,539 --> 00:02:19,010
pointers so we don't become frozen in

34
00:02:27,699 --> 00:02:25,549
time and unable to Moo well Tim I hate

35
00:02:29,770 --> 00:02:27,709
to say this but it looks like the rest

36
00:02:32,199 --> 00:02:29,780
of the world has become frozen in time

37
00:02:37,210 --> 00:02:32,209
with this

38
00:02:41,649 --> 00:02:37,220

who that's going going around are they

39

00:02:44,350 --> 00:02:41,659

quarantine in your neighborhood no not

40

00:02:49,660 --> 00:02:44,360

not yet

41

00:02:50,410 --> 00:02:49,670

the I was at the local big big giant

42

00:02:54,819 --> 00:02:50,420

store I won't

43

00:02:59,830 --> 00:02:54,829

I won't name it but it it looked like

44

00:03:01,390 --> 00:02:59,840

that a a bunch of paper as seekers went

45

00:03:05,319 --> 00:03:01,400

through it because there was there was

46

00:03:08,740 --> 00:03:05,329

no toilet paper to be found anywhere and

47

00:03:12,220 --> 00:03:08,750

Ill didn't realize that whatever this

48

00:03:13,300 --> 00:03:12,230

bug is is going around involved using a

49

00:03:16,000 --> 00:03:13,310

lot of toilet paper

50

00:03:18,300 --> 00:03:16,010

well I'm always stuck tup on toilet

51
00:03:21,160 --> 00:03:18,310
paper because I buy it through Amazon

52
00:03:25,179 --> 00:03:21,170
usually like 20 rolls at a time although

53
00:03:27,160 --> 00:03:25,189
I did get scammed this list order I

54
00:03:29,559 --> 00:03:27,170
thought I was ordering the same as I

55
00:03:32,530 --> 00:03:29,569
usually order mmm and it turned out to

56
00:03:34,750 --> 00:03:32,540
be four rolls of scar tissue but I never

57
00:03:37,180 --> 00:03:34,760
even got them they just disappeared I

58
00:03:38,920 --> 00:03:37,190
guess with the you know somebody saw it

59
00:03:41,170 --> 00:03:38,930
there on the truck and figure I gotta

60
00:03:42,400 --> 00:03:41,180
get these before this flu gets me or

61
00:03:45,189 --> 00:03:42,410
something I don't know they never

62
00:03:48,069 --> 00:03:45,199
arrived I don't know I it's it's all

63
00:03:50,319 --> 00:03:48,079

it's all a nightmare out there I'm glad

64

00:03:56,619 --> 00:03:50,329

the humanoids are coming to just save us

65

00:03:58,869 --> 00:03:56,629

aren't they did I hope so you know some

66

00:04:01,750 --> 00:03:58,879

somebody somebody needs to save us

67

00:04:03,580 --> 00:04:01,760

because we certainly can't don't seem to

68

00:04:07,180 --> 00:04:03,590

be able to take care of ourselves at the

69

00:04:09,670 --> 00:04:07,190

moment yeah why don't we get into the

70

00:04:11,949 --> 00:04:09,680

depth of the program tonight and tell us

71

00:04:13,420 --> 00:04:11,959

who we're going to be speaking to

72

00:04:17,020 --> 00:04:13,430

because I'm looking forward to the

73

00:04:19,420 --> 00:04:17,030

conversation an excellent idea mr.

