00:00:13,509 --> 00:00:12,390
[Music]

2
00:00:15,669 --> 00:00:13,519
all right so i think i'm going to go

3
00:00:18,070 --> 00:00:15,679
into canals

4
00:00:24,070 --> 00:00:19,269
basically

5
00:00:26,710 --> 00:00:25,349
and just fire

6
00:00:29,109 --> 00:00:26,720
m60

7
00:00:31,750 --> 00:00:29,119
for as long as i can

8
00:00:33,110 --> 00:00:31,760
um i'm gonna see how far i can go or how

9
00:00:35,430 --> 00:00:33,120
long it can go

10
00:00:39,190 --> 00:00:35,440
with uh without being shot and i

11
00:00:43,270 --> 00:00:39,200
probably get through i think probably

12
00:00:50,389 --> 00:00:43,280
let's go two or three belts of ammo

13
00:00:54,709 --> 00:00:52,150

oh yeah okay um

14

00:00:58,229 --> 00:00:54,719

no i need the m60

15

00:01:02,389 --> 00:00:58,239

yes and i gotta run for the [h__\h] shack

16

00:01:02,399 --> 00:01:17,510

come on don't shoot me already

17

00:01:17,520 --> 00:01:26,870

so

18

00:01:30,710 --> 00:01:28,789

they i'm pretty sure

19

00:01:31,910 --> 00:01:30,720

that that they know i'm here at this

20

00:01:35,350 --> 00:01:31,920

point

21

00:01:37,990 --> 00:01:35,360

yeah yeah they know they know i'm here

22

00:01:40,550 --> 00:01:38,000

i just wanted to to draw their fire away

23

00:01:41,510 --> 00:01:40,560

from my comrades it's a it's a selfless

24

00:01:59,190 --> 00:01:41,520

act

25

00:02:05,350 --> 00:02:01,990

got through one and a half belts i think

26

00:02:30,150 --> 00:02:05,360

one and a half belts well um

27

00:02:30,160 --> 00:02:35,190

i just couldn't hit anything

28

00:02:42,680 --> 00:02:37,270

i'm pretty sure my teammates are sick of

29

00:02:42,690 --> 00:02:52,869

[Applause]

30

00:02:56,869 --> 00:02:54,150

once you pull that trigger you can't

31

00:03:00,790 --> 00:02:58,869

oh god

32

00:03:10,790 --> 00:03:00,800

gosh darn it

33

00:03:13,110 --> 00:03:12,070

yeah how do you get a little more power

34

00:03:14,869 --> 00:03:13,120

juice than me

35

00:03:17,110 --> 00:03:14,879

all right

36

00:03:18,390 --> 00:03:17,120

so what am i uh one in five at this

37

00:03:19,670 --> 00:03:18,400

point but

38

00:03:21,110 --> 00:03:19,680

things are looking up i have a new

39

00:03:22,949 --> 00:03:21,120

strategy

40

00:03:24,949 --> 00:03:22,959

which is i'm gonna shoot

41

00:03:40,630 --> 00:03:24,959

and scream

42

00:03:47,110 --> 00:03:42,550

what

43

00:03:51,030 --> 00:03:48,309

i think there's something wrong with my

44

00:03:55,509 --> 00:03:53,190

because i'm a good player

45

00:03:56,390 --> 00:03:55,519

there is no question about that uh i

46

00:04:09,990 --> 00:03:56,400

think there's something wrong with my

47

00:04:10,000 --> 00:04:16,069

oh yeah oh yeah i'm good oh yeah

48

00:04:19,670 --> 00:04:17,909

oh yeah that's what i'm talking about

49

00:04:21,590 --> 00:04:19,680

check the carnage i'm doing

50

00:04:22,950 --> 00:04:21,600

this massive carnage all over the place

51
00:04:25,590 --> 00:04:22,960
complete carnage

52
00:04:28,150 --> 00:04:25,600
[Applause]

