[Music] [Applause] [Music]

2  
00:01:34,740 --> 00:01:41,310

I saw Tammy Schumann that Valley River did  
you know she's pregnant again really yeah

3  
00:01:41,310 --> 00:01:53,070

I know there must be hard for you I'm happy  
for her but you wish it was you it still could

4  
00:01:53,070 --> 00:02:17,420

be I'll make it worth your while I'm 37 years  
old I'm running out of time you know made

5  
00:02:17,420 --> 00:02:24,240

me thinking about diapers and carpool will  
get your mind off of you know Danny having

6  
00:02:24,240 --> 00:02:31,010

kids won't make this all go away no but maybe  
it'll give me somebody to talk to

7  
00:02:31,010 --> 00:02:40,900

it's just isn't the kind of world I want to  
bring kids into great you know if I learned

8  
00:02:40,900 --> 00:02:49,319

anything being married it's when they ask  
you you don't ask questions I mean this [h\_\_h]

9  
00:02:49,319 --> 00:02:55,819

he can't work he can't eat and now this and  
she ain't half bad either you really are being

10  
00:02:55,819 --> 00:03:01,330

adolescent about this we're supposed to watch  
everything you're not supposed to enjoy it

11

00:03:01,330 --> 00:03:09,599

this much I'll go get coffee maybe we should  
start seeing dr.

12

00:03:09,599 --> 00:03:15,400

Clark again you mean me well I'll go too if  
you want maybe if you just believe me we could

13

00:03:15,400 --> 00:03:21,319

both stay home I can't pretend that something  
is happening just to make you happy that's

14

00:03:21,319 --> 00:03:26,590

not love I'm not the only one this has happened  
to before you don't read the books well if

15

00:03:26,590 --> 00:03:30,400

that were true then don't you think the people  
in the government would know about it they

16

00:03:30,400 --> 00:03:36,550

do they're just keeping it to themselves so  
this is some sort of cosmic Watergate someone

17

00:03:36,550 --> 00:03:43,349

just needs to blow the whistle on this our  
government can't keep a secret about anything

18

00:03:43,349 --> 00:04:00,230

maybe they just never had one worth keeping  
before

19

00:04:12,840 --> 00:04:03,379

[Music]

heaven he's awake now I always got the guts

30

00:08:19,600 --> 00:08:20,600

to pull the trigger

31

00:08:20,600 --> 00:08:49,140

put by the orbitals full sight coverage we  
can get a sane shot on me MJ 1 any

32

00:08:49,140 --> 00:08:55,370

Theory I've been in the same bed with you  
if anybody had been in here don't you think

33  
00:08:55,370 --> 00:09:01,330  
I would have heard them not if they didn't  
want you to honey it was a bad dream that's

34  
00:09:01,330 --> 00:09:05,910  
all dreams can't hurt you Annie they were  
just here you may think this place is splendid

35  
00:09:05,910 --> 00:09:09,100  
isolation but there's nothing I want more  
right now than being surrounded by five million

36  
00:09:09,100 --> 00:09:12,290  
other human beings Dwalin I'm getting the  
cart they're coming hurry up

37  
00:09:12,290 --> 00:09:19,430  
[Applause]

38  
00:09:19,430 --> 00:09:37,530  
chasing radar I can't see it it's bullying  
we're tracking them now it's spoofing the

39  
00:09:37,530 --> 00:09:46,180  
Red Wing it's been below and now it's on top  
I'm gonna break and drop you thrust and stick

40  
00:09:46,180 --> 00:09:50,670  
maybe one of us can catch something a win  
counting out five five four three two one

41  
00:09:50,670 --> 00:09:52,660  
go

42  
00:09:52,660 --> 00:10:05,390  
clarify position maintain scanner update looks  
like Red Wings in front of them hot guys behind

43

00:10:05,390 --> 00:10:10,440

copy do we have clearance to engage you tell  
him he doesn't have time to think about he

44

00:10:10,440 --> 00:10:12,480

decides now or he loses his chance

45

00:10:12,480 --> 00:10:24,320

targeted sites I have the bogy time for one  
shot baby I don't believe this

46

00:10:24,320 --> 00:10:31,540

making them look like a couple of senses sir  
they're good to be outside our fighters range

47

00:10:31,540 --> 00:10:36,820

momentarily they're moving that fast the Russians  
are sure it's not one of theirs sir a matter

48

00:10:36,820 --> 00:10:44,060

of seconds we're going to be down to our orbital  
3 thank you sir you've made the right decision

49

00:10:44,060 --> 00:10:49,230

authorized that light matrix position

50

00:10:49,230 --> 00:11:06,639

[Music]

51

00:11:06,639 --> 00:11:14,670

readiness ray don't go crackling go laser  
go retrievals Oh energy circuit go

52

00:11:14,670 --> 00:11:29,029

mysterious gun lock any cage

53

00:11:29,029 --> 00:11:36,730

we have impact waiting often [Music]

54

00:11:36,730 --> 00:11:44,180  
dropping fast radar ranging data indicates  
a radically controlled flight

55  
00:11:44,180 --> 00:11:54,730  
[Music] if it maintains present configuration  
into a crash at its optimum for coverage somewhere

56  
00:11:54,730 --> 00:12:05,920  
14-3 sector seven or eight I'm gonna team  
and get up do it come on uncle it's freezing

57  
00:12:05,920 --> 00:12:16,470  
out here let's go swim how soon soon look  
I gave you a ride but I'm not sticking around

58  
00:12:16,470 --> 00:12:18,470  
until I'm your age before something happens

59  
00:13:40,550 --> 00:12:25,660  
[Music]

60  
00:13:40,550 --> 00:13:45,199  
those roses never did anything to you did  
they those geniuses at the lab of just about

61  
00:13:45,199 --> 00:13:50,250  
improve these right into extinction I mean  
look at this black spot on just about every

62  
00:13:50,250 --> 00:14:00,000  
petal excuse me for not minding my own business  
but are we really talking about me here

63  
00:14:00,000 --> 00:14:05,649  
pretty obvious huh what could be worse I read  
about a woman who claims she married an alien

64  
00:14:05,649 --> 00:14:09,740  
beast Arizona seeks out in the middle of the

night very quickly Janine don't even dignify

65

00:14:09,740 --> 00:14:17,920

this of course she also claimed that Elvis performed at her wedding I think I hear yet

66

00:14:17,920 --> 00:14:24,410

another plant in distress

67

00:14:24,410 --> 00:14:27,279

Oh

68

00:14:27,279 --> 00:14:36,480

look I'm sorry sorry isn't good enough anymore what expect me to do well for starters you

69

00:14:36,480 --> 00:14:40,709

can find the Morehouse Records so that we can write them a letter telling them that

70

00:14:40,709 --> 00:14:45,089

their roses have been inbred to death except that we can't because the computer doesn't

71

00:14:45,089 --> 00:14:52,279

work computer what's wrong with it I don't know [Applause]

72

00:14:52,279 --> 00:15:02,690

well you're trying to run a high density disc and a low density drive how is Janine supposed

73

00:15:02,690 --> 00:15:09,640

to know that Janine computers not her job that's right it's yours what you barely do

74

00:15:09,640 --> 00:15:19,420

anymore because you are so busy obsessing obsessing look Paul everybody has got problems

