timothy beckley and tim schwartz god boy

14

00:00:44,950 --> 00:00:42,160

is it

15

00:00:45,670 --> 00:00:44,960

smoky in here and the body owner of some

16

00:00:48,470 --> 00:00:45,680

of these uh

17

00:00:49,110 --> 00:00:48,480

aliens wow you want to hand me the drink

18

00:00:51,590 --> 00:00:49,120

menu gym

19

00:00:53,029 --> 00:00:51,600

i want to see what the specials are here

20

00:00:55,350 --> 00:00:53,039

tonight

21

00:00:56,389 --> 00:00:55,360

okay uh are you just gonna stand there

22

00:00:59,270 --> 00:00:56,399

at the bar and

23

00:01:01,750 --> 00:00:59,280

drink again all night you know nights

24

00:01:03,510 --> 00:01:01,760

here are like five of our earth days and

25

00:01:05,270 --> 00:01:03,520

that's an awful lot of red planet

26

00:01:09,030 --> 00:01:05,280

sangria

27

00:01:11,990 --> 00:01:09,040

well i can drink any draco under the bar

28

00:01:13,350 --> 00:01:12,000

lizard tongue lizard tongue and awe have

29

00:01:14,149 --> 00:01:13,360

you seen my friend with the three

30

00:01:16,390 --> 00:01:14,159

boobies

31

00:01:18,310 --> 00:01:16,400

she promised me a lap dance uh we were

32

00:01:21,590 --> 00:01:18,320

hitting it off so well until her seven

33

00:01:24,070 --> 00:01:21,600

foot chewbacca boyfriend came along

34

00:01:25,510 --> 00:01:24,080

okay okay well you better be careful it

35

00:01:28,870 --> 00:01:25,520

looks like that

36

00:01:30,789 --> 00:01:28,880

some of these aliens might be packing

37

00:01:33,270 --> 00:01:30,799

they've heard we're working on that uh

38

00:01:34,390 --> 00:01:33,280

new book alien lives matter it's okay to

39

00:01:36,870 --> 00:01:34,400

be gray

40

00:01:38,789 --> 00:01:36,880

and some might take the title the wrong

41

00:01:41,030 --> 00:01:38,799

way

42

00:01:42,149 --> 00:01:41,040

then there's some strong drink i wonder

43

00:01:45,429 --> 00:01:42,159

what they put in

44

00:01:48,149 --> 00:01:45,439

that has these red planets

45

00:01:49,749 --> 00:01:48,159

god only knows okay now get a grip

46

00:01:52,069 --> 00:01:49,759

before you fall in your face again and

47

00:01:54,710 --> 00:01:52,079

they'll toss you out of the airlock so

48

00:01:55,429 --> 00:01:54,720

we need to get back to the kcr studios

49

00:01:58,950 --> 00:01:55,439

in vegas

50

00:01:59,510 --> 00:01:58,960

and um away from this interplanetary

51

00:02:02,550 --> 00:01:59,520

trash

52

00:02:06,310 --> 00:02:02,560

i didn't see that i i i don't

53

00:02:09,430 --> 00:02:06,320

i don't see these uh honeys as being

54

00:02:10,550 --> 00:02:09,440

trash i don't know i said hey there

55

00:02:12,630 --> 00:02:10,560

there's that

56

00:02:14,229 --> 00:02:12,640

there's three armed uh a gal over there

57

00:02:15,750 --> 00:02:14,239

again i still want that left all right

58

00:02:20,070 --> 00:02:15,760

let's go let's go

59

00:02:24,949 --> 00:02:23,350

oh boy see i beat you back again yeah

60

00:02:27,110 --> 00:02:24,959

yeah you know what i was stumbling

61

00:02:29,270 --> 00:02:27,120

around a little i have to admit those

62

00:02:30,550 --> 00:02:29,280

those the red planted drinks are pretty

63

00:02:32,070 --> 00:02:30,560

damn strong

64

00:02:33,430 --> 00:02:32,080

i like that but i like that bar though

65

00:02:33,910 --> 00:02:33,440

we don't get a chance to go there very

66

00:02:36,550 --> 00:02:33,920

often

67

00:02:37,350 --> 00:02:36,560

no no no uh you know i i always i always

68

00:02:39,270 --> 00:02:37,360

have a good

69

00:02:41,589 --> 00:02:39,280

time they've got some really weird

70

00:02:44,790 --> 00:02:41,599

drinks and some really outrageous drugs

71

00:02:45,910 --> 00:02:44,800

i mean it's like wow and and and the

72

00:02:47,270 --> 00:02:45,920

people i mean

73

00:02:48,949 --> 00:02:47,280

people i don't know if you can call them

74

00:02:50,630 --> 00:02:48,959

people

75

00:02:52,390 --> 00:02:50,640

hey maybe our guests tonight could tell

76

00:02:54,150 --> 00:02:52,400

us all about the

77

00:02:56,070 --> 00:02:54,160

those that congregated the

78

00:02:58,550 --> 00:02:56,080

interplanetary bar there he

79

00:02:59,430 --> 00:02:58,560

seems to know an awful lot about uh uh

80

00:03:03,030 --> 00:02:59,440

space people

81

00:03:05,030 --> 00:03:03,040

of all types so why don't you introduce

82

00:03:08,229 --> 00:03:05,040

our guests there tonight so

83

00:03:11,030 --> 00:03:08,239

get over there all right

84

00:03:11,589 --> 00:03:11,040

i'll put the drake aside okay all right

85

00:03:13,990 --> 00:03:11,599

well

86

00:03:15,110 --> 00:03:14,000

tim uh i'd like to welcome back our uh

87

00:03:18,550 --> 00:03:15,120

our our good friend

88

00:03:19,670 --> 00:03:18,560

uh uh craig cababaso now uh craig's been

89

00:03:22,070 --> 00:03:19,680

on the show before

90

00:03:22,949 --> 00:03:22,080

and uh you know we always have a great

91

00:03:26,550 --> 00:03:22,959

time

92

00:03:29,990 --> 00:03:26,560

uh when he's with us so

93

00:03:31,509 --> 00:03:30,000

just uh a a little introduction for uh

94

00:03:33,830 --> 00:03:31,519

for our listeners now craig is a

95

00:03:34,710 --> 00:03:33,840

filmmaker and an emmy nominated casting

96

00:03:36,309 --> 00:03:34,720

director

97

00:03:38,390 --> 00:03:36,319

fresh out of high school he found

98

00:03:39,509 --> 00:03:38,400

himself working behind the scenes for

99

00:03:42,390 --> 00:03:39,519

four years

100

00:03:44,229 --> 00:03:42,400

on the film dune and he was later hired

101
00:03:46,229 --> 00:03:44,239
as casting director for the popular

102
00:03:48,789 --> 00:03:46,239
christmas movie prancer

103
00:03:51,110 --> 00:03:48,799
starring sam elliot he was also emmy

104
00:03:52,229 --> 00:03:51,120
nominated for casting david e kelly's

105
00:03:53,830 --> 00:03:52,239
picket fences

106
00:03:56,390 --> 00:03:53,840
craig has been casting for more than

107
00:03:59,350 --> 00:03:56,400
three decades and is an acting coach

108
00:04:00,869 --> 00:03:59,360
in the los angeles area now craig also

109
00:04:02,949 --> 00:04:00,879
wrote and directed the short film

110
00:04:05,110 --> 00:04:02,959
strangers at the pentagon which was

111
00:04:06,229 --> 00:04:05,120
adapted from the popular ufo book

112
00:04:09,270 --> 00:04:06,239
authored by the late

113
00:04:11,350 --> 00:04:09,280

dr frankie strange's in this film

114

00:04:13,030 --> 00:04:11,360

craig describes some of the 82

115

00:04:15,830 --> 00:04:13,040

extraterrestrial species

116

00:04:18,310 --> 00:04:15,840

said to populate the universe including

117

00:04:21,110 --> 00:04:18,320

their origins physical characteristics

118

00:04:23,670 --> 00:04:21,120

technological and mental abilities and

119

00:04:26,070 --> 00:04:23,680

cosmic agendas for his research

120

00:04:26,950 --> 00:04:26,080

he met with many contactees as well as

121

00:04:29,030 --> 00:04:26,960

hybrids

122

00:04:30,390 --> 00:04:29,040

claiming to be from various places

123

00:04:33,909 --> 00:04:30,400

around the universe

124

00:04:35,670 --> 00:04:33,919

and this also included a female mantis

125

00:04:36,710 --> 00:04:35,680

hybrid we'll find out about that that

126

00:04:39,430 --> 00:04:36,720

sounds interesting

127

00:04:40,230 --> 00:04:39,440

yeah so now craig's gathered this

128

00:04:43,430 --> 00:04:40,240

information

129

00:04:46,590 --> 00:04:43,440

which we'll be talking about

130

00:04:47,909 --> 00:04:46,600

tonight called the extraterrestrial

131

00:04:49,830 --> 00:04:47,919

species

132

00:04:51,350 --> 00:04:49,840

almond act the ultimate guide to graze

133

00:04:54,150 --> 00:04:51,360

reptilians hybrids

134

00:04:55,590 --> 00:04:54,160

and nordic so this book is a fun

135

00:04:58,070 --> 00:04:55,600

intergalactic crop

136

00:05:00,390 --> 00:04:58,080

that will uh inform and entertain all

137

00:05:03,670 --> 00:05:00,400

those interested in ufos aliens

138

00:05:06,310 --> 00:05:03,680

e.t sci-fi and fantasy

139

00:05:07,350 --> 00:05:06,320

fans of the marvel universe star trek

140

00:05:10,870 --> 00:05:07,360

star wars

141

00:05:12,629 --> 00:05:10,880

and all the others so uh craig

142

00:05:15,510 --> 00:05:12,639

thank you very much for being with us

143

00:05:18,629 --> 00:05:15,520

once again on exploring the bazaar

144

00:05:20,790 --> 00:05:18,639

i'm so happy to be with my two favorite

145

00:05:23,029 --> 00:05:20,800

tims in the whole wide world

146

00:05:24,230 --> 00:05:23,039

well how many how many other tips do you

147

00:05:28,070 --> 00:05:24,240

