FEATURED REVIEW

★ 9/10

I'm enjoying it

I'm on episode 6 and so far I've really enjoyed this show. I'm a big fan of Jeremy Wade and although it's strange not seeing him reel in river monsters, he's a good host for this show. I do see what others are saying in that it can sometimes be a little confusing because it jumps around a little bit from topic to topic but overall, if this type of stuff intrigues you, I would give it a chance. Don't deprive yourself of it because of some bad reviews. Watch it and judge for yourself!
