

1

00:00:00,000 --> 00:00:04,000

And so the fun begins.

2

00:00:04,000 --> 00:00:06,000

In 2003...

3

00:00:06,000 --> 00:00:11,000

...the mythbusters embarked on an epic journey.

4

00:00:11,000 --> 00:00:15,000

I reject your reality and substitute my own.

5

00:00:17,000 --> 00:00:19,000

Watch out!

6

00:00:20,000 --> 00:00:23,000

It is in gentlemen 70,000 feet.

7

00:00:23,000 --> 00:00:26,000

And with the tsunami of science done and dusted...

8

00:00:26,000 --> 00:00:29,000

This is it. This is the end.

9

00:00:30,000 --> 00:00:34,000

The team is back for one final intimate episode.

10

00:00:35,000 --> 00:00:36,000

You ready for the reunion?

11

00:00:36,000 --> 00:00:38,000

All five hosts reunite.

12

00:00:38,000 --> 00:00:39,000

Beautiful!

13

00:00:39,000 --> 00:00:42,000

It is awesome to sit around this table with you guys.

14

00:00:42,000 --> 00:00:44,000

To look back...

15

00:00:44,000 --> 00:00:46,000

And reminisce.

16

00:00:46,000 --> 00:00:49,000

It has been a wild ride and we wouldn't have missed it.

17

00:00:49,000 --> 00:00:52,000

They'll discuss the secrets of their success.

18

00:00:52,000 --> 00:00:54,000

It's like science bait.

19

00:00:55,000 --> 00:00:57,000

Formulas for failure.

20

00:00:57,000 --> 00:00:59,000

We did a lot of it.

21

00:01:00,000 --> 00:01:03,000

And as they walk away for the last time...

22

00:01:03,000 --> 00:01:05,000

What the show meant to them.

23

00:01:05,000 --> 00:01:08,000

It has fundamentally changed all of us...

24

00:01:08,000 --> 00:01:10,000

In really significant ways.

25

00:01:10,000 --> 00:01:12,000

It's destiny.

26

00:01:30,000 --> 00:01:33,000

It is awesome to sit around this table with you guys.

27

00:01:33,000 --> 00:01:35,000

That's kind of weird.

28

00:01:35,000 --> 00:01:37,000

It's like we've never actually done this.

29

00:01:37,000 --> 00:01:39,000

Yeah, I know. We have never actually done this.

30

00:01:39,000 --> 00:01:42,000

To start this off, I want to talk about how we became a team.

31

00:01:42,000 --> 00:01:45,000

I mean, the four of us, we have all worked together...

32

00:01:45,000 --> 00:01:47,000

...but long before mythbusters.

33

00:01:47,000 --> 00:01:49,000

Yeah, industrial light and magic.

34

00:01:49,000 --> 00:01:51,000

I wanted to be you guys when I grew up.

35

00:01:51,000 --> 00:01:53,000

That's the whole reason I got the job from Jamie...

36

00:01:53,000 --> 00:01:55,000

...or came in here and asked to be an intern.

37

00:01:55,000 --> 00:01:57,000

I'm not sure if I could do that.

38

00:01:57,000 --> 00:01:59,000

I knew you from industrial light and magic.

39

00:01:59,000 --> 00:02:01,000

But you actually worked for Jamie long before that.

40

00:02:01,000 --> 00:02:04,000

Yeah, Jamie gave me my first job right out of college.

41

00:02:04,000 --> 00:02:06,000

I used to just go over to the model shop...

42

00:02:06,000 --> 00:02:08,000

...and harass him all the time.

43

00:02:08,000 --> 00:02:10,000

And then finally he gave me a job.

44

00:02:10,000 --> 00:02:13,000

We've got to build a rig that simulates an electric fence.

45

00:02:13,000 --> 00:02:15,000

I was so nervous.

46

00:02:15,000 --> 00:02:17,000

It's like, uh...

47

00:02:17,000 --> 00:02:19,000

It's like, stop putting that camera at me.

48

00:02:19,000 --> 00:02:21,000

How was your first day? Was it freaky?

49

00:02:21,000 --> 00:02:23,000

It was weird.

50

00:02:23,000 --> 00:02:25,000

I was so nervous.

51

00:02:25,000 --> 00:02:27,000

You look so innocent, Grant.

52

00:02:27,000 --> 00:02:29,000

I know.

53

00:02:29,000 --> 00:02:31,000

Great. Thanks.

54

00:02:31,000 --> 00:02:33,000

Everybody is watching you all the time.

55

00:02:33,000 --> 00:02:35,000

Their camera's all over him.

56

00:02:35,000 --> 00:02:37,000

I remember what you said.

57

00:02:37,000 --> 00:02:39,000

There is no dignity in television.

58

00:02:39,000 --> 00:02:42,000

Once you accept that, it gets a lot more fun.

59

00:02:42,000 --> 00:02:44,000

Don't say anything.

60

00:02:44,000 --> 00:02:48,000

My first on-screen appearance was when you guys did a...

61

00:02:48,000 --> 00:02:50,000

...3D model of my butt.

62

00:02:50,000 --> 00:02:52,000

Oh, God!

63

00:02:52,000 --> 00:02:54,000

I remember thinking, oh, just some silly cable show.

64

00:02:54,000 --> 00:02:56,000

Nobody's ever going to see this.

65

00:02:56,000 --> 00:02:58,000

I never thought it was going to be the first thing you Google.

66

00:02:58,000 --> 00:03:02,000

But you also came out on the very first episode...

67

00:03:02,000 --> 00:03:04,000

...Jato Rocket.

68

00:03:04,000 --> 00:03:07,000

You drove yourself down to Mojave to be on that crew, right?

69

00:03:07,000 --> 00:03:10,000

Well, I was working for Jamie doing toy prototyping...

70

00:03:10,000 --> 00:03:13,000

...and learning a lot during the day, but I also needed a night job.

71

00:03:13,000 --> 00:03:15,000

So I had to go work waitressing.

72

00:03:15,000 --> 00:03:17,000

My shift ended at 11.

73

00:03:17,000 --> 00:03:19,000

You guys were already in the Mojave, and I was like...

74

00:03:19,000 --> 00:03:21,000

...this job's awesome. I'm going to be a part of it.

75

00:03:21,000 --> 00:03:23,000

So I drove all the way to the Mojave.

76

00:03:23,000 --> 00:03:25,000

I get to the hotel where you guys are staying at like 4 in the morning.

77

00:03:25,000 --> 00:03:27,000

Your call time's 5 a.m.

78

00:03:27,000 --> 00:03:31,000

So I sleep in the car for an hour, and I'm woken up by the truck lights...

79

00:03:31,000 --> 00:03:34,000

...and the caravan coming by, and I jump out of the car.

80

00:03:34,000 --> 00:03:36,000

I'm calling!

81

00:03:36,000 --> 00:03:38,000

And I just got picked up by the other interns...

82

00:03:38,000 --> 00:03:40,000

...and went out to the desert to help you guys.

83

00:03:40,000 --> 00:03:44,000

And so began the greatest adventure of their lives.

84

00:03:44,000 --> 00:03:46,000

I'm going to have to have a grin-act to me.

85

00:03:46,000 --> 00:03:48,000

In the magnificent view of the city...

86

00:03:48,000 --> 00:03:50,000

...in the magnificent Mojave Desert.

87

00:03:50,000 --> 00:03:52,000

If you do see something coming out...

88

00:03:52,000 --> 00:03:54,000

Oh, God, that's me.

89

00:03:54,000 --> 00:03:55,000

Yee-haw!

90

00:03:55,000 --> 00:03:57,000

14 long years ago...

91

00:03:57,000 --> 00:03:59,000

Oh, it makes me nervous.

92

00:03:59,000 --> 00:04:01,000

Look at how young Jamie is!

93

00:04:01,000 --> 00:04:04,000

The team hit the Jato jackpot...

94

00:04:04,000 --> 00:04:06,000

...and mythbusters took off.

95

00:04:06,000 --> 00:04:08,000

Fire!

96

00:04:10,000 --> 00:04:12,000

God, I remember that moment.

97

00:04:12,000 --> 00:04:14,000

That's so awesome.

98

00:04:14,000 --> 00:04:17,000

This really is like the...

99

00:04:17,000 --> 00:04:19,000

We stumbled on the formula for the show.

100

00:04:19,000 --> 00:04:20,000

Right, yeah.

101

00:04:20,000 --> 00:04:22,000

When in doubt, it makes up the explode.

102

00:04:26,000 --> 00:04:28,000

That was beautiful.

103

00:04:28,000 --> 00:04:30,000

Seeing that thing take off like that...

104

00:04:30,000 --> 00:04:33,000

...it was like seeing some kind of wild animal...

105

00:04:33,000 --> 00:04:35,000

...taking off across a savannah.

106

00:04:39,000 --> 00:04:42,000

That'll be burned in my brain forever.

107

00:04:42,000 --> 00:04:45,000

One of the things that I really liked about the show...

108

00:04:45,000 --> 00:04:48,000

...is how it captures the glee...

109

00:04:48,000 --> 00:04:50,000

...and the gleam in your eyes.

110

00:04:50,000 --> 00:04:52,000

Oh, that's significant!

111

00:04:52,000 --> 00:04:54,000

They squeak when I walk.

