

EXPLORING THE BIZARRE

JIM WILLIS

TIM BECKLEY

TIM SWARTZ

1
00:00:00,140 --> 00:00:14,910

[Music]

2
00:00:14,920 --> 00:00:21,830

um

3
00:00:21,840 --> 00:00:32,549

[Music]

4
00:00:36,630 --> 00:00:35,270

now your electrifying hosts of exploring

5
00:00:42,950 --> 00:00:36,640

the bazaar

6
00:00:47,430 --> 00:00:45,830

me to the schwartz and let me play among

7
00:00:51,189 --> 00:00:47,440

the stars

8
00:00:51,670 --> 00:00:51,199

let me see what's going on on jupiter

9
00:00:55,990 --> 00:00:51,680

and

10
00:00:59,110 --> 00:00:56,000
mars well tim you're in a strange

11
00:01:00,069 --> 00:00:59,120
mood tonight why are we outdoors looking

12
00:01:03,750 --> 00:01:00,079
up at the stars

13
00:01:07,109 --> 00:01:03,760

is this uh another ufo sky watch

14

00:01:08,230 --> 00:01:07,119

oh no i'm hoping to get a glimpse of our

15

00:01:11,350 --> 00:01:08,240

guest tonight

16

00:01:12,789 --> 00:01:11,360

i hear he may be on one of his astral

17

00:01:16,390 --> 00:01:12,799

voyages and i thought

18

00:01:18,950 --> 00:01:16,400

we might see him floating by

19

00:01:20,149 --> 00:01:18,960

oh okay but i don't know if that's

20

00:01:22,630 --> 00:01:20,159

possible i think

21

00:01:23,670 --> 00:01:22,640

don't you become invisible while uh

22

00:01:28,630 --> 00:01:23,680

you're in your uh

23

00:01:31,429 --> 00:01:28,640

astral body i'm not so sure about that

24

00:01:34,310 --> 00:01:31,439

our friend maria the shaman says she's

25

00:01:37,510 --> 00:01:34,320

seen all kinds of creatures and beings

26

00:01:40,230 --> 00:01:37,520

floating by when a portal or gateway

27

00:01:41,109 --> 00:01:40,240

opens it can be really strange really

28

00:01:47,749 --> 00:01:41,119

weird

29

00:01:53,270 --> 00:01:49,990

look here comes one of those creatures

30

00:01:56,950 --> 00:01:55,270

okay well this one doesn't look very

31

00:01:59,670 --> 00:01:56,960

friendly so

32

00:02:00,389 --> 00:01:59,680

get get so i suggest we get back to the

33

00:02:02,789 --> 00:02:00,399

kcr

34

00:02:03,590 --> 00:02:02,799

studios and hide under our broadcast

35

00:02:07,670 --> 00:02:03,600

desks

36

00:02:08,309 --> 00:02:07,680

get out of here if we concentrate hard

37

00:02:11,550 --> 00:02:08,319

enough

38

00:02:12,790 --> 00:02:11,560

maybe we can make him dissolve

39

00:02:19,830 --> 00:02:12,800

abracadabra

40

00:02:26,949 --> 00:02:22,309

i think we're as a world we're all

41

00:02:30,790 --> 00:02:28,949

well and and tim this is the perfect

42

00:02:31,110 --> 00:02:30,800

opportunity i guess to get out there

43

00:02:36,390 --> 00:02:31,120

that

44

00:02:43,830 --> 00:02:36,400

for sale

45

00:02:48,309 --> 00:02:46,869

yeah i've got about 15 cans of

46

00:02:52,630 --> 00:02:48,319

spaghettios

47

00:02:56,470 --> 00:02:52,640

and a beef stew in in a can

48

00:02:57,750 --> 00:02:56,480

and uh enough hot dog and hamburger

49

00:03:00,869 --> 00:02:57,760

rolls to

50

00:03:04,470 --> 00:03:00,879

uh last for a while i figure

51

00:03:06,630 --> 00:03:04,480

we'll have a fourth of july party

52

00:03:08,229 --> 00:03:06,640

okay well i've i've got the hot dogs and

53

00:03:11,509 --> 00:03:08,239

uh and hamburger so

54

00:03:13,910 --> 00:03:11,519

uh maybe uh maybe jim can uh provide the

55

00:03:17,190 --> 00:03:13,920

barbecue and some uh charcoal we'll have

56

00:03:19,190 --> 00:03:17,200

to conduct it all over uh skype though

57

00:03:21,589 --> 00:03:19,200

well you know i never want to see

58

00:03:25,589 --> 00:03:21,599

another hot dog again

59

00:03:27,270 --> 00:03:25,599

i am so tired i hadn't had a hot dog

60

00:03:29,350 --> 00:03:27,280

maybe twice a year

61

00:03:30,390 --> 00:03:29,360

and then when i had to start doing a

62

00:03:34,309 --> 00:03:30,400

little cooking

63

00:03:36,470 --> 00:03:34,319

for myself all i have is a microwave

64

00:03:38,470 --> 00:03:36,480

i seem to have stocked up on hot dogs

65

00:03:41,030 --> 00:03:38,480

because they do come in all kinds of

66

00:03:42,470 --> 00:03:41,040

flavors and hot and spicy and this and

67

00:03:46,550 --> 00:03:42,480

that and

68

00:03:49,670 --> 00:03:46,560

turkey and pork and beef and god knows

69

00:03:51,990 --> 00:03:49,680

what one brand even with cheese inside

70

00:03:55,589 --> 00:03:52,000

the hot dog which was a total waste

71

00:03:57,149 --> 00:03:55,599

uh but i i just grew a dislike for hot

72

00:04:01,030 --> 00:03:57,159

dogs now i

73

00:04:03,589 --> 00:04:01,040

i'm over that i would like an outback

74

00:04:04,470 --> 00:04:03,599

stake and they advertise that they

75

00:04:07,830 --> 00:04:04,480

deliver

76

00:04:08,550 --> 00:04:07,840

but it ain't true i'm like six blocks

77

00:04:10,470 --> 00:04:08,560

away

78

00:04:11,830 --> 00:04:10,480

and they won't deliver because it's too

79

00:04:14,149 --> 00:04:11,840

far away i

80

00:04:15,990 --> 00:04:14,159

they're in australia i i mean they can

81

00:04:16,550 --> 00:04:16,000

come here and set up shop but uh they

82

00:04:19,349 --> 00:04:16,560

can't

83

00:04:20,390 --> 00:04:19,359

deliver uh steak and broccoli a couple

84

00:04:23,270 --> 00:04:20,400

blocks away

85

00:04:25,430 --> 00:04:23,280

so i find that very misleading but

86

00:04:28,950 --> 00:04:25,440

anyway we're not here to talk about

87

00:04:32,390 --> 00:04:28,960

food necessarily although i am

88

00:04:33,270 --> 00:04:32,400

i you know it is something to rejoice

89

00:04:35,270 --> 00:04:33,280

about that

90

00:04:36,790 --> 00:04:35,280

but there's nothing else to do actually

91

00:04:40,870 --> 00:04:36,800

sleep and eat food and

92

00:04:44,550 --> 00:04:40,880

watch i'm watching on i think it's a

93

00:04:47,590 --> 00:04:44,560

netflix uh ozark which is a very good

94

00:04:49,830 --> 00:04:47,600

uh series i guess they're in the uh into

95

00:04:53,030 --> 00:04:49,840

three seasons i'm only up to episode

96

00:04:55,670 --> 00:04:53,040

five but it's uh flowing very nicely i

97

00:04:56,790 --> 00:04:55,680

kind of recommend that but anyway let us

98

00:05:00,070 --> 00:04:56,800

get on

99

00:05:02,390 --> 00:05:00,080

with the show for the evening

100

00:05:04,790 --> 00:05:02,400

tim what are we talking about tonight

101
00:05:08,070 --> 00:05:04,800
what what's what's our topic and who is

102
00:05:10,790 --> 00:05:08,080
our guest well our guest tonight

103
00:05:11,270 --> 00:05:10,800
and uh i'm i'm just always so happy when

104
00:05:14,070 --> 00:05:11,280
uh

105
00:05:15,670 --> 00:05:14,080
when jim can join us he's been on our

106
00:05:18,310 --> 00:05:15,680
show several times before

107
00:05:20,310 --> 00:05:18,320
let's welcome jim willis returning to

108
00:05:22,230 --> 00:05:20,320
exploring the bazaar and jim tonight

109
00:05:23,830 --> 00:05:22,240
is going to be talking about his new

110
00:05:26,870 --> 00:05:23,840
book the quantum

111
00:05:28,230 --> 00:05:26,880
akashic field now after graduating from

112
00:05:29,830 --> 00:05:28,240
eastman school of music

113
00:05:32,390 --> 00:05:29,840

jim became a high school band and

114

00:05:34,710 --> 00:05:32,400

orchestra teacher during the week and a

115

00:05:37,270 --> 00:05:34,720

symphony trombonist on the weekends

116

00:05:37,990 --> 00:05:37,280

a jazz musician at night and a quarrel

117

00:05:40,230 --> 00:05:38,000

conductor on

118

00:05:41,270 --> 00:05:40,240

sunday mornings now jim is the author of

119

00:05:43,749 --> 00:05:41,280

nine books on

120

00:05:45,830 --> 00:05:43,759

religion and spirituality he's been an

121

00:05:48,070 --> 00:05:45,840

ordained minister for over 40 years

122

00:05:50,230 --> 00:05:48,080

while working part-time as a carpenter

123

00:05:51,110 --> 00:05:50,240

he's been the host of his own drive time

124

00:05:53,430 --> 00:05:51,120

radio show

125

00:05:55,350 --> 00:05:53,440

an arts council director an adjunct

126
00:05:55,990 --> 00:05:55,360
college professor in the fields of world

127
00:05:59,270 --> 00:05:56,000
religion

128
00:06:02,629 --> 00:05:59,280
and instrumental music now jim is

129
00:06:04,469 --> 00:06:02,639
also the author of really some of my

130
00:06:07,189 --> 00:06:04,479
favorite books uh

131
00:06:08,790 --> 00:06:07,199
ancient gods lost histories hidden

132
00:06:10,469 --> 00:06:08,800
truths and the conspiracy of

133
00:06:12,230 --> 00:06:10,479
silence uh the one we're going to be

134
00:06:13,590 --> 00:06:12,240
talking about tonight the quantum

135
00:06:15,670 --> 00:06:13,600
akashic field

136
00:06:17,350 --> 00:06:15,680
a guide to out-of-body experiences for

137
00:06:19,909 --> 00:06:17,360
the astral traveler

138
00:06:20,469 --> 00:06:19,919

and coming up very soon i think it's

139

00:06:22,950 --> 00:06:20,479

going to suppos

140

00:06:25,110 --> 00:06:22,960

it's supposed to come out in may uh

141

00:06:27,510 --> 00:06:25,120

hidden history ancient aliens

142

00:06:28,629 --> 00:06:27,520

and the suppressed origins of

143

00:06:30,790 --> 00:06:28,639

civilization

144

00:06:32,790 --> 00:06:30,800

so jim thanks for being with us once

145

00:06:35,430 --> 00:06:32,800

again on exploring the bazaar

146

00:06:37,110 --> 00:06:35,440

good to be with you both although uh tim

147

00:06:38,790 --> 00:06:37,120

i began to worry when i listened to you

148

00:06:40,550 --> 00:06:38,800

saying fly me to the moon i

149

00:06:45,029 --> 00:06:40,560

i worried a little that you had been

150

00:06:50,070 --> 00:06:48,070

but it's good well

151
00:06:52,070 --> 00:06:50,080
and you're uh we're happy to have you

152
00:06:54,950 --> 00:06:52,080
here but you know before we

153
00:06:56,390 --> 00:06:54,960
start talking about the akashic records

154
00:06:59,029 --> 00:06:56,400
i mean since you

155
00:06:59,430 --> 00:06:59,039
have written and researched into hidden

156
00:07:04,550 --> 00:06:59,440
uh

157
00:07:05,990 --> 00:07:04,560
have there been well we know that

158
00:07:08,790 --> 00:07:06,000
there's been other

159
00:07:09,749 --> 00:07:08,800
epidemics uh of course the last one

160
00:07:11,589 --> 00:07:09,759
being the

161
00:07:13,909 --> 00:07:11,599
spanish fluid i don't know why they've

162
00:07:18,309 --> 00:07:13,919
necessarily blamed it on spain but

163
00:07:21,510 --> 00:07:18,319

that was um 1917 1918.

