7^{PM} PACIFIC | 10^{PM} EASTERN
www.kcorradio.com

1
00:00:01,400 --> 00:00:07,269

[Music]

2
00:00:12,150 --> 00:00:08,390
exploring

3
00:00:14,470 --> 00:00:12,160
the bazaar your e-ticket ride into the

4
00:00:17,109 --> 00:00:14,480
world of the paranormal

5
00:00:17,990 --> 00:00:17,119
strap yourself in as we traverse the

6
00:00:21,830 --> 00:00:18,000
universe

7
00:00:26,070 --> 00:00:21,840
exploring the unexplained ufos

8
00:00:29,990 --> 00:00:26,080
ghosts lost worlds cryptozoology

9
00:00:33,750 --> 00:00:30,000
as well as other dimensions it's time to

10
00:00:37,910 --> 00:00:35,830
now you're electrifying hosts of

11
00:00:44,950 --> 00:00:37,920
exploring the bizarre

12
00:00:49,990 --> 00:00:48,229
now this is a weird place would it kill

13
00:00:53,110 --> 00:00:50,000

someone to

14

00:00:55,670 --> 00:00:53,120

turn on the air conditioning

15

00:00:57,270 --> 00:00:55,680

is that some sort of ritual going on

16

00:01:01,990 --> 00:00:57,280

over there or

17

00:01:08,310 --> 00:01:05,189

that's not a goat that's the lord of the

18

00:01:10,390 --> 00:01:08,320

underground oh come

19

00:01:13,270 --> 00:01:10,400

on you mean to tell me that's supposed

20

00:01:16,149 --> 00:01:13,280

to be lucifer i always thought that

21

00:01:18,710 --> 00:01:16,159

satanism was just a fantasy that anna

22

00:01:21,429 --> 00:01:18,720

levay had made up just to get

23

00:01:22,390 --> 00:01:21,439

people naked on his altar our show is

24

00:01:26,149 --> 00:01:22,400

supposed to be about

25

00:01:28,310 --> 00:01:26,159

ufos and the paranormal not satanism

26

00:01:30,469 --> 00:01:28,320

well tim some people think satan is

27

00:01:32,630 --> 00:01:30,479

behind the ufo phenomena

28

00:01:35,030 --> 00:01:32,640

remember we did a book a couple years

29

00:01:37,030 --> 00:01:35,040

back round trip to hell on a flying

30

00:01:39,670 --> 00:01:37,040

saucer

31

00:01:40,230 --> 00:01:39,680

oh lord just let's just get us out of

32

00:01:42,710 --> 00:01:40,240

here

33

00:01:46,149 --> 00:01:42,720

let's let's come on let's just buzz past

34

00:01:49,270 --> 00:01:46,159

bells above there and get back to vegas

35

00:01:52,469 --> 00:01:49,280

a sinful place but nothing like this our

36

00:01:53,990 --> 00:01:52,479

our guest tonight that might just might

37

00:01:59,190 --> 00:01:54,000

save us from evil

38

00:02:04,310 --> 00:02:02,709

well tim uh we're back we're back in a

39

00:02:07,030 --> 00:02:04,320

safe location back in sin

40

00:02:08,630 --> 00:02:07,040

city i guess right well at least there's

41

00:02:10,389 --> 00:02:08,640

air conditioning here

42

00:02:12,390 --> 00:02:10,399

and and did you notice the sound of a

43

00:02:12,949 --> 00:02:12,400

train i don't know whether that was the

44

00:02:16,150 --> 00:02:12,959

uh

45

00:02:19,270 --> 00:02:16,160

luciferian express or not but um

46

00:02:22,869 --> 00:02:19,280

i'm sitting here in the courtyard

47

00:02:24,949 --> 00:02:22,879

uh of the ramada inn and

48

00:02:26,949 --> 00:02:24,959

we had a wonderful two-day trip we came

49

00:02:28,790 --> 00:02:26,959

here to see the meteorite shower

50

00:02:30,150 --> 00:02:28,800

unfortunately we did not see one

51

00:02:32,790 --> 00:02:30,160

meteorite and nor

52

00:02:33,589 --> 00:02:32,800

have i heard a train uh whistle before

53

00:02:35,830 --> 00:02:33,599

this uh

54

00:02:37,190 --> 00:02:35,840

the start of the program but it's a good

55

00:02:40,390 --> 00:02:37,200

way certainly to

56

00:02:43,350 --> 00:02:40,400

uh announce our show to our

57

00:02:43,830 --> 00:02:43,360

block of followers and speaking of flock

58

00:02:46,630 --> 00:02:43,840

let us

59

00:02:47,589 --> 00:02:46,640

uh introduce our guest for this evening

60

00:02:51,320 --> 00:02:47,599

who is a

61

00:02:53,670 --> 00:02:51,330

oh there we go here it is again

62

00:02:55,509 --> 00:02:53,680

[Laughter]

