SHOULD WE BELIEVE UFO WHISTLEBLOWER'S CLAIMS?

ATOMIC FEARS GROW OVER THIRD-PARTY CANDIDATES

4:26 PT

NEWS NATION
PRIME

1
00:00:00,060 --> 00:00:00,780
foreign

2
00:00:06,240 --> 00:00:12,180
the U.S may have a secret UFO retrieval program\h
those are just some of the incredible claims laid\h\h

3
00:00:12,180 --> 00:00:17,220
out by the Pentagon UFO whistleblower David\h
grush now among the claims from gresh is that\h\h

4
00:00:17,220 --> 00:00:22,200
the government has a non-human aircraft in its\h
possession which has been kept secret from both\h\h

5
00:00:22,200 --> 00:00:26,700
Congress and the public he recently filed a\h
whistleblower complaint claiming that he gave\h\h

6
00:00:26,700 --> 00:00:32,460
classified proof to Congress and the intelligence\h
Community Inspector General but while news nation\h\h

7
00:00:32,460 --> 00:00:37,380
has confirmed Russia's credentials we have not\h
seen nor verify the alleged proof that he claims\h\h

8
00:00:37,380 --> 00:00:42,360
to have given to investigators here to help me\h
break down some of these claims Bryce Abel it's\h\h

9
00:00:42,360 --> 00:00:46,380
good to see him again filmmaker and host of the\h
need to know podcast Bryce thanks for being here\h\h

10
00:00:46,920 --> 00:00:51,180
hi Natasha it's good to be here and it's\h
such an important day thank you we know\h\h

11

00:00:51,180 --> 00:00:55,920

the Inspector General of the intelligence service\h
has said that Russia's complaint is credible what\h\h

12

00:00:55,920 --> 00:00:59,880

is your reaction to the Whistleblower story do\h
you think that grush is telling the truth here\h\h

13

00:01:00,540 --> 00:01:04,680

well I've met Dave grush twice I\h
was there for your need to know uh\h\h

14

00:01:04,680 --> 00:01:08,940

or rather you're a news Nation interview\h
and also the day before we talked to him\h\h

15

00:01:09,600 --> 00:01:15,000

um I think he is credible but let's let's set the\h
table for this just a little bit last December the\h\h

16

00:01:15,000 --> 00:01:20,280

house and the Senate both passed the National\h
Defense authorization act and it was signed by\h\h

17

00:01:20,280 --> 00:01:26,820

President Biden and it involved actually providing\h
the language for protecting whistleblowers on the\h\h

18

00:01:26,820 --> 00:01:32,040

subject of UAP or UFOs and he is the first\h
person to come forward and as you pointed\h\h

19

00:01:32,040 --> 00:01:36,060

out he's a very credible witness and people\h
are really going to see that in the special\h\h

20

00:01:36,060 --> 00:01:42,300

that comes up tonight so I think uh Dave grush\h
is telling the truth as he knows it the issue\h\h

21

00:01:42,300 --> 00:01:47,880

of proof is a different one because obviously he
was allowed by the Inspector General to tell this

22

00:01:47,880 --> 00:01:52,980

story but obviously the defense department isn't
letting him walk out of the Pentagon with a piece

23

00:01:52,980 --> 00:01:59,400

of spacecraft or a photo of an alien so that's
going to have to be what the Congress actually

24

00:01:59,400 --> 00:02:04,260

does now they're going to have to get into
this Natasha they're going to have to do the

25

00:02:04,260 --> 00:02:08,880

investigation I think one of the most shocking
claims The Whistleblower made perhaps was about

26

00:02:08,880 --> 00:02:13,560

humans being killed by non-human intelligence
let's take a listen to that quickly together

27

00:02:17,460 --> 00:02:21,120

have human beings been hurt

28

00:02:22,020 --> 00:02:27,600

or killed by a non-human intelligence while
I can't get into the specifics because that

29

00:02:27,600 --> 00:02:34,800

would reveal a certain U.S classified operations
I was briefed by a few individuals on the program

30

00:02:34,800 --> 00:02:40,740

that there were malevolent events like that
now I'm scared people have just heard you say

31

00:02:42,840 --> 00:02:52,560

non-humans May well have murdered human beings\n that seems to be the case at one point yeah\n\n

32
00:02:53,460 --> 00:02:58,980
what is your reaction to this well it's it's\n certainly shocking I I was as shocked as you\n\n

33
00:02:58,980 --> 00:03:03,900
probably are when you first heard that but the\n man's credentials are excellent and it is clear\n\n

34
00:03:03,900 --> 00:03:10,020
that over the last 80 years many many thousands of\n Americans and people from around the rest of the\n\n