164

00:07:24,150 --> 00:07:21,520

i i know about that because i was a

165

00:07:25,430 --> 00:07:24,160

editor of a short-lived magazine back in

166

00:07:28,309 --> 00:07:25,440

the 70s called

167

00:07:30,070 --> 00:07:28,319

front page disasters which i actually

168

00:07:32,309 --> 00:07:30,080

enjoyed doing because i learned a lot

169

00:07:34,070 --> 00:07:32,319

about history and a lot about disasters

170

00:07:36,870 --> 00:07:34,080

that i didn't know before

171

00:07:38,550 --> 00:07:36,880

but have there been cases in history

172

00:07:42,550 --> 00:07:38,560

that you know about

173

00:07:45,350 --> 00:07:42,560

where civilizations or groups of people

174

00:07:46,150 --> 00:07:45,360

may have been the white doubt now i i i

175

00:07:49,189 --> 00:07:46,160

think uh

176

00:07:52,390 --> 00:07:49,199

of roanoke in particular where the

177

00:07:55,270 --> 00:07:52,400

settlement totally vanished yeah

178

00:07:56,710 --> 00:07:55,280

yeah yeah you know there uh there have

179

00:07:57,430 --> 00:07:56,720

been a number of times as a matter of

180

00:08:01,189 --> 00:07:57,440

fact

181

00:08:04,950 --> 00:08:01,199

the identity of america really

182

00:08:06,710 --> 00:08:04,960

can be traced back to the europeans when

183

00:08:09,749 --> 00:08:06,720

they first came over here

184

00:08:12,070 --> 00:08:09,759

they came bearing diseases that

185

00:08:12,790 --> 00:08:12,080

the native population simply could not

186

00:08:15,270 --> 00:08:12,800

handle

187

00:08:16,469 --> 00:08:15,280

when the spanish came into florida for

188

00:08:19,749 --> 00:08:16,479

instance

189

00:08:20,150 --> 00:08:19,759

um they brought uh cholera and they

190

00:08:24,629 --> 00:08:20,160

brought

191

00:08:27,749 --> 00:08:24,639

were the indians had no defense

192

00:08:28,749 --> 00:08:27,759

within oh just a matter of a decade or

193

00:08:32,790 --> 00:08:28,759

two

194

00:08:35,829 --> 00:08:32,800

95 of the population

195

00:08:37,990 --> 00:08:35,839

of uh florida the indians had had died

196

00:08:39,029 --> 00:08:38,000

that that's how difficult that's how

197

00:08:41,350 --> 00:08:39,039

tough it was

198

00:08:43,990 --> 00:08:41,360

same thing happened in new england the

199

00:08:47,030 --> 00:08:44,000

europeans came in the english especially

200

00:08:48,470 --> 00:08:47,040

and they came across uh these great open

201
00:08:50,389 --> 00:08:48,480
fields and they thought they were

202
00:08:51,509 --> 00:08:50,399
natural because they were overgrown and

203
00:08:53,030 --> 00:08:51,519
they thought that was the way it was

204
00:08:54,230 --> 00:08:53,040
supposed to be but what actually had

205
00:08:56,389 --> 00:08:54,240
happened was

206
00:08:57,990 --> 00:08:56,399
the early fishermen who came over to the

207
00:08:59,269 --> 00:08:58,000
outer banks when they would put ashore

208
00:09:02,310 --> 00:08:59,279
for supplies

209
00:09:03,829 --> 00:09:02,320
in new england uh cape cod and all the

210
00:09:04,790 --> 00:09:03,839
way up boston and all the way up north

211
00:09:06,630 --> 00:09:04,800
into maine

212
00:09:08,070 --> 00:09:06,640
they brought diseases with them again

213
00:09:11,670 --> 00:09:08,080

and the new england

214

00:09:14,070 --> 00:09:11,680

population of natives just absolutely

215

00:09:15,910 --> 00:09:14,080

it just decimated them just estimated

216

00:09:18,310 --> 00:09:15,920

them a a

217

00:09:20,230 --> 00:09:18,320

really interesting example was the first

218

00:09:22,230 --> 00:09:20,240

european who made it down the amazon

219

00:09:23,910 --> 00:09:22,240

river

220

00:09:25,430 --> 00:09:23,920

it was accidental he didn't mean to do

221

00:09:26,070 --> 00:09:25,440

it but he got stuck and couldn't get

222

00:09:28,870 --> 00:09:26,080

back

223

00:09:29,670 --> 00:09:28,880

and he reported along the way great

224

00:09:35,350 --> 00:09:29,680

villages

225

00:09:37,829 --> 00:09:35,360

with great populations and it was about

226

00:09:39,269 --> 00:09:37,839

50 60 years before anybody followed up

227

00:09:42,389 --> 00:09:39,279

and by the time

228

00:09:43,990 --> 00:09:42,399

they followed up uh they didn't find any

229

00:09:45,190 --> 00:09:44,000

of those civilizations that he was

230

00:09:47,750 --> 00:09:45,200

talking about

231

00:09:49,509 --> 00:09:47,760

uh in the amazon and they began to think

232

00:09:52,710 --> 00:09:49,519

well he just made it all up

233

00:09:56,070 --> 00:09:52,720

but now with the uh advent of the

234

00:09:57,509 --> 00:09:56,080

rain forest being taken down so much

235

00:10:00,389 --> 00:09:57,519

they're discovering

236

00:10:01,110 --> 00:10:00,399

a huge civilization that existed there

237

00:10:03,750 --> 00:10:01,120

and

238

00:10:05,430 --> 00:10:03,760

died within that 50 years of the first

239

00:10:07,590 --> 00:10:05,440

european

240

00:10:09,269 --> 00:10:07,600

contact and it was probably due to

241

00:10:12,470 --> 00:10:09,279

diseases

242

00:10:15,350 --> 00:10:12,480

it was just a real real tough

243

00:10:16,550 --> 00:10:15,360

tough time and i don't think that's

244

00:10:19,750 --> 00:10:16,560

going to necessarily

245

00:10:21,350 --> 00:10:19,760

happen to us but boy it certainly

246

00:10:23,829 --> 00:10:21,360

is enough to make you uh take these

247

00:10:25,509 --> 00:10:23,839

things seriously it's happened before

248

00:10:27,990 --> 00:10:25,519

and uh we're getting an idea that we

249

00:10:29,430 --> 00:10:28,000

aren't quite as in control i think as we

250

00:10:31,829 --> 00:10:29,440

thought we were

251

00:10:32,630 --> 00:10:31,839

well that that's that's for darn sure

252

00:10:35,030 --> 00:10:32,640

but and

253

00:10:36,870 --> 00:10:35,040

now before we get on to the catholic uh

254

00:10:39,269 --> 00:10:36,880

uh records because i know that's

255

00:10:40,630 --> 00:10:39,279

your new book what what about the colony

256

00:10:44,069 --> 00:10:40,640

of roanoke

257

00:10:45,829 --> 00:10:44,079

what god's name happened to those people

258

00:10:47,350 --> 00:10:45,839

but it's hard to tell it's it's one of

259

00:10:49,190 --> 00:10:47,360

the biggest mysteries of american

260

00:10:53,269 --> 00:10:49,200

history they were there

261

00:10:55,190 --> 00:10:53,279

um and when when they uh

262

00:10:56,710 --> 00:10:55,200

you know they they were they were

263

00:10:59,910 --> 00:10:56,720

hurting we knew that

264

00:11:01,509 --> 00:10:59,920

they they really had troubles and they

265

00:11:03,829 --> 00:11:01,519

needed more supplies

266

00:11:04,790 --> 00:11:03,839

and so they sent the ship back but uh

267

00:11:06,710 --> 00:11:04,800

the ship got

268

00:11:08,389 --> 00:11:06,720

got caught in the middle of european

269

00:11:09,509 --> 00:11:08,399

wars and didn't get back for a year and

270

00:11:12,470 --> 00:11:09,519

a half or so

271

00:11:13,190 --> 00:11:12,480

and when they got back to roanoke it was

272

00:11:14,949 --> 00:11:13,200

deserted

273

00:11:17,030 --> 00:11:14,959

and nobody knows to this day what

274

00:11:19,110 --> 00:11:17,040

happened uh i don't think that was

275

00:11:21,269 --> 00:11:19,120

probably due to disease

276

00:11:22,550 --> 00:11:21,279

i think probably what happened was the

277

00:11:25,190 --> 00:11:22,560

people just got desperate

278

00:11:25,910 --> 00:11:25,200

and they had to join native tribes moved

279

00:11:29,509 --> 00:11:25,920

inland

280

00:11:32,150 --> 00:11:29,519

um possibly war we just don't know

281

00:11:33,509 --> 00:11:32,160

but uh that that's another great great

282

00:11:36,710 --> 00:11:33,519

mystery

283

00:11:40,069 --> 00:11:36,720

it is indeed now you you are well versed

284

00:11:42,389 --> 00:11:40,079

on on on history i can tell that where

285

00:11:43,430 --> 00:11:42,399

what what is your your your background i

286

00:11:46,470 --> 00:11:43,440

mean

287

00:11:48,710 --> 00:11:46,480

how did you come to study and become so

288

00:11:51,030 --> 00:11:48,720

knowledgeable about this

289

00:11:52,870 --> 00:11:51,040

well you know it's a funny thing i i

290

00:11:56,150 --> 00:11:52,880

went into the ministry back in uh

291

00:11:59,430 --> 00:11:56,160

or early 1972 something like that

292

00:12:08,550 --> 00:11:59,440

went to seminary and you know back then

293

00:12:12,310 --> 00:12:11,030

yeah i you know back then i was under

294

00:12:15,269 --> 00:12:12,320

the illusion that uh

295

00:12:17,190 --> 00:12:15,279

i i had a great interest in uh in

296

00:12:19,670 --> 00:12:17,200

history and biblical history and in

297

00:12:21,350 --> 00:12:19,680

spirituality which

298

00:12:22,870 --> 00:12:21,360

quite frankly has led to the quantum

299

00:12:25,269 --> 00:12:22,880

akashic field book

300

00:12:27,269 --> 00:12:25,279

but when i went in i just assumed i was

301

00:12:29,829 --> 00:12:27,279

going to be surrounded by a great

302

00:12:31,590 --> 00:12:29,839

uh community of people who were going to

303

00:12:33,030 --> 00:12:31,600

be interested in the same things i was i

304

00:12:33,990 --> 00:12:33,040

thought ministry was just going to be

305

00:12:36,949 --> 00:12:34,000

one long

306

00:12:39,509 --> 00:12:36,959

line of spiritual growth and i soon

307

00:12:40,949 --> 00:12:39,519

discovered uh as i became the pastor of

308

00:12:43,110 --> 00:12:40,959

my first church

309

00:12:45,190 --> 00:12:43,120

you get involved in the mechanics and

310

00:12:47,430 --> 00:12:45,200

the politics and the doctrine and then

311

00:12:49,190 --> 00:12:47,440

the dogma and then the minutia

312

00:12:51,829 --> 00:12:49,200

and you're always planning what comes

313

00:12:54,230 --> 00:12:51,839

next the next sermon the next church

314

00:12:56,150 --> 00:12:54,240

service the next this the next that

315

00:12:58,550 --> 00:12:56,160

you get involved in the community and

316

00:13:01,030 --> 00:12:58,560

doing pastoral counseling and

317

00:13:02,470 --> 00:13:01,040

somehow 40 years goes by and you just

318

00:13:05,430 --> 00:13:02,480

say what happened