74

00:04:22,960 --> 00:04:19,430

Berkley well tonight I am very happy to

75

00:04:26,140 --> 00:04:22,970

say that we're joined by Albert Rosales

76
00:04:29,350 --> 00:04:26,150
now Albert was born in Cuba and migrated

77
00:04:31,990 --> 00:04:29,360
to the United States in 1966 the Rosella

78
00:04:34,930 --> 00:04:32,000
says that he's had he had several

79
00:04:37,779 --> 00:04:34,940
unusual incidents as a young man while

80
00:04:40,300 --> 00:04:37,789
living in Cuba and these is it's that

81
00:04:42,339 --> 00:04:40,310
continuing on and while he was an adult

82
00:04:43,920 --> 00:04:42,349
in the United States now he became

83
00:04:45,870 --> 00:04:43,930
interested in unusual foot

84
00:04:48,900 --> 00:04:45,880
on UFOs and young age but soon

85
00:04:50,820 --> 00:04:48,910
directives focus to the crux of the

86
00:04:53,670 --> 00:04:50,830
phenomena the humanoids entities

87
00:04:55,560 --> 00:04:53,680
extraterrestrials UFO knots whatever you

88
00:04:58,560 --> 00:04:55,570

want to call them so results begin

89

00:05:00,900 --> 00:04:58,570

collecting data on such encounters from

90

00:05:05,790 --> 00:05:00,910

worldwide sources in the late-1980s and

91

00:05:09,240 --> 00:05:05,800

currently has a database of over 18,000

92

00:05:12,029 --> 00:05:09,250

entries which is updated and corrected

93

00:05:15,120 --> 00:05:12,039

daily so probably since the time I wrote

94

00:05:17,580 --> 00:05:15,130

this it's it's grown exponentially as

95

00:05:19,320 --> 00:05:17,590

since that time Valles has published a

96

00:05:22,430 --> 00:05:19,330

number of books in his humanoid

97

00:05:25,140 --> 00:05:22,440

encounters the others among a series

98

00:05:29,670 --> 00:05:25,150

some of his titles include humanoid

99

00:05:34,170 --> 00:05:29,680

encounters one ad to 1899 humanoid

100

00:05:38,760 --> 00:05:34,180

encounters 1932 1949 humanoid encounters

101
00:05:40,469 --> 00:05:38,770
2010 to 2015 and UFOs over Florida

102
00:05:43,050 --> 00:05:40,479
humanoids and other strange encounters

103
00:05:44,879 --> 00:05:43,060
in the Sunshine State

104
00:05:47,400 --> 00:05:44,889
so armored great to have you with us on

105
00:05:50,250 --> 00:05:47,410
exploring the bizarre thanks for having

106
00:05:52,589 --> 00:05:50,260
me and now the data base you were

107
00:05:55,500 --> 00:05:52,599
mentioning and it's gotta be close to

108
00:06:01,980 --> 00:05:55,510
25,000 now already that's that's what I

109
00:06:07,860 --> 00:06:01,990
figured 25,000 that that is amazing or

110
00:06:10,800 --> 00:06:07,870
more I would be I would be amiss if I

111
00:06:14,189 --> 00:06:10,810
didn't start out by asking are there any

112
00:06:19,020 --> 00:06:14,199
cases in that database where aliens

113
00:06:20,790 --> 00:06:19,030

sneeze Arkoff in front of witnesses no

114

00:06:23,279 --> 00:06:20,800

but there are cases in which aliens

115

00:06:25,430 --> 00:06:23,289

mentioned that they're gonna introduce a

116

00:06:28,230 --> 00:06:25,440

buyers and wipe out the human race

117

00:06:30,089 --> 00:06:28,240

believe it or not well is that right

118

00:06:33,480 --> 00:06:30,099

could you think of a case in point

119

00:06:35,070 --> 00:06:33,490

I tell you uh let me see because I know

120

00:06:39,180 --> 00:06:35,080

I was looking for there's one case in

121

00:06:42,210 --> 00:06:39,190

the end and then England back in 1988

122

00:06:43,439 --> 00:06:42,220

and a place called Ted Barry I was

123

00:06:46,230 --> 00:06:43,449

looking up I was looking up through my

124

00:06:48,659 --> 00:06:46,240

database and this case just leave you

125

00:06:50,879 --> 00:06:48,669

know I caught my attention that this

126
00:06:54,269 --> 00:06:50,889
person was at home and they they saw a

127
00:06:55,980 --> 00:06:54,279
light over field so they you know

128
00:06:57,060 --> 00:06:55,990
curious they weren't out there it's

129
00:06:59,910 --> 00:06:57,070
gonna go through the guest

130
00:07:01,680 --> 00:06:59,920
and they they were out there looking to

131
00:07:04,620 --> 00:07:01,690
see what the light was and then suddenly

132
00:07:09,540 --> 00:07:04,630
they were illuminated from somewhere

133
00:07:12,000 --> 00:07:09,550
above and then a boy started

134
00:07:17,820 --> 00:07:12,010
communicating asking question and he

135
00:07:20,670 --> 00:07:17,830
would ask questions and then the voice

136
00:07:25,530 --> 00:07:20,680
whatever that was said said that that uh

137
00:07:28,110 --> 00:07:25,540
if the humanity does not uh you know

138
00:07:31,370 --> 00:07:28,120

come to their senses or change the way

139

00:07:33,570 --> 00:07:31,380

that we've been destroying our world

140

00:07:36,270 --> 00:07:33,580

they were gonna do have to do something

141

00:07:38,280 --> 00:07:36,280

about it you know jump because we were

142

00:07:41,040 --> 00:07:38,290

upsetting the order of thing they said

143

00:07:44,130 --> 00:07:41,050

that that we were very susceptible to

144

00:07:47,760 --> 00:07:44,140

bacteria and viruses and something like

145

00:07:52,020 --> 00:07:47,770

that will cause you know complete chaos

146

00:07:55,110 --> 00:07:52,030

and what it what friends they are yeah

147

00:07:56,700 --> 00:07:55,120

really the witness asked him uh you can

148

00:07:59,070 --> 00:07:56,710

introduce this to the you know introduce

149

00:08:02,370 --> 00:07:59,080

this to the world and and they say yes

150

00:08:05,570 --> 00:08:02,380

of course we can and you know it's uh

151

00:08:08,130 --> 00:08:05,580

kind of this case was investigated by

152

00:08:11,640 --> 00:08:08,140

north and UFO news I think Jenny

153

00:08:16,110 --> 00:08:11,650

Randall's a couple of the cases one in

154

00:08:19,800 --> 00:08:16,120

Russia 1989 but about the same thing the

155

00:08:21,740 --> 00:08:19,810

lady heard noises in their garden she

156

00:08:24,420 --> 00:08:21,750

went out and it was a tall man

157

00:08:28,050 --> 00:08:24,430

threatened hoody human-looking

158

00:08:30,120 --> 00:08:28,060

silver suit he was like doing something

159

00:08:32,580 --> 00:08:30,130

to the ground with it looked like a very

160

00:08:34,020 --> 00:08:32,590

long syringe and she had she asked what

161

00:08:36,870 --> 00:08:34,030

was he doing there when and then he

162

00:08:38,430 --> 00:08:36,880

communicated with her in Russian that

163

00:08:40,560 --> 00:08:38,440

there he was trying to introduce some

164

00:08:44,850 --> 00:08:40,570

kind of pathogen see how he works in

165

00:08:47,310 --> 00:08:44,860

humans and if it didn't work they were

166

00:08:50,550 --> 00:08:47,320

gonna introduce a stronger one this is

167

00:08:55,350 --> 00:08:50,560

Becca Nadine axel I don't know well you

168

00:08:59,460 --> 00:08:55,360

know I won't break a confidence but

169

00:09:03,560 --> 00:08:59,470

there was an individual on our show in

170

00:09:08,750 --> 00:09:03,570

recent months who is a fairly well known

171

00:09:10,879 --> 00:09:08,760

abductee now he told me years ago that

172

00:09:14,329 --> 00:09:10,889

something he never mentioned

173

00:09:18,530 --> 00:09:14,339

the press was that the aliens on board

174

00:09:25,910 --> 00:09:18,540

the ship said that they were responsible

175

00:09:29,389 --> 00:09:25,920

for the AIDS virus however when I asked

176

00:09:33,409 --> 00:09:29,399

him about that recently he denied saying

177

00:09:36,699 --> 00:09:33,419

that and since I have nothing recorded

178

00:09:39,470 --> 00:09:36,709

even though I didn't originally record a

179

00:09:42,879 --> 00:09:39,480

conversation that we have I cannot prove

180

00:09:45,710 --> 00:09:42,889

it and of course my memory might be a

181

00:09:49,489 --> 00:09:45,720

faulty but I think there have been a

182

00:09:52,039 --> 00:09:49,499

couple of individuals who have said that

183

00:09:56,229 --> 00:09:52,049

their contacts told them that they were

184

00:10:00,889 --> 00:09:56,239

in some way responsible for AIDS

185

00:10:02,359 --> 00:10:00,899

inflicting the population you know I

186

00:10:04,999 --> 00:10:02,369

heard something about that maybe there

187

00:10:07,729 --> 00:10:05,009

what they do is they see they try it out

188

00:10:10,579 --> 00:10:07,739

and on the humans on the human race II

189

00:10:14,329 --> 00:10:10,589

what happens you know as part of the

190

00:10:15,979 --> 00:10:14,339

control system I meant they use I not

191

00:10:19,819 --> 00:10:15,989

all of them I imagine they're you know I

192

00:10:21,470 --> 00:10:19,829

think the different groups hopefully the

193