know probably uh

148

00:05:29,510 --> 00:05:28,080

um just you guys actually you know

149

00:05:32,310 --> 00:05:29,520

actually actually you know there are a

150

00:05:34,550 --> 00:05:32,320

lot of tim's in the ufo field uh

151

00:05:35,830 --> 00:05:34,560

it seems to be a yeah yeah an

152

00:05:38,870 --> 00:05:35,840

unproportionate

153

00:05:40,710 --> 00:05:38,880

amount but i think that i i have a a

154

00:05:42,469 --> 00:05:40,720

a an explanation for that i'm always

155

00:05:44,710 --> 00:05:42,479

looking for synchronicity but

156

00:05:46,870 --> 00:05:44,720

this one i can't pack a wallet to we

157

00:05:51,990 --> 00:05:46,880

were all born around the same

158

00:05:55,110 --> 00:05:52,000

year uh like after 1945 to

159

00:05:58,710 --> 00:05:55,120

49 and timothy was one of the favorite

160

00:05:59,749 --> 00:05:58,720

names used for uh for male babies at

161

00:06:03,110 --> 00:05:59,759

that time

162

00:06:03,510 --> 00:06:03,120

so yeah yeah so i i don't really i i

163

00:06:18,390 --> 00:06:03,520

can't

164

00:06:23,670 --> 00:06:20,710

i was named after timmy on the lassie

165

00:06:29,510 --> 00:06:26,790

well i was named after the paperboy

166

00:06:31,590 --> 00:06:29,520

or the paperboy gave my mother the name

167

00:06:33,510 --> 00:06:31,600

she told me she was asking

168

00:06:35,670 --> 00:06:33,520

asking people what names they liked and

169

00:06:36,070 --> 00:06:35,680

she said the paper boy said craig and

170

00:06:40,870 --> 00:06:36,080

she

171

00:06:43,350 --> 00:06:40,880

thought was great

172

00:06:43,909 --> 00:06:43,360

but i have to say you guys were talking

173

00:06:47,670 --> 00:06:43,919

about

174

00:06:50,790 --> 00:06:47,680

three boobies and of course that

175

00:06:53,189 --> 00:06:50,800

that goes to total recall

176

00:06:56,629 --> 00:06:53,199

i worked on the original with arnold and

177

00:07:00,230 --> 00:06:56,639

i had those three boobies on my desk for

178

00:07:07,350 --> 00:07:00,240

about a week and they got squeezed

179

00:07:11,749 --> 00:07:09,589

because they made it you know there was

180

00:07:13,029 --> 00:07:11,759

just latex and then what they did is on

181

00:07:16,070 --> 00:07:13,039

the actress they

182

00:07:21,029 --> 00:07:16,080

you know glued it on and uh

183

00:07:25,029 --> 00:07:23,830

we did we went one step further uh when

184

00:07:27,830 --> 00:07:25,039

we did a

185

00:07:28,710 --> 00:07:27,840

a blood sucking alien vampire the hell

186

00:07:31,670 --> 00:07:28,720

was the name of that

187

00:07:34,870 --> 00:07:31,680

a jungle a jungle vampires i i can't

188

00:07:38,070 --> 00:07:34,880

remember the name of my own uh

189

00:07:41,589 --> 00:07:38,080

vampire we we had we had a

190

00:07:44,309 --> 00:07:41,599

giant vagina that uh

191

00:07:44,629 --> 00:07:44,319

that was that i it was so disgusting

192

00:07:51,350 --> 00:07:44,639

that

193

00:07:51,990 --> 00:07:51,360

my sister's garage for the longest time

194

00:07:59,670 --> 00:07:52,000

uh

195

00:08:01,510 --> 00:07:59,680

it out or something like that

196

00:08:04,710 --> 00:08:01,520

sounds like it was from a woody allen

197

00:08:09,830 --> 00:08:07,589

all right hey i i gotta i i got opinion

198

00:08:12,950 --> 00:08:09,840

i gotta pin you up against the wall here

199

00:08:14,710 --> 00:08:12,960

tonight yeah do you do you

200

00:08:16,070 --> 00:08:14,720

take this so seriously i mean do you

201

00:08:19,909 --> 00:08:16,080

really know for a fact

202

00:08:24,710 --> 00:08:19,919

that there are 72 species of aliens

203

00:08:32,149 --> 00:08:28,550

way more there's way more than that

204

00:08:35,589 --> 00:08:32,159

uh but i decided on 82 because

205

00:08:39,029 --> 00:08:35,599

paul hellyer gave a talk once

206

00:08:42,389 --> 00:08:39,039

and he talked about 82 races that

207

00:08:45,430 --> 00:08:42,399

he knew of that were visiting earth

208

00:08:49,750 --> 00:08:45,440

how do you know this

209

00:08:51,670 --> 00:08:49,760

well i mean first of all first of all

210

00:08:52,949 --> 00:08:51,680

it's gonna it would take longer than the

211

00:08:57,110 --> 00:08:52,959

our show to go

212

00:08:59,110 --> 00:08:57,120

into it but as as you both know

213

00:09:01,350 --> 00:08:59,120

i have a book series called the

214

00:09:02,710 --> 00:09:01,360

autobiography of an extraterrestrial

215

00:09:06,070 --> 00:09:02,720

saga

216

00:09:10,269 --> 00:09:06,080

and that those books came about

217

00:09:13,750 --> 00:09:10,279

from um uh

218

00:09:17,110 --> 00:09:13,760

visitations in dream states

219

00:09:20,150 --> 00:09:17,120

uh with master teachers in the universe

220

00:09:21,590 --> 00:09:20,160

and it was a two-year waking process

221

00:09:24,790 --> 00:09:21,600

from being a totally

222

00:09:27,990 --> 00:09:24,800

asleep 26 year old

223

00:09:31,110 --> 00:09:28,000

to becoming fully awake at the end of

224

00:09:34,310 --> 00:09:31,120

two years and at a certain point they

225

00:09:36,550 --> 00:09:34,320

also ignited my light body and i started

226

00:09:39,910 --> 00:09:36,560

traveling to other worlds

227

00:09:43,750 --> 00:09:39,920

and learning from other worlds so

228

00:09:44,829 --> 00:09:43,760

a lot of information about other planets

229

00:09:47,990 --> 00:09:44,839

how the

230

00:09:51,030 --> 00:09:48,000

galactarian society is set up

231

00:09:55,590 --> 00:09:51,040

is done through those books so

232

00:09:58,230 --> 00:09:55,600

a lot of information uh so you are there

233

00:10:00,150 --> 00:09:58,240

you you are can we say that you are a

234

00:10:03,550 --> 00:10:00,160

director channel

235

00:10:06,470 --> 00:10:03,560

uh yes exactly exactly the channel

236

00:10:09,750 --> 00:10:06,480

experiencer uh

237

00:10:10,069 --> 00:10:09,760

you know yeah yeah speaking of speaking

238

00:10:13,829 --> 00:10:10,079

of

239

00:10:16,630 --> 00:10:13,839

channeling i have just made friends with

240

00:10:19,509 --> 00:10:16,640

uh you know tawela who did the the uh

241

00:10:22,790 --> 00:10:19,519

ashtar books her great

242

00:10:24,150 --> 00:10:22,800

her great grand daughter will be on the

243

00:10:27,269 --> 00:10:24,160

program uh in a

244

00:10:29,110 --> 00:10:27,279

week or two i she found me actually she

245

00:10:30,710 --> 00:10:29,120

said she had been

246

00:10:32,310 --> 00:10:30,720

looking for me for a while i don't

247

00:10:33,590 --> 00:10:32,320

understand that because i'm pretty damn

248

00:10:36,150 --> 00:10:33,600

easy to find

249

00:10:37,110 --> 00:10:36,160

you just type my name in it google there

250

00:10:41,350 --> 00:10:37,120

it is

251
00:10:43,910 --> 00:10:41,360
pages the last time i

252
00:10:45,269 --> 00:10:43,920
counted wow well you know i don't know

253
00:10:47,829 --> 00:10:45,279
if you know this

254
00:10:48,389 --> 00:10:47,839
but the very first person to ever

255
00:10:51,750 --> 00:10:48,399
channel

256
00:10:53,030 --> 00:10:51,760
ashtar was george van tassel under giant

257
00:10:56,630 --> 00:10:53,040
rock

258
00:10:58,829 --> 00:10:56,640
well yes that may be true but actually

259
00:11:01,509 --> 00:10:58,839
there was somebody else

260
00:11:02,790 --> 00:11:01,519
uh well maybe they all did it at about

261
00:11:05,590 --> 00:11:02,800
the same time

262
00:11:06,069 --> 00:11:05,600
uh yeah yeah there were a couple of

263
00:11:09,350 --> 00:11:06,079

early

264

00:11:13,670 --> 00:11:09,360

channels yeah yeah i think it was uh

265

00:11:17,030 --> 00:11:13,680

around 1952. i've just done a lot of

266

00:11:19,590 --> 00:11:17,040

yeah george so yeah

267

00:11:21,430 --> 00:11:19,600

well george was always one of my was one

268

00:11:25,030 --> 00:11:21,440

of my favorite uh

269

00:11:27,269 --> 00:11:25,040

uh contactees uh i guess you could say

270

00:11:29,030 --> 00:11:27,279

in fact i remember being out there and

271

00:11:32,389 --> 00:11:29,040

talking to his uh

272

00:11:34,150 --> 00:11:32,399

uh nephew uh they they lived outside of

273

00:11:35,190 --> 00:11:34,160

the integratron but they weren't allowed

274

00:11:36,710 --> 00:11:35,200

to uh

275

00:11:39,670 --> 00:11:36,720

yeah yeah but they weren't allowed to go

276

00:11:41,829 --> 00:11:39,680

in into the integratron because

277

00:11:43,110 --> 00:11:41,839

george had been married twice if you

278

00:11:45,430 --> 00:11:43,120

know and that's right

279

00:11:46,710 --> 00:11:45,440

a different family a different family

280

00:11:48,949 --> 00:11:46,720