112

00:04:54,000 --> 00:04:56,000

Because it's like...

113

00:04:56,000 --> 00:04:59,000

You guys can't believe that you're getting paid to do this.

114

00:04:59,000 --> 00:05:00,000

Whoa!

115

00:05:00,000 --> 00:05:02,000

This is the thing, I think, is the formula.

116

00:05:02,000 --> 00:05:04,000

It's like you can say it's about these bills...

117

00:05:04,000 --> 00:05:06,000

...and not knowing exactly what's going to happen.

118

00:05:09,000 --> 00:05:11,000

But this is the...

119

00:05:11,000 --> 00:05:14,000

This is the primary narrative of the doozy answer.

120

00:05:14,000 --> 00:05:16,000

And it was infectious, because in the beginning...

121

00:05:16,000 --> 00:05:19,000

...it was like so hard to get permission to do anything.

122

00:05:19,000 --> 00:05:22,000

But then, you know, as the show got more and more popular...

123

00:05:22,000 --> 00:05:25,000

...people were like, yeah, I got a car, blow it up!

124

00:05:28,000 --> 00:05:30,000

No more car!

125

00:05:30,000 --> 00:05:32,000

I think I'm gonna have to ask a question...

126

00:05:32,000 --> 00:05:33,000

...because this is the reunion.

127

00:05:33,000 --> 00:05:35,000

The question that we always get.

128

00:05:35,000 --> 00:05:37,000

What's your favorite myth?

129

00:05:37,000 --> 00:05:38,000

Oh, that's hard.

130

00:05:38,000 --> 00:05:40,000

I mean, there's so many categories, right?

131

00:05:40,000 --> 00:05:43,000

There's stuff that was ridiculously fun for us to do.

132

00:05:45,000 --> 00:05:46,000

Ready, hit it!

133

00:05:49,000 --> 00:05:50,000

I predict...

134

00:05:50,000 --> 00:05:54,000

...that I'll be dancing on Jamie's intestines...

135

00:05:54,000 --> 00:05:56,000

...in minutes!

136

00:05:56,000 --> 00:05:59,000

Then there's episodes that, like, the science was really awesome.

137

00:05:59,000 --> 00:06:01,000

Wake up! Time for science!

138

00:06:01,000 --> 00:06:03,000

And the result was really cool.

139

00:06:03,000 --> 00:06:05,000

Wow. There's no pig.

140

00:06:05,000 --> 00:06:07,000

What pig?

141

00:06:07,000 --> 00:06:09,000

I don't know anything about no pig.

142

00:06:09,000 --> 00:06:12,000

There's final cuts that are your favorite to watch again.

143

00:06:12,000 --> 00:06:14,000

Here comes chaos!

144

00:06:20,000 --> 00:06:22,000

When anybody would ever ask me that...

145

00:06:22,000 --> 00:06:24,000

...it was always the last thing we had just done.

146

00:06:24,000 --> 00:06:25,000

Right.

147

00:06:25,000 --> 00:06:26,000

It was like, what's your favorite myth?

148

00:06:26,000 --> 00:06:29,000

And it was like, well, just yesterday we blew this thing up.

149

00:06:29,000 --> 00:06:31,000

It was the craziest thing I've ever done.

150

00:06:35,000 --> 00:06:38,000

And that would, like, happen after every single myth.

151

00:06:40,000 --> 00:06:41,000

Whoa!

152

00:06:44,000 --> 00:06:46,000

What was your favorite?

153

00:06:46,000 --> 00:06:51,000

Each of these episodes have something that are memorable or special about them.

154

00:06:51,000 --> 00:06:54,000

Things like the lead balloon, which, at an intellectual level,

155

00:06:54,000 --> 00:06:57,000

I think that's one of the best things that we've done.

156

00:06:58,000 --> 00:07:03,000

It was also such a wonderful exercise in internalizing

157

00:07:03,000 --> 00:07:06,000

and understanding contingencies.

158

00:07:06,000 --> 00:07:08,000

That is a lead balloon.

159

00:07:09,000 --> 00:07:13,000

And then there are other things like the ping-pong boat coming up with solutions

160

00:07:13,000 --> 00:07:19,000

that are so diabolically simple to address a complex problem

161

00:07:19,000 --> 00:07:22,000

and then just sitting back and watching it work.

162

00:07:22,000 --> 00:07:24,000

And...whoo!

163

00:07:24,000 --> 00:07:25,000

Whoo!

164

00:07:25,000 --> 00:07:26,000

Whoo!

165

00:07:26,000 --> 00:07:27,000

Yeah!

166

00:07:27,000 --> 00:07:29,000

Ha ha ha ha ha ha!

167

00:07:29,000 --> 00:07:34,000

We've made a career out of making what seems impossible possible.

168

00:07:34,000 --> 00:07:36,000

That's why I love lead balloon as well.

169

00:07:36,000 --> 00:07:40,000

It was like the pointless exercise, and yet there's something thrilling in the storytelling.

170

00:07:40,000 --> 00:07:41,000

That you got it to work.

171

00:07:41,000 --> 00:07:42,000

Yeah, exactly.

172

00:07:42,000 --> 00:07:43,000

That's awesome.

173

00:07:43,000 --> 00:07:45,000

You know, for me, I think it was wakeboarding behind the cruise ship.

174

00:07:45,000 --> 00:07:46,000

That was insane!

175

00:07:46,000 --> 00:07:49,000

It was just such a weird thing to do.

176

00:07:49,000 --> 00:07:52,000

The ship just kept getting further and further out to sea,

177

00:07:52,000 --> 00:07:54,000

so it was like at some point we had to stop.

178

00:07:54,000 --> 00:07:57,000

So it wasn't like, is this myth possible?

179

00:07:57,000 --> 00:08:00,000

Is it possible for you to do it?

180

00:08:00,000 --> 00:08:03,000

Whoo!

181

00:08:03,000 --> 00:08:06,000

And then we found out later that sharks follow those pre-shows.

182

00:08:06,000 --> 00:08:07,000

Yeah.

183

00:08:07,000 --> 00:08:08,000

Ah!

184

00:08:08,000 --> 00:08:10,000

Nothing just touched me!

185

00:08:10,000 --> 00:08:16,000

For the two of you, I personally think Blue Ice is one of the best things that has ever been filmed.

186

00:08:16,000 --> 00:08:20,000

That was actually one of my favorites because of the fact that I've heard that myth so many times.

187

00:08:20,000 --> 00:08:22,000

We've been getting spin on the list since the very beginning.

188

00:08:22,000 --> 00:08:23,000

Yeah.

189

00:08:23,000 --> 00:08:27,000

And I just remember all these rocket scientists looking around the world,

190

00:08:27,000 --> 00:08:29,000

going, it's not going to work. This isn't going to work.

191

00:08:29,000 --> 00:08:33,000

And they just kept, we're like, we don't know, we're just going to try it.

192

00:08:35,000 --> 00:08:39,000

Grant, coming up is one of my favorite things I've ever seen happen to Blue Ice.

193

00:08:40,000 --> 00:08:41,000

Oh!

194

00:08:43,000 --> 00:08:44,000

I mean, what do you see?

195

00:08:44,000 --> 00:08:45,000

That giant chunk of Blue Ice.

196

00:08:45,000 --> 00:08:46,000

That's a surprise.

197

00:08:46,000 --> 00:08:49,000

That's genuine surprise on our faces.

198

00:08:49,000 --> 00:08:52,000

And what you didn't see behind us, behind the cameras,

199

00:08:52,000 --> 00:08:56,000

were all the rocket scientists going, oh, I'm going to get a shot of Blue Ice.

200

00:08:56,000 --> 00:09:00,000

And the rocket scientists going, oh my God, like, they were more excited than we were.

201

00:09:00,000 --> 00:09:06,000

All right, well, you know, you alluded to this earlier, but it's not just the best myths,

202

00:09:06,000 --> 00:09:09,000

but we've had some of the best days on set.

203

00:09:09,000 --> 00:09:12,000

I mean, I feel like I've grown up on this show.

204

00:09:12,000 --> 00:09:15,000

And for me, what was super duper memorable,

205

00:09:15,000 --> 00:09:18,000

because not only was one of my favorite myths, but when we did car drop,

206

00:09:19,000 --> 00:09:23,000

where we dropped a car from a helicopter and you remote controlled a car from another helicopter.

207

00:09:23,000 --> 00:09:25,000

All this was on fire!

208

00:09:32,000 --> 00:09:35,000

I remember just being really, really emotional about this myth,

209

00:09:35,000 --> 00:09:38,000

and like, I was so, I was like running around, just like hugging you guys,

210

00:09:38,000 --> 00:09:40,000

because it went well.

211

00:09:41,000 --> 00:09:42,000

It did it!

212

00:09:43,000 --> 00:09:47,000

What I found out when I got home is that I was pregnant on that shoot,

213

00:09:47,000 --> 00:09:50,000

so it was extremely hormone, actually, hormone.

214

00:09:50,000 --> 00:09:51,000

It's amazing.

215

00:09:51,000 --> 00:09:54,000

I was less excited after my first kiss.

216

00:09:55,000 --> 00:09:59,000

But it wasn't only unexpected hormones that caused the high notes to be hit.

