www.kcorradio.com

1
00:00:08,390 --> 00:00:07,349

[Music]

2
00:00:11,830 --> 00:00:08,400
exploring

3
00:00:14,470 --> 00:00:11,840
the bizarre bazaar your e-ticket ride

4
00:00:17,109 --> 00:00:14,480
into the world of the paranormal

5
00:00:17,990 --> 00:00:17,119
strap yourself in as we traverse the

6
00:00:21,910 --> 00:00:18,000
universe

7
00:00:26,070 --> 00:00:21,920
exploring the unexplained ufos

8
00:00:29,109 --> 00:00:26,080
ghosts lost world cryptozoology

9
00:00:33,830 --> 00:00:29,119
as well as other dimensions

10
00:00:37,910 --> 00:00:36,549
now your electrifying hosts of exploring

11
00:00:44,950 --> 00:00:37,920
the bazaar

12
00:00:49,990 --> 00:00:48,229
now this is a weird place would it kill

13
00:00:53,110 --> 00:00:50,000

someone to

14

00:00:55,670 --> 00:00:53,120

turn on the air conditioning

15

00:00:57,270 --> 00:00:55,680

is that some sort of ritual going on

16

00:01:01,990 --> 00:00:57,280

over there or

17

00:01:08,310 --> 00:01:05,189

that's not a goat that's the lord of the

18

00:01:10,390 --> 00:01:08,320

underground oh come

19

00:01:13,270 --> 00:01:10,400

on you mean to tell me that's supposed

20

00:01:16,149 --> 00:01:13,280

to be lucifer i always thought that

21

00:01:18,710 --> 00:01:16,159

satanism was just a fantasy that anna

22

00:01:21,429 --> 00:01:18,720

levay had made up just to get

23

00:01:22,390 --> 00:01:21,439

people naked on his altar our show is

24

00:01:26,149 --> 00:01:22,400

supposed to be about

25

00:01:28,310 --> 00:01:26,159

ufos and the paranormal not satanism

26

00:01:30,469 --> 00:01:28,320

well tim some people think satan is

27

00:01:32,630 --> 00:01:30,479

behind the ufo phenomena

28

00:01:35,030 --> 00:01:32,640

remember we did a book a couple years

29

00:01:37,030 --> 00:01:35,040

back round trip to hell on a flying

30

00:01:39,670 --> 00:01:37,040

saucer

31

00:01:40,230 --> 00:01:39,680

oh lord just let's just get us out of

32

00:01:42,710 --> 00:01:40,240

here

33

00:01:46,149 --> 00:01:42,720

let's let's come on let's just buzz past

34

00:01:49,270 --> 00:01:46,159

bells above there and get back to vegas

35

00:01:52,469 --> 00:01:49,280

a sinful place but nothing like this our

36

00:01:53,990 --> 00:01:52,479

our guest tonight that might just might

37

00:01:59,190 --> 00:01:54,000

save us from evil

38

00:02:04,310 --> 00:02:02,709

well tim uh we're back we're back in a

39

00:02:07,030 --> 00:02:04,320

safe location back in sin

40

00:02:08,630 --> 00:02:07,040

city i guess right well at least there's

41

00:02:10,389 --> 00:02:08,640

air conditioning here

42

00:02:12,390 --> 00:02:10,399

and and did you notice the sound of a

43

00:02:12,949 --> 00:02:12,400

train i don't know whether that was the

44

00:02:16,150 --> 00:02:12,959

uh

45

00:02:19,190 --> 00:02:16,160

luciferian express or not but um

46

00:02:22,869 --> 00:02:19,200

i'm sitting here in the courtyard

47

00:02:24,949 --> 00:02:22,879

uh of the ramada inn and

48

00:02:26,949 --> 00:02:24,959

we had a wonderful two-day trip we came

49

00:02:28,790 --> 00:02:26,959

here to see the meteorite shower

50

00:02:30,150 --> 00:02:28,800

unfortunately we did not see one

51

00:02:32,790 --> 00:02:30,160

meteorite and nor

52

00:02:33,589 --> 00:02:32,800

have i heard a train uh whistle before

53

00:02:35,830 --> 00:02:33,599

this uh

54

00:02:37,190 --> 00:02:35,840

the start of the program but it's a good

55

00:02:40,390 --> 00:02:37,200

way certainly to

56

00:02:43,350 --> 00:02:40,400

uh announce our show to our

57

00:02:43,830 --> 00:02:43,360

block of followers and speaking of flock

58

00:02:46,630 --> 00:02:43,840

let us

59

00:02:47,589 --> 00:02:46,640

uh introduce our guest for this evening

60

00:02:51,320 --> 00:02:47,599

who is a

61

00:02:53,670 --> 00:02:51,330

oh there we go here it is again

62

00:02:55,509 --> 00:02:53,680

[Laughter]