63

00:02:57,589 --> 00:02:55,519

you know you know it's going to be a

64

00:02:59,830 --> 00:02:57,599

good show when you have a uh

65

00:03:01,430 --> 00:02:59,840

a train whistle in the background and

66

00:03:04,869 --> 00:03:01,440

tim i just wanted to take just a

67

00:03:05,350 --> 00:03:04,879

quick minute here to uh remind everybody

68

00:03:08,550 --> 00:03:05,360

that

69

00:03:09,670 --> 00:03:08,560

i'm going to be a guest speaker uh this

70

00:03:13,910 --> 00:03:09,680

sunday

71

00:03:16,550 --> 00:03:13,920

or this saturday at a time travel con

72

00:03:17,670 --> 00:03:16,560

now it's a time travel conference it's

73

00:03:20,790 --> 00:03:17,680

uh because of the

74

00:03:24,149 --> 00:03:20,800

crotavirus we're having to do it uh all

75

00:03:25,430 --> 00:03:24,159

uh online but because of that the uh

76

00:03:28,309 --> 00:03:25,440

ticket prices are

77

00:03:29,430 --> 00:03:28,319

great all people just have to uh visit

78

00:03:32,869 --> 00:03:29,440

the website

79

00:03:35,509 --> 00:03:32,879

time travel con dot com

80

00:03:36,070 --> 00:03:35,519

and get your ticket they're they're

81

00:03:39,430 --> 00:03:36,080

going

82

00:03:43,910 --> 00:03:39,440

to

83

00:03:44,710 --> 00:03:43,920

of our fans of exploring the bazaar

84

00:03:46,710 --> 00:03:44,720

there

85

00:03:48,710 --> 00:03:46,720

and what time are you going on well

86

00:03:52,309 --> 00:03:48,720

it'll be uh 11 o'clock

87

00:03:55,110 --> 00:03:52,319

eastern uh that's about uh 2 o'clock

88

00:03:56,470 --> 00:03:55,120

pacific time and who else is on the

89

00:03:59,670 --> 00:03:56,480

program that we might know

90

00:04:00,869 --> 00:03:59,680

oh well um our uh our good friend

91

00:04:02,390 --> 00:04:00,879

preston dennett

92

00:04:05,190 --> 00:04:02,400

is going to be honest it's really

93

00:04:05,589 --> 00:04:05,200

wonderful yep he's got a uh uh he's got

94

00:04:12,830 --> 00:04:05,599

a

95

00:04:16,789 --> 00:04:12,840

uh one of our fellow kcor

96

00:04:19,670 --> 00:04:16,799

uh um host uh solaris uh uh

97

00:04:21,030 --> 00:04:19,680

bluehaven she's going to be on and uh

98

00:04:24,469 --> 00:04:21,040

and many more it's it's

99

00:04:27,030 --> 00:04:24,479

it's uh it's an all-day event and

100

00:04:29,030 --> 00:04:27,040

i i i guarantee that there'll be

101
00:04:35,590 --> 00:04:29,040
somebody

102
00:04:36,950 --> 00:04:35,600
is it's just going to be a fascinating

103
00:04:38,870 --> 00:04:36,960
show all around

104
00:04:40,550 --> 00:04:38,880
well you know i'm up in the woodstock

105
00:04:43,510 --> 00:04:40,560
area here and i can swear

106
00:04:45,430 --> 00:04:43,520
that this is a a portal of a time

107
00:04:47,590 --> 00:04:45,440
dimension portal because

108
00:04:48,790 --> 00:04:47,600
everybody seems to be walking around uh

109
00:04:52,310 --> 00:04:48,800
with tie-dye

110
00:04:53,670 --> 00:04:52,320
uh clothing uh now i i have a hunch that

111
00:04:54,230 --> 00:04:53,680
it has something to do with the fact

112
00:04:56,150 --> 00:04:54,240
that

113
00:04:58,230 --> 00:04:56,160

at the last minute the the 50th

114

00:05:00,070 --> 00:04:58,240

anniversary of woodstock was cancelled

115

00:05:01,830 --> 00:05:00,080

so somebody probably got you know like

116

00:05:04,710 --> 00:05:01,840

50 000 garments

117

00:05:06,629 --> 00:05:04,720

that they're trying to uh unload but uh

118

00:05:07,270 --> 00:05:06,639

indeed indeed this is where they all

119

00:05:10,310 --> 00:05:07,280

seem to be

120

00:05:12,550 --> 00:05:10,320

converging yeah anyway but enough of our

121

00:05:13,590 --> 00:05:12,560

idol chatter we we have a very

122

00:05:15,110 --> 00:05:13,600

interesting guest

123

00:05:17,350 --> 00:05:15,120

this evening and so why don't you

124

00:05:18,629 --> 00:05:17,360

introduce him it'll be my pleasure now

125

00:05:19,909 --> 00:05:18,639

this will be the first time that our

126

00:05:22,070 --> 00:05:19,919

guest has been on

127

00:05:23,590 --> 00:05:22,080

exploring the bazaar so i'd like to

128

00:05:25,830 --> 00:05:23,600

welcome dr

129

00:05:27,909 --> 00:05:25,840

raymond beauchette his writings and

130

00:05:31,189 --> 00:05:27,919

anthology of the unexplained

131

00:05:33,909 --> 00:05:31,199

the collected collected annals of the

132

00:05:36,150 --> 00:05:33,919

journal of foreign research center

133

00:05:38,550 --> 00:05:36,160

bloodless cuts the complete collected

134

00:05:40,790 --> 00:05:38,560

works of thomas r

135

00:05:43,189 --> 00:05:40,800

adams and a time to stand when

136

00:05:46,310 --> 00:05:43,199

government turns its back on god

137

00:05:50,469 --> 00:05:46,320

now dr boshi is boche is well known

138

00:05:52,629 --> 00:05:50,479

as the primary investigators of the 1980

139

00:05:53,670 --> 00:05:52,639

bentwaters ufo incident something you're

140

00:05:55,670 --> 00:05:53,680

familiar with tim

141

00:05:57,670 --> 00:05:55,680

and he's also recognized for his

142

00:06:00,309 --> 00:05:57,680

extensive work in the areas of

143

00:06:02,070 --> 00:06:00,319

animal mutilations out of place animal

144

00:06:04,469 --> 00:06:02,080

sightings bigfoot reports

145

00:06:05,350 --> 00:06:04,479

the men and black phenomena and occult

146

00:06:08,950 --> 00:06:05,360

religious

147

00:06:11,430 --> 00:06:08,960

religions and philosophy so

148

00:06:12,790 --> 00:06:11,440

dr william yep thank you very much for

149

00:06:14,070 --> 00:06:12,800

being with us tonight on exploring the

150

00:06:15,909 --> 00:06:14,080

bizarre

151

00:06:17,110 --> 00:06:15,919

tim it's very uh very nice to be here

152

00:06:19,830 --> 00:06:17,120

it's my pleasure

153

00:06:20,469 --> 00:06:19,840

well you know i i'm curious though i

154

00:06:23,590 --> 00:06:20,479

think that

155

00:06:26,629 --> 00:06:23,600

most people would recognize rey's name

156

00:06:29,830 --> 00:06:26,639

uh from a book that

157

00:06:32,950 --> 00:06:29,840

nick redford uh wrote a number of

158

00:06:35,909 --> 00:06:32,960

years ago in which it was revealed that

159

00:06:38,070 --> 00:06:35,919

inside the military circles there was a

160

00:06:41,990 --> 00:06:38,080

group of individuals who believed

161

00:06:45,510 --> 00:06:42,000

that ufos were real indeed but that

162

00:06:46,469 --> 00:06:45,520

satan or demonic demons were behind the

163

00:06:48,150 --> 00:06:46,479

phenomena

164

00:06:49,510 --> 00:06:48,160
and they were afraid that if this

165

00:06:52,870 --> 00:06:49,520
information were

166

00:06:53,830 --> 00:06:52,880
uh released to the public uh lucifer

167

00:06:56,950 --> 00:06:53,840
himself

168

00:06:59,990 --> 00:06:56,960
might make more of a um

169

00:07:00,950 --> 00:07:00,000
of an appearance here in this uh world

170

00:07:04,469 --> 00:07:00,960
of ours

171

00:07:06,150 --> 00:07:04,479
and ray i think was uh now ray why don't

172

00:07:07,749 --> 00:07:06,160
you tell us how how exactly were you

173

00:07:09,189 --> 00:07:07,759
involved with that group and how did you

174

00:07:10,950 --> 00:07:09,199
get to know these people and who were

175

00:07:13,589 --> 00:07:10,960
they exactly

176

00:07:15,909 --> 00:07:13,599

well i can't um i can't really reveal

177

00:07:17,110 --> 00:07:15,919

who the the two gentlemen who came to me

178

00:07:20,230 --> 00:07:17,120

uh

179

00:07:21,029 --> 00:07:20,240

were or are but i'll give you the story

180

00:07:24,150 --> 00:07:21,039

behind it

181

00:07:24,550 --> 00:07:24,160

yes please do yes i received a telephone

182

00:07:28,790 --> 00:07:24,560

call

183

00:07:31,990 --> 00:07:28,800

in november of 91 i believe

184

00:07:35,990 --> 00:07:32,000

and it was from a gentleman who said he

185

00:07:37,990 --> 00:07:36,000

and a colleague were in the area

186

00:07:39,110 --> 00:07:38,000

and they worked for the department of

187

00:07:42,150 --> 00:07:39,120

defense and they

188

00:07:44,550 --> 00:07:42,160

wanted to get together and and uh

189

00:07:45,670 --> 00:07:44,560

pick my brain about some things uh

190

00:07:49,029 --> 00:07:45,680

related to

191

00:07:52,309 --> 00:07:49,039

the unexplained so we met

192

00:07:53,510 --> 00:07:52,319

and it was uh it was a really intriguing

193

00:07:55,350 --> 00:07:53,520

conversation

194

00:07:57,990 --> 00:07:55,360

we met at a hotel here in lincoln had

195

00:08:00,390 --> 00:07:58,000

lunch and then um

196

00:08:01,510 --> 00:08:00,400

retired to a corner of the of the lobby

197

00:08:04,469 --> 00:08:01,520

that was kind of out of the

198

00:08:05,909 --> 00:08:04,479

out of the way and had a a long

199

00:08:09,830 --> 00:08:05,919

discussion

200

00:08:12,629 --> 00:08:09,840

it was uh almost

201
00:08:15,110 --> 00:08:12,639
almost given like a lecture on what they

202
00:08:18,869 --> 00:08:15,120
were working on

203
00:08:21,909 --> 00:08:18,879
and they went into great detail about

204
00:08:25,270 --> 00:08:23,510
the mechanisms that they thought were

205
00:08:28,869 --> 00:08:25,280
behind this and that

206
00:08:34,310 --> 00:08:28,879
involves a lot of hypotheses and

207
00:08:37,909 --> 00:08:36,630
whole concept of enfoldment and how

208
00:08:39,430 --> 00:08:37,919
things work there we won't

209
00:08:42,310 --> 00:08:39,440
get into that unless you have specific

210
00:08:43,190 --> 00:08:42,320
questions but they outlined a number of

211
00:08:47,590 --> 00:08:43,200
things

212
00:08:51,190 --> 00:08:49,110
related to the government's what we

213
00:08:52,829 --> 00:08:51,200

would call now uh either project

214

00:08:55,430 --> 00:08:52,839

stargate or

215

00:08:58,470 --> 00:08:55,440

mkultra projects

216

00:09:02,070 --> 00:08:58,480

and they had continued on with this

217

00:09:05,269 --> 00:09:02,080

and what they were researching

218

00:09:09,750 --> 00:09:05,279

was a way to contact

219

00:09:12,710 --> 00:09:09,760

and harness the

220

00:09:14,550 --> 00:09:12,720

force the power behind a group of

221

00:09:15,750 --> 00:09:14,560

non-human entities and that's that's how

222

00:09:19,110 --> 00:09:15,760

they referred to them as

223

00:09:22,949 --> 00:09:19,120

nhe's non-human entities

224

00:09:26,389 --> 00:09:22,959

that they had hoped their hope was

225

00:09:32,470 --> 00:09:26,399

that they were going to be able to

226

00:09:36,949 --> 00:09:34,470

some of the powers that these entities

227

00:09:40,310 --> 00:09:36,959

had displayed uh

228

00:09:41,670 --> 00:09:40,320

ultimately what they wanted to do was

229

00:09:43,910 --> 00:09:41,680

what would have been some of those

230

00:09:47,110 --> 00:09:43,920

powers that they mentioned

231

00:09:48,470 --> 00:09:47,120

uh well there were things like um do you

232

00:09:50,790 --> 00:09:48,480

remember a few years ago

233

00:09:52,070 --> 00:09:50,800

the book that was made into a kind of an

234

00:09:54,070 --> 00:09:52,080

interesting movie called the men who

235

00:09:57,590 --> 00:09:54,080

stare at goats

236

00:09:59,350 --> 00:09:57,600

oh yes of course that that

