7PM PACIFIC | 10PM EASTERN
www.kcorrradio.com

1
00:00:07,269 --> 00:00:01,080
[Applause]

2
00:00:12,070 --> 00:00:08,390
explore

3
00:00:14,390 --> 00:00:12,080
the bazaar your e-ticket ride into the

4
00:00:17,029 --> 00:00:14,400
world of the paranormal

5
00:00:17,910 --> 00:00:17,039
strap yourself in as we traverse the

6
00:00:21,830 --> 00:00:17,920
universe

7
00:00:25,990 --> 00:00:21,840
exploring the unexplained ufos

8
00:00:29,029 --> 00:00:26,000
ghosts lost worlds cryptozoology

9
00:00:33,750 --> 00:00:29,039
as well as other dimensions

10
00:00:37,830 --> 00:00:36,470
now your electrifying hosts of exploring

11
00:00:43,990 --> 00:00:37,840
the bazaar

12
00:00:45,990 --> 00:00:44,000
timothy beckley and tim schwartz

13
00:00:48,470 --> 00:00:46,000

what are we doing out here in the middle

14

00:00:50,950 --> 00:00:48,480

of all these windmills

15

00:00:56,830 --> 00:00:50,960

they're they're getting me a bit dizzy

16

00:01:01,510 --> 00:00:58,389

round

17

00:01:04,710 --> 00:01:01,520

and

18

00:01:07,590 --> 00:01:04,720

we're out here doing

19

00:01:09,270 --> 00:01:07,600

scientific research what else do we do

20

00:01:09,910 --> 00:01:09,280

uh there's been a number of cases you

21

00:01:12,469 --> 00:01:09,920

know where

22

00:01:14,630 --> 00:01:12,479

ufos seem to be attracted to windmills

23

00:01:17,990 --> 00:01:14,640

and wind turbines

24

00:01:19,910 --> 00:01:18,000

uh there's a case from 1897. now i know

25

00:01:22,469 --> 00:01:19,920

that's going back a long time ago and

26

00:01:24,550 --> 00:01:22,479

you and i were just a little a country

27

00:01:26,310 --> 00:01:24,560

bumpkins then but

28

00:01:27,910 --> 00:01:26,320

we're going to discuss this case uh

29

00:01:29,990 --> 00:01:27,920

tonight it's a case where

30

00:01:31,190 --> 00:01:30,000

a cigar-shaped object dove into a

31

00:01:34,069 --> 00:01:31,200

windmill

32

00:01:34,550 --> 00:01:34,079

on judge proctor's ranch killing the

33

00:01:37,910 --> 00:01:34,560

small

34

00:01:38,310 --> 00:01:37,920

human and humanoid occupant oh yeah

35

00:01:40,390 --> 00:01:38,320

little

36

00:01:41,830 --> 00:01:40,400

fellow yeah yeah yeah yeah that's a

37

00:01:44,310 --> 00:01:41,840

famous uh that's a

38

00:01:46,149 --> 00:01:44,320

really famous case someone even stole

39

00:01:48,550 --> 00:01:46,159

his grave marker

40

00:01:50,149 --> 00:01:48,560

and the government may have snatched the

41

00:01:53,350 --> 00:01:50,159

dead body away in the middle

42

00:01:54,870 --> 00:01:53,360

of the night yep you got it you got it

43

00:01:57,109 --> 00:01:54,880

all right and there's another

44

00:01:58,630 --> 00:01:57,119

case in england in recent years where

45

00:02:01,830 --> 00:01:58,640

crafts of some sort

46

00:02:02,870 --> 00:02:01,840

twisted the blade of a wind turbine into

47

00:02:05,109 --> 00:02:02,880

what looked like a

48

00:02:06,789 --> 00:02:05,119

pretzel and there were ufo sightings

49

00:02:10,070 --> 00:02:06,799

around at the time and it made the front

50

00:02:12,630 --> 00:02:10,080

page of one of the tabloids over there

51
00:02:13,910 --> 00:02:12,640
huh okay do you think that might happen

52
00:02:16,070 --> 00:02:13,920
well uh we're

53
00:02:17,670 --> 00:02:16,080
here right now in this uh field with

54
00:02:21,110 --> 00:02:17,680
windmills

55
00:02:22,470 --> 00:02:21,120
oh anything is impos is possible on

56
00:02:25,270 --> 00:02:22,480
exploring the

57
00:02:27,910 --> 00:02:25,280
bazaar hey i i think i see a bright

58
00:02:30,470 --> 00:02:27,920
light coming toward us from the horizon

59
00:02:31,990 --> 00:02:30,480
what what do you think we should do okay

60
00:02:34,229 --> 00:02:32,000
okay my best bet is that we

61
00:02:35,990 --> 00:02:34,239
get out of here and uh before we become

62
00:02:38,309 --> 00:02:36,000
a dust in the wind you never know what

63
00:02:42,070 --> 00:02:38,319

those crazy ass saucer pilots

64

00:02:44,790 --> 00:02:42,080

are capable of well

65

00:02:45,830 --> 00:02:44,800

that does all right all right well there

66

00:02:47,750 --> 00:02:45,840

does seem to be

67

00:02:49,350 --> 00:02:47,760

enough of a wind current to get us back

68

00:02:52,630 --> 00:02:49,360

to the kcr

69

00:02:54,229 --> 00:02:52,640

studios in vegas so follow me we need to

70

00:02:55,750 --> 00:02:54,239

get away from that light before it gets

71

00:02:57,350 --> 00:02:55,760

any closer anyway

72

00:02:59,430 --> 00:02:57,360

i think it's about ready to crash into

73

00:03:02,309 --> 00:02:59,440

one of these uh

74

00:03:03,830 --> 00:03:02,319

wind turbines uh just about right now

75

00:03:04,630 --> 00:03:03,840

okay this is not the brightest thing

76

00:03:09,990 --> 00:03:04,640

we've ever done

77

00:03:15,750 --> 00:03:13,670

well that was some breeze man there was

78

00:03:17,350 --> 00:03:15,760

yeah yeah there's always there's always

79

00:03:19,270 --> 00:03:17,360

there's always a breeze of one kind or

80

00:03:22,790 --> 00:03:19,280

another

81

00:03:24,309 --> 00:03:22,800

oh i swear i swear i i'm i'm exhausted

82

00:03:26,789 --> 00:03:24,319

i'm exhausted uh

83

00:03:27,589 --> 00:03:26,799

from that little uh trip to say the

84

00:03:30,309 --> 00:03:27,599

least

85

00:03:30,630 --> 00:03:30,319

but uh we're safely we're safely home

86

00:03:33,270 --> 00:03:30,640

now

87

00:03:35,190 --> 00:03:33,280

i think aren't we yeah i think i saw i

88

00:03:37,589 --> 00:03:35,200

think i saw tina as we crashed through

89

00:03:39,030 --> 00:03:37,599

the roof

90

00:03:40,550 --> 00:03:39,040

one of these days she's going to make us

91

00:03:40,949 --> 00:03:40,560

pay for all the damage we keep doing

92

00:03:43,589 --> 00:03:40,959

this

93

00:03:44,550 --> 00:03:43,599

yeah you know but hey we boost the

94

00:03:47,589 --> 00:03:44,560

ratings

95

00:03:50,550 --> 00:03:47,599

the roof

96

00:03:51,830 --> 00:03:50,560

so what's what's a little what's what's

97

00:03:55,670 --> 00:03:51,840

a little uh

98

00:03:57,750 --> 00:03:55,680

a couple of co-hosts anyway

99

00:03:59,270 --> 00:03:57,760

enough jibber jabbering here and we want

100

00:04:01,030 --> 00:03:59,280

to get on with our uh

101

00:04:03,750 --> 00:04:01,040

a program tonight because we have a very

102

00:04:06,949 --> 00:04:03,760

interesting subject to um

103

00:04:07,990 --> 00:04:06,959

to conquer to talk about and i've got a

104

00:04:10,229 --> 00:04:08,000

very interesting

105

00:04:11,030 --> 00:04:10,239

synchronicity that maybe somebody can

106

00:04:15,589 --> 00:04:11,040

help me

107

00:04:19,909 --> 00:04:15,599

answer i need answers so why don't you

108

00:04:22,310 --> 00:04:19,919

tell us who we will be speaking with

109

00:04:23,270 --> 00:04:22,320

be my uh be my pleasure tim well we have

110

00:04:26,550 --> 00:04:23,280

a return visit

111

00:04:29,110 --> 00:04:26,560

uh from uh uh carrie trent haggard

112

00:04:29,830 --> 00:04:29,120

now uh carrie is a devoted antique car

113

00:04:32,390 --> 00:04:29,840

collector

114

00:04:33,990 --> 00:04:32,400

judge and restorer for the better part

115

00:04:36,710 --> 00:04:34,000

of 25 years

116

00:04:37,189 --> 00:04:36,720

now uh carrie is the founder writer and

117

00:04:40,310 --> 00:04:37,199

host

118

00:04:43,670 --> 00:04:40,320

of wheels of the past productions based

119

00:04:46,070 --> 00:04:43,680

in beaver falls pennsylvania kerry is a

120

00:04:47,110 --> 00:04:46,080

longtime enthusiast of classic horror

121

00:04:49,830 --> 00:04:47,120

and ufos

122

00:04:50,790 --> 00:04:49,840

and he became interested in the story

123

00:04:54,310 --> 00:04:50,800

that

124

00:04:55,189 --> 00:04:54,320

in april 1897 a ufo crashed into a

125

00:04:58,390 --> 00:04:55,199

windmill

126
00:04:59,350 --> 00:04:58,400
outside of aurora texas the aurora texas

127
00:05:01,270 --> 00:04:59,360
ufo crash

128
00:05:02,390 --> 00:05:01,280
fascinated carrie because of his own

129
00:05:05,510 --> 00:05:02,400
experience

130
00:05:06,469 --> 00:05:05,520
as a kid seeing a ufo land in his

131
00:05:08,870 --> 00:05:06,479
hometown

132
00:05:09,510 --> 00:05:08,880
now taking that passion along with his

133
00:05:11,909 --> 00:05:09,520
friend

134
00:05:12,550 --> 00:05:11,919
john cochran they spent the next several

135
00:05:14,230 --> 00:05:12,560
months

136
00:05:15,590 --> 00:05:14,240
working to form an outline for a

137
00:05:17,350 --> 00:05:15,600
screenplay

138
00:05:19,029 --> 00:05:17,360

based on the fictional hunt for the

139

00:05:21,590 --> 00:05:19,039

extraterrestrial buried

140

00:05:22,950 --> 00:05:21,600

in the aurora cemetery well from there

141

00:05:26,310 --> 00:05:22,960

this screenplay

142

00:05:29,270 --> 00:05:26,320

grew into the novel traveler now carrie

143

00:05:31,909 --> 00:05:29,280

has also contributed a chapter

144

00:05:32,870 --> 00:05:31,919

for his mention in the new book alien

145

00:05:34,950 --> 00:05:32,880

livestream

146

00:05:37,189 --> 00:05:34,960

it's quite it's quite a long uh the

147

00:05:40,230 --> 00:05:37,199

story he's got a

148

00:05:40,550 --> 00:05:40,240

quite a big section of the chapter yeah

149

00:05:43,990 --> 00:05:40,560

yeah

150

00:05:45,909 --> 00:05:44,000

uh but uh in in the the new book alien

151
00:05:48,070 --> 00:05:45,919
lives matter it's okay to be gray

152
00:05:49,110 --> 00:05:48,080
published by yes who timothy green

153
00:05:52,150 --> 00:05:49,120
beckley

154
00:05:54,310 --> 00:05:52,160
global communications whoa

155
00:05:55,830 --> 00:05:54,320