tree uh anyway

281

00:11:49,829 --> 00:11:48,959

there was a a fellow there uh daniel

282

00:11:51,750 --> 00:11:49,839

boone

283

00:11:53,430 --> 00:11:51,760

who was part of the yeah you have a part

284

00:11:55,910 --> 00:11:53,440

of the family uh

285

00:11:57,509 --> 00:11:55,920

long white the beard and uh timberwolves

286

00:11:58,310 --> 00:11:57,519

and the whole yeah and the whole bed

287

00:11:59,990 --> 00:11:58,320

that quite

288

00:12:01,509 --> 00:12:00,000

quite a character and he told me about

289

00:12:03,829 --> 00:12:01,519

one night he was uh

290

00:12:06,310 --> 00:12:03,839

uh how to go to the outhouse they had no

291

00:12:08,069 --> 00:12:06,320

of course running water or toilet inside

292

00:12:10,230 --> 00:12:08,079

and and so he figured he would just skip

293

00:12:11,670 --> 00:12:10,240

out and they naked onto the moonlight

294

00:12:14,470 --> 00:12:11,680

after all there wasn't anybody

295

00:12:20,629 --> 00:12:14,480

there except the spaceship landed and

296

00:12:26,150 --> 00:12:25,030

oh my god i don't know whether he went

297

00:12:28,629 --> 00:12:26,160

uh or not

298

00:12:29,670 --> 00:12:28,639

but uh uh you know they didn't seem to

299

00:12:31,590 --> 00:12:29,680

be too uh

300

00:12:33,990 --> 00:12:31,600

like they didn't seem to care too much i

301
00:12:34,389 --> 00:12:34,000
guess on some uh planets there is uh

302
00:12:37,750 --> 00:12:34,399
some

303
00:12:40,310 --> 00:12:37,760
degree of uh nudity and when they come

304
00:12:41,030 --> 00:12:40,320
down here they uh slip on some uh

305
00:12:42,710 --> 00:12:41,040
they're tight

306
00:12:44,550 --> 00:12:42,720
they're fitting that outfit or something

307
00:12:47,509 --> 00:12:44,560
like that

308
00:12:48,310 --> 00:12:47,519
yeah daniel was married to one of

309
00:12:51,350 --> 00:12:48,320
george's

310
00:12:53,269 --> 00:12:51,360
daughters ah yeah

311
00:12:54,629 --> 00:12:53,279
yeah yeah the family like gets a little

312
00:12:58,310 --> 00:12:54,639
bit confusing there but

313
00:13:00,790 --> 00:12:58,320

uh you know 1990 or so

314

00:13:01,829 --> 00:13:00,800
we had a big tribute to the uh a

315

00:13:04,550 --> 00:13:01,839
contactees

316

00:13:06,069 --> 00:13:04,560
down there in palm springs we had the

317

00:13:09,269 --> 00:13:06,079
the windham hotel

318

00:13:09,990 --> 00:13:09,279
and we had um robert weiss the day the

319

00:13:14,230 --> 00:13:10,000
earth stood

320

00:13:17,190 --> 00:13:14,240
still right right he was our keynote uh

321

00:13:18,790 --> 00:13:17,200
the speaker and we had a great day we

322

00:13:21,030 --> 00:13:18,800
had a great day and since it was the

323

00:13:23,509 --> 00:13:21,040
middle of summer the hotel gave us all

324

00:13:26,310 --> 00:13:23,519
the facilities for free

325

00:13:26,870 --> 00:13:26,320
oh my god i would love to have been

326

00:13:29,910 --> 00:13:26,880

there

327

00:13:32,389 --> 00:13:29,920

oh yeah but well you know we taped

328

00:13:33,990 --> 00:13:32,399

another a video tape we did do a lot of

329

00:13:37,670 --> 00:13:34,000

the audio tapes we used to take

330

00:13:38,550 --> 00:13:37,680

all the speakers and um the uh the tapes

331

00:13:39,990 --> 00:13:38,560

disappeared i

332

00:13:42,230 --> 00:13:40,000

don't know where they are you know i

333

00:13:44,150 --> 00:13:42,240

i've got a massive i have a massive

334

00:13:46,150 --> 00:13:44,160

file but you're the guest here and i'm

335

00:13:48,470 --> 00:13:46,160

running at the uh the mouse so

336

00:13:49,590 --> 00:13:48,480

uh oh okay so you had all you had these

337

00:13:52,790 --> 00:13:49,600

experiences

338

00:13:54,790 --> 00:13:52,800

and i i was a frank strangers the first

339

00:13:55,829 --> 00:13:54,800

did you know of frank before he passed

340

00:13:59,430 --> 00:13:55,839

away oh

341

00:14:01,829 --> 00:13:59,440

i knew him very well for the last eight

342

00:14:05,110 --> 00:14:01,839

years of his life i

343

00:14:08,870 --> 00:14:05,120

i saw him at least once a week

344

00:14:12,310 --> 00:14:08,880

for lunch or more and spoke to him

345

00:14:15,430 --> 00:14:12,320

almost every day on the phone um

346

00:14:18,389 --> 00:14:15,440

but uh but in in the book

347

00:14:19,430 --> 00:14:18,399

also because over all these years like

348

00:14:22,870 --> 00:14:19,440

all of us who

349

00:14:25,990 --> 00:14:22,880

who love this field uh me being an

350

00:14:28,230 --> 00:14:26,000

enthusiast i i know a lot of ufologists

351

00:14:31,430 --> 00:14:28,240

i've gone on a lot of cases

352

00:14:34,710 --> 00:14:31,440

i've actually um

353

00:14:37,189 --> 00:14:34,720

uh took a picture of an extraterrestrial

354

00:14:38,389 --> 00:14:37,199

on a case which i have at the very back

355

00:14:40,949 --> 00:14:38,399

of the book

356

00:14:41,430 --> 00:14:40,959

and it's in the new it's in the new book

357

00:14:44,550 --> 00:14:41,440

it's

358

00:14:47,910 --> 00:14:44,560

yeah

359

00:14:49,030 --> 00:14:47,920

because i had it i sent it to you about

360

00:14:52,310 --> 00:14:49,040

it yeah yeah

361

00:14:55,110 --> 00:14:52,320

yeah and uh and then also

362

00:14:56,389 --> 00:14:55,120

uh there were a lot of books that i

363

00:15:03,430 --> 00:14:56,399

really

364

00:15:06,629 --> 00:15:03,440

wendell stevens did about 65

365

00:15:11,030 --> 00:15:06,639

books from contact cases so so

366

00:15:14,790 --> 00:15:11,040

i got permission to talk about

367

00:15:17,590 --> 00:15:14,800

maybe seven or eight of them as well

368

00:15:18,389 --> 00:15:17,600

and so those are uh in the inclusion in

369

00:15:20,949 --> 00:15:18,399

the book

370

00:15:22,150 --> 00:15:20,959

like the jargons and you know it's a

371

00:15:25,509 --> 00:15:22,160

race that's sort of

372

00:15:26,470 --> 00:15:25,519

oh yes like humans and seals uh they

373

00:15:29,350 --> 00:15:26,480

were an

374

00:15:31,350 --> 00:15:29,360

amphibian race and and so it's just

375

00:15:33,910 --> 00:15:31,360

fascinating to see all these different

376

00:15:37,110 --> 00:15:33,920

cultures and their their consciousness

377

00:15:39,350 --> 00:15:37,120

and and uh uh

378

00:15:41,749 --> 00:15:39,360

out there in in what i call the

379

00:15:43,269 --> 00:15:41,759

galactarian alignment of space peoples

380

00:15:46,310 --> 00:15:43,279

and planets they

381

00:15:48,629 --> 00:15:46,320

uh all all uh

382

00:15:51,590 --> 00:15:48,639

fully conscious beings they share

383

00:15:53,590 --> 00:15:51,600

everything they share their technology

384

00:15:55,590 --> 00:15:53,600

all of that but then within different

385

00:15:58,790 --> 00:15:55,600

racess they might have

386

00:16:01,990 --> 00:15:58,800

different looking models of it or

387

00:16:04,230 --> 00:16:02,000

or uh tweak it a little bit that makes

388

00:16:07,110 --> 00:16:04,240

it a little bit different and

389

00:16:08,310 --> 00:16:07,120

uh things like that so all of that is

390

00:16:11,990 --> 00:16:08,320

really what i found

391

00:16:14,790 --> 00:16:12,000

fascinating uh how how many of these uh

392

00:16:15,430 --> 00:16:14,800

paces here uh are our good guys and how

393

00:16:18,790 --> 00:16:15,440

many of them

394

00:16:21,030 --> 00:16:18,800

are are uh i didn't i

395

00:16:22,389 --> 00:16:21,040

i didn't count but the good news is is

396

00:16:25,590 --> 00:16:22,399

is

397

00:16:28,710 --> 00:16:25,600

uh from what my guys tell me

398

00:16:31,030 --> 00:16:28,720

most of the the universe is

399

00:16:34,230 --> 00:16:31,040

uh primarily benevolent and then of

400

00:16:38,230 --> 00:16:34,240

course we have the offshoot fractions

401
00:16:40,470 --> 00:16:38,240
that uh keep everybody on their toes so

402
00:16:43,350 --> 00:16:40,480
you know i was on a show last night and

403
00:16:46,310 --> 00:16:43,360
uh we got to discussing the uh

404
00:16:47,350 --> 00:16:46,320
a tennessee obama and and of course he

405
00:16:49,509 --> 00:16:47,360
was uh

406
00:16:50,870 --> 00:16:49,519
uh in uh you know one of the he was

407
00:16:53,749 --> 00:16:50,880
looking for aliens

408
00:16:54,949 --> 00:16:53,759
mainly uh reptilians you know the uh the

409
00:16:57,509 --> 00:16:54,959
serpent race and

410
00:16:58,150 --> 00:16:57,519
apparently he had he had to track them

411
00:17:00,230 --> 00:16:58,160
down

412
00:17:01,269 --> 00:17:00,240
and he thought that a lot of uh

413
00:17:03,590 --> 00:17:01,279

hollywood

414

00:17:04,870 --> 00:17:03,600

uh celebrities including the late bob

