drastically outgunned when i joined

5
00:00:29,290 --> 00:00:27,020
brian's game it said poor match so that

6
00:00:31,959 --> 00:00:29,300
means a lot of fun is going to be had by

7
00:00:34,299 --> 00:00:31,969
me i'm gonna be dying a lot Brian what

8
00:00:37,810 --> 00:00:34,309
are you facing with whatever we doing oh

9
00:00:40,029 --> 00:00:37,820
we're hacking the overseer yes and I'm

10
00:00:41,979 --> 00:00:40,039
fighting the stupid badass constructor

11
00:00:44,290 --> 00:00:41,989
right now he's almost dead all right oh

12
00:00:45,849 --> 00:00:44,300
good i can get points yeah you get a lot

13
00:00:50,739 --> 00:00:45,859

in here in a minute what works on them

14

00:00:57,189 --> 00:00:50,749

is a corrosive corrosive yes it old for

15

00:00:59,219 --> 00:00:57,199

us on these stupid robots oh no alright

16

00:01:01,719 --> 00:00:59,229

it's alright i can i can get you ikea

17

00:01:03,849 --> 00:01:01,729

kind of hide in this little tunnel yeah

18

00:01:07,380 --> 00:01:03,859

and i just killed him nice i got a bunch

19

00:01:15,060 --> 00:01:12,350

oh yeah then she who still fighting me

20

00:01:16,800 --> 00:01:15,070

this little stupid flying thanks he's

21

00:01:21,030 --> 00:01:16,810

almost kitty almost killed me i'm dead i

22

00:01:24,990 --> 00:01:21,040

died oh my god where are you i'm right

23

00:01:31,350 --> 00:01:25,000

behind you there you are oh my god i'm

24

00:01:34,260 --> 00:01:31,360

dying hahahaha holy [h__\h] this you're a

25

00:01:38,730 --> 00:01:34,270

lot like i'm running away yeah this

26
00:01:40,320 --> 00:01:38,740
happens every time I'm with you yeah cuz

27
00:01:42,749 --> 00:01:40,330
just when I think I'm leveling up enough

28
00:01:47,910 --> 00:01:42,759
to actually hang out i think i could

29
00:01:51,270 --> 00:01:47,920
hang no holy [\h__\h] g37 you're almost

30
00:01:53,279 --> 00:01:51,280
there I'm getting close I joined my

31
00:01:56,370 --> 00:01:53,289
friends game who was level 22 to make

32
00:02:00,380 --> 00:01:56,380
myself feel better there yeah and I felt

33
00:02:02,460 --> 00:02:00,390
pretty good about myself that's good I

34
00:02:04,800 --> 00:02:02,470
think this thing can kill me in one or

35
00:02:06,359 --> 00:02:04,810
two shots yeah well these stupid will

36
00:02:08,550 --> 00:02:06,369
apply things always knock down your

37
00:02:12,810 --> 00:02:08,560
shield yeah and then I'm swearing on a

38
00:02:14,850 --> 00:02:12,820

machine gun ammo are you serious the one

39

00:02:17,520 --> 00:02:14,860

thing bad about this game the my only

40

00:02:19,710 --> 00:02:17,530

complaint is you can't share em oh yeah

41

00:02:21,360 --> 00:02:19,720

I can't draw sucks can't drop ammo for

42

00:02:24,300 --> 00:02:21,370

you so maybe in Portland Street will fix

43

00:02:27,900 --> 00:02:24,310

that yeah have a vehicle idea hey be

44

00:02:32,520 --> 00:02:27,910

fine um I get a big good stuff hmm real

45

00:02:35,400 --> 00:02:32,530

fun so you got to turn this [h__\h] in wait

46

00:02:37,800 --> 00:02:35,410