thank you tim and thank you for again

156
00:05:59,430 --> 00:05:55,840
ken welcome to the uh

157
00:06:01,990 --> 00:05:59,440
show glad to have you back uh black

158
00:06:04,070 --> 00:06:02,000
back on uh just before we start though i

159
00:06:07,909 --> 00:06:04,080
i did want to mention something you know

160
00:06:09,270 --> 00:06:07,919
uh how i recently decided to get back in

161
00:06:11,670 --> 00:06:09,280
contact with you because

162
00:06:12,710 --> 00:06:11,680
i had a renewed interest in the uh

163
00:06:15,029 --> 00:06:12,720

aurora

164

00:06:16,870 --> 00:06:15,039

uh crash there i was doing research for

165

00:06:17,510 --> 00:06:16,880

the book because we have a whole section

166

00:06:20,309 --> 00:06:17,520

on

167

00:06:21,350 --> 00:06:20,319

uh alien bodies and this was certainly

168

00:06:24,790 --> 00:06:21,360

one of the uh

169

00:06:28,150 --> 00:06:24,800

the first cases where uh a ufo crash

170

00:06:31,270 --> 00:06:28,160

um uh you know took place

171

00:06:33,670 --> 00:06:31,280

and uh uh and and uh

172

00:06:35,270 --> 00:06:33,680

sir i was gonna say a loan survivor but

173

00:06:36,390 --> 00:06:35,280

he didn't survive very long if he

174

00:06:38,710 --> 00:06:36,400

survived at all was

175

00:06:39,990 --> 00:06:38,720

was found okay i was doing a little bit

176

00:06:41,830 --> 00:06:40,000

of research on this

177

00:06:44,070 --> 00:06:41,840

and of course almost everybody knows

178

00:06:47,390 --> 00:06:44,080

that the crash took place on

179

00:06:48,710 --> 00:06:47,400

judge proctor's ranch in aurora texas in

180

00:06:51,589 --> 00:06:48,720

1897

181

00:06:53,749 --> 00:06:51,599

that's a given however i was also doing

182

00:06:55,189 --> 00:06:53,759

a little bit of research on the roswell

183

00:06:57,430 --> 00:06:55,199

ufo crash

184

00:06:59,749 --> 00:06:57,440

and i always put a great deal of

185

00:07:02,870 --> 00:06:59,759

significance in synchronicities

186

00:07:05,749 --> 00:07:02,880

well do you know that along with uh

187

00:07:07,350 --> 00:07:05,759

mac brazil the gentleman who's uh wreck

188

00:07:09,830 --> 00:07:07,360

who found the wreckage on his

189

00:07:10,790 --> 00:07:09,840

ranch there outside of roswell he was

190

00:07:14,230 --> 00:07:10,800

accompanied by

191

00:07:17,909 --> 00:07:14,240

a young teenage boy by the name of

192

00:07:18,870 --> 00:07:17,919

don proctor now i want to know is there

193

00:07:22,790 --> 00:07:18,880

any

194

00:07:25,909 --> 00:07:22,800

chance and hell that

195

00:07:26,469 --> 00:07:25,919

the don proctor there at the roswell

196

00:07:29,189 --> 00:07:26,479

crash

197

00:07:30,950 --> 00:07:29,199

may have been related to judge proctor i

198

00:07:32,550 --> 00:07:30,960

would not be surprised

199

00:07:35,189 --> 00:07:32,560

because we have all sorts of

200

00:07:38,790 --> 00:07:35,199

synchronicities and coincidences

201
00:07:40,390 --> 00:07:38,800
that take a place in ufology that are

202
00:07:42,870 --> 00:07:40,400
just beyond chance

203
00:07:44,309 --> 00:07:42,880
and circumstance would you happen to

204
00:07:46,150 --> 00:07:44,319
know anything about that ken does that

205
00:07:49,270 --> 00:07:46,160
ring a bell with you

206
00:07:51,189 --> 00:07:49,280
oh no no no it

207
00:07:52,869 --> 00:07:51,199
didn't ring it didn't do not to me it

208
00:07:55,909 --> 00:07:52,879
doesn't

209
00:07:56,309 --> 00:07:55,919
okay well how oh well let's go back

210
00:08:03,670 --> 00:07:56,319
maybe

211
00:08:05,350 --> 00:08:03,680
up for people who are not uh familiar

212
00:08:07,350 --> 00:08:05,360
with it why don't you give us a little

213
00:08:10,830 --> 00:08:07,360

background on what happened in that

214

00:08:14,469 --> 00:08:12,469

1897. well

215

00:08:15,510 --> 00:08:14,479

it was like uh six o'clock in the

216

00:08:19,990 --> 00:08:15,520

morning

217

00:08:23,670 --> 00:08:20,000

april april 17 1897

218

00:08:26,790 --> 00:08:23,680

and um uh aurora texas

219

00:08:30,550 --> 00:08:26,800

was a little dust bowl town that

220

00:08:34,630 --> 00:08:30,560

had suffered a lot of a lot of

221

00:08:36,230 --> 00:08:34,640

trauma they had a fire that burned down

222

00:08:38,310 --> 00:08:36,240

half the town

223

00:08:39,350 --> 00:08:38,320

they had a spotted spotted fever

224

00:08:42,230 --> 00:08:39,360

epidemic

225

00:08:43,350 --> 00:08:42,240

the railroad had bypassed them and it

226
00:08:45,670 --> 00:08:43,360
was a bad crop

227
00:08:47,269 --> 00:08:45,680
year so they just had all kinds of

228
00:08:51,110 --> 00:08:47,279
problems but

229
00:08:54,790 --> 00:08:51,120
early in the morning a lot of the

230
00:08:59,269 --> 00:08:54,800
folks awoke to a loud crash

231
00:09:03,030 --> 00:08:59,279
and a a a single extraterrestrial craft

232
00:09:06,310 --> 00:09:03,040
had lost control slammed

233
00:09:08,550 --> 00:09:06,320
into the windmill and

234
00:09:10,470 --> 00:09:08,560
hit their local water tower where the

235
00:09:14,790 --> 00:09:10,480
craft and the water tower both

236
00:09:16,230 --> 00:09:14,800
exploded so so just at sunrise they all

237
00:09:19,509 --> 00:09:16,240
go running out there to see

238
00:09:20,790 --> 00:09:19,519

what has happened uh of course there was

239

00:09:23,509 --> 00:09:20,800

a guy that

240

00:09:24,470 --> 00:09:23,519

did articles for the dallas newspaper

241

00:09:27,509 --> 00:09:24,480

that was there

242

00:09:30,389 --> 00:09:27,519

and he reported it in the

243

00:09:32,230 --> 00:09:30,399

in the newspaper the very next day they

244

00:09:35,110 --> 00:09:32,240

found the alien they found the

245

00:09:36,150 --> 00:09:35,120

remnants of the crash and the alien was

246

00:09:39,829 --> 00:09:36,160

dead

247

00:09:44,550 --> 00:09:39,839

so they did what they would do

248

00:09:46,470 --> 00:09:44,560

for anybody uh of high profile and they

249

00:09:49,509 --> 00:09:46,480

made him his own little coffin

250

00:09:52,070 --> 00:09:49,519

they put him on display on the boardwalk

251
00:09:54,070 --> 00:09:52,080
for the afternoon and they buried him in

252
00:09:57,509 --> 00:09:54,080
their local cemetery the next day

253
00:09:59,110 --> 00:09:57,519
and that more or less uh is the jest of

254
00:10:01,269 --> 00:09:59,120
the story

255
00:10:02,310 --> 00:10:01,279
now what what did the cred is there any

256
00:10:05,269 --> 00:10:02,320
description

257
00:10:05,750 --> 00:10:05,279
of what the craft may have looked like

258
00:10:08,230 --> 00:10:05,760
yeah

259
00:10:09,509 --> 00:10:08,240
it's reported in the newspaper it was a

260
00:10:12,870 --> 00:10:09,519
cigar

261
00:10:15,350 --> 00:10:12,880
shaped object so it was a it was

262
00:10:17,430 --> 00:10:15,360
uh one of the one of the ones that are

263
00:10:18,310 --> 00:10:17,440

longer rather than one of the ones that

264

00:10:21,590 --> 00:10:18,320

are

265

00:10:25,190 --> 00:10:21,600

round okay so

266

00:10:28,870 --> 00:10:25,200

it said uh they called it a cigar-shaped

267

00:10:30,829 --> 00:10:28,880

object so uh you know we would have to

268

00:10:33,590 --> 00:10:30,839

think it was an oblong

269

00:10:35,110 --> 00:10:33,600

craft now of course there's been a lot

270

00:10:38,230 --> 00:10:35,120

of sightings of a

271

00:10:42,550 --> 00:10:38,240

cigar-shaped object i'm i'm thinking of

272

00:10:46,069 --> 00:10:42,560

another one that was taken

273

00:10:49,590 --> 00:10:46,079

of course in more recent years by

274

00:10:53,269 --> 00:10:49,600

carol wayne watts in

275

00:10:55,430 --> 00:10:53,279

in texas uh he was driving back to his

276

00:10:56,470 --> 00:10:55,440

ranch or property and saw this object in

277

00:10:59,190 --> 00:10:56,480

the sky and

278

00:11:00,630 --> 00:10:59,200

took a series of photographs of it and

279

00:11:03,750 --> 00:11:00,640

looks more like a cigar

280

00:11:05,829 --> 00:11:03,760

a cigar or elongated

281

00:11:06,870 --> 00:11:05,839

uh object of some type and he managed to

282

00:11:08,630 --> 00:11:06,880

get uh

283

00:11:10,310 --> 00:11:08,640

photographs or at least he claimed that

284

00:11:11,829 --> 00:11:10,320

he did publish a couple of them of the

285

00:11:13,990 --> 00:11:11,839

uh

286

00:11:15,110 --> 00:11:14,000

beings that were or being that was on

287

00:11:19,110 --> 00:11:15,120

board the ship now

288

00:11:21,030 --> 00:11:19,120

what did the aurora alien supposedly

289

00:11:25,990 --> 00:11:21,040

look like

290

00:11:29,430 --> 00:11:26,000

uh small large eyes

291

00:11:32,470 --> 00:11:29,440

tiny openings for ears uh

292

00:11:35,590 --> 00:11:32,480

very small nose your typical gray

293

00:11:39,990 --> 00:11:38,790

would you say about how tall uh four to

294

00:11:41,590 --> 00:11:40,000

five feet

295

00:11:43,350 --> 00:11:41,600

from the from the descriptions they

296

00:11:43,829 --> 00:11:43,360

didn't say that exactly but from what

297

00:11:47,430 --> 00:11:43,839

yeah

298

00:11:50,949 --> 00:11:47,440

they called him a small traveler

299

00:11:52,629 --> 00:11:50,959

um and wearing a bright metallic

300

00:11:54,150 --> 00:11:52,639

that's the title of your book right

301
00:11:56,389 --> 00:11:54,160
traveler traveler

302
00:11:57,829 --> 00:11:56,399
yeah yeah well okay well now i see where

303
00:12:00,389 --> 00:11:57,839
you got the uh the title

304
00:12:01,269 --> 00:12:00,399
did anybody uh well obviously somebody

305
00:12:04,310 --> 00:12:01,279
touched the uh

306
00:12:05,670 --> 00:12:04,320
the uh alien or the being or

307
