

A photograph of Representative Tim Burchett speaking at a podium. He is wearing a dark suit, a light blue shirt, and a blue tie. He has his right hand raised in a fist. Behind him is the U.S. Capitol building with its iconic dome and columns. An American flag is visible to the left of the speaker. The sky is blue with some clouds.

1

00:00:14,800 --> 00:00:19,840

i i think that's ridiculous if the russians had\h
ufo technology i mean they would own us right\h\h

2

00:00:19,840 --> 00:00:23,600

now they used to say that they've heard people\h
talk about how the nazis had it in the second\h\h

3

00:00:23,600 --> 00:00:28,480

world world if they did they would have won that\h
is ridiculous it has to be something that's it's\h\h

4

00:00:28,480 --> 00:00:33,360

out of our galaxy it just has to be if it if it in\h
fact it's real they always say they're going to do\h\h

5

00:00:33,360 --> 00:00:37,280

something about it and then they get into office\h
and and honestly i thought trump was going to do\h\h

6

00:00:37,280 --> 00:00:41,040

something i was going to release the files but\h
you know they release these files are redacted\h\h

7

00:00:41,040 --> 00:00:46,960

it's just a big blob white out and uh clearly\h
something's going on that we can't handle i\h\h

8

00:00:46,960 --> 00:00:52,960

mean ufos were in the bible read ezekiel it talks\h
about the wheel flying around so i mean it there\h\h

9

00:00:53,520 --> 00:00:58,080

they've been around since we've been around and\h
um somebody needs to come up with some answers\h\h

10

00:00:58,080 --> 00:01:03,520

i don't believe it i i think roswell was covered\h
up i think um you know more people believe in\h\h

11
00:01:03,520 --> 00:01:08,000
ufos and believe in congress for good reason\h
because of the jack lake stuff we do like that\h\h

12
00:01:08,000 --> 00:01:11,840
we we talk about we're going to release it\h
and then we never do or we release something\h\h

13
00:01:11,840 --> 00:01:17,760
that's so redacted that it's just ridiculous\h
the air force had a release of uh on roswell\h\h

14
00:01:17,760 --> 00:01:23,280
which was the big the big deal i think from 48\h
and the big cover up there and and the guy that\h\h

15
00:01:23,280 --> 00:01:27,360
did it was a smart alec and he kind of smirked\h
the whole time and nobody took it serious they\h\h

16
00:01:27,360 --> 00:01:30,880
ought to take it serious american public wants\h
to know and frankly we deserve i think they're\h\h

17
00:01:30,880 --> 00:01:36,240
going to release that i think somebody's going to\h
release stuff that the kennedy assassination files\h\h

18
00:01:36,240 --> 00:01:40,080
are going to do it off but but we haven't\h
had a president with enough guts to do it

19
00:01:44,320 --> 00:01:50,880
the government doesn't trust the people to to be\h
able to to understand the information i believe\h\h

20
00:01:50,880 --> 00:01:57,280
they this report is a joke i mean it really\h
has nothing in it of any substance i could have\h\h

21
00:01:57,280 --> 00:02:03,360
drawn this up when i was in the fifth grade by
by reading books on ufos i mean you know it's um

22
00:02:03,920 --> 00:02:08,560
what i really think happened was i think they
had a serious report and you've got some good

23
00:02:08,560 --> 00:02:12,880
people on that intelligence committee uh devin
nunes and some of the others are excellent

24
00:02:12,880 --> 00:02:19,280
you couldn't ask for anybody better but the truth
is i think they put a report out they were getting

25
00:02:19,280 --> 00:02:24,080
ready to put a very extensive report out and then
they and somebody pulled it back just like they

26
00:02:24,080 --> 00:02:29,760
have in the past and you can clearly see that's
not a that's not a hubcap somebody's dangling

27
00:02:29,760 --> 00:02:36,800
by with a piece of a monofilament line there's
something up there and uh and just by ignoring it

28
00:02:36,800 --> 00:02:42,960
i think it just shows the arrogance of of of our
government once again that they don't trust us to

29
00:02:42,960 --> 00:02:49,760
be able to disseminate the information well no
oddly enough um again i i think what they do

