**PENTAGON DENIES SECRET UFO RETRIEVAL PROGRAM**

1  
00:00:00,060 --> 00:00:00,780  
foreign

2  
00:00:08,820 --> 00:00:14,580  
we brought you on Monday regarding that  
whistleblower documenting what he says is the

3  
00:00:14,580 --> 00:00:20,700  
evidence that U.S recovered alien spacecrafts and  
beings despite being told for years all of that

4  
00:00:20,700 --> 00:00:25,080  
was a conspiracy theory independent journalist  
Michael schellenberger has spoken to a number of

5  
00:00:25,080 --> 00:00:33,540  
military and Intel contractors who say now that  
the U.S is in fact in possession of 12 or more

6  
00:00:33,540 --> 00:00:40,800  
alien spacecraft schellenberger also writes that  
the reason the pentagon's new program for studying

7  
00:00:40,800 --> 00:00:48,180  
UFOs has not discovered any verifiable information  
is because quote they may not want to verify it

8  
00:00:49,200 --> 00:00:53,700  
joining us now Bryce zabel he's the host of  
the need to know podcast an investigative

9  
00:00:53,700 --> 00:00:58,440  
journalist who covers these issues he was  
also present for the initial interview with

10  
00:00:58,440 --> 00:01:01,740  
the Whistleblower David grush and has  
spent some time with them as well Bryce

11

00:01:02,280 --> 00:01:07,620

now why might the Pentagon not want to verify  
this information this is on a night where so

12

00:01:07,620 --> 00:01:12,360

many people are raising questions about the  
veracity and the trustworthiness of all of

13

00:01:12,360 --> 00:01:16,740

our ins you know key institutions of government  
but why would they want and want to verify it

14

00:01:17,520 --> 00:01:23,040

well you know the information that we're not alone  
has always been assumed to be a destabilizing

15

00:01:23,040 --> 00:01:28,140

kind of thing Laura so uh on one level they could  
simply say we're just not ready to deal with this

16

00:01:28,140 --> 00:01:33,360

let's continue with the political stuff the back  
and forth uh on your show tonight I mean this is a

17

00:01:33,360 --> 00:01:38,520

pretty interesting night to be talking about this  
because the politics of the nation are you know

18

00:01:38,520 --> 00:01:43,740

on the front page or the front you know the top  
of the show but at the same time if this is true

19

00:01:43,740 --> 00:01:49,620

what whistleblower Dave grush has said then it's  
the biggest news story of all time ever and so

20

00:01:49,620 --> 00:01:55,740

uh I I think if if there is an attempt to try to  
come clean on this it's been around for 80 years

21

00:01:55,740 --> 00:01:59,760

uh I don't know that they have a good plan for\h  
it but they're going to probably have to get one\h\h

22

00:02:00,360 --> 00:02:05,700

how important is this though again getting back\h  
to the core point that we've been making all so\h\h

23

00:02:05,700 --> 00:02:11,700

long tonight sure that we need to believe that our\h  
government actually represents our best interests\h\h

24

00:02:11,700 --> 00:02:18,540

and unless there is a specific incredible National\h  
Security reason not to release certain information\h\h

25

00:02:18,540 --> 00:02:26,040

that after decades and Decades of questions and\h  
in sightings and and firsthand Witnesses here\h\h

26

00:02:26,640 --> 00:02:30,720

how do you how do you not come forward and say\h  
this is what we have and this is what we're still\h\h

27

00:02:30,720 --> 00:02:35,700

investigating how do you not at least do that but\h  
you know that's a great question that could have\h\h

28

00:02:35,700 --> 00:02:40,800

been asked for the last uh 12 presidential\h  
administrations I will say this though this\h\h

29

00:02:40,800 --> 00:02:45,600

is the first time where this issue has been\h  
revealing itself to be actually a bipartisan\h\h

30

00:02:45,600 --> 00:02:50,460

issue you've had the Senate intelligence committee\h  
very interested in this and two of the key players\h\h

31

00:02:50,460 --> 00:02:55,320

in that are Senator Kirsten Gillibrand who  
is a Democrat and Senator Marco Rubio who's

32

00:02:55,320 --> 00:03:00,360

a Republican and they probably don't agree on many  
things but they do agree that we should look into

33

00:03:00,360 --> 00:03:06,240

this issue of uh unidentified anomalous phenomena  
so more power to them and that is exactly what's

34

00:03:06,240 --> 00:03:13,140

going to happen now uh these very statements that  
Dave Grush has made have already been made in

35

00:03:13,140 --> 00:03:18,720

classified session before many uh to at least two  
committees in Congress where he specified for over

36

00:03:18,720 --> 00:03:27,240

11 hours about this and he's provided names dates  
programs locations so he's basically challenged

37

00:03:27,240 --> 00:03:31,020

the Senate and the house if you want to know  
more about this I'll tell you where to go look