00:12:08,310 --> 00:12:05,680
whatever he might have been because they

308
00:12:11,190 --> 00:12:08,320
had to put him in a coffin to bury him

309
00:12:11,670 --> 00:12:11,200
is there any description as to what the

310
00:12:15,509 --> 00:12:11,680
uh

311
00:12:18,870 --> 00:12:15,519
that of the skin texture um

312
00:12:20,389 --> 00:12:18,880
uh didn't didn't didn't i've never found

313
00:12:22,870 --> 00:12:20,399

anything that they said the

314

00:12:25,030 --> 00:12:22,880

the skin texture other than uh maybe

315

00:12:28,710 --> 00:12:25,040

scaly

316

00:12:31,509 --> 00:12:28,720

i did see somewhere where it was uh uh

317

00:12:33,750 --> 00:12:31,519

they they they claimed it was a little

318

00:12:37,509 --> 00:12:33,760

on the scaly side

319

00:12:41,590 --> 00:12:37,519

and he was wearing a silver uh silver

320

00:12:44,470 --> 00:12:41,600

one-piece outfit uh very similar in uh

321

00:12:46,470 --> 00:12:44,480

color and structure to the outside of

322

00:12:49,350 --> 00:12:46,480

his craft

323

00:12:50,949 --> 00:12:49,360

now now you say the alien was put on

324

00:12:53,430 --> 00:12:50,959

display on the broad walk

325

00:12:55,110 --> 00:12:53,440

are are we talking that aurora is near a

326

00:12:56,629 --> 00:12:55,120

beach or is that just the term you're

327

00:12:59,670 --> 00:12:56,639

using

328

00:13:01,269 --> 00:12:59,680

uh that's no the boardwalk uh this is an

329

00:13:03,670 --> 00:13:01,279

old west town

330

00:13:04,629 --> 00:13:03,680

so back then when the outlaws would come

331

00:13:07,829 --> 00:13:04,639

into town and get

332

00:13:08,949 --> 00:13:07,839

shot uh they would hang a little sign on

333

00:13:11,350 --> 00:13:08,959

them and put them

334

00:13:12,710 --> 00:13:11,360

on the uh the little uh when i say

335

00:13:15,350 --> 00:13:12,720

boardwalk i just mean

336

00:13:16,949 --> 00:13:15,360

the front porches of the buildings

337

00:13:20,389 --> 00:13:16,959

because they were all in a row yeah

338

00:13:21,190 --> 00:13:20,399

well i'm showing my uh uh uh texas

339

00:13:24,069 --> 00:13:21,200

ignorance but

340

00:13:26,230 --> 00:13:24,079

yes i i know i know what you uh mean it

341

00:13:29,030 --> 00:13:26,240

it kind of kept the mud

342

00:13:31,350 --> 00:13:29,040

away from the uh yeah the the

343

00:13:34,790 --> 00:13:31,360

establishments yeah if you went into a

344

00:13:38,069 --> 00:13:34,800

one of the saloons um

345

00:13:40,310 --> 00:13:38,079

or into the uh bank or something you

346

00:13:44,150 --> 00:13:40,320

have something to uh click your feet on

347

00:13:50,069 --> 00:13:48,069

i would guess uh yeah no well okay so

348

00:13:51,990 --> 00:13:50,079

how seriously do you take this i mean

349

00:13:52,550 --> 00:13:52,000

you you've done a lot of research into

350

00:13:59,110 --> 00:13:52,560

it

351

00:14:00,870 --> 00:13:59,120

a a better than 50 50 chance that this

352

00:14:03,430 --> 00:14:00,880

actually took place

353

00:14:05,829 --> 00:14:03,440

well you know uh it's funny because uh

354

00:14:07,110 --> 00:14:05,839

before when i was doing all my research

355

00:14:10,310 --> 00:14:07,120

for traveler

356

00:14:12,550 --> 00:14:10,320

uh before he passed on i had a

357

00:14:14,790 --> 00:14:12,560

i had a couple of conversations with jim

358

00:14:15,509 --> 00:14:14,800

mars and i guess jim mars probably

359

00:14:18,470 --> 00:14:15,519

didn't

360

00:14:20,949 --> 00:14:18,480

probably did more research and knew more

361

00:14:21,829 --> 00:14:20,959

about the aurora crash than anyone out

362

00:14:24,230 --> 00:14:21,839

there

363

00:14:25,350 --> 00:14:24,240

and uh when i told him what i was doing

364

00:14:27,829 --> 00:14:25,360

he was tickled to

365

00:14:29,990 --> 00:14:27,839

particularly hear that somebody was

366

00:14:32,230 --> 00:14:30,000

making some noise about the aurora

367

00:14:34,310 --> 00:14:32,240

crash because you know it's it's it's

368

00:14:39,189 --> 00:14:34,320

like the forgotten one

369

00:14:42,389 --> 00:14:39,199

and um and uh and he told me

370

00:14:45,189 --> 00:14:42,399

that in the last conversation we had

371

00:14:45,509 --> 00:14:45,199

that uh it had come to light somebody

372

00:14:49,350 --> 00:14:45,519

had

373

00:14:49,829 --> 00:14:49,360

contacted him recently uh that their

374

00:14:56,710 --> 00:14:49,839

great

375

00:14:59,750 --> 00:14:56,720

it along or something

376

00:15:02,790 --> 00:14:59,760

uh a photograph of

377

00:15:05,189 --> 00:15:02,800

the alien in on the boardwalk and like

378

00:15:07,590 --> 00:15:05,199

the sheriff's on one side and

379

00:15:08,790 --> 00:15:07,600

the undertaker's on the other side and

380

00:15:11,670 --> 00:15:08,800

there's a couple of girls in the

381

00:15:14,230 --> 00:15:11,680

background and a dog in the front

382

00:15:15,670 --> 00:15:14,240

and uh it was it was one of those tin

383

00:15:19,189 --> 00:15:15,680

type photographs that

384

00:15:22,550 --> 00:15:19,199

yes yes etched on metal plate or glass

385

00:15:25,189 --> 00:15:22,560

or something yeah yeah somebody had

386

00:15:27,030 --> 00:15:25,199

contacted him and knew enough about it

387

00:15:29,030 --> 00:15:27,040

where it peaked his interest where he

388

00:15:33,110 --> 00:15:29,040

thought it may be a real deal

389

00:15:33,990 --> 00:15:33,120
and he was on the trail of trying to

390

00:15:37,430 --> 00:15:34,000
track this

391

00:15:40,150 --> 00:15:37,440
down now since then you know very

392

00:15:41,110 --> 00:15:40,160
short soon after he passed on and i

393

00:15:44,550 --> 00:15:41,120
haven't heard

394

00:15:46,629 --> 00:15:44,560
anything about this afterwards so

395

00:15:49,749 --> 00:15:46,639
i don't know if he got it and it never

396

00:15:53,110 --> 00:15:49,759
got out if it's still in his

397

00:15:56,629 --> 00:15:53,120
collection or paperwork or if

398

00:15:59,829 --> 00:15:56,639
if he never got it in his hands or

399

00:16:01,990 --> 00:15:59,839
but that was the story he told me

400

00:16:03,829 --> 00:16:02,000
well that that's intriguing indeed i

401
00:16:04,470 --> 00:16:03,839
just thought of another synchronicity

402
00:16:07,509 --> 00:16:04,480
here

403
00:16:07,990 --> 00:16:07,519
the actual uh researcher who i think

404
00:16:10,710 --> 00:16:08,000
wrote

405
00:16:12,550 --> 00:16:10,720
the first article in modern time was a

406
00:16:16,550 --> 00:16:12,560
fellow that i knew by the name of hayden

407
00:16:17,269 --> 00:16:16,560
hughes and the the individual who wrote

408
00:16:21,990 --> 00:16:17,279
the article

409
00:16:24,870 --> 00:16:22,000
in 1897 his name was hayden as well

410
00:16:25,910 --> 00:16:24,880
correct so and hey yeah yeah so you've

411
00:16:28,389 --> 00:16:25,920
got you've got two

412
00:16:30,790 --> 00:16:28,399
now if they were related and the

413
00:16:32,069 --> 00:16:30,800

proctors were related

414

00:16:34,230 --> 00:16:32,079

i don't know what that would prove it

415

00:16:34,790 --> 00:16:34,240

would be approved like i've always said

416

00:16:37,749 --> 00:16:34,800

that we're

417

00:16:39,990 --> 00:16:37,759

living in a computer simulation or the

418

00:16:42,790 --> 00:16:40,000

matrix or something really really

419

00:16:43,990 --> 00:16:42,800

bizarre is going on here but something

420

00:16:46,710 --> 00:16:44,000

like that would probably

421

00:16:47,990 --> 00:16:46,720

be we'd have to find somebody who was

422

00:16:50,150 --> 00:16:48,000

into

423

00:16:51,189 --> 00:16:50,160

doing research along that line which is

424

00:16:52,949 --> 00:16:51,199

not quite my

425

00:16:54,550 --> 00:16:52,959

uh cup of tea but it's it's certainly

426

00:16:57,990 --> 00:16:54,560

worth the uh

427

00:17:00,470 --> 00:16:58,000

getting into so now the uh the um

428

00:17:01,189 --> 00:17:00,480

uh the corpse of the dead little alien

429

00:17:03,910 --> 00:17:01,199

uh

430

00:17:05,110 --> 00:17:03,920

was put into the cemetery in fact in our

431

00:17:08,150 --> 00:17:05,120

book there is a

432

00:17:09,189 --> 00:17:08,160

photographs a photograph of you standing

433

00:17:11,909 --> 00:17:09,199

next to

434

00:17:14,470 --> 00:17:11,919

what i believe is an impromptu grave

435

00:17:16,789 --> 00:17:14,480

it's not the original but it must be one

436

00:17:17,829 --> 00:17:16,799

uh i don't know whether you set it up or

437

00:17:20,150 --> 00:17:17,839

or tourists

438

00:17:23,429 --> 00:17:20,160

did and you're standing right next to it

439

00:17:27,029 --> 00:17:23,439

what happened to the original tombstone

440

00:17:29,990 --> 00:17:27,039

the original tombstone from 1897

441

00:17:31,590 --> 00:17:30,000

uh was a very inexpensive because the

442

00:17:32,630 --> 00:17:31,600

you know the town was broken nobody had

443

00:17:34,150 --> 00:17:32,640

any money so they

444

00:17:35,990 --> 00:17:34,160

nobody's gonna spend any money on

445

00:17:39,190 --> 00:17:36,000

gravestone for this

446

00:17:43,029 --> 00:17:39,200

this thing um it was a very thin

447

00:17:46,150 --> 00:17:43,039

very cheap uh stone but it was

448

00:17:49,350 --> 00:17:46,160

a stone and uh on it

449

00:17:53,430 --> 00:17:49,360

they had carved uh a depiction

450

00:17:54,630 --> 00:17:53,440

of what his craft looked like uh a cigar

451

00:17:58,150 --> 00:17:54,640

[h__\h] you know i

452

00:18:01,270 --> 00:17:58,160

i i i hesitate to use this cigar

453

00:18:05,029 --> 00:18:01,280

shape but anyway uh his craft

454

00:18:07,750 --> 00:18:05,039

with two light round