237

00:10:00,949 --> 00:09:59,360

figures into that because one of the

238

00:10:03,110 --> 00:10:00,959

things they wanted to do was to be able

239

00:10:04,310 --> 00:10:03,120

to kill at a distance

240

00:10:06,389 --> 00:10:04,320

and of course since the government

241

00:10:08,870 --> 00:10:06,399

always likes to put a nice euphemism

242

00:10:10,069 --> 00:10:08,880

on everything that they're doing that

243

00:10:11,829 --> 00:10:10,079

wasn't called

244

00:10:14,630 --> 00:10:11,839

referred to as killing at a distance it

245

00:10:18,790 --> 00:10:14,640

was called negative healing

246

00:10:21,190 --> 00:10:18,800

so i got i got a kind of a chuckle out

247

00:10:24,389 --> 00:10:21,200

of that although it was a pretty macabre

248

00:10:24,710 --> 00:10:24,399

uh thing to be doing but uh yeah they

249

00:10:29,269 --> 00:10:24,720

were

250

00:10:32,389 --> 00:10:29,279

to be speaking on this weekend

251
00:10:35,910 --> 00:10:32,399
uh time travel interdimensional travel

252
00:10:36,870 --> 00:10:35,920
uh being able to remote view very

253
00:10:40,230 --> 00:10:36,880
accurately in

254
00:10:42,870 --> 00:10:40,240
as in terms of uh project your mind

255
00:10:43,430 --> 00:10:42,880
into a local remote location and

256
00:10:46,230 --> 00:10:43,440
literally

257
00:10:47,509 --> 00:10:46,240
read documents that were there uh those

258
00:10:49,509 --> 00:10:47,519
sorts of things

259
00:10:51,269 --> 00:10:49,519
and that's the that's the kind of things

260
00:10:53,750 --> 00:10:51,279
that they were working on their concern

261
00:10:55,990 --> 00:10:53,760
came because they they told me they were

262
00:10:58,069 --> 00:10:56,000
both uh both christians

263
00:10:59,590 --> 00:10:58,079

and they were concerned because of some

264

00:11:02,310 --> 00:10:59,600

of the ethical and moral

265

00:11:03,590 --> 00:11:02,320

implications of what they were doing

266

00:11:06,790 --> 00:11:03,600

which

267

00:11:09,430 --> 00:11:06,800

included if and again if

268

00:11:12,870 --> 00:11:09,440

if this was all true if it was accurate

269

00:11:15,829 --> 00:11:12,880

and i have no way to prove it

270

00:11:17,590 --> 00:11:15,839

the information they showed me with um

271

00:11:21,430 --> 00:11:17,600

several photographs

272

00:11:23,990 --> 00:11:21,440

of four individuals who had

273

00:11:26,550 --> 00:11:24,000

or excuse me three three individuals

274

00:11:29,829 --> 00:11:26,560

four photos of each

275

00:11:32,310 --> 00:11:29,839

who had been intentionally

276

00:11:34,069 --> 00:11:32,320

killed or negatively healed in their

277

00:11:37,110 --> 00:11:34,079

experimentation

278

00:11:40,870 --> 00:11:39,910

extremely intriguing uh they were

279

00:11:45,269 --> 00:11:40,880

convinced

280

00:11:47,670 --> 00:11:45,279

that from their experience every

281

00:11:49,269 --> 00:11:47,680

type of contact that they had with these

282

00:11:53,110 --> 00:11:49,279

non-human entities

283

00:11:55,590 --> 00:11:53,120

resulted in a very negative experience

284

00:11:57,750 --> 00:11:55,600

for the researcher and anyone else who

285

00:11:59,910 --> 00:11:57,760

was involved with the experiment

286

00:12:01,590 --> 00:11:59,920

uh they were they had become convinced

287

00:12:02,550 --> 00:12:01,600

that these were these were demonic

288

00:12:06,069 --> 00:12:02,560

entities

289

00:12:08,230 --> 00:12:06,079

uh they mentioned and i

290

00:12:10,550 --> 00:12:08,240

have not been able to find any

291

00:12:12,069 --> 00:12:10,560

corroborating evidence for this

292

00:12:14,790 --> 00:12:12,079

uh but they had mentioned that there

293

00:12:17,670 --> 00:12:14,800

were even uh satanic rituals and

294

00:12:19,190 --> 00:12:17,680

human sacrifices that were involved with

295

00:12:21,190 --> 00:12:19,200

some of these things

296

00:12:22,949 --> 00:12:21,200

um so they wanted they wanted a

297

00:12:24,629 --> 00:12:22,959

theological take on it because of my

298

00:12:25,910 --> 00:12:24,639

background as a as a paranormal

299

00:12:29,269 --> 00:12:25,920

investigator

300

00:12:29,279 --> 00:12:33,350

passed go ahead

301

00:12:36,710 --> 00:12:35,110

oh well no the only the only thing i

302

00:12:38,710 --> 00:12:36,720

would comment on is that

303

00:12:41,269 --> 00:12:38,720

there were a couple of cases uh you know

304

00:12:42,790 --> 00:12:41,279

about the the men in the masks in brazil

305

00:12:43,910 --> 00:12:42,800

that were found deceased along the

306

00:12:47,269 --> 00:12:43,920

railroad uh

307

00:12:48,150 --> 00:12:47,279

uh yes yeah well that kind of maybe fits

308

00:12:49,670 --> 00:12:48,160

in with the conte

309

00:12:52,870 --> 00:12:49,680

uh concept but their bodies weren't

310

00:12:54,389 --> 00:12:52,880

mutilated or anything there like that

311

00:12:56,230 --> 00:12:54,399

yeah it's you know there were there

312

00:12:58,230 --> 00:12:56,240

there are a couple of things like that

313

00:12:59,910 --> 00:12:58,240

um the one sort of mystery human

314

00:13:02,629 --> 00:12:59,920

mutilation in brazil

315

00:13:03,990 --> 00:13:02,639

and then the um uh the two men with the

316

00:13:07,030 --> 00:13:04,000

lead masks

317

00:13:10,069 --> 00:13:07,040

oh yes and of course

318

00:13:12,230 --> 00:13:10,079

people have just disappeared uh

319

00:13:13,750 --> 00:13:12,240

on wrath and wilkinson and uh i you know

320

00:13:15,430 --> 00:13:13,760

there have been people who mysteriously

321

00:13:19,750 --> 00:13:15,440

disappeared and all that have been

322

00:13:22,870 --> 00:13:19,760

kind of uh related to uh ufos

323

00:13:25,990 --> 00:13:22,880

and so forth you bet yeah and

324

00:13:26,790 --> 00:13:26,000

it all it all figures in in in some way

325

00:13:29,590 --> 00:13:26,800

because of the

326

00:13:31,190 --> 00:13:29,600

the scope of what they were doing and so

327

00:13:32,150 --> 00:13:31,200

you know if they're trying to be able to

328

00:13:35,350 --> 00:13:32,160

um

329

00:13:36,550 --> 00:13:35,360

to perfect the ability to switch between

330

00:13:38,389 --> 00:13:36,560

dimensions

331

00:13:40,389 --> 00:13:38,399

um how many of the mysterious

332

00:13:42,710 --> 00:13:40,399

disappearances that that happen

333

00:13:45,030 --> 00:13:42,720

uh could be related to that i you know

334

00:13:47,430 --> 00:13:45,040

it's it's an unanswerable question

335

00:13:51,110 --> 00:13:47,440

but it's certainly um it's certainly

336

00:13:54,550 --> 00:13:53,269

now why did they pick you though in

337

00:13:57,910 --> 00:13:54,560

particular to come

338

00:14:01,509 --> 00:13:57,920

to uh to ask you these questions and to

339

00:14:02,710 --> 00:14:01,519

lecture you as you say uh the impression

340

00:14:06,550 --> 00:14:02,720

that uh that they gave

341

00:14:09,509 --> 00:14:06,560

me and i think uh was accurate was that

342

00:14:11,590 --> 00:14:09,519

um again they they wanted to they wanted

343

00:14:12,949 --> 00:14:11,600

a solid theological take on this and

344

00:14:16,069 --> 00:14:12,959

because of my

345

00:14:18,470 --> 00:14:16,079

my background and my

346

00:14:19,750 --> 00:14:18,480

background as a paranormal investigator

347

00:14:23,189 --> 00:14:19,760

they thought i would have

348

00:14:26,470 --> 00:14:23,199

been in the perfect position to

349

00:14:29,590 --> 00:14:26,480

assess from but from both angles what uh

350

00:14:32,710 --> 00:14:29,600

what they were saying now i

351

00:14:35,750 --> 00:14:32,720

i understand that rationale but

352

00:14:36,470 --> 00:14:35,760

i had sort of the same question myself i

353

00:14:39,829 --> 00:14:36,480

mean why

354

00:14:41,350 --> 00:14:39,839

um why me why not um why not pick a new

355

00:14:44,230 --> 00:14:41,360

york times reporter why not

356

00:14:45,030 --> 00:14:44,240

why not pick the times religion reporter

357

00:14:48,150 --> 00:14:45,040

uh you know

358

00:14:51,990 --> 00:14:48,160

go to them um i

359

00:14:53,990 --> 00:14:52,000

i haven't i have no idea uh

360

00:14:55,030 --> 00:14:54,000

why and they never they never offered

361

00:14:56,629 --> 00:14:55,040

anything other than

362

00:14:58,069 --> 00:14:56,639

than that explanation that they they

363

00:14:59,110 --> 00:14:58,079

thought i was the most appropriate one

364

00:15:01,910 --> 00:14:59,120

to come to

365

00:15:03,990 --> 00:15:01,920

okay now did you check their background

366

00:15:07,030 --> 00:15:04,000

at all to verify that they who

367

00:15:09,350 --> 00:15:07,040

they were who they claimed to be i did

368

00:15:10,470 --> 00:15:09,360

and they were both uh they were both who

369

00:15:11,990 --> 00:15:10,480

they claimed to be they had the

370

00:15:15,189 --> 00:15:12,000

credentials they said they had

371

00:15:18,710 --> 00:15:15,199

and they were uh employed

372

00:15:19,430 --> 00:15:18,720

by the department of defense and uh you

373

00:15:21,829 --> 00:15:19,440

know once you're

374

00:15:23,269 --> 00:15:21,839

once you're in the dod you can you can

375

00:15:25,269 --> 00:15:23,279

fulfill a number of roles

376

00:15:26,470 --> 00:15:25,279

and be working for other organizations

377

00:15:28,870 --> 00:15:26,480

and and uh

378

00:15:30,310 --> 00:15:28,880

be seconded out to different groups uh

379

00:15:32,389 --> 00:15:30,320

so i i can't

380

00:15:34,550 --> 00:15:32,399

yeah they would not give me a project

381

00:15:36,150 --> 00:15:34,560

name because they said that would be

382

00:15:37,829 --> 00:15:36,160

far too dangerous because it would it

383

00:15:40,230 --> 00:15:37,839

would identify them

384

00:15:41,509 --> 00:15:40,240

and um they didn't they didn't want to

385

00:15:45,430 --> 00:15:41,519

take a chance

386

00:15:51,030 --> 00:15:48,470

you know i i put it out there

387

00:15:51,670 --> 00:15:51,040

shortly after it happened and i was able

388

00:15:55,910 --> 00:15:51,680

to

389

00:15:57,829 --> 00:15:55,920

give a limited release of the

390

00:16:00,230 --> 00:15:57,839

information to uh

391

00:16:02,310 --> 00:16:00,240

uh the research community and wanted to

392

00:16:04,790 --> 00:16:02,320

get some input i said you know what

393

00:16:05,590 --> 00:16:04,800

here's the story i don't know if it's

394

00:16:08,629 --> 00:16:05,600

true

395

00:16:10,550 --> 00:16:08,639

what do you think uh it was many years

396

00:16:13,590 --> 00:16:10,560

later i believe in 2007

397

00:16:15,509 --> 00:16:13,600

that nick redfern got a hold of me and

398

00:16:17,749 --> 00:16:15,519

he was interested in the story so i gave

399

00:16:20,790 --> 00:16:17,759

him all of the background that i had

400

00:16:23,829 --> 00:16:20,800

um and he began to chase it down

401
00:16:24,470 --> 00:16:23,839
and nick was able to uncover uh the name

402
00:16:27,910 --> 00:16:24,480
of a group

403
00:16:30,710 --> 00:16:27,920
not not the as far as i know

404
00:16:32,389 --> 00:16:30,720
not the men that i met with but a group

405
00:16:33,749 --> 00:16:32,399