415

00:17:06,789 --> 00:17:04,880

folk was a uh

416

00:17:09,270 --> 00:17:06,799

was a serpent or something i don't quite

417

00:17:11,429 --> 00:17:09,280

see how he figured that out but uh

418

00:17:12,949 --> 00:17:11,439

also now the only one i always suspect

419

00:17:15,669 --> 00:17:12,959

is the queen of england

420

00:17:17,189 --> 00:17:15,679

because she wears a lot of green and

421

00:17:21,270 --> 00:17:17,199

yellows and those are kind of like

422

00:17:29,510 --> 00:17:24,309

yeah well

423

00:17:29,520 --> 00:17:35,669

but if

424

00:17:39,990 --> 00:17:37,669

he owned all that property out there in

425

00:17:40,870 --> 00:17:40,000

uh palm springs he brought it up when it

426
00:17:43,510 --> 00:17:40,880
was uh

427
00:17:44,310 --> 00:17:43,520
you know two dollars an acre right well

428
00:17:48,710 --> 00:17:44,320
he also

429
00:17:51,110 --> 00:17:48,720
owned over six acres in toluca lake

430
00:17:51,830 --> 00:17:51,120
with that house there i think every

431
00:17:55,190 --> 00:17:51,840
president

432
00:17:58,870 --> 00:17:55,200
all the way up through obama stayed

433
00:18:01,510 --> 00:17:58,880
at that house from the time

434
00:18:04,390 --> 00:18:01,520
he was a celebrity i actually got to

435
00:18:07,669 --> 00:18:04,400
tour the property it was after he passed

436
00:18:10,870 --> 00:18:07,679
and oh man it it has the most

437
00:18:14,789 --> 00:18:10,880
unbelievable vibration energy there

438
00:18:18,310 --> 00:18:14,799

it's incredible absolutely incredible

439

00:18:21,510 --> 00:18:18,320

um i i'm not i don't know if you guys

440

00:18:24,070 --> 00:18:21,520

uh got to this part in the book but

441

00:18:24,870 --> 00:18:24,080

uh what's quite interesting is because

442

00:18:27,830 --> 00:18:24,880

i'm

443

00:18:31,110 --> 00:18:27,840

i've written this book for mufon books

444

00:18:34,950 --> 00:18:31,120

which is an imprint of red wheel wiser

445

00:18:36,789 --> 00:18:34,960

oh yeah yeah i i knew i knew don weiser

446

00:18:38,150 --> 00:18:36,799

the original wiser i mean

447

00:18:40,549 --> 00:18:38,160

they had a bookstore of course in

448

00:18:43,110 --> 00:18:40,559

manhattan it was uh

449

00:18:43,909 --> 00:18:43,120

street level and uh down below was all

450

00:18:47,270 --> 00:18:43,919

their

451

00:18:50,789 --> 00:18:47,280

uh esoteric uh books right

452

00:18:54,390 --> 00:18:50,799

right and i'm writing another

453

00:18:57,590 --> 00:18:54,400

book for them now so i uh

454

00:18:59,669 --> 00:18:57,600

i i have a biological father

455

00:19:01,430 --> 00:18:59,679

which i never knew i found out when i

456

00:19:03,909 --> 00:19:01,440

was 12 years old that my

457

00:19:05,750 --> 00:19:03,919

father was my stepfather and that i had

458

00:19:09,270 --> 00:19:05,760

a biological father

459

00:19:13,270 --> 00:19:09,280

interestingly enough uh about

460

00:19:17,430 --> 00:19:13,280

two years ago uh i met a genealogist who

461

00:19:19,110 --> 00:19:17,440

found him for me he had passed away um

462

00:19:20,710 --> 00:19:19,120

long story short i got a hold of

463

00:19:23,110 --> 00:19:20,720

somebody uh

464

00:19:25,350 --> 00:19:23,120

who knew him i went to the cemetery and

465

00:19:29,190 --> 00:19:25,360

they gave me the name of the person

466

00:19:31,510 --> 00:19:29,200

and uh i contacted the person and it

467

00:19:35,270 --> 00:19:31,520

happened to be his brother

468

00:19:39,110 --> 00:19:35,280

and so i went to dinner with his

469

00:19:42,630 --> 00:19:39,120

uh brother and uh one of his sons

470

00:19:45,669 --> 00:19:42,640

and i'm very close with them today and

471

00:19:47,669 --> 00:19:45,679

um anyway uh

472

00:19:49,110 --> 00:19:47,679

at dinner he tells me oh by the way your

473

00:19:52,870 --> 00:19:49,120

father was in the air force and he

474

00:19:55,990 --> 00:19:52,880

worked for project blue book

475

00:19:58,390 --> 00:19:56,000

yeah yeah and what what what

476
00:20:00,070 --> 00:19:58,400
what year what under what regime would

477
00:20:03,029 --> 00:20:00,080
that have been

478
00:20:04,630 --> 00:20:03,039
i had no idea no they they didn't know a

479
00:20:08,710 --> 00:20:04,640
thing they said he would never

480
00:20:11,270 --> 00:20:08,720
talk about it uh he said his two sons

481
00:20:12,950 --> 00:20:11,280
tried over the years to get him to just

482
00:20:15,510 --> 00:20:12,960
give him any little tidbit of

483
00:20:18,830 --> 00:20:15,520
information but it would have been

484
00:20:22,549 --> 00:20:18,840
back in the late

485
00:20:24,390 --> 00:20:22,559
50s probably into the early 60s

486
00:20:25,590 --> 00:20:24,400
yeah i'm not sure exactly that would

487
00:20:27,909 --> 00:20:25,600
have been probably

488
00:20:29,430 --> 00:20:27,919

a quintonella then do you think it could

489

00:20:32,710 --> 00:20:29,440

have been could have been

490

00:20:35,990 --> 00:20:32,720

yeah hector right yeah yeah in fact

491

00:20:39,669 --> 00:20:36,000

the um uh what is his name uh

492

00:20:41,909 --> 00:20:39,679

a friend uh the fellow that just died he

493

00:20:45,029 --> 00:20:41,919

was a tuscaloosa airman

494

00:20:48,470 --> 00:20:45,039

uh oh right friend friend yeah he uh

495

00:20:51,190 --> 00:20:48,480

he just passed away

496

00:20:52,549 --> 00:20:51,200

at age 99 i think he was he was one of

497

00:20:53,909 --> 00:20:52,559

the laughs of the uh

498

00:20:57,350 --> 00:20:53,919

of the air man there's still a few

499

00:21:04,390 --> 00:21:00,710

wow amazing yeah

500

00:21:06,710 --> 00:21:04,400

but uh okay okay so uh have you met the

501
00:21:07,990 --> 00:21:06,720
space person face-to-face i mean in

502
00:21:11,669 --> 00:21:08,000
physical

503
00:21:13,750 --> 00:21:11,679
or uh not that i know of but there's

504
00:21:15,590 --> 00:21:13,760
been times where i've met people where i

505
00:21:16,070 --> 00:21:15,600
really felt that they weren't from here

506
00:21:19,270 --> 00:21:16,080
but

507
00:21:21,510 --> 00:21:19,280
they didn't identify themselves

508
00:21:23,590 --> 00:21:21,520
so back in the back in the early days in

509
00:21:25,990 --> 00:21:23,600
the early contactees there there were

510
00:21:30,149 --> 00:21:26,000
ways like howard menger

511
00:21:32,149 --> 00:21:30,159
there was when uh when space people

512
00:21:34,950 --> 00:21:32,159
because they were around him so much

513
00:21:36,870 --> 00:21:34,960

uh he would know that it was them

514

00:21:40,630 --> 00:21:36,880

because they had a

515

00:21:42,470 --> 00:21:40,640

an eight off strange handshake

516

00:21:45,830 --> 00:21:42,480

and then he would know that they weren't

517

00:21:48,470 --> 00:21:45,840

from here

518

00:21:49,110 --> 00:21:48,480

howard was a pretty uh uh peculiar

519

00:21:53,029 --> 00:21:49,120

contact

520

00:21:54,390 --> 00:21:53,039

yeah i knew him uh uh him and connie

521

00:21:56,149 --> 00:21:54,400

right i wouldn't i wouldn't say they

522

00:21:57,029 --> 00:21:56,159

were close friends but they would used

523

00:21:58,870 --> 00:21:57,039

to come

524

00:22:00,470 --> 00:21:58,880

to our uh conference i remember they

525

00:22:03,510 --> 00:22:00,480

drove they drove across

526

00:22:05,430 --> 00:22:03,520

country from i guess florida to uh i

527

00:22:05,750 --> 00:22:05,440

guess it was san diego we gave the show

528

00:22:07,990 --> 00:22:05,760

that

529

00:22:08,789 --> 00:22:08,000

now they showed up two days late i think

530

00:22:10,870 --> 00:22:08,799

they're a little

531

00:22:12,710 --> 00:22:10,880

they they were hauling a saucer uh

532

00:22:15,750 --> 00:22:12,720

behind their um

533

00:22:17,750 --> 00:22:15,760

their van behind their car

534

00:22:19,909 --> 00:22:17,760

uh you know they he he made the model

535

00:22:21,990 --> 00:22:19,919

saucers which one of which he claimed

536

00:22:23,590 --> 00:22:22,000

actually took off and flew from his home

537

00:22:25,430 --> 00:22:23,600

there in high bridge to

538

00:22:27,110 --> 00:22:25,440

somewhere in pennsylvania and the fbi

539

00:22:28,950 --> 00:22:27,120

come looking for him and

540

00:22:30,230 --> 00:22:28,960

and all wanted to know how he managed to

541

00:22:32,870 --> 00:22:30,240

do that yeah that's a

542

00:22:33,350 --> 00:22:32,880

yeah he was he was a tinkerer i guess

543

00:22:36,950 --> 00:22:33,360

you uh

544

00:22:39,990 --> 00:22:36,960

i'd say yeah yes a a gadget

545

00:22:43,110 --> 00:22:40,000

man right right yeah

546

00:22:45,830 --> 00:22:43,120

i i flew down and uh met uh

547

