1
00:00:22,700 --> 00:00:20,540
hello everybody this is hey everybody i

2
00:00:26,210 --> 00:00:22,710
am just playing a little borderlands 2

3
00:00:30,109 --> 00:00:26,220
testing out the settings on this game

4
00:00:33,530 --> 00:00:30,119
capture device and I'm just seeing how

5
00:00:35,750 --> 00:00:33,540
well the audio works with the video and

6
00:00:38,209 --> 00:00:35,760
see how I can line this up without time

7
00:00:39,619 --> 00:00:38,219
code and i just created a big problem

8
00:00:41,569 --> 00:00:39,629
for myself right now by shooting those

9
00:00:43,220 --> 00:00:41,579
guys i did not really want to piss them

10
00:00:44,569 --> 00:00:43,230
off that bad but here we go that's not a

11
00:00:47,569 --> 00:00:44,579
station where I couldn't get a car from

12
00:00:51,350 --> 00:00:47,579
I need to go over here hey give me a car

13
00:00:55,580 --> 00:00:51,360

right now alright please teleport

14

00:00:59,700 --> 00:00:55,590

alright alright there we go hi guys

15

00:01:06,480 --> 00:01:03,540

so I will be playing some random

16

00:01:10,020 --> 00:01:06,490

borderland 24 here for another few

17

00:01:13,170 --> 00:01:10,030

minutes and just kind of get a feel for

18

00:01:16,350 --> 00:01:13,180

the look and look and feel and sound for

19

00:01:19,380 --> 00:01:16,360

this device and I'm sure we'll be doing

20

00:01:21,810 --> 00:01:19,390

more videos with other people I think

21

00:01:23,780 --> 00:01:21,820

we're going to get some people on the

22

00:01:27,030 --> 00:01:23,790

Xbox here who have never played

23

00:01:29,370 --> 00:01:27,040

battlefield 3 and just throw them in and

24

00:01:31,290 --> 00:01:29,380

see how they do and I'll sit around it

25

00:01:35,070 --> 00:01:31,300

and berate them and make fun of them as

26
00:01:37,010 --> 00:01:35,080
the game goes on because that's a cuz

27
00:01:40,469 --> 00:01:37,020
that's fun that's something I like to do

28
00:01:45,960 --> 00:01:40,479
so let's uh so many things I can run

29
00:01:48,359 --> 00:01:45,970
over right now no guns run over alright

30
00:01:50,550 --> 00:01:48,369
and this is a mind you second

31
00:01:52,020 --> 00:01:50,560
playthrough I beat the game way too

32
00:01:55,050 --> 00:01:52,030
early the first time I think I was

33
00:01:57,840 --> 00:01:55,060
lovely maybe 30 when I beat the first

34
00:02:00,059 --> 00:01:57,850
playthrough my opinions week too early

35
00:02:05,030 --> 00:02:00,069
but what the hell I these guys just

36
00:02:10,050 --> 00:02:07,680
see look at the look at the screen up

37
00:02:15,330 --> 00:02:10,060
there surrounded by birds and dogs right

38
00:02:19,220 --> 00:02:15,340

now I don't know now the birdies are

39

00:02:25,610 --> 00:02:20,990

I wonder if I can flip this car on the

40

00:02:28,399 --> 00:02:25,620

corpse of the dog hmm that's myself that

41

00:02:30,530 --> 00:02:28,409

every day all right I'm certain these

42

00:02:34,130 --> 00:02:30,540

guns I'm just gonna go find some people

43

00:02:35,900 --> 00:02:34,140

die and sign off you I really have an

44

00:02:39,530 --> 00:02:35,910

objective for this video that I'm just

45

00:02:44,180 --> 00:02:39,540

digging around look it looks like a town

46

00:02:53,480 --> 00:02:47,530

oh wow you can drive on water

47

00:02:58,940 --> 00:02:53,490

hell's going on I'm caught underneath

48

00:03:01,370 --> 00:02:58,950

this thing I am trapped underneath the

49

00:03:04,610 --> 00:03:01,380

the dock they think you get a good look

50

00:03:23,040 --> 00:03:04,620

of it right way out there the hell's

51
00:03:29,070 --> 00:03:25,470
alright not doing too bad kind of the

52
00:03:31,920 --> 00:03:29,080
the charge in no Home Guard have no plan

53
00:03:34,020 --> 00:03:31,930
strategy lack of strategy kind of work

54
00:03:36,600 --> 00:03:34,030
here surprised at that it was a

55
00:03:51,050 --> 00:03:36,610
sneak-attack kamikaze assaultin didn't

56
00:04:00,080 --> 00:03:53,660
alright well that worked out pretty well

57
00:04:02,400 --> 00:04:00,090
all right well that's a closed last guy

58
00:04:10,970 --> 00:04:02,410
can't let him a little there's no way

59
00:04:18,380 --> 00:04:15,289
well that went well all right well I'll

60
00:04:20,760 --> 00:04:18,390
be back for more videos and more

61
00:04:24,000 --> 00:04:20,770
borderlands more battlefield 3 and i'll

62
00:04:30,000 --> 00:04:24,010
probably hop on and do some space quest