you didn't have the overseer now okay

47

00:02:40,530 --> 00:02:37,810

I'd that [h__\h] uh constructor popped

48

00:02:43,920 --> 00:02:40,540

up and i had to take care of him i said

49

00:02:48,720 --> 00:02:43,930

let's just get some more ammo here yeah

50

00:02:50,340 --> 00:02:48,730

my van load up to and then we'll uh go

51
00:02:53,880 --> 00:02:50,350
hack that overseer and see if we can't

52
00:02:58,979 --> 00:02:53,890
bring some some statues all right i'm on

53
00:03:01,110 --> 00:02:58,989
board traveling us oh hey real quick

54
00:03:04,680 --> 00:03:01,120
question was Danzig in your girlfriend's

55
00:03:06,810 --> 00:03:04,690
car yes he was why how did Danzig glenn

56
00:03:09,810 --> 00:03:06,820
danzig get in your girlfriend's car

57
00:03:13,170 --> 00:03:09,820
after the show ah did you go to the show

58
00:03:15,630 --> 00:03:13,180
no this is the base I'm stupid I should

59
00:03:17,520 --> 00:03:15,640
have went to see Danziger it is one of

60
00:03:19,440 --> 00:03:17,530
the greatest shows of my lifetime I mean

61
00:03:20,910 --> 00:03:19,450
seeing those misfits songs live with

62
00:03:23,360 --> 00:03:20,920
Doyle playing guitar

63
00:03:25,830 --> 00:03:23,370

ooh boy it was it was [\h__\h] awesome

64

00:03:28,199 --> 00:03:25,840

all right i'm waking this thing up get

65

00:03:30,120 --> 00:03:28,209

there get this [\h__\h] up oh this is a

66

00:03:33,030 --> 00:03:30,130

good guy my god that's all this is a

67

00:03:36,330 --> 00:03:33,040

good guy yeah he's gonna forget we have

68

00:03:37,740 --> 00:03:36,340

to defend him oh yeah oh yeah geez yeah

69

00:03:41,340 --> 00:03:37,750

you helped me out with this I'm like

70

00:03:43,020 --> 00:03:41,350

yeah and now yeah yeah so where did

71

00:03:53,210 --> 00:03:43,030

you.where did you show for dancing too

72

00:03:57,120 --> 00:03:53,220

okay so what I want to know what uh so

73

00:03:59,220 --> 00:03:57,130

after the show I guess the runner had to

74

00:04:00,780 --> 00:03:59,230

leave earlier than the band was done and

75

00:04:03,390 --> 00:04:00,790

like danza was hanging out signed a lot

76
00:04:07,050 --> 00:04:03,400
autographs of being a good Danzig wow

77
00:04:09,990 --> 00:04:07,060
it's unheard of yeah I guess he's got a

78
00:04:11,970 --> 00:04:10,000
bad rep I don't know I mean everybody

79
00:04:13,710 --> 00:04:11,980
said David that we'd be disappointed the

80
00:04:16,259 --> 00:04:13,720
show it was anything but disappointing I

81
00:04:17,940 --> 00:04:16,269
thought it was great I mean his mic

82
00:04:19,680 --> 00:04:17,950
techniques a little weird but I think

83
00:04:28,190 --> 00:04:19,690
it's awesome is you know he's like an

84
00:04:30,690 --> 00:04:28,200
old rocker I think it's sweet yeah um so

85
00:04:32,490 --> 00:04:30,700
sorry yeah we gotta take care of this

86
00:04:33,779 --> 00:04:32,500
[h__\h] will be no bogus will come back

87
00:04:35,219 --> 00:04:33,789
this way yeah we'll get back to the

88
00:04:37,680 --> 00:04:35,229

story which we finish up these [h__\h]