75  
00:15:19,420 --> 00:15:27,029  
some guys drink too much some guys work too  
hard some guys chase women I'm willing to

76  
00:15:27,029 --> 00:15:32,800  
accept that this is your hang-up and work  
through it with you but only if you get help

77  
00:15:32,800 --> 00:15:37,720  
is this some kind of ultimatum I'm having  
a hard enough time keeping our plants healthy

78  
00:15:37,720 --> 00:16:18,720  
do something for yourself please [Music]

79  
00:16:18,720 --> 00:16:23,671  
what somebody throwing a party authorized  
personnel only we pay our taxes on the road

80  
00:16:23,671 --> 00:16:34,339  
that authorization enough I got a press pass  
Michael Novato Wyn special projects mister

81  
00:16:34,339 --> 00:16:42,089  
Nevada I'm afraid you'll have to leave turn  
that thing off would you care to explain on

82  
00:16:42,089 --> 00:16:49,220  
camera the reason for that because if you  
don't turn it off we'll turn it off for you

83  
00:16:49,220 --> 00:16:56,470  
fine we'll wait to you from the choppin be  
my guest of course it's closed airspace anything

84  
00:16:56,470 --> 00:17:07,189  
that flies over gets shot down [Music] decontamination  
process now start remain [Music]

85

00:17:07,189 --> 00:17:20,069

all right make this quick Delta Force we're mobilizing the surrounding area anything breaks

86

00:17:20,069 --> 00:17:24,740

out we have the firepower to handle security nobody's getting out or nobody's getting in

87

00:17:24,740 --> 00:17:33,151

Doomsday's airborne doomsday if circumstances dictate we have the option to use tactical

88

00:17:33,151 --> 00:17:34,151

nuclear weapons

89

00:17:34,151 --> 00:17:48,929

anybody wants to leave is reducing

90

00:17:48,929 --> 00:17:53,470

science we don't even know if it's metal looks more like the skin of a reptile the hull sustained

91

00:17:53,470 --> 00:17:58,540

minor damage considering the hit it took we're getting strontium-90 readings of 157 rats

92

00:17:58,540 --> 00:18:03,470

yeah I'm assuming it's nuclear-powered we might be sitting on a reactor leak suggestions

93

00:18:03,470 --> 00:18:07,640

take it apart under controlled circumstances move it to Rampur moving it might aggravate

94

00:18:07,640 --> 00:18:11,539

the situation breaking into it out here on a mountainside might aggravate the situation

95

00:18:11,539 --> 00:18:15,740

these are not the proper conditions to conduct

a scientific inquiry until we know whether

96

00:18:15,740 --> 00:18:20,720

or not we have a military situation here this  
is not a scientific inquiry you say we go

97

00:18:20,720 --> 00:18:27,650

to rampart how quickly can we do it okay at  
time well how long would it take you to move

98

00:18:27,650 --> 00:18:36,970

a broken 747 500 miles didn't want anybody  
know you were doing it we go in tomorrow

99

00:18:36,970 --> 00:18:46,700

[Applause] [Music] [Applause]

100

00:18:46,700 --> 00:19:08,781

[Music] radiation levels are down to just  
about normal but do we have to wear these

101

00:19:08,781 --> 00:19:12,240

are going to cut our reaction time I'm still  
worried about viral contamination

102

00:19:12,240 --> 00:19:14,440

[Music]

103

00:19:14,440 --> 00:19:31,890

look we're only dealing with a potential threat  
here we're not at war with who's ever in there

104

00:19:31,890 --> 00:19:40,820

I want you to engage only to protect you morning

105

00:19:40,820 --> 00:20:24,360

looks like some kind of surgical gear

106

00:20:24,360 --> 00:20:49,240

no sign of life

107

00:21:10,400 --> 00:20:55,460

[Music]

108

00:21:10,400 --> 00:21:15,260

idea just do it

109

00:21:15,260 --> 00:21:34,890

well I'm no expert on this war my life offhand

I say you managed to kill him

110

00:21:34,890 --> 00:21:38,401

sir unless they have some kind of hibernation

response to injury I think they're all dead

111

00:21:38,401 --> 00:21:45,960

strontium count is up to 227 over here I think

the radiation killed him no the impact probably

112

00:21:45,960 --> 00:22:02,429

caused extensive internal bleeding over here

sir what do you got oh my god it's alive don't

113

00:22:02,429 --> 00:22:13,740

soon stand clear [Music] Thanks we have contact

[Music]

114

00:22:13,740 --> 00:22:31,409

then sometimes they attach this device to

my and extract sperm I think and then typically

115

00:22:31,409 --> 00:22:39,919

I'm returned back to the bedroom a nanny where

is she during these abductions

116

00:22:39,919 --> 00:22:44,570

well I don't really know I assume they leave

her in the bedroom why do you think these

117

00:22:44,570 --> 00:22:49,080

abductions started happening just six months ago they didn't that's when I had two hypnotic

118

00:22:49,080 --> 00:22:54,590

regression was this person who hypnotized you a professional well he wasn't an MD if

119

00:22:54,590 --> 00:23:02,320

that's what you mean he has a lot of experience with abduction cases let's get the chronology

120

00:23:02,320 --> 00:23:07,580

straight you originally came to see me because you were having nightmares you quit seeing

121

00:23:07,580 --> 00:23:11,900

me got yourself hypnotized and that's when you came up with this theory about aliens

122

00:23:11,900 --> 00:23:16,330

what do you make of that only that you've already decided that I'm crazy I'm out of

123

00:23:16,330 --> 00:23:27,240

here oh oh she didn't mean my wife hell she didn't place it yeah I'm sorry Annie I think

124

00:23:27,240 --> 00:23:32,730

Paul's obsession of alien abductions is tied in with something else something very understandable

125

00:23:32,730 --> 00:23:40,700

this you told me you two were trying to have a baby yes Paul subconscious may be interpreting

126

00:23:40,700 --> 00:23:46,500

the idea of parenthood and families the loss of his own childhood his innocence in other

127

00:23:46,500 --> 00:23:52,289

words as what's being abducted not him physically  
you mean he came up with this alien thing

128

00:23:52,289 --> 00:24:00,580

as an excuse not to have kids [Music]

129

00:24:00,580 --> 00:24:06,860

voila Corliss depends I win the lottery you  
might say that

130

00:24:28,990 --> 00:24:12,400

[Music]

131

00:24:28,990 --> 00:24:42,690

dismissed what's going on why am I here sit  
down mr.

132

00:24:42,690 --> 00:24:51,399

colas oh so you know who I am great well who  
the hell are you recording I'm general Kenneth

133

00:24:51,399 --> 00:24:57,540

Spaulding I'm speaking to civilian Paul Corliss  
who is currently without classification with

134

00:24:57,540 --> 00:25:02,179

me as the tenant Colonel Dan Lerner as a witness  
I have a right to know why I'm here you can't

135

00:25:02,179 --> 00:25:06,919

just grab people off the street what's going  
on read this mr.

136

00:25:06,919 --> 00:25:12,350

powers let me give it to you without the BART  
in plain English it's a contract that says

137

00:25:12,350 --> 00:25:17,680

we give you certain information you want in  
an exchange you agree not to tell what you

138

00:25:17,680 --> 00:25:30,909

know to anyone ever why why me I don't think  
he's right for this he has to be

139

00:25:30,909 --> 00:25:31,909

mr.