30
00:02:49,760 --> 00:02:54,560
to a lot of these things is the people that that
they disseminate the information to they've been

31
00:02:54,560 --> 00:03:01,040
here so long that they have um the system has
turned them against against their country um

32
00:03:01,920 --> 00:03:07,280
as we would see it i honestly do i just don't
think that they um the people in power trust us

33
00:03:07,280 --> 00:03:12,400
enough we didn't know what's going on you know
they put out i think a false flag they said

34
00:03:12,400 --> 00:03:18,400
well it could be russians it could be chinese
mean with putin's ginormous ego i you know if he

35
00:03:18,400 --> 00:03:24,000
could fly ufo he would land it on the white house
lawn and you know and say vladimir putin you know

36
00:03:24,640 --> 00:03:30,160
emperor of the world and and the thing that they
um somebody said well it could be they put out

37
00:03:30,160 --> 00:03:35,280
something else well it's probably somebody doing
something to block our radar if they were doing

38
00:03:35,280 --> 00:03:39,840
that they could hold our airline industry back
hostage these just overnight i mean they already

39
00:03:39,840 --> 00:03:46,720
did it to our oil industry um with the pipeline
shutdown so i think that you just i i think they

40
00:03:46,720 --> 00:03:51,920
need to just come clean and say what's going on
you know they haven't been truthful to us roswell

41
00:03:51,920 --> 00:03:59,840
new mexico aurora texas uh they've had incidents\
in russia they've been instances in england

42
00:04:02,240 --> 00:04:07,680
ufo report mr speaker from the director of\
national intelligence was bogus the report raised\

43
00:04:07,680 --> 00:04:13,280
more questions than answers and about unidentified\
unidentified objects in the skies it stunk of a\

44
00:04:13,280 --> 00:04:18,400
government cover-up mr speaker now the pentagon\
is starting a new office to collect information\

45
00:04:18,400 --> 00:04:24,160
on these unidentified objects the office is called\
the airborne object identification and management\

46
00:04:24,160 --> 00:04:29,440
synchronization group i don't know where they came\
up with that name i'm sure they paid somebody a\

47
00:04:29,440 --> 00:04:34,080
lot of money to come up with that i do not trust\
this new office mr speaker i don't think it will\

48
00:04:34,080 --> 00:04:39,040
be transparent with lawmakers or the public\
about its findings this is a national security\

49
00:04:39,040 --> 00:04:44,720
issue congress needs to know what is going on so\
we can respond accordingly today i'm requesting\

50
00:04:44,720 --> 00:04:50,640
the leaders of this new office bring members of\
congress on their ufo bring them in on their ufo\

51
00:04:50,640 --> 00:04:55,520
findings this is a matter of great public interest\h
and has been for a very long time to a lot of\h\h

52
00:04:55,520 --> 00:05:01,440
americans our government should not hide the truth\h
from us for another second if this new office is\h\h

53
00:05:01,440 --> 00:05:06,000
to be held accountable our country will get more\h
reports like the one that came out last summer\h\h

54
00:05:06,000 --> 00:05:11,600
or worse they will be silent and hope we all just\h
forget about the phenomena we do not need to fear\h\h

55
00:05:11,600 --> 00:05:16,320
these these airborne and unidentified objects they\h
would have shown themselves to be dangerous a long\h\h

56
00:05:16,320 --> 00:05:23,840
time ago by now if they were a threat our citizens\h
and country can handle the truth mr speaker

57
00:05:25,680 --> 00:05:30,480
yeah you're not the only one the pentagon of\h
course is uh is is valiantly decided they're\h\h

58
00:05:30,480 --> 00:05:36,720
going to take over the all the research on the on\h
the ufo phenomena but it's uh it's it's totally\h\h

59
00:05:36,720 --> 00:05:42,320
bogus i mean they're just going to require more\h
money from us and they're going to keep it quiet i\h\h

60
00:05:42,320 --> 00:05:48,560
don't trust the pentagon i never have um they are\h
their secrets upon secrets and that's that's how\h\h