455

00:18:10,150 --> 00:18:07,760

porthole type lights in it uh a

456

00:18:12,950 --> 00:18:10,160

depiction of what he crashed in

457

00:18:13,669 --> 00:18:12,960

the original stone uh and there's a

458

00:18:16,789 --> 00:18:13,679

photograph

459

00:18:17,110 --> 00:18:16,799

of it in yeah uh in the in the mid to

460

00:18:21,510 --> 00:18:17,120

late

461

00:18:24,630 --> 00:18:21,520

50s of a young man with uh you know 1957

462

00:18:25,669 --> 00:18:24,640

attire on kneeling beside it at that

463

00:18:28,789 --> 00:18:25,679

time

464

00:18:29,750 --> 00:18:28,799

uh since 1897 it had deteriorated so

465

00:18:32,230 --> 00:18:29,760

much

466

00:18:33,270 --> 00:18:32,240

about that hat yeah that about half of

467

00:18:36,470 --> 00:18:33,280

the stone

468

00:18:39,190 --> 00:18:36,480

had literally uh eroded away so that

469

00:18:42,310 --> 00:18:39,200

only half of it was left at the time

470

00:18:45,029 --> 00:18:42,320

um in 1973 when upi

471

00:18:47,190 --> 00:18:45,039

picked up the story and uh all the hoop

472

00:18:47,669 --> 00:18:47,200

law started and everybody went out there

473

00:18:52,549 --> 00:18:47,679

and

474

00:18:55,110 --> 00:18:52,559

everything someone stole that

475

00:18:56,310 --> 00:18:55,120

uh original stone in the in the middle

476
00:19:00,710 --> 00:18:56,320
of the night

477
00:19:03,909 --> 00:19:00,720
uh-huh so after the thing settled down

478
00:19:05,029 --> 00:19:03,919
uh the the aurora the city of aurora

479
00:19:08,150 --> 00:19:05,039
made another one

480
00:19:08,950 --> 00:19:08,160
sort of a duplicate of that and it was

481
00:19:12,710 --> 00:19:08,960
there until

482
00:19:15,830 --> 00:19:12,720
i think 2006 or seven and it was stole

483
00:19:18,870 --> 00:19:15,840
as well yeah so yeah so

484
00:19:19,990 --> 00:19:18,880
now they have that boulder they they

485
00:19:23,270 --> 00:19:20,000
move that huge

486
00:19:24,470 --> 00:19:23,280
boulder in there on top of the grave and

487
00:19:26,710 --> 00:19:24,480
uh

488
00:19:28,070 --> 00:19:26,720

i and like you said since i've been on

489

00:19:30,470 --> 00:19:28,080

your show the last time

490

00:19:33,190 --> 00:19:30,480

i was lucky enough to visit there a

491

00:19:36,549 --> 00:19:33,200

couple years ago

492

00:19:37,510 --> 00:19:36,559

and people from all over the country

493

00:19:41,029 --> 00:19:37,520

stopped

494

00:19:44,070 --> 00:19:41,039

oh yeah and visit and leave

495

00:19:47,350 --> 00:19:44,080

little trinkets on it uh little alien

496

00:19:50,950 --> 00:19:47,360

trinkets or coins or stuff uh

497

00:19:52,549 --> 00:19:50,960

so he is far from forgotten

498

00:19:54,630 --> 00:19:52,559

you know it's interesting we talked

499

00:19:58,230 --> 00:19:54,640

about the uh the craft uh

500

00:19:58,549 --> 00:19:58,240

hitting um judge proctor's uh a windmill

501
00:20:00,310 --> 00:19:58,559
but

502
00:20:02,390 --> 00:20:00,320
there have been over the uh over the

503
00:20:05,669 --> 00:20:02,400
years uh a number of cases

504
00:20:08,950 --> 00:20:05,679
uh involving ufos and accidents

505
00:20:10,710 --> 00:20:08,960
with the windmills crashing into them

506
00:20:12,630 --> 00:20:10,720
and more recently since we don't have

507
00:20:13,830 --> 00:20:12,640
that many uh windmills we have wind

508
00:20:16,789 --> 00:20:13,840
turbines

509
00:20:17,669 --> 00:20:16,799
which is the modern day version of a

510
00:20:20,549 --> 00:20:17,679
windmill

511
00:20:22,789 --> 00:20:20,559
and we've got any number of cases uh i

512
00:20:25,909 --> 00:20:22,799
think one or two here in the u.s but

513
00:20:27,830 --> 00:20:25,919

uh mainly in england where something or

514

00:20:30,630 --> 00:20:27,840

other crashed into one of the

515

00:20:31,590 --> 00:20:30,640

turbine blades and turned it into a

516

00:20:35,270 --> 00:20:31,600

pretzel

517

00:20:38,710 --> 00:20:35,280

uh in fact the case made the front page

518

00:20:40,070 --> 00:20:38,720

of the um one of the british tabloids

519

00:20:42,870 --> 00:20:40,080

the sun i think it is

520

00:20:44,310 --> 00:20:42,880

and uh uh i've even seen a couple of

521

00:20:46,789 --> 00:20:44,320

clips from the uh

522

00:20:48,149 --> 00:20:46,799

for the uk you know that we're on i

523

00:20:49,830 --> 00:20:48,159

guess we're on youtube now but

524

00:20:50,549 --> 00:20:49,840

originally were broadcast at one of the

525

00:20:52,630 --> 00:20:50,559

stations

526

00:20:54,310 --> 00:20:52,640

uh there and and there were ufo

527

00:20:55,270 --> 00:20:54,320

sightings involved i mean it wasn't just

528

00:20:58,710 --> 00:20:55,280

that uh

529

00:21:02,149 --> 00:20:58,720

uh you know uh something hit the um

530

00:21:04,149 --> 00:21:02,159

the wind turbine but uh people had seen

531

00:21:05,990 --> 00:21:04,159

strange objects in the sky now

532

00:21:08,149 --> 00:21:06,000

the skeptics were saying oh it was just

533

00:21:12,870 --> 00:21:08,159

the fireworks display but the people

534

00:21:16,149 --> 00:21:15,669

suggested uh otherwise did you ever come

535

00:21:17,830 --> 00:21:16,159

across

536

00:21:19,830 --> 00:21:17,840

any other cases in your own

537

00:21:23,590 --> 00:21:19,840

investigation

538

00:21:26,870 --> 00:21:23,600

no no uh i i i heard

539

00:21:29,270 --> 00:21:26,880

basically what you just said but uh i

540

00:21:29,990 --> 00:21:29,280

but you know other ones that i could

541

00:21:32,710 --> 00:21:30,000

bring up i

542

00:21:33,990 --> 00:21:32,720

don't i've never heard of anymore uh it

543

00:21:36,630 --> 00:21:34,000

does seem like that

544

00:21:38,230 --> 00:21:36,640

several have been crashed into over the

545

00:21:41,430 --> 00:21:38,240

over the

546

00:21:44,390 --> 00:21:41,440

last year i guess they're

547

00:21:46,630 --> 00:21:44,400

they're big and tall and maybe the

548

00:21:48,070 --> 00:21:46,640

aliens don't know what they are or or

549

00:21:49,990 --> 00:21:48,080

maybe they're trying to

550

00:21:51,110 --> 00:21:50,000

to suck some sort of energy out of it

551

00:21:53,110 --> 00:21:51,120

although i wouldn't think that a

552

00:21:55,830 --> 00:21:53,120

windmill or a turbine would have

553

00:21:58,070 --> 00:21:55,840

that much uh energy with there's a new

554

00:22:00,630 --> 00:21:58,080

movie out about ufos and volcanoes

555

00:22:03,270 --> 00:22:00,640

the ufos are seen going into these you

556

00:22:04,710 --> 00:22:03,280

know volcanoes during eruption time

557

00:22:07,190 --> 00:22:04,720

and that would seem to have a heck of a

558

00:22:10,710 --> 00:22:07,200

lot more energy involved in it

559

00:22:11,430 --> 00:22:10,720

than a uh than a a wind mill or a wind a

560

00:22:15,430 --> 00:22:11,440

turbine

561

00:22:19,510 --> 00:22:15,440

of wood um anybody ever interview

562

00:22:21,669 --> 00:22:19,520

the judge himself um

563

00:22:23,590 --> 00:22:21,679

he was out of town the judge was out of

564

00:22:27,110 --> 00:22:23,600

town when this happened

565

00:22:29,029 --> 00:22:27,120

and he only got back a day or two after

566

00:22:30,230 --> 00:22:29,039

all this was over with they i think they

567

00:22:34,789 --> 00:22:30,240

had already

568

00:22:40,390 --> 00:22:38,070

and um oh okay so whether

569

00:22:41,430 --> 00:22:40,400

how many witnesses were actually you say

570

00:22:44,149 --> 00:22:41,440

bury the uh

571

00:22:45,909 --> 00:22:44,159

the alien and there's a a woodcutter too

572

00:22:47,270 --> 00:22:45,919

in the in the book it shows that the

573

00:22:50,390 --> 00:22:47,280

town folks or

574

00:22:50,870 --> 00:22:50,400

whoever might be in the illustration uh

575

00:22:54,070 --> 00:22:50,880

with the

576

00:22:56,549 --> 00:22:54,080

the coffin were any other witnesses

577

00:22:58,070 --> 00:22:56,559

ever mentioned did you do any research

578

00:23:01,430 --> 00:22:58,080

into that trying to

579

00:23:04,230 --> 00:23:01,440

collaborate it well the newspaper uh

580

00:23:06,630 --> 00:23:04,240

reported at the time that people from

581

00:23:07,510 --> 00:23:06,640

all over the area had were gathering in

582

00:23:10,630 --> 00:23:07,520

aurora

583

00:23:11,190 --> 00:23:10,640

to see the craft with the remains of the

584

00:23:14,630 --> 00:23:11,200

craft

585

00:23:16,470 --> 00:23:14,640

and the fallen alien or a frog or

586

00:23:18,230 --> 00:23:16,480

fallen traveler however you want to

587

00:23:20,310 --> 00:23:18,240

describe him because they didn't

588

00:23:21,990 --> 00:23:20,320

they didn't have the word alien to use

589

00:23:24,310 --> 00:23:22,000

at that time

590

00:23:25,510 --> 00:23:24,320

but i wouldn't guess not no all right

591

00:23:28,149 --> 00:23:25,520

gentlemen

592

00:23:29,029 --> 00:23:28,159

because we have to go to our bottom of

593

00:23:31,270 --> 00:23:29,039

the hour break

594

00:23:32,310 --> 00:23:31,280

when we come back we will continue our

595

00:23:36,070 --> 00:23:32,320

conversation

596

00:23:38,789 --> 00:23:36,080

about the aurora texas ufo crash

597

00:23:40,710 --> 00:23:38,799

stay tuned for more welcome back to

598

00:23:42,070 --> 00:23:40,720

exploring the bazaar i'm tim schwartz

599

00:23:45,430 --> 00:23:42,080

tonight our guest

600

00:23:47,510 --> 00:23:45,440

is carrie trent haggard

601
00:23:48,470 --> 00:23:47,520
and he is the author of the novel

602
00:23:51,669 --> 00:23:48,480
traveler

603
00:23:52,789 --> 00:23:51,679
uh which is based on the aurora texas

604
00:23:56,630 --> 00:23:52,799
ufo crash

605
