1
00:00:00,140 --> 00:00:14,910
[Music]

2
00:00:14,920 --> 00:00:21,830
um

3
00:00:21,840 --> 00:00:32,389
[Music]

4
00:00:36,549 --> 00:00:34,470
now you're electrifying hosts of

5
00:00:44,790 --> 00:00:36,559
exploring the bazaar

6
00:00:47,190 --> 00:00:44,800
timothy beckley and tim schwartz what

7
00:00:48,630 --> 00:00:47,200
what kind of place is this where have

8
00:00:51,830 --> 00:00:48,640
you taken me now

9
00:00:54,709 --> 00:00:51,840
it's so weird and creepy and

10
00:00:57,029 --> 00:00:54,719
and there's just uh strange looking

11
00:00:59,590 --> 00:00:57,039
aliens all over the place

12
00:01:00,630 --> 00:00:59,600
oh tim don't be such a stick in the

13
00:01:03,830 --> 00:01:00,640

galactic

14

00:01:05,590 --> 00:01:03,840

quicksand this place is cool and not

15

00:01:07,429 --> 00:01:05,600

everybody has two heads and four

16

00:01:09,590 --> 00:01:07,439

arms i mean take a look at that cute

17

00:01:10,230 --> 00:01:09,600

blonde over there she's probably from

18

00:01:12,550 --> 00:01:10,240

earth

19

00:01:13,830 --> 00:01:12,560

let me go talk to her i bet she doesn't

20

00:01:17,510 --> 00:01:13,840

have any friends here

21

00:01:19,350 --> 00:01:17,520

she seems to be by herself uh okay

22

00:01:22,550 --> 00:01:19,360

i would watch it if i was you some of

23

00:01:25,670 --> 00:01:22,560

these aliens look pretty mean

24

00:01:26,550 --> 00:01:25,680

uh it's okay it's okay hi there

25

00:01:28,390 --> 00:01:26,560

sweetness

26

00:01:30,230 --> 00:01:28,400

i see you're hovering over the bar and i

27

00:01:31,030 --> 00:01:30,240

thought we might get to know each other

28

00:01:33,190 --> 00:01:31,040

a little better

29

00:01:35,350 --> 00:01:33,200

can i get you a lava drink the blue

30

00:01:37,510 --> 00:01:35,360

eyeball one looks really good i mean i

31

00:01:41,350 --> 00:01:37,520

hear it's tasty

32

00:01:43,030 --> 00:01:41,360

sir i'm not alone and my boyfriend isn't

33

00:01:48,950 --> 00:01:43,040

going to like you coming on to me

34

00:01:48,960 --> 00:01:53,510

jesus i never seen anything like this

35

00:01:58,950 --> 00:01:56,389

okay tim i think we should get on the

36

00:02:01,830 --> 00:01:58,960

next saucer out of here and uh

37

00:02:03,749 --> 00:02:01,840

make it back to the kcr studios in vegas

38

00:02:05,030 --> 00:02:03,759

you've had enough close encounters for

39

00:02:06,870 --> 00:02:05,040

tonight

40

00:02:09,910 --> 00:02:06,880

hey i was just trying to have a good

41

00:02:12,070 --> 00:02:09,920

time you know i like blondes and besides

42

00:02:12,949 --> 00:02:12,080

on planet earth all the bars are closed

43

00:02:15,910 --> 00:02:12,959

at the

44

00:02:16,470 --> 00:02:15,920

moment because there's a big lockdown so

45

00:02:18,710 --> 00:02:16,480

heck i

46

00:02:20,710 --> 00:02:18,720

i thought we'd go up up here and have a

47

00:02:24,390 --> 00:02:20,720

good time but i guess i was wrong that

48

00:02:26,949 --> 00:02:24,400

that grizzly little mean bad smelling

49

00:02:28,309 --> 00:02:26,959

alien is coming a little closer so

50

00:02:30,309 --> 00:02:28,319

you're right let's get back into the

51
00:02:33,509 --> 00:02:30,319
saucer and

52
00:02:37,030 --> 00:02:33,519
back to las vegas all right see you back

53
00:02:41,589 --> 00:02:37,040
on earth

54
00:02:48,470 --> 00:02:44,869
ah i'm a lot better now that uh

55
00:02:53,110 --> 00:02:51,509
i don't care for those after-hour bars

56
00:02:54,790 --> 00:02:53,120
i was having a good time i didn't get a

57
00:02:57,430 --> 00:02:54,800
chance to get the

58
00:02:58,710 --> 00:02:57,440
ladies phone number for that damn alien

59
00:03:00,149 --> 00:02:58,720
that came after me

60
00:03:02,949 --> 00:03:00,159
i can't believe she'd be going out with

61
00:03:05,589 --> 00:03:02,959
him i mean when you could have a mr ufo

62
00:03:09,110 --> 00:03:05,599
i mean what the heck

63
00:03:11,110 --> 00:03:09,120

uh anyway i guess it's a a warm night in

64

00:03:14,710 --> 00:03:11,120

jasper indiana isn't it

65

00:03:17,670 --> 00:03:14,720

yes it's a a warm and uh

66

00:03:18,630 --> 00:03:17,680

and rainy night but that's all right

67

00:03:24,949 --> 00:03:18,640

it's

68

00:03:28,390 --> 00:03:24,959

what we can expect i suppose

69

00:03:31,030 --> 00:03:28,400

well i'm expecting a good show tonight

70

00:03:31,990 --> 00:03:31,040

so why don't you forge ahead and

71

00:03:34,710 --> 00:03:32,000

introduce our

72

00:03:35,589 --> 00:03:34,720

listeners to our guest for the evening

73

00:03:37,589 --> 00:03:35,599

sure it'll be my

74

00:03:38,789 --> 00:03:37,599

special guest yeah yeah it would be my

75

00:03:42,630 --> 00:03:38,799

pleasure tim well

76

00:03:44,949 --> 00:03:42,640

uh tonight uh this is uh

77

00:03:47,190 --> 00:03:44,959

our our guest first time on exploring

78

00:03:48,309 --> 00:03:47,200

the bazaar and we're really happy that

79

00:03:51,350 --> 00:03:48,319

uh she's with us

80

00:03:54,309 --> 00:03:51,360

and her name is uh angelia scheer now

81

00:03:56,070 --> 00:03:54,319

angelia says that uh at the age of 13

82

00:03:58,229 --> 00:03:56,080

she had a profound

83

00:03:59,589 --> 00:03:58,239

life-changing paranormal event which

84

00:04:00,550 --> 00:03:59,599

we'll have to ask her about during the

85

00:04:02,949 --> 00:04:00,560

show

86

00:04:04,949 --> 00:04:02,959

and that single experience so changed

87

00:04:06,949 --> 00:04:04,959

her concept of reality that she no

88

00:04:09,589 --> 00:04:06,959

longer needed to be convinced

89

00:04:10,789 --> 00:04:09,599

about the validity of any paranormal

90

00:04:12,869 --> 00:04:10,799

events or

91

00:04:15,030 --> 00:04:12,879

just believe she knew that they were

92

00:04:17,909 --> 00:04:15,040

real now shearer has been investigating

93

00:04:20,469 --> 00:04:17,919

the ufo mystery for 35 plus years

94

00:04:22,629 --> 00:04:20,479

she founded parachute research her

95

00:04:25,350 --> 00:04:22,639

private research group and is also

96

00:04:26,390 --> 00:04:25,360

the current state director chief field

97

00:04:29,350 --> 00:04:26,400

investigator

98

00:04:30,230 --> 00:04:29,360

and star team lead for mufon of

99

00:04:32,310 --> 00:04:30,240

tennessee

100

00:04:34,070 --> 00:04:32,320

so over the years angelia and her team

101
00:04:35,909 --> 00:04:34,080
have investigated and interviewed

102
00:04:37,909 --> 00:04:35,919
thousands of witnesses and have been

103
00:04:41,030 --> 00:04:37,919
fortunate enough to be present during

104
00:04:42,310 --> 00:04:41,040
some major ufo paranormal and high

105
00:04:45,510 --> 00:04:42,320
strange events

106
00:04:47,510 --> 00:04:45,520
mysterious lights orbs and even entity

107
00:04:49,030 --> 00:04:47,520
sightings have turned up incredible

108
00:04:51,350 --> 00:04:49,040
witness testimonies

109
00:04:52,150 --> 00:04:51,360
over the years now anjali is also a

110
00:04:54,629 --> 00:04:52,160
certified

111
00:04:56,469 --> 00:04:54,639
master hypnotherapist and uses her

112
00:04:59,510 --> 00:04:56,479
training to aid experiencers

113
00:05:03,029 --> 00:04:59,520

in dealing with their ufo missing time

114

00:05:06,629 --> 00:05:03,039

encounters sona angelia as well as

115

00:05:08,950 --> 00:05:06,639

mufon and paris parish sheer research

116

00:05:11,510 --> 00:05:08,960

is dedicated to providing witnesses with

117

00:05:13,830 --> 00:05:11,520

a safe place of inquiry

118

00:05:16,150 --> 00:05:13,840

and to the continued study documentation

119

00:05:18,950 --> 00:05:16,160

and education of the public with

120

00:05:20,790 --> 00:05:18,960

current credible cases of interest so if

121

00:05:22,629 --> 00:05:20,800

you've had an encounter

122

00:05:23,990 --> 00:05:22,639

she would like to hear from you now

123

00:05:27,350 --> 00:05:24,000

angela's book

124

00:05:30,550 --> 00:05:27,360

is ufo encounters how high strange

125

00:05:31,670 --> 00:05:30,560

events transform human perception she's

126

00:05:35,270 --> 00:05:31,680

also working on

127

00:05:37,990 --> 00:05:35,280

new projects with cmt host katie cook

128

00:05:38,710 --> 00:05:38,000

and still investigates ufo sightings all

129

00:05:41,430 --> 00:05:38,720

over

130

00:05:43,029 --> 00:05:41,440

the south east so angelia welcome to

131

00:05:45,350 --> 00:05:43,039

exploring the bazaar

132

00:05:47,029 --> 00:05:45,360

hey guys it's great to be on the show

133

00:05:48,390 --> 00:05:47,039

tonight i really appreciate you asking

134

00:05:49,830 --> 00:05:48,400

me on

135

00:05:51,270 --> 00:05:49,840

well we've been looking we've been

136

00:05:52,070 --> 00:05:51,280

looking forward to this and i know we

137

00:05:55,749 --> 00:05:52,080

have a lot to

138

00:05:58,870 --> 00:05:55,759

uh uh uncover now you're also known uh

139

00:06:01,350 --> 00:05:58,880

your your monocle is uh

140

00:06:03,029 --> 00:06:01,360

ufo girl in fact i understand that

141

00:06:05,670 --> 00:06:03,039

that's on your

142

00:06:08,230 --> 00:06:05,680

license plate as well how did you pick

143

00:06:10,390 --> 00:06:08,240

up that uh that name

144

00:06:11,350 --> 00:06:10,400

well guys um if you get to know me and

145

00:06:13,189 --> 00:06:11,360

i'm sure you will

146

00:06:15,110 --> 00:06:13,199

as you said we have a lot to talk about

147

00:06:17,189 --> 00:06:15,120

once i start talking about my ufo

148

00:06:20,710 --> 00:06:17,199

research can't get me to stop but

149

00:06:23,749 --> 00:06:20,720

i truly have been obsessed about

150

00:06:25,749 --> 00:06:23,759

ufo phenomena the possibility of

151

00:06:26,790 --> 00:06:25,759

extraterrestrial life since i was just a

152

00:06:28,629 --> 00:06:26,800

little girl

153

00:06:30,790 --> 00:06:28,639

my mom said when i was about five i'd

154

00:06:33,029 --> 00:06:30,800

watch star trek that's going to date me

155

00:06:34,950 --> 00:06:33,039

the original star trek and she'd come

156

00:06:36,790 --> 00:06:34,960

downstairs and find me crying and

157

00:06:38,309 --> 00:06:36,800

she'd go ange what's wrong and i'd go

158

00:06:39,670 --> 00:06:38,319

i'm supposed to be on that ship

159

00:06:42,230 --> 00:06:39,680

i'm supposed to be out there you know

160

00:06:44,390 --> 00:06:42,240

doing this thing so for whatever reason

161

00:06:44,950 --> 00:06:44,400

i've been completely obsessed uh with

162

00:06:48,309 --> 00:06:44,960

this

163

00:06:50,629 --> 00:06:48,319

since i was very very young and

164

00:06:51,510 --> 00:06:50,639

again my passion for this it's i've been

165

00:06:54,790 --> 00:06:51,520

researching

166

00:06:57,589 --> 00:06:54,800

38 years at least my witnesses mean

167

00:06:59,909 --> 00:06:57,599

everything to me and um really i've just

168

00:07:02,309 --> 00:06:59,919

been so fortunate myself and my team

169

00:07:03,830 --> 00:07:02,319

we have really had some incredible cases

170

00:07:07,510 --> 00:07:03,840

and incredible encounters

171

00:07:09,029 --> 00:07:07,520

um personally so um i look forward to

172

00:07:10,629 --> 00:07:09,039

share whatever you guys like to talk

173

00:07:14,150 --> 00:07:10,639

about things out of my book or

174

00:07:15,830 --> 00:07:14,160

cases well you know uh uh

175

00:07:18,390 --> 00:07:15,840

yeah you're you're worried about start