63

00:02:57,589 --> 00:02:55,519

you know you know it's going to be a

64

00:02:59,830 --> 00:02:57,599

good show when you have a uh

65

00:03:01,430 --> 00:02:59,840

a train whistle in the background and

66

00:03:04,869 --> 00:03:01,440

tim i just wanted to take just a

67

00:03:05,350 --> 00:03:04,879

quick minute here to uh remind everybody

68

00:03:08,229 --> 00:03:05,360

that

69

00:03:09,350 --> 00:03:08,239

i'm going to be a uh guest speaker uh

70

00:03:13,030 --> 00:03:09,360

this sunday

71

00:03:13,910 --> 00:03:13,040

uh or this saturday at uh a time travel

72

00:03:17,670 --> 00:03:13,920

con

73

00:03:20,470 --> 00:03:17,680

uh because of the

74

00:03:20,790 --> 00:03:20,480

crotavirus we're having to do it uh all

75

00:03:25,430 --> 00:03:20,800

uh

76

00:03:28,309 --> 00:03:25,440

ticket prices are

77

00:03:29,030 --> 00:03:28,319

great all people just have to uh visit

78

00:03:32,070 --> 00:03:29,040

the website

79

00:03:35,110 --> 00:03:32,080

uh time travel con dot

80

00:03:37,509 --> 00:03:35,120

com and get your ticket there

81

00:03:38,149 --> 00:03:37,519

they're going fast i'm going to be the

82

00:03:41,430 --> 00:03:38,159

first

83

00:03:43,430 --> 00:03:41,440

speaker to start the program so i hope

84

00:03:44,710 --> 00:03:43,440

to see all of our fans of exploring the

85

00:03:46,710 --> 00:03:44,720

bazaar there

86

00:03:48,710 --> 00:03:46,720

and what time are you going on well

87

00:03:52,309 --> 00:03:48,720

it'll be uh 11 o'clock

88

00:03:55,110 --> 00:03:52,319

eastern uh that's about uh 2 o'clock

89

00:03:56,470 --> 00:03:55,120

pacific time and who else is on the

90

00:03:59,670 --> 00:03:56,480

program that we might know

91

00:04:00,869 --> 00:03:59,680

oh well um our uh our good friend

92

00:04:02,390 --> 00:04:00,879

preston dennett

93

00:04:05,190 --> 00:04:02,400

is going to be honest it's really

94

00:04:05,589 --> 00:04:05,200

wonderful yep he's got a uh uh he's got

95

00:04:12,830 --> 00:04:05,599

a

96

00:04:16,789 --> 00:04:12,840

uh one of our fellow kcor

97

00:04:19,670 --> 00:04:16,799

uh um host uh solaris uh uh

98

00:04:21,030 --> 00:04:19,680

bluehaven she's going to be on and uh

99

00:04:24,469 --> 00:04:21,040

and many more it's it's

100

00:04:27,030 --> 00:04:24,479

it's uh it's an all-day event and

101

00:04:29,030 --> 00:04:27,040

i i i guarantee that there'll be

102

00:04:35,590 --> 00:04:29,040

somebody

103

00:04:36,950 --> 00:04:35,600

is it's just going to be a fascinating

104

00:04:38,870 --> 00:04:36,960

show all around

105

00:04:40,550 --> 00:04:38,880

well you know i'm up in the woodstock

106

00:04:43,510 --> 00:04:40,560

area here and i can swear

107

00:04:45,430 --> 00:04:43,520

that this is a a a portal of a time

108

00:04:47,590 --> 00:04:45,440

dimension portal because

109

00:04:48,790 --> 00:04:47,600

everybody seems to be walking around

110

00:04:52,310 --> 00:04:48,800

with tie-dye

111

00:04:53,670 --> 00:04:52,320

uh clothing uh now i i have a hunch that

112

00:04:54,230 --> 00:04:53,680

it has something to do with the fact

113

00:04:56,629 --> 00:04:54,240

that

114

00:04:58,230 --> 00:04:56,639

at the last minute the 50th anniversary

115

00:05:00,070 --> 00:04:58,240

of woodstock was cancelled

116

00:05:01,830 --> 00:05:00,080

so somebody probably got you know like

117

00:05:04,710 --> 00:05:01,840

50 000 garments

118

00:05:06,629 --> 00:05:04,720

that they're trying to uh unload but uh

119

00:05:07,270 --> 00:05:06,639

indeed indeed this is where they all

120

00:05:10,310 --> 00:05:07,280

seem to be

121

00:05:12,550 --> 00:05:10,320

converging yeah anyway but enough of our

122

00:05:13,590 --> 00:05:12,560

idol chatter we we have a very

123

00:05:15,110 --> 00:05:13,600

interesting guest

124

00:05:17,350 --> 00:05:15,120

this evening and so why don't you

125

00:05:18,629 --> 00:05:17,360

introduce him it'll be my pleasure now

126

00:05:19,909 --> 00:05:18,639

this will be the first time that our

127

00:05:22,070 --> 00:05:19,919

guest has been on

128

00:05:23,590 --> 00:05:22,080

exploring the bazaar so i'd like to

129

00:05:25,830 --> 00:05:23,600

welcome dr

130

00:05:27,909 --> 00:05:25,840

raymond beauchette his writings and

131

00:05:31,189 --> 00:05:27,919

anthology of the unexplained

132

00:05:33,909 --> 00:05:31,199

the collected collected annals of the

133

00:05:36,150 --> 00:05:33,919

journal of foreign research center

134

00:05:38,550 --> 00:05:36,160

bloodless cuts the complete collected

135

00:05:40,790 --> 00:05:38,560

works of thomas r

136

00:05:43,189 --> 00:05:40,800

adams and a time to stand when

137

00:05:46,310 --> 00:05:43,199

government turns its back on god

138

00:05:50,469 --> 00:05:46,320

now dr boshi is boche is well known

139

00:05:52,629 --> 00:05:50,479

as the primary investigators of the 1980

140

00:05:53,670 --> 00:05:52,639

bentwaters ufo incident something you're

141

00:05:55,670 --> 00:05:53,680

familiar with tim

142

00:05:57,670 --> 00:05:55,680

and he's also recognized for his

143

00:06:00,309 --> 00:05:57,680

extensive work in the areas of

144

00:06:02,070 --> 00:06:00,319

animal mutilations out of place animal

145

00:06:04,469 --> 00:06:02,080

sightings bigfoot reports

146

00:06:05,350 --> 00:06:04,479

the men and black phenomena and occult

147

00:06:08,950 --> 00:06:05,360

religious

148

00:06:11,430 --> 00:06:08,960

religions and philosophy so

149

00:06:12,790 --> 00:06:11,440

dr william yep thank you very much for

150

00:06:14,070 --> 00:06:12,800

being with us tonight on exploring the

151
00:06:15,909 --> 00:06:14,080
bizarre

152
00:06:17,110 --> 00:06:15,919
tim it's very uh very nice to be here

153
00:06:19,830 --> 00:06:17,120
it's my pleasure

154
00:06:20,469 --> 00:06:19,840
well you know i i'm curious though i

155
00:06:23,590 --> 00:06:20,479
think that

156
00:06:26,629 --> 00:06:23,600
most people would recognize rey's name

157
00:06:29,830 --> 00:06:26,639
uh from a book that

158
00:06:32,950 --> 00:06:29,840
nick redford uh wrote a number of

159
00:06:35,909 --> 00:06:32,960
years ago in which it was revealed that

160
00:06:38,070 --> 00:06:35,919
inside the military circles there was a

161
00:06:41,990 --> 00:06:38,080
group of individuals who believed

162
00:06:45,510 --> 00:06:42,000
that ufos were real indeed but that

163
00:06:46,469 --> 00:06:45,520

satan or demonic demons were behind the

164

00:06:48,150 --> 00:06:46,479

phenomena

165

00:06:49,510 --> 00:06:48,160

and they were afraid that if this

166

00:06:52,870 --> 00:06:49,520

information were

167

00:06:53,830 --> 00:06:52,880

uh released to the public uh lucifer

168

00:06:56,950 --> 00:06:53,840

himself

169

00:06:59,990 --> 00:06:56,960

might make more of a um

170

00:07:00,950 --> 00:07:00,000

of an appearance here in this uh world

171

00:07:04,469 --> 00:07:00,960

of ours

172

00:07:06,150 --> 00:07:04,479

and ray i think was uh now ray why don't

173

00:07:07,749 --> 00:07:06,160

you tell us how how exactly were you

174

00:07:09,189 --> 00:07:07,759

involved with that group and how did you

175

00:07:10,950 --> 00:07:09,199

get to know these people and who were

176

00:07:13,589 --> 00:07:10,960

they exactly

177

00:07:15,909 --> 00:07:13,599

well i can't um i can't really reveal

178

00:07:17,110 --> 00:07:15,919

who the the two gentlemen who came to me

179

00:07:20,230 --> 00:07:17,120

uh

180

00:07:21,029 --> 00:07:20,240

were or are but i'll give you the story

181

00:07:24,150 --> 00:07:21,039

behind it

182

00:07:24,550 --> 00:07:24,160

yes please do yes i received a telephone

183

00:07:28,790 --> 00:07:24,560

call

184

00:07:31,990 --> 00:07:28,800

in november of 91 i believe

185

00:07:35,990 --> 00:07:32,000

and it was from a gentleman who said he

186

00:07:37,990 --> 00:07:36,000

and a colleague were in the area

187

00:07:39,110 --> 00:07:38,000

and they worked for the department of

188

00:07:42,150 --> 00:07:39,120

defense and they

189

00:07:44,550 --> 00:07:42,160

wanted to get together and and uh

190

00:07:45,670 --> 00:07:44,560

pick my brain about some things uh

191

00:07:49,029 --> 00:07:45,680

related to

192

00:07:52,309 --> 00:07:49,039

the unexplained so we met

193

00:07:53,510 --> 00:07:52,319

and it was uh it was a really intriguing

194

00:07:55,350 --> 00:07:53,520

conversation

195

00:07:57,990 --> 00:07:55,360

we met at a hotel here in lincoln had

196

00:08:00,390 --> 00:07:58,000

lunch and then um

197

00:08:01,510 --> 00:08:00,400

retired to a corner of the of the lobby

198

00:08:04,469 --> 00:08:01,520

that was kind of out of the

199

00:08:05,909 --> 00:08:04,479

out of the way and had a a long

200

00:08:09,830 --> 00:08:05,919

discussion

201
00:08:12,629 --> 00:08:09,840
it was uh almost

202
00:08:15,110 --> 00:08:12,639
almost given like a lecture on what they

203
00:08:18,869 --> 00:08:15,120
were working on

204
00:08:21,909 --> 00:08:18,879
and they went into great detail about

205
00:08:25,270 --> 00:08:23,510
the mechanisms that they thought were

206
00:08:28,869 --> 00:08:25,280
behind this and that

207
00:08:34,310 --> 00:08:28,879
involves a lot of hypotheses and

208
00:08:37,909 --> 00:08:36,630
whole concept of enfoldment and how

209
00:08:39,430 --> 00:08:37,919
things work there we won't

210
00:08:42,310 --> 00:08:39,440
get into that unless you have specific

211
00:08:43,190 --> 00:08:42,320
questions but they outlined a number of

212
00:08:47,590 --> 00:08:43,200
things

213
00:08:51,190 --> 00:08:49,110

related to the government's what we

214

00:08:52,829 --> 00:08:51,200

would call now uh either project

215

00:08:55,430 --> 00:08:52,839

stargate or

216

00:08:58,470 --> 00:08:55,440

mkultra projects

217

00:09:02,070 --> 00:08:58,480

and they had continued on with this

218

00:09:05,269 --> 00:09:02,080

and what they were researching

219

00:09:09,750 --> 00:09:05,279

was a way to contact

220

00:09:12,710 --> 00:09:09,760

and harness the

221

00:09:14,550 --> 00:09:12,720

force the power behind a group of

222

00:09:15,750 --> 00:09:14,560

non-human entities and that's that's how

223

00:09:19,110 --> 00:09:15,760

they referred to them as

224

00:09:22,949 --> 00:09:19,120

nhe's non-human entities

225

00:09:26,389 --> 00:09:22,959

that they had hoped their hope was

226

00:09:32,470 --> 00:09:26,399

that they were going to be able to

227

00:09:36,949 --> 00:09:34,470

some of the powers that these entities

228

00:09:40,310 --> 00:09:36,959

had displayed uh

229

00:09:41,670 --> 00:09:40,320

ultimately what they wanted to do was

230

00:09:43,910 --> 00:09:41,680

what would have been some of those

231

00:09:47,110 --> 00:09:43,920

powers that they mentioned

232

00:09:48,470 --> 00:09:47,120

uh well there were things like um do you

233

00:09:50,790 --> 00:09:48,480

remember a few years ago

234

00:09:52,070 --> 00:09:50,800

the book that was made into a kind of an

235

00:09:54,070 --> 00:09:52,080

interesting movie called the men who

236

00:09:57,590 --> 00:09:54,080

stare at goats