00:24:00,630 --> 00:23:56,640
of 1897. and of course uh

606
00:24:03,110 --> 00:24:00,640
uh uh kerry is featured in a section of

607
00:24:03,990 --> 00:24:03,120
our new book alien lives matter it's

608
00:24:06,950 --> 00:24:04,000
okay to be

609
00:24:08,029 --> 00:24:06,960
gray now on sale at your favorite

610
00:24:11,750 --> 00:24:08,039
bookstore

611
00:24:15,110 --> 00:24:11,760
amazon.com so uh carrie

612
00:24:16,310 --> 00:24:15,120
um i'm i'm interested in there's a it in

613
00:24:17,990 --> 00:24:16,320

your bio that

614

00:24:20,230 --> 00:24:18,000

that i read at the beginning of the show

615

00:24:23,350 --> 00:24:20,240

uh you mentioned

616

00:24:24,390 --> 00:24:23,360

your own ufo experience uh where you

617

00:24:27,590 --> 00:24:24,400

said that you saw

618

00:24:29,510 --> 00:24:27,600

a a ufo land uh uh

619

00:24:32,070 --> 00:24:29,520

in in your hometown why don't you tell

620

00:24:35,750 --> 00:24:32,080

us a little bit about that

621

00:24:38,870 --> 00:24:35,760

you know that was uh the the most uh

622

00:24:41,510 --> 00:24:38,880

prevalent memory of my childhood uh

623

00:24:42,710 --> 00:24:41,520

i'll never forget it as long as i live

624

00:24:44,390 --> 00:24:42,720

my dad

625

00:24:46,630 --> 00:24:44,400

he worked for the local police

626

00:24:48,549 --> 00:24:46,640

department now this is a little town in

627

00:24:51,430 --> 00:24:48,559

northeast georgia called commerce

628

00:24:54,470 --> 00:24:51,440

georgia so it's in a little peanut town

629

00:24:57,350 --> 00:24:54,480

uh and he worked for the local uh police

630

00:25:00,470 --> 00:24:57,360

department which was more or less a uh

631

00:25:04,310 --> 00:25:00,480

old renovated filling station

632

00:25:06,630 --> 00:25:04,320

and this was 1973 during the

633

00:25:11,110 --> 00:25:06,640

what they call the great wave of the

634

00:25:14,149 --> 00:25:11,120

great ufo wave of 1973-74

635

00:25:16,230 --> 00:25:14,159

and there had been ufo reports all

636

00:25:19,029 --> 00:25:16,240

over the country but we had had a lot of

637

00:25:22,310 --> 00:25:19,039

those in northeast georgia

638

00:25:23,510 --> 00:25:22,320

it was really the talk and uh one night

639

00:25:26,870 --> 00:25:23,520

he was on duty

640

00:25:30,549 --> 00:25:26,880

and uh calls started

641

00:25:33,510 --> 00:25:30,559

calls started coming in that a ufo

642

00:25:35,669 --> 00:25:33,520

had landed at the medical center clinic

643

00:25:38,390 --> 00:25:35,679

now the medical center clinic was a

644

00:25:40,390 --> 00:25:38,400

a big building of doctors offices right

645

00:25:43,029 --> 00:25:40,400

across the street from the hospital

646

00:25:44,950 --> 00:25:43,039

just so happened my mom worked at the

647

00:25:46,870 --> 00:25:44,960

medical center medical center clinic

648

00:25:50,630 --> 00:25:46,880

she'd been nurse there for

649

00:25:53,750 --> 00:25:50,640

10 or 15 years so uh

650

00:25:55,029 --> 00:25:53,760

we went tearing off over there and as we

651
00:25:58,149 --> 00:25:55,039
got there there was

652
00:26:01,350 --> 00:25:58,159
uh one police car and uh

653
00:26:03,430 --> 00:26:01,360
a fire truck and three or four other

654
00:26:05,909 --> 00:26:03,440
people that had probably heard the same

655
00:26:10,149 --> 00:26:05,919
thing on their police band radio

656
00:26:13,190 --> 00:26:10,159
um and the there was no ufo

657
00:26:17,029 --> 00:26:13,200
but in the corner of the parking lot

658
00:26:21,669 --> 00:26:17,039
there was a huge smoking

659
00:26:25,750 --> 00:26:21,679
circle uh the uh that's probably 30 feet

660
00:26:28,789 --> 00:26:25,760
around and it we all walked up

661
00:26:31,430 --> 00:26:28,799
and looked at it and saw it and there

662
00:26:33,750 --> 00:26:31,440
were molten drops of metal that looked

663
00:26:36,390 --> 00:26:33,760

like silver or lead

664

00:26:37,669 --> 00:26:36,400

all the way around and the pavement was

665

00:26:40,789 --> 00:26:37,679

red-hot

666

00:26:41,590 --> 00:26:40,799

and it literally burned hole in the

667

00:26:45,029 --> 00:26:41,600

asphalt

668

00:26:48,149 --> 00:26:45,039

parking lot so um you know i

669

00:26:50,230 --> 00:26:48,159

that to me was about as much

670

00:26:53,190 --> 00:26:50,240

proof as you could ever get without

671

00:26:56,070 --> 00:26:53,200

actually seeing the thing

672

00:26:57,510 --> 00:26:56,080

land or take off or sitting there

673

00:27:00,230 --> 00:26:57,520

because in the short time

674

00:27:02,470 --> 00:27:00,240

that these people had called in saying

675

00:27:06,549 --> 00:27:02,480

that this

676
00:27:07,110 --> 00:27:06,559
flying saucer had landed that uh we got

677
00:27:09,110 --> 00:27:07,120
over there

678
00:27:10,630 --> 00:27:09,120
then it had took you know landed and

679
00:27:13,830 --> 00:27:10,640
then took off again

680
00:27:16,549 --> 00:27:13,840
and uh just as a footnote to that uh

681
00:27:18,070 --> 00:27:16,559
the next day half the town was over

682
00:27:19,669 --> 00:27:18,080
there looking at that because you know

683
00:27:21,909 --> 00:27:19,679
little town rumors really get

684
00:27:22,950 --> 00:27:21,919
really really start flying people hear

685
00:27:25,269 --> 00:27:22,960
all about it

686
00:27:26,789 --> 00:27:25,279
and in the middle of the night on sunday

687
00:27:30,389 --> 00:27:26,799
night no less

688
00:27:34,149 --> 00:27:30,399

uh that whole

689

00:27:36,549 --> 00:27:34,159

parking lot was repaved so

690

00:27:37,510 --> 00:27:36,559

that entire section where all this

691

00:27:39,590 --> 00:27:37,520

happened and

692

00:27:40,870 --> 00:27:39,600

all the traffic was going over to take a

693

00:27:43,590 --> 00:27:40,880

look at it was

694

00:27:45,190 --> 00:27:43,600

repaved and covered up so it was you

695

00:27:47,590 --> 00:27:45,200

know it was only

696

00:27:48,710 --> 00:27:47,600

available to see there for a very short

697

00:27:52,149 --> 00:27:48,720

time before

698

00:27:53,510 --> 00:27:52,159

whoever ordered that parking lot repaid

699

00:27:55,350 --> 00:27:53,520

and in the middle of the night like i

700

00:27:57,110 --> 00:27:55,360

said it was like the next morning

701
00:27:58,549 --> 00:27:57,120
people were going to work and looking

702
00:28:02,070 --> 00:27:58,559
over there and the parking lots were

703
00:28:03,750 --> 00:28:02,080
re-assaulted that was going to be my

704
00:28:04,070 --> 00:28:03,760
second question how long did it take him

705
00:28:10,549 --> 00:28:04,080
to

706
00:28:13,430 --> 00:28:10,559
about three days about

707
00:28:15,990 --> 00:28:13,440
three days and and a crew had moved in

708
00:28:18,310 --> 00:28:16,000
there on sunday night

709
00:28:21,830 --> 00:28:18,320
and by the next morning it was done and

710
00:28:25,830 --> 00:28:23,190
well you know that i mean that's that's

711
00:28:30,070 --> 00:28:25,840
around the same time period of the uh

712
00:28:33,909 --> 00:28:30,080
famous uh pascagoula ufo case

713
00:28:36,470 --> 00:28:33,919

uh that uh yeah hey hey you know

714

00:28:36,950 --> 00:28:36,480

you you remember they also did that in

715

00:28:49,430 --> 00:28:36,960

the

716

00:28:51,669 --> 00:28:49,440

down in virginia

717

00:28:52,470 --> 00:28:51,679

where this uh thing had left a uh a

718

00:28:54,470 --> 00:28:52,480

circular

719

00:28:56,630 --> 00:28:54,480

mark um on the uh i was going to say

720

00:29:00,310 --> 00:28:56,640

highway but it probably a side road

721

00:29:02,230 --> 00:29:00,320

and they came and and paved it now

722

00:29:04,310 --> 00:29:02,240

you mean to tell tell me that the the

723

00:29:05,110 --> 00:29:04,320

roads department is in collusion with

724

00:29:07,669 --> 00:29:05,120

the uh

725

00:29:08,950 --> 00:29:07,679

uh the military that's kind of hard to

726

00:29:10,870 --> 00:29:08,960

swallow but i guess

727

00:29:11,990 --> 00:29:10,880

they have their own road crew that comes

728

00:29:15,029 --> 00:29:12,000

out in the middle of the night

729

00:29:15,510 --> 00:29:15,039

with entire everything down i guess i

730

00:29:19,510 --> 00:29:15,520

don't know

731

00:29:22,149 --> 00:29:19,520

very strange right well you know what

732

00:29:23,669 --> 00:29:22,159

go ahead i was going to say you know i

733

00:29:25,590 --> 00:29:23,679

was just going

734

00:29:27,269 --> 00:29:25,600

you get the military call up some

735

00:29:29,110 --> 00:29:27,279

asphalting company

736

00:29:31,190 --> 00:29:29,120

and say uh you know it doesn't matter

737

00:29:32,950 --> 00:29:31,200

what it costs you're going to be there

738

00:29:34,630 --> 00:29:32,960

at this time and you're going to do this

739

00:29:39,350 --> 00:29:34,640

job from from

740

00:29:44,389 --> 00:29:42,710

yeah exactly and plus if uh the case in

741

00:29:47,029 --> 00:29:44,399

your town if that happened in

742

00:29:49,029 --> 00:29:47,039

you know like a private parking lot it

743

00:29:52,070 --> 00:29:49,039

could very well been you know the the

744

00:29:53,909 --> 00:29:52,080

the owners just tired of people coming

745

00:29:55,269 --> 00:29:53,919

around you know blocking everything and

746

00:29:55,909 --> 00:29:55,279

looking at it and just like you know

747

00:29:59,269 --> 00:29:55,919

let's just

748

00:30:03,510 --> 00:30:01,909

possibly but that whole facility was

749

00:30:08,950 --> 00:30:03,520

owned by the hospital

750

00:30:10,789 --> 00:30:08,960

so um you know i i never heard that

751

00:30:13,029 --> 00:30:10,799

mention before i guess it is a

752

00:30:15,029 --> 00:30:13,039