89

00:04:44,840 --> 00:04:37,690

goddamn i got a badass I'd too I'm

90

00:04:49,469 --> 00:04:44,850

coming I'm coming for you buddy please

91

00:04:54,659 --> 00:04:49,479

it's very unsightly it is all right I

92

00:04:58,080 --> 00:04:54,669

want a gun sir stupid guys enough for

93

00:05:00,050 --> 00:04:58,090

there oh my god I'm dead haha let me

94

00:05:03,029 --> 00:05:00,060

kill him kissing his job hey go for it

95

00:05:05,310 --> 00:05:03,039

where he I'm right right here oh god

96

00:05:09,210 --> 00:05:05,320

there's a guy looking right at me he's

97

00:05:12,480 --> 00:05:09,220

looking right at me it's coming right

98

00:05:16,770 --> 00:05:12,490

for us there you go awesome running away

99

00:05:18,540 --> 00:05:16,780

ok so after the show Jake one of the

100

00:05:22,080 --> 00:05:18,550

managers down there is like phanzig

101
00:05:23,700 --> 00:05:22,090
needs a ride you know Massie she hasn't

102
00:05:25,970 --> 00:05:23,710
drinking at the show at all she had like

103
00:05:27,920 --> 00:05:25,980
one vodka cran

104
00:05:29,330 --> 00:05:27,930
and we had eaten boots and stuff so that

105
00:05:31,390 --> 00:05:29,340
was long dong she just wouldn't play

106
00:05:34,430 --> 00:05:31,400
drinking she's like all good do it and

107
00:05:36,260 --> 00:05:34,440
Jake's I don't know and Amy Jake's wife

108
00:05:37,730 --> 00:05:36,270
and I are like tonight nice and

109
00:05:39,650 --> 00:05:37,740
professional you know she's got this

110
00:05:42,170 --> 00:05:39,660
yeah but she is you know she's like

111
00:05:43,640 --> 00:05:42,180
works in the beer industry and like you

112
00:05:46,220 --> 00:05:43,650
know she's had to cart people around the

113
00:05:48,160 --> 00:05:46,230

force she knows the deal I could use a

114

00:05:55,460 --> 00:05:48,170

little help over here yeah I'm coming uh

115

00:05:57,380 --> 00:05:55,470

they're dying again so uh Vita Jake's

116

00:05:59,660 --> 00:05:57,390

like well go get him and him and the

117

00:06:01,340 --> 00:05:59,670

boys at the Newport and she went down

118

00:06:03,230 --> 00:06:01,350

there and uh gave him a ride to the

119

00:06:04,940 --> 00:06:03,240

hotel him back to their bus oh nice

120

00:06:07,070 --> 00:06:04,950

that's very nice because that's what a

121

00:06:10,390 --> 00:06:07,080

runner does and i think they talked

122

00:06:14,120 --> 00:06:10,400

about uh she said they just talked about

123

00:06:16,640 --> 00:06:14,130

Dave Chappelle and yellow springs a

124

00:06:19,610 --> 00:06:16,650

little bit they said they're gonna go

125

00:06:21,110 --> 00:06:19,620

see black sabbath she'll have to come on

126

00:06:23,120 --> 00:06:21,120

the show sometime maybe tell you all

127

00:06:25,970 --> 00:06:23,130

about it that sounds it sounded like it

128

00:06:27,530 --> 00:06:25,980

was a pleasant experience like yeah she

129

00:06:29,570 --> 00:06:27,540

had a really good time she said Doyle

130

00:06:31,220 --> 00:06:29,580

was really nice too she said Glenn's a

131

00:06:33,650 --> 00:06:31,230

total rock star you know but he's gone

132

00:06:36,440 --> 00:06:33,660

dancing horsey he's been rocking out for

133

00:06:38,720 --> 00:06:36,450

30 years did ya who's in the mean it he

134

00:06:40,280 --> 00:06:38,730

probably hasn't gotten much I mean I

135

00:06:41,600 --> 00:06:40,290

know street cred is pretty hot but he

136

00:06:44,390 --> 00:06:41,610

hasn't probably you know it may not that