217

00:10:01,000 --> 00:10:07,000

More than a decade of adrenaline-fueled science forged a poignant on-screen bomb.

218

00:10:09,000 --> 00:10:10,000

That's all group hug.

219

00:10:10,000 --> 00:10:11,000

Yeah!

220

00:10:12,000 --> 00:10:18,000

I remember feeling really emotional when we were all standing on the third rocket car site in the desert,

221

00:10:18,000 --> 00:10:19,000

all five of us.

222

00:10:19,000 --> 00:10:22,000

Well, I think our work here is done.

223

00:10:25,000 --> 00:10:28,000

That was, it was really, really intense.

224

00:10:28,000 --> 00:10:29,000

I started to cry.

225

00:10:29,000 --> 00:10:30,000

Yeah, that was an emotional thing.

226

00:10:30,000 --> 00:10:31,000

Totally.

227

00:10:31,000 --> 00:10:37,000

Coming up, congratulations on an amazing 14-year-run science!

228

00:10:37,000 --> 00:10:40,000

It has all been accolades and warm hugs.

229

00:10:41,000 --> 00:10:43,000

Stop whining, go have a cookie.

230

00:10:45,000 --> 00:10:48,000

Because the good days have come at a cost.

231

00:10:49,000 --> 00:10:51,000

Hey, it's time for Billy.

232

00:10:51,000 --> 00:10:56,000

It's time for the stars to shine.

233

00:10:56,000 --> 00:10:59,000

Thanks for 15 great seasons, Mythbusters.

234

00:10:59,000 --> 00:11:00,000

I've set up a four.

235

00:11:00,000 --> 00:11:01,000

I'll say it again.

236

00:11:01,000 --> 00:11:05,000

You made the scientific method feel like a guilty pleasure.

237

00:11:05,000 --> 00:11:09,000

Wherever your J. Doe rocket car takes you, you'll always be blowing stuff up.

238

00:11:11,000 --> 00:11:12,000

In here.

239

00:11:12,000 --> 00:11:19,000

The mythbusters touched hearts and minds from the very beginning.

240

00:11:19,000 --> 00:11:21,000

It's a delicious memory.

241

00:11:21,000 --> 00:11:23,000

In its weird and wonderful way...

242

00:11:23,000 --> 00:11:24,000

I can't answer that.

243

00:11:24,000 --> 00:11:27,000

You're tying a pig's stomach into a skeleton.

244

00:11:27,000 --> 00:11:30,000

The show became part of the pop culture conversation.

245

00:11:30,000 --> 00:11:35,000

Tonight we take on the classic myth that a cat will always land on its feet.

246

00:11:35,000 --> 00:11:38,000

But this is one reality show reunion.

247

00:11:38,000 --> 00:11:39,000

Stop whining.

248

00:11:39,000 --> 00:11:40,000

You're such a sh**.

249

00:11:40,000 --> 00:11:44,000

Where the final analysis is going to be objective.

250

00:11:44,000 --> 00:11:48,000

Yeah, well, you know, we've padded ourselves on the back enough, I think.

251

00:11:48,000 --> 00:11:50,000

A little more comfort in your design.

252

00:11:50,000 --> 00:11:52,000

Good days have come at a cost.

253

00:11:52,000 --> 00:11:54,000

Dude, we've never used the blue rugs.

254

00:11:54,000 --> 00:11:56,000

Seems that Adam needs another cookie.

255

00:11:56,000 --> 00:11:58,000

We always use the blue rugs.

256

00:11:58,000 --> 00:11:59,000

No, we haven't.

257

00:11:59,000 --> 00:12:01,000

I actually don't want to do this test right now.

258

00:12:01,000 --> 00:12:06,000

The times that I've been the most upset have been in the early days in particular,

259

00:12:06,000 --> 00:12:11,000

where they put us in situations that were unwise as far as getting hurt.

260

00:12:11,000 --> 00:12:12,000

Oh!

261

00:12:12,000 --> 00:12:13,000

F**k!

262

00:12:17,000 --> 00:12:18,000

You did hook up the real thing.

263

00:12:18,000 --> 00:12:19,000

Yeah.

264

00:12:19,000 --> 00:12:20,000

F**k!

265

00:12:21,000 --> 00:12:22,000

No, just leave me alone.

266

00:12:22,000 --> 00:12:25,000

And stuff like a Star Wars episode,

267

00:12:25,000 --> 00:12:31,000

because there's like no reason to test lightsabers on higher ground.

268

00:12:32,000 --> 00:12:34,000

Oh, I hit myself in the groin.

269

00:12:34,000 --> 00:12:35,000

Oh, no!

270

00:12:35,000 --> 00:12:36,000

Sorry.

271

00:12:36,000 --> 00:12:38,000

Well, at least you got to build something.

272

00:12:38,000 --> 00:12:42,000

It wasn't as bad as like pyramid power or primary perception.

273

00:12:43,000 --> 00:12:44,000

You hear it screaming?

274

00:12:44,000 --> 00:12:47,000

The boogie boogie stories from the early days.

275

00:12:47,000 --> 00:12:48,000

Mind control.

276

00:12:48,000 --> 00:12:50,000

Oh, the crystal!

277

00:12:52,000 --> 00:12:53,000

Double espresso?

278

00:12:53,000 --> 00:12:54,000

Do you know?

279

00:12:54,000 --> 00:12:55,000

Juice squeeze.

280

00:12:56,000 --> 00:12:59,000

I think pyramid power is absolutely the lowest.

281

00:12:59,000 --> 00:13:00,000

That was pretty bad.

282

00:13:01,000 --> 00:13:04,000

I'm reading your thoughts right now.

283

00:13:04,000 --> 00:13:05,000

We gave it our best shot.

284

00:13:05,000 --> 00:13:08,000

I mean, you know, you have this thing that you have to test.

285

00:13:08,000 --> 00:13:12,000

You have to treat it as seriously as you would any other man.

286

00:13:12,000 --> 00:13:13,000

Real free energy.

287

00:13:13,000 --> 00:13:15,000

If we're going to talk about worst days,

288

00:13:15,000 --> 00:13:18,000

I think we all have the same worst possible day ever,

289

00:13:18,000 --> 00:13:20,000

and it's going to be cannonball.

290

00:13:21,000 --> 00:13:22,000

Let's go.

291

00:13:22,000 --> 00:13:24,000

Alright, use his lit.

292

00:13:24,000 --> 00:13:25,000

He's going to be soon.

293

00:13:31,000 --> 00:13:32,000

Oh, yeah.

294

00:13:32,000 --> 00:13:33,000

It's cannonball.

295

00:13:33,000 --> 00:13:34,000

Absolutely.

296

00:13:34,000 --> 00:13:37,000

That was probably one of the most terrifying days on the show.

297

00:13:37,000 --> 00:13:41,000

The popular Mythbusters TV show had an accident, shall we say.

298

00:13:41,000 --> 00:13:43,000

The crew fired a cannonball.

299

00:13:43,000 --> 00:13:45,000

It smashed all the way through and nearby house,

300

00:13:45,000 --> 00:13:49,000

and then through the window of a minivan outside.

301

00:13:49,000 --> 00:13:51,000

We were at the bomb range, took the shot with the cannonball,

302

00:13:51,000 --> 00:13:53,000

which we've been doing all day.

303

00:13:55,000 --> 00:13:59,000

Every other cannonball went into our catcher and our hill,

304

00:13:59,000 --> 00:14:02,000

and then the fire department showed up about 20 minutes later

305

00:14:02,000 --> 00:14:03,000

after this last shot, and they were like,

306

00:14:03,000 --> 00:14:05,000

are you guys shooting cannonballs?

307

00:14:05,000 --> 00:14:07,000

And we're like, oh, yeah?

308

00:14:07,000 --> 00:14:09,000

They're like, because one landed in a neighborhood,

309

00:14:09,000 --> 00:14:11,000

and we were like, half a mile away.

310

00:14:11,000 --> 00:14:12,000

Oh, my God.

311

00:14:12,000 --> 00:14:15,000

The news chopper showed up, and we were like, what is happening?

312

00:14:15,000 --> 00:14:17,000

They were camped out out front here, too.

313

00:14:17,000 --> 00:14:19,000

Luckily, no one was hurt.

314

00:14:19,000 --> 00:14:23,000

As nasty as it could have potentially have been,

315

00:14:23,000 --> 00:14:26,000

who knows what it saved us from doing later on.

316

00:14:26,000 --> 00:14:27,000

Right.

317

00:14:27,000 --> 00:14:30,000

We radically altered our entire safety procedure

318

00:14:30,000 --> 00:14:33,000

and our approach and a mental approach to safety from the ground up

319

00:14:33,000 --> 00:14:35,000

to move from things that are potentially deadly

320

00:14:35,000 --> 00:14:37,000

to things that are merely awful.

321

00:14:37,000 --> 00:14:39,000

They're already giving me nightmares.

322

00:14:39,000 --> 00:14:41,000

Answer all over my head, man.

323

00:14:43,000 --> 00:14:45,000

What's your most uncomfortable day, Carrie?

324

00:14:51,000 --> 00:14:53,000

There was a time where I had to try to extract

325

00:14:53,000 --> 00:14:55,000

methane from your poop bag.

326

00:14:55,000 --> 00:14:56,000

Sorry.