140

00:25:31,909 --> 00:25:35,159

colas do you understand your responsibilities  
should you accept security classification

141

00:25:35,159 --> 00:25:43,570

ultra I don't understand any of this listen  
Corliss this is simply a formality one that

142

00:25:43,570 --> 00:25:48,460

you can't refuse period end of discussion  
if you're who you say you are I have rights

143

00:25:48,460 --> 00:25:52,960

and you can't do this you want me to tell  
everybody you're abducting American citizens

144

00:25:52,960 --> 00:25:59,510

if you do you'll never tell anybody anything  
again now you're threatening my life you're

145

00:25:59,510 --> 00:26:02,760

free to go of course but I think you know  
why you're here

146

00:26:02,760 --> 00:26:14,360

this is about them as sorry mr.

147

00:26:14,360 --> 00:26:20,460

Cordes I can't answer your questions until  
you assure me you'll play by the rules all

148

00:26:20,460 --> 00:26:23,970

right fine fine mr.

149

00:26:23,970 --> 00:26:30,299

Paul caught us assigning documentation formalizing  
official denial of classification at Ultra

150

00:26:30,299 --> 00:26:31,419

you'll need this

151

00:26:31,419 --> 00:26:41,980

majestic I've read about this you guys are  
real as real as it gets Colonel Lerner is

152

00:26:41,980 --> 00:26:49,850

our chief of security what's that mean you  
in charge of the big lie no one lies we deny

153

00:26:49,850 --> 00:26:56,450

their now a part of official denial chorus  
so drop the attitude get you all real fast

154

00:26:56,450 --> 00:27:02,840

around here let's take a walk you're not crazy  
mr.

155

00:27:02,840 --> 00:27:08,620

colas they're here

156

00:27:08,620 --> 00:27:13,280

and you've been keeping this a secret you  
think the president should go on TV and tell

157

00:27:13,280 --> 00:27:18,570

us all about it I think that would be a good  
start and what would you have him say mister

158

00:27:18,570 --> 00:27:25,610

course that alien intelligence and technology  
invades our airspace it will abduct our citizenry

159

00:27:25,610 --> 00:27:31,710

and perform surgical procedures on them we  
don't know who they are how to stop them but

160

00:27:31,710 --> 00:27:34,100

it flies in the face of reason mr.

161

00:27:34,100 --> 00:27:40,030

chorus it undermines religion it undermines  
Authority and in fact is nothing more than

162

00:27:40,030 --> 00:27:44,740

a prescription for blind and mindless panic  
you must have some idea who they are after

163

00:27:44,740 --> 00:27:50,330

you've done all of this actually we know more  
about what they are dr.

164

00:27:50,330 --> 00:27:56,230

gross examination gives you four fingers webbed  
toes no eyelids but some kind of outer shell

165

00:27:56,230 --> 00:28:02,510

protecting a cornea hard gums instead of teeth  
some kind of hearing orifice and no external

166

00:28:02,510 --> 00:28:09,080

genitalia your autopsy hmm tough getting in  
there the skin appears to have been subjected

167

00:28:09,080 --> 00:28:15,570

to heavy you Thebe radiation leathery as hell  
anyway you've got a single heart lung organ

168

00:28:15,570 --> 00:28:20,210

real simple intestinal system looks like they

have a hypothalamus about three times greater

169

00:28:20,210 --> 00:28:24,340

than the average human how did you get this  
one we're get tired of waiting for them to

170

00:28:24,340 --> 00:28:30,750

land on the White House lawn we shot one down  
you don't recognize this guy it was in your

171

00:28:30,750 --> 00:28:35,480

house my house I'm afraid we've been watching  
you mr.

172

00:28:35,480 --> 00:28:43,090

kotis don't you guys ever ask they don't they  
drag our citizens off in the middle of the

173

00:28:43,090 --> 00:28:49,040

night our leaders think that's a matter of  
national security and I agree with them the

174

00:28:49,040 --> 00:28:53,830

leaders you mean the president you know classified  
for that information oh come on you can tell

175

00:28:53,830 --> 00:29:01,200

me does the president know or not people who  
need to know know so why tell me come with

176

00:29:01,200 --> 00:29:02,200

me mr.

177

00:29:02,200 --> 00:29:11,169

kotis it's the extraterrestrial biological  
entity isolation unit Phoebe I sold for short

178

00:29:11,169 --> 00:29:26,990

[Music] this one's alive took it off the respirator  
two days ago but he do into it with all this

179

00:29:26,990 --> 00:29:30,840

stuff

180

00:29:30,840 --> 00:29:36,830

we have a lot of high-priced PhDs who figure  
this is the way to get to talk has it said

181

00:29:36,830 --> 00:29:44,429

anything not to them do you maybe that's why  
you're here wait wait wait wait wait a minute

182

00:29:44,429 --> 00:29:49,110

I don't think I'm gonna learn what I need  
to know from playing with blocks what I do

183

00:29:49,110 --> 00:29:54,610

know is that creature was a spacecraft in  
your backyard it obviously had some sort of

184

00:29:54,610 --> 00:29:59,990

business with you I'm gonna move to take a  
chance but I'm prepared to offer you mr.

185

00:29:59,990 --> 00:30:05,940

kotis is the opportunity to go on on one to  
communicate in a controlled environment with

186

00:30:05,940 --> 00:30:14,279

your abductor as far as I'm concerned you're  
both abductors I'm not your adversary why

187

00:30:14,279 --> 00:30:22,330

should I help you my doctors tell me it's  
dying may only be a matter of days we have

188

00:30:22,330 --> 00:30:25,909

to start now

189

00:30:25,909 --> 00:30:35,170

[Music] okay man when was the last time you saw your husband it was Tuesday Tuesday huh

190

00:30:35,170 --> 00:30:41,880

and what were the circumstances there we were at an appointment he left a few minutes early

191

00:30:41,880 --> 00:30:51,410

and when I came out he was gone was your husband angry when he left yes but it's not what you're

192

00:30:51,410 --> 00:30:56,880

thinking you know a lot of times with these domestic situations we find that now all people

193

00:30:56,880 --> 00:31:02,299

really want is a little piece of quietly huh I'll bet your guy is off playing pool or something

194

00:31:02,299 --> 00:31:08,850

he is not playing he hasn't come home he hasn't gone to the office he left the car what kind

195

00:31:08,850 --> 00:31:14,710

of appointment wasn't where this fight took place and the appointment was with the doctor

196

00:31:14,710 --> 00:31:21,220

Clark what kind of a doctor's she's a psychiatrist she I was any chance to Joe has been and his

197

00:31:21,220 --> 00:31:29,460

doctor are having an affair I was with him and besides he doesn't even like her so he

198

00:31:29,460 --> 00:31:37,910

says I also says here he filed a report a few months back claiming he was abducted by

199

00:31:37,910 --> 00:31:45,220

aliens I want you to take this seriously oh  
I am you think the little green men took it

200

00:31:45,220 --> 00:32:03,659

thank you very much for your help detective  
decontamination now starting please turn slowly

201

00:32:03,659 --> 00:32:18,919

decontamination hey you remember me good coming  
in they made me put these on so you don't

202

00:32:18,919 --> 00:32:24,029

get some kind of a disease or something so  
everybody has their favorite question around

203

00:32:24,029 --> 00:32:33,309

here are you from that is your ship work and  
many of you are there but I just want to know

