1
00:00:00,140 --> 00:00:14,910

[Music]

2
00:00:14,920 --> 00:00:21,830

um

3
00:00:21,840 --> 00:00:29,830

[Music]

4
00:00:33,430 --> 00:00:32,069
we're electrifying hosts of exploring

5
00:00:41,350 --> 00:00:33,440
the bazaar

6
00:00:45,350 --> 00:00:44,630
oh god it's kind of chilly over here in

7
00:00:49,110 --> 00:00:45,360
the uk

8
00:00:51,270 --> 00:00:49,120
tim was especially at night

9
00:00:53,510 --> 00:00:51,280
you know the looks like the fog should

10
00:00:55,670 --> 00:00:53,520
start rolling in pretty soon

11
00:00:58,470 --> 00:00:55,680
and and look over there that lighthouse

12
00:01:00,229 --> 00:00:58,480
looks looks really spooky tonight you

13
00:01:03,750 --> 00:01:00,239

can almost imagine that it's a

14

00:01:06,310 --> 00:01:03,760

ufo peeking through the mist

15

00:01:07,750 --> 00:01:06,320

well tim give me those binoculars yup

16

00:01:12,070 --> 00:01:07,760

okay just what i thought

17

00:01:13,990 --> 00:01:12,080

that that isn't a lighthouse it is a ufo

18

00:01:15,670 --> 00:01:14,000

yeah yeah they're pretty much proven

19

00:01:16,870 --> 00:01:15,680

that you can't see the beacon out in the

20

00:01:18,390 --> 00:01:16,880

woods because of a

21

00:01:21,510 --> 00:01:18,400

metal plate that blocks it when the

22

00:01:24,550 --> 00:01:21,520

light revolves in our direction

23

00:01:26,950 --> 00:01:24,560

okay that's such a strange

24

00:01:29,749 --> 00:01:26,960

looking and you know the the military

25

00:01:31,670 --> 00:01:29,759

base has been closed down for years uh

26
00:01:33,990 --> 00:01:31,680
you would think the saucer people would

27
00:01:36,149 --> 00:01:34,000
keep a safe distance from us creepy

28
00:01:37,990 --> 00:01:36,159
tourists

29
00:01:39,350 --> 00:01:38,000
looks like it's ready to land in the

30
00:01:42,230 --> 00:01:39,360
clearing over there

31
00:01:42,870 --> 00:01:42,240
should we approach the craft and welcome

32
00:01:46,389 --> 00:01:42,880
whoever

33
00:01:48,710 --> 00:01:46,399
steps out so we are dealing with

34
00:01:50,310 --> 00:01:48,720
we could be dealing with time travelers

35
00:01:53,190 --> 00:01:50,320
men from another planet

36
00:01:56,310 --> 00:01:53,200
or possibly even a hologram projected by

37
00:01:58,789 --> 00:01:56,320
a secret branch of the c.i.a

38
00:02:01,510 --> 00:01:58,799

well okay maybe our special guest

39

00:02:03,749 --> 00:02:01,520

tonight can fill us in on the details um

40

00:02:05,190 --> 00:02:03,759

i say we split like the wind and head

41

00:02:08,630 --> 00:02:05,200

back to the kcr

42

00:02:11,270 --> 00:02:08,640

studios in balmy las vegas well uh

43

00:02:11,670 --> 00:02:11,280

i'm i'm i'm with you there let's get the

44

00:02:15,030 --> 00:02:11,680

hell

45

00:02:16,630 --> 00:02:15,040

out of here and get get back to balmy

46

00:02:20,229 --> 00:02:16,640

vegas just like you said

47

00:02:25,670 --> 00:02:23,350

this is much better yeah it is

48

00:02:28,470 --> 00:02:25,680

uh yeah well i don't know it's pretty

49

00:02:31,430 --> 00:02:28,480

it's pretty hot out in the desert

50

00:02:33,350 --> 00:02:31,440

yeah but it's a dry heat too oh i hear

51

00:02:37,030 --> 00:02:33,360

that i hear that all the time

52

00:02:39,750 --> 00:02:37,040

it's a dry heat yeah yeah yeah well it's

53

00:02:40,869 --> 00:02:39,760

it's not that dry uh anyway i'm i'm

54

00:02:44,070 --> 00:02:40,879

looking for a big

55

00:02:50,869 --> 00:02:47,589

well just uh uh come and join me here in

56

00:02:54,550 --> 00:02:50,879

southern indiana to him and um

57

00:02:56,949 --> 00:02:54,560

you just stand out in my backyard and

58

00:02:57,910 --> 00:02:56,959

the air around you it's just it's like

59

00:03:00,949 --> 00:02:57,920

one big

60

00:03:02,550 --> 00:03:00,959

swimming pool wow there you go anyway

61

00:03:05,589 --> 00:03:02,560

tim how you doing these days

62

00:03:08,070 --> 00:03:05,599

um i'm doing fine it's uh

63

00:03:10,470 --> 00:03:08,080

like i said it's a typical summer in

64

00:03:12,229 --> 00:03:10,480

indiana so you know you you don't

65

00:03:14,710 --> 00:03:12,239

don't need a swimming pool just uh just

66

00:03:16,869 --> 00:03:14,720

go outside and enjoy the humidity

67

00:03:19,750 --> 00:03:16,879

well there you go and bigfoot is out in

68

00:03:22,869 --> 00:03:19,760

all of his glory

69

00:03:26,229 --> 00:03:22,879

um i have not seen

70

00:03:29,270 --> 00:03:26,239

bigfoot around here now some uh uh

71

00:03:31,589 --> 00:03:29,280

uh big uh black panther types of

72

00:03:32,869 --> 00:03:31,599

the beasties have been have been seen

73

00:03:34,869 --> 00:03:32,879

around here but uh

74

00:03:36,390 --> 00:03:34,879

it's been a long time since uh since

75

00:03:37,670 --> 00:03:36,400

there's been any bigfoot in southern

76

00:03:39,589 --> 00:03:37,680

indiana

77

00:03:41,030 --> 00:03:39,599

well i'm sure that we can conjure up a

78

00:03:44,309 --> 00:03:41,040

few anyway tim

79

00:03:46,630 --> 00:03:44,319

we have an old friend on

80

00:03:47,509 --> 00:03:46,640

this evening uh a friend of the show and

81

00:03:51,910 --> 00:03:47,519

a friend of

82

00:03:55,270 --> 00:03:51,920

us for uh many years uh now um

83

00:03:55,910 --> 00:03:55,280

nick nick nick nick uh redford that's

84

00:03:57,990 --> 00:03:55,920

right

85

00:03:59,110 --> 00:03:58,000

there you go and uh why don't you give

86

00:04:01,670 --> 00:03:59,120

us a uh

87

00:04:03,509 --> 00:04:01,680

skinny on the mini and tell us what nick

88

00:04:06,070 --> 00:04:03,519

has been up to

89

00:04:07,589 --> 00:04:06,080

all right well yeah like you said dick

90

00:04:09,270 --> 00:04:07,599

redford's our guest tonight i

91

00:04:11,509 --> 00:04:09,280

i really don't think that i have to go

92

00:04:14,789 --> 00:04:11,519

into uh too much because uh

93

00:04:17,349 --> 00:04:14,799

he is well known amongst

94

00:04:18,870 --> 00:04:17,359

all of us and all of our listeners but

95

00:04:22,069 --> 00:04:18,880

nick is a full-time author and

96

00:04:22,550 --> 00:04:22,079

journalist specializing in a wide range

97

00:04:25,030 --> 00:04:22,560

of

98

00:04:26,150 --> 00:04:25,040

unsolved mysteries like bigfoot like

99

00:04:29,189 --> 00:04:26,160

this monster ufo

100

00:04:31,909 --> 00:04:29,199

sightings government conspiracies and

101
00:04:32,870 --> 00:04:31,919
other paranormal phenomena tonight we'll

102
00:04:35,510 --> 00:04:32,880
be talking about

103
00:04:36,629 --> 00:04:35,520
uh his most recent books the rental

104
00:04:40,390 --> 00:04:36,639
shroom forest

105
00:04:41,670 --> 00:04:40,400
ufo conspiracy a close encounter exposed

106
00:04:44,070 --> 00:04:41,680
as a top secret

107
00:04:46,070 --> 00:04:44,080
government experiment and hopefully

108
00:04:49,430 --> 00:04:46,080
we'll get a chance to talk about

109
00:04:52,070 --> 00:04:49,440
his uh new book monsters of the deep

110
00:04:53,189 --> 00:04:52,080
which is set to be released on next week

111
00:04:54,950 --> 00:04:53,199
on august 4th

112
00:04:57,110 --> 00:04:54,960
so nick great to have you back on

113
00:04:58,710 --> 00:04:57,120

exploring the bazaar

114

00:05:02,390 --> 00:04:58,720

hey guys well thanks for having me on

115

00:05:04,550 --> 00:05:02,400

again well you you bet you bet your life

116

00:05:05,830 --> 00:05:04,560

hey uh you know i i gotta ask you this

117

00:05:08,230 --> 00:05:05,840

thing i mean uh

118

00:05:09,189 --> 00:05:08,240

i i i gotta ask you this i mean you

119

00:05:12,390 --> 00:05:09,199

could have picked any

120

00:05:15,110 --> 00:05:12,400

ufo case to to write about you got the

121

00:05:16,550 --> 00:05:15,120

material and the uh the resources

122

00:05:18,629 --> 00:05:16,560

why in god's name did you pick

123

00:05:19,029 --> 00:05:18,639

rendleship which has been uh written

124

00:05:21,909 --> 00:05:19,039

about

125

00:05:22,710 --> 00:05:21,919

uh so many times and uh you know i i

126

00:05:25,150 --> 00:05:22,720

must say that i

127

00:05:27,110 --> 00:05:25,160

i kind of feel responsible or at least

128

00:05:28,790 --> 00:05:27,120

semi-responsible for bringing

129

00:05:30,390 --> 00:05:28,800

that case to the attention of the

130

00:05:33,909 --> 00:05:30,400

american public

131

00:05:36,950 --> 00:05:33,919

because uh i published

132

00:05:38,950 --> 00:05:36,960

jenny randall's book on ed from out of

133

00:05:42,150 --> 00:05:38,960

the blue and sold the paperback uh

134

00:05:45,270 --> 00:05:42,160

rights and uh of course we've had peter

135

00:05:46,469 --> 00:05:45,280

uh robinson many many times and i still

136

00:05:49,990 --> 00:05:46,479

consider myself a

137

00:05:52,710 --> 00:05:50,000

a close friend of uh

138

00:05:54,390 --> 00:05:52,720

larry warren and in fact when jim

139

00:05:58,309 --> 00:05:54,400

burroughs came back

140

00:06:04,070 --> 00:06:01,430

family europe he

141

00:06:05,830 --> 00:06:04,080

moved to the phoenix area and we just

142

00:06:06,469 --> 00:06:05,840

happened to be having a ufo conference

143

00:06:10,390 --> 00:06:06,479

out there

144

00:06:13,110 --> 00:06:10,400

so lo and behold i invited burroughs and

145

00:06:14,710 --> 00:06:13,120

larry warren to debate on stage and that

146

00:06:16,950 --> 00:06:14,720

was the first time they had met each

147

00:06:20,230 --> 00:06:16,960

other or

148

00:06:21,670 --> 00:06:20,240

for many many years but again why did

149

00:06:23,270 --> 00:06:21,680

you pick that case and

150

00:06:25,430 --> 00:06:23,280

what can you tell us that's new about

151

00:06:27,590 --> 00:06:25,440

bent waters

152

00:06:28,469 --> 00:06:27,600

well i mean there's no doubt that

153

00:06:31,110 --> 00:06:28,479

rendlesham