237

00:09:59,350 --> 00:09:57,600

oh yes of course that that

238

00:10:00,949 --> 00:09:59,360

figures into that because one of the

239

00:10:03,110 --> 00:10:00,959

things they wanted to do was to be able

240

00:10:04,310 --> 00:10:03,120

to kill at a distance

241

00:10:06,389 --> 00:10:04,320

and of course since the government

242

00:10:08,870 --> 00:10:06,399

always likes to put a nice euphemism

243

00:10:10,069 --> 00:10:08,880

on everything that they're doing that

244

00:10:11,829 --> 00:10:10,079

wasn't called

245

00:10:14,630 --> 00:10:11,839

referred to as killing at a distance it

246

00:10:18,790 --> 00:10:14,640

was called negative healing

247

00:10:21,190 --> 00:10:18,800

so i got i got a kind of a chuckle out

248

00:10:24,389 --> 00:10:21,200

of that although it was a pretty macabre

249

00:10:24,710 --> 00:10:24,399

uh thing to be doing but uh yeah they

250

00:10:29,269 --> 00:10:24,720

were

251
00:10:32,389 --> 00:10:29,279
to be speaking on this weekend

252
00:10:35,910 --> 00:10:32,399
uh time travel interdimensional travel

253
00:10:36,870 --> 00:10:35,920
uh being able to remote view very

254
00:10:40,230 --> 00:10:36,880
accurately in

255
00:10:42,870 --> 00:10:40,240
as in terms of uh project your mind

256
00:10:43,430 --> 00:10:42,880
into a local remote location and

257
00:10:46,230 --> 00:10:43,440
literally

258
00:10:47,509 --> 00:10:46,240
read documents that were there uh those

259
00:10:49,509 --> 00:10:47,519
sorts of things

260
00:10:51,269 --> 00:10:49,519
and that's the that's the kind of things

261
00:10:53,750 --> 00:10:51,279
that they were working on their concern

262
00:10:55,990 --> 00:10:53,760
came because they they told me they were

263
00:10:58,069 --> 00:10:56,000

both uh both christians

264

00:10:59,590 --> 00:10:58,079

and they were concerned because of some

265

00:11:02,310 --> 00:10:59,600

of the ethical and moral

266

00:11:03,590 --> 00:11:02,320

implications of what they were doing

267

00:11:06,790 --> 00:11:03,600

which

268

00:11:09,430 --> 00:11:06,800

included if and again if

269

00:11:12,870 --> 00:11:09,440

if this was all true if it was accurate

270

00:11:15,829 --> 00:11:12,880

and i have no way to prove it

271

00:11:17,590 --> 00:11:15,839

the information they showed me with um

272

00:11:21,430 --> 00:11:17,600

several photographs

273

00:11:23,990 --> 00:11:21,440

of four individuals who had

274

00:11:26,550 --> 00:11:24,000

or excuse me three three individuals

275

00:11:29,829 --> 00:11:26,560

four photos of each

276

00:11:32,310 --> 00:11:29,839

who had been intentionally

277

00:11:34,069 --> 00:11:32,320

killed or negatively healed in their

278

00:11:37,110 --> 00:11:34,079

experimentation

279

00:11:40,870 --> 00:11:39,910

extremely intriguing uh they were

280

00:11:45,269 --> 00:11:40,880

convinced

281

00:11:47,670 --> 00:11:45,279

that from their experience every

282

00:11:49,269 --> 00:11:47,680

type of contact that they had with these

283

00:11:53,110 --> 00:11:49,279

non-human entities

284

00:11:55,590 --> 00:11:53,120

resulted in a very negative experience

285

00:11:57,750 --> 00:11:55,600

for the researcher and anyone else who

286

00:11:59,910 --> 00:11:57,760

was involved with the experiment

287

00:12:01,590 --> 00:11:59,920

uh they were they had become convinced

288

00:12:02,550 --> 00:12:01,600

that these were these were demonic

289

00:12:06,069 --> 00:12:02,560

entities

290

00:12:08,230 --> 00:12:06,079

uh they mentioned and i

291

00:12:10,550 --> 00:12:08,240

have not been able to find any

292

00:12:12,069 --> 00:12:10,560

corroborating evidence for this

293

00:12:14,790 --> 00:12:12,079

uh but they had mentioned that there

294

00:12:17,670 --> 00:12:14,800

were even uh satanic rituals and

295

00:12:19,190 --> 00:12:17,680

human sacrifices that were involved with

296

00:12:21,190 --> 00:12:19,200

some of these things

297

00:12:22,949 --> 00:12:21,200

um so they wanted they wanted a

298

00:12:24,629 --> 00:12:22,959

theological take on it because of my

299

00:12:25,910 --> 00:12:24,639

background as a as a paranormal

300

00:12:29,269 --> 00:12:25,920

investigator

301
00:12:29,279 --> 00:12:33,350
passed go ahead

302
00:12:36,710 --> 00:12:35,110
oh well no the only the only thing i

303
00:12:38,710 --> 00:12:36,720
would comment on is that

304
00:12:41,269 --> 00:12:38,720
there were a couple of cases uh you know

305
00:12:42,790 --> 00:12:41,279
about the the men in the masks in brazil

306
00:12:43,910 --> 00:12:42,800
that were found deceased along the

307
00:12:47,269 --> 00:12:43,920
railroad uh

308
00:12:48,150 --> 00:12:47,279
uh yes yeah well that kind of maybe fits

309
00:12:49,670 --> 00:12:48,160
in with the conte

310
00:12:52,870 --> 00:12:49,680
uh concept but their bodies weren't

311
00:12:54,389 --> 00:12:52,880
mutilated or anything there like that

312
00:12:56,230 --> 00:12:54,399
yeah it's you know there were there

313
00:12:58,230 --> 00:12:56,240

there are a couple of things like that

314

00:12:59,910 --> 00:12:58,240

um the one sort of mystery human

315

00:13:02,629 --> 00:12:59,920

mutilation in brazil

316

00:13:03,990 --> 00:13:02,639

and then the um uh the two men with the

317

00:13:07,030 --> 00:13:04,000

lead masks

318

00:13:10,069 --> 00:13:07,040

oh yes and of course

319

00:13:12,230 --> 00:13:10,079

people have just disappeared uh

320

00:13:13,750 --> 00:13:12,240

on wrath and wilkinson and uh i you know

321

00:13:15,430 --> 00:13:13,760

there have been people who mysteriously

322

00:13:19,750 --> 00:13:15,440

disappeared and all that have been

323

00:13:22,870 --> 00:13:19,760

kind of uh related to uh ufos

324

00:13:25,990 --> 00:13:22,880

and so forth you bet yeah and

325

00:13:26,790 --> 00:13:26,000

it all it all figures in in in some way

326

00:13:29,590 --> 00:13:26,800

because of the

327

00:13:31,190 --> 00:13:29,600

the scope of what they were doing and so

328

00:13:32,150 --> 00:13:31,200

you know if they're trying to be able to

329

00:13:35,350 --> 00:13:32,160

um

330

00:13:36,550 --> 00:13:35,360

to perfect the ability to switch between

331

00:13:38,389 --> 00:13:36,560

dimensions

332

00:13:40,389 --> 00:13:38,399

um how many of the mysterious

333

00:13:42,710 --> 00:13:40,399

disappearances that that happen

334

00:13:45,030 --> 00:13:42,720

uh could be related to that i you know

335

00:13:47,430 --> 00:13:45,040

it's it's an unanswerable question

336

00:13:51,110 --> 00:13:47,440

but it's certainly um it's certainly

337

00:13:54,550 --> 00:13:53,269

now why did they pick you though in

338

00:13:57,910 --> 00:13:54,560

particular to come

339

00:14:01,509 --> 00:13:57,920

to uh to ask you these questions and to

340

00:14:02,710 --> 00:14:01,519

lecture you as you say uh the impression

341

00:14:06,550 --> 00:14:02,720

that uh that they gave

342

00:14:09,509 --> 00:14:06,560

me and i think uh was accurate was that

343

00:14:11,590 --> 00:14:09,519

um again they they wanted to they wanted

344

00:14:12,949 --> 00:14:11,600

a solid theological take on this and

345

00:14:16,069 --> 00:14:12,959

because of my

346

00:14:18,470 --> 00:14:16,079

my background and my

347

00:14:19,750 --> 00:14:18,480

background as a paranormal investigator

348

00:14:23,189 --> 00:14:19,760

they thought i would have

349

00:14:26,470 --> 00:14:23,199

been in the perfect position to

350

00:14:29,590 --> 00:14:26,480

assess from but from both angles what uh

351

00:14:32,710 --> 00:14:29,600

what they were saying now i

352

00:14:35,750 --> 00:14:32,720

i understand that rationale but

353

00:14:36,470 --> 00:14:35,760

i had sort of the same question myself i

354

00:14:39,829 --> 00:14:36,480

mean why

355

00:14:41,350 --> 00:14:39,839

um why me why not um why not pick a new

356

00:14:44,230 --> 00:14:41,360

york times reporter why not

357

00:14:45,030 --> 00:14:44,240

why not pick the times religion reporter

358

00:14:48,150 --> 00:14:45,040

uh you know

359

00:14:51,990 --> 00:14:48,160

go to them um i

360

00:14:53,990 --> 00:14:52,000

i haven't i have no idea uh

361

00:14:55,030 --> 00:14:54,000

why and they never they never offered

362

00:14:56,629 --> 00:14:55,040

anything other than

363

00:14:58,069 --> 00:14:56,639

than that explanation that they they

364

00:14:59,110 --> 00:14:58,079

thought i was the most appropriate one

365

00:15:01,910 --> 00:14:59,120

to come to

366

00:15:03,990 --> 00:15:01,920

okay now did you check their background

367

00:15:07,030 --> 00:15:04,000

at all to verify that they who

368

00:15:09,350 --> 00:15:07,040

they were who they claimed to be i did

369

00:15:10,470 --> 00:15:09,360

and they were both uh they were both who

370

00:15:11,990 --> 00:15:10,480

they claimed to be they had the

371

00:15:15,189 --> 00:15:12,000

credentials they said they had

372

00:15:18,710 --> 00:15:15,199

and they were uh employed

373

00:15:19,430 --> 00:15:18,720

by the department of defense and uh you

374

00:15:21,829 --> 00:15:19,440

know once you're

375

00:15:23,269 --> 00:15:21,839

once you're in the dod you can you can

376

00:15:25,269 --> 00:15:23,279

fulfill a number of roles

377

00:15:26,470 --> 00:15:25,279

and be working for other organizations

378

00:15:28,870 --> 00:15:26,480

and and uh

379

00:15:30,310 --> 00:15:28,880

be seconded out to different groups uh

380

00:15:32,389 --> 00:15:30,320

so i i can't

381

00:15:34,550 --> 00:15:32,399

yeah they would not give me a project

382

00:15:36,150 --> 00:15:34,560

name because they said that would be

383

00:15:37,829 --> 00:15:36,160

far too dangerous because it would it

384

00:15:40,230 --> 00:15:37,839

would identify them

385

00:15:41,509 --> 00:15:40,240

and um they didn't they didn't want to

386

00:15:45,430 --> 00:15:41,519

take a chance

387

00:15:51,030 --> 00:15:48,470

you know i i put it out there

388

00:15:51,670 --> 00:15:51,040

shortly after it happened and i was able

389

00:15:55,910 --> 00:15:51,680

to

390

00:15:57,829 --> 00:15:55,920

give a limited release of the

391

00:16:00,230 --> 00:15:57,839

information to uh

392

00:16:02,310 --> 00:16:00,240

uh the research community and wanted to

393

00:16:04,790 --> 00:16:02,320

get some input i said you know what

394

00:16:05,590 --> 00:16:04,800

here's the story i don't know if it's

395

00:16:08,629 --> 00:16:05,600

true

396

00:16:10,550 --> 00:16:08,639

what do you think uh it was many years

397

00:16:13,590 --> 00:16:10,560

later i believe in 2007

398

00:16:15,509 --> 00:16:13,600

that nick redfern got a hold of me and

399

00:16:17,749 --> 00:16:15,519

he was interested in the story so i gave

400

00:16:20,790 --> 00:16:17,759

him all of the background that i had

401
00:16:23,829 --> 00:16:20,800
um and he began to chase it down

402
00:16:24,470 --> 00:16:23,839
and nick was able to uncover uh the name

403
00:16:27,910 --> 00:16:24,480
of a group

404
00:16:30,710 --> 00:16:27,920
not not the as far as i know

405
00:16:32,389 --> 00:16:30,720
not the men that i met with but a group

406
00:16:33,749 --> 00:16:32,399