319

00:13:07,190 --> 00:13:05,440

so when my wife and i retired ten and a

320

00:13:09,269 --> 00:13:07,200

half years ago now

321

00:13:11,670 --> 00:13:09,279

we came up here to the woods of south

322

00:13:13,750 --> 00:13:11,680

carolina and we really came up here

323

00:13:15,670 --> 00:13:13,760

deliberately to go on a retreat we

324

00:13:19,509 --> 00:13:15,680

wanted to confront

325

00:13:22,629 --> 00:13:19,519

that essential spiritual reality

326

00:13:24,310 --> 00:13:22,639

that i had been seeking my whole life we

327

00:13:27,350 --> 00:13:24,320

wanted to uh

328

00:13:29,670 --> 00:13:27,360

to put it mildly wrestle with god i even

329

00:13:32,790 --> 00:13:29,680

had that bible verse in my mind

330

00:13:34,790 --> 00:13:32,800

it comes from a story of uh in the book

331

00:13:38,790 --> 00:13:34,800

of genesis uh

332

00:13:42,710 --> 00:13:38,800

uh jacob and esau the two brothers of

333

00:13:46,710 --> 00:13:42,720

of uh uh had had had a big fight and

334

00:13:49,910 --> 00:13:46,720

jacob had to flee for his life and he uh

335

00:13:51,670 --> 00:13:49,920

took off and came back years later uh to

336

00:13:54,870 --> 00:13:51,680

reconcile with his brother east

337

00:13:56,870 --> 00:13:54,880

with it with his brother esau and in the

338

00:13:58,389 --> 00:13:56,880

night before they met he was worried

339

00:14:00,150 --> 00:13:58,399

what was going to happen he was pacing

340

00:14:01,350 --> 00:14:00,160

back and forth and the bible tells a

341

00:14:04,150 --> 00:14:01,360

story about how he

342

00:14:06,069 --> 00:14:04,160

he met this guy by the riverbank and

343

00:14:08,150 --> 00:14:06,079

wrestled with him all night and as the

344

00:14:10,629 --> 00:14:08,160

sun came up it turned out he discovered

345

00:14:13,829 --> 00:14:10,639

he had been wrestling with god

346

00:14:15,269 --> 00:14:13,839

and he said i will not let you go until

347

00:14:17,990 --> 00:14:15,279

you bless me

348

00:14:18,710 --> 00:14:18,000

and that was the bible verse that was on

349

00:14:21,350 --> 00:14:18,720

my mind

350

00:14:22,550 --> 00:14:21,360

i came up here to the woods and i wanted

351
00:14:25,829 --> 00:14:22,560
to confront god

352
00:14:28,069 --> 00:14:25,839
i wanted to say i i want to know

353
00:14:29,990 --> 00:14:28,079
the source i want to know manitou i want

354
00:14:31,670 --> 00:14:30,000
to know spirit i want to know god i want

355
00:14:33,509 --> 00:14:31,680
to know brockman

356
00:14:35,590 --> 00:14:33,519
however whatever name you want to give

357
00:14:36,629 --> 00:14:35,600
it i want to know that and i wanted to

358
00:14:38,470 --> 00:14:36,639
wrestle

359
00:14:40,550 --> 00:14:38,480
so we came up here to go on a retreat it

360
00:14:42,870 --> 00:14:40,560
was we built a house

361
00:14:45,110 --> 00:14:42,880
back here in the middle of the woods we

362
00:14:46,069 --> 00:14:45,120
started self-quarantining about 10 years

363
00:14:48,790 --> 00:14:46,079

ago

364

00:14:51,750 --> 00:14:48,800

and it's been working fine and lo and

365

00:14:54,949 --> 00:14:51,760

behold it it came to pass that uh our

366

00:14:57,430 --> 00:14:54,959

our our prayer was answered

367

00:14:59,030 --> 00:14:57,440

we wrestled with god and would not let

368

00:15:01,030 --> 00:14:59,040

go until we were blessed

369

00:15:02,870 --> 00:15:01,040

now god appeared to us in quite a

370

00:15:05,590 --> 00:15:02,880

different form than

371

00:15:07,110 --> 00:15:05,600

the christian uh god that i had always

372

00:15:08,710 --> 00:15:07,120

pictured it came in much more of a

373

00:15:10,949 --> 00:15:08,720

shamanic

374

00:15:12,069 --> 00:15:10,959

experience but that was kind of the

375

00:15:15,430 --> 00:15:12,079

beginning of it

376

00:15:16,389 --> 00:15:15,440

um i have to tell you a sequel to this

377

00:15:18,150 --> 00:15:16,399

story though

378

00:15:20,230 --> 00:15:18,160

a number of years ago i was asked to go

379

00:15:20,550 --> 00:15:20,240

over to cornwall in england and give a

380

00:15:23,990 --> 00:15:20,560

uh

381

00:15:27,509 --> 00:15:24,000

a talk there to a group about um

382

00:15:29,670 --> 00:15:27,519

ancient religion and so while i was in

383

00:15:31,670 --> 00:15:29,680

england i had to visit this little town

384

00:15:34,710 --> 00:15:31,680

called fenney compton which was up

385

00:15:35,990 --> 00:15:34,720

northwest of london

386

00:15:38,310 --> 00:15:36,000

i had to go up there because my

387

00:15:40,230 --> 00:15:38,320

ancestors hundreds years ago used to

388

00:15:43,509 --> 00:15:40,240

preach up there they were ministers

389

00:15:45,910 --> 00:15:43,519

uh clergy in the uh church of england

390

00:15:48,150 --> 00:15:45,920

and uh i i got up there and there was

391

00:15:50,150 --> 00:15:48,160

the church where they used to preach

392

00:15:51,910 --> 00:15:50,160

and the town historian let me in and

393

00:15:53,670 --> 00:15:51,920

showed me the plaque that had the willis

394

00:15:54,550 --> 00:15:53,680

name on it that showed how far back they

395

00:15:56,389 --> 00:15:54,560

went

396

00:15:57,910 --> 00:15:56,399

and i stood in the pulpit and while i

397

00:16:00,310 --> 00:15:57,920

was in that pulpit

398

00:16:02,150 --> 00:16:00,320

where my ancestor had stood every sunday

399

00:16:03,829 --> 00:16:02,160

hundreds of years ago i looked across

400

00:16:05,910 --> 00:16:03,839

the sanctuary

401
00:16:07,110 --> 00:16:05,920
and saw a stained glass window that i

402
00:16:08,710 --> 00:16:07,120
had never seen

403
00:16:10,629 --> 00:16:08,720
the subject of the stained glass window

404
00:16:13,829 --> 00:16:10,639
before it was

405
00:16:16,310 --> 00:16:13,839
a picture of jacob wrestling with god

406
00:16:17,590 --> 00:16:16,320
saying i will not let you go until you

407
00:16:21,430 --> 00:16:17,600
bless me

408
00:16:22,150 --> 00:16:21,440
my spiritual ancestor somehow passed his

409
00:16:26,150 --> 00:16:22,160
dna

410
00:16:29,910 --> 00:16:26,160
on down to me and that was exactly

411
00:16:33,990 --> 00:16:29,920
exactly the verse synchronicity 1

412
00:16:36,069 --> 00:16:34,000
101. there it is talk about all the

413
00:16:37,269 --> 00:16:36,079

what we talk about all the time plays a

414

00:16:40,230 --> 00:16:37,279

big part

415

00:16:42,949 --> 00:16:40,240

in uh not only in the paranormal but in

416

00:16:45,189 --> 00:16:42,959

life and i don't think that most people

417

00:16:47,990 --> 00:16:45,199

really realize that i mean i i managed

418

00:16:50,470 --> 00:16:48,000

to come up with a 450 page book

419

00:16:51,670 --> 00:16:50,480

just about my synchronicities and we're

420

00:16:53,509 --> 00:16:51,680

not talking about

421

00:16:54,790 --> 00:16:53,519

looking at the clock and seeing it say

422

00:16:57,189 --> 00:16:54,800

uh you know four four

423

00:16:58,949 --> 00:16:57,199

four or thinking of somebody you know

424

00:17:00,069 --> 00:16:58,959

and they they call the telephone two

425

00:17:03,110 --> 00:17:00,079

days later i mean

426

00:17:06,710 --> 00:17:03,120

stuff much more intricate that

427

00:17:09,429 --> 00:17:06,720

it's impossible that it wasn't planned

428

00:17:10,390 --> 00:17:09,439

by someone or something or or i don't

429

00:17:14,150 --> 00:17:10,400

know it's just

430

00:17:19,590 --> 00:17:14,160

impossible really to uh uh

431

00:17:23,990 --> 00:17:21,350

life is a lot more complicated than we

432

00:17:26,309 --> 00:17:24,000

think but when when we came up here

433

00:17:27,110 --> 00:17:26,319

uh to go on to that retreat i hit the

434

00:17:29,110 --> 00:17:27,120

books and

435

00:17:30,150 --> 00:17:29,120

uh thank goodness for the internet it

436

00:17:32,150 --> 00:17:30,160

makes research

437

00:17:35,110 --> 00:17:32,160

uh you can do so much more research from

438

00:17:37,830 --> 00:17:35,120

home now than you used to be able to do

439

00:17:39,830 --> 00:17:37,840

and i came up here and i just found

440

00:17:41,990 --> 00:17:39,840

myself fascinated by

441

00:17:43,830 --> 00:17:42,000

ancient civilizations because we live

442

00:17:46,470 --> 00:17:43,840

here on a place

443

00:17:47,909 --> 00:17:46,480

where according to an archaeological dig

444

00:17:50,150 --> 00:17:47,919

which is right down the savannah river

445

00:17:53,190 --> 00:17:50,160

from us called the topper site

446

00:17:56,150 --> 00:17:53,200

uh human beings have been here

447

00:17:58,230 --> 00:17:56,160

for thousands of years i'm thinking and

448

00:17:58,789 --> 00:17:58,240

now according to the topper site perhaps

449

00:18:01,669 --> 00:17:58,799

40

450

00:18:02,470 --> 00:18:01,679

maybe even 50 000 years there has been

451
00:18:05,430 --> 00:18:02,480
an ancient

452
00:18:07,830 --> 00:18:05,440
uh culture that lived uh at least

453
00:18:09,830 --> 00:18:07,840
seasonally right here on the same land

454
00:18:11,510 --> 00:18:09,840
and when i began to be in contact with

455
00:18:12,789 --> 00:18:11,520
this culture through meditation and

456
00:18:15,190 --> 00:18:12,799
through dowsing

457
00:18:16,070 --> 00:18:15,200
and began to discover what was here my

458
00:18:18,950 --> 00:18:16,080
interest in

459
00:18:19,669 --> 00:18:18,960
history uh all of a sudden took off

460
00:18:21,190 --> 00:18:19,679
history

461
00:18:23,029 --> 00:18:21,200
classes used to be some of the most

462
00:18:25,270 --> 00:18:23,039
boring classes i ever took

463
00:18:27,350 --> 00:18:25,280

in high school and college but that uh

464

00:18:30,310 --> 00:18:27,360

boy that changed when it became real

465

00:18:31,750 --> 00:18:30,320

that was where my interest came well

466

00:18:35,350 --> 00:18:31,760

what would you say uh

467

00:18:39,110 --> 00:18:35,360

and and i i know this is a subject of a

468

00:18:42,070 --> 00:18:39,120

a future of work that you're involved in

469

00:18:43,830 --> 00:18:42,080

uh now what would you say maybe as a

470

00:18:46,630 --> 00:18:43,840

teaser to our listener

471

00:18:47,270 --> 00:18:46,640

is the biggest discovery or the most

472

00:18:50,310 --> 00:18:47,280