154

00:06:32,550 --> 00:06:31,120

as a case is sort of up there you know

155

00:06:34,950 --> 00:06:32,560

along with roswell

156

00:06:36,070 --> 00:06:34,960

and the betty and body hill case in

157

00:06:39,189 --> 00:06:36,080

terms of

158

00:06:41,670 --> 00:06:39,199

people knowing the story and it becomes

159

00:06:42,629 --> 00:06:41,680

having become sort of like an iconic

160

00:06:46,309 --> 00:06:42,639

case within

161

00:06:49,670 --> 00:06:46,319

ufology um but as i'm sure you know

162

00:06:51,029 --> 00:06:49,680

um tim but um over the years rumors have

163

00:06:55,110 --> 00:06:51,039

circulated

164

00:06:57,430 --> 00:06:55,120

that maybe rendlesham wasn't a ufo event

165

00:06:58,469 --> 00:06:57,440

but it was a top secret military

166

00:07:01,629 --> 00:06:58,479

experiment

167

00:07:04,870 --> 00:07:01,639

using um holograms and

168

00:07:07,909 --> 00:07:04,880

hallucinogenics and the reason to

169

00:07:09,110 --> 00:07:07,919

essentially to be um test these

170

00:07:12,150 --> 00:07:09,120

technologies

171

00:07:14,390 --> 00:07:12,160

in a domestic situation um

172

00:07:15,990 --> 00:07:14,400

on on your own troops on your own

173

00:07:19,670 --> 00:07:16,000

personnel and see how they

174

00:07:22,390 --> 00:07:19,680

respond to completely fabricated

175

00:07:24,309 --> 00:07:22,400

but amazing events and see how you know

176

00:07:27,670 --> 00:07:24,319

the the enemy would respond

177

00:07:30,390 --> 00:07:27,680

on the battlefield and you could find

178

00:07:31,430 --> 00:07:30,400

snippets of these rumors of secret

179

00:07:34,230 --> 00:07:31,440

experiments

180

00:07:35,189 --> 00:07:34,240

in most of the writings that's been done

181

00:07:38,550 --> 00:07:35,199

in various

182

00:07:41,909 --> 00:07:38,560

um places and times going back to the

183

00:07:44,710 --> 00:07:41,919

early 1980s but the intriguing thing is

184

00:07:46,150 --> 00:07:44,720

within ufology a lot of people just did

185

00:07:49,350 --> 00:07:46,160

not want to touch

186

00:07:50,390 --> 00:07:49,360

this idea that rendlesham was not a

187

00:07:52,230 --> 00:07:50,400

classic

188

00:07:54,390 --> 00:07:52,240

ufo after all but could have been

189

00:07:55,430 --> 00:07:54,400

something even more disturbing and i

190

00:07:58,070 --> 00:07:55,440

thought well

191

00:08:00,550 --> 00:07:58,080

nobody's really tackled this sort of

192

00:08:02,150 --> 00:08:00,560

other angle you know kind of like the

193

00:08:04,629 --> 00:08:02,160

you know the elephants in the room that

194

00:08:05,189 --> 00:08:04,639

sort of situation nobody wanted to touch

195

00:08:10,309 --> 00:08:05,199

it

196

00:08:12,550 --> 00:08:10,319

and

197

00:08:14,390 --> 00:08:12,560

so that's what i did i sort of followed

198

00:08:17,990 --> 00:08:14,400

every thread and lead

199

00:08:21,430 --> 00:08:18,000

uh various interviews with people um

200

00:08:23,670 --> 00:08:21,440

to and put together within the book um

201
00:08:25,029 --> 00:08:23,680
what i believe is the full story or the

202
00:08:27,909 --> 00:08:25,039
correct story

203
00:08:29,270 --> 00:08:27,919
um that it was some sort of like a

204
00:08:32,630 --> 00:08:29,280
psychological warfare

205
00:08:34,230 --> 00:08:32,640
experiment designed to see how

206
00:08:37,190 --> 00:08:34,240
personnel on the battlefield would

207
00:08:39,909 --> 00:08:37,200
respond to

208
00:08:40,550 --> 00:08:39,919
bizarre we've said but you know we've

209
00:08:43,670 --> 00:08:40,560
heard

210
00:08:46,870 --> 00:08:43,680
the this kind of same scenario uh

211
00:08:49,269 --> 00:08:46,880
before i mean uh howard menger of course

212
00:08:50,870 --> 00:08:49,279
who was one of the uh best known

213
00:08:54,070 --> 00:08:50,880

contactees of the

214

00:08:55,350 --> 00:08:54,080

60s and 70s you know at first he claimed

215

00:08:58,389 --> 00:08:55,360

to have uh

216

00:09:00,310 --> 00:08:58,399

met the very uh wonderful space

217

00:09:01,910 --> 00:09:00,320

woman that landed in his backyard and

218

00:09:03,110 --> 00:09:01,920

his apple watcher there in highbridge

219

00:09:05,030 --> 00:09:03,120

new jersey

220

00:09:06,710 --> 00:09:05,040

and he sat on the rock and was

221

00:09:09,750 --> 00:09:06,720

mesmerized by her

222

00:09:11,990 --> 00:09:09,760

aryan the beauty and um

223

00:09:12,790 --> 00:09:12,000

he had subsequent you know contacts he

224

00:09:15,110 --> 00:09:12,800

claimed

225

00:09:15,829 --> 00:09:15,120

but then when greg barker published his

226

00:09:20,150 --> 00:09:15,839

uh

227

00:09:23,910 --> 00:09:20,160

he wasn't available

228

00:09:26,949 --> 00:09:23,920

for uh interviews and uh for a while

229

00:09:31,990 --> 00:09:26,959

at least he was

230

00:09:33,670 --> 00:09:32,000

suggesting that there was some sort of

231

00:09:35,990 --> 00:09:33,680

government i don't know if you would say

232

00:09:39,910 --> 00:09:36,000

intervention but he was uh asked

233

00:09:42,790 --> 00:09:39,920

to throw these stories out there to get

234

00:09:43,670 --> 00:09:42,800

to see what kind of uh reaction uh would

235

00:09:45,750 --> 00:09:43,680

come about

236

00:09:46,949 --> 00:09:45,760

but we don't know if that's a true or

237

00:09:49,269 --> 00:09:46,959

not and then

238

00:09:50,870 --> 00:09:49,279

uh lo and behold we went back on the the

239

00:09:52,470 --> 00:09:50,880

lecturer circuit and

240

00:09:54,230 --> 00:09:52,480

went back to telling pretty much his

241

00:09:57,110 --> 00:09:54,240

original uh

242

00:09:58,310 --> 00:09:57,120

stories uh with the the additional

243

00:10:01,430 --> 00:09:58,320

details of

244

00:10:04,150 --> 00:10:01,440

business stellar planets and also free

245

00:10:07,509 --> 00:10:04,160

energy devices i remember he came to our

246

00:10:08,790 --> 00:10:07,519

a conference in san diego um with a

247

00:10:10,630 --> 00:10:08,800

trailer behind his car

248

00:10:12,550 --> 00:10:10,640

which he had driven all the way from the

249

00:10:14,150 --> 00:10:12,560

vero beach of florida it took him a next

250

00:10:17,269 --> 00:10:14,160

couple extra days to get there

251

00:10:21,030 --> 00:10:17,279

with a model of his saucer-shaped

252

00:10:24,389 --> 00:10:21,040

craft so we have heard scenarios like

253

00:10:26,230 --> 00:10:24,399

that before but what actual evidence

254

00:10:28,389 --> 00:10:26,240

do you have that that might be the case

255

00:10:31,990 --> 00:10:28,399

in this uh a very important

256

00:10:34,470 --> 00:10:32,000

incident well one of the intriguing

257

00:10:36,550 --> 00:10:34,480

things which a lot of people either of

258

00:10:38,710 --> 00:10:36,560

overlook or don't even know is the

259

00:10:39,750 --> 00:10:38,720

the nature of the location rendelsham

260

00:10:41,750 --> 00:10:39,760

forest

261

00:10:43,829 --> 00:10:41,760

now a lot of people think it's just you

262

00:10:45,750 --> 00:10:43,839

know this sort of typical large

263

00:10:47,269 --> 00:10:45,760

english piece of forest which in one

264

00:10:49,750 --> 00:10:47,279

sense it is

265

00:10:50,710 --> 00:10:49,760

but if you look at the history of the

266

00:10:53,910 --> 00:10:50,720

area

267

00:10:55,350 --> 00:10:53,920

um going back to the 1930s just a

268

00:10:58,790 --> 00:10:55,360

handful of miles

269

00:11:01,110 --> 00:10:58,800

um from rendering forest a secret

270

00:11:02,870 --> 00:11:01,120

organization was set up in the 30s

271

00:11:06,230 --> 00:11:02,880

called the tizzard committee

272

00:11:09,269 --> 00:11:06,240

which was um one of the first british

273

00:11:11,509 --> 00:11:09,279

um research projects into radar

274

00:11:12,470 --> 00:11:11,519

then in the height of the second world

275

00:11:14,389 --> 00:11:12,480

war

276

00:11:15,750 --> 00:11:14,399

again just about four or five miles from

277

00:11:19,030 --> 00:11:15,760

rendelsham forest

278

00:11:19,350 --> 00:11:19,040

um there was a testing of a technology

279

00:11:22,150 --> 00:11:19,360

which

280

00:11:23,190 --> 00:11:22,160

is still kind of very much very much

281

00:11:26,230 --> 00:11:23,200

under wraps

282

00:11:28,470 --> 00:11:26,240

um that actually sort of set the it was

283

00:11:31,110 --> 00:11:28,480

designed to sort of set the water

284

00:11:32,710 --> 00:11:31,120

of the english channel uh localized

285

00:11:35,269 --> 00:11:32,720

areas in case the

286

00:11:35,990 --> 00:11:35,279

the germans tried to invade on the

287

00:11:38,470 --> 00:11:36,000

beaches of

288

00:11:39,110 --> 00:11:38,480

england they would use this sort of

289

00:11:42,230 --> 00:11:39,120

strange

290

00:11:43,910 --> 00:11:42,240

flame like technology and this occurred

291

00:11:46,230 --> 00:11:43,920

at a place called shingle street

292

00:11:47,110 --> 00:11:46,240

and if you google shingle street secret

293

00:11:49,509 --> 00:11:47,120

experiments

294

00:11:51,590 --> 00:11:49,519

you'll find a lot of material about it

295

00:11:54,790 --> 00:11:51,600

and then in the 60s there was

296

00:11:58,230 --> 00:11:54,800

other radar experiments in the area

297

00:12:01,190 --> 00:11:58,240

and marconi had a facility there as well

298

00:12:02,629 --> 00:12:01,200

now if you put all that together what

299

00:12:05,910 --> 00:12:02,639

you actually have

300

00:12:09,590 --> 00:12:05,920

as a situation where four or five

301
00:12:12,230 --> 00:12:09,600
of the biggest um most top secret

302
00:12:13,430 --> 00:12:12,240
experimental facilities on the east

303
00:12:16,550 --> 00:12:13,440
coast of england

304
00:12:18,629 --> 00:12:16,560
were all um situated

305
00:12:21,190 --> 00:12:18,639
less than 10 miles from rendelsham