00:22:46,630 --> 00:22:45,840

connie when she was 95 right before she

548

00:22:50,310 --> 00:22:46,640

passed oh yeah

549

00:22:52,710 --> 00:22:50,320

yeah yeah yeah yeah the family seemed

550

00:22:54,310 --> 00:22:52,720

that the family seemed

551

00:22:56,070 --> 00:22:54,320

not to hold too much interest in it

552

00:22:59,669 --> 00:22:56,080

after uh he uh

553

00:23:02,149 --> 00:22:59,679

uh passed away where to well is a

554

00:23:03,990 --> 00:23:02,159

great granddaughter that i talked uh you

555

00:23:06,549 --> 00:23:04,000

know corresponding with yesterday

556

00:23:08,390 --> 00:23:06,559

seems very interested in uh in reading

557

00:23:11,029 --> 00:23:08,400

all the uh books and and getting

558

00:23:12,070 --> 00:23:11,039

to uh you know understand the philosophy

559

00:23:14,870 --> 00:23:12,080

and also

560

00:23:16,710 --> 00:23:14,880

she'll be on here and we'll talk to her

561

00:23:19,750 --> 00:23:16,720

about a great uh

562

00:23:21,510 --> 00:23:19,760

memory yeah all right

563

00:23:23,430 --> 00:23:21,520

i'm gonna interrupt you here because we

564

00:23:24,149 --> 00:23:23,440

are coming up to our bottom of the hour

565

00:23:26,230 --> 00:23:24,159

break

566

00:23:27,590 --> 00:23:26,240

so when we come back we will continue

567

00:23:30,870 --> 00:23:27,600

our conversation with

568

00:23:33,669 --> 00:23:30,880

craig and the 82 extraterrestrial

569

00:23:37,909 --> 00:23:33,679

species almanac on exploring the designs

570

00:23:40,310 --> 00:23:37,919

stay tuned all right welcome back to

571

00:23:43,909 --> 00:23:40,320

exploring the bazaar i'm tim schwartz

572

00:23:45,990 --> 00:23:43,919

tonight our guest is craig cavavasso

573

00:23:47,750 --> 00:23:46,000

and uh we're talking about his book the

574

00:23:50,470 --> 00:23:47,760

extraterrestrial species

575

00:23:52,149 --> 00:23:50,480

almanac and craig i want to go back

576

00:23:55,269 --> 00:23:52,159

really quick

577

00:23:58,710 --> 00:23:55,279

to the uh the story about

578

00:24:00,149 --> 00:23:58,720

uh you finding out the the the identity

579

00:24:02,710 --> 00:24:00,159

of your real dad

580

00:24:04,470 --> 00:24:02,720

um you know not only was it fascinating

581

00:24:07,590 --> 00:24:04,480

that he was

582

00:24:08,789 --> 00:24:07,600

a a part of project blue book but then

583

00:24:12,070 --> 00:24:08,799

you found out that

584

00:24:15,750 --> 00:24:12,080

there was something else that you two

585

00:24:22,470 --> 00:24:19,430

well we uh that what's in common

586

00:24:25,909 --> 00:24:22,480

is i you know i'm writing books for

587

00:24:28,549 --> 00:24:25,919

mufon and he was

588

00:24:30,149 --> 00:24:28,559

part of project blue book but then when

589

00:24:34,070 --> 00:24:30,159

he left the air force

590

00:24:37,269 --> 00:24:34,080

and he came home he met my mom

591

00:24:39,990 --> 00:24:37,279

she became pregnant she found out he was

592

00:24:40,549 --> 00:24:40,000

married with a kid and so that's what

593

00:24:43,909 --> 00:24:40,559

ended

594

00:24:45,269 --> 00:24:43,919

that so she didn't know that much about

595

00:24:48,390 --> 00:24:45,279

him

596

00:24:49,909 --> 00:24:48,400

but he ended up going into the film

597

00:24:52,789 --> 00:24:49,919

business

598

00:24:55,269 --> 00:24:52,799

and he was the head of construction over

599

00:24:58,950 --> 00:24:55,279

at warner brothers for many years

600

00:25:02,630 --> 00:24:58,960

for their tv shows and

601
00:25:04,950 --> 00:25:02,640
uh movies and uh

602
00:25:05,750 --> 00:25:04,960
and then from there after he was there

603
00:25:07,669 --> 00:25:05,760
for

604
00:25:09,990 --> 00:25:07,679
a bunch of years he started his own

605
00:25:10,470 --> 00:25:10,000
scenic shop and started designing and

606
00:25:13,669 --> 00:25:10,480
building

607
00:25:17,029 --> 00:25:13,679
sets for hollywood bowl elton john

608
00:25:20,630 --> 00:25:17,039
michael jackson alice cooper

609
00:25:23,510 --> 00:25:20,640
uh neil diamond etc so

610
00:25:24,549 --> 00:25:23,520
we have this uh say we have the same

611
00:25:28,549 --> 00:25:24,559
sort of

612
00:25:30,870 --> 00:25:28,559
uh dna life going on

613
00:25:32,630 --> 00:25:30,880

me being in the film business and and

614

00:25:37,510 --> 00:25:32,640

you know being the casting guy

615

00:25:41,269 --> 00:25:39,990

and he was the set builder in the ufos

616

00:25:44,789 --> 00:25:41,279

he was

617

00:25:46,630 --> 00:25:44,799

i mean amazing amazing well if i would

618

00:25:47,990 --> 00:25:46,640

have known him when he was alive i would

619

00:25:51,510 --> 00:25:48,000

have gotten it out of them

620

00:25:53,909 --> 00:25:51,520

right so so in in the course of your

621

00:25:54,630 --> 00:25:53,919

uh work there in hollywood have you run

622

00:25:56,950 --> 00:25:54,640

into any

623

00:25:59,269 --> 00:25:56,960

celebrities who've had ufo experiences

624

00:26:00,390 --> 00:25:59,279

oh yes i talk to celebrities about it

625

00:26:03,750 --> 00:26:00,400

all the time

626

00:26:04,390 --> 00:26:03,760

uh even movie stars that i've worked

627

00:26:07,590 --> 00:26:04,400

with

628

00:26:09,110 --> 00:26:07,600

uh have had major experiences that they

629

00:26:12,390 --> 00:26:09,120

shared with me

630

00:26:15,909 --> 00:26:12,400

and um uh

631

00:26:20,310 --> 00:26:15,919

or they were firm believers in it

632

00:26:23,190 --> 00:26:20,320

and i i used to ask everyone

633

00:26:24,070 --> 00:26:23,200

pretty much who came in the office i

634

00:26:27,350 --> 00:26:24,080

would say

635

00:26:29,669 --> 00:26:27,360

if if benevolent beings came down and

636

00:26:31,110 --> 00:26:29,679

landed and wanted to take you for a tour

637

00:26:35,750 --> 00:26:31,120

would you go

638

00:26:38,870 --> 00:26:35,760

and i would say over 75 percent

639

00:26:39,430 --> 00:26:38,880

said that they would go and the rest

640

00:26:41,750 --> 00:26:39,440

were

641

00:26:43,470 --> 00:26:41,760

afraid to go because it was more of the

642

00:26:46,390 --> 00:26:43,480

unknown it wasn't because they were

643

00:26:49,029 --> 00:26:46,400

extraterrestrials it was just the fear

644

00:26:49,669 --> 00:26:49,039

of not knowing uh what was going to

645

00:26:52,710 --> 00:26:49,679

happen

646

00:26:53,990 --> 00:26:52,720

so so i always found that interesting i

647

00:26:57,029 --> 00:26:54,000

remember

648

00:27:00,230 --> 00:26:57,039

fondly i loved anne haney she

649

00:27:02,789 --> 00:27:00,240

she was in uh mrs doubtfire she was the

650

00:27:06,230 --> 00:27:02,799

older lady and mrs doubtfire with the

651
00:27:08,310 --> 00:27:06,240
gray hair and she i just remember

652
00:27:09,830 --> 00:27:08,320
her she was just such a bright light she

653
00:27:12,950 --> 00:27:09,840
said oh i would go in a minute

654
00:27:15,350 --> 00:27:12,960
i would just go in a minute uh we lost

655
00:27:18,789 --> 00:27:15,360
her years ago but god yeah i meet these

656
00:27:21,029 --> 00:27:18,799
incredible people and uh

657
00:27:22,789 --> 00:27:21,039
and then when they pass away it's so sad

658
00:27:26,149 --> 00:27:22,799
i we just had the

659
00:27:29,269 --> 00:27:26,159
25th uh reunion of

660
00:27:32,230 --> 00:27:29,279
a spoof movie i cast 25 years ago

661
00:27:33,350 --> 00:27:32,240
called uh the silence of the hams that

662
00:27:36,870 --> 00:27:33,360
starred

663
00:27:40,070 --> 00:27:36,880

um billy zane and dumb de louise

664

00:27:40,950 --> 00:27:40,080

and uh john played hannibal hannibal

665

00:27:43,990 --> 00:27:40,960

lecter

666

00:27:44,950 --> 00:27:44,000

yeah and uh billy's name was joe middle

667

00:27:47,990 --> 00:27:44,960

initial d

668

00:27:50,789 --> 00:27:48,000

foster right so and i got

669

00:27:51,669 --> 00:27:50,799

every comedian known to man to be in it

670

00:27:55,350 --> 00:27:51,679

including mel

671

00:27:59,430 --> 00:27:55,360

brooks and it's

672

00:28:01,110 --> 00:27:59,440

it was just uh anyway we we did a whole

673

00:28:03,110 --> 00:28:01,120

thing they just re-released it on

674

00:28:05,510 --> 00:28:03,120

blu-ray and

675

00:28:07,029 --> 00:28:05,520

um all of that i forgot where i was

676
00:28:07,510 --> 00:28:07,039
going with that what did you ask me

677
00:28:10,549 --> 00:28:07,520
before

678
00:28:13,909 --> 00:28:10,559
tim no no

679
00:28:15,350 --> 00:28:13,919
yeah so yeah celebrities yeah yeah

680
00:28:16,870 --> 00:28:15,360
yeah because i used to do that you know

681
00:28:18,549 --> 00:28:16,880
of course i got a couple of books on the