176

00:07:21,430 --> 00:07:18,400

uh uh wars they're dating you

177

00:07:23,350 --> 00:07:21,440

uh i guess uh going back to the flash

178

00:07:25,029 --> 00:07:23,360

flash gordon and captain midnight would

179

00:07:27,749 --> 00:07:25,039

date me a little bit uh

180

00:07:29,430 --> 00:07:27,759

uh more but uh yeah and we didn't have

181

00:07:31,749 --> 00:07:29,440

those special effects in those

182

00:07:33,589 --> 00:07:31,759

days i think when flash gordon landed uh

183

00:07:36,790 --> 00:07:33,599

his spaceship looked like uh

184

00:07:38,870 --> 00:07:36,800

somewhat of a tin can but

185

00:07:40,629 --> 00:07:38,880

yeah well let's start at the beginning i

186

00:07:44,150 --> 00:07:40,639

understand that you had a

187

00:07:44,629 --> 00:07:44,160

uh an unusual uh experience at a rather

188

00:07:48,230 --> 00:07:44,639

a

189

00:07:49,990 --> 00:07:48,240

this

190

00:07:52,629 --> 00:07:50,000

life's direction could you tell us about

191

00:07:54,629 --> 00:07:52,639

that well it you know it wasn't a ufo

192

00:07:57,430 --> 00:07:54,639

encounter but to be honest when i was

193

00:08:00,230 --> 00:07:57,440

about uh 13 years old

194

00:08:02,390 --> 00:08:00,240

um it you know we all kind of had some

195

00:08:05,430 --> 00:08:02,400

traumas when you were younger but

196

00:08:08,710 --> 00:08:05,440

a person tried to kidnap me and um

197

00:08:09,589 --> 00:08:08,720

at the advent of the kidnapping i almost

198

00:08:11,749 --> 00:08:09,599

had this

199

00:08:13,589 --> 00:08:11,759

very i was waiting for someone to pick

200

00:08:16,150 --> 00:08:13,599

me up uh the person was

201
00:08:18,309 --> 00:08:16,160
you know they would have interceded but

202
00:08:19,430 --> 00:08:18,319
i had this strange moment where it was

203
00:08:22,390 --> 00:08:19,440
almost like time

204
00:08:23,189 --> 00:08:22,400
dilated uh that's the best that i can

205
00:08:24,710 --> 00:08:23,199
you know

206
00:08:26,309 --> 00:08:24,720
talk about and something truly

207
00:08:28,230 --> 00:08:26,319
interceded in my life

208
00:08:29,510 --> 00:08:28,240
there was you know i had this feeling

209
00:08:31,029 --> 00:08:29,520
that i needed to run

210
00:08:32,550 --> 00:08:31,039
and i needed to get away from that

211
00:08:35,589 --> 00:08:32,560
moment um

212
00:08:38,230 --> 00:08:35,599
and i did i actually obeyed it and

213
00:08:38,949 --> 00:08:38,240

i hid in some woods for like five hours

214

00:08:40,949 --> 00:08:38,959

and

215

00:08:42,070 --> 00:08:40,959

after it was all over the person that

216

00:08:44,310 --> 00:08:42,080

would have taken me

217

00:08:45,590 --> 00:08:44,320

ended up murdering people and other

218

00:08:48,710 --> 00:08:45,600

kidnappings happened

219

00:08:51,030 --> 00:08:48,720

so after that moment it you know my life

220

00:08:51,430 --> 00:08:51,040

was changed uh you know i knew there

221

00:08:56,230 --> 00:08:51,440

were

222

00:08:57,269 --> 00:08:56,240

this world whatever that may be your

223

00:08:59,910 --> 00:08:57,279

higher self

224

00:09:01,910 --> 00:08:59,920

other beings and i was you know after

225

00:09:04,070 --> 00:09:01,920

that i was on a path i

226

00:09:05,269 --> 00:09:04,080

pray tim and tim i read i probably read

227

00:09:08,230 --> 00:09:05,279

three books a week

228

00:09:09,910 --> 00:09:08,240

for 30 years you know science psychology

229

00:09:11,829 --> 00:09:09,920

mathematics physics

230

00:09:13,990 --> 00:09:11,839

and then i was just obsessed you know

231

00:09:16,230 --> 00:09:14,000

with the pursuit of extraterrestrial

232

00:09:18,310 --> 00:09:16,240

life my father was a professor

233

00:09:20,710 --> 00:09:18,320

uh at the o peabody university which

234

00:09:23,509 --> 00:09:20,720

became vanderbilt and so he

235

00:09:25,590 --> 00:09:23,519

you know he was very uh supportive and

236

00:09:26,790 --> 00:09:25,600

very hard on me in the sciences which is

237

00:09:29,750 --> 00:09:26,800

really good

238

00:09:30,230 --> 00:09:29,760

um so you know when i he died when i was

239

00:09:33,509 --> 00:09:30,240

young

240

00:09:35,030 --> 00:09:33,519

and so he was into this research he had

241

00:09:36,710 --> 00:09:35,040

you know gathered a lot of

242

00:09:39,430 --> 00:09:36,720

documents from the government so

243

00:09:41,430 --> 00:09:39,440

probably when i was 18 or 19 i really

244

00:09:42,949 --> 00:09:41,440

started on my path of researching and i

245

00:09:45,670 --> 00:09:42,959

just never have looked back

246

00:09:47,190 --> 00:09:45,680

and it's just been a great ride um all

247

00:09:50,470 --> 00:09:47,200

these years

248

00:09:53,670 --> 00:09:50,480

well what was the um

249

00:09:54,150 --> 00:09:53,680

what would did you have a a ufo sighting

250

00:09:56,470 --> 00:09:54,160

or

251

00:09:58,389 --> 00:09:56,480

did you go straight from uh your

252

00:10:01,350 --> 00:09:58,399

fascination with the subject uh

253

00:10:01,750 --> 00:10:01,360

into investigating uh other people's

254

00:10:04,630 --> 00:10:01,760

case

255

00:10:05,670 --> 00:10:04,640

histories you know i've always had since

256

00:10:07,269 --> 00:10:05,680

i was young i

257

00:10:08,630 --> 00:10:07,279

i've always said they were dreams i'm

258

00:10:10,069 --> 00:10:08,640

not going to say they're anything else

259

00:10:10,710 --> 00:10:10,079

because i didn't feel that way but you

260

00:10:13,030 --> 00:10:10,720

know i thought

261

00:10:14,949 --> 00:10:13,040

you know i would dream constantly about

262

00:10:17,350 --> 00:10:14,959

aliens and ships and

263

00:10:18,470 --> 00:10:17,360

you know it wasn't i thought everyone

264

00:10:20,389 --> 00:10:18,480

did that

265

00:10:22,870 --> 00:10:20,399

so i don't know for whatever reason i

266

00:10:24,790 --> 00:10:22,880

think that's where ufo girl came from um

267

00:10:26,389 --> 00:10:24,800

i was you know i feel like god created

268

00:10:29,030 --> 00:10:26,399

me for this um

269

00:10:31,110 --> 00:10:29,040

and again i went straight into research

270

00:10:33,590 --> 00:10:31,120

after that i had sightings of my own

271

00:10:35,910 --> 00:10:33,600

and years later we can talk about that

272

00:10:38,470 --> 00:10:35,920

you know just working with my witnesses

273

00:10:39,269 --> 00:10:38,480

um we've had my team have had some close

274

00:10:42,069 --> 00:10:39,279

encounters

275

00:10:43,350 --> 00:10:42,079

not only with entities but with ships so

276

00:10:45,350 --> 00:10:43,360

you know after that

277

00:10:46,630 --> 00:10:45,360

um i'll bring up one case that really

278

00:10:49,269 --> 00:10:46,640

changes please

279

00:10:49,990 --> 00:10:49,279

yeah it changed the way that you know in

280

00:10:52,470 --> 00:10:50,000

the way that

281

00:10:54,470 --> 00:10:52,480

in which i researched you know so

282

00:10:57,430 --> 00:10:54,480

probably when i was about 25

283

00:10:57,910 --> 00:10:57,440

26 i had a case of about 14 people on a

284

00:10:59,590 --> 00:10:57,920

beach

285

00:11:02,230 --> 00:10:59,600

it's 10 30 at night they were having a

286

00:11:04,790 --> 00:11:02,240

beach party and at one point

287

00:11:06,310 --> 00:11:04,800

they were all within 15 to 25 feet of

288

00:11:07,350 --> 00:11:06,320

each other so the sighting wasn't a

289

00:11:09,110 --> 00:11:07,360

relational

290

00:11:10,790 --> 00:11:09,120

issue or a problem meaning a

291

00:11:12,949 --> 00:11:10,800

perspectival problem

292

00:11:14,949 --> 00:11:12,959

but at one point four of the individuals

293

00:11:17,430 --> 00:11:14,959

started seeing this ufo out of the

294

00:11:20,230 --> 00:11:17,440

over the water it was probably about two

295

00:11:21,990 --> 00:11:20,240

and a half to three football fields

296

00:11:23,750 --> 00:11:22,000

and where was and where was this this

297

00:11:26,630 --> 00:11:23,760

was down in the gulf

298

00:11:27,990 --> 00:11:26,640

and um the ship was probably two or

299

00:11:29,910 --> 00:11:28,000

three hundred feet up and no matter

300

00:11:32,069 --> 00:11:29,920

what these four people did the other 10

301
00:11:34,870 --> 00:11:32,079
people could not see this ship

302
00:11:35,829 --> 00:11:34,880
and they they were questioned yep they

303
00:11:38,630 --> 00:11:35,839
were just you know

304
00:11:40,389 --> 00:11:38,640
they were credible and i was convinced

305
00:11:41,990 --> 00:11:40,399
you know at that point even after

306
00:11:44,550 --> 00:11:42,000
talking to a lot of my colleagues

307
00:11:46,710 --> 00:11:44,560
that you know this wasn't it wasn't drug

308
00:11:47,910 --> 00:11:46,720
induced it wasn't alcohol induced even

309
00:11:50,150 --> 00:11:47,920
if they were drug

310
00:11:52,230 --> 00:11:50,160
or alcohol people don't have the same

311
00:11:53,910 --> 00:11:52,240
hallucinations i mean you know that yes

312
00:11:56,790 --> 00:11:53,920
isn't that true i don't i don't believe

313
00:11:59,190 --> 00:11:56,800

i've ever found uh come across at drunk

314

00:12:00,230 --> 00:11:59,200

who have seen a ufo nor uh uh pink

315

00:12:03,509 --> 00:12:00,240

elephants for that

316

00:12:04,949 --> 00:12:03,519

matter you really have to be uh and

317

00:12:05,430 --> 00:12:04,959

believe me i've been out there on the

318

00:12:08,310 --> 00:12:05,440

street

319

00:12:08,870 --> 00:12:08,320

uh literally for uh many times and i've

320

00:12:10,710 --> 00:12:08,880

never

321

00:12:12,629 --> 00:12:10,720

seen anything unusual under those

322

00:12:15,269 --> 00:12:12,639

circumstances i did have one

323

00:12:16,710 --> 00:12:15,279

incident where i don't remember my

324

00:12:18,710 --> 00:12:16,720

apparently

325

00:12:20,949 --> 00:12:18,720

being in an altered state and telling

326

00:12:22,470 --> 00:12:20,959

people who was inside these crafts that

327

00:12:24,550 --> 00:12:22,480

were coming overhead

328

00:12:25,670 --> 00:12:24,560

in pine bush i don't remember but

329

00:12:27,110 --> 00:12:25,680

somebody told me that's

330

00:12:29,190 --> 00:12:27,120

what was happening but anyway this is

331

00:12:31,190 --> 00:12:29,200

your night so uh go ahead

332

00:12:32,710 --> 00:12:31,200

yeah well that's gonna tie into that so

333

00:12:35,430 --> 00:12:32,720

at that point i was

334

00:12:36,310 --> 00:12:35,440

truly convinced that my my theory began

335

00:12:39,269 --> 00:12:36,320

that these people

336

00:12:41,030 --> 00:12:39,279

actually could perceive a greater degree

337

00:12:42,870 --> 00:12:41,040

of the electromagnetic spectrum than

338

00:12:43,910 --> 00:12:42,880

those other individuals and my research

339

00:12:46,310 --> 00:12:43,920

has held

340

00:12:48,069 --> 00:12:46,320

so from that point on when i was young

341

00:12:49,990 --> 00:12:48,079

and poor and didn't have a lot of great

342

00:12:51,670 --> 00:12:50,000

equipment that i have now i had a steady

343

00:12:53,990 --> 00:12:51,680

stream of witnesses

344

00:12:55,350 --> 00:12:54,000

to study not only the witnesses and

345

00:12:58,870 --> 00:12:55,360

their case but the witness

346

00:13:01,030 --> 00:12:58,880

themselves and my research has just held

347

00:13:02,949 --> 00:13:01,040

after that meaning you know that some

348