327

00:14:56,000 --> 00:14:58,000

Oh!

328

00:14:58,000 --> 00:15:01,000

And I had to handle that in a bag, but I mean, the one that was the most...

329

00:15:01,000 --> 00:15:03,000

I had to poop in that bag.

330

00:15:03,000 --> 00:15:04,000

Oh, boo-hoo!

331

00:15:04,000 --> 00:15:06,000

I pooped in a spin bag.

332

00:15:06,000 --> 00:15:07,000

That's so gross.

333

00:15:07,000 --> 00:15:12,000

The most traumatizing by far was the scorpions.

334

00:15:16,000 --> 00:15:20,000

They put, like, 40 scorpions on me,

335

00:15:20,000 --> 00:15:22,000

and I happened to paint my fingernails.

336

00:15:22,000 --> 00:15:24,000

The color of their food.

337

00:15:24,000 --> 00:15:25,000

I love my fingernails.

338

00:15:25,000 --> 00:15:28,000

So they started biting my fingers.

339

00:15:28,000 --> 00:15:31,000

Because of that, when I get for real scared,

340

00:15:31,000 --> 00:15:33,000

I uncontrollably either shake my hands or feet.

341

00:15:33,000 --> 00:15:36,000

I can't stop shaking my foot. I can't stop shaking my foot.

342

00:15:36,000 --> 00:15:37,000

Stop it. I can't stop it.

343

00:15:37,000 --> 00:15:39,000

That was the worst.

344

00:15:39,000 --> 00:15:42,000

I think for me, probably every time I get injured on the show.

345

00:15:42,000 --> 00:15:43,000

You are a little accident.

346

00:15:43,000 --> 00:15:44,000

Which is all the time.

347

00:15:44,000 --> 00:15:45,000

Oh!

348

00:15:45,000 --> 00:15:47,000

Oh, my God.

349

00:15:47,000 --> 00:15:50,000

How did you not get horribly hurt?

350

00:15:50,000 --> 00:15:51,000

Oh!

351

00:15:51,000 --> 00:15:52,000

Oh!

352

00:15:52,000 --> 00:15:54,000

I'm okay.

353

00:15:54,000 --> 00:15:57,000

You slid across the runway on your face.

354

00:15:57,000 --> 00:16:00,000

If it had been a BMX bike, I would have made that easily.

355

00:16:00,000 --> 00:16:02,000

Bam!

356

00:16:02,000 --> 00:16:03,000

Bam!

357

00:16:03,000 --> 00:16:05,000

Ha ha ha ha!

358

00:16:05,000 --> 00:16:07,000

My balls seem to be a magnet for injuries.

359

00:16:07,000 --> 00:16:08,000

Oh, wow!

360

00:16:08,000 --> 00:16:09,000

Oh!

361

00:16:09,000 --> 00:16:10,000

Oh, God, I hate that one.

362

00:16:10,000 --> 00:16:11,000

I hate that one.

363

00:16:11,000 --> 00:16:12,000

I hate more than anything else.

364

00:16:12,000 --> 00:16:13,000

That one's still...

365

00:16:13,000 --> 00:16:14,000

I felt that one coming.

366

00:16:14,000 --> 00:16:16,000

That's the first time I went to the emergency room.

367

00:16:16,000 --> 00:16:17,000

Oh, God!

368

00:16:17,000 --> 00:16:19,000

Why would you do that?

369

00:16:19,000 --> 00:16:20,000

Oh, God!

370

00:16:20,000 --> 00:16:21,000

Oh, God!

371

00:16:21,000 --> 00:16:24,000

You guys were tasing each other every morning for a few months, right?

372

00:16:24,000 --> 00:16:26,000

It was like a coffee.

373

00:16:26,000 --> 00:16:28,000

Oh, God!

374

00:16:28,000 --> 00:16:29,000

Yeah, that's not a good sign.

375

00:16:29,000 --> 00:16:32,000

It's a sign that there are deeper issues in play.

376

00:16:32,000 --> 00:16:33,000

They were.

377

00:16:33,000 --> 00:16:39,000

And you and I have the proclivity to refund whatever we've eaten recently.

378

00:16:39,000 --> 00:16:41,000

Oh, God!

379

00:16:41,000 --> 00:16:43,000

Yeah, vomiting.

380

00:16:43,000 --> 00:16:45,000

What's your worst vomit?

381

00:16:45,000 --> 00:16:49,000

That was, yeah, that was mixing your types of alcohol.

382

00:16:49,000 --> 00:16:56,000

Because it's like a reflex when I sit in that chair, the motion sickness chair.

383

00:16:56,000 --> 00:16:59,000

I just sat down and she said, okay, it's time for the chair.

384

00:16:59,000 --> 00:17:01,000

I don't know where.

385

00:17:01,000 --> 00:17:07,000

I actually vomited the most in a single day while flying in the back of an F-18 hornet

386

00:17:07,000 --> 00:17:09,000

with the Blue Angels.

387

00:17:09,000 --> 00:17:11,000

Come on, stick with me, Adam.

388

00:17:11,000 --> 00:17:12,000

You got it.

389

00:17:12,000 --> 00:17:13,000

You got it.

390

00:17:13,000 --> 00:17:14,000

Stay with us.

391

00:17:14,000 --> 00:17:15,000

Stay with us.

392

00:17:15,000 --> 00:17:16,000

We got it.

393

00:17:16,000 --> 00:17:17,000

Come back.

394

00:17:17,000 --> 00:17:18,000

You with me?

395

00:17:18,000 --> 00:17:19,000

I'm with you.

396

00:17:19,000 --> 00:17:20,000

I have phone calls.

397

00:17:20,000 --> 00:17:23,000

I'll pass out there in a second.

398

00:17:23,000 --> 00:17:30,000

And, shockingly, there we go.

399

00:17:30,000 --> 00:17:37,000

It is the only time that vomiting repeatedly did not detract from my enjoyment of the actual event.

400

00:17:37,000 --> 00:17:39,000

It was so awesome.

401

00:17:39,000 --> 00:17:41,000

And that's why those flight suits have so many pockets.

402

00:17:41,000 --> 00:17:42,000

There's one for each barf bag.

403

00:17:42,000 --> 00:17:43,000

Eww!

404

00:17:43,000 --> 00:17:48,000

Well, you think that those days are bad.

405

00:17:48,000 --> 00:17:50,000

Nobody's had a worse day than Buster.

406

00:17:50,000 --> 00:17:51,000

I think we should call him Buster.

407

00:17:51,000 --> 00:17:53,000

Buster sounds pretty good to me.

408

00:17:53,000 --> 00:17:56,000

Every day is the worst day for Buster.

409

00:17:56,000 --> 00:17:59,000

And the best part is, what he's designed for is car crashes.

410

00:17:59,000 --> 00:18:01,000

And that's rarely what we use him for.

411

00:18:01,000 --> 00:18:03,000

Everything we use him for is worse than that.

412

00:18:03,000 --> 00:18:08,000

You know, there's an international church of Buster because he's been resurrected so many times for your knowledge.

413

00:18:08,000 --> 00:18:09,000

Is that for real?

414

00:18:09,000 --> 00:18:10,000

Yeah.

415

00:18:10,000 --> 00:18:12,000

Rise, my son.

416

00:18:12,000 --> 00:18:17,000

His head's gone.

417

00:18:17,000 --> 00:18:22,000

Nice work, Buster.

418

00:18:22,000 --> 00:18:26,000

Wow!

419

00:18:26,000 --> 00:18:31,000

That was crazy.

420

00:18:31,000 --> 00:18:34,000

Now, we collected as much as we could find.

421

00:18:34,000 --> 00:18:39,000

And I have for each of you a gift, a ruined camera, and chunks of Buster.

422

00:18:39,000 --> 00:18:42,000

And a superhero costume from Buster finale.

423

00:18:42,000 --> 00:18:43,000

Oh, thank you.

424

00:18:43,000 --> 00:18:44,000

It's hilarious.

425

00:18:44,000 --> 00:18:50,000

All you know is I'm glad this isn't how I'm going out on the show.

426

00:18:50,000 --> 00:18:53,000

It's kind of like Buster's ashes.

427

00:18:53,000 --> 00:18:55,000

Wow.

428

00:18:55,000 --> 00:18:57,000

Thanks, buddy.

429

00:19:09,000 --> 00:19:11,000

Buster is the best.

430

00:19:11,000 --> 00:19:13,000

He's the best.

431

00:19:13,000 --> 00:19:15,000

He's the best.

432

00:19:15,000 --> 00:19:17,000

He's the best.

433

00:19:17,000 --> 00:19:19,000

He's the best.

434

00:19:19,000 --> 00:19:21,000

He's the best.

435

00:19:21,000 --> 00:19:23,000

He's the best.

436

00:19:23,000 --> 00:19:25,000

He's the best.

437

00:19:25,000 --> 00:19:27,000

He's the best.

438

00:19:27,000 --> 00:19:29,000

He's the best.

439

00:19:29,000 --> 00:19:31,000

He's the best.

440

00:19:31,000 --> 00:19:33,000

He's the best.

441

00:19:33,000 --> 00:19:35,000

He's the best.

442

00:19:35,000 --> 00:19:37,000

He's the best.

443

00:19:38,000 --> 00:19:40,000

So let's talk about the science.