00:10:24,859 --> 00:10:21,480

good guys will come and rescue us this

194

00:10:25,699 --> 00:10:24,869

time whether you know a bromley now Tim

195

00:10:30,590 --> 00:10:25,709

do you remember his name

196

00:10:33,439 --> 00:10:30,600

the Bella Rosa I people P right right

197

00:10:37,009 --> 00:10:33,449

yeah yeah yeah yeah well yeah he wrote a

198

00:10:41,359 --> 00:10:37,019

whole book or most the majority in the

199

00:10:43,999 --> 00:10:41,369

book was about the the plague that how

200

00:10:45,679 --> 00:10:44,009

the aliens might have been come down and

201
00:10:49,159 --> 00:10:45,689
sprayed the crops and everything

202
00:10:53,569 --> 00:10:49,169
remember there's some really wild pieces

203
00:10:56,479 --> 00:10:53,579
of artwork from what the 13th and 1400

204
00:10:57,889 --> 00:10:56,489
sand things like then I remember that

205
00:11:00,039 --> 00:10:57,899
yeah I remember reading about that day

206
00:11:03,619 --> 00:11:00,049
people that would see like strange mist

207
00:11:05,689 --> 00:11:03,629
coming down off pulls it and trigger the

208
00:11:07,789 --> 00:11:05,699
strange figures that they look like

209
00:11:10,460 --> 00:11:07,799
steak or they call him Skelton you know

210
00:11:12,679 --> 00:11:10,470
a course they associated I would death

211
00:11:16,879 --> 00:11:12,689
and you know on the plague so God knows

212
00:11:18,949 --> 00:11:16,889
what well I I I feel kind of like I need

213
00:11:21,319 --> 00:11:18,959

to take a shower after this opening

214

00:11:23,970 --> 00:11:21,329

conversation because here I have been

215

00:11:27,180 --> 00:11:23,980

working on a book the

216

00:11:30,840 --> 00:11:27,190

a couple of weeks about the ashtar

217

00:11:33,920 --> 00:11:30,850

command who of course the these very

218

00:11:38,040 --> 00:11:33,930

benevolent beings that come here from

219

00:11:39,660 --> 00:11:38,050

throughout the universe to help us and

220

00:11:41,790 --> 00:11:39,670

give us some in spiritual enlightenment

221

00:11:44,150 --> 00:11:41,800

although I don't know I think they've

222

00:11:45,960 --> 00:11:44,160

been falling down on the job lately but

223

00:11:48,750 --> 00:11:45,970

know how that is

224

00:11:53,610 --> 00:11:48,760

now Albert we started to show whether a

225

00:11:57,810 --> 00:11:53,620

little mutton Jeff routine about aliens

226

00:12:00,180 --> 00:11:57,820

in the field and paralyzing or

227

00:12:04,560 --> 00:12:00,190

potentially paralyzing people we have a

228

00:12:09,240 --> 00:12:04,570

number of cases over the last 50 years

229

00:12:11,910 --> 00:12:09,250

or so of people being zapped by hundreds

230

00:12:15,510 --> 00:12:11,920

of cases you know Hodgins you know

231

00:12:18,360 --> 00:12:15,520

definitely that the most common scenario

232

00:12:20,010 --> 00:12:18,370

that they see a light or an object on

233

00:12:22,020 --> 00:12:20,020

the ground they try to approach it and

234

00:12:24,630 --> 00:12:22,030

suddenly they get struck by a light from

235

00:12:26,820 --> 00:12:24,640

the object and they unable to move with

236

00:12:29,790 --> 00:12:26,830

their struck down or they pass out

237

00:12:33,180 --> 00:12:29,800

there's one case famous case and in

238

00:12:35,550 --> 00:12:33,190

Brazil 1967 I don't know if you know

239

00:12:38,120 --> 00:12:35,560

about this cases he saw an off yet on

240

00:12:42,000 --> 00:12:38,130

the on the ground it was an old disused

241

00:12:44,490 --> 00:12:42,010

airfield cigar-shaped popped it landed

242

00:12:48,210 --> 00:12:44,500

and this guy he course he armed himself

243

00:12:50,400 --> 00:12:48,220

with a rifle and went to check it out

244

00:12:51,900 --> 00:12:50,410

with his wife and he told three men

245

00:12:54,030 --> 00:12:51,910

running around they were human like no

246

00:12:56,580 --> 00:12:54,040

hair you know bald-headed and then he

247

00:12:59,640 --> 00:12:56,590

shot he fired a shot at him couple shots

248

00:13:05,640 --> 00:12:59,650

then out of the object a beam of light

249

00:13:08,310 --> 00:13:05,650

struck him knocked him out this guy

250

00:13:11,850 --> 00:13:08,320

this isn't 67 he died about three days

251
00:13:13,890 --> 00:13:11,860
after that there remains yeah he died a

252
00:13:16,980 --> 00:13:13,900
they couldn't determine the causes but

253
00:13:20,340 --> 00:13:16,990
it's like this whole immune system is

254
00:13:23,940 --> 00:13:20,350
shot down so I want to go around

255
00:13:28,670 --> 00:13:23,950
shooting any healing I wouldn't think so

256
00:13:33,660 --> 00:13:28,680
now isn't there a very famous case in

257
00:13:35,310 --> 00:13:33,670
France from around 1954 had something to

258
00:13:37,199 --> 00:13:35,320
do with a gentleman on the railroad

259
00:13:40,139 --> 00:13:37,209
track

260
00:13:42,540 --> 00:13:40,149
yeah that's the 1954 during the October

261
00:13:45,389 --> 00:13:42,550
uh wave there there were 100 you know

262
00:13:47,609 --> 00:13:45,399
hundreds of cases a lot of them and yeah

263
00:13:51,569 --> 00:13:47,619

my the guy was name was Muriel

264

00:13:53,280 --> 00:13:51,579

Mario's the wild or the wilt he came out

265

00:13:56,309 --> 00:13:53,290

and there was live near a railroad track

266

00:14:00,929 --> 00:13:56,319

and he saw a huge dark object on the

267

00:14:02,879 --> 00:14:00,939

tracks and some little short humanoids

268

00:14:06,600 --> 00:14:02,889

moving around him and then he tried to

269

00:14:08,340 --> 00:14:06,610

approach in light and engulfed him and

270

00:14:10,590 --> 00:14:08,350

he was paralyzed he wasn't able to move

271

00:14:13,530 --> 00:14:10,600

until the object left

272

00:14:14,790 --> 00:14:13,540

they even found tracks on the railroad

273

00:14:18,329 --> 00:14:14,800

yeah

274

00:14:20,879 --> 00:14:18,339

and what did what did the aliens look

275

00:14:23,579 --> 00:14:20,889

like do you call it that actually aliens

276

00:14:25,230 --> 00:14:23,589

whatever all right well you said that

277

00:14:29,910 --> 00:14:25,240

were short and they were wearing some

278

00:14:31,319 --> 00:14:29,920

kind of like a divers suit and like a

279

00:14:35,549 --> 00:14:31,329

helmet with a visor and you could

280

00:14:38,040 --> 00:14:35,559

vaguely see details of a face behind it

281

00:14:40,079 --> 00:14:38,050

yeah you know that back then there were

282

00:14:42,749 --> 00:14:40,089

not too many encountered with what we

283

00:14:47,129 --> 00:14:42,759

call what I call the Hollywood grays now

284

00:14:49,710 --> 00:14:47,139

they oh no no no this was this was long

285

00:14:53,039 --> 00:14:49,720

before left to face now

286

00:14:57,710 --> 00:14:53,049

didn't the the first contact it was that

287

00:14:59,970 --> 00:14:57,720

in with the little men was that not in

288

00:15:04,259 --> 00:14:59,980

Brazil where they had to kind of have

289

00:15:09,210 --> 00:15:04,269

Popeyes Popeyes Chicken the eyes that

290

00:15:11,819 --> 00:15:09,220

popped out that second in Brazil you

291

00:15:14,489 --> 00:15:11,829

know what year was that and this would

292

00:15:16,609 --> 00:15:14,499

have been 1947 maybe maybe it wasn't

293

00:15:21,059 --> 00:15:16,619

Brazil but I did come across the case

294

00:15:23,369 --> 00:15:21,069

the other day and I said to myself I

295

00:15:24,689 --> 00:15:23,379

thought it was Brazil but then I looked

296

00:15:27,499 --> 00:15:24,699

at the notes and it was somewhere else

297

00:15:30,389 --> 00:15:27,509

and now I can't remember where it was

298

00:15:33,509 --> 00:15:30,399

they've erased it from my mind

299

00:15:36,239 --> 00:15:33,519

you could have been to one in Italy 1947

300

00:15:38,129 --> 00:15:36,249

that would have done it yeah yeah he

301

00:15:40,799 --> 00:15:38,139

would he'd be aliens early they had

302

00:15:43,499 --> 00:15:40,809

large head through the helmet and huge

303

00:15:45,869 --> 00:15:43,509

eyes that yeah you're right there popped

304

00:15:48,119 --> 00:15:45,879

out and he was also paralyzed they

305

00:15:48,449 --> 00:15:48,129

struck him with a ray with a beam or

306

00:15:50,020 --> 00:15:48,459

something

307

00:15:51,940 --> 00:15:50,030

Owens arm

308

00:15:54,880 --> 00:15:51,950

and he had a shovel and he dropped it

309

00:15:57,040 --> 00:15:54,890

then he couldn't move he suffer an

310

00:15:59,680 --> 00:15:57,050

injury on his arm or something but he

311

00:16:01,510 --> 00:15:59,690

couldn't move the whole time even the

312

00:16:04,600 --> 00:16:01,520

aliens were there and of course there's

313