00:13:03,910 --> 00:13:02,959

people had these different perceptual

349

00:13:05,350 --> 00:13:03,920

abilities

350

00:13:07,110 --> 00:13:05,360

and it was interesting they fell into

351
00:13:08,870 --> 00:13:07,120
two categories either

352
00:13:11,110 --> 00:13:08,880
the witnesses were born with these

353
00:13:12,389 --> 00:13:11,120
abilities very sensitive always having

354
00:13:14,550 --> 00:13:12,399
you know these kind of

355
00:13:15,509 --> 00:13:14,560
events happen to them from a young age

356
00:13:17,509 --> 00:13:15,519
or

357
00:13:19,190 --> 00:13:17,519
a person was just going along in their

358
00:13:21,750 --> 00:13:19,200
life normal and they had

359
00:13:22,710 --> 00:13:21,760
in my case a close range ufo sighting

360
00:13:25,110 --> 00:13:22,720
some kind of

361
00:13:26,790 --> 00:13:25,120
high strange event and from then on out

362
00:13:27,590 --> 00:13:26,800
it was like their neural anatomy was

363
00:13:29,509 --> 00:13:27,600

rewritten

364

00:13:31,110 --> 00:13:29,519

and it was they couldn't turn these

365

00:13:34,230 --> 00:13:31,120

channels off after that

366

00:13:36,790 --> 00:13:34,240

so my research has just held through

367

00:13:37,990 --> 00:13:36,800

38 years and i've just been fortunate

368

00:13:41,350 --> 00:13:38,000

enough to work with some

369

00:13:42,870 --> 00:13:41,360

really really incredible cases uh across

370

00:13:45,670 --> 00:13:42,880

the spectrum and so tim

371

00:13:47,590 --> 00:13:45,680

what i think is you know missing a

372

00:13:47,990 --> 00:13:47,600

little bit from ufo research we have to

373

00:13:50,230 --> 00:13:48,000

have our

374

00:13:52,150 --> 00:13:50,240

scientific research you know we use we

375

00:13:55,269 --> 00:13:52,160

throw everything at it

376

00:13:56,470 --> 00:13:55,279

but you cannot leave out the human

377

00:14:00,710 --> 00:13:56,480

component

378

00:14:03,750 --> 00:14:00,720

you know you are 100 you are 100

379

00:14:04,710 --> 00:14:03,760

correct in fact i have always said i i

380

00:14:08,470 --> 00:14:04,720

do not

381

00:14:14,150 --> 00:14:08,480

have any scientific uh background

382

00:14:16,710 --> 00:14:14,160

uh i um approach this as a

383

00:14:17,509 --> 00:14:16,720

an individual who is like the historian

384

00:14:19,670 --> 00:14:17,519

in the

385

00:14:22,790 --> 00:14:19,680

uh field i mean i i know stuff that

386

00:14:24,470 --> 00:14:22,800

happened going back to 1952

387

00:14:28,389 --> 00:14:24,480

i had my first sighting like when i was

388

00:14:31,350 --> 00:14:28,399

uh 10 years old in 1957

389

00:14:31,990 --> 00:14:31,360

uh but it is uh i've approached this as

390

00:14:35,110 --> 00:14:32,000

a uh

391

00:14:36,310 --> 00:14:35,120

as a journalist uh and presented all

392

00:14:39,110 --> 00:14:36,320

sides of the

393

00:14:40,790 --> 00:14:39,120

spectrum as far as this uh goes uh

394

00:14:41,189 --> 00:14:40,800

allowing people to tell their story and

395

00:14:43,829 --> 00:14:41,199

then

396

00:14:46,389 --> 00:14:43,839

it's up to the individual the researcher

397

00:14:49,750 --> 00:14:46,399

or investigator to decide whether it's a

398

00:14:51,509 --> 00:14:49,760

relevant uh or not now you say that

399

00:14:53,189 --> 00:14:51,519

some of these individuals who had these

400

00:14:55,750 --> 00:14:53,199

sightings and experiences

401
00:14:57,750 --> 00:14:55,760
uh it are you saying in effect that it

402
00:15:00,550 --> 00:14:57,760
expanded their consciousness

403
00:15:01,030 --> 00:15:00,560
absolutely so many that that could and

404
00:15:03,990 --> 00:15:01,040
i'm going to

405
00:15:04,790 --> 00:15:04,000
make some qualifications here you know

406
00:15:06,870 --> 00:15:04,800
people

407
00:15:08,470 --> 00:15:06,880
my real witnesses did not want this to

408
00:15:10,150 --> 00:15:08,480
be true you know

409
00:15:11,910 --> 00:15:10,160
most of them you know they had very

410
00:15:12,790 --> 00:15:11,920
traumatic experiences there's other

411
00:15:14,230 --> 00:15:12,800
witnesses

412
00:15:15,750 --> 00:15:14,240
you know that just have long-range

413
00:15:17,350 --> 00:15:15,760

sightings and you know there were some

414

00:15:17,990 --> 00:15:17,360

different components but the people that

415

00:15:20,310 --> 00:15:18,000

were having

416

00:15:21,590 --> 00:15:20,320

true true intrusions into their life

417

00:15:23,110 --> 00:15:21,600

into the reality

418

00:15:24,629 --> 00:15:23,120

you know most of these people were

419

00:15:26,790 --> 00:15:24,639

terrified you know i've never

420

00:15:28,310 --> 00:15:26,800

abandoned one of them and most of them

421

00:15:29,910 --> 00:15:28,320

that could work through the fear work

422

00:15:33,110 --> 00:15:29,920

through the experience they

423

00:15:35,269 --> 00:15:33,120

they really uh achieved or experienced

424

00:15:38,389 --> 00:15:35,279

incredible transformative events

425

00:15:41,030 --> 00:15:38,399

uh higher cognition um you know

426

00:15:43,269 --> 00:15:41,040

intelligence um i mean across the

427

00:15:43,990 --> 00:15:43,279

spectrum higher sensitivities that kind

428

00:15:46,389 --> 00:15:44,000

of thing

429

00:15:47,350 --> 00:15:46,399

uh it was pretty blatant you know across

430

00:15:49,990 --> 00:15:47,360

the research

431

00:15:51,590 --> 00:15:50,000

so um i think how could you not be

432

00:15:53,030 --> 00:15:51,600

fascinated with that you know my

433

00:15:54,069 --> 00:15:53,040

researchers and i've been out in the

434

00:15:56,069 --> 00:15:54,079

field for 38

435

00:15:58,069 --> 00:15:56,079

years you know we've all started to come

436

00:15:59,749 --> 00:15:58,079

to the same conclusions to some degree

437

00:16:00,629 --> 00:15:59,759

because the truth is the truth if you

438

00:16:02,470 --> 00:16:00,639

know what i mean

439

00:16:04,870 --> 00:16:02,480

i mean we all might say different words

440

00:16:06,150 --> 00:16:04,880

about it but one of the most exciting

441

00:16:08,870 --> 00:16:06,160

parts of this research

442

00:16:09,509 --> 00:16:08,880

is about human potential um it's almost

443

00:16:11,430 --> 00:16:09,519

like there's

444

00:16:13,509 --> 00:16:11,440

you know something out there you know

445

00:16:14,069 --> 00:16:13,519

beckoning us into other worlds to some

446

00:16:16,150 --> 00:16:14,079

degree

447

00:16:18,150 --> 00:16:16,160

and you know there's a lot of us on the

448

00:16:19,670 --> 00:16:18,160

edge you know taking those steps so

449

00:16:22,069 --> 00:16:19,680

you know my researchers and i that have

450

00:16:24,069 --> 00:16:22,079

been out in the field you know we say we

451
00:16:25,269 --> 00:16:24,079
know this is true we don't you know my

452
00:16:27,030 --> 00:16:25,279
book i put in there

453
00:16:28,710 --> 00:16:27,040
you know i said you know this is this

454
00:16:31,110 --> 00:16:28,720
book is not about proof

455
00:16:32,949 --> 00:16:31,120
um you know it's about the genuine

456
00:16:34,790 --> 00:16:32,959
stories of credible people

457
00:16:36,790 --> 00:16:34,800
and i said you know sometimes you can

458
00:16:38,870 --> 00:16:36,800
you know strive to have proof

459
00:16:40,949 --> 00:16:38,880
but sometimes if you strive after that

460
00:16:43,430 --> 00:16:40,959
you never have understanding

461
00:16:45,350 --> 00:16:43,440
so um you know we say our judicial

462
00:16:46,550 --> 00:16:45,360
system is based on credible witness

463
00:16:47,910 --> 00:16:46,560

testimony

464

00:16:49,910 --> 00:16:47,920

and i always thought it was rather

465

00:16:51,509 --> 00:16:49,920

strange that when those same types of

466

00:16:53,749 --> 00:16:51,519

credible people report

467

00:16:54,949 --> 00:16:53,759

extraordinary ufo sightings or high

468

00:16:56,710 --> 00:16:54,959

strange events

469

00:16:58,150 --> 00:16:56,720

you know in years past they've been so

470

00:17:00,389 --> 00:16:58,160

criticized and

471

00:17:02,069 --> 00:17:00,399

i just won't tolerate that you know for

472

00:17:04,470 --> 00:17:02,079

my witnesses because a lot of them

473

00:17:06,069 --> 00:17:04,480

have really gone through um some

474

00:17:07,350 --> 00:17:06,079

experiences you know i'm friends with

475

00:17:10,150 --> 00:17:07,360

travis walton we

476

00:17:11,909 --> 00:17:10,160

we talk often and you know you if you

477

00:17:13,750 --> 00:17:11,919

sit with travis you know something

478

00:17:16,230 --> 00:17:13,760

happened to him one of my best friends

479

00:17:17,990 --> 00:17:16,240

is deb jordan who was the subject of bud

480

00:17:20,069 --> 00:17:18,000

hopkins book intruders

481

00:17:22,150 --> 00:17:20,079

you know we talk about this often you

482

00:17:24,630 --> 00:17:22,160

know the the trauma and the fear that

483

00:17:26,789 --> 00:17:24,640

that people actually go through uh in

484

00:17:29,990 --> 00:17:26,799

some of these cases

485

00:17:33,190 --> 00:17:30,000

well now okay two quick uh questions

486

00:17:36,789 --> 00:17:33,200

uh back to back here uh would you say

487

00:17:40,549 --> 00:17:36,799

that uh most of these uh

488

00:17:42,950 --> 00:17:40,559

uh events are positive or negative

489

00:17:43,830 --> 00:17:42,960

and the second question being do you

490

00:17:46,070 --> 00:17:43,840

have any

491

00:17:47,350 --> 00:17:46,080

case uh that you've investigated where

492

00:17:51,029 --> 00:17:47,360

there is what you would call

493

00:17:52,789 --> 00:17:51,039

physical evidence involved absolutely

494

00:17:54,390 --> 00:17:52,799

you know the first question of course is

495

00:17:56,390 --> 00:17:54,400

extraordinarily hard that's

496

00:17:57,590 --> 00:17:56,400

that's like actually saying are humans

497

00:17:59,590 --> 00:17:57,600

good or bad

498

00:18:01,909 --> 00:17:59,600

you know i tell people we probably live

499

00:18:02,710 --> 00:18:01,919

in a you know almost limitless universe

500

00:18:05,830 --> 00:18:02,720

so we're gonna

501
00:18:07,590 --> 00:18:05,840
probably eventually encounter you know

502
00:18:09,590 --> 00:18:07,600
just you know i tell people think about

503
00:18:12,390 --> 00:18:09,600
humanity all the different races

504
00:18:14,150 --> 00:18:12,400
cultures religions political agendas

505
00:18:16,390 --> 00:18:14,160
you know good bad and different now

506
00:18:17,190 --> 00:18:16,400
expand that exponentially out into the

507
00:18:19,029 --> 00:18:17,200
universe

508
00:18:21,990 --> 00:18:19,039
and you know that'll kind of blow your

509
00:18:23,270 --> 00:18:22,000
brain so you know i would take each case

510
00:18:25,430 --> 00:18:23,280
you know individually

511
00:18:27,669 --> 00:18:25,440
there isn't a you know i don't have just

512
00:18:29,590 --> 00:18:27,679
one way of you know investigating you

513
00:18:31,350 --> 00:18:29,600

have to investigate the person

514

00:18:32,870 --> 00:18:31,360

you have to make emotional connections

515

00:18:34,630 --> 00:18:32,880

with people if you don't make true

516

00:18:36,070 --> 00:18:34,640

emotional connections they don't feel

517

00:18:36,870 --> 00:18:36,080

safe and they'll never give up the good

518

00:18:39,590 --> 00:18:36,880

stuff which

519

00:18:41,190 --> 00:18:39,600

i won't don't blame them you know so you

520

00:18:43,590 --> 00:18:41,200