within the government called the collins

406
00:16:35,990 --> 00:16:33,759
elite

407
00:16:36,949 --> 00:16:36,000
who were a group of very fundamentalist

408
00:16:40,710 --> 00:16:36,959
christians

409
00:16:43,910 --> 00:16:40,720
who looked at this entire field as

410
00:16:46,949 --> 00:16:43,920
being demonic uh and evil

411
00:16:49,910 --> 00:16:46,959
and were trying to figure out how to

412
00:16:50,629 --> 00:16:49,920
how to deal with it they had a very much

413
00:16:55,110 --> 00:16:50,639

uh

414

00:16:56,069 --> 00:16:55,120

mindset from what nick was able to

415

00:16:58,230 --> 00:16:56,079

discover

416

00:17:00,470 --> 00:16:58,240

uh and we're looking at this as you know

417

00:17:03,030 --> 00:17:00,480

the uh the precursor to

418

00:17:04,150 --> 00:17:03,040

uh the rise of the antichrist and the

419

00:17:06,710 --> 00:17:04,160

second coming of jesus

420

00:17:08,949 --> 00:17:06,720

now who okay it's the the collins elite

421

00:17:12,069 --> 00:17:08,959

who is collins

422

00:17:12,870 --> 00:17:12,079

i have no idea i have no idea that's the

423

00:17:16,870 --> 00:17:12,880

name that they

424

00:17:19,990 --> 00:17:16,880

provided nick and um uh you know who

425

00:17:21,029 --> 00:17:20,000

who collins is i don't know and why

426

00:17:23,110 --> 00:17:21,039

they're elite

427

00:17:25,189 --> 00:17:23,120

i'm not sure of that either yeah yeah

428

00:17:27,270 --> 00:17:25,199

okay okay so

429

00:17:29,190 --> 00:17:27,280

how many congress did you have more than

430

00:17:33,190 --> 00:17:29,200

one meeting with these gentlemen

431

00:17:35,110 --> 00:17:33,200

i had two lengthy face-to-face meetings

432

00:17:36,549 --> 00:17:35,120

i had a couple of phone conversations

433

00:17:40,549 --> 00:17:36,559

and i had one

434

00:17:43,669 --> 00:17:40,559

uh very brief meeting where they handed

435

00:17:47,190 --> 00:17:43,679

uh a floppy disk off to me

436

00:17:49,350 --> 00:17:47,200

to uh containing answers to questions

437

00:17:50,710 --> 00:17:49,360

linda howe had submitted to them through

438

00:17:53,029 --> 00:17:50,720

me and they

439

00:17:54,390 --> 00:17:53,039

they were in the area and they just

440

00:17:55,669 --> 00:17:54,400

stopped by my office

441

00:17:57,669 --> 00:17:55,679

i was working for the university of

442

00:18:00,630 --> 00:17:57,679

nebraska by that time

443

00:18:03,909 --> 00:18:00,640

and handed me the uh the disc which i

444

00:18:06,390 --> 00:18:03,919

then forwarded on to linda

445

00:18:07,510 --> 00:18:06,400

so i had i was able to contact them by a

446

00:18:11,270 --> 00:18:07,520

post office box

447

00:18:13,430 --> 00:18:11,280

and a telephone number uh i would call

448

00:18:15,350 --> 00:18:13,440

and leave a message and they would get

449

00:18:17,510 --> 00:18:15,360

back to me sometimes

450

00:18:18,630 --> 00:18:17,520

you know a day later sometimes six

451
00:18:21,830 --> 00:18:18,640
months later

452
00:18:23,590 --> 00:18:21,840
uh i didn't have really other than that

453
00:18:26,950 --> 00:18:23,600
other than a post office box

454
00:18:28,390 --> 00:18:26,960
and this phone number i had no way to uh

455
00:18:30,549 --> 00:18:28,400
to contact them

456
00:18:31,750 --> 00:18:30,559
so are you in touch with them now or is

457
00:18:34,310 --> 00:18:31,760
that a

458
00:18:35,590 --> 00:18:34,320
thing of the past that's that's a thing

459
00:18:40,830 --> 00:18:35,600
of the past

460
00:18:43,590 --> 00:18:40,840
it um it was it was those

461
00:18:45,590 --> 00:18:43,600
uh those three

462
00:18:47,430 --> 00:18:45,600
face-to-face meetings too long one very

463
00:18:50,870 --> 00:18:47,440

short uh

464

00:18:52,470 --> 00:18:50,880

a telephone call or two and uh

465

00:18:53,990 --> 00:18:52,480

a couple of letters exchanged to the

466

00:18:57,110 --> 00:18:54,000

post office box

467

00:19:00,390 --> 00:18:57,120

uh principally because

468

00:19:02,789 --> 00:19:00,400

they had asked me they knew i was uh

469

00:19:03,590 --> 00:19:02,799

quite close friends with linda howe yeah

470

00:19:06,630 --> 00:19:03,600

and

471

00:19:11,750 --> 00:19:06,640

they were interested in reading her um

472

00:19:15,350 --> 00:19:11,760

glimpses of other realities and so we um

473

00:19:17,350 --> 00:19:15,360

i i put them together uh they

474

00:19:18,950 --> 00:19:17,360

didn't want to make direct contact with

475

00:19:21,110 --> 00:19:18,960

linda because they wanted to limit the

476

00:19:23,190 --> 00:19:21,120

number of uh

477

00:19:24,150 --> 00:19:23,200

exposures of who they really were to

478

00:19:25,669 --> 00:19:24,160

people

479

00:19:27,190 --> 00:19:25,679

so they just they used me as a

480

00:19:28,470 --> 00:19:27,200

go-between and

481

00:19:30,310 --> 00:19:28,480

linda of course had a number of

482

00:19:32,710 --> 00:19:30,320

questions for them and

483

00:19:33,430 --> 00:19:32,720

they were willing to uh to answer those

484

00:19:36,710 --> 00:19:33,440

so i

485

00:19:38,470 --> 00:19:36,720

uh on two occasions uh received a disc

486

00:19:41,029 --> 00:19:38,480

of questions from linda

487

00:19:42,310 --> 00:19:41,039

uh i just left it in the envelope sheet

488

00:19:44,070 --> 00:19:42,320

in which she'd sent it to me

489

00:19:46,470 --> 00:19:44,080

put it in another one address it to the

490

00:19:48,230 --> 00:19:46,480

po box and then it was returned to me

491

00:19:51,110 --> 00:19:48,240

once by mail and then

492

00:19:52,549 --> 00:19:51,120

once uh the final one in person okay so

493

00:19:54,230 --> 00:19:52,559

what uh

494

00:19:56,470 --> 00:19:54,240

what is your assessment of their

495

00:20:02,310 --> 00:19:56,480

assessment

496

00:20:03,830 --> 00:20:02,320

um i think there are

497

00:20:06,149 --> 00:20:03,840

i think there's i think there's a great

498

00:20:06,950 --> 00:20:06,159

deal of legitimacy to it i think there

499

00:20:16,070 --> 00:20:06,960

is

500

00:20:18,870 --> 00:20:16,080

there

501
00:20:19,430 --> 00:20:18,880
but how you parse the disinformation

502
00:20:21,750 --> 00:20:19,440
from

503
00:20:24,870 --> 00:20:21,760
the true information when it's the sort

504
00:20:27,029 --> 00:20:24,880
of thing that is so highly classified

505
00:20:29,110 --> 00:20:27,039
you will probably never be able to run

506
00:20:33,110 --> 00:20:29,120
across any documentation on it

507
00:20:33,590 --> 00:20:33,120
um but from from what nick was able to

508
00:20:38,870 --> 00:20:33,600
uh

509
00:20:40,310 --> 00:20:38,880
there are there are efforts like this

510
00:20:43,029 --> 00:20:40,320
going on

511
00:20:44,070 --> 00:20:43,039
and there is a group that's concerned

512
00:20:47,350 --> 00:20:44,080
about this

513
00:20:50,390 --> 00:20:47,360

um where it is now i don't know

514

00:20:51,669 --> 00:20:50,400

i don't know do you okay if this were to

515

00:20:55,270 --> 00:20:51,679

be true

516

00:20:57,669 --> 00:20:55,280

uh that uh it's a satanic

517

00:20:59,830 --> 00:20:57,679

i i don't even know how really to use

518

00:21:01,750 --> 00:20:59,840

the term because i just can't get behind

519

00:21:03,430 --> 00:21:01,760

the fact that there's one entity called

520

00:21:06,070 --> 00:21:03,440

satan and he's doing all this stuff

521

00:21:06,870 --> 00:21:06,080

but oh okay let's say that it's a

522

00:21:09,830 --> 00:21:06,880

satanic

523

00:21:10,149 --> 00:21:09,840

influence here does the people the the

524

00:21:13,590 --> 00:21:10,159

pub

525

00:21:16,310 --> 00:21:13,600

this or should it be kept

526

00:21:18,230 --> 00:21:16,320

under covers and if it were not kept

527

00:21:19,029 --> 00:21:18,240

under covers would it mean that lucifer

528

00:21:21,510 --> 00:21:19,039

would be

529

00:21:24,470 --> 00:21:21,520

uh left to do his bidding in the world

530

00:21:26,789 --> 00:21:24,480

more so than perhaps he is now

531

00:21:29,430 --> 00:21:26,799

see this is this is an interesting this

532

00:21:31,190 --> 00:21:29,440

is an interesting aspect of it

533

00:21:33,430 --> 00:21:31,200

uh i don't know if we've got time before

534

00:21:35,430 --> 00:21:33,440

the break to really get into this

535

00:21:36,710 --> 00:21:35,440

um no i thought i'd give you a

536

00:21:39,270 --> 00:21:36,720

cliffhanger

537

00:21:39,750 --> 00:21:39,280

you bet well let's let's let that sit

538

00:21:42,950 --> 00:21:39,760

because

539

00:21:45,110 --> 00:21:42,960

for one thing part of the problem with

540

00:21:46,230 --> 00:21:45,120

the overarching view of the collins

541

00:21:47,909 --> 00:21:46,240

elite and

542

00:21:49,430 --> 00:21:47,919

some of the things these gentlemen

543

00:21:53,029 --> 00:21:49,440

shared with me

544

00:21:56,390 --> 00:21:53,039

are the the the theological

545

00:21:59,909 --> 00:21:56,400

uh non-sequiturs that are there uh

546

00:22:03,110 --> 00:21:59,919

you know lucifer or a demonic entity

547

00:22:06,310 --> 00:22:03,120

doesn't need anyone's permission to

548

00:22:07,510 --> 00:22:06,320

um to jump in here so your question if

549

00:22:09,750 --> 00:22:07,520

you know if people knew about it would

550

00:22:12,950 --> 00:22:09,760

he give him a more open hand

551

00:22:15,350 --> 00:22:12,960

he's he's allowed uh he's allowed to do

552

00:22:16,230 --> 00:22:15,360

whatever he wants within whatever limits

553

00:22:19,990 --> 00:22:16,240

god himself

554

00:22:22,230 --> 00:22:20,000

sets for him to be constrained by

555

00:22:23,669 --> 00:22:22,240

all right let's leave it at that for now

556

00:22:25,590 --> 00:22:23,679

as we go to our

557

00:22:26,950 --> 00:22:25,600

bottom of the hour break when we come

558

00:22:30,470 --> 00:22:26,960

back we will continue

559

00:22:31,270 --> 00:22:30,480

our conversation about the collins elite

560

00:22:33,270 --> 00:22:31,280

and more

561

00:22:35,430 --> 00:22:33,280

on exploring the bizarre so stay tuned

562

00:22:36,630 --> 00:22:35,440

exploring the bazaar i'm tim schwartz

563

00:22:39,750 --> 00:22:36,640

our guest tonight

564

00:22:42,470 --> 00:22:39,760

is dr raymond

565

00:22:43,750 --> 00:22:42,480

and i should point out that uh dr

566

00:22:46,870 --> 00:22:43,760

broshet

567

00:22:47,510 --> 00:22:46,880

uh also used to uh put out the uh the

568

00:22:50,789 --> 00:22:47,520

journal

569

00:22:54,149 --> 00:22:50,799

of the fortian research center the

570

00:22:54,470 --> 00:22:54,159

uh fortian research journal which uh i

571

00:22:57,190 --> 00:22:54,480

think

572

00:22:57,590 --> 00:22:57,200

uh tim i've got to i've got some copies

573

00:23:03,990 --> 00:22:57,600

that

574

00:23:05,830 --> 00:23:04,000

no there's been times where you would

575

00:23:07,270 --> 00:23:05,840

just send me boxes of stuff because you

576

00:23:07,750 --> 00:23:07,280

didn't have room in your apartment

577

00:23:09,110 --> 00:23:07,760

anymore

578

00:23:10,150 --> 00:23:09,120

i don't have yeah yeah but i would have

579

00:23:13,909 --> 00:23:10,160

kept those

580

00:23:16,070 --> 00:23:13,919

[Laughter]