204

00:32:33,309 --> 00:32:41,280

one thing five and a half billion people out  
there and you pick me why why yeah back to

205

00:32:41,280 --> 00:32:50,380

basics you see everyone around here has a  
name maybe if you uh typed your name in the

206

00:32:50,380 --> 00:33:03,040

computer just type dust uninstalled thus thus  
your name is das you want tell me something

207

00:33:03,040 --> 00:33:09,149

different later that's okay good for now let's  
dust you know if you don't like what they're

208

00:33:09,149 --> 00:33:17,799

feeding in just say something I'm sure they'd  
be happy to what do you eat

209

00:33:17,799 --> 00:33:33,190  
okay I'm all right I'm all right he's just  
worried about his food [Music] see I know

210  
00:33:33,190 --> 00:33:39,320  
what I sound like because I've been doing  
all the talking be nice to hear from you you

211  
00:33:39,320 --> 00:33:47,330  
know a conversation that's when I say something  
and then you say something you know I had

212  
00:33:47,330 --> 00:33:54,230  
to him and dis regress me the first thing  
I remember was you actually was damn scary

213  
00:33:54,230 --> 00:34:02,280  
see humans ask each other before they get  
intimate usually but then again I'm not supposed

214  
00:34:02,280 --> 00:34:08,139  
to be doing all the talking you are

215  
00:34:08,139 --> 00:34:16,669  
all right Michael so tell me what you've got  
on that new government Spike Lee take a look

216  
00:34:16,669 --> 00:34:25,659  
at this some kid from Baker sent this in what  
are you saying here Michael UFOs it's a distinct

217  
00:34:25,659 --> 00:34:31,280  
possibility upon Michaels we do journalism  
here we leave that other stuff for the tabloids

218  
00:34:31,280 --> 00:34:37,270  
you want to talk journalism more than I want  
to talk UFOs all right Thursday night during

219  
00:34:37,270 --> 00:34:41,369

the hour this tape was shot there was enough  
airbase activity at McClellan to fight off

220

00:34:41,369 --> 00:34:47,990

a first strike Friday morning the military  
had an entire mountainside cordoned off well

221

00:34:47,990 --> 00:34:54,470

they'll see routine tests I'll say circumstantial  
is under later oh you want relation around

222

00:34:54,470 --> 00:34:59,470

the same time 45 miles north of McClellan  
neighbors say the sky was full of military

223

00:34:59,470 --> 00:35:09,810

helicopters hovering around some guys house  
some green house owner CIA kind of thing it's

224

00:35:09,810 --> 00:35:21,109

hard to tell this guy Paul Corliss he's missing  
am i relating enough for you yet all right

225

00:35:21,109 --> 00:35:26,030

now something crashed in the mountains that  
the government wants to keep quiet now that

226

00:35:26,030 --> 00:35:32,119

is a good story all you have to back up your  
theory is some home video shot by a teenager

227

00:35:32,119 --> 00:35:38,530

this green house guy Corliss three months  
ago he filed a report saying he'd been abducted

228

00:35:38,530 --> 00:35:44,540

by aliens the local cops handed the report  
over to the Air Force and what did they say

229

00:35:44,540 --> 00:35:48,740

what they always say that they got out of  
the alien business back in 1969 when they

230

00:35:48,740 --> 00:35:54,869

closed down Blue Book which I don't believe  
and even if it's true maybe they should get

231

00:35:54,869 --> 00:36:02,369

back into it

232

00:36:02,369 --> 00:36:08,530

this is Morgan is it more than a few people  
around here to think that's true carnal learner

233

00:36:08,530 --> 00:36:17,580

for example good example I can guarantee you  
one more session in there but after that I

234

00:36:17,580 --> 00:36:23,640

don't know so give it your best shot Oh nobody  
wants to know more what's going on than I

235

00:36:23,640 --> 00:36:28,540

do don't be so sure I've devoted damn near  
my entire professional career to this project

236

00:36:28,540 --> 00:36:36,940

have you ever been this close to one to a  
live one nope that's what makes it all the

237

00:36:36,940 --> 00:36:46,210

more important can't be sure I'll ever get  
another chance do what I can to make this

238

00:36:46,210 --> 00:36:53,170

count good I'm gonna fly to the crash site  
tonight I'll be back in the morning oh wait

239

00:36:53,170 --> 00:36:57,720

one more thing you said I could call my wife

well you can't call til we work out a cover

240

00:36:57,720 --> 00:37:03,380

story for you a cover story this is my wife  
I've been married to the same woman for 33

241

00:37:03,380 --> 00:37:07,520

years you think she knows what I did to general  
I don't think you understand this whole thing

242

00:37:07,520 --> 00:37:11,630

is about ruin my marriage and now I disappear  
and when I called to tell her where I am I

243

00:37:11,630 --> 00:37:14,880

have to give her some lie she's not gonna  
believe she believed it what makes you so

244

00:37:14,880 --> 00:37:20,251

sure your lover don't you yeah well you can't  
tell her the truth or if you don't want her

245

00:37:20,251 --> 00:37:28,270

to worry you'll make a believer out of her

246

00:37:28,270 --> 00:37:29,270

mr.

247

00:37:29,270 --> 00:37:47,270

Corliss have a seat put it on monitor for

248

00:37:47,270 --> 00:37:51,829

sergeant access dialing stick to the script

249

00:37:51,829 --> 00:38:14,930

you know Annie you're alright yeah I'm fine  
I'm okay I don't really know Oklahoma I think

250

00:38:14,930 --> 00:38:23,330

some truck stop on the interstate what are  
you doing Annie I'm sorry if you've been worried

251

00:38:23,330 --> 00:38:34,839  
disappeared I yeah I guess I just freaked  
out yeah I walked out to the freeway and I

252

00:38:34,839 --> 00:38:50,550  
got a ride I can't not yet why not I need  
some time I know I've been acting crazy I

253

00:38:50,550 --> 00:39:05,930  
just need to clear my head we can work it  
out as soon as I can

254

00:39:05,930 --> 00:40:07,770  
look I gotta go someone else to use the fan  
hell Paul I love you [Music]

255

00:40:07,770 --> 00:40:26,849  
[Music] surprise you know Hawaii I don't know  
if I understand this not but I think it has

256

00:40:26,849 --> 00:40:32,650  
something to do with you and me I only hope  
it makes you feel more comfortable and not

257

00:40:32,650 --> 00:40:39,590  
less like you feel to hood

258

00:40:39,590 --> 00:40:45,579  
hungry me

259

00:40:45,579 --> 00:40:52,850  
they analyzed one of these and their official  
opinion they decide you must have brought

260

00:40:52,850 --> 00:41:02,250  
your own because they don't grow these around  
here here it's all yours I already had breakfast

261

00:41:02,250 --> 00:41:05,720

[Music]

262

00:41:05,720 --> 00:41:16,160

[Applause] I bet

263

00:41:16,160 --> 00:41:26,599

[Music] you're welcome

264

00:41:26,599 --> 00:41:37,580

we got out of our containment suits a couple  
of days ago it's biologically clean what else

265

00:41:37,580 --> 00:41:41,530

have we learned about the ship looks like  
it flies confusion generated magnetic pulses

266

00:41:41,530 --> 00:41:46,150

it sounds like something we'd build if we  
could we will someday and maybe a lot sooner