137

00:06:46,130 --> 00:06:44,400

great financially from it so I mean dude

138

00:06:47,240 --> 00:06:46,140

you know he's understand if he had a

139

00:06:49,220 --> 00:06:47,250

little chip on his shoulder you know

140

00:06:52,160 --> 00:06:49,230

what I mean he created the album static

141

00:06:53,660 --> 00:06:52,170

age isn't that enough I know right LCS

142

00:06:57,140 --> 00:06:53,670

to do in life this was that's one of the

143

00:06:59,330 --> 00:06:57,150

best punk rock albums Raquel forever of

144

00:07:04,220 --> 00:06:59,340

all times yeah oh it what about the song

145

00:07:06,170 --> 00:07:04,230

mother ah Oh mother father twisted he

146

00:07:08,630 --> 00:07:06,180

looked good sounded good meadows we had

147

00:07:09,890 --> 00:07:08,640

a great time that we got some box seats

148

00:07:12,680 --> 00:07:09,900

you know because I worked there stuff I

149

00:07:13,850 --> 00:07:12,690

took the night off um and it was amazing

150

00:07:15,380 --> 00:07:13,860

it's like one of the most amazing

151
00:07:18,020 --> 00:07:15,390
concerts periences I've ever had in my

152
00:07:19,550 --> 00:07:18,030
life made a made made it all worth it

153
00:07:22,190 --> 00:07:19,560
man you know that's why I got into the

154
00:07:25,010 --> 00:07:22,200
music business i thinks did he play

155
00:07:26,720 --> 00:07:25,020
twist of Cain yeah oh yeah that was like

156
00:07:29,060 --> 00:07:26,730
first or second came right out of the

157
00:07:31,280 --> 00:07:29,070
RIP with that [h__\h] yeah right out of the

158
00:07:33,860 --> 00:07:31,290
gate yeah I felt bad I didn't go but at

159
00:07:35,420 --> 00:07:33,870
the same time I just knew there's no way

160
00:07:37,380 --> 00:07:35,430
I'd be able to wake up and go to work

161
00:07:39,870 --> 00:07:37,390
and do a big code move

162
00:07:43,350 --> 00:07:39,880
yeah right after my little truck after

163
00:07:45,810 --> 00:07:43,360

having the little comics really oh yes I

164

00:07:47,370 --> 00:07:45,820

don't it's not like I don't drink it's

165

00:07:51,330 --> 00:07:47,380

not like i have willpower and can stop

166

00:07:53,670 --> 00:07:51,340

drinking i can't i gotta have it yes I

167

00:07:56,960 --> 00:07:53,680

know what you mean man I have a hard

168

00:07:59,690 --> 00:07:56,970

time to with that honey once see now

169

00:08:06,060 --> 00:07:59,700

where the hell is all these dirty Anna

170

00:08:08,100 --> 00:08:06,070

I'm coming right behind you I'm trying

171

00:08:12,780 --> 00:08:08,110

to revive you wouldn't let me they're

172

00:08:14,820 --> 00:08:12,790

good you got me do you ever like I

173

00:08:16,710 --> 00:08:14,830

always have a missile launcher are you

174

00:08:17,820 --> 00:08:16,720

dying now yeah I'm Dinah I have a Miss

175

00:08:20,700 --> 00:08:17,830

launcher I just don't have the

176

00:08:22,320 --> 00:08:20,710

opportunity ever to use it um I'm gonna

177

00:08:24,510 --> 00:08:22,330

professional self sure every wish she's

190

00:08:58,980 --> 00:08:55,900

kind of representing the company I work

191

00:09:00,420 --> 00:08:58,990

192

00:09:03,540 --> 00:09:00,430

she couldn't ask for that stuff it's

193

00:09:04,980 --> 00:09:03,550

kind of like frowned upon it certainly

194

00:09:07,650 --> 00:09:04,990

is too bad I wish she would have gotten

195

00:09:09,930 --> 00:09:07,660

some kind of memento but you know she

196

00:09:11,820 --> 00:09:09,940