444

00:19:40,000 --> 00:19:42,000

I know it's part of the DNA of the show,

445

00:19:42,000 --> 00:19:47,000

but I think one of the things that blows people's minds is that none of us are actually scientists.

446

00:19:47,000 --> 00:19:49,000

You have a degree in science.

447

00:19:49,000 --> 00:19:51,000

I have a degree in engineering.

448

00:19:51,000 --> 00:19:53,000

Okay, that's closer than any of us.

449

00:19:53,000 --> 00:19:55,000

Which is adjacent to the...

450

00:19:55,000 --> 00:19:57,000

Way more qualified than we are.

451

00:19:57,000 --> 00:19:58,000

What's your degree in?

452

00:19:58,000 --> 00:20:00,000

Setting things on fire.

453

00:20:00,000 --> 00:20:02,000

We're popping popcorn with lasers.

454

00:20:02,000 --> 00:20:05,000

I'm partial to exponential curves myself.

455

00:20:05,000 --> 00:20:07,000

High explosives in electricity.

456

00:20:07,000 --> 00:20:08,000

Woo!

457

00:20:08,000 --> 00:20:11,000

Sometimes you just need a little extra lubrication.

458

00:20:11,000 --> 00:20:15,000

The only difference between screwing around and science is writing it down.

459

00:20:15,000 --> 00:20:19,000

I think one of my favorite science stories that we've done is Red Flag to a Bull.

460

00:20:22,000 --> 00:20:23,000

Dude, he's going for it.

461

00:20:23,000 --> 00:20:26,000

Well, I remember when we pitched that idea in the room,

462

00:20:26,000 --> 00:20:28,000

and there was two producers that went,

463

00:20:28,000 --> 00:20:30,000

oh, everybody knows that's not true.

464

00:20:30,000 --> 00:20:32,000

And the rest of the room was like, no, actually, I don't know.

465

00:20:32,000 --> 00:20:34,000

Like, it's...

466

00:20:35,000 --> 00:20:37,000

Oh!

467

00:20:37,000 --> 00:20:38,000

Pleasure answer.

468

00:20:38,000 --> 00:20:41,000

It was just so cool to go through each of the elements

469

00:20:41,000 --> 00:20:44,000

and find out exactly what causes it to charge you.

470

00:20:44,000 --> 00:20:47,000

You're looking at color, looking at motion,

471

00:20:47,000 --> 00:20:51,000

looking at whether it's actually having a person there.

472

00:20:51,000 --> 00:20:53,000

It's starting to feel like a bad idea.

473

00:20:53,000 --> 00:20:57,000

Culminating with actually Tori in a ring with Bulls.

474

00:21:01,000 --> 00:21:03,000

Good job, dude. Good job.

475

00:21:03,000 --> 00:21:05,000

Look at that. I know, I know.

476

00:21:05,000 --> 00:21:07,000

Early on, we had a story called Bullets Fired Up.

477

00:21:07,000 --> 00:21:11,000

Will a bullet fired into the air kill you when it comes back down to the ground?

478

00:21:11,000 --> 00:21:14,000

And in the research we found, the most extensive study done on this

479

00:21:14,000 --> 00:21:18,000

was written about in a book called Hatcher's Notebook, a famous ballistics textbook.

480

00:21:18,000 --> 00:21:23,000

And the U.S. Army had fired something like 2,000 rounds into the air,

481

00:21:23,000 --> 00:21:27,000

and out of all of those rounds, they heard one and saw one.

482

00:21:27,000 --> 00:21:30,000

We went out to the desert with a methodology.

483

00:21:30,000 --> 00:21:32,000

He's going that way.

484

00:21:33,000 --> 00:21:36,000

He fired a handgun 11 times into the air.

485

00:21:36,000 --> 00:21:39,000

We knew roughly how long it would take to come back down to the ground.

486

00:21:39,000 --> 00:21:42,000

I was searching across the desert for a pencil-sized hole.

487

00:21:42,000 --> 00:21:46,000

And we found six out of our 11 bullets.

488

00:21:46,000 --> 00:21:49,000

There she blows. That's nine millimeter round.

489

00:21:49,000 --> 00:21:50,000

Woo, we found it.

490

00:21:50,000 --> 00:21:55,000

And so in this one story, we substantively tripled the amount of information

491

00:21:55,000 --> 00:22:00,000

known at that point about the aerodynamics of bullets falling out of the air.

492

00:22:00,000 --> 00:22:02,000

I'm really, really proud of that episode.

493

00:22:02,000 --> 00:22:05,000

We found the science in action.

494

00:22:05,000 --> 00:22:10,000

One example of our work getting into the literature also was drain disaster.

495

00:22:10,000 --> 00:22:13,000

Whoo!

496

00:22:13,000 --> 00:22:17,000

Where we replicated an explosion and a sewer due to methane.

497

00:22:17,000 --> 00:22:21,000

And it was really fascinating for me that the burn of this gas

498

00:22:21,000 --> 00:22:24,000

in the right conditions could go supersonic.

499

00:22:24,000 --> 00:22:28,000

Whoa!

500

00:22:28,000 --> 00:22:31,000

You know, we were working with experts on it,

501

00:22:31,000 --> 00:22:35,000

and we were able to do an experiment that was a significant step further

502

00:22:35,000 --> 00:22:38,000

than anything they could actually do in the university.

503

00:22:38,000 --> 00:22:40,000

I think that's a standout.

504

00:22:40,000 --> 00:22:42,000

We're co-authors of that paper.

505

00:22:42,000 --> 00:22:44,000

Yeah.

506

00:22:44,000 --> 00:22:47,000

Along those lines, I've got this letter that I'd like to read.

507

00:22:47,000 --> 00:22:50,000

Dear Mythbusters, after hearing your show's ending,

508

00:22:50,000 --> 00:22:53,000

I wanted to write you to thank all five of you from the bottom of my heart

509

00:22:53,000 --> 00:22:56,000

because you literally turned my life around.

510

00:22:56,000 --> 00:23:00,000

When I was at school, I was basically on the road to nowhere until I found Mythbusters.

511

00:23:00,000 --> 00:23:06,000

Your show inspired my teenage self to care deeply about science and engineering.

512

00:23:06,000 --> 00:23:09,000

Six years after I saw my first episode,

513

00:23:09,000 --> 00:23:12,000

I became the first girl in my family to go to university.

514

00:23:12,000 --> 00:23:17,000

And now, four years after that, I'm about to start a master's in chemical engineering.

515

00:23:17,000 --> 00:23:21,000

You've been fantastic role models, and I cannot thank you enough.

516

00:23:21,000 --> 00:23:24,000

Your show literally changed my life.

517

00:23:24,000 --> 00:23:27,000

It's really dusty in here.

518

00:23:27,000 --> 00:23:29,000

That's incredibly sweet.

519

00:23:29,000 --> 00:23:31,000

It's very humbling.

520

00:23:31,000 --> 00:23:34,000

Congratulations, and thank you for the difference you have made

521

00:23:34,000 --> 00:23:37,000

to young scientific minds all around the world.

522

00:23:37,000 --> 00:23:40,000

One in doubt, C4.

523

00:23:40,000 --> 00:23:46,000

My favorite myth was the original astronaut, Juan Hu...

524

00:23:46,000 --> 00:23:51,000

I think Buster, aka Juan Hu, is ready for his launch.

525

00:23:51,000 --> 00:23:54,000

Who did not do enough testing in the lab.

526

00:23:54,000 --> 00:23:56,000

Boom.

527

00:24:00,000 --> 00:24:05,000

So, clearly, we're famous for more than just blowing crap up,

528

00:24:05,000 --> 00:24:08,000

but we're pretty much famous for blowing crap up.

529

00:24:08,000 --> 00:24:10,000

When it comes to favorite explosions,

530

00:24:10,000 --> 00:24:14,000

my favorite is the detonating water heater.

531

00:24:15,000 --> 00:24:21,000

And the main reason is that they feel like what my wily coyote bug's bunny

532

00:24:21,000 --> 00:24:24,000

inner child wants an explosion to feel like.

533

00:24:26,000 --> 00:24:29,000

Like, it's slow, and I have time to save for it.

534

00:24:29,000 --> 00:24:31,000

I like the fuel ones.

535

00:24:31,000 --> 00:24:33,000

Like, the throw paint hang.

536

00:24:33,000 --> 00:24:34,000

Yeah.

537

00:24:34,000 --> 00:24:39,000

It looks like the movies, like, it's supposed to look big, fiery, cookie cloud.

538

00:24:40,000 --> 00:24:41,000

Terrifying.

539

00:24:41,000 --> 00:24:47,000

One of my favorite things to do is to try to actually control what happens

540

00:24:47,000 --> 00:24:49,000

and make it do something productive.

541

00:24:49,000 --> 00:24:52,000

Two blasts cancelling each other out, maybe.

542

00:24:54,000 --> 00:24:57,000

Taking this destructive power and chaos.

543

00:24:57,000 --> 00:24:59,000

Whoa!

544

00:25:00,000 --> 00:25:03,000

Being able to mold it and shape it and form it

545

00:25:04,000 --> 00:25:06,000

into something that has an end result.

546

00:25:06,000 --> 00:25:08,000

I love that about myth busters,

547

00:25:08,000 --> 00:25:12,000

is we're not blowing things up just for the sake of gratuitous explosions.