possibility but

753

00:30:17,029 --> 00:30:15,039

nobody ever come out and said well the

754

00:30:17,750 --> 00:30:17,039

hospital had it done to quieten things

755

00:30:20,389 --> 00:30:17,760

down

756

00:30:20,789 --> 00:30:20,399

now the hospital was getting more uh

757

00:30:22,710 --> 00:30:20,799

more

758

00:30:26,710 --> 00:30:22,720

advertising from that and they've got a

759

00:30:30,230 --> 00:30:29,269

come to have your appendix out and look

760

00:30:34,710 --> 00:30:30,240

at the

761

00:30:41,029 --> 00:30:37,909

just as a footnote uh in the

762

00:30:43,430 --> 00:30:41,039

in the ufo annals

763

00:30:45,190 --> 00:30:43,440

there was a uh another sighting in

764

00:30:47,190 --> 00:30:45,200

danielsville georgia

765

00:30:49,669 --> 00:30:47,200

at almost exactly the same time well

766

00:30:51,510 --> 00:30:49,679

danielsville georgia is 20 miles

767

00:30:52,950 --> 00:30:51,520

from commerce so it was during that

768

00:30:56,230 --> 00:30:52,960

exact same time

769

00:30:58,470 --> 00:30:56,240

that uh some people claimed that a ufo

770

00:31:00,870 --> 00:30:58,480

landed in the middle of the road

771

00:31:03,350 --> 00:31:00,880

uh was when this happened so it was

772

00:31:08,149 --> 00:31:03,360

there have been a lot of reports

773

00:31:13,590 --> 00:31:08,159

going on in our area during that time

774

00:31:17,269 --> 00:31:15,269

there there was a lot of activity

775

00:31:20,310 --> 00:31:17,279

especially

776

00:31:21,430 --> 00:31:20,320

down south you know florida georgia you

777

00:31:24,870 --> 00:31:21,440

know mississippi

778

00:31:27,750 --> 00:31:24,880

uh tennessee places places like that

779

00:31:28,630 --> 00:31:27,760

so so yeah that's uh that's really

780

00:31:32,549 --> 00:31:28,640

interesting

781

00:31:35,509 --> 00:31:32,559

but um now let's talk about your friend

782

00:31:35,909 --> 00:31:35,519

uh john cochran now he was the one who

783

00:31:39,830 --> 00:31:35,919

uh

784

00:31:41,909 --> 00:31:39,840

crash

785

00:31:43,990 --> 00:31:41,919

yeah he he told me about it i've never

786

00:31:47,269 --> 00:31:44,000

heard about it before and uh

787

00:31:48,870 --> 00:31:47,279

and uh you know he's uh he was an outlaw

788

00:31:51,029 --> 00:31:48,880

biker for

789

00:31:53,110 --> 00:31:51,039

uh most of his youth so he had some

790

00:31:55,029 --> 00:31:53,120

really good stories to tell and

791

00:31:56,950 --> 00:31:55,039

i wanted to incorporate them into

792

00:31:59,110 --> 00:31:56,960

something that i was doing and when

793

00:32:00,389 --> 00:31:59,120

he told me about this aurora thing he

794

00:32:04,230 --> 00:32:00,399

just all sort of fell

795

00:32:07,909 --> 00:32:04,240

together so the book is uh

796

00:32:11,269 --> 00:32:07,919

um uh is it is not only a uh

797

00:32:11,990 --> 00:32:11,279

a novel but it's a very historically

798

00:32:14,470 --> 00:32:12,000

accurate

799

00:32:15,990 --> 00:32:14,480

telling of the ros of the roswell of the

800

00:32:19,190 --> 00:32:16,000

aurora crash

801
00:32:22,230 --> 00:32:19,200
but with a twist you know it is a novel

802
00:32:25,269 --> 00:32:22,240
so uh the ending of it is certainly not

803
00:32:27,590 --> 00:32:25,279
what happened in real life and in in the

804
00:32:29,590 --> 00:32:27,600
situation that there is today

805
00:32:31,669 --> 00:32:29,600
but i did want to make an entertaining

806
00:32:34,149 --> 00:32:31,679
story because the whole idea was

807
00:32:35,750 --> 00:32:34,159
a uh was a screenplay and i had a hell

808
00:32:37,509 --> 00:32:35,760
of a good screenplay

809
00:32:39,990 --> 00:32:37,519
written for it if i could ever find the

810
00:32:40,549 --> 00:32:40,000
right person to pick it up and run with

811
00:32:44,710 --> 00:32:40,559
it

812
00:32:49,990 --> 00:32:44,720
pretty

813
00:32:51,669 --> 00:32:50,000

has anybody expressed any kind of

814

00:32:53,350 --> 00:32:51,679

interest at all and uh

815

00:32:55,110 --> 00:32:53,360

uh taking an option out on the

816

00:32:57,110 --> 00:32:55,120

screenplay no

817

00:32:58,710 --> 00:32:57,120

not yet i'm still looking so uh

818

00:33:00,470 --> 00:32:58,720

hopefully somebody out there will hear

819

00:33:03,830 --> 00:33:00,480

it and say oh i want to read that

820

00:33:06,310 --> 00:33:03,840

so you know i'd be more than glad to uh

821

00:33:07,269 --> 00:33:06,320

let them smoke it over and see what they

822

00:33:10,070 --> 00:33:07,279

think

823

00:33:11,590 --> 00:33:10,080

well it's a it's a great story and and i

824

00:33:12,870 --> 00:33:11,600

agree with you i mean that's that would

825

00:33:14,549 --> 00:33:12,880

be something that would that would

826

00:33:17,669 --> 00:33:14,559

really make a uh

827

00:33:20,389 --> 00:33:17,679

uh a fantastic movie

828

00:33:21,990 --> 00:33:20,399

yeah that was the whole idea the novel

829

00:33:23,990 --> 00:33:22,000

was sort of a second thought

830

00:33:25,350 --> 00:33:24,000

because after i had the screenplay

831

00:33:26,789 --> 00:33:25,360

written then a few people read it

832

00:33:29,190 --> 00:33:26,799

they're like oh my god you got to

833

00:33:29,990 --> 00:33:29,200

you have to expand this a little bit and

834

00:33:31,269 --> 00:33:30,000

uh and

835

00:33:33,509 --> 00:33:31,279

of course a little bit turned into

836

00:33:36,149 --> 00:33:33,519

another year uh and

837

00:33:37,029 --> 00:33:36,159

and and uh put this into a book and so

838

00:33:39,350 --> 00:33:37,039

that's that's

839

00:33:41,269 --> 00:33:39,360

how it all came about well and what's

840

00:33:43,029 --> 00:33:41,279

the what's been the reaction

841

00:33:45,029 --> 00:33:43,039

uh to the novel because you know i think

842

00:33:47,350 --> 00:33:45,039

when we had you on the first time

843

00:33:48,549 --> 00:33:47,360

you had just uh uh you just put in it

844

00:33:50,630 --> 00:33:48,559

put it out

845

00:33:52,149 --> 00:33:50,640

so you know now that some time has

846

00:33:53,509 --> 00:33:52,159

passed has uh

847

00:33:56,070 --> 00:33:53,519

have you gotten a lot of good response

848

00:33:58,549 --> 00:33:56,080

for it well it's been a slow

849

00:34:01,190 --> 00:33:58,559

seller as a matter of fact uh flying

850

00:34:03,269 --> 00:34:01,200

this press over in england that

851
00:34:04,710 --> 00:34:03,279
published it originally has moved on to

852
00:34:08,149 --> 00:34:04,720
other things and so

853
00:34:08,550 --> 00:34:08,159
it's back in my hands now uh i'm looking

854
00:34:12,069 --> 00:34:08,560
for

855
00:34:15,270 --> 00:34:12,079
a new publisher that will take it and uh

856
00:34:15,750 --> 00:34:15,280
do the uh the just deserve to it that it

857
00:34:18,470 --> 00:34:15,760
needs

858
00:34:18,790 --> 00:34:18,480
so uh again anybody out there i'll tell

859
00:34:21,990 --> 00:34:18,800
you

860
00:34:24,790 --> 00:34:22,000
might be interested in

861
00:34:26,230 --> 00:34:24,800
okay all right well good enough man

862
00:34:27,589 --> 00:34:26,240
that's good i'd be more than glad to

863
00:34:28,069 --> 00:34:27,599

send them a copy and let them run with

864

00:34:32,710 --> 00:34:28,079

it

865

00:34:34,629 --> 00:34:32,720

in my hands and uh

866

00:34:35,909 --> 00:34:34,639

i would like to do it like i said the

867

00:34:38,389 --> 00:34:35,919

the this time

868

00:34:40,629 --> 00:34:38,399

the way it uh the way it really deserves

869

00:34:43,109 --> 00:34:40,639

to be done and get it some publicity and

870

00:34:45,750 --> 00:34:43,119

get it rolling

871

00:34:46,470 --> 00:34:45,760

all right well it's uh let's hope that

872

00:34:49,909 --> 00:34:46,480

uh

873

00:34:53,270 --> 00:34:49,919

that that can happen for you um so

874

00:34:56,629 --> 00:34:53,280

getting back to the actual um

875

00:35:00,069 --> 00:34:59,510

the research that you have done about

876

00:35:01,910 --> 00:35:00,079

this

877

00:35:04,550 --> 00:35:01,920

and and i know that uh you know

878

00:35:06,790 --> 00:35:04,560

considering where this happened in texas

879

00:35:07,670 --> 00:35:06,800

when it happened in texas you know the

880

00:35:10,710 --> 00:35:07,680

the

881

00:35:14,829 --> 00:35:10,720

information really is is

882

00:35:16,870 --> 00:35:14,839

difficult to to to come by

883

00:35:19,910 --> 00:35:16,880

uh has

884

00:35:21,270 --> 00:35:19,920

was there any indication when you were

885

00:35:24,310 --> 00:35:21,280

doing the research

886

00:35:27,270 --> 00:35:24,320

on on the reaction of

887

00:35:29,109 --> 00:35:27,280

uh the the townspeople the the the

888

00:35:29,589 --> 00:35:29,119

people who discovered this because i

889

00:35:32,310 --> 00:35:29,599

mean

890

00:35:33,430 --> 00:35:32,320

you know nowadays if something like that

891

00:35:36,550 --> 00:35:33,440

would happen

892

00:35:39,109 --> 00:35:36,560

i mean we've all grown up with the idea

893

00:35:40,950 --> 00:35:39,119

of of the possibility i mean very good

894

00:35:43,109 --> 00:35:40,960

possibility of

895

00:35:44,150 --> 00:35:43,119

people from other planets in outer space

896

00:35:47,270 --> 00:35:44,160

and

897

00:35:49,750 --> 00:35:47,280

things like that but in 1897

898

00:35:51,270 --> 00:35:49,760

you know the the idea was being kicked

899

00:35:51,670 --> 00:35:51,280

around at the time that there could be

900

00:35:54,870 --> 00:35:51,680

life

901
00:35:58,470 --> 00:35:54,880
on mars but that still was pretty

902
00:36:01,430 --> 00:35:58,480
far out there i mean do you do you

903
00:36:02,310 --> 00:36:01,440