35
00:03:10,020 --> 00:03:16,380
planet have seen things that cannot be explained\n that are anomalous and these include pilots and\n\n

36
00:03:16,380 --> 00:03:21,600
and uh police officers and military people so\n there's no doubt that there's something going on\n\n

37
00:03:21,600 --> 00:03:26,580
our own government has told us that the question\n is what are the details of it well David grush\n\n

38
00:03:26,580 --> 00:03:31,680
was a person who was so trusted that he was one of\n the people that worked on the presidential daily\n\n

39
00:03:31,680 --> 00:03:37,080
briefing and he was even trusted enough to Courier\n it to the White House so this is a man that you\n\n

40
00:03:37,080 --> 00:03:43,560
have to take seriously now uh now the hard work\n has to be begin as I was saying and and I think\n\n

41
00:03:43,560 --> 00:03:49,920

that the one thing that we have going for us as a
nation right now is in a deeply divided time

42

00:03:49,920 --> 00:03:55,620

previous stories uh made that very clear here is
an issue that has the beginnings of bipartisan

43

00:03:55,620 --> 00:04:01,140

ship the Senate intelligence committee that's
taken a lead on a lot of this involves Senator

44

00:04:01,140 --> 00:04:07,020

Kirsten gillibrand of New York a Democrat and
Senator Marco Rubio of Florida a Republican and

45

00:04:07,020 --> 00:04:11,880

they probably don't see eye to eye on most things
but they sure do on the subject of the government

46

00:04:11,880 --> 00:04:17,460

needing to come clean and tell the people what
it actually knows now the idea that people have

47

00:04:17,460 --> 00:04:23,580

died possibly he was also referring to the fact
that some people who have come in contact with

48

00:04:23,580 --> 00:04:30,060

the craft itself have received some kind of Burns
and radiation effects but it's it's it's clear if

49

00:04:30,060 --> 00:04:35,160

you listen to Dave grush he's saying there's more
than one kind of non-human intelligence out there

50

00:04:35,160 --> 00:04:41,640

that we're in touch with and that one of them he
feels could be described as malevolent so it's a

51

00:04:41,640 --> 00:04:49,380

sobering and somber moment for us but I am looking
forward to your audience at news Nation seeing

52

00:04:49,380 --> 00:04:55,080

him for the hour special you're doing and really
looking at this man and taking their own measure

53

00:04:55,080 --> 00:05:00,420

of them and asking themselves do I think he's
telling the truth and I think if as they listen

54

00:05:00,420 --> 00:05:06,240

to him as I have for a couple of days when I did
meet him I think he comes across as an honest man

55

00:05:06,240 --> 00:05:11,400

that's not the end of the story but it certainly
is the beginning of it thank you for watching go

56

00:05:11,400 --> 00:05:15,840

to newsnationnow.com to find news Nation on
your television provider and don't forget to

57

00:05:15,840 --> 00:05:20,280

click the red subscribe button below to get more
of news Nations fact-driven unbiased coverage

58

00:05:25,740 --> 00:05:32,940

so you're absolutely sure that the
materials that these craft are made of

59

00:05:33,540 --> 00:05:41,040

are clearly not of this Earth yeah they're
sophisticatedly engineered certainly not by humans

60

00:05:42,420 --> 00:05:48,600

that was UFO whistleblower David grush revealing
in a news Nation exclusive that he believes the

61

00:05:48,600 --> 00:05:54,840

government has been covering up the existence of
alien life but can he be believed let's bring in

62

00:05:54,840 --> 00:06:02,220

Bryce zabel he's a writer producer investigative
journalist covers UFOs actually does a podcast

63

00:06:02,220 --> 00:06:07,740

with the guy doing the interview with grush uh
Bryce good to have you on the show thank you

64

00:06:08,340 --> 00:06:12,540

thank you for having me and you know I I really
want to call out how great I thought your

65

00:06:12,540 --> 00:06:17,880

introduction was because it's not about Little
Green Men anymore it's not about just lights in

66

00:06:17,880 --> 00:06:22,260

the sky but you're proving right now with this
coverage that news nation is doing and yourself

67

00:06:22,260 --> 00:06:27,660

uh Chris is that the stigma for this whole topic
needs to go away we need to take it on like any

68

00:06:27,660 --> 00:06:33,900

other story and and get to the bottom of it yeah
I mean the part that is I find unacceptable is if

69

00:06:33,900 --> 00:06:40,680

they have something that proves or disproves this
they should tell us because I I just think it's

70

00:06:40,680 --> 00:06:44,580

malfeasance I don't even think it's misfeasance I
don't think it's simple negligence I don't even

