

DARK SKIES
.2.0

1
00:00:02,380 --> 00:00:11,650

I know it happened at Roswell what else you\h
think you know what you're doing can't stay\h\h

2
00:00:11,650 --> 00:00:18,880

hidden forever I took a big chance taking you\h
on board John no oh so I should be eternally\h\h

3
00:00:18,880 --> 00:00:26,350

grateful forget it I don't exactly know who\h
you work for now but I'm pretty close to the\h\h

4
00:00:26,350 --> 00:00:47,380

very interested to meet you I'd heard so\h\h

much about you if she hadn't killed herself\h
we would have had you - we killed as many of\h\h

6
00:00:57,070 --> 00:01:05,230

them as we can find it's getting worse the\h
first thing you should know about us is that\h\h

7
00:01:05,230 --> 00:01:24,750

we have people everywhere am i right my name is\h
Sean Lowen card you don't want to hear this but\h\h

8
00:01:24,750 --> 00:01:32,190

history is a lie what gets reported in our\h
media is just a distraction from the truth

9
00:01:32,190 --> 00:01:39,870

about the hive how they're behind the\h
things shaping our lives everything\h\h

10
00:01:39,870 --> 00:01:45,960

from cloning the global warming the\h
horse but I haven't given up that\h\h

11
00:01:45,960 --> 00:01:54,660
war still rages on these days even\the CIA doesn't know about majestic\

12
00:01:54,660 --> 00:02:00,060
there are new young warriors up there\that do their dirty work on it Hannah

13
00:02:06,550 --> 00:02:14,410
I don't have a lot of faith in them\the hive is just too bad the hive\

14
00:02:14,410 --> 00:02:22,000
is just too damn pervasive just do something quick

15
00:02:27,830 --> 00:02:36,320
the world's changed City time your people need you