have that kind of thing so

521

00:18:45,830 --> 00:18:43,600

you know i've had people that start off

522

00:18:47,430 --> 00:18:45,840

with terrifying events and then end up

523

00:18:49,190 --> 00:18:47,440

again in these huge transformative

524

00:18:51,029 --> 00:18:49,200

events and think about it you know

525

00:18:52,789 --> 00:18:51,039

totally different when we were young we

526

00:18:54,070 --> 00:18:52,799

had to go to the doctor and get shots

527

00:18:56,549 --> 00:18:54,080

and a lot of us were screaming and

528

00:18:58,549 --> 00:18:56,559

yelling and didn't want to go do it

529

00:19:00,470 --> 00:18:58,559

and then of course too is tim you both

530

00:19:02,390 --> 00:19:00,480

know there are dark things out there

531

00:19:03,110 --> 00:19:02,400

just like there are dark humans that are

532

00:19:05,270 --> 00:19:03,120

evil

533

00:19:06,549 --> 00:19:05,280

they're dark things so you know even

534

00:19:09,190 --> 00:19:06,559

with my team

535

00:19:10,950 --> 00:19:09,200

i say you know we make calls every day

536

00:19:12,630 --> 00:19:10,960

this is dangerous work sometimes i'm

537

00:19:13,029 --> 00:19:12,640

supposed to go out with a para military

538

00:19:16,150 --> 00:19:13,039

group

539

00:19:18,070 --> 00:19:16,160

um a couple of weeks and i mean they're

540

00:19:18,549 --> 00:19:18,080

basically they're busy in washington now

541

00:19:20,630 --> 00:19:18,559

so

542

00:19:22,150 --> 00:19:20,640

you might have to delay it well these

543

00:19:23,830 --> 00:19:22,160

guys are still supposed to go but

544

00:19:25,510 --> 00:19:23,840

they're a great team and you know i'm

545

00:19:27,270 --> 00:19:25,520

not like the normal girl i'm out there

546

00:19:28,710 --> 00:19:27,280

shopping for snake boots because you

547

00:19:31,350 --> 00:19:28,720

know we're going to be out

548

00:19:33,029 --> 00:19:31,360

in the middle of nowhere and so in this

549

00:19:36,070 --> 00:19:33,039

i'm sorry the second question

550

00:19:39,270 --> 00:19:36,080

um was uh fresh

551
00:19:42,390 --> 00:19:39,280
oh yeah was going to talk about yeah um

552
00:19:43,750 --> 00:19:42,400
one of my high profile cases that i talk

553
00:19:45,029 --> 00:19:43,760
about in my book and

554
00:19:46,950 --> 00:19:45,039
there's some great case it's not just

555
00:19:49,750 --> 00:19:46,960
pushing my book but

556
00:19:50,310 --> 00:19:49,760
you know i'm a true researcher i would i

557
00:19:53,510 --> 00:19:50,320
would

558
00:19:55,270 --> 00:19:53,520
push it yeah well it's you know people

559
00:19:57,110 --> 00:19:55,280
said ange you got to write about what

560
00:20:00,710 --> 00:19:57,120
you're experiencing you know and

561
00:20:01,909 --> 00:20:00,720
nobody knows and so i took a year to

562
00:20:03,990 --> 00:20:01,919
finally do that but

563
00:20:05,830 --> 00:20:04,000

one of my great cases that i just loved

564

00:20:10,070 --> 00:20:05,840

is the strange case of witness

565

00:20:12,470 --> 00:20:10,080

jay and it's some extraordinary

566

00:20:14,230 --> 00:20:12,480

evidence in this witness jay came home

567

00:20:16,549 --> 00:20:14,240

his father died

568

00:20:17,430 --> 00:20:16,559

very affluent family his mother a

569

00:20:19,830 --> 00:20:17,440

matriarch

570

00:20:22,789 --> 00:20:19,840

she had a military contracting clearance

571

00:20:24,070 --> 00:20:22,799

70 in her 70s carries like a 38 with her

572

00:20:26,630 --> 00:20:24,080

everywhere she goes

573

00:20:27,990 --> 00:20:26,640

could not be coerced did not believe in

574

00:20:30,470 --> 00:20:28,000

any of this stuff

575

00:20:31,990 --> 00:20:30,480

well he's out in his barn one evening he

576
00:20:33,350 --> 00:20:32,000
came home to inventory they were going

577
00:20:36,070 --> 00:20:33,360
to sell the place

578
00:20:37,830 --> 00:20:36,080
and he said angie found a nest of baby

579
00:20:39,990 --> 00:20:37,840
birds he took his phone out he was going

580
00:20:41,430 --> 00:20:40,000
to video him just to show his mom in the

581
00:20:43,270 --> 00:20:41,440
morning over coffee

582
00:20:44,630 --> 00:20:43,280
he puts his phone back in his pocket

583
00:20:46,310 --> 00:20:44,640
like he turns it off

584
00:20:47,669 --> 00:20:46,320
he always has his sidearm he's

585
00:20:49,430 --> 00:20:47,679
ex-military he said

586
00:20:52,310 --> 00:20:49,440
and all of a sudden it had the strangest

587
00:20:53,590 --> 00:20:52,320
compulsion to go to the side door he

588
00:20:57,350 --> 00:20:53,600

said he walks over to

589

00:20:58,470 --> 00:20:57,360

um a big tool table he takes his sidearm

590

00:21:00,390 --> 00:20:58,480

out which he never

591

00:21:02,149 --> 00:21:00,400

goes anywhere that's the first strange

592

00:21:03,110 --> 00:21:02,159

thing he takes the phone out sets it

593

00:21:06,870 --> 00:21:03,120

upside down

594

00:21:08,710 --> 00:21:06,880

on this tool table opens the door sees a

595

00:21:10,630 --> 00:21:08,720

bright flash of white light

596

00:21:13,110 --> 00:21:10,640

and the next thing he knows he wakes up

597

00:21:14,950 --> 00:21:13,120

on his back 80 feet from the barn

598

00:21:17,110 --> 00:21:14,960

well he knows nothing you know he

599

00:21:20,470 --> 00:21:17,120

doesn't know how many much time is

600

00:21:22,470 --> 00:21:20,480

left eventually he goes inside

601
00:21:24,710 --> 00:21:22,480
he finds out from his mom he wakes her

602
00:21:25,909 --> 00:21:24,720
up that three hours and 20 minutes has

603
00:21:29,430 --> 00:21:25,919
elapsed

604
00:21:32,710 --> 00:21:29,440
and he has no idea what has happened

605
00:21:33,830 --> 00:21:32,720
at all um you know he actually freaks

606
00:21:37,110 --> 00:21:33,840
out a little bit

607
00:21:39,510 --> 00:21:37,120
um it's a very complex story but

608
00:21:40,789 --> 00:21:39,520
what is so wonderful about the evidence

609
00:21:42,630 --> 00:21:40,799
mom being who she

610
00:21:44,549 --> 00:21:42,640
is and such a professional she thinks

611
00:21:45,270 --> 00:21:44,559
he's been mugged so she has him take his

612
00:21:47,590 --> 00:21:45,280
shirt off

613
00:21:50,390 --> 00:21:47,600

and she starts taking pictures he's got

614

00:21:52,950 --> 00:21:50,400

burn marks it looks like behind his ears

615

00:21:55,430 --> 00:21:52,960

uh burnt this grid mark on his head

616

00:21:57,350 --> 00:21:55,440

there are puncture marks under his arm

617

00:21:58,950 --> 00:21:57,360

and she is she's trying to get him to

618

00:21:59,590 --> 00:21:58,960

call the sheriff's department and he

619

00:22:02,870 --> 00:21:59,600

said no

620

00:22:05,029 --> 00:22:02,880

i just you know he was so you know

621

00:22:06,470 --> 00:22:05,039

just so confused at that moment you know

622

00:22:09,430 --> 00:22:06,480

he refused

623

00:22:11,270 --> 00:22:09,440

and but still mom's snapping away um you

624

00:22:12,549 --> 00:22:11,280

know she finally gets him settled he's

625

00:22:14,950 --> 00:22:12,559

craving salt

626

00:22:17,029 --> 00:22:14,960

which we all know as researchers is a

627

00:22:20,070 --> 00:22:17,039

common thing after missing time

628

00:22:22,149 --> 00:22:20,080

um he eats something he goes to bed um

629

00:22:23,830 --> 00:22:22,159

and before he goes to bed his mom says

630

00:22:25,830 --> 00:22:23,840

where's your sidearm where's your phone

631

00:22:27,190 --> 00:22:25,840

he goes well it's still out in the the

632

00:22:28,870 --> 00:22:27,200

barn i guess and

633

00:22:30,470 --> 00:22:28,880

she goes well i'll get my gun i love

634

00:22:33,110 --> 00:22:30,480

this and her little

635

00:22:34,310 --> 00:22:33,120

night code and says i'll cover you so

636

00:22:37,430 --> 00:22:34,320

they both walk back

637

00:22:38,390 --> 00:22:37,440

out nothing going on they get the the

638

00:22:41,350 --> 00:22:38,400

weapon and they

639

00:22:43,110 --> 00:22:41,360

get his phone and the phone is dead

640

00:22:44,870 --> 00:22:43,120

doesn't think anything about it

641

00:22:46,549 --> 00:22:44,880

so he comes back in they're all

642

00:22:49,029 --> 00:22:46,559

exhausted it's past 3

643

00:22:50,230 --> 00:22:49,039

30 in the morning now with the timeline

644

00:22:52,789 --> 00:22:50,240

they go to bed

645

00:22:54,710 --> 00:22:52,799

well the next morning he's on the farm

646

00:22:57,430 --> 00:22:54,720

he's helping mom so he gets up

647

00:22:59,190 --> 00:22:57,440

you know goes out and plows all day or

648

00:22:59,590 --> 00:22:59,200

bush hogs all day and he comes back in

649

00:23:02,390 --> 00:22:59,600

later

650

00:23:03,350 --> 00:23:02,400

plugs the phone in and he realizes that

651

00:23:06,870 --> 00:23:03,360

the phone

652

00:23:08,789 --> 00:23:06,880

never was turned off guys it was video

653

00:23:11,590 --> 00:23:08,799

and although it was turned upside down

654

00:23:12,230 --> 00:23:11,600

and we didn't get the video it we

655

00:23:14,950 --> 00:23:12,240

captured

656

00:23:17,750 --> 00:23:14,960

two hours and 20 minutes of the the

657

00:23:20,630 --> 00:23:17,760

craziest audio i've ever heard

658

00:23:22,070 --> 00:23:20,640

and and some big evidence i mean it

659

00:23:25,430 --> 00:23:22,080

sounds like non-human

660

00:23:27,430 --> 00:23:25,440

voices on this audio and all right let

661

00:23:29,270 --> 00:23:27,440

me let me hold you there because we have

662

00:23:30,549 --> 00:23:29,280

to go to our bottom of the hour break

663

00:23:33,669 --> 00:23:30,559

we'll continue this

664

00:23:34,390 --> 00:23:33,679

story with ufo girl on exploring the

665

00:23:52,710 --> 00:23:34,400

bazaar

666

00:23:54,710 --> 00:23:52,720

with two of the most electrifying

667

00:23:57,990 --> 00:23:54,720

researchers in the paranormal

668

00:24:02,470 --> 00:23:58,000

your hosts timothy beckley and tim

669

00:24:06,789 --> 00:24:04,390

welcome back to exploring the bazaar i'm

670

00:24:09,669 --> 00:24:06,799

tim schwartz tonight our guest

671

00:24:10,230 --> 00:24:09,679

is angelia shear she's the author of the

672

00:24:13,350 --> 00:24:10,240

book

673

00:24:16,470 --> 00:24:13,360

ufo encounters how strange events

674

00:24:18,230 --> 00:24:16,480

transform human perception nigelia we

675

00:24:19,510 --> 00:24:18,240

had to interrupt you uh to go to our

676
00:24:20,789 --> 00:24:19,520
bottom of the hour break but you were

677
00:24:23,669 --> 00:24:20,799
telling us the uh

678
00:24:24,310 --> 00:24:23,679
story and i'd like you to finish it up

679
00:24:27,110 --> 00:24:24,320
we

680
00:24:29,269 --> 00:24:27,120
you stopped when you said that uh he

681
00:24:29,590 --> 00:24:29,279
discovered that his telephone had been

682
00:24:37,190 --> 00:24:29,600
uh

683
00:24:39,510 --> 00:24:37,200
continue

684
00:24:40,789 --> 00:24:39,520
absolutely um what was so interesting

685
00:24:43,110 --> 00:24:40,799
and i'm going to tie it back into the

686
00:24:45,590 --> 00:24:43,120
paranormal here with you guys but

687
00:24:47,110 --> 00:24:45,600
um what was interesting as soon as uh

688
00:24:50,230 --> 00:24:47,120

the witness sent a report

689

00:24:50,789 --> 00:24:50,240

you know there's this moment when i call

690

00:24:53,430 --> 00:24:50,799

it like

691

00:24:55,510 --> 00:24:53,440

buyer's remorse a lot of true witnesses