within the government called the collins

407
00:16:35,990 --> 00:16:33,759
elite

408
00:16:36,949 --> 00:16:36,000
who were a group of very fundamentalist

409
00:16:40,710 --> 00:16:36,959
christians

410
00:16:43,910 --> 00:16:40,720
who looked at this entire field as

411
00:16:46,949 --> 00:16:43,920
being demonic uh and evil

412
00:16:49,910 --> 00:16:46,959
and were trying to figure out how to

413
00:16:50,629 --> 00:16:49,920

how to deal with it they had a very much

414

00:16:55,110 --> 00:16:50,639

uh

415

00:16:56,069 --> 00:16:55,120

mindset from what nick was able to

416

00:16:58,230 --> 00:16:56,079

discover

417

00:17:00,470 --> 00:16:58,240

uh and we're looking at this as you know

418

00:17:03,030 --> 00:17:00,480

the uh the precursor to

419

00:17:04,150 --> 00:17:03,040

uh the rise of the antichrist and the

420

00:17:06,710 --> 00:17:04,160

second coming of jesus

421

00:17:08,949 --> 00:17:06,720

now who okay it's the the collins elite

422

00:17:12,069 --> 00:17:08,959

who is collins

423

00:17:12,870 --> 00:17:12,079

i have no idea i have no idea that's the

424

00:17:16,870 --> 00:17:12,880

name that they

425

00:17:19,990 --> 00:17:16,880

provided nick and um uh you know who

426

00:17:21,029 --> 00:17:20,000

who collins is i don't know and why

427

00:17:23,110 --> 00:17:21,039

they're elite

428

00:17:25,189 --> 00:17:23,120

i'm not sure of that either yeah yeah

429

00:17:27,270 --> 00:17:25,199

okay okay so

430

00:17:29,190 --> 00:17:27,280

how many congress did you have more than

431

00:17:33,190 --> 00:17:29,200

one meeting with these gentlemen

432

00:17:35,110 --> 00:17:33,200

i had two lengthy face-to-face meetings

433

00:17:36,549 --> 00:17:35,120

i had a couple of phone conversations

434

00:17:40,549 --> 00:17:36,559

and i had one

435

00:17:43,669 --> 00:17:40,559

uh very brief meeting where they handed

436

00:17:47,190 --> 00:17:43,679

uh a floppy disk off to me

437

00:17:49,350 --> 00:17:47,200

to uh containing answers to questions

438

00:17:50,710 --> 00:17:49,360

linda howe had submitted to them through

439

00:17:53,029 --> 00:17:50,720

me and they

440

00:17:54,390 --> 00:17:53,039

they were in the area and they just

441

00:17:55,669 --> 00:17:54,400

stopped by my office

442

00:17:57,669 --> 00:17:55,679

i was working for the university of

443

00:18:00,630 --> 00:17:57,679

nebraska by that time

444

00:18:03,909 --> 00:18:00,640

and handed me the uh the disc which i

445

00:18:06,390 --> 00:18:03,919

then forwarded on to linda

446

00:18:07,510 --> 00:18:06,400

so i had i was able to contact them by a

447

00:18:11,270 --> 00:18:07,520

post office box

448

00:18:13,430 --> 00:18:11,280

and a telephone number uh i would call

449

00:18:15,350 --> 00:18:13,440

and leave a message and they would get

450

00:18:17,510 --> 00:18:15,360

back to me sometimes

451

00:18:18,630 --> 00:18:17,520

you know a day later sometimes six

452

00:18:21,830 --> 00:18:18,640

months later

453

00:18:23,590 --> 00:18:21,840

uh i didn't have really other than that

454

00:18:26,950 --> 00:18:23,600

other than a post office box

455

00:18:28,390 --> 00:18:26,960

and this phone number i had no way to uh

456

00:18:30,549 --> 00:18:28,400

to contact them

457

00:18:31,750 --> 00:18:30,559

so are you in touch with them now or is

458

00:18:34,310 --> 00:18:31,760

that a

459

00:18:35,590 --> 00:18:34,320

thing of the past that's that's a thing

460

00:18:40,830 --> 00:18:35,600

of the past

461

00:18:43,590 --> 00:18:40,840

it um it was it was those

462

00:18:45,590 --> 00:18:43,600

uh those three

463

00:18:47,430 --> 00:18:45,600

face-to-face meetings too long one very

464

00:18:50,870 --> 00:18:47,440

short uh

465

00:18:52,470 --> 00:18:50,880

a telephone call or two and uh

466

00:18:53,990 --> 00:18:52,480

a couple of letters exchanged to the

467

00:18:57,110 --> 00:18:54,000

post office box

468

00:19:00,390 --> 00:18:57,120

uh principally because

469

00:19:02,789 --> 00:19:00,400

they had asked me they knew i was uh

470

00:19:03,590 --> 00:19:02,799

quite close friends with linda howe yeah

471

00:19:06,630 --> 00:19:03,600

and

472

00:19:11,750 --> 00:19:06,640

they were interested in reading her um

473

00:19:15,350 --> 00:19:11,760

glimpses of other realities and so we um

474

00:19:17,350 --> 00:19:15,360

i i put them together uh they

475

00:19:18,950 --> 00:19:17,360

didn't want to make direct contact with

476
00:19:21,110 --> 00:19:18,960
linda because they wanted to limit the

477
00:19:23,190 --> 00:19:21,120
number of uh

478
00:19:24,150 --> 00:19:23,200
exposures of who they really were to

479
00:19:25,669 --> 00:19:24,160
people

480
00:19:27,190 --> 00:19:25,679
so they just they used me as a

481
00:19:28,470 --> 00:19:27,200
go-between and

482
00:19:30,310 --> 00:19:28,480
linda of course had a number of

483
00:19:32,710 --> 00:19:30,320
questions for them and

484
00:19:33,430 --> 00:19:32,720
they were willing to uh to answer those

485
00:19:36,710 --> 00:19:33,440
so i

486
00:19:38,470 --> 00:19:36,720
uh on two occasions uh received a disc

487
00:19:41,029 --> 00:19:38,480
of questions from linda

488
00:19:42,310 --> 00:19:41,039

uh i just left it in the envelope sheet

489

00:19:44,070 --> 00:19:42,320

in which she'd sent it to me

490

00:19:46,470 --> 00:19:44,080

put it in another one address it to the

491

00:19:48,230 --> 00:19:46,480

po box and then it was returned to me

492

00:19:51,110 --> 00:19:48,240

once by mail and then

493

00:19:52,549 --> 00:19:51,120

once uh the final one in person okay so

494

00:19:54,230 --> 00:19:52,559

what uh

495

00:19:56,470 --> 00:19:54,240

what is your assessment of their

496

00:20:02,310 --> 00:19:56,480

assessment

497

00:20:03,830 --> 00:20:02,320

um i think there are

498

00:20:06,149 --> 00:20:03,840

i think there's i think there's a great

499

00:20:06,950 --> 00:20:06,159

deal of legitimacy to it i think there

500

00:20:16,070 --> 00:20:06,960

is

501
00:20:18,870 --> 00:20:16,080
there

502
00:20:19,430 --> 00:20:18,880
but how you parse the disinformation

503
00:20:21,750 --> 00:20:19,440
from

504
00:20:24,870 --> 00:20:21,760
the true information when it's the sort

505
00:20:27,029 --> 00:20:24,880
of thing that is so highly classified

506
00:20:29,110 --> 00:20:27,039
you will probably never be able to run

507
00:20:33,110 --> 00:20:29,120
across any documentation on it

508
00:20:33,590 --> 00:20:33,120
um but from from what nick was able to

509
00:20:38,870 --> 00:20:33,600
uh

510
00:20:40,310 --> 00:20:38,880
there are there are efforts like this

511
00:20:43,029 --> 00:20:40,320
going on

512
00:20:44,070 --> 00:20:43,039
and there is a group that's concerned

513
00:20:47,350 --> 00:20:44,080

about this

514

00:20:50,390 --> 00:20:47,360

um where it is now i don't know

515

00:20:51,669 --> 00:20:50,400

i don't know do you okay if this were to

516

00:20:55,270 --> 00:20:51,679

be true

517

00:20:57,669 --> 00:20:55,280

uh that uh it's a satanic

518

00:20:59,830 --> 00:20:57,679

i i don't even know how really to use

519

00:21:01,750 --> 00:20:59,840

the term because i just can't get behind

520

00:21:03,430 --> 00:21:01,760

the fact that there's one entity called

521

00:21:06,070 --> 00:21:03,440

satan and he's doing all this stuff

522

00:21:06,870 --> 00:21:06,080

but oh okay let's say that it's a

523

00:21:09,830 --> 00:21:06,880

satanic

524

00:21:10,149 --> 00:21:09,840

influence here does the people the the

525

00:21:13,590 --> 00:21:10,159

pub

526

00:21:16,310 --> 00:21:13,600

this or should it be kept

527

00:21:18,230 --> 00:21:16,320

under covers and if it were not kept

528

00:21:19,029 --> 00:21:18,240

under covers would it mean that lucifer

529

00:21:21,510 --> 00:21:19,039

would be

530

00:21:24,470 --> 00:21:21,520

uh left to do his bidding in the world

531

00:21:26,789 --> 00:21:24,480

more so than perhaps he is now

532

00:21:29,430 --> 00:21:26,799

see this is this is an interesting this

533

00:21:31,190 --> 00:21:29,440

is an interesting aspect of it

534

00:21:33,430 --> 00:21:31,200

uh i don't know if we've got time before

535

00:21:35,430 --> 00:21:33,440

the break to really get into this

536

00:21:36,710 --> 00:21:35,440

um no i thought i'd give you a

537

00:21:39,270 --> 00:21:36,720

cliffhanger

538

00:21:39,750 --> 00:21:39,280

you bet well let's let's let that sit

539

00:21:42,950 --> 00:21:39,760

because

540

00:21:45,110 --> 00:21:42,960

for one thing part of the problem with

541

00:21:46,230 --> 00:21:45,120

the overarching view of the collins

542

00:21:47,909 --> 00:21:46,240

elite and

543

00:21:49,430 --> 00:21:47,919

some of the things these gentlemen

544

00:21:53,029 --> 00:21:49,440

shared with me

545

00:21:56,390 --> 00:21:53,039

are the the the theological

546

00:21:59,909 --> 00:21:56,400

uh non-sequiturs that are there uh

547

00:22:03,110 --> 00:21:59,919

you know lucifer or a demonic entity

548

00:22:06,310 --> 00:22:03,120

doesn't need anyone's permission to

549

00:22:07,510 --> 00:22:06,320

um to jump in here so your question if

550

00:22:09,750 --> 00:22:07,520

you know if people knew about it would

551
00:22:12,950 --> 00:22:09,760
he give him a more open hand

552
00:22:15,350 --> 00:22:12,960
he's he's allowed uh he's allowed to do

553
00:22:16,230 --> 00:22:15,360
whatever he wants within whatever limits

554
00:22:19,990 --> 00:22:16,240
god himself

555
00:22:22,230 --> 00:22:20,000
sets for him to be constrained by

556
00:22:23,669 --> 00:22:22,240
all right let's leave it at that for now

557
00:22:25,590 --> 00:22:23,679
as we go to our

558
00:22:26,950 --> 00:22:25,600
bottom of the hour break when we come

559
00:22:30,470 --> 00:22:26,960
back we will continue

560
00:22:31,270 --> 00:22:30,480
our conversation about the collins elite

561
00:22:33,270 --> 00:22:31,280
and more

562
00:22:35,430 --> 00:22:33,280
on exploring the bizarre so stay tuned

563
00:22:36,630 --> 00:22:35,440

exploring the bazaar i'm tim schwartz

564

00:22:39,750 --> 00:22:36,640

our guest tonight

565

00:22:42,470 --> 00:22:39,760

is dr raymond

566

00:22:43,750 --> 00:22:42,480

and i should point out that uh dr

567

00:22:46,870 --> 00:22:43,760

broshet

568

00:22:47,510 --> 00:22:46,880

uh also used to uh put out the uh the

569

00:22:50,789 --> 00:22:47,520

journal

570

00:22:54,149 --> 00:22:50,799

of the fortian research center the

571

00:22:54,470 --> 00:22:54,159

uh fortian research journal which uh i

572

00:22:57,190 --> 00:22:54,480

think

573

00:22:57,590 --> 00:22:57,200

uh tim i've got to i've got some copies

574

00:23:03,990 --> 00:22:57,600

that

575

00:23:05,830 --> 00:23:04,000

no there's been times where you would

576

00:23:07,270 --> 00:23:05,840

just send me boxes of stuff because you

577

00:23:07,750 --> 00:23:07,280

didn't have room in your apartment

578

00:23:09,110 --> 00:23:07,760

anymore

579

00:23:10,150 --> 00:23:09,120

i don't have yeah yeah but i would have

580

00:23:13,909 --> 00:23:10,160

kept those

581

00:23:16,070 --> 00:23:13,919

[Laughter]