581

00:23:17,750 --> 00:23:16,080

i wonder i wonder if any of those are

582

00:23:31,990 --> 00:23:17,760

digitized on that

583

00:23:36,149 --> 00:23:34,310

that's an adventure in itself it is

584

00:23:37,830 --> 00:23:36,159

indeed yeah yeah it is

585

00:23:39,669 --> 00:23:37,840

they've got so many pages there but when

586

00:23:40,950 --> 00:23:39,679

you go to actually find the material you

587

00:23:44,789 --> 00:23:40,960

can't find it anyway

588

00:23:48,549 --> 00:23:44,799

tim take command well i was just uh uh

589

00:23:48,870 --> 00:23:48,559

ready to uh continue on our uh we had to

590

00:23:52,630 --> 00:23:48,880

uh

591

00:23:54,149 --> 00:23:52,640

so um unceremoniously interview for our

592

00:23:56,470 --> 00:23:54,159

bottom of the hour break so

593

00:23:57,990 --> 00:23:56,480

you know going back to uh 10 the other

594

00:24:02,310 --> 00:23:58,000

dam's previous question

595

00:24:05,269 --> 00:24:02,320

so take it away yeah the the idea of

596

00:24:06,230 --> 00:24:05,279

whether or not this should be exposed uh

597

00:24:08,070 --> 00:24:06,240

you know from

598

00:24:12,549 --> 00:24:08,080

from a christian theological point of

599

00:24:19,909 --> 00:24:16,830

satan is recognized as

600

00:24:23,669 --> 00:24:19,919

um a fallen

601
00:24:26,390 --> 00:24:23,679
angel fallen creature uh created by god

602
00:24:27,110 --> 00:24:26,400
but still under god's control ultimately

603
00:24:29,269 --> 00:24:27,120
uh

604
00:24:30,149 --> 00:24:29,279
you know you can you can veer off into

605
00:24:33,350 --> 00:24:30,159
so many different

606
00:24:34,149 --> 00:24:33,360
um uh theological discussions here about

607
00:24:37,190 --> 00:24:34,159
uh

608
00:24:39,430 --> 00:24:37,200
the existence of evil

609
00:24:41,029 --> 00:24:39,440
uh in god's presence and so on that's

610
00:24:44,230 --> 00:24:41,039
called a theodicy

611
00:24:44,950 --> 00:24:44,240
uh but it really comes down to the fact

612
00:24:48,789 --> 00:24:44,960
that

613
00:24:51,350 --> 00:24:48,799

if if god is who god says he is

614

00:24:51,909 --> 00:24:51,360

then he is in control he is sovereign

615

00:24:56,310 --> 00:24:51,919

and

616

00:24:59,430 --> 00:24:56,320

created being

617

00:25:00,390 --> 00:24:59,440

can do so satan doesn't have unlimited

618

00:25:03,029 --> 00:25:00,400

control

619

00:25:04,549 --> 00:25:03,039

satan is uh always constrained within

620

00:25:06,149 --> 00:25:04,559

certain limits if you look at the book

621

00:25:09,590 --> 00:25:06,159

of job

622

00:25:13,269 --> 00:25:09,600

you see that god allows satan

623

00:25:17,430 --> 00:25:16,070

satan is allowed to test job but god

624

00:25:19,029 --> 00:25:17,440

always puts limits on it

625

00:25:20,470 --> 00:25:19,039

well you can take his you can take his

626

00:25:23,830 --> 00:25:20,480

possessions but you can't

627

00:25:25,590 --> 00:25:23,840

harm him well okay now you can harm him

628

00:25:28,070 --> 00:25:25,600

but you can't take his life

629

00:25:28,630 --> 00:25:28,080

and that sort of so god puts limits on

630

00:25:31,750 --> 00:25:28,640

that

631

00:25:34,230 --> 00:25:31,760

and so if it were discovered

632

00:25:36,149 --> 00:25:34,240

that uh or released made public that the

633

00:25:36,870 --> 00:25:36,159

government was involved in research like

634

00:25:40,230 --> 00:25:36,880

this

635

00:25:42,230 --> 00:25:40,240

uh it wouldn't change much uh other than

636

00:25:43,830 --> 00:25:42,240

to maybe

637

00:25:45,269 --> 00:25:43,840

confirm in a lot of people's minds that

638

00:25:48,310 --> 00:25:45,279

you really can't trust the government

639

00:25:51,510 --> 00:25:50,230

and they've they've jumped into things

640

00:25:54,789 --> 00:25:51,520

that they would

641

00:25:58,390 --> 00:25:54,799

maybe be better uh better left alone

642

00:25:59,269 --> 00:25:58,400

but uh i you know so i i don't know it's

643

00:26:03,350 --> 00:25:59,279

it's so

644

00:26:06,549 --> 00:26:03,360

it's such a it's such a bizarre uh

645

00:26:10,149 --> 00:26:06,559

set of circumstances um i had

646

00:26:11,909 --> 00:26:10,159

i had sort of uh said well you know i uh

647

00:26:16,710 --> 00:26:11,919

i put this out

648

00:26:17,830 --> 00:26:16,720

originally um and i believe 1991 or 1992

649

00:26:19,750 --> 00:26:17,840

when it uh

650

00:26:21,590 --> 00:26:19,760

shortly after my first meeting as it

651
00:26:23,110 --> 00:26:21,600
happened to see about a response he

652
00:26:26,230 --> 00:26:23,120
hadn't heard anything

653
00:26:28,870 --> 00:26:26,240
uh you know 17 years later

654
00:26:30,789 --> 00:26:28,880
nick calls me up and said hey i'm kind

655
00:26:33,590 --> 00:26:30,799
of interested in this tell me about it

656
00:26:34,549 --> 00:26:33,600
and then he's able to pick up threads

657
00:26:37,990 --> 00:26:34,559
and

658
00:26:40,950 --> 00:26:38,000
conjecture on my part

659
00:26:41,750 --> 00:26:40,960
because i don't know for certain but uh

660
00:26:44,310 --> 00:26:41,760
at the time

661
00:26:46,070 --> 00:26:44,320
in the early 90s uh offutt air force

662
00:26:49,190 --> 00:26:46,080
base in omaha nebraska

663
00:26:50,789 --> 00:26:49,200

just 50 miles from where i am in lincoln

664

00:26:53,350 --> 00:26:50,799

was also the headquarters of the

665

00:26:56,470 --> 00:26:53,360

strategic air command

666

00:26:59,590 --> 00:26:56,480

and they had an air force office of

667

00:27:03,430 --> 00:26:59,600

uh scientific science and research at uh

668

00:27:05,430 --> 00:27:03,440

offutt and my feeling is that they were

669

00:27:08,789 --> 00:27:05,440

involved in something that was

670

00:27:10,630 --> 00:27:08,799

uh going on at offutt

671

00:27:12,149 --> 00:27:10,640

and would visit at least on a periodical

672

00:27:14,310 --> 00:27:12,159

basis uh

673

00:27:16,310 --> 00:27:14,320

and so they were in the area and reached

674

00:27:17,510 --> 00:27:16,320

out to me and i i have

675

00:27:20,230 --> 00:27:17,520

i won't go into it i have some

676

00:27:21,909 --> 00:27:20,240

suspicious of who a person that i was in

677

00:27:24,230 --> 00:27:21,919

contact with that was

678

00:27:25,750 --> 00:27:24,240

very highly placed in that air force

679

00:27:28,470 --> 00:27:25,760

office of science and research

680

00:27:29,110 --> 00:27:28,480

uh at the time may have dropped my name

681

00:27:33,110 --> 00:27:29,120

to these

682

00:27:35,190 --> 00:27:33,120

now the fact that

683

00:27:36,710 --> 00:27:35,200

it all that time lagged and then nick

684

00:27:37,269 --> 00:27:36,720

was able to pick it up and find new

685

00:27:39,830 --> 00:27:37,279

threads

686

00:27:41,830 --> 00:27:39,840

and take it on further uh which led to

687

00:27:42,470 --> 00:27:41,840

the discovery of this group the collins

688

00:27:45,510 --> 00:27:42,480

elite

689

00:27:47,990 --> 00:27:45,520

um fascinating i don't

690

00:27:49,269 --> 00:27:48,000

i don't know what we can draw from it

691

00:27:53,350 --> 00:27:49,279

conclusively

692

00:27:55,269 --> 00:27:53,360

but um it's it's a it's a fascinating

693

00:27:58,470 --> 00:27:55,279

scenario

694

00:28:02,630 --> 00:27:58,480

well and and it is i mean it's it's just

695

00:28:03,510 --> 00:28:02,640

another one of the thousands and

696

00:28:06,549 --> 00:28:03,520

thousands of

697

00:28:09,750 --> 00:28:06,559