hidden

473

00:18:53,909 --> 00:18:50,320

fact about history that uh the

474

00:18:57,350 --> 00:18:53,919

public is not aware of

475

00:18:58,789 --> 00:18:57,360

i i think it's the the the part that

476
00:19:01,190 --> 00:18:58,799
continually

477
00:19:02,390 --> 00:19:01,200
baffles me is that i have grown

478
00:19:05,909 --> 00:19:02,400
convinced that we are

479
00:19:08,549 --> 00:19:05,919
a species with amnesia uh

480
00:19:09,110 --> 00:19:08,559
we have a history that i believe is a

481
00:19:12,630 --> 00:19:09,120
lot

482
00:19:14,710 --> 00:19:12,640
been taught

483
00:19:17,510 --> 00:19:14,720
i think there have been numerous lost

484
00:19:18,870 --> 00:19:17,520
civilizations and i think these people

485
00:19:21,510 --> 00:19:18,880
from what i can see about their

486
00:19:24,870 --> 00:19:21,520
mythology from what i can see

487
00:19:26,950 --> 00:19:24,880
about the uh the great um

488
00:19:28,789 --> 00:19:26,960

monuments they left behind the stone

489

00:19:31,190 --> 00:19:28,799

megalithic uh

490

00:19:34,070 --> 00:19:31,200

building that they did and from what i

491

00:19:37,110 --> 00:19:34,080

can hear about their oral history

492

00:19:38,870 --> 00:19:37,120

i am absolutely convinced that they saw

493

00:19:41,830 --> 00:19:38,880

the world different

494

00:19:43,669 --> 00:19:41,840

they had a different kind of mind than

495

00:19:44,870 --> 00:19:43,679

we do they had what i like to call a

496

00:19:47,510 --> 00:19:44,880

psychic

497

00:19:48,870 --> 00:19:47,520

tool kit they were in touch with the

498

00:19:51,669 --> 00:19:48,880

other side

499

00:19:51,990 --> 00:19:51,679

i think that ability is still inherent

500

00:20:07,750 --> 00:19:52,000

in

501
00:20:11,430 --> 00:20:07,760
that just doesn't take the time to be

502
00:20:13,990 --> 00:20:11,440
in touch like uh as as

503
00:20:16,149 --> 00:20:14,000
uh as as they were uh i think it was

504
00:20:17,029 --> 00:20:16,159
back socrates once said beware the

505
00:20:20,310 --> 00:20:17,039
barrenness

506
00:20:22,470 --> 00:20:20,320
of a busy life and out of history that

507
00:20:24,390 --> 00:20:22,480
is the big thing that i draw most of all

508
00:20:27,350 --> 00:20:24,400
um that we have

509
00:20:28,630 --> 00:20:27,360
a busy life but in many cases it's a

510
00:20:31,909 --> 00:20:28,640
barren

511
00:20:34,789 --> 00:20:31,919
life we don't know how to sit quietly

512
00:20:37,430 --> 00:20:34,799
and meditate anymore we don't know how

513
00:20:40,390 --> 00:20:37,440

to consider the big questions who are we

514

00:20:42,070 --> 00:20:40,400

what's it all about um this is what i

515

00:20:44,390 --> 00:20:42,080

draw from history and this is what i try

516

00:20:46,710 --> 00:20:44,400

to recount in my books to try to

517

00:20:48,549 --> 00:20:46,720

put ourselves in the place of these

518

00:20:51,669 --> 00:20:48,559

people who had this

519

00:20:54,149 --> 00:20:51,679

tremendous um psychic

520

00:20:54,710 --> 00:20:54,159

ability to do things perhaps even move

521

00:20:56,870 --> 00:20:54,720

great

522

00:20:59,270 --> 00:20:56,880

stones with with their minds with

523

00:21:02,070 --> 00:20:59,280

psychokinesis and that kind of thing

524

00:21:03,270 --> 00:21:02,080

uh i i think we're we're going to

525

00:21:06,149 --> 00:21:03,280

discover

526
00:21:07,909 --> 00:21:06,159
that um we need we're at a crossroads

527
00:21:09,510 --> 00:21:07,919
right now we need a deeper what i call

528
00:21:11,350 --> 00:21:09,520
spiritual life

529
00:21:13,909 --> 00:21:11,360
and that's that's the greatest lesson

530
00:21:17,190 --> 00:21:13,919
that i draw from history i think

531
00:21:18,230 --> 00:21:17,200
well now so are you a believer like in

532
00:21:21,430 --> 00:21:18,240
atlantis

533
00:21:24,470 --> 00:21:21,440
and uh leburia and

534
00:21:27,590 --> 00:21:24,480
and these other uh

535
00:21:27,990 --> 00:21:27,600
yeah you know i i never was uh all my

536
00:21:30,950 --> 00:21:28,000
life

537
00:21:31,909 --> 00:21:30,960
i thought those are just myths uh i had

538
00:21:34,310 --> 00:21:31,919

read plato

539

00:21:35,510 --> 00:21:34,320

and read his account of atlantis and

540

00:21:37,590 --> 00:21:35,520

everything else

541

00:21:38,710 --> 00:21:37,600

but the farther i get into it the deeper

542

00:21:42,070 --> 00:21:38,720

i get into it

543

00:21:43,190 --> 00:21:42,080

the more i i i like to call the atlantis

544

00:21:45,750 --> 00:21:43,200

tradition

545

00:21:47,270 --> 00:21:45,760

uh the more that means to me i think the

546

00:21:49,510 --> 00:21:47,280

atlantis tradition

547

00:21:51,110 --> 00:21:49,520

that plato talked about and that other

548

00:21:54,310 --> 00:21:51,120

other many many other

549

00:21:57,350 --> 00:21:54,320

ancient texts talk about describes

550

00:22:00,470 --> 00:21:57,360

a civilization that was

551
00:22:03,590 --> 00:22:00,480
uh once highly advanced

552
00:22:06,230 --> 00:22:03,600
in technologies that perhaps we don't uh

553
00:22:08,070 --> 00:22:06,240
understand it wasn't a computer type

554
00:22:10,310 --> 00:22:08,080
wires generators

555
00:22:11,110 --> 00:22:10,320
uh i think it was much more of a psychic

556
00:22:14,390 --> 00:22:11,120
mental

557
00:22:16,950 --> 00:22:14,400
type uh technology and i think

558
00:22:17,909 --> 00:22:16,960
they were destroyed and i think these

559
00:22:19,830 --> 00:22:17,919
were

560
00:22:21,190 --> 00:22:19,840
that was the basis of what we call the

561
00:22:22,950 --> 00:22:21,200
ancient gods

562
00:22:25,110 --> 00:22:22,960
these people when their whole

563
00:22:26,070 --> 00:22:25,120

civilization was destroyed in a day and

564

00:22:28,070 --> 00:22:26,080

a night

565

00:22:29,590 --> 00:22:28,080

uh and there i think there are physical

566

00:22:30,870 --> 00:22:29,600

reasons for that we can probably get

567

00:22:32,630 --> 00:22:30,880

into those but

568

00:22:34,149 --> 00:22:32,640

um when it was destroyed i think there

569

00:22:35,110 --> 00:22:34,159

were groups of them that managed to

570

00:22:36,710 --> 00:22:35,120

survive

571

00:22:38,470 --> 00:22:36,720

and they made their way throughout the

572

00:22:39,590 --> 00:22:38,480

world they made their way into turkey

573

00:22:46,789 --> 00:22:39,600

they made their way

574

00:22:48,310 --> 00:22:46,799

central america and eventually into peru

575

00:22:51,350 --> 00:22:48,320

and i think what they were doing in

576

00:22:53,750 --> 00:22:51,360

these places was jump starting their own

577

00:22:55,590 --> 00:22:53,760

civilization and because they were so

578

00:22:57,270 --> 00:22:55,600

much more advanced than the stone age

579

00:22:58,950 --> 00:22:57,280

people they were dealing with

580

00:23:01,510 --> 00:22:58,960

the stone age people who were our

581

00:23:04,070 --> 00:23:01,520

ancient ancestors remembered them

582

00:23:05,430 --> 00:23:04,080

as gods and i think these this is the

583

00:23:08,390 --> 00:23:05,440

basis of those

584

00:23:09,029 --> 00:23:08,400

ancient gods that we hear so much about

585

00:23:11,110 --> 00:23:09,039

well now

586

00:23:12,470 --> 00:23:11,120

do you think that there's a possibility

587

00:23:15,350 --> 00:23:12,480

that some of these

588

00:23:16,310 --> 00:23:15,360

uh civilizations or groups of people

589

00:23:19,909 --> 00:23:16,320

might have gone

590

00:23:23,270 --> 00:23:19,919

uh inside the uh much

591

00:23:24,310 --> 00:23:23,280

discussed the hollow earth and jim

592

00:23:25,990 --> 00:23:24,320

you're going to have to you're going to

593

00:23:29,029 --> 00:23:26,000

have to make that a yes or no

594

00:23:31,430 --> 00:23:29,039

answer because we have to go to our

595

00:23:32,549 --> 00:23:31,440

bottom of the hour break here so when we

596

00:23:35,510 --> 00:23:32,559

come back

597

00:23:47,990 --> 00:23:35,520

we'll we'll continue yeah we'll continue

598

00:23:53,269 --> 00:23:51,110

now back to exploring the bazaar

599

00:23:55,269 --> 00:23:53,279

with two of the most electrifying

600

00:23:58,549 --> 00:23:55,279

researchers in the paranormal

601
00:24:01,669 --> 00:23:58,559
your hosts timothy beckley and tim

602
00:24:05,029 --> 00:24:03,510
welcome back to exploring the bazaar i'm

603
00:24:07,830 --> 00:24:05,039
tim schwartz tonight

604
00:24:08,310 --> 00:24:07,840
our guest is jim willis now jim i'll

605
00:24:12,950 --> 00:24:08,320
give you

606
00:24:16,149 --> 00:24:12,960
tim beckley's question about the uh

607
00:24:18,310 --> 00:24:16,159
uh the possibility of uh underground uh

608
00:24:20,470 --> 00:24:18,320
civilization but we had to

609
00:24:22,470 --> 00:24:20,480
interrupt you for our break so now

610
00:24:25,750 --> 00:24:22,480
here's your chance to answer that

611
00:24:28,870 --> 00:24:25,760
well i you know i let's put it this way

612
00:24:31,350 --> 00:24:28,880
um i have a hard time accepting it

613
00:24:33,430 --> 00:24:31,360

but i'm not closing my mind to anything

614

00:24:35,029 --> 00:24:33,440

because there is more new information

615

00:24:36,789 --> 00:24:35,039

coming out all the time

616

00:24:38,470 --> 00:24:36,799

i just find all of this stuff so

617

00:24:39,909 --> 00:24:38,480

exciting i just love to read about it

618

00:24:41,590 --> 00:24:39,919

and study it and talk to other people

619

00:24:44,310 --> 00:24:41,600

who have their opinions

620

00:24:45,909 --> 00:24:44,320

it's wonderful that's that's one of the

621

00:24:47,990 --> 00:24:45,919

great things about studying history i

622

00:24:49,430 --> 00:24:48,000

think if we do it with a closed mind

623

00:24:51,430 --> 00:24:49,440

because something doesn't seem right to

624

00:24:53,190 --> 00:24:51,440

us we're in serious trouble

625

00:24:55,510 --> 00:24:53,200

that's right to keep your mind closed

626
00:24:57,830 --> 00:24:55,520
this new information bounces right off

627
00:25:00,070 --> 00:24:57,840
yeah absolutely absolutely all right

628
00:25:00,950 --> 00:25:00,080
well let's let's talk about uh your your

629
00:25:03,830 --> 00:25:00,960
most recent

630
00:25:04,549 --> 00:25:03,840