71

00:06:44,580 --> 00:06:49,860

think it's discretion they are intentionally
doing something that has three quarters of the

72
00:06:49,860 --> 00:06:56,460
population interested and if they could debunk
that they should that's transparency now uh let's

73
00:06:56,460 --> 00:07:01,080
do our own practice of it here sure uh what do
you know about grush and why should we trust them

74
00:07:01,680 --> 00:07:06,540
well I know about grush because my partner in
that podcast Ross coltarth the man who's doing

75
00:07:06,540 --> 00:07:11,520
the interview is someone I've been in contact
with obviously on a lot of these issues and a

76
00:07:11,520 --> 00:07:16,020
lot of the sources that he's had over uh the time
that we've known each other so I've I've seen the

77
00:07:16,020 --> 00:07:23,460
grush story coming I did spend a couple of days
with Dave grush uh in May uh the day before you

78
00:07:23,460 --> 00:07:28,800
guys actually taped the news Nation interview
and I was there for the news Nation interview and

79
00:07:28,800 --> 00:07:34,860
um I I think Rush is the real deal and I I look
forward to people putting as much attention on

80
00:07:34,860 --> 00:07:41,280
checking him out as they can because I think he
checks out wasn't fired uh doesn't have beef that

81
00:07:41,280 --> 00:07:47,220

we know about the government hasn't come forward
and said he was fired or has beef and in fact he

82

00:07:47,220 --> 00:07:55,080

is telling us the truth as far as we know about
going to DOD for pre-publication clearance and he

83

00:07:55,080 --> 00:08:00,240

was told not to talk about certain things is that
your understanding as well well that's what the

84

00:08:00,240 --> 00:08:05,700

it's called the dopsa document and it basically
allows him to talk about certain things now it's

85

00:08:05,700 --> 00:08:11,340

a dangerous game for a person uh like Dave grush
because that puts a line there and he has to as

86

00:08:11,340 --> 00:08:16,500

he's answering questions for Ross or yourself in
the future he has to wonder whether he's going

87

00:08:16,500 --> 00:08:22,020

over that line or not so he's got uh you know he's
he's obviously being watched by the government to

88

00:08:22,020 --> 00:08:26,340

make sure that he stays on the right side of what
they're allowing him to talk about but I think it

89

00:08:26,340 --> 00:08:32,580

is pretty wild that the the government has said
you know go ahead Dave tell your story and that's

90

00:08:32,580 --> 00:08:36,720

exactly what he's doing and it's interesting I
just I'm not sure people even understand this

91

00:08:36,720 --> 00:08:41,460

in addition to all the credentials this guy
has he actually worked on the presidential

92
00:08:41,460 --> 00:08:46,800
Daily Briefing he was one of the guys trusted
to literally walk that briefing over to the

93
00:08:46,800 --> 00:08:52,440
White House you know this is not some guy who
you know worked in the government 30 years ago

94
00:08:52,440 --> 00:08:58,380
who's coming forward with a YouTube video this is
a guy who was deeply involved in the intelligence

95
00:08:58,380 --> 00:09:04,620
community of the U.S government up until April of
this year and he's telling a story that as you've

96
00:09:04,620 --> 00:09:09,600
pointed out is pretty radical and yet there's
a lot of uh reason to believe that it's true

97
00:09:09,600 --> 00:09:16,080
now another contextual tool is corroboration
uh you're saying separate from the guy what

98
00:09:16,080 --> 00:09:21,300
he is talking about are things you have heard
from other sources that are not grush related

99
00:09:22,020 --> 00:09:30,480
absolutely um listen I I started as a screenwriter
looking into UFOs uh and and so I did a lot of

100
00:09:30,480 --> 00:09:35,340
research on it and I I've heard most of the
things that he's talking about and I've seen

101
00:09:35,340 --> 00:09:39,900

people talk about it I've read about them
so you can actually think about this as a

102

00:09:39,900 --> 00:09:44,340

secret that's been in plain sight for quite a
while uh what's different is that we actually

103

00:09:44,340 --> 00:09:49,620

have a Insider with the Merit and with the
credentials of Dave grush who's willing to

104

00:09:49,620 --> 00:09:55,320

put his career and his own personal safety on
the line to to tell us about it so I think it's

105

00:09:55,320 --> 00:10:00,300

kind of a heroic thing that he's doing and and
I think it may very well turn out when we read

106

00:10:00,300 --> 00:10:05,640

the history books of the future they're going
to pinpoint uh this time this very time right

107

00:10:05,640 --> 00:10:11,340

now that we're in and say this is where things
began to turn and people began to really take it

108

00:10:11,340 --> 00:10:16,560

seriously and get to the bottom of it hey thank
you for watching please go to newsnationnow.com