682
00:28:21,830 --> 00:28:18,559
ufos among the stars

683
00:28:24,310 --> 00:28:21,840
one eye um uh

684
00:28:25,430 --> 00:28:24,320
and uh because i you know i was doing

685
00:28:27,990 --> 00:28:25,440
the tabloids

686
00:28:28,710 --> 00:28:28,000
uh they bought the stories i i mean

687
00:28:30,389 --> 00:28:28,720
right well

688
00:28:31,909 --> 00:28:30,399

but of course i was interested in that

689

00:28:33,750 --> 00:28:31,919

anyway and uh

690

00:28:35,510 --> 00:28:33,760

geez there are quite a few i mean uh

691

00:28:38,710 --> 00:28:35,520

that had of course ufo

692

00:28:40,870 --> 00:28:38,720

uh experiences uh uh a lot among the

693

00:28:43,990 --> 00:28:40,880

musicians of course that seemed to be

694

00:28:47,350 --> 00:28:44,000

right yeah yeah yeah yeah

695

00:28:50,389 --> 00:28:47,360

yeah i i know a few musicians uh

696

00:28:54,070 --> 00:28:50,399

who had major experiences and

697

00:28:57,350 --> 00:28:54,080

and um uh not abductions but

698

00:28:57,990 --> 00:28:57,360

more going on craft at night and and

699

00:29:01,269 --> 00:28:58,000

learning

700

00:29:04,389 --> 00:29:01,279

and then coming back and and sort of

701

00:29:07,909 --> 00:29:04,399

uh trying to figure it all out

702

00:29:10,070 --> 00:29:07,919

just fascinating but it was

703

00:29:12,149 --> 00:29:10,080

there's just so much and so many people

704

00:29:14,389 --> 00:29:12,159

really are interested in the subject

705

00:29:15,510 --> 00:29:14,399

and it's good that you guys have this

706

00:29:17,350 --> 00:29:15,520

show and

707

00:29:19,029 --> 00:29:17,360

and this book is helping people to

708

00:29:20,950 --> 00:29:19,039

create a dialogue about

709

00:29:22,950 --> 00:29:20,960

what could be out there because really

710

00:29:23,510 --> 00:29:22,960

that's the next step that this planet is

711

00:29:26,470 --> 00:29:23,520

going to go

712

00:29:27,510 --> 00:29:26,480

into after everything it's just gone

713

00:29:30,549 --> 00:29:27,520

through

714

00:29:33,269 --> 00:29:30,559

is that there is just

715

00:29:34,070 --> 00:29:33,279

parts of disclosure have been coming out

716

00:29:37,269 --> 00:29:34,080

slowly but

717

00:29:40,549 --> 00:29:37,279

surely and um

718

00:29:42,630 --> 00:29:40,559

uh and everyone's going to really want

719

00:29:46,310 --> 00:29:42,640

to know what's out there

720

00:29:48,630 --> 00:29:46,320

who the good guys who the bad guys and

721

00:29:50,470 --> 00:29:48,640

uh what what some of them look like and

722

00:29:50,789 --> 00:29:50,480

just because they're from a certain part

723

00:29:53,750 --> 00:29:50,799

of

724

00:29:53,990 --> 00:29:53,760

uh the universe there could be an array

725

00:29:55,669 --> 00:29:54,000

of

726

00:29:57,110 --> 00:29:55,679

different looking beings on different

727

00:29:58,470 --> 00:29:57,120

planets

728

00:30:00,149 --> 00:29:58,480

it's interesting that you would bring

729

00:30:01,830 --> 00:30:00,159

that up because you know this is

730

00:30:04,230 --> 00:30:01,840

something that i have

731

00:30:05,350 --> 00:30:04,240

wondered for years is that you know the

732

00:30:09,830 --> 00:30:05,360

the majority

733

00:30:12,630 --> 00:30:09,840

of um ufo occupant sightings

734

00:30:13,269 --> 00:30:12,640

uh generally tend to be humanoid in

735

00:30:15,190 --> 00:30:13,279

shapes

736

00:30:16,870 --> 00:30:15,200

and you know you would think that uh

737

00:30:20,070 --> 00:30:16,880

with uh you know all the different

738

00:30:22,870 --> 00:30:20,080

you know uh planets you know and uh

739

00:30:23,909 --> 00:30:22,880

evolution across the galaxy that you

740

00:30:27,269 --> 00:30:23,919

would have

741

00:30:30,789 --> 00:30:27,279

uh a really wide diversion of

742

00:30:32,870 --> 00:30:30,799

of you know shapes and sizes and species

743

00:30:34,070 --> 00:30:32,880

yet it seems like you know all the ones

744

00:30:36,310 --> 00:30:34,080

that uh

745

00:30:38,389 --> 00:30:36,320

we've encountered here on on earth are

746

00:30:40,070 --> 00:30:38,399

are humanoid i mean is there uh you know

747

00:30:40,389 --> 00:30:40,080

what's what's the explanation for that

748

00:30:47,750 --> 00:30:40,399

that

749

00:30:51,590 --> 00:30:47,760

um all human life uh

750

00:30:54,870 --> 00:30:51,600

began in lyra and from lyra

751
00:30:57,190 --> 00:30:54,880
it went out into vega so those are

752
00:30:59,830 --> 00:30:57,200
really the two oldest human

753
00:31:01,190 --> 00:30:59,840
uh settlements and then they went out

754
00:31:03,990 --> 00:31:01,200
into the pleiades

755
00:31:05,110 --> 00:31:04,000
and kept going out further and further

756
00:31:08,630 --> 00:31:05,120
and further

757
00:31:09,350 --> 00:31:08,640
it is said then then we sort of get into

758
00:31:13,590 --> 00:31:09,360
orion

759
00:31:16,950 --> 00:31:13,600
and we have we have good grays bad grays

760
00:31:17,430 --> 00:31:16,960
but but what what i learned in doing

761
00:31:21,269 --> 00:31:17,440
this

762
00:31:24,710 --> 00:31:21,279
from uh contactees is that

763
00:31:28,470 --> 00:31:24,720

graze is a negative condensation

764

00:31:30,630 --> 00:31:28,480

and if a gray is from the good part of

765

00:31:33,990 --> 00:31:30,640

zeta reticuli they would prefer

766

00:31:36,389 --> 00:31:34,000

zeta human instead of gray

767

00:31:37,830 --> 00:31:36,399

because they're fully conscious beings

768

00:31:41,029 --> 00:31:37,840

they they didn't go

769

00:31:44,070 --> 00:31:41,039

the scientific route that uh

770

00:31:47,350 --> 00:31:44,080

the other race the other races went

771

00:31:49,830 --> 00:31:47,360

and uh so it's it's just

772

00:31:50,470 --> 00:31:49,840

uh it's just fascinating to sort of see

773

00:31:53,509 --> 00:31:50,480

but the

774

00:31:54,389 --> 00:31:53,519

most fascinating thing that i learned in

775

00:31:57,590 --> 00:31:54,399

doing this

776

00:32:01,029 --> 00:31:57,600

was all of these races

777

00:32:05,430 --> 00:32:01,039

uh have the where to to

778

00:32:08,630 --> 00:32:05,440

create life from any type of dna

779

00:32:11,990 --> 00:32:08,640

that they have so dna is really the most

780

00:32:15,430 --> 00:32:12,000

precious alloy in the universe and

781

00:32:18,950 --> 00:32:15,440

so negative races can create aggre

782

00:32:22,870 --> 00:32:18,960

aggressive uh races soldiers

783

00:32:26,470 --> 00:32:22,880

if they if they want to uh and they have

784

00:32:29,750 --> 00:32:26,480

uh and uh and

785

00:32:32,870 --> 00:32:29,760

others can create uh

786

00:32:38,230 --> 00:32:32,880

biological entities like uh

787

00:32:44,789 --> 00:32:42,149

the little big-headed uh

788

00:32:45,990 --> 00:32:44,799

yeah yeah they're always they're always

789

00:32:49,269 --> 00:32:46,000
reported as being

790

00:32:52,549 --> 00:32:49,279
almost uh robotic in nature yes

791

00:32:56,470 --> 00:32:52,559
yes absolutely and then there's there

792

00:32:57,669 --> 00:32:56,480
uh what's interesting uh are uh i put

793

00:33:00,230 --> 00:32:57,679
clones in there

794

00:33:02,149 --> 00:33:00,240
only because there are clones i've

795

00:33:06,230 --> 00:33:02,159
actually seen a clone

796

00:33:09,590 --> 00:33:06,240
really and it was the most

797

00:33:12,870 --> 00:33:09,600
disturbing feeling i ever felt

798

00:33:17,430 --> 00:33:12,880
because it was void of a soul

799

00:33:19,509 --> 00:33:17,440
but it had life okay okay

800

00:33:21,110 --> 00:33:19,519
details here where where did you see

801
00:33:24,310 --> 00:33:21,120
where did you run across this clone

802
00:33:27,669 --> 00:33:24,320
well i went with i

803
00:33:30,310 --> 00:33:27,679
took some friends uh everyone knows

804
00:33:32,310 --> 00:33:30,320
i i've been into this uh for a long time

805
00:33:35,430 --> 00:33:32,320
so i would take

806
00:33:38,870 --> 00:33:35,440
little groups of friends to sedona

807
00:33:39,430 --> 00:33:38,880
and we would leave the hotel late at

808
00:33:42,230 --> 00:33:39,440
night

809
00:33:43,590 --> 00:33:42,240
uh sometimes around two in the morning

810
00:33:46,070 --> 00:33:43,600
and we would go back

811
00:33:46,950 --> 00:33:46,080
and start to drive in boynton canyon now

812
00:33:51,990 --> 00:33:46,960
there are

813
00:33:53,990 --> 00:33:52,000

canyon

814

00:33:56,470 --> 00:33:54,000

and nobody can get back in the secret

815

00:33:59,029 --> 00:33:56,480

canyon anymore it's all sort of blocked

816

00:34:02,230 --> 00:33:59,039

off because they built this whole

817

00:34:03,990 --> 00:34:02,240