582

00:23:17,750 --> 00:23:16,080

i wonder i wonder if any of those are

583

00:23:31,990 --> 00:23:17,760

digitized on that

584

00:23:36,149 --> 00:23:34,310

that's an adventure in itself it is

585

00:23:37,830 --> 00:23:36,159

indeed yeah yeah it is

586

00:23:39,669 --> 00:23:37,840

they've got so many pages there but when

587

00:23:40,950 --> 00:23:39,679

you go to actually find the material you

588

00:23:44,789 --> 00:23:40,960

can't find it anyway

589

00:23:48,549 --> 00:23:44,799

tim take command well i was just uh uh

590

00:23:48,870 --> 00:23:48,559

ready to uh continue on our uh we had to

591

00:23:52,630 --> 00:23:48,880

uh

592

00:23:54,149 --> 00:23:52,640

so um unceremoniously interview for our

593

00:23:56,470 --> 00:23:54,159

bottom of the hour break so

594

00:23:57,990 --> 00:23:56,480

you know going back to uh 10 the other

595

00:24:02,310 --> 00:23:58,000

dam's previous question

596

00:24:05,269 --> 00:24:02,320

so take it away yeah the the idea of

597

00:24:06,230 --> 00:24:05,279

whether or not this should be exposed uh

598

00:24:08,070 --> 00:24:06,240

you know from

599

00:24:12,549 --> 00:24:08,080

from a christian theological point of

600

00:24:19,909 --> 00:24:16,830

satan is recognized as

601
00:24:23,669 --> 00:24:19,919
um a fallen

602
00:24:26,390 --> 00:24:23,679
angel fallen creature uh created by god

603
00:24:27,110 --> 00:24:26,400
but still under god's control ultimately

604
00:24:29,269 --> 00:24:27,120
uh

605
00:24:30,149 --> 00:24:29,279
you know you can you can veer off into

606
00:24:33,350 --> 00:24:30,159
so many different

607
00:24:34,149 --> 00:24:33,360
um uh theological discussions here about

608
00:24:37,190 --> 00:24:34,159
uh

609
00:24:39,430 --> 00:24:37,200
the existence of evil

610
00:24:41,029 --> 00:24:39,440
uh in god's presence and so on that's

611
00:24:44,230 --> 00:24:41,039
called a theodicy

612
00:24:44,950 --> 00:24:44,240
uh but it really comes down to the fact

613
00:24:48,789 --> 00:24:44,960

that

614

00:24:51,350 --> 00:24:48,799

if if god is who god says he is

615

00:24:51,909 --> 00:24:51,360

then he is in control he is sovereign

616

00:24:56,310 --> 00:24:51,919

and

617

00:24:59,430 --> 00:24:56,320

created being

618

00:25:00,390 --> 00:24:59,440

can do so satan doesn't have unlimited

619

00:25:03,029 --> 00:25:00,400

control

620

00:25:04,549 --> 00:25:03,039

satan is uh always constrained within

621

00:25:06,149 --> 00:25:04,559

certain limits if you look at the book

622

00:25:09,590 --> 00:25:06,159

of job

623

00:25:13,269 --> 00:25:09,600

you see that god allows satan

624

00:25:17,430 --> 00:25:16,070

satan is allowed to test job but god

625

00:25:19,029 --> 00:25:17,440

always puts limits on it

626

00:25:20,470 --> 00:25:19,039

well you can take his you can take his

627

00:25:23,830 --> 00:25:20,480

possessions but you can't

628

00:25:25,590 --> 00:25:23,840

harm him well okay now you can harm him

629

00:25:28,070 --> 00:25:25,600

but you can't take his life

630

00:25:28,630 --> 00:25:28,080

and that sort of so god puts limits on

631

00:25:31,750 --> 00:25:28,640

that

632

00:25:34,230 --> 00:25:31,760

and so if it were discovered

633

00:25:36,149 --> 00:25:34,240

that uh or released made public that the

634

00:25:36,870 --> 00:25:36,159

government was involved in research like

635

00:25:40,230 --> 00:25:36,880

this

636

00:25:42,230 --> 00:25:40,240

uh it wouldn't change much uh other than

637

00:25:43,830 --> 00:25:42,240

to maybe

638

00:25:45,269 --> 00:25:43,840

confirm in a lot of people's minds that

639

00:25:48,310 --> 00:25:45,279

you really can't trust the government

640

00:25:51,510 --> 00:25:50,230

and they've they've jumped into things

641

00:25:54,789 --> 00:25:51,520

that they would

642

00:25:58,390 --> 00:25:54,799

maybe be better uh better left alone

643

00:25:59,269 --> 00:25:58,400

but uh i you know so i i don't know it's

644

00:26:03,350 --> 00:25:59,279

it's so

645

00:26:06,549 --> 00:26:03,360

it's such a it's such a bizarre uh

646

00:26:10,149 --> 00:26:06,559

set of circumstances um i had

647

00:26:11,909 --> 00:26:10,159

i had sort of uh said well you know i uh

648

00:26:16,710 --> 00:26:11,919

i put this out

649

00:26:17,830 --> 00:26:16,720

originally um and i believe 1991 or 1992

650

00:26:19,750 --> 00:26:17,840

when it uh

651
00:26:21,590 --> 00:26:19,760
shortly after my first meeting as it

652
00:26:23,110 --> 00:26:21,600
happened to see about a response he

653
00:26:26,230 --> 00:26:23,120
hadn't heard anything

654
00:26:28,870 --> 00:26:26,240
uh you know 17 years later

655
00:26:30,789 --> 00:26:28,880
nick calls me up and said hey i'm kind

656
00:26:33,590 --> 00:26:30,799
of interested in this tell me about it

657
00:26:34,549 --> 00:26:33,600
and then he's able to pick up threads

658
00:26:37,990 --> 00:26:34,559
and

659
00:26:40,950 --> 00:26:38,000
conjecture on my part

660
00:26:41,750 --> 00:26:40,960
because i don't know for certain but uh

661
00:26:44,310 --> 00:26:41,760
at the time

662
00:26:46,070 --> 00:26:44,320
in the early 90s uh offutt air force

663
00:26:49,190 --> 00:26:46,080

base in omaha nebraska

664

00:26:50,789 --> 00:26:49,200

just 50 miles from where i am in lincoln

665

00:26:53,350 --> 00:26:50,799

was also the headquarters of the

666

00:26:56,470 --> 00:26:53,360

strategic air command

667

00:26:59,590 --> 00:26:56,480

and they had an air force office of

668

00:27:03,430 --> 00:26:59,600

uh scientific science and research at uh

669

00:27:05,430 --> 00:27:03,440

offutt and my feeling is that they were

670

00:27:08,789 --> 00:27:05,440

involved in something that was

671

00:27:10,630 --> 00:27:08,799

uh going on at offutt

672

00:27:12,149 --> 00:27:10,640

and would visit at least on a periodical

673

00:27:14,310 --> 00:27:12,159

basis uh

674

00:27:16,310 --> 00:27:14,320

and so they were in the area and reached

675

00:27:17,510 --> 00:27:16,320

out to me and i i have

676

00:27:20,230 --> 00:27:17,520

i won't go into it i have some

677

00:27:21,909 --> 00:27:20,240

suspicious of who a person that i was in

678

00:27:24,230 --> 00:27:21,919

contact with that was

679

00:27:25,750 --> 00:27:24,240

very highly placed in that air force

680

00:27:28,470 --> 00:27:25,760

office of science and research

681

00:27:29,110 --> 00:27:28,480

uh at the time may have dropped my name

682

00:27:33,110 --> 00:27:29,120

to these

683

00:27:35,190 --> 00:27:33,120

now the fact that

684

00:27:36,710 --> 00:27:35,200

it all that time lagged and then nick

685

00:27:37,269 --> 00:27:36,720

was able to pick it up and find new

686

00:27:39,830 --> 00:27:37,279

threads

687

00:27:41,830 --> 00:27:39,840

and take it on further uh which led to

688

00:27:42,470 --> 00:27:41,840

the discovery of this group the collins

689

00:27:45,510 --> 00:27:42,480

elite

690

00:27:47,990 --> 00:27:45,520

um fascinating i don't

691

00:27:49,269 --> 00:27:48,000

i don't know what we can draw from it

692

00:27:53,350 --> 00:27:49,279

conclusively

693

00:27:55,269 --> 00:27:53,360

but um it's it's a it's a fascinating

694

00:27:58,470 --> 00:27:55,279

scenario

695

00:28:02,630 --> 00:27:58,480

well and and it is i mean it's it's just

696

00:28:03,510 --> 00:28:02,640

another one of the thousands and

697

00:28:06,549 --> 00:28:03,520

thousands of

698

00:28:09,750 --> 00:28:06,559

