

Need to Know

with Coulthart and Zabel

1
00:00:13,829 --> 00:00:14,160

[Music]

2
00:00:14,160 --> 00:00:20,080

i just want to talk about a comment that obama\
president obama made to james corden on the late\
h\
h

3
00:00:20,080 --> 00:00:28,240

late show in may of last year 2021 he said quote\
h
when it comes to aliens there are some things\
h\
h

4
00:00:28,240 --> 00:00:35,600

i just can't tell you on air comes the aliens\
h
uh there's some things i just can't tell you\
h\
h

5
00:00:35,600 --> 00:00:41,440

uh on air but what what is true uh and\
h
i'm actually being serious here is is that\
h\
h

6
00:00:42,320 --> 00:00:49,120

there are uh there's footage and\
h
records of objects in the skies that\
h\
h

7
00:00:49,120 --> 00:00:57,840

we don't know exactly what they are we can't\
h
explain uh how they moved their trajectory\
h\
h

8
00:00:59,280 --> 00:01:06,960

now when i heard that comment bryce i thought to\
h
myself that implies very very strongly that barack\
h\
h

9
00:01:06,960 --> 00:01:13,840

obama as president was briefed about something\
h
to do with aliens because frankly if there wasn't\
h\
h

10
00:01:13,840 --> 00:01:18,160

anything to do with aliens he'd be able to dismiss\
h
it out of hand don't you agree he's implying he\
h\
h

11

00:01:18,160 --> 00:01:22,720

knows something i do agree and it's another\h
one of those like why don't some journalists\h\h

12

00:01:22,720 --> 00:01:30,160

take a look at this and you know i have a friend\h
ben hanson who's a former fbi agent and he took\h\h

13

00:01:30,160 --> 00:01:34,720

a look at many of the statements that barack\h
obama has made on the air and sort of subjected\h\h

14

00:01:34,720 --> 00:01:40,080

them to that stress analysis and he came to the\h
same conclusion through that technique that he\h\h

15

00:01:40,080 --> 00:01:45,440

thought obama knew more than he was talking about\h
clearly clearly he does and it isn't just obama\h\h

16

00:01:46,000 --> 00:01:51,520

who has a little more uh knowledge than he seems\h
to let on bill clinton's been doing that for years\h\h

17

00:01:51,520 --> 00:01:56,080

but even in the last year he's done it a little\h
more directly in in some of these interviews all\h\h

18

00:01:56,080 --> 00:02:01,120

right president clinton first things first before\h
we move on ufos you've been the president you've\h\h

19

00:02:01,120 --> 00:02:05,760

seen all the info are they real you know\h
they've given us an idea for our next book\h\h

20

00:02:06,480 --> 00:02:12,400

what do you the truth is that we've never\h
approved one but there are things flying\h\h

21

00:02:12,400 --> 00:02:20,000

around up there that we haven't fully identified
yet and keep in mind there are basically a billion

22

00:02:20,000 --> 00:02:24,640

galaxies in an ever expanding universe
mean you can't even get your mind around

23

00:02:25,200 --> 00:02:32,640

the sheer number of things that are out there but
you've seen this and you've seen the data where no

24

00:02:32,640 --> 00:02:38,240

one knows but i think that the probability
is that there's something you would call

25

00:02:38,240 --> 00:02:46,080

life somewhere else and remember it was uh in 2020
that donald trump during an interview with george

26

00:02:46,080 --> 00:02:52,080

stephanopoulos and then frankly with his own son
implied that he had been briefed on the uap issue

27

00:02:52,800 --> 00:02:57,040

and he made it sound like he knew a lot about it
but frankly his comments made it sound like he

28

00:02:57,040 --> 00:03:01,680

didn't know that much about him and this before we
go one of the things you have as president is the

29

00:03:01,680 --> 00:03:06,880

access to all the information right in the world
all the mysteries out there and i was just struck

30

00:03:06,880 --> 00:03:11,840

in the last couple weeks we're reading more and
more reports of navy pilots seeing lots and lots

31

00:03:11,840 --> 00:03:16,080

of ufos have you been grieved on that what do\h
you make of it i have i think it's probably\h\h

32

00:03:17,520 --> 00:03:20,880

i want them to think whatever they\h
think they do say i mean i've see\h\h

33

00:03:20,880 --> 00:03:25,840

i've seen and i've read and i've heard and i did\h
have one very brief meeting on it but people are\h\h

34

00:03:25,840 --> 00:03:31,520

saying they're seeing ufos do i believe it not\h
particularly do you think you'd know if there\h\h

35

00:03:31,520 --> 00:03:37,760

were evidence of extraterrestrials well i think\h
my great our great pilots would know uh and some\h\h

36

00:03:37,760 --> 00:03:41,440

of them really see things that are a little bit\h
different than in the past so we're gonna see\h\h

37

00:03:42,000 --> 00:03:45,600

but we'll watch it you'll be the first\h
to know i won't talk to you about\h\h

38

00:03:45,600 --> 00:03:50,960

what i know about it but it's very interesting\h
but roswell's a very interesting place with a\h\h

39

00:03:50,960 --> 00:03:55,360

lot of people that would like to know what's going\h
on so you're saying you may declassify it you'll\h\h