306
00:12:23,509 --> 00:12:21,200
forest so in other words the whole area

307
00:12:24,389 --> 00:12:23,519
has been a hotbed of classified

308
00:12:28,190 --> 00:12:24,399
experiments

309
00:12:31,910 --> 00:12:28,200
going back to the tizard committee in

310
00:12:34,949 --> 00:12:31,920
1930s now on top of that

311
00:12:38,470 --> 00:12:34,959
um the as far as the hologram

312
00:12:39,990 --> 00:12:38,480
angle is concerned this store this angle

313
00:12:42,629 --> 00:12:40,000

of the story has popped up

314

00:12:44,470 --> 00:12:42,639

here and there now and again quietly and

315

00:12:45,590 --> 00:12:44,480

sometimes not so quietly the first

316

00:12:48,949 --> 00:12:45,600

person who

317

00:12:52,310 --> 00:12:48,959

was told about this uh was ray beauche

318

00:12:54,550 --> 00:12:52,320

one of the um early researchers into

319

00:12:56,069 --> 00:12:54,560

rendlesham after it broke

320

00:12:57,990 --> 00:12:56,079

in fact he's coming in our show in a

321

00:12:59,509 --> 00:12:58,000

couple of weeks yeah yeah he'll be on

322

00:13:03,430 --> 00:12:59,519

our show oh cool that's good

323

00:13:06,069 --> 00:13:03,440

yeah yeah yeah finally that's good

324

00:13:06,470 --> 00:13:06,079

well um ray was one of the first people

325

00:13:08,389 --> 00:13:06,480

to

326

00:13:09,750 --> 00:13:08,399

address this he was actually approached

327

00:13:14,310 --> 00:13:09,760

you might want to bring this up

328

00:13:16,790 --> 00:13:14,320

with him yeah absolutely yeah in 1991

329

00:13:19,110 --> 00:13:16,800

he had a meeting with two departments of

330

00:13:22,949 --> 00:13:19,120

defense u.s departments of defense

331

00:13:25,350 --> 00:13:22,959

um personnel who basically wanted to

332

00:13:27,990 --> 00:13:25,360

tell him the truth of rendelsham

333

00:13:29,269 --> 00:13:28,000

and he was told that yes it was a

334

00:13:32,310 --> 00:13:29,279

hologram based

335

00:13:35,030 --> 00:13:32,320

operation like psychological warfare

336

00:13:36,310 --> 00:13:35,040

mixed in with a little bit of mk ultra

337

00:13:39,189 --> 00:13:36,320

next generation

338

00:13:39,829 --> 00:13:39,199

mk ultra type technology to see how the

339

00:13:43,750 --> 00:13:39,839

mind

340

00:13:46,870 --> 00:13:43,760

of the people could be um transformed or

341

00:13:48,150 --> 00:13:46,880

changed or messed around with and to do

342

00:13:51,590 --> 00:13:48,160

so on the battlefield

343

00:13:55,069 --> 00:13:51,600

too um to freak out the enemy

344

00:13:58,870 --> 00:13:55,079

and so i extensively um

345

00:14:02,150 --> 00:13:58,880

investigated this angle of ray's story

346

00:14:02,629 --> 00:14:02,160

and he told me also how he um spoke with

347

00:14:09,030 --> 00:14:02,639

his

348

00:14:10,949 --> 00:14:09,040

and how it really got into a strange

349

00:14:12,550 --> 00:14:10,959

situation where it seemed like he was

350

00:14:14,790 --> 00:14:12,560

under surveillance

351
00:14:16,949 --> 00:14:14,800
um because he'd been given this story he

352
00:14:19,509 --> 00:14:16,959
was digging into it even further

353
00:14:21,590 --> 00:14:19,519
and and then on top of that one of the

354
00:14:25,590 --> 00:14:21,600
other areas which is intriguing

355
00:14:28,629 --> 00:14:25,600
is that we know that the uh in the area

356
00:14:31,030 --> 00:14:28,639
on the time of the events um

357
00:14:32,870 --> 00:14:31,040
a team was sent out from a place in

358
00:14:35,590 --> 00:14:32,880
england called port and down

359
00:14:36,629 --> 00:14:35,600
and port and down is a top safety

360
00:14:39,189 --> 00:14:36,639
facility

361
00:14:39,990 --> 00:14:39,199
which does research into actually in the

362
00:14:47,030 --> 00:14:40,000
50s

363
00:14:49,990 --> 00:14:47,040

like lsd tests and hallucinogens

364

00:14:51,430 --> 00:14:50,000

things like this and one of the pieces

365

00:14:53,910 --> 00:14:51,440

of data that i found

366

00:14:54,870 --> 00:14:53,920

was that actually a team of scientists

367

00:14:58,069 --> 00:14:54,880

and personnel

368

00:14:58,629 --> 00:14:58,079

from port and down came out to port came

369

00:15:01,829 --> 00:14:58,639

out to

370

00:15:02,629 --> 00:15:01,839

render forest not while the events were

371

00:15:05,990 --> 00:15:02,639

going on

372

00:15:07,110 --> 00:15:06,000

or in the immediate aftermath but they

373

00:15:09,990 --> 00:15:07,120

were actually there

374

00:15:11,110 --> 00:15:10,000

before the events occurred and the the

375

00:15:14,069 --> 00:15:11,120

story is

376

00:15:15,430 --> 00:15:14,079

that they essentially set up the the

377

00:15:18,870 --> 00:15:15,440

situation

378

00:15:21,189 --> 00:15:18,880

and to allow this project to go ahead

379

00:15:22,069 --> 00:15:21,199

and for the victims which is probably

380

00:15:25,269 --> 00:15:22,079

the best

381

00:15:27,910 --> 00:15:25,279

way to describe them unfortunately

382

00:15:28,790 --> 00:15:27,920

the idea was to lure the guys into the

383

00:15:31,829 --> 00:15:28,800

woods

384

00:15:32,230 --> 00:15:31,839

and to see how they would respond to

385

00:15:35,590 --> 00:15:32,240

this

386

00:15:38,629 --> 00:15:35,600

combination of holograms and mk

387

00:15:40,870 --> 00:15:38,639

ultra type hallucinogens uh from port

388

00:15:43,269 --> 00:15:40,880

and downs so there's a lot of

389

00:15:44,949 --> 00:15:43,279

new material which for me at least you

390

00:15:48,150 --> 00:15:44,959

know sort of pushes it

391

00:15:50,189 --> 00:15:48,160

still further down that pathway of

392

00:15:52,230 --> 00:15:50,199

an experiment rather than

393

00:15:54,389 --> 00:15:52,240

extraterrestrials

394

00:15:55,350 --> 00:15:54,399

now now do you think that uh of course

395

00:15:58,470 --> 00:15:55,360

we have

396

00:15:58,870 --> 00:15:58,480

uh a lot of uh a few participants that

397

00:16:00,870 --> 00:15:58,880

are

398

00:16:03,670 --> 00:16:00,880

well known to the public we have larry

399

00:16:07,030 --> 00:16:03,680

warren uh we have jim penisteen

400

00:16:10,069 --> 00:16:07,040

we have jim burrows

401
00:16:13,269 --> 00:16:10,079
and we have colonel

402
00:16:14,470 --> 00:16:13,279
hall do you think that colonel hort halt

403
00:16:17,590 --> 00:16:14,480
for example

404
00:16:20,389 --> 00:16:17,600
was in on this

405
00:16:21,269 --> 00:16:20,399
no i don't i think the reason why the

406
00:16:23,030 --> 00:16:21,279
program

407
00:16:25,110 --> 00:16:23,040
or these experiments or series of

408
00:16:26,310 --> 00:16:25,120
experiments worked i think the reason

409
00:16:29,189 --> 00:16:26,320
why they worked

410
00:16:31,430 --> 00:16:29,199
is because the guys who were there and

411
00:16:33,910 --> 00:16:31,440
who became part of it

412
00:16:35,110 --> 00:16:33,920
were specifically not told you know i

413
00:16:37,430 --> 00:16:35,120

think had they had

414

00:16:38,629 --> 00:16:37,440
had they been told i don't think it

415

00:16:40,629 --> 00:16:38,639
could have been

416

00:16:42,069 --> 00:16:40,639
pulled off or you know some of them

417

00:16:44,870 --> 00:16:42,079
would have spoken about

418

00:16:46,150 --> 00:16:44,880
it being a secret experiment so i don't

419

00:16:48,069 --> 00:16:46,160
think they were

420

00:16:50,310 --> 00:16:48,079
involved i mean they were involved in in

421

00:16:51,030 --> 00:16:50,320
the event but i don't believe they are

422

00:16:54,710 --> 00:16:51,040
involved

423

00:16:56,310 --> 00:16:54,720
in sort of you know orchestrating all

424

00:16:58,550 --> 00:16:56,320
this i think it's the exact

425

00:16:59,670 --> 00:16:58,560
opposite actually but i mean it's

426

00:17:03,030 --> 00:16:59,680

interesting when you bring

427

00:17:04,549 --> 00:17:03,040

up those names because um when you look

428

00:17:07,750 --> 00:17:04,559

at a number of the guys

429

00:17:09,510 --> 00:17:07,760

who were we know over there for example

430

00:17:13,110 --> 00:17:09,520

i mean halt himself

431

00:17:14,789 --> 00:17:13,120

talked about how he suspected that larry

432

00:17:17,829 --> 00:17:14,799

warren had had his mind

433

00:17:20,470 --> 00:17:17,839

meddled with and jim peniston

434

00:17:22,309 --> 00:17:20,480

jim peniston talked about when the

435

00:17:24,549 --> 00:17:22,319

military were asking him

436

00:17:25,750 --> 00:17:24,559

for his opinion on what happened you

437

00:17:27,990 --> 00:17:25,760

know um

438

00:17:28,789 --> 00:17:28,000

he was like basically given like a truth

439

00:17:31,270 --> 00:17:28,799

drug

440

00:17:34,310 --> 00:17:31,280

and and there are rumors of other

441

00:17:37,909 --> 00:17:34,320

military personnel being subjected to

442

00:17:40,150 --> 00:17:37,919

um sort of sodium uh what's it called um

443

00:17:42,870 --> 00:17:40,160

the truth drug anyway yeah sodium

444

00:17:46,150 --> 00:17:42,880

pedestal yeah sodium potential yes yes

445

00:17:46,950 --> 00:17:46,160

yeah yeah um and so when you look at the

446

00:17:49,510 --> 00:17:46,960

story

447

00:17:51,029 --> 00:17:49,520

you have this thread going through the

448

00:17:53,990 --> 00:17:51,039

story of rendelsham

449

00:17:55,110 --> 00:17:54,000

of some of the guys having their minds

450

00:17:57,909 --> 00:17:55,120

messed around with

451
00:17:59,590 --> 00:17:57,919
one way or another and again i think

452
00:18:02,789 --> 00:17:59,600
that's intriguing because

453
00:18:04,870 --> 00:18:02,799
you rarely find that even in you know

454
00:18:06,230 --> 00:18:04,880
ufo case involving the military you

455
00:18:08,789 --> 00:18:06,240
don't find many of these

456
00:18:10,549 --> 00:18:08,799
cases where suddenly you know sodium

457
00:18:14,470 --> 00:18:10,559
pentothal pops up

458