threads that seem to

698

00:28:11,750 --> 00:28:09,760

be connected to the whole phenomenon

699

00:28:15,350 --> 00:28:11,760

that you know you can pull on that

700

00:28:19,029 --> 00:28:18,710

forever and ultimately you're still left

701
00:28:21,190 --> 00:28:19,039
with

702
00:28:23,110 --> 00:28:21,200
probably even more questions than you

703
00:28:26,710 --> 00:28:23,120
originally started with

704
00:28:28,549 --> 00:28:26,720
yeah it's um you know i've i

705
00:28:30,389 --> 00:28:28,559
became interested and started

706
00:28:33,669 --> 00:28:30,399
researching this when i was

707
00:28:36,630 --> 00:28:33,679
10 years old in 1965 and

708
00:28:39,909 --> 00:28:36,640
i have looked at it ever since as as

709
00:28:41,590 --> 00:28:39,919
very much an intellectual exercise

710
00:28:43,110 --> 00:28:41,600
it doesn't take long if you get serious

711
00:28:45,830 --> 00:28:43,120
about it

712
00:28:47,430 --> 00:28:45,840
to come to the conclusion that you're

713
00:28:50,870 --> 00:28:47,440

not going to

714

00:28:52,710 --> 00:28:50,880

uh given something miraculous happening

715

00:28:53,830 --> 00:28:52,720

you're not going to come to a final

716

00:28:57,110 --> 00:28:53,840

answer

717

00:29:00,310 --> 00:28:57,120

um and early on i corresponded

718

00:29:04,630 --> 00:29:00,320

in the late 60s early 70s with john keel

719

00:29:07,110 --> 00:29:04,640

and he and jacques vallee had

720

00:29:10,070 --> 00:29:07,120

an incredible incredibly positive

721

00:29:13,190 --> 00:29:10,080

influence on the way i looked at things

722

00:29:13,909 --> 00:29:13,200

when kiel said you know it's these these

723

00:29:16,070 --> 00:29:13,919

things aren't

724

00:29:17,029 --> 00:29:16,080

from another planet these are something

725

00:29:19,909 --> 00:29:17,039

else

726

00:29:21,669 --> 00:29:19,919

uh and he coined his ultra-terrestrial

727

00:29:22,070 --> 00:29:21,679

theory and then jacques villa said the

728

00:29:24,630 --> 00:29:22,080

uh

729

00:29:25,269 --> 00:29:24,640

the extraterrestrial hypothesis is too

730

00:29:27,830 --> 00:29:25,279

simple

731

00:29:28,710 --> 00:29:27,840

there's more going on here and i i fully

732

00:29:31,269 --> 00:29:28,720

agree

733

00:29:32,950 --> 00:29:31,279

and so for about the first after about

734

00:29:36,549 --> 00:29:32,960

the first five years

735

00:29:37,990 --> 00:29:36,559

um i had come to the firm conclusion

736

00:29:40,310 --> 00:29:38,000

that there is more here than just

737

00:29:43,269 --> 00:29:40,320

spaceships from another planet this is

738

00:29:46,389 --> 00:29:43,279

something much more complex

739

00:29:48,710 --> 00:29:46,399

well on his uh uh uh jacques valley

740

00:29:49,990 --> 00:29:48,720

said he he'd be really disappointed if

741

00:29:52,830 --> 00:29:50,000

it did just turn out to be

742

00:29:55,269 --> 00:29:52,840

nothing more than spaceships from other

743

00:29:56,630 --> 00:29:55,279

planets

744

00:29:59,830 --> 00:29:56,640

yeah it would be a tremendous

745

00:30:02,549 --> 00:29:59,840

disappointment it's um

746

00:30:03,110 --> 00:30:02,559

it's like the old adage of peeling an

747

00:30:05,190 --> 00:30:03,120

onion

748

00:30:07,430 --> 00:30:05,200

you just keep it just it just keeps

749

00:30:10,789 --> 00:30:07,440

going it just keeps going

750

00:30:13,909 --> 00:30:10,799

um so now okay

751

00:30:16,789 --> 00:30:13,919

you you said that you got started at

752

00:30:17,669 --> 00:30:16,799

at a fairly young age uh was there

753

00:30:21,269 --> 00:30:17,679

anything

754

00:30:22,149 --> 00:30:21,279

specifically that got you started on

755

00:30:23,830 --> 00:30:22,159

this

756

00:30:26,149 --> 00:30:23,840

that you can remember i mean you know 10

757

00:30:29,190 --> 00:30:26,159

years old yeah though the one

758

00:30:33,590 --> 00:30:29,200

the one it's actually two events

759

00:30:36,070 --> 00:30:33,600

it was it was a summer of 65 and

760

00:30:38,230 --> 00:30:36,080

we had experience and i don't recall

761

00:30:40,310 --> 00:30:38,240

exactly the circumstances my hometown of

762

00:30:42,230 --> 00:30:40,320

nebraska city

763

00:30:43,990 --> 00:30:42,240

we had experienced a blackout a power

764

00:30:47,269 --> 00:30:44,000

outage and

765

00:30:49,430 --> 00:30:47,279

we were out on our back porch and saw

766

00:30:52,710 --> 00:30:49,440

this

767

00:30:55,750 --> 00:30:52,720

i can only describe it as a fiery disc

768

00:31:00,310 --> 00:30:55,760

cross over our house i

769

00:31:01,190 --> 00:31:00,320

you know i um 60 years on now i would

770

00:31:04,470 --> 00:31:01,200

suppose

771

00:31:06,870 --> 00:31:04,480

uh four or five hundred feet

772

00:31:07,830 --> 00:31:06,880

above the house uh going from south to

773

00:31:11,110 --> 00:31:07,840

north

774

00:31:14,149 --> 00:31:11,120

and then in 1965 with the great uh

775

00:31:16,630 --> 00:31:14,159

blackout in the northeast and the

776

00:31:17,590 --> 00:31:16,640

subsequent reports of a strange ufo

777

00:31:20,389 --> 00:31:17,600

around the uh

778

00:31:21,509 --> 00:31:20,399

substation in upstate new york that may

779

00:31:23,350 --> 00:31:21,519

have triggered it

780

00:31:25,190 --> 00:31:23,360

um that's what really caught my

781

00:31:28,789 --> 00:31:25,200

attention and

782

00:31:30,070 --> 00:31:28,799

so that got me interested and i started

783

00:31:31,830 --> 00:31:30,080

to dig

784

00:31:33,269 --> 00:31:31,840

wherever i could find uh you know the

785

00:31:35,590 --> 00:31:33,279

library at that time

786

00:31:37,269 --> 00:31:35,600

did not have uh did not have a lot of

787

00:31:37,830 --> 00:31:37,279

things one of the first books that i

788

00:31:40,389 --> 00:31:37,840

found

789

00:31:41,190 --> 00:31:40,399

in our public library was uh actually

790

00:31:43,110 --> 00:31:41,200

two

791

00:31:44,950 --> 00:31:43,120

uh flying saucer series business by

792

00:31:46,950 --> 00:31:44,960

frank edwards and behind the flying

793

00:31:50,630 --> 00:31:46,960

saucers by frank scully

794

00:31:53,990 --> 00:31:50,640

and uh that's what got me started and uh

795

00:31:57,750 --> 00:31:54,000

my first my first purchase of a

796

00:31:59,190 --> 00:31:57,760

a piece of ufo material was the flying

797

00:32:00,950 --> 00:31:59,200

saucer menace

798

00:32:02,789 --> 00:32:00,960

which was written by brad steiger was

799

00:32:06,230 --> 00:32:02,799

put out in a magazine form

800

00:32:08,870 --> 00:32:06,240

and um that

801
00:32:09,350 --> 00:32:08,880
very good book it is it's fabulous that

802
00:32:13,830 --> 00:32:09,360
so that

803
00:32:16,389 --> 00:32:13,840
that's that's set me on the path of

804
00:32:21,909 --> 00:32:16,399
way too much money spent on books over

805
00:32:27,430 --> 00:32:25,909
yes you and and all of us here

806
00:32:29,669 --> 00:32:27,440
on tonight's show got no room don't

807
00:32:30,149 --> 00:32:29,679
don't don't send me any more books i

808
00:32:32,870 --> 00:32:30,159
have no

809
00:32:33,509 --> 00:32:32,880
no place to put them i i swear not one

810
00:32:36,230 --> 00:32:33,519
not one

811
00:32:37,909 --> 00:32:36,240
cubicle do i have i got 40 file cabinets

812
00:32:41,910 --> 00:32:37,919
and everything around me is

813
00:32:44,789 --> 00:32:41,920

just piles of books i know the feeling

814

00:32:48,230 --> 00:32:44,799

[Laughter]