think that that was the first thing that

904
00:36:05,270 --> 00:36:02,320
came to people

905
00:36:06,390 --> 00:36:05,280
people's mind when they came across this

906
00:36:08,069 --> 00:36:06,400
that you know this is

907
00:36:09,910 --> 00:36:08,079
this is you know like a little man from

908
00:36:13,109 --> 00:36:09,920
mars or or

909
00:36:14,630 --> 00:36:13,119
or what well that's exactly what came

910
00:36:16,550 --> 00:36:14,640
across their mind because it was

911
00:36:20,069 --> 00:36:16,560
actually written in the newspaper

912
00:36:22,069 --> 00:36:20,079
that the inhabitant it was the uh the uh

913
00:36:23,589 --> 00:36:22,079

the the fallen traveler was an

914

00:36:26,069 --> 00:36:23,599

inhabitant of the planet

915

00:36:27,589 --> 00:36:26,079

mars well now at the time they they

916

00:36:29,589 --> 00:36:27,599

didn't realize that there was a whole

917

00:36:32,150 --> 00:36:29,599

lot more out there than mars

918

00:36:33,030 --> 00:36:32,160

and survivors from the time that were

919

00:36:36,390 --> 00:36:33,040

children

920

00:36:38,630 --> 00:36:36,400

uh were interviewed in the 70s during

921

00:36:40,390 --> 00:36:38,640

all this when it uh when it was all

922

00:36:43,670 --> 00:36:40,400

fired up and uh

923

00:36:46,390 --> 00:36:43,680

they described that uh that

924

00:36:47,910 --> 00:36:46,400

uh they knew that it was a uh and they

925

00:36:49,910 --> 00:36:47,920

of course they didn't have the

926

00:36:51,589 --> 00:36:49,920

the verbiage at that time but that it

927

00:36:53,910 --> 00:36:51,599

was an extraterrestrial

928

00:36:55,910 --> 00:36:53,920

that had lost control and crashed and

929

00:36:56,550 --> 00:36:55,920

they buried him in the cemetery and that

930

00:37:01,430 --> 00:36:56,560

it was

931

00:37:04,710 --> 00:37:01,440

decades and decades

932

00:37:08,230 --> 00:37:04,720

um but you know

933

00:37:10,310 --> 00:37:08,240

that was a time when uh you know

934

00:37:11,589 --> 00:37:10,320

information traveled by horseback and

935

00:37:14,950 --> 00:37:11,599

newspaper

936

00:37:16,950 --> 00:37:14,960

so uh you know it only got so far

937

00:37:18,390 --> 00:37:16,960

and then it just sort of the only people

938

00:37:22,069 --> 00:37:18,400

that remembered it were

939

00:37:25,829 --> 00:37:22,079

the people in the town

940

00:37:29,270 --> 00:37:25,839

so now how have you run across

941

00:37:32,230 --> 00:37:29,280

any um any stories of of

942

00:37:32,630 --> 00:37:32,240

your ufo activity that was taken place

943

00:37:34,870 --> 00:37:32,640

uh

944

00:37:36,069 --> 00:37:34,880

at that same time around you know in

945

00:37:39,349 --> 00:37:36,079

texas or

946

00:37:40,950 --> 00:37:39,359

or nearby areas oh there was tons of

947

00:37:44,790 --> 00:37:40,960

reports in the newspapers

948

00:37:47,670 --> 00:37:44,800

of ufo activity in 19 in 1897 yeah

949

00:37:47,990 --> 00:37:47,680

really it was it was just it was another

950

00:37:51,589 --> 00:37:48,000

way

951
00:37:54,470 --> 00:37:51,599
just like 1973. in uh in the weeks

952
00:37:57,349 --> 00:37:54,480
before the aurora crash

953
00:37:58,470 --> 00:37:57,359
they reported i think 18 different

954
00:38:02,470 --> 00:37:58,480
counties

955
00:38:04,630 --> 00:38:02,480
in north texas had reported uh sightings

956
00:38:06,069 --> 00:38:04,640
in the skies of strange objects with

957
00:38:09,829 --> 00:38:06,079
blinking lights

958
00:38:12,069 --> 00:38:09,839
with small passengers on board

959
00:38:13,750 --> 00:38:12,079
that was very common knowledge in the

960
00:38:17,190 --> 00:38:13,760
newspapers at that time and

961
00:38:19,670 --> 00:38:17,200
like i said in 18 different counties

962
00:38:20,310 --> 00:38:19,680
hmm now that's that's religious and this

963
00:38:26,550 --> 00:38:20,320

was

964

00:38:28,710 --> 00:38:26,560

evening news so you didn't see that and

965

00:38:31,829 --> 00:38:28,720

go out and make up a story about it

966

00:38:33,910 --> 00:38:31,839

uh this was a time that uh people didn't

967

00:38:35,109 --> 00:38:33,920

they didn't do that so they really did

968

00:38:37,589 --> 00:38:35,119

see these things

969

00:38:38,950 --> 00:38:37,599

across the country and all the stories

970

00:38:41,430 --> 00:38:38,960

sort of lined up

971

00:38:43,430 --> 00:38:41,440

with one another they had no way of

972

00:38:43,910 --> 00:38:43,440

knowing what was going on three counties

973

00:38:45,589 --> 00:38:43,920

over

974

00:38:47,109 --> 00:38:45,599

so to for them to come up with the same

975

00:38:51,829 --> 00:38:47,119

story uh

976

00:38:55,750 --> 00:38:53,589

what's the coincidence they all made it

977

00:38:58,630 --> 00:38:55,760

up at the same time

978

00:38:59,589 --> 00:38:58,640

well i know that uh here in indiana

979

00:39:03,510 --> 00:38:59,599

where i live

980

00:39:06,710 --> 00:39:03,520

that there were numerous

981

00:39:09,750 --> 00:39:06,720

airship sightings reported in newspapers

982

00:39:12,950 --> 00:39:09,760

in 1897. it it was

983

00:39:13,430 --> 00:39:12,960

it was very big news throughout the

984

00:39:16,550 --> 00:39:13,440

state

985

00:39:19,270 --> 00:39:16,560

uh so um it uh

986

00:39:20,630 --> 00:39:19,280

though a lot of the uh alleged sightings

987

00:39:24,150 --> 00:39:20,640

that took place uh

988

00:39:27,430 --> 00:39:24,160

here in the midwest they reported uh

989

00:39:27,750 --> 00:39:27,440

seeing people who look human i mean you

990

00:39:30,710 --> 00:39:27,760

know

991

00:39:31,109 --> 00:39:30,720

some of these uh airships would land and

992

00:39:33,750 --> 00:39:31,119

the

993

00:39:35,829 --> 00:39:33,760

uh occupants would get out dressed in

994

00:39:38,790 --> 00:39:35,839

you know the

995

00:39:40,950 --> 00:39:38,800

clothing of that era a lot of times

996

00:39:42,550 --> 00:39:40,960

usually asking for water or food or

997

00:39:44,069 --> 00:39:42,560

things like that and you know

998

00:39:45,990 --> 00:39:44,079

telling stories that they were on their

999

00:39:48,069 --> 00:39:46,000

way to

1000

00:39:50,069 --> 00:39:48,079

cuba or mexico or something like you

1001
00:39:52,950 --> 00:39:50,079
know places like that

1002
00:39:54,230 --> 00:39:52,960
so uh so yeah i mean it's uh this this

1003
00:39:57,589 --> 00:39:54,240
was something that was

1004
00:39:59,430 --> 00:39:57,599
uh it wasn't just located in in texas

1005
00:40:00,550 --> 00:39:59,440
but it had spread all across the united

1006
00:40:05,190 --> 00:40:00,560
states

1007
00:40:08,829 --> 00:40:05,200
right 1896 1897 ufo reports were hot

1008
00:40:11,750 --> 00:40:08,839
all across the country just like 1973

1009
00:40:12,870 --> 00:40:11,760
1974 the reports weren't just in georgia

1010
00:40:15,190 --> 00:40:12,880
and florida they were

1011
00:40:18,470 --> 00:40:15,200
everywhere they were across they were

1012
00:40:25,829 --> 00:40:22,829
so now years later

1013
00:40:27,750 --> 00:40:25,839

um when

1014

00:40:28,950 --> 00:40:27,760

the information got out that something

1015

00:40:32,710 --> 00:40:28,960

had happened there

1016

00:40:36,390 --> 00:40:32,720

in aurora was was there an effort

1017

00:40:39,430 --> 00:40:36,400

made to try to uh

1018

00:40:41,270 --> 00:40:39,440

dig this poor little guy up uh from from

1019

00:40:43,670 --> 00:40:41,280

the cemetery

1020

00:40:45,670 --> 00:40:43,680

well that was uh part of the deal in the

1021

00:40:47,829 --> 00:40:45,680

in 1973 when

1022

00:40:49,030 --> 00:40:47,839

when all the uh all the craziness

1023

00:40:50,710 --> 00:40:49,040

started people were

1024

00:40:52,550 --> 00:40:50,720

ufo hunters were going out there with

1025

00:40:54,390 --> 00:40:52,560

picks and shovels and determined to dig

1026
00:40:55,349 --> 00:40:54,400
him up and trying to get permits and all

1027
00:40:57,670 --> 00:40:55,359
this and

1028
00:40:59,589 --> 00:40:57,680
and uh they put armed guards out there

1029
00:41:02,069 --> 00:40:59,599
to stop him from that so no

1030
00:41:02,790 --> 00:41:02,079
he uh you know there's there's varying

1031
00:41:05,990 --> 00:41:02,800
reports

1032
00:41:09,829 --> 00:41:06,000
he was dug up he wasn't dug up uh

1033
00:41:13,349 --> 00:41:09,839
the uh the the the the bottom line is

1034
00:41:15,190 --> 00:41:13,359
i believe from all that i've researched

1035
00:41:17,670 --> 00:41:15,200
and all the people i've talked to and

1036
00:41:18,470 --> 00:41:17,680
i've talked to people that uh actually

1037
00:41:21,670 --> 00:41:18,480
are on the

1038
00:41:25,270 --> 00:41:21,680

aurora city council today and

1039

00:41:28,309 --> 00:41:25,280

he he is still there in that grave

1040

00:41:30,550 --> 00:41:28,319

under that boulder uh because

1041

00:41:32,710 --> 00:41:30,560

they've done sound penetrating radar

1042

00:41:36,630 --> 00:41:32,720

that show a small

1043

00:41:39,750 --> 00:41:36,640

being badly decomposed about

1044

00:41:43,190 --> 00:41:39,760

five feet beneath the surface uh

1045

00:41:49,270 --> 00:41:46,790

so uh was when was the boulder

1046

00:41:51,109 --> 00:41:49,280

rolled over on top of the grave the

1047

00:41:51,589 --> 00:41:51,119

boulder was put there about three years

1048

00:41:53,910 --> 00:41:51,599

ago

1049

00:41:56,470 --> 00:41:53,920

you know they decided they decided okay

1050

00:41:58,790 --> 00:41:56,480

if we if we cut another fancy stone with

1051
00:42:00,630 --> 00:41:58,800
an engraving of a spaceship on it

1052
00:42:01,990 --> 00:42:00,640
somebody's gonna steal it and take it

1053