00:18:17,110 --> 00:18:14,480
other truth drugs um you know and

459
00:18:17,750 --> 00:18:17,120
from that perspective you can look at

460
00:18:19,830 --> 00:18:17,760
those

461
00:18:21,830 --> 00:18:19,840
questionings you know when they're under

462
00:18:24,950 --> 00:18:21,840
sodium pentanol

463
00:18:28,390 --> 00:18:24,960

to determine how accurate

464

00:18:30,230 --> 00:18:28,400

and how successfully the experiments

465

00:18:33,110 --> 00:18:30,240

worked you know if the guys said yes we

466

00:18:35,669 --> 00:18:33,120

saw this strange ufo and this

467

00:18:36,630 --> 00:18:35,679

weird fog in the woods and lights in the

468

00:18:40,150 --> 00:18:36,640

sky

469

00:18:40,870 --> 00:18:40,160

then they gave them a good ability if

470

00:18:44,070 --> 00:18:40,880

you like

471

00:18:46,390 --> 00:18:44,080

to determine how successful the programs

472

00:18:48,470 --> 00:18:46,400

were

473

00:18:50,310 --> 00:18:48,480

okay so now could you point can you

474

00:18:52,470 --> 00:18:50,320

point to any other cases

475

00:18:54,830 --> 00:18:52,480

uh where you think there might have been

476

00:18:57,029 --> 00:18:54,840

a similar

477

00:18:59,510 --> 00:18:57,039

manipulation well yes

478

00:19:00,390 --> 00:18:59,520

i mean if you look out um you know

479

00:19:03,669 --> 00:19:00,400

throughout

480

00:19:05,909 --> 00:19:03,679

history of ufology of the last 50 60

481

00:19:07,909 --> 00:19:05,919

years i mean there are a few cases that

482

00:19:11,430 --> 00:19:07,919

fall into that

483

00:19:14,230 --> 00:19:11,440

particular category i mean people won't

484

00:19:18,950 --> 00:19:14,240

uh probably like this when i bring up

485

00:19:23,029 --> 00:19:20,950

well actually i mean yes but the one i

486

00:19:27,990 --> 00:19:23,039

was actually going to say right now

487

00:19:31,669 --> 00:19:28,000

was the um parker hickson case of 1973

488

00:19:33,909 --> 00:19:31,679

in mississippi now what's particularly

489

00:19:41,909 --> 00:19:33,919

intriguing about that case

490

00:19:45,510 --> 00:19:43,909

you know by the edge of the river just

491

00:19:47,750 --> 00:19:45,520

like nine o'clock at night

492

00:19:49,750 --> 00:19:47,760

you know just fishing having a good time

493

00:19:53,110 --> 00:19:49,760

they suddenly see this strange light

494

00:19:53,510 --> 00:19:53,120

and then things go weird and they have

495

00:19:56,710 --> 00:19:53,520

what

496

00:19:59,990 --> 00:19:56,720

appears to be like a classic um

497

00:20:01,270 --> 00:20:00,000

ufo alien abduction but one of the

498

00:20:04,230 --> 00:20:01,280

things i find

499

00:20:06,070 --> 00:20:04,240

intriguing about this case is that

500

00:20:09,350 --> 00:20:06,080

barely just a handful

501
00:20:11,830 --> 00:20:09,360
of miles from the area where they were

502
00:20:13,990 --> 00:20:11,840
fishing and where they were taken from

503
00:20:14,950 --> 00:20:14,000
um is actually very close to a place

504
00:20:18,870 --> 00:20:14,960
called horn

505
00:20:21,990 --> 00:20:18,880
island and horn island um

506
00:20:24,630 --> 00:20:22,000
in the 1950s through the 60s was a

507
00:20:25,510 --> 00:20:24,640
a classified area where a lot of

508
00:20:28,870 --> 00:20:25,520
research

509
00:20:31,590 --> 00:20:28,880
was done again into hallucinogens

510
00:20:32,470 --> 00:20:31,600
and my daunting technology and and

511
00:20:35,510 --> 00:20:32,480
that's that's a

512
00:20:38,549 --> 00:20:35,520
that's a factual uh piece of history

513
00:20:39,830 --> 00:20:38,559

now you know we could say that it's just

514

00:20:43,669 --> 00:20:39,840

coincidence

515

00:20:47,029 --> 00:20:43,679

that the hixson parker event occurred

516

00:20:48,070 --> 00:20:47,039

just a few miles from horn island or you

517

00:20:50,710 --> 00:20:48,080

could say

518

00:20:53,350 --> 00:20:50,720

that's a classic example of putting the

519

00:20:57,270 --> 00:20:53,360

two pieces together and making four

520

00:20:58,710 --> 00:20:57,280

um and i mean the i haven't sort of dug

521

00:21:01,830 --> 00:20:58,720

deep very deeply

522

00:21:03,669 --> 00:21:01,840

into the whole issue of um the

523

00:21:07,190 --> 00:21:03,679

interrupted journey

524

00:21:08,149 --> 00:21:07,200

betty and barney hill john fuller etc

525

00:21:11,110 --> 00:21:08,159

etc

526

00:21:13,430 --> 00:21:11,120

but what is intriguing is that we know

527

00:21:16,750 --> 00:21:13,440

now through the freedom information act

528

00:21:21,029 --> 00:21:16,760

but um excuse me but in the mid and

529

00:21:24,710 --> 00:21:21,039

1950s um none other than john fuller

530

00:21:25,510 --> 00:21:24,720

was actually uh briefed by uh military

531

00:21:29,190 --> 00:21:25,520

intelligence

532

00:21:32,230 --> 00:21:29,200

and the cia um about the

533

00:21:33,669 --> 00:21:32,240

then present research into things like

534

00:21:37,430 --> 00:21:33,679

mk ultra

535

00:21:40,470 --> 00:21:37,440

and lsd he even wrote

536

00:21:44,149 --> 00:21:40,480

yeah he even wrote that book about the

537

00:21:46,070 --> 00:21:44,159

city in in in france where everybody

538

00:21:47,510 --> 00:21:46,080

danced in the street and hallucinated

539

00:21:52,149 --> 00:21:47,520

because they were eating

540

00:21:54,149 --> 00:21:52,159

the um the bread that had been tainted

541

00:21:55,190 --> 00:21:54,159

yeah that's um yeah that's a little

542

00:21:58,950 --> 00:21:55,200

village actually

543

00:22:01,909 --> 00:21:58,960

in france and um where in 1951

544

00:22:02,870 --> 00:22:01,919

um something went severely weird in this

545

00:22:06,070 --> 00:22:02,880

little um

546

00:22:08,149 --> 00:22:06,080

village in france and there were rumors

547

00:22:08,870 --> 00:22:08,159

that it was actually like an aerosol

548

00:22:12,070 --> 00:22:08,880

based

549

00:22:14,230 --> 00:22:12,080

um deployment of hallucinogens

550

00:22:16,710 --> 00:22:14,240

and again that it was done to see how

551

00:22:19,909 --> 00:22:16,720

quickly and how effectively

552

00:22:21,990 --> 00:22:19,919

um effects could you know um

553

00:22:23,430 --> 00:22:22,000

change people's mindsets and some of

554

00:22:25,590 --> 00:22:23,440

them actually died

555

00:22:27,029 --> 00:22:25,600

others were in psychiatric hospitals for

556

00:22:30,310 --> 00:22:27,039

days and weeks

557

00:22:31,510 --> 00:22:30,320

um and so in other words there are a

558

00:22:35,190 --> 00:22:31,520

number of cases

559

00:22:37,510 --> 00:22:35,200

within ufology that i'm suspicious

560

00:22:38,390 --> 00:22:37,520

you know i sort of suspect that they may

561

00:22:39,909 --> 00:22:38,400

not be

562

00:22:42,390 --> 00:22:39,919

what they appear to be now i wouldn't

563

00:22:44,950 --> 00:22:42,400

want people to think you know i've

564

00:22:45,990 --> 00:22:44,960

sort of changed all my views on ufology

565

00:22:48,310 --> 00:22:46,000

i haven't

566

00:22:49,830 --> 00:22:48,320

there's no doubt in my mind that there

567

00:22:52,830 --> 00:22:49,840

is a genuine

568

00:22:55,190 --> 00:22:52,840

real unknown ufo phenomenon whether

569

00:22:57,029 --> 00:22:55,200

extraterrestrial multi-dimensional

570

00:22:58,390 --> 00:22:57,039

interdimensional i don't know but there

571

00:23:01,350 --> 00:22:58,400

is a real phenomenon

572

00:23:03,590 --> 00:23:01,360

but what i think has happened is that

573

00:23:05,669 --> 00:23:03,600

agencies and departments

574

00:23:06,870 --> 00:23:05,679

they know there's a real ufo phenomenon

575

00:23:09,029 --> 00:23:06,880

but at times

576

00:23:11,590 --> 00:23:09,039

they've sort of hijacked the real

577

00:23:14,230 --> 00:23:11,600

phenomenon

578

00:23:14,789 --> 00:23:14,240

yeah and it's done as a means to cover

579

00:23:17,830 --> 00:23:14,799

up

580

00:23:19,909 --> 00:23:17,840

their military experiments by using a

581

00:23:20,789 --> 00:23:19,919

ufo banner and because there's a real

582

00:23:23,110 --> 00:23:20,799

phenomenon

583

00:23:24,789 --> 00:23:23,120

it works really well all right let me

584

00:23:26,390 --> 00:23:24,799

interrupt you let me interrupt you here

585

00:23:27,190 --> 00:23:26,400

because we have to go to our bottom of

586

00:23:28,710 --> 00:23:27,200

the hour break

587

00:23:30,789 --> 00:23:28,720

when we come back we'll continue our

588

00:23:43,430 --> 00:23:30,799

conversation with nick redfern

589

00:23:48,830 --> 00:23:46,549

now back to exploring the bazaar

590

00:23:50,630 --> 00:23:48,840

with two of the most electrifying

591

00:23:53,990 --> 00:23:50,640

researchers in the paranormal

592

00:23:58,789 --> 00:23:54,000

your hosts timothy beckley and tim

593

00:24:02,710 --> 00:24:00,549

welcome back to exploring the bazaar i'm

594

00:24:05,750 --> 00:24:02,720

tim schwartz tonight our guest

595

00:24:07,669 --> 00:24:05,760

is nick redfern and nick we've got some

596

00:24:09,909 --> 00:24:07,679

a couple of questions from our listeners

597

00:24:10,950 --> 00:24:09,919

but uh i wanted to ask you first before

598

00:24:13,830 --> 00:24:10,960

we uh

599

00:24:14,870 --> 00:24:13,840

get into the questions why do you think

600

00:24:20,390 --> 00:24:14,880

that if this

601
00:24:23,669 --> 00:24:20,400
was some kind of military experiment

602
00:24:27,430 --> 00:24:23,679
why do you think that they used the ufo

603
00:24:29,830 --> 00:24:27,440
scenario for this

604
00:24:31,029 --> 00:24:29,840
well i think more than anything else it

605
00:24:33,430 --> 00:24:31,039
was because

606
00:24:34,070 --> 00:24:33,440
it was something that would really sort

607
00:24:36,070 --> 00:24:34,080
of

608
00:24:38,230 --> 00:24:36,080
have people you know just standing there

609