815

00:32:50,789 --> 00:32:48,240

now um you know looking at your at your

816

00:32:51,909 --> 00:32:50,799

uh bio i mean you know you you've been

817

00:32:54,950 --> 00:32:51,919

involved with

818

00:32:57,990 --> 00:32:54,960

a lot of of of things

819

00:33:04,549 --> 00:32:58,000

outside of ufos and and

820

00:33:11,269 --> 00:33:08,549

people that you work with

821

00:33:13,269 --> 00:33:11,279

when they find out that you're also

822

00:33:16,630 --> 00:33:13,279

interested in this kind of stuff what

823

00:33:18,630 --> 00:33:16,640

what has the reaction been you know

824

00:33:19,909 --> 00:33:18,640

for myself and tim beckley you know as

825

00:33:23,350 --> 00:33:19,919

as well

826

00:33:25,830 --> 00:33:23,360

uh i have never let it uh be secret

827

00:33:26,389 --> 00:33:25,840

you know what uh uh what my interests

828

00:33:28,070 --> 00:33:26,399

are

829

00:33:29,909 --> 00:33:28,080

but then again you know some people that

830

00:33:31,350 --> 00:33:29,919

we have talked to i mean they

831

00:33:33,430 --> 00:33:31,360

they keep their they keep their

832

00:33:35,590 --> 00:33:33,440

interests very close you know

833

00:33:37,669 --> 00:33:35,600

to their breasts and don't don't really

834

00:33:40,789 --> 00:33:37,679

uh talk about it too much you know

835

00:33:42,470 --> 00:33:40,799

what about you i'm i'm much like uh i'm

836

00:33:45,430 --> 00:33:42,480

much like you two tims

837

00:33:45,909 --> 00:33:45,440

uh i never i've never made a secret of

838

00:33:47,909 --> 00:33:45,919

it

839

00:33:49,110 --> 00:33:47,919

uh you know i got a lot of i got a lot

840

00:33:52,070 --> 00:33:49,120

of ribbing in uh

841

00:33:54,389 --> 00:33:52,080

in junior high in high school uh as

842

00:33:56,870 --> 00:33:54,399

people as i got into the workforce

843

00:33:59,029 --> 00:33:56,880

and people understood that uh you know

844

00:34:00,070 --> 00:33:59,039

gosh i'm i'm not an idiot i don't drool

845

00:34:02,389 --> 00:34:00,080

too often

846

00:34:03,269 --> 00:34:02,399

uh you know i know i seem to know what

847

00:34:06,789 --> 00:34:03,279

i'm doing and

848

00:34:10,310 --> 00:34:06,799

conduct myself fairly well uh i've never

849

00:34:12,310 --> 00:34:10,320

i've never had any any uh

850

00:34:14,710 --> 00:34:12,320

any compulsion to uh to hide it from

851
00:34:16,790 --> 00:34:14,720
anyone and generally after people

852
00:34:18,710 --> 00:34:16,800
understand that you're you know you're a

853
00:34:20,550 --> 00:34:18,720
competent serious person

854
00:34:22,470 --> 00:34:20,560
uh they begin to get interested in spite

855
00:34:25,669 --> 00:34:22,480
of themselves even the ones who uh

856
00:34:26,470 --> 00:34:25,679
who really uh who really laugh it off at

857
00:34:28,950 --> 00:34:26,480
first

858
00:34:30,790 --> 00:34:28,960
uh it's interesting to see the response

859
00:34:33,829 --> 00:34:30,800
as they begin to get interested

860
00:34:35,270 --> 00:34:33,839
and then once in a while well more than

861
00:34:36,710 --> 00:34:35,280
once in a while

862
00:34:38,710 --> 00:34:36,720
they'll open up and tell you about

863
00:34:41,589 --> 00:34:38,720

something that's happened to them

864

00:34:43,589 --> 00:34:41,599

and uh yeah it's uh it's yeah so no i've

865

00:34:45,909 --> 00:34:43,599

never made a secret of it

866

00:34:47,030 --> 00:34:45,919

yes exactly see that's that's that's the

867

00:34:49,750 --> 00:34:47,040

way it's been

868

00:34:51,510 --> 00:34:49,760

uh with re with me practically my entire

869

00:34:53,510 --> 00:34:51,520

life is that you know people

870

00:34:55,270 --> 00:34:53,520

a lot of times well there's a group

871

00:34:56,389 --> 00:34:55,280

around you know they'll laugh ah you

872

00:34:56,790 --> 00:34:56,399

know we don't believe in that kind of

873

00:34:59,190 --> 00:34:56,800

stuff

874

00:35:01,910 --> 00:34:59,200

but then later come back and say you

875

00:35:03,349 --> 00:35:01,920

know i had this

876

00:35:05,430 --> 00:35:03,359

you know proceed to tell you this you

877

00:35:07,109 --> 00:35:05,440

know bizarre story and to pull you

878

00:35:08,870 --> 00:35:07,119

fully into the corner where no one else

879

00:35:10,950 --> 00:35:08,880

can hear exactly

880

00:35:12,230 --> 00:35:10,960

exactly and i think a lot of these

881

00:35:14,950 --> 00:35:12,240

people they just uh

882

00:35:17,190 --> 00:35:14,960

uh they've never told anybody else they

883

00:35:20,310 --> 00:35:17,200

just want uh

884

00:35:22,069 --> 00:35:20,320

you know like a kind shoulder to lean on

885

00:35:24,390 --> 00:35:22,079

to tell their story to

886

00:35:26,069 --> 00:35:24,400

yeah i think that's exactly right they

887

00:35:27,990 --> 00:35:26,079

they they have a they have a strange

888

00:35:29,750 --> 00:35:28,000

experience they can't explain

889

00:35:31,910 --> 00:35:29,760

they just want the opportunity to be

890

00:35:33,990 --> 00:35:31,920

heard and not laughed at

891

00:35:34,950 --> 00:35:34,000

and yeah so i've always i've always been

892

00:35:37,990 --> 00:35:34,960

the uh

893

00:35:41,349 --> 00:35:38,000

the open ear for the for folks like that

894

00:35:45,349 --> 00:35:41,359

well as well as ufo research i mean i

895

00:35:47,670 --> 00:35:45,359

i see that gosh i mean you know

896

00:35:49,670 --> 00:35:47,680

how to place animal sightings you know

897

00:35:51,910 --> 00:35:49,680

the animal mutilations

898

00:35:53,030 --> 00:35:51,920

bigfoot reports the men in black

899

00:35:55,670 --> 00:35:53,040

phenomena

900

00:35:58,150 --> 00:35:55,680

i mean you know these are things that a

901
00:36:02,150 --> 00:35:58,160
lot of ufo researchers

902
00:36:04,870 --> 00:36:02,160
dare not tread because i think some

903
00:36:06,230 --> 00:36:04,880
are afraid that looking into some of

904
00:36:09,829 --> 00:36:06,240
these

905
00:36:13,349 --> 00:36:09,839
kind of high strangeness

906
00:36:15,910 --> 00:36:13,359
types of stories would somehow sully

907
00:36:18,069 --> 00:36:15,920
their reputation as a uh as as a

908
00:36:19,990 --> 00:36:18,079
competent ufo researcher

909
00:36:21,670 --> 00:36:20,000
well you know that's that's uh i think

910
00:36:24,150 --> 00:36:21,680
that's very true and i think that's an

911
00:36:24,790 --> 00:36:24,160
accurate assessment of it but you know

912
00:36:30,710 --> 00:36:24,800
for me

913
00:36:31,589 --> 00:36:30,720

i've always in the back of my mind had

914

00:36:39,109 --> 00:36:31,599

this

915

00:36:40,870 --> 00:36:39,119

much like einstein wanted to establish a

916

00:36:42,069 --> 00:36:40,880

unified field theory a theory of

917

00:36:45,109 --> 00:36:42,079

everything

918

00:36:48,150 --> 00:36:45,119

uh i wonder at times if there's not

919

00:36:49,030 --> 00:36:48,160

uh a sort of a unified field theory that

920

00:36:51,829 --> 00:36:49,040

could be developed

921

00:36:53,510 --> 00:36:51,839

for all of paranormal phenomena and each

922

00:36:57,670 --> 00:36:53,520

of the different manifestations

923

00:36:59,510 --> 00:36:57,680

are really uh a separate manifestation

924

00:37:01,510 --> 00:36:59,520

from the same source

925

00:37:02,550 --> 00:37:01,520

i i i don't know but there's there are

926
00:37:07,109 --> 00:37:02,560
so many things

927
00:37:10,470 --> 00:37:07,119
there are uh have been reports for

928
00:37:13,109 --> 00:37:10,480
well into the 18th century uh just south

929
00:37:16,310 --> 00:37:13,119
of my hometown in nebraska city of

930
00:37:17,829 --> 00:37:16,320
a strange bigfoot like creature with

931
00:37:22,470 --> 00:37:17,839
glowing red eyes

932
00:37:24,470 --> 00:37:22,480
that seems to disappear leaves tracks

933
00:37:26,790 --> 00:37:24,480
uh interacts physically with the

934
00:37:28,390 --> 00:37:26,800
environment but has vanished in front of

935
00:37:31,589 --> 00:37:28,400
people's eyes

936
00:37:32,630 --> 00:37:31,599
uh it's a typical in many ways bigfoot

937
00:37:35,030 --> 00:37:32,640
report except

938
00:37:36,150 --> 00:37:35,040

for the glowing red eyes and the ability

939

00:37:39,109 --> 00:37:36,160

to vanish

940

00:37:40,710 --> 00:37:39,119

into thin air uh how do you how do you

941

00:37:45,190 --> 00:37:40,720

categorize that

942

00:37:47,030 --> 00:37:45,200

uh is bigfoot uh an actual relic hominid

943

00:37:48,550 --> 00:37:47,040

i i don't know i think some of them

944

00:37:51,750 --> 00:37:48,560

could be uh

945

00:37:55,109 --> 00:37:51,760

but there's a there's a core of

946

00:37:56,790 --> 00:37:55,119

bigfoot cases that are uh very much of a

947

00:37:59,750 --> 00:37:56,800

high strangeness nature

948

00:38:01,030 --> 00:37:59,760

and i don't know um i don't know how you

949

00:38:03,670 --> 00:38:01,040

fit those into

950

00:38:05,270 --> 00:38:03,680

well it's just a biological animal who

951
00:38:06,550 --> 00:38:05,280
we haven't discovered yet who's roaming

952
00:38:08,710 --> 00:38:06,560
around

953
00:38:10,150 --> 00:38:08,720
that can also vanish into thin air you

954
00:38:14,150 --> 00:38:10,160
know that doesn't that doesn't

955
00:38:16,630 --> 00:38:14,160
make a lot of logical sense to me um

956
00:38:18,150 --> 00:38:16,640
there yeah there's just so many uh so

957
00:38:21,910 --> 00:38:18,160
many things from

958
00:38:25,430 --> 00:38:21,920
uh just here in nebraska sightings of

959
00:38:28,550 --> 00:38:25,440
kangaroos near grand island nothing had

960
00:38:31,349 --> 00:38:28,560
escaped from a traveling circus or a zoo

961
00:38:32,230 --> 00:38:31,359
but people see kangaroos there were

962
00:38:34,950 --> 00:38:32,240
sightings of

963
00:38:35,670 --> 00:38:34,960

african lions in a little town near a

964

00:38:38,870 --> 00:38:35,680

little town called

965

00:38:42,390 --> 00:38:38,880

ceresco uh just northeast of lincoln

966

00:38:45,190 --> 00:38:42,400

uh in the 50s and 60s um just

967

00:38:46,230 --> 00:38:45,200

there's just a panoply of weird things

968

00:38:49,109 --> 00:38:46,240

that happen

969

00:38:50,550 --> 00:38:49,119

uh and that's you know don't get me

970

00:38:51,990 --> 00:38:50,560

started on trying to branch out across

971

00:38:54,870 --> 00:38:52,000

the country

972

00:38:56,710 --> 00:38:54,880

for things that are out there um you

973

00:39:00,150 --> 00:38:56,720

know the animal mutilations

974

00:39:03,990 --> 00:39:00,160

uh i found interesting i i

975

00:39:06,950 --> 00:39:04,000

first ran across that in

976
00:39:08,550 --> 00:39:06,960
in the early 70s when a family friend

977
00:39:11,030 --> 00:39:08,560
who farmed just west of

978
00:39:12,950 --> 00:39:11,040
nebraska city found a mutilated cow on

979
00:39:16,790 --> 00:39:12,960
his property

980
00:39:19,030 --> 00:39:16,800
and it was the strangest thing um

981
00:39:20,790 --> 00:39:19,040
it would it did not this was in late

982
00:39:22,790 --> 00:39:20,800
july early august

983
00:39:24,710 --> 00:39:22,800
and he found it dead and the typical

984
00:39:25,829 --> 00:39:24,720
sort of immediately the rectal area

985
00:39:27,990 --> 00:39:25,839