548

00:25:12,000 --> 00:25:13,000

It's a tool.

549

00:25:13,000 --> 00:25:17,000

Like, we are using explosives as a tool to push this experiment.

550

00:25:17,000 --> 00:25:20,000

It's either a tool of experimentation or a tool of storytelling.

551

00:25:20,000 --> 00:25:23,000

Jamie and I get introduced on an Australian radio show,

552

00:25:23,000 --> 00:25:26,000

and they said myth busters is a Trojan horse of reason

553

00:25:26,000 --> 00:25:29,000

hiding behind a thin veil of explosives.

554

00:25:30,000 --> 00:25:33,000

It's like science bait instead of jail bait.

555

00:25:34,000 --> 00:25:35,000

That's another interesting thing.

556

00:25:35,000 --> 00:25:37,000

That is a... I think we should stop right there.

557

00:25:38,000 --> 00:25:40,000

Alright, let's cut to a montage.

558

00:25:40,000 --> 00:25:41,000

Okay.

559

00:25:41,000 --> 00:25:43,000

Everybody, say it with me.

560

00:25:43,000 --> 00:25:45,000

Jamie wants big boom.

561

00:26:06,000 --> 00:26:08,000

Big boom, big boom, big boom!

562

00:26:20,000 --> 00:26:21,000

Everybody okay?

563

00:26:36,000 --> 00:26:38,000

That's what we do on myth busters.

564

00:26:38,000 --> 00:26:39,000

We blow crap up.

565

00:26:46,000 --> 00:26:49,000

Look, we're here reminiscing about the whole history of myth busters.

566

00:26:49,000 --> 00:26:51,000

Jamie wants big boom.

567

00:26:51,000 --> 00:26:53,000

And we are done making this as a show,

568

00:26:53,000 --> 00:26:55,000

but it's important to let the viewers know

569

00:26:55,000 --> 00:26:58,000

that myth busters is not done being aired.

570

00:26:58,000 --> 00:26:59,000

That doesn't get old.

571

00:26:59,000 --> 00:27:02,000

It is moving from discovery to the science channel.

572

00:27:02,000 --> 00:27:06,000

The entire catalogue, 250 plus episodes

573

00:27:06,000 --> 00:27:08,000

are moving over to the science channel.

574

00:27:08,000 --> 00:27:09,000

Oh, yeah.

575

00:27:09,000 --> 00:27:10,000

Wow.

576

00:27:10,000 --> 00:27:11,000

I heard there might even be a lost episode.

577

00:27:11,000 --> 00:27:12,000

There is.

578

00:27:12,000 --> 00:27:14,000

Yeah, it's the sh** special.

579

00:27:14,000 --> 00:27:16,000

I'm pretty sure they just bleeped that

580

00:27:16,000 --> 00:27:18,000

because we're not allowed to actually say it.

581

00:27:18,000 --> 00:27:19,000

It's a lost surprise.

582

00:27:19,000 --> 00:27:20,000

Whoops.

583

00:27:20,000 --> 00:27:21,000

Eesh.

584

00:27:23,000 --> 00:27:24,000

Yeah, like Egyptians.

585

00:27:25,000 --> 00:27:27,000

This might actually be happening.

586

00:27:27,000 --> 00:27:30,000

Yep, strap in and countdown.

587

00:27:30,000 --> 00:27:31,000

In, three.

588

00:27:31,000 --> 00:27:33,000

Because the myth busters new home,

589

00:27:33,000 --> 00:27:38,000

two, has one final premiere to launch.

590

00:27:38,000 --> 00:27:39,000

Beautiful.

591

00:27:50,000 --> 00:27:51,000

What's this I hear?

592

00:27:51,000 --> 00:27:52,000

You're not making myth busters anymore?

593

00:27:52,000 --> 00:27:54,000

No, I have none of it.

594

00:27:54,000 --> 00:27:56,000

You just began the show 14 years ago.

595

00:27:56,000 --> 00:27:58,000

So, no, get back to work.

596

00:27:58,000 --> 00:28:03,000

I can't even fathom a world without myth busters.

597

00:28:03,000 --> 00:28:04,000

You know why?

598

00:28:04,000 --> 00:28:08,000

Because you help bring civilization to a state of rational thought

599

00:28:08,000 --> 00:28:14,000

of how to analyze claims about what is and is not true in this world.

600

00:28:14,000 --> 00:28:18,000

But I'm expecting you go on to greater things.

601

00:28:18,000 --> 00:28:22,000

If there is such a thing, that's greater than myth busters.

602

00:28:24,000 --> 00:28:25,000

Wow.

603

00:28:25,000 --> 00:28:26,000

Yeah.

604

00:28:26,000 --> 00:28:27,000

That was amazing.

605

00:28:27,000 --> 00:28:28,000

That is really cool.

606

00:28:28,000 --> 00:28:31,000

One of the cool things about us all getting back together again

607

00:28:31,000 --> 00:28:35,000

is that we can talk about things that only we can talk about with each other.

608

00:28:35,000 --> 00:28:41,000

Like, the doors that have been opened from this little scrappy cable show,

609

00:28:41,000 --> 00:28:46,000

all of a sudden we're getting into places that are amazing.

610

00:28:47,000 --> 00:28:48,000

It's a portable hug.

611

00:28:48,000 --> 00:28:50,000

Wow.

612

00:28:55,000 --> 00:29:00,000

Talking about access, we went to the White House.

613

00:29:00,000 --> 00:29:01,000

Good to see you.

614

00:29:01,000 --> 00:29:02,000

Welcome to the White House.

615

00:29:02,000 --> 00:29:08,000

As Jamie likes to point out, we were testing poop hitting a fan the day before.

616

00:29:08,000 --> 00:29:14,000

The next day we were shaking hands with the president.

617

00:29:14,000 --> 00:29:15,000

Did you wash those hands?

618

00:29:15,000 --> 00:29:16,000

We did.

619

00:29:16,000 --> 00:29:18,000

Actually, we're there loading our equipment in,

620

00:29:18,000 --> 00:29:21,000

and the secret services running the Sniffer Dogs past,

621

00:29:21,000 --> 00:29:22,000

and Jamie turns to me and he goes,

622

00:29:22,000 --> 00:29:24,000

we were at the bomb range two days ago.

623

00:29:24,000 --> 00:29:26,000

How are we not lighting them up like Christmas?

624

00:29:26,000 --> 00:29:28,000

And I'm like, shut up.

625

00:29:28,000 --> 00:29:29,000

Don't talk to me.

626

00:29:29,000 --> 00:29:30,000

Just be quiet.

627

00:29:30,000 --> 00:29:33,000

Southgate needs a little more security, everybody.

628

00:29:33,000 --> 00:29:37,000

My personal favorite is getting to fly in the U-2.

629

00:29:37,000 --> 00:29:39,000

Wow, we're already lifting.

630

00:29:39,000 --> 00:29:41,000

That's crazy.

631

00:29:41,000 --> 00:29:43,000

Whoa.

632

00:29:43,000 --> 00:29:44,000

Wow.

633

00:29:44,000 --> 00:29:47,000

That Be Allure for Space invited us in.

634

00:29:47,000 --> 00:29:50,000

They only let one civilian take that ride every couple of years.

635

00:29:50,000 --> 00:29:52,000

Holy cow.

636

00:29:52,000 --> 00:29:54,000

The men and women that run that program

637

00:29:54,000 --> 00:29:57,000

and have been running it for decades are super dedicated.

638

00:29:57,000 --> 00:29:58,000

They were totally amazing.

639

00:29:58,000 --> 00:30:00,000

And now we just passed the top of my neighbors.

640

00:30:00,000 --> 00:30:03,000

And they gave me and thus our viewers an experience

641

00:30:03,000 --> 00:30:05,000

that very few people ever get.

642

00:30:05,000 --> 00:30:08,000

This guy has got to be a very, very dark blue.

643

00:30:08,000 --> 00:30:11,000

What an unbelievably beautiful day.

644

00:30:11,000 --> 00:30:13,000

Yeah.

645

00:30:13,000 --> 00:30:16,000

Aside from these six astronauts on the space station,

646

00:30:16,000 --> 00:30:20,000

we are the two highest humans off of planet Earth.

647

00:30:20,000 --> 00:30:23,000

This is not a bad way to spend your day.

648

00:30:23,000 --> 00:30:25,000

I mean, for you, it was that ride,

649

00:30:25,000 --> 00:30:28,000

but I have learned so much, especially from you, Jamie.

650

00:30:28,000 --> 00:30:30,000

I have learned so much about building from you.

651

00:30:30,000 --> 00:30:32,000

We've gotten to do some really cool stuff.

652

00:30:32,000 --> 00:30:35,000

Decapitation has it, everybody.

653

00:30:35,000 --> 00:30:36,000

This is going to kill you.

654

00:30:36,000 --> 00:30:39,000

Yeah, it's all about the builds.

655

00:30:39,000 --> 00:30:42,000

Come on.

656

00:30:42,000 --> 00:30:43,000

I like it.

657

00:30:43,000 --> 00:30:45,000

It allows you to internalize what you're doing

658

00:30:45,000 --> 00:30:47,000

when you get physical with things.