00:24:41,669 --> 00:24:38,240
with their mouths wide open

610
00:24:42,710 --> 00:24:41,679
and some of them certainly in a state of

611
00:24:46,149 --> 00:24:42,720
shock

612
00:24:47,590 --> 00:24:46,159
what they were seeing and i think that

613
00:24:50,230 --> 00:24:47,600

was the particular

614

00:24:51,510 --> 00:24:50,240

reason that they needed some kind of

615

00:24:54,070 --> 00:24:51,520

technology

616

00:24:56,390 --> 00:24:54,080

and actually not so much the the

617

00:24:59,430 --> 00:24:56,400

technology what they wanted was to see

618

00:24:59,990 --> 00:24:59,440

the response to the experiments so in

619

00:25:03,350 --> 00:25:00,000

other words

620

00:25:05,430 --> 00:25:03,360

if they panicked and ran or fell to the

621

00:25:07,430 --> 00:25:05,440

ground or started crying

622

00:25:09,830 --> 00:25:07,440

or if they just stand there stood their

623

00:25:11,909 --> 00:25:09,840

ground and did you know what troops do

624

00:25:15,669 --> 00:25:11,919

that's sort of you know defend

625

00:25:17,750 --> 00:25:15,679

um their their fellow troops um

626
00:25:19,510 --> 00:25:17,760
so i think that's the reason it was used

627
00:25:21,830 --> 00:25:19,520
the the weirder

628
00:25:22,950 --> 00:25:21,840
the experiments the weirder the

629
00:25:25,190 --> 00:25:22,960
holographs

630
00:25:26,470 --> 00:25:25,200
the more and more you can gauge the

631
00:25:29,590 --> 00:25:26,480
extent to which

632
00:25:30,789 --> 00:25:29,600
the human mind can be messed around with

633
00:25:34,390 --> 00:25:30,799
and screwed with

634
00:25:37,190 --> 00:25:34,400
to the point where they are as i said

635
00:25:38,630 --> 00:25:37,200
in a state of terror and of course if

636
00:25:39,830 --> 00:25:38,640
that can be applied to your own

637
00:25:42,230 --> 00:25:39,840
personnel

638
00:25:44,310 --> 00:25:42,240

then that would give you a good idea as

639

00:25:47,909 --> 00:25:44,320

to how you could use that same

640

00:25:50,950 --> 00:25:47,919

scenario say on the russians you know

641

00:25:55,029 --> 00:25:50,960

all right well um our listener cosmonaut

642

00:25:58,630 --> 00:25:55,039

57 wants to know uh what is the latest

643

00:25:59,430 --> 00:25:58,640

on the binary code story and you'll have

644

00:26:03,350 --> 00:25:59,440

to

645

00:26:06,630 --> 00:26:03,360

who may not be familiar with that

646

00:26:07,909 --> 00:26:06,640

yeah well this particular angle of the

647

00:26:10,950 --> 00:26:07,919

binary code

648

00:26:12,070 --> 00:26:10,960

aspect of the rendersham case this

649

00:26:14,549 --> 00:26:12,080

actually relates to

650

00:26:15,350 --> 00:26:14,559

jim peniston and jim peniston was one of

651
00:26:18,390 --> 00:26:15,360
the key

652
00:26:20,310 --> 00:26:18,400
figures involved in the

653
00:26:22,310 --> 00:26:20,320
event itself when it occurred in

654
00:26:24,710 --> 00:26:22,320
december 1980

655
00:26:26,630 --> 00:26:24,720
and though you know there was a group of

656
00:26:27,750 --> 00:26:26,640
people out there in the woods and he was

657
00:26:31,110 --> 00:26:27,760
one of them

658
00:26:34,470 --> 00:26:31,120
and jim peniston um has this

659
00:26:37,430 --> 00:26:34,480
um his aspect the one

660
00:26:37,990 --> 00:26:37,440
aspect more than any other um as it

661
00:26:41,510 --> 00:26:38,000
relates

662
00:26:44,630 --> 00:26:41,520
to his um involvement in rendlesham

663
00:26:48,070 --> 00:26:44,640

revolves around this binary code angle

664

00:26:49,029 --> 00:26:48,080

where he um was essentially as if or as

665

00:26:51,669 --> 00:26:49,039

he felt

666

00:26:52,630 --> 00:26:51,679

that um you know he had this sort of

667

00:26:56,549 --> 00:26:52,640

imagery

668

00:26:59,590 --> 00:26:56,559

and um scenario in his mind

669

00:27:03,110 --> 00:26:59,600

which suggested that the um

670

00:27:04,950 --> 00:27:03,120

rendelsham case was not a ufo event

671

00:27:07,510 --> 00:27:04,960

but was actually a case of time

672

00:27:10,950 --> 00:27:07,520

travelers human time travelers

673

00:27:12,070 --> 00:27:10,960

coming back to the 20th century from

674

00:27:15,750 --> 00:27:12,080

whichever

675

00:27:18,950 --> 00:27:15,760

era they came from because um the future

676
00:27:22,230 --> 00:27:18,960
was supposedly a bleak and dark place

677
00:27:23,909 --> 00:27:22,240
and the human race was on a it was on a

678
00:27:27,269 --> 00:27:23,919
waning situation

679
00:27:30,710 --> 00:27:27,279
and so they come back to um

680
00:27:33,990 --> 00:27:30,720
take dna uh cells etc

681
00:27:37,110 --> 00:27:34,000
to try and beef up us in the future

682
00:27:38,230 --> 00:27:37,120
so in other words that is another

683
00:27:40,870 --> 00:27:38,240
scenario

684
00:27:42,710 --> 00:27:40,880
um in relation to rendlesham you know

685
00:27:44,310 --> 00:27:42,720
you've got the ufo angle the secret

686
00:27:47,190 --> 00:27:44,320
experiment angle

687
00:27:47,990 --> 00:27:47,200
time travelers um now they cannot

688
00:27:51,990 --> 00:27:48,000

obviously

689

00:27:53,269 --> 00:27:52,000

all be correct and so in other words you

690

00:27:55,990 --> 00:27:53,279

have to sort of

691

00:27:57,269 --> 00:27:56,000

try and figure out which one actually is

692

00:28:00,070 --> 00:27:57,279

i mean it's like roswell

693

00:28:01,990 --> 00:28:00,080

you've got aliens crash test dummies

694

00:28:04,630 --> 00:28:02,000

russian balloons you know

695

00:28:06,549 --> 00:28:04,640

secret american balloons they can't all

696

00:28:11,269 --> 00:28:06,559

be correct but somewhere

697

00:28:15,590 --> 00:28:13,510

here we go but uh peniston he didn't

698

00:28:18,070 --> 00:28:15,600

come out with that story to quite uh

699

00:28:21,110 --> 00:28:18,080

quite a while later uh after the

700

00:28:24,549 --> 00:28:22,950

yeah that's correct yes with the binary

701
00:28:27,830 --> 00:28:24,559
code yes

702
00:28:29,590 --> 00:28:27,840
um which which makes you wonder if these

703
00:28:32,710 --> 00:28:29,600
people are still being messed with

704
00:28:38,149 --> 00:28:35,909
well i mean we never know for sure until

705
00:28:40,310 --> 00:28:38,159
the people actually come forward and you

706
00:28:40,950 --> 00:28:40,320
know the the ones who may still be

707
00:28:42,310 --> 00:28:40,960
meddled with

708
00:28:44,470 --> 00:28:42,320
you know if they come forward and say

709
00:28:47,350 --> 00:28:44,480
yes i am or i've been told to

710
00:28:49,190 --> 00:28:47,360
do this or that you know i mean um we'll

711
00:28:52,630 --> 00:28:49,200
never know unless they come forward

712
00:28:53,510 --> 00:28:52,640
but um you know for me it's intriguing

713
00:28:56,070 --> 00:28:53,520

that there are

714

00:28:56,630 --> 00:28:56,080

so many different theories i mean i'm

715

00:28:58,950 --> 00:28:56,640

sure

716

00:29:00,070 --> 00:28:58,960

tim remembers that um when jenny

717

00:29:02,070 --> 00:29:00,080

randalls was up

718

00:29:03,590 --> 00:29:02,080

and dot and brenda were doing their

719

00:29:06,630 --> 00:29:03,600

research um

720

00:29:07,190 --> 00:29:06,640

there were rumors going about uh early

721

00:29:10,630 --> 00:29:07,200

stealth

722

00:29:12,950 --> 00:29:10,640

woods um

723

00:29:14,870 --> 00:29:12,960

there was talk about um portions of a

724

00:29:15,750 --> 00:29:14,880

russian satellite coming down in the

725

00:29:17,590 --> 00:29:15,760

area

726

00:29:19,269 --> 00:29:17,600

you know there was so many different

727

00:29:22,789 --> 00:29:19,279

theories and i have to think

728

00:29:24,389 --> 00:29:22,799

or wonder or suspect that at least some

729

00:29:27,990 --> 00:29:24,399

of these stories

730

00:29:30,630 --> 00:29:28,000

were put out there to confuse everybody

731

00:29:31,029 --> 00:29:30,640

by just swamping it with not just one or

732

00:29:33,350 --> 00:29:31,039

two

733

00:29:36,149 --> 00:29:33,360

theories or scenarios but like nine or

734

00:29:39,190 --> 00:29:36,159

ten of them altogether

735

00:29:40,549 --> 00:29:39,200

now jeff in the chat room has asked if

736

00:29:43,590 --> 00:29:40,559

you've spoken to

737

00:29:44,230 --> 00:29:43,600

uh lieutenant colonel former lieutenant

738

00:29:47,029 --> 00:29:44,240

colonel

739

00:29:49,029 --> 00:29:47,039

charles halt about all of this about

740

00:29:50,870 --> 00:29:49,039

your ideas

741

00:29:52,070 --> 00:29:50,880

well the last time i spoke to charles

742

00:29:55,350 --> 00:29:52,080

holt um

743

00:29:58,549 --> 00:29:55,360

was round about 15 months ago

744

00:30:00,789 --> 00:29:58,559

then this was in person um at a place in

745

00:30:02,389 --> 00:30:00,799

south texas called edinburgh there's a

746

00:30:04,389 --> 00:30:02,399

conference that's put on there

747

00:30:05,430 --> 00:30:04,399

every year called the out of the world

748

00:30:08,870 --> 00:30:05,440

conference

749

00:30:09,510 --> 00:30:08,880

and um we were both speaking um at that

750

00:30:11,750 --> 00:30:09,520

event

751

00:30:12,870 --> 00:30:11,760

last year around about march i think it

752

00:30:15,430 --> 00:30:12,880

was or april

753

00:30:16,789 --> 00:30:15,440

and um you know we got talking as you do

754

00:30:19,269 --> 00:30:16,799

at conferences you know

755

00:30:21,029 --> 00:30:19,279

everybody has a few drinks and something

756

00:30:23,350 --> 00:30:21,039

to eat you know and hang out

757

00:30:25,029 --> 00:30:23,360

and so it's very much sort of um not

758

00:30:25,830 --> 00:30:25,039

just about the conferences you know it

759

00:30:29,269 --> 00:30:25,840

was a good

760

00:30:32,549 --> 00:30:29,279

um hangout type situation as well

761

00:30:34,630 --> 00:30:32,559

and i found it intriguing that um

762

00:30:36,710 --> 00:30:34,640