267

00:41:46,150 --> 00:41:52,960

thanks to this damn shame we had to shoot  
it up first what happened to those you're

268

00:41:52,960 --> 00:41:58,440

looking at it not a good time for joke it's  
no joke it healed itself grew back together

269

00:41:58,440 --> 00:42:03,240

like human skin growing back over a wound  
that's unbelievable oh we're more ways than

270

00:42:03,240 --> 00:42:06,680

one we still have no idea how it stands up  
to the stress that prolonged interstellar

271

00:42:06,680 --> 00:42:14,960

travel we found it control the main door in  
the cabin how's it looking inside a shooting

272

00:42:14,960 --> 00:42:19,339

spree learning went on didn't help well they  
wouldn't let him up for Desert Storm he's

273

00:42:19,339 --> 00:42:27,420

still looking for a war Spaulding sir there's  
problem the EBI so unit final signs negative

274

00:42:27,420 --> 00:42:30,589

[Music]

275

00:42:30,589 --> 00:42:33,770

clear

276

00:42:33,770 --> 00:42:46,000

what in the hell is going on around here take  
it up the general spoiled him he authorized

277

00:42:46,000 --> 00:42:51,260

I thought I'd be less threatened if I traveled  
more like it no response and what happened

278

00:42:51,260 --> 00:43:00,910

was talking to a minute viii sat down crossed  
his arms and just kind of drifted off probably

279

00:43:00,910 --> 00:43:01,910

scared to death

280

00:43:01,910 --> 00:43:10,790

[Music] like my adrenaline just injected everything  
with God can't just watch it are you [Music]

281

00:43:10,790 --> 00:43:21,640

this thing comes out of this we tried my way  
attach a cost to non-compliance overo health

282

00:43:21,640 --> 00:43:36,950

you are not involved in this you can fool  
me get in line

283

00:43:39,930 --> 00:43:38,440

[Music]

284

00:43:39,930 --> 00:44:05,319

this time I want to go and swim I don't want  
their help I'm already damaged again

285

00:44:05,319 --> 00:44:06,819

[Music]

286

00:44:06,819 --> 00:44:19,820

it's back give it some room just give it some  
room whoever talks to that thing general represents

287

00:44:19,820 --> 00:44:26,339

the entire world it should be an image of  
strength some freak show well I'm gonna try

288

00:44:26,339 --> 00:44:33,010

and catch my flight honey one more time I'm  
not sure you have that authority anymore exactly

289

00:44:33,010 --> 00:44:37,800

meaning that in cases such as this the MJ  
command structure recognizes on-site intelligence

290

00:44:37,800 --> 00:44:43,050

and I am the senior security officer your  
job is to make certain that alien stays where

291

00:44:43,050 --> 00:44:53,619

it is my job is to do with it whatever the  
hell I want meantime you can reach me in the

292

00:44:53,619 --> 00:44:57,710

air I'm goin in look the truth is we're running  
out of time and I may be the best friend you've

293  
00:44:57,710 --> 00:45:10,010  
got if you just say something say anything  
I just want to know why a guy who owns a greenhouse

294  
00:45:10,010 --> 00:45:13,720  
who barely makes a middle-income living who  
graduates in the middle of his class and has

295  
00:45:13,720 --> 00:45:19,230  
never won an award of any kind why the hell  
were you guys so interested in me will you

296  
00:45:19,230 --> 00:45:31,220  
tell me that what the hell made you sag am  
interested in me there is no need to shout

297  
00:45:31,220 --> 00:45:42,270  
my hearing has been engineered to exceed yours  
[Music] we will attract less attention if

298  
00:45:42,270 --> 00:45:46,160  
you think instead of at all you sound like  
my school English teacher you hear my thoughts

299  
00:45:46,160 --> 00:45:57,420  
in a way that makes sense to you do we have  
something well why have you waited so long

300  
00:45:57,420 --> 00:46:04,380  
to communicate based on my captivity it seems  
obvious that we need assistance probably from

301  
00:46:04,380 --> 00:46:09,910  
you in order to join the others don't lie  
to me call us I'll pull you out of there no

302  
00:46:09,910 --> 00:46:20,040

I just thought he was gonna say something  
I was wrong [Music] I'm sorry but there aren't

303

00:46:20,040 --> 00:46:26,339

any others they all died in the crash [Music]

304

00:46:26,339 --> 00:46:43,951

in that case it becomes urgent that I returned  
to the transport vehicle by future your work

305

00:46:43,951 --> 00:46:44,951

depends upon

306

00:46:44,951 --> 00:46:48,870

[Music] your lips may not it move but you  
were talking learners right you two have overactive

307

00:46:48,870 --> 00:46:58,550

imaginations you know that creature has no  
one but you you have no one but me all I want

308

00:46:58,550 --> 00:47:06,250

is what you want which is the truth they mean  
us harm I'm a soldier I'll do what I have

309

00:47:06,250 --> 00:47:11,310

to do and you'll be glad I did but if the  
truth is something else they have nothing

310

00:47:11,310 --> 00:47:22,720

to fear from me so you say who else you gonna  
trust around here

311

00:47:22,720 --> 00:47:30,819

he made it so I could hear his thoughts in  
my head what do you tell you that he's dying

312

00:47:30,819 --> 00:47:38,340

did he say why they're here what they're up  
to das said that he and the others on the

313

00:47:38,340 --> 00:47:45,130

ship have different bodies but they share  
the same mind sort of the group consciousness

314

00:47:45,130 --> 00:47:49,700

and now that the others are dead das only  
has one piece of the puzzle so we don't have

315

00:47:49,700 --> 00:47:53,950

a chance is that what you're telling me he  
says the life forces of the dead ones are

316

00:47:53,950 --> 00:47:59,010

still there at the crash site and that if  
he can go there somehow his body can reabsorb

317

00:47:59,010 --> 00:48:04,210

their life force that'll keep him alive and  
will give him the ability to answer your questions

318

00:48:04,210 --> 00:48:11,900

in other words all I got in that room is a  
body if I want the mind I got to take the

319

00:48:11,900 --> 00:48:15,900

body to the mountain cuz one's not gonna work  
without the other said about it that's the

320

00:48:15,900 --> 00:48:20,319

message then he's dead there's no way this  
kind of thing will fly through channels I

321

00:48:20,319 --> 00:48:26,710

thought you were in charge I'm the leader  
of a working group there checks and balances

322

00:48:26,710 --> 00:48:31,250

there are those in the chain of command to  
feel he's part of an invasion force this kind

323

00:48:31,250 --> 00:48:34,950

of thing would have to go through security  
that's Lerner's department you're not gonna

324

00:48:34,950 --> 00:48:40,070

find your truth in an autopsy room I don't  
want you to mention this to anyone else are

325

00:48:40,070 --> 00:48:49,830

we keeping secrets from the secret keepers  
now can I count on you

326

00:48:49,830 --> 00:48:51,440

who else you gonna trust around this place

327

00:48:51,440 --> 00:49:02,860

why don't you take a few days off I can tell  
this is freaking you out Andrew what sit at

328

00:49:02,860 --> 00:49:13,470

home and freak out okay thanks excuse me I'm  
looking for any Corliss that's me Michael

329

00:49:13,470 --> 00:49:19,740

Novato I've seen you on TV WIA news I want  
to talk to you about your husband do you know

330

00:49:19,740 --> 00:49:27,080

where he is do you know neither do i but i  
do know that he told the city authorities

331

00:49:27,080 --> 00:49:33,680

that he was afraid of aliens get out Annie  
maybe he's trying to help how by making Paul

332

00:49:33,680 --> 00:49:40,520

look crazy in front of the entire world you  
guys are sick in case you change your mind

333

00:49:40,520 --> 00:49:49,600

[Music]

334

00:49:49,600 --> 00:50:03,450

my biologist confirmed Hillians lifesigns  
are shutting down I'm sorry to be right about

335

00:50:03,450 --> 00:50:09,660

that I can get you out of here will you take  
them you'll do that mr.