659

00:30:47,000 --> 00:30:49,000

It's not like you're just designing stuff on paper

660

00:30:49,000 --> 00:30:51,000

or you're just thinking about it.

661

00:30:51,000 --> 00:30:54,000

It's a different experience when you've got your own blood

662

00:30:54,000 --> 00:30:57,000

smeared over your tools instead of somebody that's,

663

00:30:57,000 --> 00:31:00,000

you know, typing away on an CAD or something like that.

664

00:31:00,000 --> 00:31:03,000

Look, it's like a clown's head exploded.

665

00:31:03,000 --> 00:31:07,000

We built an earthquake table that rivaled the earthquake table.

666

00:31:07,000 --> 00:31:09,000

I had been to a museum.

667

00:31:09,000 --> 00:31:10,000

That was beautiful.

668

00:31:10,000 --> 00:31:11,000

It was a great build.

669

00:31:11,000 --> 00:31:12,000

It was a huge build.

670

00:31:12,000 --> 00:31:13,000

Huge!

671

00:31:13,000 --> 00:31:15,000

That was some heavy steel.

672

00:31:17,000 --> 00:31:19,000

And we knocked down a few buildings with it.

673

00:31:19,000 --> 00:31:20,000

I mean, like, how cool is that?

674

00:31:20,000 --> 00:31:23,000

Oh, look at that!

675

00:31:23,000 --> 00:31:25,000

I mean, that's a cornerstone of the show.

676

00:31:25,000 --> 00:31:28,000

From the beginning, we are not only figuring out the mess,

677

00:31:28,000 --> 00:31:32,000

but we're also making all the things that go into it.

678

00:31:32,000 --> 00:31:35,000

I know exactly what it feels like to be Michelangelo.

679

00:31:35,000 --> 00:31:39,000

Do not try anything you're about to see at home.

680

00:31:39,000 --> 00:31:41,000

Don't try this at home!

681

00:31:45,000 --> 00:31:48,000

There are plenty of times when we're doing stuff that's scary,

682

00:31:48,000 --> 00:31:51,000

but what about stuff where you genuinely feared for your life?

683

00:31:51,000 --> 00:31:52,000

Oh, creamer cannon.

684

00:31:52,000 --> 00:31:53,000

Right, yes.

685

00:31:53,000 --> 00:31:54,000

Absolutely.

686

00:31:54,000 --> 00:31:58,000

We had an entire pallet of creamer, five flares,

687

00:31:58,000 --> 00:31:59,000

giant air cannon.

688

00:31:59,000 --> 00:32:01,000

What?!

689

00:32:01,000 --> 00:32:05,000

Fire this thing off, and initially nothing happened.

690

00:32:05,000 --> 00:32:08,000

And then it roared to life.

691

00:32:10,000 --> 00:32:14,000

So we're standing not quite far enough back when it just started.

692

00:32:14,000 --> 00:32:15,000

Coming.

693

00:32:15,000 --> 00:32:19,000

Yeah, just making that roar, a physical roar.

694

00:32:22,000 --> 00:32:26,000

What about the time when we tried to raise the little kid with helium balloons?

695

00:32:26,000 --> 00:32:27,000

That wasn't dangerous, but it happened.

696

00:32:27,000 --> 00:32:29,000

No, that part was the safe part.

697

00:32:29,000 --> 00:32:30,000

Right.

698

00:32:30,000 --> 00:32:31,000

Look at that!

699

00:32:31,000 --> 00:32:32,000

Oh, my gosh!

700

00:32:32,000 --> 00:32:34,000

It worked!

701

00:32:34,000 --> 00:32:36,000

So if balloons got up into the rafter,

702

00:32:36,000 --> 00:32:38,000

the solution was to shoot them down with the BB gun.

703

00:32:38,000 --> 00:32:40,000

It's a fine solution!

704

00:32:40,000 --> 00:32:44,000

The problem was, a lady heard somebody was shooting guns,

705

00:32:44,000 --> 00:32:48,000

and two cop cars pulled in, and instead of dropping the gun,

706

00:32:48,000 --> 00:32:50,000

our safety officer starts running towards them going,

707

00:32:50,000 --> 00:32:52,000

it's a BB gun! It's a BB gun! Don't worry!

708

00:32:52,000 --> 00:32:54,000

And then that's when they drew the guns on all of us,

709

00:32:54,000 --> 00:32:56,000

and we all had to get down.

710

00:32:56,000 --> 00:32:57,000

Including a little girl.

711

00:32:57,000 --> 00:32:59,000

We're all face down on the ground.

712

00:32:59,000 --> 00:33:02,000

That's twice on the show that I've had a gun drawn on me.

713

00:33:02,000 --> 00:33:05,000

Right, the other time is when we had the fake bomb.

714

00:33:05,000 --> 00:33:09,000

It looked like it was a cartoon bomb, right?

715

00:33:09,000 --> 00:33:11,000

Candy Graham!

716

00:33:11,000 --> 00:33:13,000

So I'm literally standing outside the door,

717

00:33:13,000 --> 00:33:15,000

waiting for them to call action, and I hear,

718

00:33:15,000 --> 00:33:18,000

put your hands up, and I thought it was the owner of the house,

719

00:33:18,000 --> 00:33:22,000

so I turned around smiling, and then I am holding a bundle of dynamite.

720

00:33:22,000 --> 00:33:23,000

Oh, no!

721

00:33:23,000 --> 00:33:25,000

There's two cops with their guns drawn on me,

722

00:33:25,000 --> 00:33:27,000

and I was like, we're on Mythbusters making a show,

723

00:33:27,000 --> 00:33:29,000

and I dropped the thing, and I'm like, the producer's in there!

724

00:33:29,000 --> 00:33:33,000

I was just like, oh, my God, don't shoot! Please don't shoot!

725

00:33:33,000 --> 00:33:37,000

My scariest moment ever is underwater car, the second one.

726

00:33:40,000 --> 00:33:42,000

Absolutely terrifying.

727

00:33:42,000 --> 00:33:43,000

Here we go.

728

00:33:44,000 --> 00:33:47,000

It was terrifying watching you go through that.

729

00:33:48,000 --> 00:33:52,000

What Adam didn't know is that as frightening as his experience was,

730

00:33:54,000 --> 00:33:57,000

it had an astonishing real-world impact.

731

00:33:59,000 --> 00:34:01,000

Well, it was a typical day.

732

00:34:01,000 --> 00:34:05,000

It was right before Easter, and I got up and got Emily up,

733

00:34:05,000 --> 00:34:07,000

and got her ready to go.

734

00:34:09,000 --> 00:34:11,000

I left about 4.30 in the morning,

735

00:34:12,000 --> 00:34:15,000

and I got about three miles down the road,

736

00:34:16,000 --> 00:34:22,000

and I hit a patch of slushy snow and went off into the water.

737

00:34:25,000 --> 00:34:28,000

And I looked, and their car was filling up with water.

738

00:34:28,000 --> 00:34:30,000

It was so happening so fast.

739

00:34:31,000 --> 00:34:35,000

I crawled through the vehicle, got into the back seat with Emily,

740

00:34:35,000 --> 00:34:39,000

unstrapped her from her car seat, and I tried the driver's side door.

741

00:34:39,000 --> 00:34:41,000

That door went open.

742

00:34:42,000 --> 00:34:45,000

I had Emily in my arms trying to keep her out of the water,

743

00:34:45,000 --> 00:34:47,000

and I'm going, oh, my gosh.

744

00:34:49,000 --> 00:34:54,000

I need to get us out of here, and then, you know, the Mythbusters thing came to mind,

745

00:34:54,000 --> 00:34:56,000

and it was like, okay, I have to wait.

746

00:34:56,000 --> 00:35:00,000

Even though I didn't want to, I had to wait until the pressure equalized

747

00:35:00,000 --> 00:35:02,000

in the vehicle so I could get the door open.

748

00:35:03,000 --> 00:35:07,000

I waited until that moment pushed the door open, and it opened like nothing.

749

00:35:08,000 --> 00:35:11,000

And I kind of swam, walked, and I kind of held Emily above my head

750

00:35:11,000 --> 00:35:15,000

to keep her out of the water, and got onto the road.

751

00:35:24,000 --> 00:35:27,000

I still get emotional. I still, every year, on April 3rd,

752

00:35:27,000 --> 00:35:33,000

I still kind of go, yeah, this could have been the day me and her weren't here, you know?

753

00:35:36,000 --> 00:35:40,000

Wow. I don't know what to say to that. That's intense.

754

00:35:41,000 --> 00:35:43,000

We're not just blowing things up here, people.

755

00:35:43,000 --> 00:35:45,000

Bye-bye.

756

00:35:54,000 --> 00:35:57,000

Okay, so we all got into this as a job.

757

00:35:57,000 --> 00:36:00,000

You know, it's a TV show. It's entertainment.

758

00:36:00,000 --> 00:36:05,000

But on the other hand, we've been on air for so long for a reason,

759

00:36:05,000 --> 00:36:11,000

and we've had quite an impact on popular culture in some way.

760

00:36:12,000 --> 00:36:14,000

What do you guys think about that?

761

00:36:14,000 --> 00:36:21,000

I think that it brought about a renaissance of making science fun again.

762

00:36:21,000 --> 00:36:27,000

Am I missing an eyebrow? Breasts are expanding. Repeat. Breasts are expanding.