book uh the quantum akashic field a

631
00:25:07,750 --> 00:25:04,559
guide to

632
00:25:10,789 --> 00:25:07,760
out-of-body experiences for the astral

633
00:25:14,630 --> 00:25:10,799
traveler now i have to say jim this is a

634
00:25:17,269 --> 00:25:14,640
a a great book i really i learned a lot

635
00:25:19,029 --> 00:25:17,279
from that but i wanted to ask you and

636
00:25:22,470 --> 00:25:19,039
i'm sure our audience would like to know

637
00:25:26,549 --> 00:25:22,480
too what does the quantum akashic field

638
00:25:30,870 --> 00:25:26,559

have to do with out-of-body experiences

639

00:25:32,549 --> 00:25:30,880

i think the quantum akashic field um

640

00:25:34,470 --> 00:25:32,559

let's take the words one at a time first

641

00:25:37,669 --> 00:25:34,480

of all akashic is an old

642

00:25:38,230 --> 00:25:37,679

word comes out of india uh it's from the

643

00:25:44,149 --> 00:25:38,240

sans

644

00:25:45,510 --> 00:25:44,159

uh popular by irvin laszlo who talks

645

00:25:49,669 --> 00:25:45,520

about akasha

646

00:25:52,230 --> 00:25:49,679

and in his in his way of of viewing the

647

00:25:53,430 --> 00:25:52,240

existential reality that really is

648

00:25:55,510 --> 00:25:53,440

around us

649

00:25:57,750 --> 00:25:55,520

he talks about the akashic field as

650

00:26:01,510 --> 00:25:57,760

being the field in which

651
00:26:05,269 --> 00:26:01,520
all possibilities and all probabilities

652
00:26:07,430 --> 00:26:05,279
exist i like to look at it this way

653
00:26:08,950 --> 00:26:07,440
picture us in the source the place where

654
00:26:11,110 --> 00:26:08,960
we all come from and you can call this

655
00:26:13,909 --> 00:26:11,120
anything you want you can call it god

656
00:26:14,549 --> 00:26:13,919
um you you can call it brachman as the

657
00:26:17,430 --> 00:26:14,559
hindu

658
00:26:18,789 --> 00:26:17,440
jews the manitou the great mystery as

659
00:26:20,710 --> 00:26:18,799
the indians in the

660
00:26:23,029 --> 00:26:20,720
northeast where i come from used to call

661
00:26:26,710 --> 00:26:25,110
the ground of our being all that is

662
00:26:29,750 --> 00:26:26,720
whatever you want to call it it's

663
00:26:33,190 --> 00:26:29,760

like a source is as good as any

664

00:26:36,390 --> 00:26:33,200

uh in that source there is perfect unity

665

00:26:37,990 --> 00:26:36,400

there is only oneness and the one thing

666

00:26:41,110 --> 00:26:38,000

that perfect unity

667

00:26:43,269 --> 00:26:41,120

cannot experience is individuality

668

00:26:44,789 --> 00:26:43,279

so if we are going to experience

669

00:26:47,510 --> 00:26:44,799

everything there is

670

00:26:50,230 --> 00:26:47,520

we have to experience individuality so

671

00:26:52,630 --> 00:26:50,240

we move from the source

672

00:26:55,430 --> 00:26:52,640

our energy our essence moves from the

673

00:26:59,750 --> 00:26:55,440

source separates from the source

674

00:27:01,990 --> 00:26:59,760

so that we form uh the possibility

675

00:27:04,630 --> 00:27:02,000

or the probability of everything there

676

00:27:07,110 --> 00:27:04,640

is and that's the akashic field

677

00:27:08,710 --> 00:27:07,120

the akashic field operates in a

678

00:27:10,470 --> 00:27:08,720

different way than we do in just the

679

00:27:13,510 --> 00:27:10,480

last hundred years

680

00:27:16,310 --> 00:27:13,520

uh i think our scientists have begun to

681

00:27:18,230 --> 00:27:16,320

understand with mathematics what the

682

00:27:20,149 --> 00:27:18,240

ancient shamans with the ancient

683

00:27:21,830 --> 00:27:20,159

gurus what the ancient dowsers and

684

00:27:23,269 --> 00:27:21,840

mystics have known for thousands and

685

00:27:26,230 --> 00:27:23,279

thousands of years

686

00:27:28,710 --> 00:27:26,240

that there is more to being outside of

687

00:27:30,070 --> 00:27:28,720

this material existence

688

00:27:31,830 --> 00:27:30,080

i know there's a lot of scientists that

689

00:27:33,430 --> 00:27:31,840

like to say the material world is all

690

00:27:35,029 --> 00:27:33,440

that there is but

691

00:27:37,590 --> 00:27:35,039

no i don't think that's reality i think

692

00:27:38,789 --> 00:27:37,600

that's our reality so we move from the

693

00:27:41,590 --> 00:27:38,799

source

694

00:27:45,029 --> 00:27:41,600

into the akashic field that operates

695

00:27:47,590 --> 00:27:45,039

under the rules of quantum reality

696

00:27:49,990 --> 00:27:47,600

from there every possibility is going to

697

00:27:51,510 --> 00:27:50,000

be realized every possibility can happen

698

00:27:52,789 --> 00:27:51,520

every probability is going to be

699

00:27:55,029 --> 00:27:52,799

realized

700

00:27:56,389 --> 00:27:55,039

from the quantum akashic field we move

701
00:27:58,870 --> 00:27:56,399
through the newly discovered

702
00:28:01,110 --> 00:27:58,880
higgs field that's the field where

703
00:28:02,789 --> 00:28:01,120
energy is converted to mass

704
00:28:04,789 --> 00:28:02,799
that's the field in which we live with

705
00:28:07,350 --> 00:28:04,799
them on this side of the higgs field

706
00:28:08,789 --> 00:28:07,360
now this course is you know a simplified

707
00:28:11,029 --> 00:28:08,799
way of doing it but

708
00:28:11,830 --> 00:28:11,039
uh when einstein discovered that e

709
00:28:13,909 --> 00:28:11,840
equals $m c$

710
00:28:15,269 --> 00:28:13,919
square all he was saying was energy

711
00:28:17,510 --> 00:28:15,279
equals mass

712
00:28:19,830 --> 00:28:17,520
which is here times the speed of light

713
00:28:21,590 --> 00:28:19,840

squared when we come out of the akashic

714

00:28:23,350 --> 00:28:21,600

field through that higgs field

715

00:28:24,950 --> 00:28:23,360

which has just been discovered recently

716

00:28:27,269 --> 00:28:24,960

by the the uh the

717

00:28:30,389 --> 00:28:27,279

the great particle collider in in in

718

00:28:32,950 --> 00:28:30,399

cern in switzerland and in europe

719

00:28:33,590 --> 00:28:32,960

we did we come over here and all of a

720

00:28:36,789 --> 00:28:33,600

sudden we

721

00:28:39,830 --> 00:28:36,799

our energy takes on mass

722

00:28:41,669 --> 00:28:39,840

and the trouble with that is that when

723

00:28:44,070 --> 00:28:41,679

we take on mass when we

724

00:28:46,070 --> 00:28:44,080

take on these bodies and we enter into

725

00:28:46,710 --> 00:28:46,080

the field of evolution and enter into

726
00:28:50,549 --> 00:28:46,720
the

727
00:28:54,310 --> 00:28:50,559
around us

728
00:28:56,830 --> 00:28:54,320
in a sense we're surrounded by this

729
00:28:59,669 --> 00:28:56,840
five-fold fence as i call it this

730
00:29:00,789 --> 00:28:59,679
pentagon and the fence is made up of our

731
00:29:03,029 --> 00:29:00,799
five senses

732
00:29:04,230 --> 00:29:03,039
of sight and smell and hearing and taste

733
00:29:06,630 --> 00:29:04,240
and touch

734
00:29:08,149 --> 00:29:06,640
and it surrounds us and every bit of

735
00:29:09,990 --> 00:29:08,159
information

736
00:29:11,430 --> 00:29:10,000
that comes into our minds comes into our

737
00:29:14,789 --> 00:29:11,440
brains rather

738
00:29:17,909 --> 00:29:14,799

comes in to our intellect through these

739

00:29:20,230 --> 00:29:17,919

ven these this this fence and

740

00:29:21,190 --> 00:29:20,240

in one sense this has been a wonderful

741

00:29:23,750 --> 00:29:21,200

thing it has

742

00:29:24,870 --> 00:29:23,760

it keeps out too much information i mean

743

00:29:27,350 --> 00:29:24,880

for instance just take

744

00:29:29,590 --> 00:29:27,360

sight we can see the red orange yellow

745

00:29:32,310 --> 00:29:29,600

green blue indigo violet of the

746

00:29:32,710 --> 00:29:32,320

the spectrum of color and that's all our

747

00:29:37,110 --> 00:29:32,720

sense

748

00:29:39,590 --> 00:29:37,120

there's a lot of

749

00:29:41,590 --> 00:29:39,600

colors up now a lot of vibrations up

750

00:29:44,230 --> 00:29:41,600

above it microwave and all that

751
00:29:46,070 --> 00:29:44,240
we know there's a lot below us but our

752
00:29:47,750 --> 00:29:46,080
sense perception is just

753
00:29:49,830 --> 00:29:47,760
limited to that one thing and it's the

754
00:29:50,710 --> 00:29:49,840
same thing with touch and taste and

755
00:29:54,389 --> 00:29:50,720
hearing

756
00:29:57,430 --> 00:29:54,399
and smell so here we live in this fence

757
00:30:00,630 --> 00:29:57,440
and we have the audacity to say that's

758
00:30:04,470 --> 00:30:00,640
reality i don't think so at all i think

759
00:30:06,070 --> 00:30:04,480
the real reality is outside the defense

760
00:30:07,590 --> 00:30:06,080
inside the fence is just how we

761
00:30:09,750 --> 00:30:07,600
experience it

762
00:30:12,630 --> 00:30:09,760
and so when i talk about the quantum

763
00:30:15,430 --> 00:30:12,640

akashic field and out of body travel

764

00:30:16,630 --> 00:30:15,440

what i'm talking about is developing a

765

00:30:20,149 --> 00:30:16,640

system

766

00:30:23,269 --> 00:30:20,159

uh to be able to in effect in effect

767

00:30:26,549 --> 00:30:23,279

free our our minds

768

00:30:29,350 --> 00:30:26,559

from the information that's fenced

769

00:30:30,870 --> 00:30:29,360

in by our senses to move outside of our

770

00:30:33,909 --> 00:30:30,880

perception realm

771

00:30:35,110 --> 00:30:33,919

and to see a greater reality on the

772

00:30:37,269 --> 00:30:35,120

other side of the fence

773

00:30:39,990 --> 00:30:37,279

and that's that's really to me what auto

774

00:30:42,549 --> 00:30:40,000

body travel is all about

775

00:30:43,990 --> 00:30:42,559

now i was a big fan of uh robert

776
00:30:47,029 --> 00:30:44,000
monroe's books

777
00:30:50,389 --> 00:30:47,039
yes and and the way that

778
00:30:53,350 --> 00:30:50,399
that he described uh his

779
00:30:54,230 --> 00:30:53,360
uh personal experiences you know his his

780
00:31:00,310 --> 00:30:54,240
uh uh

781
00:31:05,430 --> 00:31:03,350
he described it as like um you know his

782
00:31:06,549 --> 00:31:05,440
his his spirit essence or you know her

783
00:31:08,389 --> 00:31:06,559
astral body

784
00:31:10,470 --> 00:31:08,399
you know would pop out of the physical

785
00:31:12,630 --> 00:31:10,480