00:16:06,700 --> 00:16:04,610

the many times when you know the bedroom

314

00:16:09,370 --> 00:16:06,710

what I call bedroom visitations when oh

315

00:16:10,960 --> 00:16:09,380

yeah a lot of people most of the people

316

00:16:13,480 --> 00:16:10,970

that experience our paralyzed aren't

317

00:16:15,400 --> 00:16:13,490

able to move and they see figures or

318

00:16:18,490 --> 00:16:15,410

humanoids there on the bed or whatever

319

00:16:20,760 --> 00:16:18,500

their probe and whatever they do them

320

00:16:23,970 --> 00:16:20,770

but they're unable to move on until the

321

00:16:25,090 --> 00:16:23,980

humanoid so the creature disappeared

322

00:16:29,920 --> 00:16:25,100

understand

323

00:16:35,950 --> 00:16:29,930

can you tell can you tell a nasty little

324

00:16:40,930 --> 00:16:35,960

alien from a benevolent or just some a

325

00:16:42,880 --> 00:16:40,940

casual la alien by their by their looks

326

00:16:44,740 --> 00:16:42,890

or their status or their size their

327

00:16:46,630 --> 00:16:44,750

anything like that I don't think you

328

00:16:48,940 --> 00:16:46,640

could tell by their look because there's

329

00:16:50,980 --> 00:16:48,950

been reports of you know that supposedly

330

00:16:54,130 --> 00:16:50,990

the reptilians supposed to be all bad

331

00:16:56,110 --> 00:16:54,140

but no I there this reports over Tilt

332

00:16:59,350 --> 00:16:56,120

reptilians and you know they're not bad

333

00:17:01,930 --> 00:16:59,360

they're totally benign but I don't think

334

00:17:03,760 --> 00:17:01,940

you can I mean it all depends on our a

335

00:17:06,100 --> 00:17:03,770

lot of times it depends like this guy

336

00:17:09,880 --> 00:17:06,110

from the sill what we do first see how

337

00:17:12,700 --> 00:17:09,890

they react because most you know we

338

00:17:13,630 --> 00:17:12,710

humans they tend to shoot first and ask

339

00:17:16,210 --> 00:17:13,640

questions later

340

00:17:18,760 --> 00:17:16,220

how many times have been incident like

341

00:17:23,320 --> 00:17:18,770

that you know we see something we don't

342

00:17:26,200 --> 00:17:23,330

know and we like we like in the Hopkins

343

00:17:29,710 --> 00:17:26,210

Hopkins yeah oh yeah Kentucky a case we

344

00:17:32,460 --> 00:17:29,720

had the daughter of a lucky Sutton on

345

00:17:35,470 --> 00:17:32,470

the table it was about two months ago

346

00:17:39,300 --> 00:17:35,480

okay that's right yeah described it yes

347

00:17:43,000 --> 00:17:39,310

the incident in pretty good detail

348

00:17:46,240 --> 00:17:43,010

people still talk about that down there

349

00:17:48,430 --> 00:17:46,250

is if it happened yesterday yeah that's

350

00:17:51,040 --> 00:17:48,440

what I heard they does do fresh and a

351

00:17:54,190 --> 00:17:51,050

lot of people mind they have they

352

00:17:59,830 --> 00:17:54,200

actually have a Hopkinsville or Cully

353

00:18:02,710 --> 00:17:59,840

Kelly Kentucky festival every year in

354

00:18:03,880 --> 00:18:02,720

fact they're probably more festivals can

355

00:18:07,780 --> 00:18:03,890

you imagine

356

00:18:10,560 --> 00:18:07,790

Albert 20 years ago even outside of

357

00:18:13,540 --> 00:18:10,570

maybe Roswell cities acknowledging that

358

00:18:15,580 --> 00:18:13,550

UFOs visited them and and and welcome

359

00:18:17,290 --> 00:18:15,590

their visit and and parade down the

360

00:18:19,000 --> 00:18:17,300

street and have barbecues and all that

361

00:18:20,830 --> 00:18:19,010

no no not really

362

00:18:22,660 --> 00:18:20,840

and now there's so many like in

363

00:18:25,270 --> 00:18:22,670

different places where they've been

364

00:18:28,630 --> 00:18:25,280

famous encounters like in know the

365

00:18:31,780 --> 00:18:28,640

limits Levenstein encounter and scotland

366

00:18:33,820 --> 00:18:31,790

back in 79 with that that guy yes there

367

00:18:37,390 --> 00:18:33,830

they have it they put a mine a monument

368

00:18:39,610 --> 00:18:37,400

there oh you know memorizing the

369

00:18:41,350 --> 00:18:39,620

encounter and this happened in several

370

00:18:43,750 --> 00:18:41,360

parts of the world would have been

371

00:18:47,760 --> 00:18:43,760

encountered and they've been me know

372

00:18:50,500 --> 00:18:47,770

memorized I-'alamin and russia even I

373

00:18:54,130 --> 00:18:50,510

think in Canada I think maybe the United

374

00:18:56,860 --> 00:18:54,140

States did well in Canada at Falcon Lake

375

00:18:59,440 --> 00:18:56,870

now the Canadian government even put out

376

00:19:04,030 --> 00:18:59,450

a I think it was a twenty dollar

377

00:19:05,650 --> 00:19:04,040

commemorative coin that is selling on

378

00:19:07,630 --> 00:19:05,660

eBay for like five hundred bucks or

379

00:19:08,560 --> 00:19:07,640

something because so few of them more

380

00:19:12,640 --> 00:19:08,570

were cast

381

00:19:14,740 --> 00:19:12,650

well now you grew up in and at Cuba or

382

00:19:16,660 --> 00:19:14,750

are you in contact with anybody down

383

00:19:19,150 --> 00:19:16,670

there I mean are there reports I mean

384

00:19:21,070 --> 00:19:19,160

over the years like Scott Corrales and

385

00:19:23,169 --> 00:19:21,080

all this but that reported on some of

386

00:19:27,840 --> 00:19:23,179

the sightings and yeah accident

387

00:19:29,950 --> 00:19:27,850

right now I am in contact with a couple

388

00:19:31,570 --> 00:19:29,960

ufologist over there and they they're

389

00:19:35,380 --> 00:19:31,580

they do have encountered there a lot of

390

00:19:37,510 --> 00:19:35,390

sightings what this guy all rest is your

391

00:19:40,000 --> 00:19:37,520

bow he has sent me a couple encounters

392

00:19:43,180 --> 00:19:40,010

interesting stuff that's happened

393

00:19:44,980 --> 00:19:43,190

basically the same thing that happens

394

00:19:50,160 --> 00:19:44,990

over here over here and different

395

00:20:00,820 --> 00:19:56,340

there's one case you see if I find it in

396

00:20:03,220 --> 00:20:00,830

Havana excuse me

397

00:20:05,890 --> 00:20:03,230

there was a security guard at a coal

398

00:20:12,960 --> 00:20:05,900

factory there and he was uh this is

399

00:20:16,210 --> 00:20:12,970

ninety seven late at night and he was

400

00:20:19,390 --> 00:20:16,220

guarding the the factory and

401
00:20:23,310 --> 00:20:19,400
here he saw a blue light outside so he

402
00:20:30,010 --> 00:20:23,320
went to check it out see what it was and

403
00:20:34,659 --> 00:20:30,020
he saw a huge said metallic the place

404
00:20:35,730 --> 00:20:34,669
was called yacon and my tonsils province

405
00:20:40,870 --> 00:20:35,740
in Cuba

406
00:20:43,870 --> 00:20:40,880
this is infirmary 23rd 1997 excuse me

407
00:20:46,990 --> 00:20:43,880
guys I got this cough ilysm so he went

408
00:20:49,270 --> 00:20:47,000
to check it was a dis Jake opted it was

409
00:20:52,840 --> 00:20:49,280
like hovering he said he looked like a

410
00:20:56,529 --> 00:20:52,850
water tank but it was like Silbert near

411
00:20:59,590 --> 00:20:56,539
the ground and I think he tried to

412
00:21:01,649 --> 00:20:59,600
approach it and near the the hall from

413
00:21:06,190 --> 00:21:01,659

the bottom something suddenly a figure

414

00:21:08,860 --> 00:21:06,200

human in appearance to set him up 1.70

415

00:21:12,690 --> 00:21:08,870

meters I think that's almost like 6 feet

416

00:21:16,149 --> 00:21:12,700

kind of less than that wearing a helmet

417

00:21:24,490 --> 00:21:16,159

came out of the craft he walked several

418

00:21:27,430 --> 00:21:24,500

meters towards the witness Wow and now

419

00:21:29,560 --> 00:21:27,440

he has to walk toward the security guy

420

00:21:32,289 --> 00:21:29,570

he got frightened and suddenly the

421

00:21:34,840 --> 00:21:32,299

figure stopped and picked up some plant

422

00:21:38,620 --> 00:21:34,850

samples they were around outside the

423

00:21:40,299 --> 00:21:38,630

yard possibly some I didn't know what

424

00:21:44,590 --> 00:21:40,309

kind of plant was but then he returned

425

00:21:47,320 --> 00:21:44,600

back to the object he went ended or

426
00:21:49,930 --> 00:21:47,330
closed another then there was a powerful

427
00:21:52,510 --> 00:21:49,940
explosion and the craft began to write

428
00:21:55,899 --> 00:21:52,520
her virtually a high speed and disappear

429
00:21:58,980 --> 00:21:55,909
from sight they say the government

430
00:22:01,950 --> 00:21:58,990
Commission on the fer which is the

431
00:22:04,419 --> 00:22:01,960
Revolutionary Armed Forces there in Cuba

432
00:22:09,270 --> 00:22:04,429
supposedly investigating it the landing