336

00:50:09,660 --> 00:50:14,801

Cordes I have bent the rules as far as they  
will Bend if I have to break a couple to get

337

00:50:14,801 --> 00:50:20,430

to the bottom of this I'll do it you're a  
civilian but you could end up dead or missing

338

00:50:20,430 --> 00:50:27,890

just to say I have to know it's a truck leaving  
tomorrow with all the preserved bodies on

339

00:50:27,890 --> 00:50:33,650

it if you and the live alien were there instead  
covered your tracks 24 maybe 36 hours before

340

00:50:33,650 --> 00:50:38,839

they caught you what about all the soldiers  
we're learning won't be looking for you at

341

00:50:38,839 --> 00:50:48,280

the ship please not at first you just go walking  
around the crash site this is under Colonel

342

00:50:48,280 --> 00:50:56,880

honors authorization you stole it

343

00:50:56,880 --> 00:50:59,400

[Music]

344

00:50:59,400 --> 00:51:04,500

sergeant showed yes for curling some of the  
civilians in the project yes sir I know about

345

00:51:04,500 --> 00:51:10,020

you you got another passenger mister paper

346

00:51:10,020 --> 00:51:18,849

okay jump in Thanks

347

00:51:44,690 --> 00:51:25,869

[Music]

348

00:51:44,690 --> 00:51:45,690

life

349

00:51:45,690 --> 00:51:50,809

pull the truck over search

350

00:51:50,809 --> 00:52:01,940

I can't do that hey take it easy man

351

00:52:01,940 --> 00:52:10,500

I said poke to him

352

00:52:10,500 --> 00:52:15,849

I get out

353

00:52:15,849 --> 00:52:24,290

step away from the door stay by the road they'll  
find me

354

00:52:24,290 --> 00:52:37,020

the aliens god those your man Corliss is a  
chorister it's exactly what I think I also

355

00:52:37,020 --> 00:52:42,790

think he had to have help he had a gun and  
a transport to manifest coulda stolen him

356

00:52:42,790 --> 00:52:46,820

or somebody could have given them to it in  
which case general you and I are both prime

357

00:52:46,820 --> 00:52:52,619

suspects and I know I didn't do it yo Colonel  
is head of security you should be concentrating

358

00:52:52,619 --> 00:52:58,549

your efforts on finding him not pointing fingers  
oh I'll find him in the meantime majestic

359

00:52:58,549 --> 00:53:05,549

protocol demands you be relieved of your operational  
duties pending the outcome of my investigation

360

00:53:05,549 --> 00:53:13,059

that dog won't hunt Colonel as you yourself  
so astutely pointed out you are the other

361

00:53:13,059 --> 00:53:18,320

suspect what's the point point is you want  
to play it by the book you're gonna have to

362

00:53:18,320 --> 00:53:25,470

relieve yourself of duty as well as I see  
it we can do our job or we can both turn ourselves

363

00:53:25,470 --> 00:53:32,559

over for house arrest I'll find Corliss and  
if you had anything to do with this your career

364

00:53:32,559 --> 00:53:48,030

is over general

365

00:53:48,030 --> 00:53:57,950

Annie thanks for coming oh I've missed you  
I you've shaved yeah and then some Paul what's

366

00:53:57,950 --> 00:54:05,569

going on I need to take the car and have you  
fly back by yourself what I can't explain

367

00:54:05,569 --> 00:54:09,690

well I could explain but if I did you'd be  
in danger so I can't you'll find someone else

368

00:54:09,690 --> 00:54:14,950

to play secret agent with because I'm not  
moving until you explain yourself the good

369

00:54:14,950 --> 00:54:19,599

news is I'm not nearly as crazy as I used  
to think I was bad news is I'm gonna show

370

00:54:19,599 --> 00:54:22,950

you something and then we're gonna have to  
put as much distance as we can between us

371

00:54:22,950 --> 00:54:32,809

in this truck why did you steal it try not  
to go nice real Annie all of this has been

372

00:54:32,809 --> 00:54:44,850

real and he's the only survivor you kidnapped  
an alien look I have to get him back to where

373

00:54:44,850 --> 00:54:49,790

she's like what why you I'll fill you in the  
rest later no you have anything to say you

374

00:54:49,790 --> 00:54:53,569

tell me now all right the others the ones  
who died in the crash their spirits their

375

00:54:53,569 --> 00:55:00,270

brains that part of them is still up on the  
mountain where the spacecraft is all I know

376

00:55:00,270 --> 00:55:05,390

is I've got to get Dawes back up there sooner  
he's gonna die don't start talking about that

377

00:55:05,390 --> 00:55:16,130

thing of is some sort of pet I know I know  
how you feel [Music] this can't be happening

378

00:55:16,130 --> 00:55:23,280

believe me it's happening [Music] I'm sure  
mrs.

379

00:55:23,280 --> 00:55:31,250

Corliss must have said something to you about  
where she was going I'm an employee I'm not

380

00:55:31,250 --> 00:55:36,059

her mother when was the last time you saw  
her I don't have to answer your questions

381

00:55:36,059 --> 00:55:45,609

no we can do this the hard way if you prefer

382

00:55:45,609 --> 00:55:50,609

the cornices have any vacation properties  
out-of-state friends anything like that do

383

00:55:50,609 --> 00:56:00,660

I need a lawyer not unless you've done something  
wrong

384

00:56:00,660 --> 00:56:01,660

mr.

385

00:56:01,660 --> 00:56:02,660

Lovato a friend of yours

386

00:56:06,190 --> 00:56:04,039

[Music]

387

00:56:06,190 --> 00:56:08,339

[Applause]

388

00:56:08,339 --> 00:56:37,099

is he dead I am not dead I am thirsty uh-uh  
he just wants something to drink did he just

389

00:56:37,099 --> 00:56:43,680

talk to you well how come I didn't hear him  
I don't know maybe doesn't want you to maybe

390

00:56:43,680 --> 00:56:51,050

you don't believe you can oh don't get mystical  
on me oh wait a minute don't beat me you're

391

00:56:51,050 --> 00:57:07,030

alone with him alright I'll watch him you  
get the stuff make sure to get the water howdy

392

00:57:07,030 --> 00:57:11,220

names Joe dan help me for Karen well we're  
planning on heading up to Eagle cap tomorrow

393

00:57:11,220 --> 00:57:16,952

first thing uh-huh you're going up the crash  
site oh you know about it sure try to get

394

00:57:16,952 --> 00:57:21,150

up there myself forgot to get a piece of that  
stealth bomber make it great trophy in my

395

00:57:21,150 --> 00:57:25,690

wall but they closed the road I've got to  
sneak up to the Louvre and Teller reservation

