RFK JR. ON UAP
Commentary by Bryce Zabel

RFK JR. ON UAP

1
00:00:00,060 --> 00:00:00,780
A Commentary by Bryce Zabel

2
00:00:09,780 --> 00:00:15,000
Well, I guess it's apparent now that RFK Jr. is
having his political "moment." I mean his poll

3
00:00:15,000 --> 00:00:19,020
numbers against Joe Biden are up and people
want to talk to him. I want to show you two

4
00:00:19,020 --> 00:00:24,000
of his recent appearances where he was asked
about UAP and, charitably, he falls a little

5
00:00:24,000 --> 00:00:31,560
short of expectations. This is about what he
says about UFOs and UAP. Let's take a look.

6
00:00:32,520 --> 00:00:38,160
last question on my pet issue that I know a lot
of people want to know will you declassify all

7
00:00:38,160 --> 00:00:45,780
UFO related documents as president yeah let me ask
you something oh please did you see this article

8
00:00:47,640 --> 00:00:54,420
um last week about the guy about this we've
covered it extensively here yeah and do you

9
00:00:54,420 --> 00:01:00,360
think that that was a psyop or do you think that
that was real I I believe it was real uh based

10
00:01:00,360 --> 00:01:06,000
upon a lot of credible people who I know who have
spoken with him and have vetted him um why are you

11

00:01:06,000 --> 00:01:10,980

why don't you tell people what we're talking about
sure sure yeah for those who don't know uh Dave

12

00:01:10,980 --> 00:01:15,840

grosh who's an into whistleblower came forward
through the intelligence Community process he

13

00:01:15,840 --> 00:01:20,940

says that uh multiple alien spacecraft are in the
possession of the United States government the

14

00:01:20,940 --> 00:01:25,920

Inspector General of the intelligence Community
says that he is highly credible and as bringing

15

00:01:25,920 --> 00:01:31,380

forward urgent information and uh actually several
representatives in Congress were asked about it uh

16

00:01:31,380 --> 00:01:36,060

just 30 minutes or so before you and I spoke and
many of them including Senator Jill brand Senator

17

00:01:36,060 --> 00:01:41,640

Hawley bipartisanship if you will all said that
they were credible and that they had asked um

18

00:01:41,640 --> 00:01:47,220

the con they had asked the intelligence Community
about that and were uh it quote unquote rank true

19

00:01:47,220 --> 00:01:54,120

at least in some cases yeah well I can't wait to
be president of the United States and and dig into

20

00:01:54,120 --> 00:02:01,380

that one that's really that is fascinating okay
wow let's start with RFK Jr's last statement he

21

00:02:01,380 --> 00:02:07,680

says well I can't wait until I'm president of the
United States and can really dig into this one now

22

00:02:07,680 --> 00:02:13,140

all due respect here but it is not an acceptable
position on a matter of National Security to say

23

00:02:13,140 --> 00:02:17,400

I don't know anything about this but when I'm
president I will get around to check it out

24

00:02:18,120 --> 00:02:24,060

I'm afraid RFK Jr just hasn't read this room right
to ask Sagar if he's seen the article about Dave

25

00:02:24,060 --> 00:02:29,520

grush who he calls some guy I mean whoever
is supposed to be prepping the candidate has

26

00:02:29,520 --> 00:02:35,220

fallen down on the job Sagar is not only into
this story but as he correctly said they have

27

00:02:35,220 --> 00:02:41,220

covered it extensively on breaking points an rfk's
question do you think that was a psyop or was that

28

00:02:41,220 --> 00:02:46,620

real well that question would be potentially more
valid I suppose if he actually knew what was being

29

00:02:46,620 --> 00:02:54,240

reported and debated about Dave crush and his
claims then RFK JR says why don't you tell me what

30

00:02:54,240 --> 00:03:00,480

we're talking about well that's a dead giveaway he
doesn't know himself if he did he would have teed

31

00:03:00,480 --> 00:03:05,580

that up by explaining what he knew about it and
stating whatever feelings and Impressions he might

32

00:03:05,580 --> 00:03:12,660

have had and by the way just for the record Segar
did an excellent job of summarizing the situation

33

00:03:12,660 --> 00:03:18,480

RFK Junior however knew none of that let alone who
the guy was or what he was whistleblowing about

34

00:03:19,440 --> 00:03:27,300

the whole bit was a mess but we're not done what
is your what is your view of the UFO phenomenon

35

00:03:27,300 --> 00:03:33,000

just your personal I don't really I mean I don't
know anything about it then I'm very very good

36

00:03:33,000 --> 00:03:40,260

friends with um with Dan Aykroyd who's kind of
devoted his life to studying that phenomenon is

37

00:03:40,260 --> 00:03:47,940

you know very very convinced of it but I've never
seen a UFO and uh but you know I also the stuff