433
00:22:11,440 --> 00:22:09,280
and they checked the area for you know

434
00:22:13,840 --> 00:22:11,450
marked in the ground and stuff for any

435
00:22:15,820 --> 00:22:13,850
approval and there right now the results

436
00:22:19,210 --> 00:22:15,830
of the investigation was never made

437
00:22:22,090 --> 00:22:19,220
public but this case was very I say

438
00:22:26,220 --> 00:22:22,100

famous over there in Cuba is fractal

439

00:22:32,980 --> 00:22:29,919

wasn't there a case where some

440

00:22:34,840 --> 00:22:32,990

was actually levitated or lifted in

441

00:22:37,269 --> 00:22:34,850

onboard a ship in front of some

442

00:22:40,659 --> 00:22:37,279

witnesses going back for probably 25

443

00:22:42,999 --> 00:22:40,669

years or so that was in Miami with you

444

00:22:46,330 --> 00:22:43,009

oh that well that case I know of in fact

445

00:22:49,210 --> 00:22:46,340

we thought we published a book on that

446

00:22:52,749 --> 00:22:49,220

about undersea UFO abduction count now

447

00:22:55,869 --> 00:22:52,759

one yeah yeah I was in Miami where the

448

00:22:59,470 --> 00:22:55,879

this dark this case was very interesting

449

00:23:01,239 --> 00:22:59,480

he was this is a gallery 79 I know

450

00:23:04,359 --> 00:23:01,249

exactly where it happened it was a place

451
00:23:09,730 --> 00:23:04,369
called Okeechobee Road and North freely

452
00:23:11,499 --> 00:23:09,740
nowadays pretty desolate still yeah they

453
00:23:16,539 --> 00:23:11,509
would they were on the way to pick up a

454
00:23:21,100 --> 00:23:16,549
pig for a barbecue yeah funny out if it

455
00:23:23,710 --> 00:23:21,110
relates to food I remember I think the

456
00:23:26,019 --> 00:23:23,720
car broke down and they they they looked

457
00:23:27,430 --> 00:23:26,029
up he looked up and his friend looked up

458
00:23:30,489 --> 00:23:27,440
to the guy that was with him I his wife

459
00:23:35,080 --> 00:23:30,499
and it was uh uh-huh thing was this guy

460
00:23:36,580 --> 00:23:35,090
and all right I need to interrupt you

461
00:23:37,720 --> 00:23:36,590
here because we have to go to our bottom

462
00:23:40,049 --> 00:23:37,730
of the hour break when we come back

463
00:23:42,810 --> 00:23:40,059

we'll continue our conversation on

464

00:23:51,169 --> 00:23:42,820

exploring the bizarre so stay tuned

465

00:23:57,899 --> 00:23:55,320

now back to exploring the bazaars with

466

00:24:01,200 --> 00:23:57,909

two of the most electrifying researchers

467

00:24:05,840 --> 00:24:01,210

in the Paranoid your hosts Timothy Becca

468

00:24:10,859 --> 00:24:08,159

welcome back to exploring the bazaar I'm

469

00:24:13,649 --> 00:24:10,869

Tim Schwarz our guest tonight is Albert

470

00:24:15,869 --> 00:24:13,659

Rosales and Albert all I want to get

471

00:24:18,509 --> 00:24:15,879

right into this we have a question from

472

00:24:21,869 --> 00:24:18,519

one of our listeners this is from Jeremy

473

00:24:25,430 --> 00:24:21,879

from the Las Vegas UFO Hunters now

474

00:24:30,710 --> 00:24:25,440

Jeremy wants to know if you think that

475

00:24:33,060 --> 00:24:30,720

that we humans were put here on earth by

476

00:24:34,619 --> 00:24:33,070

mahalia by the extraterrestrials that

477

00:24:37,730 --> 00:24:34,629

you know maybe we're not native to the

478

00:24:40,320 --> 00:24:37,740

planet which maybe would explain why

479

00:24:42,989 --> 00:24:40,330

they look so much like us a lot of times

480

00:24:45,779 --> 00:24:42,999

you know humanoids and and now they're

481

00:24:47,489 --> 00:24:45,789

watching us to see how we develop or you

482

00:24:48,989 --> 00:24:47,499

know or possibly we may have just

483

00:24:52,499 --> 00:24:48,999

already been here and they just happened

484

00:24:55,409 --> 00:24:52,509

to stumble across this I think we were

485

00:24:57,480 --> 00:24:55,419

playing here by somebody I think that we

486

00:25:00,180 --> 00:24:57,490

may be they're looking to see how we

487

00:25:04,799 --> 00:25:00,190

take care of the planet which we haven't

488

00:25:07,950 --> 00:25:04,809

done that for the upset us but I think I

489

00:25:11,100 --> 00:25:07,960

think humans were somehow we were we

490

00:25:15,029 --> 00:25:11,110

were brought here like there's been a

491

00:25:19,139 --> 00:25:15,039

lot of cases in which aliens tell the

492

00:25:20,999 --> 00:25:19,149

human they contacted we are you where

493

00:25:23,789 --> 00:25:21,009

you come from where we come you come

494

00:25:26,489 --> 00:25:23,799

from from the stars also so I don't know

495

00:25:33,899 --> 00:25:26,499

I think we might not be native to this

496

00:25:36,930 --> 00:25:33,909

planet that may explain though why so

497

00:25:40,310 --> 00:25:36,940

many of these encounters you know with

498

00:25:43,529 --> 00:25:40,320

with the pilots of these of UFOs that

499

00:25:46,590 --> 00:25:43,539

they do you know they are humanoid and I

500

00:25:48,299 --> 00:25:46,600

mean if you if you think about if you

501
00:25:50,190 --> 00:25:48,309
know the same kind of evolutionary

502
00:25:51,840 --> 00:25:50,200
process takes place throughout the

503
00:25:56,279 --> 00:25:51,850
universe's and as here you wouldn't

504
00:25:57,810 --> 00:25:56,289
think that there'd be so many supposedly

505
00:26:01,890 --> 00:25:57,820
extra species that

506
00:26:04,320 --> 00:26:01,900
look so much like us yeah what you know

507
00:26:05,760 --> 00:26:04,330
two arms two legs and I had basically

508
00:26:09,840 --> 00:26:05,770
humanoid yeah

509
00:26:13,170 --> 00:26:09,850
figurehead whatever shorter if I could

510
00:26:15,510 --> 00:26:13,180
just interject here though we don't seem

511
00:26:17,520 --> 00:26:15,520
in a lot of cases especially with these

512
00:26:19,320 --> 00:26:17,530
humanoids that we're talking about a

513
00:26:23,910 --> 00:26:19,330

race of races that are very well

514

00:26:26,630 --> 00:26:23,920

developed I mean some of these little

515

00:26:29,190 --> 00:26:26,640

guys special people

516

00:26:32,670 --> 00:26:29,200

special area whatever you want to quote

517

00:26:35,760 --> 00:26:32,680

seem dumb dumb and Dumberer almost I I

518

00:26:39,270 --> 00:26:35,770

mean they're just not the brightest et

519

00:26:41,970 --> 00:26:39,280

and the deck no you're right some of

520

00:26:42,600 --> 00:26:41,980

these cases they don't seem to make any

521

00:26:44,520 --> 00:26:42,610

sense

522

00:26:46,770 --> 00:26:44,530

just like they're maybe they're just

523

00:26:48,780 --> 00:26:46,780

like I showed put up by them or

524

00:26:52,230 --> 00:26:48,790

something I don't know like that case in

525

00:26:57,050 --> 00:26:52,240

Italy without lady Rosa Danny le back in

526

00:26:59,910 --> 00:26:57,060

1954 with the she came upon a small

527

00:27:01,710 --> 00:26:59,920

spindle shaped object then they came out

528

00:27:04,160 --> 00:27:01,720

and they grabbed it she was carrying

529

00:27:06,570 --> 00:27:04,170

something some flowers or something and

530

00:27:08,520 --> 00:27:06,580

they grabbed it from her and they they

531

00:27:15,000 --> 00:27:08,530

were like humans completely human rip

532

00:27:17,310 --> 00:27:15,010

terrific ripped her stockings yeah she

533

00:27:19,410 --> 00:27:17,320

was carrying flowers and some stockings

534

00:27:21,300 --> 00:27:19,420

that she had just taken off of the wash

535

00:27:23,310 --> 00:27:21,310

I mean if you could have you come to

536

00:27:24,870 --> 00:27:23,320

visit earth from million miles away what

537

00:27:28,890 --> 00:27:24,880

he why are you gonna steal somebody

538

00:27:30,900 --> 00:27:28,900

stuck maybe they thought they were

539

00:27:33,510 --> 00:27:30,910

plants because she was carrying plants

540

00:27:34,830 --> 00:27:33,520

as well yeah well and that's you know

541

00:27:36,270 --> 00:27:34,840

that's that's what the other thing you

542

00:27:40,370 --> 00:27:36,280

know you talk about how a lot of these

543

00:27:44,300 --> 00:27:40,380

cases do seem to be borderline absurd is

544

00:27:48,060 --> 00:27:44,310

that you know how many soil samples and

545

00:27:50,880 --> 00:27:48,070

plants can these guys gather I mean it

546

00:27:53,640 --> 00:27:50,890

seems like every other of these cases

547

00:27:55,560 --> 00:27:53,650

you know the ship lands or you know the

548

00:27:57,300 --> 00:27:55,570

the little guys get out they get some

549

00:28:01,350 --> 00:27:57,310

plants get some soil go back and fly

550

00:28:04,710 --> 00:28:01,360

away you know I mean you you should run

551
00:28:08,240 --> 00:28:04,720