396

00:57:25,690 --> 00:57:31,130

and the Indians aren't you just yeah the feds  
probably will still want this stuff oh yeah

397

00:57:31,130 --> 00:57:39,020

all of it I feel lucky okay we got most of  
this here for you one thing though what's

398

00:57:39,020 --> 00:57:44,039

the size your kid well I about yay okay

399

00:57:44,039 --> 00:57:52,600

[Music] [Applause] [Music]

400

00:57:52,600 --> 00:58:21,990

hey come on yeah you forgot your credit card  
hey that's a cute kid I got a grandson about

401

00:58:21,990 --> 00:58:26,059

his age what is your first grader [Music]

402

00:58:26,059 --> 00:58:38,089

in the north of the world

403

00:58:38,089 --> 00:58:58,700

involving the most sophisticated of machinery  
yet devised for recovery have been hampered

404

00:58:58,700 --> 00:59:08,730

by bad weather and as this slick continues  
to spread fears our health [Music] do you

405

00:59:08,730 --> 00:59:13,690

miss your home is that why you're showing  
me this I do feel that it's important but

406

00:59:13,690 --> 00:59:20,510

you see my world does it always like this  
it was once beautiful like yours where are

407

00:59:20,510 --> 00:59:26,250

the people who live here we are not many our  
species has been weakened we cannot yet reproduce

408

00:59:26,250 --> 00:59:33,090

what happened our science allowed us total  
control over all life until there was no life

409

00:59:33,090 --> 00:59:40,930

for me to control but our own so what did  
you do then we used our science to change

410

00:59:40,930 --> 00:59:46,530

our bodies so if we might continue to exist  
in a world without other life changed your

411

00:59:46,530 --> 00:59:53,109

bodies your scientists refer to the process  
as genetic engineering you could keep working

412

00:59:53,109 --> 00:59:59,630

on yourselves what has been lost must be found  
again so what do I have that you don't have

413

00:59:59,630 --> 01:00:09,040

I do not know yet but I know you are important  
[Music] Paul honey you're having a nightmare

414

01:00:09,040 --> 01:00:23,900

loss dreamy about where das is from I'm okay  
any news so far no bull trees with our names

415

01:00:23,900 --> 01:00:26,420

on them

416

01:00:26,420 --> 01:00:30,670

got the truck small airports south of Rock  
Creek I want you to check all outgoing in

417

01:00:30,670 --> 01:00:34,089

the last 24 hours

418

01:00:34,089 --> 01:00:46,839

[Music] trees everywhere trees their pints  
actually a lot of people use it for Christmas

419

01:00:46,839 --> 01:00:51,330

trees that's a religious holiday you cut a  
tree down you put it in your house and you

420

01:00:51,330 --> 01:00:58,360

decorate it you worship dead trees

421

01:00:58,360 --> 01:01:05,160

roadblock dots get down Green is a lovely  
color I'll get your own personal tree if you

422

01:01:05,160 --> 01:01:29,630

just get down Annie do something come on we  
mustn't see what you had to

423

01:01:29,630 --> 01:01:32,170

[Music]

424

01:01:32,170 --> 01:01:50,589

ah there's one thing I know if we get through  
this joining a gym Oh in case we don't in

425

01:01:50,589 --> 01:01:56,150

case you run into some troops they might conceal  
number that's it no pong serious if something

426

01:01:56,150 --> 01:02:04,930

should happen how much no no I'm sorry Annie  
you don't need to be sorry for yes I do later

427

01:02:04,930 --> 01:02:13,190

later does later I married you because you're  
good and smart and honest and and when you

428

01:02:13,190 --> 01:02:17,260

said something that sounded crazy I assumed  
you were crazy it never occurred to me that

429

01:02:17,260 --> 01:02:23,010

you might be telling the truth Annie positions  
had been reversed I would have done the same

430

01:02:23,010 --> 01:02:26,740

thing you would have thought I was crazy you  
married me didn't you

431

01:02:26,740 --> 01:02:35,720

[Music]

432

01:02:35,720 --> 01:02:38,920

I don't know who draws these topographical  
maps but they've never been on this side of

433

01:02:38,920 --> 01:02:56,240

the hemisphere I feel the life force of the  
others we are near dust as mothers

434

440

01:04:20,520 --> 01:04:23,069

it looks that way

441

01:04:23,069 --> 01:04:28,630

[Music] [Applause] [Music]

456

01:11:07,710 --> 01:11:15,330

step [Music]

457

01:11:15,330 --> 01:11:27,110

one of the people in town think about all  
this well the folks are pretty excited at

458

01:11:27,110 --> 01:11:30,560

first you know with the military being up  
there thought they bring more business into

459

01:11:30,560 --> 01:11:36,130

the town but ain't made much difference and  
what do they think crashed up there like a

460

01:11:36,130 --> 01:11:41,040

toll yeah they said it was a stealth bomber  
or something but what do you think crashed

461

01:11:41,040 --> 01:11:48,030

up there me I don't know I guess the good  
of it hey mister Nevada can you tell us who

462

your freedom seen him hey man I don't know

464

01:12:07,120 --> 01:12:15,460

wife used her credit card yeah look I only

465

01:12:15,460 --> 01:12:21,190

saw him once his wife spent over 500 bucks  
in here and he ain't got no beard though they

466

01:12:21,190 --> 01:12:25,770

say where they were going up to the crash  
that I suppose I told about the roadblock

467

01:12:25,770 --> 01:12:46,820

hey did they steal that cute little kid [Music]  
dossey's damn now there's no reason for you

468

01:12:46,820 --> 01:12:52,620

to risk your life to do this except I know  
it's the right thing to do you don't have

469

01:12:52,620 --> 01:13:01,600

to go

470

01:13:01,600 --> 01:13:18,239

so what's going on Bin's who are you [Applause]  
security clearance ultra she's with me I'm

471

01:13:18,239 --> 01:13:23,390

some trouble with the codes there's got to

472

01:13:23,390 --> 01:13:33,230

be some mistake I'm gonna have to call it  
in [Music]

473

01:13:33,230 --> 01:13:37,960

learner Colonel dam learner you don't have  
to call this in use your eyes soldier yes

474

01:13:37,960 --> 01:13:42,770

sir sorry sir don't worry it it happens everybody's  
on edge

475

01:13:42,770 --> 01:14:01,620

how did you do that I didn't what are you  
saying Ostia boss was dead I'm saying we'd

476

01:14:01,620 --> 01:14:15,000

better get inside before somebody else sees  
us

477

01:14:15,000 --> 01:14:20,340

[Applause]

478

01:14:20,340 --> 01:14:25,670

[Music]

479

01:14:25,670 --> 01:14:37,650

do you know what you're looking for you know

480

01:14:37,650 --> 01:15:02,971

I'll look fast [Music] das is that you

481

01:15:02,971 --> 01:15:09,440

or you and me we are all inside each other  
you have my memories but your mind is zero

482

01:15:09,440 --> 01:15:16,430

are you alive your mind sees me that way now  
your brain cannot get process all the new

483

01:15:16,430 --> 01:15:25,179

information so I know what you know you will  
see the truth that's why you brought me here

484

01:15:25,179 --> 01:15:33,100

once you can understand you may not believe  
here we'll find proof proof of what that we

485

01:15:33,100 --> 01:15:41,370

are all one I don't know what you mean you  
will and then what am I supposed to do about

