00:00:00,240 --> 00:00:05,220

hey everybody it's Bryce zabel here and I\h
want to show you the promo for the special\h\h

2

00:00:05,220 --> 00:00:10,200

edition of news Nation they're going to be\h
doing about Ross Colt Art's powerful and\h\h

3

00:00:10,200 --> 00:00:16,320

compelling interview with whistleblower David\h
Crush that's coming up on Sunday June 11th and\h\h

4

00:00:16,320 --> 00:00:21,540

I want you to take a look now and on the other\h
side I'll tell you how to find news Nation if\h\h

5

00:00:21,540 --> 00:00:25,980

you can't figure that out because it has confused\h
a few people anyway take a look at the promo now\h\h

6

00:00:26,700 --> 00:00:31,380

he's a decorated U.S veteran and a Former\h
high-ranking Intelligence officer at the\h\h

7

00:00:31,380 --> 00:00:37,380

Pentagon and now for the first time on camera he's\h
blowing the whistle on something extraordinary\h\h

8

00:00:37,380 --> 00:00:42,660

there's a sophisticated disinformation campaign\h
what our government is hiding from you and\h\h

9

00:00:43,680 --> 00:00:51,240

as Fantastical as that sounds it's true what is\h
the truth about UFOs in a worldwide television\h\h

10

00:00:51,240 --> 00:00:56,520

exclusive he talks to news Nation we are\h
not alone well I only have one criticism\h\h

11
00:00:56,520 --> 00:01:02,100
not enough cold heart but maybe I'm biased\h
anyway he's all over this special where he\h\h

12
00:01:02,100 --> 00:01:07,320
does the interview with crush and it's really\h
quite impressive I do hope you can watch it\h\h

13
00:01:07,320 --> 00:01:13,620
now you may be wondering how do I watch it well\h
the simplest One Stop Shop is a URL that they've\h\h

14
00:01:13,620 --> 00:01:21,180
put together at news Nation it's join in.com so\h
they're basically saying joinnewsnation.com but\h\h

15
00:01:21,180 --> 00:01:31,680
that is j-o-i-n and then nnn.com so you got three\h
n's in that j-o-i-n-n-n.com that's how you find\h\h

16
00:01:31,680 --> 00:01:37,440
it now hopefully that's going to work even for\h
those of you who are outside the United States and\h\h

17
00:01:37,440 --> 00:01:42,780
um it's also streaming on YouTube and Hulu and\h
sling and places like that and they do have\h\h

18
00:01:42,780 --> 00:01:48,240
an app so hopefully you'll be able to catch\h
it and I want to thank you as Ross does for\h\h

19
00:01:48,240 --> 00:01:54,480
all your support we we always appreciate it and\h
remember we can handle the truth People Get Ready