61
00:05:48,560 --> 00:05:53,120
they operate and and we're foolish if we give them\h
any more money to do this kind of thing it needs\h\h

62
00:05:53,120 --> 00:05:57,440
to be independent there needs to be congressional\h
oversight and there needs in the public needs\h\h

63
00:05:57,440 --> 00:06:01,520
to see it right it doesn't need to be any double\h
secret meetings right they pulled the rug out from\h\h

64
00:06:01,520 --> 00:06:08,800
under so i think the military industrial complex\h
and the rest of those clowns they uh they fully\h\h

65
00:06:08,800 --> 00:06:13,200
know what they're doing and um and they're going\h
to keep it secret from them what is it they don't\h\h

66
00:06:13,200 --> 00:06:17,680
want the public to know that's a good question\h
i've got a theory about that i think it's about\h\h

67
00:06:17,680 --> 00:06:25,360
control they think once that they lose control\h
of the issue that um you know and they they if\h\h

68
00:06:25,360 --> 00:06:30,240
could you imagine if this world was focused on\h
one issue looking at something like that we could\h\h

69
00:06:30,240 --> 00:06:35,040
all come together on something i think that would\h
just disrupt the whole military-industrial complex\h\h

70
00:06:35,040 --> 00:06:39,920
the religious industrial complex on down the\h
line it would just disrupt that whole chain and\h\h

71
00:06:39,920 --> 00:06:43,600
they don't want it they don't want it they want\h
they want control they want secrets they want\h\h

72
00:06:43,600 --> 00:06:48,480
it compartmentalized i mean you know they won't\h
even release it the kennedy files and who the\h\h

73
00:06:48,480 --> 00:06:52,240
heck's alive after that it's ridiculous\h
it's the whole thing it's gonna come off

74
00:06:56,480 --> 00:07:03,440
big picture does the pentagon know more than\h
they're saying 100 percent 100 and leland you had\h\h

75
00:07:03,440 --> 00:07:08,480
george will on earlier he said it's in a in our\h
country's dna not to trust the government and this\h\h

76
00:07:08,480 --> 00:07:15,200
is another example why these are navy pilots these\h
are the top pilots in the world and this was they\h\h

77
00:07:15,200 --> 00:07:20,640
didn't leak it but somebody else leaked it and um\h
and for the longest time they they said it didn't\h\h

78
00:07:20,640 --> 00:07:27,360
exist and now that they've come forward with these\h
these tapes there's so many of them out there that\h\h

79
00:07:27,360 --> 00:07:33,680
show um you know they're flying into the water\h
it's it's under the water in the air like this um\h\h

80
00:07:34,480 --> 00:07:38,960
which we're seeing right now on the screen\h
there's just so much out there and um

81
00:07:41,440 --> 00:07:45,520
yeah we need to start we need to
start addressing it because if these

82
00:07:45,520 --> 00:07:51,840
who whatever they are have control of the air like
that it's a national defense issue for us and um

83
00:07:51,840 --> 00:07:56,880
and so that's probably a meteor right there
but but um but it's still pretty compelling

84
00:07:56,880 --> 00:08:02,960
somebody needs to start asking questions questions
if it was ours we would we could end all conflicts

85
00:08:02,960 --> 00:08:10,000
because we would have the the strongest air power
ever two if it was the russians the chinese i mean

86
00:08:10,000 --> 00:08:14,800
honestly putin he would land one of those things
on the white house lawn and ride a unicorn out

87
00:08:15,440 --> 00:08:21,280
and and wrestle joe biden so the reality is it's
three i mean there's historical references this if

88
00:08:21,280 --> 00:08:28,080
you read your bible um the first chapter of
ezekiel pretty much describes a ufo landing

89
00:08:28,080 --> 00:08:34,240
and and historically we've seen it the dark ages
through paintings there's there's hieroglyphics

90
00:08:34,240 --> 00:08:39,600
on walls and caves there's all kinds of things
billy graham i think was quoted as saying if you

91
00:08:39,600 --> 00:08:47,040
think that um that we're the best that god can do\h
then you um then you you greatly underestimate god\h\h