763

00:36:27,000 --> 00:36:29,000

Making it narratively interesting.

764

00:36:29,000 --> 00:36:30,000

Quack, damn you.

765

00:36:30,000 --> 00:36:32,000

Yeah, something that people could relate to.

766

00:36:32,000 --> 00:36:35,000

My toes always land but aside.

767

00:36:35,000 --> 00:36:40,000

You say, oh, science isn't boring. It's explosions.

768

00:36:41,000 --> 00:36:42,000

Car crashes.

769

00:36:44,000 --> 00:36:46,000

It's really a fun world to open up to.

770

00:36:46,000 --> 00:36:48,000

That is messed up.

771

00:36:48,000 --> 00:36:52,000

And I think we hit kind of our stride right when the Internet was hitting its stride,

772

00:36:52,000 --> 00:36:56,000

and, you know, there was all these urban legends and viral stories.

773

00:36:56,000 --> 00:36:59,000

All of a sudden, everyone was like, wait a minute, is that true or is it not?

774

00:36:59,000 --> 00:37:02,000

So we kind of came in at the perfect time.

775

00:37:02,000 --> 00:37:05,000

We came along just when Geek started being cool.

776

00:37:05,000 --> 00:37:07,000

I wouldn't say Jamie's an evil genius.

777

00:37:07,000 --> 00:37:09,000

Say hello to our little friend.

778

00:37:09,000 --> 00:37:11,000

Go get him, boy.

779

00:37:11,000 --> 00:37:13,000

And we got to really be a part of that evolution.

780

00:37:13,000 --> 00:37:15,000

It's almost too exciting.

781

00:37:15,000 --> 00:37:18,000

All of that stuff was a wave that we're surfing.

782

00:37:18,000 --> 00:37:22,000

We were able to ride it at the right time and the right place,

783

00:37:22,000 --> 00:37:28,000

and take that ride in a way that at times was really pretty inspired.

784

00:37:33,000 --> 00:37:36,000

I definitely like science better when it's got a view.

785

00:37:36,000 --> 00:37:42,000

Absolutely, Carrie, you have done so much to inspire girls and women to realize

786

00:37:42,000 --> 00:37:44,000

that they can follow the thing that they're interested in.

787

00:37:44,000 --> 00:37:48,000

You know, people ask us all the time, how do we get girls interested in science?

788

00:37:48,000 --> 00:37:50,000

And my response is, stop asking me.

789

00:37:50,000 --> 00:37:51,000

Go ask a little girl.

790

00:37:51,000 --> 00:37:53,000

They're the most natural scientists you'll ever meet.

791

00:37:53,000 --> 00:37:57,000

We also have the most amazing fan base.

792

00:37:57,000 --> 00:38:00,000

They have really supported us and they have been,

793

00:38:00,000 --> 00:38:02,000

they are an above average group of people.

794

00:38:02,000 --> 00:38:05,000

And they are the reason why our show lasted so long,

795

00:38:05,000 --> 00:38:10,000

because in the beginning there was just a small group and it just got bigger and bigger.

796

00:38:10,000 --> 00:38:13,000

Well, speaking of Mythbusters resonating with fans,

797

00:38:13,000 --> 00:38:15,000

we have a video that bears directly on that.

798

00:38:15,000 --> 00:38:16,000

Let's take a look.

799

00:38:16,000 --> 00:38:19,000

I am a big fan of the Mythbusters.

800

00:38:19,000 --> 00:38:21,000

I've even had them over at the White House a few times.

801

00:38:21,000 --> 00:38:24,000

Now come to think of it, they never let me blow anything up,

802

00:38:24,000 --> 00:38:26,000

but I'm still going to miss them.

803

00:38:27,000 --> 00:38:32,000

I'm grateful for the time they proved that, yes, America did actually land on the moon.

804

00:38:32,000 --> 00:38:37,000

And for the time they came to the White House to debunk the Archimedes solar ray.

805

00:38:37,000 --> 00:38:38,000

That was fun.

806

00:38:38,000 --> 00:38:43,000

So after more than a thousand myths tested, after more than 900 explosions,

807

00:38:43,000 --> 00:38:46,000

after 83 miles of duct tape,

808

00:38:46,000 --> 00:38:51,000

I just want to say thank you to Adam, Jamie, Carrie, Tori, Grant,

809

00:38:51,000 --> 00:38:55,000

and all of the Mythbusters team for entertaining us these 14 years.

810

00:38:56,000 --> 00:38:59,000

More importantly, thank you for inspiring so many of our young people

811

00:38:59,000 --> 00:39:01,000

to ask the big questions about our world

812

00:39:01,000 --> 00:39:04,000

and to seek the answers through math, science, and engineering.

813

00:39:04,000 --> 00:39:07,000

It's going to make a real difference to America's future.

814

00:39:07,000 --> 00:39:11,000

I promise we'll be better off because of you.

815

00:39:11,000 --> 00:39:16,000

But the Secret Service will rest easier without you around on our south lawn.

816

00:39:16,000 --> 00:39:19,000

Congratulations on a great run.

817

00:39:19,000 --> 00:39:21,000

Aww.

818

00:39:21,000 --> 00:39:22,000

Wow.

819

00:39:22,000 --> 00:39:23,000

That's cool.

820

00:39:23,000 --> 00:39:25,000

That is kind of intense.

821

00:39:25,000 --> 00:39:26,000

Yeah.

822

00:39:26,000 --> 00:39:31,000

I gotta say, it means so much that you guys came back to sit at this table

823

00:39:31,000 --> 00:39:34,000

to help us say goodbye to this show.

824

00:39:34,000 --> 00:39:39,000

Mythbusters would not be Mythbusters without the three of you, without the five of us,

825

00:39:39,000 --> 00:39:43,000

and it's vital that you came back to say goodbye, and I really appreciate that.

826

00:39:43,000 --> 00:39:47,000

Well, it has been a wild ride, and we wouldn't have missed it.

827

00:39:47,000 --> 00:39:50,000

You know, and some things are part of your life for so long,

828

00:39:50,000 --> 00:39:54,000

it's hard to say goodbye, so...

829

00:39:54,000 --> 00:39:57,000

Thanks for the chance to say goodbye.

830

00:39:57,000 --> 00:39:59,000

Jamie, thanks for giving me a job.

831

00:39:59,000 --> 00:40:02,000

You were right. It did change my life.

832

00:40:02,000 --> 00:40:08,000

Absolutely. It has fundamentally changed all of us in really significant ways.

833

00:40:08,000 --> 00:40:12,000

And to the fans, we would not have been able to make this show without your enthusiasm,

834

00:40:12,000 --> 00:40:17,000

your support, your encouragement, your ideas, your criticism, and your comments.

835

00:40:17,000 --> 00:40:22,000

I've all made this show what it is, and it would not be here without you,

836

00:40:22,000 --> 00:40:24,000

so we thank you as well.

837

00:40:24,000 --> 00:40:25,000

Thank you.

838

00:40:25,000 --> 00:40:27,000

Thanks for putting it.

839

00:40:29,000 --> 00:40:30,000

I'm Jamie Heineman.

840

00:40:30,000 --> 00:40:31,000

And I'm Adam Savage.

841

00:40:31,000 --> 00:40:35,000

We're gonna find out what happens when you strap a rocket to a 67 Chevy.

842

00:40:35,000 --> 00:40:36,000

Oh, yeah.

843

00:40:36,000 --> 00:40:39,000

I see trees and green,

844

00:40:39,000 --> 00:40:42,000

I see red roses too,

845

00:40:42,000 --> 00:40:44,000

I see them blue,

846

00:40:44,000 --> 00:40:47,000

I see them purple and pink,

847

00:40:47,000 --> 00:40:51,000

and I see to myself

848

00:40:51,000 --> 00:40:57,000

all the world before me.

849

00:40:59,000 --> 00:41:02,000

I see skies of you

850

00:41:02,000 --> 00:41:05,000

and clouds of white,

851

00:41:05,000 --> 00:41:08,000

bright, sunny days,

852

00:41:08,000 --> 00:41:10,000

dark, secret nights

853

00:41:10,000 --> 00:41:13,000

and I think to myself,

854

00:41:14,000 --> 00:41:18,000

we'll walk the world away.

855

00:41:18,000 --> 00:41:19,000

I can't breathe.

856

00:41:19,000 --> 00:41:21,000

The colors of the rainbow

857

00:41:21,000 --> 00:41:24,000

are so much more than the skies.

858

00:41:24,000 --> 00:41:27,000

I'm also on the basis

859

00:41:27,000 --> 00:41:30,000

of people walking by.

860

00:41:30,000 --> 00:41:31,000

That's beautiful.

861

00:41:31,000 --> 00:41:33,000

Shaking his self.

862

00:41:33,000 --> 00:41:35,000

I'm bleeding.

863

00:41:36,000 --> 00:41:37,000

Thank you.

864

00:41:37,000 --> 00:41:40,000

I really say we turn out.

865

00:41:40,000 --> 00:41:42,000

That is worth it.

866

00:41:43,000 --> 00:41:47,000

What a wonderful world.

867

00:41:47,000 --> 00:41:49,000

That was beautiful.

868

00:42:10,000 --> 00:42:11,000

Thank you.