a program to see how many of these cases

552
00:28:10,920 --> 00:28:08,250
actually have that same kind of scenario

553
00:28:11,690 --> 00:28:10,930
maybe they they're all you know

554
00:28:13,820 --> 00:28:11,700
different nail

555
00:28:16,399 --> 00:28:13,830
got different paths to perform in

556
00:28:18,110 --> 00:28:16,409
different places let's get a group of

557
00:28:21,019 --> 00:28:18,120
video okay you've got to do this and you

558
00:28:23,440 --> 00:28:21,029
do that and you you you group go pick up

559
00:28:26,659 --> 00:28:23,450
some plans you pick up some dirt and you

560
00:28:29,720 --> 00:28:26,669
abduct somebody I don't know there's got

561
00:28:36,019 --> 00:28:29,730
to be a reason and you get the old lady

562
00:28:39,320 --> 00:28:36,029
stocking yeah well okay that's that's

563
00:28:44,419 --> 00:28:39,330

one of the other points is that a lot of

564

00:28:51,230 --> 00:28:44,429

these cases seemed to come in waves you

565

00:28:53,509 --> 00:28:51,240

have the the French 1954 incidents where

566

00:28:55,549 --> 00:28:53,519

you know it seemed like every night for

567

00:28:59,810 --> 00:28:55,559

you know a couple of months you know

568

00:29:07,240 --> 00:28:59,820

there people were seeing UFO beans was a

569

00:29:11,930 --> 00:29:09,620

and you know I mean of course if there's

570

00:29:13,669 --> 00:29:11,940

you know there's a smattering of cases

571

00:29:16,610 --> 00:29:13,679

you know in between these times but

572

00:29:19,850 --> 00:29:16,620

they're there there does seem to be you

573

00:29:22,850 --> 00:29:19,860

know like we have UFO sighting flaps

574

00:29:25,370 --> 00:29:22,860

there also seems to be flaps of occupant

575

00:29:27,500 --> 00:29:25,380

sightings yeah definitely

576

00:29:32,029 --> 00:29:27,510

the biggest one of course the one in

577

00:29:33,860 --> 00:29:32,039

Italy 54 and in Canada like you said you

578

00:29:35,480 --> 00:29:33,870

pointed out 68 oh it's not too

579

00:29:38,120 --> 00:29:35,490

well-known but there there were a whole

580

00:29:40,759 --> 00:29:38,130

bunch of occupant sightings there Muslim

581

00:29:45,710 --> 00:29:40,769

and Quebec and the province of Quebec

582

00:29:48,620 --> 00:29:45,720

now also in in Argentina a huge way well

583

00:29:51,830 --> 00:29:48,630

also in 68 bunch of occupants there

584

00:29:55,669 --> 00:29:51,840

Spain 1968 also a bunch of occupant

585

00:29:59,360 --> 00:29:55,679

sighting and he seems like like 68 was

586

00:30:02,419 --> 00:29:59,370

like a a wave here a bunch of places but

587

00:30:05,509 --> 00:30:02,429

not too well-known like the year 67 or

588

00:30:11,870 --> 00:30:05,519

66 which seems to have been a worldwide

589

00:30:16,190 --> 00:30:11,880

thing so has there has there been has

590

00:30:20,180 --> 00:30:16,200

there been any recent wave like activity

591

00:30:21,889 --> 00:30:20,190

I mean I really can't I'm just thinking

592

00:30:23,360 --> 00:30:21,899

more along the lines of the United

593

00:30:24,980 --> 00:30:23,370

States and I know that you know

594

00:30:25,250 --> 00:30:24,990

worldwide there's arcades but it is

595

00:30:28,310 --> 00:30:25,260

there

596

00:30:30,800 --> 00:30:28,320

in a recent flap activity that you can

597

00:30:33,560 --> 00:30:30,810

think of not just in the US but anywhere

598

00:30:40,160 --> 00:30:33,570

in the world the elated that I could

599

00:30:43,370 --> 00:30:40,170

think of Spain and 2012 the beginning

600

00:30:45,140 --> 00:30:43,380

towards the middle may be May June there

601
00:30:47,270 --> 00:30:45,150
were a lot of encounters and several

602
00:30:53,020 --> 00:30:47,280
humanoid encounters interesting that's

603
00:30:56,330 --> 00:30:53,030
to liken you know what localised way

604
00:30:59,900 --> 00:30:56,340
after that you know we have the normal

605
00:31:02,840 --> 00:30:59,910
sight in here in there and sometimes it

606
00:31:06,100 --> 00:31:02,850
gets a little busy but I haven't really

607
00:31:10,820 --> 00:31:06,110
lately notice any specific waves

608
00:31:12,140 --> 00:31:10,830
now you mentioned in the way you wrote a

609
00:31:15,440 --> 00:31:12,150
chapter for this book that we just

610
00:31:19,040 --> 00:31:15,450
recently public publish UFOs deja vu and

611
00:31:22,940 --> 00:31:19,050
you had a an interesting that concept

612
00:31:27,020 --> 00:31:22,950
you picked a series instead of one area

613
00:31:30,830 --> 00:31:27,030

where UFOs are repeated over and over

614

00:31:33,230 --> 00:31:30,840

you picked a specific date date which I

615

00:31:37,490 --> 00:31:33,240

think was June 28th was it Albert where

616

00:31:41,320 --> 00:31:37,500

there were dozens sightings or so are

617

00:31:45,650 --> 00:31:41,330

there patterns like that sometimes the

618

00:31:47,990 --> 00:31:45,660

that one was released I got that yeah

619

00:31:50,810 --> 00:31:48,000

you know I I took down one as an example

620

00:31:53,090 --> 00:31:50,820

because all the weird stuff that

621

00:31:57,050 --> 00:31:53,100

happened on that day especially that the

622

00:32:00,230 --> 00:31:57,060

poor Rican aircraft I was abducted in

623

00:32:03,050 --> 00:32:00,240

mid-flight very similar to the

624

00:32:04,640 --> 00:32:03,060

Australian guy Bela Valenta CH they were

625

00:32:07,520 --> 00:32:04,650

approached by a UFO and they couldn't

626
00:32:11,060 --> 00:32:07,530
moved it they kept calling saying that

627
00:32:12,830 --> 00:32:11,070
the there's any any air any aircraft in

628
00:32:14,960 --> 00:32:12,840
that area there's an aircraft that we

629
00:32:17,300 --> 00:32:14,970
cannot identify in front of us and it

630
00:32:18,310 --> 00:32:17,310
doesn't let us pass now these guys were

631
00:32:21,560 --> 00:32:18,320
heard from again

632
00:32:23,960 --> 00:32:21,570
and then there was like three or four

633
00:32:28,070 --> 00:32:23,970
abductions and Close Encounters in

634
00:32:29,840 --> 00:32:28,080
Argentina on that same same day it's

635
00:32:31,490 --> 00:32:29,850
really hard to find a pattern when it

636
00:32:33,920 --> 00:32:31,500
comes to de-spawn when I when I look

637
00:32:36,290 --> 00:32:33,930
through my files like sometimes I see a

638
00:32:37,460 --> 00:32:36,300

date that pops up like five or six

639

00:32:41,240 --> 00:32:37,470

encounters

640

00:32:42,830 --> 00:32:41,250

you know the date and a years which is

641

00:32:45,080 --> 00:32:42,840

interesting maybe next time I'm gonna

642

00:32:48,740 --> 00:32:45,090

see if I write some kind of article

643

00:32:50,740 --> 00:32:48,750

include a lot of little states of course

644

00:32:56,149 --> 00:32:50,750

back in October

645

00:32:58,730 --> 00:32:56,159

73 in the US I think October 16 or 17

646

00:33:01,220 --> 00:32:58,740

there were dozens of incidents between

647

00:33:03,770 --> 00:33:01,230

the 16 and the 17th in between there

648

00:33:06,020 --> 00:33:03,780

Pascagoula and a bunch of different ones

649

00:33:08,870 --> 00:33:06,030

which were they know the atom I want you

650

00:33:10,039 --> 00:33:08,880

occupant sightings to and I don't know

651
00:33:11,870 --> 00:33:10,049
why don't happen

652
00:33:14,899 --> 00:33:11,880
maybe there's a portal that opens

653
00:33:19,909 --> 00:33:14,909
somehow or then close it up again who

654
00:33:22,850 --> 00:33:19,919
knows well that's the UH that's the

655
00:33:26,690 --> 00:33:22,860
interesting thing as well is that you

656
00:33:31,310 --> 00:33:26,700
you have all of these cases throughout

657
00:33:34,159 --> 00:33:31,320
the world that never get any publicity

658
00:33:36,320 --> 00:33:34,169
you know the the the witnesses are very

659
00:33:40,360 --> 00:33:36,330
reluctant naturally to talk about their

660
00:33:46,490 --> 00:33:40,370
sightings and especially would you have

661
00:33:51,500 --> 00:33:46,500
locations just really in a very isolated

662
00:33:54,529 --> 00:33:51,510
type of communities how similar these

663
00:33:57,860 --> 00:33:54,539

cases are and yet they're coming from

664

00:34:00,770 --> 00:33:57,870

people who have no prior knowledge of

665

00:34:02,510 --> 00:34:00,780

this of this phenomena that's that's

666

00:34:04,580 --> 00:34:02,520

very true that's one of the most

667

00:34:07,700 --> 00:34:04,590

interesting things that I I find when I

668

00:34:10,520 --> 00:34:07,710

do quarterly cases here and there you go

669

00:34:12,680 --> 00:34:10,530

wow you know this is this guy reported

670

00:34:17,119 --> 00:34:12,690

it's this type of alien in the Ukraine

671

00:34:17,720 --> 00:34:17,129

