

1
00:00:05,480 --> 00:00:03,139
hi everybody this is rich little I'm

2
00:00:07,670 --> 00:00:05,490
sure you will enjoy using phonies on

3
00:00:10,610 --> 00:00:07,680
your answering machine as much as I've

4
00:00:11,959 --> 00:00:10,620
enjoyed doing them for you the voices on

5
00:00:15,560 --> 00:00:11,969
this tape have been specially prepared

6
00:00:18,130 --> 00:00:15,570
to get you more messages and now here's

7
00:00:21,040 --> 00:00:18,140
how to use them the best advantage aw

8
00:00:24,679 --> 00:00:21,050
thank you rich using any standard

9
00:00:26,269 --> 00:00:24,689
cassette player listen to the phonies

10
00:00:30,349 --> 00:00:26,279
voices um

11
00:00:33,590 --> 00:00:30,359
choose one ah three seconds before each

12
00:00:35,389 --> 00:00:33,600
voice there's a queueing chime now this

13
00:00:39,049 --> 00:00:35,399

indicates that you have three seconds

14

00:00:41,270 --> 00:00:39,059

before the phonies voice starts now in

15

00:00:43,580 --> 00:00:41,280

the quiet place record your phonies

16

00:00:46,060 --> 00:00:43,590

voice from the cassette player speaker

17

00:00:48,920 --> 00:00:46,070

into the answering machines microphone

18

00:00:51,529 --> 00:00:48,930

now you can personalise your tapes in

19

00:00:53,860 --> 00:00:51,539

several ways either by inserting your

20

00:00:56,209 --> 00:00:53,870

voice before or after the phonies voice

21

00:00:57,680 --> 00:00:56,219

now this way your friends will know that

22

00:00:58,540 --> 00:00:57,690

they have reached you and not a wrong

23

00:01:01,910 --> 00:00:58,550

number

24

00:01:04,700 --> 00:01:01,920

my fellow Americans you can experiment

25

00:01:07,190 --> 00:01:04,710

with the distance between your answering

26
00:01:09,969 --> 00:01:07,200
machines microphone and your cassette

27
00:01:12,020 --> 00:01:09,979
player speaker for best results

28
00:01:15,350 --> 00:01:12,030
approximately three to four inch

29
00:01:19,280 --> 00:01:15,360
separation with a medium volume setting

30
00:01:21,320 --> 00:01:19,290
is recommended just remember phonies

31
00:01:23,649 --> 00:01:21,330
will work on all types of answering

32
00:01:26,330 --> 00:01:23,659
machine single cassette or loop

33
00:01:30,859 --> 00:01:26,340
regardless of the make and age of the

34
00:01:33,109 --> 00:01:30,869
Machine toupees are not recommended and

35
00:01:43,850 --> 00:01:33,119
now ladies and gentlemen rich Little's

36
00:01:45,859 --> 00:01:43,860
phonies will thank you very much alright

37
00:01:48,139 --> 00:01:45,869
Chester how much did you say this

38
00:01:49,580 --> 00:01:48,149

answering machine cost me here's the

39

00:01:51,770 --> 00:01:49,590

receipt mr. Benny

40

00:01:53,210 --> 00:01:51,780

gee for this I could have paid off my

41

00:01:55,670 --> 00:01:53,220

dues at the club

42

00:01:57,410 --> 00:01:55,680

yeah but the YMCA doesn't take messages

43

00:01:59,990 --> 00:01:57,420

now cut that out

44

00:02:09,469 --> 00:02:00,000

you mean I have to provide the service

45

00:02:11,470 --> 00:02:09,479

free I wonder if it's deductible there's

46

00:02:13,089 --> 00:02:11,480

no one home sweetheart I

47

00:02:15,160 --> 00:02:13,099

you're watching myself make love to

48

00:02:18,940 --> 00:02:15,170

Munroe Lee Crawford and a whole lot of

49

00:02:21,699 --> 00:02:18,950

others on cable television Lee Oh Vivian

50

00:02:22,869 --> 00:02:21,709

Lee Gaston I'm so tired that if you

51

00:02:32,339 --> 00:02:22,879

don't want to leave a message

52

00:02:39,400 --> 00:02:36,220

recent survey has determined that men

53

00:02:43,180 --> 00:02:39,410

who make obscene phone calls as sexual

54

00:02:46,089 --> 00:02:43,190

hang-ups and they pay enormous fees to a

55

00:02:48,789 --> 00:02:46,099

professionals like myself and so for

56

00:02:51,369 --> 00:02:48,799

them those who don't make obscene phone

57

00:02:59,759 --> 00:02:51,379

calls can leave a message on a machine

58

00:03:05,979 --> 00:03:03,610

will my fellow Americans I have been

59

00:03:08,500 --> 00:03:05,989

saying over and over that there is no

60

00:03:10,750 --> 00:03:08,510

unemployment in America today that's

61

00:03:13,210 --> 00:03:10,760

just a silly rumor started by a bunch of

62

00:03:14,800 --> 00:03:13,220

people who are out of work if you will

63

00:03:17,199 --> 00:03:14,810

leave your name and your number at the

64

00:03:19,509 --> 00:03:17,209

sound of the tone I will get back to you

65

00:03:28,930 --> 00:03:19,519

with an autographed picture of food on

66

00:03:31,839 --> 00:03:28,940

Nancy's China hello darling oh I'm so

67

00:03:34,390 --> 00:03:31,849

sad I was just clipping the photos and I

68

00:03:37,089 --> 00:03:34,400

think all the photos are gay say keep

69

00:03:40,210 --> 00:03:37,099

hugging all the legs on the furniture so

70

00:03:41,650 --> 00:03:40,220

please I can't come to the phone so just

71

00:03:53,409 --> 00:03:41,660

leave your name and number

72

00:03:55,360 --> 00:03:53,419

no Fifi get off my leg hi my only regret

73

00:03:58,300 --> 00:03:55,370

is that I can't sit in the audience and

74

00:04:00,940 --> 00:03:58,310

will watch myself or talk to myself on

75

00:04:03,819 --> 00:04:00,950

the phone now I have an answering

76

00:04:07,150 --> 00:04:03,829

machine and I find the idea of listening