53
00:04:30,550 --> 00:04:28,160
now they won't suspect me to just fire

54
00:04:37,510 --> 00:04:30,560
at random

55
00:04:41,670 --> 00:04:39,909
oh but uh no they figured they figured

56
00:04:45,510 --> 00:04:41,680
me out they figured out the [h__h] shack

57
00:04:49,749 --> 00:04:47,670
little do they know that i'm gonna go

58
00:05:00,310 --> 00:04:49,759
right back to the [h__h] shack

59
00:05:00,320 --> 00:05:03,990
come on give me a break

60
00:05:04,000 --> 00:05:07,510
oh thank you oh god

61
00:05:07,520 --> 00:05:10,870
why

62
00:05:10,880 --> 00:05:15,029
okay back to the [h__h] check

63
00:05:21,189 --> 00:05:16,550

come on you guys want to play hardball

64

00:05:25,430 --> 00:05:23,749

yeah shake that hard ball i'm a hardball

65

00:05:27,350 --> 00:05:25,440

player

66

00:05:29,670 --> 00:05:27,360

oh

67

00:05:31,350 --> 00:05:29,680

i'm a hardball player

68

00:05:40,550 --> 00:05:31,360

what are you doing is i'm just trying to

69

00:05:46,710 --> 00:05:41,990

oh jeez

70

00:05:46,720 --> 00:05:51,990

so mad right now

71

00:05:52,000 --> 00:05:55,430

breathe

72

00:05:55,440 --> 00:06:00,230

yes i killed somebody yay

73

00:06:05,189 --> 00:06:02,790

i died

74

00:06:07,590 --> 00:06:05,199

ah it's more angry

75

00:06:14,950 --> 00:06:07,600

all right

76

00:06:20,550 --> 00:06:14,960

taking my [\h__\h] shack

77

00:06:28,710 --> 00:06:23,350

yeah i'm a killer i'm the best

78

00:06:33,029 --> 00:06:30,469

watch out i still got 100 bullets left

79

00:06:35,189 --> 00:06:33,039

in this belt baby

80

00:06:39,029 --> 00:06:35,199

i'm going crazy because i'm on a crazy

81

00:06:43,670 --> 00:06:40,950

here's a grenade take that

82

00:06:48,790 --> 00:06:43,680

shove that up here

83

00:06:51,350 --> 00:06:50,309

all right i think i should reload now

84

00:06:53,749 --> 00:06:51,360

before i

85

00:06:55,670 --> 00:06:53,759

i'm gonna go out here take a left

86

00:06:59,189 --> 00:06:55,680

and continue to fire and i'm gonna

87

00:07:02,550 --> 00:07:00,950

i got you buddy i see you're sniping up

88

00:07:04,950 --> 00:07:02,560

there i got you

89

00:07:18,070 --> 00:07:04,960

yeah that's how long

90

00:07:18,080 --> 00:07:21,189

[Applause]

91

00:07:24,790 --> 00:07:23,110

hey he looks like you need some ammo man

92

00:07:35,030 --> 00:07:24,800

you look tired man

93

00:07:35,040 --> 00:07:41,909

[Music]

94

00:07:41,919 --> 00:07:46,629

95

00:07:50,950 --> 00:07:48,070

98

00:08:09,749 --> 00:08:06,550

99

00:08:09,759 --> 00:08:18,230

what no tarnation happened there

100

00:08:18,240 --> 00:08:22,070

foot entire nation happened

101
00:08:27,350 --> 00:08:24,790
i'm gonna chase this guy until i get him

102
00:08:47,190 --> 00:08:27,360
i saw him i spotted him i called him his

103
00:08:54,389 --> 00:08:48,630
i think they've had just about enough of

104
00:09:09,670 --> 00:08:56,550

107
00:09:17,110 --> 00:09:15,440

108
00:09:19,190 --> 00:09:17,120
i love that [h__\h] [h__\h]

109
00:09:22,890 --> 00:09:19,200
it's a pepper [h__\h] in that [h__\h] check oh

110
00:09:27,350 --> 00:09:22,900
my god here we go

111
00:09:31,269 --> 00:09:28,870
here we go

112
00:09:33,509 --> 00:09:31,279
who's coming around my [h__\h] shack

113
00:09:35,350 --> 00:09:33,519

oh

114

00:09:36,710 --> 00:09:35,360

is that a realtor

115

00:09:39,030 --> 00:09:36,720

is the bank trying to foreclose my [\h__\h]

116

00:09:44,550 --> 00:09:40,470

no one could have my [\h__\h] [\h__\h] i love

117

00:09:52,550 --> 00:09:46,310

i dare you to try to take a [\h__\h]