when we got into the issue of larry

763

00:30:38,950 --> 00:30:36,720

warren because there's been a lot of

764

00:30:40,070 --> 00:30:38,960

controversy about larry in the last

765

00:30:42,549 --> 00:30:40,080

couple of years

766

00:30:44,389 --> 00:30:42,559

but um but charles holt told me he still

767

00:30:47,590 --> 00:30:44,399

felt that at some point

768

00:30:49,590 --> 00:30:47,600

larry's mind had been meddled with so i

769

00:30:51,350 --> 00:30:49,600

find that kind of fascinating thing

770

00:30:53,190 --> 00:30:51,360

yeah but if you remember if you remember

771

00:30:55,190 --> 00:30:53,200

in the beginning he didn't

772

00:30:57,430 --> 00:30:55,200

he's claimed that larry warren was not

773

00:31:00,230 --> 00:30:57,440

even stationed on the base

774

00:31:01,430 --> 00:31:00,240

at the time which turned out to be a

775

00:31:04,710 --> 00:31:01,440

fabrication

776

00:31:06,950 --> 00:31:04,720

but of course he was now i think

777

00:31:08,789 --> 00:31:06,960

and i i you know i i understand that

778

00:31:10,470 --> 00:31:08,799

there's a conflict now between peter

779

00:31:13,430 --> 00:31:10,480

robbins and larry and i

780

00:31:14,389 --> 00:31:13,440

try to keep my friendship with with both

781

00:31:17,509 --> 00:31:14,399

of them uh

782

00:31:20,549 --> 00:31:17,519

for sure but uh back uh during

783

00:31:23,430 --> 00:31:20,559

the uh the time of the ufo flap uh over

784

00:31:24,549 --> 00:31:23,440

westchester uh in new york you know the

785

00:31:26,950 --> 00:31:24,559

triangles and all

786

00:31:28,230 --> 00:31:26,960

there was this a meeting at the brewster

787

00:31:30,870 --> 00:31:28,240

middle school

788

00:31:33,029 --> 00:31:30,880

and larry warren stood on the stairs of

789

00:31:36,310 --> 00:31:33,039

that

790

00:31:39,190 --> 00:31:36,320

middle school in front of myself and

791

00:31:39,830 --> 00:31:39,200

betty hill and maybe about 30 or 40

792

00:31:42,789 --> 00:31:39,840

people

793

00:31:44,230 --> 00:31:42,799

and told that story for the first time

794

00:31:47,350 --> 00:31:44,240

and he's never backed

795

00:31:49,990 --> 00:31:47,360

down on it if it was not for larry

796

00:31:51,430 --> 00:31:50,000

uh the case probably are there's a good

797

00:31:54,310 --> 00:31:51,440

possibility that the case would never

798

00:31:56,230 --> 00:31:54,320

have been made public

799

00:31:58,149 --> 00:31:56,240

yeah that that's true that is true i

800

00:32:00,070 --> 00:31:58,159

mean if you look at the timeline of

801
00:32:01,190 --> 00:32:00,080
you know the whistleblower he was the he

802
00:32:03,269 --> 00:32:01,200
was the whistleblower

803
00:32:04,789 --> 00:32:03,279
he gave somebody else the story they

804
00:32:05,909 --> 00:32:04,799
sold it to the news of the world and got

805
00:32:09,350 --> 00:32:05,919
paid like uh

806
00:32:12,389 --> 00:32:09,360
what was it that 10 or 15 uh

807
00:32:14,549 --> 00:32:12,399
100 pounds or something on it and

808
00:32:16,630 --> 00:32:14,559
larry made nothing on it he's never as

809
00:32:18,950 --> 00:32:16,640
far as i can tell ever profited on this

810
00:32:21,430 --> 00:32:18,960
because how do you really profit on it

811
00:32:23,430 --> 00:32:21,440
they wrote a book but it uh i guess it

812
00:32:26,070 --> 00:32:23,440
made it to the top of the charts in

813
00:32:28,470 --> 00:32:26,080

england but that's not uh like a lot of

814

00:32:30,870 --> 00:32:28,480

copies like you would have here you know

815

00:32:32,149 --> 00:32:30,880

well yeah actually the book um is not

816

00:32:35,909 --> 00:32:32,159

available now it's

817

00:32:38,310 --> 00:32:35,919

it's been taken down by the publisher um

818

00:32:39,830 --> 00:32:38,320

and that peter wanted that done so that

819

00:32:41,509 --> 00:32:39,840

that was taken down

820

00:32:43,269 --> 00:32:41,519

i mean you can still get copies

821

00:32:46,070 --> 00:32:43,279

obviously but

822

00:32:46,549 --> 00:32:46,080

not but the publisher um you know

823

00:32:49,669 --> 00:32:46,559

doesn't

824

00:32:51,830 --> 00:32:49,679

um still put copies out there directly

825

00:32:55,350 --> 00:32:51,840

itself you know you'd find it in

826

00:32:58,389 --> 00:32:55,360

in used bookstores oh yeah oh absolutely

827

00:33:00,549 --> 00:32:58,399

yeah but um but yeah i mean i

828

00:33:01,590 --> 00:33:00,559

sort of go back to the you know the the

829

00:33:05,350 --> 00:33:01,600

caller's um

830

00:33:08,389 --> 00:33:05,360

question um yes as i said i did speak to

831

00:33:11,509 --> 00:33:08,399

um charles holt the most recent time

832

00:33:14,149 --> 00:33:11,519

um about 15 months ago and he and he was

833

00:33:16,470 --> 00:33:14,159

still talking about that angle of larry

834

00:33:17,269 --> 00:33:16,480

at somehow having his mind meddled with

835

00:33:20,389 --> 00:33:17,279

and as we said

836

00:33:24,389 --> 00:33:20,399

earlier earlier in the show that

837

00:33:27,990 --> 00:33:24,399

angle of um you know my manipulation

838

00:33:28,950 --> 00:33:28,000

um sodium pentothal mk ultra type

839

00:33:32,389 --> 00:33:28,960

spinoffs

840

00:33:33,430 --> 00:33:32,399

there's so many aspects of mind-altering

841

00:33:35,669 --> 00:33:33,440

technology

842

00:33:38,310 --> 00:33:35,679

that sort of permeates throughout the

843

00:33:41,750 --> 00:33:38,320

rendelsham case

844

00:33:45,590 --> 00:33:41,760

well speaking of of mind control

845

00:33:48,230 --> 00:33:45,600

um some of the

846

00:33:49,750 --> 00:33:48,240

victims participants you know however

847

00:33:50,310 --> 00:33:49,760

you know however you want to refer to

848

00:33:53,190 --> 00:33:50,320

them

849

00:33:54,630 --> 00:33:53,200

you know later came down with various

850

00:33:57,909 --> 00:33:54,640

kinds of

851

00:34:01,269 --> 00:33:57,919

physical ailments which makes me wonder

852

00:34:05,310 --> 00:34:03,909

they had been exposed to say like

853

00:34:08,310 --> 00:34:05,320

microwave or

854

00:34:11,190 --> 00:34:08,320

electromagnetic uh types of

855

00:34:13,109 --> 00:34:11,200

of of radiation which we know that uh

856

00:34:17,750 --> 00:34:13,119

the cia with their mk ultra

857

00:34:21,190 --> 00:34:17,760

and and other uh types of research were

858

00:34:24,230 --> 00:34:21,200

experimenting with those and uh and and

859

00:34:25,669 --> 00:34:24,240

uh our listener cosmonaut 57 you know is

860

00:34:28,869 --> 00:34:25,679

asking about the uh

861

00:34:31,430 --> 00:34:28,879

marconi uh mystery deaths which

862

00:34:34,230 --> 00:34:31,440

could be you know fall right into the

863

00:34:36,310 --> 00:34:34,240

same kind of categories

864

00:34:37,990 --> 00:34:36,320

you know it's funny that um you should

865

00:34:40,310 --> 00:34:38,000

uh bring that up

866

00:34:42,069 --> 00:34:40,320

because there's a place in not too far

867

00:34:45,270 --> 00:34:42,079

away from rendelsham forest

868

00:34:47,109 --> 00:34:45,280

uh models from heath where research was

869

00:34:50,869 --> 00:34:47,119

actually done

870

00:34:52,550 --> 00:34:50,879

at that facility um by um

871

00:34:53,990 --> 00:34:52,560

some of the people who worked with

872

00:34:57,270 --> 00:34:54,000

marconi and

873

00:34:59,829 --> 00:34:57,280

actually talk about um one of the people

874

00:35:02,150 --> 00:34:59,839

in the book who died under mysterious

875

00:35:05,030 --> 00:35:02,160

circumstances and who actually

876

00:35:05,589 --> 00:35:05,040

worked not too far from rendelsham

877

00:35:08,790 --> 00:35:05,599

forest

878

00:35:12,069 --> 00:35:08,800

so um again you know you've got this

879

00:35:13,430 --> 00:35:12,079

this sort of ongoing thread of secret

880

00:35:16,950 --> 00:35:13,440

experiments

881

00:35:17,510 --> 00:35:16,960

all surrounding um randallstrom forest

882

00:35:20,790 --> 00:35:17,520

in that

883

00:35:22,630 --> 00:35:20,800

particular location well

884

00:35:23,990 --> 00:35:22,640

and a lot of those scientists and

885

00:35:27,910 --> 00:35:24,000

engineers i mean they

886

00:35:30,550 --> 00:35:27,920

weren't they working um for the

887

00:35:32,550 --> 00:35:30,560

strategic defense initiative for the

888

00:35:35,829 --> 00:35:32,560

united states or participating

889

00:35:39,109 --> 00:35:35,839

in research along those lines

890

00:35:41,270 --> 00:35:39,119

yeah that's correct um the sdi the

891

00:35:43,829 --> 00:35:41,280

strategic defense initiative of

892

00:35:45,510 --> 00:35:43,839

president reagan was you know in simple

893

00:35:47,670 --> 00:35:45,520

terms it was referred to

894

00:35:49,270 --> 00:35:47,680

a slang term you know it's like star

895

00:35:52,390 --> 00:35:49,280

wars and the plan was

896

00:35:53,750 --> 00:35:52,400

to have these um sort of laser

897

00:35:56,630 --> 00:35:53,760

technology that would blast

898

00:35:58,390 --> 00:35:56,640

russian missiles out of the sky and not

899

00:35:59,829 --> 00:35:58,400

a single one you know would reach the

900

00:36:02,950 --> 00:35:59,839

western world

901
00:36:04,390 --> 00:36:02,960
and um but what's intriguing was this

902
00:36:06,710 --> 00:36:04,400
situation where

903
00:36:08,150 --> 00:36:06,720
a lot of these mark only scientists and

904
00:36:10,069 --> 00:36:08,160
technicians

905
00:36:12,069 --> 00:36:10,079
um some of them working in the us you

906
00:36:13,670 --> 00:36:12,079
know so been going over there for a few

907
00:36:16,790 --> 00:36:13,680
months working

908
00:36:20,150 --> 00:36:16,800
but most of them based in the uk

909
00:36:23,589 --> 00:36:20,160
and between the early 1980s um

910
00:36:26,870 --> 00:36:23,599
excuse me the early 1970s right through

911