body and and go around to

786
00:31:14,310 --> 00:31:12,640
different places now from your

787
00:31:18,070 --> 00:31:14,320
experiences though

788
00:31:21,509 --> 00:31:18,080

you have a feeling that

789

00:31:22,630 --> 00:31:21,519

that it may not be exactly like that

790

00:31:25,310 --> 00:31:22,640

that you know we

791

00:31:26,710 --> 00:31:25,320

we may be kind of uh almost anthropo

792

00:31:30,870 --> 00:31:26,720

anthropomorphizing

793

00:31:32,389 --> 00:31:30,880

uh this experience yeah yeah uh

794

00:31:34,070 --> 00:31:32,399

frankly i wouldn't be talking to you if

795

00:31:35,590 --> 00:31:34,080

it hadn't been for robert monroe

796

00:31:37,190 --> 00:31:35,600

uh he's the one who invented the word

797

00:31:40,230 --> 00:31:37,200

out of body experience

798

00:31:40,950 --> 00:31:40,240

and i uh he founded the institute monroe

799

00:31:44,070 --> 00:31:40,960

institute

800

00:31:47,430 --> 00:31:44,080

uh up in virginia where i studied for

801

00:31:50,389 --> 00:31:47,440

a a week with uh bill buhlman who i

802

00:31:51,990 --> 00:31:50,399

think is one of the greatest out of body

803

00:31:54,870 --> 00:31:52,000

practitioners teachers in the world

804

00:31:57,750 --> 00:31:54,880

today and um

805

00:32:00,070 --> 00:31:57,760

bob monroe also invented a wonderful

806

00:32:01,190 --> 00:32:00,080

technology which i use all the time in

807

00:32:04,470 --> 00:32:01,200

meditation

808

00:32:05,509 --> 00:32:04,480

called hemisink music uh his original

809

00:32:09,110 --> 00:32:05,519

field was in

810

00:32:11,990 --> 00:32:09,120

in technical aspects of radio and things

811

00:32:13,190 --> 00:32:12,000

and he invented this process just to

812

00:32:15,430 --> 00:32:13,200

make it real quick

813

00:32:16,470 --> 00:32:15,440

uh it what what it does when you put on

814

00:32:19,190 --> 00:32:16,480

earphones

815

00:32:20,149 --> 00:32:19,200

it adjusts the vibration sequencing to

816

00:32:23,750 --> 00:32:20,159

it to get your

817

00:32:24,230 --> 00:32:23,760

your your um the two hemispheres of your

818

00:32:26,310 --> 00:32:24,240

brain

819

00:32:27,590 --> 00:32:26,320

in sync so to speak that's why he calls

820

00:32:30,630 --> 00:32:27,600

it hemi

821

00:32:34,870 --> 00:32:30,640

and i use that in my own

822

00:32:37,750 --> 00:32:34,880

even at the end of his life though bob

823

00:32:40,070 --> 00:32:37,760

wondered a little about uh how he

824

00:32:42,149 --> 00:32:40,080

experienced it because here's

825

00:32:44,149 --> 00:32:42,159

here's the problem when i'm talking

826
00:32:46,470 --> 00:32:44,159
about getting outside of our perception

827
00:32:49,509 --> 00:32:46,480
realm outside of the fence

828
00:32:52,149 --> 00:32:49,519
language was invented to describe

829
00:32:53,269 --> 00:32:52,159
our perception realm it was described it

830
00:32:55,029 --> 00:32:53,279
was invented

831
00:32:57,269 --> 00:32:55,039
to describe the things with which we are

832
00:33:00,310 --> 00:32:57,279
familiar when we get

833
00:33:03,669 --> 00:33:00,320
outside of that perception realm

834
00:33:06,070 --> 00:33:03,679
we experience things which are

835
00:33:07,590 --> 00:33:06,080
at the time when you when you experience

836
00:33:08,789 --> 00:33:07,600
them they seem perfectly normal they

837
00:33:11,190 --> 00:33:08,799
usually seem beautiful

838
00:33:12,950 --> 00:33:11,200

lovely wonderful but when you come back

839

00:33:14,549 --> 00:33:12,960

in your brain takes over and you try to

840

00:33:17,909 --> 00:33:14,559

explain what you saw

841

00:33:20,630 --> 00:33:17,919

so you can't say this is what it was

842

00:33:21,430 --> 00:33:20,640

all you can say is this is what it felt

843

00:33:24,710 --> 00:33:21,440

like

844

00:33:27,750 --> 00:33:24,720

to me at the time um

845

00:33:28,710 --> 00:33:27,760

and and actually uh bob talked about two

846

00:33:31,590 --> 00:33:28,720

different kinds

847

00:33:31,909 --> 00:33:31,600

of uh out-of-body experience the first

848

00:33:35,190 --> 00:33:31,919

was

849

00:33:37,269 --> 00:33:35,200

uh what he called etheric or local

850

00:33:39,350 --> 00:33:37,279

travel that was within

851
00:33:41,430 --> 00:33:39,360
the realm where he would talk about his

852
00:33:42,630 --> 00:33:41,440
body for instance going to visit his

853
00:33:44,789 --> 00:33:42,640
daughter

854
00:33:45,750 --> 00:33:44,799
i mean his his spirit going to visit his

855
00:33:49,269 --> 00:33:45,760
daughter his

856
00:33:51,269 --> 00:33:49,279
his soul his uh essence

857
00:33:53,029 --> 00:33:51,279
that's called etheric travel but there's

858
00:33:54,710 --> 00:33:53,039
another kind of travel too

859
00:33:56,870 --> 00:33:54,720
well etheric travel for instance was

860
00:33:57,350 --> 00:33:56,880
also the monroe institute was very

861
00:34:00,630 --> 00:33:57,360
instant

862
00:34:02,389 --> 00:34:00,640
and uh very uh important when dealing

863
00:34:03,669 --> 00:34:02,399

with the military when the military was

864

00:34:06,470 --> 00:34:03,679

trying to talk about

865

00:34:07,669 --> 00:34:06,480

and understand remote viewing uh this

866

00:34:10,790 --> 00:34:07,679

was etheric

867

00:34:11,909 --> 00:34:10,800

travel it was within our own earth so to

868

00:34:13,990 --> 00:34:11,919

speak

869

00:34:15,589 --> 00:34:14,000

astral travel is quite a bit different

870

00:34:18,950 --> 00:34:15,599

in astral travel

871

00:34:21,750 --> 00:34:18,960

you are actually traveling outside

872

00:34:23,829 --> 00:34:21,760

of anything we have experienced you're

873

00:34:25,669 --> 00:34:23,839

talking about other dimensions

874

00:34:27,109 --> 00:34:25,679

uh you're talking about other places in

875

00:34:28,869 --> 00:34:27,119

the multiverse

876

00:34:30,230 --> 00:34:28,879

and you're talking about seeing things

877

00:34:33,669 --> 00:34:30,240

that

878

00:34:36,230 --> 00:34:33,679

words just simply don't it don't explain

879

00:34:37,669 --> 00:34:36,240

now we have to say does something within

880

00:34:40,950 --> 00:34:37,679

our body

881

00:34:41,909 --> 00:34:40,960

actually go uh that's how bob monroe

882

00:34:43,669 --> 00:34:41,919

started that's

883

00:34:45,190 --> 00:34:43,679

believing toward the end of his life he

884

00:34:48,470 --> 00:34:45,200

began to think

885

00:34:51,510 --> 00:34:48,480

maybe it isn't that maybe it's more

886

00:34:54,710 --> 00:34:51,520

involved in the quantum language

887

00:34:57,670 --> 00:34:54,720

of entanglement where

888

00:34:58,950 --> 00:34:57,680

a particle here is entangled with a

889

00:35:01,589 --> 00:34:58,960

particle there

890

00:35:03,750 --> 00:35:01,599

and they can exchange information

891

00:35:05,589 --> 00:35:03,760

instantly not at the speed of light but

892

00:35:07,670 --> 00:35:05,599

instantly no matter how far apart they

893

00:35:08,550 --> 00:35:07,680

were and at the end of his life he began

894

00:35:11,030 --> 00:35:08,560

to wonder

895

00:35:12,790 --> 00:35:11,040

whether the quantum language is it

896

00:35:17,030 --> 00:35:12,800

better explains it because

897

00:35:20,069 --> 00:35:17,040

it it talks about the fact that we are

898

00:35:21,270 --> 00:35:20,079

here but we are also there at the very

899

00:35:23,910 --> 00:35:21,280

same time

900

00:35:26,069 --> 00:35:23,920

and quantum reality is weird but it says

901
00:35:27,430 --> 00:35:26,079
particles even can be in two places at

902
00:35:29,670 --> 00:35:27,440
the same time

903
00:35:31,829 --> 00:35:29,680
and so maybe what we are doing is

904
00:35:34,230 --> 00:35:31,839
experiencing something that

905
00:35:35,670 --> 00:35:34,240
uh where we are already there it's not a

906
00:35:38,710 --> 00:35:35,680
matter of going there

907
00:35:39,829 --> 00:35:38,720
it's just a matter of in effect we are

908
00:35:41,910 --> 00:35:39,839
entangled with it

909
00:35:43,109 --> 00:35:41,920
so the information from there is coming

910
00:35:45,430 --> 00:35:43,119
into our

911
00:35:46,470 --> 00:35:45,440
minds our intellect at the same time

912
00:35:48,150 --> 00:35:46,480
does that all

913
00:35:50,150 --> 00:35:48,160

make any sense on this complicated

914

00:35:52,710 --> 00:35:50,160

answer but

915

00:35:53,270 --> 00:35:52,720

yeah it's well see to me it makes sense

916

00:35:54,950 --> 00:35:53,280

because

917

00:35:56,870 --> 00:35:54,960

uh you know i've always had the theory

918

00:35:58,230 --> 00:35:56,880

especially when it comes to dreams

919

00:35:59,030 --> 00:35:58,240

because you know sometimes you have

920

00:36:02,390 --> 00:35:59,040

dreams

921

00:36:05,589 --> 00:36:02,400

other times

922

00:36:09,109 --> 00:36:05,599

you'll have a dream that seems to be

923

00:36:10,950 --> 00:36:09,119

so real you'll be involved with people

924

00:36:13,670 --> 00:36:10,960

in that dream that you know you even

925

00:36:14,150 --> 00:36:13,680

have memories of past experiences with

926
00:36:16,150 --> 00:36:14,160
those

927
00:36:17,990 --> 00:36:16,160
people and then when you wake up there's

928
00:36:19,990 --> 00:36:18,000
almost like a sense of loss that

929
00:36:21,190 --> 00:36:20,000
you know you're not with them anymore

930
00:36:23,670 --> 00:36:21,200
and it makes me

931
00:36:25,270 --> 00:36:23,680
it has made me wonder whether or not our

932
00:36:28,870 --> 00:36:25,280
our consciousness

933
00:36:31,190 --> 00:36:28,880
actually extends across the multiverse

934
00:36:33,349 --> 00:36:31,200
you know parallel worlds and that

935
00:36:35,430 --> 00:36:33,359
as we're experiencing this reality at

936
00:36:35,990 --> 00:36:35,440
the same time we're experiencing maybe

937
00:36:38,550 --> 00:36:36,000
an almost

938
00:36:40,950 --> 00:36:38,560

you know infinite number of other

939

00:36:42,310 --> 00:36:40,960

realities so possibly when we're

940

00:36:45,750 --> 00:36:42,320

referring to

941

00:36:46,550 --> 00:36:45,760

um you know astral projection we're just

942

00:36:49,349 --> 00:36:46,560

becoming

943

00:36:50,470 --> 00:36:49,359

uh through meditation or whatever

944