692

00:24:56,470 --> 00:24:55,520

they'll get the courage to make a report

693

00:24:58,789 --> 00:24:56,480

and then

694

00:24:59,990 --> 00:24:58,799

they just can't do it and they'll renege

695

00:25:02,470 --> 00:25:00,000

you know and so i

696

00:25:04,230 --> 00:25:02,480

knew that we had a chance of that with

697

00:25:04,710 --> 00:25:04,240

this witness because it was so intense

698

00:25:07,430 --> 00:25:04,720

so

699

00:25:08,789 --> 00:25:07,440

i emailed him nothing i thought oh

700

00:25:10,870 --> 00:25:08,799

please please please

701
00:25:12,549 --> 00:25:10,880
and he came through he's unbelievable

702
00:25:14,390 --> 00:25:12,559
he's actually gone on the radio with me

703
00:25:16,950 --> 00:25:14,400
so anyway we got the team together we

704
00:25:18,789 --> 00:25:16,960
went out there immediately

705
00:25:20,549 --> 00:25:18,799
and we got there 10 30 in the morning

706
00:25:21,669 --> 00:25:20,559
deployed all the equipment went around

707
00:25:23,830 --> 00:25:21,679
the property

708
00:25:25,750 --> 00:25:23,840
and just to make a long story short and

709
00:25:26,549 --> 00:25:25,760
we can talk about it more in depth later

710
00:25:29,190 --> 00:25:26,559
but

711
00:25:30,470 --> 00:25:29,200
the first time that we um went in the

712
00:25:33,590 --> 00:25:30,480
office and he

713
00:25:35,029 --> 00:25:33,600

shared the audio uh i'm a nurse and you

714

00:25:35,350 --> 00:25:35,039

know i've been working with witnesses

715

00:25:37,830 --> 00:25:35,360

too

716

00:25:40,310 --> 00:25:37,840

and studying trauma um as soon as the

717

00:25:41,269 --> 00:25:40,320

audio came on his pupils dilated his

718

00:25:43,190 --> 00:25:41,279

neck flush

719

00:25:44,390 --> 00:25:43,200

his hand started shaking he had an

720

00:25:47,669 --> 00:25:44,400

immediate

721

00:25:48,549 --> 00:25:47,679

traumatic response just to the audio

722

00:25:51,110 --> 00:25:48,559

playing

723

00:25:51,830 --> 00:25:51,120

so it really whatever happened to him

724

00:25:54,230 --> 00:25:51,840

something

725

00:25:56,630 --> 00:25:54,240

happened to him that was my first you

726

00:25:57,430 --> 00:25:56,640

know moment that i knew something really

727

00:26:00,870 --> 00:25:57,440

happened to this

728

00:26:02,230 --> 00:26:00,880

this man and after that just with how my

729

00:26:04,710 --> 00:26:02,240

research goes

730

00:26:05,350 --> 00:26:04,720

all excuse my language hell broke loose

731

00:26:07,909 --> 00:26:05,360

for him

732

00:26:08,789 --> 00:26:07,919

i mean um this family was well to do so

733

00:26:11,830 --> 00:26:08,799

they were able to

734

00:26:14,549 --> 00:26:11,840

uh purchase a high security system they

735

00:26:16,390 --> 00:26:14,559

had things that would hit the house

736

00:26:18,710 --> 00:26:16,400

i have a lecture that i do and i have

737

00:26:20,549 --> 00:26:18,720

the video that you know he's a he's a

738

00:26:22,549 --> 00:26:20,559

researcher with me if it wasn't for him

739

00:26:25,190 --> 00:26:22,559

we wouldn't have caught it but

740

00:26:26,750 --> 00:26:25,200

there's one uh clear video that we have

741

00:26:29,510 --> 00:26:26,760

of a huge orb

742

00:26:32,310 --> 00:26:29,520

self-illuminating pulsing not a dust

743

00:26:33,909 --> 00:26:32,320

moat you know it was self-illuminated

744

00:26:35,510 --> 00:26:33,919

that you know just flies through the

745

00:26:37,750 --> 00:26:35,520

middle of their house and goes out

746

00:26:38,630 --> 00:26:37,760

a window that kind of thing started

747

00:26:40,390 --> 00:26:38,640

happening or

748

00:26:42,870 --> 00:26:40,400

you know he said ange one night i just

749

00:26:45,029 --> 00:26:42,880

had this feeling again to go outside

750

00:26:47,190 --> 00:26:45,039

took his equipment and there's this ufo

751
00:26:48,710 --> 00:26:47,200
that's just hovering over his house just

752
00:26:51,669 --> 00:26:48,720
flashing away

753
00:26:52,310 --> 00:26:51,679
and you know we captured the the video

754
00:26:55,430 --> 00:26:52,320
of that

755
00:26:57,590 --> 00:26:55,440
so these things um the high strange

756
00:27:00,549 --> 00:26:57,600
events the paranormal events i think you

757
00:27:02,070 --> 00:27:00,559
guys probably had that in my intro

758
00:27:04,549 --> 00:27:02,080
my father taught me to be a good

759
00:27:06,710 --> 00:27:04,559
scientist and when i was young

760
00:27:08,549 --> 00:27:06,720
you know there was this purest attitude

761
00:27:09,510 --> 00:27:08,559
that you need to just leave this

762
00:27:12,789 --> 00:27:09,520
paranormal

763
00:27:14,870 --> 00:27:12,799

um you know things evidence out and my

764

00:27:17,190 --> 00:27:14,880

definition guys a paranormal is not a

765

00:27:19,830 --> 00:27:17,200

ghost although it could include that

766

00:27:20,630 --> 00:27:19,840

my definition of paranormal is just you

767

00:27:22,950 --> 00:27:20,640

know events

768

00:27:23,990 --> 00:27:22,960

our science doesn't have an explanation

769

00:27:26,710 --> 00:27:24,000

for

770

00:27:28,389 --> 00:27:26,720

so as you know i studied more and took

771

00:27:30,549 --> 00:27:28,399

on more witnesses

772

00:27:32,950 --> 00:27:30,559

what i came to see is that my witness is

773

00:27:35,590 --> 00:27:32,960

that the highest percentage that had

774

00:27:37,350 --> 00:27:35,600

ongoing events meaning they were having

775

00:27:39,029 --> 00:27:37,360

i think tim you you mentioned your

776
00:27:41,029 --> 00:27:39,039
sightings a lot of these witnesses would

777
00:27:42,070 --> 00:27:41,039
have sightings periodically throughout

778
00:27:44,230 --> 00:27:42,080
their life

779
00:27:46,950 --> 00:27:44,240
what was also present was a high

780
00:27:48,789 --> 00:27:46,960
incidence of these paranormal events

781
00:27:50,630 --> 00:27:48,799
and then that led me to study at the

782
00:27:51,510 --> 00:27:50,640
monroe institute you know study

783
00:27:53,350 --> 00:27:51,520
perception

784
00:27:54,950 --> 00:27:53,360
and then you know study my witnesses

785
00:27:57,029 --> 00:27:54,960
because it was

786
00:27:59,110 --> 00:27:57,039
i have kind of an analogy if humans have

787
00:28:01,350 --> 00:27:59,120
the possibility of perceiving channels

788
00:28:02,230 --> 00:28:01,360

one through ten let's say this is a very

789

00:28:04,710 --> 00:28:02,240

simplified

790

00:28:06,549 --> 00:28:04,720

analogy most people are only perceiving

791

00:28:08,789 --> 00:28:06,559

channels one through two

792

00:28:09,830 --> 00:28:08,799

psychics and sensitive maybe one through

793

00:28:12,070 --> 00:28:09,840

four or five

794

00:28:14,549 --> 00:28:12,080

after that you train to perceive like

795

00:28:16,230 --> 00:28:14,559

meditation you know different

796

00:28:17,590 --> 00:28:16,240

techniques like we did at monroe with

797

00:28:19,669 --> 00:28:17,600

technology

798

00:28:21,269 --> 00:28:19,679

and it was almost like my witnesses you

799

00:28:23,669 --> 00:28:21,279

know would be going along

800

00:28:25,590 --> 00:28:23,679

one through three have a paranormal high

801
00:28:27,350 --> 00:28:25,600
strange event ufo encounter

802
00:28:28,789 --> 00:28:27,360
and then all of a sudden they were privy

803
00:28:31,990 --> 00:28:28,799
to channels one through eight

804
00:28:33,990 --> 00:28:32,000
and things were coming in and eventually

805
00:28:36,070 --> 00:28:34,000
you know what i started to see is once

806
00:28:37,029 --> 00:28:36,080
these channels are open you can't really

807
00:28:40,230 --> 00:28:37,039
shut them down

808
00:28:43,669 --> 00:28:40,240
not without a lot of effort so

809
00:28:45,909 --> 00:28:43,679
it just led me on a great adventure

810
00:28:48,149 --> 00:28:45,919
throughout my life not only making some

811
00:28:49,269 --> 00:28:48,159
wonderful friends which i have people

812
00:28:51,750 --> 00:28:49,279
all over the world

813
00:28:53,110 --> 00:28:51,760

unbelievable people special people that

814

00:28:56,389 --> 00:28:53,120

truly seem to

815

00:28:58,070 --> 00:28:56,399

have some um interes they don't seem to

816

00:29:01,990 --> 00:28:58,080

they have an interesting life

817

00:29:04,310 --> 00:29:02,000

have ongoing paranormal ufo events and

818

00:29:05,909 --> 00:29:04,320

are truly transformed in in many ways

819

00:29:08,389 --> 00:29:05,919

over these events

820

00:29:09,269 --> 00:29:08,399

so now did you try um hypnotic

821

00:29:11,029 --> 00:29:09,279

regression

822

00:29:13,350 --> 00:29:11,039

on the the witness to see what may have

823

00:29:16,230 --> 00:29:13,360

happened to him over those three hours

824

00:29:17,269 --> 00:29:16,240

yes i did not do the regression on him

825

00:29:19,669 --> 00:29:17,279

we were so

826

00:29:20,549 --> 00:29:19,679

close at that point you know as far as

827

00:29:22,789 --> 00:29:20,559

our families

828

00:29:24,310 --> 00:29:22,799

i did find another therapist and she

829

00:29:27,029 --> 00:29:24,320

came in we thought that would be

830

00:29:28,070 --> 00:29:27,039

better at the time and he wanted me

831

00:29:31,190 --> 00:29:28,080

there present

832

00:29:31,990 --> 00:29:31,200

and we did do hypnosis um you know again

833

00:29:34,389 --> 00:29:32,000

this is a

834

00:29:35,430 --> 00:29:34,399

very involved case it's going on four

835

00:29:38,230 --> 00:29:35,440

years now

836

00:29:39,990 --> 00:29:38,240

and he did actually remember some other

837

00:29:43,430 --> 00:29:40,000

things but it got so much for

838

00:29:45,350 --> 00:29:43,440

him after about i don't know 40 minutes

839

00:29:47,430 --> 00:29:45,360

he was re-experienced something actually

840

00:29:48,310 --> 00:29:47,440

just came out of it it was too much for

841

00:29:50,630 --> 00:29:48,320

him so

842

00:29:51,510 --> 00:29:50,640

uh we will probably pursue that at some

843

00:29:53,510 --> 00:29:51,520

point but

844

00:29:55,110 --> 00:29:53,520

you know again you know you have to let

845

00:29:56,070 --> 00:29:55,120

the witness kind of integrate what's

846

00:29:59,110 --> 00:29:56,080

happened to them

847

00:30:01,750 --> 00:29:59,120

in their own time so sure

848

00:30:02,950 --> 00:30:01,760

all right well we have a question from

849

00:30:06,389 --> 00:30:02,960

one of our listeners

850

00:30:09,430 --> 00:30:06,399

uh this is from cosmonaut 57 and uh

851
00:30:11,830 --> 00:30:09,440
cosmonaut 57 wants to know uh what uh

852
00:30:12,870 --> 00:30:11,840
what's the strangest ufo or abduction

853
00:30:16,389 --> 00:30:12,880
case that uh

854
00:30:18,389 --> 00:30:16,399
that you've investigated well you know

855
00:30:20,149 --> 00:30:18,399
i have i've probably interviewed three

856
00:30:22,789 --> 00:30:20,159
thousand people at this point

857
00:30:24,470 --> 00:30:22,799
but one that that i'm just you know so i

858
00:30:25,029 --> 00:30:24,480
can choose from a lot of things but this

859
00:30:26,870 --> 00:30:25,039
one was

860
00:30:28,389 --> 00:30:26,880
i had never had anything happen to me

861
00:30:29,510 --> 00:30:28,399
like this and guys i've seen a lot of

862
00:30:31,669 --> 00:30:29,520
weird stuff i mean

863
00:30:33,430 --> 00:30:31,679

my team have had ufos come down over our

864

00:30:34,630 --> 00:30:33,440

head just like they in hover there like

865