threads that seem to

699

00:28:11,750 --> 00:28:09,760

be connected to the whole phenomenon

700

00:28:15,350 --> 00:28:11,760

that you know you can pull on that

701
00:28:19,029 --> 00:28:18,710
forever and ultimately you're still left

702
00:28:21,190 --> 00:28:19,039
with

703
00:28:23,110 --> 00:28:21,200
probably even more questions than you

704
00:28:26,710 --> 00:28:23,120
originally started with

705
00:28:28,549 --> 00:28:26,720
yeah it's um you know i've i

706
00:28:30,389 --> 00:28:28,559
became interested and started

707
00:28:33,669 --> 00:28:30,399
researching this when i was

708
00:28:36,630 --> 00:28:33,679
10 years old in 1965 and

709
00:28:39,909 --> 00:28:36,640
i have looked at it ever since as as

710
00:28:41,590 --> 00:28:39,919
very much an intellectual exercise

711
00:28:43,110 --> 00:28:41,600
it doesn't take long if you get serious

712
00:28:45,830 --> 00:28:43,120
about it

713
00:28:47,430 --> 00:28:45,840

to come to the conclusion that you're

714

00:28:50,870 --> 00:28:47,440

not going to

715

00:28:52,710 --> 00:28:50,880

uh given something miraculous happening

716

00:28:53,830 --> 00:28:52,720

you're not going to come to a final

717

00:28:57,110 --> 00:28:53,840

answer

718

00:29:00,310 --> 00:28:57,120

um and early on i corresponded

719

00:29:04,630 --> 00:29:00,320

in the late 60s early 70s with john keel

720

00:29:07,110 --> 00:29:04,640

and he and jacques vallee had

721

00:29:10,070 --> 00:29:07,120

an incredible incredibly positive

722

00:29:13,190 --> 00:29:10,080

influence on the way i looked at things

723

00:29:13,909 --> 00:29:13,200

when kiel said you know it's these these

724

00:29:16,070 --> 00:29:13,919

things aren't

725

00:29:17,029 --> 00:29:16,080

from another planet these are something

726

00:29:19,909 --> 00:29:17,039

else

727

00:29:21,669 --> 00:29:19,919

uh and he coined his ultra-terrestrial

728

00:29:22,070 --> 00:29:21,679

theory and then jacques villa said the

729

00:29:24,630 --> 00:29:22,080

uh

730

00:29:25,269 --> 00:29:24,640

the extraterrestrial hypothesis is too

731

00:29:27,830 --> 00:29:25,279

simple

732

00:29:28,710 --> 00:29:27,840

there's more going on here and i i fully

733

00:29:31,269 --> 00:29:28,720

agree

734

00:29:32,950 --> 00:29:31,279

and so for about the first after about

735

00:29:36,549 --> 00:29:32,960

the first five years

736

00:29:37,990 --> 00:29:36,559

um i had come to the firm conclusion

737

00:29:40,310 --> 00:29:38,000

that there is more here than just

738

00:29:43,269 --> 00:29:40,320

spaceships from another planet this is

739

00:29:46,389 --> 00:29:43,279

something much more complex

740

00:29:48,710 --> 00:29:46,399

well on his uh uh uh jacques valley

741

00:29:49,990 --> 00:29:48,720

said he he'd be really disappointed if

742

00:29:52,830 --> 00:29:50,000

it did just turn out to be

743

00:29:55,269 --> 00:29:52,840

nothing more than spaceships from other

744

00:29:56,630 --> 00:29:55,279

planets

745

00:29:59,830 --> 00:29:56,640

yeah it would be a tremendous

746

00:30:02,549 --> 00:29:59,840

disappointment it's um

747

00:30:03,110 --> 00:30:02,559

it's like the old adage of peeling an

748

00:30:05,190 --> 00:30:03,120

onion

749

00:30:07,430 --> 00:30:05,200

you just keep it just it just keeps

750

00:30:10,789 --> 00:30:07,440

going it just keeps going

751

00:30:13,909 --> 00:30:10,799

um so now okay

752

00:30:16,789 --> 00:30:13,919

you you said that you got started at

753

00:30:17,669 --> 00:30:16,799

at a fairly young age uh was there

754

00:30:21,269 --> 00:30:17,679

anything

755

00:30:22,149 --> 00:30:21,279

specifically that got you started on

756

00:30:23,830 --> 00:30:22,159

this

757

00:30:26,149 --> 00:30:23,840

that you can remember i mean you know 10

758

00:30:29,190 --> 00:30:26,159

years old yeah though the one

759

00:30:33,590 --> 00:30:29,200

the one it's actually two events

760

00:30:36,070 --> 00:30:33,600

it was it was a summer of 65 and

761

00:30:38,230 --> 00:30:36,080

we had experience and i don't recall

762

00:30:40,310 --> 00:30:38,240

exactly the circumstances my hometown of

763

00:30:42,230 --> 00:30:40,320

nebraska city

764

00:30:43,990 --> 00:30:42,240

we had experienced a blackout a power

765

00:30:47,269 --> 00:30:44,000

outage and

766

00:30:49,430 --> 00:30:47,279

we were out on our back porch and saw

767

00:30:52,710 --> 00:30:49,440

this

768

00:30:55,750 --> 00:30:52,720

i can only describe it as a fiery disc

769

00:31:00,310 --> 00:30:55,760

cross over our house i

770

00:31:01,190 --> 00:31:00,320

you know i um 60 years on now i would

771

00:31:04,470 --> 00:31:01,200

suppose

772

00:31:06,870 --> 00:31:04,480

uh four or five hundred feet

773

00:31:07,830 --> 00:31:06,880

above the house uh going from south to

774

00:31:11,110 --> 00:31:07,840

north

775

00:31:14,149 --> 00:31:11,120

and then in 1965 with the great uh

776

00:31:16,630 --> 00:31:14,159

blackout in the northeast and the

777

00:31:17,590 --> 00:31:16,640

subsequent reports of a strange ufo

778

00:31:20,389 --> 00:31:17,600

around the uh

779

00:31:21,509 --> 00:31:20,399

substation in upstate new york that may

780

00:31:23,350 --> 00:31:21,519

have triggered it

781

00:31:25,190 --> 00:31:23,360

um that's what really caught my

782

00:31:28,789 --> 00:31:25,200

attention and

783

00:31:30,070 --> 00:31:28,799

so that got me interested and i started

784

00:31:31,830 --> 00:31:30,080

to dig

785

00:31:33,269 --> 00:31:31,840

wherever i could find uh you know the

786

00:31:35,590 --> 00:31:33,279

library at that time

787

00:31:37,269 --> 00:31:35,600

did not have uh did not have a lot of

788

00:31:37,830 --> 00:31:37,279

things one of the first books that i

789

00:31:40,389 --> 00:31:37,840

found

790

00:31:41,190 --> 00:31:40,399

in our public library was uh actually

791

00:31:43,110 --> 00:31:41,200

two

792

00:31:44,950 --> 00:31:43,120

uh flying saucer series business by

793

00:31:46,950 --> 00:31:44,960

frank edwards and behind the flying

794

00:31:50,630 --> 00:31:46,960

saucers by frank scully

795

00:31:53,990 --> 00:31:50,640

and uh that's what got me started and uh

796

00:31:57,750 --> 00:31:54,000

my first my first purchase of a

797

00:31:59,190 --> 00:31:57,760

a piece of ufo material was the flying

798

00:32:00,950 --> 00:31:59,200

saucer menace

799

00:32:02,789 --> 00:32:00,960

which was written by brad steiger was

800

00:32:06,230 --> 00:32:02,799

put out in a magazine form

801
00:32:08,870 --> 00:32:06,240
and um that

802
00:32:09,350 --> 00:32:08,880
very good book it is it's fabulous that

803
00:32:13,830 --> 00:32:09,360
so that

804
00:32:16,389 --> 00:32:13,840
that's that's set me on the path of

805
00:32:21,909 --> 00:32:16,399
way too much money spent on books over

806
00:32:27,430 --> 00:32:25,909
yes you and and all of us here

807
00:32:29,669 --> 00:32:27,440
on tonight's show got no room don't

808
00:32:30,149 --> 00:32:29,679
don't don't send me any more books i

809
00:32:32,870 --> 00:32:30,159
have no

810
00:32:33,509 --> 00:32:32,880
no place to put them i i swear not one

811
00:32:36,230 --> 00:32:33,519
not one

812
00:32:37,909 --> 00:32:36,240
cubicle do i have i got 40 file cabinets

813
00:32:41,910 --> 00:32:37,919

and everything around me is

814

00:32:44,789 --> 00:32:41,920

just piles of books i know the feeling

815

00:32:48,230 --> 00:32:44,799

[Laughter]