00:36:29,990 --> 00:36:26,880
to 1993 there was more than

912
00:36:33,190 --> 00:36:30,000
30 scientists and technicians who died

913
00:36:34,470 --> 00:36:33,200

under really weird um circumstances just

914

00:36:37,430 --> 00:36:34,480

like um

915

00:36:38,630 --> 00:36:37,440

for example sudden suicides you know by

916

00:36:40,470 --> 00:36:38,640

people who

917

00:36:41,670 --> 00:36:40,480

just had regular normal lives you know

918

00:36:45,349 --> 00:36:41,680

there's one guy

919

00:36:48,230 --> 00:36:45,359

um got in his car going to work

920

00:36:48,870 --> 00:36:48,240

then he suddenly stopped the car and got

921

00:36:51,430 --> 00:36:48,880

out

922

00:36:52,069 --> 00:36:51,440

um and he'd also got a rope in the back

923

00:36:56,710 --> 00:36:52,079

of

924

00:36:59,030 --> 00:36:56,720

the rope around his neck

925

00:37:01,430 --> 00:36:59,040

another one of them um attacked the

926

00:37:03,510 --> 00:37:01,440

other end attached to a street lamp

927

00:37:04,550 --> 00:37:03,520

hit the accelerator and decapitated

928

00:37:07,109 --> 00:37:04,560

himself

929

00:37:07,990 --> 00:37:07,119

um just bizarre stories like this and

930

00:37:11,030 --> 00:37:08,000

there were like four

931

00:37:14,390 --> 00:37:11,040

or five who um killed themselves

932

00:37:15,750 --> 00:37:14,400

um through common carbon monoxide by

933

00:37:17,910 --> 00:37:15,760

you know sitting in the car with a

934

00:37:19,750 --> 00:37:17,920

garage door down and pipes

935

00:37:22,230 --> 00:37:19,760

tubes you know going into the car and

936

00:37:23,750 --> 00:37:22,240

killing them now in one case really

937

00:37:26,870 --> 00:37:23,760

bizarre story

938

00:37:27,990 --> 00:37:26,880

um the the neighbors i could hear the

939

00:37:31,430 --> 00:37:28,000

car going

940

00:37:33,190 --> 00:37:31,440

and you know the engine um was rumbling

941

00:37:34,470 --> 00:37:33,200

the lights running obviously something

942

00:37:37,270 --> 00:37:34,480

was going on

943

00:37:39,910 --> 00:37:37,280

and so the police were on the scene and

944

00:37:42,790 --> 00:37:39,920

quickly got the garage door open

945

00:37:45,349 --> 00:37:42,800

and sure enough there was a tube going

946

00:37:47,990 --> 00:37:45,359

into the window and the guy was dead

947

00:37:50,710 --> 00:37:48,000

but they couldn't find him it took like

948

00:37:54,150 --> 00:37:50,720

five minutes to find him he actually

949

00:37:56,390 --> 00:37:54,160

wasn't sat in the car he was lying prone

950

00:37:57,910 --> 00:37:56,400

flat underneath the car you know you

951
00:37:59,829 --> 00:37:57,920
wouldn't think to look under the car and

952
00:38:01,670 --> 00:37:59,839
that's exactly what happened the police

953
00:38:03,109 --> 00:38:01,680
were thinking well where is he you know

954
00:38:04,069 --> 00:38:03,119
he's not in the driver's seat and they

955
00:38:06,710 --> 00:38:04,079
found him

956
00:38:07,829 --> 00:38:06,720
flat under the car and there was so many

957
00:38:10,150 --> 00:38:07,839
bizarre

958
00:38:11,910 --> 00:38:10,160
suicides and weird deaths surrounding

959
00:38:14,390 --> 00:38:11,920
all those marconi people

960
00:38:15,270 --> 00:38:14,400
you know when you've got more than 30

961
00:38:19,430 --> 00:38:15,280
across

962
00:38:22,470 --> 00:38:19,440
27 28 years then you have to think that

963
00:38:24,150 --> 00:38:22,480

were they sort of um with their minds

964

00:38:26,630 --> 00:38:24,160

sort of stimulated

965

00:38:28,390 --> 00:38:26,640

by possibly something like a manchurian

966

00:38:30,310 --> 00:38:28,400

candidate type situation

967

00:38:31,910 --> 00:38:30,320

you know you use a trigger word or

968

00:38:34,230 --> 00:38:31,920

something like that and it's up the

969

00:38:37,510 --> 00:38:34,240

person snaps into a completely

970

00:38:40,230 --> 00:38:37,520

different mindset well you know it

971

00:38:41,910 --> 00:38:40,240

and and you know as well as i do that

972

00:38:44,790 --> 00:38:41,920

there has long been rumored that

973

00:38:47,190 --> 00:38:44,800

uh at the uh at the time both the united

974

00:38:50,710 --> 00:38:47,200

states and the soviet union

975

00:38:51,910 --> 00:38:50,720

were basically having a mind control war

976

00:38:54,790 --> 00:38:51,920

with each other

977

00:38:55,670 --> 00:38:54,800

uh using various uh techniques uh

978

00:38:58,230 --> 00:38:55,680

against

979

00:38:58,710 --> 00:38:58,240

scientists and military personnel you

980

00:39:01,750 --> 00:38:58,720

know

981

00:39:03,829 --> 00:39:01,760

back and forth and this to me sounds

982

00:39:05,430 --> 00:39:03,839

very much like one of those type of

983

00:39:07,750 --> 00:39:05,440

situations

984

00:39:08,950 --> 00:39:07,760

with rendelsome then being you know like

985

00:39:11,750 --> 00:39:08,960

i guess our side

986

00:39:12,790 --> 00:39:11,760

with an experiment to see uh what we

987

00:39:17,829 --> 00:39:12,800

could do down

988

00:39:19,829 --> 00:39:17,839

down the road with uh soviet russia

989

00:39:21,750 --> 00:39:19,839

yeah you're right and i think um you

990

00:39:24,950 --> 00:39:21,760

know the more you look into this the

991

00:39:27,109 --> 00:39:24,960

more you begin to realize that um

992

00:39:29,030 --> 00:39:27,119

you know what we thought passed for

993

00:39:32,150 --> 00:39:29,040

ufology actually

994

00:39:33,910 --> 00:39:32,160

isn't technology isn't ufology or at

995

00:39:36,550 --> 00:39:33,920

least parts of it aren't

996

00:39:37,829 --> 00:39:36,560

some of it is sort of you know created

997

00:39:41,430 --> 00:39:37,839

technology

998

00:39:41,990 --> 00:39:41,440

using the ufo motif as a camouflage as i

999

00:39:45,349 --> 00:39:42,000

said and

1000

00:39:48,790 --> 00:39:45,359

um and it's sort of a classic way

1001
00:39:51,750 --> 00:39:48,800
of hiding secret military

1002
00:39:52,950 --> 00:39:51,760
technology and and projects you just

1003
00:39:55,109 --> 00:39:52,960
place it

1004
00:39:57,030 --> 00:39:55,119
under the cover of something else and if

1005
00:40:00,310 --> 00:39:57,040
somebody comes looking

1006
00:40:03,589 --> 00:40:00,320
you always aliens you know

1007
00:40:06,150 --> 00:40:03,599
yes it's always aliens so now okay this

1008
00:40:08,230 --> 00:40:06,160
this this book came out in april and

1009
00:40:11,430 --> 00:40:08,240
what's what's the reaction been

1010
00:40:14,950 --> 00:40:11,440
uh after after you published it

1011
00:40:17,829 --> 00:40:14,960
well that's a good question i mean

1012
00:40:20,790 --> 00:40:17,839
throughout april and may i was sort of

1013
00:40:24,069 --> 00:40:20,800

nearly every day i was sort of doing

1014

00:40:27,430 --> 00:40:24,079

q and a's radio uh and also you know

1015

00:40:28,710 --> 00:40:27,440

there was numerous debates on facebook

1016

00:40:31,109 --> 00:40:28,720

and elsewhere

1017

00:40:32,950 --> 00:40:31,119

what people thought about it and for the

1018

00:40:35,750 --> 00:40:32,960

most part i was sort of

1019

00:40:37,910 --> 00:40:35,760

perceived as being you know the next

1020

00:40:40,230 --> 00:40:37,920

worst thing to like saddam hussein you

1021

00:40:43,109 --> 00:40:40,240

know how dare you say this nick and

1022

00:40:45,349 --> 00:40:43,119

say that and you know other cia paying

1023

00:40:48,550 --> 00:40:45,359

you and all this nonsense you know

1024

00:40:52,630 --> 00:40:48,560

but what i found fascinating

1025

00:40:54,150 --> 00:40:52,640

was the sheer defensive nature of so

1026

00:40:58,470 --> 00:40:54,160

many of these people

1027

00:41:00,870 --> 00:40:58,480

um who weren't even a given

1028

00:41:02,630 --> 00:41:00,880

we're getting we weren't even going to

1029

00:41:05,589 --> 00:41:02,640

give you know

1030

00:41:07,510 --> 00:41:05,599

even a thought about this or even look

1031

00:41:08,710 --> 00:41:07,520

at it from the perspective or maybe nick

1032

00:41:11,829 --> 00:41:08,720

has got it right

1033

00:41:14,069 --> 00:41:11,839

no they were just so defensive and

1034

00:41:15,670 --> 00:41:14,079

this just cannot be this cannot be the

1035

00:41:17,829 --> 00:41:15,680

answer we don't want to know

1036

00:41:19,910 --> 00:41:17,839

and in some cases it really was like

1037

00:41:20,870 --> 00:41:19,920

that they just did not want to know

1038

00:41:23,829 --> 00:41:20,880

because

1039

00:41:24,630 --> 00:41:23,839

of the whole angle of destroying belief

1040

00:41:27,430 --> 00:41:24,640

systems

1041

00:41:28,790 --> 00:41:27,440

and and that tells you a lot as well you

1042

00:41:31,670 --> 00:41:28,800

know when you've got

1043

00:41:33,990 --> 00:41:31,680

structured strong belief systems and

1044

00:41:37,109 --> 00:41:34,000

then they come tumbling down

1045

00:41:39,910 --> 00:41:37,119

people either go tumbling with them or

1046

00:41:41,109 --> 00:41:39,920

they deny it and that was something you

1047

00:41:44,870 --> 00:41:41,119

know that cropped up

1048

00:41:46,630 --> 00:41:44,880

time and time again and as i said the

1049

00:41:48,710 --> 00:41:46,640

which you know another one that asked

1050

00:41:50,790 --> 00:41:48,720

them pops up in ufology

1051
00:41:53,109 --> 00:41:50,800
you know as i said that issue well

1052
00:41:56,069 --> 00:41:53,119
nick's you know working for the cia

1053
00:41:56,550 --> 00:41:56,079
or the nsa or whatever which is you know

1054
00:42:00,870 --> 00:41:56,560
it's

1055
00:42:03,750 --> 00:42:00,880
wrote the book

1056
00:42:04,550 --> 00:42:03,760
because i felt the data was strong

1057
00:42:07,910 --> 00:42:04,560
enough

1058
00:42:10,630 --> 00:42:07,920
to go down that particular avenue

1059
00:42:12,710 --> 00:42:10,640
and to write a book that demonstrated