486

01:15:41,370 --> 01:15:51,480

it in order to save my world you must save  
yours we are one [Music]

487

01:15:51,480 --> 01:16:01,400

Paul Paul you're scaring me is that alien  
inside your body now what he knew his I'm

488

01:16:01,400 --> 01:16:09,430

still me let's get out of here no we can't  
oh you sure we can right now we came this

489

01:16:09,430 --> 01:16:13,020

490

01:16:13,020 --> 01:16:28,440

[Music] what are you doing I don't know but  
I know this is the place to do it

491

01:16:28,440 --> 01:16:39,949

[Music]

492

01:16:39,949 --> 01:16:47,310

medicals pretty sure it's dead sir how long  
just a guess maybe an hour two that means

493

01:16:47,310 --> 01:16:52,400

Corliss must be close by we have several patrols  
out already sir I want choppers out looking

494

01:16:52,400 --> 01:16:58,620

to have they reported anything suspicious  
at the spacecraft checkpoint will sir weren't

495

01:16:58,620 --> 01:17:03,770

you just up there I just got on the scene  
soldier what the hell are you talking about

496

01:17:03,770 --> 01:17:07,270

will sir it's it's just the security has you  
logged into the spacecraft already

497

01:17:07,270 --> 01:17:14,920

[Music]

498

01:17:14,920 --> 01:17:32,030

are you trying to fly this ship I don't think  
so

499

01:17:32,030 --> 01:17:54,241

[Music] now what I don't know but I don't  
think this is what I'm looking for

500

01:17:54,241 --> 01:17:58,600

English on a spaceship from another world

501

01:17:58,600 --> 01:18:02,560

some catalyst of names [Music]

502

01:18:02,560 --> 01:18:17,400

other people they've abducted why would does  
for me to see this what is it proof Paul look

503

01:18:17,400 --> 01:18:31,100

for your name on the list here it is just  
make any sense

504

01:18:31,100 --> 01:18:37,050

they're coming [Music]

505

01:18:37,050 --> 01:18:52,040

the hell is going on here I don't know I want  
an answer Corliss and if I have to cut out

506

01:18:52,040 --> 01:19:04,100

your brain and study it in order to get one  
that's what I'm gonna do I don't know anything

507

01:19:04,100 --> 01:19:15,250

how's your memory now I don't know anything  
I

508

01:19:15,250 --> 01:19:22,600

want the truth which truth all right that's  
it stand away from that man you're behind

509

01:19:22,600 --> 01:19:28,770

us Spaulding I know it you stepped over the  
edge colonel is your commanding officer in

510

01:19:28,770 --> 01:19:42,420

a general in the United States Air Force I'm  
placing you under arrest and holding you in

511

01:19:42,420 --> 01:19:49,929

protective custody [Music]

512

01:19:49,929 --> 01:19:56,650

thank you gentlemen  
please be seated

513

01:19:56,650 --> 01:20:07,020

mr.

514

01:20:07,020 --> 01:20:10,200

Corliss I'm sorry to keep you longer than  
your wife and I'm sure you can appreciate

515

01:20:10,200 --> 01:20:16,610

the sensitivity of the situation who are you

516

01:20:16,610 --> 01:20:26,770

for your purposes I don't have a name now  
you have testified to three things one that

517

01:20:26,770 --> 01:20:30,980

the alien creature known as dass exerted mind  
control over you which caused you to affect

518

01:20:30,980 --> 01:20:36,540

its breakout from the rampart facility to  
that you are no longer under that mind-control

519

01:20:36,540 --> 01:20:41,210

and three that you yourself had nothing to  
do with the death of the alien creature is

520

01:20:41,210 --> 01:20:47,290

that a true and accurate account of your testimony  
yeah tell me in your own words why you think

521

01:20:47,290 --> 01:20:52,150

these creatures came to earth to get genetic  
material to help them reproduce because their

522

01:20:52,150 --> 01:21:00,520

race is dying out is there anything more you

wish to add only that I'd like to go home

523

01:21:00,520 --> 01:21:10,230

now I operate under an emergency declaration  
I'm empowered to keep you incarcerated and

524

01:21:10,230 --> 01:21:15,730

under observation for as long as I see fit  
can you give me a reason why I should not

525

01:21:15,730 --> 01:21:25,920

do that because I'm no longer any use to you  
and I want to go home and be with my wife

526

01:21:25,920 --> 01:21:32,409

the rules are very simple but I insist you  
follow them one you are never to talk about

527

01:21:32,409 --> 01:21:38,310

this to if you're ever contacted again we  
have to know about it do you agree to this

528

01:21:38,310 --> 01:21:44,650

yeah

529

01:21:44,650 --> 01:21:57,170

then go live your life and try to be happy

530

01:21:57,170 --> 01:22:04,900

if we need you again they'll be hearing from  
us and you should know there's a reporter

531

01:22:04,900 --> 01:22:07,500

who's been calling my wife mr.

532

01:22:07,500 --> 01:22:12,900

nevado he won't be bothering you

533

01:22:12,900 --> 01:22:26,003

we won't have to hijack a ride this time my  
sergeant will take you straight home you're

534

01:22:26,003 --> 01:22:32,170

a good man general before you go I want you  
to tell me what you didn't tell about makes

535

01:22:32,170 --> 01:22:36,560

you think there's anything I didn't tell ma'am  
we had a deal I kept my part they tell me

536

01:22:36,560 --> 01:22:47,900

were they from not where general when when  
they're not aliens they're us from the future

537

01:22:47,900 --> 01:22:55,679

our future my god why didn't they just say  
so because they didn't wants to know if they

538

01:22:55,679 --> 01:23:01,679

change their past they might cease to exist  
although when you shut down their spacecraft

539

01:23:01,679 --> 01:23:08,290

history took a whole new course you will still  
think we should tell everyone what would we

540

01:23:08,290 --> 01:23:15,110

tell them that they're going to evolve into  
something little and gray that eats mushrooms

541

01:23:15,110 --> 01:23:22,159

people have to have hope I hope we don't make  
the same mistakes das being here has already

542

01:23:22,159 --> 01:23:28,330

started to change things before he died he  
told me he learned something what the future

543

01:23:28,330 --> 01:23:32,409

is unwritten how about your future mr.

544

01:23:32,409 --> 01:23:44,159

Collis what are you gonna do me I've already started writing a new chapter

545

01:23:44,159 --> 01:23:57,271

she has beautiful [Music] hit me she looks like you

546

01:23:57,271 --> 01:24:14,420

[Music] Annie [Music] there's something you should know I had to wait till she was here

547

01:24:14,420 --> 01:24:16,719

the computer ownership

548

01:24:16,719 --> 01:24:32,400

the corliss line ended with me no descendants so she wasn't meant to be I don't think so

549

01:24:32,400 --> 01:24:40,260

[Music] but here she is here she is

550

01:24:40,260 --> 01:24:50,720

[Music] so we we've already changed the future yeah hoping she's gonna rip her way see time

551

01:24:50,720 --> 01:24:59,600

and make that gray future bad dream that never really existed - you are the name for our

552

01:24:59,600 --> 01:25:02,679

little world changer

553

01:25:02,679 --> 01:25:10,080

it'll probably sound boy timing

554

01:25:10,080 --> 01:25:11,080

I was thinking about hope [Music] [Applause]  
[Music]