118

00:09:52,560 --> 00:10:10,389

all right all right

119

00:10:10,399 --> 00:10:13,910

it's all i got

120

00:10:13,920 --> 00:10:25,190

there's too many walls here

121

00:10:29,590 --> 00:10:26,470

oh no

122

00:10:36,550 --> 00:10:29,600

[Applause]

123

00:10:36,560 --> 00:10:47,910

hey where'd everybody go

124

00:10:51,110 --> 00:10:48,949

oh

125

00:11:14,069 --> 00:10:51,120

oops i killed somebody in there

126

00:11:19,269 --> 00:11:15,350

okay

127

00:11:28,470 --> 00:11:19,279

and i gotta sign off and take the dog to

128

00:11:33,030 --> 00:11:29,910

yes

129

00:11:35,990 --> 00:11:34,470

all right one more time you know we

130

00:11:37,990 --> 00:11:36,000

always do we always say that we always

131

00:11:39,670 --> 00:11:38,000

say hey one more just one more time

132

00:11:41,990 --> 00:11:39,680

through but then you like five more

133

00:11:43,509 --> 00:11:42,000

times through

134

00:11:44,949 --> 00:11:43,519

because you can't you can't stop [h__\h]

135

00:11:53,750 --> 00:11:44,959

[h__\h] shake

136

00:11:57,590 --> 00:11:55,590

yeah see that guy i'm suppressing these

137

00:12:02,150 --> 00:11:57,600

[h__\h] see what i'm doing see i'm

138

00:12:02,160 --> 00:12:10,150

oh i better hide

139

00:12:39,530 --> 00:12:33,269

no

140

00:12:39,540 --> 00:12:46,230

[Music]

141

00:12:46,240 --> 00:12:58,629

okay one more guy one more guy

142

00:12:58,639 --> 00:13:01,030

oh

143

00:13:05,350 --> 00:13:03,190

i didn't know c4 could kill you

144

00:13:06,790 --> 00:13:05,360

that's something new

145

00:13:10,470 --> 00:13:06,800

all right

146

00:13:11,350 --> 00:13:10,480

look i'm

147

00:13:16,550 --> 00:13:11,360

look

148

00:13:22,790 --> 00:13:20,069

everyone's giving me a hard time

149

00:13:24,550 --> 00:13:22,800

[h__\h] oh my god

150

00:13:29,190 --> 00:13:24,560

oh god these guys must be cheating

151
00:13:31,990 --> 00:13:30,310
mine [h__h]

152
00:13:42,470 --> 00:13:32,000
come and get it i'm not

153
00:13:42,480 --> 00:13:54,310
oh yeah this is a good spot

154
00:14:01,030 --> 00:13:56,470
oh yeah see this this is how you win

155
00:14:06,710 --> 00:14:03,350
you just hold down the trigger

156
00:14:08,389 --> 00:14:06,720
and really the bolt ratio to kill

157
00:14:09,590 --> 00:14:08,399
you want that as high as possible

158
00:14:11,590 --> 00:14:09,600
because it shows that you're actually

159
00:14:12,550 --> 00:14:11,600
doing work you're not too afraid to

160
00:14:14,389 --> 00:14:12,560
shoot

161
00:14:16,629 --> 00:14:14,399
and uh

162
00:14:17,990 --> 00:14:16,639
if there's someone who uh needs to be

163
00:14:19,750 --> 00:14:18,000

killed you're willing to do it you may

164

00:14:21,590 --> 00:14:19,760

not be able to do it but you're willing

165

00:14:22,949 --> 00:14:21,600

to do that because you you're qualified

166

00:14:28,230 --> 00:14:22,959

and you have the practice of pulling the

167

00:14:32,470 --> 00:14:31,189

oh

168

00:14:33,750 --> 00:14:32,480

stupid

169

00:14:42,829 --> 00:14:33,760

noob tube

170

00:14:46,629 --> 00:14:44,389

well

171

00:14:49,269 --> 00:14:46,639

here's my beloved [h__h] shack

172

00:14:51,490 --> 00:14:49,279

c4 on the ground

173

00:14:59,509 --> 00:14:51,500

64.
