THE WHITE HOUSE

WASHINGTON, D.C.

KARINE JEAN-PIERRE HOLDS WHITE HOUSE PRESS BRIEFING

Forbes
BREAKING
NEWS

1
00:00:00,060 --> 00:00:00,780
foreign

2
00:00:09,480 --> 00:00:14,820
hey everyone Bryce Abel here and I want to talk
to you tonight about the stigma that we still seem

3
00:00:14,820 --> 00:00:21,720
to experience on this issue of UFO UAP reality I
want to take you to the White House to the Press

4
00:00:21,720 --> 00:00:27,660
briefing room and I want to talk about what the
press secretary Kareem Jean-Pierre said on June

5
00:00:27,660 --> 00:00:32,640
10th she was asked a question I want to put that
under the microscope let's listen to the question

6
00:00:37,380 --> 00:00:44,220
that the U.S military has been retrieving craft of
non-human origin for at least several decades are

7
00:00:44,220 --> 00:00:51,600
we alone and if we were not would you even tell us
all right just so we're all clear the questioner

8
00:00:51,600 --> 00:00:57,600
asked quote this whistleblower report alleging
that the U.S military has been retrieving craft

9
00:00:57,600 --> 00:01:03,900
of non-human origin for at least several decades
are we alone and if we are would you even tell us

10
00:01:04,740 --> 00:01:08,520
you know maybe it's not the best question in
the world but it's a good question and it's

11

00:01:08,520 --> 00:01:13,200

topical and it's about National Security\h
so ostensibly we would think that would\h\h

12

00:01:13,200 --> 00:01:20,280

fall under Karine Jean-Pierre's job description\h
so let's see how she handled it I would refer\h\h

13

00:01:20,280 --> 00:01:24,300

that question to the Department of Defense and\h
let them answer that question for you go ahead\h\h

14

00:01:26,160 --> 00:01:33,180

wow well I think we could have done better there\h
uh Karine uh she said again while smiling I would\h\h

15

00:01:33,180 --> 00:01:38,940

refer that question to the Department of Defense\h
and let them answer that question for you and then\h\h

16

00:01:38,940 --> 00:01:44,700

she smiled again on to the next question and that\h
was the end of the whole matter now here's the\h\h

17

00:01:44,700 --> 00:01:51,780

problem I have with that here is a whistleblower\h
a government whistleblower who is coming forward\h\h

18

00:01:51,780 --> 00:01:57,660

because of legislation passed by the house and\h
the Senate and signed by President Biden the\h\h

19

00:01:57,660 --> 00:02:03,360

National Defense authorization act that allowed\h
that all right does Karine know that probably not\h\h

20

00:02:03,360 --> 00:02:08,640

this is an issue of great importance this is\h
an issue where the government itself has put\h\h

21

00:02:08,640 --> 00:02:14,580

out two actual reports in the last couple of
years that state that unidentified anomalous

22

00:02:14,580 --> 00:02:19,680

phenomenon are just that they're anomalous they're
real and we don't know exactly what they are but

23

00:02:19,680 --> 00:02:26,700

they are doing things that we think are relatively
impossible in space in our skies and in our seas

24

00:02:26,700 --> 00:02:32,220

so Kareem could have answered the question by
simply briefing people up on that and saying

25

00:02:32,220 --> 00:02:38,160

maybe the the defense department will have
more but no she chose to act like it was a

26

00:02:38,160 --> 00:02:44,100

silly question one that did not uh really Merit
an answer on her part and this is just plain wrong

27

00:02:44,100 --> 00:02:50,220

is that really where we are Kareem I think you
need to do better here's my suggestion I think

28

00:02:50,220 --> 00:02:55,740

you need to go before those cameras again at the
next possible opportunity and look us into the eye

29

00:02:55,740 --> 00:03:02,880

and tell us what is President Joe Biden think
about the Whistleblower Dave grush the man's

30

00:03:02,880 --> 00:03:09,780

incredibly well qualified people have vouched for
him uh as I understand it he was even able to be

31

00:03:09,780 --> 00:03:15,480

trusted to work on the presidential daily briefing\h
and hand Curry it to the White House so I'd like\h\h

32

00:03:15,480 --> 00:03:21,840

you Karine to tell us what's going on what's on\h
the president's mind and I'd like your assurance\h\h

33

00:03:21,840 --> 00:03:26,700

that this isn't going to be treated as a laughing\h
matter anymore but that you're going to actually\h\h

34

00:03:26,700 --> 00:03:32,460

look into it and work with Congress to get to the\h
bottom of this for the American people I don't\h\h