00:30:36,789 --> 00:30:34,640

they knew we were there

866

00:30:38,950 --> 00:30:36,799

we saw we've seen entities out in the

867

00:30:39,510 --> 00:30:38,960

woods real entities these weren't ghosts

868

00:30:41,269 --> 00:30:39,520

they were

869

00:30:43,830 --> 00:30:41,279

clear on our fleur cameras that kind of

870

00:30:46,230 --> 00:30:43,840

thing but one of the things that i think

871

00:30:46,870 --> 00:30:46,240

your listener would enjoy is i had a

872

00:30:49,990 --> 00:30:46,880

young man

873

00:30:52,149 --> 00:30:50,000

call me a few years ago in

874

00:30:53,750 --> 00:30:52,159

or send a report and when he he was

875

00:30:54,789 --> 00:30:53,760

praying in his late 20s but when he was

876

00:30:57,990 --> 00:30:54,799

13 or

877

00:30:59,269 --> 00:30:58,000

um 14 he had a sighting when he was

878

00:31:01,909 --> 00:30:59,279

young on his farm

879

00:31:03,110 --> 00:31:01,919

he was at his grandparents house and he

880

00:31:04,950 --> 00:31:03,120

went by a window

881

00:31:06,149 --> 00:31:04,960

and there were these aliens looking in

882

00:31:08,549 --> 00:31:06,159

the window i mean

883

00:31:11,830 --> 00:31:08,559

very clear three of them it turned their

884

00:31:13,669 --> 00:31:11,840

head he was almost frozen in fright

885

00:31:15,590 --> 00:31:13,679

and this young man i was so taken even

886

00:31:17,350 --> 00:31:15,600

though it was a historical case i was so

887

00:31:20,230 --> 00:31:17,360

taken with his sincerity

888

00:31:21,110 --> 00:31:20,240

and you know you just you know tim you

889

00:31:22,389 --> 00:31:21,120

you at our

890

00:31:23,990 --> 00:31:22,399

you know when we've been investigating

891

00:31:26,549 --> 00:31:24,000

you just know when someone's telling you

892

00:31:28,549 --> 00:31:26,559

the truth you know he was very sincere

893

00:31:30,230 --> 00:31:28,559

and so i told him i said you know i'm so

894

00:31:31,110 --> 00:31:30,240

taken with your sincerity and what

895

00:31:33,430 --> 00:31:31,120

happened to you

896

00:31:35,110 --> 00:31:33,440

um i'm going to bring a team down there

897

00:31:36,230 --> 00:31:35,120

and we don't care if anything happens

898

00:31:38,389 --> 00:31:36,240

we're going to bring the whole

899

00:31:39,990 --> 00:31:38,399

shebang all the gear and we're just

900

00:31:41,909 --> 00:31:40,000

going to have fun and talk to you about

901
00:31:43,830 --> 00:31:41,919
your event so he said great so we go

902
00:31:45,190 --> 00:31:43,840
over to the plate about a four-hour

903
00:31:47,269 --> 00:31:45,200
drive

904
00:31:49,669 --> 00:31:47,279
the whole day we sent out the drones we

905
00:31:51,909 --> 00:31:49,679
did all of our topos you know we

906
00:31:53,190 --> 00:31:51,919
looked at you know the property measured

907
00:31:55,350 --> 00:31:53,200
you know electromagnetic

908
00:31:56,950 --> 00:31:55,360
spectrum and the first strange thing

909
00:31:59,509 --> 00:31:56,960
that we had happened

910
00:32:01,509 --> 00:31:59,519
was we have a you know we have our field

911
00:32:03,590 --> 00:32:01,519
meters that measure the fluctuation in

912
00:32:05,110 --> 00:32:03,600
the electromagnetic fields but also i

913
00:32:06,630 --> 00:32:05,120

picked up a little gadget that i like

914

00:32:08,789 --> 00:32:06,640

it's a bug detector

915

00:32:11,350 --> 00:32:08,799

and it truly is a bug detector we use it

916

00:32:13,029 --> 00:32:11,360

to sweep the interior of witnesses homes

917

00:32:14,070 --> 00:32:13,039

to see if their house is bugged it picks

918

00:32:16,789 --> 00:32:14,080

up the three major

919

00:32:18,870 --> 00:32:16,799

cellular bandwidths and so my

920

00:32:20,549 --> 00:32:18,880

co-investigator my team spreads out you

921

00:32:21,430 --> 00:32:20,559

know the military guy he asks his

922

00:32:24,230 --> 00:32:21,440

questions

923

00:32:25,509 --> 00:32:24,240

you know i do my communications and um

924

00:32:27,350 --> 00:32:25,519

josh

925

00:32:29,029 --> 00:32:27,360

cross my assistant state director he was

926
00:32:32,789 --> 00:32:29,039
doing the equipment sweeps

927
00:32:35,269 --> 00:32:32,799
so he had the bug detector in his pocket

928
00:32:36,470 --> 00:32:35,279
and he just turned it on coordinated it

929
00:32:39,029 --> 00:32:36,480
or you know

930
00:32:41,190 --> 00:32:39,039
got it set and we weren't going to use

931
00:32:42,630 --> 00:32:41,200
it till we went into the house and so as

932
00:32:45,669 --> 00:32:42,640
he was doing his sweep

933
00:32:47,990 --> 00:32:45,679
with the field meters he went he came by

934
00:32:51,269 --> 00:32:48,000
a tree and the bug detector went off

935
00:32:52,389 --> 00:32:51,279
and he was like what so three times we

936
00:32:54,549 --> 00:32:52,399
recalibrated

937
00:32:56,070 --> 00:32:54,559
and at about three and a half feet up

938
00:32:56,710 --> 00:32:56,080

this tree it looked like the tree had

939

00:32:59,750 --> 00:32:56,720

actually

940

00:33:01,590 --> 00:32:59,760

had been cut and healed the bug detector

941

00:33:04,710 --> 00:33:01,600

went off so it means the tree was

942

00:33:07,190 --> 00:33:04,720

producing some kind of

943

00:33:09,990 --> 00:33:07,200

frequency in the cellular bandwidth we

944

00:33:12,870 --> 00:33:10,000

found three trees that triangulated this

945

00:33:13,590 --> 00:33:12,880

man's house that gave off a cellular

946

00:33:16,789 --> 00:33:13,600

frequency

947

00:33:18,710 --> 00:33:16,799

never seen that before freaked us out so

948

00:33:20,870 --> 00:33:18,720

we just made a note about it it was

949

00:33:23,669 --> 00:33:20,880

getting late by this time

950

00:33:25,029 --> 00:33:23,679

it was probably about 11 45 we'd been

951
00:33:27,029 --> 00:33:25,039
there all day we prayed a four and a

952
00:33:28,070 --> 00:33:27,039
half hour drive home you know we take

953
00:33:31,430 --> 00:33:28,080
our time

954
00:33:33,350 --> 00:33:31,440
so josh comes you know i have to back up

955
00:33:33,990 --> 00:33:33,360
the witness also reported i forgot this

956
00:33:35,990 --> 00:33:34,000
part

957
00:33:37,990 --> 00:33:36,000
that from a very young age age he

958
00:33:39,990 --> 00:33:38,000
suffered from nosebleeds out of one

959
00:33:41,350 --> 00:33:40,000
the right side of his nose which many of

960
00:33:43,830 --> 00:33:41,360
my abduction cases

961
00:33:45,669 --> 00:33:43,840
you know that's a very common element to

962
00:33:48,149 --> 00:33:45,679
their to their stories

963
00:33:49,110 --> 00:33:48,159

is that they've had constant nosebleeds

964

00:33:51,669 --> 00:33:49,120

so anyway

965

00:33:53,350 --> 00:33:51,679

josh my assistant director i was in um

966

00:33:55,029 --> 00:33:53,360

talking to the family thanking them for

967

00:33:57,190 --> 00:33:55,039

letting us trap on their property all

968

00:33:59,029 --> 00:33:57,200

day and josh comes running in he goes

969

00:34:00,389 --> 00:33:59,039

angel i want to try and experiment with

970

00:34:01,430 --> 00:34:00,399

this witness he said he would do it and

971

00:34:02,789 --> 00:34:01,440

i said well sure

972

00:34:05,350 --> 00:34:02,799

what do you want to do and he said well

973

00:34:07,269 --> 00:34:05,360

i want to take the bug detector

974

00:34:08,629 --> 00:34:07,279

and cor and you know calibrate it and i

975

00:34:10,950 --> 00:34:08,639

want to put it up to his face

976
00:34:12,550 --> 00:34:10,960
on that side of his nose well we've

977
00:34:14,310 --> 00:34:12,560
never done that that that piece of

978
00:34:17,349 --> 00:34:14,320
equipment is not used to measure

979
00:34:19,510 --> 00:34:17,359
any biologic entity but we thought well

980
00:34:20,629 --> 00:34:19,520
trees like you know why not you know

981
00:34:22,869 --> 00:34:20,639
we're here

982
00:34:23,990 --> 00:34:22,879
so we go outside and tim and tim you've

983
00:34:26,869 --> 00:34:24,000
got to imagine we're

984
00:34:28,950 --> 00:34:26,879
standing on this driveway uh it's 11 30

985
00:34:30,710 --> 00:34:28,960
at night there's a security light you

986
00:34:33,589 --> 00:34:30,720
know in their driveway

987
00:34:35,990 --> 00:34:33,599
um right above us it's on and so we

988
00:34:37,829 --> 00:34:36,000

calibrate it we test this instrument on

989

00:34:39,109 --> 00:34:37,839

we had about some of the family and

990

00:34:40,950 --> 00:34:39,119

friends were around because you know a

991

00:34:42,710 --> 00:34:40,960

lot of times when we say we're coming in

992

00:34:44,550 --> 00:34:42,720

town people want to come over and watch

993

00:34:46,069 --> 00:34:44,560

and we say well sure

994

00:34:47,829 --> 00:34:46,079

so we had a little group of people there

995

00:34:50,470 --> 00:34:47,839

and we calibrated it tested on

996

00:34:52,069 --> 00:34:50,480

ourselves nothing happened we put it up

997

00:34:52,869 --> 00:34:52,079

to this young man's face and the thing

998

00:34:56,149 --> 00:34:52,879

went off

999

00:34:57,510 --> 00:34:56,159

i mean full blast we stopped we

1000

00:35:00,470 --> 00:34:57,520

always do things in threes we

1001
00:35:02,150 --> 00:35:00,480
recalibrated tested on us nothing put it

1002
00:35:02,630 --> 00:35:02,160
back up to this young man again second

1003
00:35:05,670 --> 00:35:02,640
time

1004
00:35:07,109 --> 00:35:05,680
off the charts now here it comes i told

1005
00:35:09,430 --> 00:35:07,119
him i said everybody get the video

1006
00:35:12,790 --> 00:35:09,440
cameras we're gonna you know we're gonna

1007
00:35:14,950 --> 00:35:12,800
document this so third time put it up to

1008
00:35:17,270 --> 00:35:14,960
this young man's face and guys i kid you

1009
00:35:19,510 --> 00:35:17,280
not his nose started pouring blood

1010
00:35:20,550 --> 00:35:19,520
i mean it was bleeding so bad we had to

1011
00:35:22,390 --> 00:35:20,560
stop

1012
00:35:24,710 --> 00:35:22,400
his you know his family went in got

1013
00:35:26,069 --> 00:35:24,720

towels and you know to stop this so

1014

00:35:27,910 --> 00:35:26,079

whatever this

1015

00:35:29,349 --> 00:35:27,920

you know our instrument did it seemed to

1016

00:35:32,069 --> 00:35:29,359

activate something

1017

00:35:33,430 --> 00:35:32,079

and soon as his nose started bleeding i

1018

00:35:35,430 --> 00:35:33,440

swear to god now here comes the

1019

00:35:38,230 --> 00:35:35,440

paranormal point that security light

1020

00:35:40,950 --> 00:35:38,240

went completely out and the last thing

1021

00:35:43,670 --> 00:35:40,960

you hear my witness say on the audio

1022

00:35:45,349 --> 00:35:43,680

is well i guess they didn't like that

1023

00:35:46,790 --> 00:35:45,359

look we've stored up stirred up a

1024

00:35:49,030 --> 00:35:46,800

hornet's nest

1025

00:35:51,190 --> 00:35:49,040

so i have to say that was one of the

1026

00:35:53,510 --> 00:35:51,200

strangest things i've personally been

1027

00:35:54,870 --> 00:35:53,520

present there's no way that instrument

1028

00:35:57,990 --> 00:35:54,880

should have measured anything

1029

00:35:59,910 --> 00:35:58,000

on his in his body and certainly not

1030

00:36:03,109 --> 00:35:59,920

trigger a nosebleed which it seemed to

1031

00:36:03,890 --> 00:36:03,119

do so that was pretty strange

1032

00:36:07,349 --> 00:36:03,900

very strange

1033

00:36:10,310 --> 00:36:07,359

[Laughter]