816

00:32:50,789 --> 00:32:48,240

now um you know looking at your at your

817

00:32:51,909 --> 00:32:50,799

uh bio i mean you know you you've been

818

00:32:54,950 --> 00:32:51,919

involved with

819

00:32:57,990 --> 00:32:54,960

a lot of of of things

820

00:33:04,549 --> 00:32:58,000

outside of ufos and and

821

00:33:11,269 --> 00:33:08,549

people that you work with

822

00:33:13,269 --> 00:33:11,279

when they find out that you're also

823

00:33:16,630 --> 00:33:13,279

interested in this kind of stuff what

824

00:33:18,630 --> 00:33:16,640

what has the reaction been you know

825

00:33:19,909 --> 00:33:18,640

for myself and tim beckley you know as

826

00:33:23,350 --> 00:33:19,919

as well

827

00:33:25,830 --> 00:33:23,360

uh i have never let it uh be secret

828

00:33:26,389 --> 00:33:25,840

you know what uh uh what my interests

829

00:33:28,070 --> 00:33:26,399

are

830

00:33:29,909 --> 00:33:28,080

but then again you know some people that

831

00:33:31,350 --> 00:33:29,919

we have talked to i mean they

832

00:33:33,430 --> 00:33:31,360

they keep their they keep their

833

00:33:35,590 --> 00:33:33,440

interests very close you know

834

00:33:37,669 --> 00:33:35,600

to their breasts and don't don't really

835

00:33:40,789 --> 00:33:37,679

uh talk about it too much you know

836

00:33:42,470 --> 00:33:40,799

what about you i'm i'm much like uh i'm

837

00:33:45,430 --> 00:33:42,480

much like you two tims

838

00:33:45,909 --> 00:33:45,440

uh i never i've never made a secret of

839

00:33:47,909 --> 00:33:45,919

it

840

00:33:49,110 --> 00:33:47,919

uh you know i got a lot of i got a lot

841

00:33:52,070 --> 00:33:49,120

of ribbing in uh

842

00:33:54,389 --> 00:33:52,080

in junior high in high school uh as

843

00:33:56,870 --> 00:33:54,399

people as i got into the workforce

844

00:33:59,029 --> 00:33:56,880

and people understood that uh you know

845

00:34:00,070 --> 00:33:59,039

gosh i'm i'm not an idiot i don't drool

846

00:34:02,389 --> 00:34:00,080

too often

847

00:34:03,269 --> 00:34:02,399

uh you know i know i seem to know what

848

00:34:06,789 --> 00:34:03,279

i'm doing and

849

00:34:10,310 --> 00:34:06,799

conduct myself fairly well uh i've never

850

00:34:12,310 --> 00:34:10,320

i've never had any any uh

851

00:34:14,710 --> 00:34:12,320

any compulsion to uh to hide it from

852

00:34:16,790 --> 00:34:14,720

anyone and generally after people

853

00:34:18,710 --> 00:34:16,800

understand that you're you know you're a

854

00:34:20,550 --> 00:34:18,720

competent serious person

855

00:34:22,470 --> 00:34:20,560

uh they begin to get interested in spite

856

00:34:25,669 --> 00:34:22,480

of themselves even the ones who uh

857

00:34:26,470 --> 00:34:25,679

who really uh who really laugh it off at

858

00:34:28,950 --> 00:34:26,480

first

859

00:34:30,790 --> 00:34:28,960

uh it's interesting to see the response

860

00:34:33,829 --> 00:34:30,800

as they begin to get interested

861

00:34:35,270 --> 00:34:33,839

and then once in a while well more than

862

00:34:36,710 --> 00:34:35,280

once in a while

863

00:34:38,710 --> 00:34:36,720

they'll open up and tell you about

864

00:34:41,589 --> 00:34:38,720

something that's happened to them

865

00:34:43,589 --> 00:34:41,599

and uh yeah it's uh it's yeah so no i've

866

00:34:45,909 --> 00:34:43,599

never made a secret of it

867

00:34:47,030 --> 00:34:45,919

yes exactly see that's that's that's the

868

00:34:49,750 --> 00:34:47,040

way it's been

869

00:34:51,510 --> 00:34:49,760

uh with re with me practically my entire

870

00:34:53,510 --> 00:34:51,520

life is that you know people

871

00:34:55,270 --> 00:34:53,520

a lot of times well there's a group

872

00:34:56,389 --> 00:34:55,280

around you know they'll laugh ah you

873

00:34:56,790 --> 00:34:56,399

know we don't believe in that kind of

874

00:34:59,190 --> 00:34:56,800

stuff

875

00:35:01,910 --> 00:34:59,200

but then later come back and say you

876

00:35:03,349 --> 00:35:01,920

know i had this

877

00:35:05,430 --> 00:35:03,359

you know proceed to tell you this you

878

00:35:07,109 --> 00:35:05,440

know bizarre story and to pull you

879

00:35:08,870 --> 00:35:07,119

fully into the corner where no one else

880

00:35:10,950 --> 00:35:08,880

can hear exactly

881

00:35:12,230 --> 00:35:10,960

exactly and i think a lot of these

882

00:35:14,950 --> 00:35:12,240

people they just uh

883

00:35:17,190 --> 00:35:14,960

uh they've never told anybody else they

884

00:35:20,310 --> 00:35:17,200

just want uh

885

00:35:22,069 --> 00:35:20,320

you know like a kind shoulder to lean on

886

00:35:24,390 --> 00:35:22,079

to tell their story to

887

00:35:26,069 --> 00:35:24,400

yeah i think that's exactly right they

888

00:35:27,990 --> 00:35:26,079

they they have a they have a strange

889

00:35:29,750 --> 00:35:28,000

experience they can't explain

890

00:35:31,910 --> 00:35:29,760

they just want the opportunity to be

891

00:35:33,990 --> 00:35:31,920

heard and not laughed at

892

00:35:34,950 --> 00:35:34,000

and yeah so i've always i've always been

893

00:35:37,990 --> 00:35:34,960

the uh

894

00:35:41,349 --> 00:35:38,000

the open ear for the for folks like that

895

00:35:45,349 --> 00:35:41,359

well as well as ufo research i mean i

896

00:35:47,670 --> 00:35:45,359

i see that gosh i mean you know

897

00:35:49,670 --> 00:35:47,680

how to place animal sightings you know

898

00:35:51,910 --> 00:35:49,680

the animal mutilations

899

00:35:53,030 --> 00:35:51,920

bigfoot reports the men in black

900

00:35:55,670 --> 00:35:53,040

phenomena

901
00:35:58,150 --> 00:35:55,680
i mean you know these are things that a

902
00:36:02,150 --> 00:35:58,160
lot of ufo researchers

903
00:36:04,870 --> 00:36:02,160
dare not tread because i think some

904
00:36:06,230 --> 00:36:04,880
are afraid that looking into some of

905
00:36:09,829 --> 00:36:06,240
these

906
00:36:13,349 --> 00:36:09,839
kind of high strangeness

907
00:36:15,910 --> 00:36:13,359
types of stories would somehow sully

908
00:36:18,069 --> 00:36:15,920
their reputation as a uh as as a

909
00:36:19,990 --> 00:36:18,079
competent ufo researcher

910
00:36:21,670 --> 00:36:20,000
well you know that's that's uh i think

911
00:36:24,150 --> 00:36:21,680
that's very true and i think that's an

912
00:36:24,790 --> 00:36:24,160
accurate assessment of it but you know

913
00:36:30,710 --> 00:36:24,800

for me

914

00:36:31,589 --> 00:36:30,720

i've always in the back of my mind had

915

00:36:39,109 --> 00:36:31,599

this

916

00:36:40,870 --> 00:36:39,119

much like einstein wanted to establish a

917

00:36:42,069 --> 00:36:40,880

unified field theory a theory of

918

00:36:45,109 --> 00:36:42,079

everything

919

00:36:48,150 --> 00:36:45,119

uh i wonder at times if there's not

920

00:36:49,030 --> 00:36:48,160

uh a sort of a unified field theory that

921

00:36:51,829 --> 00:36:49,040

could be developed

922

00:36:53,510 --> 00:36:51,839

for all of paranormal phenomena and each

923

00:36:57,670 --> 00:36:53,520

of the different manifestations

924

00:36:59,510 --> 00:36:57,680

are really uh a separate manifestation

925

00:37:01,510 --> 00:36:59,520

from the same source

926

00:37:02,550 --> 00:37:01,520

i i i don't know but there's there are

927

00:37:07,109 --> 00:37:02,560

so many things

928

00:37:10,470 --> 00:37:07,119

there are uh have been reports for

929

00:37:13,109 --> 00:37:10,480

well into the 18th century uh just south

930

00:37:16,310 --> 00:37:13,119

of my hometown in nebraska city of

931

00:37:17,829 --> 00:37:16,320

a strange bigfoot like creature with

932

00:37:22,470 --> 00:37:17,839

glowing red eyes

933

00:37:24,470 --> 00:37:22,480

that seems to disappear leaves tracks

934

00:37:26,790 --> 00:37:24,480

uh interacts physically with the

935

00:37:28,390 --> 00:37:26,800

environment but has vanished in front of

936

00:37:31,589 --> 00:37:28,400

people's eyes

937

00:37:32,630 --> 00:37:31,599

uh it's a typical in many ways bigfoot

938

00:37:35,030 --> 00:37:32,640

report except

939

00:37:36,150 --> 00:37:35,040

for the glowing red eyes and the ability

940

00:37:39,109 --> 00:37:36,160

to vanish

941

00:37:40,710 --> 00:37:39,119

into thin air uh how do you how do you

942

00:37:45,190 --> 00:37:40,720

categorize that

943

00:37:47,030 --> 00:37:45,200

uh is bigfoot uh an actual relic hominid

944

00:37:48,550 --> 00:37:47,040

i i don't know i think some of them

945

00:37:51,750 --> 00:37:48,560

could be uh

946

00:37:55,109 --> 00:37:51,760

but there's a there's a core of

947

00:37:56,790 --> 00:37:55,119

bigfoot cases that are uh very much of a

948

00:37:59,750 --> 00:37:56,800

high strangeness nature

949

00:38:01,030 --> 00:37:59,760

and i don't know um i don't know how you

950

00:38:03,670 --> 00:38:01,040

fit those into

951
00:38:05,270 --> 00:38:03,680
well it's just a biological animal who

952
00:38:06,550 --> 00:38:05,280
we haven't discovered yet who's roaming

953
00:38:08,710 --> 00:38:06,560
around

954
00:38:10,150 --> 00:38:08,720
that can also vanish into thin air you

955
00:38:14,150 --> 00:38:10,160
know that doesn't that doesn't

956
00:38:16,630 --> 00:38:14,160
make a lot of logical sense to me um

957
00:38:18,150 --> 00:38:16,640
there yeah there's just so many uh so

958
00:38:21,910 --> 00:38:18,160
many things from

959
00:38:25,430 --> 00:38:21,920
uh just here in nebraska sightings of

960
00:38:28,550 --> 00:38:25,440
kangaroos near grand island nothing had

961
00:38:31,349 --> 00:38:28,560
escaped from a traveling circus or a zoo

962
00:38:32,230 --> 00:38:31,359
but people see kangaroos there were

963
00:38:34,950 --> 00:38:32,240

sightings of

964

00:38:35,670 --> 00:38:34,960

african lions in a little town near a

965

00:38:38,870 --> 00:38:35,680

little town called

966

00:38:42,390 --> 00:38:38,880

ceresco uh just northeast of lincoln

967

00:38:45,190 --> 00:38:42,400

uh in the 50s and 60s um just

968

00:38:46,230 --> 00:38:45,200

there's just a panoply of weird things

969

00:38:49,109 --> 00:38:46,240

that happen

970

00:38:50,550 --> 00:38:49,119

uh and that's you know don't get me

971

00:38:51,990 --> 00:38:50,560

started on trying to branch out across

972

00:38:54,870 --> 00:38:52,000

the country

973

00:38:56,710 --> 00:38:54,880

for things that are out there um you

974

00:39:00,150 --> 00:38:56,720

know the animal mutilations

975

00:39:03,990 --> 00:39:00,160

uh i found interesting i i

976
00:39:06,950 --> 00:39:04,000
first ran across that in

977
00:39:08,550 --> 00:39:06,960
in the early 70s when a family friend

978
00:39:11,030 --> 00:39:08,560
who farmed just west of

979
00:39:12,950 --> 00:39:11,040
nebraska city found a mutilated cow on

980
00:39:16,790 --> 00:39:12,960
his property

981
00:39:19,030 --> 00:39:16,800
and it was the strangest thing um

982
00:39:20,790 --> 00:39:19,040
it would it did not this was in late

983
00:39:22,790 --> 00:39:20,800
july early august

984
00:39:24,710 --> 00:39:22,800
and he found it dead and the typical

985
00:39:25,829 --> 00:39:24,720
sort of immediately the rectal area

986