00:36:53,750 --> 00:36:50,480

conscious

945

00:36:54,069 --> 00:36:53,760

of these other realities i believe

946

00:36:56,310 --> 00:36:54,079

you're

947

00:36:57,510 --> 00:36:56,320

absolutely correct i i would agree with

948

00:36:58,870 --> 00:36:57,520

you a hundred percent

949

00:37:00,710 --> 00:36:58,880

as a matter of fact i think a lot of

950

00:37:01,430 --> 00:37:00,720

people who kind of scoff at out of body

951
00:37:02,950 --> 00:37:01,440
travel

952
00:37:04,870 --> 00:37:02,960
when you begin to really talk to them

953
00:37:06,550 --> 00:37:04,880
seriously i think they have had the kind

954
00:37:07,750 --> 00:37:06,560
of dreams you talked about

955
00:37:10,470 --> 00:37:07,760
as a matter of fact i think that's one

956
00:37:13,750 --> 00:37:10,480
of the purposes of dreaming

957
00:37:17,349 --> 00:37:13,760
this world is so different uh i think

958
00:37:18,950 --> 00:37:17,359
at night we sometimes have to return to

959
00:37:21,990 --> 00:37:18,960
get recharged

960
00:37:24,470 --> 00:37:22,000
and i think many of our dreams are

961
00:37:26,470 --> 00:37:24,480
are really out of body experiences

962
00:37:29,190 --> 00:37:26,480
strangely enough

963
00:37:30,230 --> 00:37:29,200

i i've kept a dream journal now for 10

964

00:37:33,910 --> 00:37:30,240

years

965

00:37:34,950 --> 00:37:33,920

and i was amazed at finding some symbols

966

00:37:37,030 --> 00:37:34,960

in my dreams

967

00:37:38,790 --> 00:37:37,040

so many of the dreams that seem so vivid

968

00:37:42,069 --> 00:37:38,800

to me involved being out

969

00:37:45,829 --> 00:37:42,079

and doing something and then forgetting

970

00:37:47,829 --> 00:37:45,839

where i left my car or forget or

971

00:37:49,430 --> 00:37:47,839

getting in my car and not being able to

972

00:37:52,550 --> 00:37:49,440

find the way home

973

00:37:55,990 --> 00:37:52,560

and i discovered that in my brain

974

00:37:59,430 --> 00:37:56,000

the car was be was

975

00:38:01,829 --> 00:37:59,440

a symbol for the vehicle that is my body

976

00:38:03,270 --> 00:38:01,839

and my consciousness had actually left

977

00:38:05,829 --> 00:38:03,280

my body and when the

978

00:38:07,510 --> 00:38:05,839

experience was over i had to go look for

979

00:38:09,430 --> 00:38:07,520

the car look for the body so that i

980

00:38:13,190 --> 00:38:09,440

could come back home again

981

00:38:16,230 --> 00:38:13,200

um i think dream interpretation took a

982

00:38:19,430 --> 00:38:16,240

dare i say a quantum leap forward when

983

00:38:21,990 --> 00:38:19,440

we begin to uh to to take it seriously

984

00:38:24,230 --> 00:38:22,000

and uh equate it with uh everything from

985

00:38:24,710 --> 00:38:24,240

lucid dreams to out-of-body experience

986

00:38:27,910 --> 00:38:24,720

yeah

987

00:38:29,030 --> 00:38:27,920

i think you're right in your book now

988

00:38:31,750 --> 00:38:29,040

for somebody who

989

00:38:32,950 --> 00:38:31,760

is listening to the show and wants to to

990

00:38:36,470 --> 00:38:32,960

go out and buy it

991

00:38:38,310 --> 00:38:36,480

i mean do you provide

992

00:38:39,910 --> 00:38:38,320

i hate to use the word methods but you

993

00:38:42,230 --> 00:38:39,920

know i'm going to use that i'm sure

994

00:38:43,349 --> 00:38:42,240

i'm sure you've got you know a better

995

00:38:46,310 --> 00:38:43,359

term for it

996

00:38:47,190 --> 00:38:46,320

but do you provide ways that people can

997

00:38:51,190 --> 00:38:47,200

try

998

00:38:54,550 --> 00:38:51,200

practice and

999

00:38:57,349 --> 00:38:54,560

and maybe uh uh

1000

00:38:57,990 --> 00:38:57,359

have their own experiences yes i do as a

1001
00:39:01,349 --> 00:38:58,000
matter of fact

1002
00:39:04,150 --> 00:39:01,359
i i i really consider this a uh

1003
00:39:04,790 --> 00:39:04,160
a how-to book uh i have a five or six

1004
00:39:07,510 --> 00:39:04,800
point

1005
00:39:09,030 --> 00:39:07,520
uh method that i use i'm not saying it's

1006
00:39:11,270 --> 00:39:09,040
the only method i'm saying it's just the

1007
00:39:12,870 --> 00:39:11,280
one that has worked for me

1008
00:39:14,710 --> 00:39:12,880
and i developed this through study at

1009
00:39:17,270 --> 00:39:14,720
the monroe institute

1010
00:39:18,310 --> 00:39:17,280
um and i think a matter of fact when

1011
00:39:20,630 --> 00:39:18,320
bill bilman

1012
00:39:22,630 --> 00:39:20,640
does his seminars he tells people that

1013
00:39:25,349 --> 00:39:22,640

if anybody really wants to

1014

00:39:26,310 --> 00:39:25,359

experience an out-of-body experience if

1015

00:39:29,750 --> 00:39:26,320

they are willing

1016

00:39:31,430 --> 00:39:29,760

to devote 30 minutes a day for 30 days

1017

00:39:33,829 --> 00:39:31,440

and make it the most important thing in

1018

00:39:36,310 --> 00:39:33,839

their life if they're willing to say

1019

00:39:37,430 --> 00:39:36,320

at this time of the day i'm going to do

1020

00:39:39,349 --> 00:39:37,440

this and

1021

00:39:41,190 --> 00:39:39,359

nothing else is going to get in the way

1022

00:39:43,910 --> 00:39:41,200

it becomes that important

1023

00:39:45,510 --> 00:39:43,920

he said 30 minutes a day for 30 days and

1024

00:39:47,349 --> 00:39:45,520

you can have you will have an out of

1025

00:39:50,630 --> 00:39:47,359

body experience

1026

00:39:50,950 --> 00:39:50,640

i tried it and i've got to say if i had

1027

00:39:53,430 --> 00:39:50,960

quit

1028

00:39:55,109 --> 00:39:53,440

on day 28 we wouldn't be having this

1029

00:39:58,710 --> 00:39:55,119

conversation

1030

00:40:00,870 --> 00:39:58,720

but it it really does work you have to

1031

00:40:04,150 --> 00:40:00,880

find a time of the day

1032

00:40:06,390 --> 00:40:04,160

when it's not just

1033

00:40:08,230 --> 00:40:06,400

convenient you have to find a time of

1034

00:40:10,550 --> 00:40:08,240

day when everything comes together your

1035

00:40:13,030 --> 00:40:10,560

body has to be relaxed

1036

00:40:13,990 --> 00:40:13,040

and your mind your body is almost asleep

1037

00:40:17,109 --> 00:40:14,000

and your mind

1038

00:40:18,870 --> 00:40:17,119

is fully awake now some people i like to

1039

00:40:21,270 --> 00:40:18,880

do this early in the morning

1040

00:40:22,150 --> 00:40:21,280

but i it doesn't work for me after i

1041

00:40:24,069 --> 00:40:22,160

first wake up

1042

00:40:25,750 --> 00:40:24,079

because i'm always thinking about what

1043

00:40:27,510 --> 00:40:25,760

my day is going to do and i'm trying to

1044

00:40:29,829 --> 00:40:27,520

think oh boy how how long do i have to

1045

00:40:32,069 --> 00:40:29,839

go now before i can get about my day

1046

00:40:33,750 --> 00:40:32,079

and uh so that doesn't work for me and

1047

00:40:35,109 --> 00:40:33,760

if i do it late at night

1048

00:40:36,870 --> 00:40:35,119

it doesn't work because i try to

1049

00:40:39,349 --> 00:40:36,880

meditate and i fall asleep because i'm

1050

00:40:41,030 --> 00:40:39,359

tired believe it or not the only time

1051
00:40:43,270 --> 00:40:41,040
that worked consistently for me and i

1052
00:40:45,349 --> 00:40:43,280
did this for 30 days was

1053
00:40:47,109 --> 00:40:45,359
i hate to say this 3 o'clock in the

1054
00:40:49,750 --> 00:40:47,119
morning

1055
00:40:52,150 --> 00:40:49,760
i found myself waking up at about 5

1056
00:40:53,829 --> 00:40:52,160
minutes or 3 to 5 minutes after three

1057
00:40:55,190 --> 00:40:53,839
every single morning without an alarm

1058
00:40:57,190 --> 00:40:55,200
clock anything

1059
00:40:59,910 --> 00:40:57,200
and at that point i had already had some

1060
00:41:01,510 --> 00:40:59,920
sleep so my body was fully rested

1061
00:41:02,950 --> 00:41:01,520
but it really wasn't ready to get up and

1062
00:41:05,990 --> 00:41:02,960
go yet and

1063
00:41:06,470 --> 00:41:06,000

my mind was fully awake and so i would

1064

00:41:09,349 --> 00:41:06,480

get up

1065

00:41:11,910 --> 00:41:09,359

out of bed go to the special place that

1066

00:41:14,150 --> 00:41:11,920

was different put on the hemisink music

1067

00:41:14,950 --> 00:41:14,160

and i would meditate and i used to think

1068

00:41:17,190 --> 00:41:14,960

that uh

1069

00:41:19,190 --> 00:41:17,200

boy 10 minutes of meditation your mind

1070

00:41:20,870 --> 00:41:19,200

goes crazy you know it's chattering and

1071

00:41:23,990 --> 00:41:20,880

everything else

1072

00:41:27,190 --> 00:41:24,000

but i found that uh not only was it not

1073

00:41:29,270 --> 00:41:27,200

an ordeal i found that i really resented

1074

00:41:31,270 --> 00:41:29,280

when an hour went by and i had to quit

1075

00:41:32,829 --> 00:41:31,280

for some reason something said you've

1076

00:41:36,150 --> 00:41:32,839

got to go back

1077

00:41:37,829 --> 00:41:36,160

um and that is what began it for me

1078

00:41:39,670 --> 00:41:37,839

is that making sure it was the most

1079

00:41:42,230 --> 00:41:39,680

important thing in my life i felt that i

1080

00:41:44,069 --> 00:41:42,240

wanted to know the nature of reality

1081

00:41:45,510 --> 00:41:44,079

and it from three to four in the morning

1082

00:41:47,430 --> 00:41:45,520

that's when it happened now sometimes it

1083

00:41:49,349 --> 00:41:47,440

was longer than an hour

1084

00:41:51,750 --> 00:41:49,359

uh sometimes i would have an experience

1085

00:41:54,550 --> 00:41:51,760

that would go on for maybe two hours

1086

00:41:55,990 --> 00:41:54,560

sometimes nothing happens i i don't want

1087

00:41:58,470 --> 00:41:56,000

to give the impression that it

1088

00:42:02,790 --> 00:41:58,480

happens all the time sure but for me

1089

00:42:04,630 --> 00:42:02,800

that was that that worked

1090

00:42:05,990 --> 00:42:04,640

now some people i know that i've talked

1091

00:42:09,670 --> 00:42:06,000

to uh

1092

00:42:11,829 --> 00:42:09,680

uh uh about this are interested but

1093

00:42:13,190 --> 00:42:11,839

they're they're somewhat afraid i mean

1094

00:42:15,030 --> 00:42:13,200

you know they're like well what if i'm

1095

00:42:15,430 --> 00:42:15,040

what if i'm traveling outside of my body

1096

00:42:18,309 --> 00:42:15,440

and the

1097