golf course with beautiful homes and and

818

00:34:07,269 --> 00:34:04,000

so you really can't get back there

819

00:34:11,190 --> 00:34:07,279

but two different occasions as

820

00:34:15,190 --> 00:34:11,200

we were going into boynton the

821

00:34:16,710 --> 00:34:15,200

the uh old older looking four-door

822

00:34:20,710 --> 00:34:16,720

sedans that were

823

00:34:23,430 --> 00:34:20,720

military issue was tan

824

00:34:26,790 --> 00:34:23,440

there were two officers in the front and

825

00:34:31,190 --> 00:34:26,800

two clones in the back

826

00:34:35,030 --> 00:34:31,200

and when i turned and i looked at them

827

00:34:38,790 --> 00:34:35,040

it was i went oh my god those are clones

828

00:34:41,990 --> 00:34:38,800

those are clones and i've since

829

00:34:43,349 --> 00:34:42,000

met somebody uh who has worked with

830

00:34:45,669 --> 00:34:43,359

clones

831

00:34:48,869 --> 00:34:45,679

what was one of her jobs is to work with

832

00:34:52,069 --> 00:34:48,879

them and to get them to become sociable

833

00:34:56,230 --> 00:34:52,079

and to teach them social skills

834

00:35:00,150 --> 00:34:56,240

and um and so i learned a lot about

835

00:35:02,630 --> 00:35:00,160

their characteristics and uh

836

00:35:04,710 --> 00:35:02,640

things like that and then how they can

837

00:35:07,750 --> 00:35:04,720

make them more human

838

00:35:09,190 --> 00:35:07,760

through different breeding programs etc

839

00:35:11,990 --> 00:35:09,200

etc so

840

00:35:14,710 --> 00:35:12,000

that's in there and then another time i

841

00:35:16,630 --> 00:35:14,720

took a celebrity friend of mine

842

00:35:18,710 --> 00:35:16,640

and we got up at three in the morning

843

00:35:20,390 --> 00:35:18,720

and this was when we could drive back to

844

00:35:22,870 --> 00:35:20,400

secret canyon

845

00:35:24,870 --> 00:35:22,880

and as we were driving back and and mind

846

00:35:27,750 --> 00:35:24,880

you it is pitch black out there

847

00:35:29,270 --> 00:35:27,760

there is you don't see anything you just

848

00:35:32,390 --> 00:35:29,280

see the road

849

00:35:35,349 --> 00:35:32,400

so it is a little jarring because you're

850

00:35:35,910 --> 00:35:35,359

you're way in the back and as we were

851
00:35:39,750 --> 00:35:35,920
getting

852
00:35:41,750 --> 00:35:39,760
close to secret canyon i crossed a blue

853
00:35:45,750 --> 00:35:41,760
beam

854
00:35:48,790 --> 00:35:45,760
and i i immediately stopped the car

855
00:35:49,589 --> 00:35:48,800
and i went i looked at my friend and i

856
00:35:52,870 --> 00:35:49,599
said did

857
00:35:55,670 --> 00:35:52,880
you just hear that and she said yes

858
00:35:56,310 --> 00:35:55,680
and we both heard if you don't turn

859
00:35:59,829 --> 00:35:56,320
around

860
00:36:02,550 --> 00:35:59,839
now your lives will be forever altered

861
00:36:02,950 --> 00:36:02,560
yeah and i said that's all i needed to

862
00:36:04,710 --> 00:36:02,960
hear

863
00:36:06,630 --> 00:36:04,720

i'm turning around and we went back to

864

00:36:09,510 --> 00:36:06,640

the hotel

865

00:36:14,630 --> 00:36:09,520

enough said yeah yeah enough said you

866

00:36:21,109 --> 00:36:17,910

so uh

867

00:36:24,069 --> 00:36:21,119

so um you know are there are there

868

00:36:24,950 --> 00:36:24,079

other people on earth uh you know

869

00:36:26,790 --> 00:36:24,960

whether it be

870

00:36:28,870 --> 00:36:26,800

you know corporations military

871

00:36:31,990 --> 00:36:28,880

government what have you who are also

872

00:36:34,310 --> 00:36:32,000

aware of of what's going on that

873

00:36:35,270 --> 00:36:34,320

uh you know where we're we're almost

874

00:36:38,710 --> 00:36:35,280

like a truck stop

875

00:36:41,510 --> 00:36:38,720

of the galaxy for a lot of these races

876

00:36:43,750 --> 00:36:41,520

oh yeah they know they they know about

877

00:36:47,349 --> 00:36:43,760

all of them

878

00:36:50,390 --> 00:36:47,359

they have them all cataloged they've

879

00:36:53,990 --> 00:36:50,400

met with excuse me

880

00:36:55,109 --> 00:36:54,000

they met with um several of them i can't

881

00:36:58,790 --> 00:36:55,119

tell you which ones

882

00:37:01,190 --> 00:36:58,800

i don't know uh but periodically

883

00:37:02,069 --> 00:37:01,200

as we all know being in this field will

884

00:37:05,670 --> 00:37:02,079

run in

885

00:37:07,030 --> 00:37:05,680

to somebody who was either a part of a

886

00:37:09,750 --> 00:37:07,040

government fraction

887

00:37:11,270 --> 00:37:09,760

or uh that type of thing i can't tell

888

00:37:13,510 --> 00:37:11,280

you how many people in the government

889

00:37:16,710 --> 00:37:13,520

have called me over the years and said

890

00:37:20,310 --> 00:37:16,720

valiant thor is real right

891

00:37:21,750 --> 00:37:20,320

and um so uh

892

00:37:23,910 --> 00:37:21,760

there were there was one guy who even

893

00:37:24,710 --> 00:37:23,920

worked for the cia he said i can't tell

894

00:37:28,390 --> 00:37:24,720

you much

895

00:37:31,430 --> 00:37:28,400

he said but valiant thor is real

896

00:37:31,829 --> 00:37:31,440

that's all i'm gonna tell you and he

897

00:37:36,310 --> 00:37:31,839

said

898

00:37:38,310 --> 00:37:36,320

think of that name as a title hmm

899

00:37:39,430 --> 00:37:38,320

and i went oh i never really thought of

900

00:37:43,270 --> 00:37:39,440

it that way

901
00:37:47,589 --> 00:37:43,280
so uh so that was interesting but

902
00:37:51,829 --> 00:37:47,599
yeah i mean there's uh

903
00:37:53,589 --> 00:37:51,839
i mean imagine if you work for nasa

904
00:37:55,270 --> 00:37:53,599
what you see we we've seen what the

905
00:37:57,670 --> 00:37:55,280
astronauts have have

906
00:37:58,870 --> 00:37:57,680
come out and talked about and what

907
00:38:03,030 --> 00:37:58,880
they've seen

908
00:38:05,750 --> 00:38:03,040
and uh lots lots of different people

909
00:38:07,510 --> 00:38:05,760
and and since writing this book the

910
00:38:08,150 --> 00:38:07,520
people that have written to me and told

911
00:38:10,790 --> 00:38:08,160
me about

912
00:38:11,750 --> 00:38:10,800
beings that they've seen beings i've

913
00:38:16,310 --> 00:38:11,760

never even

914

00:38:20,069 --> 00:38:16,320

heard of or or what they look like

915

00:38:21,750 --> 00:38:20,079

so so i i i think we are just this big

916

00:38:25,990 --> 00:38:21,760

hodgepodge here

917

00:38:29,270 --> 00:38:26,000

uh in the far side of the galaxy

918

00:38:31,589 --> 00:38:29,280

well you know as as i uh as i wrote one

919

00:38:31,990 --> 00:38:31,599

time it seems like that uh that earth is

920

00:38:35,190 --> 00:38:32,000

like

921

00:38:36,870 --> 00:38:35,200

uh the the disneyland of this side of

922

00:38:38,390 --> 00:38:36,880

the galaxy everybody seems to want to

923

00:38:40,390 --> 00:38:38,400

come here and visit for a little while

924

00:38:43,750 --> 00:38:40,400

before they continue on their way

925

00:38:46,790 --> 00:38:43,760

yeah but uh um the

926

00:38:48,310 --> 00:38:46,800

the and i know that you know you know

927

00:38:50,069 --> 00:38:48,320

you said earlier that you know this is

928

00:38:51,589 --> 00:38:50,079

probably not you know all of the groups

929

00:38:52,630 --> 00:38:51,599

that you know potentially could be

930

00:38:55,990 --> 00:38:52,640

visiting

931

00:39:00,390 --> 00:38:56,000

uh right earth but um

932

00:39:03,829 --> 00:39:00,400

it it are the ones that we know about

933

00:39:05,430 --> 00:39:03,839

from this galaxy uh and you know and

934

00:39:08,710 --> 00:39:05,440

considering how far apart

935

00:39:11,349 --> 00:39:08,720

other galaxies are uh has there been any

936

00:39:15,030 --> 00:39:11,359

indication of uh of visitors from from

937

00:39:18,790 --> 00:39:15,040

outside of our galaxy

938

00:39:23,430 --> 00:39:18,800

yes and some of those were

939

00:39:26,630 --> 00:39:23,440

um in the wendell stevens books

940

00:39:30,390 --> 00:39:26,640

some were i believe um

941

00:39:33,589 --> 00:39:30,400

the clermers uh that one was called ufo

942

00:39:37,750 --> 00:39:33,599

contact from planet clermer

943

00:39:41,349 --> 00:39:37,760

uh i also believe the ufo contact from

944

00:39:44,470 --> 00:39:41,359

coal das k-o-l-d-a-s

945

00:39:48,470 --> 00:39:44,480

that was really really fascinating

946

00:39:51,510 --> 00:39:48,480

um also the regalians

947

00:39:51,910 --> 00:39:51,520

uh by the way i found it fascinating

948

00:39:53,349 --> 00:39:51,920

that

949

00:39:55,109 --> 00:39:53,359

you could get all of these wendell