38

00:03:47,940 --> 00:03:54,120

that I've read you know of people you know the
particularly the Navy pilots who have you know who

39

00:03:54,120 --> 00:04:00,300

have recorded these encounters seem uh you know
I'm not I'm certainly not going to dismiss it

40

00:04:00,300 --> 00:04:08,220

seems like it's real but I don't have I don't have
a a good uh a good husband but I mean that that

41

00:04:08,220 --> 00:04:14,160

article you were talking about was fascinating\h
because it was just exactly what Men In Black said\h\h

42

00:04:14,160 --> 00:04:21,420

is actually happening that you know they they gave\h
us velcro and all of this this other yeah yeah

43

00:04:23,940 --> 00:04:29,940

well at least RFK Jr was honest when asked what\h
he knows about the UFO issue he answers well l\h\h

44

00:04:29,940 --> 00:04:35,220

don't know anything about it even in a world where\h
that passes for an answer it needs to be followed\h\h

45

00:04:35,220 --> 00:04:40,440

by words to the effect that I'm going to look into\h
it more deeply I promise you and your viewers and\h\h

46

00:04:40,440 --> 00:04:44,820

when I'm back on your show next time we'll have a\h
more in-depth conversation or words to that effect\h\h

47

00:04:46,020 --> 00:04:53,280

two more comments it's also not acceptable as an\h
answer to say that you know Dan Aykroyd is if that\h\h

48

00:04:53,280 --> 00:04:58,380

bolsters your credibility on this issue I mean\h
hell I Know Dan Aykroyd probably not as well as\h\h

49

00:04:58,380 --> 00:05:05,340

RFK Jr does but I'm not telling you that knowing\h
him is the summary of my research into this topic\h\h

50

00:05:06,000 --> 00:05:13,140

also RFK JR says he's never seen a UFO as if that\h
gets him off the hook for not having a policy\h\h

51

00:05:13,140 --> 00:05:18,720

thought on the issue one does not have to have\h
seen a UFO to have an opinion about a government\h\h

52

00:05:18,720 --> 00:05:24,300

whistleblower What charges he's making or even\h
the reality of the phenomenon now I've not seen\h\h

53

00:05:24,300 --> 00:05:29,580

a UFO or been abducted but I'm certainly well\h
briefed on the topic and I've done my homework\h\h

54

00:05:30,120 --> 00:05:38,280

he should do the same at least he said quote it\h
seems like it's real but this really is grading on\h\h

55

00:05:38,280 --> 00:05:43,740

the curve there have been two government reports\h
and two public hearings where the government has\h\h

56

00:05:43,740 --> 00:05:49,560

said exactly that that it's real but I don't get\h
the impression that RFK Jr knows about any of it\h\h

57

00:05:50,400 --> 00:05:56,580

then he says again the article was fascinating\h
he's talking about Dave Crush now and he says\h\h

58

00:05:56,580 --> 00:06:01,500

because it's like Men In Black actually\h
happening and that aliens gave us Velcro\h\h

59

00:06:02,700 --> 00:06:08,880

okay I have read the Leslie Kane and Ralph\h
Blumenthal article five times now and I've sat\h\h

60

00:06:08,880 --> 00:06:13,980

through two extended interviews with Dave crush\h
and I'm here to tell you that nobody ever invokes\h\h

61

00:06:13,980 --> 00:06:20,220

Men In Black or velcro to the best of my knowledge\h
now at the end of this interview both Crystal\h\h

62

00:06:20,220 --> 00:06:25,440

and Segar look a little bit embarrassed by the\h
entire way it went and that's kind of how I felt\h\h

63

00:06:26,880 --> 00:06:34,020

the truth is I loved RFK Jr's dad I lived in\h
Oregon in 1968 when he lost that primary it\h\h

64

00:06:34,020 --> 00:06:39,900

was the first election any Kennedy had ever lost\h
I collect campaign buttons and Newsweek and time\h\h

65

00:06:39,900 --> 00:06:46,680

issues and my favorites feature RFK I remember\h
vividly the night he died and my father woke me up\h\h

66

00:06:46,680 --> 00:06:53,700

and said they killed Bobby Kennedy and my brother\h
me my Mom and Dad we all got up and we watched TV\h\h

67

00:06:53,700 --> 00:06:59,640

into the middle of the night and we cried as\h
Bobby Kennedy always said we can do better\h\h

68

00:07:00,300 --> 00:07:06,360

well that's my advice for his son on this\h
subject of UFO UAP reality he needs to do better\h\h

69

00:07:07,200 --> 00:07:13,620

okay interview number two this time on the\h
hill with Brianna Joy gray and Robbie sovay\h\h

70

00:07:13,620 --> 00:07:19,380

it happened six days after the one you just saw\h
let's see if Junior learned anything we'd love to\h\h