1060
00:42:13,990 --> 00:42:12,720
why i thought it was a secret experiment

1061
00:42:17,109 --> 00:42:14,000
you know there was no

1062
00:42:18,230 --> 00:42:17,119
hidden agenda it was well i think this

1063
00:42:20,710 --> 00:42:18,240

is what it is so

1064

00:42:23,430 --> 00:42:20,720

why not tell people but the problem is

1065

00:42:26,150 --> 00:42:23,440

ufology is very much like a religion

1066

00:42:27,190 --> 00:42:26,160

it's belief driven and people don't like

1067

00:42:31,349 --> 00:42:27,200

their beliefs

1068

00:42:34,790 --> 00:42:31,359

questioned they're separate sacred cows

1069

00:42:37,990 --> 00:42:34,800

uh slaughtered so to speak

1070

00:42:38,470 --> 00:42:38,000

um we only have really you know just

1071

00:42:40,150 --> 00:42:38,480

just

1072

00:42:41,750 --> 00:42:40,160

a handful of minutes left in the show

1073

00:42:42,550 --> 00:42:41,760

but i just i want to ask you real quick

1074

00:42:44,950 --> 00:42:42,560

about the uh

1075

00:42:48,870 --> 00:42:44,960

book that you've got coming out uh uh

1076
00:42:52,309 --> 00:42:50,630
well yeah that's my other big interest

1077
00:42:54,550 --> 00:42:52,319
beyond ufology

1078
00:42:56,550 --> 00:42:54,560
is cryptozoology which is the study of

1079
00:42:58,150 --> 00:42:56,560
unknown animals you know like big four

1080
00:43:00,710 --> 00:42:58,160
to the chupacabra

1081
00:43:02,470 --> 00:43:00,720
the yeti things like that and um i've

1082
00:43:04,309 --> 00:43:02,480
got a new book coming out next week

1083
00:43:08,950 --> 00:43:04,319
called monsters of the deep

1084
00:43:10,950 --> 00:43:08,960
and um it's a study of lake monsters sea

1085
00:43:12,870 --> 00:43:10,960
serpents

1086
00:43:13,990 --> 00:43:12,880
huge fish that were thought to be

1087
00:43:15,910 --> 00:43:14,000
extinct

1088
00:43:17,750 --> 00:43:15,920

for millions of years but which actually

1089

00:43:21,829 --> 00:43:17,760

aren't extinct

1090

00:43:24,630 --> 00:43:21,839

um and legends of things like the kraken

1091

00:43:25,270 --> 00:43:24,640

and um and so it looks at the whole

1092

00:43:27,990 --> 00:43:25,280

issue

1093

00:43:30,390 --> 00:43:28,000

of water-based monsters and it's

1094

00:43:32,710 --> 00:43:30,400

published by visible ink press and

1095

00:43:33,990 --> 00:43:32,720

it runs to about 400 pages so it's a

1096

00:43:38,470 --> 00:43:34,000

large

1097

00:43:41,589 --> 00:43:38,480

sort of encyclopedic type book

1098

00:43:42,950 --> 00:43:41,599

that's a big book i didn't realize

1099

00:43:44,710 --> 00:43:42,960

yeah i didn't realize there were that

1100

00:43:47,910 --> 00:43:44,720

many uh uh uh uh

1101
00:43:49,190 --> 00:43:47,920
lake and uh sea monsters out there well

1102
00:43:51,990 --> 00:43:49,200
i mean when you look at it you know

1103
00:43:54,230 --> 00:43:52,000
everybody thinks of like ogopogo

1104
00:43:56,150 --> 00:43:54,240
uh champ and the loch ness monster

1105
00:43:59,270 --> 00:43:56,160
they're sort of the most famous

1106
00:44:01,270 --> 00:43:59,280
um lake monsters but throughout the

1107
00:44:03,670 --> 00:44:01,280
world you know you can find

1108
00:44:04,710 --> 00:44:03,680
light monster stories in canada in

1109
00:44:07,750 --> 00:44:04,720
russia

1110
00:44:10,470 --> 00:44:07,760
much of south america and you know

1111
00:44:11,750 --> 00:44:10,480
in some cases i think they could well be

1112
00:44:14,630 --> 00:44:11,760
unknown animals

1113
00:44:16,630 --> 00:44:14,640

some of them could be um creatures that

1114

00:44:19,430 --> 00:44:16,640

we assume have become extinct

1115

00:44:20,470 --> 00:44:19,440

but are still around and and some of

1116

00:44:23,750 --> 00:44:20,480

them may be just

1117

00:44:27,589 --> 00:44:23,760

animals that science has not classified

1118

00:44:29,990 --> 00:44:27,599

at all yet um but i'll sort of address

1119

00:44:31,990 --> 00:44:30,000

not just the cases but some of the

1120

00:44:34,069 --> 00:44:32,000

weirder and lesser known

1121

00:44:35,030 --> 00:44:34,079

um aspects of these stories like for

1122

00:44:37,349 --> 00:44:35,040

example

1123

00:44:38,470 --> 00:44:37,359

um aleister crowley for a number of

1124

00:44:40,550 --> 00:44:38,480

years had a house

1125

00:44:42,390 --> 00:44:40,560

at loch ness uh called burlesque in

1126

00:44:43,910 --> 00:44:42,400

house and he performed all sorts of

1127

00:44:46,390 --> 00:44:43,920

rituals and rights

1128

00:44:48,790 --> 00:44:46,400

at loch ness and so this has given rise

1129

00:44:52,309 --> 00:44:48,800

to some researchers they think the

1130

00:44:52,950 --> 00:44:52,319

the creatures that um that live in loch

1131

00:44:55,670 --> 00:44:52,960

ness

1132

00:44:57,109 --> 00:44:55,680

could be more supernatural based rather

1133

00:44:58,630 --> 00:44:57,119

than flesh and blood

1134

00:45:00,710 --> 00:44:58,640

so you know you've got the the

1135

00:45:02,470 --> 00:45:00,720

connections with crowley and the

1136

00:45:03,990 --> 00:45:02,480

the idea that some of these creatures

1137

00:45:07,349 --> 00:45:04,000

are supernatural

1138

00:45:09,829 --> 00:45:07,359

rather than just unknown and um

1139

00:45:10,710 --> 00:45:09,839

so there's a lot of weird unknown

1140

00:45:12,790 --> 00:45:10,720

aspects or

1141

00:45:14,230 --> 00:45:12,800

or lesser-known aspects and so with the

1142

00:45:18,069 --> 00:45:14,240

book i've sort of

1143

00:45:21,829 --> 00:45:18,079

split it into um things like giant squid

1144

00:45:22,950 --> 00:45:21,839

and giant octopus um sea serpents lake

1145

00:45:25,510 --> 00:45:22,960

monsters

1146

00:45:27,109 --> 00:45:25,520

uh and also things looking like some of

1147

00:45:28,870 --> 00:45:27,119

the the reptilians

1148

00:45:30,630 --> 00:45:28,880

and you know from the from the

1149

00:45:32,150 --> 00:45:30,640

perspective of reptiles obviously

1150

00:45:34,790 --> 00:45:32,160

spending a lot of time

1151

00:45:35,990 --> 00:45:34,800

in water as well so all right well

1152

00:45:37,750 --> 00:45:36,000

that's fantastic i look forward to

1153

00:45:38,550 --> 00:45:37,760

reading that dick when uh when it comes

1154

00:45:41,829 --> 00:45:38,560

out

1155

00:45:44,470 --> 00:45:41,839

minutes left in the show

1156

00:45:45,750 --> 00:45:44,480

well you know i just want to um remind

1157

00:45:48,230 --> 00:45:45,760

people that we've been uh

1158

00:45:50,470 --> 00:45:48,240

fairly active uh tim ourselves we've

1159

00:45:53,109 --> 00:45:50,480

been very busy uh

1160

00:45:54,550 --> 00:45:53,119

publishing two or three books a a month

1161

00:45:57,829 --> 00:45:54,560

we have one out by

1162

00:46:01,190 --> 00:45:57,839

uh sean casteel which

1163

00:46:04,230 --> 00:46:01,200

delves into biblical prophecy armageddon

1164

00:46:06,150 --> 00:46:04,240

and the marian phenomena but not so much

1165

00:46:07,150 --> 00:46:06,160

from a religious point of view but from

1166

00:46:17,670 --> 00:46:07,160

a

1167

00:46:19,990 --> 00:46:17,680

is doing

1168

00:46:21,990 --> 00:46:20,000

very well and i keep getting emails on

1169

00:46:24,309 --> 00:46:22,000

that all the time wondering when you

1170

00:46:25,030 --> 00:46:24,319

might be working on another volume like

1171

00:46:27,270 --> 00:46:25,040

that and

1172

00:46:29,510 --> 00:46:27,280

i know we're starting to put together uh

1173

00:46:32,069 --> 00:46:29,520

well i guess i can reveal the title ufo

1174

00:46:33,670 --> 00:46:32,079

spin doctors

1175

00:46:34,950 --> 00:46:33,680

yeah that's that's that's that's going

1176

00:46:35,670 --> 00:46:34,960

to be a good one i'm looking forward to

1177

00:46:39,510 --> 00:46:35,680

that

1178

00:46:41,829 --> 00:46:39,520

and then of course the diane testmen's

1179

00:46:42,550 --> 00:46:41,839

transformational uh book which goes into

1180

00:46:46,069 --> 00:46:42,560

her

1181

00:46:48,069 --> 00:46:46,079

uh life story uh you talk about the

1182

00:46:50,790 --> 00:46:48,079

future man and time travel she's written

1183

00:46:53,109 --> 00:46:50,800

a book on the other subject and uh

1184

00:46:53,910 --> 00:46:53,119

this will be her life story about her

1185

00:46:56,069 --> 00:46:53,920

many

1186

00:46:57,190 --> 00:46:56,079

contacts with tybus and other worldly

1187

00:46:58,630 --> 00:46:57,200

beings

1188

00:47:00,550 --> 00:46:58,640

all right well we've got to wrap it up

1189

00:47:12,150 --> 00:47:00,560

here tim so nick thank you very much for

1190

00:47:15,589 --> 00:47:14,309

you've been listening to exploring the

1191

00:47:18,309 --> 00:47:15,599

bazaar

1192

00:47:19,910 --> 00:47:18,319

with hosts timothy beckley and tim

1193

00:47:21,990 --> 00:47:19,920

schwartz

1194

00:47:24,309 --> 00:47:22,000

they're taking back the night by jetting

1195

00:47:26,470 --> 00:47:24,319

non-stop across the cosmos

1196

00:47:28,150 --> 00:47:26,480

in search of the truly bizarre and

1197

00:47:31,589 --> 00:47:28,160

totally unexplained

1198

00:47:32,870 --> 00:47:31,599

with you as their coal miners thursday

1199

00:47:35,910 --> 00:47:32,880

nights at 7 pm

1200

00:47:39,270 --> 00:47:35,920

pacific 10 pm eastern

1201
00:47:41,510 --> 00:47:39,280
on the kcor digital radio network

1202
00:47:42,710 --> 00:47:41,520
for more information on exploring the

1203
00:47:44,950 --> 00:47:42,720
bazaars

1204
00:47:47,670 --> 00:47:44,960
and hosts timothy beckley and tim

1205
00:47:49,750 --> 00:47:47,680
schwartz check out their kcor digital

1206
00:47:52,950 --> 00:47:49,760
radio network

1207
00:47:56,870 --> 00:47:52,960
follow their youtube channel at mr

1208
00:48:07,440 --> 00:47:56,880
ufo 1100 exploring

1209
00:48:18,829 --> 00:48:07,450
the bazaar