92
00:08:47,040 --> 00:08:51,360
because there's you know infinity is a long\h
way out there yeah if you look at the stars and\h\h

93
00:08:51,360 --> 00:08:56,800
you're looking at stars literally just to put it\h
in perspective stars we see now the light we see\h\h

94
00:08:57,600 --> 00:09:03,600
left left that left that celestial being before\h
the time of christ and some of them are are just\h\h

95
00:09:03,600 --> 00:09:09,200
are not even in existence anymore but we're seeing\h
that light so you're talking the vastness of space\h\h

96
00:09:09,200 --> 00:09:14,960
you're not you're an expert i think there's\h
an arrogance in government at that level that\h\h

97
00:09:14,960 --> 00:09:20,960
we cannot handle what's going on out there and i\h
just think it's a it's a bogus cover-up it doesn't\h\h

98
00:09:20,960 --> 00:09:26,640
fit and it's about power and it's about control\h
imagine if there was a if we decided that there\h\h

99
00:09:26,640 --> 00:09:31,440
was something out there like like you're\h
seeing right there that comes from another\h\h

100
00:09:31,440 --> 00:09:37,200
another galaxy or what have you immediately our\h
focus would stop being on fighting each other but\h\h

101

00:09:37,200 --> 00:09:42,480

looking at this and i think it puts a lot honestly\h
it puts a lot of people out of business uh the\h\h

102

00:09:42,480 --> 00:09:48,640

military-industrial complex is real and we need\h
to address it well you've got to sell the american\h\h

103

00:09:48,640 --> 00:09:55,360

public on it but but you've also it does away with\h
any of our conflicts overseas or anything else it\h\h

104

00:09:55,360 --> 00:09:58,960

unifies the world i just don't think they're in\h
the business that i don't think i think we're\h\h

105

00:09:58,960 --> 00:10:04,080

giving them too much credit and they're arrogant\h
and uh and they you know we're asking the pentagon\h\h

106

00:10:04,080 --> 00:10:10,000

to to uh to investigate something that they\h
covered up my daddy used to he was an old educator\h\h

107

00:10:10,000 --> 00:10:14,640

and he was a dean at university of tennessee and\h
he said we always bring in and pay the people to\h\h

108

00:10:14,640 --> 00:10:18,640

fix the problem that created a problem so now\h
we're sending more money to the pentagon to\h\h

109

00:10:18,640 --> 00:10:23,040

invest some investigate something that they've\h
been keeping a lid on for decades so how do we\h\h

110

00:10:24,400 --> 00:10:30,080

we take the shackles off we we put pressure\h
on the pentagon in funding and everything else\h\h

111

00:10:30,080 --> 00:10:35,600

and say enough is enough bring forth what
you got and let the american public decide

112

00:10:35,600 --> 00:10:39,840

i trust the american public i i don't know so
you want them to just release everything and then

113

00:10:41,040 --> 00:10:46,320

replace it all what's really the chance of
it happening i'd say zero to none because

114

00:10:46,320 --> 00:10:51,200

it's it's an arrogant bunch of people that run
this world and run this country uh you know the

115

00:10:51,200 --> 00:10:55,600

the ones that are always in power regardless
of who's in the white house the pentagon that

116

00:10:55,600 --> 00:11:01,120

you you know it's not a tenfold hat thing anymore
i mean you've got navy pilots saying look at this

117

00:11:01,120 --> 00:11:06,880

yeah and they're describing something that is uh
that you know that has been described for decades

118

00:11:06,880 --> 00:11:14,000

since roswell new mexico and to the russians
the chinese we've we have information that they

119

00:11:14,000 --> 00:11:19,920

they have seen these very same things and they are
investigating them just like we are and so it's at

120

00:11:19,920 --> 00:11:24,400

a little higher level than i believe we're we're
being told i just the government is part of the

121

00:11:24,400 --> 00:11:29,120

cover-up and they're not gonna they're they're not\h
gonna disclose it to us because they don't trust\h\h

122

00:11:29,120 --> 00:11:36,880

us with with uh having enough sense to to diagnose\h
it's very frustrating well i'd love to tell you\h\h