00:42:04,870 --> 00:42:02,000
home and have a little

1054
00:42:06,309 --> 00:42:04,880
trophy and you know which is which is

1055
00:42:08,470 --> 00:42:06,319
sad but true

1056
00:42:10,309 --> 00:42:08,480
uh so they put the boulder there they

1057
00:42:11,670 --> 00:42:10,319
figured well one you can't pick it up

1058
00:42:12,630 --> 00:42:11,680
and tote it out because we had to bring

1059
00:42:15,589 --> 00:42:12,640
it in with a

1060
00:42:16,069 --> 00:42:15,599
you know piece of machinery and uh two

1061
00:42:21,030 --> 00:42:16,079
it

1062
00:42:24,550 --> 00:42:21,040
logical thing to do

1063
00:42:26,710 --> 00:42:24,560

uh you know somebody somewhere has the

1064

00:42:30,390 --> 00:42:26,720

original 1897

1065

00:42:30,710 --> 00:42:30,400

stone uh you can bet somebody has that

1066

00:42:33,510 --> 00:42:30,720

on

1067

00:42:35,190 --> 00:42:33,520

in their trophy case from uh when it was

1068

00:42:38,069 --> 00:42:35,200

stolen in the 70s and

1069

00:42:38,870 --> 00:42:38,079

it has never surfaced to this day yeah

1070

00:42:40,550 --> 00:42:38,880

that's that's

1071

00:42:42,150 --> 00:42:40,560

that's really a shame i yeah and i

1072

00:42:44,950 --> 00:42:42,160

remember seeing a photograph

1073

00:42:46,150 --> 00:42:44,960

you know back in the 70s of that uh of

1074

00:42:48,150 --> 00:42:46,160

that gravestone

1075

00:42:51,109 --> 00:42:48,160

i probably still still have it somewhere

1076

00:42:54,150 --> 00:42:51,119

in my files you know here

1077

00:42:54,390 --> 00:42:54,160

so who knows where it is but uh well you

1078

00:42:58,470 --> 00:42:54,400

know

1079

00:43:01,589 --> 00:42:58,480

the people who live there

1080

00:43:05,430 --> 00:43:01,599

in aurora would uh would be pretty upset

1081

00:43:05,990 --> 00:43:05,440

with uh uh all the people trying to get

1082

00:43:08,309 --> 00:43:06,000

access

1083

00:43:09,910 --> 00:43:08,319

to that cemetery because i mean you know

1084

00:43:12,710 --> 00:43:09,920

it's a

1085

00:43:13,430 --> 00:43:12,720

there are a lot of families buried there

1086

00:43:15,510 --> 00:43:13,440

yeah right

1087

00:43:17,670 --> 00:43:15,520

you know you got you got yabbos running

1088

00:43:20,150 --> 00:43:17,680

around with shovels and picks trying to

1089

00:43:21,270 --> 00:43:20,160

dig things up so so yeah i don't blame

1090

00:43:23,430 --> 00:43:21,280

them for doing what

1091

00:43:25,109 --> 00:43:23,440

you know what they did they've been

1092

00:43:25,990 --> 00:43:25,119

burying their kin folks in there for

1093

00:43:27,430 --> 00:43:26,000

over a hundred years

1094

00:43:29,109 --> 00:43:27,440

they don't want nobody out there digging

1095

00:43:31,430 --> 00:43:29,119

in that graveyard

1096

00:43:34,069 --> 00:43:31,440

and i've been to the graveyard it's it's

1097

00:43:35,670 --> 00:43:34,079

it's it's a pretty good sized graveyard

1098

00:43:38,390 --> 00:43:35,680

for such a small area

1099

00:43:39,109 --> 00:43:38,400

because aurora is is there is nothing

1100

00:43:45,430 --> 00:43:39,119

there

1101

00:43:46,069 --> 00:43:45,440

uh but they and and i but i will give

1102

00:43:48,309 --> 00:43:46,079

them credit

1103

00:43:50,230 --> 00:43:48,319

they uh you know for years and years

1104

00:43:51,990 --> 00:43:50,240

they sort of put food the whole thing

1105

00:43:54,950 --> 00:43:52,000

well we don't want to talk about it

1106

00:43:55,670 --> 00:43:54,960

uh but nowadays uh they have a nice

1107

00:43:58,390 --> 00:43:55,680

little

1108

00:43:59,349 --> 00:43:58,400

memorial uh built right on the side of

1109

00:44:02,470 --> 00:43:59,359

the road

1110

00:44:04,309 --> 00:44:02,480

uh with a little ufo and a windmill and

1111

00:44:05,750 --> 00:44:04,319

that kind of thing this it's like a park

1112

00:44:08,230 --> 00:44:05,760

you can stop there and

1113

00:44:08,870 --> 00:44:08,240

and look around and all and then uh you

1114

00:44:12,230 --> 00:44:08,880

know they

1115

00:44:14,069 --> 00:44:12,240

before the covid started uh they had uh

1116

00:44:15,910 --> 00:44:14,079

started doing a little festival every

1117

00:44:17,589 --> 00:44:15,920

year where they had you know a

1118

00:44:19,990 --> 00:44:17,599

little bit of activity a little bit of

1119

00:44:23,670 --> 00:44:20,000

something to commemorate

1120

00:44:26,309 --> 00:44:23,680

uh the event

1121

00:44:26,710 --> 00:44:26,319

well it's kerry it's a fascinating story

1122

00:44:29,270 --> 00:44:26,720

and

1123

00:44:30,069 --> 00:44:29,280

uh uh you know i've uh uh i have a copy

1124

00:44:32,309 --> 00:44:30,079

of your book

1125

00:44:33,349 --> 00:44:32,319

and really enjoy it so so hopefully you

1126

00:44:36,390 --> 00:44:33,359

know uh

1127

00:44:38,710 --> 00:44:36,400

we can uh help you find a a new

1128

00:44:41,910 --> 00:44:38,720

publisher and uh other people can

1129

00:44:43,510 --> 00:44:41,920

enjoy it as well so uh in in the time

1130

00:44:45,349 --> 00:44:43,520

that we have left really quick

1131

00:44:46,950 --> 00:44:45,359

uh is do you have a website or anything

1132

00:44:48,630 --> 00:44:46,960

that people can uh

1133

00:44:50,950 --> 00:44:48,640

look you up and find out more

1134

00:44:52,710 --> 00:44:50,960

information about all this

1135

00:44:54,150 --> 00:44:52,720

well there's a there's i i do have a

1136

00:44:57,190 --> 00:44:54,160

facebook page

1137

00:44:59,990 --> 00:44:57,200

uh strictly for the novel and the story

1138

00:45:00,630 --> 00:45:00,000

uh and it is of course called traveler

1139

00:45:11,109 --> 00:45:00,640

uh

1140

00:45:14,790 --> 00:45:11,119

a couple dozen people a week like it

1141

00:45:16,150 --> 00:45:14,800

and look at it and also anybody wants to

1142

00:45:17,829 --> 00:45:16,160

go there they can see

1143

00:45:19,190 --> 00:45:17,839

some of the some of the illustrations

1144

00:45:21,190 --> 00:45:19,200

from the novel and

1145

00:45:22,470 --> 00:45:21,200

and hear about it and can contact me

1146

00:45:24,870 --> 00:45:22,480

through there

1147

00:45:25,589 --> 00:45:24,880

all right fantastic and uh and that

1148

00:45:28,630 --> 00:45:25,599

that's that's

1149

00:45:30,470 --> 00:45:28,640

easily found uh uh just let everybody

1150

00:45:32,470 --> 00:45:30,480

know out there it's easily found using

1151

00:45:36,069 --> 00:45:32,480

google uh because uh

1152

00:45:38,710 --> 00:45:36,079

uh i i found her out right away carrie

1153

00:45:41,910 --> 00:45:38,720

so it's uh very easy oh yeah and uh

1154

00:45:42,470 --> 00:45:41,920

it's easy yeah okay and uh uh tim

1155

00:45:45,510 --> 00:45:42,480

beckley

1156

00:45:48,230 --> 00:45:45,520

uh real quick alien lives matter

1157

00:45:50,230 --> 00:45:48,240

yeah just out this week aliens my lives

1158

00:45:52,550 --> 00:45:50,240

matter it's okay to be gray

1159

00:45:54,870 --> 00:45:52,560

and uh you're working on one now that

1160

00:45:58,230 --> 00:45:54,880

you're almost done with to solve

1161

00:46:01,030 --> 00:45:58,240

mysteries of time space

1162

00:46:01,370 --> 00:46:01,040

ufos time space and well what the hell

1163

00:46:04,790 --> 00:46:01,380

do they

1164

00:46:08,230 --> 00:46:04,800

[Laughter]

1165

00:46:12,309 --> 00:46:08,240

solve the mystery of space time

1166

00:46:15,030 --> 00:46:12,319

and ufos i knew it i knew it all along

1167

00:46:16,790 --> 00:46:15,040

and and don't forget our youtube channel

1168

00:46:22,150 --> 00:46:16,800

mr ufo

1169

00:46:25,270 --> 00:46:22,160

catching up slowly but surely

1170

00:46:28,309 --> 00:46:25,280

thanks to michelle who is putting a

1171

00:46:29,270 --> 00:46:28,319

great effort into uh posting our shows

1172

00:46:32,470 --> 00:46:29,280

and adding

1173

00:46:35,990 --> 00:46:32,480

a little bit of drama uh

1174

00:46:36,950 --> 00:46:36,000

to them and don't forget to come back

1175

00:46:41,349 --> 00:46:36,960

every

1176

00:46:43,990 --> 00:46:41,359

week here at kcorradio.com

1177

00:46:45,670 --> 00:46:44,000

and our shows are archived as well and

1178

00:46:47,270 --> 00:46:45,680

they're free free free

1179

00:46:49,910 --> 00:46:47,280

and we've probably got about 400

1180

00:46:51,829 --> 00:46:49,920

interviews so just get to it

1181

00:46:53,670 --> 00:46:51,839

and enjoy the show and tell everybody

1182

00:46:56,630 --> 00:46:53,680

about it

1183

00:47:05,349 --> 00:46:56,640

all right thanks gary appreciate it oh

1184

00:47:08,790 --> 00:47:07,510

you've been listening to exploring the

1185

00:47:11,510 --> 00:47:08,800

bazaar

1186

00:47:13,109 --> 00:47:11,520

with hosts timothy beckley and tim

1187

00:47:15,190 --> 00:47:13,119

schwartz

1188

00:47:17,510 --> 00:47:15,200

they're taking back the night by jetting

1189

00:47:19,589 --> 00:47:17,520

non-stop across the cosmos

1190

00:47:21,349 --> 00:47:19,599

in search of the truly bizarre and

1191

00:47:24,710 --> 00:47:21,359

totally unexplained

1192

00:47:27,190 --> 00:47:24,720

with you as their coalition thursday

1193

00:47:30,390 --> 00:47:27,200

nights at 7 p.m pacific

1194

00:47:33,030 --> 00:47:30,400

10 p.m eastern on the kcr

1195

00:47:35,910 --> 00:47:33,040

digital radio network for more

1196

00:47:38,069 --> 00:47:35,920

information on exploring the bazaar

1197

00:47:40,870 --> 00:47:38,079

and hosts timothy beckley and tim

1198

00:47:42,950 --> 00:47:40,880

schwartz check out their kcor digital

1199

00:47:46,150 --> 00:47:42,960

radio network

1200

00:47:49,990 --> 00:47:46,160

follow their youtube channel at mr