109

00:10:16,560 --> 00:10:24,180

newsnationnow.com and you can find news Nation
on your television provider and don't forget to

110

00:10:24,180 --> 00:10:31,740

click the red subscribe button down below then you
will get more of news Nations fact-driven coverage

111

00:10:36,600 --> 00:10:41,580

now an update to the story we brought you on
Monday regarding that whistleblower documenting

112

00:10:41,580 --> 00:10:47,880

what he says is the evidence that U.S recovered
alien spacecrafts and beings despite being told

113

00:10:47,880 --> 00:10:52,140

for years all of that was a conspiracy theory
independent journalist Michael schellenberger

114

00:10:52,140 --> 00:10:58,380

has spoken to a number of military and Intel
contractors who say now that the U.S is in fact

115

00:10:58,380 --> 00:11:07,620

in possession of 12 or more alien spacecraft
schellenberger also writes that the reason the

116

00:11:07,620 --> 00:11:13,320

pentagon's new program for studying UFOs has not
discovered any verifiable information is because

117

00:11:13,320 --> 00:11:21,000

quote they may not want to verify it joining us
now Bryce Abel he's the host of the need to know

118

00:11:21,000 --> 00:11:25,740

podcast an investigative journalist who covers
these issues he was also present for the initial

119

00:11:25,740 --> 00:11:30,120

interview with the Whistleblower David grush
and has spent some time with them as well Bryce

120

00:11:30,660 --> 00:11:36,000

now why might the Pentagon not want to verify
this information this is on a night where so

121

00:11:36,000 --> 00:11:40,740

many people are raising questions about the
veracity and the trustworthiness of all of

122

00:11:40,740 --> 00:11:45,120

our ins you know key institutions of government
but why would they want and want to verify it

123

00:11:45,900 --> 00:11:51,420

well you know the information that we're not alone
has always been assumed to be a destabilizing

124

00:11:51,420 --> 00:11:56,520

kind of thing Laura so uh on one level they could
simply say we're just not ready to deal with this

125

00:11:56,520 --> 00:12:01,740

let's continue with the political stuff the back
and forth uh on your show tonight I mean this is a

126

00:12:01,740 --> 00:12:06,900

pretty interesting night to be talking about this
because the politics of the nation are you know

127

00:12:06,900 --> 00:12:12,120

on the front page or the front you know the top
of the show but at the same time if this is true

128

00:12:12,120 --> 00:12:18,000

what whistleblower Dave grush has said then it's
the biggest news story of all time ever and so

129

00:12:18,000 --> 00:12:24,120

uh I I think if if there is an attempt to try to
come clean on this it's been around for 80 years

130

00:12:24,120 --> 00:12:28,740

uh I don't know that they have a good plan for it
but they're going to probably have to get one and

131

00:12:28,740 --> 00:12:34,080

how important is this though again getting back to the core point that we've been making all so

132

00:12:34,080 --> 00:12:40,080

long tonight sure that we need to believe that our government actually represents our best interests

133

00:12:40,080 --> 00:12:46,920

and unless there is a specific incredible National Security reason not to release certain information

134

00:12:46,920 --> 00:12:54,420

that after decades and Decades of questions and in sightings and and firsthand Witnesses here

135

00:12:55,140 --> 00:12:59,160

how do you how do you not come forward and say this is what we have and this is what we're still

136

00:12:59,160 --> 00:13:04,080

investigating how do you not at least do that you know that's a great question that could have

137

00:13:04,080 --> 00:13:09,180

been asked for the last uh 12 presidential administrations I will say this though this

138

00:13:09,180 --> 00:13:13,980

is the first time where this issue has been revealing itself to be actually a bipartisan

139

00:13:13,980 --> 00:13:18,840

issue you've had the Senate intelligence committee very interested in this and two of the key players

140

00:13:18,840 --> 00:13:23,760

in that are Senator Kirsten Gillibrand who is a Democrat and Senator Marco Rubio who's

141

00:13:23,760 --> 00:13:28,800

a Republican and they probably don't agree on many things but they do agree that we should look into

142

00:13:28,800 --> 00:13:34,620

this issue of unidentified anomalous phenomena so more power to them and that is exactly what's

143

00:13:34,620 --> 00:13:41,460

going to happen now uh these very statements that Dave Gresh has made have already been made in

144

00:13:41,460 --> 00:13:47,100

classified session before many uh to at least two committees in Congress where he specified for over

145

00:13:47,100 --> 00:13:55,620

11 hours about this and he's provided names dates programs locations so he's basically challenged

146

00:13:55,620 --> 00:13:59,400

the Senate and the house if you want to know more about this I'll tell you where to go look