1034

00:36:10,950 --> 00:36:10,320

you should have him go in some time to

1035

00:36:16,150 --> 00:36:10,960

be

1036

00:36:20,069 --> 00:36:18,550

might pull it clear out of his face just

1037

00:36:21,109 --> 00:36:20,079

to see if there is something you know

1038

00:36:25,750 --> 00:36:21,119

that can be uh

1039

00:36:28,710 --> 00:36:25,760

seen in that uh that part of his sinus

1040

00:36:30,550 --> 00:36:28,720

right well um he hasn't had any other

1041

00:36:31,510 --> 00:36:30,560

experiences things have calmed down now

1042

00:36:33,430 --> 00:36:31,520

one thing again

1043

00:36:35,349 --> 00:36:33,440

we were talking about the strange things

1044

00:36:36,790 --> 00:36:35,359

that plagued my life you know when i was

1045

00:36:40,069 --> 00:36:36,800

a young researcher

1046

00:36:42,150 --> 00:36:40,079

i swear my my mail was opened my phones

1047

00:36:44,230 --> 00:36:42,160

were tapped you know i used to laugh and

1048

00:36:47,990 --> 00:36:44,240

say if this is all just a bunch of

1049

00:36:49,589 --> 00:36:48,000

you know fantasy why is that happening

1050

00:36:51,430 --> 00:36:49,599

but a lot of it's true researchers we

1051
00:36:54,230 --> 00:36:51,440
had that happen years ago

1052
00:36:55,270 --> 00:36:54,240
and this young man after that event all

1053
00:36:57,910 --> 00:36:55,280
of us started

1054
00:37:00,150 --> 00:36:57,920
uh and again i'm not dramatic i'm very

1055
00:37:02,790 --> 00:37:00,160
you know i'm actually very skeptical

1056
00:37:04,790 --> 00:37:02,800
but after that event all of us received

1057
00:37:06,550 --> 00:37:04,800
probably for about eight days very

1058
00:37:08,630 --> 00:37:06,560
strange phone calls

1059
00:37:10,069 --> 00:37:08,640
um you know i got i would never forget i

1060
00:37:12,150 --> 00:37:10,079
had my briefcase and i was getting in

1061
00:37:12,790 --> 00:37:12,160
the car one day and my phone went off

1062
00:37:14,470 --> 00:37:12,800
and

1063
00:37:15,750 --> 00:37:14,480

um i thought well i'll just call him

1064

00:37:17,109 --> 00:37:15,760

back once i get in the car and get

1065

00:37:18,950 --> 00:37:17,119

settled and i mean it wasn't

1066

00:37:22,470 --> 00:37:18,960

a minute or two and i called back and it

1067

00:37:24,710 --> 00:37:22,480

said this number is disconnected

1068

00:37:26,230 --> 00:37:24,720

you know and you know so he got strange

1069

00:37:27,190 --> 00:37:26,240

phone calls and one night he actually

1070

00:37:29,349 --> 00:37:27,200

scared me a little

1071

00:37:30,230 --> 00:37:29,359

um he called me my witnesses are you

1072

00:37:32,230 --> 00:37:30,240

know very

1073

00:37:33,750 --> 00:37:32,240

kind they don't bug me you know they're

1074

00:37:35,589 --> 00:37:33,760

they're very credible people

1075

00:37:36,790 --> 00:37:35,599

he called me late and he said andrew i'm

1076

00:37:38,550 --> 00:37:36,800

a little freaked out i'm coming home

1077

00:37:40,230 --> 00:37:38,560

from work and there's a black sedan

1078

00:37:42,870 --> 00:37:40,240

that's been following me

1079

00:37:43,990 --> 00:37:42,880

so i said will you go somewhere public i

1080

00:37:47,030 --> 00:37:44,000

i don't care where you go

1081

00:37:49,109 --> 00:37:47,040

if there's a police precinct you know

1082

00:37:51,190 --> 00:37:49,119

a gas to anywhere there's other people

1083

00:37:52,710 --> 00:37:51,200

and he didn't call me back for about

1084

00:37:54,630 --> 00:37:52,720

half hour so i was a little bit worried

1085

00:37:56,390 --> 00:37:54,640

but he got home fine and everything was

1086

00:37:58,470 --> 00:37:56,400

fine so we did have some

1087

00:38:00,310 --> 00:37:58,480

strange things that happened after that

1088

00:38:04,470 --> 00:38:00,320

investigation

1089

00:38:07,670 --> 00:38:04,480

which that aspect of of

1090

00:38:08,790 --> 00:38:07,680

of our research has always kind of

1091

00:38:13,190 --> 00:38:08,800

mystified me

1092

00:38:16,630 --> 00:38:13,200

because if you think that

1093

00:38:19,750 --> 00:38:16,640

you're being say like uh uh

1094

00:38:20,550 --> 00:38:19,760

spied on by the government or the cia

1095

00:38:23,990 --> 00:38:20,560

nsa

1096

00:38:27,750 --> 00:38:24,000

or or what have you why would they

1097

00:38:29,109 --> 00:38:27,760

do things like that that are so apparent

1098

00:38:31,829 --> 00:38:29,119

that somebody is actually doing

1099

00:38:35,510 --> 00:38:31,839

something being followed by a black car

1100

00:38:38,790 --> 00:38:35,520

weird phone calls i mean that's

1101

00:38:42,069 --> 00:38:38,800

that just asks for you to

1102

00:38:44,550 --> 00:38:42,079

talk about it on shows like ours yeah

1103

00:38:45,430 --> 00:38:44,560

well exactly and you know once it's

1104

00:38:46,790 --> 00:38:45,440

old-timers

1105

00:38:48,870 --> 00:38:46,800

you know like you guys all of us that

1106

00:38:50,790 --> 00:38:48,880

have been doing this for a long time

1107

00:38:52,150 --> 00:38:50,800

you know i'm sure they're you know just

1108

00:38:54,150 --> 00:38:52,160

like the government's admitted they've

1109

00:38:57,109 --> 00:38:54,160

been studying ufos all along

1110

00:38:59,109 --> 00:38:57,119

well you know all this always can't over

1111

00:38:59,990 --> 00:38:59,119

into the paranormal stuff i'm reminded

1112

00:39:02,550 --> 00:39:00,000

of uh

1113

00:39:04,230 --> 00:39:02,560

the mothman prophecies you know in john

1114

00:39:06,710 --> 00:39:04,240

keele's work you know where

1115

00:39:07,829 --> 00:39:06,720

inquiry cold and you know they had all

1116

00:39:09,910 --> 00:39:07,839

those phone calls

1117

00:39:11,030 --> 00:39:09,920

and you know you just get bizarre stuff

1118

00:39:13,829 --> 00:39:11,040

happening and

1119

00:39:15,829 --> 00:39:13,839

you know it it's funny i'm just used to

1120

00:39:18,310 --> 00:39:15,839

it after all these years you know we all

1121

00:39:20,230 --> 00:39:18,320

just you know stick together but it does

1122

00:39:22,150 --> 00:39:20,240

happen it almost makes you feel like

1123

00:39:24,230 --> 00:39:22,160

like what you said that there's more to

1124

00:39:25,910 --> 00:39:24,240

it than just a human intervention

1125

00:39:28,069 --> 00:39:25,920

you know there seems to always be these

1126

00:39:30,150 --> 00:39:28,079

paranormal components

1127

00:39:32,069 --> 00:39:30,160

almost other reality kind of components

1128

00:39:35,030 --> 00:39:32,079

to some of these things

1129

00:39:36,950 --> 00:39:35,040

exactly which which leads me to my next

1130

00:39:40,550 --> 00:39:36,960

question

1131

00:39:43,349 --> 00:39:40,560

when it comes to the witnesses and

1132

00:39:44,710 --> 00:39:43,359

these especially these high strangeness

1133

00:39:51,109 --> 00:39:44,720

events

1134

00:39:52,790 --> 00:39:51,119

are centered on the witnesses especially

1135

00:39:56,150 --> 00:39:52,800

the ones that seem to have

1136

00:39:59,670 --> 00:39:56,160

repeat experiences all of their lives

1137

00:40:00,710 --> 00:39:59,680

or do you think that um there could be

1138

00:40:03,349 --> 00:40:00,720

something to do with

1139

00:40:05,510 --> 00:40:03,359

with a location because we all know that

1140

00:40:07,510 --> 00:40:05,520

there are various hot spots

1141

00:40:09,190 --> 00:40:07,520

you know all over the planet and you

1142

00:40:12,150 --> 00:40:09,200

know this person may have just been

1143

00:40:13,349 --> 00:40:12,160

at the uh wrong place at the wrong time

1144

00:40:15,510 --> 00:40:13,359

or the right place in the wrong

1145

00:40:16,950 --> 00:40:15,520

at the right time exactly and and then

1146

00:40:18,790 --> 00:40:16,960

the phenomena just

1147

00:40:20,069 --> 00:40:18,800

as it's well known to do just attaches

1148

00:40:23,030 --> 00:40:20,079

itself to them

1149

00:40:23,670 --> 00:40:23,040

at that point and i would say all of the

1150

00:40:25,910 --> 00:40:23,680

above

1151
00:40:27,109 --> 00:40:25,920
and i'm not answering that easily of

1152
00:40:28,710 --> 00:40:27,119
course we have found

1153
00:40:30,870 --> 00:40:28,720
this location i'm supposed to be

1154
00:40:33,030 --> 00:40:30,880
researching next weekend

1155
00:40:35,349 --> 00:40:33,040
um is almost been described as a

1156
00:40:37,430 --> 00:40:35,359
miniature uh skinwalker ranch

1157
00:40:39,430 --> 00:40:37,440
i mean this team have captured multiple

1158
00:40:41,430 --> 00:40:39,440
entities they had one member actually

1159
00:40:43,349 --> 00:40:41,440
disappear in the front of all of them in

1160
00:40:45,670 --> 00:40:43,359
a flash and reappear and he has no

1161
00:40:46,870 --> 00:40:45,680
memory we'll just have to see about you

1162
00:40:48,870 --> 00:40:46,880
know some of that we're going to

1163
00:40:50,870 --> 00:40:48,880

hopefully capture some things so

1164

00:40:52,630 --> 00:40:50,880

yeah i think there's places on the earth

1165

00:40:55,430 --> 00:40:52,640

where definitively you know

1166

00:40:57,670 --> 00:40:55,440

that we know that that uh for whatever

1167

00:41:00,790 --> 00:40:57,680

reason either high magnetic fields

1168

00:41:01,750 --> 00:41:00,800

or you know who knows there's things

1169

00:41:04,550 --> 00:41:01,760

that happen

1170

00:41:05,990 --> 00:41:04,560

and then the what you talked about with

1171

00:41:08,309 --> 00:41:06,000

the witnesses um

1172

00:41:10,390 --> 00:41:08,319

yeah i mean they're we have to remember

1173

00:41:12,710 --> 00:41:10,400

the perceptual component

1174

00:41:15,430 --> 00:41:12,720

they're forever changed most of them and

1175

00:41:17,430 --> 00:41:15,440

again if you take the channel analogy

1176
00:41:19,109 --> 00:41:17,440
they've gone from perceiving channels

1177
00:41:19,990 --> 00:41:19,119
one through three now to one through

1178
00:41:22,150 --> 00:41:20,000
eight

1179
00:41:24,230 --> 00:41:22,160
and i think a lot of these things are

1180
00:41:27,510 --> 00:41:24,240
around us all the time we're just

1181
00:41:27,990 --> 00:41:27,520
mostly blind to it you know to some

1182
00:41:29,750 --> 00:41:28,000
degree

1183
00:41:31,430 --> 00:41:29,760
with a lot of witnesses and again that

1184
00:41:32,630 --> 00:41:31,440
doesn't mean that things aren't hard and

1185
00:41:35,430 --> 00:41:32,640
fast and real

1186
00:41:36,790 --> 00:41:35,440
they are so we have a lot of you know

1187
00:41:38,710 --> 00:41:36,800
different things kind of happening at

1188
00:41:40,790 --> 00:41:38,720

one time

1189

00:41:42,150 --> 00:41:40,800

yeah i had sent you uh today uh uh

1190

00:41:43,349 --> 00:41:42,160

earlier i guess you'll be getting it in

1191

00:41:46,150 --> 00:41:43,359

a week or so

1192

00:41:46,870 --> 00:41:46,160

a copy of this book that i put together

1193

00:41:50,390 --> 00:41:46,880

recently

1194

00:41:50,790 --> 00:41:50,400

uh ufos deja vu over and over again as

1195

00:41:53,430 --> 00:41:50,800

these

1196

00:41:54,950 --> 00:41:53,440