cored out

986
00:39:30,069 --> 00:39:28,000
uh patches of skin on one side of its

987
00:39:34,790 --> 00:39:30,079
head removed

988
00:39:38,230 --> 00:39:34,800

um the genitals taken uh as well

989

00:39:39,430 --> 00:39:38,240

and the vet who examined it had no cause

990

00:39:42,870 --> 00:39:39,440

of death for it

991

00:39:45,829 --> 00:39:42,880

but it didn't decay

992

00:39:47,349 --> 00:39:45,839

and nebraska is a very hot and humid

993

00:39:50,150 --> 00:39:47,359

place in the summer

994

00:39:50,950 --> 00:39:50,160

and he called me the day after he had

995

00:39:53,190 --> 00:39:50,960

found it

996

00:39:54,870 --> 00:39:53,200

and we went out there was no odor there

997

00:39:56,790 --> 00:39:54,880

were no flies on it

998

00:39:57,910 --> 00:39:56,800

there were no bird droppings on it

999

00:40:01,190 --> 00:39:57,920

because a lot of

1000

00:40:02,550 --> 00:40:01,200

ravens and crows and turkey vultures

1001
00:40:05,910 --> 00:40:02,560
around here will uh

1002
00:40:06,790 --> 00:40:05,920
will attack downed animals and scavenge

1003
00:40:09,589 --> 00:40:06,800
them

1004
00:40:11,109 --> 00:40:09,599
nothing nothing nothing touched it his

1005
00:40:14,470 --> 00:40:11,119
other cattle wouldn't go near it

1006
00:40:16,790 --> 00:40:14,480
no predators no scavengers nothing

1007
00:40:17,670 --> 00:40:16,800
and that really ignited my interest in

1008
00:40:21,430 --> 00:40:17,680
that and i

1009
00:40:23,670 --> 00:40:21,440
began to to assist tom adams

1010
00:40:26,150 --> 00:40:23,680
and share cases with him tom adams was

1011
00:40:29,589 --> 00:40:26,160
the probably the premier

1012
00:40:32,309 --> 00:40:29,599
uh mutilation investigator

1013
00:40:34,630 --> 00:40:32,319

and when he passed away i took it upon

1014

00:40:37,910 --> 00:40:34,640

myself to collect all of his

1015

00:40:39,910 --> 00:40:37,920

uh writings and put them in in a

1016

00:40:42,870 --> 00:40:39,920

collection called bloodless cuts

1017

00:40:44,390 --> 00:40:42,880

uh he did he did the seminal work on on

1018

00:40:47,510 --> 00:40:44,400

animal mutilations

1019

00:40:50,230 --> 00:40:47,520

uh and picked up uh was his

1020

00:40:51,109 --> 00:40:50,240

torch was carried on in a large uh

1021

00:40:54,630 --> 00:40:51,119

manner

1022

00:40:56,390 --> 00:40:54,640

by linda molten howe um but that was

1023

00:40:57,750 --> 00:40:56,400

that was interesting i should throw in

1024

00:41:01,950 --> 00:40:57,760

here as well

1025

00:41:04,470 --> 00:41:01,960

uh if anybody is interested if you go to

1026

00:41:07,390 --> 00:41:04,480

academia.edu

1027

00:41:09,030 --> 00:41:07,400

and search for my name ray beauche

1028

00:41:11,510 --> 00:41:09,040

b-o-e-c-h-e

1029

00:41:12,870 --> 00:41:11,520

uh you'll find not only the complete

1030

00:41:15,190 --> 00:41:12,880

annals of the journal of the foreign

1031

00:41:18,150 --> 00:41:15,200

research center but bloodless cuts

1032

00:41:19,990 --> 00:41:18,160

um you'll find everything that's that

1033

00:41:21,190 --> 00:41:20,000

i've made public so far out there you

1034

00:41:24,309 --> 00:41:21,200

can download it

1035

00:41:32,550 --> 00:41:27,510

that's a good deal no way

1036

00:41:33,970 --> 00:41:32,560

yeah unless of course

1037

00:41:39,510 --> 00:41:33,980

you you're ruining my business

1038

00:41:41,750 --> 00:41:39,520

[Laughter]

1039

00:41:43,270 --> 00:41:41,760

well you know when it comes to the the

1040

00:41:45,270 --> 00:41:43,280

the whole uh

1041

00:41:46,870 --> 00:41:45,280

cattle mutilation thing you know i mean

1042

00:41:48,230 --> 00:41:46,880

you have the skeptics who are just like

1043

00:41:51,510 --> 00:41:48,240

oh you know it's just

1044

00:41:52,710 --> 00:41:51,520

uh you know cows just died and the old

1045

00:41:54,950 --> 00:41:52,720

possums have

1046

00:41:56,470 --> 00:41:54,960

you know burrowed into them and cored

1047

00:42:00,069 --> 00:41:56,480

them out and things like that

1048

00:42:00,710 --> 00:42:00,079

yet you know that the ranchers and

1049

00:42:04,710 --> 00:42:00,720

farmers

1050

00:42:07,510 --> 00:42:04,720

who who have owned these cattle you know

1051
00:42:09,349 --> 00:42:07,520
for for years been in their family they

1052
00:42:12,470 --> 00:42:09,359
know the difference

1053
00:42:15,349 --> 00:42:12,480
absolutely that's that to me puts the

1054
00:42:15,990 --> 00:42:15,359
is the one thing that puts that

1055
00:42:19,030 --> 00:42:16,000
skeptical

1056
00:42:20,790 --> 00:42:19,040
response to sleep because

1057
00:42:22,630 --> 00:42:20,800
if you're if you're a farmer or a

1058
00:42:25,270 --> 00:42:22,640
rancher you see

1059
00:42:26,309 --> 00:42:25,280
you see animals die on a fairly regular

1060
00:42:29,349 --> 00:42:26,319
basis

1061
00:42:31,190 --> 00:42:29,359
and you know what scavengers do you you

1062
00:42:34,870 --> 00:42:31,200
know what that looks like

1063
00:42:37,510 --> 00:42:34,880

and as i would examine carcasses

1064

00:42:39,349 --> 00:42:37,520

around here you know i that was one of

1065

00:42:40,710 --> 00:42:39,359

the first questions i'd ask i'd ask the

1066

00:42:42,950 --> 00:42:40,720

far so i said does this

1067

00:42:44,870 --> 00:42:42,960

does this look like a coyote came in and

1068

00:42:46,470 --> 00:42:44,880

was gnawn on this

1069

00:42:49,829 --> 00:42:46,480

said no we've never seen anything like

1070

00:42:53,349 --> 00:42:49,839

this and once you once you've seen

1071

00:42:54,230 --> 00:42:53,359

a normal cattle death and then the

1072

00:42:57,270 --> 00:42:54,240

carcass is

1073

00:42:59,270 --> 00:42:57,280

is affected by predation it doesn't it

1074

00:43:02,710 --> 00:42:59,280

doesn't take a rocket scientist

1075

00:43:06,150 --> 00:43:02,720

to spot the difference pretty quickly um

1076
00:43:09,109 --> 00:43:06,160
so that's a that doesn't hold much water

1077
00:43:10,790 --> 00:43:09,119
uh but there again it's such a baffling

1078
00:43:14,309 --> 00:43:10,800
thing because you've got

1079
00:43:17,829 --> 00:43:14,319
cases that appear to be

1080
00:43:19,349 --> 00:43:17,839
attributable to for one of a better word

1081
00:43:21,750 --> 00:43:19,359
cult activity

1082
00:43:24,710 --> 00:43:21,760
you've got some cases that appear to

1083
00:43:26,230 --> 00:43:24,720
have very strong links to ufo sightings

1084
00:43:29,270 --> 00:43:26,240
you've got some that have very strong

1085
00:43:30,150 --> 00:43:29,280
links to the mysterious black helicopter

1086
00:43:31,910 --> 00:43:30,160
sightings

1087
00:43:33,190 --> 00:43:31,920
and then you've got some cases that

1088
00:43:36,550 --> 00:43:33,200

where actual

1089

00:43:38,150 --> 00:43:36,560

u.s government issue instruments medical

1090

00:43:41,190 --> 00:43:38,160

instruments have been found

1091

00:43:44,630 --> 00:43:41,200

in fields next to mutilated cattle

1092

00:43:47,750 --> 00:43:44,640

so you pick a theory and you can find

1093

00:43:51,270 --> 00:43:47,760

cases that support it but

1094

00:43:53,030 --> 00:43:51,280

what there again no i i have no answers

1095

00:43:55,990 --> 00:43:53,040

but it um

1096

00:43:56,309 --> 00:43:56,000

it just fascinates me to know when to to

1097

00:43:59,589 --> 00:43:56,319

dig

1098

00:44:02,230 --> 00:43:59,599

in and see what i can find and at least

1099

00:44:03,910 --> 00:44:02,240

at least hopefully to compile a record

1100

00:44:05,190 --> 00:44:03,920

so that when i'm gone

1101
00:44:06,870 --> 00:44:05,200
that people have something else to

1102
00:44:08,069 --> 00:44:06,880
follow and they can pick up the threads

1103
00:44:10,790 --> 00:44:08,079
and move on from there

1104
00:44:11,670 --> 00:44:10,800
there you go fascinating fascinating

1105
00:44:13,589 --> 00:44:11,680
fascinating i

1106
00:44:14,790 --> 00:44:13,599
just you have some incredible

1107
00:44:16,950 --> 00:44:14,800
information there and

1108
00:44:18,309 --> 00:44:16,960
uh a lot that we didn't cover that i

1109
00:44:21,349 --> 00:44:18,319
think we should get back to

1110
00:44:22,150 --> 00:44:21,359
in a couple of months i mean we want to

1111
00:44:24,870 --> 00:44:22,160
get into the

1112
00:44:25,670 --> 00:44:24,880
rendition of forest and you've got some

1113
00:44:27,589 --> 00:44:25,680

and black

1114

00:44:29,349 --> 00:44:27,599

stories there and more in the mutilation

1115

00:44:31,270 --> 00:44:29,359

so we're not finished yet

1116

00:44:33,190 --> 00:44:31,280

uh tip all right we'll close out the

1117

00:44:36,390 --> 00:44:33,200

show here all right well

1118

00:44:38,390 --> 00:44:36,400

uh i just uh uh uh uh ray why don't you

1119

00:44:40,470 --> 00:44:38,400

uh one more time really quick uh tell

1120

00:44:43,109 --> 00:44:40,480

our audience uh where

1121

00:44:44,950 --> 00:44:43,119

they can go online to uh uh find the

1122

00:44:48,230 --> 00:44:44,960

books that you were talking about

1123

00:44:52,230 --> 00:44:48,240

you bet www dot academia

1124

00:44:55,750 --> 00:44:52,240

a c a a-c-a-d-e-m-i-a dot e-d-u

1125

00:44:59,109 --> 00:44:55,760

and search for my name all right

1126

00:45:00,710 --> 00:44:59,119

fantastic and uh tim beckley you've got

1127

00:45:02,870 --> 00:45:00,720

uh you're working on a couple of books

1128

00:45:03,589 --> 00:45:02,880

right now that uh hopefully will be out

1129

00:45:05,349 --> 00:45:03,599

soon

1130

00:45:06,630 --> 00:45:05,359

yeah well i don't want to give the title

1131

00:45:08,470 --> 00:45:06,640

uh away to uh

1132

00:45:10,550 --> 00:45:08,480

one of them because it's something

1133

00:45:12,870 --> 00:45:10,560

somebody could would easily grab and and

1134

00:45:15,670 --> 00:45:12,880

run to it but

1135

00:45:16,470 --> 00:45:15,680

tonight's a conversation certainly ties

1136

00:45:19,510 --> 00:45:16,480

in with the uh

1137

00:45:23,430 --> 00:45:19,520

uh we have a series of

1138

00:45:25,990 --> 00:45:23,440

books uh ufo hostilities and

1139

00:45:26,790 --> 00:45:26,000

the round trip to hell in a flying

1140

00:45:28,390 --> 00:45:26,800

saucer

1141

00:45:30,870 --> 00:45:28,400

got some great material in there if

1142

00:45:34,069 --> 00:45:30,880

you're prone to think that

1143

00:45:36,390 --> 00:45:34,079

some ufos may be a demonic well this

1144

00:45:40,230 --> 00:45:38,230

what's your appetite for that more

1145

00:45:42,630 --> 00:45:40,240

information and of course

1146

00:45:43,670 --> 00:45:42,640

check out our youtube channel mr ufo

1147

00:45:45,750 --> 00:45:43,680

secret files

1148

00:45:47,670 --> 00:45:45,760

we need to get some stuff up there we're

1149

00:45:50,790 --> 00:45:47,680

way behind but of course you always got

1150

00:45:52,950 --> 00:45:50,800

kco radio.com

1151

00:45:55,270 --> 00:45:52,960

we got the archives going back to the

1152

00:46:00,790 --> 00:45:55,280

very beginning thanks to tina

1153

00:46:02,950 --> 00:46:00,800

all right good night

1154

00:46:04,230 --> 00:46:02,960

you've been listening to exploring the

1155

00:46:07,470 --> 00:46:04,240

bazaar
