CUOMO

1

00:00:00,720 --> 00:00:06,420

hey everybody I just did an interview with Chris\h  
Cuomo over at news Nation uh it was short and\h\h

2

00:00:06,420 --> 00:00:11,940

sweet but it did give me a chance to call David\h  
grush a hero which is something that he is and\h\h

3

00:00:11,940 --> 00:00:15,900

needs to be said so that was a good interview\h  
for me I want to show it to you right now

4

00:00:18,420 --> 00:00:23,520

so you're absolutely sure that the\h  
materials that these crafts are made of\h\h

5

00:00:24,120 --> 00:00:31,680

uh clearly not of this Earth yeah they're\h  
sophisticatedly engineered certainly not by humans\h\h

6

00:00:33,060 --> 00:00:39,240

that was UFO whistleblower David grush revealing\h  
in a news Nation exclusive that he believes the\h\h

7

00:00:39,240 --> 00:00:45,480

government has been covering up the existence of\h  
alien life but can he be believed let's bring in\h\h

8

00:00:45,480 --> 00:00:52,860

Bryce zabel he's a writer producer investigative\h  
journalist covers UFOs actually does a podcast\h\h

9

00:00:52,860 --> 00:00:58,380

with the guy doing the interview with grush uh\h  
Bryce good to have you on the show thank you\h\h

10

00:00:58,980 --> 00:01:03,240

thank you for having me and you know I I really\h  
want to call out how great I thought your\h\h

11  
00:01:03,240 --> 00:01:08,520  
introduction was because it's not about Little  
Green Men anymore it's not about just lights in

12  
00:01:08,520 --> 00:01:12,900  
the sky but you're proving right now with this  
coverage that news nation is doing and yourself

13  
00:01:12,900 --> 00:01:18,300  
uh Chris is that the stigma for this whole topic  
needs to go away we need to take it on like any

14  
00:01:18,300 --> 00:01:24,540  
other story and and get to the bottom of it yeah  
I mean the part that is I find unacceptable is if

15  
00:01:24,540 --> 00:01:31,320  
they have something that proves or disproves this  
they should tell us because I I just think it's

16  
00:01:31,320 --> 00:01:35,160  
malfeasance I don't even think it's misfeasance I  
don't think it's simple negligence I don't even

17  
00:01:35,160 --> 00:01:40,500  
think it's discretion they are intentionally  
doing something that has three quarters of the

18  
00:01:40,500 --> 00:01:47,100  
population interested and if they could debunk  
that they should that's transparency now uh let's

19  
00:01:47,100 --> 00:01:51,720  
do our own practice of it here sure uh what do  
you know about grush and why should we trust them

20  
00:01:52,260 --> 00:01:57,120  
well I know about grush because my partner in  
that podcast Ross coltarth the man who's doing

21  
00:01:57,120 --> 00:02:02,100  
the interview is someone I've been in contact with obviously on a lot of these issues and a

22  
00:02:02,100 --> 00:02:06,600  
lot of the sources that he's had over uh the time that we've known each other so I've I've seen the

23  
00:02:06,600 --> 00:02:14,040  
grush story coming I did spend a couple of days with Dave grush uh in May uh the day before you

24  
00:02:14,040 --> 00:02:19,380  
guys actually taped the news Nation interview and I was there for the news Nation interview and

25  
00:02:19,380 --> 00:02:25,440  
um I I think Rush is the real deal and I I look forward to people putting as much attention on

26  
00:02:25,440 --> 00:02:31,860  
checking him out as they can because I think he checks out wasn't fired uh doesn't have beef that

27  
00:02:31,860 --> 00:02:37,800  
we know about the government hasn't come forward and said he was fired or has beef and in fact he

28  
00:02:37,800 --> 00:02:45,660  
is telling us the truth as far as we know about going to DOD for pre-publication clearance and he

29  
00:02:45,660 --> 00:02:50,820  
was told not to talk about certain things is that your understanding as well well that's what the

30  
00:02:50,820 --> 00:02:56,340  
it's called the dopsa document and it basically allows him to talk about certain things now it's

31  
00:02:56,340 --> 00:03:01,980  
a dangerous game for a person uh like Dave grush\h  
because that puts a line there and he has to as\h\h

32  
00:03:01,980 --> 00:03:07,140  
he's answering questions for Ross or yourself in\h  
the future he has to wonder whether he's going\h\h

33  
00:03:07,140 --> 00:03:12,660  
over that line or not so he's got uh you know he's\h  
he's obviously being watched by the government to\h\h

34  
00:03:12,660 --> 00:03:16,980  
make sure that he stays on the right side of what\h  
they're allowing him to talk about but I think it\h\h

35  
00:03:16,980 --> 00:03:23,220  
is pretty wild that the the government has said\h  
you know go ahead Dave tell your story and that's\h\h

36  
00:03:23,220 --> 00:03:27,360  
exactly what he's doing and it's interesting l\h  
just I'm not sure people even understand this\h\h

37  
00:03:27,360 --> 00:03:32,100  
in addition to all the credentials this guy\h  
has he actually worked on the presidential\h\h

38  
00:03:32,100 --> 00:03:37,440  
Daily Briefing he was one of the guys trusted\h  
to literally walk that briefing over to the\h\h

39  
00:03:37,440 --> 00:03:43,080  
White House you know this is not some guy who\h  
you know worked in the government 30 years ago\h\h

40  
00:03:43,080 --> 00:03:49,020  
who's coming forward with a YouTube video this is\h  
a guy who was deeply involved in the intelligence\h\h

41  
00:03:49,020 --> 00:03:55,260  
community of the U.S government up until April of  
this year and he's telling a story that as you've

42  
00:03:55,260 --> 00:04:00,240  
pointed out is pretty radical and yet there's  
a lot of uh reason to believe that it's true

43  
00:04:00,240 --> 00:04:06,720  
now another contextual tool is corroboration  
uh you're saying separate from the guy what

44  
00:04:06,720 --> 00:04:11,940  
he is talking about are things you have heard  
from other sources that are not grush related

45  
00:04:12,660 --> 00:04:21,120  
absolutely um listen I I started as a screenwriter  
looking into UFOs uh and and so I did a lot of

46  
00:04:21,120 --> 00:04:25,980  
research on it and I I've heard most of the  
things that he's talking about and I've seen

47  
00:04:25,980 --> 00:04:30,660  
people talk about it I've read about them so  
you can actually think about this as a secret

48  
00:04:30,660 --> 00:04:35,340  
that's been in plain sight for quite a while  
uh what's different is that we actually have

49  
00:04:35,340 --> 00:04:42,060  
a Insider with the Merit and with the credentials  
of Dave Crush who's willing to put his career and

50  
00:04:42,060 --> 00:04:47,040  
his own personal safety on the line to to tell us  
about it so I think it's kind of a heroic thing

51  
00:04:47,040 --> 00:04:51,720  
that he's doing and and I think it may very\h  
well turn out when we read the history books\h\h

52  
00:04:51,720 --> 00:04:57,300  
of the future they're going to pinpoint uh this\h  
time this very time right now that we're in and\h\h

53  
00:04:57,300 --> 00:05:03,000  
say this is where things began to turn and people\h  
began to really take it seriously and get to the\h\h

54