950

00:40:00,310 --> 00:39:55,119

stevens books in

951
00:40:04,309 --> 00:40:00,320
pdf form at ufophotoarchives.com

952
00:40:06,870 --> 00:40:04,319
his daughter cece has them there so

953
00:40:07,589 --> 00:40:06,880
people who love to read about the the

954
00:40:13,270 --> 00:40:07,599
old

955
00:40:15,670 --> 00:40:13,280
are there the itapyrians are really

956
00:40:16,870 --> 00:40:15,680
fascinating as well which was ufo

957
00:40:19,910 --> 00:40:16,880
contact from

958
00:40:22,390 --> 00:40:19,920
planet it to be raw i'm sure

959
00:40:24,950 --> 00:40:22,400
uh tim beckley has heard of all these

960
00:40:27,829 --> 00:40:24,960
books and read them back in the day

961
00:40:29,349 --> 00:40:27,839
yeah well that and and tim has uh has

962
00:40:31,510 --> 00:40:29,359
actually

963
00:40:33,750 --> 00:40:31,520

re-released a couple of uh wendell

964

00:40:36,829 --> 00:40:33,760

stevens uh uh

965

00:40:40,390 --> 00:40:36,839

nice recently so so yeah nice

966

00:40:43,190 --> 00:40:40,400

um but uh um yeah i just you know it

967

00:40:45,990 --> 00:40:43,200

just i i just wondered if you know

968

00:40:47,589 --> 00:40:46,000

with with visitors from from other

969

00:40:50,630 --> 00:40:47,599

galaxies

970

00:40:52,950 --> 00:40:50,640

uh if you s you know are seeing life

971

00:40:56,710 --> 00:40:52,960

forms that really could be

972

00:40:58,550 --> 00:40:56,720

you know totally completely different

973

00:41:00,790 --> 00:40:58,560

from you know from the ones in this

974

00:41:05,109 --> 00:41:00,800

galaxy or or whether or not well

975

00:41:08,550 --> 00:41:06,470

the same kind of life you know that

976

00:41:11,109 --> 00:41:08,560

we're seeing in this galaxy

977

00:41:12,550 --> 00:41:11,119

permeates across the uh the universe and

978

00:41:16,550 --> 00:41:12,560

the multivitamins

979

00:41:19,670 --> 00:41:16,560

yes yes um and by the way the

980

00:41:21,750 --> 00:41:19,680

uh aryan it's interesting they're called

981

00:41:24,870 --> 00:41:21,760

the aryan race but they're

982

00:41:28,390 --> 00:41:24,880

actually um

983

00:41:31,829 --> 00:41:28,400

an asian race called the the the ghee

984

00:41:32,550 --> 00:41:31,839

the g it's gne and that there is also

985

00:41:34,630 --> 00:41:32,560

another

986

00:41:36,390 --> 00:41:34,640

asian race that travels with them and

987

00:41:39,349 --> 00:41:36,400

there's 12

988

00:41:41,910 --> 00:41:39,359

people from their galaxy or 12 societies

989

00:41:45,750 --> 00:41:41,920

from their galaxy that travel around

990

00:41:49,589 --> 00:41:45,760

uh on a mothership exploring as well

991

00:41:53,910 --> 00:41:49,599

and uh but uh everything was pretty

992

00:41:56,950 --> 00:41:53,920

much um human except for

993

00:42:00,150 --> 00:41:56,960

the regalians which were a cross between

994

00:42:03,990 --> 00:42:00,160

human and um lizards

995

00:42:07,990 --> 00:42:04,000

they look like lizards uh not not a

996

00:42:10,630 --> 00:42:08,000

aggressive race at all they actually uh

997

00:42:12,390 --> 00:42:10,640

abducted a 14 year old cherokee girl

998

00:42:15,190 --> 00:42:12,400

hooked her up to a

999

00:42:17,190 --> 00:42:15,200

a device where they could talk to her

1000

00:42:17,910 --> 00:42:17,200

and she was able to remember the whole

1001
00:42:19,910 --> 00:42:17,920
thing she was

1002
00:42:21,910 --> 00:42:19,920
she was not afraid she actually had a

1003
00:42:24,550 --> 00:42:21,920
great experience and

1004
00:42:27,109 --> 00:42:24,560
um she remembered the entire thing and

1005
00:42:30,390 --> 00:42:27,119
then of course the ufo contact from

1006
00:42:30,710 --> 00:42:30,400
planet yarga which is uh the beings that

1007
00:42:35,109 --> 00:42:30,720
look

1008
00:42:38,470 --> 00:42:35,119
uh like like seals in a way

1009
00:42:41,750 --> 00:42:38,480
yeah really uh just fascinating how

1010
00:42:45,030 --> 00:42:41,760
life takes shape and form and and

1011
00:42:46,470 --> 00:42:45,040
people are contacted and what i've found

1012
00:42:48,550 --> 00:42:46,480
and i don't know if you guys have found

1013
00:42:51,190 --> 00:42:48,560

this interviewing everyone

1014

00:42:52,710 --> 00:42:51,200

is that when somebody is contacted their

1015

00:42:55,990 --> 00:42:52,720

soul is usually from

1016

00:42:58,870 --> 00:42:56,000

that planet and they are

1017

00:42:59,750 --> 00:42:58,880

contacting one of their own so that

1018

00:43:01,990 --> 00:42:59,760

there is a fear

1019

00:43:03,829 --> 00:43:02,000

race and usually they have some

1020

00:43:07,030 --> 00:43:03,839

experience when they're young

1021

00:43:09,990 --> 00:43:07,040

i had experiences when i was young

1022

00:43:10,950 --> 00:43:10,000

when i was 10 i was pulled out of my

1023

00:43:12,630 --> 00:43:10,960

body

1024

00:43:15,190 --> 00:43:12,640

went way out into the middle of the

1025

00:43:18,630 --> 00:43:15,200

universe the universe opened up

1026

00:43:21,589 --> 00:43:18,640

i felt the the uh

1027

00:43:22,630 --> 00:43:21,599

the incredible unconditional love inside

1028

00:43:25,270 --> 00:43:22,640

the universe

1029

00:43:25,990 --> 00:43:25,280

it went back in i was back in my body

1030

00:43:28,309 --> 00:43:26,000

and then all

1031

00:43:29,349 --> 00:43:28,319

of the questions that one asked

1032

00:43:32,390 --> 00:43:29,359

themselves

1033

00:43:33,190 --> 00:43:32,400

more later in life who am i where did i

1034

00:43:35,270 --> 00:43:33,200

come from

1035

00:43:37,829 --> 00:43:35,280

all of these things started running

1036

00:43:41,990 --> 00:43:37,839

through my 10 year old mind

1037

00:43:42,309 --> 00:43:42,000

and uh so we we've all had them and i

1038

00:43:50,870 --> 00:43:42,319

would

1039

00:43:54,069 --> 00:43:50,880

have the experience and then

1040

00:43:56,950 --> 00:43:54,079

i would have contemplation on it right

1041

00:43:57,589 --> 00:43:56,960

after and then it was gone and then i

1042

00:43:59,349 --> 00:43:57,599

would

1043

00:44:01,510 --> 00:43:59,359

and then later in life it's not that i

1044

00:44:04,150 --> 00:44:01,520

ever forgot them i just never talked

1045

00:44:07,430 --> 00:44:05,910

yeah i've heard you know i've heard that

1046

00:44:10,390 --> 00:44:07,440

from other people before

1047

00:44:11,430 --> 00:44:10,400

you know they will have uh you know an

1048

00:44:14,470 --> 00:44:11,440

ecstatic

1049

00:44:17,750 --> 00:44:14,480

experience like that so to speak and

1050

00:44:18,309 --> 00:44:17,760

will some of them describe it as you

1051

00:44:20,950 --> 00:44:18,319

know

1052

00:44:22,390 --> 00:44:20,960

they for a brief moment they knew

1053

00:44:23,430 --> 00:44:22,400

everything they knew how the universe

1054

00:44:25,990 --> 00:44:23,440

worked and

1055

00:44:27,349 --> 00:44:26,000

and what was going on and then when that

1056

00:44:29,349 --> 00:44:27,359

moment was over

1057

00:44:31,349 --> 00:44:29,359

it was gone you know there's just like

1058

00:44:33,750 --> 00:44:31,359

just a residue

1059

00:44:35,670 --> 00:44:33,760

you know that yeah i knew everything but

1060

00:44:38,790 --> 00:44:35,680

now i don't

1061

00:44:41,589 --> 00:44:38,800

yeah and and it's it's um

1062

00:44:42,150 --> 00:44:41,599

and and what's interesting is when we

1063

00:44:44,309 --> 00:44:42,160

become

1064

00:44:46,790 --> 00:44:44,319

fully conscious and we are out of

1065

00:44:48,550 --> 00:44:46,800

duality and we're using our heart to

1066

00:44:51,109 --> 00:44:48,560

rule our mind

1067

00:44:52,950 --> 00:44:51,119

that is when we will have that

1068

00:44:56,710 --> 00:44:52,960

experience

1069

00:44:57,910 --> 00:44:56,720

every moment of our life that's amazing

1070

00:45:00,390 --> 00:44:57,920

to look forward to

1071

00:45:01,750 --> 00:45:00,400

it is it is yeah all right well craig

1072

00:45:03,349 --> 00:45:01,760

unfortunately we've got about three

1073

00:45:05,030 --> 00:45:03,359

minutes left in the show so i want to

1074

00:45:06,309 --> 00:45:05,040

very fun i had so much fun doing that

1110

00:46:43,670 --> 00:46:41,200

1111

00:46:44,870 --> 00:46:43,680

well i i have to say that i i've

1112

00:46:46,950 --> 00:46:44,880

thoroughly enjoyed the

00:47:02,470 --> 00:47:00,160

to see how actual it was

1119

00:47:05,510 --> 00:47:02,480

real quick real quick uh we're doing uh

1120

00:47:08,829 --> 00:47:05,520

a documentary to the et species ominet

1121

00:47:10,309 --> 00:47:08,839

1122

00:47:20,950 --> 00:47:10,319

1124

00:47:28,829 --> 00:47:24,400

bazaar