in 1989 and then in 1992 and Chile or

672

00:34:19,909 --> 00:34:17,730

Argentina

673

00:34:24,099 --> 00:34:19,919

almost the same type of alien almost the

674

00:34:28,369 --> 00:34:24,109

same type of incident I see a lot of

675

00:34:30,079 --> 00:34:28,379

connections like that right now I'm have

676

00:34:33,050 --> 00:34:30,089

a stack of papers I got I had I'm

677

00:34:36,470 --> 00:34:33,060

tranced yes translated I hope bunch of

678

00:34:38,300 --> 00:34:36,480

cases from the Czech Republic and I'm

679

00:34:40,609 --> 00:34:38,310

talking 92-93

680

00:34:44,000 --> 00:34:40,619

there were many cases there I mean we

681

00:34:47,359 --> 00:34:44,010

never we never heard about that I'm 91

682

00:34:48,600 --> 00:34:47,369

through 93 94 hundreds of cases and

683

00:34:51,210 --> 00:34:48,610

dozens of

684

00:34:51,870 --> 00:34:51,220

humanoid encounters I'm working on that

685

00:34:54,450 --> 00:34:51,880

McGee

686

00:35:00,240 --> 00:34:54,460

one of these days I could put it out to

687

00:35:03,000 --> 00:35:00,250

the pony Wow and who who submitted these

688

00:35:04,770 --> 00:35:03,010

to you it's a book book written and

689

00:35:07,050 --> 00:35:04,780

there's not one bunch of books that are

690

00:35:10,290 --> 00:35:07,060

written by UFOs in different countries

691

00:35:15,090 --> 00:35:10,300

we never we never here know the author I

692

00:35:16,770 --> 00:35:15,100

contacted her and I thought am I want to

693

00:35:19,140 --> 00:35:16,780

do an exchange I'll send you a couple my

694

00:35:20,730 --> 00:35:19,150

PDF copies of my book

695

00:35:26,850 --> 00:35:20,740

she says no problem that you send me a

696

00:35:32,820 --> 00:35:26,860

PDF copy over the book and yeah well we

697

00:35:35,250 --> 00:35:32,830

have a publisher in Hungary who has

698

00:35:39,170 --> 00:35:35,260

published some of our translators some

699

00:35:42,330 --> 00:35:39,180

more books over there and has books on

700

00:35:44,730 --> 00:35:42,340

UFOs a little bit of conspiracy a little

701

00:35:48,990 --> 00:35:44,740

bit of tesslar a little bit of cultism

702

00:35:51,150 --> 00:35:49,000

but throws in the UFOs is a as well I

703

00:35:53,310 --> 00:35:51,160

mean there isn't a country that you can

704

00:35:56,100 --> 00:35:53,320

think of I don't know if there's a

705

00:35:57,450 --> 00:35:56,110

country at all at all that exists on the

706

00:36:02,910 --> 00:35:57,460

face of this planet where there haven't

707

00:36:05,070 --> 00:36:02,920

been UFO reports now maybe they're in

708

00:36:08,160 --> 00:36:05,080

their own local dialect they may be

709

00:36:11,700 --> 00:36:08,170

known as something else besides Omni or

710

00:36:13,710 --> 00:36:11,710

or UFOs or flying saucers or or

711

00:36:16,110 --> 00:36:13,720

what-have-you maybe we don't even know

712

00:36:17,640 --> 00:36:16,120

what they're referring to but I don't

713

00:36:24,620 --> 00:36:17,650

know can you think of any place where

714

00:36:29,790 --> 00:36:24,630

there haven't been humanoid reports I

715

00:36:32,910 --> 00:36:29,800

can I don't places like in some of the

716

00:36:36,050 --> 00:36:32,920

African countries not North Africa I'm

717

00:36:38,550 --> 00:36:36,060

talking about Central Africa Congo that

718

00:36:41,330 --> 00:36:38,560

area there for some reason there's a lot

719

00:36:44,850 --> 00:36:41,340

of lack of information there from

720

00:36:46,050 --> 00:36:44,860

humanoid cases there had been and I'm

721

00:36:48,990 --> 00:36:46,060

saying they have nothing but under very

722

00:36:53,820 --> 00:36:49,000

few very little information

723

00:36:56,670 --> 00:36:53,830

I know cases from Angola Mozambique that

724

00:36:59,790 --> 00:36:56,680

area there of course South Africa has a

725

00:37:02,510 --> 00:36:59,800

bunch of cases oh yes you go north and

726

00:37:05,309 --> 00:37:02,520

there's cases in Morocco we

727

00:37:08,460 --> 00:37:05,319

I'm in her domain in Libya butter I know

728

00:37:11,039 --> 00:37:08,470

there's some Algeria but African seems

729

00:37:13,890 --> 00:37:11,049

to be not that many cases but then we go

730

00:37:15,420 --> 00:37:13,900

to Southeast Asia there are places where

731

00:37:19,609 --> 00:37:15,430

they're incredible model cases like

732

00:37:23,010 --> 00:37:19,619

Phillip Philippines Indonesia Malaysia

733

00:37:24,120 --> 00:37:23,020

Japan maybe not incredible Imam but

734

00:37:29,299 --> 00:37:24,130

there have been cases there but then you

735

00:37:32,010 --> 00:37:29,309

in Thailand let's say Thailand Burma

736

00:37:33,000 --> 00:37:32,020

what does it go they have a different

737

00:37:39,240 --> 00:37:33,010

name of Burma

738

00:37:41,150 --> 00:37:39,250

I can't having fun any cases there now

739

00:37:45,990 --> 00:37:41,160

one of the at one of the aspects that

740

00:37:49,859 --> 00:37:46,000

also interests me about all of this is a

741

00:37:54,359 --> 00:37:49,869

lot of these cases seem to be staged

742

00:37:56,099 --> 00:37:54,369

almost that the the incidents happen

743

00:37:59,490 --> 00:37:56,109

almost for the benefit of the witnesses

744

00:38:01,230 --> 00:37:59,500

I mean how many how many cases do you

745

00:38:03,779 --> 00:38:01,240

know do you have where somebody's

746

00:38:05,430 --> 00:38:03,789

driving along and the UFO comes down

747

00:38:08,849 --> 00:38:05,440

lambs right in the middle of the road

748

00:38:11,099 --> 00:38:08,859

and you know the occupants get out do

749

00:38:13,410 --> 00:38:11,109

whatever they do then and then fly away

750

00:38:16,769 --> 00:38:13,420

you would think that if you're dealing

751

00:38:19,500 --> 00:38:16,779

with an extraterrestrial intelligence

752

00:38:21,720 --> 00:38:19,510

they would try to you know find the most

753

00:38:24,299 --> 00:38:21,730

secluded spots well riding it in the

754

00:38:27,109 --> 00:38:24,309

middle of the highway doesn't seem to be

755

00:38:29,880 --> 00:38:27,119

too too secluded to me

756

00:38:31,470 --> 00:38:29,890

no it's sometimes it's like maybe they

757

00:38:34,109 --> 00:38:31,480

wanna it's like they want to be known

758

00:38:36,690 --> 00:38:34,119

especially specifically to that person

759

00:38:38,730 --> 00:38:36,700

or to that witness witnesses and they

760

00:38:41,549 --> 00:38:38,740

they'll and like you said do what I have

761

00:38:44,760 --> 00:38:41,559

to do then they leave and then they're

762

00:38:48,180 --> 00:38:44,770

left with Wileman I don't know like

763

00:38:50,400 --> 00:38:48,190

saying here this is what we do and who

764

00:38:52,529 --> 00:38:50,410

we are you take it from there

765

00:38:54,390 --> 00:38:52,539

well and some and some of these

766

00:38:56,039 --> 00:38:54,400

occupants have actually you know told

767

00:38:59,970 --> 00:38:56,049

the witnesses that is like hey you know

768

00:39:03,390 --> 00:38:59,980

we you know we landed because you were

769

00:39:06,690 --> 00:39:03,400

here and we wanted to reveal ourselves

770

00:39:09,240 --> 00:39:06,700

to you specifically there's actually

771

00:39:11,160 --> 00:39:09,250

been some cases that I read that there's

772

00:39:13,380 --> 00:39:11,170

been three people together and two of

773

00:39:15,660 --> 00:39:13,390

them only see the object

774

00:39:19,110 --> 00:39:15,670

a UFO and one of them doesn't see

775

00:39:20,640 --> 00:39:19,120

anything they were like concentrated on

776

00:39:23,010 --> 00:39:20,650

those two people and the third one

777

00:39:26,790 --> 00:39:23,020

doesn't seem that's happening some

778

00:39:29,190 --> 00:39:26,800

several times Wow now okay now that's

779

00:39:31,890 --> 00:39:29,200

that that's an interesting aspect of the

780

00:39:34,950 --> 00:39:31,900

phenomena I like it's like the third

781

00:39:37,500 --> 00:39:34,960

person is like completely closed off and

782

00:39:39,840 --> 00:39:37,510

they don't they don't see anything oh

783

00:39:42,110 --> 00:39:39,850

they see something that completely

784

00:39:45,420 --> 00:39:42,120

different from what the other two see

785

00:39:45,780 --> 00:39:45,430

cases like that reminds me and I can't

786

00:39:50,150 --> 00:39:45,790

remember

787

00:39:55,080 --> 00:39:50,160

you know maybe in South America where

788

00:39:57,300 --> 00:39:55,090

like several people in a car had had an

789

00:40:01,380 --> 00:39:57,310

experience and I think it was the driver

790

00:40:03,810 --> 00:40:01,390

said that you know there was a UFO and

791