00:39:27,990 --> 00:39:25,839
cored out

987
00:39:30,069 --> 00:39:28,000
uh patches of skin on one side of its

988
00:39:34,790 --> 00:39:30,079

head removed

989

00:39:38,230 --> 00:39:34,800

um the genitals taken uh as well

990

00:39:39,430 --> 00:39:38,240

and the vet who examined it had no cause

991

00:39:42,870 --> 00:39:39,440

of death for it

992

00:39:45,829 --> 00:39:42,880

but it didn't decay

993

00:39:47,349 --> 00:39:45,839

and nebraska is a very hot and humid

994

00:39:50,150 --> 00:39:47,359

place in the summer

995

00:39:50,950 --> 00:39:50,160

and he called me the day after he had

996

00:39:53,190 --> 00:39:50,960

found it

997

00:39:54,870 --> 00:39:53,200

and we went out there was no odor there

998

00:39:56,790 --> 00:39:54,880

were no flies on it

999

00:39:57,910 --> 00:39:56,800

there were no bird droppings on it

1000

00:40:01,190 --> 00:39:57,920

because a lot of

1001
00:40:02,550 --> 00:40:01,200
ravens and crows and turkey vultures

1002
00:40:05,910 --> 00:40:02,560
around here will uh

1003
00:40:06,790 --> 00:40:05,920
will attack downed animals and scavenge

1004
00:40:09,589 --> 00:40:06,800
them

1005
00:40:11,109 --> 00:40:09,599
nothing nothing nothing touched it his

1006
00:40:14,470 --> 00:40:11,119
other cattle wouldn't go near it

1007
00:40:16,790 --> 00:40:14,480
no predators no scavengers nothing

1008
00:40:17,670 --> 00:40:16,800
and that really ignited my interest in

1009
00:40:21,430 --> 00:40:17,680
that and i

1010
00:40:23,670 --> 00:40:21,440
began to to assist tom adams

1011
00:40:26,150 --> 00:40:23,680
and share cases with him tom adams was

1012
00:40:29,589 --> 00:40:26,160
the probably the premier

1013
00:40:32,309 --> 00:40:29,599

uh mutilation investigator

1014

00:40:34,630 --> 00:40:32,319

and when he passed away i took it upon

1015

00:40:37,910 --> 00:40:34,640

myself to collect all of his

1016

00:40:39,910 --> 00:40:37,920

uh writings and put them in in a

1017

00:40:42,870 --> 00:40:39,920

collection called bloodless cuts

1018

00:40:44,390 --> 00:40:42,880

uh he did he did the seminal work on on

1019

00:40:47,510 --> 00:40:44,400

animal mutilations

1020

00:40:50,230 --> 00:40:47,520

uh and picked up uh was his

1021

00:40:51,109 --> 00:40:50,240

torch was carried on in a large uh

1022

00:40:54,630 --> 00:40:51,119

manner

1023

00:40:56,390 --> 00:40:54,640

by linda molten howe um but that was

1024

00:40:57,750 --> 00:40:56,400

that was interesting i should throw in

1025

00:41:01,950 --> 00:40:57,760

here as well

1026

00:41:04,470 --> 00:41:01,960

uh if anybody is interested if you go to

1027

00:41:07,390 --> 00:41:04,480

academia.edu

1028

00:41:09,030 --> 00:41:07,400

and search for my name ray beauche

1029

00:41:11,510 --> 00:41:09,040

b-o-e-c-h-e

1030

00:41:12,870 --> 00:41:11,520

uh you'll find not only the complete

1031

00:41:15,190 --> 00:41:12,880

annals of the journal of the foreign

1032

00:41:18,150 --> 00:41:15,200

research center but bloodless cuts

1033

00:41:19,990 --> 00:41:18,160

um you'll find everything that's that

1034

00:41:21,190 --> 00:41:20,000

i've made public so far out there you

1035

00:41:24,309 --> 00:41:21,200

can download it

1036

00:41:32,550 --> 00:41:27,510

that's a good deal no way

1037

00:41:33,970 --> 00:41:32,560

yeah unless of course

1038

00:41:39,510 --> 00:41:33,980

you you're ruining my business

1039

00:41:41,750 --> 00:41:39,520

[Laughter]

1040

00:41:43,270 --> 00:41:41,760

well you know when it comes to the the

1041

00:41:45,270 --> 00:41:43,280

the whole uh

1042

00:41:46,870 --> 00:41:45,280

cattle mutilation thing you know i mean

1043

00:41:48,230 --> 00:41:46,880

you have the skeptics who are just like

1044

00:41:51,510 --> 00:41:48,240

oh you know it's just

1045

00:41:52,710 --> 00:41:51,520

uh you know cows just died and the old

1046

00:41:54,950 --> 00:41:52,720

possums have

1047

00:41:56,470 --> 00:41:54,960

you know burrowed into them and cored

1048

00:42:00,069 --> 00:41:56,480

them out and things like that

1049

00:42:00,710 --> 00:42:00,079

yet you know that the ranchers and

1050

00:42:04,710 --> 00:42:00,720

farmers

1051
00:42:07,510 --> 00:42:04,720
who who have owned these cattle you know

1052
00:42:09,349 --> 00:42:07,520
for for years been in their family they

1053
00:42:12,470 --> 00:42:09,359
know the difference

1054
00:42:15,349 --> 00:42:12,480
absolutely that's that to me puts the

1055
00:42:15,990 --> 00:42:15,359
is the one thing that puts that

1056
00:42:19,030 --> 00:42:16,000
skeptical

1057
00:42:20,790 --> 00:42:19,040
response to sleep because

1058
00:42:22,630 --> 00:42:20,800
if you're if you're a farmer or a

1059
00:42:25,270 --> 00:42:22,640
rancher you see

1060
00:42:26,309 --> 00:42:25,280
you see animals die on a fairly regular

1061
00:42:29,349 --> 00:42:26,319
basis

1062
00:42:31,190 --> 00:42:29,359
and you know what scavengers do you you

1063
00:42:34,870 --> 00:42:31,200

know what that looks like

1064

00:42:37,510 --> 00:42:34,880

and as i would examine carcasses

1065

00:42:39,349 --> 00:42:37,520

around here you know i that was one of

1066

00:42:40,710 --> 00:42:39,359

the first questions i'd ask i'd ask the

1067

00:42:42,950 --> 00:42:40,720

far so i said does this

1068

00:42:44,870 --> 00:42:42,960

does this look like a coyote came in and

1069

00:42:46,470 --> 00:42:44,880

was gnawn on this

1070

00:42:49,829 --> 00:42:46,480

said no we've never seen anything like

1071

00:42:53,349 --> 00:42:49,839

this and once you once you've seen

1072

00:42:54,230 --> 00:42:53,359

a normal cattle death and then the

1073

00:42:57,270 --> 00:42:54,240

carcass is

1074

00:42:59,270 --> 00:42:57,280

is affected by predation it doesn't it

1075

00:43:02,710 --> 00:42:59,280

doesn't take a rocket scientist

1076
00:43:06,150 --> 00:43:02,720
to spot the difference pretty quickly um

1077
00:43:09,109 --> 00:43:06,160
so that's a that doesn't hold much water

1078
00:43:10,790 --> 00:43:09,119
uh but there again it's such a baffling

1079
00:43:14,309 --> 00:43:10,800
thing because you've got

1080
00:43:17,829 --> 00:43:14,319
cases that appear to be

1081
00:43:19,349 --> 00:43:17,839
attributable to for one of a better word

1082
00:43:21,750 --> 00:43:19,359
cult activity

1083
00:43:24,710 --> 00:43:21,760
you've got some cases that appear to

1084
00:43:26,230 --> 00:43:24,720
have very strong links to ufo sightings

1085
00:43:29,270 --> 00:43:26,240
you've got some that have very strong

1086
00:43:30,150 --> 00:43:29,280
links to the mysterious black helicopter

1087
00:43:31,910 --> 00:43:30,160
sightings

1088
00:43:33,190 --> 00:43:31,920

and then you've got some cases that

1089

00:43:36,550 --> 00:43:33,200

where actual

1090

00:43:38,150 --> 00:43:36,560

u.s government issue instruments medical

1091

00:43:41,190 --> 00:43:38,160

instruments have been found

1092

00:43:44,630 --> 00:43:41,200

in fields next to mutilated cattle

1093

00:43:47,750 --> 00:43:44,640

so you pick a theory and you can find

1094

00:43:51,270 --> 00:43:47,760

cases that support it but

1095

00:43:53,030 --> 00:43:51,280

what there again no i i have no answers

1096

00:43:55,990 --> 00:43:53,040

but it um

1097

00:43:56,309 --> 00:43:56,000

it just fascinates me to know when to to

1098

00:43:59,589 --> 00:43:56,319

dig

1099

00:44:02,230 --> 00:43:59,599

in and see what i can find and at least

1100

00:44:03,910 --> 00:44:02,240

at least hopefully to compile a record

1101

00:44:05,190 --> 00:44:03,920

so that when i'm gone

1102

00:44:06,870 --> 00:44:05,200

that people have something else to

1103

00:44:08,069 --> 00:44:06,880

follow and they can pick up the threads

1104

00:44:10,790 --> 00:44:08,079

and move on from there

1105

00:44:11,670 --> 00:44:10,800

there you go fascinating fascinating

1106

00:44:13,589 --> 00:44:11,680

fascinating i

1107

00:44:14,790 --> 00:44:13,599

just you have some incredible

1108

00:44:16,950 --> 00:44:14,800

information there and

1109

00:44:18,309 --> 00:44:16,960

uh a lot that we didn't cover that i

1110

00:44:21,349 --> 00:44:18,319

think we should get back to

1111

00:44:22,150 --> 00:44:21,359

in a couple of months i mean we want to

1112

00:44:24,870 --> 00:44:22,160

get into the

1113

00:44:25,670 --> 00:44:24,880

rendition of forest and you've got some

1114

00:44:27,589 --> 00:44:25,680

and black

1115

00:44:29,349 --> 00:44:27,599

stories there and more in the mutilation

1116

00:44:31,270 --> 00:44:29,359

so we're not finished yet

1117

00:44:33,190 --> 00:44:31,280

uh tip all right we'll close out the

1118

00:44:36,390 --> 00:44:33,200

show here all right well

1119

00:44:38,390 --> 00:44:36,400

uh i just uh uh uh uh ray why don't you

1120

00:44:40,470 --> 00:44:38,400

uh one more time really quick uh tell

1121

00:44:43,109 --> 00:44:40,480

our audience uh where

1122

00:44:44,950 --> 00:44:43,119

they can go online to uh uh find the

1123

00:44:48,230 --> 00:44:44,960

books that you were talking about

1124

00:44:52,230 --> 00:44:48,240

you bet www dot academia

1125

00:44:55,750 --> 00:44:52,240

a c a a-c-a-d-e-m-i-a dot e-d-u

1126

00:44:59,109 --> 00:44:55,760

and search for my name all right

1127

00:45:00,710 --> 00:44:59,119

fantastic and uh tim beckley you've got

1128

00:45:02,870 --> 00:45:00,720

uh you're working on a couple of books

1129

00:45:03,589 --> 00:45:02,880

right now that uh hopefully will be out

1130

00:45:05,349 --> 00:45:03,599

soon

1131

00:45:06,630 --> 00:45:05,359

yeah well i don't want to give the title

1132

00:45:08,470 --> 00:45:06,640

uh away to uh

1133

00:45:10,550 --> 00:45:08,480

one of them because it's something

1134

00:45:12,870 --> 00:45:10,560

somebody could would easily grab and and

1135

00:45:15,670 --> 00:45:12,880

run to it but

1136

00:45:16,470 --> 00:45:15,680

tonight's a conversation certainly ties

1137

00:45:19,510 --> 00:45:16,480

in with the uh

1138

00:45:23,430 --> 00:45:19,520

uh we have a series of

1139

00:45:25,990 --> 00:45:23,440

books uh ufo hostilities and

1140

00:45:26,790 --> 00:45:26,000

the round trip to hell in a flying

1141

00:45:28,390 --> 00:45:26,800

saucer

1142

00:45:30,870 --> 00:45:28,400

got some great material in there if

1143

00:45:34,069 --> 00:45:30,880

you're prone to think that

1144

00:45:36,390 --> 00:45:34,079

some ufos may be a demonic well this

1145

00:45:40,230 --> 00:45:38,230

what's your appetite for that more

1146

00:45:42,630 --> 00:45:40,240

information and of course

1147

00:45:43,670 --> 00:45:42,640

check out our youtube channel mr ufo

1148

00:45:45,750 --> 00:45:43,680

secret files

1149

00:45:47,670 --> 00:45:45,760

we need to get some stuff up there we're

1150

00:45:50,790 --> 00:45:47,680

way behind but of course you always got

1151

00:45:52,950 --> 00:45:50,800

kco radio.com

1152

00:45:55,270 --> 00:45:52,960

we got the archives going back to the

1153

00:46:00,790 --> 00:45:55,280

very beginning thanks to tina

1154

00:46:02,950 --> 00:46:00,800

all right good night

1155

00:46:04,230 --> 00:46:02,960

you've been listening to exploring the

1156

00:46:08,030 --> 00:46:04,240

bazaar