hot spots that we've investigated

1197

00:41:59,109 --> 00:41:54,960

everywhere from the uh

1198

00:42:02,790 --> 00:41:59,119

in sedona uh arizona to the saint louis

1199

00:42:04,790 --> 00:42:02,800

valley in colorado in mexico uh

1200

00:42:06,309 --> 00:42:04,800

they're popping up all over the place we

1201

00:42:10,230 --> 00:42:06,319

are good friends with the

1202

00:42:13,430 --> 00:42:10,240

paul eno who does his own podcast on

1203

00:42:15,109 --> 00:42:13,440

sunday out of rhode island and he wrote

1204

00:42:18,150 --> 00:42:15,119

recently for a book that tim schwartz

1205

00:42:20,870 --> 00:42:18,160

did a incredible alien encounters about

1206

00:42:22,470 --> 00:42:20,880

a spot in pennsylvania where they have

1207

00:42:24,470 --> 00:42:22,480

been going for the last

1208

00:42:25,670 --> 00:42:24,480

probably what tim about two years at

1209

00:42:28,870 --> 00:42:25,680

least yes

1210

00:42:30,230 --> 00:42:28,880

yeah yeah and um it includes includes

1211

00:42:31,430 --> 00:42:30,240

all the strangeness that you could

1212

00:42:33,910 --> 00:42:31,440

possibly find

1213

00:42:34,790 --> 00:42:33,920

uh you know ufo uh encounters i think

1214

00:42:37,349 --> 00:42:34,800

some even

1215

00:42:38,150 --> 00:42:37,359

uh mysterious uh individuals showing up

1216

00:42:42,150 --> 00:42:38,160

in

1217

00:42:43,910 --> 00:42:42,160

bigfoot

1218

00:42:45,750 --> 00:42:43,920

have you had any of the sightings of

1219

00:42:49,030 --> 00:42:45,760

creatures in

1220

00:42:50,390 --> 00:42:49,040

coordination with the ufos absolutely

1221

00:42:52,390 --> 00:42:50,400

and you know i'm sure you guys are

1222

00:42:53,510 --> 00:42:52,400

familiar with stan gordon's work up in

1223

00:42:56,470 --> 00:42:53,520

pennsylvania

1224

00:42:57,910 --> 00:42:56,480

i mean back in the 70s i did a lecture

1225

00:43:00,790 --> 00:42:57,920

in some of his material i think there

1226

00:43:03,030 --> 00:43:00,800

were 275 cases within a year

1227

00:43:04,710 --> 00:43:03,040

of ufo sightings in conjunction with

1228

00:43:06,309 --> 00:43:04,720

bigfoot sightings or what seemed to be

1229

00:43:08,550 --> 00:43:06,319

some kind of cryptid

1230

00:43:09,910 --> 00:43:08,560

um in the case that i spoke about with

1231

00:43:12,150 --> 00:43:09,920

the missing time

1232

00:43:13,829 --> 00:43:12,160

the you know already it's strange enough

1233

00:43:14,150 --> 00:43:13,839

what happened to this individual and it

1234

00:43:16,309 --> 00:43:14,160

was

1235

00:43:18,630 --> 00:43:16,319

probably later on that he you know

1236

00:43:21,589 --> 00:43:18,640

confided to me they live on a huge farm

1237

00:43:23,030 --> 00:43:21,599

with woods and he said and i was on my

1238

00:43:25,109 --> 00:43:23,040

four-wheeler taking the dog

1239

00:43:27,430 --> 00:43:25,119

out one night and they were down on a

1240

00:43:29,670 --> 00:43:27,440

path and he saw something and you know

1241

00:43:31,030 --> 00:43:29,680

it's amazing people won't say

1242

00:43:32,550 --> 00:43:31,040

bigfoot and i don't blame they're not

1243

00:43:34,150 --> 00:43:32,560

going to say that you know they'll say i

1244

00:43:36,470 --> 00:43:34,160

just saw this dark figure

1245

00:43:37,270 --> 00:43:36,480

standing over in the woods um that kind

1246

00:43:39,349 --> 00:43:37,280

of thing and

1247

00:43:40,309 --> 00:43:39,359

you know it scares them to death most

1248

00:43:42,390 --> 00:43:40,319

people um

1249

00:43:44,150 --> 00:43:42,400

you know my latest thing is i've gotten

1250

00:43:46,069 --> 00:43:44,160

into interviewing hunters

1251

00:43:47,670 --> 00:43:46,079

i mean these are good old boys had a gun

1252

00:43:48,550 --> 00:43:47,680

since they were four and don't believe

1253

00:43:51,510 --> 00:43:48,560

in any of this

1254

00:43:52,550 --> 00:43:51,520

and in my book one of the cases was orbs

1255

00:43:54,550 --> 00:43:52,560

tim that

1256

00:43:55,670 --> 00:43:54,560

actually followed these hunters you know

1257

00:43:58,230 --> 00:43:55,680

back to their truck

1258

00:43:59,349 --> 00:43:58,240

so um i really like those guys they're

1259

00:44:01,910 --> 00:43:59,359

very dependable and

1260

00:44:02,390 --> 00:44:01,920

they're not making a story up so yes

1261

00:44:06,069 --> 00:44:02,400

from

1262

00:44:06,470 --> 00:44:06,079

orbs cryptids um i mean anyone that does

1263

00:44:10,630 --> 00:44:06,480

this

1264

00:44:12,390 --> 00:44:10,640

draw an imaginary circle

1265

00:44:14,630 --> 00:44:12,400

and it doesn't matter where you start

1266

00:44:15,270 --> 00:44:14,640

investigating if you start with ufos you

1267

00:44:17,510 --> 00:44:15,280

finally get

1268

00:44:19,270 --> 00:44:17,520

paranormal and ghostly phenomena if you

1269

00:44:20,390 --> 00:44:19,280

start with ghosts you get cryptids if

1270

00:44:24,630 --> 00:44:20,400

you start with cryptids

1271

00:44:28,390 --> 00:44:24,640

you get ufos so um you know this is

1272

00:44:29,910 --> 00:44:28,400

a very strange um endeavor we've all

1273

00:44:31,750 --> 00:44:29,920

taken on here and that's why the

1274

00:44:34,790 --> 00:44:31,760

perceptual component i think

1275

00:44:35,510 --> 00:44:34,800

offers a huge explanation uh to the

1276

00:44:39,190 --> 00:44:35,520

variety of

1277

00:44:42,630 --> 00:44:42,150

all right well unfortunately we are at

1278

00:44:46,550 --> 00:44:42,640

about

1279

00:44:48,710 --> 00:44:46,560

end of our show so

1280

00:44:50,550 --> 00:44:48,720

uh angelia i'd like to give you the

1281

00:44:52,790 --> 00:44:50,560

chance to let our audience know

1282

00:44:53,750 --> 00:44:52,800

where they can find your book tell us

1283

00:44:56,630 --> 00:44:53,760

the title again

1284

00:44:58,309 --> 00:44:56,640

and do you have a website or any

1285

00:45:00,790 --> 00:44:58,319

anyplace else online that

1286

00:45:01,349 --> 00:45:00,800

people can look you up absolutely you

1287

00:45:04,470 --> 00:45:01,359

can just

1288

00:45:07,910 --> 00:45:04,480

very easy it's angelia shearer.com is my

1289

00:45:10,390 --> 00:45:07,920

website i'm on facebook at [angelia shear](#)

1290

00:45:11,630 --> 00:45:10,400

and you can if you want a signed copy of

1291

00:45:13,510 --> 00:45:11,640

my book you can just go to

1292

00:45:15,190 --> 00:45:13,520

angeliasher.com and make an order there

1293

00:45:17,750 --> 00:45:15,200

and i'll be happy to sign it and send it

1294

00:45:20,630 --> 00:45:17,760

to you or it's available on amazon

1295

00:45:21,270 --> 00:45:20,640

and it's ufo encounters how high strange

1296

00:45:24,710 --> 00:45:21,280

events

1297

00:45:26,710 --> 00:45:24,720

transform human perception and i really

1298

00:45:28,950 --> 00:45:26,720

thank you guys for asking me on tonight

1299

00:45:30,950 --> 00:45:28,960

i really enjoy talking to you

1300

00:45:32,069 --> 00:45:30,960

well we are going to have you back on at

1301

00:45:33,829 --> 00:45:32,079

the end of the

1302

00:45:35,109 --> 00:45:33,839

uh the summer and perhaps you can bring

1303

00:45:36,870 --> 00:45:35,119

on that uh

1304

00:45:38,309 --> 00:45:36,880

individual with the experience and maybe

1305

00:45:41,670 --> 00:45:38,319

play part of the tape

1306

00:45:45,750 --> 00:45:41,680

uh for us absolutely yeah absolutely

1307

00:45:48,950 --> 00:45:45,760

absolutely and in fact i'm looking uh

1308

00:45:50,390 --> 00:45:48,960

uh forward to reading your book and uh

1309

00:45:52,790 --> 00:45:50,400

like i say i sent you a couple of things

1310

00:45:55,349 --> 00:45:52,800

in the mail and let us continue our

1311

00:45:55,910 --> 00:45:55,359

research together and don't forget our

1312

00:45:59,829 --> 00:45:55,920

youtube

1313

00:46:02,309 --> 00:45:59,839

ufo's

1314

00:46:04,790 --> 00:46:02,319

secret of files we should be adding

1315

00:46:09,349 --> 00:46:04,800

quite a few new programs

1316

00:46:11,190 --> 00:46:09,359

up there shortly so tim

1317

00:46:13,270 --> 00:46:11,200

i guess this concludes the program for

1318

00:46:15,109 --> 00:46:13,280

this evening and we'll be back in a

1319

00:46:18,309 --> 00:46:15,119

week's time

1320

00:46:21,030 --> 00:46:18,319

yeah it uh uh uh absolutely fantastic

1321

00:46:23,030 --> 00:46:21,040

uh having you uh on with us tonight

1322

00:46:24,390 --> 00:46:23,040

angelia and i just uh i i need to

1323

00:46:26,069 --> 00:46:24,400

comment tim before uh

1324

00:46:27,670 --> 00:46:26,079

we run out of time here that you know

1325

00:46:30,710 --> 00:46:27,680

tennessee it

1326

00:46:32,470 --> 00:46:30,720

has been a hotbed of all kinds of

1327

00:46:34,790 --> 00:46:32,480

bizarre activity i mean you know you've

1328

00:46:35,910 --> 00:46:34,800

got ufos bigfoot and let's not forget uh

1329

00:46:37,910 --> 00:46:35,920

one of our uh

1330

00:46:39,589 --> 00:46:37,920

our favorite ghost stories uh the bell

1331

00:46:41,910 --> 00:46:39,599

witch uh right there

1332

00:46:43,670 --> 00:46:41,920

oh yeah bell witch project well you know

1333

00:46:46,710 --> 00:46:43,680

i'm going to sneak back

1334

00:46:50,950 --> 00:46:46,720

to that uh bar that we were in

1335

00:46:51,430 --> 00:46:50,960

before and maybe maybe maybe the alien

1336

00:46:54,309 --> 00:46:51,440

has

1337

00:46:54,790 --> 00:46:54,319

disappeared and i continue can continue

1338

00:46:57,349 --> 00:46:54,800

my

1339

00:46:58,550 --> 00:46:57,359

conversation with that very uh uh a

1340

00:47:02,230 --> 00:46:58,560

lovely uh lady

1341

00:47:04,710 --> 00:47:02,240

that was hovering above the bar

1342

00:47:15,510 --> 00:47:04,720

good night guys thank you so much thank

1343

00:47:18,950 --> 00:47:17,670

you've been listening to exploring the

1344

00:47:21,670 --> 00:47:18,960

bazaars

1345

00:47:23,270 --> 00:47:21,680

with hosts timothy beckley and tim

1346

00:47:25,349 --> 00:47:23,280

schwartz

1347

00:47:27,670 --> 00:47:25,359

they're taking back the night by jetting

1348

00:47:29,829 --> 00:47:27,680

non-stop across the cosmos

1349

00:47:31,510 --> 00:47:29,839

in search of the truly bizarre and

1350

00:47:34,950 --> 00:47:31,520

totally unexplained

1351
00:47:36,230 --> 00:47:34,960
with you as their coal miners thursday

1352
00:47:40,549 --> 00:47:36,240
nights at 7 pm

1353
00:47:43,190 --> 00:47:40,559
pacific 10 p.m eastern on the kcor

1354
00:47:46,069 --> 00:47:43,200
digital radio network for more

1355
00:47:48,230 --> 00:47:46,079
information on exploring the bazaar

1356
00:47:51,030 --> 00:47:48,240
and hosts timothy beckley and tim

1357
00:47:53,109 --> 00:47:51,040
schwartz check out their kcor digital

1358
00:47:56,309 --> 00:47:53,119
radio network

1359
00:48:00,150 --> 00:47:56,319
follow their youtube channel at mr

1360
00:48:10,790 --> 00:48:00,160
ufo 1100 exploring

1361
00:48:10,800 --> 00:48:18,829
[Music]

1362
00:48:18,839 --> 00:48:32,020
hmm