00:40:06,780 --> 00:40:03,820

it landed and they were people coming

792

00:40:12,330 --> 00:40:06,790

out but then the other people in the car

793

00:40:15,450 --> 00:40:12,340

saw only a bus I heard about that yet in

794

00:40:19,740 --> 00:40:15,460

Brazil I think and I don't remember the

795

00:40:25,140 --> 00:40:19,750

details but yeah I heard about them so

796

00:40:29,160 --> 00:40:25,150

now as well as people seen occupants

797

00:40:33,090 --> 00:40:29,170

coming out of UFOs you've recorded a

798

00:40:39,930 --> 00:40:33,100

number of cases of people seen not only

799

00:40:43,260 --> 00:40:39,940

just like single humanoids flying around

800

00:40:46,820 --> 00:40:43,270

in the sky but also like almost like

801
00:40:51,300 --> 00:40:46,830
futuristic cars and motorcycles that

802
00:40:53,370 --> 00:40:51,310
people have come across yeah any cases

803
00:40:56,220 --> 00:40:53,380
like I call them cosmic cars I wrote a

804
00:40:58,710 --> 00:40:56,230
little article and that it's like people

805
00:41:02,610 --> 00:40:58,720
had seen this is a and a lot of all over

806
00:41:04,200 --> 00:41:02,620
the world actually people have seen what

807
00:41:07,530 --> 00:41:04,210
they think is like a really modern

808
00:41:09,030 --> 00:41:07,540
looking car and they they look at it

809
00:41:10,560 --> 00:41:09,040
closely or they approach it it doesn't

810
00:41:13,770 --> 00:41:10,570
have any wheels and it's floating right

811
00:41:15,930 --> 00:41:13,780
around above the ground or something

812
00:41:18,420 --> 00:41:15,940
that looks like a motorcycle but it's

813
00:41:21,330 --> 00:41:18,430

both flights through the air levitate

814

00:41:23,460 --> 00:41:21,340

over the ground or even some kind of

815

00:41:26,630 --> 00:41:23,470

people have been reported that some

816

00:41:30,680 --> 00:41:26,640

they've been taken in Iceland

817

00:41:32,950 --> 00:41:30,690

a car which inside was much bigger or

818

00:41:36,800 --> 00:41:32,960

larger than what it looked from I know

819

00:41:39,520 --> 00:41:36,810

from the outside by bike people

820

00:41:43,220 --> 00:41:39,530

you know like doctor who's TARDIS yeah

821

00:41:47,120 --> 00:41:43,230

remember yeah we had the case down in a

822

00:41:52,400 --> 00:41:47,130

Kingman Arizona where the aliens were

823

00:41:56,500 --> 00:41:52,410

were put in the in the basement cell of

824

00:41:59,270 --> 00:41:56,510

the the jail for safekeeping and finally

825

00:42:01,100 --> 00:41:59,280

someone came in and picked him up

826
00:42:06,110 --> 00:42:01,110
because apparently they were injured and

827
00:42:08,210 --> 00:42:06,120
it was a strange looking ambulance and

828
00:42:09,910 --> 00:42:08,220
and of course nobody could ever track

829
00:42:15,200 --> 00:42:09,920
down the ambulance it just kind of

830
00:42:16,790 --> 00:42:15,210
disappeared into a time and space well I

831
00:42:21,380 --> 00:42:16,800
think it was the the local sheriff who

832
00:42:24,850 --> 00:42:21,390
made that report it was in the newspaper

833
00:42:26,950 --> 00:42:24,860
too and had it described on the air

834
00:42:33,100 --> 00:42:26,960
several times

835
00:42:39,050 --> 00:42:35,390
that's this case who's got some weird

836
00:42:44,840 --> 00:42:39,060
stuff going on down there and Kingman

837
00:42:49,160 --> 00:42:44,850
now would you say that one okay so

838
00:42:52,190 --> 00:42:49,170

you've got the flap in in 73 we've got

839

00:42:56,570 --> 00:42:52,200

the flap in 54 you've got a lot of flaps

840

00:43:01,250 --> 00:42:56,580

down and South America over the years

841

00:43:04,520 --> 00:43:01,260

but those there seem to be cases where

842

00:43:07,310 --> 00:43:04,530

the aliens are the same or does it seem

843

00:43:10,400 --> 00:43:07,320

that they're pretty well random like if

844

00:43:13,850 --> 00:43:10,410

you get a flap going on in the in Italy

845

00:43:15,320 --> 00:43:13,860

and in a certain year even though it may

846

00:43:18,440 --> 00:43:15,330

be a highly-concentrated

847

00:43:21,500 --> 00:43:18,450

flap even in the same area it isn't like

848

00:43:23,980 --> 00:43:21,510

the these beings all look the the same

849

00:43:27,740 --> 00:43:23,990

or came out of the the same craft

850

00:43:30,890 --> 00:43:27,750

entrance lien you know interestingly the

851
00:43:34,610 --> 00:43:30,900
we mentioned Italy 1978 that was a huge

852
00:43:38,900 --> 00:43:34,620
flap here dozens of humanoid encounters

853
00:43:40,020 --> 00:43:38,910
and I'm looking through the I have a

854
00:43:43,680 --> 00:43:40,030
book on them

855
00:43:45,390 --> 00:43:43,690
Meddy year in Italy and basically most

856
00:43:48,570 --> 00:43:45,400
of the alien were different although

857
00:43:51,570 --> 00:43:48,580
there were none that resemble one or the

858
00:43:53,850 --> 00:43:51,580
other they were you know some were small

859
00:43:57,660 --> 00:43:53,860
but they were different larger heads or

860
00:43:59,430 --> 00:43:57,670
whatever which which pretty bizarre some

861
00:44:02,670 --> 00:43:59,440
were human looking and then they have

862
00:44:05,250 --> 00:44:02,680
that security guard Sam Freddie Sam

863
00:44:08,220 --> 00:44:05,260

freighter that was abducted but giant

864

00:44:11,910 --> 00:44:08,230

type the Tilian type creature in Italy

865

00:44:14,310 --> 00:44:11,920

this all happened in 78 another places

866

00:44:18,150 --> 00:44:14,320

like Argentina there was a flap in 1980

867

00:44:20,850 --> 00:44:18,160

which they saw several aliens but

868

00:44:24,210 --> 00:44:20,860

basically they look the same they had

869

00:44:28,650 --> 00:44:24,220

the same kind of diverse suit you know

870

00:44:32,850 --> 00:44:28,660

and thing couple helmet no not really do

871

00:44:37,140 --> 00:44:32,860

they do they speak a seeming intelligent

872

00:44:41,100 --> 00:44:37,150

language in in some of these cases or is

873

00:44:42,870 --> 00:44:41,110

it all grunts and groans well there have

874

00:44:45,870 --> 00:44:42,880

been cases like that like drunken groans

875

00:44:49,020 --> 00:44:45,880

like you know like the brazilian guy

876

00:44:52,260 --> 00:44:49,030

bails villas-boas back in 37 but there's

877

00:44:54,750 --> 00:44:52,270

people that hurt has heard language that

878

00:44:56,640 --> 00:44:54,760

sounds coherent but of course they can't

879

00:44:59,160 --> 00:44:56,650

understand it some kind of strange

880

00:45:00,990 --> 00:44:59,170

language that never heard but but sounds

881

00:45:03,600 --> 00:45:01,000

coherent I think they're speaking

882

00:45:07,290 --> 00:45:03,610

amongst each other and then some kind of

883

00:45:11,250 --> 00:45:07,300

language oh and of course never mind

884

00:45:13,920 --> 00:45:11,260

never mind the the the short guys and

885

00:45:17,340 --> 00:45:13,930

the hairy guys and the Mitchell and the

886

00:45:22,910 --> 00:45:17,350

tire guys we've also got robots even

887

00:45:27,480 --> 00:45:22,920

even some things that look like tin cans

888

00:45:29,880 --> 00:45:27,490

it's like it's an unbelievable amount of

889

00:45:32,670 --> 00:45:29,890

type of different of entities that have

890

00:45:35,370 --> 00:45:32,680

been absurd you know the that pin can

891

00:45:37,440 --> 00:45:35,380

thing that was in 65 in Minnesota if I

892

00:45:39,300 --> 00:45:37,450

remember correctly but there have been

893

00:45:42,210 --> 00:45:39,310

other incidents with people had reported

894

00:45:44,000 --> 00:45:42,220

robot type creatures like in Spain has

895

00:45:47,850 --> 00:45:44,010

been several interesting cases like that

896

00:45:49,440 --> 00:45:47,860

either and poor Rico Puerto Rico gets

897

00:45:51,300 --> 00:45:49,450

crazy down there with a notice that

898

00:45:53,780 --> 00:45:51,310

there's kind of a flap going on now

899

00:45:56,970 --> 00:45:53,790

that you mention it and Puerto Rico

900

00:46:01,080 --> 00:45:56,980

started the day of the year when they

901
00:46:03,810 --> 00:46:01,090
had the earthquake down there and the

902
00:46:06,600 --> 00:46:03,820
researchers [h__h] had Martine contacted

903
00:46:10,830 --> 00:46:06,610
me on that the day after the earthquake

904
00:46:12,630 --> 00:46:10,840
after that has been up to now a huge

905
00:46:15,630 --> 00:46:12,640
flat and he's writing something on it

906
00:46:20,760 --> 00:46:15,640
that hopefully you well I I see actually

907
00:46:24,480 --> 00:46:20,770
that there is a Skype communications

908
00:46:27,840 --> 00:46:24,490
from him just like two weeks ago and I

909
00:46:29,790 --> 00:46:27,850