00:42:20,470 --> 00:42:18,319

you know the the the civil silver cord

1098

00:42:22,550 --> 00:42:20,480

breaks and you know i can't get back in

1099

00:42:24,470 --> 00:42:22,560

or i come back and find that something

1100

00:42:27,670 --> 00:42:24,480

else is has taken my

1101
00:42:29,270 --> 00:42:27,680
place or that while i'm out i'm going to

1102
00:42:31,589 --> 00:42:29,280
run into

1103
00:42:34,069 --> 00:42:31,599
you know what i think robert monroe

1104
00:42:37,270 --> 00:42:34,079
called them parasites

1105
00:42:43,750 --> 00:42:41,030
i've uh i used to be able to say i've

1106
00:42:46,950 --> 00:42:43,760
never had a bad experience

1107
00:42:50,069 --> 00:42:46,960
i think the universe the cosmos

1108
00:42:53,270 --> 00:42:50,079
uh akasha the spirit source

1109
00:42:54,790 --> 00:42:53,280
um i i think we are cared for too much i

1110
00:42:56,870 --> 00:42:54,800
think we are looked over and protected

1111
00:42:59,589 --> 00:42:56,880
in ways we can't understand

1112
00:43:01,670 --> 00:42:59,599
and i i wrote this in a book in my book

1113
00:43:02,630 --> 00:43:01,680

supernatural gods as a matter of fact i

1114

00:43:04,710 --> 00:43:02,640

wrote that i

1115

00:43:07,190 --> 00:43:04,720

i've never had a bad experience i was

1116

00:43:10,829 --> 00:43:07,200

about almost done with a book

1117

00:43:12,470 --> 00:43:10,839

and that night i had my one and only bad

1118

00:43:14,710 --> 00:43:12,480

experience

1119

00:43:16,470 --> 00:43:14,720

i'm sure it was kind of a way to keep me

1120

00:43:19,589 --> 00:43:16,480

humble and say hey

1121

00:43:22,950 --> 00:43:19,599

jim you don't know all this stuff

1122

00:43:23,270 --> 00:43:22,960

and yet i i don't think i i think we are

1123

00:43:26,710 --> 00:43:23,280

so

1124

00:43:28,950 --> 00:43:26,720

intimately connected with the body that

1125

00:43:31,430 --> 00:43:28,960

i don't think that's going to happen now

1126

00:43:36,150 --> 00:43:31,440

i have to give a caveat i have

1127

00:43:38,710 --> 00:43:36,160

come across people who had died

1128

00:43:41,190 --> 00:43:38,720

and didn't realize it or people who had

1129

00:43:44,950 --> 00:43:41,200

died who were so connected

1130

00:43:48,309 --> 00:43:44,960

with a particular place or

1131

00:43:50,390 --> 00:43:48,319

on earth that their spirits did not

1132

00:43:52,069 --> 00:43:50,400

realize they could go on

1133

00:43:54,630 --> 00:43:52,079

now they were not in pain or they were

1134

00:43:56,790 --> 00:43:54,640

not in panic but i have had a couple of

1135

00:43:59,349 --> 00:43:56,800

experiences

1136

00:44:01,430 --> 00:43:59,359

of being able to help people go on to

1137

00:44:04,230 --> 00:44:01,440

the light

1138

00:44:05,109 --> 00:44:04,240

and i don't say that that was they were

1139

00:44:07,589 --> 00:44:05,119

in any way

1140

00:44:08,390 --> 00:44:07,599

uncomfortable they just weren't quite

1141

00:44:10,790 --> 00:44:08,400

sure

1142

00:44:12,710 --> 00:44:10,800

what was going on now the monroe

1143

00:44:14,390 --> 00:44:12,720

institute runs a whole week-long seminar

1144

00:44:17,990 --> 00:44:14,400

up there and a whole group out there

1145

00:44:20,829 --> 00:44:18,000

devoted just for this to to find people

1146

00:44:22,069 --> 00:44:20,839

uh and help them move on to the next

1147

00:44:23,589 --> 00:44:22,079

level um

1148

00:44:25,030 --> 00:44:23,599

as a matter of fact they do they have

1149

00:44:26,870 --> 00:44:25,040

the resources to do a lot of their

1150

00:44:29,670 --> 00:44:26,880

research and they can get names and then

1151
00:44:31,670 --> 00:44:29,680
go back and look at records and see

1152
00:44:32,870 --> 00:44:31,680
i've had a lot of experience as a

1153
00:44:35,670 --> 00:44:32,880
minister of

1154
00:44:37,670 --> 00:44:35,680
being at the bedside of people who uh

1155
00:44:40,870 --> 00:44:37,680
have died and come back

1156
00:44:42,150 --> 00:44:40,880
uh near-death experiences and i've had

1157
00:44:44,630 --> 00:44:42,160
people i

1158
00:44:46,630 --> 00:44:44,640
i wish i had been more open-minded when

1159
00:44:49,990 --> 00:44:46,640
i was younger in ministry because

1160
00:44:52,069 --> 00:44:50,000
i'd have people i'd have people say um

1161
00:44:53,589 --> 00:44:52,079
well there's my uncle fred you know

1162
00:44:54,790 --> 00:44:53,599
there's my aunt so and so they're

1163
00:44:56,550 --> 00:44:54,800

waiting for me

1164

00:44:59,430 --> 00:44:56,560

and i would i wouldn't you know

1165

00:45:00,870 --> 00:44:59,440

discredit them but i would say oh

1166

00:45:02,790 --> 00:45:00,880

that's great you know and i wouldn't

1167

00:45:06,150 --> 00:45:02,800

believe it now i

1168

00:45:08,470 --> 00:45:06,160

i believe it 100 i think they really do

1169

00:45:11,109 --> 00:45:08,480

see that i think when kids come here uh

1170

00:45:12,790 --> 00:45:11,119

young kids they have imaginary friends

1171

00:45:14,710 --> 00:45:12,800

and we try to knock that out of them you

1172

00:45:16,390 --> 00:45:14,720

know oh down you're just making it up

1173

00:45:18,230 --> 00:45:16,400

i think they really do i think they they

1174

00:45:19,270 --> 00:45:18,240

are aware that they are being watched

1175

00:45:21,270 --> 00:45:19,280

over

1176
00:45:23,430 --> 00:45:21,280
and if anybody's worried about

1177
00:45:25,349 --> 00:45:23,440
out-of-body experiences the words that

1178
00:45:26,630 --> 00:45:25,359
are associated not only without a body

1179
00:45:30,790 --> 00:45:26,640
experiences

1180
00:45:35,589 --> 00:45:30,800
always words like

1181
00:45:38,230 --> 00:45:35,599
love compassion acceptance

1182
00:45:38,630 --> 00:45:38,240
i i think we are watched over i don't

1183
00:45:42,950 --> 00:45:38,640
think

1184
00:45:44,550 --> 00:45:42,960
really we have anything anything to fear

1185
00:45:46,150 --> 00:45:44,560
all right well we only have about two

1186
00:45:48,069 --> 00:45:46,160
minutes left in the program so

1187
00:45:49,670 --> 00:45:48,079
i want to give you the opportunity to

1188
00:45:51,829 --> 00:45:49,680

let our audience know

1189

00:45:53,030 --> 00:45:51,839

where they can find out more about where

1190

00:45:55,510 --> 00:45:53,040

they get your books

1191

00:45:56,630 --> 00:45:55,520

uh if you have a website and uh things

1192

00:45:58,950 --> 00:45:56,640

like that

1193

00:46:01,190 --> 00:45:58,960

sure uh well probably the easiest way is

1194

00:46:02,870 --> 00:46:01,200

through amazon

1195

00:46:04,790 --> 00:46:02,880

jim willis i think there's 12 books up

1196

00:46:07,589 --> 00:46:04,800

there now on amazon

1197

00:46:09,349 --> 00:46:07,599

but what i would love to ask people to

1198

00:46:10,950 --> 00:46:09,359

do is go to my website because there's a

1199

00:46:11,589 --> 00:46:10,960

contact page there and i'd love to have

1200

00:46:13,030 --> 00:46:11,599

people

1201
00:46:17,510 --> 00:46:13,040
share their experiences with me and

1202
00:46:21,670 --> 00:46:17,520
that's at www.jimwillis.net

1203
00:46:23,790 --> 00:46:21,680
and www.jimwillis.net and then there's

1204
00:46:27,190 --> 00:46:23,800
also a facebook page

1205
00:46:28,790 --> 00:46:27,200
jimwillis.author and i have a youtube

1206
00:46:31,030 --> 00:46:28,800
page where i do some reading and some

1207
00:46:33,109 --> 00:46:31,040
singing and some guitar playing and

1208
00:46:34,870 --> 00:46:33,119
talking and there's a couple of my

1209
00:46:36,870 --> 00:46:34,880
seminars that i've done

1210
00:46:38,950 --> 00:46:36,880
that are up on youtube and and that kind

1211
00:46:39,910 --> 00:46:38,960
of thing so that's probably the easiest

1212
00:46:41,430 --> 00:46:39,920
way and i just

1213
00:46:44,550 --> 00:46:41,440

love to hear from people about this

1214

00:46:48,470 --> 00:46:47,270

that you have a world of information and

1215

00:46:50,550 --> 00:46:48,480

i just want to

1216

00:46:52,309 --> 00:46:50,560

interject here uh something that

1217

00:46:54,230 --> 00:46:52,319

listeners may be interested in we're

1218

00:46:57,750 --> 00:46:54,240

just about ready to release

1219

00:46:59,109 --> 00:46:57,760

uh an updated version of psychic and ufo

1220

00:47:03,030 --> 00:46:59,119

revelations

1221

00:47:04,950 --> 00:47:03,040

in the uh end days and it's very apropos

1222

00:47:07,589 --> 00:47:04,960

to what's going on in the world today

1223

00:47:08,069 --> 00:47:07,599

it's got interviews with psychics and

1224

00:47:13,030 --> 00:47:08,079

and

1225

00:47:16,470 --> 00:47:13,040

lot of stuff that may uh

1226

00:47:18,870 --> 00:47:16,480

be of interest to our followers

1227

00:47:19,990 --> 00:47:18,880

uh out there so that psychic and ufo

1228

00:47:22,309 --> 00:47:20,000

revelation

1229

00:47:24,470 --> 00:47:22,319

should be up on amazon and don't forget

1230

00:47:27,030 --> 00:47:24,480

our youtube channel mr ufo

1231

00:47:29,910 --> 00:47:27,040

secret files and thank you tina thank

1232

00:47:35,829 --> 00:47:29,920

you helen thank you peter thank you tim

1233

00:47:39,270 --> 00:47:37,910

you've been listening to exploring the

1234

00:47:41,990 --> 00:47:39,280

bazaar

1235

00:47:43,510 --> 00:47:42,000

with hosts timothy beckley and tim

1236

00:47:45,670 --> 00:47:43,520

schwartz

1237

00:47:47,990 --> 00:47:45,680

they're taking back the night by jetting

1238

00:47:50,069 --> 00:47:48,000

non-stop across the cosmos

1239

00:47:52,630 --> 00:47:50,079

in search of the truly bizarre and

1240

00:47:55,750 --> 00:47:52,640

totally unexplained with you

1241

00:47:57,670 --> 00:47:55,760

as their coal miners thursday nights at

1242

00:48:00,870 --> 00:47:57,680

7 p.m pacific

1243

00:48:03,510 --> 00:48:00,880

10 p.m eastern on the kcor

1244

00:48:06,390 --> 00:48:03,520

digital radio network for more

1245

00:48:08,549 --> 00:48:06,400

information on exploring the bazaar

1246

00:48:11,349 --> 00:48:08,559

and hosts timothy beckley and tim

1247

00:48:13,430 --> 00:48:11,359

schwartz check out their kcor digital

1248

00:48:16,630 --> 00:48:13,440

radio network

1249

00:48:20,470 --> 00:48:16,640

follow their youtube channel at mr