71

00:07:19,380 --> 00:07:25,440

know your thoughts on this if you think there's
UFO intelligence that should be Declassified um

72

00:07:25,440 --> 00:07:31,260

you know rather than having this guarded closely
Whatever It Is by military and U.S intelligence

73

00:07:31,260 --> 00:07:37,380

agencies all I can say is if they got it it's one
of the first questions that I'm going to ask and

74

00:07:37,380 --> 00:07:42,660

I'm going to want to see the little fellas and
their and their spacecraft and I will uh and

75

00:07:42,660 --> 00:07:47,340

then disclose everything that I can I'll disclose
everything to the American public unless there's

76

00:07:47,340 --> 00:07:56,220

some really compelling reason not to which I you
know I know I I don't anticipate I I mean I'm I

77

00:07:56,220 --> 00:08:02,400

read the article by that guy you know about that
whistleblower Miller who's still in the military

78

00:08:02,400 --> 00:08:07,140

and it just seemed very credible to me but I don't
know I don't have any way of assessing it and

79

00:08:07,140 --> 00:08:13,860

guess they're taking it seriously on Capitol Hill
which I'm I'm very happy about you know I I think

80

00:08:13,860 --> 00:08:19,320

everybody's curious about this everybody would
love to know whether we have you know whether we

81

00:08:19,320 --> 00:08:26,220

have company Neighbors in the universe it's really\h
exciting and I think uh I mean I would you know I\h\h

82

00:08:26,220 --> 00:08:32,340

would that's the kind of thing I think we should\h
share with American people and have discussions\h\h

83

00:08:32,340 --> 00:08:37,260

philosophical discussions about what that means\h
for us and you know what that means for our\h\h

84

00:08:38,040 --> 00:08:44,040

planet and you know how that and and particularly\h
whether it's a good thing for us to continue to\h\h

85

00:08:44,040 --> 00:08:48,660

you know spend so much money fighting each\h
other when maybe we should be trying to\h\h

86

00:08:49,560 --> 00:08:55,080

make this planet livable and habitable and you\h
know do all the other things I think it will be\h\h

87

00:08:55,080 --> 00:09:01,320

really good for us to know those things I suppose\h
they want to keep it secrets so they can you know\h\h

88

00:09:01,320 --> 00:09:05,940

weaponize those Technologies or whatever they're\h
I guess they you know they probably think they\h\h

89

00:09:05,940 --> 00:09:10,380

have good reasons for doing it but I think there's\h
compelling reasons if they have that stuff that we\h\h

90

00:09:10,380 --> 00:09:18,780

should release it to people okay he says all I can\h
say is if they have it I'm going to want to see it\h\h

91

00:09:19,380 --> 00:09:24,480

well that's kind of the debate right now sir\h
you want to be president you have to join it now\h\h

92

00:09:25,200 --> 00:09:31,920

and man do you have to smile and say I'm going to\h
want to see the little fellas and their spacecraft\h\h

93

00:09:31,920 --> 00:09:38,340

I mean what's next sir talk about green aliens and\h
tin foil hats except for little X-Files music with\h\h

94

00:09:38,340 --> 00:09:44,940

that then RFK JR says he'll disclose everything\h
unless there's a good reason not to well again\h\h

95

00:09:44,940 --> 00:09:50,760

sir that's exactly the conversation that is\h
happening right now you simply can't punt this\h\h

96

00:09:50,760 --> 00:09:57,480

issue until January 2025. no no no no no no he\h
says he has no way of assessing the issue what\h\h

97

00:09:58,320 --> 00:10:03,120

I mean of course he does just like all of\h
us you actually read the articles you read\h\h

98

00:10:03,120 --> 00:10:08,160

the reports you get informed you learn about the\h
whistleblowers background and his classification\h\h

99

00:10:08,160 --> 00:10:13,740

you learn about those reports like I said you\h
talk to people in the know no way of assessing\h\h

100

00:10:13,740 --> 00:10:20,880

it that's just nonsense I I'm really sorry\h
to have to say it but that doesn't wash now\h\h

101

00:10:20,880 --> 00:10:26,640

he does a little better when he says learning\h
whether we're alone or not is exciting and he\h\h

102

00:10:26,640 --> 00:10:32,040

questions whether we should be spending so much of\h
our money preparing to do battle with each other\h\h

103

00:10:32,040 --> 00:10:38,400

given these particular Givens that was really in\h
my view his best moment because he was taking the\h\h

104

00:10:38,400 --> 00:10:45,600

issue and letting it again to have a glimmer of a\h
chance at informing his policy so here's the thing\h\h

105

00:10:45,600 --> 00:10:52,920

for RFK Jr sir if you need a briefing My Pal and\h
investigative journalist Ross coltard and I will\h\h
